Library trophy to be dedicated to former administrator

by Eileen Hirschfeld
A trophy to be won by grade school children from the Niles Library District in the "Battle of the Books" will be dedicated to Frank Allen, the library's first administrator, as approved by the District's board members at a regularly scheduled meeting Wednesday, Feb. 13 in the main library.

Allen served with the library until 1978 and the installation of Edith Jackson. Ruth Machowski is now acting administrator.

Children representing their schools will compete as a team in the "Battle". Points are scored for questions answered correctly. This is the first year the Library is holding the contest.

In other action, an agreement

submitted by associate attorney John Tomlin to provide five full-time employees with deferred compensation met with board approval after the policies had been restructured. Agreements for two other employees are also being considered.

Tomlin expressed thanks for Sidney Brandt's help in developing the plan. Insurance

plans developed by Brandt were a recent subject of controversy with board members.

Insurance committee members said costs of hospitalization insurance will go up 25% next month. Also, they have received no bids for public official liability insurance.

Board members approved a bid of \$2,067 for energy saving bulbs

to be provided for the main reading room subject to a price-check of one other firm.

Board members vetoed the use of votomatic machines in the coming election by a vote of 4-3. Discussion centered around high costs involving low voter turnout. In favor of the votomatic were Martin Hodes, Judith

SPIN parents honored for Sweetheart Open competition

Park updates Ballard rink repairs

by Diane Miller

The Niles Park District Tuesday evening heard an updated report of the status of the repairs to the Ballard ice rink which were necessitated by the fire damage last fall. Although the contractor had promised total completion of all work by Feb. 15 in time for the Sweetheart Open figure skating competition, it was a touch and go situation right up to the evening of the opening events. The night before the competition, electricians were still installing lighting fixtures and speakers for the loud speaker system were installed at 2 a.m. to insure readiness for the competitive event. The Park Board

commended the staff of the ice rink for their endeavors and long hours of labor readying the rink for the Sweetheart Open. Commissioner Walt Beusse told the board the "staff labored for 48 hours straight."

Construction work in the manager's office and pro room has not been completed, but should be finished in two to three weeks.

The Park Board also honored the SPIN group (Skaters' Parents in Niles) for the tremendous organization, cooperation and fellowship displayed by this group during the recent

SIGNS OF THE TIMES ...

A Milwaukee ave. restaurant is featuring "2 Eggs and Pot - '99" on their marquee. (We assume the "Pot" is an abbreviation for potatoes, but today, who knows ...)

A MAN'S HOME IS HIS CASTLE TODAY ...

Throughout most of our history, owning a home was an impossible dream. It's only during the past 20 years that it has become an attainable goal for 60% of the American people. Now there are ominous signs that, unless we shape up and correct some of our mistakes, home ownership will begin to decline. We face a future in which the opportunity to buy a home could be relegated to a small elite, perhaps one as small as 20% of the population.

Already the weeding-out process is underway. The price of a new home has almost doubled since 1973, and in some areas prices have shot up even faster. When a typical couple decides to venture into the housing market, they find price tags averaging \$75,000 and higher. So let's say the couple decides on a \$75,000 home and has managed to save \$15,000 for a down payment which is a feat in itself. Thus, they would need a \$60,000 loan. If mortgage money is available, and there is no guarantee of that, the man and his wife might be quoted an interest rate of 13%. That means the couple would face monthly payments exceeding \$700. If the entire loan is paid off over 30 years, the actual cost of the mortgage will be over a quarter of a million dollars. They don't call a man's home his castle for nothing.

Vehicle tags deadline extended

Niles Village Clerk, Frank C. Wagner, Jr., is reminding residents that the 1980 Niles vehicle stickers are now due and must be displayed by midnight Feb. 23. Clerk Wagner reminds you that failure to display this necessary tag could result in a citation issued by the Niles Police Department.

In applying for your tag, please use the pre-printed vehicle application blank that was mailed to you. If you do not have this application blank, call the Administration Building at 967-6100.

Niles offers new safety program

On Jan. 25 the Housing Department was given the assignment of taking carbon monoxide readings in the Village of Niles. Director of Housing, Todd Bavaro, has received a number of requests to perform the service on an appointment basis.

The Department can test any furnace boiler or central heating system for carbon monoxide emission. Instrument readings are taken of the ambient air in each room of the house or business to determine if the heating unit is releasing carbon monoxide into the building. The Department is especially concerned with furnaces that are 15 years or older and units that have not been inspected for the last 10 years.

Carbon monoxide is very poisonous. If fumes are present in a building, it can cause headaches, dizziness, red skin, and light headedness.

If you wish to have your heating unit checked, the Housing Department suggests

Housing Director Todd Bavaro is shown testing for any release of carbon monoxide with new Village testing instrument.

that you come to the Village Administration Building, 7601 N. Milwaukee ave., and make the necessary arrangements. You should know the make and the

year your furnace was installed and when it was last tested. An appointment will be made for this carbon monoxide test.

Oakton receives sculpture grants

Oakton Community College Educational Foundation and the Illinois Arts Council will provide grants for the acquisition of an original work of art for the new Oakton campus in Des Plaines. Oakton Community College Board of Trustees accepted the grants at its meeting Tuesday, Feb. 12.

Through the efforts of Joseph Borowski, gallery curator and

director of the Learning Resource Center, and the Oakton Community College Art Committee, a proposal for \$3,000 was submitted to and approved by the Illinois Arts Council. Matching funds of \$3,000 were committed by the OCC Educational Foundation.

Based on a model submitted by the artist, the art committee recommended "Search for At-

S.I.J. 55 Plus Club
On Feb. 11, two buses left S.I.J. for the Mardi Gras Frankie Master & His Orchestra dinner show & dance at the O'Hare International Ballroom of the O'Hare/Kennedy Holiday Inn. A great time was had by all. The hall was decked out with hundreds of balloons, and many of the people were in costumes. The food was good and the dancing brought you to "New Orleans Mardi Gras."

On Sunday, Feb. 24 at 1 p.m. is the date for our Beer, Banjo & Gay 90's Party in the Parish Hall. Buffet dinner includes Mostaccioli, Tender Fried Chicken, Polish Sausage & Sauerkraut, Tri-Bean Salad, Potato Salad, Relish Tray, Coffee, Tea...B.Y.O.B. with Set Up & Ice free. We will feature pickers of beer served by our CAN CAN GIRLS...Munchies on the table. Music by Mario's Society Orchestra featuring a renowned "BANJO PLAYER" Florence Lenconi & her committee, along with Marge Berles and her Decoration committee are working very hard to make this an enjoyable evening & to bring you back to your young adult days. REMEMBER THEM!! Sure you do, but if you have trouble remembering them, this party will help you restore your memory. We will have old time music, sing-a-long, door prizes, etc. MEMBERS ONLY.

Students learn safety rules from Ronald McDonald

Children at Nelson School, 8901 N. Ozanam, Niles, learned about safety the fun way, with the Ronald McDonald School Safety Show.

Don Conley, owner of the McDonald's on Milwaukee and Oakton in Niles, and Youth Officer Don Matuszak of the Niles Police made "safety first" a reality for Nelson students with the help of Ronald McDonald's skits, magic, and puppet characters.

Sponsored by the Chicago Land Association of McDonald's Restaurants, the Safety Show has been presented to over 65,000 children at 110 schools in the Chicago area. The Show's objective is to inform grade school children of the potential dangers in their everyday lives, and to make them think before they act.

Shown above L to R: Youth Officer Don Matuszak of the Niles Police; Don Conley, owner of McDonald's on Milwaukee & Oakton; Danny Matan, Jamie Levin, Kindergarteners at Nelson School, 8901 N. Family discussion group meeting

Regency Nursing Centre, 6631 N. Milwaukee, Niles, is having a Family Discussion Group Meeting on Wednesday, Feb. 27, at 7:15 p.m. The topic of discussion will be, "Your Aging Relative and Yourself". The program will be led by Professor Dan Kuzahara, M.A. in Human Development.

Professor Kuzahara is Head of the "Adulthood and Aging Studies Program" at Northeastern Illinois University and Director of "Project Hope" which is currently working to develop self help groups for families of the ill and aged. Discussion will cover the aging process, what are some of the changes which take place as a person ages, and how to these changes affect them and those around them.

Check out the "Second Edition"

The newest member of the Niles Public Library District's motor fleet was officially christened at a ceremony held at the Main Library, 6960 Oakton st., on Saturday, Feb. 9.

The Second Edition is a van which will be primarily used in three ways: 1. to deliver books and materials to shut-ins, nursing homes, or other libraries; 2. to transport staff members to meetings and community activities; and 3. as a substitute for the Bookmobile when it is unable to run. Funds for purchase of the van were made available through revenue sharing with the Village of Niles.

The Board of Trustees solicited the help of the District's elementary-school children in naming the van. Over 350 entries were submitted—in person, through the mail, and by special courier. Dr. Lloyd Gillet, President of the Board of Trustees, would like to thank each contestant for the creative names which made competition rugged.

The seven finalists were present at the ceremony Feb. 9: Frank Cienniwa, son of Marilyn and Tom Cienniwa, who attends St. John Brebeuf School; Rochelle Cohen, daughter of Gail and Ben Cohen, who is a student at Apollo School; Jennifer and Matthew Croke, whose parents are Jean and Dan Croke, students at St. John Brebeuf School; Joe Oberuc, son of Kathleen Oberuc, who attends Niles South School; and Lee Royner, son of Paul and Carol Royner, a student at Niles South School. Jodi Greenburg, daughter of Lynne and Fred Greenburg, and a student at Washington School, submitted the winning entry, Second Edition. Jodi was presented with a \$50 savings bond and will spend one day as the driver's Official Assistant.

Senior Adults Outreach Center

Do you know of a lonely or isolated senior citizen who needs a Friendly Visitor? The Senior Adult Center of Leaning Tower Family "Y" has an Outreach Program consisting of two supervisory workers and 7 friendly visitors. Together, they visit over 300 seniors in 8 Nursing Homes in the Niles Township area, covering Niles, Skokie, Morton Grove, Lincolnwood and Golf. In addition, they visit about 100 isolated seniors each week in their own homes.

The Outreach Program has become so well known that we receive referrals from other social service agencies, the Skokie and Niles Department on Aging, doctors, hospitals, the Visiting Nurses Association, and also some self-referrals. Our main goal is to provide supportive services to help elderly so that they can function in their own homes. We try to provide them with the companionship they need in order to alleviate their loneliness and stress. We help them to work out their personal problems by providing information and referral services and counseling. When necessary, we help to provide

legal aid, homemaking and nursing assistance.

The success of the Leaning Tower Senior Adult Center's Outreach Program is due, of course, to the dedication of the 9 Outreach Workers in the program. Former nurses, Mary Zdeblick and Mildred Kaplan are the program's two Outreach directors. It is their job to evaluate each case referred to them and decide what steps should be taken. Once a decision has been made to handle a case, one of the 7 Friendly Visitors is assigned to the individual. The list of Seniors helped by our Friendly Visitors through our program is endless. In one month alone more than 5,000 people are provided with some form of service through the Center and its Outreach Program, which is funded by a grant from Niles Township.

If you know of a lonely or isolated Senior Citizen, please contact Shirley Spears, whose background is in social work and has been the director of the Leaning Tower Senior Adult Center for more than 12 years. The telephone number is 647-8222, ext. 547.

Don't leave abandoned vehicle on street

Niles Chief of Police, Clarence Emrikson, is reminding residents that recently the Village Board changed the ordinance on the length of time a vehicle can remain parked on a village street or alley without being moved.

Stated Chief Emrikson, "The new ordinance, now in effect, clearly states that no car can remain stationary on a village street or alley for more than 72 hours unless special permission is received from the Police

Department." Emrikson further stated, "The purpose of the ordinance is to keep the village free of abandoned and unsightly looking disabled cars; the Police Department has the power to have these cars towed away."

Keeping non-used vehicles off the streets is crucial, especially during snow removal operations. If you have any questions regarding the ordinance, please call the Niles Police Department, 647-9400.

Revised NORTRAN system map available

NORTRAN (North Suburban Mass Transit District) has recently revised its transit system map and service guide.

The 1980 edition of the map will include updated information on fares, routes, and services. The map outlines all transportation services throughout the north and northwest suburbs.

The reverse side of the 14" x 20" map provides general information for the transit user regarding hours of operation, transfer regulations, lost and found and useful phone numbers.

"Although this is the third edition of our map, the public will want to have this one on hand so that the most current information is available to them," said Leonard S. Eisenberg, District Chairman.

African Violet Society

The African Violet Society of Northern Illinois has the answers to all your violet problems. Join us, won't you? We meet in the Carriage Room of Drakes, 625 Busse hwy., Park Ridge, at 11 a.m. We have informative meetings and you are most welcome. Bring your sandwich, coffee and dessert are served. Next meeting dates are March 3, April 7, May 5 and June 2. Adelle Johnson is our president and you may phone her for more information at 457-0661.

The map and service guide is available from all NORTRAN drivers or by writing the District: North Suburban Mass Transit District, 900 E. Northwest Hwy., Des Plaines, Illinois 60017.

Copies will also be available at city and village halls, railroad stations and other public buildings in the near future.

Those interested in obtaining large quantities of the map for display or distribution should also contact NORTRAN offices.

NORTRAN is an RTA subsidized carrier.

Scout Paper Drive

St. John Brebeuf Scout Troop #175 is asking all parishioners and friends to help the scouts support their year-long activities by contributing to their paper drive on Feb. 23 and 24. Papers may be brought to the school parking lot on Harlem ave. between 9 and 3 p.m. on Saturday, and between 9 and 1 p.m. on Sunday. Scouts will be on hand to help, and any and all contributions will be greatly appreciated.

CHURCH AND TEMPLE NOTES

Anniversary celebration for Edison Park Lutheran

Members and friends of the Edison Park Lutheran Church, Avondale and Oliphant aves., Chicago, will celebrate the 53rd anniversary of the church on Sunday, Feb. 24. The Rev. A. Gordon Nasby, Pastor Emeritus, will preach at both the 9 and 10:45 a.m. services.

On the same afternoon, at 3:30 p.m., a Friendship Hour will be presented by the Lutheran Choir of Chicago. This well-known and expert choir is a select group of vocalists and instrumentalists chosen by audition from throughout the Chicago area. The program will be followed by a fellowship hour and refreshments provided by the E.P.L.C. Senior Choir.

Edison Park Lutheran Church held its first services in a portable church that was shipped to Edison Park via railroad, and was unloaded and assembled by men of the church. The Rev. Roy A. Harrisville was installed as the first Pastor on March 20, 1927. In 1938, the Rev. A. Gordon Nasby, Pastor Emeritus, came to E.P.L.C. and served the congregation for forty years. Today, the Rev. J. Thomas Housholder serves as Senior Pastor.

Everyone in the community is invited to come and celebrate the fifty-third anniversary of Edison Park Lutheran Church on Sunday, Feb. 24.

St. John Lutheran, Niles

Saint John Lutheran Church, 7423 N. Milwaukee ave. in Niles, began Pre-Easter Lenten Services on Ash Wednesday, Feb. 20. The theme of these services is "Knowing Your God". The worship and ministry of the Word will highlight the value of our God as revealed to Moses in Exodus 34:6 and 7 (a), "The Lord, The Lord, a God merciful and gracious, slow to anger, and abounding in steadfast love and faithfulness, keeping steadfast love for thousands, forgiving iniquity and transgression and sin..."

Themes for the meditations on Wednesday evenings will be: "A God Gracious" (Feb. 27), "A God Slow to Anger" (March 5), "A God Abounding in Steadfast Love" (March 12), "A God Faithful" (March 19), "A God Forgiving, Iniquity, Transgressions, and Sin" (March 26). Holy Communion will be offered at the Feb. 20, March 5 and 19 Services.

All friends of St. John are invited to prepare for Easter by beholding the much abounding love of God, our Father, and the face of Jesus Christ.

The Spares

On Friday March 7, the Spares Sunday Evening Club will hold their monthly "Card Night". It will take place at the Holiday Inn of Wheeling, 2875 Milwaukee ave., Northbrook. Doors open at 8 p.m., cards begin promptly at 8:15 p.m.

of Interest to Women

Auxiliary members serve at USO

Members of the Morton Grove American Legion Auxiliary Unit #134 served a buffet supper at the USO in the Loop in the fall, and recently the 7th District American Legion Auxiliary hosted the serving of the meal there.

Mrs. Elynor Schmidt of Morton Grove, a past president of the Morton Grove Unit, is currently the district president. Another past president, Mrs. Lorry Nehart, and her teen aged daughter, Nancy, had assisted at the earlier supper party and thoroughly enjoyed themselves that when the district was scheduled to serve, they volunteered to help with the committee. Nancy participated in ping pong with the servicemen who dropped in, and her mother meanwhile aided in the serving of a turkey and trimmings meal for dozens of boys at the facility.

Auxiliary National Security Chairman is Mrs. Maybelle Sonne of Chicago.

Pre-marital institute

Engaged couples are invited to attend a pre-marital institute to be held at Lutheran General Hospital, Park Ridge, on March 3, 10, 17 and 24, 1980.

The sessions run from 7:30 to 10 p.m. and include lectures and discussions about the physical, emotional, spiritual and social aspects of marriage.

Participating in the institute will be a physician, psychiatrist, social worker, hospital chaplain and financial advisor. The tuition is \$20 per couple and covers the cost of materials used in the course. Call 696-6395 for information.

Tension control class

A class in tension control will begin at 8 p.m. Feb. 28 at Leaning Tower Family Y, 6300 W. Touhy ave., Niles.

The class is for men and women and designed to teach them how to recognize the signs of nervous tension and immediately utilize techniques of relaxation.

For more information, contact John Joyce, 647-8222.

Bridge lessons

On Sunday, Feb. 24 Magen David Adom, North Suburban Chapter will have basic bridge lessons given by Freida Arst, noted bridge player and teacher. The charge will be \$1 per person. The meeting will be held at the JCC on Church st. in Skokie.

Grandmothers' Club of Niles

Grandmothers' Club of Niles will meet Wednesday, Feb. 27 at 12 p.m. It will be a valentine/hors d'oeuvres party with special dessert by John and Mary Mueller for their anniversary.

YMJC Camp registration

With the cold winter winds hitting us in the face, its not too difficult to think warm summer thoughts. And Young Men's Jewish Council is doing just that in preparing for the 1980 summer season.

Suburban Day Camp, located at Melzer School in Morton Grove, for children ages five through eleven in Morton Grove, Niles, Glenview, Des Plaines, and Skokie, is now accepting registration for the upcoming summer.

The uniqueness of Suburban Day Camp is that it is set-up for community children by community parents with the assistance of Young Men's Jewish Council, a non-profit social service agency. The parents, along with board members and professional staff from Young Men's Jewish Council formed the Mid-North Branch Board.

Activities at the camp include organized and free play, arts and crafts, music, drama, cookouts and nature study, sports, swim instruction, and occasional overnights. Transportation is provided to and from camp. The camp day runs from 9 a.m. until 3 p.m. Suburban Day Camp will provide two four week sessions starting June 23 to July 18 and July 21 to August 15.

Fee for camp is \$200 for four weeks and \$400 for eight weeks. Fees are based on actual costs therefore the camp does not operate at a profit. For further information on Suburban Day Camp call 679-8490.

Crime Prevention Tips Be alert. Be aware. Know your neighbors. Get involved.

Soroptimist International

Soroptimist International of Des Plaines members are currently involved in two major projects of community service. (L to R) Kathleen Oestreich, Ramona Newton, Dee Wells and Lorraine Tomscheck are among the executive and professional women in the group working on plans to reactivate Venture Club, a service organization for young working women sponsored by the Soroptimists, and on their Champagne Brunch at Carson Inn, Nordic Hills on Sunday, April 20. The benefit brunch is being staged to raise funds for Soroptimist Service Projects, including Crisis Homes in Park Ridge and Shelter in Arlington Heights.

Divorced and separated weekend

Recent statistics show that about 20% of American adults are involved in the divorce process. The Beginning Experience offers a weekend to help divorced and separated persons adjust on March 14-16, at St. Joseph's Retreat House, 353 N. River rd., Des Plaines, IL 60016.

The weekend is relevant for people divorced or separated for years, as well as those just recently involved in the process. The cost of the weekend is \$50. The weekend begins at 8 p.m. on Friday night till 4 p.m. Sunday. For reservations and more information, please call (312) 354-7770.

GOP women slate pot luck with Porter

Maine Township Republican Women's Club is hosting a pot luck supper on Saturday, Feb. 23, at the V.F.W. hall, 2067 Miner st., Des Plaines. Cocktails are at 6 p.m., and dinner will be served beginning at 6:30 p.m.

The event is open to Maine Township residents who would like to meet the new Congressman for the 10th District, John E. Porter, and Republican candidates running for various offices in the March 18 primary election. Members of MTRWC are asked to bring a dish that will serve 8-12 people. Guests may make a donation of \$5, or bring their favorite dish. All those planning to attend are asked to make reservations with Sharon Jacoby, 824-4896, or Loretta Kretschmer, 297-2912, so that the dinner menu can be coordinated. The club will provide turkey, white meat and vegetable casseroles, salads and desserts are requested of those bringing food.

Congressman Porter will give his impressions of the Washington scene after his first month as a member of the House of Representatives. It will be his first opportunity to speak to a Maine Township audience since his election on January 22.

Reservations for the Feb. 23 Pot Luck Supper should be made by Feb. 21, according to MTRWC president, Loretta Kretschmer.

Meet your Niles Park District

This third article introducing members of the Niles Park District provides information about the Recreation Department staff.

Deborah Nelson has been employed by the District since August, 1973, serving as the Recreation Program Supervisor until September, 1974, when she was appointed to her present position of Superintendent of Recreation. Deb is directly responsible to the Director of Parks and Recreation for the entire operation of the Recreation Department. She heads the development and administration of all recreation programs within the District. This includes the hiring of all recreation personnel to implement the broad range of leisure activities offered by the District. Another of her major responsibilities is to coordinate all the information for and prepare the District's brochures for distribution.

Deb also oversees the operation of the Park District's two swimming pools in the summertime. She hires the staff, develops the programs, and makes sure the pools are operated according to Park District policies.

Deb is a 1970 graduate of the University of Iowa where she received her B.S. degree in recreation. Prior to coming to the District, she was employed for two years by the Shriners Hospital for Crippled Children. When away from her professional obligations, Deb enjoys outdoor sports, particularly fishing and hunting. She also has become involved in home remodeling and renovation.

If you have any questions, problems or comments regarding recreation programs, stop in to see Deb Nelson at the Administrative Offices, 7877 Milwaukee ave.

Debra Dahms presently holds the position of Recreation Program Supervisor for the Niles Park District. Debbie started as recreation supervisor at the Grennan Heights Recreation Center in August, 1978, where she was responsible for supervising and conducting girls and women's athletic programs. In March of 1979, Debbie was promoted to her present position. She is directly responsible to the Superintendent of Recreation and

Deborah Nelson
Superintendent of Recreation

supervises and evaluates all program registrations.

Another major part of Debbie's responsibilities is the direct supervision of all recreation programs which are non-athletic in nature. She is very involved with the Pre School program and all special events, making sure they run smoothly. Most recently she has been developing the trip programs, specifically the Ladies Choice, family trips, and Diner's Club.

Debbie holds a B.S. Degree in Physical Education from George Williams College in Downers Grove. She was born and raised in the Chicagoland area. Prior to coming to the Niles Park District, she worked at the Ravenswood YMCA in Chicago for 1 1/2 years. Her favorite pastimes are swimming and camping; however, this past year she has also taken up ice skating and skiing.

Dan Hytke, The Athletic & Center for the District, holds a B.S. Degree in Recreation from Southern Illinois University. Dan began his employment with the District in March of 1979 as the Recreation Supervisor and in July took over in his present capacity. Dan is directly responsible for the operation of the Grennan Heights Recreation Center as well as all athletic programs. A major responsibility is the supervision of the adult leagues offered by the

Recreation Program Supervisor

District. Dan recently has become very active in the Park District's skiing program.

Being a rather active and athletic person helps Dan in his responsibilities. He enjoys most sports as a participant and a spectator; however, back-packing, canoeing, water skiing, softball, racquetball and umpiring are a few of his favorites.

Dan has worked as the Supervisor of the Carbondale Adult City League basketball program. He also was the summer supervisor of recreation for his home town of Depeu, Illinois, in 1978. This involved developing, organizing and supervising several programs such as tennis, volleyball, jogging and arts and crafts.

Jay Russ is a long-time

resident of Niles and began his full time employment as the Recreation Supervisor in July of 1979. Jay had worked several years prior to this as a part-time employee of the District in such capacities as an ice guard, baseball and softball instructor, basketball instructor and in maintenance. Jay was very familiar with the Park District's operations prior to his accepting the responsibilities of supervising and teaching in the athletic programs. Jay is directly responsible to the Athletic & Center Supervisor and he and Dan Hytke work closely together in making sure the athletic programs run smoothly.

Jay teaches in several of the Park District youth programs including floor hockey, tee ball, and

basketball. He enjoys working with and helping young people.

Jay graduated from Maine East High School and then joined the Air Force where he spent time all over the world before he received an honorable discharge in 1975. He then attended Triton College and Illinois State University where he received his B.S. Degree in Recreation. Jay has spent time working for the Broadview Park District and completed his internship at the Glenview Park District. His special interests are sports, particularly skiing.

If you have any questions regarding athletic programs of leagues or open gym activities, contact Dan or Jay at the Grennan Heights Recreation Center, 8255 Oketo, or Call 967-6375.

Tiny Gym and Gym for Tots - Tiny Gym and Gym for Tots are two very popular classes offered by the Niles Park District. Young Children, ages 2-5, learn motor skills, tumbling, movement exploration and develop general coordination. There is a class for 2 year olds from 9:30-10:15 a.m. on Thursdays; 3 year olds from 11:15-11:45, and 4&5 year olds from 10:10-10:45 and 11:45 p.m. (Please note the time change in classes. They are not as stated in the current Niles Park District brochure.) Classes are held at the Grennan Heights Gymnasium, 8255 Oketo. The cost is \$8 for 8 weeks. The new session begins Thursday, March 20.

Dining Out - The Schwaben Stube on Lincoln ave. in Chicago is the destination of the Niles Park District Dining Out trip. Schwaben Stube, a German Restaurant, serves hearty, excellent meals in a charming Bavarian inn setting. Chicago magazine highly recommends Schwaben Stube noting its cheerful setting and "particularly tasty" dishes.

All adults are invited to join us on any of our Dining Out trips. (However non-residents must pay double fee). The date for this trip is Thursday, March 27. The Niles Park District provides transportation. We leave the Recreation Center, 7877 Milwaukee ave. at 6:15 p.m. We will return about 9:30 p.m. The cost for the evening is \$9.50 per person. The price includes your meal, gratuity and transportation. Drinks will be served on a cash basis.

Here's what you get to choose from: Wiener Schnitzel, Roast Duck, Kassler Ribs, Sauerbraten & Spaetzels, Roulade of Beef with potato dumpling or Fan Tail Shrimp. All entrees also include soup, salad, vegetable, potato,

rolls & butter, beverage AND apple strudel for dessert! Please make your meal selection at the time you register. Registration deadline is March 14. So for an enjoyable evening with a delicious meal, why not join us and bring along a few friends? Karen Porzak is back! - The Niles Park District is proud to announce the return of Karen Porzak to its staff. She will be teaching a new class, Pencil Sketching, beginning in the Spring Session. Karen taught here several years ago and her classes were always well attended. An artist from way back, Karen won her first scholarship to the Art Institute at age 10. Since then she has done many noted works. Some of her pictures of clowns are on display at Lutheran General and Resurrection Hospitals.

Karen is a veteran teacher. She has been teaching for 17 years. Let your child learn the fine art of pencil sketching from a true artist. Classes will be held on Mondays from 3:30-5 p.m. at the Rec. Center. Classes will begin March 17 and the cost is \$15 for 8 weeks. The class is for 9-14 year olds. For more information, contact Debby Nelson or Debbie Dahms at the Park District office, 967-6633.

Spring Session Registration - Registration for spring session Niles Park District programs will take place on Tuesday, March 4 from 9:30-11 a.m. and 7-8 p.m. for Niles residents only. Residents and non-residents can register for programs on Wed. March 5, from 9:30-11 a.m. If you intend to register for any Park District program offered this spring, please try to get in for registration at one of the above times. However, we will take registration during regular office hours up until the time classes

begin. Registration will take place at the Rec. Center, 7877 Milwaukee ave. Any questions? Call 967-6633.

Spring Classes - The Niles Park District offers quite a variety of programs and classes for ages. For pre-schoolers, we offer Tiny Gym and Gym for Tots (ages 2-5), Little Chefs' Delight (a cooking class); Tap, Ballet and Creative Dance Movement. School age children can enjoy such programs as Disco, Pencil Sketching, Sculpture, Arts and Crafts, Bakers Choice, Guitar, Tap, Ballet, Tumbling, Gymnastics, Floor Hockey and Physical Activities and Tee Ball, just to name a few. We have adult programs, too! RACQUETBALL INFORMATION

The Men's Racquetball "C" league at the Morton Grove Park District concluded on Sunday, Feb. 3. Gary Reba took 1st place with 28 points. Don Heibach in 2nd place with 24 points and George Rodriguez came in 3rd place with 23 points. Congratulations to all.

District 64 caucus meeting

The public and press are invited to attend the District 64 caucus meeting scheduled for 8 p.m. on Feb. 26 at Jefferson School, 8200 Greendale in Niles. At that time, a panel of the District 207 candidates will be presented to the delegates and time given for questions. Joe E. Chandler, caucus chairman, requests that non-delegates present their questions to him in advance to be sure they're included and to meet the time limits of the meeting. Election follows immediately.

Since Districts 62, 63 and 64 share the same high school district, each nominates and endorses two candidates every third year. Candidates this year are Robert L. Gottschalk, a retired businessman with 43 years experience who grew up and attended schools in District 207; Frank C. Hostetler, professor of health education at Northwestern Illinois university; incumbent William F. Tornrose, president and consulting engineer of his own firm; and George R. Lester, who is completing his sixth year on the District 64 school board. All list as major problems confronting the District 207 school board the need for quality education in the face of declining enrollments and rising costs.

Michael D. Sherrie

Navy Quartermaster 3rd Class Michael D. Sherrie, son of Donald E. and Roberta T. Sherrie of 9010 Neenah ave., Morton Grove, has reported for duty at North Island Naval Air Station, San Diego. He joined the Navy in July, 1974.

Maine Township institute day

On Friday, March 7, teachers, administrators and other certified staff will be attending a special inservice training session. Maine East High School at Dempster and Potter rds., Park Ridge, will be the site of the meeting. Some 1,514 educators will be on hand for the morning session, beginning at 8:30 a.m. to hear Dr. Urie Bromfenbrenner, of Cornell University, speak on the topic of "The Changing Suburban Child". A question and answer period will follow his presentation. Dr. Bromfenbrenner is a world-renowned leading expert on cross cultural research on childhood development.

The afternoon will see the assembled educators from the 35 Maine Township elementary and high schools attend a special interest workshop of their choosing. They will select from a list of 17 sessions with topics ranging from: prime time television to reality therapy in the classroom. Other topics include: problem solving, divorce and single parenting, teaching in a multi-ethnic environment, help for the bi-lingual child in the classroom, hyperactivity - how the teacher can help, special education and the classroom teacher, moral education,

drugs and alcohol, body language and human interaction, applied persuasion, self image - understanding and fostering self concept, disengage from mischief and stay sane, coping with problem parents, coping with discouragement and springboards for teaching decisions. Coordinators for the day-long program are Larry Casajghy, Park Ridge Schools; Dave Bills, Des Plaines Schools; Charles Dunn, Maine High Schools; Cesare Caldarelli, East Maine Schools; and Dena Fenli, Penney School. Anthony Przeklasa will represent the county office.

New social security earnings limits

Social security beneficiaries can earn more this year without losing benefits, according to Marilyn Robertson, manager of the local Social Security Administration (SSA) office.

There are two social security earnings limits in 1980: \$5000 for beneficiaries 65 or older; \$3750 for beneficiaries under 65.

For each \$2 you earn beyond your limit, SSA withholds \$1 from your 1980 social security benefit total. For example: John Doe, 68, earns \$7000 this year; SSA withholds \$1000 from his benefits for 1980.

The limits only include wages or self-employment earnings, not income from other sources such as pensions, dividends, etc.

Special recreation summer day camps

N.W.S.R.A. is busy planning their summer schedule of programs for 1980. Summer day camps will be offered to special education students in learning disability and educable mentally handicapped classes. Full day pre-school camps will also be available for pre-schoolers with special needs. Door-to-door transportation will be offered. The camp program will begin on June 23 for six weeks with the last

week a three day-2 overnight experience at Sunrise Lake Camp. Applications are now being accepted for interested and enthusiastic camp staff. Sunrise Lake Camp will also be the site for a camping program in August for all N.W.S.R.A. participants. August 11-15 will be offered to mentally retarded adults and August 18-22 will be offered to all N.W.S.R.A. participants ages 6-17 years.

Another camping program is being offered to Decatur, Michigan for TMH children ages 9-15 on August 10-16. For questions on these or any other programs, please call the N.W.S.R.A. office at 358-0010. The N.W.S.R.A. office is located in Palatine at 262 E. Palatine rd., 358-0010.

Father/Son Bowling

The Maine-Niles Association of Special Recreation is offering a Father/Son Bowling Tournament on Sunday, March 2. This innovative special event challenges both boys and their fathers to get actively involved in an exciting afternoon of bowling, with trophies to be awarded in various categories. Each Father/Son team will receive two games of bowling, shoes, and a pizza snack. This special event is offered to children with physical and/or mental limitations in the Maine and Niles Townships. This afternoon's activity will be held at Classic Bowl, and adaptive equipment is available. For more information, please call 966-5522.

SJB 7th grade girl cagers

The 7th grade girls basketball team of St. John Brebeuf came from behind in an exciting game to win their first game of the season against the girls of St. Ferdinands. With very little scoring taking place in the first quarter, the game picked up momentum as the St. Ferd's girls took the lead. St. John's team made a comeback and held on to the lead throughout the rest of the game. Joanne Scheffler was the leading scorer, playing a very fine game. Shown above (top row, l-r): Claire Loftus, Theresa-Re, Eva Wroblewski, Jennifer Croke; (middle row, l-r) Karen Baluta, JoAnn Scheffler, Christina Lepold, Barb Rozniak, Coach Dan Kosiba; (bottom row, l-r) Mary Mahoney, Bridgette Walsh, Michele Kauth, Eileen Flynn, Regina Shemroske.

Rotary International celebrates 75th anniversary

Rotary International will celebrate its 75th Anniversary on Saturday, Feb. 23. Rotary is an international organization made up of local clubs whose membership comes from business and professional men throughout the community. The requirement to join Rotary is based on living or working in the community. Each individual Rotary member is representing his classification based on type of employment so that a wide variety of business and professional interests are represented.

The local Niles and Morton Grove Clubs combined in 1976 and presently has a membership of 27. The club meets for lunch every Tuesday at the Black Forest Restaurant in Morton Grove. Some of the past projects of the Niles-Morton Grove Rotary Club has been involved in include providing a luncheon for senior citizens, marking distances for the Forest Preserve bicycle path, working at the Morton Grove Park District Marathon to benefit the Maine-Niles Association of Special Recreation, sponsoring a Closest-to-the-Hole Golf Tournament at the Tam Golf Course, sponsoring foot and dental clinics, sponsorship of an art auction, sponsorship of a foreign students exchange program through which a young lady from Tasmania spent the entire year of 1979 in the United States living

with Rotary families and attending her senior year of high school at Glenbrook South. The Niles-Morton Grove Club is always looking for new members.

The first Rotary Club in the world was organized in Chicago, Illinois, by Paul Harris and friends. The original name "Rotary" was derived from the practice of rotating meetings from one member's place of business to another. That practice was dropped when the size of the club made it unwieldy and luncheon meetings were initiated. The concept of Rotary is based on a four-way test of things we think, say or do. 1. Is it the truth? 2. Is it fair to all concerned? 3. Will it build good will and better friendships? 4. Will it be beneficial to all concerned?

In the past 75 years, Rotary has expanded to include over 17,000 clubs and nearly 850,000 individual members all over the world. Recently Rotary International has initiated a Health, Hunger and Humanity program to improve health, alleviate hunger, and enhance human and social development of people around the world. Rotary International will conclude its 75th Anniversary celebration by hosting the Annual International Convention in June of 1980 in Chicago at which thousands of Rotarians throughout the world will be in attendance.

Health education programs

Beginning the week of Feb. 25, the Leaning Tower Family Y will offer four programs of health enhancement. Each program offers education and behavioral techniques, by which a person can change poor health habits.

For dietary change, a person can work with a group or individually. The Y's Way to Slim Living class is a national YMCA program, utilizing behavior modification techniques to lose weight. Individual dietary counseling is also available with a registered dietician, who can plan a tailored-for-you diet.

A Stop Smoking Clinic is being offered in cooperation with the Chicago Lung Association. This clinic, 6 days spaced over 4 weeks, stresses the behavioral approach to smoking cessation using self-control and relaxation techniques.

A third way to enhance health may be found in the Tension Control, Stress Management class. Participants learn to recognize symptoms of nervous tension and use techniques of deep muscle relaxation. A proven method of coping with the physical effects of stress.

Finally, monthly lectures are offered on topics that offer positive approaches to good health. Call the Leaning Tower Family Y for more information on these programs - 647-8222 - ask for John Joyce.

Back care classes

The Leaning Tower Family YMCA will again be offering its course on the care of the back.

The "Y's Way to a Healthy Back" will meet on Tuesdays and Thursdays for six weeks beginning Feb. 26.

The course, developed by Dr. Hans Kraus, M.D., clinical associate professor of rehabilitative medicine at New York University College of Medicine, especially for the YMCA, is designed for those who suffer discomfort and pain in the lower back and need to increase overall flexibility.

Registration for the course, which is limited to 15 members, is underway at the Leaning Tower Family Y, 6300 W. Touhy ave., Niles. For further information, contact the YMCA at 647-8222.

Community forum on energy savings for homeowners

Energy conservation for homeowners will be discussed in depth in a community forum sponsored by Oakton Community College on Thursday, Feb. 21, at the Niles Public Library from 7 to 9 p.m.

During the forum entitled, "Batten Down the Hatches - Energy Efficiency at Home" five authorities on energy will participate in a panel discussion. They will be concentrating on some of the less familiar ways of energy conservation that are available at reasonable costs to the homeowner.

"We won't be emphasizing the usual means of conservation that you hear about so often, like weatherstripping and insulation. Rather, we will be discussing other practical methods and means like special flue dampers and timed thermostats," according to John Mikulski, panel moderator and associate professor of natural sciences at Oakton.

Members of the panel are Jerry Hawk, energy consultant for Northern Illinois Gas, Ken Pientka, marketing engineer for Commonwealth Edison, Dr. Beth Hagens, professor of an-

thropology, Urban and Environmental Planning program, Governors State University, and Tim Philip, industrial art instructor, Evanston Township High School, and representative of the Evanston Environmental Association.

"Batten Down the Hatches..." is the first of four forums on energy issues in the '80s. The forums are presented by Oakton as a supplement to the MONNACEP course, "Energy and the Way We Live." Registration is still open for this course and may be completed by calling MONNACEP at 967-5821.

The three remaining forums in the series are "The Energy Crisis - What Can You Do?" on March 11 at the OCC Interim campus; "Consumer to Conserver - Changing Our Energy Values" on April 9 at Skokie Public Library; and "What Do We Do if the Oil Well Runs Dry?" on April 27 at Glenview Public Library.

MONNACEP is the adult education element of Oakton Community College in conjunction with Maine, Niles and Glenbrook High Schools.

Lupus Foundation meeting

The regular monthly meeting of the North Chapter of the Lupus Foundation of Greater Illinois will be on Sunday, March 3 at 2 p.m. This meeting will take place in the 5 South Conference Room of Lutheran General Hospital, 1775 Dempster, Park Ridge. For further information, contact Mrs. Daniel (Susan) Mortier at 437-7590.

Invest in yourself instead of your landlord.

Stop and consider the amount of money you've paid for rent over the years. You've probably spent more than enough to invest in a home, yet you have nothing to show for it. In fact you may even be able to buy a home for monthly payments that are lower than your present rent, and still enjoy a sizable tax benefit.

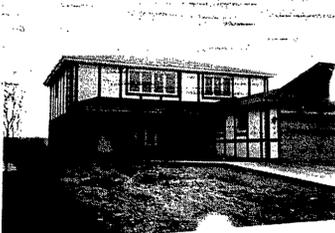

As your local ERA® Real Estate professionals, we can give you the assistance you need to find your first home and move in. We'll help you understand the local market, familiarize you with the purchasing procedure and give you the information you need to make a smart buy. Don't waste another dollar. SCOUTS Girl Scout Troop 846

On Feb. 1, Junior Girl Scout Troop #846 of St. John Brebeuf, presented their mid-year Court of Awards with a Parent Night. The theme of the evening was Country Time Hoedown. The fourth grade scouts were the hostesses for the evening and the festivities began with a country dinner of fried chicken, baked beans and baked corn, salads, hot rolls, desserts, including apple cobbler, and beverages.

After dinner the scouts, Karen Beettink, Cathy Bratek, Karen Casaccia, Renae Hubick, Nancy Kozanecki, Sandy Lepold, Lisa Michelotti, Cathy O'Grady, Colleen O'Grady, Janet Rzepiela, Tricia Smith, Tina Sudendorf, Maria Sudendorf, and Chris Wolshon, presented the flag. This was followed by danced such as Cowboy Mixer, Country Waltz, Skip to My Lou, It's a Small World, and Bow Belinda. Next B-I-N-G-O and He's Got the Whole World in His Hands were sung, and songs of America as A-M-E-R-I-C-A, America the Beautiful, My Country 'Tis of Thee, and Taps were sung and were dedicated to the hostages in Iran. Then, six of the scouts presented a Daisy Low skit which completed their requirements for the Daisy Low Badge.

And finally, the scouts were presented with awards and the badges they've completed. They received various awards for such things as sales, attendance at meetings and activities, proper and complete uniform at all occasions, and for courtesy cards. And, lastly, the scouts received the badges on which they worked so hard, the badges totaling 139 in all.

The festivities concluded with a Candlelighting Ceremony and the song "G" for Girl of Glory.

Scout Anniversary and Awards Dinner

On Feb. 10, St. John Brebeuf Troop #175 held its Scouting Awards Dinner at Bunker Hill Country Club. The celebration also coincided with the anniversary of the founding of The Boy Scouts of America, and many of the boys received awards of recognition for various scouting achievements throughout the past few months. Special awards were presented to some of the scouts who worked for special advancements during last Summer's campout at Napawon, located in Wild Rose, Wisconsin.

Troop #175 Awards

On Feb. 3, six scouts from St. John Brebeuf Troop #175 were among those who received the highest awards possible for religious accomplishment within their troop. The solemn and impressive ceremony for Catholic scouts took place at Holy Name Cathedral, and those scouts fortunate enough to receive the coveted Ad Altare Dei Award were Mike Beettink, Rob Majerowski, John Parlik, Mike Strzewski, and Steve Weiss. In addition, the Pope Pius XII Award, which recognizes religious service among high school students, was awarded to Bob Piontek.

Legion donates wheel chair

The Morton Grove American Legion Post #134 recently donated another wheel chair to their Auxiliary Unit who conduct a lending closet of hospital supplies. Announcement was jointly made by Post Commander Robert Perschon of Chicago and Auxiliary President Mrs. Phyllis Rieck of Morton Grove.

Mrs. Rieck indicates the Unit, as part of their Community Service Program, furnish to needy, local residents, items which sick family members are in need of

during an illness or hospital recovery. Items available in addition to wheel chairs are hospital beds, walkers, canes and crutches, etc.

Chairman of the Lending Closet is Community Service Chairlady Mrs. Frank Selzer. Terry Selzer, a past president of the Auxiliary, 8931 Mansfield, Morton Grove, may be contacted at 966-8154 for further information or to make a reservation for using one or more pieces of the items which the Auxiliary gladly lends

Shade trees for the Midwest

Now is the time to select and plan for that tree you always wanted to shade the front porch or that hot bedroom on the west side of the house.

Providing cooling shade during the hot summer months is just one of the benefits a tree provides. They act as insulators from city noise, dust and pollution. Perhaps more important today, trees help reduce heating and air conditioning costs. Just their presence softens the landscape, giving beauty and elegance to an otherwise bleak environment. What is more restful to the soul than to listen to the gentle rustling of leaves on a breezy summer night. Trees also provide a home, restful haven and sometimes food for wildlife. Maybe even more important,

Honor students

Rockford College fall semester honors were awarded to 156 students, according to Gordon E. Wesner, vice-president and dean of the college. The honor list includes both Distinguished Scholars and Dean's List students. Local honor students included: Thomas Flood, 7432 W. Churchill st., Morton Grove.

Trees absorb much of the carbon dioxide pollution and in turn release oxygen. An actively growing one acre grove of trees releases enough oxygen in one year to support the life of 18 people.

For a FREE list of shade trees suitable for planting in the mid-west, send a large, self-addressed, stamped envelop to: TREES, 715 Monroe, Evanston, Ill. 60202.

Centel reports 11% increase in 1979 income

Central Telephone & Utilities Corp., the parent company of Central Telephone Company of Illinois, reported that 1979 net income rose 11% to a record \$63 million, or \$3.34 per share, from a restated \$74.6 million, or \$3.63 per share, a year ago. Revenues and sales climbed 14.6% to \$750.5 million from \$654.7 million.

The corporation noted that its profits have set new highs for 12 consecutive years.

Fourth quarter net income increased 12% to \$20.3 million and 81¢ per share from \$18.2 million and 74¢ per share in the like 1978 period. Revenues and sales increased 10% to \$190.8 million. Additional depreciation expense

booked during the period had the effect of reducing after-tax income by 4¢ a share.

Robert P. Reuss, Centel Chairman, said earnings from the telephone and communications products and services groups "continued on an upward trend" in the final months and helped offset lower electric group results.

Telephone operating revenues climbed 14% to \$526.2 million for the year while sales of the communications group gained 27% to \$118 million. Electric revenues increased 7% to \$108 million.

Centel said its cable television operations are continuing to expand rapidly with customer base up nearly 40% in 1979. It has been awarded franchises to begin serving two additional Chicago suburban communities.

The company said \$9.2 million in telephone and electric rate increases were pending at the end of the year, and it is filing for additional electric rates. However, in the company's Illinois operations, Centel has not filed for a general rate increase for 10 years, and presently has no plans to ask for a rate increase in the foreseeable future.

The 1980 annual meeting of shareholders will be held in Chicago on April 24.

Central Telephone & Utilities is the fifth largest telephone company in the United States, with telephone properties in 10 states, in addition to electric properties in Colorado and Kansas.

There are more than 5 million motorcycles registered in this country according to figures compiled by the U.S. Department of Transportation.

First National 1979 assets and earnings

For the First National Bank of Des Plaines, 1979 was a year of progress, according to Arthur R. Weiss, president.

"Total resources reached \$238,285,433, up 9.3% for the year," Weiss said. "Deposits grew to \$202,972,978 or 10% from \$184,463,257. Meantime, loans decreased 1% to \$114,243,160. The loan to deposit ratio of 56.3% directly reflected a policy of high liquidity. Net income of \$2,329,090 was an all time high, an increase of 11.2% from \$2,095,823 one year ago. Shareholder equity of \$16,590,292 was up 9.3% from \$15,174,402. Book Value per share rose accordingly to \$29.84 from \$27.30."

"Serving the financial needs of the area carries a broad community obligation," Weiss continued. "We are deeply committed to the continuing redevelopment of the downtown area. Our own First National Bank building is now fully leased. The majority of this space is occupied by offices and organizations new to Des Plaines. Step by step, progress is being made in downtown physical improvements. Recently the bank purchased property on Ellinwood st. which was leased to the city and converted into much needed additional parking space. Other projects being formulated by the Des Plaines Redevelopment Association have the full support of the bank. It is our belief a revitalized downtown district is vital to the future of Des Plaines," Weiss concluded.

Specifically Dimension 60 services include an unlimited personal checking account with free line checks, a photo identification and membership card, the merchandise purchase discount plan, a restaurant discount plan, a grocery discount program, food discount coupons, financial planning consultations, trust and will counseling service, social security automatic check deposit, RTA photo transit discount card (age 65 and over), a seminar series, speakers' bureau, and timely news bulletins. Also included are the investment savings bond program, the income savings

bond program for retirement planning, the Dimension 60 international travel plan, a mini-vacation plan, no-fee traveler's checks, free notary service, a youth work program, a postage exchange program, a postage stamp service, lending library, book and magazine exchange, photocopy service and the Dimension 60 Hospitality/Information Center.

Other services include the Dimension 60 Cinema (a free monthly movie series featuring top-quality motion pictures), luggage identification tags at no cost, free laminating service, and no-charge checkbook balancing consultations.

Reaction to these services from both older people and the community in general has been enthusiastic. Over 500 persons attended the last Dimension seminar on energy conservation, and there are more than 60 area merchants participating in the program's merchandise discount plan. A spokesman notes that additional money-saving Dimension 60 services are being contemplated by Citizens Bank & Trust Company such as contact Just Malz, the Dimension 60/Customer-Service officer, at 399-4243.

Dimension 60 marks 6-year growth

CitizensBank and Trust Company's Dimension 60 program of services for persons sixty years of age and over recently marked its sixth anniversary. Dimension 60, which originally began as a package of nine banking services, now includes thirty services designed to meet the social, psychological, purchasing and economic needs of older persons.

Since its inception in February, 1974, as the first total banking program for seniors, Dimension 60 membership has far exceeded expectations. Currently there are over 6,600 people from north and northwest Chicago and enrolled in this innovative program. Membership is open to anyone sixty years of age and over who has a savings account in any amount at Citizens and signs up for the program. No membership fees are charged.

training and expertise.

Robert H. Bukowski, Chairman of the Board of the Premier Banks of Northern Illinois, has consistently supported Pat's efforts in pursuit of her CBA certification. It is Mr. Bukowski's belief that any education of further experience received by bank employees can only further enhance the quality of service made available to bank customers.

For many young women a CBA and BS degree would be achievement enough, but for Pat it simply marks the completion of one more step in a carefully thought out career plan. In June of this year she will participate in the Becker review in preparation for taking the CPA exam in November. Then, as a fully accredited Accountant with professional status and experience, Pat hopes to be prepared to one day move into senior bank management—an ambitious program for certain, but an exciting challenge for a young woman with the drive and determination of Pat Armitage.

Patricia Armitage awarded CBA certificate

Patricia A. Armitage, Corporate Planning Division, Premier Banks of Northern Illinois, is awarded the Chartered Bank Auditor (CBA) certificate by Ronald G. Burke, President and Chief Executive of the Bank Administration Institute (the nation's research and educational organization for the banking industry) at ceremonies held recently at Golf Mill State Bank in Niles.

The Banking equivalent of a CPA, the Chartered Bank Auditor designation requires six years of experience in Accounting, Auditing, Economics and Management Theory. Edison exec cites reasons for rate increase

The following statement from Thomas G. Ayers of Commonwealth Edison was released regarding the rate relief decision:

"The recent decision by the Illinois Commerce Commission indicates recognition of the importance of assuring continued reliable electric service in northern Illinois. However, we still feel that we were entitled to the full amount of our request.

"The 14.4 percent increase granted will help somewhat to alleviate our immediate financial difficulties. Even with the new increase, base rates over the past five years have increased at an annual rate of only 7.5 percent.

"The Commission's recognition of the deterioration in our financial condition will not only help to assure the high quality of service and reliability that our customers have come to expect, but it will also help to hold down electricity bills in the years ahead. As a result, this area should be able to keep on avoiding the blackouts, brownouts and shortages that have plagued other parts of the nation.

"Even with today's rate increase, which will add about \$2.58 to the average residential customer's winter monthly bill,

our customers will continue to have rates that are lower than those in many other major metropolitan areas. Electric service remains one of the consumer's best bargains especially when measured against the spiraling rate of inflation.

We still face a difficult and uncertain financial future but by recognizing in part the impact which rising costs and staggering interest rates have had on us, the Commission's decision will enable us to meet northern Illinois' electricity needs at the lowest reasonable cost."

Guaranty Savings merges with GreatAmerican Federal

The members of Guaranty Savings and Loan Association, 2656 W. 28th st., Chicago, Illinois, voted Feb. 4 to merge the Association with GreatAmerican Federal Savings and Loan Association, an institution with assets of over \$420,000,000 which is headquartered in Oak Park, Illinois.

The decision of the members was announced jointly by Stanley Dvorak, Chairman of the Board of Guaranty Savings and Loan Association, and John L. Domeier, Chairman and President of GreatAmerican Federal Savings.

The announcement followed a special meeting of the members of Guaranty Savings, in which they voted to convert the Association from an Illinois state-chartered association to a Federally-chartered savings and loan association. This conversion was a necessary preliminary step to the merger.

Under the terms of the merger agreement, Guaranty Savings and Loan, with assets of over \$13,000,000 becomes the Guaranty division of GreatAmerican Federal Savings and will operate its office at 3856 W. 28th st. with its current staff as a full service branch of GreatAmerican Federal Savings.

Mr. Stanley J. Dvorak becomes President of the new division and Vice President of GreatAmerican Federal Savings. Mr. Stanley Dvorak becomes Executive Vice President of the Guaranty division and Vice President of GreatAmerican Federal Savings, and Mrs. Bessie Dvorak becomes a Vice President of the Guaranty division.

In addition, all employees of Guaranty Savings and Loan become GreatAmerican Federal Savings employees.

Present savings customers of Guaranty Savings become savings customers of GreatAmerican Federal Savings at the same rates and under the same terms as their accounts at Guaranty Savings and Loan Association. All Guaranty Savings and Loan Association mortgage customers will be serviced by GreatAmerican Federal Savings under the same terms and conditions.

According to the notice of the special meeting sent to all Guaranty Savings and Loan members, "The Board of Directors of Guaranty Savings and Loan Association, in considering any potential merger partner, concluded that the other Association's policies, objectives and philosophies must be compatible with those of Guaranty Savings and Loan Association and that a merger... would offer Guaranty Savings and Loan Association's customers ad-

ditional service and convenience. After extensive investigation, it became apparent that GreatAmerican Federal Savings and Loan Association would make an ideal partner for the future..."

GreatAmerican Federal Savings, founded in 1934, currently operates 12 full service offices in the Chicago metropolitan area. Those offices are located in Arlington Heights, Bellwood, Deerfield, Elmhurst, Elmwood Park, Franklin Park, Niles, Oak Brook, Oak Park, Park Ridge and in Chicago at 220 N. Michigan ave. and 300 S. Wacker dr. In addition, the Association plans to open offices in Downers Grove and Naperville in the late spring of this year.

Comstock stated that in September 1979 the bank opened their new Harlem Avenue Branch, on a site extending from Northwest Highway to Devon ave., that it has been well received in the area with deposits exceeding projections.

O'Hare Bank increases dividends

O'Hare Bank increases dividend at the Jan. 21 Board of Directors meeting an \$80 annual dividend was declared. The dividend is payable March 20, 1980 to shareholders of record Feb. 23, 1980. The \$80 dividend represents a \$6 per share increase over the \$75 dividend declared in 1979. Lyndon D. Comstock, President of the bank, announced that net income for 1979 was \$1,564,000, (\$2.54 per share), an increase of 16% over the \$1,346,000 (\$2.19 per share) net income for 1978.

Comstock stated that in September 1979 the bank opened their new Harlem Avenue Branch, on a site extending from Northwest Highway to Devon ave., that it has been well received in the area with deposits exceeding projections.

A walk in the woods ...

It has been said that on a calm, warm summer night, one could get "high" by just walking thru the St. Paul Woods in Morton Grove.

It could be accomplished by the power of osmosis, or by just taking in deep breaths of various controlled substances which hang in grey, low clouds in the atmosphere. For it was the breath of evil, and who knows what strange companions of Satan were lurking in the dark and could perform what manner of foul dastardly deeds. As Lamont Cranston, long ago, said: "The Weed of Crime Bears Bitter Fruit."

And, it came to pass, in these very weird woods - playground of the affluent delinquents - two young, pretty girls of 17 did, on September 5th of last year, attract to themselves the evil person or persons who ended their young lives almost before they really lived. Perhaps wittingly, or unwittingly, but ... what matter?

For Eygonne L. Bender, 5333 Madison, Skokie, and Susan Ovington, 5840 Oakton, Morton Grove, became statistics of a brutal and horrendous capital crime. The crime of murder.

Now, about five and a half months later the person or persons responsible have not been captured, and are free, maybe, in a related way or an unrelated way, to "kill again". But, someone knows ... the "who"? ... the "how"? ... and the "why"?

But I can tell you this: The Morton Grove Police Department has done one of the most penetrating, painstaking, and exhaustive murder investigations I've ever witnessed (and I've covered many, though it was years ago).

The Morton Grove police reports and files on this case are huge and voluminous. It required many hours to read and digest it. In my opinion Police Chief Norman Glauner, Sgt. McKenna, and the many other detectives and patrolmen of Morton Grove, as well as the Chicago P.D. and the cooperation of other suburban police officers, have left no stone (or rock, perhaps, I should say) unturned to solve this case.

They are still working on it, and as there is no statute of limitations on murder one, they'll continue to do their best to solve it.

And solve it they will - at least that's my "gut" feeling about this case. It, therefore, behooves any God-fearing, civic-minded citizen having any information about this double-murder to contact the Morton Grove P.D. Sometimes, just a little information, something one may feel is insignificant, may be the proverbial straw that can "break" this case, and lead to the conviction of the person or persons responsible for these brutal murders.

As I promised last week, here's an update on the Betty (Quinn) Coed tragedy. After interviewing Katherine Preze, a nurse, whose prompt action in reporting the fact to Niles P.D. that "someone", a white male, fired two shots at her car in the vicinity of the Regency Nursing Home, just a short distance from Devon, after "buzzing" her car at approximately 10:30 p.m. last Dec. 30, resulted in the Niles police apprehending an alleged suspect, Kurt Bartall, Jr., of Chicago. The subsequent ballistics tests revealed that the bullet that killed pretty Betty Quinn, the 23 year old coed from Southern Illinois University came from the 9 mm. Smith and Wesson automatic carried in a shoulder holster by Bartall Jr. at the time of his arrest by Niles police.

A trial date of March 4 before Judge O'Malley has been set at 1140 S. Michigan ave., Chicago for Kurt Bartall, Jr., on the Betty Quinn case. A trial for the alleged shooting at Katherine Preze's car has been set previous to this at the Court House in Niles, Ill.

That Betty Quinn had many friends who thought well of her is evidenced by the fact her funeral cortege was 30 cars long. Many of the students of Southern Illinois University came here to Chicago to attend the funeral.

Betty Quinn loved cats, especially the big cats. She frequently, during the two and a half years she worked to save the money for her college tuition, went to the Lincoln Park Zoo to watch the tigers. The curator of the Lincoln Park Zoo has promised her father George Quinn that when the zoo receives a female tigress they will name it after Betty. (Tigers have to be imported, it is against federal law to breed tigers in the U.S.A.)

Southern Illinois University is planning to name a street after Betty Quinn and they are also planting a tree on the university campus in honor of her memory.

It seems a shame, more than that ... a real tragedy, that so fine a young lady of 23, as Betty Quinn, was, held in such high esteem by all who knew her, should have had her life snuffed out by a high-powered bullet, blowing out her brains.

Niles Library programs

Events at the Niles Public Library next week:

Jerold Kellman, author of A Writer's Guide to Chicago Area Publishers and Other Freelance Markets, will speak on the subject of his book at the Niles Public Library, 6960 Oakton st. His talk will take place on Tuesday, Feb. 26 at 7:30 p.m. Free lance writers or those interested in taking up writing for profit, take note.

On Monday, Feb. 25, the film Turning Point, starring Shirley MacLaine, Anne Bancroft, and Mikhail Baryshnikov will be shown. Starting time is 7:30.

Fabulous February at Niles Library

Two films will conclude Fabulous February from 2-3 on Saturday, Feb. 23, at the Niles Public Library, 6960 Oakton St. In Really Rosie, theatrical Rosie provides a stage for four stories by Maurice Sendak. The Lupine Case features a young sleuth who recovers hand puppets stolen from a children's theatre on the eve of a new show.

Reading competition among elementary schools continues this week with three Battle of the Books matches. Feb. 21, Nelson School faces Washington; Feb. 25 Jefferson School takes on St. John Brebeuf; Feb. 27, St. John Lutheran challenges Oak School. Each meet begins at 4 in the Auditorium of the Niles Public Library, 6960 Oakton St. Battle of the Books is a program designed to encourage good recreational reading among 4th-to-6th grade students. At the matches, teams from participating schools are quizzed on a list of 100 books. The public is welcome. Come match your wits and cheer for your school.

Legion hosts lounge party

An informal party is held once a month in the upstairs lounge of the Morton Grove American Legion Post #134. A theme is oftentimes used to encourage those to dress up if they prefer.

A husband-wife duo or two couples from the Legion are appointed hosts and welcome those attending the event.

This month's activity will be held Saturday, Feb. 23 and is being chaired by post commander Bob and Fran Perschon of Chicago, and Raoul and Marguerite Smoczynski of Morton Grove.

Niles East alumni in "My Fair Lady"

There's an "All Points Bulletin" out for alumni for Niles East high school. The school's theater department is searching for former students to join the cast of "My Fair Lady", which will be the school's final production. "Our goal is to cast the production with current students as well as alumni of all ages, resulting in an exciting community production," said director Jerry Profit in a letter to alumni.

Students and alumni are invited to audition for roles or the chorus from 7-10 p.m. on March 3, 4, and 5. Persons auditioning for specific roles will be required to read and sing sections of their character's dialog and music.

For the dance part of the audition, a routine will be taught and the ability to "pick up and do" the dance will be the basis for selection.

Rehearsals will begin April 7 and will be held weekday evenings from 7-10 p.m. Monday through Friday. "My Fair Lady" will be presented May 22-24.

Stratford Play trip

Study-travel escorted excursions to Stratford, Ontario's 1980 Play Festival have again been arranged by Allen Schwartz, chairman of the Skokie Great Books and Contemporary Arts discussion groups that have been meeting at the Skokie Public Library for the past twenty one years. The two trips arranged by Mr. Schwartz last year were so quickly sold out that in 1980, he has made plans for six trips ranging from June-October, and one trip as well to the Guthrie Theatre in Minneapolis in August.

For further information, call Allen Schwartz, 679-4123.

"Feelin' good" starts at Leaning Tower YMCA

"Feelin' Good" is a fresh new approach to exercise and healthy living for youth. "Feelin' Good" is a community oriented exercise program in which children get together with other children in their own neighborhood for weekly fitness fun.

Each "Feelin' Good" class centers around a 30-45 minute exercise session of continuous rhythmic exercise. This up-tempo session is comprised of a sequence of activities found by national fitness authorities to be most conducive to the improvement of circulo-respiratory (aerobic) strength and endurance. It is also quite beneficial in reducing body fat.

Supplementing the exercises are fitness games and stunts, personal fitness tests and evaluations, and brief demonstrations and discovery activities covering a wide variety of health, fitness, and cardiovascular health topics. Besides learning how to exercise for good health, the "Feelin' Good" participants discover how to use exercise to build strength and improve their sports game to name two. They also get their parents involved in the program with many

discovery activities which they take home and do as a family. They learn to critically evaluate types of advertising on TV which can be harmful to their health as well as types of foods which are best for themselves and their families.

Hailed as one of the most comprehensive introductory fitness programs ever for children, "Feelin' Good" is opening up the way for thousands of healthier children to become healthy adults. "Feelin' Good" is an integral part of the Nationwide YMCA's Cardiovascular Health Program.

"Feelin' Good" starts at Leaning Tower YMCA on Thursday, Feb. 28, 1980. It is for children in grades 1 thru 6. Anyone interested in registering for this program is urged to contact Laura Humbert at Leaning Tower YMCA, 6300 W. Touhy, Niles, 647-8222, before Feb. 28.

The unlimited possibilities of educational TV via cablevision were a topic of conversation when two representatives of Storer Broadcasting Co. met Tim Raetzman (center), Oakton Community College's television studio manager at the recent OCC and Des Plaines Chamber of Commerce luncheon and program for Des Plaines business leaders.

Shown with Raetzman are Jim Frehner (left), Storer Cablevision's Educational Consultant and Mary K. White (right), Vice President of Storer Northern Illinois Cablevision, Inc., Des Plaines. Storer is one of 14 cable TV companies seeking franchises for cablevision service in Chicago's north and northwest suburban communities.

Registration for preschool testing

School District 67 will conduct free testing for preschool children, ages 3 to 4 years old. These tests are designed to discover possible deficiencies in vision and hearing, language and motor development. Parents are not always aware that their child may not be seeing or hearing normally. A child could have amblyopia or "lazy eye" and still appear normal and not complain of not seeing.

Testing is also done to determine if there is possible deficiencies in language development and motor development before the child enters kindergarten. Parents must register their child on Tuesday, March 11 at Hynes Elementary, 6000 Bellfort. The hours are: 9 to 11:30 a.m. and 1 to 3 p.m.

This is the only day for registration. Children will have to be residents of Golf School District 67.

To prepare the child for these screening tests, parents will be given a readiness game to acquaint the child with.

District 64 textbook list

The Board of Education of Park Ridge - Niles Community Consolidated School District 64 placed the proposed 1980-81 Textbook List on display. Board of Education to give the community an opportunity to inspect the Textbook List and also to examine any book on the list.

Any interested citizen may see the proposed Textbook List at one of the elementary, junior high school offices or the Board of Education office at 164 S. Prospect. They also may make arrangements with the principal of the school to examine any textbook on the list.

The Textbook List will be acted upon at the Feb. 25 meeting. Board action is required before any book can be ordered from the list for the 1980-81 school year.

LGH begins program for families of alcoholics

The Alcoholism Treatment Center (ATC) of Lutheran General Hospital has begun a new program to help families in which there is an alcoholism problem.

Elsie Heglund, R.N., Park Ridge, has been named family alcoholism specialist and coordinator of the new program.

The program will help families realize how they have been affected by alcoholism and how to begin personal changes in response to the illness.

The program is designed for family members in which the alcoholic may or may not seek

help for himself. The program also is available to family members of ATC in- and outpatients, Al-Anon members and community resource centers.

"Alcoholism can entangle the lives of an entire family into frenzied living patterns. Often the illness destroys health, family and friendship," Heglund states.

"Even though only one family member may be chemically dependent, the entire family is affected. In their struggle to live around this dependency, family and friends may do irreparable damage to themselves as individuals. It is healthy progress

if only one family member begins to make positive changes," Heglund explains.

The mother of three says there is a definite need for this type of educational program. She cites a new Gallup Poll study that says one out of four persons reports they have been affected by a person with an alcoholism problem. Yet one out of six says they wouldn't know where to go for help for themselves.

Heglund will coordinate special services provided to family members of ATC patients. She will develop new three-day

family workshops to begin in Spring 1980.

Heglund, a nurse clinician III and a certified alcoholism counselor, has worked at the Alcoholism Treatment Center since 1970. She worked as a staff nurse until 1977 and as a nurse clinician III until her recent promotion.

A task force member of The Other Victims of Alcoholism Inc., Heglund also belongs to the National Nurse's Society on Alcoholism, the Illinois Alcoholism Counselor's Association and the National Association of Alcoholism Counselors.

Heglund has been a Park Ridge resident for the last 25 years.

alcoholism counselor in 1979.

Heglund has conducted alcoholism seminars and workshops for occupational nurses, Lutheran General's School of Nursing and other organizations.

She graduated from Presbyterian School of Nursing in 1953, working at Presbyterian Hospital, Chicago, until 1955. She participated in the ATC's Alcoholism Counselors' Training Program and became a certified

The preceding information and statistics were taken from an article put out by the Chamber of Commerce of the United States, Washington D.C. Since the Village of Niles is so adamant about changing the residency rules for village employees, we feel they should be a little more realistic about today's real estate market. Their logic that village employees are more concerned about the community if they reside in it is all well and good, but that's where their logic ends. The starting salary for a Niles patrolman today is \$16,744 and the starting salary for a Niles fireman is \$15,990. In no way can these men afford \$700 a month payments on a home together with utilities, food, clothing, doctor bills, etc. And if these men were to go to every real estate in Niles and ask for a listing of available homes under \$75,000, the pickings would be very meager. We recently heard of a case where two Niles firemen were bidding on the same home and one outbid the other by \$100, thus getting the house. It also resulted in the two not speaking to each other again. Forcing these men to reside in the village today in housing they cannot afford is unrealistic. The "community concern" theory is great, but how efficient can a policeman, fireman or any other village employee be if they have to work two jobs to keep their heads above water and the priority of their jobs comes only after their concern for their homes, bills and families?

OUT OF THE MOUTHS OF BABES ...

Today everyone knows what somebody else should be doing to conserve energy. We recently heard about a list of suggestions that was turned in by a group of elementary school children who were asked by their teacher to write down ways to conserve energy. Here's their solutions for the energy crisis:

1. Lower people's body temperatures to 68 degrees.
2. Dip everything that is made in stuff that glows in the dark so we can save on electricity.
3. Make it a rule that there has to be at least two people in every bed that uses an electric blanket.
4. Put more hot sauce in all foods.
5. Don't stay in more than one room at a time.
6. Don't take more than one bath a week.

Board members approved a motion election judges be paid \$55 and provided supper.

A representative of Alcoholics Anonymous (AA) said his club would like use of the staff room for interviewing newcomers while the meeting is being held in the audio-visual room. A lengthy discussion concerning access by staff members followed. Board members approved a motion calling for a partition to be either brought from the library archives or purchased for use by club members in the audio-visual room.

Florence Lang, library employee, was designated a representative of the library staff to serve on the committee screening applicants for library administrator.

Machowski said circulation from the book mobile which stops in front of the Madison National Bank of Niles and Dee Park on Saturday is "very bad". She will inquire about public relations through bank flyers or deposited with residents of the unincorporated area.

In other action the board approved the showing of a summer film series, approved expenditures for a tree maintenance program, approved the purchase of cassettes on health, approved the hanging of a banner by an artist in the main reading room, and approved the pricing of draw drapes for windows in the audio-visual room.

Discussion on The Middle East

The public is invited to attend and participate in a program dealing with the current situation in the Middle East on Feb. 25 at the Skokie American Legion Post Home, 8212 N. Lincoln at 8 p.m.

Mr. Craig Kopstain, a member of the Chief of Naval Operations Speakers Bureau, will share his first hand insight into the trouble spots making today's headlines. Following his presentation there will be a question and answer period.

Mr. Kopstain, a lieutenant commander in the United States Naval Reserve, has 14 years of service with the Navy and has had duty posts in Europe, the Caribbean, the Far East and the Indian Ocean Area.

Refreshments will be served following the meeting.

NIU students in GM program

A team of students from Northern Illinois University's College of Business is one of 15 chosen nationwide to participate in the 1980 General Motors Intercollegiate Marketing Program.

Through oral and written presentations, the students will present their plans for marketing and advertising the 1980 Chevrolet Caprice and Impala.

Local students participating included: Ana M. Arza 4824 W. Hull st. and Debora A. Szymanski 9453 Lawler, both of Skokie.

M.G. Legion to celebrate birthday

Millions of fellow members of the American Legion will engage in a globe-spanning celebration of the Legion's 61st birthday during March.

Morton Grove American Legion Post #134 commander Robert Perschon has indicated the local post will also highlight this occasion.

A yearly party is held at the Post Home, 6140 Dempster, which is open to the public. Perschon says details will be announced soon.

Membership in the American Legion now number 2.7 million veterans, men and women. They served honorably for their country during one of the wars.

Perschon stated that the American Legion was originally founded March 15-17 in 1919 during a meeting in Paris, France, which was attended by representatives of the various outfits of the American Expeditionary Force of WWI. The organization since has opened its ranks to veterans of WWI, the Korean War, and the Viet Nam War.

Localities will recall that 11 years ago, on its 50th birthday, the Morton Grove Legion commemorated the occasion with special festivities which overlapped with the Bicentennial Ceremonies of the Village itself.

LETTERS to EDITOR

Is there a doctor in the house?

Dear Editor:
Just had what I think was a bad experience...

Almost two weeks ago I took my wife to the Holy Family Hospital emergency room for an examination of a swelled ankle. There we were given fast, courteous and professional attention.

After examining and x-raying the ankle, my wife was told to see her family doctor if the swelling did not go down in the next couple of weeks. Well, after 12 days the ankle was still swollen, so we called the hospital for a name of a doctor in the Niles area. They might recommend and they gave us a list of 5. All were located in the Golf Mill medical building.

The reason we wanted a doctor in or around Niles was the doctor treating her previously has offices in Chicago and is quite far from us. Even he thought finding a doctor closer for her was a good idea.

The shock was this. These doctors would not take a new patient without having a complete examination. By complete, they meant an EKG, chest x-ray and others at a cost of \$150. This price was given to me by the receptionist. I called another, whose receptionist said the doctor would not have an opening for a new patient for two months.

The question is what is this medical situation all about? Hope we get some answers soon! I know their high fees are built on the fact most people are well insured and if you're not, or you don't like their rules, just stay away!

This situation should make many people agree with Senator Edward Kennedy's idea of federal controls on them.

We did get an appointment with the Chicago doctor the next day.

Parents take heed!!

Dear Editor:
Mr. George Hall should be complimented on his "Letter to the Editor" in the Thursday, Feb. 14 Bugle "entitled", "Kind Words of Advice to My Good Neighbors."

The following letter was submitted over a year ago to the

What's in a name?

Dear Editor:
A few years ago I read Good Housekeeping Magazine and was surprised to find myself described not as a "housewife", but as a "homemaker". Upon becoming a delegate candidate to the democratic convention from the 10th Congressional District, I was delighted to find local newspapers describing me as a "community activist". While feeling rather like a cross between Golda Meier and Jane Fonda, I began to question: "What is a community activist?" Also, "Why should I become involved in politics?"

Examining my life for the past 20 years, I discovered that in my case "community activist" is a fancy title for someone who spends time raising children and working for local organizations in order to improve the quality of our lives. For me, politics is an extension of community service because it affords me the opportunity to involve myself with concerns such as education, mental health and energy on a broader basis.

With the new title of "activist", or the older, honorable titles of "wife, mother and concerned citizen" ... I hope to represent our community as a President Carter delegate at the Democratic convention in New York this summer.

Niles Bugle. Parents take heed!

"A few of our youths have turned to criminal action and organizing gangs, either for profits, excitement or from sheer boredom. As parents we should be concerned and encourage our youngsters to keep busy as idle hand and idle minds have a way of getting into trouble if for no other reason than escaping from sheer boredom. Sports and hobbies are a safety valve for youthful energies. Our parks can play an important part in preparing our youngsters to become better citizens by given them the best sports that would best interest them. Children must respect the value of the property of their neighbors. This is the responsibility of the parents. Its a sad affair when parents are afraid of their young ones.

They must be taught to respect life, their religion and obey the Ten Commandments, and from this we could build a neighborhood with better understanding and love. We must teach them to take the right road to success. We must give them our cooperation and support; they duly deserve it. I am sure that if a great number of unselfish people took some of their spare time and energy years ago in dealing with the problem of Juvenile Delinquency it would not be the grave problem that it is today.

It's never too late to unite together and work for the future of our youngsters. The welfare of our children is a real concern and problem. There must be a solution.

SJB Parish is a family

Dear Editor:
Last week the Bugle gave the St. John Brebeuf Parish Festival II a great and worthy rave, as to the hard work in putting it all together.

I would like to give the cause for this very successful endeavor. It is the Parish Family they have built and the good neighbors this good and loving family has. As for the family it is. They are fathered by one of the finest group of clergy you could have. The mother aspect comes from the love and consideration given by the nuns and teachers to their children. Like our own families (especially the larger ones) we were given duties or chores to do for our parents. In this great parish family, all are most anxious to take part in keeping it strong. Like the Women's Club, The Men's Club, The School Board, Finance Committee and many more groups given to the good and welfare of all God's children.

They know they have good neighbors which helps. How could they not have good neighbors while living in this "All America Village" which is made up of good and hard working people.

Consumer rights in utility disputes

As utility companies become larger and rates increase for gas, electric, water, sewage, and telephone services, consumers should be aware that Illinois law strictly regulates many customer disputes with utility companies. If a utility refuses to connect or continue service for a customer with inadequate credit references or outstanding utility bills, the customer has a right to obtain service by paying the bill, by providing the utility with a deposit, or by arranging to pay past bills in installments. The refundable, interest-bearing deposits which utility companies may require can range from 1/8 to 1/3 of the consumer's estimated annual service charge, depending on the type of residence involved. Such deposits also may be required if customers frequently pay their bills unduly late, or if consumers' utility equipment has been improperly tampered with so as to defraud the utility company.

Utilities must give every customer an opportunity to arrange for deferred or installment payments of outstanding bills. Although these arrangements generally require consumers to pay an initial sum and all installments within one year, many factors can greatly affect the terms of deferred payment plans. The most important factors include the customer's financial circumstances, the reasons past bills were not paid, and the total amount of outstanding bills.

Before service can be terminated, utility companies must try to arrange deposit or payment plans with consumers. If consumers do not enter into or comply with the agreed terms of such plans, utilities can shut off service five days after the customer receives a proper disconnection notice. However, state regulations prohibit gas and electric companies from terminating heating services if the temperature is 32 degrees or below, or if doing so aggravates a physician-certified illness of someone living permanently with the consumer.

It is a utility company's responsibility to investigate any bill which a customer claims is unreasonably high. Customers who are dissatisfied with this investigation or who have other disputes with utility companies should write or call the Illinois Commerce Commission office in Chicago (telephone number 783-2887). If the Commission does not effectively mediate the problem, consumers can file a formal complaint against a utility. After the Commission hears and decides such complaints, dissatisfied consumers then can pursue the matter further through the Illinois courts.

For additional information on consumer rights and utility problems, contact the Illinois Commerce Commission's Consumer Protection office in Chicago at the telephone number indicated above.

Medicare hospital deductible increase

The 1980 Medicare Hospital Insurance (Part "A") deductible is \$160. The 1979 deductible was \$150. For the first 60 days of hospitalization during each Medicare Hospital Insurance "benefit period," a Medicare beneficiary pays a \$180 deductible and Medicare pays the remaining medically necessary hospital costs. During the 61st thru 90th day of hospitalization in the same benefit period, the beneficiary pays a deductible of \$90 per day. The 1979 amount was \$80. The deductible for Medicare coverage of the 21st thru 100th day in a skilled nursing facility increased from \$20 to \$22.50 per day. (There is no deductible for the first 20 days).

The increases were caused by higher health care costs. The \$180 deductible represents the average costs of a one day stay in

hospitals while living in this "All America Village" which is made up of good and hard working people.

Members of the Skokie Valley Kiwanis took a look at the technological innovations to meet our changing communications needs of the future when Rich Renik of Illinois Bell's Volunteer Speakers' Bureau presented the talk, "Technology of the 80's" on Thursday, Feb. 14 at Club El Bianco, located at 10067 Skokie Blvd., Skokie.

The program was an entertaining exploration of the future that told how the telephone network and talking computers may make your home or office a total communications center. A question and answer session on telephone services followed.

Do-it-yourself auto mechanics can get help

MONNACEP can help the do-it-yourself car mechanic learn about tune-ups, automobile suspension systems, or the GMC two-barrel Rochester carburetor. Ignition Tune-up will help students learn to tune their own cars and save money. The class is limited to 10 students and each will bring his own car for a tune-up during the five-week course. Three sections of Ignition Tune-Up will be offered: TEC A13-08, Niles West, starting Tuesday, March 4; TEC A13-12, Maine South, starting Tuesday, March 4; and TEC A13-02, Niles North, starting Wednesday, March 5. Classes will meet from 7 to 10 p.m. Tuition is \$20 for residents of the Oakton Community College district, tuition is \$54.99. Auto Suspension Systems (TEC E62-01) will be given at Maine North High School beginning Monday, March 3. The four-week course will teach students about the underside of their cars. Three two-hour discussions will be followed by a three-hour lab in which the student will analyze the chassis of his own car. Tuition is \$16 for both in and out-of-district residents.

GMC Two Barrel Rochester Carburetor Overhaul (TEC E55-01) will be offered at Niles North High School beginning Monday, March 3. The five-week course, which will run from 7 to 10 p.m., will teach students the basics of operation. The course covers basic carburetion, assembly/disassembly, linkage adjustments, and function of all systems in the carburetor. Tuition is \$30 in or out-of-district.

MONNACEP is the adult education element of Oakton Community College in conjunction with Maine, Niles and Glenbrook High Schools. For further information, call 967-5821.

District 207 board appoints citizens advisory committee

At its February 4 meeting the Maine Board of Education appointed 140 persons to the citizens' advisory committee created to assist the Board with long range planning.

More than 240 persons from throughout Maine Township had sought to become members of the advisory Project SEE (Secondary Education for the Eighties) Committee. The selection process was not easy because there were so many highly qualified candidates, William Schaeffe, Board President, advised.

A comprehensive plan was constructed to insure that all communities and major groups within Maine Township would be represented on the committee. The success of the plan was confirmed, Schaeffe said, by the composite results of the committee membership.

The composite shows that there are 49 committee members from Des Plaines, 46 from Park Ridge, and 45 from the other communities in Maine Township including Niles, Morton Grove, Glenview, and Harwood Heights.

The breakdown is remarkably well balanced considering the student population in District 207. Of the 9,912 students currently enrolled in the four Maine High Schools, the number is almost equally divided between students living in Des Plaines, Park Ridge and the rest of Maine Township.

The number of committee members residing in each high school community is also well balanced. The larger schools, Maine East, Maine South, and Maine West have 39, 39 and 39 committee members respectively, living within their high school communities. Maine North has 24 members. Sixty-one committee members have children attending Maine High Schools, and 83 have children in elementary schools in Maine Township.

The ratio between male and female committee members is 74 men and 66 women.

The committee also represents good distribution from those groups invited to make nominations to the committee-school districts, churches, and synagogues, civic and governmental organizations.

There will be a plenary session of the SEE Committee on March 8 in the Little Theater at Maine West High School. During the next three months the committee will divide into seven subcommittees so that each can look at the problems facing District 207 from a particular area of concern.

The subcommittees are to report back to the Board of Education by May 31 with recommendations on how the school district should deal with the problems of declining enrollment and reduced revenue.
