Suburbs file second law suit against water rate hike

by Diane Miller
Niles Mayor Nicholas B. Blase and suburban officials from 56 other communities banded together once again last Friday and filed a suit in Chicago's Circuit Court stating that the city's 51 per cent proposed water hike

which is to become effective on May 1 should not apply to the suburbs.
Blase cited Chicago for transferring costs to the suburbs which are "purely Chicago costs". City water revenues, he said, pay for water main repairs,

customer billing services, police and fire protection in Chicago and the charges for water which is given to public institutions.
Blase and the coalition of 56 suburbs originally filed suit in 1977 trying to get Chicago's water

Absentee ballots for Dist. 207 referendum

Voters, who will not be able to cast their ballot in the Tuesday, April 7 referendum to increase the educational tax rate for Maine Township High School District 207 because they will be absent from their place of residence, should apply for absentee ballots now.

Applications are available at the District 207 Administration Center, 1131 S. Dee rd., Park Ridge, 60068, or by calling 696-3600. Applications must be returned to the Cook County Clerk's office. That office will then mail the applicant an absentee ballot.

Negotiations to begin with Evanston firm

Cablenet gets nod from Niles

by Bob Besser

Niles residents came a step closer on Tuesday night to having cable television in their homes when the Niles Village Board decided on a cable company to which it would offer the lucrative Niles franchise.

Accepting the recommendation of the village board's cable television committee, the trustees voted 5 to 0 to begin negotiations with Cablenet, Inc., of Evanston. Trustee Bart Murphy was not present at Tuesday night's meeting.

Additionally, the board voted 4 to 1 to make Cablevision of Chicago the first alternate cable company in the event negotiations with Cablenet, Inc. are not successful. Trustee Pete Pessle was the sole trustee to vote against Cablevision of Chicago.

Tuesday night's action was the culmination of months of work by the cable television committee chaired by Trustee Carol Panek. The committee made its selection

Donation to handicapped park

Shown at the Feb. 17 Niles Park District Board meeting are Park Commissioners and representatives from the Knights of Columbus, North American Martyrs, who presented the District with a donation in the amount of \$3,000 representing the proceeds from the organization's annual Tootsie Roll Drive to help the handicapped. This generous gift will be used by the Park District to help defray the costs of the therapeutic playground equipment being installed at Golf Mill Park.

From left are Commissioners Steve Charnerski and Walt Beusse, Past Grand Knights Ken Lee and Ken Piassek, Grand Knight Matt Araszewski, Commissioner Elaine Heinen, Vice President Jeff Arnold, and Board President Dan Kosiba. If any individual or organization cares to make a donation to this worthy cause, please contact Commissioner Elaine Heinen.

Detachment opposition group lauds District 63

by Eileen Hirschfeld

Several members of a group, Washington School Parents Who Oppose Detachment (from School District 63), applauded after their spokesman read a lengthy endorsement of district educational policies at a regular board meeting March 10 in Apollo School, 10100 Dee Rd., Des Plaines.

At a former meeting, board members voted to keep the school open at least four more years to help stabilize the district and to reassure Washington School parents wanting to join Glenview school district 34.

The spokesman said parents studied both districts. She cited achievements of District 63 in reading, educational experiences, math, writing, special

education and team teaching as well as carryover into the junior high school and high school programs.

She concluded, "We feel strongly that we have educated ourselves over the last eight weeks before reaching this decision and we would hope that all parents and residents would personally seek the necessary information before signing a petition for detachment."

A mother from the group, when asked how many parents are represented by this organization, said she did not know.

Allan Hanhart, a Washington parent, and Kathleen Zoran, president of the East Maine Teachers Assn., also read

Dems file suit against Maine GOP officials

by Bob Besser

Democratic candidates for Maine Township offices announced on Saturday, March 7, they have filed a suit to force the current Maine Township officials to account for all monies paid them in the past, to reimburse the township for money issued to them improperly, and to release minutes and financial records asked for by Maine Township Democratic candidates.

Repeating allegations by Democratic candidates that the Republican Township officials have supplemented their salaries through the use of undocumented

expense accounts and travel expenses, the suit seeks to have all financial documents since 1968 reviewed. Contending these expenses were illegal, the Democrats ask in the suit that the court order the officials to repay the money to the township.

Additionally, Democratic Township Supervisor candidate Barry Lipin asked in the suit that records be made available from March 1969, March 1973 and March 1977. Also Lipin requested the annual township budget reports from 1969 thru 1981. Lipin said he

County vehicle sticker deadline extended

Maine Township Clerk Paul K. Halverson's office has received word from the Cook County Collector that the deadline for display of county vehicle stickers by residents of the unincorporated areas has been extended to March 15.

Previous announcements from the Collector had indicated ticketing by sheriff's police of vehicles not displaying stickers would begin on March 1.

Vehicle stickers and applications for county vehicle stickers are available at the Maine Township Clerk's office, Suite 103, 2510 Dempster st., Des Plaines, just west of Potter road on the north side of Dempster. Clerk Halverson states his office will sell the county vehicle stickers as a service to residents

of the unincorporated area thru April 18. Office hours are 9 to 5 weekdays, and 9 to noon Saturdays. Phone 297-2510.

County vehicle stickers are \$10 for vehicles of 35 horsepower and under, and \$15 for vehicles over 35 horsepower. Senior citizens aged 65 or over may purchase vehicle stickers for \$1 with valid proof of age and vehicle ownership.

Firefighter training

Forty hours of advanced training in fireground management for firefighters was offered at the North Maine Fire-Police Department, Des Plaines, March 2-6, according to Professor Gerald Monigold, director of the University of Illinois Fire Service Institute, Urbana, Champaign.

The course, open to members of Illinois fire departments, was taught by Dale C. Moore. Five 8 hour sessions were scheduled.

David F. Dow

Navy Fireman David F. Dow, son of Mary W. Dow of 9301 W. Ballard Road, Des Plaines, Ill., has completed recruit training at the Naval Training Center, San Diego.

STRESS MANAGEMENT

A lecture by Mr. Irwin Aloff, physical education instructor at Wright City College and YMCA College in Chicago. He will discuss and demonstrate common relaxation and exercise techniques used to alleviate the stress of modern day living. Monday, March 23rd, 7:30 p.m. at the Morton Grove Library's Baxter Room.

RISK FACTORS OF STROKE

Stroke remains a major health problem, although the past two decades have seen a considerable decrease in its incidence. Close to 400,000 new strokes occur in the United States every year, with one of every three resulting in death within the first thirty days. Over half of the survivors have significant permanent disability. These ominous statistics command continuing efforts at prevention of this dread disease.

High blood pressure is the most significant risk factor of development of stroke. More than one-half of the strokes in the adult population occur in hypertensive patients. Diabetes is a second important risk factor. Some studies have indicated that diabetes may be present in from 10 to 30 percent of stroke patients. A third risk factor is the presence of heart disease. It is estimated that 30 percent of stroke patients have coexistent coronary heart disease and 15 percent have had heart failure. The fourth major risk factor is the presence of transient ischemic attacks or small strokes. These attacks generally last only a few minutes and are characterized by weakness, disturbances of sensation in one arm or leg, difficulty in communication, fading vision in one eye, and difficulty in maintaining balance.

These risk factors, as well as being dangers leading to strokes, are also related to being overweight, having elevated blood fats such as cholesterol and the cigarette smoking habit. These latter factors must therefore be considered as indirect risk factors for the occurrence of stroke.

The best ways to reduce these factors would be to: maintain a desirable weight while restricting the diet to more nutritional consumption, avoidance of cigarette smoking, and participation in regular moderate exercise. (Reprinted from Heartbeat of the Chicago Heart Association.)

THURSDAY SOCIAL CLUB

Expanding membership in the senior clubs meeting at the Prairie View Community Center has necessitated opening another day to accommodate Morton Grove seniors age 55 and older who would like to drop in to play cards.

The new senior group will meet from 11 a.m. to 2:30 p.m. every Thursday. For further information contact Leo Provost, Senior Activities Coordinator, 965-4359.

BINGO DAY

A senior citizen "Bingo Day" is scheduled for 1:30 p.m. on March 24th in the Senior Citizen Center at the Village Hall. Bingo is absolutely free and cash prizes will be awarded by the Morton Grove Bank.

Tickets for entry will be available on Monday, March 16, from 9 a.m. until noon in the Senior Center, 6101 Capulina. The tickets are free - one per person - and you must have a ticket in order to play. There are only 95 tickets and they will be distributed on a first come/first served basis.

A TIME FOR HEALING

A grief recovery program helps grief-stricken individuals talk about their losses. There are five separate emotional-support groups that meet twice monthly at locations near Lutheran General Hospital. The groups are for widows and widowers over age 60; widows and widower under age 60; parents who have had a child die; parents of a stillborn or an infant who died; and adolescents who have had a parent or sibling die.

Each group is led by a member of Lutheran General Hospital's Pastoral Care Department and other health-care professionals. There is no charge to attend the groups and no requirement to attend a certain number of meetings. For more information, call 696-6395.

HEALTH CARE COSTS

As most seniors know, Medicare is not a complete health insurance policy. The latest figures show that seniors pay 70 cents for each dollar their physicians charged. This is partly explained by the annual \$50 deductible, monthly premiums of \$11 (increased from \$9.60 starting in July), and a 20 percent co-insurance provision, which means that the patient is expected to pay that share of the costs.

But the major reason for the \$1.1 billion a year financial burden on old people is that most doctors who participate in Medicare, charge more than the program's maximum established fees. Those physicians who do not go above Medicare's established fees are said to be those who "accept assignment".

Although the care these physicians render is as much as two or three times less expensive, there is no evidence to suggest that it is inferior. Where can senior citizens find such a doctor? The Public Citizen-Health Research Group in Washington suggests that seniors write lawmakers, asking for changes in the Medicare law that would allow government to publish directories listing doctors who apply extra charges and those who do not.

For further information on what senior citizens can do to hold down their Medicare doctor bills, write: the Health Research Group, Room 708, 200 P Street N.W., Washington D.C. 20036.

For additional information about these and other Senior Programs, call the Morton Grove Senior Hot-Line, weekdays, 9 a.m. until noon, 965-4656, or Bud Swanson, Senior Services Coordinator at the Village Hall, 965-4100.

Memory-A-Thon at St. John Lutheran

During the months of October, November, and December the students of the St. John Lutheran Church Sunday School, 7429 N. Milwaukee Avenue, Niles, held their second annual Memory-A-Thon. Under the direction of Mrs. Beth Neuberger, Sunday School Superintendent, students in grades 1 through 8 participated in memorizing Bible verses which were chosen from the Book of Isaiah. The children collected pledges from friends, relatives, and members of St. John and earned \$224.90.

All monies earned through the

Memory-A-Thon will be sent to a mission school in India where a student named M. John, which the St. John children have adopted, attends. The Bible and Literacy League in Hillsboro, Missouri, sponsors the mission school which M. John attends in Madras, India. Through their offerings, the students of St. John regularly send \$15 per month to the mission school. This money provides food, clothing, and school supplies.

Each Sunday School class takes turns writing to M. John, their adopted "brother".

Lioness Club speaker

Ray Newman will be guest speaker for the Lioness Club of Niles on Wednesday, March 18, at 8 p.m. at the Trident Center in Niles.

A second time winner of an outstanding volunteer service award in the field of Children and Youth is Ray Newman, who this past year logged 1,248 hours teaching gym classes to physically and mentally handicapped children. He was nominated by the Leaning Tower YMCA, 6300 W. Touhy Ave., Niles. Newman, 75 and a retiree, was selected for his outstanding work with deaf, blind, cerebral palsied, autistic, and learning disabled children aged eight months to 14 years.

He is cited for providing a "one of a kind" program which, through coordination training, has helped ten of these handicapped children actually learn to walk.

Everyone is welcome to join the Lioness Club of Niles for an informative and inspiring evening. Refreshments will be served.

Morton Grove Bank games program

The Senior residents of the 9016 Waukegan rd. building in Morton Grove enjoyed an exciting afternoon of games on Tuesday, March 3. Approximately 30 residents, some with canes, some with walkers, and in some cases chairs, came to enjoy the Morton Grove Bank Games Program and cookies.

Celia Hansen, Bank Hostess, congratulates the many winners and is looking forward to returning for the next program on Tuesday, May 5.

CPR course

A Cardiopulmonary Resuscitation (CPR) basic rescuers course is being offered at Holy Family Hospital on Saturday, March 14, from 9 a.m. to 3 p.m.

CPR training is a simple procedure that can be used to restore a person's heartbeat or breathing following a heart attack or other type of medical trauma while waiting for more skillful medical personnel to arrive.

To register call the hospital's Public Relations Department at 297-1800, ext. 1174, weekdays, 8 a.m. to 5 p.m.

A First IRA Account can mean thousands of "extra" dollars for your retirement

Currently, you can earn up to 12% (12.747% effective annual yield-\$500 Minimum) with a First National Bank of Des Plaines 2½ year IRA Certificate of Deposit. If you were to contribute \$1,500 each year, you would have:

30 YEARS	471,951	186,590	285,361

* NOTE: Figures assume 25% income tax bracket and are based on a net annual deposit of \$1,125 (\$1,500 less \$375 in assumed income taxes).

- These tables are for purposes of illustration only. Interest rates are subject to change and will vary over long periods of time. Specific rates will be quoted at the time the accounts are opened and reviewed regularly in the best interest of the depositor.
- Federal regulations require a substantial interest penalty on funds withdrawn from certificates before maturity.

Opening an IRA by April 15th this year can save you hundreds of dollars on last year's taxes

Are you a full or part-time employee who doesn't currently participate in a tax-qualified pension plan? Your personal banker can put you into an IRA account that lets you deposit up to \$1,500 (or 15%, whichever is less) of your annual earned income.

Married persons - when only one spouse works - can deposit up to \$1,750.

The benefits are sizeable. By opening an IRA by April 15, you can deduct the entire amount from your declared income to save hundreds of dollars on last year's taxes. At the same time, you'll start building for the future in a high-interest savings plan.

Taxes on your accumulated savings and interest earned won't be payable

until you start withdrawing at retirement, when you'll be in a lower income bracket.

Self-employed? You can enjoy similar tax benefits from one of our Keogh retirement plans that allow you to shelter up to \$7,500 a year from your earned income. Since funds for any tax-qualified plan are earmarked for retirement, there are substantial interest penalties for early withdrawal from either IRA or Keogh.

Setting up the best possible retirement plan is just one more service of your personal banker - an experienced bank officer!

If you don't have a personal banker, drop in. We'll be glad to arrange it!

Niles Girl Scouts on the move

Brownie Troop 601 of St. John Brebeuf is the lucky troop who helped come up with a theme name for a girl scout "Expo" (a demonstration of girl scouting), being held in March by all Brownie, Junior, Cadette and Senior Girl Scouts in Service Unit 669 of Niles, to celebrate Girl Scout Week. All the scout troops were asked to submit names to help choose a title for the "Expo". Brownie Troop 601 came up with the name "Scouting on the Move". From that, came the name "Niles Girl Scouts on the Move."

Congratulations to the girls of Brownie Troop 601 who are: Celeste Cece, Kathleen Piento, Heather Holohan, Deann Burke, Kim Nicholas, Tina Sensi, Christine Mazik, Cheryl Bronder, Ronni Bolbat, Marlee Seiwert, Jennifer Blase, Dena Golojuch, Michelle Sobarna. The leaders of the troop are: Mrs. Audrey Gienko and Mrs. Jan Kamptner.

"Niles Girl Scouts on the Move" will be held on Saturday, March 21 in the Niles Elementary North School, 6921 Oakton st., Niles, from 10 a.m. to 2 p.m. Featured at this "Expo" will be demonstrations of flag ceremonies, investiture & fly-up, first aid, crafts, knots and lashing, badge work, dancing, singing, and games. The "Expo" is free and everyone is invited.

Golf Mill to host 'Rocking Chair-A-Thon'

Have we found another challenge for the Guinness Book of World Records? Maine East Child Care Occupations Club (CCO) will raise funds for the Sunshine Foundation by staging a "Rocking Chair-A-Thon", Saturday, March 14, from 10 a.m. to 4 p.m. at The Attitude, furniture store, Golf Mill Shopping Center in Niles.

Nine CCO students will be rocking for 6 hours in rocking chairs supplied by The Attitude, on the North Mall. The students were sponsored by family and friends. All businesses at Golf Mill Shopping Center in Niles, were also asked to make contributions which will all go to support the Sunshine Foundation.

The Sunshine Foundation in Philadelphia was founded by William Sample, a former police officer who was concerned with chronically and terminally ill children. The intent of the foundation is to grant a dream or last wish for the child. One child wanted to spend a vacation in

Florida. The foundation sent the child and his family there for a week.

The CCO, composed of nine girls, Seniors Kathi Sullivan and Theresa Taylor, and Juniors Arlette Spreitzer, Patti Lehman, Karen Obeld, Janet Lee, Sandie Lindquist, Mona Fisher, and Nancy Grossman are headed by Jodie Campbell, CCO Advisor.

How did the CCO select the Sunshine Foundation? President Kathi Sullivan explains, "We were planning to do the Rocking Chair-A-Thon, but did not have a charity in mind until I read an article in the Tribune regarding the Sunshine Foundation."

A title in the Guinness Book of Records does not seem attainable, but for nine local girls, a record in Niles will be made. In fact, these girls might be the first rockers to go down in Niles' history, and they said rock 'n' roll wouldn't last.

Golf Mill Shopping Center is located at the intersection of Golf and Milwaukee Roads in Niles.

Accetturo promoted

Senior bingo winners

On Tuesday, Feb. 3, about 70 seniors from the Northwest Suburban Jewish Congregation enjoyed the games program presented for them by the Morton Grove Bank.

Celia Hansen, hostess for the Bank, was told by the club president, Betty Winoker, that "she had attended many Bingo games but the Morton Grove Bank bingo was the best run and most fun."

Happy special games winners are pictured showing winning numbers to Celia Hansen, second from left. A good time was had by all and they are looking forward to the next program.

Family film series at St. John Lutheran

You are invited to see and hear America's leading Christian authority on the family, James C. Dobson, Ph.D., in the challenging new "Focus on the Family" film series at St. John Lutheran Church, 7429 N. Milwaukee ave. (near Harlem) in Niles. These films will be shown during the months of March, April, and May. NO registration fee or admission will be charged but free-will offerings will be received at each showing to help defray the cost of the film series.

Each film will be shown on Sunday Mornings at 9:15 a.m. and repeated on Monday evenings at 7:30 p.m. The Monday evening sessions will feature a discussion period following the film shown. Study Guides which will be available are optional.

These nationally acclaimed films feature Dr. James Dobson, an active Christian layman with wide experience as a teacher and psychologist. In his practical and captivating talks he takes up such topics as discipline in the

home, Christian fathering, adolescence, sexuality, marriage, money and children.

"The Strong-Will'd Child" is scheduled for March 15 and 16, followed by "Shaping the Will Without Breaking the Spirit" on March 22 and 23, and "Christian Fathering" on March 29 and 30. In April and May the films will cover "Preparing for Adolescence" April 5, 6, 12, and 13; and "What Wives Wish Their Husbands Knew About Women" April 26 and 27 and May 3 and 4. The films will be shown in the Church Sanctuary on the days mentioned.

The Congregation of St. John Lutheran Church extends an invitation to friends in the community to experience insights that have changed the lives of thousands of families.

Edison Park Lutheran Church

At 4:45 in the afternoon on Sunday March 15, a Friendship Hour will be presented at Edison Park Lutheran Church, located at Avondale and Oliphant aves., Chicago. If you didn't journey to Germany last year to see the Passion Play, you can do so as Mrs. Dorothy Jacobsen shows her slides from Oberammergau and other European sites. Mrs. Jacobsen has traveled much throughout the world and has a very enjoyable program.

Refreshments will be served by the Latare Circle at a fellowship hour immediately following the program. A free-will offering will be taken. Visitors are cordially invited to attend.

Congregation Adas Shalom

Congregation Adas Shalom, 6945 W. Dempster, Morton Grove, will hold a Shabbaton Family dinner on Friday, March 13 at 6:30 p.m. led by Rabbi Israel Porush. Regular Friday evening family services will resume on March 20. Saturday morning services begin at 9 a.m. and everyone is invited to attend and partake in the Kiddush after services.

The Holiday of Purim begins at sunset on Thursday, March 19 with services in the synagogue starting at 7 p.m. with the reading of The Megillah. Everyone is invited to attend and bring the children. Refreshments will follow services. Costumes are welcome. The Sisterhood will hold its traditional Fashion Show-Luncheon at noon with fashions by Spiegler. Adults are \$6 and children \$5. For details call 827-3922.

Adas Shalom is a modern traditional synagogue offering a wide range of activities. If you would like more information or wish to be placed on our mailing list, please call Harvey Wittenberg at 440-3100 or 965-1880.

Our Sisterhood will hold their Annual Serve-A-Lunch & Fashion Show at the Synagogue on Sunday, March 15, noon. For full information call 297-2006.

Purim services Megillah reading will be celebrated Thursday, March 19, 6 p.m., followed by a special children's service at 7:30 p.m.

Provenzano honored for service to church and community

Michael Provenzano of St. John Brebeuf Church, Niles has been honored publicly by the Archdiocese of Chicago Catholic Men/Holy Name for his years of commitment to the parish.

Provenzano, a retired man of 70, is a Big Brother Chairman, designated to represent the Archdiocesan office of youth activities in its program of correction, aimed at rehabilitation of delinquent youth in his parish. He was one of 12 men given public acclaim for being representative of men throughout the Archdiocese "who are doing things which deserve credit," said Bill Yacullo, chairman of Chicago Catholic Men/Holy Name.

The men were guests of honor Feb. 21 at a recognition luncheon at Holy Name Cathedral. His Eminence John Cardinal Cody, Archbishop of Chicago, was present at the luncheon with Yacullo, Very Rev. Raymond B. Sullivan, director of the Archdiocesan Office for the Laity; and Rev. Ralph Starus, associate

director of the office and director of CCM/HN.

The Cardinal said the 12 men "have truly understood the spirit of community of Vatican II, the spirit of serving their parish, their community and their diocese."

St. Isaac Jogues to sponsor St. Joseph table

St. Isaac Jogues is sponsoring its St. Joseph table in the Parish Hall, 8101 Golf Rd., Niles, on Sunday, March 22 after the 12:30 mass and until 6 p.m. All are invited.

This custom originated to honor St. Joseph the Worker. In this country, a St. Joseph Table with a statue of the saint in the center, altar style, is set up and surrounded with candles, fresh flowers, as well as the traditional meatless foods (fish, fresh fruits, spaghetti, vegetables, and sweets). All food is donated by the faithful as a token of thanksgiving to St. Joseph for his intercession during the past. The celebration begins with a

religious ceremony and the blessing of the foods. The table is then open to the public and the guests may each eat what they choose.

The "Viewing of the Table" and the blessing of the food will be held in St. Isaac Jogues Parish Hall on Saturday, March 21, with coffee and sweets being served. Sunday, March 22, spaghetti and the various foods and sweets from the table will be served.

Any donations of meatless dishes, fruit, bakery goods are welcome. For further information call Mary Affatati, 966-9679, Irene Baron 967-6149, Jean Minelli 966-9845 or Loretta Falco 967-5697.

JCC to hold Purim-Fest

"Purim-Fest", a carnival of joyous events celebrating the holiday of Purim, will take place on Sunday, March 15, at Mayer Kaplan JCC, 5650 Church Street, Skokie, from 1 to 4 p.m.

This annual event will feature games, booths, live entertainment, and holiday food.

For information, call 675-2200.

Hearing Loss is not a Sign of Old Age

Chicago, Ill.—A free offer of special interest to those who have trouble hearing has been announced by Beltone. A tiny modern hearing aid often can help. A non-operating model of one of the smallest Beltone aids of its kind will be given absolutely free to anyone requesting it.

Send for this non-operating model, put it on and wear it in the privacy of your own home. It is not a real hearing aid, but will show you how tiny hearing help can be, and it's yours to keep free. The actual aid weighs less than a fourth of an ounce, and it's all at ear level, in one unit.

These models are free, so we suggest you write for yours now. Again, we repeat, there is no cost, and certainly no obligation. Thousands have already been mailed, so write today to Dept. 0000, Beltone Electronics, 4201 W. Victoria St., Chicago, Ill. 60646.

Can you help a child?

KIN (Kids in Need) is a specialized program of Orchard Mental Health Center located in Skokie. Funded by Niles Township, it was established 4 years ago to provide short-term (1-30 days) foster care for children and adolescents of families in crisis. Orchard Center is in need of more families who are willing to open their homes for short periods of time.

When death or hospitalization of a parent occur unexpectedly, placement for a week or two can be critical to give the family time to handle the emergency or make long-term plans.

When communication between a teenager and parent is closed off and the child feels things have become unbearable, a temporary foster home and counseling can help prevent serious consequences.

A professional staff member, Ms. Ellen Singer, serves as coordinator for the program. Working closely with schools, police and social agencies, she attempts to utilize and coordinate all available community services in crisis situations of this type.

Please call Ms. Singer at 673-0996 to discuss the specifics of being a temporary foster parent.

NFS sponsors women's therapy sessions

Do you feel that you can get more out of life?

Do you care enough about yourself to spend 1 1/2 hours a week looking at how your attitudes compare with those of other women?

Come and meet women in similar circumstances to talk about problems with two experienced therapists. Niles Family Service in the Niles Trident Center, 6069 Oakton Street, Niles is offering an afternoon women's group beginning April 2 which will meet on Thursdays from 1:30 to 3:00 p.m. for ten consecutive weeks. The group will be co-led by Mary Ann Jung, M.S.W. and Madeleine Settles, M.S.W. Mary Ann Jung is a clinical social worker on the staff of Niles Family Service where

she does therapy with individuals, couples, families and groups. Madeleine Settles is Clinical Director at Niles Family Service and combines administrative responsibilities with her clinical work. Each leader brings in extensive experience in women's therapy and educational groups and both relate to a wide variety of women's issues, e.g. job, marriage, parenting, sexually.

The cost of the 10 week group is \$5 per session for Village of Niles residents and \$10 per session for those residing outside of Niles. For further information and registration please call Mary Ann Jung or Madeleine Settles at 692-3396. If the fee is an obstacle, please call Madeleine Settles to work out special arrangements.

MTJC Early Childhood Center registration

The Early Childhood Center of Maine Township Jewish Congregation, 8800 Ballard, Des Plaines, is accepting applications for registration in a wide variety of programs for Fall, 1981. Those children who will be three, by December 1st can join the 2 or 3 morning a week class. Pre-schoolers who will be 4 by Dec. 1st can attend the 3 afternoon class, or the more intensified 5 afternoon program. All programs offer a wide range of learning experiences, including art, music, creative dramatics, physical activities, games, stories, and cooking experiences. Guided by professionally trained teachers who have had extensive education in Early Childhood and Judaic subjects, the children become aware of their Jewish heritage in a wholesome environment which stresses socialization and independence.

Also offered in the fall is the Parent-Toddler Program, for children who will be 2 by Dec. 1st. Once a week, mothers and children come together for exploration of nursery school facilities, art media, songs, physical activities, and finger play. Each semester runs for 15 weeks.

Interested parents are invited to make an appointment to visit any of our many classes. For further information, brochure, and registration, call Margie Baker, Director, at 297-2006.

Family Life

by Larry F. Renetzky, ACSW, AAMFT

Don't use your wife as a tool

Have you ever thought of sex as becoming a physical expression of a deep spiritual kinship or attraction? If you have, then you are on the way to finding greater sexual fulfillment; fulfillment that usually can best be realized in marriage, a marriage that is a real working partnership. Through this partnership of husband and wife, the act of love will not be something seen or felt apart from your relationship, rather the sex act will be a culmination of a desire for intimacy. A desire to share so deeply that it expresses the very fiber of your being.

Do you care enough to share yourself deeply with your spouse? How do you communicate that you really care? Is your caring superficial or real? We hear young people say today, "Tell it the way it is!"

This is very important to try to develop a relationship whereby you can tell your spouse "the way it is". This kind of caring intimacy leads to a sharing intimacy. One of the reasons I am writing on the sexual relationship is the public interest and concerns expressed to me.

One wife indicated that her husband doesn't see the sexual act as a result of their relationship but rather as something mechanical. He comes home quite tired and indifferent to her problems and difficulties at home.

Bedtime comes and he goes into an automatic style of having sex, basically for his own gratification. She does not feel that he really cares, there is little or no sharing of love in the sex act.

Who doesn't want to feel loved, needed, wanted and appreciated? We all do! Then we need to ask, "how are we communicating this to our spouse and to our children as well?"

I believe that one of the best ways to provide sex education for our children is through the caring, loving and sharing relationship of mom and dad.

This speaks louder than anything. They may not learn all they need to know about the sexual act from mom and dad, but if they learn how to really care and share then the other will come.

In the example given above, the wife didn't feel her husband really cared about her as a person, rather saw her and used her as a "tool". This is something we all have to watch: that we do not lose the sense of the individual's self worth and dignity.

All we want to feel that we count, that we are important as a person, as a wife, husband, son or daughter. If we don't feel this, then we begin to look for it elsewhere which can lead to infidelity, running away, drugs (including alcohol) etc.

If our needs aren't respected or at least met in part sincerely by our loved ones, then we usually reach out in other ways to meet these needs; or become passive which is like dying; or pour ourselves more into our work, outside activities and other commitments.

We all need to find a sense of meaning, purpose and fulfillment in life. We need to find this in our marital relationship as well as our parental relationship. Sure, you may find enough meaning temporarily in your parental role, but what happens when your child is old enough to leave and you have to finally face your spouse?

Too often in my marital counseling, I see a poor marital relationship as one of the basic casual factors for a poor parent-child relationship.

Moreover, I have quite a few couples in marital counseling after 20 to 35 years of marriage, their children ready to leave home or already gone.

What are you and your spouse building together for the years that you have left after the children leave home? It is important for you right now to assess your marital relationship because of the tremendous impact it has on your children as well as you and your marriage.

If you will dare to take the risk to involve yourself in a meaningful relationship with your spouse, the results can be more positive than you ever dreamed possible. You can find sexual happiness out of an in-depth relationship like you have never known before.

Turn on to your wife, your husband, really begin to communicate together. Show your spouse that you do care enough to share, and your relationship will grow and develop. Then you may and can experience a more rewarding, intimate sexual relationship in your marriage.

If you have an individual, marital or family problem, call Niles Family Service at 692-3396 and talk with Madeleine Settles, our Clinical Director, or come in to the Trident Center at 8060 Oakton Street, Niles.

Shoplifters apprehended

Two Evanston men were arrested on Saturday, March 7, and charged with shoplifting from a local store. The two men, age 21 and 22, were observed while shopping at Sportmart, Inc., 7233 Dempster St., as they attempted to leave the store with unpaid merchandise. Included among the merchandise were clothing and golfing accessories. The value of the merchandise was estimated at approximately \$100. After being detained by store security agents, the Evanston men were brought by police to the Niles Police Department. Following processing the men were released on \$1,000 bond each and assigned a March court date.

What Fore!

A resident of the 9800 block of Glendale St. reported on Friday, March 6 that unknown persons threw a golf ball through the window of his aluminum storm door. Reporting the incident at 2:20 p.m., the resident estimated the replacement value of the window at \$100.

Niles

Turns self in

An 18 year old Chicago man turned himself into Niles police after a warrant had been issued for his arrest. According to police, a warrant had been issued on March 5 charging the Chicago man with battery. After being notified of the warrant, the Chicago man came to the Niles Police Department where, after being processed, he was released on a \$1,000 bond and assigned an April court date.

Missing construction materials

A Roselle construction firm reported on Friday, March 6, that \$2,000 in materials had been stolen from a Niles construction site. According to officials of the Scuto Construction Company of Roselle, 10 pieces of lumber and 20 concrete forms were stolen during the night from a construction site at the intersection of Gross Point Rd. and Croname Rd. The value of the missing material was placed at \$2,000.

Wandering nursing home resident

A resident of a local nursing home was reported missing on Thursday, March 5. According to police, a 68 year old resident of the Forest Villa Nursing Home, 6840 W. Touhy, was reported missing at approximately 8 a.m. Police were later informed the resident was spotted hitchhiking on Touhy Ave. at Harts Rd. However, when Niles police arrived at the scene, the resident was gone. Niles police were later notified the resident had been found by Skokie Police. The Forest Villa resident was picked up from the Skokie Police Department by nursing home officials.

A late appointment?

A local beauty salon was burglarized on Thursday, March 5. Police were summoned to the Golf Mill Beauty Salon, 337 Golf Mill, after a burglar alarm was activated at 2 a.m. Arriving at the scene, police found a 27 year old Northbrook man inside the salon. According to police the man said he had been sent to the salon by his girlfriend, a salon employee, to pick up various items for her. However, after police checked with the employee, it was determined that, unknown to the girlfriend, the Northbrook man had taken the salon key. Missing from the salon was \$99 in cash and 4 checks which were found in the possession of the Northbrook man. Brought to the Niles Police Department for processing, the Northbrook man was later released on a \$10,000 bond and assigned a March court date.

Alert Niles officer

A Niles man was arrested when Niles police recognized him as a man wanted by the Cook County Sheriff's Police. According to police, the 24 year old Niles resident was driving at the intersection of Prospect and Oakton St. when a Niles policeman recognized the man as having had a warrant issued for him. After being stopped by the policeman, the Niles resident was arrested and detained until he was turned over to a Cook county Sheriff's deputy.

Morton Grove

Thefts

A 30 year old Morton Grove resident reported unknown persons stole over \$350 worth of laundry from her on Thursday, March 5. According to police, it had not been determined how burglars entered the house. After taking cameras and jewelry, the burglars escaped through a sliding glass door at the rear of the house. The residents said they would provide a detailed list of the missing items.

A resident of the 7800 block of Churchill St. reported on Friday, March 6, that unknown persons stole over \$300 of auto accessories from his car. According to police, the vehicle was parked in front of the residence when unknown persons gained entry to it by breaking the vent window on the driver's side. Among the items taken from the car were an FM radio converter, a Goodyear tire, snow wiper blades and jumper cables. The value of the stolen accessories was estimated at \$349. Besides the broken side window, the windshield was also cracked.

A resident of the 8600 block of Waukegan Rd. reported on Friday, March 6, that unknown persons stole four snow tires from her garage. The resident said the tires had been chained to a pipe in the garage. The value of the 4 tires was estimated at \$400.

A local restaurant was burglarized on Thursday, March 5. According to police, a passerby reported that he heard a window break at the Dawg House, 6032 Dempster St. at about 11:30 p.m. Looking in from the street the passerby reported seeing someone inside the restaurant. Arriving at the scene, police said the burglar apparently had searched the cash register before fleeing. The damage to the broken window was estimated by the owner at \$500.

Criminal Damage
A resident of the 8800 block of Ozark St. reported unknown persons threw a brick through the back window of his auto on Wednesday, March 4. According to the resident, the car had been parked in his driveway. The replacement value of the window, according to the resident, is \$150.

Vandals caused over \$500 damage to a car belonging to a resident of the 8700 block of Georgiana St. on Sunday, March 8. According to police, as the car was parked in front of the house, unknown persons slit all four tires and scratched the side of the car.

Buckle up

"Total fatalities for the month of February, 1981 numbered 120," stated R.J. Miller, Superintendent of the Illinois State Police. "These deaths were a result of statewide traffic accidents." Total fatalities since January of this year come to 266. This figure represents an increase of 43 when compared to the same period last year.

"Troopers in the northern end of Cook County handled 408 traffic accidents for the month," commented Captain William Burt, Commander of the Chicago District. "One wonders how many lives could be saved through the use of seat belts. Statistics support the theory that seat belts should be used on all trips. Nearly 3/4 of all fatal accidents occur within 25 miles of the victim's homes; more than half of all fatal or injury-producing accidents occur at speeds of less than 40 m.p.h. Buckle up...it could save your life!"

Burglary

A resident of the 8500 block of Oleander St. reported his home had been burglarized on Thursday, March 5. According to police, it had not been determined how burglars entered the house. After taking cameras and jewelry, the burglars escaped through a sliding glass door at the rear of the house. The residents said they would provide a detailed list of the missing items.

A ringing burglar alarm apparently scared off burglars after they gained entry to a home in the 6200 block of Davis St. on Sunday, March 8. Police were notified at 7:20 p.m. by a neighbor that the burglar alarm had been activated. Arriving at the scene, police found both the front and back doors open. Police said that after gaining access to the home through the back door, the burglars apparently fled through the front door after the alarm sounded. According to neighbors, the residents were out of town. Police reported it appeared that nothing had been taken from the home.

A local restaurant was burglarized on Thursday, March 5. According to police, a passerby reported that he heard a window break at the Dawg House, 6032 Dempster St. at about 11:30 p.m. Looking in from the street the passerby reported seeing someone inside the restaurant. Arriving at the scene, police said the burglar apparently had searched the cash register before fleeing. The damage to the broken window was estimated by the owner at \$500.

State police voice opposition to increase in speed limit

Captain Hugh S. McGinley, Commander of District 13, in Northbrook, in a statement to local news media, stated his opposition to the bill that would give the Illinois Toll Highway Authority the power to raise the speed limit on the Tollway to 65 miles per hour from the present national speed limit of 55 miles per hour.

McGinley stated, "It would have a disastrous effect on traffic accidents occurring on the tollway because of the number of people now driving compact and intermediate vehicles. The increase in speed would result in more personal injuries and fatalities to drivers of the smaller vehicles, not to mention the loss of gas mileage when the smaller autos are driven at a speed they were not designed for."

"Before the introduction of the 55 speed limit we were averaging 1.3 fatalities for every 100 million miles driven on the Illinois Tollway. In 1980 the fatality rate was down to .6 fatalities for every 100 million miles driven. This makes the Illinois Tollway the safest tollway or turnpike in the United States," McGinley added.

Captain McGinley also stated "The Department of Law Enforcement along with representatives of the Illinois Toll Highway Authority wish to express their opposition to this bill in hopes that Governor Thompson will veto it if it reaches his desk."

Frost seeding of lawns

Frost seeding is the process of sowing grass seed in turf in late winter or early spring. Bare spots and/or thinning lawns can be seeded when the last snow fall is expected or when the frost is coming out of the ground.

Lloyd Mooney of Lake Cook Farms and Garden states you should put the grass seed down in early morning when the crust is still hard enough to walk on. Then when the sun or thawing hours come, the seed will be drawn to the earth and imbedded there. This freezing and thawing effect will hold the seed tightly till the warmer weather comes allowing the seed to germinate. Putting it down after a light snowfall will have the same effect. The melting snow will bring the seed down into good soil contact.

Cold weather or even freezing temperatures will not harm the seed. It can lay dormant for weeks. The advantages you have in frost seeding is that your seed will be able to germinate more quickly as each warmer day comes and you will not have to worry about trudging over soft soil causing compaction of soil and ruts in the lawn.

Be sure to use a good quality lawn seed. Kentucky bluegrass is the best to use in our area. The newer "elite" varieties such as Baron, Adelphi and Glade Kentucky bluegrass will give better turf quality, greener color and more disease resistance.

In shady areas you may want to use a little more fescue to

Holy Family Hospital receives accreditation

Holy Family Hospital has been awarded a two-year certificate of accreditation by the Joint Commission on the Accreditation of Hospitals (JCAH).

The reaccreditation was achieved following a thorough two day, on site visit of the hospital last November by a professional survey team of the Joint Commission's Hospital Accreditation Program. The team included a hospital administrator, physician and registered nurse.

The survey team applied JCAH standards to each of these functions, evaluated the findings and consulted with various professional staffs.

Accreditation is a voluntary process and the decision to seek accreditation demonstrates to patients and the community Holy Family's commitment to maintaining high professional standards for quality patient care.

Fly kites safely

Spring is on its way and so is kite flying. And, kite flying can be great fun as long as the kids remember there are strings attached!

1. Never fly a kite using anything metallic, including wire. Metals conduct electricity. Kites should be made only of wood, paper and cloth.
2. Never fly kites in rain or lightning and thunderstorms. Wet string also conducts electricity.
3. Never fly kites near power lines. If they get snagged in

power line or nearby trees, make sure they know not to try to pull them down or climb up after them. Reidel also cautions about being careful when installing antennas, pruning trees and shrubs and using ladders. Always check to see if power lines are near.

Niles youth wins state wrestling title

Glenn Olson, Niles, a Maine East High School senior, won the State of Illinois Wrestling Championship at 138 pounds on Feb. 28 in Champaign-Urbana.

Olson began his wrestling career at Gemini Junior High School 6 years ago under the coaching tutelage of Don Blitz. He then became a member of Maine East's super wrestling team of 1977 thru 1980 coached by Gerry Muscianti.

New head coach Morrie Geselter had been Maine East's freshman coach and is in his 14th season as a wrestling coach. Maine East, 5-1-0, was second in the tough Central Suburban League-South Division and 14-7-0 overall this year in dual meets. Glenn's 40-2-0 this year set a Maine East record for most season wins previously held by East's All-American wrestler Emiliano Hernandez. Olson, co-captain for the past two seasons, was All-Conference Wrestler in the CSL for the second year in a

row. He repeated as district champ, again this year defeating Notre Dame High School's tough wrestler, Kevin Henegen in the finals.

In the sectionals, Glenn pasted Hedstrom of West Leyden with his first defeat of the season and went on to beat the Catholic League champ, Joe Klocinski, for the sectional crown.

In the state tourney, Olson won four tough matches, including a 12-3 win over the Chicago champion, Walter White, who also received his first loss of the year by Olson. The championship match was hard-fought, but won by Olson 9-6 with an escape (1 pt.) and a take-down (2 pts.) late in the third period for the gold medal and first place championship.

Olson finished his Maine East career with a total of 91 wins - good for second place in Maine East's all-time wins. In addition, he held Maine East's record for most career "pins" (35); most "3 pt. near falls"-season (38); "quickest pin" (59 seconds at 132 lbs.) and most wins in a season (40).

Now that his high school career in wrestling is over, Glenn is looking forward to college and pursuing a degree in engineering.

OCC runners win at state meet

The Oakton Community College Running Raiders, one of the smallest teams in the meet, placed among the top ten teams in the Illinois Junior College Championships on Feb. 28, at the University of Illinois, Champaign-Urbana.

Although the women Raiders, the defending champions, had to settle for third place, the disappointment was offset when everyone qualified for the National Junior College Championships.

"They all ran super races and most had personal records," Coach Pat Savage said of the performance. "If we had just two or more women athletes we would have again been state champions."

Karen George (pictured) won the two and one mile runs and placed third in the 800. Julie Michalik was third in all three distance events.

Betty Watkins placed in the 60 yard dash, the 60 yard high hurdles, the shot put, and the 300 yard run.

Linda Kaufman won the long jump and tied for second in the

high jump.

Green Kasper was second in the high jump and long jump, and was fifth in the shot put.

The women's mile relay team was third.

Jukka Kallio, leading the men's team, won the three mile run, with a time of 14:53.3. Bill Joern won the pole vault, clearing a height of 14'8". Carlos Montes was fourth in the 1000 to help the men's Raiders to an eighth place finish.

Maine East gymnasts take 4th in state

Only .012 points away from 3rd place, the Maine East Demons ended the season with 111.925 points for a 4th place finish in the Girls' State Gymnastics Meet.

The team had been in 3rd place behind Addison Trail and York on Friday night after the Preliminaries but slipped to 4th as Morton East had 2 qualifiers in Finals who raised their scores just enough to change the final results. York was not far off in 2nd with 112.2 points, and Addison swept another State title with 116.37 points. Coach Betty Axelson was very pleased with her team's finish, since their goal had originally been to just get to the State Meet. Of course, "when you're in 3rd place after Prelims, you sure want to hang on to that place, but even with the slip to 4th, we're very proud of all the girls. They worked extremely hard, and I'm glad the pay off was a high team finish in view of the high calibre of team competition. Their dedication and discipline also paid off individually with all the girls doing an excellent job in all routines. They've certainly come a long way."

Leading Maine East all the way through the State Meet series have been seniors Lisa Wax and Amy Katz. Lisa reached her goal of finishing in the top 5 in the State in the All-Around competition - she tied for 4th with an average score of 8.825. In Prelims, Lisa earned a 9.4 in Vault for 1st, 9.1 in Uneven Bars, 7.9 in Balance Beam, and 8.9 in Floor Exercise. She also competed in the Finals and became the 1981 IHSA Vaulting Champion with a score of 9.4, and also placed in 4th top 10 in Floor Ex. "It was a beautiful way for Lisa to finish," her high school career first placing in the All-Around and next, winning the Vaulting championship. No one deserved it more than her." And co-captain Amy Katz did a super job

too, placing 12th in the All-Around, which is quite an accomplishment for a gymnast starting from the basics 4 years ago. She should be very proud of her 8.5 average in the All-Around." In addition, Amy placed 5th in Beam Prelims with an 8.6, and advanced to the Beam Finals Sat. evening.

Naturally, the blue and white team was backed up by a strong group of younger competitors. Maine East led all 8 teams in the Vaulting competition, with a high 27.2 points. Amy Katz had an 8.9, as did Christy Schachte, and close behind was Jr. Lori Greenberg with an 8.85. And in Bars competition, Christy Schachte had an 8.5, Amy Katz 8.1, and Lori Greenberg, 8.0. Beam again was a little shaky for the Demons, as Patti Lehman had an 8.1 and Lori Greenberg 7.4, but the event total of 24.6 was 5th out of 8 teams, so Maine East had company when it came to falling off the beam. However, in Floor Ex the Demons had lower scores than expected and therefore only scored 25.6, with Kris Panke 8.05, Christy Schachte 8.25 and Amy Katz 8.45.

ND track team off and running

Notre Dame will begin its tough track season with the indoor meets, and then continuing on to their outdoor season. The track team's head coach is Tony Kozole, and his assistants are Bruce Donash and Frank Griseto. Coach Donash recently led his sophomore basketball team to a conference title, so hopefully, he can help do the same with the varsity track team.

Kozole says that this year's team can be three times better than last year's team, which finished 3 in the East Suburban Catholic conference behind Holy Cross and Marist. Kozole also stated the trouble last year was the teams weakness in the sprint events, even though they were very strong in the field events. That will change this year because the Don's are stronger in the sprint's, and equally as so in the field events. Responsible for this are such fantastic runners as Jim Les, a state qualifier last year in the 2 mile, Dan Riley, a 2 miler and miler, and Phil Abatecola, who competes in the 100 and 400 meter run and 50 yard dash.

Leading the field events are Tom Naughton, this year's captain, who finished 4th, at the conference meet last year, in the high jump. Dan Bomben who is the best long and triple jumper in the conference, and Jim Kowalchzyk who finished 3rd in the pole vault at the conference meet.

ND swimmers in district meet

The Notre Dame swim team took part in the District Swim Meet held at Evanston High School Feb. 21. Led by team captain, Charlie Samuel, the Dons placed seventh tying St. Patrick High School.

"I was very pleased with the way the team swam," stated Head Coach Bill Casey. "Everyone registered their best times of the year." Placing for the Dons were Charlie Samuel, taking a fifth in the 100 yd. butterfly event; and the Medley Relay team of Ron Rafalzyk, Steve Watson, Charlie Samuel, and Mark Harder which finished sixth. Also scoring points for the Dons were Pat O'Grady, 100 yd. and 200 yd. freestyle; Kevin Lake and Mark Harder in the 50 yd. freestyle; Steve Watson 100 yd. breaststroke; and John Wolski, who set a new school record for the 500 yd. freestyle event with a time of 5:32.2.

OCC runners

Carlos Montes (left) and Jukka Kallio, of the Oakton Community College Running Raiders, are stride for stride during a recent meet. Kallio won the three mile run at the Illinois Junior College Championships on Feb. 28 at the University of Illinois, Champaign-Urbana. Montes was fourth in the 100 yard run. Dave Valentine, the team's manager, watches.

BROMLEY HALL

A Student Living Adventure At The University of Illinois

Located on the University of Illinois campus, Bromley Hall is a privately-owned modern, thirteen-floor, fully air-conditioned residence and meeting center.

Bromley Hall is conveniently located within short walking distance of most major campus facilities, including academic buildings, the Illini Union, IMPE Building, Assembly Hall, and the Memorial Stadium.

Living Accommodations

Bromley Hall offers many unique advantages. It is one of the few fully air-conditioned buildings on campus. It is completely equipped with every facility available for the optimal living environment. It has excellent facilities for both study purposes and relaxation. In fact, Bromley has been planned to combine efficiency and flexibility for work, study, and relaxation under one modern roof. Its facilities include a large indoor, heated swimming pool, sun decks, billiards and ping pong rooms, a snack bar and color TV lounges on every floor.

Bromley Hall's 350 spacious rooms provide excellent accommodations. Each room has large closets and plenty of drawer space, plus bookshelves and desks. Further, Bromley Hall has a staff of housekeepers who provide daily maid service and help implement the linen programs available to residents.

Bath accommodations are semiprivate with every two rooms sharing an adjoining bath with two wash basins, a shower stall, and a toilet. Each floor has one lockable public bath with tub facilities.

Single, double and triple occupancy rooms are available.

Food

Bromley Hall offers an outstanding menu; a variety of foods may be selected, geared to satisfy the most hearty appetite. All meals are served cafeteria style in a beautiful ground floor dining room. Bromley Hall serves three meals daily Monday through Saturday and Brunch on Sunday. Special arrangements for parties and banquets can also be made.

Champaign-Urbana

is conveniently located in the East-central portion of Illinois and is serviced by a modern airport with commercial air service from Chicago and St. Louis and also by AMTRAK Rail Service from Chicago.

Champaign-Urbana also is located at the intersection of Interstate Highways 57 and 74 which makes the area easily accessible by car or bus.

Services

Bromley Hall provides a reception desk with a telephone message service and a spacious, attractive lobby ideal for relaxing. It has four high speed electronically controlled elevators that service the entire building. Bromley Hall has meeting facilities that are perfect for workshops, seminars, or group discussion. There is an attractive snack bar open to the residents that can provide a delicious snack to satisfy an attack of the munchies.

'Status-Quo' another name for Niles

Dear Editor:

An historical study of community evolution has proven that the future developments, standard of living conditions and continued desirability of a given area is directly dependent on the Voting Citizen's (both young and old) attitude and intelligence in choosing and electing qualified and competent leaders.

As I read the current advertised political offerings of the various Niles candidates for office, I am discouraged by the complete lack of Progressive Thinking and Planning as evidenced by the party and it is a party currently in office, and on the other hand, I am not overly impressed generally with the token issues presented by the declared independent candidates running for the same office.

Every community, whatever the location, has constant room for

and need for improvement and desired change in conditions and thinking. True leadership and the presentation of new ideas should be an important function of our elected officials. The problem that develops is how does the voting public make their wants known and recognized? When these questions go unanswered, it is up to the voting public to somehow move or remove the political bottle-necks, glut and accumulated dead-wood who are primarily interested in protecting their own job and who will do everything within their or someone else's power to maintain conditions that allow a status-quo to exist to suit their own political and materialistic ends.

Since the current declared candidates for office have not, to my way of thinking, spot-lighted any grass roots issues, I will list some of many propositions and issues that I believe are important,

current and that, in my opinion, cry out for community consideration and approval or rejection by the taxpayers of Niles.

One of my pet political peeves is the lack of a Village Ordinance limiting the number of consecutive terms an individual may be elected to the same office. I believe a person who has been in office for a period of 6 or 8 years loses effectiveness, becomes self-centered, politically stagnant and runs out of creative and productive ideas; retaining this person in office is a mistake for the community and a disservice to the person.

I believe the People of Niles should pioneer the idea as well as be one of the first Villages to pass an Ordinance to limit the number of consecutive terms a person may be elected to the same office. I suggest and believe that 2 terms is more than sufficient; it is for the Office of the President of the

United States of America. Since we are on the subject of Ordinances, I believe a more desirable and home-owner oriented local government would result if the Village of Niles enacted a "Recall Ordinance". This legal, protective device would enable a solid group of concerned Citizens and taxpayers to recall from office any and all elected Village Officials who were performing in a sub-standard manner or contrary to their campaign promises.

This Ordinance would be a terrific equalizer and the mere existence of it would create an atmosphere whereby the office holder would be more responsive to the community citizens and their wants. We are all aware that not a single day passes that complaints are not lodged somewhere against the tremendous waste of time, money and energy mainly perpetrated by all levels of Government, be it Federal, State or local. Let's for the moment only concern ourselves specifically with the vast untapped resources that our Senior Citizens possess and could provide the community in the form of an endless supply of talent, energy and the desire to perform needed services.

I would like to see a program started in Niles to the extent that possible future Village employees would be recruited, when and where beneficial, from the ranks of the Niles Senior Citizens. In this manner capable, interested and able Senior Citizens might be able to contribute their wisdom, experience and knowledge gathered over a 1/2 century of living for the benefit of the community. Lastly, for now, when movie films rated not suitable for viewing by our fine young people are shown in the Village of Niles, why isn't the policy of the Village to assign a police officer to check the ages of the patrons. These are but a few of the ideas that I think are highly important, for a community to consider; as a Community's future tomorrows depend on the intelligent actions that are planned today.

Flynn pledges discontinuance of pin ball machines

Dear Editor:

I would like the citizens of Niles to know that as your Mayor I will use every legal means available to me to stop the use of pin ball machines and the transmission of pornographic movies over cable TV.

Pornography is the ultimate debasement and exploitation of women for profit. I will insist that there be a clause in the franchise cable TV contract that expressly forbids the transmission of X rated movies into Niles homes. The question of contract law vs. constitutional law can be left to the courts to decide. The point is that we must include a restrictive clause now or we cannot bring up a legal defense later. Additionally, it is technically possible to block out the pornographic channel at the station and it is not necessary for additional equipment in the home.

Mayor Blase won his first election fighting pin ball machines in Niles. He was right then and he is wrong now in supporting them to increase the profits of Niles tavern owners. Pin ball machines are designed for gambling. They are not skill designed such as shuffle board or bumper pool. I am concerned that the real losers at pin ball will be the wives and children of the players who might gamble. This is a real concern as evidenced by the problems in Mt. Prospect over pin ball machines. Finally, if taverns can have them it is only a matter of time before restaurants install them and then our young children and teenagers will have the same opportunity to gamble. It simply is not worth it.

Sincerely,
Thomas W. Flynn

Grateful mother thanks Niles firemen

Dear Fire Chief Hoebel:

This is a note of appreciation for the responsive action of the Niles Fire Department to my dilemma. On Saturday, Feb. 28, my son Jimmy Tom decided to climb a tree in the Forest Preserve, after going beyond 35 feet he could not get down. I searched in my mind and coming to the conclusion that there were no safe ways to retrieve him from the tree I decided to call the professionals. And professionals they were!!!! I commend your men on the way they handled one alarmed little boy. All essential precautions were taken for the child including all necessary equipment. Please express my gratitude to all the personnel involved helping one little boy calmly through what could have been a terrifying experience.

Gratefully yours,
Mary Ellen Yactor

Commends Bugle article on sign ordinance

Dear Editor:

I was pleased to read the article in the March 5th edition of the Bugle which detailed the accomplishments of the Niles Sign Ordinance.

As the only "non-business" member of the Niles Sign Board of Appeals, serving with 4 local businessmen, Stan Niski, Roger Schoner, Marvin Hymen and Pat Dalessandro, I am aware of the efforts made to gain support of the business community. That support, I feel, has been crucial in accomplishments accredited to the Sign Ordinance. In comparison with a community such as Des Plaines which is at odds with the local Chamber of Commerce over its sign ordinance, Niles has accomplished much because of the cooperation it has received.

Speaking not for the League of Women Voters, but merely as a member of the group, I was pleased to note your recognition of the League's efforts to encourage an awareness of the appearance of Niles. I was president of the League when the study was completed and I made the formal presentation to the village board. At the time, I wondered how many of the suggestions in the lengthy report would be accepted. Some have been rejected and others ignored, but fortunately for Niles, the concern for appearance was an idea which gained community support.

As you stated, we have only begun to see the effects of the Sign Ordinance. Hopefully by 1984 the visual clutter of pole and roof signs will be a thing of the past and the residents and businesses of Niles will benefit from attractive, effective signage.

Although the sign ordinance has just started to have an effect, I feel it has gotten off to a very good start. Thank you for noticing.

Erroneous figure on Cable TV franchise

Dear Editor:

Regarding the letter from Trustee Carol Panek in your March 5 issue, the figure of \$100,000 was erroneous because it was quoted wrong in the February 26 issue. \$100,000 was the one-year franchise, not one-month, for TV cable. The \$1,200,000 figure is the amount of revenue collected in utility taxes for the year 1980. This amount had nothing to do with TV cable.

While we are on the subject of TV cable, I think Niles is dragging behind other villages. You have researched it for a few years. In that time when you narrowed it down to Continental TV Cable Co., you should have known Mr. Richard Troy had interests in that Company. Carol Panek, as a Trustee, I would have done something about it, providing your vote really counts on the Board.

Nordica residents critical of Heinen's attack on area

Dear Sir:

We wish to respond to comments made in your "Left Hand" column of Thursday, February 26, 1981 by Ms. Elaine Heinen. As representatives for the 170 townhouse complex on Nordica, we highly resent Ms. Heinen's singular attack on our area.

Ms. Heinen intimates of an organized 11 or 12 year old extortion group "hanging out" on Nordica. We'd like to know where Ms. Heinen got her facts, and who are her sources, as we who live on this street are unaware of this problem.

We find it odd that Ms. Heinen, who speaks out against all the negative aspects in our community failed to comment on the positive action being taken in our complex. With the complete cooperation of the Village, especially Mayor Blase, and Todd Bavaro, our Housing Director, we have attacked many of the problems in our area. We have also met with the Niles Police Dept., and found them very receptive to our needs.

It's odd, Ms. Heinen, that since you singled us out for criticism, that you have come up with no positive answers for our area.

Sincerely,
The Nordica Townhouse Assoc.

Hall urges voters to stop Maine Township 'shenanigans'

Dear Editor:

In watching the "Donohue Show" on TV one morning, Walter Jacobson was his guest. In his appearance Mr. Jacobson described the careless operation of the City of Chicago Law Department. He said the city had many lawyers on its payroll at salaries of \$20,000 to \$50,000 and up; those of lawyers served the city only minutes a day, some of them. The rest of the day was spent on their private practices.

The city's rule is that no lawyer-employee is allowed to have his own office or advertise a private practice but most or all of them do.

The part of the remarks that impressed me most was Mr. Donohue's questioning the audience whether they knew that this might be going on in their town.

Well, Maine Township residents were informed recently that the same sort of "shenanigans" are being played with their money, their tax money. A press conference by the Democratic township candidates revealed in black and white the kinds of flagrant abuses that the republicans are responsible for.

How many in your area know that Maine Township government needs reform? Will they do something about it on April 7th when they have a chance to correct it? Vote democratic on April 7.

Flynn cites Niles Commerce Commission as 'phony ploy'

Thomas Flynn, Niles Mayoral Candidate, termed Mayor Blase's Niles Commerce Commission a phony ploy to divert attention from real issues. Flynn said a Niles Commission would require hiring Commissioners, accountants, lawyers, technical and office staff and outside consultants to comply with state law. The cost would actually increase your utility taxes without reducing utility bills.

Mr. Flynn said, "The Niles Commerce Commission is a stupid idea that insults your intelligence. It actually increases your taxes. Mayor Blase is creating a phony issue but he won't publicly debate it's merits with Flynn or Heinen. Remember his petitions on airport noise or his suit against a radio station to stop its broadcasting into Niles? They were prelection

gimmicks just like this phony gimmick."

Flynn continued, "The Cable TV franchise tax of 5% will bring \$20,000 a month into Niles tax coffers. I will reduce your utility tax by \$20,000 a month without any reduction in service or programs. That's how you fight tax inflation not with sham ideas like a Commerce Commission."

Flynn concluded, "Mayor Blase is trying to divert attention from issues. The real issues are who owns the Niles condominiums now held in secret land trusts, why does he support pin ball machines or say he cannot stop pornographic movies on cable TV when all it requires is a restrictive clause in the franchise contract. Lets stop trying to fool people and debate in the public all these real issues."

Provenzano runs on record of being dedicated individual

Michael Provenzano, an Independent for Niles Village Trustee, has distinguished himself as an individual dedicated to the cause of civic affairs for over 20 years in the Village of Niles and over 30 years of Government experience in the City of Chicago, County of Cook and the State of Illinois. He has a progressive outlook for Niles' future. Nothing just happens-things must be made into reality by people concerned and he is vitally concerned and involved for over 20 years.

As an Independent, without commitments, he speaks for himself and would like to speak and represent you on the Niles Village Board. Provenzano is for personal communication with the people of Niles who have Village problems and for better support and cooperation with Homeowners Associations, Senior Citizens and Youth Groups. He is married to Joan, has two children and three grandchildren.

Mike is retired from the Illinois Commerce Commission as a Law Enforcement Officer and is a member of the Illinois Police Association, was Niles Youth Commissioner for 4 years and was elected Niles Park Commissioner for a 6 year term. He decided not to run for a 2nd term, in order to give someone else the opportunity to serve our community.

As Commissioner he made a motion that the Niles Park Board Commissioners go on record to abolish the 6 year term as Commissioner and a 4 year term

replace it, giving the people the opportunity to elect their officials for a shorter term. Instrumental in placing the first free bus for the people of Niles, for transportation from one park to another.

Mike is Program Chairman and active member of St. Isaac Jogues 55 Plus Senior Citizen Club, member of St. John Brebeuf Golden Age Senior Citizen club, member of the Illinois Associations of Senior Citizens, Inc. member and Past President of St. John Brebeuf Holy Name Society. He organized in his Parish and appointed a Big Brother Chairman, designated to represent the office of youth activities in its program of correction, aimed at rehabilitation of delinquent youth in the Parish. Past Grand Knight of Sheridan-Carroll Council of the Knights of Columbus, a 3rd degree member of the North American Martyrs Council 4338 K. of C. in Niles. President of the Formarty's 4th degree K. of C. club. Pro-Life Chairman and member of Bishop Hillinger 4th degree Assembly K. of C. north-west suburban area councils.

He was chosen Knight of the Year (1973) for his outstanding contribution by North American Martyrs K. of C. Council 4338. Provenzano received the Distinguished Service Award from the United States Committee for the United Nations and the Village of Niles, in appreciation and recognition of public service in promoting the Nationwide observance of United Nation Day.

Visibility

During the winter, it's important that motorists not only be able to see, but make sure their cars can be seen by other drivers, advises the AAA-Chicago Motor Club.

Before getting into your car, remove all snow from the windows and car hood. And make sure you clean off the snow from your headlights, taillights and turn signals.

Niles in need of youth program Heinen hits growing crime rate, misguided savings in Niles

Patti Alexander, Niles trustee candidate, has proposed the creation of a "Comprehensive Youth Program for Niles. The program would include a Youth Commission, Teenage Center, Job Program, Youth Court and structured interrelationships between young people and senior citizens.

The Youth Commission would include parents and adults young enough to relate to teenagers and young people.

They would develop the teenage center and include educational, cultural and entertainment programs, as well as simply a place for teenagers to gather and talk.

The center would also operate a job program for teenagers who want to earn extra spending money while serving working adults and senior citizens.

I feel that the Comprehensive Youth Program would eliminate the continued occurrence of vandalism in Niles, which has been going on for quite some time now.

I have a particular interest in this program, as I have a 14 year old son, who like other teenagers, would enjoy a structured and educational program within the village.

These teenagers and young people are our up-coming citizens of our village, and with the help of this program, they could become some of the finest citizens that we could ask for.

Trustee candidate proposes free legal services

Ronald J. Loris, Candidate for Trustee in Niles, proposes to introduce a Niles ordinance, if elected, to provide free legal services to Niles residents. Said free legal advice would be paid for by the Village who would contract to pay an independent attorney (not the Village Attorney) an hourly wage. The Village Attorney would be available two evenings per week from 6 to 9:30 p.m. on a first-come, first-serve basis. Such a service can be provided much cheaper by the Village than the individual could afford. If actual court litigation was necessary, a nominal fee would be charged or the person could be referred to a lawyer who is an expert in that particular field and one who is noted for reasonable charges.

During campaigning, I met numerous people with legal problems that need a service of this kind. The charge to the Village can be expected to be under \$5,000 per year.

This is a new idea, but I believe Niles should be first in all areas. It gives Niles the opportunity to once again be an All-American City and an innovator.

Allen T. Segal

Marine Pte. Allen T. Segal, son of Naomi Segal of 4833 Church, Skokie, has reported for duty with 8th Communications Battalion, Marine Corps Base, Camp Lejeune, N.C.

A 1978 graduate of Niles North High School, he joined the Marine Corps in June 1980.

Shown above at the opening of Elaine Heinen Headquarters for Mayor of Niles, 9073 Courland, Niles, Ill. are L-R Florence Lencioni, Peter Lencioni, Campaign Manager, Mrs. Burnside, Elaine Heinen, Candidate for Mayor, and Mr. Burnside. Mrs. Burnside became a United States Citizen on February 24, 1981 and immediately went to register, so that he first vote cast as an American citizen will be on April 7, for Elaine Heinen as Mayor of Niles.

"Crime and vandalism have been increasing in the Village of Niles for the past several years," stated Mayoral Candidate Elaine Heinen, "and the problem will not be resolved with misguided cost cutting."

Mrs. Heinen pointed out that for countless years Niles has been promised better lighting on its residential streets. "It's a proven fact," she emphasized, "that troublemakers avoid well-lighted areas. Yet the burden of lighting the streets has fallen on our residents, who at the same time, are becoming more fearful of walking the streets."

Another aspect of the crime/vandalism problem centers on the unrest in the Niles police department. "The constant turnover is hurting the department's efficiency," she remarked, "and as I've pointed out before, our taxes are being used to train police for other communities' benefits."

The department's problems have resulted in difficulty in recruiting, as well. "Niles has only one policeman for every 600 residents, unchanged since 1972," Mrs. Heinen stated. "Compared to other communities, this is poor, and according to reliable sources, the policemen we do manage to retain are not brought up to FBI standards."

This lack of manpower is reflected in other areas, too. "There are only two youth officers and three detectives," she said. "The youths here get

minimal guidance and the detectives, because of their workload, have had to drop many cases. This is justice denied to Niles citizens."

The present administration is doing its cost cutting in the wrong places, she continued. "For example, the new fleet of police cars are not the right type and size for maximum fuel efficiency balanced against required performance. And has anyone investigated the possibility of leasing the fleet?" Mrs. Heinen asked.

"If they really want to save on gasoline, the administration should take a look into the personal use made of village vehicles. Some have been seen at some lake resort areas and such private use is not only illegal, it wastes the taxpayer's money."

Another area that bears investigation, according to Mrs. Heinen, is the village practice of no-bid contracts for towing.

"Several area businesses have told me they would like to bid," she commented, "but invitations to do so are never extended."

Mrs. Heinen concluded: "The accumulation of these problems is and will continue to deteriorate the quality of life in Niles. When among my first priorities. And with the help of the working police force, who know best what is required to achieve top effectiveness for the department, we can make Niles the village we want it to be again."

Skokie Art Guild's teen painters

The Saturday teen painting and drawing class of the Skokie Art Guild meets in Room 100 at Centreat, 7701 Lincoln ave., in Skokie. It has proven to be a very popular class with the young adult crowd. Pencils, chalks, acrylics and oils can be used in creating original art. Taught by Joan Fortner, a new session will begin April 4 for teens and young adults. Ms. Fortner has been an art instructor for 12 years and yet everything she teaches is current. For information on this and other classes of the Skokie Art Guild at Centreat, call 761-4498 or 679-5594.

Scouts visit Christmas Tree Story House

Girl Scout Troop 846 (Karen Breehink, Karen Casacchia, Janet Johnson, Amy Kalas, Cathy O'Grady, Colleen O'Grady, Becky Sill, Tricia Smith, Tina Sudendorf, Maria Sudendorf, and Sandy Watson) visited The Christmas Tree Story House in Libertyville on Jan. 18.

It is a beautiful place to see - with 200 trees - each one having its own theme. They are decorated with ornaments and lights, and range in size from 1 foot to 10 feet tall. The Gulan family (Bonnie, Kathy, Chris, Ed, and Mike) begin setting up the trees in as early as August, and start taking them down in February. They open their doors on Nov. 1 to bring back the Christmas Season, and allow visitors until the end of January.

The girls enjoyed their 1/2 hour tour of the Gulan house, and will remember this special holiday outing.

Des Plaines Valley Geological Society

The March meeting of the Des Plaines Valley Geological Society will be held at 8 p.m., Thursday, March 19 at the West Park Field House, 651 S. Wolf rd., Des Plaines. At this meeting Mr. John Ade of the Earth Science Club of Northern Illinois will talk on preparing, setting up and judging cases and displays.

This meeting will be especially interesting to our club members who will be displaying geological materials at our club's annual show on Saturday, March 28 and Sunday, March 29 at the Rand Park Field House in Des Plaines. As always, visitors are most welcome at any of our club general meetings.

Baritone in concert at Oakton

Edward Pierson, a bass-baritone nationally known for his performances in opera, oratorio, and musicals will appear in concert Sunday, March 29, at Oakton Community College/Skokie.

Pierson, who has had leading roles in Scarpa, John the Baptist, and Flying Dutchman with the New York City Opera and has appeared with the Chicago Symphony, the Cleveland Orchestra, and the L.A. Philharmonic, will be joined by three members of the Oakton faculty in "An Afternoon of Song."

Performing with Pierson will be Gwendoline Fortune, soprano, Gianna Sprague, pianist, and Joseph Borowski, clarinetist. They will perform classics, Ger-shwin, and spirituals.

The program is scheduled for 3 p.m. at OCC/Skokie, 7701 Lincoln ave.

Tickets can be purchased by calling 635-1951. General admission will be \$3 and \$1 for students and senior citizens.

Maine East orchesis concert

Maine East's Orchestis dance group is literally going on tour for its upcoming spring concert.

"Orchestis on Tour" will be presented March 20 and 21 in the Maine North auditorium, beginning at 8 p.m. The reason for the change in location is the installation of a new lighting board in the Maine East auditorium during that time.

Tickets, which cost \$1.50 for students and \$2 for adults, will go on sale Monday, March 16. They may be purchased during the lunch periods in the cafe or from Orchestis members.

New look for Arvey's

ARVEY'S RESTAURANT, Waukegan & Oakton, Niles, will emerge from its total remodeling job with a completely "New-Look". In fact, when completed, you will discover the "New" ARVEY'S will have a new high in elegance and comfort.

A posh new bar and spacious cocktail lounge will be just one of the many new features you'll appreciate at the "New" ARVEY'S RESTAURANT AND LOUNGE. While your dining comfort and pleasure will be greatly increased in the "New" ARVEY'S, the same high quality and reasonable prices which prevailed in the past will be continued. The gourmet foods and large portions which built ARVEY'S reputation and made them "Internationally Famous" will continue to be their policy in the future.

So watch for the "GRAND OPENING" announcement in BUGLE newspapers of ARVEY'S posh bar, spacious cocktail lounge, and comfy elegant dining rooms. They've all been designed to enhance your winning and dining pleasure.

You're gonna "LOVE" the "New" ARVEY'S.....WATCH FOR THE GRAND OPENING!

A few weeks ago after I wrote that the Chicago Cubs would WIN it all this year, Bene Stein, the genial general manager of GOLF MILL THEATRES phoned me:

"Ed", Bene said. "I couldn't believe my eyes". You predicting the Cubs would win it all! YOU, of all people."

"That's right, Bene," I said. I'm confident the Cub super stars will win it all and set a list of the most amazing records in the history of major league ball."

"Well, I'm glad to hear it. You know, I've become a stockholder of the Chicago Cubs. I'm leaving for Arizona to watch 'em in spring training."

"That's great, Bene. When the Cubs win the World Series four straight, I'm sure your stock will soar."

I'll be very surprised if the Cubs lose 10 games during the regular season this year. Joann of Ken's Place, instead of buying a drink every time a Cub during a home game hits a homer, should instead buy a drink every time a Cub player makes an error, at home or away.

I am confident that the Cub Super Stars this year can go thru the entire season without making an error. Well, maybe one...on a bad call.

Incidentally, for the first time in baseball history the All-Star National League's team starting line-up will be made up of all Chicago Cub players. For this year the Chicago Cubs will stand the baseball world upon its ear.

Morton House goes all out for St. Pat's Day

The Hoffman Brothers from the O' Sod of Morton Grove, County of Cook are presenting a St. Pat's Party guaranteed to warm the cockles in the hearts of all Irishmen and their adopted, on Tuesday, March 17.

The party in honor of this day starts at 11:00 A.M. and will continue until closing. Surprise happenings and joy will abound. They have a \$6.00 package during the long luncheon hour consisting of a delicious corned beef sandwich and all the green beer you can drink.

At dinner time there will be entertainment and the great traditional Irish Dinner at low prices.

The Morton House, for newcomers, is located at 6401 Lincoln ave. in the heart of Morton O'Grove.

Legion plans St. Pat's party

Saturday, March 14th will salute St. Patrick's Day and the American Legion's 62nd birthday at the Morton Grove American Legion Post #134's Memorial Home, 6140 Dempster. A gigantic party is being planned by Jr. Vice Commander Roland Keppen.

Commander Mel Baily indicates the public is invited to this annual dinner-dance.

Most people recall that the Armistice was signed Nov. 11, 1918, but perhaps only a few have vague recollections of the beginnings of the American Legion. At the time, those involved did not realize that when the Paris Caucus was called in March of 1919, it would be the start of what we now know as the American Legion.

During the next 7 weeks, Lt. Col. Theodore Roosevelt Jr., and a 50 man executive committee contacted national newspapers, public officials and leading citizens in every state asking assistance in getting local groups of veterans to hold meetings and select a delegate for a St. Louis caucus. The miracle of this intensive organizational work was that attendance from every state except North Carolina, the Hawaiian Islands and the Philippines took place May 8, 1919, when 1400 delegates gathered at a first of 3 meetings from which evolved the actual American Legion.

That name was selected following much discussion. It is also interesting to note that an Act of Congress on Sept. 16, 1919 signed into law by President Wilson incorporated the American Legion officially.

The local Legion party will get under way at 7:30 P.M. next Saturday with a cocktail hour. Corned beef and cabbage will be featured at the 8:30 P.M. dinner. The Ron Bauer Trio will play for dancing until midnight.

Donation for the gala evening is a mere \$25.00 per couple and includes the complete evening of dinner, dancing and liquid refreshments as well as favors.

Reservations are required in advance from Keppen, YO 6-4053; or his committee: Ed Viglietti, YO 5-6587; immediate junior past commander Robert Perschon, 775-6907; past commander Don Huber, 965-0580; or John Rieser, YO 5-2724.

This is always a festive evening at the Legion and those attending enjoy a delightful evening.

Legion Auxiliary District dinner

The 7th Dist. American Legion Auxiliary's annual past president's dinner will take place this year at the Morton House Restaurant in Morton Grove on Wednesday, March 18. Cocktails will be served at 6:30 P.M. and the meal at 7:30 P.M.

Chairman of the function is the immediate junior past president of the District, Mrs. Joseph Schmidt, of Morton Grove. Elynor Schmidt is a former president of the Morton Grove American Legion Unit #134.

The current 7th District president is Mrs. Ed Mahnke, also of Morton Grove. Coincidentally, Connie Mahnke is also a past

president of the Morton Grove Auxiliary.

Donation for the festive dinner is \$11.00. Entree is a choice of steak or fish.

During the gala event, each unit in the district presents their donations to the two prime projects of the past president's party group: nurses scholarship and veteran's craft.

The district is composed of 10 Auxiliary Units whose boundaries are located within the confines of the north suburban and north shore Chicago area.

Jake's St. Patrick's Day party lasts two days!

by Ed Hanson

You can celebrate St. Patrick's Day, and take advantage of the low-priced specials at JAKE'S RESTAURANT of Niles, for two full days, Tuesday, March 17 and Wednesday, March 18.

These "super" low St. Pat's Day specials are: CORNED BEEF & CABBAGE, IRISH LAMB STEW, IRISH HAM BUTT & CABBAGE AND IRISH POT ROAST. All of the above specials include soup or juice, salad, roll and butter. JAKE'S ad on this page will provide you with the low, low price of the above four specials. And, remember, this super low price is good for two full days - Tuesday, March 17 and Wednesday, March 18.

JAKE JOSEPH, the owner of JAKE'S popular restaurant of Niles, in honor of St. Patrick's Day, has decorated the entire place in Irish green. And all the ladies will receive a beautiful FREE gift. Everyone present will also have the opportunity of winning an additional valuable gift by registering for the drawing.

For all the kids JAKE is giving away new expensive toys for all the little girls and boys and his huge toy Treasure Chest has been stocked with additional toys for the gala occasion.

Delicious creations from JAKE'S super fountain, including GREEN ICE CREAM, in honor of St. Patrick's Day will be available.

JAKE has asked me to remind everyone of his special Senior Citizen's discount, which is available from 2 p.m. to 4:30 p.m. every day, Monday thru Friday. The Senior Citizen's discount is a whopping 20% off the menu price and affords all senior citizens an additional discount from the low regular prices.

So, "Save Some Green" and be sure to attend THE BIG ST. PATRICK'S DAY PARTY at JAKE'S RESTAURANT, TUESDAY, March 17 and Wednesday, March 18, at 7740 N. Milwaukee Ave., Niles.

Ladies Choice trips

The Niles Park District's Ladies Choice outings for April and May will be to the community of Long Grove and to the Lincolnshire Marriott Theatre. An enjoyable April Day awaits us as we venture to the charming community of Long Grove. Eat a light breakfast because our first stop is lunch at the Hobson House. Here we will feast on their delicious buffet, complete with an extensive salad bar! Leave room because we will also be served a delicious homemade dessert! Long Grove is a lovely German-like town serenely nestled within a charming rural community. It features many boutiques, candy stores, bakeries and antique stores. Here you can shop-top all day or pickout a favorite establishment and just browse! The date is April 7 and the cost of \$10 per person includes full meal, gratuity and transportation.

On Wed. May 13, we will be viewing the play Night Music. On stage duals are fought, flirtations crossfire and Desiree the actress has a sweet melancholy in her heart for a long forgotten romance. Waltzing to the tunes of a pristine music box, characters intertwine in this extravagant and lavish production.

This will all take place at the Lincolnshire Marriott's Theatre. Prior to the play we will dine on a lavish buffet served to us at the Marriott's Chapparel Room. Join us for a succulent lunch and some very exciting entertainment! The resident rate is \$18.50 per person and includes your full lunch, gratuity, ticket and transportation. Call 967-6633 for information on all trips through the Niles Park District.

MORTON GROVE

Adventure Club

Go back to Merry Old England when the Adventure Club goes to the King's Manor on Thursday, April 2. A 2 1/2 hour medieval feast will be featured while being entertained by jesters, knights, wenches, and a king. This hearty six course meal is accompanied by unlimited beverages. Bus leaves the Prairie View Center at 6:45 p.m. and returns about 10:30 p.m. Fee is \$20 per person. Register now at the recreation office, 6834 Dempster. This trip is recommended for adults only.

MG crime...

Continued from MG P.1 revealed the Illinois Department of Transportation has awarded a \$1,775,000 contract to the DiPaolo Co. of Niles for the widening and resurfacing of Caldwell Ave. from Waukegan to Touhy. Although 25% of these improvements will be within Morton Grove boundaries, the project will be completed at no cost to the village. Work should begin in 4 to 6 weeks, according to village engineer Bill Motweller.

Also: There will be a dedication of new public works building, 7840 Nagle, from 10 a.m. to noon on Saturday, March 14. Police Chief Norman Glauner explained how the police department has saved over \$4000 in the past year by utilizing a synthetic oil produced by Mobil, which requires change of oil and filter only once a year.

Village trustees passed an ordinance which creates parking permit only areas adjacent to Niles West High School and prepares for the distribution of special parking permits to 52 residences near 5700 and 5800 Warren and surrounding blocks.

An ordinance is being drawn up which will give police authority to tow motor vehicles left standing with motors running longer than 5 minutes. This law is a reaction to resident complaints regarding trucks parked overnight at the Motel 8 on Waukegan Ave. These trucks often leave engines and refrigerator motors running and have been deemed a nuisance.

Village Trustee Don Snieder said he would to dispel any rumors floating around that houses would be knocked down to create more parking for the Dempster St. business corridor.

"This administration will never remove 1 house in Morton Grove near a business area or any part of town," according to Snieder. "The flagrant rumors going around are just ridiculous. We've only completed phase 1 of the Dempster St. study; phase 2 might show nothing can be done." He urged interested and concerned residents to attend a meeting on this study scheduled for March 25 at 7:30 in village council chambers.

Messiah Men's Brotherhood meeting

The Messiah Lutheran Church Men's Club, the Brotherhood, will hold their regularly monthly meeting on Tuesday, March 17, at 6:30 p.m. A homemade dinner of corned beef and cabbage will be served. After dinner, Bishop Elme Osterbur will present a slide program on his January trip to Madagascar.

Bishop Osterbur is president of the Illinois District of the American Lutheran Church and a member of Messiah. Bishop and Mrs. Osterbur went to Madagascar in January, under the auspices of the Division for World Mission of the American Lutheran Church, to conduct Bible studies for missionaries and their families at a retreat held at Fort Dauphin. They also stopped over in Dar es Salaam, Tanzania, Africa, where they observed mission work; in Rome; and in Northern Germany.

Messiah Lutheran Church is located at 1605 Vernon ave. in Park Ridge. The Rev. Gaylen, Gilbertson is pastor.

Water suit...

Continued from Page 1 rates to the suburbs decreased and also to get a rebate to the suburbs for what Blase termed "illegal charges." Regarding the latest suit, Blase noted, "We are saying that 40% of the cost they are charging us is not related to taking water out of Lake Michigan, treating it, and supplying it to us." The suit seeks to prevent Chicago from applying the new water rate to the suburbs.

Chicago's rate to the suburbs for water is scheduled to rise on May 1 to 69.4 cents per 1,000 gallons from the current rate of 45.8 cents. The suburbs feel the hike is unreasonable and excessive.

Judge Albert Green of the Cook County Circuit Court gave Chicago 28 days to respond to the charges which the suburbs have made, something which Chicago has not done in the ongoing 4 year battle.

Suburban mayors involved in the suit were reported Friday as saying Chicago has been bilking the suburbs through the water rates for millions of dollars in costs which are not applicable to the suburbs.

Ronald Glink, attorney for the suburban communities said, "We are being forced to subsidize the users within the city of Chicago. The suburbs are very upset about that situation especially after hearing this past week that four northwest suburban communities signed a contract with the city of Evanston to obtain water through them at a current rate of 18 cents per 1,000 gallons. That makes Chicago's new water rate almost 4 times more expensive."

Meanwhile the H2O battle goes on, and on, and on.

Skokie pay...

Cont'd from Skokie-L'wood P.1 clerk on a full time basis at a salary of \$15,700 a year. It would be necessary to hire a part time deputy to replace her. According to Skokie's Village Manager Albert Rignoli, the salary increases are moderate even though 46 per cent for the village clerk and 20 per cent for the mayor and board members may seem like a lot.

Study of depression at OCC

Depression occurs in all stages of life and all too often many people suffer prolonged distress because of lack of information about the illness.

Phyllis Levy, clinical director of All About Women, Inc., will discuss the diagnosis, treatment and prognosis of depression at a seminar, "The Many Faces of Depression," at 1 p.m., Tuesday, March 17, at Oakton Community College/Skokie, 7701 Lincoln ave., Room 115.

The seminar is part of the ongoing series, Passages Through Life, sponsored by the Office of Community Outreach at Oakton. For further information, call 635-1672 or 635-1977.

Skokie Legion...

Cont'd from Skokie-L'wood P.1 They have done and at this time each year Post and Auxiliary members gather for

this birthday celebration. Refreshments will be served following the meeting.

Women Helping Women workshop at OCC

A workshop which will give women a chance to discuss their needs and share their thoughts about life, career, husbands, volunteering, home, being single, and finances will be held Sunday, April 26, at Oakton Community College.
Workshop speaker will be Elaine Sullivan, associate professor and instructor of Psychology of Personal Growth at Oakton, who has long been committed to the advancement of women.

The workshop called "Women Helping Women" will be held from 1 to 3:30 p.m. at OCC/Des Plaines, 1600 East Golf rd., Room 2407. There is a \$2 fee. Free child care will be available by reservation.
"When was the last time you had an opportunity to sit down with a supportive group of women and share your feelings, your fears, and your wants?" asks Mrs. Sullivan. "Do you have the need to meet new women, and find new support systems? Are you looking for people who are on your wave length?"

This conference will provide a time for participants to be with women of all walks of life. Based on their needs and wants, this day could lead to more opportunities for other workshops and continued sharing.
The workshop is being sponsored by the Office of Community Outreach at Oakton Community College.
For further information, call 635-1977.

Messiah Lutheran Senior Choir

On March 15, the Senior Choir of Messiah Lutheran Church, 1605 Vernon in Park Ridge, under the direction of Thomas A. Daniels, will sing at Community Lutheran Church, 5443 W. Huron, in the Austin area of Chicago.

Community congregation came to Austin after its inner city neighborhood was burned out in the 1967 riots. It now tries to be a focus for the educationally disadvantaged children of the area. Its choir came to Messiah in November to sing at their 11 a.m. worship service. They came in response to Messiah's 25th anniversary monetary gift to them to help them in their building program and their ministry of education. Messiah's Senior Choir is now returning their visit, and will also sing at their 11 a.m. worship service.

The Rev. Kendrick Suter is pastor of Community; the Rev. Gaylen Gilbertson is pastor of Messiah.

Lenten concerts

On Wednesday, March 18, Organist Jerome Butera will present the second of this season's "Lenten-Luncheon-Concerts" at the Park Ridge Community Church. The program, beginning at 12:10 p.m., will consist of a twenty-minute concert followed by a Lenten meal. Admission to the concert is free, and a donation of \$1.50 is suggested for the luncheon. Park Ridge Community Church is located at 100 S. Courtland ave. in the heart of Park Ridge. Phone 823-3164 for information.

Niles Elementary District 63 kindergarten registration fish dinner

Niles Elementary Schools North and South will hold a Fish Dinner, Friday, March 27, at Niles Elementary North, 6921 W. Oakton St. in Niles. They will serve from 5:30 to 8:30 p.m. The price will be \$3 for adults and \$1.50 for children. The meal will consist of tomato juice, fish, macaroni and cheese, vegetable, roll and butter, coffee or cold drinks and dessert.
Tickets are available in advance or at the door. Please come and join us. Everyone is welcome.

East Maine School District 63 will hold kindergarten registration on Wednesday, March 18. Children registering for kindergarten must be five years of age on or before December 1, 1981 and those entering first grade for the first time must be six years of age on or before Dec. 1, 1981.
A certified copy of the birth certificate must be presented at the time of registration or the child cannot be enrolled. For children born in suburban Cook County, a certified copy of the birth certificate may be obtained

from the Cook County Clerk's Office, 118 N. Clark st., Chicago, Illinois 60602. A \$3 fee is charged for this service. Checks should be made payable to Cook County Clerk.
All children entering kindergarten for the 1981-82 school year must have a physical examination and immunization for measles, German measles, polio, diphtheria, tetanus and pertussis. The evidence of such examination and immunizations must be brought up to date and verified by school officials before a child will be admitted to school in the fall.
First graders who did not attend kindergarten must also present evidence of a physical examination and immunization. Forms will be available by a written statement from the parent or a religious affiliation administrator. This request conforms with the law now in effect concerning such examinations.
Questions concerning registration may be directed to the East Maine Elementary School Principals listed below:
Melzer School, Kenneth Panczyk, Principal, 9400 Oriole st.

Morton Grove, Illinois 60053, 965-7474.
Nelson School, Raymond Owens, Principal, 8901 Ozanam ave., Niles, Illinois 60648, 965-0050.

Skokie Trust's new processing center

Skokie Trust & Savings Bank President LeRoy J. Plaziak and Data Processing Manager, Larry H. Weinstein check the new Burrough's B9137 Reader-Sorter to be installed in the Data Processing Center located in the bank's 3601 Dempster Street office. The unit can handle 1,000 items per minute and has a 12 pocket capacity, while the Reader can print 650 lines per minute with 132 characters per line. Construction is under way on this new center and full operation will begin the first part of next year.

Shown above l. to r. are LeRoy J. Plaziak and Larry H. Weinstein.

Jozwiak named to Chamber of Commerce

Ronald Jozwiak, assistant vice president, Operations, of Citizens Bank and Trust Company, has been nominated to a position of Director of the Park Ridge Chamber of Commerce. Mr. Jozwiak will complete the term recently vacated by Richard Rushkewicz, former Marketing Director of the bank.

Mr. Jozwiak has held a number of officer positions for the Northeastern Illinois Chapter-South of the Bank Administration Institute and currently serves as its president. He is an active mem-

ber of the Park Ridge Jaycees and served as assistant co-chairman for the Park Ridge United Fund in 1975. He and his wife, Rose Marie, and two children reside in Park Ridge.

Guardian announces merger

Guardian Metal Sales, Inc. is proud to announce the recent merger of Guardian Aluminum Sales, Inc., with Guardian Metal Sales, Inc.

For many years we have worn two hats at Guardian, servicing our aluminum customers thru Guardian Aluminum Sales, Inc. and our brass and other non ferrous customers thru Guardian Metal Sales, Inc.

To achieve operating efficiencies and to enable us to better meet current needs, we have merged the two companies as of Jan. 31, 1981. Thereafter, all of our operations will be conducted by Guardian Metal Sales, Inc., but the same people and the same quality of service will continue.

Named to Who's Who

Florence Petella, who has served at the quarter billion dollar First National Bank of Skokie since 1966, has been promoted from assistant secretary to the position of Assistant Vice President and Trust Officer.

Avon Foundation Gifts to local organization

Eleven local organizations recently received contributions from the Avon Foundation. At a reception hosted by General Managers, Gene Mecklenburg and Doug Meyers of Avon Products, Inc., over \$14,000 in checks were presented as part of Avon's continued commitment to responsible corporate citizenship.

The company demonstrated its sincere concern for people and the communities in which they live, by presenting gifts to the following educational, social service and health related organizations: Chicago Urban League, Young Men's Jewish Council, The Chicago Home for the Friendless, Clearbrook Center, Center on Deafness, Hadley School for the Blind, Oakton Community College, Central YMCA Community College, Glenview Area Historical Society and the Museum of Science and Industry.

These gifts represented the last for the 1980 fiscal year, and brought the total for the Morton Grove/Glenview Avon Facilities to \$74,000 for the year. Worldwide, the Avon Foundation distributed over \$1.4 million in communities in which Avon facilities are located.

The Avon Foundation was established 25 years ago, and is centered in the Avon Corporate Headquarters in New York City. Its primary purpose is to improve the quality of life where Avon people live and work. In doing so, its activities take it to Avon Facilities located around the world in over 30 countries.

IDOT contract awarded to Niles firm

The Illinois Department of Transportation today announced the award of a \$1,842,819 contract to Di Paolo Company, Niles, for the improvement of Mannheim rd. - Lee st. in the Village of Des Plaines.

The work will begin 900 feet north of Touhy ave. and will continue in a northerly direction to Walnut st. The contractor started work on March 1, with an anticipated completion date of June 1, 1982.

Maine West to host 'Project Big'

"Where do I go from here?" is a common question among high school students, and hopefully an answer can be found at Project Big this spring.

The twelfth annual Project Big program will be held April 14 from 7-9:30 p.m. at Maine West. The program is free and open to all residents of Maine Township. Otherwise known as careers night, Project Big (Business plus Industry equals Growth) was organized to give high school students a true picture of what career is right for them and of what to expect along the road to success.

Some 200 different careers will be represented this year. No matter whether a student is planning on attending college or going straight to work after graduation, a representative will be there to answer questions, on a one-to-one basis, that one might have.

For those who are uncertain about their future, the G.I.S. (Guidance Information System) will also be at Project Big. By answering a few questions about one's self, the G.I.S. can give a readout to the student of possible vocations suitable for him.

During the school day, G.I.S. is also available to Maine East students to answer questions on careers, two and four year colleges, and professional and graduate studies which may arise while planning for the future. To gain access to the G.I.S., computer, a student can speak with his counselor or with career counselor Keith Honn.

District 64 teach-in

On April 24, School District 64 will hold its annual Teach-In.

This event brings community people of all vocations into the schools to share an understanding of their occupation with the students. The teach-in works like this: persons interested in participating are assigned a classroom at 8 a.m. the guest teacher and the other teachers, along with the building principal, meet for a continental breakfast in the school building, and at 8:45 a.m. the guest teacher meets the children and explains (and sometimes demonstrates) his/her chosen field of work. This lasts about an hour and then the guest teacher is on his/her way.

The vocations represented in the last several years have been greatly varied, including bakers, bankers, morticians, mechanics, florists and fashion designers. Nearly 150 guest teachers participated last year. The children gain a great deal from the unique experiences of these community people. The participants come away with a warm feeling and a better understanding of the teaching process.

If you would like to be a guest teacher, please call your local school principal or Mr. Robert Hultgren, 389-7306.

Battle of the Books

St. John Brebeuf students in grades 4, 5, and 6 are again competing in the Battle of the Books Contest sponsored by the Niles Library. Students read widely from a list of books and compete with surrounding schools answering questions on titles, authors and the content of the books.

SJB students who have competed in the meets so far are: Noreen Healy; Romona Gonzales; Annette Weres; Jackie Brieski; Matthew Guerrieri; Amy DeLorenzo; Walter Wrona; Jody Thompson; and Jennifer Braun.

Maine debaters

Maine East debaters Jeff Galkin and Lenny Gail placed first at the recent Oak Park debate tournament. Lenny was first individual speaker and Jeff was eighth.

documents in support of Washington School remaining in District 63.

In a related item, Dr. Donald Bond, district superintendent, said some persons may have signed a detachment petition believing this was only a means of bringing the matter to a vote.

Bond said the signer has declared himself for detachment. The procedure may be nullified by striking the signature from the petition and initialing the move or by signing a legal document at Washington School or in the Educational Service Center, located at Apollo. For more information, call the District office at 299-1900.

Bond said one bid has been received on the Harrison Street property but cannot be opened because an official deadline for bids was not set. A closing date

for bids was set for Monday, May 11.

A resolution to increase fees for leased space at Ballard, Oak and Wilson schools from \$2.50 a square foot to \$3.25 a square foot was tabled until after a committee-of-the-whole meeting 7:30 p.m. March 23 when board members will discuss the district rationale for renting space.

James Bowen, business manager, said the question is whether or not rates would be set to fill the buildings as full as possible or to make money.

Bond suggested the district could price themselves out of the market because many districts are renting closed schools at lower rates. Also tabled as part of the same resolution was setting rates of \$3.85 per square foot for rental of Apollo.

Orput Ass., Inc. was authorized to prepare specifications for bidding and addenda to Life Safety Reports including outdoor utility lights, turbulators, calibration of heating controls, compactors, hot water tanks, HVAC controls and heat timers subject to a maximum rate set by the board.

Legion district meeting

The 7th District American Legion Auxiliary recently held their regular monthly meeting at the North Shore Unit #21 on Clark st. in Chicago. The 10 units in the Auxiliary District rotate hosting the monthly sessions.

Legion Commander of the District, William Hutchinson of Evanston attended the women's meeting and on behalf of the 7th Dist. Legionnaires, pledged the cost of food for the monthly buffet which the ladies of the District were to serve at the USO, one of the prominent programs of the Legion Auxiliaries as well as the District.

President of the 7th District currently is Mrs. Constance Mahanke of Morton Grove. She is a former president of the Morton Grove Unit #134.

Sidewalk Repair Program in Niles

The Village of Niles is offering a sidewalk replacement program for residential, commercial, and industrial area participants that will pay half the cost to repair cracked public sidewalks in front of their property.

The Engineering Department is handling the program, which allows the Village to repair the sidewalks at half price to participants. A minimum of two sidewalk squares must be repaired for each property to participate in the program.

To apply, simply fill out the application below and send it to Niles' Engineering Division of Public Services Department, 6849 W. Touhy Ave. Applications must be in by March 15, 1981. For more information on the program, call 967-6100.

Applications by mail must be filed with the County Clerk's office no later than April 2. Applications by personal delivery only will be accepted until 5 p.m. on April 6 at the County Clerk's office, Room 402, County Building, Chicago.

In addition, voters may cast their absentee ballots in person from March 16 through April 6 at all City, Village, or Township Clerk offices. Voters cannot cast their ballots at the District 207 Administration Center as they did in past referendums and school elections.

The April 7 District 207 referendum is being held in accordance with the new regulations of the Illinois Consolidated Election Law. Unlike previous school elections and referendums, voting will take place in those locations normally designated as polling places for general elections. In addition, the referendum question will be included on the ballot with the other elections for municipal and/or township candidates.

District 207 faces a \$10 million deficit in the education fund by 1985 as a consequence of inflation, declining enrollment, and decreasing state aid. To offset this projected deficit, Maine is proposing the first increase in the tax rate for the education fund in over 12 years. The district is seeking to increase the annual tax rate for education purposes from \$1.63 to \$2.03, an increase of 40 cents per \$100 of equalized assessed valuation.

The District explains as it pays off its bonded indebtedness, the tax rate levied by the school district for the bond fund decreases each year so that in 1987 the district will no longer levy a tax for bonded indebtedness. The total tax rate for District 207 in 1987 will become \$2.55, a nickle more than it is today.

Niles Board... Cont'd from Niles-E.Maine P.1

of a single cable company after a lengthy consideration of five cable television companies.

Months ago village board members submitted questions, regarding fees and services to be offered, for the cable companies to answer in writing. Compiling these answers into a book, the cable television committee of Panek and Trustees Angelo Marchesi and Orville Ottow compared companies to determine which would offer Niles residents the best services including facilities and programming.

Tuesday night's village board decision eliminated the controversial Continental Cable Television Company from consideration. Continental had retained the law firm of Niles village Attorney Richard Troy to represent them in the Chicago area.

Panek noted that 10 communities have already chosen Cablenet, Inc. to negotiate their cable franchises.

In other business the Niles Village Board voted unanimously to participate in a suburban commission to study and, if necessary, take action to curb the noise pollution from air traffic at O'Hare International Airport. Trustee Abe Selman has

previously represented Niles on this commission. By acting to formalize Niles' membership on the commission, Selman said the commission will have greater authority to represent participating municipalities at hearings and legal proceedings.

Also the village board voted 5 to 0 to approve an ordinance calling for general elections on April 7, 1981. Village Attorney Richard Troy said the ordinance may not be necessary because of newly enacted state laws consolidating numerous elections to April 7. However, Troy advised the board to pass this ordinance, as in the past, to assure the proper handling of ballots and formation of precincts.

Members of the village board approved the expenditure of a remaining \$208,000 in federal revenue sharing funds. Among items suggested by Village Manager Ken Scheel were a \$62,000 street sweeper, \$7,000 for fire department overhead garage door controls, \$125,000 for maintenance of the Niles Courtesy Bus system and \$14,000 for the fire department Opticom system. The Opticom system allows fire engines racing to a fire to control traffic lights by radar.

SJB Junior Troop 595

Girl Scout Junior Troop 595 of St. John Brebeuf, Niles, had a taste of the big time when they were asked recently to perform on a sound track being used for a show entitled, "Hound Dog Jamboree" in Hershey Park, Pennsylvania, which is a park similar to Great America. Mr. Frank Gaughan, who has directed shows for 4 years in SJB Festival, directed the girls in the recording. Musicians recorded the music track a day before the girls recorded. Each girl had a set of head phones and sang along to the music track. The recording was done at Sound Impressions, Inc. studio on River rd. in Des Plaines. Mr. Gaughan is association with Creative Presentations of Schaumburg.

The girls participating in the recording were, Cathy Beierwaltes, Susan Drexler, Julie Flynn, Kelly Kenny, Leslie Filipowski, Linda Gurley, Tina Purta, Carol Ann Barrett, Kris Miller. It was a very thrilling afternoon for the girls and they were happily pleased when the day ended with pizza at Jake's Pizza in Des Plaines.

If you are ever in Pennsylvania and should visit Hershey Park, don't forget to see the "Hound Dog Jamboree" and hear the voices of the girls from 595 from good ole Niles, Illinois.

Lake Forest College student

Stacie Lee Wainer, daughter of Mr. and Mrs. Ronald Wainer, 6931 Lexington Lane, Niles, has transferred to Lake Forest College for the spring term.

Milton Port for Niles Park Board Commissioner

Milton Port has announced his candidacy for Niles Park Board Commissioner. Mr. Port, who is a Korean War veteran, has been a resident of Niles for 13 years and lives in Courtland Park. He has three children, Karyn 16, Ronald 13, and Laurel 11.

Not newcomers to involvement in Niles affairs, Milton Port and his wife DeeDee has been active in Niles for years. Milt is past president of the Golf Mill Homeowners Assoc., he was an advisor to Cub Scout Pack 3, and was active in Indian Princess and Indian Guides at the Leaning Tower Y.M.C.A. He is presently a member of Skaters' Parents in Niles. His wife DeeDee is the founder of the Courtland Park Teen Club and was its first advisor. She is the past president of Skaters' Parents in Niles and was active in both the Brownsies and the Girl Scouts. The Ports are members of the Nelson, Apollo, and Maine East High School P.T.A.

As a Park Board Commissioner, Milt Port pledges to work for the following goals:

- To maintain, improve, and renovate the existing facilities and parks.
- No expenditures on new facilities until the existing facilities and parks are running efficiently. "We must be sure that all new proposals have been thoroughly discussed with the taxpayers in Niles before spending their money for costly studies."
- To expand existing programs and develop new programs for our Senior Citizens.
- To plan programs to encompass the extracurricular activities that are being dropped by the local school districts because of their lack of funds.

Saint Joseph's Dean's List students

Three area students have been named to Saint Joseph's Dean's List for the first semester of the 1980-81 school year. To qualify for the Dean's List, the students have earned an index of 3.65 or higher during the past semester, or have maintained a cumulative index of 3.50.

The students are: John A. Ceisel, 7335 School, Niles, Ill. He is the son of Mr. and Mrs. Ernest Ceisel and a 1978 graduate of Divine Word Seminary, East Troy, Wisc. He is currently a junior computer science BA major at Saint Joseph's.

Lynn Ceisel, 7335 N. School, Niles, Ill. She is the daughter of Mr. and Mrs. Ernest Ceisel and a 1977 graduate of Resurrection High School, Chicago, Ill. She was a senior accounting major at Saint Joseph's.

Lawrence O'Connor, 8450 N. Olcott, Niles, Ill. He is the son of Mr. and Mrs. Lawrence O'Connor and a 1977 graduate of Notre Dame High School, Niles, Ill. He is currently a senior biology-chemistry major at Saint Joseph's.

HAPPY ST. PATRICK'S DAY

Marusek emphasizes finances and programs in campaign

Mary Marusek, candidate for Niles Park District Commissioner, has indicated that programming and finances will be among the issues she will emphasize in her campaign.

Recognizing the changes that are taking place in the population of Niles and the effects those changes must have on recreational programming for the district, Mary stresses that the staff must have the encouragement and support of the board in providing programs for all residents. The increasing percentage of adults need attention as does the teenage population. However, as the youth population decreases the district must strive to continue to provide today's young residents with recreational opportunities and not allow them to decrease as the number of youngsters decreases.

As a mother of 3, Mary feels today's young residents still need to be able to find a wide range of recreational opportunities within their community. As schools within the community close and school activities are cut back, the park district can provide the needed recreational activities.

In commenting on the financial aspects of the park district, Mary

stressed the need for the district to "live within its means". Although there is a considerable amount of money still available to the district in the Open Spaces account, the other district funds are not in that situation and the ice rink continues to draw heavily from other funds for its support. Money should continually be spent to improve the facilities and the property of the district, but it has to be done wisely. Hidden costs or unwise investments could result in a very tight financial situation for the district.

As a former finance chairman on the park board, Mary possesses a good working knowledge of the park district's budget.
