Battle of the Books

The Niles Public Library's annual Battle of the Books was held at 7 p.m. on Monday, November 4, 1985. The event was hosted by the library and sponsored by the Niles Education Council. Participants from various schools from around the area competed in various categories, including the most unique costume and the most original idea. The event ended with the announcement of the winners and a reception for all participants. The library also plans to hold a similar event next year.

Boy Scout Troop 175

The members of Boy Scout Troop 175 from 5420 W. Greenleaf Ave. were invited by the Niles Public Library to visit the library on Saturday, November 2, 1985. The visit was to promote their annual Christmas tree sale, which is scheduled for December 1 from 9 a.m. to 5 p.m. at the library. The boys were given a tour of the library and were able to see the various resources available to them. They were also given a chance to ask questions and learn more about the library's operations.

Niles Halloween Party

The annual Halloween party sponsored by the Niles Police Department was held on Saturday, October 31, 1985. The event was open to all children and featured a costume contest, trick-or-treating, and a visit from Santa Claus. The party was a huge success, with hundreds of children and parents in attendance. The Niles Police Department was praised for its efforts in making the event a safe and enjoyable experience for all.

Message from the Mayor

Mayor J. Michael Houston has announced that the Village of Niles will be hosting a series of events to kick off the Niles Youth Year. The events will include a parade, a community fair, and a series of workshops and discussions. The Mayor is encouraging all residents to get involved and help celebrate the Youth Year. He also wants to thank all the volunteers who have already put in so much time and effort to make the Youth Year a success.

Des Plaines clinic offers sure solution to stop smoking

Richard Smith is the Medical Habit Control Center

"You're never too old or too young to stop smoking. But I have found that

with everyone who has tried to quit on their own, the success rate has

been at least 3 times higher when they have had the professional help of

someone who is a smoking therapist. It is important for people to understand

that the medical habit control center is not a group, where they come together

and support each other. It is a one-on-one program, where we work with

the individual in a very private setting and help them to develop a

methodology that they can use to help them make the change. In my

experience, it has been very successful. If you or someone you know

is interested in quitting smoking, I would encourage them to come to the

Medical Habit Control Center and meet with me to discuss their

options. . . ."

Back Pain: A Major Health Problem

It is estimated that the weight of back pain in the United States is the third leading cause of disability. Many people who suffer from back pain don't seek medical attention because they believe it's not serious. However, some people may have underlying conditions that can contribute to their back pain.

Incontinence is a physical and social problem. People withdraw from family and friends because of the embarrassment. Incontinence can be treated with medication, lifestyle changes, and surgery.

Senior survey on health care needs

Beginning in mid-November, the American Geriatrics Society will conduct a survey of senior citizens in the United States to determine their health care needs. The survey will be conducted over the next three years and include a series of Tuesday night seminars on health care issues. The information gathered will be presented at a press conference on Tuesday, November 15.

Coping with holiday depression

Stress can be caused by the pressure to do too much, a lack of support, or a desire to please others. The most damaging effects of stress are not physical. People withdraw from family and friends because of the embarrassment. Incontinence can be treated with medication, lifestyle changes, and surgery.

Osteoporosis: The Hidden Killer

Osteoporosis is called the "silent thief" of bone because it causes the bone loss to occur so slowly that it goes unnoticed. It affects about 10 million Americans, mostly women over the age of 50.

Symptoms of osteoporosis can include:

- Sudden bone pain
- Fractures of the hip, wrist, or vertebrae
- Rounded shoulders (scoliosis)
- Sudden development of a hump or kyphosis (bowed back)

Women have a 20% chance of having a hip fracture in their lifetime, and men have a 5% chance. About 1 in 2 women and 1 in 5 men will have an osteoporosis-related fracture in their lifetime.

The best way to prevent osteoporosis is to maintain a healthy lifestyle from an early age. This includes:

- Getting enough calcium and vitamin D
- Exercising regularly
- Avoiding smoking and excessive alcohol intake

For more information, please call our office at 555-1234 or visit our website at.

Kustra named to top ten legislators list

State Senator Bob Kustra, D Springfield, has been named to the top ten legislators in the Illinois Senate by the Daily Journal. The Daily Journal is a weekly newspaper that covers all of Illinois and is known for its investigative reporting.

District 207 administration moves

Northrop High School of Glenview, a 1979 graduate of Gleno0ne Plaines, Illiaso1o.

"I'm happy to be back at Northrop, and I'm excited about the challenges ahead," said Kustra. "I've been away from the school for a while, but I'm looking forward to working with the students and teachers here.

I'm also excited about the opportunity to work with the other legislators in the Illinois Senate. The Daily Journal's "Top Ten" list is a great way to recognize the hard work of our state's lawmakers, and I'm honored to be included.

I want to thank all of the people who have supported me throughout my career, and I look forward to serving the people of Illinois for many more years to come."

“It’s outrageous to pay 19.8% interest on a credit card...”

It’s outrageous to pay 19.8% interest on a credit card... yet so many people do. Unfortunately, most people aren’t aware that they have a choice. At Skokie Federal, for example, we charge 15% interest and $15 per year for a Visa or MasterCard. Citicorp, First National Bank of Chicago, and Harris Bank all charge 19.8% interest and $20 per year for similar cards. In most other cases, too, Skokie Federal has among the lowest finance charges and annual fees offered anywhere.

It’s no wonder we’re kept so busy. The number of customers we have keeps growing every day. One of our secrets, too, is the personal attention and service we provide. In the downtown branches there’s frequently a long wait on the phone just to find someone who’ll answer a billing question. We know just who to call. Our customers can be assured that their questions will be answered promptly by someone who is familiar with their account.

The personal service at Skokie Federal - I don’t think there’s a better credit card service around.
