

Grazian named to fill District 207 vacancy

At a special reorganization meeting of the Maine Township High School District 207 Board of Education on Thursday, Dec. 18, Dolores Grazian of Morton Grove was appointed to fill the seat of Howard M. Blassman until the regular election in November.

Blassman died December 12. Grazian, a past president of the Mothers' Club at Maine East High School and Apollo PTA, has been active in a variety of youth-related organizations in Maine Township since moving to Morton Grove in 1964, including Maine

East Athletic Boosters, Maine East Music Boosters, and the Park Ridge Swim Club. A registered nurse and the mother of eight, she has also served as a delegate to the District-63 Caucus, as a member of the

Niles Fire Department emergency number

The Niles Fire Department telephone number for fire or ambulance emergency is 827-2121. Telephone stickers are available from the fire department during normal business hours. By using the proper telephone number your request for emergency service will not be delayed. Some communities have the 911 system, but due to telephone company technical problems, the Village of Niles does not have this system. Any number used other than the emergency number of 827-2121, will cause a delay in the fire department receiving your request for emergency service.

Proposed housing for elderly calls for 10 story, 282 unit complex

Congregate complex gets Zoners' nod

by Sylvia Dalrymple

A proposed congregate housing complex on a 6.1 acre site on Golf Rd. near Western Ave. received the go-ahead signal from the Niles Zoning Board at Monday's meeting.

The 10-story, four-wing designed building is being planned as a supportive residential complex for independent, active elderly people, age 62 and older,

according to attorney Myron Minuskin, representing Senior Lifestyle Corp., developers of the \$22 million project.

Plans call for 282 units and 11,500 square feet of retail space. Monthly rental fees will be \$650 for a studio apartment, \$950 for a convertible unit, \$1,200 for a one-bedroom unit (single occupancy)

Bears Fans Re-visited.....

Last January we reported the Callero brothers, Jim Glanos and Harry Pestine and his son Jason were on their way to New Orleans to help the Bears win the Super Bowl game. There was joy in the land. And our super-Bear fans were on an all-time high.

Tuesday morning we tracked down the same guys expecting them to be at an all-time low. But surprisingly, they were all upbeat.

Jimmy Callero, the youngest of the brothers who help the local troops in their financial battles with Uncle Sam, spoke with his characteristic bluntness: "The Bears got their rumps kicked in and Washington deserved to win last Saturday". Jim Callero thought the Bears were "out-coached".

Other great thoughts from the intrepid football fan were Washington took the crowd "out of the game" when they scored the first touchdown. Jim Callero thought the Bears were just "not in" Saturday's game. He said he didn't think they were as "hungry" as they were last year. He noted William Perry was fined \$40,000 this year for being overweight. He thought "the Fridge" becoming an in-

LGH physicians give new life to Korean boy

Jung Yun Hwang, a 2½-year-old boy from South Korea, will start the new year with a renewed heart, thanks to a successful operation performed at Lutheran General Hospital on Dec. 17.

According to a hospital spokesman, Hwang's heart surgery was underwritten by Lutheran General in conjunction with the "Heal the Children" program, a non-profit organization based in Spokane, Washington. This group brings children to the United States from other nations for the free medical treatment they can't receive or afford at home.

Reportedly the boy had a hole in the lower chamber of his heart that had to be closed by surgeons, and one of the arteries needed enlarging.

Once the recuperation period is over and his release approved by Lutheran General's medical and surgical team, the boy will fly

home to his parents in South Korea. He has been staying with his sponsors, Mr. and Mrs. Frank DuBois of Park Forest, who have an adopted daughter, Cameron, 2½, also from South Korea.

Maine Township meeting

The next maine township Regular Democratic Organization will hold their next meeting on Friday, January 9, 1987, at 8 p.m., at Bunker Hill VFW, 6635 N. Milwaukee Avenue, Niles.

The speaker will be a tax expert who will explain in simple English the new tax law and how it affects you! Bring along a friend! A happy and healthy new year to all!

Optimist Club donation

Ann Hendricks, age 12 from Warrenville, a patient at Lutheran General Hospital's Pediatric Unit, looks over some of the 15 videotapes which were donated to the hospital by the Niles Optimist Club, a philanthropic organization developed to

benefit youth. Making the donation at the hospital are Optimist Club members (l) Nick Bavaro, chairman of the Lutheran General Gifts Program, and John Katsoulas, president.

Niles Senior Men's Exercise group

During the past four years, members of the Niles Senior Center Men's Exercise courses have enjoyed a well rounded physical, mental and social fitness program. More than 40 senior men are taking advantage of the facilities afforded by the Niles Park District at the Grennan Heights Fitness Center, 8255 Oketo. A balanced program of educational, physical and recreational activities are presented on Tuesdays and Thursdays starting at 9:30 a.m. by Bill Zillmer, a registered physical therapist, through the Niles Senior Center.

Last August the men participated in a very successful Niles Senior Men's Olympics which was sponsored by the Niles Park District. Just recently, the men concluded the holiday "fitness for fun" competition. Two teams were formed, the "Grecco Grinders" and "Wetiekam's Wetbacks". During the past two months, the teams competed in a four phase program of fitness room activities, team relays, health knowledge and volleyball. The Wetbacks outdistanced the Grinders in the fitness room activities of strength, agility and endurance with a score of 238 to 228 for the Grinders. Elmer Ludwig, Ed Wetiekam and Marty Haze turned in the highest individual scores for the Wetbacks. Hank Kula, Hank Symer and Carmen Pennacchio had the highest scores for the Grinders. The Wetbacks won the "team relays" championships. Volleyball is the most popular

activity for the senior men. The competition in this area was very close with the Grinders winning 9 and losing 7 during the two months. The Grinders won the health knowledge competition, 44 to 42. Instructor Bill Zillmer commended: "This group of Niles senior men are very dedicated to maintaining good health by participating in the stimulating physical, mental and social programs of "fitness for fun" at the excellent facilities of the fitness center."

Enrollment is currently being

taken for the upcoming 15 week men's exercise courses starting up in the 1987. The beginner class will be held on Tuesdays, starting February 10. The advanced class will be held on Thursdays, starting February 12. Both courses begin at 9:30 a.m. Advance enrollment is necessary and can only be done through the Niles Senior Center. Tuition is \$7.50. Further inquiries may be directed to program coordinator Karen Hansen at the senior center: 967-6100 ext. 376.

Needs of elderly hearings held

The Suburban Cook County Area Agency on Aging is conducting six public hearings on the needs of the elderly. Major topics of the hearings include: Status of funding for senior services in suburban Cook County (Older Americans Act, State General Revenue Sharing, other...); Reauthorization of the Federal Older Americans Act. Service priorities for Area Agency funding, including Protective Services (Elder Abuse, Elder Abuse) Access Services (Transportation, Information and Referral, Casemanagement), In Home Services (with special attention to home delivered meals), Community Services (with special concern for the Senior Center and where applicable, congregate meals).

Area Plan Issues - Service issues for the communities with concentrations of older or younger elderly, media and aging, and targeting those in greatest need. Interested Service Providers, leaders of senior citizen groups and organizations, local officials and/or staff, other persons and residents of suburban Cook County are encouraged to attend. The local hearings will be held Wednesday, Jan. 14, 1:30-4 p.m. at The Levy Center, 1700 Maple ave., Evanston, 869-0727. This will cover Evanston, Niles, Northfield, New Trier and Maine residents.

Thinking about retiring?

People planning to retire next year or in the future should not wait until the last minute to get answers to the questions they may have about Social Security. This may lead to a delay in benefits or Medicare coverage, or even the loss of benefits in some cases. The people at any Social Security office can answer a person's questions about retirement benefits. In addition, a special leaflet entitled "Thinking about retiring?" is available for the person contemplating retirement. The leaflet gives answers to questions most frequently asked by people planning to retire.

Many people retire at the beginning of the year because it permits them to wrap up their affairs more conveniently. However, you may retire at any time during the year without affecting your right to benefits or the benefit amount. Social Security generally suggests that people apply 2 or 3 months before the month they wish their Social Security checks to begin. This gives the office time to process the claim and take care of any problems that may crop up. You may apply by mail, by telephone, or in person. Once a person is interviewed by phone, the rest may be handled by mail. The best times to call the office to assure prompt service is during the latter part of the month, on Thursday or Friday and in the afternoon. A person applying for retirement benefits should have his or her Social Security card or a record of the number, an official record of birth or baptism recorded early in life or other evidence of birth; a copy of his or her W-2 form for the last year; or if self-employed, a copy of the self-employment tax return for the last year since recent reports may not yet be in the records. If spouses and children are also eligible, evidence may also include a marriage license for a spouse and birth certificates of spouse and children. People who have questions about retirement should call any Social Security office.

1986: A year of progress and setbacks

by Sylvia Dairympole
In Niles history books, 1986 will be the year where major events took place and made marks on the town...with a few steps backward and many more forward.

As the year ended, major progress came with the revamping and enclosure of the Golf Mill shopping center. Improvements are in the works for the southern portion of Niles with the development of an open landscaped area at Milwaukee Ave. and Albion to provide an aesthetic entranceway to the village.

The end of the year also saw the closing of the Niles Branch Library. Trustees of the Niles Library District made the decision following an unsuccessful referendum in November seeking to raise the tax rate from 15 cents to 25 cents per \$100 of assessed valuation. Residents living near the branch library are appealing the board to keep the facility open.

In other news, the 1986 year kicked off with village officials creating a task force (Niles Senior Housing Committee) to study congregate housing facilities for the elderly, which in turn, would free up homes to attract young families to Niles. Early in December, the Committee gave its recommendation for a proposed congregate housing complex to be constructed on Golf Rd. near Western Ave. The \$22 million project must now obtain approval from both the zoning board and the board of trustees.

Niles hit the news in February with the closing of Bubbles Bistro, 9046 Golf Rd., an alleged gay bar. Owners of the facility accused Niles police of harassment because of frequent ID (identification cards) inspections at the facility, causing a loss in business. Police claimed the visits were compatible to those made at other bars in the village.

In May, Mayor Nicholas Blase celebrated his 25th year in office at a party held in his honor at the Chateau Ritz in Niles. Blase would not commit himself on whether he would run for another mayoral term.

In late Spring, the controversial Lawrencewood shopping center was up for sale for the third time. Again the deal finalized because of a reported disagreement between the developer and property owner Robert Krilich over the purchase price.

However, the deteriorating shopping center may see new life in the future following action by the village board to turn the site into a tax increment financing district to attract developers.

Asbestos removal not a necessity for parks

Niles Park ponders purchase of Ballard school

Funeral services held for former SJB teacher

Funeral services were held Monday, Jan. 5 for Dorothy Ross, a second grade teacher at St. John Brebeuf School from 1966 to 1978. Mrs. Ross, of Northbrook, taught at St. Norbert's School in Northbrook after leaving Niles.

Mrs. Ross is survived by her husband Chester and was the dear mother of Carol (Alan) Barney; Susan (Mark) Collins; Mark Ross; Nancy Ross (Phil) Dodson; Dr. Mary (Randy) Lage; Peggy Ross (Bob) Titzer; Michael and Martin. Fond grandmother of Ross, Adam, John, Joseph and Philip. Dear daughter of Ann and the late Anthony Dusiewicz; dear sister of Lorraine Jackimiec, Geri (Aaron) Schwartz and Bro. Francis, C.R.

The Funeral Mass of Christian Burial was celebrated at St. Norbert's Church, Northbrook from The Handekamp Funeral Home, Northbrook. Interment was in Sacred Heart.

If officials of the Niles Park District decide to take over former Ballard School for the \$1 sale price offered by School District 63, the park district may not have to pay for the cost of asbestos removal in the building as part of needed improvements. According to Bill Hughes, park director, that item would be a "plus factor" in purchasing the building located at Cumberland and Ballard. "In conversation with school district officials in bringing the building up to par, we were talking in the neighborhood of \$500,000 for asbestos removal, plumbing and sewer costs, refinishing of floors, etc." he said. "However, we were told that asbestos removal was not state-mandated, but a school board decision for all schools in the district," he said. "That means the park district may not have to take on the expense for this type project."

Hughes recently toured the building to obtain information on the layout and condition of the building in line with the park district's goal to acquire additional space for administrative offices, recreational programs and possibly after-school activities. Continued on Page 30

Mayors support Oakton fund-raising campaign

The Oakton Community College Foundation received endorsement this week from district mayors and presidents to the College's "Challenge to Excellence" capital fund-drive. A mayor's committee, chaired by Frank J. Chulay, President of the Village of Lincolnwood, was formed to offer assistance to the 2.6-million-dollar campaign. Supporting the fund-drive, Chulay said that "Oakton has given us very much, and we can be proud of its quality, distinction and achievements. We want to offer the College our allegiance, devotion and assistance for this most worthy cause."

The mayors and presidents who have pledged their support to the campaign are Mayor John E. Seitz (Des Plaines), President Continued on Page 30

Niles Fire Dept. calls

The Niles Fire Department answered 26 fire alarms and 38 ambulance calls between Dec. 29 and Jan. 5. On Dec. 29, firemen assisted Des Plaines firefighters on a report of gasoline leakage at the Tristate Standard gas station, 9608 Golf Rd. Upon arrival, they found gasoline leaking from a tanker which was wedged against a car. Firefighters sprayed the area with foam and used a cutter on the fender of the tanker to free it from the auto. Units stood by until the tanker was emptied of gasoline.

Firemen responded to a fire in the parking lot of 7301 Milwaukee, which was quickly extinguished. On Dec. 30, someone maliciously opened a dry chemical extinguisher on the second floor of the Golf Mill Professional Building setting off a smoke detector. Firemen reset the alarm panel. A small of smoke was reported at Imperial Clevelite, 6300 Howard St. on Dec. 31. The cause was traced to a coffee maker which started a small fire in the office.

Damage was estimated at \$1,200. Firefighters on Dec. 31 west to 8720 Dempster St. where flames were shooting out of a tar wagon. Firemen used dry chemicals to extinguish the fire. There was no damage estimate. A smell of smoke was reported at 8909 Washington St. on Dec. 31. The cause was traced to a smoldering light fixture in the basement. Damage was estimated at \$20. A smell of smoke was reported at 8427 Clifton on Jan. 1. The cause was traced to bacon grease which flared up in the oven smoking up the house. The oven was turned off and a smoke ejector was used to clear the room. Firemen went to the Venture store at 8500 Golf Rd. on Jan. 2 where they found a small pile of towels smoldering in the dry goods section of the store. Firemen found store employees were controlling the small blaze and a pump can was used to extinguish the rest of the fire. Firemen searched for possible arson evidence with negative results.

For the third consecutive year, the Northwest Italian American Society in Niles has donated and distributed fifty (50) food baskets for the needy. Packaged with goodies, this year's baskets contained milk, cheese, hams, peas, corn, fruit cocktail, peaches and pears. Also included were fresh fruits, candy and two pound containers of honey coated nuts. Chairman of the food basket drive, Todd Bavaro stated "with the efforts of the members and our Optimist brothers, we hope to continue this event annually."

Firefighters graduate

Two Niles Firefighters recently completed an 82 hour Emergency Medical Technician course at Evanston Hospital in Evanston. The two firefighters now go on to take the Paramedic Course in Evanston at St. Francis Hospital. The course will cover such subjects as Coronary Care, I.V. Therapy, and many other areas of medical assistance.

Shown above (l-r) are Firefighter Richard Teper, Coordinator Barbara Kamper, and Firefighter Martin Feld.

Township Council extends hours

Bob McGann, executive director of the Maine Township Council on Alcoholism, has announced that the agency has extended its hours to include evenings and Saturdays.

New hours are 9 a.m. to 8 p.m. Monday through Thursday, 9 a.m. to 7 p.m. Fridays, and 9 a.m. to 3 p.m. Saturdays.

McGann said he was able to expand the agency's schedule by replacing one part-time staff member with one full-time counselor. There are four staff counselors.

New counselors are Frances

Woltjen and Josephine B. Kennedy. Woltjen's experience includes work as an education and referral officer at Catholic Charities' Central States Institute of Addiction. Kennedy is enrolled in a doctoral program in clinical psychology at Chicago School of Professional Psychology. The Maine Township Council on Alcoholism is a non-profit public health agency that provides diagnostic evaluation, individual counseling, referral service and information to alcoholics, their families, friends and employers. Counseling is provided to clients on a sliding fee basis, making it possible for alcoholics to find help regardless of their incomes. The Council also offers remedial education classes for Driving Under Influence (D.U.I.) offenders who are referred by the courts, the Illinois Secretary of State's Office or their attorneys. The agency is located at 985 Graceland ave., Des Plaines. For information or an appointment, call 297-0240.

Disabilities advocacy group seeks members

The North Suburban Coalition for Citizens with Disabilities will meet at 1 p.m. Friday, Jan. 9 in the Maine Township Town Hall, 1700 Ballard rd., Park Ridge.

Interested persons are invited to join the newly formed group which will address some of the major problems facing handicapped people including housing, transportation, education and legislation.

One of the first issues successfully addressed by the Coalition was passage of SB 1699, the Comprehensive Health Insurance Plan (CHIP), which will make it possible for disabled persons and victims of catastrophic illnesses to obtain reasonable insurance. Information on the bill will be available at the meeting.

The suburban coalition, part of a larger statewide organization, serves as an umbrella organization for individuals as well as groups representing members with a wide variety of disabilities.

Maine Township Supervisor Paul K. Halverson, who spearheaded the effort to form the suburban coalition, said, "By working together, our group will have a greater voice and a greater input on solving the many problems facing handicapped people."

For further information on the coalition, contact Donna Anderson at the Maine Township Town Hall, 289-2510.

Art and music classes for older adults

Painting, modern culture and the American music are among courses offered for Emeritus students, age 50 and over, at Oakton Community College, East, 7701 N. Lincoln ave. Classes will begin the week of Jan. 14.

"Painting" (ART 132 002) will meet from 1:30 to 4:10 p.m. Tuesdays and Thursdays. Students will develop a basic understanding of painting materials including watercolors, oils and acrylics. An advanced class (ART 232 002) will also be offered at the same time.

"In-Modern Culture and the Arts" (HUM 101), instructor Anne Schultz will discuss contemporary art forms, literature, music, graphics and design arts. TV and film and examine the forces influencing these arts. The class will meet from 9:30 a.m. to 12:30 p.m. Thursdays.

The musical traditions of American music, popular and classical, will be explored in "Introduction to Music U.S.A." (MUS 145 001). Works of classical music composers such as Gershwin, Copeland and Bernstein will be studied and popular musicals, jazz, blues and rock will be examined. The class will be held on Wednesdays from 9:30 a.m. to 12:30 p.m.

To register, call Shirley Rosenberg, 635-1414, or Bea Cornelissen, 635-1812.

Mitten tree grows at St. John Lutheran

On Thanksgiving Eve, a large Christmas tree was "planted" in the foyer of St. John Lutheran Church and Day School (Missouri Synod). This annual Advent Season project is co-sponsored by the children of the Christian Day School (Mr. James Holibaum, Principal) and Sunday School (Mrs. Lois Holibaum, Sunday School Superintendent). St. John Lutheran is located at 7429 N. Milwaukee ave. (one block south of "Laruen") in Niles.

Members, friends of the congregation, staff and children at S.J.L. enthusiastically watched the Mitten Tree as it continued to grow to overflowing. On December 23, Pastor Stoebig and students hand-picked the large crop of colorful mittens, gloves, hats and caps, scarves, beret and gloves sets, and infant pajamas.

Newborn parents groups to begin

The Armour Child Guidance Service is offering the first in a series of parenting groups. The first group is for those of you who are new or expectant parents. If you have asked any of the

following questions, then our group is for you: Are you feeling overwhelmed by the responsibility of a new infant? Are you unsure of what to expect from your new baby and from paren-

thood? Is parenthood what you expect? Join us on Monday evenings starting February 2-March 23 from 7-8:30 p.m. Learn more about your baby, parenthood and how to do more than just survive. We will cover such areas of infant development, stress and time management, communication and problem solving with your spouse, parenting self-confidence, the single wage earner and the two wage earner families and changes to expect after the baby comes home. Meet others who are in the same stages of parenting as yourself and learn that your feelings and doubts are shared by others.

Pre-registration is required. The cost is \$75 per family for 8 weeks and includes all supplies and refreshments. The groups are being conducted by Abby Watel, ACSW, Clinical Coordinator, Armour Child Guidance Service and Joy Perlstein Moss, ACSW. Registration ends January 26. Call CHILDSERV at 298-1610 and ask for Abby Watel.

Endometriosis Support Group

Prentice Women's Hospital and Maternity Center of Northwestern Memorial Hospital has established a city-wide endometriosis Education and Support Group. Endometriosis is a condition that affects women of child bearing age. It involves the reproductive system and can cause pelvic pain, infertility and other problems. Occasionally, however, many with the disease have no symptoms at all. The Endometriosis Support Group was initiated to provide a means for women with endometriosis to support and help each other with problems associated with this disease.

Monthly, professional speakers will offer information regarding such topics as diagnosis, types of treatment, preventive factors, pain control and effects endometriosis has on relationships. Being an informed consumer helps a woman deal with the challenging aspects of endometriosis as effectively as possible and assists collaboration with her doctor for the best treatment options for her own unique circumstances. Women are in a unique position to help others in a similar situation. They understand what women are going through since they have experienced endometriosis themselves. Participants of the Endometriosis Support Group exchange information, share and learn from each other. Group members may support those experiencing pain, stress and facing difficult decisions and assist each other in coping. Peer support can be very beneficial.

The Endometriosis Support Group meets the first Tuesday of every month from 7 to 9 p.m. at Northwestern Memorial's Prentice Women's Hospital and Maternity Center, 333 E. Superior St. For more information or an appointment please call 908-7503.

SCIENCE OF GEMS

You know scientific discoveries affect your health, but did you know they also affect your gemstones? Just as scientists experiment and explore to make discoveries that help doctors help you, research gemologists experiment and explore to learn more about fine gems.

Scientific studies focus on data or findings which are not fully understood. In the world of gemology, for instance, gem-quality garnets have been somewhat hard to classify because the garnet is chemically complex. In the end of the 1960s, garnets began to be mined in East Africa. These garnets did not fit the standard classifications which had been used until then.

You probably don't need to know that a new way of grouping garnets was recently proposed in a professional magazine by researchers at the Gemological Institute of America. You do need to know that the properties of garnets, (including chemical, physical, and optical properties) are used by our professional jewelers to your benefit.

Understanding the gems we work with means we can order well to make fine quality gems available to you. Because we are your professional jewelers, we follow the advancements in our field. We know the complexities of garnets, and we can show you some simply beautiful gems. Drop by to see our garnet collection.

Off the Niles Police Blotter...

DUI arrests

A Niles man was arrested for drunk driving, following too close, improper lane use and no village vehicle tag on Jan. 2. Police observed the offender weaving from lane to lane and following other cars too closely in the 8000 block of Milwaukee. A traffic stop was made at Main St. He was released after posting \$3,000 bond pending a Feb. court date.

A Chicago man was arrested for drunk driving and driving off the roadway on Jan. 1. The offender was driving westbound of Main, and at Washington and Main could not negotiate a left turn. He drove off the roadway and struck a 12 foot fence at Maryhill Cemetery. He was released after posting \$1,000 bond pending a Jan. court date.

A Morton Grove man was arrested for drunk driving and failure to reduce speed after he was involved in an accident on Dec. 31.

The offender was driving northbound on Greenwood and while attempting to change lanes struck a car.

He was released on \$1,000 bond and assigned a Feb. court date.

Vandals spray paint

An official of the Niles park district reported Dec. 31 that someone sprayed black paint on the slides at Jozwiak Park. The paint can be cleaned off by the maintenance crew.

Auto break in

A Des Plaines man reported Dec. 27 that someone broke the door window of his car parked in a parking lot in the 9100 block of Milwaukee and removed a radar detector valued at \$150.

Holiday-decorated home vandalized

A resident in the 8400 block of Normal reported Dec. 27 that someone damaged a motorized Santa Claus decoration on the front lawn. The figure, which was found in two pieces on the street, was valued at \$100.

In addition, two Christmas dolls valued at \$300 and other decorations worth a total of \$400 were removed from the front lawn.

The victim stated similar incidents have occurred the day after Christmas in past years. He advised to ask for a special police watch when putting up outdoor decorations next Christmas.

Man charged with theft

An Evanston man was arrested for retail theft on Dec. 28.

A Sears security agent observed the offender remove a pair of jeans from a shelf worth \$27.81, obtain a cash refund for the item and attempt to leave the store.

A check showed a previous record of retail theft. He was released on \$10,000 bond pending a Jan. court date.

Flag thefts

The owner of an insurance company in the 7700 block of Milwaukee Ave. reported Jan. 2 that someone removed an American flag and a Merry Christmas flag from a 30 foot pole in their parkway. The 3 by 5 flags were valued at a total of \$50.

The victim also reported that persons unknown removed a 3 by 5 Star Spangled Banner on Thanksgiving day.

Police dispense party goers

Police responded to a call of a loud party in progress in the 8300 block of Osceola on Dec. 27.

Upon arrival, police saw between 60 and 70 males and females running around the house, yelling and throwing beer cans around. After police dispersed the crowd without incident, about 20 subjects lingered in the area until they were told to go home.

During questioning of five persons between the ages of 17 and 20 (who appeared in a semi-intoxicated state) police advised them to go home.

Police found the resident homeowner was in Washington and his 17-year-old son was hosting the party. Police also found empty beer cans and a taper keg of beer in the basement, with the floor doused with spilled beer.

The son was given a summons for consumption of beer by minors, which is to be given to his father on his return home.

Unlawful Weapons charge

A Des Plaines man was arrested for unlawful possession of a switch blade knife on Dec. 27.

Police received a report that a man wearing a trench coat with blood on his hands and carrying a handgun was walking in the area of Dempster and Grace Sts.

Police located the subject in the 8500 block of Milwaukee and a search revealed he was carrying a switchblade knife and a survival knife in a sheath. No handgun was found on his person or in the area. During questioning, the offender said he had cut himself while sharpening a knife at a friend's house.

He was released after posting \$1,000 bond and assigned a Jan. court date.

Auto burglarized

A Des Plaines man reported Dec. 28 that someone broke the hatch off his car near a bowling alley in the Golf Mill shopping center. Once inside, the offender removed a stereo worth \$500.

Shoplifters arrested

A security man from J.C. Penney's observed a man put on a jacket valued at \$29.95 and attempt to leave the store without paying for the item.

He was released on \$1,000 bond pending a Jan. court date.

A Sears security agent observed a woman remove a pair of jeans from a shelf worth \$27.81 and obtain a cash refund for the merchandise. She was stopped as she was exiting the store.

A check showed the offender had a previous record and was released on \$10,000 bond pending a Jan. court date.

Store fires prompt investigation

Police responded to a report of a fire at J.C. Penney's on Jan. 2.

Upon arrival police observed that nine throw rugs on the second floor were still smoking after a security agent had extinguished the small fire.

The security agent said two women were near the area and left after he put out the fire causing \$136 damage.

Police surmise a cigarette lighter was used by the alleged offenders.

The women were described 5'4" weighing 145 pounds and appeared to be 50 years of age. In a similar incident at Venture store, 8500 Golf Rd., police found that someone had ignited a pile of face, hand and bath towels displayed on a metal shelf. Damage is undetermined.

Police are conducting an investigation.

Home burglaries

A Niles house was broken into between 8:25 a.m. and 3:15 p.m. on Dec. 30 in the 8400 block of Ozark.

According to police reports, the offender gained entry via the lower level entry door leading into a separate apartment connected to the house.

Taken was \$1,000 and several pieces of jewelry (value undetermined) from one of the bedrooms. The offender exited through a bedroom window on the second floor.

Victim will make a list of other missing items.

A resident in the 8800 block of Golf Rd. reported Dec. 30 that when he returned home at 12:30 p.m., he found the front door ajar.

A search of the house revealed that various cabinets in the apartment were open and the offender had rummaged through dresser drawers in the bedrooms.

Taken was a bag containing jewelry valued at a total of \$22,750 that was in a coffee can in a kitchen cabinet, \$275 in a hall closet, along with a rifle worth \$800. Two shotguns, two rifles and two handguns were not taken.

The victim will submit a list of other missing items.

Liquor sales to minors

On a routine liquor control inspection, police sent a 20-year-old village employee into a tavern in the 7600 block of Milwaukee to purchase liquor.

The bartender-clerk sold a six-pack of beer to the minor without asking for proof of age. The owner and bartender were arrested for sale of alcoholic beverage to a minor and were assigned a Jan. court date. The owner must also appear before the village's liquor commission.

Police also arrested a bartender at a restaurant-bar in the 7900 block of Caldwell under similar circumstances on Jan. 2 and charged him with sale of liquor to a minor on Dec. 30.

According to police reports, the minor purchased a mug of beer and was not asked to display proof of age.

MG women charged with drug possession

A Morton Grove woman was arrested for unlawful possession of cannabis on Dec. 28 while police were investigating a theft that occurred at Service Merchandise last month where the offender was a previous employee.

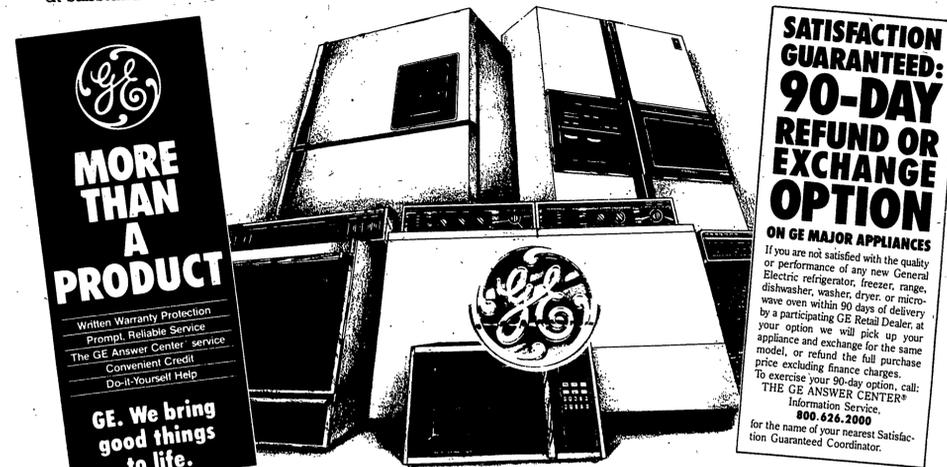

Police received information she was at a Morton Grove motel and were let in the room by the woman. They detected an odor of marijuana and observed two plastic bags containing a green leafy substance.

She was released after posting \$1,000 bond and assigned a Jan. court date. She will also be subject for further questioning on the theft case (jewelry was missing) at Service Merchandise.

I Bet You Didn't Know

By Jim Jennings

Surprisingly, 8 of the first 20 Super Bowls have been won by head coaches who never played football themselves in the National Football League. They are Vince Lombardi who won Super Bowls 1 and 2... Wes Ewbank who won Super Bowl 3... Hank Stram who won Super Bowl 4... John Madden who won Super Bowls 16 and 19... And Joe Gibbs who won Super Bowl 17.

The strangest pass of the 1986 football season happened in the NFL on Sept. 7 when there was a pass from Bernie Kosar to Bernie Kosar... Cleveland quarterback Bernie Kosar threw a pass, but the ball was batted in the air by Chicago lineman Richard Dent... Kosar then caught it and ran for a gain.

The most unusual Super Bowl game ever played was Super Bowl 5 between Dallas and Baltimore... There were 11 fumbles and interceptions in that game and the Most Valuable Player was on the LOSING team... Linebacker Chuck Howley of Dallas was voted the Most Valuable Player of Super Bowl 5 even though his team lost the game!

If you mention this ad after your deal is consummated (but before delivery) Jennings Chevrolet will deduct \$50 from the purchase price of your new or used car. One deduction per customer. One deduction per transaction.

Motorcycle icing racing at Lambs

Over 200 motorcycle racers from the midwest will compete in the 8th Annual Yamaha Midwest Championship Ice Races, January 11 and 18 at Lambs Farm in Libertyville.

On both Sundays, spectators will be treated to five hours of action-packed ice racing on the frozen Lambs' Lake. Seventeen classes of motorcycles will be run each weekend, from the smallest class, the Pee Wees, to the large open-pro motorcycles. As an added attraction, an open class of 3 and 4 wheel ATVs has been included.

Yamaha Motor Corporation, U.S.A., through its participating local dealers, will have a display of new 1987 Yamaha motorcycles and ATVs. Children ages 7 to 12 can test ride Yamaha 4 wheel ATVs with parental consent and a \$1 donation to The Lambs. ATV test drives will take place in the Yamaha corral located in The Lambs' children's farmyard.

Kustra speaks out on White Sox stadium

State subsidies for a new White Sox Stadium in Chicago could open the door to requests for state assistance from many other sports enterprises, Sen. Bob Kustra (R-28) said today.

Speaking against state backing for the stadium in Senate debate, Kustra called on colleagues to oppose the measure and look for another funding mechanism to help keep the White Sox in Chicago. He urged formation of a bi-partisan task force to help Chicago find a local revenue source for the new stadium. The bill was narrowly approved by the Senate and the House of Representatives.

"To come before the General Assembly with this package of subsidies the same week that we have had to tell the homeless, the drop-outs and truant, the victims of domestic violence and the retired teachers that we can't afford more assistance for them makes absolutely no sense," he said.

Kustra commented that he had intended to support efforts to keep the stadium in Chicago, but he had expected this to be accomplished through an infrastructure plan. "This bill provides subsidies of \$5 million a year. It puts the state of Illinois in the stadium business, and this is almost unprecedented, except in New Orleans," he said. "It redefines the relationship the state has previously had with businesses-- and they ARE businesses-- that hold sports franchises and it could bring a long line of sports enterprises wanting help from the state."

Kustra said the measure creates a Stadium Authority of seven members with power to issue up to \$120 million in bonds for construction of a new stadium and to levy an additional 2 percent tax on hotel and motel rooms in Chicago.

Senior upset over Golf Mill/ Golf Glen 'bargain prices'

Dear Editor:
I believe I speak for the hundreds of senior citizens who reside in Niles who purchased the \$1 discount tickets at the Golf Mill and Golf Glen theaters to see a movie at "bargain prices".
It was an appreciated gesture, especially for the many folks on fixed incomes, to enjoy this affordable entertainment.
Then suddenly, without notice, the "bargain prices" went up to \$2.75.
Why can't the managers of both theaters be good sports, and allow the seniors to attend one more movie, and turn in the discount ticket as a kind gesture? Maybe they will consider bringing the prices down to \$1.50, and filling the movie houses once again.
Most of us enjoy a good movie.

Township grateful for food donations

Dear Editor:
On behalf of my staff and the Maine Township Board of Trustees, I would like to take this opportunity to thank the hundreds of people whose generosity helped make the holidays a little brighter for their less fortunate Maine Township Neighbors.
This holiday season many people donated thousands of dollars worth of food, including turkeys and hams, and new toys. This enabled the township to distribute 135 food baskets - 25 more than last year - to needy families for Thanksgiving and Christmas and more than 300 toys to needy children.
All of the unused food will be used to stock the Township Food Pantry to meet residents' emergency needs during the coming winter.
Each year the number of holiday baskets we have distributed has grown, but so has the generosity of a very caring community. We hope to continue this practice as long as the need is there, and we know we can count on the wonderful people of Maine Township to help us do it.
Very truly yours,
Paul K. Halverson

Nilesite has 'glowing' memories of the Bears

Dear Editor,
Last year I had an "Oh-nee-ro" (dream) and it came true with the Chicago Bears going to the Super Bowl XX in New Orleans, which I attended with my father-in-law, John Touney. This year I could smell roses (Rose Bowl - Pasadena - Super Bowl XXI), but instead I settled for lilies. The Chicago Bears lost to the Washington Redskins 27 to 13, just three games away from that beautiful scent of roses.

Bird lovers please help!

Dear Editor:
A few days before Christmas, two successive waves of geese flew over Lincolnwood, headed northwest. I listened with pleasure to the honking of their delightful cacophony. But where were they going? Where did they come from?
Stanley G. Harris
6956 N. Kolmar Avenue
Lincolnwood, IL 60466

Despite the loss, the 1986 season was really enjoyable, tailgating in my Winnebago. I was able to attend every home game and one away game in Tampa Bay against the Buccaneers, with many of my friends, true Bear fans. Each game we arrived at Soldiers Field three hours before kickoff to enjoy a brunch of scrambled eggs, French toast, grilled pork chops, baked ham, au gratin potatoes, and of course our beverages.
At our last home game on Saturday, we had a true Greek feast: souvlakia (shish-ka-bobs) on the grill, feta cheese, Greek olives, homemade bread baked by my 87 year old mother, potato salad, strawberry jello mold and the usual beverages. With this spread, we even attracted the W.G.N. cameramen. The aroma of the souvlakia travels. We were on Channel 9 that evening.
People who know I am a die-hard Bear fan ask how am I handling the sorrows of a Bear defeat? What sorrows? We had a fantastic season with a 14 and 3 record. I enjoyed every game, as coach Ditka said, "This is a fun game and they enjoy playing, no matter what the results." I enjoy watching them and I have fun with my friends. I have had no time to be sad. Instead I have a memory of a fantastic party shared with a brother-in-law Tom who came up from Decatur, a friend Chuck, who drove in from Iowa, another brother-in-law Ken from Roselle and several other regulars. That memory of such a good time will be treasured long after the memory of the Bear defeat. So I have no regrets or disappointment. Instead, I say, "Thank you, Walter, Jimbo, Willie, Dan, Steve, the Fridge, and others!" I can't wait till next season and to San Diego, 1988 Super Bowl XXII site.

Interesting Facts From John Jennings

Irving Berlin wrote the song "God Bless America" in 1918-but it was never sung in public till 1938; thus one of our most famous songs sat in a drawer-unsung by anyone-for 20 years.

Why is the Vatican called "Vatican"? It was built in a section of Rome known for years before as Vatican Hill.

Only one U.S. President ever earned a doctorate degree-Woodrow Wilson.

The highest land in Florida is only 345 feet above sea level-while the LOWEST point in Colorado is 3,350 feet above sea level.

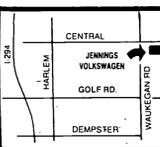

Although William & Mary College sounds like a co-ed school, it took from 1693 to 1918 before women were admitted there.

And, here's another interesting fact...

Dentist opens new office

The Chicago Dental Society announces that Teresa Grygo, D.M.D., has opened an office for the practice of general dentistry at Suite 106, 1600 West Dempster, Park Ridge.

Dr. Grygo, a 1986 graduate of the Henry M. Goldman School of Graduate Dentistry, Boston University, also holds an undergraduate degree in biology from Loyola University.

For those needing such services, Polish is spoken in her office in addition to English. Office hours are available by appointment Monday through Saturday and some evenings by calling 298-4020. The phone is answered on a 24-hour basis for those needing emergency dental treatment.

Edgewater Hospital holiday

food drive

Edgewater Hospital reached its stated goal of one-hundred food baskets for area needy according to the holiday food drive coordinators, Bobbie Matz and Mickey Elseng. Community residents from West Andersonville Neighbors together (W.A.N.T.) contributed not only food items, but their time and efforts during the packing. Edgewater's Social Service Department received many of the baskets for distribution along with the Philadelphia Church, Care For Real, Uplown Ministry and the Jesus People.

Students spread holiday cheer

The spirit of the holidays was carolled through the halls of Edgewater Hospital recently by a group of Mather High School students. As the yuletide choir sang the songs of the season, Santa Claus delivered gifts to hospitalized patients.

According to Edgewater Hospital's Adopt-A-School Coordinator, Doctor Stewart Lipton, this is the fourth year Mather High students have volunteered

their time and merriment to cheering others. Ms. Eva Nicholovich, Assistant Principal, along with Ms. Elizabeth Rolande, a math teacher and student council sponsor at Mather accompanied the following students: Brook Benjamin, Joanna Bev, Derrick Connor, Rania Dankha, Kristina Delvalle, Linda Egli, Susan Ko, Amy Mikel, Christine Mikel, Michele Moreno, Robert Moreno, Colleen Murakana.

Also, Nina Feinartz, Paula Feldman, Lavanza Frith, Shana Gale, Lauren Guzik, Treena Hausek, Heidi Holzkammer, Holly Holzkammer, Eliza Jin, Ron Kelly, Jenny Ko, Sharrin Namoridi, Jason Neiman, Andreas Papakostas, Mata Pavlis, Gisela Plazas, Jennifer Reiter, Debby Small, Mia Tatic, Bryan Kent Wallace, Beth Winer and Lildeanya Winfrey.

New Parkside Recovery Center in Lombard

Mr. William J. Mueller, President of Parkside Medical Services Corporation, announced this week the acquisition of the SAFE Program of Lombard, Inc., in Lombard, Illinois. It has been renamed Parkside Recovery Center/Lombard, and will continue to be under the leadership of Daniel H. Angres, M.D. This alcohol/substance abuse facility has intensive day and evening outpatient treatment programs, together with optional residential independent living programs. In addition to working with the general population, Parkside Recovery Center/Lombard will maintain its existing special programs structured for impaired professionals...doctors, attorneys, clergy, and executives.

Parkside Medical Services Corporation, a subsidiary of the Lutheran General Health Care System, now owns or operates over 50 free-standing and hospital-based alcohol and drug abuse treatment centers from coast to coast in this country.

Northwestern to host Back Care Program

Eight out of ten Americans will experience back pain at some point in their lives. Ten million people a day are treated for lower back pain. Yet, almost all back pain is preventable.

With these facts in mind, and with special emphasis on preventing back pain, Northwestern Memorial Hospital's Department of Rehabilitation Services offers a comprehensive, individualized Back Care Program. Participants receive a thorough back evaluation, attend four therapeutic/educational sessions, and are given individualized home exercise and body mechanics plans. The Back Care Program is considered outpatient therapy, which is reimbursable under many health insurance policies.

Interested persons should contact Northwestern Memorial's Department of Rehabilitation Services at 908-3229 by January 9 for more information, or to arrange for a physician referral to the next Back Care Program series which begins Wednesday, Jan. 14. The first three therapeutic sessions meet on consecutive Wednesdays from 4:30 to 6:30 p.m. with the fourth session meeting one month after the previous session.

Hypnotherapy sessions offered at St. Francis Hospital

A series of hypnotherapy sessions developed to help smokers succeed in becoming nonsmokers will be offered at Saint Francis Hospital of Evanston. The program is coordinated by the hospital's Adult and Child Guidance Center. The sessions will be held Monday, January 19 and Wednesday, January 21, at 6:30 p.m. The cost for attending the sessions is \$75.

Hypnotherapy classes to assist in losing weight are also offered. Weight loss classes will be held Monday, January 5, January 12, and January 19, at 7:30 p.m. The cost for the sessions is \$110.

The weight loss and stop smoking hypnotherapy sessions are conducted by Dr. Paul Petersen, clinical psychologist. To register, send a check to Saint Francis Hospital, 355 Ridge Avenue, Evanston, Illinois 60202, and indicate "stop smoking" or "weight reduction" on the envelope. Or call 492-6250 for more information.

Good trips begin with good travel agents

Since its beginning in 1973, Windjammer Travel Service has served the vacation needs of the northwest suburban area. Located at 8044 N. Milwaukee Ave. in Niles, Windjammer has a staff of professional travel consultants ready to use their expertise on your behalf to make your winter vacation a special one.

If you are searching for a new ski experience, Windjammer can put you on the "champagne powder" trails of the USA or the wide-open snow fields of the magnificent Alps. Sun Valley... Aspen... Jackson Hole... Reno/Tahoe... Innsbruck, Austria?

Windjammer's agents can sort out the options for you, and save you time and money besides.

If cruising the blue waters of the sparkling Caribbean is to your liking, a professional agent can find the ship that fits your style and your pocketbook. They

can advise you about itinerary and provide valuable tips about ports of call.

If you just want to follow the sun, let a Windjammer consultant offer you a selection of locations within your budget.

Windjammer agents make it their business to travel extensively and keep abreast of services available to their clients. They know about seasonal rates, discounted airfares, trip insurance, meal plans, foreign currency exchange... plus "inside" tips that can only be learned from first-hand experience.

All of this professional advice adds nothing to your travel budget. Travel agencies derive income from commissions from suppliers. The consumer pays the same rate whether services are purchased directly from a supplier or from a travel agent.

Uptown Federal posts third quarter profits

Uptown Federal Savings, with returns of 6.404 percent on average assets, is one of the two best performing savings institutions in the country. This was disclosed in a study of high-performance savings and loans published by the National Thrift News, from data furnished by the Federal Home Loan Bank Board.

The figures are for the year ending June 30, 1986. Uptown Federal and an Indianapolis institution, Union Federal Savings, were the only two thrift institutions in the country whose returns on average assets exceeded 6 percent.

The previous year, Uptown Federal was first in the country in returns on average assets in its size range, then \$300 million-\$1 billion. In recent months, Uptown's assets have grown to exceed \$1 billion.

Uptown, which merged with Niles Federal Savings last May, recently announced plans to merge with two more Chicago-area savings institutions: Ben Franklin Savings based in Oak Brook, and Palatine Savings of Palatine. The resulting institution will have assets exceeding \$1.3 billion.

Uptown Federal currently has 19 branches servicing 65,000 Chicago-area families. If federal regulators approve the merger with Ben Franklin and Palatine, there will be a total of 24 branches serving over 100,000 families.

Premier Banks affiliate with First of America

The North Suburban Premier Banks and their six (6) bank holding company, Premier Bancorporation, Inc., have merged with the First of America Bank Corporation of Kalamazoo, Michigan.

The Premier Banks, with assets of \$327 million, currently have 16 offices in Lake and Northern Cook Counties, and have become a division of the Michigan multi-bank holding company.

First of America Chairman, Daniel R. Smith, stated, "We are pleased to have our affiliation with the Premier Banks to be the first interstate merger completed in Illinois since the new reciprocal legislation went into effect on July 1, 1986. We expect that the new First of America Premier Banks Division will continue to expand its markets in the Chicagoland area as other suburban and neighborhood community banks affiliate with us."

First of America Bank Corporation will at year end become Michigan's fourth largest banking company with \$7.6 billion in assets, providing financial services through 45 banks and 347 offices in Michigan, Indiana and Illinois. The Premier Banks affiliating with First of America in the merger are the \$114 million Libertyville National Bank, the \$119 million Golf Mill State Bank in Niles, the \$89 million Grayslake National Bank, the \$74 million First National Bank of Mundelein, the \$22 million Premier Bank of Vernon Hills, and the \$109 million Zion State Bank.

Golf Mill'ing Around The Mall

by Linda Zachow

New Year's greetings from GOLF MILL! This season, characterized as a time of remembering the past and anticipating the future, is usually celebrated with much reveling and gaiety. At GOLF MILL, they've been celebrating the same theme, renewal, since mid-November. Just as some ethnic weddings are celebrated for days, or even weeks, this celebration promises to go on into 1987.

The holiday scene was overwhelming this year. People from far and near came to see, shop and dine at the magnificent mall. Sales figures are sky high! Many stores are competing in nation-wide sales contests and are near or at the top.

There's no better feeling at the end of a day of a year than to see perseverance and hard work rewarded. In spite of grueling schedules, aching feet, and sheer exhaustion, these I spoke with related that experience of satisfaction. I'm sure it has been an additional holiday gift for them and I hope it continues into the new year.

The mall is sort of "home away from home" for many people who spend a good part of their day in their respective stores. As I interviewed and shopped in the stores, I saw real teamwork and friendliness among so many workers. I've also noticed friendships developing in neighboring shops - competitors with similar wares for sale - but friends nevertheless.

Last week Dr. Clearfield and Mike Balaz, manager of SERVICE OPTICAL, both remarked about the beautiful music they heard from BALDWIN PIANO & ORGAN COMPANY next door. Dave Berkowitz, of OAK TREE called and asked me to send get well wishes to Wendy Schwartz of THE LIMITED who was recently injured in an auto accident.

The holiday season is a time to remember old friends who have worked in the mall and served the Niles community for many years.

SEARS, one of the original anchor stores, was my first stop. I spoke with Shirley Stee and Harold Gorski, both of the SHOE DEPARTMENT. Shirley is a veteran of 17 years and Harold 20 years.

Shirley shared the importance of training in the proper fitting of shoes and the diligence required for fitting infants and children.

When I asked Harold what his best memory of 1986 was, he didn't have to think long. It's his beautiful, new granddaughter, Melissa Lynn, born to son, William and wife Laura Gorski of Mundelein. Melissa's a first, and after being treated to some snapshots of her, I agreed she's gorgeous!

Later that day my daughter Christy and I ran into Winnie the Pooh and Tigger, escorted by Susan Henson, SEARS Special Events Coordinator. It was a real delight for Christy and the other children as they shook hands and hugged one of their favorite storybook characters in the fur.

RICHMAN BROTHERS is another store that's been in GOLF MILL a long time. I was privileged to interview Harry Purrell, whose been with RICHMAN'S for 20 years, 18 of them at GOLF MILL.

I asked him to share some memories of the old mall and one of his fondest holiday memories was the chestnut vendors who frequented the mall each Christmas selling roasted chestnuts.

He reminisced about the many celebrities that frequented the mall when Mill Run Theater was a neighbor. He had the opportunity to meet celebrity stars like Tony Martin, Steve Lawrence and Eddie Gorme, Cyd Charisse, and Shecky Greene.

He's just as excited about the new GOLF MILL MALL and remarked "no expense was spared in the enclosure to make it the wonderful place it is." Harry's retiring sometime around July, 1987, but the thing he's most excited about now is possibly winning a sales contest pitting Golf Mill Richman's in a nationwide battle for breaking last year's sales records. The race isn't over quite yet, but GOLF MILL is up near the top.

Larry Erickson, manager of RICHMAN'S, is gung-ho on this contest, too. First prize is a trip to Mexico with prizes for each employee.

Rodney Thompson and Giovanni Suarez, RICHMAN employees, are anticipating serving their country in the Armed Forces in 1987. Rodney will be leaving soon for basic training in Texas. An enlisted man, he hopes to make the Air Force his career. Giovanni Suarez will become a member of the Marine Reserves in March. He attended Oakton College and hopes to attend UIC in 1987, majoring in Business Administration. Best of luck to both of you.

Penny Goldberg of Northern Illinois University, a Special Education major specializing in the educable mentally handicapped, works at RICHMAN'S on school breaks. I'd say they've got quite an ambitious team over there. Best of luck in the sales contest too.

Here's wishing my friends at GOLF MILL and you, my readers the best in 1987.

Local students end EMP program

Among adult students with business experience who recently completed the Elmhurst Management Program (EMP), a special designed format of the business administration major at Elmhurst college, were Roger Ignatius and Richard Swanson of Morton Grove.

Upon completion of EMP and all other graduation requirements at the college, students earn the bachelor of science degree with major in business administration.

JCC offers investment seminar

"Financial Planning After Tax Reform," a two-hour seminar offered in conjunction with the Sentinel news-magazine, will be held on Tuesday, Jan. 13, 7:30 p.m., at the Bernard Horwich/Mayer Kaplan Jewish Community Center (JCC), 5050 W. Church st., Skokie.

Columnist and financial planner Glen Movish will discuss investment planning and how tax reform affects investments. Admission is \$2.

For further information, contact the JCC at 675-2200.

St. Paul poster contest winners

Two Niles residents were honored by St. Paul Federal Bank For Savings for their entries in the "Small Fortune, Big Future" poster contest sponsored by the bank.

The students honored for their winning designs were Julie Schweigert and Cari Waller.

Both students won honorable mentions in the grades 5-6 division. They each received a \$5 cash prize.

Julie and Cari are both fifth grade students at St. John Brebeuf School.

Open to third grade through high school age children in the Chicago metropolitan area, the contest challenged students to illustrate the importance of saving for their future goals and dreams.

The winning posters will be on display in Center Court at the Brickyard Shopping Center, corner of Narragansett and Diversey aves., Chicago, from Jan. 13-19.

Finance program at library

Les Goldstein, an Associate Vice President, Investments, with Dean Witter Reynolds, Inc., will offer a seminar on financial planning, Monday evening, Jan. 12 at the Lincolnwood Public Library. The program, to begin at 7:30 p.m., will include a philosophy for investing that suggests that liquidity plus growth plus income equals success!

Specific topics that he will address include: problems that fixed income investors now face, financial planning (goal setting and income vs. growth vs. tax advantage), a philosophy for investing, fixed income alternatives, and the new tax law changes.

The seminar is free and open to the public, and is to be held at the Library, 4000 W. Pratt ave.

Avon's Christmas for Children

Rolene Keller (r), community affairs manager for Avon Products, Inc., Jean Kristmann (l), assistant community affairs manager, and Benny the Bull of the Chicago Bulls, entertain members of the Boys and Girls Clubs of Chicago at Avon's "Christmas is for Children" celebration at the Hyatt Regency Chicago.

The "Christmas is for Children" program, sponsored by Avon Products, Inc., enables disadvantaged youth to earn Christmas gifts for their families. Members of the Boys and Girls Clubs of Chicago performed a variety of community service projects and earned "holiday coupons" which they redeemed for gifts donated by Avon.

Willows alumnae at Career Day

Marilyn Brownell, class of 1980, talks with Renee Matuszczak, a senior at The Willows, after Career Day 1986.

Three Willows alumnae participated in the school's annual Career Day program this year.

The alumnae representatives talked candidly about their careers, how Willows Academy and college prepared them for later life and the problems and rewards that are encountered in today's society. Chris Passalino, class of '77, spoke about her career in the world of interior design while Stephanie Vivit, class of '82 touched on many issues that are matter relating to the dignity of life and death in her field of Bio-Medical Ethics. Marilyn Brownell (formerly Collins), class of 1980, related her experiences to the students in the world of finance. An informal

question and discussion session followed the presentations.

The school also hosted six other speakers who told the students about their individual fields and how the students could prepare for a career in that area. Speakers and their professions included: Pat Phalen of Channel 11, Broadcast Analysis; Dr. Raphael Carreira, Psychiatry; Mr. Jerome Pope, Management; Mr. Romuald Matuszczak, Travel Industry; Joan Jansen, Real Estate; and Mr. Leo Newcombe, Accounting.

At the end of the sessions all speakers joined faculty members and administrative staff for refreshments.

New District 207 computers

Susanne Bagwell, a computer programmer for Maine Township High School District 207, helps Gerry Slapak, an administration center secretary, set up a new computer at the Ralph J. Frost Administration Center. The new computers, which are IBM-compatible, use a software package to do word processing. Designed to intertwine academic and administrative computer systems more closely, the new computers will be placed in all administration center departments as well as many departments at Maine West during the 1986-87 school year. The computers were chosen after a 45-day trial of computers from several companies by school employees. According to Dale Manning, Director of Data Processing for District 207, the computers were chosen on the basis of ease of use as well as cost. Workshops to train staff members in the use of the new computers are currently underway.

Notre Dame Illinois State Scholars

The Illinois State Scholarship Commission recently announced the 1987-88 Illinois State Scholars. Of this year's Scholars, fifty-two are students at Notre Dame High School. Although program participation by high schools is voluntary, nearly all Illinois' top students elect to have test scores and high school class rank sent to ISSC for consideration in the popular program. About 10% are named State Scholars and receive a Certificate of Achievement for the accomplishment.

In order to enter the competition, high school students must take the ACT and/or SAT examination between January 1 and June 30 of their junior year of high school and have the scores sent to ISSC. Selection of Scholars is based on a combination of their test scores and their class rank at the end of the junior year.

The following students from N.D.H.S. have been designated Illinois State Scholars:

Marillac Honor Roll students

Marillac High School students from the area who placed on the "A" Honor Roll are Jocelyn Nocom, Des Plaines and Diane Wagrowski, Park Ridge. Those who placed on the "B" Honor Roll are Kathryn Callero, Niles; Grace Czervinski, Niles; Mary Clsoe, Des Plaines; Anne Gibbons, Park Ridge; Mario Quinto, Niles; Stacie Jakobi, Niles; Mary Lee, Skokie; Mary McMahon, Park Ridge; Anne O'Grady, Des Plaines; Catherine O'Grady, Niles; Anita Peter, Des Plaines; Kristen Psarras, Des Plaines; Laura Ranquist, Park Ridge; Janet Rezeplia, Niles; Kathleen Schultz, Morton Grove; Shelly Baker, Park Ridge; Colleen Burke, Morton Grove; Laura Donzelli, Park Ridge; Melissa Fieri, Niles; Suzanne Flood, Park Ridge; Amy Henneman, Park Ridge; Catherine Hoffmann, Park Ridge; Joanne Kohn, Des Plaines; Marie Vallesterol, Morton Grove and Anette Weres, Niles. Micro-CAD course at Oakton

Computer Aided Design (CAD), the rapidly growing engineering tool that increases industrial productivity, will be taught at Oakton Community College this spring beginning Thursday, Jan. 15.

"Computer Aided Design: Basic Applications," a three-credit-hour class, is open to anyone in the field of architectural, mechanical, and electrical drafting or working as an engineer. The class will be held from 1:30 to 3:10 p.m. Tuesdays and Thursdays, and 6 to 9:20 p.m. Thursdays.

Students will learn the techniques of using CAD for producing high accuracy industrial drawings. Professor Frederick Salzberg will review the basic applications of CAD including initiating commands, menu functions, dimensioning,

and generating detail drawings. Students will receive hands-on experience on IBM-AT computers, equipped with color monitors, and digitized tablet menus.

For information about the course, call Dr. Salzberg, 635-1861. To register, call Oakton, 635-1700.

Regina placement exams

Eighth grade girls who plan to enroll at Regina Dominican High School in the fall will take placement exams from 8 a.m. to 1:15 p.m. Saturday, Jan. 10 at 701 Locust rd., Wilmette.

Each girl should bring two #2 pencils and the \$15 testing fee. For further information, contact Liz Livingston, 256-7660.

Speech Team competition

Speech team at Maine East rings in the new year by participating in the Saturday, Jan. 17, Glenbrook North Tournament. Approximately 30 high schools have been invited to participate. The team ends the '86 portion of the season with the announcement that Maine East for a second time, has been selected by the National Forensic League for the National Award for Excellence in Speech Education.

Helping Maine East win such an impressive award is the effort of the speech team, which recently competed in the Bradley University Midwest Tournament. Gary Hevone and Scott Tzinberg, both of Niles, performed in the radio speaking category and advanced to the semi-finals, as did prose competitor Jim McCoy, also of Niles. Matt Guerrero of Niles place first in novice extemporaneous speaking at Bradley.

stant millionaire implied the loss of the \$40,000 was insignificant to him. The other players' off-field activities leading to earning huge sums of money were indications the team was not hungry.

Callero said the Redskins (Washington) deserved credit for their victory. He said they came into the Bears game taped-up and bruised and with broken bones and they still managed to win.

The Calleros still have their plane reservations for Pasadena. But Jim said his brothers don't plan on using them. Jim and his bride may still head west though being inside the Rose Bowl stadium would no longer be in their plans.

Niles library president Harry Pestine has Bear mania more than most of the 65,000 who were in Soldier Field Saturday. Matter of fact Harry estimated 25,000 of the fans were there for their first or second games. Callero had also noticed the many unfamiliar faces which were located in his seating section. Pestine thought the corporations might have got hold of many of the tickets.

Harry said the enthusiasm was just not there. He felt the crowd was "not in the game" and the 12th man hometown advantage was missing because the crowd was so subdued.

Harry did a bit of Monday morning quarterbacking. He said the turnovers were critical in the Bears' loss. But he zeroed in on quarterback Doug Flutie. He said Flutie did not set his feet before passing the ball. Pestine said Flutie's passes were "sailing" too high for the receivers to catch. He felt Flutie was leaning forward which caused the trajectory of the ball to climb too high. He also thought the Bears' vaunted defense was beaten Saturday.

Pestine, like Callero, said he still has his plane and lodging reservations for Pasadena.

Last year Pestine was on "the inside" of many of the of-

activities. "The school appears to fit district needs," he said.

Hughes explained he will bring back information to park commissioners who, together with staff, will decide if it's financially feasible to purchase the building. "The ideal location would be in the middle of town, but Ballard is not situated in a bad spot. That's not really a problem."

The school district is offering the building for the same \$1 purchase price the library turned down several weeks ago. The branch library located there will close operations on Jan. 31 and be incorporated into the main library on Oakton St.

District 68 officials would like to sell the 43,814 square foot building because of high costs in maintaining the facility. State law requires the district offer the building if it can be offered on bodies before it can be offered on the market through advertising.

Eldon Gleichman, District 63 superintendent, confirmed it is "unlikely" the park district would have to remove asbestos in the building if the sale goes through. "It becomes a park district building and not a student-occupied facility," he said. "It was not a problem in when I was a superintendent of schools there."

He explained the state in 1983 mandated school buildings be brought up to par with life safety codes which include asbestos in schools. However, there was a question whether the building would be student-occupied to comply with state requirements.

The school board, however, decided to remove asbestos from all nine school buildings (open and closed) in its district, he said.

According to Gleichman, asbestos removal work has been completed at Melzer, Washington, Nelson and Stevenson Schools. "Gemini and Mark Twain work will start this summer."

Since the state wanted compliance with general life safety codes within a three-year period, (deadline in 1987) the district will ask for a waiver to do Apollo and Ballard School at a later time," he said.

He noted removal of asbestos costs approximately \$147,000 plus 10 percent architectural fees plus 10 percent contingency fees.

In July, the Niles Events Committee sponsored the first All-American Festival at Golf Mill Park. Despite the heavy three-day rain, more than 50,000 people attended the event featuring food, rides and entertainment.

Golf Mill Park also celebrated its 25th anniversary at the festival with a huge cake shared by festival-goers and a balloon launch.

In October, heavy rains caused flooding in neighboring Des Plaines and Park Ridge, but Niles, Morton Grove and Skokie were fortunate in avoiding any major problems.

In the same month, elementary and school districts received the state-mandated school report cards, with school officials generally satisfied with the test score results.

The 1986 election year was the worst of times for the Democrats because of the "LaRouche" influence plaguing the November elections. According to officials from the Time Township Democratic Organization, voters favored the Republican side of the ballot because of the confusion over the new Illinois Solidarity Party. The party was formed to allow gubernatorial candidate Adlai Stevenson to disassociate himself from the two LaRouche candidates.

As the year came to an end, Niles and 50 other suburbs lost a lawsuit filed against the City of Chicago involving the water rates the suburbs pay for being supplied with Lake Michigan water. The towns involved in the litigation are considering an appeal to a higher court.

In other events, the Chicago Revenue Dept. is attempting to get suburban businessmen with accounts in Chicago to pay the city's 1 percent sales tax.

There was also a death which caused sadness in Niles and other suburbs. District 207 board president Howard Blassman, 32, died Dec. 12 of cancer. He was elected to the board in 1981.

long-range plans," said Grazian. "However, I have always believed that a solid, basic education is very important to a young person's future. Schools must be prepared to provide that basic education even as they adjust to meet the changes and challenges of today's society."

In other action, Ann Rose Sostrin was elected as president of the board and Robert P. Cornelissen was elected as vice-president.

Seminars on investment issues at Skokie Library

"Investigating Investing," a six-week series offered at the Skokie Public Library starting January 14 will offer information on specific investment issues ranging from the new tax laws to estate planning. Seminars will be held at 7:30 p.m. Wednesdays through February 25. There will be no program on February 4. Admission is free. Pre-registration is required.

Each week representatives from major investment and law firms will address particular topics. Skokie Public Library librarian Steve Oserman will moderate and highlight library materials on each topic.

January 14: "Getting Higher Yields from Your Investments" by Larry Barnett, Dean Witter Reynolds, Inc. January 21: "Investing and the New Tax Laws" by Don Hower, Hower Financial Services. January 28: "New Concepts in Estate Planning" by Steve Boren and Salih Acarbulut, IDS Financial Services.

Lincolnwood blood drive

In response to President Reagan's declaration of January as National Volunteer Blood Donor Month, Lincolnwood will have a community blood drive on Tuesday, Jan. 27. The drive will be held at the American Legion Hall, 6900 Lincoln Ave., from 3:30 p.m. to 7 p.m. Blood drive chairperson Marge Dervishian urges all Lincolnwood residents to donate at the drive to help avert a blood shortage.

and \$1,700 for a two-bedroom unit (single occupancy). For a second occupant there is an additional \$300 per month.

According to James Klutznick, president of the Chicago based company, the building will provide seniors with the option of independent living or use of a common dining room providing Continental breakfast and a choice of lunch or dinner. "There will be a full size kitchen in each unit for those who want to make their own meals," he said, adding plans include an indoor swimming pool, outdoor recreational area with seating and play areas, a social center, auditorium and mini-bus service.

A parking plan showed 40 parking spaces for the commercial area facing Golf Road and a total of 300 spaces for residential parking. The retail space will contain a cleaner, beauty/barber shop, pharmacy, grocery store and a bank, according to Klutznick.

Commissioner Tom Biondi said he was concerned about traffic on Golf Rd. and asked if Lifestyle would be willing to install a traffic light near the complex situated directly across the street from the Golf Glen shopping center near the residential highrises.

Minuskin said village officials had discussed the matter and noted the company would contribute 50 percent of the cost of installing a traffic signal.

Residents living near the site objected to an access driveway in the southwest corner of the property on Sherry and Hamlin,

to be used by emergency vehicles and tenants. Because of Mark Twain School nearby, accidents could occur with seniors driving on neighborhood streets.

"Children walk to and from school posing a safety problem," one resident said.

Klutznick said there was a control mechanism on the access driveway to allow emergency vehicles to enter the complex. "We would be willing to restrict the driveway for that use," he said.

The zoning board's recommendation will go to the village board which will make the final decision on the project.

In other business, the board continued a request by Hugh Gallagher for a sideyard variation from 10 feet to 8 feet front and 5 feet at rear of the building at 8115 Overhill.

Plans called for the existing house to be torn down and construction of a brick ranch home on the pie-shaped lot with the rear yard facing a dedicated alley.

According to the board, the alley is unimproved at a certain point near his property and the petitioner would have to grade the alley and pave it with stones up to the property line.

The continuance was granted so that the petitioner could present a grading plan of the alley that would not affect the neighboring property east and west of the site, after neighbors complained of a drainage problem in the alley.

Representatives from PTA/PTO's, Boards of Education, and School Administrators from Niles Township.

The format will be as follows: 8:30-breakfast; 9-short overview of NTL's position; statements and responses of the legislators; and question and answer session from the audience.

Morton Grove library news

The feature film, "The Color Purple" will be shown at the Morton Grove Public Library on Monday, Jan. 12 at 2:30 and 7:30 p.m.

The film is based on the Pulitzer Prize-winning novel by Alice Walker and stars Whoopi Goldberg.

The feature film for February at the Library will not be "Crocodile Dundee", as previously advertised, because its producers have withdrawn it from video and film release. Instead, the Library will show "Tough Guys", starring Burt Lancaster and Kirk Douglas. Admission to all films is free.

The subject of the January travelogue at the Library will be "Cathedrals" and will feature the cathedrals of Exeter, England and Washington, D.C. The

travelogue will be presented on Tuesday, Jan. 13 at 11:30 a.m. and 7:30 p.m. Free coffee will be served at the 11:30 showing.

The work of artists Thelma and Leonard Baer will be exhibited at the Library during January. Leonard Baer has been a commercial artist for 38 years and is a teacher at the Skokie Art Guild. Thelma Baer has exhibited her work at the Chicago Art Institute's Art Rental and Sales Gallery for the past 15 years. Their exhibit will include oils, watercolors, collages and block prints.

Recipients must bring their surplus food identification cards issued by Maine Township. Those who do not have identification cards in the government surplus plus food program should bring verification of residency and proof of income to the township offices at the time of the distribution.

Proof of income must include one or more of the following: Social Security award letter; Paycheck or stub; public aid card; pension award letter; and interest income verification.

Federal guidelines for income eligibility are: \$547 per month for one person; \$735 for a family of two; \$932 for three; \$1,110 for four; \$1,300 for five; \$1,485 for six; \$1,673 for seven; and \$1,860 for eight. Add \$181 for each additional family member.

ted agencies, health services ranked as of greatest importance to area residents. This was followed by alcohol and drug abuse programs, youth and out-reach centers, family counseling, crisis intervention, day care, transportation, in-home care, elderly counseling, confidential assistance for sexually active youth and outreach centers. Of least importance was the need for temporary shelters. With the exception of alcohol and drug abuse programs and temporary shelter, all services were perceived as being well provided. A survey of the agencies providing these services indicates that with the exception of temporary shelter, all needs of the community are being provided by United Way sponsored agencies.

Legion lights old flag staff

Past post commander Dick Kapelanski of the Morton Grove American Legion Post 134 recently joined several Skokie community leaders in wiring, illuminating and decorating the flag staff at the corner of Gross Point and Lockwood. Records indicate the post donated the dedicated this flag staff in 1967.

Film showing to honor Dr. King

Children and adults in the Lincolnwood community are invited to attend the film showing of "The Autobiography of Miss Jane Pittman" in honor of Martin Luther King Day, Monday, January 19. There will be two showings of the film that day, at 2 p.m. and at 7 p.m.

The award winning film traces the life of a fictional black woman from slavery in 1862, to her participation, at the age of 110, in a civil rights protest in 1962.

Admission is free for the film at the Lincolnwood Library, 4000 West Pratt Avenue.
