CETA grant to fund 15 new positions and renovation program

NILES PARKS GET \$119,953 GRANT

by Alice M. Bobula

Niles Park District officials plan a facelift for parks and facilities and a hopeful reduction in vandalism thru use of federal grant monies.

Official confirmation of a \$119,953.45 grant thru the Comprehensive Employment Training Act (CETA) was received by Park Director Bill Hughes early Wednesday, Jan. 18.

The jubilant Hughes said the monies would fund 15 full time park positions for an 8-month period to renew, repaint and renovate park sites and buildings.

District 63 resolves great art cache

by David Besser

The case of the great art cache in District 63 was resolved Tuesday night when Oak School art teacher Ken Silberman and the School Board agreed to donate sketches from internationally-famous artist Joan Miro to a museum. But the bizarre events leading up to the midnight decision of the Board were incredulous.

District 63's school board had earlier scurried behind closed doors to determine whether or not to take legal action against Oak School art teacher Ken Silberman, who claims ownership of 2 sketches which were sent to Oak School by famed artist Joan Miro.

The Board took the unusual action after reading in local newspapers the art work could be worth as much as \$10,000. Silberman scoffed at the figure stating its value is

MG Board denies special use for gymnastic school

by Phyllis Weisberg

At Monday night's Morton Grove Village Board meeting, the Plan Commission submitted two applications requesting "Special Use" permits to the board. The first request submitted by Chairman Alan Goldberg was for a Special Use in "M" manufacturing for a Gymnastic School at 6220 Madison ct. where the property is now owned by Julian Golding. The applicant has a lease which runs till December of 1979. Since electrical fixtures are manufactured nearby, it seems that a question of safety of the students was involved. Most students are dropped off and picked up by their parents according to the Plan Commission report. However, based on the facts, the Plan Commission report.

GOLDEN AGERS GOINGS-ON

Joe Eberhardt of the Keen-Ager News was our guest speaker on Jan. 17 and we all were given information on wills, trusts, real estate, and taxes. Our gratitude and thanks to him. In the months to come, there will be many more guest speakers.

Felix Johlle and Kay Wells are recuperating nicely. Helen Heneghan left the hospital and is home also. Theresa Offenbacher and Hazel Harrington entered Lutheran General.

Agnes Anderson, one of our gallant handicapped members, was interviewed Sunday, Jan. 15 by the Mini-Cam crew of Channel 2. She expressed herself to them on how she is able to entertain and take care of herself. It boosted her spirit and the film will be shown on TV in the near future.

John Koepke is on our sick list. Tad and Ann Lesniak, two of our new members, are working hard to make St. John Brebeuf's Festival a success, which every resident in Niles should attend. It is a night out, filled with fun, laughter and a good time. Other members are also involved.

Stanley and Bernice Gozdecki, Harold and Dorothy Warman, Clara Minta, and Walter Jabczyk attended the election of new officers to the Greater Chicago Metropolitan Senior Senate Board on Monday, Jan. 16. The luncheon and installation was excellent. We receive very valuable advice for our seniors and also literature which is very informative.

Val Wasilewski, Rudy and Marie Proszek, Marge Kaderbak, Frances Henrichs and Stanley Gozdecki are sure boosting their bowling averages.

The "trio" of Ceil Mech, Marie Skutnik and Sophie Leonard have our gratitude in helping in club functions. We welcomed in 10 new members on Jan. 17 and we are open to all seniors of any denomination. Our members think strongly, speak wisely, listen to others, eliminate hatred and discrimination and seek union and accord with the people and Village officials of Niles.

Happy birthday to our members in Feb. - Ida Safranik, Ida and Frank Paoletti, Clea Johlle, William Meyer, Eietta

Bandaccari, Marie Waak, Betty Schoenberger, Mary Catanzaro, Chester Furmanski, Dorothy Warmann and Walter Kruczynski.

NEWS FOR ALL NILES SENIORS FROM THE TRIDENT SENIOR CENTER - 8060 Oakton 967-6100, ext. 76

There are still some tickets left for the trip to Candlelight Theater on Tuesday, Feb. 7. After lunch at the theater, we'll see the matinee performance of "The Sound of Music". We'll get back to the Center around 6:30 p.m. This play has been receiving excellent reviews, so you won't want to miss it. The cost is \$14.50 and this includes bus, lunch and theater. If you want to reserve a place, call the Center.

GENERAL ACTIVITIES

Quilting will be meeting on Wednesday, Feb. 1 at 1:30 p.m. They're making lovely decorative pillows right now, so be sure to stop in for it. On Friday, Feb. 10 at 11 a.m. Linda Biga will be giving her monthly book review at the Center. She'll tell the story of the book she's selected.

LEGAL ASSISTANCE ON WILLS

An attorney will be at the Center on Friday, Feb. 3 for individual consultations on wills. He can help you with questions you may have about your existing will. There's no charge for this service. If you need a will drawn up, you must meet certain requirements. Your income can't exceed \$10,000 and your assets excluding car and house can't be more than \$10,000. There's a nominal charge of \$50 to have a will drawn up. Appointments are necessary, and you can make one by calling the Center at 967-6100, ext. 76.

FREE TAX SERVICE FOR SENIORS

Now that the tax season is here, the Niles Senior Center is sponsoring a tax assistance service for seniors. Two tax aides who have successfully completed the IRS training session, will be available at the Center every Friday morning starting Feb. 3. They'll complete your state and federal tax returns at no charge. All you need to bring in is information on your income and expenses for 1977 (pension, social security, wages, property taxes, medical expenses, etc.). These are individual appointments. To make your appointment, call the Center. TAX CONSULTANT AVAILABLE ALSO

If you just have questions about your state and federal income taxes there's a tax consultant here to answer them. He'll be at the Center on Tuesday afternoons from 1-3 p.m., starting in February. There's no charge for this service, and you don't need an appointment to see the tax consultant. All questions will be kept confidential.

HOMESTEAD EXEMPTION INFORMATION

Property taxes are high as it is, and always seem to be on the rise. A representative from the Assessor's Office will explain how property is reassessed and how to appeal your reassessment. He'll also explain how the Homestead Exemption works. He'll be here on Monday, Feb. 6 at 1 p.m. After his talk, he'll answer questions.

MERCHANT DISCOUNT PROGRAM TO BEGIN

The merchant discount program for senior citizens is beginning on Monday, Jan. 30. Be sure to check other areas of today's paper for details.

Niles Library Administrator Frank Allen Retires

Administrator of the Niles Public Library for 15 years, Frank Allen was honored Saturday, Jan. 21 with a Retirement Testimonial dinner for 100 guests at the Chateau Ritz, 9100 Milwaukee ave. in Niles.

The library director is retiring Jan. 31 to move with his wife to New Port Richey, Florida, where they are building a home.

Numerous acknowledgments and testimonials were reflected in letters and telegrams from the administrator's brother, Rev. Paul L. Allen, Senator Charles Percy, friends and former colleagues in San Luis Obispo, California, the Wilmette Public Library and Morton Grove librarians.

Oakton Community College officials sent commendations for his many years of service and for

consistent cooperation with the junior college in Morton Grove.

Presentation of a book and gift check made by Niles library staff member Lois Grant initiated a standing ovation from other staff members and associates present at the Saturday night dinner.

The first of many plaques was presented to the retiring administrator by Niles Mayor Nicholas B. Blase who commended him on the "quiet dignity which propelled our Library District effectively and successfully..." expressing thanks for the "wisdom and knowledge distributed to our young over the years."

A book plaque proffered from the Niles Library Board of Trustees for 15 years of dedicated and devoted service to residents of the Niles Public Library

District eloquently stated: "Of all the treasures of the world, the printed word is the most priceless denoting the accumulated knowledge of man since the beginning of time."

Other plaque presentations were made by Lions President Frank Hanson, State Legislator Penny Pullen for the Maine Township Board and by State Senator John Nimrod on behalf of the Niles Township Board.

State Rep. Eugene Schlickman read a resolution presented to the House of Representatives Jan. 11 which honored Allen for his "dedication to the library in professionalism" and extended "congratulations and best wishes for the future on his retirement."

The retiring librarian who received standing ovations before and after his address told dinner guests he was unable to list the many people involved in the progress of the Library District but did pay homage to

Board Member Clarence Culver recently resigned as trustee due to ill health.

"The Niles Public Library has lost one of the finest influences for betterment it has ever had," noted Allen in tribute.

Commenting "the primary object of a library is to provide for all people an open door for broadening of their own knowledge and skills," Allen went on to say "development of the Niles library has been phenomenal thru trustees, staff and a lively interest of the people, providing

a collection of books which we can truly be proud."

A native of Illinois, Allen was born in Rock Falls in 1910, graduating from St. Mary's grammar and high school in Sterling, Ill. A degree as Bachelor of Literature was followed by graduate study in Chicago and a degree in Library Science from the University of Illinois. He later served in the Armed Forces and came to Niles in May, 1963 from San Luis Obispo where he was college librarian.

MG Police seek CB volunteers

C.B. radio patrol program. The patrol was formed in Feb. 1977, consisting of village residents who use their own mobile C.B. radio or

base unit. The members with mobile units patrol the village, usually on weekend evenings on the lookout for suspicious activities, or writing warning tickets to residents who have been careless about their security, such as leaving their garage door open. If a patrol unit sees a suspicious activity, he radios a base unit, who then calls the police department. The members act as additional "eyes and ears" for the police department, and are not authorized to take any action on their own. Members are asked to donate at least 2 hours of patrol time each week. The C.B. patrol, called the Morton Grove Mobile Eye Patrol, has logged over 4,000 hours of patrol time since its inception.

Thanks to you we're still growing!

The First National Bank now has total resources over 200 million dollars

It was just 65 years ago that the First National Bank of Des Plaines opened its doors to the people of Des Plaines. On that day in 1913, the bank had \$60,000 in assets, plus the determination to grow with the city. Now, Des Plaines is a city of 60,000 and its growth has helped boost the total assets of the bank to over 200 million dollars.

Thank you, Des Plaines. Thanks to you, we've helped each other grow. Together, we've both come a long way, and we can both go a lot farther.

All around us, the city is growing. The Des Plaines Mall is open, and next door to it is our new home. It is our investment in the future of Des Plaines.

DIRECTORS OF THE FIRST NATIONAL BANK

Today, these men are helping to shape the destiny of the bank, as well as the city. Prominent and distinguished businessmen from the area, all sharing a common concern for investments in Des Plaines.

Ever since 1913, members of the board have been making decisions that affect Des Plaines in many ways. Helping people buy and maintain their homes, cars, and places of business. Financing new industry as well as new jobs. Using the resources of the bank to help make Des Plaines a better place to live and work in.

And, today with over \$200 million in total assets, we can do even more to help the city that has helped us grow.

SPORTS

Cross-country skiing

An all-day MONACEP workshop on "Cross Country Skiing and Survival" will meet on Saturday, Feb. 4, from 9:30 a.m.

to 4 p.m. at Oakton Community College. The session will be held on the Oakton Interim Campus, Oakton and Nagle, Morton Grove.

Instructor Patrick Curtis will discuss various aspects of winter camping, cross country skiing, and places to buy or rent the necessary equipment.

The fee for this program is \$20 for both residents and non-residents of the OCC/MONACEP district. MONACEP is the adult education program of Oakton and the Maine and Niles Township high schools.

For further information, call the MONACEP office, 967-5821.

Demon gymnastics

Both the Maine East varsity and sophomore gymnastics teams defeated Glenbrook North and Maine South the weekend of Jan. 13-14. The Demons remain undefeated in conference competition.

Outstanding performances were by Joe Ray, who averaged 8.13 in the all-around; Lee Blumenfeld, with an 8.45 on parallel bars; and Chris Jurica, with an 8.6 in vaulting.

Brebeuf "ties" Arlington Heights All Star Team

The game was touted as an exhibition basketball game, but one would be hard pressed to recognize it as such! The seventh grade St. John Brebeuf first string team stayed in the entire game as the lead see-sawed back and forth many times, finally ending in regulation time with a 56 to 56 tie -- a score more likely to occur in a high school game but very rare at grade school level competition. St. John finally succumbed to defeat in a three minute overtime period. The All Star team was comprised of the top players from sixteen different junior high schools in Arlington Hts. This game was a tune-up game for the All-Stars in their bid to win two STATE seventh grade championships in a row.

When Coach Dan Kosiba was asked why he seeks such difficult competition for his grade school basketball teams, he replied by saying "I want my kids to be able to say they played against the best competition we could find. Winning is nice when it happens, but more importantly the boys strive harder. They develop self-confidence in their over all abilities."

The scoring for St. John's was lead by Tony O'Brian with 29 points. Paul Marusek and Mike Parker followed with 12 points each. Bob Barrett scored 6 points and John Sherwood rounded out the scoring with 5 points.

A parent who has seen nearly every game this St. John team has played in the past 2 years remarked "Coach Dan Kosiba has created a monster! I would hate to be the opposing coach in any of their conference games unless I knew several of their players had the flu - it's the only time they lose!" Dan Parker, who received an All Star award this year, was missing from the All Star game with the flu.

Recently, this St. John team met a team they had beaten by only one point last year in a championship tournament game. This year the same opposing team wasn't allowed a single point during the entire first quarter. The second string came in for the St. John team and maintained a 30 point lead throughout the game. Included in this super second string are Tim Wolozyn, Mike Drobobl, Tim Sparkowski, Henry Zajak, Tom Sykto, Jim Kitching and Bob Burke.

Last week, after the "exhibition All-Star game", St. John's seventh grade team went on to drub four straight conference opponents by runaway scores. Included in that series was a stunning victory over last year's Conference Champion St. Juliana of Chicago, avenging a tournament championship loss of several weeks ago when several starting players (John Sherwood and Bob Barrett) were missing from the starting line up. In that game, St. John took charge and never relinquished the lead. At one time they lead by an amazing 22 points! With this victory St. John's seventh grade team is now in an excellent position to capture the Northwest Catholic Conference Title -- perhaps undefeated in conference play.

Maine East girls' basketball

The Maine East girls won their fourth basketball game of the season on Jan. 12 by beating Maine West 48-36. Kathy Perry had a game high 20 points and added 11 rebounds. Lori Magnusson had 16 points, which included 8 of 10 freethrows, and had 4 assists. Sheila Finnegan had a team high of 15 rebounds.

However, the Maine East girls couldn't match the quickness of Waukegan West on Jan. 14, losing 83-30, as the Waukegan starters kept up the pressure until the final minutes. Kathy Perry led the effort with 8 points and Janet Hoosline added 12 rebounds.

Notre Dame to honor Rev. Stroof and Greg Luzinski

Notre Dame High School, Niles, will hold its 2nd annual basketball homecoming game and alumni party on Saturday, Jan. 28, at the school. The battling Dons will meet the Maine East Demons for a big non-con-

ference neighborhood showdown. The sophomore game will begin at 6:30 p.m. and the varsity game at 8 p.m. The homecoming party will be held in the cafe after the game. All alumni, their wives, families, and friends are welcome.

Boys' gymnastics
The Maine East gymnasts defeated Glenbrook South Friday, Jan. 6, by a score of 134.32 to 107.52.

However, on Saturday, Jan. 7, the Demons lost a non-conference meet to Buffalo Grove 124 to 134. Maine East was without the services of Ron Bartusiak, who injured his knee against Glenbrook South. Lee Blumenfeld scored a season high score on the parallel bars with an 8.35 score.

his high school baseball jersey is officially retired. The post game party will feature live entertainment with one of the school's Melodon jazz groups, prizes, and refreshments. Admission will be \$1.

Greg Luzinski played both football and baseball for his four years at NDHS. He holds five school records in baseball, most of them set in his senior year. Father Stroof is a native of St. Louis, Missouri, and has been a member of the Social Studies Dept. at NDHS since the school opened in 1955. He earned his A.B. and has his M.A. also from the University of Notre Dame in Modern European History. He was president of the

History Teachers' Assn. of the University of Notre Dame for several years.

In 1956 he organized the Cross and Anchor Club at NDHS and is still its moderator. He was also moderator of the Student Council from 1964 to 1969 and has retained the supervision of the annual Mardi Gras before Lent for the missions. He was appointed the Alumni Director in 1976 but still teaches History two periods a day.

LETTERS to EDITOR

Notre Dame praises dedication of Niles Police

Editor's Note: The following letter was received by the Niles Police Dept.

Dear Chief Emrikson: I would like to express the thanks of all at Notre Dame High School to the Police Department for their work on Monday evening, Jan. 16, 1978. While nothing major occurred, I know that the prevention of anything happening was the result of your department's alert observation. Let me explain.

One of your officers while on routine patrol observed the rear door of our school opened and lights on in the building about 11:45 p.m. on the above date. He notified the station who called me by phone. I came over to school and by this time there were four officers on the scene. They came with me on a search of the building to make sure that all was O.K. While nothing was found to be out of order and no ex-

planation can be found at this time for the door being opened or the lights being on, their concern and interest in this matter warrants the highest praise. No doubt this observation is the result of good training and a dedication to the philosophy of a very good Police Department.

I did not get the names of the four officers but I would like to tell you that these men are a credit to

your department and to themselves. Their concern that all was in order certainly impressed me. It would have been easy for them to say, something like, lock the door and if you find anything call back, but they made sure before leaving that all was in order and if there happened to be somebody in the building my safety was uppermost in their minds.

If possible I would like for you to let these men know that their work is very much appreciated by all at Notre Dame. I would also like to add a thank you for the countless other times, that for various reasons, we call for the assistance of the Police Department. These calls are always made with the confidence that Niles Police can handle whatever the situation may be with a quiet, dedicated professional approach, and reach a satisfactory solution. All of Niles can be proud of and be assured that they have a true friend in the men of the Niles Police Department.

Thank you for giving me this opportunity to say a few long overdue words about the Niles Police. Sincerely, John P. Burke, Business Manager, Notre Dame High School, Niles.

"Fantastic job"

Dear Mr. Besser: Sorry about the fire - but you are doing a fantastic job getting out the paper. Congratulations - Happy New Year. Sincerely, Clare Doud, Niles, Ill.

Flynn urges voters to read local newspapers

Dear Editor:

My name is Thomas Flynn and I am a Democratic Candidate for State Senator in the 4th District. I also ran for State Senator in 1972 and State Representative in 1974. Still, on primary day on March 21, many voters will ask who is Tom Flynn and what does he stand for? The unfortunate fact is that many local candidates will not be known by even the voters in their home towns. I urge you to read your local suburban newspapers and read the press releases of the various candidates. This is the only way to properly inform yourselves of what we candidates are saying and what we will do if elected.

We have a great Democracy here but we have to work at keeping it an informed electorate. Many foreign nations do not allow anyone to vote for office except a few members of the leadership. Their citizens never vote for anything except with their feet by fleeing their homelands. I urge you to buy and then read your local newspapers. If you do then you can vote with the confidence that you agree with Tom Flynn or do not agree with him. If you do then you can vote with the confidence that you did your small part in our Democracy. Thank you and remember you must be registered on March 21 to vote for any of us. Please register early.

Sincerely,
Thomas W. Flynn

Congratulates local School Boards

Dear Editor: We heartily thank school boards '62, '63 and '64 for ratifying the new Articles of Agreement with the Regional Services Agency.

Members of those respective school boards, by that action, have endorsed a concept of service to low incidence handi-

capped children such as the hearing-impaired and deaf.

Such long-term involvements are not arrived at easily and we believe board members exerted many hours of work in attempting to comprehend these youngsters' needs and benefits associated with the endorsement

of R.S.A.

We believe a special thank-you is in store for the delegates from Maine Township who labored for 19 months along with delegates from other areas to find a compromise agreement.

Most Sincerely,
Dan and Eileen Hirschfeld

Grazian endorsed by Maine Township GOP

A local resident, Leonard Grazian of Morton Grove, received endorsement last week of the Maine Township Regular Republican Organization for one of three new suburban judgeships.

Grazian also was endorsed by the Suburban Republican Organization, which encompasses all the suburbs of the Chicago-land area. He and the other two candidates were screened in November and received the approval of the GOP group as most highly qualified.

Phil Raffae, Maine Township GOP committeeman, said this week, "I am especially pleased Len Grazian will be a candidate for one of these new judgeships. Maine Township will now finally have a full circuit judge. Grazian has given sacrificial service to **Maine Township GOP women meet**

Carol Vander Weyden, guest speaker at Friday's dessert meeting of Maine Township Republican Woman's Club, has wide experience in political activities to draw on for her talk on "Techniques for Winning Elections".

The program is open to anyone interested in learning more about the Republican Party and its beliefs, and will be held in the Blue Room of Des Plaines Public Library, Grace-land and Thacker sts., beginning at 1 p.m. Coffee and dessert will be served.

Residents donation to Lincolnwood Library

A Lincolnwood community organization, Concerned Lincolnwood Residents, has made a donation of \$343.25 to the Lincolnwood Library, announced Mrs. Ladonna Kienitz, the library's head librarian.

The organization is comprised of homeowners in the area of Lincolnwood bordered by Crawford, Lincoln and Devon and has been active in various community activities for several years. Originally formulated to oppose a zoning variation that would allow Joseph Lumber

Company to enter its area, the group collected donations from the residents to mount an informed presentation before the zoning board.

The group has continued to remain involved in various community concerns, and now has decided that after two years their "final gesture would be to make a donation to a valuable community organization" according to the group's spokesperson, Mr. John Carlson of N. Springfield

ave. in the village. Mrs. Ladonna Kienitz accepted the gift with great pleasure. "I'm so pleased to see Lincolnwood residents concerned about the needs of their new library," she commented. Mrs. Kienitz plans to use the generous funds to buy some of the major reference books that will be most beneficial to the library patrons.

Objecting Attorney Asks Cancellation of Petition Zoners "Lack Jurisdiction" in Proposed Touhy PUD

The Niles Plan Commission and Zoning Board of Appeals was told Monday night the village could be involved in fruitless litigation should zoners approve rezoning of a 23-acre vacant tract for a high-density housing development proposed near 5701 W. Touhy ave. in Niles adjoining the Edgemark area of Chicago.

Zoners continued to Feb. 27 the petition by American National Bank Trust Samuel Robbins Sole Trustee to rezone the land from manufacturing to R1 Planned Unit Development (PUD) for clarification of legislative procedures and for presentation of documented PUD requirements by the petitioner.

Immediately prior to a projected Zoning Board delay in action Louis Ancel, Chicago attorney for the Edgemark Community Association of 1400 families, urged cancellation of the petition because he charged "this entire proceeding (Open Hearing) does not comply with the law."

Ancel said after undergoing extensive preliminary research in the case, he now questioned the legality of the petition and "came to the conclusion your body (Zoning Board) lacks jurisdiction."

Among alleged noted irregularities and discrepancies in legal procedures, Ancel labeled "defective"

a published notice by the Board which did not contain the required legal description of the property to be rezoned; stated as improper the petitioned rezoning to R1 (single family) PUD instead of the correct R4, multiple family, PUD; said that procedures under village code for rezoning were not observed in proper order and that witnesses in prior hearings had not been placed under oath before giving testimony. He finalized with the request that "these proceedings be put in annulity."

"You are very articulate," Zoning Comr. Kenneth Cohen told Ancel. "While this board is not a judicial body, we have a high regard of responsibility, fairness and do not infringe on the rights of individuals." He offered however a 6-week delay to research charges made by Ancel.

The petition for rezoning came up for the third time at the Jan. 23 Open Hearing. The original request last Oct. for 624 units was modified Dec. 5 to 354 units of 118 three-flat buildings. Rentals went from \$290 plus utilities for a two-bedroom apartment to \$400 plus utilities for three bedrooms. Units would sell for \$160,000 to \$170,000.

Edgemark homeowners and other area residents strongly protest the PUD citing traffic problems, safety hazards, added students to Niles classrooms and the proposed density would be detrimental to the community.

Zoners find nothing unique in the PUD planning in the way of greenery, parking and other looked-for amenities. Other planners have come in with

beautiful plans in color and in three-dimension for zoning approval," said Comr. Cohen. "Looking at yours," he told Jerome Schain, attorney for the petitioner, "is an absolute shock because it represents a stacking of buildings with 2 very small parks."

Ownership of the property has confounded zoners noted Comr. Charles O'Grady who said his personal research revealed a 103% ownership under innumerable trusts "all over the country."

The property was previously involved in a proposed land trade turned down by Chicago last July whereby Niles would have acquired a triangular piece of property within Milwaukee, Howard and Harlem ave. in exchange for Chicago annexation of the Touhy land to permit construction of 135 homes.

Attorney Schain representing owner-petitioner Joseph Judah (now under trust agreement of Samuel Robbins) said his client originally planned to build 135

single family homes under Chicago annexation. Construction of the homes in Niles was not feasible he said due to added costs of \$600,000 to bring in Chicago water.

O'Grady maintains that if Chicago did not want Niles to zone multiple (the rezoning petition has been protested by Chicago Alderman Roman Pucinski and 45th Ward Alderman Fifelski), Chicago officials could resolve the case by allowing water and sewer rights.

Robert Mulcahy, President of the Edgemark Association, asked indulgence by the Zoning Board for engaging the services of Ancel. "We're not trying to be antagonistic but are here as good neighbors," he told commissioners. "We need your help."

He noted that sewer lines from the Edgemark area were not adequate to handle additional needs from the area under petition for rezoning.

Approximately 60 area objectors attended the Monday Open Hearing in the Village Council Chambers.

Stop smoking clinic

Smokers ready to break the habit are invited to attend a "Stop Smoking Clinic" for five consecutive evenings, Sunday through Thursday, Feb. 12 to 16, at Maine East High School, Dempster and Potter, Park Ridge.

The five sessions, meeting from 7:30 to 9:15 p.m. are sponsored by the Seventh Day Adventist Church of Northbrook in conjunction with MONACEP, the adult education

program of Oakton Community College and the Maine and Niles Township high schools. The clinic will be directed by Arthur Fry who has led MONACEP's Stop Smoking programs for several years.

The cost of the five-evening program is \$9 for both residents and non-residents of the OCC/MONACEP district.

For further information, call the MONACEP office, 967-5831.

THEFTS ...

Two IBM Selectric typewriters valued at \$1,100 were reported stolen overnight Jan. 13 from the office area of Gould Corp. at 6565 Howard st.

An 18 year old Park Ridge girl reported her raccoon coat stolen from the Time Machine, 9046 Golf rd. She said she checked the coat at 1 a.m. Jan. 15 and when she returned for the \$350 coat it was gone.

Someone broke into the metal oil can locker on the driveway of the Service Station at 9000 Milwaukee ave. overnight Jan. 12 taking 25 one-quart cans of Shell Motor Oil valued at \$1.25 each.

A 67 year old tax assistant living at the Leaning Tower Y, 6300 W. Touhy, told police someone entered his room around 8 p.m. Jan. 12 taking 1,274 shares of revenue stocks with an undetermined value.

VANDALISM ...

During the night of Jan. 12 BB pellets put 2 holes into the plate glass window of Jack's Barber Shop at 8100 Oakton st. causing replacement damages of \$350.

POSSIBLE O.D. ...

Police investigating a complaint of a woman sleeping in a car at 9 a.m. Jan. 13 in the Wit 'N Wisdom parking lot in Golf Mill found a 46 year old Des Plaines woman incoherent in the car.

After investigation of the auto revealed she took an unknown amount of valium, she was taken to Lutheran General Hospital where officers were told she had been released the night before for the same thing.

FOUND ...

A cash register taken in a previous burglary of the New Look Hair Design at 7538 Milwaukee ave. was found on the front lawn of a Loras Lane residence during the early morning hours of Jan. 12.

USES STOLEN CREDIT CARDS ...

A Zion teenager had three stolen credit cards in his possession at the time of his arrest Jan. 18 when he tried to buy a panasonic record changer at the Treasury, 8500 Golf rd., with a stolen Master Charge card.

Police said the charge cards had been taken in theft from a Zion resident's auto Jan. 17.

CASHES STOLEN CHECKS ...

A 27 year old Des Plaines man was charged Jan. 13 with theft and attempted theft for cashing a stolen check and attempting to cash another at the Dempster Plaza State Bank, 8500 Dempster st.

Arriving on emergency dispatch, police blocked the bank exit and apprehended the man as he attempted to drive out of the bank lot.

LOSES CAR, RECOVERS SAME ...

One Des Plaines resident will not carry fond memories of the January snowfall. The 46 year old engineer said he was westbound around 5 p.m. Jan. 13 on Main st. near Ottawa when several snowballs hit his car. He exited the car and reprimanded several nearby youths who pelted him with more snowballs.

When he chased the five youths, one ran back to the victim's 1977 Mercury Cougar and drove off. A police search of the area located the car parked in the 8300 block of Olcott.

THREATENING PHONE CALLS ...

Someone speaking in a horror-type voice repeatedly called an elderly Birchwood ave. resident at intervals Jan. 18 from 7 p.m. to 8 p.m. stating, "You are going to die!", after which the caller hung up the phone.

C.B. Patrol Awards

Three Morton Grove citizens received awards for their outstanding cooperation and help in the law enforcement effort at the Jan. 9 meeting of the Morton Grove Village Board. Two of the recipients of the "Certificate of Appreciation" were Morton Grove Mobile Eye Patrol members.

The Mobile Eye Patrol is the all volunteer group of Morton Grove residents who patrol the streets in their own vehicles using their own C.B. radio equipment to report suspicious activities or crimes to the police. Since the inception of the patrol club last February, members have logged over 4,000 hours of donated patrol time.

Shown above l. to r. are Chief Norman Glauner, Irwin Stone, Stewart Balter, Steve Clarkon, and Mayor Richard Flickinger.

SJB students entertain elderly

"Neither sleet, nor snow..." applies to both mailmen and volunteers. On Tuesday, Dec. 20, during one of this winter's heaviest snowstorms, over sixty, sixth grade students from St. John Brebeuf School, 6301 N. Harlem, Niles, voluntarily visited the residents of Bethany Terrace Nursing Home, 8425 N. Waukegan, Morton Grove. Accompanied by Sr. Joan Stoffel, principal; Sr. Rita Herrig, sixth grade teacher; and Mrs. Joanne Belmonte, the students walked to and from the home through the storm.

During their visit, they participated in a Mass celebrated by Father Don Hughes and sang Christmas carols. After the Mass, the students visited the elderly and presented each with a festively wrapped gift of soap or facial tissue along with a personal card created by the students.

Puccio urges voter registration

James Puccio, Maine Township Regular Democratic Committeeman Candidate, is urging all persons eligible to vote, to be certain they are registered so they can exercise their constitutional privilege in the upcoming Primary Election on March 21, 1978. Many people believe they are registered to vote, but because of changing addresses or failure to have been counted in the canvass of the 1974 Election, their registration may have been canceled requiring re-registration.

A citizen who is 18 years of age or older and meets the minimal residency requirements can register to vote at their City or Village Clerk's office during business hours or at the Maine Township Clerk's office, or at the office of the Cook County Clerk, 118 N. Clark St., in Chicago. On February 21, 1978, thirty days before the election, you will have the opportunity to register at your local polling place.

Flynn: Candidates should engage in public debates

Thomas Flynn, Democratic Senatorial Candidate, today proposed that all five Republican and Democratic Senatorial Candidates engage in public debates. Flynn said that in both political party endorsements that the average voter had no input as to who would be endorsed. He said that the voter had a right to hear and question each Senatorial Candidate in a public forum administered by local suburban newspaper reporters.

Mr. Flynn said, "I agree with Republican Tom Rueckert that the Maine Republican Organization endorsement of Sen. Nimrod was a sham. I know at least two Republican precinct cap-

until 9 p.m. Puccio stated, "Registration in the Precinct is usually the most convenient method for most people, but is also the final chance a person has to register so that they are eligible to vote in the March 21 Primary Election".

The Primary Election will choose the candidates who will represent their respective political parties in the November 1978 General Election.

"However," stated Puccio, "my election for Maine Township Regular Democratic Committeeman is held at the same time as the Primary. Voters that want to elect me will have to vote on that day".

Persons needing information or voters registration are welcome to call the headquarters of Puccio for Democratic Committeeman at 296-2060 or stop in at 900 Lee St. in Des Plaines. Office hours are from 9:30 to 5 p.m. and 7-10 p.m. Monday thru Friday and from 12-5 p.m. on Saturday.

tains who are working for Rueckert. Unfortunately, party loyalty compels workers to support openly whoever the organization endorses. However, if the party endorsed candidates are all being supported by the precinct captains then they have little to fear from a series of public debates before the people. I hereby offer a public challenge to all the other four Republican and Democratic Senatorial Candidates to support public debates."

Flynn went on to ask that the Republican and Democratic Committee-men arrange for at least one debate in their Township.

Niles Family Service plans Marriage Enrichment series

Niles Family Service is presenting a five-week Marriage Enrichment series on Monday evenings, 8-10 p.m., Jan. 30-Feb. 27, at the Niles Trident Center, 8060 Oakton St. in Niles. The workshop-discussion will be led by a married professional couple, Diane and Ron Martin.

Diane Martin, M.A., teaches psychology at the Collège of DuPage and has led self-actualization groups for women at Niles Family Service and other agencies.

Ronald Martin, Ph.D., is a psychologist at Niles Family Service and North-west Human Resource Center, and does psychotherapy with individuals, couples and groups. Diane and Ron have led marriage enrichment groups at Niles Family Service for the past three years.

Areas that the Marriage Enrichment Series will cover include:

1) What is marriage and how is it changing? The effect of radically changing male and

female roles upon marriage.

2) Evaluation of the current status of your marriage.

3 & 4) Two sessions will be devoted to the "art" of communication including how to listen effectively, how to talk responsibly, and methods of conflict resolution.

5) Life Planning. Discussion and exercises to help couples formulate and integrate goals they have as individuals and as married partners.

The workshop is limited to 10 couples, Niles residents will

be given priority. Cost for the sessions is \$15 for Niles residents (per couple) and \$25 for non-Niles couples. Pre-registration is advised. Couples must begin by attending the first session.

Both Larry Renetzky, Director of Niles Family Service, and the Martins anticipate that this group can be a real opportunity for individual and marital growth. They realize that a marriage doesn't simply improve by itself, but that couples have to work on their

relationship just like anything else they want to be successful and satisfactory. To pre-register or for further information, call 692-3396 or come into Niles Family Service at 8060 Oakton St. in Niles.

LADIES CHOICE TRIPS
The Niles Park District is now accepting registration for the next two Ladies Choice Trips.

Have you been to Long Grove, Illinois? This trip promises to set your mood for an enjoyable afternoon of shopping in an atmosphere of a 19th century German town. Here you will find a variety of quaint boutiques & bakeries. A very hearty buffet lunch will be enjoyed at the Hobson House Rest-

aurant. The bus will depart on Monday, March 6 from the Recreation Center at 10 a.m. and return approximately at 5 p.m. The cost for Niles Park District residents is \$6 per person which includes transportation and lunch at the Hobson House. Won't you join us for lunch and shopping on this "Ladies Choice" trip? The deadline for registration is Feb. 25.

The next trip is to Drury Lane. This trip to Drury Lane East at McCormick Place promises to satisfy your appetite and provide you with an afternoon of fine entertainment. A delightful and tasty lunch will be enjoyed followed by the performance beginning at 2:30. The scheduled performer at the time of this writing is Stephanie Powers in "Odd Man In." This play by Claude Magnier was adapted from the French by Robin Maughan and is about a hysterical love triangle with mistaken identities. Miss Powers, star of TV's "Feather and Father Gang" and "Washington Behind Closed Doors," weaves her way thru mad-cap mixups, beguiling us with her beauty and humor. The bus will depart on Wednesday, March 22 at 11:30 a.m. from the Recreation Center and return at approximately 5 p.m. The cost is \$12.50 per person for Niles Park District residents and includes bus transportation, lunch, and theatre tickets. The deadline for registration is Feb. 18.

Registration is being accepted at the Niles Park District office.

Stan Kenton concert at Maine East

Almost 1,500 jazz enthusiasts are expected at the Stan Kenton concert Saturday evening, Jan. 28 at Maine East High School. Kenton and his orchestra will be featured "in concert" at the annual Pops Night sponsored by the Maine East Music Boosters.

In bringing Kenton and his orchestra to Maine East, the Music Boosters sponsor not only the concert but a music clinic as well. The clinic will be conducted Saturday afternoon by members of the Kenton orchestra for music students at Maine East.

This annual Pops Night has become the major fund raising activity of the Maine East Music Boosters. The proceeds of this benefit concert are used to provide music scholarships to worthy students for private music lessons. Also,

scholarships are provided so that students can attend summer music camps at major universities. These music camps offer the music student the opportunity to study and perform music with other talented students from across the country.

Last minute requests for Stan Kenton tickets should be made to the Music Boosters by calling 825-4484. If any tickets remain, they may be purchased at the door of the Maine East High School auditorium the night of the concert. Tickets are \$6 each.

Concert at Oakton

Bonnie Koloc will be featured in the first concert of the semester at Oakton Community College on Sunday, Jan. 29, at 8 p.m.

The concert, sponsored by the Board of Student Affairs, will be held in Building 6, OCC Interim Campus, Oakton and Nagle, Morton Grove. Doors will open at 7:30 p.m.

Thom Bishop, talented folk poet and songwriter, will open the concert. Both Koloc and Bishop are headliners on the Chicago music scene, combining folk, jazz and blues.

Bonnie Koloc has been a fixture in Chicago since 1968 when she arrived from her hometown in Waterloo, Iowa. She is not a rock singer but her range from blues to folk to jazz is refreshing.

Tickets for the concert are \$2 for Oakton students; \$2.50 for others. They may be purchased in advance in Room 628, Building 6, OCC Interim Campus, or at the door on the evening of the concert.

Famous Maine East graduate

Seen "Star Wars?" Well, if you did, you saw one of Maine East's famous graduates... Harrison Ford, Class of 1960, who played the pilot in this season's top science fiction film.

His activities while at Maine East included membership in the Social Science Club and serving as its president during his senior year; participation when a sophomore and junior as a Boys' Club representative; membership as a freshman in the Model Railroad Club; participation as a class council representative his freshman and sophomore years; performing as a senior in the variety show; and competition in gymnastics as a freshman. Also, during

his senior year he was a sports announcer for the Maine East radio station, then under the direction of Mr. Keith Honn, who is currently Maine East's career counselor. By the way, 1959-'60 marked the first year of broadcasting at Maine East.

Mr. Honn also recalls that even as a high school student, Harrison was seriously thinking about a career in show business. He often talked about being on commercials.

He concluded by saying, "Harrison didn't care much about being on the outside looking in. Besides being a good student and conscientious about getting things done, he was always involved in school activities."

Sweet Adelines annual show

"Country Chords in Concert" will be presented by the Country Chords Chapter of Sweet Adelines Inc., at 8 p.m. on Feb. 18 and 2 p.m. on Feb. 19. It will be held at the Schaumburg High School Auditorium, 1100 W. Schaumburg rd., Schaumburg. The 70 member chorus, under the direction of Jarmela Speta, will be performing songs from the "Golden Oldies" to the contemporary music of today. We are especially pleased to have as our guest quartet the popular International Medalists from Missouri, the "Tetrachords".

For further information, please contact Carol Guthrie, 593-8341 or Clare Doud 967-9074.

Barn dance for Senior Adults

A second Barn Dance for Senior Adults will be held by Skokie Park District on Friday, Jan. 27, from 10:30 a.m. to 12:30 p.m. at Devonshire Community Center, 4400 Grove st. in Skokie. The Barn Dance will be particularly suited for beginners with dance steps being taught by the caller.

Everyone is invited to join the fun morning of old time southern Appalachian dancing and refreshments. Admission of only 50 cents per person. For further information, call 674-1500.

Speech team

The Maine East speech team took third place at the recent North Chicago tournament. Individual awards went to Barbara Goodman, Carolyn Glassman, Marc Smith, Scott Cohn, and Claudia Mesch.

The Gong Show

"Steppin' Out"

Dance, from jazz to ballet, and music, from hard rock to classical, are the features of "Steppin' Out", the 1978 Niles West High School annual dance show, directed by Josie Berns. The show will kick off the school's Creative Arts Series at 8:15 p.m. on Feb. 3 and 4.

The annual show features the talents of 37 dancers, all members of the school's Orchestis Dance Company.

Art Lovers will be able to enjoy a student art display in the auditorium lobby during intermissions and before and after the show. The display showcases the work of students from Gary Davis' art classes.

Tickets for "Steppin' Out" are \$2.50 for adults, \$1.50 for students. Holders of Creative Arts passes will receive these for free. Performances will be held at the Niles West

auditorium, Oakton st. at Edens, Skokie. Senior citizens can attend a free performance at 2 p.m. on Feb. 2.

Gallery show

A new gallery show entitled "Four by Four" is being presented at Mayer Kaplan JCC, 5050 Church, Skokie starting now through the month of February.

Four Chicago artists will each show four works. The sixteen pieces will include paintings, pen and ink drawings and water colors, macrame and weavings of jute and wool.

WE DO IT ALL FOR YOU AT McDONALD'S

MILWAUKEE & OAKTON NILES

The final week of preparation is now in progress for SJB FESTIVAL IX to be held Friday, Jan. 27, Saturday, Jan. 28, Friday, Feb. 3 and Saturday, Feb. 4. The 7 cabaret shows promise to be better than ever.

The Gym show will be titled "The Gazlight Lounge" and will feature the talents of John Adair, Bob Leonard, Debbie and Judy Mangione. The Young Americans are back this year in "Crystal Dawn". With their 14-piece orchestra, these young people present a show filled with lively music and enthusiasm unequalled.

Controlled craziness prevails in "The Gong Show". This show, pattern-

ed after the current TV favorite, showcases the talents (and non-talents) of some of the most entertaining performers ever seen at SJB Festivals.

"Don't Touch That Dial" shows an entirely different aspect of television... even features the audience!!!

Taking advantage of the popularity of the "down-home" craze "Y'All Come Back" gives a bird's eye view of a small backwoods town and the problems they have when the "revenooers" show up unexpectedly.

And, finally, "Funny Valentine" featuring Triad, Arlene Sawicki and Bob Dunn, changes

the pace with songs of love and romance.

In addition to the showrooms, the "Chuck Wagon" featuring special dinners on Friday nights from 6-8 p.m. ... the "Continental Coffee Shop" and "The Pizza Hutch" are available to satisfy even the most voracious appetites.

For those who enjoy liquid refreshment and dancing, "The Silver Dollar Saloon and Dance Hall" will be open till the early hours.

Tickets are \$6 and they are available by contacting ticket chairman Ed Mammoser (967-7341) or the rectory (966-8145). Make your plans now; enjoy the fun at FESTIVAL IX.

"The Man in the Glass Booth"

Who is "The Man in the Glass Booth"? That is the provocative and disturbing question raised by Robert Shaw's brilliant drama-the second play of the Open Stage Players' 77-78 season at the Mayer Kaplan JCC, 5050 Church st., Skokie.

The play which enjoyed a huge success on Broadway is based loosely on some of the revelations of the Eichmann trial in Israel in the early 60's.

The Open Stage Players' production under the direction of Leon Palles begins on Saturday, Feb. 25 and continues on Saturdays at 8:15 p.m. and Sundays at 7:30 p.m. through March 18. Two of the eight performances are

Wanna sing?

The Town and Country Chapter of the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America invites all men in the area, 18 to 80, to their Membership Night, Feb. 1, at 8 p.m., at LaRay's, 7226 Caldwell ave., Niles. The chorus is in full sing every Wednesday evening until 10:30 p.m.

Contact Herb Kamps, Lincolnwood (673-4637), Paul Feldman, Skokie (676-2374) Hank Buerger, Park Ridge (679-5301) or Al Rice, Chicago (763-4029) and be our guest on Feb. 1.

Seek choral members

The Northwest Choral Society is welcoming new members to start off the new year of singing classical and popular music. Rehearsals are held 8-10 p.m. Monday evenings at Christ Church, Cora and Henry streets in Des Plaines.

Skokie Trust announces Overland and associates new positions 1st anniversary

Skokie Trust & Savings recently appointed (l-r) Thomas C. Weiss, Mrs. Rosemary Schnell, and Greg Middleton to new positions according to an announcement made by LeRoy J. Plaziak, President.

Thomas C. Weiss was appointed to Vice President, Cashier. Mr. Weiss has been employed with the bank for the past eight years.

Mrs. Rosemary Schnell, center, who began her duties as a teller in 1957 and has served in many capacities, takes over the position of Commercial Loan Officer. She is a native of Morton Grove.

Greg Middleton, Operations Officer since 1967 now takes on the duties of Assistant Cashier. Greg is a student at Triton Jr. College, River Grove, where he is working toward his A.A.

Record year for Skokie Federal

Skokie Federal Savings experienced a record year of growth in 1977. This marks the third straight year that Skokie Federal's asset growth has exceeded 35%. Assets increased 38% in 1977, totaling over \$230 million on December 31, 1977, as compared to the \$167 million on December 31, 1976. Deposits increased \$45 million to a total of \$188 million. Skokie Federal paid out over \$10 million in interest to its savings customers.

John R. O'Connell, president of Skokie Federal, stated "We are fortunate to have experienced another year of rapid growth, and I believe that this growth is due to our firm commitment to the well-

being of the Skokie Valley Community. Our successful stock conversion supplied us with additional funds to invest in the community.

"I was also pleased by the openings of two new Skokie Federal facilities in the past year. We believe that the new drive-in office and our Glencoe branch have successfully fulfilled their purpose of serving the convenience of our north suburban customers. Finally, in addition to our excellent financial services, I cannot overstate my enthusiasm for the non-financial services which we have offered, such as our spring Health Fair and our ongoing Senior Citizen programs. I believe it is no accident

Overland and Associates, Realtors have just celebrated their first anniversary at their new location on Jan. 15. Overland Realtors is located at 7934 W. Oakton, Niles.

John S. Overland is owner, Santina Partipilo is Managing Broker and Leo Fornelli is Assistant Manager.

Overland has a staff of 20 salespeople who are members of the Northwest MLS which serves all of the Northwest Chicago area and also of the Northwest Suburban MLS serving all of the Northwest Suburban area.

They offer a free market analysis to anyone who wishes to know the value of their property.

Overland Realtors handles all phases of real estate, residential, commercial, investment. Mr. Overland feels having some of his salesforce who speak more than one language is a great asset to his office. If anyone has any questions regarding real estate, you are welcome to call or stop in as Overland Realtors will be more than happy to accommodate you to the best of their ability.

that our rapid financial growth has coincided with our continued involvement with the non-financial needs of our community."

Regarding the future, O'Connell remarked "1978 will see us implementing a new floor plan at our office on the corner of Dempster and Skokie Blvd. This floor design will improve customer traffic and improve transaction speed."

First National of Des Plaines promotions

JORDON A. MINERVA, JR.

WILLIAM L. BISHOP

William L. Bishop and Jordon A. Minerva, Jr., staff members of the First National Bank of Des Plaines, were recently promoted by the Board of Directors, it was announced by Arthur A. Weiss, bank president.

Bishop has been elected vice president in the Commercial Loan Department. He joined that department as assistant vice president in 1973. Prior to that he was with a downtown bank in Chicago holding positions as assistant to the president and as commercial loan officer.

Bishop served as a Navy Frogman with three tours of duty in Southeast Asia where he received four Bronze Stars and two Vietnamese Silver Stars. He is a graduate of Loyola University with a Bachelor of Arts degree and attended Loyola Graduate School. Bishop has also completed courses

Warder honored by Gould Division

M. Lawrence Warder, Manager of Advertising and Sales Promotion for the Gould Inc., Valve and Fittings Division, Niles, has been honored as the employee making the most outstanding contribution to the division's image and growth during 1977.

Winner of the

at the American Institute of Banking. He and his wife reside in Chicago.

Minerva joined the bank in 1973 as assistant cashier and has been promoted to assistant vice president in the Real Estate Loan Department. He has a BA degree from Carleton College and an MBA degree from Washington University, St. Louis. Minerva, a graduate of Maine West High School, is an Eagle Scout achieving that highest rank in scouting while a member of BSA Troop 22, Des Plaines. He is active as an adult leader with Boy Scouts of America, Minewek District, and various national citizens groups such as Common Cause and Environmental Defense Fund. Minerva resides with his wife in Des Plaines.

Frederick C. Shafer Award "presented annually in recognition of outstanding achievement to the employee whose contribution during the preceding year did most to promote the company's growth and image." Warder has been with Gould and its predecessor firms for 44 years.

Nimrod endorsed by Niles Township GOP

State Senator John J. Nimrod (R-4th) received the unanimous endorsement Thursday of the Niles Township Regular Republican Organization in his bid for reelection. The endorsement follows his overwhelming endorsement by the Maine Township Republican Organization on Jan. 6.

The Glenview Republican is seeking his third term in the Senate, where he serves on the Labor and Commerce and Appropriations Committees and is minority spokesman of the Committee on

Higher Education. Nimrod is chairman of the Commission on Mental Health and Disabilities and vice chairman of the Illinois Energy Resources Commission, which he serves also as chairman of the technical committee.

He is an engineer by profession and the former president of a Barrington plastics firm.

Sen. Nimrod served four year terms as a township auditor and as a township supervisor and was active many years in township officials' organizations.

Hales opposes student busing to suburbs

Dan Hales, 10th District Republican Congressional candidate, said that he would encourage other districts to seriously consider accepting minority students in return for financial assistance. If New Trier, for example, enrolled 300 bused students, the district would receive \$700,000 under the proposed program.

"It is incredible," said Hales, "to offer wealthy school districts a cash incentive to enroll minority students at the expense of the majority of students who would remain in Chicago neighborhood schools."

More importantly, he added, without additional appropriations by the Illinois legislature, the funding for the program would be at the expense of the less affluent schools. Just last session, the Illinois legislature defeated a \$2 million education appropriation for busing programs.

The superintendent of the New Trier high school

district, in which Hales lives, said that he would encourage other districts to seriously consider accepting minority students in return for financial assistance. If New Trier, for example, enrolled 300 bused students, the district would receive \$700,000 under the proposed program.

Bellen Company appeals Zoning Board denial Propose use of Revenue Sharing Funds

By Alice M. Bobula

The Niles Village Board was directed Tuesday, Jan. 24 during an Open Hearing on 1977-78 Revenue Sharing Funds to consider proposed uses for the village Revenue Sharing allotment of \$368,000 covering the entitlement period from Oct. 1, 1977 to Sept. 30, 1978.

Listed for proposed use are: annual operation of the Courtesy Bus System, \$75,000; refinement of the Trident Center heating system and reconstruction of the doorway to Family Service, \$8,000; additional sodium vapor lights on Milwaukee ave., \$9,000; Police Management Study (now

in progress), \$17,500; looping of water line on Caldwell ave. from the Chicago River to the new condo development, \$24,000. Also, development and beautification of green areas along village streets, \$25,000; replacement of 1 heavy duty public works truck, \$54,000; replacement

of paramedic bio-phone telemetry radios, \$7,500; 3 emitters for the Fire Dept. Opticom system, \$3,000; replacement of pressure washer for village trucks, \$3,000 and (partial funding) a village maintenance garage, \$142,000.

In other action trustees continued to Feb. 14, for Fire Dept. testimony, an appeal by Bellen Co., 7161 Milwaukee ave. of a denied zoning change by the Plan Commission and Zoning Board Dec. 12 for construction of an outside solvent room and loading dock.

a Niles resident for the past 23 years, was honored on her 1932 and 1936 Olympics record as the winner of two gold medals in the 400 meter relay.

Denial for expansion of a Special Use permit by Zoning Commissioners was based on their contention the solvent room (intended to store flammable liquids) should be built within the main building. Had they been aware of the dangers zoners maintained the Special Use would not have been previously granted.

Building and Zoning Director Joseph Salerno told trustees he had requested revocation of the Special Permit in 1976 because Bellen had not completed his parking lot, nor installed required anti-pollution equipment and did not build the flammable liquid storage room as requested in 1974. Bellen has since accomplished the first two directives but now petitions to build the solvent room outside the company building for employee and fire department safety in case of explosion.

The petition had been opposed by officials of the Niles South School, 6935 Touhy, who

contended the company wished to add a "flammable storage area close to a gas station which poses a clear danger" for school children in the area. 88 arrested as illegal aliens on job in Niles

Federal agents arrested 88 alleged illegal aliens Tuesday, Jan. 24, as they worked on their jobs at a Niles plastic-utensil manufacturing company.

David Vandersall, district director of the U.S. Immigration and Naturalization Service, said his agents served a search warrant at the E-Z Por Manufacturing Corp., 7227 N. Oak Park in the suburb.

Vandersall said there were 47 women in the group, 5 of whom were released because they were pregnant with the understanding they will report volun-

tarily to the INS office Wednesday. Of the 88, all but 2 were citizens of Mexico, he said. One was from Ecuador and 1 was from Guatemala.

Mrs. Kelly also holds the Canadian indoor record for the 440 dash, is a six time winner of the Amateur Athletics Union Championships, a charter member of the United States Olympians and holds the American women's record for the 440 dash, the 400 meter relay and the running high jump.

Niles Mayor Nicholas Blase, on behalf of the Village and Board of Trustees, presented a plaque and key to the Village to Mrs. Kelly.

The INS plans to charter an aircraft to fly the aliens out of the country if an immigration judge determines that they are here illegally. Shortly before the arrests Federal agents drew up to the doors of the company, blocking any attempts to flee by the aliens. It was not the first time such arrests have been made at the company by immigration authorities.

negligible. He said he would be quite willing to contribute the work to an art museum, either as an outright gift or as a co-owner with the school district.

According to Silberman and attorney Marty Greenstein, Silberman first began tracking down the artist last summer. This fall he had his students from an extra-curricular art class submit 22 drawings, including his own, to Miro at his home in Spain.

During the Christmas season Miro sent back a holiday greeting addressed to Silberman which stated: "Merry Christmas - Oak elementary school of Niles".

Silberman claims the sketches have great sentimental and emotional value and doubted the work is worth \$200.

According to Greenstein, speaking on behalf of Silberman, "Is a teacher entitled to an award or an honorarium?"

Board President Larry Reiss told The Bugle he believes the school code leaves little doubt when anything is received in the school district to be utilized by children it is the property of the school district.

Board member Howard Lessin asked how the letter was addressed and Silberman said it was addressed to him in care of the Oak School.

In answers to questions by board members Dick Smith and Mark Davis, the art teacher said the students feel the sketches belong to him. He said he thought Miro's response was a reaction to the 22 Oak School drawings submitted to him which included a drawing by the art teacher.

Silberman said if he is allowed to keep the card he would not sell it. "It's a personal thing with me. I was numb for 4 days (after receiving the sketches)."

Two residents voiced opposite opinions on the matter. A Mrs. Horn thought the sketches should be retained by the school district. She thought it was unfair for the school children to decide who owns the artist's work. She thought it should be for the enjoyment of all people and said the children should not be exploited on the matter.

A resident, Mrs. Gertz, said she was outraged by the Board's action. She said the Board was slandering the art teacher. She said he is a most creative teacher and he has now been wronged a couple of times. He had previously been dismissed when teacher cutbacks took place 2 years ago.

Reporters from The Bugle and Life newspaper objected to the school board going into executive session contending it was against the law to discuss this in private session. School board attorney Jerome Robbins said there may be a disciplinary matter concerning the controversy though no board member suggested this. He also said because an attorney telephoned him concerning this matter there may be legal ramifications, which merits a private session. Twice attorney Greenstein corrected Robbins who said his public statement concerning the legal matters were erroneous, since neither Greenstein nor Silberman ever mentioned any legal action. Thus, it was concluded the only legal matter could be District 63 taking action to retain the drawings.

as well as innovate a pilot program for security to reduce vandalism.

The Park Director became aware of the project he said thru a seminar held last December by the Cook County Manpower Service in Des Plaines.

Park needs were formulated immediately said Hughes after county officials clearly specified that grant monies were not to be used for existing positions nor to replace anything normally budgeted or contracted by the park district.

Application was made Dec. 1 and a 50-page proposal was submitted to the county agency after 3 weeks of background figures were worked out by Hughes and Park Business Manager Bill Grady.

The grant is open to eligible non-profit agencies, municipalities, park districts and library districts, up to \$150,000. According to Hughes the purpose of the program is two-fold: to get unemployed people back to work and to initiate special projects that local agencies would not attempt without sufficient manpower and funding. The program must be completed within the 8-month period beginning Feb. 1 thru Sept. 30.

"Basically we became involved because of an acute need for park policing, the desire to solve complaints by residents adjacent to parks and the need to renovate and improve aging facilities and parks," noted Hughes.

Use of the grant monies, he pointed out, meant that local tax dollars would not have to be spent on needed projects for the park. The park proposal calls for a full-time custodian at Grennan Heights park, a golf course maintenance man, and three employees will be selected from suburban Cook County and must be 18 years old; a U.S. citizen or resident alien; a member of low income family and one of the following: an unemployed veteran or an individual unemployed 15 out of the last 20 weeks.

Those interested may call Hughes at the Park District office, 967-6633, from 9 a.m. to 5 p.m. weekdays.

When the Board announced they would be going into executive session most of the audience began leaving the meeting, which meant the final decision would be expressed after the public had left the building.

Commission recommended not to issue a Special Use permit at this time, but to allow the continuing of the present lease till December of 1979. Trustee Gregg Youstra said he felt it was wrong to "run this man out of town and deprive some 100 students (most of them from Morton Grove) of this facility." Youstra said, "If this is unsafe, then let's take a look at the entire area insofar as safety." Ron Henrici said he felt it was the fault of the realtor who misrepresented the property originally (and he is in favor of a facility of this kind) but thinks we should not change our ordinance. The board then voted to concur with the Plan Commission recommendation.

Next on the agenda was a Special Use sought by the Countryside Bank of Mt. Prospect for the property located at 8600 N. Waukegan rd. for two buildings to be constructed which will contain a total of 98 units for multiple family dwellings. This was an amendment to the original request which sought 124 units in the "B-2" zone. Many meetings were held and stipulations as to water retention, density, parking, traffic, etc. were imposed before a decision was reached. Among the areas in question was site improvement and the builder will provide increased parking, the paving and striping of the north parking lot and complete and cover the water retention system. After some deliberation, the board agreed with Don Sneider's motion to table for further study.
