Niles stiffens P-Ticket fees

Trustees voted unanimously during the Jan. 11 board meeting to hike fees on "P-tickets" which are similar to traffic tickets, according to Joseph Salerno, director of building and zoning, but which assess fines for village code violations.

Salerno said he was primarily interested in raising the penalties because some people preferred to pay the fine rather than purchase the necessary permit which in some cases cost more than the fine.

He also said contractors who delay corrections are bound to think twice... "a \$10 penalty is nothing to them, but they'll correct the violation rather than pay \$25."

The proposed code change also empowers officials of the Housing and Engineering Departments, previously not authorized, to issue P-tickets.

The new schedule provides for a penalty increase for violation of a building code from \$10 to \$25. Increases also include business regulations, from \$5 to \$25. Increases also include business regulations, from \$5 to \$25; electrical or sign code, \$10 to \$25; engineering regulations to \$25; fire code, \$10 to \$25; health code,

\$10 to \$25; housing code to \$25; plumbing code to \$25; and zoning code \$10 to \$25.

No fine increases were listed for dog regulations which remained at \$5; fire lane code \$10; parking \$5; and vehicle licenses, \$5.

The new fee schedule also provides for increase to \$35 after final notices have been mailed on code violations, except for dog violations, \$13; fire lane, \$20; parking code, \$13; and vehicle license, \$13.

Increases in P-ticket fines had been under consideration by trustees since last November.

Salerno said the more-than-doubled hike in penalties was meant to be "meaningful".

Six candidates projected for April park race

Vandals hit Oakton Fieldhouse

From the LEFT HAND

By David Besser
Editor & Publisher

Four weeks away from this column has been the longest absence we've taken in many years. But after reading Diane Miller's columns, we decided we'd better get something into print or we might be moved off the front page. Her two columns were most interesting.

We received much favorable comment from many people who enjoyed her reports about the Springfield inauguration.

Alice Bobula also did some excellent work on drug stories, one of which was only reported in The Bugle. And despite her many hours of unerring work, we pulled a major error in her story regarding the arrest of a local store owner. The arrest was made "for alleged over-the-counter sales without a prescription for controlled substances". We inadvertently omitted the suffix "out" in the word "without" which gave an entirely different meaning to the first paragraph of the story.

A sort of ho-hum story we missed the past month concerned the announcement Edward Trybus has announced he will run against Nick Blase for village president in the upcoming April election. Trybus had run for Mayor once before and received a minuscule number of votes, about 10 years ago. While it's our job to report the news it's also our job to tell you the story is "Much ado about nothing".

Other stories which passed our way the past month which bear comment included the report Danny Kosiba will run for park commissioner in Niles. As most Nilesites know, Dan has been the very successful coach of many of St. John Brebeuf's city-wide championship teams. His devotion and effort in this area makes him an outstanding candidate for the post he seeks.

While we're not out to make the pot boil, Danny would be a great candidate for village president in Niles. He has all the tools necessary for seeking Niles' top job.

Dist. 63 teachers: 'Joy, magic of teaching is gone'

by David Besser

At an informal meeting of District 63's Faculty Advisory Committee and school board Tuesday night, several teachers said the "joy, excitement and magic" of teaching in the district no longer exists.

The Committee, comprised of teacher representatives from each school in the district, also noted the administration is intimidating. They said many teachers are fearful if they speak freely, they might lose their jobs. Citing the limited opportunities for school teachers in today's decreasing market, the representatives left the impression if teachers don't conform in the district, they

Free Blood Pressure tests

Free blood pressure reading is being conducted today between 4 and 8 p.m. in the Niles Administration Building, 7601 Milwaukee ave. No appointment needed.

Seek blood donors

The Niles Blood Donor Mobile will be at the Trident Community Center today between 4 and 7 p.m. for drawing blood donations. All interested donors are welcome and encouraged to come, no appointment is needed.

Increased vandalism at Oakton Manor Park, 8100 Ozark st. in west Niles, will necessitate replacement of doors and door-frames of the fieldhouse noted park commissioners Tuesday, Jan. 18.

Latest damages were incurred over the Jan. 8 weekend. Chunks of the door and frame were gouged out to gain entry into the building.

Whatever tools, screwdriver, hammer, knife were used, noted Park Director William Hughes, "they were effective because the doors are open." No further

ND Mothers luncheon

Daisies 'N Design is the theme of this years annual spring luncheon and fashion show presented by the Mother's Club of Notre Dame High School at the Fireside Inn of Morton Grove on Wednesday, Feb. 2, 1977. Mrs. Rose Mary Dietz, Chairwoman of the luncheon is showing a hand made hook rug her mother made for the raffle.

Shown above are left to right, Mrs. Rose Mary Dietz-Chairwoman, Mrs. Nancy Arkus, Mrs. Joan Prout, Mrs. Nora Hilliard, Mrs. Diane Bauer, and Mrs. Josi La Pelusa. Other members of the committee not shown are: Mrs. Carolyn Bell-Co Chairman, Mrs. Mary Jane Pink and Mrs. Pat Swanson.

Fashions will be by Lytton's of Golf Mill with ladies from the Mother's Club as the models and several extra guest appearances. The luncheon honors the past presidents of the Mother's Club and all the proceeds go to benefit the boys at Notre Dame. The price of the tickets are \$10 and may be obtained by calling Mrs. Joyce Byron at 825-6885.

Seize 2 in drug sale at Golf Mill

by Alice M. Bobala

Agents of the Metropolitan Enforcement Group (MEG), an undercover drug-investigation unit in the suburbs, arrested two Hanover Park men Tuesday following an alleged sale of controlled substance to an undercover agent at Golf Mill Shopping Center.

Jeffrey A. Kearley, 19, was charged with delivery (sale) and possession of MDA (a hallucinogenic) and of hash oil (refined cannabis). A 17 year old youth

was also charged with delivery of a controlled substance (MDA).

Both were taken to the Niles Police Dept. where both were released after Kearley posted \$2,500 cash on a \$25,000 bond and the 17 year old posted \$500 cash on a \$5,000 bond.

MEG Director John Hinchy said an undercover narcotics agent met the two men at 6 p.m. in the parking lot near Mill Run Playhouse and entered the agent's car to negotiate.

He said MEG agents closed in immediately following the alleged

sale of 7 grams of MDA for \$280. Further evidence was found on the men and in their car, he noted.

A previous buy, 30 doses of LSD, was made Dec. 30 when a MEG agent met Kearley in the Golf Mill lot. Further arrangements had been made at that time for the Jan. 4 purchase.

Kearley, an unemployed truck driver, told police he had been previously arrested in 1976 for possession of marijuana and put under 6 months' probation.

Niles Mite icers win four contests

The Niles Sharks Mite "AA" Hockey Team, sponsored by Roberts Advertising, defeated Winnetka 3-0, Oak Park 13-2, Waukegan 4-3 and Palatine 3-1 in Hockey League play during the past 3 weeks.

In the Winnetka game outstanding defensive work by Nick Salemi, David Englund and George Chaconas, plus determined goaltending by Bill Heintzelman gave Niles Mites their first shut out of the year. Goals were scored by Nick Salemi, David Englund and John Greenland.

On Sunday, Dec. 19, the Sharks played Oak Park and finished with an impressive 13-2 win. Goalie Bill Heintzelman played out of the nets this game, and got his first goal of the season, which turned out to be the game's winning goal. Nick Salemi and George Chaconas both got hat tricks in the game, with other scoring coming from Scott Calkins, 2 goals, David Englund 2 goals, Danny Gaines 1 goal, Mark Kasprzak 1 goal. Nich Chaconas played in the nets and made some remarkable saves.

In a non-conference game, Niles defeated Waukegan 4-3 on Dec. 22, in a hotly contested battle. George Chaconas scored the first 3 goals in the 1st period unassisted and David Englund scored the 4th goal in the 3rd period, assisted by Salemi and Loverde.

On Jan. 2, the Sharks beat Palatine on home ice displaying a fine team performance. George Chaconas got his 3rd hat trick for the season and Bill Heintzelman played an excellent game in the nets.

Niles Sharks vs Franklin Park

The Niles Sharks met Franklin Park for the first time this season and ended up the winners. The first period was scoreless with both teams trying hard to score. The second period with a minute and a half into the period, Vince Guzaldo received a pass from Jim Sliwa for the first goal of the game. Franklin Park's defense tried hard to keep Niles out of their zone but couldn't do it. Vince Guzaldo slapped the puck to Bill Connor to score the second goal of the game. The third period Franklin Park got their only goal for a final score of Niles 2, Franklin Park 1. All the boys played a good game, with some fine saves by Niles' goalie Brett Wilson. To date Niles' top scorer is Bill Connor.

Thomas M. Stefo

The U.S. Air Force has promoted Thomas M. Stefo, whose parents are Mr. and Mrs. John E. Stefo of 6832 Oakton ct., Niles, to the rank of airman.

Niles Sharks Bantam 'AA' hockey

The Niles Sharks, sponsored by Golf Mill State Bank, started off the new year with a busy week of hockey. Their first game was on Jan. 4 against the Franklin Park Jets. The first period Franklin Park scored first and Niles came back with a slap shot by Steve Heinol, assisted by Dan Corona. The second period brought a second goal for Franklin Park, but Niles came back with two more goals 40 seconds apart. The third period both teams scored, giving a final score of Niles 4-Franklin Park 3. Other goals for Niles were by Bill Connor, Scott Malik and Jim Sliwa. Assists were given to Vince Guzaldo, Dave Thimm and Frank Machaj.

On Jan. 5 Niles met Lake Barrington beating them by another close score of 3-1. At the end of the second period it was a 2-2 tie. The third period was a lot of hard skating by both teams, but Niles scored the winning goal. Goals were by Vince Guzaldo, Bill Connor and Frank Machaj, assisted by Dave Thimm, Bill Connor, Mike Evans and Steve Gratz.

Their third game on the 6th was against the Carol Stream Squires. The Niles Sharks were the winners with a score of 6-1. All the boys really skated hard and kept shooting. Vince Guzaldo was the big scorer of the game with

ND freshmen receive numerals

Coaches Bruce Donash and Fran McDonald have announced that the following freshmen received their class numerals as members of the class of 1980 for completion of the football season. The record was 4-4 on the "A" level and 4-1 on the "B" level. The freshmen tied for third place with Holy Cross and St. Patrick in the East Suburban Catholic Conference. St. Viator was second with 4-1-1 and Marist finished first with a 6-0-0 season. Notre Dame was 3-3-0 in the ESCC.

Niles Police Beat . . .

Tool loss
Police said persons unknown gained entry to the Cook County Forest Preserve building at 6633 Harts rd. on Jan. 12, taking 2 chain saws valued at \$300.

Stolen autos
A resident on the 8500 block of Shermer rd. told police her Olds Cutlass had been stolen overnight Jan. 11 while it was parked in front of her home.

In a second incident during the night of Jan. 11 thieves kicked open the side door of a garage on the 6900 block of Howard st. and removed a 1972 Ford station wagon. Police said an attempt had been made to activate the garage door opener which proved to be noisy so the door was opened manually.

Citizen help
Patrolling police were flagged down around 8 p.m. Jan. 11 on Oriole between Madison and Kedzie st. by two 17 year old youths who said they were trying to catch three 14 year old boys from Morton Grove who were trying to start a gasoline fire in a soup can with a shotgun shell, according to police records.

Wife beater
A Chicago man was charged with assault Tuesday, Jan. 11 after his former wife complained she was threatened by him in the Golf Mill theatre lot.

Police said he was released after posting \$100 cash on a \$1,000 bond. His court appearance is Feb. 18.

Stolen credit card

Motorist cited for failure to yield

Atul Patel, 18, of 4856 W. Howard st., Skokie, was charged, after a two-car collision Wednesday, Jan. 12, on Touhy ave., with failure to yield from a private drive.

Store burgled
Cash and whiskey were reportedly stolen from C. Swenson Paint Co. over the weekend of Jan. 8 at 8980 Milwaukee ave. according to police.

Police said burglars ransacked the office area taking an unknown amount of cash from the petty cash box.

An attempt to break into the safe was unsuccessful but 6 bottles of whiskey were taken from a box in the office, they said.

Giovacchini's car was towed to 7254 Milwaukee ave. in Niles.

Niles Lions hold first meeting of new year

Niles Lions Club started the year most enthusiastically with Niles Lion President Steve Dawiec presiding. Three special guests were present from the Golf Mill Bank, Jim Martin, John Brennan and Sol Siegel. Niles Lions are always pleased to have guests and welcomes them to become fellow Lions, to become a member of the largest service organization in the world — over one million strong.

Niles Lion past president, Bill Angus, introduced the evening program. First on the program was our esteemed Niles Lion past president Bill Witendorf of Dialogue who explained Dialogue thru a film slide presentation, an important service to the Blind and Deaf-Blind. What a service to these handicapped. Now these handicapped have a means to receive communication that they never had before. This has opened up a whole new horizon for the Blind and Deaf-Blind that 25 years ago was unheard of except for a chosen few. Second, a most unusual and informative presentation was made by Fred Palmer, from Illinois Bell. The wonders of our technological age are absolutely amazing. Fred is an electronics engineer and made an otherwise technical presentation live and quite understandable and entertaining.

Before closing Lion Bill Witendorf, who himself is blind, reminded Lions the privilege it is to be a Lion and to have the opportunity to serve our fellow men, especially the blind and deaf-blind. Lion Bill installed our three guests mentioned earlier into Lionism. They were warmly accepted into the Niles Lions Club. These men were sponsored into Lionism by Lion Walt Beusse. The next meeting of the Niles Lions Club will be Thursday, Feb. 3, 1977 at La Ray's. Any questions about Lionism, call Lion President Steve Dawiec (965-4698), or Lion Tony Hubick (965-4698).

Special note: Niles Lions Pancake Day will be on Sunday, Feb. 6, 8 a.m.-2 p.m. at La Ray's. Plan now to attend and bring the family. Adults \$2 and children \$1.25. Tickets can be purchased in advance from Niles Lions or at the door. Any questions contact Dennis Burns (459-1640).

Stolen merchandise, auto recovered

Police recovered stolen clothing and a stolen car after a high speed chase from The Gap at 9335 Milwaukee ave. to 8500 Dempster st. in Niles Wednesday, Jan. 12.

Arrested and charged with criminal trespass to auto and retail theft were Mickie Bravos, 20, of 9208 Stevenson, Des Plaines, and Christopher Brown, 26, of 1838 S. Hamlin in Chicago. Both were placed under \$2500 bond and taken to County Jail.

Also arrested was John Peshel, 44, of 1168 N. Milwaukee ave., charged with a revoked drivers license, possession of a stolen car and retail theft. He was also placed under \$2500 bond.

Police said their suspicions were aroused after seeing a man and his female companion exit the Gap hurriedly around 9 p.m. on Wednesday and enter a waiting car with a male driver.

The car exited across Milwaukee ave. said police to circle the Golf Mill area and pull out southbound on Milwaukee ave. The occupants were seen throwing bags from the car windows.

The tagged bags were later identified as belonging to the Gap by an employee.

License plates of the car, a Riviera, were checked with the Niles Police Dept. during the chase and found to belong to a car stolen earlier.

Police stopped the fleeing car at 8500 Dempster st. where investigating officers said bags of cigars, whiskey and clothing were visible in the rear of the auto.

All three were taken to the Niles police department where a Gap employee identified clothing valued at \$114. Further search of the car revealed more clothing bearing price tags in the trunk said police.

BBYO distributes blood donor posters

As part of their community service work, 34 members of the Illinois regional B'nai B'rith Youth Organization distributed January Blood Donor Month posters to retailers, restaurants and other businesses in the downtown Chicago area. Youngsters from Des Plaines, Glenview, Morton Grove, Niles and Skokie participated in the fifth annual poster distribution project conducted by the BBYO. The poster distribution is a part of a larger

campaign conducted by the Chicago Regional Blood Program to remind the public of the need for volunteer blood donors throughout the year. CRBP is a non-profit coordinating organization for blood banking activities in the metropolitan area. Individuals wishing to donate blood, or who would like to have a blood donor campaign within their own organization, are asked to call 477-7500 for information.

Messiah Day Care Center fills need of working mothers

Mothers of preschoolers who work have the additional responsibility of finding suitable care for their children during the long hours they must be away from home. Studies have shown that there are not enough good day care centers available for the number of women now working in the northwest suburban area of Chicago. In response to that need, Messiah Lutheran Church, 1605 Vernon ave., Park Ridge, opened a Day Care Center this fall which now cares for nine children on a regular basis. Additional facilities are available for more children, aged two to five, to be admitted to the program at this time. The Center is open from 6:30 a.m. to 5:30 p.m., Monday through Friday the year around, although nine hours in the maximum time per day recommended.

Juli Millar, director, and assistant teachers provide a full day's activities interspersed with free play with a wide variety of play equipment and a traditional nursery school program with learning methods matched to individual child's abilities and interests. There is no pressure on any child to conform to a preconceived level of learning, just an offering of many activities and projects to try out and experiment with, within a loving, safe environment where children surprisingly find it difficult to leave at the end of the day. Nutritious hot meals are

served as well as snacks and breakfasts, too, if required. A spacious park area adjacent to the school is available for outdoor play. Suitable field trips are planned. Messiah has had a Nursery School program serving the community for over ten years which is also still operating, although separately from the Day Care Center. Information can be obtained about either the Day Care Center or the Nursery School by telephoning 825-3767. The Center is located just 2 1/2 blocks southwest of Lutheran General Hospital, a location convenient to Des Plaines and Niles as well as Park Ridge.

SLW election meeting

On Jan. 29-30 the Sisters of the Living Word will meet at La-Grange to elect their administrative team which will serve the community for the next three years. Three Sisters will be elected to serve as Spiritual Leader, Community Development Coordinator and Apostolic Coordinator. Also at the meeting, a novice, Sister Sarah McCarthy, of Chicago, will make first promises. In our area Sisters of the Living Word staff St. Isaac Jogues, Niles, and St. Martha's School, Morton Grove.

Belden Regular Baptist Church

Men's Fellowship of Belden Regular Baptist Church, 7333 Caldwell, Niles, meets tonight, Jan. 20, 7 p.m. Men of the community are cordially invited to an evening of food, fellowship, and a Moody Science Film, "In The Beginning God".

Awana Clubs for boys and girls grades 3-8 meet Friday, Jan. 21, 7-8:45 p.m.

Dr. William Kuhnle will be guest speaker at both the 10:45 a.m. and 7 p.m. Worship Services on Sunday, Jan. 23. Children's Church for toddler, beginner, and primary children are held in their worship areas during the 10:45 a.m. adult service.

Sunday school meets at 9:30 a.m.; there is a class for everyone.

The Women's Missionary Fellowship meets Tuesday, Jan. 25, 7:30 p.m. Featured will be a report of missionary work in the country of Columbia.

Prayer and Praise Service is Wednesday, 7:30 p.m. Children's Chorister Choir practices at 7:30 p.m. followed by adult choir rehearsal at 8:30.

Musical offering

Mr. Philip Skerrett will be presenting an organ recital at St. Paul Lutheran Church, 7870 Niles Center rd., Skokie, on Saturday, Jan. 22, at 4 p.m. Philip is a candidate for the Master of Music degree at Northwestern University's School of Music. He is also continuing piano study and has played piano recitals in the North Shore area as well as organ/piano recitals in his home town of Philadelphia. Phil will be playing music by Johannes Brahms, Robert Schumann, Felix Mendelssohn, and Johann Sebastian Bach. The organ at St. Paul Lutheran is one of the finest mechanical-action instruments in the Chicago area. As are all "Musical Offerings" at the church, the recital has no fee for admission.

First Aid workshops

An accredited one-day program in American Red Cross Multimedia Standard First Aid will be held at Oakton Community College on Saturday, Feb. 5, and again on Feb. 19, from 9 a.m.-5 p.m.

Led by ARC instructors, the eight-hour session will teach bandaging, splinting, mouth-to-mouth resuscitation, and other life saving techniques, using such aids as film presentations and supervised practical application. A certificate of completion will be issued to each participant who passes a written test at the end of the session. The program is sponsored by MONACEP, Oakton's adult and continuing education program. Oakton Community College is located at Oakton and Nagle, Morton Grove.

The fee for this workshop is \$7 for both residents and non-residents of Maine and Niles Townships. For further information, call the MONACEP office at 967-5821.

Divorce Law for laymen

The Maine-Oakton-Niles Adult & Continuing Education Program is featuring a lecture/discussion seminar entitled **Divorce Law for Laymen** on Saturday, Feb. 19, from 9:30 a.m. to 4 p.m. The seminar will be held at Oakton Community College, located at 7900 Nagle ave., Morton Grove, Ill. The major aspects of divorce will be covered, including grounds, alimony, property rights, child custody and support and No-Fault bills currently pending in the Illinois Legislature.

The instructor will be Edward I. Stein who is a specialist in matrimonial law. The tuition is \$20. For further information, telephone 967-5821 between 9 a.m. and 4 p.m.

'Kimono' workshop

MONACEP students who enroll in the two-session "Kimono Workshop" on Feb. 5 and 12 will create and sew their own beautiful and comfortable kimonos.

Meeting from 9 a.m.-4 p.m. both Saturdays at Oakton Community College, Oakton and Nagle, Morton Grove, the class offers information on styling, material selection, cutting, basic stitching, hand sewing, and wearing of this traditional Japanese garment.

Instructor for the course will be Ayako Mori, a Chicago resident who was born in Japan. Ms. Mori has taught courses in beauty culture at the Central YMCA Community College in Chicago for 14 years.

Tuition for the two-day workshop is \$20. Materials will be available in class for about \$12-\$15.

For further information, call the MONACEP office at 967-5821.

Emerson Jr. High dinner dance

Final touches are put together for Emerson Jr. High "Happy Days" by the Ways & Means and Social Committee. From left to right: Effie Bekas, Hugo Panarese, Sue Miklas, Diane Warman, Elvira Panarese & Bob Burns.

This annual dinner dance being held on Friday, Jan. 28, has come to be the highlight of Emerson's winter season. Dancing from 9 to midnight, to the music of Joe Foltz and his band, an exceptional buffet dinner beginning at eight o'clock and available throughout the evening for the low cost of only \$5 per person is an exceptional bargain. Bob & Loretta Burns, Chairman, invite you to relive the fun of the 50's. Costumes are optional but always add to the festivities of the evening. Tickets are available at Emerson Jr. High or from any of the PTC Board members.

OCC/MONACEP course examines remarriage

The complex relationships and interactions involved in remarriage will be explored in a new course, "The Recycled Family: When Families Remarry," offered this winter by MONACEP and the Oakton Community College Women's Program.

The four-week class, which will meet on Mondays from 9:30-11:30 a.m., will begin on January 24 at the Niles Community Church, 7401 Oakton, Niles. The instructor will be Devra Jacobson, a teacher, book discussion leader, and workshop organizer.

"The Recycled Family" will deal with the realities of reconstructing a family—the psychological, emotional, social, legal, and financial considerations. Of particular interest to persons who are now or are about to be remarried, the class provides an opportunity for exchange and sharing of opinions, experiences and knowledge about "the second time around." Teaching methods will include group discussion, role playing, lecture, and problem-solving in small groups.

The fee for the four weeks is \$10. For further information, call Pat Handzel, Oakton's Director of the Non-Traditional Student Programs, at 967-5120, ext. 350.

Chinese cooking classes

One-evening MONACEP cooking sessions, teaching the preparation of "Egg Rolls," and "Won Ton and Egg Foo Yung" are scheduled for late January at Maine West High School, Wolf and Oakton, Des Plaines.

"Egg Rolls" will meet on Monday, Jan. 24, and "Won Ton and Egg Foo Yung" will meet the following Monday, Jan. 31, from 7:30-9:30 p.m. Instructor for these one-nighters is Joe Yee, a Niles resident who works for a food company in Chicago. Yee will present a cooking demonstration and tasting, then share recipes for each of these oriental delicacies.

Tuition for each course is \$7 for both residents and non-residents of Maine and Niles Townships.

For further information, call the MONACEP office at 967-5821.

Dominick's Benefit Day

Dominick's Finer Foods, 6931 Dempster, Morton Grove, will have a Benefit Day for School District 67 on Feb. 2.

5-Day 'Stop Smoking' plan

A Stop Smoking Clinic, co-sponsored by MONACEP and the Seventh Day Adventist Church of Northbrook, will be held on five consecutive evenings, Sunday thru Thursday, Feb. 6-10, at Maine East High School, Dempster and Potter, Park Ridge.

Designed to build will power and discourage dependence on tobacco, the sessions will last from 7:30-9:15 p.m. each evening. The clinic director is Arthur Fry who has led Stop Smoking sessions for MONACEP for several years.

Tuition for the five-evening clinic is \$7 for both residents and non-residents of Maine and Niles Townships.

MONACEP is the adult and continuing education program of Oakton Community College.

LETTERS to EDITOR

Are all these coincidences?

Dear Editor:
Is it a coincidence that since I, as Clerk, won the Court case and have access to the General Assistance records, most of the previous records have disappeared or been destroyed?
Is it a coincidence that since the Court ruled that I must sign the Vouchers for General Assistance that the General Assistance caseworker no longer receives hundreds of dollars annually of taxpayers' money for un-accountable expenses?
Is it a coincidence that since the Clerk signs the Vouchers for General Assistance that residents of other Townships no longer receive General Assistance payments from Niles Township?
Is it a coincidence that since the Clerk signs the Vouchers for General Assistance and has access to the General Assistance records that General Assistance payments have been reduced almost by one-half: April, 1975 through December, 1975 - General Assistance payments totaled \$112,157.73; April, 1976 through December, 1976 - General Assistance payments totaled \$63,692.48.

Commends MEG, Niles Police on drug arrests

Dear Editor:
I've just read about the outstanding work of the Metropolitan Enforcement Group and Niles police officers in the apprehension of drug violators in our village.

This letter is just to let you know that we appreciate the vigilance of the police and the MEG and also the village officers who are 100% behind these efforts.

The matter of off-track betting establishments is another area where the village has taken positive action. We commend their judgment in stating the village position of not condoning this activity.

Maine Township adopts absentee ballot resolution

A resolution calling for the transfer of responsibility for absentee voting from the Cook County clerk to the township clerks was adopted by the Maine Township Board of Auditors at the Jan. 11 township meeting.

The resolution urges the General Assembly to permit township clerks to accept and process applications for absentee ballots, to conduct balloting, and to deliver absentee ballots to precinct judges of election.

Maine Township Clerk Philip Raffe said the resolution was initiated for two reasons. One, a large number of absentee ballots

were not counted in the November general election. Two, the Clerk of Cook County has proposed that his office count absentee ballots and add the results to the official tallies submitted by precinct judges of election.

Raffe said that in the November election a large number of voters were disenfranchised because their ballots either were not delivered or were delivered to the wrong polling place. He added that it is a matter of record, especially in the close race in the 10th congressional district.

The problem can be solved, Raffe stated, by permitting town-

ship clerks to handle absentee balloting. Township clerks, he said, have the facilities and can thus better serve the public. Moreover, they know the township area and can guarantee delivery of absentee ballots to the correct polling places.

Raffe also said that the county clerk's proposal to count absentee ballots in his office dilutes the authority and responsibility of the duly appointed precinct judges of election.

Raffe said copies of the resolution will be sent to other township officials and members of the general assembly.

NILES PARK DISTRICT

Family Swimming

When was the last time your whole family had a fun evening together?

The Niles Park District may have the answer for you, with its Wednesday night family swim program.

The New Pool at Maine East High School will be available from 7 to 9 p.m. on the following dates:

- January 26
- February 2
- February 9
- February 16
- February 23
- March 2
- March 9

The fee for Niles Park District residents is 50 cents and \$1 for non-residents per session. Why not bring the whole family and "Make Some Waves".

For further information call the Niles Park District at 967-6633.

Summer Employment

The Niles Park District is now taking applications for Summer Recreation positions. Positions include Playground and Day Camp Leaders, Specialists, Projectionists, and Swimming Pool personnel. For applications and further information, contact the Niles Park District at 7877 Milwaukee ave., or call 967-6633.

Session II Tap & Ballet

The Niles Park District still has some openings in its Session II Ballet and Tap programs. Here is a great opportunity to introduce and teach your child the art of dance. Both programs are geared toward developing poise, grace, and confidence. Classes begin on Saturday, Feb. 12 and continue for 15 weeks.

Classes and times are as follows:

Tap Classes: 9 to 12 Year Olds

10 to 10:45 a.m.; 6 to 8 Year Olds - 10:45 to 11:30 a.m.

The fee for any of these fine classes is \$10 for Niles Park District residents and \$20 for non-residents.

Class sizes are limited so don't disappoint your child! Sign-up NOW! For further information call the Niles Park District at 967-6633.

Pre School Registration

Registration for the second session of the Niles Park District Pre School Program will be held on Tuesday, Jan. 25 and Thurs-

day, Jan. 27 from 9:30 to 11:30 a.m. and 7 to 8:30 p.m.

The program is offered for children who are 3 years old or older by April 1, 1977 and who are toilet trained. A Birth Certificate will be required at the time of registration. All children who are presently enrolled in Session I will be given first opportunity to register for Session II.

To give mothers a better idea of the program and to give the instructors the necessary assistance, we ask ALL mothers to assist in their child's class periodically.

All classes begin the week of Jan. 31 and continue for 15 weeks.

Session II Pre School registration for Niles Park District residents ONLY will be held at the Recreation Center, 7877 Milwaukee on Tuesday, Jan. 25 from

9:30 to 11:30 a.m. and 7 to 8:30 p.m. Registration for all Niles Park District residents and non-residents will be held at the Recreation Center on Thursday, Jan. 27 from 9:30 to 11:30 a.m. and from 7 to 8:30 p.m.

Registration is on a first come first serve basis, and class sizes are limited!

For further information call the Niles Park District at 967-6633.

Open Gym
Are you and your friends looking for a place to shot some baskets? This may be just what you're looking for!

The Niles Park District in cooperation with School District #63 is sponsoring open gym activities at Gemini School, Ballard and Greenwood. Gemini's North Gym is open on Tuesday evenings from 7:30 to 10 p.m. for high school ages and above.

For further information call the Niles Park District at 967-6633.

Golf Lessons and Golf Clinic
Have you been having trouble with your golf game or have you wanted to take up the sport? The Niles Park District has just what you're looking for!

Golf Clinic—This program is designed to improve your scores. Let our pro answer your questions and give you tips on how to improve your game. This 5 week program will begin on Tuesday, Jan. 25 from 6 to 7 p.m. at the Grennan Heights Recreation Center. The fee for Niles Park District residents is only \$4.

Golf Lessons—Here is a great opportunity to learn the game "right" the first time. The small class will allow participants to receive individual attention that would cost much more at a Golf Course.

The program will be held at the Grennan Heights Recreation Center on Tuesday afternoon from 2 to 2:30 p.m. This 5 week program will begin on Tuesday, Jan. 25. The fee for Niles Park District residents is only \$8.

So whether you're a beginner or an experienced golfer, the Niles Park District has the class for you.

Halfway through Columbo in the family room, the phone rings in the living room.

While you're busy talking in the living room, Columbo is busy nailing the bad guy in the family room.

And you miss how he did it.

There's no mystery about how you can put an end to this frustrating problem.

An extension phone in the family room. And it's easy to come by. Just call our Business Office, and we'll pick a date

to come over and put in your phone.

The cost? Pennies a day.

But maybe even more important, it's a way to hear what Columbo says while you're listening to what Aunt Ethel says.

Maine East girls gymnastics team

The Demon machine is off to a powerful start in their pursuit of the first Girls' Gymnastics State Team Championship. The team won their first six dual division meets, and should win the CSL South Division team title. The team recently won the 8-school Evanston Invitational on Jan. 8, where the girls had an opportunity to compete against schools from different conferences in the Chicago area. The Maine East team was well represented on the awards stand, with the blue and white taking the first four places in Uneven Bars. Ellen Barrett took first place with a score of 8.1, Cyndee Graff, 2nd with an 8.0, Donna Mancini, 3rd with a 7.9, and Kathy Baffes, 4th with a 7.85. In Vaulting, Ellen Barrett wowed the crowd with her exciting Tsukahara vault (a round-off back somersault over the horse). Although she received a 9.05 to win first place, coach Betty Axelson felt the vault was underscored and should have received at least a 9.3, since she stuck the vault perfectly with no loss of balance or break in the vault. Other

vaulters helping the team were sophomore Karen Sele, who took 2nd with an 8.6, and Donna Mancini placing 5th with a 7.8. Donna also took 2nd in Floor Exercise with an 8.45, and 2nd in the All-Around with a cumulative

total for all four events of 30.1. The Maine East team is doing well due to the depth in all events, along with having outstanding performers in each event. Senior Captain Donna Mancini is carrying the team's most important All-Around position, with her strong events being FX and Beam. Donna's most impressive quality in these two events is her smooth, flowing movements, backed up by the high level of difficulty she works into her routines. Of course, Donna's abilities are not just limited to the artistic events — her Bars routine has scored an 8.4, and her vaulting scores are moving towards the 8's every meet.

Another star performer for Maine East is Co-Captain Ellen Barrett. Ellen should be the 1st State Vaulting Champion if everything keeps going as well as the first part of the season. Someone once described Ellen gymnastically "lean and mean", which is how you have to be to attack the Tsukahara vault like Ellen does. Her Bars work is also very strong, as indicated by the 8.8 she received at the Maine West dual meet. Kathy Baffes, another team Co-Captain, is one of the hardest working gymnasts, and her hard work is paying off especially in Bars now that she's getting her new tricks together in a clean, polished routine.

Backed up by other gymnasts like Cyndee Graff, Sue Kane, Gaby Isola, Kathy Brizzolara, and Terri Schwind, the Maine East Girls' Gymnastics Team is ready for their upcoming competition. Their next meet is the Niles West Invitational on Jan. 15 in which 27 schools will be represented. The Demons have won this Invitational for the last 3 years, and hopefully this will be their fourth year. The Glenbrook South Invitational follows on Jan. 22 and then the South Division CSL Championship will be held on Jan. 29 at Glenbrook South. After that it's on to Districts, where Maine East hopes to qualify all their girls into Preliminaries for

Soph wrestling meet at Notre Dame

Notre Dame High School, 7655 Dempster st., Niles, will host its sixth sophomore wrestling invitational tournament in its gym on Jan. 22. The preliminaries and quarter finals will take from 10 a.m. to 3 p.m. The semi-finals are scheduled from 3:30 p.m. to 5 p.m. The consolation and championship finals will begin at 6 p.m. The 15 teams entered besides ND are Carmel, Conant, Elk Grove, Forest View, Hersey, Irving Crown, Maine East, Maine South, Marist, Niles East, Niles West, Prospect, St. Patrick, Shepard, and Willowbrook.

Students will pay \$1 for each session or \$1.50 for a tournament pass. Adults will pay \$2 a session or \$3.50 for a pass.

Single elimination will be used with the losers in the semi-finals wrestling in the consolation finals. Three mats will be used for all sessions except for the consolation and championship finals. Team trophies will be awarded for first, second, and third place winners. Individual awards will be given for first, second, third, and fourth place winners. The head wrestling coach and tournament director is Jon Schaus.

The NDHS sophomore team is 5-4 at this time and led by Bob Pressney of Niles at 98 lbs., undefeated in 11 matches, and Anthony Mandolini of Glenview at 145 (8-2) with 8 pins and Joe Wilkins of Niles at 155 (8-2) and 6 pins.

The varsity record of 5-6 is very respectable. Senior captain Bill Reinhardt of Chicago at 132 (12-2) leads the team in statistics while senior captain Dave Mandolini at 185 (11-3) leads the team in pins with five. The third senior captain, Rick Romano of Skokie, who was East Suburban Catholic Conference champ last year at 138, 2nd in districts and 4th in sectionals, had knee surgery prior to the start of this season. Others on the varsity are Chuck Romano of Chicago at 145 (6-7), Luke Basile of Park Ridge at 167 (9-3-1), Chris Hilliard of Morton Grove at 155 (1-8), Kurt Malz of Skokie at 167 (2-1-2) and Tim O'Rourke of Park Ridge at Hwt. (0-3). All are seniors. Juniors on the varsity are Tshuhon Lin of Niles at 112 (3-10), Steve Duffy of Morton Grove at 119 (3-6), Pat Brand of Glenview at 126 (6-7), Mike Burke of Lincolnwood at 138 (6-6-1), and Steve Radler of Skokie at Hwt. (7-4). Sophomores on the varsity are Marty Griffin of Chicago at 98 (5-8), Craig Besler of Park Ridge at 105 (5-8), and Jim Baranowski of Niles at 119 (1-3).

The freshman team (1-3) is led by Paul Hoffman, John Loftus, and John Tibbs of Chicago, Marty McLaughlin of Park Ridge, and Kevin Quinn of Niles.

The East Suburban Catholic Conference Tournament will be held at St. Patrick High School on Feb. 5 and 6 at noon.

Niles West soph boys' gymnastics

As freshmen, they were called "the record breakers". This season, one year and one level

the State Meet, which will be held at Maine East on Feb. 11 and 12. The meet will be televised on Channel 9, and the girls in blue and white plan on making the State Meet worthwhile for the Maine East fans to watch.

Niles West football players honored

Two former Niles West football players were recently honored by their respective colleges.

Bill Mitz, a member of the Indians' undefeated, conference championship team of '71, was selected most valuable and most enthusiastic player by his 1976 Drake University team.

And at Ball State University, former Indian Bill Pindras was selected MVP for the past season, an honor he also held during the Indians' 1974 season. Pindras, a sophomore at Ball State this year, played starting linebacker during the past season, helping his team to win the Mid-American Conference Championship.

Oakton Raiders

The Oakton Raiders defeated McHenry County College in its first basketball game in the Skyway Conference this year by a score of 78-72 on Tuesday night, Jan. 11.

High scorers for Oakton were Mark Swierenga, guard from Park Ridge, with 26 points, and Tom Arns, guard from Skokie, with 13 points. Arns also made 10 assists.

Jim King, forward from Glenview, and Sean Roche, forward from Park Ridge, each scored 12 points.

High scorer for McHenry was Bill Widmayer with 20 points. Oakton's next game is

later, the Niles West sophomore boys' gymnastics team continues the tradition by improving, winning, and setting new records. To date, the team has won six out of its seven contests, bringing their total Frosh-Soph record to 17-1. Last week, they set a new team scoring record of 95, which very few sophomore teams in the State are able to achieve. In fact, they've won all of their contests, except one, by 25 points or more (they won the one by 18).

And all this commotion is being made by a mere eleven, as yet not fully grown, sophomore gymnasts named Ben Fox, Gary Pockrand, Ed Rice, Dan McLean, Jim Salomon, Mike Halap, Steve Kestler, Scott Bjorklund, Al Murphy, John Malloy and Chris Kadota. Fox and Pockrand work all the events (all-around).

Most recently, the Indian sophomores brought home the trophy from the 10-team Conant Invitational, leaving second place Mundelein trailing ten points behind in the final tally.

Their secret of success is really quite simple. "They're talented, they're a very coachable team and they're definitely having fun", said Niles West sophomore coach John Burkel.

Burkel said that he finds it easy to tell if his athletes are having fun at what they're doing. "There's an atmosphere in the gym which lets you know". He explained that part of this atmosphere is created by the fact that the gymnasts come to all the practices, that they're on time for them, and that they're not too upset about temporary set-backs, but keep on working. All in all, Burkel considers this team of eleven to be "one of the most talented teams I've ever worked with".

scheduled against Harry S. Truman College in Chicago on Jan. 20 at Luther North.

Recycled aluminum worth many \$\$\$

Niles area residents became nearly \$7,000 richer in 1976 and helped clean up the environment at the same time as the result of aluminum recycling. R.J. Woosley, district manager, Reynolds Aluminum Recycling Company, reported today.

Mr. Woosley said area residents turned in 44,600 pounds of aluminum during the year, equivalent to 1,025,800 beverage cans that might otherwise have ended up as litter. At the rate of 15 cents per pound, they collected \$6,690. Beginning the first of this year, that price was increased to 17 cents.

The Reynolds mobile unit truck will make its next stop at the Lawrencewood Plaza, Oakton and Waukegan Roads, on Jan. 15 and 29, from 1 to 4 p.m.

Chicago and Northern Illinois area residents in 1976 earned \$14,380 by turning in almost 1,000,000 pounds of aluminum, equivalent to over 22,000,000 cans.

In 1975 alone, on a national basis, Reynolds recycled the equivalent of 1.8 billion aluminum cans and paid the public more than \$13,000,000. Mr. Woosley said that nationally, projections for 1976 show that the company recycled well over 100 million pounds of aluminum — which included more than two billion cans — paying the public over \$15,000,000.

Social Security discussion

An informational session entitled "You and Your Social Security" will be offered twice in early February by MONACEP, Oakton Community College's Adult and Continuing Education Program.

Marilyn Robertson of the Social Security Administration will discuss social security benefits, rights, and privileges on Thursday, Feb. 3, at Maine East High School, Dempster and Potter, Park Ridge.

A second session will be held on Wednesday, Feb. 9, at Niles West High School, Oakton and Edens Expressway, Skokie. Each session lasts from 7:30-9:30 p.m. Tuition for each session is \$3 for both residents and non-residents of Maine and Niles Townships.

For further information, call the MONACEP office at 967-5821.

SV United Crusade Luncheon

The Skokie Valley United Crusade will hold its 25th Annual Meeting and Awards Luncheon on Thursday, Jan. 20 at the North Shore Hilton Hotel in Skokie at 12 noon. Dr. James P. Richter, President, will preside. Richter is on the administrative staff at Niles East High School in Skokie. Thomas J. O'Connell, Treasurer and Ronald Gralewski, Campaign Chairman, will make reports. O'Connell is with the Skokie Savings and Loan Association and Gralewski with the Niles East High School.

New officers will be elected and awards given to crusaders and many firms located in Lincolnwood, Morton Grove, Niles and Skokie. Tickets for the luncheon may be secured at the Crusade office 4017 Church st., Skokie.

Special Ed. Senior Leaders

Helping people help themselves is what the special education P.E. senior leaders are all about.

Girls and guys from the junior leader program in regular P.E. classes can apply to Mr. George Terzian, the head of the special education P.E. program, to be a senior leader. This is in place of a regular gym period, and the seniors participating earn a regular gym grade for helping handicapped students adapt better physically and improve from an emotional and social standpoint.

Mr. Terzian remarks, "Being a senior leader requires a tremendous amount of dedication and a sense of responsibility. It also gives the individual a background in understanding the differences in people's personalities and adjusting to different types of characteristics, thus giving senior leaders a head start in psychology. It's also rewarding and a tremendous amount of pleasure is derived from being a senior leader."

Senior leaders assisting Mr. Terzian this year are Craig Anderson, Ross Anzelone, Kathy Baffes, Diane Batliner, Vicki Baum, Tony Betti, John Castellano, Sam Donatucci, Paul Dudek, Mark Engel, Gary Esses, Dale Fijakowski, Rich Faber, Pat Falter, Linda Glabavy, Cyndee Graff, Joe Gross, Leslie Halpert, Pat Hunt, Dave Jensen, Bob Kazmer, Gayle Kreft, Steve Levitt, Mike Maloney, Bob Marlin, Carol Olson, Wendy Osterberger, Martha Pagliari, Nancy Palcheck, Karen Pratscher, Bruce Ringstrand, Natasha Samin, Brian Shields, Sue Simon, Mike Stone, Helen Taylor, Al Teicher, Mark Vaporis, Karen Vinzant, and Bob Warman.

Extra-curricular sports activities include a series of basketball games with other schools. The first was Nov. 30 when Maine East hosted Mt. Prospect's Julia Malloy team, and next the Maine East team travelled to Highland Park's Stratford Center for competition on Dec. 7.

Upcoming competition is the Jan. 21 game with Laremont School here and Feb. 1 Maine East hosted sixth annual Northwest Suburban Special Education Athletic Association Basketball Tournament. Senior Leaders will also be assisting with the tentatively scheduled June 1 Maine East hosted Olympic track meet.

Speech team tournaments

With hopes of becoming number one, members of the Maine East speech team are working extra hard this year at preparing for upcoming tournaments.

One of these tournaments will be held at Maine West on Saturday, Jan. 29, and those who do well will continue on to districts in February.

Past tournaments have shown the talents of many members of the team. At the North Chicago High School competition on Jan. 8, first places went to Art Lachman of Des Plaines and Claudia Mesch of Niles. Scott Cohn of Niles received a third place. At the Peoria-Richwood tournament prior to winter vacation, both Claudia and Scott took first places. Claudia in humorous interpretation and Scott in radio speaking.

THE 7 3/4% SOLUTION

You don't have to be a great detective to figure out that 7 3/4% is a better interest rate than you can find at any bank.

And when you analyze our 6-year savings certificate, you'll realize that our 8.17% effective annual yield is just what the doctor ordered.

Your minimum investment is only \$1,000, completely insured by the FSLIC.

There are many ways to solve your financial problems, but our Niles Savings 7 3/4% solution is elementary.

* On certificates, Federal regulations require that earnings on any amount withdrawn from principal prior to maturity will be paid at the current passbook rate for the period held, less 90 days interest.

English classes

Do you need help in learning English? OR — do you have a neighbor who is a newcomer to our country or who has been here awhile and has not yet learned English or wants to improve his/her language skills?

The Community Education Program of East Maine School District 63, funded by Title IVc, ESEA, is offering classes in English conducted by Earl Schatz, M.S. Language Arts and Social Studies Specialist. The classes will be on Wednesday evenings from 7 p.m. to 10 p.m., beginning Jan. 19. They will be held at Nathanson School, Church and Potter rd., in Des Plaines.

For further information or an enrollment form, please call Norma Schultz, East Maine School District 63, Instruction Office, at 299-1900.

John J. Namovicz becomes Eagle Scout

At a recent Eagle Court of Honor held by Troop 275 (sponsored by the Holy Name Society of St. John Brebeuf Parish), John J. Namovicz received Boy Scouting's highest award — Eagle Scout. John is the son of Mr. and Mrs. B. E. Namovicz of 7057 Kedzie in Niles, and is a sophomore at Notre Dame High School.

A beautiful candlelight ceremony was the setting for Scoutmaster Clifford Drexler to present the award. The new Eagle Scout humbly accepted the honor, thanked his parents for their encouragement and his scout leaders for their help. He plans to remain active in scouting by helping others to become Eagle Scouts.

During the past 6 1/2 years John worked his way from Bobcat rank

in Cub Scouting to become the first Eagle Scout of Troop 275.

In addition to the 26 merit badges, John has earned the Mile Swim, Paul Bunyan Axman and Lifeguard awards, plus Brother-

hood membership in the "Order of the Arrow".

He is especially proud of his religious awards, which include the "Ad Altare Dei", from Cardinal John Cody; the "Pius XII", from Bishop Abramovicz; and the "Panis Vitae" from Bishop Daley (of Ireland) at the Eucharistic Congress in Philadelphia last August. John has the distinct honor of being the only Scout from the Northwest suburbs to receive the "Panis Vitae", which will not be awarded again until the year 2026.

Among the many distinguished guests present were: Harold Olson, a Scouter for 47 years and who was the Scoutmaster of John's father; Sister Theresa Jungers, principal, St. John Brebeuf School; Bob Smedberg, District Leader Development; Dick Pawell, District Chairman, who led John in the Eagle Scout oath; Msgr. J. Flanagan, Pastor Emeritus, St. John Brebeuf; Rev. J. Duggan, Present Pastor, St. John Brebeuf; Ray Shurson, District and Council Commissioner; Jerry Epstein, Advisor, Lakota Lodge, O.A.; Steve Kylen, District Training Commissioner; and Penny Pullen, 4th District State Representative.

MONACEP CPR program

A two-session program on Cardiopulmonary Resuscitation (CPR) designed for persons without medical training will begin on Monday, Jan. 31, at Maine North High School, 9511 Harrison, Des Plaines.

From 7-10 p.m., participants will learn to utilize a combination of artificial respiration and artificial circulation which has proved successful as an emergency procedure in cases of cardiac arrest.

The CPR program is sponsored by MONACEP, the adult and continuing education program of Oakton Community College, and by the North Cook County Heart Association.

On Jan. 31, those attending the program will learn about CPR and see demonstrations and on the following Monday, Feb. 7, they will practice the technique on mannequins. A non-technical manual and other printed materials will be given to each participant who successfully passes and demonstrates the CPR rescue techniques.

The fee, covering cost of materials, room rental, and registration, is \$9 for both residents and non-residents of Maine and Niles Townships.

For further information, call the MONACEP office at 967-5821.

District 63 special meetings

A Special Meeting of the Board of Education, School District 63, is being called by the President of the Board of Education, Mr. Larry Reiss, on Friday, Jan. 21, 1977 at 6 p.m. in the Apollo School, 10100 Dec rd., Des Plaines, Ill., for the purpose of adjourning to Executive Session to discuss personnel.

A Committee of the Whole meeting of the Board of Education, School District 63, will be held on Tuesday, Jan. 25, 1977 at 6 p.m. in the Conference Room of the Educational Service Center, 10150 Dec rd., Des Plaines, Ill., for the purpose of discussing the feasibility of forming a Citizen's Advisory Committee.

Maine East registration information

On Feb. 21 and Feb. 28 eight graders and their parents will have an opportunity to learn more about Maine East. On these two evenings parent nights will be held so eighth grade students, their parents, and Maine East's counselors can meet and talk about available courses and levels that students will be eligible to take for the 1977-'78 school year. At 7 p.m. both evenings, in the cafeteria and auditorium, various department displays can be seen, and then the general meeting in the auditorium will begin at 8 p.m. A part of the program will also be a 15 minute slide presentation on Maine East's varied extra-curricular program.

The Feb. 21 meeting is scheduled for students from Gemini and their parents, and the Feb. 28 meeting is for students from Apollo, Emerson, and area private and parochial schools.

At these two meetings students and parents will receive all necessary registration materials, the D.A.T. results, and registration is then to be completed at home and mailed back to Maine East by Wednesday, March 2.

It is imperative that all eighth grade students and their parents attend the Feb. 21 or 28 meetings as no registration materials will be mailed out.

Workshop on drug abuse and alcohol

The East Maine Public Schools are conducting a Parent Education Workshop on Drug, Abuse and Alcohol on Thursday, Jan. 20th beginning at 7:30 p.m. at Nathanson School, Church and Potter, Des Plaines.

This presentation is being conducted by Arthur A. Hyams and Larry Kroll of the Near North Family Guidance Center. Both leaders are experienced in working with teenagers and their parents in gaining a basic understanding of the nature and dimension of the drug problem today as well as to help the parents to better understand the parental role in alcohol and drug abuse situations.

This session is being provided by the Community Education Program of District 63 and is available through Title IVc funding. All residents of the community are welcome and encouraged to attend this important community event.

Oak School basketball holiday tournament

East Maine School District 63's Oak School, Level 6 boys' basketball team placed second in the Niles Park District Annual Christmas Holiday Tournament.

The Oak School team beat St. Isaac Jogues 56 to 12, Niles Elementary 55 to 22, and lost to St. John Brebeuf 41 to 34 for the championship.

Team members are: Mike Parker, Phil Partipilo, Milan Stefanovic, Mike Brizzolara, Bill Henreid, Dirk Gruettner, Gary Redig, and Dan Parker. The coach for this excellent team is Harry Klocker, Oak School physical education teacher.

JOIN THE AVONDALE HOME IMPROVEMENT MOVEMENT.

Since 1911, we've been helping to make northwest Chicago a great place to live.

We do it two ways. First, we help our neighbors save for the future. Second, we're ready with the money they may need for the present. That includes mortgage money for a new home. Or a smaller sum, to make that old home look like new.

So, if you're thinking about a new rec room, needing a new roof or wanting a new kitchen,

stop in for a home improvement loan from Avondale. We have the money you need at the rates you can live with.

After all, we've been here helping people for almost sixty-six years.

And we plan on staying.

Camping and Travel Show

Like the snail who always has his home with him, campers are finding economies in having their sleeping and eating facilities with them in various versions of the camping trailer or pick-up campers.

Since they cut down on the cost of food and lodging when they travel, this RV category is growing as the 10 per cent of the nation's RV-oriented population continues its over-the-road travel habit.

So reports Bill Kervin, show manager of the 9th annual Camping & Travel Show which opens Friday, Jan. 28, at Arlington Park, Arlington Heights, Ill. The 10-day exposition is sponsored by the Chicagoland Recreational Vehicle Dealers Assn. whose members will display about 300 1977 model RV units.

Fact is, says Kervin, a family of four should plan to spend about \$100 a day for a vacation for sleeping in motels and eating in restaurants. But the same family can take the same vacation in an RV for \$20 a day and save \$1,120 for a 2-week trip, he explains.

Show hours weekdays are 3 p.m. to 10 p.m.; Saturdays and Sunday, Jan. 30, noon to 10 p.m. Hours the final Sunday, Feb. 6 are noon to 8 p.m.

Admission for adults, weekdays, is \$1.75 and \$2.50 Saturday and Sunday. Children under 12 will be admitted free on weekdays and charged \$1 Saturday and Sunday. Children under 6 will be admitted free at all times.

Resurrection Auxiliary Square Dancing meeting

Square dance caller and instructor Harry Glass gives Dorothy Spindler (from left), president of the Resurrection Hospital Women's Auxiliary, Arlene Gastel, Auxiliary program chairwoman, and Sister Bonaventure, C.R., hospital administrator, a tip on square dancing. Glass will be featured in a square dancing program slated for the Auxiliary's Jan. 28 meeting at 1 p.m.

'Arsenic and Old Lace'

Area theatre goers will enjoy Maine North's production of Joseph Kesserling's comedy Arsenic and Old Lace which will run Feb. 10, 11 and 12. Curtain time is 8 p.m. in the school's theatre.

Arsenic and Old Lace is the story of two spinsters who have poisoned 12 men and have buried their victims in the cellar. Jonathan, a nephew of the spinsters and a fugitive, complicates the situation by arriving with another corpse for the cellar. Two other nephews, one who believes he is Teddy Roosevelt, and a visiting nephew who discovers his aunts' victims, also play comical roles.

The two spinsters are portrayed by junior Karen Elliott and senior Barb Rasmussen.

Seniors Ken Pearlman and Wally Petersen and sophomore Dave Elliott are cast as the nephews.

Senior Janet Burrows portrays Elaine Harper and freshman Bill Helgren portrays Dr. Einstein. The police officers are played by freshman Ken Black, junior Bret Samples, and sophomore

Travel to Greek Islands with MONACEP

Participants in the MONACEP travel/lecture on Jan. 26 will visit eight places in one evening as film-lecturer Robin Williams leads a "Greek Islands Odyssey."

MONACEP Travel and Adventure programs meet from 8-9:30 p.m. at Maine East High School, Dempster and Potter, Park Ridge. In "Greek Islands Odyssey," MONACEP travelers will visit Delos, the sacred island of the Aegean world, isolated from the realities of life, where no one was allowed to fight, die, or give birth. As a place where enemies often met to discuss their differences, Delos became an ancient "United Nations."

Other film highlights include Mykonos with its streets built in a maze-like pattern to resist invaders, Patmos, the refuge island where St. John wrote the book of "Revelations," and Corfu, the island location of the hideaway palace of Empress Elizabeth of Austria.

Williams, an accomplished world traveler, traces the story of mankind from ancient Minoan civilization through the age of the Caesars and the Crusades to modern times in his unique film.

Single admission to this travel program is \$2; senior citizens, \$1. For further information, call the MONACEP office at 967-5821.

Cabaret Theatre

Among the Des Plaines Theatre Guild members appearing in the musical revue titled "There's No Business Like Show Business," are Jackie Shadinger of Robin Drive, Des Plaines, Betty Kandlbinder of Palatine, and Paula Unell of Glenview, co-chairman of Cabaret Theatre.

Performances are Friday and Saturday, Jan. 28 and 29 at 8:30 p.m. at Guild Playhouse, 620 Lee st., Des Plaines. Phone 296-1211 for ticket reservations.

OCC film society

The OCC Film Society will kick off the first of three spring semester "mini-festivals" with the 1949 movie "Adams Rib," starring Spencer Tracy and Katherine Hepburn, on Feb. 4.

Other offerings in keeping with the February theme of "Couples" will be "Modern Times" starring Charlie Chaplin and Paulette Goddard and "Gay Divorcee" starring Fred Astaire and Ginger Rogers on Feb. 11; "To Have and Have Not" starring Humphrey Bogart and Lauren Bacall on Feb. 18; and "Who's Afraid of Virginia Woolf?" starring Richard Burton and Elizabeth Taylor on Feb. 25.

The month of March will bring four evenings of film entertainment qualifying for the "First Annual Festival of Violence" and the third "mini-festival, in April

and early May, will feature "Oscar's 50th Birthday: Five Decades of Winners and Runners-Up."

The films will be shown every Friday evening during the spring semester at Oakton Community College except for April 1 and 8 (spring break) at 8:15 p.m. in Building 6 on the OCC Interim Campus, Oakton and Nagle, Morton Grove. A 50 cents donation is requested of OCC and MONACEP students; \$1 from others. A season pass, providing admission to all 13 evenings of film entertainment is available for \$5.

For further information, contact MONACEP, Oakton's adult and continuing education program, at 967-5821.

Old Town Players present 'The Miser'

Moliere's "The Miser" shifts into the thirties at the Old Town Players, 1718 N. North Park, Friday, Jan. 21 for a 9-weekend run.

This second production in Old Town's 10th resident introduces the directorial talents of Michael Maggio to Old Town Players' audiences. Maggio has transplanted Moliere's 17th century comedy to the days when "the best things in life are free" ... (or are they?) "The Miser," led by that loveable, tight-fisted, penny-pincher Harpagon, dis-

plays an ensemble of zany servants and star-crossed lovers who zero in on everybody's two favorite subjects—love and money.

The role of "The Miser" is played by Ron Verson, 8149 Davis, Niles.

Weekend performances of "The Miser" will be Fridays and Saturdays at 8:30 p.m., Sundays at 6:30 p.m. through March 20. Tickets are \$2.50 on Fridays and Sundays, and \$3 on Saturdays. For reservations, call 645-0145.

Household repair taught in MONACEP class

Repairs Around the Home, a MONACEP course teaching the use of basic tools in fixing small electrical, mechanical, and plumbing problems, will be offered twice this spring, from 1-3 p.m. on either Tuesday or Thursday.

Previously offered only during the evening, this eight-week course proved so popular that the afternoon sessions were started, according to Pat Handzel, Director of Non-Traditional Student Programs at Oakton Community College.

The Tuesday section will be taught at the Leaning Tower YMCA Senior Center, 6300 Touhy in Niles, while the Thursday section will be held at the Skokie Senior Council, 4436 Oakton, Skokie.

Participants are invited to bring to class small appliances, lamps,

electrical cords, or other items in need of repair, Ms. Handzel said.

Tuition for either class section is \$10 for senior adults; \$20 for others.

For further information, call Ms. Handzel at 967-5120, ext. 350.

MONACEP holds 'T.A.' course

An eight-week course in Transactional Analysis will begin on Wednesday, Jan. 26 at the

Leaning Tower YMCA Senior Center, 6300 Touhy, Niles.

Led by Corky Dolan, a MONACEP instructor from Evanston, the sessions will meet from 10 a.m. until noon, introducing participants to a new understanding about people — themselves and others. The course will emphasize improving communication with others — between spouses and other relatives, friends, and even employers.

Tuition for the eight weeks is \$10 for senior adults; \$20 for others.

For further information, contact Pat Handzel, Director of Non-Traditional Student Programs at Oakton Community College, at 967-5120, ext. 350.

Rivals in court drama

The two women in Bjorn Faulkner's life confront each other in the courtroom drama, "Night of January 16th," with three sessions scheduled this week-end at Guild Playhouse in Des Plaines. Left is Sheila McCormick of Morton Grove, who plays Faulkner's widow, Nancy Lee, and shouting at her is Adrienne Solid of Des Plaines, portraying his mistress and secretary, Karen Andre. Tickets may be reserved for Friday, Saturday or Sunday by calling 296-1211.

Dempster Plaza Bank sponsors nursing home entertainment

Shown above is Maggie Young whose performance for the residents of Gross Point Manor Nursing Home on Jan. 13 was sponsored by the Dempster Plaza State Bank, Niles.

Maggie put on a peppy magic and balloon animal act in which she involved the patients and gave each of them a balloon animal as a souvenir of the afternoon. Refreshments were served and Helen Jaworski, the activities director for Gross Point Manor was delighted with the entertainment. Both afternoons were hosted by Celia Hansen, assistant cashier for Dempster Plaza State Bank.

Shown above is Dean Weiss who performed at St. Benedict's Nursing Home, Niles on Tuesday, Jan. 4. Mr. Weiss, whose performance was sponsored by the Dempster Plaza State Bank, Niles was whimsical, clever and unique. All of St. Benedict's residents enjoyed his act tremendously. Refreshments were served after the performance.

Maine East winter play

The Maine East winter play will have a new look to it this year.

There will be three short productions, and one of the three is "The Mischievous Machinations of Scapin". It's a French farce written by Moliere, and according to Mr. David Jeffers, drama department chairman, this is the first time that a play such as this has been tried.

The play itself is about two young men, played by George Boudreau and Marc Smith, who secretly fall in love with two girls,

played by Cindy Bridges and Sue Dukas, without their fathers' permission. The comedy comes in when the sly and shrewd valet, played by Paul Crane, tries to get money from each of the fathers to help the boys' run off with the girls.

The remaining cast members for the Feb. 25-26 performances include Larry Nathanson and Bill Donato, who play the fathers, and Rich Musso, Linda Rodriguez, Art Lachman, Scott Wagner, and Tom Reed.

District 207 ratifies two-year agreement with Maine teachers

A new two-year Agreement between the Maine Township High School District and the Maine Teachers' Association was ratified by the District 207 Board of Education at a special meeting of the Board Monday evening, December 20. The district's professional staff had voted on Friday, December 17, to accept the terms of the Agreement which had been under negotiation by representatives of the Board and the MTA since July 7, 1976.

The Agreement calls for a 4 1/2% increase in the base salary schedule for 1976-77 in addition to the annual one-step increment, or a combined increase 6.6%. An additional 5.1% increase in base salary is scheduled for 1977-78 which, together with the annual one-step increment, provides for a total increase of 6.9% for 1977-78.

The new schedule for 1976-77 provides for a starting salary of \$10,680 for a beginning teacher with a Bachelor's degree and no teaching experience; \$11,660 for a teacher with a Master's degree and no teaching experience. Teachers with a Master's degree plus an additional 64 hours of graduate credit can earn a top of \$24,165, after 20 years of service.

In dollars, the new salary schedules will cost the district an additional \$544,995 this year. The total cost of professional staff salaries for 1976-77 will amount to \$12,651,505. This figure represents base salary costs, but does not include payment for extra duty assignments. Because this schedule of payment for extra duty assignments is based on a percentage of the basic salary schedule, the increases made in the basic salary schedule will result in related increased compensation for those teachers having extracurricular assignments or extra pay jobs.

The document ratified by the Board, and the MTA also embodies agreement on fringe benefits, service recognition, matters pertaining to the district's Professional Growth Program, grievance procedures, teacher evaluation criteria, professional staff leave, procedures for reduction in staff, and other issues. The Agreement will remain in effect for the 1976-77 and 1977-78 school years.

The Agreement calls for an increase in Health Insurance benefits, with the Board now committed to paying 70%, instead of the former 66 2/3%, of the cost of the premiums. Estimated increase in costs over 1975-76 is \$89,000. Major Medical coverage has been increased to a total maximum of \$250,000 for doctor and hospital benefits within a member's lifetime. A restoration of coverage provision has been included.

Mrs. Helen Dobbins, Maine Teachers' Association president, and Donald E. Goll, president of the Board of Education of Maine Township High School District 207, are shown signing the new two-year Agreement regarding salaries, fringe benefits and other issues, that was ratified in December by the District 207 Board and Maine's professional staff. William J. Schaeffe, chairman of the Board's professional negotiations committee, and Thomas Keane, Maine West teacher and member of the MTA's negotiating team, look on. The Agreement will remain in effect for the 1976-77 and 1977-78 school years.

According to provisions of the Agreement, a contractual teaching year of 185 teaching and/or Institute days will continue, as will existing economic benefits related to service recognition. Also, the Maine Teachers' Association will have input into the development of the school calendar, and into criteria relating to teacher evaluation. The district's present grievance procedure will remain in effect. Existing economic benefits related to professional staff leave shall continue, but with certain changes made regarding cumulative sick leave.

Each teacher shall now have available two, instead of one, personal business leave days per year without loss of pay, for matters which cannot be handled during non-school days. Unused

personal business leave days will be added to the teacher's accumulated sick leave to a maximum of 10.

The Agreement will require adjustments in the budget for 1976-77, adopted by the Board last September. Salary and insurance figures will be increased by approximately \$534,000. This increase in expenditures will be accommodated by an expansion of early use of tax money from \$3.9 million to \$4.4 million for 1976-77.

Cooper wins boating safety award

The prestigious Olin Marine Safety Award today was presented to Julius Cooper of Lincolnwood for his work as a volunteer boating safety instructor with the Coast Guard Auxiliary and the Illinois Department of Conservation.

Cooper, an engineer with Bell and Howell in Chicago, was flown to New York City to accept the award at the National Boat Show. He was nominated by the Illinois Department of Conservation because of his stature as the most prolific volunteer boating safety instructor in Illinois.

Maine East cooperative work training

If you're a student who'd like to make working a learning experience, C.W.T. is for you. More commonly called "work program," Cooperative Work Training, taught by Mr. Ray Scharf at Maine East, is a combination of psychology, economics, and practical information about business and industry.

Cooperative Work Training is for students that go to school in the morning and work the rest of the day in semi-skilled and service occupations, and Mr. Scharf is one of the coordinators of the Maine East C.W.T. program.

If a student is sixteen, he or she is eligible for acceptance in to the program. The student initially fills out an application for acceptance. The application is then given to the student's counselor, who must decide if the student is eligible for the program by considering the student's grades and career objectives.

When a student is accepted, an interview is set up with the coordinator. This is so he can find out what kind of job the student is most interested in and arrange interviews with possible employers.

This program also includes a class, where the students cover such areas as job application forms, career investigation, job safety, security in stores, workmen's compensation, human re-

lations, unions, and using the metric system.

The program, however, is not all work and no play. The students also have their own club, which holds morning meetings. In addition, members have fund raising projects throughout the school year to help finance field trips and club activities. C.W.T. students, for example, might tour the Museum of Science and Industry, Civic Center courts, or the Industrial Commission.

Students earn two credits in one school year--one for the class work and the other for their work on the job.

C.W.T. students in Mr. Scharf's class include Dean Argiris, maintenance at the Adinamis Funeral Home; Steve Battisti, jewelry engraver at the World of Lorsey's; Michael Ber-

man, Standard Oil service station attendant; Tim Brennan, stock clerk at Osco Drugs; Darcy Brobst, record department manager at Playback; Sharon Carberry, checker at Dominick's; Gale Cohen, trainee at the American Beauty School; Brian Davis, stock clerk at Mil-Green; Kimberly Dolbear, general office clerk at A.A.A. Mikva sets legislative priorities for 95th Congress

Government reorganization, simplification of the tax code, effective handgun control and curbing airport noise top the list of legislative priorities announced last week by Congressman Abner J. Mikva.

The Congressman also plans to reintroduce bills to assist small businessmen and salesmen and to push for a stronger code of ethics for all Members of Congress.

Announcing his legislative plans at a press conference in his Des Plaines office, Mikva predicted that the incoming Carter Administration will set a tone of reform in Washington and put the federal government on an efficient and productive course. "A major thrust of the Carter Administration will probably be government reform thru reorganization — and especially reform of the government agencies."

He added that President-elect Carter has already spoken with Congressional leaders about renewing Presidential authority to reform the executive branch, a power that former President Nixon had.

Carter's commitment to reform the institution of government complements two of Mikva's legislative proposals that he first introduced in the 94th Congress. His regulatory agency "self-destruct" bill would cause nine federal agencies to cease to exist unless the agency officials prove to Congress and the President that the agency is acting in the public interest it was established to serve. The second bill would establish rules for making appointments to government agencies to block the "revolving door" between agency officials and the industries the agencies are supposed to oversee.

(The nine agencies included in the self-destruct bill are: Civil Aeronautics Board, Consumer Product Safety Commission, Federal Communications Commission, Federal Maritime Commission, Federal Power Commission, Federal Trade Commission, Interstate Commerce Commission, Securities and Exchange Commission, and the Nuclear Regulatory Commission.)

As a member of the powerful Ways and Means Committee, which has jurisdiction over all revenue bills and tax legislation, Mikva will be spending much of his time on tax-related bills. As committee priorities, he noted that simplifying the code should receive as much committee attention as the different proposals being put forth on a tax cut or tax rebate.

"The 1976 tax reform bill made it even more difficult to fill out the 1040 form," Mikva said. "The overwhelming public sentiment clearly is in favor of making the tax laws easier to understand and simplification must be a goal no matter what the final decision is on the merits of a tax cut, rebate, or reduction."

Welfare reform is high on the list of Ways and Means matters and Mikva said he will be one of the Congressmen attending a welfare seminar of members of Congress the last weekend in January. He added that the committee will consider better ways of financing and administering the Social Security program — especially to cut down the burden on the young family thru the present system of financing it entirely thru the payroll tax. Mikva has spoken in favor of paying part of the cost from general federal revenues.

Also under tax reform, the Congressman announced that he will reintroduce his education tax deferral bill, which would allow a person who is paying for post-secondary education to delay paying some of his federal income tax until the education is completed.

Gun control continues to be one of Congressman Mikva's major concerns. "As long as the crime and homicide rates continue to soar and the number of handguns in this country continues to rise, gun control should be a major goal of Congress," Mikva said, reaffirming his intention to push for his bill that would ban the manufacture, sale and distribution of handguns except for the police, military, and licensed pistol clubs. Congressman Mikva introduced this bill on the first day of the 94th Congress and he intends to reintroduce the bill on the first day of the new session.

He said he is hopeful that the new Administration and the new Congress will make progress in curbing the amount of aircraft noise emanating from the country's largest airports, including O'Hare. Congressman Brock Adams, who has been selected by Carter as Secretary of Transportation, is sympathetic to the noise problem and other aircraft-related environmental matters, according to Mikva. Local input continues to be Mikva's goal and he intends to reintroduce his bill that would allow communities surrounding major airports to have a voice in determining acceptable noise levels and other policies that have major impact on living conditions in the area.

On the business front, Mikva announced that he will reintroduce two bills aimed at assisting small businessmen and salesmen. His franchise practices reform bill would for the first time set some responsibilities for franchising corporations in dealing with their franchisees. His salesmen's protection act would set forth a bill of rights for salesmen in dealing with their employers.

Finally, Congressman Mikva said he and some other Members of Congress will attempt to restructure the Ethics Committee to make it work more effectively and independently and to institute a stringent code of ethics for Members of Congress that would include complete financial disclosure.

Bicycle winners

Two Niles-Morton Grove area young people were awarded ten-speed bicycles by the Metropolitan Chicago Chapter of The National Foundation-March of Dimes for collecting the most money from their sponsors in the Niles-Morton Grove Walkathon, which was held on Oct. 10.

Shown above (l-r) are Louann Bosco, Park Ridge, who collected \$101.40 for the prevention of birth defects, our nation's number one child health problem; Dawn Strissel, Morton Grove, who also collected over \$100 for the March of Dimes; and Milton Brown, March of Dimes Community Affairs Representative.

The money they collected will help support March of Dimes research, medical service, educational and community service programs in the Chicago area and throughout the country, designed to reduce infant mortality and improve the health of all newborns.

Sewing machine maintenance course

A two-evening course on "Sewing Machines: Care, Maintenance, and Use of Attachments" will be offered three times this spring at Maine West High School, Wolf and Oakton, Des Plaines, by MONACEP, the adult and continuing education program of Oakton Community College.

Beginning on either Jan. 26, Feb. 9, or Feb. 23, the two-session course will meet from 7:30-9:30 p.m., providing information on minor repairs and proper care of sewing machines, as well as techniques for using attachments for versatility and unusual results.

The first session is a lecture-demonstration, while the second evening will be devoted to practice and problem-solving.

Tuition for each two-session course is \$3 for residents of Maine and Niles Townships; \$10.66 for non-residents.

For further information, call the MONACEP office at 967-5821.

Cub Pack 62

A combination pack meeting and Christmas program was held on Dec. 17 at the Niles Community Church. Santa Claus was present to hand out gifts to all the good cub scouts.

Cub scouts who attended the O'Hare Airport outing were presented with special badges. Wolf badges were given to

'Crepes and Omelettes'

Gourmet cook Elaine Sherman of Skokie will present two MONACEP cooking sessions, *Crepes Suzette* on Feb. 1, and *Omelettes* on Feb. 8. Both afternoon classes will be held from 1-3 p.m. at The Complete Cook, 222 Waukegan rd., Glenview.

Ms. Sherman, who has studied at Glenview's Dumas Tere School of French Cooking, will show students how to use omelettes as the focus for dinners, snacks or parties.

Tuition for each session is \$7 for both residents and non-residents of Maine and Niles Township.

For further information, call the MONACEP office at 967-5821.

Thomas O'Kane, Mauro Raucchi, David Rolf, Scot Neukirch. Arrows were presented to the following scouts: David Rolf, 1 gold and 1 silver; Scott Steiner, 1 silver; and Charles Chaiyarachta, 1 gold.

The Webelos have been very busy this past month. Some had been working on their craftsman badges and had made beautiful bird houses, key chains and neck slides which were displayed for all to see. They were helped and guided by dedicated leaders. The activity badges presented were: Citizen - Ricky Murphey, David Kobylecki, John Brocar, Jeff Quitko; Craftsman - Kevin Ashcroft, Brian Alexander, Steve Beegun, Steve Davidson, Ian Erdos, Daniel Marcotte.

A number of cub scouts attended a Christmas party given by Mayor Blase. It was held at the Golf Mill Theater and consisted of movies, prizes and treats for all.

On Dec. 18, the cub scouts and their families visited the Regency Nursing Centre to provide some Holiday singing for the residents. Den 7 made some ornaments which were put on the Christmas tree at the Centre.

Happy New Year to all from Cub Pack 62!

Winter wonderland for Camp Fire Girls

Camp Fire Girls of the Maine Niles District are looking forward to the weekend of Jan. 29 and 30, when they will enjoy an outing at Camp Lake, Wis. Herb and Romona Liebsch, old hands at planning weekends for the girls are again in charge. The fall camporee they arranged was enjoyed by more than 100 girls and their leaders. The Liebschs have chartered buses to transport the girls to the rustic cabins provided by the camp. Sledding, ice skating, tobogganing, and

snow sculpture are some of the outdoor activities planned. A full program of inside games is also on the agenda. This annual event helps to round out the Camp Fire camping program.

Shown above Camp Fire Girls Kristen Peterson, Kyra Landguth, Laura Elisinger, and Dyan Overbeck are busy carving pumpkins for the pumpkin contest at the fall camporee. These girls are looking forward to the activities planned for the Winter Wonderland Weekend.

Lt. Laskon visits Kenya on USS Guam

Navy Lieutenant John C. Laskon, son of Mr. and Mrs. Chester F. Laskon of 8817 N. Merrill st., Niles, was a member of a naval task group which visited Mombasa, Kenya, for the 13th anniversary of Kenyan Independence.

He is serving as the communications officer of the amphibious assault ship USS Guam, homeported in Norfolk, Va.

The task group was composed of two other ships and two Marine Corps aircraft squadrons, with a combined complement of nearly 2,000 U.S. Navy men and Marines. The four-day, goodwill visit was made at the request of the Kenyan government and provided for a period of rest and refueling after routine fleet operations in the Indian Ocean.

1st National of Morton Grove \$1.5 million expansion

Ground has been broken and construction started on a \$1.5 million expansion and modernization for the First National Bank of Morton Grove.

By the time the project is completed next fall, the size of the bank will be increased from 14,000 to 40,000 sq. ft.

The new two-level structure will feature a granite exterior and numerous functional as well as esthetic innovations. Parking space will increase by 35 per cent.

The edifice will house all of the bank's departments except the drive-in facilities located across the street. At present, the loan department is situated in a separate building.

In announcing the project, bank chairman and president Marvin von Aswege said the expansion is needed to keep pace with the continuing growth the bank is experiencing.

"Our operations have been growing so rapidly that we've just run out of room," he said. "The expansion is designed to take care of our short and long-term needs."

"The new facilities will enable us to offer our current and prospective customers the finest banking conveniences and services in the north suburban area," Von Aswege noted.

"In addition, the building will serve as a landmark for the Village of Morton Grove," he said.

The bank, which recently marked its 25th anniversary, recorded record highs in total assets, deposits, loans, net income and earnings in 1976. Assets reached \$79,870,166.

Irene Hughes at First Federal office

Noted psychic Irene Hughes will answer questions and give a glimpse into the future from 6 to 8 p.m. Friday, Jan. 21 at the Niles office of First Federal of Chicago, 8400-W Dempster st. Her appearance is in conjunction with grand opening activities at the branch. From 10:30 a.m. to 12:30 p.m. Saturday, Jan. 22 a children's circus will be held at the branch, with special animal shows every hour.

Attending groundbreaking ceremonies for First National Bank of Morton Grove's \$1.5 million expansion project are (bottom, l. to r.) Richard Davis, vice president; Herbert F. Houndt, mayor of Morton Grove; William F. Funck, director; Marvin von Aswege, chairman and president; Jack Stromberg, director; Joseph I. Rosenberg, director; and Charles Langfeld, executive vice president. In top row are Gordon Leonard of Mayes-Williams Architects, Michael Rankin and Leonard Zannini of Frederick Quinn Construction Co. and Don Williams of Mayes-Williams.

Sawicki joins sales staff of ERA Callero & Catino

Al Sawicki has joined the sales staff of ERA Callero & Catino Realty in Niles and Des Plaines.

A Real estate broker for 18 years, he formerly was associated with James and Son Realty in Chicago's Austin area.

Sawicki, who graduated from Wilson Jr. College, is a member of the Chicago Real Estate Board and its Sales Council committee. He also is second vice president of the West Side Real Estate Board and a member of the Polish Legion of American Veterans.

He resides in Melrose Park with his wife Evelyn and their two daughters.

The addition of Sawicki increases ERA Callero & Catino's sales force to 20 representatives and brokers, according to executive vice president W.C. Walters.

"Sawicki not only is a top-notch real estate salesman, but also a respected member of the Polish

community," said Walters. "He serves everyone equally well, of course, but people of Polish heritage will find him especially qualified to understand their real estate needs and problems."

Banner year for Skokie Federal

Posting record gains for 1976, Skokie Federal Savings ended the year with assets of almost \$167 million. This reflects an asset increase of 37% since Dec. 31, 1975.

The same 1976 period showed Skokie Federal Savings deposits jumped 37% from \$105.1 million to \$143.7 million. Mortgage loans to the community also increased from \$103 million to almost \$143 million.

Skokie Federal President John R. O'Connell explained, "Our rapid growth has been paralleled by few savings associations - but I

believe few savings associations have shown our interest and commitment to the community. We have not only attempted to provide for the financial needs of the neighborhood but have also worked with other groups to improve the non-financial aspects of our community."

"Looking ahead, our drive-in facility to open in February and our Glencoe branch projected for mid-summer promises even greater convenience for customers of Skokie Federal."

O'Connell continued, "We've been a community oriented savings institution since I opened the association on Lincoln ave. 19 years ago. I'm very gratified with the warm response of the community as is indicated by our speedy growth. We will try to continue giving area residents the finest in financial services."

O'Connell also pointed out depositors received a record \$7.6 million in interest during 1976.

Citizens Bank Execs cautiously optimistic for 77

Respondents to the 6th Annual Greater Northwest Business Survey conducted by Citizens Bank & Trust Company foresee a cautiously optimistic outlook for the economy and their own companies during 1977.

Projections by survey respondents for retail sales provide an optimistic forecast for the nation's retailers. 80% of the executives predict retail sales will increase in 1977 while only 6% look for a decline. In last year's survey 78% projected increases in 1976 retail sales while 10% thought there would be a decrease.

Also encouraging is the forecast by 72% of the respondents who feel there will be an increase in the outlay for plant and equipment in the U.S. 65% feel housing construction will improve.

Unemployment is viewed as decreasing by 56% of those responding, while 53% see corporate earnings increasing and only 17% foresee a decrease in earnings.

However, as was the case in last year's survey, business executives are nearly unanimous in agreeing that energy costs and inflation will increase in the U.S. by the end of 1977. In addition, more respondents feel that these will be the two areas to change most significantly in 1977. Executives estimate a 7% to 25% increase for energy costs and a 6% to 12% rise in the cost of living.

In forecasting what is ahead for their own companies in 1977, executives are again cautiously optimistic. 87% anticipate an increase in sales projections for their companies, with estimates ranging from 5% to 50%. By comparison, 73% of last year's

respondents predicted an increase in sales projections. 57% look for profits to increase in 1977 while only 16% foresee a decline in earnings.

However, respondents overwhelmingly feel that wage rates and energy costs will be up for their companies in 1977. Estimated increases of from 5% to 11% for wage rates and 15% to 40% for energy costs are forecast by executives who think these will be the two areas to change most significantly for their companies in 1977.

In ranking the three major problems for maintaining profit margins in their businesses during 1977, survey respondents list rising labor costs first, increasing material costs second, and higher energy costs third.

Regarding metric conversion, 87% of survey respondents report that metric conversion has had very little or no impact or is not applicable to their businesses, although 30% state their companies have made some adjustments for metric conversion or plan to do so.

Suzanne Kemmer of Niles, who graduated early, was the second Maine East recipient. There were 850 high school finalists nationwide.

Maine East's Golan athlete of the week

Maine East senior Sue Golan of Morton Grove is an all-around athlete. Besides being a field hockey goalie, she is also a volleyball spiker, basketball center, and softball shortstop. When it comes to spectator sports, Sue's favorite is football. In addition to participating in the girls' sports program at Maine East, Sue is studying Psychology, Teen-ager in Literature, Government, and Physics. She is also a physical education senior leader.

Next fall Sue plans to attend Western Illinois University to major in coaching or athletic training.

Her hobbies include writing poetry, reading, and music, and she's a current member of the Maine Historical Society.

When asked how she thought high school sports would change in the next ten years, Sue said, "Hopefully girls' athletics will be accepted and recognized more and more, especially on the high school level. There's a long way to go, however, before total acceptance of girls' athletics is achieved. Over my four high school years, a greater amount of interest was shown each year by the girls. As the years go by, I think even more interest will be shown. The girls will have to keep this interest up, though, in order to let everyone else know that we are serious about our ability."

Notre Dame hockey wins tournament

The Ice Dons of Notre Dame won the Naper Noel Tournament which began on Sunday, Dec. 26, at All Seasons Rink in Naperville. The championship game was played at 9 p.m. on Dec. 30.

In their first round game, ND outlasted the Raiders of Glenbard South by 8-7 in a game that was tied 2-2 at the end of the first period. The Dons also trailed 6-5 after two periods, and by 7-5 with just 6 1/2 minutes left. Then they scored three unanswered goals to win, led by Chris Vana's four goals and Larry DeSalvo's two goals. Don Hitzel and Bill Madura also scored for ND.

Notre Dame won its second round game against the Evanston Wildkits by 3-2 as ND goalie Bob Miller made three second period goals stand up against a furious Evanston onslaught. Vana, DeSalvo, and Craig Belluomini were the ND marksmen while Mike Haines, Charlie Vana, and Kirk Kafer did an exceptional job on defense as injuries hobbled regulars Tom Ackermann and Mike Lasco.

Notre Dame ripped host school, Naperville North, 8-1 in the quarter-finals behind goals by Don Hitzel, Bill Madura, Chris Vana, who scored two each, and Craig Belluomini and Johnny Salemi. Larry DeSalvo combined three assists to the Don cause.

In the semi-finals, Notre Dame beat Glenbard East by 10-3 as the line of Don Hitzel, Craig Belluomini and Dave Doody combined for eight goals. Larry DeSalvo and Bill Madura added solo markers as the Dons waltzed to a 6-0 first period lead.

Don Hitzel's goal with 3:01 gone in overtime propelled Notre Dame to the championship of the tournament by a score of 6-5 over the Roadrunners of Rockford. Hitzel's goal in sudden death overtime was his fourth of the game and it was his goal in overtime one year ago that gave the Dons the championship of the Niles Township Holiday Tournament. Chris Vana and Bill Madura also tallied in the game which saw ND pull away to a 4-2 lead before Rockford tied the score at 5-5 with 10 1/2 minutes to play. Senior Bob Miller denied Rockford time and again as the ND goalie in the third period and the brief overtime.

Notre Dame has a 28-10-1 record at the beginning of the new year.

Maine East gymnastics results

The sophomore gymnastics team set a new school record of 100 points by defeating Niles West on Friday, Jan. 7. Niles West's score was 95.80. Firsts for Maine East were in pommel horse, horizontal bars, and parallel bars, each won by Maine East's Ray. The sophomore record is now 8 and 0.

The Maine East freshman team has a 4 and 1 record, beating Niles West 40.94 to 30.62 on Friday, Jan. 7 and Buffalo Grove 36.83 to 33.84 on Saturday, Jan. 8. In the Niles West meet Pic of Maine East was first in free exercise/tumbling, horizontal bars, trampoline, parallel bars, and still rings. In the Buffalo Grove meet, firsts for Maine East were Pic in free exercise/tumbling, Morgan in pommel horse, Dahlin in parallel bars, and Kaye on still rings.

Diversified Occupations' students

Notre Dame swimmers active

The Notre Dame High School swimming season began on Nov. 23, 1976, with a loss to Arlington Heights High School. On Nov. 27 they were one of eight teams entered in the Shamrock Relays at St. Patrick High School where they came in fifth place as a team. However, two ND seniors, Joe Koziol of Glenview and Rob Smith of Niles, took first and second places in the diving. Koziol took a second place last year. Another team loss took place on Dec. 3 at Elk Grove, but Koziol, Smith and Tom Barrett, a junior from Niles, took first, second, and third in the diving. The next afternoon ND lost again to Naperville Central by 96-76, but Koziol took a first in the diving. Notre Dame lost to Niles North on Dec. 11 in the last relay, but Koziol, Smith, and Barrett swept the diving again. Elmwood Park was the first victory on Dec. 14. The score was 51-27. Koziol and Smith took the second place in the diving at the Marmion Invitational in Aurora on Dec. 18. Other schools entered besides Marmion and ND were Hinsdale South, Naperville Central, Brother Rice, and St. Patrick.

During Christmas vacation, the varsity spent nine days in training at the Swimming Hall of Fame pool in Ft. Lauderdale, Fla. They swam and became friends with teams from all over the United States and London, England. Side trips included skin diving in the Florida Keys, New Year's Eve at Disney World in Orlando, and the Orange Bowl game on Jan. 1 in Miami.

The sun and fun of Florida were quickly forgotten by a defeat at St. Patrick's on Jan. 5, but Koziol, Smith, and Barrett swept the diving. The second victory of the season for ND came two nights later at Maine North with a score of 88-84 against the Norsemen.

Notre Dame was one of twelve teams at the Maine East Sophomore Invitational on Dec. 30, 1976. Other teams entered were East Leyden, Elk Grove, Glenbrook North, Glenbrook South, Hersey, Loyola Academy, Maine East, Maine North, Maine South, Maine West, and Rolling Meadows. The ND medley relay team took a first place with a time of

1:56.82. Those on the medley relay were Wally Schreiman of Chicago, Jerry Waters of Niles, Steve Kuksa of Chicago, and Mike Radler of Skokie. Waters took a first place in the 100 yd. butterfly at :57.61. Radler took a fifth place in the diving. Kuksa took a third place in the breaststroke at 1:15.32 and sixth place in the 50 yd. freestyle at :25.22. Waters took fifth place in the 100 yd. backstroke at 1:08.76. Schreiman took eighth place in the 100 yd. freestyle at :57.75 and twelfth in the 200 yd. free style at 2:18.47.

Bill Meyer, team captain and a senior from Glenview, and John Pettit, a junior from Skokie are the leading freestylers on the varsity this season. Meyer has four gold medals in the distance freestyle events while Pettit has an equal amount of gold in the sprints. Senior Jim McNab of Niles has three victories in the backstroke and senior Dave Herdich of Des Plaines has won in the breaststroke.

Members of the junior class on the varsity are Mike Zonsius of Niles and Mike Maslanka of Park Ridge in the distance freestyle; Jim Clausen of Niles in the individual medley; Jim Hilliard of Morton Grove in the breaststroke; Mike Angelo of Des Plaines in the sprint freestyle; Myles Culhane of Oak Park in freestyle; Rick Vargas of Niles in the butterfly and Dave Larsen of Skokie in the backstroke. Sophomores on the varsity are Jerry Waters who is undefeated in the 100 yd. butterfly, Schreiman in the backstroke, and Kuksa in the breaststroke and freestyle.

Marmion Military Academy in Aurora will host the Suburban Catholic Conference Swim Meet this year. The diving will be held on Feb. 4 at 6 p.m. and the swimming will follow on Feb. 5 at 1 p.m. The annual IHSA district swim meet for ND will be held at Glenbrook South on Feb. 19 and the annual state meet this year is at Hinsdale South with the diving at 9:30 a.m. on Feb. 25 with swimming at 4 p.m. and the finals on Feb. 26 at 1 p.m. Teams entered in the Suburban Catholic Conference Swim Meet at Marmion will be Marmion, Notre Dame, St. Patrick, St. Viator, Quigley South and Benet Academy of Lisle.

Over in Morton Grove, that tired old community needs a complete catharsis at the village hall. After the scandal of 2 years ago, there is an obvious need for a fresh group of political independents to resurrect that befallen community. But our only line of communication tells us the same old Republicans and Democrats, from the two townships, will be putting on their tired old act again in 1977. It's too bad since the need for change is so obvious.

Over in School District 63, board member Barbara Kipnis brought up a matter which deserves mention. At last week's meeting she asked board president Larry Reiss to remember she is still a member of the board. Reiss selected an ad hoc committee and did not include Barbara as a member. Her objection is she only serves on one committee while most other board members serve on three. Since she is now a minority member on the board, being more conservative than 4 other members, she feels she is being pushed aside because of her views.

In the case of the committee, Reiss selected members for it who will study whether or not to remove from teachers' files material which may be detrimental to their futures. A teacher, who allegedly was involved in a blue flu action prior to the union being formed in District 63, feels the material should now be destroyed. Reiss' three-person committee are liberal members of the board, who are quite likely to support the teachers' contention. Ms. Kipnis, who may have less empathy for the teacher, nevertheless seems to have a fair complaint. Even though she didn't publicly cite the political philosophies of the members, it is unfair minority members on any board should be shunted aside.

We don't know how sympathetic Kipnis was to minority board members when she was on the majority's side. She was merciless on more than one occasion. But her past behavior should not exclude her from being an equal board member. She was elected by the public and deserves an equal seat on the school board, the same as all other board members.

Saturday night the Randi and Peter show at Maine East was a rousing success. When Peter Nero completed his regular program, the warm reception from the audience should insure similar programs in future years.

The \$5 tickets were also sold to all the student participants in the orchestra, band and chorus, a highly irregular act. While the high fee paid to Nero (estimated \$6,000) necessitated the Music Boosters seeking all means for revenue, compelling the students to pay their way before performing was unfair and an unnecessary pressure and burden on them.

As if you didn't know, the Randi half of the show was Randi Besser, top row, fifth from the left in the Concert Choir.

In basketballdom Maine East's Demons demolished Maine South 2 weeks ago, as they took over first place in their conference. Interestingly, Maine North also tops its conference as of Tuesday. We believe there is an interesting story surrounding the 2 teams. Dexter Brown, Maine East's quarterback, originally went to school at Maine North. When Maine East's basketball fortunes began to improve, he transferred to Maine East. We often wondered, "Why?"

damages to the interior of the park facility were noted. The only other evidences of illegal entry were one or two beer cans and cigarette butts he said. Officials theorize vandals entered the building after the 10 p.m. park closing hour. No specific cost was set for damages other than labor for temporary repairs. However, said Hughes, the wood is beginning to rot and the doors and frames will have to be replaced, possibly with steel.

Previously vandalism at the park several years ago necessitated new architectural design and replacement of windows. Hughes noted an entire wall next to the facility had been torn down which has not yet been replaced. A June 15 vandalism code adopted under Home Rule was enforced in October, 1976, when 4 youths, 10 to 14 years old, allegedly burned a playground wood fort adjoining Oakton Manor Fieldhouse.

Hughes noted replacement of shower walls and ceiling in the Grennan Heights shower rooms to reduce vandalism by youth.

Commissioners tabled a request to replace (as an overall improvement) Tam Clubhouse windows with solid panes of glass (eliminating steel crossbars). Comr. Leske proposed consideration of other priorities such as a restroom on the 6th tee. "There are more important things than replacing clubhouse windows," he said.

would be threatened with the loss of their jobs.

Several teachers told The Bugle this attitude has existed since Superintendent Gogo took over the district. Previously, they said such an atmosphere did not exist.

One teacher publicly said, "We are not respected as professionals. We are competent people. We are being used (we are told). If we don't like it (what exists in the district) we should get out."

Mrs. Lenore Page, Gogo's assistant, was accused of using a threat when she told teachers they were being paid to fill out forms submitted to them. Mrs. Page answered she has never threatened any teacher, has encouraged freedom of speech among teachers, but what she said is correct, that teachers are paid for doing this type of work. She said this was not a threat, implying it is a fact of life.

Another teacher said they no longer feel "free". The constant changing of teachers and programs from year to year puts teachers and the administration under great pressure. She said this problem has got to be solved.

Other teachers said, "The district has lost its enticement (to teach)". "We are losing the joy of teaching"; "The magic has been lost (in teaching)". The latter teacher said the most excitement in teaching comes when the principal and teachers are pulling together.

When Dr. Gogo assumed the superintendent's job, he set-up the Faculty Advisory Committee for teachers to advise the administration. However, teachers quoted Gogo as saying it is his prerogative to make changes and the teachers' committee is only advisory. While the teachers acknowledged Gogo was correct, they said they felt they were "spinning their wheels" since their input is never used. One teacher said the administration "should quit wasting my time. This approach is to keep us under his thumb. I wouldn't do this to my kids in class because I respect them." This lack of respect for the teachers is what they were speaking about.

unanimously against releasing test scores. They cited they are only a guide and comparing schools and classrooms could cause much havoc. Teachers said Nathanson and Stevenson schools are largely transient schools and comparing their schools against other district schools was unfair. Board member (and school teacher) Howard Lessin said the two schools cited often scored higher than other district schools. Teachers added socio-economic factors are an important part of school comparisons which are ignored in test scores. The number of teachers, classroom sizes, the students themselves, are variables not included in test scores, which they said must be understood before test scores can be of value.

\$5,000 fire damage to Golden Acres home

Fire of undetermined origin Saturday, Jan. 15, caused an estimated \$5,000 in damages to the residence of Marion Magdziak, 8210 Norma ct. in north Niles.

No injuries were reported. The fire confined to the kitchen area caused charring of the ceiling and resulted in burned cabinets.

Niles Fire Chief Albert Hoelbl commented that "the fire was a very unusual one ... we have no idea how it started."

He said the family was watching TV in the living room and observed flames reflected in a mirrored hallway leading to the kitchen. Firemen answered the alarm around 9:30 p.m. Saturday night in brutal -10° temperatures with a wind chill factor of -47°.
