Handzel wins Niles Twsp. committeeman post

Unofficial returns from 73 precincts as of Wednesday morning gave Niles Township's Pat Handzel a 2-1 lead over Les Brownstein in the Republican race for committeeman. Mrs. Handzel had 1,472 votes to Brownstein's 624 with 51% of the precincts accounted for. Incumbent William Kearney, a write-in

candidate, had 194 votes. Handzel, who has been active in the Township Party for the past 2 1/2 years, told The Bugle she thought she "had the election" last week. She said she worked very hard.

Handzel thought the election indicated the people want a

Incomplete returns from the new 56th Illinois House District in the Republican race Tuesday had Thomas Rueckert ahead of Gerald Rubin, 1,850-1,200 votes. In his home Maine Township area Rueckert led Rubin 1,100-580 votes with 45 of 48 precincts accounted for.

Rueckert will oppose Democrat Aaron Jaffe in the November election to decide the represen-

tative in the 56th District, which runs north of Dempster St. to McCormick Rd., north to Central Rd. and goes into Northfield and west to Wolf Rd. In the 55th House District incumbent Penny Pullen, Republican, ran unopposed Tuesday, and will oppose Democrat Diane Burgess Shaefler, also of Park Ridge. The 55th

Kustra attributes victory to superior organization

Kustra upsets Nimrod in primary race

by Bob Besser

Veteran Senator John Nimrod (R-Glenview) defeated himself Tuesday night as challenger State Rep. Bob Kustra (R-Glenview) scored an impressive primary victory capturing some 50 per cent of the vote.

As of 9:30 p.m., with over 150 precincts reporting, Kustra was leading with 5,211 votes to Nimrod's 3,794.

Kustra supporters unanimously agreed his victory over the ten year veteran of the State Senate was due not only to the flood of bad press Nimrod received but to the superior organization and funding of the Kustra campaign.

From the Left Hand

by Bud Besser

You get involved in an emotional issue in these communities and you're going to run up against some very strange characters.

Many years ago Niles was bombarded by large groups of people who were opposed to the open housing laws being enforced. At a meeting in the upstairs room of the Public Works building, the natives tried to bar the open meeting to a local priest. They took a vote before allowing him to be present. During the same period a sweet little old grandmother was frothing a bit over the same issue. From the rear of the village hall she interrupted a similar meeting with loud cries of S.O.B.'s everytime she didn't like what she was hearing. At the same time a local minister, with strong racial feelings, brought to the meeting several out-of-towners whose indignations were aimed at foiling the open-housing laws that became the law of the land.

Recently, we received a letter-to-the-editor from a group called Seize-A-Gun/Save-A-Life. It was signed by an Art Kwyzleng. One of the Bugle editors checked out the letter and found there was no such organization, no Art Kwyzleng and a psychiatric hospital at the signed address. Another local paper published the letter. We quoted Morton Grove officials as being critical of the newspaper for having been so negligent in publishing the letter without checking its source. Subsequently, little old Samantha Wig-

Black campaign in high gear

Louis Black, of Skokie, Democratic candidate for State Senator, 28th District, has not let any moss grow under his feet while waiting to find out who his opponent will be in the November election.

"Why should I?" he asks. "What people have to realize is that the new 28th District is not the old 4th District. It is winnable by a Democrat."

Richard Smith of Skokie, Black's campaign chairman, concurs. He reports that a survey has been conducted which indicates that the new 28th District is 51% Democrat.

Smith gave the results of the survey first at a dinner, March 3 in Skokie, kicking-off Black's campaign. The audience cheered.

The dinner was chaired by Donald Lyons, Skokie attorney. It was sponsored by ten good friends of the candidate, who delivered ten tables of ten to the \$100 a plate dinner.

On hand for the festivities were Calvin Sutker, Niles Township Democratic Committeeman; Mayor Nicholas Blase of Niles who is also Maine Township Democratic Committeeman; Mayor Richard Flickinger of Morton Grove; Skokie Trustee Robert Fritzzhall, and Thomas

He was at Maine South High School in Park Ridge to participate in that school's Government-Internship program, which recruits students to take part in local election campaigns. He attended a candidates'

Although unopposed in the March 16 primary, Black presented his case to the Niles Township Democratic Organization, the Maine Township Democratic Organization, and the New Trier Democratic Organization.

Frank A. Pastore was arrested as he left the savings and loan walkup facility wearing a hood and carrying a gun and bag containing \$9,700 in cash. Morton Grove Deputy Police Chief Jerry Rossler said Pastore was charged with armed robbery and armed violence. It was the second time in the past three months that the Morton Grove office of Niles Savings and Loan had been robbed.

A committee has recommended to the Board of Park Ridge Elementary School District 64 that it close Emerson Junior High School, 8101 Cumberland, Niles in 1984-85. The district, which at one time had 12 schools including an elementary school and Emerson Junior High in Niles, would have no schools left in Niles if the recommendation is approved. The board is not expected to act on the recommendation until May of 1983. District 64 residents have also told the board that more cost-saving policies will have to be implemented into the district. Petitions bearing 8,459 signatures sought to have the district abate a portion of its tax levy by the March 20 deadline for tax abatements.

State Rep. Aaron Jaffe (D-Skokie) plans to hold a Thursday (March 18) press conference to condemn Governor James Thompson's elimination of funding for the state Rape Victims Emergency Treatment Act. The act, sponsored by Jaffe, allowed for the emergency hospital treatment for rape victims and for the collection of evidence used in the prosecution of rapists. The act called for the state to reimburse hospitals when victims had no hospitalization insurance. Though the law remains intact, Thompson has decided to cut off funding for it in the 1983 Illinois budget he recently submitted.

Congressman John Porter is crying foul over rules which he claims will "gag" suburbs participating in hearings on the proposed extension of O'Hare International Airport. The City of Chicago hearings, scheduled for Thursday (March 18), will discuss the impact the proposed extension will have on nearby suburbs. Committee rules limit testimony to five minutes for each participant which will result in the suburbs being unable to allow experts on noise pollution to testify.

Niles Twp. high school educational fund increase defeated by 2-1 margin. Caucus backs Allen, Grolnick and Nidetz in school district 63, Makela and McNair in district 207. Brebeuf figures contend local elementary school districts are saved \$1,000,000 by their students attending parochial rather than public schools. East Maine district 63 enrollment increases from 883 to 7,000 from 1955 to 1970. Niles 15 year old honor student found dead in alley with .38 caliber revolver alongside his body. The new Congressional map which divides Niles into three Congressional districts could result in the village receiving additional federal monies according to Niles Mayor Nicholas Blase.

The recently adopted legislative map took Niles out of the 10th Congressional District and placed the community in the 8th, 9th and 11th Congressional Districts. Residents living north of Dempster st. will be represented by 9th District Congressman Sidney Yates. Nilesites living in the northwest corner of the community will be in the 6th District represented by Congressman Henry Hyde.

Those Niles residents living south of Dempster st. will be in the 8th District represented by Congressman Frank Annunzio.

Blase said the village should benefit from the different areas of experience of Yates and Annunzio. He noted, "Annunzio is very much involved in community development money which could be very helpful to us." Blase said the federally issued community development money is only allocated to communities with populations of over 50,000 residents. While this population rule has, in the past, prevented

Niles from receiving this funding, a larger community, such as Des Plaines, was receiving between \$100,000 and \$200,000 for community projects from federal community development money in past years. Referring to Annunzio, Blase said, "With a congressman on the inside we'll be able to get our share of the federal money."

Blase added he would hope the community development money could be used to help pay for a planned improvement to the north Milwaukee ave. entrance to Niles. Blase said he expects the plan would cost up to \$400,000 to implement.

Describing what residents should expect from Yates, Blase said, "Yates has been very strong in environmental areas and on the Appropriations Committee. When revenue sharing funds are available to us, we should be able to look to him for support."

Referring to Yates and Annunzio, Blase said residents should expect both to be responsive to local needs. "Both of them are very concerned that they do everything they can for us." Blase added that "neither of

LABOR BUDGET CUTS

The National Council on Aging reports that the successful Title Five Older Americans Act is slated to be phased out as early as October 1, 1982 under a plan proposed by Secretary of Labor Donovan.

The Village of Morton Grove uses two of these older workers in their Senior Outreach Program. These workers visit each senior resident and inform them of discounts, benefits, and services available to them. These services allow senior citizens to remain at home and not being forced to enter a high priced-low service nursing or retirement home.

The Labor Department will ask for zero funds for Title Five in fiscal year 1983 and proposes to combine migrants, native Americans, and older persons into a block grant with total funding of \$200 million of which \$110 million would have to be used for older persons. In 1982 Title Five received \$277 million alone in funding.

*Wear shoes that fit well - snug, but not tight. To help assure dryness, change to a different pair each day. Keep your shoes in good repair.

*Keep your toenails trimmed neatly, straight across and even with the toes. File sharp edges with emery board - be sure not to dig under the toenail or around the cuticle.

*Avoid wearing anything right around your legs or ankles that might in any way reduce the blood supply to your feet.

Morton Grove senior citizens (age 65 and over) can take advantage of a new foot-care program developed by the Morton Grove Advisory Commission on Aging in cooperation with Dr. Lawrence M. Park Ridge woman accepts award for disabled projects

At the Year-End Conference of the State of Illinois International Year of Disabled Persons (IYDP) held Friday and Saturday, March 5 and 6, at McCormick Inn, Donna Anderson, Park Ridge, received a special recognition award for the work done by the Illinois District of the American Lutheran Church on behalf of the disabled during 1981.

Forty nominations for awards in various areas of service to the disabled such as Communities, Housing, Media, Recreation, Transportation, Legislators, Education, Corporations, Prevention, Labor Organizations, as well as Special Projects, resulted in seven special awards to those organizations who had accomplished the most toward achieving full participation of individuals with disabilities. Maine East High School also received a Certificate of Appreciation as the school that had accomplished the most.

Anderson has served as a member of a steering committee for the Illinois IYDP, and has been on a similar board for the Illinois District of the American Lutheran Church. She, herself, is a disabled person, confined to a wheelchair following an automobile accident some years ago. Her home church, Messiah Lutheran Church, 1605 Vernon, Park Ridge, has implemented some of her suggestions to aid and welcome the disabled. It now

has wheelchair ramps at two entrances, a washroom to accommodate wheelchairs, and parking spaces marked for the disabled. More remodeling to meet various needs of the disabled are planned for the near future. These results as well as others worked throughout the state were described in the report from the American Lutheran Church Illinois District office in Park Ridge. Anderson accepted the Certificate of Appreciation on behalf of Bishop Elmer Osterbur, president of the Illinois District.

Governor James R. Thompson called upon the conference to be not only a "wrap-up", but an integral step in carrying IYDP beyond 1981.

Katie Doyle, a registered dietitian and coordinator of Nutritional Services at Holy Family, will talk on this subject.
- Physical fitness, including the essentials of a good exercise program. Commonly believed myths, such as the danger of masculine muscles in women doing strenuous exercises, will be

SJB cagers win Northwest Catholic Conference

St. John Brebeuf went on the road to beat St. Edward 51 to 8. The gold unit shot 61% and won their mini game 39 to 2; the black unit also won their mini game 12 to 6. The victory was the team's 11th without a loss in the Northwest Catholic Conference. St. Edward has failed to win in ten outings.

The official stats indicated that Krista Eshoo was the leading scorer, with fourteen points and she had five assists. Other scorers were Eileen McAuley with nine points; Cathy Bratek and Janet Rzeplia with eight points each. Kathy Lake tallied six; Kris Gotshall had three points and Shelley Giovannelli scored a basket. Jennifer Stevens sank a free throw attempt. Karen Beertink played a good game but was unable to score.

SJB concluded their play in the conference with a 41 to 24 victory over St. Ferdinand. SJB repeats as league champs with a 12 and 0 record. The conference scoring statistics issued by the school's sports information department indicated that the top three scorers in the conference were from SJB. Krista Eshoo led the

league with her 11.6 ppg average. Janet Rzeplia followed with 6.8 and Cathy Bratek was a close third with her 6.4 average.

In the conference finale Krista Eshoo scored twenty points, which tied her career high. For the last three games, she has shot 55% from the field. Kris Gotshall played an excellent game and scored six.

The game stats as compiled by Jim Gotshall indicated that Cathy Bratek, Janet Rzeplia and Eileen McAuley each scored four points. After the game Eileen McAuley was so proud of her first blocked shot of her career. Linda Strauss added three points.

Karen Beertink and Jennifer Stevens, while not scoring, did play excellent defense. The coaching staff feels that if defense is stressed first then the offensive prowess and points will automatically follow. Other coaches and game officials are quick to point out and praise SJB's scoring machine but they are equally impressed with the defensive abilities of each member of the 7th grade squad.

Area Gymnasts score in Big Ten

In a tightly contested Big Ten Gymnastics Championship held at Madison, Wisconsin last weekend, the Golden Gophers of Minnesota scored a decisive 274.95 to win. Hot on their heels were the Illini and the Iowa Hawkeyes with identical scores of 274.90. Star of the meet was Minnesota's home-grown Brian Meeker who posted and all-around score of 114.15.

Several Chicago area gymnasts scored well for their teams. Leading this group was Joey Ray

of Maine East, the 1979 Illinois State Champion, who took second in all-around with 110.25 to help the Gophers to their win. Kelly Crumley of Addison Trail, the 1978 Illinois State Champion led the Hawkeyes with a fourth place all-around score of 108.70.

In individual finals Ray placed first in parallel bars (9.50) second in high bar (9.60) and seventh in floor exercise. Kelly Crumley placed fourth in floor exercise (9.45) sixth in high bar (9.05) and seventh in still rings (9.10). Joe Leo of York and Iowa and Joe Ledvora of Niles North and Illinois tied for third in pommel horse (9.60).

Maine East's Greenberg qualifies for State

Out of the highly competitive Niles West Sectional, only one gymnast from Maine East qualified for the State Gymnastics Meet - Sr. Captain Lori Greenberg. Greenberg scored an 8.95 on her 1/2 full vault, giving her 4th place in the Sectional Meet. Teammate Christi Schachte scored an 8.85 in Vaulting, but missed qualifying at large for State by .05. Coach Betty Axelson was excited for Greenberg, "since it's her last year and she certainly deserves to be in the State Meet. She's worked extremely hard for four years, and will be one of the very few kids in the State Meet who is truly a high school gymnast with no prior club or competitive experience."

In All-Around competition at the Sectional Qualifying Meet, Maine East gymnasts decided to throw their big tricks, rather than watering down routines, therefore sacrificing their all-around totals. Soph. Christi Schachte, District All-Around champion, threw her more difficult tricks on bars and beam, and due to a couple of falls, scored only an 8.22 and compared to her 8.5 All-Around average from Districts. Schachte was pleased that her new 1/2 vault scored so well at the Sectionals - 8.85 which gave her a 7th place in the meet, but just fell short of an at-large qualifying berth for State.

Greenberg's scores in the All-Around competition improved slightly, as she scored 8.16 average, compared to 8.12 at the District. Greenberg had a fall on her Yanz front somersault on the

score of the season. And freshman Agnes Bondarowicz hit a clean, well-performed floor routine to score an 8.0. The one Demon gymnast Maine East sorely missed was Sr. Co-Captain Patti Lehman. Lehman did not compete due to a late-season injury. Coach Axelson sympathized with Patti, since it was her last crack at the State Meet

Peerless Federal sends message to customers and neighbors

We, at Peerless Federal Savings, are distressed with all the news media coverage of the Savings and Loan Industry. At the same time, very little news media coverage is given to the Banking Industry, who have also been having problems.

Because of the news media coverage, some people are concerned about the safety of their deposits. For your information, we would like to take this opportunity to set out some pertinent facts.

The Federal Savings and Loan Insurance Corporation (FSLIC) is a Federal Government Agency created by the U.S. Congress, guaranteeing savings deposits a maximum of \$100,000.00. In fact, during the last 12 years only one small savings and loan association has actually "folded."

Peerless Federal Savings is a very conservatively-run financial institution. Founded in 1928, we have been consistently profitable over the years (through fiscal year ending June 30, 1980), and have built up a net worth or surplus which, at the present time, is

greater than the requirements set by the Federal Home Loan Bank Board regulations.

However, since April of 1980, high interest rates (in our opinion, principally caused by many years of high U.S. Government borrowings and budget deficits) and previous Government regulations have caused savings and loans, as well as medium and small banks, to find it most difficult to be profitable.

For many decades, Federal regulations required us to invest 80% of our deposits in mortgages or single family homes. Until the last few years, the State of Illinois had a usury law forcing us to keep a ceiling on the percentage of interest we could charge our mortgage customers. Now that the Federal Government regulators have raised the interest rates, we have to pay more to depositors, while at the same time, under the former usury law, our Illinois associations are "stuck" with billions of dollars in mortgages paying 6%, 7%, 8% and 9%.

The previous actions of the Federal and State regulators have

been the major cause of today's problems, wherein very few people can afford to buy a home and the Savings and Loan Industry has been experiencing considerable difficulty in realizing a profit.

It seems to us that, because the Federal and State regulators have been the main cause for our present predicament, they should lend every effort to remedy the situation. Even though the Savings and Loan Industry was unprofitable last year, the industry net worth stands at \$27 billion, which is sufficient to protect depositors and institutions for quite some time.

For the last two years, our industry has felt we did not need any Federal assistance. NOW, we feel that the Federal Government must take some action. We, here at Peerless Federal, will continue to run a conservative, frugal organization, and will continue to do everything necessary to protect our deposits.

Sincerely,
Timothy P. Sheehan, President
Eugene J. Rudnik, Jr., Executive Vice President

Skokie Federal to merge with Lake Forest Savings

Skokie Federal president John R. O'Connell announced an application for merger between the \$500 million northern suburban association and \$45 million Lake Forest Savings has been filed with the Federal Home Loan Bank Board.

O'Connell stated Lake Forest will operate under the Skokie Federal banner with both stock associations benefiting from the resulting economies of scale. "It's a logical extension of our branching network. Lake Forest has always been a strong, well managed institution and our

substantial resources will enable it to even better serve area savers," continued O'Connell. Thomas Olson, President of the Lake Forest institution stated the merger is subject to receipt of regulatory approvals and until such time normal business procedures will continue.

With the anticipated acquisition, Skokie Federal will have 10 branches in the north and northwest Chicago suburban areas with total assets of \$550 million, ranking it among the nation's 5% largest.

Holy Family outlines expansion plans

Holy Family Hospital has submitted a letter of intent to file a Certificate of Need application with the State Health Facilities Planning Board for the modernization/expansion of existing facilities and the addition and replacement of beds.

The letter of intent, submitted December 29, will be followed by a Certificate of Need application currently being prepared for filing early in February 1982. The State has final review and approval of the Certificate.

The project includes the conversion of 26 pediatric beds to Medical/Surgical; 10 Intensive Care/Coronary Care; and 4 Obstetrics/Gynecology. This would bring Holy Family's bed capacity from 246 to 338.

A new building will be constructed on the east side of the present hospital facing River rd. to house the new beds and to relieve space problems in the main hospital.

The project includes the relocation of 60 existing beds to the new building. This will reduce the size of each nursing unit to 30 beds making nurses more accessible to patient rooms and eliminating the three and four-bed wards. The number of single rooms will be increased. To meet current and future needs, ancillary and support services departments will be modernized and expanded.

Total cost of the project is \$40,725,001, including construction, and renovation of facilities, equipment and furniture. An estimated 40 percent of the project's cost will be through non-debt financing and a projected 10 percent financed through a major fund raising campaign. To finance the remaining 50 percent, Holy Family will seek the issuance of tax exempt bonds by the City of Des Plaines.

Marillac to perform "Tom Sawyer"

Marillac students are currently in rehearsal for the school's upcoming production of "Tom Sawyer." The light-hearted drama is a theatrical adaptation of Mark Twain's famous novel, "The Adventures of Tom Sawyer", which deals with life on the Mississippi in the 1840's.

The play, which is being sponsored in cooperation with Notre Dame High School, will feature the following students from Marillac: Cathleen Hurley, Elizabeth Schuler, Mary Kay Pasquesi, Donna McCune, Kathleen Dornin, Terry Schelter, Vivian Arias, and Eileen Whalen. Notre Dame cast members include: Jeff Delort, Al Betuzzi, Steven Bischof, Troy Stukowski, Allen Tata, Brian Nopenz, John Fuller, Tom Penkala, Martin Gonzalez, Patrick McAndrew, Jim Hurdrieser, Lou Metallo, John Herbert and John Prekzese. The play is under the direction of Mrs. Mary Crawford, assisted by students Rachel Durkin and Carmela Gonzalez.

Public performances are scheduled for April 1-4. Additional Marillac has invited local elementary schools to two special performances which will be held April 1. All shows will be held in Marillac's theater.

Northwest Symphony to feature violinist

The Northwest Symphony Orchestra, under the direction of Perry Crafton, will hold the third concert of its 1981-82 season on Sunday, March 21, at 3:30 p.m. at the Maine West Auditorium, 1755 S. Wolf rd., Des Plaines.

Mr. Crafton and the orchestra will open the program with selection from "A Midsummer Night's Dream" by Mendelssohn: the Overture, Nocturne, Scherzo and Wedding March. This orchestral suite captures the essence of the Shakespeare play while transporting us into a magic world of fairies.

Next, Ronald Sattkiewicz (pictured) of Evanston, and the orchestra will present the Violin Concerto No. 1 in F Sharp Minor by Henri Wieniawski. Organized into three movements, this romantic work contains many florid passages and lush melodies. The Polish-born composer, himself a very famous virtuoso violinist, wrote music especially challenging to the artist's technical dexterity.

The concert will close with the most famous of Beethoven's symphonies: the Symphony No. 5 in C Minor. There is one trait that the C Minor Symphony has beyond every other, and that is the quality of epic valor.

Tickets for the remaining two concerts: \$6.00 per person; single tickets, \$4.00 for adults and \$2.00 for senior citizens and students may be reserved by calling Vicki Steinbach, 823-2611. Children under 12, accompanied by an adult, will be admitted free of charge. Tickets will be available at the door.

Leaning Tower YMCA Day Camp

Early registration indicates that the Leaning Tower YMCA Day Camp is again a popular choice of children and parents for a fun and enriching summer experience. Parents may sign up their 6-11 yr. old children for up to four two-week sessions which run as follows: June 21-July 3, July 6-16, July 19-30, August 2-13.

The Day Camp meets Monday thru Friday from 9 a.m. to 3:30 p.m., using both the Bunker Hill Forest Preserve on Touhy and Caldwell and the YMCA facilities as activity areas. The campers enjoy a 45 minute daily swim in the 'Y' indoor pool and use the gym for games and other recreational activities. Outdoor activities include games, hikes, special events and weekly cookouts. Every Monday the campers are off for a full day adventure to places such as Phil's

Beach in Wauconda and Brookfield Zoo.

The reasonable camp fee includes bus transportation to and from camp for campers in the Leaning Tower Service area, fieldtrip transportation and fees, milk for lunches, accident insurance and a camp t-shirt. Working parents of campers who need expanded supervised hours may enroll their children in the Working Parents' Special for a small additional fee. Those campers may be dropped off at the 'Y' at 7:30 a.m. and picked up at 5:30 p.m.

Early registration is recommended as campers are accepted according to age groupings for each camp session. Registration may be completed at the Leaning Tower YMCA, 6300 W. Touhy in Niles between 9 a.m. and 9 p.m., Monday thru Saturday. For more information, call: 647-8222.

Morton Grove Junior High Forensics Tournament library news

"Be In the Know About Art Nouveau" will be presented by Lee Gibbs at the Morton Grove Public Library on Thursday, March 25 at 7:30 p.m. This unique program is a nostalgic look at the exotic style of art that flourished at the turn of the century. Art Nouveau used flowers, plants, and peacocks and was wonderfully creative. Among its manifestations were Tiffany lamps, ornate jewelry, and Toulouse-Lautrec posters.

Artist-Lecturer Gibbs is a member of the Chicago Convention and Tourism Bureau and presents a most enjoyable program. Everyone is invited to come, free of charge.

The third session of the investment seminar "Everything You Always Wanted to Know About Investments, But Were Afraid to Ask", presented at the Morton Grove Library by A.G. Edwards & Sons, will be held on Wed. March 24 at 7:30.

Mr. Barry Mendelson will speak on the basics on financial planning, retirement plans, and tax-savers for 1982. Admission is free.

gins sent The Bugle a letter commending Morton Grove officials for their "heroic actions" in passing gun legislation. She also commended The Bugle for its "supportive articles." Now, we've received a second letter from little old Samantha Wiggins confessing she set us up. She contends there is no Samantha Wiggins and the address she used is a parking lot only a few blocks from our office. She accused us of being highly critical of letters which speak out against our point of view. She contends letters of praise and agreement we receive we consider sincere and legitimate and then she let's us have it. "You are hypocrites" and "Now I know you are a fraud, and who else knows it, is for you to wonder about." Little old Samantha then signs the letter "Goodbye forever, Samantha Wiggins".

Now who out there is Samantha Wiggins? Through the years The Bugle has stepped on quite a few toes. But since the letter concerns the highly controversial gun laws in Morton Grove, it's likely Samantha resides in M.G. But who in dear old M.G. have we of-

fended? We've been very quiet in the recent past about school issues so it isn't some school biddy we used to encounter.

First of all, we have a hunch we know the rightful name of Samantha. We think she has very strong feelings about the gun law, and we also have a hunch she has a definite sympathy for the newspaper which was criticized for running the initial letter. Contrary to her sign-off, "Goodbye forever", we believe she's out there among the public whom we bump into with regularity.

But why would Samantha want to make us look bad? If she commiserated with the problems of newspapering, we would think she would have applauded our efforts in stopping a phony letter from being published. But we get the impression she empathized with the newspaper people who didn't do their job by checking an anonymous letter.

She takes us to task for publishing a phony letter praising the Morton Grove trustees. She equates her simple letter of praise with the rather serious Seize-A-Gun/Save-A-Life letter

equally. The volatile Seize-A-Gun letter could have caused serious repercussions. The innocuous letter of praise harmed no one.

All newspapers receive dozens of "Thank you" letters and letters of commendation which are published in a routine fashion. It is doubtful any local editor checks them. But when a letter signed by a Mr. Kwyzleng (Quisling), which implies the letter-writer is a traitor; it seems obvious it demands closer examination.

We really don't want to give a Mike Royko reply to Samantha. Anonymous letter-writers have never commanded much respect. It's sort of cowardly to write nasty letters and not identify one's self. It's like anonymous phone calls where the frustrated caller can attack while hiding behind the blank wall of the distance of a phone call.

Little old Samantha Wiggins is neither little nor old. But her plight is sad. The next time we see her, we'll give her a smile. We really think she needs one.

Kustra-Nimrod

Maine Township Republican Committeeman Phil Raffie noted a "big anti-(Nimrod) feeling" among Republican voters.

Kustra campaign chairman Carol Gatsen said area voters were put off by Nimrod's staging the same type of campaign as in past years "to distort the views and smear his opponent." Gatsen said as late as election day, area Republicans were receiving campaign letters from Nimrod accusing Kustra of a wide range of charges.

During an earlier interview with The Bugle, Nimrod had accused Kustra of supporting homosexual rights, being in favor of licensing churches and supporting school busing to achieve racial integration. Kustra supporters noted Nimrod had used the same charges during the 1980 primary campaign when he ran against Congressman John Porter for the Republican Congressional nomination.

Immediately following the 7 p.m. closing of the polls, a steady stream of runners began bringing precinct tallies to the Des Plaines Kustra headquarters. An immediate pattern developed showing Kustra leading, often slightly, in most precincts. Of particular surprise to observers was Kustra's strong showing in Park Ridge which had been a Nimrod stronghold.

In a victory speech delivered to some 200 supporters at 9:15 p.m., Kustra noted his victory was a "precinct captains' victory" referring to the large number of volunteers working for him.

Noting that people volunteered to work on his campaign "from all places on the political spectrum", Kustra said, "I don't remember when a broader based coalition put together a victory."

Noting he offered Republican voters "a more moderate approach" than did Nimrod, Kustra added, "the voters have decided on the kind of candidate they want to represent them."

The Nimrod campaign was devastated by continual press reports regarding his personal finances. Early in the campaign it was reported Nimrod was one of 200 state employees who had not filed state income tax returns for 1979 and 1980. While Nimrod denied the accusation and provided photo copies of the

returns, he did not offer canceled checks as proof he had paid taxes during those years.

Next came charges that Nimrod was being sued by creditors for unpaid bills. Among the creditors were Playboy Clubs International, I. Magnin, Saks Fifth Avenue and the American Express Company. This may have been particularly damaging to his campaign as Nimrod had long labeled himself a fiscal conservative when handling state money, yet suddenly did not seem as conservative with his personal finances.

Lastly came charges that Nimrod was among the most well traveled senators in the Senate chalking up a \$35,000 bill in recent years paid for by the State. Nimrod is active in numerous national legislative organizations and frequently attended their meetings and conferences.

Following these charges came the unanimous newspaper endorsements of his opponent, Bob Kustra. In the Chicago Tribune and Chicago Sun-Times as well as all community newspapers which endorse candidates, the ten year veteran, Nimrod was unable to muster even one endorsement.

Refusing to speak to reporters in his Park Ridge office until nearly midnight, a clearly demoralized Nimrod implied that special interest groups elected Kustra. Nimrod said, "When you end up with a Republican vote that's 10 to 12 per cent of the vote...any group that can put together a campaign will have an impact on that campaign."

"The Republicans stayed home in great numbers," said Nimrod, "and there has to be reasons for that."

Defending his wide range of charges against Kustra, Nimrod said, "What I used (against Kustra) were facts."

Still contending that Kustra "is unrepresentative of the district", Nimrod said, "he is going to have a great deal of difficulty trying to piece together his own campaign."

Kustra will face Democratic challenger Lou Black, Clerk of Niles Township, the unopposed winner of the Democratic nomination for State Senate.

Commenting on the Nimrod loss, Maine Township Republican Assessor Roy Bergquist said, "You make enemies and you make friends and if you stay around long enough, your enemies catch up with your friends and you lose."

However, most political observers were in agreement Tuesday night that in Nimrod's losing his seemingly life-time job, the only enemy that brought him down was State Senator John Nimrod.

strong two-party system in the Niles Township and a strong Republican Party. She welcomed anybody who would like to help her in building a strong Party.

Kearney, the beleaguered committeeman who was ruled off the ballot because the court ruled he lived outside the township, accepted defeat very blithely. He said he was disappointed but expected to lose. He thought a few hundred write-ins was not too bad but he had more confidence in write-ins than the figures justified. He said he will stay active in the Party. He added the political job is just like a hobby. He said losing the election is not like losing your livelihood. Kearney emphasized, "you take your best shot and that's the best you can do."
