BUGLE SPECIAL COMMENTARY

Niles Drugs 'victims' hold paid receipts, but still owe bills

NI Gas unprepared for hearing action

by Diane Miller
The executives of Northern Illinois Gas Company have shown a serious lack of gas or steam, whichever is necessary to motivate some action in the case of approximately 50 people who paid their gas bills at Niles Drugs, 8001 Milwaukee ave.,

Niles, and which were subsequently not turned in to the gas company.
As previously reported in The Bugle on May 4, Edmund Laski locked up Niles Drugs late in January after becoming depressed with the downward trend of his business and left

town. Shortly thereafter, several Niles residents began to receive notices from Commonwealth Edison, Northern Illinois Gas and Illinois Bell Telephone stating their bills had not been paid. Slowly, but steadily, the phone calls from the irate residents began filtering into Frank Wagner, head of Niles Consumer Fraud Division.
On Feb. 10 Laski returned to Niles, told the police he would straighten out the utility files and assured them everything would be taken care of. On Feb. 15 he filed for bankruptcy and when the amount of complaints became too

large for Niles Consumer Fraud, they were turned over to the Illinois State's Attorney's office.
Gerald McNamara, investigator for the State's Attorney, told The Bugle facts on the case are being compiled and plans for a restitution hearing are being

Village raises legal drinking age to 21

Board ok's \$9.1 million budget

by Alice M. Bobula

The Niles Village Board approved a budget appropriation ordinance for 1978-79 totaling \$9,128,596, an approximate 4% increase over last year's budget at the meeting on Tuesday, May 23.
The budget increased \$351,305 over last year's appropriation. While budget decreases were reflected throughout, Village Manager Kenneth Scheel said a part of the increase was due to a 6% salary increase for village employees and attributed remaining increases to purchase of new equipment and increased costs due to inflation.
Scheel said \$25,000 would go to purchase of radar guns and mobile units for the police department; another \$25,000 is earmarked for a new diesel engine on one of the fire trucks.
He noted an increase in liability insurance (up \$180,000) and increased telephone services (which he said have gone up 200% in costs).
The village will also spend \$20,000 on roads, improvements.

From the LEFT HAND

by David Besser
Editor & Publisher

Northern Illinois Gas Company continues to blunder its way regarding its seeking duplicate payments from residents who have receipts of payment from an unauthorized agent of the company which allegedly never turned over the money to NIG.
Friday the company received a continuation of a hearing in Niles; after it was duly notified and after several senior citizens turned up to be witnesses.

In an unrelated news item this past week, NIG is seeking a 12.1% increase in rates to customers. They're asking for \$60,000,000 additional revenue in proposals which will appear before the Illinois Commerce Commission.

While the company is requesting \$6,000 from people who already have receipts of previous payment, they're seeking this huge increase which certainly may be needed.

The company's apparent disregard for public relations is incredible. While they quibble over \$6,000 on the one hand, the other hand is asking for \$60,000,000. Either somebody up on top is not paying attention or the company's cavalier attitude toward its customers smacks of benign neglect.

I wonder if the biggies on top realize a few letters to the ICC from disgruntled customers; and particularly a village of 32,000, might seriously jeopardize their quest for additional funds.

It all seems a bit absurd but perhaps these guys in the boardrooms of these monopolistic companies think they have the world on their own string. We think the only thing they have on a string is a bunch of Yo Yo's!
Continued on Page 30

No change in school closings

School District 63 Board President Larry Reiss told an audience of 35 people Tuesday there would be no attempt to change the board policy regarding the closing of Ballard and Wilson Schools. Reiss said

Village hours

The Niles Administration Offices will be open on Monday, May 29 and closed on Tuesday, May 30 in observance of Memorial Day.

VFW plans Poppy Day

Niles Memorial Post 7712, Veterans of Foreign Wars, and the Ladies Auxiliary will have their annual "Buddy Poppy Day" on Thursday, May 25.
The V.F.W. Buddy Poppy is assembled by disabled and needy veterans in hospitals throughout the United States. The men are paid a nominal fee for their work. The sale of the Buddy Poppy provides the local Post and Auxiliary with funds to carry out their work in the hospitals in their area and for the assistance they give to veterans and veterans' families in their community. A portion of the proceeds of the Buddy Poppy sale is also used to help in the support of orphans of veterans at the V.F.W. National Home in Eaton Rapids, Michigan.
Buddy Poppy sales honor the dead by helping the living.

Recognized for 20 years of service

Park Ridge resident Barbara O'Connell receives a pin marking 20 years of service to Central Telephone Company of Illinois from general customer services manager J. J. Kropid. O'Connell joined the company in 1958 as a service assistant and was promoted to chief operator in 1972. She currently serves as assistant manager customer services, Central Telephone Company of Illinois is a subsidiary of the Centel system which serves 1.7 million telephones in 11 states. Locally Central Telephone serves 161,000 telephones in the Des Plaines-Park Ridge area.

FNBS six month Certificate of Deposit

First National Bank of Skokie, Chicagoland's second largest suburban bank in deposits and 18th largest in the State, announced it will offer the new six month Certificate of Deposit authorized by the Federal Reserve Board and the Federal Deposit Insurance Corporation beginning June 1st.

The six month certificates will pay the same interest as six month Treasury Bills. Erman G. Kramer, Chairman and Chief Executive Officer, said the bank will make the certificates available in amounts of \$10,000 or more. The interest rate on these certificates will be set at the rate on the U.S. Treasury Bill auction the Monday prior to issuance of such certificates.

Kramer pointed out that the Monday, May 15th auction produced an average rate of 7.014% on six month Treasury Bills.

The federal bank regulators also will allow banks to offer an eight year Time Savings Certificate with an annual interest rate of 7 3/4%. Chairman Kramer said First National Bank of Skokie also would offer these certificates in amounts of \$10,000 or more beginning June 1st.

Free RTA reduced fare passes available

Glenview State Bank has been authorized by the Regional Transportation Authority to issue reduced fare passes to Senior Citizens, according to John H. Beaulieu, President. The passes allow the holder to ride for one half the usual adult fare.

Persons desiring the passes must apply in person at the bank's main lobby, 800 Waukegan

rd., on the first Friday or Saturday of each month. The person must provide proof that the applicant is 65 years old or over, such as a birth certificate, marriage license, insurance policy, military service papers, baptismal certificate, driver's license, citizenship papers, passport, etc. Medicare cards are not acceptable as proof of age. A

Social Security card or copy of the Social Security number and a recent one and one half inch square photo showing only head and shoulders must also be provided to obtain the pass.

Mrs. Marge Martin, Senior Citizen coordinator for the bank, will be available each month to assist those desiring this free service.

Dimension 60 Cinema attracts crowd

A crowd of 1,300 people attended the first Dimension 60 Cinema presentation hosted by Citizens Bank & Trust Company at the Pickwick Theater in Park Ridge. Those in attendance enjoyed "The King and I", free refreshments, organ music, and a raffle. This monthly movie series is one of thirty free services available to members of the bank's Dimension 60 senior citizens program.

Special two-for-one offer at First Federal of Chicago

All 24 Chicagoland offices of First Federal of Chicago are offering two adult tickets for the price of one to Marriott's Great America with a deposit of \$250 or more.

"In addition, customers who deposit \$500 or more in a new or existing savings account can buy four adult tickets for the price of two," said Marilyn R. Hopkins, vice president of advertising and public relations at First Federal. The special offer from First Federal is good through Monday, July 10. Tickets must be used on or before Aug. 1, 1978.

"We're delighted to be able to offer these tickets to our customers at a reduced cost," said Ms. Hopkins. "The half-price ticket arrangement is a good bargain. And we think our savers and borrowers will really appreciate the family-oriented entertainment at Great America."

Regular adult admission tickets to Great America are \$8.95, plus 15¢ tax per ticket. First

Bank offers two new deposit plans

John H. Beaulieu, President and Chief Executive Officer of the Glenview State Bank, announced today that effective June 1, 1978, the bank will be offering two new deposit plans to its customers.

One plan will offer an eight year Certificate of Deposit with an annual interest rate of 7 3/4% with a minimum deposit of \$1,000.

The second plan, and probably the most revolutionary, is the new Glenview State Bank "Advantage Certificate". A six month Certificate of Deposit issued in minimum denominations of \$10,000. The yield will be based on the previous week's auction rate on six month Treasury Bills. The rate will prevail for the life of the certificate. All rates will be posted daily on the bank's money market board in the main lobby.

Maine East Junior Prom

Maine East juniors will hold their prom, entitled "Somewhere Over the Rainbow," in the Maine East cafeteria from 8-11 p.m. on Saturday, May 27.

Music for the semi-formal dance will be provided by "The Sneakers."

The cost to "Somewhere Over the Rainbow" is \$3 per couple.

In addition to use of the cafeteria, the Class of '79 will also be dancing and enjoying, weather permitting, the decorated patio area adjoining the cafeteria.

Podiatry student

Robert Irwin Epstein, son of Daniel and Janice Epstein of 8935 N. Marion, Morton Grove, has been accepted at the Ohio College of Podiatric Medicine in Cleveland. The college offers a 4 year curriculum leading to the degree of Doctor of Podiatric Medicine (D.P.M.). Many graduates continue on for residency programs in specialties such as foot surgery, orthopedics, and dermatology. Classes for first year students begin September 7.

The Epsteins have been residents of Morton Grove for 20 years.

OCC Starving Artists Arts & Crafts Fair

Community artists and crafts people are among the 125 exhibitors in the annual Starving Artists Arts and Crafts Fair at Oakton Community College, 7900 N. Nagle, Morton Grove. The Fair will be held from 11 a.m. until 5 p.m. Saturday, May 27 and Sunday, May 28.

More than 10,000 handcrafted items will be on sale at \$35 and under on Oakton's Interim Campus over the weekend. Exhibits will include paintings, lithographs, photography, on-the-spot portraits, jewelry, pottery, wood carvings, macrame and leather work.

Artists from as far away as Peru will be joining local artists. The Peruvian exhibitors, dressed

in their native costumes, will demonstrate the art of gourd carving. Other exhibitors have traveled from as far away as Florida and California to participate this year.

A special area designed "for children" will also be part of the larger fair. In the Children's Art Fair, young people can make their selections from a special grouping of works created by the fair's artists and craftspeople. Everything in this area will be priced at \$3 and under.

The arts and crafts of the following local community residents have been juried into this year's fair:

From Des Plaines: Charles and Clay Anderson, Graphics; Cal

Bonnivier, Oils, Woodcuts; Elvira Campbell, Japanese Ink Painting; Charles Kulosa, Metal Sculpture; and Thelma C. Spin, Watercolor.

From Lincolnwood: Christine Patterson, Fur Animal Puppets.

From Morton Grove: William G. Kogler, Metal Sculpture; Larry Mitchell, Chicago Photography; Judi Siegal, Macrame Plant Hangers; Joan Stakstrom, Jewelry; Helen Van Tempera, Figure Drawing; and Alice Wolin, Jewelry.

From Niles: Elaine DeVreis, Gift Items; Frank Mueller, Wooden Ships; Bernard Satinover, Wood; and Mark Young, Watercolor.

GET TWO TICKETS TO GREAT AMERICA FOR THE PRICE OF ONE... FROM THE FIRST FEDERAL OF CHICAGO BRANCH NEAREST YOU.

First Federal of Chicago is now sponsoring Sky Trek Tower, the breathtaking aerial ride at Marriott's Great America.

So, to celebrate, they're offering Great America tickets until July 10... two adult tickets for the price of one, that's \$8.95 plus 30 cents tax, when you deposit \$250 or more in any First Federal savings account.

Or, deposit \$500 or more and get four tickets for the price of two—that's four Great America tickets for \$17.90 plus 60 cents tax.*

Stop in at the First Federal of Chicago branch nearest you and pick up your tickets. Buy one, get one free. Buy two, get two free...

from First Federal of Chicago. Tickets are good until August 1st, and each ticket entitles you to take the rides, watch the shows and visit all the shops and visit the family entertainment center in the Midwest. So get your tickets today. You don't have to save a lifetime to have a good time now.

*Offer good through July 10, 1978. First Federal reserves the right to modify or draw this offer at any time without notice. Offer is limited to one pair of promotional tickets per family with \$250 deposit; two pairs of promotional tickets per family with \$500 deposit. Passbooks must be presented when purchasing tickets. Tickets are not refundable and are good through August 1, 1978 only.

NI-Gas poster contest winner

Erik Anderson, a fifth grader at Merrill School in Park Ridge, received a cash award for his winning entry in NI-Gas' Energy Poster Contest. School principal Lloyd Paulson (left) and Erik's teacher, Leslie Norman (second from right), accepted a trophy on behalf of the school. Joseph Kaltwasser, NI-Gas northern division sales manager (right), presented the awards.

District 64 absentee ballots

Those residents of Community Consolidated School District 64 who will be out of Cook County on the day of the referendum election, June 6, 1978, and wish to vote in absentia may obtain an absentee ballot from the Board of Education office.

June 1, 1978 is the last day to make requests for absentee ballot by mail. June 5, 1978, is the last day to request an absentee ballot in person.

All requests for absentee ballots should be made to the Secretary of the Board of Education, Educational Service Center for School District 64, located at 164 S. Prospect ave., Park Ridge. The Educational Service Center will be open from 8:30 a.m. to 4:30 p.m., Monday through Friday. The office also will be open on Saturday, June 3, 1978, from 9 a.m. to 3 p.m. For further information, call 823-1141.

Motor Club essay winner

Maine East senior Sheila Finnegan of Niles is congratulated for her winning essay entitled "Teen-age Traffic Accidents: How Can the Record Be Improved?" (l-r) Mr. Tom Holsten, Maine East drivers education department Chairman; Mr. Don Reynolds, of the Chicago Motor Club AAA of the Des Plaines office presents \$25 savings bond to Sheila for her winning essay, and Mr. John Clouser, Maine East principal.

Maine East senior activities

Weeks ahead will be hectic for Maine East seniors so here are a few dates to keep in mind.

From tickets will be on sale May 22-28 during the lunch periods by the bookstore. The prom, entitled "The Best Is Yet To Come", will be at the Arlington Park Hilton on Friday, June 9 from 6:30 p.m. until midnight.

Twenty-six dollars per couple includes dinner, five hours of continuous music and dancing, and pictures taken by a professional photographer.

A number of awards (Good Will, D.A.R. and S.A.R.) will also be presented at the June 1 senior honors assembly.

Then the inevitable - senior finals. Monday, June 5, science, English, industrial education and foreign language; June 6, math, social studies, and business education; and June 7, music, home economics, and art.

In addition to prom, Commencement rehearsal is June 9, beginning at 7:45 a.m. in the auditorium. Caps and gowns will be distributed, along with the Pioneer senior issue, in the fieldhouse following the rehearsal.

Then the day that all Maine East seniors have been waiting for - Commencement on Thursday, June 15. Graduates should report to the auditorium by 6:30 p.m.

Maine North senior activities

Maine North seniors are looking forward to a flurry of senior activities within the next few weeks.

The week of senior activities begins on Thursday, June 8 with the Senior Awards and Honors assembly at 8:30 a.m. in the Spectator gym. Immediately following the assembly seniors will breakfast at Brigante's.

The Chateau Ritz in Niles will be the scene of the Senior Prom on Friday, June 9 from 8 p.m. to 11:30 p.m.

Baccalaureate will be held on Sunday, June 11, at 8 p.m. in the school's theatre.

Commencement on Thursday, June 15 at 8 p.m. in the spectator gym will climax the week of activities.

District 67 school board seeks guidance on closing

District 67 Board Members have evaluated enrollment and financial projections for over a year.

It was concluded that either Hynes or Golf will no longer be maintained as a school beginning September, 1980.

The District will secure educational planning advantage with an early decision on which school to close. Ample lead time will also provide better opportunity to find use for the closed school. A decision will be made this fall.

Communications from all members of the school

community on pros and cons of which school to close are encouraged. The Board invites letters. The public is encouraged to speak at Board Meeting (2nd Thursdays). Public meetings devoted to the closing issue will be arranged in September.

It is intended that the Board get every shred of information supporting one school or the other. Identification of the "closed school" is not obvious. The determination will not be welcomed by everybody.

The Board wants to weigh every factor before the scale is tipped in favor of either building.

District 63's Lenore Page named "Boss of Year"

Lenore Page, Assistant Superintendent for Instruction, East Maine Public Schools, was named "Boss of the Year" at the Seventh Annual Boss of the Year Banquet, sponsored by the North Suburban Association of Educational Secretaries and Supportive Personnel. This event was held on Wednesday evening, May 17, at the Nordic Hills Country Club, Itasca. An engraved plaque commemorating the occasion was presented to her by Kathy Zyrkowski, past president of the association.

The winner of this award is

selected from entries submitted by individual secretaries in which their boss is rated on personality, management, civic activities, education, and information given in a short essay describing their boss' qualifications for the Boss of the Year award. The winning entry was submitted by Lee Green and Norma Schultz.

Upon receiving this award, congratulations were extended to Mrs. Page from administration, faculty and staff of East Maine School District 63 as well as from administration and staff of the twelve North Suburban member districts.

LETTERS to EDITOR

Need less government and less taxes

Dear Sir:

As the cost of our necessities of life keeps going up and the President and his bureaucratic underlings tell us the cause of inflation is American business and labor, I pause to reflect on the latest "tight" Federal budget - which includes a 63 billion dollar deficit.

When this deficit is monetized - converted into more paper dollars - the value of the dollar will shrink even more. There is a very good chance that if the Carter economic program isn't stopped, the dollar will become worthless.

Just a few years ago, the Federal Government imposed the fraud known as Wage and Price Controls. The predictable result was a disruption of our economic system, more government deficits and more inflation.

Don't cry to your grocer or

Cornell social groups

Seventy-three men and forty-four women have accepted spring bids to join the nine local social groups on campus. Included were: Les Goldstein, son of Mr. and Mrs. Marvin Goldstein, 9011 Clifton, Niles and David Sacks, son of Mr. and Mrs. Philip Sacks, 7911 N. Kilbourn, Skokie.

those that provide service. Write your elected representatives at all levels of government and tell them that you want less government and less taxes now. The result of inaction on this issue could cost you dearly. Yours truly, (Mrs.) Gene Zaprzalka Niles, Ill.

STATE FARM INSURANCE COMPANIES
HOME OFFICES: BLOOMINGTON, ILLINOIS

Turn your home into an energy conservation machine.

With a heat pump.

Instead of burning scarce fuels, the heat pump uses electricity to capture heat from a limitless energy source: The sun. It's the most practical, efficient heating and cooling system you can install today. And it's dramatically changing the way we use energy.

Turns heat energy outside in and inside out.

The same principle that makes the heat pump work is already at work in your home inside your refrigerator. In fact, a heat pump is a lot like a refrigerator.

There's an indoor unit that consists of a coil and fan. There's an outdoor unit that consists of a coil, fan and compressor. Piping connects them. Inside the system, a refrigerant circulates, "carrying" the heat from inside out and outside in.

Even on the cloudiest, coldest day of winter there's still solar heat in the air. The refrigerant in the outdoor coil absorbs this heat, is compressed and pumped inside. The heat comes out, keeping you warm.

In summer, the process is reversed. Warm air inside the home is blown over the indoor coil. The refrigerant absorbs this heat, is pumped outside, then condensed. The heat comes out, leaving you cool.

The amazing heat pump is installed on the outside of the home and is about the same size as a conventional central air conditioning unit.

No matter how the temperature changes, the heat pump automatically makes the necessary changes to keep you comfortable. And the unit filters the air and dehumidifies, too.

Produces more energy than it uses.

That's why the heat pump is a real energy conservation machine. In a typical Illinois winter a heat pump provides at least 1.5 units of heat energy for every equivalent unit of electricity it uses.

Unlike systems that merely use up energy to make heat, the heat pump uses electricity to produce more energy than it uses. It's this extra energy bonus that makes the heat pump a smart investment.

The initial cost is a little higher. But the operating cost is lower. So in the long run, the heat pump can help you save.

How to get one.

You can often replace your present system with a heat pump. Installing a heat pump in a new home is even easier.

Either way, it's important to get a quality product and have it properly installed and serviced. For the names of qualified installers in your area, call General Electric Co. (312) 374-4411; General Electric Co. (312) 496-6200; Lennox Industries, Inc. (312) 593-2820; Temperature Equipment Corp. (Carrier Distributors) (312) 681-6220; or Central Furnace Supply (Bard Distributors) (312) 355-1220.

We'd like to help. Call your local Commonwealth Edison office and talk to one of our marketing engineers about your plans.

The electric heat pump - one more reason electricity is the Conservation Energy.

Variety Club award

Variety Club president Edythe Stein (left) of Niles, presents the Tent-line Tribute Award to past president Lyn Nassan in a special ceremony during last month's meeting of the board of directors. The plaque is a descriptive record of Lyn's outstanding accomplishments attained through her magnificent leadership, in helping raise over \$28,000 and capturing 1st place in Variety Clubs International 1977 Achievement Awards. Lyn served as president for an unprecedented three years (1975-75-77).

Skokie Federal features "Man of La Mancha"

Skokie Federal Savings' 1978 Monthly Movie Matinee program will continue on Thursday, June 1 with the showing of "Man of La Mancha" starring Peter O'Toole and Sophia Loren at the Old Orchard Theatre, 9400 Skokie Blvd. As always, the feature will begin at noon, and there will be door prizes handed out to five lucky patrons. Last month's showing of "Hello Dolly" drew over 670 people, and Skokie Federal vice president Kevin Tynan anticipates that at least that many people will come to see "Man of La Mancha". Tickets will be available at the door for 60¢ and special group rates are available by calling Skokie Federal's main office, 674-3600, ext. 118.

"Lunching" trip

Skokie Park District invites you to join them on a day trip to see "Lunching" the adult comedy at Drury Lane Theater in Water Tower Place on Wednesday, June 14. The trip will depart from and return to Oakton Center, 4701 Oakton St.

The bus will leave at 11 a.m. arriving before noon at Water Tower Place. The performance begins at 2 p.m. so two hours of shopping or lunching is scheduled.

The cost of the trip, which includes transportation and the "best seats in the house" is only \$8.75. Registration must be received no later than noon on Wednesday, May 31. Registrations are accepted at Oakton Center.

You don't want to miss this contemporary play about two couples, one living in Lincoln Park and the other in Northbrook. "Lunching" was written by Alan Gross a former Skokie resident. The play will leave Chicago for Broadway in July.

For details, call 674-1500, ext. 41.

Metropolitan Youth Symphony concert

The Metropolitan Youth Symphony Orchestra, now in its 19th year and considered to be the finest Youth Orchestra in the country today, will present its final Concert of the season on Friday, May 26 at 8:15 p.m. in Orchestra Hall, Chicago. The Orchestra is under the direction of Mary K. Rosen, DePaul University faculty member.

The Metropolitan Youth Symphony Orchestra is a non-profit, non-sectarian group and is composed of 110 college and high school age music students who reside in all sections of Chicago and out-lying areas. They rehearse every Sunday in downtown Chicago, and are thus given the opportunity to play

challenging symphonic music in public under professional leadership. The many members of the Orchestra have won special honors in the field of music. Members who reside in this area include: Michael Shlemon, Niles, violin; Debbie Ziegelski, Niles, viola; Lawrence Bruhn, Glenview, violin; John Martin, Skokie, bass; Judy Fouty, Niles, oboe; Philip D'Ascenzo, Niles, cello; conductor and director Mary K. Rosen, Skokie.

Tickets are on sale through members of the orchestra or may be purchased at the box office for \$3 each or \$30 a box. For additional ticket information please call Mrs. Leanord Reimer, 647-7294 after 6 p.m.

Senior Citizens movie

Senior Citizens can enjoy a specially selected movie the first Thursday of every month at the Nickelodeon sponsored by Unity Saving's Third Phasers Club.

"Carbaret" starring Liza Minelli and Joel Gray is the full length movie for June. Presented at 9:30 a.m., June 1, at the

Norridge Theatre, 4520 N. Harlem ave., admission is only 5¢ with free tickets from Unity Savings, 4242 N. Harlem, Norridge.

More than 1500 people attended last month's showing of "Finian's Rainbow" so hurry in for your free tickets now!

Last chance to see "Night Music"

Final performances of Des Plaines Theatre Guild's production of A Little Night Music will be Friday and Saturday, May 26 and 27, at 8:30 p.m. in Guild Playhouse, 620 Lee St., Des Plaines. Tickets may be reserved by calling the box office, 296-1211, after 12 noon, or purchased at the door.

The Stephen Sondheim musical has been playing to audience and critical acclaim since May 5, under the direction of Lynn Jessen of Arlington Heights, and John Van Hook of Schaumburg, choral and orchestra director.

The musical closes DPTG's 32nd consecutive season of community theatre. Five

productions have been presented during 1977-78, and five more have been announced for the 1978-79 season, for which subscriptions are now being taken. Open tryouts for the opening-musical Camelot will be held on Sunday, June 4 at 1:30 p.m. and Monday, June 5 at 8 p.m. at Guild Playhouse.

In addition, a summer offering will be the Gay 90's melodrama, with music and vaudeville acts, title Dirty Works at the Crossroads. This will be presented under the direction of Ed Sauer on July 14, 15, 21 and 22.

DPTG's 33rd consecutive season, beginning in September, will include Camelot, Equus in November, Pygmalion in January, Thurbur Carnival in March and Naughty Marietta next May.

For information about the current or upcoming attractions at Guild Playhouse, call 296-1211 between noon and 8 p.m. daily, or write Des Plaines Theatre Guild, P.O. Box 84, Des Plaines, IL 60017.

Carmilla

Carmilla, a classic vampire tale with subtle humor, elegant eroticism and all the Gothic trappings opened at Wisdom Bridge Theatre on May 24 and runs until July 2. Based on a Victorian novel by Sheridan LeFanu, this Gothic thriller will be directed by Aubrey Berg.

Performances are Thursday, Friday and Saturday at 8:30 and Sunday at 7:30. Admission is \$4 on Thursday, \$5 on Friday and Saturday and \$4.50 on Sunday. For information and reservations call 743-6442.

Entertainment Guide

Seek artists and craftsmen

Artists and craftsmen are invited to apply for exhibition at The Third Annual Arlington Heights Festival '78 Art Fair, to be held July 1 and 2 at Recreation Park in Arlington Heights.

Accepted media will be fine arts and original crafts. Promotion will stress "affordable art," with most items priced at \$35 or under.

The fee for entry in the Art Fair is \$20 for two days. Information may be obtained from Lou Walton, Arlington Heights Festival Committee, 1612 N. Douglas, Arlington Heights, 60004 (392-9415).

TM program

A free public lecture on the Transcendental Meditation program will be given at the Des Plaines Public Library on Tuesday, May 30 at 8 p.m.

Ice Extravaganza

The Skatium of Skokie Park District announces that tickets for the 5th Annual Ice Extravaganza Ice Show "Potpourri On Ice - A Little Bit of This... A Little Bit of That" are now on sale at The Skatium, 9300 N. Bronx and at Devonshire Center, 4400 Grove, Oakton Center, 4701 Oakton and Laramie Center, 5251 Sherwin.

The show will be presented by over 300 skaters on Friday, June 2 at 7:30 p.m., Saturday, June 3 at 2:30 and 7:30 p.m. and on Sunday, June 4 at 1:30 and 6:30 p.m.

Ticket prices are \$2.50 for all evening performances, \$2.50 for adults and \$1.50 for children and Senior Adults at the Saturday matinee and \$2.50 for adults and \$1.50 for children at the Sunday matinee.

The Skatium is located at 9300 N. Bronx, just west of Gross Point rd., just north of Church st.

MONACEP boat tour

MONACEP's popular "Seaport of Chicago and River Trip" (SOC E06-02) will be held on Saturday, June 3, from 8:45 a.m. to 4 p.m.

Experts on Chicago's architecture, history, geography and politics will speak throughout the day as the boat sails on Lake Michigan, the Calumet, Little Calumet, and Chicago Rivers, the Cal-Sag Canal, and the Sanitary and Ship Canal. The heated boat, protected by transparent roof and sides, will travel on about 60 miles of interesting waterways.

An orientation session for those planning to take the boat trip will be held on Wednesday, May 31, at 7:30 p.m. at Maine North High School, 9511 Harrison, Des Plaines.

The fee for the all-day guided tour of the Chicago seaport area is \$20 for both residents and non-residents of the MONACEP district. MONACEP is the adult education program of Oakton Community College and the Maine and Niles Township high schools.

For further information, call 967-5821.

Sanctioned Open Tennis Tournament

Skokie Park District invites all age tennis players to register for the June 10 through 18 Sanctioned Open Tennis Tournament to be held at Oakton Park.

The tournament will be open to residents as well as non-residents with age divisions of boys and girls 16 and under singles and men and women singles.

Registration is \$2.50 per person plus one can of USTA approved tennis balls.

All participants must also be current members of the U.S.T.A.

Registration is currently being taken at Devonshire Center, 4400 Grove st. Deadline for boys and girls is June 7 and June 14 for men and women.

Trophies will be awarded to winners and runners up.

FNBOs helps make beautiful music

Thomas Monahan, President of the 250 million dollar First National Bank of Skokie, presents the bank's check to Sidney Epstein, Chairman of the Corporate Development Fund of the Orchestral Association and Albert Zale, a Governing Member of the Chicago Symphony Orchestra.

Support from community businesses allows the Orchestra to present concerts of the highest artistic standards in Orchestra Hall and also to extend their activities into the community through education programs for students and senior citizens.

Testimonial Dinner to honor Vic Bernstein June 20

Vic Bernstein, 10117 Cherry pkwy., Skokie, a Past Chief Barker of the Variety Club of Illinois, the show business organization helping children in need, who also doubles as Midwest Manager of American International Pictures, will be

honored by the Amusement Division, State of Israel Bonds, at a Testimonial Dinner, Tuesday, June 20 at the Continental Plaza hotel. The Prime Minister of Israel Medal will be presented to Vic, one of Variety Club's most admired and respected leaders.

Henry Davis heart research foundation elects new officers

Henry Davis "400" Heart Research Foundation this week announced the election and installation of its new officers for 1978-79. The fund-raising organization, an affiliate of Mount Sinai Medical Center, Chicago, maintains and equips the Henry Davis "400" Heart Station in the medical center, where world recognized diagnostic and surgical techniques have been developed.

The new officers were installed, Sunday, May 21, by Judge Bernard Wolfe, a longtime member of the organization, at a dinner meeting held in the North Shore Sheraton Hotel, Northbrook. The roster of new Henry Davis "400" officers include: Abe Cohen, Mount Prospect, president; Lou Gould, Chicago, Exec. V.P. Membership; Dave Gold, Skokie, Exec. V.P. Ways & Means; Eva Dolin, Niles, V.P. Liaison. Other vice presidents installed include: Bernard Balter, Skokie; Morris Rohm, Niles; Michael Pines, Des Plaines.

Judge Wolfe also installed Julius Yelner, Skokie, as Treasurer; Harriet Burnes, Chicago, Financial Secy.; Shirley Levin, Skokie; Corr. Secy.; Pauline Jacobs, Chicago, Historian; Edythe Yelner, Committee Secy. Nathan Mansfield of Mount Prospect is Chairman of the Board.

ED HANSON

"It's the truth..."

I don't wish to alarm you but a recent study made shows that not reading this column can cause cancer.

I don't wish to alarm you but you've only got until June 10 to take advantage of the super low priced transmission and engine tune-up offered by United Transmission Corp., 7460 N. Milwaukee ave., and 2748 N. Kedzie, Chicago.

The transmission tune-up which includes an oil change, adjustment, gasket, labor and filter is only \$24.50. And United Transmission Corp.'s offer on an engine tune-up for 6 cyl. cars is only \$21.50, plus parts; 8 cyl., only \$29.50, plus parts.

I don't wish to alarm you but if you don't take care of your car, it can cause your car to have cancer. So, even if your car's in such bad shape it has to be towed, get it over to United Transmission before June 10 and let 'em put your car back in shape. In Niles call 647-8989 and ask for last year's "Mechanic of the Year" - Sonny!

A recent study made shows that people who love pizza live 30 to 40 years longer than people who don't. At a recent pizza eating contest held in L.A., the three top winners were ages 90, 100 and 110 respectively.

Whether you like thin crust pizza or pan pizza, the best pizza in town is made by the Niles House of Pizza, 7560 N. Milwaukee ave., Niles. In this issue is an ad for the Niles House of Pizza which, if you bring in to them, will entitle you to a free 6-pack of Coca Cola with the purchase of any 14" pan pizza.

You can depend on the deliveries when you order from the Niles House of Pizza because they're dependable! This is more than I can say for some of the other pizza purveyors in this town. On three different occasions I ordered a pizza from a certain place and three times I didn't receive my order. The Niles House of Pizza is very dependable. Sam, the owner, will deliver it himself if he has to! They also have other great tasting Italian foods for your enjoyment.

Each week as you may have noticed from reading the ads, The Backroom of the Hi-Way Club, 7620 N. Milwaukee ave., Niles, features a weekly special. Last week I enjoyed their stuffed trout for only \$4.95. Each week you'll see a weekly special in their ads and you can get a free small carafe of wine if you dine there on Monday, Tuesday or Wednesday with dinner for two.

By the way, Florence Fisher, who owns The Backroom, has been in business here in Niles for more than 25 years. She has developed The Backroom and Hi-Way Club into a very successful enterprise, through hard work and long hours of dedicated effort. She deserves a lot of credit for her efforts.

As I write these lines, the Cubs today (Tuesday) are opening a series with the Phillies. The Phillies should sweep it. If the Cubs should sweep this important series of games, then the Cubs will have a good chance to finish second from last in their division.

A recent study made shows that people who regularly play horses are not as prone to get cancer as those who don't. So beat cancer - play the horses. Remember, it's better to be broke than to get cancer.

"Affirmed" will win the Triple Crown! By the way, if you can't get to Arlington or Sportsman's, the Triple Crown, Harlem and Milwaukee, Chicago, will get 'em to the track for you.

Western Messenger Service, on Higgins just east of Harlem, is another reliable place to take your action if you can't get to the tracks. Nice people...

Why is the wrong phone number never busy?

Mid-Way Furnace & Air Conditioning phone number was goofed up by the "Yellow Pages" they tell me. Their correct phone number is 966-3056. Give 'em a ring if you need air conditioning - new or a repair job - be dropping their showroom at 8109 N. Milwaukee ave., Niles. See their large ad on page 21. It tells how to enjoy the hot, humid summer days ahead. All their work is guaranteed and they service what they sell.

Let Mid-Way Furnace & Air Conditioning keep you cool this summer...

See you next week...

Mallinckrodt College graduates

The following 1978 Mallinckrodt Legal Assistant Program graduates were honored at a Paralegal Recognition Day ceremony held at the college recently. Each graduate was presented a small gift together with best wishes from the college administration. Local graduates included Patricia Dulen and Linda Stephens both of Niles.

Entertainment Guide

"Saturday Night Dive"

"Saturday Night Dive" takes place every Saturday night at Mayer Kaplan JCC, 5050 Church, Skokie. Designed as a meeting place and recreation lounge for people in their twenties, the "DIVE" happens from 9 p.m. to midnight.

Racquetball, volleyball, swimming, backgammon, ping pong, music, beer, wine and munchies are offered for the price of \$3 (\$1.50 for JCC members). Call 675-2200, ext. 235 for information.

Summer disco dancing classes

Orchard Association for the Retarded/Orchard Village will be conducting classes for Disco Dancing at Congregation Kol-Emeth, 5130 Touhy, Skokie, starting Tuesday, June 6.

There will be three 50 minute classes, 7:00, 8:00 and 9:00 p.m. which will meet for eight consecutive weeks. Each class is limited to fifty persons.

All monies received for these lessons will benefit Orchard Village.

Teachers are Jim Mullen and June Adams. The price for these lessons is \$40 per couple, or \$25 single person, which is tax deductible.

For registration and further information, call Orchard Village at 967-1800, or to register by mail just send in your name, address, phone number and class time you prefer to: Orchard Village, 7670 Marmora Manor, Skokie, IL 60077.

Checks payable to Orchard Village. Reservations will be confirmed.

Park Ridge Legion - VFW Memorial Day parade

Commanders Frank O'Keefe of the Veterans of Foreign Wars Post 3579 and Bill Wedderspoon of Mel Tierney Post 247, the American Legion, jointly announced that at least 55 units would participate in the annual Memorial Day Parade in Park Ridge. The parade is sponsored by the Veteran's Memorial Day Association of Park Ridge, comprised of representatives of Mel Tierney Post 247, the American Legion, and Veterans of Foreign Wars Post 3579 of Park Ridge.

Musical units in the parade will include the Park Ridge Cavaliers Drum and Bugle Corps and the Cavalier Cadet Corps, the Maine East and Maine South High School Bands, the Lincoln and Emerson Junior High School

Bands, the District 64 Concert Band, and the Northwest Parochial Combined Bands. Veterans units will include the Veterans of Foreign Wars and the VFW Auxiliary, the American Legion and Legion Auxiliary, Maine Barracks 377 of World War I Veterans, State Officials of the Veterans of Foreign Wars and representatives of the Grand Army of the Republic.

The Memorial Day Parade will step-off at 9:30 a.m. on Tuesday, May 30. The parade begins at Talcott and Cumberland in Park Ridge, proceeding north on Cumberland to Prairie, Prairie to Main st. (1/2 block south of Touhy ave.), then proceeds southeast on Main st. past the reviewing stand at the Park Ridge City Hall.

From the LEFT HAND

Continued from Page 1

When Niles Village Clerk Frank Wagner was elected, he kept his vow to reduce the clerk's job from a \$10,000 a year job to one paying \$2,400.

Frank, who wears two hats in the village (3, 4 or 5 would be more accurate), also serves as director of police records for which he receives \$22,932.

Last week's Police Management Report recommends elected officials should not be involved with the Police Department, causing Frank and the village trustees a genuine dilemma.

Frank has served on the Police Department since 1951. He has been an aide to the chief, a dispatch clerk, a radio operator and more recently keeper of the police records. Based on this 27 years of experience, his primary interest is in the Police Department.

As Village Clerk he says he spends a minimal of time. However, Frank's "minimal" may seem like many of our "maximums". He's in his offices nights. He's down at the hall on Saturday overseeing his highly successful Consumer Fraud Division. And he does a little bit of night work, or Sunday work, publishing the very excellent Niles Village Progress Report.

The management report seeks to devoid elected officials of interfering with the operation of the Police Department. Since the elected Village Clerk collects money for parking tickets down the hallway from the Police Department, the management firm thought parking tickets should be handled in the Village Administration Offices four blocks north of the Police Department.

Frank contends the management firm does not understand Niles. He said the firm would prefer the policemen address public officials as "Mr." and no longer have a buddy-buddy relationship with the elected men. But Frank thinks this is absurd since many of the men have known each other on a personal basis for many years.

Niles Village President, Nick Blase, disagreed with the management report regarding the village clerk. He said he did not see the conflict they saw.

The parking ticket operation has already been transferred to the administration building. Frank noted 90-95% of all "P" tickets are paid by check or mail and all payees receive receipts.

Wagner's almost \$23,000 salary is comparable to a lieutenant's pay with the seniority Frank has. Matter of fact, Frank replaced a "loonie" when he took over the records job.

Wagner, like Blase, does not feel there is any conflict in his dual role.

There's little doubt Frank would likely have to give up his elected position if the salary disparities remained and the Village Board agreed with the management report.

Frank has served the community well. No one foresaw his dual role being a conflict. But in correcting flaws in the village, Frank may suffer because of the faults of other officials. Because of abuses by others, Frank is likely to give up one job.

Like a negative, which slowly develops, the image of the problems in Niles Library District are slowly making a more positive impression.

Older board member Marty Hodes points to the employees of the district for many of the problems reported in recent weeks. Hodes contends there has been a malaise within the library buildings which has resulted in employees having a very casual attitude toward their work. He said the newly-hired librarian, Edith Jackson, has been attempting to correct the waywardness of the employees.

Hodes suggests it was the employees themselves who supported the new board members. Thus, he leaves little doubt the confrontations between the librarian and the employees stems from her attempt to run a ship which is sounder and more economical. Instead of employees reporting an hour earlier, he thought they should work during hours the library is open.

The second confrontation is between the new and older board members. The older guys and gal support its newly-appointed librarian, and contend the employees are giving Jackson a hard time because they prefer the casual operation of the library remain as it was under long-time librarian Allen. The newer board members are supportive of the employees and believe a more open operation is beneficial to the community.

Mrs. Jackson, who seems to be caught in the middle, is her own worst enemy. She called us from New York sometime back and directed us to keep her name out of the paper. Previously, she had telephoned us on two occasions with requests which we thought were most unusual.

The lady librarian is an emotional gal. Her confrontations with her employees we're sure could be lessened if the library board sat down with all the library employees and explained what changes they desire to take place.

The librarian is merely the front gal for the library board, just as a school superintendent carries out the policies of the school board. Rather than continue a no-win policy, the board should sit down and spell out what needs to be done, keep the channels open thru the grievance committee, and emphasize the role the librarian plays.

Having a political battle on a library board borders on absurdity. And having the stresses and strains among well-meaning personnel is to no one's benefit.

The 4-3 split on the library board is likely to remain for sometime if board members choose up sides. Such tactics may represent their own feelings but certainly not those of the community. Since they all represent the entire district, we would hope they would work in concert. The present cacophony coming from the Oakton Street bookie isn't music to anyone's ears.

State Police alert drivers to slow moving vehicles

The advent of spring brings a different hazard to the motoring public; the slow moving vehicle. Farmers moving machinery from field to field and highway crews operating road building and maintenance equipment travel at speeds far less than cars and trucks. To help reduce this hazard, motorists should be alert for the SMV (Slow Moving Vehicle) Emblem. The SMV is required on all farm tractors and implements of husbandry, special mobile equipment and yes, even animal drawn vehicles when used on any public road in Illinois.

According to Captain Burt, District 3 Commander, the Emblem, composed of a fluorescent yellow-orange triangle, with a dark red reflective border, is to be mounted with the point up, and must be from 4 to 12 feet above the road surface. "Our troopers have found the Emblem on mailbox posts, fence gates and as driveway markers," Burt said. Because such use tends to defeat the purpose of the SMV Emblem, the Illinois General Assembly passed legislation in 1969 prohibiting its display upon fixed objects.

Brunswick plans picnic for MD patients

Comedian Jerry Lewis will be on hand to greet youngsters attending the Brunswick/MDA picnic for Muscular Dystrophy patients, to be held in Skokie on June 1.

Youngsters from Niles, afflicted with Muscular Dystrophy, have been invited to participate in a picnic for MD patients from Greater Chicago on June 1. Brunswick Corporation will sponsor the event, to be held on the grounds of its headquarters in Skokie.

Comedian Jerry Lewis, who has long been a spokesman and fund-raiser for Muscular Dystrophy research, will be on hand to greet the children. After a picnic lunch, they will be treated to a "variety show" on an outdoor stage, including a magician, a clown, a puppeteer and a rousing sing-along.

Brunswick's 240 Recreation Centers nationwide have been a major contributor to the Jerry Lewis Labor Day Muscular Dystrophy Telethon for the past three years. Thousands of Brunswick bowlers participate in and donate to Muscular Dystrophy fund-raising efforts during the year.

NORTRAN announces special memorial day schedule

NORTRAN (North Suburban Mass Transit District) will operate its extensive holiday schedule on Monday, May 29, for the Memorial Day Holiday. Bus service will be provided on these routes:

- Rt. 208--Evanston, Old Orchard, Golf Mill via Golf rd.
- Rt. 209--Des Plaines to Woodfield via Golf rd.
- Rt. 210--Glenview, Morton Grove, Skokie, to North Michigan ave. and the Chicago Loop
- Rt. 215--Old Orchard to Howard CTA terminal, via Crawford
- Rt. 250--Des Plaines to Evanston via Dempster st.
- Rt. 261--Des Plaines to Jefferson Park CTA terminal via Busse Highway
- Rt. 270--Golf Mill to Jefferson Park CTA terminal via Milwaukee ave.
- Rt. 290--Park Ridge to Howard CTA terminal via Touhy ave.

Special holiday fare will also be in effect on Monday, May 29. The adult fare is 30 cents, senior citizens, 15 cents. In addition, a CTA "Supertransfer" may be purchased from NORTRAN bus drivers. This transfer allows for unlimited rides on all NORTRAN buses, RTA buses, and CTA buses and Rapid Transit.

Mountain Ecology course

Maine Township High School East is offering students a unique opportunity to participate in the science course called Mountain Ecology, from July 31 to August 7 for one-half credit.

The course is again sponsored by Mr. Frederick Wagner, member of the Maine East science department.

The cost of the trip is \$350, and a \$50 deposit is due by Thursday, June 1, 1978.

For further information about Mountain Ecology, contact Mr. Wagner at Maine East (825-4484, ext. 415).

State funding for schools shows decided increase

Northwest suburban school districts stand to make substantial gains in their 1978-79 funding from the state if the General Assembly agrees to a plan proposed by the School Problems Commission.

State Representative Eugene F. Schlickman (R-Arlington Heights), a strong supporter of the House bill, says the plan is designed to allocate an additional 125 million which has been released recently over and above the original budget recommendation for elementary

and secondary schools for next year.

Schlickman released the following figures based on estimates of the School Problems Commission: East Maine 63, current funding \$2,187,441.76, commission plan \$2,365,361.84, % increase 8.13; Park Ridge 64, current funding \$1,167,074.53, commission plan \$1,326,577.97, % increase 13.66.

Schlickman predicted victory for the measure in both houses of the legislature.

NI Gas... Continued from Page 1

formulated. As yet, a formal date for the hearing has not been set. Since Laski had filed bankruptcy and was attempting to make restitution, McNamara said criminal charges of alleged fraud would be difficult to prove.

Commonwealth Edison had designated Niles Drugs as an "authorized agent" and therefore accepted responsibility for the bills which had been paid there, but not turned in to the utility. Edison has since named a new "authorized agent" in Niles, namely Dumke Radio and TV in Oak Mill Mall.

Illinois Bell had listed Niles Drugs in their telephone book as a place where telephone bills could be paid and although they were not actually an "authorized agent" they have, to date, accepted responsibility for the bills paid there.

On the other hand, Northern Illinois Gas had not considered Niles Drugs as an "authorized agent under contract" for the past six years, but continued to accept monies turned in to the drug store by Niles residents. But as soon as the owner failed to turn in the December-January gas bill receipts, Northern Illinois Gas promptly notified these same people that even though they had a paid receipt from Niles Drugs, they would have to repay the bill which was listed as delinquent on their accounts. Needless to say, these people were upset and the majority were senior citizens living on fixed incomes who had been paying their utility bills in cash at the drug store for several years.

On April 27, the Village of Niles sent a registered letter to Joseph M. Quigley, registered agent for NICOR, Inc., Naperville, Ill. A registered agent is an officer of a corporation and his job consists of receiving service of summons, notices of suits and claims against the company. The letter signed by Mayor Blase notified Northern Illinois Gas a hearing was being conducted on Friday, May 19 in the Niles Administration Building to determine if there was a possible violation of a Village Ordinance whereby Northern Illinois had accepted payment on gas bills from Niles Drugs with the knowledge that Niles Drugs was not an authorized agent and in so doing, had implied Niles Drugs was their agent. Therefore, they became liable to Niles residents for the misappropriation of funds by Niles Drugs. Six Niles residents were listed on the letter as complainants who would testify at the hearing. These residents were representative of approximately 50 complainants.

Last Friday, May 19, Niles Hearing Officer Gerald Murphy, Frank Wagner, Village Clerk and head of Niles Consumer Fraud Division, Bill Hlavacek, Director of Licensing for the Village of Niles and the six elderly complainants with paid gas bills clutched in hand sat in the Village Administration Building anxiously awaiting the arrival of the Northern Illinois Gas officials presumably with their legal counsel. About 1:10 p.m. Dick Leider, District Superintendent and Charley Thurston, Vice President of the Northern Division of Northern Illinois Gas entered the hearing room and announced they planned to read a prepared statement to those present. When Niles Hearing Officer Murphy asked the men if they were aware this was a legal hearing in which testimony would be given and cross examination conducted, they reiterated their previous statement they had a

prepared text to read. Murphy then strongly suggested since this hearing was being recorded, they should reconsider making any statement without the presence of legal counsel. After a short whispered conference, Leider and Thurston asked the Hearing Officer for a continuance until next Friday, May 26 at 1:30 p.m. The complainants were asked to also return at that time.

It was very apparent, even though the strongly and clearly worded letter sent by the village to NICOR notifying them this was a legal hearing to determine possible violation of a village ordinance by NICOR, they still took the matter lightly enough to feel it could be handled by their representatives without the aid of legal counsel. In fact, to date, they have been grossly guilty of inaction in this case and have treated it as a matter to be smoothed over by their Public Relations Department.

At the present time Northern Illinois Gas has petitioned the Illinois Commerce Commission for a 12.1% increase in gas rates which, if approved, would give them \$90 million in added revenue. This would increase the average homeowner's gas bill by \$48. It seems to us that Northern Illinois Gas' auditors are well versed in figures dealing with millions of dollars, but are certainly having difficulty trying to settle approximately \$6,000 in bills which were paid by Niles residents and for which they have paid receipts.

Most of their recent commercial advertising carries the message of "Energy Conservation". How about conserving the energy of these senior citizens who, for the past four months, have been trying to get the matter of these "unpaid bills" off their record at the gas company?

LW Library...

Cont'd from Skokie-L'wood P.1 proceedings, the purchase price of the property is determined by the court.

"The building is remarkably well-suited to the community's library needs," said Madeleine Grant, President of the Library Board. "Its size and location are ideal according to recommended standards for Illinois public libraries."

Referring to the location of a library, the "Library Measures of Quality" say that it should be in a highly visible area so that it may attract a large number of people in the course of their daily activities, have conveniently available parking, and be either on or close to a major thoroughfare.

The Pier One location meets all of these standards, and it is in addition, close to the center of the village population and across the street from the Lincolnwood public schools.

"It seems to be too good an opportunity to pass up," Mrs. Grant continued. "We promised the community in the referendum campaign during the winter that we would seek an existing building and avoid costly construction." Financial arrangements for purchase of the property will be made when the price is established, Mrs. Grant said. The Board believes, based upon the information from its consultants, that mortgage payments will be less than long-term rental for comparable space.

District 63 . . . Continued from Page 1

the board "recognizes its responsibility" and would go forward with its prior decision to keep the schools closed.

District 63 resident Claire Orth asked the board to reconsider its closing decision, noting a 3,900 signature petition had been presented at the previous meeting seeking to keep the schools open. Mrs. Orth said board member Deckowitz had challenged the authenticity of the signatures at the last meeting and she sought an explanation.

Board members said they never checked out the signatures and Deckowitz said the "methods" in seeking the signatures were in question. He said some were correct and some were exaggerated.

A threat the matter might go to court costing the school district additional money did not sway the board. No member acknowledged there would be any re-consideration.

In other actions, former board member Howard Lessin was presented a plaque by Reiss for his three years of service on the school board. Reiss praised Lessin for his dedication and efforts on behalf of the district and wished him well in his future work. Lessin is in a doctorate program at the University of Illinois and works in the Chicago school system as an administrator.

In other actions, the superintendent will determine what areas are dangerous for children walking to school and will recommend to the board those areas children who should be bussed at no additional charge. Areas which are temporarily hazardous, intersections deemed not safe and heavy traffic areas will be included as areas which will be recommended for students riding the free buses.

The free busing policy will be included for children, kindergarten thru 6th grade, who walk more than a mile to school, and the same grade school children who have to walk in unsafe areas.

The director of grounds appointment should be made during the next month.

Negotiations are moving forward for the rental of space at Wilson and Ballard Schools.

The Wilson office and kindergarten is sought for an audiological center by the Leica School.

Firm commitments for rentals are from The Center for Deafness

MG parade . . .

Continued from MG P.1

Participants in the parade will be American Legion Rifle Squad, Auxiliary, Sons of the American Legion and the Jr. Auxiliary. Music will be provided by the Notre Dame and Niles West High School bands.

Americanism Chairman, Jack Metcalf requests residents of the community to honor our departed comrades by flying the American Flag on this day and by participating with us in the ceremony.

School and Maine Township Jewish Congregation. Associated Talmud-Torah, an organization which sponsors Hebrew Schools, is also interested in space, likely at Ballard School. A special meeting next week on Monday or Wednesday will study the commitments.

Approved the use of the adjoining fields at Apollo for the Northfield-Maine Little Leagues. Representatives contended up to \$40,000 might be spent on regrading the infields. While the group sought an 8-year agreement, Reiss said the board always has the option of cancelling at any time. Superintendent Moe said there was always the possibility Apollo might not be used in future years, prompting Reiss' comments.

Poppy Day . . .

Cont'd from Skokie-L'wood P.1

Valley Post No. 3854 of the Veterans of Foreign Wars, and Bob Hancock, Skokie, Skokie Valley Post Poppy Chairman, in announcing plans for the annual sale of Buddy Poppies in the Village of Skokie, scheduled for Thursday, May 25.

"The large bulk of our poppy receipts are deposited in the Post's relief fund, which is available to meet any calls for relief from local veterans and their families," according to Mrs. Karleskey and Hancock.

Each year more than half of the monies raised from poppy sales of the Veterans of Foreign Wars nationwide and among military personnel at foreign bases are retained in the community in which it was raised and used for local veterans' relief. Other amounts go for operating costs of service offices for the assistance of veterans in establishing disability claims for compensation and pensions, for operating the VFW National Home for widows and orphans of deceased veterans in Eaton Rapids, Michigan and for carrying on rehabilitation and veteran patient care in the nation's veterans' hospitals. Hospitalized veterans are paid for their work in assembling the poppies.

This year, as in previous years, Skokie Valley Post No. 3854 of the VFW and Skokie Post No. 320 of the American Legion will jointly sponsor the official Poppy Day in Skokie, with the Legion Post Home, 8201 N. Lincoln, serving as the base of operations for the volunteers. Legion and VFW personnel may pick up their collection cans Wednesday night, May 24 and Thursday, May 25 all day, with the filled cans to be returned by Thursday night at 9 p.m. A buffet table of food will be served continuously from noon on Thursday at the Skokie Legion Post to refresh the workers.

The village budget for the year May 1, 1978 thru April 30, 1979 is: General Corporate Fund \$6,260,085; Village Automotive Fund \$153,263; Village Vehicle Tax Fund \$210,000; Road and Bridge Fund \$32,000; Social Security \$240,000; Gen. Ob. Bond Fund \$63,538; Water Fund \$1,699,710; Police Pension Fund \$230,000; Fire Pension Fund \$40,000 - total all appropriations \$9,128,596.

In other business Tuesday night trustees under Home Rule returned the village's legal drinking age to 21. Mayor Nicholas Blase spearheaded the action noting the "many problems created by young people drinking."

A survey of liquor dealers in the last 3 weeks he said indicated 32 requested a return to age 21; 10 dealers asked the drinking age remain at 19.

The ordinance will go into full effect 10 days after publication, Blase asked that all liquor dealers be notified of the new code.

"Approved a 'trade-off deal' with John Brillakis, owner of the

Niles budget . . .

Cont'd from Niles-E.Maine P.1

He said the "biggest chunk" of departmental outlay went to the Police Department (23.11%), followed by Public Works (19.83%) and the Fire Department (15.37%).

Niles Family Service's budget jumped from \$154,842 to \$202,601, most of which went for salaries and contractual services. Added this year is a service cost of \$16,000 for an "Employees Assistance Program" geared toward industry and business performance.

According to Scheel, the village is in its 3rd year of a management by objective form of budgeting where each department must submit goals for the year to follow prescribed objectives to reach those goals.

"I'm looking this year toward strong development of programs and the monies they will produce," said Scheel.

The system allows the village to know what is spent in monies and man hours on each program. Anticipated revenues of \$8,426,100 to meet the budget are \$351,305 short. Scheel said remaining funds are expected to come from carry-over surplus funds.

Major source of village revenue comes in sales tax, Scheel said, accounting for \$3,470,000 or 41.18% of monies needed to meet the budget.

An anticipated drop in water sales from last year's 22.93% to 20.93% (or \$1.7 million) this year was due to recycling by industry, according to Scheel.

Utility taxes account for almost 11% of revenue; state income taxes, 5.70%; property taxes 4.51% and Federal and State program funds 3%.

New this year is anticipated revenue of \$67,000 from the Regional Emergency Dispatch (RED) program, for services rendered other villages involved in combined use of a basic communications system by Niles, Morton Grove and Glenview Fire Depts., Glenbrook Fire Protection District and North Maine Fire Protection District.

The village budget for the year May 1, 1978 thru April 30, 1979 is: General Corporate Fund \$6,260,085; Village Automotive Fund \$153,263; Village Vehicle Tax Fund \$210,000; Road and Bridge Fund \$32,000; Social Security \$240,000; Gen. Ob. Bond Fund \$63,538; Water Fund \$1,699,710; Police Pension Fund \$230,000; Fire Pension Fund \$40,000 - total all appropriations \$9,128,596.

"Unanimously approved an amendment to the Fire Protection and Prevention ordinance, requiring all apartment buildings and condominiums with over 3 units and all new homes and all major additions to existing homes to install smoke detectors."

The ordinance will become effective 6 months from passage of the amendment.

Blase noted single family homes "should" have the smoke detectors, indicating requirement by village in the near future in accordance with a fire department request.

"Announced May 25 as Niles Memorial Post 7712 Poppy Day"

MG Board . . . Continued from MG P.1

They both received a round of applause from a grateful audience. The mayor then read a proclamation making the month of June, 1978, Burglary Prevention Month and called upon all citizens to aid and assist their police agencies and do all else possible to prevent, detect, and report burglaries.

Mayor Flickinger also read a proclamation designating June, 1978 as Hire Senior Citizens Month. It stated that nearly 6,000 residents of Morton Grove are at least 55 years old and should be given a chance to do some useful and constructive type of work so their knowledge and experience can be appreciated.

Joan Dechert helped Mayor Flickinger honor those who have given at least a half gallon of blood to the Morton Grove Blood Program. Some of those receiving awards were as follows: Joe Gump, 3 gallons; Dr. Robert Hoehne and Robert Sullivan, 2 gallons; Caroline Wolf, 2 gallons; Albert Kaechele, Roy Larussa, David Sterstein, Beverly Schwarz, Richard Kirby, Ann Zimmerman, Robert Smedberg, James Jui, R. Robinson, W. Kipp, R. Lump and G. Hanson, 1 gallon and Betty Stancis and Leonard Bloomfield 1/2 gallon. Trustee Dechert also noted we need 120 additional pints of blood to fulfill our quota.

Jim Dahm, Supt. of Public Works, said that due to the Memorial Day Holiday the garbage pick-up will be a day late.

In reply to letters received from Fred Huber and Atty. Martin Ashman, the assistant to Mr. Dovalina, owner of La Margarita restaurant, attended the meeting. Regarding the Wallace family (who should have occupied the home on the lot where more parking was to be utilized by La Margarita) he wanted to dispel any thoughts that La Margarita did not intend to keep their word as to the use of this home on those premises. It was shown Mr. Wallace just last week received a letter from the Mayo Clinic stating he had an aneurism on his heart and would

fire-ravaged building at 9032-44 Courtland ave., whereby the village would agree to restoration of the premises to a one-story building under Niles code with installation of a new roof in return for relocation of Courtland ave. east to Milwaukee ave. at a straightened angle. Brillakis agreed to pay Niles up to \$51,000 for surplus property following street relocation.

"Upheld an April 24 Zoning Board denial of a Perkins Cake 'n Steak re-zoning petition for a full-service restaurant at the southwest corner of Oakton and Milwaukee ave.

Both denials were based on a projected increase in traffic.

"Unanimously approved an amendment to the Fire Protection and Prevention ordinance, requiring all apartment buildings and condominiums with over 3 units and all new homes and all major additions to existing homes to install smoke detectors."

The ordinance will become effective 6 months from passage of the amendment.

Blase noted single family homes "should" have the smoke detectors, indicating requirement by village in the near future in accordance with a fire department request.

"Announced May 25 as Niles Memorial Post 7712 Poppy Day"

be unable to do any work at all for fear of his life. Then the board was told the home would come down in June when the bowling alley next door was being demolished. La Margarita offered to destroy this home sooner, but was told it would be suitable to do it at the same time as the property next door.

Engineer Bill Mottweiler said in regards to the Sewer System Evaluation Survey, 7 proposals were received from qualified firms. When a second letter went out from the village, there were 5 answers. Of these it appeared to Mr. Mottweiler and Jim Dahm the firm of Metcalf and Eddy was the best qualified and would charge a total \$161,093.00. This includes a fee for sub-contracting also. Morton Grove would have to pay only \$40,000 for its share, the rest of the money would come from the E.P.A. Gregg Youstra said he felt he could not vote on this matter until he had an idea of what the other firms would charge for the job, and asked the engineer to contact them to see if they are interested in coming up with a figure for the project. Mr. Mottweiler agreed to do this and will report back to the board.

Clerk Jerry Schurke said citizens voted 85-12 in favor of a mid-year or 18-month vehicle sticker. The board agreed to have an 18 month sticker from Jan. 1, 1979 to June 30, 1980 for \$22.50 and from then on from July 1 to June 30.

Martin Ashman read an amendment to the Animal Control Ordinance making it legal for an Assistant Animal Control officer to destroy an animal deemed dangerous in a humane way.

Ron Henrick said the Fire Dept. had 71 alarms from May 9 to 21.

Mayor Flickinger said there will be a special meeting on June 5 at 6 p.m. in the Village Chambers to inform the public of the status of the 19 acres of land at Golf and Washington.

Buddy Poppy Day

Honor America's war dead by wearing a poppy on Poppy Day May 25. Veterans in the local hospitals have made 800,000 poppies for distribution throughout Chicago and

Poppies are a symbol of the sacrifice all persons have made to preserve the freedom of our country. The American Legion has adopted the poppy as its memorial flower which pays tribute to the war dead and aids the living veterans and their families. All donations are used solely for children and youth and rehabilitation of veterans.

Morton Grove Post Commander George Kreeger urges residents of the community not to pass up that man or woman in the blue cap of the Legion. Volunteers will greet residents at major intersections, shopping centers, restaurants, and points of public transportation throughout the day.

Loyola Torch club members

The names of sophomores and juniors newly elected to Torch Club, Loyola Academy's school service organization, have been announced by Loyola modern language faculty member Edward F. Schurz, Torch Club moderator. Local students include: James Brault of Park Ridge, Michael Carrithers of Lincolnwood, Mark Michaelsen of Park Ridge.

William T. Meier

William T. Meier, whose parents are Mr. and Mrs. William J. Meier of 6830 Keeney, Niles, Ill., has received his first promotion in the U.S. Air Force.

Meier, promoted to airman, recently completed training at Sheppard AFB, Tex., and is now assigned at Mountain Home AFB, Idaho. He serves as an aircraft maintenance specialist with a unit of the Tactical Air Command.

New Credit Counseling to aid Skokie Valley residents

It is these people the program plans to serve. "We will help individuals and families who are up to their ears in debt, have creditors on their backs and don't know where to turn," says Budd. "We will offer debt management and personal budget counseling to those who need our services. Not only will clients be relieved of the worry and pressure from wage garnishment, the possibility of losing jobs, homes or personal property, said Budd, but credit grantors, too, will be helped in minimizing losses by

returning dollars that would otherwise be forfeited and by having customers who are more responsible users of credit. Employers also benefit from the service because employees will be freed from the worry that interferes with work performance."

The Consumer Credit Counseling Service, which functions under the auspices of Family Counseling Service of Evanston and Skokie Valley, is certified by the National Foundation for Consumer Credit,

which now has a membership in excess of 220 agencies.

An advisory committee will guide the program during its growth and assist the director in making the services effective to meet client problems. The committee members are Carl S. Hammer, Robert Williams, Steve Engelman, Hugh Driscoll, Alonzo Smith, Roberta Balfanz, Lewis Penner, Ira Golan, John Buckley and Dorothy Johnson.

Budd, who has a bachelor of arts degree in business and finance from the University of

Cincinnati, and a Masters degree in social work from Washington University, St. Louis, is well qualified to direct the program. He has been working in Evanston for the past couple of years as operations and financial executive of a chain of retail stores in the Midwest.

Consumer Credit Counseling Service, a non-profit program, will see clients by appointment only. Fees are adjusted on a per case basis according to service provided. To make an appointment, contact Ronald Budd at 328-2227.

Lake Forest College committee member

Eric Morrow, son of Mr. and Mrs. Harold Morrow, 7621 Beckwith, Morton Grove, has been elected to the Long Range Planning Committee at Lake Forest College. The Committee consists of students, faculty, and administration and is responsible for housing and tuition.

Morrow, a Lake Forest junior majoring in economics and politics, is a dean's list student and a two-year veteran of the varsity football team. He is a 1975 graduate of Maine East High School, Park Ridge.

Skokie's curbside newspaper collection

Recycling old newspapers and magazines is easier than you think, especially if you live in Skokie. Every Skokie resident is now being provided with curbside newspaper collection. This once a month pick-up service is operated by high school students from Notre Dame and Niles Township High Schools. The program is sponsored by the North Shore Ecology Center which receives a small grant from the Niles Township Administration to help defray the costs incurred with establishing

the program. The program now in its 7th month of operation has recycled over 800 tons of paper products from the Village of Skokie alone, which accounts for an average computed savings of 3,360 yards of landfill space and a financial savings of \$5,800 in dumping fees.

The Ecology Center anticipates the Skokie program will be self supporting by the end of this year and then will begin plans to further expand these programs in either Morton Grove or Lincolnwood.

Skokie residents only, who have not received information on this program should call 432-1440 and a complete brochure explaining the program and pick-up dates will be mailed to you.

The curbside pick-ups are made once a month on a regular schedule and newspaper as well as magazines, catalogues and old phone books are acceptable. Recycling it conserves resources, saves energy and can help hold down your taxes too!
