Court House to be home of Historical Society?

The Circuit Court offices at 7166 Milwaukee Avenue may become the home of the Niles Historical Society in 2 to 4 years according to Niles officials.

At Tuesday night's village board meeting, Niles Mayor Nick Blase told trustee Carol Panek "we're interested in it" for use by the historical group and

suggested she begin getting designs and deciding what the village can do with the building.

Blase's direction came after the Niles Historical Society's president, Marilyn Brown, told the board they were out of space for the exhibits the group has accumulated. The group now occupies homes and at

the village hall. She said the group has 8-section display cabinets which are at the Trident Center for exhibition. She noted it takes 155 hours to change the exhibits which takes place every 6 months. She said the group also has a slide presentation for public consumption.

Study program for fingerprinting children

The Morton Grove Woman's Club with the cooperation of the Morton Grove Police Department are instituting a program to fingerprint our grammar school and pre-school children of our community for the purpose of identification.

After the police department was approached with the idea, Officer Robert Davis, Director of

Crime Prevention, set the wheels in motion. A new mobile fingerprinting machine was ordered by the police for the project. Letters were sent to all the principals informing them of the program and enlisting their help for success.

Letters of consent will be sent home with the children. Only those children whose parents sign

Board reviews tenant leases in closed schools

Study leasee options in District 63

by Eileen Hirschfeld

Matters regarding three tenants in schools operated by East Maine-District 63 are to be determined according to board discussion February 22 in Apollo School, 10100 Des Plaines.

Space is being rented in schools closed to students because of the district's declining enrollment. In Wilson school, the Low Incidence Cooperative Agreement

(LICA) requested that board members agree to reduce the space being leased for the 1983-84 school year with a corresponding drop in the rate to be paid. Secondly, LICA asked board members to consider approving a lower rate for space housing of the hearing impaired program or a LICA move where rates may be less costly. According to Joan

From the Left Hand

by Bud Besser

The old Bugle, which is prone to toot its horn on occasion, got some pretty fast action from village officials last week.

In last week's "On The Other Hand" column, Diane Miller wrote beautiful downtown Milwaukee Avenue was looking more like Mattress Lane. She reported Niles had spent \$38,000 for a beautification plan for Milwaukee Avenue. It followed the proposal with a lovely fountain and landscaping improvements at Milwaukee and Touhy Avenues, a \$10,000 landscaping job at Harlem and Milwaukee Avenues and made major improvements on widening the major thoroughfare at Milwaukee and Oakton. Having made this effort to dress up Niles' front window, Diane noted several merchants in the area were piling up furniture and mattresses on the walks in front of their stores on north Milwaukee Avenue. She concluded such goings on were inconsistent with Niles' efforts to beautify this same street.

Within hours after The Bugle was delivered Thursday morning, Niles inspectors bore down on the "Mattress Moguls". Before noon we were receiving telephone calls from the offenders criticizing Diane's article. One of the moguls, who told us he does over a million dollars a year in his business, mentioned the great public service he renders the community by offering his merchandise at such reasonable prices. The poor guy sounded

District 219 plans party for Supt. Gibbs

A community-wide gala dinner and program to honor Wesley Gibbs, the Niles Township High School Superintendent, is being planned by the District 219 Board of Education for Tuesday, May 24. The event will take place in the Grand Ballroom of the North Shore Hilton Hotel in Skokie.

Gibbs will leave District 219 at the end of the current school year, after 13 years as its top administrator, and a total of 35 years of service to the community.

A planning committee, headed by Board President Mary Helen Archibald and Assistant Superintendent Gilbert Weldy, has begun

Niles Twsp. GOP meeting

The next meeting of the Niles Township Regular Republican Organization will be held on Tuesday, March 1, at the Skokie VFW, 7401 Lincoln ave., Skokie, at 8 p.m.

Speaker for the evening will be John McNeal, State Central Committeeman for the Ninth Congressional District.

For further information, call Committeeman Patricia R. Handzel at 966-3243.

preparing an evening that includes a sit-down dinner and a journey into the past to help Gibbs recall highlights of his experiences as school superintendent in the district. "We're creating an up-beat, entertaining kind of program for our superintendent," said Weldy.

Black Hawk Hockey Clinic

Recently the Rangers Minor Hockey Association of Niles hosted a "Black Hawk Clinic" at the Ballard Sports Complex.

The clinic was presented in two parts. The early program called for the visiting Black Hawks to put the Ranger Pee Wee players (11 and 12 years old) through a series of conditioning drills. During the latter part of the program, a scrimmage was held between the Black Hawk players and the Ranger Mites (6, 7, 8 year olds) and the Ranger Squirts (9

and 10 years old). The event was lots of fun for those participating and most entertaining for the more than 2000 people in attendance.

Shown above at the event are (l-r): Black Hawk coach Cliff Korroll, Cliff Fraser, Greg Fox, Niles Mayor Nicholas Blase, Bill Gardner, Niles Park Commissioner Elaine Heinen, Harriet Freydl of the Ranger Minor Hockey Association and Niles Park Commission James Pierski.

Public hearing set on OCC/Skokie lease

The OCC Board of Trustees has set Wednesday, March 2 as the date to hold a public hearing to solicit reactions and suggestions from OCC district residents prior to lease renewal negotiations with District 219. An extension of the lease was proposed by the administration on February 15 as the central point of a series of recommendations regarding the continued usage of OCC/Skokie.

The public hearing will begin at 7:30 p.m., district 219 board room, OCC/Skokie. Directions to the board room will be posted at the main OCC entrance (Trojan Hall). Participants who wish to make three minute presentations are invited to register with a clerk between 7 and 7:30 p.m. OCC Board members and administrators will be available to clarify the recommendation.

"We are making every effort to give all concerned parties an opportunity to share their concerns and feelings before any decisions are reached," stated Bill Spaulding, Chairman of the OCC Board of Trustees.

The administration proposes to extend the lease for 94,000 square feet for academic programs and services at OCC/Skokie, formerly Niles East High School, 7701 N. Lincoln Ave., until September, 1987. The original lease, for 103,000 square feet, was signed

District 71 studies school reorganization plan

The Board of Education of Niles Elementary District #71 is considering the possibility of reorganizing the grade arrangements of its two schools. At present, students in grades Kindergarten through five attend school at Niles Elementary School (South), 6935 W. Touhy Ave. and grades six through eight are at Culver Elementary School, 6921 W. Oakton St.

The proposed arrangement would have students in grades Kindergarten through four at Niles Elementary School (South) and grades five through eight housed at Culver Elementary School. This arrangement would maintain the same educational programs, but would provide for better use of the staff, balance the number of students between the schools, and respond to changes in enrollment patterns.

The Board of Education would like to provide all interested staff members, parents and the public with an opportunity to discuss the proposed grade reorganization. A meeting is scheduled for Thursday, March 3, at 7:30 p.m. at the Culver Elementary School Cafeteria, 6921 W. Oakton St. All are invited.

Area reps will play key roles in fate of investigation

Kustra seeks end of Sheriff's deputy appointments

by Bob Besser

Niles and Morton Grove's representatives in Springfield will play critical roles in taking the first steps to eliminate the political appointments of Cook County Sheriff's deputies.

Rep. Aaron Jaffe, Sen. Bob Kustra and Sen. Robert Egan will all have key roles in determining the fate of a movement to end the alleged non-stop abuses committed by the Sheriff's deputies.

This process will begin when Kustra submits a resolution in the Illinois Senate this week calling for an investigation into the hiring of Cook County Sheriff's deputies.

If the resolution is approved, the Illinois Legislative Investigating Commission, which is co-chaired by Rep. Aaron Jaffe, would collect evidence and issue a report with recommendations regarding these alleged abuses.

In a written press release dated February 17, Kustra is quoted as saying, "In 1982 alone, a deputy was charged with using his badge and gun to commit an armed robbery, two deputies were indicted for extortion and a Chicago alderman was indicted for selling deputy jobs in the sheriff's office. There have been other arrests of deputies for such crimes as murder, armed robbery, deviate sexual assault, aggravated battery, income tax evasion, bribery, vote fraud, rape, aggravated arson, narcotic sales and theft."

Additionally, Kustra noted during a Tuesday interview that one of the suspects recently arrested for the attempted murder of Kenneth Eto, who is tied to organized crime, was a sheriff's

deputy. Kustra added there have been numerous incidents in which suburban police are prevented from enforcing general laws when the offender pulls out a sheriff's deputy badge and is let go.

Kustra said, "There are literally hundreds of people deputized by the Sheriff of Cook County with the authority to sport a badge and carry a gun, but apparently perform no public service. I am asking that the commission be empowered to investigate the practice of appointing deputy sheriffs and make recommendations on how to improve the office in this area."

The resolution for the investigation will not be called for a vote until it has been approved by the Senate Executive Committee which is chaired by Senator Robert Egan.

The Executive Committee, which has a Democratic majority, would have to put partisan politics aside if they approved the resolution to investigate the Democratic Cook County Sheriff's Office.

Kustra conceded it will "be tough getting it out of committee." However, because the abuses have been so blatant, Kustra said, "I don't think partisan politicians can just shove this aside."

Kustra said he will personally present evidence supporting his resolution before the Executive Committee. Senator Egan was unable to comment on the resolution as his office said he is out of town.

Skarb named Administrative Assistant at Niles Chamber

Anne Skarb has been named Administrative Assistant to the Executive Director of the Niles Chamber of Commerce and Industry.

She joined the Chamber staff in May of 1982 as Secretary to the Director. In her new post, Skarb will assume additional responsibilities dealing with membership retention and communications, financial reporting, group insurance and liaison with Chamber Committee Chairmen.

Chamber President, Cliff Crestodina said, "Mrs. Skarb has become a key factor in our rapid membership growth. We want to make full use of her varied talents in better serving our retail and industrial members."

Anne and her husband, Jeff reside in Niles.

BEST FOOT FORWARD

FOOT ARCH TROUBLES

The arch may well be the one part of your foot that supports your entire body. Made up of various bones, it acts like a spring. It absorbs the natural shocks from walking. If overburdened and subjected to wear and tear, it can weaken and cause problems.

An improperly functioning arch causes foot pain, burning, chronic fatigue, even painful calluses. The arch lowers and rolls inward. Tendons become displaced. Muscles and ligaments must work harder, longer, and out of harmony with related muscle groups.

Your podiatrist may suggest an orthotic device, a biomechanical insert for your shoe designed to help restore normal functioning to the damaged muscles, ligaments and out-of-line bony structures.

Homeowner's Exemption forms in mail

Robert P. Hanrahan, Assessor of Niles Township would like to advise residents that verification of occupancy is required again this year in order to be eligible for the Homeowners Exemption in Cook County and throughout the State of Illinois.

The Homeowners Exemption can mean a savings of as much as \$300 in property taxes for owners of single family homes, condominiums, cooperatives and apartment buildings of six units or less. This exemption protects homeowners by eliminating from taxation any increase up to \$3,000 in equalized assessed valuation since 1977.

If you do not receive a Homeowners Verification Card in the mail by the first week in March, you can contact the Niles Township Assessor's Office at 5255 Main Street, Skokie for assistance locally. This form simply requires an affirmation of residence and a signature. It is to be mailed back to the Cook County Assessor's Office before April 1, 1983.

Senior Citizens who have already qualified for the Senior Homestead Exemption for 1982 will automatically receive this additional 1982 Homeowners Exemption. The need not apply again.

For further information, call 673-9300.

CHURCH AND TEMPLE NOTES

Bjornson Male Chorus at E.P.L.C.

The Bjornson Male Chorus, under the direction of Mr. Wayne Spies, will be guest singers at the Midweek Lenten Service, Wed., March 2, at 7:30 p.m. at Edison Park Lutheran Church, 6626 N. Oliphant Ave., Chicago. At the service, the Church's Senior Choir, directed by Mr. John K. Christensen, will also be heard. The Bjornson Male Chorus presented its first concert in December of 1974. The group has always supported churches, childrens homes, old people homes and other

Baha'is of Niles

"Spiritual Assembly Baha'is, Niles, Illinois: Rejoice to hear momentous announcement pertaining occupation new building Universal House Justice. Believers Niles thankful lofty station now visible all mankind."

So reads the text of a cable sent to the supreme institutions of the Baha' Faith, the Universal House of Justice, on the occasion of its occupancy of its permanent seat at the Baha'i World Center in Haifa, Israel.

The news of this auspicious event brought joy to the Baha'is here, for they have closely followed the rise of this majestic edifice on the slopes of Mt. Carmel from the ground breaking in June, 1976 to its occupancy this month. Through individual and collective contributions, the Niles Baha'is helped fund this \$20 million project.

Five and a half stories high, the building is faced with white Italian marble and is surrounded by a stately colonnade of 60 Corinthian columns. It contains chamber of the Universal House of Justice, a library, a concourse for the reception of pilgrims and dignitaries, accommodation for the secretariat and many other ancillary services, and storage vaults with air-purification for the preservation of original Tablets and other precious documents.

Zimka's celebrate 40th anniversary

Mr. & Mrs. Joseph Zimka celebrated the 40th anniversary of their marriage on Saturday, Jan. 29. Joe and Dorothy, at a special Mass at St. John Brebeuf Church, renewed their marriage vows and exchanged rings again. Their entire family, including grandchildren and many friends, were in attendance as witnesses.

A reception and dinner was held at Garden Terrace West for some 200 guests.

Dorothy and Joe's "Happiness Account" consists of 3 daughters and 2 sons-in-law; 3 sons and 3 daughters-in-law. The above combination resulted in 8 grandchildren; 3 grandsons and 5 granddaughters.

Mr. & Mrs. Zimka resided in Niles some 25 years, and were among the first 100 parishioners of St. John's. Joe was familiar to many Niles residents, having been employed in the Water Department of Niles Public Works, retiring in November, 1978.

Dorothy's uncontented expertise in the restaurant and lounge

field goes back to the days when the Red Balloon opened on Touhy Avenue in Niles. She was later affiliated with her son Leonard at the White Star Inn in Niles, on Milwaukee Avenue. Mr. & Mrs. Zimka now reside in Algonquin, Illinois.

A 38-year-old Norwood Park man was arrested for drunk driving on Wednesday, February 16. Police report seeing the man driving at 2 a.m. east on Oakton st. without his headlights on. With police watching, the Norwood Park man went through a red light at Milwaukee ave. and, proceeding north, crossed the middle yellow line numerous times. After stopping the vehicle at Milwaukee and Ottawa, Niles Police report detecting a strong odor of alcohol on the man and seeing him staggering. Also, while searching the man's car, police found a loaded handgun on his front seat. The offender was charged with driving under the influence of alcohol, unlawful use of a weapon, disobeying a red light, improper lane usage and driving without headlights. After being assigned a March court date the man was released after posting a \$100 bond.

Restaurant Vandalized

A Niles restaurant reported being vandalized on Sunday, February 13. Officials of Jonathon's Restaurant, 8501 Dempster st., reported that unknown person shot BB pellets through a six foot by four foot window while driving by at 10 p.m. The replacement value of the window was set at \$200.

Car vandalized

A resident of the 8200 block of Maynard st. reported his car was vandalized while parked in front of his home on Thursday, February 17. According to the

Arrested on drug charges

A 22-year-old Franklin Park man was arrested for possession of drugs in Niles on Friday, February 18. Police report receiving a call at 9 a.m. from officials of 7-11, 7450 Oakton st., about a suspicious character in the store. Arriving on the scene police found the man leaning on a counter. When police spoke to him he did not understand and was unable to talk. While looking for some identification police found a bag containing a brown powder. They took the man to Lutheran General Hospital where he was treated and then released to the police. At the Niles Police Department it was determined that the powder found on the man was the Franklin Park man was charged with possession of the controlled substance, assigned a court date and released after posting a \$1,000 bond.

Car break-in

A Niles resident reported his car was broken into during the night of Friday, February 18. According to police, unknown persons used a rock to break a side window in the car, a 1982 Volkswagen, which was parked in the 9000 block of Golf rd. Taken from the car was a police radar detector valued at \$250. The replacement value of the broken window was placed at \$100.

Winter driving safety hints

By Secretary of State Jim Edgar

Skidding usually is caused by driving too fast over wet or icy roads, accelerating or decelerating too fast, or slamming on the brakes. But you don't have to be a reckless driver to lose control of your vehicle. If you find yourself in a skid situation, remain calm and follow two basic actions. First, stop whatever you were doing when you started to skid. Second, steer in the direction of the skid.

If the skid was caused by driving too fast on a slippery road, ease up on the gas pedal, do not apply the brakes. Steer as gently as you can in the direction of the skid.

If you accelerated too fast, ease up on the gas pedal and steer in the direction of the skid.

If you slammed on the brakes, ease up on them and steer in the direction of the skid.

Skidding also can be caused by driving too close to the edge of the road, with one or two wheels dropping onto the shoulder. Don't try to get back on the road immediately. Wait until your speed has been greatly reduced, check the traffic behind you and look for a place where you can get on. Then turn your wheels just sharply enough to get back into safe traffic.

If you have any questions about the Secretary of State's office, please feel free to use our toll-free telephone number (800-252-8980).

Auto Show to feature drunk driving display

The 1983 Chicago Auto Show, being held at McCormick Place from February 26 through March 6, will feature a drunk driving display by the Illinois State Police.

The driving under the influence display will include a vehicle that was involved in a drunk driving accident, a slide presentation showing the result of a drunk driving crackdown by state troopers during 1982, and a display board giving facts and costs of drunk driving.

State police offer tips on road emergencies

Helping motorists who need assistance along the highways is an important function of the Illinois State Police.

If your car ever runs out of gas, has a flat tire, or stalls out and refuses to run - it's comforting to know the Illinois State Police are nearby to offer assistance. On a monthly basis, Troopers in State Police District #3 (Chicago) provide help to approximately 600 motorists along I-290 (the Eisenhower Expressway), I-94 (the Edens Expressway) and Illinois 53 (Woodfield-Schaumburg area).

It's important to keep your auto in tip-top shape to avoid the inconvenience and expense of a tow by just keeping the gas gauge or learning to change a flat tire themselves.

The Illinois State Police are concerned for your safety on the highways - assisting disabled motorists is one result!

flashers to alert other drivers to your presence;

-Put out flares, reflectors, or red flags to increase your visibility;

-If a phone is within walking distance, lock up your car and telephone for help;

-If no help is immediately available, raise the hood, lock yourself inside the car and wait.

If you pass a disabled car on the road, one way to help is to notify the nearest police agency. Give the location, vehicle description, occupant information and possible problem.

The police can take it from there. Many drivers could avoid the inconvenience and expense of a tow by just keeping the gas gauge or learning to change a flat tire themselves.

District 63 teacher heads 1983 Special Olympics

Christine Schumacher, Special Education Teacher at the Stevenson School in Des Plaines, is the Director of the 1983 Maine Township Special Olympics. This annual event gives all of the students enrolled in the township's special education classes an opportunity to take part on a competitive basis in various track and field contests. The events include running, wheelchair races, ball throws, obstacle course races, high jumps and hockey. The Special Olympics will be held on Saturday, May 14, or rescheduled to Saturday, May 21 should the weather not cooperate. The entire event will be held at the Maine North High School Athletic Field at 9511 Harrison st., Des Plaines.

Mrs. Schumacher will be directing a team of special education teachers and community volunteers to supervise, judge, and

conduct this event. All participants donate their time to the event. Mrs. Schumacher said that more than 300 students were expected to take part thus making the need for adult supervision an important task to be completed.

The children who participate all receive a Special Olympics T-Shirt and award. Ribbons are given to the winners and runners up of the events.

Many organizations and businesses donate money and products to the Special Events. Since this activity has been growing over the last few years, Mrs. Schumacher has issued a plea for dollars, products, and volunteers to the community. Any person or group that wants to help in this worthwhile activity may call Mrs. Schumacher at the Stevenson School in Des Plaines, 827-6231.

Safety Town instruction for children

If you are a concerned parent, wouldn't you want your child to know all the aspects of safety that could, some day, possible save his or her life? At Safety Town, a safety-education program for 4- to 6-year olds, you can avail yourself of instruction for your child in: pedestrian, motorists, bus, stranger, police, fire, bicycle, drug, general play and home safety.

A miniature Safety Town, built to the scale of the pre-school child, will again be set up at Nelson School, 8901 N. Ozanam, Niles. The West Valley Section, National Council of Jewish

Women, will hold registration on Wednesday, March 16 (between 9:30 and noon, and 1 to 3 p.m.) for this summer's sessions, at the school. The project is conducted in conjunction with School District 63.

Registration fee is \$11 per child. Children do not have to be residents of District 63. There will be three (3) each morning and afternoon sessions: June 20 to July 1, July 5 to July 15, and July 18 to July 29.

For further information, or to register your children, call project chairwoman, Mayta Spitz, at 674-2374.

Teachers learn while students play

On Monday, Feb. 21, while the students in District 71 were enjoying a day off from classes, the faculty and staff of Culver School and Niles South School were engaged in a far different activity. They too were enjoying a day away from their school, but for a different reason. Their day was spent looking for new teaching techniques.

On this Teachers Institute Day, the faculty members arranged to visit different types of classrooms in other districts to observe various programs.

Some of the places visited were Olive School and Indian Grove School in Mt. Prospect, London

Show tickets incentive for students

Students at Ralph Emerson Junior High School had the opportunity to win tickets to The Great American Motorcycle Show this week. Students were required to show good behavior and good grades in all their classes for one week. Those students receiving the approval of all their teachers could earn up to 4 tickets to the show being held at O'Hare Exposition Center February 24-27.

We want to congratulate the students who earned the tickets and the school system for providing innovative incentives. We hope the students enjoy the show!

District 71 Kindergarten registration

Kindergarten registration and pre-school screening for three and four year olds will take place on Tuesday, March 8, at Niles Elementary School South, 6935 W. Touhy ave., Niles.

For parents' convenience, both registration and screening will be held at the same time so that parents can bring along all their children who were born between December 1, 1978 and March 1, 1980.

Please refer to the following schedule: Last name A through J - 9 a.m.; Last name K through S - 10:30 a.m. Last name T through Z - 1 p.m.

Bring along a birth certificate for the kindergarten-bound children who will be five years of age by December 1, 1983. A hospital certificate will not be accepted. If you do not have a birth certificate, call 443-7789 for information.

Please pass this information on to your neighbors!

Niles Talent Express

Students of District 71, Niles Elementary and Culver Schools prepare for the Second Annual Talent Show on Tuesday, March 1 following the PTA General Mtg., at 7:30 p.m. at Culver School, 6921 W. Oakton.

Variety acts include students in grades 1-8, teachers and parents. Past PTA Presidents will be especially honored at this meeting. Admission is free and refreshments will be served.

Shown above, (l. to r.) 2nd graders Holly Sadoff, Zachary Posner, Damon Miceli, and 5th graders Antoinette DiMiodica and Chang Shu.

Demons hit season high total at districts

Niles woman qualifies for bowling tourney

Yolanda Strnad of 7521 Kirk dr., Niles, has qualified to bowl in the Sectional Roloffs of the "Beat the Champions" Bowling Contest put on by the "Chicago Sun Times" newspaper.

She is among the 1,000 men and women qualifiers out of an original field of more than 160,000.

Yolanda is a housewife and has 3 children, James 19, Antonette 17, and William, 9. Her husband is a Biology teacher, and has been teaching at Niles West for the past 21 years.

Yolanda bowls in the "Swingers" league on Thursdays in a morning league at Niles Bowl. Her average is 168.

Yolanda bowled a Scratch 606 in the initial phase of the contest.

If she does well in the Roloffs, she will be in the finals at Woodfield Lanes, Schaumburg on Sunday, March 6.

Competition is getting tougher every year in the sport of Girls' Gymnastics and this year is no exception, as evidenced in the District Qualifying Meet for the IHSAA State Meet series.

Although the Maine East Girls' Gymnastics team scored their highest team total, it was not quite high enough to qualify them as the "at-large" team for the Sectional meet.

The Demons team total was 131.7, just 6 short of Maine South's 132.3 points.

Coach Betty Axelson's reaction to the team missing the at-large berth to Sectionals was one of disappointment. "The team had a very good night on vault, and also did well on bars and floor, so after 3 events we were in an excellent position of beating Maine South. However, beam was the choke event of the evening; we were last up and could have clinched the necessary points, but instead we had falls in every routine. When the team is so close to qualifying for Sectionals, of course it's disappointing, but in looking at the entire season, the girls really came a long way since Nov."

Niles Baseball League registration dates

The Niles Baseball League wishes to announce the 1983 baseball registration dates.

Registration will be held at the Niles Recreation Center, 7877 N. Milwaukee ave., from 7 p.m. to 9 p.m. on Wednesday, March 2, Thursday, March 3 and Friday, March 4. Also from 10 a.m. to 4

p.m. on Saturday, March 5. There will be an additional late registration date from 7 p.m. to 9 p.m. on Wednesday, March 9.

The baseball league welcomes players from ages 7 to 17. For additional information, call 967-6633.

Gemini wins IESA district basketball title

Gemini Junior High School, 8955 Greenwood ave., Niles, East Maine School District #63 soundly beat Crystal Lake, Lundahl Junior High School, 41 to 27, Wednesday evening, Feb. 9, winning the IESA district title.

Led by Louis Cherry's twelve points, this win starts Gemini on its quest for the State champion-

ship AA basketball title.

The next game for Gemini will be the sectional play-off at Gemini Wednesday, Feb. 16 at 7 p.m. in the North Gym. Their opponents that evening will be Brooks School of Harvey.

Members of the team coached by Larry Gold are: Louis Cherry, Tony Vigon, Brad Lietz, Rodd Gile, Rich Goldberg, Jayson Grotman, Jeff Hay, Steve Jacobson, Ted Kim, Kenny Mann, John Rozinsky and Carl Sheng.

Principal Donald Huebner and Assistant Principal Ray Kuper offered best wishes to their Mustangs.

Honored by Serbian American Democrats

State Rep. Ralph C. Capparelli (second from right) and City Clerk Walter S. Kozubowski were honored recently by the Serbian American Democratic Society. Capparelli was presented with a plaque in recognition of his outstanding leadership as State Representative, and Kozubowski was honored for the many innovations he has brought to the City Clerk's office, resulting in savings of more than \$1 million to city taxpayers.

Making the presentations were Sam Lazich (1), chairman of the Serbian American Democratic Society and Marko Vucenovic, president of the Serbian church school congregation.

Kustra announces Student Legislative Internship

State Senator Bob Kustra (R-28th) has announced that applications are now being received for eighteen fully paid internships offered through the Illinois State Legislature and Sangamon State University. Students interested in pursuing graduate study of legislative processes and policy analysis are encouraged to apply.

Inquiries should be directed to Kent Redfield, Coordinator, Illinois Legislative Staff Internship Program, Sangamon State University, Springfield 62708. The program's toll free information number is 800-252-8533, ext. 6602.

"The legislative internships provide a unique and beneficial experience for anyone interested in pursuing a career in government or government-related work," said Kustra. "The program offers actual experience in the legislative process in combination with academic study."

Those appointed to the 9% month program receive a \$900 per month stipend and graduate credit for their work. Appointees are assigned as intern analysts to a partisan legislative staff or to the non-partisan Legislative Council. Four interns are assigned to each of the following positions: House Republican Staff, House Democratic Staff, Senate Republican Staff and Senate Democratic Staff. Two additional interns work with the Legislative Council.

Applicants must complete an undergraduate degree prior to September 1, 1983. A minimum grade average of 2.75 of a 4 scale is also mandatory. Transcripts, letters of recommendation and a series of essays are required of each applicant. The application deadline for the 1983-1984 internships is March 1, 1983. Appointments for next year's October to June internships will be made in April.

Egan returns salary to State Treasury

Illinois legislators were recently asked to "lead the way" in making the first financial sacrifice in attempt to curb on state spending. The "Furlough Program" promulgated by the Governor, Senate President and House Speaker was a request to members of the General Assembly and Governor's Cabinet to voluntarily return a week's salary to the State Treasury.

"If we are going to ask individuals in state agencies to tighten their belts then let's begin with ourselves," said State Senator Robert Egan (D-7) in reference to his recent return to the state of 5 working day's pay.

Approximately 28 state senators have voluntarily participated in the program to show good faith in the state's efforts to

begin limiting spending. Deadline for the legislators and cabinet members to participate in the Furlough Program is June 30, 1983.

In returning the check Egan said, "This check represents a refund to the State of Illinois for 5 days of legislator's pay to demonstrate my support of the program in helping preserve the jobs of state employees."

Jay C. Nykol

Jay C. Nykol, son of Mr. and Mrs. James E. Nykol of 61 Marina dr., Des Plaines, has been promoted in the U.S. Air Force to the rank of senior airman.

He is a 1978 graduate of Maine West, Des Plaines.

Van Dusen heads Congressional Office

George Van Dusen, of 9141 Kilpatrick, Skokie, has been named director of suburban affairs for a new local office of the Ninth Congressional District.

Van Dusen was named to this new post by Congressman Sidney R. Yates (D-IL) to serve residents of Evanston and Golf and parts of Des Plaines, Glenview, Morton Grove, Niles, Northbrook, Skokie and Wilmette, which are now parts of Yates' district.

For several years, Van Dusen has served as legislative assistant to Congressman Yates, working at the Congressional District Office in the Federal Building, 230 S. Dearborn, Chicago.

Yates said both offices will be open daily to assist all District residents in dealing with federal matters such as Social Security, public aid, immigration, Medicare and Medicaid, passport applications, and veterans affairs. Yates also said his offices would welcome comments and suggestions on federal legislation.

LETTERS to EDITOR

Dixon comments on mail response to withholding tax

Dear Editor:

In recent weeks, my office has received a record amount of mail on the subject of the 10 per cent withholding on interest and dividend payments.

The volume has been such that my office has not been able to respond to each letter as promptly as we would like. To illustrate: in all of 1982, we received about 250,000 pieces of mail on all subjects; in the last month we have received more than 120,000 pieces on the withholding question alone.

I am writing this letter to let your readers know my feelings on the issue.

I voted against the withholding measure in the last Congress and I continue to oppose it.

As many of you know, after July 1 of this year, the 10 per cent withholding tax is required for payments of interest and dividends unless they amount to \$100 or less annually. Payments to individuals with no tax liability in the preceding year are exempt, as are payments to elderly persons whose tax liability was \$1,500 or less (\$2,500 on a joint return).

This provision was based on Internal Revenue Service estimates of unreported taxable interest and dividend income. None of us can condone tax cheating. I believe the vast majority of American citizens pay all taxes due on a timely basis, and we should not penalize them for the actions of a minority.

I am convinced that this tax will do more harm than good, and that it reduces incentives for saving while imposing unnecessary and burdensome administrative costs on financial institutions.

I hope Illinoisans will understand any delay they experience in getting an individual response from me, and I hope this letter makes my views clear.

Sincerely,
Alan J. Dixon

Cablenet announces expanded channel line-up

Cablenet, Inc. has added a new off-air, broadcast station to its channel line-up and plans to also offer its subscribers several new satellite programming services within the next few months.

Already included in Cablenet's expanded line-up is WPWR, channel 60, from Aurora. WPWR's programming includes several syndicated series—such

as the MV3 Dance Show, a popular new video rock program. WPWR also features the Financial News Network from 9 a.m. to 4 p.m. Monday through Friday. This block of programming offers stock market information, business news updates, and interviews with key corporate executives. WPWR's program schedule runs from 7 a.m. to 7 p.m. Monday through Saturday and from 8:30 a.m. to 7 p.m. on Sundays.

Cablenet also plans to offer another local off-air station, WYCC, as soon as that service begins broadcasting. WYCC,

channel 20, is sponsored by Chicago City Colleges and will offer educational programming. Satellite and premium services scheduled for launch in the spring will also be included in Cablenet's expanded channel line-up. These services range in programming from a country and western theme on The Nashville Network, to exclusive Disney productions on The Disney Channel, to local sports coverage on SportsVision.

Cablenet's new, expanded channel line-up will also feature local origination programming produced by citizens of its franchise area. Workshops are scheduled to begin in March that will train interested community members on video production techniques and strategies. To date, nearly 400 workshop reservations have been made.

OCC Spring touring companies

Filmmaking for children

Denis R. Berkson, Oakton Community College director of theater, announces the two new casts for the spring touring companies of the Unincorporated, Truly Inspired, Way-Out Imagination Theatrical Company.

The theme of both touring companies will be: Coming of Age According to Contemporary American Authors. "The idea is to take narrative fiction," Berkson explains, "and transform it into 'living theater' was done in the highly successful production of Charles Dickens' 'Nicholas Nickleby.'"

Company V, directed by Karol Verson, will perform the classic novel, "The Catcher in the Rye," by J.D. Salinger.

Company V members include Andrea Lamm, assistant director, Jeff Brunk, and Eddie Jerome of Skokie, Bes Nievera Jr., of

Glencoe, Jennifer L.C. Blus, of Park Ridge, and Abigail Ann Olshan, of Highland Park.

Company R, directed by Kathy Ruhl, will perform three short stories: "Conversion of the Jews" by Philip Roth, "A & P" by John Updike and "Sex Education" by Dorothy Canfield.

Members of Company R include: Pat Samorin of Northbrook, assistant director, Bill Dunbar of Northbrook, Scott Bussert of Des Plaines, Kelly Dugan, of Evanston, John Peticli, Nancy Kazian Pistone and Marguerite Woodall, of Skokie.

Both companies will be available for touring in April and May for any group, class or special event. No fee is charged for performances. For information about booking, call Karol Verson at 635-1952 or Berkson at 635-1870.

Award winning animator, J.P. Somersalter will unlock the mysteries of filmmaking for children ages 5-12, 1:30 p.m. Sunday, March 6 at the Mayer Kaplan Jewish Community Center, 5050 W. Church St., Skokie. Tickets to the performance are \$1.50 and \$2. Children may also enroll in a related workshop activity which includes the making of flipbooks and the creation of an animated film done by the group. The fee for this program includes a ticket to the performance. For reservations call 675-2200 ext. 223.

Centre East's Family Series begins March 13

Centre East's "Family Services," three presentations especially geared to audiences of all ages, begins Sunday, March 13, at Centre East, 7701 Lincoln ave. in Skokie. The series begins with *The Hobbit*, which features life size puppets depicting Tolkien's memorable characters, and also includes Treasure Island, a musical version of Stevenson's classic adventure, and Maria of Sesame Street, a delightful hour in which children participate in songs, games and stories.

Ticket prices for individual shows are \$6. Subscription tickets for all three events are \$15.

The first event of the "Family Series" is *The Hobbit*, which is presented Sunday, March 13, in two performances only at 2 p.m. and 7 p.m. Montreal's Theatre Sans Fil has developed striking new ways to fabricate and manipulate huge puppets from four to twelve feet high, creatures who embody all the magic and adventure of Tolkien's well-known fantasy.

The "Family Series" continues with high adventure, featuring Treasure Island on Sunday, April 17 at 2 p.m. and 7 p.m. Robert Lewis Stevenson's classic tale is enhanced by music and by the performance of the Nebraska Theatre Caravan, the touring arm of the Omaha Playhouse.

The third presentation is Maria of Sesame Street, offered on Sunday, May 15 at 1 p.m. and 3 p.m. Sonia Manzano as "Maria" brings greetings from Big Bird, Cookie Monster and Oscar the Grouch, as she recreates Sesame Street on Lincoln ave.

Tickets for "Family Series" events are available now at the Centre East box office, 7701 Lincoln ave. in Skokie. The box office is open from 10 a.m. to 6 p.m. Mondays through Fridays, and from 12 noon to 5 p.m. on Saturdays. Tickets can be ordered by mail by sending a self-addressed stamped envelope with an order indicating date and price to Centre East, 7701 Lincoln ave., Skokie. For phone orders, call 673-6300. Mail and phone orders can be charged to bank credit cards (5% charge). Tickets are available at all Ticketron outlets. Senior citizens receive a 1% discount at all Centre East performances. For group rate information, phone 963-2257.

For reservations and information, phone Centre East at 673-6300.

ED HANSON

Darts Hitting the Money Target

I can remember when golf and tennis were just a game (I played 'em both) and no one ever thought they would become "BIG MONEY" games. But I can recall when pro baseball and football offered their "stars" an annual salary that wouldn't even pay for the "tips" for the "Super Stars" of today.

But then thru that imaginary looking glass, the marvelous mirror of memory, I can look back in time much farther than most folks. But, I wish to set the record clear, about one thing of which I have been accused, namely, "I did not go steady with Betsy Ross nor was I the First Minute Man." Nor did I say to Nathan Hale, "What are you hanging around for?"

But I have learned one thing about history. History is not the past but rather it is a merging of the inexorably slow movement of time resulting in a marriage or merger with the present. And, as some wise men have said, "history does repeat itself."

Take the game of "DARTS". Origins usually lost in the fog of time are difficult to trace and always subject to rebuttal. The game of DARTS, many historians say, first began when the English Knights of old drew a circle upon the bark of a tree and then flung their battle axes at this target striving to get as close to the center of the circle as possible. The Irish will dispute this by saying they invented the game of darts in ancient taverns while consuming vast quantities of whiskey. And this could be true and maybe it could also be true that God invented whiskey to prevent the Irish from ruling the world. The Scotch, on the other hand, will dispute both these theories claiming it was they who invented the game of Darts in order to win a FREE drink.

The only thing known for sure is that the game of Darts is more ancient than golf, tennis, baseball, football and just about any other game you can name.

And, now this ancient game of Darts is merging with the present. It has been said by sages if one can take the past and understand it, one will have an inkling of the future. This has been termed foresight. It has caused some astute persons to amass large fortunes.

Now, just recently Darters have dashed to Chicago from all over the world to try their skills at the boards of RAMADA O'HARE Hotel to compete for a purse of \$32,500 put up by a tobacco company and a brewery. Serious and skillful Darters, many from the Chicago area, travel all over the country to other tournaments where prize money exceeding \$50,000 is divided among a variety of singles and doubles events.

In the Chicago and suburban areas more than 200 Dart bars and thousands of players compete for daily and weekly prizes. A well-known Niles businessman and highly skilled Darter told me he is sponsored by a large Dart manufacturer and has won substantial sums in tournaments. His wife is also a skilled "Darter" and also successfully competes for prize money.

SULLIVAN'S was, I believe, the first in Niles to attract Darters from both Chicago and the suburban area. And recently, KEN'S PLACE, Dempster and Milwaukee, has installed two fine dart boards and the game is really catching on. They, under the progressive management of Joanna, have also recently innovated several other new moves designed to attract more new customers, such as food, draft beer and even Budweiser in bottles which the former successful owner Eddie Schuett never had. These are different times and require new ideas which will please old customers and attract new ones—and it's working to their business betterment, and that's the bottom line and the only line that counts.

The beauty of darts is there are no age limitations, no strength is required, women can compete, many more successfully than men, and even the "Old Folks" can provide as good or even better competition than the 'young'.

The only word of warning I have about playing 'arts is this: There is a notorious Dart hustler called "Fast Eddie" who stalks the Dart bars of Chicago and suburbs. In his youth, at the age of 14, when the local pool room burned down, "Fast Eddie" was a pool room hustler who made an easy buck from sharpies who thought they could beat the kid from Avers Avenue - they couldn't. Now, in his old age, he is liable to sweet-talk you into a game of Darts for money. Don't play him - you'll lose!

Yeshiva Women Scholarship Luncheon

Yeshiva Women of the Hebrew Theological College will be holding their 34th annual Scholarship Luncheon on Wednesday, March 9, at 11:30 a.m. at the Palmer House.

This annual event is the largest gathering of traditional and orthodox women in the Midwest, attracts over 700 women representing more than 25 different sisterhoods. The monies raised provide scholarships at the Hebrew Theological College for needy students in both the high school and advanced divisions.

The guest speaker at this year's luncheon will be William B. Heimreich, noted author and lecturer. He is a graduate of Yeshiva University with a B.A. degree, and M.A. and Ph.D. degrees from Washington University in St. Louis.

He is author of many books, his latest being "World of the Yeshiva: An Intimate Portrait of Orthodox Jewry."

A special ceremony will honor The Women of Valor, 20 distinguished women who have served their synagogues and community in the finest Jewish manner.

"9 to 5"

The uproarious comedy, "9 to 5", in which three abused and harassed secretaries decide to get rid of their chauvinistic boss, will be shown Friday, March 4 at the Recreation Center. The film, starring Dolly Parton, Lily Tomlin and Jane Fonda, begins at 7 p.m. The cost is \$5.00 per person or \$1 per family. Refreshments will be available. Call 967-6633 for information.

Tee ball registration

Tee ball is a fun, introductory program, designed to give boys and girls 6-8 years old, the opportunity to learn the skills of baseball and/or softball.

The first four weeks of the program will consist of instruction for skill sharpening. Teams will then be formed and coaches assigned to each team for controlled games. During these games, play will be stopped in order to emphasize proper team work.

The name "tee ball" is derived from using a standard rubber tee for hitting the ball, thus eliminating pitching in the game. An inning consists of all players from a team batting and then changing sides. This enables everyone a chance to play and get an opportunity to hit the ball.

The program will be held at Greman Heights on Saturday mornings beginning at 10 a.m. (11 class also available) with Sunday afternoons for rainouts. Registration is now being accepted at the Park District office, 7877 Milwaukee ave. in Niles. Resident fee is \$12 and includes any child attending a school which serves Niles children. Non-resident registration is \$24. Call 967-6633 for information.

Morton Grove Library news

A lecture on "Federal Income Taxes for 1983" will be presented at the Morton Grove Public Library on Thursday, March 3 at 7:30.

Linda Forman, a CPA from the Chicago firm of Gleason, Sklar and Sawyers will speak on TEFRA, the new tax act which affects filing requirements and she will explain other new tax laws, as well. The public is welcome to attend, free of charge.

The Morton Grove Library will show the contemporary classic film, "The Graduate" on Tuesday, March 1 at 2:30 and 7:30. The film stars Dustin Hoffman, Katharine Ross, and Anne Bancroft. Admission is free.

A "Jewish Genealogy Workshop", sponsored by the Jewish Genealogical Society of Illinois will be conducted at the Morton Grove Library on Wednesday, March 2, 9, and 16 at 7:30.

The 3-part Workshop will be presented by Mrs. Freya Maslov and a panel of experts in genealogical research, maps and census records. The sessions will be informal and will be designed to help interested people solve their research problems, so the audience is urged to bring any

documents or information they may want to discuss. The sessions are open to the public, free of charge.

Legion plans St. Patrick's dance

In their series of fun parties to salute various holidays and keep the community entertained each month, the Morton Grove American Legion Post 134 will now hold a St. Pat's dinner-dance. The date is Saturday, March 12 at the Memorial Home, 6140 Dempster.

Junior Vice Commander Joe Airdo is chairman and urges advance reservations since food is involved.

There will be only 100 tickets sold. Package price for the complete evening is just \$23. The fun party will include favors and will get under way at 7 p.m. Following cocktails and dinner, a four piece band will play for dancing until midnight. Liquid refreshers for after dinner are included in the price. 5 tickets sold together will reserve a table.

Lioness Club of Niles seeks new members

Welcome to the World of Lionism. Lionism means caring; caring for the blind, the deaf, and the handicapped and all those less fortunate than ourselves. Lionism also means fellowship; enjoying an evening with people from your own community who share the same ideals.

We'd like to invite you to share this world. The Lioness Club of Niles meets twice a month at the Trident Center, 8069 Oakton, Niles. The first Tuesday of the month is our Board of Directors meeting to which all members are invited. The third Wednesday of the month is our regular meeting. A variety of interesting programs are presented at our regular meetings, followed by cake and coffee.

Juggling Workshop at Niles Library

Learn why juggling is catching at the Niles Public Library, 6960 Oakton, on Saturday, Feb. 26, 9:30-11:30 a.m. Niles Public Library District residents age 12-up and adults may register for the Juggling Workshop, given by Mike Vondruska of the Illinois Juggling Institute. The workshop is free, but in-person registration is required, along with your library card or other ID verifying your residency in the district. For information call 967-8554.

JCC University begins Spring semester

Legion donates gifts to Yanks

The annual fund raising activity, known as the Gifts to the Yanks Who Gave, has been completed by Legion Posts throughout the state. The Morton Grove American Legion Post #134 traditionally raises extra money in addition to the stipulated budgeted amount for this worthy activity.

Commander Roland Keppen had named past First Division Commander Donald Root of Des Plaines as chairman of the endeavor. Root sought to raise a large sum which ensures gifts to the hospitalized veterans at the VA Hospitals throughout Illinois. Funds were turned in at the district sessions by various Posts. Morton Grove is elated to be the second highest in the Seventh District. Root presented District Commander Ed Szman-ski with a check for \$1625.05!

NFS offers support group for step-parents

A five week support group for step-parents will be held at Niles Family Service in the Niles Trident Center, 8069 Oakton in Niles, starting on Thursday evening, 7:30 p.m. March 3-31. The group will be led by Taube Kaufman, MSW, founder of the Combined Families Association of America, Inc.

She added that the issues in a stepfamily, or a combined family, as she prefers to call it, are complicated geometrically because of adding so many persons. One of the biggest problems she sees involves the person who has never been a parent marrying a spouse with children. The non-parent female who marries a man who may or may not have custody of the children doesn't know where to begin. There are no books for people who have never before parented: They often don't have any credibility with the kids...or themselves. They can go

anywhere from being successful and winning the children's love and approval to being received with complete anger and resentment, to having nothing to do with each other even while living in the same house." Mr. Larry F. Renetzky, Executive Director of Niles Family Service, urges both parents, natural and step parent, to attend this insightful and helpful group for parents of combined families. The fee is \$25 per couple for Niles residents, and \$40 per couple for non-residents. For further information and to make reservations please call Niles Family Services, 692-3396. The group is limited so call and make reservations now.

Late starting MONNACEP classes

Midpoint in the winter MONNACEP term marks a new beginning for numerous short courses, all scheduled to begin the first week of March, when, theoretically, the worst of winter is past, according to Alex Krusel, director.

Highlights include the second round of Auto Tuneup classes which start March 1 and 2 at Niles West, Glenbrook South and Maine South High Schools, as well as the second sessions of Stained Glass and Investing in Options, both at Niles West. A three-session class in Wallpaper Hanging also at Niles West begins on Thursday, March 3.

Solo Travel begins two weeks at Niles West on Wednesday, March 2, and Aviation Weather at Maine West on Wednesday, March 9, six weeks.

One nighters the first week of March include How to Inspect a House, How to Read Financial Statements, Divorce Law and Menopause Nutrition.

For details consult the MONNACEP brochure or telephone.

MONNACEP is the adult education element of Oakton Community College in cooperation with Maine, Niles and Glenbrook High Schools. For further information, call 982-9888.

Illinois State Scholars are selected on the basis of their rank in class and how well they performed on the ACT and SAT test.

Morton Grove student wins Good Citizen Award

Maine East senior Lawrence Marturano of Morton Grove is the recipient of this year's S.A.R. Good Citizen Award at Maine East.

During homeroom last fall, members of the senior class voted for three students whom they believed exhibited the characteristics of a good citizen: dependability, service, leadership and patriotism. From these students, the faculty selected one student to represent Maine East as its S.A.R. Good Citizen.

Modestly commenting on the award, Larry expressed, "I was both surprised and honored that out of all the worthy candidates, my classmates chose to nominate me for the S.A.R. Award."

Larry really need not be surprised. During his four years at Maine East, he has been involved in both scholastic and extracurricular activities, contributing to each area. As an athlete, Larry ran relays and hurdles for the track team the past three seasons and has been involved in Ski Club all four years. He also enjoys playing tennis as a hobby.

Larry is currently involved with the Maine Historical Society, Mu Alpha Theta (the

math honor society), and serves as president of the National Honor Society at Maine East. He is also active in this year's Student and Senior Class Councils.

Already having been accepted to the University of Illinois, Larry is waiting to hear from Stanford and Cal Tech. He says that Stanford, funds permitting, would be his first choice, with the intention to major in either chemical or electrical engineering.

Speech Team Competition

6 Maine East speech team members have now qualified for upcoming sectional competition. They are Donna Jordan, Niles; oratorical; Cindy Mieszala, Niles; oratorical declamation; Dan Libman, Des Plaines, original comedy; Bruce Marcus and Sue McPeggan, Niles, in humorous duet acting, and John Abuja, Niles, radio speaking.

As a team Maine East finished in second place at the I.H.S.A. regional meet.

Maine East debate results

The Maine East debate team recently competed in the Grayslake debate tournament, and the junior varsity team of Sue Futterman of Des Plaines and Sheri Cooperman of Morton Grove won third place. Debbie Green of Morton Grove and Adam Lent of Des Plaines won fifth place while Fonda Ginsburg of Morton Grove and Bill Wolf of Morton Grove won a tenth place certificate. Adam Lent was fourth place speaker and Sheri was the eighth place speaker.

Earlier in the season Maine East sent five teams to Champaign to compete in the Illini Forensic League Debate Tournament at the University of Illinois. As the tournament broke into semi-finals, four of the eight teams still remaining in the competition were from Maine East.

Those teams were Sheri Cooperman and Paige Wechsler, Dave Berent of Glenview and Adam Lent, Sue Futterman and Bliss Felsenfeld of Des Plaines, and Pete Blumberg of Park Ridge and Debbie Green.

When the speaker awards were presented, Sue Futterman was named third place speaker in the Open Division, and Debbie Green was named second place speaker in the Novice Division. The Team Awards were presented, and third place award for the Open Division was a tie between two Maine East teams - Dave Berent and Adam Lent and Sue Futterman and Bliss Felsenfeld. The third place trophy in the Novice Division was awarded to the Maine East team of Sheri Cooperman and Paige Wechsler. In the final round the Maine East team of Pete Blumberg and Debbie Green met Belleville West, and in a two to one decision, Maine East won the first place award.

"Male Sexuality" talk

Michael Selar of Planned Parenthood will discuss "Male Sexuality" in a talk sponsored by the Oakton Community College Men's Program and the OCC Health Service, on Wednesday, Feb. 23, from 12:30 to 1:30 p.m. at OCC/Des Plaines, Room 2164, 1609 E. Golf Rd.

In addition to the specific topics, the OCC Men's Program sponsors an ongoing Men's Support Group that meets on selected Wednesday evenings at 7:30 p.m. in Room 1540 at OCC/Des Plaines. Admission is free.

The support group is designed for men who are interested in getting together to talk to other men about such concerns as job relocation, career change and parenting, according to Steve Schada, coordinator of the Men's Program. For further information, call Schada at 636-1874.

Bank of Ravenswood offers EquityMoney to homeowners

EquityMoney, a new loan program and the first to be offered in Illinois, will be introduced on Monday, Feb. 21 by Bank of Ravenswood, according to John M. Oberreiner, president.

The program will be spearheaded by television commercials in addition to newspaper, magazine and other media formats. EquityMoney is a low cost, pre-approved line of credit available to Illinois homeowners, wherein customers can establish a line of credit from \$2,500 to \$100,000.

"With EquityMoney, homeowners will be able to access what is probably their largest investment in a simple and convenient way," says Oberreiner.

The amount of credit available is based on leasable equity in the home (single family home, condominium, or up to a four-unit owner-occupied apartment building) and the customer's ability to pay. The maximum loan value

will be 70 percent of the appraised value of the home, less any unpaid mortgage balance or liens.

Customers only have to apply for EquityMoney once. After approved, it is activated simply by writing a check. One can write EquityMoney checks with no frequency of limitation and for as little as \$500.

EquityMoney can be used for major purchases, for home improvements, to cover unexpected expenses, for investment opportunities, to consolidate obligations, to lower borrowing costs, or for any purpose.

With EquityMoney, the interest rate is set every six months, at two percentage points over the average of the prime rates of Continental, First Chicago and Harris banks. Thus, the annual percentage rates may vary, but interest is charged on the EquityMoney line of credit until activated by writing a check, and

then only for the amount used. While making draws against the EquityMoney line of credit, during each semi-annual period, only interest is required. At the end of each semi-annual period, the balance of draws made in that period will then be repaid, on a 10-year amortization schedule with a two-year maturity.

Founded in 1962, the \$300-million Bank of Ravenswood has become a vital force in its neighborhood, known for its innovative financial programs which include funding large-scale renovation and rehabilitation projects and providing low-cost commercial and personal loans. One of its most innovative and successful programs is Money-System, the forerunner of the present SuperNOW account, with high yields and check-writing privileges, introduced in April, 1981.

The EquityMoney information phone number is 989-3200.

like he was doing out charity while his cash registers passed the million dollar figure. When I was about to empathize with his plight, he told me he was calling me from Florida where he was taking advantage of 7 weeks of sunshine. Can you imagine this poor guy? Here he is, rendering great public services to the community, selling his merchandise at such great bargains, and to recuperate from the tribulations of public service, he was spending 7 weeks in Florida.

The curse of the brave local town weekly: While the intrepid Bugle was the only newspaper to take this courageous stand against the 'Mattress Moguls', the new Bugle salesman dejectedly came into the office and told us Miller's article blew 4 weeks of advertising which she had just sold to one of the 'Mattress Moguls'. He cancelled out after reading the article and after

being visited by the town's inspectors. The Bugle lost the ad revenue and the young lady lost her commissions. But I told her not to fear. We were sure the many Bugle readers out there who haven't paid for their papers lately will send in their subscriptions in support of this courageous intrepid newspaper which is keeping its eye on the store (mattress) for them. Since that wouldn't put any jingle in her pocket, we told her to tell the angered 'Mattress Mogul' such prompt action by local officials proves what an effective newspaper The Bugle is. We smiled. The dejected saleslady jiggled her silent pockets to let us know the editorial department took a chunk out of her paycheck last week. And we were wondering if Pulitzer and Greeley and McCormick and Hearst ever went up against 'Mattress Moguls'?

District 63...

Puterman, board member and LICA delegate, Dr. Donald Bond, superintendent, said this special education umbrella cooperative must cut back cost or services or may lose 40 per cent in federal funding.

LICA is now charged \$3.40 per square foot.

Another tenant, Northridge Preparatory School, housed in Apollo, asked board consideration for another organization to pick up its lease option on use of classrooms for summer school. James Bowen, District business manager, reported that Northridge's option stipulated pay of \$5,000 per month. Bowen also reported Northridge asked the District to lease a few classrooms to this group for about \$4,500 or allow Northridge to sublet the same classrooms.

James Aubry, representative of Hedgerow, identified the organization which he represents as referred to by Northridge. He said two summer school classes may include speech and writing, minicomputers and rocketry. Hedgerow is a Catholic affiliation.

Discussion concerning costs of air-conditioning within a zone of Apollo school caused board members to approve rental providing an investigation of costs makes it feasible.

Board members also approved cancellation of a lease with the Glenview Korean Presbyterian Church effective December, 1982.

Board members approved payment of fees for the Gemini basketball team to take part in a State tournament in Springfield. Bond said the team became sectional champion with a one point lead over its opposition. Bond said the fine playing was a tribute to the coach, the school and the team.

Bond also commended Gemini art students who took 21 places in the National Scholastic Art Contest. Bond said more students have been so honored this year than "all the time Principal Don Huebner has been there."

Board members approved acquisition of two compact cars for repair maintenance vehicles through a bidding system. According to Bowen, the District has two vans and one is in service only through repair.

Discussion centered on relative usefulness of compact cars or

MG Action...

Continued from MG P.1 that The Action Party has set a standard of excellence in government that is unsurpassed by any other North Shore suburb. With this record of performance as the cornerstone of our campaign, we are asking for a renewed mandate - and for the privilege - of continuing to bring the highest level of leadership and services to our own home community."

The Action Party of Morton Grove pledges it will continue to: -Conduct an open, responsive government, with ethics and integrity.

-Maintain tight control of the cost of government.

-Increase the efficiency and effectiveness of government.

-Ensure the ability of Trustees to make independent decisions free from outside influence.

-Provide outstanding snow removal, garbage and trash collection, and other dependable local services at the lowest possible cost.

-Provide the best, most comprehensive senior citizens service program in our suburban area.

-Safeguard the residential stability of Morton Grove.

-Guarantee full opportunity for diversity of opinion in village government.

-Maintain improved fire and police protection.

-Provide extended lifesaving paramedic protection throughout the entire village.

-Implement successful policies to reduce even further the lowered rate of crime.

-Continue to support and maintain the crime reducing C.B. Patrol-Mobile Eye program.

-Provide quality Cable TV service.

-Improve sewer system using cost-effective methods.

Court House...

In reviewing the history of the Society, Brown said the group was formed in 1970 and now has 84 members, a substantial membership increase from last year. Brown said most towns have converted old houses for their historical groups. She noted Niles had Judge Jozwiak's old home (The Chambers Restaurant), the White House at the corner of Milwaukee and Touhy Avenues and the Burgundy Inn next door to the court offices which had much historical value and would have been ideal homes for their group. She noted the White House, whose lifespan was from 1846 to 1964, once was alleged to have housed President Lincoln when he came through this area. In deprecating the loss of these older buildings, she asked the board, "Must we tear down for the sake of progress?"

After making her presentation Ms. Brown told the board, "We need your help."

In response, Mayor Blase told trustee Panek to begin making plans for the court offices which will be moved out of Niles within the next 2 to 4 years. While Blase emphasized there is nothing definite about plans for the building, the village officials' consideration for the permanent home for the Historical Society is a likely first step in its eventual conversion.

One other group, the Niles Events Committee (former Niles Days Committee), also may be considered as eventual tenants of the court building.

In other actions the village board overturned the zoning board by denying B-2 Special use zoning for Forest City Auto Parts at 8001 Milwaukee Avenue.

The owner of the company told the board a brake lathe and a bearing press would be included on the premises. Trustees, headed by Pete Pesole, objected to the use of the store for that purpose. Presently, there is a bakery, liquor store and a graphic arts firm in the building.

Pesole objected to the potential fixing of autos in the parking lot which he said would be inevitable. Trustee Ang Marcheschi said the receptacles placed in the parking lot would indicate this would not be conducive to the surrounding area.

L'wood library... Cont'd from Skokie-L'wood P.1 1,449 reference questions, compared to 12,476 last year.

"We have grown from 301 special programs serving 3,348 adults and children, to 455 programs attracting 10,793 people."

Of all these special programs, one that has caught national attention is the annual Literary Festival, the third of which will be held Saturday and Sunday, May 14 and 15. The announcement of three famed authors who will read from their works will be made in early February. Previous participants have included Isaac Bashevis Singer and Gwendolyn Brooks.

In celebration of the anniversary, the Library will hold an Open House for all residents, from 2 to 4 p.m. on Sunday, Feb. 27. Highlights include dramatizations by the Shakespeare Festival of Chicago and songs for children by following Myrna Lande.

Refreshments will be served at this free event.

Mayor John C. Porcell of Lincolnwood has proclaimed Feb. 27 "Lincolnwood Library Day" in the community.

Cont'd from Niles-E. Maine P.1

He said there is now a \$400,000 improvement at the Oakton-Milwaukee corner and it seemed inconsistent to place such a business at this location.

Trustees voted 4 to 2 against allowing the auto store at the Milwaukee-Oakton corner.

In other action, Village manager Ken Scheel acknowledged receiving a plaque from Bicycle Forum Magazine commemorating the first place Good Work 1981 bicycle safety award for Niles Police bicycle safety program, headed by Sergeant Jim Gerhardt.

...At Police Chief Emrickson's request trustees approve by a 5-1 (Murphy dissenting) vote Niles 44 police reservists conform to the same regulations as the regular police force. Mandatory retirement will be at 60 years and physical examinations will be required every 2 years now paid for by the village. Previously, reservists had to have every year physical examinations paid for by themselves. Trustee Murphy objected, contending a 61-year-old in good physical shape had to be retired while a 59-year-old in poor shape is still eligible to serve. He believes retirement should be at 65 years.

...Plans for the YMCA addition can be expected at the March 22 village board meeting.

...Niles received \$372,728.49 for their share of the November sales tax.

...Referred to the zoning board a rear yard variation request to construct a porch at 8138 Prospect, a Special Use zoning for a Wag's Restaurant at 7970 Milwaukee Avenue, and for a wholesale cash and carry warehouse at 7420 Lehigh.
