Maine Caucus to settle "floater" candidate controversy

by David Besser
Caucus representatives from the three elementary school districts in Maine Township will meet at the school district administration building May 15 to iron out problems surrounding the selection of candidates to the Maine High School Board.

Caucus groups from the three districts have selected two candidates representing each district since 1964 giving each elementary school district equal representation. The 7th board member is alternately chosen from each district with each district having 3 years of representation from the 7th or "floating" candidate.

Previous to the 1963-4 pact, Des Plaines and Park Ridge each had 3 representatives from their areas on the high school board and the 7th candidate came from the East Maine area.

At the December 5, 1963 meeting, the newly-formed East Maine Caucus approved the new selection process recommended by the other Caucuses in Maine Township.

According to local 1964 newspaper reports, Park Ridge would first have the "floater" (7th board member) followed by Des Plaines and then East Maine. However, representatives from present caucus groups, as well as present school board members contend they have never seen this "gentlemen's agreement" spelled out. Subsequently, East Maine District 63 has had the least number of candidates during a cycle when the third "floater" should now be serving from this area, equalizing the number of representatives of the 3 districts during the 18 year period from 1964 to 1981.

Des Plaines presently has the third "floater" representative, elected this year and continuing.

Board members scrutinize plan for Niles

Cable TV question undecided

From the LEFT HAND

by David Besser
Editor & Publisher

Saturday was just one of those days. Springtime in Niles. Warm and bright. The vestiges of winter long gone. Truly, a glorious day.

A Mrs. Lutz had called last week and asked if we would include The Bugle truck in Saturday's Baseball Leagues parade. Our old 1969 Econoline had just been spruced up with a spanking new red, white and blue paint job, and we were happy to show it off.

We parked on Overhill st. in back of Oak School before parade time and strolled thru the happy crowd which was assembling for the .mile-long parade. We lined up the photographer for a few pictures, and said hello to Angie Marcheschi and his friends, who were to ride in the parade in the lead convertible.

As we wandered back to the truck, the multi-colored uniforms of the Little Leaguers, all new and bright and colorful, were sprawled across the green behind the school.

We bumped into an old favorite, Mike Provenzano, who had just had 1,380 people announce they wanted Mike to be a Niles trustee. "Thirteen-hundred-eighty Provenzano" agreed it was one of Niles' better days and accepted our invitation to ride in the gunslinger's seat alongside The Bugle driver in the parade.

We were marked to drive behind the walking Pirates baseball team as they wended their way downtown. But not having driven the truck in quite awhile, and being a bit concerned with the gas pedal which seemed to be sticking, we told Mrs. Lutz we'd prefer to drive behind another car. We wound up in back of the Public Works truck, last in line.

District 63 projects 422 fewer students

Projected enrollment figures in School District 63 for the beginning of the '79-'80 school year show an expected drop of about 422 students from the past year, down to 3,693 students. Last year the beginning of the current school year showed a drop of 520 students from the previous year. The decrease in less than a decade almost halves the student

Whether or not to franchise cable television within the Niles community continues to plague members of the Village Board who themselves are not sure whether or not they want cable television service in the village.

The Northwest Municipal Conference (NWMC), representative of 29 local government bodies, set up a task force last March 10 to research proposals for franchise and regulation of cable TV systems. The group now asks authorization of participation by each community or village.

Trustees Tuesday night set aside the resolution of authorization because, they said, resolution wording gives sole authority to the NWMC Board of accepting or rejecting franchise proposals.

While candidly observing that "no one really knows what it's (cablevision) all about," Mayor Nicholas Blase said he was "concerned over locking out companies, but we still need expertise in analyzing cable TV proposals submitted."

Niles Baseball League paraders

Shown above are some of the happy and enthusiastic marching Niles Baseball League teams who opened the 1979 season with a parade on Saturday, May 5. The young man displaying the Red Sox sign and his teammates were sporting their new and very clean uniforms, but chances are one slide into base will change that in a hurry. The opening day festivities were followed by 3 opening day games featuring the Peanut, Little and Bronco Leagues. (Photo by Nate Belonsky)

On the OTHER HAND

by Diane Miller
Bugle congratulations to Mr. and Mrs. Peter Lencioni and the members of the St. Isaac Jogues 55 Plus Club who are celebrating their second birthday on Sunday, May 20. A special party is being held in the church hall on that day to mark this special event. Florence and Pete had the foresight in 1977 to realize the need for an organization for "young seniors" and held the first meeting in their Niles home on May 27, 1977 with 8 members in attendance. Their roster has now grown to 200 members who enjoy parties, outings, card games, ball games and boat rides together, all due to the efforts of this very special couple.

Notre Dame High School has posted a \$500 reward for information leading to the arrest and conviction of the guilty party or parties who burglarized the athletic department storage rooms between Sunday evening, April 8 and Monday morning, April 9. Approximately \$400 damage was done to doors and lockers and nearly \$4,000 in equipment was taken. Much of the merchandise was brand new and still in the shipping boxes, having already been delivered for next year. All of the equipment and clothing is in the green and white school colors and has the Notre Dame name imprinted on them. Any information may be directed to Mr. Burke, Fr. King or Fr. Markos at Notre Dame High School, 965-2900, or Detectives Jerry Sheehan or Jack Thompson of the Niles Police Department, 647-2131.

Niles Days raffle tickets are now available and the rush is on! Only 3,500 tickets have been printed at \$5 each and the list of prizes is fantastic. The grand prize of the 1979 fully equipped Ford Thunderbird tops the list with 19 other equally desirable prizes. They'll go fast, so place your order now. Call Ben Mankowsky at 967-6100, Terry Shevelenko at 332-1357 or Diane Miller at 966-3900.

For those of you who like to plan ahead, the Niles Police bicycle auction will be held on Saturday, June 2 at the Administration Building, 7601 Milwaukee ave., Niles. In addition to the bicycles, other unclaimed merchandise will be available to the highest bidder. Inspection of the items will start at 9 a.m. and the auction will start promptly at 10 a.m.

The Niles Chamber of Commerce and Industry is holding their annual golf outing on Thursday, May 31. Good tee off times are still available, so get a foursome together and enjoy a day in the sun. For information call Chuck Barbaglia at 967-5300 or Lois Wordel at 966-1805.

Library budget

The Niles Public Library District proposed Budget for the 1979-80 Fiscal Year is now available for public review. Copies of the proposed budget are available at both the Main Library, 6960 Oakton st., and at the Branch Library, 9010 Milwaukee ave.

Senior Citizens' NEWS AND VIEWS

St. Isaac Jogues 55 Plus Club

On Sunday, May 20, the St. Isaac Jogues 55 Plus Club will be celebrating their 2nd Anniversary with a free Party for their members only.

We will start the Mass at 12:30 for all our deceased members and members and relatives of our members. Our Moderator, Fr. Cerniglia, will be the celebrant.

Following Mass will be cocktails with a buffet dinner of chicken, Italian beef, peppers, Potato Salad, relishes, cake, cookies, desserts, wine, coffee, tea and milk.

The 55 Plus Club started in the home of Mr. and Mrs. Peter Lencioni on May 27, 1977 with 8 members who were Fr. Cerniglia, Ann & Joseph Catanzaro, Helen & Robert Franklin, Jeanette Pranske, Florence & Peter Lencioni. We started to get members and had our first meeting in one of the school rooms. Now we have grown to 200 members and meet in the Parish Hall on the 2nd and 4th Thursdays of the Month.

We enjoy doing things together and have had much fun going to the Race Track, Ball Games, Show, Plays, Boat Rides, Out of Town Trips, you name it—we've done it. Not bad for Seniors. Our Pot Luck Party, Halloween Party, St. Patrick-St. Joseph Party and our Christmas Parties have been big successes and fun for all.

We have helped in our small way in many parish events, such as our St. Joseph Table, etc. We have also received much help from our Women's Club and our Men's Club, our Priests, Nuns, our School, etc. We are pleased to have such wonderful people in St. Isaac Jogues Parish and by working and helping one another, we have come a long way.

A big thank you to our Moderator Fr. Cerniglia who got us started and to our Pastor Fr. Klug who has encouraged us and has been a big help in giving us the use of the Parish Hall for our Meetings and our Sunday Parties.

Last, but not least, to our 200 Members. Without them there would not be a 55 Plus Club. To the officers: Peter Lencioni, President; Joseph Catanzaro, Vice President; Ann Catanzaro, Treasurer; and Marie Kowieski, Secretary, a big thank you for a job well done. A thank you also to our co-social chairman, Alice Bassi; our Sunshine Lady, Betty Pape; our membership chairman, Louie Bassi; our program chairmen, George Hall and Leonard Kledzik; our bingo caller, Harold Warmann; our bingo helper, Frank Gloria; to our photographers, Gil Kaitis and Walter Benson, and many more thanks to people too many to mention who helped decorate, bake, sell tickets, clean up, etc. Thanks, thanks, thanks!

As Social Chairman and Publicity Chairman, I would like to ask if anyone has any articles they would care to donate, as we need prizes for different events, and I would arrange a pick up for any of the donations. Call Florence Lencioni at 967-5912.

Thanks again everyone. You have been great and God Bless and keep each and every one healthy and happy.

Niles North to host girl athletes

Niles North High School, 9800 Lawler ave., Skokie will host two upcoming Illinois High School Association girls athletic tournaments in the month of May.

The IHSA Girls Class AA District Track and Field Meet will be held on Saturday, May 12, at the school. Field events will begin at 9:30 a.m. and running events at 10 a.m. Girls from 16 schools will participate in 12 individual and 4 relay events with the first and second place winners automatically advancing to the state meet to be held at Eastern Illinois University at Charleston, Illinois on May 18 and 19. In addition any 3rd, 4th or 5th place finishers who meet certain minimum qualifying times will also advance to the state meet.

Admission will be \$1.50 for adults and \$1 for students.

ND swimmers in conference meet

Notre Dame High School turned in some outstanding individual performances in the Suburban Catholic Conference Swimming Meet, which was held recently at the Illinois Benedictine College pool.

On the Varsity level, Senior Jerry Waters had an outstanding day, winning the 100 yd Butterfly event and setting a new Conference record in the process. In addition, Waters captured a third place medal in the greuling Individual Medley. Other Varsity Medal winners included Steve Boshold with a 3rd place finish in the 100 yd. Breaststroke, Charlie Samuel, who took a 3rd in the 100 yd. Butterfly, and a 2nd Place finish by the Medley Relay team of Wally Schreiman, Steve Boshold, Charlie Samuel, and Jerry Waters.

In the Frosh-Soph division, Notre Dame's divers dominated the event with Andy Aylesworth winning the Conference Title and Tom Kleich finishing second. Kevin Lake was also awarded a medal for his 3rd Place finish in the 100 yd. Butterfly. Two Notre Dame freshman team records were broken in the Meet. Steve Watson in the 100 yd. breaststroke, and the Medley Relay team of Ron Rafaczik, Steve Watson, Kevin Lake, and Mark Harder, both had times which set the new records.

Musical comedy performer
Philip Martini of Skokie will appear in the new musical production "AARON" by playwright/director Tony Zito at the Theatre/Music Center of Columbia College, Eleventh st. Theatre, 62 E. 11th st., Chicago.

Leading hitter for Rockford

Tom Flood of Morton Grove leads the Rockford Regents in hitting. After 23 (6-17) games, Tom Flood is leading Rockford College in hitting with 18 hits in 59 at bats for a steady .305 batting average. Appearing in every game, Flood also paces the Regents in runs scored (8) and stolen bases (7). Defensively, Tom has been steady in the field at his shortstop position. As a senior at Notre Dame High School, Tom was the Dons' co-captain, MVP, and All-Conf. as his team won the District crown with an 18-10 record.

Oakton baseball continues strong

The Oakton Raider baseball team remained in third place in their conference behind Lake County and Truman despite a strong 4 and 1 record for the week and Oakton's first no-hitter pitched by Tom Tichy.

The Raiders started a little shaky on Monday, losing the first game of a double header against Waubensee, 3 to 2. But Oakton's bats came alive in the second game to knock off Waubensee 7 to 2, and set a winning pace for the rest of the week, according to Coach Rich Symonds.

In the first game of a double header against Wright, Oakton scored three runs in the sixth inning and walked away with a 4 to 1 victory. The second game was cancelled because of rain.

The highlight of the week was the outstanding pitching of Tom Tichy, who threw the first no-hitter in Oakton's history, beating McHenry 7 to 2. Tichy struck out 12 McHenry hitters and allowed two unearned runs.

Six persons were welcomed to membership in First United Methodist Church of Park Ridge on Sunday, May 6. The new members are: Mrs. A. J. (Ruth) Donovan, 1603 Elliott, Park Ridge; Mr. and Mrs. Earl Gilbert and their daughter Nan, 7355 Waukegan rd., Niles; Mrs. Otto C. (Ruth) Hilgerman, 201 Thames Parkway, Park Ridge; and Mrs. Walter (Ruth) Sifferman, 1607 Elliott, Park Ridge.

Rev. Clark Holt and Rev. William Beebe presided in accepting the new members into the fellowship of the church.

Residential facilities for handicapped

On Sunday, May 20, the Center for Enriched Living will sponsor a panel discussion on residential facilities for mentally handicapped children, teenagers and young adults.

The meeting will take place at the Center for Enriched Living, 9301 Gross Point rd. in Skokie and will run from 1:45 to 3:45. Panel members include Lee Kraving, Executive Director, Morrian Association; Bluma Lew, Moderator, is Director of Admissions for Somerset House; Lois Mazur, Coordinator, Patricia Lloyd Townhomes; and Bernard Salzberg, Executive Director, Orchard Village.

Topics for discussion will include: cost of residential facilities, preparing ones child for the move, funding and applying for admission, functional expectations of clients who live there, among other pertinent subjects.

Parents will have the opportunity to submit questions in advance so the panelists will be able to answer many of their questions.

The Center for Enriched Living is a social center for mentally retarded children and young adults. It is a nonsectarian program sponsored by the Young Men's Jewish Council, a non-profit social service agency.

For additional information regarding the panel discussion on residential facilities for the mentally handicapped call 679-8490.

Summer Day Care center

Mayer Kaplan Jewish Community Center, 5050 W. Church, Skokie Summer Day Care Center has a few openings left for three to five year olds in the program which runs for ten weeks starting Monday, June 11 and ending Friday, August 17. The hours are 8 a.m. to 5:30 p.m. except on Friday when the "J" closes at 5 p.m.

The activities at the Day Care Center are varied. In addition to swim and gym several times a week, the routine of the day allows the child to experience free and directed periods of arts and crafts, music and rhythm, dramatic play, story time and an abundance of outdoor play in a specially designed enclosed patio. In addition, Kosher breakfasts, snacks and hot nourishing lunches are provided.

Mrs. Elyne Handler, new director of Early Childhood Services Department notes that "The highly qualified and experienced staff members are specialists in the field of Early Childhood Education and they provide each child with a safe, consistent and nurturing environment, so that each child will have the opportunity to develop at the pace that is most comfortable."

For further information, Mrs. Handler can be reached at 675-2200, ext. 236 or 201.

Roth, Maine North PTC faculty sponsor; Mrs. Marian Geppert, Mrs. Judy Jozefiak, Mrs. Joyce Hösler, and Mrs. Florence Ichiba, co-chairperson.

MG men arrested in chop shop probe

Two Morton Grove men and a Glenview man were arrested last Friday night, May 4 in what Lake County Sheriff's Police and Glenview Police called a "major chop shop operation."

James E. Barrett, 21, of 9406 N. Merrill, Morton Grove, was charged with possession of stolen goods; John Biebrach, 20, of 7737 W. Beckwith, Morton Grove, was charged with the possession and sale of stolen goods and Thomas Travis, 22, of 222 Donald Terr., Glenview, was charged with possession of stolen goods.

The arrests were made in a rented garage near Half Day which operated under the name of B & B Engineering Co. and was leased from Biebrach's father who told police he was unaware of the operation and is not a suspect.

The arrests culminated a 3-month investigation in which Glenview Police and the Lake County Sheriff's Police worked

closely together following tips that stolen autos were being transported from the Cook County suburbs to the Half Day area where they were allegedly dismantled and sold.

An undercover police team, a man and a woman, purchased an automobile engine in the garage for \$675, police said, leading to the arrests. The engine was identified as being from a Pontiac recently stolen in Des Plaines. Sheriff's police said parts of 250 autos were confiscated at the garage and inventoried with the help of state police and National Auto Theft Bureau.

All three men were released from Lake County Jail Saturday morning on their own recognizance.

CRIME PREVENTION TIPS

Woman's Club of Niles holds annual luncheon

by Alice M. Bobala

The annual spring luncheon of the Woman's Club of Niles brought approximately 100 club women and their guests to the atmospheric setting of the Country Club in Park Ridge on Saturday, May 5.

Highlighting the "Spring Fling" luncheon was installation of new officers who were inducted by Mrs. Jeann. Frank, President of the Tenth District, Illinois Federation of Women's Clubs (IFWC).

New officers installed were Mrs. Denise Mack, second vice president; Nelda Jaramillo, recording secretary; Adeline Lisy, corresponding secretary; and Arlene Sawicki as Fine Arts Chairman. Also as co-chairmen in Philanthropy, Mrs. Jean Kuna and Mrs. Sally Sinacore.

Special guest at the luncheon was Mrs. Judy Offner, Junior Director, IFWC, from Libertyville, Ill.

Members and guests were greeted in the foyer of the dining area by officers of the Niles Woman's Club and Tenth District members prior to a cocktail hour.

A mid-luncheon fashion show, courtesy of Paul Harris of Golf Mill was coordinated by store manager Linda Hlavacek and featured contemporary fashions modeled by Lisa Birge, Carolyn Miller, Laura Sawicki, Lisa Viola and Pia Viola.

Also highlighting the afternoon was a witty and humorous but nostalgic presentation of song by The Pedagogues, a singing quintet of school teachers.

While the luncheon finalized a busy club season for the clubwomen, members are looking forward to a social/summer. A joint board meeting of new and

previous board members is planned for May 16 at Bunker Hill Country Club, 6635 Milwaukee ave. A trip to the Swedish Club is in the offing for June 20. In July clubwomen will manage the Hooligan booth for Niles Days and will trip to the Bradford Museum on north Milwaukee ave. in Niles. August will take members on a visit to Long Grove and a smorgasbord luncheon.

The Niles Club, in its 25th year, was founded in March of 1954, organized by 18 women interested in civic and progressive development of their community.

The following month, in April, 1954, the Club was admitted to membership in the Illinois Federation of Women's Clubs and the General Federation of Women's Clubs. Each individual club member is linked by club, district, region and state to a united international organization of women.

The purpose of this vast closely knit organization is to inform and guide women in all walks of life toward broad and unlimited horizons. Combining their time, ability and resources lead to civic and cultural progress at many levels, dependent upon the needs and interests of individual clubs.

Many of the now accepted advantages enjoyed in Niles were initiated by members of the Woman's Club. Niles clubwomen worked arduously toward the planning, formation and maintenance of the Niles Public Library and have continued their efforts through cash donations and gifts.

A musical group, the "Kitchen Kut-ups" has provided funds for scholarships awarded to worthy students in the fields of nursing, music, art, literature, teaching and other areas.

Another Club achievement, the Niles Art Guild, is dedicated to promoting art in the Niles community.

An Amerasian child was adopted and subsidized by Niles clubwomen thru the Pearl S. Buck Foundation. Clubmembers continue to participate in the Village Cooperative Blood Program and on Salvation Army tagday.

Efforts by clubwomen during the 1976 Bicentennial Year resulted in placement of a historical marker in Dutchman's Point at the junction of Milwaukee and Touhy aves., commemorating the beginnings of Niles.

Also founded by the Woman's Club is the Niles Historical and Art Society, a group dedicated toward formation of a historical museum and art center within the community.

Niles clubwomen may well be proud of the club's long and outstanding record of philanthropic and cultural activities.

Lake View High School Reunion

The January and June classes of 1949 from Lake View High School in Chicago are planning a 30th year reunion.

The dinner dance is scheduled for May 19 at the Sheraton-North Shore Inn, Northbrook, Ill.

If you are a "lost alumni" of 1949 or were on the faculty during this period and wish to learn more about the reunion, contact Sue Kreger Sutton at 312-728-5562 or Bruce W. Ferguson at 312-555-3148.

Rummage sale

The Park Lane Women's Club spring sale will be held on Friday, May 18 at 10 a.m. to 8:30 p.m. and Saturday from 10 a.m. to 4 p.m. at the Community House, 8410 N. Greenwood in Niles. Besides the usual rummage items there will be a variety of house and garden plants. Something for everyone at bargain prices. Donations will be accepted thru the 17th. For information, call Myrtle Norris, 823-8358, or Helen Herzog, 825-3936.

Road Rally

West Valley Section, National Council of Jewish Women, presents "Right Up Your Rally", an exciting fun-filled Road Rally with fantastic prizes to be held on Saturday, May 19. Rally starting time is 7:45 p.m. and the starting point is the north end of Saks, Old Orchard.

Open to non-members. Rally entrance fee is \$20 per couple (payable to National Council of Jewish Women) and includes a delicious late supper. Limit 3 couples per car.

Join us for an exciting and different way to spend Saturday evening. Couples looking for Rally partners and for reservations call 675-6641.

National Council of Jewish Women

National Council of Jewish Women, West Valley Section, will hold their culminating luncheon and installation of new officers on Sunday, May 20 at the Orrington Hotel. Members will model exciting new fashions from "Casual Corner".

The new officers for the '79-'80 year are as follows: President, Nancy Cohen, Lincolnwood; Treasurer, Roz Polakof, Skokie; Corresponding Secretary, Sharon Zite, Skokie; Recording Secretary, Diane Weiner, Morton Grove; Financial Secretary, Diane Stern, Skokie; Administrative Vice President, Lynda Smiley, Wilmette; Public Affairs Vice President, Rozanne Epstein, Lincolnwood; Service Vice President, Marcia Ross, Lincolnwood; Membership Vice President, Meryl Rivenson, Morton Grove; and Ways and Means Vice President, Anna Levine, Skokie.

Rose Society meeting

The Northern Chicagoland Rose Society, formerly Chicago Rose Society, District I, will hold its regular bi-monthly meeting on Thursday, May 17, at 7:30 p.m. at Mancuso Chevrolet, 4700 Golf rd., Skokie. Milton Gutterman and David Sher, both of Skokie, will present a slide show of the Society's 1978 Rose Show, Garden Walk and other activities to be followed by a panel discussion featuring Consulting Rosarians Edna Smith, Chicago, Chet Lesser, Palatine and Jeanne Rein, Deerfield, who will discuss, "What's New in Our World of Roses." They will also answer questions on grooming and preparing roses for exhibition.

A social period at which refreshments will be served and door prizes awarded will close the evening. Henry Suppan, Niles, is the President of the Society.

Mother's Day brunch

The George J. Goldman Memorial Home for the Aged, a 29 year old not-for-profit residence for the Jewish elderly at 6601 Touhy in Niles, will hold a Mother's Day brunch for its residents and their families, 11:30 a.m. Sunday, May 20.

Reservations are being accepted until May 13. As part of the festivities residents and their guests will be treated to a sing-a-long program conducted by entertainer Miriam Hellman.

The brunch is part of the weekly program of activities conducted for Goldman Home residents every day, including weekends.

Now starting its 29th year in expanded facilities, The Goldman Home - which recently moved from East Rogers Park in Chicago - is not affiliated with any Federation or Community Agency, and often receives offers from professional entertainers who wish to contribute their services on a volunteer basis.

NSJC Singles Scene

On Sunday night, May 13 at 8 p.m. in the Friedman Social Hall of the Northwest Suburban Jewish Congregation, 7800 W. Lyons st., Morton Grove, another "Beer Party" will take place. The evening will be an informal get-together of singles and the total cost will be \$2.50 per person, with all the beer you can drink.

For further information please call Ron Sumner at 965-0900.

Approximately \$330 in cash was reported stolen May 1 from a Chicago operator at G. Barr Co., 6100 Howard st.

According to police the money was in \$50 and \$20 bills contained in a personal bag carried by the operator to her work area.

Bike thefts

A month-old 20" blue Stingray valued at \$182 was stolen during the evening of April 28 from a garage on Robin Lane.

On April 27 a silver blue 27" Schwinn Continental valued at \$175 was taken from Notre Dame High School at 7655 Dempster st. The bike had black and white custom striping.

A Park Ridge resident reported theft of his 24" red Schwinn speedster valued at \$110 from 8101 Cumberland during the afternoon of April 28.

A blue Schwinn Stingray was stolen from 7133 W. Dempster st. during the evening of April 30.

During the morning of May 1 a 10-speed Schwinn Continental valued at \$100 was taken from the southeast side of Notre Dame High School at 7655 Dempster st. Theft of wallet and coat

A Mill Run Theatre patron reported theft April 29 totalling \$1,130. When she stood up to applaud a 1:30 a.m. performance, someone stole a wallet containing \$120 cash, checkbook, traffic ticket and credit cards from her purse and also took her red fox jacket valued at \$1,000.

Stolen license plate

A resident on Oak ave. reported theft April 28 of the rear license plate from a 1977 Mercury Cougar leased thru a dealer.

Foto Mat theft

Thieves took an instamatic camera and film with total value of \$35 after smashing a window on the east side of the Foto Mat Drive Up in the Lawrencewood Shopping Center, Waukegan rd. near Oakton st. during the late evening of May 1.

Police said the culprit reached in thru the broken window to take the camera and film.

Burglarize garden apartment

Approximately \$200 cash and \$100 in jewelry was taken in burglary of an apartment May 3 on Foster in. while the owner was away.

Police said the thieves pried open the rear door of the apartment.

Approximately \$100 in silver coins was taken from a wooden box and another \$100 in cash kept in glass jars. A gold wedding band valued at \$100 was taken from the victim's bedroom.

Burglars got away with \$150 in cash from a house on Root st. during the afternoon of April 30.

Police said the thieves entered the apartment by sliding open a window at the corner of the building. They left thru a rear door found open by the victim when he returned home.

The money was taken from a dresser drawer in the bedroom.

Industrial theft

Approximately \$750 cash was reported stolen during the night of April 30 from the petty cash box of Bel Park Ltd. at 5641 Howard st.

Police said entry to the building and to the locked box was made with a key.

Man found dead in north Niles

The body of a 22 year old man found lying on the back porch of a home in the Golden Acres section of north Niles Thursday, May 3 was identified Thursday to be Michael J. Emery of 1066 Sherman in Northbrook.

Paramedics from the Niles Fire Department summoned by occupants of the home at 9816 Glendale ln. around 11:30 a.m. were unable to revive the downed man. Police said he was holding a hypodermic syringe in his left hand.

He was taken to Lutheran General Hospital where he was pronounced dead.

James Acton, resident of the Glendale home, told police a friend from Carol Stream visited the house Thursday morning. When the visitor decided to go out for something to eat, she saw the body on the porch and recognized him to be a mutual friend.

Alton said he thought Emery had "passed out" but after looking at the body decided to call the Niles Fire Department.

The two told police Emery had been released from a hospital several months ago but that neither of them saw the victim or talked with him prior to finding the body Thursday morning at the door of the house.

Police said they had been summoned to the Golf Mill shopping Center earlier Thursday around 9:30 a.m. by a bus driver who reported seeing a man in a confused state. They identified Emery as the confused man. Police said they had directed the youth to a bus stop after he requested to be put on a bus going to Evanston.

Theft of purse
During the late evening of April 27 a patron of the Blue Chip Lounge, 8006 Oakton st., reported theft of her purse containing \$5 cash, credit cards checkbook and car keys from the bar stool next to hers.

A Niles resident reported 3 tires slashed on his 1975 Chevrolet parked on Golf rd. around 2 a.m. April 28.

The driver's side window of a 1975 Chevrolet was broken during the early morning hours of April 27 while the car was parked at Grand ave. and Dempster st. Replacement was set at \$60.

Two windows of a 1973 Dodge Dart were smashed during the night of April 27 while the car was parked on Prospect. Damages were estimated at \$75.

Someone used a screwdriver April 27 to punch approximately 24 holes in the body of a 1978 Lincoln parked at 6300 W. Howard st. Repairs were estimated at \$150.

A BB pellet was shot thru the windshield of a 1971 Chevrolet parked during the night of April 29 on Milwaukee ave. Damages were set at \$150.

Someone threw a rock at the windshield of a 1977 Ford van parked May 1 on Milwaukee ave. Repairs were estimated at \$150.

A Niles resident said someone punched a hole in the trunk of his 1976 Chevrolet parked in the Golf Mill Shopping Center the evening of April 26. Replacement costs were estimated at \$100.

A hammer was used to break the window and mirror on a car parked April 28 on Milwaukee ave. Police theorized damages were caused for possible theft of a CB radio but the owner had removed it prior to parking the car.

The driver of a 1975 Pontiac northbound on Waukegan rd. said he was approaching Sherman rd. when he was confronted by youths in a yellow Buick who began throwing beer bottles at his car, scratching the hood and panels.

Car thefts

A black 1978 Cadillac valued at \$15,000 was stolen between 8 a.m. and 9 a.m. Tuesday, May 1 from an apartment complex parking lot on Golf rd.

On April 28 a \$9,000 blue 1977 Cadillac was taken from the bowling alley parking lot on Milwaukee ave.

A Prospect Heights man was minus his cash and car April 29 after contracting the services of a lady of the night. The victim said he met the woman in a bar. Following room service in a Touhy ave. motel, he awakened at 8 p.m. to discover his 1970 Ford Maverick missing along with \$70 from his wallet.

A Deerfield student told police April 30 that his car is continually being stolen. He said the 1968 VW coupe was taken from the Golf Mill parking lot on Christmas Day. While he did not report it stolen, he located the car April 1 parked southeast of the Golf Mill Bowling alley. When he returned the next day to tow it away, the car had been taken again. He waited until April 30 to report the theft.

Burglary of store

Burglars took \$600 in office equipment and \$557 in cash May 2 after breaking into Julio and Son, Tailors, a store at 9196 Golf rd.

Police said the thieves tossed a brick thru the front door window. Once inside they took a cash register valued at \$475 containing \$557 in cash. Also taken was an adding machine valued at \$125.

The cash drawer and a small amount of change was found outside the door.

Damages were estimated at \$100.

Theft at motel

Thieves broke into a room of Motel 6 at 6450 Touhy ave. during the late afternoon of May 1 taking the occupant's jewelry box containing necklaces, earrings, bracelets and rings.

Police said there were no signs of forced entry. Nothing else was taken.

Thefts from cars
During the early morning of May 3 someone stole hubcaps with total value of \$270 from a 1976 Ford Elite parked on Nordica.

A tire and wheel valued at \$100 were taken May 2 from a 1977 Buick sedan parked on Oak st.

Someone took 2 foglights valued at \$95 from the front bumper of a 1978 Fiat parked April 30 on Lyons.

During the day April 27 someone punched the trunk lock of a 1976 Oldsmobile parked at 5757 Howard st. causing \$50 in damages. Taken was a road kit valued at \$35.

Criminal damage to property
Someone kicked into a section of fencing at a home on North Terrace during the night of April 27 causing \$200 in damages.

Approximately 25 BB pellets were shot during the last 3 weeks at Shell Gas Station, 5900 Touhy ave. causing holes in 15 windows. Replacement costs were estimated at \$700.

The plate glass window of a door at Sheik Hair Design, 9103 Milwaukee ave. was broken during the early morning of May 2. Damages were set at \$250.

Someone kicked in the boards of a wooden fence May 2 and damaged other sections of fencing on Lyons st. causing \$400 in damages.

letters to the editor

Former park commissioner urges interest

Dear Editor:
As my term as park commissioner ends, I'd like to thank the residents of Niles for the opportunity I've had to serve on the board and for the support I received in the recent election. It was gratifying to me to find so many people willing to work on my behalf.

My interest in the park district began long before my appointment as commissioner. That interest continues - and combined with the experience I gained as a commissioner, I hope to be able to be an effective "interested citizen" working for an even better Niles Park District.

I urge you to make an effort to find out all that the Park District has to offer. Read the summer brochure and the newspaper releases, then share your ideas with the staff and commissioners. As a commissioner, I was always pleased to see ideas take shape, new programs develop, and equipment or facilities improved as a result of someone making a suggestion.

Thank you again for your support.

Mary Marusek

District 63 winner expresses thanks

Dear Editor:
Please allow me the opportunity to use your publication to express my appreciation to the many fine friends and supporters who helped in my campaign for re-election to the East Maine District 63 Board of Education. The results on April 14, while personally gratifying, confer an obligation to continue to serve the children and parents of the East Maine community with the same dedication to providing the very best educational program possible consistent with community attitudes, needs, and resources.

To my many friends and supporters, and to those who cast their votes for me, I can assure you that I will continue to work diligently to be worthy of your confidence. To those who did not support or vote for me, I look forward to earning your confidence during the coming years. Again, to all, a sincere thank you!

Respectfully,
Richard M. Smith

An open letter to parents of school district 67

I am writing this letter as a concerned parent of school district 67 who feels that she has just witnessed the farce of the year-last night's special school board meeting.

It is hard to understand how elected officials with our children's interest in their hands can look so bored and continually roll their eyes in their heads when someone is speaking. If a new board member had already decided that she wouldn't listen to any new facts then she should have excused herself from the meeting.

The meeting was held for new facts to be presented from the Concerned Citizens for Quality Education, but people were not called upon when waving their hands - Mr. Axlerod, however, was allowed to stand up and at that time his statement wasn't even pertinent to the topic of the time.

It was obvious that the school board did not want Superintendent Stout to reiterate the pros and cons for closing either school as 90% of his pros were for Hynes - of course landscaping and parking do improve education!

You also talk about money - saving a small amount of money

with less free bus riders if Golf were to stay open but neglect to balance that with the higher costs it would take for the upkeep on the Golf property as compared to the Hynes property.

Superintendent Stout also mentioned the 1 1/2 hours of lost physical education time if Hynes were to stay open. Is it better to miss 1 1/2 hours of physical education than to possibly jeopardize a child's life. By this I mean the difference in fire drill evacuation times - 45 seconds for Hynes and 83 seconds for Golf - almost twice as long at Golf than at Hynes.

Last but not least, I was very moved by Mrs. Howe's report. Needless to say, if it were your child or any other board member's child who were handicapped, I doubt that you would want them to struggle with old stairs or even worse, the ramps that according to the therapist at the meeting are hard to negotiate for ambulatory children both permanent or temporary.

How could a school board have made such an important decision to close a school with the deannexation hanging over their heads, with so much dissension of the board itself and with so little information?

I am thanking you in advance for your attention.

Sincerely,
Mrs. Phyllis Fogel

District 207 loser urges community interest

Dear Editor:
I would like to take this opportunity to thank all of the people who supported my candidacy for the Maine Township High School District 207 Board of Education. While I was not successful in winning the election, I was apparently successful in convincing the Board of its need to improve communications with the community, as evidenced by a board member's recent statement that one of the Board's first orders of business will be to discuss the possibility of setting up a Citizens Advisory Committee within the district.

Niles Trustees express thanks to voters

Dear Editor:
We of the Progress With Economy Party wish to express our sincere thanks to all of the voters in the Village of Niles who gave us their support during the past village election. It was most gratifying to see the vote of confidence given to us and, as we stated before the election, we will do our utmost to continue Progress With Economy in the Village of Niles. We are proud of the many fine services provided by our village departments and the low tax rate that our present board has been able to maintain.

Thank you again for selecting us to serve you and we promise to continue to make the Village of Niles one of the most desirable communities for you to work and live in.

With grateful thanks,

Moms will help get Mother's Day calls thru

While thousands of moms will be getting those special long distance calls on Mother's Day (May 13), hundreds of other moms will be helping to make it happen.

Some will spend the day assisting callers who need help placing person-to-person, collect, credit card and other kinds of operator-assisted calls.

Some will be busy in directory assistance, looking up numbers that callers don't have.

Some will spend the day at the long distance network operations center in Chicago, helping guide the immense flow of calls throughout the country and overseas. They will use computerized equipment to route calls over alternate circuits to avoid traffic jams.

All will be among the extra employees scheduled for duty Sunday by Illinois Bell and American Telephone & Telegraph's Long Lines department to assist with the heavy

Mother's Day calling. AT&T Long Lines expects it will handle about 3.85 million long distance calls through its Illinois Switching centers Sunday. An estimated 16.9 million interstate calls will be processed over the nationwide long distance network on Mother's Day. The figures do not include the millions of local calls to mom on her day.

Gene Johnson, Illinois Bell's toll general manager, said 1,315 operators - many of them mothers - will be busy assisting callers with an estimated 500,000 calls on Sunday. In the Chicago metropolitan area, 844 operators will handle about 310,000 calls, even though most people will be dialing direct.

Les Carter, network operations manager for AT&T Long Lines in Chicago, said 16-18 employees, compared with two on an average Sunday, will spend Mother's Day in the network operations center at 10 S. Canal st.

He does business with Centel...

so we'll not only work with him, we'll grow with him.

He's just started out in business for himself. He's starting out small. So he'll need a little luck. Maybe a lot.

But he wants to grow. And Centel's the telephone system that can grow with him.

Because we're specialists in solving communications problems, we can survey his needs. And equip him with one of his most important business assets - a good phone system. One with the flexibility he needs for future

growth. One example. Our Key System which makes possible intercom and conference calls, message waiting, paging, and a dozen other features.

Because Centel is one of America's largest telecommunications companies, we've got the know-how to design the most advanced business systems, and to draw on expertise from all over.

Because he purchases from Centel, we'll not only work with him, we'll grow

with him. And help make his dream come true.

Whatever your dream, your business communications needs, whatever your company size, check with Centel today.

OCC summer registration

Registration for summer classes at Oakton Community College will continue through May 19 at the OCC Admissions Office, Building 3, on the Interim campus, Oakton and Nagle, Morton Grove.

Students may obtain registration forms at the Admissions Office and return them by mail or in person to complete the registration process.

The OCC-Admissions Office is open Monday through Thursday, 9 a.m. to 7:30 p.m.; Friday, 9 a.m. to 4:30 p.m.; and Saturday, 9 to 11:30 a.m.

Final registration will be held June 4 and 5. However, John Gaglin, director of admissions and records, suggests that students register now rather than

waiting for final registration when many classes may be filled.

Summer Session classes begin on Monday, June 11, and end on Friday, August 3. No classes will be held on Independence Day, July 4. Final exams are scheduled for August 2 and 3.

Oakton is offering a wide selection of courses and course times in the schedule of summer classes. Many introductory-level classes may be appealing to graduating high school students who wish to get a head start on college. Advanced-level courses are also scheduled for those college students who wish to keep moving toward their degree by picking up a course or two during the summer.

SJB Forensic tournament winners

St. John Brebeuf elementary school, Niles, captured 3 first place awards in the Forensic Tournament sponsored by Regina High School on March 24.

Eight grade students Donna Jordan, Amy Jo Ptaszek, and Steven Jablonski each placed first in their respective categories.

Amy Jo prepared the entire "War Message to Congress" by Franklin D. Roosevelt in the non-original declamation category. It was the speech he gave the day after Pearl Harbor.

Steven, who participated in the extemporaneous speaking category, was required to prepare 2 speeches on topics by a drawing. The topics Steven selected by chance were "Will Egypt and Israel sign a Peace Treaty?" and "What Effect Will the Chinese/Vietnam War Have on U.S./Chinese Relationships?" He was given time following

Shown above, left to right, are Steve Jablonski, Donna Jordan, and Amy Jo Ptaszek. selection of the topics to prepare his remarks, just before presentation.

Donna, who placed 2nd in the same speech contest last year, recently captured first place awards in a spelling contest. Her selection for the dramatic interpretation category this year was from Jean Angoulin's "Antigone" and her interpretation of it won her yet another first place award.

Donna and Amy also participate in several varsity sports at St. John's. Donna is a member of the basketball and volleyball teams and Amy Jo participated in varsity basketball and baseball.

Reading Awareness Week

Governor Thompson has proclaimed the week of May 6 thru 12 as Reading Awareness Week in Illinois. Citing the importance of reading to children and adults alike, we at Nathanson School join with the Governor in urging public recognition of the importance of reading and public participation in local programs of reading improvement.

In today's changing world, which requires that people have up-to-date information, reading takes on more importance than ever. It is our hope that through the efforts here at Nathanson School and in District 63, both students and adults in this area may be able to benefit from the vast amount of work going on in the reading field today.

Marillac Nuf Yad

The Inter-Class Council at Marillac High School is sponsoring the 13th annual Nuf Yad (fun day spelled backwards) carnival on Friday, May 11. The I.C.C., headed by Mary Whalen (Park Ridge) has planned a fun-filled day with the theme of a country fair.

The day will begin with a relay race competition among the students running through an obstacle course called "Almost Anything Goes." These races last until 10 when the 50 little children from St. Vincent De Paul Settlement and 50 children from Marillac House are due to arrive. At this time the booths, all decorated to fit the country fair theme, are scheduled to open for business.

Some of the main attractions planned are a hayride, a haunted house, a dunking machine, cartoons, snow cones, cake walk, and a special surprise. The purpose of the Nuf Yad country fair is to earn money for the Sister Constance Scholarship as well as to give the children from De Paul, Marillac and other little children a happy time. The Sister Constance Scholarship is senior year's tuition awarded to an outstanding junior.

MG Library Happenings

It's time to dress up our homes for Spring, and Lee Wards Crafts Store will present a program on home decorations at the Morton Grove Public Library on Thursday, May 17 at 7:30 p.m.

Demonstrations and instructions on making many home accessories will be presented and it will be an interesting evening for all who attend. Admission is free.

There will be no Book Discussions at the Library during the month of May. The Morning Book Discussion Group will take a trip to the Botanical Gardens in Glencoe on May 11 and will meet for its last session of the season on Friday, June 8 at 10 a.m.

INTRODUCING THE CENTEL SECURITY SYSTEM

A revolutionary new way to turn your business phone into one of the most effective commercial protection systems ever invented.

Now you can leave all your security worries at the office with the Centel Security System, the revolutionary new system that protects your business against fires, break-ins, and valuable inventory losses—even when you're not around.

At the heart of this remarkable new system is an automatic dialer which can be connected to any existing phone in your office. At the first sign of trouble, special sensors will trigger the dialer to immediately summon emergency assistance.

Each Centel Security System is individually designed to fit your particular security needs. And since the system is compatible with your present phone equipment, the total cost of installation is probably lower than you might think.

So enjoy the protection of a big business security system without paying a big business price. For your own no-cost, no-obligation security survey, call us today at

May is Older Americans Month

The health concerns of the country's senior citizens is the focal point of Older Americans Month in May, according to U.S. Congressman Abner J. Mikva.

Older Americans Month was designated by President Carter with the proclamation theme of: "Better Health Through Better Care."

"We need to reaffirm our national commitment to retired people," Mikva said, "and by having Older Americans Month, it gives every citizen the opportunity to key in on that issue."

He said President Carter's decision to center the May observance around health issues "will prove very beneficial. For those living on fixed incomes, as most seniors are, medical problems can be overwhelming." Mikva added that by meeting the needs of older Americans and making greater use of their abilities, "the well-being of all our citizens will be enhanced."

The Congressman noted that solutions to the health problems of the elderly are not simple and cited "the enormous difficulty" in keeping health and hospital costs down. He referred to the President's proclamation on Older Americans Month which stated: "The accessibility of all types of health services is critically important to the elderly, and holding down the costs of both crisis-oriented and preventive services is essential if the real needs are not to be met."

Mikva expressed hope that during Older Americans Month, "we can focus attention on finding ways to better the lives of today's and tomorrow's retired people."

Inquiries about senior citizen problems are handled in Mikva's congressional office at 2100 Ridge ave., Evanston. Tenth District residents may call the office at 864-9595 or 297-0515, if calling from the Des Plaines area.

Nimrod committee to study nuclear safety

Senator John J. Nimrod, R-Glenview, has been appointed to a special 9-member Senate Committee that is to study the need for closer monitoring of activities involving nuclear safety.

"I firmly believe that because of the energy crisis there is a definite need for nuclear power plants in Illinois," said Nimrod, "but at the same time, we must be absolutely certain that those power plants are safe."

Senator Nimrod said the special Senate committee was named because of the recent Three-Mile Island incident in Pennsylvania.

The committee is to make tentative recommendations to the

General Assembly by January 15, 1980 and will issue a final report on September 15, 1980.

"As an engineer and as the Vice-chairman of the Illinois Energy Resources Commission," said Nimrod, "I have been very deeply involved in alternate sources of energy for many years. In my opinion, our nuclear power plants are safe but there is a possibility that we should recommend additional safeguards to protect the people of Illinois."

Senator Nimrod pointed out that Illinois now has 7 nuclear power plants—more than any other state—and that additional plants are being built.

Porter campaign base opens

The Porter for Congress Committee has established its headquarters at 9233 Skokie blvd., Skokie. The facility will serve as the operations center to elect former State Rep. John Edward Porter to the U.S. House of Representatives from the 10th Congressional District.

Porter, of Evanston, announced his candidacy for the Republican Party nomination on March 6. Gov. James Thompson is expected to call a special election later this year to fill the anticipated vacancy that will occur when Rep. Abner Mikva resigns his 10th District seat to accept an appointment to the U.S. Court of Appeals in Washington, D.C.

Staff and volunteers of the Porter for Congress Committee will man the headquarters daily. Joan Barr, field coordinator, is recruiting volunteers throughout the 10th District, which covers Evanston, Niles, Maine, New Trier and Northfield Townships. Volunteers interested in electing John Porter to Congress are urged to visit headquarters or call 674-9060.

New Board Members for Park Ridge-Niles District 64 Richard Smith and Richard DuSold are shown above receiving the oath of office at the organizational meeting of the Park Ridge-Niles District 64 Board of Education. Both men were elected for three year terms effective April 23, 1979.

M-NASR annual meeting

The Annual Meeting of the Maine-Niles Association of Special Recreation will be held on Tuesday, May 22 at 8 p.m. at the Trident Center, 8060 Oakton st., Niles.

The meeting, which is open to all interested persons, will review the past year and preview the upcoming year in terms of the services provided by the Association for the area handicapped. M-NASR is a cooperative of area Park Districts and Recreation Boards from the communities of Skokie, Des Plaines, Morton Grove, Park Ridge, Niles, Lincolnwood, and Golf-Maine. It was created seven years ago to provide recreation programs for those who can't participate in regular community programs as a result of their disability.

The meeting will include a formal signing of the newly revised Articles of Agreement between the Member Districts, a final report by the Future Directions Committee and presentations describing the programs as they exist today.

If further information is desired about the Annual Meeting or about M-NASR programs, call 674-5512.

Interview techniques

A job-hunting workshop on "The Interview" will be sponsored by the Adult Career Resource Center at Oakton Community College on Saturday, May 19.

The workshop will meet from 9:30 to 11:30 a.m. in Room 343, Building 3, on the OCC Interim campus, Oakton and Nagle, Morton Grove. The cost is \$3.

This session is designed to help job seekers present themselves to the best advantage when meeting prospective employers. Participants will learn the kind of questions often asked by interviewers, as well as to practice the techniques needed to clearly relate skills and abilities to the positions they seek.

For further information, or to make reservations, call 967-5120, ext. 350.

"No Boys Allowed"

Niles Elementary Schools proudly present "No Boys Allowed", a three-act comedy production.

This light-hearted comedy, set in the sixties, parodies a girl's slumber party, and involves everyone from a country cousin, to the dangerous criminal, Mr. Midnight.

The play will be presented in the North School Gymnasium, 6921 Oakton st., Niles, on May 16 at 7:30 p.m. Shown above (l-r) are: Jill Rovner, Shari Watts, Mark Lemke and Bryan Dubin.

Humanitarian Award winner

Audri Evans, daughter of Mr. and Mrs. Stanley Evans, Morton Grove was selected to receive Niles West High School's 1979 Ivy Lynn Chaplik Humanitarian Award. This award was established by the Rubin Chaplik Family in memory of former Niles West student Ivy Chaplik for the purpose of honoring a Niles West graduating senior "whose practices and principles reflect a humanitarian heart."

Letters of nomination submitted to the selection committee on behalf of Evans describe her as dedicated, cheerful, sympathetic and intelligent. One nominator wrote that "Audri is truly a genuine caring person who is able to recognize human needs and respond."

At Niles West, the senior is a gym leader, a cheerleader, a member of the girls' track team and an Honor Roll student. At various times, she has participated in charitable events such as walk-a-thons and synagog and school fund raisers. She has spent some of her time tutoring other students and talking and listening to her eighty-year old neighbor.

Evans was selected to receive the humanitarian award by a six-member selection committee from a field of twelve nominations. Also nominated were senior Nancy Balmes, Barbara Greenspon, Julie Huber, Steve Ramseyer, Wendy Wallach, and Tracy Smith from Morton Grove; Kathy Baransky, Larry Kornit, Kathy Lisco and Steven Prinz from Lincolnwood; Kathy O'Heath from Niles and Diane May from Skokie.

Norwood VP elected treasurer of Rolling Meadows

James K. Mair, Vice President and Treasurer at Norwood Federal Savings and Loan Association, was recently elected to the post of City Treasurer in Rolling Meadows.

As an officer of this city, he will be responsible for the successful implementation of financial programs.

In addition, Mr. Mair is Trustee of Norwood's Retirement Fund, Director of Holbrook Enterprises, and an active member of the Financial Managers Society for Savings Institutions.

Norwood Federal's main office is located at 5813 N. Milwaukee ave., Chicago. Branch facilities are situated at 6205 N. Northwest Highway, and 5415 W. Devon in Chicago, and 980 N. Northwest Highway in Park Ridge.

First National of Morton Grove sets records

The First National Bank of Morton Grove attained new highs in total assets and deposits during the first quarter of 1979 reported president Marvin von Aswege.

Assets as of March 31 increased to a record \$92,468,069, a gain of more than \$2,271,000 over the previous period. Deposits climbed to \$85,017,757, surpassing the former high by more than \$1,186,000.

The gains in these two categories reflect one of the most successful quarters the bank has experienced in recent years, Von Aswege noted.

"The variety of savings plans we offer, together with our gift incentive programs, are proving to be increasingly more attractive to savers," he said.

"We gained more than \$2 million in deposits in the first three months and the stepped-up activity in that department has carried over into the second quarter," said Von Aswege.

Cook County Federal announces new corporation

Cook County Federal Savings' Financial Vice President, Robert J. Foy, announced the recent formation of a new corporation called Network EFT, Inc., which is owned by the EFTS Service Corporation II, a group of sixteen Chicago area Savings and Loan Associations and the First National Bank of Chicago.

Network EFT, Inc. will operate the YES electronic funds transfer system. The system permits customers of participating Savings and Loan Associations to make deposits and withdrawals from their accounts and obtain check cashing authorization through electronic terminals at certain Jewel and A & P stores.

Formation of Network EFT, Inc. permits expansion of this network to a broader range of retail and financial institutions.

Using the YES system, customers' accounts are instantly updated, and authorization is relayed to the originating terminal. Interest is earned on these accounts from the time of deposit until the time of withdrawal at the retail store.

While customers of Savings and Loan institutions may participate in the YES system, bank customers may not under current Illinois law.

EFTS Service Corporation II was formed by Chicago area Savings and Loans to provide new Remote Teller services to their customers. In addition to part ownership of Network EFT, Inc., the group will also provide guidance for the project through directorships and various committee activities.

The EFTS Service Corporation II is headed by Robert J. Foy, of Cook County Federal Savings and Loan Association, at 2720 W. Devon ave., Chicago, and 9147 Waukegan rd., Morton Grove. Mr. Foy anticipates that Cook County Federal's customers will have the system available to them within the next few months, along with the other fine services currently being provided.

New Citizens Bank Trust Officer

The Executive Committee of Citizens Bank & Trust Company recently announced the appointment of Mary C. Roberts to the position of Trust Officer.

Mrs. Roberts joined the bank in 1970 in Real Estate Loans and transferred to the land trust area of the Trust Division in 1971. In 1976, she served as secretary for the head of the Trust Division and was named a Trust Administrator in 1977. Later that year she was appointed to the position of Assistant Trust Officer.

In her present position, Mrs. Roberts is responsible for the administration of personal trusts and estates: A long-time resident of Norwood Park, she currently resides with her husband in Edison Park.

"Drivers should constantly be on the lookout for chuckholes. Snow, sleet, salt and sand take a heavy toll on highways in winter. A deep chuckhole could mean a broken wheel assembly or the car's front end thrown out of alignment."

Centel reports record revenues and sales

Central Telephone & Utilities Corp. (CTU) has reported record first quarter earnings on higher revenues and sales. In Illinois, the diversified utility provides telephone service to 147,000 customers in and around the communities of Park Ridge, Des Plaines, Pekin, Staunton, Galesburg, Dixon and Savanna.

Net income for the first three months rose 13.9 percent to \$19.7 million of 81 cents per share, from a restated \$17.3 million, or 72 cents per share, in the same year ago period. Revenues and sales increased to \$176.4 million, up 19.2 percent.

For the 12 months ended in March, Centel's net income amounted to \$76.2 million, up 14.3 percent from the comparable 1978 period. Per share earnings increased to \$3.13 from \$2.77 on revenues and sales of \$678 million, up 16.1 percent.

Robert P. Reuss, chairman and chief executive officer, noted that the earnings gain was one of the best for any Centel first quarter. Separately, at Centel's annual meeting, Reuss told shareholders he expects "good performance" in 1979.

Centel President William G. Mitchell characterized overall demands for telecommunications services and electrical power as "moderately stronger." While new telephones were being added at a somewhat slower rate, Mitchell said, long-distance call volume was up 13.1 percent from the year ago level.

Revenues from telephone operations rose 16.5 percent to \$125.7 million with toll message revenues up nearly 23 percent.

Electric revenues increased 15.9 percent to \$28.3 million on higher kilowatt-hour sales but earnings were adversely affected

Klancer named to Illinois Savings League

Richard Klancer (photo), director of human resources for GreatAmerica Federal Savings and Loan Association, has been named to a new statewide personnel managers committee created by the Illinois Savings and Loan League.

The committee has been charged with the task of researching and proposing personnel administration programs that can be recommended by the league to savings & loan associations across the state.

GreatAmerican Federal has offices in Arlington Heights, Bellwood, Deerfield, Elmhurst, Elmwood Park, Franklin Park, Niles, Oak Brook, Oak Park and Park Ridge and two Chicago offices at 230 N. Michigan ave. and 300 S. Wacker dr.

Prudential promotions

Patricia Namyst and Sandra Namyst have been promoted to the position of claim reviewer in the Skokie-based group claim offices of the Prudential Insurance Co. The Namyst sisters formerly were claim examining clerks there.

Patricia is a member of the Skokie Group Claim Office, and Sandra is employed in the Old Orchard Group Claim Office. Both offices are located in the Westmoreland Building, 9933 Lawler ave.

The women joined Prudential in 1976 and since then have received three promotions.

Patricia Namyst, who was graduated from Taft High School in 1973, was an accounting clerk for Advance Schools, Chicago, before beginning her insurance career. She has been active in the Northwest Mixed Bowling League and has served it as treasurer and vice president.

Sandra Namyst is a 1976 Taft graduate.

Skokie Trust's new building

Foundation in, steel beams and girders erected, walls will be up soon. Construction is advancing rapidly at the new Skokie Trust and Savings Bank building at 3601 Dempster in Skokie.

Shown admiring the progress so far are Ann Kolb, Dempster Office Manager, and Leroy J. Plaziak, president of the bank. The new building is due for completion late this summer. Currently, the bank is serving area customers from a temporary facility next to the construction site. When completed, the bank will house full-service bank personnel and offer all of the varied services that bank customers now receive at the bank's main office at 4400 Oakton in Skokie.

Turn your home into an energy conservation machine. With a heat pump.

Instead of burning scarce fuels, the heat pump uses electricity to capture heat from a limitless energy source. The sun.

Even on cloudy cold winter days, there's still solar heat in the air. The heat pump captures this heat and pumps it to where it can be used.

It's the most practical, efficient heating and cooling system you can install today. And it's dramatically changing the way we use energy.

Turns heat energy outside in and inside out.

The same principle that makes the heat pump work is already at work in your home inside your refrigerator. In fact, a heat pump is a lot like a refrigerator.

There's an indoor unit that consists of a coil and fan. There's an outdoor unit that consists of a coil, fan and compressor. Piping connects them. Inside the system, a refrigerant circulates, "carrying" the heat from inside out and outside in.

In winter, the refrigerant in the outdoor coil absorbs solar heat, is compressed and pumped inside. The heat comes out to keep you warm.

The warmer the outdoor temperature, the more heat there is to be transferred.

The energy-smart heat pump is installed on the outside of the home and is about the same size as a conventional central air conditioning unit.

But as the temperature goes down, there's less heat available. The heat pump is then automatically supplemented with electric resistance heaters.

In summer, the process is reversed. Warm air inside the home is blown over the indoor coil. The refrigerant absorbs this heat, is pumped outside, then condensed. The heat comes out, leaving you cool. And the unit filters the air and dehumidifies, too.

Produces more energy than it uses.

Unlike systems that merely use up energy to make heat, the heat pump uses electricity to produce more energy than it uses. Over the entire winter season, a heat pump plus the supplemental heaters provide at least 1.5 units of heat energy for every equivalent unit of electricity used. It's this extra energy bonus that makes the heat pump a smart investment.

The initial cost is a little higher. But the operating cost is lower. So in the long run, the heat pump can help save.

How to get one.

You can often replace your present forced air system with a heat pump. Installing a heat pump in a new home is even easier.

It's important to get a quality product and have it properly installed and serviced. See the listing below.

If you'd like to know more, call your local Commonwealth Edison office and ask for our consumer information booklet on electric heat pumps. Our marketing engineers will be glad to talk to you about your plans.

Niles West May Music Festival

Musicians from Niles West High School will present their annual May Music Festival on Saturday, May 12 in the school auditorium, Oakton at Edens, Skokie.

The orchestra, under the direction of Ted Kaitchuck, will begin the program with "Procession of the Mastersingers" by Richard Wagner at 8:15 p.m. For the next hour or so, a wide variety of music will be performed by the school's different choral groups and the orchestra. Among the selections to be presented are "The Matchmaker" from "Fiddler on the Roof," sung by the

choral group Vivace, "Matona, Lovely Maiden" by the capella choir, "Hallelujah" from Beethoven's "Mount of Olives," sung by the concert choir and a medley of the "Best of the Beach Boys" done by the Westones. Seniors Sonia Hagopian and Larry Kornit will perform vocal solos in the concert.

Later in the program, the various groups will combine to present selections such as "Streets of London," "Down Among the Dead Men" and "Beautiful City" from "Godspell." The concert will conclude with "Gloria In Excelsis" by Mozart, performed by the combined chorus and the orchestra, under the baton of Hugh McGee.

Admission to the concert is \$1 for adults and students will be admitted free. Holders of the Creative Arts Series Pass will use it for admission.

Hey, wanna sing?

Have you sung in a church choir or high school glee club? Do you sing along to your car radio? Perhaps you're a "Bathtub Baritone." Well, if you enjoy music that is singable and have felt you could carry a tune as well as the next guy, then you won't want to miss the opportunity of singing along with the Town and County Chapter of the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America at their Guest Night on Wednesday, May 23. The time is 8 p.m. and the place is LaRay's, 7220 Caldwell, Niles.

Any man, between the ages of 16 and 76, is invited to enjoy this evening with entertainment provided by famous barbershop quartets from the Chicagoland area, in addition to the Town and County Chapter who placed tenth in the Illinois District. You can join along with the chapter as they sing for there is no need to know how to read music, but if you are interested in learning, Town and Country will teach you. This evening of fun is free. You are the guests.

Cydon out and meet a great bunch of guys and enjoy a fun evening of singing, entertainment and refreshments. Maybe, just maybe, you will discover the thrill of Four-Part Harmony and fun of being a part of the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America.

LGH May feature artist

Janet Poppe, Highland Park, is the artist featured during the month of May in the lobby of Lutheran General Hospital, Park Ridge.

Mrs. Poppe has received numerous awards for her watercolor paintings and pen and ink drawings. Many of her floral watercolors are exhibited in art galleries throughout the Midwest.

After studying at the Art Career School, New York City, Mrs. Poppe worked as a commercial artist in New York for 20 years. She is a member of the North Shore Art League and the Midwest Watercolor Society.

The exhibit is part of the continuing Art Originals Program of Lutheran General's Service League. Artwork is for sale and may be purchased through the Art Originals Office of the Service League between 10 a.m. and 4 p.m. weekdays.

"Camelot" success

Mr. John Clouser, Principal of Maine East, is presented with his official Camelot T-shirt designed by Steve Snodgrass, senior band student of Des Plaines, and Gerald F. Hug, music department chairman.

Student enthusiasm for Camelot has made the first performances sheer delight. Cast and crew members have promoted the show by wearing Camelot T-shirts every Friday. These shirts were designed by Steve Snodgrass, senior band student from Des Plaines.

The story of Camelot is a familiar one and has been on every soap opera—the story of a wife falling in love with another man—only in this case, the wife is a queen and the other man is a Knight of the Round Table, and the king's "best friend."

Maytime MONNACEP tours of Chicagoland

Suburban residents can enjoy cultural aspects of Chicago and vicinity by climbing aboard any of the four day-tours being offered by MONNACEP during May. The four local tours include Ethnic Salad Bowl, a tour of Chicago's many varied areas; Art Safari, an opportunity to visit and talk with two local sculptors; Chicago Landmarks, a visit to historic sites; and Finance and Fortune, observing high finance on LaSalle Street.

Chicago's Ethnic Salad Bowl on Saturday, May 12 visits Italian, Greek, Spanish, Polish, Chinese, and Eukrainian neighborhoods, with stops at locations such as St. Fat's cathedral, the Polish Museum, Greektown, and for lunch in Chinatown. All inclusive fee is \$20.

Art Safari begins with a visit to the home of sculptor Kay Hoffman-Schwartz with its uniquely designed studios and garden. After Sunday brunch at Armando's, the tour visits the north side home and studio of Elden Hanhausen with its country garden in the city. This tour occurs on Sunday, May 19, and the fee is \$27.

Chicago Landmarks, on Saturday, May 19, sees some of the sights which bring visitors around the world to Chicago. These include stops at locations such as the Gleesner House, Hull House, and the Chicago Historical Society. The day also includes lunch at Sauer's near south side restaurant. Charge is \$20.

Finance and Fortune, which meets on Thursday, May 24, sees the opening of action at the Board of Trade and ends with the close of the Chicago Board of Options. In between, there will be other stops at downtown banks and exchanges, and a pause for lunch at the Sears Tower. Fee, not including lunch, is \$9.

Tours begin at 8:30 to 9:30 a.m. and return to their starting point around 4 p.m. Pickup stops are at Niles North or West high schools in Skokie, and Maine West high school in Des Plaines. Registration may be made by mail or at any of the MONNACEP Centers.

MONNACEP is the adult education element of Oakton Community College in cooperation with the Maine, Niles, and Glenbrook high schools. For more information, call your local MONNACEP Center or 967-5821.

Parents Without Partners

Space junk new hazard

I don't wish to be an alarmist but a new accident hazard has been added to the many of modern, everyday living. This new one is a product of our age, and it will take its place along side those old standbys like driving autos, operating power lawn mowers, winking at strange ladies and walking thru glass doors. It's called a space accident.

For now there is the possibility of getting "beamed" by a piece of space junk. Space junk is a fragment of the many man-made satellites now orbiting the earth and the new ones the United States and Russia have constantly been shooting up into outer space for the past 15 years.

Space vehicles do not always totally burn up when re-entering the earth's atmosphere. Nice, big chunks of molten metal do get thru, and follow the ancient law of "what goes up, must come down"—varoom!

You may take some solace from the fact that so far only a few incidents of "space junk" clobbering something or someone have been reported.

For example, a Cuban farmer claimed his cow was killed after getting "brained" by a fragment of "space junk". A Montana rancher blamed a big hole torn thru his barn roof on "space junk" that came whizzing down out of the sky. Other happenings of this nature have been reported elsewhere around the world.

But this "space junk" business is just getting started and these are just the first fragmentary returns.

This poses an interesting legal problem. In the case of personal injury or property damage from "space junk", who would be responsible? Where would you file your claim? Would your present insurance cover such a mishap?

At the present writing, I'm sorry to inform you, you'd be out of luck. Neither the U.S. government or the Russian one could be held responsible because they're immune. Nor would your present insurance cover such an accident.

Recognizing this problem might reach major proportions in the near future. A meeting was held recently in Washington, D.C. and this very matter was discussed at the National Colloquium On Space Exploration.

At this meeting, a Washington attorney pointed out he could foresee the establishment of a formalized international forum to fix responsibility for damages, death or injury caused by man-made space vehicles that re-entered the earth's atmosphere without burning up.

Another suggestion was voiced by Col. Gerrit W. Wesselink (Ret.), General Counsel for the Department of the Air Force. Wesselink stated the need should be on a government-to-government level to determine responsibility and that the United States and Russia should have a signed agreement to determine the extent of damage and arrange for reimbursement to victims.

Another present at the meeting, an attorney and author of a book, "Space Law and Government", believed a kind of "Space Insurance" in which an administrative board set up by the United Nations would process and assess claims. He recommended compulsory insurance for operators of space vehicles for both government or private corporations.

I'd like to ask these gentlemen one question. How would you know what country or corporation on which to fix responsibility? A hunk of molten metal is a hunk of molten metal—but whose?

Anyway, when you're about to cross suburban streets these days, I suggest, as a precaution, you look both ways—and up, too!

And it might not be a bad idea to look down, also. You might slip on a banana peel or a skateboard.

For an out-of-this-world dinner, "Mother" and the family will appreciate visiting Arvey's Restaurant, 7041 W. Oakton st., Niles, where the "Foods Are Internationally Famous". Arvey's will be open for breakfast and dinner on Mother's Day, so why not give "Mom" a double-header on her day—breakfast and dinner at Arvey's.

Although Arvey's Restaurant has a very large seating capacity, they do a tremendous business every Mother's Day. So why not make reservations in advance for this Mother's Day by giving Arvey's a jungle at 967-9790.

Another treat you can give your Mom and family is to take them to Arvey's any Wednesday, which is their Greek Night. You and the family will appreciate the delicious authentic Greek foods and you'll be pleasantly surprised at how reasonable the prices for a complete dinner are.

Another fine place to bring "Mom" and the family is Tedd's Early Times Restaurant, 7420 Milwaukee ave., Niles. Tedd's has long been a favorite dining place with folks of this area and has a fine reputation for quality food, service and pleasant atmosphere. Tedd's Early Times is open for breakfast, lunch and dinner and serves cocktails the way you like 'em.

See you next week...

ND May musical programs

In helping to celebrate the long awaited arrival of Spring, Notre Dame High School will be offering two musical events during the month of May. Both will be under the direction of the high school's band director Mr. Bill Alles, and will feature some of the good young musical talent that our area has to offer.

The first day of entertainment will be the combination Mother's Day and Extension Band Concert, to be held at Notre Dame on Sunday, May 13. The Extension Band features musicians from the area grade schools, and helps to give

them valuable training for the future. The entire show will begin at 2 p.m. Notre Dame is located at 7655 Dempster in Niles.

On Saturday night, May 19, there will be a Music For Moderns Concert at Marillac High School on Waukegan rd. in Northfield. This evening will feature Notre Dame's award winning Jazz band, the Melodons. This group has placed first in the 1979 North Shore Jazz Festival, and was given an "A" rating in the Mundelein Festival of Jazz. This program is scheduled to begin at 8 p.m.

All you Mothers have a happy day at Jakes

by Ed Hanson

And I'll tell you where you can go (Boy, am I tempted!) to have a happy day and get some free flowers and some really delicious foods and desserts.

You can go to Jake's North, 1615 N. Milwaukee ave., Glenview, for a super special Mother's Day Brunch. This brunch consists of a hot steam table which offers hot scrambled eggs, country fresh pork sausage, hickory smoked bacon, savory baked ham carved right off the bone by Jake Joseph himself, resplendent in a white coat and big chef's hat. And there's hot American fried potatoes, beef tips, fried chicken, lox and bagels, cream cheese - in fact, all sorts of cheeses, perch, chicken ala king, and other hot entrees too numerous to mention. This is Jake's mile-long hot steam table brunch.

But, there's more. There's a second, mile-long cold brunch table. This is filled with fresh fruits of every variety and the makings for all sorts of delicious taste-thrilling salads including potato salad and your choice of juices, apple, orange, cranberry, etc.

And piled high are sweet cakes and all sorts of tasty desserts and sweet breads that top off a Mother's Day Brunch that has really been fit for a Queen. And, after all, on Mother's Day "Mom is a Queen".

And to treat you like a queen on your day, Mom, Jake is presenting all the mothers, in fact, all the ladies, with free flowers in honor of the occasion. And the waitresses will all be wearing flowers and the whole restaurant will be filled with plants and flowers to lend the proper decor to Mother's Day.

This super-special Mother's Day Brunch will be served at Jake's North next Sunday from 10 a.m. until 3 p.m. And here's the best part, the part Father will like - it will be priced at only \$4.95.

Jake is also providing at affordable prices complete 7-course Mother's Day dinners with entrees of Baked Ham, Roast Turkey, Roast Lamb, Fried Chicken and the choicest of steaks, chops and seafood.

MONNACEP Saturday seminars

MONNACEP programs for the weekend of May 12-13 include something for everyone from health-oriented to auto air conditioning to a Chicagoland Tour.

Saturday, May 12, two one-day seminars meet on the interim campus of Oakton Community College; these are Multi Media First Aid (HEA E03-03) and CPR Rescue (HEA E05-03). They meet from 9 a.m. until 5 p.m. and 4 p.m. respectively, with tuition fees of \$15 to \$12. In addition, a two-session offering of Effective Listening (COM E03-01), meeting from 9 a.m. to 3 p.m., also begins on May 12, with a \$24 tuition.

An opportunity to check out Auto Air Conditioning (TEC E87-03) meets on Saturday from 9 a.m. to 1 p.m. at Maine West High School, Oakton and Wolf rd., Des Plaines. Tuition charge is \$15.

The MONNACEP luxury bus tour of Chicago's ethnic neighborhoods - Italian, Greek, Spanish, Ukrainian - with several stops, including luncheon in Chinatown, will leave Maine West High School at 9 a.m. on May 12, stopping at Niles West about 9:15 a.m. The tour will return to its starting points about 4 p.m. Charge, including lunch, is \$20.

Finally, one program meets on Sunday, May 13, at Oakton: Holistic Positive Mental Attitude (PSY E40-01) meets from 11 a.m. to 4 p.m. to learn how exercise and relaxation help to maintain good physical health. The fee is \$18.

Residents of the Oakton Community College district age 60 and over participate in all programs at half rate. For the tour, the charge is \$7.50-plus \$5 lunch.

For additional information, call your nearby MONNACEP center or 967-5821.

Coin collector's show

The next date for the Chicago Coin Bourse will be held at the Leaning Tower YMCA, 6300 Touhy, on Sunday, May 13, from 10 a.m. to 5 p.m. Admission is free and there is ample free parking. Eighteen experts will have exhibits on display and will be available to appraise and identify any coins, medals, tokens or paper money presented. All persons interested in coin collecting are cordially invited to attend.

 2 bdrm. plus den condo in beautiful Lake Hinsdale Village. Custom kitchen, 2 full baths, large closets. \$108,900.00. 875-5918 days or 887-7027 evenings and weekends.

Classroom teachers decreased from 198 to 169 to the coming year's projection of 138 classroom teachers. Special service and education teachers went from 108 in '77-'78 to 100 this year and will rise to 105 for the coming year. Administrators were decreased by 3 from 16 to 13 from last year to this and it is expected to stay the same for next year. When Moe was questioned about the principal-administrator status not changing Moe said the percentage of decrease in this area was greater than the reduction of teachers in the past. He also noted a reduction of a full-time secretary will not be replaced by a full-time employee in the administration offices.

Caldarelli announced the average salary of teachers in the district is about \$16,000. The reduction of 63 teachers lessens the financially-burdened district by more than \$1,000,000 annually. Add the savings from closing two schools plus teacher-administrative cuts and the savings likely tops 1.3 million dollars annually. The increased estimated one hundred thousand dollar savings.

While classroom and teacher reductions continue Caldarelli announced in the grade school student-teacher ratio will be 23 to 1 and in the junior high school at 27 to 1.

In another discussion which took up much of the meeting the school board requested Superintendent Moe and his staff begin to prepare a study on improving and increasing the gifted child program. The prolonged discussion resulted in board president Dick Smith stating recommendations and proposals for such a program, with periodic updates, as well as studying the funding for such a program, be submitted to the board periodically.

Board member Phil Deckowitz broached the subject and backed down from an original request for a comprehensive report stating he would like to see where the district is headed in this area. He said he hoped there would be some emphasis in this area within the present buildings the coming year and wanted "things to happen". He said he didn't care for a report, per se.

The superintendent said a comprehensive study might take until January or February to complete. It was felt any application for state or federal funds would necessitate a report being presented in September. Board member Joan Futterman said a definition of gifted children would have to be defined. Also, the definition of needs for these children in the district must be determined. She was against any "time line" for such a report.

Moe emphasized some in the school district are disappointed by the lack of a gifted child program. He said he too was disappointed. But he noted resources and time must be understood, implying financial priorities caused by reductions cannot be dismissed. He noted programs in physical education, music, and drama and math, as well as the young authors

Notice of Filing
NORTHERN ILLINOIS GAS COMPANY hereby gives notice to the public that it has filed with the Illinois Commerce Commission on May 7, 1979, testimony and exhibits for Docket No. 78-0388, setting forth a reconciliation of the Company's Purchased Gas Adjustment (PGA) revenues with actual gas costs.

Further information with respect thereto may be obtained either directly from this Company or by addressing the Secretary of the Illinois Commerce Commission at Springfield, Illinois 62706.

A copy of the filing may be inspected by any interested party at any business office of this Company.

population which was about 7,000 students in the '70-'71 year. Casare Caldarelli, administrative assistant to Superintendent Ken Moe, also reported the '77-'78 year had a certified staff of 322 teachers and administrators. '78-'79 was reduced to 283.5 and the projected figures for the coming year decreases personnel in these areas to 251.5.

Residents Ann Sostrin asked many questions contending there were many kinds of giftedness. She asked if the gifted children would comprise 1% of the district as opposed to 97% of the students considered at either end of the educational spectrum.

Residents Carol Siegel and Esther Davis noted there is money available for extra sports programs and felt money could be found for a program such as a science club. They noted it would be a shame to wait until 1981 for instituting such a program as many children will leave the district by then.

Cable TV...

A proposal by Trustee Abe Selman, not approved by Tr. Carol Panek or Peter Pesole, requested the NWCME establish a checklist of interested cablevision companies but that "no one company be recommended, so as not to preclude other companies."

Pesole flatly refuted the idea of cablevision. "The companies only want to make money," he charged, noting that "downstate communities with cable TV services are paying for programs we get (here) for nothing... Why go thru that," he said, "Chicago doesn't have it."

Not fair, replied Blase. "In Chicago cable TV would have to be put into the whole community, in poor areas where people can't afford it."

To date representatives of one cable TV company, Continental Cablevision, have come before the Board (April 24) to ask for a franchise of 15 years "or more", needed to map a route of cable thru village streets and alleyways in preparation of cablevision service to residents.

Once the cables are in place, according to the representative, service is optional and decision of subscribing to the service is up to the individual homeowner.

A \$7 monthly service charge payable every 3 months provides 35-channel viewing to the subscriber. An additional \$7 per month gives "premium programming" of recent movies, sporting events and night club acts.

Additional sets cost \$3 more, apiece.

During a pre-board meeting Tuesday night trustees took under consideration, for lack of complete computation, a request by Glen Golf Disposal Co. for a 7.85% increase (33¢) from the present \$4.20 per dwelling unit per month to \$4.53 for garbage pickup.

Cost of services were increased 6.5% in 1978 from \$3.95 to \$4.20.

In the '66-'69 era, Des Plaines had the "floater" giving them 3 members per year or 9 for three years. Both Districts 63 and 64 had 2 members per year for a total of 6 each during the 3 year period.

In the '69 to '72 period, East Maine had their first three representatives, Graham, Makela and Hartzell, while the other districts had two. This period completed the first 9-year-cycle.

District 64 had three board members during the '72-'75 cycle and Des Plaines had their 3 members from '75-'78.

During the '78-'79 school year, based on the previous 15 years, District 63 should have received the third seat or "floater" seat. But Des Plaines took the seat, which now will run until 1981.

In summation, District 64 stayed in its cycle, having 9, 6 and 6 consecutive seats during these 2 nine-year-periods. District 63 had 5, 6 and 9 representatives during its first 9-year-cycle but will only have 6, 6 and 6 members during the period from 1978 to 1981. District 62 in Des Plaines had cycles of 7, 9 and 6 members during the first nine years and will have 6, 9 and 9 members the second nine years.

The history of the East Maine Caucus dates back to October 17, 1963 when a meeting was held at the Ballard School for the purpose of forming the East Maine Caucus group.

The East Maine High School Committee, chaired by Bill Gurolnick, called the meeting to order. His opening remarks told of the need for another high school board representative from the East Maine area which included the East Maine District 63 area as well as a small area in Glenview District 34, which is included in the Maine High School District.

The purpose of the caucus is to provide for the nomination of qualified persons to the high school board. The caucus does not take action as a body to get candidates elected. Its sole purpose was to screen nominations for the high school board. Unlike the present caucus the initial group did not become involved in seeking elementary District 63 school board candidates.

In the early 60's the district turned down four referenda for buildings in the district. Twice a proposed Maine South High School was defeated as was the improvement of facilities at Maine West. The sudden growth in District 63, plus the need for support from the East Maine area to pass a referendum for the Maine South and West Schools, contributed to the other districts' desire to include District 63 in the caucus-selection.

 until 1981. Because the selection has not followed the procedure spelled out in 1964, Des Plaines and Park Ridge will have the greater number of representatives serving the district with 46, while East Maine will have had 38 during the period from 1964-'81.

During the first three year period, from 1963 to '66, Park Ridge District 64 had 3 representatives each year for a total of 9 representatives over the period. Des Plaines District 62 had 7 while East Maine District 63 had 5. The first year, 63-64 East Maine had only one board member while the other districts had 3 members.

In the '66-'69 era, Des Plaines had the "floater" giving them 3 members per year or 9 for three years. Both Districts 63 and 64 had 2 members per year for a total of 6 each during the 3 year period.

Checks for handicapped

The above persons were presented with checks for their Special Religious Education for the Handicapped Programs. North American Martyrs Knights of Columbus members hold their Tootsie Roll drive every November for SPRED programs. The recipients were St. John Brebeuf Developmentally Disabled, in Niles. St. Juliana SPRED program in Chicago, Misericordia House in Evanston and Julia Malloy Education Center, Morton Grove.

Special Religious Education for the Handicapped is a highly personal and warm program designed to meet the spiritual and formational needs of the handicapped. Each child has his or her own catechist, and there is a leader catechist and activity catechist for each group, all trained by the Special Religious Education Division of the Archdiocesan center for CCD.

Bicycle theft prevention

Remember the bicycle you USED to have? The bike riding season is here but it is also the season for the police department theft statistics to go up. When the

bikes come out, the loss increases. More and more bicycles are being taken from open garages, unlocked bikes parked in front of

stores or along side of homes. Any why? The value of resale is greater than ever. It's very easy to ride away on an unlocked bike or to throw several into the back of a van and drive away.

A registered bicycle has a serial number and proper description recorded at the police department, and if stolen, the numbers are entered into the computer. Without this information, a report goes only as far as your local police agency. The cost to register your bike is only your time. It may make the difference in your property being recovered or not.

Unfortunately, a lock has become a necessary option. The loss of your bicycle could be avoided by taking these simple precautions:

1. Bring it indoors when not in use and lock it.
2. Lock your bike to a tall, fixed object.
3. Use a strong chain lock.
4. Register it with your local police department.
5. Never leave garage doors or sheds open or unlocked.

Cycle safely this summer

Become a certified safe cyclist at the Niles Public Library, 6960 Oakton st. on May 12 from 10-11. A representative from the American Red Cross will discuss safe biking procedures, and you will receive a certificate for your participation. The program will be held in the Library Auditorium, so please park your bikes outdoors.

OCC Starving Artists Fair

Oakton Community College's Starving Artists Arts and Crafts Fair returns for the sixth year to Oakton's Interim campus, Oakton and Nagle in Morton Grove, on Saturday, May 26 and Sunday, May 27, from 11 a.m. to 5 p.m. on both days.

The OCC Starving Artists Fair will have on display the art work and crafts of over 100 midwest artists who were carefully selected by an experienced jury in order to maintain a high standard of excellence and variety. The more than 10,000 items on sale will include paintings, lithographs, photography, on-the-spot portraits, jewelry, sculpture, stained glass and many other art forms. Everything is priced at \$35 and under in this "affordable" Art Fair.

Another popular feature of the outdoor Arts and Crafts Fair is the Children's Art Fair, open from 11 a.m. to 5 p.m. In this area, children can purchase the works of the fair's artists and craftspeople at prices of \$3 and under.

For further information, contact Jay Wollin, Fair Coordinator, at Oakton Community College, 967-5120, ext. 356.

LGH Health Center tours

Wide-eyed with interest, six boys from Cub Scout Pack #1, Den #3, recently toured the Lutheran General Health Center, 1775 W. Ballard, Park Ridge. Viewing x-rays and peering thru a microscope at blood cells highlighted their visit.

The Cub Scouts were just one of many groups of children and adults who have toured the outpatient Health Center. The tours, given by the Health Center's staff, are offered to groups of children of first-grade age thru college, as well as adults and senior citizens. The Health Center is a facility where individuals and families can obtain medical care from primary care physicians and other health-care professionals.

"We try to make the tour a learning experience for everyone," says Mitzi Salemm, associate director of volunteers at the Health Center. "Grammar school children especially enjoy seeing things such as how blood pressure is tested or what a

broken bone looks like. High school students are interested in the different careers represented at the Health Center and their educational requirements."

The tour includes stops at various areas of the facility including the pharmacy, laboratory and x-ray, billing and medical records departments. Representatives of the areas explain their work and any equipment they use.

"In the pharmacy department for example," says Salemm, "the pharmacist will explain what generic drugs are. He will also explain why drugs should be properly labeled and why a pharmacist needs to know all the medications that a person takes before he fills a prescription."

In the Medical Records Department, the groups see a Lektreiber, a rotary file containing the patient's medical record, and a teleautograph which transmits requests from the units to the department. Groups also see how computerized billing is handled.

Depending on patient activity and scheduling, the groups visit various medical units in the Health Center - Pediatrics, Internal Medicine and Family Practice.

The tours last one hour and are given Monday thru Friday between 9 a.m. and 4 p.m. The group size is limited to 30 persons, in which case the group is divided into two. Arrangements for tours are necessary and may be made by phoning 696-7694.

followed only by a police car escort with its flashing light. It figures The Bugle truck would be closely-hounded by a Niles police car.

It was a great parade. There weren't too many people watching the parade, maybe 500 or so, but it was a beautiful day, and the Little Leaguers looked great, and the Racine, Wis. Legion girls' band made it all the more festive, and Mike and I yelled out to many people we knew, tooting a few toots on The Bugle horn, in honor of this lovely day.

At Grennan Heights park we drove a four-square block seeking a parking space. As we slowly turned a corner a fine broth of a lad, Tim Jensen, was trotting alongside of us, keeping pace at 5 m.p.h. After a second turn, we stopped, told Timmy to hop in, and The Bugle made a new friend.

At the field the rainbow of colors from the ballplayers' uniforms made the tulip colors in Holland seem pale by comparison. The Racine, Wis. band played the Battle Hymn of The Republic, and then a very nice voice attached to a name like Joe Foltz pop-sang God Bless America. Bob Strezewski played an electric accordion as an accompanist and we all joined in a second rousing round of the song, joining Mr. Foltz.

Walt Beusse, who just had 1,298 people say they wanted him back on the park board, strolled out to the baseball mound, and threw a pretty good overhand pitch for a guy of 50 years old. If he's older than 50, it was a helluva pitch. Then Chuck Allen, who was behind the plate catching "twelve-hundred-ninety-eight-Beusses'" wicked slider, strolled to the mound and threw a second-opening day pitch. Balloons were released at this auspicious moment, beautifully colored balls which soared into the blue azure, and we were all set for another fine baseball season. Those beautiful, clean, white-pants uniforms would soon be grass-stained, but at this moment with the hundreds of boys in the colorful backdrop, balloons soaring ever-upwards, and Beusse and Allen going on and off the mound, the world in Niles was at its best.

Mike and Timmy and I stood together enjoying this panoply of color. We turned to seven-year-old Timmy and suggested we head for a chocolate milk shake, though not knowing just where the best one in town is. But Tim, a young man of the 70's, suggested we go for a slurpee at the 7-11 store, and that's where we headed.

Enjoying these blithe moments, we zeroed in on our new friend, Timmy, who was indeed a masterful 7-year-old conversationalist. We were inclined to think he might have been a 40-year-old midget. But when he told us he went to Oak School, that Mrs. Daray is "the nicest teacher in the school and if we didn't believe him, we could go ask the 6th graders", we knew Timmy was just one of those super-bright children of the 70's who had to be weaned on more than just television.

Well, it's not much of a story. We rounded up our slurpee friends, Mike and Timmy, dropped them off at Overhill and Odell sts., stopped off for a fast Booby hot dog, and returned old Eugle Betsy to her barn.

It was only a couple hours out of our lifetime. But it was a lovely couple of hours. Colors... that's what we seem to recall. The spanking-clean new uniforms, the balloons sliding northward toward Main st., the freshly painted red, white and blue, and the green slurpees. And Timmy and Mike and Bud.

Zoners OK Milwaukee condos

by Alice M. Bobula

The Niles Plan Commission and Zoning Board Monday, May 7 recommended approval of zoning changes for a Planned Unit Development (PUD) at 7201 Milwaukee ave.; an addition to the Chambers Restaurant at 6881 Milwaukee ave.; an Oriental carry-out restaurant at 9137 Golf rd. and gave the greenlight on side and rear yard variations for an addition to a single family home at 8130 Oak ave.

Following a second round of hearings, Zoning Commissioners Monday evening approved a zoning change to PUD at 7201 Milwaukee ave. by Sims Construction Co. of Skokie for proposed construction of a five-story condominium building on a one and two-thirds acre site at the northeast corner of Touhy and Milwaukee ave.

Approval was predicated on acceptance of landscaping plans; a 10 p.m. curfew for the swimming pool; overhead utilities to be placed underground; and, on recommendation by Building and Zoning Director Joseph Salerno, the south driveway on Milwaukee ave. be changed to ingress only with a 15 ft. width and a second, north Milwaukee access to the site to be widened to 30 ft. with no left turns proposed for each access, subject to approval by village engineers.

During a pre-application hearing April 2, commissioners had indicated approval to the petitioner to file formal application and return to the Board with full plans regarding the development. Zoning Commissioner Kenneth Cohen at that time indicated he would seek lower density for the area.

Attorney for petitioner Howard Sherman said plans which he noted "aesthetically pleasing" call for a total of 48 units of one, two and three bedroom apartments on three floor. One apartment on the first two floors would be deleted he said to permit a meeting room on the first floor and a health club with sauna on the second floor.

Sale price for the one bedroom unit will begin at \$75,000; the two-bedroom apartment at \$95,000 and the three-bedroom unit at \$115,000.

Architect Dan LeNoble said a double parking area, above and below grade level of the building, will permit 96 parking sites with an addition outside 20 parking spaces for visitor cars.

Amenities include a patio, shuffleboard court and a swimming pool. Concern for her guests by Sister Irene, Administrator of St. Benedict's Home for the Aged, at 6930 W. Touhy, was allayed by petitioners who agreed to fence the swimming pool and set a curfew for swimmers.

Owners of the five-parcel site were listed under Cosmo Bank Trust, with 5 Callero and Catno Realty employees as beneficiaries; Arthur Gruno Trust Agreement, Chicago Title and Trust Co., beneficiaries Niles Police Capt. Wm. Mehring, his wife and mother; and the Travelodge, 7247 Waukegan rd.

In second action zoners barely recommended approval, 3 to 2, of rezoning petition by Nilesite Roy Makela to construct an addition to The Chambers Restaurant at 6881 Milwaukee ave.

Comrs. Pat Feichter and Todd Bavarro negated approval on grounds that revised plans,

showing the required 10 ft. spacing between the addition and existing garage; necessary landscaping; and 15 ft. width access driveways, be presented to the Plan Commission prior to decision.

A requested 8 ft. court wall on the south boundary, over the permitted 6 ft. height allowed by village code was set for consideration by village trustees.

Makela told Zoning Commissioners he is "operating out of minimal facilities altho food is at maximum." Plans include remodeling of support facilities and construction of new dining and kitchen facilities to accommodate 80 patrons over present accommodations for 60 diners.

In other action a rezoning petition for a carry-out addition to a restaurant at 9137 Golf rd. gained recommended approval from Zoning Commissioners predicated on adequate parking sites.

Petitioner Hai Chung said the added area to the existing restaurant would not need seating accommodations. His present menu of Oriental foods will be extended to carry-out service of the same items.

Snow damage . . . JCC volunteers

Cont'd from Skokie-L'wood P.1 reported was to fences. Approximately 60 fences were damaged through snow clearing and each of those claims, as they were filed, were turned over to the village's insurance company, Krier Bros., of Skokie.

"We believe most of them have been settled with the individual. If a person has a fence claim pending and has not been contacted by the insurance company, please call the village hall (673-0500) and ask for the personnel department," Hedges said.

Hedges points out that the village has worked hard to clear up the snow damage claims as soon as possible, and after May 1 has not been accepting new claims. He added, however, "In an extreme circumstance, like someone who has been out of town for a long time and just returned to the damage, we will make exceptions."

He pointed out that the excessive damage created a new problem for the village. "We have it under control now, but we have to develop some special procedures because of the quantity of the claims. We believe we've satisfied most of the people. It was an extreme storm and it was something we never had to deal with in this enormity before."

Hedges said there is no estimate yet what the damage repairs and claims will cost the village.

Also in other action commissioners approved a request by William Witt for side yard variation from 5 ft. to 3.19 ft. and a rear yard variation from 30 ft. to approximately 27 ft. for construction of a two-story addition to his one-story home at 8130 Oak ave.

The petition continued from April 2 for purpose of alternate plan presentation May 7 was approved on original planning.

Commissioners and petitioner both agreed the first proposal enhanced the neighborhood as compared with new drawings. Plan Commission Chairman John Frick termed the area to be "a unique piece of property annexed to Niles from the County."

In final action Frick noted resignation from the Plan Commission by Kenneth Cohen, recently appointed Associate Judge of Cook County Circuit Court.

"His contributions, service and added area to the Community of Niles will be missed sorely," said Frick, noting the 14 years' service by (Judge) Cohen as commissioner on the Zoning Board.
