## Niles groups seek Festival funds

by Alice M. Bobula

Eleven Niles organizations came before the Niles Days Committee Monday, April 4 asking a total \$13,640 of the 1977 Festival Days receipts.

The '77 Days must net \$21,140 to cover an additional \$7,500 voted earlier by resolution of the Niles Days Committee to fund a July 4th parade and fireworks display.

Fund requests, varied in amounts and purpose, were:

- Senior Citizens Club of Niles, \$1,500 for entertainment and busing of 135 members on 7 to 8 outings during the year.
- St. John Brebeuf Golden Age Club, \$2,000 for bused outings and social, cultural and educational programs for its 100 members, one-third of which are also members of the Senior Citizens Club.
- Niles Baseball League, \$2,400 for purchase of uniforms for 700 boys.
- Niles Jaycees, \$1,000 to sponsor two mentally retarded children, ages 10 to 25 years to a Lake Mattoon, Ill. summer Jaycee camp.
- Knights of Columbus, \$155 for purchase of a refrigerator to hold refreshments for 28 members of a Special Religious Education (SPRED) group at St. John Brebeuf Church.
- Boy Scouts of America, \$200 for training of den mothers and leaders, equipment and camping supplies for 16 Webelos, Cub Pack 62.
- Camp Fire Girls, \$100 to cover costs of May Day flower arrangements for the elderly and shut-ins.
- Niles Art Guild, \$900 to cover costs of programs and demonstrations for the 60-member group meetings open to all residents of Niles.
- Girl Scout Council, \$515 for films and educational materials, program budget and day camp costs.
- Northwest Italian-American Society, \$2,200 to bring Christ-

# OCC Board to review courses

## From the Left Hand

By David Besser  
Editor & Publisher

Our liberal and conservative instincts often clash when it comes to spending public moneys. During the 1960's we were part of that large group which gave blank checks to public bodies to build schools, libraries, village halls and police and fire department buildings with carte blanche privileges. But in the mid-seventies we joined with most of our brethren by asking these same people to hold the line on public building spending.

The building of Maine North High School and its subsequent addition was a classic example of misappropriated money. The unnecessary addition of Apollo School for administration offices was a second example of carelessly using the public's money. And we have long asked why Oakton College didn't adjust to the '70's by purchasing either Maine North or Niles East rather than spending money for its new campus.

The latest request for more spending now comes from Niles Library Board. It seeks to increase its present Oakton Street facility by 50% and purchase a row of stores on Milwaukee Avenue (Shopper's Walk) for a reported \$550,000.

Looking back on past library board actions, this may be another classic example of compounding its original error. When the library building was built across from Niles Public School South, we voiced objections to it, contending it was poorly located for most of the community. Our good friend, Clarence Culver, who serves on the library board and as superintendent of the school across the street, undoubtedly believed this location was most advantageous for his own school district. But since the district only comprises about 10%-15% of the entire community, it seemed most taxpayers were not being as well served as Culver's school district friends. It was our opinion then the library should have been closer to Milwaukee Avenue and farther north, enabling the greater number of young people to be able to walk to the library without crossing major intersections.

Having enlarged the library district beyond the village limits, the board feels the unincorporated area residents should have a more convenient facility, owned by the library district.

The Shopper's Walk complex will cost \$550,000. Library president Martin Hodes said it is \$50,000 less than the

On Friday, April 22, the Cook County Circuit Court resolved two important legal matters affecting Oakton Community College. In his decision, Judge L. Sheldon Brown determined that Community College District 540 (new North Shore District) was no longer in existence in any sense. As a result, the chargeback fees owed to Oakton by High School District 203 will be paid to the college. These funds are now in an escrow account. In addition, the Illinois Community College Board will proceed with action on the requests by the Evanston High School District (202), the

New Trier High School District (203); and the Glenbrook High School District (225) to annex to the Oakton District.

Reflection on these changes, Mr. Paul Gilson, Oakton Trustee Chairman, stated that the college would seek to respond to the neighboring districts who have requested annexation to Oakton in providing services as early as possible. "It is my hope that some course offerings can be made available during Fall Semester 1977 using facilities in one or more of these high school districts. I am requesting that the

# Europe Comes to Niles During Mayfest at Oak Mill Mall

The new charter air fares may have brought the Continent closer to your doorsteps, but if a European vacation is still slightly beyond your budget, a visit to Oak Mill Mall may be in order.

The popular glass enclosed marketplace at Milwaukee Avenue and Oakton Street in Niles is noted for its European Village of authentic old-world shops featuring the crafts and specialties of Germany, Poland, Austria and other countries. But if you think Oak Mill has an international flavor now, wait until you see what the participating merchants

have lined up for their spectacular Mayfest, May 6 through the 8th. An estimated 12,000 persons are expected to attend the 3-day celebration, which has been in the planning stage for over four months. All the preparations will come to fruition at 6:30 p.m. Friday, when the Polidors, a well-known Oktoberfest style combo, strike up the music that starts the dancing, international shopping and just plain frolicking. The oom-pah-pah of a Bavarian band is as legendary in American folklore as it is in its German heritage. But what good

is a spirited old-world concert without a hearty stein to round out the enjoyment? So amid performances by the Polidors, and the Oak Mill "villagers" in their festive Oktoberfest costumes, visitors can find respite and refreshment in the mall's Munich-like Beer Garden. A brau or soft drink along with a weinerwurst should provide just the right taste of anticipation for the festivities to follow.

For those with a slightly sweeter tooth, Somenek's Pastry Shop will provide a gourmet selection of fresh-baked Euro-

pean cakes, fancy cookies, tortes and other specialties. If ice cream's your dish, Maloney's Great American Ice Cream Parlor with its nostalgic decor is only a few steps away.

Through it all, informality will be the order of the day as participating merchants showcase their wares and special attractions and make you stroll through the mall seem like a world shopping tour -- at bargain rates.

While a flotilla of kites from around the world wave a warm hello, the theme of the event is perhaps best captured in the European Import and Gift Shop's display of M.I.Himmel figurines and other ceramic, porcelain, glass and plastic creations from the famed W. Goebel collection.

The Himmel display is only one of the many stopping points that make the Oak Mill Mayfest a true family affair. Other "goodies" include imported candies, rare foreign language magazines and books, unique greeting cards of many nations, dirndls, museum-quality paintings, European-inspired ladies wear, eyewear, jewelry, furs, footwear, Continental hair styling, bath goods, travel services, home electronics -- even Black Forest cuckoo clocks -- all at special Mayfest prices.

Saturday will feature songs by the German American Choir, Kinderchor, at 1 p.m. Another weekend treat will be leather craftsman, Barry Olken, who will demonstrate the art of designing and carving leather belts, bracelets, key chains, etc. He'll appear Saturday and Sunday at the

Monkey Boutique in the mall. A slap, bump and kick dance highlights Sunday activities as the Bavarian Slap Dancers in their jaunty leather short pants provide entertainment at 2 p.m. Better bring the camera for this one.

Whatever the weather, you can forget the umbrellas because it all happens indoors, in air-conditioned comfort. Rain or shine, some lucky member of the crowd will also "Win a trip to Switzerland for Mom". Through the courtesy of Kobelt Travel, the Oak Mill Mall merchants have arranged to give away a round trip jet ticket via Balair Airlines to Zurich, Switzerland. Visitors may enter the Swiss Sweepstakes at any of the participating merchants. Among the other prizes to be awarded are: An 8-day Swiss Alarm Clock, an elegant framed wall mirror, a custom designed dirndl evening dress; a Holly Hobby Tea Set, custom oil paints, pastries, crystal and many other prizes. Winners need not be present for the drawing, but all entrants must be present to enjoy the fun of Oak Mill Mall's first indoor Mayfest at Oakton and Milwaukee in Niles.

Shown above is Dirndl designer Olga Lingner previewing one of her creations to be displayed at the European Boutique during the three day Mayfest at Oak Mill Mill.

## Maine West to hold blood drive

Students seventeen years of age and older and faculty members of Maine West High School are eligible to participate in the school's Blood Drive to be held Tuesday, May 10, from 8AM to 4PM. Mr. Harold Connell is acting as Chairman of the Annual Blood Drive. Blood donated that day will be credited to the 4% community participation needed to maintain SureBlood coverage for all residents of Des Plaines. The North Suburban Blood Center, which administers the Sure-Blood program which covers Des Plaines and 19 other north and northwest suburbs, supplies all blood needed to Holy Family Hospital and 9 other area hospitals.

Area residents are encouraged to support the Des Plaines Sure Blood program by donating blood at the Maine West High School Blood Drive. To schedule an appointment call Mr. Connell at 827-6176, Ext. 320. Individuals who are not residents of Des Plaines who wish to donate blood will receive unlimited blood replacement anywhere in the United States for a year for themselves and their families.

## MG Library Board president cites lack of coverage

Dear Sir: I am disturbed at the lack of news coverage on the recent library board election in Morton Grove.

The election was a contest among three candidates for 2 board positions. It was very gratifying that the incumbent, Elinor Dahmer, polled more votes than the leading candidates for the village board. It showed that the residents of Morton Grove were not only interested in the activities of the local Public Library but very appreciative of the excellent job being done by Mrs. Dahmer in the performance of her duties not only as a Morton Grove library board director but also as an officer of the North Suburban Library System board which coordinates the interlibrary

programs of over 40 libraries in the northeastern corner of the state.

Let's give credit where credit is due and not only recognize the efforts of citizens working for community betterment but also encourage greater involvement of other residents in such programs by giving due recognition.

Sincerely yours,  
Paul Z. Anthony, President  
Morton Grove Board  
of Library Directors

Editor's Note: It is customary for candidates to contact the newspapers and notify them of the candidacy and eligibility for the office they seek to fill. This publication never heard from any of the Morton Grove Library Board candidates.

## Workshop on small business

"How To Start Your Own Business" an all-day workshop at Oakton Community College, will be held from 9:30 a.m.-4 p.m. on Saturday, May 14.

Participants in this MONACEP program will discover if they have business organizational abilities, learn helpful hints on how to select a business, review private and public resources which can build a business, and meet other

aspiring entrepreneurs. Those attending will also play the "Game of Chance" which stimulates the steps to be taken in starting a business.

The fee for the day is \$20 for both residents and non-residents of Maine and Niles Townships. MONACEP is the adult and continuing education program of Oakton Community College.

For further information, call MONACEP at 967-5821.

## St. John Brebeuf Warriors open season

Impervious to the cold, St. John Brebeuf Warriors soundly trounced their opponents in the opening game of the softball season. Both girls and boys teams of Our Lady of Perpetual Help succumbed to the superior batting and fielding of the Warriors. Coach Dan Kosiba fielded two excellent softball teams.

First inning jitters were apparent in both games, but as the teams regained composure the Warriors settled into three high scoring innings and faced little retaliation. The boys final score was 16-3 and the girls 13-8.

The pitching of Pam Sparkowski kept the opposing batters at bay. Mary Klansnic at first base was responsible for securing the putouts on rapid fire throws from Mary Ellen Smith at shortstop and Mary Lee Berresheim at third. Kim Drehobl and Mary Jo Cannizzo rounded out the stellar infield.

Sue Teschner left field, Kathy Murphy center, and Marge Magnuson right field were the starting outfielders and Karen Haywood completed the battery as catcher.

Kathy Maher, unfortunately, sustained an injury during practice and was unable to play and may be out of the lineup for most of the season.

The heavy hitting of Sue Teschner, Mary Ellen Smith and Kathy Murphy was responsible for many runs. It was the fleet feeters can in effect hire their own bosses, an investigation should now be made by an outside committee into the procedures used during the past election.

The integrity of Oakton and the entire community is at stake.

Roz Evans

footwork on the bases and the heavy hitting that disorganized the Our Lady of Perpetual Help infield and led to victory.

Kevin McCarthy, Jim Les, Jim Sherwood, Dan Pawlowski, and Kevin Walter played heads up infield defense after the opening innings. Pete Leddy, Jim Hafer, and Tim Patton played left, center, and right field respectively. Brian Borrelli and Mike Bush were the battery with Phil Zangara relieving in the fourth.

A big second and third inning at bat with homers by Leddy and Hafer aided the offense and secured a comfortable lead.

With good defense, strong hitting, and alert base running, the Warriors show promise of a good season under Coach Dan Kosiba.

The Warriors second test of the year was victorious for the boys but disappointing for the girls. The SJB boys threw together 18 hits and 21 runs against an outmaned St. Juliana team. The final tally was SJB 21, Juliana 0. Hitting stars were Jim Hafer and Kevin Walter with 3 for 5 and Steve Furmanski and Kevin McCarthy with 3 for 4.

Brian Borelli smashed 2 home runs with Pete Leddy also contributing with a four bagger.

Jim Sherwood, Jim Les and Dan Pawlowski complimented the hitting barrage with super defensive efforts holding St. Juliana to an unheard of no runs in seven innings of softball.

Phil Zangara came in relief on the mound for the last 3 innings giving up no runs on 1 hit.

Mike Bush and Tim Olson split the 5th position in the batting order and came thru with 3 for 5.

This victory gave the SJB 'A' team boys 2 wins and 0 losses.

The Warriorettes of St. John fell short in their effort against St. Juliana 4 to 2.

Pam Sparkowski SJB pitcher allowed St. Juliana only 4 hits and 4 runs. But the problem was that the Warriorettes bats were silent until the last inning and could only muster up 2 runs on 4 hits.

Mary Ellen Smith, Kathy Murphy and Sue Teschner all sparkled on defense in SJB's 1st loss of the year.

Game #3 of the season pitted the Warriors against defending league champions St. Edwards.

In the boys game St. Ed's jumped to an early 11 run lead. However, behind the clutch hitting of Pete Leddy, Kevin Walters, Kevin McCarthy, Tim Patton, Jim Hafer and Brian Borelli, the Warriors came back with 4 runs in the 4th inning, 1 run in the 5th inning and closed out with 6 runs in the final inning to fall short by a 14 to 12 tally. The loss brought the SJB boys to a 2 and 1 record.

The girls contest saw 37 runs being scored with SJB coming out on top 19 to 18. Pam Sparkowski and Marge Magnuson each collected 4 hits with Mary Klansnic and Mary Lee Berresheim smashing 3 hits apiece.

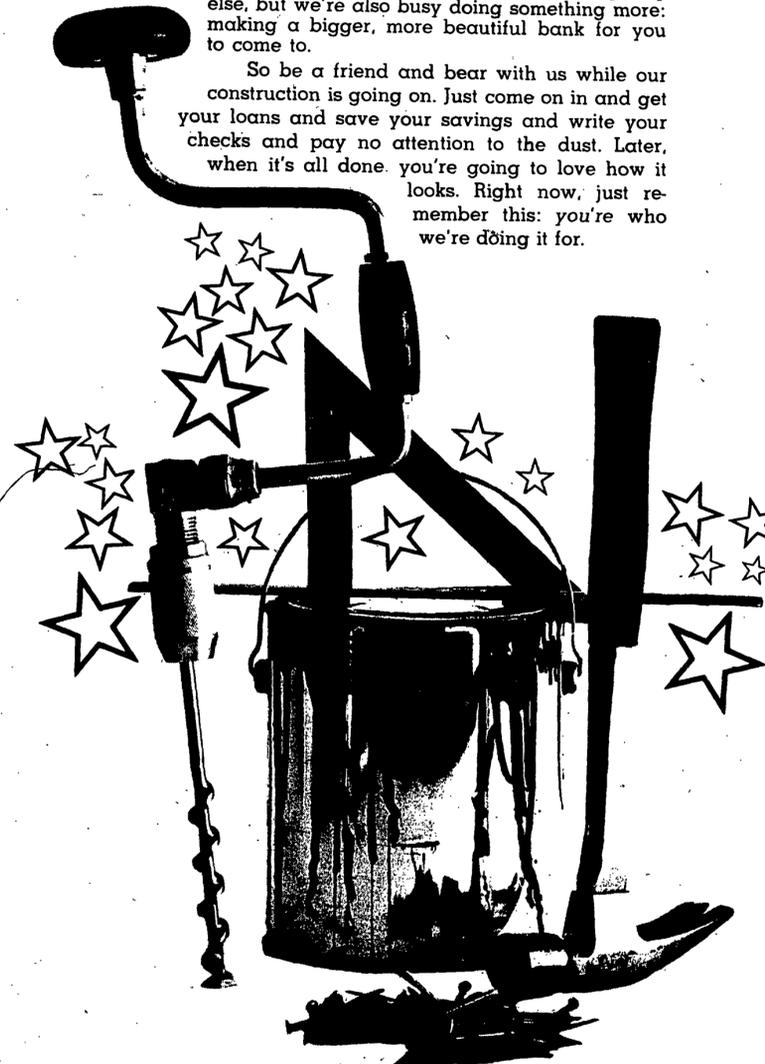

The Warriorettes went into the last inning down 18 to 17. Kim Drehobl led off with a fly out to left field. Kathlynn Eshoo started the ball rolling for SJB with a single up the middle followed by another clutch single by Kathy Murphy. The stage was set for some heroics and SJB pitcher Pam Sparkowski came thru with a clutch double scoring the tying and winning runs.

The win made the Warriorettes 2 and 1 for the season.

# What Does Our Bank Have That Your Bank Doesn't?

Dust. Tools. Nails. Sawdust. And spirit.  
How many banks can give you all that?  
We're busy doing banking like everybody else, but we're also busy doing something more: making a bigger, more beautiful bank for you to come to.

So be a friend and bear with us while our construction is going on. Just come on in and get your loans and save your savings and write your checks and pay no attention to the dust. Later, when it's all done, you're going to love how it looks. Right now, just remember this: you're who we're doing it for.

# LGH breaks ground for community auditorium

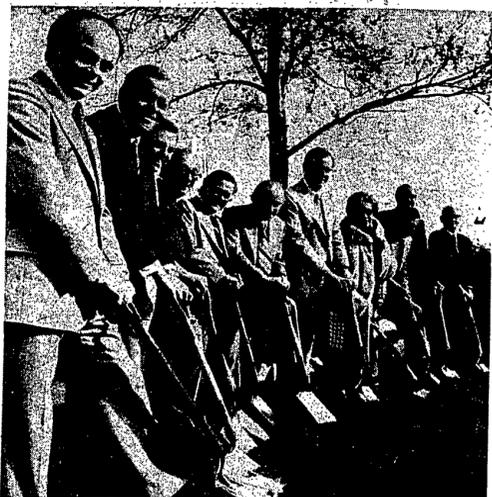

A groundbreaking ceremony for a new 310-seat community auditorium-health education facility at Lutheran General Hospital, Park Ridge, was held on Saturday, April 23. The auditorium will be named the Walter E. Olson Memorial Auditorium.

Officials from Lutheran General, members of its board of trustees and Miss Ella Pelz, president of the Walter E. Olson Foundation which made a grant of \$1.6 million to Lutheran General for building the auditorium, participated in the ceremony. The ceremony, divided into two parts, consisted of a scripture reading-and-response service in the hospital's chapel and the actual breaking of ground at the site for the new auditorium to be located between the hospital's main building and its School of Health Sciences.

The Reverend Larry Holst, chairman of the division of pastoral care at LGH, presided at the chapel service. He was assisted by the Reverend Joseph Hultstrum, executive assistant to the Bishop, Illinois District, American Lutheran Church; the Reverend Ed Nervig, pastor of the United Lutheran Church, Oak Park; the Reverend L.J. Wylie, vice president of human relations and resources at LGH; E.J. Holman, planning coordinator at LGH; and the Reverend Ehme Osterbur, Bishop, Illinois District, the American Lutheran Church.

The keynote address was delivered by the Reverend Frederic M. Norstad, former vice president of Lutheran General who, before the hospital opened in 1959, helped establish its philosophy of Human Ecology; defined as treating the patient as a whole being in light of his relationship to God, himself, his family and the society in which he lives.

In explaining how the new auditorium will benefit patients and the community, Norstad said, "Healing is defined as a fullness, a great living, an excitement. We need to get patients and their families excited about living so that when a patient 'graduates' or is discharged from here, he will have experienced a deep, significant experience which will enable him to live his life to the fullest."

Happy smiles and gleaming chrome-plated shovels reflect the occasion as officials from Lutheran General Hospital, Park Ridge, and representatives of the Walter E. Olson Foundation, Chicago, break ground for a new community health education auditorium named "The Walter E. Olson Auditorium". From left are L. J. Wylie, vice president of human relations and resources; Kenneth Lund, Ph.D., vice president of education and ambulatory services; William Kraft, vice president of finance; Alexander Ruggie, M.D., executive vice president; E.J. Holman, planning coordinator; Leigh Roseblum, M.D., vice president of medical services; Michael West, vice president of administration, all of LGH; Ella Pelz, president, and Oliver Acton, board of directors, Walter E. Olson Foundation; T.L. Jacobsen, executive vice president, and Naurice M. Nasset, Ph.D., president, both of LGH.

Total cost of the auditorium is expected to be more than \$2.5 million. Funding additional to the \$1.6 million Olson grant will be raised by the hospital's "Dimension '79" development program.

William R. Brown, chairman of the hospital's board of trustees, also expressed thanks on behalf of Lutheran General to the Walter E. Olson Foundation for their gift which will provide a meeting place for community members to learn how to be more responsible for their own well being.

The new facility will be used for inpatient and outpatient health and illness-management instruction, community education in disease prevention and the education of the various medical professionals in training at Lutheran General.

## MONACEP "Minis"

Mental and physical well-being are the goals of two semester break "mini classes" planned by MONACEP, the adult and continuing education program at Oakton Community College.

In "Learn to Relax", participants will learn to recognize stress situations and the onset of personal tension. By using medication techniques presented in class, they can avoid feeling drained and overwhelmed by pressure. This class, beginning on May 24, will meet Tuesdays and Thursdays from 1-3 p.m. for three weeks.

"Exer-Dance" is a relaxing, non-vigorous combination of exercise and dance to limber up and slim down participants, who will also learn some new disco steps. Beginning on May 23, this class will meet Mondays, Wednesdays and Fridays from noon-1 p.m. for three weeks.

Tuition is \$15 for "Learn to Relax" and \$10 for "Exer-Dance".

For further information on these or 20 other "minis" offered at Oakton Community College during the college's spring/semester break, call the MONACEP office at 967-5821.

## Why I love my husband's extension phone.

"I love it because now when my husband is busy making a planter for my begonias, or repairing my ironing board, or rewiring my toaster, he can keep on making, repairing or rewiring all the time he's talking on his extension phone.

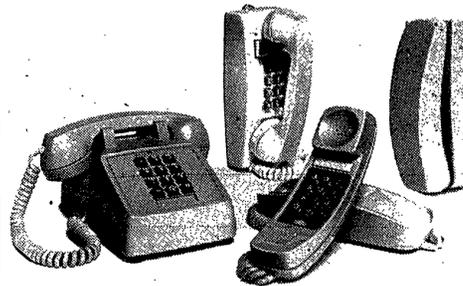

And I love it because my husband thinks I was clever to install his extension phone. Because now while he's fixing a door with his sanding machine, he can make a date to go fishing with his talking machine."

### Central Telephone reports 14.3 percent increase in revenue

Central Telephone & Utilities Corp. today reported first quarter net income rose 14.3% to \$14.9 million on revenues of \$114.2 million, up 14.3%.

Primary earnings from continuing operations increased 11.7% to 67 cents per average common share, compared with a restated 60 cents per share in the 1976 quarter, on a larger number of shares outstanding. The year-earlier quarter also included earnings equal to 5 cents a share from operations sold.

For the 12 months ended March 31, income from continuing operations was \$55.6 million, up 15.1%, while revenues advanced 12.1% to \$432 million. Primary earnings from continuing operations were \$2.56 per average common share, up 13.3% from a restated \$2.26 per share in the corresponding 1976 period.

Robert P. Reuss, chairman and president, credited the first quar-

ter gain to "exceptionally strong earnings" from telephone operations.

Long distance message volumes, up 11.6% from a year ago, registered their strongest gain in two years, although Reuss attributed part of the increase to heavy calling during severe weather in January and February. The number of telephones in the company's 10-state serving area grew 7% during the latest 12 months to 1.53 million.

CTU has budgeted \$173 million for new construction during 1977, Reuss said, and anticipates about 80% of the expenditures will be generated from internal sources of funds. The company also said it plans to add 21 electronic central offices in eight states during the next two years.

CTU operates 1.5 million telephones in 10 states including Central Telephone Company of Illinois.

### Correction

First Federal of Chicago, the largest savings and loan in Illinois, has set new mortgage rates which become effective Monday, April 11.

In the 81 to 90 percent loan category, the new rate for loans to \$55,000 will be 8 1/2 percent with a 1 1/2 percent service charge and private mortgage insurance. The usual \$30 closing fee will be retained. Previous to this, the rate had been 8 1/2 percent with a 1 percent service charge.

In the 80 percent and under loan category, the new rate for loans to \$75,000 will also be 8 1/2 percent, plus a 1 1/2 percent service charge and a \$30 closing fee. The previous rate on such loans was 8 1/2 percent with a 1 percent service charge.

### FNBOS V.P. addresses bank marketing association

David R. Duff, Vice President and Manager of the Consumer Loan Department at the First National Bank of Skokie, addressed an audience of 125 bankers at a meeting of the Bank Marketing Association held at the O'Hare Ramada Inn.

Mr. Duff, whose experience in the area of consumer loans includes managing the Evanston Office of a small loan company as well as working in the collection department of the First National Bank of Skokie before assuming the reins of the Consumer Loan Department of the bank, was selected to address the banking group because of the phenomenal growth of the consumer loan division of the bank. In 1976 consumer loans increased 27.6% and the first 4 months of 1977 indicate that the growth for this year will equal that set in 1976.

The theme of Mr. Duff's talk explained that the FNBO's policy of caring for the customer and working with them to help solve their financial problems has resulted in an excellent record of customer repeats — over 47% of FNBO's loans are made to FNBO customers who have had previous satisfactory loans at the bank — 16% more had previous loans that originated at automobile dealers who work thru the bank and 14% came thru referrals of satisfied customers.

Other loans have come from the bank's "FREE-BEE" account, a single bank account that gives FNBO's customers a free checking account, a savings account that helps them save by automatically transferring money from checking to savings each month, a pre-approved automobile loan, a line of credit that lets them borrow

money by simply writing a check and also gives the customer an Automatic Banking Card so they can do their banking at the Auto Teller Drive In that is open, 24 hours a day.

The FNBO's philosophy that there are no unimportant accounts at the bank was emphasized by a true anecdote Mr. Duff cited about a young man who came to the bank to get a used car loan when his monthly income might have caused a "by the book banker" to refuse the loan. Mr. Duff sized up the man as an honest, hard worker and made the loan. A few years later, after satisfactorily meeting that car note, the man was back for a new car loan and, when he was made controller of his company, he brought the company bank account of over \$100,000.00 to the First National Bank of Skokie.

Mr. Duff also praised the FNBO's policy of keeping the bank funds liquid so that they have never turned down a loan because of lack of funds, as making his job as consumer loan manager, easier.

### Fred Mortensen awarded ITT ring of quality

Fred Mortensen, Manager of Cost Accounting, Bell & Gossett ITT Morton Grove, Ill., received a ring of quality award from Lyman C. Hamilton, Jr., newly elected President and Chief Operating officer of ITT, at a ceremony for ITT North America at the Sheraton-Hartford Hotel.

Mr. Hamilton commented that he felt the Ring of Quality program was particularly important since those participating had been selected by their peers. Fred was given this award because of his insistence of accurate and full reporting of all cost accounting data which is utilized as the base for all corrective action programs.

Fred Mortensen has been with Bell & Gossett ITT for 30 years, starting in 1946 as a cost accountant and cost analyst. He has held a number of positions of ever increasing responsibility before assuming his present position of manager in 1965.

### Golf students hear Elinor Swiger

Mrs. Elinor Swiger, attorney-author, honored 7th and 8th graders at Golf Junior High School, Morton Grove. Mrs. Swiger's presentation was an inspirational culminating activity for the students' intensive studies in writing - fiction and formal research - as well as an investigation of a variety of careers to learn about the world of work.

To become a skilled author, Mrs. Swiger stressed self-discipline and organization ability as essential. Students interested in law were urged to learn the techniques of effective communication.

Mrs. O'Brien's students found the presentation most interesting, enthusiastic, and informative.

This presentation was one of the activities planned by Mrs. Bobay in observance of National Library Week. Significantly, Mrs. Swiger emphasized the importance of the role which libraries play in the careers of authors and publishers since librarians purchase a great percentage of books published.

# Free NOW At Avondale.

We've been telling you for the last few months about all the great advantages there are to the new Avondale N.O.W. account; (Negotiable Order of Withdrawal) but now it's even better. All during the month of May, Avondale will give you 200 name imprinted checks, absolutely free. In addition, you can take your choice of traditional or contemporary cover designs. All you have to do to open a N.O.W. account is to establish a regular Avondale passbook savings account, and maintain a \$500 minimum balance. You will then automatically qualify for an Avondale N.O.W. account.

Your N.O.W. account must maintain a twenty-five dollar minimum balance at all times. Free offer expires May 31, 1977.

You can write a N.O.W. draft to pay your light bill, buy a dog or fly to California. Every month, Avondale will send you an itemized statement along with your cancelled N.O.W. drafts.

Of course, you can transfer funds from your Avondale savings account, where it earns 5 1/4% interest, to your Avondale N.O.W. account (and back again) just by giving us a call.

You can also arrange for direct deposit of your Social Security or other government checks to your N.O.W. account, which makes it fast, safe, and convenient.

And, in addition to saving money with free checks, you'll also save, since your N.O.W. account carries no service charges.

That means you can write as many N.O.W. drafts as you want, free.

Isn't it about time you received something free. You can, NOW, at Avondale.

## Riverview Night of Nostalgia

Until the day RIVERVIEW PARK closed in 1967, fun seekers could gain entrance to the "world's" largest Amusement Park for only two cents every Monday, Wednesday and Friday afternoon, and for only five cents every Tuesday and Thursday evening. Many of Riverview's rides and attractions had two- and five-cent admission fees during those special days.

Two cent days and five cent nights at Riverview Park, formerly at Western and Belmont avenues in Chicago, will be fondly remembered during the city-wide RIVERVIEW NIGHT OF NOSTALGIA on Saturday, May 7 at 8 p.m. in the Lane Tech High School auditorium, 2501 W. Addison St., Chicago.

Nostalgia radio host Chuck Schaden is the sponsor of this evening of memories about the world-famous amusement park that closed 10 years ago. Photo historian, Charles Wlodarczyk will narrate a program of slides and films from the early days of Riverview to its sad closing.

Donation is \$3 per person and seating will be limited to the capacity of the Lane auditorium. Tickets may be purchased at any office of North West Federal Saving in Chicago and suburbs or, by mail, from the Metro-Golden-Memorial Shop, 5120 W. Irving Park rd., Chicago 60641.

## Edward Julian Bieg Award Recipient

Richard A. Nelson, (right) Park Ridge attorney and a past president of Northwest Suburban Bar Association, is the recipient of the group's highest honor, the Edward Julian Bieg Award. Presentation was made by William J. Moore of Arlington Heights (left), chairman of the committee to select the recipient, and partner of the late Edward J. Bieg, a driving force in the establishment of NWSBA and its president 1966-1967.

Nelson's dynamic leadership and purpose during his term as president (1972-73); his untiring service in numerous committee functions, as a member of the Board of Directors and in various executive capacities, and his sincere concern for the goal of fairness and justice to the public, bench and bar, were cited by Moore as reasons for his selection for the Bieg Award.

Nelson received the engraved plaque as a token of the appreciation of the members of the Northwest Suburban Bar Association at the group's annual Judges Night on April 13, 1977, at the Park Ridge Country Club.

Janet Juckett, Park Ridge, another new member on the OCC Board, will chair the College-Community Relations Committee. It is responsible for public relations, special relations with municipal government, legislative officials, curriculum advisory committees and the media.

A new committee on Leased Facilities will be headed by Fred Swinnerton, the second new Board member from Park Ridge. Interim campus facilities, operation and maintenance, fire safety compliance, medical and food service, parking and security, leasing of satellite facilities, and student transportation are among the responsibilities of this committee.

Veteran trustee Raymond Hartstein will serve as chairman of another new committee, Board Development, Organizational Planning and External Relations. Hartstein will continue to represent OCC at the Illinois Community College Trustees Association and will inaugurate training opportunities for trustees, long range planning and organizational structure. He will be involved in the coordination of

# Mikva Optimistic about Passage of Energy Package

The nation is more likely to achieve a comprehensive energy policy stressing conservation approved by Congress and put into effect in the near future because of some changed circumstances in Washington, Congressman Abner J. Mikva predicted last week.

He outlined the contrasts between the mood of the Congress and the country as they await President Carter's announcement of an overall energy policy compared to the public's energy wastefulness and Congressional inertia on the energy issue in the past. His remarks were made during the first awards program sponsored by Control Engineering magazine in Chicago, honoring 16 firms and their engineers who had instituted effective energy-saving measures.

"We now have a President who is enjoying widespread popularity and is in a position to use his personal appeal to convince both the people and the Congress of the need for a serious energy

program," Mikva said. "Two years ago that critical ingredient was missing. Historically, it has been the function of the President to take the lead on difficult policy questions and that strong leadership is essential in the case of energy."

A second reason for the Congressman's optimism about the desire and ability of Congress to do something about energy is that Congress is now better organized to handle the Administration's energy proposals.

"In the last Congress, pieces of energy legislation were scattered among so many committees and subcommittees that putting them all together was a major task in itself," Mikva told the group.

"Both the House and the Senate have learned from that experience. While the Executive Branch is about to have a new, streamlined Department of Energy, the new leadership of the House and Senate has also drawn up plans to streamline and speed

the press of writing energy legislation this year."

The executive committee of the Democratic Study Group, of which Mikva is chairman, recently met with House Speaker Thomas O'Neill to discuss the best way for Congress to consider the energy package and the DSG strongly supports O'Neill's decision to appoint a special committee to consolidate most of the energy deliberations in one group.

Congressman Mikva predicted that President Carter would find the opposition in Congress manageable as far as any recommendations for taxing "gas-guzzling" cars, for giving some type of tax relief to those who insulate their homes and for providing additional federal funds to encourage research into alternate sources of energy, such as solar, wind and geothermal energy. He said that other tax proposals may have more difficulty.

# Notre Dame plans concert

The Music Dept. of Notre Dame High School, Niles, will hold its sixth annual Mother's Day Pops Concert on May 8 at 2:30 p.m. Special guests will be the "Good Timers" featuring lively Irish folk music. The Wind Ensemble selections will include music from "West Side Story" and "The Sound of Music" along with popular music, some rock, and TV themes. The most serious selection will be the entire "Lt. Kije Suite", op. 60, by Serge Prokofiev, very literally transcribed from the full orchestra score for winds and percussion by Rev. George Wiskirchen, CSC. Father Wiskirchen was at NDHS from its opening in 1955 until he was transferred to the University of Notre Dame in 1972 and was head of the Music Dept. He organized the Melodons in 1955 which have developed into one of the outstanding young jazz groups in the country. The music for the "Lt. Kije Suite" was written in 1933-34 for a movie on the life of this Russian Lieutenant. Though the film is forgotten, the music has survived and has been performed popularly as a Suite in five parts. There will be some prizes for the Mothers, games for the children, and refreshments will be available. The tickets will be \$2 for adults and \$1.00 for students.

The 16 members of the Melodons are Paul Bertolini of Niles, Bob Blameuser and Bob Breckler of Morton Grove, Dan Fisher of Niles, Chuck Frazzetto of Chicago, Don Ginocchio of Niles, Mike Greene of Chicago, Fred Grubbe of Des Plaines, Chris

Kellick of Morton Grove, Don LoVerde, Mike Maloni, and Bill Meier of Niles, Bill Merges of Chicago, John Paluch of Park Ridge, Glen Tolosko of Glenview, and Mark Weick of Morton Grove. The head of the Music Dept. at NDHS is Donald Tolosko of Glenview assisted by David Creighton of Niles.

The Maine East freshmen "B" baseball team, after a dismal start and three rainy days, which halted play, finally got on the winning track.

Maine East beat Niles North on Saturday, April 23, by a score of 7 to 5. In the first inning the Demons' lead-off hitter, Bob Kozinski, got a triple and an out and two walks. Jeff Nankervis stepped to the plate then. The pitcher threw a wild pitch and one run scored. Then Jeff drove in the other two runners with a double.

In the second inning they scored again as Garret Vojack knocked in the man on first with a single.

In the third inning Jeff Nankervis drove in another run with a single and Kevin York, up next.

# Insulate this spring and save.

Spring is off-season for insulation contractors, so you can save now on installation costs. It makes good sense to insulate now, before the hot weather starts. Most people wait for the extremes of weather to remind them that they need to insulate. So springtime, with its milder weather, ends up being the best time to line up an insulation contractor. You'll have a better chance of getting the job done right away, and you'll probably also save on installation costs.

# And go right on saving this summer.

Good insulation will lower your ceiling costs. Your house needs adequate attic insulation, not only in the winter, but in the summer, too. That's because your air-conditioned house needs a barrier against the summer's heat just as much as it needs protection against the winter's cold.

How much money can insulation save you? Estimates of savings from home insulation range from 20 to 30 percent of yearly energy costs. Don't forget—savings will show up on both your heating and air-conditioning bills.

Investing in insulation pays off in more ways than one. Not only will you help conserve energy, but you will also increase the value of your home. That's one reason why many Savings and Loans and local banks are willing to help finance the cost of the job.

Commonwealth Edison has an attic insulation finance plan to help you. For details on insulation costs, call a qualified insulation contractor (consult the Yellow Pages or your local newspaper). If you're a single-family residence customer of ours and you install adequate attic insulation (R-19 or more is recommended), we'll finance the installation costs ourselves. (Keep in mind that any reputable contractor will certify that your insulation was installed as specified.)

For more information on our attic insulation finance plan, call this toll-free number: 800-972-5782.

Act now, while you still remember the bitter cold of this past winter, and what it cost you.

You pay for what you waste.

# Northwest Suburban Bar dinner meeting

# Maine East outdoor track

Maine East will host the Maine East Relays for varsity on Friday, May 6, beginning at 5 p.m. Then on Saturday, May 7, the freshman outdoor trackmen will compete in the Palatine Relays. That competition gets underway at 10 a.m.

Recently the varsity beat Glenbrook West 85 to 54. However, for April 23's competition the Maine East sophomores lost 76-46, as did the Maine East freshmen, 78-46.

On April 16, the Maine East varsity competed in the Viking Invitational at Niles North. Coach John Coughlan's varsity finished second out of 24 teams.

At Palatine on April 13, the Maine East varsity won 93-30 as did the sophomores, 62-60, and the freshmen, 64-58.

The Maine East varsity finished second out of eight teams at the April 9 Moline Invitational; beat Glenbrook South 124-18 on April 5; and finished fourth out of 28 teams at the April 2 Alton Relays.

# Maine East freshman 'B' baseball

The Maine East freshmen "B" baseball team, after a dismal start and three rainy days, which halted play, finally got on the winning track.

Maine East beat Niles North on Saturday, April 23, by a score of 7 to 5. In the first inning the Demons' lead-off hitter, Bob Kozinski, got a triple and an out and two walks. Jeff Nankervis stepped to the plate then. The pitcher threw a wild pitch and one run scored. Then Jeff drove in the other two runners with a double.

In the second inning they scored again as Garret Vojack knocked in the man on first with a single.

In the third inning Jeff Nankervis drove in another run with a single and Kevin York, up next.

Over the Years YMCA's have played a central part in the development of the game of volleyball, so it is not surprising that the Leaning Tower YMCA in Niles, offers a varied program of activities for all levels of women players.

There is a women's recreational volleyball hour from 10:45-11:45 every Monday and Wednesday, designed to permit women to get some exercise and meet women from our area. Interested persons can drop in whenever they wish, or make it a regular part of their weekly schedule.

Every Friday morning from 10:45 a.m. - 12:00 noon, there's scheduled a volleyball "Skill building session" where the beginning player can learn volleyball fundamentals and experienced players can sharpen their skills. Members of the women's competitive volleyball team are available to assist in developing the various skills & techniques for proper ball handling, bump, set, spike and serving.

## 'The Real Inspector Hound'

Des Plaines Theatre Guild Playhouse is a busy place these days as two productions are being readied for the season's finale. Opening on Friday, May 6, will be Tom Stoppard's farce comedy, **The Real Inspector Hound**, and James L. Rosenber's farcical tragedy of the Old West, **The Death and Life of Sneaky Fitch**. Both plays are directed by DPTG charter member, Ed Sauer of Des Plaines, a master of farce, with Dave Elvart of Northbrook serving as producer. Assisting Sauer on **Inspector Hound** is a newcomer to DPTG, Virginia Tucker of Rosemont, while young Lisa Collignon of Mount Prospect, active with DPTG Children's Theatre, has the responsible position of assistant to the director on **Sneaky Fitch**.

Performances are scheduled for three consecutive Friday and Saturday nights from May 6 through May 21, at 8:30 p.m., with two Sunday shows at 7:30 p.m. on May 15 and 22. Tickets may be reserved now by calling the box office, 296-1211, between noon and 8 p.m. Admission donation is \$3.50 Friday and Sunday (\$1.75 for students and senior citizens with I.D. cards), and \$4 on Saturday. Guild Playhouse is located at 620 Lee st. in downtown Des Plaines.

Others on the production staff include Des Plaines residents Marshall Kievit, set design, Julie Tobias, set furnishing, and Larry Peterson, lighting design. Ken Goodcase, Niles, and Laura Borowiak, Des Plaines, are in charge of props, and Judy Castaldi, Deerfield, is handling costumes. Goodcase is also stage manager for both shows.

The cast of **The Real Inspector Hound**, playing weekends during May at Guild Playhouse in Des Plaines, includes Harold LeBoyer of Skokie and Renee Reade of Morton Grove (seated), and John Schile and Bruce Weaver of Des Plaines (standing). Schile plays Inspector Hound, and is enjoying the chance to spoof the English whodunits. The farce comedy is teamed with a western saga, **The Death and Life of Sneaky Fitch**. Tickets are available by calling 296-1211 between noon and 8 p.m. daily. Performances are May 6, 7, 13, 14, 15, 20, 21 and 22.

**The Real Inspector Hound** is a double-edged spoof on mystery plays and drama critics. The two reviewers (played by John Clark of Oak Park as Birdboot and Harold LeBoyer of Skokie as Moon) compose their articles aloud during the course of the whodunit, with cliché-soaked phrases that are a joy, even to a real-life critic.

Characters in the play-within-a-play are Betty Kandlbinder of Palatine as Cynthia Muldoon, the

leading lady; Bruce Weaver, Des Plaines, as Simon Gascoyne, a villainous scoundrel; Renee Reade of Morton Grove as the lovely ingenue, Felicity Cunningham; Danny Santerio, Hoffman Estates, as Magnus, the crippled half-brother; Jeanne Elvart of Northbrook as the English maid, Mrs. Drudge; and John Schile, a new Des Plaines resident long-active with DPTG as Inspector Hound.

After intermission, the scene will change to the town of Gopher Gulch in the Old West, as the saga of **The Death and Life of Sneaky Fitch** begins to unfold through the words and music of Joel Cohen, Niles, as Narrator. Marshall Kievit of Des Plaines plays Sneaky Fitch, Reid Ostrowski of Niles is the villain, Rackham, Adrienne Solid of Des Plaines is the tantalizing Maroon, leading lady at the Red Dog Saloon.

Chicagoans Joe Gerstein and Nic Elzondo are Rev. Blackwood and Doc Burch, while Perry Snulson of Skokie plays Mervyn Vale, the undertaker, Macky Cohen of Niles is Mrs. Vale, and Ronnie Zogman of Des Plaines is Mrs. Blackwood. Other characters in this western saga include John Buckley Jr. of Streamwood as the Sheriff, and as cowboys and townspeople of Gopher Gulch Don and Marilyn Collignon and Debbie Morrongiello of Mount Prospect, Mark Shellenberger, and Bruce Weaver of Des Plaines, and Marc and Mitch Cohen of Niles.

**The Real Inspector Hound** and **The Death and Life of Sneaky Fitch** ring down the curtain on Des Plaines Theatre Guild's 31st consecutive season. Subscriptions are now being taken for the five productions of 1977-78, and those signing up before June 1st will receive as a bonus a ticket to the summer show, **Stipus Quo Vadis** for only \$1. Planned for next season are the musical **Fiddler on the Roof** in September, Agatha Christie's **Mousetrap** in November, **Madwoman of Chaillot** in January, **Play It Again, Sam** in March, and a second musical **A Little Night Music** in May.

## The Pajama Game

The Pajama Game is the Broadway Musical to be presented May 6, 7, 13, and 14 at Maine Township High School East. Pictured working on make-up with Mrs. Masaracchia are Sharon Friedman, Des Plaines; and Sandy Green, Niles. All seats are reserved. For further information please contact the Maine East Music Department - 825-4484.

### Two great weeks in three great cities

Charter Travel Corporation, a Chicago-based operator of guaranteed, scheduled charters to Europe, will complement its 1977 flight offerings by providing complete land arrangement as well as economical flights. One tour that is anticipated to be a favorite among tourists to Europe is a two-week London/Paris/Amsterdam combination, which is offered in conjunction with the London charter flights departing from Chicago and from New York.

As on all CTC package tours, participants will be met at the airports by a local representative and assisted with transfers, luggage, and hotel check-in. Transfers between London and Paris on this particular tour will be made by air, between Paris and Amsterdam and London again by air. In all three cities, local representatives will be on hand, and a Hospitality desk will be staffed in the hotel to assist the tour participants in planning leisure time activities, shopping, ect. A half-day sightseeing tour is included in the tour price and serves to introduce the travellers to each one of the cities.

London in 1977 is more exciting than ever in its Silver Jubilee Year, the 25th year of Queen Elizabeth II's reign. Special events abound, and for the explorer, a special Silver Jubilee Walkway has been created, some five miles of 'marked trails' through the heart of historic

London. The tour price includes a touch of theatre as well, two tickets per person. For those who want to indulge in night revivies of another kind, there is a discount coupon book which contains membership cards for entrance to nightclubs and discotheques, as well as admissions discounts. The book is a treasure in daytime as well - it offers discounts in hundreds of boutiques and stores as well as reduced admission to selected museums. Similar discount tickets are also included for Paris and Amsterdam.

The three capitals offer something for every interest. The history buff will have his fill; the art lover will be close to some of Europe's most outstanding collections; the gourmet will have a hard time selecting from the 'embarras de richesses' of French cooking, Indonesian rijstafel in Amsterdam, and the delicacies served at 'high tea'.

Departures are available from both Chicago and New York. Prices range for Chicago departures from \$799 to \$839; for New York departures from \$769 to \$789. Information on these programs can be requested from Kobelt Travel Service, 7900 N. Oak Mill Mall, Milwaukee, Niles, or directly from Charter Travel Corporation's offices in Chicago (312/368-8585) and New York (212/688-8104).

### Full Circle

Full Circle, the final production of this season by the Mayer Kaplan JCC's Open Stage Players, opens this weekend. Performance times and dates are 8:15 on Saturdays, May 7, 14 and 21; and 7:30 Sundays, May 8 and 15.

Written by Nobel Prize winner, Erich Maria Remarque, Full Circle, is a provocative suspense-filled melodrama set in Berlin on the day it falls to the Russians.

Appearing are Lincolnwood residents Bonnie Master and Eugene Kahn; Skokie residents, Hyman Mann and Stuart Grauer; and Evanston residents Grete Roland Salomon and Thomas White. Also performing are Chicagoans William Peterson and Gary Ashman; and Wilmette resident Dennis Hesser.

Full Circle marks the end of the sixth consecutive year for Open Stage Players; Skokie's only resident community theatre. Following this, the Kaplan J's theatre group will stage its

summer musical: Babes in Arms. Auditions for this Rogers & Hart musical will be held at the Center, 5050 W. Church, Skokie, on Wednesday, June 1, and Thursday, June 2.

For further information on tickets, call the Kaplan Center, 675-2200, ext. 215.

### Art Display

For the past two weeks, Niles West High School has exhibited representative works of art by area junior high students. Now it's the Niles West students' turn. Through May 13, representative samples of two dimensional work, a variety of ceramic pieces and selected crafts will be on display in the school's Oakton Street lobby and in room 145. The exhibits will be open daily during the regular school day. The public is invited to enjoy the creative work of these students.

## Niles West concert tour

The Niles West High School orchestra, band and the Westones singing group begin a four-day concert tour today (May 5) with a concert in Portage, Indiana. Their destination is Toronto, Canada, where they will give two more concerts. During their Toronto stay, the Niles West music groups will be the guests of the Newtonbrook Secondary School music students who will house and entertain them.

The Niles West concert tour is the second round of the exchange

tour between the Toronto school and the local high school. During the last week of April, band and orchestra members from the Newtonbrook School appeared in concert here and were housed and entertained by the local high school musicians.

The Niles West orchestra is directed by Mr. Ted Kaitchuck, the band by Dr. Charles Groeling and Mr. Tim Wolfram, and the Westones by Mr. Hugh McGee. Groeling, Kaitchuck and Wolfram will accompany the music groups on the tour.

## Gabe Kaplan cancels show at Mill Run

Due to a conflict in his schedule of TV tapings, comedian Gabe Kaplan will be unable to appear at the Mill Run Theatre, as previously announced, on May 31st through June 5th. To date a replacement attraction has not been booked.

If you already have your tickets for the Gabe Kaplan show, you may exchange them for another attraction or receive a refund. For information, please call (312) 298-2170.

## MONACEP Psychology lecture

"Educating Both Halves of the Brain," the second program in a four-part MONACEP lecture series on "The Psychology of Consciousness," will be held on Tuesday, May 12, at 7:30 p.m. at Maine East High School, Dempster and Potter, Park Ridge.

Dallas Lemmon, a faculty member at the College of DuPage will pose serious questions which arise from the relatively recent discovery that each half of the

brain specializes in a different form of learning.

While educators have traditionally paid attention largely to the logical, linear, analytic properties of the left brain, the intuitive, multiplistic capacities of the right side have been ignored, according to Lemmon. He will present educational approaches both for the right brain and for the entire person.

MONACEP is the adult and continuing education program of

Oakton Community College in cooperation with the Maine and Niles Township High Schools. Other topics for this MONACEP series are "Teaching Stories: Experiential Literature" on May 19 and "Psychologies East and West: Beyond Cults and Conditioning" on May 26.

Admission to the lecture series is \$5; \$2.50 for senior citizens. For further information, call the MONACEP office at 967-5821.

## ED HANSON

OTB is coming ...

Last Wednesday, in a surprise move, the Illinois State Legislature took Rep. Eugene Barnes' (D-Chicago) off-track betting bill out of subcommittee, amended it and gave it a "do pass" vote by the House Revenue Committee. This bill, which would legalize privately owned but state-controlled "off-track betting shops" like New York does, has been a sleeper. But it's going to happen and sooner than many folks think.

Another bill approved by the House Revenue Committee last Wednesday would legalize policy or the old numbers game which has been going big for years on Chicago's south side and gaming casinos will follow within 2 or 3 years.

The recent action taken by Village of Niles officials to attempt to "keep out" Race Track Messenger Services under a "zoning subterfuge" will not keep off-track betting shops out of Niles if they are legalized by the State.

The race track interests for years have been fighting "off-track" wagering and this powerful combine of money, political "clout" and affluence has been after the messenger service shops because they say it hurts their handle. So that a favored few can clean up many millions, the race tracks themselves are the biggest rip off artists of the little guy — the \$2 better. This is evidenced by their excessive admission charge, their food and liquor concessions and parking fees. These prices are "hiked" every year. If their attendance is down, the race tracks have only themselves to blame. Fixed races, many involved with big trifecta pay offs have been exposed many times in the news media. Their ticket sellers are a bunch of touts. In order to get this soft job (\$50 a day and \$50 at night), you must have political clout. And because they punch an electric button, they are members of the Electrical Workers Union which is a laugh.

An attempt to blacken the reputation of all messenger services was made by the big race track combine on the basis these shops wouldn't pay off if you won big. Bunk! Of my own knowledge, I know that Western Messenger Service located on Higgins just east of Harlem pays off like a slot machine. I've "hit" 'em pretty good myself several times and very recently with a biggie bet. I got my dough faster'n if I'd been at the track because I'd had to wait in line. And then maybe had my pocket picked by some dip or robbed in the parking lot. There have been many such cases at our local tracks with their lousy security.

I would never encourage anyone to become a gambler, particularly a horse better, because like Damon Runyon once said, "All horse players die broke." But look at all the fun horse players have and they are the greatest optimists in the world. So I say, "Don't bet!", but if you must bet go to the clean, friendly confines of Western Messenger Service. These folks treat you right. They serve you coffee and cookies and they want you to win! Besides, it costs \$20 if you go to the track. \$3 for admission, two or three bucks to park, a buck and a quarter for a racing form, 35 cents for a program, 50 cents for a scratch sheet, plus vastly over priced food and drink. Multiply these expenses by six, if you go to the track everyday.

And if you got an outside job like a salesman, for example, you have to make up excuses for your boss so he don't get wise that you're goofing off and going to the track. Going to the track shoots most of the day. But going to Western Messenger Service takes just a few moments and you got the rest of the day to work which your boss is paying you to do. (During 40 years I've made up so many excuses to get out to race tracks that I once put these excuses in a book called 250 Sure Fire Excuses to Con Your Boss — So You Can Sneak Out To The Track. The book was very successful and I made a tidy sum of money on it which I promptly bet back and lost on the pags.

So if you must bet the horses, I'll give you a tip: go to the Western Messenger Service on Higgins just east of Harlem. It takes only 10 minutes to get there from Niles. Here you'll get free-a-one-dollar and a quarter racing form, a 50 cent scratch sheet, coffee and cookies, and free parking. You'll meet a nice, friendly bunch of boys who'll call you by your first name and congratulate you when you win.

Be happy—get lucky—go to Western Messenger Service. By a strange coincidence, there's a large ad of theirs just to the left.

## A Night At The Races

See 10 thrilling races under the stars on Wednesday, June 1st, at Maywood Park Race Track, sponsored by the Maine Township Democratic Organization. Your bus to and from the track, dinner and your price of admission is only \$12.50 per person. Phone the chairman, and currently the greatest harness horse handicapper at the Maywood Park meet: Dr. T. Kogos — 823-7888.

P.S. I will be there, too, to sign autographs and give a brief dissertation on the science of harness and thoroughbred horse handicapping. Harness horses, you see, my dears, are thoroughbreds not thoroughbreds. And some horses can run in the mud and are known as "mudders" ... and there are horses for courses, and courses for horses.

And to all the mares everywhere: Happy mudders day.

## North Shore Hilton boasts award winning exec chef

With the National Restaurant Association approaching us in May, one would tend to boast about having an executive chef by the name of Stanley Justo on their staff. Since April of 1976 the North Shore Hilton has had the opportunity of having Mr. Justo on their executive staff and they would like to boast.

Along with being the past winner of many classifications at the NRA show, he has quite a selection of trophies and awards, that are on display now at the North Shore Hilton. Stanley Justo was reared in Hawaii and has worked at his profession in San Francisco, Los Angeles, Chicago, Cleveland, Honolulu and Maui.

Chef Justo has at one time or another been active in the following clubs and organizations: American Academy of Chefs, the American Culinary Federation, Escoffier Society of Chicago, Chicago Chefs Association, California Chefs Society, Hawaii Chefs Association, and the Cleveland Chefs Association.

More currently Chef Justo is competing for the 1977 cooking Olympic team, which will compete in 1980 Olympics in Moscow. Stanley is certainly now a new comer to Hilton Inns, as he started in 1963 with the Hilton Hawaiian Village in Hawaii and over the years he has perfected his culinary talents to the point of excellence.

## 'Barefoot In The Park'

Barefoot in the Park, the comedy by Neil Simon, will be presented by the Niles West High School students on May 5, 6, 7.

The play has been called everything from "one of the funniest comedies ever" to a "hurricane of hilarity." It's about an attractive young couple, wed only six days, who have moved into a one-room, shower and closet apartment on the sixth floor of a brownstone house, with nothing above them but a busted studio skylight and an attic. The attic is occupied by a complete nut, a gourmet with grand manners but no money.

The play is also "about the clash between romantic, impulsive forces and rational, restrained ones," said Jim Batts, the director of the Niles West production of this play. In his opinion, the play shows that the environment can sometimes be as powerful as another actor on stage.

At Niles West, sophomore Robert Levy will portray the lawyer-bridegroom Paul Bratter and junior Sandra Luckenbach his impulsive wife, Corie. Corie's mother, Mrs. Banks, will be played by junior Risa Brainin and the continental neighbour by senior David Schaffer.

## After theatre party

Theatre buffs attending the 8:15, Saturday, May 14 performance of Full Circle at the Kaplan JCC, 5050 W. Church, Skokie, can stay for an After Theatre Party.

On hand will be refreshments, dancing and an opportunity to meet the cast.

Tickets for the play and party are \$4 each, but you can attend both for \$7. Groups of 20 or more may attend for \$6. Call Mrs. Shapiro at 675-2200, ext. 215 for reservations.

## Variety Club plan tribute luncheon to Totie Fields

The date of the Maytime luncheon tribute to comedienne Totie Fields by the Variety Club of Illinois, Tent No.26, has been moved up a day to Thursday, May 19th, and also moved to a new location, the large Grand Ballroom of the Sheraton-Chicago Hotel, 505 North Michigan Ave. Variety Club President Bene Stein announced the new date this week, explaining that the sell-out ticket demand for Miss Fields' performances at the Mill Run the same weekend prompted her showplace to schedule an extra matinee on May 20, the original date of the luncheon in

her honor. Stein also noted that just about every celebrity in town plans to be on hand for the tribute to Miss Fields, who lost a leg - but not her sense of humor - in a bout with phlebitis a year ago. And joining her on the day will be Mickey Rooney and WGN's Wally Phillips, who have been named honorary chairman of the affair, and Irv Kupcinet, who will preside as toast-master. Proceeds of the luncheon will benefit the Variety Club's new

charitable project, a prosthetics electronic limb bank for child amputees. It is being opened this month at La Rabida Children's Hospital, marking the first time electrically powered aids are being made available to handicapped children in the Midwest. Tickets, scaled at \$20.00 a plate, may be had by calling the Variety Club office, FR2-2262, according to the co-chairman of the luncheon, Arthur Holland, Victor Bernstein and Nat Nathanson.

## 'Meet me in St. Louis' cancelled

The Mill Run's Children's Theatre is cancelling the Saturday, May 14th performance of "Meet Me in St. Louis." The theatre will have to be used that afternoon for a rehearsal by Jesse Colin Young and Ian Matthews, a Marquee Concert attraction, who are appearing at Mill Run on the evening of May 14th.

"Meet Me in St. Louis" is opening at the Mill Run Children's Theatre on Saturday, May 7th at 1:00 p.m. Subsequent performances will also be held on Saturdays at 1:00 p.m. on May 21st, May 28th, and June 4th. Tickets are available for \$2.25.

For information and group reservations, please call (312) 298-2333.

### Jake plans great Mother's Day celebration

by Ed Hansen  
 "It's the biggest and best Mother's Day yet," says Jake of Jake's Famous Restaurant of Niles. I understand Jake will have flowers at all tables and all Jake's good looking waitresses will be wearing flowers and every mother will also receive free flowers and it will be a regular ball. There'll be live entertainment in the person of Jerry Burbine

from 11 a.m. till 9 p.m. Jerry will play the melodious Thomas Organ and sing all of the old and new favorite songs for mother and you can request any number you like and sing along, too, if you prefer.

And for the kids, Jake's treasure chest has a full, fresh stock of wonderful new toys for girls and boys.

And Jake's master chefs have prepared a "Special Mother's Day Menu" which consists of a wide variety of more than 15 delicious 7-course dinners, including traditional favorites such as roast lamb, turkey, duck, baked ham, which will make mother feel like a queen. These 7-course dinners, which include everything from soup to dessert, are priced from only \$4.25 because Jake not only insisted on no increase in prices, but he actually reduced prices in honor of all Chicagoland mothers.

And in addition to the special Mother's Day menu you can select any items off the regular menu too at Jake's low, low prices for Mother's Day.

Next week Monday thru Thursday Jake is offering 5 pancakes for 30 cents off the regular \$1.10 price ... ain't that nice!

And those new, super Belgium Waffles, next week Monday thru Thursday, will also be on sale for 40 cents off the regular price ... these hours only — from 10 p.m. till 11 a.m. What a nice owl special!

Jake cordially invites all mothers, mothers-to-be and even unwed grandmothers to his festive Mother's Day party. Now remember, all you mothers are invited ... come as you are, dress up if you prefer, but come to

Jake's fabulous Mother's Day celebration.

In fact Mother's Day, which is one of the biggest family days of the year, has caused Jake to make special parking facilities available and you'll be able to park and leave with ease on this special Mother's Day occasion. So, just follow the crowds to Jake's Restaurant ... come hear the music play and eat, drink and be merry on this festive day.

And from genial Jake Joseph, the owner of Jake's Restaurant, a very happy Mother's Day Sunday and everyday!

### Notre Dame math contest winners

The Mathematics Dept. of Notre Dame High School, Niles, sponsored a contest for seventh grade boys on April 23.

The winner was Michael Quinn of St. Martha School in Morton Grove. He was awarded a half tuition scholarship to NDHS.

The second place winner who was awarded a quarter tuition scholarship was Myron Lewyzyj of St. Thelma School in Chicago.

Two boys tied for third place. They both received a \$150 tuition scholarship. The boys were Dan Juraj of St. Athanasius School in Evanston and Peter Meehan of St. Martha School.

The following boys received certificates of merit. They were Steve Watson of St. John Brebeuf School in Niles, Donald Lemersal and Walter Petri of Mary Seat of Wisdom School in Park Ridge, Steve Hupp of St. Paul of the Cross School in Park Ridge, Paul Koren of St. Stephen School in Des Plaines, Robert Larsen of St. Juliana School in Chicago, and Tom Schenfeld of St. Tarcissus School in Chicago. Team trophies were awarded to St. Martha School for first place, Mary Seat of Wisdom School for second place, and to both St. Paul of the Cross and St. Athanasius Schools for third place.

### Meeting on hypnosis

On Tuesday, May 10, 1977, the Association to Advance Ethical Hypnosis: Illinois chapter #2, holds its monthly meeting at the Leaning Tower YMCA, 6300 W. Touhy Ave., Niles. The lecture begins at 8:30 p.m.

Lawrence J. Beuret, M.D., one of the speakers at the recent Midwest Hypnosis Convention, will talk about "Birth: In experience and dreams." Symbols appearing in dreams may refer to birth traumas that are involved in the individual's problems' today. These birth experiences can be brought out during hypnotic age regression, and Dr. Beuret will tell of some of his cases that he has treated in this way.

### Scholarship recipient

Eva Gross, of 8839 Karlov, Skokie, was named recipient of project scholarship support from the Albert P. Weisman Memorial Scholarship Fund at Columbia College.

Ms. Gross was awarded a financial scholarship to publish a book with illustrations containing Hungarian-Jewish children's stories titled "The Promised Doll."

### Notre Dame plans two semester coed summer school

Notre Dame High School, 7655 Dempster, Niles, will again offer a two semester coeducational summer school for high school students. The first semester will start on June 13 and end on July 6. The second semester will begin on July 7 and end on July 29.

Classes which will be taught in the first semester include all levels of Religion and English, second semester of Algebra I, first semester Geometry, second semester of Spanish I and II, first semester of World and U.S. History, Government, American Business, Business Math, Typing and Photography. The first semester of Biology and Chemistry will be taught from 7:30 to 11:30 a.m.

Classes which will be taught in the second semester are the second semester of Biology and Chemistry, second semester of World and U.S. History, second semester of Geometry, Political Systems, American Business, Business Math, Typing, and Photography. Some classes will meet from 8:15 to 11:15 a.m. Others will meet from 11:30 a.m. to 2:30 p.m.

Special classes in Basic Composition, Developmental Reading, and Basic Math will be offered for incoming freshmen from June 13 to July 1. The classes will be taught from 8:15 to 9:40 a.m. and 9:45 to 11:15 a.m. Each course will cost \$22.50. No class will have more than twenty students in it and will be smaller, if possible.

To obtain an application blank, please phone the school (965-2900) on week days from 8:30 a.m. to 3:30 p.m. Mail registrations will be accepted until June 8. Registrations can be made in the school office through June 10. The registration fee is \$5. The tuition for a one semester course (one half credit) will be \$45. Registration will be completed when tuition and fees are paid in full. No tuition refunds will be made after June 15.

Notre Dame will not offer school bus service during the summer sessions, but the school can be reached by various Nor-tran routes from Evanston, Skokie, Morton Grove, Des Plaines, Park Ridge, Glenview, Lincolnwood, and Chicago. For schedules call 836-7000.

### Morton Grove Library happenings

The changing scenes of the British Isles will be shown in a travelogue on Tues. May 10 at 7:30 p.m. at the Morton Grove Library. Armchair travellers can view the dramatic seacoasts of England and the craggy moors of Scotland, as well as the bustling cities of London and Dublin. Admission is free and all tourists are welcome!

"Concerns About Your Aging Parents", a program of education for adults with elderly parents, will be held at the Morton Grove Library on Thurs. May 5 at 2 p.m. and on Mon. May 9 at 7:30 p.m.

The program will be conducted by Frances Philbrick and Anne Pollack, social workers from Family Counseling of Evanston and Skokie Valley. Through their discussion and counseling, they hope to help those who have problems caring for their elderly parents. Drop-in counseling sessions will continue throughout the month of May and the whole program is free.

### Delivery of local 1977 telephone directories

The local 1977 telephone directory to be delivered next week by Illinois Bell will feature one of the winning pictures from the company's Bicentennial high school art contest for the suburbs.

Titled "George Call for a Reservation," by Sandra Kalantzis, a student at Forest View High School in Arlington Heights, it depicts the spirit of America's past with the science of the present.

Beginning May 13, approximately 96,700 of the Skokie-Lincolnwood-Morton Grove-Niles directory will be delivered, according to Illinois Bell manager,

### Cadette Troup 314

Eight girls from Cadette Troup 314 of St. Isaac Jogues in Niles received the highest award available in Catholic Girl scouting - the Marian award. The medal was bestowed by the Most Rev. Alfred Abramowicz, D.D., at Holy Name Cathedral on Girl Scout Sunday.

In order to have achieved this honor, the girls studied and did community service under the spiritual direction of Mrs. Martha Demko. The recipients are: Mary Eischen-Glenview, Charlene Falco, Robin Leone, Barb Gonzalez-Morton Grove, Christy Ortolano-Niles, Dawn Webber-Morton Grove, Dawn Wermerskirchen-Glenview and Joanne Wolski-Morton Grove.

Congratulations girls on a hard earned honor!

### TM teacher gives lecture

Frank Schmidt, former design draftsman at Baxter Labs, has returned from Vittel, France after completing a Teacher Training Course held by Maharishi Mahesh Yogi, founder of the Transcendental Meditation technique and the Science of Creative Intelligence.

Mr. Schmidt will be giving a comprehensive introductory lecture on the TM program entitled, "A Vision of Possibilities", - Tuesday, May 10, 8:00 p.m. at the Des Plaines Park District, 748 Pearson Street.

The lecture Mr. Schmidt is giving is free and open to the public. For further information call 398-7153.

### Niles West choir reunion

A choir reunion for present and former members of the Niles West concert choir will be held on Saturday, May 14, at the school, announced Hugh McGee, Niles West's choirmaster. McGee said he hopes to see former choir members at the reunion from as far back as 1952.

McGee has planned the reunion to coincide with the May Choral Music Festival to be held on that date. Concert choir alumni are invited to attend the concert free of charge and to greet each other at the open house following the concert.

General admission to the 8:15 p.m. concert is \$1.00. All concert goers are invited to attend the open house as well.

**CRIME PREVENTION TIPS**  
 Crime does not pay? Burglars average \$310 per job, for about 15 minutes work. Help us make burglary a non-profit business. Get involved in the fight against crime.

L.H. Tate. Any telephone customer in the Skokie-Lincolnwood-Morton Grove-Niles area who has not received a new directory by May 27 should call the Illinois Bell business office and delivery will be arranged. Additional directories also may be obtained through the business office.

When the new directories are delivered, the old ones can be picked up. They will be sent to a recycling mill where they are then reprocessed into soft paper products. Tate recommended the old directories be given a good shake to make sure some valuable document or money doesn't wind

up a paper plate or napkin.

The front part of your directory contains important information, instructional pages that can save you money. They have a new look this year designed to make it easier for telephone users to find facts about rates, types of long distance calls, local services, money saving tips, area codes and prefix locations. Emergency numbers still are located on the inside front cover for quick access.

The back cover is available for jotting down those frequently called numbers. "Keep the book in a handy spot," Tate suggested

for fast reference."

A new feature this year in the Skokie-Lincolnwood-Morton Grove-Niles directory is the Helpful numbers page located near the front. It contains a guide to telephone numbers you call often or that may be hard to find. This special page has about 170 local, county, state and federal agencies listed under headings such as Building Problems, Medicare, Public Aid and Senior Citizens that should make the search easier and faster. A complete listing of governmental offices is in the white and yellow page sections of the directory.

Besides the call-guide pages and the white alphabetical listings, don't forget the yellow pages. "It's still easier to let your fingers do the walking," said Tate.

All in all, the telephone directory with its artistic cover, information, instructions and multitude of listings makes for good reading - especially when you're away from home and not familiar with the dialing requirements in that particular area. Also, some local public libraries stock out-of-town directories.

### Niles Days...

Cont'd from Niles-E-Maine P.1  
mas dinner to retarded women  
and girls in Lake Zurich.

The Falcons Jr. Football  
Ass'n, \$2,670 to cover costs of  
new equipment for approximately  
60 boys ages 9 to 14.

A twelfth request, from Kids In  
Need, of Niles Township, (KIN)  
for \$1,000 was excluded, accord-  
ing to Days Chairman Anthony  
Gagliano, by reason that the  
monies were requested for per-  
sonnel salaries.

The eleven petitions will be  
considered for qualification by the  
Niles Days Board of Directors,  
following which, said Gagliano,  
Board recommendations will be  
presented to the Days Committee  
at the June 2 meeting prior to a  
delegate vote.

In the event that Festival Days  
do not net the \$21,140 goal, said  
Gagliano, allocations of the net  
proceeds after payment of the  
\$7,500 (for July 4th parade and  
fireworks) will be made pro-  
portionately.

Instead of the Grand Award of  
a car this year, Gagliano noted  
nightly awards of an Amana radar  
range, a washer-dryer, oven  
range, freezer-refrigerator com-  
bination and on Sunday night a  
\$1,000 color TV with remote  
control.

The annual 5-day Niles Festival  
with a Circus theme this year is  
slated to run Wednesday July 20  
thru Sunday July 24, weekdays  
from 6 p.m. to midnight and 3  
p.m. to 12 p.m. Saturday and  
Sunday at the Four Flags  
Shopping Center, 8233 Golf rd. in  
Niles.

The Niles Days Committee is  
comprised of delegate members  
from 28 homeowner, civic and  
social groups in Niles.

The Committee last year allo-  
cated \$11,879 (of a requested  
\$29,395) to 15 Niles groups in net  
profits from a total 1976 Festival  
Days receipts of \$43,755.35.

## From the LEFT HAND

owner's first asking price. Hodes seemed pleased with this  
figure.

Is the Shopper's Walk a fair investment? Had the owner  
asked \$750,000, would a \$50,000 reduction still have satisfied  
the library president? Was there a real estate appraisal on the  
building site?

Since surrounding library districts only have one facility,  
why is it necessary for Niles to have two? Much larger  
populated communities than the Niles district have only one  
building but have far more extensive book collections. Would  
Niles be better off to just build an addition on its present  
building, perhaps 2 or 3 stories high, and greatly increase the  
number of books for its shelves? Are the duplicate costs of  
two library buildings serving the community as well as one  
large building with a more complete book collection?

We raise the questions, not to block the library district's  
plans for expansion, but to have the community give its input  
to the district which it owns.

The compounded errors of the high school district, and the  
District 63 fiasco shouldn't be repeated at taxpayers'  
expense. It's the taxpayers, not the public boards nor its  
administrators, who own these buildings and the districts.

Had the original Niles library building been placed in a  
more central location, with room for expansion and parking,  
the second building may not have been necessary. The cost of  
duplicating services is expensive.

We welcome opinions from taxpayers and board members  
alike before the May 24 referendum.

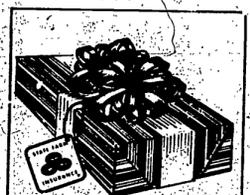

## Mother knows best.

That's why she prefers the  
First National Bank of Niles. And  
grandmother knows even better.  
Maybe that's why the Oneida  
dinner service offered by the  
FIRST NATIONAL BANK OF  
NILES is so desirable to young  
mothers, grandmothers, and even  
mothers-to-be. And when  
CHUCK BARBAGLIA, Vice-  
President of the FIRST NATION-

AL BANK OF NILES selected  
the stainless steel Oneida dinner  
service as a gift item, he picked a  
winner.

The unprecedented demand for  
this 5-piece place setting caused  
the FIRST NATIONAL BANK OF  
NILES to replenish its supply,  
particularly with the upcoming  
demand accentuated by "MOTH-

ER'S DAY." From the way  
women of all age groups are  
availing themselves of this offer,  
Barbaglia's judgement proved to  
be excellent. For where, but at  
the FIRST NATIONAL BANK OF  
NILES, can you get an Oneida  
stainless steel dinner service for  
ONLY \$3.95 a place setting. And  
better still, as Barbaglia says,  
"Our bank will give it to you  
FREE, if you deposit \$250.00 in a  
new or existing savings account."  
(Editor's Note: And what a  
delightful gift this is for Mothers  
Day. D.M.)

The present  
your children  
want least...  
...is life insurance.  
But it's something  
they really need.  
Ask me why.

## Teen job program

There are never enough good  
jobs to go around no matter how  
hard you work at placing kids, say  
Carol Chaconas, Youth Coord-  
inator, but we are happy that  
there are 90 teens employed this  
time, through the Niles Youth  
Commission Rent-A-Kid Service.

The smaller businesses and  
homeowners have responded favor-  
ably to our program and we  
know they need the teens and will  
take a personal interest in how  
they develop. Several of the large  
industrial companies in Niles  
have listed with the job service

and have hired a number of our  
older teens.

Unskilled and inexperienced  
young people learn to report to  
work on time, find their way  
around unfamiliar parts of the  
city and perhaps most important-  
ly, learn to relate to their  
employer. These 1st jobs are seen  
as useful learning experiences for  
youth who have not worked  
before.

Listed with the job referral  
service are many teenagers who  
have skills in typing, shorthand,  
some have landscaping and house  
painting experience. Both male  
and female youths are being hired  
now as babysitters or mother  
helpers for the summer.

All residents and businesses in  
Niles and adjoining communities,  
are asked to express their em-  
ployment needs and consider  
hiring a teenager to work part-  
time for them. Call or mail in job  
specifications to: Carol Chaconas,  
Youth Coordinator, 967-6100, or  
mail in your job request to 7601  
N. Milwaukee ave.

MONACEP students will learn  
to fool mother nature with the  
Low Calorie Dressings' pre-  
sented in a one-evening class  
from 7:30-9:30 p.m. on Wednes-  
day, May 11, at Maine West High  
School, Wolf and Oakton, Des  
Plaines.

During this demonstration-tas-  
ting session, participants will be  
come familiar with low-calorie,  
high flavor ways of dressing  
green salads.

The fee for the program is \$7  
for both residents and non-res-  
idents of Maine and Niles Town-  
ships.

For further information, call  
the MONACEP office at Oakton  
Community College, 967-5821.

He noted that when these  
annexations become effective  
there will be a period of time in  
which the college will be receiv-  
ing neither chargeback fees nor  
tax revenue for North Shore  
students enrolling at Oakton.

"The receiving of escrow funds  
from the New Trier District will  
assist Oakton, in meeting de-  
mands for expanded services at  
this time," he noted.  
Gilson indicated that he would  
encourage meetings with staff  
personnel of the high school  
districts in order to explore the  
possibility of cooperative plan-  
ning and programming in contin-  
uing education and community  
services. He pointed out that at  
present the college has a unique  
cooperative arrangement with  
Maine Township High Schools  
and Niles Township High Schools  
in the operation of MONACEP.  
Mr. Gilson stated, "I would like  
to see our 'common market'  
approach to college services  
expanded to include the three  
high school districts."

When the annexations are in  
effect, Gilson stated that he  
would invite representatives of  
the three high school districts to  
participate at the Board table and  
in Board committee meetings  
until the time that there would be  
opportunity for membership on  
the Board of Trustees in connec-  
tion with the regular election.

"Oakton in in a financially  
strong condition at this time," he  
indicated. "Oakton's permanent  
campus, now under construction,  
will be readily accessible to North  
Shore residents and will be free of  
bonded indebtedness." He pointed  
out that Oakton's tax rate,  
22.5 cents per \$100 of assessed  
valuation, is no higher than that  
of the proposed District 540. He  
contemplated that in future years  
the District 535 tax rate could be  
reduced in view of the additional  
assessed valuation with the com-  
bined district.

Those who register for the  
exam at Oakton must live in Cook  
County, present personal identifi-  
cation, and pay a \$5 fee, Krugel  
said. Personal checks will not be  
accepted.

Successful completion of the  
GED exams entitles the applicant  
to receive a high school equiva-  
lency certificate which may be  
valuable in fulfilling college en-  
trance requirements or in meet-  
ing educational standards for job  
placement or advancement.

## 'Heart Alert' program at Holy Family

Reducing the risk of heart  
disease will be the topic of a  
"Heart Alert" program for area  
residents to be held at Holy  
Family Hospital, Saturday, May  
14. Persons interested in attend-  
ing this community education  
program should come to the  
hospital's auditorium for the two-  
hour session which begins at  
1 p.m.

A staff cardiologist, an RN who  
specializes in caring for the  
critically ill and a nutritionist will  
be on hand to conduct mini-  
sessions on various aspects of heart  
disease. A question and answer  
session will follow their presenta-  
tions.

They will discuss some of the  
high risk factors associated with  
heart disease such as high blood  
pressure, cigarette smoking, ele-  
vated blood fats, diabetes, obe-  
sity, lack of exercise and an  
individual's family history. Lit-  
erature describing these factors  
will be distributed.

Presentations will be made by  
Dr. Robert Bielinski, Board Cer-  
tified Internist, who is Medical  
Director of Holy Family's Inten-  
sive Care Unit and Cardiac Care  
Unit; Mrs. Pat Reich, RN, Nurse  
Coordinator for the hospital's  
Cardiac Rehabilitation Program  
and Mrs. Jackie Norris, nutri-  
tionist.

One of the points they will  
stress is that as many as 23  
million Americans have high  
blood pressure. Unless this level  
is controlled it can become a  
major health problem, and the  
result may be damaging to the  
heart, kidneys, and other organs.

In addition, persons increase  
the risk of heart attack by  
following a diet rich in saturated  
fat -- eggs and certain meats,  
which are high in cholesterol --  
and high-calorie foods. However,  
controlling one's diet, by replac-  
ing saturated fats with poly-  
unsaturated fats as much as  
possible, can reduce the inci-  
dence of a heart attack.

These and many other heart  
attack risk factors, and how they  
may relate to one's individual  
needs, will be discussed at Holy  
Family's "Heart Alert" program  
Saturday, May 14.

## Register at Oakton for G.E.D. Exam

Registration for the General  
Education Development (G.E.D.)  
Tests will be held from 10-11 a.m.  
on Saturday, May 7, at Oakton  
Community College in Building 2,  
Room 268.

The two-afternoon tests, in-  
tended for those who wish to  
qualify for a high school equiva-  
lency certificate, are open to  
adults 19 years of age or older,  
according to Alexander Krugel,  
director of MONACEP, the adult  
and continuing education pro-  
gram at Oakton.

Those who register for the  
exam at Oakton must live in Cook  
County, present personal identifi-  
cation, and pay a \$5 fee, Krugel  
said. Personal checks will not be  
accepted.

Successful completion of the

## 'We put the care in health care' at Skokie Valley alcoholism unit

Everyone who enters the  
CAREUNIT Program at Skokie  
Valley Community Hospital needs  
care and treatment for the disease  
of alcoholism.

Warmth, love, and genuine  
concern are powerful anecdotes  
for the self-hatred and self-  
rejection of the alcoholic. The  
nurse that accepts alcoholism as  
an illness knows that alcoholics  
need a special kind of support.  
They know, too, that patients do  
recover from the disease.

The program, aimed at equip-  
ping patients with the necessary  
tools for survival without alcohol,  
consists of total medical care and  
education on the disease by a  
specialized team of professionals  
trained in the field of alcoholism.

Attitudes  
Only nursing personnel with  
interpersonal counselling skills  
and an avid interest in learning  
about chemical addiction are  
selected for the CAREUNIT Pro-  
gram.

Mrs. Donna Stevens, head  
nurse of Skokie Valley's CARE-  
UNIT Program, tells what it takes  
to make the nursing team: "If  
nurses are applying to fulfill their  
own needs, they can't help the  
patients very well. But if they  
want to join the CAREUNIT team  
because they realize that alco-  
holism is a disease of epidemic  
proportion and they can help by  
giving the patients compassion  
and understanding, then they're  
the kind of people we're looking  
for. Patients recognize a nurse  
who knows what she's doing and  
who cares about their needs."

"A nurse has to show genuine  
interest in the people who have  
alcoholism. Nurses' attitudes  
have to stand up to thorough  
screening," Mrs. Stevens ex-  
plains.

"If they feel it's a treatable  
disease" and that these people  
need to be given hope and loving  
care, it shows.

"It's tragic," she adds, "that  
only 20% of the nine to twelve  
million alcoholics in this country  
recover from this disease. That  
means 80% die from it. And  
much of the reason for these  
unhappy statistics is that people  
simply are unaware that alco-  
holism is a disease and that  
something can be done about it."

Depending upon the motivation  
and intelligence of the patient and  
his determination to get well, the  
competence of the treatment  
approach, the availability of hos-  
pital facilities, and the strong

## Promotion committeeman

E.J. O'Keeffe, chairman of the  
1977 Chemical Industries Coun-  
cil-Midwest Scholarship Lun-  
cheon recently named Dr. Barnett  
S. Pitzele, of Skokie, group leader  
in chemical research at the G.D.  
Searle Company of Skokie to the  
promotion committee for this  
fund-raising event.

The Scholarship Luncheon, to  
be held at the Pick-Congress hotel  
on Monday, May 9 is designed to  
recognize future scientists and  
their teachers with scholarships  
and awards.

The tests are administered  
each month at Oakton by the Cook  
County Superintendent's office.  
Upcoming dates for the two-  
session tests are May 14 and 21,  
June 11 and 18, and July 16 and  
23.

support of family, employers and  
community, a successful outcome  
can be expected in at least more  
than 50% of cases.

Theory of the CAREUNIT Pro-  
gram: Alcoholism is a chronic,  
progressive disease for which  
there is no known cure, but that if  
left untreated, usually ends with  
permanent mental or physical  
damage or early death. Through-  
out the treatment process, alco-  
holism is approached as a treat-  
able condition with a potential for  
high success in achieving con-  
tinuing sobriety.

According to Mrs. Stevens,  
some patients feel a great sense  
of relief when they come to  
understand that they have a  
disease and they can recover from  
it. Many non-alcoholics, too, are  
glad to learn exactly what the  
disease is all about. The time has  
come to reach the physician,  
social worker, judge, probation  
officer, law enforcement officer  
and clergy -- for all of these  
persons are confronted with al-  
coholics and problems stemming  
from alcoholism.

All team members of the  
CAREUNIT Program are involved  
in the treatment process which  
directed to the individual patient  
over a 24-hour period. In this  
way, the staff's professional skills  
are utilized consistently and con-

currently to promote a quick and  
effective recovery. The team  
includes a medical director, psy-  
chologist, specialized nursing  
personnel, alcoholism therapist,  
social worker, and program co-  
ordinator.

Care and controls  
The nursing care plan begins at  
the admission staffing and at-  
tempts to suit the individual  
needs of the patient by setting a  
realistic goal for him.

To determine treatment goals  
and an acceptable discharge plan  
for the patient, the administrative  
team participates in weekly clinical  
evaluation meetings to bring  
into focus their collective impres-  
sions of the patients' progress.  
Because of the close contact a  
nurse has with a patient, this is  
where she can be depended upon  
to make accurate and meaningful  
observations and contribute valu-  
able input to the team.

A patient learns self-discipline  
and alternatives to drinking by  
the use of controls which also help  
develop interdependence and  
confidence in himself. Team  
members attempt to understand  
the alcoholic's unhealthy atti-  
tudes and his personal problems,  
and they encourage him to talk  
about them. The environment of  
an alcoholism unit within a  
general hospital is structured to

provide the patient with an  
opportunity for purposeful ex-  
pression of feelings; the sharing  
of fears, anxieties and tensions  
with others; and a recognition  
that these emotions are felt by  
everyone.

Because the dependency na-  
ture of the alcoholic tends to make  
him easily addicted to drugs,  
particularly barbiturates, sleeping  
medications are replaced with  
"rap" sessions. When a patient  
can't sleep, he often stays up and  
talks with the nurse who may be  
on duty. The nurse may do  
nothing more than just listen, but  
this tends to be a comfort to the  
patient by the simple reassurance  
that someone is around who cares  
about him and will listen.

Patients attend daily rehabili-  
tation sessions and effective  
educational programs for moti-  
vation and help for long-range  
recovery. These sessions provide  
educational material for patients  
to apply to their lives and em-  
phasize the finding of identity,  
acceptance of the disease, alter-  
nate behavioral and attitudinal  
patterns, setting priorities and  
goals, methods of maintaining  
sobriety and establishing new  
patterns of problem-solving. Moti-  
vation is the key. Without it, all  
else fails. A patient has to want  
to stop drinking, or nothing can help  
him recover.
