

Niles Parks study rigid work program for convicted vandals

Local youths convicted of vandalizing Niles Park District property may soon find that, in addition to their parents having to pay for the damage, they may also be required by law to perform manual labor for the park

district for a period to be determined by a judge. In an attempt to find "more alternatives" to dealing with park vandalism, Commissioner Mary Marusek proposed the work detail program during

Tuesday night's Niles Park Board meeting. Noting this program "would put the responsibility back onto the child," Marusek said the Rockford Park District is successfully operating

Niles police kill crazed man after YMCA knifing

A Niles policewoman was shot, and a Niles man stabbed after an apparently crazed resident of the Leaning Tower YMCA went on a violent rampage Sunday night. Niles police shot and killed the assailant.

Niles reserve Policewoman Kim Kollath, 29, was struck in the left arm by a ricocheting police bullet during the incident. At Lutheran General Hospital on Tuesday, doctors had not yet decided whether they would surgically remove the bullet from the officer's arm.

Niles police received a report of a stabbing at the Leaning Tower YMCA, 6300 Touhy Ave.

From the Left Hand

In Saturday's mail Bugle editor Diane Miller received an invitation to attend a 38th wedding anniversary party the following day, Sunday. It was a bit unusual. First of all, the late invitation must have been a last-minute thought since it came 24 hours before the happening. Since the invitation came from a former editor of the Morton Grove Champion, he must have known editorial offices for weekly newspapers are closed on Saturdays. Thus, it was unlikely the recipient of the invite would even see the invitation until Monday.

What was the reason for the invitation and who would send it?

The invitation came from Bill Kearney, who has been the Niles Township Republican committeeman these past 4 years. Recently, Kearney was ruled off the upcoming April ballot in his bid to seek re-election to the post. The court ruled Kearney was ineligible to run for committeeman because his permanent address was not in Niles Township. The ruling contended Kearney and his wife live in Hoffman Estates which is several miles west of Niles Township. Kearney contends he rented an apartment on Waukegan Road in Morton Grove and this is his legal address. The court didn't buy it.

The Saturday invitation for Kearney's 38th anniversary party Sunday was to be held at the Morton Grove residence.

What seemed a rather obvious ploy was Kearney's attempt

Niles library reviews computer system

A computerized book circulation system which ties into the North Suburban Library System's computer bank may be installed in the Niles Library District in the near future. Library board members viewed a computer terminal demonstration by CLSI Inc. as part of a three-step process leading to a board vote according to Harry Pestine, board president. The demonstration took place Feb. 10 during a committee-of-the-whole meeting preceding the regular board meeting in the main library, 6960 Oakton.

Robert McClarren, director of the North Suburban Library System will also speak to board members about possible computerization at a future meeting. Computer terminals would be installed under a master contract with several other libraries in NSLS.

Computer possibilities could include services to both library staff and patrons such as a check-out service; book search within the library as well as entire NSLS; check of delinquent fees as well as a subject and author search which could be initiated by patrons.

Administrator Mark Neyman reported he will meet with a library architectural consultant to review needed library additions or renovations. Neyman also said aerial photographs of the District may have to be taken in order to assess population needs.

It was reported the library will be able to enter a joint purchasing agreement with the State of Illinois in which bidding and other legal fees would be kept at a

minimum. Board members approved the move. Neyman outlined a Spring series of events which would be a Niles Library "first". Events will be four movies starring Robert Redford: "Happy Birthday, William Shakespeare" presented by the Shakespeare festival of Chicago; "Jim Beebe's Chicago Jazz" for promotion of Jazz records; a classical concert ensemble; presentation of slides and lecture by author Terri Tepper on "Working from the Home;" and "Sharks", a Shedd Aquarium presentation.

SJB is number 1

Pictured here, enthusiastically claiming to be "Number One" in this area, are members of St. John Brebeuf's sixth grade girls basketball team. To support their claim for the "top spot" they have 3 conference first place finishes and 31 total victories, the last six of which were enroute to a first place finish in an 8th grade league.

Holding the rim is Kirstin Hack, the leading SJB scorer, in this 8th grade league. Under the rim with the basketball-net draped around her neck is Amy Surace, one of the best 8th grade offensive rebounders around. "Stuffing the ball" is Lorena Magnelli who is "dynamite" on a fast break. Holding the other ball is Sue Ochab who plays especially tough against 8th graders. In the middle row, left side is Tricia Smith, who sparked a number of rallies when the team was behind in the very close

8th grade games. Next are Beata Kurylo and Diane Kuhn holding the team's trophy. Both are tenacious on the half court traps

which were used very successfully against older and taller 8th and 7th grade girls. This

Sidewalk Repair Program in Niles

The Village of Niles is offering a sidewalk replacement program for owners who will pay half the cost to repair cracked public sidewalks in front of their homes.

The Engineering Department is handling the program, which allows the Village to repair the sidewalks at half price to residents. A minimum of two sidewalk squares must be repaired for an owner to participate in the program. The owner should mark with chalk the section or sections in need of replacement.

To apply, simply fill out the application below and send it to Niles' Engineering Division of Public Services Department, 6949 W. Touhy Avenue. Applications must be in by March 19, 1982.

For more information on the program, call 967-6100.

Niles All American Seniors Club

A two-fold celebration was held by the All American Seniors Club - their 8th Anniversary Celebration and Valentine Party. The event was well represented by the club members - more than 120 in attendance.

The day started with an exchange of Valentine Cards among the members - everyone receiving one from an anonymous someone, which spirited the mood of the day.

A fantastic catered lunch consisting of three entrees, salads, vegetables and relishes was served, together with a beautiful 8th Anniversary raspberry filled cake that looked almost too good to eat. Entertainment was by the Trident Choral Group lead by Evelyn Heinneman. It is interesting to note that quite a few choraleers of this group belong to the All American Club. The music was delightful and we all enjoyed the sing-along too.

In reminiscing to the beginning of the club we find we still have some 65 of the original starters, all of whom have played an active part, and still are, in the club.

In checking back over the last year, besides having well-attended fun-filled social meetings, we have also contributed to many requests for assistance. Several of our women tirelessly crocheted and knitted afghans and socks for the Great Lakes Veterans Hospital, besides contributing playing cards, shaving cream, toothpaste, etc., and in November members brought in canned goods and food stuffs to fill twelve large boxes which they donated to the Brothers of the Poor in Chicago for distribution to needy families.

We are now looking forward to another pleasant year as plans are formalized for social activities, including trips and projects which will keep our members busy and happy and, most of all, out of that "old rocking chair".

Village of Skokie

The Skokie Home Delivered Meals Program needs volunteer drivers in order to continue serving the needs of elderly homebound residents. For the first time in its seven year history, the "Meals on Wheels" program is unable to fulfill new requests for meal delivery due to the shortage of volunteer drivers. A waiting list has been established until additional volunteers are recruited.

If you can donate one hour of your time at least once every other week, between the hours of 11:30 a.m. and 12:30 p.m., please contact Pam Rizzo, at the Smith Activities Center, Lincoln and Galitz, 673-0500, ext. 334.

I was reading a guest column by Jack Leske a little while ago and it inspired me on some very important points. His column was called "Thank you, Niles, for permitting me to serve".

I've grown up in Niles and have seen it expand from a village of 10,000 to a population of over 30,000. A lot of lands were wide open fields when we moved here that are now houses, shopping centers and parks. The progress Niles has made and the direction it has taken was and is dependent to a large degree on its public officials. They're the ones who are willing to get out and take a stand and do something about things. The motivation (we hope) is that they personally care about what happens and want to make things a little better.

Jack's article described well the different types of people who run for public office and the motivations they have: from the professional politician, to the ego tripper, to those who wish to improve on the job now being done. There's a very important word involved here and that word is "service". A modern day philosopher has said, "a being is only as valuable as he can serve others." If you think about it you'll see that almost by definition that is a true statement. You are as valuable to society, to your family or to those around you to the degree that you can contribute

Guest Columnist

An expression...an opinion... a point of view...

to them in some way. A mother who cares for and does a good job of raising her children is a very valuable mother. A friend you can count on (be it for help or just a good time) is to that degree a valuable friend. A newspaper columnist (or editor) gives you something to read and how valuable he is to you in that capacity is determined by the helpfulness, interest or entertainment he provides. You could have the greatest genius in the world but if he never produces anything or never has any contact with people, he has no real value to those around him. Any job we have is tied up in these key factors of "contribution" and "service" - from the mail sorter to the corporation president whose company depends on his every decision.

Niles resident Rick J. Lammersfeld, 8236 Elmore was a recent \$5,000 winner in the Illinois Lottery's "7-11-21" instant lottery. Lammersfeld won the game's top instant prize on a "7-11-21" ticket which, when rubbed off, revealed 3 numbers that added up to 21 and showed a corresponding prize of \$5,000.

Neil F. Hartigan, Democratic candidate for attorney general has announced that Niles Township committeeman Cal Sutker will head up his metropolitan-suburban campaign. According to Hartigan, Sutker is recognized for developing one of the best Democratic organizations in the state in Niles Township.

George and Joan Campbell of 6518 Riverview Drive in Niles have made sure each of them will not forget their 40th birthdays. Last September when George celebrated his 40th, his wife Joan made a four foot sign announcing the memorable occasion and displayed it prominently for all to see. Last Thursday, Feb. 11, Joan hit her 40th and George had brought orange flyers made up which he proceeded to distribute to all their neighbors and also to the Chambers Restaurant in Niles where Joan is employed. The flyers, which sported a picture of Joan, announced, "If You See This Lady Today, Wish Her A Happy 40th Birthday."

Investigate charge Schey used police funds for car repair

23 inch snow blankets community during the "big snow of '67". The Bugle reported Breen set-up tent with hot beverages and food for men snow-plowing streets. Telephone callers to Mayor Blase "spit out" vulgarities because resident's streets weren't plowed. Store owners battled residents who were emptying shelves. Milk was rationed to 1 quart per family. An elderly couple grabbed 2 gallons plus several quarts of milk and cursed out the store manager when he insisted on the one quart maximum. Niles firemen went thru 8-blocks of snow to aid emergency cases. One boy with an appendix problem was tobogganned from his home. Firemen battled thru 6 hours of snow to get to one home only to find the "emergency" case, a child running around the house at play. One resident called to say the "poor" people are having their streets plowed and she believed the "rich" people should have priority because they pay more taxes. Dozens of men volunteered to drive trucks and cars. One woman volunteered her husband to drive a truck and asked what he would be paid. A milk truck on Dempster was selling quarts of milk for \$2. Boys from St. Mary's Seminary dug out fire plugs.

Morton Grove officials said Tuesday their records show that Morton Grove Police Chief Larry Schey never allowed police funds to be used to repair the car of a Morton Grove police employee.

This follows a report on Monday that a Cook County grand jury is investigating the possibility that Schey authorized the car be repaired using village funds.

Schey said Tuesday that he has not been contacted by anybody in the Cook County State's Attorney's office. Additionally, Schey said he does not fear the investigation. "I haven't done anything so I'm not concerned," said Schey.

One Morton Grove official said on Monday this investigation is the result of a "vendetta" by some Morton Grove policemen who dislike Schey. The official said for many years under Glauner there was little discipline on the police force. However, when an officer had to be disciplined, it often fell to Schey, then a captain, to "be the heavy" with the men. The Morton Grove official said considering this situation, it is not surprising that some police officers do not like Schey.

It is these police officers, according to the official, who fed the car repair allegations to the state's attorney's office.

After receiving a grand jury subpoena last week, Morton Grove officials have turned over village records, including cancelled checks, for mechanical work made on police vehicles at Ron's 66, 6147 Dempster St. The grand jury reportedly requested records from June through September of 1979.

Morton Grove Administrator Fred Huber was reported to have confirmed that the village has received the grand jury subpoenas.

According to officials, Schey had recommended to a former police radio dispatcher that she use Ron's 66 service station to repair her car. Ron's 66 handles much of the police force's car maintenance. Huber said there was never any expectations by the dispatcher that the work would be paid for by the village.

Notre Dame Mardi Gras carnival

On Tuesday, Feb. 23, Notre Dame High School for Boys, 7655 Dempster, Niles will usher in the beginning of Lent with the 19th Annual Mission Mardi Gras carnival.

Notre Dame's Mardi Gras will run from 2:00 p.m. to 11:00 p.m. Festivities designed for family enjoyment have been planned around the Mardi Gras carnival theme, a custom popular in the United States since 1766.

The Mardi Gras is held annually to raise money for the Holy Cross Foreign Mission Society. Last year more than \$400 was donated to the foreign missions from Mardi Gras proceeds. Notre Dame has been one of the leading contributors to the mission hospitals, schools, and churches in Chile, Bangladesh, and Uganda, which are staffed by Holy Cross Fathers and Brothers, the same order which teaches at Notre Dame High School for Boys. In the past 18 years, the Carnival has

donated over \$110,000.00 to the Holy Cross Foreign Mission Society.

Each year this event is planned and sponsored as a joint effort by the Notre Dame Student Government, Father's Club, Mother's Club, and alumni.

Games such as the Dunking booth featuring well known faculty members and prizes will be featured in the school gym.

A variety show, "Hungry Eye", will be featured throughout the evening in the Little Theater.

A roast beef dinner will be served from 5:00 to 7:00 p.m. in the school's cafeteria. The dinner includes roast beef, mashed potatoes, gravy, French beans, French bread and butter, salad bar, cake, coffee, tea, or milk. Cost is \$3.25 for adults and \$1.75 for children under 10. Also available will be a roast beef sandwich for \$1.75 and French fries for 45¢.

Admission after 5:00 p.m. is \$1.00 purchase of activity tickets.

The Mardi Gras is under the direction of Father Joseph Stroet, C.S.C. and Father Robert Moss, C.S.C. Girl Scouts launch cookie sales

Cookie volunteers, Girl Scout Council leadership, local celebrities, and a furry blue monster held a Cookie Rodeo on January 26 to hail the start of the 1982 Northwest Council cookie sale.

The door to door sale takes place between February 18 and March 2, at which time girls will take orders. Local Scouts sold directly in 100 sites throughout the council for the two previous weekends.

Seven varieties will be offered on the chocolate thin mints continue as the public's favorite, according to Harriet Sarlo, chairman of the sale for the entire Council. Not far behind is the Do-Si-Do, a peanut butter sandwich cookie. The Samoa, which is made exclusively by Little Brownie Bakers, the Council's supplier, has a group of fanatic followers who buy them by the case load, according to Mrs. Sarlo.

The new Chocolate Chunk featured at the rodeo is made with pure chocolate drops in the largest size you can buy.

Other varieties also have their adherents: the Tagalongs, Van'chos, and shortbread Trefoils (these contain only 24 calories apiece).

The asking price for a box of cookies has gone up for the first time since 1979 to \$1.75; during this same period the amount charged by the cookie company has risen by 35%.

1981 WHITE HOUSE CONFERENCE ON AGING

Two thousand delegates from across the country took part in the 1981 White House Conference on Aging. Recommendations have recently been published, and among those recommendations on health issues included:

- Medicare coverage should be expanded to include prescription drugs, eyeglasses, hearing aids, dental care, preventive and maintenance care, adult day care, hospice, ambulatory health services and home health care.
- In-home health care should be promoted as an alternative to institutional care, including expansion of benefits for long term care.
- Tax incentives should be provided for families to maintain elderly relatives in their homes.

These and many other recommendations have been made to the Secretary of Health and Human Services and will then go to Congress.

TIMELY THOUGHT

Don't talk about what you have done or what you are going to do - do it and let it speak for itself.

For further information about these and other senior programs, call the Morton Grove Senior Hot-Line, weekdays, 9 a.m. until noon, at 965-4658, or Bud Swanson, Senior Services Coordinator at the Village Hall, 965-4100.

S.A.R. Good Citizen award winner

This year's recipient of the S.A.R. Good Citizen Award at Maine East is seventeen year old Mike Coglianese of Niles.

Members of the senior class selected by vote three students whom they believed were best qualified as good citizens on the basis of dependability, service, leadership and patriotism.

From these students, the faculty was asked to select one student to represent Maine East as its S.A.R. Good Citizen.

Mike commented about the award, "I am very happy that my classmates had the confidence in me to nominate me for the S.A.R. Award."

During his four years at Maine

East, Mike has been actively involved in both football and basketball. He quarterbacked this year's varsity football squad and feels that the high point of the season for the Demons was the 13-12 overtime victory over sixth ranked Evanston. As a freshman and sophomore, he played aggressive basketball, but during his junior and senior years a knee injury has kept him from regular play with the Demons.

Mike is considering Illinois State University for next fall, but he's keeping his options open in hopes of a football scholarship. He plans to pursue a career in accounting.

Nimrod is the best

Dear Editor:
We believe that voting records are the yardstick by which voters should measure a candidate's standards and ability. Examine Senator Nimrod's efforts to bring more patriotism back to the elementary school system by reinstating the Pledge of Allegiance into the classroom. Check into Sen. Nimrod's consistent pro-family voting record. Review Sen. Nimrod's pro-business stand and see how he has helped business in Illinois. Look over the bills he has supported to stop the increase in real estate taxes. Senator Nimrod has won the endorsement of the Senate Republican leader, Senator James ("Pate") Philip, and this in itself is a strong vote of confidence in his ability as a legislator in the Illinois Senate.

As you study the consistent conservative, patriotic accomplishments of this statesman, I'm sure that you will agree that we need to send our very best back to Springfield - Senator John Nimrod.

Nimrod group 'play loose with the facts'

Dear Editor:

Anybody running against John Nimrod in an election needs a Truth Squad to keep the record straight. Nimrod and his supporters play loose with the facts and make implications that are unfounded. They did it to John Porter in '79 - they're doing it again to Bob Kustra.

Anne Culhane's letter last week was a great example. She said Representative Kustra must be a liberal Democrat since he won the Best Freshman Legislator Award. The Truth Squad could point out that Bob Kustra joins the ranks of Outstanding Republican leaders who have received this award: Congressman Henry Hyde; Senate Republican leader "Pate" Philip; Russell Arrington, to name a few. "Liberal Democrats?" Hardly!

She also implied that Representative Kustra's stand on the RTA favors Chicago over the suburbs. The Truth Squad could set that straight. On May 15, 1981, speaking in favor of legislation to create a suburban transit system, separate from Chicago, Kustra said, "The real problem in this transportation crisis is the CTA and there's only one reason why the CTA is in trouble and that's because of the political leadership of the City of

Crusade for Education Telethon

The Knights of Dabrowski are sponsoring the 9th annual Crusade for Education Telethon on Feb. 20 from 7:30 p.m. to 1:30 a.m. on Channel 26, WCU-TV. This year's Theme will be "Equal Opportunity in Achieving Higher Education, Regardless of Financial Status." This 6 hour fund raising program is filled with a great variety of community amateur and professional entertainers.

In the latter portion of the

Chicago. They brought the CTA to where it is today. What this (legislation) does is give that problem right back to the CTA. I support it entirely and I urge all of suburban members from Cook County to do likewise."

Representative Kustra's record is being distorted. I hope the voters of the 28th district recognize that on March 16 as they did in 1979 when they elected John Porter over Nimrod.

Supporter of gun ban

Dear Editor:

I would like to add a voice of support to the heroic actions of the Morton Grove trustees who passed legislation which makes guns illegal in our town. It is wonderful to know that our trustees are such caring and forward-looking people, and I am happy to see them rewarded by national acclaim.

Congratulations to The Bugle, too, for your supportive articles. You were right in chiding people for not showing up to applaud the board.

Very truly yours,

program, the documentary "Road to Independence," produced by the Knights of Dabrowski will be shown. This 20 minute documentary presents Polish people struggling for independence against the Communist invasion of Poland in 1920.

The Crusade for Education Committee invites everyone to view this program, and pledge their support by calling 792-1800.

Nimrod gets Niles Township endorsement

By a vote of 40-2, the Niles Township Regular Republican Organization Precinct Captains overwhelmingly endorsed State Senator John Nimrod for reelection in the coming Primary. The Niles Township vote, added to the support from Maine Township, represents about 82% of the geographical area of the district.

Niles Township includes the village of Golf and portions of Glenview, Morton Grove, Niles and Skokie, north of Dempster.

The Townships of Maine, Niles, and Elk Grove (which has not yet voted to endorse a Senatorial candidate) represent about 35% of the total votes to be cast in the election. The remaining 5% of the population represented by the new 28th Senatorial District includes eighteen precincts in New Trier Township and two and one-half precincts in Northfield Township.

Orlando presides over small claims court in Niles

There exists in the Northwest Cook County a small claims court specially created to handle claims not exceeding \$500 at minimal expense to the litigants.

Judge Frank Orlando, who presides over the small claims court, was instrumental in developing this court at 7166 N. Milwaukee ave. in Niles, some twelve months ago so as to afford the person with a small claim a place to pursue his or her claim

through their own efforts and without employing the services of an attorney, which might otherwise make the effort too costly considering attorney fees, expenses and costs.

The small claims involved generally consist of tenants suing landlords to recover unreturned security deposits, ladies whose drapes are alleged to have been damaged, minor property damage claims arising from auto collisions, improper repair services of various types, alleged overcharging for products or services, and other matters of a similar nature. The common denominator of each of these claims is that it is small in amount and might not otherwise enable the aggrieved party some forum to pursue his or her claim.

In the initial stages of developing this court, Judge Orlando drafted a new Complaint and Summons from combining both into one form and providing for fill-in blanks to be completed by the party filing the suit. Certified mailings were utilized thereby reducing the cost of the suit by avoiding the expensive cost of service of process through the Sheriff's department.

The small claims court convenes each Thursday at 1:30 p.m. in the Niles Court Civil Branch, with each of the parties conducting his or her own case.

Lawyers generally are not involved but can represent the parties. Usually the small amounts involved preclude the hiring of one. Rules and procedures are relaxed but each party is required to prove the issues raised in the case. All parties who file suit do not necessarily succeed. There are, however, many times when Judge Orlando must guide the parties along in

the proceeding to bring out all the facts pertinent to the case to ensure a fair trial.

The parties generally accept the court's decision and sometimes will satisfy the judgment in open court should the plaintiff succeed in his or her case. Additional procedures are available after judgment is obtained by the succeeding party to enforce recovery.

The small claims court conducted by Judge Orlando has achieved success in providing people with a small place to which they can go to obtain redress and relief for a valid claim.

Judge Orlando is presently running as a candidate for full Judge of the Circuit Court of Cook County in the Democratic Primary Election of March 16, 1982. He has been recommended by the Evaluation Committee of the Chicago Bar Association and is highly regarded by his colleagues in the legal profession. Judge Orlando, as an Associate Judge at the present time, has made a good record.

Edison Park Lutheran

Nutritionists say that breakfast is the most important meal of the day. During Lent, you can start your day out right with breakfast and a Bible Study at Edison Park Lutheran Church.

Beginning Ash Wednesday and continuing each Wednesday morning during Lent from 6:15 a.m. until 7 a.m., the Church will hold a Bible Study in the North Hall of the Church, located at Avondale and Oliphant Aves., Chicago.

The theme is the study of Job, a book of the Old Testament. Pastor Thomas Hausholder, who will lead the study, explained, "Job was a man of wealth, property and many children. When all these things were taken away from him, including his health, his faith in God was sorely tested."

Everyone in the community is invited to attend. Fruit juice, coffee and rolls will be served.

NSJC

Brebeuf Parish offers options for Lent

A Lenten program for adults in the Niles community will be offered at St. John Brebeuf Parish in Niles beginning February 25. The program will feature four options designed to address a variety of needs and schedules and to provide a choice in learning styles and group formats. Registration for any of these options can be completed by calling 967-6120.

Option One is a series called "Fully Alive". This series of small group sharing sessions will feature taped input by Fr. John Powell, SJ and practical exercises in reflection and sharing. It offers a practical synthesis of Fr. Powell's major ideas to help adults enter more fully into loving and living.

It is an opportunity for those who wish to share their life experiences in the setting of a faith community. All participants will meet in homes in small groups from 8-10 p.m. each Thursday evening in Lent. Because small group assignments will need to be made it is necessary to register before Lent begins. Materials and registration is \$6. Leader/facilitators for "Fully Alive" are Lois Caldwell and Sr. Dorothy Schwendinger.

Option Two, "The Church's Prayer of Lent" is a Scripture study series which centers each week around the Lenten Scriptures. Each session will include a reading and explanation of the next Sunday's Scripture followed

by time for reflection and questions and closing with a period of prayer. Anyone interested in growing in the knowledge of the Bible and personally praying more intensely in Lent will find this series helpful. Sr. Dorothy Schwendinger of the SJB parish staff will provide the input each week. There is a \$5 fee for materials. Classes will be held each Thursday morning in Lent from 9:30 to 11 a.m. in the rectory basement.

Option Three: Each Thursday during Lent a Pre-Work Prayer Breakfast meets in SJB Church Library (east entrance) from 7 a.m. to 8 a.m. Coffee and donuts combine with a simple format of Scripture reading and shared prayer. No advance registration is necessary. For additional information call Phil Racette at 864-6390.

Option Four provides an opportunity for an individual to make a Personal Day of Retreat. Such a day is an individual experience of solitude, Scripture reflection, spiritual guidance, and prayer. An oasis of privacy and hospitality will be provided for you at SJB Convent where you will have your own room for a day and access to the chapel. Sr. Dorothy Schwendinger will be available to help you structure the day. Each day begins at 9 a.m. and ends at 3 p.m. Dates available are the Wednesdays of Lent. Advance reservations are necessary.

Niles Community Church

Activities at the Niles Community Church (United Presbyterian), 7401 Oakton St. on Sunday, Feb. 21 will begin with a meeting of the Men's Breakfast Group; the program will be a film on dealing with alcoholism by Father Joseph C. Martin. The morning worship service will commence at 10 a.m., with Church School students attending part of the service. Classes for 9-year-olds thru eighth graders will be held concurrently with the 10 a.m. service; care will also be provided for 2 years and younger. The Adult Bible Study Group will meet at 11:10 a.m.; new participants are always welcome.

Church meetings and activities during the week of Feb. 22 will include Wednesday, 6:30 p.m. - intergenerational supper and Ash Wednesday service; Thursday, 8 p.m. - Sanctuary Choir rehearsal; and Friday, 6:30 p.m. - all Church pot-luck supper and program featuring Oakton Community College's "Universal, Truly Inspired, Way-Out Imagination Theatrical Company."

In addition to music by the Church Choirs, the Normennes Singing Society will take place in the March 3 Service; the Svithold Singing Club will sing at the March 19 Service; the Maine South High School Concert Choir will present several selections at the March 17 Service; the Chicago Swedish Glee Club will participate in the Service March 24; and on March 31, the Bjornson Male Chorus will be the singing guests at that Service.

An invitation is extended to all the people in the community to join in the worship. A coffee hour will follow each of the Services in the Church parlors. Refreshments will be served by members of the Luther League.

Spaghetti dinner

The Couples Club of St. Andrew's Lutheran Church, 260 N. Northwest hwy., Park Ridge, will hold their 18th annual Spaghetti Dinner on Saturday, Feb. 20. The dinner will be served in the parish hall beginning at 5:30 p.m. through 7:30 p.m. Adult tickets are \$4, children thru 12 yr. are \$1.75, and preschool thru kindergarten are free.

Each ticket entitles you to "all you can eat" of St. Andrew's exclusive "spaghetti", tossed salad, buttered Italian bread and homemade dessert.

Highlight of the dinner is the singing waiters, (pictured), who serve the guests and also render familiar melodies to everyone.

Messiah Lutheran Ash Wednesday breakfast

After a Service of Holy Communion on Ash Wednesday morning, Feb. 24, at 9:30 a.m., the Messiah Lutheran Church Women will hold a breakfast in the Meeting Room in the education wing. Hot cross buns, juice, coffee and tea will be served.

This has been a traditional way for the women of Messiah to begin the contemplative season of Lent. This meeting, and others leading up to the triumph of Easter morning, will focus on the cross and the redemption act of

Christ. Special music will also be offered.

At 7:30 p.m., there will be a Communion Worship Service at the church for all who would observe the beginning of Lent in this meaningful way. The Rev. Gaylen Gilbertson is pastor of Messiah Lutheran Church, located at 1605 Vernon Ave., Park Ridge, just 2 blocks southwest of Lutheran General Hospital. Visitors are most cordially invited.

Nilesites celebrate Golden Anniversary

Residents of Niles for 42 years, Gust and Ella Loeding celebrated 50 years of marriage on December 19. A dinner party was given for the couple by their children Eleanor, Elaine, LeRoy, Doris and Ruth at the Millionaire's Club in Niles. In attendance with their children and spouses were all 20 grandchildren and 5 great-grandchildren. Friends and relatives came to be with Gust and Ella from as far as California, Nevada, Alabama and Missouri and ranged in age from one month to 96 years.

Special surprises for the couple included a book of memories and greetings with letters from the Mayor of Niles, Governor of Illinois, Senator Percy, and President Reagan; a poem about their life; and a mock wedding presented by their grandchildren.

Gust was employed by George A. Davis for 30 years before his retirement.

Morton Grove Woman's Club present paintings

Shown above are members of Civics Committee of Morton Grove Woman's Club.

Front-Elleen DeFrancesco Rear-(l to r) Sue Braeseke, Ann Zwik, and Olga Viveiros.

For a number of years the Morton Grove Woman's Club, an affiliate of the Illinois Federation of Women's Clubs, has been active in volunteer work at Downy Hospital which is part of the medical facilities at the Great Lakes Naval Base. This year, under the direction of President Ruth Kachan, the Civics Chm. Ann Zwik and her committee have made numerous trips to Downy bringing gifts of all types. Outstanding among these gifts were four beautiful pictures to be hung in the Audio Speech Department and the Recreation room.

The paintings done by club members Sue Braeseke, Arty Sotern, Opal Schrader, and Marge Jacobs, are lovely and add a great deal of color and atmosphere to the decor of the hospital. Club members have also given the Veterans Hospital golf clubs and balls, bowling balls, books, coupon books (to make purchases of their own choice at the PX) raffle prizes, candy, magazines, and cookies.

Jewish Women's group hosts Louis Lerner

The West Valley Section, National Council of Jewish Women, will present the Honorable Louis Lerner, former United States ambassador to Norway, and owner and publisher of Lerner Newspapers, as its featured speaker on Tuesday, March 2. The meeting which is open to the public, will be held at the Niles Public Library, 6960 W. Oakton, Niles, at 8 p.m.

Art exhibit and auction

The West Valley Section, National Council of Jewish Women, will sponsor an international art exhibit and auction on Saturday, March 6, to be held at Congregation Kol Emeth, 5130 W. Touhy, Skokie.

The art exhibit and auction will feature international artists and will be viewed from 7:30 p.m. The auctioneers gavel will start the auction at 8 p.m. Admission will be \$1.50 per person. Refreshments will be served, door prizes will be given away, and a beautiful raffle will await a lucky winner. Guests are invited to come early and partake of the refreshments, while inspecting offerings, studying biographies and questioning personnel about the works of art to be offered. Each guests is given a catalogue with the number of the painting, artist and title. All funds raised go to support West Valley's service projects, including a Children's Safety Town, and Tay Sachs screening for genetic defects.

The sponsoring gallery offers a certificate of authenticity and all information about art media. The auction is under the direction of Art Guild Galleries of Bohemia, New York.

Nurses Scholarship program

The Morton Grove American Legion Post 134 have financially assisted eight young ladies who are residents of Morton Grove and/or daughters of Legionnaires through their Nurses Scholarship program. Each year funds are solicited for a Bears ticket drawing to derive aid to participate in this project. As in the past, the names of the recipients nor the amount are not published.

These girls in the nursing program deem it a most satisfying and rewarding program says post commander Ralph Hintz. He indicates this year's drive was under the direction of past commander Frank Seizer. Eligibility requirements for the 1982-83 school year will be issued in the near future.

Babysitters' Training program

To help make babysitting an enjoyable experience for young people, Holy Family Hospital will offer a Babysitters' Training program from 4 to 5:30 p.m. on these Tuesdays: March 2, 9, 16, and 23.

Based on criteria approved by the American Red Cross, the program is open to youths 11 years of age or older. All four classes must be taken before participants can qualify for their Red Cross Mothers' Aid Certification.

The classes, which cost \$5 per person for the series, are held at the hospital, 100 N. River rd. To register, call Holy Family's Public Relations Department at 297-1800, ext. 1174, weekdays.

Natural Family Planning classes

Natural Family Planning will be the subject of a series of four monthly classes taught by the Couple to Couple League at Holy Family Hospital, 100 N. River rd., Des Plaines, beginning Sunday, February 21.

The classes, which begin at 7:30 p.m., will teach couples the "sympto-thermal" method of natural family planning, a technique which can be used to achieve, avoid or postpone pregnancies.

For further information and registration, call the Manns at 948-8639 or Kevin and Caryl Hanlon at 259-1596.

North-Boundary Hadassah auction

An auction, sponsored by North Boundary Hadassah, will be held on Feb. 27. The event will begin at 7 p.m. at the Sheraton North Shore Inn in Northbrook.

Among some of the items to be auctioned are: weekend vacations, video equipment, fur coats, slot machines, and "Feed an Army Kosher Style", which consists of a five foot salami, an eighteen pound rye bread, three pounds of pickles, a case of potato chips, and a jug of mustard.

For further information call 263-7473.

D.A.R. award winner

Melissa Sostrin of Morton Grove is the winner of this year's D.A.R. Good Citizen Award at Maine East.

Members of the senior class selected by vote three students whom they believed were best qualified as good citizens on the basis of dependability, service, leadership, and patriotism. From these, the faculty was asked to select one student to represent Maine East as its Good Citizen, an award presented annually by the 21st Chapter of the Daughters of the American Revolution in Park Ridge.

Melissa has been a member of the girls' tennis team during her

four years at Maine East, and this year was varsity co-captain. This year in doubles competition partner Denise Cery and she finished second in conference. First place in conference went to state champs New Trier.

She has also been a member of the Maine Historical Society and the honorary reading society, Sigma Chi Sigma. This year Melissa is involved with Ski Club and is serving as co-president of senior class council.

Melissa is hopeful of attending Georgetown next year to study either international law or international affairs.

Stolen typewriters

Eight IBM Selectric typewriters were stolen from Harcourt, Brace and Jovanich, 7555 Caldwell, in the late hours February 10 or 11. A south office window was smashed and the typewriters were removed through the window to a waiting vehicle in the parking lot. The registered numbers of the typewriters were given to Niles police.

Wednesday, February 10, the Volume Shoe Corporation, 5940 Touhy, reported 3 IBM Selectric typewriters and 2 transistor radios were removed from Room 261.

Locker break-in

A Washington street resident reported his locker was broken into while he was playing racquet ball at the Four Flags Racquet Ball Court. He reported \$100 in cash was removed as well as an 18 carat gold Seiko watch he valued at \$3,000-\$5,000 and an 18 carat gold band.

Auto chase nets thieves

After a high speed chase down Dempster st. thieves who stole \$483 worth of spark plugs were captured by police at Dempster and Fernald.

A security guard at Penney automotive store in Golf Mill Shopping Center reported two men ran out of the east door of the store with an armful of spark plugs. One of them dropped two packages, bent down to pick them up, when Niles police car #18 came into the area. They jumped into a waiting silver-grey Buick and sped into Morton Grove. After capture they were returned to Niles police station where it was reported the vehicle was stolen in Norridge. The suspects were also wanted for stealing a car in Oak Park.

Late movie fan

At 3 a.m. Niles police received a complaint that unknown persons removed a 19 inch RCA color T.V. set from Room 74 at the Royal 6 Motel, 6450 Touhy.

A difference of opinion?

A fight between two men was broken up at the Golf Mill Bowling Alley lounge Friday, February 12. During the course of the fight \$1,000 damage was done to stereo equipment. When the men were taken to the station, both refused to sign a complaint and were subsequently released.

Auto burglarized

\$460 worth of property was stolen from a car parked in the rear of 8800 Milwaukee Avenue February 9. A Palatine man said a coat hanger was used to gain entrance into the car. He reported one Skil circular saw valued at \$80 was removed, a \$270 radar detection unit was also stolen, as well as a \$60 attache case and about \$50 worth of tools in a fish tackle box. There was also \$150 damage to the dashboard and glove compartment caused by someone attempting to rip out a Cobra CB radio unit which was mounted.

Sheriff Elrod scholarship offers

Sheriff Richard J. Elrod, in cooperation with the Illinois Sheriffs' Association, announced today that a scholarship program will be offered again for the second consecutive year. The Association's goal is to provide financial assistance to worthy students in furthering their education and training.

Seven scholarships in the amount of \$500 each will be awarded in Cook County with twenty-eight scholarships being awarded statewide to students pursuing courses in vocational training or attending institutions of higher learning.

Sheriff Elrod advised all interested students to consult the administrator of the school they are attending or contact Domingo Sanchez at the Cook County Sheriff's Youth Services Department, 1401 S. Maybrook Dr., Maywood 60153 (865-2900) before the deadline of March 1.

Kozenczak fundraiser is big success

Joseph Kozenczak, (r.), the Republican candidate for Cook County Sheriff, held his campaign's first fundraiser on Jan. 20 at the Fountain Blue Restaurant in Des Plaines. Among the honored guests were former State's Attorney Bernard Carey, (l.) candidate for President of the Cook County Board, and Congressman Henry Hyde.

Kozenczak was delighted at the overflow crowd of friends, neighbors, and local officials who came to show their support despite the bad weather.

Kozenczak pledged to use the vast resources of the Sheriff's Office to serve the law enforcement needs of the people of Cook County, not to build 'an ivory tower of indifference and callousness, as is now evident in the present Sheriff's Administration.' He said that the financial support he received that evening would

enable him to continue campaigning hard throughout the county to bring his message to the voters.

Leading the contingent of local officials in attendance were former Sheriff and present County Commissioner Joseph Woods, Des Plaines Mayor John E. Seitz, former Des Plaines Mayor Herbert Volberding, and Maine Township Supervisor Paul Halverson. The master of ceremonies for the evening was Wayne Andersen of Des Plaines, who also represented Secretary of State Jim Edgar.

Kozenczak, a 20-year police veteran, is Captain and Operations Commander of the Des Plaines Police Department. He is the endorsed Republican candidate for Sheriff and is unopposed in the March Republican primary.

Judge Buckley elected Chairman of Judicial group

Judge Robert Chapman Buckley of the Domestic Relations Division of the Circuit Court of Cook County has been elected chairman of the Democratic Judicial Campaign Committee.

Judge Buckley was elected by his judicial colleagues who have been slated by the Democratic Party of Cook County for the 1982 elections.

Judge Buckley has been a judge for 22 years. He resides in Arlington Heights with his wife Patricia and 5 children.

Judge Buckley was named by the Democratic Party of Cook County for elevation to the Appellate Court.

He is a candidate in the upcoming primary, Tuesday, March 16.

State Police list statistics on traffic violations

Did you ever wonder—How many tickets a Trooper writes in a day? What the most common violation encountered by a Trooper is? Or how fast motorists travel on Illinois highways. Captain William Burt, Commander of the Illinois State Police District in Chicago answers those questions.

"For the month of December, 1981 Illinois State Troopers made a total of 32,890 arrests and handed out 52,182 written warnings. In addition they investigated 3,073 traffic accidents. That represents the work of ap-

proximately 1,450 Troopers for 31 days," responded Captain Burt.

"Of the 32,890 arrests made in December 26,462 were for speeding. That represents approximately 71%." The most common violation would have to be speeding."

Burt concluded, "According to an Illinois Department of Transportation survey in December, 1981 it was discovered that the average speed motorists travel was 54.7 mph. There were about 49.9% exceeding 55 mph, about 19.3% exceeding 60 mph and about 5.8% exceeding 65mph."

State police declare war on drunk drivers

Since Jan. 1 drunk drivers in Illinois have had war declared against them by police officers throughout the state.

Captain Hugh S. McGinley, Commander of the 148 State Troopers that patrol the Illinois Tollroad, stated, "We have arrested 63 drunk drivers in January of this year and 25 more so far in February. This is a 26% increase over the same period last year."

Of the 88 drivers arrested this year on the tollway 25 refused to take a breath test when requested by the arresting officer. This means that their driving privileges in the State of Illinois will be suspended for six months. Before the new law was passed, the refusal rate by drivers

charged with drunk driving was 54%.

Since Jan. 1 stiffer penalties accompanied the new "Driving Under the Influence" law and the refusal rate has dropped to just less than 29%.

Captain McGinley added, "An arrest for DUI made at the scene of an accident is an arrest made too late. We must get the drinking and drunk driver off the road before he causes death and destruction on our highways."

Cooking for fun or fame

Cooking for Company, Danish Pastries and Tofu are three upcoming MONNACEP courses designed to enhance the pleasure and possibly the reputation of the culinary artist.

Cooking for Company will meet for the first of three sessions on Wednesday, March 3, at Niles North High School, 9800 Lawler, Skokie; from 7:30 to 9:30 p.m. The demonstration program will feature a variety of selections for preparation and sampling from hors d'oeuvres, entrees, salads and casserole dishes through desserts.

Danish Pastries, a one-nighter, will meet from 7:30 to 9:30 p.m. on Thursday, March 4, at Maine East High School, Potter rd. at Dempster, Park Ridge. Participants will learn how to use the flaky pastry crust of Danish dough to create sweet rolls, coffee cakes and tarts in their own kitchens.

Tofu, another one-nighter, will meet from 7:30 to 10 p.m. on Thursday, March 4, at Maine East. Secrets of how to prepare the soybean curd product that is the basis of many vegetarian dishes will be shared.

MONNACEP is the adult education element of Oakton Community College in cooperation with Maine, Niles and Glenbrook High Schools. For further information, call 967-5821.

Surviving life with a teen

Steven Helfgot, director of student development services at Oakton Community College, will discuss "How to be Alive and Well While Living with a Teenager," at 7:30 p.m. on Thursday, February 25, at the Northbrook Public Library, 1201 Cedar, Northbrook.

Helfgot, who has a MA in counseling, will discuss how, by understanding both the changes in the lives of their teen-age children and in their own lives, parents of teens can make those difficult years easier for all concerned.

This free drop-in lecture is part of the lecture series, Our Changing Lives, sponsored by the OCC Office of Community Outreach and held in local libraries. Topics deal with issues of current concern to men and women.

For further information, call 635-1977.

John Porter speaks to Legion Auxiliary

Cong. John Porter was the recent guest of the Seventh District, American Legion Auxiliary. Although he stated he would not officially represent many of the members in the future because of redistricting, he indicated the affairs of the Auxiliary Units in the 7th District were near and dear to his heart and that he would "unofficially" still represent their interests.

The meeting was held at the North Shore Unit #21 at 6040 Clark st. in Chicago.

The district is composed of a dozen units whose locations are on the north shore area of Chicago and the north suburban area.

BEST FOOT FORWARD

By Dr. Leonard Pock

PLANTAR WARTS

A plantar wart is a wart on the sole of the foot. It is a whitish-yellow, cauliflower-shaped growth with many blood vessels. Cause? A virus that may enter through a minor break in the skin.

Ignored, the wart may go away, but most often it remains and multiplies; it spreads to other areas and causes pain when walking.

Depending on size, location and resistance of warty tissue, therapy will range from the application of a topical chemical to complete surgical excision. Often an electrode is used to "zap" or "burn" the lesion.

Warts are contagious. To protect your family from this virus infection, follow the hygiene advice your podiatrist gives you.

Glover Illinois PTA scholarship program

Since 1955 the Illinois PTA has demonstrated its commitment to the educational growth and development of the children of this state by providing scholarship money to graduating high school students. Reaffirming their belief in the future of public education, the PTA has designated that the 1982 PTA Scholarship Program be used to encourage students to enter the field of education or education-related degree program. College and University Departments of Education have worked with the PTA to project teacher shortages for 1985-1986.

Dorothy A. Klemplinger, of Morton Grove, Illinois PTA Scholarship Chairman, advises that applications for scholarships have been sent to all public high schools in the state of Illinois. Three students in each of 25 PTA Districts will receive one-year, non-renewable awards of \$600, \$300, or \$200. Applications must be returned to the PTA District Director indicated on the form. Applicants must be graduating from a public high school in the upper 20% of their class. They must be enrolling in a College or University in an education or education-related degree program. This includes librarians, instructional media

specialists, school nurses, school psychologists and school social workers. These fields all require certification from a State Board of Education.

Honor student

Students representing 48 states and the District of Columbia are listed on the 1982 All Honor roll at the University of Oklahoma Norman campus. Local students include Benjamin Howard Fox, Morton Grove.

Ms. Mucha graduated recently from the McConnell School, Minneapolis, MN, where men and women are trained for careers in the travel-related field.

District 63 kindergarten registration

East Maine School District #63 will hold kindergarten registration on Wednesday, March 17. Children registering for kindergarten must be five (5) years of age on or before December 1, 1982 and those entering first grade for the first time must be six (6) years of age on or before December 1, 1982.

A certified copy of the birth certificate must be presented at the time of registration or the child cannot be enrolled. For children born in Cook County, a certified copy of the birth certificate may be obtained from the Cook County Clerk's Office, 118 N. Clark St., Chicago, IL 60602. A \$3 fee is charged for this service. Checks should be made payable to Cook County Clerk.

All children entering kindergarten for the 1982-83 school year must have a physical examination and immunization for measles, German measles, polio, diphtheria, tetanus and pertussis. The evidence of such examination and immunizations must be brought up to date and verified by school officials before a child will be admitted to school in the fall.

First graders who did not attend kindergarten must also present evidence of a physical examination and immunization. Forms will be available for all

Registration for District 67 preschool testing

Barlow completes first record album

Former St. John Brebeuf Youth Minister Vincent Barlow has just recently completed his first record album entitled Vincent Barlow Head and Heart. The album is a collection of ten songs all written or co-written by Barlow. The songs reflect on his experiences with family and friends.

One of his favorite songs on the album is Parents Song, a song he wrote for his parents after being away from home and realizing how much they had done for him, and meant to him. The album is available at Laury's Records on Milwaukee or write to Vincent Barlow, 8946 Waukegan Rd., Morton Grove, IL 60063 to receive an order form.

Vincent will be singing this week Thursday thru Sunday at Meriwethers in Old Orchard from 7-11:30 p.m.

ND musicians in State Conference

Four students from Notre Dame High School for Boys, 7655 Dempster, Niles participated in the Illinois All-State Music Conference February 4-7 in Springfield.

Joe Sonnenfeldt, Chicago and Kevin Quinn, Glenview played in the All-State Jazz Band I. The band was conducted by Rich Matson from North Texas State.

Mark Harder, Chicago played in the All-State Jazz Band II.

Paper revival at Mindscape

The ancient craft of paper-making is coming back these days to capture the interest of contemporary American art collectors.

To demonstrate that old techniques can indeed be taught new tricks, Mindscape Gallery, located at 1521 Sherman Ave. in Evanston, will present "Paper Revival".

Featuring works by Diane Burchard and M.P. Marion, the show is scheduled from Feb. 8 through Feb. 28.

Ms. Burchard, a native of Texas, creates paper and fiber combinations that are hand-dyed, wrapped and pleated into exotically colored wall sculptures.

M.P. Marion of Wisconsin is both a printmaker and paper-maker who combines these media with found objects and

Conductor for this band was Tom Streeter of Illinois Wesleyan University.

Brian Burke, Morton Grove performed in the Honors Orchestra playing string bass. Jack Ranney of the University of Illinois was guest conductor.

The conference was sponsored by the Illinois Music Educator's Association. Notre Dame band director is Mr. William Alles.

Amundsen 1949 class reunion

A high school class reunion to take place in May 1982 is not being planned for the Amundsen High School class of 1949.

All those who graduated from Amundsen in January 1949 and June 1949 are urged to call Helen at 885-1556 for more information. The committee is interested in knowing the present addresses for many of the graduates.

Book reviewer at Skokie Library

Book reviewer and dramatist Greta Wiley will be in the Skokie Public Library at 1:30 p.m. on Sunday, February 21 to review the new novel, "A Green Desire," by Anton Myer, author of "The Last Convertible." Admission is free and open to the public.

This Sunday afternoon review is scheduled for the convenience of the many men and women who may not have been able to attend Miss Wiley's earlier reviews held in the Library on weekday mornings.

It is Greta Wiley's talent as a reviewer and dramatist to make the experience of hearing about "A Green Desire," and its author Anton Myer, an enriching one.

Miss Wiley, of Chicago, is internationally known for her captivating reviews of current literature. She appears courtesy of the Uptowners Club of Uptown Federal Savings in cooperation with the Skokie Public Library. For more information call 673-7774.

Slide show on mainland China

Slides of mainland China, featuring scenes Marco Polo described in his travels over 700 years ago, will be presented at 10:30 a.m. on Monday, March 1 in the Skokie Public Library at 5215 Oakton St. Admission is free.

Ransom Slayton of Glenview, a Senior Engineer at Teletype Corp. in Skokie, is the "modern Marco Polo" who will show his slides. Photographed between 1978-1980, the program includes Peking and the Chinese people, their homes, the Imperial Palace, the Forbidden City, the Temple of Heaven, the Summer Palace, the Marco Polo Bridge, the Great Wall, Ming Tombs, Shanghai, Canton, and South China.

Mr. Slayton's program is part of the Library's Early Edition Lecture Series held at 10:30 a.m. on the first Monday of the month.

AMUSEMENT GUIDE

Camp Fire has square dance

From (l. to r.): Laura Elisinger of Maine South High School in Park Ridge and her father Lee Elisinger; Amy Nommensen of Lincoln Junior High School in Park Ridge and her father, John Nommensen.

Camp Fire girl members from the Maine-Niles area held a dinner and square dance for their fathers on Wednesday, Feb. 3 at the Maine East High School in Park Ridge.

The Camp Fire leaders from the area cooked the dinner and the girls and their fathers danced to the calling of local resident, Don Stacy. Over 60 guests were present.

Camp Fire is a national youth organization with both boy and girl members and has many thousands of members in the Camp Fire Metropolitan Chicago Council which includes the Maine-Niles area. The goal of the organization is to improve the quality of life for boys, girls, and families.

SJB students in Polish program

"What's happening to the Polish people now?" "Have you heard from your relatives in Poland lately?" "Are your letters going through?" "Have they been censured this week?" Questions similar to those can be heard as the children of Polish descent discuss the plight of grandparents and relatives still living in Poland.

Because so many of the St. John Brebeuf School children are Polish, they got to work on producing a closed circuit T.V. Program for the rest of the school. "Two reporters" and "Two newsmen" announced and coordinated the program: The Polish national anthem; some facts of the history of Poland; what has happened with Solidarity and martial law; and "interview with Lech Walesa," a Polish song by Margie Wojnicki; Kinds of Polish money, Polish dolls and artifacts; the life history of Pope John Paul II, the explanation and eating of Polish foods, and concluding with a prayer service for Poland and it's people.

MONNACEP offers Ignition Tune-Up sessions

For people who would like the advantages of knowing how to tune up their own autos, MONNACEP will offer Ignition Tune-Up in five upcoming sessions, each for five weeks.

Participants will bring their own cars and work under the instructors' guidance, at one of several high school auto shops which provides indoor heated facilities where work can be completed.

Cost for in-district residents is \$20. Courses will begin as follows:
On Tuesday, March 2 from 7-10 p.m. at Niles West High School, Oakton at Edens Expressway, Skokie; Glenbrook South High School, 4000 W. Lake, Glenview, and Maine South High School 1111 S. Dee, Park Ridge; on Thursday, March 4 from 7 to 10 p.m. at Niles West High School and Maine South, and Wednesday, March 10 at Niles North High School, 9800 Lawler, Skokie.

For sailers, MONNACEP will offer Sailing/Opeka, the first of five classroom sessions devoted to theory followed by five at-the-tiller learning sessions on Lake Opeka, Des Plaines. Classroom sessions will be held at Maine West High School 1755 S. Wolf, Des Plaines from 7:30 to 9:30 beginning Wednesday, March 3.

MONNACEP is the adult education element of Oakton Community College in cooperation with Maine, Niles and Glenbrook High Schools. For further information, call 967-5821.

Porter praises new health-care approach

A unique employee health-care plan, expected to be available to groups through Evanston and Glenbrook Hospitals later this year, has been commended by Congressman John E. Porter (R-10th), a strong supporter of competitive health-care options.

The program, called Choice, was announced Feb. 1 by Aetna Life & Casualty and Evanston Hospital Corp., the pilot participant in the project.

Unlike prepaid group HMO's, Choice allows participants to choose their own personal, private physicians for primary care. Referral and specialty care, however, will be provided by doctors and hospitals recognized for their excellence, according to Aetna. This is expected to reduce unnecessary tests and procedures and, thus, prove more cost-effective than traditional hospital treatment.

Pending Illinois regulatory approval, Choice will be available later this year. Aetna expects to extend the program to other major metropolitan areas over the next several years.

Saturday seminars at OCC

Among 8 one-day programs in continuing education offered Saturday, February 20, at OCC's Skokie campus, 7701 Lincoln ave., are courses in tax preparation, photography, selection of a nursery school, and modernizing the kitchen. Most meet for an all-day session, with the last two for morning only.

The timely offering of Income Tax Preparation will be followed next week by a duplicate session at OCC/Des Plaines, 1600 E. Golf rd., Des Plaines. The photography course will concentrate on one topic: Photographing People. Additional courses on Time/Household Management and Communications for Sales People.

In addition, a special demonstration course for wood carvers on the use of power tools in doing preliminary shaping will meet at Maine East High School, Dempster and Potter, Park Ridge.

For additional information regarding starting time, fees, or registration, call 967-5821.

Shared Open House

The Skokie offices of Family Counseling Service, Senior Action Service, Inc. and the Volunteer Service of Skokie Valley will host an Open House on Thursday, Feb. 18 from noon until 7 p.m. The public is invited to tour the new offices at 4535 Church st. Refreshments will be provided. For additional information, call 328-2404.

The new offices are shared by the three agencies, each of which serves the residents of Skokie, Morton Grove, Lincolnwood, and Golf. Family Counseling Service has provided individual and group counseling in the Skokie Valley area for 25 years. Since its inception in 1977, Senior Action Service has placed 905 older workers in jobs, generating \$1,527,000 in income. The Volunteer Services of Skokie Valley matches the needs of agencies and organizations with willing residents for mutual benefit.

The tax-deductible savings account is here!

If you are presently employed then you are eligible for a tax-exempt Individual Retirement Account. You may make deposits to a special savings account and deduct the amount up to \$2,000 (or up to \$2,250 if you are married and your spouse does not work) from your income taxes. And the interest you earn on the funds are not taxed until withdrawn. This allows you an additional tax savings now, while you are working and while you are in a higher tax bracket than you will be when you retire. And your IRA will earn at the current high interest rates.

First Federal Savings of Des Plaines can help. One of our experienced savings counselors will assist you in setting up an Individual Retirement Account and explain all the details...the substantial growth potential provided by the compounding of interest...how your savings account will not be subject to market fluctuations...and your funds will earn from the day of your deposit until you begin to withdraw them. Naturally your IRA account will be safe to \$100,000 by the FSLIC, an agency of the Federal Government.

So call 824-6118 for complete information or stop in at our office at 749 Lee Street. Do it today for tomorrow comes too soon.

SPORTS NEWS

SJB "X" Team wins championship

It was the final conference game. The team's leading scorer was out of action. One of the team's best rebounders was also unable to play. The conference title was on the line. The two best teams in the conference were at it exchanging the lead with nearly every basket. The game went into overtime on a successful free throw with a few seconds left in a tension filled gymnasium. This was a local game between St. John Brebeuf's "X" team and St. Catherine Laboure 6th grade girls team. The SJB "X" team eventually triumphed 19 to 16 in overtime.

Maria Sudendorf started at right wing for SJB, Nicole Mariotti started at forward with Erin Gotshall at point guard, Colleen McCauley at left wing and Danna Callero at center. These girls built a one point lead by the end of the first quarter. Cathy Beierwaltes, Paula Surace and Joan Marusek started the second quarter. They helped to maintain a one point lead going into the second half as both teams exchanged baskets. However as St. Catherine opened up a three point lead with a very effective half

court trap. Paula and Joan were sent back in to penetrate the trap. Paula sank a crucial basket from the left side of the lane to pull SJB within one point. A little later Joan penetrated on the right side and put the ball up. It hit the front of the rim. Danna Callero rebounded and powered up and gave SJB a one point lead with less than a minute to go. Time out was called by St. Catherine's to set up an inbound play that worked very effectively as their player was fouled for going up for a shot. If she made the two free throws St. Catherine's would win because SJB was out of timeouts and there were only a few seconds left. The first shot went up and it bounced several times but went off to the left. The second swished through and the game went into overtime.

Cathy Beierwaltes obtained an offensive rebound and swished the ball on the left baseline to give SJB a three point lead and the championship. The girls thus went undefeated in the conference play. The league included eight grade schools. The SJB "X" team is coached by John Marusek.

SJB 5th grade boys

The 5th grade boys ended their practice season with a 20 to 11 victory over Rolling Meadows "A" Team. Overall, the boys won 4 games and lost 2 games in their practice season. This was an especially important win as it made up for an earlier 1 point defeat and set the stage for two conference victories over the weekend. In this game, strong rebounding and good defense spelled the difference. Scoring and defense were provided by Tom Wolshon (8 pts.), Dave Kruczek (6 pts.), John Reid (4 pts.), and Mark Hanks (2 pts.). In a unique 5th period added to each game to ensure that each player improves his skills, Brian Ochab scored 2 points.

On Saturday, February 6, the boys traveled to Rolling Meadows for their first conference game against a good St. Paul of the Cross team and defeated them 29 to 18. Scoring and defense were provided by Tom Wolshon (12 pts.), Dave Kruczek (9 pts.), Mark Hanks (4 pts.), John Reid

and Greg Mastri (2 pts.). In the 5th period of play Jeff Jung and Bill Brown each scored 2 points.

On Sunday, February 7, the boys again traveled to Rolling Meadows to play their "B" team and won 34 to 15. This was the boys' strongest performance to date with each boy contributing to the victory. Scoring was provided by John Reid (12 pts.), Tom Wolshon (11 pts.), Mark Hanks (3 pts.), Greg Mastri (2 pts.), Glenn Giordano (2 pts.), Dave Kruczek (2 pts.) and Chris Pisani (2 pts.).

Oakton Raiders shock conference leader

The Oakton Raiders turned in their best defensive effort of the season last Thursday night when they traveled to Aurora to play the Waubensee Chiefs who led the Skyway Conference with a record of 7-2.

Oakton trailed Waubensee 33-27 at half time, but the score didn't reflect the fine defensive effort by the Raiders. Scott Thomson, Glenbrook South; Steve Shunick, Glenbrook South; and Buzz Sexton, Maine West; kept constant pressure on the Waubensee guards and forced thirteen turnovers in the first half.

In the second half the Raiders man to man pressure really took its toll on the Chiefs. Waubensee only managed to score 23 points in the second half as the led changed hands several times in the final minutes of play.

With six minutes remaining, and leading by one point, the Raiders went to their delay-game offense. Waubensee tried to put pressure on the guards out in front but were burned on back door plays by Steve Shunick, Scott Thomson and Dino Vaia.

Waubensee managed to tie the game at 56-56 with thirty seconds to play. With 9 seconds left Oakton called a time out to talk about the situation. Oakton's co-captain Steve Shunick, called a pick and roll and then dropped it off to Dino Vaia, the leading scorer in the Skyway Conference. Vaia, averaging 24 points per game, went up for a shot with 3 seconds remaining and was fouled. Vaia went to the line and missed his first attempt but swished the second try for a 57-56 victory over the conference leader.

Vaia ended the game with a game high 20 points. Scott Thomson scored 15 points and Steve Shunick 10. Rounding out the scoring for Oakton was Pat King with 8, Mike Sinnema with 2, and Perry Gabuzzi with 2. Buzz Sexton did a great job of leading the defensive effort which enabled Oakton to win.

Oakton, now 4-6 in conference play, will host Lake County next Thursday night (February 18) at 7:30 p.m. at OCC/Skokkie (formerly Niles East H.S.).

Rosenblum qualifies for National Championships

Steve Rosenblum of Oakton Community College broke two school records in the recent Illinois Open Track Invitational held in Champaign, Ill.

Rosenblum took the lead in the one mile run and sprinted away from the large field to win by six seconds with a time of 4:19.5. He came back later in the day to place fourth in the two mile run with a time of 9:15.5 which was

four seconds under the national qualifying mark set by the NJCAA. Both races were Oakton school records.

Jeff Turkin sprinted to a fifth place finish in the 60 yard dash and then later in the meet he placed fourth in the 220 yard dash. Mike Harrington ran a personal record in the two mile run with a time of 9:49.3.

SJB 5th and 6th graders honored

Thirty-one 5th and 6th grade SJB girls were recently honored at a banquet for their outstanding performance on the basketball court. These girls garnered 43 victories during the season. The featured speaker at the banquet was Niles West head varsity coach Gene Earl who commented on the attitudes and achievements of his Niles West young women who obtained the State High School Championship several years ago, along with several final four finishes in other years. He mentioned that the SJB girls seem to demonstrate the same interest and determination.

He also complimented the SJB coaching staff on the outstanding girl's basketball program they have helped to develop over the years.

Coaches Dennis Gonka, Tom Surace, Konrad Hack and John Marusek reported on the following achievements of the girls.

The SJB6 team broke the sixth grade girls record of games won with 24 wins.

The SJB5 grade team was the first 5th grade team entering into a 5th grade league.

Both SJB6 and SJB5 won the Northwest Catholic Conference Championships by going undefeated in the league.

More SJB 5th and 6th grade girls had an opportunity to play league basketball than at any other school we know of anywhere!

The SJB5 team beat every 5th grade team it faced. They also beat several 6th grade teams.

Marusek mentioned that very many coaches contributed to the success of these girls during the course of camps and clinics. They included the Marillac and Regina varsity coaches Pat O'Connell, Mike Small and Niles Park District supervisor Jay Russ. SJB alumni now playing at Marillac, Regina, Niles West, Resurrection High School and Maine East helped the girls tremendously during the summer. Some college players from Notre Dame University and DePaul also made important contributions. A number of these college players once played in the grade school gyms

in our community.

These outstanding SJB players include: Erin Gotshall, Kirstin Hack, Diane Kuhl, Beata Kurylo, Lorena Magnelli, Sue Ochab, Colleen O'Grady, Trish Smith, Amy Surace, Kallie Whittle, Carol Ann Barrett, Cathy Beierwaltes, Danna Callero, Karen Casaccia, Carolyn Kauth, Nicole Mariotti, Colleen McCauley, Kris Miller, Maria Sudendorf, Sandy Watson.

Debbie Byk, Julie Flynn, Amy Gonka, Janet Johnson, Amy Kalas, Joan Marusek, Kim Mason, Lori Salm, Kathy Sullivan, Paula Surace, Kirk Swider.

Niles West gymnasts are All Americans

The Niles West High School girls' gymnastics team has been named an All American team for the second year in a row by the National High School Gymnastics Coaches Association. The title was bestowed on the basis of team scores earned during the 1980-81 gymnastics season, with the average of three competitions being the qualifying score. The Indian girls' average of 103.28 was not, only well above the minimum requirement, but also placed them seventh in the nation. The only other Illinois girls' team to outrank the Niles West girls was Addison Trail, which placed second.

Coached by John Burkel and assistants Judi Sloan and Jo Nebbia, the All American team consisted of Janice Grear, Mary Ann Kostyniuk, Chris Cotton, Margaret Luncoford, Marie Helgeson, Gail Piper, Nancy Buffo, Joanne Oppenheim, Sheryl Barasch and Jaqueline Plorus.

Individual gymnasts who were named All Americans on the basis

of their average scores from five competitions include Grear (attending Montana State) in vaulting, uneven bars, floor exercise and all-around; Kostyniuk (attending Oklahoma University) in all four events and in the all-around; Niles West senior Conton in vaulting and uneven bars; and senior Luncoford in the vault. Kostyniuk was ranked 10th nationally in all-around with an average score of 8.99.

"We're proud that this team upheld the Niles West tradition of excellence," Burkel says, "they were stimulating to coach and committed to certain personal and team goals."

John B. Huber

Marine Pvt. John B. Huber, stepson of Leonard T. and son of Carolyn E. Reed of 9039 Church st., Des Plaines, has been promoted to his present rank while serving at the Marine Air Base Squadron 14, Marine Corps Air Station, Cherry Point, N.C.

BROMLEY HALL

A Student Living Adventure At The University of Illinois

Located on the University of Illinois campus, Bromley Hall is a privately-owned modern, thirteen-floor, fully air-conditioned residence and meeting center.

Bromley Hall is conveniently located within short walking distance of most major campus facilities, including academic buildings, the Illini Union, IMPE Building, Assembly Hall, and the Memorial Stadium.

Living Accommodations

Bromley Hall offers many unique advantages. It is one of the very few fully air-conditioned buildings on campus. It is completely equipped with every facility available for the optimal living environment. It has excellent facilities for both study purposes and relaxation. In fact, Bromley has been planned to combine efficiency and flexibility for work, study, and relaxation under one modern roof. Its facilities include a large indoor heated swimming pool, sundeck, billiards, electronic games and color TV lounges.

Bromley Hall's 350 spacious rooms provide excellent accommodations. Each room has large closets and plenty of drawer space, plus bookshelves and desks. Further, Bromley Hall has a staff of housekeepers who provide maid service and help implement the linen programs available to residents.

Both accommodations are semiprivate with every two rooms sharing an adjoining bath with two wash basins, a shower stall, and a toilet.

Rooms

Single, double and triple occupancy rooms are available.

Food

Bromley Hall offers an outstanding menu: a variety of foods may be selected, geared to satisfy the most hearty appetite and for the figure-conscious, we offer an elegant salad bar. All meals are served cafeteria style in a beautiful ground floor dining room. Bromley Hall serves three meals daily Monday through Saturday and Brunch on Sunday. Special arrangements for parties and banquets can also be made.

Services

Bromley Hall provides a reception desk with a telephone, message service and a spacious, attractive lobby ideal for relaxing. It has four high speed electronically controlled elevators that service the entire building. Bromley Hall has meeting facilities that are perfect for workshops, seminars, or group discussion. There is an attractive snack bar open to the residents that can provide a delicious snack to satisfy an attack of the munchies.

pt to establish his "permanent" residence in Morton Grove. By sending out the invitations with the Morton Grove address, Kearney was saying, "Hey, I'm throwing a party for such an important party for the little lady and myself at our Morton Grove address." He's intimating if he's throwing a party for such an important occasion in Morton Grove, then that's where he hangs his hat...where he calls "home."

But why did he invite The Bugle editor? She said she doesn't know Kearney's wife and only knows him from bringing news releases to the office. It's the first invitation from a news release carrier in her 13 years with The Bugle.

Why did he send it out so late? Maybe he didn't want to overload the punch bowl with too much punch so he sent out invitations which just might not be used. If the invitee didn't show up, his punch bowl and cookie bit would be reduced. Well, that would be a pretty cheap motive and no one is accusing Kearney of being cheap.

Maybe we've got this all wrong. Kearney is a likeable guy who has a history of doing some very goofy acts.

Many years ago he published a strange article in the Champion which demeaned a religious group during its sacred holiday time. The next week the owner of the newspaper printed a retraction and an apology. It was just a dumb thing to do.

In more recent years officials running for office in Morton Grove and Niles Township, under the Kearney-Republican aegis, were ruled off the ballot because they didn't file their pre-election papers properly. Now, Kearney himself is ruled off the ballot, because he was ruled a resident of an area other than the township where he serves.

Kearney seems to walk down strange paths. We once walked into his township office in the railroad station by the Skokie Swift on an election night. The headquarters weren't fit quarters for a junk shop. And up on the boards which rule the election returns were hieroglyphics which we found uncipherable. We walked away from Kearney's headquarters in shock.

This may be the end of the Kearney story in Niles Township. But whether or not he returns, we wonder if he'll invite The Bugle editor to his 39th wedding anniversary?

Niles police shooting . . .

at about 9 p.m. Sunday night. Arriving on the scene, police found Frank Akrawi, 45, in the lobby with a leg wound. According to witnesses Akrawi, a resident of the YMCA, had been waiting for the elevator to return to the lobby. When the elevator door opened, YMCA resident Jerome Unick, 57, ran from the elevator swinging a hammer and a hunting knife. Stabbing Akrawi in the leg with the knife, Unick ran back in to the elevator and returned to his third floor room.

After calling for an ambulance for Akrawi, four Niles police officers went to Unick's room. Knocking on his door, police were immediately confronted by Unick swinging the hammer and slashing with the knife. Two police officers briefly scuffled with Unick, however, he was able to escape the officers.

Turning towards the other two officers, Unick began backing them down the hall while swinging at them with the knife and hammer. With guns drawn, Niles policemen Eugene Ziegler and Don Matuszak ordered Unick to put down his weapons. However, after backing up fifty feet to the end of the hall, Ziegler fired three shots, killing Unick.

One of Ziegler's shots ricocheted, hitting Kollath in the left arm. Unick, formerly of Wilmette, had reportedly been employed as an engineer for over 25 years by Skokie, Inc., 5555 Touhy Ave., Skokie. Also, Unick was a part-time math teacher at Oakton Community College until 1979.

It is reported that Unick regularly took medication to modify his behavior and may have stopped taking the medication prior to his stabbing the police officers. Niles Police Chief Clarence Emrickson reported on Monday that the Cook County State's Attorney has determined the shooting of Unick was justifiable homicide.

Morton Grove Police Officer Robert Jones confirmed that Unick had been arrested in Morton Grove after a similar incident on January 8, 1981. At that time police were called to his apartment after he chased his landlord from the building. The landlord said Unick had threatened him with a hammer. After being arrested Unick was charged with aggravated battery. Following that incident Unick was temporarily admitted to the Chicago Reed psychiatric hospital.

There has been a terrible abuse in some private parking lots," Village Manager Robert Eppley said, "and if police officers see an illegally parked car in a handicapped space they can issue a citation. Previously, the officer had to have a signed complaint from the land owner to issue a ticket."
A Skokie resident who is handicapped and needs a visitor card for an auto can call the Niles Township Clerk's office at 673-9300. That office has applications for the cards. Special license plates for the handicapped can be obtained through the Secretary of State's office. Phone 282-4000, ext. 274 or 275 for an application.

Public workers and police and firemen worked 48 hours around the clock. Bob Wondel at Teletype donned a cook's hat and provided food and bedding for stranded workers at Teletype. The same report came from Bob Schumm of Middle States Telephone Co. (Centel). Niles cleared the emergency path to Latheran General Hospital. Two people asked when their garbage would be picked up. Public Works was receiving 5 telephone calls a minute on Saturday morning.

Public officials are in a peculiar position in that the very essence of their job is that they are there to serve every one of you. Thus these ideas are especially crucial to them - from the lowest to the highest positions of command. There's a corollary to the above quote and it is, "To command is to serve". This modern-day philosopher continues, "Many years ago when I first looked this over, I had a high position of command. After a great deal of sorting out, I finally concluded that the only privilege this position of command conferred on me was THE RIGHT TO SERVE. After that I could handle the job. And was happy with it."

This idea of command may be a new one to many people. But if you look at the actual job involved you'll see the truth of it.

I've seen a number of public officials in Niles and I know that many of them, of which Jack Leske is the epitome, are there to truly serve their community. And it is precisely these attitudes of contribution and service that will determine not only their benefit to the community but also will make their jobs a lot simpler, more meaningful and easier on them. If we take a moment to see how others depend on what we do, our lives and our jobs will go much more smoothly. Let's all take a minute and do just that. How do our children depend on us? Or our fellow employees, customers or friends, family members or even just by listening to people or helping a stranger with a friendly hello. We will find ourselves very valuable people indeed. There are already many around - let's have a village full of them.

its provisions at the regular Board meeting on Tuesday, Feb. 16.

The ten months of deliberations and meetings marked the longest negotiations effort in OCC's history. Contract negotiations began in March, 1981, and continued throughout the summer and fall with the review of several proposals and counter proposals.

The terms of the agreement include the following:
• 10.5% increase in salary for 1981-82 retroactive to August 17, 1981.
• 9.7% across-the-board increase in full-time faculty salaries for the academic year 1982-83, inclusive of fringe benefits.
• A salary adjustment fund no

greater than \$100,000 to adjust individual salaries based on criteria and standards to be determined by a professional salary compensation consultant who will work with a joint Administrative Faculty Salary Adjustment Committee.
• Recognition of the OCCFA as the sole and exclusive bargaining agent for all full-time faculty at OCC in matters of salary, fringe benefits and specified Board policies.
Ray Hartstein, Chair of the Board of Trustees, expressed his appreciation to both faculty and administrative negotiators for their dedicated and untiring efforts since negotiations began in March.

such a work detail program. However, Niles Park Board President Dan Kosiba said the program can only succeed if members of different local service organizations will assist in supervising the work program of convicted vandals. Without the supervision, said Kosiba, it is doubtful whether any judges would be willing to sentence convicted vandals to the work program.

In announcing the program, the Niles Park Board indicated they would continue studying the feasibility of instituting the program in Niles. However, the unanimous enthusiasm of board members suggested the program will be adopted assuming no legal barriers arise.

Additionally, Marusek said the program will be more effective if other local park districts will adopt the same program.

Commissioner Walt Beusse said the Niles Park District has spent approximately \$3,000 since last April in repairing park property destroyed or damaged by vandals.

In related business, Beusse announced three Niles youths have been charged with the recent vandalism at the Grennan Heights Recreation Center. Shortly after the renovated fieldhouse was reopened in January, the three Niles youths destroyed a number of locker room lockers and kicked holes in the locker room walls.

Beusse said the total damage came to \$150. As of Tuesday night, one of the vandal's parents had come forward with \$50 to pay for their child's share of the damage. Under Niles law, the other parents are required to also pay for any vandalism committed by their children.

In other business, Marusek noted that following the success of the recent after-school soccer

program and basketball program, the Niles Park District will be forming a girls' softball league for the spring. As with the soccer program, area youths will be able to sign up for the program in their schools which, said Marusek, will allow children to play on the same teams as their friends. This is the first year the Niles Park District and local schools have cooperated to the extent of allowing the park district to recruit inside schools.

Kosiba announced the local North American Martyrs-Knights of Columbus have donated \$10,000 for the use of purchasing playground equipment for the handicapped. Kosiba said the equipment will be installed at Grennan Heights.

Commissioner Elaine Heinen announced the Maine-Niles Association for Special Recreation is celebrating its ten year anniversary. Dedicated to providing recreational activities for area handicapped, Heinen noted that Walt Beusse was the association's first president and, at the ten year mark, she is the current president. Members of the association include surrounding park districts.

Beusse suggested a storage area be built on the southeast corner of the Ballard Sports Complex to house park district equipment. Beusse said the destroyed storage area, Grennan Heights, is not large enough resulting in some equipment being left outside during bad weather.

The park board unanimously agreed to purchase new carpeting for the park administration offices. The carpet, to cost \$3,182, will be purchased from Niles Contact Carpet. Park Director Bill Hughes said several bids were received for the carpeting purchase.

team had to rely on speed, quickness and surprise. Chris Miller, on the far right of the middle row was placed in the line-up whenever we needed still more rebounding power against a tall team. Erin Gotschall, in front, is probably the smallest 6th grade girls basketball player playing in this area. She is also probably the quickest on the basketball court. She could get past defending girls before they blinked.

These girls established a number of SJB records including most wins (31) by a SJB girls 6th grade team and most conference championships (3). They were coached by Konrad Hack, assisted by John Marusek. Absent when the picture was taken were Colleen O'Grady and Kellie Whittle. Marusek mentioned all of these girls should consider themselves to be All-Stars. "We always had a different starting line-up in these 6th grade games. Everyone started in a number of games. This experience against older and taller girls has given them a tremendous headstart. I expect all of them to eventually become standouts on their high school teams in a few years due to their willingness to work hard to meet challenges such as playing teams that are better, older, taller and faster."

AYH ski trip

American Youth Hostels (AYH) will sponsor a one week ski trip to Jackson Hole during April, 1982. Downhill skiing for one week with a side trip to Grand Targhee will be offered. Cross-country skiing for one week in the Grand Tetons National Parks with a side trip to Yellowstone National Park will also be offered. Trip dates are from April 3-10. The downhill ski package costs \$690 and includes all air and ground transportation, lodging, (2 per room), and a five day lift ticket at Jackson Hole. The cross-country ski package costs \$545 and includes everything above except the lift tickets. Both downhill and cross-country skiers are welcome. Beginners are welcome as ski instruction is available.

For registration and information call AYH at 327-8114 or visit 3712 N. Clark St., Chicago.

E.P.L.C. Senior Fellowship group

The Senior Fellowship Group of Edison Park Lutheran Church will hold its monthly meeting at the Church on Thursday, Feb. 18, at 12:00 noon in the North Hall of the Church.

The Group meets on the third Thursday of each month (except July and August) at 12:00 noon. For lunch, bring a sandwich or whatever you wish. Dessert and beverage are furnished. If you cannot come early for lunch, try to join us at 1:30 p.m. as we always have an interesting program to include a semi-pro team.

Plans are being made for the next two meetings. On March 18, the Taft Traveling Chorus will showcase their talents and, in April, the Group will be treated to a Bavarian Concert. These meetings are a fine opportunity to make new friends and to brighten the winter afternoons.

M-NASR offers yoga program

The Maine-Niles Association of Special Recreation has been offering a new Yoga program this session and it's been quite a success.

The program taught by Marion Peterson, is centered around general Yoga exercises for physically handicapped adults. The main purpose of the Yoga exercises is to work on the internal body functions, helping them to work together promoting good health.

Ms. Peterson is currently a director at the Himalayan Institute, where she teaches meditation. She has been involved with Yoga for 12 years and has been an instructor for 10 years. This is her first session with M-NASR.

Yoga exercising is a fun way to stay healthy; mentally, as well as physically, and Marion Peterson is providing it at Maine-Niles! She seems to sum it up best with her comment: "I enjoy the positive outlook of these people. It's a joy to work with them!"

M-NASR sponsors leisure programs for all disabled populations as a park district extension of Golf-Maine, Des Plaines, Park Ridge, Lincolnwood, Skokie, Morton Grove and Niles.

Maine East gymnasts split

The Maine East Demon gymnasts were victorious over the Maine South Hawks, as the girls won their third conference meet, 104.98 to 102.5 on Jan. 27. The ladies in blue and white started out strong in Vaulting, with Sr. Lori Greenberg winning the event with an 8.8, followed by Soph. Christi Schachte with an 8.75 for 2nd place. Due to injury, Maine East was missing their top vaulter, Sr. Co-Capt. Patti Lehman, who had accumulated at 8.85 season average on her 1/2, 1 1/2 twisting vault, as well as being one of their toughest All-Arounders. Maine East played it safe on bars, throwing clean routines without the big tricks. Christi scored on 8.3, Jr. Zulma Grigolo (pictured) had a season high of 7.75. On Beam, a clean routine by Schachte scoring 8.7 and 8.6 on their 1/2, full vaults. Schachte also hit an excellent beam routine to score an 8.1 as well as an 8.55 in floor ex, and 8.1 in the All-Around. Another highlight of the meet was Greenberg throwing her axel on beam and sticking it, but then upon hearing the warning bell, lost her balance and fell. She also did a clean floor ex routine which received an 8.45 and Bondarowicz had a 7.7 on both beam and floor routines.

In the CSL Fr. Invitational, Marie Levine had a 23.5 point total, scoring 6.4 on vault, 5.3 on bars, 5.7 on beam, and 6.1 on floor. Maggie Sarmiento scored two 6.5's and a 6.4, Tina Restivo had a 6.4, 6.2, and 4.8, and Chris Hansen had a 6.5 and 4.9.

The Demons then proceeded to post high scores in floor ex, with Schachte leading with an 8.7, Greenberg with an 8.15, and

Agnes Bondarowicz with a 7.4. In the All-Around competition, Schachte won with an 8.53 average to boost the team total, followed by Greenberg with a 7.94. Maine East sorely missed Lehman. On the JV level, Beth Jacobson scored 6.2 and Jean Stenson moved up from the JV to the Varsity and contributed a 6.65 in Vault and 5.7 on Beam.

A few days later, against 1st place New Trier, the Demons didn't hold back in any event. However, the Trevians proved to be too much for the Demons, as they defeated Maine East 110.7 to 103.6. Maine East again started out impressively in Vault with Grigolo scoring 8.4 on her hand-spring full vault, along with Schachte and Greenberg scoring 8.7 and 8.6 on their 1/2, full vaults. Schachte also hit an excellent beam routine to score an 8.1 as well as an 8.55 in floor ex, and 8.1 in the All-Around. Another highlight of the meet was Greenberg throwing her axel on beam and sticking it, but then upon hearing the warning bell, lost her balance and fell. She also did a clean floor ex routine which received an 8.45 and Bondarowicz had a 7.7 on both beam and floor routines.

In the CSL Fr. Invitational, Marie Levine had a 23.5 point total, scoring 6.4 on vault, 5.3 on bars, 5.7 on beam, and 6.1 on floor. Maggie Sarmiento scored two 6.5's and a 6.4, Tina Restivo had a 6.4, 6.2, and 4.8, and Chris Hansen had a 6.5 and 4.9.

Niles forms semi-pro Baseball team

Niles, a town which has always promoted participation in its locally sponsored activities, is expanding the town's Baseball program to include a semi-pro team.

The requirements for qualifying to be on the team are: You must be 18 years of age or older, you must desire to play league Baseball, and you must attend try-outs for the team (dates will be announced later).

The team will play 32 games, 16

will be home team games and 16 will be visiting team games. The games will be played on Saturdays and Sundays during the months of June and July.

Anyone who desires more information may contact Stan Bretzmann, the coach, at 698-2484. Please think about being a part of this exciting new program! We cannot make this program a success without you.
