Niles approves 'tight budget' for 1980-81

by Diane Miller
The Village of Niles Board of Trustees gave their approval Tuesday evening to the 1980-81 Appropriation Ordinance as presented to them by Village Manager Kenneth Scheel. Scheel, in his presentation, told the board "this is a bare bones budget and although it is the largest we've

ever had, all departments are going through a belt tightening period." The 1980-81 budget is up .057 per cent which is very close to the .0523 percentage increase in last year's budget. The largest disbursement in the \$10,152,329 budget will go to the Niles police department with a .218 per cent of the total.

Following in order of percentages are Public Services with .18 per cent, Water Department with .16 per cent and Fire Department with .14 per cent. The balance is distributed among the executive, human services, building, housing, health and engineering departments. The largest total in anticipated

revenues for 1980-81 will be from the sales tax which, according to Scheel, should account for 37% of the village's revenue. This is approximately the same as last year," said Scheel, "and even though retail sales are down, prices are up which accounts for the stabilization of the sales tax." The majority of other revenues

would come from the water sales which is a special fund, utility taxes, pension funds, property taxes, and state income taxes. In his conclusion to the board, Scheel said, "We are solvent, always have been solvent and we will remain solvent." According to the budget as Continued on Page 31

District 63 names new head

by Eileen Hirschfeld

Board members of East Maine School District 63 named a superintendent and voted to hold a referendum for a tax increase in separate meetings Monday, June 9 in Apollo School, 10100 Deer rd., Des Plaines. Dr. Donald Bond, former superintendent of Joliet Township High School District 204 for two years, was awarded a three-year contract with an annual salary of \$48,000 per year. He also served as superintendent of a school district in East Hanover, N.J. He will take office July 1.

O! Dad is having his day Sunday. He's going to get lots of shaving lotion and ties and socks and belts and other non-essentials and then place them in various drawers, like in safety deposit boxes, not to be seen again until after he's worn previous Dad's Day shaving lotion and ties and socks and belts.

But who really is O! Dad? If you watch the funny papers he's O! Dad Bumstead, with three hairs sticking up like antennae, while he's knocking down the mailman. Or he's getting the short end of the stick from Boss Dithers, or being outfoxed by that cute little fox, Blondie, who always seems to get the best of O! Dag.

If he's not O! Dag then he's O! Dad Archie Bunker, the blue collar bigot, who is forever being put down by a smart alec son-in-law, or a scatter-brain wife. We've often wondered why the wife isn't the bigot. And we often fantasized Archie should be a white-collared bigot who works in an ad agency and passes out at the country club every other night.

Since so much of life is mythical you might see O! Dad as John Wayne or Frank Sinatra. We only know these machos from their on-stage personalities but they're Dads, heroic or swinging, really the kind of wise guys which Americans shout to the world, "These are the real Americans!" Free-swinging, flag-waving patriots they, who both copped out during World War II.

Dad is also Robert Young, he of the calm-your-nerves generation who tells you to drink non-caffeine Sanka. As Father-Knows-Best he was the essence of calmness, a real fount of wisdom.

O! Dad was Leo Durocher. Remember good old Leo, whose paternal interest in his son caused him to leave the Cubbies in '69, and go to camp to look after his wunderkind. Good ol' Leo, who was famous for shouting racial and religious barbs at Santo and Banks and Holtzman. Good ol' Dad Durocher.

Then there was also a famous Dad of the 30's and 40's. O! Dad Stalin. Joe was most benign to his lovely daughter, a sweet lovable Dad. But he sure obliterated a bunch of Army Dads in the late 30's when he didn't approve of the cut of their jib. Dad Stalin did away with a lot of other Dads, several Continued on Page 34

SJB city baseball champs

The St. John Brebeuf Warriors (Niles) defeated St. Emily's (Mt. Prospect) to win the Catholic Youth Organization (C.Y.O.) Greater Archdiocesan City Baseball Championship (grammar school).

The game was a slugfest mixed with some excellent defensive plays and fine relief pitching. The final score was St. John 15, St. Emily's 10, however, St. Emily was leading in the top of the 4th inning 10-1.

Dave Wells scored St. John's only run during the first three innings while St. Emily's scored ten times. Then the Warriors got into gear starting with a lead off single by 7th grade second baseman Jim Hickey. Rich Fallon followed with a walk and left fielder Dan Burke blipped a base hit to load the bases. John Wiedemann then followed with a two run single. Dave Wells walked to load up the bases for Tim Flynn who slammed a base clearing line drive single. Paul Leddy ended the six run 8th inning with an opposite field single that scored Flynn. Senior Citizens' NEWS AND VIEWS

S.I.J 55 Plus Club

Our trip to Seven Acres Village and Museum in Union, Ill. was a very delightful. Our Program Chairman Mike Provenzano and Jo Ann did a beautiful job of getting the trip organized. The Village and Museum took us back to the days of old and we wondered how we would have done without all our modern gadgets. The Laurel and Hardy show has us in stitches. You don't see comedies like them anymore. Our lunch in Marengo at the Clowen Hoff was delicious and we all really stuffed ourselves. Members who didn't make the trip certainly missed a grand time. Julie Juraz told our fortunes on the bus for a small donation and also kept us laughing with her jokes (She really can tell them)...

Make our meetings as we have many interesting events planned. Two big events coming up are: June 16, Arlington Race Track for "Day at the Races". Cost of Track \$12 which includes transportation to the Track, Admission to Classic Room high above the track where we will enjoy a delicious dinner: Yankee Pot Roast, American Fries, Vegetables, buns, coffee, tea, milk and dessert. Then we'll pick our favorites, place our bets and keep our fingers crossed. As always we will have a race named in the S.I.J 55 Plus Club Honor and go the the winner's circle for a photo.

Happy to see Rita & John Mancuso back after spending the winter in Florida. Ann & Joe Catanzaro celebrated their 50 Anniversary on June 1. That is quite a milestone, Congratulations! Speedy recovery to: Edward Trojan, George Simon, George Hall and all other of our members who are ill. Birthday for June: Harriet Bledsoe, Helen Hand, Marie Kowieski, Ann Larson, Mickey Likosar, Pauline Maes, Rita Mancuso, Lenore Obie, Mike Provenzano, Richard Ryan, George Simon, Adelle Zvinak, Henry Knotter, Joe Raymond, and Walter Jabczyk.

Niles All American Seniors Club

At a recent election of officers the following members were elected and later installed at a very impressive ceremony: President Magda Erickson, Vice President Agnes Burkhardt, Secretary Myrtle Stuke, Treasurer Ruth Matts, Corresponding Secretary Irma Conrad, Directors Henrietta Boughey, Betty Clawson and John Wilkin. All members of this club have always given their fullest cooperation in making it successful socially and financially so the year ahead should prove equally promising and eventful.

With the warm summer vacation months ahead several trips are planned for the enjoyment of the group, such as their annual Day at the Races at Arlington Park, a Lake Geneva trip and special events to be held in their club room.

Two very charming couples in the Niles All American Club had anniversaries of great significance: Stephanie and Casimir

Pochelski celebrated their 60th (diamond) anniversary and Theresa and Donald Ericson their 55th (emerald) anniversary - true jewels in their golden years. May they have many, many more healthy, happy and wonderful years together!

St. John Brebeuf Golden Age Club

All of the Golden Agers who attended the play at the Shady Lane Theater in Marengo, Ill. and the lunch at the Como Inn on April 29 were well-pleased and thanked Stanley Gozdecki for planning such a fine day.

On Tuesday, May 6, Chester Majewski showed a film and explained some very interesting and enlightening facts about the Metropolitan Sanitary District. We learned about the things they do to protect Lake Michigan, our greatest asset. Thank you, Chester. We do appreciate you.

It was great seeing Walter Jabczyk at our Club. His presence always adds something to our meetings. Rosella and Frank Goriani are endowed with many talents. We thank them and deeply appreciate the beautiful corsages they made for our 5th anniversary party at Przybylo's on May 13. The flowers were a prelude to a wonderful day of eating, entertainment and, imagine, door prizes too!

We were honored with the presence of Msgr. Flanagan, Father Duggan, Mayor Blase, past presidents, officers and all of our great members of St. John Brebeuf Golden Agers. Msgr. Flanagan had many words of praise for the Golden Agers saying they always attended many important functions but he was especially pleased at their attendance at the May Crowning of the Blessed Mother on Sunday, May 11.

Our compliments to Josephine Florio, vice president of St. John Brebeuf Golden Age Club. Her opening remarks, selection of words, and presentation of present and past officers were in the very best taste. Keep up the good work, Jo. We are proud of you!

We are sorry President George Hall missed the party due to being hospitalized but he would be truly proud of his stand-in Jo Florio.

Betty Beech and all of her assistants deserve special recognition for the super anniversary party they arranged. A grand time was had by all.

Get well notes to... George Hall - he was released from the hospital on Tuesday afternoon but had a setback on Saturday and was readmitted to the hospital.

George Simon - we remember you in our prayers. Mary Borris and Elmer Gizynski - hurry and get well. We miss both of you!

Marge Ala and Ely Benson - happy to hear you are both out of the hospital.

Upcoming events... June 3 - Secretary of State film on safe driving. June 6 - Fisherman's Inn for delicious "Pick Your Own" fresh red snapper dinner.

June 19 - Cubs Park, followed by lunch. Happy birthday in May to Sarah Aversano, Eleanor Benson, Chester Bonk, Lee Christiansen, Msgr. John Flanagan, Erna Hendrickson, Felix Jolite, Lottie Kawczynski, Thad Lesniak, Angelina Lui, Mildred Miller, Gus Miller, Stella Petroski, Ann Plocinski, Dorothy Salvanes, Stella Tajak.

Happy anniversary in May to Chester and Virginia Bonk, Leonard and Stella Kledzik, Henry and Mary Knitter, Bernard and Rose Majewski.

Beware of injured animals

Morton Grove Animal Control Officer Tom Sefick advises parents to instruct children to keep their distance from injured animals and young animals.

Sefick explained that even though a person's intentions may be good, an injured animal will often react defensively if you attempt to touch it. This warning, Sefick added, applies not just to dogs but to the animals which live in the forest preserves, such as racoons, skunks and squirrels.

If you see an injured animal call the Morton Grove Police

Department, 965-2131. The Animal Control Officer will respond to the problem.

Sefick also advises that very young animals such as baby skunks and racoons should be left alone. A child may be tempted to play with these small animals but the mother of the skunks or racoons, usually very close by, may react adversely. If you observe any abandoned young animals, help for them may also be obtained by notifying the Morton Grove Police Department.

that she is looking forward to many years of close association with these wonderful people who give their time and effort helping the handicapped. She thanked all of them for attending and wish them a great time.

The employers commented that the food was delicious, the weather was warm and sunny and their hosts were caring and thoughtful. The students who attended the dinner paid all the expenses for their employer's dinner and their own.

Legion Auxiliary past presidents meet

Hostess for the Morton Grove American Legion Auxiliary Unit #134's bi-monthly past presidents' luncheon meeting recently was Mrs. Ernest Jenkins of Schaumburg. Mrs. Jenkins served the Unit as their leader for the 1973 club term.

She has continued to be active with the organization, chairing this past year as she has many times in the former years, the all important Child Welfare Committee. Children and youth are one of the Auxiliary's major programs. Dolores Jenkins has also served as secretary for many years in the past.

Mrs. Jenkins selected the Mor-

ton House Restaurant in Morton Grove for her afternoon social. Games were played after those attending had their mid-day meal. The former leaders rotate performing the hostess duties at these meetings.

At this particular session, the ladies were saddened to have one of their members leave them through death. Mrs. Myrtle Bixler, the 1942 Unit president, had passed away after suffering a coronary and being hospitalized. She was the widow of Adelbert, who served the post as commander in 1941. The Bixlers owned the Bit Restaurant formerly, in Morton Grove.

Menacing bird growls at Niles police

by Diane Miller
Niles officers arriving for duty at the station last Tuesday afternoon were intimidated by a growling green and red parrot sitting in his cage in one of the cells.
"Whether this is characteristic of all parrots or this one was unique," said Niles Police Lt. John Christie, "I don't know, but this bird let everyone know he was around."
The parrot was stolen late Monday evening from Noah's Ark Pet Center, 8900 W. North ave., Melrose Park. They, in return, notified other pet shop owners and Tuesday morning, Animal World at Milwaukee and Harlem in Niles received a call asking if they would be interested in purchasing a parrot. They promptly notified Niles police who waited for the would-be seller to arrive. When the transaction was completed, Charles Killhoff, 19, 9876 Sorang, Schiller Park was apprehended and charged with theft.
Christie told The Bugle the bird growled at every officer he passed on his way out of the station with his owners.

An employee in the restaurant told officers that one of the youths walked into the business and asked for a drink of water. When he was told the restaurant was closed, he and his friends picked up a 4' long wooden log and threw it through the window. letters to the editor

Open Letter to the Community of School District 63

Dear Editor:
By now you are most likely aware of a change in the last day of pupil attendance for this school year. The East Maine Education Association was pleased that the Board of Education made a decision that did not violate of Collective Bargaining Agreement, and we understand the Board's need to explain the situation to the community. This was done in a letter sent by the Board to parents on May 29. Although the facts are not totally accurate, this letter slants the issue and has upset most teachers because of its omissions. We feel we must present a more complete explanation.

There was a nine day strike last September, for which time the teachers honoring the strike were docked, since these were employment days. The teachers' 185

employments days, as stated in our Contract, will be fulfilled on June 16; and the 176 pupil attendance days required for the state aid will be fulfilled on June 20. The district loses four days of state aid by ending the school year on June 16. The Board will, by contract, be obligated to pay the teachers for four additional employment days if school ends on June 20.

All parties were cognizant of the problem early in the school year, but there was not action taken or decision made by the administration and board until the EMEA took at position that if the school year will end on June 20 the teachers will work the extra four days and, if not paid for these days, will file a grievance and take the case as far as legally possible.

The Association feels that it is

unfortunate that the decision to change the calendar was made to late in the school year. However, we also feel that we deserve the dignity and consideration of being paid for our work and that our contract is legally binding. In today's society nobody is expected to work for days without being paid. Rather than the Board's considering the "additional burden the Association's demand" might have placed on our district, (which is not a demand but adherence to contract), they neglected to state to the public that they saved a substantial amount of money by not paying the teachers for the strike days. It was also the short sightedness of the past board to keep the schools open to teachers during the strike that created this present situation.

We sincerely hope that this letter clarifies the issue.

Barbara Korb
President, EMEA

Hanson is his own biggest fan!

Dear Mr. Hanson:
I have been writing this for a year - I didn't know exactly how to word it but your last outburst at the Cubs made me very mad! My husband Ken is a staunch Cub fan ever since he snuck (Sic) into the bleachers till the time he could afford box seats. I have been one only for the past 10 years. But even if I weren't, I resent the way you write about them. They are not champs but you don't even give credit when they do something good. I give praise even to opposing teams. You give credit to no one. To you women are bad, Bears, etc. You're a real blow heart (of which I don't think you have one). You really must have had a bad life to feel this way about everything but again you deserve every bit of it.

What gives you the right to ridicule everything?
What makes you think you're so-very-perfect?
Chicago has more fans and the best fans anywhere around and

you have the gaul to tear down a team we love and who tries. Just remember, no matter how good someone is, there is always someone better.

My husband and I own a bar in Niles, Ken's Place at Dempster and Milwaukee, and during all Cub home games, whenever a homerun is hit by a Cub player, everyone in our place gets a free drink. I will make sure even if you are there at the time you will not get one. You don't like them so you don't deserve one. I swear you don't like anyone except Ed Hanson and that can't be too much to like. I'm really tired off and I don't mean in golf! There are so many things I would like to say but, being a lady, they're unprintable. You can figure my thoughts. You should never again have a winning horse or a lovely lady!

Worst regards,
Joanne Morgan

P.S. Too bad you were late for free homerun drink, but I missed refusing to give you one.

Thanks from MG Legion

Dear Editor:
The Morton Grove American Legion Post #134 wishes to thank you for the splendid cooperation we have received this year in publicizing our many activities. Because the Legion here is so large and we like to think active in community, patriotic, social and youth endeavors, many of our projects are overlapping or spaced closely together.

Through your printing of the almost weekly articles we have submitted, Morton Grove and the surrounding areas became aware of the various programs our members participated in; and furthermore, our fund raising attempts were all big successes financially and socially.

Retiring commander Robert Erschson is very grateful for the excellent rapport Post 134 has had with your newspaper. Thanks again.

A Democratic family

Niles Township Regular Democratic Organization - quite a name! The people who belong to the organization - what a group!

Never have I seen so many diversified types of human beings in any organization that I have belonged to so dedicated, so hard working for a common cause, and to each other - always volunteering to help the next one. It is like being with a family!

The Spirit of Democracy in action prevails at all functions of the Niles Township Regular Democratic Organization, whether it be an outing for the enjoyment of members where people of position put aside any display of being "boss" over subordinates and everyone becomes "one of the guys" to foster just plain old-fashioned friendship, or a formal evening which includes dinners and speakers who hold the audience in a rapt attention, or last but not least a monthly meeting that may re-cap an Election where Cal Sutker Democratic Committeeman informs an ever abundant audience in attendance the "happenings" of Niles Township.

Thank you Niles Township Regular Democratic Organization for letting me be part of the family!

"Good Scouts" awards

The Northwest Suburban Council of Boy Scouts of America will present "Good Scouts" awards to John I. Skanderup, President of Pepper Construction Co., and Clark E. Luther, senior vice-president of United Airlines, at its tenth annual Lunch-O-Tree on June 12, according to luncheon chairman Leslie Milligan, a Commonwealth Edison Company vice-president.

Milligan said the Council's Corporate "Good Scout" Award would be presented to Teletype Corp. Teletype President Floyd Boswell is expected to accept the honor.

Skanderup, Luther and Teletype Corp. were selected to receive the honor for their community leadership and service to the scouting movement, Milligan said.

An estimated 800 executives from local business, industry and construction companies are expected to attend the noon luncheon at the Arlington Park Hilton to honor the 1980 "Good Scout" recipients, he added.

Milligan spearheaded a committee of 80 local business, industry and construction leaders to promote the Council's biggest single fund raising event of the year. Funds raised at the Lunch-O-Tree annually benefit 13,000 area scouts in nine local United Way townships spanning the northwest suburban area.

"Lunchtime Movies" will continue at the Morton Grove Public Library with a showing on Tues. June 17 of "Hawaii-the Picture Island", "Jelly Fish and Their Relatives", "Africa-East and West", and "Black Contribution-Dance", featuring Geoffrey Holder and Alvin Ailey.

The films will be shown at 11:30 a.m. and 7:30 p.m. At the lunchtime showing, coffee will be served and patrons are invited to bring their lunch.

The second lecture in the series of Money Management will be presented at the Library on Wed. June 18 at 7:30 p.m. when Jean Bischmann speaks on "The Budget as a Tool". Actual budgets will be set up according to current lifestyles and the audience is urged to bring their budget questions and problems to the lecture.

Headline Scout fund raiser

Dr. Tom Haggai, an internationally known speaker, and Chicago Bear Running Back Walter Payton will headline the 1980 Northwest Area Council of Boy Scouts' Lunch-O-Ree on June 12, according to Lunch-O-Ree General Chairman Les Milligan of Commonwealth Edison Company.
 Milligan said the Council's biggest single annual fund-raising event will be held at the Arlington Park Hilton Hotel and that an estimated 800 area business leaders are expected to attend. About 13,000 area boys benefit from the funds raised at the Lunch-O-Ree.
 Dr. Haggai, a minister since age 12, is an internationally known speaker who has made more than 3,000 presentations in 50 states and 22 countries during the past decade.  He also is a nationally syndicated radio commentator on "Values for Better Living", and is a regular columnist for a growing number of company publications.
 Chicago Bear Walter Payton will also be on hand to sign autographs and meet with the guests, who will honor local business leaders, industries and construction companies that have extended their efforts on behalf of the Scouting movement, according to Milligan.

REPLACE YOUR OLD GAS FURNACE NOW

With a New Gas Efficient Climatrol

Don't Wait - It May Cost You Money

DESCRIPTION:
 These spark ignition gas furnaces are designed for reliable, efficient and quiet operation, as well as easy installation and application versatility. Upflow, counterflow and horizontal models are available. All are A.G.A. design certified for natural gas; upflow models are also C.G.A. approved.

A spark-to-pilot ignition system replaces the conventional standing pilot, thermocouple and safety shut-off unit. The pilot is ignited directly by a high-voltage spark. A redundant type gas valve is supplied for main burner control and is used on all models. The system is controlled from a low-voltage thermostat and incorporates a flame sensor that safeguards against loss of pilot flame for any reason.

The entire line is equipped for air conditioning. Blowers and drives have been sized to easily handle the listed cooling capacities.

High-grade carbon steel heat exchangers are used in all furnaces. Steel burners are specially protected to resist corrosion and provide quiet, efficient operation. The flame is readily visible to simplify quality adjustment.

The cabinets have foil-faced fiberglass insulation to reduce jacket loss to a minimum and further provide quiet, economical operation.

Maine East's staff of swimming instructors is ready for action this summer. Swimming lessons start June 23 and continue Monday thru Friday until August 1 with two 45 minute sessions at 9 and 10 a.m. (You choose the class). The swim lessons are priced at \$10 for an 8 lesson ticket, which can be purchased and renewed at the new pool the morning you plan to register. You may start anytime during the six weeks.
 Lessons are offered to youngsters 6-12 years of age and taught by skilled high school instructors. Class size is kept to a minimum, but the first week is usually crowded. Unique open house set for the Terrace Club

The Terrace Square's new million-dollar recreation center will be unveiled from 1 to 6 p.m. Saturday, June 14, in a unique open house featuring a cocktail-buffet and water ballet show.

The public is invited to The Terrace Club's open house, which officially begins when Niles Mayor Nicholas Blase cuts a huge ribbon wrapped entirely around the new building.

The recreation center will serve residents of The Terrace Square, a major condominium development of Deer rd., just north of Golf rd., in suburban Niles.

A spokesman for North American Mortgage Investors, developers of the project, said The Terrace Club is "ideal for recreation, leisure activities and entertaining."

It includes a large swimming pool and sun decks, sauna, exercise and dressing areas for men and women; game rooms; billiard rooms; and lounge, kitchen and entertainment areas. The striking building design includes a skylight over a large,

circular staircase adjoining a two-story stone fireplace.

As part of the grand opening celebration, visitors will be treated to a cocktail-buffet during the open house.

In addition, the Terrapin Swim Club of Maine East High School will present water ballet shows in the club pools. The aquatic arts group, under the direction of Kathy Fullerton, will perform synchronized swim routines.

Visitors to the open house also will be able to tour the new model apartments in The Elmwood, a new condominium building in Phase II of the Terrace Square development. The Elmwood is one of four 59-unit buildings under construction that will complement the original four buildings being converted to condominiums by North American Mortgage Investors.

The exteriors of the Phase II buildings are identical to Phase I, but individual units are larger, reflecting buyers' interest in more spacious living quarters. The models in The Elmwood

now open for viewing include one-bedroom units starting at \$40,000; two-bedroom apartments from \$68,000; and a three-bedroom model at \$91,900.

Each condominium unit has luxury features, including ceramic tile baths with marble vanities; wall-to-wall carpeting; insulated glass windows and patio doors; private patios or terraces; individually controlled heating and air conditioning; frost-free refrigerator; color-coordinated kitchens; electric oven and range; and dishwasher and disposal.

Both The Elmwood models and the Phase I models are open from 11 a.m. to 7 p.m. on weekdays and from 10 a.m. to 5 p.m. on weekends. ERA Callero and Catino are exclusive sales agents.

In addition to regular viewing times, special appointments to inspect the models can be made by calling the sales office, 827-8885.

The developers of the condominium project have allocated funds for a comprehensive expansion and improvement program, including \$1 million for repairs, decorating and updating of common areas, extensive landscaping and repaving of parking areas.

The Terrace Square's convenient location in Niles is in an area noted for its excellent municipal services, park programs and schools. It is 25 minutes from the Loop via the Chicago and Northwestern trains. Nortran buses as well as a free intra-city bus, connect area to all village neighborhoods, parks and services.

Entrances to the Tri-State are less than two miles west, and the Edens expressway six miles east. O'Hare is a 15-minute drive and Randolph, Old Orchard and Woodfield shopping centers are 10 to 20 minutes away. Within walking distance are Greenlake Shopping Center and Golf Mill.

Excellent public and parochial schools serve the community. Just west of The Terrace Square, Deo Park has a new gymnasium, tennis courts, lighted baseball fields and acres of open space for leisure pursuits.

Better Breathers' Club

Area residents are invited to attend the Northwest Suburban Better Breathers' Club next meeting on Thursday, June 19 at 7:30 p.m. in Holy Family Hospital's Mount Prospect Room located on the lower level.

"Breathing Exercises and Bronchial Hygiene" will be discussed by Linda Glass, RN, MNA, Director of Pulmonary Rehabilitation at the Rehabilitation Institute of Chicago.

Paper Drive

On Saturday, June 14, the Luther Leaguers of Edison Park Lutheran Church will hold a Paper Drive from 9 a.m. to 3 p.m. in the Church parking lot, located at Avondale and Oliphant aves. in Chicago. They will accept bundles of paper but no magazines, catalogs or phone books.

Krazy Daze carnival

The 4-day Krazy Daze carnival presentation will soon be upon the residents of Morton Grove, as presented by the Morton Grove American Legion Post #134. It is to be held this year on their Post grounds, 6140 Dempster.

Retiring post commander Robert Perschon has announced that there will be 9 rides and four of them are for the youngsters. They are to be placed so as not to disturb the residents of the neighborhood.

In addition, Perschon indicates bingo is to be played each day and evening inside the Post Home, for cash awards.

Auxiliary President Phyllis Rieck is chairing the kitchen and delicious, inexpensive refreshments will be served over the four days the carnival is in operation. In addition to the food, liquid refreshments for the adults will be available, and ice cream and soft drinks for the younger set.

The carnival is to be in operation beginning Thursday, July 3. It will be held in conjunction with the Park District and Village 4th of July celebration on Friday when a gigantic picnic, parade and fireworks presentation are all part of the day. The Legion officials indicate the carnival will conclude its operation with all day Saturday and Sunday hours on July 5-6 also.

At the final hour on Sunday, July 6, grand prize drawings will take place with the Legion Queen, Amy Prorok assisting in selecting the winners' tickets. The overall grand prize is a 1980 Chevrolet.

"Gigi"

"Gigi", Lerner and Loewe's musical classic, continues at Skokie Park District Devonshire Playhouse, 4400 Grove st., on Friday and Saturday, June 13 and 14. The curtain time for both evenings is 8:15 p.m.

This production of "Gigi" marks the first time that this musical has been performed in the Chicago area in several years.

"Gigi" is based on the novel by Colette and tells of a young girl's transformation into womanhood. Popular musical favorites include "The Night They Invented Champagne" and "Thank Heaven For Little Girls".

Final performances will be held on June 20 and 21. Curtain time is 8:15 p.m.

Tickets are available at the door for \$3.50 per person. Student and senior adult tickets are \$2.50. Advance adult tickets available at Devonshire Center are \$3. For further ticket or group rate information call 674-1500.

This scene will be one that will be found at the annual Morton Grove American Legion Post 134's Krazy Daze carnival. Many booths, games and rides will be available Thursday through Sunday, July 3-6 on the Legion Post Home grounds, 6140 Dempster.

Post Commander Robert Perschon says there is no admittance charge and plenty of free parking will be offered.

The grand prize is a 1980 Chevrolet. Tickets on the car are available from Legionnaires and will be offered at the carnival. The Chevy will be awarded at the carnival's conclusion on Sunday evening.

During the village's old fashioned 4th of July celebration on Independence Day, the Legion Post will offer refreshments during the picnic and fireworks time span. The carnival will not be open until after the parade that day.

ED HANSON

What's it all about, Angie? ... (oops, sorry, I meant "Alphie")

I'm withholding the names for obvious reasons. They were a very old but very sweet and devoted couple. On their 75th wedding anniversary they managed to climb into their ancient car (the running boards helped) and they drove to a place where they first met and became sweethearts.

It was a little old boarded up red school house, now weather-beaten white. He opened the creaking door with a key that he had used when he became a maintenance man for the grade school years after they had graduated.

He removed the dust from a small time-scarred desk with his handkerchief.

"Look, Ma," he said, "there's your initials I carved many years ago."

She sighed. "And, there's my desk and the inkwell, where you used to dip my pigfawns."

He trudged slowly over to the boarded up window and flicked dirt and crust from the small remaining piece of glass.

"See, Ma, across the street is the church we used to attend and were married in. Now it's gone. Something else's there now - I can't make out what the sign says, Ma - drat these glasses!"

"Oh, it's a big sign, Pa. It says, The Swinging Shack - Male Dancers. Maybe we could go there some time."

"Why not tonight, Ma? I still got something left from our social security checks."

"I dunno, Pa, we really shouldn't spend the money..."

"Heck, it's our 75th wedding anniversary, ain't it?"

"Well, I guess so - we'll see."

"Okay, Ma, but I'd better get a room at that Red Lantern Motel that we passed just up the road a piece. We'll need a good rest, before we make the drive back home to Niles very early in the morning."

So the sweet, very old, devoted couple, the next morning, headed back to Niles after a night to remember in celebration of their 75th wedding anniversary. About half way home as they chugged along, in the light traffic of a warm, blue skied day, a big armored truck roared past them. Suddenly it hit a big chucky hole in the road, the back door swung open and a big gray bag bounced along the shoulder raising dust puffs.

"Whoa," cried Pa to Ma. "Those boys lost something - I'd better stop."

"Till git it, Pa!" With an amazing agility for her 93 years, she reached the gray bag. Then, she called, "Pa, yuh better help me... it's pretty heavy."

"After huffin' and puffin' they finally managed to get the gray bag in the rumble seat and headed homeward."

At home, in the basement, they discovered the gray bag contained \$175,000 in 20s, 50s and 100s.

Ma was elated! "We're rich, Pa!" She cast her faded blue eyes skyward.

"By cracky," said Pa, "we gotta give it back."

"No way!" Ma said, with finality.

Two days later two FBI guys came to their home. "Do you people know anything about money that fell off an armored truck?" asked one. The other FBI guy said, "Someone gave us your license number, stating you were seen in an old car on the highway near where the money fell off."

"Sure," Pa said, "we got the money. It's in the basement..."

"He's nuts," Ma said. "He's a senile old fool..."

The FBI guys turned to Pa. One said, "Tell us the whole story. Begin at the beginning and tell us everything."

Pa grinned, saying, "After we came home from school, to celebrate our 75th wedding anniversary, we went to the Swinging Shack where they got them male dancers. Then, I got a room at the Red Lantern Motel and..."

One of the FBI guys turned to the other and tapped his pen against his head saying, significantly, "Let's get the hell out of here!"

I wish that were the end of the story about the very old but very sweet and devoted couple but it isn't. It seems when Pa went to the men's room at the Swinging Shack Ma slipped her phone number to one of those giglio male dancers. And when Ma went to the ladies wash room, Pa slipped his phone number to a glamorous looking 60 year old widow, who'd been making eyes at him.

Jordan Charney performs for MG Hadassah

No one was prouder last week than Rabbi Lawrence Charney of the Northwest Suburban Jewish Congregation, Morton Grove, as he introduced his cousin Jordan Charney to the members of the Morton Grove Hadassah. The occasion was the annual progressive dinner held by the Hadassah to benefit the Lois Abrams Memorial Fund. Jordan performed several numbers for the group including many numbers in Yiddish which he had performed with his talented mother 30 years ago.

Rabbi Charney has just cause to be so proud of his cousin. Jordan is currently playing the lead role in the hit production of "Talley's Folly" at the Studebaker Theatre. The Pulitzer prize-winning play is closing Sunday, June 15 but Jordan and his leading lady Debra Mooney are taking over the lead roles in the Broadway production of the play. The warm, funny and touching drama was a sell-out during its 5-week run at the Goodman Theatre before it was moved to the Studebaker.

Talent doesn't end with Jordan Charney in his family. His lovely

wife Nancy Cooperstein is a producer for Paramount and is also the producer of "Talley's Folly". Her other productions consist of their two lovely children - Allison, 12, and Daniel, 9.

In addition to his appearances in several plays including "The Zoo Story", "Loose End" and "The Birthday Party", Charney has made several television appearances on The Waltons, The Rapers, Dallas and Three's Company. For soap opera fans, Jordan can be remembered for his role as Sam Lucas on "Another World", a role which he played for 8 years.

His movie credits include roles in "Network", "Hospital" and "Plaza Suite", and he has just finished a role in "Loving Couples" with James Cagney which will be released soon.

Jewish War Veterans plan carnival

One June 11 thru the 15 the Jewish War Veterans' Department of Illinois will hold its annual Carnival on Main st. east of McCormick blvd., adjacent to the Kmart in Evanston. Carnival hours will be Wednesday, Thursday and Friday from 9 p.m. to 11 p.m., Saturday and Sunday from 1 p.m. to 11 p.m. Proceeds for the Carnival are used in the organizations charitable programs, among which are the servicing of Veteran Hospitals in the Chicagoland area - Lakeside, Hines, West Side Veterans, North Chicago, etc. They also do community work by holding parties in various senior citizens homes and orphanages, donating items to the Ark and participating in many other local affairs. Among their various charitable programs are the donating of medical equipment and nursing scholarships to the Tel Hashomer Hospital of Israel. They are the oldest veteran organization in the United States.

Father's money will go farther at Jake's

by Ed Hanson
At Jake's Restaurant of Niles on Father's Day, Sunday, June 15, father may be served a mint after dinner on "his day" - but he won't need one to pay the dinner check.

For Jake's is not only offering 7-course Father's Day dinners at last year's prices, but he's also offering \$1 off all dinners! With more than 23 delicious super 7-course dinners to choose from, Jake is also including free of charge unlimited selections from his giant salad bar.

And, for Father's Day, Sunday, June 15, Jake has remodeled and enlarged his previous salad bar to a super giant one. Expensive stained glass provides the new backdrop and extra stainless steel tiers are fairly bursting with fresh fruits of every fruit and vegetable that grows. There's cantalope, sliced sun-kissed peaches, ruby-red watermelon, delicious apples, yellow bananas, oranges and just about every other fruit anywhere. In fact, it's the biggest, juiciest fruit bar in the world!

And, there'll be free ice cream

Folk Country Music
An evening of Folk Country Music featuring Nancy Dedrikson, guitarist/singer, and Jill Williams, country fiddle, starts your hands clapping on Saturday, June 14 at 8:15 p.m. at Mayer Kaplan Jewish Community Center, 5050 W. Church, Skokie.

Reservations are June 13. Fees are \$3 members and \$4 non-members.

Both a pre-concert party at 7:45 p.m. and an after concert party at 10 p.m. are planned for singles only. Parties are co-sponsored by Singles Panorama of Mayer Kaplan Jewish Community Center and the Lincoln Park/Lake View "Js" singles.

Fees including the concert and parties are \$4 members and \$5 non-members. Call 675-2200, ext. 217 for reservations.

for all the kids. And Jake's big Treasure Chest has been newly stocked with brand new toys for all the good little girls and boys.

All day, all evening there'll be live entertainment with Rick Knebel at the mighty Thomas organ. He'll play your favorite old and new songs and you and dear old Dad can sing along...

And, last but not least, if you order four or more dinners, it will entitle you to a free birthday cake... which is just some more frosting on the cake at Jake's super Father's Day gala party. The "fathers that know best" will insist on having their "day" at Jake's famous restaurant in Niles.

CHICKEN "KARI" IS SPICY DINNER DISH

The word curry is an anglicized version of the South Indian word, "kari," meaning sauce. In India the housewives blend their own curry flavorings by powdering dried spices—six or more usually—to make their many sauced dishes. Here in America we can buy curry powder already blended, which certainly simplifies the procedure. Curried Chicken With Tomatoes is a lusciously sauced dish, made easily, yet special enough for company. Browned chicken pieces are sauteed with curry powder to develop the flavor. Crushed whole tomatoes are added with onion flakes, salt and pepper, and the "kari" is simmered until the chicken is tender. It's lovely with rice and a spinach or cucumber salad.

CURRIED CHICKEN AND TOMATOES

- 2 tablespoons salad oil
- 3 pounds chicken parts
- 2 tablespoons curry powder
- 2 cans (16 oz. each) whole tomatoes, crushed
- 1/4 cup onion flakes
- 1-1/2 teaspoons salt
- 1/8 teaspoon ground black pepper

In a large skillet heat oil until hot. Add chicken; brown on all sides. Drain and discard fat. Sprinkle curry powder over chicken; saute for 2 to 3 minutes. Add tomatoes, onion, salt and black pepper, spooning mixture over chicken. Simmer, covered, until chicken is tender, about 45 minutes. Serve with steamed rice, if desired. Yield: 4 portions.

Edens Plaza lowers auto loan rates

In response to President Carter's appeal to lower interest rates to meet the credit needs of automobile dealers and consumers, Edens Plaza State Bank announces that it is reducing automobile financing charges to the lowest rates available in its service area, which includes: Niles, Skokie, Morton Grove, Lincolnwood, Golf, Glenview, Northfield, Winnetka, Glenco, Kenilworth, Northbrook, Wilmette and Evanston.

In an effort to stimulate our economy, the lowest reduced rate will be offered for NEW 1980 American-made automobiles. Interest rates for NEW 1980 Foreign-made automobiles and for NEW 1979 or used automobiles are also being substantially reduced. The new interest rates and terms effective June 1, 1980 are as follows:

1980 New Domestic Manufactured Automobiles—6 1/2% add-on, which is equivalent to an annual percentage rate of 11.96% when repaid in 36 equal monthly installments.
1980 New Foreign Manufactured Automobiles—7 1/2% add-on, which is equivalent to an annual percentage rate of 13.69% when repaid in 36 equal monthly installments.
1979 New or Used, and prior years—8% add-on, which is equivalent to an annual percentage rate of 14.55% when repaid in 36 equal monthly installments.
The rates will remain in effect for the months of June and July, 1980. A down payment of 25% of the actual purchase price, including taxes, will be required. Requests for loans will be considered for all current customers of the bank, and for any person residing within the bank's service area.

Skokie Trust & Savings Bank President LeRoy J. Plaziak has announced the promotion of Ms. Joanne Arnswald to Operations Officer in the new accounts department at their Oakton st. office. In her four years at the bank she has held the position of teller and executive secretary.

educational administration from Ohio State University. He taught school 11 years.

He has three children, ages 13, 11 and 10. His wife, Mary Ann Trebolt, is formerly of Mount Prospect.

Bond told board members, "I am looking forward to working with you and joining the district." In response to a question from The Bugle, Bond said his personal educational philosophy is diagnostic/prescriptive—that is, it has to fit the needs of each child. He feels children should be placed in appropriate groupings.

Bond said although the district is experiencing financial needs because of declining enrollment, the concern of parents in the district for their children's education is a "plus."

In a second meeting-of-the-whole board members voted to hold a tax increase referendum Saturday, Oct. 25. They are asking for a 4.45 levy per \$100.00 assessed valuation in order to help eliminate a projected five-year deficit.

In other measures to ward off the deficit, board members shut down a total of four schools in the past two years and curtailed the curriculum and services. Because of these steps and other factors, such as Maine Township Special Education Teachers being pulled back into their respective districts and a reduction in non-salaried staff, the five-year deficit is projected to be about \$5,500,000 less than the former projections.

However, the figure will still remain at about \$8,000,000. If the referendum is passed, a house with an assessed valuation of \$75,000 will be paying about \$80 extra in taxes.

Discussion ensued regarding the establishment of a referendum steering committee and actions committee.

We welcome our new board members as well as the continuing old board members all of whom are busy planning Chamber programs and goals for the coming year.

presented, there will be approximately \$175,000 in surplus revenue over the anticipated expenditures.

Trustee Abe Selman commented the Niles Administration Department and the various department heads for a "job well done".

In other actions Director of Building, Zoning and Planning Joseph Salerno told the board a meeting was held with Niles gas station owners regarding the placing of price signs over the pump islands. Salerno noted that many owners objected to this stating that drivers are adjacent to the stations before they can determine what their gas prices are and if they decide they want to purchase the gas there, they either make an abrupt stop or a sudden turn, setting up the potential for an accident. Therefore, according to an agreement with the owners and the Sign Board of Appeals, every station will be allowed one station price sign on the main identification pole. The sign will be no more than 4 ft. by 7 ft. and will give information on prices for regular, unleaded, mini-serve, and self-serve. Prices posted will be the total price, tax included.

Salerno also noted if the station removes the numbers from the sign, they will be required to remove the sign itself. No sign will be allowed without prices posted on it. The trustees passed the amendment to the sign ordinance.

Mayor Nicholas Blase also proposed the amendment of the code which requires the placement of numbers on the front of businesses (B-1 and B-2).

Paul Leddy who came in relief in the second inning was the winning pitcher. Paul struck out six batters and had full control of St. Emily's in the last three innings.

Paul Leddy was selected as the team's Most Valuable Player. Rich Fallon and Tim Flynn were honored with leadership awards and Dave Wells was picked as the Most Improved Player.

to include the placement of numbers on the rear doors. Blase told the board this is necessary for the fire department who are called to fires in the rear of business buildings and cannot locate them due to the lack of numbers on the properties. Trustees approved amendment.

Bob Kahler, Superintendent of Engineering for the Village of Niles, told the board a maintenance agreement has been reached with the State of Illinois on traffic signals located within the Village of Niles. This agreement will realize approximately \$14,000 in savings to the village since the state will take over the maintenance of 11 signals out of the 19 which Niles now maintains leaving the village with only 8. According to Kahler, "The state is assuming most of the major intersections."

Village Manager Ken Scheel asked the board to adopt a resolution which would increase the car towing fees from the current rates of \$10 to \$35 for passenger cars and \$20 to \$45 for trucks and commercial vehicles. "We are not trying to make money," said Scheel, "we're only trying to keep in line with today's costs." According to Police Chief Emrickson, these figures are in line with those being charged by neighboring communities.

teacher, mainly at Ballard School, Elsa Peterson, cashier in the Gemini cafeteria since 1965, and Robert Weber, custodian for 11 years.

Barbara Korb, grievance chairman of the East Maine Teachers Assn. and former president of EMTA, read a statement to board members saying, "If the school year will end on June 20, the teachers will work the extra four days and, if not paid for these days, will file a grievance and take the case as far as legally possible." The school year may have to be extended because of the nine-day teacher strike before school opened in September.

Korb said, "The teachers deserve dignity and consideration of being paid for our work." In other board action, contracts were ordered for office supplies totalling \$6,526; for classroom supplies \$428; audio-visual supplies \$3,900; office paper \$20,447; elementary art supplies \$4,195; junior high art supplies \$2,330; physical education supplies \$1,455; and towel service \$9.70 a student per year.

In other action, board members supplied the business office with a letter of intent to rent space to the Maine Niles Assn. of Special Recreation and Lutheran General Hospital. The attorney will also be asked to review lease forms.

Two mobile classrooms at Wilson School which were to have been sold and moved were declared too dangerous for this action after undergoing van-

dalism. Destruction and removal of the debris is estimated at about \$900.

Ben Cohen, district parent, asked board members about a district-operated program for instrumental music. He said parents of children in the program, dropped in curriculum changes to meet the district deficit, are opposed to a contracted program. They would prefer district teachers subsidized by a parents' "Boosters Club".
