A Profile In Courage...

The Bugle Newspapers strongly disagreed with the Life Newspapers' June 14 editorial, spanning from Morton Grove trustees for not using a larger meeting hall for their June 8 village board meeting concerning the controversial handgun ordinances. While it is true Morton Grove officials should have provided seating for the hundreds who attended the meeting, it is also true the Life Newspapers would have done well to consider the significance of Morton Grove's momentous actions rather than go off on such a secondary issue.

The real issue, avoided by the Life Newspapers, is the passage of two gun control ordinances by Morton Grove trustees on June 8. In creating the most restrictive handgun laws in the United States, Morton Grove has banned the private possession of handguns by most citizens and the sale of handguns by Morton Grove gun dealers.

As facts and figures will undoubtedly become distorted in clouds of controversy, it would do us well to remember these statistics provided by the Federal Bureau of Investigation and gun control advocates:

* In 1979, 10,000 people were murdered in this country by people using handguns and another 10,000 people committed suicide using handguns.

* Handguns make up only 20 per cent of the nation's firearms but account for 90 per cent of the firearms' abuses.

* Everyday in the United States 68 people are killed with guns; 62 of these deaths are caused by handguns.

* Of the 10,000 handgun murders in 1979, a full 70 per cent of these occurred among family members, friends and acquaintances.

In approving this handgun ban the village of Morton Grove has demonstrated the wisdom and leadership demanded of public officials which has for so long eluded our national and state office holders.

Due to the Morton Grove ordinances it appears this issue of handgun control will finally be decided by the United States Supreme Court. And just as municipalities have long been able to outlaw the private ownership of machine guns, we hope the courts will make a decision which similarly applies to handguns.

Following the passage of the handgun ban, Morton Grove trustees also passed a resolution urging other communities to take similar initiative and act to ban handguns in their municipalities. We, too, think at long last it is time these municipalities act to stamp out the plague of handgun violence in our society. And we hope to see Niles' progressive trustees, as well as other communities, pick up the torch ignited by Morton Grove and continue this drive to ban handguns.

While results from handgun control may be slow to see, it will be our children and grandchildren who will surely benefit from Morton Grove's action. The Bugle Newspapers salutes the courageous and deliberate actions by the Morton Grove Village Board and urge our readers to actively support similar efforts in their communities.

...And A Heritage Misplaced

Whatever happened to the spirit of Leo Lerner?

Lerner was the founder-publisher of the Lerner Life newspapers who died in 1965. He was a humanist concerned with the welfare of his fellow human beings.

On the heels of the Morton Grove decision banning the possession and sale of handguns, the Life Newspapers chose not to discuss the merits of the issue or its impact on the national handgun debate. Instead, in last week's Life Newspaper, an editorial appeared criticizing Morton Grove officials for holding their handgun control meeting at the village hall where some 200 people could not be admitted because of its limited 72-seat size.

"Oh, Leo Lerner, how we miss you! During your era you would have been leading the charge against handguns. Like that rough rider before you, you would have been charging up your own San Juan Hill, fighting the gun dragons, wherever they were. But last week your papers were criticizing the very people who so bravely stood for a cause of humanity. Just your cup of tea, Leo."

Where you left your paper with a heart, there's now hard dollar figures. That spirited bloodline you left has been replaced by blue ledger ink which runs through the corporate veins of your company.

Because the editorial came out following the meeting, we're suspicious some disgruntled part-time reporter, who asked that the meeting place be changed and was turned down, precipitated the writing of the condemning editorial.

In the pre-'65 days, Leo, you would have been leading the parade with hosannas for the courageous Morton Grove Village Board. But satisfying the pique of a newscaster by condemning those you should be praising is really unworthy of your heritage, Leo.

Jupiter And Its Moons Exhibit at Niles Library

JUPITER AND ITS MOONS, an exhibition of color and black & white photographs selected from transmissions sent back to Earth from the Voyager spacecraft will open at the NILES PUBLIC LIBRARY, 6960 Oakton, on Monday, June 20.

In 1977, two unmanned Voyager spacecraft left Earth to collect scientific data on the outer planets: Jupiter, Saturn and possibly Uranus. (A rare alignment of the outer planets makes such multiple encounter missions possible only once every 45 years.) By March 1979, Voyager 1 passed Jupiter; Voyager 2 followed in July. Both crafts were equipped with a pair of television cameras attached to telescopes. The cameras started rolling 80 days before the encounter with Jupiter, supplying scientists with massive amounts of invaluable data on the Jovian giant and its multiple satellites as well as some of the most stunningly beautiful imagery yet to come from deep space.

JUPITER AND ITS MOONS, which was organized by the National Air and Space Museum and Smithsonian Institution Traveling Exhibition Service (SITES) in cooperation with the Jet Propulsion Laboratory/NASA, imparts some of the excitement and information generated by the Voyager missions. The exhibition written by Dr. Robert Wolfe, a geologist at the National Air and Space Museum presents over 70 color and black & white photographs of Jupiter and its five principle moons augmented by informative text and a scale model of the Voyager spacecraft.

JUPITER AND ITS MOONS will remain on view at the Niles Public Library through July 13. For additional information contact, Mark Neyman, Niles Public Library, 967-8554.

Job-finding sessions at Leaning Tower

On Monday, June 22 at 8 p.m., The Leaning Tower YMCA, in conjunction with the Suburban Mental Health Referral Center, is offering seven Job-Finding Sessions to help present or prospective employees to find a job.

"If you want to find a job or change to a new one, it has been fairly well established that randomly mailing out job applications and resumes do not land a job," said Dr. B.G. Gross, director of SMHRC. "Letters of recommendation come a dime a dozen," he added.

The purpose of these Job-Finding Sessions is to assist each participant to construct his own personalograph which is com-

piled by answering seven questionnaires that when submitted to any prospective employer can give a comprehensive view of the applicant's competence, vocational assets and aptitudes. These data will be very beneficial to everyone concerned in the job placement process but most of all help the job-seeker to sell himself.

These Job-Finding Sessions will be held on seven consecutive Monday nights, from June 22 to August 3 inclusive, at 8 p.m. in the Skyline Room of the Leaning Tower YMCA at 6300 W. Touhy in Niles. For further information and registration, call Miss Rickey Stout, 647-8222.

ABOUT THE AUTHOR:
Joseph Koeck was born in Holland and moved to the United States twenty-five years ago. He and his wife and three children - ages 20, 18, and 14 - have lived in Niles for more than eleven years. Koeck has been active with the Niles Fire Department for many years, including many years as a firefighter, serving as a captain, and as a member of the fire department's auxiliary. Koeck is past vice-president of the Chicago Retail Cleaners and Tailors association. He now has a Cleaning and Tailoring store at 7800 Waukegan in Niles.

Bugle Digest Local News Briefs

Niles Fire Department officials expect to move the five village communications center from Niles to Glenview by July 13. The Regional Emergency Dispatch (R.E.D.) system brings all telephone calls for help from Niles, Morton Grove, Glenview, Glenbrook and North Main to the Niles Fire Department. Fire departments are then contacted through the R.E.D. dispatchers in Niles. The communications center will move into the Glenview Fire Department in July where larger facilities are available and where more sophisticated communications equipment is being installed.

NORTRAN management, supervisory and clerical personnel and the Transit Union drivers and mechanics have agreed to defer 10% of their wages enabling the company to meet its payroll. Warren Nugent, NORTRAN Chairman emphasized this was not a pay cut, but a pay deferral and when the financial crisis is over, the amount would be reimbursed to the employees. NORTRAN is also seeking a surcharge of 5¢ on local and regular routes and 50¢ for premium service which they promise will be dropped when operating funds become available. They are one of the few suburban carriers still providing full service to its area.

Niles Mayor Nick Blase in a letter to School Districts 63, 64, and 71, once again reiterated his firm stand against the sale of school property. While stating it was not the intention of the village to interfere with the running of the schools, Blase did clarify the village's position on maintaining neighborhood property values. He also offered cooperation from village personnel in the rental of vacant school properties.

A 70 acre property located 5 miles north of Marriott's Great America at 1-94 and Rte. 173 will be the site of a theatre accommodating 3,500 people by the Fall of 1982. In addition, a \$20 million Country and Western theme park is scheduled to open within the next two years.

The Morton Grove Park District is progressing with their plans for the 4 of July celebration. Confirmations have been received from the Midlothian Scottish Pipe Band and the Rock Ridge High School Band to march in the parade. Negotiations are still in the works with a drum and bugle group from Kenosha, Wis. The Windy Ridge Ramblers, a country western-bluegrass group will entertain in the evening from 7 to 9 p.m. The fireworks display, which will last approximately 32 minutes with no ground display, will cost \$4,000. A meeting of the committee will be held on Wednesday, June 24 at 8 p.m. at the Prairie View Community Center. For further information, call Rich Grodsky at the Morton Grove Park District.

The Village of Niles will hold only one board meeting during the months of July and August. Their summer schedule calls for meetings on July 14 and August 11. In addition village hall offices will be closed on Saturdays during July and August. On Friday, July 3, all village offices will be closed in observance of Independence Day.

Young Frankie Wagner, 9, will be one of the marchers in the Niles Park District's 4th of July parade. Frankie will once again don his clown makeup which his father, Village Clerk Frank Wagner, Jr., notes is one of his favorite pastimes.

Seniors perform at Sing-Out

The Niles Senior Center Choral Group has just completed an outstanding performance at the recent Lake Forest Sing-Out held June 3. This year's outing is a showcase for non-professional senior citizen groups of singers. The Niles Senior Citizen Choral Group was one of ten groups invited to perform from among the many area chorister groups.

Well deserved plaudits greeted the choral group's renditions of

Rotarians To Honor Seniors

The Rotary Club from the Niles and Morton Grove area will sponsor a luncheon for the senior citizens at the Niles Senior Center, 8060 Oakton on Tuesday, June 30 at 12:00 noon.

The Rotarians honor Niles Senior Citizens with this invitation every second year, alternating with the Morton Grove senior citizens. Approximately one hundred senior citizens and twenty-five rotarians are expected to attend. This luncheon is free for the senior citizens. The response to this invitation has been so great as to indicate that this is a very popular event indeed.

Niles seniors form 'Living History' group

The Niles Senior Center's discussion group "Living History" will meet on Friday, June 19 at 2 p.m. at the Niles Senior Center, 8060 Oakton. This group, which meets on a bi-monthly basis, is open to all Niles residents over the age of 62, free of charge. Their pilot project involved a discussion on the rationing system of the wartime 1940's, held in April. Participants brought photographs, ration coupon books, and civil defense identification cards, as well as

experiences to share. Approximately 17 individuals attended the last discussion, and it is anticipated that this number will grow as more people become aware of this program.

The topic scheduled for the June 19 discussion is "Snowstorms - Past and Present." All Niles seniors are invited to attend with photographs, scarves, mittens, broken shovels, and experiences concerning blizzards. For more information on "Living History," please call the Niles Senior Center at 967-6100 ext. 76.

Merle Rosenblatt from the Niles Public Library's Outreach Services will conduct a book review on Tuesday, June 23 at 12 noon. There is no charge for this event, and participants can expect an enjoyable and intellectually satisfying occasion.

PINOCHLE TOURNAMENT ENDING

The Niles Senior Center pinochle tournament will draw to a close on Wednesday, June 24 at 1:30. Many thanks to those who played in the tournament, and to those who substituted. Congratulations are conveyed to the winners.

MONTHLY MAILING PROJECT

Our next monthly mailing project is Wednesday, June 24 beginning at 10:00 a.m. Volunteers are always welcomed with great appreciation.

North Suburban Chicago Chapter of the United Ostomy Association will hold their next monthly meeting on Wednesday, June 24, in the 10th floor cafeteria at Lutheran General Hospital, 1775 Dempster, Park Ridge, at 8 p.m.

Our "Annual Raffle" will be held at this meeting. One of its benefits is to help defray the expense of sending delegates to the Annual United Ostomy Association Conference. All interested persons are welcome to attend.

For further information regarding our monthly meetings or the organization contact Inez DesJardins, Glenview 724-0300, Rhoda Gordon, Wilmette 256-5885, Marilyn Mau, Park Ridge 823-6312 or Doris Curtis, Streamwood 837-4543.

Mrs. Helen LaBok, Morton Grove, has been named 1981 Super Senior by the Office of Community Outreach at Oakton Community College for her volunteer efforts in Oakton's Grandparents Unlimited program and as a student in Oakton's credit classes.

Mrs. LaBok was honored May 29 at the Super Senior luncheon held at the North Shore Senior Center.

Helen LaBok named 1981 Super Senior

As a foster grandparent, Mrs. LaBok has donated one day a week since 1977 to work with children at the Niles Township Congregation Nursery School in Skokie. A student at Oakton Community College for the past three years, she returned to the classroom after raising two children and six grandchildren.

A look to the future

Village of Niles Trustee, Orville C. Ottow (l.) and Assistant Finance Director, Jeffrey J. Bell are shown inspecting a huge refuse incinerator in Melrose Park. The incinerator, which burns refuse and waste, is within the standards and guidelines put forth by the Environmental Protection Agency.

After all refuse is burned the after-burning process produces steam which can be utilized for heating the plant facility or to power and operate machinery. It is estimated that the energy savings from the production of the steam captured

by the incinerator is equal to \$46 per pound of solid waste.

Trustee Ottow stated, "We are looking at the incinerator as an alternative to dumping our solid waste and refuse. Land filled disposal sites are becoming more and more scarce in addition to being located further away from our village, which raises the cost of hauling and dumping our village garbage and refuse." Continued Ottow, "Perhaps incineration, in the near future, will be the answer to our disposal problems."

Seek Used Bike Donations For M-NASR

The Maine-Niles Association of Special Recreation is asking civic minded citizens with cluttered garages or attics to donate used bicycles. These bikes will be used in M-NASR bicycle safety programs. M-NASR will be happy to arrange pick up for each tax deductible contribution.

The Maine-Niles Association of Special Recreation offers recreational services to disabled populations from the Skokie, Niles, Lincolnwood, Park Ridge, Golf-Maine, Morton Grove, and Des Plaines Park Districts.

For more information or to arrange donation details, please call 966-5522.

Teletype pioneers entertain at senior center

The June birthday party of the Leaning Tower Senior Adult Center will be held on Wednesday, June 24 at 1 p.m. in the Multi-purpose Room of the Senior Adult Center, 6300 W. Touhy Ave., Niles.

We are thrilled to announce that the featured entertainment will be "The Telephone Pioneers of America". This will be the third return engagement at Leaning Tower Senior Adult Center and we are honored that this very talented group of retired persons from the Teletype corporation agreed to provide us with an afternoon of singing, dancing, music and comedy

skits. We know that no one will want to miss this fantastic variety show. It is truly a great extravaganza. The Pioneers have entertained all over Chicagoland and are in constant demand.

Please note that the party is scheduled for Wednesday, June 24 at 1 p.m. instead of the usual Monday. It is customary for all Birthday celebrants to bring cakes for these parties. If you are being honored this month, please remember to donate your cake. Everyone is invited to come and help the Birthday people celebrate.

Consultation appointments can be set up at the Niles Senior Center, Trident Community Building, 8060 Oakton in Niles. Phone: 967-6100, ext. 76.

Morton Grove Senior Citizen News

ARTHRITIS LECTURE

Someday you or someone in your family may suffer from arthritis. There are more than a hundred ways in which people can be so afflicted. Common misconceptions about this disease include: It is not serious, it has no effective treatment, it only strikes the elderly, and it can be cured with home remedies. These are all false.

The Morton Grove Health Department will be sponsoring a special lecture on Arthritis, on June 22 at 7:30 p.m. in the Baxter Room of the Morton Grove Library. Ms. Ann Robinson of the Arthritis Foundation will be the speaker for this free program to all residents.

SUMMER FILM FESTIVAL

The Morton Grove Advisory Commission on Aging and the Family Counseling Service of Evanston/Skokie Valley will present a variety of interesting and popular films during the summer for seniors at the Morton Grove Senior Center, 6101 Capulina. The schedule of shows will include: June 23 - "The Sunshine Boys"; June 30 - "Harry and Tonto"; July 7 - "Harold and Maude"; July 14 - "The Wild Goose" and "Antonio".

The free movies will begin at 1:30 and will include coffee and discussion. Seniors should call the Senior Hot-Line, 965-4658 between 9 a.m. and noon for reservations. The films are being provided by Video Stop, 5008 Dempster st. in Skokie.

THURSDAY SOCIAL CLUB

Expanding membership in the senior clubs meeting at the Prairie View Community Center has necessitated opening another day to accommodate Morton Grove seniors age 55 and older who would like to drop in to play cards.

The new senior group will meet from 11 a.m. to 2:30 p.m. every Thursday. For further information contact Leo Provost, Senior Activities Coordinator, at 965-4359.

SOCIAL SECURITY CHECKS

The government has announced an increase of 11.2 percent in the Consumer Price Index and the Social Security check you are to receive July 3 will be increased accordingly. The basic Medicare Medical Insurance premium (Part B) is increased from \$9.60 to \$11 a month. Supplemental Security Income checks will also be increased by 11.2 percent.

BLOOD PRESSURE TESTING

Morton Grove Fire Department Paramedic/Firemen will be on hand Monday and Wednesday, June 22 and 24 at 1:30 at the Prairie View Community Center to administer free blood pressure tests.

Providing an unforeseen emergency does not arise, the Paramedic/Firemen will once again provide this most popular and essential service to seniors. Tests are free and no appointment is necessary.

WILLS PROGRAM

The Senior Citizens Wills Program is a public service sponsored by the Chicago Bar Association. The program offers eligible senior citizens a free legal consultation about the preparation of a "Simple" will. After consultation with a lawyer, a senior citizen may choose to hire the lawyer to draft a will for a fee of not more than \$50 for an individual and \$75 for a couple.

If necessary, this may be paid in installments. To be eligible, an individual must be over 60 years of age, and may earn up to \$15,000 per year, and/or have up to \$15,000 in assets other than a home and personal car.

Consultation appointments can be set up at the Niles Senior Center, Trident Community Building, 8060 Oakton in Niles. Phone: 967-6100, ext. 76.

CHORE SERVICE

Morton Grove seniors (age 65 and over) can take advantage of this service throughout the spring and summer. Chores such as lawn care and house cleaning are provided at no cost (program contributions are accepted). For an appointment call the Village Hall at 965-4100.

For additional information about these and other Senior Programs, call the Morton Grove Senior Hot-Line, weekdays, 9 a.m. until noon, 965-4658, or Bud Swanson, Senior Services Coordinator at the Village Hall, 965-4100.

M-NASR thanks Cerebral Palsy games prize donors

The Maine-Niles Association of Special Recreation (M-NASR) would like to thank the following organizations for their generous aid in making the Illinois Regional Cerebral Palsy Games of May 30-31 a success:

Tubbo's Restaurant - Morton Grove, Fluky's Restaurant - Chicago, Arby's Restaurant - Niles, Browns Chicken - Park Ridge, The Park Ridge Paramedics, The Lioness Club of Niles, Maine South High School, 3-M Com-

pany, The O'Hare/Kennedy Holiday Inn, Classic Bowl - Morton Grove, Explorer Post #107, The Boy Scouts of America.

These generous contributions of time and money allowed one hundred thirty adults with Cerebral Palsy the opportunity to be athletes. I wish on behalf of M-NASR and United Cerebral Palsy of Greater Chicago, to offer a sincere thank-you to every one involved.

Legion Auxiliary holds Memorial Services

The Morton Grove American Legion Auxiliary commemorated the month of May with their regular meeting by honoring the deceased members of their Unit. Traditionally in the month of Memorial Day, the memorial services feature special prayers by the chaplain, music and officers and members attired all in white to signify the solemnity of the occasion.

Since May is also the month of Poppy Day, the red poppy flowers are used along with lighted candles to significantly honor those members who are departed. Gold Star members are those who have lost a loved one, be it a son, husband or brother; and Junior members are those daughters and granddaughters 18 years of age and under of legomenae and deceased servicemen. These two categories of members plus the regular senior Auxiliary members were all singled out in the impressive services.

Pianist was Joan White.

Participating in addition to present Julie Karsten was Unit Chaplain Dee Dolan.

The women of the Auxiliary also participated in the Legion Post's annual Memorial Day Parade. Many officers and members marched with the color bearers carrying the unit and American flags. Mrs. Karsten and other Unit members then assisted back at the Post Home in the serving of refreshments to the marchers.

Tamar Hadassah officers

Tamar Hadassah, a young Jewish women's group, announces its 1981-82 officers will be installed at a champagne brunch on Sunday, June 26. The installation will take place at the Fireside Inn, 9101 Waukegan Rd., in Morton Grove. The officers to be installed are: Iris Silver, President; Vicki Satovitz, HMO; Sylvia Taflowe, MTJC.

Many exciting events have been planned to make this next year even more successful. For further information call AN3-7473.

Jacquelyn Pector, daughter of Mr. & Mrs. Bradford Pector, will become Bat Mitzvah on Friday, June 19, 8:30 p.m. at Maine Township Jewish Congregation, 8800 Bellard Road, Des Plaines. Joel Goodman, son of Mrs. Joan Goodman, will become Bar Mitzvah on Saturday morning June 20, 9:30 a.m.

Glenkirk benefit run for retarded

the property.

Glenkirk Association for the Retarded will repeat its successful 2-mile and 5-mile runs on Sunday, June 28. Last year more than 300 runners turned out for the event, and this year's run is expected to be even more successful.

The run will take place on the grounds of the Glenkirk Home, a residential facility for 32 mentally retarded children, located at 1000 N. Waukegan rd. in Lake Forest. The run will begin on the long, winding drive leading to the Glenkirk Home and continue on the tree-lined roads adjacent to

Seek Teen Volunteers

The Julia S. Molloy Education Center, a public school serving developmentally delayed students ages 5-21, is still in need of teen age volunteers to assist our certified staff in a six week summer program. The program, which runs from July 1 until August 11, includes water therapy, swimming, outdoor education and recreation at a forest preserve, field trips, and activities in the school building.

Prospective volunteers may work one to five days a week, but must plan to work a full day (8:30-1:00). Call 966-8500 for an application.

*Dual graduation in
Ludkowski household*

Phillip P. Ludkowski

Mary E. Ludkowski

There will be a two-fold reason for joy in the Ludkowski household in Niles this month.

Philip P. Ludkowski, 24, will graduate from the Loyola Stritch School of Medicine as a physician on Saturday, June 13, just one day before his sister, Mary E., 23, graduates as a Registered Nurse from Lutheran General's School of Nursing.

They are the children of Norbert P. Ludkowski and his wife, Antoinette.

Phillip is going on to serve a

five-year residency in Orthopaedic Surgery at Parkland Memorial Hospital, Dallas, Texas, while Mary will continue at Lutheran General in the Pediatric Unit.

Mary is a graduate of St. John Brebeuf School and Maine East High School.

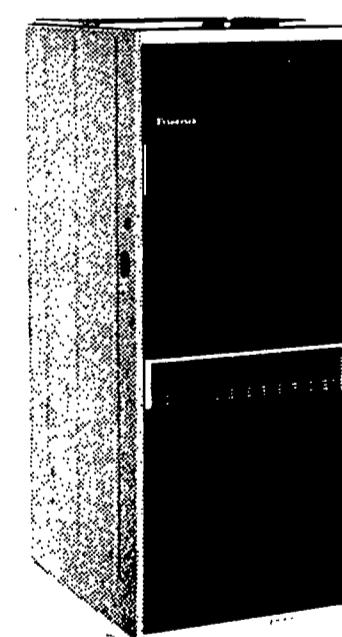

Phillip is also an alumnus of St. John's and Maine East. He attended Rockford College for his undergraduate pre-medical studies.

MSU Alumni membership drive

The Chicago Michigan State University Alumni Club will host their annual membership drive party, The Green and White Night, on Wednesday, June 24 from 5 to 9 p.m. at the BBC, 9

Replace your old gas furnace with the NEW energy efficient

Greenbrier Hi-Boy Gas Furnace

Friedrich comfort...
so nice to have around

BOB WILLIAMS
Air Conditioning & Heating
677-3144

Description
• Greenbrier top-of-the-line, extra care design construction assure the utmost in quality of manufacture and years of dependable performance. Efficiency, quietness, versatility and dependability are the marks of these eleven gas furnaces.

• Greenbrier gas furnaces get the most heat from fuel and fuel dollars with baffling built into uniquely designed heating elements. The baffling slows down convection gases as they pass elements, creating a zig-zagging SWIRLFLO action. The hot gases are forced into greater, longer contact with walls, so more heat is transferred to the air which circulates through the home.

• Our quiet, attractive Greenbrier Hi-Boy gas furnaces are certified by the American Gas Association for use with either natural or LP gas.

son to T. Granatelli cut down a potential Red Sox run. Pitching for the Reds were T. Granatelli, T. Garces, E. Aromi and T. Satinover. The Little Miss and Mr. Shop Red Sox rallied from a 13-0 deficit, but it wasn't enough to win this one. Red Sox hitting power came from K. Schiffman, 4 for 4 and S. Block, 2 for 4. Pitching for the Red Sox were C. Sikorski, M. Donahue, R. Thompson and C. Alexander.

6-1-81 Cubs 13-Orioles 12
It was a close game for the Harig Mig. Co. Cubs with 2 great defensive plays by Biga, in the final inning to end the game.

Sluggers for the Cubs were Johnsen with a homerun, triple, and two doubles for 5 RBI's and Kahan going 2 for 3 with a homerun and 3 RBI's. Great pitching for the Waukegan Beusse Orioles by the O'Grady brothers and outstanding catching by E. Hayes. Congratulations to M. Kelly on his first Peanut league hit.

6-1-81 A's 8-Pirates 8
The Kiwanis Club A's tied the game up on a homerun by D. Halley. J. Manzella provided 2 hits to help keep the game close. Good defensive plays by Jennifer Smith and steady pitching by Halley, Stenger and Bielak. Also on the mound for the A's were Vondenbosch and Manzella. The Schumacher Electric Pirates exploded in the 3rd inning scoring 4 runs and again in the 5 with 3 more. Hitting power came from Brieske and M. Kim with doubles, Nawrocki with 2 singles and Harty with a single. Solid pitching by E. Sokolowski, Nawrocki, and Brieske.

6-1-81 Red Sox 12-Padres 9
An exciting come from behind victory for the Little Miss and Mr. Shop Red Sox. A great night hitting for the Thompson brothers, Ray going 3 for 3 with 2 doubles and 4 RBI's and Eddie going .4 for 4 with a double, 2 RBI's and the game winning RBI single. Slugger K. Schiffman clinched the game with a 2 run homer in the 5. Pitching for the Red Sox were K. Schiffman, M. Donahue and C. Sikorski. The hard fighting Edison Lumber Company Padres were led by sluggers A. Kohn, 3 for 3 and B. Pawlowski and B. Troch each belting out homers. Pitching for the Padres were B. Pawlowski, J. Levine, K. Kiehn and B. Troch.

6-2-81 Twins 6-Reds 4
It was a come from behind victory for the Niles Lions Club Twins sparked by C. Komo with his first homerun of the season. Other hitters for the Twins were E. Tzinberg, 3 for 3, R. Samelak, a triple, T. Glavin, a base hit, and A. Rosenfeld. Good defensive play and super pitching by R. Samelak in the bottom of the 9th stopped the Reds from rallying. Also on the mound for the Twins were E. Tzinberg and J. Hay. A heartbreak loss for the Barnaby's Family Inn Reds as a lastinning, bases loaded rally fell short.

6-2-81 Artistic Trophies White Sox 1-5-0
Cubs 8 - Orioles 7
Niles V.F.W. A's 4-1-0
Ron Hays Tile Co. Cubs 3-2-0
DuPage Die Casting Pirates 3-2-0
NBL Orioles 2-3-0
Artistic Trophies White Sox 1-5-0
Cubs 8 - Orioles 7

Pirates 6 - White Sox 4
Best, closest game of the season for both teams. Errors made the difference. The Cubs came up with 6 hits to the NBL Orioles 4. Kostrewa was the Cubs slugger of the day with a 3 run homer. Carver was credited with a triple, a single and 3 RBI's. Kvuntas, Dugan and Kim each got singles. On the mound for the Cubs were Kostrewa, Dugan, Kim and Turowsky. The Orioles got good pitching from Sung Soo and Szymanski. Orioles hitters were Kumkoski and Sung Soo with singles and Kassel had a single and a double.

The Pirates took the lead in the first inning and held it, beating the White Sox 6 to 4. The Pirates were allowed only 3 hits, a double for Gray and a single each for Gambray and Schaefer. Good defense by both teams kept the score close. Ziebell hit 3 doubles in the game.

**THIS IS A PRACTICE PEAK ALERT.
FOR THE REAL THING,
LISTEN TO YOUR RADIO.**

If today were a real Peak Alert, we'd be on the radio asking you to conserve as much electricity as you could between 9 a.m. and 10 p.m., when the use of air-conditioning is greatest.

To keep your home at 78 degrees, no lower. (The colder you make it, the more electricity your air-conditioner has to use.)

To postpone washing, drying or ironing clothes during the day.

To cook outdoors if you possibly can.

To vacuum early or not at all.

To read a book instead of watching a lot of TV.

To run your dishwasher after you go to bed.

To take a shower instead of a bath. (A bath uses more hot water and makes your electric water heater work overtime.)

Anything you can add to the list would be greatly appreciated.

Now, the world isn't going to come to an end if you don't conserve. Your electric bill is just going to go up.

For instance. Say we have three or four scorchers back to back and

everybody turns the air-conditioning on full blast.

When you add that to the normal daily demand for electricity, it's easy to run short. Unless we start every backup power plant that's available, regardless of how small or how old.

Worse yet, some of them use awfully expensive fuels, like oil. Which means the cost of producing each extra kilowatthour of electricity goes up to more than 14 cents. That's 18 times more than our nuclear generators can do it for, and the extra fuel costs get passed along to you in the fuel adjustment charge on your electric bill.

Besides, if everybody can just cut down a little on Peak Alert days, we won't have to build as many new plants in the years ahead. And they're a big reason for rate increases in general.

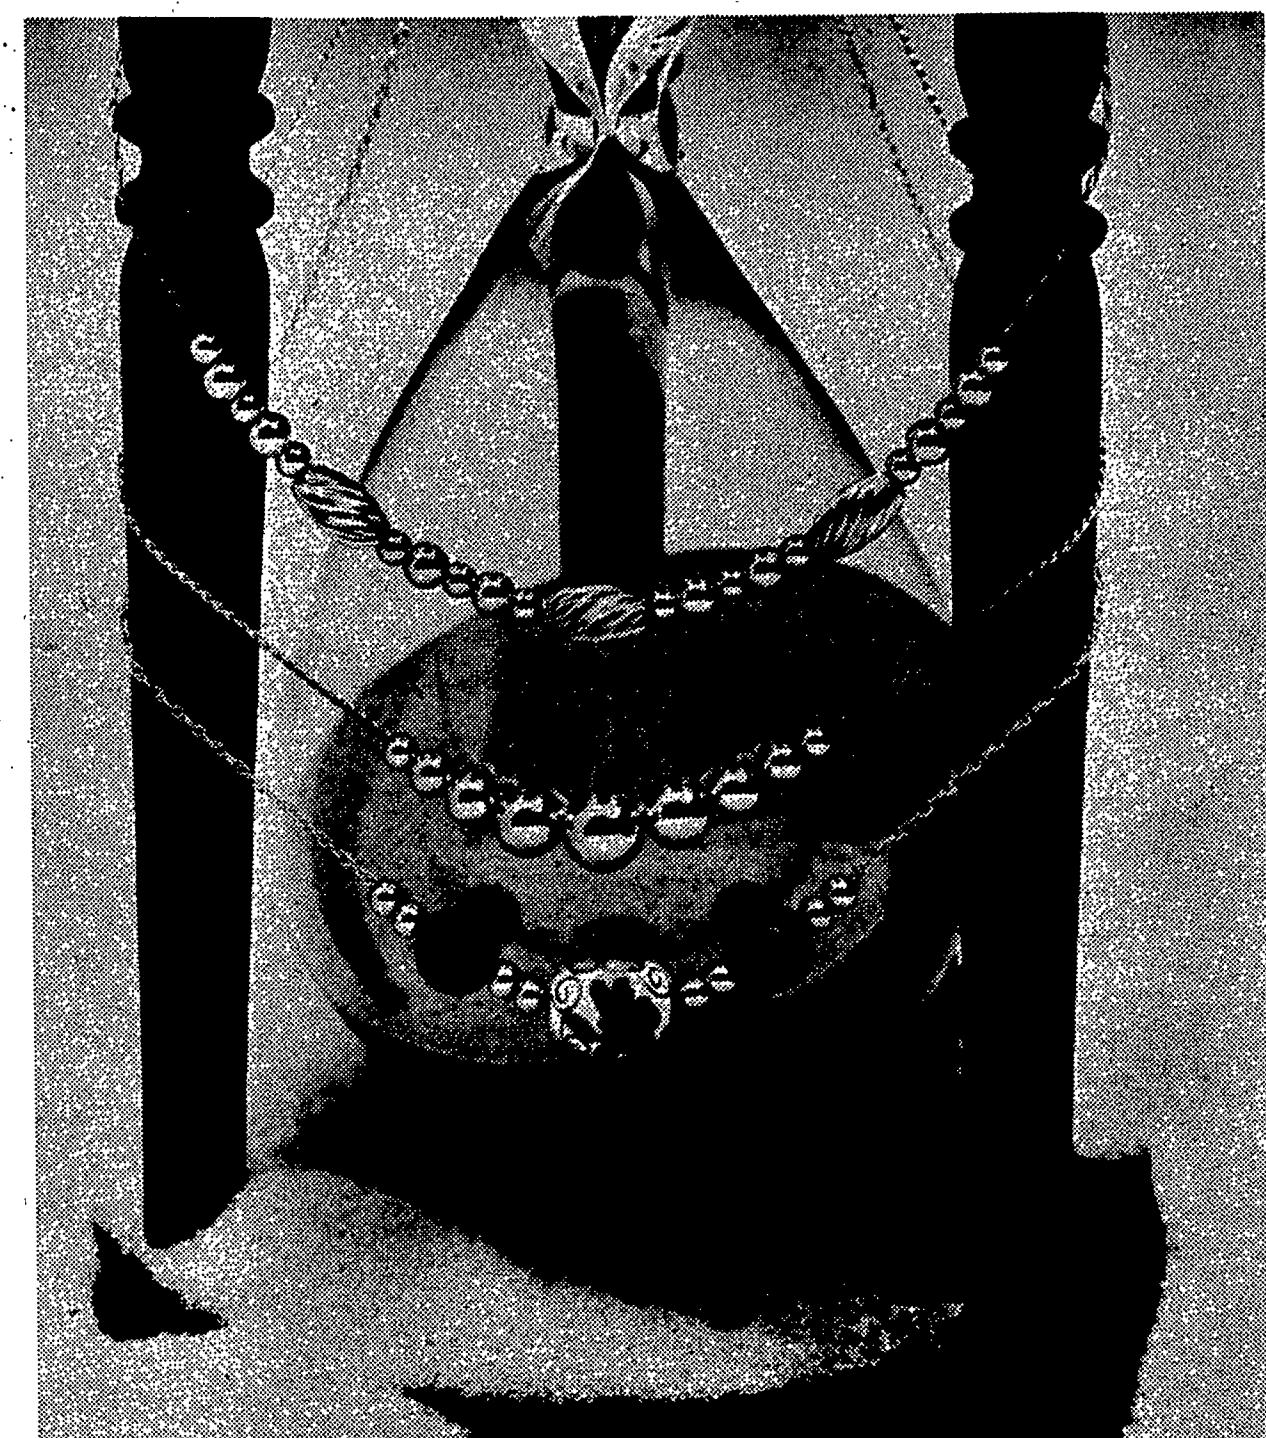

So in peak demand periods, we'll go on the radio to warn everybody that we're having a Peak Alert and it's time to conserve every way they can.

It pays. If we all conserve, we all save. In case you need practice, make a dry run today.

MG Baseball games at Thillens

Peoria at Meinen Field on June 19.

Joe plays left field for the Dons. He has been selected as the Chicago Tribune Athlete of the Week for the week of April 25, 1981. He was the Most Valuable Player for Notre Dame last year and was selected All-Conference in 1980 and 1981.

Joe is the son of Mr. and Mrs. Joseph Manczko, 5854 North Merriman, Chicago.

The Morton Grove Baseball

Association recently sponsored 13 benefit baseball games at Thillens Stadium in Chicago.

Under the chairmanship of Harvey Ruby, 2,000 Morton Grove

fans witnessed three different age groups play exciting baseball.

Included were 240 foot over

the fence home runs by pony

leaguers Rick Block and Ron Clark.

Besides the games scheduled,

ticket holders also enjoyed raffle

prizes. A 10-speed bike was won

by Eddie Fritz, a TV by David Smolinski, and two \$50 savings bonds were won by Brian Miller and Steve Friedman, all of

Morton Grove.

Because Thillens Stadium was

donated to Morton Grove, the

approximate \$2,500 in gate receipts will go directly to purchasing new equipment for the

league.

The new head wrestling coach, Jerry Jurinek, carried on the winning tradition, and in the '78-'79 season the Demons won conference with an 8-0 record, won districts, won sectionals, and took tenth in state. The team had an over-all record of 18-1. In addition, Emiliano Hernandez broke several national records. And last year under Morris Geseler three grapplers qualified for the state meet, with Glenn Olson finishing as a state champion.

In addition, he has been head

freshman, head sophomore, and

assistant varsity football coach in

the Maine East program.

According to Presern, no

changes are planned for the

Demon wrestling program,

which has, in his words, been a

"traditionally fine program."

Under Bob Rieck in the late 1960's

the Demons were second in state.

Coach George Jurinek in the

early 1970's produced a super

powerhouse team which had 31

New Head Wrestling Coach at Maine East

Don Presern, who has been a member of the Maine East boys' physical education department for the past 13 years, has been named head wrestling coach for the 1981-1982 school year.

Since joining the District 207 faculty, Presern has been actively involved in the Demon wrestling program, serving as head freshman, head sophomore, and head junior varsity coaching positions.

In addition, he has been head

freshman, head sophomore, and

assistant varsity football coach in

the Maine East program.

Presern holds a B.S. and M.S. from the University of Nebraska,

where he also participated in both football and wrestling. At the present time he is working on certification for behavioral disorders/special education.

The new head wrestling coach, wife and three children reside in Western Springs.

OCC runners wins Riis Park Invitational

Oakton Community College's Running Raiders easily outdistanced the competition at a recent invitational when Carlos Montes and Dave Ghilardi, running for OCC, won the Two-Man Ten Mile Relay Cross Country Race at Riis Park four minutes ahead of the second place team.

Montes led off and soon built up a solid 150 yard lead. Ghilardi took the baton from Montes and increased the lead to 200 yards.

Montes, Ghilardi and Jukka Kallio are conditioning themselves for the National Junior College Marathon Champion-

ships to be held June 20 at Southwestern Michigan Community College. The three OCC runners have been competing in various roadruns recent weekends to prepare themselves for the 26-mile race.

OCC Coach Pat Savage feels that his athletes' hard work will be rewarded in the Marathon Championships. "They're all training at over 80 miles a week. They should do well in the 26-mile race."

Montes, Ghilardi and Jukka Kallio who ran 2:27 at Boston this year is one of the favorites for the individual title.

Marillac to hold Girls Basketball Camp

A Girls Basketball Camp will be held once again this year at Marillac High School. Camp Director, Mr. Pat O'Connell, said that the success of last year's camp encouraged the school to hold another camp this July. He believes that the camp has been a success because the campers receive individual attention.

"We only accept about 25 girls per session, so that we are able to give enough attention to each girl," he said. The purpose of the camp is to develop fundamental basketball skills (ballhandling, shooting, rebounding, passing and defensive play) in an atmosphere of fun. "High school sports should be fun," stressed O'Connell.

"This is the same philosophy we have for our teams at Marillac, and it has worked very well." In the past three seasons, Marillac has won 94% of its games, a conference championship, and a trip to the Elite Eight in the state tournament.

Assisting O'Connell as coaches will be several college basketball players who are former Marillac stars. They include All-Stars Jenny Klaue (U. of Notre Dame) and Mary Lou O'Brien (DePaul U.), All Conference players Mary Flandro (Loras College) and Kathryn Eshoo (a Northstar Senior), and G.C.A.C. All-Star Mary Christianson (Lewis U.). They were all members of the 1979-80 Elite Eight squad.

Mr. Rick Paushack, coach of the 1980-81 Northstars will be a featured speaker. Mr. Garry Falcone, an IHSA official and G.C.A.C. referee, will conduct a rules clinic at each of the camp sessions.

The camp will run for five days sessions: July 20-24 and July 27-31. Girls may register for one or both sessions. A grade school camp is scheduled in the mornings (10:00 a.m. - 12), and a high school camp will be held in the afternoons (12:30 - 2:30). Registration fee is \$25. Registration forms are available at Marillac High School, 315 Waukegan rd. Northfield, IL 60093.

Theatre 219 casts "South Pacific"

Community members James Batts, Deborah Crane, Sally Jablo and Orrie Colby have been chosen by director Robert Johnson for leading roles in "South Pacific," the Theatre 219 summer production. This will be the theatre's eighth musical. These have included "George M.," "The Music Man," "Fiddler on the Roof," and others.

The role of Emile will unite Batts and music theatre for the

first time, although he is an experienced actor who has performed in approximately 160 dramatic roles. An English teacher at Niles West High School for the past 14 years, Batts directs the school's annual spring play.

Crane, cast as the Navy nurse, Nellie, is a graduate of Niles East High School. She recently appeared in the Chicago Land Theatrical Troupe's "Kiss Me, Kate," and last spring, starred as Eliza Doolittle in the Niles East alumni production of "My Fair Lady."

Jablo, who will portray Bloody Mary, brings a wealth of vocal and theatrical experience to this Theatre 219 production. She has appeared as a vocalist on the NBC Artist's Guild.

Orrie Colby who will star as Lt. Joe Cable, is a 21 year old newcomer to Theatre 219. He started performing on stage at the suggestion of his high school principal "to get over being somewhat shy." Colby has performed in "Annie Get Your Gun" and "Cabaret," and has been studying voice for the past seven months. Colby hopes that in this role he can enable the audience to break away from day-to-day reality while doing what he really enjoys very much—performing on the stage.

Niles West junior Nancy Feingold is cast as the Tokinese girl, Liat; six year old Jamie Wild will portray Emily's son; and the sixth grader, Rebecca Kolbel will appear as his daughter. The role of the irrepressible Seabee, Luther Billis, has been given to A.D. Cohen, who last summer appeared as the butcher in Theatre 219's "Fiddler on the Roof," and the peppery naval captain, Bracken, will be portrayed by Earl Bass, who returns to Theatre 219 from a recent role in the Open Stage Player's production of "Tribute."

A total cast of 43 singers, dancers and actors will present "South Pacific" on the last weekend in July and the first week-end in August. Maria Lampert is the show's choreographer, Ted Hill is the musical director and Edward Moon is the technical director. Beth Golata is the costumer and Dorothy Glassberg will create the make-up. The Theatre's business manager is Susan Moon, and the assistant director is End Silverman. Cindy Philbin is in charge of group sales and the dinner/theater packages, and Kathy Burk is the publicity director.

For teenagers and adults alike, the OK Corral will be a fun house of activities with arcade and computer games available from 20 to 40¢. Admission is free into this attraction only if you enter at the Oketo door.

Entertainment Guide

Stars headline

Skokie's summer series

Corky Siegel, Judy Roberts, and Hubbard Street Dancers and Second City will all be coming to Skokie for a summer of entertainment series beginning on July 11.

In a special summer series, sponsored by the Village of Skokie (through the Fine Arts Commission), these performers will be presented at Centre East, 7701 Lincoln, on July 11, 18 and August 1. All of these Saturday performances will begin at 8 p.m.

On July 11 Corky Siegel and his band and Judy Roberts and her group will perform. Siegel is a blues/rock star in Chicago who got his start over 10 years ago with the popular Siegel-Schwall Blues Band. Judy Roberts is a well known jazz pianist and singer, regarded by many as the "first lady of jazz" in Chicago. Humorist and musician Dave

Rudolph will also perform and act as master of ceremonies.

On July 18 the inventive Hubbard Street Dance Company will provide an evening of dance ranging from modern dance to Broadway. This troupe has performed all around Chicago and the midwest to excellent reviews and appreciative audiences.

On August 1 the series ends with the satirical comedy of Second City. A special performance is planned for that group's first visit to Centre East.

Tickets for the entire series are \$18, \$15, and \$12. Tickets for individual performances are \$18, \$15, and \$12. Series tickets are available now, while individual event tickets will go on sale on June 22. Tickets can be purchased with Visa and Mastercard. Call 673-6300 to order tickets.

Resurrection

Sisters plan benefit carnival

The Community of the Sisters of the Resurrection is having Carnival '81 to aid in raising funds for the community center of the Resurrection Retirement Community Building project for senior citizens.

Featured will be games galore, rides, hooligan, refreshments, music and the CASH grand raffle.

Carnival '81 will be held on the grounds of the Sisters of the Resurrection at Norwood Park - 7432 West Talcott Avenue from July 8-12; 6-11 p.m. Wednesday, Thursday, and Friday; 5-11:30 p.m. Saturday and 3-11:30 p.m. Sunday.

Sister Joyce Marie, C.R., is carnival coordinator and can be contacted at 774-3488.

Preschool story hours

Registration is now open for the summer session of the Lincolnwood Library's preschool story hours to be held at 11 a.m. on Saturdays and at 2 p.m. on Wednesdays, beginning on Tuesday, June 23rd and Wednesday, June 24.

Any child who will be three years old by the end of the session is invited to attend and to discover the exciting world of books and storytelling.

Parent-Tot story hours, for those children two years old and their parent, will be held on Wednesdays at 10:30 a.m. from June 3 through June 24 and again from August 5 through August 26. This is a perfect opportunity to share a story with your child and introduce the pleasure of reading.

Registration for either of these programs may be made in person at the library, or by calling 677-5277.

Comments On More Contemporary Matters...

The Turtle Returneth...

by Ed Hanson

A bunch of the boys were whooping it up in the back bar at Jan & Zofia's, in Niles, last Thursday.

Actually, Ron Brisk and I were sleeping in small hours, were slopping up our tea when this 400 pound turtle from the Brookfield Zoo waddled in and siddled up to the bar. Everybody in the joint ran but Ron & I because we're the only sober guys in the spa, being dedicated members of the Amalgamated Tea Association of America.

The giant turtle, a member of the serpentine family, stuck out his 4 foot tongue and hissed at the bartender, who is Jan (and he's feeling no pain either.)

"Gimme a Manhattan, without a cherry," hissed the Gargantuan turtle. Jan complied. The turtle sucked it up with one flick of his super tongue and waddled out to the night.

I said to Jan, "Boy, was that unusual - in fact, incredible. Imagine that turtle ordering a Manhattan without a cherry..."

"What's unusual about that?" Ron Brisk, a former bartender, cuts in with, "Lots of people order a Manhattan's without a cherry!"

Besides, if one wants to purchase a gun, even a "kinky" one, the easiest way (I know from experience) is to buy it from a policeman.

A very prominent businessman in Niles, told me as recently as last Sunday morning, he had just purchased a very nice handgun from a policeman.

Fourty years ago I used to play "no limit" poker in the back room of a saloon at Van Buren and Wells. One of the players was a Chicago patrolman. In those days the Chicago P.D. had two-man squads and his partner covered for him while he played poker during his entire shift. During the game (I always a lover of handguns) casually remarked I'd like to purchase a gun. The cop said to me, "I can get you a dandy .32 automatic that was confiscated during a burglary for 15 bucks."

"When?", I asked.

"Tomorrow night - here?"

"Okay", I said, as I dealt out the next hand.

It turned out, he told me when he drove me back to my parking lot at Halsted and Monroe streets the next night after the game, that he took out a supply of guns every so often and dumped them into Lake Michigan where it was very deep. He always held out a few for okay guys, like I was.

P.S. The management told me to keep my columns short which was another reason why it would have taken more than 130 weeks to publish my novel.

Board member Margaret Rajski, largely responsible for obtaining the exhibit, suggested the library sponsor one major exhibit and several smaller ones each year. Board members also discussed obtaining a helicopter for display at the time of the exhibit.

Commissioner Beusse, Marusek and Pierski are touring all parks to review facilities.

Committee hearings Monday night will review air conditioning for TAM golf course clubhouse.

To combat vandalism in the parks, a committee was formed to study police patrolling and vandalism. Two patrols will be used in the park district. It was reported improved conditions have already resulted in Chesterfield area since the new patrolling policy was instituted.

After July 4 an in-house report will be reviewed in committee in the study of a summer ice program.

Plantings and flowers by the girl scouts and repairing of backstops and fences have been recent improvements in the district.

Gym windows broken and a guiding wall (fence) pushed down by the recreation center are reasons for additional patrolling.

Commissioner Marusek reported the legislature is likely to pass a new bill allowing park districts to have a small police tax included in their appropriations. Districts created before 1973 do not presently have one. She also reported the deaf limit may be raised from \$2,500 to \$4,000. Also, the sale and delivery of alcohol into park districts is headed for passage in the state legislature.

Commissioner Pierski suggested the game of bocci may be available for Senior Citizens with proposed leagues to be formed.

Lovi is a student worker for the NTID Employment Information Center. His duties include helping deaf students to secure co-op employment and working with NTID professional staff on job search strategies for the next meeting.

Lawrence Weiner, library attorney, advised board members, "It is my recommendation that future .02% tax levy resolutions should be published in The Bugle. However, all other notices, ordinances, resolutions, etc. may be published in The Bugle or any other daily or weekly newspapers which is also out of the library district."

According to library law, the .02% levy is the only exception to notices either "published or circulated" in the area. This levy must appear in a newspaper published in the district unless there is none.

Niles Library... Cont'd from Niles-E. Maine P.1

Pestine, representative to the North Suburban Library System, said the system expects a deficit of about \$363,000 and is redesigning its budget.

The Niles Library District did not put out bids for insurance but will continue with the present carrier for casualty and general liability insurance.

A levy's treasurer's report indicated all funds formerly considered as having a deficit would be balanced except about \$840 in the unemployment compensation fund. Deficit balances occurred due to the state's late return of tax money to the district. The unemployment compensation fund could not be levied until January.

Board members approved allocation of replacement taxes of \$30,000 for capital improvements, acquisitions and repair.

Pestine said, "This is the first time in the history of the library that funds not provided by taxpayers were used for these needs."

Further discussion concerned the lending of room space to A.G. Edwards and Sons for an investment seminar. Although free, the seminar is to be conducted by a profit-making organization which is also out of the library district.

According to library law, the .02% levy is the only exception to notices either "published or circulated" in the area. This levy must appear in a newspaper published in the district unless there is none.

District 219 workshop for prospective board members

The Niles Township Council of School Boards will hold a Forum for Prospective School Board members beginning at 9 a.m. on Saturday, June 27, in the Board Room of the Niles Township High School District Offices, 7700 Gross Point Rd., Skokie.

State police offer safety tips for vacationers

When a dog owner tells a letter carrier, "Don't worry about Rover, he doesn't bite," that's when the carrier starts worrying.

And for good cause, says Postmaster Louis G. Principali, pointing out that last year more than 1,800 postal employees in the 13-state Central Region were injured by dogs, mostly when delivering mail during the summer months.

That's why Postmaster Principali had designated June 3 as "Dog Awareness Day" and called for cooperation from dog owners and safety precautions by letter carriers in order to reduce the dog bite injury rate.

The best thing a pet owner can do is keep the dog and the carrier apart, as far apart as possible, the postmaster said. "If your dog is kept outdoors, secure him on a leash away from the mailbox and the points where the carrier enters and leaves your property. Better yet, move the dog indoors during the carrier's usual delivery time."

Postmaster Principali explained that carriers are instructed not to risk personal injury when an unrestrained dog threatens them. "Persons who do not control their dogs will not get their mail delivered," he said.

Everyone also can help by reporting stray dogs to the Morton Grove Police Dept. 965-2131, the postmaster said.

must be used at all times in Illinois when pulling a trailer.

Check all engine hoses and fan belts for wear and cracks. Make sure anti-freeze level is full.

Observe the posted speed limit, wear seat belts, and use child restraints at all times.

Finally, make sure you know where you are going and how you are going to get there. If you are going a long distance split the driving time into two or more days. Truckers and other professional drivers are restricted to driving only 10 hours at a time.

Captain McGinley adds, "If we all take a little time before we start out on a vacation trip to consider some of these points it will make the summer more enjoyable for us all."

Check all your tires for splits, cracks and excessive wear. Make sure the spare tire is road worthy and holds air pressure.

Check headlights, tail lights, brake lights, and turning signals. Make sure the four way flashers work in case of an emergency.

If you plan a boat, camper, or any type of utility trailer, check the wiring harness that operates the brake and tail lights. Remember, two safety chains

Maine Scholars

Eight Maine East seniors have been named as Maine Scholars, who are the upper one per cent of the graduating class. The last valedictorian and salutatorian addressing commencement audiences at Maine East was in 1971. Since that time, the Maine Scholars have been named, and from this group the commencement speakers are determined.

The 1981 Maine East Maine Scholars are (front, l. to r.) Jeffrey Kotz, Neal Alzenein, Carol Hoisine, and David Bernstein. (Back, l. to r.) Michael Greenbaum, David Schmid, Jeffrey Kroll, and Benjamin Teitelbaum.

Bethany Terrace volunteers honored

Residents of Bethany Methodist Terrace were honored at the annual Volunteer Recognition Luncheon. These men and women have given 2,951 volunteer hours during 1980. They assist in writing for the monthly newsletter, assist in the gift shop, deliver mail, water plants, act as receptionists in the lobby, etc. Residents take pride in being part of the activities and in being able to help others.

Shown above are (back row, from left): Joyce Brown, Isabella Early; front row: Irene Carlson, Jeanne Heller, Suzanne Pedrick and Charles Lillefield.

Scores of volunteers, having contributed time and effort to aid others, were recognized at the annual luncheon held at Bethany Methodist Terrace, 8425 N. Waukegan rd., Morton Grove.

During 1980, these men and women have provided almost 16,000 hours of service doing a multitude of tasks. The services available through the Terrace Volunteer Program range from working in arts and crafts, bingo and other games, sending birth-

day get well and sympathy cards to residents and their families, duplicating assembly and delivery of the Terraviews (monthly newsletter), feeding, visiting, gift shop, gardening both indoor and outdoor, library, Parkinson's exercise class, parties, and numerous other activities.

After leaving Maine the four graduates are going to go on to work training centers. "Their

A Maine Township High School District 207 special education program, Homestead West, will be featured on the "On Q" television program, Saturday, July 11 at 6 p.m. and Sunday, July 12 at 10:30 a.m. on Channel 5.

Started four years ago, the Homestead West program is based in an old house on the property of Maine West High School in Des Plaines. The 50-year-old home provides the school district with the opportunity to prepare handicapped students, from Maine East High School's special education facility, Center Court, in the skills they will need for independent living.

The library board will seek clarification for the use of fans to help cool the branch now being leased from East Main School District 63.

Board members, after inquiring about bids to clean the library carpeting, have been advised to replace all carpeting which is 12 years old.

Lawrence Weiner, library attorney, advised board members, "It is my recommendation that future .02% tax levy resolutions should be published in The Bugle. However, all other notices, ordinances, resolutions, etc. may be published in The Bugle or any other daily or weekly newspapers which is also out of the library district."

Further discussion concerned the lending of room space to A.G. Edwards and Sons for an investment seminar. Although free, the seminar is to be conducted by a profit-making organization which is also out of the library district.

According to library law, the .02% levy is the only exception to notices either "published or circulated" in the area. This levy must appear in a newspaper published in the district unless there is none.

The program will give viewers an interesting review of what Homestead West is doing and indicate just how invaluable this kind of training is to students who need additional help in learning to live on their own," reports Robert Jacobsen, Director of Special Projects for District 207.

Fabian also notes that the Homestead West program has improved the students' socialization skills. "They have learned to work with others. They have held parties and luncheons, planned menus and entertainment. They have learned to budget for their projects and to shop for them."

"Our goal has been to give the students' experience in a great variety of tasks so that they will be able to take their place in society and accept the responsibilities of adulthood. We hope we have been very successful in meeting this goal."

Unlicensed
Child Care
facilities can't
be advertised

According to the Child Care act of 1969 it is a misdemeanor to care for another person's child in your home unless your home is licensed by the State of Illinois. It is also illegal to advertise for such service in an unlicensed home. These licenses are issued free to homes meeting minimum standards for the safety and well-being of the child.

For information and licensing, contact Illinois Department of Children and Family Service, 1026 S. Damen ave., Chicago, Ill. 60612 (793-3817). Published as a public service by Bugle Newspapers.
