Niles youth charged with assault and rape

(By Alice M. Bobula)
Investigation of the sexual assault of a 23 year old Niles woman at Main st. and Oconto ave. Tuesday, Jan. 13, led to subsequent apprehension by Niles police of a 17 year old Niles resident on Wednesday. Police said that numerous cases in Niles, one in Park Ridge and one in Chicago over the past two

years were solved by reportedly voluntary admissions from the youth, a senior at Maine East High School. He was charged with 3 counts of attempted rape, aggravated assault and reckless conduct and was placed under \$50,000 bond thru joint complaint by Niles and Park Ridge and a \$200,000 bond in Chicago on charges of an alleged sexual assault of a state official's 15 year old daughter. He was released under bond posted by his father on Friday to receive treatment at a psychiatric hospital in Des Plaines. Tuesday night's victim positively identified her assailant in a Niles courtroom. The young woman told police she was on her way to St. John

Brebeuf Church shortly after 7 p.m. on Tuesday when she was accosted on Main st. by the knife-wielding youth. According to police, she was able to out-manuever her assailant by reasoning with him and ran to a nearby home for aid. Investigation of the area and evidence pieced together by the father of the victim led to positive identification of the youth by a Niles resident who placed him at the scene Tuesday evening said police. Area residents described the youth as being quiet, shy and courteous. Police termed him as "a very sick youngster who needs special help."

From the Left Hand

by David Besser
Editor & Publisher
This week's rape story atop page one causes problems for a community newspaper which is unique to its genre. Chicago's metropolitan papers are devoid of such problems.

When the story broke, Chicago's radio stations and newspapers identified the young man in the story. Our very good reporter, Alice Bobula, did a great deal more in-depth reporting than the metros, but was momentarily sidetracked when the Niles police book didn't include the story in its complaint section. Because of the delicacy of the story the police preferred to keep it out of the report but when Alice confronted the police chief he was most cooperative. It was Alice's good judgement to report the story while not identifying the young 17 year old.

The argument against having it in the complaint book is it may embarrass the family involved. But the obvious counter-argument is the community has the right to know what is going on. And in this case we feel it's imperative the community knows what is happening. Parents and their youngsters should know what takes place around them so they can adjust their lives accordingly. Well-intentioned efforts to prevent embarrassment to the family must take second place to the more important making the public aware of what is taking place in its community.

The dilemma in School District 63 to cut costs while retaining quality education is being discussed at weekly Tuesday night Board meetings at Apollo Junior High. At the January 13 meeting the Board discussed reducing 24% teachers at the junior high level which would save the district about \$262,000. Present teacher-student ratios would increase from 16.3 to 22 students per teacher. A discussion to increase taxes by 20 cents per \$100 assessed valuation would yield an additional \$500,000 a year.

Proposals to cut reading coordinators (presently 11) and speech clinicians was considered through the Board is not Continued on Page 27

Conservation Fund receives Park Board support

(By Alice M. Bobula)
Individual as well as unified support was pledged by Niles Park Commissioners Tuesday night in support of future funding for 1977 of the Land and Water Conservation Fund. According to Park Board President Millie Jones who initiated Tuesday night's Board action the Federal Budget Committee, which is responsible for the 1977 budget allowance, had recommended last November the elimination of funding Land and Water Conservation programs. Should the recommendation prevail, President Ford's 1977 budget will not include monies for Land and Water Conservation Fund activities, thus eliminating federal Continued on Page 27

MG Chamber membership drive

The Morton Grove Chamber of Commerce has begun an intensive membership drive and will be soliciting new and old business and industrial firms in the community. Board member Nick Marino of Marino Realtors is heading up the drive. This would be a good time to join the Chamber membership, especially in this Bicentennial year. A Bicentennial souvenir listing brochure will be made up which will list all active members of the Chamber. Copies of the brochure will be mailed throughout the village and also to the State Chambers in the other 49 states, as well as our own State Chamber.

For further information regarding membership, please contact the Chamber office 965-0330.

Gauls celebrate Golden Wedding

Mr. and Mrs. Edwin W. Gaul of Niles will celebrate their 50th wedding anniversary Jan. 25 at 12 o'clock noon Holy Mass, St. John Brebeuf Church, Niles. The Gauls' family includes 3 surviving (of 5) children, 17 grandchildren and 1 great-grandchild and have traveled extensively in this country over a period of years. Mr. Gaul, after 30 years of service with International Harvester, has enjoyed 10 years of retirement. They are also still enjoying the Dodge they won in the 'Niles Days of 1973'. Best wishes for many more happy, healthy anniversaries!

Niles Courtesy Bus Service to expand Feb. 2

(by Alice M. Bobula)

Expanded service by the Niles Courtesy Bus System will "hopefully" go into operation Monday, Feb. 2, according to Asst. Village Administrator Charles Kohlerman.

Added new features will include 4 new Mercedes-Benz minibus received in December and an expanded bus schedule which will encompass the YMCA on Touhy ave., a portion of the industrial area and, on the north end of the village, extend into the "Golden Forties" and The Treasury Shopping Center, both of

which are north of Golf rd. Bus service will be increased to run at half hour intervals from 8:30 a.m. to 6:30 p.m. weekly and from 11:30 a.m. to 6:30 p.m. on Saturdays and Sundays. Six of the 8 village-owned buses (which are painted red, blue and white in commemoration of the Bicentennial) will be in service at all times. The other two will be kept for use during "peak" periods or for "backup" emergency service.

The 4 new buses were purchased by Niles for \$101,600 under a partial \$168,165 federal

and state grant received in March, 1975. Also included under the grant are 2-way bus radios and maintenance tools which will be purchased following finalization and approval of specifications.

Approximately 150 village-designed red, white and blue "Village of Niles" route and bus signs are in preparation said Kohlerman. Local signs are uniquely designed showing the front end of a bus and the letters N CTS (denoting Niles Courtesy Transportation System). Smaller signs will indicate time of bus arrivals at specified areas.

Eighteen bus shelters are under village specifications which hopefully will combine with use by North Suburban Mass Transit (NORTRAN) riders. The shelters will be built during the coming spring and summer months.

A \$409,125 garage maintenance facility (included under the \$168,000 total federal and state grant requested by Niles) remains to be completed pending a 12-month study (due June, 1976) by NORTRAN.

Since the initiation of free bus service in Niles on June 16, 1973, ridership thru Dec. 31, 1975, has totaled more than 451,000 people.

The purpose of going into expanded service, according to Kohlerman, was to cover more village area, "although we still don't cover all of it", which will hopefully come with the next bus development phase. Increase in service to half-hour intervals will mean more convenience for Niles residents, he noted. Each stop in areas serviced is so designated that it is no more than 3 blocks from a residence.

The next phase of the 5-year development plan for bus service projects to a total of 18 village buses on a regular and reverse route system and a transfer station located midway. The plan submitted in Jan.-Feb. of 1975 to federal and state governments and to all local planning commissions is a pre-requisite for funding and must be updated annually by Niles with regard to village needs and to avoid duplication of service.

Kohlerman is Administrator of the Courtesy Bus Service pending establishment of a Transportation Department in Niles.

Golf Store Theft

Approximately \$350 in merchandise was taken by "customers" from Neumode in Golf Mill on Thursday.

A sales clerk told Niles police she was alone in the store when 2 men and a woman entered. The woman purchased 1 pair of hose while the men remained near the clothing racks at the front of the store. She observed one of the men to take numerous blouses from the rack, placing them in a box which he was carrying. Following departure of the trio she estimated 30 to 35 blouses had been stolen and 4 ladies sweaters.

The female was described as 4 ft. 11, about 20 to 25 years of age, slender build and wearing short gray hair. One male was 6 ft. tall with gray hair. The other was 5 ft. 6 tall and about 20 years old.

No Safe is Safe

Three safes were reportedly stolen on Thursday from Jerry's Fruit and Garden Center, 7901 Milwaukee ave. No other losses were reported said police.

The manager told police he had locked up the store in the usual manner on Wednesday evening. On Thursday he opened for business and noticed the checking office had been ransacked. Further investigation revealed the loss of the 3 safes which measured 24 by 18 by 18 inches. The safes had apparently been removed at the rear of the building.

Tasty Pup Burgary Attempt

Niles police said an attempted entry last Tuesday into the Tasty Pup Driv-in at 9001 Milwaukee ave. thru the roof was unsuccessful.

After breaking thru a mushroom cap on the southwest corner of the roof the offenders found their entry blocked by cross beams of the lower vent.

Lost Weekend

The housekeeper of Motel 6 at 6450 Touhy told the manager she was unable to rouse 2 guests registered in a motel unit over the weekend who were reportedly "passed out" on the bed.

The cleaning woman who told police she was knowledgeable in such matters stated that she thought the two were on a drug trip.

Energy theft

The store manager of Goldblatt's Tire Center in Lawrencewood Shopping Center reported theft on Tuesday of a car battery valued at \$39.95.

Upon opening for business Tuesday morning he noticed the glass in the south bay door of the store had been broken. Inventory of the store revealed loss of the battery.

Cash Gone

A Des Plaines woman told police that \$143 in cash was missing from her purse inadvertently left in the lobby of a Niles nursing home.

She said she had taken her mother for a walk and upon their return noted the money was missing from her purse. No action was taken by the administrator, she said.

On Dean's List

Jim S. Zoros of 7800 North Lotus in Morton Grove has been named to the Dean's List at North Park College, Chicago, for the fall term.

IL highway deaths increase

Capt. William P. Burt, State Police District Commander for the Cook County area, announced today provisional figures which indicate that during the month of December 52 persons were killed as a result of 48 accidents in Cook County.

District 3 Troopers investigated a total of 421 traffic accidents in December, bringing the total accidents investigated by Troopers in Northern Cook County for the year of 1975 to 5209.

The Superintendent of the Illinois State Police, Dwight E. Pitman, announced today initial reports indicating that during the month of December 172 persons died from injuries sustained from traffic accidents on Illinois highways. Provisional figures indicate that 2062 people were killed on Illinois highways in the year 1975. This total reflects an increase of 55 from the number of fatalities reported in 1974.

Bicentennial collector's license plates

Because of unusually high early interest, an additional 10,000 collector's metal plates of the 1976 Illinois Bicentennial license have been ordered, Secretary of State Michael J. Howlett announced today.

First shipment of 5,000 collector's plates have been sold over-the-counter or distributed since being placed on sale early this month at all Secretary of State motor vehicle and driver service facilities.

"Over 1,200 of the plates were sold over-the-counter in Springfield the first two days they were available for sale," Howlett said. "All orders will be filled from the new shipment as soon as the plates arrive."

The collector's plate, which sells for \$3, is a metal replica of the 1976 passenger license in red, white and blue. It carries the number USA-200 in the middle and "collector" is placed vertically on both sides.

Morton Grove Library Happenings

The Morton Grove Historical Society has arranged an interesting display of artifacts from bygone days in the display cases in the Morton Grove Library. Old lanterns, shaving mugs, china and jewelry from 100 years ago are displayed. Of special interest are a handmade pewter fork and spoon from the Viking days in Scandinavia and 100-year-old hand-painted slides from Germany.

The Morton Grove Historical Society would appreciate any items of historical significance that citizens may have stored away in their attics or basements. The Society hopes to enlarge their displays, which they will present throughout the year.

The Children's Room of the Morton Grove Library would appreciate Calendar pictures for its picture file. Large, bright calendar pictures are excellent for children to look at and use, so don't throw away those old calendars - bring them to the Morton Grove Library!

Maine East girls win 3rd gymnastics invitational

The Maine East Girls' Gymnastics team won the 20-school Niles West Invitational for the third consecutive year on Jan. 10, defeating second place Niles West and third place Deerfield. The Maine East Demons were led by Senior Captain Melody Miller, last year's All-Around Conference Champion. Melody took a second in Floor Exercise, performing a beautiful dance composition combined with her usual high tumbling skills to earn an 8.45. She also scored a 7.1 in Vaulting and a 7.05 on Uneven Bars. Junior Donna Mancini took first place in Floor Exercise with an 8.5. Coach Betty Axelsson was extremely pleased with her performance since this was Donna's first major pressure competition. On Uneven Bars, Ellen Barrett took a second place with a score of 7.5, executing a clean, swinging routine. Although Ellen did not do as well in Vaulting as expected, she will still be one of the top contenders in this event in the Division Meet. Senior Nancy Goldsmith performed a solid Balance Beam routine to take third place with a 7.3.

The Maine East girls are undefeated and expect to keep up their record the remainder of the season. Although the team has two compulsory meets left against

Glenbrook North and Niles East, their efforts will mostly be devoted to optional routines. The girls are working towards the Division Championship Meet to be held on Jan. 31 at Maine East. The eight teams in the South Division go into this meet with points earned in the compulsory meets, and then compete using optional routines to determine the final team championship. So far Maine East is leading in the compulsory competition, and now after the first Optional competition in the Niles West Invitational, the Maine East Demon machine is certainly in an excellent position to take the Division title on Jan. 31.

Basketball results

The Maine East varsity basketball team suffered its third loss of the season Jan. 9, losing to Maine South 77-54. However, on Saturday, Jan. 10, the Demons showed their ability to bounce back by defeating New Trier West, 72-68. New Trier West had previously beaten Maine South by ten points earlier in the year.

Dexter Brown had his best game of the year, scoring 27 points, and Scott Russ added 22 points.

Morton Grove Little League registration

The Morton Grove Little League will hold registration for the upcoming season on Saturday, Jan. 24, and Saturday, Jan. 31, from 1 p.m. to 4 p.m. at Park View School, 6200 Lake St. All boys (and girls) between the ages of 8 and 18 are eligible for one of the following leagues: Little League (8-12 years old), Senior League (13-15 years old) and Big League (16-18 years old).

League President Jerry Schuhrke is pleased to announce that registration fees will remain the same as last year: \$18 for Little League, \$22 for Senior League and \$30 for Big League. All new players must furnish a birth certificate at the time of registration.

All players must register regardless if they have played in previous years.

There is a shortage of umpires this year. Anyone 15 years old and over is urged to sign up for umpiring. The umpires are paid \$8 per game. Not only are our Senior and Big League players urged to umpire but we welcome anyone outside of the League to umpire.

There will also be a sign-up of managers and coaches. Once again you do not have to be a parent to do this. Anyone in the community can volunteer to help out as a manager or coach.

Sponsors are a very critical need. The sponsors' money is used to buy equipment, and this year there is a good chance that the league will be able to

purchase new uniforms. So far only O'Brien Electric Co. of Des Plaines has agreed to sponsor a team. If your business or organization would like to sponsor a team please contact any league official at registration.

This year the league is revising the Women's Auxiliary. We would like to have as many women as possible join the Auxiliary which will assist us in operating the league.

On Saturday, June 5, the Triple A. Minors, and Major Leagues will play their scheduled games at Thillens Stadium. This also serves to give the league funds needed for operation. Players will be given tickets to sell and they will have a chance to win prizes in a drawing which will be held at Thillens on the same day.

The following people have been elected to run the Morton Grove Little League: President, Jerry Schuhrke; 1st Vice President, Norm Glauner; 2nd Vice President, Bernie Wax; 3rd Vice President, Roy Okazaki; Treasurer, Ivan Schubert; Secretary, Charlie Falco; League Directors - Bruno Arcangeletti, Dave Reuter, Jack Knox, Ron Ruedanz, and Larry Schulte; Special Events - Mike Kelly; Umpire-in-Chief - Mike VanHecke; and Publicity, Terri Schuhrke.

Indoor Track Preview at Maine East

Maine East's trackmen opened their season on Saturday, Jan. 17, by hosting a Riversides-Brookfield and Niles West.

Coach John Coughlan feels that his Demons will finish in the top two teams at the conference meet — mainly because he has twelve returning lettermen this season.

Last year the Demons finished second in conference, the Blue Demon Relays, and district competition. In dual meets the Maine East record was 11-3.

Returning lettermen are: distance - Mark Tomasik, Dave Saethre, and John Hinterhauser; sprints - Sam Rea, Bob Schmid, Tim O'Hagan, Mike Babcock, Curt Meine, and Dave Cwik; hurdles - Brian Briars; high jump - Rick Lindberg; and shotput/discus - Craig Franklin.

Coach Coughlan expects that the relays will be strong this year, headed by Rea, who was last year's state district champ in the 220.

In the distance runs Tomasik, an all state cross country runner, will be leading along with Saethre and Hinterhauser, who have all previously qualified for the state meet.

Franklin, who last year as a sophomore qualified for state in discus, will be a leading field event man, and Briars, who last year as a sophomore lettered in both the high and low hurdles, will be the leader in the hurdles competition.

Babcock, O'Hagan, and Cwik are also lettered sophomores who will definitely add to the nucleus of this year's varsity according to Coach Coughlan.

He also pointed out that seniors Schmid, Meine, and Lindberg will be participating in a variety of events and are expected to perform quite well.

Athlete of the Week
(by Sharon Jacobs)
One of Maine East's most successful teams is girls' gymnastics, which defeated Niles North 96-84 on Jan. 6. And Melody Miller, a Maine East senior from Niles, is an all-around gymnast on the team. In the Jan. 6 competition, Melody took first place in the all-around as well as first in all four events.

Aside from gymnastics, Melody also participates in track and field events; is a member of the Maine East circus club, and enjoys watching gymnastics and football.

Courses Melody is currently taking this semester are: Mass Media, Psychology, Art, and Jewelry Design.

Next fall, Melody plans to attend the University of Wisconsin to major in women's physical education.

When asked her opinion on high school sports in the future, Melody said, "Hopefully people will become more interested and aware of girls' sports, and programs may improve so that our country can produce stronger athletic teams."

Mahoney, a freshman guard, promises to be an important part of the Forester team in upcoming seasons. He is a 1975 graduate of Maine East High School.

BANTAM HOUSE LEAGUE

Dec. 13, 1975
Memco Eagles 3, NAHA Team #33 1.
John Sullivan scored a hat trick to lead the Memco Eagles to a 3 to 1 victory over Team #33. The assists went to Scott Reuter and Mike Kogas. Team #33's Dean Gluth scored a lone goal with Bill Quallardi assisting. Memco's Ed Burke and Team #33's John Daly were in nets.

Dec. 14
Memco 5, NAHA Team #34 5.
Seven goals were scored in the last period of a wild, forget about defense type of game. Memco's Marty Cooke tapped in a rebound to get the tie. Goal scorers for #34 were Wagner, Overman (2), Miller and Blassberg. Assists going to Madio, Blassberg and Ligenza. Memco's goals were scored by John Jablonski (2), Kevin Shallcross, Mike Kogas and Marty Cooke. Assists going to Cooke, Kogas, Jablonski, Tubihane, Traxler, Dixon and Sullivan. The rathorous goal-tenders will not be mentioned today.

Jan. 3, 1976
NAHA Team #34 3, Team #31 3.
In a hard played game the Memco Eagles came from behind to tie 3 to 3 on a goal by John Jablonski. Team #31's Mike Kogas had 1 goal, 2 assists and Jablonski had 2 goals. Ed Burke was in net for Memco; Blassberg led Team #34 with 2 goals.

Jan. 4
Memco 2, NAHA Team #33 1.
In a well played game, the Memco Eagles defeated NAHA #33 by a score of 2 to 1. Memco's Bob Traxler lit the lamp with a hard slap shot from the point. Team #33's Daren Rohney tied the score with Rich Colen, Tom Arzt and Ken Kaszniak assisting. With a nice assist from Frank Tubihane Memco's Steve Tripp scored the tie breaker. Both #31's Ed Burke and #33's John Daly played super in the nets.

Team #31 lost the services of hard rushing defenseman Scott Reuter because of a holiday accident. Everyone wishes Scott a speedy recovery.

Jan. 11
NAHA Team #33 2, NAHA Team #34 2.
Team #34 starts out strong with 2 goals in the 1st period. 1st goal by Millen assisted by Ciesvelski and 2nd goal by Ligenza assisted by Overman. The second period was played with good defense by both teams. #33 broke out with 2 goals within 16 seconds in the 3rd period. Goal 1 for team #33 was scored by Ken Kasniak with an assist by his brother Ron and Dan Grochinski who also scored the 2nd goal; assisting were Ron & Ken Kasniak.

BANTAM A TEAM

Niles vs. Arlington Heights
The Niles Bantam A's sponsored by the Golf Mill State Bank met Arlington Heights for the second time at the Randhurst Ice Rink. Both teams played a good game of hockey and skated and checked hard. Niles came out the winner by a score of 5-2. Tony Jeriffita was the leading scorer in the game with a goal in each period to get his trick for the game. Other goals for Niles were scored by Dave Timm and Frank Angiulo. Assists were given to Bill Connor, Frank Angiulo and Dave Kolbaska.

Niles vs. Deerfield
The Bantam A's sponsored by the Golf Mill State Bank played the Deerfield Falcons and lost a hard-fought game. Both teams were fast and hard-checking. In the third period, Niles was losing by a score of 5-1 and with 39 seconds left in the game, scored two more goals, but it wasn't enough to win the game. Goals for Niles were scored by Larry Gaertner and Tony Jeriffita (2). Assists by Ken Rusotto, Frank Angiulo, Dave Kolbaska and Russ Donash (2). The final score was Deerfield 5, Niles 3.

MITE'S "A" DIVISION

In the 2nd period, David Solan scored the 1st goal for Niles at 8:25 in the period, assisted by Gerald Ackerman. Park Ridge scored one goal also. In the 3rd period Park Ridge scored 5 goals beating the Sharks 7-1.

January 10th, at Westmont Ice Center, Niles defeated Elmhurst by a score of 5-4. 4 goals were scored by David Solan and 1 goal by Tony Musso. Billy Heintzelman played a fine game in the nets.

January 12, proved to be an exceptional well played game on Niles ice against Northbrook. Goalie Billy Heintzelman played an excellent game saving 13 out of 15 shots on goal. Niles goals were scored by Tony Musso (2 goals), Rany Busiel (1 goal). Assists were by David Solan, Gerald Ackerman, Randy Busiel, making the final score Niles 3, Northbrook 2.

Interview with Demon Guard Captain

George Morgan, a Maine East senior from Park Ridge, feels that school spirit will improve in the future and that clubs and organizations will naturally benefit from this added student interest.

George is the captain of Maine East's Demon Guard organization, whose goal is to teach children ages 6-13 in District 207 how to swim. His job is to be sure that all Demon Guard members perform their assigned jobs and help them in any way possible to be more effective. George also lends a hand in planning special Demon Guard activities. For example, he is currently discussing the Demon Guard program with various community groups.

George is also a member of the National Honor Society and the swim team at Maine East. When not swimming himself, he likes to watch swim meets and also enjoys Big Ten football.

The Demon Guard captain is currently enrolled in Chemistry I, Physics, Accelerated Math IV, and Science Fiction/Experiences of War. George plans to attend either the University of Illinois or Purdue to major in electrical engineering.

Demon swimming results

This weekend meant victory for the Maine East varsity swim team, beating Notre Dame 109-63 on Jan. 9 and Rolling Meadows 108-53 on Jan. 10.

In the Notre Dame meet on Friday night, senior Jon Tice set new school records in both the 200 yard and 500 yard freestyle races, and junior Scott Schwandt established a new Maine East record in the 100 yard freestyle.

Against Notre Dame, Maine East's first places were the 200 yard medley relay team of Brennan, Schwandt, Schaeffes, and Morgan with a time of 1:47.02; Tice in the 200 yard freestyle; G. McKevey in the 200 yard individual medley; Schwandt in the 50 yard butterfly; Schwandt in the 100 yard freestyle; Tice in the 500 yard freestyle; Schaeffes in the 100 yard backstroke; and the 400 yard freestyle relay team of Brennan, Tice, McKevey, and Schaeffes with a time of 3:34.106.

In other Friday night action, the Maine East junior varsity beat Niles West 98-61 and the Maine East freshmen beat Niles West 92-61.

Saturday Maine East hosted Rolling Meadows. The Maine East varsity beat Rolling Meadows 108-53, but the Rolling Meadows sophomore team beat Maine East 96-75.

New coach

Maine East has a new head varsity wrestling coach this season, the very popular Jerry Muccianti, yet he's not new to District 207 with four years of teaching and coaching at Maine South and last year at Maine West.

Mr. Muccianti's wrestling background started with four years of high school wrestling at Oak Park-River Forest High School. Then he attended Northern Illinois University and wrestled while majoring in physical education and minoring in driver education.

Coach Muccianti is looking for a good season this year. While he has a very young team, he feels they will gain a great deal of experience wrestling varsity. Mr. Muccianti is counting on two returning lettermen to have very good seasons, Mike Styne and Mike Florio.

1st Nat'l of Morton Grove supports Lions in bowling tourney

The Morton Grove Lions Club will receive a boost in its quest for the Lions District bowling tournament championship, thanks to the First National Bank of Morton Grove.
The bank will make a donation, to help pay transportation expenses for the local bowlers' bus trip to Waukegan for the Jan. 25 tournament, announced president Marvin von Aswege.
The annual tournament will attract bowlers from 42 Lions clubs in the Chicago area, according to Jim Kavoris, chairman of the Morton Grove club's bowling committee.
Kavoris, owner of Pit 'n Grill, 9300 Waukegan Rd., Morton Grove, said his club will be represented by eight teams of five men each in the event.
"Our club has won five of the last six tournaments," said Kavoris. "We would have to rate as favorites again this year."
Von Aswege, himself a member of the club along with several other officers of the bank, added: "We're all pulling for the Lions bowlers to bring home another championship. Our bank is happy to contribute whatever we can to support them."

CHURCH AND TEMPLE NOTES

Messiah Lutheran

The officers for the Messiah Lutheran Church Women were installed at a Sunday morning service for 1976. The officers are Mary Jane Kovach, Park Ridge, President; Lois Anderson, Park Ridge, Vice President; Barbara Burrill, Park Ridge, Secretary; Paula DiVita, Park Ridge, Treasurer; Betty Hrodey, Park Ridge, and Lorraine Handzel, Des Plaines, Stewardship Secretaries; Marilyn Daniels, Glenview, Barbara Van Kenren, Mt. Prospect and Bobbi Blanshan, Park Ridge, Education Secretaries. Other Board members are Hospitality Chairmen: Pat Flug, Des Plaines, Ruth Corkill, Park Ridge; Historian: Julie Kraut, Park Ridge; Sunshine Chairman: Nancy Tritthardt, Park Ridge; Publicity Chairman: Lucille Nelson, Niles; Nursery Chairman: Betty Arness, Des Plaines; Cradle Roll Chairman: Cindy Kettren, Des Plaines.

The women of Messiah Lutheran Church, 1605 Vernon, Park Ridge, involve themselves in a number of charitable projects locally and thru the American Lutheran Church Women, Minneapolis. Among these projects

are support of the Lutheran Family Mission — an inner city relief organization on the near west side of Chicago's Loop — Lutheran World Relief and Lutheran World Action, supplying money, clothes, blankets and other needed articles for the destitute in many lands; the support of mission congregations in the United States as well as missionary work among the Eskimo population of Alaska. Besides this, the women have been involved in refurbishing a room in the educational building of the church for use by adult groups.

United Mission Appeal

The American Lutheran Church conducted an appeal thru the congregations for United Missions. The appeal, originally for \$25 million has now surpassed that goal by more than \$12 million. Messiah Lutheran Church, 1605 Vernon, Park Ridge, pledged to giving \$17,500 to this appeal over a three year period, has in the first year of the appeal, contributed more than \$13,000 to it. These funds, in addition to the regular contributions of Messiah to the American Lutheran Church, are being used to extend the work of the church in this country and in other lands.

CHURCH AND TEMPLE NOTES

Messiah Lutheran

The officers for the Messiah Lutheran Church Women were installed at a Sunday morning service for 1976. The officers are Mary Jane Kovach, Park Ridge, President; Lois Anderson, Park Ridge, Vice President; Barbara Burrell, Park Ridge, Secretary; Paula DiVita, Park Ridge, Treasurer; Betty Hrodey, Park Ridge, and Lorraine Handzel, Des Plaines, Stewardship Secretaries; Marilyn Daniels, Glenview, Barbara Van Keuren, Mt. Prospect, and Bobbi Blanshan, Park Ridge, Education Secretaries. Other Board members are Hospitality Chairmen: Pat Flug, Des Plaines, Ruth Corhill, Park Ridge; Historian: Julie Kraut, Park Ridge; Sunshine Chairman: Nancy Tritthardt, Park Ridge; Publicity Chairman: Lucille Nelson, Niles; Nursery Chairman: Betty Arness, Des Plaines; Cradle Roll Chairman: Cindy Ketteren, Des Plaines. The women of Messiah Lutheran Church, 1605 Vernon, Park Ridge, involve themselves in a number of charitable projects locally and thru the American Lutheran Church Women, Minneapolis. Among these projects

are support of the Lutheran Family Mission — an inner city relief organization on the near west side of Chicago's Loop; Lutheran World Relief and Lutheran World Action, supplying money, clothes, blankets and other needed articles for the destitute in many lands; the support of mission congregations in the United States as well as missionary work among the Eskimo population of Alaska. Besides this, the women have been involved in refurbishing a room in the educational building of the church for use by adult groups.

United Mission Appeal

The American Lutheran Church conducted an appeal thru the congregations for United Missions. The appeal, originally for \$25 million has now surpassed that goal by more than \$12 million. Messiah Lutheran Church, 1605 Vernon, Park Ridge, pledged to giving \$17,500 to this appeal over a three year period has, in the first year of the appeal, contributed more than \$13,000 to it. These funds, in addition to the regular contributions of Messiah to the American Lutheran Church, are being used to extend the work of the church in this country and in other lands.

Edison Park Lutheran Church

On Saturday, Jan. 24, the Luther Leaguers of Edison Park Lutheran Church will hold their Annual Pancake Day in the Church Halls, 7 a.m. to 7 p.m. The menu will include fluffy pancakes (all you can eat), steaming hot sausages, fruit juice, and your choice of coffee, tea or milk. The Church is located on the corner of Avondale and Oliphant ave. Tickets are \$1.50 for adults and 75 cents for children 12 and under, and may be obtained from Phil Priest, Ticket Chairman, any member of the Luther League, or the Church office (631-9131), or at the door on the 24th. Proceeds from the Pancake Day go towards the support of the League's entire youth program, as well as to the Youth Ministry Fund of Community Lutheran Church in the inner city.

The chefs will be Doug Volden and John Krpan with Dan Mang and Scott Stewart in charge of the food. Decorations will be provided by Lynn Carlson and Carol Johnson. Lori Carlson is working on publicity and Debby Westphal is in charge of obtaining donations from businesses and individuals to help defray expenses. The Head Waitress will be Marty Hertel and Karen Kazlo will be the Head Waitress. Plan to attend this worthwhile and tasty event.

Harris-Zito

Mr. and Mrs. Kenneth R. Harris of 8016 N. Elmore St., Niles, announce the engagement and approaching marriage of their daughter, Lynne, to Mr. Ronald F. Zito. He is the son of Mr. and Mrs. Jerry Zito of Melrose Park. Lynne is a 1969 graduate of Maine East and a 1973 graduate of Northeastern Illinois University. She is presently teaching at Stevenson School in Des Plaines. Ron is a graduate of Northern Illinois University and is working for Xerox in Des Plaines.

A November wedding is being planned at St. Lukes Lutheran Church in Park Ridge.

Garden Club of Niles

The Sun Travel Service Inc. will be bringing a touch of the Islands to our village when they are hosted by the Garden Club of Niles at their regular meeting on Wednesday, January 28th, at 8:00 p.m. in the Recreation Center.

Ms. Ginny Wishart, sales representative for the Sun Travel Service promises an informative and fun evening as she presents a color film on the beauty and enchantment to be found in Hawaii. This will be a refreshing change of scene after enduring our wintry, blustery days and an enjoyable program for all. Following the film will be a question and answer period and of course refreshments for everyone.

The Garden Club of Niles would like to call attention to our upcoming "Red, White & Blue" Garden Contest which will be held this summer to celebrate our nation's 200th Birthday. Whether it's a little patch in your backyard or the whole of your front lawn, let's see those green thumbs get to work and think red, white and blue! Details and more information regarding the contest will follow soon. Happy Gardening!

League of Women Voters

The League of Women Voters of Morton Grove-Niles will be meeting to discuss tax assessment and school finance on: Tues., Jan. 27, 9:15 a.m., Niles Community Church, Oakton and Odell; Wed., Jan. 28, 8:00 p.m., home of L. Warmack, 7405 Lyons, Morton Grove; and Thurs., Jan. 29, 12:15 p.m., home of J. Goldberg, 8149 Clifton, Niles. Please select one of the unit meetings to attend so that you may become a better informed citizen on a most interesting subject—tax dollars, which always seem to be in short supply.

Visitors are welcome at all LWV meetings. Please call 965-2075 or 825-0364 for information about League of Women Voters.

Niles Homemakers Extension Association

The Niles Unit of Suburban Cook County Homemakers Extension Assn. held its annual Christmas luncheon and grab bag on Dec. 10 at the Arc Restaurant in Glenview. Mrs. Evelyn McDermott will be in charge of arrangements as party chairman and a lovely afternoon was enjoyed by all.

At this time Niles members brought homemade cookies and tote bags which were delivered to the residents of Gross Point Manor Home by Mrs. Margaret Ross, voluntary action chairman, and Mrs. Lillian Brusler.

Niles Grandmothers Club

On Dec. 16 Anne Dworak, President of the Niles Grandmothers Club #699, and Sonya Lawrence and Frances Nelson took boxes of homemade cookies, candy and several boxes of clothing to the Golf Pavilion Nursing Home, 9555 Golf rd.

Our board meeting will be held on Wednesday, Jan. 28, at 10:30 a.m. and our regular meeting at 12 noon at the Niles Recreation Center, 7877 Milwaukee ave. After the meeting the group will start their new project of making lap robes and bibs for the veterans and elderly. When completed, stuffed dolls for the orphans and retarded children will be started to be finished in time for Christmas, 1976.

Winnie Trocker and Josephine Florio were appointed delegates to the Niles Days Committee.

Maine Township preschooler registration

All parents of 3 and 4 year old children in School Districts #62, #63 and #64 may register their child for possible screening services by contacting the Early Childhood Center (Pre-Dict) at Oak School (966-2390) in Niles. Parents who have concerns about their child's speech and language development, social development, large and small muscle development and/or cognitive development, should take advantage of the continuous services provided during the entire school year in Maine Township.

A girl was born to Mr. and Mrs. Frank J. Biga, II of 7912 N. Oketo, Niles on January 12, 1976 at Holy Family Hospital, Des Plaines. The baby's name is Cathryn Therese who weighed 6 pounds, 15 ounces. The maternal grandparents are Mr. and Mrs. Walter Nalepta of Chicago. The paternal grandparents are Mr. and Mrs. Frank J. Biga, Sr. of Niles. Other children in the family are Frank Joseph III, age 3.

The Spares Sunday Evening Club

Chicago Area Associate Superintendent Dr. Angeline P. Caruso of the Board of Education will be the Speaker at The Spares Sunday Evening Club meeting on Sunday, Feb. 8, at 7:30 p.m. The two topics which Miss Caruso will talk on will be The Uses of Diversity, and La Belle Dame in Belles Lettres. This meeting will be held at the Holy Trinity Lutheran Church, 2328 Central rd., Glenview.

The Spares Sunday Evening Club is a non-sectarian, non-profit organization for single, divorced, widowed and legally separated adults. Meetings are held at 7:30 p.m. on the 2nd and 4th Sundays of the month at the Holy Trinity Lutheran Church, 2328 Central rd., Glenview. This club, with 27 different activities, serves residents of Cook, Lake, Kane, McHenry and DuPage Counties. Guests are welcome. For membership information call Betty Zerbe, 724-5720.

MONACEP seminar on divorce

The Maine-Oakton-Niles Adult & Continuing Education Program is featuring a lecture/discussion seminar entitled Matrimonial Law for Laymen on Saturday, Feb. 14, from 9:30 a.m. to 4 p.m. The seminar will be held at Oakton Community College, located at 7900 Nagle ave., Morton Grove. The major aspects of divorce will be covered, including grounds, alimony, property rights, child custody and support, and no fault bills currently pending in the Illinois Legislature. The instructor will be Edward I. Stein who is a specialist in matrimonial law. The tuition is \$15. For further information telephone 967-5821 between 9 a.m. and 4 p.m.

P.W.P. Meeting

North Shore Chapter 378 of Parents Without Partners will meet at 8:30 p.m. Jan. 23 at the Kenilworth Inn, 7110 Lincoln, Lincolnwood.

Overcoming a sense of personal failure which often attends separation or divorce is the topic which will be explored by Dr. Israel Rosenzweig, Ph.D. He is co-founder of the Institute for Psychological Research—a private research, testing and therapy center.

Mikva seeks information on employment plans

Unemployment and national health care are two pressing problems that the 94th Congress has to address in 1976, Congressman Abner J. Mikva told members of his high school advisory board.

This country's high unemployment, and especially unemployment among young people who have few skills and little job training, must be met with more than Congressional hopes that things will eventually get better, Mikva told the young people, who met in the Skokie Public Library.

"Unemployment may be hitting the graduates of Tenth District high schools less hard than in other areas because such a high percentage of students from here enter college or some other type of post-secondary education," Mikva said. "I would be interested in hearing from you, however, on employment trends among graduates of your schools — how many are going directly into the work force from high school and what kinds of jobs they are seeking."

The 18-member high school advisory board that Mikva started shortly after taking office in Jan. 1975 represents high schools from throughout the Tenth District. Mikva told the students Sunday that information about student employment trends would be valuable in formulating federal policies to combat unemployment.

"There are now several bills on the back burner in Washington, including resurrecting a jobs

program similar to the Civilian Conservation Corps which operated so effectively during the Depression and which I favor," the Congressman said.

"We have already increased to 65 weeks from 52 weeks the time period a person may collect unemployment, but this does nothing for the young person who is trying to enter the job market for the first time and who is having little luck."

Commenting on the need for some type of national health care, Mikva reported to the students that every poll taken in the Tenth District indicates that residents rate health care as their most urgent need. "If we get that kind of response in an affluent district like this one, you can imagine the concern nation-wide," Mikva added.

He asked the help of the high school advisory board members on two other projects — spreading the word that women students are now eligible for nomination to the military academies, and encouraging 18 year olds to register to vote.

"I would encourage women high school students interested in the sciences and in a possible engineering career to contact my Chicago office about possible nominations to one of the military academies," Mikva said.

Mikva said he hopes that publicizing the availability of mobile registration units will increase what has so far been the less-than-satisfactory record of 18 year olds registering to vote.

Primary registration deadline Jan. 30

Maine Township Clerk Philip Raffe has issued a reminder to unregistered voters of the township that Friday, Jan. 30, is the last day to register for the March 16 primary election.

Raffe said that as a service to the residents of Maine Township his office will be open Saturday, Jan. 24, in addition to regular weekday hours of from 9 until 4. The Saturday hours, he added, are a service that will make it possible for those who work during the week to register locally.

Raffe said he issued the reminder because of the greater-than-usual interest in the forthcoming primary in which there will be contests for gubernatorial, state, and congressional ballot positions.

Qualifications for registration, he said, are that the registrant must have resided at the registered address for at least 30 days prior to the day of election. Raffe advises recently naturalized citizens who wish to register to bring their naturalization papers with them.

The township clerk's office is located at 2510 Dempster, Des Plaines. For information, call 297-2510.

Maine Demos endorse Howlett for governor

The Maine Township Regular Democratic Organization, as their first official year of business in the New Year, unanimously endorsed Secretary of State Michael J. Howlett as their nominee for Governor. This announcement came from Nicholas Blase, Committeeman, and James Puccio, President of the Organization.

Braeske files for Circuit Court

John O. Braeske, Morton Grove lawyer, has announced his candidacy for Judge of the Cook County Circuit Court in the March 16 primary election.

Judge Braeske, 50, practices law throughout the Chicago area and maintains offices at 6055 Dempster st. in Morton Grove. He attended Lake Forest College and De Paul Law School where he received his law degree.

His judicial experience includes 12 years as Police Magistrate for Morton Grove, sitting as judge in Skokie, Lincolnwood, Evanston, Arlington Heights, Northbrook, Northfield and Winnetka, membership in the Chicago Bar Association and the Cook County Justices, Magistrates and Constables Association.

Judge Braeske is an airplane pilot, WWII veteran, member of the American Legion, the Loyal Order of Moose, and served for two and one half years as a member of the Morton Grove Zoning and Planning Commission. He is a past director of the chamber of commerce and has been active in a wide variety of civic and professional organizations.

His candidacy in the Democratic primary election March 16 is to fill an additional Judgeship covering the entire Cook County circuit. Judge Braeske lives with his wife Susie and four children at 9205 Oketo ave. in Morton Grove.

James named Nimrod treasurer

A Winnetka businessman, Kenneth J. James, has been named treasurer of the Nimrod for Congress Committee, supporting the candidacy of State Sen. John J. Nimrod (R-4th) for the Republican nomination to the Tenth Congressional District.

James is a partner in J. S. James and Co., a real estate development, sales, and management firm, with offices in Wilmette, Barrington, and Chicago. His brother, Edward R. James, also of Winnetka, is a partner in the firm, which is building and developing Lake Barrington Shores, a 500-acre deluxe condominium development in Barrington. Edward James is also a member of the Nimrod for Congress Committee.

The Nimrod campaign treasurer is a graduate of Evanston Township High School and Stanford University, Cal. He holds a law degree from Northwestern University.

"I am pleased and proud to have such an outstanding local businessman handling the fiscal concerns of my campaign committee," Nimrod said. "His successful business activities and his expertise as an attorney make him uniquely qualified to hold the treasurer post."

Kenneth James joins Andrew McNally III, recently named chairman of the Nimrod for Congress Committee. McNally is chairman of the board of the Rand McNally Corp., headquartered in Skokie.

James and his wife Connie live in Winnetka with their three children.

Young commends Congressmen

Samuel H. Young, Republican candidate for 10th District Congress, said today that he wished "to commend those Congressmen who had the fortitude to vote to sustain President Ford's veto of the politically motivated tax cut bill proposed by a fiscally irresponsible majority of Congress."

In a statement issued from his Skokie headquarters in the Skokie Valley Professional Building, Young said that "inflation has been caused by excessive deficit spending for many years. Congress is responsible.

"Inflation is the root cause of our economic problems," he affirmed. "We must eliminate inflation to stimulate employment, provide more housing, and promote production of more goods and services."

Calling the proposed tax cut without a reduction in spending "one-sided," Young said: "The American public is smarter than more politicians think. They will no longer be misled by tax cuts, and they want a reduction of spending to prevent more inflation."

Young said he believed that "short-range cosmetic action" by a "politically-motivated" Congress will "backfire."

He stated: "We need responsible representatives who will provide long-term solutions to our needs."

The Congressional candidate, who resides in Glenview, served in the 93rd Congress during 1973 and 1974.

Marks challenges Berquist statement

Alvin Marks, 9024 Grace ave., Niles, Democratic Candidate for State Representative, 4th District, today took issue with a statement issued recently by Roy Berquist, G.O.P. candidate to the House.

"If Mr. Berquist can recall, the District, as we know it now, was decided upon by the Republican controlled Legislature in 1970 to insure Republican domination of two (2) seats from each legislative district in Suburban Cook County," stated Marks. "The 4th

District, if Mr. Berquist can remember, used to be Maine and Niles Townships. When it became apparent, as a result of the 1970 election, that the Democrats could have conceivably elected both a State Senator and two (2) Members from the House in the 4th District, the Republican Party bastardized this District. So, in all fairness, Mr. Berquist, let's at least keep the record straight as we pursue our respective candidacies. Let's start sticking to the issues that really face the people of this District."

District 67 parents, educators speak out on educational standards

This letter is intended to serve as a reply to the letter submitted by the Parents' Committee for Better Education which appeared Jan. 8, 1976, in your publication:

We are parents for better education and one of us is a teacher currently employed in District 67. While we are proud of the education that our own children are receiving in another district in Niles township, we are equally committed to the high standards and the quality product which this district turns out.

We, as parents, do not owe our children happy childhoods, just as we do not owe them candy bars each day when we know that balanced diets produce healthy adults. What we own our children is the training to develop their own resources as far as possible in preparation for the time when they will be decision-makers in the world which we will never know. They need to have the opportunities to learn responsibility, how to find the answers, how to admit their mistakes (as we must admit ours) and how to be independent in a world which is not kind nor thoughtful nor encouraging.

Not fair? Life isn't fair. Today is always a better day than tomorrow. We owe it to our children to prepare them to meet

tomorrow's challenges, not forgetting the importance of all our today's. The happiness we wish our children comes from inside, not outside. Each of us has had a problem. The real test is: Can we handle it or does it consume our lives? We must prepare our children to face unknown futures.

Our job, as parents and teachers (the parent is the first teacher a child knows), is to help each child learn about himself and how to live with his talents and his problems.

Some children may indeed count by rote to 20 at age three — but do they know the quality of 20? And the letters of the alphabet — research has shown that knowing the sounds of the letters is a far more important skill in learning to read. How many three-year-olds are ready for the complex task of building sounds into words? None, if we follow the teachings of renowned Swiss child development expert, Jean Piaget. Educators, as David Elkind and Benjamin Bloom, maintain that we should emphasize feeling good about one's self and, in turn, about others rather than to force feelings of inadequacy on children who are not physically and emotionally mature enough to process the

complex skills needed for academics.

The critical skill necessary for successful reading is facility in understanding and expressing language, which comes only through experience in communicating with others.

University of Illinois researcher Merle Karnes compared the five types of pre-school programs existing in the United States. Two of these were found to produce significant changes in the ability to cope with school expectancy when all the children in the study were tested after two years. Both of these programs stressed developmental language concepts; the materials on which these programs are based are used in District 67.

In District 67, we have developed a reading program in which every child has learned to sound out and comprehend printed material at grade level by the time he has completed second grade. Is that not competence? Teachers did that — together with your children. Science Research Associates, Inc. has formally recognized this in a nationally distributed pamphlet in their series Success Stories in Illinois.

In District 67, state mandates for developing curriculum in new

areas are completed well in advance of deadlines ... by teachers who serve on committees for which they do not receive extra compensation. Is that not dedication?

We sympathize with the plight of the citizen who has a fixed income (all are not seniors) and hope that the state legislature will take some steps to relieve the financial burden which he/she bears. Your elected officials can help them.

We, however, as parents and taxpayers, must repay someone for the education which we were given, as our parents paid for theirs. The schools which our children have attended were built long before they reached kindergarten age. It is our debt — as it will be theirs when they are grown.

We agree that we must not use the children. They cannot vote for themselves. We must choose for them.

Dr. and Mrs. Lewis W. Mayron

Pleased parent of Dist. 67

To the taxpayers in District 67: So much has been printed, said, and implied lately about the quality of education our children are receiving in District 67 that I, as a taxpayer and parent of school age children, feel obligated to write this.

Of my six children, three have graduated from District 67 and three are still attending schools in this district. My senior at Niles North is an Illinois State Scholar and a National Honor Society member, my junior is carrying a 3.6 grade point average, and my freshman is a 'B' student. The education they received prior to entering high school was in District 67 schools. If the education in our district is not quality education, would someone please tell me just what it is? Quality is defined as "a degree of excellence". When I see what my children have accomplished with the help of District 67's education, I can only say that it is a "degree of excellence". Perhaps the child who has not done so well is one who will never be able to. Not all children learn at the same pace — some will never achieve for one reason or another, but is this the basis to compare our educational values? I will not compare my children with each other for this reason.

If some program changes are made or class sizes made larger where our children will not receive the individual attention they are now getting, we will have no one to blame but ourselves. God help us for taking out our petty gripes against another individual by denying our children coming up in grades the same opportunities their older brothers and sisters were given. I am not asking for more, only to keep what we have.

Sincerely, Rita Loveless

To All District 67 Parents:

As parents, I'm sure you want to really understand the truths and implications of the issues at stake in District 67. I too, as a parent, but also as an educator, want children to be happy. In fact don't we all have the inalienable right to be happy? But what do you understand a happy child to be? Is a happy child one who is able to do what he wants, when he wants, or is a happy child one who learns there are things to strive for and achieve. With these acts he derives the feeling of self-esteem that makes him believe he is a worthy person. If your definition of a happy child is the former then I agree with your claims that District 67 does not provide this kind of happiness.

However, if you prefer the latter definition then District 67 is providing at present the opportunities needed for your child to acquire the skills and tools necessary to achieve happiness. Please remember, like any right, happiness has contingent duties. In this case they are dual. The parents must establish the human and financial conditions and the teachers must establish an environment that brings potential into being.

Another generalization I wish to address is the statement having to do with the loss of eagerness on the part of students to learn and that this loss is the fault of the schools. While I admit that some students do not like school, the majority do. However, let me give you a theory on why it appears that younger children are more eager to learn. Children from ages 2-7 are in a stage of development where pleasing adults is all important. So any task that is laid before them and elicits adult approval is worthy of attention. As the child grows older the principle adults in his life, mom, dad and teachers, become less important and social groups and peers become more the focal points of approval. Any parent knows how much the pre-adolescent and adolescent years are froth with peer and authority figure concerns.

I believe all children go thru a time when school becomes secondary and they appear less eager, but don't we all change our priorities? The important thing is that the parents and the school work together to reestablish the motivation to learn. One last point I feel compelled to rebut is the accusation that our children have less than acceptable skills. I will be happy to show any interested community member computer printouts from last year's Stanford testing. Let it suffice to say that they are more than acceptable in every area.

I will close by saying I appreciate your concern for better education; however, remember your definition of better may be different than your neighbor's down the street. I would also urge you to examine closely issues which seemingly have simple answers, and to check your facts.

Golf Mill 'Ringing in Freedom's Future'

Golf Mill State Bank presents a unique Bicentennial display featuring a "ringable" Liberty Bell. This authentic replica in 3/8 scale is a product of the I. T. Verdin Company which has also produced America's new Freedom Bell, a double-scale, 8 1/2 ton Liberty Bell now being carried cross-country on the Freedom Train. The large replica will become a new national monument; however, the smaller replicas are being produced in limited edition for private purchase.

Each is created individually in the same bell bronze and at the same bell foundry that produced America's Freedom Bell. Even the mounting hardware is magnificently reproduced in exacting detail. The bell is mounted on a yoke of handcrafted, slippery elm and the frame from which it hangs is precisely sculptured with the same intricate filigree design as the original Liberty Bell. The bell can be swung to ring loudly or struck with the clapper for a softer ring. The simulated crack cast into its surface does not impair the fine tonal quality. The attractive, free-standing unit is portable and can be used in parades and be transported for display in various locations. As a bicentennial project, its symbolism is two-fold, since it is a replica of both the Liberty Bell and the new Freedom Bell.

Skinner is Bar Association speaker

The United States Attorney's Office—Past, Present and Future—is the topic the man who fills this key position will discuss on January 14 in Des Plaines.

U.S. Attorney Samuel Skinner will be the guest of Northwest Suburban Bar Association Wednesday night at the Elks Club, 495 Lee St. Social hour begins at 6:30 p.m., with dinner scheduled for 7:30.

Reservations are required by calling NWSBA's executive office in Mt. Prospect, 253-2562. Skinner inherited the federal prosecutor's post from former U.S. Attorney James Thompson last summer and has maintained the aggressive pace of investigations and prosecution that his predecessor established. He was named Thompson's top assistant in December, 1974, and before that headed the Special Investigations Division since 1971.

His appearance before the 400-plus member Northwest Suburban Bar Association is expected to draw one of the largest crowds of the season, according to the organization's president, attorney Robert A. Bush of Mt. Prospect.

Prudential promotion

John C. Schmitt was recently promoted to sales manager in Prudential's Lake View district agency, located in Lincolnwood, at 6600 N. Lincoln Ave. Formerly an agent in the district, he lives in Morton Grove (9045 N. Oconto).

District Agency Manager Leo J. Santori, CLU, said that Mr. Schmitt began his Prudential career in September, 1962. A 1955 graduate of Lane Technical High School, he received an associate arts certificate from Wright Junior College in 1958.

Mr. Schmitt and his wife, Patricia, are the parents of two daughters, Anne and Mary Ellen, and a son, John W. Schmitt.

Letter to the Editor:

Niles Township residents may recall that for 2 years I have been trying to obtain custody of all Niles Township records. By law, the Township Clerk is required to keep all of the records of all monetary expenditure as well as all other records. Access to documentation relating to general assistance expenditures and to other records vital to the administration of Township Government have been withheld from me by a majority clique of the Township Board.

District 67

To: The Board of Education District 67, The Superintendent, Parents of District 67

We the undersigned parents would like to state our position on the situation which is presently occurring in District 67.

Allegations have been made that our students are leaving District 67 with less than acceptable skills. Anyone who had taken the time to check our children's standardized test scores would have seen that all children in regular classrooms are able to read at their chronological age level. There will be no need for a remedial reading teacher if we maintain our present programs.

In June of 1975, when the achievement awards were presented at Niles North, District 67 freshmen received 19.8% of the honors for High Achievement, which is a 3 to 3.5 grade average and 30% Very High Achievement which is a 3.5 to 4.0 grade point average. We send approximately 19% of the students into Niles North. Obviously our children can compete. Further, the most recent ACT scores and high school achievement scores showed that 17 out of the 100 students living in Morton Grove, who were named Illinois Scholars by the Illinois Scholarship Commission, received their primary education in District 67.

We are in favor of maintaining our District 67 programs at their present levels. The above statistics certainly show that we are giving our children a "quality" education.

We are aware that in light of the present declining enrollment it may become fiscally irresponsible to maintain three schools in the future. The present school population could in fact be housed in two schools. However, it is our understanding that there would not be available space to maintain the reading and math programs as they now exist. We know that all children do not learn in the same manner, and therefore to go to a situation that existed in education 10 years ago because of the loss of space needed for these special programs, would indeed be an injustice.

May we suggest that a committee be formed, including administration, faculty, parents and non parents to study all facets of a school closing and make a recommendation one year from now, in the event that the economic picture should improve and the legislature restores monies that we have lost.

If you feel that cuts must be made at this time, regardless, we would like to see a survey made in the community, as to which programs they feel should be dropped. The results not to be binding on the board.

Sincerely, Rita Loveless, Judy Kochman, Joan Dechert

Black charges 'majority clique' withholds records

ment have been withheld from me by a majority clique of the Township Board.

Despite the best efforts of Auditor Marjorie Sherman and myself, these records remain hidden from public view. Until now, I suppose that a few people who do not know the full story might simply excuse the majority's prima facie violation of State Law on political motivation.

The reason for my struggle to obtain access to these records has become all too obvious. Three years since the last election, the name of the previous Supervisor of Niles Township still remains the only name on a savings account certified to make withdrawals! The number of savings accounts not accounted for as well as who has been making withdrawals is a secret to all but the majority clique on the Township Board.

Surely, with Sunshine laws now in existence at the Federal and State levels — requiring that the public have knowledge about the administration of their affairs — surely, the blatant violation of these principles of open Government not only deserve legal censure but moral outrage.

The failure of the majority clique to turn over the records to my office so that the traditional operation of checks and balances can function is bad enough. Failure to protect the taxpayers' money by removing unauthorized persons from a savings deposit withdrawal comes close to crossing the line between sheer incompetence and outright malfeasance.

The taxpayers should look with jaundiced eyes upon proposals for issuance of tax anticipation warrants. Surely, no borrowing

should be done until the majority makes all records available to the Township Clerk's office for public scrutiny.

The recent activities of the majority clique on the Township Board with respect to my salary and some of the charges they have made with respect to the administration of my office have been a convenient smokescreen. It is important to remember that when I am charged with being "obstructionist" that charge has only one tiny kernel of truth; I am trying to obstruct the activities of a few self-interested individuals acting in disregard of law and of the public's right to know and from carrying out secret deals to the detriment of the people of Niles Township.

Sincerely, Louis Black, Clerk of Niles Township, 5255 Main St., Skokie

"Gold Rush at St. Juliana's"

St. Juliana's Parish, located at Touhy and Oscoda Ave., proudly announces the third annual "Gold Rush Festival". The "Festival" nights will be held on Friday, Jan. 30th, and Saturday, Jan. 31st. The Festival will be held in the Parish Hall and Gym, and the doors open each evening at 8:00 p.m.

The "Gold Rush" is a parish-sponsored event, and it features many different games-of-chance played for prizes. Three "live" shows will be presented each evening as well, and food and drink will be available throughout the Festival.

A large committee of parishioners have been planning the "Gold Rush" for several months. The "Gold Rush Players" have been rehearsing for quite some time as well. In addition to the games-of-chance, the entertainment and the refreshments, the "Gold Rush" will culminate with the Grand Raffle, to be held at midnight on the 31st. The Raffle features 15 cash prizes, totalling \$1,000.

The Casino opens for your

pleasure at 8:00 p.m. each evening, and admission is free. A slight fee will be charged for the shows. The public is welcome. All are invited to try their luck.

New Perspective

Meet hundreds of new people when New Perspective, the non-profit social organization for single professionals and executives 25-50, holds a musical mixer-mingler Sunday, Feb. 8, 7:30 p.m., at Circus, Circus, 8832 W. Dempster, Niles. Visitors are encouraged to attend. Admission is \$3.

A donation from the proceeds of this event will be made to the Israel Emergency Fund. According to President Randall Schakner, New Perspective donates funds to worthy charities on a rotating basis. Its officers are all unpaid volunteers.

For a free listing of coming events, send a stamped, self-addressed long envelope to: New Perspective, 9462 Bay Colony Drive, Des Plaines, 60016.

ED HANSON

"The Saga of Turk"
"The Jerk"

I haven't seen Turk, the jerk, for 31 years. I figured he must be dead. But surprise! While watching the last 4 minutes of the best Super Bowl game ever I spotted Turk at the bar in the huge lounge of the O'Hare International Hotel.

How could I miss him. The Turk, with his big handle-bar, black, fierce mustache stood head and shoulders over every guy in the joint. For the Turk is 6'7" and tips the scales at over 400 lbs., and he still ain't fat!

"Hi, Red," he said to me as we shook hands. "You still look sharp."

"So do you Turk — how's things?" I asked.

"Okay. Good game, huh?"

"I just came in, Turk."

"Got a bet, eh, Red?"

I nodded, glancing at the big TV screen with a worried expression:

"Who yuh got?"

"The Steelers, Turk."

"You got a winner. Have a drink!"

IN THE OLD DAYS of the late thirties and early forties, Turk had an unusual occupation. He was a free lance collector available to anyone who required his services on a 20% basis, plus expenses. Like the famous attorneys then known as the B-boys who never lost a murder case, Turk had the rep of never failing to collect a just and overdue debt.

It wasn't only his awesome size, but his face looked like a Clydesdale horse stepped on it and his huge expressionless face with the flowing, black handle-bar mustache would have caused even a guy like Dick Butkus to turn pale.

HE ONCE THREW A CHARACTER who was big and tough called The Ox right thru a plate glass window in a small 12th st. pub.

When I was in the slot and gaming machine business I first met the Turk at the annual coin machine show held every January in the old Sherman Hotel which, like many of the 'boys', is now gone.

The strange thing is that the Turk was really a gentle soul who had only gone to the 6th grade but he admired class and aspired for the finer things of life. What endeared me to the Turk was that I helped to teach him English and the meaning of words. I even escorted him to night school at Wieboldt Hall at Northwestern University at Chicago and the Lake. For this he was forever after grateful and with a firm and loyal friend like him I never worried about enemies.

AND EVEN STRANGER was the fact that the Turk once told me that he had never harmed anyone except a few tough guys who were slightly close to his own size. Mostly, all he had to do was request payment of the valid debt and people paid — and quickly, too. In extreme cases the Turk would contrive to get you up on the 33rd floor of some large building, open the window, hold you out by one of your ankles and say, "If you don't pay, next time I let go!"

And the ending of this true story is that Turk the jerk (when he held you out the window he jerked you up and down a couple of times and that's how he got his monicker) is now retired from the hectic life. He makes his living now, strange as it may seem, by selling BIBLES, the world's best selling book.

LaRay's Executive Caterers (formerly the Elbow Room), 7225 Caldwell, Niles, is holding another of their gala over 25 dances on Saturday, Jan. 24. There'll be live music by a good band, free champagne (drawing every hour) a de luxe buffet "All-You-Can-Eat" for 5 bucks, a cash bar (mixed drinks \$1.25, beer a buck) and fun for all. If Saturday night is the loneliest night of the week go to LaRay's "Over 25 Dance".

Incidentally, Ray is one of the finest gourmet caterers in the world, having catered affairs for three Presidents of the United States — EISENHOWER, TRUMAN and NIXON. At the Nixon bash he served more than 10,000 people. So you know the food will be great. So even if you don't dance, ladies, you can kill two birds with one stone. One, ladies, you can enjoy a gourmet dinner and you can also learn to dance. For I'll be there and I'll teach you.

Jake is offering free ice cream Jan. 26, 27, 28 and 29 — that's Monday thru Thursday — with any of his "All-You-Can-Eat" specials. See Jake's ad in this section of all Bugle newspapers.

See you next week.

"The Birthday Party"

Once upon a time the Chicago Group Theatre Company presented fine dramatic offerings on Monday nights at the Country Club Comedy Theatre to an appreciative audience which was growing with each successive performance. Its first offering *On Borrowed Time* which opened in October of 1975 was playing to ovationous audiences and critical acclaim when it had to close because its producer/director Mike Sims lost his lease on the Theatre.

However, on Monday, Feb. 9, at 7:30 p.m. Country Club Comedy Theatre will present *Country Club Showcase Theatre*. The opening production will be Harold Pinter's *The Birthday Party*.

The Birthday Party is a mood piece about a man running away only to have his past catch up to him with horrifying results.

Under the direction of Kent Monken, the Country Club Showcase Theatre will be presenting a dramatic change of pace to our regular season of comedies.

The Birthday Party will run every Monday at 7:30 indefinitely. Admission will be only \$2.50. For reservations or information phone 398-3370.

Orchard Village Art Auction

An art auction put on by the Sills Gallery, Saturday, Jan. 31, will benefit Orchard Village. The event will start at 7:30 p.m. at the Molloy Education Center, 8701 N. Menard, Morton Grove, and there will be no admission charge and no purchase will be required.

Orchard Village is a newly opened community living facility for retarded young adults from Niles and Maine Townships, purchased at a cost of more than \$500,000 by the Orchard Association for the Retarded, to meet a community need. Orchard Village is still working to retire that initial debt.

ETHNIC FOOD GUIDE

Ethnic Fair to be held at The Century

Theater is coming back to The Century in what promises to be one of the most colorful, fast-moving productions, playing to capacity audiences.

An Ethnic Fair, involving volunteers from all parts of the greater Chicago area, from all kinds of national backgrounds, will be presented Friday evening, Jan. 30, and Saturday and Sunday afternoons, Jan. 31 and Feb. 1, at The Century, 2828 N. Clark st.

The public is invited to attend. There is no charge. The Century, which was transformed into a gallery of shops created along winding ramps that are set off by theater-like lights, was originally a famous landmark in the area, the old Century Theater.

During the Ethnic Fair, on stage in the center court will be

Japanese classical dancers in their stately robes, Irishmen in kilts playing and dancing the hornpipe, jigs and reels, French dancers in provincial Basque, Normandy and Alsace-Lorraine costumes, Polish youngsters whirling in trios to the fast Trojak,

Ukrainian singers, guitarists and dancers, Lithuanians stepping out in their colorful garb, and Bohemians performing the ancient traditional Cezna Beveda dance.

All this will take place against the wafting aroma of foreign baking and cooking. The volunteers will sell French croissants, cheeses and pate. There will be Irish soda bread, Japanese cookies, kolacky, strudel, rohlicky nut cookies, and many other kinds of food delicacies, which will be sold to benefit local churches

Mitchell Andrews to play "The Subject Was Roses"

successful shift to an early evening downbeat, all the performances will again begin at 7:30 this season.

Mr. Crafton and the orchestra will open the program with Rimsky-Korsakoff's "Capriccio Espagnol", a five movement orchestral suite played without pause and unified by the repetition of the first theme. The featured violin solos in this composition will be played by concertmaster Joseph Glymph.

Next, Mitchell Andrews will perform the Prokofiev Third Piano Concerto, a virtuoso work highlighted by the variations which comprise the second movement. The first performance of this concerto was presented in Chicago by the composer with the Chicago Symphony Orchestra in 1921.

The second half of the concert will be devoted to Tchaikovsky's Symphony #2 in C minor, a melodic, romantic piece with rhythmic drive. This symphony is often called "The Little Russian" because of the Russian folk theme used in the last movement.

Season tickets, \$7.50 for the remaining three concerts, or single tickets at \$3 may be purchased by contacting Mrs. Ann Butler at 631-6132 after 6 p.m. Student admission and Golden Ager admission are \$1.50. Children under 12 are admitted free if accompanied by an adult.

Leyden Reunion

The Leyden Community High School class of '51 (Now East Leyden) will celebrate their 25th reunion in August of this year. Ed Smoczynski, of Franklin Park, is in charge of alumni information and asks for the help of local readers to locate the whereabouts of former class members.

Reunion arrangements are being handled by Mr. and Mrs. Al Russell of Berkeley, and Mr. and Mrs. Don Meseth of Des Plaines.

Area readers who are able to assist in locating Class of '51 Alumni are asked to forward that information to Ed Smoczynski at 9811 Schiller, Franklin Park, 60131, or contact Don Meseth at 647-7450.

By day she's assistant vice president, director of personnel, internal services and training manager for Pioneer Bank & Trust Company, 4000 W. North ave., in Chicago.

But at night she trades budgeting, management seminars and data processing systems for the lure of grease paint and footlights. The efficient and versatile lady in question is A. J. Riegler who is currently appearing at Guild Playhouse in Des Plaines as Nettie, the mother, in Frank Gilroy's moving drama The Subject Was Roses.

Miss Riegler was formerly a high school dramatics teacher before entering the banking profession, but her love of theatre has been with her from girlhood thru college and community theatre activities in Ohio, New Orleans and New York City before she came to Chicago suburban acting and backstage roles. She has done radio and television commercials, starting in Cleveland at age eight, attended American Academy of Dramatic Arts in NYC, and took 27 hours of Masters work in direction at Hunter College.

During the 1974-75 season she conducted the acting workshop for Des Plaines Theatre Guild, and onstage at Guild Playhouse she has appeared in South Pacific, Forty Carats and The Night Thoreau Spent in Jail prior to her current role in The Subject Was Roses.

A. J. has also appeared in the musicals Company and Camelot (playing the lovely Guenevere) for Music On Stage of Mt. Prospect.

Her role in The Subject Was Roses calls for A. J. to portray an icy, encased wife who has possessively battled her husband for years for the allegiance of their son. Only three actors appear in the drama, with the husband, John, being played by David R. Elvart, and the son just returned from Army service in World War II, portrayed by John Schlie, Jr. The play is directed by John C. Converse, for 26 years Director of Dramatics and professor of Drama at Lake Forest College.

Final performances are Friday and Saturday, Jan. 23 and 24, at 8:30 p.m. and tickets may be reserved by calling the Guild Playhouse box office, 296-1211, between noon and 8 p.m. daily except Sunday.

"The Crossroads"

The Country Club Comedy Theatre Children's Playhouse is currently featuring The Crossroads thru March 14 on Saturday and Sunday at 2 p.m.

Crossroads is an audience-participation play which centers around four great powers, which are constantly at war with each other. There is the Cold Queen of the North, the Scientist of the South, the Proud Bird of the East, and the Mighty Monster of the West.

The crossroads, ruled by the Spirit of the Signpost, is neutral territory. The Spirit, along with a passing tramp, try to convince the other powers to live in peace. General admission is \$1.75 per person.

On Feb. 7 all handicapped children groups will be admitted for a special price of \$1. On Feb. 14 all Scouts will be admitted for the same special rate.

To make your reservations now, or for more information, call 398-3370 today.

Film selection focus on American values

Basic American values and major time periods in American history characterize the Moments to Bicentennial theme chosen for the spring film series sponsored by the Oakton Community College Film Society in conjunction with MONACEP.

OCC Film Society presentations are held on Friday evenings at 8:15 p.m. in Building 6 on the Oakton Interim campus, Oakton and Nagle, Morton Grove.

The film series is supported by the Oakton Community College Board of Student Affairs. Admission is free to OCC and MONACEP students; a 50 cent donation is requested of others.

Discussion of the films which range from a 1915 silent movie classic to a 1974 box office success, will be held following each feature. The public is welcome to attend.

Scheduled for the Spring series is as follows:

Jan. 30 - The Birth of a Nation (1915), directed by D. W. Griffith, starring Lillian Gish and Raoul Walsh.

Feb. 6 - The Northwest Passage (1939), directed by King Vidor, starring Spencer Tracy, Robert Young, and Lorraine Day.

Feb. 13 - How the West was Won (1963), directed by John Ford, starring Spencer Tracy, John Wayne, and Carroll Baker.

Feb. 20 - The Magnificent Ambersons (1942), directed by Orson Welles, starring Joseph Cotton and Agnes Moorehead.

Feb. 27 - Some Like It Hot (1959), directed by Billy Wilder, starring Marilyn Monroe, Jack Lemmon, Tony Curtis.

March 5 - Greed (1925), directed by Erich von Stroheim, starring Gibson Gowland, Zasu Pitts, and Jean Hersholt; and The Dentist (1932), directed by W. C. Fields.

March 12 - Mr. Smith Goes to Washington (1939), directed by Frank Capra, starring James Stewart, Jean Arthur, and Claude Rains.

March 19 - The Philadelphia Story (1940), directed by George

Cukor, starring Katherine Hepburn, Cary Grant and James Stewart.

March 26 - Knock on Any Door (1949), directed by Nicholas Ray, starring Humphrey Bogart and George Mac Ready.

April 2 - Body and Soul (1947), directed by Robert Rossen, starring John Garfield and Lilli Palmer.

April 23 - Dr. Strangelove: or How I Learned to Stop Worrying and Love the Bomb (1964), directed by Stanley Kubrick, starring Peter Sellers and George C. Scott. Also The General (1926), directed by Buster Keaton.

April 30 - Fat City (1972), directed by John Huston, starring Stacy Keach, Jeff Bridges, and Susan Tyrell.

May 7 - Chinatown (1974), directed by Roman Polanski, starring Faye Dunaway, Jack Nicholson, John Huston.

Oakton to offer music history course

Camille Smith, will teach Music of the USA, a three-credit Oakton Community College class to be offered at the Morton Grove Public Library this spring semester.

An introductory course centering on the musical development of folk, popular, and art music in the United States from colonial times to the present. Music of the USA surveys psalmody, concert life, European and African influences, and the social conditions that produced the first "popular" music from ragtime to jazz.

Ms. Smith has a baccalaureate in music from Millikin University. Her master's in music from Roosevelt University emphasized music theory, musicology, and piano. "Songs of Charles Ives" was the title of her master's thesis.

Music of the USA (MUS 145-50) will be taught at the Morton Grove Public Library on Wednesdays from 6:00-8:50 p.m. in the downstairs meeting room.

An extension of Oakton into the surrounding communities enabling local residents to attend college without traveling to the interim campus, the class is open to all residents of the college district. Open registration on campus, 7900 North Nagle, Morton Grove, will be held January 12 and 13. Additional information about registration is available by

contacting the College Admissions Office, 967-5120, extension 392. Tuition for in-district residents is \$12 per credit hour; senior citizens (sixty and over) are charged half the tuition rate. The first meeting of Ms. Smith's music class at the Morton Grove Public Library is January 21, 1976.

Niles West's Bart Conner flips for Olympics

To be the best gymnast that he can be has been Bart Conner's goal for the past 8 years. He took another giant step in that direction recently when he was selected to help the United States qualify itself for the 1976 Olympic Games. To do this the United States must compete in two international meets as required by the new international rules. These new rules stipulate that beginning in 1976, only 12 countries will be allowed to enter gymnastics teams in the Olympics, six of which will be automatically qualified because they are the top six scorers in the World Games. There being a total of 18 countries wanting their teams to be in the Olympics, however, this leaves the other 12 scrambling to qualify themselves for the remaining six spots. These countries must, to qualify themselves, compete in two international meets, one conducted at home and one conducted on

foreign soil. And the average score of these two meets (compulsories and optionals) must be 525 or better (which requires an average individual event score of 8.75 from each team member).

Thus, Conner will compete for this country in the USA vs. Canada Meet on Feb. 6-8 in Toronto and in the USA vs. Romania meet to be held at the University of California, Berkeley, on Feb. 27-29.

Conner's next giant step begins in March when he and his coach, John Burkell, must concentrate their efforts on his individual qualification for a spot on the 1976 US Olympic team. "It's almost ironic," said Burkell, "that after, hopefully, helping to get the US qualified to participate in the Games, Bart will still have to fight for a spot on the team which eventually does participate in them."

Meanwhile, Conner flashes his "I'm ready to try" smile.

SJB Open House

Reading, writing and arithmetic are no longer "taught to the tune of the hickory stick" but in heterogeneous groups, with audio-visual aids and individually guided supervision. These subjects as well as many others will be demonstrated at the Open House at St. John Brebeuf School, 8301 N. Harlem, Niles, on Monday and Tuesday, Jan. 26 and 27, from

8:45 a.m. to 11:30 a.m. The school has an enrollment of 845 students under the guidance of 35 full time faculty members plus a variable number of student teachers, para-professionals and many volunteer aids. All members of the Niles community are cordially invited to visit classes and see the school in operation.

NDHS wrestling tournament

Notre Dame High School, 7655 Dempster St. in Niles, will host its 5th sophomore wrestling invitational tournament in its gym on Jan. 24. The preliminaries and quarter finals will take from 11 a.m. to 3 p.m. The semi-finals are scheduled from 3:30 p.m. to 5 p.m. The consolation finals will be at 6 p.m. with the championship finals beginning at 8 p.m. The eleven teams entered besides ND are Buffalo Grove, Conant, Elk Grove, Forest View, Holy Cross, Irving Crown, Maine East, Maine South, Prospect, Sheppard and Willowbrook.

Students will pay \$1 for each session or \$1.50 for a tournament pass. Adults will pay \$2 a session or \$3.50 for a pass.

Single elimination will be used with the losers in the semi-finals wrestling in the consolation finals. Team trophies will be awarded for first, second, and third place winners. Individual awards will also be given for first, second and third place winners.

Members of the ND sophomore wrestling team are Mike Abbate of Chicago, Stan Babiez and Pat Brand of Glenview, Mike Burke of Lincolnwood, Jim Donnelly of Chicago, Steve Duffy of Morton Grove, Tom French of Chicago, Frank Majeras of Morton Grove, Tim Morvay of Niles, Mark Niccoli of Park Ridge, George Pahos of Chicago, Steve Radler of Skokie, Gary Rang of Chicago, Jerry Ruzkowski of Niles, Jeff Stearnes, John Strauch and Ron Tzourmas of Chicago. The sophomore coach is Jim Rotunno who

also teaches biology in the Science Dept. The tournament director is head wrestling coach Jon Schaus.

In the program at ND are also five seniors, 15 juniors and 30 freshmen.

On Jan. 31 the varsity will wrestle La Grange, West Leyden and Maine East at Maine East starting at 1 p.m. The East Suburban Catholic Conference Varsity Tournament will be on Feb. 7 at Holy Cross High School in River Grove located at 80th ave. and Belmont. The ESCC sophomore tournament will also be at the same school on Feb. 8 at 11 a.m.

On Feb. 13 and 14 members of the varsity will be in the IHSA District Tournament to be held at Ridgewood High School at 7500 W. Montrose in Norridge. The starting time on Friday night will be at 6 p.m. and on Saturday at 1 p.m. Notre Dame has been assigned to the Sectional at West Leyden High School at 1000 N. Wolford in North Lake. The IHSA State Wrestling Finals will be at the University of Illinois at Champaign on Feb. 27 and 28.

On Jan. 16 the ND varsity beat St. Francis de Sales 31-20 and the sophos also won 36-30. On Jan. 17 the ND varsity lost to Niles West 33-19 and the sophos lost 53-15. Double winners on the varsity were Bill Reinhardt (126 lbs.), John Delanty (119), Rick Romano (138), and Marc Romano (155). The ND varsity is now 3-2 in the ESC Conference and 9-6 overall.

Casey now NDHS head football coach

Rev. Milton Adamson, C.S.C., Principal of Notre Dame High School in Niles, has announced that Bill Casey of the faculty is the new head football coach. He replaces Fran Willett whose resignation was effective on Nov. 1, 1975, and who will remain at the school as head of the Physical Education Dept.

Coach Casey is a 1955 graduate of St. Peter High School in Mansfield, Ohio. He obtained his B.S. degree in biology from the University of Notre Dame in 1959 and joined the NDHS faculty that September. In addition to teaching a full schedule of biology classes, he began assisting the swimming teams at NDHS in 1960 and became head swimming coach in 1965. He coached the freshman football teams in 1962 and 1963 and was sophomore football coach in 1964. From 1965 to 1973 he was the varsity offensive coordinator. In 1974 he was the sophomore coach and in 1975 he coached the freshman football team again. He is presently serving on the Executive Board of the Illinois Swimming Assn. and is chairman of the All-State Swim Committee. He obtained his MA in 1973 from George Williams College in Downers Grove. He has been full time in the Physical Education Dept. since 1969. Father Adamson made the final selection from a total of 34 applicants. The preliminary work was under the direction of a committee headed by Rev. Thomas King, CSC, Athletic Director.

Paderewski Polish School new Niles community addition

Classes in the Polish language and the Polish culture are being offered to school children in the Niles community. Right now we have an enrollment of 60 children ranging in ages from 7 years to 18 years. Classes are divided into groups of non-speaking and speaking and reading Polish. Classes are held on Saturdays, 1 to 3:30 p.m. We have qualified teachers with diplomas. Parents who wish to have more informa-

tion about our school please contact Mrs. T. Sokolowski at 965-5675 or Mrs. J. Roszak at 235-2323.

At this time parents of Ignacy J. Paderewski Polish School wish to express our sincere appreciation to Mr. T. Przybylo and to Mr. R. Haczak for extending their help to us in organizing the school and also for the financial support for which we are deeply grateful.

SCOUT NEWS

Campfire Girls' Square Dance

To the exciting sound of a country fiddle and the call "Allemand right and do-a-do", the Maine Niles District of Campfire Girls will swing their father partners at the district's first Square Dance on Jan. 26 at 7:30 p.m. at the Jefferson School, 8100 N. Greendale, Niles.

The well known Russ Miller will do the calling and instructing. The dance is for Adventure, Discovery and Horizon level girls (4th thru high school grades) and refreshments will be included in the festivities. In charge of the "hoe down" is Mrs. Ramona Liebsch, Prospect Court, Niles, 698-3462.

Cub Pack 62

Pack 62 held its December pack night and Christmas program on Dec. 19, 1975, at the Niles Community Church. The evening consisted of a combination pack night and Christmas party and was enjoyed by all.

Two new scouts, Tony Godeman and Marc Goldstein were inducted into the pack. Mrs. Sharon Hayes was inducted as a den leader. The Webelos were very busy this month earning many badges. Brookfield Zoo patches were given to the scouts who

attended the Pack 62 outing to the zoo.

After singing some Christmas songs, the evening ended with the annual visit of Santa Claus who had a gift for every good scout. Delicious treats were provided by the mothers of Den 7 scouts.

On Dec. 20, the cub scouts and their families visited the Regency Nursing Centre at 6631 Milwaukee ave. for an afternoon of holiday singing.

A Happy New Year to all from Pack 62!

Thunderbird District

Thunderbird District, BSA first aid meet will be held on Wednesday, Jan. 28 at Golf Elementary School, 9350 Oak Park, Morton Grove at 7:30 prompt. All patrols must arrive by 7:15.

Scouts are taught to treat massive arterial bleeding, stoppage of breathing, poisoning and shock till a Doctor can arrive.

Judges for the events will be senior scouts from various troops, Explorer Units, and the Order of the Arrow Chapter.

Ten realistic practice problems were issued and two similar ones will be judged on January 28. All problems will be on skill awards

and first aid merit badge requirements. All units are requested to send as many patrols as possible. The first aid meet is primarily an incentive to scouts to improve their ability and skill in any emergency. Your first aid knowledge may save a life.

Thunderbird District covers all of Niles, Morton Grove, and portions of Skokie, Park Ridge, Des Plaines, and Glenview. Any Units in these areas interested in participating in January 28th first aid meet at Golf School please call Ralph Kozony of Niles at 966-5338.

Pack 273 outing

Cub Scout Pack 273 is delighted to announce that its monthly activity for January will be held at the Axle Skating Rink in Niles on Sunday, Jan. 25, at 1:30 p.m. Our

monthly activities are planned so that our member families can participate and have a lot of fun together! We are looking forward to a fun afternoon.

Holy Family computerizes Cardiac unit

Holy Family Hospital has become the first hospital in the state and the second in the nation to have a computerized monitoring system for patients in its new Cardiac and Intensive Care Unit.

Called the Arrhythmia Detection and Monitoring System, its computer is capable of monitoring and detecting the slightest deviation in the heart activity of up to 16 patients simultaneously at a centralized location.

If a minor change occurs in a patient's heart pattern, an alarm sounds at the nursing station. At the same instant, a printout is produced of the individual's heart activity. The alarm and printout quickly alert the nurse to the patient's condition and eliminates the need for her to visually monitor each of the patient's heart trends.

The computerized system enables nurses to give each patient more personal, quality care and to react immediately to patients' needs.

At the nursing stations, two

screens similar to TV screens and a special keyboard to operate the computer system have been installed. One of the screens gives an overview of the status of all patients and the other displays detailed information such as heart rate trends on one patient over a specific time interval. Through the use of the keyboard this screen can provide more medical data on a patient than otherwise could be obtained. This information is updated every 15 seconds.

Data on a patient that has been programmed into the computer can be recalled on the screen at any time by a physician or nurse. A paper copy of the TV screen display also can be obtained for a permanent record.

These are the major capabilities of the Arrhythmia Detection and Monitoring System, developed by Abbott Medical Electronics Company, and how it will provide quality care for critically ill patients at Holy Family Hospital.

St. John Brebeuf Festival '76

On two consecutive Fridays and Saturdays, Feb. 20, 21 and Feb. 27, 28, the entire school will come alive when St. John Brebeuf will present Festival '76, their 7th festival. Seven fantastic Cabaret shows, which will include song, dance and comedy will take place in the school, gym and parish hall at 8301 N. Harlem in Niles.

"We've been in preparation for months," commented Jerry Lunke, who with Larry Lenahan, is Festival chairman. "Our double classrooms, school hall and gym are undergoing a fantastic transition and all the shows look great; all rooms combined have a seating capacity of more than 1,000," he added.

"Everything is being done to make this our best Festival yet," said Larry. "The shows will speak for themselves, but behind the scenes for the convenience of those attending, we have hundreds of people involved to keep things running smoothly. Each show room will have holding rooms

with entertainment, food and drink," he continued.

The First National Bank of Niles at Oakton and Waukegan will again accommodate any overflow parking and there will be free shuttle bus service from there right to the main entrance. Cooks, waitresses, bartenders, hall monitors and many more go into the presentation of Festival '76.

On Friday nights only, between the hours of 6 and 8 p.m., the "La Chiave della Cassa" room in the school hall will feature a spaghetti dinner with sandwiches and drinks at reduced prices for both workers and early-comers.

The show titles this year include Anything Goes, Split of '76, La Chiave della Cassa, Three Inn Place, Runway 76, The Young Americans, The Hour Glass. Show time is 8 p.m. on all four evenings.

Tickets are \$6 per person and can be obtained by calling Bill Doyle at 967-5332.

B'nai B'rith Basketball tournament

The B'nai B'rith Youth Organization, Unaffiliated Division, will open its 42nd annual city-wide basketball tournament on Feb. 22nd, it was announced by Eugene Kite, Chairman of the Advisory Board.

Applications are now being accepted in any of the following divisions: Grammar School, High School, and Senior Division. Write Louis Baskin, Secretary, at 8 South Michigan Avenue, Chicago, 60603.

Morton Marks, General Chairman, said the tournament is open to all boys of the Jewish faith. There is no charge to participants.

The culminating event will be the annual City-wide contest between the Catholic Youth Organization champions and the B'nai B'rith Youth Organization champions to be held at Notre Dame High School, 7655 Dempster St., Niles, on Saturday evening, March 27th.

Leftwich named Centel Vice President

As a result of a major acquisition by Central Telephone & Utilities (CTU), Samuel E. Leftwich has succeeded W. T. Geary as Vice President and Division Manager of Central Telephone Company of Illinois.

Geary, who headed Centel's Illinois Division since early 1974, has been elected president of the recently acquired Mid-Texas Communications Systems, Inc., serving about 80,000 telephones located principally in Killeen and the Dallas-Fort Worth International Airport in Texas.

Leftwich comes to Illinois from Centel's North Carolina Division where he had served as Vice President and Division Manager since 1968. He has been with the Centel System since 1957, having previously served as District and then Division Traffic Manager stationed in Hickory, N.C. Prior to that, he was Assistant Division Traffic Manager with Virginia Telephone & Telegraph in Charlottesville, Va.

While in North Carolina, Leftwich was very active in numerous civic, fraternal and community groups including Kiwanis Club, the Salvation Army, Masonic Lodge, Boy Scouts of America and the Chamber of Commerce. He has also served as vice president, president and member of the board of directors of the North Carolina Independent Telephone Association.

In 1974 Leftwich was named Jaycees Boss-of-the-Year. In 1973

he was chosen as North Carolina Independent Telephone Association Man-of-the-Year and also received the Governor's Citizenship Award.

He and his wife Shirley have two children, Karen, age 14, and Bryan, age 12.

The acquisition of Mid-Texas, which prompted the rotation of top managers, represents CTU's largest acquisition since 1965 and will be operated as a wholly owned subsidiary.

According to previously announced terms, Mid-Texas shareholders will exchange their holdings at the rate of nine-tenths of a share of CTU common stock for each Mid-Texas share. Mid-Texas had 849,219 shares outstanding and about 182,000 shares reserved for issuance upon exercise of warrants and options.

Crusade of Mercy honors two Niles Firms

The employees of two Niles firms have earned Bronze Fair Share plaques for their contributions to the 1975 Crusade of Mercy campaign.

Warwick Electronics, Inc., Administrative Office, had 43 per cent of its employees making Fair Share gifts amounting to the amount of \$18,015.08, while more than 44 per cent of The Treasury made Fair Share gifts amounting to \$5,122.

Talman assets increase \$149.7 million in 1975

The assets of Talman Federal Savings and Loan Association of Chicago increased by \$149.7 million during the year ending Dec. 31, 1975. Current assets of the Association are \$1,440 billion, a 11.6% growth for the 12 month period, and a 78.6% increase over the last five years, according to an announcement by Dimitry Wanda, President.

Outstanding first mortgage loans and contracts are \$1,216 billion, a lending gain of \$95.7 million for the 12 month period. Total savings are \$1,161 billion, a net increase of \$141.4 million for the year.

Interest paid to savers of \$67.6 million was the highest of any year in Talman's history, and was paid out entirely from operating income. Talman's reserves are \$65.4 million, among the largest of associations of their size.

In making the announcement, Mr. Wanda said, "Despite an uncertain economy, 1975 was a year of continued growth and progress for Talman. Although there were some signs that the country's recession was ending, unemployment and the rate of inflation remained high. Concern for the future prompted many people to save more. As a result, the supply of mortgage funds was good and 1975 was one of our best lending years. Loan demand was brisk and steady as prospective home buyers chose to buy now rather than risk higher prices in the future. At Talman, we were fortunate that we were able to satisfy all of the loan requests made on us by qualified borrowers.

"Contributing to our growth in 1975, was our major expansion into branch offices. In June, Talman opened an office in

Skokie, in October our permanent branch facility in Glen Ellyn went into operation, and a successful merger with the American Savings Association, finalized in December, brought Talman two more branch offices — one in Oak Park and one in Schaumburg. In early 1976, Talman will open an office in Oak Lawn, and during late summer our Fox Valley branch in Aurora will be completed and open for business."

In further commenting on branching, Mr. Wanda said, "The opening of branch offices in no sense suggests the relocation of Talman's home office or our orientation away from the southwest side neighborhood in which we have grown and prospered."

"Historically, Talman has attracted customers from all over the metropolitan area. Branching is an opportunity for us to offer greater convenience to those customers who live outside our home office area. Too, entering new markets and enlarging our customer base will enable us to build an even stronger and more diversified Talman which in turn can better serve the people of our immediate neighborhood and our surrounding communities."

"During 1975," Mr. Wanda continued, "in keeping with the needs of our customers, we expanded our range of financial services. The Individual Retirement and Keogh accounts offered tax sheltered retirement plans for persons not enrolled in a company sponsored plan. A new service, Direct Deposit of Social Security checks, offered customers the convenience and safety of having their social security checks sent directly to Talman for deposit into their savings account. Talman also began Telephone Transfer of Funds service for businessmen, making it possible to earn interest on operating funds normally kept in checking accounts."

Mr. Wanda concluded his announcement by saying, "It was a sad spring with the passing of Talman's founder and honorary Chairman of the Board, Ben E. Bohac. His belief that people respond to dignified and intelligent treatment has guided Talman's operations for over 53 years. He has left a legacy of service that we are proud and privileged to continue. As we go into a new year and hopefully into a more favorable economic climate for all, we rededicate ourselves to this purpose."

Carol Harrison Employee of the Year

Carol Harrison receives the outstanding Employee of the Year Award from Jon Carrington, General Manager of the Lincolnwood Hyatt House hotel.

Mrs. Harrison has been with Hyatt Hotels for five years and is employed in the Accounting Department. She resides in Skokie, Ill., with her husband and two children.

The Lincolnwood Hyatt House, located in a Chicago suburban community, was the first Hyatt Hotel in the Midwest. Hyatt Corporation, the nation's fastest growing hotel chain operates 41 hotels throughout the United States and has 11 hotels currently under construction.

North West Federal's assets reach all time high

North West Federal Savings, with a branch at 2454 Dempster st., Des Plaines, reached an all-time high of over \$481 million in assets as of Dec. 31, 1975.

John D. Reed, president, reports that assets passed \$481.6 million and savings topped \$402.3 million in 1975. These totals reflect growth of \$131.6 million (37.6 per cent) in assets and \$116.9 million (40.9 per cent) in savings capital for the year. This compares to an average annual growth rate over the past five years of \$39.8 million in assets and \$41.9 million in savings.

A record high of \$20.6 million in savings interest was paid savers in 1975. Reserves reached a high of \$18.3 million on Dec. 31. North West Federal's loan portfolio increased by over \$15.1 million after a total of \$154.3

million in mortgage loans were added in 1975.

Organized 50 years ago, North West Federal Savings now operates offices in Chicago, Norridge, Des Plaines, and Arlington Heights, and ranks as the sixth largest savings and loan association in Illinois.

30 years with Illinois Bell

Howard Carlington of Skokie will celebrate his 30 year service anniversary with Illinois Bell this year. Carlington, who lives at 9052 Niles Center Road, is a maintenance man working with the central office equipment in Evanston. He is a past president and current member of the Gateway Council of the Telephone Pioneers of America.

FNBOs awarded Governors' Plaque

Erman G. Kramer, President and Chief Executive Officer of the First National Bank of Skokie, accepts the Illinois Governor's plaque signifying the bank's compliance with all requirements for use by the handicapped from Janice B. Footlik, M.A., coordinator for the Northwest Cook County Committee on Employment of the Handicapped.

To qualify for this award, ramps to accommodate wheel chair traffic, special parking areas for the handicapped, telephone and bank teller facilities were incorporated into the design of the bank's new \$4,000,000 building at the corner of Oakton and Lincoln ave. in downtown Skokie.

The bank has also opened the door to employment of qualified handicapped persons and gives guided tours of the bank to Special Education Students from the area. Bank personnel train Orchard Village residents in banking procedures so that they can have their own bank accounts.

National Association of Accountants

Podiatrist elected vice-president of State Society

Dr. Michael C. Molay, a podiatrist who practices on the north side of Chicago, has been elected second vice-president of the Illinois Podiatry Society (IPS). This is the first step in the progression toward presidency of the Society, which represents some five-hundred foot specialists throughout the state.

Dr. Molay is a staff member of Northlake Community and Forkosh hospitals.

Dr. Molay and his wife, Margaret, have three children; Mark, Michelle and Matthew. They reside in Morton Grove.

Mr. Calahan has been self-employed for the past few years as a personnel consultant, and was previously employed by Armour & Company for thirty five years as area personnel director; later being promoted to director of sales, foodservice division.

He has attended North Park College and the Lewis Institute, studying liberal arts, and the University of Chicago Management Development Program.

Mr. Calahan is currently chairman of the Adult Education Committee of the 1st Presbyterian Church of Arlington Heights, and is an associate realtor of the Northwest Suburban Board of Realtors.

He resides in Arlington Hts. with his wife, Florence, who is a schoolteacher at the Longfellow School in Buffalo Grove, and his son, John, an account executive at FM Radio Station WWMM in Arlington Heights.

New Meat managers at Hartzaks

J & L Market is a partnership of John Yanik & Lou Cappuzzo. Their partnership started at 3004 N. Milwaukee Ave., 6 1/2 years ago. With over 20 years of experience they've learned the only way to success is to keep the best quality of meat and to give the best of service.

John Yanik.

When their store on Milwaukee Ave. was sold, they purchased the John Hans meat market at 4782 Milwaukee, which is now known as the J & L Bright Market. Their motto of the best quality and the best service made this store a success. From here they decided to expand so they now have joined Hartzaks at 8117 N. Milwaukee Ave. Hartzaks are noted for their famous sausage made from the best quality of meats.

Hartzaks Store at 8117 Milwaukee has a meat Dept. that John & Lou leased from them. John is the manager of the meat dept., so together at Hartzaks you will have the best choice of meats, sausages and service. So come on in and give them a try - they do their best to satisfy!

District 63 considers personnel cut-backs

Tuesday night School District 63 board members continued their ongoing discussion about possible options for reducing expenditures during the 1976-77 school year. The following personnel cut-backs were discussed as possible options: Social Workers - There are presently 10 social workers in the school district. A proposal to decrease this number to 5 would save the school district \$27,648. Instrumental Music Teachers - There are presently 4 instrumental music teachers in the elementary schools. Their job elimination would save the district \$39,318. Superintendent Gogo said about 10% of the students, or 500 students, identify with this program. He said the program could be dropped in the elementary level but the band program at the junior high schools would be retained. Discussion centered around students receiving private lessons at the school and Gogo contended this might be satisfactory as long as the public schools were not used "to drum up business" for the private teacher. It was also suggested the Board might consider using high school music teachers in the district. Gogo said this would be an added cost since they receive higher pay than elementary school teachers. He also pointed out the District 63 grammar school teachers are as well qualified as the high school teachers. Art Teachers - There are presently 9 art teachers (1 in each elementary school) now in their second year in the district's new art program. The option to reduce the staff to one teacher, who would oversee the entire art program, would save the district \$90,639. Discussion centered around the one teacher conducting workshops for regular teachers. Physical Education - There is presently one teacher for each elementary school. By reducing this 9 teacher staff to 7 and re-assigning some teachers to more than one school the district would save \$18,740 for 1976-77. Gogo noted school populations vary from about 350 to 550 students in the district's 9 elementary schools. He said when the size of one school's enrollment is decreased to a minimal point then considering one teacher for more than one school should be considered. Vocal Music - There are 9 music teachers, one for each elementary school. The option for reducing the budget in this area might be to reduce the staff to 7 re-assigning the teachers based on school enrollment figures. This would be a savings of \$18,740.

Gogo contended there has always been a poor reaction to this type of program. He said children as well as adults have looked unfavorably on such music programs. He observed Americans are not culturally attuned to music and was querulous as to the reasons. Instant Material Clerks - There are presently 9 clerks, one in each elementary school, who process books in the school libraries. By eliminating this 20-hour weekly job there would be a savings of \$23,566. The alternative would be to use volunteers for this job. Last Tuesday the Board considered options in many areas. It generally was against halving the 11 reading coordinators at a savings of \$50,000. It did favor reducing school nurses from 6 1/2 to 1 at a savings of \$40,000. Reducing speech clinicians from 7 to 5 would save the district \$10,600. The largest budget cut might be at the junior high school level where 2 1/2 teachers' jobs might be eliminated. Present pupil-teacher ratios is 16.3 to 1. The new option would raise the ratio to 22 to 1. Savings would be about \$263,385. This is a low figure since it was based on salaries prior to the new teacher contracts. The estimated balance in the education fund prior to this school year was \$1,778,000. Expenditures are expected to exceed revenue by one million dollars which would leave a balance of \$778,000. If budget cuts are not made it is predicted the district would have a deficit during the '76-'77 year. In other business discussed at the January 20 meeting Gogo announced the County will allot \$75,000 of moneys it received from the federal government to District 63 for sidewalks for unincorporated areas. The district will suggest a consultant who will be paid by the County. The walks must be installed within 12 months after receiving the money and must be constructed within one-half mile of a school. While Gogo did not recommend any one area he pointed to the Central area west of Milwaukee ave. as an area in dire need of a walk.

Announced student Lisa Wax was honored at a dinner sponsored by the Southern Christian Leadership Conference for her winning essay on the theme "An Economic Dream". Board members attended the Jan. 17 dinner honoring the winners. The March 16 board meeting was changed to March 23 because of the primary election on the 16th.

Oakton closings

Four Chicago area radio stations will carry information about emergency closings of Oakton Community College, according to John P. Donohue, vice president for student development. The four radio stations are WMAQ-AM (670); and WNIS-FM (101.1); and also WLS-AM (890); and WGN-AM (720), he said. Donohue said that the college would close down only in extreme situations. If students, faculty, or others planning to use college facilities have any concerns about whether the college will be closed down, they should tune to one of these radio stations.

Mobile Lung science unit at MG schools

Chicago Lung Association's mobile science unit will be at three Morton Grove elementary schools tomorrow and next week. It will be at the Blanche Borg School, 8601 Menard, on Friday, Jan. 23; at Grove School, 8615 School st., on Monday and Tuesday, Jan. 26 and 27; and at Parkway School, 6200 Lake st., on Wednesday thru Friday, Jan. 28-30.

Devoted to the study of the human respiratory system, the mobile science unit from the Christmas Seal agency helps students learn about the breathing mechanism and the problems resulting from respiratory infections and various forms of air pollution.

Featured in the exhibit are larger than life diagrams of the respiratory system and an animated exhibit which traces the passage of air all the way into the lungs where oxygen is transferred to the blood stream. Recorded sound effects and narration explain the process as it takes place. Specimens of lung tissue ravaged by emphysema and other lung diseases may also be seen by the students at the unit.

Charlene Entman, a Lung Association health education consultant, will speak to the students on lung diseases, answer questions and make available free educational materials. Special films and teaching aids on this subject are also supplied by the

Christmas Seal agency by science and health education classes.

Christmas Seals, memorials and special gifts provide the funds for Chicago Lung Association to present this service for city and suburban schools.

Niles West swimmers plan swim show

Building a time machine and making it work in water is the main concern of the Niles West girls' swim club members right now. The "AquaSprites," as the club is called, are preparing for the annual swim show, this year to be held April 30 and May 1. Explaining the time machine theme, club sponsor Shari Kouba said that with this theme they intend "to go back for scenes and events from history and look into the future as well." Kouba, who returned to teach at West this year after a two-year absence, added that this year's show will constitute a return to the "spectacular" type of swim show in existence at Niles West a few years ago when she was the swim group's sponsor also.

When not occupied with preparing their annual show, the forty AquaSprites members devote their weekly after-school sessions to synchronized swimming—learning stroke variations, floating patterns and advanced skills. The members also conduct various sales and projects to fund their annual show.

Kouba, who defines synchronized swimming as "dancing in the water," said that the AquaSprites Club is designed for the advanced swimmer who is interested in the artistic, rather than the competitive side of swimming. She said that the club, through its annual water show, gives girls the opportunity to choreograph group numbers and to assume full responsibility for the technical side of show production.

AquaSprite officers for this year are Sr. Abbe Diamond and Junior Cindy Hansen, co-presidents are Senior Sharon Haskell, Secretary-Treasurer and Junior Suzie Shavin, publicity director. Twenty-five of the club's total membership are considered Senior members and the rest are junior-in-training members.

Midnight tests

All private and parochial students who are planning on attending Niles North High School next fall should take a test in room A100 of the school on Saturday, Jan. 31.

Niles Family Service

By Larry F. Derewitz, ACSW

Life at best is difficult for most of us. We are constantly being confronted with the unexpected. Many times we wonder how we will ever get through the day. I was discussing this with a friend of mine and he shared the following with me:

HOW TO GET THROUGH THE DAY

Just for today I will live the next 12 hours and not tackle my whole life problem at once.

Just for today I will adjust myself to what is, and not try to adjust everything to my own desires.

Just for today I will be agreeable. I will look my best, speak low, and be courteous and considerate.

Just for today I will not find fault with friend, relative or colleague. I will not try to change or improve anyone but myself.

Just for today I will have a program. I might not follow it exactly, but I will have it. I will save myself from two pests—hurry and indecision.

Just for today I will exercise my soul in three ways. I will do a good turn and keep it a secret. If anyone finds out, it won't count.

Just for today, I will do two things I don't want to do, just for exercise.

Just for today I will not be afraid. Especially will I not be afraid to enjoy what is beautiful and to believe that as I give to the world, so the world will give to me.

NIDHS swim team visits Hawaii

Nine members of the Notre Dame swim team and head coach Bill Casey returned on Jan. 5 after spending the Christmas holidays in Honolulu. Besides a regular schedule of swimming and diving, there was also time for surfing and skin diving. Sightseeing of the island of Oahu and Honolulu included a visit to Pearl Harbor and the USS Arizona Memorial, the Polynesian Cultural Center, National Cemetery and the Univ. of Hawaii. The two seniors making the trip were Jim Brennan of Niles and Tim Burke of Lincolnwood. The juniors were Dennis Brand of Glenview, Dave Blandish of Des Plaines, Jim McNab of Niles, Bill Meyer of Glenview and Jim Schwarz of Des Plaines. The two sophomores were Mike Angelo of Des Plaines and Mark Signa of Chicago.

On Jan. 9 the varsity lost to Maine East 103-68. However, ND diver Jim Brennan broke his own school record by a new score of 281.30 and broke by six points the pool record of Maine East High School held by Chris Dickson. Eric Otten, a senior from Morton Grove, also took a first place in the 100 yd. breaststroke. He broke his old record in this event with a new time of 1:05.01. These two seniors are the best in their events in the 19 year history of the ND swim teams.

The Dons traveled to Quigley South this following afternoon. The ND varsity won 45-31. Senior Brian Walsh of Niles was the only double winner in the meet. He won the 200 yd. freestyle and the 100 yd. butterfly. Other ND winners were Otten in the 200 yd. individual medley, Tim Burke in the 100 yd. backstroke and Jeff Stull of Morton Grove in the 100 yd. breaststroke. The ND freshman team also won in the last relay. Their final score was 40-40.

"Assertive" Evening

"Assertiveness Training" will be the topic for an evening meeting of OGC Women Returning to School, scheduled for Tuesday, January 27, at 7:30 p.m. at the Niles Public Library, 6940 Oakton.

Gardi Smith, counseling and testing coordinator of the Women's Outreach Resource Center, will discuss assertiveness and how it differs from aggressive or non-assertive behavior and will use role playing to show participants how to be assertive.

For further information, contact Pat Handzel, Oaktown Director of Women's Programs, at 967-5120, ext. 3500.

Fines not cheap

Two women had just left the Niles courtroom when one was overheard to say to the other, "Let's buy cigarettes from the vending machine. The cigarettes appear a lot cheaper there." (Companions: "Every thing is cheaper there—cigarettes, coke and coffee, except the court fines.")

From the LEFT HAND

Continued from Page 1
sympathetic in this reduction, believing this area would be among the last to be considered for cutting.

In Evanston the School Board is planning to close 3 schools which will be a savings of an estimated \$600,000 annually. It is possible the closed schools will be re-opened for pre-schoolers.

District 63 is tortuously examining all its possibilities, and for this they should be commended.

Two weeks ago, while we sat through hours of rhetoric by the Board, we asked ourselves when they were going to come face to face with the inevitable teacher cutting and closing of schools. A resolution passed some weeks ago resolved they will not close schools during the coming year. Thus the hard nitty-gritty of cutting costs was set back a year by this action. And because of the teachers' union-looking over their shoulders the reduction of teachers also will take place in a slow orderly process.

Being in the business sector we're somewhat more impatient than people spending public moneys. We're confronted weekly by decisions which have to be made quickly. If we put off a decision for one week we know we're foot-dragging, and we're doing our operation harm by procrastinating. Fortunately, public people have the luxury of time to put their house in order. But spending months and months on a subject which must be faced frustrates our judgements honed in the free enterprise sector. We have little empathy or understanding for such time-consuming efforts.

What District 63's Board is wrestling with is retaining the neighborhood school concept while trying to live within its rapidly-decreasing budget. The Board would prefer not to close schools. Not only does it raise the hackles of the natives but the Board sincerely believes schools as close to home as possible are best for the district's wunderkind.

A tax increase in the district could be a partial answer to the revenue-shy district. But since only about \$500,000 could be raised teacher cuts and possible school program cuts might follow.

Would the district support a tax increase? Perhaps. But the recent building of the administrative offices would likely negate the passage for more money. Not only was the construction unnecessary, but the predicted need for the school (the transferring of 90 students to Ballard School) proved false since less than one-third the number of students were transferred. And there is strong evidence the administration knew last spring the 90-student transfer was over-inflated. It's doubtful the taxpayers would look kindly on boosting their taxes for a district which spent money so wantonly.

Since 24 1/2 teachers could be reduced at the junior high school level it indicates this should be the first area the school district should consider. Not only should the teacher decrease be considered but the closing of the Gemini Junior High School on Ballard and Greenwood should seriously be discussed.

At the new Apollo addition, the new administrative offices could be converted for classrooms and the offices could be moved to one of the grammar schools, whose decreasing enrollments could place it in jeopardy of closing. By having offices in one of the neighborhood schools it would insure its remaining open.

Presently, most junior high school students are bussed to their schools. Bussing all students to Apollo on Central ave. could result in the closing of one junior high. The district would retain its neighborhood grammar schools and could sell, perhaps, its most valuable property.

The Ballard-Greenwood area has become a commercial area and such zoning would greatly enhance the value of this property. Condominium or commercial interests could have a financial feast with this centrally-located area.

While it's doubtful, the Niles Park District, which owns land adjacent to the area, might be interested in such a purchase. Converting the school for commercial or park usage might not be practical but, then again, it might have much utility. Such a proposal should be considered.

The name of the game is "hard nose". The Board is faced with an obvious dilemma. Many of the alternatives are unpleasant. A hard-nosed decision such as the Gemini closing might end the dilemma for the rest of the 70's. Adjusting to the 80's cannot be planned this far in advance.

The name of the game is "hard nose". It's time the Board broad its bulldozer.

Niles Police Officers Robert Gradizian and Ben Guizzo reported the weather was beautiful in Michigan, Wis.; last week where they went for two days of fishing and relaxation.

home on Jan. 25 and is open to both boys and girls.

2. Premier Boys State. Students above the sophomore level of local high schools are eligible to be sponsored by the American Legion to attend Boys State to be held on the campus of Eastern Illinois University in Charleston, Ill., during the week of June 12 thru 19, 1976. The boys learn and are actively involved in all aspects of city, county, and State government. A similar program is conducted by the Auxiliary unit and called 'Girls State'.

3. Police Academy. Youths, boys or girls, ages 14 thru 17 years are eligible to be sponsored by the Legion to attend the Illinois State Police Academy in Springfield, Ill., June 13 to 19 and June 20 to 26, 1976. The purpose of this program is to create a better understanding of the problems and attitudes of State and Local Law enforcement officers and to develop a rapport between youths and the police.

4. Bicentennial Themes. The purpose of this program is to ask Young Americans of Illinois to answer three questions about the United States of America on the occasion of its 200th birthday.

Our guest speakers will be Miss Marjorie Wedell, principal, Kenton School; Miss Gabrielle Lachman, teacher, Niles North High School; and Dr. Ralph Johnson, Superintendent of District 69. The speakers have all spent time studying the school systems in the countries of China, Russia and Germany and will bring us into the classrooms thru visual aids to discuss the schools, cultures and the values being taught.

Also assisting with the program are Mrs. Shirley Redman of Skokie, School Education Chairman, Mrs. Ruth Goebel of Morton Grove, International Relations Chairman and Mrs. Goldie Orens of Skokie, Cultural Arts Chairman.

For further information, contact Mrs. Edwin Goldstein at 966-4704.

Motorcycle Driving Course

The fundamentals of motorcycle driving will again be taught by MONACEP beginning March 18, 1976.

The five-week course will be held on Thursday evenings and Saturdays at Niles West High School. Mr. Dale McCormack, an accredited motorcycle instructor, will again teach the driving class.

Students will participate in both classroom and laboratory experiences, and will practice various riding activities, including basic control skills and common "emergencies". Small motorcycles will be provided by MONACEP and enrollees need only have a valid automobile driver's license and motorcycle helmet. All instruction will take place at the District 219 Safety Center and driving range.

Upon completion of the course, most students will have the knowledge and skill necessary to pass the Illinois motorcycle test. "Several insurance companies plan to offer discounts to graduates of these courses," McCormack said.

This is one of the few courses of its kind to be taught in the Chicago area and enrollment will be limited. Tuition for the course for both in-district and out-of-district students is \$40.

Funding on a matching grant basis for parks and recreation.

Park Attorney Gabriel Berrafato suggested that individual letters from park commissioners and park personnel, as well as unified board approval, be directed to Congressmen and Senators urging their support for future funding of the Land and Water Conservation Fund in 1977; individual letters to President Ford at the White House are also suggested, urging inclusion of the funding in the budget.

More than a million acres of parks and open space have been acquired, over the past 10 years, through the 982 million dollars provided under the Land and Water Conservation Act to more than 13,500 state and local planning projects for purchase and development of parks and open space.

"We should pledge our (Niles Park District) support since it could benefit our district as well as our surrounding districts," said Berrafato Tuesday night.

Letters urging support of the Land and Water Conservation Fund for 1977 should be forwarded to Senators Charles Percy and to Adlai Stevenson III at the Federal Building, Springfield, Ill.

In second action, commissioners pledged more peace and quiet to nearby resident Timothy Schanze of 7900 N. Oketo. The Nilesite, who lives across the street from the Rec swimming pool, appeared before the Board Tuesday night to ask respite from the loud rock and roll music generated by the pool personnel.

He has become accustomed to the noise of pool swimmers, said the 29-year-old auctioneer, but when the pool guards turn up the radio for hearing over the swimming noises, the speakers amplify the music, making it unbearable for residents in the area.

"I kinda like rock and roll, but I like to pick my own stations," he said. He was not able to properly conduct business out of his home and his young daughter could not take her naps, he added.

In other action the Park Board awarded sale of used park equipment to Wm. Snyder of Decatur, Ill., for \$485 as highest of 3 sealed bids.

Approved a request by Park Commissioner Bill Keener to forward a letter of commendation to the Niles Fire Department in responding to an alarm caused by overheating of the Zamboni ice equipment at the Ballard Sports Complex.

"Prompt action by the firemen under the direction of Deputy Fire Chief Charles Bobula and his recommendations for averting future crises were invaluable to the park district," said Keener in asking for the commendation.

Recommended action enforcing park ordinances on citizen complaints of dog owners walking pets on park property.

Unanimously approved attendance of the Supr. of Recreation at the Revenue Sources Management School in Wheeling, W. Va., next March for total cost of \$350.

Approved a request by the Park Directors to attend a National Symposium on Parks Recreation and Environment to be held in Chicago in March.

Was advised that applications for summer employment are being taken at the Park District offices.

Unanimously passed a resolution for membership in the Illinois Association of Park Districts, deemed necessary to keep abreast of current activities in other park areas.
