Keener steps down from Park Board

Park budget reduced \$20,000

by Alice M. Bobala
The Niles Park District expects to spend \$20,000 less in fiscal 1977-78 according to the Park Budget which will be on display May 19 thru June 20 during regular office hours at the Recreation Center, 7877 Milwaukee ave.

At a Public Hearing May 16, the Niles Park District set the total park operating budget at \$2,120,725, ostensibly down from last year's budget of \$2,140,795. The decrease, according to Park Director William Hughes, is due only to reduction in bond and interest payments.

Drastic increases in other accounts were laid to inflationary rises in utility rates and insurance costs.

Total appropriation for the fiscal year beginning May 1, 1977 and ending April 30, 1978 was set at \$2,863,464 of which \$1,599,750 is estimated revenue and

\$1,263,714 expected by taxation. The appropriation fund gives the Park District the legal right to spend monies in excess of the projected budget, if needed.

This year's budget was based on a projected \$242 million assessed valuation estimated on an anticipated increase in Niles

Township assessments. Last year's budget stemmed from an anticipated \$220 million assessed valuation which finalized at \$229,989,094.

The public will have an opportunity to speak out on the budget prior to the Park Board taking

Library referendum vote Tuesday

Buddy Poppy Day

Niles Veterans of Foreign Wars Post 7712 and the Ladies Auxiliary will have their annual "Buddy Poppy Day" on Thursday May 19. The sale of Buddy Poppies provides aid and rehabilitation to disabled and needy servicemen and women, veterans, their dependents, and children of the V.F.W. National Home.

Poppies are assembled by disabled veterans in Incentive Therapy Programs in VA Hospitals and State Veterans Homes. Veterans receive minimal compensation.

On Tuesday, May 24, residents in the Niles Public Library District will vote in referendum to expand the Niles Public Library building, build a Bookmobile Library and purchase the site of the present Branch Library.

"The use of our Library building has grown in the 10 years we have been in the present facility," says Martin Hodes, president, Niles Public Library District Board of Trustees, "until we have outgrown the building. We must provide the space to take care of the growing use being made of the Library."

Hodes added that the cost of about \$5 to \$6 per family per year, at present valuation, will pay for

all the planned additions. And, he added, "as the valuation increases, as it has every year, the cost per family will go down."

Polling places will be open from noon to 8 p.m. Tuesday, May 24. Residents will be able to vote as follows:

Precinct 1 — all of the Niles Public Library District east of Harlem ave. Polling place is Niles Public Library.

Precinct 2 — the part of the District south of Dempster st., west of Harlem ave. and east of Milwaukee ave. Polling Place is Oak School.

Precinct 3 — the part of the Library District south of Dempster

There's several matters pertaining to Tuesday's library vote which disturb us.

We believe the library board is counting on a very small Niles turnout. They're betting all their blue chips, voters from the unincorporated area will push this vote over the top.

When they initially placed their legal notices, they told us they wanted to make sure they reached the unincorporated voters. The implication was these were the voters who would back a new library facility and thus they were seeking these voters. While it wouldn't be fair to state their attitude is: "Niles voters be damned", it seems strange their emphasis favored residents outside of Niles incorporated limits. Considering Nilesites did all the sweating which gave the district a library, and considering Nilesites paid all the bills up until recent years, the library board's attitude is puzzling.

The selection of next Tuesday for a referendum also disturbs us. The library board could have saved money had they had the vote the same day as the Niles village and park elections in April. They also would have had a much larger turnout. Perhaps they preferred most voters within the village stay home. While they expect Nilesites to pay the bills they are not that anxious for them to decide what they should pay for.

It is this one man's opinion the Shopper's Walk facility is inadequate. Physically the building and parking are very limited. Ingress and egress to and from the parking lot are downright hazardous. And the inability to expand the facility in the future beyond its present stores and parking lot makes the purchase a poor investment. A banker in Niles, who has been in the real estate business for 35 years, has told us many times any commercial building purchased in the community should always include ample parking and additional land for future expansion. Shopper's Walk does not fill either of these needs.

We're not convinced a second library facility, which is inadequately stocked with a minimal of books, serves anyone in the entire district. We know many students in the community who go to the Skokie library, because of the inadequacy of the main local library.

Obviously, it is a question of judgment on the part of the library board members. We were contested by Niles library

Maine Township softball game

A softball game between the police and high school age youth is being sponsored by the Maine Township Recreational Council. The Maine Township Committee on Youth and the Des Plaines, Niles, Park Ridge, and Golf-Maine-Park Districts compose the council. Their purpose is to combine efforts in planning and supervising social activities for Jr. High and High School age young people.

The softball game will be held on May 22 at 1:30 p.m. at Black Hawk Park which is located at Golf and Mt. Prospect rds. in Des Plaines.

Players are still needed: call the Maine Township Committee on Youth to sign up — 296-6644.

Blood pressure readings

Blood pressure readings are being taken today between 4 and 8 p.m. at the Niles Administration Building, 7601 Milwaukee ave. This service is offered by the Niles Health Department free of charge.

Niles home burglarized

A 70 year old Niles woman and her 68 year old brother were the unknowing victims of a home burglary for \$8,150 until police notified them Monday, May 9.

Police said a Chicago man came into the Niles station to report finding a woman's black plastic purse near the Norwood Park Plumbing Co. at Northwest Highway near Devon.

The purse contained 6 bank books and approximately \$450 in U.S. bonds.

When police called the victim to ascertain whether she lost the purse, she replied she had not. At police insistence she looked but could not find the purse, later coming in at 6 p.m. to report she had been burglarized.

She told police \$1,000 had been taken from a bedroom dresser; \$7,000 from the purse and another \$150 from her brother's wallet on the dresser.

The victim told police she and her brother had gone to the hardware store early Monday morning, returned at 11 a.m. and went to the basement to wash clothes until 2 p.m.

She said she thought she saw a shadow on the sidewalk on the side of her building while they were in the basement.

Resolution endorsed

The Niles Township Council of School Boards, representing every public school board in Niles Township, unanimously endorsed a resolution Saturday, May 7 calling for Governor James Thompson to consider previous experience as a Board member in future appointments to the State Board of Education. The resolution was previously approved in separate actions by the township's nine elementary Boards of Education and the High School Board during April.

Make-up demonstration Tuesday, May 24 - 1 p.m.
This is your chance to find out about the latest make-up trends and how to apply it. One member from the audience will be chosen to have cosmetics applied by a make-up artist from Syd Simon Cosmetics. She'll also talk about skin care and how to look your best. It promises to be a most enjoyable afternoon, and you might be the lucky person selected from the audience.

Golf tournament Wednesday, May 25 - 9 a.m.
Golfers, don't miss out on the first tournament of the season. It will be on Wednesday, May 25 at 9 a.m. over at Tam Golf Course and will be a blind bogey golf tournament. The entry fee is \$1 and sign up is the day of the tournament, at the golf course. So get your golf game in shape and join the fun at the tournament.

Movies Wednesday, May 25 - 2:30 p.m.
This month's movies are different and interesting. Road To Santiago leads the viewer to the point just over the Spanish border where the 12th century pilgrimage route begins. It's a showcase of Romanesque churches and sculpture. The Birth of Photography, the second feature traces the early history of photography, all the way back to the first photographic image.

Legal services - wills - Friday, June 3
Through a program being done in conjunction with the Chicago Bar Association, an attorney will be at the Center on June 3 for consultations about wills. If you have questions about a will, there's no charge for this service. To have a will drawn up, you must meet certain requirements. Your income can't exceed \$10,000 and your assets, excluding car and house can't be more than \$10,000. There's a fee for having the will drawn up, but it won't be more than \$50. If you would like an appointment for this service, or more information about it, call the Center.

Ladies miniature golf Friday, June 3 - 10 a.m.
Try something different ladies, and come to the Miniature Golf Outing. We golf at the Ballard Sports Complex, 8435 Ballard rd., and the cost is 50 cents. The course is indoors so weather won't be a problem. Join the other women and have a good time. Sign up in advance by calling the Center at 967-6100, ext. 76.

Driver's training registration
If your driver's license will be expiring in June or July, make sure you register for the next Driver's Training Class. The course covers the Rules of the Road and the signs. An unofficial vision test and a practice written test are also given. The class starts Monday, June 6, and you can register by calling the Center.

Craft and hobby show sign up
Another Craft and Hobby show is planned for the month of June. It's a chance for people to exhibit their different crafts and hobbies they work on. The general public will be invited, and if weather permits, it will be held outdoors. If you would like to display your handiwork at the show, call the Center to sign up. Registration ends June 10.

Drury Lane Trip
The day was just delightful for our trip to Drury Lane North. The bus left the Recreation Center at 12:00 p.m. We had a full bus, 45 people. Had a very lovely lunch and the play with Bill Bixby and his wife in "Send Me No Flowers" was just grand. Arrived back at the Center around 6:00 p.m. What a lovely time. We all enjoyed it.

Senior Citizens Rep.
Marion Weiner represented the Niles Senior Citizens Club when she attended the dedication of the exhibit cabinets at the Trident Center of the Niles Historical & Art Society. The ceremony began with opening speech, Mayor Blase was presented with an Honorary Plaque. Then they viewed the many interesting artifacts from the 1920 era. The ceremony was closed with champagne refreshments.

Our Prayers and Best Wishes to our sick members
Ann Dunnachie is home after spending a week at Bethesda Hospital. Glad to see Marie O'Kruta back at Club after her accident.

NILES ALL AMERICAN SENIORS CLUB
The All American Seniors Bowling Banquet was celebrated recently at the Lido's where team members and guests enjoyed an evening of dining and dancing. John Wilkin was outstanding with High Series of 617 pins and Mike Wekony had the highest individual game of 254 pins. The team is continuing to practice-bowl during the summer months to keep up their averages.

Mary Porzak recently visited her son Ron living in San Francisco and while there, he surprised her with a trip to Hawaii in celebration of her 65th birthday — a present she'll long remember.

Braves	0-1

Braves vs. Tigers [5-7-77]
The first game of the season was played at Grennan Heights on Saturday, May 7 at 2 o'clock with the Braves playing the Tigers. The Tigers won 12-3. There were 10 hits led by M. Paulis, T. Kassel, K. Kuehn, M. Hedrich, and B. Wagner. Fine pitching by Wagner, Dudgeon, McFeggan, and Kassel, with Dudgeon pitching a two-inning shutout. The Braves led for a while with 2 doubles by O'Kane.

Great pitching for the Braves by O'Kane, Frankfort, Rinaldi, and Czerlandis.
Angels vs. Mets [5-9-77]
The opening game for the Angels and the Mets was played on Monday, May 9 with the Mets winning 7-3. Timely hitting by G. Livingston and J. Garitano helped win for the Mets. Good pitching by G. Szymaniak, D. Shibovich, J. Elenz, and G. Livingston allowed three hits. The angels played a good game also with fine pitching by M. Swidler, M. Furmanski, D. Gabel, and G. Kwiatowski.

Giants vs. Twins [5-9-77]
Base hit by Doug Baum of the Giants in the 5th inning of this opening game brought in the winning run. Good pitching for the Giants by D. Fireman, D. Biede, V. Basso, and A. Krueger. Pitchers for the Twins were F. Kuhr, R. Henreid, E. Samelak, and S. Ciecko. Both teams played a good game, with the final score being the Giants 2 and the Twins 1.

White Sox vs. Indians [5-9-77]
Just like Wrigley Field, cold and windy, the opening game for both teams was one highlighted by excellent defensive play and good pitching. The Indians took the lead with a two-run first inning, but the White Sox came back to score in the second. The Indians rallied with hits by B. Lietz, B. Gattuso, F. Beyer, J. Pullen, N. DiNapoli, J. Allen, J. Barrett, and E. Kavanaugh. Pitcher for the Indians were Dinapolis, Gattuso, Pullen, and Allen. Pitcher for the White Sox were Salom, Smolen, Cooper, Bacci who did a fine job. The White Sox hits were singles by Cooper and DiMaria. Final score was Indians 6 and the White Sox 1.

Dodgers vs. Red Sox [5-10-77]
In a real pitching duel, the Dodgers won their opening in extra innings, 1-0 over the Red Sox. It was a scoreless game after six innings and with 2 out in the

top of the 7th inning, Bob Ugel hit a long homer over the left fielder's head to put the Dodgers ahead. J. Giovenco, in his first appearance as a pitcher, pitched the bottom half of the 7th and held the other team to only 1 hit and thereby preserved the Dodger victory. D. Englund had a hit for the Dodgers also. Pitchers were Sieghart, Ugel, Gembro, Englund, and Giovenco. The red Sox had 5 hits and their pitchers were Piento, Goldberg, Dombroski, Klancnik, Ruschinski.

Both teams were good enough to win.
Twins vs. Indians [5-12-77]
A good first inning was had by the Indians who took a lead over the Twins. Good pitching by Scott Johnson and Bob Gattuso kept the next innings under control. Then the Twins rallied in the sixth with final score being the Indians 7 and the Twins 6. There was terrific fielding for the Indians by Jack Pullen with good hits by Ed Kavanaugh, S. Loeper, S. Johnson, F. Beyer, N. DiNapoli, J. Pullen, and B. Gattuso. For the twins there was good fielding by Lupino and T. Scherier. The Twins' hitting star was E. Samelak who went two for two and hit a tape measure home run. This was a second victory for the Indians.

Angels vs. Giants [5-12-77]
The Angels won 3-0 with fine pitching by K. Swidler, M. Furmanski, D. Gabel, and K. Parlich for the Angels. The opposing team, the Giants, also had terrific pitching and fielding, with the pitchers being D. Biede, A. Krueger, V. Basso, and D. Fireman.

Niles Little League National Division

Well, Niles baseball league fans, it's time once again to support your favorite team by cheering for them during this season at the surrounding NBL ball diamonds.

Yes, many of these Little League players have just finished up grade school basketball, volleyball, or participated in Niles Hockey, and must now put on their baseball apparel and participate in this upcoming season.

We hope this season is just as successful as the ones in the past and many people will come to the parks this summer to witness these boys giving it their all. Remember though that these boys, umpires, and coaches will make mistakes because they're human; this league is for the boys so they may participate, better their skills, have fun, make friends, and above all, learn sportsmanship. We hope this season proves to be one packed with fun, thrills, and excitement.

Summer tennis programs at Tam Tennis club

Special 10-week and 4-week group tennis lessons, a Tennis Camp for Juniors and a "Tot Lot" program are being offered to the general public this summer at Tam Tennis Club, 7686 N. Caldwell ave. in Niles.

Programs at the air conditioned indoor tennis facility are normally limited to members of the private club, according to Head Pro and Club Manager Neil Kramer. Non-members enrolling in programs this summer will have full use of Club facilities when taking lessons, including separate men's and women's saunas and whirlpools, locker rooms and an attended nursery.

Special summer memberships are also available for the period from May 31 thru Sept. 2. Adult dues are \$15, and summer members can participate in all club offers and programs.

Mr. Kramer described a summer membership at Tam Tennis Club as a 3-month vacation in a plush country club setting. He said, "It's a chance to enjoy a change of scenery and get away from it all without leaving home."

May 7 Dodgers 6, Phillies 3

"Play ball" was the call heard on Opening Day at Grennan Heights as the man in blue dusted off home plate and threw out the ball to begin another season. In this game the Dodgers combined the pitching of Gabel and Hill, along with the fielding of first baseman Minelli, to up end the Phillies. The Phils were lead by the hurling of Zajac and Woloszyn, and the hitting of Sinacore who had two hits.

Group lessons for all skill levels are being offered at convenient times during the day and evening, Mondays thru Fridays. Expert teaching professionals offer maximum personal attention to each student in the small size classes. The 10-week program starts June 1 and ends Aug. 9. The 4-week program begins Aug. 8.

Summer tennis camps for boys and girls ages 8 to 18 are offered during a 6-week period from June 13 thru July 22 and from July 25 thru Sept. 2.

The "Tot Lot" program is a newer innovation designed for 4 and 5 year olds. Instruction involving small groups of youngsters emphasizes coordination, running and motor skills with a tennis orientation. Classes are offered at various times and days over two 6-week periods: June 13 thru July 22 and from July 25 thru Sept. 2.

Full details and applications on all programs are available daily by visiting Tam Tennis Club, located at the northwest corner of Howard and Caldwell in Niles, or by phoning 967-1400.

Frosh "B" Baseball

On May 20, the Demons will play Maine West, who they clobbered by the score of 16-0. Dan Pierrro, who gave up just two hits, both in the last inning with two outs, was the winning pitcher.

On May 2, the frosh "B" lost a pitching duel 13-11 due to the fine hitting of Glenbrook South. The Demons went into the third inning losing 3-0, but Mike Walder capped off a six run inning with a triple to drive in the last run. From then on it was Glenbrook South who got six runs in the last two innings to get the victory.

Oakton runners make all-state team

Three runners on the Oakton track and field team earned all-state honors at the Illinois Junior College Track and Field Championships held at Blackhawk Community College in Moline on May 6 and 7.

Oakton Community College placed 12th in the team competition. Running Raiders who made all-state are Bill Chamberlain, a Glenbrook South grad from Glenview, Larry Edgington, a Niles West Alum from Niles, and Tom Riley, a Notre Dame High School grad also from Niles.

Riley placed second in the one-mile run, breaking the school record.

Riley's second place finish in the mile run earned him a trip to Houston, Texas, to compete in the National Junior College Championships scheduled for 18 through 21. Riley will be competing in the 1500 meter run. Chamberlain broke the school record when he placed third in the six mile run. Edgington placed sixth in the 120-yard high hurdles and third in the 440-yard intermediate hurdles.

Junior varsity girls' softball

Maine East's junior varsity softball team beat Niles East 25-8 on Wednesday, April 27.

Starting pitcher Sue Koss, in her first-ever pitching assignment, walked only one and gave up one run in getting her team mates off to a 20-1 lead.

Freshman Kathy Najarian went three for three at the plate, including a double, while sophomore Lori Groenwald scored five runs without getting a hit.

& Marby 6-3. Philip Dybiez pitched 3 shutout innings & tripled, Michelle Avney 2 RBI's, Rob Amariti ripped out a long hit & David Matulef was awarded the golden glove.

Correct fire hazards in or near your yard

Our local Fire Chief Albert L. Hoelbl has provided this 13 article series on fire prevention and emergency procedures in the interest of greater safety in the community. The material and statistics have been compiled from information which comes across Chief Hoelbl's desk. He feels, in sharing this with the local citizens, some fire losses may be prevented, and perhaps even unnecessary loss of life.

Here we are up to Article 9 "Fire Prevention in Your Yard". And, quite frankly, there is so much more that I want to share with everyone in the community on this subject, I'm wondering how I am going to get it all wrapped up in just four more articles. It is fascinating and vitally important information for everyone.

Do not allow trash of any kind to accumulate in your yard and especially close to house, garage, or outbuildings. Keep yard clear of flammable material for 30 feet from structures.

Remove flammable vegetation for 30 feet from each building on your property. During long dry spells, cut flammable growths to 18 inches high beyond the 30 foot point, to extend out 100 feet or the property line.

Cover all chimney outlets with 1/2" mesh screen spark arrester. Be sure all flues extend at least three feet above roof. See that brackets are secure and flue collars are in place.

Check your trees. Remove all dead branches from above all structures. Remove branches, dead or alive, so that none are closer than 10 feet from a chimney or flue.

Your best fire extinguisher in the yard is your garden hose. But, water taps are sometimes too close to the house to allow their use in an emergency. Be sure you have at least one water tap well away from all buildings. Your emergency hose should be a good quality rubber, not plastic.

Check your power line coming into the house, if it is above ground. If necessary have the wires relocated to keep them away from brush or trees. Be sure close wires do not cross.

If you have an incinerator or outdoor fireplace, cover the flue with 1/2" mesh spark arrester. Be sure door can be closed tightly. Clean space of flammable material at least 10' around incinerator.

If you have a butane storage tank in the yard, be sure it is far enough away from the buildings to allow access to shutoff valve if house is on fire.

Check TV antenna. Tighten guy wires if loose. Be sure lightning arresters have been installed.

Check your telephone lead-in line to the house. Be sure lightning protectors have been installed and are still connected.

Always keep your landscape clean by removing litter, leaves and deadwood from under trees and shrubs. Prune out deadwood still on shrubs and dispose of it. Remove dead and dried portions of ground cover. Leave space between shrubs and trees to help prevent fire spread.

It is particularly important to water landscapes frequently, especially during hot, dry spells. During a major fire, any plant may burn, though some may be slower to catch and carry a fire. However, large fires have proved that plants on well-watered and well-maintained landscapes do not burn as readily as dry plantings.

Space does not permit me discussing the best types of ground cover to plant. However, I am sure that this information can be obtained readily from your favorite nursery. Some important things to remember are, the more a plant grows and the larger it becomes, the more potential fuel it produces and, consequently, the greater fire hazard it becomes. When a plant is green and growing vigorously the hazard is small; but as the soil becomes dry, the plant is able to take up less water and has a lower moisture content. When moisture in the plant decreases, it becomes more likely to burn. This holds equally true for native plants and for ornamentals purchased at the nursery. Therefore, frequent irrigations in mid-summer may make the difference between an extremely flammable plant and one which will not burn readily. Needless to say, this could be a very large loss factor when you have a fire at your home or on your grounds.

If you see the value of the information we have covered today, why not clip and save this article for a checklist, for when you can take the time to survey your own home situation. But, please, don't wait too long!

Wedding Bells

Goll - Eickhoff

In a candlelight wedding at 4:00 in the afternoon on September 11, Susan Renee Goll and Richard Paul Eickhoff were married in Holy Trinity Lutheran Church of Glenview. Pastor Robert P. Heitico of Holy Trinity Lutheran Church and Pastor William Stickley of Albany Park Lutheran Church officiated.

The bride is the daughter of Mr. & Mrs. Howard Goll of Glenview and the bridegroom is the son of Mr. & Mrs. Clifton Eickhoff of Niles.

Given in marriage by her father, the bride wore an empire-styled, high collared, sheer bell sleeves, with ruffle on bottom of full skirt, an organdy overlay with delicate appliques; with matching appliques on the long veil that covered the elegant headpiece. The bride carried a bouquet of white roses, carnations & lily of the valley.

Kathy Carr was the maid of honor. The bridesmaids were Linda Goll, Cherie Eberhardt and

Janet Eickhoff. They wore pale coral gowns with matching picture hats and carried basket bouquets of white carnations, coral roses and white starlight mums.

Mark Burka was the best man. The bridegroom's other attendants included Howard Goll, Richard Goll and Ray Perkins. Soloist Vi Nicholson sang "The Wedding Song" and the "Lord's Prayer". (The entire Church Wedding Ceremony was stereotyped by the bride's father - Howard Electronics of Chicago).

After a reception at the Fireside Inn in Glenview, the couple left for a honeymoon Cruise to the Bahamas.

The new Mrs. Eickhoff is a junior at Loyola university. Her husband, a graduate of the University of Wisconsin and DePaul University College of Law, is an attorney.

The newlyweds are making their home in Chicago.

Congressman Abner J. Mikva will address 10th District Democrats at the Annual Spring Membership Luncheon of the Democratic Women-Tenth Congressional District on Saturday, May 21 at the home of Mr. and Mrs. Ray Passis of Glencoe.

A brief business meeting of the organization will precede the Buffet Lunch.

For a change of pace following the luncheon, the gathering will be treated to the wit and wisdom of the comedy team of Stern & Tobin, political and social satirists.

For information and reservations contact Dorothy Salene at 864-5138 or Doris Wilson at 825-0976.

SJB women plan 'Emerald Elegance'

The Catholic Women's Club of St. John Brebeuf Parish, Niles, will sponsor Emerald Elegance to be held on Saturday, May 21. The Ambassador West Guildhall will provide the setting and Spiegler's of Des Plaines the fashions for the affair. Cocktail hour will begin at 11:30 a.m., followed by dinner at 12:30. The afternoon promises to be the perfect prescription for "getting away from it all".

Shown above (standing l-r) Peg Murphy, Agnes O'Connor, Peg Maher and Mary Steinert discuss plans for the up-coming Spring Luncheon.

Free public forum on childhood education

The public is invited to attend a free special Forum on early childhood education Wednesday, May 25 at 8 p.m. at the Preschool Educational Center (PEC), 355 Bellaire, Des Plaines.

Guest speakers for the Forum will be Mrs. Fran Jeroutek, director of St. Andrews' Early Learning Center in Carol Stream, Illinois, and Dr. Evelyn Stebbins, undergraduate program coordinator of Early Childhood Education at the National College of Education in Evanston.

Topic for the evening will be "Bases for structure versus non-structure in early childhood education programming." T. Schwarcz, PEC director, will act as moderator.

The mother of three children, Mrs. Jeroutek is on the advisory board of the Child Care and Development Department at the College of DuPage in Glen Ellyn. She has been at St. Andrews for five years, three as director, and obtained her Child Care and Development certificate from the College of DuPage. St. Andrews was a full day care center during its first one and one-half years of operation.

PEC is resuming its public forums as a community service and further information may be obtained by calling Mr. Schwarcz at the Des Plaines school, 296-5644 or the Skokie school, 677-8252.

Pottery skills Women's roles in the lively arts

The adventure of creating unique pots, vases and trays will be open to participants in "Introduction to Pottery-Making," a MONACEP "mini" offered Tuesdays and Thursdays from 9-11:30 a.m. for three weeks, starting May 24, at Oakton Community College.

Hugh Elito Spector, the course instructor, will discuss the slab, coil, and potter's wheel methods as well as glazing and baking. Spector, vice president of the Midwest Potters' Guild, has worked with the Evanston Art Center and has exhibited in the Midscape Gallery in Chicago. He currently teaches pottery at Oakton Community College.

Tuition for the six sessions is \$25. For further information, call the MONACEP office, 967-5821.

Ms. Verson is also a member of the Oakton Community College Women's Advisory Committee. The fee for this class is \$8.00. For further information, call the MONACEP office, 976-5821.

Marillac school leaders Maureen will be Junior Class secretary; Beth Maher will be Junior Class vice-president; Nancy Niski will be Sophomore Class secretary.

LGH's Rooming-In Program

A new mother at Lutheran General Hospital, Park Ridge, may now have an additional roommate-her baby. A "rooming-in" program was recently begun as part of the hospital's concept of "family-centered maternity care". The concept is designed to permit parents to share more in the child-bearing process.

The rooming-in program is presently available to a limited number of mothers. If the mother elects the rooming-in program with her physician's approval, the baby remains in the newborn nursery under observation for a period of time, then is brought to the mother's room from 9 a.m. to 9 p.m. each day, but is returned to the nursery during regular visiting hours. While in the mother's room, the mother gets a chance to participate in her baby's care under the guidance of nurses.

"This is especially beneficial for the woman who is a mother for the first time," says Vivian O'Donnell, assistant director of obstetrics and gynecology. "It gives her a chance to ask the questions she may have when she

begins caring for the baby at home. For the experienced mother, the program provides an opportunity to learn the personality of her child and the child's individual needs."

With Lutheran General's concept of family-centered maternity care, husbands are not treated as visitors and are free to visit anytime from 9 a.m. to 9 p.m. If the mother is participating in the rooming-in program, the father, after scrubbing and gowning is welcome to help care for the baby too. Fathers are encouraged to be with the mother during labor. Additionally if both parents have completed childbirth training classes, the father is urged to be a participant in the delivery process unless there are factors that would prevent him from doing so.

Mrs. O'Donnell reports that those who have participated in the rooming-in program find it very enjoyable and leave the hospital feeling confident in their ability to care for their babies. "Some new mothers feel like 'pros'", she says, "and many say they are ready to accept their new life as a family. They all feel that they are not bringing home a total stranger."

Lecture on weight control

A free lecture entitled "The Psychology of Weight Control" will be presented on Monday, May 23 at 8 p.m. at St. John Brebeuf's Parish Hall by Dr. Jeffrey Slutsky.

Dr. Slutsky, a clinical psychologist, is an assistant professor of psychology at Roosevelt University and maintains an active clinical practice. He will review recent developments in weight control and present an overview of current weight reduction procedures.

All interested are invited to attend.

MONACEP dance classes

Exercise, relaxation, and enjoyment are the goals of a MONACEP "mini" course in "Exer-Dance" beginning in late May.

"Exer-Dance," incorporating dance steps into exercise routines, will meet from noon-1:00 p.m. on Mondays, Wednesdays and Fridays for three weeks beginning May 23. Tuition is \$10.

The class will meet at Oakton Community College, Oakton and Nagle, Morton Grove. For further information, call the MONACEP office, 967-5821.

How to reduce your electric bill

There's 101 ways to reduce your electric bill according to Commonwealth Edison; and each money-saving idea is contained in a free booklet under that title published by the company.

The 23 page booklet gives such penny pinching hints as how to select an air conditioner, the importance of using an exhaust fan and how to pick the right light bulb for each job.

These energy conservation booklets can be picked up free at any Skokie Federal Saving's office; Dempster at Skokie Blvd., Lincoln Ave. at Oakton; and inside the Jewel/Turnstyle on Skokie Blvd.

Fire Department education film donation

Terry Vasile, Chairman of the Philanthropy Committee of the Niles Women's Club is shown presenting a check to Firefighter/Paramedic Richard Valkanet, of the Niles Fire Department. The check will be used toward the purchase of a public education film called the "Helmlich Maneuver". Also shown are other members of the committee, left, Peggy Jacobs and far right Alice Connolly.

Chicago Rose Society

Show your roses? Of course you can. You will learn how at the regular monthly meeting of the Chicago Rose Society, Thursday, May 19th, 7:45 p.m. at Oakton Neighborhood Center, 4701 West Oakton Street, Skokie. Questions will be answered and booklets and tags for correctly identifying your entries will be given to prepare you for the Rose Show on June 19th, at Chicago Horticultural Society Botanical Gardens.

The special feature of the evening will be an illustrated talk by Arthur H. Maegli, Chairman of the Milwaukee Rose Society who, as a grower of hybrid teas, Old Roses and rose trees, has developed a new time and labor saving system to protect rose trees over the winter. All are welcome. Refreshments will be served.

Niles Grandmothers Club

The Niles Grandmothers Club #699 will hold their board and regular meeting on Wednesday, May 25, at the Recreation Center, 7877 Milwaukee Ave. The board meeting will be at 10:30 a.m. and the regular meeting at 12 noon. After the meeting a raffle will be held and the money to be used for the charitable institutions the club sponsors.

LETTERS to EDITOR

An open letter to the Editor of the Niles Bugle

An Open Letter to the Editor of the Niles Bugle:

Your editorial discussion of the proposed bond issue referendum for the Niles Public Library District calls for a reply and some explanations. At the outset the Library Board wishes to thank you for being sufficiently interested in its proposal to give it space in your columns and to point out items that need further clarification.

Your first statement that the library building is across the street from Niles Public School South is in error. The library is across from the North School on Oakton Street, the South School is on Touhy. The library was put at this location for many reasons, the principal one being that at that time, eleven years ago, it was almost exactly centered north and south in both the Library District and the Village of Niles which at that time had the same boundaries. It would have been fine to put the library closer to Milwaukee ave. or even west of Milwaukee, but vacant land even that long ago just was not available. Every piece of empty land was examined very thoroughly and none was found large enough to meet the library's needs, much less at anything like a reasonable price—I can just hear your screams, Mr. Editor, if the library had paid twice as much for a smaller piece of property!

Your statement that the Library District "only comprises about 10%-15% of the entire community" has me wondering where you found your figures. At the time of construction, the library served the entire Village, then the Village started making annexations, and for a short time the District did cover less territory, until in 1972, it was able to annex the sections the Village had already taken in. At no time did the District cover less than about

85% of the Village. Besides that between 30% and 40% of the population had active borrower's cards.

The population projections for twenty years, upon which the building planning was based at that time, have already been surpassed, even without considering the additional territory annexed in 1972 and in 1974, but at that time there was absolutely no way to foresee such a phenomenal growth. The result is a much heavier population within reach of the Main Library, and so the need for additional space at the Main Library. A visit to the present facility almost any afternoon or evening will convince any visitor of the serious overcrowding, especially in the Children's Department.

Now comes the suggestion that the library should have only one facility. A moment ago you complained that "the library should have been closer to Milwaukee Avenue and farther north, enabling the greater number of young people to be able to walk to the library without crossing major intersections", now you are complaining because the library is trying to spread out its facilities so that more young people (and older people too) can reach its facilities more easily and safely from its now much larger area.

The annexation approved by the voters in 1974 added one third of the area and almost one half of the population to the Library District northwest of the then existing District. That annexation was the result of petitions from the people living in the area asking for library service from the District, and was approved by a large majority of the voters in both the existing District and the annexed area.

Since the taxes originating in the northwestern "unincorporated area" are sufficient to support

the Branch Library, and these people pay taxes for the library at the same rate as do the residents of the Village, they should have access to a more convenient facility. The Branch located at Shopper's Walk is such a facility.

Is the Shoppers Walk complex a fair investment? Mr. Editor, the owner did not ask \$750,000, as you inquire, he asked \$600,000 and you may be assured the Library Board would not be so foolish as to buy any property without a real estate appraisal. Armand D. King, Inc., one of the best appraisers in this area set the value at \$600,000 (a copy of his appraisal is available at the library office), so I believe even you must admit that \$550,000 is a fair price and a saving of the tax-payers' money. The money saved by not having to pay out rent every month together with the rentals paid to the library by the other occupants of the building will almost pay off the cost of the building within a few years.

Another part of the whole plan is the improvement and expansion of Bookmobile service to carry library services out to even more of the people in their own neighborhoods. You, Mr. Editor, did not even mention this, but it is another way in which the Library wants to serve the people more completely and more safely.

The Library Board suggests that your readers consider the values offered by this plan, consider their own values and wishes, and then express their opinions, by coming out to vote on May twenty-fourth.

Sincerely yours,
Martin Hodes, President
Board of Trustees
Niles Public Library District

Editor's note: You are correct in writing the library was almost exactly centered north and south. But it is located poorly east and west, only being three blocks from Morton Grove on its east side.

Eleven years ago land was readily available by the swimming pool-park complex on Milwaukee ave. Using the parking lot of the park district would have been logical and money-saving to taxpayers. Having the library facility in the same area as a recreational area, utilizing the same parking lot for recreation and library users, and locating the library more centrally between east and west residents seemed more logical.

The 10%-15% figure referred to the percentage of residents who resided in the school district 71 area. We contended the library was built there to satisfy the needs of these children. It is no coincidence the superintendent of school district 71 and the library trustee interested in this location is one and the same man.

The Bugle urges all its readers to submit Letters to the Editor pertaining to local issues or in response to editorials appearing in the paper. All letters must be signed and contain the name, address and telephone number of the writer. No letter will be printed in The Bugle unless this information is furnished. Of course, this information will not be printed if the writer requests same to be withheld.

Blase endorses Niles Library referendum

Dear Editor:

I heartily endorse the proposition for issuance of general obligation bonds in the amount of \$1,575,000 by the Niles Public Library District. There is a great need for expansion of the Main Library especially to give the Children's Department much needed space for improving services to the children of the District; expansion of the Branch Library by the purchase of the building at Shoppers Walk will enable the District to give full library service to the unincor-

porated area of Maine Township that is within the Library District, and better Bookmobile service will make that service better available to the neighborhoods which may be a little too far from the permanent facilities for ready access.

I appreciate what the Library District is doing to give complete library service to the entire area and give it my whole-hearted approval.

LWV encourages Niles residents to vote on Library referendum

Dear Editor:

The League of Women Voters of Morton Grove-Niles wishes to encourage citizens in the Niles Library District to vote on the Niles Library Referendum May 24. Although the League studied the libraries in Morton Grove and Niles and reached consensus in 1972, we do not have a position which allows us to support or oppose this referendum.

There is considerable information available from the Library Board and through the newspapers concerning the proposed expansion of the present building and the purchase of the shoppers

Walk buildings. There is usually a low turnout for library elections. Hopefully, the voters in the Niles Library District will realize the importance of this referendum, inform themselves on the issues and remember to vote on the 24th.

Six polling places located throughout the district will be open May 24 from noon till 8 p.m. Contact the library for the polling place in your area.

President
League of Women Voters
of Morton Grove-Niles

A merchant with a heart

Dear Mr. Besser:

I would greatly appreciate your finding some room in your paper, to make public this heart-warming incident.

I am an employee of Schmeisser's Meat Market, 7649 Milwaukee Ave., Niles.

A woman purchased a bag of meats, placed it in her car, then went to the Krispy Roll Bakery, 7633 Milwaukee Ave. When she returned to her car her bag of meats was gone. (She hadn't locked her car.) She came into Schmeisser's crying and hysterical. Before any of the employees could understand what was going on, Mr. Schmeisser approached the lady, had her come into his sausage making domain, calmed her down, and had the butcher who had waited on her replace everything that had been taken from her car. Mr. Schmeisser never even asked how much the lady had spent.

I was deeply moved, and I am sure your readers will be too.

Mr. Schmeisser is truly a big hearted person.

Thank you

Grateful to Niles Paramedics

Dear Editor:

The Troiani family would like to express their deep appreciation to the Niles Fire Department and their splendid crew of Paramedics for the many trips to the hospital and their excellent, life-saving service.

I and my family, sincerely believe that they have 'saved' the life of my wife, Sue, at least two or three times within the past two years.

As recently as last December, we were again forced to call upon the services of these brave and dedicated men when my wife Sue, suffering from a serious ulcerated stomach and a tumor, needed immediate, skilled medical attention and, believe me, her life hung in the balance.

Again, I thank my God and the Niles Fire Department whose skilled and speedy response saved the life of my bride of 48 years.

Fair arrested
A 17 year old Chicago girl was charged Wednesday, May 11 with possession of drugs, improper auto turn, no drivers license and of driving under a suspended drivers license according to police after being involved in a 3-car collision at Greenleaf and Harlem ave.

The owner of the car, James Hoff, 20, of 6957 Balmoral in Chicago, was placed under arrest, after he was called to the scene, and charged with 2 counts of resisting arrest, striking and disobeying a policeman and letting an unauthorized person drive his car.

Police said the Chicago girl southbound on Harlem Wednesday night, around 8 p.m., made a wide turn onto westbound Greenleaf, driving left of the center of the road and hitting a parked car owned by Robert Chrobak, 7203 Greenleaf, which was pushed into a 1977 Pontiac owned by Debbie Chrobak, also of 7203 Greenleaf.

Police said they found 2 bags of a leafy substance as well as a tinfoil pack of an unknown powder which was sent to the laboratory.

According to police the owner of the car fled the area on foot

when he was ordered into a police car. Niles officer Don Leavitt chased him on foot and officer James Olbrisch cornered him with a patrol car following a two block chase when he was tackled and subdued. Police said he struck out at one of the officers with his fist.

Both Hoff and the girl were placed under individual \$2,000 bail bonds, pending court hearings.

Thefts from autos

A Chicago man reported a \$240 loss of radio, cabinets and speakers from his 1974 Chevrolet Vega while parked at Golf Mill Saturday from 10 p.m. to midnight with an estimated \$50 in damages to his car.

Thieves stole a total of \$225 in CB radio and microphone from a Niles resident's car while parked at Memco, 8401 Milwaukee ave. from 8 a.m. to 4 p.m. on Thursday.

A Jarvis st. resident Thursday told police someone cut thru the convertible top of his 1973 Chevrolet taking a stereo valued at \$300 and causing an estimated \$250 in damages.

After shopping at K Mart Thursday a Niles resident came out at 9 p.m. and found burglars entered his 1976 Olds by twisting

off the lock, taking a CB radio, attache case and hand camera with total value of \$445.

A CB valued at \$85 was taken from a Downers Grove resident's 1973 Buick parked in Golf Mill Friday from 5:30 p.m. to 9 p.m. His wife's car parked in the same area was entered and a \$80 CB taken over the same period.

Thieves took a CB radio valued at \$125 from a 1977 Pontiac while its owner was in Henri's restaurant at 5960 W. Touhy.

Parked in Golf Mill a Park Ridge man's car was pried open and a \$300 radio removed with estimated \$300 in damages to the dashboard.

Shoppers theft

Police said two men in their mid-twenties fled Memco, 8901 Milwaukee ave. Friday in a car which had no license plates, after pushing a cart filled with 8 to 10 assorted appliances thru the patio pickup area around 4 p.m.

Overdose

A young woman described as a former patient of Read Center was taken to Lutheran General Hospital Sunday after she downed an unknown amount of drugs. Police said she had to be restrained in a highly emotional state when taken from a Touhy ave. address.

Burglary

Thieves Saturday broke into Pathfinders, a factory at 6201 Howard st., and made off with undetermined amounts of cash after they pried open a cigarette machine and broke open a money changer, according to police, causing an estimated \$150 in damages.

Police said the intruders first pried open cabinets in the maintenance department to obtain hammers, screwdriver and a blow torch which were used to break open the machines.

Bomb scare

An unidentified caller Monday phoned the personnel department at Pathfinder, 6201 Howard, threatening the life of a 45 year old woman employed as a machine operator.

Police said the man asked for the employee by name saying she should "be very careful because when she gets into her car there is a bomb".

Investigation of the car revealed no evidence of a bomb.

The victim said she had received a call the previous night from a man who stated, "I'm going to kill you." She told police she may know the caller's identity.

Suspicious activities

A young girl on the 8800 block of Washington told police she lay in her bed too frightened to move as she observed the activities thru her bedroom window of someone she thought was trying to get into a neighbor's home, said police.

The victim's mother told police she was the victim of an attempted burglary last year. She said it was easy for anyone to gain access to the second floor, that there were numerous youth problems and activities in the area.

A special watch was requested for the area said police.

Assault and battery

A 25 year old Niles woman told police she was followed to her car in the Golf Mill lot and assaulted by a man in his late 20's or early 30's around 8:30 p.m. Wednesday.

She said she walked to her car, entered and was about to close the door when the man appeared beside her, pushing her further into the car. She told police she began screaming but the man kept pushing and running his hands over her body. When she finally struck him, he stopped and

she quickly closed and locked the door.

The victim drove home to call the police.

The man was described as 5 ft. 11 in., weighing 170 to 180 lbs., receding dark hair worn over the ears and pulled back, with large forehead and almost squinty small eyes. He was wearing a white print shirt and dark pants.

Attempted burglary

The manager of Just Pants in Golf Mill told police Sunday an unsuccessful attempt had been made to burn the hinges from the door in an attempt to get into the store.

School vandalism

Vandals shot out windows and defaced the walls of Woodrow Wilson School, 8257 Harrison, over the weekend resulting in damages estimated at \$800 or more according to police reports.

Police said numerous windows were broken by pellets from a .22 cal. gun "or better due to the large amount of damage".

Armed robbery

Armed robbers took \$40 in cash and \$30 in jewelry from their victim after they beat him up and threw him out of the Time Machine Discotheque, 9074 Golf rd., during early morning of May 7, according to police reports.

The 26 year old victim said he was forcibly ejected from the disco after he ordered a drink around 3 a.m. Saturday. His assailant was joined by two other men who beat the victim with a flashlight and fists, taking his money and watch. One of the men opened his coat to reveal a holstered pistol.

He said he was refused re-attendance to the Disco, instead going to a nearby gas station to call police.

Don't lose your bike to thieves

Remember the bicycle USED to have? The bike riding season is here-but it is also the season for the police department theft statistics to go up. When the bikes come out, the loss increase.

More and more bicycles are being taken from open garages, unlocked bikes parked in front of stores or along side of homes. And why? The value of resale is greater than ever. It's very easy to ride away on an unlocked bike or to throw several into the back of a van and drive away.

A registered bicycle has the serial number and proper description recorded at the police department, and if stolen, the numbers are entered into the computer. Without this information, a report goes only as far as your local police agency. The cost to register your bike is only your time. It may make the difference in your property being recovered or not.

Unfortunately, a lock has become a necessary option. The loss of your bicycle could be avoided by taking these simple precautions:

1. Bring it indoors when not in use and lock it.
2. Lock your bike to a tall, fixed object.
3. Use a strong chain lock.
4. Register it with your local police department.
5. Never leave garage doors or sheds open or unlocked.

DON'T LOSE IT!

LOCK IT.

REGISTER IT.

"Telephone Operators Day"

The important roll telephone operators play in helping meet the nation's telecommunications needs will be emphasized during Telephone Operators Week, May 15-22.

The celebration was first conceived in 1976 by the Hospital Communicators-Association. This year the program was expanded to include all telephone operators in the state when Illinois State Governor James Thompson issued a proclamation endorsing the observance of Telephone Operators Week.

The official proclamation states: "Telephone Operators are the nerve center of every business and industrial operation, but because they are seldom seen by

the public their valuable services are often unnoted."

"Operators offer directory assistance and help in making telephone calls. They are frequently instrumental in providing help in times of disaster and are at the heart of our public address and pocket paging systems. In hospitals they provide the link between doctors, hospital personnel, patients and visitors in an internal and external communications network essential to the delivery of health care.

Locally, Central Telephone Company of Illinois has designated May 18 as "Telephone Operators Day" to pay special recognition to the company's toll and directory assistance operators.

If you're planning a garage sale, ERA Callero & Catino Realty will provide some promotional assistance.

The firm has put together a package to help you conduct a successful garage sale and aid in the fight against muscular dystrophy at the same time.

The kit consists of a booklet entitled "How to Run a Garage Sale," two arrow signs, a canister for collecting contributions, price tags, a Jerry Lewis poster and other useful items.

It is available without cost at ERA Callero & Catino's main office, 7800 Milwaukee, Niles.

All the realtor is asking in return is that garage sale sponsors contribute a percentage of sales or cash to the Muscular Dystrophy Assn.

The project is part of a nationwide campaign by Electronic Realty Associates member brokers to raise funds for MDA.

ERA contributions will be announced along with other donations Sept. 4-5 during the annual Jerry Lewis Muscular Dystrophy telethon on WSNS-TV (Ch. 44)

Additional information can be obtained by calling 967-6800.

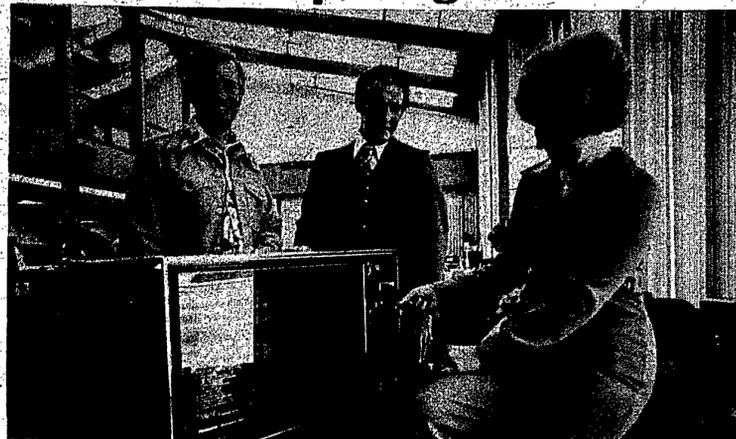

Evanston Federal Savings and Loan Association is maintaining its basic mortgage loan interest rate at 8 1/2% per annum on loans with not less than a 20% downpayment, and has increased its lending limits for such loans from \$65,000 to \$80,000.

Association President Donald G. Martens said the interest rate applies to qualified single-family owner-occupied dwellings, including townhome and condominium units.

"Maintenance of our mortgage loan interest rate should help make home buying easier for persons in communities served by Evanston Federal Savings," Martens explained. "At the present time, our mortgage loan money remains plentiful, though this situation could change without notice, depending upon loan demand."

The mortgage lending rate of 8 1/2% is in effect at Evanston Federal Savings' home office on Fountain Square, Evanston, and its office near the northeast corner of Golf Road and Milwaukee Avenue, Niles.

Niles Savings Grand Opening winners

Winners of the Panasonic microwave ovens awarded during the Niles Savings Grand Opening are shown here with Henry Ford (center), Niles Savings executive vice president. Winners are: Mrs. Cecelia Kessler of Morton Grove, and Charles Jacobs of Niles. Jacobs picked-up the microwave for his son Mark, a student, who entered the drawing during his Spring vacation.

Mikva offers social security earnings cards

Tenth District residents who would like to know the total amount of Social Security taxes that have been withheld from their paychecks may request the information by filling out a card available from the offices of Congressman Abner J. Mikva.

Upon receipt of a completed card, the Social Security Administration will inform the person of the total amount of taxes paid into the Social Security fund and will also estimate the benefit rate he or she will receive upon retirement, according to Mikva.

Completing this postcard and mailing it to the Social Security Administration, a person can obtain the total and an estimate of the amount of benefits he or she can expect to receive when they retire," Congressman Mikva said.

Persons may obtain a card by visiting or calling any of Mikva's three Illinois offices: 4016 Church Street, Skokie, 60076, 676-1350, Room 402, Des Plaines Civic Center, 1420 Miner Street, Des Plaines 60016, 297-0515, and room 3983, Kluczynski Federal Building, 230 S. Dearborn, Chicago, 60604, 353-7942.

Mikva added that Social Security administrators have estimated that it takes from eight to ten weeks for them to return the completed form.

'Math anxiety' attacked in OCC program

A one-morning program for those interested in "Overcoming Math Anxiety" will be held from 9:00 a.m.-noon on Monday, May 23, at Oakton Community College, Oakton and Nagle, Morton Grove.

Aimed at students who are afraid to enroll in math courses and compete against younger people who have learned "new math," this session explores common reasons for fearing mathematics and presents the many options for developing math skills at Oakton.

The cost for this morning program is \$3.00 for both residents and non-residents of Maine and Niles Townships, the OCC/MONACEP district.

For further information, call the MONACEP office, 967-5821.

The Time To Act Is Now!

My dear Parents, Neighbors, and Friends of Woodrow Wilson School,

Please be aware that we have some very dangerous young adults right here in this neighborhood. After several weekends we have been faced with the results of vandalism which affects all of us in one way or another.

The cost in dollars is obviously high, but the cost in the attitudes and fears of both children and adults is equally high and not always measurable.

This is not mere child's play. Yes, there is the graffiti on the brick walls that cannot be removed without great expense, so we leave it there.

But the police tell me, after inspection, that someone is using higher powered firearms to shoot out protected mercury vapor lights, shoot thru windows breaking safety glass, chipping concrete block and denting metal doors. See it for yourself and experience the impression it leaves with you.

Students at Woodrow Wilson School are amongst the finest anywhere. Many of them are aware of these incidents and even suspect who is responsible but will not tell or get involved. Many acknowledge the fear of retaliation! This is also true with several adults I have spoken with in our community.

Is this the kind of neighborhood you want where one person or a few are allowed to behave so irresponsibly?

The time to act is now! Identify these people and call the Youth Bureau at the Niles Police Department, Sergeant Gerhardt, at 647-2131, for help.

If you don't, who will? There is much more at stake here than a few acts of vandalism!

Sincerely,
s/C. Caldarelli, Jr.
Principal, Woodrow Wilson School

Ni-Gas to inspect meters for corrosion

If you are a customer of Northern Illinois Gas (NI-Gas) — residential, commercial or industrial — you are about to have your meter inspected.

In a program which began May 16, the utility plans to train about 150 college students to visually check each of its 1.3 million gas meter sets for signs of atmospheric corrosion. NI-Gas hopes to obtain information on the condition of all above-ground piping and related equipment in its 17,000 square-mile territory.

The students will work independently of company meter readers, and will be distinguished by a picture identification badge and white plastic "bump" cap, each bearing NI-Gas' orange symbol. It will be necessary for the students to enter buildings where meters are located inside, even though visible through a glass block, so that internal piping can be inspected also. Students will report findings to NI-Gas supervisors daily, and where problem areas exist, qualified company personnel will return to correct the condition.

Both female and male students will be utilized in the program, which will be in effect through Sept. 1, or until students return to classes.

Identified by picture identification badge and white "bump" cap, about 150 college students will inspect gas meter sets for Northern Illinois Gas (NI-Gas) from May 16 to about Sept. 1.

Medi-Check 'Miniatures Show'

Medi-Check International Foundation, Inc. is proud to announce the Third Annual Wonderful World of Miniatures show.

Miniatures is one of the fastest growing hobbies in the world. The show will consist of exhibits and the buying and selling of miniatures, miniature rooms and vignettes and will also feature military miniatures, dioramas and egg sculptures.

The site will be the Northlake Hotel (formerly O'Hareport Hotel) at 401 W. Lake st. in Northlake, Ill., less than 10 minutes from O'Hare Airport. The show will be presented in the 15,000 sq. ft. Convention Center.

The dates of the show are Saturday, May 21 from 10 a.m. and 10 p.m. and Sunday, May 22 from 10 a.m. to 8 p.m. The tickets, which are tax deductible, are sold only at the door and are \$2 for adults and \$1 for children under 12. This is a family type show that will be enjoyed by children as well as adults.

Proceeds of the show go to Medi-Check International Foundation, Inc., who will continue to provide free emergency medical identification devices to children and adults having hidden medical problems. For further information call or write: The Wonderful World of Miniatures, 2640 Golf rd., Suite 223, Glenview, Ill. 60025, 312/724-8280.

Volunteers needed for summer program

Teenage volunteers are urgently needed for a summer program at the Molloy Education Center, 8701 N. Menard, Morton Grove. Molloy Center is a public school for students between 6 and 21 who are mentally retarded. Pre-school children ages 3 to 5 and physically-handicapped children also attend the summer school program.

The program will begin July 1 and end Aug. 11. The building hours will be from 9 a.m. until 2:30 p.m.

The program focuses on recreation as part of the child's education; and as many outdoor opportunities as possible are made available to the students. Field trips, swimming, athletics, arts and crafts are all part of the program.

A volunteer workshop will be held on July 29 and 30.

For further information call Julia Molloy Center, 966-8600.

Niles man falls to his death

A 22 year old Niles man on a day trip with a friend fell 72 feet to his death during the weekend in Wisconsin's Devil's Lake State Park, police said.

The dead man was identified as Thomas H. Simeoni, who lived

with his parents at 8558 N. Osceola st. in the suburb.

He was pronounced dead on arrival Saturday night at St. Clair hospital in Baraboo, Wis., of multiple injuries, a hospital spokesman said.

Park official Jeffery Smollen said Simeoni fell while trying to jump between two ledges on Balanced Rock, an unusual formation that is one of the main attractions in the park, 140 miles northwest of Chicago.

Revival efforts at the scene by a rescue party from the state Department of Natural Resources failed, Smoller said.

Earlier in the day Simeoni and Kathy Blasucco of 2715 Greenwood, Northbrook, had driven to the park for a day of hiking, according to Mrs. Frank Blasucco, her mother.

Water conservation program for Niles

New homes or repairs of fixtures must have controlled ratings allowing for 3 1/2 gallons per flush for tank type water closets (cutback from the previous 5 gallons). Showers and lavatory sink faucets will have a three gallon per minute flow.

Faucets in public restrooms will be metered or be of a self-closing type. New car wash installations are required to be equipped with a water recycling system.

The Water Allocation permit also calls for villages to develop, within 6 months, a Water Conservation Plan which will initiate metering of all non-metered water services and program a reduction of industrial water requirements.

The permit also approves additional proposals to conserve total water use.

Village Manager Kenneth Scheel said Niles made a presentation to the Lake Michigan Allocation Hearing Board a year ago for a water permit, calculating village use and metering of water.

He noted that Niles ordinance governs emergency use of water for summer sprinkling where even-numbered homes sprinkle on even days and odd-addressed residences water their lawns on odd days.

Grand opening ceremony for Maryhill Memorials

Grand opening ceremonies were held on Wednesday, May 11 for the Maryhill Memorials, 8445 N. Milwaukee ave., Niles, with Niles Mayor Nicholas B. Biase officiating.

Mr. John Del Missier, president of the Venetian Monument Co., had attempted to acquire the property since 1968, formerly the site of a Sun Oil Gas Station, and was ably assisted by Mr. Rudy Laskowski, architect, and Mr. James Fess, the general contractor in providing Niles with a very eye-appealing edifice on Milwaukee ave.

Maryhill memorials is a division of the Venetian Monument Co. that was established in 1912. The Chicago plant and main showroom has been family owned and operated since its conception. The name Maryhill Memorials was selected as a geographical location familiar to many in the area.

Mr. Del Missier stated, "As a newcomer to Niles, I would like to express my appreciation regarding the manner in which I was

treated by those village officials involved in the proceedings prior to and during the completion of Maryhill Memorials property. The residents of Niles may feel justly proud of their elected and appointed representatives. They were fair, but firm. I was impressed with their general knowledge and their concern for their village."

"Summer Soups"

"Summer Soups" is the topic of an up-coming two-session MONACEP course. On Wednesdays, May 18 and 25, students of "Summer Soups" will learn to prepare gazpacho, vichyssoise, and other cool favorites. This class meets from 7:30-9:30 p.m. at Maine West High School, Wolf and Oakton, Des Plaines.

Tuition for this cooking class is \$10 for both residents and non-residents of Maine and Niles Townships.

Law Day commemorated at Gemini

Law Day was commemorated recently at Gemini School, East Maine School District 63, in conjunction with the North Suburban Bar Association. Arrangements were made by social studies teacher, Walter Kubon, in cooperation with attorney, Joseph L. Stone, who procured five attorneys to participate in 2 days of programs.

Prior to the attorneys' arrival the students discuss the facts of Lawrence Vern Grover, Stephen Howard Goodman, Robin Sue Soroka, Elyse Lauren Agran, Lynn Judith Downey, Fran I. Grafman, Maria Cristina Aspreo Lomboy, Bonnie Lynn Pozdol, Diane Sheryl Scarbrough, Kathleen Ann Tobin.

a typical criminal case and a typical civil case. These class deliberations led to a better understanding and intelligent questioning of the attorneys during their presentations.

The participating attorneys were Joseph L. Stone, Steven G. Storch, Mark Neil, Michael S. Kurtzon, Gerald Eisin and Joseph S. Holtzman.

According to Principal, Donald Huebner, "The discussions conducted provided excellent learning experiences concerning our judicial system. The faculty and students were highly appreciative of the time given us by these practicing attorneys".

Give businessmen a chance to expand library facilities

Continued from Page 12
same time built a beautiful monument of a building at the corners of Milwaukee ave., Lee st. and Ozanam ave.

This corner at one time held a gas station that most everyone objected to. After the gas station went out of business, it stayed empty for a few years and became a shameful sight. But now I think anyone who sees it will agree it makes a beautiful sight!

The Village of Niles has been fortunate to have many such thoughtful business people come our way. Now we can cheer to one more.

Our Mayor, Nicholas Blase, was an honored guest. Too bad they did not have a ribbon-cutting ceremony and a picture so all could see it in your publication.

Respectfully,
George C. Hall

Motor Fuel Tax

Illinois municipalities were allotted \$5,611,972.00 as their share of motor fuel tax paid into the State Treasury during April according to the Illinois Department of Transportation. Included was: Niles, \$18,612.

Dear Editor:

One of my pet peeves was the non-functional design of our Niles Library. I didn't stick my nose into finding out what we were getting back when we originally built the main building on Oakton.

It may be pleasant looking on the outside but internally it left much to be desired. The vast amount of poor acoustical material (wood is non-sound absorbing), the high two-story ceiling for high maintenance cost to replace lights and cleaning, etc., the general one-room concept is not pleasant to work in.

So with this referendum coming up, I decided to voice my objection to what was being proposed if they followed the same concept in the new addition. I put in my two cents and was heard out in a courteous manner.

But now a time after my appearance before the board, I realize I was not giving enough thought to the entire library problem and how it could better be solved to the advantage of many, especially the taxpayer.

First, the 750,000 addition to the present library is in part a

three-fold expansion of the present children's room, when from all indications, Niles is becoming a village of adults with few new young families coming in. As a matter of fact, the school districts are coming up with a surplus of property because they over-built compensating for baby boom. The library board today seems to have overlooked this aspect in their building program. If today's facilities are inadequate by their standards, I'm quite sure a small addition directly north of the present children's room would more than suffice, or better yet, go south into what is now that outdoor sitting area (well).

Along with the enclosing of the west wall lower floor walk in the adult section, this would more than do for the main building. The proposed opening of the former children's section to become a periodical room could be obtained from enclosing part of the non-functional second floor west wall balcony, above the present front entrance walkway.

And now comes to me what is the meat of this whole referendum — the Shoppers Walk branch, and how to get something

probably less costly.

Something that has always been in back of my mind as a waste of space were the large unused parts of parking lots in shopping centers. Recently I saw an article in the newspaper that confirmed that thought. I had other thoughts before this on how it could be used by park districts, but the library also qualifies as a good one. Especially from the standpoint of parking space, Niles free bus accessibility, north end central location, etc.

The area of Golf Mill in the southwest corner of the intersection of the drive opposite the Ford dealer and Milwaukee ave., roughly straight east of the Bridal Shop. A very little-used area. The owner of the shopping center could lease part of the lot for \$1 a year, as a civic gesture of good will, and maybe get that portion taken off his tax (real estate) because it is leased to a non-profit municipal body, or any other financial arrangement that would help the library district and maybe help him.

For a lot less than the \$500,000, the library could build the equivalent space of Shoppers Walk location, because they would not have to buy the property for the building and parking. Maybe the shopping center could also build the building and lease it at a nominal fee as a good will gesture. Whatever the way the Niles taxpayer would be ahead and so would the shopping

center. It would definitely attract more people into that area with the library there, and that can't but help the shopping center, stores and center owners. On the west side near Greenwood and Sears Service Center is a similar little used area but the east side seems like the best.

I believe we need more library facilities and space but how we get these is what is more important because the bite comes from you and me in the form of higher taxes. A \$1,000,000 expansion program or maybe less is definitely a possibility if a little hard work on the part of the library board in replanning and reaccessing were done.

In summary, look at the need for so much larger children's facilities in the main library area, especially with the bookmobiles and maybe larger branch facility, in a lower cost situation. The children's population around the main library is on the way down, as it is probably in all of Niles.

Look very hard at a better deal in acquiring branch facilities, and in my estimation a better overall location. You would be surprised how businessmen are receptive to helping out if given half the chance, especially if it can profit them in the end and make them look charitable in the eyes of the buying public.

Yours truly,
V. R. Engelman

College Leader to speak at OCC commencement

Edmund J. Gleazer, Jr., will deliver the feature address at the sixth annual commencement of Oakton Community College on Sunday, May 22, at 2:00 p.m. at Maine North High School, 9511 Harrison Street, Des Plaines.

Approximately 430 candidates will be awarded associate in arts and associate in applied science degrees, certificates in vocational technical curricula or diplomas.

Dr. Gleazer is president of the American Association of Community and Junior Colleges, a national non-profit organization serving the country's 1,200 junior and community colleges.

Executive officer of AACJA since 1958, he came to the Association from Graceland College, Lamoni, Iowa, where he served as president from 1946 to 1957. He was editor of the 1960, 1963, 1967, and 1971 editions of American Junior Colleges, published by the American Council on Education.

"This is the Community College," a book by Dr. Gleazer published in 1968, details the growth and development of the community college and expressed his hopes and aspirations for the two-year college.

In 1970 and 1971, he directed "Project Focus: Strategies for Change," an intensive examination of community college development in the United States. A book, published by McGraw-Hill in 1973, titled "Project Focus: A Forecast Study of Community Colleges," resulted from this study.

Benefit car wash at Bethany Terrace

Mr. Richard K. Waltmire, NHA Administrator, Bethany Terrace Health Care Facility, is indicating funds needed for a bus to be purchased for handicapped and elderly residents of this local 250 bed, non-profit facility. Since the launching of this Bus Fund Drive, almost one-half of the total purchase price of \$20,556 has been contributed. With Mr. Waltmire are former Mayor and Mrs. Herbert Houndt who attended the formal launching of the Bus Fund Drive.

Morton Grove, Niles and other area residents are urged to participate in a car wash and bake sale in the Bethany Terrace Parking Lot, located at 8425 N. Waukegan rd., on Saturday, May 21, 11 a.m.-4 p.m. The car wash is one of several fund-raising projects planned to raise money for a bus especially designed for the handicapped and elderly residents of this local non-profit 250 bed health care facility.

Within the resident population, Bethany Terrace is serving people from the ages of 18-100+, many of whom are on the Medicaid (Title 19) program.

Mr. Richard K. Waltmire, NHA Administrator, has stated that such a bus will provide transportation for residents to become involved in sightseeing excursions, shopping, special programs, and other community activities. According to Mr. Waltmire, people should remain as active as possible in the mainstream of life.

Employee volunteers, church and school groups, and regular "Pink Lady" volunteers to Bethany Terrace are providing the manpower for the car wash on Saturday. Donation for car wash is \$1.50.

Stars on Ice revue

Nora Rae Fergelec of Des Plaines is shown rehearsing for her role as Cinderella's stepmother in the Chicago Figure Skating Club's "Stars on Ice Revue" being presented on Friday, Saturday and Sunday, May 20-22, at Randhurst Twin Ice Arena in Mt. Prospect.

The aspiring champion of the future joins more than 150 other leading amateur skaters from the area participating in colorful Space Odyssey and Cinderella production numbers in the 2½ hour family show.

The Revue also features appearances by Linda Fratianne,

new U.S. and World Ladies Figure Skating Champion; Tai Babilonia and Randy Gardner, U.S. Pairs Champions and Bronze Medalists at World Championships; David Santee of Park Ridge, U.S. Senior Men's Bronze Medalist and top-ranked Olympic and World Team competitor; Canadian Senior Men's Bronze Medalist Vern Taylor; Barbie Smith, U.S. Senior Ladies Silver Medalist and fourth in World competition; and the fifth-ranked National Dance Team of Carole Fox and Richard Dalley.

Reserved seats are priced at \$3.50, \$4 and \$5 for adults, with a dollar discount for children under 13. Show performances are at 7:30 p.m. on Friday and Saturday, 6:30 p.m. on Sunday and at 1:30 p.m. on Saturday and Sunday. Proceeds help further the not-for-profit Chicago Figure

Skating Club's programs for developing amateur figure skaters.

Tickets are available daily from 9 a.m. to 9 p.m. at Randhurst Arena, at the southeast end of the Randhurst Center parking lot, near the intersection of Rts. 12 and 83 in Mt. Prospect. Further information is available by phoning 259-5534.

Play drama critics at Guild Playhouse

Harold LeBoyer of Skokie and John Clark of Oak Park play the drama critics, Moon and Birdboot, who view from a box the action of a murder-mystery and write their reviews as the play progresses. It's the comedy farce, "The Real Inspector Hound," closing its run with performances May 20, 21 and 22 at Guild Playhouse, 620 Lee St., Des Plaines. For ticket information, call 296-1211 between noon and 8 p.m. Renee Reade of Morton Grove is also in the cast.

Local actors out West

Portraying western characters in "The Death and Life of Sneaky Fitch" at Guild Playhouse in Des Plaines are these Niles and Skokie residents: (seated) Reid Ostrowski and Perry Smulson, Macky and Joel Cohen and their twin sons, Mitch and Marc.

In the comedy farce "The Real Inspector Hound" which is teamed with the western play, Harold LeBoyer of Skokie and Renee Reade of Morton Grove play a drama critic and the ingenue.

Final performances of the two farces are this weekend, Friday and Saturday at 8:30 and Sunday at 7:30. For ticket information, call 296-1211 between noon and 8 p.m.

Maine East Junior Prom

The junior class at Maine East will dance into a tropical paradise Saturday, May 21, at 8 p.m. in the student cafeteria, and music for prom will be provided by "Horizon." The theme is "A Night in Paradise."

Tickets are \$2 per couple and are on sale in the cafeteria during the lunch periods.

Dress is semi-formal. And if students want to make this a "lasting" memory, they can have a formal portrait taken from night. Photos by Sanford start at \$4.50 for two 5 x 7 color prints.

Prom chairpersons are Alison Grieco and Phil Millar, both of Park Ridge.

William T. Shuey, 5847 Crain St., Morton Grove, caught a 16 lb., 12 oz. chinook while fishing from his 16-foot boat near the Wilson Ave. water crib.

The chinook was Shuey's first strike on a blue and silver spoon being trolled on a downrigger while he was fishing in Coho '77, which began May 1 and continues through May 28. Each week the six largest coho, chinook, rainbow and brown trout plus 150 sweepstakes winners will win prizes totaling \$50,000.

The Chicago Park District's Coho '77 Fishing Contest is co-sponsored by the Chicago Tribune and Pepsi-Cola General Bottler of Chicago, Inc., in cooperation with the Chicago Sportsfishing Association.

Advanced drama classes present plays

The highlight of the year for Maine East students taking Advanced Drama/Acting II is the presentation of a full length play. Scenes have been performed in class throughout the year, but for many of the students, this is their first time in a full length play.

The plays will be presented on stage in the Maine East auditorium on Wednesday, May 25, at 7 p.m. Tickets will be \$1.

Initially, a play was chosen by each class. Then a student director and assistant director were chosen. Finally, tryouts were held within each class before spring vacation. The cast was selected and the remainder of the students were to serve as members of the stage crew.

The second period class will perform "Take Her, She's Mine." The director is Joan Galanter, and the assistant director is Kathy Griffin. The cast is Nancy Andjich as Molly, Gary Adelman as Frank, Felice Levin as Ann, Lory Leyman as Liz, Marc Smith as Professor Hibbets, Larry

Nathanson as Alex, Sue Rice as Adell, Jim Heath as Don, Lisa Williams as Sara, Mike Crutchfield as Emmett, and Mickey Buttliere as First Freshman. Jerry Root is the technical director.

The play is a two act comedy about the sixties.

Period four has chosen "Only An Orphan Girl" as its play for May 25. Grace Lammersfeld is the director and Gyl Leyman is assistant director. Members of the cast are Tom Reed as Arthur Rutherford, the villain; Sharon Lebovitz as Nellie, the orphan girl; George Karantimos as Swen Perkins and Linda Maloney as Ma Perkins, Nellie's adopted parents; Chuck Gordon as Dick Perkins, the hero; Dorann Orman as Ethel Rutherford, Arthur's long lost wife; Dana Dlugatch as the kindly widow Appleby; and Sue Greenberg as her daughter Lucy. The technical director is Scott Wagner.

This play is an old-fashioned Melodrama.

Reynolds Aluminum recycling program

Residents living in the area of the Lawrencewood Plaza at Oakton and Waukegan Roads, who are participating in Reynolds Aluminum Recycling Company's program, have passed the magic one and one-half million can mark.

R.J. Woosley, district manager, reported today that area residents in collecting the one and one-half million can equivalency, besides collecting more than \$10,000 for their efforts, also helped clean up the environment and help saved energy. The Lawrencewood Plaza stop was one of the original mobile unit visits when Reynolds first initiated the Chicago program in October, 1975.

At that time, the company was paying 15 cents a pound but beginning the first of this year, raised the price to 17 cents.

As part of the Chicago area program, a Reynolds mobile

recycling unit makes visits to ten suburban and three city neighborhood shopping centers. There the mobile unit manager weighs and immediately pays for the aluminum items brought to the truck during each three-hour afternoon stop. The next stop at the Lawrencewood Plaza will be on Saturday, May 21, from 1 to 4 p.m.

Reynolds pays 17 cents per pound for aluminum beverage cans and other clean household aluminum items such as pie plates, foil, frozen food and dinner trays and dip, pudding and meat containers. Certain other items including aluminum siding, gutters, storm door and window frames, and lawn furniture tubing are also worth 17 cents a pound if properly prepared. This aluminum must be free of all foreign materials, cut to lengths not exceeding three feet and should not be mixed with cans.

Northwest Symphony to present 'Carmen'

The Northwest Symphony Orchestra will hold the fourth and final concert of its Twenty-Fifth Anniversary season on Sunday, May 22 at 7:30 p.m. at the Maine East High School Auditorium, Dempster and Potter rds. in Park Ridge.

Perry Crafton, conductor, and the orchestra will open the program with the "London Suite" by Eric Coates (1886-1957). English violinist and composer. This musical work is organized into three short movements: "Tarentelle" depicts the bright, foreign atmosphere of Covent Garden; "Meditation" suggests the nobly ancient spirit of Westminster Abbey; "Knightsbridge March", with trumpet calls, is a stirring march, suggesting the start of a lively London fair.

Next, Mr. Crafton and the orchestra will present the "Symphonic Metamorphoses of

Hindemith's musical of gebrach-musik — utility music to be utilized by the performer for fun and profit. Hindemith uses Weber's themes as the foundation and makes changes in harmonies and textures.

The second half of the concert will be devoted to the presentation of excerpts from the opera Carmen by Bizet: several orchestral suites and four Carmen arias sung by Carol Cornelisen, mezzo soprano, of Park Ridge, who is appearing for the fifth time with the Northwest Symphony Orchestra.

Tickets for this last concert — \$3 for adults and \$1.50 for senior citizens and students may be purchased by calling Savena Gorsline 824-1279 or Vicki Steinbach 823-2611. Tickets will also be available at the door. Children under 12 are admitted free if accompanied by an adult.

Maine North junior prom

Maine North's junior class will sponsor the school's annual Junior Prom which will be held Saturday, May 21, at 8 p.m. in the school's south spectator gym. The theme for this year's prom is "A Love Like Ours".

Music for dancing will be provided by the rock group Blackbird.

Tickets for the prom are \$5 a couple and may be purchased through the school's bookstore.

Arts Festival Week

Arts Festival Week will be observed at Niles Elementary School-North the week of May 23.

The students' work in art, home economics, and industrial arts will be on exhibit and can be viewed Tuesday, Wednesday and Thursday, May 24 thru the 26th, during the school day.

A program by the school's concert band will be held Thursday, May 26, at 7:30 p.m.

'South Pacific'

The Devonshire Playhouse, at 4400 Grove St., Skokie, Illinois, will stage the Rogers and Hammerstein Musical, "South Pacific", June 4, 5, 11, 12, 18, 19 - 1977.

Tickets \$3.00 at door - \$2.50 in advance. Seniors and Students - \$2.00.

For reservations, call 674-1500 Ext. 55.

Seminar for working women

Working women who want to explore their career directions and develop their potential are invited to a three-session seminar on Thursdays, May 12, 19 and 26 at 7:30 p.m. at the Kaplan JCC, 5050 W. Church, Skokie. The sessions will be led by Ms. Karen Gerrard and Ms. Helen Gruhn, Jewish Vocational Service counselors. Topics are: May 12, "Now That I Am Working, Do I Like My Job?" Problems discussed will be identification of skills, assessment of goals and job fulfillment. May 19 will be "You've Come A Long Way, Maybe." Myth of opportunity and expectations, and resume writing will be discussed. The final session, May 26 will be on "A Plan Of Action." Developing interviewing skills will be stressed. Fees for the three sessions are \$10 and \$15. For further information call 675-2200, ext. 218.

"Simple Home Repairs"

"Simple Home Repairs" is MONACEP's answer to your sticking door, rattling window, stopped-up sink, or other household first-aid problems. This three-session "mini" course will meet Thursdays starting May 26, from 9 a.m.-noon at Oakton Community College, Oakton and Nagle, Morton Grove. During this class, participants will learn to check over a faulty appliance before paying a serviceman and will be able to ask questions about home repair problems they are facing. The instructor is Jim Gravin, a technical instructor for General Motors Corporation. Tuition for the three sessions is \$12 for both residents and non-residents of Maine and Niles Township, the Oakton/MONACEP district. For further information, call the MONACEP office at 967-5821.

Barbershop Singing Society

"Happy Birthday" will be sung in four part harmony all during the year, but especially during this our Harmony Month, says Walter Bohdan, President of the Skokie Valley Chapter of the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America. Barbershop singing is America's oldest song style, dating back to the 1800's. To help highlight the festivities a joint effort of the Skokie Valley Chapter and the Town and Country Chapter are conducting a special "Dave Stevens Craft Session". Dave is a master in teaching music and in just plain Barbershop singing. Men of all ages and interests are invited to learn more about this singing. Society you keep hearing about, and to join in some fellowship and singing, says Herb Kamps President of the Town & Country Chapter. You don't have to be an expert singer or even know how to read music, but you must enjoy the fun that evolves from singing. We welcome all men who like to sing to join us. It's Wednesday May 25, 1977. Where? LaRay's 7225 N. Caldwell Ave. Niles, just North of Touhy. We will begin promptly at 8 p.m.

Roosevelt's 50th anniversary celebration

What do George Gobel, Carl Foreman, Jerry Bressler, Judge Kaplan, Judge Aspen, Judge Simon, Bob Sirrot, Ellen Lanyon Ginzler and Adolph Kiefer have in common? All are graduates of Chicago's Roosevelt High School and have been invited to attend the 50th Anniversary on Friday, May 20.

To celebrate Roosevelt's fifty years of service to its community, a festive evening has been planned at the school, 3436 W. Wilson Ave. All former graduates are invited to join with their classmates between 7:00-10:00 p.m. Highlights of the celebration include individual class reunions for each of the fifty years of graduates, a display of trophies citing a half-century of athletic achievements, and a rousing review of the decades in the auditorium. Miss Ursula Blitzer, principal, suggested that "each Roosevelt alumni should call a friend who is a former classmate and ask the friend to make another call."

For additional information, you can call Mrs. Machinis, 478-6225.

Home safeguards

A three-session course in "Home Security and Safety" will be held from 10:00 a.m. - noon on Wednesdays beginning May 25, at Oakton Community College, Oakton and Nagle, Morton Grove. Sponsored by MONACEP, Oakton's adult and continuing education program, these sessions will introduce various home alarm systems used to detect burglaries, smoke and fires, and will show participants methods of protecting their homes and possessions from theft or fire.

OCC starving artist fair

Irving Marion of Morton Grove has been carving since he was twelve years old and has become so proficient that he now teaches a class in carving at MONACEP (Maine-Oakton-Niles Adult Continuing Educational Program.) He will be displaying his unique carvings at the 4th Annual Oakton Community College Starving Artist Fair on May 29 and 30 of the Memorial Day Weekend. Marion is pictured here demonstrating his skill. He will be exhibiting his carvings with over 125 juried exhibitors at the Starving Artist Fair from 11:00 a.m. to 5:00 p.m. on Sunday, May 29, and Monday, May 30. The Fair will be held on Oakton's interim campus, Oakton and Nagle (6400 West) in Morton Grove. There is no admission charge.

The fair will feature over 10,000 works of fine art, sculpture, photography, jewelry, pottery, wood carving, macrame, leather work and many other arts and crafts all priced at \$25.00 and below.

A Children's Art Fair has been incorporated into the fair also. Artists and craftspeople from the adult fair have created special pieces for children's selection in this area. They will also all be priced at \$3.00 and under.

A Children's art area will be open from 1:00 p.m. to 4:00 p.m. both days and will also have a children's art workshop where children can create their own works of art. For further information contact: Oakton Community College, Jay C. Wollin, Fair Coordinator, 967-5120, ext. 356.

"Lady On The Rocks"

"Lady on the Rocks", a play designed to increase understanding of alcoholism will be presented on Tuesday, May 31, at 8:30 p.m. in the chapel-auditorium of Lutheran General Hospital, Park Ridge. The 30-minute play is presented by professional and amateur actors from the community. A discussion period follows the presentation.

The play clearly shows the effect of alcoholism on a family. Deborah, a sophisticated, suburban wife and mother develops the illness of alcoholism but does not recognize this. Mark, her husband, a successful executive does not understand his wife's problem and consequently, does all the wrong things in dealing with her illness. Their teenage son, Danny is greatly aware of his mother's problem, but rejects the advice of his girlfriend, Sue, whose father is a recovering alcoholic.

SIR GERALD CARTER

CHANCES ARE.....

There is a large ad in this issue, by the Centel Phone Company, headed: "Chances are your company's telephones could be working harder and doing more." Sub-head: "It won't cost you a nickel to find out."

I thought it was twenty cents - a dime? Anywho, it's a pleasure to do business with this very fine company and their wonderful advertising agency - Hatton, Knaus & Partner, 200 E. Randolph Drive, Chicago. They should win an advertising award for their campaign for Centel. These ads have it all. Large human interest photos ... magnificent layout ... attention compelling headings, and an excellent body type selection. These ads show class, which is the same quality their sponsor possesses.

I love 'em, for their ads are camera-ready, scheduled well in advance, which makes life a little easier for me and my Bugle colleagues ... it's a pleasure to do business with top professionals. As in life, love, or war, there is no substitute for experience.

Chances are ... you didn't know that Sir Gerald Carter is one of the many nom de plumes or aliases of that bon vivant, that man about town, that man of letters, likeable, lovable, Ed Hanson. And chances are you also didn't know that his experience is as wide as the equator, as diversified as the Seven Seas, and in scope stretches from the social amenities of Fifth Avenue to the austere of the Plains. And that his boots have trodden the timbers of strange ships and the turf of mysterious lands, Easter Island, for example, in 1929, that pin prick in the charts of the Pacific, once one of the most desolate and isolated spots on the globe ... where stone granite gods weighing some thirty-five tons leered maliciously at man's glamorous past, and the epic futility of his hopeless future.

And chances are that you did not further know his experience has covered four wars and has run the gamut of every human emotion of love, laughter and tears. If I, Sir Gerald Carter, were to describe Ed Hanson in one sentence I would borrow the opening line of Rafael Sabatini's classic, Scaramouche, which begins: "He was born with the gift of laughter and a sense that the world was mad."

And the above words are today etched upon the ivy wall of Yale University.

Chances are as Einstein expounded, all things being related somewhere, somehow, maybe yesterday, today, or tomorrow, you may be involved or were with the other Ed Hansons. For his aliases, monikers and code names were and still are legion. Such as, "Sir Godfrey Blowheather", "Mordacai Jones", "King Con", "Shades", "The Saint", "The Reverend", "Drug Store Cowboy", "Shick", "Red", "Pretty-Puss", "Fast Eddie", "Steady Eddie", "Philo Vance", "Merrivell", "Nick Carter", "Mike Shane", "Mike Hunt", "Mike Nickols", "Alphie", "Count Mesmer", "Deep Throat", "The Bleep", "Slats", "Dr. Clitterhouse", "Condor", "Clyde", "Nick Carter", "Jimmy Valentine", "Torpedo", "Bang-Bang", "Boom-Boom", "The Yaller Kid", "Trampus", "Hot Shot", "Capt. Dowagiac", "Houligan", "Sam Spade", "Cas", "Edweirdo", "Nevada", "Shooter", "Lavender Kid", "Toots", "Valentino", "High-Roller", ... well this could go on to ad-nauseam.

Chances are you haven't seen the new Woody Allen flick at Golf Mill Theatre 2. And chances are, you may not know that Woody Allen's real name is Allen Stewart Konigsberg and he comes from Flatbush, Brooklyn, not too far from where "Old Blue Eyes" Sinatra started singing for 15 bucks a week, many moons ago.

Allen just turned 41 and like Ed Hanson has created an entirely new personality. He is currently writing a serious play and movie. Another thing, Allen is a very sexy guy - ask Diane Keaton. A former athlete in high school and college, Allen was good enough with his dukes to reach the finals of the Golden Gloves Tournament, which I once participated in before he was born or even a gleam in his father's eye. Allen now has the respect of the big ponchos of the "land of nod", Carl Reiner, Mike Nichols, Elaine May and Mel Brooks. Allen's new pix, Annie Hall is terrific. Hanson has seen it twice so far, and will see it many times more. Because there are so many fresh, new intelligent lines in it which Hanson can steal; and by applying an old Hollywood trick, give 'em the old switcheroo, so people will think Hanson's with it.

After the movie I talked with my old friend, dapper Bene Stein, and of course, tried to con him out of some dough ... but failing for the umpteenth time. Diane Mills and Karen Sylverne, Bene Stein's left and right arms, were there working as usual while Mr. Magnificence (Bene) looked on with the austere "look" which those who were born to the purple possess or those who have acquired "gelt". (Ed Hanson asked to remind his 30,000 friends in this area to immediately see this picture or otherwise he will no longer borrow money from them.)

Incidentally, Hanson's personal award to the ten best dressed men of this area will be given September 31, 1977. It has Mayor

Final MONACEP lecture

"Psychologies East and West: Beyond Cults and Conditioning" is the topic of a lecture at 7:30 p.m. on Tuesday, May 24, the final segment in a four-part series on "The Psychology of Consciousness."

The talk, held at Maine East High School, Dempster and Potter, Park Ridge, will be presented by Jay Einhorn, psychology instructor at Oakton.

Einhorn will break through the exoticism and sensationalism of fads, cults and pop-psychologies to examine the real contributions of both Eastern and Western philosophy. Western psychology is said to show the value of balance, while functioning Eastern systems teach intuitive ways of perceiving which complement logic and analysis.

The series is sponsored by MONACEP, the adult and continuing education program at Oakton Community College, and by the Association for the Advancement of Human Understanding.

Open auditions for "Fiddler on the Roof"

Fiddler on the Roof, described by one of the New York reviewers as "... one of the great works of the American musical theatre. It is darling, touching, beautiful, warm, funny and inspiring. It is a work of art."

This is the musical selected by Des Plaines Theatre Guild to open its 32nd consecutive season next September, and open auditions for the 22 roles and chorus will be held on Sunday, May 22 at 1 p.m. and Monday, May 23 at 8 p.m. at Guild Playhouse, 620 Lee st., Des Plaines.

Fiddler became the longest running musical in Broadway history, was made into a successful movie, and has been performed in over 21 foreign countries with phenomenal success. The characters of Tevye the dairyman, Golde, his unimpressed wife, their five daughters and other dwellers in the village of Anatevka have been popular since they first came to attention

in stories by Yiddish writer Sholom Aleichem in 1905.

Those trying out for roles in the musical should be prepared to sing one of the well-known numbers from the Jerry Brock-Sheldon Harnick score. These include "Tradition", "Matchmaker, Matchmaker", "If I Were A Rich Man", "Sabbath Prayer", "To Life", "Miracles of Miracles", "The Tailor, Motel Kamzoi", "Sunrise, Sunset", "Bottle Dance", "Wedding Dance", "Now I Have Everything", "Do You Love Me?", "I Just Heard", "Far From the Home I Love", and "Anatevka".

Raoul Johnson, assistant professor of Theatre at Loyola University, will direct "Fiddler on the Roof" for DPTG, assisted by DPTG board member John T. Klein. John Van Hook is choral and orchestra director, and Beth Vandenberg is choreographer. All have been associated with previous productions at Guild Playhouse. Marvin Unell, cur-

rently president of the community theatre group, will be producer of Fiddler.

Jeanne Stillman of Palatine will be accompanist for the May 22 and 23 auditions. Johnson and Van Hook, both Schaumburg residents, were director and orchestra director respectively for the 1976-77 opening musical Show Boat.

Currently on stage at Guild Playhouse are two farces, The Real Inspector Hound and The Death and Life of Snekky Fitch. Final performances are May 20 and 21 at 8:30 p.m. and Sunday, May 22 at 7:30 p.m. For ticket reservations or further information on the tryouts for Fiddler, call the box office, 296-1211, between 12 noon and 8 p.m. daily. Guild Playhouse is located at the intersection of U.S. 12-45 North (Lee st.) and U.S. 14 (Miner st.) in downtown Des Plaines.

Police tips...

Continued from MG P.1

A stroll around your neighborhood any day will tell you that a glance who's away, their porches will be cluttered with circulars, an accumulation of milk bottles on the stoop, an unkempt lawn, an empty garage with the door open or a burgling mailbox. All of these are tip offs that broadcast: "No one's home" to anyone canvassing the neighborhood.

In the evening, most empty homes can be spotted too—just look for the dark houses. It's a known fact, light is one of the best deterrents to crime; yet most homeowners go out for an evening and leave their homes completely dark. Or, they'll go off for a weekend or vacation and leave the same light burning day and night. No light at all, or a light burning continuously, is a good giveaway that "no one is home."

A simple, but effective means of having light in your home every evening is by connecting an electrical timing device to one or two lamps. Such a timer will turn a lamp "on" early in the evening, then turn it "off" several hours later. With lights turning on and off during the evening hours, it will give the appearance someone is home and may avert a possible burglary attempt!

Chief Glauner lists the following precautions for homeowners: Most burglars pick the easiest targets they can find. They want to get in, get the loot and get away as quickly as possible.

Therefore, if you put several obstacles in his way, he is less likely to try to break into your home, but will seek "easier pickings" elsewhere. By observing these few simple precautionary steps, you can reduce the possibility of a burglar selecting your dwelling as his target next time you're away.

1. Close and lock all doors, including porch, basement and garage. Use pin-tumbler cylinder locks on outside entrances and safety latches on the windows.

2. Connect a lamp to an automatic timer to turn lights in the home on and off each evening. Since noise is a deterrent, connect radio or TV to a timer.

3. Protect all doors and windows with an inexpensive, portable burglary alarm which sounds whenever someone attempts to break in.

4. Light up your porch and yard with outdoor lights to increase the likelihood that an attempted burglary would be seen. These lights can also be timer controlled, if desired.

5. Be sure all screens are fastened from the inside.

6. Never leave valuables lying around, keep them in a safety deposit box.

7. Notify the police department when you'll be leaving and how long you expect to be away.

8. Cancel all deliveries, such as the milk, laundry, cleaning, etc. Also, be sure to discontinue the newspaper or arrange to have it sent to your vacation address.

9. Have a neighbor, or your post office, hold all mail until you return.

10. Arrange with a friend to mow the lawn and sweep your sidewalk once a week. Also ask him if he'll pick up any circulars or handbills that may be left on your porch.

11. Leave your shades and blinds as you normally do; closed blinds keep the sun out, but also make an effective screen for the burglar.

12. Never advertise your departure with an item in the local paper. Give the story about your vacation to the newspapers after

final action on it at the June 21 meeting. Automatic pay increases are budgeted at 2%, implemented by a 1%, 3% or 5% merit increase dependent said Hughes on recommendations from department supervisors. Total full time employees remain at 23 with 250 part-time people over a 12-month basis. Maximum salary increase to any employee will be 7% this year.

Hughes promised no cutbacks in programming, although he said several programs were discontinued, deemed unsuccessful due to lack of interest.

The Maine-Niles Handicapped fund was increased from \$19,500 last year to \$23,000 due to salary hikes, addition of a full-time staff member and expanded programming according to Hughes, a member of the MNARH Board. Tax levy which began initially at 1/4% was increased to 3/4% and is presently levied to Niles taxpayers at 1%.

Open Space Referendum Account (OSRA) funds for completion, development and acquisition of parks is budgeted at \$425,000 (basically \$402,000 plus anticipated interest) supplemented by a \$125,000 grant (Jonquil Terrace grant return).

Total park expenditures for 1976-77 according to Hughes were \$1,395,695 although \$2,140,795 were budgeted. Budget figures were supplemented by a \$1,194,000 carryover in funds.

During the Park Board meeting May 17:

• Incumbent Comr. Jeffrey Arnold and Comr.-elect Daniel Kosiba were sworn in for 4-year terms on the Board.

• Outgoing Park Comr. William Keener who chose not to retain his park seat in the last election said his 6 years as commissioner

ended May 27 at the Administration Building.

• Commissioners delayed action to May 24 approval to enter into lease agreement with Harley Davidson Sales for leasing of 6 gasoline operated golf carts for use at Tam Golf Course. The 4-year contract calls for a gross yearly receipt minimum of \$650 per cart with a 50/50 split of revenue generated.

• Commissioners approved a \$4,710 purchase bid for a Jacobson Hydraulic Mower by Illinois Lawn Equipment of Orland Park, Ill. as lowest of four bids ranging to a high of \$5,118.95.

• Bids on asphalt installation were referred to staff for study from Puro-Pave Construction of Wheeling, \$52,685.05; Paveway Construction of Glenview, \$56,373.61; John Paving Co. of Arlington Heights, \$58,051.95

• The control room was guarded by two sets of alarm systems — one sensitive to sound, the other to heat. Both sets were linked to the Skokie police station, but no alarm was sounded there.

FBI agents theorized that the thieves used an electronic device to render the alarm systems useless.

Nothing else in the bank was disturbed, Kramer said.

"Whoever it was knew where they were going and knew where the money was," he said.

Kramer added that all the money was insured by the Federal Deposit Insurance Corp., and that no individual's account was in jeopardy.

There is no such thing as a "burglar proof" home, the Chief said, but he added, following the suggestions listed above will help to protect your home whenever you're returned.

... a rewarding experience" ... trials and tribulations were many, he said, while serving on the Board "thru the expansion of the Park District from infancy to the present day" ... "we (board members) were not always in agreement but usually in accord which makes for success of the Board" ... "It's something I shall never forget as long as I live," Keener finalized.

Keener was praised by commissioners for his unselfish devotion to committee responsibilities and dedication to park needs, for his integrity and "high spiritedness" while on the Board. Particularly, noted Comr. Steve Chameriski, "You were good for the people of Niles," urging Keener to return to the board in another two years.

Board officers retained positions for the coming year by unanimous consent, including President Jones and Vice President Arnold's self-approving votes.

Thomas Sheehan was re-appointed as board treasurer, Gabriel Berrafaso as board attorney and William Hughes retained as Director of Parks and Recreation. Retiring board secretary Ellen van Lanningham received praise for past services rendered 1973 to 1977.

• Commissioners were informed that bids on two park buses, submitted to 20 bus manufacturers, will be opened May 27 at the Administration Building.

• Commissioners delayed action to May 24 approval to enter into lease agreement with Harley Davidson Sales for leasing of 6 gasoline operated golf carts for use at Tam Golf Course. board president when we mentioned the Skokie library. He down-graded that much superior facility, implying Niles' facility is more adequate. His argument was so weak we began to question the judgment which is responsible for Tuesday's referendum.

Niles main library needs a facility which can be built vertically. The present building, however handsome, is perhaps the least functional library building in the area.

There is a desperate need for a much larger number of books. Again, the library president notes Skokie has a much larger budget than Niles. He contends Niles' district would never support a similar budget. Perhaps he is right. But he is asking Niles to support 2 library buildings while all neighboring districts have only 1. Rather than stock books, the library board seems to have an edifice complex.

Buildings seem to be the first priority. We think books should have first consideration. Most residents in the library district have to drive to the library facility. Whether they drive to Milwaukee ave. or to Oakton st. does not seem too important. Once they arrive the number of books on the shelves seems more significant.

Work covers asphaltting of parking lots at the Rec Center and Golf Course, basketball courts at NICO, Rec Center and Kirk Mill Park and leisure paths at Kirk Lane and Golf Mill Park with alternate bids.

Coin show...

Continued from MG P.1

The Franklin Mint is the world's largest private mint and is the only non-government mint in the United States that makes legal tender coinage for foreign governments.

The affiliated Franklin Mint Collectors Society is the largest collectors' organization in the world. The society provides continuing opportunities for both new and established collectors to meet, discuss their collecting experiences and exchange ideas.

The show's coin origin and evaluation booth is especially for non-collectors who want to know in what approximate price range their old coins might fall and, in the case of foreign coins, their country of origin.

The club meets the third Friday of each month at the Morton Grove Park District Headquarters and Recreation Building, 6834 Dempster, Morton Grove, Ill. 60053, Attention: CONTEST.

The contest prizes will be: 1st Place - \$50.00 Savings Bond; 2nd Place - \$25.00 Savings Bond, and 3rd Place - Award Certificate.
