District 63 Board ratifies teachers' contract

At a meeting Monday night School Board 63 approved teacher salaries and classified personnel salaries culminating more than 9 months of negotiations with the East Maine Education Association.

Dec. 3 the board ratified and approved the collective bargaining agreement.

The two actions ended the long bitter strike between the two groups which saw school teachers walk the picket lines for 3 days. The major delay in the approval concerned interpretation of the cost of living index. Union action Dec. 3 plus Monday night's board action ironed out the conflicts. The following is the teacher

salaries which are effective retroactively to Sept. 1, 1975:

Salary effective Sept. 1, 1975, 6.75% raise (base \$9,324), plus increment (about 2.9%). Effective Apr. 30, 1976, \$300 on every step of the salary schedule (base as of Apr. 30, 1976, \$9,623).

Total increase for the first year — 10.75%.

Second year: minimum 5% raise plus increment (minimum base for 1976-77, \$10,105) plus cost of living (COL) adjustment as follows:

If COL reaches 6% add .25% (base would be \$10,129).

If COL reaches 7% add another .25% (base would be \$10,153).

If COL reaches 8% add another .25% (base would be \$10,177).

Total increase for second year — 9.77 to 10.52%.

Breakdown of salary package 1st year: 6.75 across the board effective Sept. 1, 1975, .6 increase in fringe, .5 1/6 of \$300 improvement on schedule effective Apr. 30, 1976 - total new Continued on Page 27

From the Left Hand

by David Besser
Editor & Publisher

The fire truck-auto collision which resulted in the death of two auto passengers was a tragedy which hopefully can be avoided in the future. Mayor Nick Blase told The Bugle Tuesday the fire trucks may soon be equipped with devices to change stop lights as fire vehicles approach intersections.

The accident resulted from a call for an ambulance at Vapor Heating. A fire pumper was dispatched to the scene. Firemen reported all traffic was believed stopped before they crossed the Waukegan-Howard intersection. But one car did move into the path of the fire truck which resulted in the 2 fatalities.

The two firemen involved in the accident were reportedly treated for shock at the hospital. Fire Chief Al Hoelbl told us it has been "very quiet" around the firehouse since the tragedy.

A resident phoned us to inquire why there is a need for excessive fire equipment to be dispatched for an ambulance call. Hoelbl told us there is often a need for more than 2 paramedics. It can be assumed there is also a need for equipment when there may be second story or other work involved in the call.

While there can be no consolation for such a tragedy, we hope the men in the department can keep a proper perspective. The great work which is done daily by the fire department, plus the dozens of lives which have been saved by their excellent work, can never be forgotten. Like any military unit there is a risk inherent with such work. Accidents go with the territory. The infrequency of accidents has likely conditioned the firemen to believe they never happen. This infrequency makes them doubly hard to accept.

Tony Smigel, presiding Judge of the Third Circuit Court, will be honored tonight at a testimonial dinner marking his Continued on Page 26

Peerless opens new Niles branch

Timothy P. Sheehan, President of Peerless Federal Savings, announced the opening of their new Niles office. Located at 7759 N. Milwaukee, Peerless Federal Savings offers a full-range of financial services to residents of Niles, Park Ridge and Chicago.

Sheehan also invited neighbors to register to win one of our Zenith color televisions or four digital clock AM/FM radios. Just fill out the entry card, anyone over 18 is eligible to win.

The grand opening celebration continues all month with free gifts for depositors. Items available free or at a substantial savings include electronic calculators, blankets, electric frying pans, dictionaries, plus many more items.

Sheehan noted that Peerless would provide the same excellent service both as a savings institution and as a mortgage lender that they have been providing at their other northwest side office for nearly half a century.

From l-r: James Z. Guzik, Branch Manager; Mrs. Millie Jones of 7817 N. Odell ave., President of the Niles Park District, opening the first new account at the Niles Branch; and Bradley Jones, her son; and Kenneth R. Scheel, Village Manager of the Village of Niles, congratulating Timothy P. Sheehan, President of Peerless Federal Savings. The new branch office of Peerless Federal Savings, which opened on Dec. 1, is located at 7759 N. Milwaukee ave. (at Mulford ave.)

Special Holiday schedule from Dec. 15 thru Jan. 16

Courtesy Bus hours extended

(by Alice M. Bobula)

Operational hours for the village Courtesy Bus system were approved for extension by Niles trustees Tuesday night from the present 9 hour daily run to 13 hours a day during the week for the next month.

Beginning next Monday extended bus hours will be from 9 a.m. to 10 p.m. Monday thru Friday from Dec. 15 thru Jan. 16, 1976.

Extending the hours of bus operation according to village administration will accommodate increased ridership due to holiday shopping and to youth on holiday vacation from school. The lengthened evening hours will allow people using the bus during the day to use it at night and would also permit residents to ride the bus at night who cannot shop Continued on Page 35

Guatemalan teen visits Niles as exchange student

(By Alice M. Bohala)

The most vivid impression she will carry back to her native Guatemala, said 16-year-old Miriam Menendez, an exchange student visiting Niles, is making angels from snow in a Niles Park. She had never seen snow, and thought "It was beautiful," said the petite 5 foot miss, until she came for a two month visit to her host family in Niles, the Bernard Osterbergers at 8015 Ozark.

The slim brunette is one of a 40-member group from Guatemala and Salvador in Central America who are in the United States on a scholarship-funded visit. She knows nothing of her fellow travelers except that two of her group went to Chicago. Miriam came directly to Niles from O'Hare airport. The visit with the Niles family stemmed from an interest expressed by Wendy Osterberger, 16, in the Open Door program of exchange students between North America and the Central and South American countries.

Topping her memory of Niles is a visit to the Niles Fire Department with Wendy's uncle Tony Guarnacelo and her introduction to the paramedic division. "We have nothing like that in our country!" she noted, stating she looked in vain for the traditional firepoles, non-existent in the one-story Niles station.

Miriam attends Maine East High School with Wendy daily, a requisite of her visit here. She noted the school curriculum is much the same as in Guatemala City except that facilities in the northern schools are much more modern. Her school year is from mid-January to mid-October, so that Miriam is visiting the States

on her "summer vacation" from October to mid-January.

Baptized Catholic, she became a Mormon at the age of 8, the daughter of an American catholic civil engineer and a Mormon mother who teaches elementary school in Guatemala City.

A student at the American School of Guatemala, which is bi-lingual, Miriam is the only one in a Spanish-speaking family of 5 brothers and sisters ranging from 6 years to 20 years of age to speak English. She makes good use of the language marked uniquely at intervals with slight difficulty in pronunciation of American words.

"There are some 'theengs defferent' from what she is accustomed, said the exchange student who speaks precisely and with courtesy. Food is cheaper in Central America and Guatemalans eat more fresh foods as compared with the frozen foods available in north America.

"Clothing is much the same price-wise except that the newer fashions appear later in the Guatemala City. The typical dress, which she brought along on her visit, of Guatemalan women consists of a long, black embroidered skirt and white

muslin blouse with an embroidered neckline ("the kind," commented her teenage hostess, "that is coming into style now"). Jeans are too expensive to wear in Central America.

The Guatemalan teen spoke glowingly of North American shopping centers. "We have them, but they are not as huge and do not have so many things for sale!" As for prices, they vary, she said, noting the purchase of her perfume for \$2 in Niles as compared with \$8 in her native city.

The weather is mild and "we really don't have a winter," she laughed. "The coldest is above 32 degrees F. Ours is more a rainy season...it rains from May to November, but not steadily."

Christmas in Guatemala is celebrated with what she terms "artificial" fireworks altho she was unable to define the word artificial except that Spanish-speaking people use it in mentioning fireworks. The Christmas season is not as commercial in her city, she said, with emphasis on visits to neighbors as compared to the northern custom of family gatherings.

Miriam intends to enjoy her visit historically, learning as much as she can about the States before her departure for home on January 10. Appreciation of her country is greater now that she is away, altho she fully intends later to apply for a college scholarship in Utah. She leans toward psychology as a major, for working with retarded children at a later time.

The Osterbergers are delighted with their daughter's interest in foreign affairs and with their guest from Guatemala.

THE GOLDEN SENIORS OF MORTON GROVE

As usual there was an excellent turnout for the regular meeting. The Christmas Party is being held on Wednesday, Dec. 17, at the Morton House Restaurant at 6401 Lincoln ave., Morton Grove. The dinner will consist of turkey and all trimmings and a glass of wine. It is a complete sellout.

On behalf of the Golden Seniors and officers, our President wishes all of you a Merry Christmas and a Happy New Year. Christine thanks every one who helped make this party a success. Many dignitaries are coming and she and her helpers have worked very hard. From the Golden Seniors of Morton Grove we wish all of you happiness and good health.

THE LEANING TOWER YMCA

There will be thirty senior citizens from the Leaning Tower YMCA leaving for a Caribbean Cruise on Dec. 13 aboard the ship *Adventurer*. They will leave from Puerto Rico and then visit Caracas, Grenada, Barbados, St. Lucia and St. Thomas and will return on Dec. 20.

On Friday, Dec. 12 at 1:30 p.m. American Airlines will be guests at the Leaning Tower YMCA. Niles, to show slides of the East Coast for the Senior Adult Center. All seniors are invited to view these beautiful and interesting slides.

Christmas luncheon for senior citizens

Maine Township will sponsor a special Christmas Luncheon for Senior Citizens at 12:30 Wednesday, Dec. 17, at the Casa Royale, 785 Lee St., Des Plaines. Maine Township Senior Citizens Coordinator Ferdinand C. Arndt announced today.

Arndt said entertainment and "some surprises" were planned for the event, and that Maine Township officials would be present to meet the senior citizens. He added that the luncheon would be preceded by a cash bar beginning at 11:30.

Arndt said that only seniors who are Maine Township residents would be permitted to attend. In the five months since

his committee was formed, he pointed out that the number of seniors attending township-sponsored affairs has grown to a size that guests can no longer be accommodated. Some events, he added, have had more than 200 attendees.

Seniors who wish to participate want further information, or would like to be added to the group's newsletter mailing list, may call Ben Ballin at 827-0745 or the Maine Township office at 297-2510.

Niles resident Bill Curtin dies at 56

Services for Niles resident William H. Curtin were held Wednesday, Dec. 10, at the Skaja Terrace Funeral Home in Niles.

Bill Curtin died early Sunday morning, Dec. 7, stricken by an apparent heart attack at his home on Oketo in Niles. He had awakened early that morning due to respiratory difficulties and, not wanting to disturb the household went into the living room of his home, where he was overcome. Niles paramedics attempted to revive him for almost an hour.

Mr. Curtin came to Niles with his wife 20 years ago from Suffolk, Conn. He was active in the growth of his community as a member of the Grennan Heights Improvement Association, a member of the American Legion

Niles Post 29, Maine Township Democratic Organization and the Masonic Lodge Evanston Chapter No. 144.

He was cited for active participation in the Niles Blood Participation program, donating blood 6 times during the past few years.

Having lost his business due to fire several years ago, Bill renewed his Chicago interests six months ago, said his widow, Isabel. "He had so many things ahead of him that he intended to do," she said. The Curtins would have observed their 33rd wedding anniversary next January.

Love for his children was manifested a day earlier when he presented a birthday bouquet of roses to his youngest daughter for her 16th birthday.

"He had a very quiet personality but he was always ready and willing to help the young or old," observed a very close friend.

Surviving are his widow, Isabel, a son, William, Jr., and 3 daughters, Kathleen (George) Schneider, Beth and Cindy, his mother Stephanie, 3 sisters, Ruth (Raymond) Galloway, Mary (El) Jackson, and Evelyn (Donald) Riley and 2 brothers, Robert (Mary) and Frederick (Rosemary).

Interment was at Memorial Park Cemetery.

Sunday, Dec. 14, is the next date for the Chicago Coin Bourse at the Leaning Tower YMCA, 6300 Touhy. Hours are from 10 a.m. to 5 p.m. Free admission and ample free parking. Seventeen experts will have exhibits on display and will be available to answer questions.

Niles Hockey

NILES SHARKS HOCKEY

Pea Wee A Team
Niles 1, Wilmette Braves 1
On Nov. 25 the Niles Pea Wee A's sponsored by Mac's Foods fought back from a 1-0 deficit and tied the Wilmette Braves 1-1 in an exciting action-packed game.

With 20 seconds remaining in the game, Vince Guzaldo and Bob Romozzi set up Scott Malik for the tying goal. Good goaltending by Joe Payne and Gregg Horton. Niles 4, Highland Park 4.

The Pea Wee A's sponsored by Mac's Foods faced the Highland Park Leafs in a non-conference game on Sunday, Nov. 30.

Ken Sall assisted by Vince Guzaldo put the Sharks on the scoreboard late in the first period. Mike Mersch scored two goals for the Sharks. Tony Tomaska received an assist on Mersch's second goal, making the score 3-2. With one minute remaining in the game, John Hajduk assisted by Steve Musse scored the tying goal for the Sharks, making the final score 4-4.

Pea Wee A's defeat Northbrook
On Dec. 2 the Pea Wee A's faced the Northbrook Blues at Northbrook. Steve Musse assisted by John Hajduk and Mark Steffen scored the first goal for Niles midway thru the first period. Vince Guzaldo assisted by Scott Malik tallied the second goal. Second period goal Mike Mersch assisted by Wolfie Franz gave the Sharks a 3-2 lead. With five minutes remaining in the game, Tony Tomaska and Mark Steffen set up Vince Guzaldo for the winning goal. Super goaltending by Joe Payne and Gregg Horton.

Pea Wee B's shut-out Evanston
The Pea Wee B's sponsored by Grass Machine and Tool were hosts to the Wildbits from Evanston on Saturday, Dec. 6.

The Pea Wee's dominated the entire game, out-skating and out-shooting Evanston. The offense played good, and the defense was superb. Goalie Tim Dispart was dynamite in the nets and earned his second shut-out of the season.

Pat Connor assisted by Jim O'Connor put the Sharks on the scoreboard late in the first period. Jeff Stibling and Rich Schneider set-up Jack Belden for the second goal of the game. Final score Niles 2, Evanston 0.

NILES SHARK HOCKEY SQUIT "A" DIVISION

On Nov. 16 the Niles Sharks Kiwanas of Niles Squit Division played the Crestwood Spartans in a tight game with the final score tied 4-4. Goalie Nick Candotti saved 22 out of 26 shots on goal.

Scoring for Niles were John Cavalenes with two goals, Jeff Malik, and Mark England. Assisting these goals were Jim Hitzel, Jeff Malik, George Laloganes, and Joe Tomaska.

On Nov. 17 the Niles Sharks Squirts defeated Palatine by a score of 5 to 1. Nick Candotti again executed great goal tending by saving 20 of Palatine's 21 shots on goal. Shots on goal for Niles were 22.

Scoring for Niles were Mark England, Joe Tomaska, Chuck Heintzelman, Ricky Composono, and George Laloganes. Assists on goals were made by John Cavalenes, Ricky Composono, Mark England, Mike Corcoran, Larry Hajduk, Danny Pappas, George Laloganes, and Joe Tomaska.

On Nov. 19 the Niles Sharks Squirts defeated Glenview by a score of 4 to 2. After a scoreless first period, Glenview scored two goals in the second period. The score Glenview 2, Niles 2 after the second period. In the third period Niles began to put things together by scoring 4 goals.

Scoring for Niles were Larry Hajduk, Danny Pappas, Bob Hess, and Joe Tomaska. Assisting these goals were Mark England (2), Ricky Composono, Mickey Heintzelman, George Laloganes (2). Goalie Garry Redig was really on his toes and played an excellent game saving 17 of our 19 shots on goal. Niles shots on goal were 27.

Maine East girls' gymnastics team

The Maine East Demon gymnasts have won their first two meets of the season, first defeating Maine South with an 86 to 67 score and going on to conquer Glenbrook South with a 91 to 84 score. One of the big reasons for these first two wins is the outstanding ability of Senior Melody Miller, last year's Conference All-Around Champion, along with the help of seniors Cindy DiVito, Nancy Goldsmith, Robin Riemer, Jan Sherwood, and Kathy Herbst. In the meet against Maine South, the Maine East team took first, second, and third place in every event. Melody Miller took first place in the All-Around with a score of 29.95, as well as first in Beam, Bars, and Floor Exercise. Ellen Barrett took first in Vaulting with a score of 8.25.

Against Glenbrook South the Maine East girls took first in all events except Vaulting. Donna Mancini took a first place in Floor Exercise with a score of 8.0, and Melody Miller took a first place in Uneven Bars with a 8.9 and Balance Beam with a 8.1. Cindy DiVito took a second in Bars with another high score of 8.45. Melody Miller won the All-Around with a 32.05 total, and Donna Mancini finished second with a 28.25 total.

Coming up soon on the gymnasts schedule is a big compulsory meet against Niles West. The girls are really "up" for this meet, since Niles West will be one of the toughest teams in the league.

The Maine East Demon gymnasts are exceptionally strong on Bars, Vaulting, and Floor Exercise. Balance Beam was the weakest event for the team, since all the skills in the new compulsory routine were just being learned at the start of the season, but now with two meets' experience behind them, the girls on Beam can now start to polish the routines in preparation for the Niles West meet on Dec. 13. Last year Maine East defeated Niles West three times during the season in compulsory and optional competition, and this year the Demon machine intends to make it four times by defeating them at the Division Meet to be held at Maine East on Jan. 31.

Holiday thieves

In view of the approaching holidays, Niles police ask residents to watch out for pickpockets known to be working in the Niles area.

Some victims report their loss, others believe they "lost" their wallets, said police. Out-of-town residents noting their loss upon returning home are negligent to return and report the incident to the police.

Beward of accidental "bumps" from strangers. Topclasp purses with a handle are easy prey according to police who advise shoppers to clasp purses tightly under an arm at all times.

Mimelli Bros. host Shopping Spree winners

Minelli Bros., 7780 Milwaukee ave., Niles hosted a very special and unique event at their store on Thursday, Dec. 4.

The 10 top salesmen for the Chicago Distributors of Wine and Spirits received awards which were in the form of shopping sprees in Minelli's. Excluding liquor, cigarettes, and fresh meats, each winner was given a specific amount of time to complete his shopping depending on the award he had won.

The top winner, Ben Policheri received a full five minutes and gathered \$1,067 in merchandise. The event was sponsored by Schenley, Inc., New York. Other winners included Herman Jacobs, Orlando Beniti, Bernard Hurray, William Sounbuck, Phil Conn, Dan Cohn, Jack Baker, Ron Lawraitts and Ben Polichini.

Attention: District 63 Board

AN OPEN LETTER TO THE BOARD OF EDUCATION, EAST MAINE SCHOOL DISTRICT 63 -- Dear Board Members:

After suffering through an unjust and illegal strike caused by the members of the EMEA, which was compounded by some of their members employing abusive, oppressive, illegal and condemnable means to achieve their ends, I now realize the wisdom behind the prohibition against public employees from striking.

It is unnecessary for me to catalog the transgressions of the strikers. Suffice it to say that after three days on the picket line it became a matter of extreme priority to the representatives of the EMEA to include the issue of amnesty at the top of their list of demands.

Strikes are no longer peaceful demonstrations of a worker's expression of the justness of his cause. They are conspiracies designed to destroy the will of the employer, through insult, intimidation, criminal damage to property, and injury to others, irrespective of right or wrong.

This is not a weapon that should be permitted to be used by any person, but in the hands of a public servant it becomes an intolerable cancer.

In the future, I respectfully suggest that if you are confronted with a similar situation, you proceed with all deliberate speed to secure an injunction, and then follow it up with all other remedies at your disposal, including but not limited to the

firing of all those who thereafter refuse to obey the order of court. If your board ever again capitulates to the demands of the EMEA because of the existence or threat of a strike, it will in my opinion, have decapitated your administrative arm, without which you are impotent. Don't delude yourselves, the issues here were not starting salaries, work schedules or conditions, etc. What we all experienced was a pure and simple power struggle.

Because of this unhappy experience, I have become familiar with the collective bargaining bills which have been sponsored and/or endorsed by Representative Jaffe and others. It is my opinion that once passed, the power of the people and Boards of Education elected by them throughout the state of Illinois will have been reduced to the level that the approval of the height of a water fountain will constitute a major decision.

Let me say to all of you that I accept equal responsibility for the events of the past month and the causes which produced them. I was apathetic and slept on my rights. I came in too late with too little.

There is an old saying, "You fool me once, shame on you -- but if you fool me twice, shame on me." I hope we all learned from this so that in the future we will be in a position to either prevent it from occurring, or once having commenced we will possess the power to destroy it.

Sincerely yours, Daniel H. Pappas 211 Lawrencewood Niles, Ill. 60648

Grateful to Niles Paramedics

Dear Editor: I would like the opportunity to express my gratitude and thanks for the dedicated men of the Niles Fire Department and the Paramedics.

On Friday, Oct. 31, my husband died suddenly. Due to shock and running to answer the phone at 1:40 a.m., I experienced severe chest pains and shortness of breath. I called the Fire Department and a wonderful gentleman calmed me and suggested that I have someone out to talk to me. Well, he sent a fire engine and the Paramedics. These great men took in the situation and administered oxygen and took my blood pressure. Rather than leave me alone, they took me by ambulance to Lutheran General Hospital to be checked again.

The calm, professional manner in which they went about their business did a lot to ease the tension for me and my children. I am proud to live in a community where calls for help are answered promptly and efficiently.

Sincerely, Esther S. Niles

Grateful to MG Paramedics

Dear Editor: "God" has given us extra hands as his helpers. Believe in them. Last week a life was saved in Morton Grove by skilled hands, quick minds and sincere interest in humanity. The Morton Grove Paramedics pooled their resources and gave my husband another chance for life. These are men of whom we should be most proud.

May you never feel those "pangs" for emergency help, but if in need, I highly recommend our Morton Grove Paramedics and Fire Department. Thank you, men!

New YMCA class for women

Beginning Thursday, Jan. 8, the Leaning Tower YMCA will offer a new class for women. The class is Danish Fundamental Corrective Exercises. The instructor, Peter Sorensen, is a native of Denmark and a graduate of the Ollerup Academy of Physical Education, Denmark. The Ollerup Academy is recognized the world over for its philosophy and method of teaching, which is to develop every muscle in the body to its fullest potential. The class emphasizes the development of strength, agility, coordination, grace and beauty in movement.

Peter Sorensen is the representative of the Ollerup Academy in this country, and he has taught Danish Fundamental Corrective Exercises in many schools and YMCA's in the Chicago area.

The class will meet on Thursdays, 10:45-11:45 a.m., and run for 10 weeks. The fee for Leaning Tower members is \$18.50; for non-members \$23. Registration for members begins Monday, Dec. 8. Non-member registration begins Monday, Dec. 15.

National Council of Jewish Women

The open meeting begins at 8 o'clock at Northwest Suburban Congregation, 7800 Lyons, Morton Grove. For more information, call 272-2405.

Niles Family Service

By Larry F. Remotky, ACSW

A friend and colleague of mine wrote the following which gives all of us parents and those in teaching positions a lot to reflect upon: For all Parents and Teachers

To respect my children and in return to be worthy of their respect.

To praise much and blame little.

To emphasize their successes and minimize their failures.

To make no promises to children that I cannot keep.

To have unbounded faith in the children.

To be loyal to them at home and abroad.

To allow them the dignity of their own personalities; not trying to make them over to my own desire.

To care well for the children's bodies; but not at the expense of their minds and spirits.

To be cheerful and ready to break into a laugh; because children love laughter as they love sunshine.

To have almost infinite patience with the children and make allowances for them; because they have so much to learn, and I myself am not too wise.

To protect my children from my own nerves, ill temper, personal prejudice, pessimism and fears.

To help them to choose the life work they are best suited for; instead of gratifying thru them my personal ambition.

To reserve time and fresh energy for the children; so I can always be their close and interested friend.

To fit the children to meet life and people; bravely, honestly and independently.

To give children freedom, but to teach them how to use that freedom; so they shall never confuse freedom with license.

To show my warm love for children as well as conscientious care for them.

To manage children with intelligence and affection; and not by punishment, condemnation, fear, fault-finding or nagging.

To guide children instead of driving them.

To direct their energy instead of repressing it.

To try to understand children instead of its opposite, sitting in judgment on them.

And thru all misdemeanors both trivial and serious; to love them steadfastly none the less.

Thomas E. Jauch, M.A. Director of Counseling

Scholarship Winner

Barbara Jean Gorgol, local resident, recently was awarded a Bell & Howell Foundation Achievement Scholarship. She was one of four DePaul University students to receive the scholarship, which is awarded on the basis of academic and extra curricular excellence.

Barb, a senior at DePaul's School of Music, is a well known pianist in this area, having performed with the Northwest Symphony under Perry Crafton, conductor, and with the DePaul Symphony with Leon Stein conducting. She has performed on television for Channel 32, Channel 9's Artist Showcase Series, and also has won numerous piano competitions in the Chicago area.

Scholastically, Barb has maintained a 3.8 average in 4 years at DePaul, is a member of the Alpha Lambda Delta Honor Sorority, and was selected for inclusion in Who's Who Among College Students.

A 1972 graduate of Maine East High School, Ms. Gorgol was active in music, speech, drama,

and was named a Maine Scholar, as well as representing Illinois in America's Junior Miss Pageant for 1972 in Mobile, Alabama, in which she was named 3rd runner-up.

Registration for the "I Quit Smoking Clinic" is now open. To register, send a post card containing name, address, telephone number and the number of persons who will attend the clinic to: "I Quit Smoking Clinic," Resurrection Hospital, 7435 W. Talcott Ave., Chicago 60631.

OCC Women's Program

"The New Woman: Health in Mind and Body" will be the topic of an all-day conference sponsored by the OCC Women's Program on Wednesday, January 7, 1976 from 9:00 a.m. - 4:00 p.m. in Building 6 on the interim campus, Oakton Community College, 7900 N. Nagle, Morton Grove.

According to chairperson Dolores Orlove, women of all ages are invited to meet with health care professionals and candidly discuss with them their problems, fears, and information about their bodies and themselves.

Participants will choose three one-hour sessions to attend during the day. Topics will include self-health, hysterectomy, sexuality, mental health, weight control and others. Films and a panel discussion involving health care professionals will also be offered.

Cost of the workshop will be \$3.00. Women are asked to bring a bag lunch. Babysitting is available for children 3 and over at \$3.50 per child.

To register, please call the Women's Program office at 967-5120, Ext. 350.

\$3,100 fire damage to Golf Mill store

Fire caused an estimated \$3,100 damage Saturday, Dec. 6, to Frame Smith, a U-Do-It frame store located on the Greenwood ave. side of the Golf Mill Shopping Center.

No injuries were reported. No one appeared to be in the store, closed for business.

A motorist driving past the store in Golf Mill at 10 p.m. noted the flames and drove to the fire station a few blocks away to report the fire.

Flames were visible in the rear of the sales area upon arrival of the firemen. Entrance to the store was made thru the main front

store windows, already cracked by the heat of the fire.

Estimate of damages was placed at \$2,500 to the building and \$600 to its contents. Damages were confined to a work area involving a wooden work bench and wood frame materials.

The fire was of undetermined origin and apparently started some time after the close of business on Saturday, said a fire department spokesman. The premises were heavily charged with smoke.

Damage was minimized, said Deputy Chief Charles Bobula, who was on the scene, due to the

fast response of the firemen. Two engine companies, a truck company, the Niles paramedics and a Fire Prevention Bureau car responded to the alarm. Firemen remained on the scene for over an hour.

Senior Citizen directors report to Mikya

The federal government seems to have initiated programs for the elderly and then forgotten about them, directors of Senior Citizen centers and agencies throughout the 10th District told Congressman Abner J. Mikya at a Nov. 25 conference.

Some of the programs, especially Social Security and Medicare, should be reviewed and re-structured to better meet the needs of Senior Citizens, the directors said.

Mikya, who sponsored the conference in the Trident Community Center, Niles, also heard suggestions about overhauling the food stamp system to remove the stigma of the program. One suggestion was to establish a special set of criteria for the elderly.

Among the 22 panelists who participated in the afternoon conference were representatives from several 10th District communities including Sam Tapson, Des Plaines Senior Citizen Director, Des Plaines; Mary Kay McCarthy, Coordinator of the Trident Community Center, Niles; Peggy Gilmour, Director, Skokie Office on Aging, Skokie;

Joyce Dantzer, Manager and Mr. Pat Zerega, Assistant Administrator of the Niles and Skokie Senior Citizens Housing Centers; Shirley Spears, Director, Senior Adult Center, Leaning Tower YMCA, Niles; and Robert Dannels, Assistant Director, Golf-Maine Park District, Des Plaines.

In addition to Social Security and Medicare, food and nutrition, housing and transportation were also discussed.

The Congressman, who is a member of the Social Security Subcommittee of the House Ways and Means Committee, stressed the importance of the directors' comments as feedback from those who know about the programs and how they are working.

Mikya is also chairman of the Democratic Study Group's task force on health care.

He advised the directors and the Senior Citizens as well to lobby intensively for changes they would like made in programs and for increased support in the setting of our spending priorities.

Much of the conference was devoted to suggested improvements in the Social Security system. Mikya said that the Social Security subcommittee is considering reforms of the system, including a bill aimed at cutting the backlog of cases that has swelled to 107,000 nationally, and revisions in the way Social Security is funded.

In the area of Medicare, the consensus was that the fee schedules are unrealistic and too low, and that financial assistance is needed for purchases of necessary drugs, for transportation from one institution to another, and that certain provisions should be made for homemaking expenses, such as heavy housecleaning or cooking that the Senior Citizen may not be able to handle independently.

The discussion of food and nutrition for the elderly focused on the food stamp program and the directors' experience that most elderly persons are reluctant to apply for food stamps, even if they qualify, because they are sensitive to the welfare aspects of the program. Revisions are needed to make the program more attractive to Senior Citizens who need this kind of assistance to properly feed themselves, the directors said.

In the area of housing, the panelists agreed that the response has been overwhelming for housing projects for the elderly. As an example, Joyce Dantzer, manager of Senior Citizen housing centers in Niles and Skokie, said that the Skokie project has a waiting list of more than 700 people. More such projects are needed, the directors told the Congressman.

On transportation programs for the elderly, two programs in the 10th District were mentioned as examples that have succeeded in serving Senior Citizens in an economical way. The Niles free bus system for Senior Citizens and the Des Plaines program of providing reduced cab fares for the elderly.

Armed robbery of 7-11 store

A lone hooded robber held up the 7-11 store at 7450 Oakton at gunpoint early Thursday morning taking approximately \$100 in currency.

A store employee told police he was alone behind the check-out counter at 1:30 a.m. when he heard the front door open. Upon looking up he saw a man standing in front of him displaying a black steel revolver.

Told not to fool around, just hand over the money, the employee emptied the cash register of \$100 in cash, placing it on the counter. The holdup man picked up the money and telling the victim not to move, walked out the front door of the store.

The robber was described as being thin, 5'11" tall, around 20 years old with blue eyes and light brown eyebrows, wearing a dark blue hooded parka, pulling the hood together to hide his face, according to police.

This was the second robbery this year for the Oakton-Milwaukee 7-11 store. In a previous hold up the robber was apprehended within the hour by Niles police after he held up a second store and then stopped for gas at a Dempster-Milwaukee gas station.

Check the seals around your refrigerator and oven doors. If they aren't tight, adjust the latch or replace the seal to prevent loss of chilled or heated air—and save energy.

And when we finally did decide to expand, we decided to stay right in our own neighborhood: Northwester Chicago.

Niles. It's a nice place to live. Our new office is located in the Candlelight Courte Shopping Center at the intersection of Milwaukee and Oakton in Niles. It has all the niceties a new office should have. Like walk-up windows and special hours and brand spanking new furniture. You'll like doing business there. Especially during our Grand Opening.

The free Grand Opening goodies. We're all excited about our new office in Niles, and our brand new walk-up window facility at our Milwaukee Central Park office. So we're having a bit of a party, at both locations, to whoop it up. And we'll have free gifts and refreshments for anyone who wants to join in the fun.

We also have a special contest in which we'll be giving away

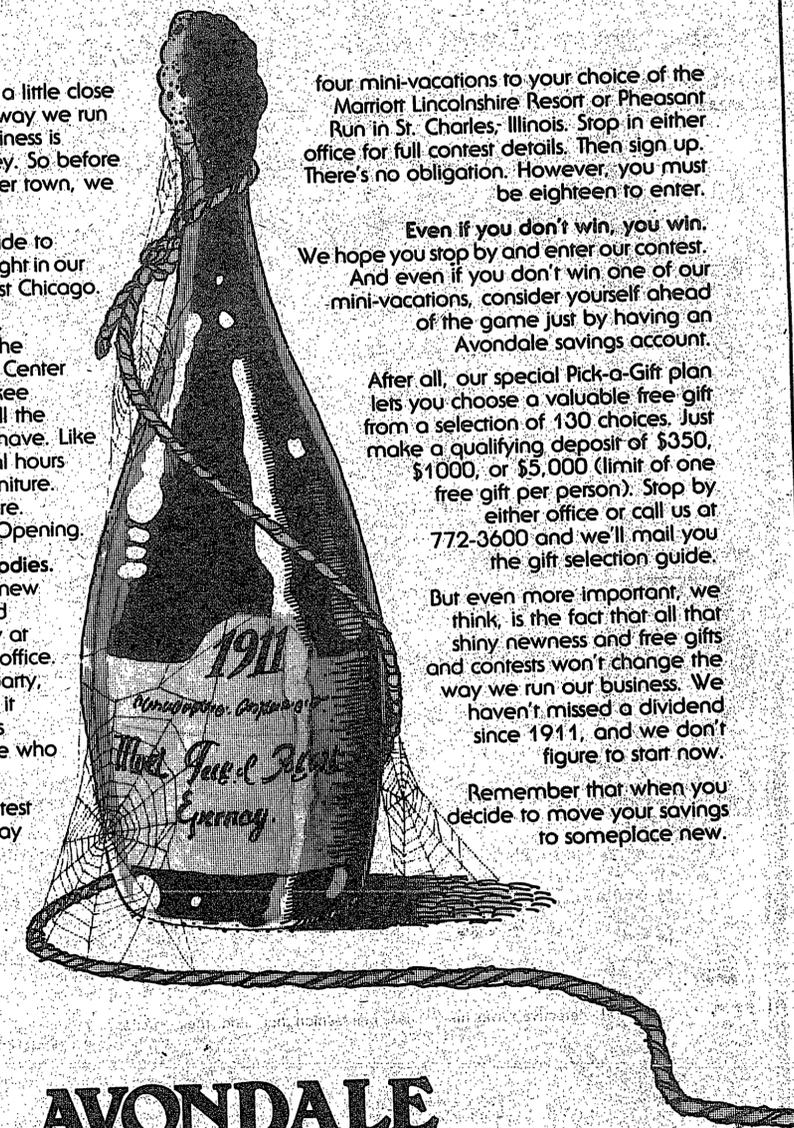

four mini-vacations to your choice of the Marriott Lincolnshire Resort or Pheasant Run in St. Charles, Illinois. Stop in either office for full contest details. Then sign up. There's no obligation. However, you must be eighteen to enter.

Even if you don't win, you win. We hope you stop by and enter our contest. And even if you don't win one of our mini-vacations, consider yourself ahead of the game just by having an Avondale savings account.

After all, our special Pick-a-Gift plan lets you choose a valuable free gift from a selection of 130 choices. Just make a qualifying deposit of \$350, \$1000, or \$5,000 (limit of one free gift per person). Stop by either office or call us at 772-3600 and we'll mail you the gift selection guide.

But even more important, we think, is the fact that all that shiny newness and free gifts and contests won't change the way we run our business. We haven't missed a dividend since 1911, and we don't figure to start now.

Remember that when you decide to move your savings to someplace new.

Nimrod enters race for 10th District seat

State Senator John J. Nimrod has announced the opening of the Republican drive to recapture the 10th District seat in Congress. Announcing his candidacy for Representative in Congress from the 10th District, Sen. Beware of pickpockets

Two incidents of stolen wallets and an attempted purse snatch were reported last weekend, said Niles Police.

A Chicago woman shopping at K Mart, 8650 Dempster, Friday afternoon, reported theft of her wallet containing \$40, drivers license and personal papers. She told police a tall, good-looking well-dressed female who had been following her accidentally bumped her, apparently opening her purse and removing the wallet.

In a second incident a Wilmette man said he was the victim of a pickpocket while shopping at Golf Mill. His wallet containing \$300 and numerous credit cards was lifted, he said, while he was using his Sears credit card.

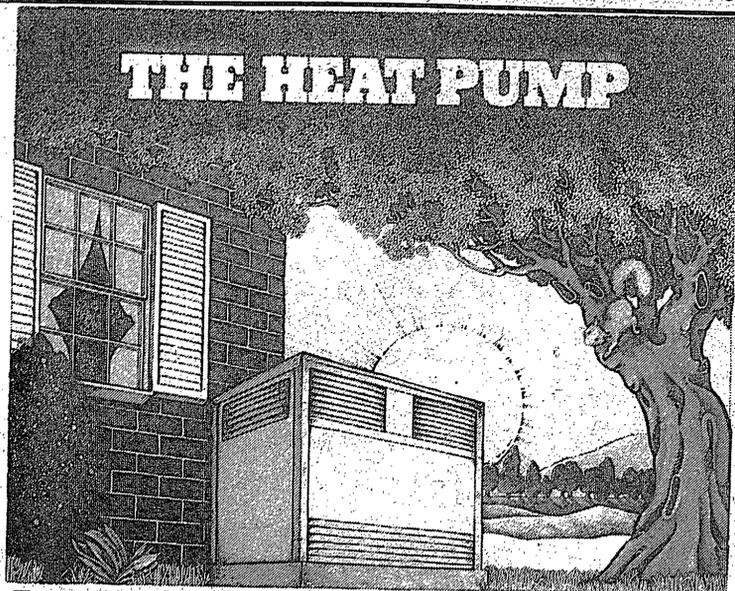

A Niles resident living at the Kingston Apts., 8809 Golf rd., stated that two fourteen year old youths accosted her in the parking lot and attempted to grab her purse from her arm after asking the victim for the time.

She resisted the snatch, she said, and the youths ran away.

Burglary prevention reminder

Morton Grove Police Chief Norman Glauner spoke today to the potential rise in burglary that occurs during the holiday and winter vacation season. He offered the following reminders to help residents protect their property from possible theft:

1. Good lighting should be used in and around your home, whether you are there or not. The use of automatic timers makes good sense.
2. Do not keep cash in any great amount at home, or other items of unusually high value.
3. Close and lock all doors, including porch, basement and garage. Make sure all windows are secured.
4. If you are leaving for a weekend or longer, notify your police department when you'll be leaving and when you expect to return.
5. People living in apartments should be alert to strangers in the building and report suspicious movements at once.
6. Tell the right people. Ask your neighbors to watch your home. Ask them to report any suspicious persons or cars to the police immediately. The police telephone number is 965-2131.

A new era in home climate control begins

About forty-five years ago, scientists began developing a revolutionary heating device that uses the heat of the earth's atmosphere. They called it a heat pump. Today, it is the only commercially available heating system that provides an answer to shrinking supplies of fuel oil and gas.

How the heat pump works.

Basically, the heat pump moves heat from one place to another. Using electricity to run the device, it extracts heat from a limitless source—the heat in outdoor air. During winter, enough heat remains in the air—even on the coldest and cloudiest days—to be extracted by the pump and transferred indoors as clean, flameless heat. And during warm weather, the process automatically reverses, removing excess indoor heat and humidity—like an air conditioner.

Better efficiency.

In short, the heat pump does the job of both a furnace and an air conditioner. But there's an important difference. The heat pump produces more than 1 1/2 units of heat energy for every unit it consumes. That's better efficiency than any other current heating system.

It's ready.

It's ideal for new homes because it won't be obsolete in ten years. It's not dependent on the fossil fuels that may not be available in the future. To the homeowner, that means significant long-term savings on heating costs.

The heat pump is a big step in the conservation of scarce fuels. And here in northern Illinois, the electricity you would use to capture the heat comes mainly from coal and nuclear energy, rather than scarce oil and gas.

To get the full advantages of the heat pump, it's important to get a quality product, properly installed and reliably serviced. For the name of qualified installers in your area, call G. W. Berkheimer (Westinghouse Distrs.), (312) 374-4411, or General Electric Co., (312) 496-6356. If you want additional heat pump information, call your local Commonwealth Edison office and talk to our marketing engineer.

There will not be any banking transacted on Dec. 25, 1975 and Jan. 1, 1976.

Centel users to benefit from tax reduction

It's a rare occurrence these days when taxes go down. But once again, telephone users will benefit from a 1% reduction in the federal excise tax levied on their telephone bill, according to Central Telephone Company of Illinois.

Effective Jan. 1, 1976, the federal excise tax rate on charges for applicable communications services will be reduced from 7% to 6%. The tax is applied to both monthly service and message charges, including long distance. This change is the fourth step of a 10-year reduction schedule calling for successive 1% rate reductions on the first of each year until Jan. 1, 1982.

At that time the federal excise tax on communications services is scheduled to be fully repealed. The phase-out schedule was enacted as part of the Excise, Estate and Gift Tax Adjustment Act of 1970.

Talman Federal sponsors TV documentary

The Poles, second in the Destination America documentary series sponsored by Talman Federal Savings and Loan Association, will appear on WGN Television Channel 9 on Sunday, Dec. 14, from 6:30 to 7:30 p.m.

This episode tells the story of the three quarters of a million Poles who migrated to Chicago and whose descendants now comprise approximately one quarter of the city's population. Coming to America to escape the economic deprivation of their native land, the Polish people have made significant artistic and patriotic contributions to this country. Proud, industrious, thrifty, and eager to work hard, their efforts literally built the thriving steel mills, stock yards, and other industries in this city.

The Destination America series, fully sponsored by Talman Federal, will continue with seven additional segments which present America, a nation of immigrants, as seen through the eyes, experience, and memories of the American people. Among the groups to be depicted are the Irish, Italians, Germans, Norwegians, Jews, and British. The final segment will explore the new 'immigrants' to the cities, the blacks, Puerto Ricans, and Mexicans, as well as the young Americans who are now trying to return to their roots and rediscover the ways of their ancestors.

AREA SCOUT NEWS

Cub Pack 45

Busy, busy, busy seems to be the theme of Pack 45. On the weekend of Oct. 17 the Webelos, their fathers and the leaders went on a campout at 'Lake of the Woods Campground' in Wisconsin. The various activities included hikes, deer spotting, campfires and, of course, a canoe trip. Speaking of canoeing, we have a certain someone and his crew who would be very adept at teaching "the art of how to capsize a canoe" free of charge. All joking aside, a good time was had by all and the captain of the ill-fated canoe will never live it down.

Our first bike hike was well attended, it was a chilly but sunny pleasant day. After reaching their destination, the boys hid their lunches, rested a while and then took the return trip.

The 'Bake Sale' which we held at the Gold Mill State Bank was very successful. The main reason for its success was the absolutely marvelous way we were accommodated by Mr. James Martin (vice president) and his staff, and also by the fact that employees of the bank bought quite a few items. A great big thank you is extended to all of you on behalf of the three ladies who worked the sale and also Pack 45. Of course, the sale could not have been held at all had it not been for all those ladies from the pack who so generously donated the baked goods. Thank you! We are certainly looking forward to our next bake sale at the bank, as it was an absolute pleasure dealing with so many nice people.

At our last pack meeting we held our first Rocket Derby which was a big success. Each boy receives a kit for making the rocket. The propellers are rubber band wound. Rockets are hooked onto and shot down a strung-up fishing line. The rocket going the farthest wins. Boys competed against each other within each Den. The following boys won 'first place': Joe Stempinski, Webelo Den 3; Jim Newlan, Webelo Den 4; Daniel Gontarek, Den 5; David Gawle, Den 6; Scott Grew, Den 7; and Steven Walters, Den 8. Nice going, boys!

Scout Troop 88

Boy Scout Troop 88, sponsored by Edison School P.T.A., of Morton Grove, recently had a Court of Honor where seven boys achieved an advanced rank.

The highest rank received was that of Eagle Scout by Michael K. Mauler, only son of Mr. and Mrs. Carl Mauler, residents of Morton Grove till recently and now of Battendorf, Iowa.

Also appointed at the Court of Honor was Bruce Hoffman as Junior Assistant Scoutmaster, Scott Bjorklund as Troop Instructor, and Senior Patrol Leader is Allan Mertz.

Fifty (50) badges were earned and passed out at the Troop Court of Honor including the one mile swim award earned by Scouts Alan Eriksson and Kent Venziano. Camper of the year award based on the achievements of a boy going to summer camp, and doing work over and above the call of camping was won by Robby Bailey.

Scouts who work up the ranks to Eagle, the highest rank a boy can achieve, and work for awards and badges, hopefully learn responsibility, team work and leadership.

Local scouter honored

Mr. Eugene M. (Jerry) Anderson of 7449 Waukegan rd., Niles, was awarded Scouting's highest recognition for volunteers, the Silver Beaver, at the recognition dinner held on Dec. 3 at the Inasca Country Club by the Northwest Suburban Council. Jerry received this award for his outstanding contribution to Scouting and Niles area youth over the past thirteen years.

Jerry is a well-known figure in local Scouting circles; having served boys in Niles as Webelos Leader, Cubmaster, Asst. Scout-

master and Scoutmaster. He has also served as District Roundtable Commissioner and at present is an Asst. District Commissioner of the Thunderbird District.

In addition to his Scouting activities, Jerry has served the community on various citizen's boards, school parent organizations, and also through the Foresters, where he is currently active.

Jerry is professionally associated with the American Academy of Pediatrics in Evanston.

Buck joins 1st National of Morton Grove

Joseph W. Buck has joined the First National Bank of Morton Grove as an assistant cashier, announced president Marvin von Aswege.

He formerly was assistant cashier and customer service manager for the Upper Avenue National Bank in Chicago, where he was employed 14 years.

Prior to that he held various positions at Lake County State Bank in Gary, Ind., and the Gary National Bank.

Buck attended Indiana State Teachers College and has completed graduate courses at the American Institute of Banking. He, his wife and their three children live in Gary.

be made, as well as in November, when the choice will have already been narrowed to only two Presidential candidates," said Hefter.

Hefter, of Niles, and Africk, of Morton Grove, will spend their Christmas and Spring vacations, as well as frequent weekends in the 10th District to meet the people and register voters for the March 16 primary election.

Hefter and Africk will center their immediate activities on registering student voters in the 10th District. At the same time, they are seeking volunteer workers to help out on the campaign.

The 10th Congressional District covers Evanston, Maine, New Trier, Niles, and Northfield Townships.

THE HEAT PUMP

A new era in home climate control begins

About forty-five years ago, scientists began developing a revolutionary heating device that uses the heat of the earth's atmosphere. They called it a heat pump. Today, it is the only commercially available heating system that provides an answer to shrinking supplies of fuel oil and gas.

How the heat pump works.

Basically, the heat pump moves heat from one place to another. Using electricity to run the device, it extracts heat from a limitless source—the heat in outdoor air. During winter, enough heat remains in the air—even on the coldest and cloudiest days—to be extracted by the pump and transferred indoors as clean, flameless heat. And during warm weather, the process automatically reverses, removing excess indoor heat and humidity—like an air conditioner.

Better efficiency.

In short, the heat pump does the job of both a furnace and an air conditioner. But there's an important difference. The heat pump produces more than 1 1/2 units of heat energy for every unit it consumes. That's better efficiency than any other current heating system.

It's ready.

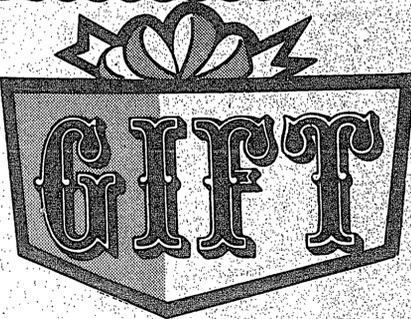

It's ideal for new homes because it won't be obsolete in ten years. It's not dependent on the fossil fuels that may not be available in the future. To the homeowner, that means significant long-term savings on heating costs.

The heat pump is a big step in the conservation of scarce fuels. And here in northern Illinois, the electricity you would use to capture the heat comes mainly from coal and nuclear energy, rather than scarce oil and gas.

To get the full advantages of the heat pump, it's important to get a quality product, properly installed and reliably serviced. For the name of qualified installers in your area, call G. W. Berkheimer (Westinghouse Distrs.), (312) 374-4411, or General Electric Co., (312) 496-6356. If you want additional heat pump information, call your local Commonwealth Edison office and talk to our marketing engineer.

1st National of MG sells special Christmas stamps

First batch of special 1975 Christmas postage stamps are presented by Morton Grove postmaster Lou Principali (right) to Marvin von Aswege, president of First National Bank of Morton Grove. Featuring an early Christmas card and a 15th century Madonna and Child design, the first-class stamps are being sold by the bank as a community service during the holiday season.

Weibel promoted at Lake Shore Bank

Willard J. Weibel of 8417 Mason, Morton Grove, has been promoted from Vice President-Loan Division at Lake Shore Bank to Senior Vice President and Head of that division. His appointment was announced by Joseph R. Frey, Chairman, and William C. Mitchell, President, following the November meeting of the Board of Directors in the Bank's offices at 605 N. Michigan Ave.

Weibel, who received his bachelor's degree from Coe College in Cedar Rapids, Ia., has also completed course work at the American Institute of Banking and the Graduate School of Banking at the University of Wisconsin. He joined the bank in 1964 after 14 years with the National Bank of Commerce of Chicago.

He and his wife Irene have three children: Catherine, 19, Willard Jr., 17 and Steven, 8.

Holiday schedule for Golf Mill State Bank

Daniel G. Priske, President, announces the Golf Mill State Bank will be open Wednesday, Dec. 24, and Wednesday, Dec. 31, with lobby hours from 8:30 a.m. until 1 p.m. and Drive-In hours from 7 a.m. (early bird Holiday attractions at Golf Mill State Bank

Charles E. Maguire, Senior Vice President, announces The Melrose East Concert Chorus, all 83 voices in formal attire, under the direction of Mr. Preston Waldrop will entertain the bank's customers with a selection of holiday songs on Friday, Dec. 19, 1975, in the bank's lobby from 6:30 p.m. until 8 p.m. Maguire states he "would like all of our customers and friends to join us for this special holiday musical treat."

Maguire also invites all the children to visit with Santa in the bank lobby on Saturday, Dec. 13, and Saturday, Dec. 20, during the banking hours.

Priske feels the opening of the Bank's lobby on the 24th and 31st will greatly assist the local merchant and customers with their last minute banking needs. Also, it is the intention of the Bank to give the best possible service to their customers at this busy holiday season... as well as throughout the year.

There will not be any banking transacted on Dec. 25, 1975 and Jan. 1, 1976.

Centel users to benefit from tax reduction

It's a rare occurrence these days when taxes go down. But once again, telephone users will benefit from a 1% reduction in the federal excise tax levied on their telephone bill, according to Central Telephone Company of Illinois.

Effective Jan. 1, 1976, the federal excise tax rate on charges for applicable communications services will be reduced from 7% to 6%. The tax is applied to both monthly service and message charges, including long distance.

This change is the fourth step of a 10-year reduction schedule calling for successive 1% rate reductions on the first of each year until Jan. 1, 1982.

At that time the federal excise tax on communications services is scheduled to be fully repealed. The phase-out schedule was enacted as part of the Excise, Estate and Gift Tax Adjustment Act of 1970.

Talman Federal sponsors TV documentary

The Poles, second in the Destination America documentary series sponsored by Talman Federal Savings and Loan Association, will appear on WGN Television Channel 9 on Sunday, Dec. 14, from 6:30 to 7:30 p.m.

This episode tells the story of the three quarters of a million Poles who migrated to Chicago and whose descendants now comprise approximately one quarter of the city's population. Coming to America to escape the economic deprivation of their native land, the Polish people have made significant artistic and patriotic contributions to this country. Proud, industrious, thrifty, and eager to work hard, their efforts literally built the thriving steel mills, stock yards, and other industries in this city.

The Destination America series, fully sponsored by Talman Federal, will continue with seven additional segments which present America, a nation of immigrants, as seen through the eyes, experience, and memories of the American people. Among the groups to be depicted are the Irish, Italians, Germans, Norwegians, Jews, and British. The final segment will explore the new "immigrants" to the cities, the blacks, Puerto Ricans, and Mexicans, as well as the young Americans who are now trying to return to their roots and rediscover the ways of their ancestors.

AREA SCOUT NEWS

Cub Pack 45

Busy, busy, busy seems to be the theme of Pack 45. On the weekend of Oct. 17 the Webelos, their fathers and the leaders went on a campout at 'Lake of the Woods Campground' in Wisconsin. The various activities included hikes, deer spotting, campfires and, of course, a canoe trip. Speaking of canoeing, we have a certain someone and his crew who would be very adept at teaching "the art of how to capsize a canoe" free of charge. All joking aside, a good time was had by all and the captain of the ill-fated canoe will never live it down.

Our first bike hike was well attended, it was a chilly but sunny pleasant day. After reaching their destination, the boys had their lunches, rested a while and then took the return trip.

The 'Bake Sale' which we held at the Gold Mill State Bank was very successful. The main reason for its success was the absolutely marvelous way we were accommodated by Mr. James Martin (vice president) and his staff, and also by the fact that employees of the bank bought quite a few items. A great big thank you is extended to all of you on behalf of the three ladies who worked the sale and also Pack 45. Of course, the sale could not have been held at all had it not been for all those ladies from the pack who so generously donated the baked goods. Thank you! We are certainly looking forward to our next bake sale at the bank, as it was an absolute pleasure dealing with so many nice people.

At our last pack meeting we held our first Rocket Derby which was a big success. Each boy receives a kit for making the rocket. The propellers are rubber band wound. Rockets are hooked onto and shot down a string-up fishing line. The rocket going the farthest wins. Boys competed against each other within each Den. The following boys won 'first place': Joe Stempinski, Webelo Den 3; Jim Newlan, Webelo Den 4; Daniel Gontarek, Den 5; David Gawle, Den 6; Scott Grew, Den 7; and Steven Walters, Den 8. Nice going, boys!

Scout Troop 88

Boy Scout Troop 88, sponsored by Edison School P.T.A., of Morton Grove, recently had a Court of Honor where seven boys achieved an advanced rank.

The highest rank received was that of Eagle Scout by Michael K. Mauler, only son of Mr. and Mrs. Carl Mauler, residents of Morton Grove till recently and now of Battendorf, Iowa.

Also appointed at the Court of Honor was Bruce Hoffman as Junior Assistant Scoutmaster, Scott Bjorklund as Troop instructor, and Senior Patrol Leader is Allan Mertz.

Fifty (50) badges were earned and passed out at the Troop Court of Honor including the one mile swim award earned by Scouts Alan Eriksson and Kent Velenziano. Camper of the year award, based on the achievements of a boy going to summer camp, and doing work over and above the call of camping was won by Robby Bailey.

Scouts who work up the ranks to Eagle, the highest rank a boy can achieve, and work for awards and badges, hopefully learn responsibility, team work, and leadership.

Local scouter honored

Mr. Eugene M. (Jerry) Anderson of 7449 Waukegan rd., Niles, was awarded Scouting's highest recognition for volunteers, the Silver Beaver, at the recognition dinner held on Dec. 3 at the Itasca Country Club by the Northwest Suburban Council. Jerry received this award for his outstanding contribution to Scouting and Niles area youth over the past thirteen years.

Jerry is a well-known figure in local Scouting circles, having served boys in Niles as Webelos Leader, Cubmaster, Asst. Scout-

master and Scoutmaster. He has also served as District Roundtable Commissioner and at present is an Asst. District Commissioner of the Thunderbird District.

In addition to his Scouting activities, Jerry has served the community on various citizen's boards, school parent organizations, and also through the Foresters, where he is currently active.

Jerry is professionally associated with the American Academy of Pediatrics in Evanston.

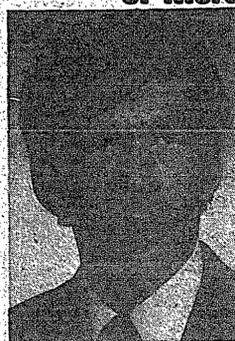

Buck joins 1st National of Morton Grove

Joseph W. Buck has joined the First National Bank of Morton Grove as an assistant cashier, announced president Marvin von Aswege.

He formerly was assistant cashier and customer service manager for the Upper Avenue National Bank in Chicago, where he was employed 14 years.

Prior to that he held various positions at Lake County State Bank in Gary, Ind., and the Gary National Bank.

Buck attended Indiana State Teachers College and has completed graduate courses at the American Institute of Banking. He, his wife and their three children live in Gary.

retirement.

Nov. 20 we ran a brief biographical sketch noting his efforts thru the years. But the path which led him to his present station is most interesting and shows the unplanned bends and turns which eventually has a man arriving at his place in life.

After World War II, 77 homeowners in the Kirk Lane area of Niles paid about \$3,600 each as down payments for homes in the area between Oakton and Howard and west of Harlem. The developer flew the coop after constructing only parts of a few buildings. The buyers hired one attorney who quit when he saw the lack of funds of the homeowners. Young attorney Smigiel was brought into the case and he worked out plans which eventually had 44 of the homeowners building their homes here. After the developer was forced into bankruptcy, homeowners received about 10% of their original investment. Lots were re-purchased from an Oak Park Savings Association for \$600, and a builder constructed homes for 44 of the original 77 owners. New mortgages were obtained and Smigiel was eventually paid a nominal sum. However, he was given 2 lots and agreed to move to Niles.

During those early days the magistrate in town, Judge Jozwiak, and police chief Romey headed a group which put on a dance at the Bunker Hill Country Club building which raised a great deal of money for these homeowners, who were in dire need of recovery funds to pay off their legal obligations and other costs.

In 1952 or '53 Jozwiak retired as magistrate and hand-picked Smigiel for the job, based on Smigiel's handling of the Kirk Lane matters. He remained in this small paying job thru the years until the early 60's when a blue ballot in the state eliminated the magistrate jobs replacing them with the circuit court system.

It was Nick Blase who went down to Springfield during this period and lobbied for Niles to be included in the court system. A special addition or amendment to the existing law was passed which enabled Smigiel to become a judge under the new court system. Smigiel moved from a small \$3,500 a year magistrate's job to one which eventually paid around \$40,000.

During the early Niles years, Smigiel became the first attorney for the Niles Park District, was active in the Chamber

of Commerce which he headed for 2 years, and was involved in the organization of the Niles Lions Club.

Tony is an extremely likeable guy. He's what we call a "make no waves" kind of guy. He sort of ebbs and flows with the tide, going along with the current, making the right turns when the river bends.

He has been an important man in Niles history. Along with his many friends we wish him many good years.

Karen Miller in "Who's Who"

Karen Miller, of 8128 Farnsworth, Niles, is among 48 University of Wisconsin-Whitewater seniors selected for inclusion in the 1975-76 edition of "Who's Who Among Students in American Universities and Colleges."

Miss Miller, daughter of Mr. and Mrs. Joseph Miller, is a physical education major with an almost perfect grade point average. She is or has been a member of Associated Women Students, Alpha Sigma social sorority, the women's gymnastic team, Phi Sigma Epsilon, Little Sisters, the Physical Education Major/Minor Club, Intramurals, Silver Scroll senior women's honorary, Phi Kappa Phi national scholastic honorary, Student Wisconsin Education Association, and Wisconsin and American Associations for Health, Education, and Recreation.

She was elected as Wells Hall representative to the Associated Women Students, served Alpha Sigma as social chairman, alumni chairman, and on the homecoming committee, and received the National Alumni Association Scholarship as top junior student

in the College of Education. She also held the Mary Fricker Scholarship Award, the Alpha Sigma Scholarship Award,

Con't from Skokie-L'wood P.I. divorcees whose ex-husbands return for a Father's Day visit. Left with their alimony, their children, and neighboring apartments on New York's posh upper East Side, three divorcees share their loneliness, their often hilarious ideas of marriage, and their bitter memories of lost trust and closeness. When their ex-husbands arrive of the reunion they are all, at first, as civilized and sophisticated as the situation demands-but then the veneer begins to crack, and beneath the fusillade of funny lines their aching emptiness, and hurt, show through. In the end they face the truth about themselves and the rejection which they must accept, as the biting humor of the play gives way to a moment of touching and revealing, yet quietly shattering recognition.

Further information is available by calling 674-0677.

Oakton

Con't from Skokie-L'wood P.I. each will receive a \$250 cash award.

The 12 district winners are then invited to Chicago where two state winners will be selected, again one man and one woman. The two state winners will be honored at an awards banquet in April and each will receive a \$1,000 cash award.

Entry applications are now available from Pettica in Room 409, Building 4, OCC Interim Campus. Applications may be submitted by student candidates themselves, members of the community or faculty and administration sponsors until Jan. 26, 1976. They should be submitted to the office of student activities.

To be eligible, students must be in good academic standing and have completed nine semester hours or 12 quarter hours and be an enrolled community college student at the time of the final judging in April.

Continental Bank is sponsoring and administering the program and is providing \$14,600 in award money.

The purpose of the program is to focus more public attention on Illinois' community colleges by highlighting individual student accomplishments. It is not a scholarship awards competition, but rather a program designed to give community and statewide recognition to two-year college students.

Waukegan rd. and Howard st. The victims were Bruce Barton, Sr., and his wife, Ruth, of 5531 N. McVickers, Chicago.

According to a witness, the Bartons' car, which was northbound on Waukegan rd., was stopped behind a vehicle waiting to make a right hand turn on Howard st. Barton cut around the stopped vehicle into the center lane and proceeded across Howard st., apparently not aware of the oncoming fire engine which was approaching the intersection with both its sirens and lights operating. After the fire engine struck the Barton vehicle, it careened into a third vehicle driven by Louis Walters, 7741 N. Nordica, Niles, and spun it around several times. Walters' vehicle was westbound on Howard and stopped for the red traffic signal.

The Bartons were taken to Lutheran General Hospital in Park Ridge where they were pronounced dead. The firemen, involved in the accident, were also taken to Lutheran General suffering from shock. They were Lt. Frank Lemanski and LeRoy Callisen. At the time of the accident, the engine was responding to an ambulance call in the industrial area where an employee had severed his arm.

Award salt bids

On recommendation by the Niles Administration Dept. and Public Works Dept., the Board of Local Improvement Dec. 9 awarded the bid for Sodium Chloride (Rock Salt) for snow and ice removal in 1976 to Cargill Salt Co. of St. Clair, Mich., for \$11,169 as lowest bidder of 5. Bids ranged from a high of \$13,600.

In new business the B.L.I. approved a supplementary resolution for \$15,000 from 1976 MFT maintenance for catch basin cleaning. Approval to obtain the funds was necessary in order to let out bids, said Village Manager Ken Scheel.

to forget Morton Grove when funds are being disbursed. Trustees voted to table any further discussion and a decision regarding the amendment to the Housing for Elderly Ordinance read by Attorney Berrafato. The ordinance calls for a structure approved by HUD or IDA and can be occupied only by Senior Citizens or disabled persons qualifying under the federal programs. Those eligible are (1) eligible residents of Morton Grove, (2) parents or grandparents of Morton Grove residents who have lived here 2 years or more, (3) residents of Niles and Maine Townships who have lived here for 2 years or more.

The proposed height of this building should not exceed 60 feet except in B1 or B2 where 80 feet is allowed. It was also stated that no more than 50% of the apartments can be studio or convertibles. The rest must be bedroom apartments. There will be no charge for parking when this building is built. However, so far there is no approved site.

Ed Brice said he had received the contract which calls for us to purchase our water from the city of Chicago and since the attorney said it was in order, he felt the board should approve it and send it back at once. All agreed.

Mr. Brice then suggested if any senior citizen took a cab to the hospital for any reason - even to visit a friend - the village should pay the entire amount of the fare. John Hilkin noted there were 97 pints of blood donated last Thursday.

Trustee Karl Oestreich read a resolution which dealt with Morton Grove participation under the Illinois Police Training Act. It calls for all those wanting to join the police force to complete their

basic training within 6 months, in order to be certified. The resolution was adopted.

Chief Glauner said the Police Dept. would ask Skokie for the use of their jail facilities for another 6 months.

John Slater of the Beautification Committee said the new Milwaukee Rd. RR station foundation was in.

Fred McClory said that on Wednesday, Dec. 10, at 8 p.m. there would be a meeting to see about continuing the committee for Morton Grove Days.

Attorney Gabe Berrafato said contracts were prepared for the contractor and sub-contractors for the addition to the Public Works garage and he would like the board's permission to have them signed by the proper parties. It was granted. Mr. Berrafato then read the Sign Ordinance amendment. It calls for signs under

building overhangs or canopies to be 8 sq. ft. or 4 sq. ft. on each side with one sign only for each business represented. The board approved this.

They also adopted the Tax Abatement Ordinance which dealt with the \$133,016.95 in guaranteed funds to be put in Certificates of Deposit till payments on the bonds in question are due.

Trustee Henrici told the board the parking lot at the new RR station will be open till 7:30 p.m.

Juanita Goldberg said it was decided that a full-time sanitation was needed for the village and a job description was being designed.

Mayor Bode announced at a meeting with RTA's Milton Pirkarsky, he learned things would be getting better for the suburbs. There is now a new bus line on Oakton serving residents.

Tower YMCA winter classes

The Leaning Tower YMCA announces the winter '76 schedule of classes has been completed. An interesting and varied program is available for area residents to choose from. Youth and adults will discover numerous opportunities for self-improvement, relaxation, and recreation during the ten-week term scheduled to begin the week of Jan. 5, 1976.

Outstanding leadership is offered by the following departments: Hobby, Special Interest, Fine Arts, Aquatic, Sports and Physical Education. Prospective students are encouraged to plan their winter program now, and register at least one week before classes begin!

Adult Sport and Physical Education classes (10-week term) will

include: Judo, Danish Gymnastics, Karate, Yoga, Fencing, Racquetball, Volleyball, Tennis, Archery, Tension Control and American Self-Protection. Specials for women: Creative Rhythmic Exercise, Physical Conditioning, Self-Defense, and the popular "Lose Weight" program. Cardio-Respiratory conditioning classes for men are being continued with early a.m., Noon or evening periods available. Adult Golf classes are scheduled for 6 weeks.

The Aquatic department (10-week term) for adults and will feature Progressive Swim Instruction, Scuba Diving, Aquanastics (for women) and a swim course designed especially for those who never learned to swim, called "Land Lubbers". Life Saving classes, Diving, and a

conditioning with Hydro-Dynamics class are also being offered.

Special Interest, Fine Arts, and Hobby classes for adults (10 weeks), include: Needlepoint, Dressmaking, Art, Guitar, beginner and intermediate bridge, Hypnosis, Dog Obedience, Photography, Modern Jazz Dance and Exercise, Ballet, Adult Social Dance, Arabic "Belly Dancing", and "Dance Potpourri".

Local youth will find a lively and outstanding program of classes to choose from. Ten week courses: "Teen Time Charm School", Art, Guitar, Ballet, Acrobatics, and Modern Jazz Dance and Exercise (teens). Youth Sports & Physical Education classes (10 weeks) include: Judo, Karate, American Self-Protection, Gymnastics, Wrestling, Archery, Tennis, and Body Building. Youth Golf classes are set for 6 weeks.

Youth Aquatic classes (10 weeks) include: Progressive Swim Instruction, Diving, and Life Saving.

The Pre-School "Gym and Swim" program for children 4 months to 7 years, one of the Tower YMCA's leading activities is being continued!

Kiddie Kollege, a special 10-week program for 3 and 4 year olds, will highlight arts and crafts rhythms, story telling, good body management skills, games, songs and fun swim time.

Remember, all classes are scheduled to begin the week of Jan. 5, 1976. Early registration is advised!

Registration opens for members on Monday, Dec. 8.

Non-member registration will begin on Monday, Dec. 15.

Information regarding classes, schedules, fees and registration procedure may be obtained by calling 647-8222, ext. 556 or drop by the Leaning Tower YMCA, 6300 W. Touhy ave., and pick up a program brochure. Baby-sitting services are available during day time classes. The service desk is open daily 9 a.m. to 9 p.m.

ED HANSON

"Famous last words — then and now —"

(Continued from last week)

Due to the tremendous response to last week's column I write another in the same vein.

Moby Dick: "Jaws ain't so tough."

Mrs. Edison: "If it wasn't for Tom, you'd all be watching TV by candlelight."

Tom Mix: "So Tony couldn't run at 110 miles per hour."

Buck Jones: "I think I smell gunsmoke."

Marty Antebellum: "Henry, if you think I'll lose my head over you ..."

Joe Jed (Go-To-Blases owner): "You'd be crabby, too, if you forgot the number of your Swiss bank account."

Mayor Daley: "None of my workers ever said, 'Give us our Daley bread'."

Mohammad Ali: "So, I'll sell Ali burgers."

Yul Brynner: "Like Kojak, I don't have a dandruff problem ... but a funny thing happened to me at a Bull's basketball game."

Nick Blase: "Congress, hell! I want to be President!"

Pete Peebles: "I'll second that!"

Ed Hanson: "Me, too!"

Weld Harold: "It's a weird, weird, weird world. That's why I quit with a million!"

Ulysses S. Grant: "So, on my West Point application I listed my ancestry as 'part Scotch, part Soda'."

Abu Lincoln: "I'll drink to that!"

Robert E. Lee: "So, we lost one lousy battle!"

Uncle Tom: "I'll drink to that!"

Wild Bill Hickok: "I should have quit playing poker while I was ahead!"

Doc Holiday: "I could have coughed all night ..."

Ed Hanson: "I do!"

Rochefeller: "The best things in life are free!"

The lion in "Born Free": "I'll drink to that!"

Dean Martin: "I'll drink to that - and anything!"

Milton Berle: "My mother was not frightened by Bugs Bunny."

Bugs Bunny: "What ain't up, Milton?"

ZooZoo Gabor: "Yes, I was once a social worker among the rich."

Gloria Swanson: "Even with a ski nose I lifted myself to the top."

Wallace Berry: "So, I lifted a Packard."

Frank Sinatra: "Once I was so thin I couldn't cast a shadow — but look at me now."

Eliglo's: "You wanna gain weight?"

Encalbur Lounges: "Even the greatest swordmen come here."

Art Buchwald: "What do you mean, I'm a copycat?"

Ed Hanson: "What's old, Art?"

Paul Bowers: "Now, what was the name of my horse?"

Joe DiMaggio: "When Marilyn divorced me and married Arthur Miller she traded a bat for a pencil."

Ernest Hemingway: "The fact I ran out of ditches blew my mind."

There's so many cop shows now on TV, the other night in order to get my TV set repaired I called the Niles police. They responded so fast I couldn't even switch channels. And more than that, one of the officers said, "Do you know you're on tape?" I should have learned a lesson from Nixon. (The Niles Police are the greatest!)

I would be remiss if I didn't mention a man who does social work among the poor and also has a heart for all of our senior citizens, like myself. His name, although I seldom mention it, is Jake Joseph, the owner of Jake's Restaurant of Niles.

All Senior Citizens can have any items on his menu for half-price, Monday thru Friday, from 2 to 5 p.m. You qualify if you are 65 or over. And if their great-grandparents accompany them, they can not only have the food for less than half-price, but I'll see that a profit sharing arrangement is worked out whereby they won't have any money worries for whatever life span these great-grandparents may have left.

The place is Jake's, the red, white and blue restaurant in the All-American village of Niles in the great State of Illinois where the rivers flow gently by the many banks and savings and loans.

While I usually have nothing good to say about most waitresses in general, there is one waitress in particular, that I'd like to give an orchid. Her name is Alvina Zbylot and she works in that other popular eatery called La Venezia, which is owned by Andy who is really a dandy guy.

This waitress never asks you when your mouth is full of food, "How's everything?" You never have to send a cop after her to get the check and she never forgets to give you a glass of water, all the utensils and even a napkin. Also she is very intelligent and can provide you with the latest Dow Jones averages, or the current prime interest rates of major banks and she always knows the latest results of sporting events. If you go in for breakfast, you can be sure that she'll provide you with the "Final Turf" issue of the Sun Times so that you can find out if your horse or team won or lost. It's the little things like this which makes a big tipper out of a little tipper. So an orchid to the little lady named Alvina Zbylot, who should have big tips, for she deserves it.

Friday movies at Niles Library

The Children's Department of the Niles Public Library District offers its next showing of the Friday Night at the Movies Series on Friday, Dec. 12, at 7 p.m. in the Audio-Visual Room of the Main Library, 6960 Oakton St. Films for that evening are:

J.T. (51 min.) Struggling thru a hostile world of a Harlem ghetto, a black-American boy finds comfort and friendship in adopting a battered alley cat. Heartbroken when the cat is killed in street traffic, J.T. learns thru this experience the ability to love, and that people do care after all. Adapted from the book of the same title by Jena Wagner. Produced by Jacqueline Babbitt, 1969.

Animated cartoon - The Toy That Grew Up (17 min.) Film describes a Belgian physicist's experiments which provided the foundation for the growth of animated films.

Anansi the Spider (10 min. color) An African legend about Anansi and his six sons and how the moon came to be in the sky. Uses music, colors and design of Ashanti folk art. Animated.

These programs are for children of elementary school age. Parents and other adults are also invited to attend. No tickets are required. Film titles for the program to be offered on Friday, Jan. 9, are: *The Day Men Flew*, *Paris of Francols*, and *William from Georgia to Harlem*.

Niles Elementary Winter Concert

The Music Department of Niles Elementary School, District 71 presents their Winter Concert at Niles Elementary North School, 6921 Oakton Street, Monday, Dec. 15 at 7:30 p.m.

Performing will be the Concert Band, directed by Mrs. Jacqueline Tilles, the Concert Orchestra, directed by Ms. Pamela Overstreet, and the Jazz Band, directed by Mr. Edward Kocher. Admission is \$1.50, which includes refreshments served after the concert. All children must be accompanied by an adult.

For a real treat, come and hear these gifted young people play. The Concert Band was awarded a First Place in the State Competition earlier this year. For further information contact Mrs. Jan Martin, 966-3460 or Mrs. Esther Kaplan, 965-4542.

Rock concerts

Popular recording rock artist Bill Quateman and his band will appear in two concerts at the Mayer Kaplan Jewish Community Center, Sunday, Dec. 14, at 7 and 8:45 p.m.

Quateman, originally of the Chicagoland area, makes it big with the teen set all over the United States and comes to the "J" thru their Teen Division.

Tickets for the limited number of seats will be \$3.50 for members and \$4.50 for non-members. Tickets are on sale now.

Christmas Card Week

Christmas card week will continue thru Dec. 13, said Postmaster Lou Principall of Morton Grove.

He also announced the Post Office will be open from 8:30 a.m. to 3:00 p.m. on Saturday, Dec. 13.

Teens are appreciated

Recognize any of these happy monsters? They're some of the teenagers who helped in this year's Spook House sponsored by the Niles Park District. These ghosts and goblins haunted the Grennan Heights Recreation Center on Saturday, Oct. 25. They will also be on-hand to help Santa in his workshop on Dec. 20 at the Niles Park District Santa Party.

This year's Santa Party will be held on Saturday, Dec. 20, from 1 to 4 p.m. at the Grennan Heights Recreation Center. Santa will be on hand to visit with the children and there will be prizes, games, refreshments and fun for all.

Student Spotlight Show

At 4:50 p.m. every Monday and Friday, WMTH (88.5 FM) features the students of Maine East on Student Spotlight, one of the new WMTH shows this season. Student Spotlight gives all students a chance to vote their views about a club, activity, or interest they may have. It also gives them a chance to air their opinions about the school system.

The WMTH staff who are responsible for choosing the guests and doing the interviews are Bruce Bellat, Sherri Moss, Glenn Klein, and Scott Wagner. The students they choose are not necessarily the presidents of

clubs or committee chairmen. They are the "everyday" Maine East student.

Some students who have been interviewed so far this year are Leta Kritzman, Orchestra; Mickey Connors, V-Show '75; Jan Bender, Student Council; Jeff Rizzo, for winning his division in drag racing; Dean Issacs, freshman; Andrea Gordon, stage crew; Sue Fry, debate; and Gary Friedlander, Plummer editor-in-chief.

The shows are normally taped because many students are not at school that late in the school day and some are afraid of being in front of a "live" microphone.

Student council charity auction

Need some last minute holiday gifts? Come to Maine East's third annual Student Council sponsored charity auction on Thursday, December 18, from 2-4 p.m. in the cafeteria and on Friday, December 19, during the lunch periods in the cafeteria.

With the theme of "Make Us An Offer We Can't Refuse," chairman Judy Burrill of Niles, along with other Student Council members, has been busy finalizing plans for this year's event. Auctioneering, as in the past, will be done by Mr. Dave Verman, Campus Life sponsor.

Anyone in the community desiring to donate goods and services to this worthy cause should contact the Student Council office at Maine East.

Some of the popular items offered last year were free rides to school for a period of time, a candid shot of a student in the yearbook, certificates for Big Macs, gourmet meals, and a ski trip to Wilnot. Also, this year goodies like cakes, cookies and other tempting desserts will be featured on the auction block.

Proceeds from the auction will go to the Salvation Army's holiday fund. Last year, for example, Council donated \$300 after the auction.

Since the Holidays are a time for sharing and for the gathering together of friends and family, the Maine-Niles Association of Special Recreation has planned some special programs to add to the festivities of the season. Handicapped residents of the Maine and Niles Townships are invited to join in the Yuletide Spirit and holiday cheer offered by M-NASR.

On Saturday, Dec. 20, from 1-3:30 p.m., M-NASR will be sponsoring their annual Christmas Party and Crafts Day. Children participating in the party will have arts and crafts projects to choose from, gifts to make and wrap, many fun games to play, Christmas caroling, and a tree to trim. Plenty of refreshments will also be on hand. An elf, who is one of Santa's helpers from the North Pole, has been visiting children enrolled in M-NASR programs and treating them to candy canes. It seems that Santa himself is planning on coming to the party too! Children are asked to bring a 75 cents grab bag gift to share with their friends. Brothers and sisters are also invited to join in the fun. The Christmas Party will be held at National Park in Morton Grove, and registration for winter programs will be accepted at this

M-NASR plans special Christmas programs

Interested persons are asked to call the M-NASR office to register for the program.

A special Christmas dinner party is planned for adults on Tuesday, Dec. 23, at 6:30 p.m. The party will be held at Circus, Circus Restaurant in Niles. Adults will be able to visit with friends over dinner, and join in singing favorite Christmas songs. After the exchanging of grab bag gifts, the M-NASR staff will present a special Christmas skit. The party is a great chance to meet new friends and visit with old friends.

M-NASR will hold a Holiday "Mini" Camp Dec. 22, 23, 24, 26, 29, 30 and 31 at Laramie Center, 5251 W. Sherwin, in Skokie, from 12:30-4:30 p.m. Children will be divided into groups according to age and abilities. Arts and crafts, music, drama, games, and sports will highlight the camp session. Each day of the mini camp will reflect a different theme, and all activities of the day will relate to that theme. Participants will have their own Christmas Party and a special field trip. Children of all ages are invited to join in the fun.

Registration for all of these programs is being accepted at the M-NASR office. For information and further details please call 674-5512.

Morton Grove Library Happenings

Christmas has come to the Morton Grove Public Library with festive garlands and wreaths contributed by the Garden Club of Morton Grove.

A patchwork angel and patchwork stockings adorn the fireplace mantel in the Reading Room, true to the Bicentennial fashion this year.

Garlands of nuts, fruits, and greens grace the Mezzanine Balcony and a huge wreath made of hay and pine hangs behind the front desk.

Everywhere there is Christmas warmth and color in the Library, thanks to the hard-working members of the Garden Club, who also contribute a lovely flower arrangement to the Library every week of the year.

The graduates of the Baby-Sitting Course were awarded their certificates at the Morton Grove Public Library on Nov. 21. Chief Fred Hüscher of the Morton Grove Fire Dept. gave certificates of completion to the following: Debbie Agnello, Terry Bailey, Maurizio Campagnolo, Betty Dassow, Gabriele Doerner, Robin Ferdman, Cathy Forte, Debbie Goldman, Jackie Gordon, Debbie Goslin, Jeff Gutow, Sharon Helbraun, Mary Ann Kenmotsu, Phyllis Koutsoures, Theresa Mandik, Vivian Marks, Marlene Meier, Debra Munda, Suzanne Osborne, Jill Rosenberg, Randi Schlossberg, Susan Schmidt, Arlette Spreitzer, Cheryl Sterling, Margie Toth, Julie Voronoff, Niel Wada, Anne Hellestrae, Linda Slav.

The Morton Grove Library wants to remind everyone of the Attic Search they are sponsoring in conjunction with the Morton Grove Historical Society. Village citizens are urged to look in their attics and basements for any old relics, papers, pictures, and furnishings that might have significance for the history of Morton Grove and which can be used in the Bicentennial Celebration. All items can be brought to the Library where they will be stored.

What A Spot!

The Musical Comedy WHAT A SPOT! written especially for Virginia Mayo by David Reiser and Jack Sharkey, will have its World Premiere at the Country Club Comedy Theatre, opening on Dec. 12, and playing thru Jan. 18.

It is the year 1890, when Robinson Crusoe along with his side-kick Friday are joined on their deserted island by two strippers posing as high society Bostonian ladies. The hilariously improbable situation, with the added ingredient of song and dance, is sure to give audiences a fun-filled evening in the Country Club's intimate theatre, located at 700 W. Rand Rd., Mt. Prospect.

Marillac presents 'Peter Pan'

Marillac High School Performing Arts Department presents Peter Pan, the musical production of the world-famous fairy tale by Sir J.M. Barrie. Broadcast for many years on television, the role of Peter Pan became one of Mary Martin's most famous portrayals. Children and adults in two generations have thrilled to the schemings of Captain Hook and the pirates, the battles between the Lost Boys and the Indians, and the motherly attentions of Nana, the canine-nursemaid.

The production is directed, choreographed, and produced by Tracy Vonderhaar, formerly assistant producer at the Goodspeed Opera House in Connecticut. She is assisted by Rudy Hogenmiller, who has performed at In the Round Theatre and Talk of the Town in Omaha. Musical direction is by Marcy Anthony and Sister Helen Gilsdorf of Marillac High School. Sets are designed by Terry Jenkins, a former resident lighting director at the Arts in Virginia, and lighting is designed by Ruth Rinklin, who has done productions in New York and St. Louis, and is currently in charge of wardrobe at Goodman Theatre.

Suzanne Samorez, a Niles sophomore, plays Peter Pan; Rick Huit of Chicago is Captain Hook; Beth Borkowski, also from Niles, plays Wendy; and Tiger Lily, the leader of the Indians, is played by Cindy Dawe of Deerfield. The Lost Boys, Pirates, Indians, and other characters are played by girls and guys from the entire near north suburban area.

In addition to many difficult technical effects, including a cloud cover and the creation of Tinkerbell, Peter Pan will be airborne.

Dates of the show are Dec. 11, 12, and 13 at 8 p.m. and Dec. 14 at 7 p.m. Tickets are \$2.50 for adults, and \$1.50 for children under twelve and senior citizens. The Marillac High School Auditorium is located at 315 Waukegan rd., one block south of Willow rd., in Northfield. Tickets are available at the door one hour before each performance. For additional information, call Marillac High School during school hours at 446-9106.

Neediest families fund drive

Kicking off the annual Neediest Families Christmas Fund Drive, Empire Room star Juliet Prowse and Jack Greenberg (right), Chief Barker of the Variety Club of Illinois, turn over check for \$1,000 to Stanton R. Cook (left), publisher of the Chicago Tribune. Members of the crew watching the proceedings are (l to r) Bob Dachman, 7318 Lowell, Lincolnwood, Nat Nathanson, Arthur Holland, Edwin Schwartz and Vic Bernstein (10117 Cherry Pkwy., Skokie). This is the fourth year Variety Club Children's Charities has contributed to the fund. Spearheaded by the three Chicago metropolitan newspapers and four television stations, the goal for this year's campaign is \$750,000.

Notre Dame's 20th Christmas Prelude

The 20th Annual "Christmas Prelude" concert will be given at Notre Dame High School, 7655 Dempster, Niles, on Sunday, Dec. 14 at 2:30 p.m.

Performing groups will be the 50 piece Symphonic Wind Ensemble; the Concert Band of 30 boys; the Notre Dame Chorus of 30 students, and the Grade School Extension Band of 65 boys and girls. These groups are under the direction of Donald Tolosko and David Creighton, associate director.

Highlight of the program will be the Chicago area premiere of soon-to-be-published work of the Czechoslovakian composer Vaclav Nelhybel entitled "Frisco to the Lord." It is based on three 16th century hymns and will feature chimes, bells, and percussion. It is 10 minutes in length. Another offering by the Wind Ensemble will be the fairly new publication "Variations on We Three Kings" by Al Cobine. Greg Kovach, a senior from Glenview, and John Diviak, a junior from Skokie, will be featured in solos from the chorus. The chorus will do an interesting Aaron Copland choral arrangement of the Shaker melody "Simple Gifts." The other

groups will play the traditional Christmas selections.

Admission is by way of one usable item of packaged or canned food which will be donated to inner-city families thru a student government project.

Maine East honor students attend conference

Maine East honor students in Government and Advanced Placement U.S. History recently attended a two day National Conference on Government at the Palmer House. This conference, sponsored by the National Municipal League, was open to a small number of suburban high schools, including Maine East, but is in its 81st year as a forum for leading governmental officials. Students who attended November 17 with their faculty sponsor, Alan Rolla, heard luncheon addresses by Governor Walker,

William Scranton, and Governor Noel of Rhode Island. During the rest of the day they were able to attend various lecture and workshop sessions on campaign finance, land use, the fiscal crisis, and citizen watchdog groups. (front, l-r) Steve Romberg, Wayne Lipson, Norm Serlin, Ellen Rothstein, Dave Dobkin, Sandra Miller, and Zora Spasovic; (back, l-r) Stuart Friedman, Jim Meskan, Dan Sikora, Marty Finnegan, Todd Wyder, and Mr. Alan Rolla.

Oakton continues off-campus program at Mayer Kaplan

A neighborhood college becomes a reality once again this spring when Oakton Community College continues to offer credit courses at the Mayer Kaplan Jewish Community Center, 5050 Church St., Skokie.

District residents can discover Illinois and celebrate the Bicentennial by taking Illinois history (HIS 240-50) taught by Dr. Tom Conway, associate professor of history at Oakton. Dr. Conway

is author of numerous articles on the American Indian, his area of specialization. History of Illinois will be offered on Thursday mornings, 9:11:50 a.m. at the Center.

Robert A. Quarles, assistant professor of student development, will once again be teaching Psychology of Personal Growth (PSY 107-16) on Tuesdays, 9:11:50 a.m. "The primary subject is you and your willingness to be increasingly sensitive to your-

self and the rest of us," Quarles writes, describing his course.

Finally, another "Gray Matters" class, oriented toward seniors (60 and over) but open to all regardless of age, is Philosophy 106-02, a course in ethics. Taught by Phyllis Woloshin, instructor in philosophy, the class meets on Mondays and Wednesdays, 1:45-3 p.m.

"Students will learn about the nature of morality, the basis for making choices; how to judge right and wrong on the basis of these choices," Ms. Woloshin describes the content of her class.

All courses give three hours of college credit. Tuition for residents of the college district is \$12 a credit hour. Residents 60 years of age or older pay only \$6 per credit hour.

Interested individuals may register now at the Kaplan Center. Questions about the "Gray Matters" course in philosophy should be directed to Mrs. Rose Wovell, Senior Adults Director. Mrs. Pearl Karp, Adult Services Director, is registering students for the psychology and history classes. Telephone number at the Center is 675-2200.

All classes begin the week of Jan. 19, 1976.

Construction site thefts

Approximately \$1,600 in machinery, tools and equipment were taken in four separate thefts between Wednesday and Thursday, Dec. 3 and 4, from an area under construction in north Niles.

Police said that \$700 in plumbing supplies, a machine and plumbing equipment were taken from the Greenlake Shopping Center, 9000 Golf rd., another estimated \$500 in plumbing tools and \$400 in tools from two carpenters on the site.

Girl Scout Council

The Girl Scout Council of Northwest Cook County has not moved yet! It is true that the organization will be moving soon from its present location in Elk Grove Village, but a definite date has not been set. The Council has promised to keep members informed.

Courtesy bus...

Cont'd from Niles-E. Maine P.1

during the day. Lengthening of the bus hours 10 days longer (for a week and a half following student return to schools) than last year's holiday schedule is on an experimental basis. Evening bus transportation to the Youth Center, open till 10 p.m., has been requested to encourage use of the youth facility at the Trident, located on Oakton St. near Prospect ave.

Drivers of the 6 p.m. to 10 p.m. buses will count teens using the buses during these hours. The survey will be basis for determination whether bus transportation to the Youth Center at night should continue.

Anticipated operating costs of \$10 per hour for the extended bus run based on use of 2 buses for the additional 4 hours will be cut to an actual cost of approximately \$5 an hour by operating subsidies, said Charles Kohlerman, in charge of bus transportation. Total cost for the extended bus operation for the 30 days was projected at \$1,600.

Kohlerman advised trustees Tuesday night that 4 new mini buses had been delivered last Monday to Niles. Following village lettering and complete check out of the buses for satisfaction of Federal authorities on grant monies received, two buses will be put into service around Jan. 1. Instead of the 4 buses presently operating in Niles, bus schedules will permit use of 6 buses, 3 on a regular route and 3 on reverse route with 2 buses for emergency or standby use.

Youth Commissioner and Village Trustee Abe Selman asked that notices of the extended bus hours to the Youth Center be notably placed on the mini buses to encourage use by the teens.

In other business village trustees:

Approved a Special Use Registration for Oakton's Child Center

Registration for the Child Development Center at Oakton Community College, a creative and constructive program for children aged three to five, will remain open on a first-come, first-served basis until Dec. 19.

Parents may enroll their toilet-trained youngsters in any or all of the following three sessions: Monday-Wednesday-Friday from 12:30 to 3:30 p.m.; Tuesday-Thursday from 9:20 a.m. to 12:20 p.m.; and Tuesday-Thursday at 1:00 to 3:30 p.m.

The charge for a three half-day session is \$18 per month while the charge for a two half-day session is \$12 per month.

To register, the parent must bring the child's birth certificate and pay one month's fee in advance.

Registration hours are from 11:30 a.m. to 1:30 p.m. Monday through Friday in Building 6, Room 615 on the Oakton campus, Oakton and Nagle, Morton Grove. After Dec. 19, those interested should contact the Cluster IV office, 967-5120, ext. 210, to ascertain if openings are still available.

Student elected state president

At a recent meeting of the Illinois Office Education Association, held in Chicago at the Chicago Sheraton Hotel, Charlene Golbach was elected state president.

Charlene is a senior presently attending Maine East, and her course work includes Secretarial Office Practice, Office Occupations, Steno II, physical education, and Concert Choir.

permit in rezoning of 8361 Golf rd. for a Unity Savings & Loan Assoc. branch office, predicated on no drive-in facilities and no sub-leasing of the savings and loan area. A third requisite placed by Mayor Nicholas Blase directed that the savings institution agree to security (protective) measures set by the village under Home Rule.

A previous claim by the vice president of Unity to having 1100 Niles depositors totaling a savings of \$4 million was clarified by Trustee Marcheschi to be based on a zipcode survey rather than on actual Niles addresses.

Sent bids on a one squad Fire Dept. pumper to Administration for recommendation: Mack Trucks, Inc. of Chicago \$80,251; W. S. Darley & Co. of Melrose Park \$71,978; Peter Pirsch & Sons of Kenosha \$76,563; Pearce Corp. of Appleton, Wis. \$76,600; and Ward La France Truck Corp. of New York \$77,495.

Adopted a resolution expressing voluble appreciation by Niles for a "job well done" for the past 20 years to retirement of Presiding Judge Anton J. Smigiel, 3rd District Circuit Court of Cook County.

James A. Geocaris has been appointed to the bench vacancy. Geocaris was formerly the Niles Village Attorney back in 1963-66.

Mayor Blase announced that Village Attorney Richard Troy has been slated by the Democratic Party as trustee for the Sanitary District. The candidacy will not affect his present position in Niles, according to Blase.

Malawi persecutes Jehovah's Witnesses

"Thousands of Christians are now under brutal persecution in Malawi," declared Mr. Alexander Johnson, presiding overseer of the Morton Grove Congregation of Jehovah's Witnesses. "Starting Aug. 19, 1975, more than 34,000 Jehovah's Witnesses from Malawi who fled as refugees to Mozambique in 1972 because of severe persecution were forced to return to Malawi and now experience brutal persecution again. All of this is because of their refusal to join a political party."

Mr. Johnson said he had received a report from N.H. Knorr at the Brooklyn Headquarters of Jehovah's Witnesses. Knorr said that when a group of Jehovah's Witnesses arrived at the Malawi border, the Minister for the Central Region, Mr. Kumbweza Banda, greeted them: "We welcome you with both hands. You left Malawi of your own accord, and now you have returned of your own accord. The Malawi Congress Party is still in power in this country. Go back to your home villages and cooperate with the party officials." Then, referring to the members of the League of Malawi Youth, he said: "My boys are here to see that you do cooperate with the party."

Soon roads in the north and central regions of Malawi were filled with Jehovah's Witnesses on their way back to their home villages. In some instances the Witnesses were allowed to enter their villages and take up occupancy of houses they abandoned in 1972. However, in most cases Youth

Leaders soon called to ask if they were prepared to buy political party cards. Referring to Jesus' example of political neutrality, the Witnesses refused. Immediately beatings, rapings and other atrocities began again and many were driven from their homes. In Kancheche six Witness women were all raped by several men. In Susola village a group of men and women, including the local Member of Parliament, Mr. Elson Mutuzi, seized the possessions of the Witnesses and drove them from the village.

Early in September youths under the direction of the Kasongola branch of the Malawi Congress Party visited homes of Jehovah's Witnesses in six villages, demanding they buy party cards. When they refused, the youths stole all their belongings, subjected them to terrible beatings and urinated on the supply of flour that these refugees had brought with them, making it unfit for food. In other locations the Witnesses were stripped naked, their hair burned off their bodies with torches and beaten until blood came out of their mouths and noses. This happened at Chimasongwe village in Lilongwe under the direction of the local chairman of the Youth League, Mr. Chipukupuku, while the attackers were urged on by local women members of the League of Malawi Women.

Because no one will accept them, many Witnesses have been forced to wander in the cities by day, sleeping in nearby forests at night. Upward of 4,800 fled to neighboring Zambia, but reports

just received say they were repatriated to Malawi by force.

Dr. H. Kamuzi Banda, Life President of Malawi, recently instructed the Malawi police to round up adult Jehovah's Witnesses and put them in detention camps. The children are being left behind either to stay with relatives or fend for themselves. The government order applies this even to nursing infants. The police have ruthlessly executed this order.
