Kohlerman resigns village returns to Notre Dame

by Bob Besser

Reverend Charles Kohlerman, who Niles Mayor Nicholas Blase describes as "brilliant" and a man who may have contributed to the improved operating of more village departments than any other official, has stepped down after 13 years as Niles Assistant Village Manager.

Kohlerman said on Tuesday that he has returned to become assistant principal at Notre Dame High School in Niles. He was principal of the all boys Catholic high school from 1969 to 1971.

From 1971 Kohlerman had a number of responsibilities as a

Dedication Day for 3 Niles buildings

From the Left Hand

by Bud Besser

Everybody is having high school reunions. If you go over to Zweig's Restaurant, they have a list of reunions for schools and classes which dates back to the 20's, 30's and 40's. There's even an enterprising husband and wife team who have made a business of taking over the management of reunions.

Saturday night my wife's 40th reunion took place in Skokie. It was a small affair—about 150 people showed up. And while it was fun, it didn't have quite the frenzy my class reunion had the previous year.

The wife's class is professional reunion-goers. They had a 5-year reunion, a 15-year bash and a 25-year get together. None of them can let go. Those days of saddle shoes and pimples and french fries and dances on the stage at lunchtime and basketball games and sock hops were halcyon days for many of her classmates. They want to reach back and try to re-live some of those carefree days. They got up and sang the old class song. Matter of fact it sounded so good to them they got up and sang it a second time. One of the past beauty queens, who exchanged some of her good looks for some brassy chutzpah, did her once-in-a-lifetime M.C. act which couldn't miss with her 40-year classmates. She spoke about

invited to take a tour of the Police Department facility which includes the recently added addition to the building. Niles Chief of Police Clarence Emrikson and the entire staff of the Police Department cordially invite all interested residents, both young and old, to see the entire department and meet some of your Niles' law enforcement officers.

Approximately 200 Nilesites turned out Sunday afternoon to help dedicate three village buildings on a historical day which officials called Niles "Day of Dedication." At the administration building a draped, bronze plaque of former village manager Ken Scheel was uncovered at the most somber dedication of the day. The front facade of the building now

includes the name, "Kenneth R. Scheel Administration Building". St. John Brebeuf's Father Edward Duggan gave the invocation: "Heavenly Father, As we gather together this afternoon to dedicate the administration building in honor of Ken Scheel, we thank You for the gift of Ken to our Niles community. We thank You for the good work You

FOR A DAPPER DAD
With Father's Day fast approaching, you may be in a gift quandary. If you think carefully and confer with an expert, you'll realize that dad really doesn't have everything.

A fine watch is an excellent place to start. How about making dad feel really special by giving him a watch that is elegant as well as dependable, something he would be proud to wear anywhere. A tank watch with a leather strap is smart for office wear as well as evening dress. Karat gold watches have an inherent richness that bespeaks quality and good taste. The daring dad would love a watch face of deep blue lapis lazuli or golden brown tiger eye and may be even a few diamonds.

Dads who dress up need a set or two of fine cuff links. These add a tailored touch that's always smart and impeccably neat. Cuff link styles range from simple gold bars to genuine gold coins to unique jeweled designs.

Perhaps dad has an old ring thrown in a drawer. It may have worn to an uncomfortable thickness, gotten too small or simply lost its appeal. You can have the gems removed and worked into a new design, something that suits his lifestyle.

We at Rand Jewelers are gift experts. We try to help you select jewelry that will make people feel important, attractive and well-loved. That's what jewelry is made for.

Seek Illinois athletes for Prairie State games

One of the most exciting amateur sports events ever held in Illinois unfolds across the State this summer of 1984 - THE PRAIRIE STATE GAMES. This will be Illinois' annual statewide sports festival, the sixth such event organized in the nation. The concept of these multi-sports events (14 in all) grew out of the Olympics. Now twenty-three states are planning similar events with the encouragement of the United States Olympic Committee, the President's Council on Physical Fitness and Sports and literally hundreds of amateur sports and fitness groups throughout the nation.

All Illinois athletes are encouraged to enter. Like the Olympics, the Games have qualifying trials. For these preliminary competitions the state will be divided into eight regions to bring eight best teams down to the finals in each of the fourteen sports. On

Saturday June 9, at noon, the spot of Olympic Weightlifting will conduct its preliminary qualifications. You are encourag-

Oakton runners win at State and Region meets

The Oakton Community College track and field team qualified May 4-6 for the national championship at the Illinois State and NCA Region IV T & F Championships which were held at Wheaton College.

The Running Raiders dominated the distance events again in 1984. Jesse De La Fuente and Jim Rubey ran to a second and third place finish in the 10,000 meters, with both runners finishing more than 30 second better than their previous bests.

Tony Paul ran the race of his life to win the 3000 meter steeplechase as he ran nearly 30 seconds better than his best previous time. Chris Walsh, running a bad race, finished a disappointing fifth. De La Fuente, along with Walsh, Paul and Rubey, demolished the field in the 5000 meters as they placed

Trackathon successful at Res

The first annual Trackathon fundraiser at Resurrection High School proved to be a great success as over 460 students took to the track in order to generate funds for special projects.

The Trackathon, a joint effort between the Resurrection Parents Club and Student Council, was held Monday, May 7. Participants in Trackathon '84 were given a maximum of one hour in which to either walk or run as many laps as possible. Each lap was officially recorded -

ed to come and spectate and support the strongest athletes in the state. Meet director is state champion weightlifter John Abdo who can be contacted for any information at 671-3411.

Regional champions advance to the finals which will be held at the University of Illinois, Champaign-Urbana, July 18 through the 22. Each finalist will receive free transportation, free food, free uniforms and free housing for the entire five-day four-night event. Competitors will come from our high schools, colleges, Y's, community centers, recreation departments and amateur sports clubs across the state. These are athletes whose skills will range from the novice to world-class.

Please plan on attending this June 9 event. Weightlifting prelims will be held at Loyola Academy High School in Wilmette, just off the corner of Lake ave. and Laramie.

Kaplan JCC coed Sports Camp

The Mayer Kaplan JCC still has openings in its coed Sports Camp program which begins June 18 and continues until August 10.

Emphasis in this 5 day program is placed on the individual and his or her own development in a variety of activities.

Sports activities include the primary sports, soccer and softball. Special interest sports include horseback riding, golf, tennis and bowling. Secondary sports include basketball, floor hockey, gymnastics, football and racquetball. Skill development is emphasized in all sports activities.

Another exciting part of the camp program are the trips taken each week. Along with the beach trips and trips to area parks, sports camp will visit Wrigley Field and Comiskey Park to see the Cubs and White Sox.

Also included in the trip schedule is a special tour of Comiskey Park and visiting a Chicago Blitz practice session. Special guests are always welcome at camp and this year is no different. This year Jerry Markbreit, an NFL referee will visit and talk with the campers about his experience as well as a Chicago Sting soccer player.

Others who have visited camp include Radio Station Sports Directors and professional basketball players.

Swimming is an important part of the camp program. Each camper progresses at his or her own level receiving instruction each day from the Mayer Kaplan JCC pool staff. The Mayer Kaplan JCC Sports Camp program is open to boys and girls who are currently in grades 3-7.

The Sports Camp and the other Mayer Kaplan camps are accredited by the ACA. For more information contact Mitch Bernstein at 675-2200, ext. 234.

Unemployed and retired people on fixed incomes can enjoy free baseball and softball entertainment all summer at Thillens Stadium.

Thillens will mail a free 1984 season's pass to anyone who sends the company a stamped, self-addressed envelope and a current unemployment or Social Security check stub. This season's special events include softball exhibitions by the King and His Court as well as the Queen and Her Court. In addition, Thillens will present the California Cuties, a group of men dressed in women's clothes. They play baseball with remarkable skill, and their comic routines make them the "Tootsie" of the baseball world. Also scheduled for 1984 is donkey baseball.

Bene, general manager of the Golf Mill Theatres, and Cary, both serve as Ambassadors for Variety Clubs International. Lincoln Opera to sing at Mayer Kaplan

The Lincoln Opera Company, a brand-new, resident opera company, will present "An Evening of Festival Encores," at 8:30 p.m. on Saturday, June 16, at the Mayer Kaplan Jewish Community Center, 5050 W. Church st., Skokie.

The program will include opera and operatic arias and ensembles from Beethoven's "Fidelio," Mozart's "Marriage of Figaro," Verdi's "Don Carlos," Lohrer's "Merry Widow," Gershwin's "Porgy and Bess" and others.

General manager of the Lincoln Opera Company, which includes about 20 young singers, is Norma Williams. It was the dearth of local opera opportunities for talented Chicago singers which led her to form the group last spring, said Williams, pointing out that a background of repertoire performances is the "first-step" to a serious operatic career.

Seating for "An Evening of Festival Encores" is limited; reservations are advised. Tickets are \$4 for JCC members; \$5 for non-members. For reservations and information, call 675-2200, ext. 218.

Self-Help Center to hold benefit

A growing movement in the 90's - that of self-help/mutual aid groups - will be counting on the swing sounds of the 40's when the Glenn Miller Orchestra performs at the Self-Help Center's First Annual Benefit.

The proceeds from the concert will go towards the Center's services to assist peer groups such as Alcoholics Anonymous and groups of victims, and their families, of afflictions such as Alzheimer's disease and agoraphobia. The concert will be held at 7:30 p.m., June 3, in the Centre East Auditorium, 7701 Lincoln ave., Skokie.

The Center, located in Evanston Township High School, has been assisting in the initiation, development, and promotion of self-help/mutual aid groups since its founding in 1980 by anthropologist Dr. Leonard Borman.

People interested in tickets or further information on the Self-Help Center Benefit can call the Center at 328-0470 or send \$15 per ticket to: The Self-Help Center, 1600 Dodge, S-122, Evanston, IL 60201.

Dedication Day...

accomplished through him for all the citizens of Niles because of the complete giving of his talents to the service of our community. We thank You for the inspiration he gave to village employees to sense their call to service for the common good of our people - for his organizational leadership of all the Niles departments - for the improved safety of our community that he helped to inaugurate.

But we thank You for more than the projects he accomplished. We thank You for the example of the man himself - a man of high principle, a man of courage, a man of generosity, a man of forthrightness, a man of faith, a man of prayer.

We ask that You raise up other persons to follow the way of Ken in public service, so that our pride and love of our Niles community will continue to deepen.

May this building be a reminder of your goodness to us and keep alive within us a sense of gratitude to You for giving, for our well-being, special dedicated self-sacrificing leaders in the mold of Ken Scheel, Amen."

Niles trustee and past district governor of the Lions Clubs of Illinois, Ang Marcheschi, officially turned over the "Blue Boy Museum" to the village of Niles. Marcheschi said: "Mayor Bivse, Chief Hoelbi, past district governor Troiani, distinguished guests, Lions, Lionesses, member of the Niles Fire Dept. Ladies and gentlemen: Unfortunately, the president of the Niles Lions Club is unable to be in attendance today and he has asked me to extend his thanks to all who have assisted in this project."

It's been too many years since the Niles Lions Club had, as one of its goals, the permanent display of "Blue Boy", for always, demands of human needs would force us to lay this desire aside.

However, perhaps I should explain the association of the Niles Lions Club and the Niles Fire Dept.

The name "Lions" stands for liberty, intelligence and our nation's safety. Our nation's safety... therein lies the key that led us to the Niles Fire Dept. Even though the Lions main thrust is to assist the visually handicapped, the hearing impaired and those who cry for help...one of our objects states that we should accept the moral responsibility to our community and be naturally drawn to fire dept. who themselves have pledged to preserve property and save human lives.

Skokie Parks...

Improvements to Emily Park would include the construction of a year-round multi-purpose facility, the repaving of the interior park walkways, the renovating of the playground area and a tree planting program.

The new multi-purpose facility would provide an information center, classroom space for environmental education and recreation workshops, a base camp for outdoor adventure activities, a warming house for hikers, skiers and skaters, and a storage area and shelter for the MaSkokie Day Camp.

"The total cost of the project would be \$147,200," said Carroll. "Although the Park District and the entire community are committed to the plan, the project will need federal funding assistance. The request has been submitted, now we will do all we can to see that it is granted."

"Emily Park is quite a unique natural setting, it would be a tragedy if the project did not receive funding. The quality of life and recreational opportunities of the entire community will be enhanced when Emily Park is renovated," said Carroll.

Continued from Page 1

Thus, thru the many years, the Lions have supported many of the fire department's projects. Two years ago, as the Lions 30th Anniversary approached, thoughts again drifted to "Blue Boy" and though the task seemed more than we could handle, we decided to accept the challenge and because of our close association with the fire dept. we agreed upon a combined effort to make this dream a reality.

The bulk of the fund was furnished by the Niles Lions Club, however, so many people contributed in so many different ways that it became a united effort. We would like to name many of the individuals who extended themselves beyond what was necessary, but there's always the danger of forgetting one or two individuals...so let me just extend a profound "thank you" from the entire membership of the Niles Lions Club for your support of this project.

And so, Mayor Bivse, let the Blue Boy Museum be a reminder of the heritage of the Niles Fire Department...a reminder of where it started from and a statement of the respected department that it enjoys today. And to the thousands who pass by each day, let it not be a structure of glass and brick...but a message that Niles is not only a community "where people count" but more importantly, "where people care".

Mayor Bivse...on behalf of the Niles Lions Club, it gives us a great pleasure to turn the "Blue Boy Museum" over to the village of Niles.

Fire chief Al Hoelbi and Blase gave short speeches as did Ethel Garey, secretary of Niles Historical Society. Blase officially placed the museum in the trust of the Historical Society.

There was also a moment of silence for three former firemen who have passed away, Charles Bacher, Sam Buble and Robert Dittman. Each November the fire at the east end of the station is rung in memory of former firemen who have died.

The third dedication took place at the new Niles Public Services building. Public Works head Keith Peck and Blase gave brief speeches and then joined with village trustees in a ribbon-cutting ceremony. After this third dedication, attendees joined of-

icials in touring the new public works facility and topped the lovely afternoon with a buffet of hors d'oeuvres and a bit of the heather.

The First Division, American Legion (Cook County Council) will hold a Mini Convention in Morton Grove the weekend of June 1-3. The local Legion considers this a big honor that they were selected to host this large event for the entire county area.

Post #134 Commander Richard Kapelanski has appointed past commander Ed Mc Mahon chairman of the event. Mc Mahon is being assisted in planning the function by another Morton Grove American Legion Post #134 past commander, Don Huber.

Further information may be obtained by phoning Kapelanski at 965-1192 or 965-9503.

The pair of chairmen indicate the Auxiliary Unit ladies will furnish sweet rolls and coffee on Saturday morning, June 2; and also a luncheon will be served by the ladies that day in the Legion Home to the participants.

As its name indicates, the mini convention actually prepares legionnaires for the upcoming conventions. The Department (state) of Illinois confab is to be held concurrently with the Auxiliary convention in Rosemont July 19-22.

Then the National American Legion and Auxiliary simultaneous convention will begin in August in Salt Lake City.

Attack Club for their last
meeting of the 1983-84 season.

Relations Department at 297-

mation.

Pat Ne-Herrick, Home Care Consultant for Blue Cross and Blue Shield, said the certificate is being awarded "because of Regency At-Home Health Service's outstanding performance under our Coordinated Home Care Program."

Under this home care program,
hospital patients - with orders
from their physicians - can elect
to recuperate from an illness or
injury at home. Blue Cross and
Blue Shield contracts with nur-
sing agencies like Regency At-
Home Health Service to provide
nursing care as needed during
the recovery period, Ne-Herrick
explained.
Helen Sethuraman, RN, MSN,
Administrator of Regency At-
Home Health Service, indicated
that "with all the attention given
to Medicare, few individuals un-
der the age of 65 who have Blue
Cross/Coordinated Home Care
coverage in their health insur-
ance understand this coverage. If a
Non-Medicare patient upon
discharge from a hospital still
requires an R.N., Physical
Therapy or other therapies,
he/she may qualify for home
visits under this program."
"Patients seem to recuperate
faster in the comfort of their own
homes, especially with the Home
Health Agency supplying all the
necessary skilled care.
Moreover, Coordinated Home
Care costs only a fraction of what
hospital inpatient care does,"
Ne-Herrick said.
For more information about
Non-Medicare and Medicare
home care benefits, call Regency
At-Home Health Service, 647-
1116.

From the Left Hand

Continued from Page 1
things of 40 years ago and half
the crowd remembered and
enjoyed. They other half of the
crowd didn't know what she
was talking about.
I seemed to put myself un-
der a magnifying glass. I was
surprised I wasn't more gung-
ho about the evening. On the
other hand I forgot to eat din-
ner as I wandered from table
to table all evening long.

One of the friends of '43, an
old basketball player, reacted
differently to the affair. He
had become very successful
having retired 15 years ago.
Yet, that reunion night was
very big for him. His wife told
us he spent an hour choosing
the right tie for the evening.
He was on pins and needles
days before "the happening".
And when it arrived he
brought with him a white let-
terman's sweater he went out
and bought especially for the
evening. After dinner he left
the room, took off his suit coat,
and put on his letterman's
sweater, replete with his high
school basketball letters of 40
years ago.

How do you figure this guy?
He lives on an island on an
estate which would do
Hollywoodians proud. And in
his day to day dealings he's a
modicum of sophistication.
But on reunion night he don-
ed his letterman's sweater
for one last hurrah. Because
we were all in a festive mood

Lawrence ave. and Kimbal.
Like the robber of the previous evening, Olsen ordered the driver to the 7500 block of Foster st. in Morton Grove. Once on Foster st., Olsen is accused by the driver of holding a knife to his throat and taking his money.
As in the robbery of the previous night, Olsen then drove off with the cab.
Morton Grove Police Public Information Officer Bob Jones reported a Morton Grove policeman spotted the stolen cab on Dempster st. heading west from Hartem ave.
Olsen is accused of trying to flee from the police and, with the assistance of Niles police, his car was stopped in the 7700 block of Lake st.
Jones said Olsen resisted arrest and was injured during the struggle.
At the Morton Grove Police Department, Olsen was charged with armed robbery, armed violence, theft of an auto, driving with a suspended driver's license, fleeing and eluding, and resisting arrest.
Jones said it appeared Olsen did not rob the cab driver on May 21, however, investigators are searching to determine if Olsen knows the robber of the first cab.
Jones credited the arrest of Olsen on the cab driver "having immediate availability to call the police and the officer alertly spotting the cab."
Olsen is being held at Cook County Jail in lieu of \$25,000 bond. He will be arraigned on June 14.
