 Harry Pestine is Niles present library board. The rest of the troops on the board are just excess baggage.
 Last week we were talking to Harry about the proposed \$1.1 million library addition. Harry referred to everything pertaining to the library as "My library" and "this is the way I did it." After letting the man ramble for a while we asked if this wasn't old Sigmund's example of his Freudian slips. Harry corrected himself and admitted the workings of the library board is a collective "We" action rather than a singular "I" effort.

Old Harry has been on the board for six years and the present and past board members who oppose him think somewhat unfavorably of him.

They think Harry is very political. And they leave little doubt Harry is running a one-man show.

We've paid little attention to the workings of Niles library district in recent years. We used to moan it was one of the poorest stocked libraries we'd ever seen. And our curbstome opinion mentioned while the shelves are devoid of books, Niles has the only two-building library in the area, which we thought was wasteful. Duplicating personnel and services

Alert victim aids police in capture of armed robbers

by Bob Besser
 Three Chicago men and one juvenile were arrested and charged with armed robbery after holding up a Niles business on Friday, February 10.
 Niles Chief of Detectives, Lt. Ray Giovannelli said on Tuesday that police were able to quickly apprehend the robbers because one of the victims recognized one of the holdup men.
 Police records indicate the four robbers drove up to the Cigarette Depot, 7227 Harlem Ave., at 7:40 p.m. Two men got out of the car and went into the store.
 Displaying a revolver and a knife, the men ordered the two clerks, both Chicago women, to empty the cash registers into a paper bag.
 The robbers then cut the telephone wires and took the clerks as well as a customer into

a rear storage area. The offenders then ran out a back door, returned to the car and the four drove off.
 The clerks immediately activated a burglar alarm and contacted a police station.

St. John Brebeuf Festival Week

Niles Mayor Nicholas Blase has proclaimed the period from February 24 through March 3 to be "St. John Brebeuf Festival 14 Week". For the fourteenth consecutive year, St. John will present its annual extravaganza on the weekends of February 24-25 and March 2-3.
 Festival 14 has something to please everyone's entertainment choice: five cabaret showrooms with continuous performances; fine dining and dancing till the "wee hours"; coffee shop; pizza parlor; silent auction room; and a casino.
 Curtain time each evening is 8 p.m. The ticket price of \$8 admits the holder to all Festival shows and activities. St. John Brebeuf is located at 8307 N. Harlem, Niles, 966-8145.
 Shown above (l-r) are Festival Chairpersons, Mike Dessimoz, Jan Skaja, Mayor Nicholas Blase, and Mary Dessimoz, Chairperson.

Knights of Columbus donation to park

The Knights of Columbus, North American Martyrs, presented a \$4,000 check to the Niles Park District Board of Commissioners at the regular January Park Board meeting.

In 1982 the Knights of Columbus approached the Park Board with the concept of developing a park for the handicapped. After numerous meetings, the concept became a reality when an \$11,000 budget was established and the

Knights of Columbus committed themselves to donate \$11,000 over a five year period. With this \$4,000 donation, their commitment was met much earlier than their five year plan.

The Universal Park, as it is now called, is located on Milwaukee Ave. and has specially designed therapeutic playground equipment that has been used extensively by the children of the community over the past two years.

The Knights of Columbus also were recognized recently for their community service by an award presented to them by the Niles Park Board from the Illinois Park & Recreation Association.

The new officers extend an invitation to male Niles residents, age 62 and over to join the men's club by contacting the Niles Senior Center, 8060 Oakton in Niles, 967-6100 ext. 376. There are no dues to pay to join.

Secretary Larry Mitchell has said the men's club that "It will make golden years replete with activity in the company of congenial people, put some sparkle in your life, a smile on your face. The men's club will guarantee this."

Niles Senior Men's Club officers

Sixty-six members of the Niles Senior Center Men's Club, 8060 Oakton in Niles attended the regular meeting of the Men's club on Monday, Feb. 13 to elect officers for the upcoming year.

The nominating committee of George Gauthier, Ed Jennett and Joe Ferraro placed on the ballots the names of incumbent president Ralph Liekze for another term as President, Joe Bachochin for Vice-president, Larry Mitchell for Secretary and Carmen Mazucca, Treasurer. Nominations from the floor were invited. None were made, leaving the nominees unopposed with the monumental task of carrying on the growth, so apparent in the last two years on the shoulders of the newly elected officers.

Growth of the club has been phenomenal, due to the programs drafted by the officers and committees and their acceptance by the membership. No deviation is anticipated for 1984.

The programs and trips cover the gamut of tastes including trips to historical sites, manufacturing plants, musicals, plays, boat trips, baseball games, museums, exercise classes, golf tournaments, shuffleboard tournaments, conservatory and race track trips, to touch the surface.

The cruise travelers are back and they all agree a more enjoyable and fun time couldn't be had. Fabulous food and plenty of it. The ship was beautiful and no much to do, tours, special parties, Bingo, shavits, just super. The islands were different and very interesting.

February as you all know has St. Valentine's Day the traditional day of the year to send expressions of love to those for whom we care. February 12, the Valentine's Party in the Parish Hall was great. Ladies and gents in their red outfits looked special and the hall was decorated so pretty with red and Valentine's Day.

We were all saddened by the passing of Rose Lawrence on the cruise, but we know Rose was happy, being with her friends and doing what she loved, having a good time. Please remember her and all our departed members in your prayers.

Happy to report that Augie Pranske and Helen Kaszyk are home from the hospital and are doing well. Congratulations to Rose and Joe Bachochin on becoming grandparents. Mother, father and baby Rachel are doing fine. Birthdays for February are: Rose Arquilla, Adele Butler, Edward Dzien, Estelle Gora, John Grotz, Stephanie Hayes, Leonard Kledzik, Anthony Likosar, Vera Mulberger, Helen Murray, Frank Paultetti, Ida Paoletti, Walter Petroski, Estelle Poreda, Virginia Scaccia, Ferdinand Schneider, Leonard Uramkin, Marie Waak, Michalene Koszutzko, Vivian Leonard, Adelle Genovadi and Dorothy Warman.

Carla "C" new 55 Plus Members were on board as we had Bingo winners. Casino winners and "Yes" Dorothy Schreiner won the Costume Prize.

Off duty Niles firefighter saves heart attack victim

For the second time in as many months, an off duty Niles firefighter has been cited for saving the life of a heart attack victim by using cardio-pulmonary resuscitation, or CPR. He is Lt. Cal Radway, firefighter/paramedic who is also the department's Paramedic Coordinator.

Radway was in the Happy Foods store, 6415 N. Central ave., Chicago last Dec. 14, when he heard that a woman had collapsed. He rushed to the victim's side and determined that there was no indication of breathing or circulation. He had store personnel call for a paramedic unit, and immediately started one-man CPR, a most difficult operation.

By the time Chicago Fire Department Ambulance 46 arrived, manned by PM's James Reed and Todd Anderson, the woman's vital signs had improved, and they were able to stabilize the victim for transportation to Swedish Covenant Hospital.

The victim, Mrs. Helen Mitchell, 66, of 5543 N. Mango ave., Chicago, has since fully recovered and has been discharged from the hospital.

Lt. Radway, the father of two children, is a 16 year veteran of the department. He has been paramedic coordinator for the last three years. Niles Fire Chief Albert L. Hoelbl, presented Lt. Radway with a department commendation for his actions. In addition, Lt. Radway also received the Chicago Fire Department's Paramedic Award, for "demonstrating exceptional professional skill and courage above and beyond the call of duty." This award was presented to him by Chicago Fire Commissioner Louis T. Galante.

Chief Hoelbl stated, "Lt. Radway represents the best qualities of firefighters all over who give of their own even when they don't have to. We are very proud of him."

Last November, two other off duty Niles firefighters, Lee Roy Callisen and Harry Woodville, were honored by the department for their actions in saving an elderly Park Ridge woman who had suffered a near-fatal coronary.

Robbers assault Niles company employees

Two employees of a Niles business were attacked and tied up during a robbery on Tuesday, February 14.

According to Niles police, the manager and receptionist of W.L. Newman Co., 6240 Gross Point Rd., had just opened up at 8:10 a.m. when the manager left the receptionist to go into the warehouse.

Two men, described as six feet tall and in their twenties, came in asking the receptionist whether there were any job positions available.

The receptionist summoned the manager to speak with the men. However, the men immediately struck the manager, knocking

him to the floor and pushed the woman on top of the manager. The robbers then tied the receptionist, stuffing her mouth so she could not speak, and left her in a washroom.

The manager, who was bleeding, was also tied up and left in a closet. The robbers went through the building, stealing an undetermined amount of merchandise including a number of video cassette recorders.

The secretary was found a short time later by a fellow employee as was the manager. Police are continuing their investigation.

Niles police arrest driver after high speed chase

Niles police arrested a 20-year-old Glenview man on Thursday, February 9, after being involved in a high speed chase, often exceeding 90 miles per hour, which ended in Oak Park.

Niles Lions Pancake Day

It's that great day again, when the delightful aroma of fresh cooked pancakes waft their way, from the grills tended by those ever loving "pros of pancake land", the Niles Lions. Yes, the Niles Lions are once again proud to serve you our famous "All You Can Eat" Pancake Special this Sunday, Feb. 26, at the Lone Tree Inn, 7710 N. Milwaukee Ave., right here in Niles. Starting at 7 a.m., with continuous courteous service, by the Niles Lionesses' Club, till 2 p.m. We have the tastiest food in town, with a price that really adds to earth. Adults can eat all they want, for only \$3 donation. Children 5 to 12 can have their fill, for only \$1.50 while kids 4 and under can feast absolutely FREE. With the high cost of feeding your family, here is one time you can pack it in, for a minimum amount. As always, the proceeds of this breakfast go to helping support the Lions sponsored local community projects and activities. Tickets can be obtained from any Niles Lions member, the Lone Tree Inn or at the door on Sunday Feb. 26. Come early and eat to your heart's delight. Hey, Hey, Sunday's Pancake Day!

No adult entertainment establishments will be permitted to operate in unincorporated Maine Township without the approval of the township board, according to an ordinance adopted Jan. 24.

Township Supervisor Paul K. Halverson said a new state law now permits townships to license and regulate adult entertainment establishments such as adult bookstores, peep shows and bars featuring nude dancers.

"This ordinance will help protect our neighborhood atmosphere and maintain a healthy environment for raising families," Halverson said.

The ordinance requires applicants for adult entertainment licenses to appear before the town board at a public hearing. Applicants also must disclose ownership, involvement of any public officials in the business, and any felony convictions.

"This law is not intended to harass business," Halverson said. "But it does permit the township board to exercise its discretion and consider the issues of public safety, health and welfare and the character of the applicants in the licensing procedure."

Maine Township bans overnight truck parking

Trucks parked overnight on streets in unincorporated Maine Township will be subject to a \$20 fine under a parking ordinance adopted by the Maine Township Board Tuesday, Feb. 14.

The ban will apply to all vehicles with second division plates except those with recreational vehicle (RV) licenses.

The ordinance will not go into effect until signs are posted, according to Highway Commissioner Bill Fraser. At that point the sheriff's office will be asked to start issuing tickets.

"The problem was brought to our attention by a resident," Fraser said. "Trucks parked on public streets create unnecessary parking congestion, snow removal problems and are unsightly in residential areas."

Township Trustee Dee Conroy, a resident of unincorporated Glenview, said she has experienced similar problems in her neighborhood. Conroy said the township could expect full cooperation from the sheriff's police in enforcement.

"Until now their hands have been tied. This will give them the teeth they need to get these trucks off the street," she said.

GROWING INTO FINE JEWELRY

The teenage years are an impressionable age, a good time to introduce the finer things in life, so young people can understand and appreciate fine quality and good value. These are principles which will shape their adult years.

What do you buy a teen? If a young lady is interested in a particular sport, artistic pursuit or hobby, you can buy a charm that depicts it to wear on a gold or silver chain. Teen-age boys also like charms on chains, only they need a heavier look to reflect their masculinity.

Rings for girls include small birthstones, diamonds and pearls or initial rings. Boys like heavy rings set with black onyx, tiger eye or lapis. Diamonds are a little too flashy for most boys this age.

Bracelets for girls include a wide selection of gold chains, some linked with pearls, coral, turquoise or other colored stone beads. Boys like heavy link chains, by themselves or hooked to a gold of silver bar.

If that Cinderella or Spider Man watch has gotten shoved into a drawer, it may be time for a more sophisticated timepiece. This is a real step into adulthood.

Gifts of fine jewelry help to foster an appreciation in the finer things. They serve the double purpose of showing teens you find them responsible enough to own valuable items. The good will alone is worth the purchase.

Extended Coverage

By Gordon R. Falter
C.I.C.

What if you were seriously injured tomorrow and couldn't work for a month, for a year or even? What would you live on? A third of all 35-year-olds today will be incapacitated for three months or more during the next 30 years.

Don't count on Social Security alone. Eligibility rules are stringent, and you may have to wait five months or more before you can collect and then you won't get very much.

Disability insurance is the answer. You'll want enough coverage to maintain your present standard of living-usually 50 to 60 percent of your gross salary. Benefits are tax-free if you've paid for your own insurance.

It's wise to choose a policy that will pay until you are 65. Be sure to choose a policy that is non-cancelable. This means that you can always renew it, and that the premium cannot be raised. Get the advice of experts at:

K.C.'s sponsor spelling bee

On Monday, Feb. 13, eighteen 7th and 8th grade students from Our Lady of Ransom, St. John Brebeuf and St. Isaac Jogues schools gathered together at St. John's and participated in the Knights of Columbus annual "spelling bee". The event was sponsored by the North American Martyrs Knights of Columbus, Council 4338, District 6.

The contestants spent approximately 1 1/2 hours spelling various words given to them by members of the participating school's faculty, before a winner was finally announced. The words chosen were from a list compiled by the Illinois State Council Knights of Columbus. The words were typed on small slips of paper and each student drew their words from a box.

Father Dean Semmer, the council's chaplain and representative of the Grand Knight of the bee, was on hand for the awards presentation. Rosaria Cammarata, from Our Lady of Ransom, was declared the first place winner, Maeline Arreglo, from St. John's, was second and Brad Janik, from Our Lady of Ransom came in third. Later this month, Rosaria will go to Hoffman Estates to compete in the Regional Spelling Bee and the winners from that will meet in Springfield in March for the state finals.

Other participating students were Ranjeet Rai, Chris Thelen, Maricel Ignacio, and Daphne Selvaraj from Our Lady of Ransom. St. John Brebeuf was also represented by Tom Kurcz, Jennifer Arndt, Gregory Zayia, Tom Walshon and Jeff Gwozdz, and the St. Isaac Jogues contestants were Eileen Abat, Deanna Below, Megan Steffen, Richo Vergara, Kathy Troka, and Noel Abat.

A special thanks to Past Grand Knight, Matt Araszewski, chairman of the spelling bee, District Deputy, Ken Lee, who assisted in the awards presentation, to the women's auxiliary for serving refreshments to the children and to the teachers and the contestants, themselves, who spent countless hours preparing for this bee.

SOCIAL SECURITY NOTES

The annual earnings limit, to retain 100 percent benefits, for 1984 is: \$6,900 (\$580 per month) for persons age 60-65 inclusive and \$5,160 for persons under 65.

A portion of 1984 Social Security benefits will be included in taxable income if adjusted gross income, plus non-taxable interest and half of Social Security benefits total more than the following: individual \$25,000; couple filing jointly \$32,000.

Social Security checks must be cashed within six months from date of issuance.

Social Security benefits to disabled widows, widowers, and to disabled surviving divorced spouses may continue after remarriage. Benefits may also continue to divorced surviving spouses age 60 and over after remarriage.

A new data processing system is updating a backlog of Social Security cases which will benefit recipients whose 1981 earnings had not been credited (some date back to 1978). 70 percent of the workload has been processed and the total is expected to be completed by mid-1984.

For further information, call the Social Security Administration at 729-9600.

On February 9, the Niles All American Seniors Club celebrated its 10th Anniversary of providing good fellowship and social activities for its membership.

Of the original 108 members who joined the club that first year, there are 30 members who qualify as charter members having joined in February and March of 1974. Originally, meetings were held in the basement of the Recreation Center on Milwaukee ave. until 1975 when the Niles All American Seniors Club moved into the newly-renovated Trident Center. Over the years the club has sponsored and enjoyed one day trips, theatrical performances, dining out, etc., and has been a harbor of enjoyment for all its members.

Our special day's celebration was planned and conducted by Magda Erickson, Director and Program Chairman with the invocation by Sylvia Arnold. Members all received a beautiful heart-shaped lapel emblem which was designed and made by our four Roses - Wilkin, Gabriel, Gorman and Salerno. 115 members enjoyed the catered dinner complete with three beautifully decorated birthday cakes commemorating the occasion.

Several door prizes were provided by Betty and Bill Clawson and the lucky winners were Myrtle Slukey, Julia Fagnor, Bunny Ferraro and August Rose. Entertainment for the occasion was provided by talented baritone singer, Jeff Little and his accompanist with a selection entitled "Musical Memories of Broadway" which consisted of dramatic Broadway hits from such favorites as Camelot, Oliver, South Pacific, Oklahoma, Fantasticks and Sound of Music.

It was a day long to be remembered. It just doesn't seem possible that a decade has gone by. The club is now looking ahead to another decade of pleasurable moments for its members to enjoy.

Sidewalk Repair

The Village of Niles is offering a sidewalk replacement program for owner who will pay half the cost to repair cracked public sidewalks in front of their homes.

The Engineering Department is handling the program, which allows the Village to repair the sidewalks at half price to residents. A minimum of two sidewalk squares must be repaired for an owner to participate in the program. The owner should mark with chalk the section or sections in need or replacement.

To apply, simply fill out the application below and send it to Niles' Engineering Division of Public Services Department, 6849 W. Touhy ave. Applications must be in by March 31, 1984. For more information on the program, call 967-6100.

RTA Route 406 to be discontinued

RTA Route 406 - Maine Township-Des Plaines-CNW Feeder will be discontinued after its last scheduled trip on Friday, Feb. 24, the Regional Transportation Authority announced.

The decision to eliminate the route was made after careful consideration of ridership levels, history and the farebox recovery ratio. The analysis of the 406 indicates that it ranks 70th out of 70 feeder routes in the region. The percentage of expenses covered by the farebox revenues is approximately 8%.

Currently, Route 406 carries 33 riders on seven trips daily which averages out to three riders per trip.

The proposed cancellation of the route was included in the RTA's Proposed FY84 Operating and Capital Program which was presented to the press at hearings in December of 1983.

The state of your state income tax

Taxpayers will be pleased to know that for the first time they will be able to deduct the real estate taxes on their personal residence when filing their 1983 Illinois state income tax returns.

According to Frost, Ruttenberg & Rothblatt, P.C. the Skokie headquartered Certified Public Accounting firm, the real estate tax deduction will apply to ones principle residence.

Another change in the 1983 state income tax is the increase in the amount owed from 2 1/2% to 3%. This increase (which may expire as of June 30) is eased somewhat through the full deduction of the real estate tax, says the accounting firm.

CHURCH AND TEMPLE NOTES

St. John Lutheran Niles Community Church

Feb. 26 is a special day throughout The Lutheran Church-Missouri Synod: it is Lutheran Hour Sunday, a day of praise and thanksgiving to God for the outpouring of His grace through "The Lutheran Hour". St. John Lutheran, 7429 N. Milwaukee Ave., Niles, will be celebrating Lutheran Hour Sunday thanking the Lord for His blessings with special prayers and offerings.

It was the dream of the founders and early supporters of "The Lutheran Hour" that God's love, grace, forgiveness and salvation be shared over the radio airways with thousands of people in the United States, and even around the world today. "The Lutheran Hour" in its outreach stands as a dream fulfilled, as millions of listeners are touched by the best news there is in Christ Jesus. It is estimated that 40 million listeners in 110 countries hear "The Lutheran Hour" in over 30 languages on 565 overseas stations and throughout the U.S.A. and Canada on approximately 1,300 radio stations.

God has blessed millions of people through more than 50 years of broadcasting on "The Lutheran Hour". God's Word of salvation will continue to be shared over "The Lutheran Hour" as God continues to bless the program and as it is faithfully supported by prayers and gifts.

Many people have been touched through "The Lutheran Hour" and Lutheran Hour Sunday offers Lutheran congregation such as St. John, Niles, a special opportunity to thank God for His blessings through "The Lutheran Hour".

ABW Spring Luncheon

Nancy Byrne and Marilyn Lamken, both of Park Ridge, will present their program called "A Little Light Music" at the ABW Spring Luncheon at First Baptist Church on Thursday, March 1. The luncheon is open to all women; you may call the church

office at 692-6101 mornings to make reservations for the noon lunch and program.

"A Little Light Music" is a collection of songs and talk that leads the listener on a journey from childhood through growing years and maturity. "Light Music" is a mix of nostalgia, contemporary gospel and popular songs. Nancy has been singing all her life and is a soloist in the Messiah Lutheran Church choir. Marilyn is the organist at First Baptist Church. They have made music together weekly for over ten years in area nursing homes.

A candle is used as a focus for "A Little Light Music". In addition to the play on the word "light", it is a reminder of their theme taken from the Bible, to "let your light so shine, that all may give glory to the Father in heaven."

In charge of the luncheon Thursday is American Baptist Women president Hazel Nietzold and program chairman D.B. Johnson.

\$100 MILLION FOUND IN OLD CANS.

This year, America's recyclers will get more than \$100 million for aluminum cans just by bringing them to Reynolds.

In fact, year in and year out nobody pays aluminum recyclers more than we do.

Are you getting your share? If you're already a can-collector you probably know that it pays to recycle

with Reynolds. If not, isn't it time you started? We'd like to buy certain other aluminum items in addition to cans. The price for these items is somewhat lower and they must be properly prepared. Ask for more details.

Take advantage of our new hours and get 30¢ per pound for aluminum cans at the Reynolds Trailer, Lawrencewood Plaza, Oakton and Waukegan Roads, behind uptown Federal Bank, Tuesday thru Saturday, 10:00 a.m. to 12 noon. Telephone: (312) 344-8215

Prices subject to change without notice.

Off the Niles Police Blotter...

Drunk driver hits police car Drunk driver arrested

A 42-year-old Skokie woman was arrested for drunk driving after striking a Niles police car on Wednesday, Feb. 15.

Police first observed the vehicle traveling south on Milwaukee ave. and veering into on-coming lanes.

After stopping the car in the 8700 block of Milwaukee ave., the Niles Police report the woman driver apparently put the car into reverse rather than park, and the car backed into the police squad. Police report the woman had

difficulty standing and fell onto the outside of her car. Additionally, she was reported to have a strong odor of alcohol on her.

At the Niles Police Department the offender was charged with driving under the influence of alcohol, improper lane usage, damaging village property and improper backing.

She was assigned a March court date and released after posting bond.

Felony charge for shoplifter

A 34-year-old Des Plaines man who was out on bond after being arrested for shoplifting was again arrested for shoplifting in Niles on Wednesday, Feb. 15.

Police report the man was in the K Mart, 8650 Dempster st., when he was observed leaving the store without paying for four video tapes valued at \$51.

After being detained by store security agents the Des Plaines man was taken to the Niles Police Department where he was charged with shoplifting.

Because the suspect was currently on bail, he was charged with a felony crime for the latest shoplifting and released after posting a \$300 bond.

Des Plaines woman arrested for shoplifting

A 75-year-old Des Plaines resident was arrested for shoplifting in Niles on Sunday, Feb. 12.

Police report the Des Plaines woman was shopping at Sears Roebuck and Co., 400 Golf Mill, when she was seen trying to leave the store without paying for one coat, make-up and a tie.

After being detained the Des Plaines resident was brought to the Niles Police Department where she was charged with shoplifting.

Following her being assigned a March court date she was released after posting a \$100 bond. The stolen merchandise was valued at \$100.

Explosion damages residence

Police charged a 26-year-old Chicago woman with drunk driving on Saturday, Feb. 11.

According to police the Chicago car was traveling south on Milwaukee ave. As police watched, the driver reportedly drove within a few feet of other motorists and was repeatedly weaving between lanes. Additionally, police claim the Chicago car crossed the middle yellow line into oncoming traffic.

After stopping the car at Harlem ave., the woman was taken to the Niles Police Department where she was charged with driving under the influence of alcohol, driving on the wrong side of the road and following too closely.

She was assigned a March court date and released after posting a \$300 bond.

Restaurant burglarized

Burglars robbed a Niles restaurant during the night of Monday, Feb. 13.

Police report burglars gained entry to the Millionaires Club, 552 Golf Mill, by prying open a fire exit door. Once inside, the burglars pried open a cigarette machine stealing \$150. Also they took \$300 from a cash drawer.

Before leaving the restaurant, the burglars broke into a ticket booth for the adjoining Playhouse At The Mill stealing \$100.

Sales clerk charged with theft

A sales clerk at a local store was arrested on Wednesday, Feb. 15 for stealing.

Officials of Sears Roebuck and Co., 400 Golf Mill, said the 24-year-old sales clerk, who lives in Skokie, had twice filled out refund slips to himself for \$129 each.

The clerk was taken to the Niles Police Department where he was charged with theft by deception, assigned a March court date and released after posting a \$100 bond.

Auto tires slashed

A Niles resident reported his auto was vandalized during the night of Friday, Feb. 10.

The resident, whose car was parked in front of his home in the 8200 block of Elizabeth st., said between 11:30 p.m. and 7 a.m., unknown persons slashed all four tires.

The replacement cost of the tires was estimated at \$500.

Auto stolen in Niles

A Chicago resident reported his auto was stolen while parked in Niles on Tuesday, Feb. 14.

The car, a 1976 Chevrolet Impala, was parked in a lot at 7333 Milwaukee ave., when unknown persons broke into the vehicle and made off with it.

The car, which the owner said was locked, is valued at \$2,500.

DEAR EDITOR:

When is a 6% increase not 6%?

Dear Editor:

A headline in a local paper read, "6% Increase given to part of OCC staff." It went on to explain that the OCC Board had approved a 6 percent maximum salary increase for classified staff, and also 6 percent salary increases for 29 administrators and bonuses for six other administrators (emphasis mine).

When bonuses of \$2,000 and \$2,500 are given to selected administrators, the amount of their salary increase is no longer 6%. One is forced to ask where that

extra money came from, since it did not appear (as far as can be easily found) in the budget.

I challenge the Board to state:

(1) The identity of those selecting the administrators to receive bonuses.

(2) The criteria used in making these selections.

(3) Why, if the bonus is based on merit, no administrator qualifies two years in a row.

One is lead to assume that, once an administrator "earns" a bonus, he is no longer expected to render above-average service to the college in a subsequent year. I suggest that those in administrative positions should be expected to render outstanding service as a matter of policy. Those failing to do so should be replaced!

Isn't it ironic that administrators are now receiving their pay raises, and many have already spent their bonuses, while the faculty are still working for last year's salaries? It's even more disturbing when we told by a negotiator that there is more money for faculty, but it will not be given to them.

I submit that a majority of the OCC faculty perform at above the standards set by the college for its administrators, and are therefore entitled to the same bonuses awarded to the select few!

Courtland Park homeowners at wit's end over Cablevision installation

Dear Editor:

The trustees of the Golf Mill Homeowners Association (GMHOA), representing 137 families in the Courtland Park area of Niles, would like you to know the following happenings that have taken place between our organization, the Village of Niles, and Cablevision of Chicago...

Do you know that...

1. In February, 1983, GMHOA met with Mr. Jim Depke of Cablevision to offer our help in aiding a smooth cable installation in the Courtland Park area. At that meeting, we were told that we would have cable TV during June, 1983, and they would ask our help in securing permission from the homeowners to proceed. None of this ever happened!

2. In July, 1983, Cablevision (Meade Electric) began digging up our lawns WITHOUT our permission. They cut dozens of lamp-post wires and cracked sidewalks in a wanton attempt to get the job done before anyone would stop them from trespassing on our property. After a day and a half of frantic phone calls to Cablevision (Jim Coglino and Frank Lynch) & the Village of Niles (Angelo Marcheschi and Joseph Salerno), we were finally able to stop the digging... after 1/2 of our lawns were illegally dug up!

3. GMHOA arranged a meeting with the Village of Niles officials and representatives of Cablevision. This was held in the Village Council Chambers on August 18, 1983, and over 50 homeowners attended. Mr. Marcheschi and Mr. Salerno, along with the reps from Cablevision, promised to restore order to the project, replace (not just splice) severed lamp-post wires, replace sod, and then secure everyone's permission as they should have in the first place.

4. The following week, Cablevision landscapers started replacing sod on the HOTTEST DAY OF THE SUMMER! Because of this foolishness, they had to remove all of their burnt-out, dead sod, and start over. Meade Electric replaced only ten lamp-post wires, and the rest were merely spliced (UNSAFE!)

5. A representative from Cablevision came to our area for two hours on September 16th at 5 P.M. and secured only a few isolated permission grants, and then left. He never returned, and, in fact, left the Company... taking our permission grants with him. Mr. Marcheschi and Cablevision later told us that, because of all this aggravation they were putting us through, they would offer us some free premium services once our cable was installed. This was an attempt to inspire us to quickly sign the permission, but nobody ever came to our doors to this date.

6. No further work continued on the project until January, 1984, when during the coldest day of the year, Meade Electric returned to dig through frozen ground and snow-covered sidewalks, leaving mountains of dirt mixed with snow throughout the area. They left after two days, have still never obtained permission from many people in the area (were never approached), never completed the digging effort, knew they couldn't restore it until the spring, did it in January to meet contract deadlines, and left our area looking like a bomb hit!

7. Now that the ground and snow has thawed, we have piles of mud on our sidewalks, and can't even gain clean access to our homes. We are left with many uncovered and unmarked trenches, large junction holes, cracking sidewalks, some junction boxes placed in the middle of our front lawns. This project is nowhere near complete (it can't be until the spring), they have left us with dozens of hazardous spots, and nobody wants to give us answers.

This is the thanks we have gotten for offering our sincere help over one year ago!

The parties responsible for this project have proceeded for over one year in the most unreasonable, illogical, uncooperative, and reckless manner that one can imagine. Aside from being the most expensive cable company serving the consumer, Cablevision of Chicago is the most non-responsive Com-

pany (concerning matters to which they admit are their fault) that one can deal with. And, as far as the Village's involvement in rectifying our situation... why, they are only concerned with the amount of "interest" dollars they're earning on their \$500,000 "gift" from Cablevision for the contract.

Perhaps YOU can get some answers as to what Cablevision will be doing to our area next. We don't know... and I wonder if they do!

We invite you to come out to Courtland Park and see for yourselves!

Sincerely,
GOLF MILL HOMEOWNERS ASSOCIATION

Taxpayer dissatisfied with Gomberg

Dear Editor:

How many of my fellow residents of unincorporated Maine Township telephoned the number 890-7375 that Larry Gomberg requested we reach him at during the day and found we had just called the Cook County Jail at 26th and California? We were supposed to tell him how dissatisfied we were with the Maine Township board and their appointment of one of their pals for road commissioner. Larry Gomberg is an adult probation officer for Cook County, a member of the public payroll. I am very dissatisfied to see a public servant, paid by the taxpayers, serve us so.

File complaints on tax assessments

Dear Editor:

Many of your readers recently received their property tax bills in the mail. If they have some serious doubts as to the accuracy or fairness of their assessed value, they should consider filing a complaint at the Board of Tax Appeals.

For homeowners with six units or less, the assessed value should be 16% of the market value. The assessed value is the first dollar figure on the right hand side of their tax bill. It is the basis for calculating the tax to be paid.

There are still 23 townships open for filing complaints at the Board. These include Maine.

To file a complaint, just call the Board at 443-5542. Give the clerk your name, address, and township. You will then be sent a complaint form, and the dates for filing for your township. Homeowners do not need an attorney to appeal their assessment. The procedures are clearly outlined in the Board's free brochure which will also be sent to the taxpayer.

I hope this information will be helpful to your readers.

Sincerely,
Maureen Hellwig

Introducing the Cragin Federal Tax Saver CD, the tax-deferred account that could mean \$900 tax-free interest to you

Those of you who opened an All Savers Account back in October of 1981 remember it as one of the wisest investments you ever made. After all, it earned up to \$2,000 tax-free interest at remarkably high tax-free rates.

The Economic Recovery Act of 1981 contains another very special tax break for Americans. It will provide up to \$900 tax-free interest to families filing joint tax returns (\$450 for single returns) for the year 1985.

To allow you to take advantage of this tax break, Cragin Federal has come up with a very special savings plan which defers all your interest to taxable year 1985—the first year in which you and millions of Americans can qualify for tax-free interest on your savings.

How the Tax Saver Account works

The Cragin Federal Tax Saver Account is a special, federally insured, one-year certificate of deposit paying 10%. The interest your account earns will be credited to your account on the last day of its term—intentionally in 1985. This lets you take advantage of the \$450 or \$900 interest exclusion when it is first available.

In short, you can make a shrewd financial move right now that will avoid federal income taxes in 1984 and most likely save you tax dollars in 1985.*

Take advantage of tax deferral alone

Don't think of the tax-free feature as the only benefit of this CD. It could very well serve your interest to deposit more, as much as you can afford. Why? Because the more you deposit, the more interest you'll put off to 1985. The longer you defer income, the later you'll have to account to Uncle Sam for it. In this case, not until April 15, 1986! So, whether you qualify for the tax-free exemption or exceed the interest income needed for your maximum, you'll certainly benefit from simple tax deferral.

Who qualifies for tax exemption?

Qualification for full tax exemption depends largely on how you handle your finances in 1985. But like millions upon millions of other Americans, you are likely to qualify for part, if not the full, exemption—\$900 for families filing joint returns, \$450 for single taxpayers.

The qualification standards are not stringent at all, and are formulated to encourage saving, rather than buying on credit. If the interest you earn from savings is greater than your interest expense (excluding mortgage and business interest), then you qualify for a tax exemption. The more your interest from savings exceeds your interest expense (this includes expenses such as credit card interest, auto loan interest, etc.), the larger your tax-free exclusion. The exclusion is based on 15% of your net interest income (interest income less interest expense). In other words, a single taxpayer would merely have to earn \$3,000 in 1985 net interest income to qualify for the maximum exemption: joint-return taxpayers, \$6,000 in net interest income.

If you have your money in a money market fund, your dividends do not qualify for an exemption in 1985. Why not move your money to a Cragin Tax Saver CD.

You can qualify for the 1985 interest tax exemption whether you use the regular 1040 long form or the short form.

Sign up now—for maximum 1984 tax savings

The sooner you open your Cragin Tax Saver Account this year, the more taxes on interest you can defer. For example, if you had put \$20,000 in a Tax Saver Account at the beginning of this year, you'd have deferred paying taxes on \$2,000 in interest until taxable year 1985. Let's say, for purposes of comparison, you wait until July 1 to open your account with a \$20,000 deposit. Then you'd only be able to defer taxes on \$1,000 in interest, thus losing the benefit of avoiding paying taxes on \$1,000. So, the longer you wait to open your account, the more of your earned interest will be taxable in 1984.

And remember, the more you put in a Tax Saver Account now, the more taxes on interest you can defer until 1985.

Free tax guide plus a gift

Open a Cragin Federal Tax Saver CD now and receive absolutely free your copy of "1984 Personal Income Tax Guide," a 54-page book published by Prentice-Hall and packed with valuable information which specifically addresses the 1983 tax laws. You'll also get your choice of 31 gifts, either free or at substantial savings.

Let your Cragin counselor help you

A message from Adam A. Jahns,
Chairman of the Board and President

Our Cragin 1-Year Tax Saver Account is the most convenient way to defer as much savings interest to the time when it can do you the most good—to when the tax laws work in your favor.

Naturally, you'll have questions about this simple and innovative plan. We invite you to drop into any Cragin Financial Center to sit down with a Cragin counselor, and discuss all aspects of the Tax Saver Account.

I urge you to act on this remarkable program, in the same way smart savers joined our All Savers program in 1981. And, as in the case of All Savers, the earlier you act, the more you benefit.

*The Tax-Free exclusion is based on current federal tax laws.

"Children of a Lesser God" at Oakton College

Two students, four community members and one faculty member will make up the cast for the OCC Theater Association's premier production of Mark Mendoff's award-winning play "Children of a Lesser God." This play will inaugurate Oakton's Performing Arts Center and feature the first amateur produc-

tion of this work in the Chicago area. "The cast is great," said director Denis Berkson. "We couldn't have asked for a better balance for a college production. I wanted to do 'Children,' " said Berkson, "because it is so challenging."

OCC student and Des Plaines resident Brigitte Brand will play the lead role of Sarah Norman, a defiant young deaf woman who has spent her life avoiding the hearing world.

Northbrook resident Dev Kennedy has been active in the Win-

netka Community Theater. He will play the part of James Leeds in "Children of a Lesser God." Leeds is an idealistic young speech therapist who falls in love with one of his students - Sarah Norman.

Other cast members in "Children of a Lesser God" are OCC student and Glenview resident Tim Cullitan, a Glenbrook South grad who will play the part of Orin Dennis; OCC faculty member Lyn Ward (playing Edna Klein); former flight attendant Fran Schnitzler (playing Mrs. Norman), who has had much experience in community theater work; Amy Dixon (playing Lydia), who is a certified interpreter for the deaf and works at Triton College; and Evanston resident Joseph Page, who will handle the part of Mr. Franklin and has an extensive theater background.

"Children of a Lesser God" will be presented March 8-10, 15-17, and 22-24. All performances will begin at 8 p.m. Tickets are available at the OCC Theater Box Office, Monday through Friday, from noon to 3 p.m., and 7:30 to 10 p.m. Wednesday evenings. The box office also will be open for one hour before curtain time of each night's performance.

Fees are \$4 in advance and \$5 at the door. OCC students, faculty and staff, plus senior citizens and hearing impaired persons can purchase tickets for \$4. For ticket information, call 635-1900.

OCC Alumni hosts dinner/theater evening

The Oakton Community College Alumni Association will host a dinner/theater evening and "meet the cast" party on Friday, March 16 for OCC's production of the play "Children of a Lesser God." The performance is scheduled for 8 p.m.

This award-winning play is the first theatrical production to be scheduled in Oakton's new multipurpose lecture hall and will be directed by Denis Berkson, OCC speech/theater coordinator.

The cast will include OCC students, an Oakton faculty member and community residents, all of whom have had experience in variety shows and dramatic plays.

A pre-show buffet dinner will be held at 6:15 p.m. Cost is \$5 per person. Cost for alumni admission to the play and cast party is \$3 per person.

For further information, call Joan Klein, alumni affairs office, at 635-1812.

Students attend Music conference

Four Maine East music students traveled to Springfield recently to attend and perform at the Illinois Music Educators' All-State conference. They were (front, l-r) Karen Olson of Glenview, chorus, and Cathy LaMothe of Morton Grove, orchestra. (top, l-r) Bill Dahlgren of Glenview, band, and Dave Ruth of Morton Grove, jazz band.

"The Celebration"

The Devonshire Playhouse, 4400 Grove st., Skokie will celebrate its 10th anniversary with a One Act Festival March 23-9-10-16-17 8:15 p.m. Shown are Joy Alfonsi of Niles, Bob Tauber of Skokie and Tony Catalano, Chicago in a scene from Anton Chekhov's play "The Celebration." Call 674-1500 for information and two for the price of one tickets.

First Federal offers discount Travel Club

Vacation planners can preview discount travel opportunities on Saturday, Feb. 25, 10 a.m.-1 p.m., when First Federal of Chicago's Travel Club presents its 1984 itinerary at the association's Park Ridge branch, 123 N. Northwest hwy. The preview will highlight a few of this year's scheduled

excursions. These include a New York weekend on Broadway, a week at Missouri's Tan-Tar-A resort in Lake of the Ozarks, a journey to Banff National Park in Western Canada, and a weekend in Door County, Wisconsin's fishing and antique-hunter's haven.

All Travel Club vacations are professionally organized and priced to save members 20-40% per trip. Membership in the Club is complimentary to all First Federal customers.

POLITICAL NEWS

Amirante wins AFL-CIO backing

The campaign of state senatorial candidate Sam L. Amirante has been boosted by the unanimous endorsement of the Illinois chapter of the AFL-CIO, Amirante's campaign office has announced.

Amirante, a Park Ridge attorney, is running for the Democratic Party nomination for the 28th Legislative District. The district includes Niles, Morton Grove, Glenview, Skokie, Mt. Prospect, Park Ridge and parts of Des Plaines.

Informed from the floor of Amirante's empathy for the working man and woman, the approximately 100 delegates to a meeting of the Illinois State Federation of Labor's Committee on Political Education (COPE) recently voted unanimously to back Amirante in his campaign to unseat Republican State Sen. Robert Kustra.

Amirante received the endorsement warmly. "I am pleased to get such a strong endorsement. I hope in my term as State Senator to bring about a much-needed air of cooperation between management and labor," he said.

Maine GOP endorses Mannie Tucker

The Maine Township Regular, Republican Organization has endorsed Mannie H. Tucker for state representative in the 56th district.

Tucker is challenging 13-year incumbent Rep. Aaron Jaffe (D-Evanston). "The Maine Township endorsement is a significant boost to my candidacy," Tucker said. "Not only does Maine Township produce 45 percent of the primary vote, but the Maine Township Organization itself is well known and respected throughout the country as a hard-working, powerful political force."

Tucker expressed appreciation

to Maine Township Committeeman Phil Raffae and Deputy Committeeman Dee Conroy for helping secure the endorsement.

"I am told that Phil delivered a very warm endorsement speech for me to the precinct captains, and I am deeply grateful. Phil and Dee have been most gracious, and I look forward to working closely with them."

Tucker is a 27-year Skokie resident. He is a pharmacist and former chairman of the Niles High School Drug Information Committee. He is a frequent lecturer on drug abuse and has been active in PTA during the school years of his four children.

Pucinski endorsed by IVI

Aurelia Pucinski, Democratic Candidate for Commissioner of the Metropolitan Sanitary District, was endorsed late last week by the Independent Voters of Illinois/Independent Precinct Organization.

Pucinski said she is "delighted with the IVI/IPO endorsement." "This endorsement will certainly bring my candidacy to the attention of voters across Cook

County and I am deeply grateful to the members and officers of the IVI/IPO for their support," Pucinski continued.

Pucinski has been endorsed by the Cook County Democratic Organization. Citizens for Aurelia Pucinski has opened a campaign headquarters, open daily, at 6204 N. Milwaukee ave., Chicago (60646), phone 763-4141.

Candidate forms advisory group

Jeffrey Shapiro, Republican candidate for State Representative from the 56th legislative district, announced today the formation of his Executive committee. The members of the Committee are advising Shapiro on a day-to-day basis, and will work closely with the candidate for his election.

Shapiro has chosen a distinguished and politically experienced group, including two township committeemen, and a former candidate for the office Shapiro seeks.

The Committee is comprised of Committeeman David E. Brown, Doug and Nancy Bohrer, Camilla Bittel, James Henderson, and Sandford and Barbara Kahn from the New Trier Township; former candidate for the 56th legislative district Thomas Rueckert, William Cox, and Barbara Rueckert, from Maine

Township; Committeeman Patricia Handzel, Barbara Friedman, William Handzel, Lois Langer, Kenneth Mierzwa, and James Provenza from Niles Township; Deputy Committeeman for Northfield Township,

Gregg Goslin; and Michael Poulos of Evanston, Republican candidate for State Representative for the 4th legislative district.

Pucinski seeks Committeewoman candidates

Alderman Roman Pucinski, State Central Democratic Chairman of the Eleventh Congressional District, has announced a special meeting of the Committee on Feb. 25, at 10 a.m. in his office, 6204 N. Milwaukee Ave., for the purpose of selecting a Committeewoman.

The Committee of the Eleventh Congressional District will hear any women interested in seeking the position of Committeewoman. Women who wish to appear before the Eleventh Congressional District Committee should call 763-4141.

Capparelli seeks campaign volunteers

Young people interested in the local political process are encouraged to call the office of State Rep. Ralph C. Capparelli and leave their name and area of interest.

"We're looking for volunteers who want to help in a variety of campaigns to elect Democrats in Cook County," said Capparelli. "This is a good way to get an inside view of politics because help is needed in precinct work, distribution of literature, polling, preparation of mailings, and other related tasks."

Capparelli said the political process should be part of a person's education because it helps you interact with other people and gain greater insight into a variety of public issues.

Interested persons can call the district office of State Rep. Capparelli at 775-9775 on Monday, Wednesday, and Friday from 10 a.m.-2 p.m., on Wednesday from 7 p.m.-9 p.m., and on Saturday from 10 a.m.-noon.

Citizens for Janecek Committee

Lenore Pickler Janecek, Candidate for State Representative, 1st District, has announced the following people have been added to the Citizens for Lenore Pickler Janecek Committee: Mary McDonald, Cook County Board Member, and Dr. Samuel Andelman, formerly Director of Health for the Village of Skokie.

Janecek has been slated by the Niles Township Republican Organization to run for the 1st District seat currently held by state Rep. Alan Greiman. Janecek was born and raised in Chicago and has lived in Lincolnwood for the past 11 years. She was one of the founders of the Lincolnwood Chamber of Commerce, and has served as its president for 6 years.

Persons who would like to register for these programs may call 256-6056.

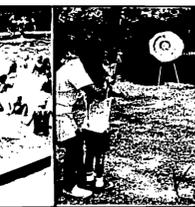

Banner Day Camp begins 20th season

Banner Day Camp is now in the process of getting ready for its twentieth season at its thirty five acre campsite in Des Plaines. The directors, Allen and Helen Schwartz, have been busily planning new programs for 1984 and say they are looking forward to Banner's most exciting summer. They feel that camping is meant to be fun. The concept of Banner's program is to create a nurturing environment in which each child can grow and develop towards their individual self potential. The counselors at Banner participate in a unique staff development program to enhance each child's self esteem.

Swimming in Banner's one-of-a-kind pool is an every day occurrence. The pool, which is sixty feet wide by one hundred feet long, begins with just nine inches of water at the shallow end. The swim program is a success story of its own. Under the direction of American Red Cross Water Safety Instructors, campers swim for 1 hour each day - 30 minutes of individual and small group instruction as well as 30 minutes of recreational swim. Combining progressive teaching techniques and aids, along with a large shallow instructional area, rapid progress is quite evident. By the end of the first week of camp, there are very few water shy swimmers. While Banner specializes in working with the beginning swimmer, diving and snorkeling instruction is given to deep water swimmers.

Banner, which is basically three camps, has a Junior camp for boys and girls aged 3 to the completion of kindergarten, a Senior camp for campers 1st grade to having completed 3rd

grade and a Tween camp for campers 4th grade and up. In addition to the regular sports activities, campers may choose to participate in special programs such as tumbling and gymnastics, dancing, crafts, baton twirling, drama and singing. Tennis and overnights are available in the Senior and Tween camps. Special two or three-day-week programs are available in the Junior camp or juniors may also attend the regular 5-day-week. The Tween program evolved to stimulate new challenges for campers who have reached their latter years of day camping. Although the campgrounds and programmed activities are challenging to all age levels, special weekly outposting programs are planned to provide new dimensions geared to the maturity level of the tweenagers. Tweeners elect to participate in programs such as fishing, roller skating, miniature golf, bowling and Honey Hill Beach.

To add spice to the program, each Friday has a special event and cookout. Events such as carnivals, junior olympics, balloon distance contests, peanut hunts and water fun days culminate each week's activities. Door to door bus service provides transportation to and from camp each day. For further information and a brochure, contact Allen Schwartz at the camp office: 251-0420.

Day Care - Summer Camp Guide

Honey Rock/High Road for young people and adults

The High Road program is specifically designed to help develop a person's capacity for more effective living and leadership. It's a chance to learn with others about leadership, its styles, its problems, its joys.

High Road works by reducing life to its most basic function. From the base camp by Long Lake, you'll be moving out to explore some of the most rugged country in the north, from Michigan's upper peninsula to the shores of Lake Superior. Depending on the time of the year, you'll be backpacking, canoeing, rock climbing, hiking, orienteering, snowshoeing, and cross country skiing.

Throughout the year, High Road programs are conducted for men and women who want to learn more about their leadership potential. Every program is developed around the needs of each individual group. Pairs of highly skilled instructors guide the program of each group member. Careful selections of our instructional staff insure the professional standards are naturally maintained to provide a

safe wilderness experience for participants. For more information write to:

Honey Rock/High Road, Wheaton College, Wheaton (60187), or call 260-5124.

Niles Parks offer Day Camp program

The Niles Park District will again offer a summer Day Camp program which begins June 18. The Camp is run Monday through Friday. Transportation will be provided from the park nearest the camper's home, with pick-up being between 8 a.m. and 9 a.m. and drop-off between 4 p.m. - 5 p.m. The last day of each session will end at noon. Children must be 6 years old by Sept. 1 and no older than 10 years by Sept. 1. Each camper must supply his own lunch and the Park District will supply the beverages. Two

special trips are taken during each session of camp. All campers will be required to wear their Park District Day Camp shirts on the days of the trips. Shirts are included in the fee. Special events such as talent shows, races, baking contests, games, swimming and sports events are included in the daily activities. Register early beginning April 2 to insure your child a fun filled and exciting summer! Call 967-6633 for more information.

Habonim Camp Tavor inspired by ideals of kibbutz

Habonim Camp Tavor, Three Rivers, Mich., is located on 64 wooded acres only 3 hours from Chicago. Facilities include pool, lake and kosher kitchen. Activities offered are sports, swimming, farming, dramatics, arts and crafts, bar and bat mitzvah tutoring, boating, gymnastics and canoe trips. The camp's program combines

Jewish camping, inspired by the ideals of the kibbutz in Israel, with traditional American camping activities. New 3 week program for youngsters entering 4th grade. Two, 4 week sessions for children ages 9-17. Contact Arlene Demb, 961 Ridgewood dr., Highland Park, 432-3110 or call Stephanie Grossman, 729-9226.

Kid Care, Inc. prelearning center in Niles

Kid Care, Inc. of Niles, is a child prelearning center for infants through kindergarten. They will be featuring a Summer Day Camp. The Children will stay on the grounds, using the large outdoor play area and swimming pool. Summer Camp hours are 9:30 a.m. to 4 p.m. with extended service provided for working parents and the center will be open from 6:30 a.m. to 6:30 p.m. The center is under state licensed supervision. Park Ridge YMCA summer camp

The Park Ridge YMCA Day Camp is a secure place for your children to spend an enjoyable, educational summer. We offer a variety of recreational programs. At all times, your child will be guided by trained leaders concerned with helping them enjoy themselves in a wholesome way. All these activities mean a new circle of peers for your child, where he or she can develop social skills and make new friends.

Camp meets Monday through Friday from 9 a.m. to 4 p.m. For an additional fee of \$10 per week you can enroll your child in our extended care program where the YMCA will provide specially planned supervised activities which happen in safe places and are right for your child's age. We make sure that your child is in a supervised, protected environment. Parents MUST drop-off and pick-up their children at the YMCA.

One of our most popular activities, recreational swimming, is available for all of our Day Campers. Under the supervision of our instructors and lifeguards, millions of children have learned to swim with the YMCA. Besides swimming, there's a series of sports programs, arts and crafts, storytelling and other opportunities for fun. Every child participates in a well-balanced and well-structured program at the YMCA. Our dedicated leaders see to it that each day your children are with us, they will grow a little bit. This summer, it has to be Honey Rock.
Summer's not too far away. Pretty soon the days will turn warmer, school will be out and a lot of campers will head for Honey Rock.
They'll be settling into the cabins that dot the shore of Long Lake in the north woods of Wisconsin. Spending their days water skiing, canoeing, kayaking, or sailing. Maybe hiking, fishing, swimming. Or there's horseback riding, archery, crafts, riflery. For older campers, there's even a wilderness expedition off into the far reaches of the north woods.
There's something special about Honey Rock. For more than 30 years, it's provided very special summers for kids. It's not just the activities or the beautiful camp itself. It's the well-trained counselors, the Christian emphasis of the camp, and the kids who come there. There are a lot of places to go to camp, but there's only one Honey Rock. Don't you think it's time you tried it?

Valentine activities at Washington School

The entire Washington School population heard the tune of "Happy Valentine's Day to You" on Tuesday, Feb. 14 when singing telegrams were delivered throughout the school. Four students from the student council wearing straw hats and a little "razzle-dazzle" made the good wishes of secret admirers made known to the delight of all.

On Wednesday, Feb. 15, the student council sponsored a Valentine's Day dance. The festivity was held in Washington School's all purpose room for grades 4-6.

Dentist visits Nelson School

Dr. Leo D. Morton, a pediatric dentist, visited the third grade classes at Viola H. Nelson School on Wednesday, Feb. 8.

Dr. Morton discussed the importance of proper nutrition, demonstrated proper brushing technique, and answered many questions concerning the function, care, and growth of the teeth.

The children each received a copy of the booklet, "The Race Up Molar Mountain," from Dr. Morton.

A unit on dental health and hygiene is included in the third grade curriculum. The students have recently concluded classroom activities related to dental health.

Composition contest winner

Arrienne Monique (Angel) Lezak has won the first place trophy in the Original Composition competition sponsored by the Illinois Music Educators Association. Lezak, now a senior at Interlochen Arts Academy, Interlochen, Michigan, attended Niles North High School while composing the winning entry, a brass quintet. Robert Anderson, her music teacher and mentor at North, accepted the award in her absence during the IMEA state conference last month.

Lezak is the only Niles North student, as well as the first female, ever to win first place in the IMEA state composition contest. Currently, the sixteen-year-old senior is considering attending either the Eastman School of Music, Rochester, New York, or the Royal College of Music, London, England.

WMU dean's list

More than 950 students are included on the dean's list for the fall semester of the 1983-84 academic year at Western Michigan University. Local students included: Randi Faith Donenberg of 9452 Kibbourn, Skokie, Jennifer A. Moshak, 5010 Louise, Skokie.

Nilehi summer school program

The 1984 Niles Township high schools summer program will begin on Friday, June 15, and end on Friday, July 27. No classes will be held on Wednesday, July 4. All academic courses will be held in the Niles North High School building, at 9000 N. Lawler in Skokie, while recreation classes are conducted in Niles North, Niles West, and Niles East.

Academic courses are open to all high school age students, from within as well as outside District 219. "We welcome students from other high schools that do not have their own summer programs," said Peter Christie, the summer school principal.

According to Christie, 38 academic courses will be offered this summer for credit. Also

available will be ACT/SAT Preparation, Photography, and Reading and Study Skills for no credit. Academic courses being offered for the first time are Structured Computer Programming I, and English as a Second Language.

As usual, this year's summer school will include a comprehensive recreation program for boys and girls of all ages from within and outside the district.

Brochures detailing the summer school program will be mailed to all District 219 students in April, with copies also available in the district's junior high schools and in the high school guidance offices. Additional copies can be requested by calling 673-6822, ext. 1181.

St. John Lutheran hosts Winterim

The Annual Winterim at St. John Lutheran School (Missouri Synod) has been set for Thursday, March 1, and Friday, March 2. Parents and teachers volunteer to present two out-of-the-classroom learning activities for all the students. This year, the Pre-School children will have a day of Winterim on March 1, and the Kindergartners on March 2. Each student received a copy of the activities offered so that they could choose the subject they wish to participate in for each of the 6 sessions. Mrs. Gail Smith is the coordinator.

Various craft classes are offered such as salt sculpture, Woodworking, baking and panoramic egg decorating. Sports activities offered include swimming, team handball, floor hockey and bowling. There are cooking classes to learn how to

make pretzels, candy, cookies, bread, and a chinese meal or spaghetti and meatballs. Various tours are also available to such places as the Original House of Pancakes, Show Biz Pizza Place, a Filtration Plant, the Adler Planetarium, and the Chicago Historical Society. Also offered is a class in photography, computer activities, needlepoint, ice skating, a dog obedience training exhibition, a trip to a Mexican restaurant, and the basics of chess.

Some of the purposes of the Winterim are to help break up the regular classroom routines during the long Winter, to get the children to mix with other ages groups, teachers and parents providing a spirit of fellowship and unique experiences for everyone involved.

Camp Chi helps youngsters develop skills

At Camp Chi, the Lake Delton, Wisconsin, co-ed camp sponsored by the Jewish Community Centers of Chicago, youngsters hone their skills in a variety of "self-discovery specializations."

The unique program, introduced last season, offers 16 areas of special interest, from sports to computers. Located in the heart of the scenic Wisconsin Dells, 600-acre.

Camp Chi is one of the oldest and most respected camps in the Midwest. A sense of Jewish culture and tradition is fostered in informal day-to-day activities as well as through formal observances, including special Shabbat meals and services. Three new offerings on this year's roster are dance video production

and team sports, which join the previously-scheduled arts and crafts, basketball, ceramics, computer programming, gymnastics, jewelry craftsmanship, photography, sailing/windsurfing, horseback riding, soccer, tennis, water skiing and woodshop.

Open to children from 4th through 12th grades, Camp Chi carefully tailors a variety of summertime activities to suit the interests and development of the different age groups.

Camp Chi is accredited by the American Camping Association. Registration is now open for the 1984 season, which begins June 24. For information and a free Camp Chi guide, call 675-3663.

Niles Elementary students learn about teeth

February is designated as National Dental Health Month. During this month, good dental hygiene is given top priority at Niles Elementary School South, District 71. Mrs. Patricia Niles, South School Nurse, arranged a special treat for the students. A puppet show, sponsored by the Women's Auxiliary of the Chicago Dental Society, was presented to the students in grades K-4 on Tuesday, Feb. 7. "Good King Sweet Tooth"

stressed the importance of limiting sweets and brushing regularly.

This delightful, informative program is presented to many schools in the Chicagoland area by volunteers of the Women's Auxiliary. The children enjoyed the lifelike puppet characters. As an added incentive, the kindergarten students were presented with a toothbrush and toothpaste.

Nobody makes more out of summer than Camp Chi

We're the premier Jewish Overnight Co-ed Camp in the Midwest, and we have been for 64 years! Enjoy canoe trips, cookouts, trail rides, and campfires on our own 600 acres located in the heart of the Wisconsin Dells. Plus, register for one of our innovative "Self-Discovery Specialization Programs." To learn a new skill, pursue a new interest...do something you've never done before.

Horseback Riding • Tennis • Computers and 13 more specializations to choose from!

Perfect your backhand. Sail a Sunfish. Produce your own video. Learn a computer language. Each specialization is geared so that every camper—whether 4th grader or teen—can earn at their own skill level and progress at their own pace. And every specialization, taught by professional instructors, is planned to be fun. Separate villages and special programs for each age group are designed to put even the youngest camper at ease. And Camp Chi's warm and nurturing environment brings campers in touch with the spirit of Jewish culture and tradition. Call or send today for the Official 1984 Camp Chi Guide to Summer Fun. Res gymnasts take first place in Regional

At the Evanston Regional, Resurrection's gymnasts took first place with a score of 135.05 which qualified them for the Sectional. Resurrection is the first Chicago school and first Catholic school to win Regionals in the state's seven-year history of competition.

At the Evanston-New Trier Sectional on Feb. 14, the Bandits came in fourth place with a score of 134.6 which was the second best score all year. "I am really pleased with the Sectional even though we didn't come out on top. We were up against some strong senior gymnasts. Carolyn Gawenda is a junior, the rest are sophomores, so our future looks very bright," commented Coach Sue Fosco.

Although none of the Bandits will move to State competition, high scorers among the team were: Tammy Hener on vault with an 8.75; Carolyn Gawenda on bars with an 8.75; Magan Mc-

Mahon with an 8.05 on beam and Lori Raffanti with an 8.75 in floor exercise. Lori averaged 8.44 for all-around, Tammy 8.36 and Carolyn 8.3.

To move into the Sectionals, Tammy Hener took first place at the Regional in the floor exercise with an 8.3, second on vault with 8.9, fifth on bars with 8.25 and had an all-around of 8.54 for third place. Magan McMahon was strong taking second place in all-around with an 8.66 average at the Regional. She placed in every event - second on bars and beam and third in floor exercise and fourth on vault. Magan McMahon managed fifth place on beam with an 8.15 and Chris Kuby got fourth in floor exercise with an 8.7.

Resurrection's gymnastic team made an outstanding contribution of young talent, discipline, and achievement in gymnastics.

Maine East gymnasts qualify for sectionals

The 3 S's, Schachte, Sarmiento, and Strazzante, came through again - this time qualifying for the Sectional qualifying meet in the State meet series. Sr. Christi Schachte had already placed as a ranked qualifier in every event including the All-Around at the Regional meet, whereas Sarmiento and Strazzante are at-large qualifiers from the entire Sectional. Jr. Maggie Sarmiento qualified on vault and fr. Lisa Strazzante qualified on Beam and All Around. Elated Demon coach Betty Axelson was very pleased with her entire team's performance at the Regional and having these three girls go on in State series competition "make the season well worth the time and hard work everyone puts into gymnastics. The girls hit when it counted, for their team and for themselves, and now our goals are shifting upward towards the State Meet," quoted Axelson. "Christi is a Sr. and there is no

way she's going to be at the State Meet as a spectator. She's worked extremely hard for 4 years and has been nominated for Sr. Gymnast of the Year - so she's very determined to do well enough at Sectionals to earn a place in all events, including the All Around. She certainly has the physical ability and the desire, so now it will be a mental competition. Many of the state's best gymnasts are in our Sectional, so Christi will have to be really psyched up for this meet," commented coach Axelson.

As for Sarmiento and Strazzante, they had to sweat out a qualifying berth all week, not finding out if they had made it until Sun. Sarmiento had a well-executed handspring full vault which scored 8.65.

The Maine East gymnasts will compete in the State Meet at Palatine Feb. 24 and 25.

Culver students rally for basketball team

Culver Rockettes: from l-r: George Langis, Dale Hoeff, Gary Hoebel, Scott Greenwald, Martin Murray, Kelly Martin, Charles Ginochio, and Brian Nakai.

Shown above is the Girls' B Squad enjoying Rockette performances.

Culver students had the chance recently to show support for their Girls' Basketball teams, Wednesday, February 8, at a rip-roaring Pep Rally held in the school gymnasium. This event traditionally kicks off the first homegame for the Girls' A-Squad, defending conference champs (for three years running), who are currently undefeated.

Not only were the students treated to a superb dance routine performed by the cheerleaders, but the infamous "Rockettes" also danced to the cheers of a delighted audience. The "Rocket-

tes", a group of eighth grade boys, who don cheerleading outfits, are an annual favorite of both students and teachers alike. Besides being good sports about curling their hair, squeezing into tight-fitting skirts, and applying eyeliner, the boys also learn various cheers and a dance routine, high kicks and all!

The highlight of the Pep Rally is the crowning of the Homecoming King and Queen. This year's royal couple was none other than basketball great, Queen Jeannine DiModica and "Rockette" high kicker, King Martin "Martha" Murray.

Park sets meeting with PR residents

At its last committee meeting, the Niles Park District Board of Commissioners set the date of Thursday, March 8, to meet with those residents that live in the Village of Niles, but in the Park Ridge Park District.

The purpose of the meeting will be to review the results of the survey that the Niles Park District sent out and to determine if there is sufficient interest to

pursue disannexing from Park Ridge and annexing to Niles Park District.

The Niles Park District Board of Commissioners invites and encourages all residents living in this area to attend the meeting, which will be held at the Rec. Center building, 7877 Milwaukee Ave. in Niles at 8 p.m. on Thursday, March 8.

Niles parks...

Street between Oakton and Dempster. After the meeting Hughes told The Bugle 650 letters were sent to residents and 137 responded. Ninety-four respondents desired to annex, 30 preferred to remain in the Park Ridge district and 13 were undecided.

In other actions the board will be reviewing personnel policy manuals regarding the possibility of future unionization of employees. Effective July 1, state legislation allows all municipal and public employees the right to unionize. Commissioner Walt Beusse reported the district will undertake a tree donation program for Niles parks and golf course. Local organizations and individuals will be requested to support a program which will cost about \$100 per tree.

The cross country ski activities grossed about \$5,000 this year. The program has ended for this year as park workers prepare the TAM area for spring golf. Denied a request from the Golf-Maine park district for use of TAM golf course. Commissioners felt non-residents would be using the course, preventing residents' use.

A \$25,000 increase in medical insurance costs for park personnel resulted in the board voting to drop dental insurance, effective May 1. Also, 15% of family coverage will be paid by employees. These two changes will save the park district about \$16,000 beginning next year. This year's costs have already been covered by this year's appropriation.

At the March 8 meeting the board will discuss the handling of ordinances for a police, paving and lighting tax. Hughes told The Bugle .025 tax will be used for park police protection and an .005 tax will be used for paving and lighting. This will upgrade security.

Beusse reported vandalism has been quiet this past month and a study of a preliminary report on the Ranger program is recommended. Beusse reported a study of a manual for federal grants is un-

Cont'd from Niles-E.Maine P.1

derway. Hughes reported 13 persons have been interviewed for administrative assistant and a choice will be made by March 1. Okayed \$1,800 for upgrading showers at the Recreation Center. A \$1,100 transfer of funds for flower, bulb and fertilizer purchase was approved for flower boxes and around park trees. Okayed \$524 to send athletic supervisor to sports conference in Orlando, Florida March 21 to 23.

Will discuss a marketing program with the local Coca Cola Company. Larger "No Smoking" signs will be posted at the Recreation Center. Park representatives will go to

From the Left Hand

Continued from Page 1

seemed incongruous when the bookshelves could hear echoes down their empty byways.

One area of contention should be raised with Harry and his followers. In the late seventies Harry and his board added a sentence to a library ordinance which enabled the district to accumulate unused budgeted money. Since '78 or '79, the board has accumulated \$750,000 which will be used for the expansion.

There is nothing illegal in this accumulation. But there is something wrong in accumulating this much money.

Employees at the library have long contended they are underpaid. Adding the short pay to the lack of books begs the obvious. Has this money been accumulated while short-changing library employees as well as book-less readers?

Harry, like many public officials, wants to do some building. Wordsmiths use a play on another psychological term, calling this an "edifice complex." They like to build. They like their names carved on a cornerstone. And, in this case, Harry wants to spend library residents' money without seeking their approval.

The normal route we take in our communities is to ask for voter approval before building. If the guys who foot the bills don't want anymore building, then they have a right to tell the people who represent them not to build. That's the way it's normally done. But old Harry found a loophole and inserted that one sentence, which enables the district to accumulate money from the budget. Through holding back fair salary scales and holding back book buying, the interest plus money now adds up to \$750,000.

Harry thinks the library should have an addition. The many thousands of people who pay the library bills might think otherwise. But through Harry's one sentence inser-

tion, he prevented the constituency he represents from voicing its opinion.

Public officials like to offer that old bromide, "Your taxes won't be increased", whenever they undertake projects such as this. But that \$750,000 still belongs to the people who own the district and they should have a voice in such an expenditure.

Critics contend the brief planning period was too short for an effective plan. Critics also cite the decreased enrollment in the schools which shows the reduction in our children population. Nevertheless, another children's library room is being built despite the decreased number of children in the area.

Before old Harry accepted a state grant from Jim Edgar, he spoke about his six years on the board. He noted how hard the work has been. And he spoke about the need to plow the fields, and plant the seeds for the new harvest of the district which is receiving. People who served on the board the past years might have been offended by Harry's metaphors. Was he saying "Harry" had to clear the fields? Was he saying that meant ridding the district of the old board members? If it was, it was a public expression of arrogance which would have been better left unsaid.

When Oakton College built its campus amidst an area where a high school and a junior high school had just been closed, we realized how wasteful public officials can be with the public's money. While high schools in New Trier, Niles and Maine Townships were all shuttered, the college people were building another campus. We thought it was unconscionable.

Harry's one-man effort to take a circuitous route around the voters by not seeking their okay for this addition smacks of a similar action.

Founder's Day...

Continued from Page 1

High School and one of the organizers of the evening. The District 219 PTSA was commemorating the founding of its parent group, the National Congress of Parents and Teachers.

Six former presidents of the Niles Township high school PTSA's were presented with flowers at the beginning of the evening. After the presentations the 30 PTSA members joined other parents in the Niles West cafeteria. There they got a chance to view demonstrations of computer applications by teachers and students along with other student projects being done in the high schools.

Faingold, a senior at Niles West who is interested in becoming an electrical engineer, displayed to parents what he does in his accounting class.

"I really like computers because there's so much you can do with them," said Faingold.

At a table near the west door of the cafeteria, Marian Behr showcased a course, she said, will be offered at Niles North in September. Behr, a teacher at Niles North, helped parents fill out a worksheet of the foods they ate during the day. A student then typed the information into an Apple II computer and received a printout analyzing the nutritional value of the food choices.

At the eastern end of the room two students displayed how computers are used to do technical drawings. And at a nearby table, Andy Maggio, a cooperative

vocational educational instructor at Niles West displayed the Guidance Information Systems (GIS) used at the school. The GIS provides counselors and students with information on colleges, occupations, and government grants and loans for education, he said.

There were also displays of auto mechanic class projects and foods cooked by students. Information on child development and business education courses was also available.

Schusteff, who helped John Winterhalter organize the practical arts displays, said the objective was to, "let the people see what we have." He said many parents and students are not aware of the variety of courses offered in practical arts. Schusteff said about 1,000 students are taking at least one of the courses in practical arts at Niles North.

At Niles West, some 1,800 students are taking classes in practical arts, said Winterhalter, director of practical arts at Niles West. In some cases, he added, students have taken more than one class.

Carol Barrington, president of the Niles West PTSA, said, "We are encouraging parents to get their students involved in the practical arts program."

Barrington said there are about 2,000 members in the district's two PTSA's, which were formed over 50 years ago. Every year the two groups jointly sponsor two programs at one of the two schools.

Applications for Fine Arts grants

The Skokie Fine Arts Commission is now accepting applications for grants to support local fine arts programs and organizations for the 1983-84 season. The objective of the Skokie Fine Arts Commission grants program is to facilitate arts programs which benefit Skokie residents, either as participants or "consumers". In all cases, the recipient of a grant is expected to provide matching resources for the program, either in actual funds or in-kind.

Grants are limited to programs which are conducted by Skokie

residents, or which reach audiences primarily composed of Skokie families.

Morton Grove Library news

"Be True to Your Teeth Or They Will Be False to You" is the title of a health lecture presented at the Morton Grove Public Library on Monday, Feb. 27 at 7:30 p.m. This lecture on dentistry will be given by Drs. Richard Mazanek and Gary Lamantia, D.D.S. They will discuss the newest advances in dentistry, such as bonding, orthodontic surgery and dental implants. The program is sponsored by the Morton Grove Health Program. For further information contact Marcy Amstatter at the Health Dept., 965-4100.

The Adult Feature Film Series will continue at the Morton Grove Library with a showing of "The Odd Couple", starring Jack Lemmon and Walter Matthau, on Tuesday, Feb. 28 at 2:30 and 7:30 p.m. Admission is free.

Legion plans St. Pat's party

Almost every month the Morton Grove American Legion Post #134 has a party to celebrate some occasion highlighted by the calendar during that month. March is to be no exception, and a St. Patrick's Day dinner-dance is already being planned.

The chairman is junior vice commander Frank Mayer. He is scheduling the event for Saturday, March 17 and the scene will be the Legion Memorial Home, 6140 Dempster.

Mayer may be reached at 673-4456 for ticket information. Advance reservations are required.

The complete evening will include pre-dinner cocktails, a corned beef and cabbage entree meal and dancing to a fine band with open bar the remainder of the evening. "Package" donation per couple is only \$27.

Niles West Open House

Eighth graders who will attend Niles West High School next year, and their parents, are invited to visit the school on Wednesday, Feb. 29. The Open House program will begin with a general meeting at 7:10 p.m. in the school auditorium, and continue with visits to classrooms and group meeting with the guidance counselors.

Various displays and demonstrations will be a part of the classroom visits segment of the evening, and teachers will be in the classrooms to answer questions regarding course requirements. Student activities and interscholastic sports will be represented in the student cafeteria.

The group meetings with the counselors will take place between 8:20 and 8:50 p.m., and will

include distribution of materials and the opportunity to sign up for later individual conferences with each entering student's counselor.

"This is such a good opportunity to get acquainted with Niles West. We hope that all the students and parents will take advantage of it," said Jim Swanson, who is in charge of the Open House. Other faculty members on the Open House committee are Juanita Carlson, Barbara Chausow, Bill Handzel, Rollie Korol, Andy Maggio, Elizabeth Oldham, Fred Ricardi, and Pat Savage.

Student musicians will open the evening with a musical prelude, and refreshments will be served in the student cafeteria at the end of the evening.

tacted Niles Police. During questioning, one of the victims told police she thought she had recognized one of the robbers even though they were wearing masks.

Juried Art Exhibit

The Annual Chicagoland Juried Art Exhibit will be held March 11 through April 9, at the Centre East Gallery, 7701-A North Lincoln Ave., Skokie.

Artists interested in submitting works should bring 2 pieces of their choice to Centre East on March 3 or March 4, from 10 a.m. until 2 p.m.

The Opening Reception will be held on Sunday, March 11, from 2 p.m. until 4 p.m. at Centre East, and \$200 in prizes will be awarded.

After obtaining a picture of the alleged robber, police asked the other victim of the robbery to look through a number of pictures including the one identified. Again, the second victim identified the same robber from the pictures.

Niles Police then obtained a warrant for the arrest of Jeffrey Kobos, 18, of Chicago. After contacting Kobos' parents, he surrendered himself on Saturday, February 11, at the Niles Police Department.

Niles police also obtained a search warrant for a Chicago home where Kobos may have been staying. At the home, located in the 5100 block of Austin Ave., police found \$52 and the knife allegedly used in the robbery.

Later arrested and charged in the Niles crime was John Ignoffo, 17, of Chicago who is alleged to

have held the gun during the robbery. The driver of the car is alleged to have been John Oros, 18, of Chicago and a 15-year-old Chicago juvenile was also arrested.

Giovannelli said Chicago police have also implicated the group in a robbery of a White Hen Pantry, 7250 Harlem Ave., on the Niles-Chicago border which occurred earlier.

Giovannelli said the money stolen from the Cigarette Depot included up to \$2,000 in cash and checks. The money was found divided up among all four suspects.

Giovannelli also noted prosecutors have decided to charge the juvenile as an adult.

Armed robbery is a Class X Felony, and if the suspects are found guilty, they face 6 to 30 years in prison.
