

District 63 to keep Apollo open

by Eileen Hirschfeld
Citing a lack of time, among other factors, board members of East Maine School District 63 failed to approve the closing of Apollo School, 10100 Deer rd., Des Plaines, for a savings of about \$240,000 in the 1980-81 school year. Action was taken at Tuesday's regularly scheduled meeting. A resolution was passed at the request of chairman Richard

Smith for a reorganization of the junior high schools to be scheduled for discussion in January, 1981. If Apollo should be closed, all junior high school youngsters would be housed in Gemini, 8955 Greenwood ave. At the March 25 meeting, board members cut programs and closed two elementary schools for an approximate savings of \$900,000. District projections indicate,

without cuts, the District would have a \$15.3 million deficit in five years. Board members also indicated they would like to see a structural reorganization of the district or consider a middle school plan next year. About 150 parents and teachers attended the meeting. Parents of youngsters in Oak School, having

Niles gives "green light" to shopping center plans

by Diane Miller
The Niles Village Board Tuesday evening gave approval to the 3.79 acre shopping center proposed for the corner of Ballard and Greenwood. The decision on the approval for the zoning change was delayed at the March 10 board

meeting when questions arose concerning the plans for water drainage on the property. At that meeting, Gerald Estes, project planner for the proposed 20-40 store center told the board that present plans for the water

School elections Saturday

Pestine, Grant victors in Library election

Harry Pestine and Lois Grant won the two seats for 6 year terms on the Niles Library Board in Tuesday's board election. Pestine amassed 418 votes while Grant won her seat with a total of 233 votes. This was Grant's second try for the library board seat which she lost two years ago by 8 votes to Diane Hansen. In-

Non-contested elections in many local school districts Saturday are the earmark of the first school board elections in the 1980's. The dilemma of diminishing enrollments coupled with the closing of schools are likely reasons fewer candidates than usual will be seeking seats on school boards. In East Maine School District 63, hotly contested races have always pitted at least two slates in past years. This year only two candidates are running unopposed for the two openings on the school board.

Oak School will celebrate its 25th anniversary Sunday. Two months later its doors will be shuttered.

We dropped over to Oak School Tuesday to talk to Principal Ken Johannsen about Sunday's 25th anniversary celebration. We also noted the irony of the silver anniversary celebration preceding the school's closing in June.

Ken, a very positive upbeat kind of guy, refused to let the impending closing interfere with Sunday's festivities. The principal showed me a copy of a Medford, Wisconsin newspaper which reported a balloon, launched from Oak School, had landed in a Medford backyard. A note under the letterhead of a pilot whose nickname is "The Red Baron" verified the balloon landing. The Oak School balloons' flights launched the anniversary celebration.

We took a walk down the long hallway with the principal. Ken said he had to tell 4 of his teachers they wouldn't be back next fall. He nodded toward one room saying the teacher there wouldn't return. The gloom resulting from such a cut-back was beginning to show.

Zoners ok gym for karate school

by Diane Miller

The Niles Plan Commission and Zoning Board of Appeals Monday evening gave their stamp of approval to a gymnasium at 8109 Milwaukee ave. to be used in conjunction with the Olympic Karate School, 8111 Milwaukee ave.

Attorney Edward M. Burgh, representing petitioner William Jozaitis proprietor of the Karate school, told the board his client sought the zoning change in the

property at 8109 Milwaukee from B-1 to B-1 Special Use for the gymnasium so that he could set up weightlifting and exercise equipment in that location for the use of the students of his karate school.

The petition which had been delayed from the March 24 zoning board meeting due to a question of adequate parking was passed by the commissioners with the

Gabriel RED RYDERS

A computer-tuned replacement shock with a forty percent bigger piston

Replace your shocks with an advanced concept in shock absorbers, computer-tuned Red Ryders. Computer tuning is a new development that smooths your ride over all types of roads on regular or radial tires. Plus a forty percent bigger piston than standard shocks, to give you firm control and handling.

- Coil springs for consistent operation, even after years of use. There are four in each Red Ryder, two in many others.
- An "O" ring piston seal to make sure the fluid flows through the valving instead of around it.
- A 1 3/16" piston, 40 percent larger than standard shocks for more control when the going gets tough.
- Gabriel's nine-stage valving for better resistance to fade. Many other shocks have only six.

ND's Silver Anniversary Dinner Dance

Notre Dame High School, 7655 Dempster St., Niles plans a Dinner Dance on April 25th at the Marriott O'Hare to highlight its 25th Anniversary Celebration.

The dinner is for the alumni, parents, former faculty and religious staff, and for friends of Notre Dame. Notre Dame invites all those who had an association with the school to contact the School Office at 965-2900.

The Dinner begins at 7:00 p.m. with cocktails, and an open bar to midnight. Dinner is at 8:00 p.m. and dancing will be from 9:00 p.m. to midnight.

On the menu will be: Fresh fruit cup, garden salad, choice of dressing, roast round of beef, bordelaise sauce, baked potato with sour cream, green beans almandine, broiled tomato provencal, freshly based rolls and butter, coffee-tea-milk, and Grand marnier souffle glace.

The award-winning Melodons, Notre Dame's jazz ensemble will provide the dance music. The Notre Dame Jazz Ensemble is a 28-piece ensemble.

Admissions to the dance is \$30.00 per person or \$300.00 for a table of 10. It is hoped many will reserve tables by classes so that several mini-class reunions will occur.

For further information, please contact the school at 965-2900.

Cardinal Cody to Attend ND Student Mass

His Eminence, John Cardinal Cody, Archbishop of Chicago, will attend Notre Dame High School's Student Mass in celebration of the 25 Anniversary of the School on April 21.

The mass is part of a student celebration of Notre Dame's silver anniversary to be held at the school. Notre Dame religious staff, faculty and students, totaling 1100 will all attend the mass to be held in the school gymnasium.

Notre Dame High School, 7655 Dempster st., Niles, directed by the Holy Cross Fathers of the University of Notre Dame, Notre Dame, Ind. has provided quality education for the young men of our community for a quarter-century. The Notre Dame community works to help in the formation of every student into a mature Christian person.

During the quarter century of Notre Dame history, over 6000 young men have graduated from Notre Dame and have gone on to take their places in our community in the fields of law, medicine, engineering, among many others.

In a tradition of excellence of education, over 85 percent of Notre Dame graduates go on to college. Distinguished alumni include Constantine Trela, 73, recently appointed Clerk of the U.S. Supreme Court, Greg Luzinski, '65, of the Philadelphia Phillies, and Jim Pankow, '65, trombonist for the band "Chicago."

The mass is part of many student activities planned for the 25 Anniversary. One event is a Walkathon, through parts of Niles, Park Ridge, and Chicago. During the month of April, Notre Dame students will be seeking sponsors to help them achieve their goal.

All contributions are tax deductible. Alumni and friends of Notre Dame are encouraged to call the school about the 25 Anniversary festivities at 965-2500.

Bible Study Program at St. John Brebeuf

A five week spring Bible Study will be offered at St. John Brebeuf parish in Niles beginning April 21. Entitled "Who Do You Say That I Am?": Exploring Jesus in the Gospels" the series of lectures and films examines the life and time of Jesus and the early Christian communities in which the Gospels were written.

The program utilizes presentations on the Catholic Television Network of Chicago. These combine a story-telling format with the expert theological commentary of Rev. Donald Senior of the Catholic Theological Seminary as well as recreations of significant passages in each Gospel by the Fountain Square Pools, a mime and dance troupe. Sister Dorothy Schwendinger, director of adult learning programs at St. John's holds a Master Degree in Religious Studies and will facilitate the series. The sessions are held weekly for two hours and include an introductory lecture, film presentations, and time for questions and some discussion. Participants will receive a study guide for each meeting and suggestions for follow-up study.

Sister Dorothy, who recently completed a needs-assessment study in the parish says, "Increasingly our parishioners are expressing a desire to study and reflect on the Bible and come to a greater awareness of what is offered to their personal growth. This program responds to that need."

A \$3 fee covers the cost of the materials and study guide. Advance registration will facilitate planning. Those interested are asked to call Sr. Dorothy at 966-2528 or 966-8145. Participants need not be members of St. John's parish. All who are interested are welcome. Sessions will be held in St. John Brebeuf School at two different times: Monday morning, beginning April 21 from 10 a.m. to noon in Room 1 (Babysitting is available for children 2 years or older. Advance registration is necessary) and on Tuesday evening, beginning April 22 from 8 p.m. to 10 p.m. in Room 1.

Congregation Adas Shalom
The Bat Mitzvah of Michelle Farber, daughter of Mr. and Mrs. Harvey Farber, will highlight Friday evening services April 11 at 8:15 p.m. in Congregation Adas Shalom, 6945 Dempster, Morton Grove. Rabbi Israel Porush will officiate.

Saturday morning services begin at 9 a.m. and everyone is invited to attend and partake in the Kiddush.

Adas Shalom is holding its annual new merchandise auction in the synagogue on Saturday night, April 26. Everyone is invited to get in on a large number of bargains.

Adult Education classes are held every Wednesday night at 8 p.m. in the synagogue and is open to all. Rabbi Porush will discuss Bible studies.

Adas Shalom offers a wide range of religious, educational, cultural and social activities. If you would like to learn more, please call Harvey Wittenberg at 440-3100 or 965-1880.

Sav-Mor Drugs To Carry Bugle

The Bugle is now available at Sav-Mor Drugs, corner of Harlem and Dempster in Niles. Sav-Mor, which also has a companion store in Lombard, is an independent enterprise which has withstood the competition of major chains in the area. Stewart Sher and Bernie Rosenbloom have worked exceptionally hard and long to provide the full service drug store they operate today.

The main thrust was to provide prescription drugs at competitive prices. They followed through with practically around-the-clock delivery and have since added additional sundry items to better serve the community.

"Meaningful communication necessary in marriage"

There is no other human relationship which is any more demanding or rewarding, giving or receiving, frustrating or fulfilling than the marital relationship. What you get out of this relationship on the whole is directly related to what you put into it. The more positive your communication is with your husband or wife, usually the more positive is their response.

I see so frequently in my marital counseling each marital partner tearing the other one down. Of course, most of the time the spouse will reciprocate in some way to hurt back since they have been hurt. It becomes a vicious circle.

This vicious circle can only be broken when either the husband or the wife begins to give some empathy, recognition, reassurance, praise and understanding to the other. Most everytime the spouse will respond positively.

For example, I had been pushing myself in my work for several days. I began to take it out on my wife by picking on her, finding fault and being generally disagreeable. She became quite defensive and began to retaliate. Fortunately, I saw what was happening, broke the negative cycle, and my wife responded more positively and lovingly.

My experience could easily have been or be yours now or later. Don't be so proud that you can't break the cycle. Sure, it's not easy to "swallow your pride" and really extend yourself to your partner. What entails the greater risk? Continuing the negative cycle or taking positive steps to break it? Which has the greater reward for you? For both of you?

Meaningful communication between marital partners can only be achieved by working together, not tearing one another apart verbally or any other way. Your team effort as partners might be likened to the old farmer who used a team of horses to work his fields. If the two horses didn't work together, certainly they didn't get much done. Neither do we!

Marriage requires, by its very nature, a great deal of working together and mutual understanding, as Paul Tournier so realistically portrays in his book "To Understand Each Other". We must work together and pull together as a marital team to make it through all of the adversities, problems and heartaches that each marriage faces.

I was very proud of my son when he shared with me and his mother a basic truth he had learned that is so important in marriage. It is simply this: "You can disagree, even have a spat, but it doesn't mean you don't love one another." This is true in marriage as well as the parent-child relationship and in many other relationships as well.

If we can truly forgive and forget the little hurts, disagreements and misunderstandings, it makes it possible for us to forgive the bigger hurts. If we try to restore meaningful communication around the little breakdowns in communication, then we can hope to open up satisfying communication in the bigger breakdowns. We all need sufficient grace (given freely, not earned) each week to keep open the lines of communication, whether verbal, emotional, social or spiritual.

What are you doing to establish or keep open meaningful lines of communication? If you find it difficult, that is par for the course. Hopefully, you will have some help, at least a positive response, from your wife or husband. As the old adage goes, "If you don't succeed the first time, try and try again." Believe me, it is worth the effort.

Auxiliary to enter press book contest

Mrs. Phyllis Rieck, president of the Morton Grove American Legion Auxiliary Unit 134, has announced the group will enter a press book in district competition this year. Press books will be judged at the 7th District meeting and the winning entry forwarded to the Cook County Council, where further judging will take place.

Communications and publicity chairman of the Auxiliary Unit this year is past unit president Ms. Lorry Nehart, who has functioned in this role many previous years. She has been busy compiling the news releases published in the township area and then the press book ultimately will be presented to Mrs. Rieck in the fall when she

New addition

Mr. and Mrs. Richard Eickhoff of Chicago are the parents of a boy, Christopher Paul, born on April 3 at 8:00 a.m. The baby weighed 9 lbs., 7 oz. at birth. Grandparents are Mr. and Mrs. Clifton Eickhoff of Niles and Mr. and Mrs. Howard Goll of Glenview.

Amy Prorok Named Legion Queen

Amy Prorok, 8901 Odell, Morton Grove, was selected as the Morton Grove American Legion Post 134 queen at their annual birthday party-combined with St. Patrick's dinner-dance Saturday, March 15. Miss Prorok, 17, is the daughter of Adolph and Betty, one of 11 children; the middle child in fact, with 6 sisters and 4 brothers ranging in age from 2-25.

She is a 1979 graduate of Maine East. Presently she is employed by an eye doctor. Her plans are to attend college after she saves her salary.

Miss Prorok's runner-up was Karen Klemens, 16 years old, daughter of Joseph and Ann Klemens, 8913 Mansfield. Miss Klemens is a Niles West student who is also employed part time at Primer Cleaners.

Amy will now compete in Legion District competition in April from where that winner will progress onto Cook County Legion judging.

The county queen reigns over the Legion sponsored 4th of July program at Soldier's Field.

Judging at the American Legions Post, according to Post Commander Robert Perschon, who acted as moderator of the panel, was performed by community businessman Rudy Kinzel, past commanders Ed McMahon and George Kreegler, Auxiliary president Phyllis Rieck and past president Lorry Nehart.

Legion Auxiliary Dinner

The 7th District, American Legion Auxiliary, held their annual Membership Dinner at the Morton Grove Legion Home recently and honored guest was Mrs. Margaret Eckhardt, the state Auxiliary President. The District is composed of units on the north side of Chicago and the north suburban area.

District current president is Mrs. Elynor Schmidt, a past president of the Morton Grove Unit 134.

Vice president-membership chairman, also a past president of the Morton Grove Unit, is Mrs. Constance Mahnke.

Serving as color bearers were present Auxiliary Unit 134

Each contestant received a green carnation in keeping with the Irish theme which was carried out with the early evening corned beef dinner.

Amy Prorok was presented with a bouquet of red roses, a tiara, \$30 savings bond, Bell & Howell camera through the courtesy of the First National Bank, a set of cosmetics and a carry-all bag.

Morton Grove has had many district winners in the queen competition and several years ago Karen Zupko of Morton Grove became the Cook County queen after successful district judging.

Niles Lioness Club

The Lioness Club of Niles will hold a Shop & Share Fund Raising Program on April 15, 16 and 17 at all Jewel Grand Bazaars.

By shopping at all Jewels on one of those days, 5% of the total purchases, excluding tax and Osco merchandise, will be donated by Jewel to the organization.

The Lioness Club of Niles will use the money generated by their Shop & Share to help finance their blind and community activities.

Anyone interested in helping the Lioness Club of Niles by shopping at Jewel on those dates will need a Shop & Share Identification Card, and should contact Germaine Hubick at 965-4698 to obtain a card before shopping.

YMJC afterschool programs

Attempting a backward somersault and scrutinizing the makeup of a hair follicle under a microscope lends itself to the excitement of the Young Men's Jewish Council Afterschool Programs currently operating in Lincoln Park and Morton Grove. These programs offer children the opportunity to discover the constructive ways in which to utilize afterschool free time.

In addition to the enrichment activities an afterschool day care program, KIDSPACE, has opened its door to elementary school age children in the Morton Grove area. KIDSPACE offers a five-day a week program, 3:30 p.m. - 6 p.m., targeted for children of working parents. The need of an afterschool day care center is being investigated through a survey in the Lincoln Park area.

Stop Weighting

"Stop Weighting", an on-going group for women concerned about their weight, will be led at Mayer Kaplan Jewish Community Center, 5650 W. Church, Skokie, by Muriel Adler, M.S.W., and Irene Kallich, M.S.W., beginning Wednesday, April 11-12:30 p.m.

In a 9-session course, these leaders will teach participants how to apply transactional analysis principles to eating problems.

Participants will become more aware of internal conflicts, learn how efforts to control weight are sabotaged, and discover alternatives to over-eating.

The course is co-sponsored by the Adult Services Department and Women's Health Club.

Fees: MKJCC Members, \$36; Non-Members, \$45.

For details, call Minna Davis, 675-2200, ext. 217.

Mother-Daughter Relationship

"Mothers and Daughters: Growing Older Together" will be presented by Margaret Hellie Huyck, Ph.D., associate professor of psychology at Illinois Institute of Technology, Tuesday, April 15, at 1 p.m.

The meeting, sponsored by the Office of Community Outreach at Oakton Community College, is free and open to the public. It will be held in Room 308, Building 3, on Oakton's Morton Grove Campus, Oakton and Nagle.

Dr. Huyck, author of "Growing Older: What You Need To Know About Aging" will discuss what people want from the "Mothers" in their lives and how they can come closer to establishing the relationship they want. She will also consider what older mothers want from their daughters and granddaughters, and how these needs can be met. Her talk will explore how the challenges, burdens, and gratifications of the mother-daughter relationship shift over time, and how to deal with that shift.

Passages Through Life is a weekly series of free films, lectures, and discussions sponsored by the Office of Community Outreach at Oakton Community College. The meetings deal with the growth of the adult beginning with mid-life and are designed to stimulate and encourage reflection on the meaning of life and the changes which affect each of us.

For more information, contact Oakton's Office of Community Outreach, 967-5120, ext. 350.

NFS to host Money Management Workshop

15-20% inflation rate! \$1.30 gasoline—more increase coming! Food costs increasing approximately 1% each month!

There are many scary headlines in our newspapers these days. Many of these headlines report that we are facing severe financial cutbacks. It is clear that planning and budgeting what we have is necessary to keep up with inflation.

Niles Family Service will sponsor a workshop starting April 17 at 7:30-9 p.m. at the Niles Public Library for three consecutive Thursdays. This workshop will offer practical and specific ways of making your money go farther these days. The workshop will be led by Jean Bischman, supervisor of United Charities of Chicago's Family Financial Counseling Program. Jean has over 10 years of experience in teaching better ways of budgeting money. She has a real

talent for explaining "how to" in a simple, clear and entertaining way. For example, she can tell you exactly what your easy loan payments will add up to—beyond the actual cost of the product. She can also interpret the language of insurance contracts and the Federal Government. It's your money, but you should know how much of it you're spending.

The cost of this workshop is free. We would appreciate it, however, that you call Niles Family Service at 692-3396 and reserve a space for this very practical conference. It will be "time well spent."

The Dempster Plaza State Bank and the Niles Public Library are working with Niles Family Service to make this Money Management Workshop possible. The following workshop topics will be covered: April 17, Introduction and Overview, April 24, The Budget As a Tool and May 1, Growth and Summary.

CPR at Leaning Tower Family "Y"

The life-saving Cardio-Pulmonary Resuscitation (CPR) procedure will be taught at the Leaning Tower YMCA. The emergency procedure can be used to maintain life until help arrives and can be learned in just 6 hours.

Classes will be held on: 1. April 22 & April 29, 7:00-10:00PM, 2. May 7 & May 14, 7:00-10:00 PM, 3. June 11 & June 18, 7:00-10:00 PM, 4. July 15 & July 22, 7:00-10:00 PM, 5. August 6 & August 13, 6:30-10:00 PM.

Courses are conducted by Heart Association Certified Instructors. Basic Life Support Certification will be issued to those completing the course!

For further information, contact Luaric Guth, Aquatic Director at the Leaning Tower YMCA, 647-8222.

Trip for Handicapped

The Maine-Niles Association of Special Recreation is offering physically handicapped teenagers the opportunity to take an afternoon excursion to the Earl of Old Town, on Sunday, May 4. The Earl features one of Old Town's training schools for many of today's most prominent folk musicians.

M-NASR vans will provide door to door transportation, leaving at 3 p.m. and returning at approximately 6 p.m. The cost for the trip is \$4.

For more information about the Old Town trip, or about any of M-NASR's programs, call 966-5522 between 8:30 and 4:30 on week days.

New Jaffe bill for nurse interns

State Rep. Aaron Jaffe (D-Skokie) has introduced legislation in the Illinois House of Representatives that would reimburse local school districts \$6,000 per year for salaries paid to school nurse interns.

As a result of this reimbursement, school nurse interns would be more readily available to schools which may not now be able to afford them. Such nurse interns would participate in important public health programs, such as the immunization of students from contagious disease, and they would be especially important in the area of special education, where they would perform a wide variety of vital duties for children who are not able to care for themselves.

Coin Collector's Show

The next date for the Chicago Coin Bourse will be held at the Leaning Tower YMCA, 6300 Touhy, on Sunday, April 13 from 10 a.m. to 5 p.m. Admission is free and there is ample free parking. Eighteen experts will have exhibits on display and will be available to appraise and identify any coins, medals, tokens or paper money presented. All persons interested in coin collecting are cordially invited to attend.

Parent Effectiveness Training course

Niles Family Service and MaineStay Youth Services are sponsoring another Parent Effectiveness Training course for Maine Township. As you may know, PET is a nationally recognized course which teaches parents how to develop better relationships with their children through active listening, problem solving and mutual cooperation. The course will be offered with the cooperation and assistance of District 63. The PET course will be held at Nathanson School in Des Plaines. The course will run for seven consecutive weeks starting April 15 from 7:30 to 9:30 p.m. Tuition for PET usually averages \$65 per participant, but MaineStay and Niles Family Service are offering this course for \$25 just to cover material costs. Spouses are included in the cost and are encouraged to attend as many sessions as possible. If that fee presents an obstacle, special arrangements can be made.

For further information or to register, please call Niles Family Service at 692-3396 or MaineStay at 296-6644.

Pullen expresses thanks

Dear Editor:

Permit me to express to your readers my thanks to all the wonderful friends who helped me in my campaign for the Republican nomination for state representative last March 18. The dedicated work you all did resulted in my receiving more than 50 percent of the vote in a three-way race.

Thanks for all the doorbells rung, pamphlets and flyers distributed, phone calls made and also the positive support which your conversations generated. A special thanks to the Maine South and Maine East students who worked so enthusiastically, even when it meant more pennies to be glued

or envelopes to be stuffed, sealed and sorted.

Special thanks also go to the many members of the Republican Women of Park Ridge, the Maine Township Republican Women and the Park Ridge Pro-Life group for their hours of help with my mailings. I couldn't have done so well without your help and support.

I am back in Springfield now; the spring session will deal with important issues of taxation and appropriations. I hope to represent you as well as your support has indicated I have in the past three years.

Warm regards,
Penny Pullen

Seeks more support for Gemini wrestlers

Dear Sir:

The Gemini Mustang 1979-80 wrestling team made some big steps in their season this year having a school record (9) wrestlers going down to Charleston, Illinois for the annual Illinois Elementary School Association state wrestling meet. The closest number of wrestlers downstate for Gemini was seven in 1970.

The Gemini wrestlers have always been overshadowed by basketball, especially the year when they were third in state. It's always "The basketball team's better than the wrestlers." That's all we ever hear. This year the basketball team was nowhere near spectacular and the wrestling team was. But once again the wrestlers didn't get near as much recognition as they should.

State qualifiers and winners were: Joe Brogan, Jim Freese, Brad Gottlieb, 3rd place; Jim Katris, 4th place; Scott Lapping, 2nd place; Dan O'Connor, 2nd place; Alfie Ramos, 5th place; Ricky Richard, 4th place, and Ken Wallenberg.

In the near future I wish people would get more interested, and give more support to a winner, the wrestlers.

Sincerely yours,
Mark Gottlieb
Coach

Students are adult enough for "open campus"

Dear Editor:

I would like to express my opinion on having an open campus at Maine East High School. Even though there is not open campus at Maine East, students still go out to lunch which causes more problems for everyone. I do not think students should be able to come and go as they please, but I do think they should have some freedom. By the time a student is in high school, he or she should be old enough to assume the responsibility of going out to lunch. I believe that if the students are given their freedom and are treated like adults, they may act like adults.

Sincerely yours,
Janice Neubauer
Niles, Ill.

Thanks from Niles Woman's Club

Dear Editor:

On behalf of the Woman's Club of Niles, I want to thank you for your cooperation in publishing our news releases and photos.

Niles Days Committee Working Hard for a Successful Fair

Dear Editor:

I'm writing in regard to a complaint in one of the local papers directed to the Niles Days Committee. They complained about the Committee not having their annual carnival and thought this was very inconsiderate of them because so many people enjoy carnivals.

Well the Village Fathers were the voice in discontinuing this affair, but rightly so. We, the officers, agreed because carnivals today are not all the fun they used to be, with the environment drawn to them. It brings "cheats" and fights and a few other problems. In addition, the cost was rising quite too high.

As for our new endeavors, "Self-A-Bratton 80," this committee of very hard working and considerate people are doing much to put an enjoyable three day weekend together July 18, 19, and 20.

There will be the usual car raffle, flea market, dancing (polka, rock, square), plenty of food, and games of all kinds, including "Bingo." An auction sale is on the program for Sunday just before the car raffle.

Let it be known that this is a first for us and we want everyone to like it and enjoy the whole affair so we can bring it back from year to year.

Respectfully,
George C. Hall
A director of Chicago - national champions in small school basketball, for the third consecutive year!

Concerned about teen apathy on voting

Dear Editor:

Listening to a number of my high school peers state their apathy in the presidential candidates opened my eyes to a serious matter. Not many teenagers know or care how our country is run.

With all of today's problems, it is disturbing to see that not many students care. Ten to twenty years from now the teenagers will be the ones who will be running the country. If more of today's youth don't begin to take a greater interest, we could be in for some serious trouble.

Anyone would think that the young men and women approaching the age of 18 would be concerned about who will be making the decisions that might mean their lives. It is imperative for all of us to know that the stronger and more united we are, the better we will fare.

Sincerely,
Giuliana Alfano
Niles, Ill.

We need a championship team

Dear Editor:

I don't know how many times you have heard this, but the fact remains that Chicago hasn't had a championship team since the late 60's. In my opinion, it seems that Chicago teams are not trying hard enough to recruit players. The Chicago teams want to bring home winners, but the owners are not willing to reach into their pockets.

The Cubs have the money, but they won't spend it. Kennedy will not reach into his pants and say, "Hey, Gomez! Here's some money. Find me a few good players." Instead, he wants the cheap rookies on his team, hoping that they will turn out to be something.

The White Sox, Bill Vecek and Co., wish they had the money to spend. "Good Ol' Peg Leg" instead pulls his gimmicks. Such as Anti-Disco Night or Polish Night. But this won't bring the fans into Comiskey Park. All they want is a winning team.

DePaul is an exception to other Chicago teams. The Blue Demons, this year, were just one step away from being on top. However, they did earn this right by giving scholarships away, almost like they were going out of style. DePaul picks the head of the bunch such as M. Aguirre, S. Dillard, T. Cummings, and T. Grubbs. Why can't other Chicago teams take after DePaul?

Sincerely yours,
Laurence M. Feldman
A bored but loyal fan

Editor's note: Don't forget North and South, College of Chicago - national champions in small school basketball, for the third consecutive year!

Jaffe bill supports rape victims during trial

Rep. Aaron Jaffe (D-Skokie), Chairman of the Illinois Rape Study Committee, announced that the House of Representatives has passed legislation which provides further personal support for the victim of sexual assault during criminal proceedings.

The bill entitles the victim to have in attendance one person of his or her choosing at the preliminary hearing, the trial, and during the testimony of the victim.

Jaffe stated, "Most victims of sexual assault feel isolated and fearful during the highly traumatic experience of the prosecution of the offender. Particularly during this time, victims often feel intimidated by the presence of the offender, or they may break down under the stress of giving testimony. Members of the Rape Study Committee believe the victim is entitled to have someone in the courtroom who will give needed support and comfort."

Jaffe continued, "If we are going to encourage such victims to report these crimes and cooperate in the prosecution of the offender, it is our obligation to make the very difficult courtroom experience as humane a procedure as is possible."

The bill, House Bill 1711, now goes to the Illinois Senate for further consideration.

District 219 Summer School brochures

Summer School brochures, describing the academic classes and recreational activities offered by the Niles Township High Schools this coming summer, are now available to students and the general public. Niles students can get copies from their school counselors, and junior high students can get the booklets from their principals. The general public can request copies by calling 966-3800, ext. 1217.

Academic classes offered during the summer include some of the required courses in mathematics, science, health, social studies, English and consumer education. Electives available include selections in art, business education, home ec and industrial arts. All academic classes will be held at Niles North and West.

Summer School recreation courses, including a variety of team and individual sports, are open to boys and girls ages 16 to 18. Recreation classes will be held at both North and West

division schools. Bus transportation will be provided to Niles North only by the Maierhofer Bus Company at 60¢ per ride. Buses are scheduled to arrive prior to the 8 a.m. class and to depart after the last class ends at 12:15 p.m. Bus route information will be mailed to students with their fee receipts and class schedules.

Parents are advised that all students registered in the academic summer school program will receive a special identification card, to be carried by the students while on school grounds during summer school. The cards will be mailed to registered students. Detailed information about cost, the registration procedure and summer school regulations can be found in the brochure.

Academic summer school classes will begin June 19 and end July 31, while recreation activities will begin June 16 and end July 25.

Marillac cagers proud of successful season

Jenny Klauke, captain of Marillac's Varsity Basketball team which made it to the Elite Eight teams in Illinois, is presented a certificate by Marillac Coach Pat O'Connell, recognizing Jenny as an Area All-Star. Selected by the Suburban Tribune, the senior is the first girl from the Girls Catholic Athletic Conference to be so honored.

Marillac's Varsity Basketball team has completed its most successful season. The Northstars have accomplished more than any other Girls Catholic Athletic Conference team in history. The team defeated Maria to become the 1980 Conference Champions. Next they overcame Glenbrook North and Deerfield to win the Regional Championship at Glenbrook North.

Then, they travelled to Conant High School and defeated Prospect and Hersey to win the Sectional Championship. In the Super-Sectional at Rolling Meadows High School, the Northstars beat Niles North to earn a trip to the University of Illinois as one of the Elite Eight teams in the state. This marked the first time that a Chicagoland Catholic School had qualified for the state finals.

The Northstars were led by Captain Jenny Klauke, a senior who was selected to the All-Divisional team, the Area All-Star team, and the All-Tournament team. She averaged 17 points, 9 rebounds, 3 assists and 3 steals per game while making 52% of her shots.

All-Conference senior center, Suzzette Eshoo was another major factor in the team's success. She led the team in rebounding and scored 12 points per game. Senior Linda Pullano, a defensive specialist who scored some crucial points during the state

tournament, will be missed by next year's Northstars also.

But four of Marillac's top players will return for next season. Junior Mary Lou O'Brien was the team's second leading scorer with over 14 points per game. The Co-Captain was selected to the All-Divisional and All-Conference first teams. Junior Mary Christianson, a 6'0" center who was the star substitute for most of the season, was outstanding in the state tourney. Northstar Coach Pat O'Connell called her improvement in March one of the big reasons for the team's trip to Champaign. "Her game against Niles North was one of the best defensive performances I've seen," he said.

Both of Marillac's starting guards return next year. Left-handed junior Kathy Murphy and right-handed sophomore Kadhyn Eshoo will give the Northstars a dynamic duo in the back court again next season. Eshoo was an honorable mention All-Conference player, and Murphy is the team's playmaker.

Second year Coach O'Connell will now concentrate on Marillac's summer basketball programs. Northstar Basketball Camp for Girls 11-16 will run for four one-week sessions in July with O'Connell directing the camp and the members of the Elite Eight team, including Klauke, counseling the younger ball-players.

Oakton Baseball Team Breaks even in South

Oakton Community College's baseball team returned from their annual southern trip this week with a 2-2 record. Oakton originally had an eight game schedule but was rained out of two double headers, according to coach Rich Symonds.

Oakton successfully opened its season by beating Southern Baptist Junior College (Arkansas) 2-1 behind the six-hit pitching of Tom Tichy, Des Plaines, and timely hitting by Tony Galatte, Chicago.

In the second game Oakton scored early and hung on to win 4-2 behind Bill Fratto's (Niles) five-

hit pitching with relief help in the seventh from Gary Genova, Chicago. Mike Franklin's (Des Plaines) sacrifice flies in the third and fifth innings drove in the winning runs.

Symonds said Oakton lost a heartbreaker to Dyersburg State Junior College, Tennessee 4-3 on a home run in the 10th inning, then lost a rain-soaked second game 9-4.

Oakton opens its home schedule against St. Francis College, Joliet, a double header on Friday, April 4, at Barrer Park, Morton Grove, at 12 p.m.

Paul K. Sierzega

Marine Cpl. Paul K. Sierzega, son of Jennie M. Sierzega of 6942 W. Fargo ave., Niles, has returned from training operations in the South Atlantic and Caribbean

Sea. He is a member of Marine Heavy Helicopter Squadron 461, 2nd Marine Aircraft Wing,

Jacksonville, N.C. His unit was embarked aboard the amphibious assault ship USS Nassau.

Softball Marathon

Softball Marathon registration to begin May 1. The 3rd Annual Softball Marathon to benefit the Maine-Niles Association of Special Recreation will be held the weekend of June 20 thru 22 at Harter Park. All persons 16 years of age and older wishing to participate in this very special event may register at the Prairie View Center for one of the four playing shifts at a cost of \$5 per participant. The playing shifts will be from 7:30-10:30, 10:30-1:30; 1:30-4:30 and 4:30-7:30 as the Marathon will begin at 7:30 p.m. on Friday night and end at 6 p.m. on Sunday night. The minimal fee covers the cost of team t-shirts as well as a donation to the fund raising cause. Once again, a coupon ad book will be created as well as an organized raffle, in conjunction with the Marathon, as these 2 endeavors represented the most successful means of fund raising last year. Merchants interested in placing an ad in the

Board denied a petition for approval by the village of a Special Use P.U.D. for property located approximately 640 feet east of the Village of Niles on Maynard Drive in unincorporated Cook County. Wayne Morris from Rolf Campbell's office, planners for the property, told the board that 9 lots would be sold and the 10th one would be used as a water retention area for the project. The request was denied on the premise that since this area borders Niles, it may eventually become incorporated and they did not want to assume "another problem area."

Mayor Nick Blase threw his arms up in joy as he signed an agreement between the Village of Niles and the State of Illinois for the modernization of the traffic control signal at the intersection of Oakton and Milwaukee which will include the installation of left turn signals for all four corners. Once the signed agreement is received by the State, Blase stated it would not take long for the work to be done.

Park Ridge Ice Show

Park Ridge's own ice show will proudly raise the curtain tomorrow night, April 11, at the Oakton Ice Arena. Many of America's top skaters identify with the Oakton Ice Arena and our two Olympic team members will both participate in this annual event. David Santee, a member of both the 1976 and 1980 U.S. Olympic Figure Skating teams will skate solo in three

numbers and also skate with "The Saturday Nite Show Players" with five other skaters, four of whom have placed high in national figure skating competitions. Speed skating star Nancy Swider, also a member of both the 1976 and 1980 U.S. Olympic teams will participate along with members of the Park Ridge Speed Skating Club who recently won the Illinois Indoor Speed

Skating Championship for the second successive year. And the Maine South Hockey Club whose Junior Varsity representatives won the State Hockey tournament will appear in a group number "Macho Men." Interspersed with delightful music and good humor, don't miss this exercise in superlative skating. April 11, 7:30 p.m., April 13, 2 p.m. Children \$2, adults \$4.

ND Senior Named Finalist in Safety Contest

Kevin J. Gilbert, 732 W. Birchwood, Chicago, and a senior at Notre Dame High School, Niles has been named one of the finalists in Illinois Editors' Traffic Safety Seminar Contest. Kevin is now eligible for a \$500 Chicago Motor Club Scholarship Award. Following is Kevin's essay:

High School Driver Education Is It Doing The Job?

As a high school senior I recognize the fact that I would not be driving at the present time if it were not for my participation in a driver education course. And although I cherish the privilege, I still must maintain that high school driver education is not doing the job.

That isn't to say that there is no redeeming value in driver education; to the contrary, driver education can elaborate on and reinforce a basically good driving attitude. But what about the kid who thinks all that attention given to stopping and following distances is irrelevant? How can one attain a lasting impression from slide shows and filmstrips depicting sickening accidents that look as though they occurred two generations before? Basically, if you don't practice a responsible driving attitude in your home, driver education isn't going to make a lot of difference.

Another glaring inadequacy of today's high school driver education is its failure to progress with the times. In the late 1950's and early 1960's research indicated driver education graduates were involved in fifty percent fewer crashes than non-graduates. However, fatality rates for young drivers in the 1970's are twice their proportion of the driving population. For example, drivers under twenty-five represent about twenty-two percent of the total driving public, yet they account for just under forty percent of all highway fatalities. The statistics yield little support to the pro driver education position and in some instances, provide a detrimental if not devastating blow against it. Specifically, the National Highway Traffic Safety Administration is conducting a 1.2 million dollar experiment in DeKalb County, Georgia, using a traditional driver education curriculum to demonstrate a ten to fifteen percent reduction in the "probability of crash involvement" for driver education graduates. But the statistics also reveal that eighty percent of the sixteen and seventeen-year-olds who took driver education courses obtained licenses when they were eighteen or nineteen years old and as a result an additional 2000 sixteen and seventeen-year-olds (over twenty percent) die in crashes every year.

Since state laws allow licensing under eighteen years of age, this makes the alternative of improving driver education courses all the more vital. The N.H.T.S.A. has perfected and made available to the states numerous programs designed to increase the skills of driver education students, such as the national safe performance curriculum. This course has tested exceptionally well making use of thirty-one hours of classroom work, six hours behind a driving simulator, fourteen hours on the driving range and seven hours on local streets as opposed to the traditional thirty hours of classroom work and the six hours "behind-the-wheel" format. Other programs develop skills in advanced training (night driving, positioning, toe and heel) that go beyond the bare minimum skills taught in most driver education courses. As the driving population grows and the battle to keep up with highway repairs falters—the average driver education student will need greater skill in handling emergencies.

You may ask, "What's holding back these programs?" Regrettably, only money and effective legislation stand between students and more effective driver education courses. Last year 49,000 people died in traffic accidents in the United States; I say it's time to implement 1980 advances in a driver education program that it tragically outdated-before the death knell sounds for even more of America's youth."

National Library Week at Niles Library

Check out America's greatest bargain, the library, during National Library Week, April 13-19. Several programs for children have been planned for the week. Monday, April 14, at 7, Berniece Rabe, noted author of books for children, will speak at the Main Library, 6860 Oakton. A Pooh Party, with stories, games, and refreshments inspired by A. A. Milne's classic, will be held at the Branch Library, 9010 Milwaukee, from 4-5 on Tuesday, April 15, and at the Main Library from 4-5 on Thursday, April 17. Everyone is welcome, but preschool children should be accompanied by an older child or adult. Children ages 8-12 are invited to learn origami and hear stories at the Origami Workshop from 4-5 on Wednesday, April 16, at the Main Library only. Registration is not required. My Side of the Mountain, a feature film for the entire family will be shown at the Main Library at 2 on Saturday, April 19. Tickets for the film cost 5 cents each and are available at the Main and Branch Libraries and the Bookmobile. For more information about any of these programs, call the Main Library at 967-8554 or the Branch at 297-6266.

Dizzy Gillespie in concert at Niles East

Dizzy Gillespie will join a growing list of fine jazz artists to perform in Skokie's annual Performing Arts Series, when he takes the stage at Niles East High School, 7701 Lincoln, Skokie, at 7:30 p.m. Sunday, April 20. Gillespie will conclude this season's series when he plays his jazz favorites in a special concert. Tickets are still available at \$7 (\$6 for senior citizens and students) at several sites in Skokie, and will be on sale at the door the night of the performance. For more ticket information call 677-5038.

In recent years, the Performing Arts series, sponsored by the Fine Arts Commission, has featured jazz notables such as Count Basie and Maynard Ferguson.

"Our programs each year include entertainment of various kinds, so that we can appeal to a diverse audience," Skokie Fine Arts Director Dorothy Litwin said. "We've included the best jazz performers we could get, and you can't get much better than Dizzy."

Gillespie is one of the best jazz trumpeters of all time and he has won virtually every top perfor-

ED HANSON

What made the man's world go away? Will it return?

Alas, I fear not. It was destroyed slowly and insidiously by a habit which was too weak to be felt until it was too strong to be broken. I am convinced there is no hope. All men must succumb!

Not because men have to, but because they want to. At least, most men do - particularly as they grow older.

The so-called man's world has crumbled like a crushed cookie. Man has succumbed! And, thereby hangs this tale. Or the clue or reason why mankind's world went away.

In fact, man was doomed more than two thousand years ago, when the first man, a guy named Adam, awoke one bright, sunny morn' in the Garden of Eden, and did a "double take".

For, lying by his side was, what he first thought, another guy ... but upon closer scrutiny he discovered, to his everlasting regret, that this was not so.

And so the years, like Old Man River, just kept on rollin' along. Now we have arrived at a time (or should I say place) when we are-but two decades from the 21st century. Man's accomplishments in this relatively short span of time defy comprehension. They boggle the mind! In the arts, religion, philosophy, politics, medicine, technology, business, you name it, man's achievements stagger the imagination! Man, who was first to set foot in the Garden of Eden, also was first to set foot upon the Moon. Where were women during all the years of these remarkable achievements by man? They were in the same place where Moses was when the lights went out - in the dark!

In fact, women had no voice in government until 1920 when the 19th Amendment to the Constitution occurred, and you know what?

95% of the women in this nation, after sixty years, still don't know what the 19th Amendment is. In Niles, the percentage is slightly higher. Nor do they know what the 21st Amendment is, although today women sure do drink a hell'va lot of booze - that mostly men pay for.

So, at the present point in time (or place), man's accomplishments could be compared to majestic Mt. Everest whereas woman's achievements could be compared to a toothpick propped against Mt. Everest.

The teacher to Plato spoke the truth when he referred to woman as "inferior men". And, the ancient Greek didn't know it, but he uttered the understatement of all time.

Prior to 1920 only a small percentage of women made up the work force. Their place was in the home. Then, the male strategy was to keep 'em barefoot and pregnant. But gradually, slowly, insidiously, these deceptively simple, empty-headed females began to worm their way into the work force and politics, not as a power but as an influence and to "play around".

Today an incredible change has occurred in the U.S.A., as follows:

- 48% of the work force is women
- 73% of the wealth is controlled by women (over 50)
- Elections are controlled by women
- Religion is basically controlled by women
- The pay checks of most male workers are controlled by women
- Children are mostly controlled by women
- The educational system is mostly controlled by women
- The household is mostly controlled by women
- The purchasing power is mostly controlled by women
- The pets, dogs, cats, canaries, and gold fish are mostly controlled by women
- The TV and radio audience is mostly women (except sports)
- The banking is done mostly by women
- Most social security checks are cashed by women

Bill Kirkwood concert

A concert of various types of music will be presented by Bill Kirkwood at Saint John Lutheran Church, 7429 North Milwaukee Avenue (near Harlem Avenue) in Niles, on Sunday, April 13, beginning at 7:30 p.m.

Bill is a recent graduate of Northwestern Illinois University in Chicago, and is an accomplished singer/guitarist/songwriter. He will be joined in concert by Miss Cinda Williams, a graduate of North Park College. She is a pianist, sings and writes music. Bill is also a very active member of the Congregation of Saint John Lutheran Church.

The program will include vocal classical music, traditional gospel music, and contemporary Christian music. There will not be an admission charge, however a free-will offering will be received to help support Bill in furthering his career in Christian music.

Refreshments will be served immediately following the performance. Everyone is cordially invited to attend.

MG Legion announces carnival plans

The 4th of July celebration has been featured in this newspaper 3 as well as the 4th, and also Saturday and Sunday, July 5 and 6.

The American Legion, in addition to operating the carnival rides, will have some concessions and booths as well as games; and they will offer food and drink stands.

Cmdr. Perschon indicates more details will be announced in the near future. Residents are asked to note the dates, however, so they may have some mid-summer fun and activity as in the past.

Members of the Northwest Symphony Orchestra will present a free public concert on Monday, April 14 at 7 p.m. at the Lutheran Home for the Aged, 800 West Oakton in Arlington Heights.

Perry Craffon, conductor, and the orchestra will perform selections from Tchaikovsky's "Nutcracker Suite" in addition to music by popular Viennese composers. Featured soloist for the evening will be eleven-year old violinist, Tamar Fleischman of Skokie, who will perform "Zigeunerweisen" by Sarasate.

Miss Fleischman who is a regular member of the Northwest Symphony is a student of Samuel Maglad, Concertmaster of the Chicago Symphony Orchestra. She has performed twice as soloist with the Chicago Symphony and plans to appear with them in two more double concerts.

The instrumental music for this occasion is made possible by funds supplied by the Recording Companies of the U.S. and Canada through the Music Performance Trust Funds.

The Northwest Symphony Orchestra cordially invites you and your family to attend.

Steve's Pizza & Restaurant open for lunch and carryouts

By Ed Hanson
Enzo (Steve) La Mantia, owner of STEVE'S PIZZA AND RESTAURANT, 7242 W. Touhy, was born in Monreale, Italy which is about 3 miles from Palermo on June 14, 1953.

Before coming to the United States, STEVE worked in every phase of the restaurant business in some of the finest restaurants on the Continent.

His experience in the special preparation of pasta dishes, all types of pizza, thin crust, pan cooked or stuffed, has no peer. For STEVE paid his dues working as a busboy, cook, and finally as a top chef in places where discriminating lovers of real Italian foods know the difference.

After arriving in the U.S., Steve worked at the Como Inn, a very old established Italian restaurant, and long a favorite with patrons who appreciate the ultimate in Italian cooking at its original best.

I personally can attest to this because back in the forties when I was in the coin machine business, one of my favorite places to entertain our customers was the internationally famous, Como Inn.

Steve's experience also embraces a knowledge of making home-made ice creams, such as his delicious Spumoni and one of the tastiest desserts in the world, Cannoli.

Enzo (Steve) La Mantia is married to a charming young lady named Grace and they have a darling 6 year old daughter, Patricia.

Steve tells me, he has one of the finest cooks in the culinary arts, namely Twiggy Shaw, who has worked at Holiday Inns and many well-known restaurants and night clubs.

STEVE'S Pizza & Restaurant, 7242 W. Touhy is open every day for lunch and home or commercial deliveries carryouts from 11 p.m., except Sundays when he opens at 4 p.m.

If you order a carryout or delivery of \$10 or more for a limited time, you will receive a FREE quart of Seven-Up or R.C. Cola.

MONNACEP Tours Expand To Springfield and Milwaukee

A series of daylong bus tours sponsored by MONNACEP has been expanded with the addition of four new tours, according to assistant director, Stan Harris. These include an all-day trip to Springfield on Saturday, May 31, and another to Milwaukee on Saturday, May 17.

The other new offerings are Grand Mansions of the North Shore on Thursday, April 24, and Ethnic Salad Bowl II on Saturday, May 3. The latter was designed at the request of those who enjoyed Ethnic Salad Bowl I.

The Milwaukee tour will leave Niles North High School at 8:30 a.m. and will cost \$32. The Springfield trip will leave Niles West High School at 8 a.m. and cost \$35.

Auditions for "Hansel and Gretel"

Auditions for roles in a musical version of "Hansel and Gretel" will be held on April 12 and 13 at Guild Playhouse in Des Plaines.

A presentation of Des Plaines Theatre Guild's Children's Theatre, the beloved children's story will be presented June 7 and 8 under the direction of Macky Cohen of Mount Prospect.

Parts for 7 males and 6 females, plus a chorus of 14 will be cast. Children and teenagers between the ages of 9 and 19 are invited to try out. Those auditioning for singing roles should bring their own sheet music for the accompanist.

Songs in the show will include "Welcome Back," "All Thru The Night," "When Day Is Done," and "Morning Has Broken."

Auditions will begin at 1:30 p.m. Saturday and Sunday, April 12 and 13. Guild Playhouse is located at 620 Lee St. (Corner Lee & Miner) in downtown Des Plaines. For further information, call 296-1211 between noon and 8 p.m. daily.

Special group discounts

Special group discounts are now available for An Evening With Second City's National Touring Company sponsored by Mayer Kaplan Jewish Community Center, Skokie. The evening will benefit The Early Childhood Department's nursery school and day-care center.

The program is planned for Saturday, June 28, 1980 at 8:30 p.m., in the Niles East auditorium, Lincoln at Howard streets, Skokie.

An evening of sharp political satire and good humor is being offered in the convenience of your own community, saving on parking and gas.

In quantities of 25 or more, regular \$10 tickets are available for \$8. All donations are tax deductible.

Percussion group's spring schedule

The Oakton Community College Jazz Percussion Ensemble will perform at several locations in April and May.

The OCC Jazz Ensemble includes 12 percussionists, directed by Jake Jerger, lecturer in music. The group plays only percussion instruments to create an interesting and entertaining form of music.

April concerts include Maine North High School, Des Plaines, on Tuesday, April 22, Maine East High School, Park Ridge, on Tuesday, April 22. Other high school concerts will be held at New Trier East High School,

Winnetka, on Friday, April 25, and at Niles West High School, Skokie, on Friday, April 25.

The group will play at Woodfield Mall at 7:30 p.m. on April 23 as part of a jazz week festival scheduled for April 21-23.

Percuss-O-Rama, the group's annual concert highlighting the season, will be held at 8 p.m. on Friday, May 2 at Maine North High School.

A seventh and final season concert will be held at the Sheraton O'Hare Hotel Thursday, May 8 at 8 p.m. The free concert will be held in conjunction with Drums Limited of Chicago.

The BUSINESS Picture Golden Anniversary

Isaac M. "Oz" Kanarish (right) 3637 W. Crain, Skokie, is presented with a plaque congratulating him on his 50th anniversary as an agent for New York Life Insurance Company, by John H. Stimpson, CLU, Executive Vice President.

Mr. Kanarish received a plaque and a gold medallion at a 50th anniversary reception and dinner in his honor at the Chicago Marriott O'Hare this past month.

FDIC coverage now \$100,000 at CitizensBank

CitizensBank and Trust Company, Park Ridge, recently announced that the Federal deposit insurance basic limit for each depositor has been increased to \$100,000 from \$40,000. This new limit results from a provision of the recently enacted legislation known as the Depository Institutions Deregulation and Monetary Control Act of 1980.

Chairman Irvine H. Sprague of the Federal Deposit Insurance Corporation said the new insurance coverage should substantially increase public confidence in the nation's banking system. "We have a strong and adequate fund currently at \$10 billion" he said.

When Federal deposit insur-

ance first became effective on January 1, 1934, coverage was limited by law to \$2,500 per depositor.

Coverage was raised by law to \$5,000 on July 1 of that year and to \$10,000 by the Federal Deposit Insurance Act of 1950. Subsequent laws increased coverage to \$15,000 in 1966, to \$20,000 in 1969, and to \$40,000 in 1974.

Through the use of multiple account ownership, one's insurance coverage may be even greater than the new limit. Persons with questions on FDIC insurance coverage can contact the New Accounts Department at Citizens Bank at 399-4233.

Bank deposits now insured to \$100,000

John H. Beaulieu, President of Glenview State Bank, has announced that all deposit accounts in the Bank are now insured up to \$100,000 in accordance with new Federal Deposit Insurance Corporation regulations which became effective March 31, 1980. This insurance is provided at no charge to Glenview State Bank customers.

Deposits maintained in different rights or capacities are each separately insured, thus increasing the total amount of coverage a family can have. For instance, a family of three could have \$700,000 of insurance by maintaining seven accounts with various combinations of account holders.

The Federal Deposit Insurance Corporation is an independent agency of the United States Government which was established by Congress in 1933.

MG Bank exec heads cancer crusade

Lee J. Cieslak, the Morton Grove Bank, 8700 Waukegan Rd., Chairman of the 1980 American Cancer Society Crusade in Morton Grove announces that the goal for Morton Grove for the 1980 Crusade is \$10,000. The goal for Illinois for the Crusade is \$6,300,000. "However, as important as the financial goal," says Lee J. Cieslak, "is the Society's effort to reach the public with facts about cancer that can help them better understand what they can do about cancer."

Lee J. Cieslak notes, "Contrary to what many people might think today, 'not everything causes cancer!' The American Cancer Society's 1980 Crusade educational leaflet, 'You Can Control the Risk of Cancer,' will help individuals understand that their decisions are still extremely important in exercising control over their own destinies regarding cancer."

Cragin Federal among fastest growing

Cragin Federal Savings has been cited by the American Banker magazine as one of the fastest growing savings and loans in the United States.

In the publication's annual survey of the largest S & L's, Cragin advanced 22 places, from 232 to 210, in the ranking of major institutions by total savings on deposit. Cragin now holds over \$385 million in savings deposits.

This increase was attributed to Cragin's record savings growth last year of \$58 million, a 17 1/2 percent gain over the previous year's ending balance, according to Adam A. Jahns, Cragin president. The average savings growth for the nation's S & L's was only 9 percent last year.

Upon reaching assets of \$465 million at the end of 1979, Cragin also moved into the top four per-

cent of the country's nearly 5,000 savings and loans.

Cragin Federal now operates 13 offices in Chicago, Itasca, Park Ridge, River Forest, Schaumburg, Mt. Prospect, and Niles. A 14th office is scheduled to open this spring at 5408 N. Milwaukee (at Menard) in Chicago.

"Great Creations" Winners

An Old Milwaukee Beer retail-store display by Stan Kaczmarek of Louis Glunz, Inc., Lincolnwood, Illinois, has won a \$100 award in the latest Old Milwaukee "Great Creations" campaign.

Dave Santrella has moved

By Ed Hanson
David Santrella, for 22 years, was well known to area residents with his service station known as DAVE GAS-FOR-LESS, Milwaukee ave. and Waukegan rd., and BRISK AUTO GAS for 5 years, Harts rd. & Milwaukee ave., Niles.

NOW, Dave has moved and owns DAVES'S TEXACO SERVICE STATION, 5705 N. Elston ave. (corner of Elston & Central-across from Di Leo's Restaurant).

Let me tell you something about DAVE SANTRELLA, who has been a good friend of mine for many years.

Dave was born in Youngstown, Ohio and is a veteran of World War II having served with distinction overseas in Africa, Sicily and Italy in combat service. Dave saw plenty of action in the motorized infantry and he's got the medals to prove it.

After the war, like a lot of other G.I.'s, Dave had a little problem settling down for action and living "on the edge" gets into a guy's blood. Anywho, Dave worked for the U.S. post office from 1946 to 1949, married and is the father of five children.

Dave started his first service station in Wilmette, Ill., from 1950 to 1952. Then he opened the aforementioned service stations which adds up to more than thirty years of experience in gas and mechanical servicing of every type of motor vehicle.

At his latest location, DAVE'S TEXACO STATION, 5705 N. Elston, Dave has full service master mechanics on duty. He ran an ad in all five BUGLE newspapers a few weeks ago and he told me that many of his old customers and friends dropped in to his new place. Dave and I frequently see one another in Johnny's Milwaukee Inn.

Dave is a square as a die and his word is his bond. He's a hell'va guy and I'm mighty proud to be his friend.

DAVE SANTRELLA has resided in the Village of Niles for more than 25 years, which is quite a chunk out of anybody's lifetime. Go in and say hello to Dave and say Eddie sent me! Believe me, we'll both appreciate it.

Discussion on "In-Laws"

The subject is one about which few people have neutral feelings, so the evening is guaranteed to be an interesting one when Dorothy Hoffman speaks on the topic of "In-Laws" at the Lincolnwood Library, 4100 W. Pratt, on Monday, April 14 at 7:30 p.m.

Mrs. Hoffman is Lincolnwood's resident expert of the subject being herself a mother, a daughter-in-law, and a mother-in-law. She has long felt that an effort to understand other people's feelings and reactions to situations makes pleasant ones out of potentially problematic ones. Mrs. Hoffman has been explaining her theories and ideas in meetings at local organizations and most recently, at classes through Oakton Community College.

Mark your calendar, bring your questions, and join your neighbors for an evening you're sure to remember. For a further information, please call the Library at 677-5277.

Skokian honored on 50th anniversary at Prudential

Isaac M. "Oz" Kanarish, 3457 West Crain, Skokie, this month celebrates his 50th anniversary as an agent for New York Life Insurance Company, according to New York Life's Northern Illinois General Manager John P. Shine, CLU of Evanston.

Born in Russia, Mr. Kanarish was educated in Chicago. He joined the company in a Loop office in 1929. He has earned the insurance industry's National Quality Award for 35 years, and he has been a qualifying member of the industry's Million dollar Round Table for 30 years. He has won a number of company awards and has been a member of New York Life's top production clubs for many years. He is active locally in the Skokie Valley Synagogue and B'nai B'rith Sports League.

According to General Manager Shine, the company sponsored a

50th anniversary reception and dinner in Mr. Kanarish's honor at the Chicago Marriott O'Hare on Feb. 18. A number of out of town guests and business associates attended, including several company executive officers from New York and some of the life insurance industry's top salesmen.

Mr. Kanarish's entire family, including his wife Irene and their four children and their families, were on hand to help mark the occasion.

NEWS OF BOOKS

For many, giving that "perfect gift" has always meant giving a book. But a book can be a very personal thing. The problem: What kind of book should you give? The solution is often Give-A-Book Certificates.

Books may seem better than ever, now that there's an easy way to send them.

What are they? The co-sponsors of this unique new way to give books for gifts, the American Booksellers Assn. and the National Assn. of College Stores, explain:

"It is a plan enabling the public to buy a gift certificate from one bookstore and redeem it either at the same store or another participating store anywhere in the U.S."

To make the gift even more personal and meaningful, attractive gift cards - there are 12 to choose from - accompany the certificates.

The next time you're in a bookstore, you might like to ask whether it plans to participate in this program - or already does.

For a free leaflet about the program, write to Give-A-Book Certificate, 528 E. Lorain, Oberlin, Ohio 44074.

Quilt Care

Careful laundering, proper storage and attention to repairs will prolong the life of quilts and quilted items. To wash a quilt by machine, use a mild detergent and gentle agitation. Avoid bleach, harsh detergents or too much detergent because chemicals weaken textiles. Do not spin dry. This strains the stitches.

When washing by hand, use mild soap and do not twist or wring. Roll it in a towel.

To dry a quilt, tumble it dry or hang it on a line. If you can, dry the quilt by spreading it out flat on a clean sheet. To store a quilt, roll it up in a clean sheet. Do not use plastic; it doesn't breathe.

Store quilts by rolling them up in clean sheets. Don't use plastic; it doesn't breathe.

Outside, at the back-end of the building, Ken pointed to a new Oak tree which had just been planted. Many years ago the first Oak tree was planted in the front of the building. Ken said the new donator preferred to remain anonymous but he said his initials are K.L.O.C.K.E.R., the same as those of the long-time gym teacher who is an Oak School fixture.

We stopped off in the library room and spoke to Margaret Pratscher. She's spent 12 years as Oak's librarian and together, she and Ken reminisced about all the improvements they've made. She said Ken was a whiz at getting little extras that have improved the library. He talked someone out of a table, got some extras from the Stevenson School, closed a wall, added a glass wall case, re-designed a new door, had the PTA place floral hangings around the room... little things which made a more pleasant library-setting.

Walking back down the hallway, Ken insisted he maintains a positive attitude about the present dilemma. He said there's better things to come. While Ken was assured of a teaching job in the district, he'd certainly like to stay in administration. But he's not likely to move outside the area. He hails from Elk Grove Village, previously taught at Emerson Junior High School in District 64, has his parents to watch over, as well as two teenagers, and has no intention of moving away.

While we were standing in front of the principal's office, custodian Frank Weller came by. A warm friendly man, Frank jovially suggested we write about keeping the Oak School open. After he moved down the hall, Ken told me Mr. Weller expressed the true feeling of the teachers about Oak School. When he's in the building during the summer-time, Frank said Oak is just a building. But in the fall when the teachers and the kids come back, it becomes a school.

I think I felt sadder than Ken, when he said this.

My oldest daughter started at Oak in 1956, two years after the school opened. Subsequently, two more of my kids entered Oak, before moving on to Melzer, Nelson, East Maine Junior and Apollo Junior High Schools.

In 1966 Oak had 212 students. By the time we moved 10 blocks north Oak School has 859 students, reaching its zenith in attendance in 1964. Today, there are 224 neighborhood students and 80 early and special education students.

Closing a school is a sadder happening than we realized. Sitting at a school board meeting and watching the elected officials cut-back is an impersonal experience. You don't like anyone losing her (his) job but when the dollars and the students aren't there, something has to give—somebody has to go. But when you walk down the hallways, when you see the love that went into the library, when you hear about the 'anonymous' gym teacher who donated a tree, and when you hear the custodian tell you a school is more than just a building, you know these cut-backs are destroying a family.

Ken Johansen will move on. Many of the teachers will move into other schools. But the memories, the love and the caring which makes a school can never be replaced.

There's Oak Schools closing all over the country. But what's really happening is school families are being uprooted, taken apart and being dissolved. It's indeed sad. It's the end of an era.

are helping Morton Grove reach its Blood Drive quota by soliciting new donors, an Easter Egg Hunt and visit with the Easter Bunny for children of the community, and current involvement in the Morton Grove 4th of July Celebration which placed Mr. Rich Feiss of our organization as secretary/treasurer.

Personally, if you enjoy getting involved, or meeting new people, or picnics, softball, socials or fund raising activities and many worthwhile projects, then you should join the Jaycees.

The nicest part of all is that you give of your time as you can. We are trying to run a completely open forum of ideas and people. We solicit your initiative and creativity. If you are a male, ages 21 to 36, if you have a couple of hours a month available, and if you believe the community you live or work in deserves something you can supply, then give us a look-see, Friday night,

April 11 at Mostly Melarkey's Restaurant and Lounge, 6121 Dempster, Morton Grove, in the lower level at 7:30 p.m. Refreshments and food will be served.

compiled understandingly with the board's decision to close that school, were vocal in saying it was time Apollo was closed also. Several parents objected to the closing of Apollo because of the haste with which it was being done, curriculum changes and presumed hardships upon youngsters. Diane Friedman outlined some of these concerns in a letter signed by 35 families.

Larry Solomon, board member, wanted to know if the transition from one school to another could be done "well". According to Acting Supt. Donald Stetina it could be accomplished. He said, "This board has been accused of many things. One thing it can no longer be accused of is not having a long-range plan."

In other action, the board rescinded its motion that clubs and intramurals be eliminated at the junior high school level so they could be voted on separately. Both programs were eliminated again.

To reduce expenditures for the instrumental music program, Acting Supt. Stetina reported on a discussion with music coordinator Donald Fila. Two instructors would be maintained which would eliminate the string instrument program. Also, certain fees would be charged, rehearsal time reduced and a Booster (parent) program could be organized.

Band program estimates are \$48,000 and string program estimates are \$52,000. These sums do not include transportation.

Ben Cohen, parent of two children in the music program, objected to the board's elimination of the string program without former notice. He suggested the school board set up an after-school program for children with string instruments.

Barbara Korb, president of the EMEA Teachers Union, suggested board members investigate an early retirement program for teachers. Formerly, board members asked about sums concerning costs of this program to the district.

According to state law a certain percentage of teachers are dismissed according to "economic necessity". Such a hearing was approved by the board to be held at 7 p.m., April 15, in Apollo school. Honorable dismissal notices have been sent to Janet Bonnike, Joan Daray, Paulette Eisey, Roberta Jacobson, Ann Musolf, Catherine Palivos, Roberta Schacher, Deborah Shefen, Cathy Silverman, Jay Smith, Diana Spina, Bonnie Tuszynski, Karin Young, Donna Ailing, Kathleen Carlton, Evelyn Felson and Joan Fortner.

Also, Norma Friedman, Pamela Green, Corinne Harris, Kathryn Hayden, Mary Pendergast, Marilyn Jyko, Terry Jeneki, Ilene Karol, Marianne Koska, Linda Lerman, Judith Masur, Norman Nilsson, Lynn Pearlstein, Janet Pfundheller, William Gibson, Lynn Shevelenko, Jay Silverman, Dolores Spies, Sandra Tragemann, Catherine Ward, Nancy Weinfeld, Eleanor Zarembo, Marjorie Ziellinski, Jerilyn Zinn and Timothy Campbell.

At a late March meeting three principals, Richard Hetke, Kenneth Johansson and Raymond Owens, were reclassified. The principals were notified by April 1st.

cumbent board member Lloyd Gillet had a total of 191 votes.

Unopposed for a 4 year term was appointed incumbent Judy J. Czynszewicz whose vote total in Tuesday's election was 343. Also unopposed and seeking a 2 year term was Irene Costello who received the largest vote total with 442. Write-in candidate Ronald Scoma received 58 votes.

Festine noted, "This was a 25% greater voter turnout than 2 years ago," and he felt his 2 to 1 victory over his nearest competitor was definitely "a vote of confidence" for him.

lone dissenter being Syd Mitchell after Jozaitis and his attorney presented affidavits to the board from surrounding businesses authorizing parking on their properties. The karate school which opens at 3 p.m. each day with classes not commencing until 5 p.m. lacked sufficient parking for the total members participating in the classes. The affidavits presented to the board from Koenig-Schoener Insurance, Franks Lawnmower, Sun Travel and Marjen Furniture authorized Jozaitis' students to park on their property after 5 p.m. each day thereby giving him a sufficient number of parking spaces.

Commissioner Angelo Troiani requested that the hours for the karate school and gym be recorded so as not to open before 3 p.m. on weekdays and only from noon to 3 p.m. on Saturdays. It was also stipulated by Troiani that a sign be posted in the school proper which would state "Parking available in rear." Jozaitis also told the board he would instruct his students as to the rear parking.

...In other actions the board delayed to the May 5 zoning board meeting a petition from Roy Ebert of Lehigh Auto Repair, 6637 Touhy ave. for a zoning change from B-2 to B-2 Special Use to construct an addition to the existing body and fender shop at that location. Ebert told the board the 28' addition on the back of the building will be used for frame straightening and to wash and detail cars. The delay in Ebert's petition to May 5 was imposed by the board so as to get official decisions on landscaping plans, storage of flammable liquids on the property, and to get the village attorney's advice on the easement agreement with the Lam's restaurant. The easement involves 16 ft. of parking on the west side of the building.

Karl Honold, 6646 Harts rd., a neighbor directly in back of the Lehigh Auto property told the board he had no objection to the addition being proposed, but did object to the 2 vacant trucks in the rear of the property which were presently being used for storage and also to the mess and trash accumulated there which was attracting rats. Honold was told by Ebert that the proposed addition would be used to house all excess parts and storage of materials and the property behind the addition would be black-topped thereby eliminating the present eyesore.
