Niles 'second round' battle with Krilich

In continuing efforts to upgrade deteriorating conditions at Lawrencewood Shopping Center, the Village of Niles will go to court in July in an attempt to put the property into receivership. Village Attorney Richard Troy said Monday, the hearing will be held in the Cook County Circuit Court on July 23. If the court favors the village, all rent payments will go to a court appointed custodian, who would use the money to correct building and

fire code violations. "The court last year ordered Krilich to correct violations, and all he has done is make token repairs," Troy said. Krilich, who heads Developer's Management Corp. in the Niles area, is the principal owner of the 22-year-old shopping center. The legal battle between Niles and Krilich began in 1983 after the village's housing officials uncovered more than 80 building and fire code violations in stores

and buildings. At issue is the property owner's failure to respond to the citations involving plumbing, electrical and fire code violations, including installation of sprinkler systems in buildings taken over by new tenants. Attorneys for Krilich contended that lack of revenue prevented him from complying with the building and zoning codes. Circuit Judge Arthur Dunne. Continued on Page 30

Committee to study density, rental problems

Marquette stalled by Niles board

by Sylvia Dalrymple

Proposed development of a nine-acre site at 8821 Ballard rd. again stalled when the village Board Tuesday withheld approval for final plans submitted by Marquette Properties for construction of a 400-unit apartment complex at the southwest corner of Greenwood Ave. and Ballard Rd. In making the motion to continue the matter to the July meeting, Trustee Peter Pesole said he was concerned about density and other problems linked to the project. "I don't object to the proposed development, but this should be referred to committee for consideration before final ap-

proval is given to the plans," he said. Pesole added that besides density problems, he was concerned about the high rents proposed for the apartment units. "At other meetings, you stated the project would attract young people. This is what the village wants, but the high rents would be a deterrent." A proposal for a 450-unit apartment complex was turned down by the board in 1983, causing Marquette to reduce the number of units under a Planned Unit Development (PUD). At a March meeting, petitioner Bruno Botarelli of Marquette. Continued on Page 30

From the Left Hand

by Bud Besser

The sale of the Lerner newspapers makes The Bugle the oldest family-owned newspaper in Niles Township. The Pioneer newspapers were sold this past year to Marshall Field. It's the second time they've been sold in the past six years. The News, which had served this area for more than 40 years, closed shop last year.

We'd like to be a bit humble and write we've been lucky through the years. Since our debut in 1957 no other community newspaper in the north and northwest suburbs has been created and then survived these years.

The "humble lucky" bit is a bunch of baloney. We've survived because of a bit of butt busting. Last month we filled in for an absent employee by working from seven at night until three in the morning. That was after working the regular day shift. For the next two weeks we'll be driving the truck filling in for a vacationing driver.

The key for the little guy to make it against the big boys is to do something they don't do. We have a much larger circulation in the Niles-Morton Grove-East Maine area and our local coverage is far superior to the other out-of-the-area papers which drop off token circulation in our area.

District 63 approves sale of bonds

by Eileen Hirschfeld

Board members of East Maine School District 63 approved sale of working cash bonds along with a formerly approved sale of life safety bonds at a regular board meeting June 25. About six million dollars of life safety bonds are scheduled for sale within the next few months. Board members agreed to sell working cash bonds possible without abolishing the working cash fund. This amount will be researched by Stern Bros., the firm through which the bonds will

be amortized. One of the life safety jobs to be completed is the resurfacing of school playgrounds. In connection with greater playground safety, board members authorized purchase of playground equipment for both Nelson and Stevenson schools in the amount of \$12,500 each. Money is being allocated with the understanding that the Parent Teacher Associations of each school will reimburse the District. Continued on Page 30

July 4th celebration

The Niles Park District grand Fourth of July parade will step off at 9:30 a.m. at Notre Dame High School, 7655 Dempster and proceeds south on Ozark to Main, east on Main to Harlem, south on Harlem to Monroe, west on Monroe to Grennan Heights Park.

Featured entertainment includes pony rides, a petting zoo, face painting, clowns, bagpipe bands, banjos, the Windy City Circus Troop, a 50's and 60's band, floats, decorated cars, a magic and illusion show.

Entertainment at the park, sponsored by the park district and the village begins at 10:30 a.m. and lasts until 2 p.m. Refreshments will be served.

Retiring Niles Firemen Honored

At a recent Village of Niles Board Meeting, Niles Mayor Nicholas Blase and the Board of Trustees honored two Niles firemen who have retired from the Niles Fire Department. Mayor Blase (left) is shown presenting retirement plaques to Vitold Lesiowski (center) and Harry Woodville, both of whom were acting company commanders. Vitold Lesiowski served

with the Fire Department from May 9, 1964 and retired on May 17, 1985 and Harry Woodville started with the department on November 7, 1964 and retired on May 25, 1985. In presenting the retirement plaques to the two retirees, Mayor Blase commended them for their years of service with the village and wished good fortune and health to them and their families.

Senior citizens get passport to savings

The Silver Pages, a free national discount directory, is now available in the six county metro Chicago area. People 60 and older can obtain a Silver Savers' Passport Card and stretch their income from businesses offering discounts and special offers to senior citizens.

The Silver Pages and Silver Savers' Passport is completely free, and will open up a whole new world of businesses that welcome seniors with special values. The directory will be printed in larger type than a traditional phone book. It lists everything from florists and restaurants, to auto dealers - and even travel.

There will also be a section with subjects of interest to seniors and information on local, state and national senior citizen programs. The Passport can be used across the country at businesses participating in the program.

The Metropolitan Chicago Coalition on Aging (MCCoA) is helping Southwestern Bell Media, the publishers of the directory, introduce the program to local areas. MCCoA is organizing registration sites where seniors can fill out a simple registration form and receive a Silver Savers' Passport. The directory is mailed to them later. To receive your passport, persons must be at least 60 years old and bring proof of age. Stop by any of these community locations for your Silver Savers' Passport: Bell Federal, 7225 N. Cicero, Lincolnwood; St. Paul Federal, 9330 Waukegan rd. or Village of Morton Grove, 6101 Capulina, Morton Grove; Niles Senior Center, 8060 Oakton, Leaning Tower YMCA, 6300 Touhy, or Citicorp, 8400 W. Police express concerns about curfew laws

Now that the school year has ended and the summer activities begin, Niles police would like to advise residents about local and state curfew laws.

Sgt. John Katsopolis of the Niles Police Department would like to appeal to young people and their parents to be aware of the laws regarding curfew. It has been our experience that when parents and children agree on a reasonable time to be home, it avoids a lot of problems and trouble. The biggest consideration would be setting a time that is also within the law.

The Village of Niles, like so many other communities, has ordinances which stipulate that juveniles under the age of 18 be home by 10:30 p.m. during the week and 11:30 p.m. on Friday and Saturday.

Seat belts effective July 1

All drivers and front seat passengers traveling by car or truck in Illinois must wear seat belts beginning July 1. The penalty for violating the new mandatory seat belt law is a \$25 fine, according to Secretary of State Jim Edgar.

The Illinois State Police will issue warning tickets during a 30-day grace period to familiarize motorists and passengers with the new law. Motorists will not be stopped solely for noncompliance with the law, but will be ticketed for not wearing a seat belt if stopped for another traffic violation.

Persons exempt from wearing seat belts under the new law include those with certain medical or physical conditions verified by a physician and those who drive slow-moving delivery vehicles.

Children under age 6 must be secured in either a seat belt or an approved safety seat as required by the Illinois Child Passenger Protection Act.

Edgar noted - seat belts have been proven effective in reducing deaths and injuries in traffic accidents. Most car accidents involve two collisions - the car with another vehicle or object and the occupants with the car's interior.

While the car stops suddenly upon impact, the driver and passengers continue to move forward at the same speed the car was traveling. In most instances, seat belts keep them from hitting the steering wheel, dash or windshield.

Deadline near for beautification entrants

Niles Village officials report more than a 100 residents have entered the "Property Beautification Contest" and are urging "green thumbs" to send in their entries before the noon, June 29 deadline. This year there will be 10 first place prizes of \$100 cash and a \$100 gift certificate from Amling's Flowerland in Niles, as well as other prizes.

Approves \$437,500 to social service agencies

Maine Township awards funds to social agencies

Dixon sponsors airport security measure bill

Senator Alan J. Dixon has introduced legislation that would give the Secretary of Transportation authority to restrict air travel to the United States from airports with security problems.

The bill, known as the Airport and Air Carrier Security Improvement Act of 1985, requires the Transportation Secretary to conduct periodic assessments of the effectiveness of security measures at foreign airports.

If foreign governments failed to improve security to standards generally comparable with those in effect at American airports, the Secretary would be required to post at all major U.S. airports the list of security-deficient foreign airports.

"Since at least some of the countries with security problems at their airports have major tourism industries that could be seriously damaged if Americans acted on the warning and traveled elsewhere, this step alone should be a powerful influence toward strengthening security," Dixon said.

The Maine Township Board Tuesday, June 11, approved allocations totaling \$437,500 to 18 social service agencies serving Maine Township residents. Included in the allocations was \$65,000 for the Maine Township Seniors.

The board delayed action, however, on requests from the Des Plaines Senior Center and the Park Ridge Senior Center pending a report from a special committee appointed to review the township's senior citizen allocations.

The report from Trustees Mark Thompson, Anita Rifkind and Donna Fitzpatrick is expected to be presented at the next board meeting Tuesday, June 25. The committee is scheduled to meet Monday, June 17, to formulate its recommendations.

The board also delayed action on a funding request from Rainbow Hospice, which serves terminally ill people and their families, until it obtains additional information.

Allocations approved include:

- \$130,000 to Maine Center for Mental Health;
- \$120,000 to the Maine Township Council on Alcoholism;
- \$7,500 to LifeSpan (serving victims of domestic violence);
- \$5,000 to the Salvation Army;
- \$7,000 to the Center of Concern (serving the elderly);
- \$5,000 to The Harbour (crisis shelter for teen-age girls);
- \$4,500 to Shelter, Inc. (emergency housing for boys and girls);
- \$7,500 to Northwest Suburban Day Care;
- \$15,000 to Clearbrook Center (serving developmentally disabled people);
- \$15,000 to Glenkirk (home and services for the retarded);
- \$15,000 to Northwest Suburban Aid for the Retarded;
- \$2,000 to Rimland School (serving autistic children);
- \$7,500 to Blare House (residential care for autistic adults);
- \$5,000 to Little City;
- \$5,000 to the Center on Deafness;
- \$20,000 for Disabled Transportation (to include funding of Paratransit Resource Center);
- \$65,000 to the Maine Township Seniors;
- \$1,500 to Northwest Service Coordination (for an elderly abuse project).

The board's decision was based on requests for a total of \$628,128 from 24 agencies. Last year's allocations totaled \$368,500 to 14 social service agencies.

Township Supervisor Paul K. Halverson said, "All of the groups that requested funding perform very worthwhile services. But, we have a limited amount of money to disburse and must try to allocate it based on the amount of services provided to Maine Township residents."

Township reminds grads to register to vote

Maine Township Clerk Stephen J. Stoltz is reminding recent high school graduates who have turned 18 years old that they may register to vote at the Maine Township Town Hall, 1700 Ballard rd., Park Ridge.

The clerk's office is open from 9 a.m. to 5 p.m. Mondays through Fridays and from 9 a.m. to noon Saturdays.

Registrants must be United States citizens, 18 or older and residents of their current address within Maine Township for 30 days. Registered voters who have moved or changed their names must register in order to be eligible to vote in the next election.

Two forms of identification must be presented at the time of registration, one of which lists the person's name and current address. Naturalized citizens must also present their naturalization papers.

For further information, call the Maine Township Clerk's Office, 297-2510.

Summer jobs on rise with business upturn

The business picture is bright this year indicating that Niles young people will find jobs through the Village of Niles, according to Carol Chaconis, youth coordinator for Niles Family Service's youth division.

Chaconis said that summer jobs for youths between the ages of 13 and 25 are running 10 percent over last year. The program has just started...so it's hard to predict numbers in job placements. Hopefully, we will exceed the 1984 figure," she said.

Approximately 970 youths last year found summer work in temporary, full or part-time positions. "The many inquiries we've received about employee help is an indication that companies in the area are again reacting to an upturn in their businesses," Chaconis said.

Niles has operated its job placement service every summer for the past seven years, during which it has handled more than 3,000 job placements for young men and women.

According to Chaconis, the job exchange service has won acceptance among village businesses because it matches employer needs and the applicant's interests and abilities. "Businesses that have summer or full or part-time jobs check with the village on available young workers when they have openings," she said.

She added the program entails contacting more than 900 businesses in the area each summer, "by phone, flyers and personal visits" reminding them of the village service and suggesting possible qualified applicants.

Youths 13 to 16 years of age are usually hired by Niles residents for yard work, housework, babysitting, painting and minor repair work. Those over 16 years

Gem Talk

"A SPARKLING IDEA"

Alexandrite "The Gem with a twin personality" A birthstone for the month of June changes its color in sunlight from a bluish green to a purplish red in artificial light. The Gem derives its name from the CZAR Alexander II. Most Alexandrites were mined in the Ural Mountains. Now most Alexandrites are mined in Burma, Sri Lanka, and Brazil. The largest cut Alexandrite is displayed in the Smithsonian Institute in Washington, D.C. Genuine Alexandrites are very rare and very costly when displaying a fine twin color, they can be confused with synthetic corundum which can also display a poor green to a strawberry red. Although Alexandrites are being mined, most genuine Gems are poorly cut in their localities of origin and may lack in luster due to primitive ways of fashioning the Gem. Alexandrite is a rare and romantic Gem because of its unusual twin color display. It was discovered in Russia in the 1800's. A famous Alexandrite was given to the Queen of Russia by Czar Alexander II after whom the Gem was named. Today the Gem with a twin personality is sought out by connoisseurs who love the unusual and the beauty of the rare Gem.

Retirement and nursing home program

An informative program on Retirement and Nursing Homes will be presented at 7:30 p.m. Tuesday, July 9 in the offices of Medical and Surgical Associates of Park Ridge, S.C., 112 South Northwest Highway, Park Ridge. Pamela Schulz, MSW, social service consultant in the office will present the program which is intended for individuals who may face a possible move or placement in the future and families concerned with a future placement of a relative. Elderly persons are urged to attend and learn about these options so that they may take a more informed role in deciding regarding their own placement if it should become necessary.

Topics to be discussed will include: differences between retirement and nursing homes; how to pay for a facility; what to consider in choosing a facility; application and moving procedures; and emotional issues which surround a move or placement. Information on resources pertaining to these topics will be included.

A charge of \$5 will be collected at the door. Space is limited so interested persons should call Pamela Schulz at 696-3370 to reserve a place or receive further details. The community is invited to attend.

Fathers' Day contest winners

The Fathers' Day contest sponsored by the Oak Mill Mall Merchants' Association drew nearly 200 entries from children six to eleven years old, who wrote why they thought their Dad is the best. That's a lot of special Dad's in this area!

Entries were judged on Friday, June 14, by Jan Bassuk of the Niles Bugle, Jim Shanley of the Journal and Topics Newspapers and Julia Krueger, a junior high teacher who lives in Park Ridge. Winners were notified, and prizes were awarded at the Mall on Saturday, June 15. A first place and second place prize was awarded in two age groups.

In the 6-8 year old group, the first place winner was Lauren Zivkovic of Niles. Lauren wrote: "My father is the best because he loves me. He does nice things. He hugs and kisses me and reads me stories at bedtime. He plays with me a lot and makes good chicken soup. He puts me on his neck and it is fun and I love him very much."

Bill Strnad of Niles won first place in the 9-11 year old group. He wrote a poem: "My Dad's the best because... he's sweet, but he's not honey; he's worth lots, but he's not money; he's lots of fun, but he's not a game; he makes folks warm, but he's not a flame; he improves with age, but not a wine; he brightens each day, but he's not sunshine; he's just my Dad."

Second place winner in the 6-8 year old group was Howard Pinchowsky of Glenview and in the 9-11 year old group was Jim Mazik of Niles.

First prizes were \$25 gift certificates redeemable in any shop in Oak Mill Mall and second prizes were \$15 gift certificates. The certificates were put to good use by these children and their wonderful Dads.

PRESCRIPTION RELIEF
Seniors whose total household income for 1984 was \$12,000 or less are eligible for the Circuit Breaker Tax Relief Grant. Now these same Seniors may be eligible for further assistance. A program which offers pharmaceutical assistance to individuals who qualify for the Circuit Breaker Grant and who must take medication for heart diseases, will be offered by Linden Drugs at 5949 Dempster, beginning July 1. Persons who qualify can give up their Additional Circuit Breaker Grant of \$80 and instead receive a card which allows them to receive their heart medication at \$3.30 per prescription. This means that a person who normally pays \$10.30 for a prescription now pays only \$3.30 for that same prescription. That person saves \$7 on one heart medication prescription! For those who are eligible for this relief, the savings can really add up!

NOT JUST ANOTHER FISH STORY
The film entitled "Gray Ghost of Saskatchewan", will be shown at noon on Monday, July 1 at the Village Hall Senior Center. The film, which is 25 minutes long, covers the thrills of angling in the north lakes.

HOW SWEET ARE YOU?
Free blood sugar check-ups will be conducted on Tuesday, July 2 from 9 a.m. until 10 a.m. in the Village Hall Senior Center. Laurie O'Reilly who is the geriatric nurse of Morton Grove's Department of Health & Senior Services and who will be performing the test, asks that only senior citizen residents who are unknown diabetics come in for the screening. Those who plan on attending the screening should not eat breakfast that day.

REFRESHER COURSE
For those senior citizens who wish to prepare for their State of Illinois written road rules test, a refresher course is being offered. The Rules of the Road Refresher Course will be held from 12:30 to 3 p.m. on Tuesday, July 2 in the Village Hall Senior Center. Call the Senior Hotline at 965-4658 to register for the course.

HOME AND YARD CHORES
Morton Grove's home and yard chore program is in full swing and ready for more! Seniors who cannot maintain their yards themselves can have a youth worker from their neighborhood come by weekly to assist them. Seniors must provide all lawn cutting equipment. Although the service is free, there is an optional contribution asked for service delivered. Call Kim Beystehner, Chore Program Coordinator at the Village Hall at 965-4100, ext. 289 to arrange for a Chore Worker to come and help clean-up the place!

COMPUTERS MADE SIMPLE
A Computer Literacy Class will be held on Tuesday, July 9 and Wednesday, July 10 from 9 a.m. until noon at the Morton Grove Public Library. Kim Beystehner of the Village's Senior Services Department will lead the class which will encompass basic computer skills with an introduction to word processing and budgeting. No prior computer experience is required. Interested Seniors should call the Senior Hotline, 965-4658 weekdays mornings to sign up for these free classes. Class size will be limited to four persons per session, so call now to reserve a seat in the class!

For additional information about these and other senior services, call Ralph Birmingham at the Morton Grove Senior Hotline weekdays, 9 a.m. until noon at 965-4658, or Bud Swanson, Director of Senior Citizens Services at the Village Hall, 965-4100, ext. 254.

Village of Skokie

Needlepoint Classes for beginners and continuing students will be held at the Smith Activities Center on Tuesdays, July 23 to September 10 for 8 weeks from 9:30 a.m. to 11 a.m. The first class will be an introduction to needlepoint and discussion of materials. Students who have had some basic instruction and are interested in improving their skill are also welcome. Classes are for both men and women. The instructor is Dr. Leonard Gelfand. Registrations are being taken at the Smith Activities Center, Lincoln and Galitz, Skokie. Please call 673-0500, ext. 338 for further information.

Dr. Leona Mirza of North Park College will present a program on "Elderhostel" to the women's discussion group of the Smith Activities Center, Lincoln and Galitz, Skokie on Monday, July 1 at 1:30 p.m.

Elderhostel is a network of colleges, universities and other educational institutions which offer special low-cost, short term residential academic programs for older adults. No one is ever too old to go back to school or to reach out to new experiences. Please call 673-0500, ext. 335 for further information.

Violin classes for beginners and intermediate students will be held at the Smith Activities Center on Friday, July 12 to September 20 for 10 weeks.

If you do not have your own instrument, you may rent a violin from Music House. Registrations are being taken at the Smith Activities Center, Lincoln and Galitz st., Skokie. Please call 673-0500, ext. 338 for further information.

Hot dog sellers fight leukemia

What is a "World Series of Chicago Hot Dogs?" It's a way to help fight leukemia by buying America's favorite sausage - the hot dog.

From July 1 to 31, area hot dog stands will make a donation to the Leukemia Society of America for every hot dog sold. Participating Northwest suburban stands include Poochie's Hot Dogs at 3832 Dempster in Skokie, Tubbo's at 9510 Waukegan in Morton Grove, and Irving's at 7057 Dempster in Niles and Irving's at 8786 Dempster in Des Plaines. They are just 4 out of 27 hot dog sellers from all around Chicagoland who are participating.

The hot dog stand raising the most money to support the Leukemia Society's programs of research, patient assistance and education will be declared the

champion. "We realize that the true winners are the leukemia victims and their families," said one hot dog stand owner.

For more information about the Leukemia Society or the "World Series of Chicago Hot Dogs," contact the Illinois Chapter, Leukemia Society of America, 203 N. Wabash, Chicago, 60601, 726-0003.

Replace Your Old Furnace With A New & Efficient Gas

Conservator III

The rising cost of energy has put winter comfort nearly out of reach for many homeowners. But Lennox has a solution.

The Conservator™ III gas furnace delivers warm, conditioned air at 80% efficiency—a significant improvement over older, less efficient models in the 55-60% range.

Electronic Ignition Saves Gas

Powerlite™ ignition enables the Conservator III to use gas only when there is a demand for heat. There is no standing pilot light, so more of your gas is used to deliver heat.

letters to the editor

Neighbors nix parking in unused tennis court

Dear Editor:

Please help us! Both my sons are enrolled in the Child Care With Conference preschool at 8200 Greendale, Park Ridge which is the old Jefferson Elementary school. My first born has been there almost three years. This is a terrific preschool and one advantage is that the children are dropped off and picked up in the rear of the building off any main street unlike most preschools. At peak hours the parking sometimes over flow into the abandoned tennis court, where we park for a mere 15 minutes to get our children. The neighbors on Walters and Palano which are behind the court have complained numerous times to Mr. Ken Carroll of District #64 about such petty problems, without ever talking to the director of the school, Mrs. Karen Kelly. One of the more silly complaints is that these fenced in attended preschoolers have depreciated their property. They are now trying to refuse us parents to let us use this court for the short time requested. This is not their property and I don't understand

why this should upset them so. When the school was open and filled to capacity with children of all ages was there not alot more noise and traffic? Were not kindergarten children dropped off and picked up at the same time? Wasn't there a lot more traffic at one time then scattered throughout the day as a preschool? If we cannot use this court for the few minutes we request, traffic at peak times could become backed up and possibly cause problems for the residents on Greendale. We do not want to block their houses or driveways. We do not want to cause any problems for the neighbors. As working parents we do not need any more grief then we already have. Please help us in anyway possible to stop this childish harassment from these silly complaints and let us use this abandoned court for the brief time requested.

Sincerely,
Mr. & Mrs. E. Pearson

Police praised in handling "party"

Dear Editor:

As a resident in The Cumberland/Peter/Bruce area, and the wife of a former Niles police officer I feel qualified to address "The Party" problem. If you got the same letter that was stuffed into local mailboxes, it is obvious that "Anonymous" was angry at everyone involved. The truth of the matter is that there were somewhat more than the "100 guests" claimed by police but not "1,500" as claimed by Anonymous. In a personal meeting with Mayor Blase my neighbors and I agreed that the Niles Police Department, on that night headed by Sgt. Charles Giovannelli, did a great job in handling the incident. The officers I saw in the area are known to me to be conscientious and

very good at their jobs. I personally commend them. Now that the "party" over, Niles should take steps to pass an ordinance requiring: (a) Advance notice to Niles police about any party held with expected attendance of over twenty-five guests. (b) A permit requiring a bond of some kind of parties with an attendance of over 75 people. (c) Permission for Police to enter premises where a large party is being held to check for liquor law compliance. (d) The understanding that, should the party get unruly, the police can shut it down. Let's keep Niles the place where all the people count! From one to fifteen hundred! Sincerely,
Christine M. Ferraro

Soroptimist Competition Winner

Tony Merenda of Niles was selected in April to represent the Des Plaines Chapter of Soroptimists International in discussions at the Soroptimists' Midwest Youth Seminar. Tony participated in discussions in Indianapolis on the topic of "The Community Experience: Lessons for World Understanding." Tony's performance in discussions in Indianapolis was of such high quality that he was selected to represent Soroptimists in competition in New York City next November.

Washington School Young Authors

On Friday, May 17 Washington School students in East Maine District 63 received certificates for their manuscripts in the Young Author's Contest.

An assembly, was held in their honor as the students listened to author, "Jennifer Bartoli," tell of her experiences writing children's books. She exhibited a story she had written when she was in second grade and advised students to save their writing. "The annual Young Author's program is one of the highlights

of the school year and many children look forward to it," Lucille Solomon, Reading Coordinator, stated.

Dean's List

Among students named to the Dean's List at St. Mary's College, Notre Dame, Indiana, for academic achievement during the spring semester was Mary Kay A. Alberti, daughter of Mr. and Mrs. Joseph B. Alberti of Niles.

Theology on Tap

The young adults of the St. Zachary Parish, have extended an invitation to the young adults of our community to participate in the "Theology on Tap" program. Theology on Tap provides an opportunity for young adults (18 to 35) to hear people speak on issues that face all young adults. It also provides a chance to discuss these issues with other adults, meet new friends and have a good time. Sessions will be held every Sunday at 7:30 p.m. for five weeks. Hospitality will begin at 7 p.m., St. Zachary, 567 W. Algonquin Rd., Des Plaines.

For further information, please contact: David A. Misura - 439-5586 or Mark Teresi - 956-7020.

Beth Emet The Free Synagogue

Shabbat services for Beth Emet the Free Synagogue will be held at 8:30 p.m. Friday, June 28. Rabbi Peter Knobel will conduct the services, assisted by Cantor Jeffrey A. Klepper. The D'Var Torah will be given by Rabbi Knobel. All are welcome to attend.

The Oneg Shabbat will be honor of the Bar Mitzvah of Aaron Martin.

Shabbat morning services are held every Saturday at 9:30 a.m. The community is welcome to attend.

St. Isaac Jogues holds blood drive

St. Isaac Jogues Church will host a blood drive for members and Niles residents on Sunday, July 14. The 8 a.m. to 1 p.m. drive will be held in the church basement, 8149 W. Golf rd. Niles. Bernie Zirko, blood drive chairperson, and church Pastor Reverend John C. Massion urge all eligible donors to share their "gift of life." To schedule an appointment to donate, phone the church office at 967-1060, between 9 a.m. and 4:30 p.m.

Sunday School Awards Program

Carter-Westminster United Presbyterian Church's Sunday School Department will hold its Promotion and Awards Program on Sunday, June 30 at 9:30 a.m. in the church's Sawyer Hall, 4950 Pratt, Skokie.

Sunday School Secretary Michelle Sargis has planned a very interesting program at which the children will be promoted to the next grade. Awards will be given out to those with perfect attendance.

Carter-Westminster has Sunday School classes for all ages - infant to the Adult Bible Class. There is a nursery attendant on duty for infants, and bus service is available. For further information call the church office 673-4441.

Blase heads Little City fund drive

Niles Mayor Nick Blase, for the 7th straight year, heads a Suburban Mayors Committee of 70 strong (6 counties), for the 1985 Little City "Smiles" fund-raising drive. The program, known as "Illinois Smiles for Little City," will be held on Friday, August 9 and Saturday, August 10, throughout the greater Chicago area in over 150 communities which have granted permission for the activity. Volunteers will be stationed on busy street corners, in shopping plazas, at commuter stations and other areas of heavy pedestrian traffic. They will hand out sheets of happy face "Smiles" stickers and accept donations.

Proceeds from the "Smiles" drive will enable Little City to carry out its ongoing expansion program, which will permit more facilities and specialized training for the mentally retarded and blind-retarded students.

St. Scholastica to host Enneagram Workshops

Sr. Suzanne Zuercher, O.S.B. will conduct two Enneagram Workshops at the school this summer.

Sister is Co-Director of the Institute for Spiritual Leadership of Loyola University where she has taught a course on the Enneagram for the past seven years. The Enneagram is a personality theory which originates in early Christian times and follows the dynamics of growth and conversion.

For beginners, "An Introduction To The Enneagram" will be held Saturday, June 29, 9:30 a.m. - 5 p.m. and Sunday June 30, 12 p.m. - 5 p.m. This course will give a brief overview of the history and relevance of this study of the human person so popular today. The nine types of personality will be presented.

"Advanced Enneagram" will be held Saturday, July 27, 9:30 a.m. - 12 p.m. and Sunday, July 28, 12 p.m. - 5 p.m. This weekend is for people who are familiar with the nine personality types. It will address other aspects of the Enneagram; relationships among the numbers; helps to prayer and spiritual development; and themes and issues involved in coming to Christian Wholeness.

The workshops will be held at Saint Scholastica High School, 7416 N. Ridge, Chicago. Bring your own lunch and picnic on the grounds. Cost per workshop is \$50. For further information contact Sister Mary Jude, 764-5715.

Pioneer Women's counseling center

Na'amat, Israel's largest women's organization, helped more than a thousand victims of family violence last year in a unique counseling center established in conjunction with the Criminology Institute of Tel Aviv University, it was reported this week by Marcia Pevsner of Skokie, President of Pioneer Women/Na'amat - Suburban Chicago Council.

The counseling center works closely with welfare officials, hospitals, and the police, providing help to 1,200 battered women last year. The division also provided free legal services to some 2,500 women.

On the legislative front, Na'amat recently recommended that Family Courts be given the authority to make husbands of abused wives undergo treatment at its counseling centers, organized support groups for battered wives as a means of helping the psychological stress that accompanies family violence, successfully lobbied for a law giving women equal rights in family property matters, and led the fight for passage of legislation extending home accident and disability insurance to housewives.

Na'amat also successfully campaigned on behalf of liberalized inheritance laws and income tax regulations that benefit widows and married women.

According to Vice President Lynn Wax of Morton Grove, Na'amat began a nationwide campaign to encourage women to prepare themselves professionally for employment in Israel's burgeoning high-tech industries. Through its network of 14 four-year high schools and 22

one-year vocational schools, the organization is furnishing technical training to young women, Arab as well as Jewish. Na'amat, with 750,000 members, including thousands of Arab and Druze women, operates a network of educational, day care and social services for women, children, and teenagers throughout Israel. It receives major support from Pioneer Women/Na'amat, its sister organization in the U.S., which this year is celebrating its 60th anniversary.

Niles resident organizes aerobic fundraiser

Niles resident Roberta M. Seiwert has organized a three-hour marathon aerobic fitness fundraising party to benefit Chicago Lung Association's extensive anti-smoking program. The event will be held at two Chicagoland locations on Saturday, May 4.

Seiwert, who was recently named Chicago Lung Association's director of special events, has lived in Niles for 17 years.

All proceeds from the event, which will be held from 8:30 a.m. to 1 p.m., benefit Chicago Lung Association's youth education programs that teach children not to smoke.

The Aerobic Event will take place at DePaul's Alumni Hall, 1011 W. Belden ave., Chicago, and the Willowbrook, 8900 S. Archer rd., Willow Springs.

"The event will be a non-stop, no-holds barred, pedal-to-the-metal fitnessathon that will bring together aerobics of all levels of fitness with some of Chicagoland's premier aerobic instructors from the Aerobic Way and Jammastics organizations," according to Seiwert.

"We're going to party hearty for a great cause. Prizes will go to participants who raise \$25 or more in pledges and to the instructors whose students raise the most money. It's going to be a HI!"

Grilled Halibut Kabobs: Easy, Impressive Entree

Foods cooked over the barbecue are the highlight of summer-time entertaining. Halibut from the clear, cold waters off the coast of Alaska is a wonderful choice for cooking over the grill.

After marinating in a sprightly blend of oil, white wine, vinegar, lemon juice and seasonings, the snow white chunks of halibut are threaded on individual skewers along with colorful chunks of green pepper, cherry tomatoes and fresh mushrooms.

The firm texture of Alaska halibut is an ideal choice for barbecuing. It cooks quickly and the delicate flavor is enhanced by a variety of seasonings and marinades.

Versatile Alaska halibut is an excellent source of high-quality protein, has a minimum of bones and is low in fat, sodium and calories, containing approximately 97 calories in a 3 1/2 ounce serving.

GRILLED HALIBUT KABOBS

Makes 6 Servings

- 2 pounds Alaska halibut, thawed if necessary
- 1/2 cup dry white wine
- 1/4 cup olive oil
- 2 tablespoons lemon juice
- 1 tablespoon minced onion
- 1 clove garlic, crushed
- 1 teaspoon salt
- 1/2 teaspoon oregano, crushed
- 1/8 teaspoon freshly ground pepper
- Green pepper, cut into squares
- Cherry tomatoes
- Fresh mushrooms

Cut halibut into chunks; discard skin and bones. Combine wine, oil, lemon juice, onion, garlic and seasonings. Pour mixture over halibut; marinate several hours or overnight. Thread halibut on 6 skewers, alternating with cherry tomato, green pepper and mushroom. Barbecue kabobs over medium-hot coals 8 to 10 minutes or until halibut flakes easily when tested with a fork; turn once. Baste frequently with marinade.

Nilesite charged with retail theft

A Niles woman was arrested for retail theft on June 18. Police said she removed various men's clothes from a store in the Golf Mill Shopping Center and went out the door without paying for the articles. Fifteen minutes later, she returned to the store to remove more articles and attempted to leave without paying for the merchandise. The woman was stopped by security men, who placed her under arrest.

She was released after posting \$1,000 bond and assigned an Aug. court date.

House burglarized

A Niles homeowner in the 7800 block of Nordica reported someone used a wire clip to open the utility storage area. Taken were a vacuum cleaner valued at \$160 and a television set valued at \$350. The resident will take an inventory to determine if any items stored in the room is missing.

House break-in

A resident in the 7100 block of Lee St. told police she was sleeping in her bedroom when a loud noise awakened her. She began screaming, causing the offender to leave the area. Police investigation showed that someone stood up on the air conditioner and pushed in the screen on the rear bedroom window. Damage to the screen and window frame was estimated at \$25.

Boat burglarized

The owner of an automotive store in the 7000 block of Milwaukee ave., reported someone climbed on his boat parked in the rear alley and used a pry-tool to open a cabin door. Once inside, the culprit ransacked the storage area and removed various items including boat propellers, tools, radio and fishing equipment.

The victim will take an inventory and submit a complete list of items taken and approximate cost.

Charged with drunk driving

A 55-year-old Niles man was arrested for drunk driving and improper lane usage on June 18. Police first noticed the Nilesman as he was driving northbound in the 7300 block of Milwaukee. Plocke said the two security men had left the building and were driving westbound on the 7100 block of Touhy ave. when the offender drove alongside and yelled "you didn't think we would get you...did you?"

Police failed to find a weapon, but an analysis was conducted at the police station to determine whether the offender had fired a weapon recently. He was assigned a July court date.

Wallet stolen

A Des Plaines man reported June 18 that while trying on clothing at a men's store at Golf Mill Shopping Center, he discovered \$210 missing from his pants pocket. The victim indicated another customer also had been in the dressing room area, but did not see him remove the money.

Driving defensively

by Secretary of State Jim Edgar

Driving defensively can prevent accidents and reduce needless deaths and injuries on our streets and highways. Look ahead as you drive, anticipate possible emergencies, and be prepared to take evasive action. Careless driving mistakes will be responsible for many accidents this summer. The National Safety Council's Defensive Driving Course provides the following tips to help avoid an accident:

- ...To avoid head-on collisions, drive to the right, reduce speed and go off the pavement, if necessary, to avoid an oncoming vehicle in your lane. Never veer to the left, except as a last resort.
- ...To enter an expressway safely, match your speed to the through traffic and blend in. Stay with the pace of the majority of cars. Stop only in an emergency, and never back up.

Coca-Cola striker arrested for assault

A 25-year-old Chicago man was arrested June 20 for aggravated assault and reckless conduct after an altercation with two security agents for the Coca-Cola plant at 7400 Oak Park ave. Plocke said the two security men had left the building and were driving westbound on the 7100 block of Touhy ave. when the offender drove alongside and yelled "you didn't think we would get you...did you?"

Police failed to find a weapon, but an analysis was conducted at the police station to determine whether the offender had fired a weapon recently. He was assigned a July court date.

Guidelines for protection of children

With the school year ending and summer activities starting, our children can become vulnerable to different mishaps. Sgt. Katsoulas, Niles Police Department Community Relations Officer and coordinator for the I-SEARCH Unit (Illinois State Enforcement Agencies to Recover Children), feels it necessary to alert parents of the dangers and possibilities of missing children. There is nothing more alarming, devastating, or terrifying than the report of a missing or abducted child, whether it be yours, your neighbor's, or a child from the community. Here are some guidelines to teach your children:

- ...Their full name, address and telephone number.
- ...How to make a long distance phone call (both directly to you by using the area code and by dialing "0" for the Operator).
- ...Never to go into anyone's home without your permission. Children should know the homes they are allowed to enter.
- ...If they become separated from you while shopping, not to go look for you, but go to the nearest checkout counter and ask the clerk: 1) If she/he works for the store, and 2) for assistance. Never go into the parking lot.
- ...To walk with and play with others. A child is most vulnerable when alone. If your child walks to school, have him or her walk with other children.
- ...That adults do not usually ask children for directions. If someone should stop in a car asking for directions, the child should not go near the car.
- ...If someone is following them, they should go to a place where there are other people, to a neighbor's home or into a store. They should ask for help. They should not try to hide behind bushes.
- ...Never go near a car with someone in it. Never get into a car without your permission. They should know in whose cars they are allowed to ride. Warn your children that someone might try and lure them into a car by saying, "You said to pick them up". Tell them never to obey such instructions.
- ...That a stranger is someone they and you do not know very well.
- ...Never tell anyone over the telephone that they (children) are home alone.
- ...To tell you if any adult asks them to keep a "secret".
- ...As parents you should:
 - ...Know who your children's friends are.
 - ...Never leave children unattended, never leave children alone in a car.
 - ...Be involved in your child's activities.
 - ...Listen when your child tells you he or she doesn't want to be with someone. There may be a reason you should know about.
 - ...Notice when someone shows your child a great deal of attention and find out why.
 - ...Have your child's fingerprints taken. Know where to locate dental records.
 - ...Be sensitive to changes in your child's behavior or attitudes. Encourage open communication. Never belittle any fears or concerns your child may express to you.
 - ...Have a set plan with your child outlining what he or she should do if you become separated while away from home.
 - ...Do not buy items that have your child's name on them, such as hats, jackets and tee-shirts. An abductor could start up a friendly conversation with your child after reading and using the child's name.
 - ...Be sure their schools or day care centers will not release children to anyone but the children's parents or persons they designate. Instruct the school to contact you if your child is absent.

Illegal fireworks still being sold in Illinois

Some retail outlets are selling fireworks that still are illegal in Illinois, according to the Office of the State Fire Marshal (OSFM).

"Some of the so-called 'big-size,' 'giant' or 'family-size' packages contain illegal fireworks, along with those that are acceptable under State law," said Harold L. Schmelski, state fire marshal.

The packaging referred to is that which contains a majority of legal items such as sparklers, smoke pellets, snakes and glow worms. Among illegal items are Roman candles, sky rockets or torpedoes. "No matter how they're disguised, by name or results promised, if they're illegal, they are illegal," Schmelski said.

OSFM is not an enforcement agency, "but we prevail upon the local enforcement officials to apprehend those who are guilty," he said, "and we investigate illegal fireworks complaints directed to us."

In Illinois, it is illegal to offer for sale, expose for sale, sell to retail, use or explode or knowingly possess certain fireworks. Penalties range from a petty offense to a Class A misdemeanor, depending on the severity of the infraction. Provision is made in the law for permits for firework displays or exhibitions.

Sports Complex Pool

The Sports Complex Pool, located at 8435 Ballard rd., in Niles, is receiving some special attention this summer. The concession area is being remodeled and landscaped, new lounge chairs for the pool area have been installed, a new playground for tots is being built. It is located on the sundeck area next to the pool.

Niles residents may swim at the Sports Complex pool Monday-Sunday, 1-5 p.m. or 7-9 p.m. for a fee of \$2 per person. (Non-resident fee is \$4) These fees apply to the full-size pool as well as the wading pool for tots. Seasonal tokens may also be purchased. These passes entitle the wearer to an entire summer of water fun. A pass for a family of 4 is \$60, 2 is \$40, 1 is \$30 and 5 is \$70. Tokens are on sale at the pool during pool hours. For more information swimming programs at the Sports Complex pool, call 297-8011 or 297-8010.

Free Playground Program

The Niles Park District's free Playground Program has already begun. Children ages 6-12 years of age are encouraged to stop by any of the following playgrounds. Playground leaders will be on hand to keep youngsters busy with softball, arts and crafts, trips, special events and tournaments. The following playgrounds are staffed during the hours of 9 a.m. to 12 p.m. Monday to Friday: Courtland Park, Kirk Lane Park, Chesterfield Park, Jonquil Terrace and Golf Mill Park. Playgrounds open from 1 to 4 p.m. are: Gremman Heights Park, Washington Terrace, N.I.C.O. Park, Oakton Manor Park and Greenwood Park.

Children involved in the Supervised Playground program will have the chance to attend field-trips to:

"Stop Smoking Clinic"

Lutheran General Hospital will hold a six-session "Stop Smoking Clinic" Monday, July 15, and continue on Wednesday, July 17; Monday, July 22; Wednesday, July 24; Wednesday, July 31, and Wednesday, August 7. The first two sessions will be held from 7:30 to 9:30 p.m. and the last four sessions will be held from 7:30 to 9 p.m.

Sponsored by Lutheran General's Section of Respiratory Care, in conjunction with the Chicago Lung Association, the clinic offers participants a step-by-step reduction plan to quit smoking.

The clinic is open to persons of all ages. Because class size is limited, persons are asked to pre-register. For registration and fee information, call 696-5090. The clinic will be held throughout the year.

Dist. 71 revises school calendar

Niles Elementary District 71 Board of Education at a recent meeting studied its originally adopted 1985-86 school calendar.

MG Legion past presidents meet

The past presidents of the Morton Grove American Legion Auxiliary Unit #134 meet bimonthly for a luncheon and business session and include an afternoon of games on their schedule. The former leaders of this group rotate in performing the hostess duties.

At the most recent session, Mrs. Lu Sepey, 8614 Fernald, was the hostess.

Mrs. Sepey held her luncheon at the Morton Grove Restaurant in Morton Grove. She in addition, furnished an individual gift for each past president attending. An experienced and talented craft maker, the crocheted items featured a rain bonnet inside.

The former leaders select the restaurant, send out invitations and furnish snacks for the after-luncheon afternoon social hour.

Mrs. Sepey was Junior Advisor for many years in the Auxiliary and still maintains a large degree of community service to the Unit and the village.

MG Library sets programs

Sterling Cohan, district manager for Waddell & Reed Money Management Seminar at 7:30 p.m. Wednesday, July 10 at the Morton Grove Public Library.

Cohan will speak about managing finances through tax reduction, inflation safe-guards, insurance and retirement plans. A question and answer period will follow the presentation. Admission is free.

The Agoraphobia Group, directed by Jane Nathanson, is now meeting at the library on the third Tuesday of the month at 7 p.m. only. The group now meets monthly instead of weekly. Anyone who has a problem with agoraphobia is welcome to come to the meetings, free of charge.

Luncheon Movies are continuing at the Library on Tuesdays at 11:30 a.m. and 7:30 p.m. Featured during the month of July will be short films on the Smithsonian Museum, the Salvation Army, Jorda, and Theodore Roosevelt's Home, Sagamon Hill. Admission is free and patrons may bring their lunch to the 11:30 showing, at which time free coffee will be served.

Last fish fry of season

The traditional summer months have arrived and with it the announcement that the Friday fish fries at the Morton Grove American Legion Post #134 will cease until fall. The 6-8 p.m. meals have been served each week at 6140 Dempster; and the final Friday fry will take place June 28.

The public is always invited to these informal meals where a chicken plate is also served in addition to the perch, shrimp or combination entree.

The Legion urges the community to join them in September for the next series of Friday meals.

Pitching for the Reds were J. Bronsahan, C. Kenney, S. Bosco, J. Brens.

Red Sox 13, Cubs 9
Pat O'Brien hit a homerun for the Red Sox and drove in two runs. Jim Bronder also had a triple and a double. Bill Costello stole home twice, had 2 RBIs and made a fine catch in the field leading to a double play.

Although the Red Sox led all the way in this game, the Cubs kept fighting back. Jim Kettleson kept the Cubs close by only allowing one run in two innings. Bill Ochab and Randy Long both scored twice for the Cubs. Paul Kettleson had 3 hits.

White Sox 8, Red Sox 6
Eric Cairo and Tom Smith were the heroes as the White Sox won their seventh straight game. Tom Smith and the game winning homer in the last of the sixth and Anthony Monaco pitched superbly.

Pete Mourlas and Pat O'Brien hit home runs for the Red Sox. Todd Orloff had two hits. Pat O'Brien also pitched 2 scoreless innings.

Padres 9, A's 8
After a tense, exciting game, the Padres reached their 9th victory over the Cubs. Leading the attack were Todd Goldberg 2 hits, 3 RBIs, Joey Watrach 2 hits, 2 RBIs and Mike Brieske with 2 RBIs. Three Padre pitchers - Joey Watrach, Steve Saranecki and Todd Goldberg combined to hold the Cubs to 1 hit and 2 runs while striking out 13 Cub hitters.

Gus Garamerous had two hits for the Cubs. Randy Long made a great catch in the outfield for the Cubs.

St. Francis Sports Medicine Center

Oakton runners dominate relay

Raiders from Oakton Community College dominated the second annual Skokie Federal/ALS 10K Relay run Sunday, June 9, through the streets of Skokie.

Leading the Oakton runners was the team of Dan Kuhn (Warren HS) and Tony Vodicka (Morton West HS), who won the 39 and under age division. Jim Rubey (Maine East) and former high school teammate Patty Murray won the coed division with Tom Polak (Maine East) and former high school teammate Donna Nachowicz placing second. OCC's Tony Paul (Maine West) and Julie Savage placed third in the coed division.

Niles West athletes named all conference

Sixteen Niles West High School athletes have been named all-conference for their achievements in the spring sports. Rena Andrews, Susan Malivanag, Laura Oriani and Kathleen Campbell were so designated, in girls' track, Cynthia Rychowski, Debra Ciskoski, Karina Doyle, and Karen Wilczewski in girls' soccer, and Diane Field, Marianne Janessa and Katherine Cote in softball.

On the boys' side, Jack Dahm, Joe Klancnik, Joe Lochner, and Rick Maybrun were named all-conference in baseball, and Steve Disselhorst in gymnastics.

In addition, Andrews, Wilczewski, Field, and Dahm were named most valuable players by their teammates, as were Tom Joseph for gymnastics, and Marcus Plomus for tennis.

Morton Grove baseball benefit

The Morton Grove Baseball Association recently sponsored a benefit baseball event at Thillens Stadium, Devon and Kedzie in Chicago.

In Minor League action, the Cubs beat the Giants 12 to 7 and the Indians edged the A's 3 to 2.

In Pony League, the Astros lost to the Giants 12 to 11 and the Reds rolled over the Cardinals 25 to 3.

All the receipts collected at the game went directly to Morton Grove's equipment fund. Thillens Stadium was donated free of charge in order to help assure the financial success of the event.

I BET YOU DIDN'T KNOW

By Jim Jennings

Which big league baseball team once played 5 seasons WITHOUT having a manager? ... The Chicago Cubs played from 1961 through 1965 without a manager... They used a rotating staff of coaches but no one man held the title of manager during those years.

What's the biggest fish ever caught with rod and reel? ... The official record is held by an Australian, Alfred Dean, who hooked a shark that weighed 2,864 pounds... The shark was just two inches short of being 17-foot long... Dean made the record catch in 1968.

One of the most incredible pitching records in baseball history was set by Jack Taylor - the man known as "the pitcher who never came out of a game"... Taylor, amazingly, pitched 188 consecutive complete games over 5 years in the big leagues, from 1901 to 1906, pitching the full 9 innings in every one of those games and NEVER coming out for a relief pitcher at any time!

Sisters Celebrate 100th

The Sisters of the Holy Family of Nazareth, who sponsor Holy Family Hospital and Holy Family Health Center in Des Plaines, and Holy Family Ambulatory Care Center in Wheeling, will celebrate on July 4 the 100th anniversary of their arrival in the United States. The order was founded by Mother Mary of Jesus the Good Shepherd, Frances Siedliska, in 1875 in Rome. She and eleven Sisters came to the United States in 1885 and established the community's first American provincialate and novitiate in Chicago. In 1903, Mother Siedliska accepted the donation of 66 acres of land in Des Plaines from Archbishop James E. Quigley and the provincial home was moved from Chicago to Des Plaines. In 1959

Legion Auxiliary donates to VA Hospital

The Morton Grove American Legion Auxiliary Unit #134 believes in service to their country and they continually aid the veterans confined to the Chicago-land VA Hospitals. Co-Hospital Chairmen, Mrs. Josephine Lange of Skokie and Mrs. Alyce Campanella of Morton Grove have worked with the former servicemen making poppies for distribution this year, conduct monthly bingo parties for their enjoyment, pass out comfort and necessary personal grooming items without charge weekly and assist in whatever other manner they are able. Now a TV lift and programmer have been donated to the patients at the Hines VA in Maywood. The total cost of these two items have been set at \$1,000. Auxiliary president Mrs. Nancy Schlueter indicated the Unit was happy to contribute monetarily as well as physically with work and the time and talent on a repeated basis as that is what the word Auxiliary means, to help; and the women of Unit #134 wish to not only assist the Legionnaires of the local Legion, but the programs they are set up to contribute time and effort for, such as the rehabilitation of these veterans now confined to VA institutions.

Brain Tumor Support Group

A Brain Tumor Support Group has been established to help people who are affected by brain tumors. The second meeting of this group is scheduled from 7:30 to 9 p.m. Wednesday, July 10, at Lutheran General Hospital, Park Ridge.

According to the group's organizers, it is the only support group of this type in the metropolitan Chicago area. Some 30,000 people are diagnosed each year as having brain tumors.

The support group will meet in the 10 East Dining Room at Lutheran General Hospital. Individuals who have a brain tumor, their families, and friends are invited to attend.

For more information about the meeting, contact Lynn Tadelman, Division of Social Work, Lutheran General Hospital, 696-5475.

Nurse program begins July 1

Registration for Bethany Methodist Terrace's basic nurse assistant program begins Monday, July 1 at the Terrace, 8425 N. Waukegan rd., Morton Grove, for the session beginning July 22.

The month-long course, approved by the Illinois Department of Public Health, certifies each participant to work in intermediate and skilled nursing care facilities.

Applicants must be 18 years of age or older, in good health, and possess a good knowledge of conversational English.

For more information, contact Julie Davidson, Terrace inservice director, at 965-8100, ext. 58.

Niles, Golf Mill Bank enter float in parade

The Village of Niles and Golf Mill State Bank have entered a float in the 4th of July parade. The parade begins at 9:30 a.m. at Notre Dame High School, and concludes at Grennan Heights Park. The theme of the float is the Statue of Liberty. We are encouraging contributions to the Statue of Liberty Ellis Island Foundation.

For more information, call Sheryl Brim at Golf Mill State Bank at 824-2116. Family and friends are invited to enjoy the festivities.

MacArthur Foundation makes challenge grant

The Newberry Library is pleased to announce that it has received a generous grant from the John D. and Catherine T. MacArthur Foundation. Totalling \$1.428 million, the grant will be used both to underwrite the Library's renovation project and to stimulate new and matching contributions to the project.

The MacArthur gift is all the more valuable to the Newberry Library because the first payment completes a sizeable 1983 challenge grant from the

National Endowment for the Humanities, which in turn is partially matched by the Andrew W. Mellon Foundation to endow the Library's Conservation Program (\$1.2 million) and the D'Arcy McNickle Center for the History of the American Indian. The balance of the MacArthur grant will serve to generate new gifts to be applied to renovation costs, using a ratio of one dollar from the MacArthur Foundation for every two dollars raised in new commitments to the building program.

The Newberry has virtually completed a major renovation of its 1893 Richardson Romanesque building at 60 West Walton Street. The renovation began in 1982, following the completion of the Library's new bookstack building and the move of the Library's collections into it.

Center of Concern - Financial Counseling

The proposed new tax revisions being discussed in Congress can be a problem area for some while for others the revising of their present budget to meet the ever-present bills can be even more of a worry.

To allay some of these troublesome areas free financial counseling is offered by The Center of Concern every Saturday morning. A trained, experienced financial adviser is available at 9 o'clock on those mornings. Appointments can be made by calling The Center of Concern at 823-0453. It is located at 1580 N. NIIA moves headquarters to Northbrook

The Northern Illinois Industrial Association, an organization of more than 400 businesses, industries, and related organizations, in northern Cook, Lake, and DuPage Counties, is moving its headquarters from Skokie to Northbrook Office Court, Northbrook on June 17.

NIIA has occupied its present quarters at 4927 Oakton st., Skokie, for thirty years. Its new address will be: Northbrook Office Court, 666 Dundee rd., Suite 702, Northbrook 60062.

The Northern Illinois Industrial Association was organized in 1949 by 19 companies in Skokie, Mor-

ton Grove and Lincolnwood for the purpose of helping them solve some of their mutual problems. The first of these was transportation-economical movement of employees from Chicago to the suburban area and return. Since then the work of the association (originally called the Skokie Valley Industrial Association) has broadened to include the solution of many additional mutual problems. Today, the association whose slogan is "A resource to the business community," provides research, training programs, and other services to its members.

New account manager at Graphic Concepts

Thomas F. Ballard has joined the Graphic Concepts art and design studio in Park Ridge as an account manager. Tom will be responsible for developing and servicing new retail, consumer and industrial graphic design accounts for Graphics Concepts.

A graduate of Columbia College in Chicago with a B.A. degree in advertising and public relations, Tom's professional background includes publicity for the Museum of Contemporary Art in Chicago, development of co-op advertising programs for retailers through the Chicago Tribune, and copywriting for ads, newsletters, brochures, direct mail and press releases.

In addition to this management duties, Tom will assist Jim Frugoli, President/Creative Director of Graphic Concepts, with the creation of marketing communication programs and the development of sales promotions for new and existing clients.

Norwood Federal receives Eagle Award

Norwood Federal Savings and Loan Association, 5813 N. Milwaukee ave. in Chicago, was recently awarded two plaques by the Chicago Financial Advertisers (CFA) for excellence in advertising.

On behalf of the Association, Vice Assistant President/Marketing Director, Noelia M. Clarke, accepted both the Eagle Award, which is the highest honor bestowed on an advertiser, and the Certificate of Excellence at the CFA Awards Banquet.

"Norwood Federal" strives to create informative, consumer-oriented advertising," stated Clarke, "and we will continue to do so in the future."

When in the course of human events . . . it became necessary for a few brave souls, representing 13 ragged colonies, to throw off the yoke of oppression . . . To stand united against unjust taxation . . . To declare those colonies an independent nation . . . God, in His infinite wisdom, furnished those brave souls, to lead us to our independence.

Some two hundred nine years have passed since that historic moment . . . Years filled with strife, seven wars and several palace actions . . . But also years of prosperity and individual freedoms unknown in most of the world . . . Years that have made this country the most revered in all of history.

Each year, at this time, we pause and celebrate the anniversary of that great event, the signing of the Declaration of Independence.

We wave the flag and bend the knees and thank God for His continued support of this great nation of ours.

WMAQ hosts show at Lambs Farm

WMAQ Radio (670) announces the celebration of its 11th anniversary Free Concert at Lambs Farm on Sunday, July 14.

The Bellamy Brothers, one of country's hottest groups, will highlight the event. Gail Davies, Free Wheel, J.D. Bell and The Silver Spurs Band and Chicago's own Jump 'N The Saddle will add to the excitement of the day.

WMAQ Radio air personalities, including Good Morning Guys Doug James and Pat Cassidy, Nancy Turner and Terry Stevens will emcee the event.

The Chefs of Cuisine will prepare and serve different varieties of meat and pastry goods. All proceeds from the sale of food will go directly to Lambs Farm.

Admission to Lambs Farm and parking for the concert will be free, with the entertainment beginning at 11 a.m. and ending approximately 7 p.m.

Lambs Farm is located on Illinois Tollway I-94 at the route 176 exit Libertyville. Lambs Farm houses and trains mentally retarded young adults.

Evanston Fountain Square Arts Festival
150 artists representing 17 states and Canada will be displaying and selling their original paintings, sculptures, photographs, prints, jewelry, woodwork and a variety of functional and non-functional ceramics.

This show is for everyone, whether they be discriminating collectors or are looking for a modestly priced print or a charming ceramic piece.

Make a point of visiting the Fountain Square Arts Festival, June 29 and 30, in downtown Evanston on Church Street between Sherman and Chicago Avenues. If you don't now own any original art, there is no better time or place to start your collection.

Theater Guild stages "Brigadoon"

Marty Goss and Gwen Gotsch are appearing weekends until June 30 in Des Plaines Theatre Guild's production of "Brigadoon". The Lerner and Loewe musical plays Fridays and Saturdays at 8 p.m., Sundays at 2:30 p.m., at Guild Playhouse, 620 Lee St., Des Plaines. Tickets for all remaining performances are available by calling the box office, 296-1211, between noon and 8 p.m. daily. Goss plays Jeff Douglas, a sarcastic American vacationing in Scotland with his more romantic friend, Tommy Albright. Gotsch is a man-chasing Scottish lass, Meg Brockie, who sets her cap for Jeff. Des Plaines Theatre Guild will hold open auditions on July 22 and 23 at 7:30 p.m. for another Lerner and Loewe musical, "My Fair Lady," which will open their 40th anniversary season next September.

Library speaker to discuss Chicago

Did you know there's a house in Chicago with 500 crosses on the front lawn? "It's true," says Morton Grove resident Mike Sered. Sered, originator of the Chicago Nobody Knows tours, will discuss this and many other obscure facts about this toddlin' town at 10:30 a.m. on Monday, July 1 at the Skokie Public Library, 5215 Oakton. Sered will illustrate his comedic talk with slides by photographer Rosalie Cerise Peldon.

Sered's successful tours have attracted the attention of Channel 2's Walter Jacobson and John Drummond. Sered has a long history of organizing offbeat events. In 1980, he co-organized the Chicago Lifestyles Expo. Sered has been interviewed on "Good Morning America" and 200 radio and TV stations.

Admission is free. For more information, call 673-7774.

ENTERTAINMENT GUIDE

Theatre 219 casts Pippin

A cast of community members has been selected for "Pippin," this summer's Theatre 219 musical, to be staged July 28-28 and August 2, 3.

Ed Nemmers, a Niles East graduate and cast member in several past Theatre 219 productions, will play the title role. Others returning for another Theatre 219 summer are A.D. Cohen as King Charlemagne (Charles), Alyson Harris as the young widow Catherine who becomes Pippin's romantic interest, Marlon Schneider as Pippin's stepmother Fastrada, Sheila McCormick as Pippin's grandmother, and Jamie Wild as Catherine's son Theo.

Gary McNulty, cast as the leading player of playmaker, is with Theatre 219 for the first time, as is Andrew Lawler, a 1985 Niles West graduate. McNulty is well-known on community theatre stages along the North Shore, having played Freddy in "My Fair Lady," Tom in "No No Nanette," and Joe Hardy in "Damn Yankees," as well as the leading player in another production of "Pippin," among others. Seven dancers and a chorus of 23 complete the cast.

Robert Johnson is directing "Pippin," his 12th production for Theatre 219. Edward C. Moon is technical director/designer, Gretchen Witte Glader and Marla Lampert are the choreographers, Sheri and Rodney Owens the music directors, and "Peachy" Taylor and Rita Stewart are designing original costumes.

Tickets for the musical will go on sale July 8 in the theatre box office, located in the Niles West High School auditorium lobby, Oakton St. at Edens, Skokie. Group rates and senior citizens discounts are available. Call 966-8280 or 966-3800 for further information.

Free Color Analysis at Women's Workout World

Women's Workout World of Niles presents a free color analysis on June 29 only, between the hours of 9 a.m. and 4 p.m. "Discover the one simple idea that can help you look your best!" Women's Workout World is located in the Oak-Mill Mall at the intersection of Oakton and Milwaukee ave. in Niles. Members can bring friends. Non-members, invited guests may come in to check-out the club facilities and programs. Free color analysis compliments of Evelyn Fricke, manager of Niles Women's Workout World. Programs and workshops by Artistics.

Call Women's Workout World at 967-0100 for information or reservations.

"Sugar" at Open Stage Players name director

Estelle Goodman Spector, prominent director, choreographer and teacher, has been named guest director for the musical comedy, "Sugar," the next production of the Open Stage Players.

"Sugar" will be presented by the Open Stage Players at the Mayer Kaplan Jewish Community Center (JCC) in Skokie on weekends from July 20 through August 18.

The music was written by Julie Styne, lyrics by Bob Merrill, and the book by Peter Stone.

Spector said audiences will find "Sugar" to be a charming musical comedy. The plot concerns two men who disguise themselves as women in order to save their lives, but humorously get caught up in the feminine aspects of love, marriage, and their own role playing.

Spector's energy and experience in musical comedy have been successfully proven in many vehicles. She is a member of the Joseph Jefferson Awards Com-

mittee and a faculty member at Columbia College, teaching musical comedy and acting. She also directs at Columbia and is a board member of the Absolute Theatre Company. She has taught and directed at Goodman School of Drama and was the artistic director of the Spectrum Theater in Lake Forest. She has just signed a contract with Ringling Brothers Barnum & Bailey Circus to teach at its Clown College in Sarasota, Florida.

Open Stage Players' home at the Mayer Kaplan JCC has excellent sight lines, proximity to performers, and acoustics in an intimate theater setting, she said.

For more information about the upcoming production, call 675-2200.

Nelson School students see Botanic Gardens

Fifth graders from Nelson School, Niles, Illinois, went on a field trip to the beautiful Chicago Botanic Gardens in Glencoe, Illinois, on May 17.

The students had many delightful learning experiences as the guide on the tram ride explained about the Illinois trees, flowers, bushes, and other plants. The fifth graders rode around the 300 acres which have been devoted to education and research in plant study.

Students particularly enjoyed seeing the remarkable phenomena of plant growth as they walked through the Nature Trail. They had an opportunity to see how different plant families adapt and survive.

In the desert greenhouse, students learned how a tremendous variety of cacti and other

desert plants survive in arid conditions. Children enjoyed the class in which they learned how early Americans used various plants for food, medicine, and everyday necessities. All students brought home rosemary herb plants which they had planted during the class.

It was particularly enjoyable to see the Japanese islands and hear the guides tell about folk tales associated with them. Fifth grade students were accompanied on the trip by their teachers, Miss Sandra Chaet, Mrs. Leonora Farb, and Mrs. Geraldine Hurlbut. Room mothers who accompanied the group were: Jane Dugan, Janice Gerber, Roberta Kohler, Mary Jo Marcus, and Ann Snedden.

Cable TV starts at Maine East

Recently Maine East's television studio began programming on Cable TV. WMTW-TV can be seen in Park Ridge and Des Plaines on Channel 82. Students have already produced interview shows, newscasts, and sports shows for the station.

Mr. Paul Rinzel, the television teacher at Maine East since 1979, describes the relationship with the Cablenet Co. as good. He says that if he has any trouble or problems with Channel 82 he can call, and the problem is corrected quickly. In the future Mr. Rinzel hopes students will receive internships with Cablenet.

Currently broadcasting is popular at Maine East. Two different classes are offered. The first is broadcasting one, and the second is repeatable. Every year of broadcasting two becomes more challenging. For example, in the student's first year of video, he will produce a 30 second commercial, but as he goes on, expectations become higher and productions more complicated.

Students do more than just produce shows in these classes. Before actually producing, they must learn the function of the different pieces of equipment and different aspects of production.

Included in the latter is learning to direct, operate a video camera, lighting, studio equipment, editing, using remote equipment, etiquette, and being the "on air" talent. The curriculum at Maine East has changed within the last two years in order to keep up with the fast moving television field.

Maine East's television studio is special because it was one of the first high school educational studios around. Mr. Rinzel adds, "The fact of having one is extraordinary" because there aren't many around. Rinzel also says, "We have been fortunate to have the school board and administration support in our program."

Other programs have been running at Evanston and Downers Grove North High Schools, with up and coming ones at the Oak Park-River Forest and Glenbrook Schools. When asked how he compares Maine East's program to others, Mr. Rinzel said, "I would rate ours as one of the top high school television studios, equipment and curriculum wise, in the nation."

This year's Channel 82 executive board is Jim Mastri, station manager; Geln Capek, program director; Jay Smith, executive producer; and Andrew Deckowitz, chief engineer.

District 63 Grant Enrichment Program winners

The East Maine Education Association of East Maine District 63 announces the 1985 Grant Enrichment Program winners:

Martin Zeitman, the 6th grade winner, is a student at Washington School. He is very enthusiastic about computers and music. The East Maine Education Association is contributing \$100 toward the tuition fee for Martin to attend the East Maine 63 Summer School program where he will participate in a computer class and the band program.

Tom Gambill, the 7th grade winner, is a student at Gemini School. Tom's interest in music inspires him to be a member of two bands. He plays trombone in the Gemini Jazz Band and tuba in the Cadet Band. The EMEA is contributing \$100 to the Chicago Symphony Organization for Tom to experience this premiere orchestra in a very special way. Tom will attend, along with an adult, two CSO concerts, receive

a CSO recording, and meet some of the orchestra members.

Anna Lopez, the 8th grade winner, is a student at Gemini School. Anna's artistic talent is urging her to seek art experiences beyond her home and classroom. She does sketches, calligraphy, paintings, clay modeling, charcoal rubbings, etc. This summer Anna will participate in a ceramics class at the Evanston Art Center located at the Evanston Lighthouse. The East Maine Education Association is contributing \$100 of the fees for this new artistic experience.

The teachers of East Maine District 63 congratulate the 1985 grant winners and hope they will thoroughly enjoy their enrichment choices and learn much from their experiences.

Gemini chorus visits nursing home

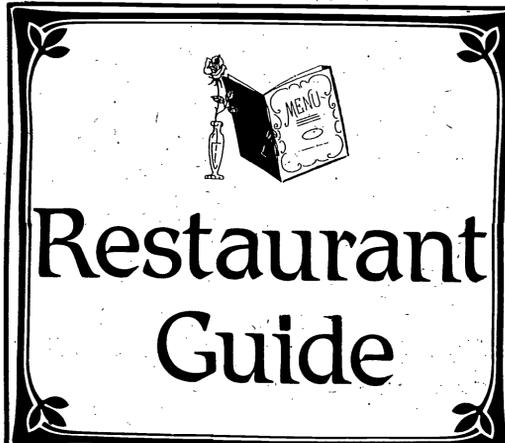

The following members of the Gemini Chorus went to Holy Family Nursing Home for a performance on April 18. The residents at Holy Family had been looking forward to the visit and enjoyed the music.

Members are: Rhonda Ansara, Irene Antonoglu, Erica Buckman, Rosa DiFranco, Jenny Catania, Ellen Fierer, Jenny Gardner, Angela Garippo, Stacy Glassman, Nim Gurnani, Caryn Halperin, Brandy Jacob, Maya Lara, Lori Levy, Sheryl Lessin, Cori Pearlman, Shannon Regan, Lisa Sher, Rose Subaric, Debbie Tingas, Tom Towey, Candy Wauhup, Stacy Lustman, Peter Otrushko, Natalie Tomich, Jodi Farber and Celia Cardis.

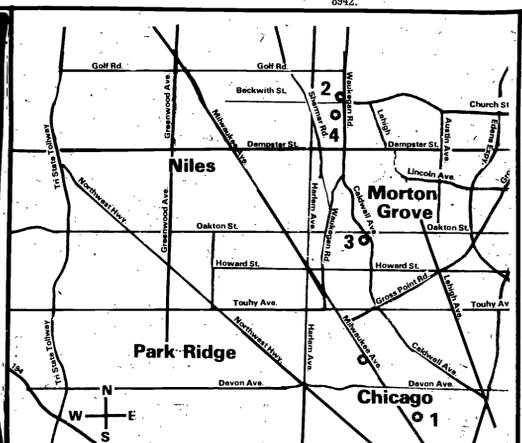

Maine East 1975 reunion

The graduating class of 1975 will hold a 10-year reunion on Saturday, Sept. 7 at the Chicago-O'Hare Marriott. Festivities will begin at 5:30 p.m. and end at midnight.

For reservation information call Patti Leman Lawler at 998-8942.

Callero & Catino realtor does it again!!

Joe Des Parte was named top salesperson for the month of May at ERA Callero & Catino Realtors. In qualifying, he sold a half million dollars worth of residential real estate during the single month. Joe has consistently been one of the top salespeople for many years at ERA Callero & Catino and received a special award earlier this year for career sales in excess of \$40,000,000.

The Niles based Realtor has reported an excellent 1985 so far with a 30 percent increase in both residential and commercial real estate sales for the first 5 months. Lower mortgage interest rates, special mortgage programs, an intensive home marketing program and experienced associates like Joe Des Parte are responsible for this substantial increase in real estate sales.

MAACO Auto Painting celebrates 3rd anniversary

In these days of tight money and inflation, consumers have three major concerns on their minds - a roof over their heads, food on the table, and their cars in good working and good looking condition.

The MAACO Auto Painting and Bodyworks center, located at 6408 Main St., Morton Grove, and owned by Elliot Bolotin, has been helping the public maintain their cars in good looking condition for three years. Matter of fact, Bolotin will be celebrating his third anniversary in business this month.

"We've been serving the people of this area for three years, and eventually doing something right because in that time we've painted and repaired over 3,700 vehicles. We believe this success is due to our MAACO policy of

quality work at prices the public can afford," said Bolotin.

The Morton Grove center is among the 380 in the United States and Canada. Since its founding in 1972, MAACO has painted and repaired more than 3,000,000 vehicles - quite an achievement in just 12 years.

Bolotin was self-employed prior to purchasing his MAACO franchise. He is a graduate of Roosevelt University, Chicago, with a degree in Industrial Management. He served in the U.S. Army Reserves for six years. His wife, Ruth, who assists in the center operation, has a degree in Education from Northwestern University, and owns and operates a T-Shirt shop. Bolotin is currently a member of the Chamber of Commerce, and is a booster for the Niles North

High School.

"Painting your car," Bolotin said, "not only makes it look like new, but it protects all the other parts of the car which keep it in good operating condition. As the costs of new cars continue to soar, people will keep their cars longer, or seek used cars, and people buy used cars on looks. So a freshly painted and repaired vehicle actually increases the resale value."

"Our MAACO center offers free written estimates, plus a free consumer services guide, 'Should I Paint My Car?'. We have expert painters and bodymen, and work closely with insurance companies and representatives to settle accident claims quickly and without hassle to the client."

Announcing the LOWEST RATE EVER

[9.00%]

on a Cragin Adjustable Mortgage Loan

Introducing the Cragin Low Rate Mortgage

Now, Cragin Federal offers its lowest first year rate ever on an Adjustable Mortgage Loan (AML)—9%. That's why we call this Cragin's Low Rate AML. But that's not all! Cragin guarantees not to increase your rate by more than two percentage points per year. The rate each year is determined by an adjustment of 2 1/2% over the S&L 7th District Cost of Funds Index, with a ceiling of 14.75% during the term of the loan. If you're interested in substantial interest savings in the early years of the mortgage, this is the plan for you.

Cragin offers mortgage options

If your adjustable mortgage concerns are with rate ceilings and year-to-year affordability, Cragin has other plans to fit your needs. The Cragin Sure Rate Mortgage: The first year rate of 10.75% will not be hiked automatically in the second year, or any subsequent year on this AML. Therefore, if the future Cost of Funds Index stays the same as it is today, your rate for the second year — or any year — will not be raised.

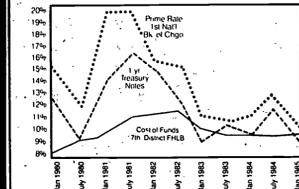

The rate is guaranteed never to rise by more than 4 percentage points during the entire term of the loan. So, your interest rate cap is a comfortable 14.75%. So if you want the certainty of knowing that your mortgage payments will stay affordable, no matter how high interest rates may soar in the near or distant future, the Cragin Sure Rate Mortgage will make you feel right at home.

The Cragin 1 1/2% Max Mortgage: This loan offers a first-year rate of 10.25% and a maximum per year increase of 1 1/2 percentage points per year. And, like our Sure Rate Mortgage, the rate will not rise in the second year or any other year, if the Cost of Funds Index doesn't. This AML has no rate ceiling.

	First Year Rate	Annual Percentage Rate	Projected Second Year Rate*	Maximum Annual Rate Change	Interest Rate Ceiling
Low Rate Mortgage	9.00%	11.597%	11.00%	2%	14.75%
Sure Rate Mortgage	10.75	11.199	10.75	1.5	14.75
1 1/2% Max Mortgage	10.25	10.685	10.25	1.5	None

*Assumes Cost of Funds Index remains the same in 2nd year. Rates subject to change.

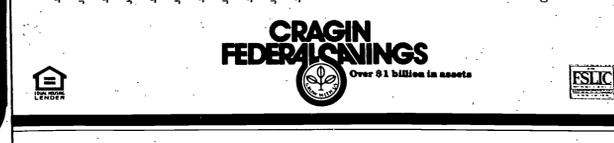

All three Cragin AMLs share basic benefits such as 30-year terms, 20% down payment requirements, \$500,000 maximum loan amounts (loans over \$110,000 require greater down payment) and no negative amortization. All three figure to remain affordable for you, since they are indexed to the Cost of Funds average, traditionally the most stable and lowest of interest-rate barometers (see chart).

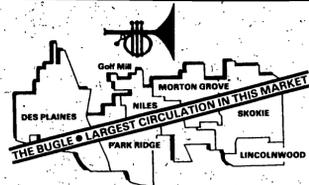

For more information about these and other innovative mortgages—adjustable and fixed-rate—call one of our five Regional Lending Centers: Chicago, 889-1000; Mt. Prospect, 437-7850; Itasca, 773-0800; Wheaton, 668-3600; Schaumburg, 884-0100.

Local news about local people is what community newspapering should be about.

This week we received a letter (see Letters To Editor column) from a resident who is asking our help to mollify district 64 neighbors in the 8200 Greendale area who are upset about parents picking up their children from the school. The writer contends preschool parents use an abandoned tennis court to park their cars for 15 minutes while they pick up their children. During this time they are harassed by neighbors who object to their parking there. We'll contact the school people to find out what can be done to adjust the problem. It's a small local matter. But it concerns a segment of our community. We will seek to help with the problem.

Last month we received a telephone call from a resident reporting a restaurant owner in the area wouldn't return a wedding deposit even though the father of the bride or groom had died during the pre-nuptial period. The owner told us keeping the deposit was justified since cancellations are a common practice. She said all kinds of excuses are given to cancel plans and the restaurant loses the reserved time period costing the restaurant substantial sums of money. When we suggested we were going to air the complaint in the newspaper the restaurant owner said she would refund the money. The local newspaper won this one for the good guys.

For many years we've been involved in most parades in Niles. We cancel a day in the country each year when the Niles Baseball Leagues have their opening day ceremonies. We try to publish as many team pictures as possible from the opening day program because it's an important day for the youngsters and the local newspaper is the only one which concerns itself with

covering the event.

Each year Niles Police Department's softball team clobbers its competition in police league play and each year The Bugle tries to cover the team. We're the only newspaper which gives coverage and it's because we're the local newspaper covering the local scene.

We get a lot more personal about political matters. We care about the community and we're interested in the public bodies giving fair and honest representation. When we see something we report it. It costs us advertisers to get so personally involved. But our readers are many-fold greater because they know they'll get the straight story from The Bugle.

Last year we wrote about an Oakton College program which sent a teacher to California to study a minority students program. Since there are few minority students in the school we thought somebody was taking advantage of the taxpayers. This year the same teacher had initiated a program to take her students to England. Since they would include incoming freshmen we thought she was doing this to receive a free ride to London. We wrote about it because it should be written about. And you read it here in the local newspaper.

Readers look forward to reading about the local news they won't be able to read in any other publication. And the advertisers receive a better return because of more concentrated circulation. Last year one Bugle advertiser received over 800 coupons from a Bugle ad. He received less than 15% from the other publication he used.

Good local readership plus concentrated circulation has kept The Bugle alive for 28 years. Plus a lot of butt busting.

Library and its services.
The Skokie Public Library is planning to maximize staff service efficiency to give the special-needs patrons the opportunity to function independently and become part of the library mainstream. The center's services will include special reading devices for the blind and visually impaired, special collections of cassettes and large-type reading material and special staff training.

The Library is easily accessible by public transportation and centrally located in Chicago's north suburban area. The center is actively seeking new borrowers in addition to those BPH users currently registered. Information leading to new users is greatly appreciated. Please call 673-7774.

money due their expected extended life and lower maintenance cost, said Village Administrator Larry Arlt.

In other business, the board approved an ordinance reamending the definition section of the village's zoning ordinance. Among the changes were the inclusion of terms not previously listed in the original ordinance, such as day care center. Copies of the revised ordinance are available at village hall.

The board also approved the establishment of a two-way stop intersection along Birch St. at its intersection with Churchill Ave., and a four-way stop at Arcadia St. and Merrill Ave. Also approved was a permit parking only area on Callie Ave. between Lincoln and Capulina Aves. Permits are available only to residents of Callie Ave. and are available at village hall. A no parking area was also approved on Theobald Rd. between Menard and Marmora Aves.

Trustee Don Sneider announced the re-surfacing work for the Harlem/Beckwith/Shermer project should be completed by August 1.

except for the cost of installation, to be included in the \$12,000 amount. In other action, board members approved a budget for the fiscal year beginning July 1, 1985 and ending June 30, 1986.

Interest earned on investments from the working cash fund are to be transferred to the operation, building and maintenance fund in the amount of \$137,552 and to the transportation fund in the amount of \$40,000 by June 30, 1985.

Leases for two tenants, Associated Talmud Torahs and Northridge Preparatory School were renewed. Associated Talmud Torahs will lease space for the Morton Grove Community Hebrew school in Ballard school at an annual cost of about \$13,000. An additional charge will be made for rental of four classrooms on Sunday.

Northridge will lease space in Apollo school for an annual cost of about \$27,000. An additional charge will be made if the area will be used between June 15 and August 15.

Board members agreed all renewal leases should contain wording to the effect that space be offered in another District building if activities will be disrupted. The space will be tenanted by mutual agreement of both the District and leasee. Although the wording is motivated by scheduled life safety work, it may apply to other situations in the future.

Several year-end contracts were awarded for locks, audiovisual equipment, office and classroom equipment, computer lab at Gemini, IBM software, cost control services, locker repairs and refinishing, maintenance equipment and pagers. In other action, board members endorsed a resolution opposing any legislative initiative for tax-supported transportation for non-public school students. A copy of the resolution will be sent to Gov. James Thompson and legislators representing the District.

computer system is something that can be exempt from bidding, but the park district does not have to accept bids when it wants to select an attorney or an architect.

In other business, a safety committee has been formed by the park district at the request of Gallagher and Bassett, the park district's insurance committee. The Park District Risk Management Association, which is a group of park districts that have joined together for insurance purposes.

If an accident or claim should occur, the safety committee will review it and make suggestions, and will try to correct problems, if any exist, within the park district. Meetings will be held once a month by the committee.

Marquette...

Cont'd from Niles-E.Maine P.1
Properties of Chicago unveiled plans to construct six apartment buildings, five stories high, with an underground garage for each building.

According to Botarelli, a studio apartment would rent for \$509; one-bedroom unit, \$639; two-bedroom, \$789 and three-bedroom units, \$999. The development will cost approximately \$21 million.

According to a village official, the board in March gave preliminary approval for a mortgage revenue bond of \$36 million requested by Marquette Properties.

Nicholas Ryan, Marquette managing director said at Tuesday's meeting that the nine-acre site would be purchased from property owner Robert Krilich subject to final approval of the project by the village board.

In other business, trustee Angelo Marcheschi, acting as president pro tem in the absence of Mayor Nicholas Blase, opened bids for roofing and tuckpointing for the Cook County Sheriff's Building, 8117 Milwaukee Ave.

The repairs will cost in the neighborhood of \$50,000. Marcheschi noted the roof is in a deteriorating condition, and tuckpointing of the building is "badly needed" for safety reasons.

Krilich...

Cont'd from Niles-E.Maine P.1
ruled that Krilich must install sprinklers on newly-occupied buildings and correct other violations in Lawrencewood. He also stipulated that after compliance with the order, Krilich be allowed to construct a multi-complex theater in the former Goldblatt store, which had been denied by the village board in 1982.

Troy said many of the violations have not been corrected and now "six more pages" of violations have been recorded by village inspectors. "They have found open electrical boxes, broken light fixtures, doors in need of repair, leaking roofs and broken concrete that have received token patch jobs," he said.

According to Troy, Inland Real Estate Corp. and Tri-Land Properties, Inc. early this year expressed interest in acquiring the property, "but the deal fell through," he said.

Troy added Krilich's repeated claims of financial hardship in making improvements to the shopping center is "hogwash." The village is asking the court to put the property in receivership to force him to do something about the situation.

Troy noted the village wants a revitalized Lawrencewood to attract tenants and become a viable business enterprise. "We're going the legal route to accomplish that," he said.
