Nick Blase celebrates 25 years as Niles Mayor with a \$7.50 a person bash at The Chateau Ritz Friday night. Since The Bugle is the newspaper of record at the Niles Library we'd like to be accurate in assessing the significance of his 25 years as well as the anniversary party.

From what we read in the local newspapers the original chairman for the affair was Nick's wife. It looked from our viewfinder the Blases themselves initiated the celebration. Subsequently, it was announced the same old hanger-oners who have been hanging on to his coatails the past 25 years were appointed as committee members. The mixed bag of hanger-oners (the good guys and the hokey guys) seemed to be appointed to make the celebration seem less self-serving.

Since none of the committee members helped get Nick elected Mayor 25 years ago,

Carl Fox named Cablevision Coordinator

Carl Fox has been appointed Cablevision Coordinator for the Village of Niles it was recently announced.

As such Fox will act as liaison between Nilesites interested in presenting programs of community interest on the local public access channel available on Cablevision.

Cablevision has provided the community with a studio staffed by a part-time advisor, Jason Stavros, who will supervise the program. However, interested parties will do their own filming with equipment furnished by Cablevision only after they have completed a three-part certification course conducted by Cable Company personnel.

Seniors plus children equal success at Oakton

Three-year-old Tracy Kurasch, of Northbrook, was having difficulty describing all the things she liked about Walter Green, an 81-year-old man and one of three residents of Ballard Nursing Center in Des Plaines who spend a few hours each week at the Oakton Community College Child Development Demonstration Center in Des Plaines. The Demonstration Center is a laboratory/nursery school for students enrolled in the Early Childhood Development Program.

Tracy talked about how Walter reads her books and "plays puzzles with me." There is one thing, however, that Tracy opted to show, rather than tell. After thinking about it for all of about two seconds, she walked quickly over to Walter and wrapped her arms around him. "I like to give him a big hug," she said with a big smile on her face.

Hugs are fine with Walter. Just being around the pre-schoolers at Oakton puts a smile on his face. "I love these children," he says unnecessarily. "I've always gotten along well with youngsters, and the ones here are very well-behaved. I have two daughters of my own, but they're both grown up, and so are their families. I thoroughly enjoy being here at the Center, and it keeps me plenty busy."

Walter spends Monday mornings at Oakton. Genevieve Dewey, 73, comes to the Child

Walter Green, a resident of the Ballard Nursing Center in Des Plaines, talks things over with Erik Vaagen of Mt. Prospect, during a recent session of the Oakton Community College Child Development Demonstration Center in Des Plaines. Green is one of three Ballard Nursing Center residents who spend a few hours each week at the Center.

Center on Monday afternoons, and Phillip McDermitt, 58, spends Tuesday mornings at the College.

"It's been a wonderful experience having them here," said Karen Dinelli, a teacher in the Child Development Demonstration Center. "The kids always ask about them when they're not here, and their parents tell us that they talk about the seniors at home, too."

Dinelli says it's hard to tell whether the seniors or the children get more from the interaction.

"Everyone gets a lot out of it," she says. "A lot of the children don't have grandparents living in the area, and this provides them the opportunity to be around older people. The kids don't really think about them as being

old, but sometimes when children get a little older they are afraid of older people. By having this type of experience now, they'll be more comfortable with older people later on."

Dinelli says the intergenerational program will continue this summer. "Before we actually began having the seniors here, we had a program for parents of the children so that they could see how this type of environment can be of benefit," she said. "It couldn't be any better. The parents are excited about it, the children love having them here and the seniors enjoy being here with the children."

For more information about the intergenerational program or the teacher training program call Mary Sextro-Black at 635-1868.

SILVER JUBILEE...Father Thomas Dore, pastor of Our Lady of Ransom parish, greeted about 2,000 people on the 25th anniversary of his ordination commemorated with a special Mass and reception held under a huge tent on the school grounds. Attending the Mass in the church were his family; his cousin, Judge Cornelius Dore of the Cook County Circuit Court; Mayor Nicholas Blase and his wife, Faye, and Andy Przybylo of the House of the White Eagle in Niles. Co-celebrants at the Mass included Father Theodore Paluch, former pastor of OLR and Father Charles Kohlerman of Notre Dame High School, former Niles finance director.

Father Dore brought tears to the audience when he left the altar to present a bouquet of 25 red roses to his mother...one for each anniversary of his priesthood.

"I always felt that as long as I am vital and interested in the government and the people, I would stay in government," he said during a recent interview at his law office on Milwaukee ave.

Blase moved to Niles in 1959 and soon became involved in local problems. "Neighbors were having problems with builders. I was the only attorney around and eventually was made president of a coalition of homeowners associations. I was very vocal at village board meetings," he said. "I don't like to control our own destiny and not get blocked in with a lot of rules and regulations."

District 63 will be among those benefiting from the reassessment via tax dollars, upholding the old maxim... "Everything comes with a price you pays."

AIRPORT JITTERS...Delores and John Janus of unincorporated Des Plaines enjoyed their cruise on the Royal Caribbean visiting such ports as Ochos Rios in Jamaica, Grand Cayman Islands and Tulum where they toured the ruins there.

On the way home...the couple had some titillating moments at the airport in Miami...with the plane delayed for 20 minutes because of a bomb threat. Then while entering the plane, a passenger behind them greeted one of the pilots (standing at the door) with "Hi, Jack" and was immediately pulled back by security guards and hauled out of sight.

According to John, the passenger never did make the flight. A piece of advice...don't kid around at airports!

SIJ TRAVELERS...eighth grade students at St. Isaac Jogues accompanied by their principal, James Doyle, recently returned from a bus trip to the nation's capital, visiting the Battle of Gettysburg site, toured Williamsburg and other historical places. They also saw Mount Vernon, the Bureau of Engraving and Printing and the Federal Bureau of Investigation...where they were treated to a weapon demonstration on a shooting range in the building.

According to Doyle, students did not go on a tour of the White House because of the long lines and only one room was open to visitors for "security reasons." Security has been tightened at the White House within the last few weeks, Doyle said.

BOOK LOVERS ALERT...don't miss the book sale at the Niles Library, 6960 Oakton sponsored by the Friends of the Library on May 16, 17 and 18 (Friday and Saturday, 9 a.m. to 5 p.m. and Sunday, 1 to 5 p.m.). Nick Blase celebrates 25th anniversary as mayor

by Sylvia Dalrymple

"I love being mayor of Niles," said Nicholas Blase, who, in 1961, ran for the office without any expectation of winning the mayoral position.

Blase, who tells it "like it is" and usually does...has had 25 years in office, surpassing the 21 years of the late Chicago Mayor Richard J. Daley in whose 11th Ward Blase lived.

"I always felt that as long as I am vital and interested in the government and the people, I would stay in government," he said during a recent interview at his law office on Milwaukee ave.

Blase moved to Niles in 1959 and soon became involved in local problems. "Neighbors were having problems with builders. I was the only attorney around and eventually was made president of a coalition of homeowners associations. I was very vocal at village board meetings," he said. "I don't like to control our own destiny and not get blocked in with a lot of rules and regulations."

for the town shared by everyone who has a hand in village government. But I think what I'm most proud of is that I'm accessible to the people and responsive to their problems and needs...and that's why I've been here for 25 years," Blase said. "That's the whole ballgame and the reason why this town is a good place to live. This is important to people."

Blase has taken the lead of all suburban mayors in fighting Chicago's high water rates and is involved in the O'Hare noise battle with the City of Chicago. "One of the reasons I like local government is because you can get out there and get involved with issues that can adversely affect your town, he said. "I don't like to think of Niles in a provincial way...we are not an island."

"I don't want anybody taking advantage of us," he continued. "We are suburbanites and I want to do the best I can to keep that life-style comfortable for everyone. These towns that are provincial, and are only concerned about their own thing are short-sighted and not living in the real world."

He concedes that Niles' population is aging. "If there is any problem now it has to do with seniors who want to move out of their homes and into some kind of housing. There are not too many of these facilities around...but we are currently working on this problem," Blase said. "We also want to attract young families and are working on a common day care program to draw them to our community."

Blase said he would continue to meet new needs as they arise, but a major thrust is to keep the village's identity against increasing federal control and in-

terference. "The more money you accept from them, the more dependent you become. Again...it's an incentive to build up our revenue base to control our own destiny and not get blocked in with a lot of rules and regulations."

The mayor summed up his years in office as fruitful and fulfilling. "I think the town has developed and matured in the 25 years I've been around. If I left tomorrow I would have the feeling the town was in good shape. It's thought of as a good community to live in."

Blase noted he has been "blessed" with good board members through the years. "Working in the early days with Ken Scheel and Len Szymanski, and all the way down the line. We worked well together and got things done. They are bright people (board members) and our department heads are outstanding," he said. "The single, most fortunate thing in my life as mayor has been the quality of people that have been around me."

Asked if he would seek reelection in 1989, Blase said it was premature to make a decision. "It's something you determine six months before the election. Your decision is based on where you're going, and do you think the people are happy with what you're doing. You also ask yourself...are you still inspired and do you still look at the job as a challenge?" he said. "I always said that if the job posed no challenge, I would walk out tomorrow."

On May 16, the mayor will be honored at a testimonial dinner honoring his 25 years of service to the community. The event will be held at the Chateau Ritz in Niles.

Kivlehan awarded Eagle Scout badge

On Friday, May 9, the Boy Scouts of America, Troop 175, sponsored by the Holy Name Society of St. John Brebeuf Church, Niles, presented Todd Kivlehan with the badge of Eagle Scout, the highest honor one can achieve in scouting. Only two scouts out of 100 achieve this status.

Todd is the son of Bernard and Jo Kivlehan of Morton Grove. He attended Hynes and St. John Brebeuf Schools. Todd is now a freshman at Notre Dame High School in Niles.

Course keeps seniors driving 55 and alive

Whether we want to face it or not, it's true as the number of candles on our birthday cake increase, our abilities to hear, see and react quickly decrease. The medications we take may further dull our reflexes. And our memory of safety rules learned long ago inevitably fades. These factors lead drivers over 55 to have more automobile accidents per mile driven than their younger counterparts; those aged 30 to 54, according to the U.S. Department of Transportation. Older drivers across the country are not letting these facts assign them to the passenger seat. Through an older drivers course offered through the American Association of Retired Persons (AARP), they are looking their limitations straight in the eye and learning how they can overcome them.

And many of them are getting discounts on their liability insurance in the process. The program is called "55 Alive-Mature Driving", the only defensive driving course designed specifically for the mature citizen. Anyone age 50 and over can attend the eight hour class (taught in two sessions) and emerge with a certificate from AARP and one from the office of the Secretary of State of Illinois. The certificate from the state entitles you to a discount on your liability insurance premium.

A course is scheduled in Niles at the Public Library, 6960 Oakton St., Saturdays, May 24 & 31 from 9 a.m. to 1 p.m., both days. Other locations and dates are also scheduled in neighboring communities. For registration and information call: Vel Durham, 344-4172 or write P.O. Box 272, Melrose Park, IL 60160.

Parkside walking course for seniors

Parkside Human Services Corporation will dedicate a second walking course for seniors on Thursday, May 29 at a special Fitness Fest. All seniors are invited to attend the fest which will be held at Centennial Park, 100 S. Western in Park Ridge from 10 a.m. to 2 p.m. Parkside Human Services received a \$2,500 grant from Wells Fargo Bank towards this walking course, a unique senior exercise program. Wells Fargo has given over 2000 grants for gamefields across the country as part of their National Fitness Campaign.

The walking course has seven warm-up breathing, stretching, and flexibility exercises preparing participants for "The Walk." The Walk emphasizes the key requirement for fitness: walking at a pace vigorous enough to improve and maintain cardiovascular conditioning. After returning from The Walk, participants are taught to take their pulse and evaluate their condition. They then proceed to seven more exercises for the cool-down phase, to prepare them for normal activity.

All of the exercises are explained on multi-colored game signs, and seniors can exercise alone or in a group. On the day of the festival, participants will be led through the walking course by an exercise physiologist. In addition to the walking course, Parkside will offer fitness testing, such as body fat ratio, height and weight assessment, and blood pressure. There will also be refreshments.

Seniors are encouraged to use Parkside's other walking course located at Older Adult Community Services, 9375 Church in Des Plaines.

Older Adult Community Services has provided health and human services for senior throughout Northwest Cook County since 1960.

For more information about the walking course dedication, please call the Public Affairs Office at 696-7694. Older Adult Community Services is a division of Parkside Human Services Corporation, a member of the Lutheran General Health Care System.

HAPPY HOOFERS
The millions of people who for years have listed walking as their favorite physical activity will be happy to learn that this often underestimated activity has hit the big time. Walking is the perfect example of the movement toward easier exercise. It is less stressful to the body, accessible to all, and easy to fit into a busy schedule. Walking isn't just fun and easy, however. It is also an aerobic activity provided it is done often and briskly. Walking may even improve the levels of HDL cholesterol (the good kind of cholesterol that clears fatty deposits out of the arteries). The Happy Hoofers (Morton Grove walking club) meet at 9 a.m. each Monday and Wednesday in the Morton Grove Village Hall Senior Center, for brisk, morning hikes through the blossoming walkways of the Village. All new walkers are welcome to join the fun and fitness.

FINE ARTS
The Niles Township High Schools' Senior Citizens Club will have three special performances for club members in May. At Niles West, the May Music Festival will be performed at 8:15 p.m. on Tuesday, May 20. At Niles North the play, "The Importance of Being Earnest," 1 p.m. (reservations required, call 673-6800) and the spring Band Concert at 8 p.m. will both be performed on Thursday, May 22. All events are free for club members. For more information about membership call the School District at 673-6822.

CHORES AROUND THE YARD
The Morton Grove Senior Citizen Chore Program for residents age 65 and over, provides seniors with youth workers from the community who can do lawn mowing and other minor odd jobs. Landscaping equipment must be provided by the senior citizens. For more information, call the Village Hall at 965-4100, ext. 254.

Leaning Tower Senior Adult Center
Friday afternoon at 12:45 is Showtime at Leaning Tower Senior Adult Center. Each week a full length feature film or a travelogue is shown. These movies are free to the public and you need not be a member of the senior center to attend. The following is the schedule for the month of May: May 16 - The Black Stallion; May 23 - The Indomitable Teddy Roosevelt; May 30 - The Thames; June 6 - Travelogue of Vienna, Prague, and Budapest. Mark these dates on your calendars and plan to spend a delightful afternoon at Leaning Tower Center. Popcorn and candy are served at these movies.

Salad Bowl Sunday at Botanic Garden

The Fruit and Vegetable Garden at the Chicago Botanic Garden will be the site of the first Salad Bowl Sunday on May 18, from 10:30 a.m. to 4 p.m. Take a delightful and educational look at the many vegetables we are growing and using raw in our salads. Visitors crossing the bridge to the Fruit and Vegetable Garden will be greeted by "Sweet Pea," a costumed sugar snap pea. Highlights of the afternoon include: activities for children of You Can Eat! demonstration; specialists who will discuss the nutritional aspects of vegetables; a guest chef in our open-air demonstration kitchen preparing tantalizing garden-to-table treats; films in the auditorium on growing and maintaining a productive vegetable garden; and Garden tours throughout the afternoon. An admission fee for entrance to the Fruit and Vegetable Garden between the hours of 1-4 p.m. will be charged. Admission is \$1/ person for non-member adults; children and members will be admitted free of charge. There is a \$1/car non-member parking fee at the Botanic Garden. St. Andrew's holds May crowning

Shown above is Mrs. Helen Loheny placing a crown of fresh flowers on the statue of Mary.

Thirty-four patients of St. Andrew Infirmary located at 7000 N. Newark, Niles participated in a May Day ceremony. After a wheel chair procession to the Shrine, Helen Loheny crowned the statue of the Virgin Mary. Marian Wozniak coordinated the event with the activity direc-

JUF benefit breakfast

Niles Township Jewish Congregation will sponsor a breakfast on behalf of the Jewish United Fund-Israel Fund's 1986 campaign, Sunday, June 1, starting at 9:30 a.m., at the Congregation, 4500 Dempster st., Skokie.

Dr. Carlos G. Rizowy

Guest speaker will be Dr. Carlos G. Rizowy, a son of Holocaust survivors who is an attorney, a university professor and an authority of international relations.

NSJC

Jodi Sue Outler, daughter of Erroll and Rachel, became Bat Mitzvah during Friday evening Services at Northwest Suburban Jewish Congregation, 7800 W. Lyons, Morton Grove on May 2.

David Jeffrey Rosenberg, son of Fred and Meriam was called to the Torah to celebrate his Bar Mitzvah during Saturday morning services 9:30 a.m. on May 3.

Mindy Alice Weberman, daughter of Mark and Bella celebrated her Bat Mitzvah during Friday evening services on May 9.

Paul Cordell, son of Alan and Marilyn, was called to the Torah to celebrate his Bar Mitzvah during Saturday morning services on May 10.

Sisterhood will hold their Annual Rummage and Resale Spring Sale on May 18 and 19. "28th Annual Dinner Dance" will be held on June 22 honoring Rabbi and Mrs. Lawrence H. Charney.

We are now taking reservations for Nursery School Summer Camp and for the 1986-87 fall semester. Information available at 965-0901 and ask for Mrs. Perper or Mrs. Cor.

MTJC Early Childhood Center

The Early Childhood Center of Maine Township Jewish Congregation Shaare Emet, 8800 Ballard, Des Plaines, is now accepting applications for registration in a wide variety of programs for Fall, 1986.

Children who will be 3 years old by Sept. 1st, can join our 3 morning a week program. Parents whose children will be 3 after Sept. 1st, but before Dec. 1st, can choose the 2 morning option of our 3 day a week program. Children who will be 4 years old by Dec. 1st, can attend either the 3 or 5 afternoon class. Those who miss the new kindergarten deadline have an opportunity to attend 5 afternoons a week, which is a more intensified kindergarten readiness program. An extended day lunch program will be offered weekly.

All programs offer a wide range of learning experiences, including art, music, creative dramatics, physical activities, games, stories, and cooking. Guided by professionally trained teachers who have had extensive education in Early Childhood and Judaic subjects, the children become aware of their Jewish heritage in a wholesome environment which stresses socialization and independence.

Also offered in the Fall is the Parent-Toddler Program for children who will be two by Dec. 1st. Once a week, mothers and children come together for exploration of nursery facilities, art media, songs, Jewish customs and holidays. Baby sitting for siblings will be available. Interested parents are invited to call and arrange to visit one of our classes. For information, brochure, and registration, call Marge Baker, Director, at 297-2006.

Sessions for volunteer para-chaplains

The Chicago Board of Rabbis and the Council for Jewish Elderly is planning to inaugurate another training course for volunteer para-chaplains for service in long-term care nursing homes. The sessions will be held on Wednesday evenings at 7:30 at the Lieberman Geriatric Center, 9700 Gross Point Rd. in Skokie, beginning on May 21 and continuing for 5 consecutive weeks. Training will consist of lectures and presentations by psychiatrists, psychologists, social workers, geriatric specialists and rabbis.

To date, more than 40 persons have successfully completed the training program and are now serving in nursing homes located in all areas of the community. Because of the noted success of the program, more requests are being received for men and women volunteers who would be expected to visit an assigned Home for about 2 hours a week. It is possible that assignments would be made nearest the living areas of the volunteers.

Rabbi Nathan Gordon, Director of Chaplaincy for the Council for Jewish Elderly, is coordinator of the program. Interested persons should call Rabbi Gordon at 674-7210 or The Chicago Board of Rabbis at 444-2896.

Walk With Israel raises \$300,000

More than 5,100 people raised an estimated \$300,000 in Chicago's 15th Annual Walk With Israel on Sunday, May 4.

Proceeds will be used by the Jewish United Fund-Israel Fund to benefit Israel's needy, including 15,000 Ethiopian Jews.

The Walk, celebrating the 38th anniversary of Israel's rebirth, is co-sponsored by the Chicago Jewish Youth Council and the Young Leadership Division of the Jewish United Fund.

Participants who send their Walk money in by June 9 will be eligible for valuable prizes, including a grand prize of round trip airfare for two to Israel.

Holocaust group guest speaker

Dr. Carlos Rizowy will be the guest speaker at the open meeting of the Holocaust Memorial Foundation of Illinois on Sunday, May 18 at the Mayer Kaplan JCC, 5950 Church St., Skokie, at 7:30 p.m. Dr. Rizowy, an international attorney, expert on Mideast activities, and an acclaimed lecturer, will speak on Terrorism-Civilization Help Hostage. The community is invited. Refreshments served. Donation is \$2.50.

Women refuse tow of disabled vehicle

Niles police spotted a Cadillac with a broken left front wheel blocking two left lanes in rush hour traffic on Ballard and Greenwood.

Police ordered a tow over the objections of the woman driver and a companion. The driver of the tow truck told the women a \$15 fee was involved, which they refused to pay.

After he threatened to tow the car to the police pound, they became hysterical with one trying to start the car, the other wrestling with the tow chain.

Shoplifter arrested

A Chicago man was arrested for retail theft at Sportsmart on May 9.

A security agent observed the offender remove two swimsuits and two pairs of socks totaling \$69.85 and attempt to leave the store without paying for the items.

Additional property was recovered from his car consisting of a blouse from a uniform store valued at \$20.

He was released after posting \$1,000 bond and assigned a June court case.

Drug thief steals roses and cash

Police ordered the tow driver to drop the car where it stood, which he did and departed without the \$15 payment.

The gas station will determine whether it wants to pursue the matter through criminal or civil channels.

Tools missing from returned set

A Sears security agent reported May 10 that a man bought a tool set worth \$200 and then returned it getting his money back. After he left, the clerk noticed that 27 tools were missing from the set.

Security contacted the offender by telephone at his home, who agreed to come back to Sears security office. During questioning, the offender admitted taking the tools.

At the police department, an agreement was reached in which the offender would return the tools in exchange for a signed release from Sears dropping charges.

Drug thief steals roses and cash

Someone broke through the window of a medical center in the 8100 block of Oakton on May 6. Once inside, the offender entered a doctor's office and ransacked the room. A preliminary inventory showed drugs are missing.

The offender then broke the glass on the rear door of a florist shop (connected to the medical center lobby) and ransacked the shop.

Taken was an unknown quantity of red roses, \$50 from a cash register, a radio and a helium tank valued at \$90.

According to police reports, a screwdriver was found by the

Armed robbery?

The owner of a food store in the 7400 block of Oakton told police May 6 someone walked into the store saying he had a knife and gun in his back pocket. The offender said "open the drawer and give me money."

After receiving \$30 or \$40 in currency, the offender walked away northbound on Osceola. The victim can identify the man and can help with a composite.

Traffic violator arrested

A Chicago man was arrested for speeding and driving with a suspended license on May 9.

Police observed the offender traveling at a speed of 51 mph in a 35 mph zone in the 3300 block of Greenwood Ave. He was stopped at Greenwood and Church st. and could not produce a driver's license. A check revealed it was suspended.

He was released on \$1,000 bond pending a June court date.

Attempted break-in

A resident in the 9700 block of Fox Glen told police that someone used a tool to pry open the door of her apartment in an attempt to gain entry on May 8.

Damage to the door was estimated at \$200.

The administrative revocation policy allows a local state's attorney to ask the Secretary of State to immediately revoke a driver's license when a person has inflicted serious bodily injury or death and been arrested for DUI, manslaughter, reckless homicide, leaving the scene of an accident or drug racing.

The policy is based on statutory authority given to the Secretary of State in the Illinois Vehicle Code and administrative rules adopted on February 1, 1984. To date the procedure has been invoked 202 times.

Although the Eppinga case does not directly relate to Illinois' new summary suspension law for DUI, the principles of suspension are similar.

The offenders could not speak English and an interpreter was used.

They were released on \$1,000 bond and assigned a June court date.

Shoplifters apprehended

A Sears security agent observed a woman and her daughter on the janitorial staff remove two pairs of panties valued at \$3.25 each and one nightgown worth \$20 on May 6.

The offenders could not speak English and an interpreter was used.

They were released on \$1,000 bond and assigned a June court date.

March of Dimes Cadillac raffle

An opportunity to win a 1986 Cadillac Seville is now available at very good odds at the March of Dimes.

Tickets are limited to 320. Each ticket is \$100, with the money going to the March of Dimes' fight against birth defects.

The new car, valued at \$32,000, has been donated by the Chicagoland-Northwest Indiana Cadillac Dealers Association.

The first drawing will take place Sunday, June 22, at Cadillac/March of Dimes Day at the Oak Brook Polo Club. At that time, eight finalists' names will be drawn. The final winner's name will be drawn in a reverse raffle, live on the March of Dimes "Born America" Television Event, June 29.

Second prize is a Hyatt Regency New Orleans weekend for two. The six remaining finalists will all win Hyatt Regency Chicago weekends for two.

For more information, contact the March of Dimes at 341-1370.

Edgar lauds court decision on license revocation

Secretary of State Jim Edgar today applauded the Illinois Supreme Court's upholding of the right to administratively revoke a driver's license in certain serious traffic cases. Edgar said the ruling would assure his ability to remove dangerous drivers from the road swiftly and with certainty. He also said the case would offer an argument in favor of Illinois' new summary suspension law when the high court hears that case.

"The policy on administrative revocation of a driver's license is clear and it requires the action only be taken where the public welfare is threatened," Edgar said. "I applaud the Illinois Supreme Court for its decision in the Eppinga case. It means that the safety of our citizens will not be compromised pending the outcome of a serious driving charge which included grievous bodily injury or death." The decision affirms the fact that driving is a privilege, not an inherent right.

I Bet You Didn't Know

By Jim Jennings

Here's a baseball question you can have some fun with... What are the 4 ways a batter can reach base WITHOUT hitting the ball? . . . The answer: Walk; hit by pitcher; dropped third strike that gets away from the catcher; and catcher's interference.

Ever wonder who was the first sports announcer in broadcasting history? . . . He was a man named Harold Arlin. . . He worked for the first commercial radio station in America, KDKA in Pittsburgh, and announced the first baseball game ever broadcast, between the Pirates and Phils, on Aug. 21, 1921, and the first football game ever broadcast, between Pitt and West Virginia on Oct. 8, 1921.

Amazingly, in 18 of the last 24 baseball seasons, the American League batting champion has come from either the Boston Red Sox or the Minnesota Twins. . . Last season's batting champ was Wade Boggs of the Red Sox.

Niles West water races

Approximately 100 sixth, seventh and eighth grade boys and girls from area junior high schools plunged into the Niles West High School pool after school April 17 and 18. They were there to compete in a battery of races designed especially for them by Niles West head swim coach Don Larson and his staff. Swimmers, divided by class level and sex, contended for the best times in the 50-yard free-style, backstroke, breaststroke and butterfly.

When all the events were over, Gail Fuhrer of Park View, Art Hortua of St. Martha, and Wendy Valencia and Boris Kogan of Lincoln received the top overall awards. Following Fuhrer in the girls' 7th grade and under

category were Lincoln's Tatjana Stojnic in second and Park View's Kristine Plukarski in third.

Top winners in the boys 7th grade and under group, besides Hortua, were Lincoln's Eric Clark in second place while Lincoln's Alonso Acosta was third.

On the eighth grade girls' side, Lillana Engel from Fairview was second and Gloria Catanesa from Lincoln was third. For the eighth grade boys, Lincoln's Keef Weinstein took the runner-up spot and Park View's Scott Ledwon ranked third.

"We have this meet each year for fun, and also to get to know some of our potential students and swimmers," commented Larson.

Maine Township Diabetes Bike-A-Thon

Don and Pat Uhlmeier, co-chairmen of the 1986 American Diabetes Association's "Bike-A-Thon Plus" and their committee of volunteers are busy making preparations for the Maine Township Branch's largest annual fund-raising event scheduled for Sunday, May 18 on the North Branch Bicycle Trail (Dempster to Lake ave.).

"Ride, Walk or Jog to Beat Diabetes" is the goal of the Bike-A-Thon. Participants will be able to test their endurance in support of diabetes research and education programs. The event will begin at 9 a.m. and participants may start at the Blue Star Memorial Woods near Lake ave. Last year riders collected \$6,324.65 for diabetes programs.

All sponsored participants will receive an official "Bike-A-Thon Plus" T-shirt and painter's cap. Bike-A-Thon sponsor sheets are available by calling 346-1805.

Put on your running shoes

The Fifth Annual St. Francis Hospital/Kiwanis Classic run will be held Sunday, May 18. The race is sponsored by St. Francis Hospital of Evanston and the Evanston Kiwanis Club. The 5K and 10K races will begin promptly at 8 a.m. Both races begin and end at Floyd Long Field in Evanston.

A pre-race sports clinic will be held Saturday, May 17, from 3 p.m. - 5 p.m. Lectures on sports medicine and nutrition will be given. Dr. G. Klaus Miller, director of St. Francis Hospital's Sports Medicine Center, will conduct a lecture titled "Runner: You Against Mother Nature" and Mara Promisico, R.D., will conduct a lecture titled "Sports Nutrition." A spaghetti dinner will follow the clinic. The price for the dinner is \$3 per person. Reservations are necessary.

The entry fee for the race is \$11. To register for the Sports Clinic and the race, call St. Francis Community Relations at 492-6173.

Swim team seeks members

Boys and girls from Morton Grove between the ages of 7-18 are being sought for the Swim Team. Competitive meets will be held in surrounding communities as part of the Northern Illinois Swim Conference. Registration will begin May 12. Cost is \$31 per person and \$16 for each additional. For more information contact the Morton Grove Park District Registration Desk at 968-1290.

Oakton runs for Marathon Championships

The Oakton Community College Marathon Team recently announced its meet schedule in preparation for the National Junior College Marathon Championships which will be held in Dowagiac, Michigan on June 21. In the last five years OCC has placed among the top ten teams four times with third place finishes in both 1983 and 1985.

This year's team will be led by sophomore Tony Vodicka who was OCC's top marathon finisher last year. Running with Vodicka will be sophomore Jim Rubey and freshman Bruce Bower. Rubey ran on OCC's Marathon Team in 1984.

Coach Savage has high expectations for his runners. He is looking towards a definite "top five" finish! All three athletes will be averaging 100 miles a week by the end of May. Once each week these three athletes go out on a 22 mile run along the bike paths of the forest preserve.

Bresler's offers incentives to sports teams

Sports and ice cream are the perfect Spring combination. Bresler's 33 Flavors at Prairie View Plaza, 6749 W. Dempster, Morton Grove, is celebrating this sporting season with a fountain festival for Chicago-area baseball and/or soccer team.

On opening day, any uniformed player coming to a participating Bresler's will receive a free second scoop with the purchase of one.

For each game during the season, the coach will receive a free fountain creation if the team wins. If the team loses, the free fountain creation will go to the pitcher or goalie—to cheer him up.

10K race seeks runners

The Des Plaines Park District and the Journal & Topics Newspapers of Des Plaines are sponsoring their 8th annual 10,000 meter run (6.2 miles) on Sunday, June 1 at 8:30 a.m. All runners receive free t-shirts and trophies will be awarded to the top finishers. Prizes will also be awarded in an at random drawing. The race starts and ends at Lake Park, Lee and Howard sts. in Des Plaines.

The advantages of living in Niles??

Dear Editor:
Does the Village of Niles collect my garbage? No, I live in a condo. Even with its bureaucratic bungling, the City of Chicago offers a condo owner's garbage collection rebate.
Does the Village of Niles supply my drinking water? No, I get water from Domestic Utilities. If the faucets are not run for short periods of time the odor when fir-

st turned on is enough to drive me to drink something else.
Does the Village of Niles provide police protection? I guess so, I see as many Cook County squad cars in our complex as I do Niles squads. The cars parked illegally in Handicapped or Fire Lanes don't have tickets after either squads drive through, but I guess I am protected. After walking through our parking lot,

I notice about 25% of the cars parked there do not have Village of Niles vehicle stickers.
Does the Village of Niles require me to have a vehicle sticker on my car? Yes, however there seems to be no enforcement of the requirement.
Does the Village of Niles provide fire protection? Yes, but the streets East of our complex are not in the Village and the Niles fire trucks go there too.
Am I allowed to use the Village of Niles for my address? Only if I

am willing to receive my mail a week late, if at all.
Is the Village of Niles listed on my property tax bill with a substantial amount requested? Yes, but for what.

Important to 'Love Thy Neighbor'

Dear Editor:
I want to tell of a story I read in the Orlando Sentinel newspaper that impressed me very much. It was about Pope John Paul II visiting a rabbi in a very large synagogue and a picture showing them in a manly embrace. I felt this picture might be what impressed many people. Today, if they were able to see this expression around the world, it could probably point to the peace we are all looking for these days.

As our folks were raising my brothers and sisters, we were taught to love all our neighbors regardless of their race, religion or color and you can be sure it did us some good.
One of the reasons I tell you this story is I had found, that while I was fortunate to live in Niles and the Maine Township, I found most all of my neighbors did a good job of practicing this gesture of loving thy neighbor. That is also where I first saw the practice of inter-religious services, which I think are held annually in the Niles area.

Respectfully,
George Hall

Park program makes 'Top Dog' out of little guy

Dear Bud:
Just thought I would drop you a note indicating how much I enjoyed your Left Hand, Thursday, May 8th.

I do want to call your attention to the fact that the Niles Park District has, during the past three years, been offering an adult basketball league on Sunday mornings at our Grennan Heights facility. What is unique about this league is that no one over 6' tall is allowed to play. Baskets are lowered from the standard 10' to a more appropriate height of 8' and the league is labeled "Men's 6' & Under 'Dunk' League."
As a past participant, and as an observer, I can assure you that in this game, the little man is Top Dog!

Sincerely,
William E. Hughes

Neighbor remembers Ed Hanson

Dear Editor:
I, too, knew Ed Hanson. We lived in the same building. The last conversation I had with him was to take a look at some of my journalistic efforts. He said that he was too busy right now because he was trying to get something syndicated. I, too, have been trying to get something syndicated, not for the Bugle or newspapers but for radio. I don't know what he was working on but perhaps he was searching for peace. He died before he reached his dream, hopefully peacefully.
Rest In Peace, Ed,
Don Tolosko

Volunteer blood donors needed over holidays

Dear Editor:
Volunteer blood donors are needed now more than ever. With the Memorial Day holiday ahead, the vacation season has officially begun. Fewer blood drives will be held as schools close and clubs suspend their meetings for the summer. But patients' need for blood transfusions continues.
Before you start your vacation, we ask you to share your good health by donating blood. Virtually everyone who is in good health, weighs at least 110 pounds and is between 17 and 65 years of age can be a volunteer blood donor.
The Blood Center of Northern Illinois maintains a number of convenient donor centers throughout metropolitan

Chicago. Call 298-9660 to find out where you can donate near your home or office.
Blood supplies tend to be at their lowest around the Memorial Day, Fourth of July and Labor Day holiday periods. Remember, only healthy people can provide blood for others who need transfusions. None of us knows when blood being available. It will be if enough people include blood donations on their list of summer activities.
Please donate blood now.
Sincerely,
J. Daniel Connor
President

Niles Historical Society meeting

The Niles Historical Society will hold its next meeting on Tuesday, May 20 at the Trident Center, 8060 Oakton st., Niles at 8 p.m.
The speaker of the evening will be Jim Conrad of Morton Grove who has directed and produced industrial and educational films and TV commercials for the past forty years. He also wrote a book entitled "T.V. Commercial - How It Is Made."
Conrad will give a detailed

account of the process and show a reel of some old TV commercials. He is a member of the Directors Guild of America, which has recently celebrated its 50th anniversary making him one of the pioneers of the industry. There will be a question and answer period at the end of the program.
Everyone is welcome to attend. Light refreshments will be served after the program. There is no charge.

FISH volunteers honored

The sixth annual Volunteer Recognition Buffet for all members of FISH of Des Plaines and their spouses will be held on Tuesday, May 20, at Trinity Lutheran Church, 675 Algonquin Rd., Des Plaines. The buffet will be served at 6:15, with a pot luck buffet provided by members of the FISH Steering Committee served at 6:30 p.m.
Reservations for the buffet are being taken by Phyllis Ormerod, 824-0776.

Glenview man charged with arson in Niles fires

A Glenview man was arrested for arson by Niles police in connection with two fires that occurred over a two-week period at Designer Depot, 8482 Golf rd., Niles.

Robert Ewing, 25, of 37 Stacy Court, Glenview an employee at the store, was arrested May 7 after a routine interview by police, according to Det. Tony Fidanza.

He added that Ewing was unable to raise \$5,000 bond and is currently in Cook County jail pending a court appearance on the charges May 16.

"After the second fire occurred (May 4), we believed it was a case of arson. Investigation revealed five employees were in the store at the time of both fires, and the first one I interviewed was Ewing," Fidanza stated.

Fidanza declined to discuss evidence that led to Ewing's arrest because the case is pending in court.

The first fire occurred on April 22 in some boxes containing shoes and boots located in a rear store room. Although the case was under investigation, police at first thought the fire was "accidental" probably caused by a careless smoker. Damage was \$4,000.

The May 4 fire started in a second floor storeroom in boxes containing store records, time sheets and sales receipts, according to Fidanza. Damage was \$2,200. "It was too coincidental that two fires would occur within a two week period. It was clear that a pattern was taking place," he said.

According to a police department spokesman, arson is a Class 2 felony. If found guilty, the offender could receive a term of between three to seven years in prison, or a probation period and possibly a fine.

Local Poles aid countrymen with food lift

by Sylvia Dalrymple

In humanitarian efforts, the Polish American Congress (PAC) sent out tons of baby food to Poland to help those affected by the nuclear accident at Chernobyl in the Soviet Union, according to Andy Przybto of the House of White Eagle in Niles.

Columbia College graduates

The following local students have received their bachelor of arts degrees in January at the conclusion of the fall term of the 1985-86 academic year at Columbia College. Included were: Scott J. Friedman, 8992 Emerson st., Des Plaines and Adina Suzan Trademan, 9062 Clifton, Niles.

the National Polish Alliance, which shares membership with PAC, said the organization on last week sent 18 tons of powdered milk and 12 1/2 tons of infant formula (valued at \$150,000) to Polish people threatened with contamination from the nuclear disaster. "The supplies will be distributed through Catholic churches in Poland," he said.

Przybto added that shortly after the Chernobyl incident, PAC sent out iodine tablets for 2,500 children in Poland, but learned that they were ineffective in controlling radiation damage to the human system. "No further shipments were sent out."

He noted that Niles has a heavy concentration of Polish people. "I'm sure many have families there and are concerned about

their welfare."
There are approximately one million Polish Americans in Illinois.

Przybto explained the Polish American Congress is "political" and has national visibility. "It acts as a voice for Polish Americans. We (National Polish Alliance membership) work closely with PAC."

He noted that U.S. Senator Paul Simon has asked the Department of Agriculture to send up to 50,000 tons of powdered milk to be delivered over a six-month period through charitable institutions in Poland. "However, I understand the Polish government has not confirmed whether they will accept the shipment and may decline aid because of provisions for distribution," he said. "They want control over how it will be

distributed."
To further assist the people of Poland via the National Polish Alliance, Przybto said he is contacting various baby food companies, such as Gerber, Libby and Beechnut requesting donations of food. "I'm sure they will respond in a positive way in coming to the aid of these people."

An explosion at the Soviet Union's plant first spilled cancer-causing radiation into the air April 26 traveling to the eastern side of Poland and affecting Scandinavian countries, according to news media reports.

"It was a tragedy. The Polish people are in a repressive situation under Communist domination...and now have to worry about their health," he said.

CJE provides In-Home Companion Service for elderly

Council for Jewish Elderly's In-Home Companion Service that provides care for elderly people in their homes, is now accepting applicants, announced Ronald Weismehl, Executive Vice-President of the social service agency.

The program, funded by noted Chicago philanthropist and art collector Gabriella Rosenbaum, helps families care for infirm elderly relatives by placing trained and screened companions who assist with meal preparation, bathing, dressing, writing letters, and caring for the older person. This service can provide up to 24 hours daily care and allows family and older in-

dividuals the time to thoroughly investigate long range plans.

A unique component of the program, is the CJE nurse and social worker's assessment of the elderly clients' needs. CJE stays involved to help families plan for the changes that often accompany the aging process.

"These services are very important to the well being of family members or those providing full-time care to an older person," says Weismehl. For example, if an older person living alone suddenly suffers a stroke and requires full-time care, our In-Home Companion Service gives the family time to consider different options available. This

service will help prevent emergency nursing home placements.

The companion workers are nurse assistants certified by the State of Illinois, having completed a training course and passed a State exam. The family will directly employ the nurse assistant, who has been carefully recruited and screened by Council for Jewish Elderly.

An assessment is necessary for this service. For further information about Council for Jewish Elderly's In-Home Companion Service, contact the Intake Department at 570-7000. CJE is an affiliate of Jewish Federation of Metropolitan Chicago.

Oak Mill Family Dental Center treats patients of all ages

Dr. Barbara Laskowski is pleased to announce the recent opening of the Oak Mill Family Dental Center. Prior to the opening of her private practice, Dr. Laskowski was associated with the Chicago Medical and Dental Center as the Director of its Department of Dentistry. She is a summa cum laude graduate of Mount Holyoke College in South Hadley, Massachusetts and

earned her Doctor of Dental Surgery degree from Northwestern University School of Dentistry. After graduation Dr. Laskowski was invited to join the private practice of the internationally recognized dentist, Dr. Emil Stutz, in Richterswil, Switzerland. Upon her return to the United States, Dr. Laskowski chose to establish her practice in our community.

Dr. Laskowski is skilled and experienced in all phases of dentistry and enjoys the variety and flexibility of treating patients of all ages, from children to senior citizens. In addition to general dentistry including prosthetics, endodontics, oral surgery and restorative and preventive dentistry, Dr. Laskowski is trained in and has had tremendous success with the newer techniques of

cosmetic dentistry such as tooth bonding. Bonding, a technique which has recently received much publicity, is used to reshape teeth, fill in spaces, repair broken teeth and to remove discoloration.

As a public service to families in our community, Dr. Laskowski has volunteered to provide, free of charge, diagnostic x-rays or study models as a means of identification to aid the various community associations involving missing children.

Dedicated to the well being and dental health of the members of our community, Dr. Laskowski and her staff welcome inquiries and visits to her office located in Oak Mill Mall at Oakton and Milwaukee Ave. The office is open Monday through Saturday with the exception of Thursday.

Community Health Fair at Edgewater Hospital

People concerned about all aspects of good health and early detection of illness are invited to attend Edgewater Hospital's second annual health fair on Friday, May 16th and Saturday, May 17th from 8:30 a.m. to 12:30 p.m. both days. Among the medical screenings to be offered at no charge are: blood pressure monitoring, height and weight, fat-lean ratio evaluations, blood sugar readings, pulmonary function, visual acuity, glaucoma testing, nutritional assessments, hearing, podiatry examinations, along with topical information of prevention on cancer, diabetes, lung disease, and prescription drug evaluation. An optional blood chemistry profile measuring cholesterol levels, blood sugar, anemia and other factors is offered for a \$10. fee. A twelve hour fasting period is required for accurate results.

The Chicago Lakeshore Hospital is co-sponsoring this community event and will provide information on substance abuse and stress management. Our health care professionals can

provide professional guidance that can lead to positive lifestyle changes. Take the time and join us in celebrating wellness during National Hospital Week.

For further information, please contact Department of Public Information Edgewater Hospital, 878-6000, ext. 3100.

Educational session on nutrition and osteoporosis

The causes of the deteriorating bone disorder, osteoporosis, and measures women can take to prevent it will be discussed during a health education session, "Nutrition and Osteoporosis." The session is being held on Tuesday, May 27, at 7 p.m., at the Emanuel Congregation, 5959 N. Sheridan rd., in Chicago. There is no charge to attend this informational session sponsored by Sheridan Road Hospital, Anchor Organization for Health Maintenance and the Dairy Nutrition Council.

Free skin cancer screening

A free skin cancer screening program will be offered by Resurrection Hospital dermatologists from 1 to 4 p.m. Wednesday, May 28 in the Resurrection Professional Bldg., 7447 W. Talcott Ave., Chicago.

Planned in conjunction with National Older Americans Melanoma/Skin Cancer Detection and Prevention Week, Resurrection Hospital will be one of several skin screening sites throughout the United States, according to Dr. Roland S. Medansky, site coordinator.

"Skin cancers may appear as dry, scaly patches, as persistent pimples, inflamed areas with crusty centers or as pale, waxy, pearly nodules which may eventually ulcerate," Dr. Medansky warned. "Cancer can develop in almost any area of the skin. Visible warning signs to watch for include sores which fail to heal, warts or moles which change in size or color, and the development of unusual pigmented areas. Patients with suspicious areas of the skin will be so informed and referred back to their attending physician."

For more information on the free skin cancer screening call the hospital's Health Promotion and Wellness office at 794-6044 between 8 a.m. and 4 p.m.

Oncology Support Group meeting

Perry Guariglia, M.D., staff pathologist at Swedish Covenant Hospital will speak at the next meeting of the hospital's Oncology Support Group on Friday, May 23, at 1 p.m. in the Anderson Pavilion, 2751 W. Winona.

Dr. Guariglia will explain the blood tests done at Swedish Covenant Hospital, and proceed to conduct a tour of the Laboratory Department.

The Oncology Support Group is comprised of cancer patients, both hospitalized and outpatients, and support persons of their choice. Its purpose is to give support to patients through sharing, education and familiarization with outside resources.

The meetings are free and held every two weeks on Friday afternoons at 1 p.m. Attendees need not be affiliated with Swedish Covenant Hospital to attend. For further information contact Chaplain Steve Jackson, 878-8200, ext. 5389.

Free blood pressure checks

May has been designated National High Blood Pressure Month. In order to help focus public attention on the serious health problems associated with this disease, Chicago's Bethany Methodist Hospital, located at 5025 N. Paulina, will sponsor two free blood pressure screenings on Thursday, May 15 and Thursday, May 29 between the hours of 1 and 3 p.m. The screenings will be held in the hospital lobby.

For further information on the free blood pressure screenings, please contact Sandy Selva, telephone 271-9040, ext. 420.

Free Community Education lecture

"Balloon Angioplasty" is the title of the free Community Education Lecture sponsored by St. Francis Hospital. Dr. Alan D. Kogan, cardiologist on staff at St. Francis Hospital, will conduct the lecture. The program will be held Wednesday, May 21, at 7:30 p.m. in the hospital's One South Auditorium.

Seek participants for study of leg pains

The Peripheral Vascular Surgery Section at Loyola University Medical Center seeks participants for a national study of the Sandoz drug FY108-068 in the treatment of leg pains in patients with hardening of the arteries.

According to Dr. William H. Baker, professor and chief of peripheral vascular surgery, this study requires a two hour examination on 11 separate occasions within a four month period of time, and involves walking on a treadmill. Patients in the study will be assigned at random to either the drug or placebo (sugar pill) group.

Potential subjects who believe they qualify and would like to participate in this study, or their physicians should contact Ms. Jackie Murauski, R.N., project coordinator at Loyola University Medical Center's Peripheral Vascular Surgery Section, 531-3163.

Hospital Week features free screenings

Safeguard your health with a free colon-rectal cancer screening between 5 p.m. and 8 p.m. Thursday, May 15 at Bethesda Hospital, 2451 W. Howard St. in Chicago. The free screening, part of Bethesda's Hospital Week activities, requires an appointment, which can be made by calling 761-6000.

My health is too important to take for granted.

Like most women, I know my health is too important to leave to chance. So, once a year, I have a mammogram at The Diagnostic Breast Care Center. It's safe, painless, and it can detect a lump as small as 1/8 of an inch. That's too small for me or even my physician to notice.

Every 15 minutes a woman dies of breast cancer. Our best protection is early diagnosis through a baseline mammogram, and The Diagnostic Breast Care Center provides the earliest detection possible.

If you're over 35, ask your physician to schedule a mammogram for you. If you don't have a physician, just fill out and return the coupon.

Send me more information on The Diagnostic Breast Care Center.

I'd like a recommendation for a personal physician.

Niles North actors present Wilde comedy

Niles North High School theatre students are preparing to present Oscar Wilde's celebrated comedy, "The Importance of Being Earnest," for performances on May 16, 17, and 23. As one might surmise from Wilde's original subtitle, "A Trivial Comedy for Serious People," the play turns the world of convention upside down. Wilde satirizes the social obstacles of English society in the 19th century by ingeniously constructing a case of "manufactured" mistaken identity.

The story revolves around Jack Worthing, played by sophomore Josh Alsberg, who invents a wild younger brother, Ernest, in order to escape from his mundane surroundings. The fictitious Ernest attracts the interest of Jack's ward, Cecily Cardew, played by sophomore Erin Jacobs. Complications ensue when Jack's friend Algernon Moncrieff, North's sophomore Andy Levin, introduces himself to Cecily as Ernest.

Characters further contributing to the absurdity are the

Reverend Chasuble (freshman Andy Mendelsohn), Merriman/Lane (freshman Doug Mytnik), Lady Bracknell (junior Margielou O'Connell), Gwendolen Fairfax (sophomore Rebekah Friedman), and Miss Prism (junior Lori Wagner). Senior Lisa Bany is the student director.

Faculty director Jerry Proffitt remarked, "The cast is having a great deal of fun with the absolute nonsense of the play. It is full of witty lines and situations which convey the philosophy of Wilde's play, 'We should treat all the trivial things of life seriously, and all the serious things of life with sincere and studied triviality.'"

"The Importance of Being Earnest" will appear in Theatre 100 on May 16, 17, and 23 at 8 p.m. at Niles North High School, 9800 N. Lawler Ave., Skokie. All seats are reserved at \$3 each. There will be no senior citizen performance for this production. Please call 673-6900 for further information.

"Two Gentlemen of Verona"

"Sweet love! Sweet lines! Sweet life!" Such is the stuff that the ATC summer production of Shakespeare's Two Gentlemen of Verona is made of. Two Gents will begin previews on May 15 and the press opening is May 19, at 7:30 p.m. at the Theatre Building, 1225 W. Belmont, Chicago.

This early Shakespeare comedy foreshadows many of Shakespeare's better known plays such as A Midsummer Night's Dream and Twelfth Night. It is full of the usual mismatched lovers, irate paren-

"Anything Goes!"

If you're curious as to what a cruise ship is really like, join The Temple Players for their upcoming musical "Anything Goes". This is a madcap adventure about the sailing of the "S.S. American" from New York to England. Cole Porter's songs are the highlight of this wonderful musical. The score features such rich and unforgettable Porter numbers as "It's Delovely," "Friendship," "I Get a Kick Out of You," "Let's Misbehave," and "Blow Gabriel Blow." The music combined with dancing that ranges from tap to "Fred Astaire & Ginger Rogers" numbers makes "Anything Goes" a show that will delight everyone.

Tickets for "Anything Goes" are \$7.50 for adults, \$6 for students and \$3 for children 12 and under. Group rates are also available. Seating is reserved. Visa and Mastercard accepted for phone and mail orders. To order tickets, or for more information, call Tempo Players at 345-0987 between 10 a.m. and 6 p.m., or write the Ticket Chairman at P.O. Box 5693, Broadview, IL 60153.

Kustra school funding bill approved by Senate

Sen. Bob Kustra's bill to continue supplemental funding for Illinois elementary school districts has been approved by a Senate committee. The 28th District senator said the measure (SB 1574) would extend legislation enacted for the current fiscal year to supplement general state aid for elementary districts. Kustra explained that the additional money was needed because of other legislation that changed only the computation of state aid for unit districts, which have both elementary and secondary schools. "This threw the formula out of whack," he said. "The bill I am

sponsoring this year would extend the supplementary aid for elementary school districts so that they will receive as fair a share of state funding as is given to elementary schools that are part of unit districts. For this fiscal year, the provision gave elementary districts \$11.4 million more, and it is estimated the extension would provide about \$10 million more in fiscal 1987, which begins July 1. Kustra said the operating tax rate adopted in 1985 for the com-

putation of general state aid for K-12 school districts would give these districts a financial advantage over districts having only elementary schools. "Last year's school reform package requires a new school aid formula that is fair to all schools to be instituted in the fall of 1987," Kustra said. "Until that time, my legislation would cushion elementary school districts against financial discrimination in the existing formula."

I.A.A.I. to host DePaul speaker

E.V. "Manny" Kenig, President of the Chicago Chapter of the Independent Accountants Association of Illinois, has announced that Dr. Edwin Cohen Ph.D., C.P.A., a Professor of Accounting at DePaul University, will be their principal speaker on Wednesday, May 21st. Dr. Cohen has chosen as his subject "Overview of a Financial Statement". President Kenig has stated that Dr. Cohen is the former head of the Graduate School of DePaul and Chairman of the Accounting Dept. at both DePaul and the University of Illinois in Chicago. The event will be held at the Holiday Inn, 5301 W. Touhy in Skokie, and will get underway at 7:30 p.m. Kenig also said that the Chicago Chapter will have the election of officers at 7 p.m.

Sutker joins effort to promote O'Hare safeguards

Efforts are underway in Springfield to protect Chicago and suburban Cook County residents from excessive noise and air pollution stemming from O'Hare International Airport, according to State Representative Cal Sutker, D-Skokie. "The legislative remedies now being sought focus on enforcement of existing protections, rather than enacting new programs," he said. "House Bill 3632, which I have sponsored with the support of House Speaker Mike Madigan, will seek to revitalize two existing programs within the State Environmental Protection Agency," Sutker explained, "programs which the Thompson Administration has abandoned or sidetracked in recent years."

"First of all, this legislation calls for the re-establishment of the Illinois EPA noise office which Thompson abolished in 1980," he continued. "Secondly, funds must be reappropriated to monitor air quality and noise level readings in and around the airport and, finally, we must urge federal officials to accelerate their ongoing School Soundproofing Program."

"This approach, together with a ban on the use of supersonic aircraft, makes more sense than enacting restrictive legislation that could cost billions of dollars and jeopardize thousands of jobs," Sutker said.

House Bill 3632, having passed the Transportation Committee of the Illinois House, now goes to the House Floor for further consideration.

Hynes praises board on assessment district changes

Cook County Assessor Thomas C. Hynes commended the Cook County Board of Commissioners for approving his proposal to assess suburban properties separately from city properties beginning with this year's reassessment. "We are grateful that the commissioners passed our proposal to realign Cook County's assessment districts," Hynes said. "This will greatly reduce the uneasiness presently in the system and make it more fair for all property owners in the county."

Hynes proposal changes the county's present city-suburban mix of townships in the present quadrennial system to the following districts: 1986 (west and south suburbs): Berwyn, Bloom, Bremen, Calumet, Cicero, Lemont, Lyons, Oak Park, Orland, Palos, Proviso, Rich, River Forest, Riverside, Stickney, Thornton, and Worth; 1987 (west and south city): Hyde Park, Lake, South and West; 1988 (north and northwest city): Jefferson, Lake View, North, and Rogers Park; 1989 (north and northwest

suburbs): Barrington, Elk Grove, Evanston, Hanover, Leyden, Maine, New Trier, Niles, Northfield, Norwood Park, Palatine, Schaumburg, and Wheeling. Proviso, River Forest and Riverside townships, however, would not be reassessed until 1990, since these townships were just reassessed in 1985.

Dudycz bill seeks appointed precinct judges

The Senate Committee on Elections recently approved a bill sponsored by Sen. Walter Dudycz (R-7th), that would allow the Chicago Board of Election Commissioners appoint an administrative judge and deputy administrative judge in each precinct within its jurisdiction. According to Senate Bill 2082, the judges would oversee voter registration and canvassing and help prepare and conduct elections.

"This legislation is a result of a 1983 federal grand jury investigation of vote fraud in Chicago and last year's Senate Republican Task Force on Vote Fraud hearings," Dudycz said. "Appointing precinct judges to monitor the election process will professionalize the voter registration and verification process and make it easier to track discrepancies, which should discourage fraud."

The bill is supported by the Chicago Board of Election Commissioners, former United States District Attorney Dan Webb, and the Committee for Honest Elections, the 7th District Senator added. Dudycz is the chairman of the Senate Republican Task Force on Vote Fraud and a member of the Senate Committee on Elections.

YOUR REAL ESTATE QUESTIONS ANSWERED

ANDY TARCZYNSKI MILLION DOLLAR SALESMAN

QUESTION: In doing my income taxes, I find that I have to pay a lot of taxes on the income from my apartment building. Where is the supposed tax shelter on investment property you talk about?

ANSWER: You have probably owned the building too long. After about six to seven years, increased rental income usually cancels out the depreciation (tax shelter) deduction you get. The best way of reducing income taxes and increasing long term profit is to sell or trade your present apartment building for a larger one.

Consolidated Hebrew High School names new principal

The Associated Talmud Torahs is proud to announce that Rabbi Scot A. Berman, a veteran educator with its system, has been named to the post of principal of Morris P. Zaransky - Meyer Katzman Consolidated Hebrew High School. Rabbi Berman a native of Flint, Michigan, brings to the Hebrew High School an extensive background in both secondary and supplementary Jewish education. "We are delighted that Rabbi Berman has joined our staff and we look forward to continued expansion of our

program under his stewardship," stated Rabbi Harvey A. Well, superintendent of the Associated Talmud Torahs. The 1986-87 school catalog has just been printed and can be obtained by writing the Consolidated Hebrew High School, 2828 W. Pratt, Chicago, IL 60645 or calling 973-2828. Early registration discounts and scholarships are available. The Consolidated Hebrew High School is under the auspices of the Associated Talmud Torahs of Chicago.

David Loboeki and Brian Rodgers of Notre Dame High School for Boys have received Evans Scholarships to the University of Illinois at Champaign and Purdue University respectively. They were selected as Evans Scholars in a competition which began almost one year ago. Evans Scholarships are based on high school rank, financial need, moral character, and record as a caddie. David Loboeki was a caddie at Ridgemoor Country Club and Brian Rodgers was a caddie at Park Ridge Country Club.

This award will cover tuition and housing for one year, and may be renewed for a total of four years by meeting the standards of the Evans Scholarship program. They are two of over 200 winners of Evans Scholarships this year, and will become a part of the 850 Evans Scholars on Campus next fall. There already are over 4,405 who have graduated from college as Evans Scholars since the first award was made in

Felician college summer session

Felician College, 3800 W. Peterson ave., Chicago, has announced its schedule for summer school classes. A variety of general education courses will be offered in the traditional summer term, June 16 through July 17. All classes will meet Mondays through Thursdays in varying time slots.

Felician's summer schedule also includes courses in Basic Alcoholism Counseling. These courses, held between June 10 and August 19 at Central States Institute, 721 N. LaSalle st., Chicago, are part of Felician's Associate in Applied Science (AAS) degree program in Basic Alcoholism Counseling.

In addition to the traditional summer session course offerings, Felician will conduct two workshops. A liturgy workshop, No Dry Bones, will be presented by Sister Mary Julie Weckwerth. The course is designed to update religious educators in current theology, to highlight creative practical teaching ideas, and to energize catechists in sharing of the faith.

Computer Literacy will be taught in a workshop which will feature computer uses for home, work, and school. Word processing, data base management, and interactive programs will be demonstrated, using IBM-PC computers. No prior experience is necessary.

Both the Liturgy and the Computer Workshops will meet from 9 to 11 a.m. Mondays through Thursdays, June 23 to July 3. Registration by mail is currently being conducted. Enrollment is limited to available space.

Summer schedules are available at the College Office, 3800 W. Peterson ave., Chicago. They may be requested by phone at 539-1919.

Industrial Education Contest Winner

Maine East industrial education student Matthew II of Morton Grove received a first place award in machine drawing in the recent Illinois State competition.

1930.

This scholarship is supported by the members of the Ridgemoor and Park Ridge Country Clubs. They are among the 100,000 golfers who donated to the Evans Scholars Foundation in 1985.

All-Class Reunion of Notre Dame

The 1st Annual All-Class Reunion of Notre Dame High (Niles) alumni will be held on Friday, June 6, at Notre Dame High, Niles.

The evening will begin with cocktails at 6:30 p.m. and a buffet dinner at 7:30 p.m. The event is stag only and guests are invited. \$10 per person is the cost which includes an open bar. Dress is casual. Reservations are necessary and must be made by phone to Rev. Joseph Strodt, Alumni Director, at 965-2903 or John Ramos, Alumni President, at 296-8320.

During the evening there will be a presentation of the Annual Alumni Distinguished Service Award to alumnus Paul Kanzer '64. Kanzer is being honored for his dedicated service to the Alumni Association and Notre Dame High for over 12 years.

Gemini students in Spanish contest

Christina Lopez and Ira Zubkoff, 8th grade students at Gemini Junior High School, won 3rd place in the Level I division of the National Spanish contest held on March 15.

The contest was sponsored by the American Association of Teachers of Spanish and Portuguese. Thirteen students from Gemini participated in the contest. The two winning students will be honored at an awards presentation to be held at the Sheely Center for the Performing Arts, Glenbrook North High School, on Saturday, May 18.

Largest-ever aircraft display set for O'Hare

The western world's largest aircraft, the famed C-5 "Galaxy," and one of the US Air Force's deadliest bombers, the B-52 Stratofortress, are only two of over 50 military aircraft tentatively scheduled to be displayed during Armed Forces Week's Visitors' Days on May 17-18 at the O'Hare Air Reserve Forces Facility at Mannheim and Higgins, Chicago.

The tenth annual event at the O'Hare facility will be the largest to date, both in number of days, this year expanded to both days of that weekend, but also in the number of aircraft on display.

In addition to the C-5, several variants of the F-111 fighter will be present, plus a C-141 cargo transport, AC-130 gunship, KC-135 aerial tanker, and C-130 transports.

Other aircraft include the F-16 Falcon, F-15 Eagle, and A-10 Thunderbolt, and antique aircraft from the Confederate Air Force.

All other services will provide displays, including the US Army with a M-1 tank, and M-2 escort vehicle, and several displays from the US Navy, and US Coast Guard.

Hours are from 9 a.m. to 4 p.m., daily; and parking and admission are free. Off-base parking will be in O'Hare remote lot "E," or in several office building garages on Higgins, as well as on the facility.

Italian students in state contest

Four Maine East students enrolled in Italian placed in the recent twelve-school state Italian Contest.

Adam Kamarat of Des Plaines, first place/Level I; Anna Gaeta of Niles, second place/Level II; Ann Consiglio of Niles, third place/Level III; and Maria Maltese of Niles, second place/Level IV.

Maine East Senior activities

End-of-the-year senior activities at Maine East begin with the senior honors' assembly. On June 4 the Maine Scholars, Departmental Honors' Award winners, and recipients of various other awards and scholarships will be announced at the evening assembly.

Following the senior honors' assembly is the senior breakfast held at the O'Hare-Kennedy Holiday Inn on Thursday, June 5, from 7:30-10:30 a.m. The chairman of senior breakfast is Alyssa Marcantonio of Niles. At the extensive buffet breakfast each senior will receive a mug inscribed with the Maine East logo in blue. The class council will pay half the cost of the breakfast, featuring entertainment with emcees. A highlight of the breakfast will be the awarding of senior superlatives, including "best looking guy and girl, etc.

Marching practice will be held Friday, June 6, in the field house. Senior prom will be held at the Ramada O'Hare Hotel in Rosemont on Friday, June 6.

Professional entertainment will be provided by a group on stage. Following that, a D.J. will play between sets. Doors will open at 5:30 p.m. and dinner will be served at 6:30 p.m. Two photographers will also be present. Maine East expects 350 couples. The cost to attend is \$50 per couple. Coke bars will be set up one hour before dinner and for three hours after dinner. Dinner will be held in the convention hall, and dancing will be in the Grand Ballroom. Cheryl Neimark of Morton Grove is in charge of the prom.

Maine East's graduation will be held Sunday, June 8, starting at 3 p.m.

Class officers this year are president Rich Maxwell of Des Plaines, vice-president John Galuzzi of Park Ridge, secretary Tricia Danow of Des Plaines, and treasurer Jenny Benka of Park Ridge.

Sponsors are lead art teacher Kenneth Orstead and foreign language teacher David Barker.

Illness prevention

Taking measures to prevent illness, rather than treating something that could have been avoided, is usually the preferred way to live. The Center of Concern is addressing this in their special monthly meeting on Tuesday afternoon, May 20, when Gloria Hudgin will speak on "Taking Control", which means taking the ten steps she advocates for a healthier life and to reduce the risk of cancer.

Hudgin is a registered nurse, a graduate of Loyola University, who has worked for twelve years as a health educator for Resurrection Hospital in the Health Promotion and Wellness Department. She is originally from Yankton, South Dakota, but now lives in the northwest side of Chicago.

Call NI-Gas before you dig

Northern Illinois Gas (NI-Gas) reminds homeowners planning projects requiring digging or earthmoving to include a phone call to J.U.L.I.E., the Joint Utility Locating Information for Excavators service, in the preparations.

Calling J.U.L.I.E. at 1-800-892-0123 is the first step when undertaking outdoor projects. The central dispatching system will send utility personnel to locate and mark underground facilities to be avoided.

J.U.L.I.E. operates 24 hours a day, 365 days a year. The service should be notified 48 hours (excluding Saturday, Sunday and holidays) before digging.

Callers are told which J.U.L.I.E. member companies will be notified and that the caller is responsible for searching for facilities of others and notifying them on their own. The ramifications of damaged equipment and interrupted service are serious. Loss of natural gas, communications, water or

electricity can leave communities without vital services such as police, fire, and medical protection.

Services provided by J.U.L.I.E. save utilities and their customers costs of repairing damaged equipment, inconvenience and possible hazardous situations.

North Shore birthday party for residents

Music, flowers and balloons will highlight a celebration at the North Shore Hotel, 1611 Chicago Ave., Evanston, on Monday evening, May 19, at a gala party honoring all senior citizen residents who were born in May.

Entertainment for the festive birthday dinner will be provided by Jan and Brad Keating, who will perform a concert of music from Broadway, grand and light opera, the classics, old standards and sacred melodies.

Governor Thompson," Constantino said. Another objective is to place the question of putting a cap on credit card finance charges on an advisory referendum on the November ballot. "Let the people decide if they feel the 22 percent interest rate is abusive," he said.

Constantino proposed a bill calling for a cap on credit card interest of 3 percent over the prime rate currently at 8 1/2 percent. Consumers are now paying the highest rate in the country, the candidates said.

The proposed bill is now tied up in House and Senate committees. In attempts to get the measure out of committee, Constantino last week amended the bill in order to place it before the Senate for action.

"Lobbyists representing the banking industry are opposing the bill since banks dealing with credit cards claim they will lose money if the measure is approved," Constantino said.

Illinois banks claim they will lose \$200 million per year. \$13 1/2 million per point (of interest) dropped. "Opponents want the 22 percent interest to remain status quo. Arkansas charges 11 1/2 percent and Illinois should do the same," he said. "It would be

possible for Illinois consumers to apply for credit cards in Arkansas. It can be done." Joan Murphy, a candidate for a county commissioner seat, said the law, if passed, would help people who have difficulty in paying the high finance charge. "A good percentage don't pay their bills within the stipulated 30 day period and are hit with the 22 percent interest. If the measure is approved, credit card usage will be increased," she said. "The banks really have no basis for complaint regarding loss of revenue. They can easily recoup by being selective in issuing credit cards."

The candidates will approach village boards and city councils in the various communities with the petition. Volunteers will pass petitions at shopping centers and community organizations.

Present at Tuesday's meeting were Cook County board candidates Andy Crayth of Niles, Jan Schakowsky of Evanston, Renee Thaler of Glenview, Kevin Conlon of Park Forest and John Rita of Blue Island. Murphy is a resident of Crestwood and Constantino lives in Palos Heights.

Another candidate, John Latimer, was unable to attend because of a previous commitment.

Morton Grove Poppy Day

Thursday, May 15 will be celebrated as Poppy Day in the village of Morton Grove, and the American Legion Post 134 and its Auxiliary unit have made plans to once again offer the red flower of remembrance throughout town all during the day.

Past auxiliary president Nina Bartholmy is once again coordinating efforts with the Post to insure maximum coverage at the shopping centers, bank,

restaurants, etc. She will help ladies Andy Crayth of Niles, Jan Schakowsky of Evanston, Renee Thaler of Glenview, Kevin Conlon of Park Forest and John Rita of Blue Island. Murphy is a resident of Crestwood and Constantino lives in Palos Heights.

During the day when the volunteers return, a light lunch, and then later in the day, a supper, is served to those who have been offering the Legion's memorial flower.

neighborhoods. Parking will be prohibited on Crain and Carol Streets to all non-residents. Seven parking stalls on the east side of Menard will be established for employee/customer parking. Parking on the west side of Menard will be restricted north of the right-of-way line of Crain St. and the alley between Crain and Carol, and north of the right-of-way line of Carol Ave. and Dempster. It will also be restricted on the east side of Menard from South Park Ave. and the north of the right-of-way line of Carol Ave.

To permit street cleaning on Menard, however, an ordinance was passed to restrict parking on Tuesdays from 7 a.m.-9 a.m. on both sides of the street.

The board passed the motion to delay passing the ordinance until the June meeting.

In other business, the board granted a special use permit to the Morton Grove planning commission for the operation of a Shell gas station mini-mart and car wash at 604 Dempster.

Shell Oil Company desires to remove the existing facility and replace it with a self-service gas station, automatic car wash and mini-mart. All exits from the station will be marked "Right Hand Turn Only."

The mini-mart facility will operate daily from 6 a.m.-12 midnight, with the car wash open until 10 p.m. Gasoline, however, will be sold 24 hours a day.

The board also accepted the bid from Interline/Communications Unlimited for the installation of NEC telecommunications equipment in the village buildings. The bid of \$95,001.09 will cover the costs of replacing the village's present system with the NEC equipment and training the employees how to use it.

The board accepted the bid of \$27,304.00 by Atlas Material Handling Eq., Inc. for one 1986 Bobcat Mod 943 Uni/Skid Steer Compact Loader and Utility trailer. Also, the bid from Action Building Maintenance of \$1,796 per month for janitorial service was also accepted.

Administrator Arft also presented an ordinance amending the Morton Grove liquor license classifications.

Two classification were added. Classification E "shall authorize the retail sale of alcoholic liquor by restaurants as defined in this code...only when such sale incidental and complementary to the sale and service of complete meals, served and eaten at tables not at a bar or counter."

Classification F licenses "shall authorize the retail sale of beer and wine only in original packages for consumption off premises where sold in retail food stores and shops, and in which the display and sale of beer and wine shall not be the principal line of merchandise sold."

According to Arft, only 10 Class E licenses, with an initial fee of \$4,000, and five (5) class F licenses, with an initial fee of \$2,000, shall be issued in the municipality.

From the Left Hand

We telephoned several old-timers for their views about Blase and his 25 years. The interviewees were very critical in putting Nick in office in 1961.

Len Szymanski, who served as village trustee during Nick's first years in office, said he preferred not to sit in judgment of Nick. He said it was obvious Nick was serving the village well. He stated the fire, police and public works departments are functioning well. He noted the garbage was being picked up. And he added the snow removal was done well. Len said the voters must be satisfied since they re-elected him all these years.

"If they had been dissatisfied they would have voted him out." Len again emphasized he would not be judgmental.

George Gauthier, who was the center of the elections 25 years ago, gives Blase high marks. He said Blase has inspired others and has made excellent appointments, including appointing George to the Police and Fire Commission. George said Blase has been very shrewd along the way and has profited from the Mayor's job. But he noted there has been no major scandals and no major cancer in his administration during these 25 years. Gauthier re-emphasized Blase has made "no bad appointments" and he considered Blase to be the right man at the right time to serve Niles.

George recalled the election 25 years ago when three tickets were vying to oust the incumbent group which was in office. Because the incumbents were backed by the Niles Township Democrats, it was assumed the machine-like political group could not be defeated unless all the groups joined together. Gauthier said he provided the house, the coffee and the cookies for a joint meeting of the three groups in hopes they would join forces to defeat the incumbents. But one Mayoral candidate, John Stanley, would not compromise on the issue. Most of the candidates were willing to step aside but Stanley's adamance prevented one ticket opposing the incumbents. Ironically, Stanley would have been the Mayor candidate on the combined ticket but his stubbornness prevented that and led to his defeat.

In the combined ticket, Blase may have been a trustee candidate but would not have been the Mayor candidate since he was the least known candidate in 1961.

In the election the Blase ticket won every seat except the village clerk's post. And ironically, Blase's trustee candidates pulled Blase into office since they led Nick at every poll.

Blase's personal qualities also are mixed. He'll bang the phone down on a caller when his clock is short. And he has great compassion for someone in need. He's got a good heart and he is sensitive to the needs of those less fortunate than him.

Niles is sales-tax rich from the shopping-centers in town. Blase had little to do with this money bonanza. Yet, this \$5 million annual windfall would make Mortimer Sherd look good as Mayor. You can hide lots of mistakes with all that extra money.

Friday night, a mixed bag of people will be honoring Blase. Many will be there because they sincerely believe in his good works. Many others will be there because they "owe" him. Judges and other political appointees as well as businessmen who have profited handsomely by being on the good side of Blase, will be there to bend their knee.

There'll also be the apple polishers, the sycophants, people who like to be a buddy of a successful politician. Ed Vrodoiyak, head of the Cook County Democrats, is also likely to be in attendance. The presence of this mixed bag of people best expresses what Nick is all about.

Skokie blood drive

The Skokie Community Blood Program will host its monthly community blood drive on Wednesday, May 14. The drive will be held from 3:30 p.m. to 7:30 p.m. in the luncheon room of G.D. Searle, Searle Parkway, Skokie. Donna Mohrlein, chairperson of the

secretary of the group, will give a presentation and lead a discussion on tennis at the May 17 meeting.

Skokie Public Library's newly-acquired Williams Sound System will be introduced and demonstrated to the attendees. Operated on an FM frequency, the system provides amplification of sound for those who have partial loss of hearing, and may be used with one, two or no hearing aid(s).

The addition of the sound amplification system is part of continuous new services being offered through the new program, Skokie Accessible Library Services (SALS). Among other services to deaf and hearing impaired patrons is the availability of the Library's TDD to patrons, both to call in with their reference and information requests, and to call out to other hearing impaired people. Closed captioned videos and video-cassette players are offered for three-week home loan, and closed cap-

We're the last "old timer" we interviewed. And we give Nick mixed reviews. He made some excellent appointments. He also was cruel, ruthless and abusive in his dealing with people under him. He has good administrative abilities which manifests he is well-organized. Yet, the people who have worked for him were notorious in their abuse of candidates running against Blase.

Skokie veterans... Cont'd from Skokie-L'wood P. 1

are unpaid, but the hospitalized veterans who make the poppies do receive a small fee for their work. All monies received from poppy sales go directly to aid disabled veterans and their families and families of deceased servicemen.

This year's Poppy Chairmen are: William Hutchinson and June Czaja appointed by Skokie American Legion Post #320 Commander Oke Olson and Auxiliary President Vivian Schnable; Walter Motyl and Lena Scakover appointed by Skokie Valley Veterans of Foreign Wars Post #3854 Commander John Spahis and Auxiliary President Grace Ohrt; and Norman Feldman, Joseph Lome and Ruth Pfundstein appointed by Skokie Jewish War Veterans Post #328 Commander Harvey Saper and Auxiliary President Lillian Rovner.

Blase's personal qualities also are mixed. He'll bang the phone down on a caller when his clock is short. And he has great compassion for someone in need. He's got a good heart and he is sensitive to the needs of those less fortunate than him.

summer renovation plans. "Now that members have seen our new weight training suite on the second floor, they are becoming increasingly interested in the improvements they can look forward to this fall," she said. Construction is due to be completed by October 1. Fun, Food and Information at Open House

JCC fitness staff will be available to describe renovation plans using architects drawings and floor plans. Tours of the facilities including descriptions of planned improvements will be conducted. "Members may also 'test drive' our new weight training machines in the remodeled fitness suite, and watch demonstrations of proper use of equipment by staff during the open house hours," reported Vincent Finerman, lifetime fitness director. Open House guests are invited to wear "sweats" or other work-out clothes to try out our new equipment, he noted. Refreshments will be served; dietary laws will be observed. No reservations are needed. While the May 18 Open House is specifically for JCC members, non-members may arrange for a personal tour and sampling of the facilities by calling 675-2200.

Theatres...

Continued from Page 1

Glen shopping center. The Fink Family, who heads F&F management Enterprises, built Golf Mill Theater in 1960. Stein has been manager since the theater opened...debating with "The Errand Boy" starring Jerry Lewis. Theater Two at the site was constructed in 1970 and a third in 1975.

According to Stein, the biggest moneymaker at Golf Mill was "Rocky" followed by the "Sound of Music" and "Jaws". In the heyday of movies, it was not an uncommon sight to see people standing in line all around the theater.

Stein has been the subject of many newspaper articles regarding his efforts in keeping x-rated movies off the screen through the years. A believer in family entertainment, Stein, in the early years, would walk through lines of people advising parents with children the current movie was "too suggestive" for viewing. "It's been 25 wonderful years here at Golf Mill," he said. "I'm going to miss it."

F&F Management still owns and will continue to operate the Morton Grove Theater and Chicago Ridge Theaters, both of which come under Stein management.

According to Stein, the company sold to PHH for financial reasons. "The two theaters were not making a profit with the reduced rates for certain groups which was part of our operation. It was either raising the price of tickets or getting rid of these theaters...and the company opted for the latter," he said.

Employees evacuated the building when the alarm sounded in the building. No one was injured.

Although damage has not been determined pending a report, Blase surmised it would be minimal. Four fire engines and two ladder trucks responded to the alarm.

Deborah L. Ritter
Airman Deborah L. Ritter, daughter of Ronald J. Ritter of 7401 N. Kolmar, Skokie, and Barbara J. Garrison of 5621 N. Richmond, Chicago, has graduated from the U.S. Air Force turboprop propulsion mechanic course at Chanute Air Force Base, Illinois.

Minimal damage in industrial fire

A fire of undetermined origin broke out at the American V. Mueller Co., 7215 Oak Park Ave., at 7:30 a.m., Friday, May 9.

According to Duty Chief Walter Blase of the Niles Fire Department, the small fire was contained to a piece of equipment (which polishes metal instruments) and was quickly extinguished. "Somehow the fire ignited from dust accumulation in the filtering collection unit of the machine," Blase said. "The only problem was the heavy smoke throughout the building that had to be cleared before employees could go back to work."

Employees evacuated the building when the alarm sounded in the building. No one was injured.

MAJOR & MINOR ENGINE REPAIRS

If your impressive deposits have been earning unimpressive gifts like T-shirts, you're really losing your shirt. We've got a lot smarter idea. Open a Cragin Supergift CD and take home free gifts more exciting than any other financial institution is offering today.

How do you earn them? Just choose a CD of 24, 32, 42 or 60 months, paying the high interest rates shown below. Then choose the appropriate free gift (or gifts). Like all Cragin CDs, the Supergift CD is insured up to \$100,000 by the FSLIC.

The more you deposit and the longer the term, the greater your gift. Plus, Cragin gives you the option to choose one gift or several, based on your deposit and the length of CD term. For instance, let's say you deposited \$16,000 for 24 months. The chart tells you that you are entitled to one gift from items

5, 6 or 7. Or, you can select any two gifts from items 1, 2, 3 or 4. So long as your \$16,000 deposit is equivalent to two \$8,000 deposits, you are entitled to two gifts in the \$8,000/24-month deposit category.

Another example of this multiple gift option: If you deposit \$30,000 for 60 months, you would receive item 12 (the JVC Cam Corder Video Camera). However, you can instead make the following choices: a. Two items from the 8, 9 and 10 group. b. Three items from the 5, 6 and 7 group. c. Items 1, 2, 3 and 4, plus one selection from the 5, 6 and 7 group. d. Or any combination of gifts whose respective deposit requirements equal \$30,000 within the

Don't settle for less than Cragin's Supergift CD - featuring incredible free gifts and top interest.
