M.G. resolution supports Skokie, reaffirms American Heritage

The following statement and resolution was read at Monday night's Morton Grove village board meeting by Ms. Jean Gump and Eleanor Rosenberg. Board members unanimously approved passage of the resolution:

Concern has been expressed both in the press and by individual residents of Morton Grove about a positive response to the proposed Nazi march in Skokie.

We are here this evening to request that the Village Board address this problem. The impact of this proposed march affects more than just the citizens of Skokie and, as a neighboring village, we feel we have a responsibility to publicly register our concern.

The symbol of the swastika strikes a discordant note in the hearts of most Americans. The Nazi propaganda of hatred, bigotry and racism is contrary to all of our ideals of justice. Freedom of worship and the freedom to live in peace are being challenged by this vicious propaganda. Those of us who are not directly related to the victim of the Holocaust are revolted by this specter on our streets, but

what of those people in the community who survived the Holocaust? The anguish of reliving this nightmare must be devastating. It is, therefore, critical that Morton Grove stand up and be counted as a concerned community and make an all out effort to enact and support programs that will focus on this injustice. The following list is a proposal of actions that would demonstrate our solidarity with the Skokie community and reaffirm our own American heritage:

1. Publicize our participation in "Remembrance Week" April 15-22, recalling events of World War II and the Holocaust.
2. Encourage people to view a 9 hour docu-drama that is being

Cheer, cheer for the fightin' Padre

Basketball fans who watched the televised Notre Dame semifinal NCAA game might have seen a priest bouncing up and down out of his chair at court-side. He looked like he was ready to take on the referees. He is Father Wiskerchen, who is now the band director at the university, formerly the head of the ND high school band program here in Niles.

Annexing to #34

Wilson School parents met with Glenview District 34 superintendent Tuesday night exploring the possibilities of annexing into the northern school district. In their fight to keep open their local school they've been meeting individually with District 63 board members the past weeks.

Markus Johnson's downfall

Markus Johnson, who along with Gene Salamon got zonked in last week's Republican Congressional election, told us "organization and newspaper endorsements" were big factors contributing to his downfall.

Johnson, who said reading the Washington Post and The New York Times were requisites which prepared him for the Congressional bid, received about 1-3% of the total vote cast. He estimated a last-week brochure he mailed out cost between \$20,000-\$25,000.

Gene's jeans aren't jangling

Another Republican candidate, Gene Salamon, spent an estimated \$30,000, and late Tuesday night returns had his total vote at around 300 votes. Johnson said Salamon had only 200 votes in his hometown Evanston Township area. If the figures are accurate he may have paid as high as \$250 for each vote he received.

Butt your butt for Blase

Nick Blase watchers would have seen "humble Nick" praise his many precinct workers at his Maine Township Democratic headquarters last Tuesday night. When the more than 2-1 victory margin was assured a very soft-speaking Blase gave the usual accolades to the guys who brought in the vote. Nick Cosentino received special recognition for his efforts on behalf of Blase.

Conservation area for new OCC campus

An area of about 20 acres bordering on the Des Plaines River has been designated an ecological conservation area for the permanent campus of Oakton Community College.

The Oakton Board of Trustees recently approved the plan to preserve the natural beauty and protect the ecological systems of the campus site on the east bank of the Des Plaines.

Creation of the plan has been one of the goals in developing the campus since the decision was made to build the permanent campus of the large wooded site in 1975.

A committee composed of Oakton faculty and staff members recommended that the area be designated the conservation area after months of investigation and study.

Committee members are Dr. Antoinette Hastings, dean of Cluster II; Terry Trobec, assistant professor, biology; Dr. Thomas Conway, associate

Drum & Bugle Corps for Niles?

by Alice M. Bobula

Representatives of a drum and bugle corps gave an informal presentation to Niles trustees during a pre-board meeting Tuesday, March 28 on the idea of representing Niles locally, statewide and nationally. In return the Chicago corps expects a home base and practice area in Niles and village funding "anywhere from \$100 to \$1,000, an annual Canning Day and AD book support from local businessmen."

Bob Bryson, president of the Chicago Cadets Senior Drum and Bugle Corps and Tom Day said the 118 member group, formed a little over a year ago, finished eleventh in competition last year and had the "potential of becoming the finest corps in the nation."

The group which holds 5 members from Niles and others from Aurora, Chicago, Evanston, Rockford and Milwaukee is presently based in Wheeling but seeks larger quarters.

While the corps expects to retain identification with Chicago, alliance with Niles (predicated on community support) would be announced prior to appearance of the group and/or by a village flag.

Alliance with Wheeling has not proven satisfactory due to personality conflicts said group representatives. To date Bryson said the corps has been self-supporting although a \$45,000 annual budget is forcing them to seek federal funding in addition to an approximate \$26,000 in prize monies they

Oakton trustees study the map of the permanent campus for Oakton Community College designating the ecological conservation area. The Oakton Board recently approved setting aside the 20-acre area bordering the Des Plaines River after a study by a faculty committee. The trustees are (from left to right) Fred Swinnerton, Park Ridge; Board Chairman Paul Gilson, Skokie; Christine Anderson, Morton Grove; Paul Stiefel, Skokie; Violet Ross, OCC Student Trustee; and Raymond E. Hartstein, Skokie.

MG Open space planners

Morton Grove Architect-in-Residence John Miller, whose position is funded through a grant from the National Endowment for the Arts and administered by the Illinois Arts Council, was joined recently by Gary Greenfield, a landscape architect hired through the CETA Program.

Both are working on the development of open space within the Village, ensuring adequate attention is addressed to this and other aspects of the ongoing comprehensive planning program in Morton Grove.

The two architects, who work with Village Planner Charles Schack, are available to apply their skills and talents to the needs of individual homeowners in the Village. Their telephone number is 965-7110.

Village reprimands service station

As the result of a hearing held in Niles due to numerous complaints of overcharges for repairs and doing unauthorized work on the cars of customers, village authorities indicated a warning reprimand would be issued to Helmut Lapp, owner of the Village Service Mobil Station at 7969 Milwaukee ave.

An open hearing held Feb. 3 pursuant to Niles ordinance to show cause why the owner's license should not be suspended or revoked drew testimony from complainants who charged their repair bills were in excess of the original estimate.

Hearing Officer Gerald Murphy found all complaints to be valid but not sufficient in number to require more than a severe reprimand.

Niles Mayor Nicholas Blase said a letter would be forthcoming to the owner indicating the complaints would be set on record. Further, he said, "if the complaints of overcharging should recur, the owner could face suspension or revocation of his license to do business in Niles."

Director of the Consumer Fraud Division Frank Wagner noted four plaintiffs testified against the service station owner at the Feb. hearing, charging him with "exorbitant and

unreasonable charges for auto repair services." Lapp had testified his charges were comparable to other service stations in the area.

According to Niles ordinance the mayor has the power to suspend or revoke any license other than a retail liquor business issued under the Code for good and sufficient cause or if he determines the licensee has violated any of the provisions of the village code. No license may be revoked or suspended except after a public hearing.

Lawrencewood Fotomat burglarized

Thieves broke into the Fotomat in the Lawrencewood Shopping Center late March 17, taking \$90 in cash but overlooking the day's receipts of \$270.

Police said the window was smashed sometime between 9 p.m. and 10 p.m. Friday with a blunt object by intruders who took cash from an envelope in the drawer. No film was reported stolen.

Skokie Rotary seeks canes and crutches

In line with one of International Rotary's prime objectives, community service, Skokie's Rotary Club is collecting unused canes, crutches, walkers and wheel chairs for repair, as required, and distribution to social service agencies in the village. The need is real.

The effort is being chaired by Rotarian Joe Kozar, head of the Drapery Magic Company of Skokie. Kozar asks that anyone owning any of the above items and willing to contribute them to a good purpose, get in touch with him at 966-8778.

Free blood pressure tests

Free blood pressure readings will be held on Thursday, April 6, between the hours of 4 and 8 p.m. in the Niles Administration Building, 7601 Milwaukee ave. This service is provided by the Niles Community Health Dept. to promote awareness of hypertension. If you do not have your blood pressure checked regularly at least once or twice a year, you could unknowingly become a victim of hypertension. There are no symptoms to this disease which can significantly shorten one's lifespan. Take advantage of this service on April 6.

Senior Citizens' NEWS AND VIEWS

NEWS FOR ALL NILES SENIORS FROM THE TRIDENT SENIOR CENTER - 8060 Oakton st. 967-6100, ext. 78

Square dancing
Swing your partner as you enjoy the fun in square dancing! This is a new activity we've added to the monthly calendar, and the first day of square dancing will be on Tuesday, April 4 at 1:30 p.m. Don Stace is the caller, and he'll teach you all the different steps and movements. He'll call line dances as well as squares. You don't need a partner to participate in this, just come on Tuesday, April 4 and join the group.

Legal services - wills
An attorney will be at the Center on Friday, April 7 for individual appointments concerning wills. This program, co-sponsored by the Chicago Bar Association assists low and lower-middle income seniors who need a simple will or have questions about an existing will. To have a will drawn up, you must be 60 years of age, your income can't exceed \$10,000 and your assets excluding car and house can't be more than \$10,000. The fee won't exceed \$50. If you just have questions about your existing will, there's no charge for this service. If you'd like an appointment with the attorney, call the Center.

Social Security update
On Monday, April 10 at 1 p.m., a representative from the Des Plaines Social Security Office will be at the Center. He'll explain the most recent revisions in the Social Security program. These changes affect not only the monthly payments, but also the amount of salary you're allowed to earn each year. He'll also discuss some general facts about the program as well as some of the changes in Medicare. After his talk, he'll answer questions.

Dental screening
There will be a dental screening program at the Center on the morning of Wednesday, April 12. The screening will be a basic oral health evaluation checking on gums and dentures, done by a visual exam. Two local dentists from Niles, Dr. Swartz and Dr. Ulrich, will be giving these free exams. Appointments are needed and can be made by calling the Center starting on Monday, April 3.

Hearing and blood pressure tests
Through the cooperation of the Northwestern Hearing Clinic and the Niles Fire Dept., free hearing and blood pressure tests will be given at the Center on Monday, April 17. The hearing test is a screening for hearing accuracy and should be taken by everyone, even if you're not experiencing a hearing loss. A paramedic from the Fire Dept. will be doing blood pressure tests at the Center on that same day. Appointments are required for both the hearing and blood pressure tests and can be made by calling the Center starting Monday, April 3.

MONACEP classes
It's time again for a new session of MONACEP classes. There's a whole group of interesting new classes being offered this spring. On Tuesdays, Oil Painting will meet from 9:30-11:30 a.m. This 10 week course is for both beginners and advanced painters and the fee is \$10.50. You'll experiment with different techniques for using oil paints on canvas. Graphoanalysis will meet for 6 weeks on Wednesdays from 10 a.m.-noon. You'll learn the 8 basic steps in analyzing handwriting to discover character and personality. The fee is \$9. You'll experience a new sense of well being and feel physically fit in Yoga. This class will meet for 6 weeks on Fridays from 10-11 a.m. and the fee is \$5. You can sign up for any of these classes by calling or stopping in at the Center, starting now. The classes start the week of April 17, so register early.

A special Gardening workshop is being offered for all of you who want to have a green thumb this year. It'll meet on Mondays from 10 a.m.-noon, for 3 weeks and will cover tips and pointers on how to grow healthy and lush vegetables and flowers. It starts Monday, April 24 and the fee is \$5. You can register for it by calling the Center.

The Senior Adult Center, Leaning Tower "Y"
The first Coffee Talk for the month of April is scheduled for Monday, April 3, at 11 a.m., and will feature Ms. Frances Philbrick, social worker from Family Counseling Services of Evanston and Skokie Valley. Ms. Philbrick will present "A Lighthearted Look at the Later Years", a reading of prose and poetry written by Seniors for and about Seniors. Everyone is invited to attend this "Coffee Talk", which promises to be most entertaining.

And, if you've missed that first robin of the season, you'll still know it is spring when you see those golf clubs swinging at the Edgebrook Golf Course. Members of the Senior Adult Center have planned their first golf outing of the season for April 4 - weather permitting! The golfers are an enthusiastic bunch and can't wait to tee off.

VILLAGE OF SKOKIE
Through the auspices of the Skokie Health Department blood pressure testing will be conducted on Friday, March 24, from 10 a.m. to 11 a.m. at the Senior Council facility, located at 4436 Oakton st. in Skokie.
Tests will be by appointment only. Please call 673-0500, ext. 208 or 209 for additional information.

Thefts of wallets

Someone bumped into a Des Plaines housewife while she stood near the meat counter in the Jewel Food Store at 8730 Dempster st., the afternoon of March 18. She said she felt a tug at her purse and when she looked down the purse was open and the wallet missing along with \$118 in cash, checkbook and numerous credit cards.

A Winnetka secretary reported the wallet stolen from her purse the afternoon of March 16 while she was at 5940 Touhy ave.

Chicago police recovered the wallet intact with contents shortly after midnight Friday.

Legal Notice

ANNUAL TOWN MEETING

Notice is hereby given to the legal voters, residents of the Town of Niles in the County of Cook and State of Illinois that the ANNUAL TOWN MEETING of said Town will take place on TUESDAY, APRIL 11, 1978, being the second Tuesday of said month at the hour of 8 o'clock P.M. at the SKOKIE PUBLIC LIBRARY, 5215 Oakton Street, Skokie, Illinois, for the transaction of the miscellaneous business of the said Town and after a Moderator having been elected, will proceed to hear and consider reports of officers, and decide on such measures as may, in pursuance of law, come before the meeting.

Given under my hand at the Niles Township Administration Building this 23rd day of March, 1978.

(s) Louis Black, Town Clerk
Niles Township

Stolen autos

A 1968 Fairlane Ford valued at \$8,000 was stolen overnight March 15 from the YMCA parking lot at 6300 Touhy. The car also contained a stereo, clothing, paintings, antique music box, tools and cooking utensils.

A Des Plaines resident reported his 1976 Pinto Squire valued at \$3,000 stolen from the Golf Mill parking lot March 16 sometime between 8 and 11:30 p.m.

During the early morning hours of Wednesday, March 22, a gold and green 1977 Lincoln Continental was taken from 8801 Golf rd. along with \$20 worth of assorted household tools in the rear seat.

A 1970 Cadillac was stolen March 18 from 8208 Oakton st. but recovered by police the same day minus \$280 in clothing.

The victim said he drove the car to Seven Eleven around 3 a.m. and went into the store to make a purchase. He looked up to see the car leaving the lot eastbound on Oakton. Police located the auto on Prospect rd. a half mile south of Oakton st. with the keys in the lock.

Taken from the car were a tuxedo and shirt, 3 pr. sweat pants and 2 pr. jogging shoes.

Stolen purse

A Glenview housewife reported her purse stolen from a shopping cart at The Treasury at 8500 Golf rd. during the afternoon of March 21. The \$20 bag contained a wallet with \$4 cash, numerous credit cards, I.D., keys and checkbook.

Given from garage
Someone entered thru the side door of a garage on the 8300 block of Olcott during the morning of March 16 taking a 15 h.p. fishing motor and a 6 gal. gas tank valued at \$400.

Vandalism

A resident in Gretnan Heights said he noticed the lights on his garage go out around 9 p.m. March 19 and saw several youths running north thru the alley next to his home. Investigation revealed the lights knocked loose and wires ripped out of the wall.

A Skokie resident who parked his 1974 Mercury at 8000 Milwaukee ave. March 20 went out to the auto around 6 p.m. and found someone used a hard object to dent the car trunk causing \$200 in damages and that his right rear tire was flat.

Six to eight unknown persons drinking beer next to a 1973 Dodge parked in Lawrencewood late March 16 threw the beer bottles at the car leaving small dents in the side of the auto, causing \$100 in damages.

Thefts from cars

Someone broke the rear window of a 1978 Mercury parked in the YMCA parking lot at 6300 W. Touhy during the early morning hours of March 16 causing \$125 in damages and taking \$250 worth of polishing fabrics for hand held power tools.

An Emerson School teacher reported someone broke into his 1975 Chevelle parked in Golf Mill late March 17 taking a CB valued at \$130, a briefcase, school keys and his grade book.

Thieves broke into a locked car parked in Golf Mill between 8 p.m. and 10 p.m. March 17 taking \$200 in clothing, a \$75 CB radio, checkbook and numerous keys.

Overnight March 20 the vent window of a 1974 Chrysler station wagon parked on the 8000 block of Ozark was smashed. Taken were an \$80 tape player, \$40 worth of tapes, \$20 in tools and \$10 in fishing tackle.

Thieves jacked up a 1974 Cadillac Coupe parked overnight March 21 at 8815 Golf rd. and removed the 2 rear wheels with estimated loss of \$300. The car was then placed on the ground with damages unknown.

Someone broke into a locked 1977 Chevrolet parked at 7333 Milwaukee ave. around 9 p.m. to midnight March 20 taking a CB radio valued at \$330.

The owner of a 1978 Ford Tbird parked overnight March 18 on the 8600 block of Lyons reported the hood ornament stolen.

Phone calls
A 39 year old housewife on the 8400 block of North Terrace reported receiving an obscene phone call March 17 from a male who claimed to know her and threatened to kill her if she hung up. After the victim said she was not afraid of his threat the caller made suggestive and obscene remarks to her.

A threatening phone call at 2 a.m. to a young woman on the 8900 block of Washington indicated the caller knew her, that she was dangerous and was going to be killed. She told police she hung up the phone then picked it up but the caller was still on the line.

The victim said she has had her telephone number changed after receiving obscene phone calls in 1977.

All-conference basketball

National Library week

The Morton Grove Library will present an exhibition of oil paintings by Bud D. Becker during National Library Week, April 2-8.

Mr. Becker, who resides in Morton Grove, was a protégé of European artist, Serge Bongart, and has exhibited throughout the South and Midwest. Some of his work is in the permanent collection of the Overton Museum of Fine Arts in Memphis, Tenn. and he was the first American artist to exhibit in the Devonshire

Galleries in London. He is recognized by the American Artists and has exhibited at the Chicago Public Library.

Mr. Becker designed the original landscaping for the Morton Grove Library and has recently been commissioned to design the landscaping for the new library addition.

Mr. Becker is pictured with Mrs. Joan Stewart, Executive Librarian, and one of his paintings.

Lutheran General health screening effort

Lutheran General Hospital, Park Ridge, will join with 50 other Chicago area health organizations in a massive health screening effort, a "Feeling Fine Health Fair". The health fair is sponsored locally by WMAQ-TV (NBC) and is designed to screen approximately 60,000 people in the Chicago area during the week of April 10 thru 16.

Lutheran General will participate by offering a battery of health screening tests for people 18 years old and over on Saturday, April 15, and Sunday, April 16. The tests will be given at the hospital's Ambulatory Care Center, 1775 W. Ballard rd., Park Ridge. Most of the tests will be given free of charge. There will, however, be a small fee for an optional set of laboratory tests.

All the testing will be done on a volunteer basis by hospital employees, student nurses, laboratory phlebotomists and members of the hospital's Service League.

"Some diseases develop slowly, with no outward signs until they have progressed to a serious extent," says John Wilke, administrative coordinator of ambulatory patient services at Lutheran General. "By the screenings we hope to detect diseases at a very early stage so persons may be referred to their family physician as soon as possible."

The screenings, which will be given free of charge, include tests for: hearing, near and far sighted vision, blood pressure, anemia, height and weight. Blood drawing for tests to determine diabetes, cholesterol, gout, iron, kidney disease, liver disease, thyroid disease and other diseases will also be available for a \$4-6 fee to cover laboratory expenses.

Before being tested, each participant will be given a questionnaire regarding their medical history. The results from non-laboratory tests will be obtained immediately and explained to the participant by one of the nursing volunteers.

The results from the laboratory tests will be mailed to the participant and his physician in approximately five weeks.

If any indications of unusual conditions are found, the person's family physician will be notified and the person advised to see the physician. The screenings given at the Feeling Fine Health Fair are not physical examinations and suspicious findings are not positive evidence of disease.

In order for the maximum number of people to be screened efficiently, participants should register in advance. Pre-registration may be made by phoning 696-7000 Monday thru Friday, April 3-13 between 9 a.m. and 4 p.m. Appointments will be given on a first-come, first-serve basis. Persons going thru the screening are asked to wear loose clothing.

"We encourage area residents to take advantage of the many tests conveniently grouped at the same place at the same time," says Wilke. "Often these screenings are only offered one at a time."

This is the first time NBC-TV is sponsoring a massive health screening effort in the Chicago area. Similar screenings will be done during the same week in California, Ohio, New York and Washington, D.C. where NBC has TV stations.

The massive health screening program is being done in conjunction with the National Health Screening Council, a non-profit organization. Last year the Council supported NBC in Washington, D.C. in producing the largest health screening effort ever undertaken in the United States. Approximately 17,000 people received free health screening. Of those tested, 15,000 abnormalities worthy of follow up were detected.

The Chicago area screening is co-sponsored by Allstate Insurance Companies, the American Hospital Supply Corporation and Interstate Supply Corporation.

SJB Annual Art Auction

The St. John Brebeuf Catholic Women's Club invites all area residents to their Annual Art Auction on Friday, March 31. The Robert Sills Galleries of Niles and North Hollywood, Calif. will offer an opportunity to see, enjoy and perhaps, acquire a beautiful work of art by such masters as Calder, Dali, Rockwell, Curry, Miro, Kelly and many others.

The collection to be offered consists of original lithographs, etchings, and graphics signed and numbered by many of the world's most renowned artists. There will also be an enriching array of water-colors and original oil paintings from all parts of the world. Each work of art is beautifully framed. The public is invited to a preview at 7 p.m. in the St. John Brebeuf School Gym, 8301 N. Harlem, Niles. The auction will commence at 8:30 p.m. A donation of \$1 will include champagne and hor d'oeuvres and a chance at the evening's door prize - a valuable object d'art.

Whether you are a serious art collector or just looking, you won't want to miss this exhibition!

Shown above: Chairman Nancy Wiedemann, President Eileen Elenz, and Co-chairman Peggy Murphy gather to plan the SJB Catholic Women's Club Art Auction.

Sunday seminars

"Depression: How to Cope - When You Feel You Can't" is the topic of the Sunday Seminar to be presented April 2 from 1-4 p.m. at Mayer Kaplan JCC, 5050 Church, Skokie.

Depression is fast emerging as the nation's number one mental health problem. This seminar, led by Jerome Lillian, will deal with understanding the nature of this illness, who gets it and why and what to do about it.

Women's career program

A panel of women employed in different fields will discuss their individual work experiences during an all-day program sponsored by the Oakton Women's Program on Tuesday, April 18.

"Exploring Career Options" will meet from 8:30 a.m. to 3 p.m. in Building 3, Room 343, on the OCC Interim Campus, Oakton and Nagle, Morton Grove.

Discussion of employment goals and values, current and future job opportunities, and OCC career programs will be of help to anyone who has recently wondered what to do with the rest of her life and how to enter or re-enter the job market.

Participants will learn to identify their own skills and abilities and will also master decision-making techniques which relate to employment situations.

Many members of the panel are graduates of OCC career programs who have gone back to work and found good and interesting jobs in their new fields, according to Patricia Handzel, Oakton's Director of Non-Traditional Student Programs.

The fee for this session is \$7 which includes lunch.

For further information, or reservations, call the Oakton's Women's Program office, 967-6120, ext. 350.

LETTERS to EDITOR

LWV seeks public involvement in beautification program

Dear Editor:
The League of Women Voters recently presented a statement to the Niles Zoning Board and Plan Commission, in reference to the recently completed Development Plan for Milwaukee ave.

We feel that it is very important that the public be actively involved and included in the following ways:

1. To give input to Village Officials at Public Meetings on a regular basis;
2. To Communicate with the Beautification Committee (which is composed of four trustees; R. Harczak, Chairman);
3. To sit on an Appearance Commission made up of a cross-section of Niles residents, some with experience in community development, and interested lay persons.

The League of Women Voters of Morton Grove-Niles is in strong agreement with the goals of the Comprehensive Development Plan for Milwaukee ave. prepared by George Marsh, and we, therefore, hope the Village will delay any proposed new structures or buildings on the little land that is still open on Milwaukee ave., until Harczak's Beautification Committee and the Niles Village Board have reached some decisions on executing the new plan.

After all, what is the point of spending \$35,000 and an entire year of work, if the Comprehensive Plan for Milwaukee ave. is seldom consulted, referred to, or used as a guideline!

Richard Harczak, Niles Trustee, and his Beautification Committee is conducting an Open Forum on Milwaukee ave., Tuesday night, April 4, 1978 at 8 p.m. at the Niles Council Chambers, Waukegan and Touhy. The public is invited to attend and the League of

Women Voters strongly encourages interested citizens to come and suggest the best use of

the remaining open land on Milwaukee ave. as well as give feedback on the Marsh report.

Barbara Blonz, President
League of Women Voters

Urges support in Library elections

To the Residents of the Niles Public Library District—

In the Niles Public Library District we have one of the finest, most progressive libraries in Illinois. This was accomplished thru the dynamic leadership of the present Board of Trustees, of whom four members are running for re-election on April 11.

Now we find this leadership being challenged in this election by people who are totally inexperienced in library administration and operations. We wonder why they are running for the Library Board when they have never shown any interest or involvement by ever attending any board meetings or inquired about the library operations.

Join with us this election day in re-electing the experienced leadership of the present board members. They have proven their interest and they have the experience necessary to continue running a successful library. We ask you to vote for:

Six year term Diane Hanson, representing southwestern Niles; Lois Grant, representing unincorporated areas; four year term Chester Lasken, representing central Niles; two year term Susan Kravis, representing northern Niles.

Please give us your support and vote on Tuesday, April 11 between noon and 8 p.m. Residents north of Dempster vote at the Branch, 9010 Milwaukee ave., and residents south of Dempster vote at the Main Library, 6960 Oakton.

Sincerely,
Diane Hanson
Lois Grant
Chester Lasken
Susan Kravis

Supports Caucus candidates

Open letter to the community—

April 8 there will be another contested election for membership of the Niles Township High School District 219 Board of Education. I urge all eligible voters to express their choice for the District 219 Caucus candidates Fleischer, Meyers and Minkus (last three names on the ballot). To aid in your decision you may wish to hear your candidates at Niles North on March 30, 1978 at 8 p.m. For those who cannot come I would like to prioritize the issues as I see them:

1. Declining enrollment/Careful and complete future planning/Sound Curriculum for all students.
2. Finances - low taxes - efficient use of funds.
3. Board decisions based upon community interests.
4. Good Board - Community & Board - Staff relationships.

In this letter I will only address the topic of union relationship. The union has asked me to submit answers to three questions: It is their intent to publish these replies in their newsletter and thus to obtain support for Board candidates with the "right" answers.

I consider it improper (but legal) for the union to be involved in any manner in Board Member selection. Board members must only be obligated to the total community and the taxpayers. Control or any union influence on selection of Board Members should not be tolerated. Three years ago, when I was elected to my first three year term on the board, the union dedicated \$1500 to the unsuccessful campaign of Ben Lipin. How can the Board effectively direct the schools in the interests of the community if a group of employees can significantly influence the election of that Board?

The questions asked by the union of candidates this year were:

1. Why do I want to become a Board member?
2. What should be done to maintain or improve the quality of the educational program?

3. How will I work to prevent another impasse between the Board and the union when bargaining resumes?
My community service, dedication and effort since the 1960's is a matter of record. My experience and background will continue to make a valuable contribution to 219 Board membership. Attention to the four, previously mentioned priorities, will maintain or improve our program. As for the impasse, I will continue to work, just like I have in the past contract years to sow seeds of trust, understanding and communication between all segments of the community. I will not wait to let an impasse become a reality.
One can easily see which answers, particularly to question number three, would likely be aligned with union interest. I want all members of the community to know that while union cooperation is desirable, I neither seek nor will accept any union support of my candidacy.
See you at the polls April 8 - 12 noon to 8 p.m.
Fred Minkus

Thank you for printing my reminder to the people of the Maine Township, as to the importance of voting in the March 21 primary election.

The response didn't probably reach many people of the township. But it sure reached many people in the Village of Niles, where the per cent rise in voters was exceptionally high. Especially in my precinct 121. These good people responded to an increase of 44% of voters.

It is a known fact that many people do not like to vote in a primary election, because of having to declare a choice of political party. But I hope in the future most of them will abandon this thought. Especially when there is some important issues at stake.

Respectfully,
Mr. George C. Hall

Questions about your financial future? estate taxes? probate? retirement planning? risk versus return?

CitizensBank has the answers!

DO YOU WANT EXTRA SAFETY FOR YOUR SAVINGS AND CHECKING IN ADDITION TO FDIC PROTECTION? Yes No

At CitizensBank, not only do you have ten FDIC-insured savings plans and two personal checking programs to choose from, but your deposits are also supported by an unusually high percentage of capital reserves. This exceptional capital position in relation to deposits is one of the strongest and most secure in the entire state and provides an added cushion of protection and safety for your hard-earned money.

DO YOU OWN YOUR OWN HOME? Yes No

If so, a land trust may be a must. With property values escalating at such dramatic rates, your home may be the most valuable single asset you own. A CitizensBank land trust can help protect you and your heirs from some of the problems and pitfalls of property ownership while you retain all the rights and benefits. It can also help your heirs avoid the expense and delay of probate for property disbursement at death and eliminate the risk of joint ownership.

ARE YOU 60 YEARS OF AGE OR OVER OR KNOW SOMEONE WHO IS? Yes No

If you answered "Yes" to two or more of these questions, come in or call a CitizensBanker today. Or send in the coupon below for more information. Citizens Bank & Trust Company can help your financial future!

Brazilian officials visit Skokie

As indicated by John R. O'Connell, president of Skokie Federal Savings and Horacio Berlink Neto, marketing director of the Brazilian League Savings Associations, many thousands of miles separate San Paulo, Brazil from Skokie, Illinois. Mr. Neto and his associate, Mario Lacerde, made the journey as part of their international study of

successful marketing techniques employed by savings associations. Skokie Federal, being represented by Mr. O'Connell and (to the right) Kevin B. Tynan, Vice-President of Marketing, was one of two Chicago area savings and loans that were chosen to be a part of this study.

Skokie Trust receives special award

For the third successive year, the employees of Skokie Trust And Savings Bank have had 100% participation in the United Crusade Program. They were the first to report a 100% commitment, representing a 20% dollar increase over a year ago. As a result, a "Special Award for Excellence" was presented to Skokie Trust And Savings Bank at the annual meeting of the Skokie Valley United Crusade held recently at the North Shore Hilton Hotel in Skokie.

William Yale, Assistant Vice President at Skokie Trust And Savings Bank was General Campaign Chairman for the 1977 Skokie Valley United Crusade Fund Drive. He announced that \$106,155, raised by the various crusade divisions, had exceeded the initial campaign goal of \$100,000 and was a \$12,000 increase over 1976 contributions. The campaign funds will service the needs of thirteen local and essential human care agencies in Golf, Lincolnwood, Morton Grove, Niles and Skokie with a total population of over 140,000 people.

Mr. Yale also explained that "Our slogan 'People Helping People' is a good one. It has to be more than just a slogan if we are to retain our past results. I am confident we will continue to achieve these successes in future campaigns with strong and generous support from our communities."

Mr. Yale also said "this year's campaign was most rewarding and very successful". He will continue on the Board of Directors for the 1978 United Crusade campaign.

1st National of Morton Grove adds 3 extra banking hours

The First National Bank of Morton Grove has added three additional hours of banking time. "The main lobby is now open until 3 p.m. every Wednesday, extending the total number of weekly lobby hours to 35. In addition, the bank's drive-in and walk-up facilities are open a total of 60 hours each week. Both facilities are open at 7:30 a.m. Monday through Saturday.

"Now that our \$1.8 million expansion project is nearly completed, we have more lobby and parking area to offer," said bank president Marvin von Aswege.

"The expanded space and extra hours enables us not only to accommodate our customers morning, noon and night, but also to provide more convenience and faster service," he added.

Investment seminar

An "Investment Seminar" (BUS E05-82) designed for the novice investor will be sponsored by MONACEP on Saturday, April 1, from 9:30 a.m. to noon.

The seminar, led by Dan Mackevich, a stockbroker with E. F. Hutton & Co., will be held at Oakton Community College, Oakton and Nagle, Morton Grove.

While emphasizing ways to legally avoid tax liability, Mackevich will introduce all

types of investments, including stocks, bonds, stock options, short term money investments, gold, deferred annuities, and estate planning.

The fee for this program is \$10 for both residents and non-residents of the OCC/MONACEP district. MONACEP is the adult and continuing education program at Oakton.

For further information, call the MONACEP office, 967-5821.

First Federal of Chicago to build Oak Brook office

First Federal of Chicago has begun construction of a multi-million dollar, five-story office building directly east of Oak Brook Shopping Center in Oak Brook. The announcement was made by E. Stanley Enlund, chairman and chief executive officer of First Federal of Chicago, the state's largest savings and loan.

On October 25, 1977, First Federal announced it would build a similar five-story office building near Woodfield Mall

Shopping Center in Schaumburg. That building is currently under construction and is scheduled for occupancy in early October of this year.

The 110,000-square-foot Oak Brook building, to be located on the northwest corner of Spring rd. and Harger dr., will be of steel skeleton construction, with pre-cast exposed aggregate concrete panels and thermal pane glazing. The building is scheduled for occupancy in early 1979.

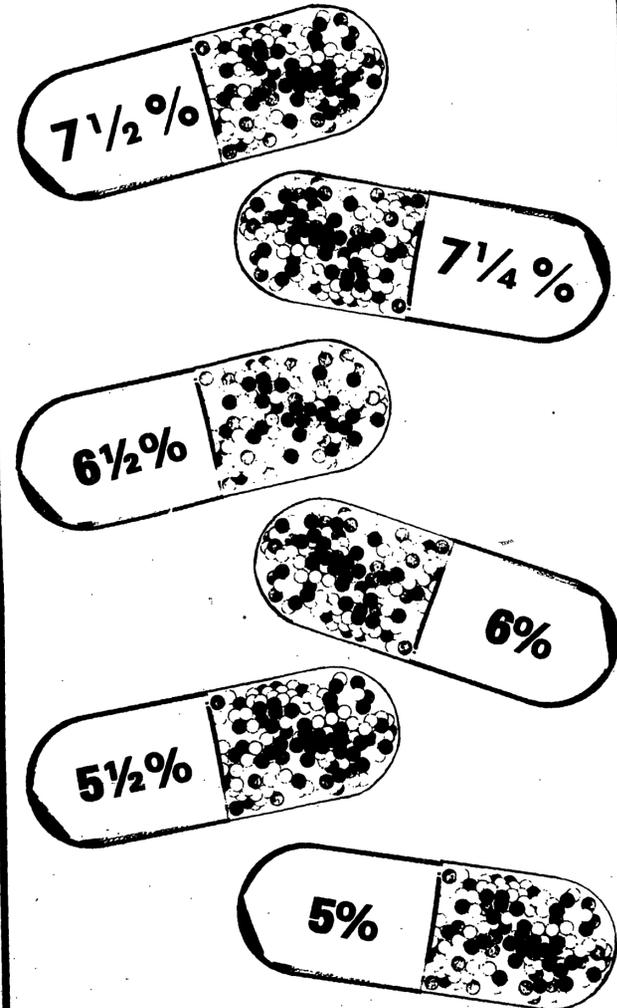

First National of Des Plaines increases quarterly dividend 25%

At their regular March meeting, directors of the First National Bank increased the first quarterly dividend of 1978 to 25¢ from the previous 20¢.

In announcing this action, shareholders were advised that three factors influenced the decision; first, the fine progress

made in leasing space in the new building; secondly, the increased volume of business as compared with 1977; and lastly, the outlook for improved earnings. It was also felt too great a proportion of the annual dividend has been paid as year-end extras and a more even flow would be desirable.

Maine East varsity baseball preview

Spring is in the air! And along with the beginning of this great season starts another — baseball. Baseball has definitely begun for the Demons, whose first game is at Evanston on March 31.

While starting every morning at 6:45 a.m., this year's squad is in vast preparation for the new season. After last year's disappointing conference record of 3 wins and 11 losses, Coach Herb Ward is very optimistic that this won't be the case this year. To help make that possible, the Demons have many returning players such as Tom Bradley, Bill Fratto, Bob Heath, Jim Lloyd, Dave Piorok, Bob Rzepicki, and Bob Tinkoff.

"Pitching will be one of our strong points with Fratto and Heath," says Coach Ward, "but our biggest problem will be at defense. Last year's downfall

was caused by the amount of errors in the games," he added. Because the season hasn't gotten underway yet, many of the positions have not been accounted for. But you can bet hard-hitting Lloyd will be taking the catcher spot. John Picchiotti, a fresh new junior, or George Goralski, look favorable at second or shortstop along with Heath when he isn't pitching.

Coach Ward has often had on many occasions a lot of promising juniors. This year is no exception. "I've seen several good players but haven't made a final decision on the players that must be cut."

While the Demons are looking forward to a successful season, they had better look out for such teams as Maine West and the Glenbrook Schools who will give them a "run for their money."

Conner places third

Morton Grove gymnast Bart Conner established himself as a strong contender for the 1980 Olympics by placing third at the American Cup Men's Championships. This nationally televised invitational event was held March 11 and 12 at Madison Square Garden. Conner's 1976 Olympic teammate Kurt Thomas took first. Their winning combination marked the first time two Americans ever placed this high in international competition.

You can help Bart and other fine local athletes by sending a check to the Niles Township Olympic Committee, 8537 Lillibet terr., Morton Grove, IL 60063. Your tax deductible contribution will help these athletes defray the otherwise unreimbursed expenses they incur competing at the national and international levels.

Spring registration continues at Golf Maine

The Golf Maine Park District is continuing to accept registration for all Spring activities. Most programs will begin the week of April 3, with the outdoor programs beginning after the 15th of April. For further information on the programs being offered, please call the park district at 297-3000, or stop by the office at 9229 Emerson.

Spring Soccer program

The Morton Grove Park District will be running a Spring Soccer Program to begin in April 1978. This year the program will be under the capable leadership of Head Coach, Mr. Peter Zorn. We will be expanding our soccer program to include the following: Midgets 8-10 yrs. - Mon. & Wed. 4-5 p.m. or 5-6 p.m. Intermediates: 11-13 yrs. - Tues. & Thurs. 4-5 p.m. or 5-6 p.m. High School League: 14-16 yrs. Wed - 4-6 p.m. 16-18 yrs. - Tues. 4-6 p.m.

This year all teams will be in the Traveling Young Sportsmans Soccer League with games for Midgets & Intermediates at Herrer Park and the High School games will be at Niles West unless an away game is planned. All games will be on Saturdays. The fee for the traveling league will be \$15 per boy and includes a soccer jersey.

Registrations are now being accepted at the Park Office, 6834 Dempster St., Monday thru Friday, 9 a.m. - 5 p.m. and Saturday, 9 a.m. - 12 noon. For further information call the park office at 965-1200.

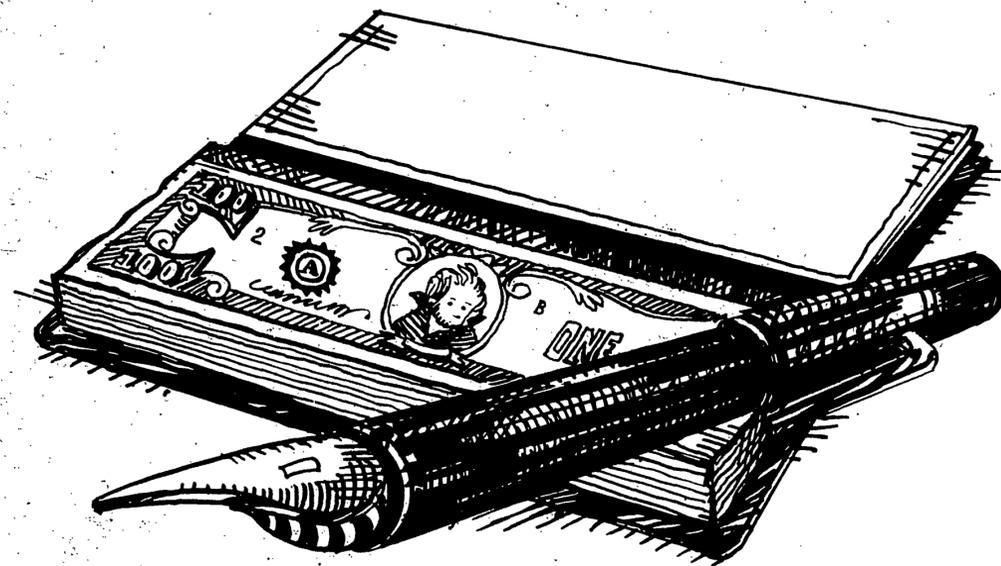

American Academy in gymnastic meet

Gregg Teets led the American Academy Intermediate boys (13 and 14 years old) with a fourth all around with 28.55 at the recent "Little Ten" meet held at the American Academy of Gymnastics in Des Plaines. Gregg scored third on vault (7.7), third on high bar (4.4) and third on rings (3.85). Team mate Dave Oak tied Gregg for third on high bar and added a third of his own on side horse (3.35). Jim Ostrowski pitched in with a fourth on parallel bars (3.8).

In the midgets (10 and under) Al Mategrano of the Academy took first all around with 15.35. Al scored first in vaulting (6.45), second in floor exercise (3.40) and third in side horse (2.15). Team mate Jim Huston was third in all around taking first in high bar with 3.6.

'Ice-Cellaneous' show

The Niles Park District's Annual Ice Show marks the close of the ice skating season each spring. This year's spectacular, "ICE-CELLANEIOUS", will be displayed on March 31 at 7:30 p.m., on April 1 at 1:30 p.m., and again, at 7:30 p.m., and finally, on April 2 at 2 p.m. at the ice rink of the District Sports Complex, 8435 Ballard rd., Niles. Approximately 280 skaters, from tots, two years of age and up, (the real stars of the show) to talented teens to established professionals such as Sue Welch Mitchell, Dawn Himley and Kathy Marshall Aybar, will participate in this exhibition; the production, choreography, lighting and costumes of which have become more mature, more breathtaking each succeeding year.

Tickets for "ICE-CELLANEIOUS" are available at the District Sports Complex and at the District Administrative Offices, 7877 Milwaukee ave., Niles. The price of advanced sale tickets, purchased before Friday, March 31, will be a modest \$1.50 for adults and 75¢ for children; those 12 years of age and under. Ticket prices at the door will be \$2 for adults and \$1 for children.

For response to your inquiries regarding the ice show, please contact Sue Welch Mitchell at the District Sports Complex on 297-8010.

NW Federal's A Cole Porter Celebration

A Cole Porter Celebration will be held at North West Federal Savings' Irving Park Community Center auditorium on Sunday afternoon, April 9, at 2 p.m.

Nationally known pianist Clark Bedford will present this tribute to Cole Porter which features music from such classic Cole Porter shows as Kiss Me Kate, High Society, and Can-Can. It includes the great songs of the standard light music repertoire such as Night and Day, Just One of Those Things, In the Still of the Night and many more.

The program is a celebration of one of the world's most sophisticated composers of theatre and film music. Clark Bedford is one of the most versatile musicians of our time and he plays his own imaginative arrangements of Porter's music with sensitivity and verve.

He also talks informally about the composer's life in Indiana, at Yale University, and in Paris, New York and Hollywood. The Celebration combines the talents of the remarkable Mr. Bedford, the artistic greatness of Cole

Porter, and the enthusiasm of audiences.

A Cole Porter Celebration will be a special benefit performance on behalf of various recognized charities.

Donation is \$3 per person and space is limited to the capacity of the Clyde B. Reed Auditorium at North West Federal's Community Center, 4901 W. Irving Park rd., Chicago.

Tickets may be purchased in advance by mail or at the door.

Her interest lies in a wide range of subjects and her paintings are done exclusively in oils.

'Project Big' at Maine East

Maine East staff member, Demetra Giannis, aids Joel Kraiman of Des Plaines and Darci Renais of Niles in a review of some of the 175 occupations to be represented at Maine Township High Schools' Project Big on April 5 at Maine East from 7-9:30 p.m.

On Wednesday, April 5, Maine East will host this year's Project Big from 7-10 p.m. in the fieldhouse. This year's Project Big will be visited by representatives from 175-200 local businesses, industry, and service clubs. The careers represented are for people right out of high school to those seeking a professional degree. For the many people who have never been to Project Big, it is a good opportunity to speak on a one-to-one basis with a representative from the many careers, including all of the Armed Forces. Mr. Keith Honn, career counselor at Maine East, advises students, asking questions, if any, that are needed, and what training might be required; and

what you can anticipate in the field. Project Big gives students a chance to talk with many career representatives in several job fields and expand their knowledge of the career of their interest. **Bill M. Christou** Marine Private First Class Bill M. Christou, son of Mr. and Mrs. Michael Christou of 9614 Golf terr., Des Plaines, has been promoted to his present rank while serving with 1st Force Service Support Group, Marine Corps Base, Camp Pendleton, Calif. A 1977 graduate of Maine North High School, he joined the Marine Corps in August 1977.

Ron Verson, a Niles resident, will play the part of Hans in the play "They Seem To Die", which will open April 7 at Playwrights' Center. Ron has appeared as Harpagon in the Old Town Players' production of "The Miser". "They Seem To Die", by Father Jerry Walling, was inspired by the true story of Franz Jagersfater, an Austrian farmer who refused to serve in the German army during World War II. When this drama was originally produced at the Center in 1975, it was nominated for a Joseph Jefferson citation. The play will open on Friday, April 7, and will play Friday and Saturday evenings, for five weekends, until May 6. Curtain time is 8:30.

Costuming for 'Mame'

Providing costumes for a cast for a production of Mame involves much more than simply arriving at the theatre the night the show opens and handing out the costumes. Betty Lloyd and her costume crew, headed by Janet Left, have been working for weeks preparing the costumes to be used in the Maine East production of Mame. Many of the costumes will be rented from the Armstrong-Miller Costume House in Milwaukee, Wisconsin. The renting of the costumes is only one part of it. All of the 75 students in the production need to be measured; each scene in the show — and there are 24 scenes in the show — need to be costumed individually; each character listed, the part he plays, the type of costume used. The costumes must be selected by color, period, and fabric. In addition to these kinds of problems, the costumes used in the show this year by the dance chorus must be costumes that they can move in; costumes that will be visually attractive and match the setting and other costumes on the stage.

The big number Mame will be costumed in southern hoopskirts and gowns, red riding outfits, hats, riding breeches, and boots. All of the members of the cast will appear in the big production number, Mame. An additional complicated part of this show is that the show begins in 1929 and runs into the late 1940's. Consequently, the costumes must move from the 1928 flapper era through to the postwar costumes of the late 40's. Many of the costumes that Mame and Vera will wear are authentic pieces from the period: the heavy beaded work, original furs, hats, and capes, etc. are all authentic pieces and will add to the flavor of the show. The costumes for this show are guaranteed to be the most beautiful costumes in any musical in the history of Maine East High School. Tickets are available by calling the Music Department at the high school at 825-4484 any time during the day or contacting any of the students that appear in the show.

Production dates are April 28 and 29, May 5 and 6.

Shown above is Mrs. Betty Lloyd, Maine East faculty costumer for the Musical Mame, adjusting a costume on Patti Usack of Park Ridge at the Miller Costume House in Milwaukee in preparation for an April 28 opening of the show.

Maine East Girls Gymnastics off to powerful start

After losing eight seniors on the 1977 State Championship Girls' Gymnastics Team, Coach Betty Axelson is very pleased with the results of the first three meets of the season. There are seven new freshmen and two sophomores on the team, and already these new team members have caught on to the team spirit of "We're Number One" which still prevails on this hardworking team. According to Coach Axelson, the freshmen are surprising everyone and really helping the team scores in every event. Freshman Lisa Wax of Morton Grove has been very consistent in her optional Beam and compulsory Bars routines; Lynette Milstead of Des Plaines has been doing an excellent job on Optional Bars and Vaulting; and Sheryl Sladek of Morton Grove has been a leading scorer in compulsory Floor Exercise and Beam.

consisting of a cartwheel, back walkover, flip flop is definitely a real asset to the Maine East team. In addition, the senior captains, Kathy Brizzolara and Gaby Isola, have been leading the Demon machine with their high level performances in all events. Kathy is a top competitor in Beam, Floor Exercise, and Vaulting, and Gaby's strong events include Bars, Floor Exercises, and Vaulting. Gaby scored 31.50 points in the All-Around in the Maine West meet, and Kathy scored 26.7 points in her first All-Around meet against Glenbrook South.

Maine East scored their highest point total so far this season at home against Maine West on Feb. 25, scoring 95.05. The girls then traveled to Maine South on March 3, with the team scoring 91.7. High scorers in this meet were Laura Trojan, on Floor Exercise with an 8.55; Gaby Isola on Bars - 8.25; Kathy Brizzolara on Floor Exercise with an 8.05; Lynette Milstead on Bars with a 7.85; Lisa Wax on Bars with an 8.35, and Karen Sele on Vaulting with a 7.95. On Saturday, March 4, Maine East hosted Glenbrook South and scored 90.50 in an all optional meet. Outstanding performances were given by Gaby Isola on Floor Exercise - 8.7, Laura Trojan - 8.3 on Floor Exercise, and Lynette Milstead in Vaulting - 7.95.

Joey Ray makes U.S. National Junior Gymnastics Team

Twenty gymnasts from across the country were invited to try out for the U.S. Junior National Gymnastics Team held at the Air Force Academy in Colorado Springs, Colorado on March 17. After three days of grueling competition eight of the twenty boys were selected to be added to the team. Among them was Morton Grove's Joey Ray - a 15 year old sophomore on the Maine East Gymnastics Team and off-season competitor for the American Academy of Gymnastics in Des Plaines.

The others selected were - Matt Arnot, New Mexico; Rickie Atkinson, Iowa; Jeff Beason, and Jim Campanelli from Pa.; Dan and Dennis Hayden, twin brothers from New York; and John Jacobs from Florida.

Special Olympics basketball

The Maine East Center Court Educable Handicapped basketball team took first place in the Special Olympics basketball tournament in Chicago on Friday, March 10. The team won the final game in over-time by one point. Team members are Alex Barrio, Charles Emerson, Laura Herriges, Noel Hicks, Joe Konieczny, Karen Kulik, Stephen Luczak, Lisa Ross, Walter Ross, Tim Samborski, and Bernie Young.

The eight boys selected will join the team for a special one week training clinic at the Olympic Development Center in Colorado Springs. The clinic will be conducted by Mr. Mas Watanabe, coach and director of the Junior National Team.

The others selected were - Matt Arnot, New Mexico; Rickie Atkinson, Iowa; Jeff Beason, and Jim Campanelli from Pa.; Dan and Dennis Hayden, twin brothers from New York; and John Jacobs from Florida.

Your friendly neighborhood good neighbor.

Maybe you're one of those people who thinks of The American Red Cross only when you see a news report of a flood or hurricane on tv. And it's true—we're there. In hours. Giving aid. And comfort. And supplying the necessities of life. All as a gift from you—the American people.

But the other things we do are just as important, if not so spectacular. And they happen right in your own home town.

The truth of the matter is: Red Cross is what you need it to be. Wherever you live. Whoever you are.

That's why you find us doing different things in different home towns. We teach blind kids to swim in some places. Or make sure ghetto youngsters have ice skates. Or teach baby care to deaf mothers. Or help out with drug programs. You name it. We do it.

Whatever a community needs, it's what Red Cross needs to do. So, in a very real sense, you are Red Cross. And Red Cross is you. And helping the Red Cross is very like helping yourself.

Let's help each other.
the good neighbor.

Statement of Congressman Abner J. Mikva

The recent events involving efforts by a group of Nazis to march in Skokie have traumatized a substantial segment of the Skokie community. The survivors of the Holocaust now living in Skokie have been subjected to the prospect of an invasion by Nazi storm-troopers in brown shirts and swastikas, a scene all too reminiscent of the indescribable terror unleashed on them and their families two generations ago.

The survivors of Nazi Germany who now live in Skokie are not the only ones who feel the terror or the deep sense of revulsion that the Nazis represent. In a real sense, we are all survivors of Nazism, and the Nazi symbols of hate and destruction recall a nightmare that millions of other Americans share.

I do not want the Nazis to march in Skokie. The courts have ruled on many occasions that local governments can place limits on where and when groups can assemble and speak. In many instances, the Supreme Court has upheld these limits as compatible with the Constitution.

Moreover, the courts have upheld local ordinances which have banned the Ku Klux Klan from marching in their white sheets and hats, the very kind of symbols that served to terrorize and deeply offend a community as do the Nazi symbols. I continue to hope that the courts will eventually rule that the Constitution does not require a permit to the Nazis to march in Skokie. I, along with others, have urged Mayor Smith of Skokie to pursue every judicial remedy available in this regard. I have also written to Thomas Sullivan, the U.S. Attorney for the Northern District of Illinois,

urging him to examine the relevant federal statutes that might govern the Nazis and their proposed march.

Next month, between April 16 and the 23, I will participate in a vigil that will be held in Skokie as a memorial to the millions of Jews and non-Jews alike who lost their lives at the hands of the Nazis before and during World War II. I hope the vigil will also set the tone for a peaceful counter-event that should be held if, after all of the judicial remedies are exhausted, the courts rule that the Nazis have the right to march in Skokie.

I will continue to work with community groups to help plan such an event as a peaceful one, an event that will not only show what we as Americans oppose, but what we stand for; and event that not only reminds anyone who has forgotten about the madness and evil of Nazism, but an event that reaffirms our commitment to the ideals for which we have struggled, and which we cherish and want to preserve for our children and grandchildren. These are ideals and values that we must never take for granted, and they are our best and only weapons for effectively combating the venom of the Nazis.

Five candidates file for two openings on Oakton Board

MG Library celebrates Library Week

The Morton Grove Library will celebrate National Library Week, April 2-8, with a host of colorful programs for everyone.

"Blood and Money", the powerful best-seller about murder and revenge in Texas, will be reviewed by Barbara Todd on Sunday, April 2 at 2:30 p.m. and Monday, April 3 at 7:30 p.m. This true story will be dramatized on TV next fall and both men and women will find it fascinating.

On Tuesday, April 4 at 7:30 p.m. the Botanical Gardens of Glencoe will inspire spring gardeners with a program on "Garden Planning". Both flower and vegetable gardens will be discussed and illustrated.

The film, "To Kill a Mockingbird" will be shown at the Library especially for young adults on Friday, April 7 at 3:45 and 7 p.m. This sensitive film about two southern children

LWV sponsors a candidate night

Come and meet the candidates running for the Board of Trustees of Oakton Community College on Thursday, April 6 at 8 p.m.

The meeting is sponsored by the Leagues of Women Voters of the OCC District and will be held at Washburn School, 515 Hibbard st. (just north of Willow rd.) in Winnetka.

President Koehnline will speak on the role Oakton Community College plays in our community. There will be presentations by the candidates and time for questions and answers from the floor. Rayna Miller will be the moderator of this informative evening.

Call Barbara Blonz, President of the Morton Grove-Niles League of Women Voters, 966-8533, for more information and/or for directions.

Directory of Community Services available

The third edition of the Directory of Community Services, a guide to available courses, activities and services, is now ready for distribution to residents of the Maine Township area.

This handy brochure has been compiled by the Community Education Project of the East Maine Schools, District 63, funded by Title IV-c, ESEA and ESR.

The Community Education Project offers a variety of activities focusing on the improvement of family living and cultural and enrichment events. The Project benefits from the dedicated efforts of its advisory committee.

Community Education Advisory Committee - Kenneth C. Moe, Superintendent; Lenore Page, Project Director, Assistant Superintendent for Instruction; Principals - Margery Dick, Melzer School, Oak resident; Dr. Stewart Liechti, Nathanson School; Teachers - Ramona Wood, Mark Twain School, Learning Disabilities Resource Teacher; Viola Stanton, Melzer School, Team 6 Teacher, Melzer Resident; Community Services - Patti Roth, Glenview Park District; Robert Dannels, Golf-Maine Park District; Sue Rottet,

growing up in the 30's won an Academy Award for its star, Gregory Peck.

To complete National Library Week, the Library will entertain the whole family with "Lamb's Pet Day" on Saturday, April 8 at 2 p.m. Staff members from the Lambs Farm in Libertyville will bring some small animals and will discuss caring for pets at home. Children are welcome, but they are not to bring their pets!

MONACEP offers CPR session

An all-day workshop in Cardiopulmonary Resuscitation (CPR) (HEA E05-05) on Saturday, April 8, will be sponsored by MONACEP, the adult education program of Oakton Community College and the Maine and Niles Township high schools.

Marilyn Seitz, a registered nurse from Des Plaines, will introduce CPR techniques from 9 a.m. to 4 p.m. on the Oakton Interim Campus, Oakton and Nagle, Morton Grove.

Through lecture, demonstrations, and practice on mannequins, participants will learn to utilize the combination of artificial respiration and artificial circulation which has proved successful in saving heart attack victims.

The fee for this all-day program is \$10 which covers the expense of materials, room rental, and registration. The CPR session is co-sponsored by the Heart Association of North Cook County.

For further information, call the MONACEP office, 967-5821.

What all the hollering and cheering meant at the party headquarters was one group of guys beat some mavericks from their organization which had little chance of upsetting the entrenched Blasesmen.

Because Blase's Maine Democrats are the minority party in the township, which have few jobs and never seem to make any progress on the vote-getting charts, it's all a lesson in futility - except for the few guys who have to depend on Blase for their village or County jobs.

The one person who personally profits from all the work of these little guys are generally held in low esteem by the top man is Blase himself.

While everyone works their butts off for Blase, HE is the lone big winner. Being township committeeman in Maine Township has a minimum amount of prestige. It likewise carries little power. But where it counts, at the cash register, is where it is at for Blase.

While Blase's minions knock themselves out year after year for the man, HE is the guy who is running to the bank because of the elections. The big cars, the expensive home and the flourishing law practice are all due to winning elections.

All the platitudes this guy's spoken the past 17 years is first class hoke. The name of the game is filling the till. Every guy and gal who bust their butts for Blase get a minimum of thanks.

Nick counts those votes on the tally sheets, and on the large slate board, and then converts them into \$\$\$\$ \$igns.

Some months back a \$300,000 piece of Milwaukee ave. was sold. Nick was involved. Having the local boy as your attorney is always a good thing to do. If we can assume he received the appointment because of his political position it is understandable how those votes up on the tote board = dollar\$.

The little guys brag and cheer about their big victory on election night. They brought in their precinct 20 to 1 and they feel great. Nick treats them deferentially that night. Two weeks later he might not remember their names.

expect to earn during the year.

The corps is already committed to march down Michigan ave. during ethnic holidays, of Polish National Day May 6, Greek, German and Mexican Days and they expect to appear in competition at the Illinois State Fair.

Representative Day said the corps goal is a complete musical program for boys and girls beginning at the age of 8 and up to 21 years.

Tr. Richard Hartzak termed the presentation as an exciting potential for Niles worthy of further consideration. He looked for closer identification with Niles, concurring with trustees' caution toward corps finances.

Trustees Tuesday night continued action to April 11 on a Special Use petition by Schulte's Experimental, a tool and die company at 9201 Milwaukee ave. to construct a one-story, 12-ft. high addition to its present building for storage and ease in handling materials.

In the absence of Mayor Nicholas Blase, Mayor Pro-Tem Ralph Bast said the delay in action would permit trustees to view the site and look at a general plan of enclosure which was not submitted Tuesday evening.

Zoning Board commissioners recommended Feb. 6 approval of the re-zoning predicated on restriction for storage only; dedication of 50 ft. of Milwaukee ave.; and no more than 25 employees at one time.

In other business Tr. Hartzak stressed Tuesday April 4 for the first Open Forum to be held by the Beautification Committee on the Milwaukee ave. corridor; set for 7:30 p.m. at the Village Council Chambers, 7200 Milwaukee ave.

Hartzak urged attendance by the public for discussion and implementation to development and beautification planning.

Trustees referred to Administration for recommendation two bids on a rubber tire tractor/loader backhoe from Case Power and Equipment Co. of La Grange for \$35,512 less a trade-in of \$6,500 with a net price of \$29,112; and from Beer Motors of Mt. Prospect, Ill. of \$48,266, less trade-in of \$15,688, with net price of \$32,578.

Trustees unanimously approved changes to update the 1978 Zoning Map. Trustees also set May 1 thru May 7 as National Law Enforcement Week.

west end of M.G. where the land is unincorporated (and wants M.G. to annex that property), said that he feels a comprehensive zoning for M.G. is in order. He feels that even 20 units per acre may be low for that area.

Mr. Schmidt said he would like to see the M.G. professional staff do a study of the older section of town. Charles Sheek, Village Planner said that he also feels (as Mayor Flickinger) that the nine-month moratorium should be lifted tonight, but feels that 20 units per acre is too high. Mr. Sheek said he would be more satisfied with 18.1 units per acre. Then Sanford Gale, a resident who lives on Lyons in M.G., said he felt that 20 units per acre was much too high. He feels that even 16 units may be too high, and would like the density to be between 6 and 16. Dan Lenoble, an architect who has worked in M.G. for many years, said he feels that the proposal made as an amendment leaves a lot to be desired since it did not take into consideration the fact that as we leave the city the density is lowered. "The multitude of areas in M.G. cannot be covered by a blanket density zoning," he said. "No where has there been a suggestion to increase the number of bedrooms. When the old ordinance was passed schools were overcrowded and now they are closing schools due to lack of students. This changes things."

Mr. Lenoble also said that 2.2 parking spaces was not necessary for 2 bedroom units. He also said that the matter of height should be reviewed. With today's steel buildings he feels that a height of 47' or 48' is necessary. He said height should not be limited to feet but to stories. Another discussion followed these comments and then Atty. Ashman said that now we have on the books an ordinance allowing 36 units per acre. He warned we should lift the present moratorium or we may be faced with some developer who insists on building with 36 units to the acre. Snider's motion to approve the Plan Commission's amendment but with 16 units per acre was then passed.

Trustees gave their approval to a contract for Charles Conlon and Assoc. the architects who will do the remodeling of the Grove School for a fixed fee of \$135,000.00. Next on the agenda was the question of a Special Use for a change in zoning to allow the McDonald's Company additional parking near the property at 6309 Dempster that they are interested in. McDonald's experts have devised a traffic plan that they said should help any traffic problems that may arise from the increased number of cars caused by the opening of the facility. They said that left turns onto Dempster will not be permitted from the Calle exit of the property. In answer to Trustee Henrici's question, it was felt that about 150 more cars would be added daily to the traffic flow. Neil Cashman moved to give tentative approval to McDonald's for this change in zoning to accommodate the additional parking needed. The trustees voted in favor of this motion.

The owner of the American Taxi Company asked the board to approve a rate increase of 60¢ the first 1/4 mile and 10¢ each 1/6 mile. They service most of our neighboring and nearby suburban communities and said

that all others have given approval to this increase which they say is necessary due to increased insurance rates, etc. The increase would amount to an additional 5¢ on the first mile and 15¢ per mile after that. Trustees asked that this be tabled until they could study the matter further and asked that records to show the increased costs to the company be brought to the administrator for study. Fire Chief Huscher said that he would like the board to advertise for bids for a telephone alerting system with a portable tone vice activating system. This is provided for in the budget and the trustees agreed to do so. Bid opening will be on April 7, 1978. Martin Ashman said that as far as he can see there is no precedent established in any law books as to what to do if duplicate low bids are received. The best advice he could give was to accept the bid of the one who seems the most qualified.

Ron Henrici reported that from March 13-26 the Fire Dept. had 77 alarms. Mayor Flickinger said that he would like Chief Huscher to give a report on the cost of a paramedic program for our second fire station, because it is needed.

The Glenview Jaycees asked the board for permission to hold a carnival to benefit children of a Glenview School for retarded and handicapped so they can go to a summer camp for a week this summer. They want to have the carnival from May 26-29 on the property which is the vacant lot in the Golf View shopping center. It was learned that a Glenview Church denied this request and after hearing the negative opinion of Police Chief Glauner, the board voted to deny the request.

Loyola seniors named State Scholars

The Illinois State Scholarship Commission has designated 106 members of the class of 1978 at Loyola Academy in Wilmette as Illinois State Scholars. Local students are: Leon Henderson and Roland Mesa from Skokie. Thomas Fish and John Smith of Des Plaines and from Lincolnwood, Michael Fillipini, Daniel Simone and John Skowron.

presented on NBC on April 16 - 19 - 19.

3. Have official representation at the Open-Air Worship service at 3 p.m. on Sunday April 16 sponsored by the Niles Township Clergy Forum to be held in the Niles-West H.S. Stadium.

4. Wear the yellow Star of David arm bands as a badge of honor on any days of public counter-demonstrations. These would be provided, free of charge, by the National Conference of Christians and Jews.

5. On the day of the Nazi march, encourage the citizens of Morton Grove to wear the arm bands to work, to school and in their neighborhoods.

6. Offer assistance to the Skokie Village officials should the need arise.

7. Encourage the Morton Grove Library to participate in "Remembrance Week" with an exhibit and with books and pamphlets focusing on this historic period.

8. Contact the school superintendents in Morton Grove and encourage them to focus on the educational aspect of "Remembrance Week" in any way they may deem feasible.

We recognize the formidable problem that Skokie may have in dealing with a multitude of people so let the Morton Grove officials offer alternatives in this community for those who wish to demonstrate their concerns in visible and invisible ways.

professor, history; John Milkulski, associate professor, biology; Gene Carr, assistant professor, geography/geology; Michael Matkovich, assistant professor, physical science; and Jay Wollin, assistant professor, geology/earth science, and John Parsons, director of facilities.

The conservation area includes a small prairie along Central rd., a hardwood forest topping a knoll, a river floodway, and to the south, grassy meadow. The area will serve as a convent outdoor classroom.

The committee will continue its study of the campus site in order to develop an overall conservation plan.
