Niles Days Committee pleads new format for 1980

by Alice M. Bobula
In an unprecedented appearance before the Niles Village Board Tuesday evening Dec. 11, members of the Niles Days Committee requested village approval of an all-new, community-involved, format for the upcoming 1980 Festival Days. Altho scheduled for an early hearing in board business the approximately 15-member Days group were made to sit thru the entire Board meeting and the Board of Local Improvements hearing prior to appearing before the Mayor and trustees. Don Steinke, the Days' co-chairman with Sandie Friedman who did not appear Tuesday night, said he came to seek support for the Festival Days from village officials. He noted new planning for a 3-day festival, rather than the annual 5-day event traditionally held in July, for a Country Fair-type format which would include wine and cheese tasting and an auction, similar to the successful one held in the Bicentennial Year. Humorously noting the unspoken main concern by the Days' Committee for annual

Weinberger easy victor for Democratic spot

Porter beats Nimrod in 10th Dist.

Former State Rep. John Porter defeated State Senator John Nimrod Tuesday in a special primary held Tuesday, Dec. 11 by a 2 1/2 to 1 margin thereby winning his party's place on the ballot in the Jan. 22 special election. Democratic candidate Robert Weinberger, a Glencoe attorney who had been with the U.S. Commerce Department, was an easy victor over a write-in opponent, Skokie writer Paul Rubenstein. The winner of the Jan. 22 special election will complete the unexpired term of Abner Mikva who resigned from his Congressional seat and was sworn in Sept. 27 as a judge on the U.S. Court of Appeals for the

Last Wednesday evening around midnight, the senior citizen residents of The Huntington experienced a power failure in their building which left them without heat, lights, cooking facilities or water for approximately 15 hours. The only light in the building was provided by an emergency generator which handled the lighting in the hallways and stairwells.

There are no provisions for emergency elevator service in the event of a power failure, no emergency system to operate the electric circulating pumps for the heating system or the electric booster pumps which are needed to get the water to the residents living above the fourth floor. Fortunately, the weather was mild for a winter evening, but zero temperatures outside would have made staying in the building for 15 hours without heat impossible and many of these elderly residents would have required help in getting down 8, 9 or 10 flights of stairs to a warm refuge.

So, in the event of future power failures such as the one which occurred Wednesday, the 135 senior residents of the 10-story building will just have to bundle up, sit in the dark, not even fix a cup of tea since they have electric stoves and pray there isn't an emergency of any kind since with no elevator service the firemen or paramedics would have to walk up the 10 stories.

Bob Rydell, spokesman for Commonwealth Edison, told us the first report of the electrical problem came into their office early Thursday morning and since there appeared to be no other outages in the area, the Huntington caller was told to have an electrician check the building's service first. At 7:30 a.m. the

Happenings

"Mother Teresa of Calcutta", a filmed interview with the saintly Indian nun who has been awarded the Nobel Peace Prize for this year, will be shown on Wednesday, Dec. 19 at 3:30 and 7:30 p.m. at the Morton Grove Public Library.

In this extraordinary interview, filmed in India, Mother Teresa talks with Malcolm Muggeridge, one of England's most sophisticated and worldly men. Her life's work of rescuing abandoned babies and other people in need in the teeming streets of Calcutta is shown in all its beautiful simplicity. Admission is free for this fascinating and moving film.

Wednesday, Dec. 26 will be a day of holiday films at the Morton Grove Public Library. "Escape to Witch Mountain", a wonderful Walt Disney film, will be shown at 12 noon and 3:30 p.m.

The wild Beetle film, "The Yellow Submarine", will be shown at 10 a.m., 2 p.m. and 7 p.m. The soundtrack of this film includes "Eleanor Rigby", "All Together Now", and "Sgt. Pepper's Lonely Hearts Club Band".

There is no admission charge but seating at each showing will be limited to maximum capacity. Tickets for each showing of both films will be handed out at the Children's Desk one half hour before showtime.

Maine Township teachers turn down salary increase offer

William Schaeffe, President of the Board of Education of Maine Township High School District 207, has expressed disappointment that District teachers have turned down an increase in teachers' salaries totalling \$280,000 and a revised policy to reduce teaching positions as a result of declining enrollment.

"The proposed \$280,000 increase was all the Board could legitimately offer for the teachers in a salary increase for 1979-80 and be fiscally responsible," Schaeffe said. "To have offered more money would have increased the District's early use of taxes beyond what the Board considers a reasonable level."

Early use of taxes by a school district takes place when the District borrows taxes it has already received for next year's operation in order to pay for the current school year. While it is a common practice used by school districts, the District 207 Board of Education has said repeatedly it wants to keep its early use of taxes as close to 25% as possible.

The current plan is for the District to use about 27% of early tax revenues. The proposed salary increase would have increased the amount to 28.5%.

The Maine Teachers' Association turned down the Board offer by a vote of 390 to 11 on Dec. 6.

Prior to Friday's vote, President Schaeffe had explained the Board of Education position on salary and Reduction in Force (RIF) negotiations at the Board's Dec. 3 meeting.

He said the Board, which has a two-year contract with the teachers' association through the 1979-80 school year, had agreed to a reopening of the contract primarily as a means of responding to the needs of teachers who received little salary increase in the second year of the contract.

"The association insisted upon an across-the-board increase for all teachers. Our final salary proposal offers the teachers three options, all costing approximately \$280,000," Schaeffe said.

The options included adjusting the 1978-79 salary schedule so that each teacher would be guaranteed a base salary 6.5% higher than the teacher received in 1978-79; adding \$500 additional pay for all teachers; and

distributing the \$280,000 in a new salary schedule.

The Board had asked to review the Reduction in Force procedure as a result of new legislation making seniority the basis for reducing teachers because of declining enrollment. President Schaeffe said the new state law ignored teachers' departments and qualifications and that to implement it would be very disruptive because teachers would be displaced and the District's ability to provide high quality programs would be reduced.

At the Board meeting Superintendent Richard Short pointed up the importance of school districts maintaining fiscal responsibility and of school boards having a working knowledge of the financial condition of their school districts.

He said: "We only have to look at the Chicago schools current financial position to see what can happen when fiscal matters are not uppermost in the management of a school district. As an outsider, it appears to me that Chicago School Board members did not seem to be aware of where the school district was going financially."

Dr. Short stated the current Board of Education is well informed about District 207's financial situation and that this has been the case with previous Boards of Education.

At the meeting, the Board accepted a new long-range planning document predicting that District 207 would face a \$10 million deficit by the 1982-83 school year unless the District changes its operation or finds more revenues.

The document also explains the main reason for the Board's deteriorating fiscal picture is declining enrollment and loss of state aid monies. The district currently has 9,911 students. The enrollment is expected to drop to 7,400 by 1984.

Negotiations on the next contract between the Board and the teachers' association begin in March.

Holiday mail schedule

The Morton Grove post office will operate on a holiday mail schedule Tuesday, Dec. 25 and Tuesday, Jan. 1 in observance of Christmas and New Year's Day.

Postmaster Louis G. Principali said regular residential and business deliveries and pick-ups from collection boxes will not be made on those days, and usual post office lobby services will not be available.

Delivery of certain expedited mail services will continue during both holidays. These include Special Delivery and Express Mail. The latter guarantees mailers overnight delivery in more than 1,000 cities across the country.

Normal mail service will resume Dec. 26 and Jan. 2.

Youth respond to snow removal problems

The Village of Niles, Youth Job Program has functioned as a very important part in providing service for snow removal.

Last January and February, due to the tremendous snow fall, this program handled hundreds of requests from residents to shovel them out. The young people shoveled sidewalks, driveways, roofs and stuck cars.

Many long and strenuous hours were spent in the snow for the teens, but they were willing and eager to work. The community can look towards this service again this winter for help. Especially the senior citizens, they are affected the most. For more information, or service, call Carol Chaconas, Youth Coordinator, Ext. 59.

Niles West hosts Christmas Wrestling Tourney

Niles West will host a sixteen team Christmas Wrestling Tournament on Thursday and Friday, Dec. 27 and 28, 1979. The event will bring together some of the area's finest wrestling talent. The teams competing are: Deerfield, Brother Rice, Maine South, Lake Zurich, Zion Benton, Taft, Lane Tech, Niles North, Highland Park, St. Joseph, Stevenson, St. Laurence, Evanston, Niles West and Luther North.

These are the times of each session: Thursday 1 p.m. and 7

p.m.; Friday 1 p.m. and 7 p.m. Medals will be awarded to the first four places in each weight class and the top three teams. A "fast pin" medal will be awarded to the wrestler recording the fastest pinning time.

The tournament has expanded over the last year from eight to sixteen teams. Admissions to each session is \$1.50 adults, 75¢ students and \$5 tournament pass (good for all sessions). Niles West is located at Oakton and Edens Expressway in Skokie.

Donkey Basketball

Donkey basketball, "the world's craziest sport," will be played in the Niles East High School gymnasium on Saturday, Dec. 15 at 7 p.m. The donkey tournament, during which participants will play basketball while mounted on donkeys, is a benefit sponsored by the Niles East DECA (Distributive Education Clubs of America) organization.

According to Mr. William Coulson, DECA sponsor, the tournament will consist of two preliminary games and one

championship. The Niles North High School faculty will oppose the Niles East Lettermen's Club in the first, while the Niles East faculty will challenge the Niles East Pom Pom girls in the second. A final match will determine the grand donkey basketball championship.

Advance admission tickets are \$2 and may be ordered by calling 673-6822, (ext. 1140). Tickets at the door are \$2.50. The Niles East gymnasium is located at Lincoln and Niles Avenues.

OCC alumni game set for December 17

Oakton Community College will hold its second annual J. Dennis Lamping Memorial Alumni Basketball game at Niles East High School on Monday, Dec. 17, beginning at 8 p.m. Niles East is located at Niles and Lincoln ave., Skokie.

The annual game is named for Dr. Lamping, who was associate professor of history at Oakton and coach of the alumni team until his death in 1978.

"The game should be alot of fun for both players and fans," Tom Jorndt, director of athletics, said. "Yet it will include serious basketball because both teams want to win."

Last year's alumni game was a thriller to the end with the varsity team squeaking by the alumni 111 to 108.

The game pits the skills of this year's varsity squad against an alumni team of 15 players from previous varsity squads.

Making up this year's alumni team will be Tom Arns, Tony Baran, Craig Christiansen, Jack Cronin, Tim Enders, Tom Florentine, Jeff Fougousse, Tom Herring, Dennis Jahnke, Jerry Jones, Rodger Junge, Frank Kochevar, Tony Reibel, Dan Welter and Jim Welter.

Admission is free and refreshments will be served at reduced cost. Special half-time activities, with contests and prizes, are scheduled. For more information, call 967-5120, ext. 282.

Girls' Bowling

The fall season ended Nov. 12 and first place team was comprised of Denise Menuma, Chris Olson, and Lori Spino.

Notre Dame Basketball preview

The Notre Dame varsity Basketball Team is looking forward to a season that will be just as successful, if not more so, than last year's, according to Head Coach Stu Snow.

The Dons are one of the smallest teams in the E.S.C.C., as their tallest player, Jim Viola is only 6' 4". Despite this, the Dons are preparing for a tough conference in which they will have to battle St. Pat's, who are on the verge of being a state tournament qualifier, and the always powerful St. Joseph.

The Dons are strongest in the guard position, where Dan Rago, the returning starter, is slotted. "Due to our depth, we will have to play a style of ball in which we outrun, out hustle, and outlast the other team," Coach Snow stated recently. "We will not win or lose games with just five players." The thirteen man roster consists of five seniors and eight juniors.

This year's coaching staff consists of five well-qualified men, two of which are new to N.D. this year. Frank Griseto and Jim Whitton join the current staff. Bruce Donash, John Lally, Jim Meyer, and Head Coach Stu Snow.

The Dons opened their season this year on Nov. 22 at Niles West in Thanksgiving Tournament against New Trier East.

Boys' Bowling Club

Maine East student Bob Aley of Niles bowled the high game, a 211, for Nov. 13's competition between members of the Maine East Boys' Bowling Club.

The high team series, a 2,973, went to captain Andy Budish of Morton Grove, Bill Tompkins of Niles, Mike Ladin of Morton Grove and John Predgo of Des Plaines.

The high team game, a 1,026, was bowled by captain Paul Stempinski of Niles, Nick Golemba of Park Ridge, Steve Nosco of Niles, Dave Hefferle of Des Plaines, and Mark Morrison of Des Plaines.

High series for the afternoon was 538 by Bob Aley of Niles, a 538 by Steve Wells of Des Plaines, a 514 by Dave Pisani of Niles, and a 506 by Joe Stempinski of Niles.

Members of the Maine East Girls' Bowling Club will hold a holiday party in December.

Suddenly slim in 1980

If you have made a New Year's resolution to lose weight, now is the time to call the Leaning Tower YMCA, 6300 West Touhy ave., Niles, 647-8222 to enroll in the Suddenly Slim in 1980 Lose Weight the Y's Way Class for women beginning on Monday evening, Jan. 7, from 7 to 9 p.m. Ms. Marge Clough, Diet & Charm Instructor for the Leaning Tower YMCA, says women enrolling in this class can expect to lose up to 21 pounds in the 7 week session.

Besides physical fitness, classes will include menu planning, calorie counters, low calorie recipes and exercise sheets. Women will receive tips on spot reducing, charm, skin care, makeup, hair care, posture, relaxation to avoid nervous nibbling as well as wardrobe planning to complement their new figure. They will also learn how to maintain their weight after the pounds are lost. Over 60 tons of weight have been lost in these classes since they started 27 years ago. The new classes will be taught by Ms. Clough and her staff.

To register, please telephone the Leaning Tower YMCA at 647-8222.

OCC registered nursing cooperative

Oakton Community College, through a cooperative program with Triton College, offers district residents an opportunity to train for a career in registered nursing.

The two-year program in registered nursing begins each September. However, students must apply by early spring to be admitted to the fall program. This year's application deadline is March 1.

The special nursing program features clinical nursing experience at local hospitals each semester and a fully equipped laboratory at the college. A modern learning resource center is available to students, as well as financial assistance and job placement services. The tuition charges are very reasonable.

Graduates of Oakton's cooperative program with Triton are awarded an Associate Degree and are eligible for the Examination for Registered Nurses given by the State of Illinois Department and Education.

"The demand for registered nurses remains the highest of all

health care workers," according to Carol Casten, chairperson of the associate degree nursing program at Triton. "Job opportunities are available in hospitals, clinics, governmental agencies, nursing homes, physicians' offices and industrial centers."

Registered nurses perform a variety of functions in their work with other members of the medical staff, Ms. Casten said. They identify patient care needs, collect patient information, plan and carryout measures for the prevention of illness and promotion of health, give direct patient care, and evaluate the treatment and care given to patients.

Information sessions on the registered nursing program will be held on Wednesday evenings and Friday mornings on the Triton campus, beginning Jan. 23. General information on the nursing program can be obtained from Ms. Casten at Triton College, 456-0300, ext. 235 or Ms. Firmis at Oakton, 967-5120.

Family Birth Center opened

A Family Center has been opened in the Department of Obstetrics and Gynecology at Rush-Presbyterian-St. Luke's Medical Center.

"Women want choices about their methods of childbirth nowadays," said Claudia Anderson, R.N., Ph.D., chairperson of Obstetrical and Gynecological Nursing. "We've developed the Family Birth Center as a safe alternative to the traditional method of hospital birth."

The Center consists of a comfortable family room (with easy chairs, TV, stereo, plants, pictures and a small refrigerator) and adjoining bedroom. Mother and child spend their entire hospital stay (including labor and delivery) in the Center with other family members. If complications develop, the regular delivery suites are nearby as is the special care nursery.

Mother and baby may leave the hospital 12 hours after delivery. Within the first 48 hours after birth, a nurse from the Center will make a home visit.

Women who have had normal, low-risk pregnancies and do not suffer from any major medical problems may use the Family Birth Center. Potential users should discuss this alternative with the obstetrician and are asked to attend prenatal classes, either at Rush-Presbyterian-St. Luke's or elsewhere. Approval from the baby's pediatrician is also necessary.

More information on the Family Birth Center can be obtained by calling 942-8733.

YMJC Winter Day Camp

The Mid North Branch Board of the YOUNG MEN'S JEWISH COUNCIL will be offering a Winter Day Camp for children in grades 1-6. The day camp program will be on Wednesday and Thursday, Dec. 26 and 27.

The Dec. 26 camp program will include swimming, roller skating and indoor games. Children should bring a sack lunch, swimsuit and towel. A snack and beverage will be provided. There is also the option of a short or extended day (10 - 2 p.m. or 9 - 5 p.m.). In the shorter program, parents will pick up and drop off children at the Glenview Playdium on Glenview Rd. For the extended day, parents will drop off and pick up children at the Center for Enriched Living, 9301 Gross Point rd., Skokie (Sharp Corner School).

On Dec. 27, activities will include indoor ice skating, arts and crafts, and non competitive games. Again, there is the option of a short or extended day (10-3 p.m. or 9-5 p.m.). In the shorter program, parents drop off kids at the Skokie Skatium, 9300 N. Bronx and pick up at the Center for Enriched Living. Those participating in the extended day will drop off and pick up children at the Center for Enriched Living.

Advance registration is required. Fee for the shorter program day is \$8 and the extended day is \$9.

Skokie motorist strikes out

A 43 year old Skokie driver was arrested Dec. 4 after the car he was driving struck 3 other cars and then hit a traffic control light at Oakton st. and Caldwell ave.

Gunnal Bischoff of 9424 Crawford was charged with disobeying a stop sign, failure to reduce speed, drunk driving and damage to state property. He was freed under a \$1,000 bond pending a Dec. 28 hearing in Niles Circuit Court.

According to police Bischoff was driving north on Nordica shortly before 8 p.m. Tuesday and disobeyed a stop sign at Oakton st. His car crossed Oakton and allegedly struck a 1979 Camaro driven by Elizabeth Machala of 5222 Lind in Chicago who was westbound on Oakton in the right lane.

Police said Bischoff's car continued east on Oakton in the westbound lane and then allegedly struck a Chevrolet driven by Judith Macho, 28, of 4915 Hamilton in Chicago westbound on Oakton in the Center Lane.

Still continuing eastbound in the westbound lane of Oakton according to police Bischoff's Volkswagen allegedly struck a Ford driven by Michael Kelly, 42, of 5930 W. Capulina in Morton Grove who had pulled over to the right side of the road in an effort to avoid being hit.

Bischoff's car reached the intersection of Caldwell and Oakton driving left of center on Oakton and then cut to the right and struck a traffic control light in the center of Oakton st. on the east side of Caldwell.

No injuries were reported said police who indicated three witnesses saw the incident.

A coat valued at \$120 was taken from the coat rack at Bunker Hill Country Club, 6635 Milwaukee ave., around 4:30 p.m. Dec. 9.

Maid cleans home of cash and jewelry

Jewelry valued at \$250 and \$250 in cash were taken Monday, Dec. 3 reportedly by a maid who was left to clean a home on Washington st.

The owner told police she had gone into the basement around noon on an errand when she heard the front door open and close. Returning upstairs she saw the maid run to a car and drive away. Then she noted her purse open and the cash missing. Also gone was a gold watch.

Thieves rob Dialysis Center

More than \$1,500 in equipment was taken from the Kidney Dialysis Center at 7332 Milwaukee ave. overnight Dec. 3.

Taken were an IBM Selectric typewriter, microwave oven, blood sugar tester, a panasonic clock and one desk radio.

Police said there were no signs of forced entry. Employees reported they closed shop at 9 p.m. on Dec. 3.

Break into construction trailer

Burglars got away with more than \$13,725 in equipment after forcing their way into a construction trailer at 5959 Howard st. around 4 p.m. Nov. 29 and the next morning.

Damages to the trailer door were estimated at \$350. Police said burglars may have used a crowbar.

No interesting developments for Fotomat flasher

A young Fotomate in the Lawrencewood Shopping Center near Oakton st. and Waukegan rd. told police a teenager came up to the Fotomat around 6 p.m. Dec. 3 to expose himself then ran off toward Oakton. She described him to be around 17 years old, 5 ft. 7 in., weighing 150 lbs. and wearing a lined Levi coat.

Attempt break-in of home

A resident on Main st. told police Dec. 4 the west side door of her home had been forced open between 2:30 p.m. and 3 p.m. Tuesday when she was out of the house.

She said nothing appeared to be missing.

white curly lamb coat valued at \$475 draped over her arm around 5 p.m. Dec. 5.

Employees of the store told police they were not sure the coat was store property because the coat was turned inside out. Later they found a similar coat hanging in the clothing rack.

A young man who had accompanied the woman into the Golf Mill store said he had met her earlier at a nearby shop and both went to Mr. Marty's to shop. The woman became abusive when her companion declined to buy something for her and left the store.

Employees described the young woman dressed in high heels and jeans to be "high" or drunk.

Tries to cash stolen check

A man who tried to cash a \$1,500 cashier's check at Niles Savings and Loan at 7077 Dempster st. on Dec. 8 apparently became frightened and left before the teller could obtain further identification.

The man entered the bank shortly after 9 a.m. Saturday said police to cash the check made out to a Joseph Blank on a Chicago bank. When he could not produce an identification card, the teller went to the index file to obtain the account number and discovered several accounts listed under the same name.

When she returned to obtain further information the man was gone, according to police.

Investigation revealed the check was one of a series stolen from the Chicago bank.

Take \$5,030 in burglary of home

Burglars got away with \$5,030 in cash, jewelry, sterling silverware and a case containing clothing after ransacking a home on Huber Lane during the evening of Dec. 9.

Police said the west rear door of the home had been forced open, with estimated damages of \$75 to the lock.

A set of sterling silver carving knives valued at \$900 and a 16-place setting of sterling silver valued at \$2,000 were taken from a china cabinet in the dining room. SCOUTS Junior Troop 595

The Girl Scouts of Troop 595 were very busy this past month. A Halloween Party finished off the month of October in a grand way - lots of fun, games, trip to a spoof house, etc.

November brought a trip to Evanston's Light House, along with a picnic lunch by the lake. There was Maine East's "V Show", where all the girls came away singing. After that there was a trip to the Art Institute - with a guided tour of the beautiful building. In between all of this they had time for badge work and the starting of a Christmas Project.

The lucky members of Troop 595 are: Kathleen Russell, Chrissy Reid, Loretta Colosi, Catherine Romanek, Jennifer Stevens, Jacki Briske, Michele Anderson, Susan Drexler, Karen Hanna, Diane Kehr, Amy Surace, Kristine Miller, Loriann Spiczka, Cathy Beierwaltés, Cathy Vasile, Susan Ochab, Kim Pier-ski and Nicole Barabasz.

Troop 105 pancake breakfast

Boy Scout Troop 105 sponsored by Messiah Lutheran Church, 1605 Vernon ave., Park Ridge, will hold its annual pancake breakfast this Saturday, Dec. 15 from 7 a.m. until noon. Donation is \$2 for adults and \$1 for children under 13. Breakfast includes pancakes, sausage, orange juice, coffee and milk. The breakfast will be held in the basement of the church.

YMCA Pre-School program

The Leaning Tower YMCA will conduct its Winter Pre-School program beginning the week of Jan. 7, 1980. Classes will be offered for children 6 months to 7 years of age. Classes are divided into age groups - infants (6 mos. to 12 mos.), Minis (1 yr. to 2 yrs.), Toddlers (2 yrs. to 3 yrs.), Tiny Tots (4 yrs. to 5 yrs.), and Small Fry (6 yrs. to 7 yrs.).

The purpose of this program is to provide children with opportunities for new and varied activities, in an effort to meet their basic developmental needs. Through a variety of perceptual motor experiences growth and learning are more likely to take place. Perceptual motor experiences are activities designed to stimulate the child's senses and provide him with a variety of movement patterns. Movement patterns allow a child to use a series of movements for a purpose.

The gym program takes place in an environment which is planned to stimulate and challenge the child. Rings, ladders, trampoline, high and low balance beams, ramps, steps, shapes, and balls are a few of the items used to let children test their

capabilities and explore all the possibilities for bodily movement. The movement patterns that are learned in the gym class are not only fitness activities but are the basis for future skills necessary for games and sports. The gym classes help develop muscular strength, flexibility, coordination, and balance. Children engage in activities which help them become aware of such concepts as right, left, up, down, on, over, under, etc. in relation to their own body.

The main objective of the swim class is to help the child feel comfortable in the water and to share a special time with Mom or Dad. Learning to enjoy and develop respect for water are important foundations upon which actual swimming skills can be developed as they get older. In the swim class students are introduced to the experience of buoyancy. They learn to propel themselves in the water through the use of coordinated arm and leg movements. They learn personal safety, such as how to put on a life jacket and experience wearing it in the water. But most of all our program is supposed to be fun for both parent and child.

SIJ Men's Club presents Holiday on Wheels

All friends and neighbors of St. Isaac Jogues are invited to a festive Roller Skating Party Thursday, Dec. 20 from 7-10 p.m. at the Palladium in Glenview. It's a pre-holiday party designed for both the young and the young at heart, and the cost is only a meager \$1 for children 12 and under, while adults can join in the fun for only \$1.50. Just in case the price is still too high, you can turn

in your ticket for 1 free ice cream and 1 free soda. All this, and Santa Claus too, is waiting for you at the Palladium on Dec. 20. Be sure to circle the date on your calendar and join the Men's Club in celebrating Christmas. Any further questions can be answered by John DeGrasia, just call him at 998-6628. Merry Christmas to all.

Calls from Santa

The Maine-Niles Association of Special Recreation is already in the festive mood for the holiday season! They have even lined up Santa Claus months in advance, so that he can phone your special child and talk to him personally. As always during Christmas time Santa is extremely busy, so he would appreciate parents calling M-NASR (966-5522) to pre-register for this very special, free event.

The success of the past Holiday Mini Camp programs offered to students with special recreational needs during the holiday season, has prompted M-NASR to fill your child's vacation days with recreation once again. Students from Maine and Niles Township schools are invited to join in an array of activities including crafts, music, drama, fun with friends and a gala holiday party.

The dates of the Holiday Mini Camp for the Niles Township Schools are: Dec. 24, 26, 27, 28, 31 and Jan. 2, 3, and 4 and for Maine Township Schools Dec. 24, 26, 27 and 28. Each day's activities run from 10 a.m. until 2 p.m. Please note that door to door transportation is available for physically handicapped children.

For further information on this and many other programs call 966-5522.

M-NASR is a cooperative of the Skokie, Golf-Maine, Des Plaines, Morton Grove, Park Ridge, and Niles Park Districts, and the Lincolnwood Recreation Board. This agency provides leisure opportunities for special populations.

Holiday programs at the library

Peter and the Wolf, a puppet play adapted and performed by The Puppet Place, will be presented at the Niles Public Library, 6960 Oakton, at 2 p.m. on Saturday, Dec. 29. Admission is free, but seating is limited. The auditorium will open at 1:45 and the first 150 persons will be seated. Niles Library District residents will be seated first, and others are welcome as space permits.

Charlotte's Web, a full-length animated film, will be shown January 3 and 4 by the Niles Public Library District. The film will be shown Thursday, January 3, 3:30-5 at the Niles Branch Library, 9010 Milwaukee, and 7-8:30 at the Main Library, 6960 Oakton. A special viewing will be offered 10:30-12 on Friday, Jan. 4, at the Main Library for those children who are still on vacation from school.

Orchard Center welcomes new board members

The year 1979-80 finds the Board of Directors of Orchard Mental Health Center with several new members who bring with them many years of experience in community service as well as in organizational skills. Two recent additions already have become involved in plans for the near future.

Mrs. Ila Lane, a resident of Park Ridge for the last 11 years, spent many years serving on the Board of the Community Church as well as working with the Chamber of Commerce and the League of Women Voters. Presently, she is Community Relations Representative for Niles Savings and Loan Association. Mrs. Lane will be chairing the Center's Public Relations and Community Mental Health Education Committee.

Mr. Leo Friedman, a Skokie resident, was instrumental, in 1972, in creation of a task force to study the needs of the aged and establishment of the Skokie office of Aging. A life member of the Illinois PTA, his years of community service will contribute greatly to Orchard Mental Health Center planning effort. Mr. Friedman is serving on the Public Relations Committee,

Skokie dentist named to health council

Dr. Harry J. Melnick, a dentist with offices in Skokie, has been designated dental representative of the non-profit Community Health Information Council. Dr. Melnick will participate in the Council's speakers' bureau and health screening programs. He will also contribute information for a dial-access program of recorded telephone health messages for the consumer.

A resident of Morton Grove, Dr. Melnick is a member of the boards of directors of the suburban DuPage Health System Agency, the Skokie Valley Inter-village Mental Health Association and the Chicago Dental Society.

Rosewell elected IACO leader

For the first time in its 92 year history, the Illinois Association of County Officials has elected a Cook County Democrat as its President.

At its annual convention in Springfield, the Association Wednesday (Dec. 5) unanimously elected Cook County Treasurer Edward J. Rosewell as its new leader.

The Association is comprised of elected officials from throughout the state, and is active in promoting legislation aimed at improving the quality of local government. The Association also conducts seminars on various aspects of government.

Rosewell said that he was flattered by the unprecedented election, adding:

"I will attempt to do a good enough job so that perhaps we won't have to wait another 92 years to elect a second Democrat from Cook County."

Express mail, like Santa, delivers on Christmas Day

Express Mail is now the best answer for those who have not mailed their Christmas gifts, Postmaster Louis G. Principali of the Morton Grove Post Office advised today.

The Postal Service's guaranteed, overnight delivery service is available to most major cities nationwide.

"Sending a package even by one of our other priority options could result in disappointing someone if, at this late date, the item has to go a long distance," Principali said.

He noted that with Express Mail, the higher cost is offset by the expedited nature of the service, a money back guarantee, and a lower cost per pound as the weight of the parcel increases. "Best of all" he said, "there is no

additional charge for delivery on Sunday, or on Tuesday - Christmas Day."

"If it mailed by 5 p.m. on day", the postal official said, "delivery by 3 p.m. the next day is guaranteed, or you get your money back."

"Express Mail has a service record of over 99 percent delivered within 24 hours."

Items weighing up to 70 pounds can be sent by Express Mail, and fees include merchandise insurance coverage up to \$500.

For further information, please contact Mr. Johnson at the Morton Grove Post Office at 965-1620.

Village guilty of runaway spending

Dear Sir:

On Dec. 7 the people of Morton Grove spoke out on the issue of fiscal recklessness. Petitions containing some 1,300 taxpayer signatures were filed with the village clerk requesting the question of retention of home rule power ... the power of unlimited taxation ... be placed on the March 18, 1980 primary ballot. Filing of these petitions should now assure this referendum will be on the ballot so all our taxpayers have the opportunity to determine their future tax fate.

Morton Grove taxpayers should be appalled at the latest revelations of runaway spending. In the just completed fiscal year ending April 30, 1979, the audited report shows our village fathers spent \$405,000 more than they received in income. Yes, that's a huge deficit, on top of another \$114,000 deficit the previous fiscal year. Sad to say, federal deficit spending habits have arrived in our town.

Can you imagine our elected officials spending over \$500,000 more in the last two years than they took in? They haven't told you about it, have they? Naturally not, the less we know the better, right?

Our village government must be brought under control of all the taxpayers. The only way to accomplish this is to eliminate home rule and impose limits on their spending power!

Sincerely,
John Hinkin
Chairman, Morton Grove Tax Limitation Committee

A "Left Hand" compliment

Dear Editor:

Four stars for the Left Hand column about the Niles Park District 25th Anniversary. Many calls have come in saying how great your review was regarding the 25th anniversary party. It brought back many memories of how the parks just got started. The paper did a great tribute to a wonderful evening plus all the nice pictures. Happiness was the theme but I never saw so many people in one room enjoying each other's company as that night.

Thank you on behalf of Niles Park District and Board of Commissioners. I hope that the next 25 years will bring more progress in the parks plus more people using them. The Commissioners are working hard to make improvements so our parks will be All America Parks for our All America Village of Niles.

Yours truly,
Elaine Heinen
Park Commissioner

Legion Auxiliary Past Presidents meet

Last week the past presidents of the Morton Grove American Legion Auxiliary Unit 134 met at the Morton House in Morton Grove for their bi-monthly luncheon session. The former leaders have an afternoon of cards and informality following their meal and short business meeting.

The women traditionally supply gifts for the female hospitalized former service personnel throughout the year, especially at Christmas and Valentine's Day.

The former leaders of the large service oriented group in the village rotate with one acting as hostess for each luncheon meeting. The hostess arranges the location site, sends out in-

itations and selects gifts for prizes during the afternoon.

At this recent past president's luncheon, Mrs. Joseph Schmidt of Morton Grove was the hostess. She served as president of the Auxiliary in 1975. Elynor is currently the 7th District American Legion Auxiliary President. The district is composed of units on the north shore and northern region of Chicago.

Coincidentally, Elynor's husband not only served as commander of Post 134 during 1975 also but at present is the 7th Dist. American Legion commander.

Secretary of State's 'Hot Line' on air

Diana Hunter of Skokie will be heard on the WVON (1390 kc) radio show "Hot Line" to be broadcast from 8 p.m. until midnight, Friday, Dec. 14. Ms. Hunter, representing the Illinois Secretary of State's office, will answer telephone inquiries about programs and services that affect Illinois residents.

It is expected that fans of "Hot Line" and the show's moderator, Rene Prewitt, will devote most of their questions to the subject of motor vehicle and driver license law and regulation. Many recent changes in licensing procedures have provided taxpayer savings and improved service to motorists.

Business and community organizations may invite Diana Hunter to speak at meetings in this area by writing or calling the Illinois Secretary of State at (312) 793-3161.

Motor Club offers holiday driving tips

The Christmas holiday shopping season is a period when all motorists and pedestrians should exercise extreme caution, says the AAA-Chicago Motor Club.

The AAA-CMC emphasizes the need for special care, especially when walking or driving around congested shopping areas. During the hazardous traffic period, motorists should follow these driving suggestions:

- Don't window shop while driving.
- Never pile packages on seats or the rear window of the car so as to obstruct rear vision.
- Adjust driving to existing road conditions.
- Signal well in advance to turning, changing traffic lanes or stopping.
- Increase your following distance, particularly during inclement weather.
- Drive at a speed consistent with existing traffic conditions.
- Pedestrians should:
 - Obey all traffic signals.
 - Cross at intersections only. Never walk from between parked cars.
 - Never jaywalk.
 - While walking, don't allow the packages you are carrying to block your vision.

Entertainment & Dining Guide

Niles Lions Christmas Party

The Niles Lions, with their usual flair, will hold their "Ladies Night" Christmas Party meeting Dec. 13 at the Chambers Restaurant, 6681 N. Milwaukee ave., Niles.

Cocktails at 6:30 and dinner at 7:30 sharp. With Lion Steve Dawiec in charge of things, you can be sure of a great night of festivities. Having the ladies with us makes for a much nicer way to celebrate this beautiful holiday season. Please let me take this opportunity to wish all the friends of Lionism a warm and sincere "Season's Greetings" from the Niles Lions.

Chanukah Luncheon

Women's American ORT (Organization For Rehabilitation Through Training), Golf Mill Chapter, will hold its Annual Chanukah Luncheon on Wednesday, Dec. 19, at the home of Joan Sylvan in Glenview.

Susan Harris, President of the chapter, will speak on The World of ORT and its progress during the last 100 years.

Anyone interested in attending may call 251-5653.

Puppets at LW Library

Books are not the only things living in the Children's Room at the Lincolnwood Library, 4100 W. Pratt, these days. Cuddly, warm and adorable puppets are now sharing space with puzzles and cassette tapes, all new additions to the materials available for loan.

Children are sure to delight in discovering a favorite playmate, story on tape, or wooden puzzles that they may borrow just as they do their storybooks.

All new materials are available for a 7-day loan period. Come by soon and pick your favorite.

Niles Woman's Club holiday meeting

Woman's Club of Niles Dec. 19 meeting will be an "Old Fashioned Christmas Party" at 8 p.m. at the Bunker Hill Country Club, 6635 Milwaukee ave., Niles.

The members and guests will decorate two trees with old fashion ornaments and the trees will be delivered to a near-by convalescent home. There will be a grab-bag, singing and music with special games designed by Program Chairman Estelle Fryk.

The business meeting will be conducted by President Joyce Knapp.

Anyone interested in attending and information on the activities of the club are welcome to call the Membership Chairman, Denise, at 966-6046.

Golf Mill Christmas Chestnut Roast

Golf Mill store managers are getting ready for the Christmas Chestnut Roast at Golf Mill Shopping Center, Golf and Milwaukee rds. in Niles. They will aid the Neediest Children's Christmas Fund by donating their time to sell chestnuts on two weekends, Dec. 15, 16 and 22, 23 between noon and 5 p.m. at four locations throughout the center. Chestnuts will be roasted fresh on Weber grills donated by the Weber-Stephen Products Company and will be available for a 50¢ donation which will be given to the Neediest Children's Fund.

Shown above (l-r) are Bill Rand of Rand Jewelers, Al Smith of the Hearing Aid Center, Ron Blase of The Money Store, Dave Maikon of Baker's Shoes, John Ciaccio of the Golf Mill Barber Shop, and Greg Zaideman of Richman Brothers.

The Center's North Mall volunteers, headed by Al Smith, have challenged South Mall managers and captain, Dave Maikon, to a "roast-off." "Our chestnuts will taste better than your chestnuts," challenged Smith. Maikon retorted, "Our South Mall chestnuts are larger and meatier."

"All proceeds go to the Neediest Children's Christmas Fund, so everybody's a winner," said Mel Sobel, president of the Golf Mill Merchants Association. "We know that there are many families who can use the proceeds during the holiday season," Sobel added.

Golf Mill merchants urge everyone to participate by buying and enjoying the freshly-roasted chestnuts.

New Arthritis action group sets meeting

The first meeting of the Maine Township Arthritis Action Council was held at the Nessel Health Center on Wednesday, Nov. 7. William J. Arnold, M.D., Director of Rheumatology at Lutheran General Hospital, discussed "Points on Joints." The doctor's presentation was followed by a discussion of many arthritis-related problems experienced by individuals in the audience.

As a result of the enthusiastic response by those attending this initial session, the Maine Township Council will be sponsored by the Arthritis Foundation, Illinois Chapter on a continuing basis. The next meeting of the group will be held on Wednesday, Dec. 5 from 7:30-9:30 p.m. on the second floor of the Nessel Health Center, 1775 Ballard rd., Park Ridge. David Sager, M.D., a rheumatologist on the medical staff of Lutheran General Hospital, will present a research update, discussing current research on the cause and treatment of arthritis. The present-

ation will again be followed by a question and answer period.

The Maine Township Council is the eleventh to form in the Chicago area during the past year. Meetings are open to all interested persons, regardless of place of residence. The Council concept is designed to provide assistance to persons with arthritis and to develop improved public understanding of the nation's number one crippling disease. Council programs include a significant medical-clinical commentary by a physician, therapist, counsellor or other professional, followed by questions and answers, general discussion and a social period. Strong community support has been given all the Councils formed to date and members have found them informative and supportive.

Those interested in attending the Maine Township meetings are invited to call Mrs. Nancy Mostello at 696-7650.

Holy Family's Tele-Care Program

When Mildred Johnson of Des Plaines recently saw Lillian Nowakowski, volunteer Holy Family Hospital, they were already good friends without ever having seen each other.

The two have been in contact almost daily during this past year through Holy Family's "Tele-Care Program" for persons living alone in the Northwest Suburbs. Sponsored by the hospital's Development Council and Auxiliary, the program is a free community service for persons who wish to make a daily contact with a volunteer.

A special "Tele-Care Get Acquainted" tea was recently held in the hospital's private dining room. Mrs. Johnson and other program participants were able to meet the volunteers with whom they have been speaking during the past year.

"It was like we already knew each other, the only difference was we just never met face to face," said Mrs. Nowakowski, volunteer coordinator for the Tele-Care Program. "In a way we had been sharing events in each other's lives through the program and when we saw each other immediately we knew who the other was."

Mrs. Nowakowski and other volunteers make a daily contact with a Tele-Care participant through a special telephone line at the hospital, between 9 a.m. and 11 a.m. every day, including Sundays and Holidays.

If persons would like to obtain a registration form and join the service, call the hospital's Public Relations Department at 297-1800, ext. 1174, weekdays, 8:30 a.m. to 5 p.m.

Nov. highway accidents claim 168

Traffic accidents on Illinois highways claimed 168 lives during November, 40 of them in Cook County, according to State Police figures. November's total brought the number of persons killed in traffic accidents statewide this year to 1809, a decrease of 158 under the number of fatalities recorded for the same period last year.

Captain William Burt, District Commander of the Illinois State Police in Northern Cook County, said that one reason for the decrease in fatalities this year may well have been the increased visibility of State Troopers on our roadways made possible by the Concentrated Traffic Enforcement Program (CTEP) presently underway in our State.

This federally funded program which utilizes State Troopers on their off-duty time to patrol high accident areas in their respective districts will enable us to add approximately 46,600 additional manhours of patrol on our State's highways for this fiscal year period.

Locations covered under the Enforcement Program in Northern Cook County are: I-90 from York rd. to the Northwest Tollway; Route 53 from the Northwest Tollroad to Dundee rd.; Dundee rd. (Ill. 68) from Route 53 to Route 14; Rand rd. (US 12) from Route 53 to Lake-Cook rd.

Introducing the great American energy saver.

Save gas. Do some of your Christmas shopping by phone.

Sounds funny, but it's true. Fact is, using the phone more often is a pretty smart way to cut down on your gasoline bills.

Let's say you want to go shopping. First thing you do is pick up the phone and call first. And find out quickly and easily if what you're shopping for is in or out of stock. You might just save yourself some gas. And a lot of aggravation—another form of wasted energy.

Another example. By keeping in closer phone touch with your out of town clients, you can cut down on unnecessary sales trips and save hundreds of miles worth of gas.

So call first. You'll end up driving less. And less energy wasted means more money in your pocket.

For more good ideas, read this handy booklet called "Telephone Tips." It's free, just by calling your local Centel service representative.

The Niles Lions... Who are they?

A town like Niles has everything, today more than ever, but it wasn't always that way. Simple things, like a Halloween party and parade, for the kids.

We know the Park District handles that sort of thing now, but back in 1959 the Niles Lions co-sponsored this "1st Annual" Halloween Party with the Park District. Even then the Lions had a heart as big as its roar, and in a lot of cases much bigger. Two days before this event the Lions were showing a movie about Orchard School in an attempt to raise funds for this deserving institution. "Kids", yes, say the word and a Lion from Niles will flash the biggest smile you ever saw.

300 kids (orphans) were our guests when the club brought the Circus back to town in 1960. It was off to the ballgame with over 100 "kids" in tow to watch the Cubs win one for the school safety patrols from the many schools in Niles. Giving new U.S. flags to Cub Scout Packs, Canoes to the Boy Scouts and moral support to all the youngsters has been a way of life for the Niles Lions.

One of the events involving our kids can never be repeated. It was called "Party Of Fun" and it was held at Riverview Park. FREE Riverview Park Rides for all Niles Kids. Riverview is gone now but those memories linger on.

We've been doing a lot of reminiscing this week about our kids but we would be remiss if our support for Junior Achievement wasn't mentioned. Our 1961 Village of Niles Map was prepared by the Sho-Way Co., a junior achievement corporation with 18 year old J.H. Weis heading the firm. A tribute to Junior Achievement was held on March 17, 1961 with the Lions learning the whys and where fors of this fine organization. That night saw the presentation of a \$500 scholarship to John H. Weis, the teenage President.

"Kids", Little ones, big ones and those inbetween. We love em' and with their aid this last Candy Day, a lot of them showed they love us too. As volunteer workers and contributors, they did a great job. We won't forget, and someday those "kids" will be joining us and repeating our slogan, "IT'S GREAT TO BE A LION".

Conroy named State Committeewoman

Dee Conroy, Deputy Committeewoman of Maine Township and long-time worker in Republican politics, has recently been appointed State Central Committeewoman of the 10th Congressional District by David E. Brown.

There are 24 State Central Committeewomen serving on the State Committee and it is their job to represent their district on issues involving finance, campaign and policy statements with which the State Committee must deal.

Dave Brown says: "Dee Conroy is particularly well qualified to represent the 10th District because of her long-time service to Maine Township and her involvement with local, district, state and national women's organizations."

Energy conservation competition for students

The second annual Energy Conservation Science Competition for grade and high school students is being coordinated by the Regional Transportation Authority and the Illinois Science

Teachers Association for presentation during "Use Energy Wisely Week," Monday, April 14 through Sunday, April 20, 1980.

The student projects must be concerned with some aspect of energy conservation or the use and operation of alternative energy sources. As in any science fair competition, the project should reflect creativity and learning, and must have an accompanying display or exhibit. Selection of the contenders will be made on the basis of an abstract of the work and a photograph of the exhibited project. These are to be submitted with an application form that may be obtained from any school in the RTA's six-county region.

Cook County students are asked to send applications to Melanie Wojtulewicz, Whitney Young High School, 211 S. Laflin, Chicago, Illinois 60606. DuPage, Kane, Lake, Will, and McHenry Counties' students are asked to send applications to George Zahrosky, Glenbard West High School, Glen Ellyn, Illinois 60137.

If students have any inquiries, address them to Helen Lesiecki, RTA, 300 N. State St., Chicago, Illinois 60610 or call 312-636-4290 or Mary McCann, Science Competition Coordinator, Glenbard West High School, Glen Ellyn, Illinois 60137. All applications must be submitted no later than Friday, February 15, 1980.

All entries will receive formal recognition. Separate awards will be made for grade school and high school projects. Winners will receive education prizes and a \$50 cash award that will be presented at the Energy Awards Luncheon. Winning projects will be displayed at the Energy and Home Improvement Fair at the Arlington Park Race Track Exposition Hall, Arlington Heights from Wednesday, April 16 through Sunday, April 20, 1980.

"The RTA is happy to have this opportunity once again to involve school children in our efforts to increase public awareness of the critical role public transportation plays in energy conservation," said Lewis W. Hill, RTA Board Chairman. "I encourage all students to participate."

Carrier GAS FURNACE

The Carrier Energy Saver gas furnace features...

CHIMNEY-LOCK

Chimney-Lock is just in time for today's energy-conscious consumer. It is an automatic flue vent damper specifically designed to provide maximum system economy for all sizes of the 58ES deluxe gas-fired furnace.

...the failsafe way to lower heating costs.

Carrier

RELIABILITY FEATURES

Factory assembled - Each unit is fully assembled and wired - ready for installation on the 58ES furnace.

Stainless steel construction - The basic flue adapter is fabricated of 18 gauge, type 430 stainless steel for extra years of trouble-free service.

Low-voltage operation - Attached to the flue adapter is the 24-volt drive motor and gear train, switching relay, rotary switch, and terminal board. The factory-supplied wiring connects to the furnace low-voltage circuit in the furnace control compartment by means of a printed circuit board edge connector.

Air infiltration minimized - Chimney-Lock stops the flow of heated ventilation air up the chimney after the burner are extinguished. Infiltration requirements and cold drafts caused by infiltration during the "OFF" cycle are reduced to a minimum.

Refracted heat utilized - When the vent damper closes, heat is trapped in the furnace heat exchanger. The blower will continue to operate, removing this heat and distributing it throughout the heated area. When the blower shuts off, remaining heat is contained within the living space.

Energy savings - Specific energy savings vary depending on the type installation and climate.

WMTH to carry Maine School closings

For the most comprehensive news of emergency school closings in Maine Township High School District 207 this winter remember to dial WMTH, 88.5 FM on your radio.

WMTH-FM, the school district's own radio station, has been designated as the primary news source for inclement weather for District 207.

"We will still be notifying other radio and television stations of

our closings," Superintendent Richard Short said. "They only report that schools are closed."

"By listening to WMTH, District 207 parents and students will also be able to hear other announcements relating to school activities and bus information."

WMTH will begin broadcasting school closings starting at 6:30 a.m.

As a public service, WMTH will also report on other school closings in Maine Township. School closings in public schools in Maine Township will again be the result of a coordinated effort by the Superintendents of District 207, Park Ridge District 64, Des Plaines District 62, East Maine District 63 and Penoyer District 79.

Dr. Raymond Hendee, Superintendent, District 64, is again serving as coordinator for the joint program and will determine whether school is open or closed on the concerned day after receiving reports from the other superintendents.

Dr. Short will assess weather conditions and Dr. Eric Sahlberg, Superintendent, District 62, will review road conditions. All Superintendents will report on conditions at their own school buildings. Bus services will also be contacted to determine mobility of vehicles.

Whenever possible a determination to close school will be made the evening before the day under consideration so that information may be publicized on 10 p.m. news broadcasts. This would not include WMTH, which normally goes off the air earlier.

Community groups in Maine Township in need of making special announcements may utilize the services of WMTH. These announcements must be coordinated through Dr. Michael Myers, Assistant Superintendent, District 207. He can be reached by calling the District office at 696-3600.

State funds benefit community agencies

Community agencies in Maine, Niles, and Northfield Townships have received more than \$830,000 from the Illinois Department of Mental Health and Developmental Disabilities for mental health and alcoholism services to be delivered through June of next year.

Funded for a variety of outpatient and sustaining care programs have been: North Shore Mental Health Association, Northfield; Jeanine Schultz Memorial School, Park Ridge; Maine Family Service

and Mental Health Association, Des Plaines; and Orchard Mental Health Center of Niles Township and Niles Township Sheltered Workshop, both in Skokie.

Such grants-in-aid are awarded by the Department to make it easier for individuals to get mental health services close to home, usually on an outpatient basis. The money was distributed by the Department's Region 2 office for mental illness/alcoholism, which administers programs in a nine-county area including and surrounding Chicago.

NORTRAN discusses new equipment, Skokie Swift extension

North Suburban Mass Transit District (NORTRAN) Chairman, Leonard S. Eisenberg, reported at the District's monthly meeting that the RTA (Regional Transportation Authority) has completed delivery of new equipment. The additional buses are needed to relieve overcrowding on NORTRAN routes, but the RTA has not budgeted the funds necessary to put them into operation.

Chairman Eisenberg, describing the situation as "an abundance of wealth which we're not permitted to use," explained that there are currently 20 unused, new Fixible model 870 buses in NORTRAN's possession.

"The buses are needed in our existing operations where standing loads are experienced, but that requires approval from the RTA. We propose to decrease the headway on some of our major routes, and seek the RTA's approval and financing to do so," said Eisenberg.

NORTRAN ridership continues to grow with recent figures breaking daily, monthly, and yearly ridership records.

In other discussion, Chairman Eisenberg suggested to the district's planning committee, on the advice of the Illinois Department of Transportation (IDOT), that they undertake a study on the possibility of extending the Skokie Swift to other North

Suburban communities. He recommended NSMTD involvement in determining such factors as "routing, terminals, and parking", and although other studies have been made, "a fairly thorough job should be done to update the possibilities."

The district also passed a resolution supporting transportation projects and priorities developed by the Chicago Area Transportation Study (CATS) for funds released by IDOT, that were previously committed to the Crosstown Expressway. These projects plan for capital improvements of rail and bus facilities within the District, and the District offered its assistance in further development of them.

Canned Food Drive

The National Honor Society of Maine East is sponsoring its annual Canned Food Drive from Monday, Dec. 10, through Wednesday, Dec. 19. The cans received will be donated to the Little Brothers of the Poor.

National Honor Society would also appreciate help from the surrounding communities. Please give cans (no-plastic or glass) of food to a Maine East student to bring to school.

Why not help to make the Holiday Season happier for less fortunate families?

Gomberg announces candidacy for 4th District

Lawrence Gomberg of 8816 "B" Dee rd., a resident of unincorporated Des Plaines, today announces his candidacy for Representative in the General Assembly from the Fourth Legislative District of Illinois. Mr. Gomberg has been endorsed by the regular Democratic committeemen of the Fourth District which includes Maine, Niles, Northfield, and Wheeling townships.

Since residing in the Fourth District Mr. Gomberg has been instrumental in forming the influential Dee Road Townhome Association. Further, he has acted as Vice President of that

organization since its inception. He has a M.A. in Sociology from Roosevelt University in Chicago and is currently an active criminal justice practitioner for the Cook County Department of Adult Probation. Mr. Gomberg has also taught Sociology at Triton College.

In announcing his candidacy Larry Gomberg stated: "I want very much to represent the people of the Fourth Legislative District of Illinois. I believe that these people want a person who holds hard work, honesty, and service in the very highest regard. I consider myself to be that person." Mr. Gomberg plans to carry on intensive person-to-person contact with the constituents of the Fourth District.

On the All-Conference offensive team were Lou Marisco, 6531 Carol, Niles (6'0", 215 lb., senior, tackle) and Ken Galinski, 7048 W. Main, Niles (6'2", 215 lb., junior, center).

"Children's Christmas Spectacular"

The Maine Family Services and Mental Health Association will be presenting their "Children's Christmas Spectacular" on Dec. 15 from 1 to 4 p.m. and Dec. 16 from 1 to 4 p.m. Included in this event will be a visit to Santa's workshop, re-constructed at 900 N. Goodwin dr., Park Ridge, with a tour by Santa Claus and hot chocolate, cookies, candy canes, etc. All proceeds go to the "Maine Family Center". A donation of 50¢ for children under twelve, and \$1 for adults is payable at the door.

The animated workshop will include numerous elves in various states of "Goodie Construction" with Mr. and Mrs. Santa Claus as host and hostess, and Aunt Holly and Uncle Mistletoe as honored guests. Included is a realistic picture of the entire Workshop, and the large numbers of elves working to make Santa's midnight Christmas Eve ride a success. In all there are over 15 animated and stationary workshop pieces. The place is the home of Ernest and Barbara Schmidt, 800 N. Goodwin dr., Park Ridge. Shown above is the animated carollers display in the background. In the foreground are the Schmidt children, Cinnamon, 5, Ernie, 1, and Endora, 11.

Social Security for young people, too

Most people think of social security as a retirement program. But it also provides disability and survivors protection for young people.

In fact, about a third of the 24 million people not receiving social security checks are under 30. And Medicare isn't just for people 65 or older; it's also for certain social security disability beneficiaries and people with permanent kidney failure.

About 30 cents of a social security tax dollar goes toward survivor and disability benefits. Today 95 of 100 children under 16 can count on monthly social security checks if the family breadwinner dies. Four of five men and women age 21-64 may receive monthly benefits if they can't work for at least a year because of disability.

The amount of social security disability or survivor benefits depends on your age when you become disabled or die, how many dependents you have, and your earnings under social security.

For example: if a 29 year old father with a wife and two children is killed in an accident in late 1979 and had maximum earnings under social security his family could receive nearly \$1000 a month in tax-free social security benefits.

For more information, call the social security Teleservice number for this area, 823-0815, or contact the Des Plaines office at 701 Lee st., suite 420, and ask for a free copy of "Social Security Information For Young Families."

United Ostomy Association

The North Suburban Chicago Chapter of the United Ostomy Association is planning their "Holiday Meeting" for Dec. 26 in the 10th floor cafeteria at Lutheran General Hospital, 1775 Dempster, Park Ridge, at 8 p.m.

This is our only "social meeting" of the year. There will be "seasonal entertainment", as well as refreshments served. It should be a fun evening for all who come.

We invite all ostomates and guests to join us. For further information contact Eleanor formation contact Marilyn Mau, Park Ridge 023-6312.

Replace your old gas furnace with a new Williamson Gas Furnace

The WILLIAMSON Temp-O-Matic Gas Furnace is a quality furnace, competitively priced. The Temp-O-Matic gives you clean, quiet, automatic heat at economical costs. The Temp-O-Matic's advanced styling and engineering provides an appliance type compactness.

Look at these gas saving features

AUTOMATIC VENT DAMPER

This AGA approved damper can be installed to prevent heated air from escaping up the chimney when the furnace completes a heating cycle. It opens automatically during combustion, closes automatically when the heat cycle has ended. By holding heat in the house, it saves substantially on fuel bills.

TEMP-O-MATIC GAS BURNER WITH ELECTRIC IGNITION*

The gas burner has a time proven single port design. Precision formed steel venturi. Stainless steel deflector forms flame to match combustion chamber for efficient burning. The burner is equipped with a special Electric Ignition*. On demand, a tiny electric spark ignites the pilot, thus eliminating the continuously burning pilot flame. Unusually quiet ignition and extinction. Scientifically designed for fuel economy. The units are completely factory assembled, wired and fire tested. *Not shown inside only.

St. Juliana Indian exhibit

As Part of the 6th grade Social Studies program at St. Juliana School, classes are studying American Indian tribes. In order to reach a better understanding of their life, each student made a model of a type of Indian dwelling. With each student choosing their own favorite, a wide variety of lodgings were constructed. In addition to making the model, students were expected to do research on the type of housing and the tribes which used it.

SJB students deliver food to destitute

Students from St. John Brebeuf School, Niles, recently took a car load of food to the soup line at the Catholic Charities providing a hot meal for the 150-200 men at Des Plaines and Randolph st.

Each month 2 groups from St. John's participate in the Catholic Charities soup line, a group of teachers and a group of students. Pete Zonsius, custodian at St. John's, organizes the effort. He has been honored in the past for his work with the St. Vincent DePaul Society, aiding the hungry men fed by the Catholic Charities each day.

Many groups help with the serving of food, but according to

Zonsius, known as Uncle Pete at St. John's, "We are among the few groups which bring a hot meal to serve to provide a variety for the men." According to Uncle Pete who has been involved in the program for "at least 10 years now", it is a valuable experience for the students.

The following students participated in the last hot meal trip: Chris Powell, Bob Flynn, Rich Fallon, John Wiedemann, and Sue Herr. Pat Walsh, Fr. Semer, Vicki Loebel and Sr. Marlys accompanied them. Shown above (l-r): Sue Herr, Rich Fallon, Bob Flynn; bottom row, John Wiedemann and Chris Powell.

Oakton sets final spring registration

Final registration for the 1980 Spring Semester at Oakton Community College will be held Monday and Tuesday, Jan. 7 and 8, from 9:30 a.m. to 12:30 p.m. and 5:30 p.m. to 7:30 p.m.

Students may apply for admission to the college or register for classes in Building 6 on the OCC Interim campus, Oakton and Nagle, Morton Grove. Spring classes begin Jan. 14.

Late registration will be held during the first week of classes, Jan. 14 through Jan. 19, in Building 6, from 1 to 2 p.m. and 5:30 to 6:30 p.m. There is a \$5 late registration fee.

Tuition for residents of the Oakton district is \$12 per semester hour and for non-residents, \$51.49. Non-residents consult their local high school or community college for chargeback information.

Students planning to take their first mathematics or communications course at Oakton during spring semester are required to take diagnostic tests in the basic skills of mathematics, reading and composition before registering for classes. These test enable college personnel to assist students in selecting the appropriate level course.

Spring classes will be held at the OCC Interim campus and at several off-campus locations during the day. Evening classes will also be held at Notre Dame Extension Center at Notre Dame High School in Niles, at Marillac Extension Center at Marillac High School in Northfield, and at New Trier West High School in Northfield.

For information about admission and registration, call Oakton's Office of Admissions, 967-5391.

Real Estate refresher

A real estate review session will be offered by MONNACEP on Saturday, Dec. 15, for those preparing to take the Illinois real estate salesman's licensing exam.

The all-day session, Real Estate Refresher, will meet from 9 a.m. to 5 p.m. at the Oakton Community College Interim campus, Oakton and Nagle, Morton Grove. Tuition fee is \$25.

"The program will provide a rapid overview of the material included in our Real Estate Transactions course (REL E01)," states Alex Krusel, director of MONNACEP, "and should be most helpful to those planning to take the exams on Dec. 18."

Instruction for the program will be provided by the Central YMCA Community College's Real Estate Institute, with Oscar Zeiff serving as instructor.

Registration may be made in person at the MONNACEP office on Oakton's campus or at any of the MONNACEP Centers in local high schools.

MONNACEP is the adult education element of Oakton Community College.

Ridge-Niles District 64. Therefore, if District 64 schools are closed, the MTSEP classrooms are also closed and transportation will be cancelled. If MTSEP classes are being held, normal transportation will be provided.

Service Scholarship

Eighth graders interested in attending Marillac High School in Fall, 1980, are eligible to apply for the St. Catherine Labouré Service Scholarship worth \$1000. The scholarship will be paid in the amount of \$250 per year over four years. The criteria for selecting the recipient are the following: character, leadership, academic record, financial need and Christian service. Special emphasis will be placed on the spirit of service.

Girls interested in applying need to write a personal letter, complete an application form, request recommendations from their principal and eighth grade teacher and return all of this information to Sister Felicia Mazola, D.C., Principal at Marillac High School by Jan. 12, 1980. The application blank may be obtained from the grade school principal or C.C.D. Coordinator.

The scholarship is named for St. Catherine Labouré, a member of the community of Sisters who teach at Marillac. They year 1980 marks the 150th anniversary of the apparitions of the Mother of God to the Sister in France.

Students who find the financial obligation of attending Marillac a heavy burden may apply for a tuition reduction secured from the interest of a Scholarship Fund. Ordinarily these tuition reductions are awarded in exchange for part-time students employment.

Other scholarships available for Marillac High School students include the Cynthia Wright Scholarship. Through this fund, established in memory of a former Marillac student killed in an auto accident in September, 1970, partial assistance is offered to students who are musically talented.

Each year the Inter-Class Council awards the Sister Constance Scholarship, named for Marillac's first principal, to a Marillac junior for payment of full tuition for her senior year at Marillac. The main criteria used in awarding this scholarship are scholastic achievement, financial need, service, and attitude. For further information concerning any of these scholarships, please call Sister Felicia at 446-9106.

Speech and Debate Activities

The Maine East varsity speech team placed first at the Bloomington High School speech tournament this past week-end.

Outstanding performances for Maine East were given by Mike DiGirola, Rick Goodman, Paula Fishman, Lisa Conner, Joe Ochsenreiter, Debbie Kozak, Gail Worthen, Jim Werner, Ken Rice and Jill Bellak.

Maine East debaters Scott Gauss, Mark Lax, Merle Weiner, and Lenny Gail also had a good week-end. Scott and Mark took fifth in the junior varsity division while Lenny and Merle took first place in the varsity division. In addition, Lenny took second varsity speaker at the Homewood-Floorsmoor competition.

Student earns debate trophy

Maine East principal Robert Barker congratulates Lenny Gail of Morton Grove on the debate trophy he earned over the summer at the University of Redlands debate workshop in Redlands, California. Lenny placed first out of 300 students from around the country. He will again represent Maine East at the workshop this summer.

National Honor Society Induction

Nineteen girls added their names to the Marillac Chapter of the National Honor Society at the Induction Ceremony, Dec. 4. Joining the 12 current members are four senior and fifteen juniors.

The four seniors are Martha Ewen and Ann Slattery (Northbrook), Ildiko Frank (Morton Grove), and Chris Schuster (Glenview). The 15 juniors are Diane Grabowski, Kim Lake, Kathy Murphy and Maureen Smith (Niles); Suzanne Gould, Katie Keefe, Marianne Leiser, and Tracy Stavros (Northbrook); Karen Mieszala, Jean Stoesser and Michele Ziemann (Park Ridge); Chris Unger and Daun Webber (Morton Grove); Mary Cagney (Glenview), and Mary Dalton (Des Plaines). Julie Wiedemann, a transfer student, also join the Marillac Chapter since she was already a member in her former school.

To be eligible for membership, students must achieve a 3.5 average on a 4.0 scale. In ad-

New Club Officers

Members of the newly formed Science Fiction/Fantasy Club at Maine East elected officers last week, and Klaus Spies will serve as president. Working with Klaus on club projects will be Robert Sorensen as vice-president and John Kemmer as secretary-treasurer. All three officers reside in Niles.

Each inductee must rate high in service, leadership, and character.

N.H.S. President Nancy Niski (Niles) welcomed the students, faculty, parents and friends and introduced the speaker, Assistant Principal Sister James. Vice-President Clare Olesky (Park Ridge) accepted the pledge of the inductees. Treasurer Suzette Eshoo (Niles) formally presented each girl, and Secretary JoAnn Kargl (Morton Grove) witnessed the signing of the register.

Sister Felicia, principal; Sister James, and Mrs. Betty McGary, N.H.S. moderator, presented the inductees with pins, certificates and yellow roses to celebrate their induction.

Foods class award

Maine East's Foods III class last spring competed in the "Fast To Fix Meals Contest," sponsored by Forecast Magazine, a home economics publication for teachers. As a runner-up in the competition, Maine East was awarded a coffee service. Seniors (l-r) Denise Appel of Niles and Vickie Nelson of Morton Grove (the only returning students from the Foods III class of last spring) met with Mrs. Peggy Martin, Foods I, II, III/Independent Living teacher, to see the gift to the home economics department.

District 64 emergency school closings
 Heavy snow, unsafe streets or other emergencies may make it necessary to close District 64 schools or limit transportation. When it is necessary to close schools, the local school Parent Teacher Organization "calling tree" will be used so parents and children can be notified. The Chicago City News Bureau, which disseminates information to the various radio and television stations, will be notified. Also, direct information will be given to radio stations as follows:
 WBBM-AM 780 and WBBM-FM 96, WJJD-AM 1160, WJEZ-FM 104.3, WIND-AM 560, WEFM-FM 99.5, WWMM-FM 92.7, WPRZ-AM 1330.
 In addition, on any day of severe weather condition, Maine Township High School radio station WMTH (88.5 FM) will begin broadcasting no later than 7 a.m. giving specific information regarding Maine Township School Districts. This is the first year WMTH has been utilized and the districts are anxious to know how helpful this additional service will be.
 School closing decisions are made on the basis of District-wide student safety. When schools are open on extremely bad weather days, parents should decide whether or not their children should attend school.
 Emergency bus routes, using only streets designated as Park Ridge or Niles "snow routes" have been developed. Each child who rides a District 64 bus will receive the emergency routing of his/her bus, indicating the bus stops. If the announcement is made that transportation will be on emergency routes only for a given day, the buses will follow the designated emergency routes and schedules only.
 The Maine Township Special Education Program (MTSEP) normally follows the same schedule as other Maine Township schools, including Park

We already have enough coal lined up to last until 2020.

Nearly a billion tons of it. Enough to provide electricity until well into the next century, based on our projected fuel mix. We own much of it, waiting to mine it when we need it.

And we will need it. Because by the end of this century, the demand for electricity is expected to triple. Our coal will help meet that demand.

But it's also doing something else very important. It's helping conserve scarce fuels: oil and natural gas.

Over half of the electricity we make comes from coal and most of the rest comes from uranium. Both are abundant fuels. Last year these fuels provided us with energy equal to 100,000,000 barrels of oil.

Coal is one important reason we can call electricity the Conservation Energy. It's one way we can make sure there will always be enough electricity.

1979 Christmas Concerts at FNBOS

Forty members of the Melodeers Chapter of the Sweet Adelines clad in their bright red jackets, kicked off the 1979 Christmas Concerts Series held in the spacious lobby of the First National Bank of Skokie, Saturday Dec. 1.

Other groups scheduled to appear in this year's season of Friday night and Saturday morning holiday concerts include the St. Lamberts

Catholic Church choir, the Skokie Valley Concert Choir, the Westminster United Presbyterian Church Swiss Bell Ringers.

These groups, and others, are part of the annual Holiday series appearing in the Skokie Bank lobby as part of their traditional "Share the Christmas Music" concerts.

Niles East holiday music festival

Niles East High School orchestra, bands, and chorus will present their annual Winter

Music Festival at the Niles East Auditorium on Sunday, Dec. 16 at 3 p.m. Admission is free and the public is invited.

The student orchestra, under the direction of Mr. Robert Anderson, will offer a "Gavotte for String Orchestra" by Correlli, and a "Sonata in D for Two Trumpets, Strings and Organ" by Franceschini. Score and parts for the latter were donated by Mr. and Mrs. Arthur Jacobson, and trumpet solos will be played by Sharon Jacobson and Roger Yusen. Steve Folkers is the organist. "Slavonic Triptych" by Nelybehl and "Toy Train" by Whitney will also be played.

Dr. Charles Groeling will direct the Intermediate Band in the "Theme from Taxi", an adaptation of Bach's "Peasant Cantata", and other seasonal music.

The Concert Band, under Mr. Timothy J. Wolfram will present "Israeli Fantasy", an arrangement of traditional songs, "Richard Rodgers: A Symphonic Portrait" by Frank Erickson, as well as other seasonal selections.

Niles East High School is located at Lincoln and Niles aves.

New Year's Party

The Center for Enriched Living, sponsored by the Young Men's Jewish Council, is planning a hooplah dinner party for its members, to herald in the NEW YEAR of 1980. On Wednesday, Jan. 2, from 7-9 p.m. the young adults who participate in the Center's programs will celebrate the new year with dinner, disco dancing and partying, with special friends. The cost is \$2.50 per person.

The Center for Enriched Living provides a social program for mildly and moderately retarded children, teens and young adults. Members learn independent living skills such as traveling on public transportation or going food shopping and preparing a hot nutritious meal. They also learn how to constructively use free time and develop their own fulfilling social lives. Members can play on the C.E.L. Basketball team or spend a quiet evening with friends, listening to records.

The Center for Enriched Living is located in Skokie and serves children from Chicago and north and northwest suburbs.

"Au Natural" holiday display

The Annual Holiday Festival at the Botanic Garden will begin on Saturday, Dec. 8 and continue through New Year's Day at no charge.

The Exhibition Hall of the Education Center will feature trees of balsam and white fir, blue Colorado spruce, Scotch pine and Douglasfir - all decorated with natural ornaments by Garden Clubs, Botanic Garden volunteers, and Chicago Horticultural Society members.

The Garden Clubs who have been working to make these unusual ornaments are the Lake Bluff Garden Club, Ravinia Garden Club, Garden Guild of Winnetka, Green Meadows Garden Club, Woodley Road Garden Club, New Trier Men's Garden Club and Town and Country Garden Club of Libertyville and Lake Forest.

In the center of the Hall is a 45-foot balsam fir, which is only 37 years old and an example of the fine techniques of the paper industry today. This beautiful tree came from Michigan and was donated to the Botanic Garden by Mr. Alvin Huss of Champion International Company.

Members of the Society will bring a special natural ornament to decorate the tree at the Members' Holiday Party at 2 p.m. on Sunday, Dec. 16. Musical sounds of the Holiday Season will be performed by the Chicago Chamber Brass and refreshments will be served. There is no charge. If you are not a member, but would like to attend the party—memberships may be purchased at the door.

Cyclamen and other Holiday plants will be located in the Main Gallery of the Education Center and in the greenhouse.

The display cases located near the greenhouses contain examples of handmade straw ornaments, cornhusk crafts and evergreen wreaths.

The Education Center is open from 9 a.m. until 4 p.m. and the public is invited to view these beautiful displays, as well as the winter splendor of the Botanic Garden.

The Botanic Garden is located on Lake-Cook rd. one-half mile east of Edens Expressway.

Niles North holiday music

The Niles North high school bands will present a holiday music festival at 8 p.m. Wednesday, Dec. 19 in the school's auditorium, 9800 Lawler ave., Skokie. Admission is free.

The Jazz Ensemble, under the direction of Keith Ramsden, will perform "Music of Count Basie". The Intermediate Band, also directed by Ramsden, will present "Emblem of Unity March" and other selections. Timothy Wolfram will lead the Concert Band in several seasonal selections, closing with the "Walt Disney Band Showcase".

A reception for music students and parents will be held in the school chorus room immediately after the concert. Special invitations to the reception have been issued by the music department.

Symphony concert

The Skokie Valley Symphony Orchestra will perform its second concert of the 1979-80 season at 7:30 p.m. Sunday, Jan. 13, at Niles West High School, 5701 Oakton, Skokie.

Admission is free for this program, which is sponsored by the Musical Performance Trust Fund. For more information on the performance, call 675-3204.

Arnold Sklar, orchestra director at Niles North High School, will be the viola soloist. Leo Krakow is the musical director and conductor of the orchestra.

Loyola presents Christmas cantata

"The Prince of Peace," a jazz rock Christmas cantata will be presented in the chapel at Loyola Academy, 1100 North Laramie ave., Wilmette, on Wednesday and Thursday evenings, Dec. 19 and 20, at 8 p.m.

The Emmy Award winning cantata, written by Greg Dykes, is a musical enrichment of Sacred Scripture. It makes use of the Old Testament of Isaiah and the Nativity gospel according to Saint Luke.

Students from nearby girls schools have joined Loyola Academy students to form the chorus for "The Prince of Peace."

Performances of "The Prince of Peace" will be open to the public. There will be no charge for admission. For further information, call Loyola Academy: 256-1100.

Christmas Concert

Marillac's 127-voice chorus, 22 chorallers, 10-member Senior Dance Troupe and 14-member Junior Dance Troupe will celebrate the Christmas season this Friday, Dec. 14, at an 8:30 concert. The performance, free to the general public, will be in the Marillac Theatre. The audience will be invited to sing with the chorus.

Ms. Nancy Larson will direct the choral ensembles, and Ms. Bonnie Bernstein is supervising the dancers. The first dance is a duet by Cathie Brault and Michele Ziemann (both of Park Ridge). The Senior Dance Troupe will dance to "Sleigh Ride" and "Toy Waltz," which will feature Deirdre Dolan and Eileen Mitchell (Glenview) and Kathy Jo Fyten (Lincolnshire). The Junior Dance Troupe will dance to "Christmas Bells."

The Christmas Chorus will sing traditional Christmas favorites: "Angels We Have Heard on High," "Jingle Bells," "Savior Child," "Sleigh Ride," and "Jesus Christ Is Born Today." Among the Chorallers' songs are "Calypso Christmas" and "Let It Snow."

Ms. Kristen Mackie directed the stage and light crews. Ms. Mary Ann Entrup and the Art Department created the stage directions.

Christmas Party

On Thursday, Dec. 13, the Leaning Tower Family "Y" will host its annual Christmas Party for all the members enrolled in the Conqueror's Handicapped Program and their families. The festivities will begin at 8 p.m. and the entertainment will include a band, clown and a special appearance by Santa Claus with a bag full of treats. Approximately 300 children, adults and volunteers will be in attendance.

Skokie Legion's New Year's Eve party

"You need not go too far from home for a great New Year's Eve," so says Skokie's Jack Nixon, a Past Commander of Skokie's American Legion Post. 8212 Lincoln ave. will be the scene of the festivities. Reservations can be made by phoning either 675-0423 or 675-2510.

Dimension 60 hosts Holiday Program

The Dimension 60 program of thirty free services for persons sixty years of age and over, sponsored by Citizens Bank & Trust Company, Park Ridge, will host a special holiday attraction for members, families, and friends. The holiday program, presented as part of the monthly Dimension 60 Cinema series, will begin at 1 p.m. on Wednesday, Dec. 19 at the Pickwick Theater, 5 S. Prospect, in Park Ridge. Included on the program will be a special holiday movie to be

announced and a Christmas concert by the popular McDonough Family Singers from Park Ridge. This musical family, whose members range from age 7 to 21, will perform a variety of holiday songs under the direction of Abba Leiffer. In addition, Ted Day, Park Ridge organist, will provide holiday music prior to the program. Santa Claus is also scheduled to make a guest appearance.

Dimension 60 members are invited to bring families, friends, and grandchildren to this special program. Admission will be by Dimension 60 identification card or guest passes available at CitizensBank during business hours and at the theater on Dec. 19.

Dimension 60, a carefully selected package of thirty financial, travel, purchasing, and informational services available to persons aged sixty and over who save at CitizensBank, now has over 6,500 members in north and northwest Chicagoland.

For more information about Dimension 60, persons should call Judy Malz, Dimension 60 Customer Service officer, at 399-4243.

ED HANSON

Santa is coming ...

I called up Santa Claus at the North Pole the other day. The conversation went something like this:
"Hello, Santa?"
"Ho, Ho, Ho... speaking."
"I'd like you to bring the following gifts to certain people who are on my list."
"Ho Kay, shoot."
"Well, the first one on my list is Jane Byrne. Could you bring her a special gift for me?"
"What will it be?"
"Bring Mayor Jane Byrne a nice, large Teddy Bear."
"Ho Kay, next."
"Give the Ayatollah Khomeini an electric razor for shaving in the bathtub."
"Ho Kay, and ..."
"Bring Sen. Ted Kennedy several decks of gift-wrapped playing cards for his next bridge game."
"Ho Kay, and ..."
"Bring all the Tampa Bay football players a box of "pep pills."
"Ho Kay, any more?"
"Yes, bring Dave Feldman, turf editor of the Sun Times, a gift-wrapped box of four leaf clovers."
"Ho Kay, come again ..."
"Bring George Burns a Barbie Doll."
"Ho Kay."
"Bring Carl Reiner a new rug."
"Ho Kay, got it. Next?"
"Send all the Supreme Court Judges a copy of the new book, The Brethren."
"Ho Kay ... next case ..."
"Bring Johnny Carson a gift-wrapped bottle of Grecian Formula."
"Ho Kay, and ..."
"See that Pope John Paul II gets a gift-wrapped Oscar and Emmy."
"Ho Kay, next ..."
"Bring former Mayor Bilandic a gift-wrapped box of snow."
"Ho Kay and ..."
"Bring The Who group a squashed guitar."
"Ho Kay and ..."
"Bring Liz Taylor a gift-wrapped box of diet pills."
"Ho Kay, next ..."
"See that John Travolta receives a gift-wrapped 'Sour Apple'."
"Ho Kay, and ..."
"That's it for now. Call you again next week ..."

Christmas housewalk

A Christmas housewalk, to which all Recreation and Park District residents are invited, will be at the Steiner House, 90 S. Western ave., from 7 p.m. to 9 p.m. on Saturday, Dec. 15. Those visiting this historic house will be treated to typical Christmas decorations and nostalgia as our parents and grandparents experienced them at the turn of the century. Holly decked halls, cranberry trimmed trees, candles, sleigh bells and Christmas refreshments will all be there to delight all members of the family.

The Steiner House itself, an historic site of some significance in the area, was purchased from Louis Steiner in 1952 by the Recreation and Park District. Louis Steiner's father, Adolph Steiner, was one of the early settlers in Park Ridge, having come to America from Germany in 1849 at the age of nine. After serving in the Civil War, the elder Steiner settled on a farm where the Resurrection Hospital now stands, later moving to a brick home he built in Park Ridge which has since been torn down. The son, Louis, born to the elder Steiner in 1873, lived in the frame house his father built about 1880 which still stands and is known as the Steiner House. The elder Steiner was a neighbor and friend of the old Indian Chief Chee-Chu-Pin-Quai, who had helped negotiate a treaty between the Indians and the settlers in the 1830's. All are welcome to visit this old home and join in the housewalk. There is no charge.

Italian Society elects officers

The Northwest Italian American Society is pleased to announce the newly elected officers for 1980 as follows: President - Anthony Durso, 1st Vice President - Michael Christie, 2nd Vice President - James Folise, Secretary/Treasurer - Frank Baffa, Sgt. AT Arms - Joseph Salvaggio. Board of Directors: Todd Bavaro, Thomas Imburgia, Anthony Scarlatti, John Trippi, James Vanacora, Nick Gargano, and Terry Tarica. Their annual installation dinner dance will be held on Jan. 19, 1980 at Casa Royale in Des Plaines. Please contact dance chairman, Nick Gargano for ticket reservations at 823-5009.

NEWS OF ENERGY

New Way To Save

Since much water you use at home is heated, you can reduce the amount heated — and the water wasted — by reducing water supply pressure.

This savings in the cost of energy will reduce your fuel bills while it saves on water bills. A pressure reduction of just 50 pounds can save up to 30 percent on water waste.

Even small reductions in heating and water losses add up to big savings.

Water pressure regulators such as those from Watts, America's oldest valve company can reduce the flow of water into your wastewater system and possibly provide you savings on your sewer tax bills, too.

Cutting back water pressure, also limits water hammer shock in your pipes, caused by quick-closing valves. This protects appliances as well as piping, helping them operate better and go without repairs longer.

Conservationists, point out that water-pressure regulators, which can pay for themselves in six to 12 months, save between 30,000 and 40,000 gallons of water a year in the average home. If these savings were multiplied by a million such homes, impact on national conservation goals would be tremendous.

Think Twice About Drinking

As statistics about alcohol misuse in our country become more alarming, it's important for everyone to step back for a moment to reconsider two basic questions asked by the United States Brewers Association in its new alcohol awareness program.

The questions seem relatively simple — will I drink? If I do, will I drink in moderation? But your personal answers involve several complex factors.

They include your attitudes toward alcohol beverages. They involve a consideration of your family and friends who could be affected by your decisions. Your answers also require an examination of your own life goals as well as a look at how much individual responsibility you're willing to assume for your physical, emotional health and well-being.

Of the two questions, the first — will I drink? — is perhaps the more serious one. Many persons decide to answer "no." That decision, as the brewers association points out, should not be subject to peer, industry or other pressures. It is entitled to respect, understanding and acceptance by all associates.

Clearly, persons below the legal age should not drink at all. And for those who tend to misuse alcohol, the Association believes, abstinence is the better answer. If your answer is "Yes" to both questions, then you must personally decide what "moderation" means to you. Your definition will come from your knowing the facts about alcohol beverages, recognizing your individual responses and applying your own common sense and intelligence. Any definition, however, most certainly implies the proper use of alcohol beverages at all times.

Just by seriously reconsidering these two questions each of us will become more aware of the growing health problem of alcohol misuse. Your understanding of that problem is something to think about — twice.

More people of Irish descent live in the U.S. than in Ireland.

Christmas Club Pays Interest

Christmas comes but once a year, but the bills for Christmas giving can last through months and months of payments.

If you would like to have an extra chunk of cash for Christmas next year - now is the time to start a FNBOs Christmas Club. You sock a little away each month in a FNBOs Christmas Club Account where it earns interest so you get back more than you put away... and next November you will be getting a FNBOs Christmas Club Check just like the hundreds of FNBOs Christmas Clubbers did this year.

Centel names new vice president

Wayne K. Norris became the new vice president of Central Telephone Company of Illinois in December, replacing Charles P. Lamm, according to an announcement issued today by Central Telephone.

Prior to the promotion to his new assignment, Norris had been assistant vice president - operational planning at Centel's corporate headquarters in Chicago. Lamm, who recently was elected vice president - regulatory, moved to Centel headquarters in December to assume systemwide duties for the corporation.

In his new position, Norris is responsible for Centel operations in Park Ridge, Des Plaines, and portions of other communities in the Chicago metropolitan area, in addition to Pekin and other Illinois communities. He also is responsible for Intra State Telephone Company, which serves the Galesburg area. Together, these operations have more than 1,500 employees and serve more than 326,000 telephones.

Prior to his last position, Norris was division manager of Central Telephone Company of Missouri from 1975-1977. He began his Centel career in 1973 as marketing manager of the company's Nevada operations. The following year he was named personnel and public relations manager in Las Vegas.

Before joining Centel, Norris held several management positions with Illinois Bell Telephone Company. He holds a B.S. degree in finance from Southern Illinois University, Carbondale, and an M.B.A. in finance from Roosevelt University, Chicago.

Citizens has 100% United Way Drive

In the true spirit of generosity befitting this holiday season, Citizens Bank & Trust Company and its employees have again provided a significant contribution to this year's Park Ridge United Way drive.

Sherman E. Peterson (left), president of Citizens, presents a check for the bank's corporate and employee contributions to Howard Frimark (right), chairman of this year's Park Ridge United Way drive. John Edwards, chairman of the bank's internal employee campaign, signifies the 100% employee participation in this year's drive. The Park Ridge United Way provides a major source of income for a number of local charities and organizations.

First National savers' premium helps Olympic team

The First National Bank of Des Plaines has announced a new savings premium campaign which helps support the 1980 USA Olympic team. The premium, available to qualified savers free or at a special discount price, is a USA Olympics sports bag. A portion of the cost of every USA Olympics sport bag used in the bank's campaign will go to defray the expenses of the 1980 team and its quest for Olympic medals.

The 22" x 12" roll-type duffel bag is made of top-quality, all weather nylon with strong web handles to carry sports equipment or for use in travel or leisure activities. The sports bag comes in blue with red trim, or red with blue trim; the USA Olympics logo is printed white.

The First National Bank's new savings premium is available with a deposit into a new or existing savings account or a Certificate of Deposit.

Awarded certificate

Unity Savings' vice president of marketing, Ira Nathanson (left), congratulates his co-worker, Joe Arbeit, vice president in charge of advertising upon the completion of the Savings Institutions Advanced Marketing School.

The certificate, awarded by the Savings Institutions Marketing Society of America and the Institute of Financial Education in cooperation with the Graduate School of Business of the University of Wisconsin, recognizes the successful completion of a year-long marketing project in conjunction with an intensive three week marketing course at the University's Madison campus.

Heads Evanston Prudential agency

Richard J. Bingham, CLU, was recently transferred as manager of Prudential's Evanston district agency, located in Northbrook at 1500 Skokie Boulevard. He was formerly manager of the company's DuPage district agency in Downers Grove.

Mr. Bingham, who lives in Skokie at 4411 Concord Lane, joined Prudential in Chicago in January, 1962, as an agent. He was advanced to sales manager in September, 1970. Five years later, he became regional supervisor and training consultant for the Chicago district agencies. He was advanced to manager of the DuPage district in April, 1978.

The designation of Chartered Life Underwriter (CLU) was awarded to him by the American College of Life Underwriters in 1971.

A 1951 Graduate of Carmel High School, he received his degree in accounting from Northern Illinois University in 1959. He is an Army veteran of the Korean War.

Mr. Bingham is married and the father of three children.

U of W graduate

Raise roof on M-NASR van

As a result of reception of Niles Township Revenue Sharing Funding, the Maine-Niles Association of Special Recreation was able to raise the roof of a van used for transporting program participants. The raised roof is particularly valuable for the physically handicapped persons who are involved in the year round recreation programs for children and adults living in Maine and Niles Township. Each week, 250 persons take advantage of transportation offered in the two vehicles operated by the association. Each van has a ramp and safety lock down features for the wheelchair bound individual.

M-NASR which is a cooperative of the Park District and Recreation Boards from Des Plaines, Skokie, Morton Grove, Niles, Lincolnwood, Golf-Maine, and Park Ridge has program information which can be obtained by calling 966-5522.

Schlickman endorses Kustra for 4th District

State Rep. Eugene F. Schlickman (R-Prospect Heights), who has announced his retirement from the Illinois House of Representatives, today pledged his support for the candidacy of Bob Kustra, Glenview, to succeed Schlickman in the 4th Legislative District.

Schlickman, an 8-term mem-

ber of the state legislature, in endorsing Kustra stated as follows:

"At the time of my announcement of retirement, I stated that I would not assume the role of a king-maker, and would encourage all interested residents of the 4th Legislative District to come forward based on their experience and qualifications. Three have now done so, and each of them is engaged in circulating petitions to have their names placed on the March 1980 primary ballot for the Republican nomination.

"I have known each of the three candidates for a number of years, having worked with each of them in political or governmental matters. Without reservation, I can say that Bob Kustra is the most competent and qualified to serve as state representative from the 4th Legislative District. Bob has served as administrative assistant to a former speaker of the Illinois House, he has taught government and urban affairs in Springfield and Chicago, he has served on the plan commission of the Village of Glenview and was elected a Village Trustee, and presently heads up the Chicago office of U.S. Senator Charles H. Percy. In other words, Bob has been intimately involved in the Illinois legislative process, has campaigned and been elected to public office, and he has experience in serving the needs of constituents. None of the other candidates can approach this record."

Ivan Hennings III

Marine Lance Cpl. Ivan Hennings III, son of Naomi and Ivan Hennings Jr. of 7450 Emerson, Morton Grove, recently participated in exercise "Kernel Potlatch II".

Safety Hints

by Alan J. Dixon
Secretary of State

There are several offenses which can cause you to have your drivers license revoked, but three offenses are most prevalent.

Driving while intoxicated is one way. "Under the influence of intoxicating liquor" means having 0.10 percent or more of alcohol by weight in the blood. Conviction of driving while intoxicated will result in mandatory revocation of driving privileges. Carrying any alcoholic liquor within the passenger area of a motor vehicle, except in the original package, seal unbroken, is prohibited.

Drag racing is another way to lose your license. Drag racing is when two or more people compete or race on any street or highway, when one driver tries to prevent the passing or overtaking of the competing driver by acceleration or when one or more drivers compete in a race against time.

The third way to end up walking is by reckless driving. "Willful or wanton disregard for the safety of persons or property." Convictions of three reckless driving violations in a 12-month period will result in mandatory revocation.

Your drivers license is valuable; don't lose it through foolishness.

A copy of the Rules of the Road will be sent to you upon request. Write to Alan J. Dixon, Secretary of State, Springfield, IL 62756.

Santa Claus visits O'Hare Bank

Santa Claus will arrive at O'Hare Bank, 6401 N. Harlem ave., Friday, Dec. 14 for a two-hour visit from 5:30 p.m. to 7:30 p.m. to visit with all children who wish to tell him their Christmas requests. He will also visit our main Bank located at 8501 W. Higgins rd. on Saturday, Dec. 22 for a two-hour visit from 9:30 a.m. to 11:30 a.m.

Santa will arrive from the North Pole via his modern sleigh and all pre-teens are invited to see him and his helper who will be situated in the Banks' main lobbies. Besides listening to the children's many Christmas gift wishes Santa will present each child who talks with him a free gift.

In addition, Betty J. Strama, Lia, Director of Public Relations, has arranged to have carolers from St. Ferdinand's Church perform at the main Bank on Dec. 22 from 10 to 12 noon. The St. Ferdinand Folk Choir will be performing selections from their Christmas recording "Joy".

On Saturday, Dec. 15 these lovely voices will also be enjoyed by O'Hare Bank customers at the Harlem ave. branch from 10-12 noon.

Association of County Clerks. Active in the Republican party organizations on the local, county, and state level for many years, Rep. Pullen is a precinct captain and office of the Maine Township Republican Organization. She was named State Young Republican of the Year in 1968.

Rep. Pullen is a member of the Board of Directors and the Executive Committee of the American Legislation Exchange Council, a national organization.

Pullen named GOP Spokesman of House Committee

House Minority Leader George Ryan today named Rep. Penny Pullen, R-Park Ridge, as Republican Spokesman on the House Committee on Human Resources.

Rep. Pullen replaces Rep. William Kempiners, who recently resigned to accept the position of Director of the Illinois Department of Public Health.

In announcing the appointment, Ryan said he believed Rep. Pullen would be an "outstanding" Republican spokesman. "The Human Resources Committee is one of the most active legislative committees. The position of spokesman is a demanding one that requires considerable knowledge about many areas including health care.

"Rep. Pullen has served on the Committee since she was first elected and in that time has demonstrated knowledge of and concern for all the areas of the Committee's jurisdiction. Rep. Pullen is an effective, hard-working legislator who has earned this appointment," Ryan concluded.

Commenting on her appointment, Rep. Pullen said, "I am pleased that Rep. Ryan has given me this opportunity to serve in a leadership role in the House.

"Having served on the Human Resources Committee for three years now, I have some familiarity with the issues we will be facing, and I will do the best I can to represent the best interests of the taxpayers of my district and the state.

"Rep. Kempiners has done a superb job as Spokesman, and I will try to live up to his record of diligence and leadership."

Legion Post 134

The Morton Grove American Legion Post #134 will meet at 8 p.m. Thursday, Dec. 20 for their monthly session at the Legion Memorial Home, 6140 Dempster, in Morton Grove. Eligible veterans for membership are invited. If there is a question regarding eligibility dates, Senior Vice Commander Mel Baity, 673-5143, of Skokie, will be happy to answer queries, etc.

Post Commander Robert Perschon of Chicago has announced that as a special guest for the evening the local Post will welcome Aris Mantzoras, the 1st Division Senior Vice Commander. Aris as senior vice, as Baity on the local level, concentrates on membership. Mantzoras will offer some suggestions and ideas concerning signing up former servicemen. Refreshments will be served following the business portion of the evening.

electrician called Edison again and said the problem appeared to be on the outside. Rydell said a two-man crew was dispatched to the building immediately and after tracing down the trouble to a broken underground cable, they notified the company, who, in turn, sent out additional crews and digging machinery. Rydell said service was restored to the building at 2:55 p.m. Thursday.

Village of Niles Director of Building and Zoning Joe Salerno told The Bugle that in 1974 he presented the Village Board with an outline requesting an emergency generator to handle the building's elevator system and the circulating pumps for the heating system. The village forwarded Salerno's recommendations to the engineering firm for Cook County and no answer was ever received.

We then contacted a Mr. Walchirk, Executive Director of Housing for Cook County. When we informed him of the recent electrical problem at The Huntington and of the lack of emergency service in the building, he immediately became defensive and said he had requested funds several times from the federal government's Department of Housing and Urban Development, but was turned down due to their lack of funds. When we questioned the exact date of the last time he requested funds, he said he intended to petition again, using this recent incident at The Huntington as an example of the need for emergency generators.

Walchirk told us the cost of these additional generators would run between \$30,000 and \$40,000. This figure hardly seems exorbitant these days when the federal government spends thousands and hundreds of thousands of dollars on ridiculous surveys and studies.

We find it hard to believe that such an obviously dangerous situation is allowed to exist. The government boasts of the housing it is subsidizing for senior citizens, yet their drawing board technicians are evidently not able to foresee potential disaster to the elderly residents. We hope and pray there won't be a medical disaster or a fire at The Huntington the next time their electrical power fails and the elevator service ceases to function. If there is, there'll be weeping, lamenting, gnashing of teeth and the usual "passing of the buck."

District 63 Board ok's pay raises for administrators

by Eileen Hirschfeld

Fourteen administrators received an increase in salary as approved by board members of East Maine School District 63 at a regularly scheduled meeting Dec. 11 in Apollo School, 10100 Deer rd., Des Plaines.

Principals of the nine schools in the district now receive an average salary of \$33,500.

Don Weiss, board member, said, "I agree that the administrators deserve a raise but disagree with the manner in which it evolved."

Expanding on his earlier comment, Weiss said, "Basically, I don't think it was done equitably." He said evaluations were made by the former superintendent, Kenneth Moe, and persons received varying increases.

Two board members were appointed to a subcommittee in order to discuss with a developer the impact of his planning for a site at 8155 Greenwood dr., across the street from Gemini School.

Chairman Dick Smith said board members question the traffic flow congestion and safety resulting from a proposed multi-unit development and small shopping area. Smith said children attending Stevenson School also walk past the site.

Smith announced that individual teachers who have plan-

ned that their students send Christmas cards to hostages held captive by Iranian students in the American Embassy, Teheran, Iran, may deliver the cards to the Chicago Sun-Times which will be a "clearing house". Cards must be received by Friday.

In other action, the board approved the salaries of 8 secretaries and two half-time secretaries with an average salary of \$867 a month, the lowest salary being \$590 and the highest, \$1,173 a month.

Board members approved the life safety survey report stating Nelson school repairs have to be completed by the contractor.

Also, Pat Kolvek was appointed as deputy registrar for the Cook County Clerk's Office because the District will take part in a voter registration drive.

Joan Futterman, board member, reporting on board policy, said a portion would be reviewed at the meeting, sent to the attorney for his approval and placed on public display.

In other actions, the board approved a maternity leave and resignations of certificated and classified personnel, changes in salary rates including custodians who recently negotiated for a raise, approval of stipend and the gross payroll.

CETA ...

Twelve management trainees will be hired to do the microfilming, while five maintenance trainees will be signed on to provide the manual labor necessary for this project. These five trainees will also be utilized to paint Skokie fire hydrants and help in the move from the old Village Hall to the new addition.

The program is open to any resident who has been unemployed for 10 of the last 12 weeks and had an annual income last year of less than \$5,000 (if single) or on an escalating scale depending on number of family members. The Village Board has placed an emphasis on hiring the handicapped for this program.

Anyone interested in these positions can call Hedges at 673-0500, ext. 211.

Porter ...

Continued from Page 1

Porter, who had lost his bid for Mikva's seat in November of 1978 by only 1,200 votes, never stopped campaigning for the United States Congress.

With only 2 precincts still not reported in Maine and Niles Townships, Porter had 17,563 to Nimrod's 7,432 votes. According to reports only 10% of registered voters cast their ballots in the Tuesday primary.

Porter was an easy victor in all five 10th District townships, namely Maine, Niles, Evanston, New Trier and Northfield. He took his home township Evanston by 86%.

A Porter victory in the January general election in the 10th District would give the Republicans a 13-11 advantage in the Illinois Congressional delegation, which now stands at 12 members for each party.

During the Board of Local Improvements hearing, members approved a resolution to the State providing for encumbrance of \$10,495.81 from the Niles Motor Fuel Tax fund for modernization of traffic signals at Dee and Golf, Western and Golf rd., and relocation of a water main under Golf rd. improvements.

Approved. Special Use rezoning at 7255 Harlem ave. for sales and service of elevators petitioned by Frank Wichowski.

Police offer rules for holiday burglary prevention

Morton Grove Police Chief Norman Glauner reminds us that the holiday burglary season is near. The holidays, when many home owners are away shopping or gone for the weekend, are an ideal time for burglars and petty thieves to apply their illegal trade. It is therefore essential that the homeowners take every precaution in preventing a burglary of his home or garage.

Remember this, burglary is not something that always happens to the man down the street - it could happen to you! Maybe you have never had anything stolen from your home or garage and have allowed yourself, perhaps, to become lax in precautions. If so, consider these common sense rules:

• Make sure that you have good lighting in and around your home at night, whether you are there or not, and connect one or more lamps to an automatic timer to turn lights on and off.

• Do not keep cash in any great amount at home, or other items of unusually high value. Rent a safety deposit box at the bank.

• People who live in apartments should be alert to strangers in the building and report suspicious movements at once. It is a known fact that apartment thieves frequently operate during daylight hours.

• Close and lock all doors, including porch, basement and garage. Make sure all windows are secured. Consult a local locksmith for burglary-proof hardware for windows and doors.

• Keep a record of the serial numbers on appliances, tools and other home machinery of value. If no serial number is on them, have your driver's license number put on them in a hard to find place. Records and identifying marks of this type help to prove the item is yours if it is ever stolen and assists the police department in returning it to the owner.

• If you are leaving for a weekend or longer, notify your police department when you'll be leaving and when you expect to return.

• Cancel all deliveries, such as milk, laundry, newspaper, cleaning, etc.

• Have a neighbor or the post office hold your mail until you return.

Glenview State Bank promotions

John H. Beaulieu, President of Glenview State Bank, recently announced the promotion of eleven Bank officers. Named Assistant Vice Presidents were Mrs. Jessica Cesaroni, Business Service Department; Mrs. Joan Cantrell, Personnel Department; Mrs. Lynn McCreery, Training and Consulting Services; and Mr. Laurence Pasquesi, Real Estate Department.

Mr. Weston Lazear was promoted to Loan Officer, Commercial Loans; Miss Myra Firishchak to Assistant Trust Officer; Miss Linda Koss to Assistant Controller; Mr. Thomas Rogoza to Accounting Officer; Mrs. Maureen Koza to Auditing Officer; Ms. Arlene Patzwald to Training Officer and Mrs. Phyllis Lahman to Assistant Secretary.

Demon Girls gymnastics ready for competitive season

The newly selected 16 member Maine East Girls Gymnastics team is ready for the challenging season ahead, with four seniors leading the Varsity team, along with a strong group of sophomores and juniors to back them up. Coach Betty Axelson is "expecting big things from this group", and has every reason to with such a strong team of all-arounders competing in optionals, along with a good group of freshmen competing with compulsories. Leading the freshman Junior Varsity team will be Kris Panke, Rosie Wadman, and Tina Walsh, along with Sue Goodman, Myra Klopman, and Linda Tamburo.

The Maine East Demons travel to Niles West in a crossover meet to open the season in a dual optional meet. "The team has good depth in all events, but right now it looks like Beam might be our

strongest event," according to Coach Axelson. We are usually really tough in Vaulting, but this year we are not working up to our potential in this event quite yet. We have a long ways to go on bars, and our floor exercise is coming along pretty well. The kids just need more time to get prepared for the season, and their next good practice will be Christmas vacation. We have 8 meets in the next 3 weeks, so I don't expect too many changes in the girls' routines until January due to our crowded meet schedule in December.

Leading the Demons on Vaulting will be Sr. Laura Trojan, along with Lynette Milstead, Lisa Wax, Amy Katz, Lori Greenberg, and Patti Lehman. On Bars, Sr. Captain Carmie Stornello will be the strongest competitor, backed up by Gigi Vee, Lynette Milstead,

Discussion on Metrics

"Why Metrics?" is the timely topic of the evening at 7:30 p.m. on Thursday, Dec. 13 when Mr. Nathan Hoffman speaks at the Lincolnwood Library, 4100 W. Pratt.

Mr. Hoffman, a long-time Lincolnwood resident and executive at Helene Curtis, will explain why he feels that the metric system is infinitely better than the one America currently enjoys and why we should complete our changeover as quickly as possible.

The lecture is open to the public, without fee. For any further information, please call the library at 677-5277.

and Lisa Wax. Lisa Wax will also be leading the beam team, along with Laura Trojan, Elissa Piell, Carmie Stornello, and Jenny Stopa, and on Floor Exercise, Laura Trojan and Lisa Wax will be dominating this event, along with Elissa Piell and Amy Katz. With All-Arounders Wax, Trojan, Piell and Stornello, Maine East should be in good shape.

Income Tax Planning

As the year end rapidly approaches, some thought should be given to income tax adjustments which might be necessary for your business or individual planning. By familiarizing yourself with the changes in tax laws, which occur from time to time, you will benefit by avoiding unnecessary taxes.

Now is a good time to consult your banker or tax accountant for sound advice relative to year end tax planning, so that any adjustments can be made on a timely basis or as required by law. Some items to be considered are the sale of stock for capital gains or losses, year end contributions to charitable organizations, establishing or adding to an Individual Retirement Plan or a Keogh Plan, energy related expenditures qualifying for tax credits and gift tax exemptions.

Also keep in mind that under the Revenue Act of 1978, individual taxpayers will benefit from income tax reductions which began in 1979. The reductions include new tax rate schedules with broader taxable brackets and reduced tax rates for several income brackets, increased zero tax brackets to \$3,400 for married taxpayers filing joint returns and surviving spouses, and increased personal exemptions for the taxpayer, spouse and each dependent from \$750 to \$1,000.

Please call on us here at the First National Bank of Niles, if we can be of any assistance with your year end financial planning.

Niles Days ...

Cont'd from Niles-E. Maine P.1

village subsidy of approximately \$15,000 for police and fire protection during Festival Days Mayor Nicholas Blase observed the "carnival aspect has become increasingly worrisome to the village" and "has reflected badly on our community."

Praising Days members for allocating Festival profits to numerous worthy projects Blase labeled the attempt to change the Festival theme as "commendable".

"We must have community involvement," said the Mayor, stipulating that "games and rides were not to be run by Carnival people." Also, he said, village subsidy of the Festival should be reduced in view of the change from a five-day event to three and suggested Committee officials meet with the village manager for discussion.

Niles Days, an umbrella group of 22 village organizations, civic associations and homeowner groups has distributed monies annually to Niles groups requesting handouts from the yearly 5-day Festival.

The Days Committee has come under sharp criticism from village officials who complain there has been a decrease in community involvement over the past few years combined with increasing police problems during the Festival days.

Days committee members have observed the need for new ideas and for total community projects for a successful continuation of the Days.

In other business trustees were informed that Cable TV information will be forthcoming in the January Progress Report issued by the village.

Unanimously approved an Emergency Snow Parking Ordinance which bans parked cars from snow route streets prior to a forecast one-inch snowfall.

Approved amendment of village code presently charging a

\$2 fee pickup service of abandoned store carts to a recommended \$5 charge and sale of the cart if not reclaimed within 5 days written notice to the owner.

Housing Director Todd Bavaro noted abandoned store carts throughout the village "have become a serious problem" that "the Public Works Dept. has picked up and returned 266 carts to stores."

Gave the go-ahead during a second hearing on petition by Rose Heinz for rezoning from Business to R-4 multiple family for construction of a 3-unit apartment building at 8008 Washington st.

The continued hearing to permit the petitioner to return to the Board with schematic plans indicated revised planning to a two-level; 3 apt. building with a 19 ft. height instead of the 3-story construction originally presented.

Trustees Carol Panek and Peter Pesole vetoed plans after Pesole noted the multiple family construction was petitioned for a residentially-zoned area.

Approved 5 to 1 a Car X Muffler shop to replace the Kentucky Fried Chicken building at 8900 Milwaukee ave.

Tr. Pesole as the lone objector said he preferred a delay in action to permit trustees review of the site.

Unanimously upheld Plan Commission approval of a Special Use rezoning for a Sizzler Steak House full-service restaurant at 9643 Milwaukee ave.

Trustees also approved 5 to 1, Pesole dissenting, a variation of the Niles Building Code to permit a Sizzler logo of wood trim on two sides of the restaurant predicated on Fire Dept. stipulation that the wood be treated with a fire retardant.

Approved. Special Use rezoning at 7255 Harlem ave. for sales and service of elevators petitioned by Frank Wichowski.

new issue in the controversy when Trustee Neil Cashman questioned "Why can't people see the register?" A Jewel spokesman explained they were in the process of altering that at future stores. But trustees stood firm in requiring it in Morton Grove. Until the cash registers are in compliance, signs must be posted encouraging customers to stand behind checkers and view the readout.

The 450 maximum item figure did not sit well with Jewel's attorney Ralph Miller, as the store already carries 453 items and is looking toward more generic choices. Miller was pushing for a figure "closer to 900." In stating that "we want to give a store every opportunity to be successful in our town," Trustee Gregg Youstra recommended 475 as a figure.

Mayor Richard T. Flickinger spoke against that proposal. "I think we've been more than fair and bent over backwards already."

Trustee Joan Dechert was the

only board member to vote against the new law. "The more I hear from the Jewel people, the more I think the village of Morton Grove is being had," according to Mrs. Dechert.

Jewel has been ordered to return to the Jan. 14 meeting and show that true progress is being made in complying with the cash register regulation.

In other village business, water rates were raised for industrial high volume users. A new pay scale will be employed wherein companies using 250,000 gallons per month will pay \$1.55 per 1000 gallons with other increases up to \$1.80 for those using over 2 million gallons.

Village Attorney Martin Ashman explained, "This is a major turnabout for Morton Grove. Years ago residents subsidized industry; now they will pay their appropriate fair share." Mayor Flickinger added, "Now maybe they will try to conserve water."

Also passed at the Dec. 9 meeting was a tax abatement resolution. This would eliminate

Maine North honors athletes

Maine North High School honored its fall athletes at the school's tenth annual Fall Sports Awards Night on Thursday, Nov. 8.

Female and male athletes who participated and performed in fall sports received awards.

Varsity cross country athletes from Niles who received awards are: Scott Baldewein and Joe Locascio.

Niles student Gary Hasenkamp conceived a cross country award.

Niles student Lori Dospil received a Girls cross country award.

Varsity football students from Niles who received awards are:

the added 5% tax levy to cover losses from uncollected taxes. Since the village's collection record is near perfect, trustees felt no need for this added burden. According to Ashman, in 1 year all but \$3 out of \$1,300,000 was collected.

Morton Grove resident Ron Kochman addressed the Board concerning recent repairs on Lehigh north of Dempster. Kochman said there had been talk when the street was repaired, it would be widened and bike lanes would be added. Instead it was only resurfaced and poorly striped.

It was explained the county did the job, at no cost to the village, as the road would not have lasted through the winter. In the next 3-5 years it should be restructured with the bike lanes.

Mayor Flickinger reminded interested residents that a special meeting of the village planning commission will be held next Monday, Dec. 17 at Park View School at 8 p.m. The new location was chosen to accommodate the large audience anticipated.

James Galbavy, Rick Glowala, Scott Kagan, Steve Keller, Armen Kourkounian, and Tony Miceli.

Morton Grove student Mike Biskis also earned a football award.

Sophomore football athletes from Niles who earned awards are: Tony Aguilar, Marc Alberts, and Norm Scheffler.

Freshman students from Niles who received awards are: Joe Danielek, Joe Goodman, Rich Rieger, and Todd Swedberg.

Niles students Mike Dary and Len Minelli also received golf awards.

Niles students Blake Baron and Gene Bobroff also earned soccer awards.

Morton Grove students Jack Reiter also received an award. Niles sophomore Scott Davis also earned a soccer award.

Niles freshman students who received soccer awards are: Angelo Campanella, John Kvanas, Barry Schwartz, and Doug Shore.

Niles students who received swimming awards are Cindy Foerster, Kim Hucall, Lori Maack, Connie Trinkl, Chris Wehking, and Karen Wehking.

Niles students Renate Schmalz and Karyn Willens also received tennis awards.

Niles junior who earned tennis awards are Denise Erlich, Elise Erlich, and Julie Sommerfeld.

Glenkirk celebrates 25 years of service

Glenkirk Association for the Retarded recently marked its 25th year at a champagne brunch held at Allgauer's Fireside in Northbrook.

Begun in 1954 by the parents of a small group of mentally retarded children, Glenkirk has grown to be a comprehensive agency serving the needs of over 450 handicapped infants, children, and adults. Programs located at five major sites provide opportunities for individuals from the northern part of Chicago through the north and northwest suburban areas.

The Glenkirk School, the original program, was established to provide an education for retarded children who, at that time, were not included in public school programs. Today, although many retarded children attend special education classes within the public schools, The Glenkirk School continues to provide therapeutic and educational opportunities for the more severely mentally retarded and multiply handicapped children from 3 to 21 years of age.

In response to the varied needs of the developmentally disabled in our community, Glenkirk has expanded to provide services through six additional programs. The Intervention Program to Promote Development (IPPD) provides opportunities for children, ages birth to 3, to develop communication skills, motor coordination, and social behavior through intensive home programming, small class sessions, and individual therapy.

Glenkirk's Adult Program, a work activities center, provides opportunities for over 60 retarded adults who have learned the skills needed to perform various work tasks, such as packaging, assembly, simple binding, collating, and envelope stuffing. Many of the retarded adults came to Glenkirk after having spent their lives in state institutions. Having few skills when they entered Glenkirk's program, they have shown great progress and are now being paid for performing jobs which are contracted from area businesses.

The Glenkirk Home in Lake Forest provides residential care for 32 retarded children, ranging in age from 6 to 21. Each child attends a school program in the community. In the evenings and on weekends they participate in activities which help each child develop to his fullest potential. Recognizing a need in the

community for short-term care for handicapped individuals, Glenkirk established a Respite Care Program where short-term care is available for a few hours or up to two weeks.

Glenkirk also provides a Foster Care Program whereby a retarded child may be placed for an extended period of time with a trained foster family or single parent.

The newest program which Glenkirk provides was made possible through the recent merger with the Moraine Association. The Moraine Community Living Facility (CLF) is a residential program where mildly and moderately retarded adults can learn to live independently. The residents hold jobs and live in the apartment facility where they are taught the skills necessary to live on their own.

These vital services which Glenkirk Association for the Retarded provides have been made possible through the dedication and support of hundreds of individuals. Glenkirk's recent champagne brunch was an appropriate tribute to all of those who have contributed to these fine services for handicapped individuals over the past 25 years.

Demon Girls' basketball

"Our whole team will star this season," said Mr. Jeffrey Witt, Girls' Varsity Basketball Coach.

On December 4th the Demons will challenge Wheeling High School at home, for the first game of the season. The success of Wheeling is undetermined since the two schools have never played before.

There are seven girls returning to the court this year, which undoubtedly gives the Demons a more "experienced" team.

The Captain, Janet Hoosline, is a senior who has won all-conference two years in a row, and will be playing center. Other returning players are: Barb Stelk, junior, point guard; Sue Busiel, junior, point guard; Andi Mazor, senior, and Pat McGuigan, senior will be guards. Teri Fautch, senior, and Gail Heiteen, junior, will be forwards.

The season looks successful except for Teri Fautch's hairline fracture on her right ankle, but she is expected to be recovered by the first game.

YBA basketball program at Leaning Tower

"YBA basketball...the game that attracted so many youngsters last year will again be offered at the Leaning Tower Family Y," announced Jim Kohler, Program Executive. Sign-up for 5th and 6th grade boys and girls are beginning this week.

The concept of a "fair play" basketball program in which every boy and girl plays, was developed jointly by the National YMCA and the NBA Players Association. Paul Silas, of the NBA champion Seattle Super Sonics, is president of the association. Other officers are: Wes Unsel, Washington; Paul Westphal, Phoenix; and Bob Lanier, Detroit.

YBA teams are composed of 9 girls and boys, and every member must play at least half of the game. Players wear T-shirts with the official YMA insignia for their Saturday afternoon games.

"Our experience with YBA basketball at Leaning Tower Family Y has proven that kids are attracted to a quality sports program that puts the emphasis

on participation, not on the "win at any cost" aspect. It's been a great experience for the kids, for parents and for other adults involved" said Kohler.

Registration will be limited to 54 boys and girls. Games will be at the Y. "In addition to players, we will provide opportunities for coaches, team and league managers, referees and other volunteers", he said.

YBA players will receive their basketball patches and play handbooks written by NBA stars, and registration cards.

Parents and other adults in the program will participate in a special Parent Hospitality Time to have the concept of YBA basketball and its values explained to them.

For further information on YBA basketball, call the Leaning Tower Family Y at 647-8222.

Maine East Sophomore basketball

Maine East's Sophomore Demons start the season in a pre-Thanksgiving Tourney. The tournament is held at Elk Grove High School. Last year's sophomore team came home with the first place trophy. This year's team should do well if they get off to a good start, according to Coach Sartini.

Coach Sartini is "looking forward to a good season," although the conference should turn into a race between Waukegan East, Glenbrook North, and Maine East.

Glenbrook North promises to be the young Demons toughest game in the conference. However, if Maine East "takes Glenbrook North out of their game" the outlook could be profitable.

MG Legion salutes unsung heroes

Two special people are publicly saluted by the American Legion Post 134 of Morton Grove, according to commander Robert Perschon, with regard to their recent Memorial Day commemoration.

Actually one is a group. The village's Public Works Department without fanfare or public knowledge install and remove the American flags each patriotic holiday that Dempster st. travelers see on their way through the suburb. The village and their Public Works Department have for a long time been most cooperative in assisting the Legion in this patriotic display.

Some time ago the American Legion purchased these flags and furnished them to the village for posting on selected dates. Village employees with equipment needed, have since then aided the American Legion's efforts to fly Old Glory.

This year, a second individual entered the picture. Noticing the flags were in need of repair and cleaning, Mary Helen Slater became a committee of one to refurbish them. The wife of the Post Americanism Chairman, Mrs. John Slater personally sewed and washed and renovated the red, white and blue "Stars and Stripes" to make them presentable for display. A community-minded citizen, the Legion and village should be grateful for her talents and interest in undertaking such a laborious task.

The flags proudly waved during the Post's annual Memorial Day parade. Perschon also thanked the Niles West Band and the military group from Great Lakes who participated with many other organizations in the Nov. 11 memorial parade and services.

Marillac Varsity Basketball Team

Marillac's 1979-80 basketball season is underway. Tryouts have been completed, and second year Coach Pat O'Connell has announced the varsity squad. Seniors Jenny Klauke (Glenview), Suzette Eshoo and Linda Pullano (Niles), and Maggie O'Donnell (Park Ridge) return from last year's varsity as do junior Mary Lou O'Brien (Glenview) and Kathy Murphy (Niles).

Moving up to the varsity from last year's roles of junior varsity starters are sophomore Kathlynn Eshoo (Niles) and juniors Mary Christianson (Niles) and Mary Flando (Highland Park) and Jean Happ (Lake Forest). Rounding out the team are junior newcomers Maria Paglini (Chicago) and Mary Ellen Smith (Niles).

Coach O'Connell is enthusiastic when he speaks of this year's prospects. "We don't have many seniors, but we have ten players who saw quite a bit of playing time last year. In Jenny Klauke, Mary Lou O'Brien, and Suzette Eshoo, three of last year's top four scorers are returning. And Jenny Klauke is the best one-on-one player in the area."

Traditionally a volleyball and gymnastics powerhouse, Marillac last year became a contender in basketball. The Nor-tistars will play a more extensive schedule this season including most of the top teams in the Girls Catholic Athletic Conference. In addition they will compete in the Glenbrook South Holiday Tournament. "That should be our first indication of the ability of this team," says Coach O'Connell. The tournament features several excellent teams, including Marshall, the top team in Chicago last year."
