# Santa Claus makes house calls in Oakton Manor

Santa Claus makes a special visit to the children in Oakton Manor each year. He visits every child in their home, giving them candy, talking to them, looking at their Christmas tree and decorations and posing for pictures with the family. This year he visited with them on the 16th and 17th of December.

For years now the men in the neighborhood who "help Santa" that might have never let bad weather stop them. They get to see the very young children who are afraid of Santa in a store but rarely cry when he comes to their home. In addition to delighting the parents and sometimes even grandparents, Santa gets to answer the questions about where the reindeer are (in the Dunk'n Doughnuts parking lot always seemed to be a good answer).

If you're ever in Oakton Manor

Shown above is Santa - Justin Venetucci, 8148 Ozark, Niles with children Sheila, Brian and Jim McCarrick.

and see Santa running from house to house just before Christmas, you'll know he's just paying a special visit to his friends

# North Niles Eatery approved by Zoning Board

(By Alice M. Bobula)

The Niles Zoning Board Wednesday Dec. 17 approved a major change in Planned Unit Development (PUD) for a full service restaurant and carry-out Pizzeria at 9126 Golf Rd., in the Green Lakes Shopping Center, predicated upon final decision by the village board of trustees.

Rezoning for Tarsi's Pizzeria was conditioned by commissioners based on village approval of the eatery plans which allow for one washroom. Village Code requires washrooms for men and women under the sit-down service planned for the proposed restaurant.

The attorney for petitioner Ben Tarsitano told commissioners that his client would include a second washroom if required, altho the planned, single, washroom is already under construction and a second would cost additional expense.

The restaurant basically plans for carry-out delivery and will

# Woman Killed and 2 Injured in Niles Crash

A 23-year-old Niles woman was killed and two others were hospitalized early Sunday morning December 21 after the car in which she was riding apparently went out of control and skidded into the path of another car at Milwaukee Ave. and Ebinger Drive in Niles.

Karen M. Eggert, 8341 N. Osceola, a passenger, died enroute to Lutheran General Hospital of internal injuries received in a car driven by Bruce C. Pfeiffer, 20, of 6661 N. Sioux, Chicago.

Injured were William J. Daly, 34, of 920 Golfview, Roundlake, Ill., with head injuries and his wife Nancy, 30, with back, neck and head injuries. Both were taken to Lutheran General Hospital.

Niles police said that Pfeiffer, driving a 1970 Triumph had turned south from Harris Rd. onto Milwaukee on Sunday at approximately 12:30 a.m. and apparently lost control of the car due to high speed.

Pfeiffer was charged with reckless homicide and involuntary manslaughter, and speeding too fast for conditions.

# Illinois Bell prepares for heavy holiday calls

Instead of Christmas carols, 2,140 Illinois Bell long distance operators may be thinking about the song lyrics "far away places with strange sounding names."

That's because, as is usual on Christmas, there will be a volume of telephone calls to out-of-the-way places off the main telephone network. Calling is expected to be extremely heavy to retirement centers in Arizona, California and Florida.

The company points out that calls customers dial themselves will get thru fastest. But those customers who do need help will get it from the 2,140 long distance and 1,235 directory assistance operators who will be on duty Christmas Day throughout the state.

These operators are expected to assist on about 867,000 calls of all kinds that day.

Long distance operators will be doing a lot of the assisting. In the Chicago metropolitan area (area code 312), about 1,500 long distance operators will handle an estimated 257,000 out-of-state calls. About 640 other toll operators in the rest of the state will help thru about 115,000 other long distance calls from Illinois.

Customers may encounter some difficulty completing calls because of heavy surges of calling Christmas Day and Eve. The holiday calling difficulties aren't of volume, but rather the calling patterns and also

Maher of 8251 National, Niles, has been meritoriously promoted to his present rank upon graduation from recruit training at the Marine Corps Recruit Depot, Parris Island, S.C. He received the early promotion in all phases of the training, which emphasizes physical conditioning, discipline and teamwork.

Reduce energy consumption in cooking. Use pans that entirely cover the heating element. This way more heat enters the pot and less is lost to the surrounding air.

# Santa's 'wet' arrival

Santa arrives in Morton Grove on water skis instead of sled. Santa delivered toys to the handicapped children of Morton Grove in the morning and his caravan drove thru the streets of Morton Grove in the afternoon in 66 degree weather and a steady downpour. Children exchanged 'lucky' wrappers of candy for gifts from Santa at the Legion Memorial home. Shown here is Commander of American Legion Post #134, Raymond Leusch, greeting Santa Claus as he arrives at Legion Post home.

## Maine East Demonettes

New this year at Maine East are Demonettes. Other schools have girls performing similar duties, but they are called matrons or wrestlettes. These names were considered, but Demonettes had a certain ring. Now, ask the obvious question. What is a Demonette? A Demonette is an official scorekeeper. These girls score at meets and keep wrestling records from meets and tournaments. They also have cumulative stats on individual wrestlers.

In a four level meet, where competition is on frosh-soph, junior varsity, and varsity levels, four scorers are used. Two of these scorers are also supervisors. These supervisors have to make sure the books are correct in case a judge asks about a discrepancy.

The girls responsible for organizing the Demonettes is Junior Gayle Kreft. She helped Coach Gessler her freshman year by score keeping. Last year she was aided by Sue Greenfield and Michele Karlins.

This year Sue and Gayle decided to get more girls involved. With Sue and Gayle as co-captains, the Demonettes are Teri Anderson, Kathy Bastian, Gina Boncola, Dorian Dembski, Susan Dunn, Robbin Flosi, Michele Karlins, Sue Simon, Cherie Swiatek, Gayle Schatz, and Lucy Moorlas.

## Gymnasts Topple Indians

The Maine East Girls' Gymnastics Team is on its way to clinching the Division Championship of the South Division with its big win Sat. night over highly rated Niles West. The Demon machine rolled over the Indians 92.75 to 91.15, with All-Around, Captain Melody Miller scoring a total of 31.05. High scorers in Vaulting were: Ellen Barrett-7.8, Melody Miller-7.65; in Balance Beam, Donna Mancini and Nancy Goldsmith tied with a 7.15; in Uneven Bars, Ellen Barrett-8.2; Melody Miller-8.1, and Gaby Isola-7.95; and in Floor Exercise, Melody Miller-8.3, Kathy Brizzolaro-8.0, and Donna Mancini-7.95.

The Maine East girls performed extremely well on the Bars and Floor Exercise, as Coach Betty Axelson had expected. However, the Beam routines were not quite up to par due to the girls feeling the pressure of this important meet. The team has 4 compulsory meets left in their season, as well as 3 optional meets beginning with Maine West Invitational on Jan. 10. The Maine East team has won this 20-school meet for 2 years in a row, and they hope to retain first place again this year.

## Maine East Swimming Results

Friday, Dec. 12, Maine East hosted Niles East with a 116 to 47 victory for the Demon varsity swimmers. Maine East won 10 of the 11 events.

# Fire Department warning: 'Avoid Yuletide tragedies'

Christmas time is the time when more fatal fires occur nationally than at any other time of the year; the time when more people, especially children, perish as a result of carelessness; the time when joy often turns into tragedy for many.

Lt. Bernard Brady of the Morton Grove Fire Department's Bureau of Fire Prevention asked that all the citizens of the area be especially aware of the fact that most of the Yuletide tragedies can be prevented by just taking a few simple precautions, most of which take little or no extra time over the normal amount needed

to decorate and prepare for a nice holiday.

Your tree: buy a freshly cut tree. Beware of any tree with brittle or shedding needles. Cut off one inch of trunk to help water absorption. Check the water level every day and when the tree stops absorbing water discard it. Keep your tree away from heat such as hot air ducts, TV sets, fireplaces, etc. Never let a tree block an exit no matter how good it looks in that location.

Lighting: inspect last year's lights carefully. Look for worn insulation, loose bulb sockets, broken plugs. If you even suspect

wear or damage, don't risk it, replace them. Buy only lighting sets approved by Underwriters Laboratories. Use only a 15 amp circuit and be sure it is properly fused. Avoid extension cords. Avoid cord damage. Don't run cords under rugs or around doorways. Remember, indoor light sets are not properly insulated for exterior use. Unplug all electrical decorations if you go out and when you go to bed.

Decorations: use only flame-retardant or non-combustible decorations. Cotton batting, flock, tissue paper and some foam plastics ignite so easily.

Small children: exciting, super-charged, the only reason for Christmas... maybe, but, playing too near the tree, left alone with the tree plugged in or playing with electrical toys or appliances without adult supervision invites tragedy. Be sure electrically operated toys and gifts carry the UL label for the entire appliance and not just on the cord. Toys that operate using flammable liquids such as gasoline operated models are great — outdoors with proper supervision.

Smoking: please not near the tree or wrappings. Use safe ashtrays and empty them frequently, being careful not to put live butts in the trash. Before going to bed, check furniture and ashtrays for still smoldering remains and take all trash outside.

Wrappings: pick them up as gifts are unwrapped. Don't allow them to accumulate all around the tree and electric train and other sources of ignition. Place them in a covered container or better yet, take directly outside.

If, in spite of all your caution, a fire should occur, be sure your family has an escape plan. How do the kids get out? Where do you all meet, to be sure everyone is out? Who gets the baby out and how? Who helps grandma? The men of the Morton Grove Fire Department wish you and yours a healthy, happy and safe, tragedy-free holiday season.

### Snow Clearing eased by new type salt

A recent alternative has developed to the necessity of spreading large amounts of salt during snow and ice storms. The treating of salt with a liquid calcium chloride solution results in what is known as "wetter salt". This will be used on all Niles streets this winter.

The calcium chloride is more effective than salt, so the actual quantities of salt required can be decreased significantly. This can mean dollars saved. In addition, the temperature factor is no longer a problem because the "wetter salt" works nearly as well in zero temperatures as it does at the 32 degree level, (not true of street salt used in the past). It also tends to stick immediately, reducing the effect of salt bouncing into roadside vegetation. One of the greatest benefits is that it continues to work for several days after being spread and therefore minimizes the requirement of continuous re-salting.

Many of the Niles' side streets are very difficult to plow when cars are parked along both curbs. Drivers should use off-street parking and driveways whenever there is a forecast for snow. The less cars parked by the curb, the better the streets can be plowed. Better cooperation from Niles residents with cars will make winter driving safer and easier this year.

### Stolen Cars

A 1974 Olds Cutlass was reported stolen from the Mill Run Parking lot on Tuesday by Lucerny Adams of Chicago.

A 1975 Chrysler was reported stolen on Tuesday by Golf Mill Chrysler, 9229 Milwaukee Ave., was located 2 hours later as being held by Indiana State Police, Dunes Park, Ind.

Charles Boyer of Chicago told Niles police that his 1971 Dodge wagon was taken from 220 Golf Mill on Thursday.

### Good Cash, Bad Check

The Dempster Plaza Bank, 8720 Dempster, told Niles police that a Thomas Clegg had cashed a check for \$1,400. The check had been drawn against a closed account, said police.

## Niles Family Service

### "Love"

By Larry F. Benetzky, ACSW

If you could ask for and receive any gift that you wanted, what would you ask for? Health? Wealth? Power? Material things? Genius? More sensitivity? Friends? A home? Greater capacity to love?

If you would want the gift of "LOVE" then this thought from Apples of Gold might speak to you:

"You may give without LOVING but you cannot LOVE without giving." In other words—you may give with the attitude "What is in it for me," or on the other hand if you would have love then you can freely and spontaneously give without asking what am I going to get out of this. This kind of love is powerful. Emmet Fox puts it like this:

There is no difficulty that enough love will not conquer;  
No disease that enough love will not heal;  
No door that enough love will not open;  
No gulf that enough love will not bridge;  
No wall that enough love will not throw down;  
No sin that enough love will not redeem...  
It makes no difference how deeply seated may be the trouble,  
How hopeless the outlook,  
How muddled the tangle,  
How great the mistake,  
A sufficient realization of love will dissolve it all...  
If only you could love enough you would be the happiest and most powerful being in the world...

Please let us hear from you regarding the above—name will be kept confidential. Individual, marital, or family problem; need for improved communication; want to enhance your personal, marital or family growth? Call Niles Family Service, 692-3396, 8060 Oakton, Niles, Illinois. We wish you a very Blessed Christmas.

While attending the Niles Park District's Christmas party at Grennan Heights last Saturday, Dec. 20, two boys mistakenly exchanged coats. The missing jacket is a Sears Dark Blue nylon jacket with hood and plaid lining. Inside is the name of Mark Maatta, 966-4848. Also in pocket of jacket was a pair of blue gloves with leather palms, also with name in them. The jacket left was very similar to the one taken and was apparently done so in error. Please call 966-4848 if you have any information.

## 'The Subject Was Roses'

The subject being discussed by John Converse, director, and his assistant Lucy Brodzik is The Subject Was Roses, Frank D. Gilroy's touching drama being presented by Des Plaines Theatre Guild in January. Converse, for 26 years Director of Dramatics and professor of drama at Lake Forest College, is making his community theatre directing debut in the northwest suburbs with six performances of the play Friday and Saturday nights, Jan. 9 thru 24, at Guild Playhouse, 620 Lee st., Des Plaines, for three week-ends in January.

The three-member cast of The Subject Was Roses features David R. Elvart as the father, A. J. Riegler as the mother, and John Schile, Jr., as their son, just returned from service in World War II to find himself involved in another war within his own family.

For ticket information, phone 296-1211 between noon and 8 p.m. daily except Sunday.

The Subject Was Roses, trailing bouquets of prizes and the credentials of a two-year run on Broadway, will be presented by Des Plaines Theatre Guild at Guild Playhouse, 620 Lee st., Des Plaines, for three week-ends in January.

The Pulitzer Prize winning drama by Frank D. Gilroy will have David R. Elvart, A. J. Riegler and John L. Schile, Jr. as its entire cast to tell of the heart-breaking tangles of a family in which a husband and wife have made a misery of their marriage by nursing old wounds, and by each trying to make their son an ally against the other.

The resentments that they have allowed to seethe beneath the surface of their seemingly placid lives erupt when their son returns from three years in the Army, and he — from the distance of this separation from them — now sees his parents with a clarity that explains much about his past and inevitably sets the course of his future.

David Elvart of Northbrook will portray the well-meaning but angered husband, A. J. Riegler of Des Plaines his wife who has manufactured her own unhappiness, and John Schile of Rosemont (formerly of Wheeling) the son who is dismayed to rediscover the estrangement of his parents

### New President of Boy Scout Council

Roger H. Klich was elected president of the Northwest Suburban Council, Boy Scouts of America. He previously served as chairman of the Council Serving Committee, chairman of the Finance Committee and Council vice president.

Among his many Scouting accomplishments, Klich holds the Order of the Arrow and Silver Beaver Award.

Vice president of Administration and Finance for the Teletype Corporation in Skokie, Klich also serves as Regent of Luther College in Decorah, Iowa. He and his wife, Dorothy, are long time residents of Park Ridge, where they raised their three children, Janice, Maren and Roger.

The Northwest Council is Illinois' fourth largest. Its arms stretch across nine townships, including Barrington, Elk Grove, Ela, Leyden, Maine, Niles, Palatine, Schaumburg and Wheeling. This takes in 475 packs, troops and posts which oversee the activities of some 15,000 young people.

### Girl Scouts entertain nursing home residents

Shown above (l-r) back row: Karen Burger, Leader Troop 964, Marcie Berger, Sherry Zyck, Linda Cox, Lisa Sliz, Fran Gerson, Sheila Gerson, Anita Silverman, Shirley Kaufman, Leaders of Troop 944, Tracy Schaerer, Lisa Hutchings, Nancy Remus, Atsuko Hino, Jill Rovner, Karen Hildebrand, Maria Chayarachta, Lori Peterson, Lori Tomaleoni. Front row: Karen Kaplan, Felicia Pausti, Caryn Kaufman, Beth Silverman, Randy Burger. Participating girls not in photo were: Mary Campbell, Peggy Campbell, Cindy Fagoeki, Donna Fagoeki, Janice Bacchiere and Lisa Tomaleoni and Sheila Kaplan, Leader Troop 964.

On Tuesday, Dec. 2, the girls of Girl Scout Troops 944 and 964 entertained the patients of the Niles Manor Nursing Home, 8333 Golf rd., with a combined Hanukkah and Christmas Program. The girls sang selected Hanukkah songs, danced the Horah and conducted a candle lighting ceremony in celebration of Hanukkah. They sang a medley of their favorite Christmas Carols in celebration of Christmas and were joined in the singing by those patients who wished to "sing along".

The girls then presented the brightly decorated dough ornaments which each girl had made at home with the help of her mother. Each of the girls and the Girl Scout leaders and their co-leaders made a total of six ornaments, ranging from a Menorah to a Christmas Tree, Cookies and mandel bread were baked by the Girl Scout leaders and co-leaders and distributed among the patients after the performance when the girls went to each floor caroling for those patients unable to attend their performance which was held in the auditorium on the first floor.

Estelle Dunne, coordinator for activities and social rehabilitation, was ecstatic in her praise of the dough ornaments and the girls for the obvious work which had gone into the preparation of their performance and the making of the delightful dough ornaments. Girl Scout troops from St. John Brebeuf, Niles Elementary and Oak School celebrated Juliette Low's birthday at a Wiener Roast in Bunker Hill. Each girl had a chance to roast her own hot dog around the large bon fire. Drinks and relishes were provided for each girl and leader. After each girl had enjoyed her cupcake donated by each troop, they gathered around the fire for some songs. Mindy Gonzales, our field director from the Northwest Cook Council, passed around the pumpkin so each girl had the opportunity to donate to the Juliette Low Fund. After all the pumpkin carols were sung and the girls ended with Taps, they were dismissed to return to their homes with more fond memories of the Scouting days.

### Record Loss

Memo, 8901 Milwaukee Ave., underwent an attempted theft and a theft of records within a 2 hour time span last Tuesday.

Ron Young, manager of the store told Niles police he apprehended a 35-year-old Des Plaines in the process of leaving the Memo store at 8:30 p.m. with 24 assorted LP records, for which he had not paid, valued at \$169.00.

The man was taken to the Niles police department charged with theft and his bond set at \$5,000. He is scheduled to appear in Niles court on Jan. 23.

Several hours earlier, said the young Memo manager, a male thief successfully ran from the store with 10 albums valued at \$50.

The man had been observed thru a security monitoring system to put ten 33 1/3 record albums under his coat. As soon as the witness, a clerk in the pharmacy, saw the theft she notified the floor supervisor who intercepted the offender at the store entrance. The man broke away, however, with the albums, said police, and entered an Oldsmobile parked in the fire lane outside the store. The license of the car was traced to an Oak Park resident.
