## From the Left Hand

by David Besser  
Editor & Publisher

A little bonus gift for Mom this weekend might include seeing *Carousel* at Maine East Friday or Saturday night. The usually exuberant Mainites put on a rousing show which has the audience whistling, standing, cheering and stomping at the final curtain.

Lesley Goodman, Tom Miller, David Antczak, Karen Vinzant, Tom Hansen, Sheri Zager and Dawn Lucchese are some of the many young people, neighbors and friends of local Nilesites and Morton Grovers, who are among the many talented teens who grace the boards at Potter and Dempster.

The two-weekend musical is the culmination of four years of work for many of the young people. Like athletes, who spend years pointing to their senior year and the ultimate championship, this exciting two weeks is the 'championship' for many of these youngsters who've worked so hard for so many years. The sheer joy of performing and the unabashed love affair between the audience and the cast are moments to remember.

Each year we mention the large orchestra and cast, plus the tremendous enthusiasm of all those involved, makes this high school musical more fun than professional shows you might see. Do yourselves a favor this weekend by spending a happy 2 1/2 hours at Maine East cheering the kids on.

We were nominated last month as a candidate for the Editor of the Year award for the state of Illinois. About 40 other newspaper people were also named as candidates.

There are awards and there are awards. The recent Pulitzer Award winners are significant recognition of excellent work done in many fields including journalism. In the case of the Illinois Press Association awards, in which we've been nominated 3 times, they are silly awards which are meaningless.

A group which happened to agree with several articles we wrote submitted our name as a candidate. Had we written

## New health service plan under study

(by Alice M. Bobala)

Niles village board members were given a look at a new type of voluntary health plan at a pre-board meeting Tuesday, April 27.

The NorthCare Health Program is open to membership through places of employment. An employee may choose either NorthCare or the conventional group hospitalization plan.

Summer school in School District 63 will be only a remedial program costing students \$35 per course; if there are sufficient numbers of pupils enrolling in the program. It is anticipated most students will take a 2-course \$70 program.

Tuesday night the school board in District 63 rescinded a September action which approved a summer school which was contingent on the State of Illinois paying for the program. Since all indications point against state

support the money-tight school district will charge for the summer program. If an insufficient number of students apply the district will present alternate information about summer schools District 63 students can enroll in neighboring districts.

Board member Barbara Kipnis enunciated Board thinking when she said the district must spend its money where it is most important, implying the regular

## Olympic Committee presents check

Bart Connor, Morton Grove, and Tim Glass, Niles, were each presented with a check for \$300 by Earl Numrich, Vice Chairman of the Niles Township Olympic Committee. Both were reimbursed in part for out of pocket expenses that were incurred while competing in National or International events. Bart Connor recently won the American International Cup Gymnastics event in Madison Square Gardens in New York last March.

Tim Glass is an All American NCAA epee Fencer and is Captain of the Notre Dame University fencing team. Tim is also one of the leading candidates for the 1976 US Olympic Fencing Team. You can help support the Olympic candidates by riding in the Niles Township Bike-A-Thon on Saturday, May 8, starting in Linne Woods in Morton Grove from 8 a.m. to 3 p.m.

## Niles Police Beat

### Niles lady cop nails theft suspect

Alertness on the part of a Niles policewoman led to the arrest of a Chicago motorist on two active warrants of theft by DuPage County Sheriff's Police.

Taken into custody was Theodore Nowotnik, 33, of 2336 Lister ave., Chicago.

Police Officer Nan Mele said she observed a 1964 black Oldsmobile with no license plates exiting Dempster Plaza close to midnight Wednesday, April 28.

Investigation revealed the occupant of the car to have a valid license sticker on the car window. The motorist's driver's license had expired March 24, although he had a renewal receipt.

Further investigation of the motorist revealed he was wanted for theft by DuPage County.

### Apartment Burglary

Police said burglars entered a home on the 9100 block of Greenlake, Niles, taking \$150 in jewelry last Wednesday, April 28.

Owners of the apartment returned at 5 p.m. to find someone had entered it apparently through the front door. No signs of forced entry were found.

Taken were a man's watch and a bottle of prescription drugs, said police.

### Indecent Exposure

A 58 year old Niles woman told police of an indecent exposure by a male Wednesday morning, April 28.

She said she was walking south on Milwaukee ave. on the west side of the street in the 6800 block at 6:30 a.m. when a dark red 2 door car drove up along side of her.

Looking inside the car she observed the driver sitting behind the wheel with the lower part of his body exposed.

He was described as being 30 years of age, with thin brown hair and a bushy brown beard.

### House Burglarized

An unknown amount of jewelry, \$250 in currency and \$750 in radio and stereo equipment were reported missing from a house on the 8100 block of Prospect Tuesday, April 27, said police.

Burglars entered the house thru a north wall window with no lock, said police, and ransacked a bedroom.

Missing were a Midland citizens band radio, 1 Panasonic stereo, 2 large stereo speakers and \$250 from a dresser drawer. Also taken were 2 rings of undetermined value.

### Man caught in rafters

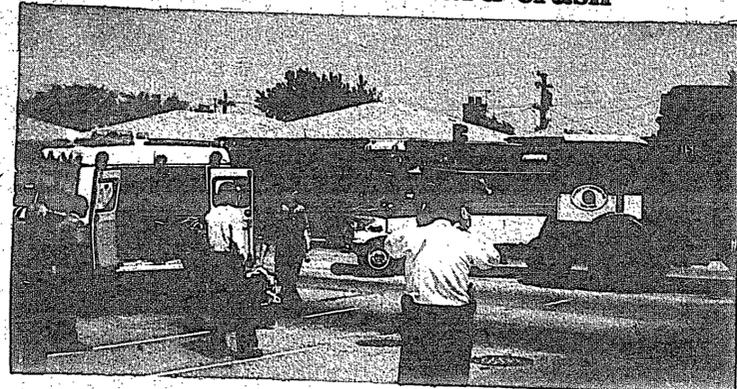

Niles police arrested a man found in the rafters of a paint store upon complaint by the owner that he heard a pounding in the roof early Friday morning, April 30.

Arrested on two felony counts of burglary and possession of burglary tools was Louis Z. Prezec, 28, 8117 Odell. He was freed Friday afternoon on a \$2,000 bond set at a preliminary hearing.

The owner of The Paint Wagon, 8014 N. Waukegan rd., told police he opened his store early on Friday at 6 a.m. and heard a pounding in the roof.

He called Niles police to report suspicious activities when the pounding continued.

## Chicago man injured in Harlem-Howard crash

A 21 year old Chicago man was taken to Lutheran General Hospital Wednesday afternoon, April 28, after his car was apparently hit at the Harlem and Howard intersection, according to police reports.

Hospitalized with neck and arm injuries was Craig E. Woods, 21, of 2329 N. Kedvale, Chicago.

Police said Gerald Misner, Sr., 31, of 322 S. Elizabeth, Lombard, was northbound on Harlem in a '73 Mack truck when the lights

changed and he was confronted by Woods' Chevrolet. Misner said he applied his brakes to avoid contact but apparently struck the Woods car. Police charged Woods with disobeying the traffic signal.

# Niles speed limits reduced

**(By Alice M. Bobula)**  
 Village trustees last week, acting under Home Rule authority, gave the green light to reduction of speed limits on Oakton st. from 40 to 35 m.p.h. and on side streets within the village from 30 to 25 m.p.h.

The action followed Board inquiry last October into lowering speed limits on side streets, following recommendations from Niles police and numerous complaints from homeowners groups who were interested in keeping the speed down on village streets.

State approval for lowering the

speed limits on Oakton st. from the village limits of Greenwood to Caldwell ave. was given following a village traffic survey begun last December. Results of the survey indicated an average traffic flow on Oakton at 37 1/2 m.p.h.

Designated for 30 m.p.h. signs are the following: Howard, east of Milwaukee ave.; Ballard, west of Milwaukee ave.; Central, between Touhy ave. and Howard st.; Cumberland ave., from Oakton to Church st.; Washington st., between Dempster and Golf rd.; Shermer rd., between Waukegan rd. and Dempster st.

Residential side streets will be reduced from 30 to 25 m.p.h. School zones now posted at 20 m.p.h. will remain the same.

Mayor Nicholas Blase, who had been pushing the inquiry on the reduction of village speed limits, said the change would be "significant in our community," and asked that Niles residents be properly educated on the new speed limits.

Trustee Ang Marcheschi drew laughter from the Board members when he agreed, asking, "Who'll be caught first — you or me?"

## Bugle editor finalist for Illinois' Editor of Year

Each year community and civic leaders and public officials are asked to make nominations for Editor of the Year. Nominations are screened by a committee of Illinois Press Association members and finalists are selected. A panel of journalism educators picks the winner.

David Besser, editor and publisher of The Bugle Publications was nominated for this honor.

The Editor of the Year is based on outstanding journalistic achievement. To be considered for the award the nominee must have exhibited courage in taking a firm editorial stand on controversial issues; instigated, supported or opposed issues affect-

ing the community; edit a paper that is a credit to the community and the profession; report news accurately, fairly and impartially; maintain high ethical standards; and have the respect of his community.

### Leaning Tower Coin Show

Sunday, May 9, is the next date for the Chicago Coin Bourse at the Leaning Tower YMCA, 6300 Touhy. Hours are from 10 a.m. to 5 p.m. Admission is free and there is ample free parking. Complimentary copies of leading coin papers will be available while they last. Eighteen experts will have exhibits on display and will answer questions.

## Passenger hospitalized in Harlem-Touhy accident

Edward M. Walsh, passenger in a car driven by Della Walsh, 52, of 7631 Oketo, was taken to Resurrection Hospital with facial injuries following a 2-car collision at Harlem and Touhy Wednesday evening, April 28.

Police said a car driven by James T. Molton, 18, of 948 N. Pulaski, Chicago, was making a left turn into Harlem when he apparently struck the Walsh car northbound on Harlem.

Police charged both drivers with disobeying the traffic control signal after each claimed to have the green light and the other having a red light.

## Oakton Tennis Champs

Oakton's tennis team captured the Section I championship of the Illinois Community College Tournament Wednesday afternoon (April 28) by winning the doubles

and taking second and third in singles play. The Raiders finished with 9 points while Triton had 6, Harper 5, Wright 3, and Mayfair 1.

The singles tournament was won by David Stefan of Triton over Bob Hildebrand of Oakton 6-3, 6-1. Bob Hildebrand defeated second seeded Jeff Schwede of Triton 6-0, 6-0 in the second round to advance to the finals.

Third place was won by Frank Lux of Oakton over Scott Powell of Harper 6-4, 6-4. Lux, the top seed was defeated in the semi-finals by the sectional singles champion David Stefan 6-3, 6-4.

Oakton's doubles team of Steve Pales and Marty Avers won the sectional crown by defeating Wright's team of Julian Pitak and Curt Johnson 7-5, 6-4 in the finals. Avers and Pales were down in games 5-0 in the first set before they rallied to win 7 games in a row to win the set.

Oakton remained undefeated and Coach Tom Jorndt's netmen are taking aim for one of the top spots in the state meet on May 7-8 in Springfield.

**Youth Ministry Institute**

On Saturday, May eighth, there will be an opportunity for youth leaders across the Midwest to come together to learn and to share ideas with resource people and other youth leaders. The Youth Ministry Institute, sponsored by Lutheran Youth Encounter, will be held at the Edison Park Lutheran Church, Avondale and Oliphant Avenues, Chicago, from 9:00 a.m. to 6:00 p.m.

Throughout the day, various workshops will be offered, such as: Junior High Ministry, Retreat Programming, Basic Counseling Skills, Developing A Youth Ministry From Scratch, Creative Bible Study, and The Role of Youth Leaders in the Youth

Ministry. The Youth Ministry Institute is intended for pastors, youth sponsors, counselors, youth officers and leaders, and anyone else interested in working with young people.

The cost for the entire event is \$10.00; \$9.00 if you register in a group of five or more. If you have any questions, you may contact Pastor Steve Dornbusch at Edison Park Lutheran, 631-9131. Registration may be made through the mail or at the door between 9:00 and 9:30 a.m. Saturday mornings.

**Niles Community Church**

On Sunday evening (at 7:30 p.m.), May 16, six Niles congregations will be joining in a unique ecumenical Bicentennial Service to celebrate the role of religious faith in the life of our Nation. The congregations are: Niles Community Church (United Presbyterian), Lutheran Church of the Resurrection (LCA), St. John Brebeuf Roman Catholic Church, Our Lady of Ransom Roman Catholic Church, St. Isaac Jogues Roman Catholic Church and Congregation Adas Shalom.

Representative clergy and laypersons of the participating congregations will conduct the Order of Worship especially prepared for this occasion. Special music will be provided by a choir made up of singers from the participating congregations and by an instrumental group.

All members and friends of the participating organizations are urged to attend this Service—and the general public is cordially invited, too.

**Belden Regular Baptist**

Mother's Day will be celebrated on May 9 at Belden Regular Baptist Church, 7333 N. Caldwell, Niles, with a message by Dr. Wm. Kuhnle on "The Ideal Mother". At the 10:45 a.m. service, the Chancel Choir will also present special music under the direction of Ken Pyne. Each mother present will receive a plant.

At 7 p.m. the Worship Hour will feature a message by Dr. Wm. Kuhnle on "Life With A Plus" based on the book of Philippians. The volunteer choir will be led by Jerry Beverage, Jr. Sunday School is at 9:30 a.m. with classes for all ages.

Youth groups meet at 6 p.m. for leadership training and fellowship.

Prayer and Praise Service Wednesday, May 12, will feature devotions by Dr. Wm. Kuhnle. Children's Chorister Choir will practice at 7:30 p.m. followed by the Adult Choir rehearsal at 8:30 p.m.

Awana Clubs for boys and girls, grades 3-8, meet Friday, May 14. Special activities will include Bible memorization, games and awards. Area youth are invited to attend. Free transportation can be provided by calling the church at 647-7511.

Care Line, a ministry of the church, provides a two-minute devotional with a personal practical application. Anyone may avail themselves of this service by calling 647-8126 day or night.

**JCC features Israel Consul General**

Ehud Avriel, Consul General of the State of Israel, will be the guest speaker at the Annual Meeting of the Mayer Kaplan Jewish Community Center, scheduled to be held on Thursday evening, May 13 at 7:00 p.m.

In addition to a major address by Consul General Ehud Avriel, the Annual Meeting will feature installation of officers and directors for the coming year, a program honoring "J" volunteer staff, and a dessert buffet.

**Awana clubs fun fair**

Steve the clown entertained as over 160 boys and girls attended a Fairmont Fair at the Belden Regular Baptist Church, 7333 N. Caldwell, Niles, on Friday, April 9. The fair was sponsored by the Awana Clubs which meet each Friday evening for Bible study, Scripture memorization and games. Activities included booths to test skills, a money barrel, a clown and refreshments.

**First Baptist Church**

On Mother's Day, Sunday, May 9, mothers will be honored at the 11 a.m. service of the First Baptist Church of Niles (The Little Country Chapel), 7339 Waukegan rd. Every mother attending will receive a flower for the occasion and those children whose mothers are present will have the pleasure of personally presenting the flowers to their mothers. Pastor Roger L. McManus will deliver the sermon.

Sunday's schedule will begin with Bible Classes at 9:45 a.m. Each class will study The Tabernacle - The House That God Built. The study course will last two months. Along with the study, each class will construct a section of the building and at the end of the course all parts will be assembled for a completed Tabernacle.

Evening service will be held at 7 p.m. and will feature old-time gospel songs and a Bible message by the Pastor. "Afterglow" meeting for the young people will be at 8:15 p.m.

Wednesday, May 12, prayer meeting will be held at 7 p.m. Bible instruction and discussion of the next Sunday School lesson will be moderated by Pastor McManus at 7:30 p.m. Crib and toddler nursery during all services. Transportation to the church is available by telephoning 647-8751 or 537-1810.

**Adas Shalom**

Congregation Adas Shalom, 6945 Dempster, Morton Grove, will hold Friday evening family services starting at 8:15 p.m. in the synagogue. Rabbi Louis Lieberworth will officiate and everyone is invited to attend and enjoy the Oneg Shabbat following services. Saturday morning services begin at 9 a.m.

Adas Shalom will host a Jewish United Fund Coffee evening on Sunday, May 16, at 7 p.m. in the synagogue. JUF programs care for the sick, aged, troubled and the disadvantaged in the Chicago area. Everyone is invited to attend and help this worthy cause.

The Sisterhood is holding a Kosher Kaberet on Saturday, May 29, at 8:30 p.m. at Mikdosh El Hagro, 303 Dodge, Evanston. There will be an All-Star Revue, food, dancing and drinks all for a donation of \$6.50 per person. For information, call 967-7730.

The Men's Club is sponsoring a White Sox Night on Wednesday, June 30, when the Sox meet California. For details, call 966-4139.

Adas Shalom is a modern traditional synagogue offering a wide range of religious, cultural, educational and social activities. If you wish to be placed on our mailing list or want more information, please call 965-1880.

**Niles Community Church**

Mother's Day will be celebrated at the Niles Community Church (United Presbyterian), 7401 Oakton Street on Sunday, May 9, during the 10:00 a.m. worship service. Church School classes for three-year-olds thru sixth graders will be held concurrently with the worship service. The Adult Bible Study Group will meet at 11:00 a.m. A vesper service for youth will be conducted at 6:00 p.m.

## SJB Women plan luncheon-fashion show

### Mini-Courses for women

A number of short courses for women are planned for the break between spring and summer semesters from May 20 through June 4 at Oakton Community College, according to Patricia Handzel, director of OCC Women's Programs.

Sponsored by the OCC Women's Program in conjunction with MONACEP, Oakton's adult and continuing education program, the 15 short-term workshops and classes cover topics ranging from psychology to consumerism to the arts.

All mini-courses meet for one, two or three sessions and fees vary from \$6 to \$17. The courses will be taught by Oakton faculty, regular MONACEP instructors, or women who have been active in community affairs.

Courses being offered include Simple Repairs Around the House, Bicycle Maintenance and Repair, Basic Car Maintenance, Let's Talk About Why We Overeat, Getting Yourself Organized, Single Again, Women in Art, Effective Parenting, and Sexuality.

The second annual "Kaleidoscope of Women in Film" is also scheduled for Wednesday, May 26, from 9 a.m. until 4 p.m. and from 7:30 to 10 p.m. at the OCC Interim Campus. About 30 films will be shown continuously throughout the day and evening. Reservations are necessary for this presentation, planned primarily for program leaders and teachers.

Babysitting will be provided for the above programs for children three years of age or older at 60 cents per hour. Ample parking will also be available. For further information call the Women's Program office, 967-5120, ext. 350.

### Fashions by Albert K

"You've Come A Long Way, Baby" is the theme of the St. John Brebeuf CWC Spring Luncheon & Fashion Show. It will be held on Saturday, May 22, at the Fireside Inn of Morton Grove, 9101 Waukegan rd., in the Crystal Ballroom. Cocktails will be available from 11:30 to 12:30. Lunch will be served following the cocktail hour.

Reservations can be made by calling Agnes O'Connor, 967-7066, or Eileen Elenz, 966-8657, before May 19. Reservations cannot be accepted after the 19th of May. Ticket donation is \$8. Door prizes and table prizes will also add to the enjoyment.

Shown above are (l-r) Fran Weinstein, of Albert K, Georgette Scott, Jeanette Mastri, Ellie Nocholas and Theresa Geary selecting fashions.

### Seek entrants for July 4 parade

All Niles businesses, civic organizations and marching units are being asked to take part in the July 4 parade sponsored by the Niles Bicentennial Commission and coordinated by the Niles Jaycees.

Prizes will be awarded for floats in the commercial and non-profit-service categories, for

both professional and community organization marching units and the third category will be "novelty". Themes must be either Heritage, Festival or Horizon.

For more information, contact Fred Beyer at 692-2589 or Terry Shevelenko, 966-1020, or write to Niles Bicentennial Parade, P. O. Box 43, Niles, Ill. 60648.

### Hypertension and Diabetes Screening

The Mayer Kaplan Jewish Community Center, 5050 W. Church, Skokie, is sponsoring Hypertension & Diabetes screenings on Thursday, May 6, from 9:00 a.m. to 11:00 a.m., at the Center.

The screenings are co-sponsored by the Mayer Kaplan JCC and the Skokie Board of Health. Both agencies urge community members to take advantage of this opportunity, especially those who are over 40, overweight or who have blood relatives with Diabetes.

In order to take advantage of the free screenings for Diabetes and Hypertension, persons are to make appointments at the Mayer Kaplan Jewish Community Center by phoning 675-2200, ext. 246. Further instructions concerning necessary preparation for tests will be given at the time the appointments are made. Appointments must be made by Monday, May 3.

### Niles Homemakers

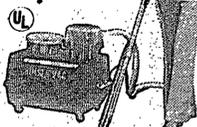

The Niles unit of Suburban Cook County Homemakers Extension Assn. will meet on Wednesday, May 12, 10:00 a.m., at the Niles Community Church. Installation of new officers will take place at this meeting. A lesson on first aid, demonstrated by a member of the Suburban 4-H Club, will be the afternoon program.

Canned goods for the American Indian Center were collected at the April meeting by Mrs. Margaret Ross, Voluntary Action Chairman.

## LETTERS to EDITOR

### German students impressed by visit to Niles North

Dear Editor,  
Dear Community,

We are writing to you as the group of seventeen German students, their principal and one accompanying teacher, who for the past three weeks have been visiting Niles North High School on an international exchange program.

Before we return to our city of Ahlen in Germany we feel that we should like to share with you and your readers the impressions which we have won and the experiences which we have made during our albeit short stay.

If we were to try to compare our German schools with Niles North, we would very soon realize that the educational facilities which are available in all fields far exceed anything which we could hope for in Western Germany.

We can appreciate the advantages of such a well-functioning administrative, secretarial and maintenance system for the academic and pastoral work, which, after all, are the main objects of education. It has interested us to observe that one important feature of an American High School is the vocational training of employable skills, fitting each individual student for life, an aspect which has unfortunately been much neglected in our school system.

We were particularly impressed by the friendly and informal tone which seems to pervade your schools and which made our stay much more agreeable. We are grateful to Niles North High School, and especially to the principal, Dr. Gilbert Weldy, for the opportunities with which they provided us through this exchange.

But not only is a partner school necessary for such an exchange, but also a partner community. We are struck by the warm welcome and reception which we have received throughout the community of Niles Township and the way we have been fully integrated into the life of your people. This is above all the achievement of our several host families, who have

opened their homes readily to this experiment in mutual understanding, an experiment which we feel ranks very high among the activities any school might wish to develop, and which in this particular case has succeeded without parallel.

We have gotten to know Niles Township as a beautiful and well-planned residential area with fine homes, excellent shopping centers and community facilities, and plentiful opportunities for leisure-time activities. We were indeed surprised to find such a wealth of open spaces, especially the Forest Preserves, in such close vicinity to the metropolis of Chicago.

We feel a sincere obligation of thanks to all those persons and organizations who through their commitment to this international exchange have contributed to the success of the whole venture.

During our visit we were fortunate enough to get to know a fine city, beautiful countryside, marvellous facilities, but, as the French author Camus once said, "There are no landscapes like man". The personal contact with members of your community was and is the essential of our visit and it is the aspect which we are convinced will have the deepest and longest lasting effect on our personal lives.

We have joyfully participated in aspects of life which were new to us and have thereby broadened our consciousness to such a degree that we are all in some way different from the people who came here twenty-one days ago.

With sincere thanks to all your people, we remain yours faithfully,

W. Rossi, Principal, Städtisches Gymnasium Ahlen; D. Murphy, Teacher; M. Fink, G. Gallenkemper, H. Geisbe, H-W. Hagemann, D. Harhoff, H. Kleinekofort, M. Kriegel, B. Kromer, H. de Laer, M. Lucke, T. Pfrangner, G. Rossbach, T. Schneider, J. Schwenhorst, B. Sosna, L. Vossenbert and M. Wortler, Students.

### Blood program thanks Bugle for coverage

Dear Mr. Besser:

As President of the Chicago Regional Blood Program, I want to express the thanks of everyone in our organization for the fine support you and your newspaper have given our Program during January Blood Donor Month, and throughout the entire year of 1975.

Informed and responsible citizens in the metropolitan Chicago area generously donated 213,451 units of blood during 1975, which represents 97.5% of the total blood needs of the community.

This achievement, gained thru our combined efforts, is no small achievement. We are very pleased to have received your cooperation which made it possible.

Your responsible effort in keeping the public informed of the constant need for blood, which has a shelf life of only 21 days, has helped us to maintain adequate supplies of blood. This in many cases meant the difference between life and death for the hospitalized patients we serve.

Because the need for volunteer donors is constant, we must

continually ask your help ... not only at the critical times of January and summer, but all throughout the year. Your strong influence on public opinion and action makes your help a major factor in the success of our work.

In the past we have merited your support, for which we are grateful. In the future, we hope we will continue to merit your support.

Sincerely,  
William M. Walsh  
President

### Local gourmet cook leads MONACEP courses

Elaine Sherman, a noted gourmet cook, will offer two demonstration courses in mid-May through MONACEP, Oakton's adult and continuing education program.

A one-evening session on Cream Puffs is scheduled for Monday, May 10, from 7:30-9:30 p.m. at Maine West High School, Wolf and Oakton, Des Plaines.

Seafood Cookery, which will include poaching, sauteing, baking, and broiling fish and other seafood, is a two-session course beginning on Monday, May 17, from 7:30-9:30 p.m. also at Maine West.

Ms. Sherman, a resident of Skokie, has studied at the Dumas Pere School of French Cooking in Glenview and has shared her skills with MONACEP students for several years.

Tuition is \$7 for Cream Puffs and \$15 for Seafood Cookery. For further information, contact MONACEP at 967-5821.

### Mother's Day Concert at Notre Dame

A very entertaining afternoon is being planned by the Music Dept. of Notre Dame High School in Niles for Mother's Day on May 9. The musical and family fun will begin at 2:30 p.m. with the fifth annual Mother's Day Pops Concert. The concert will be in the library courtyard but will be moved to the cafeteria in case of rain or cold weather. The Notre Dame Wind Ensemble, Concert Band, and Chorus will be featured. Special guests will be "Bill Bailey's Small Fry Banjo Band". The Wind Ensemble selections will include music from Walt Disney movies, highlights from the MGM musical "That's Entertainment", an Irish Suite, and some American Bicentennial music. ### Tammy Conn to spend summer in Chile

Tammy Conn of 9245 Maple Ct., Morton Grove has been selected by The Experiment in International Living to live in South America with a family in Chile this summer. Tammy, a sophomore at Marillac High School, is the daughter of Eunice and Donald Conn.

Tammy will join ten other members of her Experiment group for an intensive cultural orientation prior to arriving in her homestay community in South America. Under the guidance of an experienced leader, the group will discuss the customs of Chile, and prepare to meet its people on their own terms.

Tammy's younger sister, Joyce an eighth grader at St. Isaac Jogues will spend her summer in Moss, Norway with friends of the family.

### Baha'i Community of Niles

"Evolution, History, and Man's Destiny" will be the subject of a talk by guest speaker Michael Turner of Wilmette at the Baha'i fireside this Saturday evening, May 8. The fireside is hosted by the Baha'i Community of Niles, 7917 Nordica ave., and begins at 8 p.m.

Mr. Turner is a recent employee of the Baha'i Publishing Trust and works in the shipping department. In the short time he has been in this area, he has become involved with Toastmasters International and serves as a volunteer guide at the Baha'i House of Worship in Wilmette. His personal interests are fencing, book collecting, and writing. He is currently working on a science fiction novel.

While a student at Grinnell College in Grinnell, Iowa, he first became aware of the Baha'i faith. Attending a fireside hosted by the Baha'i Club, he declared his belief in Baha'u'llah, the Prophet Founder of the Faith, two days later, giving up a dream to become a Unitarian minister.

In the four years since then, Mr. Turner worked for the Smithsonian Institution in Washington D.C. as a shop manager. He was active on various Baha'i inter-community committees and vice chairman of the Spiritual Assembly of Takoma Park, Maryland.

His fireside talk will tie together Baha'i teachings concerning evolution, progressive revelation and God's purpose for man.

### Flood Control Study for Notre Dame area

Bids for a storm drainage study of the area bounded by Dempster-Milwaukee-Main Street were authorized by the Village Board last week for opening at the May 11th board meeting.

The Notre Dame engineering study which is expected to determine methods of controlling overland storm waters in the critical Dempster St.-Oriole area will also help complete the over-all comprehensive study of Niles' sewer system bounded by Dempster St., Milwaukee Ave., Main St. and the eastern boundary of Niles (shown in Exhibit A).

The main thrust of the engineering study will concern retention sites for flood waters as well as construction of sewers said Mayor Nicholas Blase.

The Notre Dame area is one of two recommended for flood study by trustees last March. The second area, of Greenwood Estates (Dempster - Cumberland - Monroe - Greenwood) will be held

in abeyance according to the Village Manager Scheel "until we see the results of the storm sewers set in on Sunset, Stolting and Park Lane Roads."

Purposes of the study are to evaluate the present capacity of the area sewers; to seek out alternatives and retention sites; and to develop a recommended master sewer plan for the area. The study recommendation will also include the possibility for inclusion of the Federal, State and Village-funded Dempster St. Sewer project currently scheduled for a contract letting in July of '76.

The proposal asked, for estimated costs of the study and approximate time needed for completion.

Cost of the Study will be paid out of General Village funds, according to Scheel.

### Fruit tarts and quiche

French Fruit Tarts and Quiche Lorraine are the topics of a one-evening class scheduled for Wednesday, May 26, by MONACEP, Oakton's adult and continuing education program.

Because these two delicacies are made from the same dough, gourmet cook Elaine Sherman will demonstrate both items from crust to filling to glaze. Ms. Sherman, a Skokie resident, has taught MONACEP culinary arts courses for several years and has studied at Gienview's Dumas Pate School of French Cooking.

The cooking session, open to both residents and non-residents of Maine and Niles Townships for a fee of \$6, will be held from 7:30-9:30 p.m. at Maine West High School, Wolf and Oakton, Des Plaines.

For further information, contact MONACEP, 967-5821.

## Future looks bright for revenue sharing, Mikva tells officials

Congressman Abner J. Mikva has reported some welcome news to suburban officials regarding the future of federal revenue sharing.

The House Subcommittee on Intergovernmental Relations voted Friday, April 30, to approve an extension of the revenue sharing program and Congress is likely to accept the subcommittee proposal, Mikva told officials from several suburban communities that evening at the annual banquet of the Northwest Municipal Conference at The Lancer Steak House, Schaumburg.

"The Subcommittee bill includes funding to continue the program for almost four more years, with few changes in the formula that determines which local government units receive revenue sharing, and how much they receive," Mikva said. He called the five-year-old revenue sharing program a "common sense approach" to providing services because it returns funds to units of government in close

touch with people's needs.

The Congressman stressed the compromise nature of the subcommittee's bill. It recommends that revenue sharing be funded for another three and three-quarter years. Mikva had testified in favor of funding the program for ten years, "to permit the units receiving the grants the added security of time necessary to engage in more efficient and effective budgeting." Opponents of the program had lobbied for annual, one-year extensions of the program, which Mikva believes would throw local budgeting procedures into chaos.

Speaking on the major features of the subcommittee's recommendation, Mikva explained that the subcommittee rejected arguments that the allocation formula for revenue sharing be changed to benefit urban areas at the expense of small communities and state governments. Instead, the subcommittee is recommending that the current allocation schedule be retained.

"A new eligibility provision in the subcommittee bill requires units of government receiving revenue sharing to provide at least two services," Mikva continued. "However, I do not think this will adversely affect governmental units in northern Illinois." He added that the proposal includes a one-year grace period in which present levels of funding will continue while a study of the impact of eligibility changes is completed by the Office of Revenue Sharing.

Finally, Mikva told the officials that one provision of the new bill will give local officials more latitude in deciding how federal revenue sharing should be spent for their constituents. Under the present revenue sharing program, local governments may only spend the funds in eight priority categories, and these exclude school systems or programs where local input is matched with federal funds.

His timely report on the subcommittee's decision was

good news to municipal officials who had feared termination or severe cuts in the program, which would expire in December unless Congress acts to continue it. Mikva said that he will push for Congressional passage of the subcommittee's compromise package so that local governments will find out as soon as possible how much federal revenue sharing they can expect in 1977.

The following suburban municipalities are associated with the Northwest Municipal Conference: Arlington Heights, Barrington, Buffalo Grove, Des Plaines, Elk Grove Village, Hanover Park, Hoffman Estates, Inverness, Mt. Prospect, Niles, Palatine, Park Ridge, Rolling Meadows, Streamwood, Schaumburg, and Wheeling.

Repair all leaky faucets, especially hot water faucets, as quickly as possible. You'll save not only water, but energy, too.

## MG Legion Post initiates new members

Morton Grove American Legion Post 134 held its annual initiation of new members on Saturday, April 24. The ceremony was conducted by Commander Raymond Leusch, who introduced the Rifle Squad ritual team who initiated the new members. Candidate for Sr. Vice Commander of the State of Illinois, Don Root, Sr. led the initiation ceremonies and was assisted by Rifle Squad Commander and Past Commander of the Post, Ed "Butch" Lange who acted as Chaplain, instructing the new members in the meaning of the Legion emblem. Instruction was also given in Justice by Bicentennial Chairman Ralph Hintz; in Freedom by P.C. Ed McMahon; in Democracy by P.C. Ed Martin; and in Loyalty by Past District Commander Don Root, Sr. P.C. Frank Hilbert also participated as Sgt. at Arms. There were 13 new members initiated during the evening.

After the initiation ceremony honorary plaques were awarded to Hoffman's Morton House & Val's Restaurant for their community service efforts and to Cook Electric Company for their contributions to Legion activities.

The affair was under the direction of Senior Vice Commander Don Huber, who, with the assistance of the Auxiliary and Steve and Madelyn Simon, served a buffet of Chicken and Mostaccioli after a festive cocktail hour. After the initiation there was dancing and socializing.

## Morton Grove Art Guild

Win Jones, assistant professor of art at Northern Illinois in DeKalb and one of the country's top watercolorists will give a lecture demonstration for the Morton Grove Art Guild on May 12th at 8:30 p.m. in Mansfield Park Fieldhouse. As always, this meeting is open to the public.

Jones has won awards in virtually every major watercolor show in the United States within the past eight years and has been included in several books on watercolor as well as being included in The American Artist Magazine.

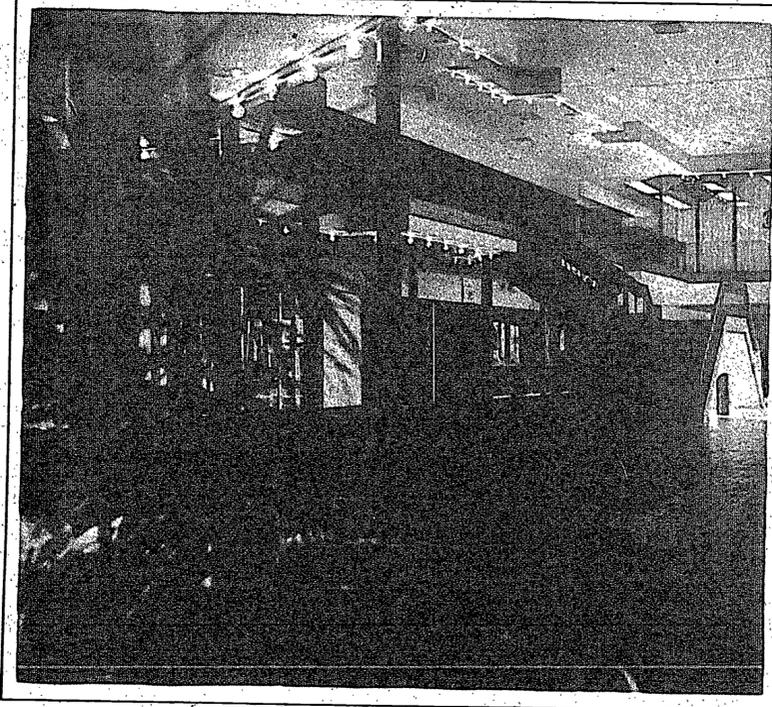

For his lecture-demonstration the artist will do a wet-into-wet painting, perhaps the most difficult means of working this medium. It consists of soaking a piece of paper and then doing the entire painting before the paper dries. A large back-up mirror provides the audience an ample view of the work. A running commentary as the painting progresses allows the audience to follow the sequence of development of the work.

## Seeing double at Maine East

Me and my shadow  
My shadow and me;  
It's all the same,  
For they're twins, you see.  
The above poem appeared in the Nov. 22, 1927, Pioneer and it seems appropriate to use it with an article concerning the 1976 twins at Maine East.

Before going on, it seems like we should mention the twins of 1927. They were Alma and Selma Steil, Marion and Marjorie Grams and Mae and Ruth Klingal.

There are thirteen sets of twins at Maine East this year. They are Paula and Patti Albano, Mark and Martin Buttlieri, Ann and Elise Hempel, Janice and Jean Jajkowski, Anthony and August Levand, Gary and Jeff Mattes, Cindy and Dori McMahon, Darlene and Marlene Moore, Cheryl and Lowell Panches, Carol and Caryn

Rosen, Karen and Karole Schuh, Linda and Lisa Winton, and Debbie and Linda Wisniewski.

The majority of the twins said that people seldom notice them as being twins if they're walking down the street, for example; but then maybe we just take "being a twin" for granted these days. I imagine that back in 1927, though, that people probably did stare a little.

Are there advantages to being a twin? Linda Wisniewski said that you have more clothes to wear and if you ever get in any trouble, you can always say "it wasn't me. It was my sister." She also said, though, that it's good to have someone closer and more of a friend than your other brothers and sisters. Likewise, Linda and Lisa Winton felt that by being a twin you've always got someone

your own age to talk to. "It's like having a friend living in the same house." Ann Hempel said that by having a lot in common with Elise that they always have a lot to talk about. Both Darlene and Marlene Moore said that you get to become friends with your twin's friends because they don't know if you are the one they know or "the other one."

And just like advantages, there are disadvantages. Ann Hempel said, "I don't like being referred to as a twin. It seems to take away from our individuality." Elise Hempel went on to say that "I can't stand being a twin because I want to be a totally separate individual. Lots of times I have to be reassured that we are two completely different people with different personalities."

### Swim Team Happenings

Registration for the Morton Grove Swim Team is now being taken at the Park District office. The program will be increased this year to a nine-week session beginning June 14th and running until August 13th. The team will also increase their competitive schedule to a total of 8 swim meets; 5 dual meets, 1 conference meet, 1 super conference meet and a novice warm-up meet. We will also be forming an A.A.U. Club which enables a child to swim against other competition in the surrounding areas.

Workout times are as follows: 12:00-1:00 p.m., Monday-Friday, Oriole Pool; 5:00-6:00 p.m., on Monday-Friday at Harrer Pool; 9:00-12:00 noon on Saturdays at

### Oriole Pool

All home meets will be held at Oriole Pool on Wednesday evenings. Age group categories are as follows: 8 and under boys & girls; 9-10 boys and girls; 11-12 boys and girls; 13-14 boys and girls; 15 and over boys and girls.

Your age group category is determined at the first dual meet of the season. You do not move up a category once the season is started.

All other information concerning scheduling, requirements, meet information, maps, etc.; will be given out to the child the first meeting of the session. If you have any further questions, contact the park office at 965-1200.

### Golf Maine Park District

#### Baseball Registration

Registration for all Golf Maine Park District baseball programs will end on Thursday, May 6th, at 6:00 p.m. Those who are interested in joining Tee Ball, for boys born between 8/1/67 and 7/31/69; AA for boys born between 8/1/65 and 7/31/67, AAA, for boys between 8/1/63 and 7/31/65, or for Intermediate League for boys born between 1/1/61 and 7/31/63 should come in to the park district office before May 6th and regis-

ter. Team assignments will be made by May 9th, and practice will begin the week of May 10th. The season will begin June 7th and run through August 6th.

For further information regarding the baseball program, or any other activity, please call the Golf Maine Park District at 297-3000, or come to the office at 9229 Emerson.

#### Ballroom dancing

The Golf Maine Park District will be introducing a ballroom dancing program for those at the beginning and intermediate levels. Tom and Agnes De Bartolo will instruct the program and they come well recommended having been instructors for many park districts, YMCA, Arlington Heights and Glenbrook High Schools for the past several years. They have won many dance competitions and have danced professionally. Some of the dances to be taught will include

the Fox Trot, Waltz, Tango, Rumba, and the Cha Cha.

Ballroom dancing will be held on Monday evenings from 7:30 to 8:30 for beginners, and from 8:30 until 9:30 for intermediates. The course will begin June 14 and run for eight weeks. The fee is \$17.50 per person and registration is by couples only.

For further information please call the Golf Maine Park District at 297-3000 or come into the office at 9229 Emerson.

#### "Knights of St. Pat"

Fourteen engineering students in the University of Illinois at Urbana-Champaign have been selected by their fellows to be "Knights of St. Pat." Included were:

Donna Glick, of Des Plaines, a student in industrial engineering, nominated by the Society of Women Engineers. She is the daughter of Mrs. Marilyn Glick,

#### "I Quit Smoking Clinic"

Each year more than 300,000 Americans die prematurely from the effects of smoking. What was once considered merely a bad habit, according to the Surgeon General, has become the number one threat to the nation's health, linked to heart attacks, strokes, lung cancer, emphysema and chronic bronchitis.

Smokers, serious about kicking the habit, will get some help by attending an "I Quit Smoking Clinic" to be held at Lutheran General Hospital, Park Ridge, Monday-Thursday, May 17-20.

Registration for the clinic is necessary and is on a first come, first served basis. To register, call 696-5064. A \$3 per person registration fee partially covers the cost of material used during the clinic.

9474 Bay Colony Dr. She has been Engineering Council representative for the Society of Women Engineers and active in Engineering Open House, was secretary of the council and is now personnel vice president. She works along with the Engineering Speakers Bureau, was active in the Society of Women Engineers conferences for high school women in 1973 and 1975, is on the American Institute for Industrial Engineering student chapter events committee, took part in the Big Ten Engineering Conference, and has been treasurer and president of her dormitory floor group. She has been elected to the Torch honor society.

Also included was Michael W. Miller, Niles, a student in aeronautical and astronautical engineering, nominated by the American Institute of Aeronautics and Astronautics student chapter. He is the son of Mr. and Mrs. Sheldon O. ## Nimrod proposals to boost educational standards

Sen. John J. Nimrod (R-4th) has introduced two bills to boost Illinois' educational standards. Nimrod's major proposal, SB 1574, would require all high school seniors to pass basic proficiency tests in reading and writing in order to receive diplomas. The tests would be prescribed by the State Board of Education.

A companion measure, SB 1575, would impose the same requirement on entering college freshmen who had not taken such a test before high school graduation and who are enrolled in a public college or university other than a community college.

Nimrod said the bills answer his concern that graduation requirements set by individual school districts are not high enough. He said the problem is

especially acute in the Chicago Public Schools.

"High school graduates from Chicago and some of the downstate districts enter college with no basic educational skills," Nimrod said. "Some universities provide remedial reading courses, which is ludicrous at the university level. In other cases, the students who have been graduated from high school without learning anything are in the same classes as educated students, pulling the classes down to a high school level or worse."

"Other high school graduates who cannot read or write enter our working society without basic knowledge and fall in their jobs, their citizenship, and their daily living."

"It is tragic," Nimrod said, "that so many of our young people attend school 12 years and still do not learn basic reading and writing skills. Clearly there is something wrong with the priorities in some of our school systems, and it's past time they were required to change their ways, for the sake of their students and for the benefit of society."

Nimrod said several other states have enacted such legislation, "and it seems to be working out."

"Illinois taxpayers are shouldering a huge burden for elementary and secondary education," he said. "They have a right to expect the public schools to provide at least a basic knowledge of necessary skills."

### NTJC to hold discussion on election

A distinguished professor of law at Northwestern, who is the head of the school's program in Law and the Social Sciences, Dr. Victor Gregory Rosenblum, will be one of the panelists when the Chicago Jewish Community Forum discusses the question: "What is the Jewish stake in the coming election?"

Because of the unusual interest in ethnic minorities and the Presidential campaign, the forum will pursue the problem at Niles Township Jewish Congregation, 4500 W. Dempster, Skokie, on Tuesday, May 11, at 8 p.m.

Other panelists at the forum session, now in its fifth year, sponsored by the Zionist Organization of Chicago and Professor of History of Education of the University of Chicago, and J. I. Fishbein, editor and publisher of the Sentinel, the English-Jewish community weekly in Chicago for the past 65 years.

Dr. Krug has written several definitive articles regarding the Jewish vote in Presidential and local elections and Fishbein has commented on the local political scene for the past 35 years; he served as editor and publisher of the Sentinel.

Prof. Rosenblum, who was president of Reed College for two years, was a visiting professor of the school of law at the University of Louvain, Belgium, and is in his present position since 1970. He also served as an assistant professor of political science at the University of California in Berkeley and was president of the Law and Society Association for two years.

He holds memberships in the American Political Science Association and the American Bar Association and has written several legal and political science textbooks as well as over fifty articles in leading magazines and journals. He is chairman of the Chicago Executive Committee of the Anti-Defamation League of the B'nai B'rith and a member of the board of trustees of Beth Emet Synagogue of Evanston.

#### MYS concert member

This week the Metropolitan Youth Symphony Orchestra will be the busiest orchestra around. On Friday evening, May 14, at 8:15 they will perform their annual Orchestra Hall concert. Concert members include: Laura Derichs, 5925 Carol ave., Morton Grove (flute).

## New officers of Orchard Center

The new officers of Orchard Center for Mental Health met recently at the Center at 8600 Gross Point rd., Skokie. The progress of its Campaign Cabinet Drive for additional funds from organizations and industry was discussed. Because the Center serves the residents of Niles

### Demon tennis results

The Maine East varsity tennis team is now 6-0.

On Tuesday, April 20, Evans-ton brought their tennis team into the lions den of Maine East. Norm Peterson, the No. 1 singles player for Maine East, was back in his regular form when he met Bill Schmidt and defeated him 6-0, 6-3. Jim Harkensee, No. 2 singles, defeated Perry Gregg 6-4, 6-4. At No. 3 singles, Maine East's John Lee put Wally Lewis away 6-3, 6-2. Karl Aschacher and Dave Cohen were stopped by a strong doubles team from Evans-ton of Tom Wolf and Dave Woolf. East won the first set 6-4

but then lost 4-6. The third set went to 6-6 and had to be determined by a 12 point tie breaker. Evanston finally won the third set 11-9 in the tie breaker for their only point. At second doubles Rob Botton and Arnie Harris defeated Tom Broughton and Rich Lewis 6-4, 6-4. Maine East defeated Evanston 4-1.

Maine East coach Art Belmonte noted that Evanston played all sophomores and one junior, which makes them a very young team that will be strong in the future. Maine East is only supporting two seniors, though, on their starting seven.

On Thursday, April 22, Maine East played Glenbrook South on their home courts. Norm Peterson at No. 1 singles beat Brad Vogl 6-0, 6-1. Jim Harkensee at No. 2 singles played his usual strong game in winning 6-1, 6-1 over Harmon Deal. John Lee at No. 3 singles beat Mai Nguyen 6-1, 6-4. With Karl Aschacher's absence, Jim Tomaszewski filled the position at No. 1 doubles. He and Dave Cohen were victorious over Dave Hammel and Andy German in three sets, 6-4, 3-6, 6-1. Rob Botton and Arnie Harris captured the fifth conference point by defeating John Roley and Kurt Rinker 7-5, 6-4. The final score

was Maine East 5, Glenbrook South 0.

This win was Maine East's first conference victory, but it was the sixth win in a row with no losses.

"I was glad to see Norm Peterson back on the winning track. Jim Harkensee is still undefeated at No. 2 singles, and I think he can go all the way in our conference this year," said Coach Belmonte.

### Auto Air Systems

A one-day session on "Auto Air Conditioning," including both classroom and laboratory work, will be offered by MONACEP on Saturday, May 8 and again on Saturday, May 15, from 9:00 a.m. to 1:00 p.m. at Maine West High School, Dempster and Potter, Park Ridge.

Harry Block, a resident of Elk Grove Village, who has taught industrial arts courses in auto shop at Maine East for seven years, will be the instructor. Participants will learn to perform basic maintenance functions and procedures on a car's air conditioning system.

The fee for the one-day session is \$15.00 for both residents and non-residents of Maine and Niles Townships.

For further information, contact MONACEP, 967-5821.

### Notre Dame's Gerard and Cawley attend fencing championships

The weekend following the N.C.A.A.'s in Philadelphia, four former NDHS fencers attended the International Martini-Rossi Championships at the N.Y. Athletic Club. Tim Glass suffered an injury and did not make the finals. Bill Kica and Sam DeFiglio were eliminated in the early rounds. In foil, ND's Pat Gerard had a fantastic day according to those present. Going into the semi-final round he was the #1 seed over the whole European entry. Even Greg Benko, 2-time NCAA champion was eliminated early. On his way to the semi's Gerard defeated Ed Ballinger, Marty Lang (Pan-Am Champion), Push (World Epee Champion) from W. Germany, Valjaic (NYU All American, 3rd NCAA), plus many others and by very significant scores. Gerard was eliminated in the semi's after losing to Kurt Freeman (US National Champion) and 3 other Europeans including the World Champion Christian Noel. There was only one American in the finals and only 3 in the semi's.

The prime event of the year for Gerard and Kevin Cawley (NDHS '76) was the World U-20 Championships in Posnan, Poland over Easter vacation. There were 36 countries present, including Russia, Czechoslovakia, Yugoslavia, Hungary, Bulgaria, Rumania, E. Germany, Poland, Norway, Finland, Denmark, Sweden, Cuba, Egypt, Algeria, Israel, Republic of Korea, along with the other Western European countries.

The events had about 77 entries in each, so it was a large field. Remembering that all entries are the National champions and the runners-up, makes this a strong field. Although these are juniors under 20 years of age, this does not limit their ability. Last year's 4th place epee champion was the World Senior Epee champion in July.

In the Foil, US entries were Pat Gerard (NDHS '73; UND), Mike Marx (Port. Ore.), Marx advanced with a 4-1 record, while Gerard struggled with a 2-3 record, losing to Bruniges (the eventual champion) from Great Britain, Lack (Austria) and Isakov (USSR). Gerard's touch ratio was good so his next round was not as bad as it could have been. The foil champion was Robert Bruniges (G.B.) with Pascal Jolyot second. Gerard had only losses to those who advanced ahead of him, and three of his losses were to three finalists, his record for the meet was 8-7.

The USA has had a good record in epee of recent date. Tim Glass' performance of last year (3rd in World) was the best US performance in the weapon since the US entered the competition 10 years ago, but at least we have had finalists in 1971, 1975 and 1976. To date, in the past 5 years, the best US performers have been fencers from NDHS and Univ. of ND, coached by Rev. Lawrence Calhoun, CSC, and Prof. Michael DeCiccio.

One final entry in the competition was alternate Kevin Cawley currently at NDHS. Alternates do not compete unless there is an injury or illness before the event, but the World body has decided to have a contest composed of all the first round eliminées and the alternates. This makes a tournament within a tournament composed of between 30-40 fencers, a formidable competition in itself. Kevin Cawley fenced very well. In the first round he defeated Iran and Greece, losing to Poland, Denmark and Bulgaria. In the second round Cawley was 3-2 with wins over Etropolski (Bulgaria), Gaye (Israel) and Shay-kholeslami (Iran), and losses to Pietrusinski (Poland) and Baron (Poland). In the finals Cawley was 6th but this was a field of all Eastern Europeans except for the Englishman, so both GB and USA were outsiders in this event. Finals were (1) Etropolski (Bulgaria) 4-1; (2) Kostzewa (Poland) 4-1. A fence-off between the top 3 was decided on touches after they tied again. (3) Baron (Poland) 4-1; (4) Kay (Great Britain) 2-3; (5) Versteegen (Belgium) 1-4; (6) Cawley (USA) 0-5. This puts Kevin Cawley somewhere between 50-55th in the World.

### Demonstration at Lutheran General on respiratory emergencies

You're in the grocery store and the person standing next to you suddenly stops breathing or suffers a cardiac arrest. You're eating supper and a member of your family begins choking on a piece of food. What would you do?

You can find out how to help in such life-threatening emergencies at a public program to be held at Lutheran General Hospital, Park Ridge, on Tuesday and Thursday, May 11th and 13th. It will feature individual instruction in cardiopulmonary resuscitation (CPR) and the Heimlich technique, used to rescue someone choking on food.

The program will be presented by Deborah Buckley, R.N. & B.S.N., Emergency Medical Systems Coordinator at Lutheran General, and some representatives from ten area fire departments including paramedics and emergency medical technicians.

Starting at 6 p.m. both nights, the program will be repeated on an hourly basis until 10 p.m. in the tenth floor east dining room at the hospital.

The firemen participating in the program represent the Des Plaines, Glenview, Glenbrook,

Morton Grove, Mount Prospect, Niles, Northbrook, North Plaines, Skokie and Park Ridge Fire Departments.

### Fund raising basketball game

For some of the best family entertainment in town come to see the "Pro Sports" Basketball Team play our own Maine North High School Faculty in a fund raising exhibition game. Proceeds will go to Maine North Athletics. The Pro Sport roster lists many of the top professional athletes from football as well as celebrities from radio, television and newspapers.

Game time is Friday, May 14, at 8 p.m. in the Maine North High School gym. Tickets are \$2 each and may be purchased at the bookstore in the school or at the gate.

The Pro Sports Team will sign autographs after the game.

### Northwest Suburban Bar Association meeting

Judge Herbert Friedlund of the Circuit Court of Cook County will address Northwest Suburban Bar Association members and guests at the group's May 12th dinner meeting in the Elks Club, 495 Lee St., Des Plaines.

Judge Friedlund, who is serving as Honorary Vice Chairman of NWSBA's Law Month activities during May, has been a judge in the Divorce Division of Circuit Court for over five years. He will discuss his experiences in the pretrial motion area of divorce court at next Wednesday's gathering.

Reservations are required by May 10th at the bar association's executive office in Mount Prospect, phone 253-2562. Cocktails are at 6:30, dinner at 7:30.

Groups wishing to have a speaker during May on the Law Month theme of "Two Hundred Years of Liberty and Law", or some specialized topic relating to legal problems, may contact the NWSBA office, or Law Day Speakers' Bureau chairman, Matthew L. Sallita, at FR 2-2861. There is no charge for this service.

### Jewelry Theft Foiled

A would-be thief was frightened away empty-handed Thursday, April 29, from a jewelry store in Golf Mill after he attempted to remove a counter display containing 12 rings valued at \$8,000.

Police said the man entered the store to look at some rings. He discouraged further help from the store clerk so that he "could look around the store."

In forcing open the glass the thief dropped the case spilling the rings, attracting the attention of the clerk. He fled the store following an alarm by the clerk, said police.

The man was described as in his 20's, 5 feet 2 inches in height, slender build, with black hair and eyes. He was dressed in swinger fashion, said police.

### Hypertension Screening tests

Free Hypertension Screening tests for area residents and numerous other special activities are planned by Holy Family Hospital in observance of National Hospital Week, May 9-15.

Events for the week are centered around this year's theme, "Healthy Birthday, America!"

As part of the observance, free Hypertension Screening tests will be available on Monday, May 10, from 1-3 p.m. and 7-9 p.m. in Holy Family's new Outpatient Department. To receive tests, persons are asked to enter the hospital through the Emergency Entrance.

### Yoga and Meditation Conference

An International Yoga and Meditation Conference will take place June 17-20 in Chicago at the Palmer House Hotel, sponsored by the Himalayan International Institute of Yoga Science and Philosophy.

In addition to lectures and research reports, there will be practical demonstrations of various meditational techniques, opportunities for teachers training, exhibits and films. For more information write: Himalayan Institute, 1505 Greenwood rd., Glenview, Ill. 60025.

### Niles Days Board recommends 50% cut in money requests

The Executive Board of the Niles Days Committee Monday night recommended that 12 of the 14 group requests for 1976 Niles Bicentennial Festival proceeds be reduced to half of each amount requested. The remaining two requests of \$100 each were recommended for allocation in total.

Should the Board recommendation receive favorable committee-delegate vote in June, 12 of the petitions will be halved to a total of \$10,847.50. An additional \$7,500 voted by resolution of the Days Committee last April for partial funding of the Bicentennial Fourth weekend (covering a community fair, parade and fireworks) plus the two \$100 requests round out a projected 1976 proceeds of \$18,547.50.

Should the Festival net more than the requested amount, the 12 organizations will gain a corresponding, equal percentage, said Niles Days co-chairman Ed Brach.

However, should the board recommendation be rejected by committee vote, each delegate of the 33 member Niles Days Committee must vote on a preference of 4 selections, with the first choice receiving 1 point; the second, 3/4 point; third, 1/2 point and the 4th choice, 1/4 point.

The board does not expect the 1976 fair to make the \$29,395 demanded for a 100% allocation of the original requests, according to Brach.

The Niles Days group projects to earning a net of \$22,000 in July, predicated upon fair weather. "Prices seem to have stabilized as far as contracts are concerned," said Brach.

Altho the Executive Board is responsible for qualifying each request under the group by-laws, none of the requests were disqualified. However, six of the requesting organizations have a membership which extends out of

Niles. At least five of the requests benefit other than Niles residents.

Niles Days by-laws demand that festival monies be used for the "general welfare of residents of the village" ... "that the corporation be operated exclusively for purposes beneficial to the community ... and its residents."

In other action the Niles Days Committee accepted as a member the 80-member group of the St. John Brebeuf Golden Age Club of senior citizens.

Co-chairman Ben Mankowsky noted the grand prize of this year's festival is a 1976 air-conditioned Ford Granada valued at \$5,400. Additional prizes will be awarded each of the five carnival nights, including a 16" portable TV set and a \$200 proof bronze ingot of the Bill of Rights, issued by the Franklin Mint, on Saturday night.

The 1976 Niles Bicentennial Festival is planned for Wednes-

day, July 21, thru Sunday, July 25, at the Four Flagg's Shopping Center, 8251 Golf rd., east of Milwaukee ave.

The Niles Days Committee presently encompasses 33 civic, cultural, fraternal and religious groups.

Brach said Tuesday night that the Niles Days Committee will seek a "worthwhile village project" for allocation of next year's funds.

### On Dean's List

Three students from Niles have been named to the Dean's Honor List at Augustant College, Rock Island.

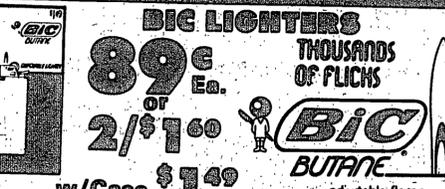

They are James E. Haase, sophomore, a son of Mr. and Mrs. Edward Haase, 7453 Mufford st.; Pamela L. Koperny, junior, a daughter of Mr. and Mrs. Robert Koperny, 8622 Osceola, and Deborah S. Shipp, senior, a daughter of the Rev. and Mrs. Gordon L. Shipp, 7315 N. Caldwell.

### Arbor Day observers

On Friday, April 30 the Niles Park District observed Arbor Day by planting 37 pine trees in the various parks. Shown above are Commissioners Steve Chameriski, Jack Leske, Jeff Arnold, local resident Gay Filbert, Director Bill Hughes, Andrew Ciabattari, Foreman in charge of installation of the trees, with Cub Pack #62 members, Billy Hayes,

Brian Wozniak, Kevin Ashcroft and Brad Ashcroft, Cub Pack #62 assisted Park Commissioners in the installation of the above pine at the Golf Mill Park site. Last Fall the Park District planted in excess of 400 trees and shrubs, with an additional 50 planned for planting this Spring.

### High School District 207 board meeting

Monday, May 31, the day on which Memorial Day is being observed by the federal government, will be a school holiday for the Maine Township High Schools.

At its April 26 meeting, the District 207 Board of Education approved a change in the current school calendar to include the May 31 holiday, thus keeping the calendar in agreement with the calendars of the underlying elementary and junior high schools which were recently changed to include May 31 as an additional school holiday.

At Monday night's meeting, the Board also voted to change its regular monthly meeting date from the fourth Monday to the first Monday of every month beginning with the May, 1976, meeting, which will be held on Monday evening, May 3, at Maine North. Unless otherwise specified, however, the monthly meetings will continue to be held in the Teachers' Lounge at Maine East at 8 p.m.

The administration was authorized to again operate a guidance and counseling program at each of the four Maine Township High Schools during the summer of 1976, at a total cost not to exceed \$11,250. Summer guidance activities will include planning and organizing guidance activities for the opening of school in September; counseling with students; registration and academic planning particularly for students moving into the township during the summer; testing and orientation for transfer students; educational and vocational counseling for students withdrawing from school; resolving scheduling conflicts; and verifying academic credits.

Because the participation of the Directors of Guidance in the summer guidance program has become increasingly important, and the responsibilities of the directors has been expanded, the position of Director of Guidance was established by the Board as a twelve-month position, with the directors being employed as administrative staff members.

Resolutions were passed expressing appreciation to Leonard R. Grazian and Roy O. Makela for their valuable service on the Board. Both men retired this month upon completion of their terms of office. Mr. Grazian, immediate past president of the Board, had been a member since April, 1971, and Mr. Makela since April, 1967.

A representative group from the Maine Secretaries Association/IEA were present to hear their spokesperson, Mrs. Marge Comstock, MSA president, ask for Board recognition of the MSA. The request was taken under advisement.

Mr. Tom Brull of Erickson, Kristmann, Stillwaugh, Inc., school architects, was in attendance to review with Board members preliminary drawings for renovation work needed at the district's Administration Center. The plans were turned over to the Board's Buildings and Grounds Committee for review and recommendations.

Textbooks recommended by the Textbook Review Committee for use in the district's instructional program were approved and adopted.

### MONACEP Seaport Tour

An all-day guided tour of the Chicago seaport area has been scheduled by MONACEP for Saturday, May 8, from 9:00 a.m. to 4:00 p.m. Covering 60 miles of interesting waterways, the "Seaport of Chicago and River Trip" has become something of an event to MONACEP participants.

Offered by Oakton Community College as part of its adult and continuing education program, the tour in a heated, covered boat will cover Lake Michigan; the Calumet, Little Calumet, and Chicago Rivers; the Cal-Sag Canal, and the Sanitary and Ship Canal.

Storinger, associate professor of humanities, will provide insights into Chicago's history; Mikulski associate professor of biology, will discuss the natural history of the area; and Taylor, assistant professor of political science, will focus on Chicago's social and political history.

The fee for the daylong tour is \$15 for both residents and non-residents of Maine and Niles Townships. An orientation session will be held at Niles West High School on May 5 at 7:30 p.m. For further information, contact MONACEP, 967-5821.

### House Entry

A woman resident in the 7800 block of Keeney told Niles police that her home had been ransacked.

Police investigation revealed entry to the home had been made thru a broken window in the entryway. The house had been ransacked but nothing appeared to be missing.

### Village of Niles goes to computer

(By Alice M. Bobula)  
Purchase of a Microdata computer was approved by trustees last week at a cost of \$56,850 and an additional \$10,000 for "software" (programming for the computer).

Monies for the purchase came from "extra general sales tax generated this year that were not anticipated," according to Village Manager Kenneth Scheel.

Mayor Nicholas Blase said talk of computerizing was initiated 2 years ago "to modernize village procedures... we had to go out and find one to fit our needs."

A long, dedicated study by Village Administrator Charles Kohlerman finalized in the purchase of the computer from the California firm he said. The computer is at the Administration Building, 7601 Milwaukee ave. All office personnel are being instructed in the operation of the computer also actual performance is at individual command.

Scheel said the computerizing was necessary, "otherwise we would have been stymied by the cost of labor for management objective."

"It (computer) will get out the monthly water bills in 20 minutes, versus the two weeks it takes now," he noted.

The computer is expandable and will take on more "memory work" as the village grows, he said.

"Basically, the computer is being programmed for water billing, municipal fund accounting, payroll, accounts receivable and accounts payable... they we'll move into such things as licensing, including vehicle stickers, animal tags, business licensing, then into vehicle maintenance and many other areas." Scheel said if the computer were to be used only in the areas

mentioned above, financially "there would be no reason for a computer". However, he said, "we want to get into many other aspects of management with it, such as program budgeting, performance budgeting and obtaining information for management decisions."

"The savings on time will be great," he commented, noting further use for labeling progress reports and the labeling of senior citizen information.

An NCR machine, leased by the village for the last 6 years, is unable to do the work the computer now handles, he said. The total savings in dollars and cents, discounting labor (in comparing the NCR machine and the computer) according to Scheel, "will amount to \$19,000 per year".

### Special Education camp for youngsters

Camp Pinehill Day Camp and Summer School starts its eighth year on June 21 to aid children in the west and northwest suburbs with special education needs. This year, the camp will operate at two locations, Peace Church United Church of Christ, Wood Avenue and Center Street, Bensenville, & St. Barnabas Church, 22 W 415 Butterfield Road, Glen Ellyn. Camp Pinehill is a half-day

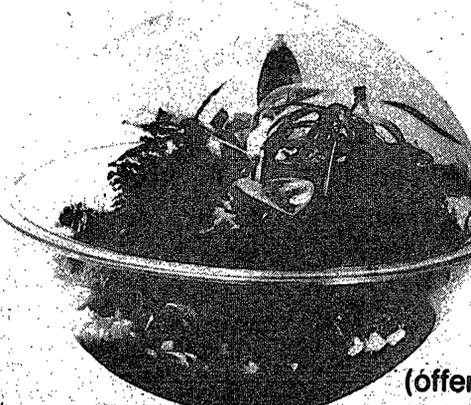

program designed especially for boys and girls between the ages of 5-12 years who experience learning and emotional problems. It began in 1969 in response to the critical need of local communities to meet the recreational, educational, and social-emotional needs of these children. For further information, please call Camp Pinehill administrative offices at (834-1335) in Elmhurst.

## Park Board ok's outdoor lighted ad board for Sports Complex

[By Alice M. Bobala]

Niles Park District Commissioners Thursday night approved the selection and purchase of an electric outdoor sign for the Sports Complex at 8435 Ballard rd.

Of three proposals ranging from \$900 to \$1,750 on the lighted sign, commissioners selected the middle bid of \$1,400 by Hancock Sign Co. of Chicago as the most suitable and in line with the park district budget allowance of \$2,500.

A \$700 charge for electrical work installation by Skokie Valley Electric Co. allows the remaining \$400 for installation of the sign by the Park District.

The 5 ft. by 10 ft. signboard has fluorescent inside lighting, 3-dimensional lettering and is double-faced. The sign has space for 4 lines of copy with an additional top permanent line of Niles Park District Sports Complex. The price includes 200 letters for sign use. Delivery date is 21 days.

Niles Park Director Bill Hughes

## Student teachers

Students from the University of Illinois at Urbana-Champaign are practicing teaching in schools throughout the state this semester.

Local students include: From Morton Grove - Lori Lindheimer,

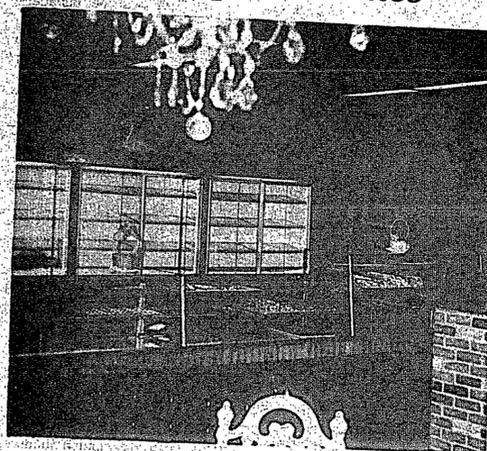

said the sign will be installed diagonally on the corner of Ballard rd. and Cumberland on park property so that the sign is readable from both street areas. Hughes expects to experiment location facing with the portable sign on immediate loan from the Hancock Sign Co. until delivery of the park sign.

A similar-size outdoor sign is presently located at the Rec Center, 7633 Milwaukee ave., estimated by Hughes to be "8 to 10 years old". Vandalism with rocks has broken a goodly portion of the south side of the sign.

Monies for the Ballard Sports Complex sign were allocated from the \$135,000 Jonquil Park grant of matching funds returned to the park district according to Hughes.

In other action park commissioners approved an auditing transfer of unexpended funds into anticipated overexpended funds. Hughes termed the action as "usual" for balancing of the budget at the end of the fiscal year.

## CitizensBank announces Dimension 60 seminar plans

Healthy, Wealthy, and Wise is the title of the fifth program in the Dimension 60 seminar series of timely topics for persons sixty years of age and over.

The seminar, sponsored by Citizens Bank & Trust Company of Park Ridge, will be held on Tuesday afternoon, May 18, at 1 p.m. at the Pickwick Theater, 5 South Prospect, in Park Ridge.

Included among the topics for discussion are "Probate and Wills - What You Need to Know"; "Social Security - Recent Legal Changes"; and "Arthritis - Facts and Fallacies".

As a special added Bicentennial attraction, Healthy, Wealthy, and Wise will also feature the songs and music of the Konrad Family Singers, Don and Molly Konrad and their seven children, who have performed from coast to coast, will present a concert of favorite American tunes, ballads, songs from the "Sound of Music" and Austrian and German folk music.

"The topics selected for Healthy, Wealthy, and Wise reflect subjects specifically requested by a number of senior citizens," according to Judy Malz, administrator for the bank's popular Dimension 60 program. This seminar will give insight into the probate process and the need for a will as well as discuss recent

changes in Social Security laws affecting senior citizens. The third part of the program will alert seniors to some of the medical myths and facts about arthritis, a common affliction among older people.

As part of the program there will be question-and-answer sessions, raffle prize drawings, free refreshments, and organ music. Admission is free, compliments of CitizensBank. However, in order to plan for refreshments, the bank asks that interested persons call for reservations.

The Dimension 60 seminar series is part of a carefully selected package of twenty-six financial, travel, purchasing, and informational services available

free to persons sixty years of age and over. Among the services available to Dimension 60 members are a grocery discount program, merchandise purchase discount plan that enables members to receive reductions on purchases at nearly sixty area stores (including prescriptions from some local pharmacies), trust financial planning consultations, a restaurant discount plan, custom travel packages, RTA photo transit discount card, and many others.

For more information about Dimension 60 or to make reservations for Healthy, Wealthy, and Wise, persons should call Judy Malz at 825-7000, ext. 273.

### Greenman elected vice president at McDonald's

Seymour Greenman has been elected a vice president of McDonald's Corporation, Fred L. Turner, president, announced. Previously an assistant vice president, Greenman is responsible for the real estate legal operations.

Greenman joined McDonald's in 1965 as a real estate attorney, and has since served as director of real estate and assistant

secretary of the Corporation. A graduate of DePaul Law School, Greenman lives in Skokie with his wife Renee and their three children.

McDonald's, founded 21 years ago, has more than 3,700 restaurants throughout the United States and in 20 international markets. The company recently reported 1975 record systemwide sales of nearly \$2.5 billion.

### FNBOS Promotions

Daniel Casey (at left) promoted from Vice President of Operations to Vice President of the Personal Banking Department, and Florence Pettalla appointed to Assistant Secretary of the Trust Department of the First National Bank of Skokie.

### Walters Executive VP of Callero & Catino Realty

W. C. (Walt) Walters has been appointed executive vice president and general manager of Callero & Catino Realty, Inc. in Niles, announced president Frank Catino.

Prior to joining Callero & Catino in 1966 as a broker and sales representative, Walters owned a real estate firm in Chicago. He was named sales manager in 1969.

He is an active member of the Northwest Suburban Board of Realtors, National Association of Realtors, Illinois Association of Realtors, Graduate Realtors Institute and a lifetime member of the Million Dollar Club.

Walters resides in Park Ridge with his wife Irma and their twin daughters. He is active in the Holy Name Society of Our Lady of Ransom Church in Park Ridge. "Walters' sales record in residential, commercial, industrial,

land development and investment real estate is most impressive."

"His experience and executive ability make him highly qualified to manage our company and help guide us toward continued growth and expanded services," Catino added.

### Retirement celebration at Skokie Trust

Retirement celebration at Skokie Trust Bank was held recently to honor Mrs. Mollie Biegun, secretary to the president (center) who is retiring to Maryland after 13 years of service to the bank. Joining in the festivities are bank staff members (left to right) Mrs. Betty Jacobs, personal banking, Mrs. Florence Alexander, personnel officer, Mrs. Beigun, Mrs. Muriel Brown, safety deposit department, and LeRoy J. Plaziak, president of Skokie Trust.

### Shareholders re-elect directors of First National Bank of Des Plaines

Shareholders of the First National Bank of Des Plaines attending the bank's 63rd annual shareholders meeting re-elected all incumbent directors to serve a new one year term.

Re-elected directors are: Arthur A. Amling, Partner, Amling Enterprises; John C. Felten, President, Transportation Systems & Industrial Group, Evans Products Company; Robert W. Fernstrom, Chairman of the Board, Fernstrom Storage & Van Co.; Jack D. Hughes, President, Littelfuse, Inc.; Wesley H. Loomis III, President, General Telephone Directory Company; Ralph H. Martin, President, Wm. L. Kuntel & Co.; William J. McDermott, President, Simpson Estates, Inc.; Richard W. Sievert, President, The Sievert Corporation; Louis C. Spiegler, Sec'y & Treas.; Spiegler's Department Store, Inc.; Philip J. Weber,

Chairman of the Board, The DoAll Company; Frederick F. Webster, Jr., Investments; George A. Webster, President, A. L. Webster & Co.; Arthur R. Weiss, President, First National Bank of Des Plaines; J. Frank Wyatt, Vice President-Treasurer, UOP, Inc.

The meeting was chaired by Arthur R. Weiss, president, and shareholders were given special reports by three key bank executives.

John W. Heddens, Jr., executive vice president, reviewed last year's fiscal performance that resulted in record growth. Deposits rose to \$128 million from \$118 million. Total resources increased to \$153 million from \$135 million, or 8.1%. This compares with total resources of \$69 million just 10 years ago. Net income reached \$3.15 per share in 1975 compared with \$2.73 the

previous year. Heddens observed the bank's new Convenience Center will open late next month. Drive-in facilities will be enlarged to eight lanes with access from both Lee st. and Graceland ave. Walk-in offices will provide most personal banking services for extended banking hours.

The Trust Department now has managed assets in excess of \$50 million after only 10 years of existence according to James S. Sheldon, senior vice president and trust officer. A constantly growing number of individual and businesses are seeking investment help from the trust department's professional staff, Sheldon stated.

Construction progress of Superblock was discussed by Bruce I. McPhee, senior vice president. Excavation and foundations for the 10 store office building to be known as the First National Bank Building are completed. When the building is finished early next year the bank will occupy the lower level and first two floors. Plans are proceeding for the second phase shopping mall addition and the multi-tier civic parking structure.

### Cub manager at NW Federal

Chicago Cub manager, Jim Marshall, will make a special guest appearance in the lobby of North West Federal Savings, 4901 W. Irving Park rd., Chicago, on Thursday evening, May 13.

Marshall signed his first professional baseball contract with the Oakland Oaks of the Pacific Coast League when he was 18 years old. He spent time with seven major league clubs during his playing career - including both the Chicago Cubs and the White Sox. He also spent three years with the Chunichi Dragons in the Japan Central League. On July 24, 1974, Jim Marshall succeeded Whitey Lockman as Chicago Cub manager.

Marshall will appear in the Irving Park lobby with NWF's sports director, Bob Elson, from 6:30 p.m. to 8 p.m. on May 13. He will visit with fans and sign autographs for all the youngsters.

### Peterson elected to Evanston Federal's Board of Directors

"At the recent regular meeting, Clifford J. Peterson was elected to the Board of Directors of Evanston Federal Savings and Loan Association," it was announced today by Robert E. Schrader, Chairman.

For years Mr. Peterson was associated with the First National Bank and Trust Company of Evanston, retiring in March from the position of Vice-Chairman of the Board of Directors.

Clifford Peterson is well liked and well known in Evanston, having been President of the Evanston YMCA and the Evanston Community Hospital; he was also Treasurer and Director of Evanston Chamber of Commerce and North Shore Junior Achievement. Currently he is a member of the Board of Old Equity Life Insurance Company. He is a member of the Evanston Rotary Club and First United Methodist Church.

Probably the greatest harmonica group in the world and known for their many engagements outside the U.S., they have a unique way of making four harmonicas sound like a full orchestra.

Tickets for this great entertainment are \$5 per person and are available from any Niles Police Officer, at the Police Department or by calling 825-8585.

All proceeds are for the benefit of the Niles Police Benevolent Association.

### Open try-outs for "Taming of the Shrew"

For the first time in 30 consecutive seasons of presenting varied theatre fare to northwest suburban audiences, Des Plaines Theatre Guild will offer a Shakespearean production this summer! The Taming of the Shrew, Shakespeare's slapstick comedy about a man willing to woo and wed a wildcat wife out of a self-assurance that he can make her simmer down, is the play

selected for Guild Playhouse in July, with John Schile, Jr. of Rosemont as director. Performances are scheduled for July 9, 10, 16 and 17.

Open readings for the summer show will be held on Sunday, May 9, at 2 p.m. and Monday, May 10, at 8 p.m. in the Playhouse at 620 Lee st. (corner of Miner) in downtown Des Plaines, where the current production is the modern musical Jacques Brel Is Alive and Well and Living in Paris.

Director Schile will be seeking 33 actors for roles in The Taming of the Shrew. Some 26 men are needed for the cast, and seven women. Anyone interested may read at the auditions, regardless of previous acting experience or activity with Des Plaines Theatre Guild.

For further information about the May 9 & 10 tryouts or to reserve tickets for Jacques Brel phone Guild Playhouse, 296-1211, between noon and 8 p.m. daily.

### Maine North band concert

Maine North's symphonic wind ensemble and the Maine East Concert Band will perform a combined concert at Maine East High School on Thursday, May 13, at 7:30 p.m.

The concert will be given in the school's cafeteria. Mr. O. D. Preme, Maine North music department chairman, and Mr. Gerald Hug, Maine East music department chairman, will direct the bands.

### Boys' Bowling Club

Members of Maine East Boys' Bowling Club will hold their annual banquet on Tuesday, May 11, and members of the first place teams in both divisions will be honored.

## Thum' Day at Oakton

The very first college "Thum Wrassin" tournament ever held in the United States will be hosted by Oakton Community College on Thursday, May 6, from 12:30-2 p.m.

Sponsored by Oakton's Board of Student Affairs in cooperation with the American Thum Wrassin Association (ATWA), and Kentucky Fried Chicken. The light-hearted competition centers on five main events: male single matches, female single matches, male tag team matches, female tag team matches, and mixed tag team matches. A championship event will also be held to determine the final winner in each category.

Winners of each event will receive an official "Thummy" award and a thumb-sized black belt. Runners up will get a bucket of chicken to "soothe their thumb's lickin'."

Entrance fee to participate in the competition will be \$1.00 per person or 50 cents per thumb.

The contests are open to the public. For further information, contact Lou Petlica, Director of Student Activities, at 967-5120, ext. 320.

### Lecturer at Oakton class

Dr. Earl S. Johnson, professor emeritus at the University of Chicago where he taught sociology for 36 years, recently appeared as a guest speaker at Oakton Community College in Morton Grove.

Johnson spoke to over 50 people in a psychology class of Eugene Abrams, associate professor of social science at Oakton, who studied under Johnson at the University of Wisconsin. Now retired and living in Bladwin, Kansas, 80 year old Johnson recently received an honorary doctorate of human letters from the University of Wisconsin.

At Oakton, Johnson spoke on the impact of society on the formation of an individual's personality, adding that he plans to continue being "alive and interested", regardless of his age. Johnson is a consultant to the Los Angeles Board of Education and to the University of Oklahoma School of Education. He has appeared at Oakton once before and has presented the school with many books.

### RTA considers extension of Golf Mill Route

The Regional Transportation Authority Board of Directors will be asked Thursday, May 6, to approve extension of a North Suburban Mass Transit District (NORTAN) bus route from Old Orchard Shopping Center to Golf Mill Shopping Center.

RTA staff is recommending that the present Route 8, which stops at Old Orchard Shopping Center in Skokie, be extended along Golf rd. to Golf Mill Shopping Center in Niles. The new route, if approved by the RTA directors at Thursday's monthly meeting, would be designated No. 208.

RTA staff members recommended the route change after meeting with NORTAN officials. RTA will promote the route change and inform NORTAN passengers of the new schedule. The change is one of nine route recommendations the Board will consider Thursday.

## Niles actor in "The Good Doctor"

Herb Shayman of Niles, formerly of Skokie, is cast in four different roles in the Moraine Players of Highland Park's upcoming production of The Good Doctor, a comedy by Neil Simon based on short stories by Anton Chekhov. The first role Shayman plays is that of a fawning government clerk who accidentally

sneezes on the head of his superior. The second role is that of an inexperienced, but eager, medical student who must pull the tooth of the local sexton. The sailor who makes a living by impersonating a drowned man. Finally, Shayman plays the role of an effete bank employee. When not appearing on stage, Shayman is an insurance estate planner for New York Life, 7366 N. Lincoln, Lincolnwood.

The show is directed by Rhoda Perlman and produced by Barb Pounian, both of Highland Park. Other cast members are June

Fisher, Harry Perlman, Victor Heiford, and Yvonne Urban, all of Highland Park; Cathleen and David Mitchell of Evanston; Judy Klarfeld of Winnetka; Susan Feldstein of Northbrook; Gus Morner of Chicago; and Larry Gutkin of Deerfield.

Show dates are 8:30 p.m. Thursday, May 13, and Friday, May 14; 6 p.m. and 9 p.m. Saturday, May 15; and 2:30 p.m. Sunday, May 16, at the Highland Park Recreation Center, 1850 Green Bay rd., Highland Park. Tickets are \$2.50 for adults, \$1 for students. For further information, call 432-2442 or 831-2426.

### "Diversity"

The Footlighters of Irving Park Lutheran Church (corner of Harding and Belle Plaine ave., Chicago) are presenting an original musical comedy — Diversity — on May 15, 21 and 22 at 8 p.m. and a Sunday matinee May 16 at 3 p.m.

Tickets are \$3 adults, \$2 students and \$1 under 12.

Don't miss this entertaining extravaganza. There's something for everyone!

### Notre Dame students chosen for High School Honorary

Rev. Milton Adamson, C.S.C., Principal of Notre Dame High School in Niles, has announced that 20 seniors have been selected for membership into one of the nation's foremost high school honor societies. The Society of Distinguished American High School Students.

The following students have been awarded the honor: Mark Beierwaltes of Niles, Louis Brynarski and Frank Bundra of Park Ridge, Jon Cole of Chicago, Anthony Danna of Niles, John Delahanty of Skokie, Richard Detzner of Des Plaines, John Duffy of Morton Grove, Gregory Gerard of Norridge, Andrew Haynes of Morton Grove, Timothy Jarosch of Niles, Gordon Johnson of Glenview, Robert Moroney and John O'Brien of Chicago, George Quill of Glenview, Michael Sittiger of Park Ridge, Donald Smith of Niles, Robert Sonnicksen of Chicago, and Matthew Sorrentino of Niles.

These students were nominated because of their excellence in academic and civic activities. They are currently participating in the society's annual awards program which offers merit awards and renewable college scholarships to well known colleges and universities throughout the United States. It is one of the largest awards programs of its kind in the nation today.

According to Father Adamson, "These are exceptional students and the honor they are receiving is one they will cherish the rest of their lives."

### The Crucible

Arthur Miller's play, The Crucible, will be presented by the Niles West Drama Department on May 6-8. Billed as a re-examination of what took place during the Salem witchcraft trials in 1692, the play is much more than that to its West director, James Batts. After spending a year in research about the play, author and that time period, Batts said that with this play, he would like to "challenge people to re-examine their ethics, to become more compassionate, and to judge man by what he does, not by what he professes to do."

Performances of The Crucible will begin at 8:15 p.m. on May 6-8 in the West auditorium. Tickets are \$3 for adults and \$2 for students.

## "Jacques Brel..." opens at Guild Playhouse

The singers in Des Plaines Theatre Guild's production of "Jacques Brel Is Alive and Well and Living in Paris" romp through every emotion during the musical which opens May 7 at Guild Playhouse. Here they clown in the "Timid Frieda" number featuring Michael Kalinyen of Des Plaines, Joel Cohen of Niles, Betty Myers and Karen Mason of Mt. Prospect. Also in the cast is Tim Burke of Elk Grove. Performances continue for three week-ends, but due to heavy demand for tickets, reservations are suggested by calling 296-1211 between noon and 8 p.m. Guild Playhouse is located at 620 Lee St. in downtown Des Plaines.

## Mini Courses held at Maine East

After months of planning, Mini Courses '76 became a reality for Maine East students and faculty on Wednesday, April 21.

The Student Council sponsored event meant a break from the traditional academic day so students could participate in enrichment courses of their own choosing.

Numerous field trips gave students a chance to tour the Art Institute, Museum of Science and Industry, Brookfield Zoo, Adler Planetarium, Chicago City Hall offices, and the Chicago Tribune.

In all, sixteen field trips were offered.

For students not counting calories, several cooking classes were offered—like pizza making and Chinese cooking.

Getting in shape sports-wise was the goal of students enrolled in water polo, sailing, badminton, racquetball, archery, or horseback riding.

For the less energetic, craft courses, like macrame, jewelry making, crocheting, or needlepoint, were offered during each of the two sessions.

There seemed to be something for everyone at Mini Courses '76 with courses like dog training, hair styling, belly dancing, and terrarium building.

This was the second year that Student Council sponsored and organized mini courses at Maine East.

## Italian Contest held at Maine East

Maine Township High School East hosted the American Association of Teachers of Italian annual high school contest on Saturday, April 10.

Thirteen schools participated in the competition. They were Deerfield, Elmwood Park, Evanston, Gordon, Highland Park, Immaculate Heart, Lyons, Maine East, Mother Guering, Notre Dame for Boys, Notre Dame for Girls, Ridgwood, and York.

The hour long contest, with winning local entries going on to state and national competition was divided into four levels. Maine East, for example, had thirteen students competing in Level I, six in Level II, three in Level III, and one in Level IV; and some 200 students, in total, competed in the A.A.T.I. 1976 contest.

The host at Maine East was Italian teacher Robert Grotto, and the twenty-three students from Maine East that competed were Nick Angelli, Lia Bombicino, Maria Candotti, Rosalia Ciminello, Diane Chesrow, Anna Dati, Christopher Colletti, Sally Di Salvo, Pam Einspar, Bill Fox, Lori Fox, Sara Gaeta, Mark Koz, Mike Koz, Brad Macchione, Mike Magnani, Paulette Miceli, Lisa Ozzauto, Rita Reed, Diane Segretti, Patricia Sprafka, Dorothy Vitro, and Rino Volpe.

## Notre Dame students in contest

Anthony Costanza, Chairman of the Modern Language Dept. at Notre Dame High School, Niles, entered six of his students in beginning Italian in the recent contest of the Chicago Chapter of the American Assn. of Teachers of Italian. It was held at Maine East High School in Park Ridge on April 10 from 11 a.m. to noon. About 35 schools were represented. Out of 84 students who took the examination on Level I, Frank Ingrassia of Morton Grove ranked 21st, Russ Amariti of Niles was 25th, Bruce Essen of Park Ridge was 49th, Daniel Fleming of Chicago was 51st, Chris Colletti of Niles was 58th and Steve Gianni of Glenview was 59th. Fleming and Gianni are seniors. The other four boys are freshmen.

## Niles Elementary Spelling Bee winners

The Library of Niles Elementary School-North was the setting for the final round of the 1976 Spelling Bee. Preliminary rounds, conducted earlier this month, had reduced the field of 206 students to 19 final round competitors. Class A winners are Kelly Chester (first place) and Beth Silverman (second place). Class AA winners are Carl Gargano (first place) and Dan Fisher (second place). Mrs. Susan Farmer, Reading Consultant, awarded trophies to the winners. Mrs. Farmer said, "We are very pleased with our Spelling Bee program. Competition is keen because our spelling words and regulations come from the Practice Book issued by the National Spelling Bee. Because student interest is high, we plan to have a third annual Spelling Bee next year."

## Oakton students to compete in statewide contest

Anne Hallotis and Bruce Gebert, both of Des Plaines, have won the 1975-76 Student Achievement Recognition Program competition at Oakton Community College.

Ms. Hallotis, a Data Processing major, and Gebert, a Business major, were selected from among 12 entrants in the Oakton competition as the two students who have made the most noteworthy progress toward their career goals and have shown outstanding leadership qualities thru participation in campus and community activities.

The student program aims to focus more public attention on the Illinois community college system by giving local, regional, and statewide recognition to deserving students and their colleges. Continental Bank in Chicago is sponsoring and administering the program for the seventh successive year and is providing \$14,600 in award money.

The Oakton winners, who will be honored during Oakton's annual Honors Convocation in May, will each receive a \$100 cash award and a certificate of merit. Their names also will be inscribed on a school plaque.

## Life replica

"To see ourselves as others see us," is the challenging goal that Mr. Joe Tobin, Marillac High School art teacher, presented his students in Life Drawing class. The results were as varied and as exciting as the artists.

The directions for this final project stated: full-size self-portrait in two or three dimensions. Some students, like Jean Jarosz, daughter of Mr. and Mrs. Frank Jarosz of 8232 N. Harlem Ave., in Niles, lay on a large sheet of paper while another girl drew her outline. Then, she used the mirror to achieve her visual self-image.

Senior Sue Zimmer, daughter of Mr. and Mrs. Robert Zimmer of 9839 Lauren Lane, Niles created a life size plywood figure with moving arms. She clothed it in her own jeans, shirt, shoes and necklace. For hair, she draped a fall and scarf on the head. The projects were on display for all the students and visitors to see.

## Program improves "SRO-76" students' reading skills

A new federally funded reading program at Maine East and Maine West is providing help for students with deficiencies in such areas as reading skills and comprehension, spelling, vocabulary, study habits and skills, and word recognition. The Title I, E.S.E.A., program is a highly individualized course in language development, with concentration on the interrelationship of language, including reading, writing, speaking and listening.

When screening indicates a reading problem exists, the particular area of deficiency is pinpointed and a special program of instruction is designed to meet the student's specific need. As shortcomings in spelling, vocabulary, and word recognition are overcome, the student can expect to experience growth in the mechanics of writing as well as in reading comprehension and listening, retention, and also to develop a greater ease of speaking.

Besides improvement in reading ability, goals of the course include a positive student attitude, increased self-direction, and greater responsibility for learning.

This Title I program is staffed by a reading specialist and an aide at the two schools. The student/faculty ratio is approximately one to eight, with the five daily classes comprised mostly of ninth grade students with varying ability levels. It is a not-for-credit course.

## District 63 summer school

The Summer School Learning Festival of East Maine Public Schools, District 63, will be conducted from June 21 thru July 30, 1976. This comprehensive schedule offers programs in all areas of the regular school year's curriculum. Included in the list of courses are reading, math, social studies, science, language arts, arts and crafts, drama, cooking, physical education, music and classes for speech therapy and TESL (Teaching English as a Second Language).

Since this is a State reimbursed program the only charge to parents is a text book rental fee of \$4 per course — \$8 per student for the entire six week summer school.

Brochures have been distributed to all East Maine students and to all parochial school residents of District 63. If you wish additional information please call the Principal of your neighborhood school or the District Central Administration Office at 299-1900.

## Loyola Senior Officers

Senior officers for the class of '77 have been selected at Loyola Academy in Wilmette. Under a new plan, one slate of officers incorporates both senior class officers and student council officers. The new officers are: Peter Barber of Evanston, president; Dick Hulseman of Winnetka, vice-president; Jim Nally of Chicago, secretary; and Tim Grothaus of Glenview, treasurer.

## Mark Twain PTA

The Mark Twain PTA will hold their next open meeting and installation of officers on Monday, May 17th.

The two-hour show features a Beatles Medley starring Carol Payne, Charlotte Volkman, Lynn Nicholson, Reese Jensen and Matt Osterholt.

Maine North's Pom Pom squad and Swing Choir will also perform. Tickets for the show can be purchased at the box office across from the theatre.

## Nosek receives Rensselaer Medal

Michael Nosek, a junior at Notre Dame High School in Niles, has been awarded the Rensselaer Medal for excellence in mathematics and science. This medal is given each year to a junior at Notre Dame High School by the Rensselaer Polytechnic Institute in Troy, New York. The medal has been awarded since 1916 to 55,000 students in about 1,300 secondary schools throughout the United States and Canada. The schools are selected for their superior academic standards.

In addition to bringing recognition and honor to each recipient, the Rensselaer Medal carries with it the opportunity to enter a competition for a Rensselaer Medal Scholarship to be used at RPI. The award was established to motivate students toward higher education and careers in scientifically oriented fields.

Michael is the son of Mr. and Mrs. Robert Nosek of 7636 Summerdale, Chicago.

## Bicentennial Art Show

May 8 and 9 the students of School District 64 will have a bicentennial art exhibit at the Oakton Rink.

It will feature over 4,000 pieces of art work in many medias. There will be school flags designed by students.

The public is invited to attend from 11 a.m. to 5 p.m. both Saturday and Sunday, May 8 and 9, 1976.

## Retirement party for Niles teachers

Former students and friends of Niles North High School teachers Helen Dimschultz, Ruth Pomplian, and Cecil Sacher are invited to a retirement party in their honor to be held Thursday, May 13, at the El Bianco II Restaurant, (formerly the Pyrenee's). A social hour with cash bar is planned from 6 to 7 p.m. with dinner at 7. If you wish to make a reservation call 966-3800, ext. 50.

## Jacques Brel

"Jacques Brel is alive and well and living in Paris" presented by Des Plaines Theatre Guild, Inc. at Guild Playhouse, 620 Lee Street, Des Plaines, Friday and Saturday, May 7, 8, 14, 15, 21 and 22 at 8:30 p.m., and Sunday, May 23 at 7:30 p.m. Tickets are \$3.50 on Fridays and Sunday (with students and senior citizens admitted for \$1.75) Saturdays all seats \$4.00. For reservations call 296-1211 between noon and 8 p.m.

The voices bringing you the lush and lively, pretty and melancholy, bright and bouncy Jacques Brel songs are: Tim Burke of Elk Grove, Michael Kalinyen of Des Plaines, Joel Cohen of Niles, Karen Mason and Betty Myers of Mt. Prospect. Lynn Jessen of Arlington Heights is directing, Mary Unell of Glenview is producer, Susan Kalinyen of Des Plaines is accompanist.

**ED HANSON**

"Nothing ..."

Nothing ... the subject no author has ever written a book about.  
 Nothing ... the subject no artist has painted.  
 Nothing ... the subject no music has been written about.  
 Yet, "nothing" is the subject most people talk about, particularly women and politicians. Gangsters have used it for years ... "I don't know nuttin' about this crime!" Kids use it all the time. "What did you learn at school today, Johnny?" "Nothin'," says Johnny, quite honestly.  
 Salesmen say it all the time to their sales managers. "I didn't sell nothing today, Boss."  
 A common greeting among friends is, "Whadda yuh know?" The answer, mostly, is "nothin'."  
 At race tracks the wise guys always ask, "You hear anything?" The answer usually is "nothing."  
 But most people all want something for nothing ... that's why gambling booms, and it's what keeps con men in the chips.  
 For nothing to really something, it's the hole in the bottle, glass or beer can. It's the empty space in the doorway or window. It's the empty space in the sky which permits men to fly. It's the 7 orifices of man or woman. It's the hole in the ground on which you build a foundation. And finally, it's the grave.  
 So, I suppose you could say, nothing is a very grave subject. The Chinese, for example, centuries ago recognized the importance of the non-existent; the value of emptiness or nothing; the hole-in the cannon or gun which makes the gunpowder they invented work.  
 And as Robert Sherwood, the dean of political speech writers, said when asked what was the most important part of a political speech, "That which you leave out."  
 And politicians, those masters of glittering generalities, have been saying nothing for years.

Speaking of the Chinese, who, among many other things invented spaghetti, also have the most delicious, non-fattening foods in the world. For example, the Chinese Kitchen, 214 Greenwood, Glenview, serves authentic Cantonese foods seven days a week.  
 For Mother's Day, Chinese Kitchen is offering free flowers and a bottle of wine with all dinners, to all mothers this Sunday. And they are featuring an array of Mother's Day specials at no increase in their regular prices. (See their ad in this section describing the tasty entrees you can choose from.)  
 And, if you prefer, next Sunday you can delight Mother with an authentic Chinese buffet. This feast offers 10 different entrees and assorted appetizers for your complete dining pleasure. It's only \$5.60 and you'll never taste better Cantonese cuisine than this.  
 So take Mom on Her day to the attractive dining room which captures all the charm of the Orient and provides the perfect atmosphere where Mother will long remember 'her' day at the Chinese Kitchen (just off Milwaukee ave. on Greenwood). For reservations or carryouts call 965-9070.

"It's the biggest and best Mother's Day yet," says Jake of Jake's Famous Restaurant of Niles. I understand Jake will have

**A VERY SPECIAL PLACE FOR A VERY SPECIAL LADY - MOTHER'S DAY AT BLACK RAM RESTAURANT and LOUNGE FOR RESERVATIONS: PHONE 824-1227 OPEN 12 TO 10 P.M. 1414 OAKTON, DES PLAINES**

flowers at all tables and all Jake's good looking waitresses will be wearing flowers and every Mother will also receive free flowers and it will be a regular ball.  
 There'll be live entertainment in the person of Jerry Barbino from 11 a.m. 'til 8 p.m. Jerry will play the melodious Thomas Organ and sing all of the old and new favorite songs for Mother and you can request any number you like and sing along, too, if you prefer.  
 And for the kids, Jake's treasure chest has a full, fresh stock of wonderful new toys for girls and boys.  
 And Jake's master chefs have prepared a "Special Mother's Day Menu" which consists of a wide variety of more than 15 delicious 7-course dinners which will make Mother feel like a queen. These 7-course dinners, which include everything from soup to dessert, are priced from only \$4.25 because Jake not only insisted on no increase in prices, but he actually reduced prices in honor of all Chicagoland Mothers.  
 And, in addition to the special Mother's Day menu, you can select any items off their regular menu, too, at Jake's low, low prices for Mother's Day.  
 Jake cordially invites all Mothers, mothers-to-be and even unwed grandmothers to his festive Mother's Day party. Now remember, all you Mothers are invited ... come as you are, dress up if you prefer, but come to Jake's fabulous Mother's Day celebration.  
 In fact, Mother's Day, which is one of the biggest family days of the year, has caused Jake to make special parking facilities available, and you'll be able to park and leave with ease on this special Mother's Day occasion. So, just follow the crowds to Jake's Restaurant ... come hear the music play and eat, drink and be merry on this festive day.  
 Arvey's Restaurant, 7041 Oakton, Niles, is featuring a Mother's Day Breakfast-Brunch for as low as 95 cents. And for Mother's Day dinner, Arvey's is offering a huge array of traditional Mother's Day dinners, cooked to perfection by their famous chefs. Arvey's two huge dining rooms, with relaxing and decorative decor, will provide the perfect setting where "Mom" and her family can enjoy their "special" day in a way they will long remember and cherish.  
 Andy, owner of La Venecia, Niles' popular family restaurant, tells me he is rolling out a carpet of flowers for all area Mothers next Sunday. La Venecia will offer their traditional Mother's Day menu of Roast Leg of Lamb, Baked Sugar Cured Ham, Roast Capon, Tom Turkey, plus many more delicious foods from their extensive menu. And there'll be free flowers for all the Mothers and Mothers-to-be.

Beam'N Barrel is opening next Sunday, Mother's Day, at 1 p.m. instead of their regular hour of 4 p.m. Mother and her family will be able to select any dinners from the regular menu of Beam'N Barrel at no increase in price ... remember, folks, the doors of the Beam'N Barrel open at 1 p.m. this Sunday, May 9!

Queen of the Sea is ready to take Mother on her first voyage and introduce her to the delightful delicacies of the Seven Seas. Their huge salad bar — the largest anywhere — will be stocked with the fresh caught gems of Jacques Cousteau. Give Mother's taste buds a new and different thrill this Mother's Day. Say to her, "Ahoi, Mother, for Queen of the Sea (7710 Milwaukee ave., Niles). Your hosts, Capt. Tex and Capt. Rick will welcome her aboard.

At Fireside Inn of Morton Grove, 9101 Waukegan rd., Mother's Day Royal Dining, selections from the marvelous regular menu, in the Fireside Restaurant (open 12:30 p.m. to 10:30 p.m.). Seatings at 12:30, 2:30, 5 and 7:30 p.m. Reservations are required. Call Marianne, 966-9600.

The Fireside's beautiful Emerald Room 1 is offering a Mother's Day "Queen of Hearts" Buffet of Chicken, Beef, Seafood, Salads, Vegetables, French Pastry, Rolls and Beverage for \$6.50 adults, \$4.50 children 10 to 3 years, children under 3 years free. Includes tax and tip. Seatings at 2 p.m. and 5:30 p.m. Reservations are required. Call Marianne, 966-9600.

Next week, an unusual story about the new popularity of an old game — "Darts" — as played at Sullivan's, one of Niles' most popular taverns.

**Mark Twain plans 'Fantastic Day'**  
 The Mark Twain PTA will be holding its 3rd annual "Fantastics" day on Saturday, May 15, from 11 a.m. to 3 p.m. We will have many of your old favorite games as well as numerous new games. Come and play the exciting new "Jaws" game as well as the gas pedal cars, and, weather permitting we will have the "Moon Walk".  
 Lunch will be sold so come one and all to a day of fun and excitement at Mark Twain School, 9401 Hamlin Avenue, in Des Plaines.  
 If you have any questions regarding the above, please contact Esther Gordon, Publicity Chairman at 296-4554.

**Academic Awards Assembly**  
 Niles East High School will present its annual Academic Awards Assembly on Wednesday, May 5, at 7:30 p.m. in the Niles East auditorium.  
 The program honors all students who have received awards or excelled academically throughout the year.  
 Students with high academic averages are given gold, silver, or bronze pins.  
 The Al Beck Memorial Award for the top student in athletics, special departmental awards, and community awards are also given out at the program.  
 Coffee and cake will be served in the student cafeteria after the program.

**Children on wheels**

Is your child a bicycle rider or a bicycle driver? As a parent concerned with your child's safety don't just teach him how to ride. Take the time to instruct him about traffic rules. Make sure that his bicycle is mechanically fit with good brakes, a horn or a bell, the proper reflectors and lights, and make sure that your rider carries identification and has good vision. His safety will depend on how well he sees and responds to all situations.  
 Good peripheral vision is the single most important asset for a cyclist. The ability to spot potential danger out of the "corner of the eye" has saved many a child from an accident. The child (or adult) must never wear "kookie" sunglasses or goggles which block side vision.  
 To be a safe bike driver, your child must have disciplined control of his bike, and must know bicycle safety rules, which include how to use hand signals, abide by traffic signals, walk his bike across intersections at night, and watch for cars making right turns.

Persons on bicycles must be defensive, two-wheeled drivers, and realize that automobiles can kill. They must understand that day-dreaming should be reserved for the times when they are not on wheels. For extra safety awareness, parents and children should discuss possible emergency situations and how to react to these situations, i.e. "What would you do if ...?" Even if the cyclist knows that he is correct in what he is doing, the bicycle driver must yield the right of way to larger moving vehicles for his own safety!

Did you know that there were 4,000 children injured, and 50 fatalities in bicycle accidents in Illinois in 1974, or that the greatest number of accidents involved children in the 4th-9th grades on their way to and from school? These are the statistics recently published by the National Safety Council in their 1975 edition of "Accident Facts". A booklet, "Bike Basics", obtained thru the Auxiliary to the Illinois Optometric Association, enables students to understand the fundamentals of driving a bicycle. The Illinois "Bicycle Rules of the Road" booklet, available thru the Office of the Secretary of State, Michael J. Howlett, Springfield, will teach your children how to become better and safer bicycle drivers, and, at a later time, safe car drivers. Parents, be concerned now!

**Tri-M Executive Board**  
 Maine East announces the results of Tri-M (Modern Music Masters) Executive Board elections for the 1976-'77 school year, and the president is Mike Eterno of Niles.  
 Working with Mike next year will be Janet Warmack of Morton Grove, vice-president; Scott Steigwald of Park Ridge, secretary; Kathy Medley of Niles, treasurer; and Ellen Goroshnik of Des Plaines, historian.

**Honor student**  
 A national honor society for students in industrial engineering has established a chapter at the University of Illinois at Urbana-Champaign. Received into the organization was Mark Freedkin, 6820 Meade ave., Morton Grove.

**Maine East Junior Prom**

Dreams will come true as Maine East juniors dance in the silver and blue of "STARLIT DREAMS", the theme of this year's junior prom.  
 On Saturday, May 15, Maine East juniors and their dates will dance in the cafeteria to the music of Sahara. The dance is free of charge and will be from 8 to 11 p.m.

The prom is being held under the leadership of co-chairmen Mike Miller of Park Ridge and Cathy Biel of Niles. Theme committee chairman is Cynthia Glassman of Morton Grove, and Leslie Seltenger of Park Ridge is in charge of decorations. Entertainment is being planned by Carol Olsen of Niles and George Boudreau of Park Ridge. The bids and invitations committee by Diane Batliner of Niles, and Chris Glowacki of Niles is the refreshments chairman.

To finance the junior prom, bake sales and candy cane sales were held this year, and the holiday post office and night school refreshment program were also set up.

**Maine East student receives honors**

Craig Somach, a Maine East senior from Morton Grove, was recently honored by the Chicago Jaycees as an outstanding young citizen. Through the B'nai B'rith Youth Organization, he participated in the Junior Citizenship program sponsored by the Chicago Jaycees and won the monthly competition.

As a winner, he will receive a \$50 Savings Bond and will participate in the Chicago Junior Official's Program as a city official for a day. He will also represent the B'nai B'rith Youth Organization in competition with youth from nine other organizations for the Jaycees annual award program in which 2,000 scholarships donated by Motorola, Inc. will be awarded to the male and female winners.

Craig is a member of the National Honor Society, class council, German Club, and Russian Club. He also has been a member of the golf team for his four years at Maine East.

**Science project exhibitors**  
 Seven students from Niles Elementary School-North exhibited their science projects at the Niles West High School Science Fair on March 13, 1976. All seven students received first place awards for their projects.

Students exhibiting their projects were: Guy Brilando, Gina DiTardi, Daniel Fisher, William Heinrich, Debbie Paulis, Greg Vaughn, and Alan Wilczewski.

**On President's List**

Nancy Howe, daughter of Mr. George Howe, 7032 Emerson, Morton Grove, has been named to the President's List at North Central College in Naperville in recognition of her scholastic achievement during winter term of the 1975-76 academic year.  
 A graduate of Niles North high school, Miss Howe was one of 130 students named to the list by President Gael D. Swing.

**GIVE YOUR FAIR SHARE IT REALLY HELPS**

**"Woman Overboard"**

Dinner at the Captain's Table turns out to be not as gala as the passengers aboard the cruise ship "Fiesta Queen" expected when rough seas the first night out of port bring on sea sickness. "Woman Overboard" leading players (left to right) Venus Miller, Pete Piper, Jan DeCosola, Jim Curren of Des Plaines, and Kathleen Lubinski.

Music on Stage, Inc. is presenting the world premier of "Woman Overboard," new musical comedy by David Reiser and Jack Sharkey, on Friday and Saturday nights through May 22, at 8:30 p.m. in Maryville Gym Theatre, Central and River Roads, Des Plaines. For tickets call 392-7996 or 253-6316. All seats \$2.50.

**Kenney named District 207 assistant superintendent**

Donald E. Kenney, Assistant Superintendent for Business Affairs/Treasurer of Community Unit School District #1, Charleston, Ill., has been named Assistant Superintendent-Business of Maine Township High School District 207. The appointment, which becomes effective July 1, 1976, was made by the District 207 Board of Education at a special meeting of the Board Monday evening, April 19. Mr. Kenney will succeed Harold Markworth, who has announced plans to retire at the end of the current school year after serving as the district's business manager since 1945.

Mr. Kenney has had broad experience in school business management in Illinois high school, elementary, and unit school districts. He has held his present position as Assistant Superintendent for Business Affairs and School Treasurer in the Charleston school system for the past three years. Prior to that he had served for six years as business manager in the Barrington Public Schools, Barrington, Ill. He also had served two years as assistant business manager. Mr. Kenney's school experience also includes six years as a high school teacher, and two years as audio-visual director. He holds a Bachelor of Science degree and a Master of Education degree from the University of Illinois, Urbana, and a Certificate of Advanced Study from Northern Illinois University at DeKalb, Ill. He is 42 years of age, married, and the father of five children.  
 Mr. Kenney's selection as Assistant Superintendent-Business for District 207 marks the termination of an extensive search for a successor for the position held for so many years by Harold Markworth. Through university placement bureaus and other reference contacts, candidates were invited to apply. Of the approximately seventy applicants processed, seven were finally selected for personal interviews by the superintendent of schools, Dr. Richard R. Short.  
 Eventually, the list was further narrowed to three candidates who were invited to spend a day each in the Maine Township High Schools and to meet with school administrators. Two of the three finalists were selected for community visitation and for additional conferences and in-depth interviews, with the final selection being Donald E. Kenney of Charleston.

**Oakton graduate awarded engineering scholarship**

Heiko Rommelmann, a 1975 graduate of Oakton Community College, has been selected for one of two annual scholarships in the Munich Exchange Scholarship Program in the School of Engineering at the University of Illinois in Urbana, according to Dr. Robert Bokenkamp, assistant dean of the School of Engineering.  
 Rommelmann will study at the Technischen Hochschule Munchen (Munich Technical University) on all-expense scholarship. Dr. Bokenkamp explained that this is an on-going program at the School of Engineering, exchanging two undergraduate students at Illinois and two students from Germany.  
 A junior majoring in electrical engineering, Rommelmann transferred to the University of Illinois from Oakton at the beginning of the fall 1975 semester and was named to the Dean's List at the end of his first semester there.  
 He will continue his studies at Urbana during the summer session, leaving for Germany on Aug. 1. He will study at the Language Institute in Munich during the months of August and September and begin classes at Munich Technical University in October.

**High School equivalency certificate exams**

Examinations are now being scheduled for the Spring and Summer testing sessions at Oakton Community College, 7900 N. Ave., Morton Grove, for adults who wish to qualify for a high school equivalency certificate. Richard J. Martwick, Superintendent of Schools, Educational Service Region of Cook County, has announced that Joseph C. Fogarty, Director of the G.E.D. Program will accept applications at Niles West High School, Oakton Street at Edens Highway, Skokie, on Wednesday, May 5, at 7:30 p.m. in Room 204.  
 Successful completion of the G.E.D. tests entitles the applicant to receive a high school equivalency certificate which may be valuable in fulfilling college entrance requirements, or in meeting educational standards for job placement or advancement.  
 Application is open to adults 19 years of age and over, presently living in Cook County who have not received a high school diploma.  
 The examination known as the (G.E.D.) or General Educational Development Tests requires two testing periods to complete. Personal identification and a \$5.00 fee (personal checks not accepted) are required at the time of registration. More information concerning the examination is available from Superintendent Richard J. Martwick's office at 443-8726.

**Former Oakton students win academic honors**

Two former Oakton Community College students were recently recognized in Honors Day Programs at Southern Illinois University.  
 They are among SIU students who demonstrated outstanding scholarship by achieving a scolarastic average of 3.5, or B plus, for all college work.  
 Receiving recognition at the April 4 Honors Day were Leslie Scott Zun of Skokie who attended Oakton in 1974 and Wendy C. Hansen of Des Plaines, an Oakton student in 1972-73. Both were liberal arts students.

## District 63

Continued from Page 1  
school year is where first priority must be given for spending the limited funds.

Superintendent Gogo said the district has received 1130 responses to a letter sent to parents seeking information about parents' summer school plans. Only 59 answers indicated they were interested in paying \$70 for 2 courses. Fifty-two answers indicated the work would be in 1 or 2 remedial courses. Since only 7 answers were from parents interested in summer school enrichment programs the Board believed the district should concentrate on remedial programs, and then only if sufficient students were willing to pay for the program.

In a second action Tuesday night the Board will increase reading teachers at the 2 junior high schools by 2.5 teachers to aid in an increased reading program at that level. All students reading at or above their grade level shall choose a foreign language, instrumental music or a reading course. All other students shall automatically be enrolled in a reading program. Presently, about 30% of all incoming students into the junior high schools are reading below grade level, which Doctor Gogo contends is about a norm. In the recent proposed budget cuts for the upcoming year 3 reading teachers would be dropped from Gemini and 5 from Apollo. As the result of Tuesday night's action 1.5 teachers will be reinstated at Apollo and 1 at Gemini. District 63 is the only district in the township to have reading teachers.

In emphasizing the need for the reading program Gogo said all teachers should be sensitive to the reading skills and needs of all students and reading must be permeated throughout the junior high schools.

In other actions Board President Larry Reiss presented plaques to outgoing board members Bill Allen and Arlene Nidetz. Speaking for the board (and the community) Reiss thanked them for their time, effort and dedication. Allen served for 9 years and Nidetz for 6 years, the last 2 years as president of the board.

In still other actions resident Gertrude Denning asked the board to reconsider their past actions for reducing the nurse personnel in the district. She cited major injury, handicapped children and students with hearing and visual problems as those specifically in need of degreed trained nurses. She sought to have the board place the matter on the agenda, contending it was "tragic" to reduce the nurses to 1 for the district, replacing their services by using nurses' aides.

While Reiss said the matter could be reopened the board indicated their final decision would not be changed. Board member Deckowitz said if his child needed professional care it should be by a doctor, and if during school time, at a local hospital.

Gogo reported the North Central Accrediting Association has fully-accredited the district for the coming year.

In a split vote which showed the transition of power on the new board the new majority voted 5 to 2 to hold the summer administrative workshop in a District 63 facility. The 4-day program was proposed to be held in Wisconsin at a cost of \$750 for the 19 attendees. Board member Kipnis, who voted with the minority, thought by moving the workshop away from the district it would eliminate distractions. She cited

## Health plan

Continued from Page 1  
However, NorthCare is geared to people who do not have a family doctor. Care under the not-for-profit organization is confined for the most part to Evanston Hospital where surgery is performed by Evanston doctors.

The health center, based in Evanston, opened May 1, 1975, and claims a 6,300 membership presently with a suburban membership of 35 to 40 members in Glenview, 300 to 400 in Evanston, 7 in Northfield and none in Skokie.

NorthCare is affiliated with Rockford Blue Cross. The health care program covers the north side of Chicago and the north suburbs, trustees were told. Fifteen communities make up the NorthCare service area: Evanston, Glenview, Morton Grove, Park Ridge, Northbrook, Skokie, Winnetka, Northfield, Lincolnwood, Niles and North Chicago.

Advantages of NorthCare over other carriers, Niles trustees were advised, is that most carriers have a \$100 deductible and proportionate payment in comparison to NorthCare "which pays the first dollar and the last, with no limitations," said one of two alternating NorthCare speaker-representatives. Unmarried dependent children up to the age of 23 are included in family benefits.

Immediate maternity benefits are available but the mother must change to an Evanston doctor. However, added the representative, most women do not care to make the change.

The NorthCare representative stressed the fact that prospective members are given the option to change to the north community health care plan, and they do have a choice of doctors who are staff specialists at Evanston Hospital.

The plan appears very closely related to socialized medicine. Village Manager Ken Scheel said NorthCare is "the forerunner of what he termed, 'one of many' imminent to enter the field of community health care. While the Village of Niles was not open to such advances "this year," Scheel said he wanted trustees to

the school board had a similar workshop which also was moved outside the district for a similar reason. But the majority board members said the district now has a new district facility, and should be able to handle the conference adequately and at a savings which will be about \$500. Reiss noted the in-district meeting should be approved keeping in line with the board's desire to run a tight ship, holding down all costs. Only Deckowitz sided with Kipnis.

Dr. Gogo announced Oak School's kindergarten, will have only about 50 students for the coming year, down from this year's 75 students. He told The Bugle the local parochial school will be offering a kindergarten program causing public school reduction. At the Wilson School the present 65-student kindergarten will drop to 35 to 50 students for 1976-'77. Gogo noted projections for the future cannot necessarily be based on these figures since they sometimes move up 1 year and down the next. But the Wilson School figures may indicate the future 1980's student population in District 63 will be less than the initial projections forecast.

The student population in the district will drop roughly 2,000 students during the decade of the seventies, moving down from about 7,000 to 5,000.

be aware that such health programs exist. He was explicit in stating that he approached NorthCare officials for a review of their program. "They did not contact the village," he said.

Mayor Nicholas Blase commented Tuesday night was that it has been established "that health care is not as good under socialized medicine."

He stated that Lutheran General Hospital is "high in appeal to suburban residents and they are not likely to change services to go into Evanston for health care."

Scheel projected the possibility that Niles may have to offer the program to village personnel. In comparison to Blue Cross/Blue Shield care, which now covers village personnel, Scheel said "it is different... NorthCare can pay for everything... comparison costwise is that NorthCare is cheaper than Blue Cross."

The cost of health care is going up at an alarming rate. According to Scheel the village of Niles had just been notified of a 30% increase in Blue Cross/Blue Shield fees.

## Ballard appointed to St. Matthew advisory board

Mr. E. E. Ballard, 501 Edgemont Lane in Park Ridge, has been named a member of the Advisory Board of Trustees for St. Matthew Home, 1601 N. Western in Park Ridge. The Home, a facility for senior adults, sponsored by Lutheran Welfare Services of Illinois, provides shelter and nursing care for those who may benefit from its services regardless of religion or race.

Mr. Ballard is a former Chairman of the Board of All American Life and Financial Corporation and is currently a business consultant to them as well as being active in civic and church affairs. He served as Chairman of the Board of the O'Hare International Bank and is a member of its various committees. A member of the First Methodist Church in Park Ridge, he is also involved in the Chicago Executive Club and the Northwest Shriner's Club.

"St. Matthew Home is a cause and a service worthy of the support and energy of any and all citizens," St. Matthew's potential to this community and others is limited only by our individual concerns, as well as our prayers, gifts, and time spent on its behalf. I am most happy to be a part of such a great cause," said the new member.

Mr. Ballard is Chairman of the Financial Committee of the St. Matthew Home.

## Anthony E. Plotzke

Now serving as Chief of Peridontics at Hickam AFB, Hawaii, is Lieutenant Colonel (Dr.) Anthony E. Plotzke, son of Mr. and Mrs. Anthony E. Plotzke of 5705 Main, Morton Grove, Ill. Colonel Plotzke came to Hickam from the regional hospital at March AFB, Calif.

A 1954 graduate of St. Mel High School in Chicago, he received his D.D.S. degree in 1961 from Marquette University School of Dentistry in Milwaukee and his M.S.D. degree in 1972 from Creighton University in Omaha, Neb.

## Social Security sound, Mikva assures seniors

The Social Security system is as sound as the future of our country, and senior citizens should not fall prey to the rhetoric of panic about Social Security being on the brink of bankruptcy, Congressman Abner J. Mikva told two senior citizen groups during the Congressional recess this week.

"Especially in an election year, there is a tendency for candidates especially Presidential candidates to try to win the support of elderly voters by forecasting doom of the Social Security fund unless they are elected to set things right," Mikva said.

"I can only assure you that as long as there is a United States, there will be a Social Security system to insure that our senior citizens are able to live out their golden years in dignity, which was the original reason why the program was established," the Congressman told a group at the

## Benefit

were in a car accident last November, 1975, on their way to the state soccer finals at Normal, Ill. Fred Zeedyk was killed in that accident.

Jim Mueller, critically injured in that crash, remained in a coma for two months, first in a Joliet Hospital, then in Evanston Hospital. After a miraculous recovery, Jim is now at home, but he requires physical therapy at the hospital 3 times a week, and when he regains enough strength will probably have a kidney removed.

Understandably, the emotional and physical strain has told on the Mueller family. His mother suffered a stroke on top of the mental strain and is still hospitalized. His father is not in good health either.

The major purpose of this tournament on May 16 is to raise funds to help Jim and his family financially to defray the terribly high medical expenses, much of which is not being covered by insurance. This is where "people to people" action is needed to assist this family, who are members of our community, in their time of great need.

The objective is to raise \$8,000 from this event, all of which will go to assist the Mueller family. It is hoped that there will be at least 2,500 people in attendance; but in addition to the attendance, there is a great need for individual, family, commercial and industrial contributions, if that \$8,000 goal is to be reached.

At the Morton Grove Chamber luncheon meeting last week they voted to contribute \$100 from the Chamber toward this goal, and received \$155 in donations from members who were present at the meeting. They are appealing to other members of the business and industrial community to either send in contributions, or purchase tickets for the benefit tournament, or do both.

The tournament will consist of three soccer games, beginning at 1:15 p.m. Between games 1 & 2 a ceremony is planned in the memory of Fred Zeedyk. A special "Zeedyk Trophy" will be donated to Zeedyk's former high school where it will be placed in the "Wall of Fame". Each year the most valuable team player will have his name inscribed on the Zeedyk Trophy.

The donation for this benefit tournament is \$1.50 per person. Many valuable prizes will be given away and you must be

Leaning Tower YMCA, Niles, on April 19, and the Golden Seniors of Morton Grove at the Morton House Restaurant on April 21.

There are important decisions facing Congress, however, on the means of funding Social Security. Mikva listed the reasons why he thinks the method of financing must be altered: the payroll tax is a regressive tax that hits a portion of the middle class and moderate-income earners the hardest; millions of people are now paying more in payroll taxes than in federal income tax; the payroll tax has set off "almost a generation war" between the elderly and people under 30 who resent having so much of their earnings consumed by the payroll tax that finances Social Security.

"The Ford Administration's proposal to increase the tax rate would only serve to worsen the already regressive payroll tax situation," Mikva noted. "I believe that at least a portion of the funding should come from general revenues and thus treat Social Security at least in part like other valid government programs.

On health care, another issue of particular importance to senior citizens, Mikva said he has been pleased to see that the concept of national health insurance now enjoys wide acceptance.

"Of course, now we have the major decision facing us of how to provide such comprehensive health care, but arguments about the cost must be weighed against the long-term cost

present to be eligible to win. Tickets are available thru the Morton Grove Lions Club; the Morton Grove Chamber of Commerce, the First National Bank of Morton Grove, The Morton Grove Bank, and Eick-Chief Realtors.

All checks should be made out to The Morton Grove Lions-Mueller Fund. An account has been opened under this name as the First National Bank of Morton Grove.

For any further information you may contact any of the following Lions Club members: Larry Shelton (966-7449), Jean Runtz (966-7724) or John Hilkin (966-5235) or the Chamber office (965-0330).

## FROM THE LEFT HAND...

Continued from Page 1

opposing articles, they would have ignored us. Based on the nominating letter, the award was presented. The final committee which makes the determining choice hasn't the slightest idea as to the relative merits of the candidates. They neither evaluate the long list of candidates nor do they go beyond reading the initial nominating letter of most of the candidates. One "editor" candidate is a neighboring huckster who has a hard time putting together a readable sentence. Yet, he appears on the candidates' list annually which, in itself, lends to the absurdity of the contest.

We are not overly modest, or we would not even be writing about this matter. But we are not deserving of such an award, nor are most of the other candidates. Giving arbitrary and subjective recognition is really harmless. But for the most part many similar awards should not be taken too seriously. In our case the accomplishments of a newspaperperson are their own reward. If the community is improved because that person passed its way then such accomplishment is reward enough. By the same token if a newspaper lives in a community for many years, and does nothing to improve it, we consider its journalistic years wasted. And wasted years are their own sad commentary.

We spent a couple of hours Monday night attending a press conference and a local shareholders meeting of A.T.&T. at Teletype's home offices on Touhy Avenue.

The 1976 economic recovery, reflected in Bell's financial statement, was welcome news to the shareholders present.

Two areas discussed at both meetings are of interest to all telephone users. The Bell company's proposal to charge for directory information was of wide interest. Bell contends 10% of telephone callers utilize 90% of the directory information service. Illinois Bell President Jim Olson said that cost is presently hidden in all our bills. It is his contention by charging the users for the information service, it would save most telephone customers several million dollars.

A second area of concern centers around competition the Bell system is now receiving from specialized common carriers. One carrier, Microwave Communications Inc., is transmitting telephone calls from one large city to another at lower rates than Bell is charging. Bell claims this new competition (about 4 years old) is "cream-skimming", providing service only in high density areas. Originally, the new company provided service between St. Louis and Chicago. What galls Bell is the FCC has okayed the service, providing what Bell contends is "contrived competition", while the private company uses Bell telephones. Using this system a subscriber can pick up a Bell telephone at one big city location, have the call transmitted by microwaves, and the receiving party would then use a Bell telephone to answer the call. Bell argues the lesser rate is unfair competition. While Bell provides the services to most small towns and hamlets in the land, spreading the cost among all telephone users, these new companies are not required to do this. Thus, they are skimming the cream off the top by providing service only in large city high density areas, obviously a high profit service.
