Residents voice concern over lack of park patrols

by Diane Miller

Niles residents attending Tuesday night's Park Board meeting voiced their concern over an apparent lack of park rangers patrolling the Ballard Sports Complex area.

Mike DeBartolo, spokesman for the Oak Avenue Homeowners Association told the board their homes border the Sports Complex and the Gemini School ball field which is used by the Park District. DeBartolo said that the park rangers "were simply not visible during this past summer." He added, "even if they

are coming to the front of the Sport Complex building, they are not driving around the rear of the building and across the ball field and that is where the action is." In addition DeBartolo cited the fact that there is no security light. **Continued on Page 26**

Niles Park District investigating missing funds

Joseph Colasuono, 26, manager of the Niles Park District's Little Tam golf course the past three months, has been suspended without pay pending an investigation into the disappearance of approximately \$7,000, according to Niles park officials.

Niles police and the Cook County state's attorney have been investigating the case. It is believed the investigation resulted from missing funds dating back to early September of this year. In addition to park accountants checking park district books an independent auditing firm was hired to corroborate the missing funds. The park district carries mysterious disappearance of funds insurance and all park employees are bonded.

Board agrees to renovate OCC's Skokie facility

OCC campus dedication set for November

by Anthony DeBartolo

A November 13, dedication date has been set to commemorate the completion of Oakton Community College's permanent Des Plaines campus, announced OCC President W.A. Koehnline at Tuesday's Board of Trustees meeting.

The recently completed north wing which houses a gymnasium and a 250-seat auditorium, brings an end to the campus construction begun in the fall of 1976. Despite the final completion of Oakton's 170-acre campus, the board reaffirmed its commitment to its rented Skokie facility located in the former Niles East High School. By a 6 to 1 vote, the board resolved to invest in the rented buildings improvement through painting, carpeting and adding additional educational equipment. The board also resolved to increase in number and variety the course offerings at the Skokie facility through 1987, when their current lease expires. **Continued on Page 26**

From the Left Hand

by Bud Besser

Anonymous letter-writers don't usually get their day in court in The Bugle. If the correspondents are not willing to be identified we refrain from publishing their letters. We are willing to keep their identification out of the papers but their names remain on file. If they wish their letters to be published, but do not choose to be publicly identified, we are willing to comply with their wishes.

The policy is used by most newspapers. It is a check which prevents an irresponsible guy or gal to use the public print for their own private reasons without having to account for their statements.

We do make exceptions. Anonymous letter-writers, like tipsters, are often valuable sources of information. They not only lead newshawks and newshens to new areas of information but also provoke ideas which should be placed in the public arena.

This week's mail brought a letter from an anon writer who has sent us previous anon letters. While we are publishing individuals' sentences from the two-page letter, we are excluding much of the content which does not bear on the issue we are publishing.

Niles library applies to State for grant

by Eileen Hirschfeld

Board members of the Niles Public Library approved submission of an application for a per capita grant from the state of Illinois which, if successful, could total thousands of dollars in revenue. Action was taken Oct. 14 at a regular board meeting in the main library, Niles.

Harry Pestine, board president, said the grant could be as much as \$27,000. During the last fiscal year, the library was awarded \$23,617 in per capita funding from the State Librarian.

A newly-appointed administrator, Duncan J. McKenzie, took office Oct. 17 after signing a contract with board members Sept. 21.

Flu shots for seniors

The Niles Senior Center is sponsoring an Influenza (Flu) Immunization Clinic on Wednesday, Oct. 26 and Wednesday, Nov. 2 from 1-4 p.m. Niles residents, 65 years of age or older, can call 967-6100, ext. 375 to register. There will be 200 shots available on a first come, first serve basis and an appointment is required. The cost of the injection is \$3. Anyone interested in receiving a flu shot at the Niles Senior Center is encouraged to discuss this with their private physician.

A flu vaccination is one of the best protections against the flu, a viral infection affecting the respiratory system. The flu shot is composed of killed viruses and works by building up immunity against the flu viruses. This year's flu shot contains the strains **Continued on Page 26**

New state laws have positive impact on NFS

Major legislation affecting families in Illinois was signed into law recently by Governor James R. Thompson, Larry F. Renetzky, Executive Director of Niles Family Service, announced today.

HB 1248, sponsored by Representative Jill Zwick (R-Dundee), requires state social service agencies to file a "family impact" statement showing how that agency's actions have strengthened and promoted family stability within Illinois families. Lloyd Gillet, Chairman of the Board of Niles Family Service which provides a variety of services to families in Niles, including individual, marital, and family counseling; educational programs and an Employee Assistance Program for Business/Industry of Niles, stated that "This legislation assures that there will be more cooperation on the part of state agencies that direct and fund programs aimed at meeting various human needs in Illinois; also it will help to strengthen families rather than cause further erosions of families."

Data on nursing homes and retirement homes

The information in this article is the result of questions and fears raised by members of the Niles Senior Center and their families. As generations continue to live longer, long term care, and options available will become increasingly important.

Jean Stokes, C.S.W., Counselor, Niles Senior Center noted the words "nursing home" strike fear in the hearts of some, panic in others and are guaranteed to produce some kind of reaction - most often negative in everyone. This need not be. There are many options available, depending upon the needs and desires of the individual and family.

Nursing homes provide long term care to those who medically require care whether they are young or old. They must be licensed by the State of Illinois and meet minimum standards. Depending upon the ratio of trained and professional staff to patients, they may be licensed as Skilled Care (with least professional staff), Intermediate, or Skilled Care (with most professional staff to patient). Some homes may have special sections and be licensed for more than one type of care. Nursing homes are regularly inspected by teams of professionals employed by the State. The City of Chicago has its own medical dept. and inspection teams in addition to State inspectors. Some communities

Stop the Euromissiles Before Push Comes to Shove is the lead caption on a leaflet to be handed out to Morton Grovers at the railroad and Swift stations on Oct. 21. Pictured in the leaflet are two small versions of "everyman" attempting, each one, to hold back a huge black missile so that the two missiles, ominously close, don't clash.

What are Euromissiles? And why do we read now of the massive demonstrations against them in Europe? This leaflet explains what they are and why they are considered so dangerous. Briefly, there are 572 of two kinds of missiles, Pershing II's and Cruises, planned by the United States for deployment in European nations this coming December. The majority of Europeans feel that these weapons offer an enormous threat to their very lives, and the Soviet Union is adamantly against their deployment, and threatens to halt their moratorium on new weaponry and to retaliate in kind.

This strong reaction on both sides of the East-West border arises from the fact that these weapons are perceived by both sides as first-strike weapons, and as part of the Reagan Administration's plan to try to wage a protracted nuclear war.

Why are these weapons called first-strike weapons? The Pershing's are thus termed because of their great speed and accuracy, unlike anything the Russians have. Six minutes after launching, the first missile would strike its target. Six minutes! This gives no time to re-affirm an attack as distinguished from a flock of wide ducks, a false alarm which has already occurred and would have meant a nuclear response, without human intervention. However, the Russians say they will have to put their weapons on "launch on warning" computer control if these new weapons are installed.

The Cruise missiles are slower, but they are relatively small and hug the contours of the ground, so they might be hard to detect. We have just seen how nervous the Russians can get; to push even harder seems unwise to many Americans. To sit pit the Europeans against their governments seems most unwise. To plan a protracted nuclear war seems downright lunatic.

BEST FOOT FORWARD

By Dr. Leonard Pock
BICYCLE FOOT
Bicycling tends, at times, to make excessive demands on leg muscles and may over-stretch tendons. Your feet may suffer from the constant stress of the small portion of your sole in contact with the pedal. Even slight discomfort may cause wear and tear of the entire lower body. Other problems may be blister formation, tendon and groin pulls.
Ask your podiatrist to evaluate your foot, to determine need for strong inside support, proper bicycle alignment and function, especially if planning a long trip. Podiatrist-prescribed foot-toning and ankle-flexing exercises will help you cycle in better comfort. The seat should be high enough so that your leg is fully extended when pedal is at bottom of its sweep. This offers maximum comfort and most effective use of muscle power.

Retired Persons group plans meeting

Skokie area chapter of the American Association of Retired Persons convenes its evening meeting on Tuesday, Nov. 1 at 7 p.m. in the auditorium of Skokie Public Library.

Highlight of the evening will be the installation of next year's officers. Mr. John Hub, assistant state director of AARP for Illinois, will administer the pledge to Herbert Eisman, president, Albert Einhorn, vice-president, Helen Wener, recording secretary, Molly Pastor, corresponding secretary and Rosalyn Fliegel, treasurer.

Speaker of the evening will be Dr. Ron Martin, consultant for Skokie Valley Hospital's Good Health Program. His timely topic will be "Feeling Good; Getting Off the Stress Merry-go-Round." The evening concludes with refreshments and socializing. A cordial invitation is extended to all senior citizens in the Skokie extended area which includes Niles, Morton Grove, Lincolnwood and adjacent city areas.

Niles Family Service holds Stop Smoking Clinic

Niles Family Service will again offer its Stop Smoking Clinic this year, November 2 and 9, at the Trident Center, 8060 Oakton. This workshop has been one of the most effective and most popular of the programs we have offered. Our leader of this workshop will again be Dr. Ron Martin, a clinical psychologist and director of Midwest Center for Wholistic Health. Dr. Martin has integrated the use of hypnosis in the stop smoking groups with suggestions for changing your lifestyles.

Dr. Martin believes that certain lifestyles can be factors in a person's smoking habits and in his difficulty in stopping his smoking habit. Not only does smoking stink, as the American Heart Association posters claim, but also there is such a thing as stinking thinking - developing attitudes which lead to high levels of stress and smoking habits. Mark Twain once said "Giving up smoking is easy - I've done it a hundred times!" Dr. Martin's program is probably the most effective method of making sure that you give up smoking just once - once and for all.

It takes will power and commitment from each individual, but the support of a group and a caring leader can be a very positive asset. There have been reports that as many as 75% of the cigarette smokers in the country want to stop smoking. This will be an excellent opportunity to achieve your goal. The fee for this workshop for Niles residents is \$15, for non Niles residents the fee is \$25. (Please note: if the fee is an obstacle or may present difficulty, please call Dr. James Cisek at 692-3396.) Enroll now. Pre-registration is required, and enrollment is limited. Call Dr. Cisek at the agency for enrolling or for further information.

Suburban GOP expands activities

An expansion of the activities of the Suburban Republican Organization of Cook County was announced by its chairman, Carl R. Hansen (Mt. Prospect). Added to the groups executive committee were congressional and state legislative leaders. Congressman Henry Hyde, State Senator Aldo DeAngelis, suburban senatorial leader, and State Representative Penny Pullen, suburban house leader, will participate in all deliberations of the committee.

"Review of legislation affecting the suburban area will now be a regular feature of the organization's activities," said Hansen, also a Cook County commissioner. "This will allow for better communication on a continuing basis on the impact of proposed or desired legislation. Too often the needs of suburban taxpayers have been ignored in passage of bills favoring only Chicago or rural areas. The willingness of these leaders, Congressman Hyde, State Senator DeAngelis and State Representative Penny Pullen, to participate is deeply appreciated."

The suburban group has already held two major conferences since the inception of its rebuilding program. Recently it also sponsored the first-ever suburban Republican women's meeting, conducted under the leadership of Joan Hall of Park Ridge, also Committeewoman for Maine Township.

VOLUNTEER TO HELP ADULT DAY CARE
Parkside Human Services' (an affiliate of Lutheran General Hospital) adult day care program for impaired senior citizens is looking for volunteers to help out with various activities at the program's new center in Glenview. Volunteer opportunities exist for people who have from one hour per week available, to several days per week. These opportunities are flexible and interesting, and make use of a volunteer's interests and talents.

Parkside's adult day care centers give seniors who require daytime supervision because of physical or mental impairment a place where they can participate in meaningful activities and find companionship. They attend the center during the day, and return home to their families at night. The center is staffed by a full-time nurse, social worker, activity director, and caring volunteers. Phone volunteer coordinator, Judy Federa at 696-3559 for more information, or to volunteer your time at the Glenview adult day care center.

"AGEISM"

An insightful program on the social stigmas senior citizens are faced with today, will be conducted at 7 p.m. on Tuesday, Oct. 25 and repeated at 9 a.m. on Wednesday, Oct. 26 in the Village Hall Senior Center, 6101 Capulina. People of all ages are invited to attend this program presented by Bud Swanson, gerontologist from the Morton Grove Senior Services Department.

BICYCLING CLUB

The Village Hall Senior Center is now organizing a Bicycling Club that will tour the Cook County Forest Preserve's bicycle trails to observe the changing autumn colors. Men and women alike are invited to bring along their bikes and meet at the Center at 1:30 p.m. each Thursday.

"ODD MAN OUT"

At 10 a.m. on Oct. 26, the 1947 film entitled, "Odd Man Out", a murder mystery starring James Mason and Kathleen Ryan, will be shown. The film can be viewed free of charge in the Village Hall Senior Center.

YES YOU CAN PREVENT CANCER

Not everything causes cancer, and most cancer can be prevented. In fact, studies show that 60 percent of cancer can be prevented. Here are eleven things that not only don't cause cancer, but may actually help prevent it:

1. Fresh air. Fill your lungs with it and don't smoke.
2. A little refreshment. But don't overdo it if it involves alcohol.
3. High-fiber foods. Eat whole grain breads and fruit.
4. An apple, an orange, or a pear. Fruits are a natural source of vitamins.
5. Broccoli, lettuce or carrots. Vegetables help balance your diet.
6. Chicken, fish or lean meats. Reduce fats intake decreases the risk of cancer.
7. Exercise. Keeping your weight down also reduces the risk.
8. Sitting in the shade. Avoid too much sun, which can cause skin cancer.
9. Relaxation. Studies indicate a link between chronic stress and cancer risk.
10. A good day's pay. Work isn't a risk, but make sure your work environment is as safe as possible.
11. A good laugh. Keep your chin up, cancer can be prevented.

WALK FOR YOUR LIFE

Walk for fitness and walk for fun. Members of the Morton Grove Walking Club are enjoying both of these benefits. Why not join? The Club meets each Monday at 9 a.m. in the Morton Grove Senior Center and sets out for an hour's walk through the Cook County Forest Preserve and neighborhoods of the Village. The Walking Club provides an opportunity to meet new people and to get started on an individual exercise program. For more information call Marcy Amstadter at the Morton Grove Health Dept. at 965-4100.

HELP AT HOME

The Morton Grove Senior Services Dept. is ready to provide help at home for those senior citizens confined to their homes. The Village is staffed with a family counselor, geriatric nurse practitioner, two outreach workers, and an information and referral officer. If we cannot assist directly with an in-home service, we may be able to make a referral to an appropriate service agency. For further information about these and other senior citizen programs, call Ralph Birmingham at the Morton Grove Senior Hot-Line weekdays, 9-noon at 965-4658 or the Senior Services Dept. at the Village Hall, 965-4100.

Data Processing information session

Persons interested in enrolling in data processing classes at Oakton Community College or a career in the field are invited to a data processing information session Tuesday, Oct. 11, from 7:30 to 9 p.m. in Room 2157, OCC/Des Plaines, 1600 E. Golf Rd.

A panel of former data processing students currently employed in the field will share observations, insights and experiences. Career opportunities, advancement possibilities and educational requirements are some of the topics that will be discussed. For further information, call Merikay Bearwald-Kimball at 635-1835.

Knights of Columbus plan fund drive for retarded

For the past 13 years, the state and local councils of the Knights of Columbus in Illinois have conducted an annual Tootsie Roll campaign across the state, to raise funds for more than 330,000 mentally retarded children and adults.

In Niles, the drive will be coordinated by the North American Martyrs Council #4338. Chairman Tad Lesniak, Co-Chairman Walter Blake and Grand Knight Paul Dahlgren (all in Niles) urge all members and their friends for their cooperations and support in making this another banner year. Volunteers will be easily visible in their bright yellow aprons and their Tootsie Roll canisters. If you would like to volunteer a few hours of your time on Friday, Oct. 28 and Saturday, Oct. 29 please phone Chairman Tad Lesniak at 966-6756.

Both the Governor of Illinois, the Honorable James Thompson and the Mayor of Niles, the honorable Nicholas B. Blase, have signed proclamations setting aside Friday, Oct. 28 and Saturday, Oct. 29 as, "Knights of Columbus Help Retarded Citizens Days".

Des Plaines Valley Geological Society

The Des Plaines Valley Geological Society will hold its annual Silent Auction on Saturday, Oct. 22 at the West Park Fieldhouse, 651 Wolf rd., Des Plaines, from 7-10:30 p.m.

During this time various geological items including minerals, fossils, jewelry and lapidary items will be auctioned off.

As the name implies, a silent auction has no voice bids; all bids are in writing. This highest bidder on each item at the end of the designated time period is the purchaser of that item.

Many items will be sold at bargain prices. Everyone is invited to participate in this fun filled evening and join in the bidding.

Vietnam Vets Memorial services

The Illinois Vietnam Veterans Leadership Program in cooperation with the Veterans of Foreign Wars, American Legion, American Veterans, and the League of Families will hold ceremonies at the Vietnam Memorial on Wacker and Wabash in Chicago. The ceremony will be one of Memorial for those from all wars who will never return and one of Hope for those POW/MIA's of the Vietnam War who's fate is still unknown. Ceremonies will start at 10 a.m., Nov. 11, with the Posting of Colors and the raising of the American Flag over the Memorial. The Ceremonies will last about one hour.

The Vietnam Memorial was dedicated by Jane Byrne on Veterans day 1982. It's the only Vietnam Memorial in a major city that flies the POW/MIA flag.

Families Anonymous Convention

Families Anonymous, a well established self-help program for parents or spouses concerned with another's use of mind-altering substances, is having an Open State Convention.

This will be held at the Sheraton International Hotel, 6810 N. Mannheim, Rosemont, on Saturday, Nov. 12. The fee for attending the workshop otherwise is \$7 per person.

The Spares

October 23
The Spares Sunday Evening Club meeting Sunday, Oct. 23 will feature Father Dan O'Connell, Psychologist from Loyola University as the guest speaker. Father O'Connell is listed in "Who's Who In America" and in "International Who's Who".

"The Psychology of Pursuing Peace." For centuries, man has yearned and dreamed and reached out for peace, a stable peace. Where does peace begin? Is it a pipe-dream? A will of the wisp? The unbelievable dimensions of nuclear weaponry demands that we address ourselves to this problem. Now, when reporters asked Albert Einstein about man's chances for peace, he said, "Man will achieve peace when he believes he can".

Meeting starts at 7:30 p.m. with refreshments and dancing to live music to follow the meeting and speaker.

Meetings are held at the American Legion Post #134, 6140 W. Dempster st., Morton Grove. The 2nd and 4th Sundays of the month. Single, legally separated, divorced adults are welcome. For more information please call Norm Jahnke, President at 446-3125 or Pat Stryk, membership chairman, 384-3494.

Extended Coverage

By Gordon R. Falter C.I.C.

Businesses, just like individuals and families, need ongoing insurance protection. For instance, their property must be protected against loss or damage, theft or fire.

Liability coverage is especially important. A company is liable for the actions of its employees and for the effects of its products upon consumers.

A company's automobile coverage carries liability for any damage that the driver-an employee-may have caused.

Because key people are so vital to the success of a business, special insurance often covers their working lives.

What coverage does YOUR business require? Talk it over with the experts at:

Challenge of Peace talks at St. Juliana

A series of talks will examine the Bishops' Peace Pastoral letter at St. Juliana school hall, 7201 N. Osceola, Chicago, on Thursday evenings at 7:30 p.m. The workshop is open to all and admission is free.

The overall subject is The Challenge of Peace: God's Promise and Our Response. Oct. 20, Tracy O'Sullivan, O. Carm., will discuss "The New Moment" and why the Bishops have decided to speak out at this time. Oct. 27, William Thompson will focus on "Deterrence" and what the Bishops say on the Government position regarding using nuclear arms as a deterrent. Nov. 3 James Morrissey will talk on "Conversion" or whether people must change the way they think and act on this subject. Nov. 17 the audience will be invited to contribute suggestions as to what could be the next con-

crete steps on this issue in the immediate community.

All of the speakers are part of the Spirituality and Justice center in Chicago. Leadoff spokesman, Tracy O'Sullivan, O. Carm., is Director of Justice and Peace for his Carmelite province. William Thompson is Associate Director of a regional health planning organization in Oak Park. He has pursued doctoral studies in theology at Fordham university. James Morrissey has a 20 year background in the insurance administrative field and more recently was employed as treasurer and business manager at the Jesuit School of Theology here. He was his parish delegate to the 1981 Archdiocesan Conference on the Laity.

The St. Juliana Renew program is sponsoring the series. It is one of its large group activities.

THE NILES POLICE BEAT...

Niles police coordinate traffic surveillance

Niles Police coordinated a special traffic enforcement action with two other police departments on Sunday, Oct. 9. Following complaints by residents of the Wildwood and Edgemoor areas that speeding vehicles and cars without mufflers were leaving Willoughby's restaurant, 5960 Touhy Ave., Niles police began the campaign.

Working with the Chicago Police and Illinois State Police the area was kept under surveillance between 3 a.m. and 5 a.m. Niles officials stated in their report that "many violators were stopped and warned and others were cited for various traffic offenses."

Shoplifter arrested

A 39-year-old Skokie woman was arrested shoplifting in Niles on Friday, Oct. 7.

According to police, the Skokie woman was shopping at Sears Roebuck and Co., 400 Golf Mill, when she was observed trying to leave the store without paying for

2 bottles of cologne and a bottle of mascara. After detaining her, the Skokie resident was taken to the Niles Police Department where she was charged with shoplifting, assigned a November court date and released after posting a \$100 bond.

Vandals cause \$7,000 damage to apartment

A Skokie realtor reported to police that vandals committed up to \$7,000 damage to a Niles rental apartment on Monday, Oct. 10. Officials of MGM Realtors, 4023 Church St., told police that some time between Sept. 20 and Oct. 10 vandals broke into a vacant apartment located in the 7800 block of Nordica Ave. The vandals kicked holes in the apartment's walls, floors, doors, and windows. Also, the oven and refrigerator were damaged. MGM officials said the damage totaled \$7,000.

Lawn mower stolen

A Niles resident reported to police that his garage was broken into on Saturday, Oct. 8.

The resident, who lives in the 8500 block of Greenwood Ave., said between 11:30 a.m. and 3 p.m., unknown persons broke into the garage and took a lawn mower. The resident told police he did not immediately know the value of the stolen lawn mower and did not have the serial number of the mower.

Broken window

A Niles home was vandalized on Monday, Oct. 10.

A resident of the 7800 block of Odell St. said vandals threw a golf ball through a three foot by five foot window at 11 p.m. The replacement cost of the window was placed at \$75.

A get-away weekend?

A Niles nursing home reported that two elderly patients were missing on Friday, Oct. 7.

Officials of the Plaza II Nursing Home, 8555 Maynard St., reported at 5 p.m. that two patients, both 75-year-old women, could not be found.

At 10:30 p.m. the nursing home reported the women had been located at the downtown Chicago Bismarck Hotel where they had rented a room. Nursing home officials reported the women were returned to the home.

Money stolen

A Niles business reported losing over \$100 to a thief on Friday, Oct. 7.

Officials of American V. Mueller, 6600 Touhy Ave., said between 4 and 6 p.m. unknown persons stole \$121 cash from a wallet on a desk.

While few employees were in the vicinity of the stolen money it was noted that an outside door near the stolen money was open at the time of the theft and a delivery man had been inside the building during the time the theft occurred.

Home break-in

A Niles home was burglarized on Sunday, Oct. 9.

A resident of the 7900 block of Nordica Ave. reported that burglars gained entry to the home by forcing open a rear storm door and then pushed open the back door.

Once inside, the burglars ransacked the bedrooms. Taken were a collection of 30 silver dollars as well as \$300 worth of jewelry.

United Ostomy group meeting

The North Suburban Chicago Chapter of the United Ostomy Association will hold their next monthly meeting on Wednesday, Oct. 26 at Lutheran General Hospital, 1775 Dempster, Park Ridge, in the 10 East Dining Room beginning at 8 p.m.

If you are an ostomate...or someone you care about has ostomy surgery...you are especially invited to attend this month's general meeting. The program will be a "mini-exhibit hall" which will feature local

Five squads called to stop drunk

Police arrested a 17-year-old Chicago youth and charged him with drunk driving after five police cars chased him through Niles on Sunday, Oct. 9.

Police first noticed the Chicago driver as he was traveling west on Oakton St. With police watching, the Chicago car reportedly was weaving between lanes and hit the curb numerous times. Additionally, police watched as he narrowly missed slamming into a stopped car at a red light at Waukegan Rd.

Niles Police tried to curb the offender numerous times but the driver refused to stop. The car was finally curbed at Harlem and Main by five squad cars which included two Morton Grove cars.

At the Niles Police Department the driver was charged with driving under the influence of alcohol and improper lane usage as well as other traffic violation. He was assigned a November court date and released after posting a \$100 bond.

Video camera stolen

A video camera was stolen from a Niles business on Tuesday, Oct. 11.

Officials of McDonald's, 7969 Milwaukee Ave., said between 1 a.m. and 5 a.m. unknown persons took a video camera which was located outside the building along the drive-thru lane. Officials did not place a value on the stolen camera.

DEAR EDITOR:

Nilesite disillusioned with Cablevision

Dear Editor:

I am writing this letter to inform you of a problem that I have encountered with the Cablevision company that was approved by the Village of Niles.

I was one of the earliest subscribers to the Cablevision service when we were approached by their representative to subscribe for their service. The salesman explained that our reception to our television would definitely improve being that all TV channels would be received through the Cablevision service. On the contrary, whenever there is a bad storm in Niles, the reception becomes so "Snowy" that it becomes impossible to view any TV.

Another problem is that I still have not received the current Cablevision TV guide for October. This is not the first time this had happened.

In the last few months I had their converter box break down and was placed on hold listening to pre-recorded music for approximately 40 minutes when I had called for repair. On this occasion it took three days before repair came to my home to replace the Box. Within a month the converter Box that replaced the previous one, also broke down and had to be replaced. This time it took five days before replacement by Cablevision repair. As a result of these breakdowns of their equipment which apparently was defective from the start, I had deducted the cost of eight days of the cost of their service, to which I am still being billed even after I had sent a letter of explanation.

for the deduction from their billing. Another problem that I have encountered was the almost simultaneous broadcast of the same movie on two different channels approximately three (3) seconds apart. Being that I am paying for additional channels for movies, I do not believe that two of the channels should carry the same movie only seconds apart.

As a result of the problems encountered with this Cablevision company, I am seriously contemplating the cancellation of their service. I hope that the other residents of Niles are not having all of the problems that I have experienced since the introduction of Cable TV.

Sincerely
Mr. Jan Paulis

Urges District 219 votes to hear candidates

Dear Editor:
On Nov. 8, we citizens of Niles Township High School District 219 will elect five people to represent the citizens of our area to serve on the High School Board of Education. We have a very important responsibility to choose qualified individuals.

I am mostly concerned with the word "represent" when it comes to an election affecting both our children's education and our tax dollars. The Niles Education Coalition is representative of your community, being composed of your representatives from all elementary school feeder districts, and did publicly announce its screening of potential candidates on Sunday, Aug. 7.

We would like to remind the voters that the following candidates did choose to be screened and were subsequently endorsed. They are: Mary Helen Archibald, James Dodd, Karen Hoenig, Sheldon Marcus, Martin Tiersky and Saul Weiner. Each of you will have an opportunity to "Meet the Candidates" at numerous locations within the township. Please call your local P.T.A./P.T.O. for additional information. See you at the polls.

Irwin Axelrod
President
Niles Education Coalition

Commends Marcus' candidacy in District 219

Dear Editor:
On Nov. 8, the Niles Township High School District 219, will elect 5 new board members. It behooves all of us who are taxpayers in Niles Township to elect the best qualified individuals to represent us, one such individual is Sheldon Marcus who is running for a 4 year term and he deserves our support.

Mr. Marcus is presently serving us on the #219 High School Board and has served Niles Township for the previous 8 years as a Board Member on Elementary School District 67, President of the Niles Township Council of

Skokie Boards for 2 years, member of Niles Township Legislative Coalition, and his business experience as head of his own company, located in Morton Grove, gives him the added knowledge necessary in dealing with a \$30 plus million dollar budget.

On Nov. 8, my husband and I are going to vote for Sheldon Marcus who has demonstrated the leadership and experience our township needs. I urge you to vote for him and the other qualified candidates at the High School and Elementary level.

Mr. & Mrs. Abe Solomon
Skokie, Illinois

Niles Historical slide meeting

The Niles Historical & Art Society will hold its next meeting on Monday, Oct. 24, at the Trident Center, 8860 Oakton St., in Niles.

The program for the evening will be "Life on the Illinois Prairie" (a talk and slide presentation) given by Dr. Thomas Conway.

Dr. Conway, a resident of Mt. Prospect, has been teaching at Oakton Community College for the past 13 years. Farmers cuts rates on auto insurance for drivers between 30 and 60

We have rates 30% under standard rates for drivers between the ages of 30 and 60.

There's a good reason for this. Farmers knows that these drivers tend to be safer and more careful on the highway. You're the drivers who have fewer accidents. That's why Farmers created our 30/60 package auto policy. If you qualify, you could save substantially on your premiums.

Farmers Insurance Group is working constantly to keep the costs of insurance down...and the amount of protection up. And this 30/60 package auto policy is one way we do it. Why not call me?

Thinking of having a Party? DiMaria named ND Homecoming king

Thinking of having a Party? Why not reserve the Park District's Health and Racquetball facility. On Saturday evenings from 7:30 p.m. to 11:30 p.m. your group will have their choice of playing racquetball, handball, or wallyball, using the giant co-ed whirlpool, dry heat saunas, or working out in an exercise room equipped with a universal weight machine. The availability of all these facilities including all 9 courts makes our facility appealing to large group parties. The total reservation cost for the evening is \$200, \$25 off with the coupon in your park district brochure. For more information call the Morton Grove Park District at 965-7554.

Have you taken out your racquetball and health facility membership yet? The Prairie View Community Center has 9 racquetball/handball courts, a giant co-ed whirlpool, dry heat saunas, weight room, and outdoor Bocce and horseshoe courts. All this for as low as \$25 youth or college and \$35 for adult individual resident memberships. Resident membership prices include Morton Grove, Niles and Skokie.

The next session of beginner racquetball lessons begins the week of October 31. Classes are limited to four per class and are held each week for 5 weeks. The total cost including your free trial membership is \$30.

Have you tried wallyball yet? It is the fun and exciting game of volleyball played in a racquetball court. Use of the side walls adds an extra exciting dimension to the game. Bring your group in and give it a try. Groups of 8 people are suggested and a good time is unavoidable. Call 965-7554 for information and reservations.

Cub Pack 175 clothing drive

Cub Scout Pack 175 of St. John Brebeuf is holding a clothing drive from Oct. 28 to Nov. 17. The clothing will be presented to officers of the "Off The Street Club" at the Nov. 19 pack night.

For more than 80 years this club which is located in the West Garfield Community has offered about 2,000 children a chance to get off the streets, and on to another world. A large number of children and their parents in this community are literally poverty stricken and greatly in need of clothing.

Therefore, as part of a service project, Pack 175 is collecting women's, women's and children's clothing for this worthwhile organization. Hank Mazik, who is very active in our pack is also an active member of this club.

Anyone having any clothing to donate may contact Hank at 965-5414 or Ken Lubinski at 698-0416.

The October Committee meeting was held on the 12th, at which time the 1983-1984 Leadership Roster was finalized. Thank you to all who have volunteered so generously with their time and talent.

Halloween Party

A Halloween party will be held on Friday, Oct. 28 at the monthly St. John Brebeuf Pack 175 meeting at 7:30 p.m. in Flanagan Hall. The entire family is invited and are encouraged to wear costumes. Also invited to this meeting are all "175" Tiger Cubs and their families.

Washington Student Council officers

Washington School held their Student Council elections Monday, September 26. The following officers were elected: Ronnie Cochran-President, Charles Sheng-Vice-President, Gilda Mastrolonardo-Secretary, Scott Lazerow-Treasurer.

Student Council hopes to accomplish community projects as well as run many in-school activities.

Good luck to our new slate of officers.

Washington School is located at 2710 Golf rd., Glenview, and is one of the five elementary schools in East Maine School District 63.

DiMaria named ND Homecoming king

Dan DiMaria, son of Mr. and Mrs. Frank DiMaria, Niles was crowned Homecoming king of Notre Dame High School for Boys at the Homecoming dance Oct. 15. Dan was crowned by 1982 Homecoming king, Joe Lembeck, son of Mr. and Mrs. Edward Lembeck, Morton Grove.

Homecoming activities opened at Notre Dame with the Student/Faculty softball game on Tuesday. The students defeated the faculty 5-3 in a hard fought battle. Friday a pep rally was held to introduce the football teams. The teams played ESCC foe St. Patrick Friday night.

LEGAL NOTICE

PUBLIC NOTICE
Notice of Proposed Changes in Schedule To Patrons of Commonwealth Edison Company.

Commonwealth Edison Company hereby gives notice to the Public that it has filed with the Illinois Commerce Commission on October 7, 1983 proposed changes in its rates and charges for electric public utility service in all of the areas in which it provides retail service.

Such changes involve and would effect a general rate increase, providing for estimated increases in charges in 1984 for the following classes of customers: Residential-10.3%; Residential Space Heating Customers-10.3%; Residential Water Heating-11.1%; Commercial, Industrial and Governmental Pumping-11.0%; Transit Services-10.9%; Street and Area Lighting-10.5%. Further increase of approximately equal magnitude were requested to become effective in 1985. The filing requests that some portion or all of the amounts requested for 1985 be applicable in 1984 in certain events.

The proposed charges would increase the bills of a residential customer using 300 kilowatt-hours in any month by \$2.97 per month (10.2%) averaged over the year. If the customer used 600 kilowatt-hours a month, the corresponding increase would be \$5.75 (10.3%) and if 1,000 kilowatt-hours, \$9.46 (10.3%). The increases shown include estimated average 1984 revenue taxes and fuel adjustment charges which reflect the proposed revisions in Rider 20, but exclude charges for optional light bulb service. The proposed increases may, therefore, vary slightly from the above amounts depending on the place of residence and whether the customer has chosen bulb service.

A copy of the proposed changes in schedule may be inspected by any interested party at any business office of this Company.

All parties interested in this matter or who desire further information with respect to these changes may obtain information with respect thereto either directly from this Company or by addressing the Office of the Chief Clerk of the Illinois Commerce Commission, Springfield, Illinois 62706.

Morton Grover earns Financial Consultant diploma

Arnold Dobkin, CLU, ChFC, Equitable Life Assurance Society has earned the Chartered Financial Consultant diploma and certification from The American College at Bryn Mawr, PA. One of the nation's oldest and largest accredited, non-traditional educational institutions, the college specializes in professional education in financial services.

The Chartered Financial Consultant certification is awarded to persons who complete a prescribed program of study and examinations and fulfill stringent experience and ethical requirements.

The Chartered Financial Consultant program is designed to provide both the knowledge and credentials needed by professionals who wish to expand their ability to serve clients' financial planning needs. The program provides knowledge of the financial services business environment and the financial planning process, as well as understanding of such subjects as income taxations, economics, financial statement analysis, insurance, investments, real estate, tax shelters, and estate and gift tax planning.

Arnold Dobkin began his career with the Equitable Life in 1966. He is a life and qualifying member of the Million Dollar Round Table and is active in his community of Morton Grove. He is a graduate of Roosevelt University and lives with his wife, Thelma and three children in Morton Grove.

Deregulation sparks First Federal realignment

First Federal Savings and Loan Association of Chicago is responding to deregulation by restructuring its investment opportunities for the benefit of both its customers and the association. A new savings certificate linked to mortgage rates and several improvements in the savings product line are the most visible changes taking place on October 1, as deregulation begins.

The new savings product is a One Year Fixed Rate Certificate which primarily will be used to fund Adjustable Mortgage Loans. This is the first time First Federal has offered a savings account that earns at a rate related to a mortgage product.

"The One Year Fixed Rate Certificate is an important component of our plans to set prices in a manner consistent with the principal of matching assets and liabilities," Tim Burns, senior vice president-Marketing, said. "Because the certificate is adjusted annually along with mortgage rates, we can minimize negative interest rate spreads that produced a downturn in savings and loan industry earnings over the last several years."

First Federal also is lowering the opening balance on its Six Month Fixed Rate Certificate to \$1,000 and minimum \$100 deposits may be added without extending the maturity date.

"In the past, direct deposit retirement account customers needed \$2,500 to open the Six Month Fixed Rate Certificate," Mr. Burns noted. "Today, they can build up the capital in the account, free from market fluctuations for six months."

Deposit and withdrawal minimums are also being relaxed for the First Federal's Insured Money Market Account. The \$100 deposit and \$500 withdrawal minimums have been eliminated to offer greater flexibility for customers. The \$500 telephone transaction minimum, three checks per month maximum, and \$2,500 opening deposit requirement remain in effect.

Resurrection Sisters prepare for Open House

Preparations are being made by the Sisters of the Resurrection to welcome approximately 1,000 guests during their Very Open House on Sunday, Oct. 23. The festivities mark a mid-point in the renovation and updating of the Provincial Home for the Sisters of the Resurrection.

The community is invited at 3 p.m. to view the special displays and take a conformed tour of the areas being renovated. Refreshments and a moment of the occasion from the Sisters is being offered. That moment is a small freshly baked loaf of bread mounted on a wooden bread board with the notation: "Open door - Open heart - Fresh bread - Fresh start for the next 83 years of dedicated service."

An Honorary Committee of 39 Chicagoland citizens from the clergy, business and sports world, headed by His Eminence Joseph Cardinal Bernardin, has been formed to support the Sisters' efforts in completing their extensive remodeling. Members of the committee will be introduced during a brief program at 2 p.m. for the invited guests to the Very Open House.

Sister Gracyann, C.R., and Sister Celeste, C.R., ready some of the bread boards that will have a small loaf of bread that will be given to everyone attending the Very Open House, 7432 W. Talcott ave., Chicago.

The first mission of the Sisters of the Resurrection began in Chicago on February 2, 1900, when four Sisters arrived at St. Mary of the Angels church at 1825 N. Wood st. to assume teaching duties in the parish school.

Groundbreaking for the Sisters first facility in Norwood Park for education occurred in 1914. A year later when the Resurrection Academy was opened, 24 pupils had registered. Between 1915 and 1922, boys from the community were accepted at the Academy.

In 1926 a wing was added to the original Academy. Due to the tremendous increase in enrollment, the building was almost doubled in 1928.

Enrollment grew and a brand new high school was constructed just west of the Provincial Home and Resurrection Academy. Students moved in on September 10, 1962, while portions of the building - the gymnasium and theatre - were still under construction. The formal dedication of the new Resurrection High School was Sunday, April 21, 1963.

Today, 1,342 young women are enrolled at Resurrection High School.

Koehler resigns from Maine Township post

Edward Koehler, Maine Township Highway Commissioner, has submitted his resignation, effective December 1, 1983, from the post he has held since 1962.

Koehler, one of the most popular and respected elected officials in the area, made his decision known in a letter dated October 11, 1983, addressed to the Board of Trustees of Maine Township. The Commissioner has been hospitalized for the past few weeks and recently underwent a heart by-pass operation. He is presently recuperating at his Des Plaines home.

In his letter to the board, Koehler reminisced about the times of stress, tears and joy that he has experienced since assuming the position of Highway Commissioner in 1962 when the department had only one truck which was stored in an open field.

As the area grew in population, and became more urbanized, the needs of the department to perform various services grew and grew. Today he supervises a department with four fulltime employees, and part-timers, as needed, which maintains some 30 miles of township roads and bridges at one of the lowest costs per mile in the state (about one-third the cost per mile for county roads).

A life-long Des Plaines resident, Koehler, 74, has served as a trustee on the school board of Immanuel Lutheran Church in Des Plaines, and been an officer in various state and county farming organizations. He and his wife, Frieda, have three grown children and two grandchildren. Their daughter, Margie, was Miss Des Plaines during the city's 125th anniversary celebration in 1960.

The Town Board expects to begin the process of appointing a successor to Koehler at its next meeting.

Edward Koehler

"Financial Strategies for Seniors"

Important information on a variety of financial topics will be available for seniors in the Northwest Suburbs at the Holy Family Health Center program "Financial Strategies for Seniors," on Thursday, Oct. 27, from 9:30 a.m. to noon.

At this free community education program, seniors will receive information from three guest speakers who will cover tax laws and benefits, social security, investments and trusts, estate planning and Medicare coverage. A question and answer session will be held and refreshments served.

"I Quit" Smoking Clinic

A quit-smoking clinic will be held Oct. 24, 25, 26 and 27, from 7-9 p.m., at Swedish Covenant Hospital.

The four-evening program will feature educational, motivational, and personal help in getting rid of the habit. Leader for the sessions will be Mr. Aaron Spitzer, emeritus director of public education for the Illinois division of the American Cancer Society. He will present films, literature and personal aids to help the individual quit smoking.

Sessions will take place in the Anderson Pavilion of the hospital, at 2751 W. Winona.

Registration for smokers will be \$10, and advance registration is urged. For information, contact the hospital's public relations department, at 878-8200, Ext. 5389.

This program is one of a series of seminars and lectures in the hospital's "Help Yourself to Better Health" series. A full schedule is available upon request to the number above.

Navy Fireman Apprentice Bryan L. Forster, son of Louis A. and Dolores C. Forster of 7911 N. Nordica, Niles, has reported for duty with USS New Jersey, homeported in Long Beach, Calif.

New SJB Junior Girl Scout Troop

During the month of September, we were proud to announce the formation of a new Junior Girl Scout Troop at St. John Brebeuf School. Twenty-six girls from 4th, 5th and 6th grades registered to form troop #946 and they are under the leadership of Mrs. Judi Krupa, Mrs. Barb Boerwaltes and Mrs. Jackie Corrigan. The highlights of September included the girl's participation in the SJB Scouting Expo where they displayed part of their badge work program. Twenty-one girls worked that day towards earning four badges which included "Art in the Home", "Computer Fun", "First Aid", and "Math Whiz". That day the girls did various activities from reading and drawing blueprints of homes to playing different computer and calculator games.

The girls also had to calculate how many jelly-beans were packed in a jar and we congratulate scout Julie Jensen who was off by a mere 2 jelly-beans. We hope you enjoyed your prize, Julie, all 133 jelly-beans. A special thanks to Mr. Tim Corrigan and Mr. John Krupa for all their help with the computer and math badges.

The month concluded with a hike to Miami Woods where the girls cooked their own lunches on homemade stoves and participated in our Rededication ceremony, where all scouts renewed their Girl Scout promise, and an Investiture Ceremony for Miss Amy Harris, a fourth grader at SJB who is new to scouting this year. Welcome Amy!

Lutheran Women's convention at Concordia

On Saturday, Oct. 22, the Lutheran Women's Missionary League Convention will be held at Concordia College, River Forest. Professor John W. Saleksa, Director of Student Personnel Services at Concordia Theological Seminary, Fort Wayne, Indiana, is the keynote speaker. The theme of the convention is Saved To Serve. Attending this convention will be ten women from St. John Ev. Lutheran Church, Niles. Representing the local society as delegates will be Mrs. Delores Brandt and Miss Mildred Kietzer.

Selection of mission projects, election of district officers, inspirational addresses, singing and introduction of visiting missionaries are just some of the features at the convention. The Lutheran Women's Missionary League celebrated the 40th anniversary of its founding in Chicago in 1942. Mrs. Ruth Luhnman, Milford, Illinois, is the president of the Northern Illinois District organization. At the international convention held in Detroit this past June it was reported that 285,629 sweaters of all sizes were collected for Lutheran World Relief from participating churches throughout the United States and Canada. Miss Elaine Kietzer serves on the Christian Growth Committee. Miss Edythe Rieck is the Circuit President.

Kenney's Great Home Improvement Sale on N-O-W

By Ed Hanson

Bill Kenney, owner of KENNEY'S ALUMINUM PRODUCTS, 7570 Milwaukee Ave., is offering the greatest sale in his 15 year history!

BILL KENNEY is no stranger to the pages of BUGLE NEWSPAPERS, or the people of the Niles, Maine Township or Northwest suburban areas.

Since his inception at his present location - 15 years ago - his advertisements and scores of unsolicited testimonials have appeared in "Our Letters to the Editor". These have contributed, in a marked degree, to his success in the aforementioned areas.

His advertisement on this page offers Fall Savings NOW! It's your chance to get bonifide SAVINGS of 25% off replacement windows, 20% off storm windows, 10% off storm doors and 15% off the installation of doors and windows, PLUS the 15% off your income tax (under the Federal Income Energy Tax Allowance).

So, why gamble with Curbside Operators or "Fast Talking Con Artists, who have no showroom or place of business, confining their operations mostly to phone numbers or doing business "out of their hats".

KENNEY ALUMINUM PRODUCTS has been on the corner of Howard & Milwaukee Avenues for the past 15 years. They use only the finest of nationally advertised products, are family owned, family operated, a member of the Better Business Bureau, A-N-D, all their

work & materials is fully insured and 100% guaranteed. In addition, they have on their premises the Largest and most Complete SHOWROOM anywhere, where you can select the type and color you want. For what you see in their showroom is what you get.

And what you get is guaranteed by Bill Kenney, whose word is his bond. And, his word is as good as James Bond, because I know and he knows that during World War II, Bill was in Naval Intelligence, and awarded five medals. (Some years ago when Bill Kenney won the BUGLE NEWSPAPERS award for excellence in business achievement, I did the complete story of his World War II naval days.)

And, who would know better than I, that Bill Kenney is not only a man of intrepidity but also a man of integrity.

If you have a home that needs his type of products, "Go There." You'll be glad, as time goes by, that you did.

Believe me...

"A Gather of Glass" at Mindscape Gallery

One of the oldest processes in the world, glassmaking as an art form almost disappeared with the advent of the Industrial Revolution. Today, it's making so dramatic a comeback that it's grown into a major movement whose followers include museum curators worldwide, connoisseurs across the country and collectors throughout Chicago. Now, from Oct. 15 thru Nov. 30, people can view the colorful phenomenon of

American studio glass at "A Gather of Glass," a national exhibition of contemporary glass masters, presented by Mindscape Gallery, 1521 Sherman ave. in Evanston. The event will feature art glass by 56 of the most prominent glassblowers in the American studio movement. Their works will range from futuristic "space cup" sculptures and platters covered with glass "sushi" to intricately etched perfume bottles and landscape vases that are really paintings-in-the-round.

A Collectors' Preview is scheduled for Fri. evening, Oct. 14 from 5 to 6 p.m. In addition, an opening reception will be held at the gallery on Sat., Oct. 15 from 2

to 5 p.m. Everyone who enjoys contemporary art will be welcome.

Mindscape Gallery is open Tues. thru Sat. from 10 a.m. to 6 p.m., Thurs. from 10 a.m. to 9 p.m. and Sun. from 1 to 4 p.m. For further information, phone 864-2660.

Artists display at OCC Gallery

Oakton Community College will feature, October 26 through November 28, the clay works of six Chicago-area artists in its Koehnline Gallery.

The exhibit, "Chicago Clay II," will demonstrate the diversity and professional quality of work being made of clay by some of the area's contemporary artists. Included works range from utilitarian items to abstract and whimsical sculpture. Artists whose works will be on display are: Michael Blair, Martin Cohen, Indira Johnson, Wayne Kieca, Linda Kramer and Peter Hessemmer.

Admission to the Koehnline Gallery, located at 1600 E. Golf rd., Des Plaines, is free. It is open to the public Monday through Thursday, from 7:30 a.m. to 10 p.m.; Friday, 7:30 a.m. to 9 p.m.; and Saturday and Sunday, from 9 a.m. to 3 p.m.

For further information, call 635-1640.

Weekend of Shakespeare

The American Players Theatre of Spring Green, Wisconsin perform a weekend of Shakespeare at Centre East, 7701 Lincoln ave. in Skokie. The company performs "Romeo and Juliet" on October 28 at 8 p.m., "The Taming of the Shrew" on October 29 at 2 p.m. and "A Midsummer Night's Dream" on October 29 at 8 p.m. Tickets range from \$8 - \$14. For more information, please phone Centre East at 673-6300.

Shown above are I-I David Ceasarnini and Marie Mathay in "The Taming of the Shrew".

"No Dinner/ Theater Package"

Apollo Theater Center is inviting Chicagoans to join the battle against hunger with a unique "No Dinner/Theater Package" available for selected performances of Harry Chapin: Lies and Legends. Developed in tribute to Harry Chapin, who during his lifetime, devoted much of his time and energy to the cause of world hunger, the unusual "No Dinner/Theater Package" offers a \$2.50 ticket discount to theatergoers who bring a contribution of non-perishable food items. The foodstuffs will be distributed to needy Chicago families by the Chicago Food Depository. The "No Dinner/Theater Package" is available for Tuesday, Wednesday, Thursday and Sunday performances.

Curtain times are 10:30 a.m. weekdays and 11 a.m. Saturdays. Ticket prices are \$3 Group Rates (20 or more) and \$3.50 General Admission. Reservations are necessary. For tickets and information call 989-0532.

Rapunzel & the Frog Prince

Rapunzel & the Frog Prince has returned live on stage to the Pickwick Theatre. Chicago audiences from Waukegan and Aurora to Gary, Ind., welcomed back the popular emerald prince and his charming true love to the beautiful Pickwick Theatre in Park Ridge.

On Stage! The Chicago based production company brings back this completely professional production using Actor's Equity Association performers after its successful spring run.

Rapunzel will play through Thanksgiving and will be followed by On Stage's original live dramatic production with dance of The Story of the Nutcracker through the Christmas holidays.

Curtain times are 10:30 a.m. weekdays and 11 a.m. Saturdays. Ticket prices are \$3 Group Rates (20 or more) and \$3.50 General Admission. Reservations are necessary. For tickets and information call 989-0532.

Naperville Antiques Show and Sale

The Naperville Heritage Society has scheduled its 15th Annual Antiques Show and Sale for Friday and Saturday, October 28 and 29, from 11 a.m. to 9:30 p.m. and Sunday, October 30, from 11 a.m. to 5 p.m. The Mermet Fieldhouse of North Central College, Naperville, is the site of the show which is one of the finest antiques shows in the Midwest. Jury screening will assure the authenticity and quality of the items presented by the 56 carefully selected dealers from several midwestern states. All areas of antique collecting will be represented, including several periods. Specialists will exhibit clocks, prints, books, silver, china, glass, linen, wicker, and other popular collectibles. A global fair will be created with

the many antiques from around the world. The Pre-Emption Inn will again offer excellent food choices right at the show.

Proceeds from the show benefit Naper Settlement, an historic prairie village which has been developed by the Naperville Heritage Society in the heart of Naperville. The admission fee of \$3 permits visitors to return for all three days of the show. Naper Settlement will be open from 1:30 p.m. to 4:30 p.m. on these three days where costumed guides will give knowledgeable interpretive tours. Admission to the Settlement during the show will be at half price.

For further information relating to the show, please call 355-0366.

Maine East Band launches Citrus Fruit sale

The Maine East High School Band will once again sell Texas Citrus fruit for their annual fund raising project. Orders for the oranges and grapefruit will be taken by Concert Band members from October 22 thru October 30, with pick up of fruit expected Saturday, Nov. 19 in the Maine East Music Department. Large oranges - 40 lb. (80-125 pcs) sell for \$12.75 per box. Small oranges - 20 lb. (40-63 pcs) are \$7.25. The large pink grapefruit box of 40 lb. (38-48 pcs) is \$11.50 and the small grapefruit box of 20 lb. (18-24 pcs) is \$6.70.

Orders may be placed by sending a check or money order (made out to Maine East High School) to the Fine Arts Department, Maine East High School, 2601 W. Dempster st., Park Ridge. Please include your address, and phone number. Or, for more information, call the Fine Arts Department at 825-4484, extensions 439/624. Orders will be taken at the Fine Arts Boosters all-you-can-eat-spaghetti "Pasta Party" on Friday, Oct. 21 in the student cafeteria.

Profits from the fruit sale will be used to defray expenses for the Concert Band tour planned later in the school year.

Maine East Boosters plan "Pasta Party"

An "all-you-can-eat" spaghetti dinner including salads and homemade desserts will be held from 5-8 p.m. on Friday, Oct. 21 in the Maine East High School cafeteria.

The fourth annual event is sponsored by the Maine East Fine Arts Boosters, a group of parents from Des Plaines, Niles, Glenview, Morton Grove and Park Ridge whose children participate in one or more areas of the Fine Arts Department which includes Music, Art, Speech, Drama, Radio station WMTB, broadcasting and television.

Funds raised from the dinner will be used to finance scholarship, awards, university summer camp programs, tours and the school's annual Broadway musical production which this year will be "Hello, Dolly!"

Tickets for the dinner will be available at the door. Cost - \$4 for adults and high school students, and \$2.50 for younger students. Pre-schoolers eat free.

So, come and enjoy an evening of food, fun and fabulous door prizes. For further information, contact David B. Jeffers, Chairman, Fine Arts Department, Maine East High School at 825-4484, extensions 439/624.

How to Quit Smoking

It's so easy. I know. I'm an expert. Like Mark Twain said, "I've quit smoking hundreds of times." Therefore, I know whereof I write.

Forget those professional hyped courses, where you have to attend classes. You'll just blow \$99 bucks and wind up still blowing smoke rings. The time and money you spent will aggravate your mental, emotional, and nervous system so much, you'll double your smoking pleasure when you resume.

DON'T, under any circumstances read pamphlets, like the one just issued by the U.S. Dept., of Health and Human Services. The current one, starts out like this:

"WHEN THINKING ABOUT QUITTING..." "List all the reasons why you want to quit. Every night, before going to bed, repeat one of the reasons 10 times." (This will cause you to suffer from so much insomnia restlessness that your zzzs will more than make up for the lack of sleep out of bed.) Another gem in this 32 page government pamphlet is this:

"SWITCH BRANDS..." "Switch to a brand you find distasteful...Change to a brand that's low in tar and nicotine...This will help change your smoking behavior...However, remember, do not smoke more cigarettes...Inhale more deeply or place your fingertips over the holes in the filters..."

WHO THE HELL WROTE THIS! A literary spy for the Tobacco Institute, Inc. (a Washington D.C., lobbying public relations group with an enormous undisclosed budget). Marquis Childs, once wrote of this group, "The Tobacco Institute rates right behind the gun lobby, which is the untouchable top."

Yes, after reading the first two pages of this 32 page government pamphlet, I lit it with my cig butt and let it burn to ashes in my large ashtray. It took two days to get the stench out of my room with the windows open and the air conditioning on.

Here's the GOOD NEWS: "TICK ONE and ONLY way to quit smoking is just QUIT! After four days you've got it knocked. However, and here's the BAD NEWS, you may have to completely change your present life-style."

AND, changing ones life-style is what defeats 95 percent of those people who sincerely want to quit smoking.

We are a Republic where majority rule prevails. That's why there will always be a minority. Many surveys have documented that, not ALL, but again, the majority of heavy smokers are also users of drugs. And, our most devastating drug today is alcohol. And, thus, the consumption of alcoholic beverages rates "HIGH" with heavy smokers. As far as this group is concerned, "Sweet Adeline" is the Bottle Hymn of the

Republic. And, some of them, as they grow older, hardly experience a morning when they don't wake up with "toot-ache." Many become candidates for the Alcohol of Fame.

Therefore, it follows as inexorably as night follows day, that if you're a heavy smoker and drinker, you can't achieve one without parting company with the other.

Recent research and scientific studies reveal another fact: There is a third member of this Unholy Triumvirate known as the "Lust for Sex" or "vice versa" (This is particularly true of the younger persons that comprise the group although not exclusively limited thereto).

AND, this Unholy Three has caused more tears, pain, anguish and sorrow for the Christian Holy Trinity than all the other transgressions of either man or woman since they learned to walk upright out of Eden, arm-in-arm, into the sunset.

So, say you're a man who sincerely wants to quit smoking. If your spouse, mistress, girl friend or boy friend says, "Herman, let's go out and have a few drinks." Instead of saying to her or him, "You go dingbat-I'm staying home because I want to quit smoking." Instead of explaining (your friends don't need it - your enemies won't believe it), just hand 'em a copy of this column.

If you're a woman who sincerely wants to quit smoking...DITTO!

POSTSCRIPT: As early as 1604 King James I of England denounced smoking as "a custome lothesome to the eye, hateful to the nose, harmful to the brain, dangerous to the lungs."

However, this view on the harmful aspects of smoking did not keep him from accepting huge import duties on Virginia tobacco, which, when you think about it, made him as much of a hypocrite as most of our politicians, purveyors, and profiteers of today: I guess nothing has really changed except the players, eh.

Going to Miami? Here's a few good tips!

The area you select in Miami Beach can make a big difference in your vacation. For example, an Oceanfront Resort with a big beautiful beach could cost you the same as one without. And even some of these are in better areas than others...places where there is a lot of nearby activity, and more to see and do-Good Shows...Fine Restaurants...Great Shopping, etc. In addition, some luxury Resorts have more reasonable rates plus many extras...such as Free Tennis...Free Golf...Round-the-Clock Entertainment...Fishing and Boating and there's lots more. Two of these better oceanfront resorts in Miami Beach are the Beau Rivage and the Sahara. For information and brochures on these vacation values, Write to: Dept. DB, P.O. Community Concerts season opens

Tickets still are available for the four outstanding concerts to be offered during the 1983-84 season of the Community Concert Association. The Association is celebrating its 35th year of bringing live, musical entertainment to the area. All concerts are held on Sun. evenings, at 7:30 p.m.

The Aurora Trio (pictured) will open the series on Nov. 6 in the Maine East High School auditorium, Dempster and Potter, Park Ridge. The Trio offers an unusual and beautiful combination of instruments: harp, bassoon and flute.

The second concert will feature the exotic Bayanhan Philippine Dancers, on Feb. 12 at Maine East. The company of costumed dancers and musicians have captivated audiences throughout the world with their colorful artistic interpretations of the music and culture of the Islands.

On March 18, at the Maine West

High School auditorium, Oakton and Wolf, Des Plaines, John P. Fayter will direct the favorite North Shore Concert Band.

The final concert of the series will offer the dazzling technical skill of Pianist Constantine Orbellian, on April 15 at Maine East. No tickets to individual concerts are sold at the door. However, season tickets are available at the concert. The entire cost for the series of four concerts for each adult is \$15; \$7.50 for students; and \$37.50 for family memberships, including both parents and all children of the family through high school. From information, call 825-2982 or 624-2877.

Because of a reciprocity agreement with the Glen Ellyn Community Concert Association, those purchasing tickets for the concerts listed above, also are entitled to attend the three concerts offered by the Glen Ellyn Association.

Centre East opens Youtheatre with "The Mikado"

Centre East, the versatile performing arts center in Skokie, announces the opening presentation in its Youtheatre series, "The Mikado." This Gilbert and Sullivan classic comes to Centre East's stage on Monday, Oct. 31 at 12:45 p.m. Centre East is located at 7701 Lincoln ave. in Skokie.

"The Mikado" is a lavish production, with a cast of 50 artists from America's leading opera houses, presented by Glorianna Productions. This traditional version of the comic operetta combines beautiful costumes, multi-level sets and a full orchestra and chorus to make an exceptional production for young audiences. Centre East will also present "The Mikado" to general audiences on October 30 at 7:30.

Now in its second year at Centre East, Youtheatre is an innovative and exciting addition to the theater's diverse array of professional entertainment. Youtheatre's concept is "showtime during schooltime," an arrangement where school age children have the opportunity to see the finest theatre productions, at a fraction of the cost.

The Youtheatre productions are specially designed to capture the imagination of young people, with easily understandable story lines and colorful costumes and sets. Youtheatre's goal is to allow children the opportunity to develop a life-long interest in the performing arts while providing a unique educational experience.

The 1983-84 Youtheatre series includes four presentations in addition to "The Mikado." They are: Nutcracker Fantasy, presented by the Atlantic Ballet Company on Thursday, Dec. 8 and Friday, Dec. 9; "Freedom Train," presented by the Performing Arts Repertory Company on Thursday, March 1; "1983 Wind in the Willows" presented by Producers Foundation of New York on Monday, March 5; "The Amazing Einstein," also presented by the Performing Arts Repertory Company on Monday, May 7. All performances are at 12:15 p.m., except for the "1983 Wind in the Willows" which has an additional presentation at 10:15 a.m.

Centre East is located on Lincoln and Niles ave. (a half block west of Skokie blvd. and a half block north of Howard st.).

One adult will be admitted free with every group of 15, or one adult free per class.

All seats will be assigned on a first-come, first-serve basis.

For more information on group rates and tickets for all Youtheatre performances, please phone the Centre East box office at 673-6300.

Painting exhibit to honor Phyllis Gordon

The Skokie Fine Arts Commission is sponsoring a painting exhibition as a tribute to Phyllis Gordon, a former commission member who passed away in March.

The opening reception of the exhibition was held at Centre East, 7701 Lincoln Ave., in Skokie on Wednesday, Oct. 19. The exhibition will run through November.

Mrs. Gordon served on the Skokie Fine Arts Commission for four years. She her husband David, and their children, Lanie Zider, Gail MacKlin, Michael and Mark had lived in Skokie for 25 years.

Phyllis started painting in 1972. She studied at the Village Art Gallery with Joe Abbrosscia. Later she studied with Irving Schnapiro at the American Academy of Art. She traveled to New Mexico, Arizona and Montana to paint and attend painting seminars with fellow artists. At the time of her death, she was teaching painting at the Village Art Gallery here.

Wide screen at Lincolnwood Library

Wide-screen video comes to the Lincolnwood Library for children on Saturday, Oct. 21.

On a special 10-foot screen on loan to the Library, two films will be shown. The first, "The Electric Grandmother," begins at 2 p.m. for children ages four and up. "Gulliver's Travels," for children ages eight and up, will begin at 3 p.m.

"We have chosen films we think lend themselves to wide-screen viewing," said Linda Wicher, Children's Service Coordinator. "This should be exciting viewing, indeed."

The Library is at 4000 W. Pratt Ave. For information, phone 677-5277.

African Violet show

The African Violet Society of Northern Illinois will have its annual show "Moments to Remember with Violets" on October 21, 10 a.m. til 9 p.m. and Oct. 22, 10 a.m. til 5 p.m. at the Brickyard Mall, 2800 N. Narragansett ave., Chicago. Plants and leaves will be sold by the club members.

The show is free to the public. For more information contact our club president, Mrs. Millie Aske at 227-6214.

Park patrols... Cont'd from Niles-E.Maine P.1

on the property and after the Sports Complex closes. "It is as black as pitch around there." He noted that gangs of youths congregate in the field, drinking beer at 1 and 2 in the morning.

He also told the board, "we are the best friends you have. Not only do we watch and report acts of vandalism, we constantly clean up the beer cans and bottles from the property."

DeBartolo added, "this past summer has been the worst what with lawn chairs being stolen, windows broken and even a windshield was smashed on one of our cars."

In addition to DeBartolo, other residents complained of motorcycles coming across the park and cutting through driveways at all hours of the night.

Park Board Commissioner Dan Kosiba told the residents that rangers were not patrolling in park vehicles this past summer as part of a plan to make them less obvious to vandals. Instead they are patrolling in private vehicles, therefore, he felt the homeowners may not have

recognized the fact that they were rangers. Kosiba said they would be advised to patrol the back of the Sports Complex and ballfield if they were not already doing it. In addition he promised the security light would be set so that it stays on during the night hours and Niles police would be on the park fields and property after 10 p.m.

In other business Commissioner Walt Beusse reported there were complaints of drinking on the premises at Oakton Park and Washington Park. Branches were broken off trees planted in the Cabattari Gardens at the Rec Center.

...650 letters were mailed 10 days ago to Niles residents who live in the Park Ridge Park District. Questionnaires have been received from 82 residents. Of these, 52 said they were interested in disammexation and many offered to distribute petitions; 3 needed more information; 8 were undecided and 16 preferred to stay in the Park Ridge Park District.

The last expenditure is part of a planned improvement for Oakton's anatomy courses, which will begin to use cadavers in place of animals for dissecting purposes.

...Niles Squares presented the Park District with a check for \$900 in appreciation of their use of the park facilities for their dances. ...Niles residents were recognized as winners of the Fishing Derby held at Lake Opeka in Des Plaines. In the 18 and over category, Jay Katzman won a \$15 gift certificate; 14-17 years-no winner; 11-13 years, Dan McCarthy won an assortment of fishing lures; 9-10 years, Chris Solan won a \$15 gift certificate; 8 and under, John Drugan won a fishing rod and reel. John and Dan tied for the largest fish-9".

...Board approved the purchase of a key lock system for gasoline pumps from the Village of Niles for \$1,500. In addition, \$333 was required for installation. Keys will be given to department heads and all gas disbursements will be there in disammexation to Park District Bill Hughes.

...\$11,400 contract awarded for report of Grennan Heights roof. ...Debby Nelson met with Niles Mayor Nicholas Blase and the Niles Chamber of Commerce to discuss the 1984 July 4th parade. The parade will be expanded as the village will help the added expenses.

Trustee Ken Latos was the sole dissenter on the measure, stating that "A shot-gun approach to improvement, without specifics and without discussion of need," was unacceptable to him.

Trustees Ralph Goren and Bruce Friedman, who each supported the measure, said the resolution "represented nothing new," and was only a reaffirmation of their already stated commitment to the Skokie facility.

In other action, the board accepted a \$37,481 grant from the U.S. Department of Education to develop an export training program for small to mid-sized businesses. The grant also allows the development of an Associate of Applied Science degree program in international trade.

Among the purchases approved at Tuesday's meeting were: \$4,932 for the rental and maintenance of tropical plants at the Des Plaines campus from Tropical Plant Rental, Prairie View, Ill.; \$38,000 for the purchase of 10 copiers from Elite Business Machines, Chicago; \$37,557 for TV studio lights from Kleigl Brothers, New York, and \$6,789 for two dissecting tables from Lipshaw Mfg. Corp., Detroit.

Most people have no side effects from recent flu vaccines. Flu shots are given by injection into a muscle of the upper arm. This may cause soreness for a day or two at the injection site and occasionally a fever or muscle aches for a day or two.

People who should not get a flu shot include anyone who is allergic to eggs, chicken or chicken feathers or anyone who has been paralyzed with Guillain Barre Syndrome. Anyone who is ill or has a fever should put off getting a flu shot until the fever or other symptoms are gone.

Trustee Bruce Friedman, who is not a candidate for re-election when his term expires Nov. 8, offered the board one last bit of advice upon hearing of Oakton's 14.5 million dollar investment portfolio. He suggested that future excess funds be used to "lessen the burden on the district's tax payers and reduce the cost to the students."

Trustees Ralph Goren and Bruce Friedman, who each supported the measure, said the resolution "represented nothing new," and was only a reaffirmation of their already stated commitment to the Skokie facility.

From the Left Hand

Continued from Page 1

In writing about good public work people do in the village of Niles the writer noted the past efforts of former public works head, Ed Bacher. The writer notes Bacher "is a fine example of a person who put blood, sweat and tears into his quest for a better Niles. Here is a man who for years was the Public Works Department. Here was a man who, with his own hands, and the hands of the men he had with him, kept this village going when there was growing going on here in Niles."

The firing of the public relations head of the CTA, Mike Horowitz, bears some personal interest. According to the Chicago metros, Horowitz was let go because it was alleged he was padding his expense account by turning in false lunch and dinner expenses with newpeople in the Chicago area. As many as 39 newpeople denied they were wined and dined by Horowitz.

We were once wined and dined by the P.R. head but it was all above board. When the extension of the CTA line along the Kennedy Expressway extended to Cumberland Ave., Horowitz had local newpeople to lunch. Since the extension concerned the train line going to O'Hare Field, it was considered a moment which should be called to the attention of the public. There were only three or four newpapers represented and we thought the lunch was quite lavish. Drinks and beef lunch. It all seemed absurd. But that was an example of public funds being rather casually expended. Obviously, this free spirited spending led to Horowitz's downfall.

Since village officials agreed to name the administration building after former village manager, Ken Scheel, they might consider the letter-writer's suggestion to name a building after Bacher. Since the newly-constructed public works garage will soon be dedicated, it would be fitting to consider the letter-writer's suggestion by placing Ed's name on this building.

Stevenson Children's Fingerprint Program

On Nov. 7, 1983 the Stevenson School PTA and Cook County Sheriff's Police, Community Relations Section will conduct a Children's Fingerprint Program. This program is designed to be used as a tool for locating and identifying potentially missing children. No child will be fingerprinted without a signed waiver card indicating parental permission for this action.

After permission has been obtained, Dr. Stewart Liechti, Stevenson's principal indicated that the police officials would prepare a Personal Identification Card for each student that includes pertinent information about the child and the student's fingerprints. In no case, he explained "would any fingerprint card or information be retained by the Police Department or any other agency". Upon completion of the card, it is returned directly to the child's parent.

Mrs. Leslie Deibler, Health and Safety Chairperson of the Stevenson School PTA, played a major role in organizing this safety program for children. She anticipated a large turnout for the program as parents see this as an important protection method for their children.

Stevenson School is located at 9000 Capital dr., Des Plaines and is one of five elementary schools in East Maine School District #63.

Chamber warns businesses of phony solicitors

Phone solicitors, purporting to represent the Niles Fire Department, are seeking advertising dollars from local businesses. The caller says he represents the Firefighters Association and is selling ads for The Niles Year Book. He indicates Niles Firemen will benefit from the funds collected.

"This simply is not true," says Niles Fire Chief Albert Hoelbl. "Our personnel do not solicit funds from any business at any time," he continued. "It is against Department policy!" Businesses receiving such calls should contact the Niles Chamber of Commerce and Industry office, 635-0303.

Niles library...

Cont'd from Niles-E.Maine P.1 also served as the library's public relations officer.

In other matters, board members approved setting up negotiations in order to renew the library's rental option for the branch library located in Ballard school, Niles.

Ballard school is no longer a teaching facility because of the school district's decreased pupil enrollment.

Pestine said the branch library is completing 10 years of service. He also suggested plans be made to celebrate the event. Board members agreed November may be called "Library Month" in honor of the branch.

Recently, board members applied for a library construction grant from the State of Illinois which could be almost \$250,000 toward a one million dollar expansion program. Trustees received word that their application for a possible reopening forestalling a final decision of its acceptability by the State.

Board members are also applying for a federal grant toward library construction to benefit a tentative phase two of a possible expansion. This phase could include construction to enlarge the children's reading room as well as a general and business reference room. This would be about 4,350 square feet.

The letters to the board of trustees cited library patrons' gratitude to Dorothy O'Neil, library employee in charge of reading services for the blind and handicapped.

Pestine reported about 2,000 residents of Kenilworth, Illinois, are working toward establishment of a library there. The North Suburban Library has helped them by providing a per capita stipend.

An open house will be given at the North Suburban Library System to aid library trustees and administrator in dealing with the library's computer system.

State Laws...

Continued from Page 3

The legislation grew out of concern that social service programs in Illinois are often fragmented and detrimental to families as a unit. The Illinois Association of Family Service Agencies, of which Niles Family Service is a member, recommended legislation encouraging coordination of efforts among human service departments in Illinois in hearings conducted by the Commission on the Status of Women last fall.

The Illinois Association of Family Service Agencies is a statewide organization of approximately 40 local and regional agencies that provide counseling and other services to benefit children, juveniles, the elderly and families. Niles Family Service is a member of this association.

Nursing homes...

Continued from Page 3 also have their own method of assuring good care. Niles has a village nurse, Bonnie Burnett, who regularly visits nursing homes in Niles. As in all things, regulations are an assist but the human element often determines whether a home is good or bad.

Retirement homes provide long term care for those who are capable of independent living when they enter. Many have a skilled nursing section to care for those who as time goes on, require more care. These homes may be unlicensed, licensed as a Sheltered facility or a combination which includes a Skilled Care license. Any home which takes the responsibility of caring for others must meet standards imposed by the State of Illinois.

There are alternatives to both nursing homes and retirement homes. Many apartments throughout the city have been developed for Senior Citizens. Some have health services available for those who require them and are able to pay for them. Several communities have developed communal living homes, which offer a shared home environment with shared responsibilities. There are many Home Health agencies which offer a visiting nurse, bathing assistance, companion and homemaker services, and 24 hour live in help. Adult Day Care Centers are available in at least 3 northern communities presently with plans for more. Short time respite care for the primary caregiver is also available. Meals on Wheels for the homebound, plus shopping and cleaning assistance can also be had if medically necessary. Volunteer Friendly Visitors make regular home visits when needed and there are several monitoring systems available between home and a medical facility for those who live alone.

Most important is finding the right solution to meet the needs of the individual. This may require guidance from social workers, nurses, and other professional care givers. In Niles this service is available at the Senior Center, 8060 Oakton st., Niles, 967-6100. Also available for your use is a listing of nursing and retirement homes with alternate living options, guidelines, costs and the services provided.

With the theme "Giants Fall to the Ground, Indians are Victory Bound." the varsity football team will take on the Giants at 7:30 p.m. under the lights in Basrak field. A special halftime show is being planned by the Niles West Marching Band and Pom Pon squad to further enliven the halftime and presentation of the homecoming court.

The Homecoming dance, "Fantasy," with music by "On Stage," at 8 p.m. on Saturday, Oct. 29, will conclude the week's events.

The entire Homecoming celebration is in the hands of a corps of Student Union members, under the general supervision of instructional director John Winterhalter. Student Union members Molly Edelstein and Stephanie Resnick are in charge of the parade, Robyn Harris is planning the outdoor assembly, and Yun Kim and Carrie Weinberg are taking care of the weekly events. Lily Kornhauser and Larui Balbirer are directing the king and queen elections, while Elynn Friedman and Lynn Levey are planning the dance.

The in-school pep rally has been assigned to Julie Keller and Erica Stone, and the halftime activities are the concern of Stacy Strongin and Sari Kreiter. Homecoming selling is being taken care of by Suzanne Weisman and Sherri Michaels, and the alumni were invited by a letter written by Yun Kim.

Company the event for Ross, who is also the Library's November Artist-of-the-Month. Grigsby is very much interdisciplinary. Originally a composer for percussion instruments, and a dancer, he also studied film, video and sculpture.

Fittingly, Grigsby taught in the Lincolnwood Public Schools from 1962 to 1972. He initiated interdisciplinary classes, unifying several grades for the study of art, music and other arts. He was demonstration teacher for the State of Illinois programs for gifted children.
