

Evidence charging Nimrod election fraud given to State's Attorney

by Bob Besser

Evidence allegedly connecting campaign workers of State Senator John Nimrod (R-Glenview) to a conspiracy to commit election fraud was turned over by a Chicago attorney to Cook County State's Attorney Richard Daley on Tuesday.

The allegations go so far as to charge that the heads of the

Nimrod campaign knowingly ordered campaign workers to falsify petitions.

The evidence, which surrounds

From the Left Hand

by Bud Besser

Change is often imperceptible. It is always taking place but we are not always aware of it...

In East Main School District 63, a February 1, 1982 census shows 986 students come from homes where a language other than English is spoken. In percentage, 31.4% of the student enrollment comes from these homes. There are/were 215 students who needed some bilingual development such as basic language development or articulation. 100 to 110 children need English classroom help.

A change which will affect everyone in the immediate years is manifested by the announcement Timex now has a home computer which is selling for under \$100. While you may have seen the ad in this week's Newsweek, or in Chicago's Tribune, the under-\$100 price is going to cause a price war which

District 63 reports increase in student enrollment

by Eileen Hirschfeld

Dr. Donald Stetina, assistant superintendent of East Maine School District 63, gave an optimistic report on student enrollment to board members at a regular meeting Tuesday in Apollo school, 10100 Dee rd., Des Plaines.

Stetina said 3,167 students are enrolled for this school year, an increase from a former projection of 3,098. He said a "bottoming out" of projections may occur in the next two or three

Zoners deny Milwaukee Av. eatery

by Diane Miller

The Niles Plan Commission and Zoning Board of Appeals denied a request for a restaurant at 7403 Milwaukee ave. due to the lack of adequate parking spaces.

The request for the eatery was presented to the board by Horneo and Norma dela Cruz of Morton Grove. Their attorney, Nick Maniscalco told the board his clients intended to use the 2,750 square feet of building space for a 50-seat restaurant which would specialize in Filipino food. They would also have a bakery and deli for their customer's convenience in the restaurant. Their projected hours of operation would be

"Write Your Grandparents Week"

Students at St. John Brebeuf School are remembering grandparents this week with gratitude, and expressing it in various ways.

Show above are Anna Lisa Silvio, Lisa Xydias and Adam Brown, as they write a letter to their grandparents and stop to look at the poster Steve Manis is holding.

The purpose of the project is to help students appreciate the gifts, talents, values and hard work of the earlier generations and to express their feelings in written and oral communications.

The week of Sept. 12-18 has been designated as "Write Your Grandparents Week" by Governor James Thompson.

Lee Street celebrates Labor Day

Chicago may have its summertime festivals, but Niles has Lee Street and Lee Street has its annual Labor Day Block Party. The residents of the 7300 block of Lee Street held their annual festivity on Sunday, Sept. 5.

The homes were decorated with pennants, streamers, and balloons. Some families even decorated their trees with Christmas lights. The activities started with a parade for the children who dressed in various costumes. After the parade, there were games for both the children and adults. The day's events included bingo, a sing-along, dancing in the street, and a "sweets in the streets" table with goodies contributed by each family.

Because of the tremendous success of this year's block party, everyone is looking forward to a repeat next year.

Volunteers welcome at M-NASR

Volunteers are always warmly welcomed at The Maine-Niles Association of Special Recreation (M-NASR). M-NASR provides a myriad of day, evening and weekend recreation programs to disabled children and adults residing in Maine and Niles townships.

Dedicated individuals are needed to assist the Special Recreation staff in providing quality leisure opportunities to program participants. Volunteers may be involved in activities such as bowling, ice skating, piano and guitar instruction, swimming, gymnastics, community outings and special events. Volunteers are utilized according to their interests, skills and time availability.

The fall program session begins September 30. For more information regarding the volunteer program please call Leslie Powell at 966-5522.

M-NASR is a cooperative serving special populations residing in Skokie, Golf-Maine, Park Ridge, Morton Grove and Des Plaines.

Because of the tremendous success of this year's block party, everyone is looking forward to a repeat next year.

MaineStay seeks volunteers and furniture donations

MaineStay operates a youth drop in called "The Cellar" at Ballard School - a closed District #63 school in Niles. The program serves junior high age youth Monday, Wednesday and Thursday from 3:30 to 8:30 p.m.

MaineStay is seeking a few adult volunteers to work with the staff in supervising and interacting with young teens who frequent "The Cellar". Applications from interested individuals are being accepted during the month of September. Applicants must be over 21 years of age,

take part in a personal interview, supply three character references and must work a minimum of five hours per week.

"We are looking for volunteers who can strike a rapport easily with young people yet can enforce rules when necessary," said Tina Somerset, Staff and volunteer supervisor of the drop in.

MaineStay is also looking for donations of used couches, chairs, tables, board games and a stereo. Individuals interested in volunteering or donating should call Ms. Somerset at 823-0650.

Leaning Tower Senior Center to feature class reunion

A class reunion complete with cheerleaders, pom-pom girls and high school banners will be the theme at the September Birthday Party at Leaning Tower Senior Adult Center, 630 W. Touhy, Niles. The date is Monday, Sept. 20 at 1 p.m.

Members are asked to turn in their name and the name of their high school to the senior center office. They will be pleasantly surprised to come across old school chums at this reunion. Old photographs, yearbooks, etc., will bring back many happy memories of school days.

It is customary for those members who have birthdays during September to bring a cake.

Refreshments will be served.

WALKING - THE PERFECT EXERCISE

As the medical world places more attention on preventive medicine rather than just treating diseases, they are finding that walking is an excellent way to insure good health. Walking is a wonderful exercise in that everyone can do it. Dr. Theodore G. Klumpp, medical consultant to the President's Council on Physical Fitness and Sports, recommends walking as an excellent activity for general fitness.

Walking is virtually the safest exercise a person can choose. It is an exercise that spans all age groups and can also be enjoyed by people with special health problems that might otherwise keep them inactive.

A person's fitness level is measured in terms of aerobic capacity; that is, the ability to pick up oxygen, send it through the body, and use it. One's aerobic capacity can be improved by proper walking. For walking to be aerobic, one must "walk with authority". Step out, swing the arms, hold the head high, and walk with pride.

The body is the best judge of how much walking is enough. An average of 3 miles per hour is a normal speed. Walking should be painless. If it's not, slow down and call the doctor.

UNDERSTANDING HEART DISEASE

In the United States it is estimated that close to 550,000 people die each year from coronary heart disease. This disease is caused by an accumulation of fatty deposits and thickening or narrowing of the inner walls of the arteries that carry blood to the heart. The effect is similar to that of a water pipe clogged by deposits. A number of factors are linked to risks of developing coronary heart disease. Some of them, like aging, being male, or having a family history of heart disease, are unavoidable. However, other risk factors such as weight, blood pressure, cholesterol level, and smoking can be changed to reduce the likelihood of developing heart disease.

It is customary for those members who have birthdays during September to bring a cake.

Refreshments will be served. For information call Shirley Spears, 647-8222.

Square and round dance lessons

The Park Ridge Park District will sponsor Square and Round Dance lessons. Free Glaucoma screenings

The Morton Grove Lions Club invites all adults to take advantage of a FREE screening program for glaucoma and visual acuity.

The club is in the final stages of organizing the event, scheduled for 6:45 p.m. on September 21 at the American Legion Home parking lot.

The screenings are for adults.

"Everyone owes it to himself to be screened," said Tom Bodkin, Club President. "Glaucoma can lead to blindness, but blindness can be stopped and the disease controlled when it is discovered early."

Workers at So Fro Fabrics store, 331 Golf Mill, reported a man about 18 to 20 years old appeared nude in front of the east end door at closing time. He reappeared fully clothed a few minutes later. Victims said they might be able to reconstruct a picture of the face of the offender.

Des Plaines resident Joseph Cohen pulled his truck into Golf Mill Shopping Center's parking lot at the northwest end near Butera's Foods. A Golf Mill Center representative observed the dolly wheels of the rig sunk into the pavement causing the asphalt to collapse. Estimated damage is \$400.

A Niles girl reported a sharp pointed object dug a deep scratch in the side of her car. She reported it also happened previously one month ago. She believed it was the work of an ex-boyfriend.

A man was arrested and brought into Niles police station after he was charged with taking a \$1.99 saw blade from Sears without paying for it.

September 9

The manager at the Texaco station at 7113 Dempster reported \$600 was missing from the center drawer of the desk in the station. He said he forgot to take the

money when he closed the station the previous night. When the day man came in the following morning he noticed the front door was unlocked, the center drawer was open and there was no money inside. Police reported there were no pry marks nor other signs of forced entry.

A 69-year-old employee of the Secretary of State's office in the Golf Glen Shopping Center was shoved and punched and had \$2,913 in cash and \$1,669 in checks taken from him while he was walking to the bank in the center at about 9:25 p.m. He was carrying a plastic pouch with the money inside when he noticed a man about 19 years old was talking on the telephone by the former A & P store. He was accosted from the rear, punched a hard blow on the shoulder, and the accoster grabbed the pouch and ran into the mall northbound. The victim claimed the man on the phone also left. It was reported the man/men left in a blue truck. The victim was taken to Lutheran General Hospital and treated for shock.

A victim, taken at gunpoint, at the Howard L station was kept in an auto, while being held by her hair. When the car approached Main and Milwaukee in Niles she managed to jump out of the car. The auto was found in the 8200 block of Milwaukee and the offender was arrested. It was

September 8
reported the victim's assailant is her boyfriend.

A 23-year-old south side man, working in front of 7039 Dempster, was asked by four young men passing by what he was doing in the area. When he answered, "It's none of your business", a struggle ensued and the man was grabbed by his throat. He broke free and the offenders fled. He was treated at Lutheran General for sore ribs.

A man was taken to the Niles police station and processed after it was reported he took a \$49.99 socket set from the Sears store in Golf Mill.

A brand new Toyota pickup truck was stolen in front of 8521 Milwaukee Ave. It had a brand new brown camper top.

A man who clipped a 20 foot tape measure to his belt, and exited from Sears without paying for it was taken to the Niles Police Station. It is valued at \$13.41.

September 6

A 22-year-old Niles man reported he received a telephone call from a 45-year-old Morton Grove man threatening to break the young man's legs. It was reported the older man is the step-father of the young man's girlfriend. The problem stemmed from the older man injuring a pet ferret belonging either to the young woman or her boyfriend.

The State's Attorney charged 2 men with 3 felony charges after they were arrested in their car

A Niles woman received threatening phone calls from her ex-husband who previously received one year probation for a similar action. When he threatened to kill her and "break bones" when answering her present husband's complaint,

they said they would sign police complaints because of a fear for their safety. They requested the investigative division follow up the complaint.

4 hub caps were taken from the 1980 Cadillac in the Chateau Ritz parking lot on Milwaukee Ave. The 2-door brown Cadillac is owned by Vince Ferraro. A similar complaint came from Teresa Ferraro who reported hub caps were taken from her 1978 Ford, also parked in the Ritz parking lot. Both sets of hub caps had a value of about \$300 each.

The police car stopped a driver in the 8200 block on Dempster and was reported driving 52 miles an hour in a 40 mile zone. Police noticed a bulge in the driver's pants. The bulge was a package described as being "green leafy stuff". On examination it was concluded it was hashish. The driver was booked for unlawful possession of a controlled substance and speeding.

September 12

A man who clipped a 20 foot tape measure to his belt, and exited from Sears without paying for it was taken to the Niles Police Station. It is valued at \$13.41.

Ice Skating season

The Niles Park District wishes to announce that skating passes are now on sale. Due to extremely high operating costs, the Park District has had to raise fees for the 1982/83 season. However, if you act early, you can purchase your pass at last year's prices. If you use the application below and mail or drop it off at the Park District office, 7877 Milwaukee Ave. or at the Ballard Sports Complex, 8435 Ballard Rd., by Sept. 25, your pass will be processed at the reduced 1981/82 fee.

ICE SKATING PASS APPLICATION

1. Please print your family name and address.
2. List the name and age of each of your family members on the application.
3. Complete the application and send along payment by check or money order payable to the Niles Park District.
4. Also enclose in the envelope a SELF ADDRESSED STAMPED envelope in which we can send along to your family its tokens.
5. Make sure the application is signed by an adult and please remember that family application is restricted to immediate family residing at the listed address.
6. When you get your tokens, they must be placed at the toe of your skating boots. Thank you for your help!

Golf Mill Bank offers preferred rate loan program

Golf Mill State Bank, a Premier Bank, has allocated \$2.5 million in new monies at preferred rates for real estate mortgages and new car loans. Under the program these loan funds will be made available to new or existing bank depositors located in the bank's primary trade area.

The real estate mortgage loan program consists of a 13.9% interest point with 1% points for a 3-year period and payments based on a 25-year amortization for primary residences within Golf Mill State Bank's primary trade area. A lower blended interest rate may be possible when refinancing an existing Golf Mill State Bank first residential mortgage on real property. Customers who qualify will be expected to make a 30% downpayment.

The other four Lake County Premier Banks have made available \$5.0 million in new monies for a similar mortgage loan program in their trade areas since July 21st, and the response

has been so enthusiastic that an additional \$2.0 million has recently been added to the program. The success of the Lake County program prompted the management of the bank group to make the program available to qualifying new or existing customers of Golf Mill State Bank.

Under the terms of the auto loan program, the qualifying Golf Mill State Bank deposit customer who is in the market for a new 1982-1983 automobile will be able to secure a 36-month auto loan at 14.90% interest with a 25% downpayment. Financing on other new and used vehicles is available at different terms.

The purpose of these community oriented loan programs, which will run until year end or the depletion of funds, whichever comes first, is to stimulate the local economy.

The Premier Banks make these new monies available at a time when America's two largest industries, the housing and auto industries, are experiencing

critical slumps. According to Larry L. McGregor, Chairman of the Board of the five Premier Banks, it is hoped that the \$9.5 million committed to these loan programs will stimulate the banks' local economies.

The Premier Banks (Golf Mill State Bank, Grayslake National Bank, Libertyville National Bank, First National Bank of Mundelein and Premier Bank of Vernon Hills) have combined assets of over \$260 million, and are comprised of five separate but affiliated community banks.

Committed to the economic growth and stability of their communities, the Premier Banks had, prior to the recent programs, already invested \$6.5 million in community mortgages.

Chairman McGregor indicated that the economic recovery is not expected to come until Spring 1983. "With these loan programs", stated McGregor, "maybe we can move our local economies ahead quicker."

Maine East Fall College Night

Maine Township High School East will host District 207's Fall College Night on Monday, September 20 from 7:30 p.m. in the fieldhouse.

Approximately 200 junior college, college, and university representatives from across the country will be accessible to district students and parents. The program is also open to students attending private and parochial schools who live in District 207.

The evening will be divided into four 30 minute periods, and the only restrictions concerning visitsations of representatives will be limited to the state schools because of the large numbers of students wishing to obtain information. The printed program will indicate the visitation periods and room assignments, and these programs will be distributed at the door. Two sessions on financial aid, conducted by the Association of Chicago Area Catholic Colleges and Universities, will also be held.

Throughout the evening parents and students should note college size, costs, entrance requirements, available financial aid, and available curriculums as well as graduation requirements. Students should also request information concerning campus visitations.

Questions concerning the September 20 Fall College Night can be answered by the guidance department career counselors at any of the three Maine schools.

However, it is important to note that students desiring more information on the University of Illinois/Urbana will have only this opportunity to visit with a representative since the University of Illinois/Urbana will not visit individual high schools.

However, students can make arrangements to visit the Urbana campus admissions, housing and financial aid offices by calling (217) 332-0320. Appointments for such visits begin October 1 and will continue every Monday and Friday morning until November 1.

Applications for the University of Illinois/Urbana are now available in the Maine East guidance center or they may also be obtained by direct contact with the admissions office; however, no admission applications will be processed by the University of Illinois/Urbana before September 25.

If a family member becomes unemployed or if family size changes, the family should contact the school to file a new application. If your child is approved for lunch benefits, you must notify the school when your household income increases by more than \$50 per month (\$600 per year) or when your household size decreases.

In certain cases foster children are also eligible for these benefits. If a family has foster children living with them and wishes to apply for free or reduced price lunches for them, the family should contact the school.

All children are treated the same regardless of ability to pay. In the operation of child nutrition programs, no child will be discriminated against because of his/her race, sex, color, national origin, age or handicap.

Under the provisions of the policy, the principal of each of the Maine Township High Schools, as shown below, will review applications and determine eligibility:

Maine Township High School East - Mr. A.K.H. Cochrane, 825-4484

Maine Township High School South - Mr. Robert G. Barker, 825-7711

Maine Township High School West - Mr. James L. Coburn, 827-6176

If a parent is dissatisfied with the ruling of the official, he/she may wish to discuss the decision with the determining official on an informal basis. If he/she wishes to make a formal appeal, he/she may make a request either orally or in writing to Dr. John A. Murphy, Superintendent, 1131 S. Dee rd., Park Ridge, 696-3600 for a hearing to appeal the decision. The policy contains an outline of the hearing procedure. Each school and the Superintendent's office has a copy of the complete policy, which may be reviewed by any interested party.

Art in the Barn '82

Art in the Barn '82, a juried fine arts and crafts show and sale sponsored by the Auxiliary of the Good Shepherd Hospital is scheduled for this Saturday and Sunday, September 25 and 26, 10 a.m. to 5 p.m. Located in a rustic barn setting on the site of the Good Shepherd Hospital, Route 22, two miles west of route 99 in Barrington. This year's eighth annual show features 91 artists and craftsmen from the midwest.

Jurists for this years event, Kathryn Kucera, Joan Robert, and Paul Waggoner had a difficult time selecting the 91 artists because of the quality of the over 300 artists applying to Art in the Barn '82. Media represented this year include paper making, jewelry, oil, watercolor, hand forged iron, pottery, weaving on and off loom, graphics, photography, sculpture, stained glass, porcelain, leather, decoupage, and furniture making.

In addition to the art show and sale other attractions planned to add to the enjoyment of visitors to Art in the Barn '82 are craft demonstrations, children's art participation, crafts made by auxiliary members, music from the haywagon stage and food concessions, serving breakfast, lunch and snacks. There is a \$1 admission/donation, with children under 12 free.

Featured speakers include Junko Ochi "Japanese People

and Their Gardens" at 1 p.m. on Monday; Alex Alexander "Demonstrating Bonsai Techniques" at 1 p.m. on Tuesday; Gladys L. Pancoe "Traditional Paper Forming" at 1 p.m. on Thursday; and Jack Wilson "Styling Bonsai" at 10 a.m. on Friday.

On Saturday and Sunday, September 25 and 26 from 10 a.m. there will be demonstrations of Miyuki Art Flowers and Sume-e Brush Painting. On Saturday Ikka Nakashima and her students will demonstrate Ikenobo Ikebana Flower Arranging at 11 a.m. and a Tea Ceremony at 1 p.m. The celebration will end on Sunday after a performance of Taiko Drums by Roxane Toms and her students at 3 p.m., and Wakayagi Shinkoku Classical Dance by Mitsuru Uchimoto and his students.

Admission to the 300 acre Botanic Garden and all celebration events is free. A \$1 parking fee for each car is collected at the Lake-Cook rd. entrance (east of Edens hwy.) in Glencoe.

Aviva Hadassah

plans "Second City Nite"

Aviva Hadassah cordially invites professional and career women 25-45 to their monthly meeting on Thursday, Sept. 23, at 7:30 p.m. at the home of Lynn Hirsch, 5919 N. California, Chicago. After a short business meeting, the group will hear Teri J. Kurash, attorney for the Federal Reserve Bank of Chicago speak on "Legal Rights for Women. Your Rights as a Person."

The parade followed six weeks of rigorous basic cadet training at the West Point, N.Y. academy.

The new cadet is a graduate of Maine Township High School, Sandy Chalet of East Rogers Park is Fundraising Vice President.

Aviva annually raises funds for the Hadassah Medical Centers and Alivah Centers in Israel.

For information call 334-0993 or 677-0325 evenings. Sharon Baskin of Skokie is President.

The Old Town School of Folk Music is a not for profit organization.

Variety show tryouts

Organizing variety show tryouts (September 20-24) at Maine East High School from 7:30 p.m. to 10 p.m. are Mr. David Jeffers, fine arts department chairman, and senior Diane Cotton of Des Plaines, variety show student director. Performances will be November 12 and 13.

Botanic Garden celebrates Japan week

The public is invited to attend a week-long Japanese cultural arts celebration at the Chicago Botanic Garden from Monday, September 20 through Sunday, September 26 following the dedication of the Japanese Island Garden.

Kimonos, artwork and artifacts will be featured in the Museum of Floral Arts. Photographs by Kayo Okada showing "Many Faces of Mt. Fuji" will be displayed. This year's eighth annual show features 91 artists and craftsmen from the midwest.

Smith, Hurwitz co-chair Black campaign

Mayor Albert Smith of Skokie and Dr. Paul Hurwitz, noted Jewish community leader, have been named as honorary co-chairmen of the election campaign of Louis Black, Democratic candidate for State Senator in the new 28th District.

A resident of the Timber Ridge area in Skokie, Dr. Hurwitz commended: "Lou is my neighbor and I know him as a hard worker, honest and with integrity. I believe he will serve our community well as a State Senator."

"I'm most proud," Black said, "that two men who I have known for many years, Al Smith and

Paul Hurwitz, honorary chairman of Zionists Organization of Chicago, have endorsed my candidacy and consented to help me in my campaign."

Dr. Hurwitz, a well-known ophthalmologist, was an early sponsor of the career of State Sen. Howard Carroll (D-1st). Black served as campaign manager for Carroll's 1977 campaign.

Black has been Niles Township Clerk since 1973. His friendship with Smith goes back 20 years to when Black was president, Timber Ridge Home Owners' Association and President, Skokie Home Owners' Council.

Dunne and Judges speak to Seniors group

Judge Frank Orlando

Michael F. Czaja

Flo Mondral, president of the Leyden Senior Citizens, has announced that George Dunne, president of the Cook County Board, Judge Michael F. Czaja and Judge Frank Orlando will be the guest speakers at 1:30 p.m. on Thursday, Sept. 23. The meeting will be held at the River Grove Moose Lodge, 8601 W. Fullerton, River Grove. The topic will be "Know Your County Government."

Dunne became a county commissioner in 1962 and was elected president of the County Board in 1970.

He was re-elected by wide margins in 1974 and again in 1978.

Dunne, also is a retired Brigadier General in the Air Force National Guard and the army.

Judge Michael F. Czaja is a graduate of DePaul U and Northwestern U Law School. He has served as Assistant States Attorney for Cook County and Assistant Corp. Counsel for the City of Chicago, prosecuting criminal cases. Czaja is a mem-

ber of the Polish National Alliance. He was appointed an Associate Judge of the Circuit Court of Cook Co. in 1977.

Judge Frank Orlando is assigned to the 3rd Judicial Dist.

of the Circuit Court of Cook County. He is presently assigned to hearing matters of a civil and

criminal nature, including contested motions, trials and all matters otherwise within the jurisdiction of the Municipal Dept. of the Circuit Court of Cook County.

Edward F. McElroy, Director of Special Events for WJJD. will act as moderator.

Kustra vows fight to save adult day care

State Representative Bob Kustra (R-Glenview) has pledged to fight new rules proposed by the Illinois Department of Aging that could seriously jeopardize services provided by area adult day care centers.

Kustra, Republican candidate for state senator from the new 28th District, denounced the rules changes at a meeting Thursday, Sept. 9, of the Des Plaines Chapter of the Illinois Association of Retired Persons.

The legislator vowed to intervene on behalf of social service agencies providing adult day care when the new rules are considered later this month by the General Assembly Joint Committee on Sept. 16, Kustra said.

"As a member of the House Appropriations Committee, I am concerned that a separate line item guaranteeing appropriations for adult day care is being circumvented."

"I hope the issue can be resolved by the Department of Aging prior to the hearing," he said. "If not, I will vigorously oppose any measures to reduce adult day care services."

Patt endorsed by IVI-IPO

Patrick G. Patt, of Morton Grove, the Republican candidate for Regional Superintendent of Schools of Cook County, has won the endorsement of the Independent Voters of Illinois Independent Precinct Organization.

A spokesperson for the IVI-IPO stated that Patt was chosen for endorsement "because of his superb background as an educator. It's long overdue in that office." Patt, 36, has more than 10 years experience in the field of educational administration.

The IVI spokesman also noted that "because of the cutbacks of funding to the schools, this office

Egan wins senior citizen award

The Illinois Association of Nutrition Project Directors recently presented State Senator Robert J. Egan (D-7th) with an award certificate of notable accomplishment in recognition of his "service and support to Services" for our senior citizens.

In response to the honor Egan said: "Our seniors are one of the most valuable assets we have. I am deeply grateful for this honor

and pledge to continue both here and in Springfield to support the outstanding services and programs provided here in this district for the elderly."

Egan has long been a supporter of the Resurrection Retirement Community for senior citizens and was sponsor of "Circuit Breaker" legislation that provides a tax rebate for seniors and disabled living on a fixed income.

Mortgage \$\$...

Continued from MG P.1

be purchasing existing properties priced no more than \$64,000 or new units with a \$74,000 ceiling.

According to village attorney Martin Ashman, since few Morton Grove homes could actually qualify for these mortgages, it was in their best interest to allow the county to float the bond issue.

Uncharacteristically, it was the "residents comment" section in the bi-monthly agenda which carried the most activity at Monday evening's village board meeting.

Mayor Flickinger read a letter from Mrs. Judith Faber-Bigsby, 8712 Fernald, in which she criticized Pier-King Miniature Golf Course owner Nick Bozino for denying entrance to a member of her party who was walking with a cane. She labeled this action as discrimination to the handicapped and asked if there were ordinances prohibiting that.

Mr. Bozino, however, put forth a strong defense of his actions. According to him, the man who was denied entrance could barely walk, even with aid of his cane and had a shoe on his foot, which had sustained a "fairly fresh injury." Bozino said, "we have a responsibility to the people" and his motive was to prevent reinjury of the foot by the many obstacles which are intrinsic to a miniature golf course.

"When a person has a permanent disability, I would never refuse them entry," according to Bozino. He explained that for the past 5 or 6 years he has opened his establishment to disabled children from the Malloy Educational Center, and he presented a letter of appreciation from that school. He also stated that he sponsors Lamb's Farm outings to Pier-King. "Those children have permanent disabilities and are welcome, and they come in free."

According to Bozino, the man in Mrs. Faber-Bigsby's party became obstinate, and resorted to name calling.

Bozino further defended his actions by saying that any amusement park must carry restrictions to protect customers. He noted, for example, how Great America has height requirements for many rides. Speaking for fellow residents of the 8900 block of Ozark, Joe Goldberg pleaded to relief from excessive traffic and speeding on his street. Goldberg said he had presented a petition in August to village administrator Fred Huber and he was awaiting action.

He explained how stop signs were being ignored and that motorists were speeding on the street to make a green stoplight at Dempster. While residents offered their driveways as hideouts for police surveillance, Police Chief Larry Shay said he would investigate the matter.

Raymond Mueller, 8538 Morton, accused his neighbor Tommy Abrams, of operating a car repair facility in his garage and asked the board if this did not violate residential zone restrictions.

Mr. Mueller stated that the police have been ignoring his complaints, because "3 or 4 officers use it for their car repairs." When questioned further, however, Mueller said he "thinks maybe I looked like an officer." He turned license plate numbers of cars being repaired over to Police Chief Shay, who said he would investigate the matter.

Mueller was especially concerned with fire hazards from

welding torches, and one time when a fire did occur, he claimed, the fire chief told him to "shut up and get out of here."

When Fire Chief Brady was pointed out to him however, he said that was not the man.

According to village attorney Martin Ashman, since few Morton Grove homes could actually qualify for these mortgages, it was in their best interest to allow the county to float the bond issue.

Uncharacteristically, it was the "residents comment" section in the bi-monthly agenda which carried the most activity at Monday evening's village board meeting.

Mayor Flickinger read a letter from Mrs. Judith Faber-Bigsby, 8712 Fernald, in which she criticized Pier-King Miniature Golf Course owner Nick Bozino for denying entrance to a member of her party who was walking with a cane. She labeled this action as discrimination to the handicapped and asked if there were ordinances prohibiting that.

Mr. Bozino, however, put forth a strong defense of his actions. According to him, the man who was denied entrance could barely walk, even with aid of his cane and had a shoe on his foot, which had sustained a "fairly fresh injury." Bozino said, "we have a responsibility to the people" and his motive was to prevent reinjury of the foot by the many obstacles which are intrinsic to a miniature golf course.

"When a person has a permanent disability, I would never refuse them entry," according to Bozino. He explained that for the past 5 or 6 years he has opened his establishment to disabled children from the Malloy Educational Center, and he presented a letter of appreciation from that school. He also stated that he sponsors Lamb's Farm outings to Pier-King. "Those children have permanent disabilities and are welcome, and they come in free."

According to Bozino, the man in Mrs. Faber-Bigsby's party became obstinate, and resorted to name calling.

Bozino further defended his actions by saying that any amusement park must carry restrictions to protect customers. He noted, for example, how Great America has height requirements for many rides.

Speaking for fellow residents of the 8900 block of Ozark, Joe Goldberg pleaded to relief from excessive traffic and speeding on his street. Goldberg said he had presented a petition in August to village administrator Fred Huber and he was awaiting action.

He explained how stop signs were being ignored and that motorists were speeding on the street to make a green stoplight at Dempster. While residents offered their driveways as hideouts for police surveillance, Police Chief Larry Shay said he would investigate the matter.

Raymond Mueller, 8538 Morton, accused his neighbor Tommy Abrams, of operating a car repair facility in his garage and asked the board if this did not violate residential zone restrictions.

Mr. Mueller stated that the police have been ignoring his complaints, because "3 or 4 officers use it for their car repairs."

When questioned further, however, Mueller said he "thinks maybe I looked like an officer."

He turned license plate numbers of cars being repaired over to Police Chief Shay, who said he would investigate the matter.

Mueller was especially concerned with fire hazards from

any other necessary office visits. The purpose of the HMO program is to maintain your health by paying for preventive care which will pay for hospital bills after you have a health problem. The monthly premiums pay for all office visits.

In retailing there's a revolution taking place at Field's and Sears and many other stores which we're finding difficult to adjust to. At the local Sears store one lady Bugler had an exhilarating experience last week which we're sure has been experienced by many. When she attempted to receive help in buying some screws and bolts, a salesman pointed to the wall where they were. She had to trudge back to ask him about the bolts, receiving a second pointing by the salesman. When it came to paying for the merchandise, the pointing salesman wasn't taking money at his register and pointed again down the aisle where The Bugler waited 7th in line. When she was about to pay, the register man said the merchandise showed a computerized mark which was 10 cents more per item than that marked on the shelf. When she balked, the cash register man said, "Do you want it or not?" The new self-service, impersonal service is not a very pleasant experience for any customer.

This health program will be resisted. You have a choice of doctors which you must choose from the hospitals which are part of this program. The era of the computer has arrived. Retailing at the large chain stores are becoming more and more impersonal, as our buying habits change. And new centralized hospital and medical programs are aimed at holding down ever-increasing hospital costs.
