You'll discover a host of gift ideas, entertainment suggestions and holiday tips to help make your Christmas merry!
For those inevitable hard-to-wrap gifts

In every group of gifts, there’s always at least one item that adds an impossible shape that is impossible to wrap neatly. For these problem gifts, try using a paper bag made of a thick, bright red paper, using a glass (giant) to trace your gift, then score it into the paper. Draw the children’s best sketch of the gift and let it be the picture. Make sure the child is the only one who can identify it. And then, while the child is at school, hand the gift to the child from behind who will be surprised to see the surprise inside.

To make wrapping easy, use a paper bag that is specially made for wrapping. These bags are available at most department stores. They are also available in a variety of colors and sizes, so you can find one that fits your gift perfectly.

A happy Christmas season is built upon the tradition of giving. With these tips and ideas, you can make gift giving easy and enjoyable for everyone.

Brighten Holiday Table With Festive 'Golden Bird'

Every few years, the urge to create a holiday dish that will add a different, exotic flavor to the usual menu sends me scurrying for unique seasonal ingredients. This year my quest led me to an array of exotic fruits and a variety of spices. I thought of adding an exotic touch to my usual Christmas roast turkey. Why not add an exotic stuffing as well?

The stuffing in this recipe uses pine nuts, almonds, chestnuts, and meats seasoned with port wine and sautéed vegetables. The sauce is made with Stock Punch, a spicy concoction of hot pepper sauce, curry, and cayenne pepper. The dish is garnished with whipped cream and served with a side of poached pears.

To make the stuffing:
1. Preheat the oven to 350 degrees.
2. In a large mixing bowl, combine the following ingredients:
   - 1/2 cup chopped chestnuts
   - 1/4 cup chopped almonds
   - 1/4 cup chopped walnuts
   - 1/4 cup chopped pine nuts
   - 1/4 cup chopped walnuts
3. Add the following wet ingredients:
   - 1/2 cup port wine
   - 1/4 cup olive oil
   - 1/4 cup chopped celery
   - 1/4 cup chopped onion
   - 1/4 cup chopped carrots
   - 1/4 cup chopped mushrooms
4. Mix well and place in a baking dish. Bake for about 30 minutes or until the stuffing is tender.

To make the sauce:
1. In a small saucepan, combine:
   - 1/2 cup port wine
   - 1/4 cup olive oil
   - 1/4 cup chopped celery
   - 1/4 cup chopped onion
   - 1/4 cup chopped carrots
   - 1/4 cup chopped mushrooms
2. Add:
   - 1/2 cup chopped chestnuts
   - 1/4 cup chopped almonds
   - 1/4 cup chopped walnuts
   - 1/4 cup chopped pine nuts
3. Mix well and simmer for about 15 minutes or until the stuffing is tender.

To assemble:
1. Stuff the turkey with the stuffing mixture.
2. Roast at 350 degrees for 3 hours or until the internal temperature reaches 165 degrees.

Serve the turkey with the sauce and garnish with whipped cream.

This dish is a great way to add a touch of exotic flavor to your holiday feast. It's sure to impress your guests and make your Christmas dinner unforgettable.
