**Demons win 75-53 in opening regional game**

Maine East Demons' boys' basketball team defeated Ridgewood's Rebels Tuesday night, 75-53, in the opening round of the state regional tournament at Maine South. They play for the regional championship Friday night against the winner of tonight's Maine South-Notre Dame game.

Scott Russ and Dexter Brown led the Demon offense with 20 and 18 points respectively. Six foot six center Paul Cohen had 11 points as did forward Mark Manbeck.

Maine East's conference champions reeled off 5 points before Ridgewood moved the ball into their first basket. Ridgewood stayed outside Maine's dogged defense passing the ball around its perimeter. They slowly closed the gap to 11-8 at the end of the

first quarter. Midway in the second quarter Maine ran off 10 points to Ridgewood's lone basket, ending the first half with a 37 to 25 margin. They widened the gap to 15 points midway in the 3rd quarter and romped to an easy

win in the 4th quarter once running off 8 points while the Rebels only scored once.

Scott Russ' aggressive play under the offensive basket, coupled with his soft right-hand shot led the rather sluggish Maine

**'New look'  
for Niles  
intersection**

by Alice M. Bobula

Niles will soon undergo a second major face lift, of three intersections located in Chicago and Niles, financed by State, Federal and local monies.

Slated under overall improvement similar to the Touhy-Waukegan-Milwaukee project are widening of the Harlem ave., Milwaukee ave. and Howard st. intersections. Total projected cost financed by the Illinois Dept. of Transportation is \$1,100,000 of which \$770,000 are federal funds.

Niles' share of costs in the neighborhood of \$20,000, to be paid out of Motor Fuel Taxes, which includes approximately \$8,600 for underground electrical wiring and another \$8,000 for extra parking stalls. Additional maintenance cost of traffic signals

the three intersections will be \$2,646 yearly under a separate contract with Meade Electric Co. Chicago will share in the signal maintenance operation with an annual \$1,890.

In a pre-board informational hearing Feb. 22 Village Engineer Keith Pech said the proposal includes widening of the 3 intersections, completely new relocated signal lights with turn signals and turning bays.

In line with beautification planning he said street and signal lights may be set on the same pole, with possibility of incorporating high pressure sodium vapor street lighting, similar to that already in experimental use at Main st. and Milwaukee ave.

**Lions recognition week**

Local citizens have been urged by Mayor Nicholas Blase to observe March 6 thru 12 as Lions Recognition Week.

In the proclamation, the execu-

tives have urged, "all citizens who consider the Lions Club to be an irreplaceable asset in Illinois to observe this special week and to support the Lions."

As part of the local observance, all interested persons are invited to attend the special ceremonies to be conducted on March 11 at

## Job opportunities for teens

The Niles Youth Commission is taking applications now for part-time jobs during the school year and full or part-time summer jobs. Students over 16 can be referred to commercial jobs and those under 16 can be referred to private jobs. There are many jobs available at this time; lawn maintenance, office help, baby sitting, machine shop help.

A great many residents and businesses are already employing teens and the Youth Commission is pleased that our young people have jobs. There are many teenagers who want jobs but who do not know how and where to find them. It is the commission's contention that many concerned, hardworking teenagers live in Niles and adjoining communities.

and that they need the backing of such a program to show their worth to the community.

Application forms are available for teen employment. Any teenager 14 or over can register for work. These application forms can be picked up by teens at 7601 N. Milwaukee ave. or mailed upon request. Call Carol A. Chaconas, 967-6100, ext. 51.

## Senior Citizens' NEWS AND VIEWS

THE LEANING TOWER YMCA  
If you have any questions regarding your State Income Tax, you will be able to get the answers from Carey Stein of the Illinois Department of Revenue, who will be at the Senior Adult Center of the Leaning Tower YMCA on March 2, from 1 to 3 p.m. to help you with your problems.

Mr. Carey will also have forms for those who qualify for tax relief grants under the state's Senior Citizens and Disabled Persons Property Tax Relief Act, known as the Circuit Breaker Law. This law is known as "Circuit Breaker" because it is designed to act like the circuit breaker in your home's electrical system. When taxes begin to overload your income, the Circuit Breaker Law provides tax relief.

You do not have to be a member of the Center to avail yourself of this service, now do you have to be a Senior Adult. Anyone is welcome. Appointments are not necessary. Mr. Stein will assist you on a "first come, first serve" basis.

NEWS FOR ALL NILES SENIORS FROM THE TRIDENT SENIOR CENTER — 8060 Oakton Street — 967-6100, ext. 76 Northern Illinois Gas Representative — Monday, March 7 - 1 p.m.

Have you been hit with high gas bills this winter? Do you want to know how to keep those rates down by conserving energy? For all the answers, come in and hear the spokesman from Northern Illinois Gas. He will be explaining the reasons for the increases. Senior Forum - Coffee Hour — Tuesday, March 8 - 1:30 p.m.

We are welcoming this month our recently registered seniors with a get-acquainted coffee hour. The senior forum will be held in conjunction with it and everyone is invited to attend. The agenda for this month will be discussion of the survey being planned to determine needs of seniors in Niles.

Needlepoint — Wednesday, March 9 - 1:30 p.m.

Learn the craft of needlepoint. There is no charge for the class and supplies can be purchased from the teacher. Beginners and advanced students are welcome.

Book Review — Friday, March 11 - 11 a.m.

Now is your chance to hear a review of a good book. It isn't necessary to read the book in advance. Join our group this month for a review of Mary Martin's autobiography, "My Heart Belongs".

Pinochle Tournament — Monday, March 14 - 1:30 p.m.

Sign up now! We are having another pinochle tournament! This time, three handed auction will be played. The tournament will continue for eight weeks, with a \$1 entry donation to be used for prizes.

Land Grant [Circuit Breaker] Information Speaker — Monday, March 14 - 1 p.m.

Were you 65 before Jan. 1, 1977? Is your income under \$10,000? Do you rent or own your home? If the answer to all of these questions is yes, you may be eligible for a grant from the Illinois Department of Revenue. Be sure to come to the speaker and find out how the grant works and how to apply for it.

Improvisational Drama Class — Wednesday, March 23 - 10 a.m.

Do you have a secret desire to be an actor or actress? Now is your opportunity to express yourself! The Niles Park District and the Trident Senior Center are co-sponsoring a 10 week workshop in improvisational drama for seniors. At the end of the ten weeks, the group will give a performance. The program is designed to allow the individuals to grow and to give to the community, thru their knowledge, wisdom, and experience, an entertaining theatrical experience. No prior acting experience is necessary. There is no fee for this program; and there will be lots of fun! Sign up by calling or stopping in at the Center.

VILLAGE OF SKOKIE  
Through the auspices of the Skokie Health Department, blood pressure testing will be conducted on Friday, March 18, from 10 a.m. to 11 a.m. at the Skokie Senior Council facility, 4436 Oakton St., Skokie.

All senior residents are invited to take advantage of these health services without charge at the Senior Council drop-in lounge, 4436 Oakton St.

Tests will be by appointment only. Please call 673-0500, Ext. 208 for additional information.

### Niles Lions Dinner Dance

The Lions Club of Niles is holding a Testimonial Dinner Dance honoring the Fireman of the Year, Policeman or Police-woman of the Year, and the Public Worksman of the Year. Steven Dawie, President of the Lions Club of Niles, has asked that all village residents attend this function and express their appreciation to our dedicated departments.

The dinner dance will be held Friday, March 11, at the White Eagle Restaurant, 6839 N. Milwauke.

Please purchase your tickets as soon as possible as they will be limited.

## Late registration for Niles Baseball

Niles Baseball League will have a special late registration night on March 9 from 7:30 p.m. to 9 p.m. at the Niles Recreation Center, 7877 Milwaukee ave., during our general baseball meeting.

This will be the last opportunity for boys between the ages of 8 and 17, who reside in the Village of Niles, to register.

For further information please contact John Krippinger at 967-7427 or John Petersen at 967-5348.

## Niles West water show

After catching their breath from the recent swim marathon, the Niles West High School Aquasprites will plunge into preparations for their annual water show, according to the synchronized swim club's sponsor, Shari Koubal. For three of the 34 Aquasprites, it will be the fourth time. Seniors Sheryl Rosebrook, Joan Scherer and Lynn Knoblock have been members of the club since they were freshmen.

Koubal is counting on a circus theme and the expert swimming of the Aquasprites to generate enough excitement to fill the house once again this year. The synchronized swimmers will take the center ring in the Niles West Natatorium on April 29 and 30. The show is one of the programs on the Creative Arts Series for 1977.

This year's Aquasprites officers are senior Joan Scherer, president; senior Eileen Betsman, secretary-treasurer; with junior Sue Shaffer and sophomore Karen Gutenkauf doing the club's publicity.

## Fishing in Lake Michigan

Fishing in Lake Michigan is the topic of a one-evening MONA-CEP class on Tuesday, March 8 from 7:30 to 9:30 p.m. at Maine East High School, Dempster and Potter, Park Ridge.

The how, when, and where to fish for Coho Salmon, lake trout, and other fish will be discussed by instructor William Harnden, a fisherman for nearly 40 years, president of the Cook Fisherman's Club, and a guest on many local radio and TV outdoor shows. Harnden will also focus on such basics as bait, fishing techniques, location, and time.

The fee for this session is \$5 for both residents and non-residents of Maine and Niles Townships.

The public is invited to Maine East's Saturday, March 5, Pancake Day, sponsored by the Maine East Athletic Boosters. Tickets are \$1.75 with proceeds going to Maine East's athletic programs.

The Pancake Day is from 9 a.m. to 2 p.m. in the Maine East cafeteria and includes pancakes, sausage, juice, and beverage. By the way, that's all the pancakes you'd care to eat. A bake sale will also be held during the Pancake Day.

Tickets may be purchased in advance from Maine East students or at the door March 5.

### WHAT CAN I DO TO ENCOURAGE MY FRIENDS AND CLASSMATES TO BECOME SAFE DRIVERS?

It was a snowy Christmas Eve, 1972. The streets were slick. My mother and I were driving to complete the necessary last minute Christmas shopping. It was not going to be the happiest Christmas because we had just suffered the loss of my father. My mother, who had "left the driving to Dad", was forced to take driving lessons in spite of a visual handicap. An impatient driver kept blowing his horn for my mother to make a left turn. The result was a three way accident! We narrowly escaped death because we missed a telephone pole by inches after being bombarded by two cars.

It was that Christmas Eve, 1972 that I promised I would always be a safe driver. My four brothers and sisters would have been devastated by an additional loss.

How often throughout the year we are encouraged to preserve our health and participate in various health campaigns to assist medical science in stamping out health hazards! It is true that every holiday season, we hear the warnings of safe driving but this expediency should be stressed daily. Driving fatalities which occur daily on U.S. highways are staggering. Human life is so very precious. Each number is not just another statistic. It is a human being — one who was dearly loved and whose absence is felt daily by the family which misses him. I hope to impress upon my friends and classmates that we must take every precaution possible not to just avoid smoking, not to only have health check-ups regularly, but to daily take the extra care necessary to make driving safe for ourselves and our neighbors.

We are constantly hearing "teen-age drivers are reckless". I would like to encourage my friends and classmates to join me in a concentrated campaign in our community and high school to make driving safety an expedient. The manner in which I propose to do this is:

1. Encourage further driver education into safety factors. How to avoid accidents would be a No. 1 priority! Defensive driving can never be stressed too often. If one is alert, accidents can be avoided. Truly, we must be responsible for our preoccupied or careless neighbors. Perhaps, disaster can be avoided through our carefulness.

2. Our safe driving will emphasize the seriousness of our safe driver campaign.

3. Actively seek cooperation of law enforcement officials regarding safe driving tips.

4. Class representatives can visit traffic court and assist teen-age offenders in improving their driving techniques.

5. Most importantly, alert friends and acquaintances to the deep value of human life. One careless action can have fatal consequences.

I cannot personally thwart nuclear attack, irradiate disease from our world. I can make the roads safer in my own community through personal concern. A safe driver is a caring driver. Teen-agers can make this difference. That difference must begin with ME.

### Morton Grove library happenings

The dynamic cities of Australia and the primitive bush country of New Zealand will be seen in the travelogue presented at the Morton Grove Library on Tuesday, March 8 at 7:30 p.m.

Cattle and sheep stations in the heart of the barren outback regions contrast with the underwater beauty of the coral reefs and the modern, bustling cities in Australia. Everyone is invited to attend, free of charge, the travelogues at the Library, which are on the second Tuesday evening of every month.

The Children's Room of the Library is holding registration for its Spring classes, including Pre-School Story Time, Creative Writing, and Arts and Crafts. Story Time has been lengthened to a 45-minute period and there is a special Story Time for 3 year olds on Wednesdays at 1 p.m. Story Time for 4 and 5 year olds will be held on Tuesdays at 10 a.m. and 1 p.m. and on Wednesdays at 10 a.m. An evening session of Story Time will be held on Thursdays at 7 p.m.

Lively conversation on interesting topics and people is part of the Book Discussion meetings held at the Library on the second Friday morning of every month. There is no required reading for this Discussion Group and everyone is invited to attend the next meeting on Friday, March 11 at 10 a.m.

**CHURCH & TEMPLE NOTES...****Local teens attend National Prayer breakfast**

You need a really good excuse to re-arrange a final exam schedule at Maine East, but juniors Salli Sebastian of Park Ridge and Mark Stecher of Niles had one. They were having breakfast with the President of the United States.

For the first time, teens were invited to the National Prayer Breakfast in Washington, D.C.

Salli and Mark were invited by Dave Veerman, executive director of North Area Campus Life. He also chose two Maine South students, Sue Leonard and Bob Poklop, to attend.

The trip ran from Jan. 26-28, and the students' expenses were paid. They stayed at the 4-H Center in Maryland, and all events were held at the Washington Hilton. Wednesday night, Jan. 26, there was a reception to greet all those invited, and then Thursday morning they attended the breakfast along with such speakers as President Carter, former Senator Harold Hughes, and Senator Percy from Illinois. Over 3,000 persons attended the breakfast, including representatives from approximately 100 nations. About 60 teens were

**Baha'i Community of Niles**

The Baha'i Community of Niles, along with Baha'i throughout the world, commenced a nineteen day fast on the second of March. An annual event, it involves complete abstention from food and drink from sunrise to sunset.

Fasting is not starving. It is voluntary abstinence from food usually undertaken for a specific purpose, such as diet, magic, ethics or religion.

For diet, a fast is part of the program of regeneration: cleansing and rebuilding. It is the theory of numerous groups of health-minded people throughout the world, that when the digestive organs are permitted to rest, by virtue of the fast, a cleansing process is initiated.

Fasting has also been undertaken as a virtue, a show of moral character or as a benefit to the community, which gave it an ethical nature. Mahatma Ghandi went on many of his fasts as a protest against British rule.

**Northwest Suburban Jewish Congregation****New from Unity Savings****Savers Seals**

**The exciting new family stamp program.  
(Only 120 Seals fills a complete book.)**

**How does it work?**

Savers Seals are Unity Savings' own trading stamps, redeemable for over 1200 beautiful brand name gifts for your home and family. They're free. Unity savers can collect Savers Seals from hundreds of neighborhood merchants, the Savers Club Showrooms, and for quarterly deposits at Unity, and save them for the gifts of their choice. All of the gifts in the Savers Seals program are listed in a Savers Seals Gift Guide—a 90-page, full color catalog available free from all Unity offices—along with free Savers Seals Collection Books and a Savers Seals ID (free to all Unity depositors), your ticket to the gift program.

**Get them from fine merchants all over your neighborhood.**

You'll find Savers Seals in hardware stores, service stations, drugstores, many different kinds of merchants—places where you probably shop right now. All you do is look for the Savers Seals sign in the window, show your Savers Seals ID each time you make a purchase, and you'll get free Savers Seals with every purchase you make. It only takes 120 Savers Seals to fill a Collection Book, so you'll fill them faster than any other kind of stamp book. And, you'll have the gifts of your choice that much sooner.

**Start collecting Savers Seals today!**

**Savers Seals redemption center:

## Niles Homemakers Extension

The Niles Unit of Suburban Cook County Homemakers Extension Association was very well represented, and enjoyed very much their participation in the Ethnic Luncheon held at Trinity Lutheran Church, Des Plaines, on Tuesday, Feb. 8. Several countries were represented by the Northside Units, and it was colorful and interesting.

We represented the country of Sweden. Elinor Frick and Magda Erickson are admiring the table with the lovely Swedish decorations and fine food.

The next meeting will be on Wednesday, March 9 at the Niles Community Church.

In the morning Grace Theis and Grace Willert will show us how to make shopping bags from squares of large plastic bottles.

The program in the afternoon will be a lesson on fabrics presented by Evelyn McDermott and Grace Willert.

The date for the United Airlines Tour is March 21 and we will meet at the Niles Community Church, where the bus will leave at 10:30 a.m.

## Woman's Club of Niles holds progressive meeting

The Woman's Club of Niles held its monthly meeting Wednesday, Feb. 16 at Bunker Hill Country Club in Niles. A letter by the Niles Blood Assurance Program Co-ordinator—Sharon Wade was read to the members. It was a request for the Woman's Club to take over the Blood Program for the Village. A motion for approval was passed unanimously. Under this program, requests for blood are solicited from the Village residents. With as little as 5% of the population giving blood, all Nilesites would be covered in the event of an emergency.

The montly meetings which are held the third Wednesday of every month at 8 p.m. at Bunker Hill, 6635 N. Milwaukee ave. are open to the public. Everyone is cordially invited to attend and meet the members and learn what the Woman's Club of Niles is doing for the community.

## Off Niles Police Blotter...

### Threatening phone calls

A 26 year old Niles resident told police he was the recipient Friday of numerous death threats by telephone from an unknown caller.

### No date mate

A 51 year old Glenview resident was charged with battery by a female Niles resident who allegedly refused to date him around 9:30 p.m. Sunday.

She said she turned him down twice after which he punched her in the face and slammed a front door against her causing injuries.

### Indecent exposure

A woman employee of Metro-Tax, Inc. at 8043 Milwaukee ave. told police a man exposed himself while standing outside the Milwaukee ave. window of the business.

He said he knocked on the window first, waved at her, then went into his act. When she reached for the phone he fled north on Milwaukee.

The suspect was wearing a dark green jacket with fur collar and gold rim glasses under a dark ski mask.

### Hot line

A 32 year old housewife told police she was receiving numerous phone calls from a man

who threatened to visit her for nefarious purposes, knowing her husband was not at home. She did not receive calls during the time her husband was at home, but the phone always rang shortly after her mate's departure.

### Bomb threat

Police said a Niles resident received anonymous phone calls threatening to blow up the victim's home unless the caller received \$2,000. The victim said he planned to change his phone number.

### Shoot at school

Niles and Morton Grove police on patrol spontaneously responded to a 2 a.m. outside burglar alarm Feb. 21 at Radio Shack, 7245 Dempster and found thieves had taken an AM-FM stereo valued at \$500 after smashing thru the front door with a rock.

On Feb. 23 merchandise valued at \$159.85 was reported missing from Radio Shack. An employee said he asked 3 boys ages 15 and 19 to leave the premises after he noted they were "acting in a suspicious manner". A short time later two 8-track stereo tapes and a set of headphones were discovered missing.

### There shall be light

Vandals tossed a rock Wednesday night, Feb. 23 thru the Niles Public Library window at 6920 Oakton st. Cost to replace window was estimated at \$250.

### Purse snatcher

Police said two 15 year old youths dressed in leather jackets and blue jeans grabbed a shoulder bag from a 26 year old Des Plaines secretary as she walked eastbound at 8670 Dempster st. 7 p.m. Feb. 24.

A female witness said two youths who fit the offenders' description ran in front of her car in the parking lot at approximately the same time the theft occurred.

The victim said her purse contained \$14 cash, driver's license, credit cards and a checkbook.

### Time machine aрест

A Des Plaines resident was charged Feb. 22 with disorderly conduct and resisting a peace officer at the Time Machine, 9046 Golf rd. and later released under \$1,000 bond.

Police said the 24 year old man allegedly became abusive, striking other customers and damaging the building interior after two bartenders attempted to show him out of the discotheque where he had been found sleeping. He allegedly was intoxicated, used vulgar language and had to be forcibly subdued by investigating officers.

### Thefts from cars

Two steel belted radial tires valued at \$200 were removed from the rear end of a 1977 Olds parked at 8809 Golf rd. overnight Friday.

An Antioch resident said he parked at Barnaby's and returned to find his radio valued at \$250 stolen.

A 23 channel CB radio valued at \$159 was taken from a 1973 Ford owned by a Park Ridge resident while parked at Golf Mill Bowl, 9300 Milwaukee ave. between 6 and 10 p.m. Friday.

A \$160 CB radio was taken from a '76 Pontiac while parked at 8801 Golf rd.

Equipment totaling an estimated \$235 was stolen from a '71 Chevrolet Impala parked in the 6150 Touhy parking lot. Taken were speakers, cassettes, tapes and \$25 in cash following forcible entry into the car early Monday.

A CB radio valued at \$185 was stolen from a '76 Ford owned by a Carpenterville resident parked at Memco, 8901 Milwaukee ave. Wednesday.

A Des Plaines resident told police he dined at Riggio's, 7530 W. Oakton Wednesday, returning at 8 p.m. to find the car unlocked and a \$300 CB radio missing.

Equipment valued at \$580 was taken from a car parked at Henrici's, 5960 Touhy ave. Wednesday evening. The Chicago owner said a spare rim, tire, golf clubs, shoes, tool box and a boat battery were stolen from the '76 Olds Cutlass after a hole was punched in the trunk.

## Maine Township campaign chairmen

Former State Senator William J. "Bill" Carroll, Park Ridge, and Vivian Weaver, Des Plaines, have been named general co-chairmen of the campaign to re-elect the incumbent Republican officials of Maine Township.

Carroll, who served more than 12 years as a member of the Illinois General Assembly, said he accepted the position because he firmly believes the incumbents have done more for the Maine Township residents than any prior slate and "absolutely deserve re-election".

Of great importance, he said, was re-electing the present officials to prevent the township from coming under the influence of Cook County, which could well happen if the opposition should be elected.

Mrs. Weaver, president of the Des Plaines Women's Club and past president of the Maine Township Republican Women's Club, said the present township board has served its constituents

extremely well by providing new services to youth, senior citizens, adding police protection for residents of the unincorporated areas and initiating alcoholic education and referral programs.

Carroll and Mrs. Weaver said

the election, to be held April 5, is

extremely important if we are to

preserve township government as

a "grass roots" government

readily accessible and available to

the taxpayers.

Carroll said the names of local

campaign coordinators will be

announced next week.

Carroll also said that any Maine

Township resident who wishes to

volunteer his services for the

re-election of the incumbent

officials should call Republican

Headquarters at 824-8350, or if

there is no answer, 296-5185.

## March senior citizen activities

Maine Township will sponsor three senior citizen activities in March, highlighted by a luncheon and theatre party. Maine Township Supervisor James J. Dowd announced today.

On Tuesday and Wednesday, March 14 and 15, the seniors will meet at noon at the Old Orchard Country Club, Mt. Prospect, for lunch. Afterward, they will see the world premier of Barry Kemp's play "Lovers and Lovers" starring Jay Blue.

Arndt said only 200 seniors can be accommodated each day, and that reservations will be on a first-come, first-served basis. Cost will be \$3 per person. Buses will leave from 815 Lee st., Des Plaines, at 11:30 on both days.

On Wednesday, March 9, the senior citizens will hold their regular monthly luncheon meeting at Casa Royale, Des Plaines starting at noon. Following lunch Mrs. Mabel Warnke will present a series of color slides of Russia. Cost of the program will be \$4 per person.

The monthly program began

with an afternoon of bingo and

cards at The Greens, 8909 David

pl., Des Plaines, on Wednesday,

March 2.

Arndt said reservations are

required for both luncheon affairs

and that the programs are open

only to bona fide residents of

Maine Township. For reservations or information, call Arndt or Bea Ballin at 827-0745.

## LETTERS TO EDITOR

### Hirschfelds clarify actions

#### Letter to Editor Corrections - Dear Mr. Besser:

In regard to school district 63 coverage in the Feb. 24 Bugle, it was written that Dan and Eileen Hirschfeld "...have taken legal action to prevent their pre-school child from attending METCEP school in Maine Township for the hearing impaired, when another school is available in Niles Township which they believe is superior."

This is not true. Our contention was and is that Maine Township does not have any program for the hearing impaired. In the past, their policy has been to send hearing impaired children to the Lincolnwood complex. This year, a decision was made by METCEP to place two hearing impaired children (including our son) in a diagnostic non-categorical classroom at Cumberland school, Des Plaines.

We feel that categories for "exceptional" children exist so that these children may be served better. It would be irrational to place a visually-impaired child in a program for the profoundly

deaf. Likewise, a child with slow academic achievement cannot be served well in a class with "gifted" children.

A hearing impaired child has need of an instructor in that field, an acoustically equipped room and specialized teaching devices. These items will not be found in a non-categorical classroom geared toward normal hearing youngsters.

Also, the "legal" action we are taking is procedure provided by state law in cases where either parents or special education districts disagree on correct placement.

By coincidence, your excellent editorial also of Feb. 24 pointing out results of the Warner report mentioned almost the same item — that is, "...working relationships between the board and management (of District 63) ... are severely strained."

There is a difference. Our information was dispensed freely. The Warner report is costing \$4,000.

### Clarifies Flickinger candidacy

#### Dear Editor:

In reply to Lou Flickinger's letter in the paper last week, I would like to make it clear that working at the job of Mayor of Morton Grove keeps me too busy to practice medicine as a sideline. I have made no statements concerning Dick's health nor do I contemplate any.

Anyone who undertakes to run for public office does so with full knowledge that it will interrupt his quiet enjoyment of life, despite his personal finances, often affect his reputation and sometimes adversely affect his health. Both as a candidate and as

a citizen of Morton Grove, I deplore the pathetic efforts of anyone who through outright smear or subtle innuendo attempts to harm another.

No man has ever made himself larger by attempting to diminish another.

I pledge to campaign for office in a fair and decent manner and will insist that standard be adhered to by both those who support me and those who oppose me. Let the best man win.

Sincerely,  
Herbert F. Houndt  
Mayor, Morton Grove

### TAP candidates back Mikva task force

The Maine Township Awareness Party today announced its total support of Cong. Mikva's task force on unincorporated area problems. The TAP candidates said Cong. Mikva's interest and support was vital to the stabilization of the unincorporated area. Patton Feichter, TAP Supervisor Candidate, said the Mikva task force must solve the local problems or they will begin to spill over into Park Ridge, Des Plaines, Niles, Morton Grove and Glenview.

Feichter said, "Maine Township Clerk Philip Raffe, saw fit before the November election to use the unincorporated area problems to attack Cong. Mikva. He was wrong then and he is wrong now. TAP will work with Mr. Mikva to reduce the high crime rate, improve the local roads, purify the drinking water and enforce building codes and public health laws. The Maine Township Awareness Party will establish a special Township Committee to work with Mr. Mikva's task force. With the grace of God and a lot of hard work we will begin to solve the problems in unincorporated Maine Township."

# What Does Our Bank Have That Your Bank Doesn't?

Dust. Tools. Nails. Sawdust. And spirit.

How many banks can give you all that?

We're busy doing banking like everybody else, but we're also busy doing something more: making a bigger, more beautiful bank for you to come to.

So be a friend and bear with us while our construction is going on. Just come on in and get your loans and save your savings and write your checks and pay no attention to the dust. Later, when it's all done, you're going to love how it looks. Right now, just remember this: you're who we're doing it for.

### Lions thank the Village of Niles

The fiscal year for the Lions Club of Niles is about to draw to a close. Already plans for the next year are beginning to appear on the scene. But before this year ends, we, the members of the Lions Club of Niles, wish to thank the residents of Niles for making this one of the most successful years in the Club's history. Without you, the citizens of this great community, the Lions Club of Niles could not exist; not to mention function as successfully as it has. The Lions Club of Niles thanks each and everyone for your support and are looking forward to your support in the future. Thank you.

### Niles Sharks Mites flying high

The Niles Sharks, Mite "AA", sponsored by Roberts Advertising, won 6 out of their last 7 games, allowing their opponents only 57 shots on goal (11 for goals).

Seven year old Goalie Nick Chaconas recorded his 3rd shut out of the season with an impressive 4-0 at Waukegan. After losing to Schaumburg 5-3, N. Chaconas came back to defeat another league opponent Lake Forest, 5-3. The Sharks defeated the Fort Wayne Flyers 3-1 and 4-2 on two successive days. The Flyers went home dazed at the way the Sharks kept them from scoring. A fine job by George Chaconas and John Greenland, defensemen, in keeping the puck out of their zone. Also fine forward skating by Salemi, Lovre, Englund and Gaines, kept their last 7 opponents frustrated.

Nick Salemi scored 8 goals in his last 5 games, including a hat trick against Fort Wayne. This is the last call to play ball. For more information, call 743-5140.

### Last call to play ball

Nonprofit groups looking for ways to raise funds are invited to use Thillens Baseball Stadium this summer free of charge.

"Our 2,000 seat baseball facility has an unusually large demand being put on it this year," reported manager, Mel Thillens, Jr.

"I guess Little Leagues, schools, churches, and civic organizations are finally finding out what a good deal the stadium is for raising funds. Almost all our 1977 dates have already been spoken for."

Traditionally, Thillens Stadium (Devon and Kedzie in Chicago) opens every summer from mid May until mid September. Presently, only 7 dates now remain available for charitable uses. If there is enough additional interest, Thillens is thinking about opening a week earlier and closing a week later.

This is the last call to play ball. For more information, call 743-5140.

## The Business Picture

### Peerless Federal's assets up 18.4%

At year-end 1976, the assets of Peerless Federal Savings and Loan Association reached \$61,550,784. This was an encouraging 18.4% over a year ago, Timothy P. Sheehan, Sr., President of the Association, reported today.

Peerless Federal Savings and Loan Association paid a record amount of interest to its' savings depositors, \$2,379,333, and added \$417,798 to its' reserves, bringing the total reserves up to \$3,621,130.

"Savings deposits from our customers during 1976 amounted to a record \$52,840,612," Sheehan said. "The increase in savings deposits allowed us to take care of the needs of our local

mortgage market. As 1976 went forward, the housing market in this area picked up to a marked degree, showing that much of the uncertainty on the part of the public had been replaced by a feeling of cautious optimism."

"Looking forward to 1977, it is likely that savings deposits will continue to come in good quantity and thus will be able to support what should be a year of even further improvement in the housing market."

Sheehan said that the total mortgage loans made by Peerless Federal Savings during 1976 amounted to \$34 for a total dollar volume of \$18,311,394.

"During 1976, and continuing into 1977, our savings accounts and certificates of deposit bear the highest rates in our history and the highest allowed by law," Sheehan said.

"Last year was an excellent year for the Association, and as it looks right now, 1977 should also turn out to be a year of continued progress."

### 1st National of Morton Grove posts record year

All-time highs in total assets, deposits, loans and income were recorded in 1976 by the First National Bank of Morton Grove, announced president Marvin von Aswge.

"One statistic we're especially proud of is a 19% increase in real estate mortgages," said von Aswge. "This reflects our growing commitment to the community, in terms of helping to

finance home purchases and improve the quality of life locally."

"The new records are particularly significant because they helped us conclude our first 25 years on a high note," he continued.

"We're in a position to launch our next quarter century with greater resources, expanded facilities and renewed dedication to becoming the finest bank in the north suburban area," von Aswge added.

The bank marked its 25th anniversary last Dec. 15 and broke ground a day later for an expansion and modernization that will increase its floor space from 14,000 to 40,000 sq. ft. The \$1.5 million project is due for completion next fall.

Loans increased by 20% to \$42,204,434. Income before net securities gains and losses was \$625,360, an increase of 18%.

At year-end, the bank's total assets reached \$79,865,847, a 10.9% increase over 1975. Deposits climbed to \$74,215,019, up 9% over the previous year.

"The new records are particularly significant because they helped us conclude our first 25 years on a high note," he continued.

### Dimension 60 marks 3-year growth

Citizens Bank & Trust Company's Dimension 60 program of services for persons sixty years of age and over recently marked its third anniversary. Dimension 60, which originally began as a package of nine banking services, now includes twenty-six services designed to meet the social, psychological, & economic needs of older persons.

Since its inception in February, 1974, Dimension 60 membership has far exceeded expectations. Currently there are nearly 5,000 people from northwest Chicago land enrolled in this innovative program. Membership is open to anyone sixty years of age and over who has a savings account in any amount at Citizens and signs up for the program. No membership fees are charged.

Specifically Dimension 60 services include an unlimited personal checking account with free line checks, a photo identification and membership card, the merchandise purchase discount plan, a restaurant discount plan, a grocery discount plan, food discount coupons, financial planning consultations, trust & will counseling service, social security automatic check deposit, RTA photo transit discount card (age 65 and over), a seminar series, speakers' bureau, & timely news bulletins. Also included are the investment savings bond program, the income savings bond program for retirement planning, the Dimension 60 international travel plan, a mini-vacation plan, travelers checks at savings for Dimension 60 trips, free notary

service, a youth work program, a skills exchange program, a postage stamp service, lending library, book and magazine exchange, photocopy service, and the Dimension 60 Hospitality/Information Center.

Reaction to these services from both older people and the community in general has been enthusiastic. Over 1,300 persons attended the last Dimension 60 seminar, and there are nearly 60 area merchants participating in the program's merchandise discount plan.

Persons seeking additional information on the Dimension 60 program of Citizens Bank & Trust should contact Judy Malz, the Dimension 60 Administrator, at 825-7000, extension 273.

## Liaison between Niles Park and Village

After some years of separation, the Niles Park District and Niles Village Board have been drawn closer together in their cooperative efforts to create unity. This cooperation, between Park and Village, has come about mainly through the efforts of Park Board Commissioner Jeffrey Arnold.

Commissioner Arnold saw the distance between the Park and Village and decided to close the gap. Working with other Park Board Commissioners and Village Trustee Abe Selman, cooperative meetings were held. One major result of these conferences was the agreement on behalf of the Village to purchase two large buses for the Park District. The Village will use part of its Federal Revenue Sharing Funds to purchase these buses. Commissioner Arnold said the buses are to be used for recreation programs and special trips including Children's Day Camp, ski trips, senior citizen trips and extensive one day trips for all ages. "The purchase of the buses will help keep the cost of present programs down and enable us to offer an expanded program of outings", said Commissioner Arnold, the Park Board Vice President — Village Board Liaison.

Shown above are from L-R Village Trustee and Park Liaison—Abe Selman, Park Board President Millie Jones, Superintendent of Recreation—Debb Nelson (on step) Park Board Vice President and Village Board Liaison—Jeff Arnold and Mayor Nicholas Blase.

### Girls softball programs

The Morton Grove Park District will offer an instructional program plus play for girls 7 to 12 years of age. Instruction will be given on the fundamentals of batting, fielding, cut-offs, back-ups, throwing, catching, base running and relays. After learning the basic fundamentals teams will be formed for play.

Registration begins on March 14 at the Park Office, 6834 Dempster st. Each group will be limited. The program will begin on June 20 and run thru Aug. 12. League play will be on Mondays at Harter Park, 6250 Dempster st. The fee will be \$10 per person and include a t-shirt and cap. Tennis shoes must be worn. Non-residents may register beginning May 12 and the fee is 1/2 more than the regular rate. Teams will be formed at: Girls 14"-7-9 yrs. Austin Park 9:30-10:30 a.m. - Wed. & Fri.; National Park 9:30-10:30 a.m. Tues. & Fri.; Oketo Park 12:30-1:30 p.m. Tues. & Thurs.; and Mansfield Park 1:30-2:30 p.m. - Wed. & Fri.; Girls 14"-10-12 yrs.: Austin Park 10:30-11:30 a.m. - Wed. & Fri.; National Park 10:30-11:30 a.m. Tues. & Thurs.; Oketo Park 1:30-2:30 p.m. Tues. & Thurs.; and Mansfield Park 12:30-1:30 p.m. - Wed. & Fri. and Girls 12"-10-12 yrs.: Austin Park 8:30-9:30 a.m. - Wed. & Fri.; and National Park 8:30-9:30 a.m. Tues. & Thurs.

The park district will also have a women's softball league this summer. The league is open to women 18 and over. Registration may be on either an individual or team basis. Those who register individually will be formed into teams. All registration will be taken on an individual basis, with the fee during early registration of \$12.

The men's softball league will again be on Sunday mornings, with the games at 9, 10:15 and 11:30 beginning on May 21. The first twelve teams registering for the league will participate in an eleven game round robin tournament. There will be a playoff series at the end of the regular season between the top four teams. The winners of the regular season will receive jackets. The entry fee for the men's league is \$175 per team.

League play for all leagues will begin the week of June 6, and continue thru the week of Aug. 8. Early registration ends on March 26. After this date the regular fee schedule will go into effect, which is approximately two dollars more than the early registration fee. For information on any of the baseball programs offered, please contact the park district at 297-3000.

Note: Anyone interested in registering their 6 year olds for Girls Softball, please contact the park office, 965-1200.

The Park District will also offer a 12" softball program for girls ages 13 to 15 years. Instruction will be given on the fundamentals of batting, fielding, throwing, and base running. Basic and more advanced strategies will be introduced throughout the session. Teams will be formed and game play set up through the summer. The program will be held at Harter Park, 6250 Dempster st. on Tuesday and Friday from 3 to 4:30 p.m. Tennis shoes must be worn and each girl must furnish her own glove as we will be using a 12" softball.

Registration will begin on March 14 at the Park Office, 6834 Dempster st.

Niles resident Chuck Ellin received a Special Citation Award Feb. 8 from the Illinois Park and Recreation Association (IPRA) commending him for exceptional involvement in community recreational activities.

Nomination for the award was made through the Niles Park District to the IPRA, a 1300 member group which promotes parks and recreation in Illinois. Local committees forward worthy nominations to the IPRA which annually awards citations to lay individuals for outstanding service in their community.

Ellin, 51, a widower and father of 2 sons and a daughter, present for the ceremonies, specifically was honored for voluntary efforts and dedication, the past two years, to the Niles Park District Synchronized Swim program.

Park Board President Millie Jones gave praise to Ellin Tuesday night as being "an inspiration to our community for his leadership and one who has earned the deepest respect from adults and youth alike and his involvement ... we need more individuals such as Chuck, who care," she said.

## There's music in the air

This coming week of March 6 to 13 St. John Brebeuf School in Niles will be celebrating "Music on Our Schools Week" with the following activities:

On Monday, the Melodons, a Jazz Band from Notre Dame High School, will perform for the student body; throughout the week music will be played over the PA system each morning, and also during the week the Kindergarten and primary grades will be entertained by their fellow students, who are enrolled in private music lessons. The activities of "Music Week" will conclude on Friday, March 11 at 7:30 p.m. in the school gym, when grade six presents a choral pageant titled "Our Country 'Tis of Thee". The public is invited to attend this performance.

Shown above: 7th grade students and, playing the piano, Mrs. Lynn Meenan, a music teacher at SJB, who directs a complete music program for Kindergarten to 8th grade.

## District 71 registration and pre-school screening

Kindergarten registration and pre-school screening for three and four year olds will take place in District 71, Niles Elementary School-South, 6935 Touhy Ave., according to alphabetical order.

The school has a well established Music program, from Kindergarten thru grade 8. Students are in programs, dances and chorus throughout the year. Students have music classes twice a week. St. Isaacs also offers instrumental band instruction.

At St. Isaacs, we believe that each person being unique is made to the image and likeness of God and is responsible to discover and develop within himself that like-ness. Efforts are continuously made to design instructional activities in ways that free the learner to develop his potential. Six years ago the IGE (Individualized Guided Education Program) was piloted at St. Isaacs. At the present time this IGE program has been modified and adjusted to the needs and philosophy of St. Isaacs. We trust our efforts toward personalized learning. This is achieved through the multi-aged, multi-unit structure. Within each unit students may be grouped and regrouped according to their current interests, needs and objectives. The fully qualified and degreed teachers in each unit function as a team. Together, the teachers of the unit plan, discuss, critique and make decisions at regularly scheduled meetings.

Functioning through the above mentioned program and some

time waiting for your turn, please refer to the following schedule:

Monday, March 14 last names A thru C - 9 a.m., D thru F - 10:30 a.m., G thru J - 1 p.m.; Tuesday, March 15 last names K thru M - 9 a.m., N thru P - 10:30 a.m., Q thru S - 1 p.m.; Wednesday, March 16 last names T thru V - 9 a.m., W thru Z - 10:30 a.m.

Bring along a birth certificate for the kindergarten-bound children who will be five years of age by Dec. 1, 1977. If you don't have a birth certificate, call 443-7789 for information.

Kindly pass this information on to your neighbors.

## Register for G.E.D. tests at Maine East

Registration for the General Educational Development (G.E.D.) Tests will be held from 7-8 p.m. on Thursday, March 10, Room 149, at Maine Township High School East, Poter and Dempster, Park Ridge.

Intended for those who wish to qualify for a high school equivalency certificate, the two-day tests are open to adults 19 years of age or older, according to Alexander Krzel, director of MONACEP, the adult and continuing education program at Oakton.

Those who register for the exam at Oakton must live in Cook County, present personal identification and pay a \$5 fee. Personal checks will not be accepted, Krzel said.

Successful completion of the G.E.D. tests entitles the applicant to receive a high school equivalency certificate which may be

## State speech tournament winner

Maine East senior Scott Cohn of Niles placed second in radio speaking at the I.H.S.A. state speech tournament held Friday and Saturday, Feb. 18-19.

## Lake Forest College

### lecture board member

David A. Weisbecker, son of Mr. and Mrs. George E. Weisbecker, 8719 Elm dr., Des Plaines, is a student member of the 1976-77 Lake Forest College Speaker/Lecture/Fine Arts Board.

Weisbecker, a junior at LFC, is majoring in Politics and Environmental Studies. He is a 1974 graduate of Maine East High School, Park Ridge.

Those nominated are: President, Dottie Widen; 1st Vice President, Ruth Kodota; 2nd Vice President, Frank Mustard; Treasurer, Marilyn Kharasch; Recording Secretary, Shirley Bianchi; Corresponding Sec'y., Dee Stein.

## Debate competition

The Maine East debate team took second place over-all at the Bradley University debate tourna-

ment Feb. 18-19.

Steve Pietrick and Howard Isenstein were third in the championship division, and Bill Factor and Sam Kaufman placed third in the varsity division.

## Jack Johnson replaces Gubitz on Niles Township slate

Dr. Harold J. Feder, chairman of the Independent Township Caucus, this week denounced the action of a Cook County electoral board which "removed" eight candidates in the April 5 Township election as "clearly demonstrating the dangers of a county takeover of the suburbs."

"Of course we will take this blatant misuse of power to the courts, even the United States Supreme Court if that proves to be necessary," said Dr. Feder.

"There is no way the county machine can disfranchise 125,000 people living in Niles Township. The people will not permit it. These candidates will be reinstated."

"This is not a question of whether one slate of candidates is better qualified to serve; this is not a question of which issues need to be placed before the voters; this is whether the county machine will dictate that we will live under one party rule. At this point in our history we all would do well to remember the admonition 'power corrupts, absolute power corrupts absolutely'." Dr. Feder said.

"Just this week we watched the buffoon Idi Amin, an admirer of Adolph Hitler, make a mockery of human dignity; how do we differentiate between eliminating political opponents by the knife and gun, or the same act thru misuse of electoral boards and courts?" asked Dr. Feder.

"When I saw that picture of a group of grown men thrusting

decide not to go ahead. The Board has put us in a no-win position."

"It is my feeling that the best we can do now is to scrap the existing plans, start from scratch to develop the complex we need and can afford, and give a going away party on April 19 to the Village Board that made this fiasco possible," Flickinger concluded.

## Orchard Center winter workshop program

During March, 1977 Orchard Mental Health Center of Niles Township will offer the following Mini-Workshops as another part of its Mental Health Education Program. They will be held in the Center's attractive Group Rooms at 8600 Gross Point rd. Call 967-7300 for further information and registration.

Flickinger further commented, "It's not enough to put the complex to a referendum. The clear fact is that these plans should never have even been considered, much less approved by a group of elected officials who are supposed to reflect the needs of their constituents."

Flickinger further commented, "To compound the insult, the village has spent tens of thousands of dollars in fees for all kinds of services used in the preparation of the plans. We can never regain that money if we

their finger into the air in some sort of grinning 'victory celebration' I was appalled at their indifference to the death of democracy in their own community."

"Denials to the contrary, any resident of this community who wants to see what they propose has only to visit the County Building, the County Jail or the new facility in Maywood to see what will be stuck into our community unless we fight it. The Cook County candidates on the STP slate favor and promote it; we oppose and denounce it."

"Can any thinking person in this community question why our local candidates were 'thrown off the ballot' by the County machine?", Dr. Feder asked in conclusion.

panded over time, and currently needs space in its building currently utilized for county court persons.

A number of Skokie officials have already indicated that such a Community Center may be a desirable thing for the community and have invited county board members to sit down and discuss the matter with civic leaders," Sherman said.

She charged that Anderson, Kaufman and "boss (Republican committeeman) John Nimrod" are attempting to mislead the public for twelve years of misuse.

"The Township board had not been responsive or even interested in the community for four years despite the effort of us to prod the administration," Sherman said.

"I voted for the resolution inviting the county board members to our meeting precisely because I have been trying to push Anderson into becoming involved in matters of concern to our community."

"But Anderson, Kaufman, Nimrod and the rest do not serve the public well by making a pretense out of concern and then proceeding to prejudge the issue."

books and periodicals for loan, the library will offer aspects of traditional library service such as story hours, school visits, film programs and special-interest programs.

The actual opening date of the demonstration library will be governed by official notice from the state and by the remodeling necessary in the building at Pratt and Lincoln, which formerly housed the Cloak Room. The west portion of the building is expected to be used for the library and a partition must be constructed.

If Lincolnwood voters agree to local tax support to continue the library next year, the State and System grants will be continued for one more year, until the agreed-upon tax levies can be collected and a Lincolnwood library board can be elected to establish a district library.

A group of Lincolnwood residents has worked for more than five years to provide local library service to the village. A 1972 referendum to establish a municipal library failed. After that the League of Women Voters of Skokie-Lincolnwood conducted a study of library needs and made recommendations. Ruth Kadota and Flora Morris of the League helped organize the Lincolnwood Friends of the Library and continue to serve on the Friends' Executive Board.

Sherman is running for re-election with the Service Township Party, on a slate headed by Edward Warman, candidate for Supervisor; Louis Black, incumbent Clerk; Robert Hanrahan for Assessor; Michael Linn for Collector; and Thomas McElliott, Anthony Gagliano and Timothy Doron for trustees.

Predicated on village approval of the construction contract, plans and annual signal maintenance the project will be offered for construction bids and actual work begun "sometime this summer".

Peck termed the project "timely" due to federal requirement, under the 1973 Safety Act, to upgrade and modernize traffic signals.

Widening plans on Milwaukee ave. begin just south of Birchwood ave. going northwest and tapering off in the 7600 block of Milwaukee ave.

On Harlem ave. the improvement extends from 600 ft. south of the Milwaukee-Harlem intersection and tapering off north of Dobson st.

The Howard st. improvement begins just east of Nora ave. ending at the west end of the Milwaukee-Howard intersection.

Public hearings in 1973 and again in 1975 initiated planning

for overall improvements as well as for improvement of traffic flow.

Niles Police Chief Clarence Emrikson marked the increasing number of accidents at the intersections ... "Planning for traffic that moves smoothly with less aggravation on the part of the motorist leads to less accidents," he said noting the need for left turn bays, which improve traffic flow, plus improved signalization.

Maximum volume of traffic on Milwaukee ave. for 1970 at 17,740 cars was projected to 27,175 vehicles in 1990; on Howard st. from 9,320 to 16,250; and on Harlem ave. 14,040 to 20,700 autos.

Peck said westbound industrial traffic burdened Howard st. even after recent improvements there. Objections by several Milwaukee ave. businessmen to the proposed street widening due to

projected loss of parking area in front of their shops and strenuous protests from Trustee Peter Peacock on behalf of Howard st. residents "who already have lost parkway space due to Howard st. improvements" initiated reassurance of Niles' review of the plans.

Peck said a separate signal light maintenance contract with Meade Electric Co. for the 3 intersections would effect a savings of approximately \$5,000, from the present \$7,600 annual cost to \$2,646 yearly.

"The new look" will not end here, he prophesied. "Once this project is completed, village beautification will continue north to Oakton and Milwaukee, then to Dempster and Milwaukee ... and if the Golf rd. improvement goes thru, next would be the intersection (Golf rd. and Milwaukee ave.)."

## From the LEFT HAND

Continued from Page 1

It was reported two of the police reserves pleaded the fifth amendment before the Grand Jury. Blase said this is not only their right but not knowing the specifics, he might well recommend similar action had a client of his appeared before the Grand Jury. Nevertheless, Blase said the two reserves' action was not conduct expected of men in the police department, which is the reason for asking for their resignations.

Blase said there is also a problem with one of the regular policemen who appeared before the Grand Jury. He said the police chief will determine what action would be taken upon his return from a vacation.

An addendum to this story concerns the high praise Police Sergeant Ray Giovanelli received from state's attorney Terry Sullivan. He noted Giovanelli, who was in charge of internal investigation, "left no stone unturned" in co-operating with the state's attorney's office on this matter. He said Giovanelli was fully co-operative in a matter which was admittedly difficult. Sullivan added, "He impressed me as a real professional."

**Henrici reports on cost of new Administration Complex**  
by Phyllis Weisberg

At the Village Board meeting on Monday night Trustee Ron Henrici gave a report on the cost of the new Police and Administration Complex to be built in Morton Grove. Dr. Henrici quoted both the minimum base price and the selective alternatives to be considered when giving the figures. When all figures were reported it seems we are looking at about \$60 per square ft. for the minimum base price and \$67 per square ft. with selected alternatives.

Dr. Henrici then said we may receive and indeed are in line for some federal grants which would, if obtained, be \$168,277 for the minimum base building and as much as \$262,277 with alternatives selected. Fred Benjamin spoke to those present about the cost of bonds to pay for this complex. He said that as a home rule municipality, Morton Grove can place their own limit on the debt they wish to incur. Of course the shorter the period in the life of the bond, the lower the rate of interest would be. For 17 years the interest would be 5 1/4% or \$17.06 per year for each \$10,000 assessed valuation of a homeowner's property. For 25 years the interest would be 6% with a charge of \$13.60 per \$10,000 and for 30 years there would be a 6 1/4% interest charge at a rate of \$13.98.

When questioned, Attorney Berrafato said we now have offers out to the property owners of the site in question in the amount of \$310,000 for the entire piece of property. The figures were arrived at after the "property" was appraised by two well qualified appraisers. John Hilkin said that "we've tried to do everything according to federal guidelines as we are seeking federal aid and are in line for some grants." Dr. Henrici said, "If we do not meet these guidelines, any future board may suffer as well."

Police Chief Norm Glaunder said Lt. Lanning and Sgt. Ingledon have completed a course in Current Concepts of Law Enforcement in Louisville, Ky. He also noted the Crime Prevention Bureau has begun issuing tips to newspapers and members of this group have given lectures at Oakton Community College and Edison School.

Fred Huber asked if there was some way we could legally control the problem of overgrown bushes on private property. Atty. Berra-

fato said he felt we should be able to handle this and control it under our ordinance but he said he'd like some time to look into it further.

Fred McClosky said he received a letter from Rep. Penny Pullen saying that she filed a bill in the state legislature to register voters up to the 29th day instead of the 45th day before an election. McClosky also stated that March 21 was the first day to apply for an absentee ballot by mail and April 14 the last. This is for the village election in April.

Atty. Gabe Berrafato read a resolution regarding the transfer of funds from CNA to Banker's Life of Iowa and the trustees voted in favor of it. There will be no charge for this transaction.

On Saturday morning reported Atty. Berrafato there was a meeting held with the Plan Commission regarding the Procedural Control Ordinance and at Mr. Berrafato's suggestion Juanita Goldberg moved to modify and incorporate these suggestions given into our own ordinance for presentation to the board. The motion was carried.

John Hilkin announced the next blood drawing would be on March 3 and said we need 90 donors monthly to obtain our goal.

Mr. Hilkin then said the Water Dept. budget has increased by \$33,000 this year due to the severe winter weather.
