Park District receives increase in CETA funding

by Alice M. Bobula
Federal funding to the Niles Park District under the Comprehensive Employment Training Act (CETA) has been increased by \$12,600 to \$50,098.50 and the grant extended a month to January 31, 1979.

During the Niles Park District Board meeting Dec. 19, Park Director William Hughes told commissioners that he didn't know the exact status of the Federal grant but "I do know the Park District is approved for monies thru Jan. 31."

Park officials were notified Dec. 18 by Manpower Services Co-ordinator Joseph P. Monaghan that a modified CETA grant would allow additional funding to the ending Jan. 31 date of the project. Further, he said, allowances were restricted for combined park Administration, Training and Services to 7% (down from 10%) of total expenditures.

The Co-ordinator also put a freeze on further hiring by the park under the CETA grant.

Hughes said 5 of the 7 park positions had been filled; 2 park ranger positions remain open.

In retrospect, a park district grant approved by CETA last

Oct. 10 for approximately \$150,000 subsidized federal funding of 15 Niles park positions geared to maintenance and security of parks and facilities, public relations and additional park programs.

Notification by CETA officials last November slashed 50% of the federal funding to a total \$74,997 for the twelve-month period thru Sept. 30, 1979, necessitating a cutback to 7 jobs.

CETA approval of the original grant conditioned on a quarterly basis Oct. 1, 1978 thru Dec. 31, 1978, made available to the park federal funds of \$37,775. Hughes said the district has used approximately half of the allotment.

The intent of the CETA project is to get unemployed people back to work.

In other business Commission announcements park board elections are slated for Tuesday, April 17 for election of 2 park commissioners each for 4 year terms.

Park Board seats vacated by Millie Jones and Jack Leske are now held by appointment.

Candidates may obtain petitions at the park district office, 7877 Milwaukee ave. The first day of filing petitions is Jan. 8, 1979. The last day to file is Jan. 22.

Commissioners were informed by Director Hughes Tuesday that the park district "has en-

tered the gift certificate market for the Holiday Season." He said additional park revenue has been realized from sale of "up to \$80 in gift certificates for golfing rounds." The gift certificates may be used in any park area of swimming, ice skating, etc.

"Hughes said Park Districts are being legally pressured into purchase of a Performance License which permits radio music to be aired over a public address system during park programs.

With a choice between SESAC, Inc. and ASCAP for a \$80 license fee (based on seating capacity) Hughes said the park may decide on licensing by ASCAP which provides for more range in entertainers.

The licensing will be a first for the Niles Park District which has been exempt as a non-profit organization said Hughes. He noted that Glenview has "fought the licensing for 2 1/2 years."

"Commissioners were told a proposed Personnel Policy Manual "long overdue for the Niles Park District" is in the drafting for review by committee Thursday Jan. 4 at 8 p.m.

"Commissioners noted the resignation of Tom Bernahl, Recreation Supervisor at Grennan Heights, who is leaving for employment with the Waukegan Park District.

Cancer education program scheduled

The cancer education program sponsored by the Morton Grove Health Department originally scheduled for Jan. 23, 1979, has been rescheduled for Tuesday, Jan. 30.

The program, Everything You Always Wanted to Know About Cancer but Were Afraid to Ask, is designed for cancer patients, their families and others interested in learning to cope with the emotional aspects of the illness. Through the program, a setting is provided for cancer patients and their families to share their feelings and ex-

periences with others in similar situations.

Information on Chicago cancer resource groups and materials will also be available.

Speakers and discussion leaders will include Jean Busby, from the Lutheran General Hospital Oncology Unit, Virginia Kaiser and Rosa Bromberg, who are group leaders from Evanston Hospital's Cancer Discussion Group, and Anita Siegel, from Make Today Count, a national volunteer group of cancer patients and professional people.

The program, to which any interested person is invited, will be held at the Morton Grove Public Library, 6140 Lincoln, and begins at 7:30 p.m. on Jan. 30.

For further information, call Maggie O'Malley at the Morton Grove Health Department, 965-4100.

Senior Citizens' NEWS AND VIEWS

SIJ 55 Plus Club News

Sincere wishes for a blessed and happy, healthful and prosperous New Year are extended to all from President Peter Lencioni and officers of the 55 Plus Club.

The Club held their annual Christmas party Sunday, Dec. 17, at the Chateau Ritz, with 150 members in attendance. Party started at 11:30 with cocktails and Hor d'oeuvres with a delicious dinner following. We would like to thank John, David, Rose and the staff of the Chateau Ritz for the wonderful service and dinner and the champagne for our door prizes. Look Out Hollywood! Our floor show was terrific... with Amelia Timpe, Thelma Patton, Rozella Gloriana, Helen Murry, Bill Patton, Marty Corcoran, Frank (Chico) Gloriana putting on the show and yes, they are all members of the 55 Plus Club along with Mario's Society Orchestra who also are members. Leader Mario Arquilla, Louie Bassi, drums, and Gene Timpe, piano Mario plays the Sax... Honored Guests were Mayor Nicholas B. Blase, Msgr. John Flanagan.

Highlight of the Party was the appearance of Santa (Angie Pranske) with a gift for each member. Happy Birthdays were sung to Tess Land and Rudy Proszek and our Sunshine Lady Betty Pape and the members who had birthdays in Dec. Happy Anniversary to Catherine & Elmer Glynzski, Ida and Frank Paoletti. Congratulations to Jerome and Anne Mostak on their recent marriage.

We have a great club, that will be greater when everyone gets into the act. So come on... let's make 1979 a smashing big hit. Let's see a big crowd for our January 11 meeting. Glad to see Harold Warmann off the sick list and at the party. Walter Jabczyk and Helen Hemesoth are progressing and we hope to see them at our meetings soon.

The 55 Plus Club expresses its sympathy to Harriet Kanzer upon the death of her husband Edward. Please remember him in your prayers.

Last but not least I'd like to mention that Our Pastor Rev. Elmer Klug, Rev. Richard J. Brouil and of course our Moderator Fr. Frances J. Cerniglia were at the party too...

Niles All American Seniors Club

The year end held many interesting and exciting happenings for us. Our visit, early in December, to the Christmas Tree Story House in Lake Forest with its 100 theme decorated trees, sparkling like jewels, fascinated and awed our seniors. The evening ended with a gourmet dinner at the Round Table in Libertyville.

Then, our Christmas Dinner Dance at the Lido's attended by all Club Members was another occasion which delighted everyone, and was a huge success.

At our club meeting just prior to the holidays, our very first raffle was held. Everyone did their utmost to make it successful by selling book chances. Prizes and winners were—\$37.50 E. Bond won by James Davidson; \$25 Savings Account—Carrie Davidson; Jiffy Skillet—Sylvia Arnold; Hair Dryer—Mary Porzak; \$12 Gift Certificate—Lila Karnatz; Hostess Tray—Emily Schuett; \$12 in Trade—Gladys DeSouza; Golf Balls—Len Leonard; 4 in 1 Broll—Svea Lutgen; Car Robe—Ray Nowicki; General Electric Clock—Marie Wadman; and Ruby Hostess Set—Stella Orzeske. Our thanks are extended to the Niles business houses who donated the above prizes for the success of our raffle, and our members want to add a wish to them for a very happy and successful New Year.

We want to take this opportunity to thank the Staff of the Bugle, the Trident Senior Center, the Staff at the Recreation Center and the Officers of the Village of Niles sincere wishes for Happy Holidays and a Happy, Healthy and Successful New Year.

Senior Adult Center, Leaning Tower Family Y

A new slate of officers for 1979 has been elected by the membership of the Senior Adult Center of the Leaning Tower Family Y. Mr. Herb Gosstrom will be the new President and Mr. Edward Detloff the new Executive Vice-President. Other members elected as officers are: Virginia Sterling, Helen Davidson, Marie Kempf, Joe Chunowitz, Norm Loderhose, Maurice Aron and Robert Elizian. All are most pleased with their election, and are looking forward to serving their fellow members in their new capacities, with much enthusiasm.

The officers will be officially installed by Mr. Al Mattison, Senior Development Counsel, on Jan. 8, at 1 p.m., during the monthly Business Meeting.

Northwest Suburban Jewish Friendship Guild

The Northwest Suburban Jewish Friendship Guild held their meeting Dec. 19. We had our Chanukah Party and a delightful lunch was served. A musical program and grab bag made our party a success.

The next meeting will be held Jan. 2. Refreshments will be served at 12:30 which will be followed with Bingo. You do not have to be a member to attend. All meetings begin in the Friedman Social Hall at 12:30 p.m.

Morton Grove Seniors Party

Members of the Morton Grove Senior Citizens attended their annual Christmas Party at the American Legion Hall. The Niles East Chorus sang holiday music and an instrumental duo played for singing and dancing. For information on Seniors activities at the Morton Grove Park District contact Leo Provost, coordinator at 965-4359.

Key registration

The Morton Grove Police Department Crime Prevention Bureau would like to announce its new key registration program. The program which is available to all Morton Grove residents works like this:

Each tag is individually numbered as is a corresponding file card. The resident fills out the file card and returns the completed card to the Village Hall. If the resident's keys are lost the keys may be dropped in the nearest mailbox or returned to the Police Department, which in turn will contact the owner.

The key tags are available at the Morton Grove Village Hall, 6300 Lincoln ave.

The Morton Grove Police Department Crime Prevention Bureau hopes this new Crime Prevention program will act as a constant reminder to the public that the best defense against crime is prevention. Lock your car and home.

Students entertain St. Benedict's residents

On Wed., Dec. 6, residents of St. Benedict's Home in Niles enjoyed an outing sponsored by St. Juliana's Ladies Guild. The highlight of the evening was the play, "Hansel and Gretel", performed by St. Juliana's 5th grade students under the direction of Mrs. Evelyn Henek. The boys and girls worked long hours memorizing, painting and practicing for their parts. The finished product showed the results of their efforts.

Maine East Debate team

At the recent Thornridge debate competition three Maine East junior varsity debaters received recognition. Joel Liber-

son and Lenny Gail won third; Merle Weiner was top speaker; Lenny Gail was second speaker; and Joel Liberson was eighth.

In addition, two teams (Jeff Galkin and Jody Sostrin, Bill Loebakka and Scott Gauss) tied for first place in varsity level competition. Galkin was also first speaker, Loebakka third, and Sostrin seventh.

Oakton hopes to resolve Niles North controversy

OCC Board chairman Bruce Friedman expressed the hope that the controversy concerning the offer by the college to purchase Niles North High School will be resolved in the near future to the satisfaction of all parties concerned. Friedman made his statement following a short executive session at the regular monthly meeting of the Oakton Board of Trustees on Tuesday night, December 19.

The text of Friedman's statement follows:

The pending situation of the proposed purchase of Niles North has been well publicized in the press. Oakton has made an oral offer to purchase that building. The terms of that offer are common knowledge. The Niles Board has been deliberating with respect to the pros and cons of that offer. They have sought the advice of experts with respect to the demographic studies, evaluation, etc. This process is continuing. We welcome the process because we think the decision on closing any school should be an informed decision, and a decision that must be good for both 535 and District 219. We have no qualms with respect to the inquiries being made by the 219 Board.

However, there is a problem which relates to timing - Oakton currently has pending a request for funding of Phase II of the Des Plaines campus. That request is being acted on in Springfield and given the fact that the resolution on Niles North appears to be indefinite, Oakton has no alternative but to pursue funding for

Phase II. To lose those funds, if Niles North should not be resolved, would be disastrous for this college district. Accordingly we are going to pursue the funds allocated and earmarked for Phase II construction.

In the interim we hope further discussion can take place between Districts 219 and 535 toward the goal of resolving this question as expeditiously as possible and in the best interest of all parties.

We feel time is a factor that runs against all involved because once funds are allocated for Phase II funding, it may be a moot point as to whether 535 can or will purchase Niles North.

We hope all efforts will be made to enable the parties to get together and discuss how best this problem can be resolved. Both of our districts have had our hands tied because of the court injunction and we cannot discuss the situation or possible alternatives that would satisfy 219 and 535. It would be our urging that all efforts be made by District 219 to put itself in posture to discuss these problems to the end of resolving this matter at the earliest possible date.

We continue to be hopeful this matter will be resolved in favor of the purchase because we think it is not only a great opportunity for 535 but especially for the 219 residents because they are the primary beneficiaries of having the college in their locale. Time is of the essence and we feel all efforts should be made to expedite the situation.

That is the statement of the Oakton Board of Trustees.

Maine Demos' slate

Maine Township Regular Democratic Committeeman, Nicholas B. Blase, met with the nominating committee and the following members were slated for office:

Board of Directors - Peggy Barry, Priscilla Berg, Sam Bruno, Pat Feichter, Arthur Thonander, George Hall, Tom Bondi.

Executive Officers - Pres. Lawrence Wagner, 1st Vice Pres. Louella Preston, 2nd Vice Pres. Robert Nebgen, Treasurer Eileen Kenaney, Secretary Sandy Goggin, Corr. Secretary Dottie Tyse, Sgt. at Arms Ray Buhr. The election of the Maine Township Democratic Organization officers will be held in February. Blase said that we had a strong year and that we carried the majority of the county ticket and we look forward to a great new year with its new officers.

Disco on Ice

It's here again... Skokie Park District's answer to the Disco Scene. The Skatium indoor ice rink is proud to announce its second "Disco on Ice" planned from 8:15 to 10:15 p.m. on Saturday, Dec. 30.

Special sound and lighting effects, taped music and a live DJ will all be yours for only \$2.50 per person.

This new and exciting concept in ice skating is presented by Imagination Disco. All ages, junior high age and older are invited to attend.

Ice skates can be rented for 50 cents per pair. Concessions will be open for a variety of refreshments.

The Skatium is located at 9300 N. Bronx in Skokie. For additional information call 674-1500, ext. 60.

Make More

5% Savings/Checking Accounts

Make More accounts are a combination of savings and checking accounts that enable you to earn more interest on your demand deposit accounts. By pre-authorizing automatic transfers from savings to checking, as needed, your checking account can be kept at zero balance while your savings account keeps earning regular 5% interest.

How To Qualify For Make More Accounts

Make More accounts involve specialized handling and bookkeeping; consequently certain requirements must apply. No minimum balance need be maintained in checking but \$2,000.00 or more must be kept in savings. A savings account that falls below \$2,000.00 is charged \$5.00 for each month this occurs.

How Make More Accounts Work

When you open **Make More** accounts you authorize automatic transfer of funds from savings to checking as needed to cover checks you have written. Since your checking account may have a zero balance, the automatic transfer feature means constant overdraft protection. At all times your balance in savings earns regular 5% interest, paid monthly. At the close of each monthly cycle a combined checking/savings statement is issued.

Advantages of Make More Accounts

Make More accounts mean that all your dollars will earn 5% interest in the savings account instead of lying idle in the checking account. 5% interest from day of deposit to day of withdrawal, paid monthly. Moreover, if you have several savings accounts in different places, it would now be advantageous and far more convenient to consolidate them into one interest bearing **Make More** savings account which, when combined with **Make More** checking, simplifies the handling of funds.

Making You More Interest is Our Interest

Come in soon. Your personal banker at the First can explain how you can make 5% on money that's never earned interest before. Because your money can now keep earning more, we call these accounts **Make More** accounts.

Other goals for Niles were scored by Anthony LoVerde assisted by David Englund, Chris Addante assisted by John Greeland and Danny Gaines unassisted.

ND gridders end season with 5-4 record

Watching the 1978 Notre Dame Varsity play football could aptly be described as a rather fascinating experience. It was impossible to predict how they were going to perform from week to week. Their 5-4 record can accurately be termed a success for two reasons. It marked the school's first winning season in four years. In addition, this squad started out the season so small and inexperienced that not to much was really expected of them. During the course of the nine game schedule the Dons covered the whole gambit, beating a couple of teams after losing in as the underdog and going in as a couple of games that could have and probably should have been won. In either case, they were seldom dull to watch.

Among the season's real highlights was what literally turned out to be a last second victory over Loyola. The Dons moved the length of the field with only 1:34 left to score the game tying

touchdown, then threw a successful two-point conversion pass off a kick fake. Equally as rewarding for the Dons had to be their overtime decision over long standing rival Holy Cross. This victory marked Notre Dame's first win over the Crusaders since 1969, and helped to assure a winning season.

The '78 season saw the Dons going to a much more wide-open passing attack, and this led to several players having outstanding individual years. Quarterback Rick Dietz was among the most productive in Notre Dame history, throwing for 948 total yards and nine touchdowns. Wide receiver Mike Rigali had what can only be described as a great year. Despite being only 5'7" and 140 lbs. Rigali caught 22 passes for 319 yards and six touchdowns, making him one of the leading scorers in the ESCC. Bob Biassi was right behind with 21 receptions for 258 yds. Tony Jeffitta, among others, made a

OCC Raiders beat Moraine Valley

The Oakton Raiders basketball team defeated Moraine Valley Community Colleg 72-61 on Saturday, Dec. 9 but then lost to Gateway Tech 92-82 on Monday, Dec. 11.

Against Moraine Valley, Oakton had four players scoring in double figures. Mike Dickens, Oak Park, led the Raiders with 22 points. Dave Areen, Park Ridge, netted 16 while Randy Miller, Northbrook, and Nick Balaban, Chicago, added 15 and 12. Areen also collected 16 rebounds.

Oakton's game with Gateway was a high scoring affair. Dickens poured in 34 points while Areen notched 30, but the Raiders couldn't stop Gateway's powerful attack. Dickens went 14 for 14 from the free throw line thus breaking Oakton's old record of 13 for 13 set by Larry Gawaluch in 1971. Overall the Raiders hit 26 of 28 free throws.

It's only pocket money.
You can watch it go, or watch it grow.

Unless you're different from most people, you probably spend several dollars every week on little things — things you buy out of "pocket money."

But, if you saved that money regularly, even a little bit at a time, you'd see that pocket money does add up. And when you save it at First Federal of Chicago, it not only adds up, it earns interest.

So to help you save, and save regularly, First Federal has set up a plan. It's called Bill-Me. And that's exactly what it does. Every month, First Federal will send you a "bill" for a predetermined amount. Then you just pay your savings account

along with the rest of your bills. Saving regularly is a good habit to get into, and you'll be surprised at how quickly that pocket money becomes a real fistful of dollars.

Even if you already do save regularly, it makes sense to put your money in an account at First Federal of Chicago. You can open a savings account with as little as a dollar bill, and depending on which plan you choose, your money will earn either 5 1/4% or 5 3/4% interest, compounded daily.

There's a whole range of saving plans to choose from at First Federal, each offering the highest interest rates allowed by law.

And, there are 27 convenient First Federal offices in the Chicago area.

Why not stop in soon. Talk to one of our trained financial counselors and set up a savings plan that will work for you. Then, sit back and watch your money grow. It's a lot more satisfying than wondering where it went.

"I Quit" smoking clinic

A Resurrection Hospital survey of participants in three previously conducted "I Quit" Smoking Clinics indicated that a majority of those who attended the clinics were helped. Fifty-five percent of the respondents stated that they had been successful in kicking the smoking habit.

Registration is now open for an "I Quit" Smoking Clinic at Resurrection Hospital, Jan. 8 through Jan. 11. The free clinic will begin at 8 p.m. on each of the four evenings in the ground floor conference room of the hospital located at 7435 W. Talcott ave., Chicago. Smokers may register by sending a postcard with their name and address, including any family members that may be accompanying them.

Postcards should be addressed to: "I Quit" Smoking Clinic, Resurrection Hospital, 7435 W. Talcott ave., Chicago, Ill. 60651. Attendance will be limited to the first 175 registrants.

Reviewing the notes from the December meeting of Marillac High School's Mothers Club with club President Rita Pilawski, is Mrs. Carolyn Lake of Niles, the club's new secretary. Mrs. Lake recently assumed her position and she is looking to an exciting winter and spring with the group. Her daughter Kim is a sophomore at the Northfield school.

OCC Child Development Center openings

Several openings remain for area children at Oakton Community College's Child Development Center for the 1979 spring semester. Classes will begin the week of January 15.

Openings are available in both the Monday-Wednesday-Friday morning sessions, and the Tuesday-Thursday afternoon sessions.

"The Tuesday-Thursday session is especially good for young three-year-olds," said Pat Kovar, director of the Center. "It tends to be a smaller group, and the children receive lots of individual attention," she added.

The Center's program offers a variety of activities designed to encourage the children's creativity, intellectual growth, and physical and social well-being in a trusting and supportive environment, she said. The program is open to children from three to five years of age, who are toilet trained.

"Our Center is staffed by experienced personnel, and a small ratio of children to adults is maintained," said Ms. Kovar.

Fee for the Tuesday-Thursday session, which is held from 1 to 3:30 p.m., is \$26 per month. The fee for the Monday-Wednesday-Friday session, held from 12:30 to 3:30 p.m., is \$37 per month.

Someone slashed all 4 tires of a 1977 white Grand Prix Pontiac around 5 p.m. Dec. 19 while the car was parked on Touhy ave. Damages were estimated at \$300. Thefts from cars

Overnight Dec. 19 someone broke into a 1973 Dodge parked on Elizabeth and took a battery valued at \$60.

Thieves stole two tires with total value of \$150 from a 1976 Buick parked Dec. 18 between 4 p.m. and 4:30 p.m. on Milwaukee ave.

A spare tire and wheel valued at \$90 to \$100 were taken from a 1978 Mercury parked Dec. 18 in Golf Mill.

Someone broke into a 1977 Oldsmobile during the afternoon of Dec. 18 taking a wheel, tire and rim valued at \$80 while the car was parked on Milwaukee ave.

Attempted burglary of home

A Niles homeowner awakened shortly before midnight Dec. 17 by loud noises frightened away would-be burglars by shouting at them.

The Dobson st. resident said he was roused from a deep sleep by noises at the bedroom window. He got up to investigate and saw 4 youths at the side of his home peering into the windows.

As he watched, the youths continued around the house attempting to raise the windows and when they reached the back door, they began to shake it violently.

When the owner heard a basement window break, he became angry and shouted at the intruders who fled the area entering a small 4-door car and drove off.

Investigating police noted a basement window and screen had been torn off in attempted entry. Damages were estimated at \$25.

Attempted burglary of business

Burglars using a screwdriver during the night of Dec. 16 made approximately 16 pry marks on the door and jamb of a door leading to the second floor business of Baron Wire, an electronics repair shop at 6019 Howard st.

Police said the attempt was unsuccessful.

Apartment burglarized

A young student returned home from school Dec. 20 to find his parents' home had been burglarized.

The entire lock assembly of the rear door leading to the second floor apartment on Churchill st. had been removed and was found lying on the floor.

Approximately \$15 in cash was taken from a bedroom dresser drawer.

Police recover stolen auto

A stalled car reported stolen Dec. 17 by the Niles owner was

recovered by police shortly after midnight the following day.

A Niles secretary said she left to get help when her car stalled at Monroe and Cumberland ave. around 9 p.m. Dec. 17. The car was missing when she returned.

Police located the car parked near Jefferson School at 8200 Greendale.

Car pins service attendant

In a freak accident the owner of Toppers Marathon at 7145 Dempster st. was caught between a gas pump and the car door of a runaway auto during the evening of Dec. 19.

Police said the Niles motorist had parked her car next to the gas station and exited the auto to have the tires checked.

When the car began to roll backward toward Harlem ave. the driver jumped into the car in an attempt to stop it. The service attendant also ran to the car, reaching in to turn off the motor, but by this time the car was near the gas pump and the attendant was pinned between the pump and car door.

Niles paramedics took the injured man to Lutheran General Hospital.

Speeding under suspended license

Police investigation of the license of an 18 year old Niles motorist stopped for speeding Dec. 19 on Milwaukee ave. resulted in his arrest for driving under a suspended license.

The youth was released under a \$1,000 bond pending a Jan. 12 hearing in Niles Circuit Court.

Aluminum recycling point

In an effort to keep up with the increased volume of aluminum cans being recycled by Chicago area residents, an entirely new schedule, which includes increased frequency of stops, has been announced for its mobile unit program by S. B. Thompson, district recycling manager for Reynolds Aluminum Recycling Company.

The Reynolds Metals Company subsidiary pays 17 cents a pound for all-aluminum cans and other clean household aluminum such as pie plates, aluminum foil, frozen food and dinner trays; dip, pudding and meat containers. Certain other items, including aluminum siding, gutters, aluminum storm doors and window frames, and lawn furniture tubing are also worth 17 cents a pound if properly prepared. This aluminum must be free of all foreign materials, cut to lengths not exceeding three feet and should not be mixed with aluminum cans.

The nearest local Reynolds recycling point is in Niles-Lawrencewood Plaza, Oakton and Waukegan rds., from 1 to 3:30 p.m. every Saturday, Jan. 6, 13, 20 and 27.

Park District Gymnastic Team

Shown above left to right: Front Row: Jennifer Delort; Liz Boznos. Middle Row: Sue Hundrieser, Jacqueline Plonus, Kathy Dahl. Back Row: Diane Pinkus (Coach) and Ken Fontana (Coach).

The Morton Grove Park District girls gymnastics team, coached by Ken Fontana and Diane Pinkus, is competing in a State Tournament sponsored by the United States Gymnastics Federation (U.S.G.F.). They are in the beginners of Class III Division.

There are three stages of the tournament. The first part was just finished in that the gymnasts competed in a series of meets to qualify for a supersectional meet. Performing in competition held in Chicago, Palatine and Wilmette, 3 girls from Morton Grove qualified for the supersectionals. They are all in the 12-14 year old category. Here is a list of the gymnasts and their all-around totals: Kathy Dall 30.25, 7.56; Jacqueline Plonus, 30.25, 7.56; and Liz Boznos, 28.80, 7.2. They have scored well over the minimum allowed.

Each of the qualifiers have already reached other

achievements worth mentioning. At Wilmette Kathy won the Uneven Bars event with the team's highest individual score yet, 4.5. Liz has twice had the groups highest vaulting scores, winning two 3rd Place ribbons. Probably the most overwhelming performance was Jacqueline's four first places out of a possible five in one meet!! The elegance and poise she displayed that day was a delight to watch.

Sue Hundrieser and Jennifer Delort also competed but barely missed the needed score. Susie fell a mere fifteen-hundredths of a point shy of the qualifying total. Jenny had only been a member of the team since last September. Both did an admirable job in the short time they had to prepare.

The Park District Gymnastics Team is interested in new members, both experienced and beginners are welcome. Call Jodi Tripicchio, at the Park District Office for more information.

offered at Villa Olivia Ski Area starting Jan. 14, 1979, and meet for Sundays, Jan. 14, 21, 28, Feb. 4 and 11, 1979. An additional option is now being offered to those interested in taking one lesson. Cost is \$14 per person which includes one lesson, lift, and equipment rental or \$12 which does not include the lesson. Deadline for these single lessons is each Friday, 12 p.m. before each Sunday lesson. All information can be found in the Niles Park District Carousel of Fun brochure, available at the Park District Office located at 7877 Milwaukee ave., Niles.

NILES PARK DISTRICT

Election of officers at Glenview State Bank

John H. Beaulieu, President of Glenview State Bank, announced the following promotions and election of new officers after a recent Board of Directors' meeting.

Robert C. Gremley has joined Glenview State Bank as Senior Vice President. He has served as a consultant to banks for the past three years and prior to that had been associated with the State National Bank of Evanston for eight years. A graduate of the University of Illinois, Mr. Gremley and his family are Glenview residents.

James Borgman, David Green, Robert C. Packheiser and Jerry T. Long have been elected Assistant Vice Presidents. Mr. Borgman, who joined the Bank Card Division, was previously associated with the American National Bank of Chicago. Mr. Packheiser, joining the Commercial Loan Department, had been employed by the North Shore National Bank of Chicago. New Loan Officers are Richard

Salm, Installment Loans, and Deborah Bartlett, Real Estate. Other promotions include Kathy Sievert, Assistant Controller; Linda Koss, Accounting Officer; Penelope Gargala, Bank Card Officer, and Elizabeth Wexler, Operations Officer.

Centel increases quarterly dividend

Directors of Central Telephone & Utilities Corp. (CTU) today authorized an increase in its quarterly dividend on common stock to 4¢ a share, up 4¢. The new rate will be paid Jan. 31, 1979 to shareholders of record Dec. 28. CTU is the parent organization of Central Telephone Company of Illinois.

The higher dividend is the second voted by the diversified Chicago-based utility this year, following a 4¢ quarterly in-

crease adopted last March. It raises CTU's indicated annual dividend for 1979 to \$1.64 a share, compared with a payout of \$1.635 in 1978.

Robert P. Reuss, chairman and chief executive officer said the board authorized a second dividend increase in recognition of "shareholders' continuing participation in our company's strong earnings growth and a reasonable optimistic outlook for the year ahead."

Changing your phone plan could save you money.

Check your phone bill. Since you selected your current residence phone plan, your calling habits may have changed. Why not take a few minutes to see if the phone plan you have is right for you. To find out, here are some things you should know:

1. There are eight different residence phone plans available.

In the Inner Metropolitan Chicago area (see map), your phone plans range from Measured-Zero which includes no units and costs \$3.50 a month, to the Extended Call-Pak plan where you get an unlimited amount of units for calls made to Chicago and the surrounding Inner and Outer Metropolitan areas for a monthly charge of \$32.00 (\$34.50 in Calumet City or Lansing).

2. Your phone bill can help you tell which plan you need.

Simply look at the number of message units you have used over the past three months or so, and compare

that to the number in your present plan. You can find the information you need on the second line of charges on your bill. If you've consistently used many more or less than your plan allows, you should consider a different one. If you are a Metropolitan customer and make very few calls, a measured service may be right for you.

3. Distance is also a factor.

Consider the different places you call when choosing a phone plan. If you place many of your calls to the immediate surrounding communities, you may do well to have the Metropolitan service. If, on the other hand, you often make message unit calls to friends and family who are located in more distant communities, a different plan may be more economical.

4. You can get more detailed information.

Just clip out the coupon, fill it out and send it to Illinois Bell. In return, you'll receive the free folder, "How to save money on your Chicago area calls..." The folder has specific information to help you choose the most economical phone plan for your needs.

First check your phone bills, then send for your free folder or pick one up at your Illinois Bell PhoneCenter Store or public office.

If you should decide you need a different plan, you can arrange for the change through your Service Representative. There is no charge to make a change, and it could save you money.

Available Phone Plans

Measured-Zero	Good for people who mainly have incoming calls and who place very few calls themselves.
Measured-65	Includes 65 message units. Good for people who seldom call the immediate surrounding community but do call outlying communities.
Metropolitan	Includes unlimited calling in immediate surrounding community. Good for people who seldom call outside this area.
Call-Pak 60 Call-Pak 120 Call-Pak 240	Includes unlimited calling in immediate surrounding community, plus the designated number of message units for calls outside this area.
Call-Pak Unlimited	Good for the frequent phone user who makes many calls to Chicago and points within the Inner Metropolitan area. Recommended for the heavy phone user who frequently makes calls to the Outer Metropolitan area.
Extended Call-Pak Unlimited

Clinic for families of alcoholics

A free crisis intervention clinic is being offered at 1 p.m. every Friday by the CAREUNIT Alcoholism Treatment Program at Skokie Valley Community Hospital for families and friends of people who may have a drinking problem.

"These are confidential group meetings where families and friends can get specific answers to questions on alcoholism and learn constructive ways to make the problem drinker aware that he needs help," explained Patricia Perryman, R.N., head nurse on the CAREUNIT. "Groups are deliberately kept small, with a maximum of eight, to allow for more interaction between friends or families and members of the CAREUNIT alcoholism therapy team."

"Friends and families will also receive information on community resources available for problem drinkers and their families," Mrs. Perryman said.

To register for the crisis intervention clinic or to receive more information on alcoholism, call the CAREUNIT at Skokie Valley Community Hospital, 677-3910.

Crusade of Mercy reaches 87% of goal

The Crusade of Mercy has received \$96,350 toward a \$110,000 goal, or 87% of the amount needed, according to the General Campaign Chairman, Rev. Conway E. Ramseyer. Ramseyer said, "We hope every resident in Golf, Lincolnwood, Morton Grove, Niles and Skokie will mail a check by Jan. 10, 1979 to the United Way of Skokie Valley, 4017 Church st., Skokie 60076, to help the thirteen local service agencies. It is possible that persons living in apartments or condominiums did not receive the campaign letter. If you did not receive a letter, we hope you will respond just the same."

The divisions that have reached their goals are as follows: Clubs & Organizations Division, Jack S. Prouty Chairman (King Realtors, Skokie); Lincolnwood and Golf sections in the Residential Division, Bernard H. Arends (Lincolnwood - Assistant to the Mayor) is chairman in Lincolnwood and Alan J. Helverson (President) for the Village of Golf. The Public Employees section in Lincolnwood has reached their goal, Bernard H. Arends is chairman. The Schools Division, Dr. Marvin Garlich, chairman (Superintendent of Schools in Lincolnwood) has reached the goal. Other divisions are nearing the goal, but as of this date have not quite reached it.

The agencies that will benefit are as follows: Boy Scout N.W. Suburban Council; Family Counseling Service; Girl Scout Council N.W. Cook County; Jeanine Schuitz Memorial School; Leaning Tower YMCA; Maine Center for Mental Health; Niles Township Sheltered Workshop; North Shore Association for Retarded; North Suburban Homemaker Service; Orchard Mental Health Center; Rimland School for Autistic Children; Skokie Valley Council Community Services; and Visiting Nurse Association.

Need more respect for American flag

Dear Editor:
I would like to comment on the respect for our flag these days, which I think there is very little. Our flag is supposed to be a symbol of freedom and independence, but yet people of all ages show disrespect. On Flag Days there are hardly any flags in front of peoples houses. On one block a person could, maybe if they're lucky, find three flags. Many kids in school don't pay any attention to the National Anthem. They feel foolish if they sing it or if they place their hand on their heart. I would like to see this change,

our country needs some respect to stay strong. I hope on the next Flag Day, people will think to put out their flags and show they are proud of their country.

Sincerely yours,
Jackie Wadman

Are these the qualities of a good neighbor?

Dear Editor:
Are these qualities of a good neighbor?

My family and I live in back of the Tasty Pup restaurant located on Ballard rd. and Milwaukee ave. It has been over one year since an ordinance from the Village of Niles ordered Tasty Pup to provide a privacy fence with a protective barrier for the residents behind. Our calls to the owner as to the completion date of the fence and barrier have been fruitless. We call, leaving messages that are seldomly returned, and when they are, ex-

cuses and procrastinations are his replies.

The fence has been damaged by their delivery trucks and customers, making it not only unsightly but a hazard as well.

The owners insist to us that they want to be good neighbors. I feel however that their action, or lack of it, indicate otherwise.

Your sincerely,
Kris Kaitson

New third lane on Dempster being used for parking

Dear Editor:
It's a shame that all that time, effort and taxpayer's money was spent on something that can't be used. I'm referring to the third lane that was added to Dempster ave.

Even though it cost drivers time and aggravation to have to conform to one lane, it was a pleasure to know that shortly there would be three lanes that continued from the underpass all the way past Waukegan rd. For the first days after it was completed, it was sheer heaven for me to be able to drive the posted speed limit of 40 m.p.h., even at 5:30 p.m. The addition of the third lane couldn't have been praised more by someone who would use it after work, day after day. But, all too soon, the spell was broken when I saw a few cars not moving at all. The reason—they were parked on the third lane. It was actually at hazard to drive in this new lane and have to put on the brakes because of a vehicle in the way. ABT appliance store doesn't help the situation either.

I'm sure others agree with me that the third lane cannot prove 100% advantageous unless there is "No Parking" signs posted along Dempster ave. May I also add that Harlem ave. reflects the same problem. There are "No Parking" signs posted from Dempster to Oakton (thank goodness) but there are none posted from Oakton to Howard. People used to park on the gravel shoulder, now they have a paved road to park on. The second lane which was added some years ago is virtually useless to this day due to all the people that insist on parking their cars on that lane.

Please don't let something so beautiful as those added lanes be cluttered with parked vehicles. Let them serve their rightful purpose.

Sincerely,
Nancy Suppan,
Niles, Ill.

P.S. If people insist on parking on these added lanes, why not have parking meters installed?

Niles Art Guild

Loyce Moskow will be giving a demonstration of etching and other printmaking techniques at the Niles Art Guild meeting, Jan. 3, 1979, at the Niles Recreation Center, 7877 Milwaukee ave., at 8 p.m.

Loyce is a graduate of the School of the Art Institute where she studied painting with Boris Anisfeld. After teaching for 3 years, she resumed her study of painting at the Academy in Florence, Italy. It was not until a number of years later that she became interested in printmaking, and began studying etching at the Evanston Art Center.

In recent years she has exhibited her prints at the 57th st., Old Town, Oak Park and other invitational art fairs. Also, she is a regular exhibitor at the Art Rental and Sales Gallery at the Art Institute, and at the Co-op Gallery at the Evanston Art Center. Outside of the Chicago area, she shows her prints in galleries in Norfolk, Va.; Maplevood, N.J.; Springfield and Geneva, Illinois. The public is welcome.

Kitchen fire causes damage \$30,000

by Alice M. Bobula

Niles firefighters battled an early evening blaze Wednesday Dec. 20 that completely destroyed the townhouse kitchen of Mr. and Mrs. Casimir Ostaszewski at 7014 Greenleaf.

Reportedly injured was Jeff Madih, 21, of Hoffman Estates, who received first degree burns, cuts and abrasions to his hands, forearms and face.

Madih, an employee of SAV-A-Kitchen at 7220 Touhy ave. in Chicago was engaged in refinishing kitchen cabinets in the home when the fire occurred.

Damages to the building were estimated at approximately \$20,000 with a \$10,000 to \$12,000 loss to contents.

The homeowners were next door at a neighbor's house at the time of the fire.

According to fire records the workman attempted to extinguish the flames with a garden hose which was frozen before telephoning an alarm to the fire department. In his excitement the man was unable to give the address of the home, necessitating a trace on the call by the telephone company.

On arrival by firefighters the entire kitchen was completely engulfed in fire with flames curling upward and out of doors and kitchen windows into the outside siding.

A fire source indicated the workman had almost completed his job and was in process of applying a sealer coat over the color surface of the cabinets when the fire occurred. A buildup of lacquer fumes in the kitchen was apparently ignited by the pilot light on the stove and the entire kitchen "flashed over," he said.

Flammable work products on the floor contributed to a very hot, fast moving fire, he said, rapidly spreading to adjoining rooms.

The fire was of such intensity he noted it burned paint from kitchen appliances, burned cabinets around the sink causing collapse of the sink and completely melted the telephone from the wall.

The fire did not communicate to other buildings said the spokesman altho damages would have been more extensive had the building been a center unit rather than an end unit.

Smoke, heat and water damage extended to the adjoining living and dining rooms with heat and smoke damage to the upstairs three bedrooms, closets and storage areas.

Ten firefighting units responded to the alarm, including Niles Fire Chief Albert Hoelbl, Deputy Fire Chief Charles Bobula, two paramedic units and a mutual aid engine from Glenbrook Fire District.

Inspector Ed Sosnowski of the Fire Prevention Bureau cautioned homeowners to ensure proper safety precautions in similar homeowner or professional remodeling of kitchens.

"If not properly done it can be a very dangerous operation ... should anyone consider refinishing cabinets or appliances or replacing countertops, there are many non-flammable finishes available as well as non-flammable mastics on the market." Also, he noted normal safety procedures should be taken, of adequate ventilation and shutting off pilot lights on the stove.

Firefighters remained on the scene for two hours.

Appreciation plaques

The Board of Park Commissioners of Skokie Park District is presenting the eleven school districts and the Village of Skokie with plaques of appreciation at their December and January meetings.

Presentations have been made by Daniel D. Brown, Director of Parks and Recreation of Skokie Park District, and President of the Board, Arthur J. Jago.

The plaque states that "In Celebration of 50 Years of Service the Board of Park Commissioners of Skokie Park District wishes to recognize with sincere appreciation (those) whose continued support and cooperation has enabled our agency to expand leisure opportunities in our community."

Those who have already received plaques are St. Lambert's School Board, St. Peter's School Board, St. Paul's School Board, School District 73 1/2, School District 68, 69 and 72 and the Village of Skokie.

School Districts 73, 65, 219, along with St. Joan of Arc School, will receive plaques at their upcoming meetings.

A panel of teachers-judged the three top posters to be (from left to right): 1st place - Lora DiNapoli, 2nd place - Nick DiNapoli, and 3rd place - Sue Carliland and Linda Wedoff.

Library provides printed materials for the blind

This article was written for the benefit of people who will never be able to read it. Many of you probably know individuals who, for various reasons, are unable to read printed materials. The Niles Public Library would like you to inform your blind and physically handicapped friends and family members that the Library provides not only printed books and magazines, but also those that are recorded. People who are unable to read in the ordinary way can enjoy books like "Roots", "Your erroneous zones" and "Passages", and magazines like "Good Housekeeping" and "Psychology Today".

How?...By enrolling in a program directed by the National Library Service for the Blind and Physically Handicapped, a division of the Library of Congress in Washington, D.C. Through the Library, this government agency provides materials totally free of charge. Persons who are certified by a competent authority as being unable to read printed material are eligible to obtain talking books (records), cassette books and braille. Since the first two formats mentioned require special machines, the government also loans custom-built record players and cassette players. These machines can be kept indefinitely.

A noteworthy feature of this program is that all transactions except the initial machine pick-up are conducted by mail. Handicapped people who live alone will have minimal problems receiving materials. (Any program materials sent to and from handicapped persons and appropriately labeled require no postage.)

If you are reading this article, and are acquainted with a blind or physically handicapped person, please spread the word, and help them to experience the joy of reading. Eligible persons residing in Niles or unincorporated Des Plaines should contact the Niles Public Library at 967-8554 for more information. People residing in other areas can call their respective libraries to participate in this program.

NORTRAN discusses service for Edens reconstruction

Walter B. Flintrup, chairman of the North Suburban Mass Transit District, will discuss plans for new services and parking facilities to serve commuters during the Edens Expressway reconstruction on WEAW Radio (AM-1330) on Tuesday, Dec. 26 at 3 p.m. Flintrup, who is the NORTRAN trustee representing Skokie, will also be interviewed by Lola Flamm on the program, FOCUS, on long range plans developed by NORTRAN on how best to serve

the District's 21 communities. He will discuss pulse point scheduling, dial-a-bus, subsidized taxi services for the elderly and handicapped, and other forms of service. He will also give listeners an idea of future innovations which NORTRAN expects to implement, including delivery by the Regional Transportation Authority of new buses expected next year, installation of destination signs, and two-way radios.

"Pygmalion" cast announced by DPTG

"Pygmalion," one of the most popular comedies written by the world renowned Irish wit, Bernard Shaw, will be the January attraction at Guild Playhouse in Des Plaines. The romantic story of the lowly girl from the London slums who is transformed into a lady, was used as the basis for the musical hit "My Fair Lady", and has been staged successfully throughout the world many times since it was first presented in 1914.

In the Des Plaines Theatre Guild production, Jackie Shadinger of Park Ridge will have the leading role of Eliza Doolittle the bedraggled Cockney flower-girl. She has been seen on the Guild Playhouse stage in two other productions this season, as one of the horses in "Equus", and as Queen Guenevere in "Camelot."

Bob Reddington of Chicago (6171 N. Wolcott) plays the phonetics teacher, Henry Higgins, who wins his bet with his friend, Col. Pickering, played by John Clark of Oak Park, that he can pass off Eliza Doolittle as a lady after six months' instruction.

Kay Peet of Mount Prospect is cast as the professor's disapproving mother, Mrs. Higgins, while Candy Kane of Elk Grove plays his housekeeper, Mrs. Pearce, and Tom St. Leger of Chicago (2218 N. Mason) is Eliza's conniving father, Alfred Doolittle.

Also in the cast are Andrea Townsend of Chicago (4045 N. Laporte) as Clara, Ben Adair of Des Plaines as Freddy Eynesford-Hill, and Judi Kasperek of Des Plaines as his mother, Mrs. Hill.

Cecile Kershner of Lincolnwood, who was also in the "Equus" cast, plays the Hostess

in "Pygmalion," and several smaller roles are filled by Ruth Leasher of Itasca, Lee Ann Kardon of Arlington Heights, and Mike Taylor of Des Plaines.

Hank Vandenberg of Barrington is director of the G.B. Shaw classic, assisted by his wife, Beth. Macky Cohen of Mount Prospect is producer, with Judi Kasperek of Des Plaines, associate. All three were just seen in "Equus" in November.

The set design is by Bill Shadinger of Park Ridge, lighting design by Julie Tobias of Des Plaines, who is also handling set furnishings. Joyce Carlos of Chicago is lighting technician, Jim Bedia of Buffalo Grove is handling sound, and Harold LeBoyer, Des Plaines, the props.

Ed Ogorek, Des Plaines, is stage manager, while costume design and coordination is the responsibility of Jackie Shadinger, Beth Vandenberg and Lisa Collignon.

Performances of "Pygmalion" are on Friday, Saturday and Sunday, January 5, 6, 7, 12, 13, 14, 19, 20 and 21, and tickets may be reserved now by calling 296-1211 between noon and 8 p.m. daily. Friday and Saturday curtain time is 8:30 p.m., Sunday at 7:30 p.m., except the final performance on Jan. 21, which is a matinee at 2:30 p.m.

Open readings for DPTG's next production, "A Thurbur Carnival", will be held at 1:30 p.m. on Sunday, Jan. 7, and 7:30 p.m. Tuesday, January 9, at Guild Playhouse, 620 Lee st., Des Plaines. This comedy revue, which was the basis for TV's comedy hit "Laugh-In", will be presented for three weekends in March, under the direction of Joe Jensen of Wauconda. For information, call 296-1211 between noon and 8 p.m. daily.

"The King and I"

"The King and I" will end its Broadway run on Dec. 30 with a gross of \$17,000,000 for a 19 month run - an all-time record in the history of the American theatre for the same time period.

No show has ever grossed that much in 19 months - and no show could! Even with a \$17.50 top price on Broadway (one of the lowest for a musical), the Uris Theatre's seating capacity of

1,933 enabled "The King and I" to be the unbeatable money champ.

Direct from Broadway, "The King and I" comes to Chicago's Aric Crown Theatre, McCormick Place, for a six-week run, beginning Thursday, Jan. 4. Already the advance sale is over \$1,500,000 - with leaps of \$65,000 per day since the TV commercial starting airing on Dec. 6. The show will close on Saturday, Feb. 10, after which it will travel to Los Angeles' Pantages Theatre.

Needless to say, Yul Brynner is "The King", Constance Towers is the "I", Yuriko, director, Jerome Robbins, the choreographer, Oscar Hammerstein 2nd, the lyricist/librettist, Richard Rodgers, the composer... and the American public, the beneficiary of one of the gems of the American musical theatre.

Tickets for "The King and I" range from \$7.50 to \$17.50, and are available at the Aric Crown Theatre box office, all Ticketron outlets (Sears and Wards stores), and by mail order. For phone reservations, Master Charge and Visa are accepted, call (312) 791-6000. For group sales, phone (312) 791-6190.

ED HANSON

"Life is just a bowl of cherries..."

I made a bet with a guy for \$10,000 that I'd live to see the 21st Century.

I like the odds. According to Metropolitan Life Insurance Co., their records say 15.8 per cent of men, 34.5 per cent of women could expect to live to 85.

That means I just need to add 4 more years to those 15 per cent odds. Of course, my odds would be better if I was a dame (34.5 per cent) - maybe, in my next life I'll come back as one.

Anyway, the 10 grand was put up cash by the other guy and I put up my check for the same amount, so how can I lose?

Coming from good stock, plus plenty of athletics in my youth, i.e., baseball, track, high jumping and shot putting, which I excelled at in college, should give me an edge for a long life.

At college I was a champion shot-putter. Nobody could put away a shot better than me.

Now with New Year's almost upon us, I have to make some important resolutions.

Come January 1 I'm stopping smoking, drinking, late hours, and women. After all, if I wanna WIN the 10 grand bet, I have to keep in shape.

Besides, I'm a greedy old man. I like life and want a lot more of it. And, I'm one of those fortunate persons to whom the best things in life have always been FREE!

According to Jack Anderson, the Washington columnist, alcohol can solve the gasoline shortage. He claims the big oil companies are bucking it but that a great many cars are already running on alcohol. I seem to remember years back that some racing cars were using alcohol as fuel - they claimed it performed better.

Cars ain't the only thing that perform better with alcohol. A lot of "old hootin' owls," I know, do too.

So "get thee behind me, Satan," because I want to shine when I'm 89. And that 10 grand will give me another short stay on easy street. Then, I'll throw them New Year's resolutions down the drain.

WHOOPEE!
HAVE A HAPPY NEW YEAR BUT INCLUDE ME OUT FOR 21 MORE YEARS!

Cultural Arts program

Skokie Park District in cooperation with the Skokie Fine Arts Commission and Skokie Federal Savings and Loan Association have completed plans for their upcoming "Kids Need Culture Too" series.

The series of four cultural arts programs especially designed for young children is scheduled for Sunday afternoon January 14 and 28 and February 11 and 25. The performances will begin at 2 p.m. at Devonshire Recreation Center, 4400 Grove st.

To kick off the series, Theater First will present "Snow White and Rose Red." Staged to music, the story is about two sisters who live alone in the woods. The sisters have many adventures as they encounter a handsome prince, a king and a wizard.

The second "Kids Need Culture Too" program will be on January

28 when the Piper Puppets present "Beauty and the Beast." The Piper Puppets are rather large marionettes performing to a background of special lighting and baroque music.

Two performances are scheduled for February. On Sunday, February 11 the Giordano Dance Theater will perform selections from "The Wiz" and other dances.

The Telepuppets along with Garfield Goose are planned to conclude the series.

Admission to each performance is 50¢ per person. Tickets are available beginning Tuesday, December 27 at Devonshire Center, 4400 Grove st., Laramie Center, 5251 Sherwin, Oakton Center, 4701 Oakton st. and at all Skokie and Glencoe Skokie Federal Savings offices. For information call 674-1500.

District 207 placement tests

All students planning to enter one of the four Maine Township High Schools in fall, 1979, must take placement test, Saturday morning, January 6, at the high school they will attend, Dr. Richard R. Short, Superintendent of Schools, Maine Township High School District 207, reports.

Testing will begin at 7:45 a.m. and should be completed by 11:30 a.m. Parents are responsible for providing transportation to and from the testing center in Maine East, Maine South, Maine West and Maine North, Dr. Short said. He emphasized that students are required to take the tests at the high school they will attend next year.

On entering the school buildings on January 6, Dr. Short said, students will be assigned to a specific testing room. Students should bring with them, he added, two sharpened #2 lead pencils.

District 63 art festival winners

East Maine School District #63 students recently participated in a Children's Art Festival sponsored by Friends of Channel 11/WTTW. Of the 48 finalists chosen by Channel 11, four District #63 students has art work selected for television. The art work will be shown on the Channel 11 station breaks at 10 a.m., 5 p.m., 6 p.m., and 8 p.m. during the weeks of Dec. 18-22 and Dec. 25-29. The students are Barbara Cho, Nelson School; Erna Pento, Melzer School; Stacy Provisor, Mark Twain School; and Tammy Portue, Oak School.

The artwork which will be seen on Channel 11 will also be exhibited at the Illinois Bell Telephone gallery, 225 W. Randolph st. in downtown Chicago, from Jan. 15 through Feb. 9. All other artwork that was submitted will be displayed at the 2 Illinois Center, 233 N. Michigan ave., Chicago, on the concourse level near the 233 N. Michigan entrance through Jan. 4.

District #63 Exhibitors are Randy Fox and Jimmy Tsakirdis, Melzer School; Ellen Marshall, Nelson School; Dinneen Reardon, Oak School; Tom Tonelli, Nathanson School; Michelle Gaggiane, Mark Twain School; Bob Hung, Nathanson School; Elaine Anagnopoulos and Howard Lakin, Washington School.

English as second language
An 11-week program of English as a Second Language (ESL) will be offered by MONNACEP at six area locations beginning in January, during the day or in the evening. Classes will be held at Maine West, Maine East, Niles North and Glenbrook South High Schools, as well as at the Niles Community Church, 7401 Oakton, and at the Mayer Kaplan Community Center in Skokie.

Students will register at the location where they prefer to take the courses in early January. Classes will begin between January 8 and 17.

The tuition-free program is designed for new resident of the United States who lack fluency in English. It is also those who are American-born but who do not speak English in their homes.

MONNACEP is the adult and continuing education program jointly offered by Oakton Community College and the Maine, Niles and Glenbrook high school districts. For more information about the ESL program and registration, call 967-5120, ext. 339.

District 207 studying impact of teacher retirement plan

Maine Township High School District 207 has invited teachers reaching age 53 prior to June 30 to declare their interest in participating in the district's new Voluntary Early Retirement program.

Dr. Richard R. Short, Superintendent of Schools, explained that by gauging the interest in the new retirement plan the Maine Board of Education will be able to assess the impact of voluntary early retirement on future staffing plans.

The voluntary early retirement provision was included in the two-year contract or Substantive Agreement approved last October by the Maine Board of Education and the Maine Teachers Association (MTA). It was seen as one of the instruments that can be used by the district to respond to its problem of continually declining enrollment, which necessitates the reduction of teaching staff.

Voluntary early retirement for teachers is not new to education in this area, Dr. Short pointed out. He said that most Northwest Suburban high school districts already have such programs.

To be eligible for the District 207 program, teachers must have completed at least ten years of full-time employment in the

district, be between the ages of 55 and 64, and must notify the Superintendent in writing of their intention to participate in the program by Jan. 1 of the school year prior to the last full year of employment.

In commenting on the invitation, Dr. Short said that an exact interpretation of the language of the contract stipulates the plan is not effective until the 1980-81 school year. "Since the administration is now preparing to report on preliminary plans for staffing for the 1979-80 and 1980-81 school years to the Board of Education, we wanted to learn more about the interest in the new program," he added.

The information will also help the administration in preparing recommendations to the Board of Education as it considers the feasibility of implementing the Voluntary Early Retirement program earlier than 1980-81.

"The goal is to coordinate interest in the program with the overall best benefit to the school system," Dr. Short said.

Dr. Short reported there are safeguards which prevent the retirement program from decimating school departments which have a number of teachers eligible for the program. He said the district reserves the right to establish a maximum number of people eligible in any given department annually.

The superintendent also noted that teachers who participate in the program will not be eligible for longevity pay benefits currently provided.

Holiday bingo at Trident Center

On Tuesday, Dec. 12, the seniors at Trident Center were treated to a Holiday afternoon of Bingo by Celia Hansen, Assistant Cashier, on behalf of Dempster Plaza State Bank.

Shown above are some of the special Games Winners. Mrs. Hansen designated the Special Games as "H" for Health & Holidays, "T" for Trident Center, "X" for Christmas and crazy or wild card Bingo as an extra treat.

It was a lovely afternoon and everybody had a good time. The Christmas trimmed cakes the Bank brought for refreshments were not only pretty but were also delicious.

The seniors attending the Bingo Party are a wonderful and thoughtful group. It is heartwarming and gratifying to be able to entertain them. Celia Hansen feels it is a privilege to be fortunate enough to Hostess the Senior Programs.
