District 63 parents stage unsuccessful marathon

In a last-ditch effort to stave-off the closing of schools, District 63 parents spent 4 unsuccessful hours trying to convince Board members of the errors of their previous decision to close Ballard and Wilson Schools.

The bulk of the presentations Tuesday night came from Wilson School parents, which was a repeat of a Monday night presentation to a school board

committee meeting of the whole.

The Wilson presentation was as much of an ego-stroking session as it was a presentation of "the facts", as they saw them. Wilson presentees introduced themselves as lawyers, CPA's, a demographic and traffic expert and a psychiatrist.

The psychiatrist, a Dr. Lee, spoke about the hazards of their children's health and safety

which may result from their proposed transfer to the Washington School. He spoke about the possibility of truancy if the transferred Wilson children moved to Washington. He suggested air pollution could result in a carcinogenic condition if these children were subject to transfer to a school along highly-traveled Golf rd. He also mentioned the trauma of such a

transfer.

A Mr. Ghandi, a traffic engineer, suggested the great amount of traffic on Golf rd. represented a hazard to Wilson children.

Other suggestions included the need for a demographic study.

An accountant said he's spent a week-and-a-half studying Board figures and there was no question their figures were correct.

However, he noted the expected \$68,000 deficit in the district during the next year was not sufficient to merit closing schools. He asked for a "complete plan" in the next year before any schools are closed.

One central theme of residents was there was "no program" for the closing of schools. The Board did not have all the answers

Julio Alvarez and Leo Enriquez are partners in the Arco gas station at Greenwood and Dempster. They told us Saturday Niles policemen John Christie and Officer Muscolino illegally took a car from their gas station Feb. 2, not returning it, and turning it over to a customer who owes \$325 for a transmission job.

Alvarez said he spoke with the Fraud Division for the State of Illinois and representatives there told him they could arrest the policemen who took the car out of the station. They told him it is necessary to get a court order before the vehicle could be removed from the station.

In answer to our inquiry, he said his attorney has hesitated taking action against Niles because the lawyer is fearful he would not be able to effectively practice in Niles court if he was to take action against the police or village.

Russ Beavers, second in command in the Niles Department, tells a different story. He said the owner of the car said she did not give any authorization for such work to be done. The night after the car was towed away, she called the station and she allegedly stated the car had been repaired for transmission work and the station owner would not release the car without payment. She lodged a complaint with Niles Fraud Department.

Beavers said the police picked up the car in good faith. He felt it was the duty of the police department to protect the citizenry and the car was taken in good faith. He said the car was checked out and found to have had a transmission that is 2 years "younger" than one needed for a '73 Camaro. He said Ameco charged the gas station \$160.

Assistant Chief Beavers said Niles' handling of the matter was all done in good faith. He said no one was harmed by the action.

We asked Beavers if it was necessary to get a court order before such a removal could take place on private property. Beavers said this may be true but it was only a "technicality."

We were told the lady who owns the car is a friend of a higher up in the Niles police department. Beavers denied he knew anything about such a matter.

Police seize 7-11 robber

Cook County Sheriff's Police investigators early Monday morning (March 13) foiled an armed robbery in Des Plaines when they arrested a Niles man, who is currently on parole from a previous armed robbery conviction, and his female companion.

Sheriff Richard J. Elrod said Dennis Hunter, 24, 7840 N. Octavia, Niles, was shot in the back of the neck by Investigator

New buses for Park District

The Village of Niles recently purchased two new fully air-conditioned large buses for the Niles Park District. These buses were turned over to the Park District for use in their recreational Senior Citizen and Youth programs. The buses were purchased by the village, from revenue sharing money and will accommodate up to 42 adult passengers or 63 children.

On behalf of the Niles Village Board, Mayor Blase said, "We are most pleased to present these buses to the Niles Park District. Shown above are, left to right, Trustees Abe Selman and Carol Panek, Mayor Nicholas Blase, Park Commissioners Millie Jones (President) and Jeff Arnold, Trustee Pete Pesole and Park Commissioner Steve Chameriski.

Niles Fire Dept. offers CPR classes

Classes in cardio-pulmonary resuscitation (CPR) for the residents of Niles will be held beginning in April under the direction of the Niles Fire Department's paramedics.

According to Fire Chief Albert L. Hoelbl, the weekly sessions will be held each Monday evening beginning April 3, 1978 from 6:45 p.m. until 10 p.m. at Fire Station #2, 8360 W. Dempster st.

CPR, as it is commonly referred to, is the most advanced and efficient life saving technique developed in recent years, primarily used for heart attack victims. Thousands of victims, who most certainly would have died, have been given a second chance at life because

someone knew how to administer CPR.

According to Firefighter George Twarski, Coordinator of the department's paramedic division, and a paramedic himself, anyone over 18 is welcome to attend. He urged that participants should wear casual clothes because training will include actual simulated rescue attempts with Recording-Anne, a life-like rubber mannequin. Also included in the training will be the viewing of an extraordinary film called "The New Pulse of Life".

CPR combines external chest massage and mouth-to-mouth breathing by either one or two rescuers. The technique will be

practiced with the mannequin on the floor, where most victims are found.

Those interested in the classes should contact the Niles Fire Department by calling 967-6104, ext. 12 as soon as possible.

Applications for absentee Oakton voters

Applications for absentee ballots for the Board of Trustee election for Oakton Community College on Saturday, April 8, are now available, according to College officials.

Applications may be obtained from Ursula Klekamp, administrative assistant to the Vice President for Business and Finance, Building 3, OCC Interim Campus, Oakton and Nagle, Morton Grove, from 8:30 a.m. until 4 p.m. on Mondays thru Friday.

Last day for applying by mail for absentee ballots is April 3. Voters can apply in person for absentee ballots until April 7, one day prior to election day. The latter is a new provision of the Community College election law.

Final day for filing nominating petitions is March 17. Two seats are open on the OCC Board. As a result of the election consolidation law recently signed by Governor Thompson, the new trustees will serve until Nov. 1981.

College officials noted that polls for the Oakton election will be located, generally, in the same places as elementary school polls throughout the college district.

Polling hours for the community college election will also be the same as the elementary and high school districts, except for Niles Township. Polls will be open from 12 noon until 7 p.m.

"MONTHLY MAILING TIME AGAIN"

The date scheduled for our monthly mailing project is Monday, March 20 from 10 a.m. until 3 p.m. Anyone is welcome to come in to help get the calendar and newsletter out in the mail. Whatever amount of time you can come in for will be appreciated. There will be a volunteer, Rose Gabrielle, here that day who'll be in charge of the mailing project.

ST. PATRICK'S DAY LUNCHEON
Join us for a delicious lunch and celebrate St. Patrick's Day on Wednesday, March 22, at 12:30. We'll have the traditional corned beef and cabbage lunch, complete with boiled potatoes, vegetables and dessert. Then you can sit back and relax as the Chorales perform, singing a lovely selection of songs. Tickets are only \$3 apiece. How can you miss with an afternoon like this? Call the Center now to make your reservation.

IT'S SHOWTIME
Now that the weather's warming up, come out for an afternoon of movies. There'll be two enjoyable films shown that day. You'll see the magnificence of the Nile River in Down South, up the Nile, the first movie. Then, the pace will quickly change as you watch the second film, Iceland: How Clear the Hot Springs Bubble. You can see these two movies on Tuesday, March 21 at 1:30 p.m.

FOOT EXAMS
On the afternoon of Wednesday, March 22, there will be a foot screening at the Center and there are a few appointments left. Dr. Pock, a local podiatrist, will be doing the exams. The exams are a basic check-up to screen for any possible problems. Call the Center for an appointment.

HERB GARDENING
Find out the ins and outs of herb gardening on Monday, March 27 at 1 p.m. They're small, easy to keep gardens and you'll always have the spices you need. Dorothy Naderly from Klehm's Nursery will explain how to start the garden from seeds and then keep it healthy. These gardens can be grown both in and outdoors. She'll be teaching both ways so you can have a year round garden. Surprise gifts will be given out.

SHUFFLEBOARD CLASS
There's still time to sign up for the second Shuffleboard Class. It'll be held on Wednesday, March 29, at 1:30 p.m. We'll be teaching the tournament rules for shuffleboard and then everyone will get to try their skill at playing a game. If you want to sign up, call the Center.

THE SENIOR ADULT CENTER, LEANING TOWER YMCA
A most interesting "Coffee Talk" is planned for Monday, March 20, at 11 a.m., at the Senior Adult Center of the Leaning Tower YMCA (6300 W. Touhy in Niles). This presentation is open to the public and the members of the Center cordially welcome anyone who would like to hear Mr. Bill O'Donahue, a financial consultant, explain how to enjoy more income from one's present assets.

Feud over March continues

By Roseann Dalmaso
Eagle staffer
(reprinted from the
Marillac Impact)

On behalf of my fellow Italians at Marillac, I would like to protest. Frankly, I am tired of the color green. Red, the Italian color, is much happier and has more class. You have heard of the Red Sea. Supposedly, it was naturally red. The city of Chicago has to dye the Chicago River green each year.

All the Irish want to do is fill up March with leprechauns, shamrocks, and St. Patrick's Day paraphernalia. Well, the Irish had better move over and make room for St. Joseph and the Italians. We rightly own March 19. The Irish own March 17. So, we Italians would appreciate it if they would quit trying to have the month all to themselves.

I don't even see what's so great about St. Patrick. He wasn't even Irish. (Just think, Irishmen, you may be honoring an Italian!) Where would we be today without

Italians? We certainly wouldn't be in America because its discoverer, Christopher Columbus, was Italian.

Italians have contributed much to the American culture. In art... Michelangelo, Leonardo Da Vinci. Music... Frank Sinatra, Perry Como, Dean Martin, Guy Lombardo and Henry Mancini. Sports... Joe DiMaggio, Yogi Berra, Joe Pepitone and Brian Piccolo. Television and movies... Sylvester Stallone, Al Pacino and Liza Minnelli. Modern science is said to have begun with the discoveries of an Italian scientist, Galileo Galilei.

Enea Bossi and Guseppe Bellanca, Italian aviation pioneers, contributed to the development of American aviation. Amadeo Pietro Giannini was the father of the Bank of America.

Italians are great leaders. Most of the popes in the Catholic Church were Italian. Another good example is here at our own

school, Principal Sr. Jean Juliano.

The first United States citizen to be canonized a saint by the Roman Catholic Church, Mother Cabrini, was Italian. Where would we be today without them?

One famous saying goes to show you, "There's two kinds of people in the world: Italians and those who want to be Italian." P.S. If after reading this, you decide you'd like to convert... Italians will be glad to share our part of the month.

Irish Editor's note:

We feel that the reason St. Patrick's Day is so prominent in March is the Irish songs which are heard continuously from March 1st thru the 17th. Perhaps if some Italian lyrics were to dominate the airways during that period, the public could be made more aware of St. Joseph's Day.

How about "When Italian Eyes Are Whirling," "Mario Boy," or "Who Threw The Overalls in Mrs. Dalmaso's Spaghetti!"

Golf Mill tailor robbed

A man brandishing a long thin knife robbed the Weiss Clothing Custom Tailoring and Fur store in Golf Mill March 8 and escaped with \$24,020 in cash, furs and jackets after tying and gagging the owner.

According to the tailor-owner the man, posing as a customer, entered the store around 4:30 p.m. on Wednesday and asked the owner whether he could fix a pair of pants which he held over his arm.

He changed into the pants in a dressing room and as the tailor bent over to measure the pant leg, the robber grabbed him around the neck and shoulders, displaying a long, thin knife.

During the ensuing struggle, the owner suffered a cut on his hand and was forced into a rear washroom where he was handcuffed to a pipe, tied up with rope, and gagged with a 2-inch piece of masking tape. A hood with drawing was placed over his head.

The robber took the keys for the front door and car keys from the owner along with 2 wallets

containing \$220 in cash. Also taken were a bank envelope containing \$1,800 in cash from a drawer, beneath the cash register, numerous fur coats and a number of leather jackets.

The robbery was discovered after arrival of 2 real estate agents who found the store dark and the front door open with the key on the inside of the lock.

A search of the store revealed Weiss bound and gagged in the rear room.

Niles Library seeks exhibitors

The Niles Public Library has announced it will be exhibiting the works and collections of any person, young and old alike, who would like a chance to display his or her work to the community. Whether you do painting, needlepoint, weaving or build model airplanes, the library would like to show your work. If you collect rocks or stamps, books or plants, there is an exhibit area here in Niles available for you free of charge. Old musical instruments, doll collections, pottery work and science projects - there is virtually no limit to the possibilities other than your imagination.

The library has fine facilities and quite a bit of space for your projects. There are display cases, plenty of blank wall area, and tables available for all kinds of exhibits. In addition the library will provide publicity about your work throughout the area, and its long hours should guarantee plenty of exposure.

So come on, artisans, collectors, and hobbyists - bring your work to the library and let the rest of us see it. Call Art Gulati at the library, 967-1125, Monday thru Friday, 9 a.m.-5 p.m. for more information. If you come to the library during the regular hours (Monday-Friday, 9-9; Saturday, 9-5; Sunday, 1-5) and Mr. Gulati is away, you may leave your name and telephone number on a special register at the reference desk, and he will call you.

Nutritionist speaks at OCC

Miriam Wigdor, professional nutritionist, will participate in the March 20 segment of the Passages Through Life series at Oakton Community College.

"Passages Through Life," a weekly series of free films, lectures, and discussions, meets at 1 p.m. on Tuesdays in Building 3, Room 308, on the Oakton Interim Campus, Oakton and Nagle, Morton Grove.

Speaking on the topic Eat and Stay Healthy, Ms. Wigdor will discuss the relationship between a healthy diet and heart disease and diabetes, particularly in the older adult. She will talk about changing nutritional needs, weight control, and dietary problems which arise as a person ages.

Interested community members are invited to attend. For further information, call Oakton's Office of Non-Traditional Student Programs, 967-5120, ext. 350.

Kuczak Sausage celebrates 1st anniversary

The Kuczak Sausage Shoppe, Inc., 6247 N. Milwaukee ave., Chicago, will be celebrating its first anniversary at that location on March 15. It has been in business at Belmont and Laramie for 5 years.

All kinds of things are planned, including Easter week specials. Easter baskets to be filled with candy and given away at drawings, a raffle, and of course coffee and cookies for customers all week.

The shop is a family business, with 75 per cent of the products made by Walter Kuczak, and sold by his wife, Jennie, at the Belmont-Laramie store and by his daughter, Sophie Skrzypek, at the Milwaukee ave. location. Kuczak is aided by a number of uncles and cousins in his labors, which are done "in the old-fashioned way", according to Sophie.

"Dad uses no preservatives; he used an old fashioned stuffer and smokehouse and hickory smoked wood; he cuts up the meat, puts it into natural casings, seasons and smokes it," she said. "You can't improve on the old ways."

Besides his homemade specialties, Kuczak sells breads from local bakeries, Polish and other imported items, cheeses and salads.

The family has been in the sausage business since they moved to Chicago from Poland in 1960, when Sophie was 8 years old and her brother, Jessie, 13.

Shown above (l-r) are Barbaro Pudio and Sophie Skrzypek, Chicago from Poland in 1960, when Sophie was 8 years old and her brother, Jessie, 13.

Off the NILES POLICE BLOTTER

Retail theft-possession drugs

A 19 year old North Niles youth charged with theft by J.C. Penney's in a price change of a Beatles record the afternoon of March 2 was also charged with possession of marijuana found in routine search of the teen at the police station.

He was released under \$1,000 bond pending an April 7 court hearing in Niles court.

Recovered auto

Police recovered a 1972 Datsun March 7 after Salerno-Megowan security reported the car parked in the 7777 Caldwell parking lot shortly after noon. The car had been reported stolen from 1233 W. Pratt in Chicago on March 6.

Strip car

A total loss of \$350 was reported by Skokie Automotive at 7254 Milwaukee ave. after someone stripped a red Pontiac Firebird parked in the front driveway overnight March 7. Taken were a trunk deck, rear orange spoiler and 2 bucket seats. A spare tire and wheel were found 50 feet away from the car.

Stolen footwear

A 19 year old Deertfield girl was charged with retail theft by Fayva Shoe store after employees observed her walking out of the store March 3 in a pair of new black boots later valued at \$13.90.

She was escorted back into the store where the manager found the old boots on the shelf.

The teen was released under \$1,000 bail pending a March 17 court hearing in Niles.

Loss of purse

A housewife who left her purse in a shopping cart March 4 in the 7225 Dempster st. Shopping Center returned to find it missing. The \$40 purse contained 1 pr. \$90 sunglasses and \$120 in cash.

Drive carefully

Investigation of a motor vehicle accident March 4 at Milwaukee ave. and Golf rd. around 6 p.m. resulted in charges placed against a 23 year old Mt. Prospect man of following too closely, driving under a suspended license and unlawful possession of cannabis.

Police said a small bottle of marijuana and 3 partially smoked marijuana cigarettes

were found on the front car seat and 2 bags containing cannabis were located in the trunk of the car.

The motorist was released under a \$1,000 bond with a March 17 Niles court hearing date.

Hair costs cut

A barbershop in Lawrencewood reduced its price after a Niles mother complained of excessive charges to her 24 year old son March 2 for a haircut and a permanent.

When the customer found out he owed \$50 for the permanent and another \$25 for the haircut he went home to get more money leaving his driver's license and gas credit card for security.

Police said the customer was not informed of the price prior to services. The mother indicated complaint with the Consumer Fraud Division.

Industrial theft

Officials of Haydock Caster at 7500 Caldwell reported theft March 4 of \$635 in office equipment.

Police said the building had been locked at midnight Friday March 3 and the theft was discovered at 7 a.m. Saturday when the janitor found the door leading into the office wide open. Taken were a typewriter, 3 calculators and a digital clock radio.

Police theorize the door may have been opened with a key lost earlier in the week and found March 2 on the floor of the factory area.

Theft from motel

Thieves took approximately \$530 in equipment from a room in Motel 6 at 6450 Touhy March 6 causing another \$100 in property damages.

Taken were a radio, towel bar, shower curtain, 2 mirrors, bedding, towels, 1 bedstand, a wall shelf, 2 chairs, TV bracket and a black and white TV.

The room was previously rented to a Chicago resident.

Theft of wallet

A 30 year old Evanston resident reported loss of his wallet March 5 while at the Tennis Club, 7686 Caldwell.

He said he locked his belongings in a locker and when he returned home after playing tennis his wallet containing \$12 in

cash, I.D. and credit cards were missing.

The victim believed the theft occurred while he was taking a shower during which 10 to 15 minutes the locker was left open. Attempted theft of charity money

Employees of the Golden Bear Restaurant at 9645 Milwaukee ave. said a 16 to 17 year old youth came into the eatery shortly after 11 p.m. March 7, grabbed a Leukemia Research Foundation can containing \$5 and ran out the front door with 2 employees in pursuit.

The charity can and money were recovered about 150 yards from the restaurant after the thief dropped it. A police search of the area was negative.

Vandalism

The windows of a Ford and a front loader parked near a building site at 6872 Touhy were broken overnight March 7 after someone heaved a brick thru them causing damages estimated at \$200.

Approximately \$200 in damages were caused to a 1977 Ford T'Bird March 3 after someone broke the shift selector from the steering column and damaged several instruments on the dashboard of the car.

Road violation & drugs

Police charged a 19 year old mid-Niles youth with reckless driving and possession of drugs after a street pursuit March 2 which began near Oakton st. and Merrill shortly after 2 p.m.

A personal search of the motorist turned up suspected marijuana and a quantity of Quaaludes, a controlled substance.

He was released under a \$3,000 bond pending a March court hearing.

Thefts from autos

An \$80 tire and rim were stolen from a 1977 Olds parked during the morning of March 2 in the Sears parking lot at Golf Mill with estimated damages of \$60.

Thieves took a tire, tool box and tools valued at \$100 from a car parked March 3 in the Gould Corp. parking lot at 6565 Howard st. after punching the lock in the 1977 Chevrolet causing another \$50 in damages.

A starter and generator valued at \$700 was taken from a 1977 Chevrolet Suburban parked March 3 at 9331 Courtland after thieves gained entry thru a left vent window.

Thieves punched a hole in the trunk of a 1976 Chevrolet parked in the 8700 block of Elmore March 1 taking a tire and rim valued at \$100 and causing another \$50 in damages.

State police list traffic fatalities

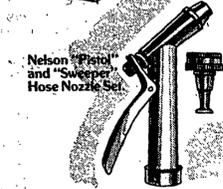

Captain William P. Burt, State Police Commander for the Northern Cook County area, announced today provisional figures which indicate that during the month of February 10 persons were killed in traffic accidents in Cook County.

The Superintendent of the Illinois State Police, Lynn E. Baird, announced today initial reports indicating that during the month of February 73 persons died from injuries sustained from traffic accidents on Illinois highways. Provisional figures indicated that 186 people were killed from January 1 through February 28. This total reflects a decrease of 56 from the number of fatalities reported in the same period in 1977.

Maine East Nursery School Program

Most Maine East students are aware of the work program called Child Care Occupations, with senior participants in the program working in day care centers, nursery schools, infant centers, and Montessori schools part-time.

In order to take part in the out-of-school CCO program, students should take in-school CCO program during their junior year. A required prerequisite for this is a semester of Child Development. For the in-school program there is a nursery school operated in Maine East.

The Maine East nursery school has been here for seven years and is licensed by the Illinois Department of Children and Family Services.

Area children attend the Maine

East nursery school Monday through Thursday from 9:30 to 11:30 a.m.

The school is run by Ms. Mimi Coconato and the students teach, plan activities, and observe the children. This is not a course taken only for the fun of it. Students receive a major grade for it.

When asked what their two most favorite places to visit at Maine East were, children in the nursery school mentioned the nurse's office and the gymnasium. Some of their favorite activities include playing in the toy kitchen or with airplanes and blocks. Snacks are served at school, and the most liked treats are grilled cheese and pizza.

Free film festival

Are you a Charlie Chaplin, W. C. Fields, or Walt Disney cartoon fan? If so, you'll want to attend a free film festival on Sunday, March 19, at the Mansfield Fieldhouse (5830 Church) in Morton Grove. The film festival runs from 1 to 5 p.m. and is hosted by the Baha'i Communities in the near north suburbs.

The films to be shown include Charlie Chaplin in *The New Janitor*; *The Great Chase* starring W. C. Fields; *Step by Step*, the story of the dedication of the Baha'i House of Worship in Panama; Disney cartoons featuring Donald Duck, Pluto and the Ugly Duckling; *The Brotherhood of Man*, an animated presentation about the unity and diversity of mankind; and many more.

Refreshments will include free popcorn and punch.

Good Friday Service

The Fourth Annual Good Friday Service will be presented at Bethany Terrace Health Care Facility, 8425 N. Waukegan rd., Morton Grove, at 2 p.m. March 24. This unique Service of the "Seven Last Words of Our Lord" involves people from Dietary Dept., Nursing, Social Services, Office, Resident, Volunteers, the Chaplain and the Administrator.

The Service will begin with an organ prelude by volunteer, Thelma Michelson. Seven readers will read the "Saviour's Words From The Cross" followed by short meditations by seven more participants. The Bethany Terrace Choir will sing two numbers.

The Service closes with the impressive "Veiling Of The Cross" by two nurses. A cordial invitation is extended to the entire community to attend.

Palm Sunday Sacred Concert
The Senior Choir, under the direction of Mr. John K. Christensen, of Edison Park Lutheran Church, Avondale and Oliphant aves., Chicago, will present Faure's "REQUIEM" on Palm Sunday afternoon at 4:45 in the Sanctuary. The soloists will be Mrs. Arline Hesketh, soprano and Mr. Bernard Domenz, Baritone. The choir and soloists will be accompanied by an orchestra.

This concert is an inspirational opening to the Holy Week observances. Palm Sunday Services will be held at the regular worship hours of 9 and 10:45 a.m. The Rev. A. Gordon Nasby, Senior Pastor of the Church, will deliver the sermon on the theme "Strange Kingship". Palm fronds will be distributed to worshippers at the close of each Service.

Following the concert, the congregation will be invited to participate in refreshments served by the Naomi Circle with Dorothy Jacobsen, Chairwoman. A free-will offering will be received. The public is cordially invited to attend.

Niles Community Church

Palm Sunday, March 19, at the Niles Community Church (United Presbyterian), 7401 Oakton st., will begin with a meeting of the Men's Breakfast Group at 8:30 a.m. During the 10 a.m. worship service, the Church School students will participate in a special Palm Sunday processional and the One Great Hour of Sharing Offering will be dedicated. Church School classes for three-year-olds thru sixth graders will be conducted concurrently with the 10 a.m. service; care for two-year-olds and younger will also be provided. The Adult Bible Study Group will meet at 11:15 a.m. Later that day, at 6:30 p.m., the Senior Youth Group will have a special service.

Church meetings and activities during the week of March 20 (Holy Week) will include: Monday, 7 p.m. - Scout Troop 23; Tuesday, 6 a.m. - Primary; Elections, 12:30 p.m. MONACEP language classes, 8 p.m. Board of Deacons; Wednesday, 7 p.m. youth drop-in and Conway Diet Institute; Thursday, 8 p.m. Maundy Thursday Communion Service (around tables in all-purpose room) and Al-Anon; Friday, 8 p.m. Good Friday Service (choir singing portions of the Cantata, "The Seven Last Words of Christ"); and Saturday, 1 p.m. children's Easter party.

Purim festivities

In the tradition of Purim, the Young Adult Department of the Mayer Kaplan Jewish Community Center will be presenting an evening of comedy, folk dancing and refreshments.

Join other young adults on Sunday, March 26 at 8 p.m. in the age old custom of "Ad ho yaiden" - to imbibe to the point of not knowing the good guy from the bad guy in the Purim Story. Cost: Non-member - \$3.50; members - \$3 which includes food, wine, dancing and entertainment. See you then.

Mini Day Camp Program

Kindergartners through 5th graders can "Welcome the Spring" in a Mini Day Camp Program at the Mayer Kaplan JCC, 5050 Church st., Skokie, Tuesday, March 21 through Thursday, March 23, from 9:30 a.m. to 3 p.m.

The Festival of Purim will be celebrated with costumes, booths, carnival and prizes. There will be an historical treasure hunt highlighting significant Purim events, ideas and items.

Dominick's benefit day

Dominick's Finer Foods, 6931 Dempster, Morton Grove will have a Benefit Day for Morton Grove Hadassah, and School District #97, on Wednesday, April 19.

Dominick's Finer Foods, 6931 Dempster, Morton Grove will have a Benefit Day for Adas Shalom Congregation on Wednesday, April 12.

St. Anselm's Episcopal

The visit of Bishop Quintin Primo, Episcopal Suffragan Bishop of Chicago, 8 p.m. Saturday, March 25, will cap a week long series of Holy Week Services at St. Anselm's Episcopal Church, 1600 N. Greenwood, Park Ridge.

The liturgy of the palms and the Passion at 9:30 a.m. Sunday, March 19 will start Holy Week observances at St. Anselm's.

One of the highlights of the week will be the Good Friday observances. At 9 a.m. Friday, March 24, morning prayer will be held and an end of the Maundy Thursday vigil. A service of prayer and meditation on the cross will be held at noon. At 7:30 p.m. the liturgy of the Passion will be held.

During the week at 6:45 p.m. Monday there will be evening prayer and eucharist with various accounts of the Passion gospel. At 6:30 p.m. Tuesday there will be a eucharist followed by the final program in the Lenten series.

At 6:45 p.m. Wednesday evening prayer and eucharist will be observed.

Maundy Thursday liturgy will start 7:30 p.m. Thursday. The Thursday service will mark the start of the Last Supper tradition and the beginning of the eucharist. And Thursday marks the beginning of the all night vigil.

The three Friday services will follow. And on Holy Saturday, March 25, morning prayer will be observed at 9 a.m.

Palm Sunday and Holy Week Services

Palm Sunday will be observed at the Edison Park Lutheran Church, Avondale and Oliphant aves., Chicago, with Services at the usual hours of 9 and 10:45 a.m. There will be special music by the Choirs, with broadcast over Radio Station WOPA-AM, 1490 khz. beginning at 9:30 a.m. The Rev. A. Gordon Nasby, Senior Pastor of the Church, will deliver the sermon on the theme, "Strange Kingship". Palm fronds will be distributed to all those attending worship.

During Holy Week, the wooden Lenten cross which has stood in the front of the Church through Lent will become even more rich in its symbolism. This cross is made from the trunk of a former Christmas tree, pointing to the merging of Christ's birth and atonement. Many nails have been placed on the cross, and during the Holy Week Communion Services, which will be held at 7:30 p.m. on Tuesday, Wednesday and Thursday, each person in attendance will receive a small card to sign and will then place it on the tree as they go forward to receive Holy Communion. Children will be given the opportunity to put their names on the cross at the last Lenten service on March 16. By Good Friday, the cross will be covered with many names, illustrating in a very visual way how Jesus personally carried the load of our sins in His own body when He died on the cross, so that we can be finished with sin and live a good life from now on.

Scholarship luncheon

Misha Raitzin, Metropolitan Opera tenor will be the guest artist at the 29th Annual Scholarship Luncheon given by the Yeshiva Women of the Hebrew Theological College on Wednesday, March 29, 11:30 a.m. at the Palmer House in Chicago.

Seek four-generation JCC families

Jerome J. Kaplan, 9125 N. Keeler, Skokie, a member of the Jewish Community Centers 75th Anniversary Committee, is looking for four-generation JCC families in Skokie and surrounding communities.

"We're trying to track down people who belong to a JCC, whose children also belong, and whose parents and grandparents were members," he said. "The JCC wants to get in touch with these families as part of its 75th Anniversary celebration."

The ideal family would have a living great-grandparent, grandparent, parent and child, all of whom are or were members of the organization, Kaplan said. The JCC was originally known as the Chicago Hebrew Institute and later as the Jewish People's Institute, he added.

"What we want are personal reminiscences of people who can recall the heyday of the Jewish People's Institute in the 'thirties,'" said Kaplan. "We

know there are also people around who remember the old C.H.I. on Taylor Street in the early twenties and thirties."

Founded in 1903, the Chicago Hebrew Institute eased the Americanization process for many Jewish immigrants from Eastern Europe. Later, as the J.P.I. on Douglas Boulevard, it was the center of cultural, religious, social, and athletic activity for the then-homogeneous West Side Jewish community. It became the Jewish Community Centers and began adding neighborhood branches in the 1940s. Today there are eight Centers to accommodate the area's widely dispersed Jewish population.

Members of three- and four-generation families should call JCC headquarters at 346-6700, ext. 505. Their names will be taken and they will be contacted during the year for articles, photos, and 75th Anniversary events.

Belgrade Chorus at JCC

The Belgrade Jewish Chorus of Yugoslavia will be presented by the Mayer Kaplan Jewish Community Center and the Skokie Senior Adult Center on Sunday, March 19 at Niles East High School, Skokie at 8:15 p.m. This event will be one of the cultural programs presented this

year to commemorate the seventy-fifth anniversary of the JCC's of Chicago.

For their North American tour there will be 45 voices and a director.

Fees are: \$3 for members and \$4 for non-members. For further information call 675-2200, ext. 214.

St. Patrick's dinner dance

The Irish-American Heritage Center Building Fund will benefit from the St. Patrick's Dinner-Dance on Saturday, March 18 at St. Demetrius Hall, 2727 W. Winona. Information may be obtained by calling 528-0282 or 283-0673.

Chairman John Golligly, of the Shamrock-American Club, sponsors of the event, says an enjoyable evening is planned with family style dinners, Irish step-dancing exhibitions, kilted bagpipe band, dance band, Irish traditional musicians, free parking, etc.

A Coffee Hour will be held in the Church Parlors immediately following the Service, hosted by members of the Luther League. Visitors are cordially invited to attend.

Pat Witt appointed to Harper faculty

Pat Witt, associate-broker at ERA Callero & Catino Realty in Niles, has been appointed to the faculty of Harper College in Palatine.

She will teach various courses in the real estate department of the school's business division.

Ms. Witt's courses offer both college credit and requirements for the Illinois state license examination. Harper's real estate department is fully accredited.

Ms. Witt joined ERA Callero & Catino in 1975 and exceeded the \$1 million mark in sales in 1977. She graduated from Barat College in Lake Forest and Yale-New Haven School of Nursing, and is presently completing a masters degree program at the Alfred Adler Institute in Chicago.

A Buffalo Grove resident, Ms. Witt is a member of the Northwest Suburban Board of Realtors and National Association of Realtors. She also is completing the required Graduate Realtors Institute courses.

Easter bunnies greet Golf Mill shoppers

The Easter Bunnies, Flopsie and Mopsie, won't be hiding their eggs at the Golf Mill Shopping Center but will be waiting eagerly with baskets full of free candy Easter eggs to give to their visiting friends. The delightful bunnies are taking up residence in the Easter Bunny Hutch located in the North Mall of the shopping center located at Milwaukee and Golf rds. in Niles. You won't miss the A-frame hutch which is trimmed in bright Spring decor. While shopping for your Easter needs, you can bring the children to visit with Flopsie and Mopsie in their home on the following days: Thursday, March 16 and Friday, March 17, from 4 p.m. to 8 p.m.; Saturday, March 18, from 10 a.m. to 5 p.m.; Sunday, March 19, from Noon to 5 p.m.; Friday, March 24, 10 a.m. to 8 p.m.; and Saturday, March 25, 10 a.m. to 5 p.m.

Group aids parents of terminally ill children

Skokie Valley Community Hospital is sponsoring a new chapter of Carelighters, an organization serving the emotional needs of parents whose child has a terminal illness or has had a catastrophic accident.

Meetings will be held at 7:30 p.m. the first Monday of every month, beginning April 3, in the hospital's South Meeting Room. They will be open at no charge to all parents in need of the support Carelighters can offer. The purpose of the first meeting on April 3 will be to acquaint grieving parents who live in the same area with one another.

Carelighters was organized a year ago by Lore Prager of Homewood, a bereaved parent who wanted to reach out to other grieving parents. When her own son died of cancer 10 years ago,

she felt the need of outside support, but found there was no place in the Chicago area where parents of terminally ill children could meet.

With help from a similar group in Washington, D.C., she organized the Carelighters in Illinois, which currently meets at Ingalls Memorial Hospital in Harvey. The new chapter at Skokie Valley will include parents from the north side of Chicago, the northern suburbs and the northwestern suburbs.

"Our slogan is 'To care a little, share a lot,'" Mrs. Prager explained. "We try to establish a buddy system among parents who are living through similar tragedies." Carelighters provides support through monthly meetings and a 24-hour telephone hotline (312-798-1020).

Morton Grove Historical Society

Year-end reports of the various committees that operate within the Morton Grove Historical Society will highlight the Annual Meeting that will be held on Tuesday, March 21 at the Morton Grove Public Library, 6140 Lincoln ave., at 7:30 p.m. All members of the Society are urged to be present for this important meeting.

Also a highlight will be the appearance of Kenneth M. Sosnowski, who is a bottle collector from Park Ridge. He is to be the guest speaker at the

meeting, which is open to the public. Members and guests can bring along an interesting bottle to augment the speaker's discussion. Collecting bottles has become a very popular hobby the past few years.

It will be the last chance to become a Charter Member of this Society. A family, individual or sponsor Charter Membership can be purchased at the meeting before the March 31 deadline.

There will be a door prize or two and refreshments will be served, after the meeting and program.

Air Force enlistee

Edward M. Barov, son of Mr. and Mrs. Barov of 5338 Cleveland, Skokie, enlisted in the U.S. Air Force's Delayed Enlistment Program according to Staff Sergeant Larry P. Andersen, Air Force Recruiter, 4119 W. Main st., Skokie.

Edward Barov presently attending Niles West High School, is scheduled for enlistment in the Regular Air

Force on July 11. Upon graduation from the Air Force's six weeks basic training course, he will receive technical training in the general areas.

He will be earning credits toward a Career Education Certificate through the Community College of the Air Force while attending basic and other Air Force technical training school.

***CHECK IT OUT FOR YOURSELF WITH YOUR ON-BOARD COMPUTER...**

We will finance 80% of the sticker price of your car; (This does not include sales tax, optional warranty or "special" options) The annual percentage rate will be 8.86% based on 36 equal monthly payments.

For example, here's how Golf Mill State Bank's new auto loan works with a car having a sticker price of \$6,000.

\$6,000	Sticker Price
-1,200	Down payment (cash or trade)
\$4,800	Loan Proceeds
+684	Total Interest for Three Years
\$5,484	Deferred Price or Total Principal and Interest
or \$152.33	Monthly Payments

Use this example to figure your monthly payments on the car in your future by following these steps:

- Multiply the sticker price of your new car by .20 (20%). \$6,000 x .20 = \$1,200.
- Subtract the figure from the sticker price. This will give you the maximum figure you can borrow on your new car. \$6,000 - \$1,200 = \$4,800
- Multiply .0475 by the amount you can borrow and then multiply this answer by 3. \$4,800 x .0475 = \$228 x 3 = \$684. This gives you the total interest you'll pay for the loan over the three year life.
- Add the amount to be borrowed and the interest to give you the deferred price or total principal and interest. \$4,800 + \$684 = \$5,484.
- Divide the deferred price by 36 months to determine your monthly payments. \$5,484 ÷ 36 = \$152.33.

Put the force to work at Golf Mill State Bank.

Must abide by District 63 School Board decisions

Dear Mr. Besser:
Thank you for your editorial of March 9. Although it was more eloquent than our vocabulary, it was what had been discussed between myself and several other parents on Wednesday.
There is no point in delaying the closings. The pain of the particular schools closed will be the same whether it is 1979 or 1978. We no longer have the necessary enrollment to maintain nine grade schools. We must accept the decisions of our

lected School Board and give them the respect they deserve.
One point that needs to be cleared up, however, is your statement about a former teacher commenting in Oak Leaves on what a fine school Oak is. The article was written by a former resident who served on Oak's PTA for many years, including two years as president.
Sincerely,
(Mrs.) Barbara Huff

Urges residents to vote

Dear Sir:
I would like you to give this important message to the people in the Village of Niles and all of Maine Township.
On Tuesday, March 21 we have another serious election race for Democratic Committeeman of Maine Township.
Too many times voters in this area don't think it is that

important enough to spend 5 minutes at the polls. But they could spend hours or years regretting the bad results.
It would be nice to see them follow this reminder.
Respectfully,

Wilson promises full time office

Earl Wilson, Democratic candidate for the State Senate from the Fourth Legislative District in the Primary election to be held on Tuesday, March 21, said this week in a statement, "When elected State Senator, I will have a full-time office to better serve the people of this district."

Wilson, who this week was endorsed by the Chicago Tribune, further stated, "I am not a lawyer, therefore my office will not be a part-time law office and a part-time legislative office. The state of Illinois gives their legislators an allowance sufficient to open an office and hire an Administrative Assistant; and that is what I will do."
Candidate Wilson went on to say, "Thirty-one per cent of the legislators in Illinois are lawyers - the highest percentage rate in the United States. I am a middle income working person; a part of the great majority of people in this district, and I think it is time we got some representation in Springfield." Wilson is employed by the Brotherhood of Railway and Airline Clerks at their International headquarters in Rosemont; he is the Assistant Director in the Research and Education Department. Both of Wilson's opponents in the primary are lawyers.
In addition to the Chicago Tribune, Wilson's candidacy has been endorsed by U.S. Congressman Martin Russo, State Senator Arthur Berman, Illinois AFL-CIO, E.R.A. Illinois, the Chicago Teachers Union and others.

Poster contest winners

The Police Department Crime Prevention Bureau held a poster contest for the Morton Grove schools in December of 1977. Each school was offered entries, allowing a winner in each grade. The judging was done by the Police Department's Citizens' Advisory Board and the Morton Grove Woman's Club. All the other entries were awarded a certificate. The sixth grade winner was entered in the state-wide contest and won third place. She was presented an award of \$25 savings bond by Illinois Governor Thompson.
Winners were: Claudia Ridley, Edison School, 2nd grade; Matthew II, Meizer School, 3rd grade; Lisa Woodall, Edison School, 4th grade; Nancy Yamaguchi, Edison School, 5th grade; and Jacqueline Plonus, Parkview School, 6th grade.
Prizes are courtesy of The First National Bank of Morton Grove, The Morton Grove Bank, The Morton Grove Woman's Club, and the Morton Grove Police Dept. Crime Prevention Bureau.

Big turnout for MG Historical party

It was a success - socially and financially! The first benefit Card Party and Raffle of the Morton Grove Historical Society went as planned on Feb. 9 at the Legion Hall.
By 6:30 p.m., when the committee gathered in old-fashioned gowns on the women and typical attire of a by-gone era on the men, guests were arriving. Games were played, after all the Pick-a-Heart gifts had been sold, until the middle of the evening. Then, Bill Sonne, in a shiny black silk top hat and ruffled shirt, took over as master of ceremonies for the raffles. He chose Mrs. Lota Renis, who is 82 years young and the oldest lady at the party, to pick the first winning ticket. It belonged to Ms. Nancy Rossmann, who won the Liquor Basket. In quick order, Mrs. Joan Stewart was the winner of the Grocery Basket; Mr. Robbie Platz won the handmade Afghan; and the Terrarium went to Mrs. Jane Zalud. A fifth prize was added and this \$18.50 Savings Bond became the property of Ms. Dorothy Burkhardt. Also raffled off were numerous door prizes.
Libations were toted to the card tables by Florence and Fred Huscher, so the players could continue their games without interruption. The evening came to a happy ending, when cake and coffee were served.

M-NASR adult center

The Maine-Niles Association of Special Recreation has organized a Leisure Center for Multiply Handicapped adults. The Center will be available beginning this Spring to those handicapped adults who are unemployed.
This year-round program will run five days per week and will be open approximately 4 to 5 hours a day. Transportation will be provided to and from the program and will be run in cooperation with North West Special Recreation Association. Supervision and programming will be provided by highly qualified staff from M-NASR and NWSRA. Daily self-care skills and motor development will be taught through recreational activities designed for the individual needs of the participants.

Flynn cites school tax increase

Thomas Flynn, Democratic Senatorial Candidate, today said that local school taxes will increase in 1978. He said the Governor's proposed 4% increase in state aid will not even meet the 9.8% increase in the local cost of living.

Mr. Flynn said, "Local school districts must meet the cost of inflation just the same as everyone else. The cost of living went up 9.8% last year. Common arithmetic shows that they must increase local school taxes 5.8% just to break even. Additionally, 4th District homeowners had their assessed valuations increased last year from 15% to 40%. The increased valuation gives the local school district the room to substantially increase local school taxes." Gov. Thompson has skillfully shifted a tax increase from the state to local homeowners. "I will lead a fight to make Illinois Government increase state aid to education. The 1968 Illinois Income Tax was created to lower local real estate taxes. Every Springfield politician from both political parties has failed to keep his word."

Flynn ended his remarks by asking voters to come out on March 21 and show their dissatisfaction by voting. He said a protest vote is necessary to pound some common sense into Illinois politicians.

Boy Scout Pancake Breakfast

Boy Scout Troop 175 will hold its annual Pancake Breakfast on Sunday, April 2. Everyone is welcome to enjoy a delicious meal in Flanagan Hall at St. John Brebeuf School, 8301 N. Harlem in Niles. The scouts will be serving breakfast from 7:30 a.m. to 1:30 p.m. The cost is \$6 per family or \$1.50 per person. Children under 5 yrs. old are free. There will be juice, coffee, sausage and all the pancakes you can eat.

For tickets and further information you may call Mr. Andrew Belerwalters at 987-8978. Proceeds from the breakfast will be used to purchase much needed camping equipment and continue to help promote the scouting program.

Scouter's swap-meet

The Northwest Suburban Council, Boy Scouts of America will sponsor a Scouter's Swap-Meet and Flea Market on Sunday afternoon, April 2nd. The Scouting only event will be held from 12:30 to 5 p.m. at the Council Service Center, 1300 E. Rand Road, Arlington Heights. General admission is \$1.

Scouting items for display, swap or sale will include books, stamps, Baden-Powell items, autographs, patches, neckerchiefs, coins, uniforms, posters and paper items. For more information write Jim Stevenson, 1300 E. Rand rd., Arlington Heights, IL 60004.

Hales endorsement

Sam Young's former campaign manager, J. Fred Herlocker (l), of Winnetka, has announced his endorsement of 10th District Congressional candidate, Dan Hales (r).

"Having had the experience of running a campaign against Abner Mikva," he said, "I am convinced that Dan Hales is the Republican Party's best hope for victory in November."

Herlocker called Hales an aggressive and tireless campaigner, and one who will devote full time to the campaign effort. "Dan has both the intellect and talent to debate Mikva on the complex issues facing the Congress," he added.

In response, Hales said that he considers the endorsement a particular compliment. "I am delighted that a person who has been through the battle would place his confidence in my campaign," he said.

Blase proclaims new job description for committeeman

As your Democratic Committeeman, I have been very vocal about problems in our area, such as airport noise at O'Hare and the attempt by the SST to get runway rights at O'Hare, etc. Our organization obtained more than 5000 signatures, which we presented to Congressman Mikva, who then presented President Carter with our views about the SST. We anticipate a favorable result.

I have spearheaded the drive, along with 50 suburban communities, including Des Plaines, Morton Grove, Niles and Park Ridge, to get water rates reduced. We filed a suit against the City of Chicago, alleging that they have been overcharging us for water from Lake Michigan for years.

Businessmen plan Scout lunch

Area business leaders are pitching in these days to help nearly 18,000 boys enrolled in the Northwest Suburban Council, Boy Scouts of America. In the planning stage is the 1978 "Good Scout" Lunch-O-Ree to be held at the Arlington Park Hilton on June 1, according to General Chairman Floyd C. Boswell, President of Teletype Corporation in Skokie.

This annual luncheon is not merely an important social event recognizing over 4,000 volunteer works and special friends of Scouting. It is one of the major fund raising affairs conducted by the Council. With headquarters in Arlington Heights, the Council's boundaries stretch across nine townships including Barrington, Elmhurst, Elk Grove, Leyden, Maine, Niles, Palatine, Schaumburg and Wheeling. Funds raised help to assure every youngster of quality educational and recreational programs throughout the year. The Council is a participating member of the United Way of Suburban Chicago.

Helping Boswell on the executive committee are: Lunch-O-Ree Vice-Chairman Gregson L. Barker, President of UARC

I have, with other community leaders, led the battle to preserve the identity of our suburbs, so that you and I can live the life that we chose for ourselves when we moved to the suburbs.

These are the kind of things that the Committeeman, Republican or Democrat, representing the 180,000 people in the township, must be talking about. He must convince his party of the importance of these issues and must be able to get something done about them.

This is the new Committeeman today, a person dealing with the problems of the community and not just someone who passes out literature and promotes his particular party.

Floyd C. Boswell Corporation in Barrington; Donald W. Chapin, Assistant Vice President of Allstate in Northbrook, Chairman of Business and Industrial Division I; John A. Bauschka, Labor Relations and Personnel Manager of Western Electric Company Inc. in Rolling Meadows, Chairman of Business and Industrial Division II; Joseph V. LoVerde, President of LoVerde Construction Co. of Niles, Chairman of Construction Division I; John I. Skanderup, President of Pepper Construction Company in Chicago, Chairman of Construction Division II.

Blase commends volunteers in Democratic Party

Democratic Committeeman Nicholas Blase, addressing a recent Maine Township Democratic Organization meeting where he was unanimously endorsed for the position of Democratic Committeeman for Maine Township in the March 21 Primary, charged that there is an effort underway to change the Maine Township Democratic Organization. The Maine Township Democratic Organization has always existed by virtue of the large number of volunteers that go into the precincts and do the job of drawing out the Democratic vote in our Township. We have relatively few patronage positions, or otherwise known as political jobholders, to do precinct work.

Blase's opposition has stated that the future of the Democratic party in Maine Township lies in filling the Organization with patronage jobholders. Blase said that this would be going backwards and would be a throwback to old Chicago style politics. It is essential, he stated, that Maine Township Democratic Organization remain free from Chicago style politics in order to insure that we would be able to express our suburban point of view, even if that point of view conflicts with that of Chicago. If

we allow ourselves to be taken over by a Democratic Committeeman who feels that political jobholders are the answer to an effective Organization, then surely, without a question, we will be controlled and run by County office holders, whose allegiance is primarily with the City of Chicago.

We must cooperate with Chicago, but we cannot be controlled by Chicago. Our Organization will continue to remain independent of political forces that are outside of Maine Township.

We have gone from one of the weakest Townships democratically, to one of the strongest. We are 5th out of 30 Townships in Democratic vote. We will continue to exist largely as a volunteer Organization and we will continue to be successful.

First Federal of Chicago's rose "Sign of Spring"

Seven-year-old Terry McCabe of Chicago, the Lions International Poster Child, and E. Stanley Enlund, chairman and chief executive officer of First Federal of Chicago, appreciate the fragrance of First Federal's American Dawn rose. Terry, who is blind, visited with Enlund at an Amling's greenhouse where First Federal's roses are being readied for display. The rose and houseplant promotion, now in its 16th year, begins March 13 and continues through April 8.

With one of the roughest winters in history behind us, residents of northwest Chicago and suburbs can look forward to First Federal of Chicago's 16th annual rose and houseplant promotion, one of the first signs of spring.

This year, First Federal of Chicago, the largest savings and loan in Illinois, will offer the American Dawn, a hybrid tea rose developed exclusively for First Federal by Jackson & Perkins, world-famous rose growers. The American Dawn blossoms have velvety petals, ranging from pink to crimson, with a touch-of-creamy white on the underside.

Since 1963, when First Federal's rose promotions began, over 500,000 rose bushes have been given away.

Highlighting the promotion, which begins March 13 and continues through April 8, is a spring flower display in the lobby of First Federal's main office at Dearborn and Madison. "Each year our lobbies are turned into beautiful gardens that Loop workers and shoppers really appreciate," said Marilyn R. Hopkins, vice president of advertising and public relations.

More than 15 varieties of garden flowers, cactus and houseplants will be displayed, including rhododendrons, azaleas, mums, calceolaria, cineraria and ferns. Floor plants include palms, ficus, dracena, scheffleras and Norfolk Island Pine.

Flower displays are also

featured where space permits at many of First Federal's other 22 offices throughout Chicagoland.

The American Dawn, which won a gold medal in international competition at The Hague, Netherlands, in 1973, is the fourth in a series of hybrid tea roses offered to First Federal customers since 1963. The first was the First Federal rose, followed by the First Federal Gold in 1968, and the Billionaire in 1973, which marked First Federal's topping the billion dollar mark in assets.

The American Dawn can be ordered at all First Federal offices or by mail for a deposit of \$50 or more to a new or existing savings account. Or, for those who don't have a place to plant a rose bush, one of three houseplants will be offered: Golden Pothos which has waxy, dark green leaves; the Japanese Fatsia, which can grow to eight feet tall; and the Moses-in-the-Cradle, a clustering foliage plant. Rose bushes are sent to customers at the proper planting time; houseplants must be picked up at one of First Federal's 23 offices.

In northwest Chicago and suburbs, roses and houseplants can be ordered at First Federal of Chicago's offices located at 3940 N. Harlem ave., Chicago; 111 E. Rand rd., Mount Prospect; 8400 W. Dempster st., Niles; 123 N. Northwest Hwy., Park Ridge; 790 Mall dr., Schaumburg; 33 E. Dundee rd., Buffalo Grove.

Is the cost of education worth it? We think so at Centel.

For 40 hours every week, 52 weeks a year, our Illinois Training Center conducts classes for Centel employees on subjects that focus on technical, administrative and managerial skills.

The program utilizes everything from simulations with actual equipment to videotape scenarios of work situations.

It's a program which gives employees feedback on their progress at set intervals throughout the courses.

In 1977, we spent over \$110,000 on this training program representing over 26,500 hours of employee training.

In addition, we also have a tuition assistance program for any employee who chooses to take a job-related course.

And we think it is worth every penny. We're deeply committed to a program that accomplishes so many worthwhile goals.

It provides our employees with the knowledge and skills to do their jobs better.

It helps all of us keep pace with the staggering amount of new technological advances in our industry.

FNBOS welcomes spring with 5 foot Easter bunny

For all of you who have had it up to here with this winter - First National Bank of Skokie has brought a harbinger of Spring into their lobby in the form of a five foot Easter Bunny.

Nestled among the many lush tropical plants that regularly adorn the spacious lobby of the bank, is this 5 foot "Pooka" (for those of you who remember Elwood P. Dowd's, Harvey).

Friday, March 24, in plenty of time for Easter presentation, the bank will have a drawing and award the rabbit to some lucky entrant who has dropped an entry blank into the box next to the bunny.

Jannan Holmes, a fifth grader at St. Lambert School, shows off just how big a 5 foot Easter Bunny really is.

Centel acquires Ohio Telephone Company

The acquisition of the Lorain (Ohio) Telephone Company by Central Telephone and Utilities Corp., parent company of Central Telephone Company of Illinois, was completed March 1, said Robert P. Reuss, chairman and chief executive officer.

Lorain, which will be operated as a CTU subsidiary, serves more than 82,000 telephones in the City of Lorain and the surrounding area west of Cleveland.

In conjunction with the acquisition, the company announced the appointment of John M. Mallory to the new position of general customer service manager with the Ohio subsidiary.

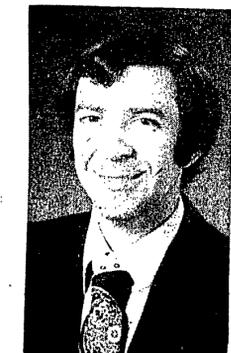

Mallory, division plant manager in CTU's Nevada Division in Las Vegas is a 26-year employee of the Centel system.

CTU is the nation's fourth largest independent telephone company and serves 1.6 million telephones in 10 states. The utility also owns electric companies in two other states.

Art gallery exhibit

There is still time to view the art gallery exhibit at the First National Bank of Des Plaines Convenience Center, 760 Lee Street. Oils and watercolors created by members of the Des Plaines Art Guild will continue to be on display through the end of March.

Bank officer appointment

John H. Beaulieu, president of Glenview State Bank, has announced the appointment of Mr. Kenneth R. Runnfeldt as Banking and Assistant Trust Officer. He previously was associated with the Harris Trust & Savings Bank of Chicago in the corporate trust department. A graduate of St. Ambrose College in Davenport, Iowa, Mr. Runnfeldt is a Northfield resident.

All works are signed by the artist and offered for sale. The exhibit may be seen weekdays 10 a.m. to 7 p.m. and Saturdays until 2 p.m.

Marillac names National Merit finalists

Five seniors from Marillac High School in Northfield have

been named finalists in this year's National Merit Scholarship competition, according to school officials, who were notified this past week by the National Merit Scholarship Corporation.

The five finalists are: Diane Duffy of Niles, Eileen Durkin of Park Ridge, Mary Ellen Ewen of Northbrook, Nancy Konvalinka, also of Northbrook, and Kathy Bates, an early graduate of Marillac and now a student at Loyola University.

Puccio campaign gains momentum

James Puccio, candidate for Democratic Committeeman of Maine Township, is working as hard and faster in this last week before the March 21 election as he and his volunteers have worked since the campaign kicked off. Puccio has walked almost every precinct in the Township asking many voters personally to support him with their votes.

"I am a candidate for Democratic Committeeman. I am not running against Blase for Mayor," stated Puccio. "My opponent has confused the real issues of this race with misleading rumors and false innuendos, that have no basis or truth. He has talked about his work as Mayor of Niles, but he falls to state any accomplishments for his 12 non-productive years as the Committeeman. It is encouraging to my candidacy to have my opponent admit he is guilty of mispending funds belonging to the Members of the Democratic Organization and that he now wants to develop a working Organization in Maine Township as a result of my people-oriented campaign."

Puccio has also stated that the response from the people he has met walking door to door and at the morning railroad stops, has convinced him that his opponent has done nothing to promote the Democratic Party or its candidates. He has also been remiss in explaining the many services a committeeman should be able to offer. Services are important to the people, no matter what their station in life.

"My opponent can't possibly do the job of a Mayor, Liquor Commissioner and Lawyer and represent all the people of Maine Township at the same time," said Puccio.

Workers in the Puccio Campaign are all volunteers who are here willingly and not under the threat of reprisal or loss of jobs like his opposition's camp. Active volunteers canvassing for Puccio are suburbanites from Maine Township like Puccio, who are anxious to progressively improve our community and bring about a change for the better.

When elected Maine Township Democratic Committeeman, Puccio has pledged his full effort in resolving the problems his opponent has negligently or intentionally ignored. For example: Puccio is concerned with resolving the problems in the East Maine Unincorporated area, he is determined to develop a service-oriented Grassroots political organization, to fight an elected Legislator of Springfield who is a resident of our township, one who is familiar with our problems of annexation, education, transportation and overtaxation.

"On March 21, next Tuesday, the people can exercise their true feelings about what has not happened over the past 12 years," said Puccio. "I am asking every voter in Maine Township to let me work for them. When you elect me, I will work with you to solve the existing problems in Maine Township."

Debate competition

Maine East debaters Ed Finnegan and Charles Moeller placed fourth, and Lenny Gail and Joel Liberson, fifth place, in the recent I.S.T.A. state debate tournament.

Mikva to coordinate Sun Week

Congressman Abner J. Mikva is a member of the steering committee which will coordinate state-wide Sun Week activities scheduled to take place the first week of May. Sun Week promises to be a major event, with thousands of people across the country involving themselves in solar fairs, conferences, teach-ins and other energy-related activities. Schools, churches, conservation groups, government agencies and interested individuals are all planning to take part.

The League of Women Voters, with a grant from the Illinois Division of Energy and the Illinois Institute for Environmental Quality, is leading the organization of Sun Week activities. Judy Beck, of the Glenview League of Women Voters, chairs the steering committee.

Mikva's task is to act as liaison between the events organizers, the Illinois congressional delegation and government agencies. The Congressman said, "I consider it a tremendous privilege to help make Sun Week a great week in Illinois and a successful week in the Tenth District." He is also co-sponsoring a House Resolution declaring May 3, 1978, "Sun Day"—a day to be set aside for a national celebration of solar energy.

Mikva has urged that by exploring and emphasizing the opportunities and potential of solar energy, Sun Week can help lay the ground work for conscious planning of the nation's energy future. He said, "It could be much like Earth Day in 1970, which provided the impetus for a new awareness of the environment."

Engineering Award winner

Richard Laboda, a junior at Notre Dame High School for Boys, has been announced as the first place award winner in his division at the fifth annual Illinois Institute of Technology Engineering Fair. The fair is the culmination of competition among the high schools in the greater metropolitan Chicago area. Richard's first place award came in the junior/senior Papers and Drawings competition which involved 25 finalists.

Richard and his parents (Mr. and Mrs. Chester Laboda, 7041 W. Main, Niles) were guests of IIT at an award luncheon held on Monday, February 20. In recognition for his first place finish IIT presented Rich with a \$25 savings bond, a brief case, and a certificate from the University.

Mr. Don Helmann, chairman of the Business and Occupational Arts Dept. at Notre Dame, has placed the award winning project on display in the main foyer of the high school.

On Dean's list

The University of Dayton has announced the Dean's List for the first term of the 1977-78 academic year. Included was Gail Mark Brown, 8741 N. Wisner st., Niles.

ILLINOIS EDITORS' TRAFFIC SAFETY SEMINAR

ELIGIBLE FOR ONE OF TEN \$ 500 CHICAGO MOTOR CLUB SCHOLARSHIP AWARDS

HIGH SCHOOL SENIORS' ESSAY CONTEST

The Contest Committee of the Illinois Editors' Traffic Safety Seminar has selected the following essays as the best submitted from this area.

More than 500 high school seniors submitted essays in this year's contest centered on the subject, "Teenage Traffic Accidents: How Can The Record Be Improved?"

Finalists are Sheila Finnegan, 6009 Church terr., Niles, a senior at Maine East and Patty Pater, 7154 Breen, Niles, a senior at Regina Dominican.

The record of teenage drivers is not good. Although accounting for 21.8% of all drivers, they are involved in 37.17% of all accidents. The problem is a

Local finalists in traffic safety essay contest

serious one; it has been estimated that teen car crashes kill 26,000 people a year. While there are several safe driving tips I've learned which could help these drivers to reduce accidents, I won't waste time on them because they are likely to go unheeded. The disregard many teens have shown, at times, of simple safe driving techniques has led me to believe that a raising of the driving age to eighteen is the only solution to the

increasing occurrence of teen-caused accidents.

Most teens, including myself, probably practice these safe driving techniques 90% of the time. Unfortunately, the accidents occur in the 10% of the time when "age" seems to get in the way - when safety precautions are ignored and peer pressure is reacted to. For example, every new driver learns in driver education class that night conditions necessitate a reduced speed and a longer following distance. But how many teens recall this fact on Saturday nights when they're out "cruising" with friends? This is only one of many relatively minor abuses. There is a much more serious one - drunk driving. Surveys reveal that one-half of all school students drink regularly and a significant number of these drink in driving-connected situations. The number of arrests in Illinois for teen drunk driving went up 20.18% from 1972 to 1975, resulting in 441 arrests. I don't need to look at statistics to know a problem exists. I see it everyday in people I know - my own age - who think nothing of having a few beers or more before taking the wheel. Drunk drivers are a death trap. Apparently many teens aren't mature enough to realize this - or to consider, ahead of time, the possible consequences of their driving under the influence of alcohol.

I am not suggesting that age eighteen is some magical point where maturity is suddenly reached. But it does mark the age when a teenager moves out of high school, where social pressures are especially strong, and into college or a job. Until this time the majority of teens don't really even need cars; they serve mainly as a convenience.

A good number of high school drivers have demonstrated that they are not ready, at times, to accept and deal with the immense responsibility that comes with operating an automobile. What must be weighed is the inconvenience caused some sixteen and seventeen year olds who must go without cars, against the saved lives and reduced injuries that will result if licenses are restricted. Certainly a raising of the driving age to eighteen is warranted. It is the only viable way teenage driving accidents can be significantly reduced.

Sheila Finnegan
Maine East High School

It is not difficult for today's teenager to visualize what their parents' reaction would be if they came home with their parents' car smashed. "Was it worth going over the speed limit to pick up your date on time?" "Didn't you learn your lesson after you received two traffic tickets?" "I knew this would happen. You always drive so recklessly."

M-NASR painting class

Physically handicapped adults from Maine and Niles Townships are now enjoying an Acrylics Painting Class sponsored by Maine-Niles Association of Special Recreation. Door to door transportation is provided by M-NASR in its bus equipped with hydraulic lift; this service is included for no additional fee to the participant.

The class meets every Wednesday afternoon from 1:30 until

3 p.m. at the Mayer Kaplan Jewish Community Center. In keeping with the M-NASR philosophy, enjoyment and self paced learning are the key to the program success; people with no prior experience are encouraged to register.

Smashing up cars is not the problem. The problem is people are being permanently injured or killed - because teenagers continue to drive recklessly despite what they were taught in driver education classes.

We all know that stating a problem is not as difficult as solving one. Teenagers must make an effort to slow down! We must make it a point to use our directionals. There are many things teenagers as individuals can do to prevent more teenage accidents. They can obey traffic signs and speed limits. Before the teenagers do this, we must help them realize a safe driver is a good driver.

One manner in which we can minimize the number of teenage traffic accidents is to revise current driver education programs. The current driver education program is better than it was in the past but there is room for improvement. Six hours of driving with an instructor is sufficient if you are able to gain experience in driving in all types of weather. A student should not be permitted to secure a driver's license until he has driven in rain, snow, and sunny weather. The student should also have experience in driving in the night. The current driver education could be improved if a student can gain more practical experience in driving in all types of road conditions.

Another way we can help reduce the number of teenage accidents is to teach the teenager the meaning of responsibility. The teenager must realize each time he drives a car, he is not only responsible for his actions as a driver, but he is responsible for the lives of other people who are on the road. If we fail to teach teenagers the meaning of responsibility, we cannot hope to achieve our goal of a reduced teenager accident rate.

Teenage drivers tend to be aggressive drivers. They rush here and there, "blowing off" stoplights and cruising at 75 mph! The school's driver education program is stressing defensive driving but it does not seem to penetrate into the student's mind. Defensive driving is the safest way to drive and we must keep on emphasizing it in our driver education programs.

Teenage accidents are a social problem but we can eliminate this problem by improving our present driver education program and instilling in a teenager's mind the responsibility of a driver. If we can reduce the number of teenage accidents, we will make our roads safe for all drivers, passengers and pedestrians.

Spring soccer program

The Morton Grove Park District will be running a Spring Soccer Program to begin in April, 1978. This year the program will be under the capable leadership of Head Coach, Mr. Peter Zorn. We will be expanding our soccer program to include the following: **Midgets** - 8-10 years Monday & Wednesday 4-5 p.m. or 5-6 p.m.; **Intermediates** - 11-13 years Tuesday & Thursday 4-5 p.m. or 5-6 p.m.; **High School League** - 14-16 years Wednesday 4-6 p.m. and 16-18 years Tuesday 4-6 p.m.

This year all teams will be in the Traveling Young Sportsmans Soccer League with games for Midgets & Intermediates at Harter Park and the High School games will be at Niles West unless an away game is planned. All games will be on Saturdays. The fee for the traveling league will be \$15 per boy and includes a soccer jersey.

Registrations are now being accepted at the Park Office, 6634 Dempster st., Monday thru Friday, 9 a.m.-5 p.m. and Saturday, 9 a.m.-12 noon. For further information call the park office at 965-1200.

Cardiac Exercise Program

A Cardiac Exercise Program, sponsored by the Maine-Niles Association of Special Recreation in cooperation with the Heart Association of North Cook County, is now taking applications for male and female residents of Maine and Niles Townships. This program will meet Monday, Wednesday and Thursday evenings from 6:30 to 7:30 p.m. at the Old Orchard Jr. High School, in Skokie. The cost is \$90 for Maine and Niles Township residents and \$135 for all others. The fee covers 15 weeks of this continuous program, and participants may begin participating one week after all their forms are received in our office.

The Cardiac Exercise Program is a program of supervised exercise, recreation, and education for individuals who have Coronary Heart Disease, or are in the rehabilitative period following a Myocardial Infarction, By Pass Surgery, or other Cardiac Dysfunction, or who may be determined to be at risk of heart disease (i.e. high blood pressure, overweight, low tolerance to exercise, etc.)

A participant must have a medical graded exercise test that is reviewed by his/her personal physician and by the program's medical director, Sushil Sharma, M.D., Director of Intensive Care Unit, Skokie Valley Hospital. The medical director establishes an exercise prescription based on the individual's performance on the exercise test. The exercise prescription sets the guidelines for duration, intensity, and type of exercise the individual will perform.

The exercise sessions are under the supervision of an attending physician, who will make adjustments to an exercise prescription based on observation and evaluation of a participant's immediate response to exercise.

Exercise Specialists with medical backgrounds are present to instruct and monitor the individual exercise programs. Emergency equipment and medication is available for use by the attending physician.

Educational programs for the participant and his family are presented to inform them of the many factors involved in the

rehabilitative process, during the course. Examples of the educational programs include Nutrition Information, Blood Pressure Instruction, C.P.R. Instruction for the participant's family and Effects of Medication. At the completion of each program, a participant's

progress is reviewed by the cardiac exercise staff and the participant's personal physician in order to make periodic adjustments and evaluate progress. For additional information contact the Maine-Niles Association of Special Recreation, at 674-5512.

Presentation of Annual Report
The Supervisor of the Township of Niles will present his Annual Report to the Township Board of Trustees on April 5, 1978, in the Niles Township Administration Building, 5255 Main Street, Skokie, Illinois, at 8:00 P.M.

Given under my hand at the Niles Township Administration Building this 13th day of March, 1978.

Louis Black, Town Clerk
Niles Township

Niles West runners win championship

The annual Niles Township Indoor Track Championships were held at Niles East High School last week. The Indians from Niles West ran over and around the Dons, the Trojans, and the Vikings to take the team title on both levels. The scores were: Varsity - Niles West 45%, Niles North 38, Niles East 35, Notre Dame 23%; Sophomore -

Niles West 63, Notre Dame 51, Niles North 28, Niles East 6.

Niles West had three individual winners. Mike Torres won the pole vault and placed fourth in the long jump. Paul Nawesniak won the high jump while placing second in the high hurdles, third in the low hurdles, and fourth in the triple jump. Nestor Evaristo won the high hurdles and placed second in the low hurdles. Other top scores for West were Bruce Weil, second in the 50 and third in the shot put; Nick Pofcaro, second in the 880; and Rick Arendt, Mike Okazaki, Eric Borin, and Scott Noren, third in the 2 mile, the 880, the 440 and the 1 mile.

Ed Santaacruz of Niles East won both the 2 and 1 mile races.

On the sophomore level Steve Ramirez won both the high and low hurdles while Gregg Simon won the 880 and Ken Klemm won the pole vault and John Ringer won the 50 yard dash.

Demon girls' track team

The Maine East girls' track team placed eighth out of fourteen schools at the Evanston Invitational Thursday. Team members placing in the meet were: Theo Leach, third in the 440 and second in the long jump; Denise Lares, fourth in the high jump; and Alice Malec, sixth in the 880 run.

Notre Dame hockey players named to All-Division team

Four members of the Notre Dame High School varsity hockey team have been named to the Chicago Metropolitan High School Hockey League All-Division team. Senior Forwards Craig Belluomini and Bill Madura, who finished seventh and eleventh in the league scoring race respectively, are repeats from last year's all-division squad. Craig is the son of Mr. and Mrs. Ray Belluomini of

Mahoney plays for basketball champions

Mark Mahoney, son of Mr. and Mrs. Denis Mahoney, 7348 W. Conrad, Niles, recently completed his third season on the varsity basketball team at Lake Forest College.

The Foresters, under coach Steve Antrim, ran up a 15-7 record and won the co-championship of the Midwest Conference.

Mahoney appeared in all but three of LFC's games and averaged 4.1 points per contest. His free throw percentage of 75 per cent was one of his team's highest.

A 1975 graduate of Maine East High School, Mahoney is majoring in politics.

Niles Amateur Hockey Association

MITE-SQUIRT HOUSE LEAGUE

Team 12, Lions of Niles and Team 13, Kiwanis of Niles, battled to a 2 to 2 tie. Scot Schwarz of the Lions scored two goals, the last with 17 seconds left in the game. Both goals were assisted by Ken Thompson and Pat Aquilla. Eric Sleafaff and Scot Ledwon scored for Kiwanis. Assists went to Mark Baker, Scot Vold and Steve Schullo.

Team 11, Tasty Pup continued their undefeated streak with a 4 to 1 win over Team 13, Kiwanis of Niles. Kiwanis scored first with an unassisted goal by Frank Neri. Tasty Pup came back with two goals by leading scorer Bob Murray and single goals by Steve Ham and Steve Roback. Assists were credited to Steve Ham (2), Bob Murray and Gary Solomon.

Girls' badminton

Joyce Jedynak and Caryn McCarroll won third place for Maine East at the New Trier West Badminton Invitational on Saturday, March 4. Also, Lisa Imber placed third in the D consolation tournament.

Norridge, and Mr. and Mrs. Leo Madura are from Niles.

Senior defenseman Charlie Vana, son of Mr. and Mrs. Richard Vana of Des Plaines, and junior goaltender Bob Mueller, son of Mr. and Mrs. Melvin Mueller of Niles, round out Notre Dame's representation on the twenty-one man squad. Senior Bryant Johnson of Niles was afforded honorable mention on the all-division team.

Notre Dame swimming

The Notre Dame High School Swim Team lost their first dual swim meet of the year to the St. Patrick High School Shamrocks 103 to 55. The Aqua-Dons were in the running until the last four events when the Shamrocks finished first, second, and third with the exception of the final relay. Junior Wally Schriemann kept Notre Dame within two points of the lead by finishing first in the 200 yd. freestyle. Junior Jerry Waters continued his winning ways by finishing first in the 200 yd. I.M., but his performance wasn't enough to prevent the Shamrocks from holding the lead. St. Pat's continued to increase their lead throughout the remainder of the meet despite the Aqua-Dons finishing first in two of the remaining seven events. The first places were taken by Jerry Waters in the 100 yd. butterfly and the final relay comprised of: Senior John Pettit, juniors Steve Kuska and Wally Schriemann, and freshman Charley Samuel.

Speed skating national championships

The Crown Rink in Evanston will host the National Speed Skating Championships March 17, 18 and 19. Five divisions will compete in the races for U.S. national titles: Midgets - ages 10 to 11, Juveniles - 12 to 13, Juniors - 14 to 15, Intermediates - 16 to 17 and Seniors - 18 and over. Demon Girls' Basketball

On Saturday, Feb. 25, the Maine East girls lost a close game to Waukegan East 50-46. The Demons got off to a poor start, with numerous turnovers and missed shots. They came back strong in the second half to take

the lead several times, on 58% shooting from the field, but the offensive rebounding of Waukegan proved to be the difference. Janet Hoosline led the team with 10 rebounds and added 9 points. Richelle Siptora had 8

rebounds and 3 points. Kathy Perry had 12 points, hitting 6 of 12 shots. Lori Magnusson also had 12 points and had 6 assists. Bylo Farmer and Lisa Grasenick each had 3 assists, and Farmer had 5 points.

Cub Scout Pack 175

The Blue and Gold dinner was held Feb. 12 at Flanagan Hall at St. John Brebeuf. The guests of honor were Fr. J. Edward Duggan and Sister Joan Stoffel and Mr. and Mrs. Breen. A delicious dinner was enjoyed by all followed by award presentations. The awards were: Mario Gullo, Wolf; Matt Tyndall, 1 gold and 1 silver arrow; Frank

Cinneiwa, 2 silver arrows; Dan Tomaszewicz, 1 gold arrow; Jim Strezewski, 1 silver arrow; Craig Czerlanis, 1 silver arrow. Advancement awards for the Webelos, Tom Beierwaltes, Traveler and Athlete; Mike Beefink, Artist, Naturalist; Mike Strezewski, Scholar, Showman, Artist; Alec Jablonski, Aquanaut and Athlete.

Cubmaster John Baranowski said another record breaking cookie drive was a huge success. Mr. Steve Pavkovic (Cookie Daddy), the Pack's fund raising chairman, presented the following awards to the top sellers: 1st place - Danny

Tomaszewicz, 2nd place - Paul Nosalik, 3rd place - David Pavkovic, and 4th place - Thomas Reid.

Recently a Father and Son Bowling was held at the Golf Mill Lanes. Those receiving trophies were Kenneth Kuehn, for high game and high series; Mike Beefink, high game Webelos; Alec Jablonski, high series; high father and son series, Jim and Bob Strezewski, Webelos high series, Michael and John Beefink and the World's Greatest Bowler to Kurt Kozeny.

A special thanks to our den mothers Joan Czerlanis, Lois Kozeny, Eleanor Nicholas, Mary Strezewski, and Bob Strezewski the Webelos leader - and especially John Baranowski, our Cubmaster, for jobs well done.

Brownie Troop 601

Feb. 15 was Brownie Troop 601's celebration of Valentine's Day at the home of Mr. and Mrs. Smith. Amid lovely Valentine decorations, the Brownies (Elizabeth Cynar, Cathy Lake, Cathy Brake, Tricia Smith, Colleen O'Grady, Jessica Pound, Tina Sudendorf, Anna Marie Gullo, Krista Eshoo, Cathy O'Grady, Karen Beefink, Noreen Healy, and Maria

Sudendorf) enjoyed treats of cupcakes, ice cream, and candy, and a Holly Hobby sachet pillow, made by Mrs. Smith, was given to each Brownie as a table prize. Charades and bingo were among the games played by the girls. All the Brownies of Troop 601 had an enjoyable time and wish to thank Mr. and Mrs. Smith for their hospitality.

Cub Scouts annual dinner

Cub Scouts Pack 273 which meets at the Viola H. Nelson School held its annual Blue and Gold Dinner at the Bunker Hill Country Club, Niles, Feb. 26.

The Scouts have had many activities - a very successful Pinewood Derby, a drive to help a needy family, and several family outings. The theme "Scouting is a family affair" was in evidence at the dinner. Mr. Chubin, District Scoutmaster was the guest speaker. Many members of the community were there to support our boys in having a wholesome childhood, and in becoming good future citizens.

Brownie Troop 905

The Brownies from Troop 905 had a paper drive during the month of November and through the efforts of these six girls and the very nice people answering our ad in The Bugle collected more than 7200 pounds of paper.

Our Brownies, Linda Strauss, Lori Colosi, Barbara Okolita, Leeann Peterson, Kim Grendzinski and Renae Hubick wish to thank everyone who donated paper. The money collected from this

drive will be used for outings and activities planned for the rest of the year.

Rensselaer Polytechnic Institute has announced the names of students who have made Dean's List for the fall semester.

From this area is: Robert D. Knox, 9445 Oliphant ave., Morton Grove.

Girl Scout Troop 846

"In all kinds of weather the Girl Scouts Go! Go! Go!" That's exactly what Junior Troop 846 did on their recent campout weekend to Hawthorne Hills in Carey. Snow, cold and winds couldn't dampen the spirits of the scouts, their leaders, Mrs. Lucille Kozanecki and Mrs. Pat Jablonski or chaperone, Mrs. Annette Pilousek.

Crafts, dancing, games, singing, cooking, cleaning and a Scouts' Own and Award Ceremony rounded out the activities for the busy, fulfilled weekend.

For their Scouts' Own theme the girls chose "Three Wishes for Mankind". Following the flag ceremony the scouts sang "G for Girl of Glory", and the Star Patrol cast their wish into the fire - Peace for mankind. A poem and song, "Let There Be Peace on Earth" along with an interpretive dance expressed the feelings of Krista Jablonski and Christine Lepold.

Joy was the second wish to the Giggie Girls Patrol. Nancy Kozanecki, June Martin and Theresa Re recited an original poem and sang "Joy to the World" to emphasize their wish for mankind.

Finally the Bubble Gum Patrol consisting of Holly Pilousek, Jennifer Croke and Nancy Surace selected Love and expressed their creative abilities while singing "Love Will Keep Us Together".

The Girl Scout Laws were then renewed in a candle lighting ceremony and everyone sang, "On My Honor". The following scouts were awarded badges: Jennifer Croke and Krista Jablonski - pets, skater; Nancy Kozanecki - camera, gypsy, hospitality, magic carpet, outdoor cook, storyteller, water fun; Christine Lepold - camera; June Martin - Indian lore, magic carpet, observer, rambler, writer; Holly Pilousek - skater; Theresa Re - hospitality, health aid; Nancy Surace - observer, rambler, skater, storyteller. Service stars were presented to all the scouts and the singing of "Taps" concluded the program.

Pohl to speak on Banking Future

Robert O. Pohl, Senior Vice President of Glenview State Bank, will be the guest speaker at a lecture March 30 at Northern Illinois University in DeKalb, Illinois. Mr. Pohl will discuss "Banking in the 1980's and Career Outlooks."

A resident of Glenview, Mr. Pohl has served as President of the Glenview Park District Board and has been an active member of the Illinois Planning Commission. A well-known author of articles on finance and environmental planning, he is currently Vice Chairman of Glenview's Senior Citizen Housing Commission.

How electricity is helping the Ball Corporation preserve scarce fuels.

The Ball Corporation is famous for making glass jars that preserve just about anything. From apples to strawberries. Their glassmaking, however, burns a lot of scarce fuels. So when Ball decided to switch part of their production to electricity, they were helping all of us.

That's because electricity is plentiful here in northern Illinois. Ninety percent of it comes from coal and uranium—two fuels in good supply.

So whenever you, or a company like Ball, use electricity instead of a scarce fuel, you're actually conserving that fuel for transportation and other vital energy needs.

And that knowledge is as sweet as strawberry preserves.

About Some Treats for St. Patrick's Day....

For very little green (money), you can get a heaping plate of delicious corned beef and cabbage, Thursday, Friday and Saturday at Jake's Restaurant, 7740 Milwaukee ave., Niles.

This is a complete dinner - your choice of soup or juice, plenty of quality corned beef and delicious fresh cabbage, roll, butter and dessert. In fact, JAKE told me this was such a great deal that he decided not only to offer it on St. Patrick's Day, but for three days, Thursday, Friday and Saturday. I'd tell you the price but it's so LOW, if I did it'd probably cause a traffic jam on Milwaukee Avenue in front of JAKE'S Restaurant. Not only will all the Irish in the area be beating a path to Jake's door, but so will ALL other nationalities, even American Indians, because WHO doesn't like corned beef and cabbage?

For your information the 12 most popular dishes served in restaurants (sit down) are:

- | | |
|------------------------------|-------------------------------|
| 1. Fried Chicken (way ahead) | 7. Beef Stew |
| 2. Roast Beef | 8. Meat Loaf |
| 3. Spaghetti | 9. Fish |
| 4. Turkey | 10. Cod and Haddock preferred |
| 5. Baked Ham | 11. Pot Roast |
| 6. Fried Shrimp | 12. Swiss Steak |

But on St. Patrick's Day, the Number One dish is: Corned beef and cabbage! And Thursday thru Saturday YOU can go to Jake's and have Corned Beef and Cabbage for three consecutive nights.

As usual JAKE will have his restaurant all decked out in green during his St. Patrick's Day party, and he hope you will help him decorate the inside of his cash register with green too. But no kidding JAKE'S place will abound with leprechauns, shamrocks and other St. Patrick's Day paraphernalia to get you in the mood to enjoy that famous Irish dish of corned beef and cabbage.

And to go a step further JAKE has added some new goodies to his famous, huge salad bar in honor of St. Pat's Day.

As you have probably heard, meats and other food prices are skyrocketing but Jake tells me he has no intention of raising his prices. "I'm not making any money, Ed, but I am winning a lot of new friends."

By the way with Easter coming up, you might be interested in knowing that Jake is planning the biggest Easter party in his history - full details on this later.

Meanwhile, have a happy St. Patrick's Day at Jake's Restaurant...

Niles' most energetic entrepreneur, Tommy Ferraro Jr. is heard from again. This time his Boy Blue Ice Cream Shoppe at Dempster and Sherman, Niles is offering a St. Patrick's Day and St. Joseph's Day gift. It's a FREE green or red SLURPI. Yes, you get a FREE Slurpi if you buy any Sundae. So buy a Sundae and get a FREE green or red Slurpi. This earthshaking offer is good for ONLY 3 days, Friday, Saturday, and Sunday.

I hope this future empire builder, Tommy Ferraro Jr., has a large enough supply of Slurpi's on hand, to supply demand. Who wouldn't want a FREE Slurpi. Certainly, everyone in Niles will take advantage of this offer.

The timing is good too because of the upcoming political election. Guys like Nick Blase, Jim Puccio, Earl Wilson, John Nimrod, Tom Flynn, Dan Hales, John Porter, etc., etc. will probably get several Slurpi's to ease their over-worked throats. And I'd like to alert the Niles Police Department to get some extra squads over to Sherman and Dempster to handle the huge crowds that will be pouring into Boy Blue to get their free Slurpi's.... don't miss YOUR chance to get a Free Slurpi... Gee!

In case you don't know it, there's an election Tuesday, March 21st... be sure to vote for the candidate of your choice.

See you next week...

Notre Dame winter band concert

On Sunday, March 19, Notre Dame High School will present the 22nd annual Winter Wind Ensemble Concert at 7:30 p.m. in the school cafeteria. Featured artists will be: Jim Fahey of Des Plaines accompanied by the wind ensemble performing the Haydn Oboe Concerto in C. Charles Frazzetto of Chicago and Mark Welck of Morton Grove will be clarinet soloist, and Glen Tolosko of Glenview will perform Henry Cowell's "Hymn #13 for trombone & piano". An outstanding percussion septet which recently earned a perfect score in the state contest will also be featured.

The wind ensemble is under the direction of Mr. Don Tolosko and assisted by Mr. Nick Talarico. Admission at the door is \$1.50 for adults and 50¢ for students.

Disco dancers hustle for charity

The Time Machine disco, 9046 Golf rd., Niles is offering an exceptional opportunity to learn the latest disco dances and be part of the national fundraising drive for the Easter Seals Society.

From 8 p.m. to midnight on March 23, professional dance instructors from the Fred Astaire Dance Studio in Niles will be teaching about 28 different Hustle steps plus the Swing.

A minimum donation of \$2 at the door will go directly to Easter Seals. Fred Astaire teachers are donating their time and the Time Machine is donating use of the facilities for this event.

Data processing classes

Mr. Dale Manning is one of two instructors teaching Maine East's data processing classes, where students learn about computers by working on a variety of programs and listening to lectures. In addition, students receive C.A.I. or computer assisted instruction (independent study).

Maine East has offered data processing for fourteen years, and this year Mr. Manning teaches three Data Processing I classes and one Data Processing II class. Mr. Rudolph Macchione also teaches one Data Processing I class.

Computer programs deal with such business procedures as payroll, loan payments, and bank financing, and when students begin to write their own programs, games are frequently done - like bowling, basketball, backgammon, moon landings, and yachtzee.

The three other Maine schools also offer data processing, but Mr. Manning says, "Maine East has one of the best as well as unique programs in the area." Maine East's data processing

Northwest Symphony features pianist at third concert

The Northwest Symphony, Orchestra, under the direction of Perry Crafton, will hold the third concert of its 1977-78 season on Sunday, March 19 at 7:30 p.m. at the Maine North Auditorium, 9511 Harrison st., Des Plaines.

Mr. Crafton and the orchestra will open the concert with the "Leonore Overture" Opus No. 3 from Beethoven's FIDELIO which is the only opera written by the famous composer.

Next, Philip Sabransky will perform the Piano Concerto No. 5 in E Flat Major (the Emperor) by Beethoven.

Philip Sabransky of Chicago, 19 year old student at De Paul University School of Music, won the Herman and Edna Schell award in piano at De Paul.

The second half of the concert will be devoted to Symphony No. 1 by Dmitri Shostakovich, one of the best known and liked 20th century composers.

Season tickets for the remaining two concerts - \$3.50 for adults and \$2 for students and senior citizens

or single tickets, \$3 for adults and \$1.50 for students and senior citizens - may be purchased by calling Vicki Steinbach at 823-2611. Tickets will also be available at the door. Children under 12 are admitted free if accompanied by an adult.

AMUSEMENT GUIDE

What a way to play!

Surrounded by the girls of his fantasies, and with his hero Humphrey Bogart looking on, Barry Landzbaum is enjoying his role as the timid hero of Woody Allen's comedy "Play It Again, Sam".

Final performances are Friday and Saturday at 8:30 p.m., and Sunday at 2:30 p.m., March 17, 18 and 19, at Guild Playhouse, 620 Lee st., Des Plaines. Barry's dream girls are (clockwise) Cathy Abelson of Skokie, Macky Cohen of Niles, Barbara Shyette, Des Plaines, Renee Reade, Morton Grove, Jori Cowan, Des Plaines, and Diane Lynn Thomas, Medinah. For ticket reservations, call 296-1211 noon to 8 p.m.

LW Library plans Spring break activities

Lincolnwood youngsters can look to the Lincolnwood Library, 4100 W. Pratt ave., for three special activities during their Spring break to help ease that "what-do-I-do-now" vacation boredom.

On Saturday, March 18, there will be a Saturday film special at 1 p.m. featuring two movies, "The Red Balloon" and "Elsa and her Cubs".

A "Spring Craft Day" will be held on Wednesday, March 22. Children from kindergarten thru second grade will meet at 1 p.m. and third thru fifth graders will have their own workshop at 2:30 p.m. Materials will be provided.

Finally, on Thursday, March 23, an assortment of cartoons and short subjects will provide the basis for the "Spring Film Fling" for 4-12 year olds, scheduled to begin at 1:30 p.m.

All programs require advance registration. For this, and any further information, please call the Library at 677-8277.

Practice will be conducted on Tuesdays, from 6 to 7 p.m., and games will be contested on Saturdays.

Registration is now being accepted at the Niles Park District Administrative Office, 7877 Milwaukee ave., Monday through Friday from 9 a.m. to 5 p.m. The fee is \$14 for Niles Park District residents and \$28 for non-residents. Additional information is available from your District Recreation staff by calling 967-6633.

Queens For a Day

For Tuesday and Wednesday, Dec. 6 and 7, the ladies at the Niles Park District selected the Atrium Mall of Water Tower Place and some 118 of you charming creatures enjoyed lunch and elegant shopping together.

For Tuesday, Jan. 17, the ladies of the District chose the Lake Geneva Playboy Club and 27 of our courageous snow bunnies skied slopes, from the training areas to treacherous "Hotdog Mountain".

For Wednesday, Feb. 8, the ladies of the District selected Chateau Louise and 38 of the Niles finest were pampered with an extraordinary luncheon, followed by an entertaining performance of Second City.

For Wednesday, March 8, the ladies chose Long Grove, Illinois and 37 of you experienced an afternoon of shopping in a 19th Century German atmosphere and a hearty buffet lunch at the Hobson House Restaurant.

Then, for Wednesday, March 22 the ladies selected Drury Lane East at McCormick Place and 16 theatre enthusiasts have scheduled a tasty lunch, to be followed by a performance of the remarkable Godspell.

Now, for Tuesday, April 4, the ladies of Niles have selected the Annual Spring Flower Show.

Here is an opportunity for you to let the 1978 Chicago Flower and Garden Show inspire you for Spring. This memorable show pays a tribute to the beauty and grandeur of the world of horticulture. Whether you're looking for new ideas for your Spring planting or simply want to enjoy a day of absorbing beauty, plan to attend this year's show. There are several areas where you can enjoy lunch on your own. The bus will depart from the District Recreation Center at 9:30 a.m. and return at approximately 4:30 p.m. The fee of \$4 includes transportation and admission to the show.

Registration for this trip is currently being accepted at the Niles Park District Administrative Office during regular office hours. The deadline for registration is March 18. Call the Niles Park District, at 967-6633 with any inquiries.

Here Comes Peter Cottontail! Come and join in the fun with him, at the Niles Park District's Annual "Easter Party" on Saturday, March 25 at the Grennan Heights Recreation Center, 8255 Oketo ave., Niles. The festivities will begin at 1 p.m. with games, prizes, a candy hunt, and treats for all.

Don't miss this traditional celebration! There are no fees and advanced registration is not required.

For further information call the Niles Park District Recreation staff at 967-6633.

Board studies density ordinance revisions

by Phyllis Welsberg
At Monday night's Morton Grove Village Board meeting Trustee Don Snider brought up the subject of the revision of the density ordinance which was previously tabled. Mr. Snider said the four points made by the Plan Commission were as follows: (1) The 45 ft. height limitation shall remain. (2) There shall be 20 units per acre allowed. (3) 2.2 parking spaces shall be provided. (4) There shall be a 50%-50% land to greenery ratio. Snider said the density of 20 units per acre bothered him since some surrounding villages only had about 18.1 units per acre allowed. Then architect Jerry Brim speaking as a concerned citizen said he felt the Plan Commission was being remiss in its duties not to bring certain important facts to light when presenting their reports and in considering this application and others for Special Use permits. He said they forget what the general citizenry is interested in. Among the important items he listed were: (1) The promoting of the public health and welfare. (2) 12 important objectives that should be considered in approving zoning. (3) The Plan Commission report never addressed itself to traffic problems. (4) Providing the area with something in keeping with that area's business or character of neighborhood in question. (5) The Plan Commission only seems to be concerned with reaching a compromise with developers. The land in question is on Foster and Washington and is owned by developer Alan Schmidt who wants Morton Grove to annex this unincorporated area and change the zoning and density under a Special Use. Mr. Brim also charged at its hearings the Plan Commission did not give citizens in attendance a proper chance to speak out against anything. He said they were usually allowed only 5 minutes very late in the session. Mr. Schmidt disagreed with this and said he felt all were given a chance to speak at the Plan Commission hearings. He was told this would not be on the agenda tonight and asked if he be tabled until some of his experts could join him at the board meeting. Trustees agreed to this. Mr. Schmidt then said he agrees with Brim insofar as having a neighborhood analysis made. But he feels there is such a thing as a "Special Use" permit so the board can study each case individually and reach their own conclusion.

Atty. Martin Ashman advised the board the minutes of the Oct. 24, 1977 meeting did not reflect that the board had approved an ordinance to purchase the Grove School for \$500,000 over a period of 20 years and pay no more than \$25,000 a year. Ashman asked the board to correct this oversight as the minutes of that Oct. 24 meeting were approved as read. Trustee Ron Henrici said this was contrary to a memo Ashman had issued to the trustees and called the whole thing hearsay. "I don't think we can go back 6 months and amend the minutes now," said Henrici. But after more discussion the board voted 4 to 2 to amend the minutes. Ashman at that time told the board the village can always amend their minutes. Ashman then read the ordinance which would make it possible for the Grove School purchase to take place and noted the final payment of \$25,000 would be made in 1977.

The next thing on Ashman's list was the approval of the contract between the village and architect Chas. Conlon & Associates for remodeling of the Grove School. After some debate on the matter, trustees Henrici and Sako asked the matter be deferred and it was. The trustees then passed a Burglary Prevention Ordinance which was suggested and drawn up by members of the Morton Grove Police Dept.

Administrator Fred Huber received permission to advertise for bids for 25 trees with the bid opening to take place on March 24 at 11 a.m. in the Village Hall. Huber also recommended accepting the low bid of D'Addosio & Co. for \$1.33 per sq. ft. for the sidewalk repair program. The trustees agreed. They also agreed to accept the low bid of Craftsman Painting Service Inc. for \$15,200 to paint the water towers. Another company came in with the same bid, and Huber said Craftsman was recommended because the other party could not be reached. Henrici then said from now on there should be a certain procedure to handle situations such as this.

Administrator Huber then said that a letter was received from the village of Golf asking if our Police Dept. would take some calls when their cars are not available and dispatch calls for them. Chief Glauner said he would have to discuss this with his staff. The Plan Commission presented a request from the McDonald Corporation where the applicant is seeking a Special Use for a parking lot in R-3 adjoining a proposed business to be located at 6309 Dempster. The Plan Commission voted 5-0 in favor of granting the Special Use. The board will defer action till March 27 on this matter.

Robert Marks representing Katz-Weiss builders said his client would like the board to set a price for the vacation of the street and alley on the property at 8600 N. Waukegan rd. where they wish to put up a building and make a parking lot. The north lot will be turned over to the homeowners for their use. Gregg Youstra moved to hire two appraisers to see what the property is worth and report by the next meeting. Then Bldg. Commissioner Bob Hajek said on left in super market parking lots. (2) He feels a 3-way stop sign should be posted at the west end of the Dominick's parking lot. (3) Hitchhiking should be stopped in the village. (4) The freight trains go too fast at night. (5) He thinks home rule in Morton Grove should be altered. Objects to the gas tax without representation. (6) Objects to the Library Board increasing tax without benefit of a referendum. Trustee Sako said the board asked the Library Board to take this matter to the public, but they chose not to do so. Atty. Ashman said they had that right under the law. Engineer Bill Mottweiler said new bids will be advertised to maintain traffic signals and street lights. The bids will be opened at 11 a.m. on March 27.

MG Legion celebrates 59th Birthday

Legionnaires of Morton Grove Post No. 134 in Morton Grove will join with millions of their fellow members in a globe-spanning celebration of The American Legion's 59th birthday during March, Post Commander George Kreegler announced today.

The American Legion was founded March 15-17, 1919, at a meeting in Paris, France, attended by representatives of the various outfits of the American Expeditionary Force of World War I. The organization has since opened its ranks to veterans of World War II, The Korean War; and the Vietnam War. From its modest beginning in 1919, The Legion has grown into an organization of 2.7 million war veterans belonging to nearly 16,000 posts located throughout the United States and in many parts of the free world.

As part of its preparation for the 59th anniversary observance, Post No. 134 is putting the final touches on its 1975 membership campaign, Commander Kreegler explained. He reminded all eligible veterans in Morton Grove that American Legion growth and accomplishment can be attributed to a simple phrase that is this year's theme - "We Dare To Care."

"Membership In The American Legion gives the veteran an opportunity to respond and become involved with the needs of the community, the state, and the nation through the Legion's many and varied service programs," he declared. Membership workers of Post No. 134 have been conducting an intensive program of personal contact to invite eligible veterans to become a part of the post's local programs.

Evanston Federal Savings to sponsor spring outing

Evanston Federal Savings and Loan will welcome spring by sponsoring a motorcoach tour to Northbrook Court and The Kitchens of Sara Lee for customers and the general public on Wednesday, April 28.

Tour participants will board a comfortable motorcoach at 9:15 a.m. in the association's home office parking lot on Davis St. The first stop will be Northbrook Court for a delicious brunch at The Magic Pan and "The Softness of Spring," a fashion show by Charles Stevens. After the fashion show, tour members will be taken to The Kitchens of Sara Lee for a guided tour of one of the world's largest automated bakeries of cheese cakes, pound cakes and coffee cakes. Tour members will then be returned to Evanston Federal's parking lot at approximately 3:30 p.m.

The cost of the entire day's program is \$13 per person. This covers transportation, brunch, fashion show and Sara Lee tour. Reservations may be made by sending a check (\$13 per person) payable to Evanston Federal Savings, Fountain Square, Evanston, Illinois 60204. Please include home address and telephone number.

Reservations may also be made in person at any teller station in the association's home or Niles office during normal lobby business hours.

Payment for the tour must be received by April 16.

Robber... Continued from Page 1

Terence DeGelder as the alleged armed robber raised his 20-gauge sawed off shotgun in defiance of the investigator's order to "freeze".

The incident occurred at 12:15 a.m. Monday at the 7-Eleven Store, 2570 Ballard, Des Plaines.

Arrested with Hunter by Investigator James Pokryfke was Diane Robak, 22, 9906 Wendy Way, Niles, who accompanied Hunter during the alleged armed robbery.

Sheriff Elrod said his investigators received information that Hunter was going to commit an armed robbery late Sunday night. Pokryfke located Hunter at the Gold Coin Restaurant on Golf rd., east of Milwaukee ave., and followed Hunter and the woman later identified as Miss Robak.

As Hunter led Pokryfke to the 7-Eleven Store, DeGelder joined in the surveillance.

Hunter and the woman entered the store, held the shotgun to the head of a customer, Thomas Flessor, and took the money from Flessor's wallet. Hunter then ordered the store manager, Steven Schmil, to turn over the money from the cash register.

Sheriff's Police reported Schmil put the money in a paper bag held by the Robak woman. She then left the store and was arrested by Investigator Pokryfke.

Hunter began to leave the store but backed into the store as DeGelder ordered him to "freeze". As Hunter raised the shotgun, DeGelder fired his .45 caliber automatic, striking Hunter in the back of the neck.

The deep graze in Hunter's neck required 10 stitches during treatment.

Sheriff Elrod commended the quick action of his officers who prevented injury to the victims and also prevented a possible hostage situation.

Hunter was released from prison in July after serving two years, nine months, on an armed robbery conviction in Glenview.

Hunter was charged with two counts of armed robbery and unlawful use of a weapon. He was being held in the Department of Correction in lieu of \$200,000. The Robak woman was charged with two counts of armed robbery and was released on \$1,000 bond. The couple is scheduled to appear March 20 in Niles Circuit Court.

Niles Zoners approve gas station, another carwash

by Alice M. Bobala

During a Special Hearing March 13 members of the Zoning Board of Appeals gave recommended approval to rezoning for a gas station at Main st. and Milwaukee ave. and barely approved a highly controversial carwash proposed for the northeast corner of Prospect ave. and Oakton st.; tentatively approved sideyard variations at 8400 Peter Terrace and 8440 Cumberland ave. and for the second time continued action to April 24 on a Special Permit for construction of a full service restaurant on the southwest corner of Oakton and Milwaukee ave. Petitioners must go before the Village Board for final decision.

A re-designed proposal by Bulk Petroleum Corp. of Des Plaines to replace the existing gas station on the northeast corner of Main st. and Milwaukee ave. drew fast action from zoning commissioners who predicated approval on no ingress or egress on Ozark ave.; new landscaping along Ozark; fencing on the east and north end of the area; no repair work and no overnight storage of vehicles or tow trucks on the property.

Revised plans call for a 22 1/2 ft. setback from Milwaukee ave. of an overhead 6-post 87 ft. by 48 ft. canopy; a 5-pump line perpendicular to Milwaukee ave. and 2 washrooms instead of one. The new station will sell gas and oil with no sale of tires or batteries.

Objector to a previous canopy setback of 6 ft., nearby property owner Mike Steinwandner noted the new planning "an excellent design."

"In other action zoning commissioners approved, 3 to 2 (in absence of Comr. Syd Mitchell), a Special Use rezoning of 8120 Oakton st. for installation of mechanical carwash equipment in the existing service bay. Approval was predicated on installation of a vapor recovery system, proper landscaping and fencing, and posting "No Left

Turn" signs on Oakton st. during hours of business. In negating the rezoning Comr. Ken Cohen said his decision concerned the community as a whole, that the "carwash was a tremendous impact on the community". Comr. Joe Raymond noted the corner as "no place for a carwash."

Qualifying his approval Comr. Charles O'Grady noted the petition could possibly stack 25 cars for service in the area "but I don't believe you can move that many." He observed the Special Use permit could be reviewed at a later date if necessary.

A homeowner directly north of the carwash testified at the Monday night Hearing that he and two neighbors "basically love the idea of the carwash," that "noise is no problem."

Henry Hoffman of 8155 Oak Lane presented a 95-signature petition from neighbors objecting to the carwash, citing increased traffic, hazards to senior citizens and school children, noise and air pollution.

Prospect Court homeowners testified they did not want the carwash noting traffic problems already in existence.

Directed by the Board in continued action from March 6 Zoning and Building Director Joseph Salerno said conversations with Niles police, the Senior Citizens director and Jefferson School officials indicated no projected problems with traffic flow or pedestrian walk other than maintenance to keep the area free from ice when conditions warrant.

The carwash will have two driveways both with ingress and egress on Oakton st. and an exit on Prospect ave. near the traffic light. Proposed hours are 8 a.m. to 8 p.m. Monday thru Friday, 8 a.m. to 6 p.m. Saturday and 8 a.m. to 4 p.m. Sunday.

Approved side and rear yard variations requested by developer John McNeill at 8400 Peter Terrace. Side yard variation approval at 8440

fractured fables into what is sure to be a spellbinding children's fare plus a pleasing bit of nostalgia for accompanying adults.

Local performers include Iris Greenberg of Skokie, Sheila Mc Cormick of Morton Grove, Earle Greenberg of Skokie, David Levitt of Niles, Chuch Rickett of Evanston, Adrienne Solid of Des Plaines, Peggy Gire of Arlington Heights and Marty Goss of Chicago.

"Kids Concert" is free to all, so come in and enjoy an afternoon with your friends and family.

Cumberland ave. was predicated on compliance with recommendations by village engineers to alleviate water problems in the area.

"Continued action to April 24 a Special Use request by Perkins' Cake n Steak for a full service restaurant proposed for the southwest corner of Oakton and Milwaukee ave.

Petitioners presented amended planning from the initial presentation Feb. 6 from 156 seats to 152; closure of 5 existing driveways leaving a west Oakton and southeasterly driveway open on Milwaukee ave.; proposed new sidewalks along the east and north side lanes and installation of a 6 ft. landscaping along Milwaukee ave.

Delay in action called for presentation to commissioners of proposals at the corner by the upcoming April 4 Beautification Committee Hearing and an alternate layout by the petitioner in conformation with the Milwaukee Corridor Planning.

Village concern to beautify the Milwaukee-Oakton corner prompted suggestions by Comr. O'Grady that the developer gift a 40 ft. by 40 ft. corner space for a pedestrian link station in return for parking variation at the restaurant.

Earlier Dolly Kanienlechi of 8451 Olecott presented an 88-signature petition by nearby homeowners, "alarmed over another restaurant in an already congested area," citing traffic hazards to children crossing to the eatery and traffic increase.

From the LEFT HAND

Continued from Page 1

Alvarez told us he thought Niles policemen were using some definite muscle as well as some implied muscle. He said coming onto private property and taking the car and not returning it was clearly illegal. He believes this was out and out muscle. He also said the policemen lifted their coats back to flash their badges and showed their guns several times. He contends this was implied muscle.

Can Niles policemen arbitrarily take such action on private property without going thru the proper legal action?

Was there an act of fraud by the gas station people?

Bearers' contention it was just a "technicality" to get a court order is most interesting. On the other hand what procedure should the gas station people have taken before sending the car off for repair? Should they have gotten a written request from the stranger who brought the car in?

After we spoke to Niles assistant chief, the owner of the car subsequently telephoned us. She said the car was towed from a restaurant parking lot where her 17 year old daughter's friend works. According to the car owner the 17 year olds told the station owner to check-out the car and they would return after school the next day and tell him whether or not to fix it.

The car owner, a woman, said she telephoned the station for 3 hours the next day unsuccessfully, in an attempt to find out the problem with the car. She said the station owner never contacted her but went ahead with the repair which she said cost him \$180 from a transmission company.

The lady preferred the story did not appear in the newspaper, and she mentioned several times she had legal counsel, implying we had better watch what we write.

An attorney in the Attorney General's office told us the law demands a court order for such action.

The attorney representing the gas station owners said there could be theft by deception if it was authorized. It was reported the policemen who took the car from the station said the car was being checked out by the Niles police department and it would be returned to the station. Instead, it was returned to the owner, who admitted being an acquaintance of several Niles policemen.

The gas station attorney said there might be a violation of a mechanic's lien, a state statute which protects mechanics who do work on automobiles.

Wheeling endorsement a win for Rueckert

4th District GOP State Senate candidate Tom Rueckert claimed victory as the Wheeling Twp. Republican organization voted not to endorse incumbent John Nimrod at their endorsement meeting Feb. 23.

At the Thursday evening meeting, a motion proposed by the Nimrod campaign to endorse Nimrod was voted down by the Wheeling Republican precinct captains. The organization, representing more than a fourth of the Republicans in the fourth district, will remain neutral in the March 21 primary.

Rueckert said that it was the first time in several decades the Wheeling GOP did not endorse an incumbent office-holder.

Several prominent Wheeling Republicans spoke against Nimrod's motion, including Mrs. Eugene Schlickman.

Rueckert termed the vote "a major boost" to his State Senate campaign. This is the third straight time we have been able to stop a Nimrod endorsement," Rueckert said. "I think it is indicative of our growing campaign momentum and shows the lack of confidence that Republicans have in the incumbent."

Rueckert also said that the public disavowal of support for Nimrod by Arlington Heights Mayor James Ryan at the Thursday meeting was further evidence of growing support.

"The tide is now turning," Rueckert said, "for at last we are

getting our message of good, honest, Republican government across to the people of our area."

concerning a lunch program, busing or answers to the safety problem in the district.

In summing up the Wilson School suggestions, a Mr. Arvin asked the Board to suspend their decision until they received input from the people. He said new Superintendent Ken Moe proposed no schools be closed this year and he agreed with the proposal. With this summation the Wilson audience, all seated together, as well as most of the remaining members of the 300-person audience, stood up and applauded.

Elaine Schwartz, representing parents who reside south of Golf rd., whose Washington School children will be transferred to schools north of Golf, countered the psychiatrist's warnings of hazards on Golf rd. She said her children who go to school along Golf rd. are happy, healthy and adjusted. She asked the Board not to shift around these Washington School children until after they have decided on a middle school program (6th graders going to junior high) and decried the possibility these children might receive 2 transfers in 2 years. Her main argument was the Board should decide now before making any transfers.

Richard Buchman, representing Ballard parents and the Save Our Schools committee, suggested vacant land be sold, student declining enrollment may be bottoming out, spoke about the sidewalk problem in the district and about lunch programs. He asked the Board's decision be delayed until 1979.

Melzer parent Robert Cannell told the Board, "Close if you must but justify what you do." He then said he was announcing he was running for the school board. A Wilson parent said she has lost confidence with the Board and suggested real estate taxes be reduced for parents whose schools are being closed.

Former Board President Irene Luck asked the Board defer their action because of the "good facts" that had been presented during this meeting. Board president Larry Reiss said this closing of schools effort was the most difficult and unpleasant act which has confronted the board. He said the closings were in the best interest

of all the children in the district. He said the citizens financial committee had recommended not to seek a referendum since it would not be successful. Reiss said he was disappointed in this recommendation, implying he thought a referendum should be attempted.

Charles Percy, being opposed by Lar Daly, while Democrat Alex Seith opposed Anthony Martin-Trigona for U.S. Senator.

Incumbent James Thompson is unopposed in the race for governor in the Republican ticket while Michael Bakalis is opposed by Dakin Williams on the Democratic ticket for lieutenant governor.

Unopposed candidates for Secretary of State include Republican Sharon Sharp and Democrat Alan Dixon (incumbent).

The Comptroller races include Republicans Robert Blair and John Castle and Democrats Richard Luft and Roland Burris. The Treasurer races include Democrats Nina Shepherd and Jerome Consentino on the Democratic ticket and Brad Glass and James Skelton on the Republican side.

Other races include commissioners for Metropolitan Sanitary District of Greater Chicago, Cook County offices, County Commissioners of Cook County from towns outside the City of Chicago.

Judge races are for the Appellate Court as well as for local Circuit Courts.

Committee to Research Bellen appeal

by Alice M. Bobala

Mayor Nicholas Blase said Tuesday night he would appoint a Committee to research public opinion on the dangers of storing flammable liquids in a business situated near a school and a nursing home with expected report back to the Board in 60 days.

The somewhat abrupt action followed an appeal for the committee by Sister Irene Sebo, director of the St. Benedict's Home for the Aged at 6930 Touhy after she spoke out during the March 14 Village Board meeting on the dangers of inhaling possible fumes from the Bellen Company, 7161 Milwaukee ave. Sr. Irene was the sole person to be named Tuesday to the Committee.

The owner of the company had appealed Jan. 24 a denial by the Zoning Board for expansion of a B2 Special Use to construct an ink and solvent room (to store flammable liquids) outside the existing building. Action had been continued to the March board meeting for fire department testimony.

Stretch and Sew

The Stretch and Sew store, located in Arthur Court, 8439 N. Cicero ave. in Lincolnwood, is offering a sewing class featuring this season's most current styles. Entitled "Fashion Five", the series of five classes teach students how to adapt patterns to achieve popular Spring fashions such as the soft, gathered look.

Alice Straka is the instructor. A resident of Park Ridge, Alice has been sewing for more than twenty years. "Dolman sleeves, vests, peasant blouses, and cowl neckline are taught," says Alice. "Ecru and Chinese red are big colors this season, and we have fabric available in many textures and patterns in these two colors." Classes are offered during the day and in the evening, and the series of five cost \$15. For more information call 674-6490.

Next Tuesday it was belatedly reported another meeting will deal with proposed cuts in the administration, a figure which may be about \$75,000 annually.

Niles fire officials testified earlier that an inside storage room built 4 years ago was not fire-approved, that "we want a room with more fire safety."

The mayor noted the basic issue was whether the village would issue a permit to build the room or whether trustees should revoke the Special Use.

According to Henry Novoselsky, attorney for the petitioner, earlier testimony by a consulting safety engineer was "improper and incorrect" in that liquids used by the Bellen Co. were explosive and had to be stored outside. He introduced another witness for the Bellen Co. "as one of the most knowledgeable people in fire safety", a John Ainslee who gave a dramatic demonstration to trustees and spectators Tuesday evening as to physical capabilities and alleged lack of danger in liquids used by the company.

Art Kobus, principal of Niles South School at 6935 Touhy questioned safety of storage of "this liquid explosive" near the school.

Trustee Peter Pesole's comment that "this type of business does not belong near a school" drew applause from about 50 parents, school officials and area residents present at the board meeting. Pesole noted further that the petitioner has never co-operated with the Board during 2 years of re-zoning. During the interim he said Bellen has not completed a required parking lot and only recently installed required anti-pollution equipment.
