Oakton Community College treasurer David Hilquist reported at Tuesday night's meeting tax money is coming in better than expected. Because of the depressed economy it could be assumed tax money received by the College was lagging behind normal payments, but Hilquist reported this was not true. He said it was coming in at a good

pace and at a normal rate. Any excess money the school receives from the County is placed in short term investments which draw interest. The periods at the beginning of September and January, when the semesters begin, are when the money invested is needed. Actual cash receipts for September, primarily from tax

collections, were sufficient to meet operating costs and a \$1,050 excess was transferred to investments. The Board approved expenditures for the month of September in the amount of \$2,237,986. All categories of expenditures were within the pro rata budget except for Rent/Taxes/Insurance. Continued on Page 26

## Caution still urged in purchasing medications

The public is still being advised to exercise caution when purchasing over-the-counter non-prescription drugs and medications, according to the Cook County Department of Public Health. The Cook County Board passed an ordinance on Oct. 4 requiring all drug manufacturers to seal containers before they are sold in Cook County. However, the ordinance will not go into effect for

90 days. Dr. Karen Scott, Medical Director of the Cook County Department of Public Health has urged area residents to use common sense in protecting themselves from drugs that could be contaminated during this 90 day period. Persons should curtail their use of over-the-counter, non-prescription drugs unless compliance will not go into effect for 90 days. Continued on Page 26

## Action in Springfield allows parks to serve liquor

# Park studies liquor sales at facilities

The Niles Park District will soon begin determining how, when and where it will serve liquor in park facilities. This follows recent action in Springfield allowing, for the first time, local park districts to serve liquor. The new provision, to go into effect in January, allows park districts to serve liquor "at your own discretion" according to

Commissioner Mary Marusek. Marusek said the Niles Park District will have to determine which groups they will serve liquor to and for what types of events. Also, which park facilities will be used for serving liquor will also have to be decided before the Niles Park District begins serving liquor. Marusek voiced concern that

## From the Left Hand

by Bud Besser  
During pre-election time politicians bounce in and out of newspaper offices as often as the people who work there. Aside from doing the manual labor at their headquarters, and appearing on pressconferences and at numerous "coffee klatches", politicians and their friends use newspaper offices as hopeful launching pads in their pursuit of the political offices.

Politicians also take you to lunch and a few hold press conferences. The hosting lunchers turn on all the charm. They want to know about you and about your communities and stop at several tables to say, "Hi, how ya doin'?" If you get one of those "Hi's", it usually means the pol doesn't know your name. A "How ya doin'?" isn't any better. If you get both of these greetings, which usually come as a package, it means the pol is trying to hide the fact he doesn't know you by prolonging the conversation by 3 words.

Down at the office the pols come in many shapes and forms. They often have a P.R. girl who drops in. They're all out of the same P.R. girl school. They're young, kind of pretty and are just like the girl next door. If you've never had a "girl next door", then try the girl down another door or two.

When the election is over you lose her for a couple of years. But 2 years later she's back again

## Niles Library reviews administrator resumes

by Eileen Hirschfeld  
Thirteen persons applied for position as administrator of the Niles Public Library District since an opening was made available by the resignation of Mark Neyman about six weeks ago according to Harry Pestine, board president, at a meeting October 13 in the branch library, Ballard School, Niles.

Neyman, returning to his home in Marietta, Ohio, stated he was forced to resign for health and

## Niles Events plans "The Auction"

Our last event for 1982!!  
Niles Events Committee, following a corned beef and cabbage dinner in February, a carnival in June, flea market in July, Beer 'n' Brats in September, will hold their final 1982 event, "The Auction" on Saturday, November 13, at the Niles Recreation Center, 7877 Milwaukee ave. There are nearly 200 donated items, including small furniture, decorative pieces, clothing, dinners for two, carpeting, toys, services, household and automotive merchandise. Something for everyone.

Mark the date on your calendars, bring your friends and neighbors and join us for an evening of fun. Opening view is 6:30 p.m. with a professional auctioneer starting the auction at 7:30 p.m. Free refreshments will be served all evening. MasterCard and Visa will be accepted. See you on the 13th.

## Niles commemorates volunteers

A 500 pound bell, formerly used to summon Niles volunteer firefighters, was recently tolled again on the last day of Fire Prevention Week, 1982. This was the second anniversary of the dedication of the bell, originally cast in 1890. It is located on the deck at Fire Station 2, 8360 Dempster. In attendance at the ceremony were Niles Village Trustees Angelo Marcheschi and Orville Ottow, Niles Fire Chief Albert Hoelbl, Duty Chief

Harry Kinowski, and on duty officers and men. The bell honors the dedication and effort of some 190 volunteers throughout the years who served the community. It was replaced in 1930 by an electric siren which was mounted on the roof of the former village hall at Milwaukee and Touhy aves. The last of the volunteers left about 1972 as the department became fully paid and grew to its present strength of 48 men.

# Maine Demos host Fall Social

Committeeman Nicholas Blase and the Democratic Organization of Maine Township will be holding their Fall Social. ## Senior Drivers program

Illinois drivers 55 years and older, who successfully complete "55 Alive/Mature Driving" a classroom accident prevention refresher course, may qualify for an auto liability insurance discount, under a new law which became effective on July 1.

In order to meet the demand for more courses, additional volunteers are needed in Illinois to become instructors for the program. Men and women 55 or older may qualify to become instructors after participating in the course, which is being introduced to a growing list of communities in Illinois. Training is provided by AARP. (American Association of Retired Persons). This unique course provides participants the opportunity to discuss their own driving problems and they are advised on ways and means to cope with them.

The effects of aging and medications on driving, basic driving rules of the road, local driving hazards, accident prevention measures, hazardous driving conditions and many other topics pertaining to the senior driver are discussed in 2 half-day sessions.

Those 55 and older who are licensed Illinois drivers are eligible to participate in the class and may qualify to become a volunteer instructor.

For further information please include your name, address and phone number and write to "55 Alive/Mature Driving" Assistant Coordinator, Robert Stewart, 5843 N. Marmora, Chicago, Ill. 60646.

## Bugle Digest Local News Briefs

The troubled Spring Meadows Nursing Home, 8333 Golf Rd., has a new director. William Steward, formerly with the Illinois Department of Public Health, has been appointed the nursing home's new director. Since the nursing home turned itself into a half-way house for state mental patients a number of years ago, the home has been plagued by problems ranging from patients walking away from the home and not returning to reports of improper care for residents. Steward said he will work to turn Spring Meadows into the "best home in Niles" which the "community will be proud of".

Skokie has requested the Army Corps of Engineers begin a study to determine the feasibility of building a 400 boat marina on its North Shore Channel which runs along McCormick Blvd. A marina will become possible because plans for the Deep Tunnel project would result in the channel no longer being used to carry sewage. This would allow boaters to enter Lake Michigan from Wilmette Harbor. Plans would include raising the water level of the channel by two feet as well as dredging the channel.

In last week's Bugle it was erroneously reported that the 1982-83 School District 63 budget is \$700,000. The correct figure is \$7 million.

## Storm sewer installation

Approximately 1.06 miles of storm sewer for the relief of basements flooding has been installed on various streets bordering Oakton st. on the south, New England ave. on the east, Madison st. on the north, and Waukegan rd. on the west. Work is being done by LoVerde Construction Company, Inc., at a cost of \$197,428.85.

## Child Development lectures

The Very Important Parent (VIP) Program is the public school program for children ages birth to three who reside in Niles, Niles and Evanston townships. As the name implies, we view the parents of young children with delayed development as the key to our being successful in helping these children. The VIP program

is designed to provide maximum information, support and consultation services to the families of the 0-3 group.

The first 2 lectures for parents are scheduled for Friday, Oct. 29 and Monday, Nov. 8.

For further information call 966-1460.

## Charges fly as campaigns wind down

# Rhetoric increases in final two weeks of campaign

## Niles Township Legislative group meets Nov. 6

The program of the Niles Township Legislative Coalition scheduled for Saturday, Nov. 6 will examine the role of the elective office of the Township School Trustee. Trustees are responsible for investing monies of the ten Niles Township districts, a schedule of securities equal to \$37.5 million as of August 31.

The program will be preceded by a business meeting which will focus on the safety of teenage driving and the increase in school district detachment petitions. Another matter of utmost concern to the Coalition is the possible elimination of the property assessment multiplier.

In keeping with Coalition policy to inform the public and seek citizen input on legislative matters concerning legislation, all NTLT meetings are open to the public.

Meetings are held in the Niles East High School, 7701 Lincoln, Skokie (Mulford st. entrance) at 9 a.m.

With less than two weeks until the November 2 election, area candidates were busy this week trying to convince the voting public about numerous campaign issues.

In the Kustra-Black-Nimrod race for the State Senate, Kustra forces brought in Sen. Pate Phillips, minority leader of the Illinois Senate, to blast Senator John Nimrod who is running as an independent in the Senate race.

Calling Nimrod a "spoiler", Phillips said, "There's no way Nimrod could win" the November election.

Democratic candidate Lou Black, Clerk of Niles Township, charged this week that Republican candidate Rep. Bob Kustra is receiving campaign contributions from major oil companies, Black said, "Kustra has sold his vote to big oil for contributions to his campaign by major oil companies totaling \$1,325."

Meanwhile, Kustra commented this week on reports that Black has been employed by Cook County Clerk Stanley Kasper while also receiving a pay check as the Niles Township Clerk.

Commenting on the charges Kustra said, "This is further evidence that my Democratic opponent is beholden to the Chicago political machine and can be expected to toe the line when asked to vote to bail out Chicago public schools or the patronage infested OTA."

In the 55th District House race Democrat Diana Burgess Sheffer charged incumbent Republican Rep. Penny Pullen has compiled an even more conservative voting record than other House Republicans.

Referring to Pullen, Sheffer said, "She is running as a Republican in a traditionally Republican district, yet her record shows that on Republican sponsored legislation she does not vote with other Republicans."

Among the bills Republicans voted on which Pullen did not vote for were the Natural Areas Preservation Act, the Clean Air and Coal Act, the Violent Crimes Assistance Act and Merit Selection of Judges.

Sheffer said Pullen was only one of seven members of the House to vote against the Domestic Violence Act which provides assistance to persons abused by members of their own families.

## SJB Women plan Christmas Bazaar

The Nativity Guild of the St. John Brebeuf Catholic Women's Club will hold their annual Christmas Bazaar on Sunday, Nov. 14 from 9 to 11 in the school gym at 8307 Harlem ave., Niles.

You'll be sure to find something special for everyone on your holiday list. Choose from hand-knit articles, boutique items, plants, Christmas decorations

and children's specialties. Find a treasure on the white elephant table or look through our assorted homemade chocolate candies.

The bank table promises its usual delectable selection of home baked pastries, holiday cakes, bread and cookies. Special this year is the French Cafe, featuring a light lunch. Tickets for this will be sold in advance of

the Bazaar. Raffle prizes this year include a Zenith stereo system, hand-made Nativity tree skirt, punch/salad bowl and a deluxe sleeping bag/float lantern.

## CHURCH AND TEMPLE NOTES

### Belden Regular Baptist Church

On Saturday, Oct. 2, the "Golden Agers" of the Belden Regular Baptist Church went to the Word of Life Bible Institute's presentation "The Revelation" a music, drama and multimedia program centering around the theme of the rapture of the church of Christ, the judgment of those not written in "The Lambs Book of Life", and the return of Christ to reign supreme over all the earth. Two church vans, transporting 23 Beldenites left the church at 5:15 p.m. for the Naperville high school where the program was presented. After the program a stop for refreshments was made at Grandma Sally's pancake house in Naperville. The vans returned to the church about midnight with 23 spiritually refreshed, tired but happy "young" folk.

Friday, Oct. 2, Belden will honor its Christian Education teachers with a banquet at Mr. Peter's in Mt. Prospect. The purpose of the banquet is to show our love and appreciation to those who so willingly and cheerfully devote their time and talents to the spiritual education of our church family. The festivities are under the direction of the Christian Education committee with plans being formulated by Mr. and Mrs. Bill Funderburk. Christian education is one of the most important functions at Belden, with classes for all age groups including a class for the mentally handicapped. For more information on the C.E. program of our church and this special class you may phone the church at 647-7511 or 647-7281.

Tuesday, Oct. 26 is an important time for our women for it is the evening that the Women's Missionary Fellowship (which meets the last Tuesday each month) will hold its regular meeting. The purpose of these meetings is to help support the

## Lady of the Snows pilgrimage

Chairman Augie Pranske of Niles and Co-Chairman Joe Catanzaro of Chicago of North American Council #4338 of the Knights of Columbus in Niles with 47 friends, members and their wives recently spent a weekend at "Our Lady of the Snows" in Belleville. There is so much to absorb for people of all ages, interests and faiths. The Rosary Courts, mosaics of artistic splendor; the Bronze Doors, largest ever cast in the United States; Christ the King Chapel, tastefully indicative of today's contemporary architecture - all this awaits you, at the Shrine of our Lady of the Snows.

### SJB hosts speaker on church annulments

The Luther Leaguers of Edison Park Lutheran Church will once again host a Spaghetti Dinner. The date is set for Saturday, Oct. 23, from 4 in the afternoon until 8 p.m. at the Church, located at Avondale and Oliphant aves.

The evening once again will be enjoyable. The South Hall of the Church will be transformed into an Italian Cafe with dimmed lights (not too dark), Italian colors (red, white and green), candlelight, and soft dinner music. The meal will feature a salad bar, where you can create your own gourmet salads, homemade spaghetti sauce and meatballs, crusty Gonnella Bread and dessert.

If you were able to attend one of the first two Spaghetti Dinners, you will remember what a great time it was. If you were not able to attend, then, please come and enjoy the evening on Oct. 23. The donation for adults is \$3.50 and \$2.50 for children under 12. Tickets are available at the Church office (631-9131) or can be purchased at the door. Lutheran Brotherhood Branch No. 0635 will provide a matching grant. Proceeds from the dinner will go to help finance the trip to the Illinois District Luther League Convention which will be held in Decatur, Ill. over the Thanksgiving weekend.

### Knights of Columbus annual drive benefits retarded

For the past twelve years, councils throughout the state of Illinois have conducted an annual campaign to raise funds for the 350,000 developmentally disabled children and adults in Illinois. This year the drive will be held on Friday, Oct. 29 and Saturday, Oct. 30. The Knights of Columbus are urging citizens everywhere to support this fund raising event.

Last year, this endeavor raised over \$1,000,000 and the 1982 goal is \$1,111,000. A number of local councils have in previous years allocated a portion of the proceeds from their fund raising campaign to the Clearbrook Center. This past year \$5,911 was given to help the Center provide services for over 300 handicapped children and adults enrolled in its program.

Clearbrook, a not-for-profit community agency, depends on private contributions to help maintain its programs. This private funding is in part made possible by the generous help of the Knights of Columbus and their annual drive.

Developmentally disabled persons need the support of the general public so that they can develop to their maximum potential and live as productive contributing members of the community.

# TODAY THIS HOUSE IS JUST SMART. TOMORROW IT'LL BE BRILLIANT.

Nobody has to tell you what's happening to

the cost of energy today. It's all up, up, up. So if you're looking for a new house, it makes a whole lot of sense to look for one with an Energy Smart sign out front. One that uses energy like a miser. That keeps the cost down, down, down.

That means a house with double-glazed windows.

With ceilings insulated to a minimum rating of R-19.

With walls insulated to at least R-11.

With exterior openings carefully weather-stripped and caulked.

And with an Electric Heat Pump instead of a central air conditioner and furnace.

That's the key. The Heat Pump.

All summer long it works just like central air conditioning. But in the winter it reverses itself. It takes heat from the air outside and pumps it inside to keep you warm.

What's more, the Heat Pump does that so efficiently it provides at least 50 percent more energy (heat) than the energy (electricity) it uses.

And that's very, very smart when you consider that the cost of natural gas has gone up 52 percent faster than electricity since 1967, and oil has gone up 113 percent faster.

Better yet, it'll be downright brilliant when natural gas gets deregulated or OPEC bumps up the price of oil a few more times. The Energy Smart house. It can make tomorrow a lot easier to live with.

Commonwealth Edison  
Don't take tomorrow for granted.

## Future Women group plans workshop

A Holistic Lifestyle - Achieve It - Maintain It! is the workshop topic of the November 1 dinner meeting of the Northshore Chapter of the National Association of Future Women. The workshop begins at 6 p.m. and will be held at the Holiday Inn Conference Center, 5300 W. Touhy, Skokie. Registration and networking begins at 5:15.

The workshop leaders will be Liz and Jim O'Shea, holistic counselors, and directors of the Holistic Education Center in Oak Park. The program will focus on acquiring and living a life of inner harmony instead of inner turmoil. The goal of holistic health education is wholeness; the body, mind, emotions and spirit in balance. Printed materials for future reference will be provided.

The goal of NAFW is to help the "woman of the future" meet the everincreasing challenges and demands she faces through networking, balancing of responsibilities and through personal and career growth. Since the founding of NAFW in mid-1981, twelve chapters have been formed, around the country. Chicago has four chapters offering networking and workshops one evening per month to women of all backgrounds.

Reservations may be made by mailing a check for \$12 to Northshore Chapter NAFW c/o 3703 Arcadia, Skokie, 60076. Mail reservations must be received no later than Thursday, Oct. 28. Phone reservations will only be taken on Thursday and Friday, Oct. 28 and 29 from 9 a.m. to 4 p.m., by calling 965-7892 or 470-1565. Annual membership dues are \$25.

## Off the NILES POLICE BLOTTER

### Station Burglarized

A Niles business reported being burglarized on Thursday, October 14. According to police, burglars pried open a side door to gain access to Niles Shell station, 8065 Waukegan rd. Once inside the burglars reportedly stole a cash drawer which contained \$50.

### Cash Stolen

A local liquor store reported over \$1,000 was stolen from a safe between October 16 and 17. According to police, officials of Foremost Liquors, 9012 Golf rd., reported \$1,358 missing from a store safe. Store officials said they would submit a list of employees to the police.

### Homes Burglarized

A home in the 7900 block of Nordica st. was burglarized on Friday, October 15. According to police, unknown persons gained access to the house by prying open a sliding glass door located at the rear of the home. After ransacking a rear bedroom the burglars reportedly stole a home video recording system and a camera.

A resident in the 7800 block of Keeney reported her home was burglarized on Friday, October 15. According to police, the woman was working in her backyard when burglars apparently gained access to her house through an unlocked garage door. Taken from the house were numerous items of jewelry.

### Arrested After Accident

A 20-year-old man was arrested for drunk driving in Niles on Sunday, October 17. Police observed the man after his car had become trapped in a ditch along the roadway near Touhy Ave. and Gross Point Rd. When the policeman approached the car, he saw the driver asleep behind the wheel with a bottle of beer between his knees. Turning off the ignition, the policeman woke the driver and had to assist him as he was unable to stand on his own. The policeman reported a strong odor of alcohol on the man. The Chicago man was charged with driving while under the influence of alcohol. After being assigned a November court date he was released on \$100 bond.

### Drunk Driver Arrested

A Chicago man was arrested for drunk driving in Niles on Thursday, October 14. While stopped at Milwaukee ave. and Oakton st., a patrolling police officer reported being told by numerous drivers that a car traveling north on Milwaukee ave. was weaving between lanes. When police caught up with the car they clocked it traveling 60 MPH in a 40 MPH zone. When the driver refused to pull over, additional Niles Police cars were called and the car was finally stopped in the 8700 block of Milwaukee ave. At the Niles Police Department the Chicago man was charged with driving under the influence of alcohol, speeding and improper lane usage. After being assigned a November court date the man was released on \$75 bond.

## State police crack down on drunk drivers

It has been a year since the Illinois State Police have instituted their new 'Policing for Results' program on highways in Illinois.

The PFR program allowed individual troopers on the road to have an opportunity for input and decision making. Within each squad, officers were able to exchange ideas and discuss problems and possible solutions, relevant to their area of responsibility.

In addition to trooper involvement in planning, job enlargement was provided for officers by looking at voids that currently exist in the law enforcement community in the State of Illinois. These include canine services, accident reconstruction specialists, hazardous material detection units, and motor carrier safety act inspectors.

Illinois State troopers assigned to patrol the northern Illinois tollway selected a number of objectives to be met during the first year of participation in PFR.

Goal 1. To reduce the number of alcohol related accidents, has dropped in the last quarter fiscal year 1982 to 95 accidents. Compare this to 110 for the first quarter, 136 for the second, and 127 for the third.

Captain Hugh McGinley, Commander of District 15 in Oak Brook stated, "I believe this is due to the enactment of the new drunk driving law in Illinois and also to the increased number of arrests for drunk driving made by the troopers on the road. The first eight months of 1982 have resulted in 1,087 arrests for DUI as compared to 526 for the first eight months of 1981."

"The crackdown on the drunk driver has also shown significant progress on our second goal, to reduce the severity of accidents," he added.

"We had a fourth quarter total of 219 personal injury accidents as compared to 314 in the first quarter, 251 in the second, and 246 in the third.

"Policing for results is working and we will continue our efforts until all our goals are met to provide an improved quality of services and safer driving environment to the citizens of Illinois," said Captain McGinley.

### Headsets illegal

Listening to your favorite music while walking, jogging, or riding a bicycle is fine - but not while driving.

"Drivers are not allowed to wear headset receivers while driving," stated Captain W. P. Burt, Commander of the Illinois State Police District #3. "The purpose of the law is to keep drivers alert to the sounds of traffic around them. Shutting out the sounds of emergency vehicle sirens, auto horns, and train whistles reduces a driver's full perception of traffic - especially in an urban setting."

A headset receiver is defined as any device, other than a hearing aid, designed to be worn on a person's head which enables the wearer to hear or receive electronic communications.

Law enforcement personnel on duty, or those individuals involved in safety or traffic engineering studies are exempt from this prohibition.

### Dirty Business!

Thieves struck the laundry room of an apartment building in the 9000 block of Terrace on Thursday, October 14. Police report a resident of the building left her laundry unattended for a short period. Returning to the laundry room the resident found her wet clothing missing. The clothing was reportedly valued at \$150.

### Tool thief bolts from security

A 46-year-old Des Plaines man was arrested for shoplifting in Niles on Tuesday, October 12. The Des Plaines man was holding in K-Mart, 9000 Golf rd., when he was seen by store security agents placing numerous hand tools inside his pants.

When the man saw the security agent walking towards him he began running and pulling the tools from his pants and throwing them. Outside the store the agent stopped the Des Plaines man, however, the man began screaming and pushing the security agent. The man was quickly subdued by Niles policemen arriving on the scene. At the Niles Police Department the Des Plaines man was charged with shoplifting and, after being assigned a November court date, was released on \$100 bond.

### Disorderly Conduct

Three suburban youths were arrested for disorderly conduct in Niles on Monday, October 18. According to police, the youths were standing in front of a Niles resident's home drinking beer when they began kicking his auto.

When the Niles resident confronted the youths, they became abusive throwing beer cans on his lawn and one of the youths threatened the man with a knife. After police arrived on the scene the three youths were arrested. At the Niles Police Department a 17-year-old Des Plaines resident was charged with unlawful use of a weapon, aggravated assault and disorderly conduct. The youth was released on \$100 bond. Also charged with disorderly conduct were a 17-year-old Skokie resident and an 18-year-old Deerfield resident.

### Church Vandalized

A Niles church was vandalized on Monday, October 11. Police report two men broke three windows at Our Lady of Ransom church, 8300 Greenwood ave., at about 10:30 p.m. Neighbors reported seeing two men fleeing the area in a car without headlights on. Church officials said the damage amounted to \$150.

#### Golf supplies - 15% discount

Golf bags, balls, clubs and other golf related items are being sold at 15% off the regular price during the Tam Golf Course close out sale. All items in the pro shop are marked down 15%.

Golfers seeking supplies are encouraged to stop by. Tam Golf Course is operated by the Niles Park District and is located at 6700 W. Howard st. in Niles.

#### New format for skating lessons

Students enrolled in the Niles Sports Complex figure skating lessons may have noticed an increase in fees this year.

The increase, for the most part, is due to the slight restructuring of the program. Lessons now run for 12 weeks rather than 8. Past experience has shown the 8 weeks is not sufficient time to accomplish the necessary competencies in order to advance to the next level of skating lessons. The Sports Complex staff believes the 12 week format will produce much better results than previously under the 8 week schedule.

If you have any questions regarding the new format or fees, contact Sports Complex Manager, Jim Weides or Figure Skating Director Sue Mitchell at 297-8011.

#### Morton Grove

A Money Management Seminar will be offered at the Prairie View Community Center Oct. 12 and Oct. 19 from 7:30-9 p.m. If you are interested in managing your own financial situation, this is the seminar for you.

The Great Pumpkin Decorating Workshop will be held at National Park on Saturday, Oct. 23. Children will decorate pumpkins with paints, gourds and other items under adult supervision. Kindergartners through 3 grade meet from 2:30-4:45. Children must provide pumpkins. Fee: \$3. (pre-registration is necessary).

Girls 5-8 grade can join the fun at the Halloween Steeplechase at the Prairie View Center on October 29 and 30. Doors close at 9 p.m. and a night long of activities such as games, sports, scavenger hunts, pizza and movies lasts until 1 a.m. Girls will also be judged on costumes. Fee: \$7 (pre-registration is necessary).

The Morton Grove Park District is accepting applications for our Mens Basketball Leagues. Games are played on Wednesday and Thursday evenings. Applications will be accepted Oct. 31. For more information call

#### Poster contest and parade

All ages are invited to a Spooktacular Halloween Parade and Party on Saturday, Oct. 30. Parade participants, encouraged to wear a costume, will meet at Oak School at 1 p.m. The procession will lead to Grenman Heights Recreation Center, 8255 Oketo ave. for costume judging, games and refreshments!

Prizes will also be awarded to the winners of the Halloween Poster Contest. Contest rules and free poster paper are available at the Park District Offices, 7877 Milwaukee ave.

## Falcon Midget and Jr. Midgets win Homecoming game

The Falcon Jr. Midgets could do no wrong as they rolled to a 34-0 Homecoming victory over the Bellwood Spartans. The offense gained 280 yds. with scoring done by Bob Pozdol, 2 T.D.'s, Kirk Strauss, 1 T.D. and 1 extra point, Shawn Parlich, 1 T.D., Landon Invie, 1 T.D., Vince King, 1 extra point, and a 2 point conversion by Steve Carpinelli. Two of the T.D.'s were on passes by Quarterback Steve Carpinelli. The Defense allowed only 12 yds. which saw every player contribute to the Victory and allowed coaches Jerry Kuderna, Kevin Higgins, and Pat Smythe to relax on the sidelines. The Midgets 21-6 victory came from TD by David Hancock, Mike Wilgen and David Biede. Quarterback David Hancock had a number of pass completions to receivers John Karvelas and Tim Lancaster. Doug Schmidt did a fine job at center. Again leading the defense was Scott McClaughry, who had an interception. Also putting constant pressure on the Spartans were Todd Hardy, Jimmy DeMeo, Bob Welch and Cory Billingsly.

The best game of the season even though the lost by a score of 7-6. Efforts by the defensive team was evident from the first play of the game. Linebackers Stacey, Murray and Chupich combined to stop the Spartans constant pressure. The offense managed to score a touchdown with Marty Murray going 15 yds. on an option play. The game stayed very close until the final minute when the Falcons got the ball on their own 30 yd. line with no time-outs left. Murray's pass over the middle was caught by Tom Stacey who evaded 4 tacklers to run the ball back to the Bellwood 12 yd. line. But the Spartans were able to stop the Falcons final threat and held on to their 7-6 lead. The Falcon Jr. Pee Wees lost to Bellwood 6-0 in a strong defensive battle. The Falcons dominated the first quarter with good running by Halfback Chris Kono but were unable to score. The games only touchdown was scored by the Bellwood Spartans in the second quarter. The second half was a defensive battle with neither team scoring.

## Niles West celebrates homecoming

An all-school pep assembly will set in motion the Niles West High School Homecoming events scheduled for Oct. 21-23. Spirit panels, an alternative to the more costly homecoming floats, will be inaugurated at this assembly. The students have also invited Channel 2's Johnny Morris to address the students during this event.

Thursdays activities also include a varsity soccer game against Maine South in Basrak Field at 6:15 p.m. and the twilight pep rally at 8 p.m.

School will be dismissed at Niles West at 1:40 on Friday in time for the traditional parade, which begins at 2. At 8 the Niles West Indians will face the Maine South Hawks under the lights for the football game, with a social to follow. Homecoming dance on Sat., 8-11 p.m., will culminate the weekend's activities. The "Cooler Near the Lake" band will provide music for the dance. The weekend's sports schedule also includes a sophomore football game at 6 p.m. Friday and a junior varsity game at 9:30 a.m. on Saturday.

Homecoming activities are the responsibility of the Student Senate; Stephanie Pouliakides, Michelle Gorchow, Betsy Gerstein, Debbie Havdala, Tami Weitzman, Julie Halap, Susan Rabin, Linda Schmidt, Sharon Schneider, Erica Stone, Elynn Friedman, Sari Kreiter, Robin Harris, and Julie Keller.

## Falcons honor Homecoming Queens

The N.S.Y.A. Falcons recently celebrated their 1982 Homecoming at Notre Dame Stadium. Homecoming festivities included the crowning of the 1982 Homecoming Queens. Honored were Midget Queen Carol Panke, Jr. Midget Queen Lori Yetter, Pee Wee Queen Laura Bowman and Jr. Pee Wee Queen Donna Stacey. Also included in the festivities was a presentation of flowers to each player's mother.

## SJB Lady Warriors win over St. Eugene

The 8th grade team from St. John Breuef (2-0) went on the road to defeat St. Eugene 58-29. St. Eugene is now winless in four outings. St. Eugene's assistant coach stated, "We're in a rebuilding year. Most of our squad are 7th grade rookies except for our four eighth grade veterans."

"Star of the Game" honors were shared by Lori Colosi and Krista Eshoo. Lori tallied 8 points and had a game high seven rebounds. Coach Jim Jekot commented, "Lori played an excellent game tonight. She shoots when she's open and is playing aggressive on defense". Krista Eshoo had six steals which helped her to score twenty points. During the summer Krista attended the Jerry Sloan Basketball Camp and the Marillac High

## Novice Swim Meet at Park Ridge YMCA

The Park Ridge YMCA will be hosting the Annual Community Novice Swim Meet on Saturday, Nov. 6. The meet will begin at 1:30 p.m. with warm-ups and the events will begin promptly at 2 p.m.

The Novice Meet is open to swimmers aged 5 and under through 15 years old who were not on a regular swim team last year or former AAU Meet Winner. Swimmers who were on a Summer Park District team and not on a regular team throughout the year may enter this meet. Non-members are welcome.

Registration will continue till the day of the meet. The fee is 50 cents. The first 60 entrants in the school age bracket will receive the meet t-shirt and winners will be awarded ribbons in the first three places.

For further information, contact Tom Hoff at 825-2171 or stop in at the Park Ridge YMCA, 1515 W. Touhy.

## Maine East Ski Club meeting

Maine East's largest extracurricular club, Ski Club, has scheduled its first meeting of the season for Thursday, Oct. 21 from 7:30-8 a.m. in room 230.

The October 21 agenda will cover membership, which this year is \$6.75, clinics scheduled for beginning skiers, and information (dates, cost, etc.) about Wilmont, Wis., skiing, the two week-end trips to Michigan, and the annual spring trip to Vail, Colorado.

Dale Davenport of Niles is Ski Club president this year along with Don Karp of Morton Grove as vice-president, Julie Shamburg of Morton Grove as treasurer, and Nick Dalmaso of Niles serving as secretary.

## Honor students

Ten men and ten women students at the University of Illinois have been recognized for their academic achievement and their contributions to fraternity and sorority activities, and campus organizations. Local honorees included Cheryl Lamm, 9321 N. Austin, president of Delta Phi Epsilon and homecoming parade chairwoman. She is from Morton Grove.

## Oakton Harriers second at Milwaukee Meet

After winning two invitational Saturdays, Oakton Community College's harriers traveled north to the Milwaukee Area Invitational on Oct. 9. Although the Raiders ran well, edging nationally ranked Golden Valley College of Minnesota, 70-74, College of DuPage took the 20-team meet with 44 points.

The Raiders, after running against some of Midwest's best community college cross-country teams, will take the next two weeks to prepare for the region IV championships on Oct. 30. Next weekend Oakton runners will tune up on Saturday at the Shelie Giovannelli reported to sick bay rather than to the scorer's table.

### Sutker endorses Dunne

Cal Sutker, Democratic Committeeman of Niles Township and a very prominent Chicago lawyer (r), has endorsed George W. Dunne, President of the Cook County Board. Sutker stated that never in the history of Cook County government have we had such a dedicated and competent public official as we have in George W. Dunne, who has been President of the Board for the past 13 years. Dunne recently spoke at the Niles Township dinner, which was held at the White Eagle Restaurant.

### Mostow runs 75 miles for FNBOS anniversary Yates blasts Reaganomics

Ben "Chick" Mostow promised two years ago he would run 75 miles when First National Bank of Skokie celebrated its 75th Birthday. That he did, running 25 miles per day on Tuesday, Thursday, and Saturday, finishing up at the Bank's Lincoln Street entrance where he was welcomed by Vice President Carroll R. Layman, and in early 1900 costumes, Rosalyn Carlson, FNBOS Director of Employee Relations. Mostow's feat is indeed remarkable considering he is 73 years old and he actually ran a full 26.6 mile marathon each outing.

### Yates blasts Reaganomics

Reaganomics must be repudiated to get people back to work, Congressman Sidney R. Yates, (D, Ill.) told an overflow crowd Sunday at the formal opening of his Chicago campaign headquarters at 2922 N. Clark st. Yates urged all voters to use the November 2 election to send Reagan a definite message that his economic policies are hurting America. "Already, our country is suffering needlessly from Reagan's bloated military budgets, his unfair tax cuts for the rich and his drastic cuts in essential social programs. It is time to call a halt to Reaganomics and provide jobs," Yates said. "The enormous allocation of government spending to military program has distorted our economy and increased unemployment. The sun belt states are getting the jobs because that's where the military funds are being spent."

Yates is the Democratic nominee for re-election from the enlarged Ninth District which extends north from Division st. in Chicago along Lake Michigan through several northshore suburbs.

### Kustra to debate at NSJC

State Rep. Bob Kustra (R-Glenview), Republican candidate for state senator from the new 28th District, will debate his two opponents at a candidates' forum sponsored by Northwest Suburban Jewish Congregation at 8 p.m. Thursday, Oct. 28 at the synagogue, 7800 Lyons, Morton Grove. "I am truly grateful to the Congregation for providing its members and guests with the opportunity to hear the views of all 3 candidates for 28th district state senator," Kustra said. Kustra defeated his opponent in the March 1982 Republican primary by a 62 percent margin to win the GOP nomination for state senator. But the entrance of that opponent into the race as a third-party candidate has sparked a 3-way contest for the senate seat. Kustra, 39, a college professor with a Ph.D in political science from the U. of Illinois, has served in the General Assembly for 2 years.

### Kustra charges Black delinquent in filing ethics statement

State Rep. Bob Kustra (R-Glenview), Republican candidate for state senator from the new 28th District, has charged that his Democratic opponent, Niles Township Clerk Louis Black, is at least five months delinquent in filing the statement of economic interest required of elected public officials. "Kustra, a member of the General Assembly's Joint Committee on Administrative Rules (JCAR), the watchdog of state governmental regulations, has called for amendment of the Illinois Election Code to facilitate enforcement of disclosure requirements. Kustra said several checks with the Cook County Clerk's office - the latest on Oct. 6, revealed that Black's disclosure statement as township clerk, due April 30, still had not been filed. Kustra's recommendation for changes in the election code was one of several designed to impose penalties on candidates and public officials who willfully refuse to file campaign reports and statements of economic interest that were sent to the State Board of Elections following a JCAR meeting Sept. 16. The State Board of Elections has 90 days to respond to the proposed changes.

### Nimrod campaign office

State Senator John J. Nimrod, running for re-election as the candidate of the Taxpayers Independent Party, will operate his campaign from a ranch-style home located at 9007 Milwaukee Ave. in Niles. Anyone interested in Nimrod's campaign is welcome to drop by or call 967-9668.

## Center of Concern offers Entertainment '83 books

The Center of Concern is pleased to announce that once again we will have "Entertainment '83" books available for purchase at our office at 1580 N. Northwest Hy., Suite 4. These books offer discounts at a host of restaurants from the very finest to the local fast-food outlets. Also included in the book are discounts to sporting events and cultural and theater happenings.

The Center found this to be a most successful fund raiser last year and look forward to an even better response this year. The price of the books is \$25 and they will go on sale Nov. 1. You can take advantage of these discounts from November 1, 1982, through October 31, 1983. So don't delay... stop in at our office to pick up your book, or call us at 823-0453 and we will get it to you.

It is through the fund raising efforts of The Center of Concern that we are able to continue saving the lonely and isolated seniors in the Park Ridge and surrounding unincorporated area of Maine Township.

## Fictional families lecture

In the appropriate forum of the Lincolnwood Library, 4000 W. Pratt ave., "Fictional Families," the third lecture in the free series, "The Future of the Family," will take place on Monday, Oct. 18, at 7:30 p.m. The series is sponsored by the National Endowment for the Humanities and the North Suburban Library System.

Speakers will be Rinda West, Association professor of Communications and Humanities at Oakton Community College, and Stanley Levi, Executive Director of Winnetka/Northfield Family Services.

Current novels and plays deal with people who are suppressing their intense passions and avoiding communication. Only a very few portray marriages that work.

Do fictional families simply mirror what goes on in our homes? Or should we expect

literature to do more? In "point-counterpoint" style, the presentors will pose two views on the subject. Professor West believes that writers, and culture in general, should help people see positive ways of being a family. Mr. Levi sees literature as reflecting what is actually taking place within the families.

## Imperials seek new members

The Imperial Drum and Bugle Corps of Mt. Prospect is interested in having new members on brass and percussion instruments and on color guard (flag and rifle). Membership is open to young men and women ages 13-21. Practice is held on Sundays from 1-4 p.m. at Einstein school, 345 Walnut, Des Plaines.

For further information call 398-7416 or 864-5658.

## C.C. Ryder concert at Maine East

C.C. Ryder, folksinger and guitarist, will appear in concert on Sunday, Oct. 24, at 7:30 p.m., in the Maine East High School auditorium, Dempster and Potomac, Park Ridge.

Mr. Ryder officially opens the 1982-83 series of concerts presented by the Community Concert Association of Maine Township. Canadian born and bred, Mr. Ryder has a remarkable vocal range that has delighted his audiences throughout the world.

C.C. Ryder has an extensive background in musical comedy, repertory theater and television. He is the musical director for Phoenix Enterprises, in Santa Barbara, California, a group dedicated to producing quality animated children's programming. He has appeared with Judy Collins, Buffy St. Marie, Josh White and many others.

The guitarist offers calypso songs, foreign language ballads, and many of his own songs, in addition to favorite American folk songs.

Other concerts to be presented on Sundays include: American Ballet Comedie, January 23, 3 p.m. at Maine East; The Robert De Cormier Folk Singers, March 3, 3 p.m., at Maine West High School, Oakton and Wolf, Des Plaines; and Pianist Virginia Eskin, April 10, 7:30 p.m., at Maine West.

Admission is by season ticket only. Tickets still are available for the four concerts, priced at \$15 for individuals, \$37.50 for families, and \$7.50 for students with a current I.D. card.

## Premiere of film at JCC

There will be a world premiere of Children of Terezin (to be entered in the International Film Festival), a film written and directed by Eyton Keller, produced by Stu Bernstein, and to be distributed by world famous producer Zev Braun. The showings of this one-hour documentary will take place on two evenings: Saturday, Oct. 30 at 8:30 p.m. at the Bernard Horwich Jewish Community Center, 3003 W. Touhy ave., Chicago and on Monday, Nov. 1 at 7:30 p.m. at the Mayer Kaplan Jewish Community Center, 5050 W. Church St., Skokie.

Admission for J members is \$3; non-member senior adults and students, \$4; non-members \$5. Tickets may be obtained at either location, or by calling 761-9100 ext. 76 or 675-2200 ext. 227.

Terezin was designed by the Third Reich as a showplace for visiting dignitaries who viewed cafes and opera houses, but in reality it was a collection depot that housed 15,000 children, of which only one hundred survived.

There will be a reception after each performance during which time film goers are invited to meet the producer.

## Antique show benefit

Antique collectors will find "something for everyone" at the 14th Annual Naperville Heritage Society Antiques Show and Sale, Nov. 5-7 at Mermer Fieldhouse on the grounds of the North Central College, Naperville. 27 furniture dealers will be among the 56 carefully selected dealers from 8 states displaying items representing all areas of antique collecting including Primitive, Federalist and Victorian periods. Jury screening of merchandise will assure authenticity and a quality show. Friday and Saturday hours are 11 a.m. to 9:30 p.m. and Sunday from 11 to 5. Fine food will be available.

Proceeds benefit Naper Settlement, the pioneer village being developed and managed by the Naperville Heritage Society. The \$2.75 admission is good for all three days entitling you to half price admission to tour Naper Settlement. Located just four blocks west of the Show, the Settlement will be open from 1:30 to 4:30 for your touring pleasure and convenience during the show.

For further information call (312) 355-0368.

Maine East's Circus Club is now preparing for its fifteenth annual Circus Revue on October 29 and 30 at 7 p.m. in the girls' gym.

Diversified acts included in the show are flying trapeze, Spanish web, swinging ladders, teeter board, clowns, acrobats, jugglers and tumblers as well as gymnastics, acts on rings, uneven bars, vaulting and the balance beam. Added attractions will be a 7 foot unicycle, a pantomime skit, and a senior unicycle act starring Elizabeth Ayesse, Colleen Belluomini, and Linda Tambura.

The main object of Circus Club is to entertain. One of the highlights of the year is the club's annual performance on Bozo's Circus.

Officers of Circus Club are president Zulma Grigolo, vice-president Christi Schachte, treasurer Agnes Bondarowicz, and secretary Maggie Sarmiento.

Benigno, Steve Revesz, and Howie Bieschke.

Tickets go on sale in the cafeteria during the lunch periods during the week of the show at \$2.50 for adults and \$2 for students. Tickets may also be purchased at the door.

The Circus Revue has been scheduled in the fall to allow members of the boys' gymnastics team to become involved in the show during their off season.

The main object of Circus Club is to entertain. One of the highlights of the year is the club's annual performance on Bozo's Circus.

Officers of Circus Club are president Zulma Grigolo, vice-president Christi Schachte, treasurer Agnes Bondarowicz, and secretary Maggie Sarmiento.

## Musicians attend summer camps

Three Maine East senior band members, Mike Skrzypchak of Niles Steve Martino of Morton Grove, and Hiro Shimizu of Des Plaines, attended summer music camps with the assistance of scholarship monies from the Maine East Music Boosters.

Mike, who plays the baritone sax, attended Northwestern University's summer music camp while percussionist Steve Martino

attended the 11th annual Percussion Congress in Milwaukee, Wisconsin. Hiro, who plays the clarinet, participated in the Interlochen Music Camp in Interlochen, Michigan.

Mike, Steve, and Hiro along with members of the Maine East Symphonic Wind Ensemble will perform for the public at the October 29 Symphonic Wind Ensemble concert.

## Illinois consumers endorse Black

CANPAC, the political arm of the Illinois' consumer organization, the Illinois Public Action Council, announced its endorsement of Louis Black, Democratic candidate for State Senate, 28th District.

The 550,000 member Illinois consumer group said that there is a difference between political candidates. Robert Creamer, Executive Director of the consumer coalition said, "We have endorsed Lou Black because we

have looked carefully at his record and positions on the issues - and the records of his two Republican opponents. We believe that Lou Black will represent the interests of average consumers and taxpayers in this State."

Upon receiving the endorsement Black said, "I am pleased to receive this vote of confidence from Illinois consumers; I am committed to their issues of fair utility rates, job protections, and tax justice."

## Elrod names Illinois Consumers Re-election Chairman

Cook County Sheriff Richard J. Elrod has announced that noted Chicago Attorney and Past President of the Chicago Bar Association, Philip H. Corboy, has agreed to serve as Chairman of the Citizens Committee for the Re-Election of Sheriff Elrod.

"I am proud to be represented by such a distinguished jurist and citizen in my campaign for re-election as Sheriff of Cook County," Sheriff Elrod said.

Corboy noted: "Dick Elrod has proven to be an able and ethical administrator, running an office that is above reproach and recognized nationally as a model for others."

"I am most pleased and honored to lend any assistance I can in ensuring the re-election of Sheriff Elrod and his continued service to the citizens of Cook County."

## Egans meet with Pope John Paul

State Senator Robert J. Egan (D-7th) and wife, Marie, receive Pope John Paul II's greeting and blessing after presenting the Pontiff with an Illinois Senate Resolution honoring him for his work on behalf of world peace.

The resolution sponsored by Senator Egan was adopted by the Senate on June 11, 1982. The document sites the Pontiff's worldwide travels in efforts to bring about professional solutions throughout the world.

"I was deeply honored to be able to present this special tribute to the Holy Father during a private audience," Egan said. "His concern and love for the people of Chicago was quite evident when he asked us to extend personal greetings and blessings on his behalf. The resolution was the Illinois Senate's way of recognizing the great holiness and charisma of this truly great spiritual leader."

working for another candidate within the same party. She's on a first name basis by now, though she usually has mastered that amenity by the second time she drops by. She's never controversial, speaking softly but admiringly about her pol.

As for the "pol", he comes in many shapes and sizes. The more sophisticated one is warm and friendly without coming on too strong. Occasionally you get a tiger. This week one of those lonesome runners said, "Listen, Bud, we've supported you through the years, now we'd like your support." Not very subtle. He'd done a bit of advertising in the past, MAY do some in the future, and he'd like the paper's support. He wants us to sell our soul for the Yankee dollar.

As we've written, some of the pols are sophisticated and some can bludgeon you.

At the village level in Niles, the week before election day in 1981 a very youthful black-haired "pol" called us to let us know voters should vote a straight ticket, not splitting their vote. The "pol"

was pretty smart. He was a new guy in town and few people knew him. But he sent the message across the wires which likely made him Mayor of the town for the next 24 years. In those days The Bugle had quite a bit of clout with the voters. Its endorsements were generally the same as the winning candidates. In the race for that village election, four political parties were vying for the village trustee, clerk and village president's posts. The Bugle had intended endorsing the Ken Scheel trustees, village clerk Jim Kozak from another ticket and for village president, John Stanley from a third ticket. But when Blase called and suggested a straight ticket was the way to oust the incumbents, we agreed he was right and endorsed Blase along with his trustee running mates. We still suggested the village clerk come from another ticket, and that's the way the election resulted. Blase didn't win one precinct for his ticket, being carried into office by the more popular Scheel and his fellow-trustees. But his phone call to The Bugle office was likely the most important call of his life.

spending of taxpayers' money. I can't see spending this kind of money."

Attorney Gabriel Berrafato claimed it was legal for the board to adopt the plan and added, "I think this is part of our service. We have to pay to keep the buildings up and we need to keep employees to man those buildings."

According to Huber this is the same plan the Chicago park district adopted for its employees.

Another vote will be taken next month when all members are present.

In other business the Board granted permission for use of the Harter parking lot located at 6250 Dempster for use by American Legion Post 134.

Parade Chairperson Robert Perschon requested the parking lot because of congestion in the Post parking lot during the Veterans Day parade.

The Board also passed a motion to send delegates to the State Convention during November.

The convention will be attended by staff supervisors, superintendents and commissioners.

Sessions are offered with information on programs for the elderly, youth programs, administration and finance. In his report to the Board Huber announced a Halloween costume contest will be held on Sunday, Oct. 31 at the Community Center for youths in the Morton Grove area. Registration begins at 10 a.m. Judges will award prizes.

## Extend Farmers Market

Village of Skokie Market Master, Larry Anderson, announced last week that the Village's Farmers Market will remain open until October 31. Anderson remarked that, "The Farmers that sell at the Market approached the Village with the idea of staying open an extra week, largely as a result of the abundant harvest this fall." The Market was scheduled to close on Sunday, October 24 with the traditional Halloween Party for children of Village residents.

"There will be no change in plans for the Halloween Party," added Anderson. "We're still going to hold it on the 24th between 10 a.m. to 1 p.m., or while supplies last, so come out early." Goodie bags are given to elementary school-aged children that come to the Market in costume. Farmers will have a large supply of pumpkins on hand for the Halloween season. There will also be a good supply of apples, apple cider, squash, and other vegetables these last few weeks of the Market.

The Market is located at 5116 Oakton st., in Skokie and is open on Sundays from 8 a.m. to 2 p.m. Farmers from throughout the midwest sell fresh fruits and vegetables to 5,000-8,000 people each weekend. Come out, join the fun and treat yourself to something good!

### National Honor Society Free Tutoring Program

Tutoring is one of the services National Honor Society (NHS) provides which benefits other Maine East students directly. Dr. Phil Loveall, one of the sponsors of NHS at Maine East, has said that nearly all of the Society's members have signed up as tutors.

Close to 50 students are willing to help in areas of foreign language, math, English, or any other academic subject. The sessions are during school and are absolutely free. If students are interested in this program, they should see their counselor, who will then contact a tutor who has a similar free period and schedule a session. The NHS tutoring room at Maine East is located in the first floor LRC, room 120.

NHS has been offering a successful tutoring program since the early 1960's.

To live up to their reputation as a generous organization, NHS

also plans charity events. The annual Canned Food Drive will again be taking place, along with a Shamrocks Against Dystrophy campaign in March. These activities usually receive a good deal of school support, but there are always years for record breaking.

Juniors who wish to become new Society members must qualify after their fifth semester in school with a cumulative 4.0 average. Seniors must have at least a 3.2 average after seven semesters. Once a student is eligible, the entire Maine East faculty votes on the student in the areas of service, character and leadership.

NHS officers for the 1982-83 school years are president Larry Marturro of Morton Grove, vice-president Colleen Krull of Niles, secretary Amy Chang of Morton Grove, and treasurer Phil Hollenberg of Morton Grove.

### Niles enters Snowplow Competition

The Niles Public Services Department will enter the second annual American Public Works Association (APWA) Snowplow Competition on Saturday, Oct. 23, at the Arlington Park Race Track.

Participants will enter a team composed of a driver and a mechanic and their own truck. Niles Public Works team will be Ken Pitko and Ang Spiezza. A truck must be limited to a standard configuration dump truck equipped with a 10 foot snowplow. Competition will test a team's written knowledge of

safety, mechanical knowledge of equipment, and driving ability, when operating a snowplow equipped truck. This contest will acknowledge the skill and importance of the services provided by the Village of Niles Public Services personnel.

An added attraction this year will be all the Mayors from surrounding communities. Mayor Blase will drive a truck with a plow through a designed course along with other participating Mayors at 1:30 p.m. Don't miss this event!

### Niles Parks...

while park facilities are large enough to hold large gatherings the Niles Park District will have to discuss whether it wants to or should compete with area banquet halls for wedding or anniversary-type parties.

In other business, Park Board President Walt Beusse reported the dedication of the Knights of Columbus Universal Park was held on Oct. 2. The park, located at the Recreation Center, 7877 Milwaukee Ave., is equipped with recreational equipment for handicapped residents. The Knights of Columbus donated over \$10,000 for the park.

Beusse told the board that following criticism last year that a local band did not perform in the 4th of July parade, he has contacted numerous area schools to invite them to participate.

However, all of the schools which have so far replied have refused the request.

Also, Beusse reported maintenance work recently completed at the Tam Golf Course included installing signs for golfers, repairing a green and installing a fence to prevent golfers from walking on certain greens.

Beusse reported the Maine-Niles Association of Special Recreation has received an \$8,000 payment from the Lincolnwood Park District which resigned its membership from the association recently. Lincolnwood had committed itself to contribute \$23,000 for the year's programs, however, agreed to pay the lesser amount when legal action was threatened by the other association members.

Commissioner Dan Kosiba reported packets have been sent out to area residents explaining the park district's soccer program. Kosiba said the program packet included a history of soccer, the rules of the game as well as the park district's philosophy on playing the game.

Commissioner Mary Marusek reported the after-school recreational program run jointly by East Maine School District 63 and the Niles Park District had to discontinue its program at Gemini Jr. High because of poor registration. However, the registration at Nelson School has been good, according to Marusek, and among the programs being

Cont'd from Niles-E. Maine P.1

offered include a computer class for children, a karate class and an open gym.

Commissioner Jim Pierski told the board that The Protection Group Ltd., which patrols Niles Parks, will discontinue patrolling following Halloween. However, the park district will call the security group in as needed.

### Niles Historical features Indians and Pioneers

On Monday, Oct. 25, the Niles Historical Society will present Thomas Conway at the Trident Center, 8000 Oakton, Niles.

Dr. Conway has given many lectures about Indians and Pioneer Life in the Midwest. He resides in Mt. Prospect with his family and is associate professor of history at OCC where he has been teaching for 10 years.

Learn about the history and early settlement of this area when the white man was taming the wilderness with rifle and plow. Everyone is welcome, no charge. Light refreshment will be served.

### Skokie sets Trick or Treat hours

The Village of Skokie is announcing official Trick or Treat hours for 1982. Trick or Treat will be observed between the hours of 4 and 8 p.m. on Sunday, Oct. 31, Halloween Day. Officials are asking that parents make every effort to adhere to these hours for a variety of reasons, the most important of those being the safety of our children.

Acting Chief of Police Varrallo offered these safety tips. "It's a good idea for the kids to, 1.) Bring treats home so parents can see them, 2.) Use the sidewalks, 3.) Wear light colored clothing so you can be seen easily and 4.) Carry a flash light for added visibility. Following these simple rules should assure another safe Trick or Treating season here in Skokie."

Commissioner Mary Marusek reported the after-school recreational program run jointly by East Maine School District 63 and the Niles Park District had to discontinue its program at Gemini Jr. High because of poor registration. However, the registration at Nelson School has been good, according to Marusek, and among the programs being

### Niles library...

Cont'd from Niles-E. Maine P.1

interviews at a convention of the American Library Assn., November 21-23.

The October library meeting was held in the branch library located in Ballard School in order to celebrate the branch's third anniversary there. Meetings are usually in the main library, 6960 Oakton, Niles.

Reporting on grants, Pestine said the District has filed an application for per capita funding from the State of Illinois. This amount may not exceed about \$50,000 and according to Pestine, may be about \$25,000. An exact amount cannot be determined at this time.

In other action, interim administrator Robert Young was directed to establish how many persons in unincorporated areas receive library services. These services may qualify for state aid with Project Plus funds. Board members will attempt to determine loss of funds by the library in unincorporated areas, necessity for free services through funding and possible alternatives.

The board secretary reported on filing of both the Truth in Taxation certification and levy ordinance September 13.

Planning committee members reported dissatisfaction in installation of new carpeting in the main library. Board members agreed final payment will be made to contractors after corrective action is taken and committee members cite approval.

Also, planning committee members are authorized to approve final expenditures for purchase and installation of either glass or plexiglass for repairing of broken library windows.

Pestine said \$3,000 will be necessary to repair a bookmobile donated by the Skokie library and funds for this purpose have been applied for by Maine Township. He said the van is now an "eyesore" and is "being vandalized."

Board members discussed employee benefits in regard to placing cash values of insurance policies at the discretion of the employees or in a retirement fund or annuity.

Roger Hecht, a former employee now in Massachusetts, wrote board members he was "disappointed and confused" concerning rumors of possible board action on the policies. Hecht said he had been assured that all employees leaving the library would be able to receive any cash values on their policies. Board members approved a cash value surrender to Hecht.

Irene Costello, board member, reported that a recent Cook County Ordinance on child pornography prohibits any "visual representation" depicting sexual conduct of a child or children. According to reports, the vague wording would not protect librarians from distributing any books with a child in any state of undress. Costello said this could be construed to include babies or pictures in "National Geographic" magazines.

Other discussion included attendance of the ILA convention and purchase of an International Business Machines typewriter.

Percival P. Martinez

Airman Percival P. Martinez, son of Guadencio F. and Adela P. Martinez, Skokie, has been assigned to Sheppard Air Force Base, Tx., after completing Air Force basic training.

### Jaffe endorsed by Sierra Club

State Representative Aaron Jaffe has been endorsed for re-election by the Great Lakes Chapter of the Sierra Club.

The Sierra Club, for the first time in its 90 year history, is making endorsements in state legislative races and Rep. Jaffe is only one of six candidates in Illinois to be so honored.

Citing his outstanding environmental voting record and his 100 percent rating from the Illinois Environmental Council, Larry Johnson, Chairperson of the Sierra Club Committee on Political Education, said Rep. Jaffe was a friend of the environment and that the Sierra Club has decided to "begin helping our friends, in a nonpartisan spirit, to get into office and stay there to carry on the work we need."

Johnson also emphasized that "not only are we endorsing these candidates, but we are also mobilizing our membership and resources to help them in their election campaigns."

Aaron Jaffe is a co-sponsor of the Bottle Bill and has received the Legislator of the Year Award from the IEC for each of his terms.

He is running for his 7th term in the Illinois House from the new

56th District which includes parts of Skokie, Niles, Morton Grove, Glenview, Golf, Des Plaines, Park Ridge and Wilmette.

### Rueckert seeks to ban bail for certain criminal offenses

Tom Rueckert, Republican candidate for state representative from the 56th District, proposed the enactment of a constitutional amendment to accord judges greater discretion in denying bail to hardened criminals or to those accused of excessively violent crimes.

"Under current Illinois law," explained Rueckert, "only those charged with offenses for which the death penalty may be imposed can be denied bail. And, under current provisions in the Illinois constitution relating to criminal procedure, only an amendment can rectify this growing threat to the safety of our community." The GOP legislative candidate added that a simple act of the legislature would be insufficient to change bail procedure; the legislature would have to enact an alteration, and the voters of the state would have to ratify it.

Under Rueckert's plan, bail would be denied, at the discretion of the judge, in those cases where the accused offender has been twice convicted of a serious crime, and is again charged with a serious crime; also, in those instances where a life sentence could be imposed upon the offender, where the offender has committed a capital crime, and where the offender has been charged with murder in Illinois and has been previously convicted of murder in another state. Also, in cases involving multiple murders, bail could be denied, even in the case of a first-time offender.

If elected, Rueckert promised to introduce a bill to revise the language in the Illinois constitution, and work in the legislature to secure its approval and placement on the ballot in 1984.

An attorney, Rueckert is presently a senior agent for the criminal investigations unit of the State of Illinois, a position he has held since 1969.

### House passes Annunzio bill to urge recognition of Magen David Adom

The House of Representatives has unanimously approved Congressman Frank Annunzio's (11th Dist-Ill) resolution expressing the sense of the House of Representatives that the Red Shield of David of the Magen David Adom Society of Israel should be formally recognized by the League of Red Cross Societies and by the International Committee of the Red Cross.

"I am delighted that the House has urged the institutions of the Red Cross to recognize the Red Shield of David," said Annunzio, "and my good friend Congressman Clement J. Zablocki (D-Wis) Chairman of the House of Foreign Affairs Committee, is to be commended for his dedicated leadership in bringing this bill expeditiously to the House floor."

Since its creation, the Magen David Adom Society has provided major emergency, medical, ambulance, and disaster service for the people of Israel, regardless of race, religion, ethnic background, or nationality.

### Tucker hits proposed M.S.D. budget

Mannie H. Tucker, Republican candidate for Commissioner of the Metropolitan Sanitary District (MSD) of Greater Chicago, today sharply criticized the new budget proposal released last Friday, Oct. 8, by the board, calling it a "joke" in the board's "on-going attempt to deceive the public about the large sums of money it spends causing huge tax increases."

Tucker, 51, of Skokie, a pharmacist and former executive of a drug store chain for 16 years, said he believed the real costs "are going to be much higher than what the current board is announcing." The MSD announced its proposed 1983 budget was \$424.9 million with \$60 million to be raised through the sale of bonds and \$219 million through tax levies.

Tucker said the controversial Deep Tunnel project is to be blamed for the "double-digit budget increase of 18 percent."

Tucker, who has announced he is in favor of halting Deep Tunnel, reiterated his belief that "there is no proof the tunnel will work even if all phases are completed. Meanwhile, the tax bite is enormous. Taxpayers will pay dearly in the years ahead for the Deep Tunnel boondoggle through high real estate taxes and high rents."

He also criticized the board's "smoke screen of announcing cutback in jobs to offset the financial dilemma." One account indicated some 400 engineering and research and development jobs would be cut under the 1983 proposal.

Noting the MSD's upcoming budget hearings, he indicated he hoped they would be announced countywide "and not just mentioned in one local newspaper, like they were last year."

Tucker, who has won the endorsement of the IVI-IPO and Chicago Sun-Times editorial board, has been active in Republican politics for several years. He has studied the problems of the Sanitary District extensively and is considered well-versed in Sanitary District procedures.
