Legion Cribbage Tournament

On January 5th at 8:00 p.m. the Morton Grove American Legion Post 134 will hold its first annual Cribbage Tournament. All veterans (you need not be Legion affiliated) are invited to participate. If you've ever played this challenging game while in the service come on out and try your luck against another serviceman.

In a preliminary match, three Legionnaires emerged as victors: Roy LaRoussa, Navy; George Kreeger, Air Force; and Ed McMahon, Army. These men plus several others will be on hand to challenge incoming new players.

The Cribbage Tournament will be held for three months, the first Monday of every month. The person accumulating the most points in each branch of service will be declared a "Champ" and awarded an appropriate trophy. The "Legion Champ" will be determined thru a play-off of the winners in each branch of service. All participants must play an equal number of games with a variety of opponents to be eligible for the Championship trophies.

To insure an ample supply of cribbage boards, participants who own a board are requested to bring it along. A donation of \$5.00 per evening per player will go toward the purchase of trophies. The Legion Post home is located at 6140 Dempster.

NILES ALL AMERICAN SENIORS CLUB

Our Xmas party was a huge success. 126 people attended with Janice Sanes, Millie Jones, and Mrs. Blase as our guests of honor.

The food at the Lido was wonderful all the way through the Bavarian cream cake made with our club name in icing. Frank Yakoubek, our musician in the afternoon, was grand. We were so proud of all our members dancing away on the floor looking so beautiful and all dressed up. When Frank played the Hokey Pokey, we must have had 90 of us out there on the floor and it really was fun and with his dreamy old timers, there were many couples waltzing away remembering the days at the Aragon. He also played an Italian number and the Sarno's and the Porcarro's did an Italian folk dance, and of course we had some polkas, Xmas songs and group singing.

Our group picked up their funny prize for the day and walked around the room wishing Merry Xmas to all the members and before the afternoon was over, we gave out door prizes. The Walter Harm's gave a bottle of Southern Comfort which was won by Stella Peske, Maude Waage won some chocolate given by the Fed-Sielski's, Esther Milner won a Xmas Table decoration given by the John Wilkins, Ruth Ritzman won a 1976 Calendar Towel given by Helen Lewis, Clara Eich won a bottle of wine donated by the Wawrzniaks, and Herb Meyers won a set of Xmas towels from R. Matts. 'T was a wonderful party and we won't forget it for awhile.

Our one regret was one of our wonderful gals, Catherine Schreiber didn't make it. She is in the Lutheran General Hospital (on the mead) room 727, and sure hated to miss the doings. Send her a card if you can.

Happy New Year to all.

Niles Board sets Canning Day restrictions

(By Alice M. Bobula)

Discussion of a proposed Tag Day ordinance which limits village "canning" days resulted in its approval by village trustees December 22. The ordinance sets guidelines for village canning practices and provides for supervision and control of tag days by a committee of three, chaired by Village Clerk Frank Wagner.

The ordinance limits tagging or canning to one day per year by a state-chartered charitable organization which has been active for a year previous to application;

Requires bodily injury liability insurance up to \$100,000 individually and \$300,000 for occurrence, naming the village as additionally insured;

Sets a fine up to \$500 on a solicitor who obstructs traffic or delays pedestrians;

Provides for tagger identification of the canning organization by clothing and insignia and a sealed canister, displaying the name of the charity.

A committee of two board members and the village clerk will determine who will tag and who will not. In the event of more than one application for the same day, the ordinance gives preference to the organization having more contact within the village.

Village Attorney Dick Troy projected "normal" tag days running between April to early October conditioned by the weather and daylight hours. He also noted that a limitation of one

canning day could be set for a number of organizations with the same objective.

Tuesday night's board action was triggered by complaints from motorists last June who questioned the increase in "canning" as well as the legitimacy of the organizations involved.

Wagner told the Board at that time that approximately 70 to 80 charitable organizations canned for donations last year in the village. No requests to can had been refused by the village.

"The Board had discussed possibility of limiting canning days to 5 or 7 of the 'most significant canning organizations.' The village attorney had been directed to prepare a proposed ordinance to control canning days, following a study of city ordinances.

In other business trustees approved rezoning under Major Change for Planned Unit Development for construction of a Big Heim's in the Greenlake Shopping Center, Dee and Golf Road. The sitdown restaurant for 50 customers which features hot dogs, beef, sausage and hamburgers was unconditionally approved by the Zoning Board in November. A similar restaurant in Skokie seating 80 people and also owned by Herman Gelfond has been in operation for 18 years.

Awarded a bid for a Fire Squad Pumper to W.S. Darley & Co. of Melrose Park for \$71,978

as the lowest of five bidders ranging from \$80,251.

*Approved an Uptown Federal Savings & Loan branch bank in Lawrencewood Shopping Center (former S&H location). Final approval by trustees was predicated on the savings and loan officials agreement to security provisions set by the village.

*Discussed a village procedural change in licensing procedures to what is deemed a functional process by the courts.

*Referred to the Zoning Board a petition for rezoning by Momcio Lazarevic from B2 to B2 Special Use for a Tool and Die operation at 7142 W. Touhy.

LETTERS to EDITOR

An Open Letter to Mr. Dan Pappas, LWV thanks OCC for handicapped facilities

Dear Mr. Pappas: In response to your letter concerning the recent strike by District 63 teachers, I would like to go over your letter point by point in rebuttal. First, I would like to know on what basis you declare that this action was unjust. Are you privy to negotiations and executive board meetings of the District 63 Board of Education? Second, though it is generally assumed that strikes by public employees are illegal, a judge in Schaumburg recently refused to issue an injunction against teachers and the strike issue in District 63 was never legally adjudicated. You use words like "abusive, oppressive, and condemnable" in regard to the EMEA. Are you aware of the actions taken by the Board and administration which also may have fit into these categories?

Why is it unnecessary to catalog transgressions of the strikers? In a court of law a man is entitled to hear a list of his crimes so that he can prepare a defense. "It became a matter of extreme priority ... to include ... amnesty." Are not strike settlements usually predicated on an inclusion of an amnesty clause? Furthermore, are you aware that the amnesty letter signed by the Board and EMEA prioritizes amnesty for the families of the Board members? What horrible crimes did these people perpetrate?

When were strikes ever "peaceful demonstrations"? A strike by District 63 teachers was not a weapon but a last resort when two sessions of mediation

failed to produce a negotiated settlement. You feel that the Board capitulated, but do you know that the teachers asked for an eleven percent (11%) pay increase, but ended with a total package just short of this. Power struggle? District 63 teachers agree, but we do not really believe that we are antagonists or protagonists. Collective bargaining, rather than reducing the power of the people and Boards of Education will be a step toward preventing strikes, will work for the people by preventing disruption in the normal school program, and will give teachers some rights to which all professionals, including lawyers, are entitled.

Mr. Pappas, if you think that you have been apathetic and sleeping on your rights, why are you now being one-sided and what are you accomplishing by writing letters to newspapers? Why don't you go into all of the District 63 schools and see the fine job of education that goes on; why don't you go into the District 63 business manager's office and investigate how your tax dollars are being spent, and why don't you evaluate all aspects of District 63 operation fairly.

I, with you, "hope that we all learned from this," so that in the future we can provide for quality education for District 63 students, by being informed of the issues, aware of the problems, and above all, fair-minded in our evaluations of any situation.

Sincerely yours, A Concerned Teacher

Dear Editor: We would like to thank the Oakton Community College Bd. for their response to a recent statement made by the League of Women Voters concerning handicapped students. The statement was made by the League of Glenview, Des Plaines, Park Ridge, Skokie-Lincolnwood, and Morton Grove-Niles. We want to share with the public the information we received of their arrangements for handicapped students. The Board either had or is planning to make several accommodations which include ramps, designated parking spaces, modified washroom, and public phones accessible to persons in a wheelchair. We are pleased to know that the Board is concerned that the campus is accessible to handicapped students. Very truly yours, Mary Marusek, President

Maine Moms say 'thanks'

Dear Editor: I would like to take this opportunity to thank you on behalf of the Maine-East Mothers' Club for the excellent coverage you gave to all publicity I brought to your office for our recent Antique Show and Bake Sale. It was the greatest success we have had in twelve years.

Since all the proceeds from the antique show go to the scholarship fund I am sure you will be pleased to know that you have helped a number of deserving Maine East seniors to go on to college. We will now be able to add more names to the current list of over 185 students who have already received scholarships.

Without the assistance of your publications it couldn't be done and it is greatly appreciated.

Sincerely, Sheila Mierzwa (Mrs. C.S.) Antique Show Publicity Chairman

Against coding in chain stores

Dear Editor: I just read the letter Mark Dominick wrote you about the computerized price program. I just have one question to ask about this idea. When are all the big shot chain operators going to leave well enough alone?

The consumers have always gotten along fine before, why do they have to always change things? If this is progress, I'd gladly do without it. When I go to a store, I always compare prices, no matter what I'm buying, food, clothes, toys, etc. I guess in the future, we'll be comparing codes, huh?

I am very much against this program. I sincerely hope it doesn't go thru in Niles.

Sincerely, Mrs. Kenneth Klatt, 8272 W. Dempster

An open letter to all the Senior Citizens of Morton Grove

A recent letter signed by a member of the Golden Senior Citizens of Morton Grove indicates that there is a misunderstanding regarding the position of the Morton Grove Park District in regard to the Senior Citizens of Morton Grove.

For fifteen years the Park District has sponsored a Senior Citizens Group which now has approximately 200 members. They elect their officers and plan their own activities. They receive the aid and assistance of the park district because they are a park-sponsored group. In the beginning the group was small and non-residents were encouraged to join. The membership continued to grow and in 1972 the park district changed the new membership rule to include only residents due to the overcrowding of the available facilities. The non-resident members who belonged to the group before the new ruling was placed into effect were allowed to remain.

Two years ago a few members became dissatisfied and formed a second group, namely the Golden Seniors of Morton Grove. The group now has a membership of approximately 65 senior citizens, of which 75% also belong to the park-sponsored group. When this group was formed, they approached the park district for a facility in which they could hold their meetings. They were offered Oketo and Mansfield Park for their use at no charge. The open days available were not acceptable to the leader of this group and he immediately refused the park district's offer. The rental

and usage books of the park district were opened to him to verify the fact that all park district buildings were in use on the day and time that he requested.

The Park Board is not against the organizing of senior citizens groups, but cannot support a second or third group which duplicates the services now being offered under the park district program. To do so would be in direct competition of our own programs.

The new Community Center presently under construction was designed with the idea of more usage by senior citizens. Special ramps and interior design was incorporated to make it useful and attractive for the seniors. When completed these facilities will be available for the use of all seniors at no charge. Even then we know that it will be impossible to satisfy everyone but we will have a better chance to accomplish our goals when the true facts are made known to the residents.

Queen Elizabeth and Prince Philip are seen in magnificent pageantry at St. Giles Cathedral, while the Queen Mother helps a small Highland town celebrate its 900th anniversary.

The students will perform a readers' theatre presentation of Edgar Lee Masters' Spoon River Anthology. Other literary interpretations will include Albee's "Zoo Story," writings of Mark Twain, and a 17th century sermon from Johnathon Edwards delivered by Howard Simon. Tickets may be purchased from cast members or at the door.

Lincolnwood Community Theatre

Lincolnwood Community Theatre is pleased to announce that once more Mr. A. D. Cohen of Chicago will be directing for them. Mr. Cohen has appeared in two productions with Lincolnwood and directed last year's successful and well-received production of *Penie*. The current production is *Father's Day* by Oliver Hayley, which will be shown on Feb. 13, 14, 20 and 21, 1976, 8:30 p.m. at Lincoln Hall, Farwell and Crawford, Lincolnwood.

An actor, director, teacher, producer, lecturer and advisor to community theatre groups, he

began his study while at the University of Albuquerque in New Mexico. While in that state he became a resident director and producer of two theatres before arriving in Chicago to continue his studies. In 1970 he became a staff teacher at a prominent school of drama where he taught for four years. In the last five years, Mr. Cohen has been in numerous productions including *The Merchant of Venice* and *Fiddler on the Roof*. His directing credits include *Twelfth Night*, *My Fair Lady*, *Marat Sade* and *The Man Who Came to Dinner*.

**Three films to
be shown at
Kaplan JCC**

The Mayer Kaplan Jewish Community Center, 5050 W. Church Street, Skokie will begin 1976 with two films from its Israeli and Yiddish Film Festival and one from Critics' Choice Film Festival. On Saturday, January 3 at 8:30 p.m., a well known Israeli Film in English (call 675-2200, ext. 224 for name of film), "Popi" on Sunday, January 11 at 7:30 p.m. and "Green Fields," (Yiddish with English sub-titles) on Sunday, January 25 at 7:30 p.m.

Critics' Choice Film Festival presents "Popi." Starring Alan Arkin and Rita Moreno, "Popi" is a portrait of a young Puerto Rican widower refusing to raise his two sons in El Barrio. The film shows how a hitherto neglected minority group comes into its own and indicates the wealth of material and talent that can be culled from a city's littered streets.

The third January film, "Green Fields," is the story of a young scholar who abandons his Bet Midrash (Academy of Judaica) and sets out to see the world as it really is.

Admission for each of the above films - \$1.00 for members and students; \$1.50 for non-members.

For further information on the Israeli and Yiddish Film Festival and the Critics' Choice Film Festival at the Kaplan JCC contact Pearl Karp, Director of Adult Services, 675-2200, ext. 224.

**Toastmasters plan
public speaking course**

For the second time in its 25 year history the Niles Township Toastmasters Club will present a one-day crash course in public speaking at 7 p.m. Wednesday, Jan. 14 at Laramie Park Center, 5251 Sherwin, Skokie. Participants will be briefed in the elements of public speaking and will be coached in preparing and delivering short speeches.

According to Ed Dorfman, 6427 N. Drake, Lincolnwood, club president, the event will get underway with several brief lectures on *Selecting a Topic, Opening and Closing a Speech, Organizing a Speech and The Use of Gesture*.

Following an intermission while guests are coached in the preparation of speeches, there will be the presentation of short speeches by each guest.

"We are offering this as a public service at no cost to all residents of Skokie, Morton Grove, Lincolnwood, or Niles who are interested in self-improvement, male or female."

Anyone interested in attending is invited to do so. For information contact Terry Sacks at 944-2713 (days) or 743-7433 (evenings).

**Local talent in
operatic premiere**

Douglass Susu-Mago of Evanston, James Bowker and Elizabeth LaGrande of Rogers Park all have leading roles in the world premiere of *The Equalizer*, to be performed by the Oak Park Civic Opera, Jan. 8, 9, 10, 11, 1976, in the "stunning" "Little Theater" at the Oak Park-River Forest High School, 201 N. Scoville, Oak Park. Curtain is 8 p.m. and all seats are \$3. *The Equalizer* is a new contemporary American Opera, in English, written in a musical style that combines the passionate melodies of Puccini with the rhythmic flair of Bernstein.

Douglass Susu-Mago of Evanston has performed over 20 operatic roles, in both the United States and Europe. Presently he operates the Susu-Mago Vocal Studio, Evanston, where he teaches vocal technique privately preparing people for professional singing careers, in both opera and popular music.

Barbara Susu-Mago is now adding her 13th role to her repertoire, having performed extensively with the cameo opera company, and recitals with her husband.

Elizabeth LaGrande of Rogers Park has performed leading roles in *Sound of Music*, *Fiddler on the Roof*, *Beggar's Opera* and *Pirates of Penzance*. She has several operatic roles to her credit including *Suzuki in Madame Butterfly*.

James Bowker, also of Rogers Park, is a professional singer having gained his experience singing jingles in most of the major recording studios in Chicago. Leading theatrical roles to his credit include Nanki Poo in *Mikado*, Kasper in *Menotti's Amahl and Mondstato* in *Mozart's Magic Flute*.

The Equalizer is a warm passionate story about an American family whose son is returning home from war, according to William Messner, Oak Park composer of *The Equalizer*. All the characters are real people with real emotions. The audience will easily see a part of themselves in each of the characters. Messner describes his opera as a musical drama with melodies you'll walk out of the theater humming, and an Alfred Hitchcock twist for an ending that will never be forgotten by anyone who sees it.

The premiere performance is Jan. 8 to a private, invitational audience. Public performances will follow Jan. 9, 10, 11, 1976, at 8 p.m. For reservations call Rosemary Gange, House Manager, 848-4319.

**Voter
Registration**

As a service to the residents of Maine Township, the offices of the township clerk will be open for registration on Dec. 26 and 27, the Friday and Saturday after Christmas, and again on Jan. 2 and 3, Township Clerk Philip Raffe announced today.

Raffe said his offices would be open particularly as a service to college students and servicemen who are home for the holidays, although any township resident is welcome to register. Persons registered will be eligible to vote in local, township, county, state and national elections.

The township clerk's office will be open from 9 a.m. until 4 p.m. the day after Christmas and New Year's Day, and from 9 a.m. until noon Saturdays.
