## Morton Grove tax rate up 60%

by Deby Eisenberg  
Morton Grove residents were undoubtedly surprised, and not very pleasantly, to receive tax bills which reflected a 60% hike in the tax rate. Trustee Lewis Greenberg tried to explain the reason behind this hike at Monday night's meeting of the village board.

"For some strange reason the Cook County assessor's office

lowered the assessed valuation of Morton Grove property by \$19,000,000, a 10% decrease," according to Greenberg. "It is conceivable that the county has made a mistake. We cannot understand how we have lost \$19,000,000 over one year."

In other tax developments, the Morton Grove village board passed an ordinance levying and assessing taxes for the fiscal year

beginning May 1, 1980 and ending April 30, 1981. The total amount to be collected through tax levy will be \$3,944,587.

The total amount of money budgeted for the current fiscal year is \$11,140,457. This includes all money appropriated to run the village from police and fire department salaries, to garbage collection, to operating the public library. But \$7,295,770 of this total

comes from other sources such as sales taxes, licenses, federal grants, and federal revenue sharing funds.

A series of other ordinances passed at the Aug. 25 village board meeting allowed trustees to purchase property on Nagle ave. from the Oakton Community College District at a cost of \$1,205,000 to house the new public works facility.

The village has secured a mortgage from the 1st National Bank of Niles for that amount to be amortized over 20 years at 8% interest, with the full right of prepayment without penalty. This last point was especially important because trustees will be applying money from the sale of the current public works building to that loan payment.

## Rental of Ballard school space sought by Niles library

# District 63 postpones decision to rent

by Eileen Hirschfeld

A decision to rent space in Ballard school to the Niles library district was postponed by East Maine School District 63 until a present renter can consider relocating, probably in the same school.

Action took place at a regularly scheduled school board meeting Aug. 26 in Apollo school, 10100 Deer rd., Des Plaines.

A day school, operated by the Young Men's Jewish Council, has already asked for rooms needed by the library branch. Other renters in the building include a TESL (Teaching English as a Second Language) program and a Hebrew school operated by Associated Talmud Torahs.

## From the LEFT HAND

by David (Bud) Besser

Paul Carlson is a very special kind of guy. History teacher, political science teacher, Paul fights the good fight whenever his beloved Maine East might be threatened.

Monday night, Paul called on all Maine Township residents to join with him in saving Maine East from going down the tube. At Monday night's special board meeting school board members have reduced their options of closing one Maine School to either Maine North or Maine East. While it seemed from this observer's vantage point Maine North would be closed Mr. Carlson isn't so sure. A couple of board members seemed to be tilted in favor of closing East. That prompted Carlson to call an impromptu meeting in the hallway.

In ever-loving terms Paul recited the great traditions Maine East has had thru the years, citing its great music programs which he contends have been nationally and internationally recognized. He acts as shattered as a lover who is fearful his beloved may soon be leaving him.

We first remember Paul from his early fight in the district at the beginning of the 60's. After one year on the staff teaching in the district he was asked to resign by superintendent Wiltse. Paul has been known to throw around a few right-wing principles which would be in line with Attila the Hun's views of the world. But Mr. C. refused to resign and the imbroglio turned into some harmless vapor.

About 10 years ago Paul turned up in our offices and was fearful many of the beautiful trees which graced the Maine East campus were to be chopped down. Paul paid for ads in local papers out of his own pocket. His one-man campaign saved the trees which still grace the lovely school grounds.

Subsequently, our kids went to Maine East. And he got to know all of them, even though a couple of them weren't in his classes. He always has asked about them, and amazingly has remembered their names through these many years. He's one of these genuinely concerned teachers who cares what goes on with each one of his students long after they've left the school.

Paul grew up in the area and went to high school at Maine.

## Village Purchase Award winner

The Village Purchase Award winner for the 1980 Niles Art Guild Art Fair went to Lee Pikovsky of Niles, for her picture of "The Family" which will be hung on display at the Niles Village Hall. Lee, is a well known artist for her 3-Dimensional sculptured art work. Lee had also won a 1st place

award for sculpture, at the Art Fair. Shown above (l-r): Marilyn Brown, Niles Art Guild Art Fair Chairman; Kenneth Scheel, Niles Village Manager and Lee Pikovsky, Village Purchase Award Winner.

### Niles Police Walking Beat

Niles Police Reserve Officer Kim Kollath proudly displays a T-shirt reading "Kim No. 1 Cop", which was presented to her by the youngsters in the Dempster/Prospect area. Officer Kollath is part of a new police program called "Walking Beat". This program is aimed at keeping children off the street and out of trouble. The program has been called a success since its inception this year. Niles Police Division Commander, Capt. William Terpinas, stated, "We feel the presence of a walking beat police officer has cut down on any law-breaking in the area and has fostered good will between the police and the residents in the area. We congratulate Officer Kollath and the other police officers who are involved in the new program."

Shown with Officer Kollath is her partner Reserve Officer Anthony Baran and the young donors of the T-shirt.

### Finalist in Miss Teen contest

Paula Alexandra Kalemha, 18, daughter of Mr. and Mrs. Walter Kalemha, 7339 W. Breen, Niles, sponsored by Niles Chamber of Commerce and Industry, 8108 N. Milwaukee, Niles, is a semi-finalist in the annual "Miss Teen All American" contest at Pioneer Park in Aurora, on September 7. The winner will receive an all-expense-paid trip to sun-filled Miami Beach, Florida, next November to compete in the Miss Teen All American Pageant with teen finalists from all parts of the country. Miss Illinois Teen All American will also receive a \$500 cash award. If she wins the coveted title of "Miss Teen All American," she will receive

fabulous prizes including world-wide fame, a career in modeling, and the opportunity to represent all of America's teenage girls, plus many more prizes.

### Promoted to FNBOS Customer Service Officer

Erman G. Kramer, Chairman of the Board and Chief Executive Officer of the quarter billion dollar First National Bank of Skokie has announced the promotion of Marjorie Pearl from Customer Service Representative to Customer Service Officer.

Marjorie started with FNBOS in 1975 in our Account Records Department and then transferred to our Customer Service Department.

Before coming to FNBOS, Marjorie worked 5 years for an advertising publicist.

Pearl has been an active member of the Junior Womens Club of Skokie, the St. Paul PTL, and Luther Norths PTL.

Pearl and her husband Ken have two children and live in Skokie.

**St. John Brebeuf's Golden Age Liners**  
July 4th, which is a great memorable day for all of us was just a little more special when our members, Peter Lencioni and his wife, Florence, were chosen Grand Marshall and Marshall of the Niles Parade. A better selection could not have been made. Stanley Gozdecki, Program Chairman, again can be credited with several well-planned and enjoyable days: Sunday, July 6, Candlelight Playhouse with a delicious dinner and a very entertaining musical, "Oklahoma".

Wednesday, July 23, A Day at the Races at Arlington Park Race Track. Everyone was excited and chatting on the bus. We proceeded to the track, had a fine lunch in the Clubhouse, and then followed when some of us won - the rest of our horses are still rest of us.

Sunday, August 10 - Drury Lane Theatre at the Martinique. We had a delicious meal and enjoyed a funny comedy, Captain Outrageous starring Forrest Tucker.

Coming Events - Betty Beech has a luncheon planned followed by a Zodiac Party. She promises a surprise fun time and we say good-bye to Sister Lollita Lange who is leaving our area.

Stanley Gozdecki announced the following trips: August 4 Franciscan Monastery at Burlington, Wisconsin. September - Museum at the Motherhouse of the Franciscan Sisters in Lemont, Illinois. October - a visit to the Miller High Life Brewery in Milwaukee, Wisconsin.

Thanks to Vic Meamond for his concern of the seniors' interests and for doing something about it.

Thanks to Gene Michaels who extended personally an invitation to the Golden Age Club for a free party on August 1 at the Niles Brunswick Bowling Lanes.

Thanks to Russ and Rita Gawne, who treated us to rolls on their 41 Wedding Anniversary.

Happy Birthday in August to the following: Sue Aviano, Mary Balogh, Betty Beech, Marge Berles, Magda Erickson, Rita Gawne, Catherine Gizinski, Rose Ann Gorry and Ann Greco.

### New Senior Day at Prairie View Community Center

Expanding membership in the Senior Clubs meeting at the Prairie View Community Center has necessitated opening another day to accommodate Morton Grove Seniors 55 years of age or older who would like to drop in for cards or socializing. This senior group will meet every Thursday from 11 a.m. - 2:30 p.m. beginning Sept. 25.

For further information contact Leo Provost, Seniors Activities Coordinator at 965-4359.

### Tax rates up from 2.767 to 15.767 in Niles and Morton Grove

Niles and Morton Grove tax rates increased from a low of 2.76 percent for residents in district 63 in Niles to a high of 15.76 percent for Morton Grove residents living in school district 70 according to 1979 tax figures released from Cook County.

Niles and Morton Grove tax rates increased from a low of 2.76 percent for residents in district 63 in Niles to a high of 15.76 percent for Morton Grove residents living in school district 70 according to 1979 tax figures released from Cook County.

The lowest tax rate in the area is in Niles in school district 71 where a 4.91 percent increase raised the tax rate to 5.916.

Tax rates can be computed by taking the assessed valuation of a home, multiplying it by 1.4966, the equalization factor, dividing the total by 100 and multiplying by the tax rate where the residence resides.

Everyone is welcome.

### Blood donor awards

Mayor Nicholas Blase (l) recently presented "gallon donor" awards to Donald Pecho and Dorothy Mimp both of Niles for their donations to the Niles Blood Assurance Program.

Looking on is Program Coordinator Sharon Wade (r). Also receiving awards but unable to be present at this meeting are: William J. Bergles, Catherine Chmielowski, Walter P. Kush-

muk, John Marusek, Richard Ozko, Gertrude Schultz, Lenard and Marian Tomaszewski, and Jean Ufheil, all residents of Niles.

The Blood Assurance Program is now in its eighth year of covering residents of Niles for any amount of blood replacement needed. The Program has been running short of its goal and needs new donors. Anyone between the ages of 17 and 68 who is healthy and has no history of a serious disease like hepatitis is urged to donate a unit of blood.

Mobiles will be held on Sunday, August 31, between 8:45 a.m. and 1:30 p.m. at St. John Brebeuf School; on Thursday, September 4, between 9 a.m. and 3 p.m. at Leaning Tower YMCA; and on Thursday, September 18, between 4 and 7 p.m. at the Trident Community Center, 8060 Oakton st.

#### Safety Hints

If your car becomes disabled while driving, the AAA-Chicago Motor Club reminds motorists to make certain the car is completely off the road. Any portion of a car immobilized on a highway could be struck by other vehicles, or may cause an accident by forcing other drivers to cross the center line in order to pass.

### High School Hockey Clinic

Starting Wednesday, September 3, through Sunday, September 21 High School Hockey Clinic I offers any high school age hockey player the chance to get in condition for his team's tryouts and the upcoming 1980-81 season. The clinic has plenty to offer. Lots of ice time. There are four sessions a week. Each session is two hours long. There are off-ice lectures which will stress the skill needed to play good competitive hockey.

Head coaches for the clinic are Pat LeBeau, Jr., Mike Kaepflinger, and Paul Duyckinck. Pat LeBeau is the new head coach for the Maine South High School Hawks hockey club. He is a graduate of Merrimack College where as a senior he captained their team and led them to the ECAC Division II Championship. The past two years Pat has coached for the Minor Hawks. Mike Kaepflinger is the head coach for the Notre Dame Dons Team. Paul Duyckinck is the assistant coach for Notre Dame. Mike and Paul have coached together for several years taking

two state championships with Park Ridge All-Star teams and one third place national team with Park Ridge.

Several of Chicago Area's best college hockey coaches will be at the clinic to talk about their hockey programs. John Kantarski, Head Coach at the University of Illinois, Chicago Circle Campus, Herb Salberg, Head Coach at the College of DuPage, and Gerald Pfeiffer, Head Coach of Loyola University plan to come and discuss their programs at their schools. Mr. Kantarski of Chicago Circle recently moved into Division I hockey. They play several of the toughest hockey teams in the country and have done very well. Mr. Salberg of the College of DuPage last year took his team to the National Championship of Junior College Hockey held in Virginia, Minnesota.

The cost for High School Hockey Clinic I is \$135. per player. For more information or for an application call Clinic director Grady Lake at 478-3131 or head coach Pat LeBeau Jr. at 267-3436. Enrollment for this clinic is limited so don't delay. The clinic will be held at Oakton Ice Arena, 2800 W. Oakton, Park Ridge.

### Kidsplace holding registration

Kidsplace, an afterschool center, is open for registration of children from age 5-9 who attend Mark Twain and Nelson Schools in School District No. 63. This afterschool day care center was developed as a result of canvassing families in the communities School District No. 63. It was discovered that many children in these areas come from homes where both parents or single parents are employed, or parents are in school seeking new skills. In response to this need, YMJC is offering a comfortable "away from home" environment designed to enrich school age children's social, emotional, intellectual and physical development in a quality afterschool day care setting.

The program is planned according to each child's individual needs. The daily schedule, from 3:15 p.m. to 6 p.m. will allow children the time to unwind, perhaps read a book, do homework or participate in structured group activities such as dramas, arts and crafts, circle games and sports.

The afterschool center is coordinated through the MIDNORTH BRANCH BOARD (MNBB) of the Young Men's Jewish Council. MNBB also sponsors a SUBURBAN DAYCAMP and PARENT AND CHILD CARE CENTER now operating at the Ballard School, 8320 Ballard rd., Niles.

In order to open KIDSPACE in a school, a registration of at least 25 children must be achieved. If sufficient registration is secured, KIDSPACE will be open five days a week, Monday through Friday, with a choice of one through five day programs on a regular basis. The fee is \$5 per day, \$25 per week.

For further information on KIDSPACE call Elaine Finnegan at 679-9490.

### Oakton festival features entertainment

Ethel Wentink and Marion Ortolono, known in real life as "Wicky and Wacky," will be just a part of the family oriented games, entertainment and music slated to complement the twelve workshops dealing with family relationships at Oakton Community College's Festival of the Family at Oakton's Des Plaines campus September 14. They are former students in MONNACEP's juggling course. Ms. Wentink is a resident of Morton Grove, Ms. Ortolono is a resident of Niles.

A variety of groups, including the Jake Jerger Trio, the Acting Up! company, jugglers and clowns, and a sing-a-long with guest folk singers, will provide music and entertainment at an old-fashioned family festival and picnic sponsored by Oakton Community College on Sunday, September 14.

The picnic will be held on OCC's new Des Plaines campus, 1600 East Golf rd. Entrance to the Des Plaines campus is on Central rd.

Every family in the community is invited to participate in a day of picnicking, games, music, activities, and workshops from noon until 5:30 p.m.

The family communication workshops will cover topics for families with pre-schoolers, adolescents, teenagers, aging parents, special children, and single parents. Additional discussion sessions will be held for empty nesters, blended

families, and families coping with illness or death.

Festival of the Family will inaugurate a fall series of community forums and events in conjunction with Oakton's course by newspaper for the fall semester. The course by newspaper, American Families in Transition, will appear in the Chicago Tribune and Lerner Life Newspapers.

The objective of the day will be to celebrate, communicate and perhaps find a redefinition of the family, according to Carole Kleinberg, faculty coordinator for Media-Based courses at Oakton.

In addition to an old-fashioned family picnic, the celebration will include softball and volleyball games, contests, and booths with prizes. Each family may bring its own picnic lunch or purchase sandwiches on campus. Snacks, fruit juices, and free popcorn will also be available. Families can eat their lunches in the campus dining area or on the lawn. Special photography and art exhibits will focus on the family. For further information, call the Office of Community Outreach at 635-1672.

## SJB teens work with poor of Appalachia

by Sandie Lindquist  
On August 11, a group of 16 teens from St. John Brebeuf parish journeyed to Frenchville Pennsylvania to work with the poor of Appalachia. I was fortunate to be a part of this experience. Vincent Barlow, the parish's youth minister, led our

hard working group to the Young People Who Care (YPWC) Center where we were to stay for a week. The Center was founded by Father Tom Smith and Sr. Terese Dush whose main goal in the YPWC is to help teens grow in mind and spirit and to experience another way of life.

After a tedious van ride, we were welcomed by a group of loving people who made us feel like family.

Sr. Terese, who runs the center, assigned different jobs to us each day. We worked around the neighboring city, Clearfield, with a different group of people each day. Our jobs were suited to our abilities and interests as much as possible. Some of the teens worked on constructing a building and repairing roofs. We painted stores, porches, houses and sometimes even each other! Some of us were able to work with the deprived children in a school which the center organized. We visited the elderly, cleaned their houses and tended their lawn work. YPWC opened a second-hand clothing store where some of the teens worked. Each day, several teens stayed at the Center to prepare the evening meal and do the housekeeping.

Our chores really didn't seem like work. It was rewarding to see the appreciation on the faces of people we helped. What seemed like little work to us, was apparently a big accomplishment to the people we helped. We actually knew how it felt to live on a very limited budget. We wore the same clothes often and the food was economically selected. This helped us to appreciate

what we have in our everyday life.

We met at the center early each evening for dinner and appreciated a chance to relax. We could spend the night by ourselves or with a few friends to ponder the things we had experienced that day. Our various endeavors created new friendships and deepened old relationships. Sometimes after evening services, we'd sing around a bonfire or just share our thoughts with each other.

My trip to Pennsylvania was an experience I'll never forget. I

saw a part of the country I've never seen before and lived a life I never thought to be a reality. I, like a whole group of young people who care, hope to go back next year, if not sooner to once again to enrich our lives. SJB teens who were participants in the trip included: Matt Drexler, Ron Drexler, Mary Eriksson, Jay Hill, Greg Karlove, Maureen Leane, Laura Lee, Sandie Lindquist, J.J. McAndrew, Patrick McAndrew, Pat McDonnell, Lisa Prorok, John Shewwood, Mark Wiechec, Wendy Wolski, and Brenda Zellers.

Shown above are the group of St. John Brebeuf teens with some of their new found friends in Appalachia.

Shown above is Vincent Barlow, youth minister for the St. John Brebeuf Teen Club.

## Sept. 2 blood drive

Area residents are encouraged to contribute blood at Holy Family Hospital on "Employee Blood Donor Day" on Tuesday, Sept. 2, from 12:30 to 4:30 p.m. Representatives of the North Suburban Blood Center will be in the hospital's auditorium to draw blood as part of the hospital's year "round program. Persons wishing to participate in the blood drawing should schedule an appointment by calling 297-1800, ext. 1146, weekdays, 8 a.m. to 4:30 p.m.

In addition to the special Blood Donor Day, Holy Family conducts weekly drawings in the Laboratory on Monday evenings,

5:30 to 9 p.m. To make an appointment for the weekly drawing, call the Laboratory at 297-1800, ext. 1900, weekdays, 8:30 a.m. to 5 p.m.

Almost everyone in good health between the ages of 17 and 65 and weighing at least 110 pounds is qualified to give blood. The blood pressure of potential donors is taken and they are asked a series of questions pertaining to their medical history when they donate.

Holy Family is a member of the North Suburban Blood Center providing blood supplies to hospital patients and residents in the Northwest Suburbs.

## 5th anniversary

Holy Family Hospital's Cardiac Care Unit and Intensive Care Unit celebrated its 5th anniversary of dedicated service to patients in August in the hospital's Mother Frances Pavilion. The average patient occupancy of both units over the past year has been between 85 to 90 percent.

The modern 18-bed unit is divided into two separate sections. The Cardiac Care Unit consists of ten beds and the Intensive Care Unit has eight beds with two isolation treatment rooms. All are private rooms which are located around the exterior of the building. This design enables nursing personnel to have constant visual supervision of the patients from the two curv nursing stations in the center

of the unit. Holy Family is one of the few area hospitals that has a computerized heart monitoring system. Called the Arrhythmia Detection and Monitoring System, it is capable of monitoring and detecting the slightest deviation in the heart activity of up to 16 patients simultaneously.

### MTJC Pre-school registration

The Early Childhood Center of Maine Township Jewish Congregation 8800 Ballard, Des Plaines, is accepting applications for registration in a wide variety of programs for Fall, 1980. Those children who will be three, by December 1 will meet 3 mornings a week. Pre-schoolers who will be 4 by December 1 can attend the 9 afternoon, or the more intensified 5 afternoon program. All programs offer a wide range of learning experiences including art, music, creative dramatics, physical activities, games, stories, and cooking experiences. Guided by professionally trained teachers who have had extensive

education in Early Childhood and Judaic subjects, the children become aware of their Jewish heritage in a wholesome environment which stresses socialization and independence. Also offered in the Fall is the Parent Toddler Program, for children who will be 2 by December 1. Once a week, mothers and children come together for exploration of nursery school facilities, art media songs, physical activities, and finger plays. For further information, brochure, and registration, call Marge Baker, Director, at 297-2006.

### Proud grandmother welcomes 4 girls

Twice is nice, but four times is fantastic. At least it is for Nancy Hennessy of Des Plaines, a clerk/typist in Holy Family Hospital's Medical Records Department.

For the second time within the last seven months, Mrs. Hennessy has become the proud grandmother of identical twin girls. Her second oldest son, Larry Hennessy and his wife, Sara, became the parents of Lori Ann and Julie Lynn on June 20 at Holy Family Hospital in Des Plaines.

The twins were born seven minutes apart, with Lori Ann the oldest weighing 4 lbs., 13 oz. and 17 inches long; Julie Lynn weighed 5 lbs., 7 oz., and 18 1/2 inches long. They are the first children for the Des Plaines couple.

Seven months earlier, Mrs. Hennessy's oldest son, Philip Hennessy and his wife, Kathy, had also become the parents of identical twin girls at Holy Family. They live in Elk Grove with daughters, Katie and Erin.

"The first set of twins were a complete surprise, but the doctor expected the second set," said Mrs. Hennessy. "We haven't had a history of twins in our family so it's amazing that my first four grandchildren are sets of twin girls."

Mrs. Hennessy isn't wasting any time preparing for the Holiday Season when all four grandchildren should be crawling. "I've already ordered four exact doll buggies for Christmas," she said.

Everyone looks on eagerly in the Goldstick family as Mrs. Goldstick serves dinner. Left to right are: Allen Goldstick, Mrs. Goldstick, David, aged 4, and their foster daughter. The Goldsticks who are foster parents for the Jewish Children's Bureau are helping the agency find foster parents by sharing their experiences with others.

"There's a need for more foster families like us, and we're trying to help the agency meet it by sharing our experiences," states Goldstick. Prospective foster parents are urged to call the Jewish Children's Bureau—without obligation. Telephone: 346-6700, ext. 311 or 675-2200.

What is it like to be a parent to other people's children?

Mr. and Mrs. Allen Goldstick of Morton Grove, foster parents for the Jewish Children's Bureau of Chicago, don't claim to have all the answers, but they care enough about the needs of foster children to help the child care agency find more people to be foster parents.

"We know there's a continual need for foster parents with children coming for care. We're trying to help others think about being foster parents by sharing our own experiences," states Goldstick who is a CPA and manager of internal audits for the Consolidated Packaging Corporation.

According to Diane Goldstick, the couple became foster parents a number of years ago after it seemed unlikely that they would have children. "We both love children. And now after having foster children who returned to their parents, and adopting our son David, who became free for adoption after a time in placement as a foster child, we are expecting a baby in late fall. The baby will join our present family which also includes our foster daughter," she said.

### "Additives in Food"

Skokie Valley Business and Professional Women's Club will learn about "Additives in Food" at their Dinner Meeting on Monday, Sept. 8 starting at 6:30 p.m. at the Morton House Restaurant, 6401 Lincoln ave., Morton Grove.

Maxine Stern, RN, will speak on the chemical additives in our everyday foods. Reservations for this open meeting may be made by calling Irene Montwill, 982-2871. The meeting will be conducted by Ermgard Teutsch. Irene Lang, Des Plaines, is President.

"We believe in giving children a chance," continued Mrs. Goldstick. "And very often living for a time with a foster family is an important chance for a child. Whatever the reason, not being able to live with their own parents or relatives is hard on a child. Being a parent is not easy, and neither is being a foster parent, but having parents, even substitute ones, is important in a child's development."

The Jewish Children's Bureau, headquartered at 1 South Franklin st., Chicago, also has offices in Flossmoor, Rogers Park, Highland Park, Skokie and Arlington Heights. Services to foster families as well as counseling are provided through all of these offices.

According to Ms. Charlotte Cohen, Director of Placement Services for JCB, the agency is eager to talk to couples who think that they may be interested in helping a child through a critical period in his life.

"Foster parents gain much of their satisfaction as part of a team with our staff—social workers, psychologists, psychiatrists—working together to help a child whose previous life experiences may have been very upsetting. They make him part of their family for as long as the child needs their care and provide a chance for healthy growth and development. Foster parents at JCB have their own association and their own training sessions," she stated.

JCB pays foster parents for a foster child's living expenses. They give their love and care as they make the child part of their family. People who would like to know more about foster parenthood, are urged to call without obligation. The telephone number is 346-6700, ext. 311, or 675-2200.

The Jewish Children's Bureau is the official child-caring agency of the Jewish Federation of Metropolitan Chicago.

### District 207 policy for free and reduced price meals

Maine Township High School District 207 today announced its policy for free and reduced price meals for children unable to pay the full price of meals served under the National School Lunch and Special Milk Programs for the following schools: Maine East, Maine North, Maine South, Maine West.

Local school officials have adopted the following family size and income criteria for determining eligibility:

FAMILY SIZE	FAMILY INCOME FREE MEALS	FAMILY INCOME REDUCED PRICE MEALS
1	FY81 \$5,230	FY81 \$6,150
2	6,900	10,760
3	8,580	13,380
4	10,250	15,990
5	11,930	18,600
6	13,600	21,220
7	17,280	23,830
8	16,950	26,440
Each additional Family member	1,680	2,610

Children from families who income is at or below the levels shown are eligible for free or reduced meals.

In addition, families that do not meet these criteria but have expenses such as unusually high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to the mental or physical condition of a child, or disaster or casualty losses are urged to apply.

Application forms are being sent to all homes in a letter to parents. Additional copies are available at the principal's office in each school. The information provided on the application is confidential.

and will be used only for the purpose of determining eligibility. Applications may be submitted at any time during the year. To discourage the possibility of misrepresentation, the application forms contain a statement above the space for signature certifying that all information furnished above in the application is true and correct. An additional statement is added to warn that the application is being made in connection with the receipt of Federal funds, that school officials may, for cause, verify the information in the application, and that deliberate misrepresentation of information may subject the applicant to prosecution under applicable State and criminal statutes.

In certain cases foster children are also eligible for these benefits. If a family has foster children living with them and wishes to apply for free or reduced price meals for them, the family should contact the school. If a family member becomes unemployed or if family sizes changes, the family should contact the school to file a new application. Such changes may make the children of the family eligible for reduced price meals, or for additional benefits such as free meals if the family income falls at or below the levels shown above.

All children are treated the same regardless of ability to pay. In the operation of child nutrition programs, no child will be discriminated against because of his/her race, sex, color, or national origin.

Under the provisions of the policy, the principals of each of the Maine Township High Schools will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the official, he/she may wish to discuss the decision with the determining official on an informal basis. If he/she wishes to make a formal appeal, he/she may make a request either orally or in writing to Dr. Richard R. Short, Superintendent, Maine Township High School District 207 for a hearing to appeal the decision. The policy contains an outline of the hearing procedure.

Each school and the office of the Superintendent has a copy of the complete policy, which may be reviewed by an interested party.

- Rt. 215-Old Orchard to the Howard CTA terminal via Crawford

- Rt. 250-Des Plaines to Evanston via Dempster st.
- Rt. 270-Golf Mill to Jefferson Park CTA terminal via Milwaukee ave.
- Rt. 290-Park Ridge to Howard CTA terminal via Touhy ave.

Special holiday fares will be in effect on Monday, September 1. The adult fare is 35 cents, senior citizens, 15 cents. In addition, a CTA "Supertransfer" may be purchased from NORTRAN drivers.

### Nathanson School to house older adult Day Service Center

An Adult Day Service Center for older adults will open in September at Church and Potter roads, Des Plaines, in the former Nathanson School.

The Adult Day Service Center is part of Parkside Human Services Corporation which is affiliated with Lutheran General Hospital, Park Ridge. Services will be offered from 8 a.m. to 5 p.m., Mondays through Fridays.

The program is designed to offer an alternative to persons who do not need the full-time services of a nursing home, but who, because of a physical or mental impairment, are not able to participate in typical community programs for older adults.

Center director Ellen Browne explains that "Our program is geared towards three types of persons: persons who need restorative therapy, such as persons recovering from a stroke

who need physical or occupational therapy and assistance with functional needs; persons who are physically healthy, who live with their family but can't be left alone when other family members go to work; and persons who are not able to function because of severe depression, persons who need socialization."

An older adult may attend the center daily, half a day, once or twice a week or intermittently, depending on the needs of the person or family. "Sometimes family members or spouses can't handle the constant demands for bathroom assistance or feedings," says Browne. A spouse or family may choose to bring the older adult to the center once or twice a week as respite from these demands, she adds.

A participant who needs physical or occupational therapy will have an appointment time planned into his or her schedule and staff from the hospital will meet with the client at the center or the client will be transported to the hospital.

The center has contracted with Lutheran General Hospital's Food Service Department to supply a hot meal at noon and a morning and afternoon snack each day. Special meals will be arranged for individuals who require medically supervised diets, including meals for diabetics and for individuals requiring salt-free meals.

A three-year, renewable lease was recently signed with School District 63 for the Nathanson School which closed last June. The school will accommodate the Adult Day Service Center and the Lutheran General Hospital Children's Day Care Center which is presently located at 1500 Granville, Park Ridge. The Children's Day Care Center will relocate to the Nathanson School in the future.

Persons interested in participating in the program may phone 696-7285. A thorough admission process will help insure the compatibility of an applicant and the program.

If the program and applicant aren't suited to each other, the staff will recommend alternative services in the community. Fees for participating in the program are based on the services provided.

**Free blood pressure check**  
The North Maine Fire Protection District will be offering free blood pressure checks to its residents. Anyone wishing to have their blood pressure taken can do so by stopping at the fire station at 9301 Potter rd. in unincorporated Des Plaines between the hours of 9 a.m. and 9 p.m. any day of the week.

**Enters Carleton College**

**Free blood pressure readings**

Free blood pressure readings will be taken September 4 between 4 and 8 p.m. at the Niles Administration Building, 7601 Milwaukee ave. This service is presented by the Niles Community Health Department with the aid of volunteer help on the first Thursday of each month.

High blood pressure can be treated and controlled so that no damage is done to the body if it is detected soon after it begins. The only way to know if your blood pressure changes drastically is by having regular readings at least twice a year.

**SJB Special Milk Program**

St. John Brebeuf School today announced its policy for free milk for children unable to pay the full price of milk served under the Special Milk Program.

Local school officials have adopted the following family size and income criteria for determining eligibility:

Family Size	Family Income
1	\$ 5,200
2	6,900
3	8,500
4	10,250
5	11,900
6	13,600
7	15,200
8	16,950

Each add'l family member 1,690

Children from families whose income is at or below the levels shown are eligible for Free Milk.

In addition, families that do not meet these criteria but have expenses such as unusually high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to the mental or physical condition of a child, or disaster or casualty losses are urged to apply.

Applications may be submitted at any time during the year. To discourage the possibility of misrepresentation, the application forms contain a statement above the space for signature certifying that all information furnished in the application is true and correct. An additional statement is added to warn that the application is being made in connection with the receipt of Federal funds, that school officials may, for cause, verify the information in the application, and that deliberate misrepresentation of information may subject the applicant to prosecution under applicable State and criminal statutes.

In certain cases foster children are also eligible for these benefits. If a family has foster children living with them and wishes to apply for free milk, the family should contact the school. If a family member becomes unemployed or if family size changes, the family should contact the school to file a new application. Such changes may make the children of the family eligible for reduced price milk if the family income falls at or below the levels shown above.

All children are treated the same regardless of ability to pay. In the operation of child nutrition programs, no child will be discriminated against because of his/her race, sex, color, or national origin.

Under the provisions of the law, Sister Rita Green, Principal, will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the official, he/she may wish to discuss the decision with determining official on an informal basis. If he/she wishes to make a formal appeal, he/she may make a request either orally or in writing to Rev. J. Edward Duggan, Pastor for a hearing to appeal the decision.

**Legion installation**

For the second consecutive year, Mrs. Clyde White will participate in the Morton Grove American Legion Post #134 and Auxiliary joint installation. Joan White, a talented pianist, will be the accompanist for vocalist Janet Hintz and will also provide musical background during the impressive ceremonies which inducts the newly elected officers of the Post and its Auxiliary.

Mrs. White, of Morton Grove, is a member of the Park District, where her late husband also served.

The joint installation is set for Saturday, Sept. 13 at 8 p.m. in the Legion Home, 6140 Dempster. The public is invited.

There will be a pre-installation dinner prior to the event and reservations for it are being taken and the evening planned by the retiring heads of the Post and Auxiliary, Robert Perschon and Mrs. Phyllis Rieck.

**Morton High 25th reunion**

Class of 1955 Alumni Association of J. Sterling Morton High School, Cicero, will hold a Dinner/Dance on Saturday, October 25 at the Indian Lakes Country Club, Bloomingdale, commemorating their 25th School Reunion.

A new high yielding tax-deferment annuity plan available from Glenview State Bank and underwritten by International General Insurance Corp. of Milwaukee, Wisconsin.

The Glenview State Bank Tax Defer-All Plan (TDA) allows you to effectively combat inflation and cut taxes.

How much TDA will reduce your taxes depends on your present tax bracket and the amount of your deposits. No Federal and State taxes are assessed until you withdraw the earnings — possibly in your retirement years, at which time your tax bracket will likely be significantly lower.

Even participants in Keogh, IRA and other pension plans can take advantage of TDA.

TDA participants may select a lump sum distribution or installments for life.

Deposit balances are F.D.I.C. insured up to \$100,000.00.

For details on how TDA will help you fight inflation and cut taxes, call or stop in to see Richard Norbrothen in our New Accounts Department.

## Against Park Board's Grennan Heights plan

Letter to the Editor:  
The Niles Park Board has issued a 17-point defense of their decision to convert Grennan Heights field house into a private club for members only. It lacks documentation, is incorrect in some statements and does not answer the objections.  
They admit needing 400 members to break even on operating costs but they did not include the cost of land, the building and bond interest in determining operating cost. Also, one member says they expect 600 to 1,000 members while Park Director Bill Hughes says there will be no parking, no flooding and no other problems. Do you think Bill Hughes saw the "Flim Flam Man" once too often?  
They say the private club for members only will be paid for by members' dues. Remember they told you the ice skating rink would pay for itself? We only lose \$50,000 a year on the rink and it is used primarily by non-residents who do not pay any taxes to the Park District of Niles.  
They say the private health club is an expansion of an ongoing recreational opportunity. Baloney! There is no private health club in Niles now.

However, Morton Grove has a club that any Niles family can join for \$50 or any individual for \$25. The Niles club will cost each member \$75 or \$375 for an average family of five. That's 187 gallons of milk for your family.  
They say their opponents are misleading the public. Double baloney! Every statement I made at their last meeting was taken directly from one of three local newspapers. I also quoted Mr. Kosiba directly. How unfortunate they will not listen to their fellow citizens.  
They refused our request for a public hearing at Grennan Heights and thus excluded many senior citizens and young people from participating in their own business. They set a meeting at a time and place calculated to draw a small crowd and one member threatened to pack this meeting with women from a gym class. They laughed and sneered at some citizens who spoke against their project and permitted their Attorney and Director to interrupt citizens.  
Sincerely,  
Thomas W. Flynn  
Chairman,  
Save Grennan Heights Committee

## Keep Maine East open!

Dear Editor:  
A major decision concerning the future high school facility for your community is about to be made. I would appreciate it if you would print the following plea for public participation:  
To All Maine East High School Supporters:  
Please be advised that it is imperative for you to write a letter immediately to your District 207 School Board members, asking them to keep Maine East OPEN!  
The 207 Board members have decided to vote on the closing of Maine East or Maine North at their Sept. 8, 1980 meeting. Now is the time to be heard, not after the vote has been cast. They are, after all, your representatives and, as such, they should be cognizant of your wishes! However, if they do not hear from you, they may assume that you don't care about their decision. The responsibility for deciding upon which school to close rests on the Board. Help them make an agreeable decision by letting them know how you feel.  
Let's keep tradition and excellence in education alive by keeping Maine East open.  
Please write: District 207 School Board Members, 1131 S. Deer rd., Park Ridge, IL 60068.  
Thank you,  
Connie Fumarolo  
Niles, IL 60048

We are very happy with the education our children have received at Maine East and hope you will not close the school.  
We feel that Maine East has many advantages over Maine North: tradition, a field house, good and ample public transportation, Center Court (which would cost millions of dollars to duplicate at another facility), the possibility of housing many more students in the future (should the need for another school closing exist in the next few years), disrupting only about 600 students by closing Maine North instead of 2,000 by closing Maine East. As I understand it from the School Board meeting I attended Aug. 25, over 300 students, who presently attend Maine North would be moved to Maine West should Maine East be closed, which means only about 600 students would not be moved as opposed to the entire school population at Maine East, which I believe numbers over 2,000 students. It seems you should consider disrupting as few students as possible instead of the other way around.  
Also, it was suggested that the Center Court students could be housed in a closing elementary school. I believe this is prohibited by Public Law and is also generally frowned upon in education today. I thought the emphasis was on mainstreaming these children into the main curriculum, not isolating them.  
Please take these items into consideration and vote to keep Maine East open.  
Sincerely,  
Connie Fumarolo and  
Arthur A. Fumarolo"

## A fine tribute to Cal Sutker

To the Editor:  
Calvin R. Sutker's reelection to the Democratic National Committee received less press coverage than Reverend James Wall's defeat. But Sutker's victory was more significant to suburban Cook county residents.  
Sutker received the most votes of any candidate. His support was broadly based—liberal and conservative, Cook county and downstate Democrat alike voted for Sutker.  
This was a vote of respect for the organization Sutker leads. The Regular Democrats of Niles Township are known for professionalism and openness. Women play a crucial role in this organization.  
In the wake of a chaotic convention, which saw certain delegates threaten candidates who thought might back an opposing presidential candidate, it is reassuring that the Illinois State Central Committee valued community service and a distinctive record above party labels. It's also a fine tribute to Calvin R. Sutker.  
Sincerely,  
Allan B. Ross

## Jimmy can't win re-election

To the editor:  
It must be quite obvious to everyone by this time that Jimmy Carter cannot win re-election. That being the case, the race for the White House is between Ronald Reagan and John Anderson.  
Therefore, a vote for Carter is a vote for Reagan.

## Niles library hosts investment seminar

On Tuesday, September 2 at 7:30 p.m. the Niles Public Library will host an investment seminar to be presented by Pat Padella and Frank Chulik, two Chicago area investment counselors. The session will cover such items as mutual funds, tax incentive investments, oil and drilling along with real estate investing, and the stock/bond markets.  
The seminar is free. The Niles Park Library is located on 6960 Oakton st.

Editor's note: A copy of the Fumarolos' letter to the school board follows:  
"Dear District 207 School Board Members:  
We have three children: one has graduated from Maine East, one is a Senior at Maine East, and one is a future high school student.  
Sincerely,  
Connie Fumarolo and  
Arthur A. Fumarolo"

## Safety Hints

by Alan J. Dixon  
Secretary of State

Labor Day, providing the last three-day weekend of the summer, usually brings an overflow of motorists onto our nation's highways. One of the most important safety rules that I can recommend is to drive defensively.  
The best form of defense is to expect the unexpected. Be alert for other drivers who might suddenly enter your lane of traffic without signaling their intent, and watch for vehicles coming onto the highway from entrance ramps.  
Always be ready to take evasive action, and plan an "escape route" as you drive. Then, if a sudden emergency arises, you will have a plan of action ready.  
If a collision seems inevitable, don't panic - try to steer your way out of it. Do anything to keep

from hitting head-on. If you must hit another car or object, try to do it at an angle. If there is any choice, select the softest thing to run into. This might be the ditch. Sometimes it is possible to avoid disaster by deliberately throwing your car into a skid.  
Drive carefully and have a safe and fun-filled holiday weekend.  
A copy of the Rules of the Road will be sent to you upon request. Write to Alan J. Dixon, Secretary of State, Springfield, IL 62756.

## Niles baseball defeated by managers' egos

Dear Editor:  
The Niles Baseball League has been under criticism for a number of years concerning the fact that the league has been established for the betterment of the young men and boys of Niles.  
Enrollment in the league has been down for a number of years. The problem isn't the availability of boys to play or lack of funds by parents to enroll them in the Niles Baseball League. The problem has been egotistical managers who think the every game is for the World Series Championship seventh game. Another problem is the sub-par fields that the players have had to play on. During several games that I have umpired I have had to remove glass from playing fields. Particularly Diamond 5 from rowdy softball teams who grovel in tears if they don't get their beer.  
The past three years people who had kids in the league complained that the cigar chompers who sit on the board (most of the time they sit on their hands, I do believe), would vote down things that would help the boys.  
As one past-president stated, "We're all in this league to help the boys and do the best things for the Niles baseball league." He then promptly nominated most of his son's team for all-stars. Most of whom were very average ballplayers, while shunning teams with more talent.  
At one point most of the younger men that were managers said that they had had enough of this and vowed to get rid of the dead weight and get fresh ideas going and improve the league. They actually believed that it could be done. It's too bad that it never came about. It was a case of the old saying, "The more things change the more they remain the same."  
So with the 1980 season beginning on a fresh new note, optimism ran high. Slowly it began to fade. At first it was umpires. No one really wanted the job as it was shuffled to three men before the current Umpire in Chief took the thankless job.  
Mr. Walt Buses did a somewhat good job. What the board should have done was put an older experienced umpire in charge of weeding out the weaker umpires instead of giving every Tom, Dick and Harry equipment. A prime candidate would have been Hal Fritze. Hal knows the rules backwards, forwards and upside down. Hal did a good job with two sessions of training. The one thing that couldn't be taught by Hal was how managers of 8 through 17 year old kids harassed umpires. No wonder many of them quit and ones in the past wouldn't come back to the league.  
When you're dealing with young men who try their best, they're going to get demoralized from enough harassment and show up to just show up. It's unfortunate that one umpire will take it out on a decent manager. But take into consideration that once an umpire, especially a young rookie umpire gets burned it will take a lot of time to get his confidence back.  
Managers must respect umpire's decisions. Umps will learn game by game if given the chance.  
Tournaments, especially the post season ones, are always exciting to see. But with the heavy abundance of rain this month, it turned the Niles Program into a disaster.

What was an equal disaster was how the park district refused to cooperate fully with the Niles Baseball League. On some days when the fields were just barely playable, the ground crews would not bother to drag the infields one more time. There were rarely baselines drawn or batter's boxes. With tournament time there were but what about the regular season. Was Niles impressing visiting teams with nice looking infields but snubbing the regular season?  
The one instance that stood out in most people's minds, like the team who drove in from Elmhurst and Dunham Park in Chicago to find that on a nice sunny day after a night of rain, and with an hour or two work on the diamonds that they were unable to play because a manager of a AA team had enough pull to fix a Notre Dame diamond so that his team could play their game and said heck with the rest.  
But, the thing that broke the camel's back was the firing of Marge Cieszykowski. There wasn't a harder worker in the league than Marge with the exception of her husband Bob for who knows why is still at this writing was conducting the tournaments. Marge and Bob were at the tournament games almost all the time. I can only remember one game that they weren't at. Marge would be out at 8 a.m. with Bob and their kids raking down the fields and carrying off buckets of mud while the commissioner and board of directors lay dreaming about sumpgumms dancing in their heads.  
One manager who came out early from a suburban team to see if his team would play told me this:  
"I came out and saw Marge, Bob and their kids along with one other guy (Mary Ellen Dugon's husband) scraping water off the field and pouring sand trying get the fields playable. At one point Marge's boy dropped his rake and started walking away. His mother yelled to him to get back to work. He just yelled back that he was sick and tired of doing all of this."  
When I talked to Marge she wouldn't tell me why she was released but that she was no longer working with the tournaments. She was happy though.  
It's too bad. She had so much enthusiasm. She's the one who arranged for the team from Rochester, MN to come and play in Niles. She arranged for a team

## MG administration fiscally incompetent

Dear Sir:  
Now that we Morton Groves have received our 2nd half tax bill, and hopefully have recovered from the shocking increase, I hate to say I told you so, but remember I did warn you, before we voted on home rule in March, that we would have a hellacious increase (actually 80 per cent) and we did! Much more than they told us.  
I now formally charge this administration with total fiscal incompetence and mismanagement of the economy of our town. Nowhere, but nowhere, in the entire metropolitan Chicagoland area, have we had the tax rate increases in only three years of Action Party administration, a total of 101 per cent. This is absolutely outrageous. There is no excuse for this, especially when Skokie and Glenview can show DECLINES in their tax rates.  
We are now ranked the 15th HIGHEST village tax rate in the entire Chicagoland area...higher than any surrounding villages and most school districts, and I ask you why?? This is ludicrous. Have we had our services improved, as they always tout, to warrant this increase? No.  
No longer is Morton Grove a well-run, well controlled tax rate town. We're on an out of control roller coaster. We've allowed

ourselves to be deluded by an incompetent administration into believing that by adding many, many people to the staff, some very expensive ones at that, that we would get improved services!! Where are all these improved services for this tremendous tax increase these last three years?? I can't see them, can you?? I also haven't seen people knocking down the village hall doors demanding these so-called improved services.  
Can you imagine, we now rank 15th on the most expensively run villages in the ENTIRE metropolitan Chicagoland area?? A sad day, indeed. We are NOT an exclusive, rich community, like most of the other 14, that is able to afford this kind of luxury by mismanagement. It's time for a change.

Sincerely,  
John Hilki  
M.G. Tax Limitation Committee

to come to play Niles from the Philippines. Whether she had enough from the cigar chompers and told them off or if they were tired about hearing about their own ineptness and told her to take a hike doesn't matter.  
Marge won the war though she lost the battle. She doesn't have to look at the park board or the Niles Baseball League. They have to look at each other and ask why and maybe, just maybe their cigars will fall out and burn their toes.

## NW Federal appointment service

A new North West Federal service now makes it possible to arrange for an appointment to see a savings counselor.

In an effort to accommodate busy savers who would like to schedule their visit to the association, North West Federal has instituted a call-in-advance system which permits customers to arrange an appointment for a specific time and date. Advance appointments may be made by calling 777-7200 or any of North West Federal's 14 offices in Chicago and suburbs.

This new service joins another time-saver at North West Federal, the "money-line", an automatic telephone message that provides the caller with the latest savings and lending interest rates. "Money-line" is in operation 24 hours a day at 777-8181.

## First Federal of Chicago announces rate hike

First Federal of Chicago, Illinois' largest savings and loan association, today, announced an increase in its basic lending rates for both renegotiable rate and fixed-rate fixed-term mortgages effective immediately.

THE RRIM rate for 80 percent and under single family loans increases from 11 1/4 percent to 12 1/4 percent. The 80 percent and under fixed rate was hiked to 13 1/4 percent from 12 percent.

In announcing these changes, E. Stanley Enlund, chairman and chief executive officer of First Federal, stated, "That they are responsive to what is happening to interest rates in the marketplace as a whole and reflective of the thinness of positive savings nets."

## Elected Vice President of CPA Society

John P. Rozinsky, 8911 North Oketo, Morton Grove, has been elected a vice president of the Illinois CPA Society and took office at the organization's recent annual meeting. The Society is a 13,500 member, statewide professional organization of certified public accountants.

He is Assistant Controller with the Borg-Warner Corporation, Chicago.

Rozinsky is also a member of the executive committee of the I.M.A. Financial Management Association, a subsidiary of the Illinois Manufacturers' Association; the American Institute of Certified Public Accountants; and the National Association of Accountants.

He and his wife, Ann, have two children: John and James.

## Vogel named president of ITT Harper

Appointment of E. Thomas Vogel as president of ITT Harper, a division of International Telephone and Telegraph Corporation, was announced by Stanley Friedman, vice president-ITT and group general manager of Industrial Products-North America.

Mr. Vogel, who has 16 years' experience in the fastener industry, joins ITT Harper after serving as president of Long-Lok Fasteners Corporation, Cincinnati. He succeeds H.L. Williams, who resigned to pursue other interests.

He received a bachelor of science degree in mechanical engineering from the Milwaukee School of Engineering.

ITT Harper manufactures corrosion-resistant fasteners and special parts and produces extruded shapes. The fasteners include bolts, nuts and other

fasteners of stainless steel and non-ferrous alloys. The extruded shapes are produced in stainless steel, carbon and alloy steel, nickel-base alloys, and titanium.

## Mexican coins available at Edens Bank

In March of this year, Banco de Mexico, the federal reserve bank of the Mexican government, announced a sales program to make Mexican gold coins widely available to U.S. investors. In May, Edens Plaza State Bank began participating in the program, as a sub-agent of Citibank. The coins have been available in the U.S. through coin dealers, some brokerage firms and some banks. This is the first time, however, an actual sales arrangement has been set up between a foreign central bank and commercial banks in the U.S.

Sales of the Gold Coins of Mexico have totaled approximately 342,000 ounces since April, nearly equaling the total U.S. sales for all of 1979. According to the Governor of Banco de Mexico, Gustavo Romero-Kolbeck, the 50 peso, "Centenario," has been second only to the highly promoted South African Krugerrand in U.S. sales.

Edens Plaza State Bank has sold 127 gold coins to date, the largest single purchase totaling \$6,640.00. Inquiries regarding purchasing have been received from as far as Dubuque, Iowa. The coins, compared to other investment options, are advantageous in their wide acceptance of value and, with the 6 denominations ranging from 1.2057 troy ounces to 1/20th of an ounce, they parallel the broad range of U.S. investments.

According to Romero-Kolbeck, the current marketing strategy owes part of its success to the fact that "banks traditionally have had the trust of investors who are naturally more secure about a gold investment which is acquired through a bank." Essential to the sales information program is the message that gold is not appropriate for every investor. Each individual investor should make his own investigation based on personal financial goals before purchasing.

The Gold Coins of Mexico are for sale at Edens Plaza State Bank, with a display of all of the denominations in the lobby. Daily quotes are available.

## BACK TO SCHOOL

### Runner wins three summer races

Laura Friedlander, a runner on the Niles West High School girls' cross country team, has been getting ready for the opening of the fall season by outrunning her age group in every race she entered this summer.

The 13.1, or half a marathon, Avon Road Race for Women last November was the young athlete's first experience with running road races. She won first place in her age group and 15th overall.

Friedlander, a junior at Niles West, will run on her school's cross country team, coached by Judi Sloan and assistant John Armour, will open its 1980 season with the Rosemead Invitational at Niles North on Sept. 3.

Part of Friedlander's summer was spent in a cross country camp held at the University of Wisconsin, LaCrosse, where, she said, the campers learned "how to become better runners, both mentally and physically - mostly mentally." She said that sessions about approaching the work-outs positively and making running fun was most meaningful to her.

The Niles West girls' cross country team, coached by Judi Sloan and assistant John Armour, will open its 1980 season with the Rosemead Invitational at Niles North on Sept. 3.

### Niles North pom pon girls

The Vickettes of Niles North High School brought home all the top prizes from the Badgerette pom pon camp they attended this summer, reported squad sponsor Iris Puccini. The North girls began their collection of blue ribbons by bringing to camp with them an original routine and a 16-count kick line that were judged to be the best in the AA group of ability level.

Before the four day camp session at Carroll College (Wisc.) was over, the 23 Vickettes had added to their collection four first place ribbons for performing the daily pom pon routines, top honors for spirit, and the overall all around title. The squad was also the campers' choice for "sunshine squad", an honor accorded to the team liked best by at least four of the 14 schools attending the camp. "Being picked as the sunshine squad showed us that the campers didn't resent us for winning so many ribbons," said Puccini.

### Rosenblum leads West runners

The Niles West Cross Country team has begun running practice in preparation for the 1980 season. Coach Pat Savage is beginning his twelfth year as head cross country coach at Niles West.

This year's team is led by senior captain Steve Rosenblum. Steve is one of the top runners in the State of Illinois and probably the top runner in the Central Suburban League Conference. Running close behind Steve Rosenblum are seniors Dan Zeller and Art Gunther along with juniors Mike Lee and Lou Gross. Also running on the team is Mark McCormick and Paul Wilms.

### Cross Country runners ready at OCC

The Oakton Community College Cross Country Team has begun running workouts in preparation for the 1980 season. Coach Pat Savage is beginning his tenth year as head coach at OCC.

The Men's team is led by freshman Jukka Kallio of Maine West High School and Carlos Montes of Gordon Tech High School. Also running on the team are freshman Dave Ghilardi of Gordon Tech, Brian Chapman of New Trier West, and sophomores Mike Cathey of Evanston High School and Mark Skarning of Maine West High School.

The women's team is led by Karen George of Maine West High School, Julie Michalik of Maine South High School, and Charlene Bartlett of Glenbrook North High School. All three girls ran on Oakton's State Cross Country Championship team in 1979. All three women also earned Academic All-American honors in 1979. Also running on the women's team will be freshman Betty Watkins of Morton High School and Linda Kaufman of Niles West High School.

### MONNACEP continues fall registration

Registration for the fall term of MONNACEP, the adult education element of Oakton Community College in cooperation with Maine, Niles, and Glenbrook high schools, is now open.

Brochures describing course offerings and registration procedures may be picked up at any MONNACEP center, according to Alex Krugel, director of MONNACEP.

Registration for classes, which begins September 25, may be completed in person at the MONNACEP Centers located at Oakton Community College/Skokie, 7701 Lincoln, ave., at the four Maine Township high schools, at Niles Township high schools, West and North, and the Glenbrook Administrative Office.

Special registrations will be held at the following locations: Plaza Del Prado, Pfcingsen and Willow rd., Glenview, Sunday, September 7 and 14, from noon to 3 p.m.; Skokie Federal Savings and Loan, Dempster at Skokie Blvd., and Golf Mill State Bank, 9101 Greenwood, Niles on Saturday, September 13; Des Plaines National Bank, 678 Lee st., Des Plaines, and the First National Bank of Northbrook, 1300 Meadow rd., Northbrook, on Saturday, September 20.

Saturday morning bank registrations will be held from 9 a.m. to noon. Special evening registrations will also be scheduled at various MONNACEP centers from September 8 through September 17.

While the MONNACEP business office has moved to Oakton Community College/Skokie, the telephone number remains the same: 967-5821.

The MONNACEP office at OCC/Skokie is located in Room 160. MONNACEP students should use the Mulford st. entrance. Reserved parking is available and the office is located just inside the door.

### UICC evening classes

The University of Illinois at Chicago Circle (UICC) has expanded the number of evening programs it will offer to degree and non-degree students this fall. All classes begin the week of Sept. 22.

UICC will offer evening baccalaureate study in six majors this fall—history, mathematics, political science, psychology, sociology and Spanish. Graduate programs also have been expanded to over 200 courses in the 24 disciplines now available to UICC's growing numbers of advanced degree students.

Tuition for part-time undergraduate students at UICC is \$144 for one through five quarter hours and \$246 for six through 11 quarter hours. Tuition for graduate students is \$149 for one through five quarter hours and \$256 for six through 11 quarter hours. The figures include all student fees and apply to Illinois residents only.

For course and admissions information and to learn what programs are still open for fall quarter study, call 998-4988 (undergraduate programs) or 996-3320 (graduate programs).

### Oakton program for students' families

Discussing fall student activities programs at a recent information night for families of new students at Oakton Community College were (l-r) Kenneth Wielgus, son Brian, Robert Lawler, OCC director of Student Activities, and Dorothy Wielgus. The Niles residents' daughter Debbie is enrolled in Oakton's Physical Therapist Assistant program.

A Second Family Night will be held on Tuesday, September 9, at the Des Plaines Campus. For further information, call the Office of Community Outreach at 635-1672.

### Certificate of Appreciation

Flora McLean, Des Plaines resident, recently received a certificate of appreciation from Oakton Community College for three years of service on the Advisory Committee for Community Outreach at Oakton. Shown presenting the award are L to R, Patricia R. Handzel, Director of Community Outreach, Ms. McLean, and Dr. William A. Koehline, OCC President.

### District 219 reminds parents of immunization law

Niles Township High School Superintendent, Dr. Wesley F. Gibbs, is urging parents of District 219 students to have their children fully immunized against certain diseases before school begins on Sept. 3.

Illinois state law required all children entering school to be immunized against polio, diphtheria, tetanus, pertussis (whooping cough), measles, and rubella. Also, children are required to have physical examinations before entering school for the first time and at the fifth and ninth grade levels.

Students attending both public and nonpublic schools have to meet the immunization and physical examination requirements. Children who fail to meet the state health requirements can be excluded from attending school. Over 90 percent of the students enrolled in District 219 last year were fully immunized.

Beginning this October, school districts which report less than 80 percent of their student

### Drivers urged to exercise caution as schools reopen

BY ALAN J. DIXON  
Secretary of State

It's that time of the year again when our children are preparing to return to school. When school starts, I urge all drivers to be doubly cautious when approaching school zones.

Be alert for small children as they walk to and from school, as well as children playing on school grounds. Youngsters are difficult to see and often unpredictable in their actions, and they sometimes dart into the street from between parked cars.

Watch for signs in school areas. Shaped like an old-fashioned schoolhouse, they warn of school buildings or grounds adjacent to the roadway.

School crossing signs are erected at the crosswalk. Slow down, watch carefully, and be prepared to stop. Remember that schools hold classes at different hours, and some activities are held at night. This sign also is used when there are crossing signals.

School speed limit signs are used in unincorporated areas where both a reduced speed limit and a no-passing zone have been established. The speed and no-passing rules apply only on school days when children are present.

Be aware. Our children are our greatest resource. (A copy of the Rules of the Road will be sent to you upon request. Write to Alan J. Dixon, Secretary of State, Springfield, Ill. 62756.)

### Free immunization clinics

Oct. 15, 1980 is the deadline for school-age children to receive the proper vaccinations, reported Dr. Shirley Kellie, Director of the Division of Preventive Medicine, Cook County Department of Public Health (CCDPH).

There are eleven (11) CCDPH-operated free immunization clinics in suburban Cook County providing immunizations for the preventable childhood diseases of measles, rubella, polio, diphtheria, tetanus, and pertussis.

Illinois state law requires that all children eligible to attend school during the 1980-81 school year show proof of adequate immunizations. If a parent is unable to show proof of these immunizations, the school can deny attendance to the child.

Among CCDPH's September clinics, which require no appointment, is: Trinity Lutheran Church, 675 Algonquin rd., Des Plaines on Sept. 18 from 9 to 11 a.m.

School districts are required to report their compliance level on Oct. 15 of each year.

LORETTA SCHROEDER (right), Past President of the Ladies Auxiliary to Skokie Valley Post No. 3854 of the Veterans of Foreign Wars, and her granddaughter KIMBERLEY ANN SCHROEDER, of the Junior Girls Unit of the Skokie Valley Ladies Auxiliary, (left), received honors recently at a VFW Auxiliary District Meeting. Mrs. Schroeder was installed as Conductress for the VFW Auxiliary 4th District of Illinois for the 1980-81 Club year. She is thoroughly experienced for her new job, having served the Skokie Unit as Conductress for many years. At the same time, KIMBERLEY, second-place winner in the 6-to-8 year old category in the 4th District's Poppy Princess Contest, was presented with a beautiful trophy and a citation suitable for framing.

## VFW Auxiliary Luncheon

SHOWN AT THE RECENT NATIONAL PRESIDENT'S LUNCHEON hosted by the State of Illinois VFW Ladies Auxiliary are (left to right): Senior Vice President BARBARA ANN MESS of the Ladies Auxiliary to Skokie Valley Post No. 3854 of the Veterans of Foreign Wars; DR. DON WOOD, Professor of Surgery, University of Illinois School of Medicine, Circle Campus; and LORRAINE HANSEN, VFW Auxiliary State Publicity Chairman.

At the Luncheon a \$9,000 check was presented to Dr. Wood by the VFW Auxiliary to help him carry on his work in cancer research. Dr. Wood will use the money for breast cancer research, endocrine work and tissue culture work, and he told those in attendance he was most optimistic at the rapid strides being made in the fight against cancer. The Skokie VFW Auxiliary gives generous contributions several times a year to the VFW Auxiliary's national program for cancer research.

## Reservations still available for Las Vegas vacation

Reservations are still available for the Las Vegas trip being planned by the Corporation of the Morton Grove American Legion Post #134. Co-chairmen Les Berg and past commander Joe Schmidt ask that residents desiring to be included in this super vacation phone immediately for a reservation. They may be reached at 478-7988; 965-1429 or 965-0739.

The trip is scheduled for Sept. 28-30. The group will stay at the Silverbird Hotel, which is the former Thunderbird. An American Airlines flight includes refreshments and the package also includes transfers, shows and cocktails.

There are many extras included in the cost of \$330 per person based on double occupancy. The co-chairmen will host complimentary cocktail parties three evenings while in Las Vegas.

The committee is obtaining an entertainment guide to enable those traveling with the group to know in advance which celebrities they would like to see while in the gambling city.

Already the Legion organization has been advised that Liberace will be featured at the Las Vegas Hilton, and Glen Campbell at the Frontier during the period of time the American Legion vacation is being planned. Singles are also invited and you need not have Legion affiliation to become part of the group.

## La Margarita program at Daley Center

The Mariachi Tapatio bring to life the folklore and music of Mexico as part of a program sponsored by La Margarita Restaurants at the Daley Center, September 8, starting at 12 noon.

As part of the celebration of Mexican Independence week in Chicago, La Margarita restaurants, in conjunction with the Chicago Council of Fine Arts, presents a "Tribute to Mexico" at the Daley Center, September 8, starting at 12 noon.

The program will feature an hour of song and dance showcasing two fine entertainment groups—the Mariachi Tapatio, a six-man Mexican band, and the Lasting Impressions, a Hispanic dance troupe that recently performed at Chicagofest.

The Mariachi Tapatio, who members all come from Guadalajara in Mexico, have been together for five years, playing before numerous audiences in the Midwest, including at one time the Mayor Daley. They usually perform at nightclubs, weddings and parties. Each of the six members of the group is an expert at his instrument. The mariachi, which resembles a mini-orchestra, combines the sounds of the violin, guitar and trumpet to evoke the flourish and romance of Mexico.

## Family Club to celebrate 70th Anniversary

More than 200 members of a Chicago based family club, the Rivke Family Verband, will gather in Lincolnwood on Labor Day Weekend to celebrate their 70th anniversary as an organization. Members of the family will convene from all over the United States including New York and California. Even cousins from Israel will travel to this country to attend the jubilee picnic and dinner dance.

The family members are all descendants of Velvel Garber who was born in Poland in the early 1800's. His grandchildren emigrated to the United States in the late 1880's and settled in New York, Chicago and Canada.

The club was founded after the death of one of its members who might have been saved if she had been helped by the family. The organization was named in her memory. In addition to maintaining contact with members already in this country, the club was instrumental in bringing most of the relatives from Europe before World War II, saving them from the Holocaust.

The family began to have regular meetings in 1910 and the first jubilee was a silver one celebrated in 1935. Living today are almost 1,000 descendants of the founder, reaching to the eighth generation. This information was gathered and put into a form of a 27-page family tree in 1976 by family member, Zalman Usiskin, Glenview. Usiskin and Sol Epstein, Chicago, are co-chairmen of the dinner.

Other members of the jubilee committee are Hilbert, Maxine and Ilene Zukerman and Leonard and Florence Stein of Lincolnwood; Sam and Ann Gluskoter, Prospect Heights; Mitchell and

## Betty Ford to be guest at Lambs' Preview

Mrs. Gerald R. Ford will be Guest Hostess at The Grand Opening Preview of The Lambs' new restaurant, The Country Inn, Friday, September 26. The Country Inn restaurant is the latest expansion of The Lambs' services for mentally retarded adults and creates new employment opportunities for men and women in the program. For the public, The Country Inn offers diners a variety of entree selections for lunch and dinners. Mrs. Ford's appearance at the Grand Opening Preview will highlight the event attended by key donors and friends of The Lambs.

Soon to open daily at 11 a.m., the newly constructed restaurant consists of three main rooms for intimate dining in a country decor. In addition, The Inn will be able to accommodate groups of up to 150 people in its banquet/meeting facility.

## Free movie tickets for "Gigi"

Free movie tickets are available at Skokie Federal Savings for "Gigi" to be shown at 10:30 a.m. on Thursday, September 4 at the Old Orchard Theater.

"Gigi" stars Leslie Caron, Maurice Chevalier and Louis Jourdan. Lerner and Lowe's music truly enhances this turn-of-the-century Parisian tale about a young girl's entry into womanhood.

Musical favorites from "Gigi" include "The Night They Invented Champagne," "I Remember It Well" and Chevalier's wonderful rendition of "Thank Heaven For Little Girls."

Tickets are available at all Skokie Federal offices or 50¢ at the door.

"Gigi" is the sixth in the series, "Cinema Classics" sponsored by Skokie Federal Savings. Skokie Federal concludes the series with "The Frisco Kid" on October 2. For additional information call 674-3600.

Open readings for roles in the Neil Simon comedy "Chapter Two" will be held by Des Plaines Theatre Guild on Sunday and Monday, September 7 and 8, at Guild Playhouse, 620 Lee St., Des Plaines.

Paula Unell of Glenview will direct the show, which will be performed for four weekends in November as the second of five productions in DPTG's 35th consecutive season. The season opener, "Sound of Music" is playing Fridays, Saturdays and Sundays from September 5 thru 28.

Auditions for the four roles in "Chapter Two" will begin at 1:30 p.m. on Sunday, and at 7:30 p.m. on Monday, and interested people may call the box office, 296-1211, between noon and 8 p.m. daily for further details.

## Morton Grove Library happenings

To open the Fall season and the new library addition, the Morton Grove Public Library will present an art exhibit and the first of a series of fine feature films.

The art exhibit will feature the paintings of Othelia Edelblut, a long-time resident of Morton Grove, and it will begin on Thursday Sept. 4 and continue throughout the month. Mrs. Edelblut's one-person show will range from the academic to abstract expression and will use a wide range of techniques and subjects.

Mrs. Edelblut studied at the Art Institute and the American Academy of Art and has exhibited her work widely in the United States. The Feature Film series will begin on Wed. Sept. 3 with a showing of "Funny Face" at 2:30 and at 7:30 p.m. This frothy film about the modeling world stars Audrey Hepburn and Fred Astaire, complimented by the music of George Gershwin.

Boyer (624-6240). The Monty Alexander Trio features musical favorites and original jazz compositions. Pianist James Dick has performed throughout the U.S.A. and Europe. On Friday, Oct. 10, prior to his Sunday concert, Mr. Dick will conduct a free music workshop for piano students in the area. He leads the Round Top Festival each summer in Texas for young people.

Tenor Philip Creech who has appeared at Ravinia Festival, Salzburg Festival, and the Met, will present a program of classical and modern selections, and favorite spirituals. The renowned Roger Wagner Chorale will feature works of Renaissance, classical and contemporary composers. The Chorale has toured twenty-nine countries and the U.S.A.

For over 30 years the Community Concert Association has brought outstanding cultural programs to this area.

## "Taste of Polonia"

"Taste of Polonia", a Polish food festival, will be held throughout the entire Labor Day weekend Friday, Aug. 29, through Monday, Sept. 1, at the Copernicus Cultural and Civic Center (presently the Gateway Theater), 5216 W. Lawrence ave. The four-day festival will be open daily from 2 p.m. to 10 p.m. Shown sampling some of the Polish delicacies that will be available at the "Taste of Polonia" is Roman Pucinski, vice president of the Copernicus Foundation, sponsors of the festival, with Danuta Zukowska in traditional Polish dress.

## Choral Society seeks new members

The Northwest Choral Society announces the beginning of rehearsals for their 15th Anniversary season. This non-profit community choral group is comprised of members from Chicago and the northwest suburbs, singing light classics and popular music under the direction of John Melcher.

Featured in the winter concert will be music of the Nutcracker Suite, and music with organ and brass accompaniment. Rehearsals begin September 8 at 8 p.m., at the First Congregational Church, 766 Graceland, Des Plaines.

Anyone who enjoys singing may attend the first "open" rehearsal or call 693-8068 or 459-0168 for more information.

## Circus Vargas

Veteran Circus Vargas logistics experts Frank Pealer, V.C. Artvett and a crew of 50 working men (and, of course, the elephants) will erect the world's largest big top - bigger than a football field - with its 90,000 sq. ft. of canvas, 25,000 ft. of cable, 13,000 ft. of rope and seating for 5,000 spectators at Golf Mill Shopping Center, Golf rd. and Milwaukee ave., Niles, on Friday Aug. 29 at 8 a.m.

The all-new 1980 edition of Circus Vargas, "America's Big Top Giant", is the realization of a dream for "America's Mr. Big Top", Clifford E. Vargas, who in seven years has tirelessly breathed life into a 150 year old American entertainment tradition - the big top circus - following its near extinction in 1956.

Circus Vargas' gala, premiere performance commences Aug. 29 at 7:30 p.m. when the euphonious shrill of Ringmaster Joe Pan's shiny silver whistle signals the start of "America's Big Top Giant".

## Craft show winners

Residents of the St. Matthew Lutheran Home of Park Ridge, proudly accepted the first place award in the nursing home category at the 6th Annual Senior Citizen's Craft & Hobby Show held at Golf Mill Shopping Center on August 2. This was their first year in which they have participated in the show.

Over 125 senior citizens participated along with the nursing home in the fair sponsored by the Golf Mill Merchants Association. Original art work, crafts, and hobbies were featured.

## "Sound of Music" opens DPTG's 35th season

Joel Cohen, former Niles resident, plays Capt. von Trapp and Jackie Shadinger is Maria in Des Plaines Theatre Guild's production of "The Sound of Music." The popular Rodgers and Hammerstein musical opens DPTG's 35th consecutive season on September 5, playing Fridays, Saturdays and Sundays thru September 28, at Guild Playhouse, 620 Lee St. in downtown Des Plaines. Phone 296-1211 for ticket reservations and season subscription information. Curtain is 8 p.m. for all but the final two Sundays which are 2:30 p.m. matinees. Door admission \$4.

### Skatium plans Open House

The Skokie Skatium ice skating school will hold an Open House from 2 to 4 p.m. on Sunday, Sept. 7 at the indoor ice rink, 9300 N. Bronx.

The program plans for the Open House include exhibitions by advanced level skaters and an on ice description of a beginner level classes. Everyone who attends the Open House will receive a complimentary pass for a public skating session.

Figure skating instructors (pros) will be on hand to answer questions and assist with registration. In addition the Skate Shop will be open for custom skate fitting and to provide for all ice skating needs.

Free popcorn will be served.

Fall programs in figure skating, hockey and speed skating begin the week of Sept. 8 at Skokie Park Districts indoor ice rink. Public skating sessions also begin at the same time. For additional information, call Skokie Park District at 674-1500.

## NILES PARK DISTRICT

### Shape Up!

The Niles Park District is proud to offer to residents some very energetic exercise classes. We start the fall off with our **Mini Slim and Trim** program, designed to "warm you up" for the 10 week class in October. The location is Grennan Heights, 9-9:45 a.m. or at 7-7:45 p.m. The resident fee is \$6 and the class dates are September 15, 17, 22, 24, 29 and October 1.

The very popular 10 week program, mentioned previously, is called **Slim and Trim**. Session I begins on October 6 and the resident fee is \$18 for 2 days a week and \$24 for 3 days a week (Monday and Wednesday or Mon, Wed, and Fri.). All classes are held at Grennan Heights. You can choose from fitness I 10-10:45 a.m. or 7-7:45 p.m. or Fitness II 9-9:45 a.m. or 8-8:45 p.m. All evening classes are co-educational, so your husband can get in on the fun! Ballet Exercises for Women is a unique class developed for using many of the ballet techniques to concentrate on the figure area between the waist and knees which is the most difficult to reduce. This is not a dance class but an exercise experience! Sessions are held at the Rec. Center on Tuesday and Friday from 1-30-2:30 p.m. The resident fee is \$4 for 8 weeks of toning up.

If a more social and less strenuous exercise class is desired, then look to our **Slimnastics** class. Firm your figure on a casual and informal level and after the exercise part, join some friends for a game of volleyball! The location is Gemini school on Tuesdays from 7:30 to 10:30 p.m. The resident fee is \$4 for a 10 week session.

Our fall, winter and spring brochure will be available after September 6. Mail in registration will begin Sept. 8 and in person registration will begin Sept. 23.

### For active Toddlers!

During school time, when the older children are away from home, the young ones can sometimes get restless and fidgety. It is with these times in mind that the Niles Park District has formulated the **Tiny Gym** (for 2 and 3 yr. olds) and the **Gym for Tots** (for 4 and 5 yr. olds) programs. Both of these programs will aid in your child's motor skill development while providing your child with energetic and fun activities. **Tiny Gym** is held on Thursday from 9-9:45 or 1-1:45 (2 yrs old) 3 yr. olds may attend on Thursday from 11-11:45 a.m. or on Fri. from 2-2:45 p.m. We do request parental assistance during the 2 yr. old class. **Gym for Tots** is held on Thursday from 10-10:45 a.m. or on Friday from 1-1:45 p.m. Both programs will begin on October 9 and run for 8 weeks. The resident fee is \$10, however the non-resident fee is doubled.

### For the young artist

Due to the extreme popularity of our current **Pencil Sketching Class**, the Niles Park District has decided to expand it's range of Art Classes. We have a class to suit the budding artist who is a genius with pen in hand or for the child who simply needs an outlet for a vivid imagination. In our **Pastel Drawing** class, students can create flowers and still life subjects with delicate chalk and pastels. Ages 8-12 are welcome in this class which begins Oct. 18, on Saturday from 1:30-3 p.m. for 8 weeks. The resident fee is \$18 which includes limited supplies. Learn to use the primary colors to make the loveliest of paintings; the **Watercolor** class will show you how! It begins on Oct. 18, 10:30-12 noon and lasts for 8 weeks. The fee of \$18 includes limited supplies. **Pencil Sketching** will cover the basic drawing techniques with the use of cylinders. This class is also held on Saturday, 9-10:30 a.m. The cost is \$16 for 8 weeks. We also offer classes in cartoon drawing, sculpture, ceramic sculpture, youth arts and crafts, tumbling, gymnastics, bakers choice and cheerleading. Call 967-6633 for information!!

### For Adults!

This fall, the Niles Park District is introducing some very new and exciting programs, geared to adults of all ages. **Woodcarving** is one of the oldest and most beautiful art forms known to man. Our expert instructor will have you carving intricate pieces by the end of the session! Classes are held at the Rec. Center on Tuesday evenings from 7:30-9:30 p.m. The resident rate is \$20 for 8 weeks (fee does not include tools). Fill your home with exquisite hand-made items! The **Needlework** Class allows you to make pictures, designs, wall hangings and a galaxy of other fine creations. You can choose from Needlepoint, crewel, knitting or crocheting and receive expert instruction. The fee is \$12 for 8 weeks and the class is held at the Recreation Center, 7877 Milwaukee ave. from 9-30-11 a.m. For those adults more inclined toward energetic movement, we heartily recommend our new dance courses. **Ballroom dancing** is the very basis for floor dancing. A modified tango, cha-cha or fox trot, becomes a wild disco step! We'll teach you to waltz and lindy also. **Ballroom dancing** never goes out of style! We'll teach you grace and style at the Rec. Center on Monday evenings from 7:30-8:30 p.m. The class lasts for 8 weeks and the resident fee is \$15.

Here's a fun new class for adults: **Dance Sampler**. We will offer a different class each

### Soccer!

Register now for the Niles Park District 1980 Soccer League. The soccer league is open to all children in grades 3-6. Practices will be scheduled with your coach and games will be played on Sunday afternoons. Learn basic maneuvers as well as strategy! The resident fee of \$12 includes all your instruction, your T-shirt and lots of fun!

The starting date is September 6 at the Grennan Heights Gymnasium. Stop in at the Recreation Center, 7877 Milwaukee ave. and register before we fill up!!

### Tap Dancing

Tap Dancing is a terrific way to teach your child rhythm and musical coordination. All classes are on Mondays, from 3:45 p.m. to 7:30 p.m. The age group is very large (3-12 yrs.) in order to accommodate all interested, however we do break down the ages. Call 967-6633 for information. Our Ballet Class is run in much the same pattern. All classes are held on Saturdays between the times of 10 a.m. and 3 p.m. Call 967-6633 for specific information. Dance is a perfect way for children to explore space, line and movement while inducing imagination and creativity.

### Job Opening at Tam Golf Course!

The Tam Golf Course located on Howard St. and Caldwell in Niles, is now accepting applications for the position of Concession Vender. All applicants must be at least 21 years of age. Need questions answered? Call Jack Henriksen, Course Manager, at 965-9697.

Lions to give free eye tests

One of the leading causes of blindness in Illinois will be dealt a serious blow September 4 when the Lions Mobile Glaucoma Screening Unit comes to the Village of Niles. Glaucoma is a symptomless disease in its early stages, but one whose progress towards blindness can be halted through early detection and treatment. Glaucoma is most prevalent among adults.

The tests will be given FREE of charge from 9 a.m. to 3 p.m. in the unit, which will be parked in the north parking lot at the Leaning Tower YMCA 6300 W. Touhy ave. Niles. Staffing the unit will be Niles Lions volunteers headed by Lion Joe Kaderabek and licensed medical personnel to do the actual screening. Staffing is done by the Lions of Illinois Foundation and assisted by the University of Illinois, Department of Ophthalmology.

No appointments are necessary for the test, which takes only a few minutes and are painless. In the test, a measuring instrument is placed on the eye to record the fluid pressure in the eyeball. An elevated pressure might mean glaucoma, or it might mean something else. Persons with an elevated pressure are referred to doctors for a complete eye check up. Since the unit began its work in 1969, more than 370,000 Illinois residents have been screened. More than 9,700 people have been found to have glaucoma in various stages of the disease, and as a result, have been able to undergo treatment necessary to preserve sight.

The Niles Lions Club announced that screening tests for visual acuity also will be given. All tests are FREE.

"Considering how serious glaucoma can be if it is not detected in its early stages, this is a rare opportunity to safeguard your eyesight," said Russ McAndrew, the Niles Lions Club President. The Lions of Illinois Foundation is a non-profit organization that relies on the contributions of local Lions Clubs, Individuals, and businesses to finance various projects and programs for the visually handicapped. The Foundation is recognized by the Internal Revenue Service as a tax exempt group. Foundation offices are located at 1515 N. Harlem ave., Oak Park, Illinois, 60302.

Watch Program

Elderly Skokie residents who live alone are offered reassurance by the Carrier Watch Program sponsored by the Skokie Post Office, National Association of Letter Carriers, and Skokie Office on Aging.

Upon registration in the program, a decal not visible to the general public will be placed in the participant's mailbox. Failure to pick up mail for two days by the participant will cause the postal carrier to alert the Office on Aging. The Skokie Office on Aging will attempt to contact the resident, and if necessary send help.

Skokie residents, 60 years or older, or handicapped, may participate in this community concern program.

For further information, please call the Skokie Office on Aging, 673-0500, ext. 208 or 209, or stop in at the Albert J. Smith Activities Center, Lincoln and Galtz, Skokie.

Leaning Tower Family "Y" 25th Anniversary

The Leaning Tower YMCA will be celebrating its 25th Anniversary September 4, 5, and 6. Listed below are the special events scheduled for the entire 3 days.

Business and community leaders will be helping the over 20,000 members celebrate this auspicious occasion.

From a small Skokie store front, the Leaning Tower YMCA has grown to one of the 5 largest Y's in the world during the past 25 years!

## From the LEFT HAND

East. At a very early age he was determined he would someday become a teacher, and at Maine East. He got his wish in the early 60's, returning after being away from the school for 6 years while he attended college.

Paul and I and 50 other Mainites sat thru Monday night's meeting hearing Maine East's special ed center would cost \$3,000,000 to replace. We heard East has a capacity for 3,300 students while North can hold a maximum of 2,500. North has a great swimming pool, great for spectator sports. East has the only large Maine indoor track, and is deeply involved in the evening MONNACEP program. North has the finest drama and speech facilities in the district. Its science labs have the greater flexibility. North's physical ed facilities are not as spacious as East's.

Enrollment will be 1,022 at North, 2,400 at East in the '82-'83 year.

Maine East has excellent parking, the largest kitchen, the most central location, excellent transportation, highest resale value, only 10% air conditioned and 75% of the school is 25 years or older, 25% is 30 years or older. The roof needs repair and the dimmer board in the auditorium needs upgrading. It is a 70 acre facility.

Maine North has a maximum capacity of 2,500, has a ¼ mile all-weather track, is the smallest campus with 53 acres, is 85% air conditioned, 50% is 10 years old or less and 50% is 25 years old or less. There are no major capitol outlays planned; there is great flexibility because of the dry wall and steel stud construction which can easily be enlarged or revamped though this construction has led to much vandalism.

Energy costs for the 2 schools are quite similar with Maine North costing 66.8 cents per square foot per year while East costs 68.5 cents.

Maine North has the potential for a corporate headquarters while Maine East has the more valuable and saleable property estimated at \$19,000,000. North's value is about \$11,000,000 with the difference being in the value of the land.

Whatever the decision of the board, which will take place Sept. 7, the board will still seek an approximate 40 cent tax raise at a November 22 referendum. A home assessed at \$12,000 would pay about \$48 annually for the high school tax increase.

The guy at the beginning of this article, Paul Carlson, is my kind of guy. He gets out among the troops and fights for what he believes requires his efforts.

Maine East is Paul's "bag". He's immersed in its traditions. He can walk its campus and accept the whispers of thanks from the boughs of the mighty oaks which grace its walks. And when Mainites are singing the Messiah you'll see Paul in the middle of the choir.

Paul Carlson wants you to write the school board members at the Deer rd. address. A Niles lady, Connie Funaro, has a

Continued from Page 1

similar request in our letters column this week. Both are seeking to keep Maine East open.

The decision on closing schools will take place Sept. 7. If it matters to you, as it does to Paul and Connie, take the time to write a letter to the school board.

As we've mentioned so many times, you're the guy who foots the bills. You own the schools. You work hard for your buck. Let the people who represent you know what you want done with your hard earned money.

Since both schools fall within our areas we suggest whatever your convictions, you should make them known.

We're wary some Park Ridge board members might want to close Maine East. So long as East stays alive there is always the chance Maine South might be closed next. By shutting East it would insure South would always remain open.

We think Niles, Morton Grove and East Maine residents should actively make their feelings known. We are presently under-represented on the school board. We were aced out of one seat on the board. It could prove detrimental to our area in the Sept. 7 vote when Park Ridge and Des Plaines board members hold the majority vote on the board.

It's our thought if Maine East is closed first Maine North will be closed a couple of years later. We will no longer have a local school in our areas to house our own children.

### MG tax rate . . .

Mayor Richard Flickinger also assured residents that "as soon as we see our way clear, we will start selling some of our other property." He was referring to the current village hall and old police station on Callie and Lincoln, as the new municipal building will be ready soon.

The dedication date for the new village hall has been moved to Oct. 26 to allow "certain dignitaries" to attend who could not make the earlier date.

One more expenditure which was approved at the village board meeting despite some emotional debate was for the purchase of a new fire department pumper at a cost of \$94,986. That includes a trade-in on two old pumpers.

Trustee Richard Hobs argued that because "the buck stops here" they had to curtail their spending at some point. Trustee Don Sneider spoke once again to the point that the previous administration left them with archaic and antiquated buildings and equipment and if each item

Continued from Page 1

had been rebuilt or replaced in its proper time, it wouldn't all fit on them now.

Trustee Neil Cashman wanted residents to be aware that money for this purchase was appropriated in last year's budget and will be covered by federal revenue sharing funds.

In other business at Monday night's village board meeting, village attorney Martin Ashman reported that the village was successful in blocking Don Cohon Oldsmobile from illegally setting up a tent sale in Goldblatt's parking lot.

The car company failed in their attempt to get an emergency restraining order, claiming that they had invested \$20,000 in the event, unaware that this type of open sale violated laws. They were able to move the sale to their own lot, as such a special use permit had been granted to that property in the 1960's. Ashman was pleased that the "integrity of our zoning ordinances was upheld."

"We're looking forward to making Centreat a vital and important hub for the performing arts for the entire Chicagoland area. Communities throughout the state have their eyes focused on us because we're serving as a model for recycling a high school which has been shut down because of a severe drop in student enrollment. Niles East was the first major high school to close in the state for that reason," says Ortmann, who graduated from the school in 1972.

Theater groups and business organizations interested in renting the Centreat Auditorium may call 673-6300 for further information.

### Pre-marital institute

Engaged couples are invited to attend a pre-marital institute to be held at Lutheran General Hospital, Park Ridge, on September 8, 15, 22 and 29.

The sessions run from 7:30 to 10 p.m. and include lectures and discussions about the physical, emotional, spiritual and social aspects of marriage.

Couples may enroll through their own clergyman or by contacting the pastoral care division of Lutheran General at 696-6395.

Mr. Waring, now in his eighties, has announced that this is his final national tour. The two other attractions of the series include "An Evening with Cole Porter" in February on Valentine Day and an appearance of the world-acclaimed National Folk Ballet of Yugoslavia direct from Belgrade, with a company of 45 dancers, singers and musicians on March 21, 1981. Individual tickets and reduced price subscription tickets may be ordered by calling the Fine Arts office at 673-6300 or by writing the Fine Arts Commission, Village Hall, Skokie.

To help finance the early stages of its operation, Skokie Mayor Albert Smith and the Board of Trustees voted unanimously in June to award a grant of \$50,000 to the Centreat organization. Just prior to the Skokie grant, the Niles Township Board also awarded a \$20,000 grant.

Says Centreat Executive Director Jeff Ortmann, "We appreciate the confidence that the Village of Skokie and the Niles Township Government have placed in us, but much more funding is needed to assure the permanence of the Centreat Performing Arts Center, and we welcome contributions from other communities, corporations, and individuals."

"We're looking forward to making Centreat a vital and important hub for the performing arts for the entire Chicagoland area. Communities throughout the state have their eyes focused on us because we're serving as a model for recycling a high school which has been shut down because of a severe drop in student enrollment. ### Library board OK's tentative branch lease

by Eileen Hirschfeld Niles Library board members approved tentative plans for a lease to relocate the branch library, 9010 Milwaukee ave., to Ballard school, 8320 Ballard rd. Both locations are in Niles. Action took place at a special board meeting Saturday.

Board members are asking for a two year lease with an option to renew from East Maine School District 63 in which Ballard is located. The lease is expected to go into effect Oct. 1.

Callero and Catino, now renting space to the branch library in the Shoppers Walk Shopping Center, charges about \$44,679 a year for rental and maintenance of the present 5,000 square foot library. A boost in the consumer price index would raise the amount by about 25 per cent next year. Rental and maintenance at Ballard school will be about \$22,630 a year for about 9,000 square feet, double the present area in Shoppers Walk.

The Library District hopes to rent about six rooms and two washrooms at Ballard. Extra ex-

penses involve new personnel and security. The net decrease will be about \$15,000 a year while doubling space available to the public," said library board member Margaret Rajski.

### Tom W. Vinzant

Marine Pvt. Tom W. Vinzant, son of Guy E. and Mary L. Vinzant of 504 Good Ave., Des Plaines, Ill., has completed the infantry combat training course at the Marine Corps Base, Camp Pendleton, Calif.

both would-be renters may necessitate a special board meeting. The YMJC is scheduled to hold an open house Sept. 4 and the library branch lease, now at Shoppers Walk, terminates Oct. 31.

Board members approved a resolution for a public budget hearing and appropriation ordinance 7:30 p.m. Sept. 30 in the Apollo school. The budget will be available for a 30-day review at district schools, the administrative center and Niles library. A resolution for a tax increase referendum will be presented at the Sept. 9 meeting for board approval. Voting will be Oct. 25. Board members approved limitation of voting to five schools now open for student attendance.

Paul Kremkau and Raymond Kuper were approved as administrative assistants in the junior high schools. Their jobs will include both teaching and fulfilling the former role of assistant principal.

Kenneth Pancyk, former assistant principal in both junior high schools, will be principal of Melzer school, 9400 N. Oriole ave., Morton Grove. The former principal of Melzer, Lenore Page, will return to her post as assistant superintendent for curriculum and instruction.

Philip Deckowitz, board member, proposed two motions which will pledge specific sums to MS for each mile completed.

General chairmen of the event are Alan Page, Chicago Bears defensive tackle, and Derek Spalding, Chicago Sting defender, both members of the sports committee of the Chicago-Northern Illinois Chapter, National Multiple Sclerosis Society. Other sports committee members supporting the event are Brian Buschgang (Lakeview resident), wide receiver for the Chicago Bears and sports committee chairman; John Pont, Evanston, Northwestern University athletic director and vice president of the Chicago-Northern Illinois MS Chapter; Chicago Bears place kicker Bob Thomas (Lisle resident), and Sandy Lenz, Rockford, Olympic ice skater.

Registration and sponsor forms are available at Jewel Food Stores and at the MS Society (Call 312/922-8000).

### MS Bike 'N Hike . . . Continued from Page 1

city limits of Chicago, the route covers a distance of 8.5 miles with checkpoints at the forest preserve bike path near Devon ave. and Lehigh ave., at Touhy ave., Oakton st., Dempster st., Golf rd., and Lake ave. in Glenview.

Cyclists and hikers may begin and end the day at any checkpoint. The North Branch is one of 19 scheduled for the event.

John Brock, "WTFM" disk jockey, is grand marshal of the Bike 'N Hike which will feature grand prizes as well as individual route prizes based on the most miles completed by bikers and hikers and the most funds raised for MS research and patient services.

Special arm patches will be awarded to those who achieve long distance records—15 mile hikers, 50 and 100 mile bikers. Bonus gifts will go to those preregistered for the event. Participants will obtain sponsors who

guilty on the charges, but stipulated to the facts, according to a spokesman for the state's attorney office.

Maksic also failed to appear on Aug. 11 at a continuation of a hearing by the Village of Niles on a show cause why his business license should not be revoked in the Village of Niles. Hearing Officer Robert Henig has turned his findings over to the office of Mayor Nicholas Blase.

In the meantime, the donut shop remains closed while Maksic now faces court action for non-payment of rent in the Lawrencewood shopping center. Maksic is approximately \$875 in arrears on his rent payments.

## Life Alert

The North Maine Fire Department is sponsoring an important step toward better and faster emergency medical treatment: Life Alert.

The Life Alert information system consists of a bright orange vinyl packet which is pressure sensitive and adheres to the front of a refrigerator, the glove compartment of a car, or any other place where it can be easily seen.

The Life Alert packet contains a health record for a person such as who to contact in case of emergency, physician's name, blood type, allergies, health conditions which are being treated, medications prescribed, health insurance information, etc.

The Life Alert packet will be a valuable tool to emergency medical personnel arriving on the scene involving an unconscious person.

Anyone interested in obtaining a Life Alert packet free of charge can do so by stopping by the North Maine Fire Department at 9301 Potter rd. in unincorporated Des Plaines, between the hours of 8 a.m. to 5 p.m. any day of the week.

## Legion Essay Contest Winners

Morton Grove American Legion Auxiliary Unit No. 134 retiring president Phyllis Rieck reports the winners of the Legion Auxiliary's annual essay contest have been announced.

Traditionally the names withheld until after the various school's graduation exercises as the students are awarded these prizes at that time. Monetary awards were made to the winners.

The theme of the contest was "Why I Would Rather Live in the U.S. Than Any Other Country."

Mrs. Elsie Werner was contest chairman in her role as Americanism Chairman of the Unit. She was assisted by retiring vice-president Julie Karsten.

Second and third place awards were made at St. Martha's and Jerusalem Lutheran due to the large number of entries received from those two schools. All area grammar schools were invited to participate.

St. Isaac Jogues also had entrants, and the winner chosen from that school was Peter Lisowski.

At St. Martha's, the first place award was made to Andy Zmolek, 2nd to Kathy Kelly and 3rd to Jenny Chen.

The Jerusalem winners were: 1st, Karen Hennig; 2nd, Jeff Wenzel; and 3rd, Fattie Hennig.

The first place selections were sent on to the district competition where a winner was to be named and that entry moved on to county judging.

### Library board OK's tentative branch lease

by Eileen Hirschfeld

Niles Library board members approved tentative plans for a lease to relocate the branch library, 9010 Milwaukee ave., to Ballard school, 8320 Ballard rd. Both locations are in Niles. Action took place at a special board meeting Saturday.

Board members are asking for a two year lease with an option to renew from East Maine School District 63 in which Ballard is located. The lease is expected to go into effect Oct. 1.

Callero and Catino, now renting space to the branch library in the Shoppers Walk Shopping Center, charges about \$44,679 a year for rental and maintenance of the present 5,000 square foot library. A boost in the consumer price index would raise the amount by about 25 per cent next year. Rental and maintenance at Ballard school will be about \$22,630 a year for about 9,000 square feet, double the present area in Shoppers Walk.

The Library District hopes to rent about six rooms and two washrooms at Ballard. Extra ex-

penses involve new personnel and security. The net decrease will be about \$15,000 a year while doubling space available to the public," said library board member Margaret Rajski.

Previous negotiations were conducted with members of the school administration.

Board members discussed a one year lease with an option to renew but library board consensus seemed to be it takes at least two years for library circulation to rebuild.

Expenses at Shoppers Walk other than rent included two maintenance fees, glass and public liability insurance, heating and air-conditioning scavenger service, gas, electric, telephone, and real estate tax.

Indoor and outdoor maintenance will be provided by the school district along with heat and light. Air-conditioning will probably be installed by the library district.

Final action may have been taken 8 p.m. Wednesday in the main library (after the Bugle had gone to press).

## SAVE MONEY!! SAVE ENERGY!!

### You'll do both when you replace your old gas water heater with a new STATES SUPER SAVER WATER HEATER with Foamite Insulation

It delivers more hot water—for less! Hot water is what you are buying, and hot water is what SUPER SAVER delivers—plenty of it! Our 40 gallon gas SUPER SAVER QR, for instance, has a recovery rate of 53.7 gallons per hour, and that's a whole lot more than other energy efficient water heaters can offer. Matter of fact, it's 19.6 gallons more per hour than Rheem's 40 gallon Energy Miser Imperial®, and 20.9 gallons more per hour than A.O. Smith's 40 gallon Conservationist.\*

\*Figures based on figures published U.S. Department of Energy's, Efficiency and Data obtained in December 15, 1979 and A.O. Smith's, recently published test data obtained in their own laboratories. "Energy Miser Imperial" is a registered trademark of City Investing Company and "Conservationist" is a registered trademark of A.O. Smith Corporation.

SUPER SAVER fits where others won't. That's because Foamite is a better insulator—17% better, and it takes less space. For example, the SUPER SAVER 40 gallon under-counter model is only 24" in diameter and 30½" tall.

# Wickes Furniture grand opening storewide sale

**we're celebrating the grand opening of our new Niles showroom with storewide savings at all 7 Chicagoland Wickes Furniture stores!**

The grand opening of our beautiful new store in Niles calls for a celebration—and that's what's in store for you at your nearest Wickes! We're inviting our new neighbors and old friends alike to our storewide sale and celebration festivities. Now through Monday night, September 8th, everything is on sale at every Chicagoland Wickes. Everything, from complete room settings to the small accessory—and, it's all backed by the Wickes Promise of Satisfaction.

In addition, each Chicagoland Wickes store will celebrate the grand opening with a sweepstakes drawing on Tuesday, September 9th. Be sure to fill out an entry form when you visit Wickes—you could be one of 21 lucky prize winners. So, whether you live close to Niles, or clear across town, don't delay—head for the Wickes nearest you. Our big Chicagoland storewide sale and grand opening festivities end Monday night, September 8th. Quality home furnishings at prices you can afford... that's Wickes Furniture!
