## Water Rate Lawsuit nears

[By Alice M. Bobula]  
A lawsuit seeking reduction of the water rate Chicago charges the suburbs has official approval of 39 municipalities, more than the 36 needed for filing the suit

according to Mayor Nicholas Blase. Blase said the suburban suit against the City of Chicago over its recent 20% water rate increase to users of Chicago water will be

filed April 1 by the Ancel, Glink, Diamond & Murphy law firm. Approval from at least half of the 72 suburbs that buy water from Chicago was needed to file the suit. Collar suburbs of Morton

Grove, Des Plaines, Park Ridge and Norridge more recently agreed to join other municipalities, including Niles, in legal action against Chicago. Blase said two letters had been

mailed out to suburbs last week, one to each of the 39 suburbs which have joined the water suit, asking them to forward their share towards the \$60,000 figure. Continued on Page 38

### Political byways ...

In the Niles park district's upcoming election, former commissioner Walt Beusse objects to board members opposing his candidacy. At the park board meeting last week Walt felt such opposition was wrong and certainly irregular. Park board president Millie Jones and commissioner Jack Leske both stated they will not give up their inalienable rights to participate in an election as individuals. Commissioner Bill Keener thought every action of a board member reflects upon his public office and board members should remain neutral during pre-election days.

One board member told us since Beusse left office the administration of the park district has greatly improved. Beusse is accused of having continuously stuck his nose in the running and operation of the administration offices causing undue havoc. While Walt is sincere and conscientious, he extended his board position in past years far beyond what it should be.

While we've never doubted Walt's sincerity, we thought his one-minded effort on behalf of the ice rink program was his greatest liability. In bygone days his single-minded concern for the ice hockey program was out of sync. He drove and pushed and shoved so hard for the program he did not show the proper balance for the overall job of overseeing the entire park program. And when we saw annual indoor ice rink expenses were running \$80,000 in the red, we thought this deficit confirmed our opinion.

In School District 63, the volatile district will have its third election since the board began being turned around in 1975. If the more liberal wing of the board has its way, it will soon have 6/7 of the board on its side on the most critical issue concerning the role of the superintendent. While we are only guessing, it is likely Superintendent Gogo is already shopping for a new job since the board's new stance seems to be centered around the lessening of the role of the superintendent. And while he has shown greater flexibility in

## Applications for absentee ballots

Applications for absentee ballots for the upcoming Village of Niles election on April 19, 1977 are available and may be obtained by calling 967-6100 or at the Niles Administration Building, 7601 Milwaukee ave. The hours are 8:30 a.m. to 5 p.m. daily and from 8:30 a.m. to 12 noon on Saturdays.

The last day to file application for absentee ballot by mail is Thursday, April 14, 1977. Voters may apply in person for absentee ballots at the Administration Building until 5 p.m. on Monday, April 18, 1977.

Village Clerk Wagner urges all registered voters who will be out of the County on Tuesday, April 19 to make application for their absentee ballots early. Voted ballots must be returned so that they can be delivered to the polling place before they close a 6 p.m. on Tuesday, April 19 in order to be counted.

## Wilderness Camp presentation

The Niles Park District will hold a presentation of its new Adventure Program, Wilderness Camp. A lecture and slide presentation will be held at the Grennan Heights Recreation Center at 7:30 p.m. on Tuesday, April 12.

The Wilderness Camp is a 7 day trip to McGhie's Wilderness Camp, Sioux Narrows, Ontario, Canada. Boys and girls 11 to 15 years of age can choose a major area of instruction in rock climbing, back country canoe trip, or fishing, and also choose from a wide variety of scheduled camp

# Township Election Tuesday

Election season, 1977, begins Tuesday, April 5 with two hotly-contested township races in Niles and Maine Township. While the candidates, some precinct workers and their friends are wrapped up in the debacles, getting the natives out to vote is probably the greater issue in the two elections in which residents generally show much apathy. In Maine Township, Committeeman Phil Raffe heads a GOP slate which includes James Dowd, supervisor; James Parks, assessor; Edward Koehler, high-

way commissioner; and Roy Bergquist, collector. Republican trustee candidates include Harvey Frindt, Kay Korff, Paul Halverson and Margaret Wirsen. Raffe, who has been in a running feud with Pat Feichter, head of the Township Awareness Party, which claims TAP candidates are Democrats, Republicans and Independents, contends voters would be disenfranchised if the Feichter group wins. He said none of the Feichter group lives in the two largest

**Golf Class -- Monday, April 4 - 10:00 a.m.**  
Improve your golf game by joining our newly formed golf class. This is a joint program with the Niles Park District and is designed for intermediate and advanced golfers. The instructor will cover specific golf problems, tips and techniques. The fee is \$6.00 for the six week course and you can register by calling the Center at 967-6100 ext. 76.

**Drivers Training Review Course**  
The next Drivers Training Review Course will begin Monday, April 4 at 10:00 a.m. for those whose license expires in April or May. The course includes the Rules of the Road and signs and a practice written test is given. There's no fee for this class. Call the Center to register.

**Chess Group -- Monday, April 4 - 1:00 p.m.**  
For you chess fans, Les Bale the chess "expert" will be here on Monday April 4 at 1:00 p.m. He works with both beginners and more advanced players. So if you like a challenge, stop in for an afternoon of chess.

**Social Security/Medicare Information -- Monday, April 4 - 1:00 p.m.**  
A representative from the local Social Security office will be at the Center to explain both the Social Security and Medicare programs. He'll discuss what services Medicare covers and how to fully benefit from the program. He'll also talk about the way Social Security payments are determined and any upcoming changes in the program. Don't miss the most informative speaker.

**Quilting -- Wednesday, April 6 - 1:30 p.m.**  
If you're looking for a new craft idea, be sure you come to quilting! The women make many lovely useful items and it isn't difficult at all. Quilting meets once a month. All materials are provided and there's no charge for this activity.

**Hearing Tests -- Monday April 11**  
Hearing is one of our most important senses and we should do what we can to take care of it. On Monday, April 11, students under the supervision of Northwestern University Hearing Clinic, will be at the Center to give free individual hearing tests. The testing will be done from 9:00 a.m. until noon and appointments are required. Call 967-6100 ext. 76 for an appointment. Even if you're not experiencing any problems with your hearing, it's still a good idea to have it checked.

**Trip Registration -- Monday, April 11 - 9:30 a.m.**  
Mark your calendar with this date. That's when we'll be selling tickets for our next trip, which is to Drury Lane North. The trip itself will be on Wednesday May 25 and we'll be seeing The Glass Menagerie starring Maureen Stapleton. Watch the next press release for more details about the trip.

**Legal Assistance -- Monday, April 11**  
Greg McHugh, an attorney for the Cook County Legal Assistance Foundation will be at the Center on Monday, April 11 for individual free legal consultations. He'll advise on such areas as housing and consumer law, landlord tenant/relations, pensions and answer questions concerning wills. Appointments are required and can be made by calling the Center.

**Senior Forum -- Tuesday, April 12 - 1:30 p.m.**  
We'd like to hear your opinions. The agenda for the next meeting includes your responses to the News and Views and feelings about the Senior Forum vs. the senior forum coffee hour. Plan to attend this meeting.

**VILLAGE OF SKOKIE**

Skokie Office on Aging will offer income tax assistance under the VITA/IRS program. Volunteers who have completed the national training program will review the returns of older residents by appointment five days a week during March and April. The volunteers have already helped 92 people check their income tax.

These tax aid volunteers will review the older residents' returns at 4 different locations: the Skokie Public Library, Old Orchard Bank, Skokie Trust and Savings, and Skokie Federal Savings, by appointment only.

There is no charge for this service but an appointment must be made. Call the Skokie Office on Aging, 673-0500, ext. 208 or 209.

## Outdoor Season Begins for Running Raiders

The Running Raiders from Oakton Community College open their Outdoor Track & Field season on March 31 with a dual meet with Morton Junior College. The team travels to St. Louis, Missouri, on April 2 to compete in the 2nd Annual Meramec Classic.

In 1976 the OCC Track Team won all 7 dual meets on its schedule and this year's team hopes to do the same but will be running a much tougher schedule.

The 1977 team is led by National Indoor qualifiers Larry Edington, Niles, who competes in

the sprints, hurdles, and most field events and Tom Riley, Niles, who will be running the middle-distance events.

Coach Pat Savage is also looking to Bill Chamberlain, Glenview, and Ken Hampe, Chicago, in the distance events, Dave Greenberg, Skokie, in the sprints, Scott Wechter, Glenview, and Mike Hanrahan, Morton Grove, in the pole vault, John Haupers, Morton Grove, in the jumps, and Norm Gonzales, Morton Grove, in the hurdles and steeplechase. Kevin Craig, Park Ridge, and Gary Gates, should add depth to the distance races.

Other big meets on OCC's schedule include the Blackhawk Invitational in Moline, the Illinois State Meet in Moline, the National Championships in Houston, Texas and the National Marathon Championships in Michigan.

Savage noted that Oakton has qualified for the National Championships in each of the last four years.

### Qualifies for swimming championship

Eight members of the Park Ridge Swim Club who reside in Park Ridge, Northbrook and Niles have qualified for the Junior National AAU Championships to be held April 14-16 in Dallas.

The women's 800-meter free relay team includes: Dawn Jensen, 15, of Niles.

## Mustangs hold sports banquet

Bunker Hill Country Club March 26 was the site of the culminating sports banquet for the victorious Gemini Jr. High basketball, wrestling and volleyball teams. Seated at the head table was Mrs. Pat Kovac and Mr. Bowen and their spouses representing District 63 school board, Mr. D. Huebner, Principal, Mr. K. Pansik, Vice Principal, Mr. Terry Janeski, 7th grade basketball coach, Mr. Larry Gold, 8th grade basketball coach, Mrs. Pendergast, girls' basketball coach, Mrs. S. Anderson and husband, cheerleader sponsor, and Mr. Paul McClelland, varsity basketball coach, Maine East High School. Coach McClelland was our guest speaker. After congratulating our 7th and 8th grade boys' basketball teams on a wonderful season he really held the boys' attention telling them to work hard over the summer and to start thinking about next year, because the better a player and team you are the more boys and teams that are after your job. Our boys have to face the other team members from our local junior high schools that merge into Maine East. He drew prolonged applause when he told the boys that their man to man defense is as good or better than some high school teams he has seen.

The 7th grade team was presented with a team picture, a year book of statistics and certificates by Coach Janeski. A special certificate went to Danny Retig as leading rebounder with 207 rebounds for the season. The boys voted special awards to their teammates: Most Valuable Player Mike Aaknis, Best Offensive Player Mike Aaknis, Best Defensive Player Mike Aaknis, Most Spirited Jimmy Christiansen and Kenneth Reeves, Most Improved Tim Voporious, Hon. Team Capt. Mike Aaknis. The boys presented the coach and his wife with a weekend at Arlington Park Hilton hotel. Everyone in the audience volunteered 8th grade coach Larry Gold (who is single) as babysitter for the Janeski's four children.

The 8th grade basketball team took the school all the way to state contest this year for the first time ever and came home with 3rd place trophy which was proudly displayed at the entrance to the hall with all the trophies brought home by our wonderful teams.

Coach Gold presented the 8th graders with certificates and a year book. The boys voted special awards to their teammates: Most Valuable Player Daron Romanek, Best Offensive Player Daron Romanek, Best Defensive Player Bruce Gold, Most Spirited Jack Johnsey, Most Improved Jack Johnsey, Hon. Team Capt. Bruce Gold.

Mrs. Anderson praised her 7th and 8th grade cheerleaders and presented the girls with certificates.

Seventh grade cheerleaders: Karen Gregory, Karen Nomo-

linski, Vivian Marks, Tina Selos, Lynn Augustine, manager Cindy Komotata.

Eighth grade cheerleaders: Sharon Gies, capt.; Janet Anderson, co-capt.; Janet Capiello, Kim White, Janet Waller, Debbie Bendix, manager Maria Kass.

After the coaches were through with their awards the parents of Gemini organized under the banner of Parents Backing Basketball took over under the leadership of two very nervous ladies—Mrs. Hester Zacanti and Mrs. Phyllis Majewski. Special trophies went to Mr. Huebner, Mr. Pansik, Mrs. Kovacs and Mr. Bowen. Coach Janeski received a trophy made especially for him. Coach Gold who is a firm believer in women's equal rights got a very large candle in the shape of a pig and a neck pendant with a raised pig figure and the initials MCP engraved on the front. Each boy on the 7th and 8th grade teams received pendants with basketballs on front; the 7th graders had their nicknames and the years 76-77 engraved on back, the 8th graders had 3rd in state 76-77 engraved. The cheerleaders also received pendants with a cheerleader on front and Gemini 76-77 on back. Several other pendants and small basketballs were given to parents that were especially active in the organization.

In a first of its kind, the Maine Township Press Club "roasted" approximately 20 leading officials of Maine Township during the media's first annual Roasting Dinner held March 18 at George's in the Park Ridge Inn.

A dry humor coupled with old time slides and contemporary commentary delivered by Dave Barnes of Dave Barnes and Associates, a public relations firm, provoked continual mirth from the 60 dinner guests invited to the Friday evening "heat wave".

Guest officials included state legislators Rep. Penny Pullen, Sen. and Mrs. John Nimrod and Rep. and Mrs. Eugene Schlickman; Niles Mayor Nicholas Blase and Park Ridge Mayor Martin and Mrs. Butler.

Representing Maine Township were Trustees Kay Korff and Margaret Wirsen; Township Clerk Philip and Mrs. Raffie; Assessor James Parks, and Highway Commissioner Ed Koehler.

Guests included Art Scheller, attorney and press club advisor and Mrs. Scheller; and Mrs. David Barnes.

Attending from Oakton Community College were Dr. William Koehnline, president and David Hilquist, vice president in charge of finance and business.

Other guests were Niles Building and Zoning Director Joseph Salerno; Niles Deputy Fire Chief

Charles Bobula; Niles Village Manager Kenneth and Mrs. Scheel; Park Ridge head librarian Alden and Mrs. Wilson; District 64 Board Member Alan and Mrs. Martin; District 64 Ass't. Supt. Dr. John Fletcher; District 63 Board President Larry Reiss; and Executive Editor of Pickwick Papers Ward Rapp.

Invited but unable to attend due to illness were Executive Editor of Lerner papers Al Bernstein and Mrs. Bernstein.

The dinner was co-ordinated by Ruth Trout, editor of the Park Ridge Advocate and past president of the Press Club.

Club President Grace Lunde of Review newspapers greeted "roasting" guests and press club members noting it was the first opportunity by the media to return salutations normally directed to the press.

Niles Mayor Blase highly commended the dinner as the first median grounds-meeting of press and notables.

Press Club membership includes the working news press and public relations representatives in the Maine Township area. Other club officers are Laura Hafard, vice president; Alice Bobula, treasurer; and Al Blitz, secretary. Members meet at noon in George's the first Friday of each month.

He was released under \$1,000 bond pending court appearance in Niles Third District Circuit Court.

Police said the youth held five prior traffic tickets, for improper light, no license plate, failure to notify of address change, running a stop sign and a Des Plaines ticket for driving under a suspended license March 17.

Police officers Dvorak and Flogg said they arrived at the scene near midnight on Tuesday to observe a youth enter a car, reverse improperly and drive at a high rate of speed thru a stop sign at Keeney and New England Sts.

Officer Flogg said he stopped the car and the driver exited to answer questions then suddenly ran off. After a high chase over fences and yards Officer Flogg caught up with the youth and took him to the Niles Station for charges.

Maine East varsity debaters Jim Dash and Jeff Nye placed first in the I.H.S.A. second debate tournament, with the only undefeated record.

Maine East debaters Ann Gillespie and Steve Pietrick also qualified for the I.H.S.A. state debate tournament with a record of 10 wins and 2 losses.

## Feichter accuses Maine Township GOP of 'dirty politics'

Maine Township Awareness Party spokesman Patton Feichter today accused Philip Raffie and the Maine Township Republican Organization of dirty politics. He said Raffie had accused him of criminal acts for talking about the wife of a former Maine Township Republican official. The woman received general assistance for six months while her husband was in jail for mail fraud and extortion. Feichter also said Raffie had fixed it so that two local newspapers would not print TAP releases while themselves writing slanderous articles about Feichter and TAP.

Feichter said, "Township Clerk Philip Raffie has appointed the owners of the Park Ridge Advocate and the Des Plaines Suburban Times his campaign manager in these towns. They refuse to print TAP news releases but they feel free to write slander about me by calling me a criminal for talking about general assistance. If I am a criminal, then so are Mike Royko, Walter Jacobson, Len O'Connor and others who speak out about welfare fraud and abuse."

Feichter went on, "The Bugle Publications, Niles Lerner Life

and the Des Plaines Journal do not always agree with TAP but they do print our releases. Philip Raffie, his two newspaper owners and his political organization have made a mockery of freedom of the press in Maine Township. They have compromised the integrity of their reporters and have established the precedent for a controlled press in our community. The Bugle, the Lerner Life and the Des Plaines Journal should be complimented for their high journalistic standards."

## Assessor completes workshop

Maine Township Assessor James A. Parks has successfully completed the Illinois Assessors Workshop held in Springfield between Feb. 25 and March 2, Maine Township Supervisor James J. Dowd announced today.

Parks, a Certified Illinois Assessing Officer (CIAO) and past president of the Township Assessors of Cook County was asked to chair the legislative committee at the workshop by Mrs. Shirley Green, newly-elected president of the assessors organization.

Parks, who is a candidate for re-election in the April 5th Maine Township election, is a long-time resident of Park Ridge. The workshop was the 20th he has attended.

## TAP proposes "Bill of Rights"

The Maine Township Awareness Party today proposed a "Bill of Rights" for unincorporated Maine Township. They said their proposals would save the unincorporated area and insure the future quality of life in Niles, Park Ridge, Des Plaines, Glenview and Morton Grove. TAP spokesman, Patton Feichter said, "Our 'Bill of Rights' is the most sweeping reform measure ever proposed for Maine Township."

Feichter went on, "TAP will hire additional police, much needed building and health inspectors and oppose any further low income housing in unincorporated Maine Township without local control or participation. We will insure garbage collection and wage a massive rodent control

program. We will force the local water company to improve drinking water and improve sewer services to end the flooding problems. We will oppose any further "High Rise" construction and illegal zoning changes in our already congested unincorporated area. We will attempt to secure local control of private streets and roads and then repair the broken down streets and roads. We will do every thing possible to improve the quality of life in unincorporated Maine Township."

Crime Prevention Tips  
Lend the police your eyes and ears. Report any suspicious activity in your neighborhood to the police.

### Qualifies for swimming championship

Eight members of the Park Ridge Swim Club who reside in Park Ridge, Northbrook and Niles have qualified for the Junior National AAU Championships to be held April 14-16 in Dallas.

The women's 800-meter free relay team includes: Dawn Jensen, 15, of Niles.

## Notre Dame golfers honored

The annual golf awards of Notre Dame High School, Niles, was held recently at the school. Awards were presented by Fran Willett, head golf coach and a member of the faculty since 1964.

Three seniors were awarded a major letter for the second time. They were Terry O'Neill and Tom Swock of Morton Grove and Bill Strotman of Park Ridge. Ed Nakas, a junior from Des Plaines, received a major letter for the second time. Three juniors received a major letter for the first time. They were Mark Berrafato and Richard Hillsman of Morton Grove and John Gura of Chicago. Two juniors received a junior varsity award. They were Dave Droghetti and John Geist of Chicago.

Six sophomores earned sophomore letters. They were Carl Cepuran of Des Plaines, John Mas of Chicago, Al Masini of Morton Grove, Mark Meyer of Arlington Heights, Jim Pink of Morton Grove, and Chris Swift of Glenview. Two freshmen earned sophomore awards. They were Bob Dickman of Morton Grove and Tom Govern of Evanston.

Sixteen boys earned numerals for completion of one year on either the varsity or frosh-soph level. The seniors were Tom Granato of Chicago, Bill Heinz of Skokie, and Pat Russell of Park Ridge. The juniors were Greg Cerek of Niles and Bob Palka of Morton Grove. The four sophomores were Jim Baranowski and Kevin Boyle of Niles, Bill Starkey of Park Ridge, and Rory Zale of Niles. The seven freshmen were Jack Anton of Park Ridge, Brian Balma of Glenview, Bob Bauer of Niles, Steve Boshoid of Glenview, Terry Remke of Morton Grove, John Teets of Niles, and Jim Wolhart of Chicago.

Nakas received a trophy as the most valuable player and Strotman and Cepuran were recognized as most improved.

The varsity record for 1976 was 7-4-0. In the East Suburban Catholic Conference meet on Oct. 12, 1976, at Rob Roy Course in Prospect Heights, Notre Dame was fourth on the varsity level with a score of 331. Marist was third with 329, St. Viator second with 316 and Carmel was first with 315. St. Patrick was fifth with 350 and St. Joseph of Westchester ranked sixth with 422. Nakas of ND was second finalist with a score of 77 behind Brennan of Carmel with a 75. The ND varsity was ninth in the district playoffs.

The ND frosh-soph team had one of the best seasons in the history of the school. They took first place in the Conference with a record of 10-0-1. They took first in the ESCC meet at Rob Roy on Oct. 12 with 325, St. Viator 335, Carmel 357, St. Patrick 367, Marist 367, and St. Joseph. Dickman and Cepuran of ND were first and second place finalists on the frosh-soph level with a 79 and 80. Mas and Swift of ND tied for fifth place with a score of 83.

Niles police alerted to Nico Park at New England and Seward Streets on March 22 reported complaints of speeding autos arrested a 17-yr.-old Des Plaines youth following a hot footchase thru back and front yards of Niles area residents.

The youth was charged on 5 counts; disobeying a stop sign, driving while license suspended, improper backing, disobeying a police officer and fleeing to elude a police officer.

He was released under \$1,000 bond pending court appearance in Niles Third District Circuit Court.

Police said the youth held five prior traffic tickets, for improper light, no license plate, failure to notify of address change, running a stop sign and a Des Plaines ticket for driving under a suspended license March 17.

Police officers Dvorak and Flogg said they arrived at the scene near midnight on Tuesday to observe a youth enter a car, reverse improperly and drive at a high rate of speed thru a stop sign at Keeney and New England Sts.

Officer Flogg said he stopped the car and the driver exited to answer questions then suddenly ran off. After a high chase over fences and yards Officer Flogg caught up with the youth and took him to the Niles Station for charges.

**Theft**  
A 20-year-old Park Ridge resident employed as a maintenance worker at The Treasury, 8500 Golf Rd. was charged with thefts of merchandise totaling \$216.77.  
Police said he was observed Monday removing a CB radio, a transistor radio & twenty 8-track tapes from the store to his auto.  
He was released under \$7,500 bond pending his court case which comes up April 15.

**Shoot Window Out**  
Estimated damages of \$75 were set on a '73 Ford parked on north Ozanam Friday. Police said the driver's side window was shattered with a BB gun and offenders then pulled the glass out.

**Attempted Theft**  
Two 16-year-old girls attempted to purchase \$400 in ladies lingerie with stolen credit cards at K-Mart, 8650 W. Dempster Friday evening but fled when the sales clerk made a credit card check.

Police said the owners of the credit cards were not sure when they last saw their cards.  
The sales girl told police she knew the teens.

**Autos Stolen**  
A 1977 black Chevrolet Corvada valued at \$6,500 was taken from 9229 Milwaukee Ave.  
A resident on north Greenwood told police his 1976 Cadillac valued at \$1,000 was stolen from his garage Wednesday while the owner was at work.

**Thefts from Cars**  
Dave Cory Ford, 6200 Touhy, reported 3 separate thefts last week of CB radios valued at \$250 each and \$50 in speakers, totaling \$900. Damage to the dashboard of each van was estimated at \$500.  
In another incident a Northbrook resident told police a CB

radio valued at \$180 had been taken from his 1976 Mercury parked at Golf Mill Theatre Wednesday evening.

Also, thieves entered a 1969 Cutlass parked at 8315 Waukegan Rd. on Saturday taking a box containing 35 Rock and Roll 8-Track tapes valued at \$175.

**Home Burglary**  
Burglars entered a Niles home Wednesday, March 23 in east Grennan Heights and ransacked the master bedroom taking 2 old pocket watches of undetermined value.  
Police said the door was pried open while the owners were away on vacation.

**Indecent Exposure**  
A mother and daughter from Round Lake said a young motorist exposed himself from his car Wednesday night, March 23 as both cars were northbound on Harlem Ave.

The victims said they stopped for a signal light and a 25-year-old man with short hair wearing glasses and driving a station wagon stopped next to them in traffic.

When they glanced over at the driver he stretched in his seat revealing no pants and was exposed. The women called police on CB emergency radio.

**Ousted from Time Machine**  
A Park Ridge resident complained to police that he was physically attacked and thrown out of the Time Machine at 9046 W. Golf Rd. Tuesday after he and his friend were refused admittance at 3 a.m. due to his attire (tuxedo) and antagonistic attitude.

A doorman at the Discotheque told police that the victim and his friend had become verbally abusive, that to prevent further

problems he and another employee "escorted" the two out of the vestibule.

Police said parties involved had been drinking and contacted the manager.

**Theft from Auto**  
Two men were frightened away March 23 from a car whose trunk lock had been punched out, but not before they stole a radial tire valued at \$100.

Police said the maintenance man at V. Mueller, 7280 Caldwell, shouted at the men at 10:30 a.m. who fled in a blue Monte Carlo.

Car damage was estimated at \$25.

**Rowdy Gathering**  
Police on routine patrol Sunday said they broke up a fight in a crowd of 40 people 4 a.m. at The Time Machine, 9046 Golf Rd.  
The two men fighting did not want police involvement.

**Money deposit missing**  
Police said a bank deposit of \$8,872.81 in cash, checks and Bank Americard slips was possibly stolen from a night depository of Madison National Bank March 20.

The manager of the Rogues Store, a men's haberdashery at 9190 Golf Rd. decided to make a night deposit of monies following a huge store sale rather than leave the money overnight in the store, according to police.

He gathered the deposit in a large envelope, stapling the ends and said he forced it thru the opening of the night deposit box at the bank.

On Monday he checked with the bank to ascertain whether his account had been credited and was told the bank had no record of the deposit.

## Established fire signal needed for home safety

Our local Fire Chief, Albert L. Hoelbl, has provided this 13-article series on fire prevention and emergency procedures in the interest of greater safety in the community. The material and statistics have been compiled from information which comes across Chief Hoelbl's desk. He feels, in sharing this with the local citizens, some fire losses may be prevented, and perhaps even unnecessary loss of life.

This is article No. 2 in my series on fire prevention in the home. I have used the term "fire drills" because everyone no matter how old he may be will be familiar with it. Actually, the term given the subject in many areas of the country is E-D-I-T-H... Exit Drills In The Home.

In a fire in the home, particularly at night, you and your family may never get a second chance to get out. In other words, without prior family discussion and definite pre-planning for escape in case of fire, someone in your family may perish needlessly!

Basic subjects to discuss at your family fire drill meetings are the fact that there are two areas of escape from every room: the door or a window. There should be an established fire signal that is used only for fire drills or actual fires. This could be something as simple as a toy whistle or as sophisticated as a commercial alarm system, with sensitizers in each room. Whatever it is in your home, make sure everyone understands what it is, how it works and what to do when the signal is sounded. Make it a hard and fast rule that the signal is not used for any other purpose.

Establish a safe meeting place in the event the family must leave the home in case of fire. Impress heavily on the mind of each family member that under no circumstances is he to return to the burning home once he is outside safely; remember, hot gases and smoke kill!

If awakened in the night by smoke or flames, and the telephone is in the danger area, do not attempt to reach the phone to call the fire department. Leave by the quickest means available, after sounding the family fire alarm, and call the fire department from a neighbor's home. Be sure you and the neighbor have the fire department telephone number posted on the phone! Your local fire station can provide a sticker with this information.

Sleep with the bedroom or hall doors closed. Doors can keep out deadly smoke, heat and gases. Temperatures of 1,000 degrees are not uncommon in home fires. Deadly gases often precede these fatal temperatures.

If awakened by signs of fire, feel your bedroom door before opening it! If it is hot do not open it! Leave by a window.  
If you find yourself trapped in a burning room, drop to the floor to make use of the available fresh air. Then crawl to a safe exit. A coil of rope or ladder built onto the side of the house can provide a safe exit from an upstairs room.

Above all remember, statistics show that most fires start between midnight and 6 a.m., when you are asleep and least prepared. Obviously this is no time to start giving your family instructions on how best to leave the home! Until each and every family member has instructions firmly in mind, I suggest you hold family meetings for fire discussions. Make it mandatory that each family member be present and the TV and other distractions silenced. Go over exit procedures time and again until everyone, even the youngest, knows his escape route independent of the adults. Actually have fire drills, with each person starting from his own bed when the family fire alarm is sounded.

Teach all youngsters the danger of fire and matches. Let them understand you are very serious about following the rules you have set forth.

Never assume someone else has called the fire department; small fires grow quickly into major disasters!

Family fire drills will save lives, obviously. Isn't it worth the effort for your family's safety?

Next week: Ridding your home of potential fire hazards.

## Woman shopper refuses fleecing in con game

A 66-year-old Evanston housewife who refused to rise to the bait in the old, phony, "pigeon-drop" scheme was home safe with her money said Niles police last week.

The victim told police she was shopping at Sears Saturday morning in the card department when a woman struck up a conversation with her.

A female approached the two women saying "Look what I found," pointing to a brown flat pouch. "I don't know what's in it and I don't know what to do with it."

The intended victim said "Call the police," but when the two other women said "no," the victim said she knew she had been selected as a "pigeon."

Inspection of the wallet by the two revealed it allegedly contained \$3,000.

The woman who found the wallet said she would "go see her lawyer."

Niles police said that what followed was the classic confidence game to fleece the woman shopper. She refused to become involved, however, telling the con artists she could not accompany them since she was waiting for her car to be repaired.

The first woman was described as 25-years old, 5 ft. 7, weighing 135 lbs. with light brown hair and wearing a brown hat and coat.

The second female was described as wearing glasses, 5 ft. 3, heavy set, dark haired and wearing a dark coat.

CHRISTMAS TREE, pointing to the merging of Christ's birth and atonement. Many nails have been placed on the cross, and during the Holy Week Communion Service, which will be held at 7:30 p.m. on Tuesday, Wednesday and Thursday, each person in attendance will receive a small card to sign and will then place it on the tree as they go forward to receive Holy Communion. Children will be given the opportunity to put their names on the cross at the last Lenten service on April 7. By Good Friday, the cross will be covered with many names, illustrating in a very visual way how Jesus personally carried the load of our sins in His own body when He died on the cross, so that we can be finished with sin and live a good life from now on.

### Tell Your Wife We've Been Thinking About Her.

Of all you cherish, what's most important to you? Your wife - of course. Just think of all the does for you and your family. She's irreplaceable and if she should die dollars can't take her place. But an adequate life insurance policy could help to get some of her many jobs done and to keep your household going. Ask your State Farm agent for details.

## Heads Women's Division for Israel Bonds

The appointment of Mrs. Martin (Jewel) Fishkin of Skokie to the position of Chairman of the Women's Division, State of Israel Bonds, was announced today by General Campaign Chairman, Sol Goldstein.

Mrs. Fishkin, a member of the Israel Bond Board of Governors, has served as Committee Chairman for many Bond events, including the annual all-Israel Fashion Show. A founder of the Young Adults Division, she and her husband, Dr. Martin Fishkin, themselves were honored by the group in 1970.

Active in the Chicago Jewish community, Mrs. Fishkin is a Board member of the Women's Division of JUF, Life Member of Hadassah and also holds membership in Women's American ORT, Brandeis University and Temple Beth El of Chicago.

The Fishkins are the parents of three: Ned, Scott, who is married to Ellen; and Holly, who, with her husband Steve Shenitzer, resides in Tucson. And they are the loving grandparents of Daniel and Marc Fishkin.

## Heritage Club of Polish Americans

The meeting of the Heritage Club of Polish Americans "Men and Women" will be held on Sunday, April 3, at Norwood Park, 5801 N. Natoma ave. at 2 p.m. Cake and coffee shall be served. Bertha Sobotka, hostess.

At present, this organization is involved in many endeavors. The Polish American Exhibition in August, conversational Polish, background research, a choral group, Christmas "Wigilia" party, entertainment for members at meetings and finally, but definitely not least, is the "Comic Fashion Show" directed by Sophie Zmuda and narrated by Sylvia Arnold on May 1. Member models are: Sophie Zmuda, Lee Herbert, Joseph Leja, Helen Leja, Bertha Sobotka, Thresa Gronck, Alice Borowski, Victoria Grosz and Florence Kolowski. Following the style revue, a one-hour color sound film entitled "Two Flags - One Nation" produced and directed by T. Ronald Herbert will be shown. A very nominal donation is expected.

### Skokie Federal offers MONACEP registration

Registration for any of 700 spring MONACEP courses will be held on Saturday, April 2, at Skokie Federal Savings and Loan Association, 4747 W. Dempster, from 9 a.m.-1 p.m.

Skokie Federal's location and large parking lot make it a convenient registration center for residents on the eastern side of the MONACEP district.

MONACEP, the adult and continuing education program at Oakton Community College, will continue its sixth year of opera-

tion when the spring term begins in late April.

Serving people from 65 Chicago area communities, MONACEP sponsors classes ranging from physical education to psychology, from cooking to business, from handyman classes to high school credit courses. It also offers workshops, lectures, films and a travelog series.

For further information, call the MONACEP office at the number of 967-5821.

### Niles North Dean of Students

Nilehi teacher Frank Houlihan was recently named Dean of Students at Niles North High School, 9800 Lawler, Skokie.

Houlihan will replace former dean John Lorenz, who left the school to accept an administrative position at Niles West High School. The new dean will share duties with the other current dean, Charles Balciulis.

Formerly a Chicago school teacher, Houlihan came to North in 1973. Since then, he has served as driver education instructor and head varsity football coach. Although he will be accepting new administrative responsibilities, Houlihan is still expected to continue in his coaching capacity next fall.

Dear Sir:  
I want to express the appreciation of our agency, Niles Township Sheltered Workshop, to everyone who came to our open house on March 19. Our Board, staff and our clients all participated and were very heartened by this show of public support.

We serve 30 clients, most of them senior citizens, on a five day a week basis, offering a program based on providing remunerative employment. The opportunity of retaining independence and dignity that senior citizens have built throughout their lives is very rewarding for all of us involved. We are committed to offering this program and hope to be able to expand our services to even more residents of Niles Township. The adjustments senior citizens are expected to make to maturity are assisted in our program by not only work but a program of skill building, life enrichment and community awareness. We feel that an integrated program of this nature, supplemented by counseling and advocacy services is an investment in people's lives and well-being.

Dear Editor:

I read with considerable discomfort the recent letter in your column attacking Oakton Community College and its administration. Here are my reactions:

The writer did not comment on the most significant and objective measure of Oakton's progress — the fact that last March OCC received full North Central accreditation in the minimum period possible — and this in spite of having no permanent physical plant. No mention was made of the fact that through astute management, Oakton's administrators have been able to set aside enough money to pay its share of

A community based and supported program like ours can continue to offer services only with community support. It was very gratifying to see concrete evidence of that support.

From everyone at Niles Township Sheltered Workshop, thank you.

Sincerely,  
Richard M. Haar  
Executive Director

**District 535 taxpayers getting full value for small investment**

the initial building program without incurring long term debt. No mention was made of the fact that Oakton's graduates competing on four year campuses have averaged better than those from other similar schools. No comment was made to acknowledge that administration and Board of Trustees have been preoccupied, perforce, with finding space for a constantly growing student body with a continuously broadening choice of programs — as well as the exhausting struggle to find a permanent location. No reference was made to the fact that Oakton is receiving nationwide appreciation for new ideas like the unusual emphasis placed on student development.

He is right in seeing Oakton administrators, including academic deans, overloaded — but that is because money is allocated to teaching and teaching facilities rather than paper shuffling. He is right in seeing some scheduling apparently ignoring student needs — but wrong in assuming administrative whim rather than compelling necessity as cause thereof. He is right in perceiving some last minute staffing — because Oakton has at its call large numbers of highly qualified instructors, willing to accept part-time assignment on short notice — thus providing maximum ability to accommodate last minute decisions by students — and at moderate instructional cost. He is right in seeing parking as a baffling problem at Oakton, because getting 3000 students into 600 parking slots does pose something of a challenge (has he a better way?).

Perhaps most importantly, the critic did not comment on the remarkable openness of the campus — of the climate in which student, teacher, and administrator freely interact — in which all have the opportunity to learn and grow. I think it highly praiseworthy that in a period of rampant egalitarianism, with the prevailing assumption that all discrimination is of itself evilly motivated, a new and unproven school has been able to recruit many outstanding, capable, dedicated, and not-too-well-paid men

and women among its faculty and administration. It is difficult to distinguish between student and teacher, yes; some of both strive and fail; some teachers are feisty and yeasty (so are some students); and this is not yet an earthly paradise. The roof of Bldg. 1 leaks, and Bldg. 2 is either too hot or too cold, and the partitions are paper-thin, the cafeteria is no great shakes, and the energy crisis snaffled the film, series. But it is a place of great life, of bursting energy, busy bustle, of trial and error, of aspiration and dream. It is a fun place to be.

My comments derive from extensive and I hope objective posture: as a longtime local resident and employee of the area's largest employer, I have observed Oakton from its start. I served on two advisory committees, and assisted in setting up another curriculum. I taught a splendid course in labor relations, I was soundly thrashed as a candidate for Trustee last spring, and since Oct. 25 I have been a small part of that maligned administration.

I do wish local people would become better acquainted with what has been built and is being improved in our college under its present administration. OCC represents many splendid things, needs well-conceived criticism, and deserves considerable freedom and encouragement to pursue excellence.

**Court hearing continued**

A March 22 arraignment hearing in Des Plaines Court for Skipper Andrade, 36, pharmacist-owner of Niles Drugs, 8001 N. Milwaukee ave., was continued to April 12 "by agreement" of counsel according to a Metropolitan Enforcement Group (MEG) spokesman earlier this week.

Andrade was seized Jan. 4 by MEG agents in his Niles place of business and charged with 7 counts delivery of controlled substances without prescription on 4 separate occasions to an undercover agent.

He remains free under \$100,000 bond pending trial.

**Talman...now, more than ever ready to help you achieve your financial goals**

Talman was founded over 55 years ago for the purpose of providing the people of Chicagoland with a safe and profitable place to save and gain the benefits of home ownership. To this day Talman is still fulfilling this important function.

We realize that the pressure of inflation and the rising cost of living make our job an increasingly challenging one. For we at Talman are fully aware of how hard it is to save today. It seems that more and more of each paycheck must be spent on the basic needs of food, clothing, shelter, and transportation. Consequently, it becomes more and more difficult to be able to put money aside for future goals such as home ownership, retirement, or college education for your children.

Well now, more than ever, you can turn to Talman for help in achieving your family financial goals. You see, we have expanded our established services to help you better organize your financial life. We have entered new areas of service to meet the challenges of thrift today with new ways and means to make the most of your hard-earned dollars.

And, with nine Talman locations throughout metropolitan Chicagoland, it is easier to put these services to work for you.

**Home Mortgage and Home Improvement Loan Services** bring Talman borrowers money at attractive terms. Ready availability of funds and expert Talman lending personnel help make your dreams of home ownership a reality.

**Regular and Certificate Savings Accounts**, which offer 19 different types of ownership and the highest interest rates allowed by law, make it possible for you to select the exact savings plan to achieve your personal thrift goals.

**Statement Savings—The Today Way to Save**—enables you in your busy life to deposit to or withdraw from an account without mailing in or presenting a passbook, and provides you with a periodic detailed statement of transactions and important account information.

**Direct Deposit** of social security and other regular income checks guarantees the deposit of such funds directly into your Talman account on the date normally due where they earn interest from the date of deposit.

**Telephone Transfer of Funds** allows business customers to earn interest on idle business funds, then, with a single phone call, transfer such funds back into a checking account as needed.

**IRA and Keogh Retirement Accounts** give the self-employed and wage earners not covered by an established retirement plan the opportunity to set up a tax sheltered retirement fund. And, retirement goals are reached quicker through tax-saved dollars and Talman's high interest rates.

**The Systematic Savings Plan** helps you achieve regularity in saving by transferring each month a pre-authorized amount from your checking account into an interest-earning Talman savings account.

**Pre-Authorized Loan Payment Service** makes your mortgage payment automatically each month by transferring funds from your bank checking account, saving you time and postage.

**Financial Counseling** in the areas of budgeting, retirement, mortgage and home improvement financing, and college loans helps you plan your financial future.

**Other Financial Services**, such as check cashing, utility bill payment, money orders, travelers check service, and the sale and redemption of U.S. government bonds, are available for customer convenience at all Talman offices.

# Niles Township STP plans "rescue from bossism"

Both Supervisor candidate Edward Warman and Township Clerk Louis Black, said this week they expect a repudiation of "bossism" at the polls, Tuesday, April 5 in the Niles township board election.

Both men are running on the Service Township party (STP) slate, and said this week they expect to "rescue township government from the "boss" control of Republican Committeeman John Nimrod. "The Republicans have controlled the township for years and years," Warman said, "and the mismanagement and devious handling of township affairs has been staggering. The one man most responsible for this has been John Nimrod."

Black added, "Even now, though he holds no elected office in the township government, he pulls the strings and his puppets on the board act out his wishes. It's painfully obvious that Nimrod calls all the shots and the current supervisor Charles Anderson

simply plays along."

Black said that as surrogate father to the township board, Nimrod has shown about as much integrity and ability as he has as a slatemaker. "This time around Nimrod slated a man who is not even eligible to run for township office, which has cost the taxpayers thousands of dollars in reprinting of ballots."

"It's time," Black said, "that the voters of Niles township clear him out of township government, so that the Service Township Party can get township government functioning as it was meant to function. Our slate does, in fact, stand for service to the people of this township. We don't stand for the kind of raw political bossism that Nimrod represents. I think the voters will understand on April 5 that the real danger lies not from some mythical County takeover, but from a political boss from within. A vote for the STP slate is a vote against "Boss" Nimrod.

The Service Township slate, headed by Warman and Black, includes Robert Hanrahan, assessor candidate, Michael Linn, collector candidate, and Thomas McElligott, the incumbent Marge Sherman, Anthony Gagliano, and Tim Doron, trustee candidates.

## Glenview Jaycees

The Glenview Jaycees have named Bob Foy and Ed Orlovski co-chairmen of the upcoming First Annual Jaycee Health Fair.

The Fair — whose theme is "Health Preserved is Disease Deferred" — will feature several exhibits from local health-related organizations, and will include tours of the new Glenbrook Hospital facilities. The April 16 Fair will be open from 8 a.m. to 6 p.m. at Glenbrook South High School, Lake and Pfingston, Glenview.

Further information may be obtained by contacting either Mr. Foy (729-4206), or Mr. Orlovski (729-1194).

# MG Chamber plans special program

Morton Grove Chamber of Commerce President Robert R. Eick extends a cordial invitation to all members of business and industry in Morton Grove, both members and non-members, to attend a very special Chamber luncheon meeting on Tuesday, April 12. The meeting will be held in the new Park District Prairie View building, at 6834 Dempster st., and will begin promptly at 12 noon. A delicious buffet luncheon will be served by Robert Tschurtz Catering at a minimal price of \$3 per person including tax and tip.

At this meeting, Chamber members and guests will have the opportunity to see an electrifying new film titled "To Fly". Created as a public service contribution to our nation's Bicentennial era by Continental Oil Co., it is being shown at the Smithsonian Institution's new National Air and Space Museum on one of the largest screens in the world, backed by a six track stereo system. Now the 28 minute film has been transferred to 16 mm. in color and with sound and is being loaned to schools, civic groups and Chambers of Commerce throughout the country, and our Chamber was fortunate to obtain it for showing on April 12.

"To Fly" is a panoramic history of America, expressed in terms of the development of transportation and man's movement across the continent; it is a positive statement about the grandeur of flight, about America, and about the soaring spirit of man. The movie opens with an 1831 balloon ascension in a Vermont village. Thereafter, the viewer is whisked through 145 years and 6,000 miles of the great move westward. He will see a covered wagon loaded with settlers, race in a stagecoach alongside a railroad train in the 1880's, sputter uncertainly in an antique pusher-type airplane skimming jagged rocks along the Pacific Coast, fly wing-tip-to-wing-tip in a formation of Navy jets, hang-slide over peaks in Hawaii, and blast off in a rocket.

We are sure many people will want to join us for this special event. Reservations are a necessity, so that we may be adequately prepared and will have a place set up for you. For your reservations you may call the Chamber office — 965-0330.

## Kids in need need you!!!

Please consider opening your home on a short-term basis to a child in need. Children who live in our area and need short-term placement are now being placed anywhere from Chicago Heights to Wheeling. The program is attempting to keep kids in our community so that they can continue with their schooling and friendships.

Could you find a place in your home for a child whose mother had to go into the hospital and a home was needed where she knew her child would be well cared for and he/she could maintain their school attendance? Would you consider housing a teenager who is having problems at home and a cooling-off period would be helpful to the family, or a high school senior whose parents had to move away and he wanted to graduate from his local school? Willing families are desperately needed to open their homes and their hearts to these children in need, plus many other similar situations.

The agency is KIN, INC. of Niles Township, 9301 Gross Point rd., Skokie, and provides emergency housing for up to 30 days to children of families in crisis. Call Jill Mawhinney, Director, at 679-6410 for more information. Please help them help kids!

## Morton Grove Library Happenings

The Book Discussion Group of the Morton Grove Library will meet on Friday, April 1 at 10 a.m. This is a change of date because of Holy Week. Various book selections of the members will be discussed and new arrivals at the Library will be displayed. Anyone interested is welcome to attend.

Reduce your driving mileage by combining shopping and commuting trips. You'll save gasoline and probably time as well!

## Workshop for deaf children

On April 16-17 the Center on Deafness is sponsoring "A Week-End With Bernard Bragg". This workshop will include a session Saturday, April 16 on "The Role of Non-Verbal Communication in Developing Language Skills in Deaf Children". Sunday, April 17, Mr. Bragg will demonstrate "Theater Techniques for Deaf Children" with the Children's Theatre of the Deaf.

This workshop is a unique opportunity for professionals in theater as well as those involved with deafness to acquire techniques from the foremost deaf actor in the country.

Bernard Bragg is one of the founding members of the National Theatre of the Deaf. He first

became involved with drama at Gallaudet College for the deaf in Washington, D.C. After graduation, he studied mime with Marcel Marceau in Paris and then toured the United States with his one man show. He has performed in colleges, night clubs and on television.

This is one of the many special projects sponsored by the Center on Deafness to promote the creative arts for the hearing impaired. The Illinois Arts Council, a state agency, is partially supporting this workshop through a grant to the Center.

The Center on Deafness is at 600 Waukegan Rd. in Glenview. For more information please call 729-5620. Deaf people may call the Center by TTY at 729-5620.

## Maine Township objects to rezoning

The Maine Township Board of Auditors has formally objected to the proposed rezoning of a parcel of land in the township's unincorporated area from residential to multi-purpose use, Maine Township Supervisor James J. Dowd announced today.

The multi-purpose zoning would permit apartments and commercial development of the property located on Greenwood Avenue north of Dempster. Most of the immediate surrounding area is occupied by single-family homes.

In a letter to the Cook County zoning board, the township listed among its objections the depreciable effect on existing homes,

traffic problems, and concern about adequate police protection.

Township Attorney Roy Bergquist, who attended the zoning hearing at Park Ridge City Hall on March 18, said the township was objecting to the "creeping commercialism" of the township's unincorporated area.

"The area is being overbuilt with apartment and commercial developments," he said, "and, although the township does not have zoning powers under state law, it intends to make its strong objections known to the county zoning board so they will consider the best interests of the local residents."

## NORTRAN elects new officers

NORTRAN (North Suburban Mass Transit District) elected a new slate of officers at its regular monthly meeting.

Elected chairman at the meeting on Wednesday, Feb. 23, was Walter B. Flintrup, trustee from Skokie. The outgoing chairman, Bart T. Murphy, trustee from Niles, will remain as a trustee, after serving a two-year term as chairman.

Murphy received a standing ovation from audience and trustees, and was cited by Flintrup "as a dedicated NORTRAN founding father who has played a key role in the creation and development of NORTRAN."

Howard S. Powell, trustee from Wilmette, was re-elected to the post of vice chairman - DISTRICT. Elected secretary/treasurer was James W. Cotter, trustee from Lincolnwood.

Leonard S. Eisenberg, trustee from Glencoe, was elected vice chairman of the marketing and planning committee. Mrs. Douglas Ebstyn, trustee from Golf, was re-elected to a second term as vice chairman of the rail committee, and Robert L. Benton, trustee from Deerfield, was elected vice chairman of the bus operations committee.

## Glenview Jaycees Health Fair

To help remind area residents that "Health Preserved is Disease Deferred", the Glenview Jaycees are sponsoring their First Annual Health Fair, April 16, at Glenbrook South High School, Lake and Pfingston, Glenview.

The Fair - held in conjunction with the opening of Glenbrook Hospital - will feature exhibits from several health-related organizations, including the American Cancer Society, the Chicago Lung Association, the Society for the Prevention of Blindness, the Diabetes Association, and the Heart Association. Special demonstrations by members of the Glenview Paramedics are planned, as are tours through the new hospital facilities.

The participating associations will be administering tests to help discover potential health problems, plus answering specific questions and distributing free organizational literature.

The Fair will be open from 8 a.m. to 6 p.m., and refreshments will be available. Further information may be obtained from Mr. Robert Foy, 729-4206.

## BJBE Sisterhood

At 8 p.m. on Wednesday, April 6, the featured speaker of the B.J.B.E. Sisterhood meeting will be Helen Gruhn of the Jewish Vocational Service. Her topic will be "Now That I'm Working, Why Don't I Love It?" She will explore job frustrations encountered by working women. The information will be geared toward women thinking of returning to the labor market as well as those already working.

The public is invited to attend the meeting which will be held in the Temple Community Hall, 901 Milwaukee ave., Glenview.

## Centel rep to testify at Senate hearings

Representatives of the nation's independent (non-Bell) telephone companies, including the executive vice president of Central Telephone & Utilities Corp., will appear before Congress this month to testify at Senate hearings on "a major threat to the low cost basic phone service now being provided to consumers."

CTU executive Wilson B. Garnett also will be representing some 1,600 phone companies as president of the U.S. Independent Telephone Association, a national trade group. CTU is the parent corporation of Central Telephone Co. of Illinois.

As principal spokesman for the independent industry, Garnett will testify on recent decisions by the Federal Communications Commission which the industry claims will cause higher rates for residential and small business phone users.

"Last year the whole telephone industry supported the principles

behind the Consumer Communications Reform Act, which nearly 200 Representatives and Senators co-sponsored, to encourage Congress to review national communications policy, said Garnett. "The same legislation has been reintroduced in this Congress and already has over 50 sponsors."

"The telephone companies could successfully meet competition, but to do so we would have to change our pricing structure as each type of customer would be charged according to the costs of providing his type of service. This inevitably would mean higher rates for residential consumers, whose rates purposely have been kept low to meet the objectives of the Communications Act of 1934," said Garnett.

The March Senate communications subcommittee hearings follow three days of House hearings last September into the issue of competition in communications.

## American banker Ernst FNBS Business Trust & Savings Manager

American Banker magazine, leading financial industry trade journal, has ranked Skokie Trust & Savings Bank among the nation's 2,000 largest banks, according to an announcement by LeRoy J. Plaziak, president of the bank.

Plaziak said that the magazine's annual tabulation, which was released nationwide on Mar. 23, is based on the bank's total assets as reported on Dec. 31.

At year-end 1976, Skokie Trust & Savings Bank reported assets of \$76,117,604 compared to \$67,137,353 for the prior year-end. Based on the increase in assets, the bank moved from 1520th to 1456th place in the authoritative tabulation.

In the official announcement from American Banker, Dominick J. Miscione, executive vice president of the publication, congratulated Skokie Trust & Savings Bank officials on a "spectacular advance" in the rankings.

To provide for more efficient purchasing, the 215 million dollar First National Bank of Skokie, now has a Business Manager who will provide a central location for purchasing and supervision of building remodeling.

Mr. Richard Ernst has been in purchasing for industry since his graduation from Loyola in 1966 with Bachelor of Business Administration degree.

## Bank employees honored

Congratulations for years of service are extended to three employees at First National Bank of Morton Grove by bank president Marvin von Aswege (right). Recipients are (l. to r.) vice president Richard Davis, 5 years; teller Helene Alexander, 11 years; and assistant cashier Lucille N. Field, 25 years. Ms. Field joined the bank shortly after it opened Dec. 15, 1951.

## FNBOS now in top 3%

American Banker, the daily newspaper of the Banking Industry, cites the rise of the First National Bank of Skokie past 33 other banks to the position of the 491st largest bank in the country as "spectacular".

The increase of over 58 million dollars in deposits in 2 years is particularly remarkable since the prime community served, Skokie, is one that has not experienced any appreciable growth in either population or industry for over 10 years.

Carroll R. Layman, Vice President of Marketing for the bank attributes the growth to a sincere and conscientious effort on the part of all bank employees and officers to make FNBS the most

convenient bank for all customers in the North and Northwest Suburbs.

Prime examples of this convenience are the AutoTeller drive-in that is open 24 hours a day - every day, and allows customers who have the FNBS Automatic Banking Card to drive in and get cash, make deposits, transfer money from checking to savings or vice-versa, check a balance in their account, and even take out a loan on their FNBS Line-of-Credit account. And, their 4 level parking structure that adjoins the bank and allows customers to walk directly into the bank without a parking or traffic hassle.

## Black Hawk coach at NW Federal

Chicago Black Hawk Coach Bill White will appear in person on Saturday, April 2 at the Irving Park office of North West Federal Savings.

White has been coach of the Black Hawks since December when injuries took him off the active player roster. He has been active in the National Hockey League for the past eleven seasons, eight of them with the Black Hawks.

White's appearance is part of the continuing Sports Parade of Personalities being arranged for fans by veteran sportscaster Bob Elson and North West Federal Savings, 4901 W. Irving Park rd., Chicago.

Elson regularly interviews sports figures on his weekly broadcast from the lobby of North West Federal's Irving Park office every Saturday at noon on radio station WEAW (1330-AM). White will be Elson's guest on April 2 and then will visit with fans and sign autographs.

## Brown receives certified commercial lender status

(Left) Erman G. Kramer, Chairman of the Board and President of the 215 million dollar First National Bank of Skokie, presents the Certified Commercial Lenders Certificate of the American Bankers' Association to Roy J. Brown, Executive Vice President and a director of the bank. Roy is one of only 906 bankers in the country who hold this status.

To attain this recognition, besides years of experience, it is required that you attend the two weeks concentrated study course at the National Commercial Lending School in Norman Oklahoma's University of Oklahoma, and pass exhaustive examinations by a 10 member accreditation board of leading bankers.

Roy J. Brown has been associated with the First National Bank of Skokie for 18 years. He came with the bank as an Assistant Cashier to organize the consumer and installment loan department. He became Executive Vice President in 1974.

The Skokie Bank, 4th largest suburban bank in Illinois, has loan limits of well over a million dollars and Mr. Brown's expertise as a Certified Commercial Lender helps the bank to make loans to business and industry in the Skokie Valley area that extends from the Wisconsin State line well into Chicago proper.

## Home ownership increasingly difficult, S & L official observes

The single family home is increasingly being priced out of the grasp of the average person said a state financial leader over the weekend.

Adam A. Jahns, president of the Illinois Savings and Loan League and managing officer of Cragin Federal Savings and Loan Association of Chicago noted that "less than 40 percent of American families can afford a new home at the national median price."

"And only 20 to 30 percent of our primary home buyers, families between ages 25 and 34, can afford such a house," he said.

"The American dream is not there for everyone. In fact it's not there for many at all, and that has to take a psychological toll that's hard to measure."

Jahns spoke on Sunday (March 13) to an audience of savings and

loan managers at a management conference of the Illinois Savings and Loan League.

In agreement with Adam Jahns, is Skokie Federal Savings president, John R. O'Connell. O'Connell stated that 80% of today's homeowners could not afford to buy the house they now own.

"Something must be done," he stated, "to make the American dream attainable for most people.

Perhaps, more government programs or subsidized loans are the solution but we definitely must keep America properly housed. It's our responsibility as an industry and a nation."

## Free racquetball clinic at Evanston Federal Savings

## Anderson charges opposition with 'blatant hypocrisy'

Charles N. Anderson, Supervisor of Niles Township and a candidate for re-election on the Township Independent Caucus slate, opened the final week of campaigning with a direct charge of "blatant hypocrisy" in his opposition even running in the April 5 election.

"The opposition ticket, headed by Stokian Ed Warman, has an unblemished record of opposing everything township government represents and a clear record of actively working to bring about a takeover of the township by Cook County," Anderson charged.

"Further," said Anderson, "the specific vote by Warman, then an elected member of the Illinois Legislature, has cost the taxpayers millions in additional taxes and lost revenues.

"On the roll call vote of June 27, 1970 to reinstate the Collector as the recipient of taxes locally, Warman voted NO. That vote, combined with the votes of other members of the Chicago and Cook

County machine, ended the annual "windfall" of \$300,000 which was given outright by the Township to local schools to ease their tax burdens," Anderson continued.

"Not content with trying to starve Township government out of existence, four years ago this same group tried to wipe out the Township through a referendum which the voters rejected by a vote of 19,000 to 9,000.

"During the past four years, this group has done everything in its power to hamstring, degrade and confuse the operations of local Township officials with petty charges in the press, ridiculous lawsuits bordering on barratry, and other bizarre behavior," Anderson said.

"During this past year alone, they have actively conspired with the Cook County machine to further enlarge the penetration of the machine into the suburbs through their plan to build a new county building and jail right here

in Skokie," Anderson continued. "Now they come like wolves in sheep's clothing, as candidates for these very offices they have worked so long to destroy. Never has the local voter been presented with so clear a choice. Vote for the Independent Caucus and you will continue local control of your community; vote for STP and you will surrender control of your community forever to the Cook County machine," Anderson concluded.

## Raffe: Awareness Party Mislabeled

Maine Township Clerk Philip Raffe and candidate for re-election today said the name of the opposition slate in the forthcoming township election, the Awareness Party, is a complete misnomer as the candidates are basically unaware of township government powers and activities, and that the slate is dominated by members of the Maine Township Democratic Organization.

"In addition to being mostly democrats under another name, Raffe said they were anything but aware; they do not seem to know the powers or limitations of township government under state law, and only one member of the opposition has ever attended a township meeting.

Raffe said the opposition's candidate for supervisor, the top spot on the ticket, is the president of the Maine Democratic organization; that one candidate for trustee, Santo Bruno, is a member of the organization's board of directors; that a second candidate for trustee, Harriet Sumner, is the democratic precinct captain of precinct 125; and that a third candidate for trustee, Gloria Baltzerson, is a democratic judge of election.

Raffe pointed out that only the supervisor and trustees have voting powers on the township board. Because of this, if the opposition were elected, active democrats would dominate the township's government.

Moreover, Raffe added, both Nick Blase, the democratic committeeman of Maine Township and Congressman Abner Mikva have sent letters to residents of the township asking support for the opposition.

Blase was also quoted in Chicago papers earlier this month calling on the 10th District AFL-CIO to work for democratic candidates in township elections, because township elections are the "guts" of political machinery and democrats in township offices could "knock out the nucleus of local republican organizations."

He also asked the unions to set up telephone banks in Maine Township.

In the campaign, Raffe stated, the opposition claims to have the interests of the residents at heart, but at the same time they stand silent when the Cook County zoning board permits the kind of zoning they allegedly protest.

If they really had the interests of the residents of the unincorporated areas at heart, they would use their influence with the county board, which is dominated by democrats, to prevent the conditions they are using as campaign issues, Raffe added.

# Morton Grove Park Board candidates

## Ron Piper

Tuesday, April 5th, is an important date for the people of Morton Grove. On that day they will have the opportunity to choose a new Park District Commissioner. One of the candidates, Ron Piper of 5839 Madison, is able to offer an indispen-

sible element — experience. For sixteen years Ron has served the Park District in varying capacities and during that time has gained an inside knowledge of the economics and people needed to have an effective Park District. He initiated what have become

Thomas J. Bodkin is acknowledging his name on the plaque as President of the Park Board and announcing his candidacy for the April 5 Park Board election.

He has had the honor of serving as Park Commissioner since 1971, the beginning of the crucial period of park development. Six years ago, Tom stated that, if elected, he "would survey all existing vacant land in Morton Grove and, as funds become available, purchase or rent the land and establish new recreation facilities and programs." The New Prairie View Community Center on Dempster st. is a result

Continuing this enjoyment in dealing with people, Ron has spent over fifteen years with Columbia International, now operating as a special account salesman.

Wife Sandra and daughters Gail, Jill and Lynn all have an active interest in Girl Scouting. The whole family also attends the Morton Grove Community Church.

Experience and a genuine fondness for working with people; important qualifications for a Morton Grove Park District Commissioner.

the most popular men and women's softball leagues in the area along with flag football and basketball programs that have received great praise from those involved. Currently Ron's being on the Morton Grove Youth Commission blends well with his work in the teen room of the new Prairie View Community Center.

## Thomas J. Bodkin

of that promise. His fellow commissioners elected him President of the Board for two consecutive years, spearheading the drive to complete the project for which the majority of Park District residents voted.

Since moving into this village 17 years ago, Tom has taken an interest in all community affairs. He was active in Little League for nine years, serving as an officer and manager, coach and umpire. He was also involved with the Morton Grove Days Committee for seven years, serving as President for two years, the second of which involved preparations for the Diamond Jubilee Celebration. Tom is also a member of the Morton Grove American Legion Post #134 and the Lions Club.

Tom and his wife, Xavier still live in their first home at 8937 Oak Park ave. where they raised their 2 children Tom Jr. and Roberta. For the past 34 years, he has been employed by the U.S. Railroad Retirement Board. Presently, he is the Assistant Director of the Bureau responsible for all railroad employees thruout the country.

If elected, Tom will continue to listen to the requests and needs of the residents for improvement within the Park System. He believes his long experience and civic duties makes his continued service valuable to our Park District.

## Golf Maine judo class

The Golf Maine Park District judo class had 14 representatives compete in an A.A.U. judo tournament in Chicago at the Uptown Dojo School of Judo on Feb. 13. Six of the competitors finished in either first, second, or third place.

There were 110 competitors in six divisions. In the 8 & Under light weight division, Rory Taradash took second place, with Lonnie Starkman finishing third. In the 8 & Under heavy weights, Brian Firth captured first place, with Lowell Mora finishing second and Jeff Tuvil placing third. To complete the medal winning for the park district, Phillip Gordon placed third in the 11 & 12 year old heavy weight division. Others competing in the tournament were Gary Slotnick, Steve Starkman, Scott Baron, Rick Paul, Mike Rubenstein, Shawn McKenzie, Chuck Benkiel, and Mitch Gitelman.

The next session of judo at the Golf Maine Park District will begin on Tuesday, April 5, and run through June 21. Beginning students will meet from 7 until 8 p.m., with the intermediate and advanced students meeting from 8 until 9 p.m. The fee for the twelve week session will be \$22, with a one third reduction for the second child. ## John M. Roddy

John M. Roddy is announcing his candidacy for the April 5 Park Board election. John has served as a Park Commissioner for the past seven years and has worked most capably on the Athletic, Finance, Personnel and Police Committees of the Park District. He has also been active in setting up an Historical Society for the Senior Citizens, was one of the Founders of the Maine-Niles Association Recreation for the Handicapped and was President of the Park Board part of the time the park struggled to obtain the now successful Prairie View Community Center.

He resides at 9446 N. Oriole ave. with his wife Mary and six daughters. John has been a resident of Morton Grove for the past 17 1/2 years.

He served in the Navy during World War II, and is active in American Legion, Morton Grove Post #134. In addition he is a member of the Lions Club, Telephone Pioneers of America, and past member of the Morton Grove Days Committee, where he served as Parade Marshal, Parade Chairman, Director and Vice President. He is also past chairman of the Metro Campaign.

John is employed as a Supervisor of Illinois Bell Telephone Co. and has completed many courses in management and leadership.

Prior to serving on the Morton Grove Park Board, he was a leader in the successful campaign to secure a second swimming pool for Morton Grove.

## Golf Maine Park absentee ballots

Absentee ballots are now available for the April 19 election for two seats that are open on the Board of Commissioners at the Golf Maine Park District. Ballots may be obtained at the park office, 9229 Emerson, Des Plaines.

Residents of the park district will be divided into two precincts on the voting day of April 19. Precinct One will include all residents of the park district living south of Church st. Precinct Two will include all residents of the park district living north of Church st. The polling place for residents living in Precinct One will be the Maine Township Jewish Congregation, 8800 Ballard rd., Des Plaines. Precinct Two voters will cast their ballots at the Mark Twain School, 9401 N. Hamlin, Niles. The polls will be open from 6 a.m. until 6 p.m.

Additional information may be obtained by calling the park office at 297-3000.

program, and all others, will begin on March 21.

For more information on this class, or any other program, please contact the park district at 297-3000, or come in to the office at 9229 Emerson.

## "Evening with Newcombe"

A crowd of more than 1,000 is expected to spend "An Evening With Don Newcombe" on Monday, April 4, at 8 p.m. in the Maine East High School auditorium, according to program coordinator A. C. "Doc" Wilson.

Newcombe, the outstanding major league pitcher of 1956, will speak about his personal experience with alcoholism, its effect on his career and family, and his recovery from the disease.

"Newk" will also talk about the effects of alcohol on professional athletes and young persons, noting that recent surveys show that alcohol is now the number one drug problem among youths.

Newcombe, the first winner of baseball's coveted Cy Young Award, won 17 games and lost only eight when he was named Rookie of the Year in 1949. In his ten-year career in the majors, he won 149 games and lost 90, and pitched in three world series and five all-star games.

His successful battle with alcoholism was the subject of a July 1976 Reader's Digest article, "Don Newcombe's Biggest Win". Other articles about his recovery have appeared in People, Good Housekeeping, Ebony, The New York Times, and the Washington Star.

Wilson said the program is open to all residents of the area and that there is no admission charge.

Wilson said the Newcombe appearance is the result of cooperation between Dr. Richard Short, superintendent of High School District 207; Jack Callaghan, executive director of the Maine Township Council on Alcoholism; the Illinois Dept. of Mental Health and Developmental Disabilities; Illinois Alcoholism and Drug Dependency Organization; the Illinois chapter of the Association of Labor-Management Administrators and Consultants on Alcoholism; and Illinois Alcoholism Counselors Alliance.

Wilson is chairman of the Des Plaines Fire and Police Commission, president of the Illinois Association of Fire and Police Commissions, president of the Chicago Jewelers Association, and past president of the Des Plaines Park District and Des Plaines Optimist Club.

Additional information may be obtained by calling 297-0240.

## Beusse is ability and experience

Walter M. Beusse seeks a return to the Niles Park District Commission position which will be voted on Tuesday, April 19. Walt Beusse proved his abilities during his past six year term 1969-1975 by initiating, promoting and pioneering recreation programs which have been enjoyed and utilized by all Niles residents.

Yes, Walt does have "special interests" as admitted by a fellow

candidate. His main special interest is a first class park district with facilities and programs second to none. During his reign on the Park Board many new programs were initiated such as: (1) Maine-Niles recreation program for the handicapped individuals, (2) free bus service between park district facilities for participants which is now conducted by the Village, (3) T-Ball baseball programs for the tots, (4) Fish Derby in the swimming pools for all ages, (5) softball competition for girls, (6) track and field olympics for boys and girls, (7) ice skating programs not only for boys hockey but for girls figure skating, speed skating and family public sessions, (8) baseball facilities for the Niles Baseball League were expanded and improved to accommodate all participants, (9) basketball, tumbling, gymnastics and floor hockey were introduced upon opening of the gym, (10) golf programs were introduced immediately upon the acquisition of the Tam Golf Course and the facilities were improved, including the remodeling of the club house, (11) the mini golf program as well as many other possible programs were introduced for the Ballard Ice Rink to compliment summer programs to make the facility financially sound, (12) the parking lot was Beusse's first priority to accomplish additional revenue on a full-year basis of activities.

denied but vandalism is a village wide problem.

Niles has its share as noted with the Trident Youth Center which was closed and in other facilities such as schools, public and private. Damage to parked autos is a current problem to be solved. In addition economy type projects were formulated on long range plans in 1974 as indicated in tentative mergers with other park district programs, such as the first negotiations started with Morton Grove in 1975.

Yes, the Park Board had a long range plan as far back as 1972 as admitted by the President of the Niles Park Board and Walt Beusse was instrumental in formulating this plan. However in 1977 with the present park board, a recreation park plan which should have been implemented in 1976-77 is not only extinct, but referendum monies are "resting" instead of "recreating" which is their main purpose. A Park District should be primarily in the recreation business and not in the monetary investing field which it is now doing.

Walt Beusse is an informed park district candidate and a personal visit with any park commissioner is not required as suggested by the president. His attendance at the park district public meetings has been acknowledged and his recommendations and comments are on public record and speak for the special interest of the residents. Walt Beusse contends that the residents will not accept "sweet talk" as a substitute for action.

Remember for an independent service for all residents of Niles, a vote for Walt Beusse is a vote for proven ability and experience.

When your car is stopped on an incline, "hold" it steady with the brake, not with the accelerator. Using the accelerator in this fashion causes needless engine wear and wastes gasoline!

## Arnold and Kosiba pledge independence not isolationism

Isolationism in the past has proved costly for the Niles Park District. Candidates Jeff Arnold and Dan Kosiba feel that this is a gross injustice to the Niles taxpayers. The Park District cannot survive as an island. It cannot provide all necessary services economically if it does not work together with other park districts and particularly with the Village.

We provide services to the same population as the Village government does and both units are taxing the same people. If we do not work together in close cooperation there is always the danger of wasteful duplication. Joint purchasing, reciprocal borrowing of equipment, shared facilities with other park districts and a general spirit of cooperation should be continued and carried out to the fullest extent for the benefit of all Niles residents.

Candidates Jeff Arnold-incumbent candidate and Dan Kosiba-dedicated member of the community, the team to elect for independence not isolationism. Remember to vote April 19.

## Candidate Arnold concerned for senior citizens

Jeff Arnold of 7140 Carol Court is seeking re-election to the Niles Park District Board in elections to be held on April 19. Jeff has served on the board for two years. In these two years he has been Finance Chairman and presently is the Liaison to the Village and Vice President of the Board.

The buses would be made available to the Senior Citizens at a nominal cost, whenever there is not a conflict with a Park District activity. "These are people who have served their community for many years and now find themselves in a difficult situation because of fixed incomes. Providing transportation at a minimal cost is the least we can do to try to alleviate some of this burden", said candidate Arnold.

Jeff Arnold is concerned for all residents of the Niles Park District. He has experience on the board and has shown his ability to work for your benefit.

## Niles Park District

**Girls 12" Softball**  
The Niles Park District will again be sponsoring a 12" softball program this summer for all girls ranging in age from 10-18. If enough interest is shown, teams will be formed and leagues set up. Age categories will be 10 to 12, 13 to 15, and 16 to 18. Games will be played on Tuesdays and Thursdays from 4 to 5:30 p.m. at Grennan Heights beginning May 24. The fee is \$8 for Niles Park District residents (includes tee shirt). Any girls wishing to register for this program may do so now at the Park District office.

**Boys Teen Softball**  
The Niles Park District will again be sponsoring a Teen 16" Softball League for teen age boys. A two-thirds Niles residency requirement must be met by all teams wishing to enter. Anyone wishing further information can contact Phil Yapp or Jim Stamborski at 967-6975 from 3 p.m. to 10 p.m. Monday thru Friday.

Due to the rising costs of bus rentals, one group that has had to cut back on recreational trips has been the Senior Citizens. Jeff Arnold has said that this was a key issue in discussions with the Village regarding the bus purchase. It was agreed that one of

### Niles Park District Easter Party

Come and spend a pleasant Saturday afternoon with Mr. Peter Cottontail! Come and join in the fun at the Niles Park District's Easter Party on Saturday, April 9 at the Grennan Heights Recreation Center. The festivities will begin at 1 p.m. with prizes, games and treats for all. For further information call the Niles Park District at 967-6633.

So hop on over to Grennan Heights and have a great time! Kite Derby.

Try your luck at flying a kite at the Niles Park District's annual Kite Derby.

Just bring your own fantastic flying creation to the Grennan Heights Park on Saturday, April 16 at 1 p.m. The contest is open to all Niles Park District residents. There will be awards presented to the winners in various categories. The rain date is April 23. For further information, call the Niles Park District at 967-6633.

### Wilderness Camp Presentation

The Niles Park District will hold a presentation of its new Adventure Program, Wilderness Camp. A lecture and slide presentation will be held at the Grennan Heights Recreation Center on Tuesday, April 12 at 7:30 p.m.

The Wilderness Camp is a 7 day trip to McChie's Wilderness Camp, Sioux Narrows, Ontario, Canada. Boys and girls 11 to 15 years of age can choose a major area of instruction in rock climbing, back country canoe trip, or fishing, and also choose from a wide variety of scheduled camp activities. This unusual camp offers a challenge to all its campers in accepting responsibility and making decisions.

This free presentation may be the start of an adventure experience that will remain with your child a lifetime!

For further information call 967-6633.

### Women's 12" Slow Pitch League

The Niles Park District will be sponsoring a Women's 12" Slow Pitch Softball League this summer. All games will be played on Monday and Tuesday evenings with rain outs slated for Thursdays. A two-thirds Niles residency requirement must be met by all those teams wishing to enter. For any more information regarding this league contact Phil Yapp or Jim Stamborski at 967-6975 from 3 p.m. to 10 p.m. Monday thru Friday.

### Coed Softball League

The Niles Park District will be sponsoring a 16" Slow Pitch Coed Softball League this summer if enough interest is shown. Anyone wishing more information about this league contact Phil Yapp or Jim Stamborski at 967-6975 from 3 p.m. to 10 p.m. Monday thru Friday.

### High School Basketball

The following are the results of the Niles Park District High School Basketball playoff tournament games played Wednesday evening, March 23, at the Louis Schreiner Gymnasium.

At 6:30, in the semi-final game, the Honey-mooners pulled off the upset of the season as they came from behind to defeat the Seven-Ups 64-62 on a last second basket by John Ginsburg. The Honey-mooners thus advanced to the finals at 9 p.m.

At 7:30 the Sweat Hogs led by Mike Sawkas' 22 points advanced to the finals as they slipped by the J-Webbs 57-52.

At 9 p.m. in the championship game, the lead changed hands a number of times for the first three quarters before the Sweat Hogs finally took charge and went on to defeat the Honey-mooners 65-52 and win the playoff championship.

### DAY CAMP

What are your children going to do this summer? The Niles Park District may have the answer for your child's summer recreation needs! Day Camp registration for the 1977 season will open on Friday, April 1. The camp will be held in three sessions as follows:

Session I - June 20 thru July 8 (3 wks.) at \$45.

Session II - July 11 through July 29 (3 wks.) at \$45.

Session III - August 1 thru August 12 (2 wks.) at \$30. (Non-resident fees are doubled)

Day Camp will meet at Jozwiak Park Monday thru Friday from 9 a.m. to 4 p.m. The program is available for children 6 years old (by September 1, 1977) to 12 years old.

There will be transportation from the park nearest each

camper's home with pick-up between 8 a.m. and 9 a.m. and drop-off between 4 p.m. and 5 p.m.

Daily activities will include: swimming, arts & crafts, sports, games, contests, tournaments and many more. Special activities will include: special events' day, nature hikes, cook-outs, movies, trips miniature golf, and many more. Children must supply their own lunch and the Park District will supply the beverage.

To register fill out the form below and return it with a check or money order to the Niles Park District, 7877 Milwaukee, Niles, Illinois 60648 in person or by mail. NO registration will be accepted by telephone. For further information, call the Niles Park District at 967-6633.

## Riverview nostalgia night

The "Bobs" roller coaster at Riverview Park, the "world's largest amusement park" that closed in 1967, was erected in 1921 and drew about 700,000 riders each season. In the 46 year history of the ride, more than 30 million customers were treated to the thrill of a 60-mile-per-hour ride in an open car.

The "Bobs" and scores of other attractions will be the subject of a city-wide Riverview Night of Nostalgia on Saturday, May 7 at 8 p.m. in the Lane Tech High school auditorium, 2501 W. Addison st., Chicago.

Nostalgia radio host Chuck Schaden is sponsoring the evening of memories about the park

## Circus Troupe on Bozo Show

The Maine East Circus Troupe performed on WGN-TV Bozo's Circus on Wed., March 23, for the third consecutive year. The troupe performed some aerial acts which included a teeter board act and a trapeze solo, along with groups of adagio artists, mini tramp tumblers, and wheeling wonders on unicycles. Girls from the State Gymnastics Championship Team were flipping through some tumbling passes, along with the hilarious Acromaniacs.

Students who performed include Chris Jurica, Joe Katuzienski, Tim Heinz, Glen Marks, David Graff, Dave Domenello, Ross Anzelone, Jeff Davitt, Kim DiPrizio, Julie Norman, Lynn Sullivan, Jean Wescott, Ellen Sullivan, Kelly Walsh, Kathy Boffes, Ellen Barrett, JoAnn Bocconcelli, Kathy Brizzolara, Lori Brusso, Cyndee Graff, Gaby Isola, Sue Kane, Donna Mancini, Nan Mittelstaedt, Elisa Piell, Elaine Spivack, Carmie Stornello, Laura Trojan, and Lauren Yahiro.

That is gone, but not forgotten. Photo historian Charles Wlodarczyk will narrate a program of slides and films about the park's heyday to its closing days. There will also be special guests, exhibits and other memories.

Donation is \$3 per person and seating will be limited to the capacity of the Lane Tech auditorium. Tickets may be purchased at any office of North West Federal Savings in Chicago and suburbs or, by mail, from the Metro-Golden-Memories Shop, at 5120 Irving Park Road, Chicago 60641.

Fair hours are 11:00-5:00 p.m. on Saturday, and 1:00-5:00 p.m. on Sunday. Admission to the Fair is free.

## Northwest Youth Symphony Concert

The Northwest Youth Symphony Orchestra, under the direction of Mr. James Middleton, will present a concert on Saturday, April 9. This concert will feature alumni of the orchestra. The concert will be held at Buffalo Grove High School, 1100 W. Dundee rd. (near the junction of Arlington Heights and Dundee rds.), Buffalo Grove, Ill. Concert time is 8 p.m. Admission to the concert is free!

## "Rock Dance"

On April 1st, the Skokie Youth Commission and the Skokie Park District will present a "Rock Dance" from 7 to 10:30 p.m. at the Devonshire Center, 4400 Grove st.

The bands will be "Interlude" and "Northwest Highway". Admission is free.

For more information call Sue Goldberg, 673-0500, ext. 257.

## Northwest Symphony Concert at Maine East

The Northwest Symphony Orchestra, under the direction of Perry Crafton, will hold the third concert of its twenty-fifth anniversary season on Sunday, April 3 at 7:30 p.m. at the Maine East Auditorium, Dempster and Potter Roads in Park Ridge.

Mr. Crafton and the orchestra will open the program with "Phaeton" a symphonic tone poem composed by Saint-Saens in 1873.

Next, James Wisniewski, a member of the Northwest Symphony Orchestra, will perform the Clarinet Concerto No. 1 in F Minor composed by Carl Maria von Weber in 1811. The Concerto, in three movements, uses the clarinet's full range, tonal variety and technical capability. It is both a show piece for the soloist and a charming piece of music for the listener.

Season tickets for the remaining two concerts - \$3.50 for adults and \$2.00 for students and senior citizens or single tickets, \$3.00 for adults and \$1.50 for students and

senior citizens - may be purchased by calling Savena Gorsline at 824-1279 or Vicki Steinbach at 823-2611. Tickets will also be available at the door. Children under 12 are admitted free if accompanied by an adult.

## Variety Club month

It was a top hat salute as members of the Celebrity Ball committee visited acting Mayor Bilandic's office for proclamation signing ceremonies, designating March 20 thru April 30 as Variety Club Month in Chicago. Governor Thompson also issued a proclamation honoring the Variety Club of Illinois.

The committee, headed by chairman Robert Dachman, 7318 Lowell, Lincolnwood (l-r), "living saint" Jack Sparberg, His Honor, president Bene Stein and co-chairman Robert Flannery, presented Mayor Michael Bilandic with a silk top hat and the first pair of tickets for the 10th annual Celebrity Ball held at the Ritz Carlton, March 25th.

"No man stands so tall as when he stoops to help a child." This is the creed of Variety Clubs, the 20,000 member show business organization who are celebrating their golden anniversary (1927-1977); 50 years of helping children in need.

## Koffler collection exhibit at Oakton

The Koffler Foundation Collection, presenting the work of both established artists and new faces on the Chicago art scene, will be on display at Oakton Community College in Morton Grove from April 11-15.

The Koffler collection has now expanded to the size where it includes accurate representation of many interesting currents in Chicago art. The works of such artists as Roger Brown, Kerig Pope, Miyoko Ito, Sarah Canright, Ed Paschke, and Ray Yoshida are included. The collection is further distinguished in that each piece has been chosen as a complete and central statement of the artist's position.

To gain exposure before a wide audience, the Koffler collection is displayed under the auspices of the Illinois Arts Council.

"How to make your Easter table pretty" ...

Easter comes on Sunday this year. And if you want to make your Easter table pretty and festive and make it the envy of your relatives and friends, do this: hurry over to the First National Bank of Niles, 7100 Oakton, Niles, and get an Oneida stainless steel dinner service for only \$3.95 for a 5-piece setting. You can even get it for free if you deposit \$250 into a new or existing savings account.

Oneida will last a lifetime and you can enjoy it not only Easter but at parties and family gatherings for years to come. This issue of the Bugle contains an ad giving you all the details on how easy it is to obtain this Oneida tableware — but hurry to the First National Bank of Niles because these 5-piece settings are going fast so don't get shut out at the windows.

Easter is coming ... and Sunday, April 10, Jake of Jake's Famous Restaurant of Niles is planning the biggest and best Easter party in his history. Bring the whole family to Jake's Easter party and you'll have a ball. Particularly the kids, for they have the opportunity of picking an egg out of a big Easter basket. If they pick out a red egg, they'll win a shiny new half dollar. And, if the kids pick out a green egg, they'll receive a big silver dollar, compliments of generous Jake. And, of course all the little kids (1 to 12) get a free new toy from Jake's big Treasure Chest.

Jake will also have some large, expensive stuffed animals on display and everyone will receive a ticket upon which they will fill out their name, address and phone. At 9 p.m. Easter evening, the drawing will be held and the lucky winners will take home one of these big, cuddly stuffed animals. (Winners need not be present to win.)

And, for Easter Sunday there'll be "live" entertainment plus the personal appearance of that famous TV character, Chipppo the Clown. And direct from the Playboy Club Jake is having a real live Bunny (the two legged kind). This bunny, I'm sorry to inform the gentry will not be raffled off.

And Jake's Easter menu will have a large variety of traditional Easter favorites: Roast Lamb, Roast Turkey, Baked Ham, Roast Duck and many, many more. These complete Easter dinners, I'm happy to report, will be priced very low. Cheaper, in fact, than you could prepare a comparable complete dinner at home. So, relax Easter Sunday, enjoy the free live entertainment, the prizes and the delicious dinners at Jake's gala Easter Day party. There'll be plenty of free parking in Jake's and the adjacent lot so you'll have no car worries. (In our Senior Citizens' column Jake has a special message for all our golden agers; read it on page 2 of this issue.)

Just for the fun and pleasure of it, this Easter, April 10, make a date with Jake. Jake wishes all a Happy Passover and Easter.

Lots of folks, this Easter, will be hopping over to Arvey's Restaurant, 7041 W. Oakton, Niles. Your hosts, George and Tommy Arvey, will be serving their famous traditional Easter favorites as they've done in years past. In fact, you can enjoy an Easter breakfast at Arvey's and later a big, festive Easter dinner complete with all the trimmings. And, don't forget that delicious, homemade fresh Caesar salad that Arvey's serves free with all dinners 7 days a week.

All the employees (except brave me) of the Bugle evacuated the joint when the village's sirens blew last Monday. Most of the girls wound up in Diane Miller's (our editor) basement in fear of the tornado. When they returned, I said to Diane, "That wasn't so smart huddling in a basement."

"Why?", she asked. "Because suppose instead of a tornado, it was an earthquake," I replied.

See you next week ...

## Recycling Center extends hours

With the critical shortages of energy and resources now at hand, the Niles Township Reclamation Center has extended its hours for the collection of reusable resource.

The Recycling Center's extended hours were prompted by request from the Environmental Protection Agency, labeling the current crisis as an emergency situation which has put an extreme strain on our energy sources. The Center, located at 7929 Austin ave. in Skokie, is now open four days each week with extended hours: Wednesday thru Friday 10 a.m. thru 5 p.m. and Saturday 8 a.m. thru 5 p.m. (closed Sunday thru Tuesday).

It's a known fact that large amounts of energy and natural gas can be conserved by recycling materials compared to manufacturing from raw materials. The energy savings in aluminum alone is 95% and other substantial energy savings can be attained by recycling glass and paper, too!

The Niles Township High Schools' Center accepts glass bottles and jars as well as newspapers, magazines and cans. Students are on hand all day Saturdays to help unload cars. For more information on location or material preparation, please call 966-3800, ext. 416.

## Readers' Theatre season ends

Maine East's Readers' Theatre ended its season Tuesday, March 15, with a performance of "Black Elk Speaks" for the Park Ridge Twentieth Century Club at the Park Ridge Community Church.

The story of "Black Elk Speaks" is a tribute to the American Indian and was directed by Kathy Jordan. The cast included Jo Gootnick, Grace Lammersfeld, Tom Reed, Scott Wagner, and Sally Zeppos.

Along with the story was a humorous interpretation by Claudia Mesch of "Arsenic and Old Lace."

Barb Goodman, as a verse reader, did Lewis Carroll's "Jabberwocky" and "The Walrus and the Carpenter."

Art Lachman was master of ceremonies for the presentation.

Readers' Theatre is in its fifth year at Maine East, and the season runs from November to March. It differs from drama, according to Mr. David Jeffers, Maine East drama department chairman, because there are no costumes, no parts to memorize, and chairs replace an elaborate stage. The reader "interprets" his or her part and reads the script out of a book, using voice to tell the story, hence "Readers' Theatre."

## OCC Starving Artist Fair seeks participants

Artists and craftsmen are invited to apply for space in the fourth annual Starving Artist Arts and Crafts Fair, to be held on the interim campus of Oakton Community College in Morton Grove, Sunday and Monday, May 29-30. (Memorial Day weekend)

The Fair will be limited to original arts and crafts priced under \$25. Last year 125 artists from eight states participated. New entrants must submit slides of their work to be juried by a panel of noted artists and craftsmen. Slides and a completed application form are due by April 11.

This year's Fair will also feature a greatly expanded Children's Art Fair, where children unaccompanied by adults will select arts and crafts priced under \$3.00. There will also be a

## Lutheran General Art exhibitor

Maria Ryndak, Des Plaines, is the artist featured during the month of April in the lobby of Lutheran General Hospital, Park Ridge.

Mrs. Ryndak's display will consist of landscapes, scenery and figures. Many of her ideas for landscapes were taken from the Des Plaines area, including Big Ben Lake and the Des Plaines River.

The lobby exhibit, open to the public without charge, is part of the continuing Art Originale program of Lutheran General's Service League. Artwork is for sale and may be purchased through the Art Originale Office of the Service League Office between 10 a.m. and 4 p.m. weekdays.

## New restaurants at Lincolnwood Hyatt House

"Lincolnwood Hyatt House will have a brand new look, which will be completed without any interruption of our present dining and catering services. The Hotel will have two restaurant facilities with brand new names," announced Jon Carrington, General Manager.

Hyatt Corporation which is world renown for their first class restaurants, lounges, and banquet facilities, will now serve the North Shore community when LHH opens "T.J. Peppercorn's" and "Tessy's" in mid July.

"T.J. Peppercorn's" will feature gourmet foods served in an elegant dining atmosphere while "Tessy's" will be informal early-to-late-hour menu restaurant.

To capture the glamour and excitement of the two new restaurants Hyatt has commissioned Charles Silverman, interior designer from the west coast who is identified with designing many of the Las Vegas hotels and casinos.

Carrington said that LHH is proud to have Chef Peter Heuer as its executive chef of dining and catering. Chef Heuer was brought to the United States by Hyatt Regency Atlanta previously serving as Chef in hotels in France, Germany, Switzerland, and Scotland, gaining a world-wide rep-

utation in the preparation of excellent cuisine.

Barbara Stone, Director of Catering, said that catering requests for private parties, business and convention meetings will continue to be given the Hyatt style of personalized and professional attention.

Lincolnwood Hyatt House created nationwide fanfare when it opened its doors Dec. 1, 1961. The now familiar lavender brick hotel was the first Hyatt Hotel to be built east of the west coast and now is part of 50 Hyatt hotels throughout the United States.

# Oakton Board Candidates

## Stephen J. Loska, Jr.

According to Stephen J. Loska, Jr., candidate for Oakton's District 535 board of trustees: Oakton Community College is a good school, but not good enough. District 535 has the third highest per capita dollar support base. The district includes two of the top ranked high school systems in the state. Satisfaction will not come until we become the best in the state—most efficiently run, most effective educationally and the most attractive to our high school graduates and our total education market.

While Oakton has many programs appealing to a broad spectrum of people, more emphasis needs to be placed at the major source of students—the recent graduates. Though the main objective, but not the only one, is to provide two years of college education close to home, only one in three or four graduates choose Oakton. Our attrition rate in the second year is not good. We retain approximately 25% better than most two year colleges, but hardly an admirable figure.

Oakton needs an accent on excellence to attract more recent graduates and programs which hold students. Excellence can

best be measured by the success our students have in their junior and senior years, and the success in their respective occupations. To date, information available shows our students to be on a par with the average of all state junior college transferees. This is not good enough to gain a reputation for excellence.

An efficiently run college means a respect for, and the effective use of taxpayers money both in broad fiscal planning and in internal operations. The fiscal long range planning has been excellent, but operative control policies and prudence are in need of improvement.

Just one example—an employee credit union has been available since January 1975. Yet since then, \$9,850 has been given as unearned salary advances for up to 8 weeks. For the three years 1976, 75 and 74 the total was \$13,720 of which \$7,900 was advanced to one person. No records could be found for the prior three years though it is known advances were made. Where a control policy does not exist, prudence and judgement is expected.

It is time now, after more than six years of operation to reex-

In support of candidacy for three-year term, Board of Trustees, Oakton Community College.

As one of the citizens of this community who worked hard to establish Oakton Community College, Walter E. Kramer feels an obligation to help the college become an outstanding institution. Therefore, Dr. Kramer has decided to be a candidate for a three-year term on the Board of Trustees of Oakton Community College. He believes that as the cost of attending college increases, more of us will turn to

amine our internal structure educationally and financially for cost effectiveness.

Someone else said it better than I can: "Now with accountability a factor, I contend that boards should keep their hands off the administration, but they should keep their noses in. They should not be involved in doing, but in knowing what is being done. The legal responsibilities placed on boards demand this. They must support, monitor, and give direction" (Mrs. Manfred Doser-Pres. Michigan Community College Association 7/17/75)

This is the essence of democracy—checks and balances.

## Walter E. Kramer

Oakton for the education we desire at a price we can afford. Despite loud protestations to the contrary, our local college does not deliver the caliber of education we have a right to expect. Nor does it enjoy the academic reputation of nearby community colleges. The cost of running a first class college is no greater than that of any other, and, in fact, it will often be less.

Our government has established rigid standards to control the quality of goods sold in our marketplace. In a college, says Dr. Kramer, only the Board of Trustees can set the standards for quality education which the administration must pursue. Students, whether they be senior citizens, adults taking vocational or career courses, unemployed persons seeking job retraining, or college transferees, are at a decided disadvantage if their courses are not equal to those of their peers. The illusion of achievement will rapidly fade as these students step into the business world or continue their education.

Dr. Kramer definitely favors annexation of contiguous North Shore communities to our college district and the creation of satellite branches. Before any of the North Shore communities will consent to annexation, however, he believes we must demonstrate

that our programs will meet their expectations. He states that, "If you agree with my convictions that our college must strive for academic excellence in all areas, then you will vote for me on Saturday, April 9."

Dr. Kramer, who has a Ph.D. in chemistry from Purdue University, is a research chemist for Zenith Radio Corporation. Walter and his wife Marilyn have been residents of Niles for the last 23 years. He has taught chemistry part time at Elmhurst College and also taught the first organic chemistry course at Oakton Community College. His civic activities include:

Member, Board of Education, Niles Elementary School District 71, 1957-1960;

President, Niles Township District 219 Caucus;

Vice-President, Northwest-Suburban Junior College Coordinating Committee, 1963-1965;

Member, Science Curriculum Committee for Niles Township High Schools, 1965-1972;

Education Chairman, Council Technical Societies Council;

Board of Directors, American Chemical Society, Chicago Section;

National Council, American Chemical Society;

President, Chicago Chemists Club, 1974-1975.

#### Walter Kramer for OCC

Dear Editor:

On April 9 voters in Oakton Community College District will have an opportunity to select the members of the governing body of their community college for the next several years. For some time now, I have heard tales of the deteriorating caliber of quality education at OCC — quality education we all expect, and often taken for granted.

One of my neighbors in Niles, Dr. Walter Kramer, is running for a three year term as Trustee, and I strongly commend his name to the voters of our District as a man dedicated to the highest ideals of quality education.

I have known Dr. Kramer for some twenty years and have worked with him on many civic and educational projects. He is an ex-school board member, high-school caucus member, and one who knows the value of a good education.

He is a proven force in our community, a man who has vision and who will guide our college district in the direction of the best in education. He has been both a teacher and a student here; his professional credentials in educational circles are of the highest. He will call the shots as he sees them, and he will not allow our paid college administrators to do his thinking for him.

His election on April 9 will raise the caliber of teaching at OCC for the benefit of all — the day students, the senior citizens using OCC facilities, and the residents of our community who are going back to refresh, renew, or relearn so as to continue being productive and useful members of our community.

I say **Vote for Walter Kramer.**

### MONACEP/TV G.E.D.

Late registration is possible for adults interested in taking the G.E.D. Review course offered by Oakton Community College in conjunction with WTTW-TV, Channel 11.

Students can prepare to take the G.E.D., or high school equivalency exam, through televised courses on Channel 11 and classroom instruction at two locations in the Oakton district.

The 17-week series of G.E.D. review sessions which began on March 19, are broadcast each Saturday from noon-1 p.m. In addition, students can receive the help of teachers from 7:30-9:30 p.m. each week on Tuesdays at Maine East High School, Dempster and Potter, Park Ridge, or on Wednesdays at Niles North High School, 9800 Lawler, Skokie.

Although the G.E.D. exam tests both formal and informal learning experiences in five areas—math, English grammar, literature, social science, and science—no formal high school training is necessary for anyone wishing to take the exam, according to Alexander Kruzel, Director of MONACEP, Oakton's adult and continuing education program.

The fee for the 17-week program is \$36 for residents of Maine and Niles Townships. Residents of neighboring districts should contact their local high school or community college district for chargeback information.

Course materials, costing \$10, will be available at the first class session at either Maine East or Niles West.

# School Board Candidates

## Penny Larson, District 63

Caucus endorsed candidate Penny Larson is seeking a 2nd term on the District 63 School Board. School boards all over Illinois face many critical educational decisions in the near future. The community is well aware of the issues such as declining enrollment which results in reduced financial resources, possible referenda and/or school closings. To resolve these critical problems Penny Larson cites her experience as an important factor in her re-election effort. With the exception of Larry Reiss, Mrs. Larson if elected would be the only District 63 Board member with 3 years of experience.

Penny Larson's expertise lies in the area of school finance. She chaired the district's Finance Committee this past year which investigated many areas of concern including program budgeting, computerization, insurance and salary schedules. Her career is also related to school finance. She is employed as manager of the Finance Dept. of a large Chicago based social service agency which operates 5 special education schools and 6 social service centers.

Penny has been active in monitoring the efforts of the Illinois Office of Education to implement a system of regions. She served as an Illinois Association of School Boards' representative at a Regionalization Seminar in Bloomington last

## District 63 absentee ballots

Absentee ballots will be accepted for East Maine School District #63 until Monday, April 4, 1977 by mail or Thursday, April 7, 1977 in person. You may vote absentee in person at the Educational Service Center, 10150 Dec rd., Des Plaines, Ill. between the hours of 8:30 a.m. and 4:30 p.m. and at the Apollo School, 10100 Dec rd., Des Plaines, Ill. on Wednesday, April 6, 1977 between the hours of 8:30 p.m. and 9:30 p.m.

A person is qualified to vote absentee ballot for the following reasons:

1. Because of physical incapacity, they would be unable to be present at the polls;
2. Because of the tenets of his religion in the observance of a religious holiday causes him to be unable to be present at the polls;
3. They expect to be absent from the county on the day of election due to business, vacation, student or as a result of duties for the United States Service.

If you have any questions, please call Mrs. Patricia Kolvek at 299-1900 during regular office hours.

## George Berger, District 71

"A new face with new ideas" is the motto of George Berger, candidate for election April 9 to the Niles District 71 school board. Berger, of 7837 Nordica, is 41 years old and copy supervisor of the Chicago Sun-Times and Chicago Daily News promotion department. He says he decided to become a candidate because "I was tired of seeing the same names on the board year after year. Some of the board members no longer have children in the school system and that makes me wonder how responsive they be to our students' present needs."

Berger believes District 71 has one of the best school systems in the Chicago area, but is not satisfied. "I think we should always be looking for ways to

Some of Berger's ideas for improve."

improvement are:

\*A high school preparatory program devoted to instructing grade school students on how to study.

\*A program for preparing first to fifth graders for the self-reliance needed for junior high school.

\*More individualized learning.

\*More parent participation.

School involvement is not new to the Berger household. His wife Lorie is presently a member of the elementary school PTA board and has served as room mother in both the South and North Schools. The Berbers have two daughters; a freshman at Niles West and a sixth grader at Niles Elementary North.

## Loyola Academy summer camp

Loyola Academy in Wilmette offers one of the most extensive summer day camp programs on the North Shore for boys and girls from five to twelve years of age. With outstanding indoor and outdoor facilities, the program is never curtailed because of inclement weather. Hot lunches may be purchased by campers in the Loyola cafeteria.

Camp activities feature archery, track wrestling, tetherball, badminton, basketball and softball. Volleyball, floor hockey, ping pong and arts and crafts as well as dance are included in the well-rounded camp program. Swimming is an especially popular activity for campers.

The Loyola day camp runs for eight weeks from June 13 to August 5. Camp sessions run from 10 a.m. to 3 p.m. Monday through Friday. A registered nurse is in attendance.

Fees which include transportation within a limited area are \$375 for eight weeks, \$200 for four weeks and \$120 for two weeks. Further information may be obtained by calling Fred Wright, director of athletics at Loyola Academy and day camp director, at 256-1100, ext. 74.

## Cub Scout Pack 175

"Have skates - will skate" was Pack 175 motto for their family outing to the Ballard Ice Skating Rink Saturday, March 19. However, having skates does not always guarantee that you can skate as was experienced by some mommies and dads as they tried to compete with their kids! Even though many went home with bumps, bruises and sore muscles, great fun was had by all! Skating is such a fun sport and one that can be enjoyed by the entire family. Mrs. Casacchia, who is the Pack's Activities Chairman, did another great job organizing the skating event.

At the Pack's Annual Blue and Gold Dinner of February 27, the following scouts received awards and merit badges:

Wolf Badges: Alan Ochab, John Zawislak, William Martin, Chris Rizzo and David Pavkovic.

Bear Badges: Michael Beftink, Daniel Di Maria and Alek Jablonski.

Bobcat Badges: Todd Lantz, Boniface Allocco.

Gold and Silver Arrow Points: Alan Ochab, Anthony Gloriana, Michael Beftink, Alek Jablonski, Michael Strozewski, Robert Majerowski and Tony Gloriana.

Michael Nicholas received awards for traveler, scholar and Webelos Badge; Steven Pavkovic for traveler, geologist; Robert

Kimmeth - engineer; Robert Motyka - sportsman, showman, scholar, archery; and Mark Gawronski - sportsman.

## Cub Pack 62

Cub Pack 62 held its annual Blue and Gold Dinner on Feb. 20 at the Niles Recreation Center. The program consisted of a delicious dinner, awards, recognition of leaders, a skit, and a graduation ceremony into Troop 62.

Bear badges were presented to Steve Roggeman, Kenny Koek, Tommy Nicklas, Billy Hayes.

Wolf badge was presented to Richard Purvy.

Silver and Gold arrows were given to the following Cub Scouts: Steve Roggeman, Carmello LaGuidice, Sammy LaGuidice, Charles Chaiyarachta, Richard Purvy, Scot Neukirch, David Rolf, Kenny Koek.

Webelos awards were given to the following: Ian Erdos, Artist, Citizen, Showman; David Kobyleski, Craftsman; Jim Obermann, Craftsman, Scientist, Traveler, Naturalist, Engineer; Jeff Quitko, Craftsman, Scientist, Citizen; Steve Beegun, Citizen; John Brocar, Citizen; Brian Alexander, Citizen; Steve Davidson, Craftsman.

Year pins were presented to Terry Carbonara (2), Alice Obermann (1), Delores Urgo (1), Jeff Urgo (2).

In addition to receiving his Arrow of Light award, David Kobyleski was graduated into Troop 62.

A word of thanks to Mr. Terry Carbonara who left as assistant Cub Master for his great dedication and help in Cub Pack 62. It was a very pleasant afternoon enjoyed by the Cub Scouts, their parents, and all who attended, showing that scouting is really a family affair.

## Cub Scout Pack 273

On Feb. 12 five boys from Pack 273 braved the sleet and rain to compete in the Thunderbird Klondike Derby.

The boys started in January building their sled and gathering the necessary equipment. After the check in at Camp Alphonse and equipment inspection, the boys cooked lunch. After lunch the competition started. The Cub Scouts followed marked trails, used their hand-made "phasers", ran a race with their sled, and worked together as a team in other events. The five boys earned enough points for a second place ribbon for the pack.

Shown above (l-r) are: John Schmitt, Art Silverman, Eric Klein, Ron Russo, Brian Nachowicz.

## Junior Troop 602

Girl Scouts of Troop 602 planned a very busy schedule in the coming months: February 1 there was Ice Skating at Grennen Heights Park, then on February 12 was Mother-Daughter Luncheon at The Cousin's Place with Jeanine Rendina receiving the Puella Marial Medal and all girls received badges for their hard work from their Leader and Co-leaders. Also on February 19 the girls and leader went to Harper College in Palatine for International Day Show, and on February 21 the girls enjoyed themselves at Tabby's Dance Studio for lessons and all had a good time.

# Morton Grove to acquire new emergency vehicle

A further enlargement of the Morton Grove Paramedic Program became a reality this week as the village's Police and Fire Committee, headed by Trustee Karl Oestreich and the village board directed Fire Chief Fred Husher to advertise for bids on another vehicle for the department.

"Morton Grove is the acknowledged leader in developing the Paramedic Program," commented Oestreich, "and this new vehicle will enable our Fire Department to meet any emergency," Oestreich said.

Part of the cost will be borne by an outside grant, part by contributions from local businessmen and Chamber of Commerce re-

sources and balance from village funds. In response to a question whether the money was available, Trustee Hilkin assured the board the village could meet its share.

Mayor Herbert F. Houndt praised the Fire Department for its outstanding performance in this area and noted the new program in which all new firemen will receive paramedic training as a part of their training will be rewarded with an extra sum on their pay checks for this added skill.

The Mayor noted that the village has kept abreast of needs in all departments, pointing to the modern fire fighting equipment, regularly rotated police equipment and the specialized equip-

ment purchased over the past few years for the public works department.

He noted that one of the reasons the public works department functions well is that they are able to concentrate on specific services to the public in sewer, water, street maintenance as well as forestry and other services.

"We are particularly fortunate not to be burdened down by a large fleet of aging garbage trucks as is the case with many villages. We have been able to secure outstanding service from private companies at low prices, lower in fact than every single village which attempts to do the job with their own personnel and equipment.

# Overflow crowd at Action Party meeting

An overflow crowd of over 400 people filled the reception room at the Morton Grove Action Party's "Meet The Candidates" afternoon social at the Morton House on March 20.

Action Party candidates for village office: Richard Filckinger, for Village President; Jerry Schuhrke, for Village Clerk; and Neil Cashman, Joan Dechert, and Don Snider, for Village Trustees, introduced themselves to Morton Grove residents and discussed their views of local issues of importance in

the upcoming village election to be held on April 19. As part of the scheduled program, several prizes were awarded to Action Party well-wishers. Among them were: Bee Cullotta of Morton Grove, who won a television set, holding ticket #455; Harold Berkowitz of Chicago, who won a matched set of golf clubs, holding ticket #173; and Mr. and Mrs. Walter Olszowka of Morton Grove, who won a trip to Las Vegas, holding ticket #527.

# Grade schoolers poster contest

Third, fourth and fifth grade students representing nearly 1,700 elementary schools in northern Illinois have been invited to create posters illustrating their ideas on why natural gas supply is important to them.

The poster competition, sponsored by Northern Illinois Gas, will culminate with the naming of a grand prize winner, as well as winners from each of the utility's thirteen operating areas. NI-Gas seeks the students' impressions each year in an effort to introduce them to the world of natural gas energy.

Informational packets to aid students are being mailed to schools in NI-Gas' service area. Judging will be based on creativity, originality, message and neatness.

Following announcement of the winning entries May 17, all winners, their parents and teachers will be guests of NI-Gas at an awards banquet.

# Roosevelt alumni basketball game

There will be an alumni senior basketball game on April 1, 1977 at 7:30 p.m. in the boys' gym at Roosevelt High School, 3436 W. Wilson ave., Chicago.

To all the alumni who reminisce about the "old days", this will be a great opportunity to renew old acquaintances and see what happened to your high school buddies.

Admission will be \$1 and tickets will be available at the St. Louis ave. door or by calling Coach Manny Weincord at KE 9-0211 during school hours.

This event is part of a celebration of the 50th anniversary of Roosevelt High School. There will be basketball stars of the 40's, 50's and 60's there and it promises to be a fun-filled evening.

"Of the remaining (33) municipalities there may be some who are interested and can't put the (filing costs) money together or they're not interested"....and I'm sure there are some who are not interested in legal action," commented Blase.

Oak Lawn, the largest single municipal purchaser of Chicago water is one suburb not interested. Village officials say they're convinced the suit will not be successful, adding they do not wish to jeopardize the service and co-operation the suburb has with Chicago. Oak Lawn provides water to residents in Palos Hills, Chicago Ridge, Bridgeview, Oak Forest and Tinley Park in addition to 60,000 water users in Oak Lawn.

Blase has spearheaded a council of 9 mayors appointed last December to investigate legal action against Chicago to reduce water payments. Suburban mayors claimed the latest water hike held hidden costs which were not connected to supplying water.

The Niles Mayor said Saturday there is no price on the lawsuit - "The demand is going to be for a minimum 35% overall reduction of present water rates."

Since the Chicago water hike is retroactive to January 1, Niles water bills are being "paid under protest." Successful legal action will finalize in decreasing Niles Water rates according to village officials.

Niles trustees in February approved an amendment to the Village Water Code which increased rates from 84 cents to \$1.05 per thousand gallons, the increase to be reflected in March water bills to residents for December, January and February.

McClory said that over the years, he has found this to be an important contribution to proper conduct of local elections. "I think the voter has a right to expect the persons who work in the polls on election day to be well trained and professional in their work."

McClory has invited Al Smedley, the most experienced and knowledgeable election expert in Cook County to help conduct the training session.

# Action Party criticizes village's "sloppy sales procedures"

"The recent action by the Morton Grove Village Board to try to remedy its sloppy sales procedures of village property is a feeble attempt to close the barn door after the horse has escaped," declared Action Party Trustee candidate Neil Cashman, Joan Dechert, and Don Snider, in a joint statement.

Cashman, referred to the questionable arrangement for purchase by Herbert Houndt of village owned automobiles at bargain prices. Payment for subsequent repairs of these vehicles had been made by the Village of Morton Grove despite the understanding by other purchasers that such cars are purchased without warranty. Village repair of other private automobiles owned by members of the Board had also been made without charge to them. Cashman stated, "No sleight of hand gestures of tokenism reform measures can successfully cover up the fact that members of that Board used their

positions to get personal benefits for themselves at village expense - benefits they knew they had no right to receive - benefits that were not available to any other citizens of Morton Grove."

Dechert added, "Now, in addition to all of the revelations of improper behavior, financial mismanagement, and extravagance by these same Board members, they arrogantly continued last week to further line their pockets by proposing a 15 cents per mile automobile expense allowance for village officials. The mileage allowance is in addition to the hundreds of dollars already budgeted by them for expenses and paid for by Morton Grove taxpayers."

Snider continued, "While no one objects to reasonable compensation for the use of a car for legitimate village business, this new appropriation is nothing more than an unabashed connivance by these so-called public servants to make a profit off of the

village. Private industry and even the Internal Revenue Service allow only a single 15 cents per mile charge to cover auto expenses. Morton Grove should not be compelled to bear the burden for greedy officeholders of the 15 cents mileage surcharge in addition to the very generous basic expense allowances they have been getting."

Cashman, Dechert and Snider concluded, "This is one more example of the outrageous spending policy of the incumbent Village Board that must not be permitted to continue. It is one which will be reversed by us when the voters of Morton Grove show they've had enough on April 19."

# NDHS students visit ND university

Eighteen Notre Dame High School (Niles) students travelled to Notre Dame University on March 14 for a leadership workshop using the facilities of St. Joseph Hall and Our Lady of Fatima Retreat House on the campus. They are members of the Cross and Anchor Club, a service organization founded in 1956 by Rev. Joseph Stroot, CSC, Father Stroot, who has been at NDHS since it opened in 1955, also took part in the program. Rev. James Blaes, CSC, of NDHS also took part in the program. The discussions were under the direction of Rev. Thomas McNally, CSC, of the University faculty. Time was also given over to recreation and tours of the campus. All returned on the evening of March 15. The eight seniors who took part were Jeff Banas of Glenview, Phil Boyle and Orest Dutko of Niles, Ed Fitzgerald and Bob Needham of Chicago, Bill Paton of Niles, Jerry Podczanski of Chicago, and Tony Piazzi of Niles. The five juniors were John Gattorna of Niles, Jeff Lisowski of Glenview, Dave Plambeck of Niles, Jeff Seymour of Skokie, and Mark Swanson of Morton Grove. The five sophomores were Pat Burke of Skokie, Steve Detzner of Des Plaines, Nestor Dutko of Niles, John K. O'Brien of Evanston, and George Panateri of Skokie.

recent months, his lack of security with a board which is not sympathetic toward him bodes uncertainty for his future. In recent years before the election, former boards extended his contract for 3 years. This year it did not happen. He is now riding on the remaining 2 years of last year's 3 year contract.

Board-superintendent and teacher-administration problems were highlighted as the most critical problems in the district, by the recent Warner report. The outside agency's conclusions were echoes of complaints by board members and teachers. And while we do not view the report as being significant, board members are likely to use it as confirmation of their own feelings toward Dr. Gogo. And seeing them in print, reported by an agency which they reported to, seems to us much ado about nothing. But it is likely to push the exit door a bit wider for the superintendent.

While the anti-superintendent forces on the board will support their candidates of a like mind, the teachers' association in the district will also exercise its own political clout. While teachers living in the school district certainly have a right to actively participate in the election, we question the efforts of the teachers' union. Last year the president of the union said no such action would occur but her remarks were not too candid since there was union participation. Since the teachers' group has strong anti-Gogo feelings, you can expect them to push for the same candidates as the liberal majority board members favor. Such a combination insures the election of their candidates.

At the League of Women Voters candidates' meeting last week, incumbent mayor candidate Herb Houndt told a Morton Grove audience he did not consider having his car repaired by the Public Works Department as being unusual. It had been reported Houndt had more than \$300 worth of air conditioning work done on his private car. He noted congressmen get many fringe benefits, including many trips back and forth from Washington, which are paid for by taxpayers. He contended he seldom spends a night at home during weeknights, attending dinners and meetings which take up a great deal of his time. The implication is he does a great deal of work on behalf of the community which he is not compensated for and having the fringe benefit of the car repair is blown out of proportion.

His fellow-candidate Karl Oestreich defended the appropriation for a retirement fund for village trustees. While he admitted the appropriation was approved, he said MG officials have not approved any such pension.

A third issue concerns a village manager. Oestreich said he personally favors the hiring of a village manager while opposition candidate Neil Cashman said he was opposed to any such action. In both cases the men were speaking personally and did not necessarily reflect the opinions of their fellow-candidates.
