District 219 teachers work while arbitration continues

About 250 teachers and 180 members of the support staff went back to work last Thursday after a teachers' strike closed District 219 schools on Monday, Sept. 30.

According to Kathy Berkel, public relations head for the

district, the strikers and the Board of Education agreed to enter binding arbitration after 12 hours of talks that ended approximately 5 a.m. Thursday, Oct. 10. "A majority of the teachers voted early Thursday morning to go back to work," she

said. The arbitrator, Herbert Ber- man, will make decisions on a salary increase for teachers, whether non-union teachers should pay a percentage of union dues (the amount fixed by the

\$750,000 bond issue approved for future improvements

Major upgrading in Park's future

by Sylvia Dalrymple

The Niles Park District has approved a \$750,000 bond issue with funds earmarked for major capitol improvements in the district for 1986.

Park board commissioners at Tuesday's meeting unveiled plans to issue the bonds in December. "With payments

spread over a 7-year period, the bond and interest tax rate will be set at .165 per \$100 assessed valuation. This would have a minimal effect on taxpayers in the district," Commissioner Elaine Heinen said.

The board will meet in commit-

That old bromide "They're either too young or too old" might well apply to Niles.

A couple of weeks ago Niles administrator, Ralph Bast, hosted a meeting to consider Niles becoming a part of a Sister City program. Because the village has a replica of the Leaning Tower of Pisa it was suggested Niles might try to link-up with the City of Pisa, Italy.

Ralph reported Betty Duffy gave an overview of the program and Martha Atherton, president of Des Plaines Sister City program, gave the background which eventually linked Des Plaines into this program. After a one year effort Des Plaines is now a Sister City of Cremona, Italy.

Mr. Bast said there were 22 to 24 people present at the meeting. Everyone favored pursuing the linkage except one representative who brushed aside the international connection suggesting we should be involved only in "American" activities.

It was decided Niles would take an informal approach to the matter. Niles' Coca Cola company's rep volunteered to

Library board OK's new contract for McKenzie

by Eileen Hirschfeld

At an October 9 meeting, board members of the Niles Library District approved an employment agreement for D. J. McKenzie, library administrator, at a salary of \$40,000 a year for two years.

McKenzie was hired two years ago as a result of a two year search for an administrator. During the search, Robert Young, library employee, served as interim administrator.

Also, by board motion, Robert Young was named "administrator emeritus", an

honorary title in recognition of his work as interim administrator. In 1983, board members indicated their intent to so name Young and later, a plaque was hung in the library to that effect although an official motion was not made until this month.

In an update on "Project Plus", McKenzie said 1,019 library cards have been distributed to residents in unincorporated Glenview and 132 cards to residents of unincor-

Waukegan-Oakton road work begins

Contracts have been awarded for traffic signal modernization in four communities in Northern Cook County and Southwestern Lake County, the Illinois Department of Transportation said today.

Local contracts are:
-a \$127,862 contract for work at Waukegan rd. and Oakton st. in Niles. The job is expected to run from Nov. 25 to Jan. 12.

-a \$55,450 contract for work in Park Ridge. Completion is anticipated by Dec. 15.

The contracts were awarded to H&H Electric Co., Franklin Park and to Unique Electric Co., Hillside.

None of the affected roads is being closed to traffic.

Motorists are cautioned, on all projects, to be alert to barricades, warning signs, lights and contractors' equipment.

Niles Library Open House

The Board of Trustees of the Niles Public Library-District has announced that an Open House will be held Sunday, Oct. 20 from 2-4 p.m. to celebrate the expansion of the library building. All are invited to attend this celebration which will include tours of the building giving explanations of the "behind the scenes" workings of the library, the new public access micro-computer laboratory and the library's new automated circulation and public access catalog system.

The Open House will be a festive event celebrating the expansion of library services to the community.

The Library is located at 6960 Oakton, the corner of Oakton and Waukegan in Niles.

New officers join Police Department

The Niles Police Department has three new officers who were recently sworn in at the Police and Fire Commissioners Office at Village Hall. The new officers will be replacing three senior officers who have retired over the past year. After taking the official oath, Commissioner Santo Bruno gave the recruits the Appointee Indocination. Upon completion of the ceremony the officers were instructed to report to the police department where they will undertake a week long orientation program, then attend the Chicago Police Academy for three month recruitment training, which will encompass academic as well as physical fitness classes. When they return to the department they will be assigned to a Field Training Officer for approximately 8 to 12 weeks. Chief of Police, Clarence Emrickson was on hand to welcome the new officers and issue their badges and hat shields.

Shown in the photo above are, Commissioner Perry, Officer Sall, Commissioner Gauthier, Officer Mittelbrun, Commissioner Bruno, Officer Polinski.

The new officers are Kenneth Sall, age 21, Robert Mittelbrun, age 21, and Thomas Polinski, age 28, all of which are Niles residents. Also present during the ceremony were the parents of Officer Sall and Mittelbrun. Officer

Polinski is the son of Walter Polinski, a volunteer Reserve Police Officer with the Niles Police Department. All the parents expressed how proud they were that their sons chose a career in law enforcement.

The Niles Police Department will be hosting the annual Halloween Party sponsored by the Village of Niles. The picture shows the Halloween Committee making their plans early. They are basically following the same successful format their wives have done on the previous parties.

Niles Police Chief Clarence Emrickson is enthusiastic about this year's party. He's informed the committee they must do everything in their power to give our kids this alternative to "trick or treating". There has been an

Maine North sold for \$12 million

The Chicago College of Osteopathic Medicine (CCOM) has purchased Maine Township High School North for \$12 million, contingent upon the purchaser obtaining proper zoning for their use from the Cook County Zoning Board of Appeals. Those uses include general office, educational, and medical uses. According to the terms of the contract, CCOM has 30 days to file applications for the zoning changes. The building will remain under District 207 control until the closing date which will be set after zoning changes have been approved. The terms of the contract call for \$1 1/2 million down at closing with the remainder of the purchase price to be carried by District 207 for 30 years at an interest rate of 7 1/2%.

Knights of Columbus fund drive

The Knights of Columbus will hold a statewide fund drive on behalf of the mentally retarded and handicapped persons, on Friday and Saturday, Oct. 25 and 26.

The Niles Council, the North American Martyrs are seeking volunteers to solicit funds during daylight hours on Friday at the intersections of Niles, sts., and in front of business establishments on Friday and Saturday. All volunteers have to be 17 years and older. Volunteers can contact Chairman Ted Lesniak, 966-6756 or Co-chairmen Walter Blake, 966-6657, Carl Ferina, 966-5842, or Len Zalesny, 282-3766 (all in Niles).

Lioness Club visually impaired reading machine

The Lioness Club of Niles will be providing information and availability of a Visualtek machine, at the dedication of the Niles Public Library on Oct. 20. For the past several years the Lioness Club has been diligently working through various fundraising activities to attain their goal of purchasing this equipment for use by the visually impaired.

Maine Township High School District 207 continues to rank above national and Illinois averages in both ACT and SAT scores. Both ACT and SAT scores provide one of several measures of a student's readiness to do college work, according to Joel Morris, administrative assistant for District 207. Maine's composite ACT score was 19.9; the national score was 18.6; the Illinois score was 18.9. Maine's scores were 471 in verbal and 533 in math; national scores were 431 in verbal and 475 in math; Illinois scores were 488 in verbal and 522 in math.

"A large proportion of Maine Township high school students take the ACT test because ACT results are used by midwestern universities and by the Illinois State Scholarship Commission," said Morris. Oakton Community College also encourages its prospective students to take the test. This year, 1425 Maine students took the test; 60% were juniors, 40% seniors.

In the four ACT sub-tests, Maine students scored 18.9 in English; 19.6 in math; 18.6 in social science; and 22.2 in science. Those scores compared to national scores of 18.1 in English, 17.2 in math; 17.4 in social science; and 21.2 in science. Illinois scores were 18.3 in English; 17.7

in math; 17.8 in social science; and 21.4 in science. Scores on the ACT tests range from 1 to 36. This year, 17 Maine students scored a perfect score of 36 in math.

"Fewer Maine Township students take the SAT test because SAT scores are not as heavily used by Midwestern universities," said Morris. This year 455 Maine students took the SAT test.

SAT scores range from 290 to 800. This year, 10 Maine Township students scored between 750 and 800 in math; two students scored between 750 and 800 in verbal.

Last year, Maine's ACT scores were 18.9 in English; 19.8 in math; 18.2 in social science; and 22 in science. The composite score was 19.8. SAT scores were 477 in verbal and 546 in math.

Orchard Center cash donation

The Skokie Valley chapter of Kiwanis, at its September luncheon meeting, presented Stanley Harris, President of the Board of Directors of Orchard Mental Health Center of Niles Township with a check for \$500. In past years, the chapter has given specific items to the Center. However, due to the drastic cut in funding experienced by the Center this spring in the amount of \$180,000 a request was made that cash be substituted for in-kind aid. The curtailment of the broad range of services offered by the Center, has encouraged to Board to appeal to the Niles Township community to make contributions that will help restore the full range of programs. Township to form committee on disabled

The Maine Township Board Tuesday, Oct. 8, agreed to establish a Township Committee on the Disabled as the first step in a long-range plan to improve services for the handicapped.

The purpose of the committee will be to identify services for the handicapped that are available in the community, to enlist the assistance of local municipalities

in improving services and to coordinate efforts among public and private groups to avoid duplication.

The committee also will serve as an advisory board to the township's disabled services program. This program currently consists of an information and referral service for handicapped residents, co-sponsorship with Lutheran General Hospital of a support group for physically

disabled persons, transportation assistance and advocacy of legislation to benefit disabled persons.

Maine Township Supervisor Paul K. Halverson said that most of these services are handled by Donna Anderson, the township's handicapped services coordinator, who also is employed by the township as a part-time receptionist.

The October program will be hosted by Regency residents and will include a Halloween celebration of pumpkin carving and decorating and Halloween Caroling. Socializing and refreshments will follow.

"A SPARKLING IDEA"

Why Wear Jewelry?

For satisfying and physical needs, man's love of personal decoration must have its roots in the awakened concept of self-image which developed in the unrecorded past believed to be 20,000 years old. The earliest jewelry was natural substances, usually products of a hunt. In neolithic times, during the late stone age, boring through pebbles, beads were made out of chalcedony and crystal crystal quartz.

As human culture evolved, the amulet (talisman), protected against the unknown. This belief was projected upon all early jewelry. Belief in their effectiveness furnished humans with a psychological means of combating hostility in the real and spiritual world.

Jewelry, a symbol of communication, tells place of origin, symbols in expression, of status, language, and love. Cultures carried the meaning of jewelry into all corners and kingdoms of the world. In our modern day civilization jewelry has evolved into the life and hearts of nearly every human.

Great natural resources of gems which nature provides has been further enhanced from their natural beauty by skills that mankind developed over thousands of years. Today, wearing jewelry is functional, symbolic, expressive, loving, emotional, suggestive and personally satisfying and sometimes a symbol of wealth.

'Under 21' drivers get new ID cards

Driver education instructors in Maine Township High School District 207 are cooperating in a program to issue distinctive driver's licenses and identification cards to persons under 21, according to Dr. James Elliott, superintendent.

According to Jim Edgar, secretary of state, the legislation to issue distinctive licenses to those under 21 was the recommendation of the Driving Under the Influence (DUI) task force. The new driver's licenses will feature a red photo background and border. The words "Under 21" will be printed on both sides of the license.

"The distinctive formats will aid in the enforcement of Illinois' minimum 21-year-old drinking age law by allowing easier establishment of age by the alcoholic beverage server. The format will also make it much more difficult to alter the driver's license and identification card," said Edgar.

K of C plan mentally retarded fund drive

For the past 14 years, the State and local councils of the Knights of Columbus in Illinois have conducted an annual Tootsie Roll campaign across the State, to raise funds for more than 330,000 mentally retarded children and adults. In Niles the drive will be coordinated by the North American Martyrs Council #4338. Chairman Tad Lesniak, Co-Chairman Walter Blake and Carl Ferina, all of Niles, urge all members, family and friends for their support and cooperation, in making this another banner year. Volunteers will be easily visible in their bright yellow aprons and their Tootsie Roll canisters. If you would like to volunteer a few hours of your time on Fri., Oct. 25 and Sat., Oct. 26, please phone Tad at 966-6756.

For the last two years, North American Martyrs Council have been second in the State in money collected in this drive; thanks to the people of our area. \$11,200 was distributed in 1984 to local organizations, caring and helping the mentally retarded and handicapped persons.

Please give the retarded need so much - but ask so little. With your support and cooperation, they can develop and be productive members of society. They are depending on you. Give not until it hurts, but until it feels good.

letters to the editor

Lippert expresses thanks to Niles

Dear Editor:
 This is an open letter of thanks and appreciation to the citizens of the Village of Niles, and particularly those closely associated with the Niles Park District.

As the Superintendent of Parks for the Niles Park District since February 1, 1980, I have had the unique opportunity to have been associated with so many wonderful and friendly people.

Within a week or so, I will be leaving my employment with the Niles Park District to be manager of park services with the Skokie Park District, which entails more responsibilities and professional growth.

I want to take this opportunity to personally express my gratitude to the staff and Board of Commissioners of the Niles Park District for their ever mindful attention to the community's needs.

During my 5 1/2 years working in Niles, I have been fortunate to have worked with a staff and Board who allowed my staff to make many park and facility improvements through renovations and additions, yet I realize that more can and will be accomplished.

I'm very happy I was able to work with and for such good people. I also established long lasting friendships through my coaching and umpiring with Niles Baseball League, the great block parties on the 7800 block of Lee st., the various homeowner's associations, such as C.M.H.O.A., the different school districts, and, of course, the working relationship with the Village's Public Works Department.

Niles, you can be proud of your community as I'm sure you probably already are. Thanks for giving me the opportunity to be a small part of your success. I will forever be grateful, and wish all the best of luck in the challenging years ahead.

Sincerely,
 Tom Lippert
 Supt. of Parks
 Niles Park District

An open letter to the Niles Township community

In the aftermath of our recent strike, we would like to address community members. Your solid support of the District 219 Board fortified our sense of purpose during stressful moments. The countless calls and letters expressed to us that education is truly a high priority in the Niles Township community, and that knowledge is appreciated by each and every Board member and administrator.

We of the Board are proud of our administration and staff. You spent endless hours to ensure that teachers could connect in their classrooms as soon as possible. You handled excessive workloads with grace, and successfully reopened our schools on extremely short notice. We thank you warmly for paving a smooth transition from a rough road.

And to our students: you have your homecomings—we have a terrific group of young people! Many of you volunteered your time and views while schools were closed, thus affirming our faith in you as active students preparing to be future leaders.

For better or worse, crisis has a way of revealing those who has touched. Our recent exposure presents a community whose common goal is to be consistently improving its educational system. Our mutual commitment

builds strength, and we must pool that strength, now, to harmonize. We must begin to develop a network of communication that will prevent a recurrence of such a crisis. Surely we cannot forget what has happened, but we should all remember what brought us together in the beginning. After all, it is our powerful belief in quality education that temporarily divided us, and it is that same conviction that must now reunite us.

Dr. Kaminski addresses District 219 Board

Dear Board Members,
 I appreciate receiving the information on issues facing the Board in the current negotiations with the Teachers Union.

I certainly agree with, and fully support the Board on all the issues involving the salaries, "Fair Share", and RIF. Indeed, as a citizen of this district I feel that the Board has been overly generous to the teachers during the 82-83 years!

As a former Board Member I can fully sympathize with you that your responsibilities and accountability to the community does not permit you to keep on feeding the avaricious and insatiable appetite of the irresponsible faction of the union at the expense of the taxpayer.

I am sure you need not be reminded of the low rate of inflation in the past few years (compared to the generous increases the teachers have received) and that an average salary of \$41,630 for a 180-day contract year represents \$4,172 for an average 240-day work year that most of the members of our community who pay the teachers well rewarded cadre of excellent teachers, but I feel also that the current salaries are generous and sufficient.

With respect to the "fair share" issue, the Boards in the past never considered that payment of membership dues of a union entitled any deserving employee of the district to special considerations. The teaching profession is not a "close shop" community. The Board agrees to salaries because of meritorious performance and not because of union membership.

Please accept my full support for your strong stand.

Sincerely,
 Edward J. Kaminski, Ph.D.

October Events at Edison Park Lutheran Church

The Edison Park Lutheran Church Women will hold their "Home For The Holidays" Mission Bazaar on Saturday, Oct. 19, from 10 a.m. to 3 p.m. A luncheon will be served from 11:30 a.m. to 1:30 p.m. Coffee and cookies will be served all day. This year's Bazaar will include specialty items for Halloween and Thanksgiving. You will be able to shop for pumpkins, corns, fresh produce, fall floral arrangements, Cabbage Patch clothes, along with Advent calendars, Christmas wreaths and ornaments. All circles will be contributing to the booths, which will include homemade pastries, cookies, breads, cakes, gourmet items, candy and "Attic Treasures." Serving on the Bazaar Committee are Mrs. Marguerite Dwyer, Mrs. Vera Johnson, Mrs. Irene Froelich and Mrs. Alice Volden. Proceeds from the Bazaar will go to support Missionary, Dr. Stanley Quanebeck, in Madagascar.

On Thursday, Oct. 17, the Senior Fellowship Group of Edison Park Lutheran Church, 6626 N. Oliphant Ave., Chicago, will hold its monthly meeting at the Church. After lunch, and a

short business meeting, Joseph Eberhardt will present a program of his style of humor and nostalgia, by popular demand. For lunch, bring a sandwich or whatever you wish. Dessert and beverage are furnished. If you cannot come early for lunch, try to join this group at 1:30 p.m. as they always have an interesting program. Guests are always welcome.

Boy Scout Troop 956 of Edison Park Lutheran has once again made arrangements with a fine established firm in the State of Washington to sell their beautiful Berried English Holly, Christmas Greens and Alpine Wreaths. Orders will be taken on Sunday, Oct. 20 and 27, after the 9 a.m. and 11 a.m. services. Every item comes packaged in individual plastic bags. Delivery will be after Dec. 5. If you are unable to pick up your order, the Scouts will make delivery to your home. Proceeds from the sale will be used for the Scout program during the year. If you cannot place your order at the Church on Oct. 20 or 27, you may order your Christmas greens by calling Mr. Dave Perschke at 631-3417.

Niles Community Church

The Men's Breakfast Group of Niles Community Church (Presbyterian), 7401 Oakton St., will meet at 8:30 a.m. on Sunday, Oct. 20; the program will be about the work of the Wycliffe Bible Translators in Papua, New Guinea. There will be no Adult Bible Study Group meeting that day. The morning worship service will commence at 10 a.m.; guest speaker will be the Rev. Amos Wilkie, former staff member of the Presbytery of Chicago and presently a private fund-raising counselor. Church School classes for three-year-olds through eighth graders will be held concurrently with the 10 a.m. service; care for two-year-olds and younger will also be provided. The Stewardship Commitment Callers will meet at 11 a.m. for a training session, and the Sanctuary Choir will rehearse at 11:15 a.m.

NSF check writer apprehended

A Chicago man was arrested Oct. 10 on a charge of deceptive practice. Police said the offender purchased a video cassette recorder and head cleaner from Pacific Stereo in Evanston with a bad check. A half hour later, he attempted to purchase a video cassette at the Niles facility on Milwaukee ave.

When the offender presented a check for \$629 to the clerk, he was stopped by the manager who had been notified by the Evanston store that the man's checking account drawn on a Georgia bank had insufficient funds. Police found the video cassette recorder and head cleaner purchased in Evanston in the subject's car.

He was released on \$1,000 bond after being assigned a Nov. court date.

A 10 cent threat

A 25-year-old Chicago man was arrested Oct. 11 after being involved in a dispute with an attendant at a gas station in the 5900 block of Touhy ave.

Police said the man put \$5.10 worth of gas in his car and paid the attendant \$5. When he was asked for the remaining 10 cents, the offender pulled out a folding knife, opened it and waved it in a threatening manner. He then drove out of the station traveling southbound on Lehigh where he was stopped by police in the 6400 block of Lehigh.

He was released on \$1,000 bond and assigned a Nov. court date.

Office computers stolen

An office building in the 7200 block of Caldwell ave., was robbed of two IBM computers valued at \$7,500 and one Panasonic VCR worth \$600 between the hours of 7 p.m. and 8 a.m. Oct. 8-9.

Police investigation showed no signs of forced entry and the alarm system working.

The owner said the janitorial service people were in the building from 7 p.m. to 10 p.m. He also reported the service has keys to the building and has the responsibility to turn the alarm on when they leave the building. Police are investigating the matter.

Drunk driver arrested

Police observed a car turning southeastbound on Milwaukee ave. with his bright lights on and weaving from lane to lane.

Police blocked the car as he proceeded northbound on Milwaukee ave. On questioning the offender, they observed he had difficulty standing and detected a strong odor of alcohol on his breath.

He was released after posting a \$1,000 bond and assigned a Nov. court date.

Auto damaged by vandals

The manager of a car agency in the 9400 block of Milwaukee ave. reported Oct. 10 that persons unknown used a sharp object to scratch lines on the fenders, doors, hood, trunk and roof of a car parked in the parking lot.

Damage was estimated at \$500.

Home burglarized

A Niles resident reported her home was burglarized between 11 a.m. and 7 p.m., Wednesday, Oct. 8.

The resident, who lives in the 8800 block of Root st. told police she returned home and discovered her rear door open which she had locked.

Taken was a Zenith video recorder valued at \$450, a gold ruby ring and a silver ring totaling \$250.

Police checked the doors and windows but found no evidence of forced entry.

Auto vandalized

A resident in the 9100 block of Elmwood dr. reported someone broke into his car and ripped the wires from under the dashboard, and during the process, cracked the steering column and dashboard.

Damage was estimated at \$600.

Love 'em and leave 'em... \$1,000 poorer

A Niles resident was robbed of \$1,000 in currency by an alleged prostitute he had taken to a motel in the 7100 block of Milwaukee ave. on Oct. 9.

According to police reports, the victim picked up the woman, who he identified as a prostitute, on Broadway and Lawrence area in the city and checked into the hotel at approximately 8 p.m.

Two hours later, the offender made a phone call and left the

Shoplifter apprehended

An employee of Osco Drugs in the 7900 block of Milwaukee ave. observed a 25-year-old Chicago man remove a variety of cosmetic items totaling \$100 and place them in a paper grocery bag. He was stopped by the manager when he attempted to leave the store without paying for the items.

He was released after posting a \$5,000 bond and assigned a Nov. court date.

Bicycle stolen

A resident in the 6900 block of Rosemary st. told police that someone forced the outside door of the laundry room and removed a bicycle between 8 a.m. and 3 p.m. on Oct. 9.

Replacement of the bicycle was estimated at \$200.

Ronald McDonald Safety Show

The well-known Ronald McDonald Safety Show was recently presented to the primary students at Washington School.

Ronald McDonald, "Hamburger" and "Grinace" visited the school to help students understand the importance of safety. Using skits, puppets, and student participation, the McDonald characters quickly won the attention and enthusiasm of the Washington youngsters, who actively responded to Ronald's lessons about various types of safety procedures which should be followed by the children.

Washington School is located in Glenview and in one of four elementary schools in East Maine School District #63.

SJB Varsity Soccer

S.J.B. vs Northridge Prep
 St. John's fourth game of the season took the team to Maine North, Northridge Preps playing field. The Warriors came well equipped to defend their no loss position against a strong opponent from last year. Tim Brieske scored the first goal of the game, followed by a goal by Brad Pawlowski. Another goal was added to the score thanks to Tony Divito. The defensive players did a fine job of keeping the ball away from Northridge's net. Playing these positions are Steve Manio, Brian O'Grady, Tim O'Grady and Rick Sheridan. Fine team work of SJB was seen when Brad Pawlowski scored a goal, assisted by Marty O'Grady and Tim Brieske, just before the half-time whistle blew. Into the second half Marty O'Grady, assisted by Brad Pawlowski, brought the score 5 to 0. The second half saw good fielding by Jeff Orloff and Steve Manio using his "head". Northridge scored their only goal on an indirect kick. But within minutes of this Art Naumowicz scored another goal making the final score SJB 6 - Northridge 1.

John A. Nelson

Airman John A. Nelson, son of Jayne A. Nelson of 711 Brewster, Schaumburg, and John L. Nelson of 5300 Howard St., Skokie, has been assigned to Chanute Air Force Base, IL, after completing Air Force basic training.

I BET YOU DIDN'T KNOW
 Believe it or not, the baseball pitcher who holds the all time record for pitching the most innings in a World Series game was the great home run hitter, Babe Ruth. Ruth started his career as a pitcher and set the record when he pitched 14 innings for the Red Sox in a game in the 1916 World Series. He beat the Dodgers 2-1.

Other than the New York Yankees, which team has won the most World Series in history? Answer is the St. Louis Cardinals. The Yankees have won 22 World Series and the Cardinals are next with 9.

Amazingly, 2 brothers once won all 6 games for their team in a World Series. It happened in the 1924 World Series when pitcher Dizzy Dean won 2 games for the Cardinals, and his brother, pitcher Paul Dean, won the other 2.

Robert Barker to retire from Maine South

Robert G. Barker, principal of Maine Township High School South, has announced that he will retire at the end of the 1985-86 school year. Barker's request for participation in the Voluntary Early Retirement Program-Administrators was approved by the District 207 Board of Education at the Oct. 7 board meeting.

Barker came to Maine Township High School East in 1956 as an English teacher. He became English department chairman at Maine East in 1961. When Maine

South opened in 1964, Barker was named assistant principal. In 1979, he was named principal of Maine East. He became principal of Maine South in 1981.

"I have enjoyed 30 years of employment in what I consider to be one of the finest school districts in the country," said Barker. "Now as District 207 must make a complicated series of decisions related to administration, I realize my personal decisions could be important in the planning."

OCC hosts workshop for L.P.N.'s

Oakton Community College will present a free workshop on new career opportunities for LPN nurses, entitled "LPN's: What's the Next Step," at 7:30 p.m., Tuesday, Nov. 5, at OCC/Des Plaines, 1600 E. Golf.

"It's very unfortunate, but the future for LPN's in our area is quite bleak," said Lynne Lewis, OCC assistant professor of Medical Laboratory Technology. "Many people in this field will need to learn new skills in order to find new employment. At this workshop we will discuss various career options that the LPN's have if they wish to leave their field."

Oakton offers allied health

programs in a variety of areas that could be of interest to persons seeking a move from the LPN field. Medical Laboratory Technology, Registered Nursing, Medical Record Technology, Radiography, and Physical Therapist Assistant all are OCC programs that might be of interest to LPN's.

BETHESDA HOSPITAL WAIVER PROGRAM

Even with insurance coverage, a hospital stay can be a financial burden for you and your family. That's why we've established the Bethesda Hospital Waiver Program. We will eliminate or greatly reduce your out-of-pocket medical expenses.

We realize that you have many alternatives for hospital care so we've established this special program to help introduce more area residents to our hospital and its high quality of medical care. Should you have need for hospitalization, please discuss this program with your physician. We are sure he or she will want to help you save money, especially since they know you'll receive high quality care at our hospital.

Lower fees offset your existing plan's deductibles and co-payments, reducing your out-of-pocket expenses.

By working within the structure of your existing health insurance plan, the Bethesda Hospital Waiver Program entitles you to reduced fees on all of the usual in-patient, out-patient, diagnostic and other hospital services. By offsetting your existing plan's deductibles and co-payments, these discounts cut your cash outlay significantly.

The Bethesda Hospital Waiver Program has no membership fees or dues, or semi-annual "enrollment period."

Upon your admittance to Bethesda Hospital all you need to do is complete the Bethesda Hospital Waiver Program special form to participate in this cost-saving program.

We also have a list of qualified physicians who are currently accepting new patients. If you need a physician, or have any questions, just call the hospital at

(312) 761-6000 and we'll be happy to help you.

HOW TO SAVE MONEY

In-Patient Hospitalization.

- If your health insurance pays 80% or more of total hospital charges, your deductible and co-payment will be waived and you will have nothing to pay.

- If your insurance pays less than 80%, you will receive a 20% fee reduction of the total hospital charges.

Hospital Out-Patient Services

- If your deductible has been met and your health insurance pays 80% or more of the total charges, your co-payment will be waived and you will have nothing to pay.

- If your insurance pays less than 80% or your deductible has not been met, you will receive a 20% fee reduction provided your out-of-pocket charges are paid when services are rendered.

Offer valid with verified insurance. Not valid until all insurance is billed. Not valid with pre-paid health plan insurance.

*Physicians' fees are not included in this program.

Des Plaines National Super Rate CD's offered at Skokie Trust Bank restores beauty

Des Plaines National Bank as it will appear upon completion of the renovation.

Des Plaines National Bank has begun a long anticipated renovation of its white granite main banking office located at the southwest corner of Lee and Ellinwood in Des Plaines. Persons entering the classical style building will find a temporary floor to ceiling partition dividing the main banking floor into two sections, one in which business is being transacted "as usual" and the other in which construction is taking place.

According to bank president Robert B. Bowman, the project embraces a complete refurbishing of the interior and exterior of the 17,600 square foot level building and is expected to take up to nine months to complete.

In these days of stagnant certificate of deposit (CD) rates, a high-yielding CD such as the one offered by Skokie Trust and Savings Bank is hard to come by. Skokie Trust is offering two new "Super Rate CD's." The 36 month investment earns an astonishing 10% effective yield, while the 30 month CD earns a 9.75% effective yield.

"These are our highest CD rates in over a year," notes a spokesperson for the bank. "From what I have seen, these are among the highest interest rates offered by any bank in the area."

The bank's objective behind offering these extremely high rates is to "attract customers to our bank and the outstanding services we offer," explained the spokesperson. "We are part of the Cole-Taylor Financial Group, and we're proud of the quality of our financial services."

New CD's can be opened with as little as \$1,000. The CD rates are effective through October 31. Skokie Trust has two locations; 4400 Oakton st. and 3601 Dempster st., both in Skokie. For more information, call 674-4400 or see a personal banker at one of the locations.

In addition to Skokie Trust, other members of the Cole-Taylor Group include Main Bank-Chicago, Drivers Bank, Bank of Yorktown, Ford City Bank, and Main Bank-Wheeling.

Antonio S. Parayno Jr.

Airman Antonio S. Parayno Jr., son of Ross S. Parayno of 7600 Niles Center rd., Skokie, has graduated from the U.S. Air Force wideband communications equipment course at Kessler Air Force Base, Miss. He is a 1982 graduate of Niles West High School, Skokie.

Niles Federal Cash Station offers customer convenience

"What excites us most about our Cash Station automatic teller system is the convenience it offers," said Harold E. Ulmer, President of Niles Federal. The association introduced the service at its Morton Grove office this past July.

Cash Station is a twenty-four hour banking system which allows its cardholders to make deposits, withdraw cash, and transfer funds between accounts at numerous Cash Station machines and money centers.

"Cash Station was added to our line of services to provide Niles Federal customers, and other cardholders, with the freedom of

twenty-four hour banking, at over 500 locations throughout Chicagoland," explained Mr. Ulmer. In addition, Niles Federal is a member of the Cirrus Network, which means Niles Cash Station cardholders are able to withdraw cash from over 5,500 Cirrus Network machines distributed nationwide.

Mr. Ulmer recognizes the apprehensive attitude often encountered by customers regarding the use of Automatic Teller Machines. "Contrary to most customers' beliefs, the machines are extremely easy to operate and the transactions have been carefully programmed to retain a

high security level, while still remaining personal. To further encourage safety, all Cash Stations are placed in well-lighted locations."

Currently, Niles Federal Savings has one Cash Station situated at their Morton Grove branch. Tentative plans have been made to open a remote station sometime in the future.

Timothy P. Sheehan receives award

Timothy P. Sheehan, chairman of Peerless Federal Savings and Loan Association, Chicago, has received an award from the Illinois League of Savings Institutions for his many years of work in the legislative area on behalf of the savings and loan business.

Known as the Arnold J. Rauen Legislative Award in honor of the first recipient, the award was created by the League to recognize Illinois savings and loan executive who have exhibited outstanding leadership and service in the legislative arena at the state and national levels.

Sheehan, former member of the U.S. Congress, is the third recipient of this prestigious award. Last year the award was presented to Sylvia A. Miedema, chairman and chief executive officer of Clyde Federal Savings and Loan Association, North Riverside.

The presentation was made September 16 at the Illinois League's 106th annual convention in Orlando, FL. The commendation was presented to Sheehan by Arnold Rauen, who is chairman and chief executive officer for the Bank for Savings and Loan Associations, Chicago.

In presenting the award, Rauen commended Sheehan for his outstanding legislative contributions and accomplishments and praised him for his willingness to give generously his time and support when needed.

The Illinois League of Savings Institutions, is the statewide trade association which serves the state's 271 savings and loan associations and savings bank.

Branch customers can communicate with Invest by phone or a mutually-convenient appointment. Dan Talbot is the Invest representative for Peerless Federal Savings, call him at 777-5200.

Golf Mill Ford celebrates 5th anniversary

October is an important month for Jerry Gleason, owner of Golf Mill Ford and RV Center, 9401 N. Milwaukee Ave. in Niles, because October signified anniversary year number 5. "We opened the doors with only 150 cars on the lot and 30 employees. We were committed in becoming the best we could be for our customers, because without them we don't have any anniversaries," said Mr. Gleason. To this end Golf Mill Ford has now become one of the largest dealerships in Chicago with over 350 cars for greater selection, a fully equipped service department with state of the art equipment, like the Coast Diagnostic Machine, which quickly and very efficiently

analyzes car problems. They have added over \$350,000 of inventory into a truck and RV department, which includes conversion vans for work and leisure needs. Golf Mill Ford not only takes pride in their dealership but in goodwill for the community. They have given away many gifts to charity, including a Thunderbird this past August, which was raffled off for Little City. Pride is the core theme not only for Golf Mill Ford, but also for Jerry Gleason Chevrolet in Forest Park. Jerry Gleason Chevrolet ironically is celebrating their 10th anniversary also this month. A family operated business, both stores are currently run under the ex-

pert management of Mr. Gleason's sons, Mike at the Ford store and Pat at the Chevy store. "We have tried to improve the dealership each year," said Mike Gleason. "And now after 5 years of experience behind us I see only bigger and better things ahead for Golf Mill Ford." So, now after 5 years and 15,000 vehicles later, Golf Mill Ford continues to take pride in serving the automobile needs of their community. **Golf Mill Bank raises funds for 'Lady'**

Golf Mill State Bank takes great pride in helping to raise funds for the restoration of the Statue of Liberty Ellis Island Foundation. We have launched a corporate and community-wide campaign in order to raise the funds and to advocate our support showing how all of us strive for the "American Dream." The campaign kicked off on July 4, when we entered a float in both the Niles and Morton Grove Fourth of July Parades. The float consisted of the Statue of Liberty as well as four famous historical persons who made a great contribution to our country. "The lady" stood on top of our float and we had four employees dressed up as Abraham Lincoln, Betsy Ross, George Washington and Uncle Sam. The concept was to create an awareness of the restoration program. We won "one of the Best" floats in the Niles Parade and we won "Best" float in the Morton Grove Parade.

As part of our community campaign we are looking for companies who would like to put together a program to raise funds from their respective employees. We have designed several programs for our employees to donate funds and look forward to the day that we present a check to the foundation. If you would like to make a contribution or have your company participate in helping to raise funds, please call Sheryl Brim at 824-2116.

Taking the mystery out of money One in a continuing series

Where's the best place to borrow money?

Credit cards, your life insurance, a finance company, a credit union, bank or savings institution, or dear old Dad...where should you turn when you need to borrow money.

Here are some guidelines that may help you decide. **If you borrow from your family,** you may pay little or no interest and may not need to put up any collateral. However, you may also run the risk of spoiling a family relationship. This could be a costly price to pay for a low-interest loan.

If you do borrow this way, it is a good idea to keep your loan on as business-like a basis as possible. Forms for drawing up a promissory note are readily available, and your agreement should include a repayment schedule. If you are paying interest, it should be enough to compensate your relative for the income he is no longer receiving.

If you borrow on your whole life insurance policy, you don't have to give any reason for borrowing and you can repay at your leisure, or not at all.

In general, the longer you've been building the cash value of your policy, the lower the rate you'll pay for your loan. If your policy has been in effect for at least 6 years, for instance, you may pay as little as 6% for your loan. Or, on a policy issued in the last year or two, you may pay as much as 11%.

Can you make money borrowing on your insurance? Possibly. You might see how much interest the insurance company is now paying you on the cash value of your policy.

It just might be worth borrowing the money at a low rate from the insurance company, and then investing it at a higher rate in a long-term certificate or money market account.

If you borrow from your company savings or profit-sharing plan, you may also be able to get a below-market interest rate. However, you may find a limit on the amount you may borrow, and you will have to repay the loan within 5 years if you use the money for anything except buying, building or improving your home.

If you borrow from a finance company, you might not need a good credit rating, but be prepared to pay a lot of money for your loan. Maybe up to 24% on a \$5,000 loan without collateral, or even up to 35%.

If you are borrowing only a little money...for a very short time... it might pay you to use a credit card.

If you have the kind of card that charges you no interest as long as you pay in full each month, all you'd have to do is pay back your loan before the end of the monthly billing period to get it interest-free.

If you are borrowing more money, however, and can't pay off your loan in full at the end of the month, you could find yourself paying perhaps as much as 20% for borrowing with a credit card.

Your loan would probably cost you much less at a bank, credit union or savings institution.

If you borrow from a credit union, you might find a \$5,000 limit on unsecured personal loans. Also, you might...or might not...find a lower rate than at a bank or savings institution where you can probably borrow up to \$10,000. It could be well worth checking.

If you borrow from a savings institution or bank, you'll find competitive rates that differ from one institution to another. It pays to check.

If you want to borrow a large amount for a college education perhaps, or substantial home improvements, you may want a home equity loan, secured by up to 75% of the equity in your home. Rates are reasonable and competitive. Again, it can pay you to shop around.

You have your own individual plans and financial resources. We simply present this information so you can see some of the options that are available to you to assist in your decision-making. Norwood is near when you need us, always ready to help you take the mystery out of money.

Premier Bank group to acquire Zion Bank shares

Loren D. Storey, President of First Shiloh Bancshares, Inc. and Zion State Bank and Trust Company and Larry L. McGregor, President of Premier Bancorporation, Inc., jointly announced today an agreement in principle for Premier to acquire from First Shiloh all of the issued and outstanding shares of Zion State Bank and Trust Company. The

total expected purchase price will be approximately \$8,300,000 subject to adjustment under certain circumstances. Zion State Bank and Trust Company is a wholly owned subsidiary of First Shiloh Bancshares, Inc. The transaction is subject to preparation and execution of a definitive agreement and approval of that agreement by the

Boards of Directors of First Shiloh and Premier and approval by the shareholders of First Shiloh. The transaction will be completed early in 1986. First Shiloh Bancshares, Inc. is a one-bank holding company for Zion State Bank and Trust Company, an Illinois banking corporation located in Zion. At September 30 it had total assets

of \$108,000,000. Premier Bancorporation, Inc. is a multi-bank holding company which owns the Golf Mill State Bank (Niles), Grayslake National Bank, Libertyville National Bank, First National Bank of Mundelein and The Premier Bank of Vernon Hills. At September 30, the Premier Banks had total assets of \$361,000,000.

Dean Swift, store manager of the Golf Mill Sears Roebuck & Co. store recently visited Oakton Community College and presented OCC President Thomas TenHoeve with a check that is part of a \$10,000 grant from the Sears Roebuck Foundation Partnership Development Fund.

Oakton was one of a select group of colleges chosen to receive funds as part of the Keeping America Working Project administered by the American Association of Community and Junior Colleges/Association of Community College Trustees (AAC-JC/ACCT).

The grant funds will be used during the 1985-86 school year by Oakton to develop a faculty internship program by which occupational instructors can acquire hands-on training in new technologies, procedures, and the work environment; to strengthen ties with area high schools in the area of occupational education; and to create a pool of business and vocational faculty available to assist entrepreneurs and small businesses with expertise and resources, with no cost to the user.

Business interested in taking part in the faculty internship program, at no cost to themselves, should contact Dr. Thomas Zimanzl, dean of the Social Science/Business Division, and coordinator of the faculty internship program, 635-1912.

Bank of Ravenswood offers CHAMP financing

Prospective home buyers who did not secure Chicago Affordable Mortgage Plan (CHAMP) funding when it was introduced last spring can still apply for financing at the Bank of Ravenswood.

The bank, located at 1825 W. Lawrence ave., is one of few Chicago financial institutions which limited CHAMP funds still available.

CHAMP loans feature thirty-year fixed rates of 10.99% for first-time home buyers for the purchase of owner-occupied single family homes within the city of Chicago. Qualified borrowers may not exceed a maximum combined annual income of \$50,000 and must meet current Fannie Mae guidelines which include a minimum five percent cash down payment in order to be entitled to CHAMP funds.

Those interested in securing CHAMP financing should contact Bank of Ravenswood assistant vice president Ruby Hilker at 989-3015 to reserve funds.

New employees join ice rink staff

Tom Nelson, Hockey Director and Lilli Erickson, Figure Skating Director (front l-r) are pictured with the park district board of Commissioners (back, l-r) Elaine Heinen, Dan Kosiba, Mary Marusek, Walt Beusse and Jim Pierski.

The Niles Park District has filled the positions of Hockey Director and Figure Skating Director at the Sports Complex Ice Rink. Beginning this season, Ms. Lilli Erickson will head the figure skating program. Ms. Erickson has been on staff in the capacity of skating instructor at the rink. Besides work at the park district, Ms. Erickson has an extensive background in competitive and show skating experience. Mr. Tom Nelson will assume the responsibilities of Hockey Director. Mr. Nelson's previous hockey experience includes supervisory work at neighboring ice rinks as well as the Sports Complex rink. Both Tom and Lilli are looking forward to a very successful season and have begun plans at the rink for attracting all ages to the exciting sport of skating.

Grennan Heights adds new lounge

Construction is well underway at the Niles Park District Grennan Heights facility in which a newly added lounge will soon adorn the center of the building, complete with seating, a television and a game area.

The lounge is being designed to accommodate both parents waiting for children in programs and as a rest area for those utilizing the facility. Work at the facility is expected to be complete sometime in October.

Japanese nurses visit hospital

A group of nurses from Japan, (standing l-r) Eiko Kanogawa, Mieko Yamamoto, Takako Sato, Kazuko Kodayashi, Keiko Soeda, (seated l-r) Mutsuko Ikeda and Chikako Ohnaka, recently spent two days at Swedish Covenant Hospital, 5145 California, studying and observing various aspects of achieving and maintaining quality nursing care. Here Barbara Jones, director of nursing services, accepts plate of "Arita" pottery that was given by the nurses to the hospital. Their study tour was coordinated by Rush Medical Center.

New Voice Club meeting

Sanford L. Block, D.D.S., will discuss "Dental Care for the Radiation Patient" at a meeting of The New Voice Club in Swedish Covenant Hospital's Anderson Pavilion, 2751 W. Winona at 4 p.m. on Tuesday, Oct. 22.

Dr. Block is Director of Dentistry and Oral Surgery at Swedish Covenant Hospital. He is also Assistant Professor of Oral

and Maxillofacial Surgery at the University of Illinois College of Dentistry. His presentation will address the many dental concerns of the head/neck cancer patient who has or is going to receive radiation.

The New Voice Club is a free educational and support group. For information, call Sheila Derman, 678-6200, Ext. 5305.

"Coping with Stress" lecture at Chicago Medical & Dental

"Coping with Stress" is the topic chosen by Michael Diamond, Ph.D. for the first lecture series featured on a complimentary basis for the community by the Chicago Medical and Dental Center, 6000 W. Touhy ave. on Tuesday, Oct. 29 from 5:30 p.m. - 6:30 p.m.

Doctor Diamond has been in independent practice in Psychotherapy and Psychodiagnostics in Chicago since 1970. He is currently an Adjunct Assistant Professor in the Department of Psychiatry and Psychology, Chicago Medical School, Consultant to the Department of Psychiatry and Family Practice, Saint Mary of Nazareth Hospital; Consultant to the North Chicago Veterans Administration Hospital, and Lecturer at Northwestern University Dental School and is a Consultant and Faculty Member of the Central States Institute of Addiction. Doctor Diamond is currently a Director of the University of Health Sciences Psychotherapy Clinic, Chicago Medical School and Director of Behavioral Science Program, Family Practice Residency, Saint Mary of Nazareth Hospital.

It has been recognized more than ever by a variety of professions that stress has a profound impact on our work and personal lives. Stress affects both the physical and psychological being in seen and unseen ways. It can have both a positive and a negative effect ranging from

stimulating our activities and interests to literally killing us.

Doctor Diamond will be examining and discussing many facets of the stress phenomenon. Beginning by identifying and defining the stress syndrome, he will present explanations for the sources of stress and then propose some approaches for coping with stress, particularly the kind of stress that is potentially dangerous to our well-being.

Special attention will be paid to the "stress of success" and how upward mobility can be hazardous to our mental health.

The Chicago Medical and Dental Center is offering a full complimentary medical lecture series in order to fulfill the needs of both the private patient and our industrial neighbors in the

areas of cost containment, wellness programs and preventive medicine. Subject matter is very relevant and the lecture series will be held in the medical facility conference room which is adjacent to the patient entry in the rear of the medical facility.

There is ample parking for visitors. The lectures will be held from 5:30 p.m. - 6:30 p.m., the last Tuesday of the month with the exception of December, 1985. The December series will be held on December 10.

Please join your friends and neighbors at the complimentary medical lecture series at the Chicago Medical and Dental Center, 6000 W. Touhy ave., Oct. 29, 5:30 p.m., "Coping with Stress" featuring Michael Diamond, Ph.D.

Lutheran General implements "Mission Possible"

Lutheran General Hospital, Park Ridge, has implemented a new activity program for patients and family members of the Cancer Care Center called "Mission Possible." Developed by the Therapeutic Recreation department, the program is designed to divert attention away from the illness, increase self-esteem, and decrease feelings of alienation.

"The program helps remind patients of activities that they are able to do, not what they can't do," according to Lisa Block, recreational therapist, Therapeutic Recreation. As overseer of "Mission Possible," she encourages family members to participate. "In this unit visiting is an all day event. Programs are needed to give everyone a much needed break."

Known as "Happy Hour" to the patients, the program provides a diversion from the chemotherapy, radiation

therapy, and surgery used in treatment. Development of a positive attitude is encouraged by Therapeutic Recreation specialists who help patients deal with the common problems of alienation, self-esteem, and decreased strength.

"The program will enable patients to utilize previously acquired, leisure skills, or to acquire new leisure skills appropriate to their limitations and future lifestyles," according to Debbie Rubin, former student intern, and the program's chief designer.

Participation in the program, which runs one hour one day per week, is voluntary, but strongly recommended and encouraged. Relatives and friends are welcome to join.

If you would like more information on "Mission Possible," contact Lutheran General Hospital, Therapeutic Recreation department at 696-6278.

Skokie Valley Good Health Program

A stop-smoking clinic will be offered by the Good Health Program of Skokie Valley Hospital from 7-9 p.m. Tuesday, Nov. 5, through Friday, Nov. 8; Monday, Nov. 11; and Monday, Nov. 18, in the meeting room of the Skokie Valley Professional Center, adjacent to the hospital.

Health educator Joel Spitzer, well known throughout the Chicago area for his success in motivating smokers to quit, will conduct the clinic. Also included will be a panel of former smokers who quit through previous clinics at the hospital.

The clinic provides facts on the effects of smoking, tips on how to quit, and counseling during and

afterward to help participants through any difficult withdrawal periods. Cost of the clinic and follow-up counseling is \$70. Participants may also attend future clinics at no charge and will receive a free monthly follow-up newsletter.

For further information and to register, call the Good Health Program at Skokie Valley Hospital, 677-9600, Ext. 3588. Enrollment will be limited to 35.

CPR course

A Cardiopulmonary Resuscitation Course (CPR) is being offered at Swedish Covenant Hospital, 5145 N. California, on Saturday, Oct. 26, from 9 a.m. to 4 p.m.

The hospital's Nursing Education Department will train enrollees in the life saving techniques.

Cost for the class is \$10. Registration is required and enrollment is limited. For further information or to register call 989-3812.

Named to Honor Society

Cynthia Nelson, 7347 Beckwith, Morton Grove, has been named to the Presidential Honor Society at the DeVry Institute of Technology in Chicago.

Lutheran General joins Blue Cross P.P.O. plan

Lutheran General Hospital has been named as one of the Chicago area hospitals to be part of the Blue Cross/Blue Shield Participating Provider Option (P.P.O.) Plan, a preferred provider program.

The Blue Cross Program is the largest preferred provider network in Illinois.

The plan was instituted as part of a new cost containment program being established by Blue Cross/Blue Shield. Patients who use the selected hospitals will be charged five percent to 12 percent less than normal rates if their employer has signed up for Blue Cross' P.P.O. Participating employees will not be required to use the P.P.O. hospitals, but will have lower out-of-pocket expenses when they use the P.P.O. hospitals.

"We are pleased to participate in the Blue Cross Program,"

comments Roger S. Hunt, president, Lutheran General Hospital. "Through this program, we can expand the number of ways patients and physicians can access our services through the newer modes of health-care delivery such as preferred provider organizations and health maintenance organizations."

Through its affiliate, the Greater Northwest Health Practice Organization, Lutheran General Hospital and participating physicians are able to provide health-care coverage through Maxicare, Compass, and H.M.O. Illinois. To enroll in any of these health maintenance organizations contact your employer. For further information, call the Greater Northwest Health Practice Organization at 696-8787.

Assistant Administrators named at Forest Hospital

Forest Hospital administrator Charles Scharenberg has announced the appointment of Mary Jane Such, as assistant administrator of Forest Hospital, a 160-bed private psychiatric facility located in Des Plaines.

Involved in administration and psychiatric nursing for twenty years, Such received her B.S.N. degree from Loyola University. Most recently, she was affiliated with Blue Cross-Blue Shield of Illinois, helping to develop a statewide cost containment program. She also was a psychiatric consultant for Blue Cross-Blue Shield, responsible for evaluating all psychiatric

admissions at four area hospitals. Such also developed and coordinated an advanced training program for foreign nurses, which was the only independent program to receive approval from the Illinois Department of Registration and Education.

She also worked for the Illinois Department of Mental Health as a clinical instructor and as assistant chief of service for a child and adolescent unit. She is a member of the executive board of the American Board of Quality Assurance and Utilization Review Physicians.

Mary Jane Such is a resident of Park Ridge.

Swedish Covenant airs AIDS myths

"Facts and Myths About AIDS and Other Sexually Transmitted Diseases," will be the subject of a community education program in Swedish Covenant Hospital's Anderson Pavilion Auditorium, 2751 W. Winona, at 7 p.m. on Tuesday, Oct. 29.

Sieve B. Kalish, M.D., Swedish Covenant Hospital staff physician who is a specialist in infectious diseases, will discuss misconceptions which have occurred in the wake of recent news stories concerning AIDS, herpes, and other sexually transmitted diseases.

Dr. Kalish will address these and other questions such as the

Workshop on Assertive Communication Skills

The three week training workshop on Assertive Communication Skills offered in the offices of Medical and Surgical Associates of Park Ridge, 112 S. Northwest hwy., Park Ridge produced such interest from the community that it is being offered again. Tamela Schulz, MSW, Social Service Consultant in the office and licensed social worker in Illinois, will again conduct this workshop which will meet on three consecutive Tuesday evenings beginning October 22 and continuing October 29 and November 5 from 7-9 p.m. Anyone who is interested in the workshop but is unable to attend Tuesday evenings should contact the office. The workshop will be offered on Wednesday evenings also if there is enough support for it.

Topics discussed in the workshop include: the difference between assertive, aggressive and passive patterns; the consequences on non-assertive patterns and the factors which

promote them; the advantages of being assertive; how to look and feel assertive; and assertive reinforcers in difficult situations. Participants will have the opportunity to complete an assessment of their present assertive level, evaluate their reactions in specific situations, and establish their own individual assertive goals. A step-by-step model for assertive communication is presented with participants having opportunities to practice these new skills and techniques.

The charge of \$25 for the workshop includes all instruction and materials. Space is limited to the first 20 people. For more information and reservations, contact Tamela Schulz at 696-3370.

ARTHRITIS SUFFERERS SHOULD HAVE THIS SERIOUS MEDICAL INFORMATION

There are four important facts you should know:

- 1 There are very effective therapies for your arthritis, back pain and other rheumatic disorders.
- 2 The key to your successful treatment is precise diagnosis.
- 3 The best way for you to obtain an accurate diagnosis and effective treatment is with a multi-disciplinary group of health care professionals under the direction of a skilled and experienced rheumatologist.
- 4 You deserve personal, individualized care.

Dr. Levin, Dr. Kale and their colleagues at Bethesda Hospital's Arthritis and Back Pain Center

know that a treatment and therapy program specifically adjusted for each patient can control arthritic pain and allow the arthritis sufferer to improve his or her quality of life.

The facility is equipped to treat both inpatients and outpatients.

"Bethesda Hospital's Arthritis and Back Pain Center... (uses) the medical team approach."

Bethesda Hospital, at Howard Street and Western Avenue, for more than twenty-five years has built its reputation serving Chicago's North Side and northern suburbs.

GOOD NUTRITION AIDS IN CANCER PREVENTION

The American Cancer Society has published a list of dietary recommendations to aid in cancer prevention.

We, at the Chicago Medical and Dental Center, are trying to promote good health and cancer prevention through good nutrition.

The American Cancer Society reports that eighty (80%) of all cancers may be related to the environment and to things we eat, drink and smoke, rather than to factors we cannot control.

If you have dietary questions about how you can improve your diet, understand the diet that has been prescribed for you, or have a need for nutritional counseling, call the Chicago Medical and Dental Center and make an appointment to see our Nutritionist...

Phil Raffe testimonial dinner

Several of the top officials in state and local Republican politics will highlight a testimonial dinner Friday, Oct. 18, honoring Maine Township Republican Committeeman Phil Raffe at the Casa Royale in Des Plaines.

Organizers of the "Salute to Phil Raffe" said this week that Gov. James R. Thompson, Lt. Gov. George H. Ryan, Cong. Henry J. Hyde and Cong. John E. Porter have confirmed they plan to attend.

The GOP's new Cook County Chairman Don Totten is also scheduled to be present.

The dinner is being held in tribute to Raffe's thirty years of involvement in the Maine Township Regular Republican Organization, which he joined as a precinct captain for the 1956 election, later taking a leadership role as area chairman. He was chosen committeeman in 1976 and elected to his first full term in the post in 1978.

Dinner tickets at \$25 are in short supply, but information may be obtained by contacting Joan Hall at 823-2501.

OCC candidate pledges low taxes

Oakton Community College Trustee Ralph M. Goren promises "to keep taxes down and quality education up" if elected November 5 to a second term on the District 207 Board.

Goren, 56, is the only incumbent among the eight candidates vying for two six-year terms.

"I am running on my record," Goren said. "During my five years on the board Oakton's tax rate has dropped from .213 to .201 per \$100 of assessed valuation."

Goren said, "I have voted for three tax decreases but not without giving full consideration to retention of Oakton's high quality programs."

"We have continued to maintain an eastern campus, and I will continue to support that policy. I have been instrumental in instituting an honors program to encourage gifted students and have fought to preserve Oakton's pre-eminent place in computer-related studies."

Goren has carefully scrutinized Oakton's budget and expenditures and is proud of the results.

"The college remains debt-free although it moved into its new campus five years ago. Subsequent improvements, furnishings and maintenance of the facility have been achieved without recourse to further property tax money," he said.

"I want to keep taxes at a level necessary to fund the college but not one penny more."

Since his election in 1980, Goren has served as chairman of the finance committee, chairman of the facilities committee and vice chairman of the board.

An attorney who received a JD degree from the University of Chicago Law School in 1952, Goren has had a longtime commitment to education. He has been an instructor at Mallinckrodt College in Wilmette and a Great Books discussion leader as well as an active participant in numerous civic organizations.

Candidate airs goals for Oakton

A novel approach to improving Oakton Community College's "eastern presence," better treatment to students and staff, improved service for business, and coordination of credit and non-credit programs are the critical issues cited by Stanley G. Harris of Lincolnwood in his candidacy for trustee of the local college.

Harris has an AA from Wright, a BA from the University of Chicago, and an MA from the University of Michigan. He taught at the University of Michigan and at Oakton. In a 25-year career with the Bell System, he supervised management development, labor relations, and community relations. For the past 9 years, he has been Assistant Director of MONTAGEP, the adult education component of OCC in cooperation with the Maine, Niles and Glenbrook high schools.

"We've made surveys, and met advisory committees, and offered courses at OCC/Skokkie-but with modest response," states Harris. "Let's build a better mousetrap, erect a visible sign, increase marginal parking lot lighting, install an inviting entrance in place of two rusty steel doors, light up inside, even install signs so newcomers can find our offices and classrooms."

Harris is the only OCC administrator who has served at OCC/Skokkie since the college moved in. He also proposes more comforts and a return to the friendly atmosphere of the former location in Morton Grove. "We need to go all-out in our wooing of Evanston and New Trier."

He points to recent faculty and staff unionization is proof of inadequate attention to sound employee relations, favors improved service to business - especially in the eastern area, and proposed that overlapping, duplication and conflict among credit and non-credit programs be minimized.

Harris has served on boards of various organizations, and currently is entering his third year as President of Orchard Center for Mental Health. He has been President of the Council for Skokie Valley Community Services, the Placement Association of Community Colleges and Employers, and the Kiwanis Club of Skokie Valley. He also has chaired committees for the Northern Illinois Industrial Association and led record-breaking United Way campaigns at Teletype Corporation and OCC. A 33-year resident of Niles Township, he expects to reduce his work load from 1 1/2-time to 1/2-time in the near future.

District 207 receives reimbursement

Maine Township High School District 207 will receive \$42,000 as a gifted education reimbursement from the Illinois State Board of Education for the 1985-86 school year.

According to Joel Morris, administrative assistant for District 207, this funding will allow the district to purchase additional microcomputer equipment, provide a special gifted summer program, assist in various curriculum revisions, and pay a portion of the gifted coordinator's salary.

OCC Theater Tickets

deadline nears

Time is running out to purchase tickets for the Oakton Community College Theater Department production of Tennessee Williams' classic, "A Streetcar Named Desire," scheduled for Oct. 17-20 and 25-27 in the Performing Arts Center at OCC/Des Plaines, 1600 E. Golf Rd. All performances are scheduled for 8 p.m., except on Oct. 20 and 27, when the play will be presented at 2 p.m. The Oct. 17 performance is a special preview.

Reserved tickets are available for \$3 (seniors, students and OCC staff and faculty) and \$4 for the general public. All tickets for the

Oct. 17 preview are specially priced at \$2.

The cast for "A Streetcar Named Desire" includes Binta M. Boyden and Robert J. Berns of Glenview; Jeffri Lynn Wojcik and Barbara Harris, of Skokie; Daniel E. Beard and Brad Eckhart, of Morton Grove; Tony Hargis, of Arlington Heights; Brian Maloney, of Hanover Park; Mary Mazzenga, of Mt. Prospect; Sharon L. Weiszmann and Monica Uhr, of Des Plaines; and Scott Babry, of Park Ridge.

Ticket reservations and information may be obtained by calling the 24-hour theater hot line, 635-1900.

United Cerebral Palsy telethon

(l to r:) Morton Grove resident, David F. Whelan, with Channel 7 news anchors, Mary Ann Childers and Dick Johnson, and Robert Sensenbrenner of Park Ridge. They met at a recent party hosted by, and aboard, the "Star of Chicago," where plans for United Cerebral Palsy of Greater Chicago's annual telethon were announced. Whelan and Sensenbrenner are active members of the telethon committee. Childers and Johnson will co-host the 19 1/2 hour show, which will air the January 18-19, 1986 weekend on WLS-TV/Ch. 7.

Great America winds up with final weekend

A season of fun-filled memories officially ends on Oct. 20, when Six Flags Great America closes its gates for the 1985 season after

one of its most successful seasons since 1981.

That leaves one more chance to flip around the vertical "corkscrew" turns of the Z Force; one final, wet trip through the wild waves of the White Water Rampage; a last scream down the world's longest vertical drop on the American Eagle roller coaster; one more heart stopping trip through the bigger-than-life excitement of the Pictorium movie, "Speed," as Great America will be open one final weekend: Saturday, Oct. 19 and Sunday, Oct. 20, from 10 a.m. to 6 p.m.

As a special bonus, every paid ticket on Oct. 19 and 20 gets two people into the park for the price of one. Also, guests who visit on Saturday, Oct. 19 are eligible to participate in the last Twicket promotion of 1985, enabling them to visit the park on Oct. 20 for free.

It's the perfect opportunity to bring the family out for one last gathering, to take advantage of the cool, refreshing autumn air and the special ticket savings.

Six Flags Great America is located in Gurnee, Illinois, midway between Milwaukee and Chicago on Interstate 94 at Grand Ave. (Route 132).

Art Guild work displayed at library

The annual Juried Member's Show of the Skokie Art Guild will be on display at the Skokie Public Library through the month of October. The winners this time are all from Skokie. First prize was awarded to Bertha Chakow for a watercolor; second prize to Sharon Callner for a Graphite and PrismaColor drawing; third prize went to Simone Goodman for a charcoal drawing; Steve Smith received an Honorable Mention for a self-portrait in oil; and Hermenia Bielinski won an Honorable Mention for an acrylic painting.

Membership in the Skokie Art Guild is \$15.00 a year for which the members receive all the services, information, workshops and camaraderie of the local artists community. For more information call Phyllis Alfassa, 966-9236.

Robert Clary to appear at Maine East

Actor-singer Robert Clary will return to Maine Township High School District 207 for the second time this school year when he visits Maine East High School on Friday, Oct. 25, to describe his experiences as a prisoner of the Nazis during World War II. Clary is best known for his role as Louis LeBeau in the television series Hogan's Heroes.

Maine South students who heard Clary Sept. 27 gave him a standing ovation for his presentation which described his childhood and the 31 months he spent in slave labor and concentration camps. "I did not speak about my experiences in a concentration camp for 36 years because all I wanted to do was to get on with my life," said Clary.

However, five years ago Clary realized that a whole generation had not experienced the Holocaust. "Now I try to plant seeds among the young people today so that hate will not grow again." In a question and answer session

after the presentation, one Maine South student asked Clary if she could come up and give him a hug "for your tremendous courage." Clary was born in Paris in 1926, the youngest of 16 children. When he was 16, he and 13 members of his immediate family were sent with other French Jews to Nazi concentration camps. Of those family members, Robert was the only one to survive. He was liberated from Buchenwald in 1945 by the American Army.

"I was luckier than many survivors," says Clary. "I knew I wanted to be an entertainer. That desire kept me going." After the war, Clary sang in a Paris nightclub until he recorded a song that became an American hit in 1948 and brought him to the United States the following year.

Clary's appearance at Maine East is sponsored by the Maine East social science department and the Simon Wiesenthal Center.

Lincolnwood Library book discussions

The Lincolnwood Library and Oakton Community College are sponsoring a series of book discussions for older adults entitled Humanity's Treasures: "The Search for Meaning."

Model & Hobby Show at O'Hare Expo Center

Remember how much fun it was to float a boat in the bathtub? To play captain of the ship?

You can recapture that feeling as you watch demonstrations of radio controlled boats and submarines in a 25-foot long pond at the Chicago Model and Hobby Show, opening Friday, Oct. 18 at the O'Hare Expo Center in Rosemont, Illinois.

In addition to the water vehicle demonstrations, radio controlled cars will be raced on two tracks and "The Zenith Theatre of the Air" will feature videos of radio controlled planes and helicopters in action. Demonstrations and video showings will take place several times each day of the three-day event.

All major manufacturers of radio controlled hobbies and games will exhibit, and many will demonstrate their products.

Representatives from local hobby clubs will be on hand to discuss the benefits of becoming club members and to answer

questions regarding the models being displayed and demonstrated. Several national organizations will put models into action, including the Radio Operated Auto Racing Club and the International Model Power Boat Association.

Other show features include a "Swap Shop," where individuals can buy or sell models, parts, and other items related to radio controlled hobbies; and static model competition, in which trophies will be awarded and an Hawaiian vacation for two given away in a drawing.

Show hours are 2 p.m. to 10 p.m. Friday, Oct. 18; 9 a.m. to 9 p.m. Saturday, Oct. 19; and 10 a.m. to 5 p.m. Sunday, Oct. 20. Admission is \$5 for adults, \$2.50 for children six to 12, and free for children five and under.

For complete information, call (312) 299-3131 or write: Chicago Model & Hobby Show, 2400 E. Devon Ave., Suite 205, Des Plaines, IL 60018.

WMTH-FM Executive Board

Less than five per cent of Illinois public high schools have their own radio station; Maine East is one of these lucky few, though. Listeners can tune in to WMTH-FM at 90.5 to hear the latest about Maine East extracurriculars, sports, and academics.

And working to organize WMTH-FM activities is the eleven member Executive Board, consisting of Bob Toton of Park Ridge, station manager; Robert Wagner of Des Plaines, program director; Dan Binaldi of Niles, production director; Andrew Deckowitz of Des Plaines, data processing; Scott Tzinberg of Niles, sports; Brad Strauss of Glenview, Not Ready for Drive Time Players; John Rubey of Des Plaines, chief engineer; Owen Wise of Morton Grove, head of operation; Geryl Dockman of Des Plaines, publicity; Eddie Yeager of Des Plaines, public service director; and Adam Levine of Niles, news director.

Field Museum displays gems

To highlight its new exhibit, "Gems," Field Museum presents a temporary display of five famous jewels from the world-famous Smithsonian Gem Collection. The display includes Marie Antoinette's earrings, the Chalk

Emerald, The Eugenie Blue Diamond and the Star of Asia. The pieces will be on display November 5 through December 19 only.

Lester candidate for Dem State Central Committeeman

In a tour of 7 suburban townships in Cook and DuPage Counties, Bruce W. Lester announced his candidacy for Democratic State Central Committeeman of the 6th Congressional District.

Lester, 32, an attorney from Des Plaines, promised to provide fresh and aggressive leadership for suburban voters as State Central Committeeman—the representative of the congressional district to the State Democratic party. Lester said, "There is a clear need for new faces and new ideas in the Democratic party. I am running for State Central Committeeman because I want to help our party respond to the challenges of the 1980's."

First on the agenda for Lester will be efforts to improve the Democratic party's relationship with the middle class. Lester said "It is absolutely critical that our party start to listen to the concerns of the middle class and act on those concerns. If we ignore the lessons of recent elections and continue on our present course, we run the risk of becoming a historical footnote."

Benka named IASCUS director

John T. Benka, assistant superintendent for general administration and personnel for Maine Township High School District 207, has been named as director at large of the Illinois Association of School, College and University Staffing Personnel (IASCUS).

IASCUS, a state affiliate of the Association of School, College, and University Staffing Personnel (ASCUS), is composed of placement directors from colleges and universities in Illinois, state department certification officials, and school district personnel officers.

Also of importance to Lester is the development of a new identity for the suburban Democratic party. Lester said, "Recent trends prove that the future of the Democratic party is in the suburbs. Our congressional district has informed and independent voters that are issue oriented. It is time that suburban Cook County and DuPage County democrats work together to sponsor candidates and programs that will appeal to the independent voter."

Lester is President of the Maine Township Democratic Organization, founder of the Maine Township Young Democrats Club, Vice-chairman of the Des Plaines Crime Stoppers program and is an instructor in law at Oakton Community College.

Lester is a graduate of Luther High School North, Loyola University and Northwestern University Law School. He is married to Debra Lester and has one child, Kerry Ann.

Citicorp Savings offers student financial package

If you would like to do more to help your son or daughter afford the considerable costs of tuition, books and school living expenses, Citicorp Savings may be able to help. It's still not too late to apply at Citicorp Savings for a low-rate Illinois Guaranteed Student Loan.

Many schools accept tuition payment for the fall term up until the end of the term. Or, you may want to help your student get a head start in obtaining financing for next year.

Citicorp Savings offers students a financial package that includes a student loan, a Citicorp Savings VISA card with a \$300 line of credit, a checking account with 50 free personal checks and no first month service charge, and a Citicorp Savings Electronic Banking card.

This expanded student loan package, introduced earlier this year, is available in Illinois only from Citicorp Savings, according to John Ream, president of the savings and loan association.

"With this program we hope to show our commitment to students as responsible customers. By providing a VISA card and checking account along with a loan, we want to help educate students in using financial tools. We want to make sure that a young person's first experience with credit is good and one that establishes future good credit rating."

Under the Illinois Guaranteed Student Loan program, undergraduate students may borrow up to \$12,500 maximum in increments of \$2,500 per academic year. Graduate students may borrow up to \$25,000 including undergraduate loans, in increments of \$5,000 per academic year. These loans may be used for books, supplies and school living expenses as well as tuition.

To be eligible for a loan, your son or daughter must be a U.S. citizen or permanent resident living in Illinois who attends any degree-granting college, junior college, or university. Or, students may apply who are enrolled in

at least a two-year program at any technical or professional school.

Ream explains that student loan applications will receive notification of their status within 10 days of application, along with an indicated amount of money the student can expect to receive. "We're aware that delays in processing student loan applications can cause severe financial hardships for students," he states. "That's why we're committed to a 10-day turnaround period for loan approval."

The first step in applying for a Citicorp Savings student loan package is to call the Student Loan Department at 977-5810 to request an application kit, or stop by any Citicorp Savings branch office.

With 60 branch offices throughout Illinois, Citicorp Savings is one of the state's leading financial institutions. It has offered student loans since the inception of the Illinois Guaranteed Student Loan Program in 1969.

Dudycz bill on bulletproof vests passes Senate

Wearing a bulletproof vest while committing a forcible felony will be considered an aggravating factor in criminal sentencing under legislation, sponsored by Sen. Walter Dudycz, R-7, signed this week by Gov. James Thompson.

Senate Bill 825 increases the penalty one level (eg. from Class 3 to Class 2) if a forcible felony is committed or attempted while wearing a bulletproof vest.

"The protection of the vest tends to make the felon more apt to engage in gunplay," Sen Dudycz said. "A criminal who is anticipating and preparing for gunplay is looking for trouble and should face stiffer sentencing."

A forcible felony includes treason, murder, voluntary man-

slaughter, aggravated criminal sexual assault, robbery, burglary, arson or any other felony which involves the use or threat of physical force or violence.

SB 825 was Sen. Dudycz's first bill passed by the Senate.

In-person absentee balloting

Maine Township Clerk Stephen J. Stolton has announced that registered voters who are residents of unincorporated Maine Township and expect to be absent from the county on Election Day, Tuesday, Nov. 5, can vote in person beginning Oct. 15 at the Township Clerk's office, 1700 Ballard rd., Park Ridge.

The clerk's office is open from 9 a.m. to 5 p.m. Mondays through Fridays and 9 a.m. to noon Saturdays. The last day for voting in-person absentee is Monday, Nov. 4.

Voters in the Nov. 5 non-partisan election may cast ballots for local school district trustees, Oakton Community College Trustees, North Maine Fire Protection District, Regional Board of School Trustees and Cook County Trustees of Schools.

Stolton emphasized that only residents of unincorporated Maine Township can cast in-person absentee ballots at the township offices. Residents of incorporated cities and villages can vote at their city halls.

In-person absentee voting also is available to election judges who will be working precincts other than their own and to persons working on election day for the county clerk or state Board of Elections.

Teenage stress at L'wood Library

Stress and having teenagers in your home can often be synonymous. Sue Ofner, a social worker with the Family Counseling Service of Evanston and Skokie Valley will talk about the stresses experienced by teenagers and their families on Thursday, Oct. 24 at 7:30 p.m. at the Lincolnwood Library, 4000 W. Pratt.

Ofner has been working with teenagers for the last ten years. With her will be three teenagers who have experienced various kinds of problems facing teens. They will help act out typical situations and also answer questions. For more information about this free program, call the Library at 677-5277.

K.C. Tootsie Roll drive aids handicapped

Fall is in the air and with this lovely season comes many vital community activities. One of the many is the Knights of Columbus annual fund raising Tootsie Roll drive. This sale provides financial assistance to agencies which offer educational, vocational, and residential programs for the developmentally disabled.

Last year over a million and half dollars were collected and distributed from a statewide program. Last year, local Knights of Columbus Councils contributed \$7,983 to Clearbrook Center to help provide services for over 400 handicapped children and adults enrolled in their programs.

Clearbrook, a not-for-profit community agency, depends on private contributions to help maintain its programs. This private funding is in part made possible by the generous help of the Knights of Columbus and their annual drive.

Fall II classes offered at Leaning Tower

The Fall II term of program classes at the Leaning Tower YMCA begins the week of October 28 and will run for seven weeks. Individuals may plan a course of class instruction to fit their particular needs with emphasis on fitness, recreation, relaxation and self improvement.

The swim classes include swim instruction for all age levels, Aquatic Safety and Lifesaving, Diving, "Aquanastics", Adult Swim Lessons for a variety of swim skill levels, Scuba, a Master Swim Team program and Water Therapy classes. A new course called Aqua-robics is a high level water exercise class designed to give a good cardiovascular workout.

Special interest classes for adults include calligraphy, bridge lessons, successful money management, dog obedience, guitar, hypnosis, multi media First Aid, Cardio Pulmonary Resuscitation Classes and speed reading. A new program "Protective Parenting" is for parents and youth - ages 3-8 years. It is the art of teaching children about sexual abuse.

Activities designed for preschoolers include Dad/Tot Gym classes, Kiddie Kollege, Pre-School Gymnastics, Creative Dance & Movement and ever popular gym and swim combination classes which are also offered as separate gym only or swim only classes.

Our Health Enhancement and Adult Physical Education Department offers a Quit Smoking Clinic, Stress Management, Diet Control and Nutrition, Healthy Back, Judo, Karate, Yoga, Racquetball, Squash, Physical Conditioning, Body Awareness as well as a multitude of aerobic dance classes meeting at many convenient times throughout the day and evening. A class called

TNT (Tummy & Thighs) works on the problem areas of stomach, hips and thighs. There is no jogging in this class. Pre and post natal classes continue to offer expectant mothers or recent mothers the opportunity for fun and fitness! A new class is a Pre-natal Water and Land Exercise Program.

The Dance Department has classes for teens and adults in Ballet and Tap, and a new class for youth in "Break Dancing" and an adult class called "At The Hop". A class called "Jazz Dancing" for Adults is offered as well as "Aerobics For Teens", a class for 13-19 year olds. A new class in Cheerleading is offered to all girls age 8-14 years.

The YMCA Youth Department will be offering instructional basketball beginning November 2 through February 21. Teamwork, sportsmanship, fun and values education are stressed. Any boy or girl in the 4-6 grades are eligible to register. In addition, the YMCA offers a full range of Gymnastics classes, soccer and swim classes, co-ed fun and fitness class and a new class of "The World of Splunkey".

Classes in judo, karate, self defense and racquetball are also offered for youth. There are many special programs offered such as Single Parents Club, Home Team, Leaders Club for Youth, Conqueror Handicap Program, Senior Adult Center, Corporate Wellness Programs, Triathlon, Fun Runs, Cardiac Rehab Program and many more.

Kruse named Kelly Elite winner

Gail M. Kruse, of Des Plaines, has been named a Kelly Elite monthly winner according to Tony J. Zahn, Regional Manager of Kelly Services, the "Kelly Girl People".

Kruse was nominated for the Elite honor by her supervisor, Maureen Morgan, of the Des Plaines office, 809 Lee St. "Gail is a super Kelly temporary employee. She has worked in all areas of Kelly employment including our own office. Gail is like a bubble of energy," states Morgan. She was recognized for living up to Kelly's high Standards of Performance. They include high and consistent skills, availability, adaptability to each new situation, a cheerful attitude, sincerity, loyalty to assignments, a natural ability to ensure all work is done well and dependability.

A member of four, Kruse attends DeLaurens College in Des Plaines to Kelly, she is student teaching at North School in Des Plaines.

Kruse and her husband, Fred, are also very active in World-wide Marriage Encounter, an enriching weekend experience for married couples.

The Kelly Elite Program originated five years ago giving Kelly management the opportunity to recognize and commend their temporary employees. "We feel it's one way to say 'thank you' to our temporary employees for their outstanding contribution to the business world," comments Zahn.

In addition to the Elite honor, Kruse will receive a lovely gift of her choice.

Resurrection Auxiliary garage sale

Twenty-five hospital beds and an extensive assortment of household furniture will be offered for sale Wednesday, Oct. 23 at a benefit garage sale planned by members of the Resurrection Hospital Women's Auxiliary.

From 10 a.m. to 4 p.m. Auxiliary members will be on hand at the sale in the Sisters' parking garage located behind Resurrection Hospital, 7435 W. Talcott Ave., Chicago. Free parking is available for garage sale patrons in the adjacent "sales" parking lot near the hospital's shipping and receiving dock.

Planned by the Auxiliary volunteers from the hospital's Bargain Basket Thrift Shop, all sale proceeds will benefit the Auxiliary's current \$1 million pledge for an outpatient surgical center at the hospital.

"The Auxiliary invites community members to donate old furniture which is in good condition for the sale," Mrs. June Griessmer, Bargain Basket chairwoman, noted. "Donations will be accepted Monday and Tuesday, Oct. 21 and 22 from 9 a.m. to 5 p.m. at the hospital." Furniture donations should be brought directly to the Sisters' parking garage where volunteers will be on hand pricing and arranging sale items.

For more information on donations for the benefit garage sale, call the hospital's Volunteer office at 774-9000, Ext. 6356.

From the Left Hand

make a connection with persons working for Coke in the Pisa, Italy area. Niles Lions Club's Ang Marcheschi said he would work through Lions International to make a similar connection.

It's a terrific idea. It lends to all sorts of public relations avenues. And linking relatively young Niles (86 years old) to a city which is over 2,000 years old gives the town a bit of roots.

That "either too young or too old" platitude may be an obstacle to the linkage. Ralph said Pisa may not take too kindly to joining hands-across-the-seas with such a young upstart. A city which was around during Caesar's time may not care to have much truck with a young upstart such as Niles, Illinois, U.S.A. Even if we were to tell those folks overseas Niles has its own Caesar, we're not sure they'd be very impressed.

At the other end of the pendulum Niles' Nick Blase (Caesar?) told a Chamber of Commerce luncheon group last week Niles' aging problem is cause for concern. With two District 64 and three District 63 elementary schools closed in Niles, it is certainly not a healthy sign. The closings become a Catch 22 situation. Less young people result in the closing of the schools. Less schools attract less young people to the community. Niles is seeking ways to turn this around.

Tuesday, we spoke to Niles Family Service head Larry Renetzky who said the study of day care facilities in the village was undertaken seven or eight years ago. At the time it was felt day care facilities were adequate for the community. Larry said he worked with the League of Women Voters ladies. But that era had a different climate than the one which exists today.

Ralph Bast told us he has completed a survey of day care programs local school districts have. He said it is now on Nick Blase's desk. He has been asked to get school superintendents and school board presidents together for a dinner during which Niles can explore what it can do in this day care center area.

Creating an extensive public day care service for working mothers might be a great attraction in bringing young people into the village. If young couples knew Niles was the one suburb in Chicago land which provides such a service, we're sure they'd consider

union) and whether employees should make up time lost for the days they were on strike. He will also make a decision about management rights for teachers' groups, according to Ray O'Keefe, field service director of the Niles Federation of Teachers (NFT).

Niles over another community without such a service.

In Morton Grove, the North-west Suburban Jewish Congregation has a pre-school program which has proven a bonanza to the synagogue. While surrounding synagogues have had trouble retaining their membership, this synagogue created a first rate program which has attracted young people from surrounding areas. Not only is the school a resounding success but the number of young families which now are members of the synagogue has increased its future.

Since working mothers are now in the majority there seems to be a definite need to serve these people.

Niles has tremendous revenue other communities don't have because of its many shopping centers. Its sales tax returns are well past \$4 million annually. Its free bus service, senior citizen Conservatory and family services are due to this great amount of extra revenue plus leadership which has proven to be far ahead of its time in these areas. Plenty of money plus being the first with new innovations has placed Niles among the best communities in all of Chicago suburbland.

There is a problem which needs solving. And there is a need to be satisfied. Reaching a solution would prove Niles never "too old" to move ahead and not "too young" to know when an idea's time has come.

school, but would have preferred to have the issues resolved. "But they were comfortable in having Berman as the arbitrator," he said. The board unsuccessfully attempted to bring in a new arbitrator who would have been unfamiliar with the issues."

According to O'Keefe, a hearing will be held in which the union and the school board will hear final arguments on the issues and present evidence. Berman will have 30 days to make a decision that will be binding to both parties.

Both sides agreed to a 7 percent increase for the first year for support teachers. "The step increases for the next two years has to be worked out. The salary schedule for regular teachers is still a major issue," he said.

The teachers' last request was for a 21 percent increase in pay over three years. The board's last offer was a 17.25 percent increase over the same time period. "The arbitrator's decision will be based on no higher than the union request and no lower than the board's offer," O'Keefe said.

He praised former board member Gordon Hirsch in trying to resolve the issues during negotiation talks. "I feel he did a good job for both sides and had a major part in bringing the issues to binding arbitration."

Substitutes were used to teach freshmen for only one morning, Wednesday, Oct. 9, before the teachers returned to work the following day.

Illinois. That, said Arft, "will double the cost of waste removal." to the Morton Grove taxpayer. Village waste is currently being shipped to a Will County landfill west of Joliet.

Arft feels the conference seems to be the best bet to secure a landfill area. "Sites are shrinking," he said, "and it (landfill) is virtually impossible for the private sector to operate."

Village notes: ...By a 6 to 0 vote, the board passed a resolution that would have Morton Grove restaurants voluntarily set up smoking and non-smoking sections. "I see no reason why Morton Grove restaurants can't do this," said board member Don Schneider.

Morton Grove Library news

The importance and joy of indoor plants during the winter months will be discussed and demonstrated in a lecture at the Morton Grove Public Library, "Caring For Indoor Plants", presented on Wednesday, Oct. 23 at 7:30 p.m.

Jagdish Nautiyal, horticulturist will be the speaker and will discuss the proper light and feeding for indoor plants and recommend a variety of them for the home.

The Morton Grove Garden Club is especially invited to attend this informative lecture which will serve as their October meeting. There is no admission and the public is very welcome.

Deadline nears for township branch pickup

The township picks up trimmings every Monday. Fraser is reminding residents of unincorporated Maine Township that Monday, Nov. 18, will be the last day township crews will pick up branch trimmings.

Legion parade to honor veterans

It is not too early to think of the month of November and a salute to the veterans. The Morton Grove American Legion Post #134 will conduct their annual parade and ceremonies to honor these brave men on Sunday, Nov. 10. Step off time will be 1 p.m. from the Legion Home parking area, 6140 Dempster.

At the moment the local Legion is seeking participants. Commander Les Berr has named Earl Christensen, 725-2883, and past commander Bob Perschon, 775-6907, co-chairmen.

The pair ask that anyone interested in joining Post #134 phone either of them. Many community civic groups have already indicated their desire to be included.

The yearly services are held at the Public Library on Lincoln, the mid point of the parade. Village officials are expected to be part of the entourage and will address the crowd there at the Doughboy statue.

Many boy and girl scout groups traditionally march with the Legion as-do affiliated Legion groups. Keep that date open if you are a resident of the town.

According to Charles Scheck, director of community development, "There will be 70-75 locations that have to be dug up." For that reason, Scheck said, "LoVerde was the lone bidder for the job. The sewer work will cost the village \$209,065; approximately what it wanted to spend.

Impact of the Civil War on the minds and hearts of the men and women of the North is the unusual subject of the novel, "The Spoils of War", by Thomas Fleming, which will be reviewed at the Morton Grove Library on Sunday, Oct. 27 at 2:30 and Thursday, Oct. 31 at 7:30 p.m.

Barbara Todd, staff reviewer will tell the powerful story of a Southern belle married to a Yankee general, living in New York with the Astors and the Roosevelts and trying to cope with the passions and greifs of the postwar era. Admission is free and everyone is welcome.

The village is expecting Riley to testify concerning allegations that he occupied the building in Lawrencewood with Krilich's approval, but without obtaining a certificate of occupancy from the village.

"Riley was subpoenaed to testify, but became ill and was unable to appear in court. However, we have his deposition (sworn statement) that we can use as part of the proceedings."

The legal battle began in 1983 after the village's housing department uncovered more than 80 building and fire code violations in stores and buildings.

MG Jaycees hold meeting

The Morton Grove Jaycees cordially invite interested persons to attend a General Meeting on Wednesday, Oct. 23 at the Villa Toscana Restaurant, 6211 Lincoln ave., Morton Grove, at 8 p.m. Come and meet the Jaycees and learn about all of our activities.

The meetings are always open and we welcome any men and women between the ages of 21 and 36 who like to have fun, want to meet new people and serve the community. For further information contact Mike Ochonicki at 782-8838.

MG Garden Club slates meeting

The Garden Club of Morton Grove will hold its next regular meeting in the Morton Grove Library at 7:30 p.m., Wednesday, Oct. 23, with a program on Indoor Plants.

The guest speaker is an Indian horticulturist from the Garfield Park Conservatory. He will include plant diseases in his talk and also have some time for questions.

The public is invited to come and bring their friends. Refreshments will be served.

favorable to the village. The other motion was for dismissal of the case," he said.

Judge Arthur Dunne of the Cook County Court is presiding over the case. Troy said Monday both parties are expected to be back in court at the end of this week for a hearing on contempt of court against Krilich for allegedly disobeying previous orders requiring him to correct building code violations at Lawrencewood.

The Rev. James Riley, director of Higher Horizons (a charitable organization) was evicted by village officials and the Niles Police Department when he allegedly continued doing business after being told to vacate the premises.

The village is expecting Riley to testify concerning allegations that he occupied the building in Lawrencewood with Krilich's approval, but without obtaining a certificate of occupancy from the village.

"Riley was subpoenaed to testify, but became ill and was unable to appear in court. However, we have his deposition (sworn statement) that we can use as part of the proceedings."

The legal battle began in 1983 after the village's housing department uncovered more than 80 building and fire code violations in stores and buildings.

At issue is Krilich's failure to respond to citations involving plumbing, electrical and fire code violations, including installation of sprinkler systems taken over by new tenants.

The property owner contended that lack of revenue prevented him from complying with village codes.

According to Joe Salerno, Niles director of code enforcement, Krilich has made token repairs. "He's patching some of the roofs, but these buildings need new roofs instead of surface work that will not last," he said.

Other code violations include deteriorating parking lot and sidewalks and exposed electrical wiring.

"The court ordered Krilich to repave the parking lot by July 23. He had someone do the job which did not meet village requirements after the work was completed," Salerno said. "Photos have been taken of certain substandard portions of the lot that will be presented in court."

The 22-year-old shopping center is currently leasing 65,000 of its 300,000 square feet. The theater closed in January, according to Salerno.

"They gave no reason for shutting down, but apparently it was lack of business. People want a nice atmosphere when they go to a shopping center...not a disaster area," he said. "I hope the court arrives at a decision soon, so the village can make Lawrencewood viable again and people will have a place to shop locally."

Skokie VFW ladies hold meeting

The Ladies Auxiliary of Skokie Valley VFW Post 3854 will hold its regular monthly meeting on Wednesday, Nov. 6 at 7:30 p.m. Annual inspection by President Lorraine Crowley of the 4th District will be held. At this inspection all pertinent information regarding activities, volunteer hours, etc. are checked and recorded for credit by the District. The Ladies Auxiliary and Skokie Post 3854 have participated in many community projects such as Poppy Day, Lite-a-Bike Program, Blood Program, visitation and sewing for veterans at Hines Hospital, Bingo for the patients at Hines Hospital, and visitation of nursing homes. The Junior Girls Unit also participates in many of these projects. Grace Ohrt is a President of the Ladies Auxiliary and John Spatth is a Range officer of the Post. Refreshments will be served in honor of Lorraine Crowley.

The Rev. James Riley, director of Higher Horizons (a charitable organization) was evicted by village officials and the Niles Police Department when he allegedly continued doing business after being told to vacate the premises.

The village is expecting Riley to testify concerning allegations that he occupied the building in Lawrencewood with Krilich's approval, but without obtaining a certificate of occupancy from the village.

Ted Parge receives promotion

Eureka College President George A. Hearne has announced three administrative appointments, and the opening of a new administrative office.

Among the appointees is Ted Parge, a former Niles resident, who has served as director of Alumni and Annual Support for two years has been appointed Assistant to the President for Development. Parge will assume responsibility for the overall management of the Development area, including the direction of the Planned Gift Program, church, corporate, and foundation relations; and assisting the President with external development associations.

He is the son of Eleanor Parge of Niles.

Cont'd from Niles-E. Maine P.1 cont'd Des Plaines for total of 151 cards. "Project Plus" grants to libraries pay for library cards to residents of areas not served by either a municipal or district library.

Library cards, issued through September 30, 1985, will be in force until December 1, 1985.

Referendums for annexation of the unincorporated areas will be held in November and March. McKenzie said area residents wanting to know how annexation would affect their own tax bills are able to have probable estimates determined at the Niles Library.

Surveyors are now at work to help provide a legal description of the Library District incorporating prior annexations.

In another matter, board members will review what disposal will be made of a vacant gas station standing on recently purchased property adjacent to the Library.

An open house to celebrate completion of the Library's expansion will take place from 2-4 p.m. Sunday, October 20 at the main library building, 6960 Oakton.

Board members approved that authorized signatures to the safe deposit box include those of the board president, vice president, secretary and treasurer. The vice presidency, a recently designated position, formerly was not included.

Niles Parks...

Cont'd from Niles-E. Maine P.1

Scott Neukirch, Mark Michalson and Dennis Bernabe. Commissioner Dan Kosiba reported total revenue for Tam golf course was \$27,000 over last year. "It's interesting to note that 50 percent of the revenue was derived from non-residents on green's fees," he said, adding the course will remain open (weather permitting) as long as possible.

Heinen reported revenue for the swimming pool was \$1,000 over last year's \$78,826. She added the pump for the water slide at the Recreation center has been relocated under the tower to provide more safety for swimmers.

...In a status report on the atrium at Grennan Heights, Commissioner Mary Marusek said work is about 90 percent completed. Work crews are in the process of putting in tiles for the floor and step seating around the wall, she noted. A large screen television set is also planned for the facility.

...Parks Director Bill Hughes reported the park district will have to pay a licensing fee imposed by ASCAP (American Society of Composers, Authors and Publishers) for music played over the radio at the ice rink. "We've received a bill for \$337.50 (fee payment per year) but I have not made a move to pay it."

In other board action and reports, commissioners at a pre-board meeting approved a bid for \$70,000 for construction of a 2,000 square foot garage, including a concrete floor and drains at the Sports Complex. The garage will house two park district buses.

...The board awarded prizes to six winners of the fishing derby held at Fisherman's Dude Ranch. They were Chris Harpling, James Bronder, Jody Margalski.

N.O.W. Chapter holds meeting

The Skokie-Lincolnwood Chapter of N.O.W. will meet at 7:30 p.m. Thursday, Oct. 24, at 8436 N. Kimball.

Kaye Jaynes and Edie Carter of "Women Employed" will present a tape, "A Matter of Justice," and will lead a discussion about comparable worth in jobs. Non-members are welcome.

Referendums for annexation of the unincorporated areas will be held in November and March. McKenzie said area residents wanting to know how annexation would affect their own tax bills are able to have probable estimates determined at the Niles Library.

Surveyors are now at work to help provide a legal description of the Library District incorporating prior annexations.

Other park districts are holding off on such payments, but the Ice Skating Institute of America has recommended paying the licensing fee," Hughes said.

Board Attorney Gabriel Berrafato will look into the "legalistics" of ASCAP's demand at the request of the board.

Berrafato also asked the board to consider adopting a liability waiver for participants in park activities in light of rising liability insurance. Insurance costs are rising almost 200 percent, and it's either having the waiver which may be hard to enforce, or cut park programs," he said.

In other action, the board presented the Employee Award to Tom Lippert, superintendent of parks, who resigned recently for a similar position with the Skokie Park District. During the presentation of the service medal, Pierski said, "You have served us well and we will miss you. The quality of your work is recognized in the upgrading of parks in the district during your five years here."

Orchard Center Offers Preschool Drop-Ins

Sessions for parents and their infants and/or toddlers under the age of three are now being offered at Orchard Mental Health Center, 8600 Gross Point Rd., Skokie. Monday and Wednesday morning Drop-Ins at 10 a.m. require no advanced registration. A small fee is requested.

Mothers are offered an opportunity to talk to professionals and new mothers about parenting issues and concerns, as well as provide a play experience for their children. Issues of child development, eating and sleeping patterns, separation anxiety and many other subjects are discussed. This highly successful program is now in its 8th year. Call Nina Raskin at 987-7300 for further information.
