Dempster Street car wash wins suit against Niles

National Pride, a company which was denied their petition to install a 14 bay car wash at 7303 Dempster st. by the Niles Village Board in November of 1980, has subsequently won the law suit which they instituted against Niles and construction has begun on the facility.

Director of Building and Zoning Joe Salerno told The Bugle the petitioner's original request for 14 bays had been cut down to 13 through the recommendation of the village engineer who sought the installation of washrooms on the premises. The car wash is being constructed on the site which is 257 feet by 133 feet deep and located between ABT

Nation-wide search for position

Retain firm to seek village manager

Niles officials hope to have a replacement for the late Village Manager, Ken Scheel, within three to six months.

A consulting firm has been retained to assist in the nation-wide search to fill the \$46,000 a year job.

Among the Village Manager's responsibilities includes supervising the village staff of 220 full and part time employees.

Scheel, who had been Niles Village Manager since 1967, died suddenly of a heart attack on March 11. He was 59 years old.

The loss of Scheel created a void at a critical time in the village as village administrators

From the Left Hand

by Bud Besser

Two of our State Senators, Republican Bob Kustra and Democrat Bob Egan had a minor eyeball-to-eyeball confrontation last Wednesday down in Springfield and Egan came out on top.

Kustra wanted to open a legislative investigation into the practice of hiring part-time deputies in the Cook County Sheriff's Department. Kustra's resolution directed the Illinois Legislative Investigating Commission to make recommendations on possible improvements in Sheriff Richard Elrod's office. It was blocked by an 8 to 6 vote by the Senate Executive Committee.

Senator Egan, who chairs the committee, contended Kustra's resolution was politically motivated and succinctly concluded, "It really stinks."

Kustra's attempt at seeking an investigation followed the arrest of a deputy sheriff who was charged with attempting to kill Ken Eto, a reputed crime syndicate gambling boss.

Niles Events dinner dance

George Walters, Chairman of Niles Events Committee, is shown selling tickets to the Annual Dinner-Dance to be held on Saturday, April 30, at the Trident Center to Niles Mayor Nicholas Blase.

Plans have already been completed for a very gala affair, catered by Sobczak's Avondale Sausage Shoppe. Following dinner, Joe Foltz will furnish music to dance to by featuring all the well-remembered songs.

There will also be door prizes, raffle prizes and a fun evening is in store for all those attending.

Tickets are \$12.50 each and available from any member of the Niles Events Committee or at the Village Hall.

Make your reservations early and join your friends for a fun-filled evening. Call 967-7008 for information.

Rabies Alert in Niles

Animal Warden Ernest Passarelli stresses importance of inoculating all animals against rabies and in keeping your pet on a leash.

Due to the outbreak of rabies in the Cook County area, the Village of Niles is taking emergency measures to ensure the health and safety of our residents. From now until May 31, animal tags will be given free of charge to any resident who can show proof that their animal has been inoculated against rabies. Bring your animal rabies tag or the official rabies vaccination certificate to the Administration Building, 7601 Milwaukee ave., and you will be given our animal tag free.

Because of this emergency, as of June 1, 1983, village personnel will conduct a door-to-door survey of the village. Those residents who have animals without tags will be subject to a fine. In the meantime, you can take steps to protect your family and neighbors. -Keep your pets restricted to your own property. -Report any suspicious animals to the Animal Warden at the Niles Police Department. -Do not approach any strange animals.

MG Legion schedules Easter Egg hunt

The Morton Grove American Legion Post #134 will conduct their usual Easter Egg Hunt once again this year. Easter Sunday, April 3 is the date with 1 p.m. the time in the St. Paul's Woods south of Lincoln ave. The annual event is open to all youngsters of the village up to the age of 10. No Legion affiliation is necessary to participate.

Commander Roland Keppen has named junior vice commander Fred Medina chairman of the hunt. Medina indicates the children will be divided into age categories to make it fair for the finders of the eggs. Some eggs will be especially marked and these will entitle the bearer to a fine prize. However, all eggs found may be kept by the youngsters.

In the event of inclement weather, the Hunt will be moved indoors to the Legion Home on Dempster. For those interested, the hard boiled eggs which the Easter bunny will hide in St. Paul's Woods, will be dyed the day before at the Legion Home, 6140 Dempster. Legion families will gather to assist Medina in coloring the eggs. Only children old enough to assist are asked to appear. Refreshments and goodies will be served following the preparation of the eggs.

Niles VFW Auxiliary host Spaghetti Dinner

The Ladies Auxiliary to Niles Veterans of Foreign Wars Post 7712 will sponsor an "all you can eat" Spaghetti Dinner on Sunday April 10 from 2 to 6 p.m. It will be held at Bunker Hill Country Club, 6635 Milwaukee ave., Niles.

The dinner will include a complimentary glass of wine along with salad, spaghetti with meat sauce, garlic bread, coffee, and dessert. Tickets may be purchased at the door and are \$4.50 for adults and \$2.25 for children under 5.

Re-Creative Olympics at Niles South School

Taking part in the Re-Creative Olympic Gym Show at Niles Elementary School are (l-r) Buddy Horn, Sung Hee Lim, Laura Bowman, Carl Kastner, Diane Wolak, Marni Deigentash, Jim Grammas, (seated) Antoinette DiMolida.

On Wednesday evening, March 23, the Culver School Gym was transformed into a Re-Creative Olympics field. Grades 1-5, under the direction of South School gym teachers, Mr. Gates and Mrs. Seiwert, performed a variety of events for the packed audience made up of parents, relatives, and friends. In preparation for the events, running and warm-up exercises were done by all participants. The fourth grade showed their knowledge in the team sports of soccer, volleyball and basketball. Rhythm routines were done by the fifth graders, as well as a dance exhibition, and a demonstration of basketball fundamentals. The final Olympic challenge was a pentathlon comprised of four teams of various ages. The boys and girls took great pride in showing off their many skills and activities they have been working on throughout the year in their daily gym classes. A variety of tumbling routines were shown by the second grade students. These included human bridges, tripos and headstands.

LWV program on national security

Arms reduction agreements, global politics - these seem to be important issues which are starting to affect our lives. Do you feel as if you know what the problems are and what the different viewpoints are advocating? On April 13 at 8 p.m. in the Des Plaines City Council chamber, three local experts will address national security in regard to what the problem is and what different perspectives are about it. Speakers are Capt. Stanley B. Palmer, Commander of Glenview Naval Air Station; Benjamin Frankel, Professor of Political Science at the University of Chicago; and Dr. Robert Wito, Executive Director of World Without War and author of the recently published book, "To End War". Joan Neill, international relations chair for LWV-

Discount Store, Health Club to occupy Goldblatts

Prairie View shopping center nears completion

Following its decline caused by the closing of the mammoth Goldblatts department store, the Prairie View Shopping Center at Dempster st. and Waukegan rd. is preparing for a renewed surge as a result of an ambitious renovation.

In addition to the seven new stores built fronting Dempster st. in the same location where a fire center was situated, the Dominick's grocery store will be building an addition and the empty Goldblatt's department store will be converted into a department store on the first floor and a health club on the second floor. A department store called "Front Row" will rent 52,000 square feet on the first floor of the empty Goldblatt's store. The store will feature discounted brand name merchandise, according to Bill Zimmer, Morton Grove Deputy Building Commissioner. On the second floor will be a Chicago Health Club. In addition to offering a weight room, saunas and exercise rooms the health club will also feature a one-eighth mile running track and an Olympic size swimming pool. Placing a swimming pool on the second floor of an empty department store is nothing short of an "engineering miracle" according to Zimmer. The pool will be constructed using structural steel supported from the bottom of the pool. Besides the Front Row department store, two other stores have signed leases to occupy the east end of the building which formerly was a garden center. The stores will include The Gap jeans store and a store called "Taggs". Zimmer said on Tuesday that Taggs will be the female counterpart of The Gap offering women's leisure wear. Lastly, The Dominick's grocery store will be expanding into the west parking lot next to its existing building. Zimmer said it will add up to 13,000 square feet to the building. Zimmer expects the majority of the construction to be completed by this fall with the exception of the health club, which owns the center. Zimmer said that outdoor landscaping should be completed.

Free Blood Pressure readings

Free blood pressure readings will be taken by the Community Health Department of Niles on April 7, 1983 at the Niles Administration Building, 7601 Milwaukee ave., between the hours of 4 and 8 p.m. No appointment is necessary.

Fish Fry on Good Friday

The Morton Grove American Legion Post 134 has announced their usual Friday fish fry this week, April 1. A Legion representative indicates many residents of the community have indicated that they enjoy dining out on Good Friday along with their religious activity that evening. The 6-8 p.m. meals are offered at the Legion Memorial Home, 6140 Dempster, with an entree of either perch, shrimp, a combination; or for those not of the persuasion to go meatless, a chicken main dish. The dinners are accompanied by a potato either baked or french fried, cole slaw, roll and butter and coffee.

LETTERS to EDITOR

Rename NICO Park for Ken Scheel

Dear Editor: Ken Scheel's mortal remains have left Niles, but his memory, his spirit, his philosophy, dedication and example will remain to inspire us for years to come.

In the past Niles has memorialized some of its citizens who have made our lives richer for their being here. Jozwiak Park was named after our first judge, Lou Schreiner Gym is named after a Park District President who did much for Niles.

We even have the Clarence Culver School, to honor and remember a man of many gifts that were shared with us thru our children. And then there's the Jack Leske Parking Lot at TAM, to help us remember a Niles resident who contributed immeasurably to the growth and strength of Niles Park District.

It would seem entirely fitting and proper to try to remember Ken in a similar way, and your readers may come up with some good ideas for our village fathers to consider. One suggestion would be to change the name of NICO Park. Named originally after "Niles Civic Organization" most residents now living couldn't

even recall when this group went out of business. A newly-formed group called "Nyco Patrol", a citizens' patrol organized around an Explorer Post of young people interested in law enforcement as a career, may in time become confused with "NICO Park". Instead of "NICO Park", how about renaming this site "Ken Scheel Park"? It's appropriate, since it's located on Ken's former street. What do your readers think?

Supports Glon for park commissioner

Dear Editor: I have been a long-time associate of Ray Glon on a personal and business level. I was pleased to hear that he had become a candidate for Commissioner, Niles Park District. Ray is uniquely qualified and sincere in his desire to serve the residents of the Niles Park District. Ray will work hard in reaching his campaign goals of safety and progress in our parks. Local government needs concerned and dedicated individuals like Ray Glon in lieu of nice-sounding platforms and empty promises promulgated by the other candidates.

I am proud to be associated with Ray and hope you will join me in supporting him in the April 12 election by punching "149" on the ballot.

Sincerely, Wayne Szatkowski

Paraphernalia shop raided due to citizen's participation

AN OVERVIEW ON SOCIAL SECURITY

The Maine Township Arthritis Action Council will hold its meeting on Wednesday, April 6, from 7:30 to 9:30 p.m. in the cafeteria ground floor of the Nessel Health Center, 1775 Ballard rd., Park Ridge.

Ms. Terrie-McGee, field representative for Social Security, will give an overview on social security, and discuss medicare and social security disability and how it relates to individuals with arthritis.

The Council concept is designed to provide assistance to persons with arthritis and to develop improved public understanding of the nation's number one crippling disease. Refreshments will be served. Interested persons are invited to call Mrs. Nancy Mostello at 696-7650. No reservations are needed.

BETTER HEALTH CLINIC

The Morton Grove Health and Senior Services Departments are sponsoring a "Better Health Clinic" each Tuesday from 1:30 p.m. until 3 p.m. The program, for residents over the age of 60, will provide blood pressure screenings and suggestions for maintaining your good health through proper diet, exercise and proper use of medications.

Participants will meet individually with Christine Frisoni, R.N., and an appointment is needed. There is no charge for any of these services. For more information or to make an appointment, please call the senior "hot-line", 965-4658, weekdays, 9 a.m. until noon.

APRIL RECIPE OF THE MONTH

Our April recipe comes from Elpha Rabbage who is in the Craft and Creative Giftmaking Club at the Village Hall. This is a great way to start off your day!

BRAN MUFFINS 1/2 cup of shortening 2 eggs 1 1/2 cups buttermilk 2 1/2 cups flour 2 1/2 tsp. soda 1/2 tsp. salt 2 cups Kellogg's All Bran or 1 cup Nabisco All Bran 1 cup boiling water over 1/4 cup raisins. 1/2 cup sugar.

Cream shortening; add eggs and sugar. Cream together, using electric beater or mixer. Add remaining ingredients in order given, blend thoroughly but do not beat. Add raisins (drained); let stand in refrigerator overnight. Bake as many or few as desired at 400 degrees for ten to twelve minutes. Remaining batter will keep in refrigerator at least a month.

Foreign Languages and Wally Phillips

Ms. Heidemarie Rupp, Spanish and German teacher at Maine East, recently recorded a number of promotional station breaks for the Wally Phillips Show, WGN radio. In addition, twenty Maine East students studying one of the four languages taught at Maine East and those who speak a second language natively were also encouraged to write and record their promos in a second language. Several of the station breaks have already been aired.

The following wrote and recorded promos in a second language for airing on the Wally Phillips show - from Park Ridge: Kathy Wozniak, Ann Porto, Anna Toton, Patricia Zabaneh, Charles Meliodian and Chris Schlake. From Des Plaines: George Olmo, Jose Gomez, Dipti Kurani and Rainer Rubin. Morton Grovers include: Laura Leuzzi, and Steve Johansson. From Niles were Lou DiPaolo, Michele Morgan, Luigi Alliano, Carrie Manzo, John Kim, and Jill Werfel. Carolyn Malestic and Gerald Lee from Glenview were also included.

In addition, Ms. Rupp received a personal letter from Wally Phillips thanking her for the "sensational" contributions made by herself and the twenty Maine East students.

Park Board needs Kasch's leadership

Dear Sir: The Morton Grove Park Board needs a Commissioner with strong leadership ability. We have worked side by side with Ron Kasch on various committees and have witnessed this fine characteristic in him. Ron listens to what others have to say before forming his final decisions. After a commissioner has served 6 years on the board, they may have lost some of that original enthusiasm. Ron would bring new ideas, unity, and enthusiasm to our Park Board. Please help us elect Ron Kasch. Punch 146.

Very truly yours, Jim and Judy Dahm

Skokie Federal receives award

Skokie Federal Savings is the only Chicago area thrift institution to win national marketing honors-at-SIMSA's annual convention recently held in San Francisco. SIMSA (Savings Institutions Marketing Society of America) awarded third place to the north suburban association for its entry, "The Effective Use of Cable Television In A Financial Marketing Application."

Skokie Federal also received advertising honors for its point of purchase display on premiums.

SIMSA's 16th annual awards competition attracted 947 entries.

"New savings instruments and broader powers have brought marketing to the forefront in the competition for new customers and market share. These awards are an indication of the high quality of advertising and marketing being produced by savings institutions," said Michael Wise, SIMSA chairman.

SIMSA is a national professional association affiliated with the U.S. League of Savings Associations.

Skokie Federal is a \$600 million institution with nine offices serving the north and northwest Chicago suburban area.

WICO appoints director of engineering

WICO Corporation, Niles, the leading designer, manufacturer and distributor of parts and accessories for the coin-operated amusement industry, has appointed Philip Burnstein to serve as director of engineering.

Burnstein, who most recently was director of engineering with Stern Electronics, Inc., Chicago, is responsible for the research, design and development of all products manufactured and sold through WICO's O.E.M. distribution and consumer divisions.

Jeffrey joins CitizensBank

The Board of Directors of Citizens Bank & Trust Company is pleased to announce the election of Terry D. Jeffrey as Vice President and General Counsel.

Terry received his B.S. degree from the University of Illinois, Champaign, and his J.D. degree from DePaul University in Chicago. His previous work background was with Central National Bank in Chicago, and as associate with Coffield, Ungarotti, Harris & Slavin.

Mr. Jeffrey resides in Chicago with his wife Marianne.

Thirty-five years of service

Des Plaines resident George F. Koelper was recently honored for 35 years of service with the North Suburban Mass Transit District (NORTRAN). Mr. Koelper began working with the company as a bus driver when it was known as United Motor Coach. He currently holds the position of General Operations Manager and helps to plan, implement and supervise NORTRAN's 29 bus routes in the north and northwest suburbs from the company's Des Plaines facility. NORTRAN is an RTA funded carrier.

Glenview State offers discount brokerage

Glenview State Bank recently introduced a discount brokerage service allowing customers to buy and sell stocks at discounted commission rates through the bank. Glenview State Bank is the first bank in this area to offer this service.

"Our customers can now realize substantial savings when they have a simple buy or sell order," said James P. O'Neill, Bank President. The procedure will be further simplified by having the customer's account

credited or debited for transactions. "Investments in stocks and other securities are very much a factor in many customers' financial portfolios today, and whenever possible, we want to help our customers handle their financial transactions as efficiently and inexpensively as possible. Today we consider discounted brokerage service to be just one more aspect of a full service bank, and one which we at Glenview State Bank are pleased to offer."

Promoted at Benefit Trust

Roger R. Solomon, FSA, has been promoted to Actuary System w/Voice Activation #AN-3200.

He received his M.A. degree from Northwestern University and his B.S. degree in mathematics from Duke University in North Carolina. Solomon resides in Morton Grove.

ED HANSON
Recapture Your Youth at Chuck E. Cheese's

When Mark Twain's wife read his first draft of "Tom Sawyer", she said with rapt amazement, "Sam, it's marvelous, you've recaptured your youth!"

And, when I visited, the recently opened, CHUCK E. CHEESE'S PIZZA TIME THEATRE, 7300 W. Foster, Chicago (in the Harlem Foster Shopping Center), I did just that. I recaptured my youth in the wonderful world of magic and fantasy.

The only difference was I recaptured my youth 68 years later. Gone was the Shoot-the-Chutes, and drinking pink lemonade in the bandstand of Riverview Park. Gone was the red-gartered Dixieland band and cotton candy.

That was passe. Another day, gone with the wind.

For this is the ultra modern electronic and video 80's, my friends.

And while dining I was entertained by the huge characters of Chuck E. Cheese's, a new Jersey rat, his partner, Jasper T. Jowls, Mr. Munch, a large purple pizza eating giant, Pasqually, the operatic Italian Chef Supreme and the rest of the singing animal characters that perform on a raised stage in the central dining area that is operated by a trademarked computer system called Cyberamics invented by Nolan Bushnell, founder of Pizza Time Theatre, Inc. and Atari Game, Inc. The huge characters which resemble muppets perform 26 different skits, three to five minutes in length, every eight minutes.

The idea began when Michael Litch, owner of 230 Little Caesar pizza units was reading Inc. Magazine and discussed it with his father. Litch Jr. said his dad had read an article about Nolan Bushnell, the man who invented the first video game, called "Pong". Then he created Atari and subsequently sold it to Warner Bros.

"My dad phoned him and went to California to meet him."

With Bushnell's electronic and video wizardry and Litch's ability to merchandise food, they put it together and the first Chuck E. Cheese's came into being.

Chuck E. Cheese's is a franchise chain of amusement restaurants started in California four years ago by Bushnell. Chuck E. Cheese's Pizza Time Theatre (7300 Foster) is the first one opened in Chicago. They are a franchisee. Ed Ader is general manager and has five assistants and 100 employees. The seating capacity is 320 seats on 15,000 square feet of floor space. In addition to the aforementioned acts there are many more. For example, Dolly Dimples, a 685 pound, red curly haired hippopotamus who plays a piano bar and sings like Della Reese.

Another act I enjoyed was the famous Beagles, direct from Livepoodle, they sing ala the Beatles with an English accent rendering their original Beagle music which sounds like you know who.

All in all, CHUCK E. CHEESE'S Pizza Time Theatre is a fun place which kids from ages 4 to 11 will be completely captivated with. As the adults sip a beer, the kids can play the many electronic and video games and watch a myriad of fascinating acts. It's a fun and wholesome place for children and provides a welcome relief from television and the movies...there's no sex, no violence, just a lot of happy, health and hearty fun.

Go to CHUCK E. CHEESE'S Pizza Theatre and discover the wonderful world of good food, great fun, and fantasy. Here's a free coupon to save you money!

Niles grandmothers proud of star grandson

Liese Jennings and Eva Anderson, both Niles residents for more than 20 years are very proud of their respective grandson and great-grandson Danny Corkill of Park Ridge. Danny is the star of the current movie "Without a Trace" which tells the story of a 6-year-old boy who vanishes from his home and the subsequent search for him.

Danny's mother, Rita Corkill answered an ad which appeared in the Chicago Tribune in March of last year for a casting call for 6-8 year old boys. Danny had no previous acting experience, but he was selected from over 2,000 children that were interviewed and went to New York for a screen test. He signed a contract

"Dance Fever" Audition finalists

The competition was steep, and the hundred dance couples who had battled to be selected as one of the finalists for the Midwest Regional auditions of CBS-TV's "Dance Fever" program were slowly eliminated. When the music stopped, and the couples were selected, the 6 finalists and 2 alternates were all smiles. Celebrating their success last year were (from 1, front to back) Jeff Knutsen & Shari Weinstein of Norridge and Skokie, respectively; "Cuz" and sister Kathy Verstraete of Morton Grove; Jane Berland & John Vrehas of Indiana; and Jackie Pierce & William "Stepps" Terry of Zion and Waukegan, respectively. These couples will share the dance floor once again when they perform at the April 21 "Switch Is On" party at Cinderella Rockefeller, beginning at 7 p.m.

MONNACEP Travel Adventure film

From the broad Pampas to the chilly Straits of Magellan and Tierra del Fuego, Argentina displays a panorama of riotous color, a distinct culture, and a variety of people and places. Clay Francisco, journalist, will present his film, "An Argentine Adventure," the final program in the 1982-83 MONNACEP Travel/Adventure series, at 8 p.m. on Wednesday, April 6, in the Maine East High School Auditorium, Dempster and Poter, Park Ridge.

The film will include views of the government and shipping center of Buenos Aires, "The Paris of the Americas," the towering Andes mountains, and old Spanish villages. Spectacles will include the tropical forests in the north, the plains of the Pampas populated by cattle, sheep and gauchos, the waterfalls of Iguazu, as well as the glimpses of the lanky ostrich and armored armadillo.

Tickets at the door cost \$2.50, for residents of the Oakton Community College district age 60 and over, \$1.25. MONNACEP is the adult education element of Oakton Community College in cooperation with Maine, Niles and Glenbrook High Schools. For further information call 982-9888.

Walter M. Beusse: Niles Park Candidate

bring the Niles Parks closer together. It was not until 1972 that he could muster the finances and the support for such a project. This service is now conducted by the village and serves the whole community.

In 1979 Walt pledged improvements throughout the Park District and that's exactly what has taken place. With the cooperation of his commissioners a great number of improvements have been accomplished in the last 4 years.

As building and grounds chairman and with the full cooperation of the Park District Staffs, there has been a significant number of improvements in our parks and they can now be identified as parks and not play lots. As for the facilities Walt points out that the District has one of the best gymnasiums in the area. A new wooden floor and additional acoustical material complement the facility for the comfort and safety of its users. Also included at this location is well-organized fitness room that accommodates the more stringent health buff.

Beusse acknowledges that the Recreation Center Pool is being rehabilitated. After 20 years of service the Park District has a number one filtering system coming off the drawing board that will be installed and ready for the upcoming season.

As for Vandalism Walt points out that the district is constantly on guard to deter Vandalism from occurring in our parks and facilities. The district extended

its protection last year to curtail this problem but this problem does require the assistance of the residents to report such matters to the police and District.

In addition Beusse cites the fact that the Niles Park District has established two parks as Special Recreation Areas for the Handicapped, Golf Mill Park and the Recreation Center, adjacent to the Milwaukee Ave. swimming pool. These two parks were greatly sponsored by donations from Community Service organizations within the community of Niles, thereby saving the Park District \$18,000.

As for the financial aspects of the Park District Walt indicates the commissioners and staff are on a constant vigil to work within our budget, obtain the highest interest rates possible, and review with regularity the financial status of all our facilities and program.

In regards to the future Beusse would anticipate finalizing the two parks remaining to their maximum potential. Also his ambition is to be able to remove the Maintenance Dept., its employees and vehicles out of the Grennan Heights Area. He believes the department is getting too large for that area and the neighborhood should be relieved of a lot of traffic and parking problems.

Another item on Walt's agenda for the future is to hopefully work out something with one of the school districts so that possibly the Park District could utilize a location of a full time basis so as to expand its programs, in addition it could be used for a community center, for Cub & Girl Scouts, Senior Citizens, Teen-agers, Historical Society and Service Organization Meetings such as Garden Club, Niles Baseball League or for any other group that might be interested in having a central meeting location.

Walt Beusse with his experience, dedication, and ability is looking forward to serving the community for another term as Niles Park District Commissioner. Please vote on Tuesday, April 12.

Morton Grove July 4th Celebration

The Morton Grove July 4th Celebration Committee has been meeting since January to plan the 1983 extravaganza.

This year's celebration will take place on Sunday, July 3. The parade which starts at 1:30 p.m. at the crossroads of Dempster and Central, will travel west to Harrer Park. Bands, floats, clowns and many other attractions will highlight this year's parade. The fireworks display will begin at 9:15 p.m. and to supplement the show the Palatine Concert Band will play favorite selections and the 1812 Overture to conclude the evening. This year's budget will be close to \$9,500.00. Donations are being accepted at the Morton Grove Park. If you are interested in being in the parade, please call the Park District at 965-1200. Get ready to "Celebrate America".

only three of the five candidates were interviewed at the public meeting. Irene Costello is an incumbent candidate, and Terri Spreckman Carman asked not to be considered for this short-term appointment because of previous commitments.
Biga, Jaroslawa "Jeri" Benko and Myles Dimand each presented to the board a short summary of their qualifications and special interest in the library. The candidates then had an opportunity to question the board.
The merits of each candidate were considered in executive session. Back in public session, the board voted to appoint Biga to fill the vacancy. "The selection was particularly difficult because of the fine credentials presented by all the candidates," Board President Harry Pestine reported.

prepared the annual village budget. It is the Village Manager who supervises and is responsible for the overall completion of the budget.
Assistant Village Manager Charles Kohlerman and Finance Director Jeff Bell have been assigned the responsibility of the completion of the budget along with their normal village responsibilities.
Niles Mayor Nicholas Blase will be assuming the day-to-day decision making within the village until a new Village Manager is hired.

Furnace tests...
Cont'd from Niles-E.Maine P.1
older persons are 18-24% more likely to be susceptible to carbon monoxide poisoning from a faulty furnace.
Carbon monoxide is a poisonous gas that is odorless, colorless and tasteless. Some symptoms of carbon monoxide poisoning include headaches, dizziness, skin discoloration, rashes and nausea. There is no method for detecting carbon monoxide poisoning other than by monitoring and testing equipment.
Because of the Village's concern for the wellbeing of its community, this service is being offered to residents of Niles free of charge. From May through December of 1982, 321 residences were inspected and of that number, 10 were found to be dangerous and a potential health hazard. Call 967-6100, Ext. 36 for information.

Library staff explains expansion-need to board

by Eileen Hirschfeld
A staff meeting to acquaint both incumbent and prospective board members of the Niles Library District with overcrowding at the main library and plans for a possible expansion was held March 23.
Robert Young, interim administrator, conducted a tour of the library in order to examine problem areas.
At a March board meeting, trustees approved application for a library construction grant being offered by the State of Illinois. Board president Harry Pestine said documentation, including expansion plans, would have to be completed by about April 25.
Because of time limitations, board members decided at the staffing they would probably

Improve transportation to courthouse/Old Orchard

Improved public transportation is available for those who work or conduct business at the Second District Circuit Court facility or businesses located along Old Orchard rd. in Skokie.
NORTTRAN (North Suburban Mass Transit District) Route 216 was revised on March 7, to provide direct service between the Dempster st. CTA Skokie Swift Station, Old Orchard Shopping Center and the Courthouse.
By operating from the CTA Skokie Swift Station, Route 216 makes both the Shopping Center and the Courthouse easily accessible to both city and suburban residents. Another NORTTRAN route, Route 208, also operates directly to the Courthouse from areas in Niles, Morton Grove and Evanston.
Route 216 operates Monday through Friday, with the first trip leaving the Skokie Swift Station at 6:30 a.m., and the last returning at 6:41 p.m. During rush hours it travels at 30 minute intervals from the station via Dempster to Bronx to Gross Point rd., Gross Point rd. to Skokie Blvd. to Golf, Golf rd. to Old Orchard Shopping Center. It exits from the Shopping Center via Lavergne to Old Orchard rd. to the Courthouse.
Midday, Route 216 service extends south of Dempster to Downtown Skokie. Specific routing and hours of operation are listed on its schedule available at the Skokie Public Library, Skokie Village Hall and the First National Bank, or by writing NORTTRAN at 900 E. Northwest hwy., Box 388, Des Plaines.
Travel information can also be obtained by calling the RTA Travel Center at 1-800-972-7000; in Chicago call 836-7000.
NORTTRAN is a RTA funded carrier.

Sidewalk Replacement Program

Registration for this year's Sidewalk Replacement Program for the Village of Morton Grove is currently underway.
In conjunction with the Public Works Department, residents can have their sidewalks repaired on a 50/50 cost sharing basis. Cost to residents this year is 69¢ per square foot.
The Public Works Department will accept requests for this program until June 1. To register, call the Public Works Department at 965-4100 between the hours of 7:30 a.m.-4 p.m.

NFS plans program on stress
Niles Family Service will present a spring educational program entitled, "Feeling Good: Getting Off the Stress Merri-Go-Round". It will be led by two dynamic and experienced psychologists - Dr. Ronald Martin and Mr. Tom Jauch. Both have spent many years researching the relationship of stress to psychological health. Their emphasis is on the holistic approach to stress management - using the physical, psychological, spiritual and emotional parts of one's life to deal with the stress we feel.
Niles Family Service is pleased to present the first of several lecture/workshops which will start on April 5 at 7:30 p.m., and continue for the next three Tuesday nights. The subject of the first series is of concern to all of us because we are all affected by it. The subject is stress - that vague feeling of tension and frustration which is with us at all times. As you may know, stress can become quite harmful if our ability to handle it is overwhelmed by the amount of stress we have. For further information please call Dr. James Cisek, 692-3396.

In submitting his resolution Kustra said deputies were linked with past arrests for aggravated assault, armed robbery, deviate sexual assault, extortion, murder and other crimes.
Kustra noted the people hired as part-time deputies include those who are alleged to work at holiday court but never appear. "They never receive a dime," said Kustra. It was his contention that many only want to carry a badge.
Because the investigating committee would be bi-partisan, it seems difficult to understand why there would be opposition to Kustra's bill. Kustra praised Cook County Sheriff Eirod for professionalizing the County Sheriff's office in recent years. But Kustra would like to introduce legislation which would allow merit selection of assistant deputy sheriffs.

Egan was correct in saying it became a political battle. In his committee's 8 to 8 vote which blocked the resolution, the Democrats joined forces with 8 votes opposing the resolution and 7 Republicans were joined by an Independent Democrat, Dawn Netch of Chicago, favoring it. Netch said, "It seems to me it is a very troublesome set of circumstances and it ought to be looked into."
The list of deputies arrested certainly should be cause for concern. A Lincolnwood man was arrested last Friday by Arizona authorities in a crackdown on prostitution rings that operated under the guise of escort services. He is a sworn deputy who works as a bailiff in the Criminal Courts Building. In addition to running a house of prostitution, he was also charged with cocaine possession and the intent to sell cocaine.

Last year a deputy sheriff was arrested at a public forum where Congressman John Porter was speaking. A member of the audience was sitting in the room with a cocked gun in the right rear pocket of his trousers. He was identified as a Cook County deputy sheriff and was let go after explaining he always carried the gun that way.
In October of '82, on North Michigan Avenue, a scuffle between construction workers resulted in one of them being shot when a gun fell from the pocket of one of the men. No charges were filed against the man who was a Cook County sheriff's deputy.

In 1982 Chicago alderman Tyrone Kenner was indicted by a federal grand jury on charges of accepting \$20,000 in payoffs from people seeking electrical licenses and jobs as deputy sheriffs.
In 1982 the Sun-Times reported former Chicago Alderman Langford's son was charged with armed robbery after allegedly stopping a motorist and taking \$10 from the driver. He was a part-time deputy sheriff.

which village ordinances have been adopted, with the handgun ordinance as the prize example. Board members were rude to the opposition and did their damndest to squelch all who were against this highly controversial issue."
He noted that the village board brags about its "spirit of democracy" and its integrity but displays little of either. Nor does the demonstration of temper, threats, and bullying by the village board's karate expert, which occurred following a recent board meeting, Schnell.

Another blatant undemocratic tactic cited was the way in which the village administration manipulated the 1981 village election to keep opposition off the ballot. "That's a common totalitarian practice," he said.
Schnell pledged that the We, The People board members will bring open government to all parts of Morton Grove. Hidden practices will cease with the election of himself, Roger Nolte and Seymour Primer to the village board on April 12.

Fingerprinting...

further urged to prepare and maintain a portfolio on their children that would include the fingerprint card, a recent photograph, a lock of hair, medical history and any medication used by the child.
The Missing Children Identification Program is a positive action approach towards preparing for a future incident of a missing child. Through this program the Village will offer parents a means to positively identify their children should they become missing. The program will also offer the police agency a positive means of identifying and recovering the child.
In the case of a missing child, the parent should turn over the fingerprint card and any other information contained in the child's identification portfolio when they report the incident to the Police Department.
The police will then classify the fingerprints and obtain a classification number which will be entered into the computer with all other pertinent information regarding the child. After classification, the fingerprint card will be returned to the parent.
In the event a law enforcement agency locates a child and has reason to question the child's identity, the child can be printed and the classification number input to the computer. If a match occurs between the classification and a classification already in the computer, the child can be identified.

Fingerprinting will be scheduled on Wednesdays from 5 p.m. - 9 p.m. and on Saturdays from 9 a.m. - 1 p.m. by appointment only. Beginning March 30, fingerprinting will be done at the Skokie Police Department, 8333 Lincoln Ave., Skokie - 2nd floor public meeting room. A parent or legal guardian must be present with the child.
Only one set of prints will be taken and will be given to the parent or legal guardian upon completion.

He praised the cooperation between Morton Grove and the center's developers noting the new construction will be completed without a single violation of village zoning codes.
Said Zimmer, "This project serves as an excellent example of how a developer with some concern for the community can construct something which is functional and esthetically pleasing at the same time."

presence of a self-proclaimed Nazi sympathizer on the ballot? Now people are even further disgusted by this incredible attempt of We, The People to tar us with the same brush. Unfortunately, this is only one of an orchestrated series of incidents that has characterized their campaign. They, along with their supporters and funders from outside Morton Grove, are obviously determined to win at all costs. They've pulled out all the stops; but our community is being asked to pay the stiff, demoralizing price for their power bid."

Greenberg further stated, "It has become apparent to everyone that this is a desperate strategy to revive the sinking campaign of this fledgling single-issue party - a campaign that has failed to this date to even begin to address any one of the real issues that concern local government or village services."
Greenberg also stated, "We can conclude only that the We, The People trustee candidates either have lost complete control of their own campaign, or that they have put their stamp of approval on it. In any case, the We The People candidates must personally take responsibility for knowingly appointing campaign personnel with an established local reputation for gutter politics, then unashing him to use the most discredited kinds of mudslinging, dirty tricks, and trumped up legal charges. Surely, their complicity in this latest attempt to tie us with Nazi ideology is hardly a testimonial to what can be expected of their leadership or their honor or their dedication to the democracy they profess to defend."

Greenberg concluded, "As for Dick Hohns, Gregg Youstra and Alex Action Party Trustee candidates, we'll continue to campaign proudly on our solid record of accomplishment for the Village of Morton Grove. We'll continue to respect and fight for our individual rights to make our own independent decisions and to vote differently on any issue - just as we did with the handgun ordinance, and just as we did with countless other matters we considered."
Greenberg concluded, "We sincerely invite We, The People to step up to the curb and join us there so that together we can conduct a campaign worthy of the people of Morton Grove."

Television and the Ponderosa restaurant.
Steven Hirsch, chairman of National Pride originally told the village board his coin-operated facility would be manned at all times and would operate 7 days a week from 7 a.m. to 11 p.m. on weekdays and Saturdays and a closing time of 5 p.m. on Sundays. Hirsch explained his company had 172 self service car washes operating in 18 states in 1980 and he had commendations from many towns complimenting their operations.
At the time the Niles Village Board denied the request, village trustees included among their reasons for refusing the permit the excess traffic on Dempster st. which would be caused by the car wash. Trustees also voiced concern about dangerous ice forming near Dempster st., during the winter because of the car wash as well as problems which car pollution and loud car radios would cause residents living nearby.
During the November, 1980 Village Board meeting some 40 area residents appeared to protest the request by the car wash company and some 50 Niles residents turned out for the October, 1980 Zoning Board meeting.
Among the fears of area residents included a concern that the car wash would cause area property values to decrease.
