# Niles holds 3 day blast for nation's birthday

The 3-day Bicentennial holiday sponsored by the Niles Bicentennial Commission began with an all-day Community Fair at Notre Dame High School on Saturday; continued with a musical and colorful Bicentennial parade down Milwaukee Ave. on Sunday morning; and concluded Monday night at Little Tam where an estimated overall crowd of 10,000 spectators viewed the spectacular hour-long display of fireworks.

The weather was benevolent for the 3 days, going into a cool Monday evening.

### Community Fair

Celebration of life, liberty and the pursuit of happiness began early Saturday morning under the huge tents on Notre Dame High School grounds.

A full range of activities began with a Playground Olympics supervised by the Niles Park District in the morning and Family Game relays in the afternoon. Saturday events were punctuated with a Culinary Arts contest, a Domestic Arts contest, an afternoon Bicentennial auction

of art and memorabilia and a softball game between village and park officials.

The Village team steamrollered a winning score of 13-0 but Park officials would acknowledge only a 10-0 score. In the eyes of Park Comr. Jeff Arnold, the score was of little note: "We just lost the ballgame!" he noted.

Niles artists and heritage demonstrators of early American crafts of lathe turning and wood carvings enthralled fairgoers. The club displays and commercial booths with delectable offerings brought repeated visits by many.

Thousands of parade lovers linked Milwaukee Ave. Sunday morning, July 4 well in advance of the 68-units which took an hour and a half to reach Howard St. from Main and Milwaukee Ave. Flag decorated street poles and red, white and blue fire hydrants had been set earlier in the week to stage parade entries. Many spectators displayed their star-spangled feelings in clothing and with waving flags.

Fronting the parade was the

Numerous floats depicting parade bicentennial themes of Heritage (past), Festival (present) and Horizon (future) were interspersed with marching units, marching bands and decorated cars. A huge Uncle Sam and flag topped a Public Works Dept. entry of a petunia covered float.

Village officials waved from the Village float bearing a huge birthday cake topped with candles.

A resident of Niles for 10 years, John Wallace of 9243 Maryland termed the parade "fantastic." Having seen numerous village parades, he said, "This one (Sunday) tops them all."

Mr. and Mrs. James Edington of 7344 N. Nora, who said they

## Minelli Bros. "kids" win grand award

In the very best spirit of '76 the Minelli Bros. "kids" were the winners in Niles great Bi-Centennial parade on July 4th.

For 2 weeks prior to the day of the parade the youngsters came over to Len Minelli's house in the 9200 block on Callero constructing the float with plywood, chicken wire, tissue paper and ingenuity.

The young Minelli brigade made 4 flags with cotton balls, made U.S. Eagles with more cotton and then sprayed red, white and blue paint on the patriotic symbols. They constructed a large liberty bell which was placed atop the lead car and then made a three layer cake which was bedecked with its patriotic theme. Three youngsters dressed in 1776 costumes escorted the cake and bell as it wend its way down Milwaukee ave. parade route and about 12 more young people wearing Minelli Bros. teeshirts joined the escort along its winning route.

When the judges named the Minelli Bros. float the grand winner among all the great

came with all their neighbors from the 7300 block of Nora, said the Bicentennial parade was "unusually exceptional."

"It was a great and beautiful parade," declared the Chicagoan Mrs. A. Jania who was visiting Nilesites Mr. and Mrs. Sam Buble.

Four-year-old Jeff Hlavacek traveled all the way from Thousand Oaks, Calif. to see the parade, according to his grandfather Bill Hlavacek.

Ady Friedman, 8812 Prospect: "It was a terrific parade...looked like a lot of people put a lot of work into it."

Proceeding the award of parade trophies, Niles Mayor Nicholas Blase told spectators to doubly celebrate the nation's bicentennial birthday. "It's a community effort," he said, asking that

everyone join him in "wishing a happy birthday to us."

The Holiday spirit inspired thousands to view the hour-long fireworks at Little Tam Golf Course Monday night, July 5. Parking was at a premium and Howard St. was finally closed to motorists.

Spectators were spread, sitting standing and reclining, over the balloon-dotted landscape early Monday night to watch spectacular aerial fireworks which included the Liberty Bell, Statue of Liberty, Niagara Falls and finalized with a dramatic display over a huge replica of the American Flag.

"Spend an All American weekend in an All-America Bicentennial City" was the theme of festivities in Niles.

floats Sunday, the roar from the several hundred Nilesites in the village hall parking lot was deafening. It was a grand award won by a grand bunch of people.

Fred, Len and John: Minelli escorted their Mother to the platform where they received the trophy signifying the top parade award.

In accepting the trophy, the Minelli's said it was the young people, who were deserving of the beautiful trophy.

The young winners include

Paul Chomiak, Mike Cielinski, John Cristino, Joann Minelli, Lenny Minelli, Jr., Phil Minelli, Bob Nesci, Donna Nesci, Keith Rusotto, Ken Rusotto, Dale Schmuicker, Vickie Schmuicker and Jim Solan.

After the parade the young workers returned to the Minelli home for a post-parade party which hi-lighted a great day, and a great 2 weeks...in the very best spirit of '76.

The Selah Singers are a group of talented and gifted Christian young men and women who are dedicated to spreading the message of the love of Jesus Christ to people through their contemporary music, which appeals to all ages.

The name Selah was taken from the Psalms. There are various meanings, such as "Praise the Lord" or "Sound of God". Selah began their ministry in June of 1973 with only a small group of young people who wanted to witness by their faith in Jesus Christ through music. Since they began practicing, the group has grown to over seventy voices and musicians. The Lord has richly blessed the musical ministry of these vibrant young people and all those who have become closely involved with them.

During the last three years, they have had the privilege of singing in countless churches throughout the Chicagoland area presenting festive and ecumenical concerts, and have travelled in Illinois, Northern Indiana, and Wisconsin, with special appearances in Milwaukee and Door County, Wisconsin. They have also travelled to the Great

Lakes Lutheran Youth Encounter Congresses held in North Western, Indiana, and Milwaukee, Wisconsin. In each of these Congresses, they were among the featured singing groups.

The songs included on the album are: "Let It Ring" by Kurt Kaiser, "Step Into Sunshine" by Clark Gassman and Molly Ann Leikin, "One Solitary Life" by Fred Bock, "It's A Happy Day", "I Love You", "God So Loved The World" by Jimmy Owens, "Reach Out to Jesus" by Ralph Carmichael, "Come Together" by Jimmy and Carol Owens, and "Interlude" by musicians, "Just A Closer Walk" arr: John F. Wilson, "Get All Excited" by William J. Gaither, "Walkin' and Talkin'" by Verne Bullock, "Three and One Praise", and "Keeping On Singing" by Andrea Crouch.

If you are interested in purchasing an album, please contact the Edison Park Lutheran Church office, 631-9131. Advance sales are being taken at a reduced rate of \$5. ## Top honor in Niles Combat Shoot to Morton Grove Cop

[By Alice M. Bobala] Morton Grove patrolman Stan Kubas won first place in a first-time combat shoot competition held in Niles last June.

The competition, held two weekends of June 19 and June 26, drew 150 policemen from Illinois and as far as New Hampshire.

The Niles Police Combat Pistol shoot, sponsored by a Niles businessman, included shooting at 3 types of targets fired in the dark and using a close distance course. "Quick draws" required the officer to draw and shoot 5 times in 3 seconds at a target distance of 3 feet.

Competition was in four classes: master, expert, sharpshooter and marksman. Top prize of \$1,000 in the master class went to Kubas, who scored 991 out of a possible 1,000 using a service revolver under street combat conditions simulated at the Niles police range, 7200 Waukegan rd. A \$500 second prize was awarded to Gerald Rizzuto of Blue Island.

First and second place awards in expert shooting were won by F. Swets of Lansing, and H. Boldeback of De Page County. Sharpshooters, first and second respectively, were R. Napel of

Glen Ellyn and Rich Lovernier of Morton Grove. Top two marksmen were W. Killian of the Dixon police and S. Bosse of Chicago.

The combat shoot was the first of its kind to be held by police officers according to Niles patrolman William Hammers, instructor at the Niles police range, who initiated the competition. Participants were officers at all levels including a Villa Park police chief, Indiana state troopers, sergeants and patrolmen.

The Niles Police Combat Pistol League was established in June with a two-fold purpose of offering something more than a trophy in competitive shooting and to serve as an incentive to promote accurate shooting said Hammers.

Competition is very demanding, he said, and practice is costly, requiring several hours of practice per week.

Awards for the June competition were made during a luncheon at the Millionaires Club in Golf Mill Tuesday July 6. A second combat shoot, projected for September is expected to draw many more police participants.

Morton Grove Park District Court Manager Phil Carello says that racquetball is one of the best conditioning sports for men and women. It can be easily learned to play in less than 30 minutes.

If time is a factor for lack of exercise, only one hour of playing racquetball is equivalent to playing two to three hours of other sports (Basketball, Golf Softball, Tennis, Etc.)

Besides being a great conditioning sport, racquetball is probably the most enjoyable of high activity sports (Bicycling, Jogging, running, rowing, weight lifting).

People of all ages including children can pick up the game very easily and become proficient at it in a very short time.

Have regular medical check-ups.

Brennan, Jr., Vice President, through the cooperative efforts of the Golf Mill State Bank, American Express Company is now offering a card that provides the full range of international charge privileges of the American Express Card—including a room at Treetop—plus many bank services provided by Golf Mill State Bank.

Issued in a special golden color, the card will be available to individuals who can meet the bank's requirements for a "signature" loan of at least \$2,000 and meet American Express requirements as well.

"With this card you can get your car overhauled at many of the major dealers, buy a diamond in Ken. pay for scientific reports ordered from the U.S. Government, or buy a pair of Gicon shoes from the original store in

Venice," notes Mr. Brennan. "Russia's tourist accepts American Express, and it's the only card accepted in the entire country of Burma."

"There's even one documented case where a man mistakenly packed his passport in his suitcase, but was passed through an immigration check-point by showing his American Express Card as identification," said Mr. Brennan, "but I wouldn't bank on this use of the card as a sure thing."

American Express gives automatic \$25,000 life insurance to qualified travelers who buy common-carrier transportation with the card and under the program offered through the bank you can get up to \$1,000 in Travelers Cheques at American Express offices overseas.

The bank program also makes it possible to borrow money from the bank in cash or as a deposit to your checking account.

Those who do take off to Kenya for a long weekend can utilize extended Air Fare payment plan, should they on returning decide they would like to spread the payments out a bit.

According to Mr. Brennan the American Express/Golf Mill State Bank Card is designed for persons with an above-average income who do substantial business and personal traveling and entertaining.

"As far as we can tell, practically all major restaurants, resorts, car rentals, hotels, even boats, accept the card, and we feel this bank program will provide the kind of service that our best clients insist upon," said Mr. Brennan.

### O'Connell addresses legal profession Des Plaines Mall begun as second phase of Superblock

Skokie Federal Savings President John R. O'Connell was a featured speaker on Saturday, June 12, at a program of the Illinois Institute for Continuing Legal Education. The workshop, held at the Blackstone Hotel, was directed toward attorneys and featured the nation's leading mortgage bankers, commercial bankers and pension trust administrators.

O'Connell, a nationally recognized leader in the savings and loan industry, represented the thrift industry and talked to the group in a speech entitled "The Financing of Real Estate Transactions." In his presentation he emphasized the financing techniques available through saving and loan associations.

The Institute was organized by Chicago Bar Association and Illinois Bar Association and offers various programs for attorneys to continue their legal education.

Downtown Des Plaines' \$12-million project, Superblock, went into its second phase, Tuesday, June 29 with the ground breaking of the three-story Des Plaines Mall.

The 185,000-square foot enclosed Mall, which will house 50 stores, a restaurant and several snack shops now available for leasing, is adjacent and connected to the three lower levels to the recently topped out 10-story First National Bank Building. The entire project covers 365,000-square feet.

Speigler's Department Store, a clothing and general merchandise retailer based in Des Plaines since 1890, will be the Mall's anchor store. Speigler's will occupy 22,000-square feet on three levels.

Des Plaines Mall has the unique advantage of being surrounded by public transportation.

Bus, taxi, and the Chicago & Northwestern Suburban Service all stop across the street from the Mall. Ample parking, much of it free to shoppers will also surround the Mall. Additional parking and improved access routes are being provided by the City of Des Plaines. Over 5,000 Des Plaines residents and 4,000 local employees will be within walking distance.

Des Plaines Mall is a joint venture of J.R. Gottlieb & Co., Chicago, and Erikson & Stevens, Inc., a Des Plaines architectural firm. Construction leader is Northwest Federal Savings & Loan Association; permanent financing was arranged by Salt, Ward & Salt, Chicago mortgage bankers; participants in the permanent loan are Northwest Federal Savings & Loan, and First Federal Savings & Loan of Des Plaines.

## Callero Drive teens praised by Minelli Bros.

Dear Mr. Besser, We, Minelli Bros. Foods and the Minelli Family would like to thank all the children on Callero Dr. for all their time and hard work in making such a beautiful float for the Bicentennial Parade.

We also would like to thank their parents for letting their children participate in this project because we know for the past two weeks they worked hours past

their bedtime and gave up other family activities just to get this project finished.

A special thanks to Mr. Bob Nesci for letting us use his car and trailer for this float.

A very special thanks to everybody in Niles who made it possible for the children to win such beautiful trophies.

Thank you all, The Minelli Family P.S. We, the parents on Callero Dr. are very proud of our teenagers.

## Thanks from Notre Dame

Dear Mr. Besser, Without any more delay, I want to thank you in the name of the administration, faculty, students, alumni, and parents' organizations for all the coverage you have given to the many activities - academic, athletic, and social - at Notre Dame High School during the past school year.

## SIJ plans pre-school for three and four-year-olds

ST. ISAAC JOGUES SCHOOL is considering an expansion of its Kindergarten program to a multi-age Early Childhood Center. It would be administered by Sister Agnes Martinica, Principal, and it would be directed by Britannica Pre-Schools, a division of Encyclopedia Britannica Educational Corporation, which would prepare children also for our excellent Kindergarten program.

The pre-school's objectives are designed to provide a school experience that contributes to the child's total development. Activities will be divided into units of emphasis. It helps the child involve himself in the use of art, creative music, literature, visual materials, readiness games, ac-

tive games and self-assurance. The program encourages emotional, social, physical and intellectual development integrated with religious guidance.

The program would be self-supporting. It would not be included in the Total Parish Support Plan. Non-parishioners and non-Catholic residents in Niles, Glenview and Morton Grove are welcome to participate in this survey.

The proposed schedule would be as follows:

Three Day Pre-School: 1/2 day, (4 years old-Mon., Wed., Fri.) Parishioners \$2.00 a day; Consumable Fee \$40.00. Non-Parishioners - \$3.00 per day; Consumable Fee \$40.00.

## OCC Film Series

The OCC Film Society will present the 1971 film "Vanishing Point" on Wednesday, July 14, at 9:05 p.m. in Building 6, Interim Campus, Oakton Community College, 7900 N. Nagle, Morton Grove. Directed by Richard Sarafian, "Vanishing Point" is an exciting film whose hero, a Korean War veteran, ex-cop and race car driver, bets that he can drive from Denver to San Francisco in 15 hours. Action includes some hard driving, a three-state police chase, and an incredible ending. Berry Newman, star of the TV show "Petrocelli", Cleavon Little and Dean Jagger head the cast. OCC Film Society presentations are free to OCC students. A 50-cent donation is requested of others. The films, shown each Wednesday evening during the Oakton Summer Session, are open to the public.

John Schile, Jr., winner of Des Plaines Theatre Guild's Guilda as Best Actor of the 1975-76 season, is now turning his talents to directing as he prepares the cast of the group's first Shakespeare production for a July 9th opening night. Although DPTG has presented some classic dramas during its 30 consecutive seasons of community theatre, never before has it staged a Shakespeare play, although it came close in the '71-'72 season when the musical "Kiss Me Kate" was produced. The basis for this popular Cole Porter hit is Shakespeare's classic comedy, "The Taming of the Shrew," and this is the play audiences at Guild Playhouse can enjoy on July 9, 10, 16 and 17 at 8:30 p.m.

Heading the cast as Petruchio and Katherina, the brawling couple engaged in a contest over who is to wear the pants in their family, are David and Jeanne Elvart of Northbrook. Playing the vixenish Katherina's father and sister and the sister's eager suitor, are John Clark of Oak Park (Baptist), Jackie Shadinger and John Marquette of Des Plaines (Bianca and Lucentio). Harold LeBoyer of Skokie and Marshall Kievit of Des Plaines play Hortensio and Gremio, a pair of rival, rejected suitors for the younger sister, while Jeff Marks and Shiela McCormick of Morton Grove, Ken Johnson and Arlette Dawson of Des Plaines, and Danny Santerio of Hoffman Estates play servants and a pedant who add comic complications by various masquerades. Completing the cast are Des Plaines residents Ed Sauer as Sty, Veronica Zogman as Vincentio and Hostess, Chris Gysler and Betsy Forkins as Huntsmen and Servants, and "J.B." as The Dog.

Also Marie Peterson and Margaret Hammons of Arlington Heights as Lady and Servant #1, John Buckley, Jr. of Palatine as Page and Player, and Donna Quinn of Addison as Tailor.

Joel and Maxine Cohen of Niles are the producers and stage manager respectively, with Joel also taking a role on stage as The Other. Cathy Schile is assisting her husband, John, the director, and also working on the costume committee with Arlette Dawson and Jackie Shadinger. Bill Shadinger has designed the colorful settings and supervised their constructions.

Tickets for "The Taming of the Shrew" are now available by calling the Guild Playhouse box office, 296-1211, between noon and 8 p.m. The Playhouse is located at 620 Lee Street (intersection of Lee and Miner - U.S. 12-45 at U.S. 14) in downtown Des Plaines.

Purchasers of season subscriptions for the 1976-77 season will receive free tickets to "Shrew" as a bonus if their checks are received before the summer show ends on July 17. Mailing address is: Des Plaines Theatre Guild, P.O. Box 84, Des Plaines 60017. Season tickets may also be purchased at the box office on performance nights of "The Taming of the Shrew". This gives the subscriber six shows for the price of four, according to DPTG ticket chairman, Jan Deddia of Buffalo Grove. Plays to be presented during the upcoming season are: "Show Boat" in September, "A Majority of One" in November, "The Night of January 16th" in January, "The Silver Whistle" in March and "The Real Inspector Hound" next May.
