District 63 approves school hours revision

by Eileen Hirschfeld

An audience of about 50 persons, more than half of them teachers, attended a regular board meeting of East Maine School District 63 to mainly express their feelings regarding a district-wide change in school hours and the Gemini junior high school computer curriculum.

Also on the agenda of the March 12 meeting was the dismissal of twelve non-tenured teachers and transfer of a tenured teacher within the District.

Board members voted in favor of changing starting and dismissal times of the school day.

Contracts awarded for Dempster St. resurfacing

A pair of contracts - totaling more than \$700,000 - have been awarded for the bituminous resurfacing of two roads in Morton Grove, the Illinois Department of Transportation said today.

A \$427,526 contract was awarded for work on Dempster St. beginning at Newcastle Ave. and going east to Lincoln Ave.

And a \$354,394 contract was awarded for work on Waukegan Rd., beginning at Golf Rd. and going south to Dempster St.

Both contracts were awarded to Monarch Asphalt Co., Skokie. The Dempster Street project is expected to get under way April 1 and be completed by Aug. 9. For the Waukegan Road project, the

Niles fines Cablevision \$112,500

by Diane Miller

Over 100 Nilesites who are Cablevision subscribers packed the Council Chambers Tuesday night for a public hearing called by the Village of Niles. The hearing resulted in a fine of \$112,500 being levied against Cablevision for breach of their franchise and odds are Niles will not see a penny of this fine without a fight. The City of Evanston fined Cablevision of Chicago \$50,000 two years ago for falling

behind schedule in hooking up service to its residents and to date, according to Niles Village Attorney Richard Troy, they have not collected anything and have been in court over this matter.

At the opening of Tuesday's hearing, Niles Cable Chairman Ang Marcheschi testified that not only had Cablevision fallen behind their scheduled com-

Publishing an independent newspaper in a community which has only one political party isn't easy. When you take-off after the head honcho in the community you may suffer.

In past years, when The Bugle got a bit crotchety, there was usually an opposition political group, the guys on the outs, who generally cheered when you took off after their opposition. Today, there ain't no opposition. In fact, if you'll pardon my "aints", there ain't nobody but the mayor who has any political leanings.

Week after week, month after month, we've droned away at some of the imperfections of the guys and gal in office. They seemed to be genuine concerns which future politicians might use in future campaigns. But, in Niles, (here comes another "ain't") there ain't no future politicians.

When the independent newspaper reported the insurance man who knocked at new business owners' doors said he represented the Mayor, we thought this was intimidation and we reported it. It seemed like a good issue. When we reported workmen's comp cases for village employees were referred to the Mayor's law offices, we

Nilesite suffers burns in grease fire

A grease fire resulted in over \$3,000 damage to a Niles home at 8837 Merrill Ave. and sent the homeowner to the hospital with second degree burns on Friday, March 8.

Niles Fire Department Inspector Ed Sosnowski reports that about 12:15 a.m. a teenage daughter was in the kitchen heating oil in a pot on the gas range.

Sosnowski said vapors from the oil apparently caught fire, quickly spreading to a cabinet and curtains.

The father, Michael Losurdo, 58, ran into the kitchen and, while attempting to bring the pot of flaming oil from the kitchen to

the driveway, spilled some of it onto his feet.

When fire officials arrived on the scene they quickly put out the fire on the cabinet and curtains which Sosnowski said was confined to a corner of the kitchen.

Sosnowski estimated damage to the kitchen at \$2,000 and an additional \$1,500 damage to appliances.

Court rules Bergquist on ballot

Maine Township Assessor Roy Bergquist will be on the April 2 ballot following a ruling by Cook County Circuit Court Judge Francis Barth on March 5.

Bergquist, who is running as an independent after not being slated by Maine Township Republicans, won the court case based on a procedural matter.

Maine Township Republicans had challenged Bergquist's candidacy petitions claiming 1,140 of the 1,496 signatures were invalid.

The court did not hear the evidence because Bergquist had never been served with a court summons prior to the court session and the judge dismissed the case.

The Niles Events Committee is excited! We have just finished our reports on the events held in 1984 (the 3rd Annual Dinner Dance, the carnival, the flea market and the auction) and we were very successful thanks to everyone in the community who attended and enjoyed these events! Because of the financial success of these events, we were able to donate \$2,865 to the Niles Park District for the purchase of a chairlift which will be installed at the Niles Recreation Center and also we divided \$5,220.00 among the 13 nonprofit organizations which planned, organized and participated in the running of the community events.

The Niles Events Committee is made up of volunteer representatives from 20 nonprofit organizations in Niles. Each representative has a vote in the planning of the events and is given an opportunity to work at these events. The purpose of the Niles Events Committee is to promote community spirit by offering events where family, neighbors and friends can get together and have a great time and also to use any profits of the committee for worthwhile community projects and give the individual nonprofit participating groups in Niles financial help with their own worthwhile projects.

OCC ready for Family Day Sunday

The free, March 17 Family Day at Oakton Community College promises to be an interesting afternoon of films, workshops, seminars and "fun" activities.

Scheduled from noon to 4 p.m., at OCC/Des Plaines, 1600 E. Golf rd., Family Day is being sponsored by the OCC Center for Family Education and the Office of Community Services, in cooperation with the OCC Men's program and Board of Student Affairs.

"In today's society, there are many kinds of families - single parent, traditional, blended, or any combination of these," said Helene Block, coordinator of the OCC Center for Family Education. "Each of these families has its own strength. We at OCC believe in healthy families and invite all families in the community to join us for this Sunday program that promises activities to enhance family connections."

Scheduled seminars include "The Male Mystique in Contemporary Society," "The Blended Family," "Microcomputers for the Family," "The Working Woman and Her Responsibilities," "Child Abuse" and "Wellness."

The Des Plaines Police Department will be on hand for free fingerprinting of children. Community agency representatives will also be present to provide information about available services.

"Some of the activities will be suited for entire families and some will be more geared toward adults," Block said. "We will have a place, though, for children between the ages of 3 and 10 to participate in activities if their parents decide to attend some of the programs without them."

For further information about Family Day, call 635-1672.

Niles police officer test

"We need a few good men" is not only the motto of the Marine Corps, but also Niles Police Department. Niles' Fire and Police Commission has scheduled April 26, for the beginning of its examination process for Niles' Police Officers. By law, an entrance examination must be scheduled every two years, and an eligibility list established for those passing the rigid requirements.

Applicants must be U.S. Citizens, and residents of the Village of Niles, between the ages of 21 and 35. High School Diploma or equivalent is required, as is a valid Illinois Drivers License. Further information and applications may be obtained at Police Headquarters, 7200 Milwaukee ave., Niles. Applicants will have an orientation presentation on Friday, April 26, with the physical agility testing to follow on Saturday, April 27, at Notre Dame High School.

Niles Baseball League registration

Registration for the 1985 Niles Baseball League will take place at the Niles Recreation Center, 7877 N. Milwaukee ave. through March 29, from 9 a.m. to 5 p.m. each weekday.

Niles Park District

The Niles Park District will host an Open House to demonstrate the operations of the newly installed computer system on Saturday, March 16 at the Administrative Office, 7877 Milwaukee ave. The demonstration will begin at 2 p.m.

Park District Business Manager, Michael Giannini, will conduct an illustration demonstrating the inquiry and processing capabilities of the payroll and general Ledger/accounts payable application.

The community is invited to attend the special presentation. Refreshments will be served. For additional information, call the park district at 967-6633.

Dear Editor:

Preston appointed, not elected

To the Editor,
A recent public relations release on Louella Preston published in your newspaper suggested she served in an elected capacity to the Niles Park Board.

Ms. Preston was appointed to a vacancy on the Park Board and lost an election to serve a full term to that board.

She was, therefore, never elected to any position in Niles. Ms. Preston has served only under appointments.

Behind Dechert 150 percent

Dear Editor:
I was very pleased to read in your paper that the candidate for the Village Leadership Party in the office of mayor of Morton Grove was Mrs. Joan Dechert. It has been the feeling of many that the time of the closed-minded party voters has passed. I believe that she has the proper and essential qualities to make the office of mayor work for the citizens of Morton Grove. She has shown open-mindedness, fair judgment, and, all important, fresh ideas. She has shown that elected officials should vote and think as the people would, not how the party wants them to. It is for these reasons that I write this letter to state my support for Mrs. Dechert one-hundred fifty percent!

Sincerely,
Daniel J. Sowinski

TIP candidate urges voters to study issues

Dear Editor:
On Tuesday, April 2, the citizens of Maine Township can vote for a change in Township government. You can vote for the Township Improvement Party, a bi-partisan slate, and the new party for Maine Township. The Township Improvement Party plans on changing what the incumbents have done.

The Township Improvement Party will lower taxes, taxes that the incumbents have raised 68% since 1981. Our party will try to sell the unnecessary Town Hall, that cost over one million dollars, and will try to rent adequate quarters thus saving thousands of taxpayer dollars. TIP will improve Senior programs especially in the areas of housing and transportation. We will definitely re-appoint the Main Stay Youth Advisory Board to help advise on a budget of over \$200,000. The Township Improvement Party will keep the citizens of Maine Township informed about what is happening in Township government through a monthly newsletter. There are many more important issues that TIP will look into when we are elected on April 2.

The Township Improvement Party urges you, the citizens of Maine Township to study the issues very carefully. TIP is interested in representing all residents fairly and equally. We will not be a rubber stamp administration. The Township Improvement Party will be accountable to the Maine Township citizens. On April 2, Punch 142 for the candidates of the Township Improvement Party.

John Prellberg,
Trustee Candidate

Voter registrants compliment Stolton

Dear Editor:
My wife, Jan, and I registered to vote on the last Saturday of registration last year. There was a crowd at the Maine Township Town Hall registering to vote. Clerk Stephen Stolton's staff handled the people with courtesy and efficiency.

I understand that at the old Township office handling large groups was nearly impossible and many people would have to wait outside.

Yours truly,
Mike Chiaramonte

New M-NASR staff members

Mary Jo Happ of Morton Grove and Rick Poole of Madison, Wisconsin were recently hired as Recreation Specialists for the Maine-Niles Association of Special Recreation (M-NASR). Recreation Specialists at M-NASR develop, organize, and lead recreation programs for mentally and physically disabled children, teens, and adults.

Mary Jo is a 1984 graduate of the University of Wisconsin at LaCrosse. She majored in Therapeutic Recreation with a minor in psychology. Mary Jo brings to M-NASR many years of recreation experience. Prior to her being hired at M-NASR, she was employed part-time by the Morton Grove Park District for 6 years. She has extensive experience in modern dance and gymnastics, and has performed in high school and collegiate dance productions.

Rick attended the University of Wisconsin at Madison. His past experience includes working for the Madison Public School System with mentally and physically handicapped children. Rick was Assistant Program Director of Camp Waupaca for boys for 7 summers. He gained extensive experience in recreation leadership by working with children in Boy Scouts and with the Madison Big Brother Program. Special Olympics and the M-NASR basketball team are two major programs Rick will be responsible for at M-NASR.

M-NASR welcomes Rick and Mary Jo and looks forward to their assistance in providing quality leisure service to the disabled in our districts. M-NASR is a cooperative program of the park districts serving the leisure needs of

special populations residing in Skokie, Park Ridge, Des Plaines, Morton Grove, Niles and Golf-Maine.

Stop Smoking technique developed in France; now available in Des Plaines

A stop smoking technique which is currently enjoying a success ratio of 85%, and being used by a Des Plaines clinic was originally developed in Paris, France by Dr. Michael Bicheron. Bicheron, a specialist in the treatment of arthritis, discovered the technique quite by accident. He found that a mixture of vitamins, minerals and sodium bicarbonate in a procaine base, when injected into the affected joints of his patients... a standard treatment for arthritis in Paris... had an unexpected side effect. It curbed their desire to smoke.

A physician from Baltimore, Dr. Solomon, brought this treatment to America after meeting with Dr. Bicheron in Paris in April, 1979. Dr. Solomon modified the procedure incorporating his own techniques because he felt that a successful stop smoking

treatment would have a tremendous impact on public health in this country. Richard Anfield, director of the Medical Habit Control Center, 2434 Dempster, Des Plaines stated, "We treat the physical as well as the psychological aspects of breaking the smoking habit because it is both a physical and psychological addiction."

Corporate executive Joseph J. Castro added, "Our method is relatively painless and we teach the individual to deal with the physical withdrawal symptoms as well as the emotional ones." Not only does the Medical Habit Control Center offer a one year guarantee with their system, the entire procedure involves only a two and one-half hour visit to their office. During this time, Dr. Subramanian gives the patient a

physical examination, gets their medical history and does a complete blood count and chemistry profile. He then administers small injections of vitamins and minerals which cause a lack of craving and taste for cigarettes. It alleviates the cold turkey withdrawal symptoms and the irritability and the patient does not substitute food for cigarettes.

The patient is then referred to Dr. Alan Welsh, Ph.D for a behavior modification which aids them with the psychological aspects of quitting smoking. Since this is a medical procedure performed by a licensed M.D., most insurance companies will reimburse the patient for the treatment. "Not only have several corporations contacted us to help their employees," Anfield noted, "but many physicians refer their

patients with emphysema to us." He added, "We are so pleased with our success ratio in this treatment that we guarantee if a patient should happen to go back to smoking within one year of his treatment, we will give him the entire treatment over again at no charge."

Wedding Bells

Vahl-Martell

A September 8 wedding at St. John Brebeuf Church is planned by Sharon Ann Vahl and Daniel Louis Martell.

Sharon is the daughter of Mr. and Mrs. Charles Vahl of Harwood Heights. Dan is the son of Mr. and Mrs. Frank Martell of Harwood Heights.

Sharon is a graduate of Maine Township East High School and works for B.M.S. Administrative Services as a Senior Claims Examiner. Dan is a graduate of Maine Township South and attended Triton College and The Illinois Institute of Technology. He is employed by Jewel Foods.

Jenkins-Watts

Julie Rae Jenkins and Lieutenant David Scott Watts exchanged wedding vows February 16, in the First Baptist Church in Odia. The double-ring ceremony was officiated by Robert Wutzler. Parents of the couple are Mr. and Mrs. Marvin Jenkins of Odia, and Mr. and Mrs. Thomas Watts of Niles.

The bride was escorted to the altar by her father and given in marriage by her parents.

The bride chose a candlelight chiffon gown with Queen Anne neckline and bodice accented with re-embroidered Alencon lace motifs.

Rhonda Mulvany, sister of the bride, served a matron of honor. Shari Watts, sister of the groom, was the bridesmaid. They wore identical gowns of wine georgette. The bride's mother wore a dress of navy blue crepe de chine

and the groom's mother wore an aqua taffeta gown.

Randy Martin, cousin of the groom, served as best man and Jim Rosin, friend of the groom was groomsman. Ushers were Steve Mulvany, brother-in-law of the bride, and Jeff Wiemers, friend of the groom. The groom wore his navy military dress uniform. The other men in the wedding party wore navy blue tuxedos.

A reception was held immediately following the ceremony in the church fellowship hall.

Later that evening the bride's parents hosted a dinner dance at the Salem Elks Club for out of town guests and friends.

The groom's parents hosted a rehearsal dinner February 15, at the Holiday Inn for the wedding party and out of town guests.

Seafood salad with an oriental touch served in an edible bowl makes an interesting main dish for special meals. This salad is also appealing because it uses ingredients that are available at any time of the year.

Shrimp, combined with crunchy snow peas, water chestnuts, celery and bean sprouts, is dressed with a tangy mixture of horseradish, mayonnaise and concentrated lemon juice. The salad is elegantly served in an easy-to-prepare edible puff pastry salad "bowl."

ORIENTAL SHRIMP SALAD WITH PUFF BOWL

Makes 6 Servings

- 3/4 cup mayonnaise or salad dressing
- 1/4 cup Concentrated Lemon Juice
- 1 tablespoon prepared horseradish
- 1/4 to 1/2 teaspoon garlic salt
- 1 pound small raw shrimp, peeled, deveined and cooked
- 1 (8-ounce) package frozen pea pods, thawed, or 4 ounces fresh pea pods
- 1 (8-ounce) can sliced water chestnuts, drained
- 1 cup sliced fresh mushrooms (about 4 ounces)
- 1 cup diagonally sliced celery
- 2 ounces fresh bean sprouts (about 1 cup)
- 1/4 cup sliced green onions
- Puff bowl, optional

In a large bowl, combine mayonnaise, concentrated lemon juice, horseradish and garlic salt. Add remaining ingredients except puff bowl; mix well. Cover; chill to blend flavors. Just before serving, spoon into puff bowl or lettuce leaves. Refrigerate leftovers.

PUFF BOWL

- 2 eggs
- 1/2 cup unsifted flour
- 1/2 cup milk
- 1/4 teaspoon salt
- 2 tablespoons margarine or butter, melted

Preheat oven to 425 degrees. In small mixer bowl, beat eggs until frothy. Gradually beat in flour; beat until smooth. Add milk, salt and margarine; mix well. Pour into well-greased 9-inch pie plate. Bake 15 minutes. Reduce oven temperature to 350 degrees; continue baking 10 to 15 minutes or until browned. Cool.

Vandals cause \$1,000 damage

A Niles business reported over \$1,000 damage caused by vandals during the night of Tuesday, March 5.

Officials of Automatic Elevator, 7255 Harlem Ave., said between 7 p.m. and 7 a.m. vandals threw rocks through large plate glass windows on the west side of the building.

The replacement cost of the windows was set at \$1,500.

Arrested for liquor violation

A 51 year old Chicago man was arrested for transporting open liquor in his car in Niles on Friday, March 8.

The Chicago man was reportedly driving south on Milwaukee Ave. near Harlem at 1:25 a.m. when police radar clocked the Chicago car traveling 47 in a 35 mile per hour zone.

Stopping the vehicle at Neva police found an open bottle of liquor in the car.

Additionally, a computer check showed the Chicago man's driver's license had previously been revoked.

At the Niles Police Department the offender was charged with speeding, transporting open liquor and driving while his license had been revoked.

He was assigned a March court date and released after posting a \$100 bond.

Shoplifter arrested

A California man was arrested for shoplifting in Niles on Friday, March 8.

The California man was reportedly shopping at Sears Roebuck and Co., 400 Golf Mill, when security guards saw him conceal one men's shirt, one pair of pants and several socket connections and leave the store.

Outside the store the California man was detained. At the Niles Police Department he was charged with shoplifting.

He was assigned a March court date and released after posting a \$100 bond.

The total value of the stolen merchandise was set at \$99.77.

Irate female damages Niles Police window

A 30 year old Prospect Heights woman was arrested after allegedly kicking out a window at the Niles Police Department on Monday, March 4.

Police report the Prospect Heights woman came into the Niles Police Department, 7200 Milwaukee Ave., at 7 p.m. and asked for assistance after locking herself out of her car.

However, when she told police her car was parked in Chicago they said she would have to contact the Chicago Police.

The woman allegedly became enraged and, while leaving the building, kicked in a window on a south building door.

She was taken into custody by a police dispatcher. She was charged with criminal damage to property and, after being assigned a March court date, was released after posting a \$100 bond.

New laws for '85

The Illinois General Assembly passed some new laws that will affect Illinois motorists. One law that has received a great deal of publicity is the seat belt law.

Another law change, which also becomes effective July 1, 1985, but has not received much publicity defines aggravated fleeing or attempt to elude a police officer. The offense, "is committed by any driver or operator of a motor vehicle who flees or attempts to elude a police officer, after being given a visual or audible signal by a police officer, and such flight or attempt to elude: (1) is at a rate of speed at least 21 miles per hour over the legal speed limit and; (2) causes bodily injury to any individual or causes damage in excess of \$300 to private property."

The new law makes the offense a Class A misdemeanor for the first time offender, and a Class 4 felony for a second or subsequent offense within five years of the first conviction. It also directs the Secretary of State to revoke the driver's license of any person convicted of this offense.

"I'm happy to see our legislators take this 'get tough' stand against 'fleeing and eluding,'" stated Captain Hugh S. McGinley, Commander of District 15 State Police in Oak Brook. "Our Troopers are more vulnerable to getting injured during high speed chases than at any other time. Too often, innocent people are hurt or killed when for whatever reason, a person decides to try to outrun a police officer."

McGinley concluded, "This law, like the seat belt law, is a good example that shows our state legislators want to promote the health and safety of the people of Illinois."

Laws for motorcycle drivers

by Sec. of State Jim Edgar

Motorcycle drivers must obey the traffic laws in the same way as other vehicle drivers. However, riding a motorcycle safely requires some additional precautions, such as wearing a helmet.

Approximately 80 percent of all motorcycle accidents result in head injuries, and the majority of motorcyclists seriously injured or killed are teenagers or young adults.

Sixteen and 17-year-old riders are now eligible to operate any size motorcycle. However, newly licensed motorcyclists should be aware of the dangers of inexperience. Do not carry passengers until you have confidence in your ability to drive safely.

Skin abrasions and broken bones are frequently the result of motorcycle accidents. In addition to wearing a helmet, motorcyclists and their passengers can reduce injuries by wearing protective clothing, such as a heavy leather jacket, gloves and heavy boots.

According to the National Highway Traffic Safety Administration, a motorcyclist involved in an accident without a helmet is twice as likely to suffer a head injury and three times more likely to suffer a fatal head injury than a rider with a helmet.

Deaf shoplifter arrested

A 19 year old deaf Des Plaines resident was arrested for shoplifting in Niles on Friday, March 8.

The Des Plaines man was reportedly inside Holsum Bread, 9207 Milwaukee Ave., when he was seen leaving the store without paying for a bag of popcorn.

The store manager detained the man in the parking lot as the police were called.

When the Des Plaines man saw the approaching police he broke free and ran south. However, police apprehended him in the 3100 block of Milwaukee Ave.

At the Niles Police Department it was determined the Des Plaines man was a resident of the Center of Deafness in Des Plaines.

When the store manager was informed of the circumstances he declined to sign a complaint on the condition that the man not return to his store.

Police later turned the man over to officials of the Center of Deafness.

Drunk driver arrested after accident

A 40 year old Wheeling man was arrested for drunk driving in Niles on Monday, March 4.

Police report the Wheeling man was driving north on Milwaukee Ave. when he struck a traffic light at Golf Rd.

Arriving on the scene, police said the Wheeling man repeatedly refused to get out of his car. Additionally, police said the man smelled of alcohol.

When the driver did leave his car he was placed into a Niles Police car. However, during the transfer a passenger in the Wheeling car, a 22 year old Des Plaines man, reportedly grabbed one of the officers to prevent the arrest.

The Des Plaines man was quickly subdued and brought to the Niles Police Department.

The Wheeling man was charged with driving while under the influence of alcohol, driving too fast for conditions and damaging a traffic signal. He was assigned an April court date and released after posting a \$100 bond.

The passenger was charged with obstructing a police officer. He was assigned an April court date and released after posting a \$100 bond.

Gottlieb Hospital offers athletic screening test

A two-hour screening test that can help weekend athletes find the sport they are best suited for, and show them how to improve their performance in it while avoiding injury, is now being offered by the physical therapy department of Gottlieb Memorial Hospital in Melrose Park.

The test, conducted for 15 to 20 participants in the physical therapy gymnasium on the last

Thursday of every month (the next session is on March 28), evaluates a person's strengths and weaknesses.

Test results are discussed in a personal interview with each participant. The March 28 screening will be held from 5-7 p.m. The cost is \$35. For more information, call physical therapist Ann Putnam, the program's supervisor, at 450-4942.

OCC wrestler reflects on Nationals

It's hard not to notice the disappointment in Bob Phillips' voice when he talks about how he lost two matches while winning one during the recent National Junior Collegiate Athletic Association tournament. But it's also hard to not be impressed by looking at the Maine South grad's accomplishments on the mat during his two years at Oakton Community College.

All Phillips did in two years at OCC was win two Skyway Conference championships, be named this year as the conference's Outstanding Wrestler, compile an overall 39-9 record and become the first OCC wrestler ever to qualify for nationals.

"I really wanted to make it as an All-America (the first six places in each weight class earn All-America status)," Phillips said. "I was flat in my first mat-

ch, though. I just wasn't sharp and didn't have any drive behind any of my moves. Every once in a while that happens. I guess this was a bad time for it, though."

After Phillips graduates from Oakton in May, he plans to attend Northern Illinois University in the fall.

"I'd like to wrestle there," he said. "I know that it will be tough, but I'd like to give it a shot."

Phillips said he knows he'll have to change some of his habits if he's going to wrestle at Northern Illinois, which recently won the Mid-American Conference championship.

Scuba courses at Leaning Tower

The time is just right to discover a new world! With the use of Scuba, and underwater world filled with exotic beauty and excitement can be seen.

Each year, the Leaning Tower YMCA conducts three Scuba courses with the next one beginning on April 23 and finishing in time for a unique summer of diving.

The course is for anyone 15 years and older so entire families may participate. Classes are held on Tuesday evenings from 6:45 to 10:30 p.m.

Students supply their own masks, fins and snorkels; and the Leaning Tower YMCA will provide the scuba gear and texts.

Individualized attention is stressed with a maximum enrollment of 20 students per course, so early registration is suggested.

Upon completion of the course, the Leaning Tower Sea Divers Diving Club welcomes each new diver (old ones, too) into their club for on-going diving fun and social events.

For further information, contact Laurie Guth, Aquatic Director, at 647-8222.

Mixed doubles tournament set at TAM

If you are an amateur tennis player, 21 years of age or older, you may win the right to drive a 1985 Buick Somerset for one year.

March 23 and 24 are the dates of play in the local dealer round of the Love and Buick Mixed Doubles Tennis Tournament at TAM Tennis Club in Niles. Bredemann Buick/Toyota of Park Ridge is sponsoring play at TAM on this weekend.

The winning team at TAM will receive trophies and will qualify for the zone tournament at Mid-Town Tennis Club beginning March 29. The winning team at Mid-Town will receive an all-expense paid trip to Dallas, Texas for the Love and Buick finals, to be held April 11-14. (Trip includes round trip coach airfare, and hotel accommodations; meals and personal expenses are not included).

For more information or an entry form, contact TAM Tennis Club, 7686 N. Caldwell in Niles. The phone number is 967-1400.

\$400 Medicare deductible!

If you are 65 or older, continue to **SAVE** on inpatient stays at Bethesda Hospital.

Because of your many requests to continue the Senior Citizens Courtesy Program, we have decided to extend our offer. From now until May 15, we will absorb the Medicare deductible on your stay.

SENIOR CITIZENS Courtesy Program

Even with Medicare coverage, a hospital stay can be a financial burden on senior citizens. That's why at Bethesda Hospital we've extended the Senior Citizens Courtesy Program to help. Until May 15, 1985, we will absorb all out-of-pocket deductible costs for inpatient hospital charges for Medicare patients. Although this program is designed to be of particular advantage to those patients without supplemental health insurance, this special Senior Citizens Courtesy Program is available to everyone with Medicare coverage. If you do have supplemental insurance coverage, we will bill your insurance carrier directly for the deductible amount and eliminate your paperwork problems.

We realize that you have many alternatives for hospital care so we're continuing this special program to help introduce more area residents to Bethesda Hospital, its 200 physicians, and its high quality of medical care. Should you have need for hospitalization, please discuss this program with your physician. We are sure he or she will want to help you save money, especially since they know you'll receive only the best of care at Bethesda.

Just complete the Senior Citizens Courtesy Program Card and show it to

the admitting personnel when you require hospitalization. We'll make sure you get the special savings you're entitled to!

We also have a list of qualified physicians who are currently accepting Medicare assignment. If you need a physician, or have any questions, just call Bethesda Hospital at 761-6000 and we'll be happy to help you.

HOW TO SAVE MONEY

If your total hospital bill is	\$2500
Medicare will cover	2100

Adolescent Grief Support Group

A five-session Adolescent Grief Support Group will meet on consecutive Tuesday evenings from 7-8:30 p.m. beginning April 2. Sponsored by Lutheran General Hospital's Division of Pastoral Care, the group meetings are designed to help grieving adolescents, ages 11 to 19 years old, whose parent, brother, or sister has recently died. The sessions offer youths an opportunity to express their

grief, rather than avoid it, in order for healing to take place. A number of topics will be discussed including changes in family life and routine, feeling accepted by your friends, and identifying signs and symptoms of your grief. There is no charge for attending these sessions. For registration and information, phone Chaplain John Katonah at 696-6396.

Physician nominated for award

Dr. Rodolfo Gonzalez-Cuellar of Glenview has been nominated

for Family Physician of the Year, an honor granted by the Illinois Academy of Family Physicians. One of six finalists, the winner will receive recognition during the IAFP Annual Meeting, held April 14-17, at the Palmer House in Chicago. The winner of the award will become the IAFP candidate for the American Academy of Family Physicians' Family Doctor of the Year.

United Ostomy

The United Ostomy Association/North Suburban Chicago Chapter will hold its monthly meeting at 8 p.m. Wednesday, March 27, at Lutheran General Hospital, 1775 Dempster st., Park Ridge. We will meet in the East Dining Room on the tenth floor. This month's guest speaker will be Dr. Larson, gastro-intestinal specialist at Lutheran General Hospital. For further information on our organization, please call 674-7763.

New Holy Family Outpatient Guest Rooms

In order to provide a place for patients to receive nursing assistance in preparing for an x-ray and a place to rest after the procedure, Holy Family Hospital is offering a new service called the "Outpatient Guest Room."

Anyone scheduled for an early morning x-ray procedure at Holy Family Hospital, may check into the Outpatient Guest Room the night before, or in the morning two and a half hours prior to the procedure. A member of the nursing staff will help with the preparation. After the x-ray, the patient returns to the Guest Room for an hour rest and a continental breakfast before returning home.

Ruth Couch, Director of Medical/Surgical Nursing, explained the benefit of this new service: "We have patients who have difficulty getting a ride to the hospital prior to an early morning test and would benefit from coming in the night before. There are also people, living alone, who may need help with re-testing procedures, such as enemas. Our nurses will help with this preparation."

This service is offered directly to the patient, admittance by a doctor is not necessary. The fee for the Out-patient Guest Room is \$50 for an overnight stay and \$25 for a morning registration. The

fee includes room charge, preparation costs, use of a TV and telephone for local calls. Medicare/Medicaid and private insurance companies do not reimburse for this service.

To reduce medical costs, many doctors recommend that tests and x-rays be performed on an outpatient basis. Outpatient testing, although cost effective, may not always be practical or convenient. A patient may be too weak from fasting to drive to the hospital or may need assistance preparing for the x-ray. Holy Family's Outpatient Guest Room will meet the needs of these patients by providing assistance before an x-ray and a place to rest after the procedure.

For further information, call Holy Family Hospital in Des Plaines at 297-1800, ext. 1150.

Support group for women abused as children

Forest Hospital is offering a support group for women who were physically or sexually abused as children. Under the direction of Barbara Ward, a certified social worker, the group is scheduled to begin meeting in late March. Twelve weekly sessions, with a two-week break at the mid-point, will deal with the issues of trust, intimacy and self-determination. The group will meet Monday evenings from 6:30 to 8 p.m., at Forest Hospital's Seven Springs Health Resource Center, out-patient office, 1717 Rand rd., Des Plaines.

According to recent studies, Ward said, "one out of every two women seeking out-patient therapy has been a victim of sexual abuse. If we included those who have been victims of domestic violence and physical abuse, the statistics would be even higher. This history of abuse plays a tremendous role in a woman's sense of self worth, and is often the root cause for a host of problems, including

depression, eating disorders and chemical dependency."

Ward, a member of the Academy of Certified Social Workers, is a specialist in the field of sexual abuse and domestic violence.

Women interested in enrolling in the support group should call Seven Springs at 635-4224 or 25 to set up a screening interview. There is a fee of \$50 for the one-hour screening, and \$20 for each hour-and-a-half session.

Tee Ball registration

The Niles Park District is now accepting registration for its 1985 Tee Ball program which will begin Saturday, April 13. Participants must be between the ages of 6 and 8 years old. The program includes 4 weeks of instruction followed by several weeks of league play, (exact length of program depends upon the number of participants), tee shirts and awards for achievement. Registrants should sign-up for one of the following times: 9 a.m., 10:15 a.m. or 11:30 a.m. Register at the Park District office, 7877 Milwaukee ave., Monday-Friday 9 a.m. to 5 p.m. or on Saturdays 9 a.m. to 12 p.m. Register before Friday, April 11.

Morningside student visits Chicago

Mike Mulvihill of Niles, was among a group of Morningside students who traveled recently to Chicago to the annual National Association of Collegiate Activities conferences.

As Chairperson of the student CBC (College Board of Control) Programs and Activities, Mike traveled with four others to the conferences which showcased the top entertainers available to colleges.

Mike is the son of Charles and Nancy Mulvihill, 8144 N. Chester, Niles.

Weight control instruction at Parkside

Educated weight control instruction - teaching persons why they overeat in order to teach them how to diet - is available through outpatient nutrition services at Parkside Human Services Corporation, Park Ridge. Parkside Human Services Corporation is a member of the Lutheran General Health Care System.

The weight control sessions are offered in small, personal groups, and meet for ten weeks. Morning and evening classes are available. A free orientation will be held on Wednesday, April 3 at 7 p.m. and Thursday, April 4 at 10:30 a.m.

Prior to the first class, a registered dietician counsels each participant individually. Diets are geared towards the working and eating habits of the individual and the family and their amount of daily activity. Ms. Schmid tries to keep the

groups small, with a maximum of 15 persons per session. Pre-enrollment is necessary in order that an individual diet can be designed for each participant before the actual sessions begin.

For more enrollment and fee information, phone Parkside's outpatient nutrition services office at 696-6138.

Ice Show '85

Mayfair Presbyterian Festival of Fashion

The Women's Association of Mayfair Presbyterian Church, 4588 W. Ainslie st., will sponsor a Festival of Fashion and Luncheon on Wednesday, March 27 at noon. Jean Croeger, chairman has arranged for Parson's of Park Ridge to show spring fashions using members as models. Barbara Scherzer, in charge of models, has signed up

Gems Forster, Edna Hie, Dorothy Keller, Jane Prodel, Alma Ries, Lori Teichman, Winifred Vogel, Vera Walter and Vivian Wing. Darlene Reschke and her crew will prepare Shrimp Delight for luncheon. A bakery booth, supervised by Hazel Haack and Christel Tobsing will offer homemade items for sale. Tickets are \$5 each from the church office, 685-0104. Free door prizes and tiny tot care, too.

Last chance to make changes in the new phone book.

Maybe you'd like to change the way your name is listed. If your name isn't listed, maybe this year you'd like it to be. Or you might want to add a listing for someone else in your family, so friends can keep in touch.

Now's the time to make your change, whatever it is. The new phone book goes to press soon. For Skokie, Lincolnwood, Morton Grove, Niles and surrounding communities, please call your Illinois Bell service representative before then. The number is 1 800 942-3945 for residence and 1 800 635-2600 for business. Call now. If we don't hear from you by March 22, we'll have to say we're sorry, the presses are rolling.

Oakton business seminars

Two seminars will be offered, one in March, one in April, primarily for manufacturing management personnel, by the Institute for Business & Professional Development, Oakton Community College.

MICRO-COMPUTER IN MANUFACTURING will be held March 21 and is co-sponsored with the midwest chapter of the American Production Inventory Control Society. This seminar is geared for Manufacturing Executives, General Managers/Plant Managers, Materials Managers, Production & Inventory Control Managers/Supervisors and MIS/Data Processing Managers. Just a few of the major topics covered will be systems design, software evaluation, selection and implementation, computer hardware availability and will present a case study of an actual recent implementation.

Seminar leaders are principals of Manufacturing Management Associates, Inc. Karl L. Oestreich has over 17 years experience in industrial management and consulting. Jerry A. Greenblatt's experience spans more than 16 years in systems development, MIS management consulting and EDP audit for manufacturing and distribution companies.

COMPUTERS IN QUALITY will be held April 9 and is designed especially for Quality Engineers, Managers, and Supervisors, Manufacturing Engineers and anyone with a personal computer that can be utilized for process control. The course is designed to acquaint industrial personnel with the power of the personal computer for quality control applications. Participants will learn the capabilities of both off the shelf and specialty software for industrial quality control applications.

The seminar leader will be John Blazejak, President of Management Institute of Chicago Inc. The company has trained more than 1,200 employees from over 1,000 companies nationwide in quality technologies. Mr. Blazejak has over 23 years experience in the field of Quality Management and Quality Engineering.

GreatAmerican Federal's Second Mortgage Program

GreatAmerican Federal, 1001 Lake St., recently announced the introduction of its new Adjustable Rate Second Mortgage program.

"Historically the American home has been the single largest investment made by a typical family," said Kurt Kluever, Assistant Division Manager-Marketing. "Now GreatAmerican Federal has a program which allows people an opportunity to borrow against the equity they've built up in their home."

The GreatAmerican Second Mortgage allows homeowners to borrow from \$10,000 to \$150,000 and take from five to 15 years to repay it. According to John Evans, Vice President of the Lending Division, there is a formula you can use to determine

String Quartet to perform

The Kreisler String Quartet will perform works of Mozart, Shostakovich and Mendelssohn in concert at the Skokie Public Library, 5215 Oakton at 3 p.m. on Sunday, March 17. Admission is free.

The Quartet, which received enthusiastic response at their 1984 recital at the library, is composed of Michael McDonough (Evanston), violin; Lisa Kartman (Evanston), violin; Laurie Melting (Evanston), violin; and David Hoppe (Chicago), cello.

Named after violinist and composer Fritz Kreisler, the Quartet recently returned from a European tour sponsored by an enthusiastic fan. The Quartet has performed for the American Heart Association and has appeared at the Orchestra Hall Ballroom and Palmer House.

Spring jazz concert

Band conductor Craig Kaucher of Skokie will be one of three Skokie Valley Jazz Ensemble members to have his original compositions showcased at the Ensemble's spring concert. This free program is scheduled for 3 p.m. on Sunday, March 24 at the Skokie Public Library, 5215 Oakton.

The Skokie Valley Jazz Ensemble is a not-for-profit institution dedicated to the support of jazz music in the North Shore area. In addition to its many engagements at the Skokie Public Library, the Skokie Valley Jazz Ensemble has performed at the Art Deco Society Ball and the Clio Awards reception hosted by Skokie's Centre East last fall.

Model Railroad Open House

The Fox Valley Division of the National Model Railroad Association is holding their 8th annual Open House and Model Railroad Show, High Wheeler '85, on Saturday and Sunday, March 16 & 17.

Featured at High Wheeler '85 will be The Fox Valley Railroad, a sectional, portable model railroad built by the Fox Valley Division. It is modeled after a section of a real suburban Chicago area railroad.

High Wheeler '85 is happening at Harper College, Building M, Algonquin and Roselle Rds., Palatine, Illinois. Times are 10 a.m. to 5 p.m., both days. Admission is a \$2 donation, \$1 under 13.

Auditions for Dance Scholarships

The Board of Directors of Ensemble Espanol, the in-residence Spanish dance company at Northeastern Illinois University, is holding auditions for its apprenticeship program in Spanish dance. This is the third season for the program which will offer a minimum of four scholarships to male and female dancers between the ages of 17 to 25.

Scholarship recipients will be chosen on the basis of auditions to be held on Friday, March 29, from 4:45 p.m. and Saturday, March 30, from 9:10:30 a.m., at Northeastern Illinois University, 5500 N. St. Louis ave., in dance studio A-113. The auditions will be conducted by Ensemble Espanol director, Dame Libby Komaiko Fleming, and members of the Ensemble.

For additional details, call 583-4050, Ext. 666, weekdays; and 583-4062 on weekends.

King Richard's Faire auditions

Performance auditions for this summer's 13th annual King Richard's Faire, Bristol Township, Wis., and King Richard's Faire - A New England Renaissance Festival, Boston, Mass., have been announced by John T. Mills, artistic director. Auditions will be held April 1 and 2, 1 p.m. to 5 p.m. and 7 p.m. to 9 p.m. at the Theatre Building, 1225 W. Belmont, Chicago.

All applicants are asked to bring a photograph and resume to the auditions.

King Richard's Faire, a theatrical re-creation of Renaissance life in Europe, is casting for various productions as well as actors, actresses, mimes, puppeteers, jugglers, magicians, street performers, rouses, scoundrels, musicians and variety acts.

While appointments for auditions are not necessary, they can be made by contacting the Faire at 312/355-5700.

Library Artist of the month

Shirley Minkus has been named the Lincolnwood Library's March Artist of the Month for March 1985.

A selection of her works in various media will be on display from March 4 through April 5 at the library, 4000 W. Pratt. Included in the display are portraits of her two sons and a charcoal sketch of her late husband Gerald, a past president of the Lincolnwood Men's Club.

Ms. Minkus is a 21-year resident of the village and has served on the PTA boards of both Lincolnwood schools and Niles West High School.

Library hosts guitar concert

Pamela Beatty (5254 N. Glenwood, Chicago) will give a guitar recital at 8 p.m. on Friday, March 22 at the Skokie Public Library, 5215 Oakton.

Currently a senior on scholarship at Roosevelt University, Beatty studies with Pamela Kimmel. She has performed in master classes with Leo Brower and celebrated Argentinian guitarist, Manuel Lopez-Ramos. In 1983, Beatty received first place in the Society of American Musicians competition. In addition to her solo classical repertoire, Beatty performs jazz and popular instrumentals.

Niles College comedy production

The Niles College Theatre Company, 7135 N. Harlem ave., will present Brian Friel's Philadelphia, Here I Come! on March 21, 22, 23, 24 and 28, 29, 30.

Performances are at 7:30 p.m. on Thursdays and Sunday, and at 8 p.m. on Fridays and Saturdays. Admission to all performances is \$4.50. Because our seating capacity is limited, we suggest that tickets be reserved in advance by mail. Upon receipt of your check and date information, your order will be recorded in our reservation book. Nilesite chairs musical scholarship committee

Multi-talented Karen Porzak of Niles, lyric soprano, composer, and graphic painter is Scholarship Chairman for the MacDowell Artists Association of Oak Park-River Forest. Auditions for graduating musicians in that area, and for students and children of MacDowell members are urged to telephone her at 965-5777 for information about requirements. Impartial judges will select several winners on Sunday, April 28 at the First Baptist Church of Oak Park. Deadline for applications is April 9. Winners receive money paid directly to colleges of their choice for continuing music study. The association plans a gala celebration for its 50th anniversary in June.

Artists entertaining at the organization's Friday, March 8 meeting will be Frances Anderson of Arlington Heights, soprano, who will sing arias set to Emily Dickinson poems by Roy and Copeland, and others by Catalani, Wilson, Hagman and Coleman; pianist Helen Kettner of Oak Park will play compositions of Glazunov, Liszt, Rachmaninoff and Balakirev.

Music lovers and practicing musicians are invited to attend, and are urged to become active in this association, which draws its members from Chicago and approximately 20 suburbs. Its purpose is to provide artists opportunities to be heard by appreciative audiences. Membership chairman Eleanor Perry, 848-5970 may be contacted for further information.

Northwest Choral Society concert

The Northwest Choral Society announces their "Birthday Celebration of Bach and Handel" concert to be performed Saturday, March 30, at 7:30 p.m. at the First United Methodist Church, 418 W. Touhy, Park Ridge. Chorus and orchestra will perform many favorites, including Handel's "Largo from Xerxes" and excerpts from the "Messiah" and "Oh Praise The Lord With One Consent," and Bach's beautiful "Mass in B Minor." Bach and Handel will appear.

The 60-member Northwest Choral Society also celebrates its own birthday, as a non-profit community organization performing both classical and popular music for the northwest suburbs for 20 years. The group is directed by John Melcher. Donations for the concert are \$5 for adults and \$3 for students and senior citizens. Tickets may be obtained at Scharringhausen Pharmacy in Park Ridge, or at the concert. Phone 693-8068 for further information.

Mula to direct Open Stage production

Tom Mula, who has won critical acclaim for direction in regional theater, television and developmental theater, has been named guest director for the next production of the Mayer Kaplan Jewish Community Center's Open Stage Players. Garson Kanin's adaptation of "Dreyfus in Rehearsal" by Jean-Claude Grumberg will be presented at the Mayer Kaplan Jewish Community Center (JCC), 5650 Church st., Skokie, at 8:15 p.m. on Saturdays and at 7:30 p.m. on Sundays, April 20 through May 19.

call upon Mula's skill in directing humor with sensitivity in this warm, human and witty comedy set in the Jewish ghetto in Vilna, Poland. The story depicts a group of amateur actors rehearsing for a new play about Alfred Dreyfus whose trial rocked France.

MG Legion auxiliary officers

These ladies are guiding the destiny of the Morton Grove American Legion Auxiliary Unit #134 this year. A reformer in the state in rehabilitation work, the Auxiliary also does much community work.

(L-r): Ann Klemens, chaplain; Sandra Kapelanski, treasurer; Bonnie Thilmany, Sgt. at arms; Sally Butler, color bearer; Nancy Schlueter, president; past president Joyce Senf, who is serving in both an appointed office as well as an elected one—the dual roles of corresponding secretary and historian; past president Jeanette Hack, second vice president—Christmas Cheer Chairman who held a very successful holiday luncheon party in December; past president Lorry Nehari, once again serving as recording secretary as well as the newly instituted position of parliamentarian; Lucy Ardo, color bearer; and Judith Mayer, first vice president—membership chairman. Judy is seeking eligible members to join the ladies in their activities.

The Auxiliary meet the second Tuesday of each month on a usual basis. (at the Memorial Home, 6140 Dempster at 8 p.m.)

Niles VFW award

The Veterans of Foreign Wars Niles Memorial Post 7712 presents Alan Ochab their Voice of Democracy program award. Alan, a student at Notre Dame High School, won the local award for his "My Pledge to America" theme speech. With Alan are his mother, Mrs. Pat Ochab, and Jr. Vice Commander of the post, Dennis Argyrakis.

For his efforts, Alan received a Voice of Democracy certificate, the first place gold medal, lapel pin and a check from the veterans for \$100. The Post also presented a \$50 check to Notre Dame for their participation.

K.C.'s seek members

You've probably seen it happen. Good Catholics often become even better Catholics when they join the Knights of Columbus. That's because the Knights are always helping people through charity, friendship, faith and service. But in order to do even more good work, we need more Knights. We need you!

Get rid of the winter blues, by joining the K.C.'s at: Flanagan Hall, 8307 N. Harlem ave., Niles at 8:30 p.m. on March 20 for a fun filled evening.

All male Catholics are invited. Games, prizes and refreshments will be provided, and an enjoyable evening is promised.

Kohls aids engineering students

Four Des Plaines area high school seniors who have been accepted for fall enrollment at the Illinois Institute of Technology (IIT) in Chicago recently enjoyed an informal breakfast with Maggie Kohls, a member of the IIT Alumni Admissions Corps. Kohls answered students' questions about the engineering program at IIT. She is currently a structural engineer at Sargent & Lundy in Chicago and a candidate for the Niles Public Library District Board of Trustees. The Des Plaines students are, from (l-r): Tom Spiliopoulos, Matthew Valentine, David Rothweiler, and Joe Zielinski.

Dudycz named to gang crimes committee

Sen. Walter W. Dudycz, R-Chicago, has been named to an Illinois State Senate Subcommittee on Gang Crimes. The senator said the panel will conduct hearings in various parts of the state to study the incidence of gang crimes and look for ways to combat the problem. The subcommittee will report back to the Senate's Judiciary II Committee, of which Sen. Dudycz is also a member.

"I look forward to our first public hearing at Clemente High School in Chicago on March 12," Sen. Dudycz said. "I believe going right to the neighborhoods where gang crime is prevalent

could help us find some answers. Certainly the residents who are being terrorized, who are helpless even to keep their own children from joining gangs, deserve an opportunity to speak out about the problems." The senator pointed out that Gov. James Thompson, in his education reform proposals, called for stronger efforts to control gangs. "There will be strong focus on gang crimes in the General Assembly this session, and I expect the subcommittee hearings to produce some real solutions to the problem," he said.

Library candidate Wagner vows low taxes and progressive library

Charlene R. Wagner, candidate for Niles Library Trustee believes that books are the building blocks for our children and to demonstrate this she is shown reading to Robert Smith and Christine Green to display how interesting and important books can be. Mrs. Wagner's campaign slogan is "Let's fill the library with books to enjoy, to learn and to educate." If elected library trustee, Mrs. Wagner supports adding additional books to our present Niles Library collection and to foster a stronger children and youth program.

Mrs. Wagner stated, "If elected I wish to continue to keep library taxes the lowest in the area and still maintain a progressive library. I would also like to promote the newer visual aids, both for learning and pleasure, such as video tapes and video discs. Since the Village is now in the process of establishing its local cable television access channel, I would like to update library information to all residents including nursing homes and shut-ins with this new media. Our reference and research books for students in elementary, high school and

Sutker reacts to Governor's education plan

State Representative Calvin Sutker (D-56th) applauded Governor Thompson's efforts to reform the state's educational system, but remains apprehensive about the Governor's funding plan. "Although I commend the Governor's commitment towards upgrading our schools," Sutker said, "I'm leery about the Governor's optimism in assuming that \$347 million in new growth money will be available for the plan."

The Governor's funding plans for the program call for an anticipated \$80 million from an 8-cent cigarette tax in Illinois, which would go into effect when the federal tax drops in October.

college levels can also be increased so that local students can find all of the information that is needed to complete and add to their education. I would also like to start a campaign to encourage all residents of the village to patronize our library especially the citizens who are now unfamiliar with the services not provided." Mrs. Wagner is part of the only husband and wife team that is running for public office in the upcoming election. Her husband, Niles Village Clerk, Frank C. Wagner, Jr., is seeking reelection with the Party of Economy and Progress which includes Mayor Nicholas B. Blase and Trustee candidates Louella B. Preston, Abe Selman and Peter Pesole. With the new State of Illinois consolidated elections, the library, village and park elections will all be held in the same polling place on the same day, April 2. Mrs. Wagner asks your support by voting for her by punching number 285 on the ballot. The polls will be open from 6 a.m. to 7 p.m. so that it may accommodate all citizens who wish to exercise their American privilege to vote.

Elizabeth (Betty) A. Blowers is a new candidate for District 207, but has lived here for the past 18 years. She has been very active in the community, having served on Maine South committees for their Adult Players, Music Boosters and is currently serving as director and board member of the Park Ridge Players. Since 1962, Betty has been a Copy Editor for the Encyclopedia Britannica and has had previous advertising and editorial experience. What she hopes to do in District 207 is to work, "to maintain the best possible balance between what is best for students and what is best for the faculties."

Also indicating an interest in running for District 64, is Chris Vuco. Chris has lived in District 64 for 11 years and has done men's hair styling and designing for the past 33 years. He has been active in "local village affairs and education on local through national level". He expresses concern that "educators are failing to teach morality", basing his comments on his study of the Maine Township Schools and the State of Illinois.

The Caucus Nominating Committee continues to have a strong need to interview prospective candidates for the School Boards and encourages anyone with a community interest to call Vic Slasiaca at 781-8015.

Sutker noted that a recent Michigan study indicated that early learning can reduce school drop-outs and illiteracy, thus keeping these students off the state's welfare rolls in later years. "I would be more apt to spend our limited dollars towards educating our kids away from delinquency, rather than to throw millions of dollars at the problems of gang crime and vandalism," he said.

District 64, 207 candidates

The Caucus Nominating Committee has begun interviewing candidates for Districts 64 and 207 School Boards. Present District 64 Board member, Fred Flenner, has decided to run for the position in District 207. A District 64 member for 5 years, he has been active in basketball, softball and YMCA Park District programs. Currently, Mr. Flenner is teaching mathematics at Northeastern Illinois University. He believes District 207 "offers courses and extracurricular programs for students with a wide range of abilities and interests".

Bob Metzger has decided to run for re-election in District 64. He has lived in District 64 for the past 16 years and is on the administrative board of the United Methodist Church of Park Ridge. He teaches social science in Arlington Heights District #25. His goals for District 64 are, "to maintain its outstanding performance, continue our 5 year budget projection policies and financial policies and to complete the \$7,000,000 life-safety program and to continue the cooperative atmosphere that now exists between the District #64 board and other governmental agencies such as the Park Board and City Council".

Incumbent Park Candidates to run 'on their record'

Incumbent candidates for the Niles Park Board, Mary Marusek, Dan Kosiba and Jim Pierski announce their intention to run together on their record of service and achievement during the last 4 years. Serving as their campaign manager will be Todd Bavaro who also assisted them in their election in 1981. Bavaro stated "I am especially proud to serve as campaign manager for Mary, Dan and Jim primarily because of their outstanding dedication and achievements in the past 4 years. I have every confidence they are the most qualified candidates ever to serve on the Niles Park Board."

Preston emphasizes need for attracting young families

Niles Plan and Zoning Board of Appeals Commissioner, Louella B. Preston is shown in front of the Oak School in Niles to emphasize the need for young families with children to move into our village. Mrs. Preston, who is a candidate for Village of Niles Trustee in the upcoming April election, expresses her concern in keeping our property values high and the village a viable community.

Mrs. Preston stated, "All communities need the balance of young and old in order to foster a progressive community. Young people with children add so much to a community and the benefits are many fold."

Mrs. Preston is presently employed as a special education coordinator and has been or is a member of the Parent Teachers Association, former member of the Board of Directors of Maine Niles Association of special recreation, Friends of Handicap-

Children and counsel for exceptional children. She has also been a leader in civic activities by serving as elected Com-

missioner of the Niles Park District and is currently attending the John Marshall Law School.

Mrs. Preston is part of the team of the Party of Economy and Progress ticket which includes incumbent Mayor Nicholas B. Blase, incumbent Village Clerk Frank C. Wagner, Jr. and incumbent Trustees Abe Selman and Peter A. Pesole. Mrs. Preston is requesting your support in keeping this team together that is responsible for providing the fine services now enjoyed by all Niles residents be they young, middle-aged or seniors.

Mrs. Preston added that the election is April 2 with the polls open from 6 a.m. to 7 p.m. and she asks that residents support the entire team and ticket of the Party of Economy and Progress by punching No. 10 on the ballot.

Trustee candidate Panek works "for best interests of the village"

Trustee Carol E. Panek, 28 year resident of Niles and 10 year trustee of the Niles Village board, is running as an independent for re-election as trustee to the Niles Village board April 2.

Trustee Panek has been serving on the Village board since 1975 and, in that capacity, is liaison to the Senior Citizen Commission, representative to the Northwest Municipal Conference and liaison to the Niles Park District for the July 4 parade.

From 1978-1981, Trustee Panek served as Niles Cable TV chairman and was instrumental in designing the Franchise Agreement and Cable Communication Ordinance.

Also, Trustee Panek researched and initiated the first Niles Sign Ordinance. As chairman of the Bicentennial Celebration, Trustee Panek's work resulted in beautification of Dutchman's Point.

Trustee Panek said "I have been consistent throughout my board service in voting directly and independently for the best in-

terests of the Village of Niles and its residents and, if elected, will continue to do so." Trustee Panek said some issues in Niles best interests include comprehensive village planning, expansion of the sign ordinance, beautification of Milwaukee ave., review of residency rules for employees of Niles and promotion of the Village's business growth and development.

In addition to Board work, Trustee Panek serves the community as an affiliate to Oakton Community College, as Vice-Chairman of the Niles Chamber of Commerce and Industry and

as a board member of the Leaning Tower YMCA.

Trustee Panek is a member of the Morton Grove-Niles League of Women Voters, a group for which she is a charter member and former president. As local government chairman for the LWV, she supervised production of the "Know Your Town" booklet. She also served as legislative chairman of the St. John Brebeuf Catholic Women's Club.

In addition to her many other activities, Panek has worked as a substitute teacher in East Maine District 63.

MAINE TOWNSHIP

TIP trustee candidates list goals

The April 2, Maine Township election is rapidly approaching, and the four candidates running for trustees of the Township Improvement Party have announced their platform. This is what we expect and plan to do for the residents of Maine Township stated Trustee candidates Donna Fitzpatrick, Gerald M. Kantovich, Norma Daniel and John Preiberg.

We will lower the Township taxes that have been raised 68% since 1981. This can be done by selling the Township Hall that cost over one million dollar. If we cannot sell the Township Hall, we will move MaineStay youth services from its separate headquarters to the Township Hall. This will save over 100 thousand dollars in rental and in utility costs over a three year period of time. The TIP candidates for trustees will immediately re-appoint the MaineStay Youth Advisory Board based upon recommendations made by the former, dismissed advisory board members. For the senior citizens, we will plan to establish a program for housing and transportation. We will have a senior citizen advisory board to aid in these programs and also to advise us in other areas of interest to the senior citizens.

The TIP trustee candidates know that Federal Revenue Sharing money will be eliminated or decreased. We will re-assess the needs of the Township residents and agencies and will distribute the money we have on hand where it is needed most based upon a set of criteria. More money, for example, can be realized by re-assessing the per-

sonnel who are involved in Township government and by eliminating the unnecessary positions. Re-assessment can also be done by eliminating payment of insurance premiums other than liability for elected Township officials other than the Bridge and Highway Commissioner, which is a fulltime position. We will also look at other ways and means to save the taxpayers money.

The Township Improvement Party candidates for trustees of Maine Township urge the citizens of Maine Township to study the issues carefully. The TIP candidates will not be a "rubber stamp" administration! Our main goal is to be accountable to the Maine Township citizens and taxpayers.

Maine GOP Pancake Breakfast

A pancake breakfast on behalf of the Republican candidates for Maine Township offices in the April 2 election will be held from 8:30 to 11:30 a.m. Saturday, March 23, at the South Park Recreation Center, 833 Talcott (at Cumberland), Park Ridge.

Guests will have an opportunity to meet the Republican slate while enjoying a pancakes and sausage breakfast.

Tickets are \$3 per adult, \$2 per child and \$10 per family, regardless of size. Advance reservations may be made by calling Anita Rifkind, 823-2200. Tickets also will be available from individual candidates and at the door.

the village and the newly-completed cable studio was not staffed. Marcheschi also testified as to the results of a survey form which was sent to Niles residents regarding the service. Of the 3,100 subscribers in Niles, 275 returned the forms, most of which complained about the poor telephone service and the inadequacy of the servicemen. Richard Prendergast, attorney for Cablevision, in his opening statement to the board, said two Niles hot lines were being installed which would give Niles subscribers a direct line to customer services, thereby relieving the waiting on the phones. He told the board the Alpha-numeric generator they had been promised would be delivered within two weeks. In addition, he told the audience that Cablevision personnel would be available after the hearing to go over their problems with them and added that six Cablevision technicians were standing in the rear of the Council Chambers and would go to their homes that evening, if necessary, to try to correct their problems. Prendergast finalized his statement by saying that Cablevision was doing "everything possible to correct the delay in their phone system by the installation of a new system" and were implementing a new policy on their service calls. The customer will not only get a reminder call the day previous to their scheduled service call, but will get a follow-up call the day after to see if they were pleased with the service performed.

Approximately 20 Niles cable subscribers testified at the hearing and told stories of trying for days to get through on the telephones, inept servicemen who did not correct their problems, servicemen not showing up for appointments, poor picture quality, and waiting months for corrections in billing problems. One Foster Lane resident described Cablevision as "a very shabby service" while a Nordica Avenue resident said she had been "trying for 10 months to straighten out her bill."

Representatives from Bunker Hill Homeowners and Chesterfield Homeowners said they were representing hundreds of families who were "totally disgusted with Cablevision."

Cable Chairman Marcheschi finalized the hearing by presenting a motion to the board listing six items which he cited as his basis for firing Cablevision for their breach of franchise. They were: 1) Hookups not completed within 6 months after permits were issued. 2) Substantial failure by Cablevision to handle customer complaints. 3) Failure to complete interconnect with surrounding cable companies. 4) Failure to hook up Niles Parks and Niles Library. 5) Increasing rates without 90 day advance notice. 6) Non-delivery of Alpha-numeric generator which was a flagrant violation of the franchise. Marcheschi cited individual fines for each of these violations with the total coming to \$112,500. The board passed the motion unanimously.

Tom Baxter, general chairman for Cablevision told the board his company "has tried to maintain a good working relationship with the Village of Niles" and while there have been problems, he felt that a "revocation or fine would be a counterproductive approach." Baxter concluded his statement by adding, "give us time."

Mayor Nicholas Blase told the audience the motion for the fine had been passed and a further review of Cablevision would be scheduled in 60 days.

Losurdo was brought by Niles Fire Department Paramedics to Lutheran General Hospital where he was treated and later released.

Sosnowski noted that vegetable oil has a tendency to ignite at a lower temperature than animal fat and warnings are printed on the back of oil containers.

Sosnowski said the best way to combat an oil fire is to smother the fire by putting the lid back on to a flaming pot or to pour baking soda onto the flames.

MORTON GROVE VILLAGE

Dechert calls lease-purchase plan 'hogwash'

The current administration of the Village of Morton Grove calls its lease-purchase (revolving charge) program a sound economic principle. The Village Leadership Party calls it hogwash. "Sound economic principles are not based on ifs," says Trustee Joan Dechert, candidate for mayor on the Village Leadership Party ticket. "The lease-purchase plan," Mrs. Dechert says, "is based on the premise that if we continue to earn 9-percent on invested monies and if we have no catastrophe to wipe out the invested monies, the plan will effect a saving."

Mrs. Dechert, who is running for office with a slate including David Seizer, candidate for clerk, and Randy Ochoonicki, Craig Karas and Roger Nolte, candidates for trustees says, "the cost of the lease-purchase program is \$55,718 in interest alone during the 1985-86 budget year. This is more money than 25% of the families earn in two years."

"We are appalled at the idea of continuing and increasing revolving charge payments," says Mrs. Dechert. "We have to ask, will our cash reserves be able to keep up? Will your pocketbook be able to keep up?"

Act-On says flood relief on way at no tax increase

"The flooding problem that has plagued every suburb on the North Shore will be alleviated, markedly in Morton Grove as a result of a vast street, sewer, and water main renovation program already underway," stated Neil Cashman, ACT-ON Trustee candidate for re-election. "I am particularly pleased to inform Morton Grove residents that this renovation will be completed without any increase in taxes."

Cashman explained, "As a result of our own in-house research and careful allocation of existing resources, we were able to develop and market a \$3.5 million public improvement bond issue without levying a corresponding tax increase for village residents. This flood control and infrastructure renovation project is totally unique to Morton Grove. No other suburb in the entire area has been able to create anything comparable to ours."

Bus...

Cont'd from Niles-E. Maine P.1
Village of Niles authorized a \$50,000 contribution to be added to park district funds to purchase a reconditioned intercity coach bus. Recently the officials took a tour of a coach bus company to inspect various buses available. A used intercity coach bus will be purchased, then completely reconditioned, which includes: mechanical, exterior and interior replacement. It is the park district's hope that a suitable bus will be found shortly and will be available for the summer programs.

The coach bus will be a major improvement over the existing school buses currently being used by the park district for their wide variety of trips.

thought it was a good issue. When the Mayor had the Public Works Department open up the fire hydrant in front of his house and use taxpayer's water to fill his pool, we thought it was an issue. When the same Mayor had the same department do some cement work in front of his house, we thought some future politico might get a hold of that issue. When the Mayor and his friends let a builder go back on his word with residents and allowed him to build an extra home on his property, we wondered who these guys at the hall were representing, the residents who pay the bills, or the builder, an outside resident, who happens to be "one of the boys?"

The newspaper is never restricted in its shouting. Oh, there's one major advertiser who tries to punish the newspaper by placing local ads in a much smaller circulated paper published outside the community. It's a minor irritation which reflects poorly on the advertiser, who is short-changing the people he's working for. He's a friend of the politicians and he believes this is his means for striking back.

A couple of years from now the newspaper will be entering its fourth decade in Niles. It could fade away to a bulletin board-type publication and live-out its days in calm serenity. Or it could stay crotchety, buck the wind, and play out its days as feisty as it has been in the past.

As we wrote, in the old days a second political force in town would chant a similar litany and we had two forces which approached April elections with some substantial issues.

Today, the community lives in a political vacuum. The politicians know nobody is watching the store but a noisy newspaper. And so long as the

the police department gets about \$2 million a year-it seems you've got enough to play with...I'd like to see a bigger bang for the buck." Coincidentally, in other business, the village board approved a \$78,518 purchase of seven replacement police patrol cars from Jennings Chevrolet in Glenview. In an experimental move to cut costs, two of the seven Chevy Impalas will be equipped with V-6 engines, \$400 to \$500 less expensive than the standard V-8s now in use.

Charged with theft

A 22 year old Chicago man was arrested in Niles on Wednesday, March 6, after a stolen police radar detector was found in his automobile. Police stopped the Chicago car at 8:17 p.m. for not coming to a complete stop at a stop sign in the 8400 block of Clara Dr. As police approached the car they saw the radar detector in the windshield. The back wires on the detector had been taped together as if they had once been ripped out of a car. Police radioed in the serial number on the detector which was found to have been stolen from McHenry County. Police arrested the Chicago man. At the Niles Police Department he was charged with theft. He was assigned an April court date and released after posting a \$100 bond.

agency, we have little choice but to adjust our sights to 1985-86 income expectations. An aggressive campaign of limiting expenditures wherever possible, has been introduced at Orchard Mental Health Center and a comparable effort to secure support from alternate sources is under way. Anticipated cuts will mean the elimination of staff positions and some 60-75 persons monthly being denied service. The preventive work done through the Early Years Program, which is unique for Niles Township, will, in all probability, be suspended. Family, individual, group treatment, evaluations and consultations offered in the past by specialists in their respective fields will be substantially reduced. These necessary steps will create a serious vacuum in psychiatric treatment services in Niles Township area at a time when the stresses on people have increased and more requests for service are being felt by all human service agencies.

Board members and the professional staff are united in helping the new Executive Director and Clinical Director in deciding the best ways to meet a most difficult situation. For further information or to offer input, call Dr. Reisinger, at 967-7300.

work is expected to run from April 15 to July 3. Neither of the affected roads will be closed to traffic. However, there will be lane closures during construction. Motorists are cautioned to be alert to barricades, warning signs, lights and the contractor's equipment.

Health screenings...

Continued from MG P.1
The goal of Target Health, according to Bud Swanson of the village health and human services department, is to offer free health screenings and education at a convenient location. As more is learned about some diseases, Swanson points out, health care professionals believe that illnesses can be prevented or their effects reduced in severity through education and improved eating and exercise habits. Target Health is designed to help people take a closer look at individual health and how it can be improved. Included will be screenings for blood chemistry, body fat, colon disease, coronary risk profile, dental, exercise heart rate, glaucoma, hearing, podiatry and prescription drug evaluation. A nominal fee and preliminary fast are required for the blood chemistry and coronary risk profile tests. In addition to health department staff, local health care professionals are donating their time and expertise to the program. For more information, call Bud Swanson at 965-4100.

District 63...

although length of schedule remains the same. Not approved was an administrative recommendation to reduce students' lunch time from one hour to 45 minutes. A most noticeable change in school starting and dismissal times will be in Gemini junior high school with the student day beginning at 8:10 a.m. instead of the present 9:05 a.m. and dismissal being 2:35 p.m. instead of 3:30 p.m. Elementary school schedules will be set back five minutes in the morning and afternoon with starting to be 8:45 a.m. and dismissal at 3:10 p.m. Most teachers seemed against reduction of the lunch hour although administration claimed it was necessary for both safety reasons and to schedule 15 minutes more instruction during the day. A teacher told the Bugle that State Code specifies a teacher's lunch be as long as the student's and not less than 30 minutes.

Joan Futterman, board president, said she was sure the children, staff and parents could adjust to a change but it should not take place "without a valid reason". In regard to a computer program at Gemini junior high school, board members twice voted down two proposals made by Supt. Donald Bond for relocation of the computer program which now displaces several weeks of mathematics. Board members directed Bond to bring other alternatives before the board. Two options suggested by the Administration were: 1. The computer program should replace one week of five academic subjects or; 2. The computer program should be placed among the fine and practical arts, all six-week courses. The 120 students not enrolled in the arts program would take a six-week computer course in place of six weeks of physical education. Bond said about 20 minutes of physical education would be available during the lunch-hour. A third option, not voted upon, was keeping the computer program within the mathematics department. Two agenda items were deleted, one being the transfer of a tenured teacher within the District although no reasons were given for the deletion. Another deletion was a language teacher at Gemini school from among a list of twelve non-tenured teachers to be dismissed. Bond members voted to retain the language teacher. Many dismissed teachers are rehired in September but State Code regulates the dismissal of teachers within 60 days of the last day of the school year. Two executive sessions took place before all agenda items were voted upon or discussed, unusual for the school board.

Shelter your hard earned money by opening a high yield IRA account.

Why Individual Retirement Accounts?

An IRA should be the foundation of your long term investment portfolio, for three basic reasons:

- 1) Your annual contributions are tax deductible.
- 2) Your IRA will grow tax-free until retirement.
- 3) Social Security may not be a viable alternative depending upon when you retire.

Where should you invest your IRA Contributions?

Smart IRA investing means carefully evaluating several factors:

- 1) Deposit accounts are now deregulated and offer an excellent range of maturities to match interest rate changes.
- 2) Deposit accounts are insured.
