Niles Township high school teachers picket schools

In Niles Township High School District 219 teachers voted to picket the schools beginning this past Wednesday morning. The 356 teachers in the high school district are asking for more money and are at odds over hall-monitor duty and lunchroom duty which they want ended. They're also in dispute over other ex-

tracurricular assignments. According to school superintendent Wesley Gibbs, the teachers have been offered a 9% salary increase and they are asking 50% more than the increase. Chuck Burdeen, representing the Illinois Federation of Teachers, disagreed with the amounts an-

nounced. He said the teachers have been offered a 7% increase but he did not disclose the increase the teachers are seeking. Burdeen said, "We are talking about making up for past cost-of-living losses." There are approximately 5,500 students in the district.

Board passes resolution closing schools until further notice

District 63 teachers on strike

From the LEFT HAND

by David 'Bud' Besser

In School District 63 you can expect the kids to be out for the rest of this week, and likely ready for the opening bell next Monday. What you have in this district is a bunch of poseurs. The school board is made up of a businessmen's board, which is posturing as a hard-nosed "we're not going to be kicked around" group.

Tuesday night the teachers' union president was reduced to tears after being swatted around by the most liberal member of the school board, Mark Davis, calling her a "dictator".

In confrontations such as we're having here, egos are all over the place, some flying high, some being battered about, all feeling a bit fragile by the nerve-shattering confrontations. The businessmen's board are just a bunch of average people, many of whom have never been in a position of authority. Likewise, the teachers are rather gentle folk, who are easily bruised, and wear much too much emotion on their schoolmarm sleeves.

After all the ying and yanging, both groups will compromise on an approximate 7 1/2% salary increase, which is the same as a neighboring Northbrook district agreed upon, which went thru the same trauma this past week. And the kids will have had an extra 2 days off, and be back in school next week.

Niles Park Commissioner Walt Beusse dropped in Tuesday morning to tell us about his efforts in helping raise money for the newly-formed Pat Moore skating fund. Seventeen year old Pat will be vying for a place on the U.S. Olympic team in December and January. He's presently ranked about 7th in the world and has an excellent chance of being on the 1980 Olympic team. Walt reminded us there is a need for about \$3,000 to carry Pat thru the upcoming months' trials. It is likely he would be Niles, Illinois' first representative on any Olympic team, and Walt is going to lead an effort to contact the community to seek its support.

Diane Miller reported 2 weeks ago a second Niles representative could also be on next year's team. Tim Glass, who was a high school state champion and the number one choice in fencing in the United States to head for Moscow, is now calling Houston his home. But Tim first made his mark at Notre Dame High School, and we feel Niles should share a bit of his glory as he's heading for the Olympic finals.

Rare blood type needed

A 15 year old Niles boy who is a sophomore at Maine East High School is currently in need of a rare blood type for transfusions. Any persons with the blood type AB negative can call the Lutheran General Blood Bank at 696-5580 and state they wish to donate AB negative blood for the 15 year old boy. Since the blood type is rare, the blood bank personnel will know who to credit with the donation. The parents do not wish to divulge the boy's name at this time.

Following a strike by teachers Tuesday, Sept. 4, members of the East Maine School District 63 board passed a resolution all district schools will remain closed until further notice.

Action was taken following an executive session at a special meeting 7:30 p.m. the same day.

About 3,700 pupils will be affected by the strike as well as 230 teachers. School was scheduled to begin Wednesday, Sept. 5.

Also passed was a resolution all teachers be paid on the basis of their 1978-79 contracts pending the outcome of negotiations. New teachers would be paid on the basis of their contracts.

About 40 teachers were picketing and handing out press releases before the meeting. A television crew covered both the picketing and the meeting.

Picketing was discontinued in time for teachers to attend the

Richard Smith, board chairman, read a letter to be sent to all parents, which reads, "The Association (East Maine Education Assn.) demands a 12.29% increase in salary and fringe benefits for the 1979-80 school term, and a formula which will provide a sum equal to the cost of living for the 1980-81 school term. The Board offered a 2-year salary and fringe benefit proposal of 15.24%; 8.04% in the 1979-80 school term and 7.20% in the 1980-81 school term."

Smith also read the collective bargaining conduct statement to the audience. It states in part any employee taking part in a strike is acting "contrary" to the State's public policy. One day of salary will be deducted for each day of the strike and an official reprimand placed in the em-

Police nab suspect burglar wearing victim's shoes

Police Thursday, Aug. 30 arrested a man in alleged burglary of a Garden East apartment in the 8600 block of Milwaukee ave.

The suspect, John Keorkunian, 27, a resident of the Dolphin Motor Hotel at 8550 Golf rd., was wearing a pair of shoes allegedly stolen in the Wednesday burglary when police closed in on his car in traffic Thursday near police headquarters.

Keorkunian is being held in Cook County Jail in lieu of a \$20,000 bond pending a Sept. 7 hearing in Niles Circuit Court.

Police said the Milwaukee ave. apartment was burglarized near mid-day Wednesday. Someone had pried open the front door and ransacked the apartment taking a 21-in. television set, two watches valued at \$30, a Master Charge card, an old Indian Head penny and silver dollars worth \$100 as well as numerous checks.

The victim said officials of the Northwest National Bank, 3985 Milwaukee ave., notified him at 3 p.m. that a male in his twenties with a beard and moustache had tried to cash one of the \$75 checks. When the bank teller

became suspicious and called police, the suspect fled. But not before a security guard noted the license numbers of the light blue car he was driving.

Niles Police Officer John Katsoulas spotted the light blue car shortly before 7 p.m. Aug. 30 and aided by Officers Robert Grudzien, Olbrisch and Donald Matuszak stopped the auto containing the suspect and two women passengers near the intersection of Milwaukee and Touhy ave. A search of the car turned up a rare foreign coin and the stolen shoes, both later identified by the victim as having been taken in the Wednesday burglary.

Niles Police Lt. John Christie, head of the Investigation Bureau, praised Officer Katsoulas for "very good police work." He noted that "every case has its unusual feature... in this one the apprehended suspect was wearing the victim's shoes."

Police said Keorkunian had a previous record of numerous burglaries and thefts. They said he had been paroled Sept. 29, 1978 on a two to six year sentence for a Sept. 17, 1976 burglary.

Adults series

"Vaccinations For Persons Over 65" will be the topic of a public program at 7 p.m. Wednesday, Sept. 16 at the Naurice Nessel Health Center of Lutheran General Hospital, 1775 Ballard, Park Ridge.

"Fall is the important time to think about proper immunization against influenza and

serious infections in the elderly," says Jerome Hahn, M.D., director of the Health Center. Influenza and pneumonia both are prevalent every winter and Dr. Hahn recommends that persons over age 65 or those with pulmonary or heart disease, be vaccinated against both.

Lutheran General's Older Adult Services Development Program also conducts inpatient and outpatient counseling to the elderly. For more information, phone the Older Adult Services Development Program at 696-7285.
