No rise in costs for OCC students

Applications of new students are still being accepted for the spring 1979 semester by the Admissions office at Oakton Community College.

Both full-time and part-time students are now registering by appointment at Oakton. Returning and new students who have previously applied for admission

have received registration information by mail. For information on admission and registration call 967-5391.

Spring semester classes for credit courses begin during the week of January 15.

The second semester of Weekend College will begin January 19 to 21, with classes

held every other weekend. A number of courses will also meet every Friday evening and Saturday. For information, call 967-5120, ext. 425.

Oakton will continue to operate two major evening extension centers at Marillac High School in Northfield and at Notre Dame High School in Niles. Oakton will

also offer college credit courses at 12 neighborhood locations throughout the district, including the three TeleCourse centers at the Park Ridge Library, the Northbrook Library and the Winnetka Community House.

Anyone who has not registered prior to January 8 may register on Monday and Tuesday, Jan. 8

and 9, from 9:30 a.m.-12:30 p.m. and 5:30-7:30 p.m. in Building 6, on the OCC Interim Campus.

Continuing education classes and workshops for the winter term through MONNACEP, the adult and continuing education program of Oakton, and the Maine, Niles and Northfield high schools, will begin during the week of Jan. 29.

Greenlakes and Four Flags sites of new restaurants

Niles ok's two more eateries

by Alice M. Bobula

Niles is the home for two more full time restaurants for which zoning was approved by trustees at the Dec. 12 village board meeting.

Approval of a Special Use zoning change was given for a full service restaurant in the Greenlakes Shopping Center at 9114 Golf rd. to petitioner Diane Briganti. The presently existing O'Connors Ice Cream Shop which now offers only ice cream will enlarge its menu, limited to cold salads, sandwiches, pastry and coffee.

"Anything to improve the shopping center," was Niles Mayor Nicholas Blase' approving comment.

In the other petition trustees gave conditional approval to a Special Use for a full service restaurant (Wendy's) at 8309 Golf rd. in the Four Flags Shopping Center. Rezoning was contingent upon approval of area landscaping by the village Beautification Committee.

Attorney Scott Sternfield, representing the shopping center, Continued on Page 38

Buglebits.....

Notre Dame High School Junior, Peter Bora, was involved in a freak accident last Friday night while working at the White Eagle Restaurant. Because of the presence of a Taft High School coach, who was a Para-Medic, and the subsequent work of Niles Para-Medics, Peter's life was saved, and paralysis resulting from 2 broken vertebrae in his neck, was avoided.

Peter, a Wilson Terrace resident in Morton Grove, was pulling a cart filled with food trays from the kitchen of the restaurant. Moving from a tile floor to a carpeted floor, Peter and the cart tripped over the strip separating the two floors. Peter fell backwards and the cart fell on top of him. When the accident occurred, the high school coach rushed to the scene and insisted Peter remain stationary. Niles firemen-paramedics placed a collar on him, carefully moved him onto a flat board, packed him with padding, and very carefully removed him to Lutheran General Hospital.

Doctors at the hospital had high praise for the coach and the paramedics. They said their quick-thinking and good work saved Peter's life, and likely prevented paralysis.

Peter will be wearing a special body-cast which is being flown in from Boston today. And happily, he will be returning to Notre Dame in a very short time.

One way to celebrate the joys of this season is to see Dickens' CHRISTMAS STORY which is on stage at the Goodman Theatre. The entire production is sheer delight. Christmases Past, Present and Future, and Scrooge and Charles Dickens' narration, make this festive holiday play a joy of the season. While your kids will be as excited as those sitting in front of us, the adults in the audience were as enthralled as the younger people. Disneyland visitors know that entertainment is enjoyed as much by adults as children. Similarly, Goodman's Christmas Story is for children of all ages. Don't miss it.

## Senior Citizens' NEWS AND VIEWS

NEWS FOR ALL NILES SENIORS FROM  
THE TRIDENT SENIOR CENTER  
8060 Oakton, Niles - 967-4100, Ext. 76

**Book review**  
Please mark your calendar with this change. The book review is now scheduled for tomorrow, Friday, Dec. 15 at 11 a.m. Linda Biga from the Niles Public Library will be at the Center to review the book she's selected for this month. She describes the plot and each of the characters. It's a good way to find out about new books.

**Free legal assistance**  
On Monday, Dec. 18, an attorney from the Cook County Legal Assistance Foundation will be at the Center for individual appointments. She can assist you on a variety of civil legal matters, such as consumer problems, property ownership, and landlord-tenant relations. There's no charge for this service and you can make an appointment by calling the Center.  
**Senior Forum**

The next monthly meeting is scheduled for 1:30 p.m. on Monday, Dec. 18. Everyone is invited to attend these meetings and participate in the discussion and decisions made at them. It's also your opportunity to bring up any topics of concern to you. The agenda for the December forum is working on a scrapbook for the Center and new interest sheets.

**Monthly mailing project**  
Mark Wednesday, Dec. 20 on your calendar. Between 10 a.m. and 1 p.m. on that day, we'll be working on getting the January calendars ready for the mail. It helps when everyone pitches in. That way we can make sure you receive your calendar on time. Stop in that day and give us a hand.

**Quilting**  
The next meeting of quilting is planned for Wednesday, Dec. 20 at 1:30 p.m. There's an instructor here to help you out with the different projects. The materials are here and interesting projects are to be worked on. Come in on Dec. 20.

### SJB 55 Plus Club

We've been on the go... Just got back from Panama City Beach, Florida, where a great time was had by all 32 members of the St. Isaac Jogues's 55 Plus Club. Left Niles on Sunday, Nov. 27, at 8:30 a.m. and the white, white snow was left behind for the white, white sand of the beach at Panama City Beach, Florida.

The ride through Indiana, Kentucky, Tennessee, Alabama was thrilling, as we had just left Niles with all the snow and here it was nothing but green grass, beautiful trees, hills really unbelievable...The ladies had a great time shopping in the Cordona Mall. Our Wakulla Springs Tour, one of the world's great natural attractions and our Jungle boat cruise down the wild scenic Wakulla River to see wildlife in their natural habitat was very thrilling. We took a Glass Bottom Boat ride over the world's largest and deepest spring. A ride to Captain Anderson's pier for our sightseeing boat cruise on the Gulf of Mexico. We enjoyed a Hot dog party, boiled shrimp Beach party, The Ocean Opry and guess what...We even went to a disco...How about that? We Senior's do have a Ball...But as all good things must come to an end, we had to leave the white, white sands of Florida to come back to the white, white snow of home...But again the saying "There is no place like home", we are glad to be back.

**Reminder:** Don't forget to sign up for the Christmas Party on Dec. 17, at the Chateau Ritz, 11:30-12:30 Cocktails and Hors d'Oeuvres, Dinner 12:30 Dancing to Mario's Society orchestra, Floor Show, Door Prizes, and last but not least a visit from Santa to all who have been good.

**Birthdays of the Month:** Rose Bachochin, John Bledsoe, Anthony Borko, William Braun, Josephine Florio, Helen Franklin, Louise Jakob, Julie Jurasz, John Keopke, Tess Land, Lorna Matzrl, Betty Pape, Rozella Gloriana, Rose Fusinato, Rudy Proszek, Mario Arquilla, Walter Tajak and Elizabeth Schillaci.

### Northwest Suburban Jewish Friendship Guild

The Northwest Suburban Jewish Friendship Guild held their meeting Dec. 5th. Refreshments were served.

Louise White from Congressman Mikva's office was our guest speaker. She spoke on Legislation and Social Security.

The next meeting will be held on Dec. 19. We will have our Chanukah party. We will have a musical program and a delightful lunch which will be served at 12:30. You do not have to be a member to attend.

For information call 965-0900 or 296-4696. All meetings begin at 12:30 in the Friedman Social Hall.

Village of Skokie

# Renaissance Madrigal dinner

On Wednesday evening, Dec. 20, the Maine Township High School East Music Department will present a Renaissance Madrigal dinner. Performing at the event will be a variety of choral ensembles, instrumental groups, jugglers, jesters, swordsmen, traveling players and other assorted 16th century entertainments.

A Renaissance atmosphere will be recreated not only through performance but also through the menu of hotwassail, hors d'oeuvres, and chicken Kiev dinner. 6:30 is the starting time in the Maine East Dining Hall. A procession will lead the participants to their tables, complete with herald trumpet fanfares.

Tickets are \$5 per person and may be obtained by contacting any student in the choral department at the high school, or by calling 825-4484, ext. 439 between 8 a.m. and 4 p.m. Any profits from the event will help the Maine East Concert Choir in their fund drive toward a planned tour to the Minnesota area in the spring.

# East Maine General Caucus meeting

The East Maine Township General Caucus, serving Elementary School District #63 and that portion of Elementary District #34 lying within Maine Township High School District #207, will hold its second meeting on December 20, 1978. The meeting will be held at the Niles Public Library Auditorium, 6960 Oakton st., Niles at 7:30 p.m. There will be discussion of the duties and responsibilities of school board members, the problems which will confront the school boards in the coming years and the qualification and requirements of individuals needed to maintain a strong and well balanced school board. There will also be a report by the Search Committee and the election of a Nominating Committee and an Election Committee.

# NI-Gas helps Dist. 67 schools

Representatives of Northern Illinois Gas will conduct surveys at Golf, Hynes and Golf Junior High Schools this December.

NI-Gas' thermography program, initiated in March, 1977, was the first of its kind in the nation. Thermograms, photographic prints produced by the system, are analyzed by specially trained NI-Gas personnel. School administrators receive copies of conventional photographs of buildings surveyed, thermograms and a written report pinpointing energy inefficiencies.

Results of 200 surveys completed last year suggest that energy saving efforts on the part of school administrators could save taxpayers' money.

The service, valued at approximately \$100 per hour, is available at no cost to the 3,000 plus public and parochial schools NI-Gas serves.

# Exercise testing at Leaning Tower

The Exercise Stress Test has been referred to as "The Heart Fitness Test That Could Save Your Life". It is designed to evaluate your electrocardiographic (ECG), blood pressure and heart rate responses to exercise. The ECG taken at rest may be normal, but may become abnormal with increasing exercise even without accompanying symptoms. This occurs when the heart's circulation is unable to meet the demands of increasing exercise.

The stress test will help identify your: highest safe attainable heart rate, highest tolerable work capacity, electrocardiographic responses to exercise, work level and heart rate level at which symptoms or abnormalities may occur, cardiorespiratory or physical fitness level, evidence or lack of physical training.

In addition, the following information is provided: coronary risk profile, skinfold measurement (per cent of body fat), and what your ideal weight should be, minimal levels of strength and flexibility, vital (lung) capacity.

The test will yield information that will be useful in the prescription of exercise for you.

The exercise stress test is recommended for any individual, with or without known heart disease, over 35, who intends to begin a program of physical activity: to screen for the possible existence of heart disease, to determine functional physical performance or exercise capacity particularly before starting a regular exercise program, to evaluate the results of a physical activity program, to motivate you toward health enhancement.

How it is done - With the preliminary papers duly accomplished, including a written referral from your physician, preparations will be made by attaching adhesive elec-

trodes on your chest for the ECG monitor. The Supervision Physician will examine your heart and lungs before and immediately after exercise. Blood pressure and 12-lead ECG is taken in the supine and standing (resting) positions.

During the actual exercise test continuous oscillographic monitoring of your heart rate and ECG is done. Minute to minute recordings of your blood pressure, heart rate and ECG are done during and after exercise. After being shown how to walk on your usual or current level of activity, the work load (speed and grade) will then be increased every three minutes until a symptom or ECG endpoint is reached. At the peak of exercise, a 30 second collection of exhaled air will be done (for determination of your peak oxygen uptake or consumption). The treadmill speed and grade are then decreased gradually (cooldown), then stopped. After this you will immediately lie down again and recovery observations will be made for at least 10 more minutes. Finally you will be advised on the appropriate level of exercise for your program. Also, your physician will receive a copy of the test results.

For more information, or a test appointment, contact John Joyce at the Leaning Tower Family Y, 6300 W. Touhy ave., Niles, Ill. Phone 647-8222.

### Safety hints

The Chicago Motor Club advises motorists to remember that on wet or slippery pavements it takes a greater distance to stop your car. Always allow plenty of space between your car and the car ahead. In this way, you'll be able to stop gradually during slippery driving conditions.

# LETTERS to EDITOR

## Hanson cites Left Hand for lack of knowledge on police procedures

Mr. David Besser  
Bugle Publications  
8746 Shermer  
Niles, Ill. 60648

Dear Boss:

Niles Patrol Officer Geoff Wilson's well-written letter, to the editor, that appeared last week (Dec. 7th) to me made a lot of horse sense.

I rode for 8 hours, at night, in a squad car with Officer Wilson and was very impressed with how he conducted himself on the street. That's where crime is - on the street! This was two years ago last June and the article appeared in all your papers. Why don't you read it?

I also rode with Nan Mele when she was a "rookie" and was also very impressed by her dedication and the manner in which she handled her job. My ride with her was also a part of this article. (For 4 years I've been riding with Niles cops.)

Riding with cops is nothing new to me; I've done it in La Grange and other southwestern suburbs, as well as Chicago, New York, etc.

I also devoted almost three years to the Illinois Crime Prevention Bureau, 160 N. La Salle, when Dr. Lois Higgins, a Chicago policewoman headed it up. The late big Jim Dougherty, at that time, was an unpaid P.R. man for this bureau. Jim (retired from the Tribune) was formerly the crack-crime police reporter for the Chicago Tribune during the "Roarin' 20's" and 30's. His profiles, on Al Capone, Big Jim Collisimos, Johnny Torrio, Jake (Greasy Thumb) Guzik, etc., etc., appeared in the Sunday Rotogravure section of the Tribune. Jim covered more than 1,000 gangland murders. I spent many, many hours with Jim here, in Hollywood and New York.

When you've rubbed shoulders and bent elbows with such men as Big Jim Dougherty, Damon Runyon (I met him in New York when he had the pipe in his throat), Ring Lardner, and Bob

Casey (of the Chicago Daily News), plus scores of gangsters, top police reporters and top cops, something has to rub off.

You are a very nice man, of good character, Dave Besser, but I can't but help feel that you're not qualified by training or experience to be an objective judge of police procedure. Niles has an excellent, well trained and equipped police force.

Sorry, Boss, but I've got to agree with Officer Wilson. You are a nice guy but as a police reporter, I wouldn't hire you.

Your loyal employee,  
Ed Hanson  
6300 Touhy  
Niles, Ill. 60648

Editor's note:

Dear Mr. Hanson: Your idea of a good reporter must have been learned from watching too many of those 1930's "B" movies. Those Ben Hecht reporters, who draped fedoras on the back of their heads, enveloped themselves in cigarette smoke, and lived in an 86 proof haze, must be your ideal.

Hanson, you're just an old name dropper... Damon Runyon and Big Jim Colosimo?

In the 60's and 70's investigative reporting has taken the place of news gathering of your more romantic past. Those reporters who were able to cut thru military propaganda and report about My Lai, and the reporters who brought Watergate to the forefront, have greatly raised journalism to a respectable profession.

Sitting inside a police car for 8 hours gives one about as much expertise as that acquired by those hokey Congressmen who used to come overseas on one of those quickie junkets and then report back to the homefront about their new-found knowledge on war matters.

Booze and Babe columnists do their best reporting amidst soft lights and tinkling glasses. Like an old hootin' owl, they have a hard time coming out into the light.

## Urges voters not to despair

Please don't despair! Yes folks, I say do not despair. We lose some and we win some. Like in any game of chance or sport, we win or lose.

The bad news of so many politicians giving themselves such large pay raises is very discouraging to all you good people who took the time to go the polls and vote for them. It was also very discouraging to us precinct workers, who work extra hard bringing you notice of the election and the names of candidates running for the particular offices. We don't accept this with any joy either.

I will say we should just try again. Maybe next time we will get lucky. But please let us try and remember their names next time.

Don't give up your vote! We need it for the safety of our Village, County, State and our United States Government.

## Nilesites grateful for Public Works assistance

Dear Sir:

On the morning of Sunday, Dec. 3, we went in our basement to find it completely flooded. We naturally were quite perturbed and called the Village of Niles Fire Dept. Emergency and asked for help.

They called the Water Dept. of Niles and they sent two of their men, Mr. Thomas Glines and Mr. Les Patocke, who found the sewer line blocked and who worked very hard to help us in our predicament. These men were very sincere and cooperative and willing to help in every way they possibly could, for which we are so thankful!

Everything is now in good shape and we appreciate so very much the service given to us.

Sincerely,  
John J. Nowak

## Urges Niles West parents to take a stand

As a Niles West resident and member of the Concerned Citizens to Keep Niles North for the Students of 219, I believe the West community should be involved as strongly and completely as East and North in the eventual decision as to which school is to be closed in School District 219.

West pays a third of the bill too. An irrational squandering of money of our past, present and future tax monies are involved.

I would like to answer a question that has been raised in the West community regarding the North residents attitude towards OCC's presence in the area and I feel as a member of the Concerned Citizens I can relay this answer. Their answer to this question is yes-OCC is welcomed, but I hastily have to add-with reservations. Is OCC as vital to the area as is Niles North's use to the 219 students?

I feel that the whole community has a stake in the retention of Niles North as a high school. Niles North has been referred to as a "gem of the North Shore." This is no emotionalism-this is the truth. All of us paid very good dollars for its conception (over \$11 million). If the whole community wishes to remain viable and dynamic, we cannot close this school. It would indeed be detrimental to the whole community in attracting young productive families.

Yes, OCC is an asset, but it serves mainly a specified section of the area whereas a high school serves a very large segment of our population that is vital and important to our existence. The high school serves a larger population of 219 with its prime use for the immediate school districts. OCC services the District 535 which is comprised to

Niles, Maine and Glenbrook Townships. Is this our prime concern and responsibility? High school attendance is mandatory-college attendance is optional!

Does the West community wish to have the choice in future years of retaining either East forever or spending tax money again for an addition to Niles West-be it "quonset huts" or trailers or a building that would have a cost well over the amount of \$5.7 million? Is this financial responsibility?

I feel, that if the people at North are shown the absolute necessity for a second school to be closed in the future, they would be willing to close their school at that time. As of now they have not been shown any substantial facts to bear this out.

If Niles North is sold to OCC, isn't the West community directly through their Illinois State taxes subsidizing the purchase of North and again through their 219 school tax? Secondly, will not the Niles West residents be, in addition, subsidizing this purchase indirectly by giving this property

away below market value? Thirdly, won't the Niles West residents, via the Community College District 535 taxes, by paying for the OCC facility at the North site? How many times does the West community wish to pay for Niles North and Oakton Community College?

Our taxes have gone towards the goal of making our schools the utmost in quality education, fine facilities and accommodations for its students. Would we be fulfilling these goals by closing the newest school, filling West to its capacity, and maybe even overcrowding it, by transferring the bulk of students from North? Sure, they'll fit-but will it be to the benefit of all concerned?

# OCC Alumni vs. Varsity

Alumni of Oakton Community College, and their families and friends, are invited to attend the annual J. Dennis Lamping Memorial Alumni Basketball Game, at Niles East High School, Skokie, on Monday, Dec. 18 at 8 p.m.

The tournament was named for Dr. Lamping, who was an associate professor of history at Oakton and who also coached the alumni team until his death last summer.

Oakton's varsity basketball team will play 15 former members of the team.

Tom Jorndt, director of athletics at Oakton, hopes the turnout will be as large as last year's. At that time, the varsity team won in a close game which was tied three times. The final score was 75 to 67.

"Though it is serious basketball, because both teams want to win, we expect it to be fun," said Jorndt. Half-time activities are being planned for the game.

This game gives alumni the chance to see each other and new students, he added. Last year's alumni cheering section was enthusiastic, he said. Several players were cheered by their families too, including toddlers.

Admission will be free, and there will be ample parking in the Niles East faculty lot, directly across the street on Lincoln ave. For more information, call 967-5120, ext. 252.

### Jewish Family Service District Administrator

Mr. Martin E. Langer, Executive Director of the Jewish Family and Community Service, has announced the appointment of Mrs. Beverly Shapiro to the position of District Administrator of the Niles Township District Office, located at 5050 W. Church st., Skokie, Ill., effective Feb. 1, 1979. She has been with the Jewish Family and Community Service since 1966 as a caseworker practitioner and supervisor at the Northern District Office and Assistant Administrator at the Niles Township District Office.

Mrs. Shapiro graduated from the School of Social Service Administration, University of Chicago in June, 1966.

JFCS provides a wide variety of counseling services to individuals and families throughout metropolitan Chicago, maintaining offices in Skokie, Highland Park, Arlington Heights, Homewood, a Central Office District at 1 S. Franklin st. and the Virginia Frank Child Development Center in West Rogers Park. A Family Life Education program of small group discussion, designed to enrich family living, is an important part of the agency program. JFCS also plays a major role in resettling Soviet Jewish immigrants and provides consultation on legal problems to families it serves.

The Jewish Family and Community Service is an agency of the Jewish Federation of Metropolitan Chicago, supported by the Jewish United Fund and the United Way.

### Seek carolers

Musical groups and carolers are invited to perform by the giant Christmas Tree in the Unity Savings lobby, 4242 N. Harlem. Community and school groups with musical talents are invited to perform at Unity throughout the Holiday Season.

Senior Citizens, High School, Grade School or other interested groups are welcome day or night during regular business hours: Mon., Thurs., Fri., 9 to 8, Tues., 9 to 4, Wed. and Sat. 9 to 2.

Those interested should contact Ruth Aronson at Unity, 456-0400.

# of Interest to Women

## Women's American Ort

Village Chapter of Women's American Ort will hold its annual Chanukkah open meeting on Tuesday, Dec. 19, at 11:30 a.m. at the Oakton Community Center, 4701 W. Oakton, Skokie, Ill.

The festivities will feature a candle lighting ceremony and all those attending are requested to bring a gift for the grab-bag. Thank you.

## Safety tips for holiday decorating

While decorating your home for the holidays, Commonwealth Edison suggests a few safety tips to follow this season:  
Inspect last year's lighting sets and discard any with damaged plugs or cords. Use only lighting sets and extension cords carrying

the Underwriters' Lab (U.L.) label.

Keep tinsel away from electrical plugs and sockets.

Never decorate a metal tree with lights, rather use a floodlight—perhaps in combination with a color wheel—to achieve the same festive effect.

If you're decorating outside, check to make sure the lighting sets are approved for outdoor use. And always maintain a safe distance from overhead electric power lines or facilities, especially when using a metal ladder or tools.

The holidays are sure to be safe and bright with these tips in mind.

## Welcome Kenneth John

A baby boy, Kenneth John Zeman, was born on November 11, at 10:10 p.m. weighing in at 5 lbs., 1 oz.

The proud parents are John and Donna Zeman of Niles. Ken's father is a paramedic-firefighter with the Niles Fire Department.

The proud Grandparents are Mr. and Mrs. John Zeman of Niles and Mr. and Mrs. Eugene Partington also of Niles.

## "Christmas Around the World"

Among the planners of the current "Christmas Around the World" Festival at Chicago's Museum of Science and Industry are (left to right) Mrs. Carmello Llapitan, 1460 W. Olive ave., representing the Philippines, Mrs. Dely Villagon of Skokie, and Mrs. Marcelle Devane of Worth, representing France. Thirty-eight ethnic groups and nationalities are taking part in this year's event, which continues through Jan. 7. Decorated Christmas trees and creches, an international holiday buffet, daily choral concerts, and Yuletide pageants are among the festival's highlights.

## LW library offers video tapes

Are you interested in watching a full feature-length film without commercial interruption? Would you like to take a needlepoint course at your own convenience in your own home? A new service now available through the Lincolnwood Library, 4100 W. Pratt, allows you to do these things and more.

Anyone 18 years of age or older, and holding a valid Lincolnwood Library card, may borrow videotape cassettes for use in Beta-II, VHS, and in some cases, U-Matic formats. Up to three videotapes at a time may be borrowed for a one week lending period. Rules and regulations applicable for film rental hold true for the tapes, with some specialized exceptions.

Through cooperation with the North Suburban Library System

and its Suburban Audio-Visual Service (SAVS), the Lincolnwood Library can bring its patrons such notable titles as "Patton," "The Paper Chase," "The King and I," as well as course studies in antiques, folk guitar, and Hatha Yoga. The system is the first in the country to offer this service to its member libraries, thereby making Lincolnwood patrons among the favored few who may enjoy the convenience and benefits of the videotape cassettes in their own homes.

A complete catalogue of titles is available at the library upon request, with new titles scheduled to be added monthly. The long winter nights ahead may not need to be dull after all. Call 677-5277, or stop in at 4100 W. Pratt, for any further information.

## Niles Homemakers Extension

The Niles Unit of Suburban Cook County Homemakers Extension Association held its annual Christmas luncheon and grab bag on Wednesday Dec. 6 at the Old Orchard Country Club. After the luncheon the group enjoyed the play "The Mind of the Dirty Man. Carol Pickup was in charge of arrangements and a lovely afternoon was had by all.

The next meeting will be Wednesday Jan. 10 at 10 a.m. at the Niles Community Church. We will be making name tags for the International Dinner which is held in February. The lesson for the afternoon is Cancer - The Seven Warning Signals given by Marge Larsen and Lillian Wayman.

## Help with aging parents

Hildette Rubenstein, Ph.D. candidate in Counseling Psychology at Northwestern University and experienced in geriatric work, will lead a 5 week course being offered by Orchard Mental Health Center of Niles Township. In response to public requests, the series of five discussions will deal with "Aging in Myself and My Parents," and will cover resources for the aged parents, the difficulty of decision making, who should be involved, etc. Beginning Monday, Jan. 8, 1979, it will be held at the Center's main building, 8800 Gross Point rd., Skokie at 7:30 p.m. A fee of \$10 will cover all expenses. The group will be small to allow for maximum participation. Registrations will be taken by phone: 967-7300.

## Niles VFW Auxiliary cheers hospitalized vets

Niles Veterans of Foreign Wars Post 7712 and Ladies Auxiliary sponsored a Bingo Party for the veterans at Hines Hospital on Sunday, Nov. 26. Prizes money and canteen books were distributed by 21 members. Also taken to the hospital were clothes, books, scrap leather for their therapy program, and a color TV for their recreation room.

Hospital Chairlady Mary Symer visits the hospital twice a

month to distribute toiletries, tee shirts, soap, stationery, and other incidentals which are supplied by the auxiliary through proceeds from their fund raising affairs and Poppy Day sales. The men will also be remembered with gifts at Christmas time. Auxiliary member Betty Jakubowski received a 300 hour pin for making lap robes and Estelle Peterson received a 150 hour pin for making ditty bags.

## Canned food drive

Maine North's Student Council is sponsoring a 10 day holiday canned food drive continuing through Wednesday, Dec. 20.

"All the collected food will be donated to the Des Plaines Food Pantry which is operated for the city by the First Congregational Church of Des Plaines," explained Student Council president Jennifer Jones.

She emphasized that the non-perishable cans must have original labels intact. Merchants, area residents, students and teachers are encouraged to deliver canned goods to a collection box in the school's LRC.

Student Council representatives will then deliver the goods to the Des Plaines Food Pantry.

## District #71 grad now in France

A former graduate of Niles Elementary School-North, Susan Bernstein, is now studying in Besancon, France. In writing to her French teacher, Miss Andrea Haggard, she related how her travels and studies had finally

been realized. For his school year she will be studying the French language and culture. Fondly remembering her "roots," she hopes that the French program continues to flourish at Niles Elementary.

## Safety hints

The Chicago Motor Club warns drivers to be alert for street hazards just inside dark viaducts. It also is wise to use caution when entering a viaduct during or after a heavy rain storm to avoid drenching your car's brake mechanism.

## Off the NILES POLICE BLOTTER

### Attempted suicide

A 19 year old boy was treated by Niles paramedics and taken to Lutheran General Hospital during the morning of Dec. 3 after he was discovered under a stairway by apartment building tenants on Nordica.

A husband and wife leaving their apartment early Sunday morning noticed fresh red stains on the floor, wall and trash container in the laundry room which led them to the victim, lying on his stomach in a semi-conscious state under a stairway with a large cut across his left wrist.

Police investigation turned up a razor blade with blood stains. The victim said he had also taken about 30 aspirins.

### Stolen wallet

Someone removed a wallet from a purse left Dec. 6 in the manager's office at Toys R Us, 9555 Milwaukee ave. The wallet contained driver's license and \$6 cash.

### Suspicious phone calls

A resident in the 8300 block of Maynard said she has been receiving numerous phone calls since July 9, increasing to 8 to 20 calls per day between Dec. 2 and 6. The caller makes strange childlike sounds, then hangs up.

### Stolen flute

The music teacher at Gemini School, 8559 Greenwood, reported theft of a flute valued at \$231 sometime between Nov. 23 to Nov. 26.

### Theft in progress

A 20 year old Schaumburg man was charged Dec. 6 with theft and released under a \$1,000 bond pending a court hearing in Niles Court.

Police said a late bowler preparing to go home was warning up his van when he noticed a man in his twenties walking south in the Golf Mill lot carrying a lug wrench.

The witness said the man walked up to a white 1977 Chevrolet Corvette and as he removed the four wheel rims and inserts a motorist in a Monte Carlo pulled up next to the victim's auto and put the stolen merchandise into the trunk of his car.

The witness drove up to note the license plates of the car, then returned to the bowling alley to notify the Wheeling victim who called the police.

A police check of the area proved negative but the license numbers obtained by the witness checked out to the Schaumburg resident, who was arrested the following day.

The victim's property, valued at \$125, was recovered to be used as evidence.

### Theft of coat

Someone stole a \$75 down-filled green coat from the coat rack at Jonathan's Restaurant, 8501 Dempster st., during the evening of Dec. 2, leaving an older dark green coat in its place.

### New shoes walk past cash register

The manager of Fayva Shoes at 9355 Milwaukee ave. told police that a child about 8 years old walked out of the store around 7:30 p.m. Dec. 6 wearing a new pair of shoes valued at \$11.90.

The youngster, accompanied by the parents, entered a car which left northbound on Milwaukee ave.

### Laundry burglarized

Burglars got away with \$60 in cash Dec. 2 after causing approximately \$25 in damages in forced entry of Norgetown Laundry at 8632 Dempster st.

Police said the thieves broke a 6 ft. by 8 ft. window with a shopping cart to get into the self service laundry sometime after 10 p.m. then pried open an office door taking \$60 cash from a desk drawer.

### Burglary from storage shed

A Toro Snowmaster snowblower, valued at \$200, was stolen Dec. 1 from the basement storage room of an apartment building on Wisner. Police said the door had been pried open with a screwdriver.

Approximately \$730 in ski equipment - boots, skis and poles - was taken from the second floor storage area on Nordica. The victim said he last saw the equipment in October.

### Theft of gas

Di Gas Service Station at 8901 Milwaukee ave. reported a motorist in a 1978 Ford drove away Dec. 1 without paying for \$10 worth of gas. After getting his gas tank filled the driver told the service attendant he didn't have enough money to pay, that he would be back later, but never returned.

In another incident around 11 a.m. Dec. 3 a young man in his early twenties came into the same station to purchase \$8.15 gas and left without paying.

### Theft from garage

A Toro snowblower valued at \$350 was taken Nov. 30 from a locked garage in the 8700 block of Elmore.

### Thefts from cars

During the night of Dec. 3 someone took a tire and wheel valued at \$85 from a 1977 red Buick parked in the 8700 block of Oleander, causing \$50 in damages by prying open the trunk lock.

A 1970 black and beige Pontiac was left lying on its rear axle after someone stole the two rear tires from the car Dec. 2 while parked at Motel 6 at 6450 Touhy ave. A \$40 speaker, stereo knobs, tape player and lighter were stolen from the car after the rear passenger window was shattered, with total loss of \$150.

Four custom wheel covers valued at \$300 were stolen from a 1978 Chevrolet parked Dec. 3 in the 8900 block of Waukegan rd.

Someone stole a pair of floodlights valued at \$40 from a 1967 Chrysler Camero parked Nov. 21 in the Golf Mill parking lot.

During the night of Dec. 6 someone forcibly entered a 1965 Ford Thunderbird parked in the 9900 block of Huber Lane, taking 2 stereo speakers valued at \$160, leaving other items of value untouched.

Clothing, camera, calculators and 6 Water Piks with total value of \$190.95 were reported stolen the evening of Dec. 6 from a 1976 White Chevrolet parked in the lot at Toys R Us, 9555 Milwaukee ave.

### Car thefts

A 1978 Pontiac valued at \$8,500 was stolen during the early morning hours of Dec. 5 from an apartment complex parking lot at 9074 Greenkaes.

During the night of Dec. 5 someone took a 1976 Ford LTD valued at \$5,400 from the Kingston Apts. complex on Golf rd.

A dark blue 1977 Cadillac valued at \$10,200 was stolen between 8 p.m. and midnight Dec. 6 from the south parking lot of the Kingston Apts. complex on Golf rd.

### Stolen purse

A Carey, Ill. resident shopping in a retail store at Golf Mill around 5 p.m. Dec. 5 reported theft of her purse while she was shopping in the children's department. The handbag contained driver's license, checkbook, \$25 to \$30 cash and credit cards.

### Criminal damage to property

Someone damaged approximately 30 ft. of cyclone fencing and approximately 20 ft. of shrubbery Dec. 1 on Churose.

A large chunk of ice was thrown thru the rear window of a 1976 Olds parked Dec. 1 in the 7900 block of Waukegan rd. Damages were estimated at \$250.

A Century 21 For Sale sign was used around 8 p.m. Dec. 2 to shatter a 6 ft. by 3 ft. wire glass window in an apartment building at 8250 Elizabeth causing \$200 in damages.

Someone cut the two right tires of a 1976 blue Cadillac parked Dec. 3 at the Golden Bear Restaurant, 9655 Milwaukee ave. Damages were estimated at \$250.

During the afternoon of Dec. 3 a brick was thrown thru the driver's window of a 1969 Cadillac parked at 8256 Dempster st. causing \$100 in damages.

Someone shattered the window of a 1975 Ford Mustang parked Dec. 3 at 8881 Cumberland ave. Damages were set at \$100.

An Arlington Heights woman parked her 1976 Oldsmobile in a private garage at the rear of 8333 Waukegan rd. Dec. 2 and returned to find three tires flat, possibly cut. Damages were estimated at \$200.

### Vandalism

Someone poured salt in the gas tank of a 1978 Pontiac parked during the evening of Dec. 5 in the 8200 block of Oriole. The Chicago victim said 2 empty Morton Salt containers were found near the car and observed a salt residue buildup on top of the gas tank. The homeowner indicated problems with youths in the area.

BB pellets shattered the left rear window of a 1974 Pontiac station wagon parked Dec. 5 in the 8200 block of Dempster st.

**On Tax Deferred Savings**

Depending on your tax bracket, you can save \$300 - \$500 - \$700, or even more on this year's income taxes... You can earn interest on money you would have paid in taxes - but you have to act now - during 1978 - to cut your income tax bill for 1978. Here's how it works: You deposit up to 15% of your annual salary or \$1,500 annually, whichever is the smaller, into a FNBS I.R.A. (Independent Retirement Account) and take the amount you deposited right off the top of your income for tax purposes.

If you are single, earning \$20,000 a year, you pay \$540 less income tax this year on the I.R.A. plan. - If your wife works, she can have one, too! If she doesn't you can deposit even more. All you need to qualify is to have a salary, and not be already covered by a tax deferred pension plan. Come on in, let us show you how it can work for you - but hurry - the 30th of December is the last day you can start if you want to save on this year's taxes.

A pilot project which could eventually lead to complete Emergency Medical Technician (EMT) training for all Illinois State Police Troopers has begun with the completion of an 81 hour course by troopers from each of the 16 districts. The program is a cooperative effort between the State Police and the Illinois Department of Public Health.

Lynn Baird, State Police Superintendent, wants to determine whether the advanced training will be used in a sufficient number of emergency medical situations to warrant training all 1,750 troopers. All troopers are now trained in the American Red Cross First Aid Course.

The 32 EMT trained troopers will participate in an initial six month evaluation process, comparing their performance in emergency medical situations with that of two control groups who have not had the additional training. "It's a vigorous undertaking, but if EMT training will prove worthwhile to the public, we will do what is needed to get the job done," Baird said.

Trooper Thomas Reilly of Oak Park, Trooper Thomas Hoffman of Elgin and Trooper Ronald Reese of Forest Park have been given the EMT training and will participate in the pilot study.

### Niles West sports awards ceremonies

Niles West athletes in cross-country, football and soccer were honored during the last few weeks at separate sports award ceremonies.

Senior Rick Arendt was selected as most valuable (MVP) by his cross-country teammates at the conclusion of their successful 14-6 season. Earlier, Arendt was selected to the all-conference team by CSL soccer coaches. He's run cross-country for the past 4 years with a best three-miles time of 15:19.

For the first time, a girl shares the MVP cross-country spotlight. Senior Jane Quirk was selected to receive this honor by her teammates, the members of the first girls cross-country team for District 219.

In football, MVP honors were awarded to defensive halfback Jim Hosfield, who was also selected to the CSL All-Conference football team. He shares the latter honor with Indian teammates Jack Boeppe, Bruce Sienkowski, and Chuck Spagnoli.

Football's coveted Basrak award, established in memory of longtime Niles Township High School coach Mike Basrak, was

awarded this year to linebacker and substitute guard Jeff LeComte. This award is presented each year to a football player who is dedicated, hard-working, enthusiastic and college bound. "Jeff is all those things, and he's got a tremendous attitude," said Indian coach Don Huff.

At the awards dinner, Huff also announced that the 1979 Indian varsity will be led by three captains, linebacker Ron Asher, quarterback Ben Froemming, and tackle Al Moltz. 35 Niles West football players received major letters this year, the most that have been awarded in the past 10 years.

Soccer goalie Gary Kaplan received double honors at his sports awards event. Kaplan was selected as the most valuable player by his teammates and he's also the recipient of the 1978 Fred Zeedyk Award. The Zeedyk award was established by the Zeedyk family in memory of their son, a member of the 1975-76 varsity soccer team at Niles West. This award is given each year to the player with a good attitude, competitiveness, and dedication to his team and his sport.

### Niles East athletics

Niles East High School athletic teams were involved in two tournaments over the Thanksgiving holiday weekend, winning one and hosting the other.

The Trojan basketball team, coached by Mr. Emil Capitani, traveled to Peru, Ill. to take part in a four-team round robin invitational tournament hosted by St. Bedes High School. The Trojans played three games, won two and lost one and won the tournament when the resulting three-way tie was broken by determining the free throw percentages.

The Niles East Trojan Invitational Wrestling Tournament was won by Joliet West High

School with Niles East finishing a strong fourth among 16 teams in what is generally reputed to be one of the toughest wrestling tournaments of the season. Most of the top ranked teams in the northern portion of the state competed, including East Leyden, last year's state champions.

Two East wrestlers finished first in their respective classes, seniors John LaMana, at 119 lbs. and Victor Suarez at 126. Second place finishes were earned by juniors Howard Walovitch at 132 lbs., Dan Sarasin, 145 lbs., and Kelly Walls, heavyweight. The Trojan wrestlers are coached by Mr. Fred Richardi.

## ND gridders

The East Suburban Catholic Conference recently announced that they have named nine members of Notre Dame High School's Varsity to their 1978 All-Conference Team.

First Team Dons selected included Senior quarterback Rich Dietz, outstanding wide receiver Mike Rigali, who was also one of the Conference's leading scorers, the defensive end Pat Steiner.

Those named to the Second team were safety John Russell, halfback Tony Jerrita, and junior line backer Kevin Gallagher.

Achieving Honorable Mention status were Senior linebacker Dennis Gushurst and offensive guards Mark Goorsky and Brad Hunt.

In addition to these individual selections, the Dons as a whole had a very successful season, finishing in third place behind conference powerhouses St. Viator's and Marist. The Sophomore and Freshman teams also had outstanding years in the ESCC with each finishing in second place, only one game out of first.

# Now, North West Federal gives you Elmhurst, Elk Grove, Free Gifts, and maybe Hawaii.

# The decorator touch that people like to touch.

We find a lot of folks order Touch-Call phones simply because of looks. We hear words like "stylish," "looks more modern," and "fits in with my decorating" from customers all the time.

Then there are those who say Touch-Call is faster. And easier on the long fingernails.

And there are those who think Touch-Call is more fun to use. They like the musical tones they hear when they place a call. As one wag put it, "Touch-Call is more in tune with the times."

When you're ready to change over to Touch-Call, just call our Business Office for full details on styles, colors, and the slightly additional rates.

Some things in life are made to be touched. The Touch-Call telephone is clearly one of them.

The Open House is a token of appreciation to our customers and friends and an opportunity to wish everyone a very Happy Holiday Season.

### Urge drivers to follow license plates instructions

Drivers should pay close attention to the instructions included with their new five year registration plates. That's the

advice from Illinois State Police Superintendent, Lynn E. Baird. According to Baird, Troopers are finding validation stickers everywhere but the proper place on some of the new five year plates. Because of the staggered registration periods, vehicle owners must attach the registration sticker themselves. The blue 1979 sticker goes in the top left hand corner and the red 1980 sticker should be applied to the upper right hand corner of the rear plate.

"We've been advised by the Secretary of State's Office that a security feature of the sticker will cause it to break into small pieces if an attempt is made to remove it from the plate," Baird said.

If owners inadvertently place the sticker in the wrong location they should leave it there or expect to pay \$3 for a replacement. Baird noted that since it is a new program his Troopers will not be taking enforcement action against persons who attach the sticker improperly. "Our Troopers are likely to be stopping motorists to inform them of the error, though," Baird said.

### Frigidaire Microwave Oven

Here's microwave oven magic from Frigidaire! You can save up to 75% of the time required for conventional cooking and cook most foods with 50-75% less energy. What's more, you don't waste energy preheating a microwave oven. It doesn't need it!

Even your after dinner cleanup chores will seem to disappear. You'll have fewer pots and pans to wash, because you can often mix, cook, and serve in the same dish.

The federal government requires that most microwave ovens carry a warning label. The Frigidaire deep, thick door design is so effective in sealing microwave energy that all three models with this swing down door are exempt from this requirement.

- Cuts cooking time and energy use 50-to-75% over conventional methods
- Slow Cook cycle
- Automatic Defrost cycle
- 35-minute timer
- See-through oven door; interior light

A burglary occurs every 13 seconds in this country. Time is money to a burglar. Help stop him cold. Be alert, be nosy, be suspicious, and be responsible.

## Golf Maine Park Board election

The Board of Commissioners of the Golf Maine Park District, announced at their monthly meeting in November, that the third Tuesday in April, which is April 17, 1979, will be election day to fill two six year terms that will be open on the Board of Commissioners.

Park District receive no compensation for serving as commissioners. Their primary responsibilities are to make and adopt ordinances, set policies, control spending, and employ the administrative staff of the park district.

Those individuals interested in running for election may obtain a petition slip from the park office, upon which at least twenty-five signatures of qualified voters in the district must be entered.

For further information, call the park office at 297-3000.

## Dr. Collins opens Des Plaines office

Dr. Jeffrey W. Collins recently opened his offices at 84 N. Broadway in Des Plaines. A former Northbrook and Arlington Heights resident, Dr. Collins, now lives in Rolling Meadows.

He is a graduate of Palmer College of Chiropractic in Davenport, Iowa. Palmer is the oldest and largest of the profession's colleges in the world.

After graduation in September of 1977, Dr. Collins joined the staff of one of Illinois' larger chiropractic clinics as an associate. Prior to attending Palmer he spent four years at Southern Illinois University at Carbondale.

Dr. Collins' practice is primarily with family, industrial and personal injury cases. He also offers nutritional and blood chemistry profiles. His office utilizes the Gonstead Method, having had special training in its use and application.

Any inquiries concerning the

benefits of chiropractic care should be directed to the Collins Chiropractic Center at the 84 N. Broadway, Des Plaines, address or call 297-2111.

## Better Breathers' Club

The nutritional needs of persons with respiratory problems will be the subject of the next meeting of the Northwest Suburban Better Breathers' Club at Holy Family Hospital on Thursday, Dec. 21 beginning at 7:30 p.m. in the private dining room.

Persons with lung conditions or respiratory problems and their family members are invited to attend the session which will feature guest speaker, Debbie Macchia, Dietitian, Coordinator of Holy Family's Nutritional Services Department. She will provide tips on the proper diet and give recommendations for more nutritional foods for persons with respiratory problems.

The Better Breathers' Club is coordinated by Holy Family's Cardio-Respiratory Department and Educational Services Department. There is no charge for attending the meetings and registration is not required.

## Soroptimist training awards

Mature women who need financial help to train themselves for better positions, or to re-enter the job market, may apply for assistance from Soroptimist International and McCall-Life Pattern Fund Training Awards Program. In the northwest suburbs, applications are being processed by Soroptimist International of Des Plaines with Mrs. Eleanor Rohrbach, City Clerk of Des Plaines, acting as chairperson.

Women who feel they qualify for this aid may obtain applications or further information by writing to Mrs. Rohrbach, 1420 Miner st., Des Plaines, IL 60016, or calling her at 297-1200 weekdays, 827-2533 evenings. All entries and two personal reference forms should be returned to her by Jan. 2, 1979. A prize of \$100 will be presented to the local winner, but more important, she will be eligible to compete for regional awards of \$1,250 and \$2,500. It is expected that two awards in each amount will be presented in April at the Midwestern Region Conference of Soroptimist International.

## We're a step ahead of the rest

Since the summer of 1921, Glenview State Bank has been the source of innovative banking throughout this community. Our utility and style of banking have set the financial pace for individuals and families from every walk of life.

You can appreciate this distinction when you first step into our bank. Designed in every detail for the convenience and accommodation of the individual, our building has become a landmark to families and businesses who prefer a strong bank that can move faster and offer greater services.

John H. Beaulieu, President, carries at his side a solid brass and hardwood walking stick, the perfect accessory to symbolize the banking responsibility of Glenview State Bank.

The Walking Stick helps to maintain security and balance, avoid obstacles, and increase maneuverability. It helps to establish and maintain a productive pace, while providing a sure sense of direction. These are the very qualities you expect from Glenview State Bank.

### We Will Walk With You

We can help you take the necessary steps, whether you are financing your first car... building your life savings, or planning your estate.

Mr. Beaulieu and the staff of Glenview State Bank offer a tremendous scope of financial services, investment opportunities, loan capabilities, trust powers, and special services that you may use at your own pace.

Walk into Glenview State Bank and discover what utility and style will mean to your financial future. And watch for the Glenview Walking Stick. Wherever good banking manners are a way of life, Glenview State Bank is a step ahead of the rest.

Central Telephone & Utilities has established a permanent scholarship fund with the University of Nebraska Foundation in honor of the company's former chairman Clarence H. Ross and his more than 50 years of service to the company and utilities industry.

At least one student each year will be awarded a one-year scholarship from the "Clarence H. Ross Scholarship Fund," said Wilson B. Garnett, the company's executive vice president.

The scholarship committee of the University of Nebraska-Lincoln will award scholarships based on academic excellence and leadership qualities. The students must be enrolled in the University of Nebraska-Lincoln's College of Business Administration or Engineering and Technology.

"We selected these specific colleges to perpetuate Mr. Ross' distinguished career in those fields," Garnett said. Ross, a native of David City, Neb., received almost all of his

education in Nebraska, graduating from the University of Nebraska in 1922. Ross' other formal education was at Harvard Law School, where he earned his law degree in 1925.

He currently serves as director of Chicago-based CTU, formerly headquartered in Lincoln, Neb.

From 1968 through 1976, Ross was chairman of the company with which he began his career in 1926.

"Under Clarence Ross' stewardship, Central Telephone & Utilities moved into the front ranks of the independent telephone industry," Garnett said. "His active pursuit of technical improvements, his sound financial judgment and his constant emphases on strong management have had a significant impact on the operations of the company."

For information on applying for the scholarship contact the University of Nebraska-Lincoln, Office of Scholarships and Financial Aid.

# District 207 reports on school accidents

A total of 1,154 accident reports were filed by the four Maine Township High Schools in the 1977-78 school year.

While this is higher than the number of accidents reported in the 1976-77 school year, 980, Dr. Richard R. Short, District 207 Superintendent of Schools, said the two figures are not comparable because of the establishment of new criteria for the filing of school accident reports. A report must now be filed for any incident which resulted in an injury to a student, no matter how minor, he said.

Dr. Short pointed out that the new criteria was adopted after the 1976-77 accident report showed a wide variance in the number of accidents reported by Maine South, 399, and the other three schools. At the time it was thought a good portion of the difference was the result of schools using different criteria on when to file an accident report, he explained.

Apparently this was the case, he noted. While Maine South still recorded the highest number of accidents in 1977-78, a total of 418, the number for Maine East jumped from 216 to 331 and for Maine North from 118 to 172.

The only decrease was shown by Maine West, which went from 253 accidents in 1976-77 to 233 in 1977-78. Dr. Short said that his office will study why there still remains such a difference in the number of accidents reported by the three larger schools. He suggested that one reason for Maine South having more accidents is that it has the largest number of students participating in extracurricular activities.

# Niles East record collect additions

"Fleetwood Mac," "Porgy and Bess" and Beethoven's "Pastorale Symphony" are part of a major addition to the record collection of the Niles East High School Library provided by the Easthi graduation class of 1978.

From a list provided by the Class of 1978 Senior Cabinet and funds accumulated by them over the four years of their operation at East, the Library was able to purchase 52 record albums that will be placed in circulation after students return from their winter vacation. They will be made available for overnight loan.

Currently on display in cases throughout the library area, the gift marks the first major infusion of jazz and rock music to the collection, which heretofore has consisted largely of various types of recorded learning tools.

Based on the amount of student interest already expressed as a result of the library display, Mr. Andrew Maggio, the Library Media Center coordinator, indicates that the circulation and care of these records represents a major task for the library staff.

# OCC parking permits

Students at Oakton Community College who want to be eligible for daytime campus parking permits must have registered and paid for spring semester tuition by Wednesday, Dec. 20, according to college officials.

Permits will then be assigned by computer, set at random selection, and students will be notified by mail if they have been assigned a permit. They may purchase the permits from Jan. 2 through 5 between 8:30 a.m. and 5 p.m. from the Bursar's Office in Building 3.

The mailed notification, driver's license and proof of automobile ownership must be presented. Cost of the permit is \$10.

Evening parking permits will be sold on a first come, first served basis on Wednesday, Jan. 3, from 7-9 p.m. Evening permits maybe used on campus after 12:30 p.m.

## ED HANSON

### It Ain't Funny, McGee

"Your columns, Ed, are much better than they read," said Phineas McGee after he perused several of my weekly offerings.

"When you die, McGee," I replied, "I'll send you a fan instead of flowers."

"Good-another switcheroo on an old Mark Twain quip. You're getting the idea, boy," exuberantly exclaimed McGee.

"I understand you got married again, to a rich widow," I said.

"Yes," he replied. "Third time-you could say this one's the triumph of hope over experience."

"Go on - I'll bet you worship the ground she walks on," I said.

"Well, Ed, when you toss an old gagman like me an ancient line like that - presto - it comes out like this: I not only worship the ground she walks on, I don't mind that property she owns on the other side of town either."

"It ain't funny McGee."

"Well," replied McGee, thoughtfully stroking his chin, "How about this: one could say marriage was the first union to defy management. Or, marriage is a business in which the husband is a silent partner." McGee paused, "or the honeymoon is over when the dog brings your slippers and your wife barks at you."

"Or—" "Enough," I exclaimed. "It ain't funny McGee - those are right out of an old joke book."

"They're the best kind. Besides, there are no new jokes. Comedy like music, like art, like subjects for books, has all been done in the last 2,000 years. Nothing's new." McGee shrugged his thin shoulders.

I thought for a moment. Phineas McGee, who I was having lunch with at The Back Room in Niles, was one of our most successful comedy and gag writers. He wrote under several names and during many years has supplied comedy material to a list of name comics longer than your arm. He's a serious looking old geezer, past 70, who resembles a mortician rather than a gag writer, but as he explains it, writing comedy is a serious business.

I haven't seen him for years and when he came to town recently and phoned me to have lunch, I thought, in addition to the pleasure of seeing him again, I could pick up some valuable tips on comedy writing.

"I thought it took a lot of creative originality to write comedy and gags," I said, coming out of my musing. McGee lifted his third Martini saying, "High Noon - Jimmy Carter." And to answer your question in a word: "Baloney!" Our credo is - "if at first you don't succeed - steal!" Steal from old joke books,

## Ski a la carte arrives

One of the most unique ski films ever made, SKI A LA CARTE, is coming to the Chicago area, at Waukegan West High School, Dec. 29-30. ## Winter art classes

The Golf Maine Park District is offering 3 different art classes for the Winter session, which will begin in January. Mrs. Winnie Seibert, who is a very accomplished artist and instructor, will teach each of the classes.

One class will be held on Mondays from 10 until 2 p.m. This adult drawing and painting class is for beginners, and will emphasize techniques in drawing in pencil, charcoal, and pastels, plus the basics of oil painting.

The other adult class will be taught in Thursdays from 10 until 2 p.m. This painting class is for students who learned to work with oils and would like to improve and learn new techniques.

A course in drawing and painting is held on Saturday mornings from 10 until 12 noon for Jr. Hi. and High School students, in which the fundamentals of drawing, with the emphasis on oil painting techniques is emphasized.

The Monday art class will run from Jan. 15 until March 19, while the Thursday art class will run from Jan. 18 until March 22. The fee for each of the art classes will be \$40 per person. This fee is for both residents and non residents of the park district.

The Saturday class will start on January 20th and continue until March 10. The fee for this class will be \$15.

Registration for these classes will begin on Dec. 18. For further information, please call the park district at 297-3000, or stop by the office at 9229 Emerson.

## United Ostomy Association

The North Suburban Chicago Chapter of the United Ostomy Association is planning their "Holiday Meeting" for Dec. 27 in the 10th floor cafeteria at Lutheran General Hospital, 1775 Dempster, Park Ridge, at 8 p.m.

A Barbershop Quartet Group will entertain us with their singing and lead in a "Christmas Sing-A-Long". There will be refreshments and door prizes. "Osto-Bingo" with prizes will be played, too. It should be a fun evening for all who come.

We invite all ostomates and guests to join us. For further information call Marilyn Mau, Park Ridge, 823-6312, or Chester Marshall, Mt. Prospect, 293-2885.

# AMUSEMENT GUIDE

## University of Michigan Marching Band

## Crusade of Mercy reaches 73% of goal

The Skokie Valley Community Hospital employees exceeded their goal and contributed \$5,400 to the Crusade of Mercy according to Linda Noyle, chairperson for the United Way of Skokie Valley. The Chairperson for the campaign at the hospital was Patricia Cornell, Director of Public Relations.

The Crusade of Mercy campaign has reached 73% of its \$110,000 goal. The sum of \$81,250 has been received in cash and pledges from the residents and businesses in Skokie, Niles, Morton Grove, Lincolnwood and Golf according to the Rev. Conway E. Ramseyer, campaign chairman.

## M.G. Library happenings

"Mac the Magician" will entertain at a special Children's Holiday Program at the Morton Grove Public Library on Friday, Dec. 29 at 2 p.m.

"Mac" is really 14 year old John McCue, who resides in Morton Grove and who has performed professionally for the Morton Grove Park District and many other organizations and parties.

## Nilehi top math students take special course

Fourteen students from Niles Township are among 45 seventh graders in the north suburban area who have been invited to take part in a "Fast-Paced" mathematics course offered at Niles West High School. Identified by a test administered under the auspices of the North Suburban Mathematics Talent Search to 184 youngsters who had already scored in the 98th percentile or better on the mathematics section of their most recent standardized tests, these students began work with Mr. Don Field of the Westhi math department the week of Nov. 27. They are: Christine Baransky, Barry Cohen, Michael Luccioni and Martin Swindler of Lincolnwood; Nick Brustin, Sally Cohen, Curt Goldstein, Michael Oettinger and Deborah Veis of Skokie; James Davidson of Niles and Robert Bielinski, Steven Faingold, David

Glassner and William Numrich of Morton Grove.

The program, under the overall direction of Mr. Dale Flick, director of theoretical sciences at Niles East High School, is designed to accelerate the mathematics progress of gifted seventh and eighth graders so that when the two year course is over, most of the students will have successfully completed work equivalent to the junior year honors curriculum. The seventh grade work concentrates on

algebra; the eighth grade class, taught by Mr. Dennis Fillman, also at West, offers the geometries—plane, solid and analytical.

The program replicates the Johns Hopkins University Mathematics Talent Search and the two West teachers went to Baltimore for training. This is the second year of the program's existence and what was originally funded as a pilot project by the federal government is now being offered on a fee basis by District 219.

### PEANUT PFEFFERNUSSE

1-2/3 cups unsifted flour  
1 teaspoon baking powder  
2 teaspoons ground cinnamon  
1/2 teaspoon ground cloves  
1/2 teaspoon ground mace  
1/4 teaspoon pepper  
2 eggs  
1 cup sugar  
1/2 cup very finely chopped Planters Cocktail Peanuts  
1/2 cup very finely chopped candied citron  
1 teaspoon grated lemon peel  
Confectioners' sugar

Thoroughly blend flour, baking powder, cinnamon, cloves, mace and pepper. Set aside.

Beat eggs until light. Gradually beat in sugar. Continue beating until very light and thick. Stir in dry ingredients, then mix in cocktail peanuts, citron and lemon peel. Shape mixture into 1-inch balls. Place on greased baking sheets. Cover with wax paper and let stand overnight.

Bake at 350°F. for 20 minutes. Roll in confectioners' sugar. Place on wire racks to cool. Store in a tightly covered container 1 week before serving. Makes about 4 dozen.

Note: Cookies will be less hard if stored in container with a fresh whole apple.

## "The Hobbit"

The St. John Brebeuf eighth grade has entered the mythological world of middle-earth. As seventh graders last year, the students made a study of J.R.R. Tolkien's The Hobbit. This year, literature teacher, Mr. Bruce Shively, decided to encourage interest in Tolkien by introducing the students to the trilogy The Lord of the Rings. After the initial presentation, the students pursued their own method of study. On a completely voluntary basis, approximately seventy students immersed themselves in a total of thirty-six various projects. The Tolkien enthusiasts made posters, drew maps, invented games, and learned the Runic script. One group of students, using a segment of The Hobbit for the plot, wrote their own play in the language of the Hobbits, made costumes, and performed for their classmates. A field trip to see the film The Lord of the Rings culminated a most interesting project.

## Maine East Food Occupations Program

Newspaper headlines routinely report unemployment highs and lows, but for students enrolled in the Maine East Food Occupations program, there seems to be little difficulty in finding work. Mrs. Barbara Meyer, Food Occupations co-ordinator, states that area employers frequently call her regarding job openings for her 41 students.

First quarter at Maine East ended Nov. 3, and some areas of study for the Food Occupations students were labor laws, job safety, food service industry and food preparation. During the second quarter the class will discuss food preparation, quantity food, and sanitation.

The program officers are Ray Ziebell and Scott Schmaren as presidents, Diane Chesrow and Janet Zajdel as treasurers.

Mrs. Meyer has been teaching the program for four years this coming January and has her bachelors degree from Western Illinois University. She is currently working for a masters degree from the University of Illinois.

Students in one of two classes of Food Occupations at Maine East are Carlos Camargo, Holy Family; Wendy Caplan, Ponderosa; Diane Chesrow, Benningan's; Brian Cohen, Jewel; Mike Gibbs, Doc Weeds; Antonette Ingrad, Vindr's; Sue Kanter, Arby's; Jeannine Karbowski, Esposito's; Vicki Mennig, Pinocchio's; Dawn Merchant, Lutheran General Hospital; Jim Mooney, Butera; Jim Pannarale, Dominick's; Jill Povsher, That Joint; Steve Rabito, Dominick's; Bob Schuhmann, Hungry Hobo; Rich Ternstrom, Plush Pup; Carol Wisniewski, Jewel; Ray Ziebell, Maloney's; Bruce Abrams, A & P; and Steve Sok, Sign of the Beefeater.

Other Food Occupations students are Sue Ahn, Arvey's; Robbie Ball, Rosati's; Jeff Bersh, Bagels & Biale's; Bill Caplan, Irving's; Roxanne Gelado, Zweig's; Marc Good-

man, A & P; John Gulliksen, Boston Sea Party; Jim Hanson, Spicer's; Carol Hildebrandt, Tasty Pup; Martin La Sosa, Jewel; Joanna Minore, J.C. Penney's; Marc Passarelli, Butera; Tim Peters, Boston Sea Party; Beth Schlichting, Gizmo's; Scott Schmaren, Spicer's; Angela Szmot, Lisa's What's Cooking; Ed Trujillo, Benningan's; Bonnie Wagner, Jewel; Janet Zajdel, Cal's; Laura Richter, Gizmo's; and Bruce Frankel, Irving's.

A graduate study done by Mrs. Meyer last year showed that 50% of the graduates during the last year have remained in the field, and she points out that, for example, Ron Camacho is a chef at Brigante's in Park Ridge, Steve Roberg is a cook for the U.S. Army stationed in Georgia, and Carrie Nahabedian is a chef at Resorts International in Atlantic City.

## Winter art classes

## Cancer Society thanks Norwood Executive

Recently, Donald J. Babicz, Executive Vice President of Norwood Federal Savings and Loan Association, completed a successful American Cancer Society fund raising drive. Mr. Babicz has acted as northwest side Regional Chairman for the past four years. Seen here (right) with the organization's Regional General Chairman, Bernard Molay (left), Mr. Babicz was presented with a "Job well done" plaque.

The bulk of funds collected in this region stays here for educational, service and research purposes and the rest is directed toward overall cancer research.

According to Mr. Babicz, "We think this type of community service sets Norwood Federal apart from its competition and we continually encourage all of our staff members to 'get involved.' It's one way we show appreciation to the many area residents who have supported us for the past 51 years."

In addition to Norwood Federal's main office at 5813 N. Milwaukee ave., Norwood operates three branches at 5415 W. Devon ave. and 6205 N. Northwest Hwy. in Chicago and 980 N. Northwest Hwy. in Park Ridge.

## SureBlood Drive

Employees of Holy Family Hospital, 100 N. River dr., Des Plaines, will be participating in a SureBlood Drive Monday, Dec. 18 from 10 a.m. to 4 p.m. Sister Pancreatia is coordinator of the blood drive, which is held in cooperation with the North Suburban Blood Center, the volunteer blood donor program of the north and northwest suburbs.

If you are willing to be a volunteer blood donor, call the North Suburban Blood Center at 298-9660. You will be directed to the nearest donor station to your home or office.

Sanitary Sewer which would go by the Avon property. If the grant is indeed realized, the federal government will pay 50% of the cost which is about \$800,000 and the Avon Corp. has indicated they would help with part of the remaining cost.

Administrator Fred Huber said he recommended accepting the low bid of the Nortown Sewer Co. of \$2,990 for a Tranco Flood Control Unit at the Grove School. The board concurred.

Then Mr. Huber said only one bid on the Police Communication Radio System was received, that being from the Motorola Company in the amount of \$67,527. This is for the new Grove School facility, and Joan Dechert moved to accept this bid subject to its review by Chief Glauner and Jim Huber, Project Director. The board agreed.

Mayor Flickinger announced new Trustee Lewis Greenberg would be responsible for the following committees: Health, Sanitation, Air Pollution, and Beautification.

Dr. Ron Henrieli said Officer Stan Kubas of the Morton Grove Police Dept. has attained the NO. 2 position in the entire state and been duly awarded by the Governor's Top 20 for pistol shooting. Officer Kubas is to be congratulated for his fine marksmanship.

Henrieli then noted that from Nov. 27 to Dec. 10, the Fire Dept., answered 71 alarms and the paramedics were called out 11 times.

These will be put up by the men of the Public Works Dept. and the village is contributing to the cost of the decorations. Our Board of Directors has also voted to contribute toward the American Legion Post 134 annual Santa Claus Comes To Town for our local children.

Our three Chamber members who are representing us for the review of the village sign ordinance are holding a meeting this week with the members of the village board and the sign board review committee.

And now, on behalf of our Officers and members of our Board of Directors and myself, we wish each and every one of you a happy and prosperous holiday season.

Eateries . . .

Cont'd from Niles-E.Maine P.1 noted the area south of Golf rd. had been originally zoned for a bank facility but now desired rezoning for a Wendy's similar to that on Harlem ave. north of Touhy.

In response to Board queries, he said "We feel the patrons will bring more business to the shopping center."

Rezoning of the eateries were recommended for approval by the Plan Commission and Zoning Board at the Oct. 9 hearings.

Trustee Peter Pesole, a longstanding and outspoken opponent of new eateries in Niles remained silent thru the proceedings other than to cast an approving vote for zoning changes.

In other actions trustees passed into law the vacating of an alley bounded on the north by Howard st.; on the south by Birchwood; on the west by Waukegan rd. and on the east by Nottingham ave.

Approved amendments to the Planned Unit Development ordinance but on advice by legal counsel proposed that a pre-application conference on a requested zoning change be made a suggested option to the petitioner rather than a mandatory requirement.

Discussed an amendment to the village building code to permit use of construction material other than the solid masonry (brick) as required by village code.

Building and Zoning Director Joseph Salerno said legal counsel indicated that inside construction must be concrete block while the exterior wall could be of masonry construction but must be "fire resistant and non-combustible."

Trustee Pesole objected to the ambiguous wording. "The whole concept of construction is changing in this town...we must take a very careful look in amending the code," he cautioned pointing out a recent Board denial for glass block construction of 6 proposed stores on Courland ave.

In agreement Trustee Angelo Marcheschi said there were many new building features on the market, such as structural steel and suggested "we must incorporate these in amending the code..."

Salerno was directed to submit a proposed amending of the code in writing for review by the village board.

In other business Mayor Blase appointed Trustee Orville Ottow to the Police and Fire Pension Board, replacing Ralph Bast.

Niles resident and attorney George Gauthier will succeed to the Fire and Police Commission as replacement for Commander George Hanson "who has performed an exemplary job," noted Blase. The Commander is retiring to a home in Florida.

Holiday burglary prevention tips

Morton Grove Police Chief Norman Glauner reminds us that the holiday burglary season is near. The holidays when many home owners are away shopping or gone for the weekend are an ideal time for burglars and petty thieves to apply their illegal trade. It is therefore essential that the home owner take every precaution in preventing a burglary of his home or garage.

Remember this, burglary is not something that always happens to the man down the street. Maybe you have never had anything stolen from your home or garage and have allowed yourself to become lax in precautions. If so, consider these common sense rules:

- 1. Make sure that you have good lighting in and around your home at night, whether you are there or not, and connect one or more lamps to an automatic timer to turn lights on and off.
2. Do not keep cash in any great amount at home, or other items of unusually high value. Rent a safety deposit box at the bank.
3. People who live in apartments should be alert to strangers in the building and report suspicious movements at once. It is a known fact that apartment thieves frequently operate during daylight hours.
4. Close and lock all doors, including porch, basement, and garage. Make sure all windows are secured. Consult a local locksmith for burglar-proof hardware for windows and doors.
5. Keep a record of the serial numbers on appliances, tools and other home machinery of value. If no serial number is on them, have your driver's license number put on them in a hard to find place. Records and identifying marks of this type help to prove the item is yours if it is ever stolen and assists the police department in returning it to the owner.
6. If you are leaving for a weekend or longer, notify your police department when you'll be leaving and when you expect to return.
7. Cancel all deliveries, such as milk, laundry, newspaper, cleaning, etc.
8. Have a neighbor or the post office hold your mail until you return.
9. Never advertise your departure with an item in the local paper. Give the story about your trip after you've returned.
10. Tell the right people. Ask your neighbors to watch your home and leave a key with one of them. Ask them to report any suspicious persons or cars to the police immediately! The police telephone number is 965-2131.

Recycle papers now more than ever

Despite recent newspaper stories about paper surpluses, the Niles Township Reclamation Center still is in need of your newspapers. According to the Center's business manager, George Brabec, our nation is currently consuming trees faster than they can be grown.

You can help by bringing your bundled newspaper and cardboard to the Niles Township Reclamation Center, 7929 Austin, Skokie. The Center, which is open Wed., Thurs., Fri., and Sat. 8 a.m. to 5 p.m. needs your newspaper...now more than ever.

Park seeks . . .

Cont'd from Niles-E.Maine P.1 Niles position but, he noted, as an all-out proponent for employment of Niles residents to park positions, said he "is channeling all efforts toward that goal."

Those interested may call the Park District office at 967-6633.

Bavaro will replace Orville Ottow on the Niles Plan Commission and Zoning Board. Zoning Comr. Syd Mitchel was made secretary of the Plan Commission.

The next, Dec. 26, meeting of the Niles Village Board was cancelled due to the Christmas holidays.

There is no such thing as a "burglar-proof" house says Chief Glauner. But, following the suggestions listed will definitely help to protect your property. For additional burglary protection information contact your Morton Grove Police Department Crime Prevention Bureau at 966-7800.

Area students receive B.A. degrees

Two area students recently received their Bachelor of Arts degrees from Lake Forest College upon completion of academic requirements.

They are: E. Richard J. Goddard, son of Mr. and Mrs. B. Richard Goddard, 9024 Sleeping Bear, Skokie, received his degree in economics and physics. A freshman transfer from Northern Illinois University, Goddard was a varsity baseball player for four years, named to the Midwest Conference All-Star baseball team as a freshman. He was also a two-year varsity football player.

Jeff L. Manor, son of Mrs. Thomas Manor, 7740 Nordica st., Niles, received his degree in politics. A sophomore transfer from Wilbur Wright College, Chicago, Manor was a senior dean's list student.

Glass-paned doors

Do you have a glass-paned door? The safest solution for a door like this is a one-inch dead-bolt lock that requires a key to open on either side.

If you have children, remember that this type lock will make it impossible for them to get out in an emergency. An alternative is to place a strong metal grillwork over the windowpanes in the door.

The management company which made a study of Niles Public Works Department. Keith Peck, who heads the Engineering Department will be officially recognized as the head of the Public Works Department. Technically, Keith's department has always been at the top rung in the hierarchy in charge of this department. Ed Bacher, who has been Mr. Niles Public Works Department for many years, will still be up at the top in charge of the Streets and Sewers Division of the Department.

While some village insiders may raise their eyebrows at the new chain of command, it is an administrative adjustment which has been on the books for years. Keith and Eddie are both well-qualified in their own areas of expertise, and Niles is most fortunate at having two such dedicated men working on their behalf.

WBBM Radio has been running a series of one-minute programs concerning the Selective Research Program which is being used in School District 63. They noted 15 school districts in Illinois now use the program as well as 300 districts thruout the country.

As we've reported the past 3 weeks the Perceiver-Interview program is at the crux of contention of the firm's critics. The responses to a 12-part questionnaire given to teachers, are supposed to correspond to a success model the company has developed.

District 63 Board president Larry Reiss said legitimate concerns about the program should be answered. However, he feels nothing of substance has been given to him by critics of the program.

Larry noted the entire program is based on closer working relationships between teachers and the administration. He said perhaps some teachers feel threatened by such a program.

The questionnaire, followed by taped interviews, are for teachers' self-appraisal. Reiss said one teacher active in the union has high regard for the program and he is very supportive of it. Nevertheless, several teachers active in the teacher's union are wary of the program. While no one spelled out their fears, it is possible teachers may be concerned such a question-answer program, with specific responses, could be used in the future to shorten their years in the district.

Centel plans acquisition of Florida distributor

Agreement in principle has been reached for Central Telephone & Utilities Corp. (CTU) to acquire Peninsula Communications, Inc., a Tampa, Fla. distributor of business communications equipment. CTU is the parent organization of Central Telephone Company of Illinois.

The announcement was made jointly by Sam Bullara, president of Peninsula Communications, and Robert P. Reuss, CTU chairman. Terms of the cash transaction, expected to be completed in January, were not disclosed.

Peninsula Communications installs and maintains business communications systems and auxiliary equipment in the Tampa Bay area and west and central Florida.

President of the Library Board of Trustees added, "The property is uniquely qualified for library use. It is located in the center of the village at the intersection of three main streets (Crawford, Pratt, and Lincoln), and has adequate interior space as well as a large parking lot. Its single story, unencumbered space construction allows for maximum flexibility, efficiency, and economy in arrangement of space for library functions."

A plan for the interior remodeling for the new facility was drawn up by Mr. Robert Hunter of O'Donnell Wicklund Pigozzi Architects Inc. of Northbrook and is on display at the library. Library Director, LaDonna Kienitz, said, in referring to the announcement, "I am delighted. The new larger facility will make it possible to provide increased and better service for Lincolnwood."

Initial costs of adapting the present building into a pleasant and comfortable library facility, including necessary construction to incorporate legal health and safety standards, will be met by public subscription. A campaign committee headed by Mayor John Porcell, Marvin Fink and Michael Friedman is in the process of being formed. In commenting upon the purchase, Mayor John Porcell said, "The Library Board is to be congratulated! It is now up to the community."

The acquisition of the Pier 1 building has been a goal of the Library Board since it was discovered that it might be available. Madeleine Grant, President of the Library Board of Trustees added, "The property is uniquely qualified for library use. It is located in the center of the village at the intersection of three main streets (Crawford, Pratt, and Lincoln), and has adequate interior space as well as a large parking lot. Its single story, unencumbered space construction allows for maximum flexibility, efficiency, and economy in arrangement of space for library functions."
