Home Burglaries: What you should know and what you can do

by Bob Besser
This article was written following an interview with Niles Police Chief of Detectives Lt. Ray Giovannelli on Wednesday, May 30. The answers printed are summaries of what was said and not verbatim quotations.

Q-How many burglaries are there each year in Niles?
A-In 1982 there were 186 burglaries of which 89 were residential and 97 were businesses. In 1983 there were 127 burglaries which included 72 residential and 55 businesses. In 1984 there have been only 48 burglaries to date indicating there may even be fewer burglaries than in past years.

Q-Why does the number of burglaries appear to be decreasing?
A-It is true the number of burglaries in 1983 decreased by 32 per cent over the number of burglaries in 1982. Chief of Detectives Lt. Ray Giovannelli believes the number of burglaries in Niles may be decreasing because of the aggressive approach the police detectives bureau has taken.

Q-How do burglars break into a house?
A-In the vast majority of cases involving these young burglars they kick a locked rear or side door open. By kicking the door parallel to the door knob they can force the door clear through the wooden door jamb.
In general, they can kick open a door which has a dead bolt on it also.

Pamphlets Available:
Two public safety pamphlets are available to the public at the Niles Police Department, 7200 Milwaukee ave. "Home Security Guide" provides guidance on keeping your home safe from burglars. "Street Safety" deals with how to protect yourself when you are outside your home.

Q-What if they cannot get through a door?
A-Then they break a nearby window and climb through it. This often results in them cutting themselves or ripping their clothes which provides police with evidence.

Q-What items inside a house do burglars want?
A-The first category involves only cash and jewelry. This is easy to carry off and, in the case of jewelry, fairly easy to sell to raise money.
The other category of items stolen during home burglaries includes stereos, televisions, video tape recorders, cameras, radios, etc. The problem with burglars taking these items is that they have to be carried from the house which makes the burglar easier to spot while he is walking to his car.

Q-Do the houses which get broken into have any common characteristics?
A-Most often, they have no lights on and their curtains are drawn and they appear to be empty.

Q-And at what time are burglaries most likely to occur?
A-The Niles Police recently analyzed 21 home burglaries which occurred between January thru April. Of these 21 burglaries, ten of them occurred between 6 a.m. and 3 p.m. Eight of them took place from 3 p.m. to midnight and only three happened between midnight and 6 a.m.
The greatest number of burglaries occur on Mondays and Tuesdays.

Check on criminal background approved House passes Jaffe bill on day care investigation

Niles Library receives software gift
The Niles Public Library District has received a gift from the Friends of the Library to advance the library's computer literacy program. Mrs. Elaine Bergeron, President and Mrs. Pearl Noffz, Treasurer have presented a check to the library in the amount of \$650 to be used for the purchase of software.
This gift will allow the library to purchase several new software programs for the microcomputers available free of charge to the district's residents.
Harry Pestine, President of the Library Board, expressed his pleasure with the donation saying, "The Friends of the Library were instrumental in starting the library in 1958 and it's great to have them supporting us again today in our computer literacy project and at the time of our building program. The many residents making use of the microcomputers will benefit greatly."

Legislation requiring the Department of Children and Family Services (DCFS) to run a criminal background check of day care licensees and their employees passed Wednesday in the Illinois House, said chief sponsor State Representative Aaron Jaffe (D-Skokie).
The measure also adds grounds for revocation or refusal to renew licenses of child care facilities to the current Illinois statute, Jaffe said.

Under the measure the license would be pulled by DCFS if a day care facility fails to prohibit employees, who are subjects of child abuse or neglect reports, from working at the day care center, fails to exercise reasonable care in the hiring, training or supervision of day care personnel or fails to report the abuse or neglect of children within the facility.
"The legislation was proposed as a response to incidents of child sexual abuse in child care facilities."
"Because of the recent occurrence of child abuse in some day care centers it became apparent we needed to draft a new law to deal with the potential problems in day care centers," Jaffe said.
"The legislation also requires DCFS to prepare a consumer guide or brochure concerning center care. The brochure must include information about the detection and reporting of child abuse and neglect and be distributed to all child care facilities.
Additionally, in order to better the quality of a day care facility, DCFS will be required to interview parents when conducting an inspection or review of a day care providers seeking licensure.
"The DCFS will now be mandated to look more closely at the day care centers to which they grant licenses," Jaffe said.
"Because of the recent problems at several day care centers, the provisions for obtaining a day care license had to be strengthened."
The legislation now moves to the Senate for further consideration.

ND student befriends elderly at Holy Family

The last thing you'd expect most teen-age boys to be doing is volunteering at a nursing home. But students at Notre Dame High School in Niles and Northridge Preparatory School in Des Plaines are doing just that at Holy Family Health Center in Des Plaines.

Ken Florey, 17, of Des Plaines, and Bob Weber, 16, of Park Ridge, spend four hours each week at the center as part of the requirements for their religious curriculum at Notre Dame. Religion instructor John Malley says the junior level community service course is open only to 35 boys each year, based on interviews, and began 13 years ago.

"The idea behind the program is there's a lot more to a proper religious education than just textbook materials in the classroom," he says. Part of their schooling involves theology and the second part, Malley explains, is "taking that theology and putting it into practice."

Boys volunteer at 11 institutions and organizations including nursing homes, the Red Cross, a community center, and an association for special recreation.

Both Florey and Weber say they thought being at a nursing home would be "depressing," that it would give them "the creeps." They were pleasantly surprised.

"One gentleman is 104 years

Charles Anderson (l), a resident at Holy Family Health Center, 2380 Dempster st. in Des Plaines, spends some time with 17-year-old Ken Florey. Florey, a Des Plaines resident, volunteers four hours each week at the center as part of his requirements for the religious curriculum at Notre Dame High School in Niles.

old and he's unbelievably sharp," says Florey. "He ran track in high school and even remembers his coach's name." He says he had a stereotypical opinion about the elderly until he began the Holy Family program.

As part of the course, the boys spend three days each week attending nursing class and use the remaining two class periods for their volunteer work. They can also visit the Health Center in the

evening or on weekends. At Northridge, 16-year-old Stephen Burke and his mother Nancy originated the Holy Family visitation program last September. Mrs. Burke, who heads the social services area of the Northridge Mothers Club, says students spend one hour each Wednesday visiting residents.

Holy Family Center is a skilled and intermediate care facility offering a full scope of long or short-term nursing and rehabilitative services. For more information about volunteering at the center, contact Sister Edmund at 296-3335.

OCC learning center open to public

Many community residents don't know it, but Oakton Community College has a 60,000-plus volume learning resource center/library that is open for use by all community members whether or not they are students at the College.

"Anyone who resides in our district can use our library and check out books, too, with proof of residence," explained Joseph Borowski, director of learning resources. "You don't even have to be a district resident to come in. We'll treat anyone just like they were a student. If they have questions, we'll try to help."

The OCC Learning Resource Center (LRC) has come a long way from the 2,500 books and five staff members it had in 1970 when the College opened in the original Morton Grove facility. The OCC/Des Plaines LRC is located just off the main entrance, where it houses 700 periodicals, nearly 30 different newspapers, federal documents (OCC is one of two Federal Documents Repositories in the 10th Congressional District) and extensive microfilm to complement the thousands of books available.

"Actually, we like to say that we really have 14 million books," Borowski explained, "because we have access to that many on a computer through an inter-library loan system that includes nearly every college and university in the country. If someone wants something that we don't have, and it's available at another library in the system, we usually can borrow that book."

Borowski noted that the Oakton LRC has a special machine that enlarges print for easier reading. "There are people in our community who would benefit by this machine and probably don't know we even have it. It's here for their use and we encourage them to come in and use it," he said.

Borowski has nothing but praise for the public libraries in the OCC community and said that Oakton is not in competition with those libraries.

"We have a very good relationship with all of the libraries in the community," he said. "Our collection primarily is in support of the curriculum here. The public libraries address the needs of the community other than academic, too, but ours is geared more toward that end. You'd go to a public library to browse for something to read. Chances are that you wouldn't come here to browse. We do have some fiction books, but we are definitely geared more to academics. About 80 percent of our collection is developed on faculty requests."

While the Oakton LRC might not be the best place to browse for a novel, it can be very useful for high school students, students from other colleges or universities, and others who need to do research.

"We do have an extensive periodical and microfilm collection, plus a good reference section," Borowski said. "We have had college students who attend school elsewhere come in to do research here and comment very favorably on what we have. High school students from the community can come in evenings and weekends—something that high school libraries don't offer."

Borowski noted that Oakton also has a LRC at its Skokie campus, 7701 N. Lincoln ave., which has "almost everything

that we have in Des Plaines."

The Oakton LRC is open Monday through Thursday, from 7:30 a.m. to 10 p.m.; Fridays, from 7:30 a.m. to 9 p.m.; and Saturday-Sunday, from 9 a.m. to 3 p.m.

David A. Evensen

Navy Lt. David A. Evensen, son of Roy and Carolyn Evensen of 8940 David pl., Des Plaines, recently returned from a seven and a half month deployment to the Western Pacific and Indian Oceans.

Summer hours, from June 4 to August 17, are abbreviated to just Mondays through Thursday.

For further information, call the LRC at 635-1642 (Des Plaines) or 635-1432 (Skokie).

He is an officer assigned to the destroyer USS Fife, homeported in San Diego.

Inducted into nursing society

Skokie resident Nancy Ann Rubin, a nursing student at the University of Illinois, was inducted into the Alpha Lambda Chap-

ter of Sigma Theta Tau at ceremonies on the Chicago campus of the University of Illinois on Sunday, May 20.

E.P.L.C. Luther League sponsors "Great Auction"

The Luther Leaguers of Edison Park Lutheran Church will hold their second annual "Great Auction" on Friday, June 8, at 7:30 p.m., in the South Hall of the Church at 6626 N. Oliphant ave., Chicago. The public will be able to bid on a five-hour cruise on Lake Michigan on a 37 foot Cruise Craft to fish for salmon and trout, valued at \$350; tickets to the Pickwick and Golf Mill Theatres; a pair of wills, legal fee valued at \$300; hair styling for men and women at Fiasche's Hair Design; plus grass cutting, baby sitting, dinners and professional services, and much more. Mr. Archie Anderson will once again serve as Auctioneer.

The Leaguers are still accepting auctionable items and services, and also tickets for plays and sporting events, etc. Everyone in the community is invited to take part in this evening of fun. The proceeds from the "Great Auction" will be used to help finance the Luther League's summer bike/raft trip to Phantom Ranch in Central Wisconsin.

Confirmation at Crown of Life

On Sunday, June 10 Crown of Life will celebrate Pentecost by confirming four young people. Sandy and Amy Morgan, Margaret Sanders, and Amy Alford, all of Niles, will confess their faith in Jesus Christ publicly. They have completed two years of study which instructed them in the Word of God and the principles of Christian life.

The 10 a.m. service will be followed by a coffee and cake reception for the confirmands, their families and friends.

Pastor Neuberger will continue his ten part series on the "Characteristics of a Church that shows the Authority and Power of Jesus Christ." His theme will be "The Astonishing Biblical Truth on Tithing!" Two members of Crown of Life will share how God kept His promises in their lives. If you always find yourself scraping financially, come hear this message.

Crown of Life meets weekly in the Niles Recreation Center, 7877 Milwaukee ave.

Loyalty Event for Hebrew Theological College

Congregation Ezras Israel will host their Annual Loyalty Event on behalf of the Hebrew Theological College on Wednesday evening, June 27, at 7:30 p.m. in the Harry Rosenberg Social Hall of the Congregation, 7001 N. California ave., Chicago. This event will be held under the auspices of the Hebrew Theological College Rabbi Dr. Benziur Kaganoff, Chair in Jewish History. This Chair was established in 1975, at which time Rabbi Kaganoff was honored both by the College in a special convocation and by his synagogue as an expression of their appreciation for his services to his congregants and to the community at large. On this occasion the Hebrew Theological College conferred, with much pride, the Degree of Doctor of Hebrew Letters, honoris causa upon Rabbi Kaganoff, an alumnus who had been ordained by this institution.

The guest speaker at the Loyalty Event will be Rabbi Gedaliah Rabinowitz, a Rosh Yeshiva of the Hebrew Theological College and one of Chicago's outstanding Talmudic scholars and lecturers.

The Ezras Israel Chairman for this event is Mr. Robert Matanky. Mr. Hy Wind is the president of the Congregation. The positions of Chairman of the Board and Chairman of the Executive Committee of Hebrew Theological College are held by two gentlemen who are also members of Ezras Israel Congregation—namely, Paul Rosenberg (who is also the Honorary President of the Synagogue), and Morton A. Blitstein, respectively.

For reservations or information, call the Synagogue Office—764-8320, or the H.T.C. Office—267-9800.

St. Anselm's lobster dinner on Fathers Day

You can treat Dad to a lobster dinner on Father's Day, Sunday, June 17.

St. Anselm's Episcopal Church, 1600 N. Greenwood ave., Park Ridge, will hold its seventh annual lobster sale on Saturday, June 16.

Fresh Maine lobsters will be flown in and kept in a refrigerated truck from "tough down" to the time of pickup assuring excellent condition.

Each lobster weighs approximately 1 1/2 pounds. Prices are lower than usual market norms, with live lobsters listed with a requested donation of \$7.95 and cooked lobsters at \$9.75.

Sale hours will run between noon and 4 p.m.

Mail-in orders, with accompanying payment, will be accepted through June 12. Telephone orders will be accepted from 6 to 8:30 p.m. from June 1 through June 12 by calling 825-5811.

The annual sale is sponsored by St. Anselm's congregation. Proceeds are used to support church projects and outreach programs.

Ray Ejnik, Park Ridge, is sale coordinator; Paul Koppe, Niles, is in charge of telephone orders; Polly Giangreco, Park Ridge, and Lyle Strauss, Niles, finance; Sam Madd, Niles, publicity; Ron Falbe, and Judy Madd, both of Niles, cooking committee chairmen, assisted by John Richardson, Park Ridge, Lorene Koppe, Niles, Fran Baumann, Park Ridge, Gary Lambert, Des Plaines, Brett Off, Des Plaines, and the Rev. Gregory Hinton, St. Anselm's vicar.

Special production at E.P.L.C.

Edison Park Lutheran Church invites the community to a special program "Yahweh, God of Wrath? God of Love?" to be presented on Saturday, June 9, at 7:30 p.m., at the church, located at 6626 N. Oliphant ave., Chicago.

The ninety minute production will be presented by Judy Koepeke of Albuquerque, New Mexico as a tribute to Garrett and Myrtle Koepeke on their Fiftieth Wedding Anniversary. Mrs. Koepeke, a Bethel and Word and Witness trained teacher, as well as an actress, uses the dramatic mediums of storytelling, mime, ventriloquism, song, and dance to powerfully present an overview of the Old Testament which focuses on the question, "Is God a god of wrath or love?" Refreshments will be served after the program.

Niles Assembly of God

This summer, Niles Assembly of God will be conducting outside children's Bible Clubs in the Niles community at a park near you. There will be guitar music, puppets, prizes, Bible teaching, and other exciting activities. If you are interested in sending your son or daughter, contact Gloria Soemo at 631-1709 or Carol Grohs at 794-1148. There will be no charge for these 3 evenings of fun. The dates will be announced at a later time.

You are welcome to attend our next Bible Study on June 8 at 7:30 p.m. at 7731 W. Jerome (1/2 block south of Howard at Overhill). Sunday service begins at 10:30 a.m. in the Niles Sports Complex. For additional information: 794-1148.

Niles Community Church

During the 10 a.m. worship service of the Niles Community Church (Presbyterian, USA), 7401 Oakton st., on Sunday, June 10 the Christian education leaders of the congregation will be honored for their work this past church year. They are: Church School Superintendent—Mrs. Marjorie Bieshaar; Assistants to the Superintendent—Mrs. Norma Christensen and Mrs. Alice Herbst; Care-group Attendants—Mrs. Delsie Thompson, Lynette Campagna and Bonnie Creager; Nursery—Jamie Schimel and Michael Bonfiglio; Kindergarten/Grade 1—Mrs. Nancy Kostelny and Mrs. Karen Shields; Grades 2/3—Mrs. Judy Koch and Mrs. Carol Marker; Grades 4/5/6—Mrs. Joan Johnson, Mrs. Lillian Pettinato and Mrs. Margaret Cieszkowski; Grades 7/8—Mr. & Mrs. Daniel Halley; and, Music—Mrs. Anita Ashcroft.

Junior High Group—Mrs. Deborah Oates and Mr. Richard Eickhoff. Adult Bible Study Group—Dr. Seleen, pastor. In addition, Promotion Bibles will be presented to students entering the Second Grade next Fall, and the high school graduates will be recognized. This will be the last Sunday for Church School until September. Care for pre-school children will be provided during the 9:30 a.m. worship services which will begin on Sunday, June 17.

OLR celebrates Peace Pentecost

On Sunday, June 10, the parish community of Our Lady of Ransom will celebrate a special Peace Pentecost. Homilies at the masses will reflect on the Bishops' pastoral letter "The Challenge of Peace, God's Promise and Our Response."

The pastoral letter, which was endorsed nearly unanimously by the Catholic Council of Bishops in May of 1983, deals with the broad spectrum of issues raised by the production and possession of nuclear weapons and the threat of nuclear war.

In conjunction with the feast and the homilies on the pastoral, leaflets will be distributed at all the masses which will deal with some personal, local and national initiatives that can be undertaken and implemented to move from the study and discussion of the pastoral to the affirmation and execution of its philosophies.

Bernardin celebrant at chapel dedication

Joseph Cardinal Bernardin will be the celebrant at the June 12 dedication of the newly-renovated chapel at St. Francis Hospital of Evanston. The afternoon Mass will include dedication liturgy and anointing of the new altar as well as inauguration of the Blessed Sacrament Chapel, an area at the front of the larger chapel which will be newly accented by a bronze, filigreed screen. Carpeting, pew cushions, indirect lighting, glass doors and movable seating are some of the main features of the extensive renovation.

Named the Ruth Helen Wolf Chapel, the renovation was made possible by a major gift to the hospital in Mrs. Wolf's honor by her husband, Harry Ray Wolf, Jr. The Wolfs are residents of Wilmette.

Originally built in 1929, the present three-month chapel project brought craftsmen to St. Francis from the Conrad Schmitt Studios, Inc. of Milwaukee, a one-hundred-year-old company specializing in decorating and renovating churches, theatres, and landmarks throughout the United States.

The Chapel is used by patients, employees, and visitors of all faiths and is the spiritual home for the Sisters of St. Francis, who own and operate St. Francis Hospital of Evanston, along with eight other sister hospitals in the Midwest. Sister M. Alfreida, O.S.F., President and CEO of St. Francis Hospital, will give the call to worship, and Sister M. Theresa, O.S.F., President of the Sisters of St. Francis Health Service, Inc., will thank the Wolf's and formally accept the gift on behalf of the Order.

JUF benefit brunch hosts Gerda Klein

Lincolnwood Jewish Congregation will hold a champagne brunch on behalf of the 1984 Jewish United Fund campaign, Sunday, June 10, at 11:30 a.m., in the Congregation Hall, 7117 N. Crawford ave., Lincolnwood.

The guest speaker will be Gerda Weissman Klein, survivor of the Nazi concentration camps and a 1000-mile mid winter "death march."

Gerda Klein was one of 4,000 women inmates of a concentration camp who were forced to march eastward in the winter of 1945 by the Gestapo as they attempted to escape the advancing Allies. When the March ended only 200 women survived. Her autobiography, documenting her experiences during the Holocaust, is considered an important historical reference work.

NSJC

Beth Block, daughter of Jerome and Lorraine celebrated her Bat Mitzvah on Friday evening, June 1.

September trip to European Passion Play

A group of Illinois travelers, most of them from the Des Plaines area, is preparing for their September trip to Europe and the world-famous Oberammergau Passion Play. The group will leave from O'Hare the first week in September and fly directly to Amsterdam. Their two-week adventure will take them through the five countries of Holland, Germany, Austria, Italy, and Switzerland. In addition to Amsterdam, they will visit such European cities as Heidelberg, Nuremberg, Munich, Venice, Rome, Florence and Geneva. The highlight of the tour will be the 350th Anniversary performance of the famed passion play in the Bavarian Alps village. The 5 1/2 hour play tells the story of the last week of the life of Christ.

According to the tour leader, Des Plaines Pastor Charles Cooper, there are still spaces available and interested individuals are welcome to join the group. Some of the tour members will leave four days earlier for an optional trip to London. A three-day extension to Paris is also an optional choice. For brochures and information, call Pastor Cooper at 439-0276.

Women teachers' society honored

Alpha Omega Chapter of Delta Kappa Gamma Society International, an honorary women teachers' society, recently was honored with the First Annual Club of the Year Award instituted by Women's Share in Public Service of Chicago for their achievements elevating the status of women in today's society. A monetary contribution was presented to Chapter President, Lucille Kozanecki, to further the members' goals.

Organized in 1946, Women's Share in Public Service established the following purposes: (1) To promote greater participation of qualified women in policy making positions in all branches of public service. (2) To improve the political, economic and social stature of all women. (3) To emphasize high standards of ability, training, experience and attitudes for both men and women in public service.

Garage thefts Catch reported shoplifter with stolen clothing

Thieves stole property from three Niles homeowners' garages this past week.

During the night of Monday, May 21 someone removed a Sears lawnmower from a garage located next to a house in the 9800 block of Maynard terr. The garage was not locked when the lawnmower was stolen.

The cost of the lawnmower was placed at \$250.

A resident of the 7700 block of Oconto st. told police his garage was burglarized some time between 8:30 p.m. and 9:15 p.m.

Taken from the unlocked garage was a tool box which contained between \$500 and \$700 worth of tools.

In a third incident a resident of the 8900 block of Wisner st. told police that thieves stole a bicycle from his garage between May 27 and 29.

The bicycle, a red 25 inch BMX Mongoose, was valued at \$190.

House burglarized

A Niles home was burglarized during the night of Saturday, May 26.

The home, located in the 6900 block of Cleveland st., was broken into when a burglar climbed through an open bedroom window.

Police report the burglar went through every drawer, closet and cabinet in the house. Additionally, every seat cushion on the chairs and couches were also removed.

The burglar, who escaped through a rear door, reportedly took \$3,000 in jewelry, \$400 in cash and a video cassette recorder.

The owner told police they would submit an itemized list of missing property.

A patron of a local bar reported his car was broken into on Thursday, May 31.

The patron, a Niles resident, was at Bennigan's, 8480 Golf rd., when unknown persons broke into his locked Pontiac Firebird between 9:45 p.m. and 11:10 p.m.

Taken from the car were two T-Tops. The owner did not report the value of the T-Tops.

Cashier arrested at store

A cashier at a local store was arrested after under-charging her aunt who was purchasing merchandise in the store on Friday, June 1.

Security guards at K Mart, 8650 Dempster st., reportedly watched the 19-year-old cashier, who resides in Evanston, ring up \$8.33 on her register when her aunt, who is 70-years-old and also lives in Evanston, came through with \$85 worth of merchandise.

Following the transaction security guards detained the cashier and her aunt and took them to the Niles Police Department where they were charged with theft.

The Evanston women were assigned June court dates and released after each posting a \$100 bond.

Drunk driver arrested after accident

A 27-year-old Des Plaines man was arrested for drunk driving after striking another car and driving off on Tuesday, May 29.

The Des Plaines man was reported driving east on Touhy ave. when he sideswiped another car in the 7100 block. The vehicle continued east and pulled into the Holiday Inn, 5300 Touhy ave.

However, the driver who was sideswiped followed the Des Plaines driver to the Holiday Inn and then contacted the police.

The offender was assigned a June court date and released after posting a \$100 bond.

\$750 golf loss

A golfer at a Niles golf course reported his golf clubs were stolen on Saturday, May 26.

The golfer, a Glenview resident, was at the Tam Golf Course, 6800 Howard st., when he left his clubs unattended in a rack. Returning to get the clubs, he found them gone.

The golf clubs were valued at \$750.

Sheriff's Police attend training programs

Sheriff Richard J. Elrod, in line with his policy of promoting additional education to provide better service to the public, announced three Cook County Sheriff's Police officers have been scheduled to attend in-service training programs.

Capt. Frank Braun, Mt. Prospect, who is a watch commander in Uniform Patrol, will attend the Fourth Advanced Administrative Officers Course at the Southern Police Institute, Louisville, Ky.

Investigator JoAnn Gename of the near southwest suburbs, who is assigned to the North Investigations Section, will attend the Non-Violent Management of Disruptive, Assaultive or Out-of-Control Behavior course May 21-22 conducted by the National Crisis Prevention Institute in Skokie.

Investigator William Staszak, far northwest suburbs, who is assigned to the State's Attorney's Detail, will attend the Criminal Interrogation and Behavioral Analysis Interviews course May 21-25, conducted by the John E. Reid & Associates, Inc., Chicago.

Molloy Education seeks volunteers

The Molloy Education Center, a public school serving students with mental retardation and multi-handicaps from the ages of 3 to 21, is currently seeking student volunteers to assist our certified staff during the 1984 summer program which will run from July 2 through August 10.

Activities include water therapy swimming, outdoor education and recreation at a near-by forest preserve, field trips and activities in the school building.

Interested volunteers may work one to five days per week and must plan to stay the entire day (8:30 a.m. until 1 p.m.). If you plan to join us this summer, please return the attached information form to us as soon as possible.

Be alert for fatigue when driving

Fatigue, although not generally considered a problem on short trips, can be a serious traffic safety hazard on long trips such as vacations.

Even an hour in the driver's seat can bring on "highway hypnosis," or drowsiness caused by monotony from the sound of the wind, tires on the pavement, and steady hum of the engine.

According to the National Safety Council, the typical vacation trip by auto in the United States is 160 miles from start to destination.

If you are planning to drive on your vacation this summer, allow plenty of time for unexpected delays and drive a comfortable number of hours or miles each day.

Guard against fatigue by stopping at least every two hours for a break. Don't risk an accident by stopping on the shoulder of the highway.

If you are using medication, check with your doctor to see how it can affect your driving. Some medicines cause drowsiness.

Emotional stress can be very fatiguing. If you are irritated by traffic or road conditions or angry with someone, get off the road.

Most importantly, don't drink and drive. Alcohol is a depressant. It impairs vision, hearing, judgment, reaction time, awareness and coordination. Once you have had a few drinks, you may feel less tense and inhibited but, behind the wheel, you will become tired rapidly, especially at night. If you have been drinking, let someone else drive.

Radio stolen from car

A car belonging to a Niles resident was broken into in Niles during the night of Thursday, May 31.

Some time between 7:30 p.m. a 8 a.m., unknown persons broke into his car, a 1984 Cadillac, which was parked in front of his home in the 7000 block of Crain st.

Taken from the car was an in-dash cassette stereo radio valued at \$400.

DEAR EDITOR:

Left Hand does not know what the right hand does

I take exception of your article regarding the seniors nit-picking the Niles Park board on Tuesday, May 15. To me it is apparent that the Left Hand does not know what the right hand does.

I happened to be one of the accused nit-pickers at that meeting.

Initially, I voiced my opinion regarding the expenditure of upward of \$1500 for the installation of a driving range at Tam Golf Course. Having been a working manager there from its dedication day July 31, 1971 until 1975, a driving range was set up and it never materialized as a source of income.

Let it be known I worked every single day throughout the golf season and had 60-60 hour weeks. I had no Saturdays, Sundays or holidays for myself. There was no time for putting on the practice green. It was a dedication because I was and am a Niles resident. I'm not a nit-picker.

For ten years, from 1971 to 1981, my weekends and holidays began at 5 a.m. at Tam.

My next topic was about the seniors losing their 9-11 a.m. Wednesday morning tee-off time. They are now restricted and limited to only 5-8 minute intervals from 9 to 9:40 a.m. I cannot understand why this restriction is imposed upon them. During my time there were no problems.

To satisfy the budget people, I hope the seniors will take it upon themselves to pay the 25 cents reservation charge that is required of them for a time slot.

Your truly, Joseph S. Cynnar

Nilesite thanks village for quick action

I wish to thank Mr. Terry Gendola and Mr. David Esposito of the Niles Public Works for installing 3 "No Parking" signs along the east side of 7900 block Waukegan rd. in late March.

On Saturday, March 24 at 11:30 a.m. I leisurely drove 35 mph in light traffic in the right lane (east side) of Waukegan rd., traveling northbound. Suddenly I braked though it be a good idea to park her car in the same right lane - this lane also turns into a right turn lane onto Oakton st. - and dash across the street to Pankau Drugs. (Many of us p.m. week-day rush hour drivers dealt with same obstacle.)

Traffic still light that Saturday morning, I was able to change from the right lane to the middle lane. I pulled my car alongside this parked car, whose driver was still inside either waiting for the return of a passenger or about to leave her car to shop at Pankau's). I asked the driver why she just didn't use Pankau's parking lot (yes, I realize the lot is small) directly across the street while patronizing that store. I explained to the driver that she was obstructing traffic. A lame excuse was given to me by her and I drove away.

After making a quick telephone call to the Niles Police Department regarding such parking policy, I requested they check out frequently occurring situations.

One week later, Saturday, March 31, there appeared 3 "No Parking" signs previously not on

Open Letter to Morton Grove Plan Commission

At the May 21, Morton Grove Plan Commission Meeting the citizens of Morton Grove demonstrated their dedicated interest in the preservation of land for recreational purposes and demonstrated their dedicated objection to spot business zoning in Morton Grove recreational/residential areas.

The citizens present were in favor of the Forest Preserve District purchasing the property so that it would remain recreational and in character with the surrounding land. While they are not opposed to well-maintained stables there, the main thrust was to keep the area residential/recreational and not have it rezoned for commercial purposes.

The Forest Preserve District was responsive to our efforts not to desecrate this area. We are grateful to them. When the Forest Preserve District presented their letter to the Plan Commission stating that they would

purchase the property and also requested that it not be rezoned, we were pleased that the Commission voted to table indefinitely the rezoning request.

We sincerely feel this was the best action that could be taken, not only for Morton Grove citizens now but for all future citizens for years to come!

The Concerned Morton Grove Homeowners will be vigilant in our observations of the Morton Grove Village government and the Cook County Forest Preserve District until the purchase of the 6 acres is completed by the Cook County Forest Preserve District.

The Concerned Morton Grove Homeowners Gilbert & Dorothy Wely, 5850 Capri Ln.; Robert & Mary Jo Tranter, 9236 Menard ave.

Nilesite wins Silver Bat Award

Dan Busiel, a 1980 graduate of Maine East High School, was presented the silver bat award as the top hitter of the Lawrence University baseball team this spring at the team's recent post-season banquet.

A three-year letterman, Busiel was a starter in all 21 games this season, splitting time between third base and left field. He led the team with a .388 batting average, helping Lawrence win the Midwest Conference north division title.

At the university's recent honors convocation, Busiel was presented the coveted Iden Charles Champion Cup, given annually to the senior athlete who displays excellence in scholarships, athletics, college spirit and loyalty. In addition to baseball, Busiel earned four letters in basketball and was a team captain this past season.

He is the son of Mr. and Mrs. Daniel Busiel, 8226 N. Ozanam ave., Niles.

Allstate games to benefit Olympics

Allstate Life Insurance Company is supporting the 1984 Summer Olympic Games by sponsoring their own Olympic-style competition, the "Healthy American Games."

Thirty-three Chicago metropolitan-area companies have formed teams in order to participate in these games. The team members will compete in a number of events ranging from ping-pong and water catapult to the more traditional swimming, basketball, track, and tennis competitions.

In addition to athletic competition, the games will include

opening and closing ceremonies, a parade of company teams complete with uniforms and flags, the lighting of an Olympic torch, and the presentation of gold, silver, and bronze medals to winning teams.

The Healthy American Games will take place at Glenbrook North High School, 2300 Shorner rd., Northbrook, a northern suburb of Chicago on June 9 from 8 a.m. to 6 p.m.

Company athletes and spectators will be asked for a \$3 donation to benefit the U.S. Olympic team.

Parkside Sport and Fitness Center summer schedule

Summer at Parkside Sport and Fitness Center means a wide array of aerobic exercises, swim classes, tennis lessons, fitness programs, and other exciting activities for the whole family. The center, part of the Lutheran General Health Care System, is located in the former Maine North High School, 9511 Harrison in Des Plaines. Three sessions, each three weeks long, are planned June 18, July 9 and July 30.

Among the new programs featured are a special senior exercise program, for men and women over age 50. This class will focus on stretches, tone-ups, and light exercises, under the direction of a Parkside exercise specialist. It is an ideal way for fitness conscious older adults to start or maintain a healthy exercise program.

For the younger set (age seven and older) Parkside introduces rhythmic gymnastics classes. Inspired by the 1984 Summer Olympics which featured this activity for the first time, rhythmic gymnastics combines ball, ribbon and hoop throwing with gymnastic floor exercise. It is a colorful spectacle which

requires skill, grace and coordination.

A special extension of the center's popular Karate classes this summer is a one-week Karate clinic, open to individuals enrolled in the summer session Karate classes. The clinic will emphasize various principles of Karate, the basic Heian forms, and Black Belt Katas. A small class size will ensure individual attention.

Tennis lessons, always popular in summer, are back under the guidance of Parkside's professional staff. Group lessons are available for beginning and for advanced beginning levels, offering both day and evening hours.

Popular pool programs at the center include aquasize water exercise classes, swimming lessons for children and adults, and parent and tot learn to swim classes.

Weight lifting, strength development and youth instructional programs in soccer and gymnastics round out the summer schedule. Call Parkside Sport and Fitness Center at 696-8063 for the complete summer program schedule, class times and registration information.

Niles Nuggets Semi-Pro Baseball Team

Nugget Fever is in the air! The Nuggets are playing single games of 9 innings this season instead of 7 inning doubleheaders. Our home opener was going to be at Notre Dame on May 28, but the Nuggets were washed out. The Nugget home opener will be an exhibition game against the Melrose Park Eagles on Sunday, June 3 at 12:30 on the varsity field at Notre Dame.

The Nuggets opened their 1984 season on Saturday, May 26, at Winnetmac Park against the Monks. The Monks and the Nuggets were fierce competitors last year, and nothing has changed this year! Our scores with the Monks are always close, this time the Nuggets were edged out 4 to 3. Lee Newlan pitched an excellent game, striking out 5 and only giving up 4 hits. The Nuggets batters collected 9 hits, but couldn't get that key hit with men in scoring position. Scott Swierad had a double and 2 singles, Lee Newlan had a double and a single, Ray Del Fava and Eric Yabush had a double each and Scott Madsen and Angelo Christopher each had a single. The Nuggets will meet the Monks again!

On Sunday, May 28, the Nuggets traveled to Northbrook

to play the Hornets. Scott Madsen pitched very well, striking out 5 and allowing 3 earned runs in on the winning side of the 6 to 5 loss, but our few mistakes hurt when the other team was errorless. Eric Yabush smacked the ball over the fence in left center field for our first homerun of the year. Ray Del Fava had himself a day hitting a double and 2 singles, Lee Newlan smacked 2 singles, and Ken Nehlsen and Paul Minasian each had a single, Paul's allowing 2 of our runs to score.

The Nuggets do not have a team sponsor, but have received some nice contributions from supporters in our area. We cannot do it without community support, both financially and morally. The men on the team will be selling raffle tickets and Friends of the 1984 Nuggets plaques. Please help, catch some of that Nugget Fever! If you have any questions, please call Stan Breitzman at 698-2484.

At the rate our mortgages are going, you've got to move quickly.

On April 1st, Citicorp Savings made \$200,000,000 in Adjustable Rate Mortgages available. At low interest rates that will stay frozen all summer long.

The idea is that you'll have until September 1st to close without worrying about the rate going up in the meantime. The only catch is you have to apply before the \$200,000,000 runs out. And the fact is, it's going fast.

The strengths of a Citicorp Savings ARM.

- Frozen interest rates are just one of the reasons our mortgages are so popular. Here are a few more:
- Interest rate caps limit the amount your rate can change annually to 2% and from 4 to 6% over the life of the loan. Your rate can go higher than the initial rate, but it can also go lower.
- Rate changes only once a year,

	Initial Interest Rate	Annual Percentage Rate	Margin Over 1-year Treasury Index	Loan-to-Cap	Annual Cap	Rate Change
ARM I	9.875%	12.41%	2½%	6%	2%	3½%
ARM II	10.875%	13.27%	2¼%	5%	2%	2½%
ARM III	11.875%	14.10%	2%	4%	2%	1½%

and the change is based on the 1-year Treasury Index.

- No negative amortization, so if your interest rate goes up, your monthly payments will be adjusted accordingly. No deferred interest will be added to your principal, extending the term of your loan.
 - Up to 95% financing available, on loans up to \$150,000. Larger loan amounts are also available.
 - Condominiums and townhouses are eligible, if they meet our guidelines.
- 15- and 30-year fixed-rate mortgages are also available.

Call 977-5040 to arm yourself with information.

To answer your questions about our plans, we've set up a Mortgage Information Center. Call us collect at 1-(312) 977-5040 from 9 a.m. to 5 p.m. weekdays. You should apply by July 15th to get the rates shown, and must close by September 1, 1984. To apply, come to the Citicorp Savings office listed below soon. If you want to get in on our mortgage offer, you'd better get moving.

The annual percentage rate in the above chart and the following examples are based on a 30-year Adjustable Rate Mortgage loan of \$70,000 with a 10% down payment and includes private mortgage insurance.

ARM I Example: The monthly payment for the first year will be \$607.84 + \$14 a month for private mortgage insurance. Based on the current index, the monthly payment for years 2 through 30 is estimated at \$711.89 + \$14 a month for private mortgage insurance.

ARM II Example: The monthly payment for the first year will be \$660.02 + \$14 a month for private mortgage insurance. Based on the current index, the monthly payment for years 2 through 30 is estimated at \$766.25 + \$14 a month for private mortgage insurance.

ARM III Example: The monthly payment for the first year will be \$713.30 + \$14 a month for private mortgage insurance. Based on the current index, the monthly payment for years 2 through 30 is estimated at \$819.47 + \$14 a month for private mortgage insurance.

Replace Your Old Furnace With A New & Efficient Gas

The rising cost of energy has put winter comfort nearly out of reach for many homeowners. But Lennox has a solution.

The Conservator™ III gas furnace delivers warm, conditioned air at 80% efficiency—a significant improvement over older, less efficient models in the 55-60% range.

Electronic Ignition Saves Gas

Powerlite™ ignition enables the Conservator III to use gas only when there is a demand for heat. There is no standing pilot light, so more of your gas is used to deliver heat.

REPLACE YOUR OLD WATER HEATER WITH A NEW NAUTILUS GAS WATER HEATER NAUTILUS®

The exclusive Submerged Combustion Chamber (Patent Pending) is completely surrounded by water, eliminating the normal combustion chamber heat loss through the sides and bottom of burner area. This advanced design captures normally lost heat and transfers it directly into the water. Exclusive Overcoat "special formula" Foam Insulation completely surrounds the internal tank for maximum heat retention. The Nautilus does not require the normal tank legs. It is factory equipped with the patented Thermal Barrier leg, which insulates the tank from the floor. Advanced design and lower jacket temperatures allow the Nautilus to be specified for zero clearance and the water acts as a sound barrier for whisper quiet operation.

Other Quality Built-in Features Include:

- Zero clearance to combustible materials.
- Rugged Drain Valve for long dependable service.
- Special Baked Enamel finish for the ultimate in durability and appearance.
- All models meet or exceed ASHRAE standard 90A-1980.
- Energy Saving Pilot - designed to reduce gas consumption for energy conservation.
- Attractive one piece molded door.
- 10 year limited warranty.
- 85% efficient.

Skokie Federal staff promotions

Skokie Federal Savings has announced the appointment or promotion of three officers.

Named Vice President/Branch Administration of the \$750 million institution was Mary Manning, an 11 year employee who most recently served as the association's regional manager.

Michael Linder was appointed Branch Manager of Skokie Federal Savings' Barrington office, and Barbara Tuzzeo assumed a similar position at the association's Kenilworth office.

Prior to her promotion, Mrs. Manning, 28, served in various operational capacities at Skokie Federal including the lending and savings areas. A member of the Institute of Financial Education, Mrs. Manning resides in Glenview with her husband, Mark and daughter, Kelly.

Mr. Linder, a 34 year old graduate of Southern Illinois University who makes his home in Elgin, formerly served seven years as Assistant Vice-President/Operations Officer with the First National Bank of Elgin. Most recently, Linder was

Mary Manning

employed as Credit Service Director for the Family Service Association of Greater Elgin.

Mrs. Tuzzeo, a Wilmette native, joined the staff of Skokie Federal in 1980, previously serving as Supervisor of Customer Service at the association's Cicero and Peterson office, Chicago. She's a member of the Wilmette/Kenilworth Women's Club.

MG's MAACO celebrates second anniversary

"Over 2,400 cars since we started in May, 1982," said owner Elliot Bolotin.

The MAACO Auto Painting and Bodyworks center at 6408 Main st., Morton Grove, which is observing its second anniversary this month.

"We must be doing something right," said owner Elliot Bolotin. "We attribute the success of our center and the number of satisfied customers since we opened to the MAACO policy of quality work at reasonable prices," added Bolotin.

Bolotin was self-employed prior to purchasing his MAACO franchise. He is a graduate of Roosevelt University, Chicago, with a degree in Industrial Management. He served in the U.S. Army Reserves for six years.

His wife, Ruth, who assists in the center operation, has a degree in Education from Northeastern University, and owns and operates a T-Shirt shop. Bolotin is currently a member of the Chamber of Commerce, and is a booster for the Niles North High School.

The Morton Grove center is among some 350 continental chain which extends into 42 states and Canada. Since its founding in 1972, MAACO has painted and

repaired over 2,500,000 vehicles—quite an achievement in just 12 years.

MAACO was launched in 1972 in Wilmington, DE. By the end of 1983, gross sales approached the \$140 million mark. Every MAACO center in the United States and Canada contains the latest sophisticated equipment and supplies to paint and repair automotive vehicles, while utilizing environmentally low pollutant materials. Each center is a community-operated small business which aids the local economy through sales, property and real estate taxes, local purchases, and employment of area residents.

MAACO's national corporate headquarters are in King of Prussia, PA.

Country Squire offers good food and country charm

The Country Squire Restaurant & Lounge, Routes 120 and 45, Grayslake, Illinois was built as the stately residence of Wesley Sears, scion of the Chicago mail order firm. Here he lived with his family and entertained the cream of Chicago society.

The house was completed in 1938 and was regarded as ten years ahead of its time in modern conveniences. It had 17 rooms, 8

washrooms, and 4 fireplaces. From the front door with hardware of wrought brass, to the bathtubs with glass enclosures, the workmanship was the finest. Note the handcarved woodwork on the ceilings of many rooms of the original house.

From our many windows you can see the 13-acre lawn and varieties of native and transplanted trees. At the southeast corner of the building is a horse chestnut tree over 200 years old, standing since the days of the Revolutionary War. Wesley Sears sent to all parts of the world for trees. In keeping with this tradition, the present owner, Bill and Kris

Govas have planted the "Good Luck" Ginkgo tree, imported from China.

In July, 1954, The Country Squire Restaurant was opened by Martin and Edna Giesel, known for their successful Cafe de Paris in Chicago. In converting the building to a restaurant, they tried to leave as much as possible of the original Sears home intact. The family's dining room is now our lounge. Their living room is our fireside reception area with many original artifacts to enjoy. Mousers were again preserved. The brick wall with bay windows is our Library Bar.

The second floor housed two separate bedroom suites. Those rooms are now connected and are available for private banquets. The master dressing room is now a small, private conference room perfect for business meetings and small gatherings.

In 1958, the restaurant was expanded by adding a dining porch to the south and east exteriors of the building. In that way, interiors were again preserved. Thus the brick wall with bay windows you see on the original house.

The Country Squire is once again a family owned restaurant. Your host William and Kris Govas are dedicated to the Squire's tradition of fine food and gracious dining. They want you to feel like guests in their home, at all times, for that is exactly what you are.

OCC's Acting Up! troupe successful in Topeka

"Acting Up!, Oakton Community College's touring senior theatrical troupe, recently participated in a week-long celebration, "In Praise of Age," sponsored by the Topeka, Kansas, Park and Recreation Department.

"Our contribution consisted of a workshop and two performances in the very modern theater at Washburn University," said Karol Verson, Acting Up! director. "It was the first time we had ever worked in a theater with mood lighting and multi-media. We were able to give a more polished, professional show because of the sophisticated technical support." Audience reaction was very enthusiastic, Ms. Verson commented.

"It was a very successful trip," Ms. Verson said. "The audience enjoyed it and we did too."

The Acting Up! troupe is composed of 13 local residents, all over the age of 65. They present a humorous, sometimes outspoken and always energetic poke at stereotypes and myths of ageism. Acting Up! is available for community performances. For more information call Ms. Verson at 635-1410.

created by the Northern Illinois University Steel Band. Twilight Bones, a local group, recreates the big band sound in their concert on July 22. The final performances in the Sunday Sundown Concert Series will be given by Airflow Deluxe on July 29 (rain-date August 5). This band has toured nationally to rave reviews of their stylish big band sound and practiced vocalists.

All concerts begin at 7 p.m. Spectators must bring their own chairs or blankets.

For more information, call Skokie Park District, 674-1500.

Musical Arts Quartet concert

The Musical Arts Quartet will present an evening of chamber music beginning at 7:30 p.m. on Thursday, June 7 at the Bernard Horwich Center, 3003 W. Touhy ave.

Violinists Margaret Solomonsky and Marian Gordon, violist Carol Hoffman and cellist Rose Steiner will offer music of Beethoven, Bloch, Haydn and a selection of popular Mexican songs.

Scottish Cultural program

The Scottish Cultural Society's monthly program for June will be given by Jennifer Armstrong on the oral history of bagpipe music. Classical Scottish pipe music, called pibroch, was traditionally taught through a "code" of vocal representation.

Miss Armstrong will discuss the method, history and personalities associated with this ancient musical form of theme and variation. Miss Armstrong has studied pipe music and its origins at many workshops throughout the States with some of Scotland's most renowned pipers.

Admission for guests is \$1.

Mindscape Gallery is open Tuesday-Saturday 10-6, Thursday 12-9 and Sunday 1-4. For further information, phone 864-2660.

Library contest challenges reader's skills

Quick! What novel opens with the phrase, "It was the best of times...?" If you guessed "A Tale of Two Cities" by Charles Dickens, you may have what it takes to play "Reader's Pursuit" beginning in June at the Skokie Public Library, 5215 Oakton, Skokie.

The Adult Services Department of the Library, devised a series of three contests challenging readers to identify books or characters based on fiction and non-fiction books currently in the Library's collection. During the month of June, contestants will be asked to name the authors and titles of books based on either first or last lines. Library patrons, except for Library employees and their

families, may submit one entry per contest. Entry forms are available at the Library and must be returned by the last day of the month.

Chosen by the number of correct answers, winners will be selected once a month and will be notified by the 15th of the following month. Winners will receive: first place, choice of book up to \$25; second place, choice of book up to \$15; third place, choice of book up to \$10. A "Super Reader" T-shirt and a READ poster will also be awarded to winning contestants.

And if you're thinking about asking your favorite librarian for assistance, think again. Librarians will not be available to answer contest questions. For more information, call 673-7774.

Niles Chamber members attend business conference

Two Niles Chamber of Commerce members were in Springfield for the Governor's Conference on Small Business held on May 15 and 16. Donald Conn, appointed by Lieutenant Governor George Ryan, and Eunice Conn, appointed by Senator Bob Kustra, joined 400 other delegates to discuss solutions to the problems facing the business community in Illinois and on a federal level.

Niles Chamber members attend business conference

The delegates ended the two days of working sessions by voting on 20 of the 57 issues that were modeled at the Conference. Although all 57 issues will be presented to the Governor and the Legislature, the 20 with the highest number of votes will be considered the priority items. The top five, in order of the highest number of votes received, were dealing with Worker's Compensation, Unemployment Insurance, passage of Business Incentive Act (Federal), Illinois Right to Work Law, and streamlining of the Illinois Department of Revenue.

Burglaries...

Continued from Page 3

Q-How well does keeping lights on or installing a burglar alarm work to prevent home break-ins.

A-Every precaution a home owner takes helps. A burglar would rather break into a dark house than a lighted house. Additionally, an alarm which is going to sound a siren or other shrill noise may very well scare off an unsophisticated burglar.

Q-What can the average person do to prevent and combat burglaries?

A-Police agree that the most important thing neighbors can do is keep an eye on their neighborhood. When they see a stranger in a backyard call the police. When they see strange cars parked in the neighborhood they should contact the police.

Q-What about people who are afraid of calling the police because they do not want to "get involved"?

A-The police will always respond to anonymous tips. It is preferred that if you call the police you identify yourself, however, it is not necessary. The police are aware that many people do not want to leave their name and they will not insist on it. Even the courts recognize that people will not always leave their names and accept anonymous tips as evidence.

Q-What is the profile which describes the burglar who breaks into homes in Niles?

A-Based on arrests the local burglar is usually between 16 and 21 years old, from a middle income home and has had some contact with the police as a juvenile offender. The pattern has developed that initially the young burglar is successful in breaking into homes. However, eventually he begins to brag to his friends and once the word get out on the streets, the police will eventually find out about him and begin watching him. It may then be only a matter of time before he is arrested.

Q-Why do these teens get involved in burglaries?

A-Usually, just so they can have money to go out and "party" with their friends. Most of the money they get goes towards buying alcohol and drugs.

Q-Don't the parents of the burglars suspect their son may be involved in something illegal?

A-Sometimes it has been found that young burglars actually hide stolen property in the basement or garage of their home under a tarp. Their parents often do not want to look at what is there as they prefer not to know what their child is involved in. However, when the police finally knock on their door, the parents are most cooperative in helping the police find stolen property.

Police recommend that if a parent sees that a youngster suddenly has a lot of money or begins accumulating expensive merchandise, they question him closely about how he obtained them.

Q-What are the effects on people whose homes have been burglarized?

A-There is often tremendous trauma revolving around the fear that they may be burglarized again. Additionally, they fear if the burglar is arrested, they may be the target of the burglar. Also, there is a great sense of loss when irreplaceable family heirlooms have been stolen.

Dunkin Donuts...

Cont'd from Niles-E. Maine P.1

Dempster St. west of Shermer Ave.

A petition by John Lapish of Dunkin Donuts of Illinois located in Park Ridge sought approval for constructing the donut shop in a vacant lot located at 7123 Dempster st. While Lapish requested a variance to be granted to reduce the parking from 43 cars to 37 cars, it became clear that surrounding traffic, and not parking spaces, was to be the real issue.

Representatives of Dunkin Donuts told the Zoning Board that 60 per cent of its business would take place between 6 a.m. and 9 a.m.

Additionally, 80 per cent of the donuts and coffee sold would be carry-out orders.

The proposed building was to have 26 seats which included both counter seating and booths. The 246 foot deep lot was to be leased from owner George Arnold who also owns the abutting lot at the southwest corner of Dempster St. and Shermer Rd.

Dunkin Donuts additionally requested a driveway be paved allowing Shermer Ave traffic access to the 24 hour donut shop.

Chesterfield area resident Jeff Arnold, whose community faces the proposed Dunkin Donuts to the south, complained about the increased traffic which the donut shop would create. He was particularly concerned about west-bound Dempster St. traffic turning south onto Shermer Rd. and then quickly cutting west into the proposed driveway to enter the donut shop.

Another Chesterfield resident, Robert Shuftan, said the "residents are acutely concerned about a 24 hour property" being put up in their neighborhood.

Shuftan objected to Dunkin Donuts planned deliveries between midnight and 5 a.m. and complained about the possible noise neighbors might be subjected to late at night.

Zoning Board Commissioner Ginger Troiani noted that constructing the Dunkin Donuts at the proposed location would be "adding a high density business to a high density street."

Additionally, Troiani said the heavy business the donut shop would do may result in more traf-

fic accidents in the area of Dempster St. and Shermer Rd.

Commissioner Pat Feichter was more blunt, when he said Dunkin Donuts at the proposed location would be "more of a detriment to the community" because of the traffic problems and possible problems it would cause surrounding residents.

However, during the voting, Commissioner Stan Lowe said he supported the construction of the donut shop saying, "I fail to see that this is going to create a traffic problem. I think something has to go in there and I think Dunkin Donuts is a good thing."

Also, Commissioner Luella Preston supported the donut shop saying, "There needs to be something (constructed) on that property...and many uses are worse than Dunkin Donuts."

However, during the final vote, the Dunkin Donuts proposal was denied with Commissioners Troiani, Feichter, Syd Mitchell and Thomas Biondi voting against it. Preston and Lowe voted in favor of it.

Kevin J. Brewer

Marine Ptc. Kevin J. Brewer, son of Eugene Brewer of 1915 Everett, Des Plaines, has been promoted to his present rank while serving with 2nd Force Service Support Group Camp Lejeune, N.C.

other sites named in honor of them.

Using rules currently being used by Evanston, the rules include:

- 1) Any person considered for such an honor must have a close association with Niles.
- 2) This person must have had a distinguished career in which high service has been rendered to or distinction brought to Niles.
- 3) A reasonable relationship must exist between the importance of the place being named and the distinction of the person whose name it will bear.
- 4) The conditions imposed by the donor of lands or funds to be used in the public place when land is donated to the village.

The committee agreed to notify the Niles Village Board of the progress it has made as it prepares to begin reviewing candidates for such an honor.

Committee members in addition to Geocarls include Sister Irene Sebo, Chamber of Commerce President Curt Hockett, Niles Lions Club President George Kaufmann, Betty Kazmerski, Doris Downs and trustees Ang Marcheschi, Orville Ottow, Carol Panek and Pete Pesole.

Fretters... Cont'd from Niles-E.Maine P.1

as neighbors of the proposed store.
At issue was a request by officials of Fretter Appliance of Michigan to construct a 154 foot by 84 foot building at 2836 Golf Rd. across the street from and slightly west of St. Isaac Jogues church.

Fretter Appliance is currently leasing space in the Dempster Plaza Shopping Center at Dempster St. and Greenwood Ave. Officials of the appliance store said their lease would soon be up and they are going to leave the center.
Additionally, it was reported that three Fretter Appliance stores are currently being constructed in Schaumburg, Aurora and Orland Park.

In Michigan, Indiana and Illinois there are currently 25 Fretter Appliance stores.
The store proposed at the Monday meeting would operate daily from 10 a.m. to 10 p.m. with shorter hours on the weekends.

Additionally, store officials told the Zoning Board members they expected no more than 50 customers during a 10 hour period with the exception of the holiday weekends.

Store officials said they expected to sell \$8 million worth of appliances annually from the Niles store.
During testimony, officials of St. Isaac Jogues Church voiced concern over the traffic problems which might be created by the appliance store.

Rev. John Massion of the church said he feared for the safety of the school's 350 children who must cross Golf Rd. near the proposed site.

Father Massion said Golf Road is "a speed lane" and feared any proposal which would increase traffic. Parishioner Mike Griffin agreed saying traffic in the area of the church was terrible and the proposed store would turn the

area on Golf Road near the church into "the eye of a hurricane."

Additionally, area residents, residing north of Golf Rd. in unincorporated Cook County, voiced fear of allowing the construction of the appliance store on land previously zoned residential.

The residents also voiced concern for their children if the traffic increased in the area. Additionally, they said they worried the value of their property would decrease if the appliance store was constructed next to them.

Another fear was that the construction of the appliance store would set into motion the commercial development of the entire strip of land down to the Venture Store on Golf Rd. and Milwaukee Ave.

Following the testimony, Commissioner Luella Preston said she was in favor of denying the request by Fretter Appliance.

Preston said she also feared for the property values of the residents and was concerned about changing the zoning on currently residential property into a business property.

Commissioner Syd Mitchell agreed with Preston saying the traffic problem "frightened" him.

Commissioner Ginger Troiani said he understood the objections to placing the appliance store at the proposed site but also asked if it would create less of a traffic problem than the possibility of constructing multiple family dwellings on the proposed one acre site.

During the final vote Commissioners Preston, Mitchell, Troiani and Chairman Jack Frick voted to deny the Fretter Appliance store request.

Voting in favor of allowing the appliance store to be constructed were Commissioners Stanley Lowe, Thomas Biondi and Pat Feichter.

a deadline. He treated the job with his most personal regard. He took charge of the truck he was driving and babied it the way he must have done with his kids some years before. The truck drove as well in 1980 as it did in 1970. It was because Wagner took charge.

His respect for work was what was so admirable. During his 40 years driving for the Ralton Company, the first half of his work there was at a non-union shop. He worked for 23 years, six days a week without any vacations or benefits. Fortunately, the union came in and his company moved into the 20th century.

In his reminiscences you know how much he cared about his work. He knows every highway, federal, state, county and township road in the middle-west. If you would mention a drugstore in Keokuk, he could reel off the names of every store up and down the street. His knowledge and memory of the territory is uncanny. There are few streets in Chicago he is not familiar with. And there are fewer restaurants and grocers in Chicago and the middle-west he doesn't have an intimate acquaintance with.

When he came to The Bugle, he quickly made friends with everyone he met. Every public works driver, every cop in a police car would stop and get a Bugle from Bob as he delivered around the neighborhoods. If he was absent one week from delivering, counter-people at all the stores anxiously inquired why he was absent.

At our printers the pressmen all referred to him as "The General". When illness struck, the pressmen used to call the hospital to find out how he was getting along.

Through the years he got to know most of the mothers of The Bugle delivery boys. Often when he came by the boys' homes, a six pack or a package of cookies was left for him outside the door when he dropped off the papers. Long after he left The Bugle, one of the mothers was still sending him cookies.

About three years ago Bob suffered a stroke and was confined to Lutheran General Hospital. When the doctors saw his leg was damaged as well as one of his hands, they said he'd never be able to drive again. When he came home, therapists came to the house several times a week.

After many months of treatment Bob decided he was going to drive again. Driving was always his ticket to freedom and he refused to bow to the doctor's prediction. Today, he has learned to pivot and drag his weakened leg enabling him to get into his car. After driving up and down his driveway many times, he declared himself fit to drive again. Last week, as he approached 80 years old, he passed his driver's test again.

Bob can be a bit cantankerous. He refuses to have anything to do with senior citizen centers. This 80 year old guy refers to seniors as a "bunch of old codgers." He's been critical of anyone who slows down and takes it easy. He just doesn't understand anyone who isn't going full-steam ahead.

Not only is he a bit cantankerous but he also grows a lot. During his Bugle days he used to growl at the girls in the layout room. When the negatives and plates had to go down to the printer, he didn't countenance any deviations of time from our schedule. Whether the paper was 20 pages or 56 pages, the schedule was for a certain time and he was ready...and you damn well better be ready too.

If you can catch up with Bob, you might find him down at the Glenview train station, sitting in his car and watching the trains go by. He has a great love for trains and he'll wander around the country in search of trains, train museums and anything which falls under the heading of train lore and train paraphernalia.

While the doctors made him cut back on the brandy sniffing, he still enjoys a cigar, good bad. If you venture in to his car, the fumes convince you the El Ropes are all bad.

The love note ends here. We're just writing about a very good human being who has always lived a good life. He just doesn't understand for a 110% effort. And he lived a life of dignity, both on the job and after hours.

He's been a widower during the years we've known him but always speaks with much fondness about his wife, his kids and his grandchildren.

Eighty years is a nice round number. He has been granted a longer life than most people. But if there's somebody up there who keeps score, he/she chose the right person to become an octogenarian.

superior Oak Park team at Niles West stadium. His team came up 90 feet short losing 5 to 4.

Trailing by one run in the final inning Notre Dame's Mike Campanile led off the final seventh inning with a single. Oak Park's left-handed pitcher, Scott Nelson, kept the runner close to first base while he retired the next two batters on fly balls to the right fielder. With Tom Elenz at bat Campanile took off for second base forcing the Oak Park catcher to throw the ball into center-field. Campanile advanced to third base on the throwing error before Elenz ground-out to the end of the game.

Notre Dame had a chance to break the game open in the second inning. Two errors and a late throw on a sacrifice filled the bases for Notre Dame with nobody out. Singles by Gillen and Huber brought in two runs before Oak Park pitcher Scott Nelson settled down and retired the next three batters on two pop-ups to the first baseman and a strike-out.

Oak Park went ahead 4 to 2 in the fifth inning scoring three runs on three singles and two errors.

Notre Dame came back in the sixth inning with Gillen hitting a triple driving in Fraenhoffer and scoring himself on a single by Campanile. Oak Park retaliated with one run in its half of the sixth inning which proved to be the decisive winning run.

Notre Dame pitcher Mike Slowik was in a game he's not likely to forget. He made a great defensive play slapping a hard grounder and forcing a runner at homeplate cutting off an Oak Park rally. In a middle inning Slowik stopped a line drive with his own mid-section. He writhed in pain on the ground for several minutes before continuing to pitch.

Slowik showed his own brand of courage, not unlike the riverboat gambling coach who almost stole a championship from Oak Park in his final inning as coach for Notre Dame.

Free seminar on successful money management

This free seminar will help you plan a sound future. Learn how to manage your income, what investments to make, how to apply tax laws to your advantage and much more! The goals of the seminar are three-fold:
A. To review the complex financial problems confronting us in today's economic environment.
B. To review the large variety of options available for solving these problems.
C. To help determine which options are most practical and sensible for the needs of each individual.

The day is Thursday, June 14, at 7:30 p.m. at the Rec. Center, 7877 Milwaukee ave. There is no fee required, however we ask that you register with us by calling the Niles Park District at 967-6633 before Tuesday, June 12.

be torn down unless it is moved to the park.

The cost of relocating and renovating the building is estimated at \$50,000, of which the society has raised \$28,000.

The remaining \$22,000 will come from public donations and the bank, which will match certain contributions during specific times on June 15 and 16.

A special display will be set up both days in the bank lobby at 6201 Dempster for the purpose of attracting interest and donations, announced bank president Randall J. Yenrich.

Representatives of the society will be on hand to accept cash and phone pledges.

"This house is rich in tradition and closely identified with the history of Morton Grove," said Yenrich. "It would be a shame if it were eliminated from the scene."

"Our bank, now a member of Mid-Citco, Inc., has always been involved in worthwhile community projects and will continue to be," he added. "That's why we support the efforts of the Morton Grove Historical Society and will help them meet their goal."

If the house is saved, it will be restored and situated near the northeast corner of the park's pool parking lot and become a museum open to the public.

The building was constructed in 1888 and initially occupied by Nicholas and Magdalene Haupt. Their daughter, Elizabeth Haupt Yehl, and her husband, Mathias, eventually bought the frame house.

Their daughter, Dorothy Yehl, is the current resident of the home, while their son, Howard Yehl, assists in the maintenance.
