Evidence charges Nimrod or family directed petition fraud

by Bob Besser

Evidence alleging that State Senator John Nimrod or a member of his family personally orchestrated a fraudulent petition drive which included forging names and asking out-of-district supporters to illegally circulate petitions has been submitted to State's Attorney Richard Daley.

Frank Lunding, include that Nimrod or a member of his family personally asked friends or supporters to falsely swear they had circulated petitions for Nimrod to be placed on the November ballot when, in fact, these people had not actually collected voters' signatures on the petitions.

that Nimrod or a member of his family coordinated under 18 year old teenagers who were illegally passing petitions in the area. These petitions were allegedly signed by an eligible area resident who falsely swore that he had circulated the petitions. The evidence, which was submitted to Daley on September 14,

Doppler tornado system to be installed by March

by Diane Miller

Through the foresight and untiring efforts of Niles Fire Chief Al Hoelbl and Mayor Nicholas Blase, the Doppler Tornado Warning System will be installed at the Marseilles National Weather Radar Station in March, 1983. This would be prior to the Spring tornado season.

Hoelbl and Blase received a standing ovation from the more than 150 fire chiefs and municipal officials gathered at the House of the White Eagle restaurant in Niles last Thursday, Sept. 16. The luncheon was the culmination of more than 3 years of efforts to

From the Left Hand

by Bud Besser

Restaurateur Chris Carson has been apologizing in newspaper ads, in newspaper columns and wherever he is able to reach his many Jewish customers. He's hoping they'll give him another chance after he angrily wrote a note to a Chicago dry cleaner calling him a "kike" after he alleged the man ruined an expensive suit owned by Carson's wife. The cleaner had the note xeroxed, sent to local columnists as well as to many of his acquaintances, resulting in Carson's business taking a nosedive. Carson is now mea culpa-ing in hopes he will be forgiven and given another chance.

Being Jewish, being a businessman, being a lover of ribs and having had a bit of experience in this name-calling area, I think it's time Carson is given his second chance.

Being Jewish doesn't give me any expertise in the religious area. But I do know next week is the holiest day of the year for Jews, the day of Yom Kippur. It is a day when Jews seek forgiveness from God for their transgressions during the past year. In order for them to set the record straight they must first go to those people who they've been at odds with and set the record straight with them. Only then can they seek God's forgiveness.

If Jews genuinely believe in this act of forgiveness then Carson certainly should be forgiven. He's apologized profusely. He's

Parks may seek interest on delayed \$101,119 payment

Niles Park Board members announced Tuesday night they might seek the interest on \$101,119 from the Cook County treasurer after receiving a tax check in this amount one year after it was due.

In a rather bizarre episode of pursuing the money, finance chairman Elaine Heinen told how she began seeking the outstanding tax money in October, 1981. She made subsequent inquiries to the County treasurer in May and August '82. After a telephone conversation with County Treasurer Ed Rosewell she was

Two Notre Dame students die in car crash

Two Notre Dame High School boys were killed last Friday afternoon after being involved in a 3-car collision in the 6900 block of N. Caldwell.

Killed were Chris Buchman, 17 of 5619 N. Campbell, Chicago and Richard Byrne, 16, of 5631 N. Rockwell, Chicago. Treated and released were Thomas French, 16, of 5625 N. Francisco, Chicago and Bradley Heinz, 17, of 5822 N. Campbell, Chicago. Both French and Heinz were also Notre Dame students. Also treated and released was Carol Sikora, the driver of the third car. The students were on their way home from school when the accident occurred.

Police blamed the collision on drag racing. According to their reports, one of the two racing

told she could pick up the check. She handed the check over to park director Bill Hughes Tuesday night.

Park Commissioner Dan Kosiba inquired whether or not interest could be collected on the delinquency. Park attorney Gabe Barrafato said, "Maybe" though he noted the treasurer might claim the check had been submitted previously but had never been received by the Niles Park District.

After Heinen proudly presented the delinquent check to Hughes, it was noted the check's date was incorrectly made out for "1992". Ms. Heinen took back the check and said she'd march back to Rosewell's office Wednesday morning and have a new one issued with the correct date.

Kosiba noted the district pays the auditor, Peat, Martwick and

Dedication set for Universal Park

Dedication of the Knights of Columbus Universal Park, located at 7877 Milwaukee ave., is scheduled for Saturday, October 2, beginning at 3 p.m. The Knights of Columbus donated \$11,000 to the Niles Park District to purchase and install the playground. The term "universal" means the play equipment is accessible to everyone and is designed especially for the handicapped.

Residents are encouraged to attend the dedication. Refreshments will be served after the proceedings.

Maine Township High School board approved a tentative \$41,159,722 budget for next year at their Monday night meeting while promising approximately 100 protesting residents they will work with a citizen task force to reduce next year's tax levy by the December board meeting.

A newly-formed District 207 Taxpayers Task Force Committee, representing many of the residents in attendance, were told by spokesperson John Gafke

"Nothing could be done about

their 1981 taxes." Many residents reported they received tax increases up to \$1,500 in the Park Ridge area when this year's quadrennial assessments were announced.

Board finance committee members said they will seek to reduce 1982 taxes while maintaining a viable school system.

A report in Park Ridge newspapers quoted Park Ridge Mayor Martin Butler allegedly stating Park Ridge resident

Light refreshments will be served and admission is free, so be our guest.

Northwest Press Club to host investigative reporter

Pulitzer prize winning reporter Pam Zekman, who currently heads a special investigative reporting unit for Channel 2 News, will be the guest speaker at the Friday, Oct. 1 luncheon meeting of the Northwest Press Club.

Zekman has been associated with numerous award winning investigations at both the Chicago Sun-Times and Chicago Tribune for more than a decade. While serving as the Assistant City Editor of Special Projects at the Sun-Times, her "Mirage" story, which documented payoffs to city and state inspectors and tax skimming, earned her the Sigma Delta Chi award, the National Headliners Award and the Illinois

A.P. Sweepstakes Award for the best story of 1978.

In the same year, Zekman went on to reveal medical abuse and fraud in Chicago-area abortion clinics. This investigation led to the closing of three clinics and charges of fraud against two abortion counseling services.

"The Abortion Profiteers" won her another Sigma Delta Chi Award and the Jacob Scher Award for best investigative reporting, among others.

She was named the 1979 Illinois Journalist of the Year by Northern Illinois University and an Outstanding Woman in communications the same year by the Chicago YMCA.

The luncheon meeting will be held at the October Five Restaurant, 8900 Waukegan Road in Morton Grove. Registration begins promptly at 11:45 a.m. Cost for the meeting is \$5.50 for members and \$6.50 for nonmembers. For reservations contact Steve Durlacher at 255-5380.

Center of Concern finds jobs

Pattie Stearns and Betty Asseline find jobs for retired senior citizens. The Employment for Seniors program at The Center of Concern, Suite 4, 1580 N. Northwest hwy., Park Ridge, has successfully placed good many applicants.

"We're doing very well here", Pattie Stearns says, "Now that we are becoming better known we're getting more response from potential employers."

Pattie and Betty try to place job applicants ranging in age from 50 to the late 80's. They interview seniors and provide vocational counseling.

Employment for Seniors is a service partially funded by Retirement Research Foundation. Anyone aged 50 or older is eligible for free placement service.

Dee Heinrich, The Center's director says "we began the program because there was a need". Inflation is tough on people with fixed incomes, and many of our seniors would like to spend their retirement working.

The program places seniors in full and part time positions. "In the past, company policies made placing people in their 70's very difficult," Stearns says, "But these people are stable, well equipped to work and worthy of the opportunity."

Call 823-0453 to make an appointment or for further information. The coffee pot is always on.

Senior Center Women to hold speakout

The Niles Senior Center Women's Club, 8060 Oakton in Niles, will feature a speakout session at the next business meeting of the club on Monday, Sept. 27 at 1 p.m. President Evelyn Heidemann has voiced her hopes that through the speakout that she and program chairperson Helen Krause will be able to continue to meet the interests of the club members.

Members will have the opportunity to present ideas and suggestions for club activity and philanthropic programs for the next year.

One current project is now reaching completion; a stuffed toys for needy children under the leadership of chairperson Dorothy Schreiner. An ongoing project under the leadership of Mary Gattone is the donation of handknitted or crocheted bed-spreads and socks for the patients at Lakeside Veteran's hospital. The Niles Senior Center Women's Club is open to all women registrants of the Niles Senior Center (Niles residents over age 62). More information can be obtained by calling 967-6100 ext. 76.

SHAPE PROGRAM

SHAPE, the Senior Health Action Program, will begin another series Tuesday, October 19, and will continue for the next six Tuesdays from 9:30 a.m. - 11 a.m. at Prairie View Center. SHAPE is an exercise/discussion class to increase mobility and positive health habits.

The SHAPE series emphasizes staying healthy as well as managing chronic conditions, incorporating modified yoga exercises and relaxation techniques. Each meeting will include discussion led by a registered nurse on such topics as aches and pains of aging, particularly arthritis; stress and relaxation as it affects health; use and abuse of medications in the later years; food and nutrition for the older person.

Modified yoga exercise designed for older persons and led by a yoga instructor includes: stretching and flexibility exercises to help remain limber and active; proper breathing to increase vigor and lessen tension; and deep relaxation, the natural way to release tension, to deal with aches and pains and to feel relaxed and alert.

All older men and women in the community are invited to participate in the SHAPE series at Prairie View. There is a \$2 registration fee for the series. Registration is limited and pre-registration is advised. We now have space for about 15 more people to participate in the classes. Further information can be obtained by calling Marcy Amstatter, Senior Services Coordinator at 965-4100.

FLU AND PNEUMONIA VACCINATIONS

The Morton Grove Health Department will be conducting two clinics during the fall to administer flu and pneumonia vaccinations. Any Morton Grove resident age 55 and over can receive either or both vaccinations. The clinics will be held from 1 to 4 p.m. on Thursday, October 14, and from 9 to noon on Saturday, October 16. The clinics will be held in the Morton Grove Senior Center, 6101 Capulina.

Due to increasing vaccine costs, voluntary contributions will be accepted this year. The cost of one dose of the pneumonia vaccine is \$4.90 (its immunity lasts 5 years), and the cost of the flu shot is \$2.43. For further information contact the Health Department at 965-4100.

SENIOR MOVIES

Our senior matinee is once again returning for the fall season and the first movie will be shown on Friday, September 24. A new movie will be shown on the last Friday of each month in the Senior Center at the Village Hall. Our first movie will be McClintock, starring John Wayne.

For more information call Ralph Birmingham at 965-4658.

VOLUNTEERS NEEDED

Volunteers are needed to devote some time to our elderly in Morton Grove. We have quite a few seniors who are unable to drive and have difficulty getting out to the bank and to do their shopping. In addition, many of our older residents are living alone or have no family nearby and they can get quite lonely.

If you feel that you would like to help some of these wonderful neighbors please call Marcy Amstatter, Senior Services Coordinator at 965-4100.

HEALTH AND FITNESS FAIR

A health and fitness fair will be held from 9 a.m. to 3 p.m. on Saturday, October 2, and from 1 to 4 p.m. on Sunday, October 3, at the Nessel Health Center, 1775 Ballard rd., Park Ridge. The fair is free of charge.

Many health screenings and tests will be offered including: hearing and vision screening, glaucoma testing, height and weight assessment, skin-fold testing, blood typing, spirometry (lung capacity), blood pressure, anemia testing, diabetes testing, and hemocult testing (there will be a \$1 charge for this test to cover lab fees and expenses).

There will also be health education displays covering such areas as genetic counseling, obstetrics and gynecology, the Le Boyer method of childbirth, services for the elderly, and many others.

For more information about these and other programs call the Senior Hot-Line, weekdays, 9 a.m. to noon at 965-4658, or Marcy Amstatter, Senior Services Coordinator at the Village Hall, 965-4100.

Self Help for Hard of Hearing

Shhh, Self Help for Hard of Hearing people was founded in 1979 to help those who cannot hear well, but are not deaf. It is a national volunteer organization of hard of hearing people, their relatives and friends. It is an educational association which provides local support groups so the hard of hearing can share experiences and learn more about how to cope with their handicap. Shhh meets the third Tuesday of each month from 7:30 to 9:30

Rabbis to conduct Memorial Services

The Chicago Board of Rabbis will conduct its 26th Annual Kever Avot (Memorial Services) at Shalom Memorial Park on Sunday, September 26 at 11 a.m. The services, which are always held during the High Holy Days when it is traditional to visit the final resting place of a loved one, will take place in the Chapel of the Woods at Shalom, Rand rd. (U.S. 12) and Route 53 Expressway, Palatine, and it is anticipated that more than 2,000 will be in attendance.

Participating in the service will be Rabbi Mordecai Simon, Executive Vice President, Chicago Board of Rabbis, stated, "The Kever Avot Services, which we hold on the Sunday between Rosh Hashana and Yom Kippur, can serve as a reaffirmation of our faith and an identification with the ideals of our departed loved ones. As it occurs during his holy season, there can be no

better time to rededicate ourselves to a positive commitment to Judaism and its principles."

The service will include the chanting of the El Mole Rachamim, the recitation of the Kaddish, and special prayers will be offered for the Six Million, the victims of the Holocaust.

Participating in the service will be Rabbi Mordecai Simon, Executive Vice President, Chicago Board of Rabbis and Harold P. Smith, President, Hebrew Theological College, Skokie; Rabbi Joseph M. Strauss, Temple Menorah, Chicago; Rabbi Carl Wolkin, Congregation Beth Shalom, Northbrook; Cantor Harry Solowinichik, Maine Township Jewish Congregation, Des Plaines and Herschel Auerbach, President of Shalom Memorial Park.

Belden Regular Baptist Church studies ordination

On Thursday, Sept. 23, area pastors of the General Association of Regular Baptist Churches will assemble at Belden Regular Baptist Church to examine the preparedness of Howard Dinsmore to the Gospel Ministry of our Lord and Savior Jesus Christ. The ordination council's sole purpose is to thoroughly study and examine (mainly by verbal questioning) an individual before setting him apart for ordination into the ministry. The main points that will be examined will be Mr. Dinsmore's conversion, his call to the Gospel ministry, his doctrinal statement of faith, and Bible knowledge.

Mr. Dinsmore was raised in a Christian home, where God's Word was read and prayer offered each morning and evening in family devotions. Says Mr. Dinsmore: "These devotional periods had a profound influence on my life, for not only did I come to have a fair knowledge of the Scriptures, but many times God spoke to me concerning sin in my life through His Word."

In 1980 Howard Dinsmore "retired" after having worked for 21 years as doorman at 1150 N. Lake Shore Drive in Chicago. Upon "retiring" he became a fulltime chaplain with Good News Missions at the Cook County Department of Correction where he had served as a volunteer for several years.

On Sunday evening, Sept. 26, "...the desire which I had since I was a small boy to serve the Lord as a pastor or a missionary" will be fulfilled when Howard Dinsmore is ordained into the Gospel Ministry, upon approval of the ordination council, by the Belden Regular Baptist Church of Niles.

SJB forms Bible Sharing group

St. John Brebeuf Parish in Niles will soon begin hosting a weekly Monday morning Bible Sharing program. Participation is open to all those in the Niles area who are interested in searching more deeply into the Lord's Word as it is revealed to us in Sacred Scripture.

Sr. Dorothy Schwendinger, who holds master degrees in both theology and psychology will facilitate the group. Sr. Schwendinger says, "We know that reading the Bible is not as difficult as many think but still we cannot honestly say it is easy. We need certain fundamental skills and understandings but still we need to actually read the Word, reflect on our own experience of its truth, and share that faith with those who search with us."

The weekly sessions will include reading Bible Passages, some input on the insights of Catholic scholars, an opportunity for faith, sharing and prayer. Selected portions and themes from both the Old and New Testaments will be used.

The group will begin with a consideration of the Gospel of Mark. Reflection guides and materials will be available. The introductory meeting for this Bible Sharing group will be held Monday, September 27 from 9:30 to 11 a.m. at SJB Convent, 8301 N. Harlem. Registration may be done then or by a prior call to Sr. Dorothy Schwendinger at 967-6120.

Search for Truth

Who is God...Who am I...Where did I come from...How Can I be Happy...Where am I going? Rev. Karl Harold, an ordained Minister of the Pentecostal Churches of the Apostolic Faith, and his wife Mandy, an Evangelist, will begin a Bible Study in Niles on Thursdays beginning Sept. 30 from 7 to 8 p.m. followed by discussion time.

If you wish to attend call 647-8779.

Blood drive at E.P.L.C.

The Seventh Annual Blood Drive for Edison Park Lutheran Church will be conducted Thursday, September 23, from 4 p.m. to 7:30 p.m. at the Church, located at Avondale and Oliphant aves. in Chicago.

Blood is good for 21 days. During the next 21 days, as many as four people may be helped from your gift of blood. The red cells may be used during open heart surgery. Another part of the blood is "cyro". People who have bleeder's disease need this part to help their own blood clot. A third person benefiting might be a leukemia patient; your platelets may keep them alive.

And, lastly, plasma, the fourth part, could be used to treat a burn patient or accident victim.

To donate blood, individuals must be between 17 and 65 years of age and weigh at least 110 pounds. Eased restrictions now permit individuals taking medication for allergies to donate blood if they are symptom-free of allergies at the time of donation and donors on medication for hypertension are acceptable if their blood pressure is normal at the time of donation.

Please call (631-9131) or sign up now at the Church office as a donor.

Niles Family Service's Fall discussion series

Niles Family Service is pleased to announce that the fall discussion series will begin on Sept. 30 at 7:30 p.m. Our first discussion topic will be on the return of the older son or daughter back to live with the parents. More and more parents today are experiencing the situation in which their children - grown and independent - are moving back home. For some, it is of necessity. Few young families can afford the high mortgage payments needed today to finance their home. Other children have suffered the trauma of divorce and have seen their income (as well as their emotional well-being) torn in half. Others are frightened about this world and seek the shelter and safety of their parents' home. Of course, some children are just plain lazy. Some parents have encouraged them to come home or stay home. Some have refused to take their children back. Most parents, however, are torn with different feelings. They feel guilty if they turn their children away, yet upset that their cherished freedom has been taken away, or moreover feel greatly burdened again.

Mary Ann Jung, wife and mother of 6 children ages 15, 19, 20, 21, 22, and 23, will speak about this new American dilemma. She will speak from her personal experiences and from the personal experiences of others. There will be ample time for questions. Join her at the Niles Public Library, 6960 Oakton St., at 7:30 p.m. on Thursday, Sept. 30. There is no charge. For information call Dr. James Cisek at 692-3396.

For Ladies - An Arts & Crafts Tour

With the help of Marsha and her "My Kind of Town" Tours, the Niles Park District will offer to the ladies of Niles, an arts and crafts tour of Chicago! The day will include a visit to the studio of a remarkable artist who sculpts in bronze and sand and a demonstration of his artistry. Then it's off to an Oriental Rug Bazaar and a unique gallery of Southwestern American Art. You will be able to witness a jewelry demonstration and an Artisan Gallery. A succulent buffet style luncheon at Northwestern University will compliment the day! The date is set for Tuesday, October 5th, but you must register at the Rec. Center, 7877 Milwaukee Ave. by Sept. 27th. The resident fee is \$18.00 and the non-resident fee is \$27.00. The cost includes transportation, tour fees, admissions, lunch, donations and gratuities. Call 967-6633 for information on all the Ladies Choice Trips!

Off the NILES POLICE BLOTTER

Given the boot

A 27-year-old Des Plaines man was arrested on Tuesday, Sept. 14, for shoplifting at a Niles store. Police report the man was shopping at K-Mart, 8650 Dempster st., when he was seen by store employees leaving the store without paying for a pair of boots valued at \$40. After being detained the offender was taken to the Niles Police Department where he was charged with shoplifting. He was assigned an October court date and released on \$100 bond.

Trailer hijacked

A Chicago business reported a semi-trailer was stolen while parked in Niles some time around September 1. Officials of Availco Systems of Chicago said the 40-foot trailer was parked at 6150 Touhy ave. when it was stolen. Company officials said the trailer was valued at \$10,000.

Burglar scared off

An alert neighbor scared off a burglar as he was trying to enter a Niles house on Monday, Sept. 6. Police report a resident of the 8100 block of Oconto st. heard glass breaking in the back of his neighbor's house. Upon investigating, the Niles man saw a man run through the neighbor's yard into an alley where he fled in a car. Checking the neighbor's house, the man found a basement screen and window had been broken as the burglar attempted to gain entry.

Home burglarized

A Niles home was burglarized some time between Sept. 2 and Sept. 8, according to police reports. While residents of the 8100 block of Church st. were on vacation burglars gained access to their home by prying open a back door. Once inside the house the burglars ransacked the bedroom only. The homeowners said they would submit an itemized list of the missing items.

Business vandalized

A Niles business reported being damaged by vandals on Friday, Sept. 10. According to officials of Stereo Studio, 9014 Milwaukee ave., vandals shot B.B.-type pellets through an eight foot by eight foot window during the night. The replacement value of the window was placed at \$300.

Determined burglars

A Niles business was burglarized on Friday, Sept. 17. According to police, thieves used two concrete bricks and a car battery to smash a six foot by eight foot plexiglass window at Singler and Drum Co., 6333 Milwaukee ave. Once inside the building the thieves took a set of drums valued at \$400.

Computer stolen

A Niles business reported a computer was stolen from it during the night of Thursday, Sept. 16. Midwesco Co., 7720 Lehigh Rd., reported that between 11 p.m. and 5 a.m. unknown persons stole the computer and accompanying computer printer. The value of the computer was placed at \$4,500.

Publicity Workshop for local groups

MONNACEP will offer a practical workshop for publicity chairmen of community organizations, schools, churches or anyone wanting to improve their groups' press coverage.

The workshop will be held Saturday, Sept. 25, 9:30 a.m. to noon at OCC, 1600 E. Golf rd., Des Plaines. Cost is \$3 per person.

Members of the Northwest Press Club will help participants write better press releases and make press contacts.

Illegal alien arrested

A 31-year-old illegal alien, residing in Chicago, was arrested for shoplifting in Niles on Saturday, Sept. 18. Police report the woman was shopping at K-Mart, 9000 W. Golf rd., when she was seen placing merchandise in her purse worth \$73.43. Stopped at the door the woman was detained and later brought to the Niles Police Department where she was charged with shoplifting. She was assigned an October court date and released on \$100 bond. Niles Police were prepared to turn the woman, a Polish national, over to federal authorities for possible deportation proceedings; however, federal authorities asked that she be released and they would do a follow-up on her.

Eatery burglarized

A Niles restaurant was burglarized during the night of Saturday, Sept. 18. Police report unknown persons broke out two glass doors to gain entrance to Petit Palais, 9003 Milwaukee ave. Once inside the restaurant the burglars took \$1,500 in cash from an unlocked safe.

Ambitious thief

A 22-year-old Niles resident was arrested on Thursday, Sept. 16 after being seen stealing three food processors from a local store. Police report the Niles resident was shopping at Sears Roebuck and Co., 400 Golf Mill, when he was seen leaving the store with three food processors he had not paid for. After being detained by store security officials the man was brought to the Niles Police Department where he was charged with shoplifting.

He was assigned an October court date and released on \$100 bond. Store officials said the stolen food processors were worth \$229.

Drunk driver arrested

A 32-year-old Chicago resident was arrested for drunk driving and leaving the scene of an accident on Thursday, Sept. 16. Police report the man was driving north on Caldwell ave. when, while making a left turn onto westbound Touhy ave., he hit the auto of a Chicago resident stopped for a traffic light on east-bound Touhy. Speeding off, the man was later apprehended by

Wrestles with burglars

A Niles resident grappled with burglars who had burglarized his apartment on Tuesday, Sept. 14. A resident of the 8500 block of Milwaukee ave. reported returning home with a friend when he saw the living room shade move and a face in his window. His friend immediately ran to the back of the building where he tackled one of the fleeing burglars. However, with the assistance of another burglar, both men escaped. Police officials said little merchandise was taken and there were no signs of forced entry. The burglars were described as being between 25 and 27 years old.

Demon Guard Swim Program

It's time to start the 12th year of Demon Guard at Maine East High School.

What's Demon Guard? It's an organization of outstanding high school students dedicated to teaching children of the community how to swim properly. There are 40 instructors in the Demon Guard program at Maine East.

Starting Saturday, September 25, and most Saturdays throughout the school year, Demon Guard will be teaching swimming at 9 a.m. and 10 a.m. Interested parents with children between the ages of 5 and 12 may register at the new pool the morning they plan to start. A six lesson ticket may be purchased for \$10.

For additional information, call Maine East (825-4484) and speak with Demon Guard sponsor Art Belmonte.

Captains of this year's squad are Jenny Such of Park Ridge and Judy Tarlos of Morton Grove. Other returning Demon Guard members are Marie Blumenthal of Glenview, Mike Bobowski of Niles, Maren Cooks of Niles, Duane Depa of Niles, Nancy Dunn of Morton Grove, Tim Dunn of Morton Grove, Laura Durkalski of Park Ridge, Lisa Frenz of Niles, Larry Grazian of Morton Grove, Terri Knutel of Park Ridge, Chris Kwon of Morton Grove, Harold Lee of Niles, Dave McFeggan of Niles, Renee Minkley of Morton Grove, Kathy O'Brien of Morton Grove, Leanne Schatz of Des Plaines, Anita Schmidt of Park Ridge, Gary Slotnick of Des Plaines, Kim Torson of Park Ridge, Lynda Trauner of Niles, and Tracey Walsh of Niles.

Oakton Harriers breeze to victory

Oakton Community College's harriers took five out of the first six places, running away with three-mile Oakton Invitational, on Friday, September 10, at Niles West High School.

Jukka Kallio led the field of runners from five schools almost from the very start. Running the third mile as fast as his first, he finished in 14:52, followed by Steve Rosenblum, 15:04, and Jesse De La Fuente, 15:34. Dwight Bohne, running in his first cross country meet in two years, placed fifth in 16:01. Mike Harrington's 16:03 was good enough for sixth.

"A good overall performance for the first meet on the season," Coach Pat Savage noted. "I told the guys after the race that they shouldn't be discouraged if they didn't do as well as they hoped. Because it's the first meet, you don't yet have a feel for running all out. Also, it's a hot humid day and when that wind hits you it takes a lot out of you."

The strong wind did not stop the very deep Raiders from blowing out the competition. Nine out of

the first 14 finishers were Oakton runners. OCC's 10th man, Jeff Turkin, was faster than last year's fifth man.

"It's quite a difference from last year's team," exclaimed Savage, when Oakton had Steve Rosenblum and little else. "If we had this team last year we would have won state (Region IV) easily. But you never know, this could be a strong year for everyone. We still might not be good enough."

Circle graduates

The University of Illinois at Chicago Circle awarded 411 graduate degrees during commencement ceremonies at the close of the spring, 1982 quarter. Local graduates include: from Des Plaines, Nancy Epstein Avishar, Alan Kost, Karen Helmer Riske, Andrea Fogelson, Lincolnwood; Catherine Ann Terdich, Morton Grove; Adam Keke, Niles, and from Skokie, Laurette Fiochi, Paraskevi Gazis, Frank Leibner, James Parvis, and Susan Stamler.

2,000 runners will meet at Niles West

They'll be coming from Lake Zurich and Lisle, Wauconda and Wheeling, and Cary too, for the largest high school cross country invitational in the state. Eighty nine high school girls' and boys' teams will participate in this year's Indian Invitational on October 2 at Niles West High School. "We'll have approximately 2,000 runners entered in this meet," predicts Judi Sloan, the girls' varsity cross country coach.

Races will begin at 9:15 a.m. with the freshmen boys' 2 mile run, to be followed by the sophomore boys at 9:40, the varsity girls at 10:05, the varsity boys at 10:40, the novice boys at 11:35 and the novice girls at 11:43. An awards ceremony will follow at approximately noon in the Niles West contest gymnasium.

Pat Savage, the boys' varsity coach, as well as Sloan expect their teams to be among the top finishers in this invitational. Other boys' teams to watch will be Streamwood, Thornton Fractional South, Wheeling, Glenbrook North, Hinsdale South and Libertyville, according to Savage.

On the girls' side, the coaches predict that most eyes will be on Evergreen Park's Laura Haggerty, the reigning individual state champion, whose team is also entered in the meet. Other girls' teams to watch, according to Sloan, are Niles North, York, Wheeling, Glenbrook North and South, Hinsdale South and Libertyville.

The starting line for the races is located at the south west corner of the school fields, with parking available adjacent to Austin ave. Admission is free.

Frosh cheerleaders

Eight girls have been named to the 1982-83 freshman cheerleading squad at Maine East. They are Julie Alberts of Niles, Pam Cohen of Des Plaines, Laura DeLage of Morton Grove, Denise Matouski of Niles, Kelly McCarthy of Park Ridge, Debbie Walsh of Niles, and Edie Whitefield of Morton Grove.

Rangers Minor Hockey tryouts

The Rangers Minor Hockey Association will hold their late tryouts through Sept. 30 for players who were unable to attend the first round of tryouts. Note: There are still openings in all divisions.

Maine East Homecoming Weekend

It's never too soon to start publicizing Homecoming, which will be held October 15-16 at Maine East. Pictured above (standing) Maine East Student Council member Sharon Biales, a senior from Morton Grove, works on Homecoming posters with (l. to r.) Helen Cios, a senior from Glenview, and Kevin Bartus, a senior from Des Plaines, both of whom are Student Council members.

Oakton golfers plan championship season

There is no substitute for experience. The nice thing about sports cliches is that they often are true. Or at least Oakton Community College's golf coach Rich Symonds hopes so. Because it is the one difference between this year's Raider team and perennial Skyway Conference Champion, Lake County College.

"This is our year," says Symonds, "because they (Lake County) won't have anyone back from last year's team. It's still a two-team race, but we feel that with our experience, plus a couple of new players, we have an excellent chance to win the conference title."

All six golfers on the OCC team this fall are sophomores, three of whom are back from last year's second place squad.

Leading off for the Raiders will be last year's midwest long drive champion, Rich Synek (pictured). Synek led New Trier West to the 1979 state championship. Oakton's number two player, Scott Martini, was Maine West's number one player in '79. Both have the potential to qualify for the National Junior College Championship Tournament.

"In the Raiders' September 7 first meet against Harper Community College and Moraine Valley Community College, Martini took first with a 76, followed by Synek's 77. Unfortunately, the Raiders feel three strokes behind Harper in the team score.

"A couple of our players ran in to water trouble on the front nine, resulting in a couple of penalty strokes that we couldn't recover from," recalls Symonds.

The two players Symonds is referring to are Sean Byrne and Bill Meek. Both shot an 84.

"Realistically, both are capable of scoring better than today's score would indicate," assures Symonds. "The first meet of the season and their initial nervousness certainly had something to do with it."

Byrne, back from last year's team, and Meek, a sophomore and former Notre Dame High School MVP, will have plenty of opportunity to redeem themselves in the next six weeks which

Edison Park boys basketball registration

Edison Park Youth will be holding their boys basketball registration at Olympia Park, 6566 N. Avondale on Saturday, September 25 and October 2 from 10 a.m. to 1 p.m.

Take pride in the Niles park facilities

Dear Editor:

I expressed a desire to go along on a parks tour of the Niles Park District which the commissioners routinely take with some administrative staff, and was graciously asked by the director as a representative of the board. The tour took us to the office and recreation center on Milwaukee, then to Oakton Manor Park, Greenwood Park, Golf Mill Park, Ballard Sports Complex, and finally Grennan Park's Louis Schreiner building.

The parks are truly taking shape as recreational facilities and places of pleasant surroundings where young and old can enjoy themselves. The very able staff of our district have been carrying out a comprehensive program that is making what I, at one time, called empty park district lots, into places of beauty and utility.

But one thing they do need in spite of their hard work is the cooperation and pride of the citizens of Niles. If every person who used and took pleasure in the parks would be as proud and helping as the administrative staff who puts it all together, we would have a park system second to none that we all could enjoy.

Those who are trying to undo what a very dedicated park system staff is working to improve can only hurt themselves and those who want to use the facilities.

Wanton destruction, and those who witness it and do nothing, are counter-productive to the good life that the majority of Nilesites enjoy. It isn't just time and money we're wasting in putting it right again, it's an undermining of dedication and pride that so many people work towards.

From the relatively new handicapped park facilities, the garden landscaping, and the many other things available to us, we can be proud that we live in a village that does so much and has so much for us.

In closing, I would like to give credit to Ms. Lucy Barrett, who did such a fine job as a part-time park district summer employee, drawing large Mother Goose rhyme pictures on the inside walls at the newly spruced up Oakton Manor building for the pleasure of the children that use that building in park district programs. I know it was part of her job, but I see a job well done with much care and feeling behind it.

Yours truly,
Val Engelman
Niles

P.S. Her work is just one of the many improvements put forth by the administrative staff as an ongoing attempt to beautify and expand our facilities. Come on! Let's all help to build up; it's the right way to go.

Roses for Niles Paramedics

Dear Editor:

I would like to take this opportunity to thank a wonderful group of men - the Niles Paramedics, Engine 2.

When I needed them recently, the answer was immediate. I have never seen more concerned, caring and efficient people as they were.

I shall think of them always as friends and heroes.

Thank you all, you are appreciated.

Very sincerely,

Assess MG areas with flooding problems

Dear Sir:

Mayor Flickinger's message of flooding, appearing in the Village News Summer issue, disturbs me very much.

Throwing millions of dollars at the problem (upwards of \$6 million) is not the way to try and solve the problem. Realistically, the problem can never be totally solved (which the village admits). Even if all our homes were equipped with expensive overhead sewers, there is still no guarantee the flooding will end.

But is the problem as big as it's being made out to be and that the entire town is flooding??

The mayor should FIRST determine the specific and most serious problem areas. Then, and only then, the village should do like it used to do...consider special assessments for those areas most affected. Consult the people in those areas, ideally thru the referendum process, BEFORE taxes are raised to pay for the possibility of correcting the problem. Those areas that want to problem corrected should pay for the cost...NOT the entire community!!!

When Mr. Flickinger was a trustee, he pushed thru special assessments for street paving. Today, the same process should be followed on the flooding problem.

Don't jam down the entire community's through a \$6 million project that no one knows will solve the problem or can guarantee relief. A taxpayer revolt may follow if you do, Mr. Mayor.

Sincerely,
John Hilkin,
M.G. Tax Limitation Committee

Commends Nimrod for emergency aid

Dear Editor:

A few weeks ago a customer in my restaurant suffered a heart attack. My call for assistance was immediately answered by Senator John J. Nimrod, who drawing upon his emergency medical experience gained in the military and subsequent community training, assisted her son-in-law in the life-sustaining efforts until the paramedics arrived.

The paramedics quickly and without fanfare gave her medication by IV, asked pertinent questions of family members, contacted the hospital by portable phone for further instructions, and monitored the patient's response. After some 20

Blood Center thanks donors

Dear Editor:

On the occasion of our 10th anniversary, we would like to thank every individual, organization and community who has supported the North Suburban Blood Center.

This first decade of community service would not have been possible without the donations of hundreds of thousands of volunteer blood donors and countless other volunteers who have given their time and enthusiasm to the regional volunteer blood donor program. Over 550,000 units of blood have been provided by volunteer blood donors since the North Suburban Blood Center was established in September of 1972. These donations have saved or enhanced the lives of countless patients.

With each year, the need for blood has increased and the North Suburban Blood Center has grown to meet that increasing need. Today, the Blood Center must supply over 57,000 units of blood each year to its 13 member hospitals. These 13 hospitals in Northern Cook and Southern Lake Counties receive their total supply of whole blood and blood components from the North Suburban Blood Center.

We thank each and every donor who has donated for the North Suburban Blood Center, and we thank every volunteer who has given of him or herself in such a personal way in the past ten years. We count on your continued support in our second decade.

Sincerely,
J. Daniel Connor
President

Questions IVI support of Kustra

Dear Editor:

I believe the Independent Voters of Illinois should change their name. How could they possibly lend their support to Robert Kustra who is anti-ERA, anti-abortion, and pro-machine guns and hand grenades? Have they done their homework? Have they read this candidate's voting record? He is straight downstate Republican. Where are examples of his independence?

Louis Black has so much more to offer the residents of the 28th District. His public record reflects independence, integrity and honesty.

Perhaps the interviewing committee of the IVI needs lessons in objectivity and independence. Was this decision a foregone conclusion? Is the IVI interview just a joke?

The local IVI people recommended both Kustra and Black as qualified. Suddenly, the State IVI board changed that decision.

Is it possible that Kustra's former boss, Senator Charles Percy, influenced someone?

Very truly yours,
Ruth E. Slezman,
Attorney at Law
Park Ridge, Ill.

Commends Sheffer's stand on 'downzoning'

Dear Editor:

House Bill 717, or "downzoning", has absolutely nothing to do with homeowners. A single family home cannot be downzoned because there is no lower real property rating than that of residential property.

Diana Sheffer is absolutely right in her attack. This bill is one which would be completely antagonistic to neighborhood preservation. Sometimes a community has had a history of extremely bad zoning practices and factories have been built in the middle of residential areas. As years go by the factory may close and a duly elected governmental body may, after careful research and consideration, wish to "downzone" the property and restrict it back to residential zoning in order to improve the community.

If the owners of the property feel that the governmental planning body did not have justification in doing so they may take the case to the courts.

The American Planning Association felt that this was an extremely bad piece of legislation in that it would unduly restrict planning agencies and be a detriment to the preservation of residential communities such as the ones in the 55th legislative district.

District 63 school lunch program

East Maine School District 63 today announced its policy for Free Milk or Meals for children unable to pay the full price of milk served under the Special Milk Program for the following schools:

- E.S. Melzer School
- V.H. Nelson School
- A.E. Stevenson School
- Mark Twain School
- Washington School
- Gemini School

Local school officials have adopted the following family size/income criteria, as issued by the United States Department of Agriculture, for determining eligibility: (July 1, 1982 through June 30, 1983)

FAMILY SIZE	FREE LUNCHES	REDUCED PRICE LUNCHES
1	\$6,000	\$6,660
2	6,000	11,510
3	10,000	14,360
4	12,000	17,210
5	14,000	20,060
6	16,000	22,910
7	18,100	25,760
8	20,100	28,610
Each additional family member	+2,000	+2,850

Children from families whose income is at or below the level shown are eligible for Free or Reduced Lunches.

Application forms are being sent to all homes in a letter to parents. Additional copies are available at the principal's office in each school. Applications may be submitted at any time during the year. To discourage the possibility of misrepresentation, the application forms contain a statement above the space for signature certifying that all information furnished in the application is true and correct. An additional statement is added to warn that the application is being made in connection with the receipt of Federal funds, that school officials may verify the information in the application and that deliberate misrepresentation of information may subject the applicant to prosecution under applicable State and criminal statutes. The application must be completed or it will be denied. In order for an application to be complete, you must provide the total household income, the names of all household members, social security numbers of all household members 21 years of age or older or state that a household member does not have one and the signature of an adult household member.

If a family member becomes unemployed or if family size changes, the family should contact the school to file a new application. If your child is approved for lunch benefits, you must notify the school when your household income increases by more than \$50 per month (\$600 per year) or when your household size decreases.

In certain cases foster children are also eligible for these benefits. If a family has foster children living with them and wishes to apply for free or reduced price lunches for them, the family should contact the school.

All children are treated the same regardless of ability to pay. In the operation of child nutrition programs, no child will be discriminated against because of his/her race, sex, color, national origin, age or handicap.

Under the provisions of the policy, Patricia A. Kolvek, Assistant Business Manager will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the official, he may wish to discuss the decisions with the determining official on an informal basis. If he wishes to make a formal appeal, he may make a request in writing to James E. Bowen, Business Manager, 10150 Dee Rd., Des Plaines, Ill. 60016 or call 299-1900 for a hearing to appeal the decision. The policy contains an outline of the hearing procedure.

The Gemini School and the office of the East Maine School District 63 has a copy of the complete policy, which may be reviewed by any interested party.

Raffe endorses Kustra at fundraiser

"That's my choice," said Maine Township Republican Committeeman Phil Raffe (r.) pointing to State Rep. Bob Kustra (R-Glenview) (l.), Republican candidate for the 28th District state senate seat. With them at Kustra's highly successful fundraising event Tuesday, Sept. 14 are Donald Rurwield (second from r.) chairman of the event; Niles Township Republican Committeeman Patricia Handzel of Skokie (c.) and Mary Jo Arndt of Lombard, 6th District Republican State Central Committeeman.

Kustra gets top rating from businessmen

State Rep. Bob Kustra (R-Glenview), Republican candidate for state senator from the new 28th District, has earned a 100 percent rating from the National Federation of Independent Businesses based on his 1981 and 1982 voting record in the 82nd General Assembly.

"I have been extremely sensitive to the problems faced by small businesses in my district and have placed a high priority on supporting measures to improve the business climate and employment opportunities in Illinois," Kustra said. "It is extremely gratifying to find my efforts rewarded by the National Federation of Independent Businesses and other organizations."

Kustra also received a 90 percent rating from the Illinois State Chamber of Commerce and an 85 percent rating by the Illinois Manufacturers Association based on 1982 votes reviewed by those groups.

Residents named to Yates election committee

Six prominent suburban residents have been named co-chairs of the Committee for the Re-election of Democratic Congressman Sidney R. Yates in the November 2 general election. They are: Marjorie Benton, Dorothy King and Edna Summers of Evanston, Richard Hartigan of Glenview, Phyllis Sutker of Skokie and Lawrence Robins of Wilmette.

The Yates for Congress Committee has opened campaign offices at 4020 Church st. in Skokie and at 831 Main st. in Evanston. Diana Hunter, president of the Skokie Public Library Board, is the suburban campaign manager.

The Ninth District of Illinois, which Yates now represents, has been expanded from Chicago to include all Evanston and parts of Des Plaines, Glenview, Golf, Morton Grove, Niles, Northbrook, Skokie and Wilmette.

Porter wins Watchdog Award

In recognition of his votes to save taxpayers' dollars by curtailing wasteful government spending, Congressman John Porter (R-10th) has earned this year's Golden Bulldog Award.

Porter and other recipients will be honored Sept. 16 at a ceremony in the Gold Room of the Rayburn Office Building on Capitol Hill. The award program is conducted by Watchdogs of the Treasury, Inc. George Koch, president of the organization, told Porter that the purpose of the program is "to recognize members of Congress like yourself who have shown a dedication to preserving fiscal integrity."

The organization believes that curbed spending is of the essence if continuing federal deficits are to be reduced and the economy is to be brought under control.

In May, 1982, Watchdogs of the Treasury, Inc., succeeded the National Associated Businessmen, Inc. which originated the program in 1964.

Black endorsed by N.O.W., United Hellenic voters

Louis Black, Democratic candidate for State Senator, 28th District, has received the endorsements of the National Organization of Women (N.O.W.) and the United Hellenic Voters of America, Illinois branch.

Black commented that he is very pleased by the endorsements. He said: "It is very satisfying to have N.O.W. recognize my long-standing support of women's rights."

"You only have to attend a meeting of my executive campaign committee to understand that women are equal partners in the running of my campaign," he added.

The United Hellenic Voters of America evaluates candidates on the basis of their understanding and commitment to the American philosophy of representative government.

The Hellenic organization assesses candidates on their understanding of the position they are seeking, the candidates' comprehension of issues, and responsiveness to their constituency.

Black continued: "I welcome the support of these excellent organizations. As Niles Township Clerk I have been hardworking and fiscally responsible. I would bring these attributes and many others to the Illinois Senate."

Nimrod denounces attempts to drop him off ballot

"Apparently the intimidation, harassment, and threats to the people who circulated my petition for re-election to the Illinois Senate are going to continue," said State Senator John Nimrod. "The decision of the Electoral Board was that there were adequate signatures and that my name should be kept on the ballot, and judicial review by the Circuit Court sustained that decision. Kustra's attorney then requested a rehearing before Judge Joseph Schneider but was denied."

"This morning my attorney advised me that a brief was being prepared to take this challenge to my constitutional right to be on the ballot directly to the Supreme Court," Senator Nimrod continued. "Evidently their purpose is to bleed me financially so that there will be no funds left for campaigning but, most importantly, my opponent Kustra continues to divert the public's attention from the major differences in our views and voting records, as was so effectively done in the primary election. My opponent does not want his voting record exposed to public view."

To place Senator Nimrod's name on the ballot, more than 5,300 signatures were gathered by over 150 volunteers. "This was an honest effort by people who are dedicated and committed to lowering real estate taxes. Such efforts should not be subjected to erroneous claims. Mr.

Kustra's tactics question the integrity of the 150+ people who circulated my petition and deny the 5,300 signers of my petition the right to become involved in the governmental process," the Senator charged.

Senator Nimrod also questioned whether contributors to the party and Senate campaign funds were aware that their monies were being used for legal fees to continue such tactics. Finally, he questioned whether the public was aware of the involvement of elected city officials of Des Plaines, Park Ridge, and Maine Township, as well as State employees and attorneys who were pitted against his group of volunteer housewives during the checking of signatures in the County Clerk's office for several days.

Fund Raising event for Walters

The Citizens for Walters Finance committee will host a fund raising event in honor of Bill Walters, Republican candidate for State Senator, at the Snuggery Pub, 6727 N. Olmstead, on Tuesday, September 28 from 5:30 to 9 p.m.

Tickets may be purchased at the door or by contacting Citizens for Walters at 774-5986.

Walters, president of the Edison Park Community Council and an assistant Cook County States Attorney, is seeking election in the newly redistricted 7th Senatorial District which includes the far northwest side of Chicago and parts of Park Ridge, Niles and all of Norridge and Harwood Heights.

This is the last major fundraiser of Walters campaign for the Senate. Walters is proud of the fact that all of his fundraisers were held in the 7th District and were attended by hundreds of 7th District residents.

Robert Egan, Walters opponent in the fall election held his major fundraisers outside the district, including 2 held at Faces on Rush st. and one held at the Chicago Yacht Club.

Pullman walking tours in October

Pullman, the nationally renowned historic district on Chicago's South Side, will be a busy place in the early part of October.

Visitors will be able to take a guided walking tour on Sunday, October 3. Knowledgeable volunteers conduct groups through the district, commenting on the architectural and historic elements which make Pullman unique. Two major buildings - The Greenstone Church and The Hotel Florence - are seen as part of the tour. A slide presentation helps to explain the origins of the district and the ongoing effort to preserve and restore the hundred-year-old buildings erected as a model town by George M. Pullman's Palace Car Company. The tours start at the Historic Pullman Center, 614 E. 113th st. at 12:30 and 1:30 p.m. The cost is \$2 for adults and \$1 for students. Proceeds benefit the Historic Pullman Foundation.

A return trip is warranted on the following weekend, October 9 and 10, the time of the Ninth Annual Pullman House Tour. This is the only occasion on which private homes are open to the general public. A total of nine are on the tour this year, the largest number ever to be included.

Swedish Fall Fest

Among the highlights are the only example yet to be found of stencilling with a Pullman home, an oak ice box, and fierce-looking animal heads which originally adorned a temple car in India.

The house will be open from 11 a.m. to 5 p.m. on both Saturday, October 9, and Sunday, October 10. Tickets priced at \$7 will be available at the Historic Pullman Center, 614 E. 113th st.

Auditions for "The Rothschilds"

Boys between the ages of 8 and 14 and adult male dancers are needed for the Chicago and National Theatrical Troupe production of the Broadway musical, "The Rothschilds."

Auditions are being held at Centre East, 7701 Lincoln ave. in Skokie on Saturday, Sept. 25, starting at 9 a.m. Please enter the building on the Mulford st. side just to the left of the stage doors.

The boys should be prepared to sing any song from a Broadway musical. "The Rothschilds," which never played the Chicago professional stage, starred Hal Linden on Broadway for almost a year. Linden was chosen to play Barney Miller in the television series as a result of his performance as Meyer Rothschild.

"The Rothschilds" opens at Centre East Auditorium on Saturday, Nov. 6 for a two week engagement. For ticket information please call Lois at 674-1929.

Sunday, Sept. 26 has been chosen for a Swedish Fall Fest sponsored by Sverige Barne-Sweden's Children. The Fest will be held at the Scandinavian American Clubhouse, 2323 N. Wilke (Frontage) Rd., Arlington Heights.

At 2 p.m. a Swedish smorgasbord including Swedish meatballs, chicken and potato sausage will be served followed by a program of Swedish and American songs and folk dances by Sverige Barne Children's Club. A program highlight will be the performance of the Linde Swedish Folk Dancers of Milwaukee. The Linde Dancers are an adult folk dance team well known for their flawless dancing throughout the Midwest. Other fest attractions will be a Bakery, Imports and a Silent Auction. Music for listening and dancing will be provided by "The Blombergs."

The club has over 30 children and always welcomes new members. Any child 4-16 with a Swedish heritage is welcome. The club recently joined the Independent order of Svithoid, a national Scandinavian fraternal organization.

Fest tickets are \$8.50 for adults and \$4.50 for children which includes the all-you-can-eat smorgasbord, program and other attractions. For reservations or more information call 965-1881 or 465-5802.

An Afternoon of Music at Copernicus Center

A Boston Pops style concert will be performed by the Chicago Opera-Concert Orchestra at the Copernicus Cultural and Civic Center, 5216 W. Lawrence, on Sunday, October 17, from 2 to 4 p.m. The concert is free to the public.

Under the direction of Herbert Silberstein, the orchestra will play selections of many well-known composers that will appeal to a wide variety of musical tastes.

The program was organized by the Business Advisory Council and the Arts and Programming Advisory Council. Funding was provided in part by the U.S. recording companies through the music performance trust funds as arranged by Local No. 10-208, American Federation of Musicians. Additional funding was provided through a grant from the Avon Products Foundation, Inc.

MONNACEP offers travel and adventure series

MONNACEP offers a little travel and adventure with a series of films and lectures from now until April. The program opens Oct. 13 with "Switzerland-Say Cheese", a film by Rick Dougherty depicting Switzerland's charm and beauty from lush pastures to small sparkling cities, from cheese making to windsurfing.

In later programs, other outstanding filmmakers will take you to such far away places as Taiwan, Malaysia and Singapore, Tahiti and Argentina. All programs are presented at the Maine East High School Auditorium, Dempster and Potter rd., Park Ridge on Wednesdays at 8 p.m.

Season tickets are available for the seven program series at a cost of \$12, or \$6 for residents of the OCC district age 60 and over. Individual programs cost \$2.50; \$1.25 for seniors. Season tickets are available through the mail by writing MONNACEP, Box 367, Skokie 60077 or at these locations: Countryside Pharmacy, 7628 Dem-

St. Luke's offers tables for craft displays

Would you like to be able to sell your handmade arts and crafts but have nowhere to do it? St. Luke's United Church of Christ, 9233 Sherman rd., Morton Grove, has the perfect opportunity for you.

Our Women's Guild is having a bazaar on Saturday, Nov. 13 from 9 a.m. to 3 p.m. This year we are opening the bazaar to the community by selling tables for \$10 apiece. In that way you can display your handmade items and make some money.

If you are interested in buying a table or have any questions, call 966-9233 Monday, Wednesday, or Friday 9:30-2:30. A deposit will be required and the tables will be sold first come first serve.

St. Martha's Beer and Banjo night

St. Martha's Parish is hosting a Beer and Banjo night at 8:30 p.m. on Saturday, Oct. 2 in their Auditorium at 8523 Georgiana, Morton Grove.

Featured will be the Banjo Buddies Dixieland Band. This group is not just a band, but a top entertaining group of musicians that play to please their audience with music from the Roaring Twenties, Gay 90's, and even big-band tunes along with polkas and sing-alongs.

Everyone is welcome. Tickets at \$2.50 each can be obtained by calling Ron & Lou Kasch at 965-0309, Jim & Mary Jane Pink at 965-1094 or St. Martha Rectory at 965-0262. Pizza and drinks will be available.

Botanic Garden sale

On Saturday, Oct. 2 from 10 a.m. to 4 p.m. a wide assortment of dried flowers and common roadside weeds will be displayed and sold at the Chicago Botanic Garden in Glencoe. Grap, vine wreaths and baskets, fall flower arrangements, pinecone trees, tassel figures and herbal sachets will be available to show how natural materials can be used to craft decorative items.

Yellow yarrow, tansy and goldenrod, brown cattails and dock, interesting seed pods and many grasses have been selected and dried by Botanic Garden volunteers for this sale. Rain or shine visitors can browse through the displays in the east courtyard to rediscover the abundant harvest that rows along the roadside. Dried flowers, pods and grasses are an inexpensive way to decorate and a natural way to bring some of the outside world into your home.

Pita Inn is a magic carpet of culinary dishes

A new and fascinating gourmet world of taste fantasies are yours at the Pita Inn in Skokie. This magic carpet of Middle-Eastern culinary dishes is only moments away and you'll enter the taste-tantalizing current sensation of Middle-East cookery. Your host Falah Tabahi is as warm and friendly as the atmosphere. All items on the menu are made on the premises with the finest ingredients chosen personally by Falah. No wonder diners are driving from Milwaukee and South Holland to relish this outstanding fare. The Pita Inn caters to all occasions and even has a carry-out menu for your convenience. Their service is fast and friendly. We had the pleasure of dining at the Pita Inn last week and found it

a rewarding and satisfying evening. We started with Hummos and Baba Bannoug as appetizers that had unusual and taste-pleasing mixtures of spices and sauces. The entrees were ample and all cooked to order. The combination feast of Shish Kabob, Shawarma and Kefta Kabob served with rice pilaf and pita bread was the finest Middle-East dinner we've ever experienced. All desserts and pastries are made at the Pita Inn. They were fresh and of unusual sweetness. We topped them off with mint tea and fond farewells. The Pita Inn is located at 3910 Dempster st. in Skokie. Phone 677-0211 for information and to reserve a most unusual evening of superb food.

"Witness for the Prosecution"

"You Can't Take It With You"

This year's fall play at Maine East is a situation comedy that deals with a unique family of the 1920's. The Sycamores, Penelope and Paul, are the heads of the household, in which there is Essie, a daughter studying ballet; her husband, who plays the xylophone and operates a printing press; Mr. De Finna, who invents fireworks; Mr. Kalinkoff, who teaches ballet; to name only a few of the zany characters that live here.

The play by Kaufman and Hart is entitled "You Can't Take It With You." It will be presented October 8 and 9 starting at 8 p.m. in the Maine East auditorium. Tickets for the fall play will go on sale starting September 28 and will be available from cast and crew members. Students may also purchase tickets, which cost \$2 each in the cafeteria during the lunch periods from October 4-8 or at the door.

Debbie Nilles of Niles is the student director. The cast includes Donna Jordan of Niles as Penny Sycamore, Cara Lechner of Glenview as Essie, Anne Finnegan of Niles as Rebecca, Bruce Marcus of Niles as Paul Sycamore, Tony Merenda of Niles as Mr. De Finna, John Hansen of Niles as Ed, Mike Bonfiglio of Niles as Donald, Eric Ellsworth of Glenview as Grandpa Vanerhoff, Diane Cotton of Des Plaines as Alice, and David Adelman of Des Plaines as Henderson.

Additional cast members in the October 8 and 9 performances are Steve Kochan of Des Plaines as Tony Kirby, Andre Dorsey of Des Plaines as Boris Kolenkov, Roberta Groch of Niles as Gay Wellington, Duane Fountain of Des Plaines as Mr. Kirby, Barb Wikierak of Niles as Mrs. Kirby, and Tammy Repsold of Des Plaines as the Grand Duchess. Steve Pavkovic of Niles, Daryl Pollard of Des Plaines and Joe Rubin of Des Plaines play the parts of Three Men.

Bruce D. Shalon
Army Spec. 4 Bruce D. Shalon, son of Betty Shalon of 10015 Beverly dr., Skokie, has completed the air traffic control operator course at the U.S. Army Aviation School, Fort Rucker, Ala.

Niles West Thespians present "Pow Wow '82"

The Thespians of Niles West High School will present "I Hope I Get It," an original story of four young people - a writer, an actress, a dancer and a singer - trying to "make it" on Broadway. The annual student variety show, written and being coordinated by seniors Michael Albert and Sheldon Silverman, is slated for October 28-30.

Broadway showstoppers such as "Steam Heat" from Pajama Game, the title tunes from Anything Goes and New York, New York as well as many others will enhance the story line of the entirely student produced variety show. Seniors Rob Harles, Barry Burdeen and Gloria Camille are the show's music directors, with Camille also directing the vocal

work. The choreography was created by senior Michelle Garchow, and the costumes are the work of juniors Theresa Bockel and Robin Schragar. Seniors Michael Lanski and Bruce Claver are the technical directors, while senior Seth Erlebacker is in charge of the show's lighting. Junior Jerry Strange is the business manager and senior Sari Rubin will be doing this year's publicity. Senior citizens are invited to attend a free matinee of the musical/comedy/variety show at 1:15 p.m. on Wednesday, October 24. Curtain time for regular performances is 8:15 p.m. in the auditorium at Niles West High School, Oakton st. at Edens Expressway, Skokie.

New theatre subscription series at Niles North

The Niles North High School theatre department is offering a subscription series for its 1982-83 season. According to drama instructor Jerry Proffit, "The subscriber will attend the entire five play series for only \$10 and will receive the best, front-center seats for the popular student variety show and musical."

The offerings include a drama, "Idiot's Delight," by Robert

Sherwood on October 21, 22 and 23; "Norsecapades," the school's traditional student-created musical variety show on December 9, 10 and 11; "Joseph and the Amazing Technicolor Dreamcoat," the new hit musical by the creators of "Evita" and "Jesus Christ Superstar," on March 17, 18 and 19; theatre shorts by Edmond Rostand, Woody Allen, Paul Zindel and Noel Coward on April 28 and 29; and "Three Tales from Japan," children's theatre in Kubuki style, on May 18. Subscribers, who will save almost a quarter off the regular box office price, may order tickets for any dates, and, if necessary, exchange tickets for other available performances of the same play.

According to Proffit, the traditional 800 seat theatre which boasts a new \$30,000 sound system, will be augmented by the new Little Theatre which will be used for the one-act plays and the children's production. Those wishing to receive information and an application may call 673-6900, ext. 1134.

IT'S ABOUT TIME TO HANG UP THE GLOVES.

Sure, you hate to see summer go. You'll miss mowing down the grass. Wiping out the weeds. But think about the benefits. No more getting knocked out by the heat... the humidity. No more getting knocked out by the high cost of air conditioning either. At least not till next summer rolls around. After all, autumn winds cool things down a lot. Air conditioners don't have to work as hard. Or as often. The demand for electricity goes down. Way down. Since we have to make less, it costs us less to make. So on or after September 14th, whenever your meter's read, it'll cost you less to buy. About a penny and a half less per kilowatt-hour. Down from nearly nine cents to roughly seven and a half cents. Which is more than a 15% savings. It almost makes you glad to see winter come.

Sheffer...

Continued from Page 3

Praising the successful negotiations between the 17 suburbs on the commission and Chicago, Sheffer called the proposed agreement, "a bellwether of future concrete solutions to mutual problems, such as RTA management and funding and resolution of the water problem between our communities and Chicago."
Regarding the O'Hare Suburban Commission proposal, Sheffer said, "Hopefully it will be the beginning of a new era of bipartisan municipal support for programs that affect us all. Condemning Pullen's call for public hearings, Sheffer said, "I find this totally in keeping with her philosophy of non-cooperation and selfishness."
Shifting topics, Sheffer said Pullen's record on senior citizen issues has been "incomparable."
Documenting Pullen's voting record, Sheffer said Pullen had voted against key bills in Springfield during the past year to ease the financial burdens of seniors. Sheffer said Pullen voted against the Utility Rebates

receive the support and funding for the \$500,000 system. The chiefs came from as far south as Joliet, as far west as Wheaton and as far north as Gurnee...The Doppler system which is effective within a 160 mile radius works this way: The radar attracts a signal which is processed by a bank of mini-computers that record the date and indicate wind velocities. The velocity pattern is flashed on a television screen and a certain color arrangement indicates a tornado. The radar operator can then trace the origin of the signal and see where a tornado is forming. The greatest advantage of the Doppler system is that the more accurate forecasting system provides an average 22-minute advance warning and is capable of narrowing down the origin area to a specific part of the city or suburbs. False alarms can be cut down by warning only a small localized area that a tornado is forming and not issuing a generalized multi-county alert which most people have a tendency to ignore...The National Weather System, a division of the Federal Government, is contributing approximately \$500,000 toward the installation of the Doppler radar station at the Marseilles Weather Station and it will be manned by federal personnel...As a result of a special presentation made to the Airport Manager of O'Hare Field in March of 1981, the City of Chicago, Department of Aviation is contributing \$88,500 towards the cost of the system.

Wheeling Township Supervisor reports he is paying for the trip himself...Niles Mayor Nicholas Blase, who said he thinks such conventions are important, did not support Maine Township sending eight representatives. "These are tough times for people," said Blase, "and public officials must be out front saying we care and the township has the same obligation."
Commenting on the recent decision by Maine Township officials to spend \$450,000 to purchase a Park Ridge church and renovate it for permanent township offices, Blase said the purpose of the purchase was to make the township government "appear more visible...as if they're really doing something."

Nimrod...

alleges a conspiracy to commit election fraud by Nimrod or a member of his family as well as his campaign staff, according to sources close to the investigation...If found guilty, the penalty could include fines and/or imprisonment...Further charges outlined include a friend of Nimrod's wife, Richard Elrod, falsely swore that she circulated petitions in the west end of the district...However, during a telephone check with residents who signed the petitions, investigators learned numerous people, led by Mrs. Nimrod's friend, had actually circulated these petitions...Investigators also point out that forgeries and the same names repeated account for up to "a couple of hundred" signatures on the petitions...Nimrod (R-Glenview), who was defeated in the March Republican primary by Rep. Bob Kustra (R-Glenview), filed these petitions on August 1 as an independent candidate in the 28th Senatorial District...After the petitions were challenged by Kustra supporters, the all-Democratic Cook County Board of Election Commissioners met on August 16 to review the petitions...However, before attorney Frank Lunding, representing Kustra supporters, could present his evidence showing alleged fraud the election board adjourned the hearings saying Lunding had violated a technicality...Of the approximately 5,200 signatures on the Nimrod petitions, the election board did invalidate 1,557. Had Lunding been able to present his evidence, investigators believe the board would have had to disqualify so many petitions that Nimrod would have fallen well below the required 3,000 signatures and been ruled off the November ballot...Based on the assurance of the backing of the fire chiefs, Mayor Blase and the Village of Niles signed for the \$88,500 balance to expedite the installation of the Doppler Tornado Alert System in time for the Spring tornado season...Blase told the chiefs, "This is the first program of its kind in the nation where a group of fire chiefs have gotten together," and he complimented them on their efforts...He added, "Doppler is part of a system which was projected for installation by the Federal Government in 1980 and through your efforts, we will have it in 1983."

only did severe damage to the washroom but blew the door of the washroom off and damaged the adjacent women's washroom...No restaurant employees or patrons were injured during the explosion, though a woman had just walked out of the women's washroom moments before the blast...Niles Police Lt. Ray Giovanelli said on Monday it was a "miracle" that the woman, or anyone else, wasn't injured.

From the LEFT HAND

Continued from Page 1

gone the extra mile in his apologies, even taking lie detector tests to prove he is not anti-Semitic. That's rather comic, a bit of the absurd, but obviously the man was desperate in resorting to such efforts...The very first week we were in The Bugle business we walked in to a local store in Niles seeking advertising. The store-owner rather blithely said to me, "The little 'kike' was just here" (referring to The Life Newspaper salesman). He said it most matter-of-factly. I answered him with unaccustomed aplomb, "Well, now the big 'kike' is here." The poor guy was abashed, flustered and totally untraveled in the police department. We've subsequently been friends for 25 years. Among the many hundreds of people we've met through one year he is at the top of the list in giving quietly to those in need, always being available when a helping hand is needed. He also rose to the very top business rung among his peers, many of whom had much more professional backgrounds...Everyone who tells a Polish joke is contributing to this same degradation. Defenders of ethnic joke-telling can't believe objectors when they tell them the jokes are uncalled for. But when any group becomes a butt of humor, there's anger behind the jokes which is so telling...There's a bit of irony behind the entire Carson Riis incident. Carson admitted he used the unparadigmatic word. He has apologized and he is certainly contrite. We contend the spirit of Yom Kippur should make Jews who were offended accept Carson's apology which is a true manifestation of this solemn day. After these two acts have been accomplished, hopefully Jews will return to Carson's restaurant...And, what will Jews be returning to after observing their holidays? They'll be returning to a restaurant to eat pork. As Harry Golden would have said, "It could happen 'only in America.'"

MG Parks...

Continued from MG P.1

In an effort to economize themselves, park district employees repaired 2 cracks at Oriole Pool which were responsible for 2,555,000 gallons of water literally going down the drain. Their action saved taxpayers \$4,595...Park Attorney Gabriel Beraffato explained the workings of a Morton Grove Park District Deferred Compensation Plan which commissioners are investigating for an employee retirement fund. Under this arrangement, full time staff could have the lesser of \$7,500 or 25% of their salary withheld annually. Tax benefits would result from withdrawing these monies in retirement...The matter was tabled so that Huber could get exact figures on the cost to the park district and the amount of employees interested...Also at the September 20 meeting, Park Board Member Jean White reported that a recent audit showed the district to be \$7,397 in the black at the April 30 close of the fiscal year. She praised staff members for staying within the budget, while many communities have been coming up in the red...Morton Grove Resident Bob Greenspahn reiterated his criticism of Board President Ron Piper for his use of the term "jewing down" at a recent board meeting. Greenspahn listened to a tape of that meeting and told Piper he was appalled at how the comment "rolled off your tongue. It had to be an everyday occurrence...He also criticized the Board for "crucifying" Commissioner Boznos...Further, Mr. Greenspahn chastised the board for not generating enough publicity to draw crowds at the monthly meeting. Mr. Boznos responded that most people only attend village government meetings when they have a specific complaint...Car crash...Continued from Page 1 cars collided with a third car and then swerved in front of an oncoming semi-trailer truck. Buchman and Byrne were dead on arrival at Resurrection Hospital...French was ticketed for driving too fast for conditions...A memorial Mass for the dead youths was celebrated on Wednesday at Notre Dame High School with families and friends in attendance.

Mitchell, \$7,000 for auditing the park district books. He suggested the board consider looking for a new auditing firm...In other actions Commissioner Kosiba enthusiastically reported the soccer program has more than doubled from 180 to 400 children in just two years. He expects 1,000 elementary school children to be involved in a park district soccer program within 2 years...Up to \$4,000 has been authorized to install two 1,000 watt lights on the 9th green at Little Tam golf course. Director Hughes reported golfers often can't finish their 9 holes of golf when they start too late in the day. The present two lights are inadequate for lighting the course. A neighboring computer tax firm will be leasing the parking lot there for \$4,000 annually and this will be the money used. Since money derived from the golf course can only be used at the course, this money from the lot leasing will be used for the lights...The dedication of the Knights of Columbus Universal Playground on Milwaukee Ave. (at swimming pool location) will take place October 2 at 3 P.M...Introduced Sports Complex Manager Jim Weides and student intern Dawn Harpling. Weides announced he expects "great strides to be made at the complex for the coming year" and announced pre-3 P.M. time has been reserved to be used by Circle Camp for the coming season...The park district is seeking help from residents who can create a logo for the park district...Double doors will be installed at Grennau Heights gym for the east side of the building. Similar doors were installed the past year for the west side...The number 6 green at the golf course, which was suffering from "bacteria wilt", has been renovated...Plans call for the carpeting of the lobby and the locker room at Grennau Heights...Com Marusek reports very favorable comments on the improvements at Oakton Manor fieldhouse where the pre-school program, specifically housed at the building, has a very pleasant environment resulting from the recent improvements...The second Monday of the month will include a committee meeting to review ice rink operations...Summer camp M-NASR attendance was down from 25 to 10 young people and from 50 to 25 adults this year...Fishing Derby takes place this Saturday and Sunday from 7 A.M. to 11 A.M. at the sports complex. Awards will be given for the biggest fish caught and for the most caught...Vandalism has been cut down on the outside of the park buildings but has moved inside. Kosiba recommends the district should develop its own patrol force. He said a referendum may be necessary to raise the money but a permanent park patrol is the best way to control vandalism. Heuss noted in 1980 and '70 the park district had such a force but it was very expensive...After January 11, when alcoholic beverages can be served in the "at the park" facilities, the park district will have to

should "move out" if they were unhappy with what is going on in the community (regarding taxes). Board member John Flavin said if the quote was true, it showed a "gross coldness" on the part of the Mayor...It was reported by board members there would be a \$3.5 million surplus expected by the end of the June '83 semester. Extending this money into next year's budget would help hold down next year's tax burden, according to board members...Board president Tom Rueckert (Glenview) and board member Anne Evans (Des Plaines) both admitted they were just as concerned about increased taxes. Rueckert said, "We're not anxious to raise our own taxes."...Board member Schaeffe (Pk. Ridge) said there has been a 10% increase in school taxes every quadrennial (four years) over the past 12 years. He also noted there was a 33% deficit in the school budget when he came on the board 6 years ago. Since then he noted one school has been closed (Maine North), programs have been modified and 140 less teachers are now in the district. He said 40 less teachers will be on the school payroll within the next 2 or 3 years...Schaeffe also pointed out as assessed valuation goes up state aid to schools goes down and more taxes for schools come from local communities...President Rueckert said the \$2.34 per \$100 assessed valuation tax levy has actually dropped during the past 6 years. He said the board has nothing to do with the tax rate and the board levies a fixed dollar amount...Angry residents shouted the \$1,000 to \$1,500 tax increases on their homes were "unfair to some of us." The shouters said the big school buildings are a waste and some of them should be closed...Peter Giannini, a spokesman for the tax group, said he has been working with the board for the past 4 or 5 months to get the budget in line. He said about \$40,000,000 is being expended this year and revenues should be \$51 million, a surplus of \$11,000,000. He said the correct mechanism is for residents to work with board members. A reduction in future levies can result, which he said can be done by "working toward a meaningful con-

Finance head Kenney notes taxes are up in all areas of people's tax bills.

Rueckert said there is a windfall for one year, implying the surplus will be extended to lessen new expenditures in the following years...Finance head Kenney noted taxes are up in all areas of people's tax bills. He said the Metropolitan Sanitary District is asking for a 76% increase; Park Ridge, 57% more; the Forest Preserve District up 54%; Oakton College's increase is 51.06%; elementary School District 64 is a 43.9% increase; Maine High School District 207 has a 42.87% increase. But despite the disproportionate percentages he said 80% of the total tax money stays in Park Ridge...Other points included the surplus money is invested by the township treasurer for more revenue. Also, in 1968, 35% of the tax bill went for Maine High school needs. Today, the high schools take 25% of the total tax bill...One resident suggested Maine North's closed school be sold. The school has been appraised at \$5,000,000 and there is a bonded indebtedness of \$9,000,000 on the 11-year-old school. Superintendent Murphy said the law allows rentals only for not-for-profit groups and he suggested they will have to work at changing the state law. He said he could anticipate a \$1 million annual rental if a profit-making group rented the building...The resident suggesting the building be sold said a sale of \$5 million might be appropriate since the district would then return the building to the tax rolls generating new taxes in Maine Township. Adding this revenue with the cost savings of not maintaining the building might be a more economical effort over the long haul, according to the dissenter...Board member Flavin said he previously made a motion to sell the school but never received a second motion for such action...Superintendent Murphy pledged the board and the administration will work closely with the Taxpayers Task Force Committee...At this point the board approved the tentative \$41,150,722 budget for next year, which must be finalized by the end of December, at the last board meeting of the year.

Acquire a liquor license from the village, according to correspondence from Mayor and liquor commissioner Blase. Com.

Marusek emphasized the park district should have a policy regarding liquor dispensing before that date...Work on water pipes under Courtland park on Commonwealth Edison's right-of-way will force removal, temporarily, of some recreation equipment there...Fitness Room and open gym rates are now \$15 and rooms are open from 7 A.M. to 11 A.M. and 4 P.M. to 9 P.M...Senior Citizen golf lessons are scheduled for October 5, 12 and 19...19 students are involved in after-school computer program at Nelson school on Wednesdays from 3 to 5:30 P.M. Other classes include karate, drawing and tap dancing.
