Lutheran General Flea Market

A huge two day flea market sponsored by the Lutheran General Hospital Men's Association will be held Saturday and Sunday, August 25 and 26, in the hospital parking lot at 1800 W. Dempster st., in Park Ridge from 8 a.m. to 4 p.m.
The Men's Association is a philanthropic volunteer organization of local residents and businessmen who are dedicated to community service, and working together with all Lutheran General Hospital groups for this purpose.
Bob Budler, Executive Secretary of the Men's Association, urges all Chicago area and northwest suburban residents to gather up those still usable but no longer needed items that are gathering dust in their homes.

Art and Craft Fair at Golf Mill Park

Golf Mill Park, located at Church and Cumberland ave. in Niles will be the site of an Arts & Crafts Fair on Saturday, July 28 from 10 a.m. to 5 p.m. The Fair is being sponsored by friends of Scott Riesinger, an 11 year old Niles resident who was struck by an automobile in September of 1983. Scott sustained severe injuries which have required extensive medical treatment and therapy. Treatment for Scott has brought medical expenses to nearly \$250,000.00 thus far. All proceeds from this event will go to the Scott Reisinger Trust Fund.
Plans for the Fair include 84 booths at which crafters will display and sell a variety of hand crafted items. Also, raffles have been planned and refreshments will be available.

Appliance store to build facility on Golf Road

OK Fretters; veto Dunkin' Donuts

At Tuesday night's village board meeting Dunkin' Donuts was turned down in its request for a store at 7123 Dempster and Fretters Appliance store received approval to build a store at 2858 Golf rd., across from St. Isaac Jogues. The B-1 to B-1 zoning for Fretters overturned a Niles zoning board decision which denied the zoning. The Fretters' approval was part of a pre-annexation agreement which would annex the location into Niles.
The Dunkin' Donuts turnaround by Niles came after the company's traffic engineer contended traffic would not be greatly in-
creased by adding a new store to the area. He said the traffic was already on the street and the majority of the traffic would be coming at the peak morning hours heading east on Dempster St. He said 80 to 85% of the traffic already exists on the street.
Village trustee Abe Selman, a resident in the Chesterfield area, said the Dempster-Waukegan-Harlem traffic lanes are solid during the peak hours and the Shermer-Dempster intersection is a high-accident rate area. He said the additional facility would result in restricting the free flow of traffic and would be a burden.

From the Left Hand

by Bud Besser

Niles was listed as one of the 110 "safe places" to live in the United States.

In a new book, "Safe Places For The 80's", authors David and Holly Franke chose Niles, along with Hinsdale, Lake Forest and Palos Heights, as low crime rate towns in Illinois whose communities are also stable and pleasant places to live. Thanks to Niles number one public relations booster, Curt Hockett, Niles Chamber of Commerce executive director, we were furnished with the book.

The book, published by The Dial Press, Doubleday & Company, chose 110 communities from 2,613 towns of more than 10,000 population, which reported 1980 crime statistics to the F.B.I.

In choosing the 110 safe towns they separated the "Dumpy" (ugh) towns from the "Nice" towns, a characteristic which leaves the reader with a conclusion the book is somewhat pretentious and superficial. Nevertheless, the authors toured part of the country for three or four months and concluded Niles was among the 110 safe places they would recommend for good living.

Niles crime rates were 2,474.5 per 100,000 population in 1980. It was comparable to

Kohlerman honored by village for service

Father Charles Kohlerman received a plaque from the village board Tuesday night for his 13 years of service to Niles. Kohlerman recently returned to Notre Dame High School as assistant principal.
Village President Blase said Kohlerman served the community in many different functions: He pioneered the bus system, he brought the village into the 20th century in upgrading its water facilities; he was responsible for creating Niles computer system which Blase said is the most active and modern in all the suburbs; he was Niles first full time financial chairman.
The village president said Kohlerman worked for 13 years but gave 30 years of work to Niles. Kohlerman spent as much time in village facilities as he did outside, often working late into the evening hours. Blase said there was no way Kohlerman could ever be repaid for his efforts as he put his heart and soul into his work from 1971 to 1984. Blase said there has never been anyone more deserving of this recognition.
In accepting the plaque Kohlerman said it was a great pleasure to serve Niles. He said he appreciated every moment of it and "I learned as much as I gave". He added he gained tons of knowledge and experience and he would be taking it back to Notre Dame High School where the young men would benefit from it.

Village of Niles summer hours

Des Plaines resident (l) Edward V. Edens, was sworn in as an assistant state's attorney by Cook County State's Attorney Richard M. Daley during a recent ceremony at the Daley Center.

A graduate of Kent Law School, Edens was one of 14 new attorneys sworn in as new county prosecutors.

Senior Center proclaims August Stop Smoking Month

The Niles Senior Center has proclaimed the month of August as Stop Smoking month. Several activities have been scheduled to provide information and to encourage any senior who wants to stop smoking.

On Wednesday, August 1 at 1:30 a panel of experts will talk about their personal experiences, the trials and successes, of stopping smoking. These experts are members of the Niles Senior Center who used to smoke but have quit.

On Wednesday, August 8 there will be a Smoke Out at the Senior Center. Members who smoke

will be asked to take a day off from smoking from 9-4 while at the senior center. There will be no smoking in the building that day.

On Wednesday, August 15 at 1:30 Christine Frisoni, RN geriatric nurse practitioner will talk on "So You Want to Stop Smoking? What Next?" and will discuss different resources available to assist people to stop smoking.

There will be free stop smoking literature available at the Senior Center throughout the entire month.

Vacation car check up

Your car owner's manual may be the most important step in pre-vacation vehicle maintenance, according to Bob Watrobka, senior service specialist of the AAA-Chicago Motor Club's Approved Auto Repair service.

"If you haven't been following the recommended maintenance schedule, a few weeks before a driving vacation is a good time to catch up," says Watrobka.

"You could need an oil change, new filters, new sparkplugs and a lube job. It may also be time to check whether your engine is performing at peak efficiency."

Check the levels of all vehicle fluids, being careful not to get specks of dirt in the fluid. Also check windshield fluid and condition of wiper blades.

"Remember that the radiator coolant is important not only in cold weather but in hot temperatures, too," the AAA-CMC specialist cautions. If the level is low, add a 50-50 solution of anti-freeze and water. Check the potency of the coolant with a hydrometer.

Replace belts that are cracked or frayed and hoses that are brittle, soft or bulging. Loose clamps should be tightened. Check tires, including the spare, for proper tread wear and pressure. The proper pressure usually is given in the owner's manual and on a sticker in the glove compartment or on the driver's door, according to Watrobka.

"Many service facilities offer specials on summer or vacation check-ups," Watrobka says. But make sure the mechanic gets your approval before proceeding with necessary repairs.

Search for Orchard Center director intensifies

With the naming of a committee of former OMC presidents and community leaders, Orchard Mental Health Center of Niles Township has set in motion the process of replacing retiring Executive Director Mel Greenstein.

Search Committee Members include former presidents James Richter, now of Lake Forest; Chalotte Goodstein and Reggie Kane of Skokie; Vivian Medak of Lincolnwood; and Ron Henrich of Morton Grove. In addition, Judith Bloch of Skokie, current Vice President and member of the Search Committee when Mr. Greenstein was recruited 14 years ago; Susan Armstrong of Chicago, a member of the clinical staff since 1974; and Stanley G. Harris, of Lincolnwood, current

President, serve on the committee.

According to Chairman Kane, "We have advertised in association publications and informed graduate schools of social work and psychology of our need. Orchard Center provides essential services with strong support from the State Department of Mental Health and local government. Our fine staff deserves the best leadership!"

Minimum requirements for the position include a Master's Degree in a related field and five years of administrative experience. Salary will be commensurate with qualifications.

Applications should be mailed to Search Committee, c/o Stanley G. Harris, 6956 N. Kolmar ave., Lincolnwood, 60666.

Better service to Cook County motorists

Sec. of State Jim Edgar announced a three point program Thursday designed to improve service to Cook County drivers beginning the week of July 16.

Starting that week, Cook County Secretary of State facilities (except those at 150 W. and 188 W. Randolph in Chicago) will be open Wednesdays from noon until 8 p.m. Hours for Monday, Tuesday, Thursday and Friday will continue to be 8 a.m. to 5 p.m.

"Wednesday evenings are our busiest hours of the week in Cook County," Edgar said. "With this change in hours, we will be able to better serve the many working people who apply for drivers licenses and vehicle registrations Wednesday evenings by having a full staff available at Cook County facilities."

Edgar said the current 8 a.m. to 8 p.m. Wednesday schedule requires split shifts, resulting in reduced workforces in the morning and evenings. Surveys conducted by Edgar's staff indicated Cook County motorists would be better served by the Wednesday hours change.

As a result of the change, persons applying for drivers licenses at facilities offering road tests will be able to take driving exams until 7 p.m. on Wednesdays when daylight savings time is in effect. Road tests are not given after 5 p.m. during winter months due to darkness.

Also beginning July 16, the Hillside facility, located at 101 N. Wolf rd. in the suburb, will begin giving road tests. It presently serves as a drivers license renewal facility only.

"We are pleased to provide these expanded services to Cook County motorists," Edgar said. "We are constantly evaluating our service and facilities to provide Illinois motorists the best and most efficient service possible."

All Maine Township residents are invited to attend an open house celebrating the dedication of the new Maine Township Town Hall from 2 to 5 p.m. Sunday, July 29, at 1700 Ballard rd., Park Ridge (between Potter and Greenwood).

Township Supervisor Paul K. Halverson will conduct a dedication ceremony at 2:30 p.m. with township officials participating. Former township officials, local government officials and state and federal representatives have been invited to attend the dedication.

Refreshments will be served and guests will be able to tour the new township government headquarters. The new Town Hall is housed in a spacious remodeled building, formerly a church designed by Lloyd Wright, son of renowned architect Frank Lloyd Wright.

Purchase of the building and its remodeling were funded entirely with federal revenue-sharing monies.

Township offices were moved to the new facility last Jan. 16.

from cramped headquarters at 2510 Dempster st., Des Plaines.

Halverson said, "The new Town Hall is centrally located with a large adjacent parking lot and spacious meeting rooms available to all non-profit community groups.

"We urge everyone to stop by Sunday afternoon and see the new facility."

Gem-Wise Jewelry fashions, facts, fancies

By Bill Rand

THE CUSTOM LOOK

A gift, whether for a loved one or yourself, is particularly special when it is designed around the personality, physical features or taste of that person. Jewelry takes on meaning that goes beyond its beauty when it reflects this extra care.

Engagement and wedding rings may be customized to look unique or to satisfy taste that is not catered to by stock settings. The gold may be polished or textured in a selection of colors. The design may be plain or ornately decorated with hearts and flowers. The rings may be set with a single diamond or a spray of small gemstones.

A loose gem may have been purchased in the past or recovered from grandma's brooch. This can be worked into a ready-made design, or a setting can be designed around it.

An old piece of jewelry that has worn thin or lost its excitement can be redesigned to make use of the gemstones. An old diamond may even get a whole new lease on life with recutting to modern proportions.

At Rand Jewelers we keep you involved every step of the way in designing your unique jewelry. We start out by showing you sketches, and then upon your approval, we cast the mountings in gold or handmake it completely and secure the gemstones. We're jewelry artisans, so we take particular pleasure in the creative process of making your fondest dreams a reality.

Judge Jordan to co-edit legal newsletter

Judge Michael S. Jordan of the Circuit Court of Cook County was recently appointed to serve as co-editor of the Newsletter of the Bench and Bar Section Council of the Illinois State Bar Association for the 1984-85 fiscal year.

The purpose of the Branch and Bar Section of the Illinois State Bar Association is to improve communication among state and federal judges, the State Bar Association and the practicing bar and to promote and work for modernization and improvement of the court system and the procedures therein.

Judge Jordan, who lives in Glenview, was appointed to the branch in 1974. He is now assigned to the trial division of the Domestic Relations Division of the Court. Judge Jordan is a candidate for election as a Judge of the Circuit Court in a county-wide election in November and was rated "highly recommended" by the Chicago Bar Association. The Chicago Council of Lawyers stated, "Jordan is widely praised as best judge in his division. He is bright, thoughtful and caring, has unusual ability to calm the

Judge Michael S. Jordan, lawyers and litigants, demonstrated integrity, independence, and courage."

Township flea market is huge success

More than 1,200 people were attracted to a unique community flea market at the Maine Town Hall Saturday, July 14. The flea market, which capped Maine Township's Social Service Awareness Week, was "a huge success," according to Township Supervisor Paul K. Halverson. "Area agencies were able to sell new and used merchandise to raise funds for the many social

service programs they provide. And the public found not only bargains but also a wide array of literature and information on social service programs available in Maine Township," Halverson said. Twenty agencies participated in the event. More than 200 visitors took advantage of free blood pressure checks offered all day. Children were greeted by a clown and received free balloons and treats. Earlier in the week, the township's third annual Agency Day drew 105 representatives from 77 agencies that provide social services to township residents. This program is designed to serve as a seminar and information exchange for area social service agencies, Halverson said. Keynote speaker Janet Otwell, director of the Illinois Aging Department, highlighted new directions in programs for the elderly.

Participants also heard a legislative update presented by State Sen. Bob Kustra and a review of the state budget for human services by Jack Ellinger, division chief of the Illinois Bureau of the Budget.

Halverson said, "We initiated Agency Day three years ago in order to foster greater cooperation and avoid duplication of services among agencies serving Maine Township residents. The event has grown each year, and this year we expanded our effort to include the flea market as a way of acquainting the public with the many agencies that serve the community."

To highlight these two events, the township proclaimed the week of July 9 through 14 "Social Service Awareness Week," he said. "We are very pleased with the success of both events and plan to repeat them next year," Halverson said.

OCC Fall advisement workshops

Students planning to attend Oakton Community College this fall can attend advisement workshops and register prior to Final Registration if they apply to the College by July 23.

Telephone registration continues through August 2 for part-time continuing students and new students who have received their letters of acceptance. By calling 635-1616 between noon and 3 p.m. on any Tuesday, Wednesday or Thursday, part-time students can save a trip to OCC.

Students who don't register during advisement workshops or telephone registration will be able to sign up for classes during Final Registration August 20-21, from 10 a.m. to 12:30 p.m. and 5:50 to 7:30 p.m.

Full classes begin August 27 at OCC/Des Plaines, 1600 E. Golf rd., OCC/Skokie 7701 N. Lincoln ave., and several off-campus locations throughout the community.

Tuition is \$17 per credit hour for in-district residents. In-district residents 60 years old and over are eligible for a 50 percent tuition reduction, and in-district residents age 65 and over may be given free tuition if they meet certain financial guidelines.

For further information, call the Office of Admissions, 635-1700 (Des Plaines) or 635-1400 (Skokie).

"Camping Hints" available in Tel-Med System

Lutheran General Hospital's Tel-Med tape for the month of July is entitled, "Health Hints for Campers." Tel-Med is a series of audio tapes designed to provide health-care information, without charge, to individuals in the privacy of their homes. Lutheran General Hospital, Park Ridge, offers over 200 of these tapes for public use, highlighting a tape of special interest each month.

"Health Hints for Campers" talks about some of the problems that can occur while camping and explains how to deal with them. Topics include snake bites, ticks, and swimming safety.

The three to five minute pre-recorded health messages are available Monday through Friday, between 10 a.m. and 8 p.m. To hear "Health Hints for Campers," call 696-5525 and ask for tape number 1081. A listing of all Tel-Med tapes is available upon request.

Des Plaines mayor joins Little City drive

State police patrol border

The Illinois State Police, along with municipal, county and bordering state law enforcement agencies joined forces Friday night, June 29, from 11 p.m. until 3 a.m. Saturday morning to conduct approximately 45 Roadside Safety Checks statewide for drivers license, vehicle equipment and driving under the influence violations.

Illinois State Police Superintendent Laimutis A. Nargelinas stated, "The combined effort included 200 troopers and 150 other state, county and local officers from Illinois, Iowa, Missouri and Wisconsin to staff the checks. There were 180 persons arrested for D.U.I. and 441 for alcohol related offenses." Superintendent Nargelinas additionally stated "This program demonstrates the harmonious cooperation of all law enforcement agencies in traffic enforcement and accident reduction throughout the State of Illinois and neighboring states."

The Roadside Safety Checks are made possible through a Federal Highway Safety Grant, which is administered by the Illinois Department of Transportation. These funds have been authorized to utilize off-duty troopers to place emphasis upon enforcing Driving Under the Influence (D.U.I.) violations. During the past two years, approximately 1.5 million dollars, in Federal Highway Safety monies, have helped to fund the Removal of Alcohol Impaired Drivers (R.A.I.D.) from our highway, according to Division of Traffic Safety Director, Melvin H. Smith.

Illinois has experienced a reduction in fatalities for the sixth consecutive year and is presently showing a reduction this year.

"It is important to remember that if you are stopped at one of the Roadside Safety Checks in the future, remain calm and comply with the officer's direction. You will only be inconvenienced for a short-time. These checks are conducted for the safety of everyone who travels Illinois Highways", Superintendent Nargelinas added.

Captain Hugh S. McGinley, Commander of District 15 State Police in Oak Brook stated, "Vehicles were checked at the Waukegan and South Beloit Toll Plazas, 9 arrests for D.U.I. and 34 arrests for other alcohol related violations were made by our troopers. In addition to these arrests, 44 criminal, 135 drivers license and 103 equipment violation arrests were made during the combined effort. A total of 749 warnings were also issued."

letters to the editor

Candidate Sohn thanks volunteers

Dear Editor:
I would like to thank the volunteers, the public, and all those who helped and participated in the walk through the 9th Congressional District last weekend.

The purpose of the walk was to meet my fellow constituents and to give me an opportunity to learn first-hand the problems and concerns of the citizens.

I'm proud to say that the objectives were accomplished. I met, talked, walked and discussed problems with the people of the 9th District and learned a great deal. One of the lessons that came home to me graphically and repeatedly, was the desire of the people for new leadership, new ideas and more dedication to task. I believe I'm the solution, the man who can deal with the

problems and provide the solutions and the needed leadership. Please permit me to elude to the campaign's future. We plan on continuing to talk and communicate with the voters of the district. I plan to continue to point out the inadequacies and lack of concern that my opponent repeatedly demonstrates. Again, let me say, thank you for the

warmth, enthusiasm and support I received on the walk. I look forward to meeting each and every voter and citizen of the district. I feel that with your continuing support, votes, and prayers, victory will ultimately be ours.

Sincerely,
Herb Sohn
Republican for Congress
Ninth Congressional District

"Besser makes us feel we count"

Dear Bud:
Your article, "Builder Vetos Lot Agreement," in the June 28, 1984 Bugle was right on the money! Your reporting presented all the facts and I wanted to thank you for your efforts to bring all the issues to the public. You seem to have your finger right on the pulse of our community operations. It's refreshing to read the truth for a change. You and your paper have consistently met your journalistic responsibility by reporting the whole truth to the community.

The motto of Niles is "Where People Count", and that may be so but it doesn't necessarily mean that they are the residents. Ray Adreani is not a resident of Niles and Norwood Builders is not a Niles business—therefore, neither pay taxes in Niles nor support the community.

So this resident of Niles and all the residents of our little area want to thank you, Bud Besser, for making us feel we count!

Sincerely,
Edmund J. Habryl

Seeks aid for disabled on Niles buses

Dear Editor:
We compliment you on your new taxi assist program. However, this program falls far short of meeting the needs of the severely disabled, for example, cardiac or stroke patients, arthritic and quadriplegics who are unable to transfer.

One of our loyal members Louis Hall, who is one of more than 700 members in the Vaughan Chapter which covers the Chicago and suburban area,

reported to us that new buses were purchased and none had lifts for wheelchair people. Our national policy is for a para transit system and eventually regular buses having lifts in high traffic areas.

We hope the changes will come about in Niles village soon.

Sincerely,
George Dempsey

1 Year-Joseph Bartel, Wendy Birch, Kathy Brandt, Scott Harding, Cheryl Jensen, James Kallas, Donna Lomax, Suzanne Schumanna, Cathy Sears, Karen Voorhees.

The Church is most grateful to the Acolyte Supervisors, past and present, and for these fine young people whose loyal, faithful and willing service adds much to the beauty of Worship.

Niles Assembly of God

Kids are important at Niles Assembly of God. The recent Kid's Bible Hour was an opportunity to bring the Good News about Jesus Christ to them through music, puppets, clowns and Bible stories. If you would like more information about children's ministries at Niles Assembly of God, call 794-1148.

The next Home Bible Study is Friday, August 3 at 7:30 p.m. It meets at the Seomo's, 7731 W. Jerome (1/2 block south of Howard at Overhill). The study is currently dealing with the spiritual warfare encountered in the Christian walk.

Niles Assembly of God meets weekly in the lower level of the Niles Sports Complex, 8435 Ballard rd. Service begins at 10:30 a.m. on Sundays. Everyone is welcome, including children!

Niles Community Church

Guest minister at the Niles Community Church (Presbyterian, USA), 7410 Oakton st. on Sunday, July 29 during the 9:30 a.m. worship service will be the Rev. J. Wayland McGlathery, Pastor Emeritus, Warren Park Presbyterian Church, Cicero.

There will be no church school classes during the summer months; however, care for pre-school children will be provided during the service.

If you are not regularly attending the services of another congregation in the area, a cordial welcome awaits you every Sunday at Niles Community Church.

Summer sessions on biblical numbers

"Biblical Belief-Modern Disbelief," a 2-session summer seminar, led by Rebecca Glass and Gail Gotskind, will be held from 1:30 to 3 p.m. on Thursdays August 9 and 16 at the Mayer Kaplan Jewish Community Center, 5050 W. Church st., Skokie.

Session I is entitled "Magic: Believe it or Not" and Session II deals with "The Jewish Numbers Game" - biblical numbers and their meaning. Glass and Gotskind are well known for their courses on Women in the Bible and related topics in Judaism.

Advance registration is required. Fee for the two sessions is \$10 for members and \$12 for non-members. For additional information regarding registration, call Pearl Karp 675-2200 ext. 218.

Golden Wedding Anniversary Mass at Holy Name

Joseph Cardinal Bernardin, Archbishop of Chicago, will celebrate the annual Golden Wedding Anniversary Mass on September 9, at 3 p.m. at Holy Name Cathedral, State and Superior streets, for hundreds of Chicagoland couples celebrating their 50th wedding anniversaries this year.

Rev. George J. Rassas, Director of the Office for Marriage and Family Life, said "In this day of temporary or shallow commitments in so many areas of life, it is strong and beautiful witness to the sacrifice and challenge of married living and family life to see so many couples come and give thanks to the Lord for his strength and help during happy

St. John Lutheran registration day

The Board of Christian Education of St. John Lutheran School (Missouri Synod) announces that the final day for Registration will be held on Thursday, August 23, from 2 to 5 p.m. and 7 to 9 p.m. On hand to answer all questions will be School Board members, Parent Teacher League officers and Staff members. Enrollment will be accepted until classrooms are filled. Limits have been set, and if you do not pre-register and the class you desire is filled, you will be placed on a waiting list. The Christian Day School of St. John is located at 7429 N. Milwaukee ave. (near Harlem ave.) in Niles. Openings in Pre School through Eighth grade are currently available. Classes will resume with an Opening Day Chapel Service led by the Reverend Thomas K. Stoebig, pastor of St. John, on Tuesday, Aug. 28, at 8:45 a.m.

St. John Lutheran School has a fully accredited Early Education Program with emphasis on Christian Education and the importance of a positive, individualized learning and play environment. The Staff at St. John create a Christian community where attitude and knowledge are enlightened by faith and shared by teachers and students in the spirit of Christianity and love. Good discipline is essential, and at St. John it is based on the Biblical concept of a balance between love and control. Good behavior and respect for authority are expected from the students who receive love and concern from their teachers. Also offered is a daily Athletic Program, an outstanding Music Program, and the addition of Computer Science.

You are invited to step forward and make a commitment to provide your children with an excellent academic and spiritual education. St. John Lutheran School ranks

at or above most schools in the area - public or private - in the areas of spiritual, academic, and physical education. Children need the moral and spiritual training offered by caring Christian teachers.

The teachers and staff of St. John Christian Day School are dedicated, concerned and loving, and offers the community an excellent place for a good Christian education.

Vacation Bible School at St. John Lutheran

On Friday, July 13, a closing service was held in the evening at St. John Lutheran Church (Missouri Synod) for their annual Daily Vacation Bible School. Classes were held daily for the week of July 9 through 13 for children ages 3 through 6th grade. The special theme this year was: "Jesus Is My Answer."

The Reverend Thomas K. Stoebig, pastor of St. John, opened the evening Service with prayer. All the children who had participated in the Vacation Bible School sang their theme song, "Jesus Is My Answer." The Middle Class (students who have completed grades 3 and 4), taught by Mr. Matalyne Wandel, aided by Miss Samantha Clark, sang "Wise Man... Foolish Man"; the Nursery Class (3 and 4 year olds) were taught by Mrs. Arletta Stuebe, aided by Mrs. Agnes Diehl, Mrs. Irene Hein, Miss Tracy Cappola, Miss Ruth Linnemann, and Chan Ho Park, sung "I Love the Stories of Jesus" and "The Beginner Class (students who are entering Kindergarten through 1st grade) were taught by Mrs. Kristin Stoebig, aided by Miss Elizabeth Clark and Miss Julie Joseph, sang "Choose You This Day" and "We Are The Church"; the Primary Class (students who have completed grades 1 and 2) were taught by Mrs. Joyce Knapp, aided by Miss Annie Radecki, sang "Mustard Seed Faith"; and the Junior Class (students who completed grades 5 and 6), taught by Pastor Stoebig and Mrs. Lydia Hinz, sang "Behold! Behold!" At the closing of the Service; the Congregation joined the children in singing, "Jesus Is My Answer." Refreshments were served following the Service at a Fellowship Time held in the Meditation Garden.

Seek flea market vendors

Flea Market at the Oakton Park Pavilion, 2800 Oakton, will provide residents an opportunity to display and sell their art or handcrafted objects to all who come to the Park Ridge District's Annual Flea Market on Sunday, August 5. There will also be other merchandise on display where residents may purchase miscellaneous but useable equipment, appliances or furniture. Vending spaces are \$5 for Park District residents; \$10 for non-residents; and must be reserved by August 1. Doors will be open to the public from 10 a.m. to 3 p.m. on August 5.

Lutheran General Toy Drive

Lutheran General Hospital, Park Ridge, is calling all toys, books, and puzzles in need of a good home. The toys collected in this drive will benefit children in the Pediatric and Adolescent Units at the hospital. The drive will be held in the lobby of the hospital from 9 a.m. to 6 p.m., Monday, August 6.

Suggestions for needed toys include: simple puzzles, picture books, records, board games, playing cards, music sheets and books, models, electronic games, and any craft supplies. Other new and used toys are welcome. It is requested that toys be clean and

in good condition. "Toys become particularly important for hospitalized children due to the fact that they are taken away from their home environment. Toys and games help to create a positive atmosphere and aid in meeting the developmental and psychological needs of the patients," comments Linda Cronkrite, organizer of the toy drive.

The toy drive is sponsored by the Child Life Department of Lutheran General. Pick-up service for toys can be arranged by calling Linda Cronkrite at 696-7747.

Arrest driver with suspended license

A 50-year-old Chicago man was arrested after being found driving with a suspended drivers license in Niles on Monday, July 23.

The man was driving south in the 7300 block of Harlem ave. when police saw him turn right on a red light at an intersection which had signs posted prohibiting such a turn.

After stopping the Chicago driver police report the man said

he did not have his drivers license with him.

However, a computer check of the driver indicated his license had previously been suspended.

The Chicago man was taken to the Niles Police Department where he was charged with driving with a suspended license and making an improper turn.

He was assigned a September court date and released after posting a \$100 bond.

Thief steals auto parts

Thieves removed parts from a Niles auto during the night of Friday, July 20.

Police report that a 1977 Chevrolet Caprice belonging to a resident of the 8800 block of Golf rd. had been left parked in a lot next to the building.

Some time during the night thieves used a screwdriver to remove a tail light, lens and frame.

The Niles car owner said the replacement cost of the tail light, plus labor, came to \$110.

Arrest shoplifter

A 44-year-old Mt. Prospect woman was arrested for shoplifting in a Niles store on Monday, July 16.

The Mt. Prospect woman was reportedly shopping at Toys R Us, 9555 Milwaukee ave., when she was seen by store security guards placing two Lego power packs into her purse. The power packs were priced at \$25 each.

After being detained the woman was taken to the Niles Police Department where she was charged with shoplifting, assigned a September court date and released after posting a \$100 bond.

Bug light stolen

A Niles resident told police that his electric bug light was stolen from his backyard during the night of Sunday, July 15.

The resident, who lives in the 8100 block of Ozark st., said during the night unknown persons took the Weber bug light which had been hanging on the side of the garage.

The light was valued at \$120.

Diamond ring reported missing

A Niles woman reported her \$1,500 diamond ring was stolen from her home some time between July 15 and 18.

The woman, who lives in the 7000 block of Madison st., told police she had taken off her one carat ring and placed it on a kitchen shelf on Sunday, July 15. On Wednesday, July 18, she discovered it had been removed from the shelf.

The woman told police that two carpet installers had been in her house working on Monday, July 16.

Thieves steal ice cooler

A Niles resident reported losing a cooler from her backyard during the night of Saturday, July 21.

The resident, who lives in the 8300 block of Olcott st., told police that during the night a thief stole a 42 quart Coleman cooler from a backyard picnic table.

At the time of the theft the cooler was filled with ice and 18 cans of pop.

Vandals break windows

A local savings and loan was vandalized some time between July 21 and 23. Officials of Niles Federal Savings, 7077 Dempster st., said vandals used some sort of pellet gun to shoot BB-type pellets through a Dempster st. glass door as well as a second exterior glass window.

The replacement cost of the windows was set at over \$200.

Drunk motorcyclist arrested

A 22-year-old Glenview motorcyclist was arrested for drunk driving and speeding in Niles on Wednesday, July 11.

Police report first seeing the Glenview man as he was driving a red light in the 7900 Milwaukee ave. area. Police immediately began pursuing the cyclist who was clocked as fast as 65 miles per hour.

A police car pulled in front of the cyclist in the 8900 block of Milwaukee ave. forcing the cyclist to halt.

While interviewing the driver police report he was swaying, confused, slurring his speech and had an odor of alcohol on him.

At the Niles Police Department the driver was charged with driving under the influence of alcohol, ignoring a red light, and speeding.

He was assigned an August court date and released after posting a \$100 bond.

Charged with marijuana offense

An 18-year-old Des Plaines woman was arrested for possession of marijuana while in Niles on Saturday, July 14.

The woman, along with three other youths, was standing on the sidewalk in the 7800 block of Nordica ave. at 1:19 a.m.

When police stopped the youths they found a plastic bag containing marijuana on the sidewalk behind the woman.

At the Niles Police Department she was charged with possession of marijuana and, following her being assigned a September court date, was released after posting a \$100 bond.

Arrest shoplifter

A 53-year-old Park Ridge man was arrested for stealing computer supplies from a Niles store on Sunday, July 22.

The Park Ridge man was shopping at Sears Roebuck and Co., 400 Golf Mill, when he was seen taking a Sears shopping bag from his pocket, place a number of computer discs into the bag, and then leave the store without paying for them.

Store security guards stopped the man outside the store. At the Niles Police Department he was charged with shoplifting, assigned a September court date and released after posting a \$100 bond.

Charge employee with theft

An employee of a local department store was arrested after using a credit card left behind by a customer on Friday, July 20.

Police report that a 19-year-old Chicago woman employed by Sears Roebuck and Co., 400 Golf Mill, had earlier in the day taken a credit card accidentally left behind by a customer.

At the end of her shift the employee used the card to purchase \$167 worth of clothing.

Before leaving the store the employee was detained by guards. After being taken to the Niles Police Department the employee was charged with unlawful use of a credit card, assigned an August court date and released after posting a \$100 bond.

Vehicles damaged by winds

Two vehicles were damaged during a violent wind storm in Niles on Friday, July 20.

The vehicles had been parked in the lot next to Butera Foods, 290 Golf Mill.

At 6:01 p.m. winds apparently lifted up a pick-up truck belonging to a Lake Bluff resident and threw it into a station wagon belonging to a Highland Park resident.

The station wagon had its left front bumper dented as well as a left front headlight broken.

Astros 13 - Padres 11
The Astros scored 5 runs in the last inning in a come from behind 13-11 victory over the Padres. Greg Skonberg led the attack with 3 hits and Tony Valle batted in 4 runs. Joe Watrach made 2 great plays at second base and also came in as a relief pitcher and got the side out when the Padres were rallying. Congratulations to Astro All-Star

Little League

James Henzi, Pete Mourlas and Tony Valle.

Red Sox 16 - Astros 11
Tony Valle was 3 for 4 including 2 triples and a double. Pete Mourlas also hit a triple and a single. Joe Watrach was 2 for 4.

A's 9 - Red Sox 9
Astros 3 - White Sox 3
The Astros and the White Sox played to a 3-3 tie in a game that was called because of darkness. The Astros pitching was excellent. T. Valle was outstanding as he did not allow a hit or a run in the 2 innings he pitched he faced 7 men and struck out 6 of them. Pete Mourlas pitched well in the clutch. With 2 out and the bases loaded he retired the White Sox cleanup hitter on a pop fly. Henzi walked the 1st 2 batters he faced and then struck out the next 3. Greg Dulski played very well at second base handling 2 chances without an error.

Yankees 7 - A's 6
In their final regular season game the Yankees defeated the A's 7-6. On the mound for the victorious Yankees were J. Freeman, J. Smith and D. Swanson. Jennie Smith went 2 for 2 and caught a line drive off the bat of Blease while playing at Shortstop. Also contributing hits were D. Swanson, J. Freeman, D. Corba and Marc Lazik who also had the game winning RBI. J. Mazik and B. Studland each scored a run on some quick baserunning. B. Stein did a fine job behind the plate. D. Osenberg, D. Perelgut and V. Sesso also hustled at their positions. For the A's, Wojciechowski, Phillos and Blease shared pitching honors. Phillos caught 2 line drives at short off the bats of Freeman and Osenberg.

White Sox 7 - Dodgers 2
For the White Sox, great pitching by Steve Bosco and Tony D'Aquisto. Spectacular hitting by T. D'Aquisto (Triple), Ricky Sheridan (Double), Brent Ferantale (Double) and Joe Vitale (2 Singles). Great hitting also by Steve Bosco, Brian Patterson, and Robby Palfy all with singles.

For the Dodgers, Mike Steiner, Andy Vitacek, and Ray Johnson all hit singles. Bill Ladra hit a double, Mike Lee started a double play. Ken Lubinski made a fine catch of a fly ball in 1st inning.

Cubs 36 - Dodgers 13
J. Steiner, M. Steiner, R. Johnson, D. Brown, and Bill Ladra hit singles. Ladra also hit a triple. Mike Steiner caught a high pop up for 3rd out in 2nd inning.

Congratulations to those picked to the Little League All-Star Team. Now come the savings.

The start-up tests are almost over. LaSalle County Station Unit Two, our newest nuclear generating unit, will be at full-power soon. In time to make a difference this year.

A difference in your electric bill. Because LaSalle County Station will be able to generate electricity for approximately six cents a kilowatt-hour. Which is approximately thirty percent less than a new coal-fired plant—the most economical alternative we've got—can do it for.

It adds up to a staggering savings. Three hundred and sixty million dollars in lower fuel costs from LaSalle One and Two in their first year of full operation.

It's the kind of savings that helped our six large nuclear units

at Dresden, Zion and Quad Cities pay for themselves nearly three and a half times over in barely more than a decade.

The kind of savings that helped reduce the electric bills of all our residential customers an average of eighty dollars last year. A savings that'll grow because of LaSalle.

Still, nothing we've said so far, no argument we could make on behalf of nuclear power, could convince us it was right for northern Illinois if we weren't convinced of its safety. If it hadn't passed the test of time.

You've been living with it, using it, benefiting from it for the past twenty-four years. Twenty-four safe years.

LaSalle is just carrying on the tradition.

Niles Park District Swimming/Diving Team

It's all in the numbers! Because of this, Niles Park District Swimming and Diving Team had a difficult time winning against River Trails Park District. Even though the high quality swimmers are there, the number of members on both the swim and diving teams is smaller than ever. Therefore, it is difficult to chalk up a win.

Once again the absence of a few good swimmers was felt. However those who were able to compete in the meet, turned in excellent performances.

With only five divers competing, the team still gave a good showing. All taking first place in their respective age competitors were: 10 and Under, Cathy Wilson, 13-14 Mark Kerschener and 15 and over, Mike Bobowski. Also competing was Coach Dave McFeggan who took second in 15 and Over and Annette Stolz Girls 13-14, who took Fourth.

A good job was done by all! Relay swimming captured many firsts, too. In Medley Relays, the results were as follows:

All First Places- Girls 8 and Under, Karen Garowski, Claire Pawlowski, Cathy Bilson and Kelly Geimer, Boys 8 and Under, Pat Sheehan, Darren Troch, Keith Lake and Mark Suchechi; Girls 9-10 Michelle Venci, Joy Krupa, Carolyn Bilson, and Jennifer Trenn; Boys 9-10 Greg Kellogg, Brian Caulfield, Todd Orloff, and Donny Knapp; Boys 11-12, Jeff Orloff, Eddie Nichols, Brad Pawlowski and Mark Salinger; and finally Boys 13-14, Jerry Kellogg, Bobby Knapp, Glen Kuzminski and Dan Tomaszewicz.

Not to be overlooked was the second place win and points, by the Girls 11-12, Val Kuzminski, Audrey Rosenfeld, Jennifer Zajdel and Colleen Caulfield.

Turning to the Free Relay results, more wins were added. First Places went to: Boys 8 and Under, Mike Ploog, Keith Lake, Patrick Sheehan, and Mark Suchechi; Girls 9-10, Jennifer Trenn, Cathy Bilson, Joy Krupa and Michelle Venci; Boys 9-10, Greg Kellogg, Glen Kuzminski,

Bobby Knapp and Dan Tomaszewicz. Red Ribbons for second place were awarded to: Girls 8 and Under, Karen Garowski, Claire Pawlowski, Carolyn Bilson and Kelly Geimer; Girls 11-12, Stephanie Cesna, Athena Kotsanis, Val Kuzminski and Colleen Caulfield; Boys 11-12; Brad Pawlowski, Eddie Nichols, Jeff Orloff and Brian Shevelenko.

A Third Place Award was given to Girls 9-10, Amy Pawlowski, Leslie Braun, Adrian Anile and Stacy Kotsanis.

Also putting forth much effort and capturing the fourth position was Boys 15 and Over, Kris Lake, Rick Divita, Mike Bobowski and Dave McFeggan.

Congratulations to all the First Place winners in their individual events!

The following were all "Blue Ribbon" achievers in one or more events: Vicki Meier, Girls 13-14 100 Free, Vicki also finished third in 50 Back and second in 50 Breast. Bobby Knapp, Boys 13-14, 100 Free and 100 I.M. Eric Salinger, Boys 11-12, 100 Free, 100

I.M. and 50 Breast. Mark Suchechi, Boys 8 and Under, 50 Free and 25 Back. Jennifer Trenn, Girls 9-10, 50 Free. Carolyn Bilson, Girls 8 and Under, 25 Breast and 25 Fly. Keith Lake, Boys 8 and Under, 25 Breast and 25 Fly. Jennifer Zajdel, Girls 11-12, 100 I.M., 50 Fly and 50 Breast. Cathy Bilson, Girls 9-10, 100 I.M. and 50 Fly. Sonja Tolksdorf, Girls 15 and over, 200 I.M. and a third in 100 Breast and 100 Back. Adriane Caulfield, Boys 9-10, 50 Back and 50 Fly. Brad Pawlowski, Boys 11-12, 50 Fly and Second in 100 Free. Brent Rutzen, Boys 13-14, 50 Fly and Second in 50 Breast and 100 I.M., also Third in 50 Back. Jerry Kellogg, Boys 13-14, 50 Back, and Glen Kuzminski, Boys 13-14, 50 Breast and Third in 100 Free.

Scoring Second Place points and adding to the Team's tally were: Dan Tomaszewicz, Boys 13-14, 100 Free and 50 Back; Colleen Caulfield, Girls 11-12, 100 Free; Darren Troch, Boys 8 and Under, 50 Free and 50 Back; Greg Kellogg, Boys 9-10, 50 Free; Joy Krupa, Girls 9-10, 50 Breast and

Third in 100 I.M.; Eddie Nichols, Boys 11-12, 50 Back; and Rick Divita, Boys 15 and Over, 100 Breast.

Coming up with Third Place Ribbons and bringing in more of those much needed points were: Mike Bobowski, Boys 15 and Over, 100 Free and 100 Breast; Claire Pawlowski, Girls 8 and Under, 50 Free; Val Kuzminski, Girls 11-12, 100 I.M., Donny Knapp, Boys 9-10, 50 Back; Stephanie Cesna, Girls 11-12, 50 Back, Athena Kotsanis, Girls 11-12, 50 Breast, and Traci Odishoo, Girls 13-14, 50 Breast.

Although the other enthusiastic and hard working members of the team did not place in the "top three" in individual Events, they did a fine job and contributed to the success by their loyal team spirit.

The team put forth much effort, however it was a 324 to 274 loss.

Both the coaches Kim Lake and Donna Peota were pleased with the team spirit and improvement, which is always displayed by the members. Good Luck to the team as the Conference Meet approaches!

Niles Nuggets semi-pro baseball team

The Nuggets regular season is winding down with only 3 conference games and 1 exhibition game left. We must win our last games to keep our hopes alive for conference play-offs. Out last two games at home will be on July 28 and 29, at Notre Dame, starting time 12:30. We need a lot of home town support, so why not come out and enjoy a hot dog and pop and cheer the Nuggets on to a victory.

The Nuggets only played one game this past weekend. Northbrook came to Notre Dame and beat the Nuggets 9 to 1. Jim Primis did a nice job of pitching striking out 8 batters. Marty Odo pitched very well in the last two innings, but the fame was not

to ours. Scott Madsen was swinging a hot bat and had himself a day! Scott was 4 for 4, hitting 3 singles and a double on his 4 trips to the plate. Nick Busija smacked the ball hard for two singles and on another well hit ball enabled our only run to score. Dan Mc Manus hit the ball hard down the left field line for a triple. Paul Minasian and Mort Schufreider each hit a single and Mort scored our only run.

The Nuggets have had some obstacles to overcome this year with an unusual number of injuries, but they never gave up. They have NUGGET FEVER and would like to pass it on to you when you come to watch them play!

Great America 10K For Life

Six Flags Great America announces plans for their first "Great America 10K For Life" to be held Sunday, September 9 at 8 a.m. The run, organized by Gurnee Running Club and sponsored by WMET-FM, Frontier Horizon and Coca-Cola, will benefit the Leukemia Society of America's programs of research, patient-aid, and education. Infection Control given priority at Holy Family

When you were a kid, your mother probably harped on you about washing your hands before dinner and taking a bath. If your mother worked at Holy Family Health Center, 2380 Dempster in Des Plaines, she'd be doing a job known professionally as "infection control."

Lorraine Hujar (pictured), infection control nurse at the skilled and intermediate care nursing facility, says infection surveillance is crucial in a long-term care facility. Although the position is common in hospitals, Holy Family is in the minority of nursing homes with a person in charge of infection control. Hujar writes and oversees policies and procedures for all departments, based

After serving the community for over 85 years the Visiting Nurse Assoc. continues providing quality nursing care in patients' homes.

Quality home care remains goal of visiting nurses

The Visiting Nurse Association has been providing professional home health care for over 85 years. The VNA serves people of all ages and in all economic circumstances. The VNA offers Professional Nursing where the nurse serves patients, under physician's orders, who are homebound and require health care services on a regular visit basis. In addition they provide a Personal Care and Bath Program when Medicare coverage is no longer available or when short-term help is needed. The Home Hospice Program supports families caring for a dying member at home.

'Prevention and Treatment of Sports Injuries' at Holy Family tonight

Julie Hunter, Exercise Physiologist in Holy Family's Cardiac Rehabilitation Department and Cathy Simmons, Registered Physical Therapist in Holy Family's Physical Therapy Department, will present "The Prevention and Treatment of Sports Injuries," from 7:30 to 9 p.m., Thursday, July 26, in Holy Family Hospital's Auditorium.

Common injuries associated with recreational sports like running, aerobics, bicycling, racquet sports and swimming will be discussed.

"Too many individuals are just pushing themselves too hard when exercising," Hunter said. "There's a fallacy surrounding exercise: No pain, no gain. Granted, you may have muscle pulls and fatigue, but most people aren't paying attention to their symptoms of pain."

"Some of the most common causes of injuries," Hunter added, "are overtraining, poor con-

ditioning and increasing the intensity and duration of your exercise program much too quickly."

Hunter and Simmons will offer practical, preventive measures to reduce the risk of injury. Starting your exercise program slowly, exercising regularly, warming up before exercising and cooling down afterwards are a few examples.

The treatment of most minor sports injuries will also be discussed. "When treating an injury, remember the word RICE," Hunter advises. "That is, Rest, Ice, Compression and Elevation. People used to think heat was the

proper treatment for muscle pulls and soreness. Now we know, for the most part, that ice works best," she added.

Despite the risks associated with exercise, it does have its benefits. "Exercise is good for your heart, helps you control your weight, improves your self-image and self-esteem, decreases stress and releases nervous tension," Hunter said.

America's sporting habits outlined in new attitude study

While more than half of all Americans regularly participate in exercise or sports, walking is the most popular exercise for one-third of the respondents in a national footcare study.

Research was conducted by the Gallup Organization for the American Podiatry Association (APA) in an effort to further educate Americans about the benefits of good foot health. Also walking, tennis and racquetball were the most popular sports. These were followed by field sports (football) and running.

The study also found that sports-related injuries are on the rise. Within the past two years, more than one out of every ten respondents had been injured while participating in a sport. Incidence of injury was highest among those in the 18-24 age group, and men were twice as likely to injure themselves as were women. More than half of all injuries to

men occurred while playing softball or football. At the same time, more than a quarter of sports related injuries to women happened during jogging or running. Racquet sports accounted for the second highest incidence of injury (14 percent), followed by running and jogging (13 percent).

Some 24 percent of the respondents said they hurt a knee while involved in sports. Eighteen percent suffered an injury to the foot and 13 percent reported a back injury.

According to the study, one out of every three sports injuries were treated at home without medical consultation. A large number of respondents used a home remedy, with the remainder turning to storebought items designed especially for the injury.

Of those who sought medical attention, less than half saw a general practice physician. More than one third consulted an orthopedist and two percent visited a podiatrist.

Prepare Now For Summer Emergencies

Summertime accidents make a well stocked medicine chest a necessity:

• Dr. James Chow, Director of Emergency Services at Bethesda Hospital, Howard St. and Western Ave., recommends the following over-the-counter items for the minor emergencies which occur in the average household.

• Bandages: Dr. Chow recommends a supply of assorted "ouchless" band-aids, a box of 2 x 2 inch sterile gauze pads, a roll of gauze and another of adhesive tape.

• Hydrogen peroxide is inexpensive and will effectively clean and disinfect scratches, cuts and other small wounds.

• Acetaminophen, available under brand names such as Tylenol and Datril, will help relieve sunburn as well as headaches and other year-round sources of pain.

Dr. Chow prefers it to aspirin because it does not cause gastric irritation or aggravate bleeding.

• Calamine lotion will help relieve the itching of insect bites and mild sunburns. Although often recommended for poison ivy and poison oak, Dr. Chow cautions that it should not be used where blisters are open.

• Benzocaine is the active ingredient in such topical anesthetics as Solarcaine and Rhuilcaine. Dr. Chow recommends them for relieving the sting of sunburn.

• Hydrocortisone creams, such as Cortaid and Clearaid, are

effective in treating rashes and insect bites; however they should be used very carefully and applied to dry rashes only.

• Eyedrops are helpful in treating red eyes. It is important, however, to seek medical attention if the inflammation does not subside within 24 hours of if the patient has discharge or pain.

• Ace bandages are useful for wrapping sprains.

• Tweezers should be kept on hand for removing splinters and splinters.

• Heating pads will help relieve muscle strains and lower back pains.

• An ice bag, filled with ice cubes, will aid in decreasing swelling and pain from sprains.

• Thermometers should be stocked throughout the year; fevers are not limited to the summer months.

• Syrup of Ipecac, which induces vomiting, can be an excellent emergency treatment for accidental poisoning. Dr. Chow recommends, however, that a call first be made to a hospital emergency room or the Poison Control Center (942-5969) for instructions in using this preparation.

The Neighborhood Emergency Center at Bethesda Hospital, which Dr. Chow directs, is open 24 hours a day, every day, for treatment of accidents and sudden illness. The number is 761-6000.

Holy Family's system of quality, 'Family Care' facilities in the Northwest Suburbs...

Holy Family's facilities comprise a system of caring designed to meet the diverse health care needs of residents and employees in the Northwest Suburbs.

Personalized, quality 'Family Care' and comprehensive health services are provided at these Holy Family facilities, sponsored by the Sisters of the Holy Family of Nazareth:

What Good is a Blood Donor?

A blood donor is good for people who go through windshields and red lights. For someone with leukemia.

For people being operated on. For barefoot kids who aren't careful. For people into feudin' and fightin'.

For hemophiliacs so they can be as normal as possible.

For daredevils. For people undergoing dialysis while waiting for a kidney transplant. For people who fool around with guns. For little kids who manage to uncup a bottle of something poisonous.

For people who are burned pretty bad. For new mothers needing a transfusion. For new babies who need open-heart surgery. For cancer patients. For

people with a severe case of hepatitis. For kids who fall out of trees or whatever. For anyone, any age, with bleeding ulcers. For people in the wrong place at the wrong time. For the very tired with severe anemia.

For people who run into things. For people who are in a lot worse shape than most people you know.

A Blood Donor Is Good For Life.

If you've been a blood donor before, and haven't donated in the past eight weeks, your blood donation is needed now. If you've never donated blood before you'll want to know that donating blood takes only 30-40 minutes from the time you arrive to register till the time you leave. The actual

donation takes only 5-7 minutes and is as painless as a pinch on the arm. To be eligible to donate blood you must be between 17 and 65, in good health and weigh at least 110 pounds.

You can conveniently donate near your home or business at any of the following donor sites:

Blood Center North, 1255 N. Milwaukee ave., Glenview, 298-9660.

Evanston Hospital, 2650 Ridge ave., 492-4509.

Lutheran General Hospital, 1775 Dempster St., Park Ridge, 696-5580.

For dates, hours and locations of a mobile blood drive close to you, call The Blood Center at 298-9660.

Dangers of summer occur in July & August

July and August bring with them soaring temperatures and an increased danger of heat emergencies, including heat stroke, heat cramps and heat exhaustion.

"The key to the management of heat emergencies is determining their severity," says James Chow, M.D., Director of the Neighborhood Emergency Center at Bethesda Hospital, Howard st. and Western ave.

"Heat stroke is a medical emergency and requires immediate medical attention; other emergencies usually respond to the replacement of lost body fluids and the removal of the victim to a cool environment."

"Heat emergencies," according to Dr. Chow, "are caused by high temperatures which cause excessive perspiration. Physical exertion need not be involved, though it often is."

"Heat exhaustion is a more advanced form of heat emergency, again caused by a deficiency in the volume of fluid in the tissues. The symptoms are fatigue, light-headedness, nausea, severe headache and hypotension. The body temperature remains normal or slightly elevated. As with heat cramps, the victim should drink liquids to restore the lost body fluids and move to a cool environment," says Dr. Chow.

Visiting Nurses...

Continued from Page 17

The Visiting Nurse Association is a private not-for-profit organization which serves people in the community who need skilled nursing, therapies, and other related help at home. Private means that the VNA does not receive funding from local, state, or federal taxes.

The VNA charges for its services at the most reasonable rate consistent with maintenance of the highest professional standards. As a not-for-profit agency, any excess of income over cost is devoted to strengthening the VNA's ability to serve.

Throughout its decades of service, the VNA has always served anyone in need without regard to ability to pay, and does not discontinue service because Medicare, insurance, or other available funds have been depleted. The VNA receives an allocation from the United Way to enable the agency to offer this financial assistance.

"Heat stroke," according to Dr. Chow, "can be life threatening and should be treated as the medical emergency that it is. Symptoms are confusion, blacking out, irritability, hallucination, combativeness and even coma. Fevers of 105 and 106 degrees are associated with heat stroke, though often the victim is not perspiring. Anyone exhibiting extremely elevated temperatures and change in mental state should be suspected of having heat stroke and rushed immediately to a hospital or emergency center."

The Neighborhood Emergency Center is located in Bethesda Hospital, 2451 W. Howard st., just a few steps west of Western ave. In addition to Dr. Chow and his staff of physicians and Registered Nurses, trained in emergency medicine, the complete staff and facilities of the Hospital, including medical specialists, are available to patients who are brought to the Neighborhood Emergency Center.

Infection Control...

on guidelines from the Center for Disease Control in Atlanta. The laundry and housekeeping departments, for example, have checklists with points on hand washing, using rubber gloves, labeling chemicals properly, and wearing clean gowns.

"The residents are really so fragile that we have to maintain an exceptionally clean environment," says Hujar. She says infection is always a danger among persons with physical disabilities, all living in the same home. But there's a risk in your home too, Hujar adds. When Johnny gets a cold, chances are sister Susie will get one too. However, Hujar says good infection control principles can apply to anyone's home.

"The greatest deterrent to any infection is frequent and thorough hand washing—good old soap and water," she says.

Hujar further advised parents to be aware of signs of the infection-like swelling, heat, pain and drainage—and to call a doctor immediately if they are spotted.

For at-home infection control, Hujar has these tips:

- Keep the kitchen clean. Always use sufficient detergent and hot water when doing dishes and use a clean cloth when drying.
- Use good refrigeration.
- Always wash your hands before eating.
- Show respect for others when you have a cold (cover your nose and mouth when coughing or sneezing and then wash your hands.)
- Keep garbage cans covered.
- To destroy germs on pillows or unwashable toys, set them out in the sun; ultraviolet light will kill germs.
- Keep your dust level down; dust transmits germs.
- Eat a balanced diet with plenty of fluids to keep your resistance to infection high.
- Dress properly for the weather; don't over- or under-dress your baby.

New Dentist at CMDC

The Chicago Medical and Dental Center (CMDC), 6000 W. Touhy ave., Chicago, is delighted to announce that Paul V. Caputo, D.D.S. has joined their staff in the Department of Dentistry. Dr. Caputo, a native of Northwest Chicago, is a graduate of the University of Illinois College of Dentistry. Before joining CMDC's staff, he was affiliated with a large group practice in Bloomington, Ill. Dr. Caputo is experienced and trained in all phases of general dentistry including cosmetic bonding, crown and bridge work and dentures.

Paul V. Caputo

CMDC's Dental Department, along with the provision of high-quality dentistry, utilizes state-of-the-art equipment. Panoramic radiographs are available to all of CMDC's patients as well as patients for whom this diagnostic aid has been prescribed by other dentists or orthodontists. Patients with dental emergencies are welcomed and will be given immediate and courteous treatment; no appointment necessary.

Celebrating its first anniversary as our community's multi-specialty family medical center, the CMDC reports rapid expansion in both personnel and services since its opening last July. This growth has been in direct response to meeting the needs identified by the residential and industrial patients that have become part of the "CMDC family."

For example, the services to CMDC's industrial clientele have been expanded to include a back-strengthening program in supplement to its complete Physical Therapy Department (Equipped with whirlpool, paraffin bath, diathermy, traction equipment, etc.). Just as the Department of Dentistry offers Panorex and x-ray services prescribed by other practitioners, CMDC's registered physical therapist can provide treatments prescribed by other physicians not on CMDC's staff.

A registered dietitian has been added to CMDC's staff to counsel patients and to implement and monitor the dietary recommendations of any physician. With emphasis on a one-to-one educational approach, diet modifications such as those for weight loss, sodium-restriction, diabetic, low cholesterol, low-fat, increased fiber and others, can be made understandable and palatable.

Further, cancer screening programs are functional and in various stages of development. The CMDC is working toward becoming the community's accessible and affordable cancer screening center.

In addition, the CMDC recently expanded its hours to be open Monday through Friday from 7 a.m. to 7 p.m. and on Saturday from 10 a.m. to 2 p.m. The Department of Dentistry offers its services on Monday from 10 a.m. to 7 p.m., Tuesday from 8 a.m. to 5 p.m., Thursday from 11 a.m. to 8 p.m., Friday from 10 a.m. to 7 p.m. and on Saturday from 10 a.m. to 2 p.m.

The CMDC's professional staff is proud of the fact that although it has expanded its hours and services, the number of families that have come to identify one of CMDC's family physicians as

The diet product of the future

The latest clinical studies from Europe, Japan, and the United States, show that certain proteins can help you lose weight permanently. Protein is made up of many amino acids.

A simple combination of three amino acids, L-Arginine, L-Ornithine and L-Lysine, plays an important role in stimulating the pituitary gland to release Human Growth Hormone (H.G.H.). H.G.H. is a hormone that controls the burning of fat and the building of muscle.

During childhood and adolescence, H.G.H. is present in our bodies at high levels, converting fat into muscle. However, as we approach age 30, the pituitary gland releases less and less H.G.H. This accounts for the tendency to put on weight as we grow older! Research has shown that this amazing amino acid combination, when taken before

Searle seeks blood donors

During the summer months blood supplies are low as fewer mobile blood drives are held and fewer donors are available to donate. Employees of G.D. Searle Company, Skokie, invite community residents to join them for a special summer blood drive on Wednesday, August 8. The drive will be held from 1:45 p.m. to 4 p.m. in the lounge of Searle, Searle Parkway. Walk-in donors are welcome. Sherrile King is chairperson of the blood drive.

bedtime on an empty stomach, can stimulate H.G.H. release in people over 30. With high levels of H.G.H. in our bodies, weight loss becomes easy.

Every day there are more reports of weight loss, accompanied by better muscle tone and firmness from all age groups, even from people who have never been able to keep weight off before.

This is truly the diet product of the future. When combined with a cautious diet and exercise, these natural amino acids are a safe and effective way to lose weight.

Free Diabetic Detection Testing

Left undetected, diabetes can be a serious, life-threatening disease. To determine whether or not you are one of the more than five million Americans who has diabetes without being aware of it, take advantage of the free testing at Holy Family Ambulatory Care Center in Wheeling.

Qualified medical personnel provide this free service to all community residents on Tuesday evenings, 7 to 9 p.m., at the Ambulatory Care Center, 201 E. Strong ave. (Milwaukee and Strong aves.) in Wheeling. Appointments are required by calling 520-0100. Free blood sugar testing is provided for undiagnosed persons only.

Foot clinic opens at Swedish Covenant Hospital

A weekly "foot clinic" at the Family Practice Center of Swedish Covenant Hospital, 5145 N. California, has been announced by Walten I. Baba, M.D., chairman of the Department of Family Practice, and Sharukin Yelda, M.D., chairman of the Department of Orthopedics. The clinic will be open every Wednesday afternoon from 1 to 3 p.m. by appointment.

DENTAL DIGEST
BY RICHARD C. MAZANEK, D.D.S.

The dental health of elderly Americans has improved greatly in the last 25 years. In 1957, only 30% of those over 65 had their own teeth, whereas today more than 80% of persons in this group have their own teeth.

Aging can curtail the ability to enjoy food and chew properly. For example, as taste buds degenerate or are covered by dentures, elderly individuals tend to increase sugar and salt intake. This can cause or aggravate other problems such as hypertension, diabetes, and tooth decay.

However, dentists can help the elderly avoid such problems with instructions about proper eating habits and oral hygiene. In a variety of ways the elderly are helped to maintain their oral health and indirectly, their overall health.

Get back on your feet.

A weekly Foot Clinic, held Wednesday evenings in our Family Practice Center, may offer the help you need.

An orthopedic surgeon, along with family practice residents, will examine and treat foot problems by appointment between 1-3 p.m. each Wednesday. The cost of a visit is an economical \$16; or, if you are eligible, medicare assignment is accepted.

If you need help beyond an office visit, the full facilities, safety, and skill represented by Swedish Covenant Hospital are there to serve you.

The Family Practice Center also treats whole people, whole families, at a price families can afford. Ask about any service you might need: a special obstetric package plan, perhaps, or an eye examination. A school exam for your child. Or, what to do about your aching feet.

Sterile technique should be carried out qualified nurses following hospital standards, to avoid infection.

"Whether the problem is hammer toes or bunions, no one should be subjected to surgery without careful medical screening. When foot problems are secondary to a condition like diabetes, the need for comprehensive care becomes even more critical.

"For all of these reasons, it is important for foot care to be given in a place where there are good x-ray and laboratory facilities. "To help with recovery, we have physical therapists to help with gait training if necessary, and we have all the components of a rehabilitation program in case of need.

"Whether the condition is simple or complex, we think it is important for the patient to know that he is being treated with all the medical skill and safeguards that a hospital can offer," Dr. Yelda concluded.

The Family Practice Center of Swedish Covenant Hospital is open from 9 a.m. to 5 p.m. on weekdays, 9 a.m. to noon on Saturdays. It is a facility designed to offer full-service medical care at a reasonable cost. Medicare assignment is accepted. In addition to general family medical care, there are special clinics for eyes and a special rate for obstetric care.

The center is staffed by resident and senior physicians. The foot clinic will be conducted by certified orthopedic surgeons, with the assistance of residents. Questions about the service or requests for appointments should be addressed to 878-8200, Ext. 5228.

Park Ridge Terrace dedicated to professional care of the aged

Park Ridge Terrace Nursing Home, 665 Busse hwy., Park Ridge, is an accredited long-term care facility dedicated to professional, round the clock nursing care for the aged, chronically ill and the convalescent. The 55 bed facility has a complete staff of qualified nursing personnel which cooperates fully with the patient's own physician. Park Ridge Terrace features attractive rooms, all on one floor. It has individual room temperature controls for heating and air conditioning. The Nursing Home has a daily recreation and activity schedule including an arts and crafts program. It has an ample dining room, an outdoor terrace and a recreation and TV room for the enjoyment of its residents.

Park Ridge Terrace is accredited by the Joint Commission on Accreditation of Hospitals. The home has a Resident's Council that is attended and led by the nursing home's residents. The meetings are held the third Mon-

EMT-A: Emergency Medical Technician training program

Classes will start in September 1984 at Columbus Hospital for the 120 hour Emergency Medical Technician program. Classes are Mon. and Wed. 5:30 p.m.-9:30 p.m. or 10:30 a.m.-2:30 p.m. The program is 13 weeks long and is the prerequisite for paramedics. All didactic and clinical training is done at the hospital and an auto-extraction course is held with the Evanston Fire Dept. The course is taught by physicians, nurses, and certified paramedics from the Chicago Fire Dept. The program is approved by the Illinois Dept. of Public Health and licensed by the State Board of Education.

Bethesda Hospital specialist talks about arthritis and pain

"The tragedy of arthritis is that people who could be helped often needlessly experience intense pain for years," according to Scott A. Kale, M.D., a prominent Chicago area rheumatologist.

"First of all, the disease is frequently written off as untreatable. This is not true. There are very effective therapies for arthritis and other rheumatological maladies. The key to effective treatment is precise diagnosis."

Dr. Kale and Joel M. Levin, M.D., another highly regarded area rheumatologist, will conduct a free program on the subject "Alternatives to Two Aspirins in the Morning: Pain Control in the 80's" on Tuesday, August 7 at 7:30 p.m. The program, which is being presented in conjunction with Bethesda Hospital's new Arthritis and Back Pain Center, will be held at the hospital at 2451 W. Howard st. in Chicago.

"Because arthritis is not one disease but, in fact, refers to at least 150 different disorders, it must be so approached," says Dr. Kale.

Traditionally, rheumatological disorders have been treated by one doctor. According to Dr. Kale, arthritis, because of its multiplicity, is not a disease which one doctor -- even a rheumatologist -- can treat properly. "Most conditions are treated by two people, the physician and the patient. With arthritis, there are at least a doz-

en medical specialties and professional disciplines which might be involved in accurate diagnosis and successful treatment."

This is the philosophy behind Bethesda Hospital's new Arthritis and Back Pain Center, where a group of physicians and other professionals have formed a team to approach diagnosis and treatment from a number of perspectives.

"Because of the misconception about arthritis being untreatable,

many people either do not seek medical help or give up on it. But they continue to experience acute pain and often resort to copper bracelets, alfalfa pills and other home remedies that are so popular with the supermarket tabloids. Most of these measures don't hurt the patient, but they certainly don't help."

The Aug. 7 program is free of charge and open to the public. For further information and to register, call 943-9395.

Slack promoted to FNBOS Senior Vice President

Erman G. Kramer, Chairman and Chief Executive Officer of the over 300 million dollar First National Bank of Skokie announced the promotion of James R. Slack to Senior Vice President of the Support Services Division of the bank.

Slack who has been with the bank since 1968, except for a 14 month sabbatical in 1971-72 when he worked with a family business, has handled many customer oriented tasks for the bank in his climb to the Senior Vice President position.

While employed at the Skokie Bank, Slack has availed himself of the bank's continued education program graduating from the Illinois Bankers School in 1973, completing the ABA Graduate Program School of Banking at the University of Wisconsin in 1983, as well as completing AIB courses in Commercial Law and Financial Statement Analysis and the Dale Carnegie courses. He attended Skokie grade and high school, graduated from Carroll College and received a master's degree from Wayne State University.

State University.

In his duties as a special assistant to the President, Slack coordinated and planned the space utilization and work flow for the new banking facility and the branch banking facility on Dempster st.

Since 1979 Slack's duties have been in the Support Services department of the bank preparing him to fill his present Senior Vice President position.

First National of Morton Grove record earnings

The First National Bank of Morton Grove reported record net income for the second quarter ended June 30, as well as the first half of 1984, according to President Randall Yenerich.

Income for the second quarter was \$261,707, or 20% more than the \$217,949 recorded in 1983. First half income was \$495,522, an 11% increase over the \$445,876 reported a year earlier.

"The First National Bank of Morton Grove has long been dedicated to serving this community, and our increased services have enabled both the individual and businessman to build a strong future here."

Yenerich added that the bank's "solid financial base allows us to provide customers with a high level of financial protection. As an integral part of the Mid-Citco, Incorporated, holding company, we now are able to offer our business customers loans of up to \$5-1/2 million."

Assets of the First National Bank of Morton Grove exceed \$136 million.

Felician Art Fair Nilesites on Cruise

posts record attendance

The Felician College Annual Arts and Crafts Festival, held Sunday, July 8, was the biggest in the event's 12-year history, with record crowds, high calibre exhibits and brisk sales, the college reported.

Sister Mary Chrysantha Rudnik, festival chairperson and the college's director of development, said, "We are delighted by the response of exhibiting artists and the record number of visitors to this year's fest. With the help of many volunteers, we worked hard to maintain high standards, provide a variety of entertainment, and get the message out to the public. We are grateful to all who helped, and particularly appreciate the support and cooperation of community newspapers, our 39th Ward office, local Police and Fire Department personnel, and the merchants who contributed goods and services."

The Festival is held annually on the second Sunday of July in the park-like setting of the Felician campus at 3800 W. Peterson ave. All proceeds and contributions are for the benefit of the College Library.

Purchase prizes this year were awarded to Rebecca Kleiser, a ceramicist working in porcelain, from Hampshire, Illinois, and Alena M. Porkorna, a watercolorist, from Cicero, Illinois.

Mike Logan and Rhonda Grofman of 8025B Lyons Niles are pictured on the deck of Carnival Cruise Line's "fun Ship", TSS FESTIVALE, just before sailing out of the port of Miami, under sunny Florida skies, on a 7-day cruise to the Caribbean playground.

"The Wizard of Oz" at St. Lambert School

Upstage/Downstage Children's Theaters will perform "The Wizard of Oz" on stage at St. Lambert School, 8148 Karlov, Skokie. Performances will be at 7:30 p.m. on Thursday and Friday evenings, July 26 and 27, with a matinee at 2 p.m. on Friday, July 27. Tickets, available at the door, will be \$2.50 for adults and \$2 for children.

Children in the cast range in age from 5 to 16 and come from Skokie, Lincolnwood, Evanston, Morton Grove, Park Ridge, Niles and Glenview. In order to give more children a chance to participate in the major roles, each performance will have a different cast as lead characters, with all of the children playing smaller roles in each production. Those appearing in this production are Julie Baretz, Leslie Berg, Jennifer Collins, Ian Delmenico, Crissy Drost, Jaime Ferdinand, Adena Franchi, Alicia Franchi, Kevin Hobs, Rowena Gualberto, Billy Holmlad, Jeffrey Holmlad, Binky Humphreys, Joshua Kaufmann, Susan Lieberman, Cari Loescher, Coleen McCarthy, Josephine Malari, Reggie Malari, Ronald Malari, Renee Matulonis, Kristi Mihelic, Paul Neuman, Sherry O'Shea, Cathy Plincy, Edyie Rallos, Erin Reynolds, Kevin Reynolds, Todd Reynolds, Eden Rocklin, Tracy Savage, Dave Signoretti, Nathan Skrock, Jessica Sussman, Cindy Tangonan, Grace Tsau, Beth Vasaloski, Jenny Vasaloski, Kristi Vasaloski, and Nancy

Zelickman. Directing the play is Judy Ohlwein of Skokie, with choreography and movement by Arla Franchi of Park Ridge, and musical direction by Beverly Collins of Morton Grove.

Upstage/Downstage Children's Theater is a not-for-profit troupe that offers classes and productions for children from its headquarters at 4411 Oakton st in Skokie. Its programs are sponsored in part by grants from the Illinois Arts Council, Skokie Fine Arts Commission, and Niles Township. For more information, call 674-4620.

Food fit for a King at King Richard's Faire

Vegetable tempura, Cornish pastries, and turkey drumsticks...that's what Fairegoers will be treated to at the 12th Annual King Richard's Faire just west of 194 at Russell Rd. at the Illinois-Wisconsin state line. Everything is extraordinary

here, even the food. King Richard's Faire is a theatrical interpretation of a Renaissance Faire at festival time. The food, like every aspect of the Faire—entertainment, costumes, games and crafts—is designed to provide a taste of English Renaissance life.

For the adventuresome, new to this year's Faire offerings are roasted rabbit, fish and chips and funnel cakes. For those seeking more familiar edibles, there is cornish hen, shrimp tempura and beef kabob, as well as favorites such as stuffed baked potatoes, corn on the cob and fudge cakes.

More than 40 different food items are offered by concessionaires who come from as far as Maryland and Texas. Other items include pickle on a stick, non-alcoholic wine, apple cider, lemonade, frappes, sassafras tea, egg rolls, fried bread, barbecued chicken, cheese balls and King's brat.

Twentieth Century food lovers can sample the best of the Renaissance. King Richard's Faire will run consecutive weekends through August 18-19.

The Faire is located at 194 and Russell Rd., Kenosha, on the Illinois-Wisconsin state line just north of Great America. The Faire's hours are 10:30 a.m. to 7 p.m. each weekend. Admission is \$8.50 for adults, \$3.50 for children five through twelve, and free for children under five. Parking also is free.

Lin's Garden holds grand opening celebration

A Chinese fireworks display greeted passersby at noon on the 4th of July in front of 6556 N. Milwaukee ave. The celebration marked the grand opening of Lin's Garden, a new Chinese-American Restaurant, featuring Mandarin, Hunan, Szechwan and Cantonese dishes. An extensive menu of skillfully prepared specialties by experienced chefs from Hong Kong, Peking and Shanghai brings together a variety of flavors which promise to suit the varied tastes of every member of your party. From the hot Sour-and-Spicy Soup, Hunan Shrimp and Szechwan Beef or gourmet Mandarin cuisine, to the gentle flavors of Sweet-and-Sour Pork, Chow Mein, and Fried Rice

in the Cantonese style, everyone has the opportunity to choose a favorite dish or two. Steak, chicken, salads, sandwiches, and other typical American meals are also available. They also have carry-outs. Serving lunch, dinner and cocktails, Lin's Garden is open daily 11:30 a.m. to 10 p.m., Fridays to midnight, and Saturdays to 1 a.m. There is plenty of off-the-street free parking. A tasteful decor in natural woods and red colours and a few Oriental motifs complements the comfortable surroundings. Fine service and a reasonable price of this new family restaurant are a welcome addition to the area. Why not discover it yourself?

Tickets for final OCC performances

Tickets will be available at the door for the final three performances July 26-28 of Woody Allen's "Play It Again, Sam" at Oakton Community College/Des Plaines, 1600 E. Golf rd.

The OCC Theater Association production features the College's theater technician Chuck Doolittle, of Highland Park, in the lead role of Allan Felix. The play centers around Felix and his attempts to understand himself and form a relationship with a woman — any woman. He's guided along the way by the dream presence of Bogart, who Allan Felix feels really knew how to treat a woman, along with his best friends, Dick and Linda Christie who, it turns out, are having troubles of their own. We meet, along the way, Allan's ex-wife, who divorced him on the grounds of insufficient laughter, and we come in contact with a variety of women who have in common their disinterest in and quick rejection of Allan Felix.

Tickets are \$5 at the door. For further information, call the OCC Theater Box Office at 635-1900.

delights. The twenty restaurants will have more than 50 menu items ranging from corned beef to pizza to hot dogs. The cost per item will not exceed \$3.50 per item and will cost as low as \$.50. Along with the food items, Summerfaire will have four beer gardens. Beer will also be available in 20 oz. souvenir cups which can be reused.

Also included will be a carnival with 36 rides and games. Other games such as a video arcade will provide the finest in summer fun.

Summerfaire grounds are located on the Cermak Plaza at Cermak rd. (2200 south) and Harlem ave. (7200 west) just five miles west of Chicago city limits.

The Faire is easily accessible from both the Eisenhower and

Stevenson expressways exiting onto Harlem ave. For further information call 788-2660.

Openings for string players

The Skokie Valley Symphony has openings for string players in every division.

Now in its 23rd season it is considered one of the finest community orchestras in the Chicago area.

Under the direction of Leo Krakow, the orchestra performs five concerts a season. Rehearsals are held Thursday evenings at Centre East. 7701 Lincoln, Skokie.

Glenview exec wins seafood grillfest

James Norris (left), an advertising executive from Glenview, won the Grand Prize in Burhop's First Seafood Grillfest, Saturday, June 23 at Burhop's One Fish Plaza, 745 N. LaSalle st. Presenting him the award was Richard Rusnak (right), president of Burhop's Inc. Norris' winning recipe was for Swordfish Tahitian.

"Joseph and the Amazing Technicolor Dreamcoat"

The Tempo Players have started rehearsing for their upcoming production, "Joseph and the Amazing Technicolor Dreamcoat." This is the first collaboration between Andrew Lloyd Weber and Tim Rice—the pair who gave us the smash Broadway musicals, "Cats," "Evita," and "Jesus Christ Superstar."

"Joseph" is a musical extravaganza, based on the Old Testament story of Jacob and his 12 sons. The musical centers around Joseph, who was Jacob's favorite son. To show his love,

Jacob bought Joseph a brightly multi-colored coat. Needless to say, this so greatly annoyed his jealous brothers, that they secretly sold Joseph into slavery in Egypt, but told their father that he was killed. In Egypt, Joseph has many adventures, and eventually becomes the advisor to Pharaoh. This is also where the inevitable reconciliation with his family takes place.

Directed by John Muszynski of Rolling Meadows, "Joseph and the Amazing Technicolor Dreamcoat" is a simple, but very

colorful, and fast-paced show, with a score that includes such musical styles as country western, 50's, French, 20's/30's, and calypso. It is a whimsical, endearing production for the entire family.

"Joseph and the Amazing Technicolor Dreamcoat" will be performed at Triton College, located at 2000 Fifth ave. in River Grove. Performances will be on

Friday, August 17; Saturday, August 18; Friday, August 24; and Saturday, August 25, at 8 p.m. There are also two Sunday Matinee performances—August 19 and 26 at 2:30 p.m. Tempo Players is also offering a dinner/theater package on Sunday, August 19 after the show, or brunch/theater package before the Sunday matinee on Sunday, August 26.

Tickets for "Joseph and the Amazing Technicolor Dreamcoat" are \$6 for Adults, \$5 for Senior Citizens & Students; and \$3 for Children. Group rates are also available. Seating is reserved. To order tickets, or for more information on the dinner/theater or brunch/theater packages, call Tempo Players at 465-0987, or write the Ticket Chairman at P.O. Box 6093, Bradview, Illinois 60153.

A fun filled day of recreation including a spectacular Arts and Crafts Fair and down home entertainment is planned at The

"Rose Marie" at JCC

The final film of the Mayer Kaplan JCC Nelson Eddy-Jeanette Macdonald film series will be shown on Sunday, August 5 at 2 p.m.

The film to be shown is "Rose Marie", the second film they made together and one of the most popular musicals in MGM history.

Tickets are \$2 for members and \$3 for non-members. For information and reservations, call 675-2200, ext. 228.

Lambs Farm on Sunday, August 5, from 10 a.m. to 5 p.m. The festival will be held rain or shine and admission is free, so come out to Lambs, located at the junction of I-94 and Rt. 176, two miles east of Libertyville.

More than 100 artists and craftsmen from a five state area will be participating in this event. Among a wide variety of outstanding work on display will be colorful country folk art, floral arrangements, soft watercolors, jewelry, custom plaques, adorable puppets, handsome wood accessories and toys, stained glass, patchwork and quilting portrait sketching and much more.

Beginning at 1 p.m., two bands; Wolff Family Band and the Spectrum Jazz Band, will provide musical entertainment. Bring the family and enjoy delicious home cooking at our popular Champagne Brunch or dinner in the Country Inn Restaurant. For reservations call 362-5050. Browse through our country shops including a Bakery, Country Store, Pet Shop, Silk Screen Art Shop, and Children's Farmyard that will be open from 9 a.m. to 5 p.m.

Proceeds from products sold in the businesses support The Lambs, a private non-profit community where mentally retarded adults can live and work in an environment of care and concern. For more information about The Lambs' events and programs, call (312) 362-4636.

POLITICAL NEWS

Egan blasts GOP record on state aid to education

State Senator Robert J. Egan (D-7) expressed outrage today over the recent efforts by Governor Thompson and GOP representatives to push through the General Assembly a 10 cent city property tax increase to bail out Chicago schools.

"Since Governor Thompson took office in 1978 there has been gradual decline in state aid to education," Egan noted. "Eight years ago 47 percent of the funding for public schools came from the state. Last year that percentage fell to 37 percent. Illinois is one of the few states that relies primarily on property taxes to fund education."

Egan added, "Unlike public aid, education is an area that the present administration has the option of cutting smaller portions of the General Revenue price. As they continue on this path, property owners and local governments are forced to assume a larger disproportionate share of the fiscal responsibility for education."

Hedrick announces campaign kickoff

Joseph R. Hedrick senate candidate (R-15) will host a cocktail reception on July 28 to begin his race to the November election. The Mark III Restaurant, 3300 Dempster, in Skokie will be the site of a gathering of business and community leaders to show their support for Joe. Music, hors d'oeuvres, beer, wine, cold drinks, and politics are included in the twenty dollar contribution. There will be an additional charge for other drinks. Further details are available by calling 967-1577.

Amirante receives endorsement

Sam Amirante of Park Ridge, Democratic candidate for Illinois' 28th Senate District seat, recently received the endorsement of Protect the Children, Inc., a group which sponsors and operates programs designed to aid in the prevention of missing children.

According to Protect the Children officials, Amirante received the group's endorsement due to his authorship of a recently passed Illinois General Assembly bill which organized the Illinois State Enforcement Agency to Recover Missing Children (ISEARCH).

The ISEARCH legislation was sponsored by Illinois Senate President Philip Rock of Oak Park.

Protect the Children, based in South Suburban Crete, conducts educational programs to prevent children from being lost. The group is not involved in finding lost children, Amirante explained.

Amirante added that much of the data he used while authoring the ISEARCH proposal was gained from Protect the Children.

Balter to head Maine's Reagan-Bush campaign

Alan J. Balter, an Oakton Community College student who was elected an alternate delegate to the Republican National Convention, has been named Reagan-Bush coordinator in Maine Township.

The appointment was announced this week by Governor James R. Thompson, chairman of Illinois Reagan-Bush '84. Balter will be responsible for developing a campaign organization in Maine Township and he will act as the liaison between the Reagan-Bush campaign and other Republican campaigns.

A volunteer in numerous Republican campaigns in the area, including those of Congressman John Porter, R-Illinois, and State Sen. Robert Kustra, R-Glenview, Balter graduated from Niles West High School in 1981 and currently attends Oakton. He is on the board of student affairs at Oakton. Balter has been a delegate to the past two Cook County and Illinois Republican conventions and will attend the Republican National Convention in Dallas next month as an alternate delegate.

FREE KODAK INSTAMATIC, the instant you open a Cragin Totally Free Checking Account...

...Or any Cragin checking account!

Get Kodak's handy, fun-to-use Pleaser II instant camera without charge when you open any one of Cragin Federal's six different checking plans, featuring our newest and most remarkable account. Totally Free Checking.

Totally Free Checking—no minimum balance, no service charges, no foibles. You often hear about "free" checking from other banks. But just how free are they? Put them under the financial microscope and you begin to notice all those special requirements. Minimum balances. Service charges. Companion accounts. Per-check charges. Monthly charges. And so on.

Cragin Federal's new Totally Free Checking, on the other hand, really is free. You'll find none of those special (and costly) qualifications sneaking up on you later. You can draw your balance down to as little as 1¢, without so much as 1¢ in charges. What's more, you can open one of these non-interest bearing accounts with as little as \$100.

Six different checking plans to suit all needs. Not only does Cragin offer you Totally Free Checking, but five other

checking account options, as well. So you're sure to find one to suit your financial needs and life-style. All five earn 5.25% interest, and have a variety of different benefits which your Cragin counselor will be happy to explain to you.

Cragin's check rebate offer. Open any Cragin checking account and we'll give you up to \$4 for checks from your current account elsewhere. Just come in with the unused checks: we'll destroy them on the spot in our special shredding machine, and give you 2¢ apiece for them (200 maximum). Virtually no other savings & loan in Chicagoland offers anything like our Totally Free program. And you'd be hard put to find any other with the variety of attractive plans we offer. So, come in today and check out Cragin checking.

The President's Perspective

by Eugene J. Rudnik Jr.,
President Peerless Federal Savings

Probably the greatest problem facing our country is the "federal budget deficit", which the Congressional Budget Office (CBO) projects will average about \$225 billion per year between now and 1990. These mounting deficits threaten to soak up the capital needed for housing, industry and other private sector investment - and trigger hyper-inflation and a new round of high interest rates. This would threaten the financial well-being of all Americans, abort the economic recovery, bring housing to a halt and erode the value of savings and investment.

As a result of past deficits, our country presently finds itself in the following position:
• the national debt is approaching \$1.5 trillion and is projected to increase to \$2.65 trillion by 1989; and,
• annual interest costs on that debt now total more than \$130 billion and are rising at a rate faster than the debt itself.

In recent years, and especially in the past few months, we've heard our President and our congressional leaders speak of the need to curb these deficits, and they're right! Without substantive, decisive and ongoing action, the government borrowings needed to fund the deficits will "crowd out" private borrowers, thereby forcing up interest rates which will lead to increased inflation and joblessness, problems which we all experienced just a few years ago and from which we are still recovering.

It is because we recognize the potential devastation which these continuing deficits will cause that PEEERLESS has joined the "FIX THE DEFICIT" program co-sponsored by the U.S. League of Savings Institutions and the Foundation For Savings Institution. The program's purpose is to increase public recognition of the deficit problem and to encourage the public to support deficit reduction measures. We, at PEEERLESS, urge you to either write to your representatives to express your concern and/or to sign a "FIX THE DEFICIT" petition, which is available at any of our offices and in this newsletter. We must let Congress know that deficit reduction is the key election year issue in 1984.

"FIX THE FEDERAL DEFICIT" NOW!!!!
Make sure your dreams for your children don't become their nightmare. The federal deficit could hit you where you live! Your hopes for your children's future may never be realized unless the federal deficit is fixed - NOW! Sign the petition and mail it to your congressman or stop by one of our offices and sign up.

A PETITION TO FIX THE FEDERAL DEFICIT NOW
I am seriously concerned about the size of this country's Federal Deficit and its harmful impact on America's future. I wish to voice my concern with the appropriate elected officials in Washington so that they will act upon this problem as soon as possible.

Importance Of Courteous, Efficient Employees

by Timothy P. Sheehan, Chairman Board of Directors
Peerless Federal Savings

Employee morale and cooperation is an integral part of every business. It is more so in a business like ours because we are in daily contact with a great number of our customers, and also because the savings and loan business is built on personal relationships and on giving courteous and prompt service to customers.

Our Officers and Board of Directors are proud and deeply grateful for the great many personal and written comments we have received from PEEERLESS customers praising our courteous employees and our excellent service to our customers.

Every year, PEEERLESS selects an employee for special recognition. The Timothy P. Sheehan, Jr. Memorial Award, is given each year for outstanding cooperation and courtesy to our customers, as well as for the ability to cooperate with fellow employees. This is but one of the ways PEEERLESS recognizes the great contribution of our employees to our well being.

Even though our employee training programs and our top management continually stress the necessity of making customer satisfaction one of our primary goals without hiring good employees, this goal would not be attainable.

We, at PEEERLESS, consider ourselves to be very fortunate in having devoted, efficient employees who are genuinely concerned with taking extra good care of all customers. We take this opportunity to heartily salute our dedicated branch and main office employees.

Spartus names marketing director

Robert L. Kreel has joined Spartus Corp. as group marketing director of the company's recently formed decorative division. Reporting to Marvin Feig, Spartus' vice president of marketing, Kreel will be responsible for establishing and implementing business strategies and pricing policies for the company's Spartus and Waltham brand wall clocks. According to Feig, this newly created position reflects the company's increased emphasis on decorative clocks, the most rapidly expanding segment of the clock category. Kreel has been associated with the clock and watch industry for 14 years. Before joining Spartus, he worked for various divisions of Seiko, most recently as marketing director for that company's Jazz products group. Prior to that, he was national sales manager for Seth Thomas and a senior buyer at Fortunoff's.

Gary C. Tarczynski
Capt. Gary C. Tarczynski, son of Chester W. and Loretta M. Tarczynski of 7127 W. Lill st., Niles, has entered the Air Force Institute of Technology (AFIT).

Morton Grove Children's Theatre

The Morton Grove Park District's Children's Theatre program will feature the Storytime Players in their production of The Emperor's New Clothes on Saturday, July 28 and Sunday, July 29. Both performances begin at 1 p.m. in Prairie View Community Center, 6834 W. Dempster, Morton Grove. Admission is \$2 per person.

The cast members, first through eighth graders, have been rehearsing since early June under the direction of drama coordinator Jean Burgess. The children are involved in all aspects of the production, including set building, technical work and acting.

Cast members include Lori Levey, Nara! Ahn, Melanie Ostrowski, Jennifer Drummond, Sara Drummond, Cindy Finkel, David Sigale, Billy Levey, Josh Silver, Keith Gardner, Melissa Jacobs, Jamie St. John, Heidi Hong.

For more information, call the Morton Grove Park District, 965-1200.

Men's softball tournaments

The Morton Grove Park District will sponsor men's 16-inch and 12-inch softball tournaments during August. The 12-inch tournament will be held on August 4th and 5th at Harrier and Prairie View Parks. Entry fee for the 16 team single elimination contest is \$60 per team. The 16-inch, 32 team single elimination contest will be held on August 18th and 19th at Harrier and National Parks. There is a \$50 entry fee per team. Entries will be accepted on a first come-first served basis.

The championship teams in both tournaments will receive jackets and a team trophy. The runner-up in each contest will receive a team trophy.

Registration for both tournaments is now open at Prairie View Community Center, 6834 W. Dempster, Morton Grove. For more information, contact Bob O'Shaughnessy, 965-1200.

Legion Auxiliary selects new officers

At a recent meeting before summer's beginning, the Morton Grove American Legion Auxiliary Unit #134 named new officers for the ensuing year.

Elected president is Nancy Schlueter, former vice president-membership chairman. Serving with her this coming year are: first vice president, Judy Mayer; second vice president, past Aux. president Jeanette Hack; treasurer, Sandi Kapelanski; chaplain, Ann Klemens; historian, past president Joyce Senf; and Sgt. at arms, Bonnie Thilmay.

All ladies are Morton Grove residents except Mrs. Mayer who resides in Skokie.

The newly elected contingent with the appointed officers will be formally included in joint ceremonies with the new officers of the Legion in September services.

Lake Forest and Palos Heights, but three times higher than Hinsdale. The rates were much lower than the U.S. metropolitan level, below the U.S. rural level in four categories and only slightly above in robberies and larceny-theft cases. Only motor vehicle theft cases approached the national level.

Niles was also selected because it is accessible to Chicago, has affordable housing, a low crime rate, is family-oriented and because residents get their money's worth in local services.

In referring to 1980 crime statistics the authors contend many communities with extensive shopping facilities have high crime rates. But they contend Niles has the "situation under control". In this 1980 comparison year Niles had no rapes or murders, eight robberies, four aggressive assaults, 138 burglaries, 477 larceny-thefts and 122 motor thefts.

Commander of the police department's administrative staff, Martin Stankowicz, contends while Niles equipment and community programs are the same as surrounding communities, there are differences between communities. Stankowicz contended the Niles computer system utilized to fight crime has made a substantial difference.

He also cites the officers live in the community which is a significant reason for the better control of crime. Living here gives the men a greater concern for the community.

Other favorable qualities about Niles include the town having a strong family orientation. Ninety-two percent of Notre Dame high school's students go on to university

and college. It contends the library provides 140,000 volumes and has access to millions of books through the intra-library system. It also commends the outstanding medical facilities the community has with neighboring hospitals so close by and so plentiful.

Realtor Betty Cusimano of Johnson Realtors is quoted as saying Niles has 9,000 single family units and 2,000 apartments and condos. In 1980 it had 175,000 homes in the Bunker Hill Estates area and median homes were selling for \$79,700. Rentals were from \$250 to \$500 and condos were being sold from \$40,000 to \$90,000. Taxes were about \$1,000 for \$90,000 homes and \$1,300 for \$130,000 homes.

In concluding its Niles report the authors note two local landmarks which add to the desirability of the town. It notes the Bradford Museum of Collectors Plates is the world's leading gallery of limited edition ceramic plates. All of the major plates of 50 makers from 12 countries are there, valued at more than a quarter of a million dollars. It has a sunken garden and streams and stone walks which is a lovely backdrop to the museum and its collection.

It also notes the Leaning Tower of Pisa replica which was created in 1933 by inventor-industrialist Robert Iig. It originally was used to store water for swimming pools and more recently was used by NASA for rocket re-entry programs.

MG Legion presents awards

In recent ceremonies at the Morton Grove American Legion Post #134, several members were saluted for past endeavors and presented with plaques.

The awards were made under the direction of past commander Ed McMahon, Awards Chairman, and Corporation President John Slater.

Saluted for his continuous work at bingo every Wednesday for more years than he can even count on his fingers, was past commander Robert Perschon.

Another bingo and "other area" worker singled out was Ludwig Aschbacher. Also two past commanders, Joe Schmidt and Roy La Roussa, the latter the over-all bingo chairman this past year, for their unceasing efforts on behalf of Post #134. Bill Rembacz and Carl Carlson were likewise also commended for their service beyond the call of duty for the Legion.

The ceremony took place at a public initiation of new members where spouses and friends were also invited to participate in the evening which included dinner and following the presentation and other membership business, dancing for the remainder of the evening.

to the police and the community. Homeowner president Sam Feldman and resident Jeff Arnold opposed the 24 hour facility and cited Burger King next door to the site as being turned down when they sought a 24 hour facility. They said it would be a precedent in the area allowing others the same benefits.

When representative Jerry Martin of Dunkin' Donuts said they would decrease the hours to 21 hours, Mayor Blase said this was only a "Mickey Mouse" solution. On roll call the vote was 5 to 1 opposing the facility with Carol Panek the lone opposition vote.

In overturning the Fretters' zoning board decision, Blase voted the deciding vote. The majority, Ottow, Selman, Marcheschi and Blase felt the present residential property was along the high power electric lines and eventually another commercial project would be constructed there and would not be regulated if it was in unincorporated area. Objections by residents and by the head of St. Isaac Jogues Church to the high traffic did not deter the board. A letter from the churchman said the church would be physically isolated from its parishioners. He also thought it would be inappropriate a store should have extended hours. He noted it would be open on Good Friday and during church activity times which he deemed inappropriate.

Trustee Marcheschi contended the price paid for the property plus the cost of building would necessitate a builder constructing a \$135,000 home there to make it profitable. He said he could not foresee a builder constructing that priced home alongside the high power lines as it would be difficult to sell. He concluded only a commercial building would be at that location in the future.

In other actions Trustee Ottow announced \$190,000 of County grant money from 1983 was approved and will aid Niles in acquiring land at the south end of the village on Milwaukee Ave. to upgrade the area.

A meeting August 28 will discuss waste management for the northwest area and the public is invited to attend.

Guidelines were approved by the board for dedicating buildings and other public facilities. Candidates for such an honor would have their names submitted to the village board and it will be turned over to the dedications committee for study and recommendation. Trustee Marcheschi said while he didn't object to the press being present at the committee hearings, he said discussion should not be published since it might prove embarrassing. He believed the matters should remain confidential and be kept from the public. Blase said the village attorney would review the matter.

Marcheschi reported there are now 3,004 cablevision subscriptions which is 37.8% penetration of Niles. He said in June there were 29.5% of the village residents who subscribed. There were 400 additional subscribers last month and there have been 352 disconnections or 1% a month.

Pesole reported the beautification judging of gardens and landscaping will take place August 4 by 18 judges from the Illinois Gardens Clubs.

Approved an advisory referendum to be placed on the November ballot which would give villagers a chance to voice their opinions on the de-regulation of natural gas. Pesole said he felt there was "gouging" by the utilities and residents should be allowed to vote on the issue.

Andrew Buffa was hired as village purchasing agent and Robert Furst was hired to head Niles computer operations. They will work directly under financial head Jeffrey Bell. Buffa had been a purchasing agent in Prospect Heights and Furst was assistant processing manager at Babson Brothers.

Passed resolution to rename all of the Evanston-Elgin/Golf Rd. to Golf Rd.
