Library Board installs new officers

Hodes, Rajski chide Pestine for one-man library rule

by Eileen Hirschfeld

Niles library trustees Martin Hodes and Margaret Rajski criticized Board president Harry Pestine during the reading of committee reports and "good and welfare" reports at the regular library board meeting on Wednesday, May 11. Hodes cited the library's growth during the past 13 years including the district doubling in

Oakton approves fee increases for courses

by Anthony DeBartolo

Due to an authorization passed by a 5 to 2 vote at Tuesday night's Oakton Community College Board of Trustees meeting, students returning in the Fall will find themselves paying higher fees for many of the College's courses. Citing the increased cost of supplies and equipment since the student fees were initially set in the early 1970's, Oakton College President W. A. Koehnline recommended approval of the fee increase. The course and select service fees, such as late registration, to be charged students above and

It's The Year of the Ladies in Park District

Heinen and Marusek head Park Board

It was ladies' night at the Niles Park board meeting Tuesday night. Park commissioners elected 4 year board member Elaine Heinen president and 3 year board member Mary Marusek vice president for the 1983-84 year.

Mrs. Heinen, ecstatic at being elected, said she didn't know she was going to be elected. In accepting the top job, Elaine said "I am happy to be elected president; we have a great board which will give 100% like all previous presidents, I will work very hard. And I hope all

residents will enjoy park facilities which we hope to maintain".

In accepting the vice presidency, the soft-spoken Mary Marusek said she is looking forward to the coming year with great expectations.

In other business the park commissioners passed a resolution authorizing a public service work program for juvenile offenders in conjunction with the Niles Police Department and the Cook County Circuit Court. The program would have

We think it's time friends of Ken Scheel get together and consider a proper memorial in Ken's name. Niles village fathers quickly decided to name the new public works garage for Ken. And while their intentions were well-meaning, the choice was ill-conceived. As of one of Ken's friends told us last week, the naming of the administration building, The Ken Scheel building, would be more appropriate. Scheel was in the forefront in the acquisition and renovating of the building and was the one person most associated with it.

In conversation with Ken's Minna, we suggested a living memorial, perhaps a scholarship fund, would be an appropriate memorial. We would welcome your thoughts before embarking on such an effort.

Cable television fans in Morton Grove are facing a June 1st increase from \$6.95 to \$8.95 per month for the basic Continental cable service. The additional T.V. outlet fee goes up \$1 a month and both the P.M. and remote control fees rise to \$2.25 from the current \$1.95. If 3,000 Morton Grove homes are wired for the cable service, the increase could be in the \$6,000-\$8,000 per month range which would mean the annual cost to Morton Grove would be \$72,000-\$96,000.

Doppler installation culminates years of effort

by Diane Miller

Niles Fire Chief Al Hoelbl officially announced the close of the "Doppler program" last Thursday, May 12 at a luncheon attended by 120 Illinois fire chiefs, culminating almost four years of efforts by the Niles chief and Mayor Nicholas Blase.

Hoelbl told the group the Doppler, a radar tornado warning system, is being delivered to its permanent home in Marseilles, Illinois this week and should be completely functional next month. He thanked the members of the Northeastern Illinois and Metropolitan Fire Chiefs Associations for their support in this endeavor.

The Doppler is a new type of radar which penetrates storm clouds and is expected to spot tornadoes up to 70 miles away. The system is capable of localizing a tornado touchdown to a specific area instead of giving the extensive multi-county warning.

Meeting tonight on future of Dist. 207 schools

Maine Township high school's building and grounds committee will meet at a public session Thursday, May 19, to re-evaluate information and make recommendations to the whole board regarding the closing of schools and the disposition of property.

On Monday, June 20, the school board will meet and make a final decision on the school closings as well as deciding on the sale or lease of Maine North and Maine East property.

Committeeman Blase will once again sponsor a free party for the Seniors of Maine Township on June 11 at the Chateau Ritz, 9100 Milwaukee ave., Niles. The doors will be open at 1 p.m. and everyone must have a ticket. The tickets are available at your local Senior Clubs or at 8074 Milwaukee ave. in Niles. There will be many surprises along with selection of the King and Queen for the day and the

National High Blood Pressure Month

The month of May is National High Blood Pressure Month. Hypertension is a "silent" health problem that affects one out of every six American adults. Lutheran General Hospital, Park Ridge, offers free hypertension screening twice a week throughout the year. The tests are performed from 3:30 to 5:30 p.m. on Tuesdays and from 1 to 3 p.m. on Saturdays, in the hospital's Outpatient Department.

Dora Maize, R.N., head nurse of Lutheran General's Outpatient Department explains that there often aren't any symptoms or warning signs of hypertension and most persons feel fine even though their blood pressure is high. Because hypertension is, among other dangers, a leading cause of heart disease, Mrs. Maize encourages persons to see their own physicians even if their blood pressure is borderline high. "If the reading is very elevated, we try to have the person make a physician's appointment before leaving the hospital," she says.

Normal blood pressure readings should be rechecked at least once a year. Persons who take medication for high blood pressure should keep physicians appointments as indicated. For more information on free hypertension screening call Lutheran General Hospital's Outpatient Department at 696-5070.

Niles Cadette Troop 791

The Niles Cadette Troop 791 will be holding a Car Wash on May 21, from 10 a.m. to 2 p.m. at the Niles Rec Center parking lot. The troop is busy raising money for their next outing.

Center of Concern Garage Sale

The Center of Concern is having their second annual Garage Sale on Saturday, June 4, at 610 N. Dee rd., Park Ridge. Everyone is invited to drop off their items at The Center at Suite 4, 1580 N. Northwest Hwy. or if necessary, we will pick them up.

So come one and all get some real bargains. Everything will be priced to sell. The sale will start at 9 a.m. and end at 3 p.m. Last year's sale was quite successful and we are looking forward to even greater results this year. Our seniors have some lovely antiques, so mark your calendar and come on over.

Call 823-0453 for more information or for someone to make a pick-up.

OCC drama of aging

Acting Up!, the senior acting troupe of Oakton Community College, will perform a staged reading of "The Other Side" by Stanley Harris at 1:30 p.m. on Wednesday, May 25 in Room 115, OCC/Skokokie, 7701 N. Lincoln ave.

One of four winning playwrights who participated in the recent contest sponsored by Acting Up! to discover sensitive, honest, dramatic treatment of aging, Harris explored the theme of living with a failing partner. Following the reading, Marcia Schak, MSW, Skokie Office of Aging, will lead a discussion. Harris, assistant director of MONNACEP and a Lincolnwood resident, was a training specialist at Teletype Corp. before joining MONNACEP in 1976. He graduated from Wright Jr. College and the University of Chicago, then went on to four years in the armed service. Later he earned a master's degree in arts from the University of Michigan.

The program, which is free and open to the public, is the last in a

four-week series celebrating Older Americans Month. For further information, call 635-1977.

Police remove children from mother's custody

Two infants whose parents were temporarily staying in Niles were turned over to the Illinois Department of Children and Family Services after police officers felt the children may have been neglected by the mother.

Niles Police report the 36 year old mother and her children, ages 15 months and three weeks old, came to the police station at 2:50 p.m. on Saturday, May 7. The woman told police that she had been staying with her husband at a local motel. Following an argument with her husband the woman had asked assistance in being transported with the children to a home in a nearby suburb.

Policemen reported the children were not clean and had not been changed in hours. A Niles Policeman reportedly cleaned up both children and requested the mother change the infants' diapers.

When the father arrived on the scene he told policemen that the children had not been fed since 6 a.m. Police gave the infant some formula and the older child some cookies.

Hearing set in Niles nursing home death

NORTRAN meeting in Park Ridge

Park Ridge residents concerned with recent changes in local bus transportation due to the opening of the CTA O'Hare Rapid Transit Extension, might be interested in attending the next meeting of the Board of Trustees of the North Suburban Mass Transit District (NORTRAN).

The NORTRAN meeting will be held at 8 p.m. on Wednesday, May 25, in the Park Ridge City Hall, 505 Park Place, Park Ridge. Board members meet each month in a different member community to discuss the maintenance and improvement of bus and rail transit services within the district's area of 23 North and Northwest suburbs.

New to the NORTRAN board is Mark C. Walker, who was recently appointed as trustee from the City of Park Ridge.

NORTRAN is a RTA funded carrier.

Preliminary hearings have been set for May 24 for five registered nurses and a nursing home administrator charged by the Illinois Department of Registration and Education (DRE) with failing to provide adequate care for a 29-year-old woman who subsequently died at the former Mill View Nursing Home in Niles.

According to Department director Gary L. Clayton, charged were Myron Gurrel, 9411 N. Christiana, Skokie, the nursing home's administrator; Patricia Peterson, 2155 Estes ave., Des Plaines, director of nursing; and Arlene Cohen, 3217 Greenbriar, Glenview, assistant director of nursing.

Also charged were nursing supervisors Sang Hee Suh, 7633 Lake St., Morton Grove; Theresa Choi, 49 Michael Manor, Glenview; and Raquel Sanchez, 9020 Washington dr., Des Plaines. The charges stem from the February 1981 death of Donna Sonnenberg, a resident of the nursing home.

According to Department charges, Sonnenberg was admitted to the nursing home in Oc-

tober 1980, suffering from a bed sore and other ailments. On January 7, it was noted the bed sore was getting worse and that the patient appeared weak with no appetite. On January 16, Sonnenberg was visited by a doctor, and was admitted the next day to a hospital. She died there February 1 from "congestive heart failure due to septicemia," as a consequence of the bed sore.

The Department charged the respondents with failing to adequately care for Sonnenberg, in that the emergency nature of her condition was not perceived; her deteriorating condition was not reported to a physician in a timely manner; her care was relegated to unqualified personnel, in that some medical procedures were performed by unlicensed nurse technicians; and that her condition was not properly treated.

Mill View Nursing Home is no longer in business. The preliminary hearing, at which a formal hearing date will be set, will begin at 10:30 a.m. in DRE's Chicago office, 17 N. State St. Gurrel will appear before the

Golf Mill Bank to foot music bill for Niles picnic

Golf Mill State Bank is sponsoring the music of the Tiny Hill Orchestra at the Niles All American Picnic set for Saturday, July 9 and Sunday, July 10, according to Niles Chamber of Commerce and Industry director, Curt Hockett. Hockett said the Chamber was extremely pleased with Golf Mill State Bank's gesture and noted this is a large expense in an undertaking of this sort.

The Niles All American Picnic is the first venture of this kind in Niles and is being co-sponsored by the Niles Chamber of Commerce and Industry and the Golf Mill Merchant's Association. Two tents will be set up in the parking lot in front of the Mill Pond and each tent will feature 20 food vendors. Continuous entertainment will be provided throughout the 2 day period and the Golf Mill Shopping Center will feature their "Sidewalk Sale" in coordination with the foodfest.

On Saturday evening, July 9, the big band sound of the Tiny Hill Orchestra will be featured and a \$1,000 gift certificate good for the Golf Mill stores will be given away. The winner must be present to receive this prize.

Sixteen eateries have signed up thus far for the foodfest. They include Riggio's, Danny's, Tasty Pup, Roger's Chicken, Pizza Hut, Eastern Style Pizza, Minelli Brothers, Al's Fisheries, Aunt Mary's Ice Cream, Boris' Restaurant, and Brown's Chicken. In addition, Our Lady of

Extended Coverage

By Gordon R. Fallor C.I.C.

More and more families have become aware of the importance of insuring the lives of both husband AND wife. Should anything happen to wife and mother, there are severe financial implications.

If the wife works -- and more than half of all wives do -- there is the direct loss of her pay. Social Security for the children will help, but not enough to bridge the gap.

Even if a woman does not work outside the home, it costs money to buy the services she performs. The most basic homemaking services (cooking, cleaning, and child care) require an outlay of approximately \$8,500 yearly.

Now multiply that cost -- and don't forget inflation -- for the 15 or more years that the children will live at home. Ideally, insurance should fund these extra expenses.

Leaning Tower Senior Adult Center

The monthly free Blood Pressure readings will be held at Leaning Tower Senior Adult Center on Wednesday May 25 at 10 a.m. This program is sponsored by Cook-DuPage Home Health Care Services as part of Leaning Tower Senior Center's People-Helping-People Program. Nurses from Cook DuPage will be on hand and no appointments are necessary. There is no charge for this service. Blood Pressure reading is held monthly on the 4th Wednesday of each month at Leaning Tower Senior Center.

A new idea originated by Lenna Siens, Outreach Supervisor of the Leaning Tower Senior Center's Friendly Visiting program is called: "Friendly Visiting on Wings"

In their visits to Niles Township area Nursing Homes, the Friendly Visitor becomes aware of how many shut-ins never receive a card or a letter. Many nursing homes have bulletin boards in each room where the resident can put up pictures of families, greeting cards, letters, and little keepsakes. It is very depressing to see how many do not have a single card to put up.

We know there are many people who are truly concerned about the less fortunate, but feel there is little they can do. Some hesitate to visit in a nursing home for many valid reasons...But there is something We All Can Do!

Leaning Tower Senior Center's Outreach is now starting a program to put "Friendly Visiting on Wings". We would like many volunteers to join us in sending greeting (the year round) to the lonely and forgotten. Upon calling the Nursing Homes to secure names of lonely residents, the directors were thrilled with Lenna Siens' program.

Won't you please join the "Visiting on Wings" program and help fill the empty bulletin boards and the lonely hearts as well. Call Lenna Siens, Outreach, at Leaning Tower Senior Adult Center, 647-8222, ext. 53 for information.

Center of Concern serves needs of elderly

In its continuing effort to serve the personal needs of the elderly and lonely, The Center of Concern recently contacted all the churches in the area to acquaint them with one of our newest

programs, "Shared Housing." Because of our work with seniors, we have become more aware of the rising and at times, forbidding costs of maintaining a single family residence. Oftentimes, a remaining spouse is left alone, not only to face the financial burden, but also the loneliness that is suddenly thrust upon them.

With this mind, The Center is setting up a clearing house to match prospective co-habitants. We have a professional counselor whose experience in interpersonal relations qualifies her to handle this delicate placement of individuals. If you feel this service could be useful to you or if you know someone who might be interested, call The Center of Concern at 823-9453.

Other services available at The Center, located in Suite 4, 1580 N. Northwest Hwy. are: Information and Referral, Friendly Visiting and Senior Companion, Telephone Reassurance, Community Outreach, "Employment for Seniors" and informative classes, programs and much more.

Niles library review

Carol Robin of the outreach department will present a review of *Clan of the Cave Bear* by Jean Auel at 1:30 p.m. Wednesday, May 25, in the Niles Public Library, 6960 Oakton st. The public is invited to attend. Refreshments will be served.

The film "The Autobiography of Miss Jane Pittman" will be shown at 1:30 p.m. Sunday, May 22 in the Niles Public Library, 6960 Oakton st. This award-winning film traces the life of a fictional black woman from slavery in 1862 to participation, at the age of 110, in a civil rights protest in 1962. It is based on the novel by Ernest J. Rev. Kelly celebrates 25th anniversary

Rev. James E. Kelly, C.S.C., religious superior at Notre Dame High School, Niles, and member of the faculty, Catholic Theological Union, Chicago, son of the late Mr. and Mrs. Charles M. Kelly of Akron, Ohio, will celebrate the 25th anniversary of his ordination as a Holy Cross priest on May 27. He was ordained at Notre Dame on June 4, 1958.

Father Kelly and his ordination classmates will offer a Mass of thanksgiving in Sacred Heart Church, Notre Dame, Ind., on May 27, and will be joined by other Holy Cross priests, brothers and sisters, member of their families and other friends. After the Mass, the jubilarians will be honored at a reception and dinner at Moreau Seminary on the Notre Dame campus.

Father Kelly, born in Akron, April 30, 1931, graduated from St. Martha parish grade school, Akron, in 1946, and from Akron North High School in 1949. He entered Notre Dame in 1949, went to the Holy Cross Fathers novitiate, South Bend, in 1950 and graduated from the University of Notre Dame in 1954. He studied theology for four years at Holy Cross College, Washington, D.C., prior to his 1958 ordination.

Father Kelly holds a master's degree from the University of Notre Dame and a doctorate from the University of North Carolina, both in sociology. He has taught at Notre Dame High School, Niles, and at the University of Portland in Oregon, served as superior of Moreau Seminary, Notre Dame, and as director of field education at Weston School of Theology, Cambridge, Mass. He has held his present posts at the Niles school and at the Chicago Theological Union since 1980.

Father Kelly has three sisters: St. Cecilia Ann Kelly, C.S.C., Saint Mary's College, Notre Dame, Ind.; Mrs. Mary McLaughlin, Santa Barbara, Cal.; and Mrs. Adelaide Michel, Whittier, Cal. He has two brothers: Charles of Rancho Palos Verdes, Cal.; and William, Santa Clara, Cal.

Father Kelly plans a second Mass of thanksgiving in Montecito, California on July 3. Members of his family and other friends in the area will join him at the Mass and at a reception and dinner which will follow.

A RARE CHANCE TO DO SOMETHING ABOUT YOUR UTILITY BILLS. DON'T THROW IT AWAY.

If you haven't already, you'll be getting two letters from the IEAA. The Illinois Energy Audits Association. The first letter will be an announcement. About a two-year Energy Audit program for all the homes in Illinois. The second will be an invitation. To sign up for it when the IEAA crew is in your area. If you do, you'll receive an appointment with a conservation specialist who'll inspect your home—top to bottom, inside and out. And show you ways you can make it energy-efficient. Better yet, he'll tell you which ones are easy to make. And which aren't. Which'll pay for themselves fairly soon. And which won't. So you can pick the ones that are really worth doing. He'll even give you a list of state-approved contractors. But that's as far as it goes. You're under no obligation to do anything. As for the cost of the audit, it's only \$15. So when you get your invitation, don't miss the opportunity. Sign up. And save.

Hearings bill before toll increases passes Senate committee

The Senate Transportation Committee approved Senator Bob Kustra's (R-Glenview) bill requiring the Illinois Toll Highway Authority to hold public hearings before it can raise tolls. The bill is co-sponsored by four other suburban Senators whose districts are traversed by the tollway. The co-sponsors are Greg Zito (D-Melrose Park), Senator William Mahar (R-Homewood), Senator Virginia MacDonald (R-Arlington Heights), and Senator George Ray Hudson (R-Hinsdale). Senate Bill 1244 requires the Toll Highway Authority to give prior public notice, hold public hearings and receive public testimony before it can raise tolls. As Kustra noted, "The current 33% increase in tolls, from 30¢ to 40¢, was imposed without even a pretense of public discussion. The Authority let it be known that it is answerable to no one - and then proceeded to raise tolls without permitting any persons to state reasons for objecting. This procedure is simply unacceptable. The public that uses the tollways and pays its fees should, at the very minimum, be allowed to voice its concerns at open, public hearings before tolls can be raised."

The Garden Club of Morton Grove will hold its annual plant sale and monthly meeting at 7:30 p.m., Tuesday, May 24 at the Austin Park Fieldhouse, 8336 Marmora, Morton Grove. The program will honor past presidents and present "Fun With Tables" by Mrs. Janet Stofels.

Blood Pressure

Cont'd from Skokie-L'wood P.1
21 from 10 a.m. to 12 noon Health Department nurses will take blood pressure readings at the Library free of charge for persons 14 years and older.

All this in addition to the regular Blood Pressure Clinics for Skokie residents held five afternoons each week from 3:45 to 4:45 p.m. and on Wednesday morning each month from 10:30 to 11:30 a.m. in the Health Department, lower level Village Hall.

The theme this year is "High Blood Pressure - New Ways to Take Control." (1) Special attention is given to the "mild" hypertensives and their need for control. (2) Certain non-drug therapies are beneficial, such as weight control, sodium control and exercise. (3) More responsibility for community and individual awareness has been given to local authorities. (4) Consumer groups interested in food labeling and nutrition can exert an influence.

Growers could be around \$100,000 annually.

This increase is just for the basic service. If the premium services (HBO, etc.) decide on upping their charges, the cost of cable services could be substantial. It's not inconceivable future cable T.V. fans could be paying up to \$100 monthly in the not-too-distant future.

In Niles, cable T.V. committee chairman Ang Marcheschi said Cablevision's contract is up for review every 3 years. At that time, the company could request an increase in their services.

Marcheschi reported the major complaints his group has received about Cablevision concerns interference, primarily on premium services. He said the other complaints concern the company's slow telephone responses. He said Cablevision installed a new

the same size. Among the salary increases was a 5 percent increase for Park Director Dave Huber as well as a \$2,902 adjustment bringing his salary to \$37,990.

Other adjustments along with the 5 percent increase brought the Recreation Supervisor's salary to \$15,853; the Athletic Supervisor to \$14,052; the Superintendent of Recreation to \$25,009; the Superintendent of Facilities to \$25,270; and the office manager to \$13,730.

The new budget will be on display in the Prairie View Center during the upcoming weeks. In other business, Commissioner Joan White recommended the gym and the game and vending room at the Prairie View Center be closed on weekends during the summer. Her recommendation was based on usage figures from last summer.

White also announced that membership at the Prairie View Center was down by 180 persons over the same time last year.

beyond tuition, will be raised from \$2 to \$10 over current levels.

A respectful, yet stern warning was issued at the Board of Trustees meeting by 3 members of the College faculty concerning the scheduled passage of an authorization that would, in effect, require 6 teachers to return approximately \$2,500 each in salary to the college.

The teachers' spokesman, Peter Hessemer, told the Board that legal action would be taken if the trustees rescinded their own resolution of Feb. 15, 1983, which authorized the 6 full-time faculty members to receive their current rate of pay.

classroom/lab study, and clinical time. Areas covered are emergency medicine, coronary care and surveillance, I.V. therapy, obstetrics, and drug administration. This is in addition to a previously completed 82-hour course as emergency medical technicians.

This is the third time that a Niles firefighter/paramedic has received the Golden Stethoscope Award, according to Fire Chief Albert L. Hoelbl, who proudly attended the graduating ceremonies. All Niles firefighters now entering the department must also become paramedics. The department now has 15 such members, manning two mobile intensive care units around the clock.

Making the awards were Glen Aldinger, M.D., Project Medical Director, St. Francis Hospital, and Mary Ann Marcotte, R.N., and Bea Schaible, RN, MICU coordinators for the hospital.

offenders work in the parks doing public service work in lieu of punishment normally levied by the courts. The purpose of the program is to provide productive work, participate in a successful probationary experience and get involved in community service.

In still other actions Jeff Arnold and Gabe Berrafato were re-appointed treasurer and attorney for the park board respectively. Arnold's appointment is voluntary and there is no monetary compensation for the job.

...Park director Bill Hughes reported 90% of the work on the pool filtration plant is completed and it will be operable 2 weeks before the June 11 opening of the pools. A \$55,800 payout was authorized for the work completed.

In other pool news residents should register immediately for the upcoming pool season. The opening day, June 11, will be a free day at the pools. And up to that date last season's rates will still apply. Beginning June 12, the pool rate will increase.

...Hughes reported he expects 26 adult field hockey teams will take part in a league this summer at the ice rink complex. He said the floor is being rented out at \$25 per hour and the revenue anticipated for the summer program is very encouraging.

...Tom Lippert, Mary Marusek and Jim Pierski received plaquets from several board members for their tremendous efforts in creating the Niles Public Work Service program which aids juveniles in doing probationary work.

...Board Commissioner Kosiba commended park treasurer Jeff

"If the Board of Trustees does not treat the office (of Village Administrator) with respect, why will the subordinates?" asked Sloan.

Sloan has been the assistant to Village Administrator Fred Huber for the past two and a half years during which time many of Sloan's responsibilities have been delegated to Sloan. "Fred has been a good teacher," said Sloan.

Sloan came to the village in January 1978 as a CEDA worker, at which time he supervised 14 CEDA workers employed by the village. Also, Sloan helped

Arnold for accepting the non-paying job which manifests his interest in the community."

...Com. Marusek reported the park board has an excellent relationship with State Senator Bob Yates. Yates' liaison has already helped the park board in seeking a \$26,000 federal grant for landscaping in the park district and said the Congressman's office will help the district seek alleviation of the silt problem which results in the overflow. While the Corps of Engineers are involved in such an effort the help of the Congressman in aiding this problem could prove helpful.

size. However, he said, "The last five years have been hell." In reference to Festine's term as president, Hodes said there has been "one-man rule on the board." Trustees who resigned, said Hodes, could not "stand the friction."

Rajski said, "There is one set of rules for Mr. Festine and another set of rules for other trustees. This library needs total input to make qualitative judgements." Rajski also said Irene Costello did not receive full credit for all the work she had done. Rajski said she will serve two more years remaining in term although she "formerly was going to resign." Rajski stressed she was not aligned with either faction of the board and hoped new board members would keep an open mind.

Four persons were installed as new library board trustees of the Niles Library District.

Trustees elected to serve six years are Terri Carman, Myles Diamond, and Irene Costello, incumbent. Jaroslawa Benko will serve a two-year term. Already seated is Frank Biga, appointed and later elected to serve a remaining four years of a former trustee's term. The trustee, Lois Grant, resigned in December.

Former president Harry Pestine was again named president of the board. Irene Costello, former secretary, was named to be secretary. Frank Biga was named treasurer. Former treasurer was outgoing Rita Breitbart.

Trustees no longer serving will be Martin Hodes, 13-year board member, Rita Breitbart and Josephine Buck. All three did not run for election.
