OCC summer enrollment up 10%

by Susan Glowienke
Summer enrollment is up 10% reports president Dr. Koehnline at the Oakton Community College Board Meeting Tuesday, June 15. Furthermore, 1,878 students have already registered for fall classes, a significant increase over figures last year.

In other actions, electrical workers who were on strike at the college settled their differences Tuesday, June 15 at 11 a.m. and will return to work. The one day strike resulted when Oakton used

non-union workmen to do electrical work at the Des Plaines campus.

The board approved expenditures for new equipment at this meeting. OCC will acquire a 3375 disk data processing unit at the cost of \$14,000 per year for the next five years. The new system will increase the data transfer rate by 55%, and thus yield a higher capacity level for students. Electronic equipment will be bought from Joseph Electronics for \$12,610 that will update

Oakton's VO Tech Program. New word processing equipment will be obtained from Wang Laboratories in Chicago. This equipment will supplement and coordinate with the present equipment in the Office Systems Technology lab in the Skokie branch to accommodate students during classes and labs. Biology laboratory specimens were also purchased from Carolina Biological Supply Co. for \$5,376. The board authorized the Free

VOL. 24, NO. 1, THE BUGLE, THURSDAY, JUNE 17, 1982

From the Left Hand

by Bud Besser

We received a news release this past week from one of the local clubs in the community. It was a standard release which included the name of the group and mentioned its doings on a particular day. What was not standard procedure was it was mailed in a Village of Niles envelope which isn't any big deal. But the 20 cent metered stamp included the number 972972. It's the village post office meter number. And unfortunately, the chairman of the group's activity is the same as the village employee whose department the letter was mailed from.

The placing of a personal news release in a village envelope makes it eligible for the village postal meter. Taxpayers were given the privilege of footing the bill for the private organization.

Are we making much ado about nothing? If 3 or 4 releases were mailed the same way we may be writing about a taxpayer's expenditure of 80¢ for the private group. But if the practice is a common one taxpayers could be footing bills which amount to many taxpayers' dollars.

Village Manager Ken Scheel told us the mailing was "stupid". It's likely such a silly misappropriation will not occur again. Scheel's one word comment belies the irritation behind it. And Nick Blase doesn't like such an obvious "goof" to become public.

Niles food handlers notified of TB testing

by Diane Miller

All Niles restaurants, food stores and company and nursing home cafeterias were notified by the Village of Niles last week that the village intends to enforce a law which has been on the books since March of 1962. The law states that it is mandatory that all persons employed in food handling or the preparation of food shall have proof that they are free of tuberculosis. This proof must be available during on-sight inspections of the businesses by village health inspectors.

Niles Health Inspector Nick Constantino told The Bugle that Tuberculin scratch tests will be required for cooks, waitresses, waiters, bus boys, counterper-

Reminder to purchase garage sales license

The peak time for garage sales is approaching. The Village of Niles wishes to remind residents that a garage sale license must be purchased and displayed in order to conduct a garage sale or other similar sale. Only one such sale may be held within a 12 month period. The permitted days and hours are Friday, Saturday and Sunday from 9:00 a.m. to 6:00 p.m.

Licenses may be obtained Monday through Friday from 8:30 p.m. to 5:00 p.m. at the Village Administration Building, 7601 Milwaukee ave. For further information call George Nowak, License Officer at 967-6100.

Beer drinking parties a nightly occurrence

Niles Parks: "Taverns on the Green"

Beer drinking in Niles parks has become a major problem being dealt with nightly by Niles Park District security patrols, according to Niles Park District Commissioner Jim Pierski. Reporting during Monday night's Niles Park Board meeting Pierski said that while patrolling Niles parks, security officers have to break up groups of Niles

youths drinking in the parks. Pierski told board members that "beer drinking parties, are turning Niles parks into taverns..."

Pierski said the nightly patrol logs list continual confrontations between security officers and Niles youths drinking in parks. In some cases, according to Pierski, park security officers have

Antique Club's Flea Market

Members of the Old Things Antique Club of Park Ridge with some of the items to be sold at the group's eighth annual flea market to be held from 9 a.m. to 3 p.m. Saturday, June 19, in Hodges Park. From left are Shirley Ullman, Judy Zobel, Sylvia Hohoff, Kay Freundt, the group's president; Joan Bakker and Dick Bakker.

The eighth annual flea market of the Old Things Antique Club of Park Ridge will be held from 9 a.m. to 3 p.m. Saturday, June 19, in Hodges Park, uptown Park Ridge.

Antiques, collectibles, white elephants, used household items, books and junkie will be offered for sale by the club's members.

Their wide variety of interests ranges from primitives, glassware, china, pottery, prints and furniture to such modern collectibles as commemorative plates and Beam bottles, and they are happy to share their knowledge.

Virtually anything new or old is sold at flea markets, but at the Old Things market the emphasis

is on items of antiquarian value. This gives people interested in these items an opportunity to look, learn and perhaps buy an underpriced treasure in a market fair atmosphere.

The club's members are from Park Ridge and many surrounding communities. They meet to hear presentations and share information about the many aspects of collecting.

In the past the group has contributed furnishings to the Park Ridge, Historical Society and books on antiques to the Park Ridge Library. The club now makes annual cash contributions to each.

Rain date for the flea market is the following Saturday, June 26.

Secretary of State's mobile unit at Trident

The office of Secretary of State Jim Edgar's mobile photo I.D. program, in cooperation with the Niles Senior Citizen services will be stationed at 8060 Oakton ave. in Niles, on Friday, June 18.

The time schedule for this program is 9:30 a.m. to 2:30 p.m. when applications will be taken from citizens. Pictures will be taken at this time and the photo I.D. cards will be issued.

The I.D. cards will aid non-drivers in check cashing, establishing credit and proof of age where needed.

Three documents must be furnished for proof of identity and verification of age. A birth certificate, insurance policy, baptismal record, social security card, voters registration card and medicare card are acceptable.

There is a fee of \$4 for anyone under the age of 65 years, and no fee for those 65 and over.

For further information, contact Joe Pantaleo, 282-4000 ext. 280 at the Office of the Secretary of State, 5401 N. Elston ave., Chicago, IL 60630.

New piano teaching method offered

Karnes Music Company in Des Plaines will be offering a presentation for piano teachers on June 17. A new teaching method entitled "The Medley way for piano" will be presented by authors Bill and Pat Medley.

"The Medley way for piano" is a traditional course with contemporary appeal. The inter-related books offer a highly organized approach to piano study, giving a balance of repertoire, technique study, and music theory.

The Medleys bring to their writing 20 years experience as concert duo-pianists and teachers. The musical content of the series gives evidence of their stature as musicians and as experienced teachers who understand very well how children learn.

No fee is required and all area piano teachers are invited to attend. The presentation will be held from 9 a.m. to noon. Any interested teachers should contact Mary Rasmussen at 766-9320.

Skokie Federal and Home Federal apply to merge

Skokie Federal Savings and Home Federal Savings of Lake County have filed an application for merger with the Federal Home Loan Bank Board to form a \$650 million North Shore institution with 14 offices.

The Skokie Federal name will be retained and regulatory approval is expected by mid-June.

John R. O'Connell, president of Skokie Federal, said the voluntary merger was dictated by the economies of scale that could be achieved by a larger institution.

Officials of both institutions said no employees would be terminated and no office closed.

Normal business hours and procedures will continue pending merger approval by the FHLBB.

Skokie Federal currently has assets of \$530 million with ten offices and Home Federal approaches \$120 million with four offices.

President O'Connell also stated that the application for merger between Skokie Federal and Lake Forest Savings had been withdrawn by mutual consent of both institutions and have requested that the Federal Home Loan Bank take no further action on this application.

Edison sees \$1 million a year saving with propane

Commonwealth Edison Company this summer will test about 100 fleet trucks on propane fuel instead of gasoline. If the experiment is successful and the program is expanded, company officials estimate annual fuel savings could approach \$1 million.

Edison Transportation Superintendent William Broadfoot said the test vehicles will operate from the utility's DeKalb, Streator, Elgin and Waukegan service districts. Another 500 Edison trucks in other service districts could be converted within 18 months if the initial test succeeds.

Each truck must be modified with new carburetion equipment and fuel tanks. Conversion costs are expected to be about \$1,000 per vehicle, but the utility expects to recover its initial cost in less than a year.

"Propane now costs about half as much as gasoline," Broadfoot said, "and some of our vehicles should have enough to repay their conversion costs in as little as four months."

Northern Propane Gas Company, an InterNorth, Inc., subsidiary headquartered in Omaha, Neb., will install fuel storage tanks and dispensing facilities, and will train Edison mechanics to make engine modifications and maintain the propane-fueled vehicles.

CCH Computax moves to Niles

CCH Computax, Inc., a subsidiary of Commerce Clearing House, Chicago, has leased a 60,000 sq. ft. building at 7401 Oak Park ave. in Niles to accommodate expansion of its Midwest Regional Center operations. The Center, currently located at 5750 N. Tripp in Chicago, will relocate to the northwest suburban facility this summer.

Lease negotiations were handled direct with J. Emil Anderson and Son, Inc., Des Plaines.

Bill outlaws intimidation of racial and religious groups

State Representative Bob Kustra (R-Glen.) announced on June 9 that House Bill 2291, the Ethnic Intimidation Act, passed the Illinois House by a vote of 148 to 5. Kustra co-sponsored the bill which provides criminal sanctions against intimidation of ethnic groups and vandalism of institutional property motivated by ethnic, racial or religious hatred.

"Nothing is more offensive to our assurance of constitutional rights than the actions of some individuals who terrorize others through hatred and intimidation," Kustra said. "We cannot legislate away discrimination or sociopathic behavior. But, we can make sure that those who spread discrimination through fear and destruction are properly punished."

Under the proposal, ethnic intimidation is committed when, "by reason of the race, color, religion, or national origin of another individual or group, a person commits assault, criminal trespass to land or mob action..."

The offense would be a Class A misdemeanor, punishable by up to one year in prison and a \$1,000 fine. Independent of any criminal prosecution, a victim of ethnic intimidation may bring a civil action for damages, injunction or other appropriate relief.

A person would commit institutional vandalism when "by reason of the race, color, religion or national origin of another individual...he knowingly and without consent inflicts damage to: *any church, synagogue or other building used for religious worship. *any school, educational facility or community center. *the grounds adjacent to, and owned or rented by, any institu- Continued on Page 28

OCC Solidarity committee donates Walkathon proceeds

Eva Jastrzebski, chairman of the Oakton Community College Polish Solidarity committee, presents a check for \$1,700 to Roman Pucinski, chairman of the Illinois Division of the Polish-American Congress and Chicago alderman. The money was collected at a 10-mile Walkathon recently sponsored by the OCC Polish Solidarity Committee.

The funds will be channeled through Catholic Charities to purchase food for families of the imprisoned Solidarity leaders in Poland.

Stanislaw Latoszynski (I), a member of the board of directors of the Illinois Division of the Polish-American Congress, attended the presen-

tion ceremony as well as Solidarity Committee members and Oakton administrators, faculty, students and staff.

Marietta Czaplinski, OCC student from Northbrook, who received a watercolor painting, donated by the artist, M. Lewandowski, as a prize for collecting the most pledges in the Walkathon, was also honored at the presentation.

Other members of the OCC Polish Solidarity committee include Joseph Borowski, director of learning resources; William Drezdzon, professor of mathematics; Anita Jason-Walk, health services manager; Alex Kruszal, director of MOW-NACEP; and John Mikulski, professor of biology.

DAR plans benefit garage sale

The Twenty-first Star Chapter, Daughters of the American Revolution, will hold its annual garage sale on Friday, June 18 and Saturday, June 19 from 9 a.m. until 4 p.m. at 1119 S. Home ave., Park Ridge. (No pre-sales.) This event is the Chapter's main fund raising project for the year. The proceeds of the sale are used for partial support of schools maintained by the NSDAR. The National Society has been helping children receive an education since 1903, when it learned that many mountain children living in inaccessible areas had no schooling. The Society maintains two schools: Tamassee DAR School at Tamassee, South Carolina, and Kate Duncan Smith DAR School at Grant, Alabama. The DAR also helps in the education of Indian youth, by contributing financial aid to St. Mary's Episcopal School for Indian Girls in Springfield, South Dakota and contributing scholarships to

Lucky winner at SJB luncheon

Congratulations to Mrs. Jean Walsh of Niles and St. John Brebeuf Parish. Mrs. Walsh was the winner of a La-Z-Boy recliner donated by Walter Smith of Smith and Shanahan Furniture of Chicago and Park Ridge. Mrs. Walsh was delighted to attend the recent "Impressions for a Spring Afternoon." The annual spring luncheon and fashion show is presented by the St. John Brebeuf Catholic Women's Club and was a great seasonal event. The Women's Club is particularly appreciative to Penny Guerrieri, Anita Rinaldi, Jan Skaja and Jeanette Wirkus whose dedicated work contributed so greatly to the enjoyment and fun for all the ladies present.

Bacone College in Muskogee, Oklahoma. Contributions of clothing, books and miscellaneous items that are not sold at the garage sale are sent to the schools to be sold in their re-sale shops, thus providing additional funds.

LETTERS to EDITOR

Jaffe stand on Worker's Comp 'inconsistent'

Dear Editor: In the Spring 1982 newsletter sent to the residents of the 4th District, Representative Jaffe stated (on page 4, point 6) that he was FOR reform of Worker's Comp.

On May 20, 1982, Representative Jaffe voted AGAINST HB2274, Reform to Worker's Comp. (HB2274 was voted "do pass" out of the House Labor Committee, but it failed by only 15 votes. The bill would have allowed credits against W.C. benefits for pre-existing disabilities and would have prevented duplication of employer paid benefits.)

I think the voters in the 4th District are curious. Might we have an answer from the representative prior to November?

Operation Freeze seeks supporters

Dear Editor, At the present time a small but active group in our community, the Morton Grove Nuclear Weapons Freeze Campaign, is looking for informed residents who endorse the call for a halt to the nuclear arms race. The intent of the group is to reduce the possibility of a nuclear holocaust and increase the likelihood of a safe and secure future.

The threat of nuclear war is real and immediate. One U.S. submarine alone, the Poseidon, has the equivalent explosive force of 400 Hiroshima bombs. The race for nuclear superiority becomes mute once both the U.S. and U.S.S.R. have the nuclear capacity to totally devastate each other. We already have the weaponry potential necessary to kill every Russian 7 times. Why do we need more? Why deplete our economy, resources and energies on a war we dare not let happen?

Become informed! Once every citizen is informed there is little doubt that the choice to adopt an immediate, mutual freeze of all further testing, production and deployment of nuclear weapons and of missiles and new aircraft designed primarily to deliver nuclear weapons will be enthusiastically endorsed by all.

Sincerely,
Carol A. Milanich

Doctors Emergency Center to open in Niles

What is a free-standing emergency care center? Thirty years ago, the family doctor was always available to deal with problems which developed suddenly, and for which immediate care was considered necessary. The advent of specialization and the disappearance of the family doctor led to filling the gap, by hospitals opening emergency rooms within the hospital building. These have become cold, impersonal institutions, where costs are high and the wait usually long.

In recent years, the concept of the free-standing emergency center has emerged. The concept provides the immediate treatment of the hospital emergency room and has the advantages of CARE with CONVENIENCE and significantly reduced COSTS to the patient or family.

The first doctor's emergency office center was opened in Arlington Heights in 1979 as a

private medical treatment facility, followed by facilities in Mt. Prospect, Villa Park, Hanover Park, Justice and Downers Grove with an additional number planned for this year, including one in Niles, high quality care is provided for non-life threatening illness and injury. Equipment and staff are also prepared to deal with life threatening emergencies when necessary. Laboratory and x-ray services are available at each facility. A professional staff includes full-time emergency trained physicians. Individual CARE includes a follow-up phone call the next day to inquire as to the patient's well being, to answer any questions which may arise, as well as to give further advice and reassurance.

CONVENIENCE comes in two forms: first, there is easy access, second, a great amount of time is saved. Patients are always seen and treated without an appointment being requested, and in

general, are out of the facility in 20 to 30 minutes. Each center is located near major roads with large free parking areas for patients. All centers are open from 8 a.m. to midnight, 365 days a year. COSTS average one third to one half less than usual emergency room fees. Insurance plans often cover the COSTS for emergency visits.

Also, the occupational health department is geared to solving the medical problems of industry. Services, such as prompt treatment of work related injury and illness, availability of the transport car, which ensures that only the injured employee loses time and that usually the time spent is one hour or less.

Physical examination packages that meet the need of each business or industry can be arranged. They may include required tests such as audiograms, pulmonary function testing, blood surveys and electrocardiograms.

Health and safety programs can be tailored to fit the need of the employer and employee. Nurses with occupational health expertise are available for your consultation.

Establishment of the doctors emergency center is fulfilling the goal of CARE, CONVENIENCE and COST effectiveness needed in medical care today.

NILES POLICE BLOTTER

June 7, a young woman came to the police station and reported she was a prostitute and her pimp threatened her and she feared for her life. Police were investigating prostitution in a motel in the Touhy-Caldwell area and had previously arrested a man in the company of two prostitutes. The woman said there was a .22

revolver in the trunk of a car she parked in a parking lot at a motel on Milwaukee ave. When police opened the trunk of the car they found a revolver in a golf bag. The same man was arrested. The gun was previously reported stolen and the man was charged with theft, in possession of stolen property and unlawful possession of firearms.

June 8, a Niles woman golfing at TAM lost her keys while golfing. After returning with a spare set of keys she returned to her car. Opening the trunk she reported missing a \$125 brown canvas purse, a \$40 yellow golf bag and car and house keys. A special watch was requested for her home until she changed the house locks.

June 8, police towed away a car blocking a driveway in the 8100 block of Oriole ave.

June 8, at 6:45 p.m. in the parking lot, in front of Bennigan's Restaurant on Golf rd. a man was accused and ordered to relinquish his wallet and wristwatch. After being hit in the face by two men he fled to a truck and laid on the horn causing the accosters to run away. The victim refused aid from the fire department but said he would sign a complaint against the man if they were apprehended. A witness described one assailant about 5 foot 10 inches and 220 pounds and the other with dark hair and a mustache. Both men were in their 20's.

Wednesday, June 9, a driver purchased \$12.50 of lead fuel gas from the U.S.A. Petroleum station at 400 Golf Mill. After making payment with a Sears credit card he then went to another pump and filled the same vehicle with \$11 of no lead gasoline and drove off. A witness gave the attendant the car's license number which was different than the one previously given with the charge card.

June 9, police intercepted a man chasing a second man around a car in the 6600 block on Howard st. The first man was waving a baseball bat and finally banged the roof of the car with the weapon. The batter dropped the bat when the police arrived and he was taken to the station.

June 8, an unknown person shot out the photocell spot lights on the south wall of a victim's home in the 9900 block on Glendale ave. Six months ago the lights were also shot out and were replaced 2 weeks ago. A neighbor had complained about the lights 2 weeks ago.

June 11, the foot square window of Yee Yen Chop Suey restaurant in Lawrencewood Shopping Center, was kicked in.

June 10 or 11, an unknown person smashed in 2 plate glass windows in the cash register booth on the Sears gas island in Golf Mill Center. The offender reached inside the booth but the open cash register had no money, it being locked in a safe. Damage to the windows was about \$300.

June 11, a Des Plaines woman, accompanied by a man had her coat stolen by her companion who left her, driving away in another auto. Inside the coat were her car keys. A neighbor picked her up and took her home.

June 11, a Salerno Company employee had a \$355 check stolen from his locker. It was cashed by the Thriftens check cashers in the parking lot. Another employee observed the man who cashed the check. The man in charge of security wanted the incident followed up but the victim refused to sign a complaint.

June 11, a bird valued at \$200 was stolen from a bird cage in the Animal House store, 8219 Golf rd.

June 11, an owner of an apartment building in the 8200 block of Oak st. reported a tenant, an 18 year old young man, was very intoxicated when he and his companion kicked holes in the wall, literally destroying the apartment. The owner said he would talk to the tenant's father regarding restitution and if not satisfied would sign a criminal complaint.

June 11 or 12, the owner of the O'Neil Company, 6626 Milwaukee, reported a front door window 5 1/2 feet by 2 feet was kicked in. He reported he did not believe anything was taken from the building.

June 11, an escort radio detector valued at \$180 was stolen from an auto parked in the 8300 block on Oconto ave. There was damage to the driver's side door.

June 9, a person was charged with retail theft after a security agent for Sears observed a Norelco men's razor, valued at \$54.98, and a child's hat valued at \$3.49, were taken from the store without payment.

Racquetball/Handball summer special

Open Court Special - For the reasonable registration fee of \$30 (junior members) or \$50 (adult members) you may wish to take advantage of our summer open court special. Your registration fee entitles you to your portion of the court fees throughout the months of June-August. Reservations may be made in advance for the first hour of play. Unlimited additional play will be permitted over the counter based on court availability.

The Morton Grove Park District is seeking qualified life guards for Harrier and Oriole Pools. Advanced lifesaving is a requirement. For more information call 965-1200.

The Morton Grove Park District's nursery will be open from 9-1 p.m. Monday through Friday, except for legal holidays. If you are interested in working in the nursery please call 965-1200.

With the Morton Grove July 4th Celebration right around the corner, the July 4th committee has been very busy preparing and finalizing plans. As of June 1, the donation fund had \$5,000 which will cover some of the expenses, according to Richard Grodsky, Superintendent of Recreation. Over \$7,200 is needed for the

celebration to offset the cost of bands, fireworks, horse troops, picnic prizes and much more. If every household in Morton Grove gives just \$1, the celebration would have no financial difficulties.

M & Ms and light sticks will be sold in an effort to raise the needed funds. Remember the celebration will take place on Sunday, July 4. The parade begins at 1:30 p.m. If you wish to make a tax deductible contribution please call the park district at 965-1200.

Sign-up for Morton Grove Park District's swimming pool programs. This year's pool fees have not been increased to help with the battle of inflation. Pool activities include lessons for preschool through adults, advanced lifesaving, basic rescue and water safety, swim team, water ballet, diving team and many special events. On Sundays from 10-12 noon family swim will allow floatation devices brought into the pool. The fee for this is \$1 for adults and .50 for children.

Residents can now bring lounge chairs onto the pool deck. Make sure the chair has your name on it. Chairs are brought in with no liability to the Morton Grove Park District.

This summer, relax and refresh at either Harrier or Oriole Park Pool and have "Fun Under the Sun".

Peewee Baseball is on Monday and Wednesday mornings from 9-12 noon. The program is for kindergarten through 4th graders. Park locations include Austin, Mansfield, National and Oketo. Fee: \$20.

OCC runners place first and second in roadrace

Mike Harrington and Steven Rosenblum, running in the red, white and blue uniforms of Oakton Community College,

placed first and second in their race divisions at the recent Fourth Annual Des Plaines Park District 10 Kilometer Roadrace.

Harrington received the first place trophy while Rosenblum accepted the second place trophy.

Harrington ran the 10K race in a personal best of 31:32 while Rosenblum was 15 seconds back in 31:47. The old course record was 31:36 set last year.

The OCC Marathon Team will be running in the National Junior College Marathon Championships on June 19 in Michigan. In 1981 the OCC team of Kallio, Montes, and Ghilardi placed sixth in the nation.

Coach Savage paced his athletes to cover between 80 and 110 miles a week for the last three weeks in preparation for the grueling 26-plus miles National Marathon. Coach Savage expressed confidence that Rosenblum and Harrington "will do very well," but because Kallio, who finished 7th overall in 1981, is not able to practice hard, "the OCC's team chances could be hurt."

Carey calls for changes in County Property Tax Ordinance

LEGAL NOTICE

NOTICE OF PUBLIC HEARINGS

DATES: Wednesday, June 30, 1982 and Thursday, July 15, 1982

TIME: 6:30 P.M.

PLACE: Cook County Board Room
118 North Clark Street
Room 567 - County Building
Chicago, Illinois 60602

PURPOSE: The Cook County Community Advisory Council of Suburban Mayors and Presidents will hold two public hearings for the 1982 Community Development Block Grant Program, which begins October 1, 1982. The amount of funds available for the 1982 Program Year is \$14,316,752. The purpose of the first hearing (6/30/82) is to hear proposals from non-municipal applicants, to hear testimony from interested persons or groups, and municipalities, to review municipal applications and amendments to previous year applications, record comments, questions, and answers of the Council, and to discuss the Three Year Housing Assistance Plan to be submitted to the Cook County Board of Commissioners.

The program categories eligible for funding are: Neighborhood Preservation, Residential and Commercial Rehabilitation, Economic Development, Land Acquisition/Relocation, Senior Citizens Projects and Centers for the Handicapped, Demolition of Buildings, Fair Housing and Housing Counseling Programs, and Selected Planning Grants.

All interested persons, groups, and municipalities are invited to attend and participate. Comments and/or objections may also be submitted in writing by July 1, 1982 to: Cook County Bureau of Administration Department of Planning and Development 118 North Clark Street Room 801 Chicago, Illinois 60602 Attn: Thomas E. Hinchey

The Cook County Community Development Block Grant Program applies only to those suburban municipalities of less than 50,000 population. This program does not include the city of Chicago.

Commissioner Bernard Carey has proposed amending the County Real Property Assessment Classification Ordinance to give the County Board, rather than the Assessor, final approval authority for commercial property tax incentives.

"The failure of County leadership in retaining, encouraging, and attracting commercial businesses and jobs within Cook County through the implementation of the existing commercial tax incentive ordinance is an embarrassment to every resident of Cook County," Carey said Monday.

Carey's initiative mandates that the Assessor hold a public hearing on the tax incentive applications. Another provision limits the Assessor to a review of 120 days for each tax incentive application.

Under Carey's plan, the Assessor would make recommendations to the County Board regarding the certification of areas eligible for commercial tax

assessment incentives after reviewing the applications filed by County municipalities for development projects. The County Board would approve, deny, or modify the Assessor's recommendation on the application and the recommendation for a level of tax assessment and number of incentive years.

"The County Board represents all of the people of Cook County and is in the best position to pass on applications for tax incentives for commercial development," Carey stated. "Aggressive leadership by the President of the County Board has not been forthcoming on matters of commercial development, and this has hurt employment and the economic health of Cook County. There is no substitute for strong, personal leadership in the area of economic development. We in Cook County must now face competition from area counties, the subbelt, and foreign countries for commercial and general economic development."

Porter co-sponsors Bill to allow home taping

Congressman John E. Porter (R-Winnemka) has won praise from a consumer business coalition for supporting legislation protecting the right of video cassette recorder owners to tape television programs for home viewing.

Porter has co-sponsored HR 4808, a bill that would exempt home taping from copyright infringement and prevent the levying of a royalty tax on home video and audio equipment.

Porter's action drew praise from the Home Recording Rights Coalition, a group of manufacturers, retailers and distributors of video equipment and tape.

The issue came to light last fall when a federal appeals court ruled that private taping of broadcasts is a copyright infringement. The case has been appealed to the U.S. Supreme Court.

As a result of the court case, the movie industry has proposed a tax of approximately \$50 per video recorder and \$1 to \$2 per blank tape at the manufacturer's level.

"This tax obviously would be passed on to consumers," Porter said. "They are already paying for programs broadcast on public airways by purchasing products advertised on those programs. In essence, consumers would be paying twice."

The proposed legislation would revise copyright law and remedy a situation that could not have been foreseen at the time the law was written, Porter said.

Charles Ferris, counsel to the Home Recording Rights Coalition and former Federal Communications Commission chairman, praised Porter for his action in behalf of consumers.

Egans bill seeks intra-state Olympics

Senator Robert J. Egan jogs early morning at a local High School Track. Egan is board member of the Leaning Tower YMCA and the Governor's Council on Health and Physical Fitness.

State Senator Robert J. Egan's bill (Prairie State Games 1609), to encourage statewide youth fitness through intra-state Olympic games, is now out of committee and awaiting Senate approval.

The purpose of the measure, according to Egan, is to motivate young athletes to participate in a broad range of competition for the development of general good health through self-discipline and endurance.

The measure specifies that the games would be divided by age and skill level throughout Illinois communities and would be organized and directed through the Governor's Council on Health and Physical Fitness. Senator Egan is currently vice chairman of the Governor's Council on Health and Fitness. He is also a member of the board of directors of the Leaning Tower

YMCA, Niles and a daily avid jogger.

"I believe this type of intra-state competition is essential to the good health of our residents by providing an organized setting for our amateurs to display their skills. These games would be completely compatible with all school sport tournaments," Egan said.

Egan added that intra-state game competitions have already worked successfully in three states: Florida, New York and Pennsylvania.

The only other games held within the state are the annual Olympics for the Handicapped played each year at the University of Illinois, Champaign. If the measure is passed, Egan hopes the games could be held in conjunction with the Handicapped Olympics scheduled for 1983.

Mannie H. Tucker fundraiser set for June 30

Friends of Mannie H. Tucker, a resident of Skokie and the Republican candidate for Commissioner, Metropolitan Sanitary District of Greater Chicago, will host a fundraiser/campaign kickoff party with entertainment and dancing Wed., June 30, 7 p.m. - 9:30 p.m. at the Fireside Inn, 9101 Waukegan Rd., Morton Grove.

Tucker, 51, was slated at the Republican nominating convention last fall. He is a pharmacist and former drug store owner.

Since 1974 Tucker has served the Niles Township Regular Republican Organization as pre-

sident captain, and he is currently on the board of directors of the North Central Homeowners Association of Skokie. He is a former member of the Niles Township Youth Commission, the Old Orchard Jr. High School PTA Board of Directors, and a past vice president of the Skokie Imperial Drum and Bugle Corps. He has also lectured on numerous occasions to youth groups on the subject of drug abuse.

Tickets for the fundraiser are \$25 and may be obtained by calling Republican headquarters, 641-6400.

Niles Park District

Label in recreation goal: 30,000 labels

Thanks to a program called Labels for Recreation, the Niles Park District can now obtain much needed athletic and recreational equipment free of charge - and you can help.

Our goal is to collect 30,000 labels. The labels will be redeemed for a complete camping outfit including a 5 man tent, Coleman stove, Coleman lantern and 4 sleeping bags. Niles Park District residents will be eligible to check out this equipment for their camping expeditions.

The program is sponsored by Campbell Soup Company and it works this way. From May 3 to October 15, our members will be collecting labels from Campbell's Condensed Soups, Campbell's Chunky Soups, Campbell's Soup for One soups, Campbell's Low Sodium Soups, Campbell's Bean products, "V-8" Cocktail Vegetable Juice, Campbell's Tomato Juice, Swanson Canned Food products, Franco-American products and the Blue-green "Swanson Triangles" clipped from the upper left hand corner of Swanson Frozen Food product cartons.

Since so many families ordinarily use Campbell products, we're asking everyone to help by saving the labels and bringing them to the Park District Administrative Building, 7877 Milwaukee ave.

"Men's 16" softball league"

July 4th promises to be an exciting day in Niles. The Niles Park District has planned an entire afternoon of activities beginning at 1:30 p.m. with the annual parade.

The parade (with over 20 community organizations participating) will begin from Notre Dame High School, proceed south on Ozark to Main St. east on Main to Oketo and south on Oketo to Grennan Heights Park. There, floats, bikes and trikes will be judged and awarded prizes.

After the parade, numerous carnival games including a dunk tank, will be available to test the skill of people of all ages. Highlighting the afternoon's enjoyment will be a short performance by ZORG - an amazingly entertaining robot. Refreshments will also be available at the park.

Free supervised playgrounds begin June 21

Concerned about your child's safety this summer? Why not send them off to one of the ten supervised playgrounds for kids 6-12 yrs., conducted by the Niles Park District. Beginning June 21, each playground will be staffed by a mature, recreation orientated individual who supervises as well as conducts games, tournaments, and special events.

The following parks will be staffed in the mornings, Mon-Fri. 9 a.m. to 12 noon. Courtland, Kirklane, Chesterfield, Jonquil Terrace, Golf Mill Park.

The following parks will be staffed in the afternoons Mon-Fri. 1-4 p.m.: Washington Terrace, NICO Park, Grennan Heights, Oakton Manor and Greenwood Park. Registration is not necessary and no fee is required. Simply show up ready for a day of fun and excitement.

To highlight the program, special trips are offered through the playgrounds. There is a charge for these trips which covers the cost of transportation and admission. Great America, Three World's of Fun and Cedar Lake are a few of the places we'll visit. Call 967-6633 for more information.

Theatre 219 "Brigadoon" announces cast

"Brigadoon," the beautiful Scottish village that rises out of the mist for one day every hundred years, will appear six times this summer at Niles North High School, for it is the ninth annual Theatre 219 production. According to director, Jerry Proffitt, rehearsals for one of the century's best loved musicals are underway following the selections of an outstanding cast.

Appropriately, Niles West English faculty member, John Golata, will narrate the tale of the phantom community which comes to life just one day every century. The inhabitants know no strife in this oasis of dreams, and the breaking of the peace by one disgruntled person would make it disappear forever. Theatre 219 newcomer, David Lewman, will

portray the American boy, Tommy, who stumbles across the village while grouse hunting. Debbie Crane, last seen as Nellie in the Theatre 219 production "South Pacific," is Fiona, the woman Tommy meets there and loves instantly.

Wendy Grahn, another Theatre 219 regular, will be the other female lead, and Brad Ligh, recipient of the Best Actor of 1981 award from Indiana University, will play the other American, Jeff. Niles East graduates, Andy and Arthur Rosenson, Morton Grove resident Peter Hilleman, and Skokians Steve Brown, Pamela Kils and Terry Crossberg also have speaking roles.

David Schuler, a cast member in the very first Theatre 219 musical nearly a decade ago,

returns in the role of Archie Beaton. Others playing major roles include Tim McIntyre, Maura Sendelbach, and Gary Sheehan. A dance ensemble of 14 "South Pacific," is Fiona, the woman Tommy meets there and loves instantly.

In addition to Proffitt, the theatre staff also includes Ted Hill, vocal and instrumental director; Paula Young, choreographer; Frank Mayfield, technical director; Beth Golata, costumer; and Carol Miller, make-up artist.

Performances will be held at 9800 N. Lawler (Niles North High School) at 8:15 p.m. on July 23, 24, 30 and 31; at 1:15 p.m. on Sunday, July 25; and at 7:15 p.m. on Thursday, July 29. Call 673-6822, ext. 1194, for ticket information.

Lincolnwood Art Festival

Lincolnwood will hold its 18th annual Festival of Art June 19 and 20, from 10 a.m. to 7 p.m., at Proesel Park, 7000 N. Lincoln ave., Lincolnwood. On display will be paintings, graphics, collage, ceramics, metal sculpture, batik will hangings, Japanese brush painting, stained glass, photography, and on-the-spot portraits and caricatures. Free admission.

Wild West Day at Park Ridge YMCA

Nursing graduate

Happiness reigns again for Mr. & Mrs. Norbert Ludkowski, as their daughter Eileen, 21, graduates on June 13 from Lutheran General School of Nursing. Eileen will be working in the Newborn Intensive Care Nursery at Lutheran General Hospital. She attended St. John Brebeuf Grade School and Maine East High School.

The Park Ridge YMCA will hold its second annual social on Sunday, June 27. The theme this year is the Wild West Day and will include games and costumes of that era. A Red Garter Dance Show will be held in a saloon atmosphere.

There are activities for kids of all ages planned from the Moon-Walk, to the infamous Dunk Tank of last year's Ice Cream Social.

Bingo will be offered by the Y Women's Club in the Y building with special prizes awarded to the lucky winners.

Water Ski Tournament at The Lambs

Music for dancing and listening

Guitar player and singer, Sandy Smolen will perform a wide variety of contemporary songs for dancing and listening, 8:30 p.m., Saturday, June 19 in the Summer Patio Theatre of the Mayer Kaplan Jewish Community Center, 5050 W. Church st., Skokie. This program is part of the Open Stage Players summer patio theatre which will provide continuous entertainment on Saturday nights starting at 8:30 through July 24. A cash bar is available. Admission to the Summer Patio Theatre is \$2.50 and can be purchased at the door or reserved by calling 675-2200, ext. 216.

Gemini raises funds for diabetes

The Gemini Student Council, East Maine School District 83, recently presented a check for \$357.40 to Camp Holiday Home, a summer camp for children with diabetes. The contribution represents the proceeds of the faculty-radio celebrities all star basketball game held earlier at Gemini School. Camp Holiday Home is in Williams Bay, Wisconsin, and has as its goal the wish to help the insulin dependent child (age 8-13) experience outdoor activities while becoming acquainted with other children who are also diabetic. Self-management is stressed, and the camp is staffed with physicians, nurses, dietitians, and counselors. The Gemini School contribution will be used to defray the cost of the three-week camping experience for campers needing financial assistance.

ERA Callero & Catino runner-up in MDA fund raising

ERA Callero & Catino Realty of Niles collected \$700 to finish second among all Electronic Realty Associates (ERA) of Greater Chicago brokers in the recent "Day in May for MDA" fund raising campaign.

The leader in collections was ERA Paxton of Zion, which brought in \$1,215. Third place was claimed by ERA C.M.S. Realty of Tinley Park with \$400. Donations gathered by local ERA members were part of the coordinated effort involving

more than 4,000 ERA offices throughout the nation to raise \$1.2 million for the Muscular Dystrophy Association, according to Carol Rist, director of broker services for the Schaumburg-based ERA of Greater Chicago.

Ms. Rist said the campaign received generous support from homeowners who opened their pocketbooks and hearts to help in the fight against muscular dystrophy.

Local "Day in May for MDA" donations are added to the grand total to be presented by ERA on the annual Jerry Lewis MDA telethon over the Labor Day weekend.

Since 1977, ERA has raised \$3.8 million for victims of muscular dystrophy.

Replace your old furnace with the NEW energy efficient

Friedrich Greenbrier Hi-Boy Gas Furnace

Description
• Greenbrier top-of-the-line, extra care design and construction assure the utmost in quality of manufacture and years of dependable performance. Efficiency, quietness, versatility and dependability are hallmarks of these eleven gas furnaces.
• Greenbrier gas furnaces get the most heat from fuel and fuel dollars with baffling built into uniquely designed heating elements. The baffling slows down combustion gases as they pass element walls, creating a zigzagging SWIRLFLO action. The hot gases are forced into greater, longer contact with walls, so more heat is transferred to the air which circulates through the home.
• All quiet, attractive Greenbrier Hi-Boy gas furnaces are certified by the American Gas Association for use with either natural or LP gas.

First Federal contest winner

E. Stanley Enlund, Chairman and Chief Executive Officer of First Federal of Chicago, presents Beverly Schwartz, Financial Services Representative, with her award for 1st place in First Federal's sales contest for the tax-deferred plans. First Federal gave winning employees over \$35,000 in prizes for successful participation in the contest. Schwartz is a 13 year resident of Niles.

Carlson named FNBOS President

First National Bank of Skokie, founded in 1907 and celebrating its 75th anniversary this year, has promoted James A. Carlson, current Executive Vice President to President and Chief Operating Officer of the over quarter billion dollar bank. Carlson, the 5th man to hold the position of President in the bank's 75 year history, was elected to the Board of Directors in April this year and will assume his new position as President effective July 1.

Proceeding presidents of the bank include William Galitz (deceased); Willard C. Galitz, Director and Chairman Emeritus; Erman G. Kramer, Director and Chairman of the Board and Chief Executive Officer; and Thomas F. Monahan, Director and President who moves up to Vice Chairman of the Board July 1.

Carlson came to FNBOS from the American National Bank & Trust Company in Chicago where he was Senior Vice President of the Institutional Banking Division. He began his banking career with American National in 1962 after completing his B.S. Degree in Industrial Engineering from Illinois Institute of Technology. While at American National, Carlson continued his post graduate work receiving his M.B.A. from the University of Chicago in 1971.

Carlson is a Director of the Civic Federation of Chicago, the Welfare Services Committee of the Cook County Department of Welfare, the University of Chicago Foundations for emotionally disturbed children, the Orchard Mental Health Center of Niles Township, Chairman of the Skokie Valley United Crusade Industrial and Business Employees Division, member of the Robert Morris Associates Banking Association, the Council of Administration of the Illinois Bankers Association, a member of the Flossmoor Country Club, Mid-America Club, University of Chicago Executive Program Club, the Banker's Club of Chicago, and the Northern Illinois Industrial Association.

Carlson is married and and his wife, Anna, have two children, Susan and John.

On deans' list

Janet M. Alberti has been named to the dean's list at St. Mary's College, Notre Dame, Indiana, for academic achievement during the spring 1982 semester. She is the daughter of Mr. and Mrs. Joseph B. Alberti of Niles.

New chairman, directors of Madison National Bank

In a move to provide expanded banking services to the Niles area, Madison National Bank of Niles, 9190 Golf rd., Niles, in the Golf Glen Mart Shopping Center, has named a new Chairman of the Board and elected three new Directors, all based in the Niles area.

The bank announced that Mr. Harry L. Shapiro has become the new Chairman of the Board of the Bank. Mr. Shapiro is also Vice Chairman of the Board of Madison Financial Corporation, Chicago - the parent company of Madison National Bank of Niles. He is a resident of Skokie.

The three area businessmen who were also elected to the Board are Mr. Paul W. Berezny, Jr., President, James Computer Corporation and Chairman of the Board, President's Corporation, Glenview; Mr. Heinz Lueders, President and Chief Executive Officer, Heinz Plastic Mold Company, Elk Grove Village; Robert

S. Spiegel, President, Chemo Manufacturing Company, Inc., Skokie and an officer of Chemo Specialties, Inc.

The Madison National Bank of Niles, founded in 1976, provides service to both the local residential area with retail banking services and has begun a new thrust directed at providing banking services to business and industry in the Niles, Skokie, Des Plaines, Glenview, Park Ridge and Elk Grove Village areas. Mr. Daniel Kozlowski, President, noted the bank's cash management services for medium-sized businesses and the introduction of corporate repurchase agreements of \$5,000 or more as just two of the new services available to the business community.

Better Breathers Club offers film night

A "film night," complete with popcorn, will be offered on Thursday, June 17 at Holy Family Hospital, Des Plaines, for persons interested in understanding and preventing respiratory diseases.

The films will focus on various pulmonary diseases and other related conditions. The event is sponsored by the Northwest Suburban Better Breathers Club, a group that holds public meetings on the third Thursday evening of every month at Holy Family.

The club was formed for persons who have respiratory disorders and their family members, as well as for individuals who want to learn about prevention.

For more information on the film night, which will be held in the Mount Prospect Room of the hospital, Golf and River rds., call 297-1800, ext. 1950.

Pierski added that security officers have had to break up fights in the parks among drinking youths.

Nothing that drinking in the parks "might be getting out of hand" Pierski said the Niles Police may have to be brought in to assist the security officers.

For the second year the Niles parks are being patrolled by officers from the Security Group Ltd. of Niles. Pierski said two officers patrol park facilities daily.

In other business, the Niles Park Board unanimously passed a resolution praising Niles resident Judy Biancalana for work done with the Niles Park District during the past five years.

Biancalana has brought scout members to lead the Park Board in the Pledge of Allegiance at each meeting during past years. The resolution praised Biancalana's "true spirit of community involvement."

Park Board President Walt Beusse announced that the local North American Martyrs chapter of the Knights of Columbus have agreed to increase their recent \$10,000 contribution to the park district to cover increased costs of park equipment.

The donation will be used to purchase park equipment for handicapped residents which will be installed next to the Recreation Center on Milwaukee Ave. Beusse said he expects the equipment to be installed by August 1.

Niles Park Board member Elaine Heinen announced that the Niles Park Board has begun processing its own pay roll checks. This had previously been done by the Niles accounting firm of Callero and Callero.

Also Heinen said that the Maine-Niles Association of Special Recreation has hired a new executive director. After interviewing over 20 candidates the association has selected Lynn Parfais as the new director. Parfais had been on the staff of the association for the past two years.

Also Heinen informed the Niles Park Board that the Maine-Niles Association of Special Recreation has filed suit to force the Lincolnwood Park District to pay \$23,800 in membership dues for this year. According to Heinen, the Lincolnwood Park District withdrew its membership in the association without adhering to previously agreed upon rules resulting in the possibility that programs will have to be cut unless Lincolnwood pays its portion of the budget. The case is currently pending.

Military Academy graduate

Cadet Corporal Roy R. Manning, son of Mr. and Mrs. Thomas Manning, 8410 Bruce dr., Niles, received his high school diploma at recent ceremonies at Northwestern Military and Naval Academy, Lake Geneva, Wisconsin. The 35 senior cadets and 16 junior school graduates were presented their diplomas by the Right Reverend Quintin E. Primo, Jr., Bishop-Suffragan of the Episcopal Diocese of Chicago.

Manning, who attended Northwestern for 3 years, participated in Tennis and Golf, earning a Major Letter in golf. He also earned Marksman and Sharpshooter military awards and participated in the Yearbook Staff.

Dog obedience training set by MONNACEP

Monnacep will offer a 10-week training program in dog obedience at Oakton Community College/Des Plaines, 1600 E. Golf rd., beginning Thursday, June 17 at 7:30 to 8:30 p.m. or 8:30 to 9:30 p.m.

The class will provide techniques for training with gentleness and firmness—not with force—to "heel," "sit," and similar responses to commands. Another purpose of the class is to help dog and master or mistress understand each other.

Cost of the program is \$25. The class will meet in the OCC north parking lot, off Central rd.

Terri Blake, who has been associated with the MONNACEP facility since 1977, will again teach the course. She has 10 years extensive dog training experience, including AKC obedience shows, and has shown in conformation classes in the breed ring.

MONNACEP is the adult education element of Oakton Community College in cooperation with Maine, Niles and Glenbrook High Schools. For further information, call 982-9888.

Legion to sponsor Bermuda vacation

The Travel Princess for those who wish to golf, bank on the beach or enjoy dinner.

There is an optional modified American plan which includes breakfast and dinner, and the cost of that is \$876. However, the regular Bermuda plan which includes breakfast each day allowing participants to choose their own evening dining spot is only \$750.

Reservations are being taken now and payment can be made in three equal installments with final remittance required prior to Sept. 15.

The previous trips sponsored by the Legion and its Corporation have always been fun filled and travellers sign up immediately upon announcement of the plans. Former vacation spots have included Las Vegas; Tennessee; Lake Tahoe and other glamour spots where participants may relax or sight see or participate in whatever mode of vacationing they choose.

In '1 House of Pan: Red Sox	1-1
Edison Lumber Twins	0-1
Wilbur Mfg. Dodgers	0-2
Riggios Astros	0-0

Red Sox 8-Twins 4

Good defensive plays by both teams. Szymniak led hitting for Red Sox. Luppino made an excellent line drive catch at third and doubled off a runner at second. Purvy displayed a great throwing arm causing a force out. Kuhr and Giovannelli performed well on the mound. For the Twins A. Krueger pitched 3 scoreless innings with J. Phillis leading the hitting.

Reds 5-Dodgers 0

Hits by Beyer, Kunkowski and Turofski were not enough to overcome the excellent pitching of the Reds' Solan, Kassel, and Gambio for a shut-out. Pitchers:

Seiner, Mete and Beyer couldn't hold the Reds back. Hitting for the Reds were Lietz, Cecchin, Solan, Paulis and Riggio. Gambio turned a hard hit liner into a double play. The finale to the game was Mr. Kassel's parked car getting hit head-on.

White Sox 22-Orioles 5
Hitters for the White Sox were McFarland, Wittgen and Grandinetti. Chandler led the pitching with 6 strike-outs along with Gable, Marcos and McFarland. Oriole hitters were Englund, Schreier, Hickey, Fireman, Weston and G. Hickey. J. Hickey pitched a strong 3 innings.

Reds had good pitching again with Solan, Kassel and Lietz. Hitting were Paulis, Solan, Kostrowski and Kassel. Tough defense by Dunn, Riggio and Bronco play R. Porzycki. Red Sox Kuhr, Giovannelli and Luppino exhibited good defense.

Orioles 6-Dodgers 3
Good pitching by Weston,

Fireman and Schreier helped the Orioles win their first game. Hitters in the game were Fireman, Weston, Schreier, Wilson, G. Hickey and Iadla. Dodgers' Gattuso made a great catch in left field as did Romanek and Beyer. Klepacki played excellent defense in right field. Steiner, Beyer, Mete and Gattuso did the pitching.

Reds 19-Orioles 1
Red pitching was great again. Paulis led the hitting with 3 hits and 7 RBI's. Bronco players McFeggan, Kellogg, and Blake did a super job of filling in for injured players. Ruiz and Dunn both were superb on defense.

Orioles' Fireman hit a home run. Isola pitched well. White Sox 10-Red Sox 1
K. Gray led the White Sox hitting, while Marcos, Chandler and McFarland combined for a no-hitter. Thanks to S. Schwarz from Bronco. Red Sox struggled through excellent pitching from the White Sox. T. Reed from Bronco did a great job!

Padres - Red Sox
For the Padres, good pitching by Chupich, Lee and Frawley. Hits by Nawrocki, Chupich and Bowler. Excellent fielding by Kuhr and Levine.

A's 8 - Padres 6
Padres effort against the A's by Frawley who had 2 shutout innings and the hitting of Chupich who tripled in 2 runs and Immergluck who doubled in 2 runs.

Padres 4 - Dodgers 3
Good pitching by the Padres players, Nawrocki, Lee and Frawley. Also on defense of a great play at shortstop by Nawrocki and in the field by Kuhr who made a driving catch to keep the Padres in the game.

Padres 6 - Orioles 2
Padres hits by Levin and Kuhr with a triple each and Lee, Bowler, and Frawley. Outstanding Oriole pitching by Troch and Brieske who held the Padres to 2 runs. Halley went 2 for 3 with a homer. Brieske went 2 for 3 with 2 singles.

Dodgers 21 - Reds 10
The Dodgers hitters were Horn, Niedermaier, Sikorski, Roussis, Greco. Scoring 4 runs were Vanderbosch and Sotus. Hitting for the Reds were Johnson, Stenger, Satinover, Gotter and Biedak.

Astros 2 - Red Sox 1
Excellent Red Sox pitching by Atomi and his two hits won a close game. Sox also had help from Jason Hays and Ken Kuehn.

Werner Joseph Hartman, the 38 year old Northbrook man who was murdered last week, owned the Chicago Music Corporation store (CMC) at 8024 Milwaukee in Niles which went bankrupt in 1979. Hartman, who came from Germany 14 years ago, operated the store with his twin brother, Gunther. Two years later he seemed to have another very successful business operating in Franklin Park. Northbrook neighbors assumed the murdered man was extremely wealthy. He drove a \$100,000 Rolls Royce and

had a Mercedes-Benz and Lincoln Continental parked in his suburban driveway. Right after his death a local bank retrieved the Rolls Royce.

The passing of Joe Morheiser and Tom Conklin leaves many local residents saddened. Morheiser was a former building inspector in Niles some 22 years ago. When The Eagle was first getting on its feet Morheiser was a partner with Frank Di Maria in the construction business. If our memory serves us, they had

company headquarters at 8150 Milwaukee Avenue and constructed offices or a building which is now Rosati's Pizza next door at Monroe and Milwaukee. They also did much work for St. John Brebeuf. They also were very active in helping improve the old St. John Brebeuf building.

Tom Conklin was an important part of the Niles Lions Club some 25 years ago. Tommy was always a very blythe spirit who was a joy to be with. His own insouciance and good cheer made him an important part of a group which contributed handsomely to Niles back in the late 50's and early 60's.

Under state law, a court-appointed receiver has all the power and responsibilities of the home's owner, including authority to hire and fire employees and to spend money. The naming of Tiernan, who, since 1972 has been the division consultant of the archdiocese's Catholic Charities residential services to the aging unit, came five days after the attorney general's office filed a petition seeking a receiver. The move was requested by the Illinois Public Health Department. Tiernan is also an assistant professor of occupational therapy at the University of Chicago and had been an instructor and supervisor of general medicine and surgery at the university.

Rheumatologist to discuss arthritis

Just about everyone has arthritis. This is a disease that afflicts young people as well as the elderly. Arthritis is a chronic disease, it does not go away, but there are ways of coping with the disease.

"Learning to live with Arthritis" is the title of the lecture to be given by Dr. Patrick Schuettler, head of Rheumatology at Grant Hospital. Exercise is critically important, no matter how painful, to retain flexibility of afflicted joints. Medication will be reviewed.

A dietitian will talk about food and nutrition and how what you eat can affect your health and the way you feel.

The lectures will be given free of charge on Wednesday, June 30, at 7 p.m., in the Copernicus Cultural and Civic Center, 5216 W. Lawrence ave., Chicago, 60630.

Press, Inc. in Carpentersville to handle the printing needs for the Oakton Report, for the amount of \$27,966. This is an 18% increase over last year due to a 22% increase in distribution. Oakton is using a new mailing method, resulting in a yearly cost savings of over \$9,000 and a time savings of one week.

The board also voted to approve purchase of new computer equipment from IBM Corporation to equalize the number of computers at their Des Plaines and Skokie labs. Oakton also purchased disk storage equipment from IBM for \$182,946.

Oakton will also lease \$42,721 worth of software equipment from SPSS, Inc., Johnson Systems, Inc., Synesort, Inc. University of Waterloo, IBM Corporation and Westinghouse.

The food service contract with ARA Services was renewed after a survey of students was done in the spring which indicated satisfaction with the cafeteria service.

Twenty-seven faculty members were promoted after complying with PAC unit regulations. Oakton will now have a total of 52 professors, 48 associate professors, 29 assistant professors, and 6 instructors.

The board approved the resolution to pay adjusted part-time faculty salaries in the amount of \$675, resulting in a revised total of \$484,212 for the Spring semester of 1982. Also, overpaid faculty salaries will be paid in the amount of \$1,875, bringing the adjusted total to \$73,981.50 for the 1982 spring semester. President Koehnline commented these are routine corrections and amplifications of salary listings.

The Oakton Community College Board meets every third Tuesday of each month. Its next meeting will be July 20.

TB testing...

The businesses were notified by the village they have 90 days to get their employees tested and retesting will be required every two years.

The Bugle ran a story and editorial in May relating the upsurge of tuberculosis cases in suburban Cook County in the past two years. While Constantino said the village was aware of the increase in tuberculosis cases, the Bugle story reinforced their decision to begin the enforcement of Sec. 14-21 of the Niles Code which provides for proof of freedom from tuberculosis.

Constantino noted the law had been enforced until three or four years ago when Cook County discontinued the Mobile TB Testing program. At that time, it was generally felt that TB was under control and not the health menace it was once considered. Constantino said the Suburban Cook County Tuberculosis Center at 1990 Dempster, Park Ridge will administer the Tuberculin scratch tests free of charge to suburban Cook County residents. Those persons, employed in Niles, but living in Chicago will have to pay a nominal fee for the tests. If their tests are negative, they will be given a certificate of clearance by the TB Center.

Residents who initially responded to a Village-wide questionnaire and asked for assistance will be receiving it, according to Schuettler. "Our men are getting to people as they inspect. We have one man who is responsible for offering advice to those who need it," Schuettler added.

Another part of the Village's effort to combat basement flooding will be moving ahead this week when the study of a possible inlet control flood control system in the Howard Street district is completed. This study, done by Donohue and Associates, will be reviewed by the Village's flood task force and then presented to the Village Board.

The Donohue study looks into the possibility of using restrictors to store water on the streets and in storage areas to avoid basement flooding.

Kustra said both proposed sanctions would include recovery not limited by any other provision of state law which restricts the financial liability of a parent or guardian for the conduct of a minor.

The bill is now being considered by the State Senate.

Downspouts...

Cont'd from Skokie-L'wood P.1

spectors find downspouts that are not disconnected a letter is sent to the homeowner notifying them to disconnect all downspouts by a certain date. After that date a reinspection will take place, and if there is no compliance, legal action will be taken.

"This program is an important part of our flooding program and cooperation is so important," said Mayor Albert Smith. "In some cases the cooperation has not been as great as we hoped. To combat flooding we need your help."

Residents who initially responded to a Village-wide questionnaire and asked for assistance will be receiving it, according to Schuettler. "Our men are getting to people as they inspect. We have one man who is responsible for offering advice to those who need it," Schuettler added.
