## District 63 bilingual students on the increase

by Linda Zachow

At Tuesday's District 63 Board of Education meeting a state-required 1986-87 bilingual census was presented. According to the census, 1,315 (4.75%) of the East Maine Elementary School population come from homes

where English is spoken in addition to another language. This figure represents an increase of 73 students (5.59%) over last year's figure. Forty-six foreign languages are spoken in these homes; the

major six being Korean, 183 students; Gujarati, 152 students; Spanish, 142 students; Russian, 112 students; Greek, 107 students; and Polish, 75 students.

Forty-six foreign languages are spoken in these homes; the

370 apartment units get nod second time around

## Ballard Road multiples get Niles approval

by Sylvia Dalrymple

A proposed \$40 million apartment project at Ballard and Greenwood won approval the second time around from Niles trustees when a revised plan was submitted to reduce the density from 400 to 370 units at Tuesday's meeting. Developers also will give \$100,000 to the village, which will be placed in a separate fund and used to attract young families to Niles.

The village turned down the apartment complex proposal in December because of the high rent schedule (\$525 per month to \$1,500), high density and traffic problems. Trustees Bart Murphy and Jim Mahoney voted "no" to the revised plan. "The rents have not changed. I feel that Niles senior citizens can't afford to move there," Murphy said.

## Cable interference caused by 'tricky' sun

Cablevision officials are alerting Niles subscribers that, the time of the year when the sun plays tricks with reception, is approaching. Don Ashton, Cablevision Headend Engineer, said that starting approximately March 1 through March 8, from 3:15 to 3:45 p.m., all satellite services will experience disruption of services which will range from snowy pictures with poor sound to scrambling pay services.

According to Ashton, sun outages occur due to the alignment of the sun and satellites in relation to the earth station receiving antenna. When the sun is directly behind the satellite, the sun overpowers the earth station receiving antenna with microwave noise, which the sun consistently puts out, resulting in poor to non-existent picture quality. The problem does not affect non-satellite stations.

## Fire in vacant house causes \$50,000 damage

The Niles fire Department is investigating a fire that caused \$50,000 damage to a vacant single-family frame house at 8726 Sunset Rd. on Wednesday, Feb. 18. Upon arriving at the scene at about 1:30 a.m. firemen found the

## Village allocates \$12,000 to July 4th parade

Village trustees at a pre-board meeting Tuesday approved \$12,000 for the annual 4th of July parade sponsored by the Niles Park District. The funds will help park district plans to include a marching band competition to be called the "Niles All American Marching Band Festival," according to park director Bill Hughes and Debbie Nelson, superintendent of parks. In a presentation, Nelson said there has been non-participation of bands for the July 4th parade because of yearly commitments to other communities. In addition, most schools do not have summer marching band programs. "Most bands are reluctant to participate in only a parade, but are often eager to enter competition," Nelson said. Hughes explained hosting a marching band festival would in-

crease the number of marching bands in the parade in a more cost effective way than contracting the bands individually. Hopefully, a competition of this type should attract between 10 and 15

## Maine lauds high risk CHIP bill

Maine Township Handicap Services Coordinator Donna Anderson represented the township at a jubilant ceremony Monday, Feb. 9, when Gov. James Thompson signed the Comprehensive Health Insurance Plan (CHIP) bill.

The legislation will create a health insurance pool allowing thousands of Illinois residents who are currently uninsurable because of disabilities of "high risk" medical conditions to purchase insurance.

Anderson, a paraplegic, testified in favor of the legislation before the General Assembly. She also served on the technical advisory board and as a legislative district coordinator for the bill.

Maine Township took an active role in lobbying for the legislation and was the only township among state-wide organizations and public bodies to endorse the bill.

Maine Township Supervisor Paul K. Halverson said, "The township offers many services for the disabled and other residents who will benefit from this plan, and we felt it was extremely important to play an advocacy role in the legislative process."

"CHIP will help reduce the hardships endured by hundreds of local residents who are driven into debt by mounting medical bills when they are denied insurance for medical care. Often, the ultimate cost must be borne by all of us when these people are forced to apply for welfare assistance," Halverson said.

CHIP will make health insurance available to Illinois residents with disabilities or medical conditions such as cancer, diabetes, arthritis, heart disease and sickle cell anemia.

The plan will be operated by an 11-member board of directors who will set premiums at 135 percent of the average rate charged for comparable coverage for individuals of the same age, sex and geographic location. When the cost of the program exceeds the premiums collected, overruns will be funded through state revenue.

## Maine Beat

by Sylvia Dalrymple

### LOCAL CLIFF-HANGER...

Ballard School has been the top subject in the news media lately, with suspense building up via the battle between Maine Township and the Village of Niles, both of whom are interested in purchasing the former school building.

Unless Niles decides to drop its bid (the decision is expected at Tuesday's board meeting), School District 63 would be in the unique position of acting as referee in negotiating with two governmental agencies. That could be as exciting as the "Who Shot J.R.?" cliff-hanger some years ago on television's "Dallas."

Ballard School went on the sales block when the Niles Branch Library (which occupied space in the building) rejected an offer to purchase the building for \$1... setting off a storm of controversy from a group of unincorporated residents called Hold the Library Together, which wanted the branch kept open.

According to the Dist. 63 grapevine, the \$1 offer is not open to Maine Township or the village and the best offer will probably determine who gets to wear the white hat. It all makes for interesting drama on the local scene and residents will stay tuned for the continuing saga of "Who Will Get Ballard?"

### ON THE ICE...

more than 300 skaters participated in the recent Sweetheart Open ice skating competition at the Sports Complex, drawing skaters from Niles, Morton Grove, Skokie, Northbrook (which took first place) and other suburbs, including some as far away as Wisconsin.

The Niles Sports Complex team... composed of skaters from Niles, Morton Grove and Des Plaines... won third place in the field of 28 teams, the second year they achieved the position. The annual event is sponsored by the Skating Parents in Niles (S.P.I.N.), which may be spawning Olympic hopefuls in the future.

## Progress at a standstill on Ballard purchase

Progress continues at a slow pace in the possible purchase of Ballard School by the Village of Niles.

"We are still waiting to hear from School District 63 officials whether we can have the building. There are others interested in purchasing the school or renting space there," said Angelo Marcheschi, Niles village trustee.

Maine Township officials have also approached the District 63 board to acquire Ballard to house the MainStay program. The office is now located in Park Ridge and the lease is due to expire in March, according to a township official.

James Bowen, business manager for the school district said Monday that the school district's offer to sell the building

## Former Zenith property to house suite hotel

Walden Investment Company will develop an all-suite hotel in Glenview after receiving financial backing for the project.

The company's affiliate, Glenview Associates Limited Partnership, closed the purchase last week for the 12.4 acres of land located southeast of the Tri-State Tollway (Int. Hwy. 294) and Milwaukee Ave. (Ill. Hwy. 21). Work is expected to begin immediately, according to a Walden

spokesman. The seller was Zenith Electronics Corp.

Walden, a Schaumburg-based development and hotel management firm, optioned its 12.4 acres in anticipation of the office development, but the option ran out last fall after delays were encountered in securing construction financing.

Zenith put the land back on the market in October.

## Seek benefits for teachers on maternity leave

# District 71 and union to discuss maternity pay

## Niles Fire Dept. calls

The Niles Fire Department responded to 26 ambulance calls and 12 fire calls between Feb. 14 and Feb. 20.

Firefighters responded to the Golf-Mill Plaza, 8500 Golf Rd. on Feb. 14 where they found maintenance men had set off the alarm while working on the sprinkler system.

Firemen went to a store at 8482 Golf Rd. on a report water was flowing in the building on Feb. 16. The cause was traced to a broken sprinkler pipe while remodeling work was being done in a section of the store. The sprinkler system was shut down and the owner was advised to make repairs.

On Feb. 13, firefighters responded to a report that wires were burning at 8243 Osceola. They found wires were down in the alley and stood by until Commonwealth Edison crews arrived on the scene.

School District 71 officials are planning to sit down with union representatives to resolve the issue of compensatory pay to teachers who replace those on maternity leave.

The district was planning to go to court to have vacated an arbitrator's ruling favoring the union on the matter. However, the case was not filed after it was learned the Illinois Educational Labor Relations Board has jurisdiction over this type of grievance, according to Thomas Schleke, school board attorney.

"Although the grievance is before the labor board, we will try to reach some kind of agreement with the union," he said.

The bone of contention was the hiring of two teachers to replace others who went on maternity leave last year. Although the teachers worked full time, the school board did not grant them the full-time benefits because they were considered temporary employees.

The union contends the teachers did everything a full-time teacher does, including full class duties; report cards, and committee and clerical work.

Union officials said the grievance is backed up by the new Illinois Labor Relations Act, which went into effect last year, calling for binding arbitration. However, the school district administration contends the new act does not define a short-term employee and therefore, the issue should not be submitted to arbitration.

"We feel the basic problem is linked to interpretation. Hopefully the matter can be resolved by both parties in the near future," Schleke said.

## Maine Seniors "Race for Roses"

Four members of the Maine Township Senior Citizens were chosen to "Race for the Roses" at the group's February 18 Valentine Party at Brigantes in Des Plaines.

Left to right at the starting gate, the jockeys and their steeds: Pearl Dwork of Morton Grove, racing for Clearbrook Center; Gilbert Benes of Park Ridge, championing LifeSpan; Ralph Nelson of Niles, racing for Northwest Suburban Aid for the Retarded; and John Marsala of Bay Colony, Des Plaines in unincorporated area of the township, whose agency was Glenkirk Association for

Retarded Citizens on the North Shore.

At the end of the race, John Marsala received a horseshoe of paper roses as the winner and Glenkirk Association got a check for \$75. The other three agencies, all chosen from among the social service groups receiving township funding, got \$15 checks.

Valentines donated by the more than 400 senior citizens attending were presented to Lynn Mayschak, Director of Volunteers Services at Oakton Pavilion in Des Plaines, for sharing with the patients there.

**DO YOU HEAR?**  
Learn how we hear and what happens when we lose our hearing. Tips on what to do if hearing loss is suspected, including how to find a reliable hearing aid dispenser, will be discussed by Pamela Fiebig, M.A. Clinical audiologist and lecturer from Northwestern University. The program will be presented at 1 p.m. on Tues. March 3 at Oakton East (Stokkie), 7701 Lincoln Ave. in room 112. There is a \$1 fee for the program.

**HEARING SCREENING/HEARING AID MAINTENANCE**  
A special, no cost, and convenient program for Morton Grove seniors who wish to have their hearing checked and/or their hearing aids maintained can sign up now for an appointment with an audiology specialist. Appointments will be taken for Thurs. March 5 from 9:30 to 11 a.m. in the Morton Grove Village Hall Senior Center, 6101 Capulina Ave. Maintenance will include basic service and minor repairs, while the screening will help identify the beginning of hearing loss. For an appointment call the Senior Hot Line at 470-5223.

**SWEETNESS**  
With aging, sugar is not handled by the body as it once was. Diabetes which occurs frequently in later years, is related to this aging change, and can often be controlled through diet by avoiding refined sugars and by eating less bread and starch. For a free and fast blood sugar test, Morton Grove senior citizens can come to the Village Hall Senior Center from 9 to 10 a.m. on Tues. March 3. Persons coming in to be tested should not be known diabetics and should fast from the evening of the night before.

**NI-GAS**

## Edison Park Lutheran Church

The Midweek Lenten Series will begin Ash Wednesday, March 4, at Edison Park Lutheran Church, 6626 N. Oliphant ave., Chicago. Services will be held at 10 a.m. and 7:30 p.m. The sermon theme will be "I will confess my transgressions to the Lord." There will be special music by the Senior Choir. Holy Communion will be offered at 10 a.m. and at the evening service and the imposition of ashes will be given. Once again, the ladies of the church will serve a simple meal of homemade soup and bread after the 10 a.m. service and before the evening worship. The Wednesday sermons will be based on the theme "The Cross and The Psalms." The Sunday sermons will come from the prescribed text. In addition to music by the church choir, the Maine South Alumni Chorus will

## Archdiocese gives award to SIJ deacon

Richard Ward, a Catholic deacon in Niles, has been commended by the Permanent Diaconate Community of the Archdiocese of Chicago for "ministry to the poor." Ward, a Niles resident, received the Diaconate Community's St. Lawrence Award in surprise ceremonies Saturday, Feb. 14.

A member of the 1985 class of deacons, Ward serves in St. Isaac Jogues parish (6149 Golf Road) but his service to the hungry and the homeless extends beyond parish boundaries. Collecting dated bakers goods and government surplus food, finding shelter for those who have lost their regular housing, serving in a Chicago food pantry, cooperating with an inter-parish food program that serves the entire township - these are daily realities for Ward. In addition, he regularly visits prisoners at the Metropolitan Correctional Center.

Ward's honor came during the third annual Permanent Diaconate Community Convocation, held at Quigley South

## Ash Wednesday Services at St. John Lutheran

The Lenten Season begins at St. John Lutheran Church and Day School (Missouri Synod) on Ash Wednesday, March 4. The Church and School are located at 7429 N. Milwaukee ave. (one block south of Harlem) in Niles. The Family of SJL invites friends in the community to join them in worship and add something to your Lenten schedule each Wednesday during the forty days of Lent. Lent is a time for the people of God to reflect on the passion of Jesus, who showed His love for us by shedding His precious blood on our behalf. It is also a special time for worship, to take extra time each week to thank Him for that love.

## B'nei Brith Phonathon

On Sunday, April 5, B'nei Brith Foundation has scheduled their annual "Super Blitz Sunday Phonathon" to be held at Illinois Bell Phone Center, 212 W. Washington, Chicago, at 9:45 a.m. until 3 p.m. Brunch will be served.

Anyone interested in making calls on "Super Blitz Sunday" is asked to call Thelma at 674-5542. Please give an hour of your time to help raise funds for B'nei Brith Youth Organizations which includes BBG, AZA and Hillel Foundations. Funds are desperately needed to continue our programs for our Jewish Youth.

and crystal registry; rental services; disc jockies; photographers; video productions; limo services; banquet halls; bridal shops featuring gowns and accessories; travel agents; Marie Norman Cosmetics and Skin Care; Tupperware; bakeries; wine consultants; invitations; and Royal Trumpet Works, wedding ceremony trumpeters and consultants.

Visitors are encouraged to enter the various drawings available during the three-day show by registering at participating exhibit booths.

## Healthy Weight Loss Program

You've heard the saying, "Today is the first day of the rest of your life" and it can be so, by being involved in the Healthy Weight Loss Program where 20 lbs. can easily be lost in this 10 week program. The hour and 1/2 class is divided into 2 portions with the first half of class focusing on weight loss while the second half concentrates on weight control through movement.

Paulette A. West, a registered dietician, who works at 2 local hospitals and has a successful career in teaching weight management programs, will conduct the first portion of class which includes a weigh-in and lecture. Paulette will direct each participant toward a personalized meal pattern. Topics to be discussed include sensible fast food eating, meal planning for busy schedules, planning ahead for special occasions, meal plan-

ning for special health risks and how to reduce fat and sugar from your diet without missing them. Time will also be spent sharing ideas and concerns among class members as well as answering questions pertaining to each person's special needs.

The second half of class will feature Maggie Deutsch introducing a well-balanced activity program. Safe, yet effective, body movement and exercise will be discussed and encouraged.

The Niles Park District will be holding these classes on Fridays, beginning March 20 from 9:45 a.m. to 11:15 a.m. Classes are held at the Rec. Center, 7877 Milwaukee ave. in Niles. The 10 week course fee is \$50.50 per resident and \$101 per non-resident. This fee includes all materials. Register now at the Niles Park District office, 7877 Milwaukee ave. in Niles.

### Sorority meeting

## What's Cooking at The Bugle Pantry

### Shaking The Salt Habit

LOW-SODIUM ORIENTAL CUISINE

The popularity of Oriental cuisine has prompted many American cooks to experiment with Eastern methods of food preparation. This easy-to-learn Stir Fry Chicken is a healthy addition to your diet because it's seasoned with NoSalt™ salt alternative. NoSalt provides flavor without the addition of sodium, a plus since many people have been advised to reduce their sodium intake by their doctors. This dish also combines a hint of garlic, ginger, and the subtle taste of sweet sherry to create a unique, yet distinctively Oriental meal.

- STIR FRY CHICKEN**
- 1-1/4 pounds chicken breasts, boned, skinned and cut into strips
  - 1 bunch scallions, cut in 1-inch pieces
  - 1 egg white
  - 1 teaspoon cornstarch
  - 1 tablespoon sweet sherry
  - 1 clove garlic, minced
  - 1/2 to 3/4 teaspoon ground ginger
  - 1/4 teaspoon NoSalt™ salt alternative
  - Dash ground red pepper
  - 2 tablespoons peanut oil

In non-metallic bowl, combine all ingredients except oil. Let stand 15 minutes. In wok or large skillet, heat oil on high until it ripples. Add chicken mixture all at once and stir fry over high heat until chicken is done, about 4 minutes. Garnish with pea pods, serve over rice. Makes 4 servings. Sodium: 74 mg per serving (without rice) Calories: 178 per serving (without rice)

### Nuts to You!

Almonds Live Up Convenient Microwave Meals

Convenience foods and the microwave oven have revolutionized life in the kitchen. A real timesaver, Napa Valley Casserole, cooked the microwave way, is ready in only 7 minutes. So, next time you're in a hurry, let the microwave oven and versatile ingredients, like almonds and leftover turkey or chicken, make your meal a speedy success.

- NAPA VALLEY CASSEROLE**
- 1/2 cup slivered almonds
  - 1 cup quick cooking rice
  - 1 cup chicken broth
  - 1/4 cup sherry or white wine
  - 1/4 cup chopped onion
  - 1/2 teaspoon rosemary, crumbled
  - 2 cups cooked turkey or chicken chunks
  - 1 jar (6 oz.) marinated artichoke hearts, drained
  - Chopped parsley

Spread almonds in a single layer on a paper plate or baking dish. Cook on full power 1-1/2 minutes. Stir and allow to stand 1 minute. Cook on full power another 1-1/2 minutes; cool. In shallow 1 to 1-1/2 quart baking dish combine rice, sherry, onion and rosemary. Cover loosely with plastic wrap. Cook in microwave oven on full power 5 minutes. Arrange remaining ingredients over rice; cover loosely and cook 2 minutes longer, until rice is tender and casserole is heated through. Garnish with chopped parsley, to serve. Makes 4 servings.

*Tp Cook In Conventional Oven:* Cover rice mixture with aluminum foil instead of plastic wrap. Cook in 400°F oven, 12 minutes. Add remaining ingredients; cover loosely and cool 10 minutes longer.

## Wedding music consultants attend Bridal Show

Philip Feo presents "Royal Trumpet Works" at Harlem Irving Plaza's Bridal Show February 27 - March 1. Show hours are from 10 a.m. to 9 p.m. Friday, 9:30 a.m. to 9 p.m. Saturday, and 11 a.m. to 5 p.m. Sunday at the center located at Harlem ave. and Irving Park rd.

Royal Trumpet Works, professional trumpeters, are available to assist the bride and groom in planning, coordinating, and performing their wedding ceremony music. They will be among many other bridal exhibitors participating in this three-day show.

"The presence of brass music performed at a formal ceremony carries with it a long tradition of regal elegance," commented Philip Feo, soloist and manager of Royal Trumpet Works. "Imagine the excitement of a regal entrance as the sound of heralding trumpets beckon a bride down the aisle proclaiming her wedding day!" continued Feo. "Royal Trumpet Works not only provides brass musicians for the wedding ceremony, but also offers the unique service of assisting the bride and groom in the selection of music and the

choice of instrumentation. Every detail is worked out with their organist to assure a professionally coordinated ceremony from prelude to processional!" concluded Feo.

A graduate of the American Conservatory of Music, Feo performs wedding ceremonies, concerts, and liturgical services at various churches throughout the Chicagoland area and can be reached at 520-7428.

# Off the Niles Police Blotter...

## Purse, wallet thefts

A Niles resident told police Feb. 15 that someone removed her purse from a shopping cart at a fruit market in the 7900 block of Niles. The purse contained \$15 and various credit cards.

Two offenders bumped into a Glenview woman at a food store in the 8700 block of Dempster and removed a wallet from her coat pocket on Feb. 17. The wallet contained \$140.

## Jewelry theft

Persons unknown removed a full tray of diamond cocktail rings valued at a total of \$5,842 from Sears, Golf Mill between 5 p.m. and 9 p.m. on Feb. 11.

During this time period, one sales girl was waiting on customers and the display case was locked according to police reports. Police will follow up on the case.

## Lion statue stolen

Someone removed a concrete lion valued at \$75 from a lawn in the 9800 block of Maynard on Feb. 13.

The resident reported that teenagers that same evening were in the neighborhood throwing rolls of toilet paper on trees and bushes. All were released on \$1,000

## Retail theft arrests

A Niles man was arrested for retail theft at Sears on Feb. 16. The offender was observed removing two stereo cassette players and a package of batteries totaling \$83.47 from a display rack. He then attempted to leave the store without paying for the items. He was released on \$1,000 bond pending a March court date.

Three Chicago men were arrested for retail theft and battery on Feb. 14. Security men from Sears spotted one of the offenders remove two \$15 shirts and put them in his coat while a companion acted as a lookout. The third offender then placed a belt worth \$18 around his waist and all three exited the store without paying for the items. Security men attempted to stop them in the parking lot, at which time one of the offenders struck one of the men in the chest with a closed fist. All were released on \$1,000

## Auto break ins

A Chicago woman reported Feb. 14 someone removed her husband's fire uniform and gear worth between \$1,600 and \$2,000 from the back of her truck parked in the Golf Mill shopping center parking lot. Police determined the offender gained entry by pulling on the tailgate popping it away from the locking cap top.

Persons unknown used a hard object to break the rear vent window of a car parked in a parking lot in the 6600 block of Touhy. Once inside, the offender removed an in-dash radio worth \$100.

A Des Plaines resident reported someone removed a radio worth \$800 from his car after he was involved in an accident of Feb. 14. The item was discovered missing after the car was towed to an auto repair shop.

## Home burglaries

Persons unknown gained entry by kicking in the front door of the house in the 8200 block of Washington on Feb. 12.

Taken from several bedrooms were two gold bracelets worth a total of \$800 and a jewelry box containing various items of jewelry of undetermined value. Investigation showed exit was made through a rear sliding door. Shoe prints near the front door were smeared and no fingerprints could be found, according to police reports.

## Blanket thief

The manager of a motel in the 8900 block of Milwaukee reported that a man rented a room about 5:30 p.m. on Feb. 16.

Several hours later, the maid discovered a blanket worth \$100 was missing from the bed. The manager also reported the offender did not pay for phone calls he made totaling \$4.45 and wishes to sign a complaint.

## Spray paint damage

A resident in the 8000 block of Merrill told police someone spray-painted her garage with the word "Sparks" on the door. Damage is undetermined.

## DUI arrests

A buffalo Grove man was arrested for unlawful possession of cannabis and other controlled substance driving under the influence of drugs and various other traffic violations after he was involved in an accident on Feb. 14.

According to police reports, the offender was traveling on Dempster speeding at 65 mph cutting in and out of lanes and struck the rear end of a car, causing it to strike another car traveling in the same direction.

The offender, who was injured, was taken to Lutheran General Hospital for treatment where police found a bottle containing 25 Valium pills in his pants pocket. Also found was a packet of a green leafy substance which was sent to the lab for analysis.

He was released on \$5,000 bond and assigned a March court date.

A Skokie man was arrested for speeding, driving with a suspended license and expired driver's license on Feb. 18.

The offender was observed traveling east in the 8700 block of Dempster at a speed of 54 mph.

He was released on \$2,000 bond pending an April court date.

A Wilmette man was arrested for drunk driving, speeding and failure to reduce speed after he was involved in an auto accident on Feb. 18.

Police observed the offender eastbound in the 8500 block of Dempster at a speed of 55 mph and strike the rear end of a car in the center lane at Ozanam and Dempster. The offender was taken to Lutheran General Hospital for treatment. He was released on \$1,000 bond and assigned a March court date.

A Chicago man was arrested for drunk driving and speeding on Feb. 17.

The offender was stopped in the 8800 block of Dempster and during questioning, police observed a strong odor of alcohol on his breath. The offender posted \$3,000 bond and was assigned a March court date.

## Windows broken

A resident in the 7800 block of Nordica reported someone broke a large plate glass window in the lobby of the building. Damage was estimated at \$1,200.

Persons unknown used a hard object to break a glass door at a hot dog shop in the 9000 block of Milwaukee Ave. on Feb. 15. Damage was estimated at \$300.

## Trailer stolen

A trailer worth \$550 was removed from a fenced-in area in the 7400 block of Harlem between Feb. 17 and 18.

## I Bet You Didn't Know

By Jim Jennings

Amazingly, the height of the basket in basketball—10 feet above the floor—was established by chance when the game was invented in 1891 and has never been changed. The reason 10 feet was chosen was because basketball's inventor, James Naismith, attached 2 baskets to balconies at each end of his gym—and those balconies just happened to be 10 feet above the floor.

Has any basketball team ever played a whole game without committing any fouls?...It happened in the 1928 Kentucky high school tournament when Ashland High won a game and never had a foul called against them.

Here's an interesting baseball question...How can a player score a run in a game WITHOUT ever touching home plate?...There's one way this can be done...If a player hits a home run out of the park but then injures himself so that he cannot run the bases, he would be awarded a run without having to actually circle the bases and touch home.

...if you mention this ad after your deal is consummated (but before delivery) Jennings Chevrolet will deduct \$50 from the purchase price of your new or used car. One deduction per customer. One deduction per transaction.

## Maine East gymnasts come through

Although the Demon gymnasts were off to a slow start early in the season, the girls in blue and white reaped the rewards of hard work at the CSL Conference and Regional meets. Maine East finished 3rd in the Conference behind Glenbrook North and New Trier, who tied for 1st. Leading the Demons was Jr. Felicia Patt, as she took 2nd in Floor Exercise and Bars, and 5th in the All-Around and Beam. Sr. Capt. Lisa Strazzante also contributed to the team effort with an 8.5 on FX and 8.0 on Bars. Sr. Karen Beeflink had a 7.8 on Vault, a 7.7 on Beam, and 7.55 on FX. Jr. Linda Giannakopoulos had an 8.25 vault and freshman Debbie Tingas had a 7.75 on FX for her first Varsity meet. Lee Ann Bravinge on Bars and Regina Bacci on Beam and FX helped round out the Varsity line up. In the CSL JV League meet, Fr. Amy Burns captured the FX Championship with a 7.8, and also took 2nd in the All-Around, along with a 7.2 on Vault. Jr. Chrissy Delort competed in Beam and FX with beautiful, much improved routines, and Fr. Jenny Catania scored a 6.3 on Vault and FX and also competed on Bars. Fr. Allyson Paradise scored a 5.8 in Vault, as well as doing a good job on Beam and FX.

Debbie Tingas

season high of 133.1 points. The East gymnasts started off on Vault, with Patt scoring a 9.2,

good for 1st place and her season high in this event. Teammate Lisa Strazzante hit her season best as well with an 8.8 in Vault, and Linda Giannakopoulos had an 8.55 on a super vault, but unfortunately fell on landing. Beeflink had an 8.1 and Debbie Tingas scored 7.55 for the Demon vault total. On Bars, East's Patt again took 1st with a 9.35, followed by Strazzante with an 8.7, and Beeflink with a 7.55. On Balance Beam, Regina Bacci started out with a 7.2 and Karen Beeflink had an 8.1, good for 8th place. Strazzante had one fall, but still scored an 8.35, finishing in 5th place, and Patt had 3 falls and scored an 8.0. The Demons fared better on floor, where Fr. Debbie Tingas scored an 8.05, along with Strazzante's 8.95 for 7th place and Patt's 9.25, another 1st place championship. Patt and Strazzante qualified for the Sectional meet in the All-Around, plus three individual events each.

### Ranger Squirts

The Ranger Squirts took on a fine Franklin Park Flames team and came away with a hard fought 4 to 3 victory.

The Flames grabbed a quick 1 to 0 lead and held that lead after the first period. Todd Migon got the Rangers on the board with an assist going to John Sikaras. The Flames then took a 2 to 1 lead but Chad Weiner scored on a feed from Migon to quickly tie the score at two all.

The third period continued to be a real nail biter as the Weiner-Migon connection clicked again with Weiner scoring his second goal of the game on a Migon assist. The Rangers gained a 4 to 2 lead when Jim Sikaras scored off a goal mouth scramble with an assist going to Baltazar Rodriguez. The Flames closed to within one goal and kept constant pressure on Ranger goal tender Darren Troch. Troch was more than equal to the task and turned the Rangers hung on for a tension filled victory.

### Squirt Rangers

The Niles Rangers continued their winning ways with a solid 7-1 trouncing of Wilmette. Niles (10-3) never let Wilmette get untracked. The Migon, Weiner connection dominated Wilmette with constant pressure. Migon (3 goals, 2 assists) and Weiner (2 goals, 3 assists) scored in nearly every one of their shifts in the opening period. Other goal scorers for the Rangers were Mike Barrett and Jim Sikaras. Niles, which many experts feel is the best passing and positional team in the league, seems to be getting better each week. The domination of Wilmette was to the extent that if the Zamboni were to clean the ice in between periods only half the ice would have to be done as the Rangers limited Wilmette to 4 shots on goal with 3 of them coming in the third period.

## Mite House League Niles Mite House league playoffs

The Blues who two weeks ago wrapped up the regular season title tuned up for the championship playoffs with a 9 to 2 victory over the Capitols.

The Blues led just 1 to 0 after the first period but scored three times in the second and turned the game into a rout with a five goal third period. For the Capitols Matt Papish had 2 goals and David Zawadzki 2 assist. The Blues had seven players get at least one point but were led by Gus Drivas' 4 goals and 1 assist. Ross Hamburger had 3 goals, Peter Sikaras 2 goals, 1 assist, defenseman Russ Duszak 2 assists, Jim Tragas 2 assists while John Drivas, Kevin Switally and Geno Ori registered 1 assist each.

All teams are now looking to the playoffs that begin February 21 when the Hawks meet the Capitols in the opening round with the winner meeting the regular season title winning Blues for the Mite Ballard Cup and the league championship on February 28.

The Mite House League championship playoffs will be held on Saturday Feb. 21st and Saturday, Feb. 28. Both games will be held at the Niles Sports Complex with game time being 10 a.m on both days.

In the first game the Hawks led by David Christie, Jason Chlopek and their team mates take on the Capitols with outstanding players such as Matt Papish, David Zawadzki and their supporting cast.

The winner of the Hawks VS Capitols game will meet the regular season winners, the Blues, for the Ballard Cup and the Mite House League Championship. The Blues team is led by the season's leading scorers Peter Sikaras, Gus Drivas and their outstanding teammates. Come out and enjoy hockey that is truly fun to watch and cheer our hard working mites on. Everyone is welcome and there is no admission charge.

# Home and Energy

## Consider buying a heat pump

Consumers who are interested in conserving energy would be wise to consider buying a heat pump. It's a type of highly efficient air conditioner that can reverse itself in the winter and help heat your home. Best of all, Edison will help you pay for it. Residential customers can get a rebate of \$100 per ton of cooling capacity for heat pumps installed after September 8, 1986. Ask your heating contractor or call

Edison's heat pump hotline, (312) 294-pump, for more information. Have you ever felt the blast of warm air that comes out the back of an air conditioner or refrigerator? To some extent, it's doing what a heat pump does, but a heat pump can work in either direction, depending on the season. During the summer, it extracts heat from the air indoors and blows it outside. During the winter, it brings indoors the heat

it has extracted from outside air. And there is heat out there; heat from the sun is available even when the temperature drops to -60 degrees Fahrenheit. The addition of a heat pump to an existing gas, oil, or propane furnace results in a highly efficient heating system, especially in a climate like Chicago's. Despite the area's reputation for severe winters, two thirds of the hours between October 1 and May 15 are above freezing. During the milder weather, the heat pump can heat your home without the help of the furnace. When the temperature dips below freezing, the heat pump shuts off automatically and the furnace starts. Later, when the weather warms up, the heat pump serves as an air conditioner. In other words, the device can be used about two thirds of the year. Heat pumps can be purchased from heating contractors and manufacturers of air conditioners. To help you make the best decision as to whether to buy a heat pump, call the Edison heat pump hotline.

Well-known for her numerous personal appearances throughout Chicagoland and for her popular "Mrs. Fix-It" program on WBBM-AM Radio, Beverly DeJulio is highly regarded for her home improvement, repair and redecorating skills. With her forthcoming engagement at the 1987 Spring Home and Energy Show, Bev is making her 9th appearance at Chicagoland's oldest and most respected home improvement show. February 27 through March 1, 1987 are the dates; Harper College in Palatine is the location of the show, and parking is free. Women are quickly attracted to Mrs. Fix-It's methods, for she has the knack of analyzing home improvement projects from a

woman's point of view. When she demonstrates her technique with simplicity and humor, her female audience gains confidence that they, themselves, can complete such projects. It is this method that endears Bev to so many visitors at the Home and Energy Shows. Mrs. DeJulio will appear at the Home and Energy Show daily, and invites both men and women to bring in their questions and problems on home improvements. Discount tickets to the Spring Home and Energy Show are available at leading stores, banks and other outlets across Chicagoland.

## Fund-Raising campaign steering committee formed at Oakton

The Oakton Community College Educational Foundation

has organized a steering committee to plan and direct its 2.6 million-dollar fund-raising campaign. Money raised from this drive will be used to support the College's four strategic priorities: academic excellence, faculty enhancement, scholarships, and campus improvements.

Des Plaines. "Basics of Purchasing," an all-day seminar from 8:30 a.m. to 5 p.m. Tuesday, March 3, will provide an overview of the fundamental functions, duties and responsibilities of a buyer. Participants will gain an understanding of the buyer's role and learn to accomplish a buyer's tasks and deal effectively with suppliers. The cost is \$145.

Buyers, expeditors and purchasing agents who are entering the field can gain the basic knowledge to successfully perform their jobs by attending the eight-week course, "Fundamentals of Purchasing." The course will meet from 6:30 to 8:30 p.m. beginning Monday, March 9. Topics discussed in this course will include "Purchasing Objectives," "Terminology," "Supplier Relations," "Legal Aspects," "Ethics," "Communications" and "Computerized Purchasing." The cost is \$175.

In "Advanced Purchasing Techniques," an eight-week course beginning Wednesday, March 11, participants will learn the new methods of long and short-term purchases. Designed for experienced professionals, the course will meet from 6:30 to 8:30 p.m. and will cover such topics as "Inventory Management," "International Buying," "Purchasing Automation," "Negotiations" and "Materials Management." The cost is \$175.

Other purchasing seminars offered in March will include: "Legal Aspects of Purchasing" on Tuesday, March 24 and "Blanket Order Contracting" on Tuesday, March 31. Seminars will continue in April with Purchasing Trends Update: Effects in the Health Care Industry" on April 1, "Intermediate Purchasing - Impact of Transportation" on April 2, "Manufacturing Resource Planning MRP II" on April 21 and 22 and "Sourcing Strategies" on April 28. For information, call Kim Gordon, 635-1932.

## Drafts cost you money

The blast of cold air blowing through your home whenever the outside door is opened chills the house. It forces the warmed air out the window frames on the opposite side, costing you extra fuel every time.

An entrance vestibule will reduce this draft substantially, and should be built at the front and rear doors wherever possible, suggests the Better Heating-Cooling Council. Temporary, light-weight vestibules may be available at your local building supply warehouse.

Where it can't be done, an extra piece of hot water baseboard can be installed inside the entrance, and connected to the hydronic heating system. The air will be warmed as it moves through the house, reducing those chilly drafts.

# Home and Energy

## Home & Energy show opens three-day run

Returning for its 9th presentation, Chicagoland's original and most successful Spring Home and Energy Show will run from Friday, Feb. 27 through Sunday, March 1, 1987, at Harper College, Algonquin Road (Rt. 62) and Roselle Road, Palatine, Ill.

Devoted exclusively to indoor and outdoor improvements for the home, apartment or condo, the Spring Home and Energy Show will feature more than 200 display booths. National and local suppliers will be on hand to show the latest materials, services, equipment, tools, appliances, cabinetry and furnishings which amateur remodelers and rehabbers can use successfully. In addition, a star-studded lineup of celebrities will offer advice, shortcuts and assistance on interior and exterior improvement projects ranging from room additions to lawn and gardening. Heading the list of well-known luminaries at the show is Bob Thomson, host of the popular "Victory Garden" show on PBS Television (Channel 11 in

Chicago). Thomson's Formal presentation covers, site selection, planting and cultivation, fertilizers, insecticides, trimming and pruning techniques, and much more. Monica Kent, of Trans Designs, an expert interior decorator, will meet with visitors to explain how to get a fresh new look using the power of color. She will also discuss how to adapt the latest trends and designs in art and accessories to the home or office, creating an environment that reflects the individuals' personality and taste.

Rounding out the celebrity roster is master wood carver Joe Dillett from Somonauk, Illinois. Appearing daily in the exhibit area, Joe demonstrates his prowess with carving tools and explains how to get started in carving. He covers design methods, woods, tools, etc., in his presentation. All exhibitors offer the benefit of their experiences to show visitors without obligation. They are prepared to answer questions, make specific

suggestions, help plan projects, develop quotations on products and services, and generally to smooth the way toward successful completion of home show visitors' projects. Many exhibitors offer specific reduced prices during the show, while others conduct prize drawings and other give-aways to individuals who shop for information or demonstrations.

AT&T, the American Telephone and Telegraph Co., will offer free three-minute phone calls to show visitors, utilizing a bank of specially installed telephones. Calls may be made anywhere within the continental United States. All in all, the 1987 Spring Home and Energy Show offers something of value to virtually every home owner, apartment dweller, or condo resident interested in improving his life style. Discount tickets are available in leading retail outlets, banks and other locations throughout Chicagoland. Many corporations

also promote the show to their employees and customers with special ticket mailings. Show hours are: 4-10 p.m., Friday; 11 a.m.-10 p.m., Saturday; 11 a.m.-7 p.m., Sunday, Feb. 27 - March 1, 1987.

## Heat zones add comfort and cut fuel costs

If you are a homeowner who is looking to find ways to cut down on your heating bills (and who isn't?), it may be worth your while to investigate "zoning."

Zoning, according to the Better Heating-Cooling Council, is an efficient method of keeping different parts of the house at individual temperatures. Why keep the bedrooms at 72 degrees, asks the Council, when the entire family is in the living room watching television?

By having separate thermostats in different areas of the house, you heat only those areas where people really need the warmth. In the morning, when the family leaves the sleeping area, turn down the thermostat. In the evening, upon retiring,

lower the setting of the thermostat in the living room or family room.

Heating only part of the house will be more economical, says the Council, not only in fuel consumption but also easier on your heating system, which won't be working so hard.

Adding zone controls is relatively simple for heating contractors. If you have hydronic (warm water) home heating, it can be done with either zone valves or a small circulator. The cost will quickly be made up in lower fuel bills.

The manual damper along the upper edge of hot water baseboards can be used to reduce the heat output in any room when desired.

## Bob Thomson appears at Home and Energy Show

Bob Thomson's extensive knowledge of lawn care and gardening is evident, no matter where he is: appearing on television or in person at the Spring Home and Energy Show, Feb. 27, March 1, at Harper College, Palatine, Ill.

As the soft-spoken and knowledgeable proprietor of PBS TV's "Victory Garden" program, Thomson has developed a loyal Channel 11 audience who turn out in large numbers whenever he appears at the Home and Energy Show. His in-person presentations are always well attended and queries fly thick and fast whenever he opens a question period.

Thomson appears at the Home and Energy Show on the following schedule: Saturday, Feb. 28: 2, 4, and 7 p.m. Sunday, March 1: 12 noon, 2 and 4 p.m. Visitors are invited to attend these presentations and to

have questions ready. Discount tickets to the Spring Home and Energy Show are available at retail stores, banks and other outlets across the Chicago area.

## Spring is the time to expand

If you're thinking about expanding your house this spring, then you'll be grateful if you have hot water heat.

If you're planning to add a room or finish the attic, it's a lot easier extending your present heating system if you have hydronic heat, instead of hot air.

The three-fourths or one inch copper tubing can be run practically anywhere, snaked around obstructions, and is easy to conceal - a lot easier than trying to hide new hot air ducts.

Body types will also be covered as well as personality styles, to determine what suits you best! A maximum of 10 adults will be accepted in this seminar so register early at the Niles Park District office, 7877 Milwaukee Ave., in Niles.

### Pee Wees

The Niles Pee Wee Rangers after a two week layoff from games, played Wilmette Saturday afternoon and came away with a 6-3 victory. The victory raised Niles record to 12 wins and 0 defeats.

Brett Sukeenik opened the scoring with a nice wrist shot from the slot with an assist going to Steve Bosco. Shortly after that goal Alex Zechow went end to end on an unassisted goal to make the score 2-0. The period ended that way with many missed opportunities by Niles and some excellent goal tending by the Wilmette goalie.

In the second period Mike Jesse extended Niles lead to 3-0 with a goal, assisted by Tim Migon. During this period many new line combinations were tried with all the boys getting to play a new position. A little continuity was lost in their play, but I know it was good experience for every boy and the team. Wilmette closed the gap to 3-1 late in the period. Niles got that goal back later in the period with Mike Jesse getting his second goal of the game with a nice slap shot.

The third period saw Niles get two more goals to take a 6-1 lead. The goals were scored by Bill Rourke on a alert rebound shot, with the assist going to Tim Migon. Niles last goal of the game came when Tim Migon scored an unassisted goal early in the period. There was a little breakdown in concentration late in the game and Wilmette scored two goals to come within three goals. The defense tightened up lead by Jim Fitzgerald, Gary Falk, Mike Jesse and Alex Zechow. The wingers, led by Andy Chlopek, Keith Brand, Chris Falkiewicz also played very good fore-checking in the period to keep Wilmette from scoring further.

### Bicentennial Conference

Jeff Fougousse, acting Director of the Morton Grove Park District, has recently returned from a two-day conference on the Bicentennial of the United States Constitution and the Northwest Ordinance. The meeting, hosted by the Commission to Commemorate the United States Constitution in Illinois, was co-sponsored by the national Commission on the Bicentennial of the United States Constitution, and the State Bicentennial Commission of Indiana, Illinois, Michigan, Ohio, Minnesota and Wisconsin.

Fougousse joined 130 other representatives of state and local Bicentennial Commissions at the Westin Hotel in downtown Chicago in discussing ways to enhance the celebration of the 200th anniversary of two of the most important documents in American history. The U.S. Constitution, written 200 years ago in Philadelphia, endures today as the oldest written national constitution in the world. The Northwest Ordinance, passed by the Confederation Congress in the summer of 1787, allowed for a systematic expansion of America westward in the late 18th and early 19th century. And the Constitution included provisions for all new states to become part of the United States, equal to the original 13 states.

Also on hand for the meeting were two members of the national Commission on the Bicentennial of the U.S. Constitution - Phyllis Schlafly of Alton, IL, and William Lucas of Detroit, MI, plus several members of the staff of the national commission. Seminars were held on the Northwest Ordinance, education programs and projects, organization and community participation and media relations, giving the state and local commission representatives an opportunity to share ideas with their counterparts in other states. "This was a worthwhile meeting," said Fougousse. "I think much of the information shared at this meeting will be useful to the celebration of the Bicentennial here in Morton Grove."

### Blackhawks Game

Join the Morton Grove Park District on Sun., Mar. 8 at 6 p.m. as they venture to the Blackhawks vs. New York Islanders game. The Adventure Club has reserved mezzanine seats and will transport you to and from the game for \$20.

Join us for an exciting carefree evening. Registration is taken on a first come, first serve basis. Call 965-1200 for more information.

### Women's Softball Leagues

The Morton Grove Park District is currently accepting applications for its Women's Open and "B" Softball Leagues. The team fee is \$345 plus a \$50 refundable forfeit fee. For more information contact: Gordon L. Jacobson, Athletic Supervisor (965-7447), or pick up an application at the Prairie View Community Center, 6834 Dempster St., Morton Grove, IL 60053.

### I.A.A.I. seminar

The Chicago Chapter of the Independent Accountants Association of Illinois recently sponsored a seminar at the Holiday Inn, 5301 W. Touhy. It turned out to be the largest seminar ever.

John Karahalios, President of the Chicago Chapter of the I.A.A.I., a north side resident and Don Vechiola, Chairman of the seminar are now planning an unusual 2nd Seminar of the year because of the fact that so many people were turned away and the changes in the New Tax Laws. Chairman Vechiola stated that

### "Temporary Help - We Salute You" award

Debbie Temps, Inc. of Niles has honored 70 year old Phyllis Harmon with the 1986 "Temporary Help - We Salute You" award. Debbie Temps has offices in Niles, Wheeling, Schaumburg, Libertyville, Skokie, Elmhurst, Naperville and Chicago.

"It was no easy task choosing just one person out of our highly professional Debbie Temps staff," says Phyllis Galanter, Executive Vice President. "But Phyllis Harmon is truly special because not only is she an experienced, dedicated and efficient employee, but she challenges all the universal misconceptions about 'old age' and teaches us that growing older can be a period of fulfillment and even joy."

Harmon will receive a luxurious pampering day at Elizabeth Arden as her prize. A bicycling enthusiast for 58 years, Harmon vigorously proves that aging does not necessarily mean slowing down. A resident of Wheeling, Harmon is Editor of the League of American Wheelmen, Inc., America's leading bicycling organization, and works as a Debbie Temp when she's not traveling around the world's winning gold and bronze medals in senior olympic competitions.

A widow, Harmon raised six children while working as an executive secretary and book-keeper most of her life. She boasts of typing 95 words per minute and having a photographic memory. Her part-time Debbie Temps assignments also allow her to spend time in Arizona, California, and Florida visiting her grandchildren. "Aging is when you decide to give up the goal you set when you were ten," says Harmon. "That's a mistake! Go after it anyway, and the devil with what people think!"

The temporary help industry is

### "Salesperson of the Month"

Phyllis Harmon the third fastest growing industry in our country and this award is a salute to the over five million temporaries like Phyllis Harmon who contribute to the growing integrity of the industry.

Ellen Ritsos, a Niles resident, started off the new year by being named "Salesperson of the Month" for January at ERA Callero & Catino Realtors. She accomplished that distinction by being involved in five home sales totaling almost a half million dollars during the month. Miss Ritsos won the top sales award three times during 1986, ending the year with over \$2,500,000 in property sales.

Ellen led the sales force at ERA Callero & Catino to a record setting January. The combination of mild weather and the lowest interest rates in seven years, has kept the real estate market busy during a time that is normally slow. The great demand for homes in this area has led to an acute shortage of property available for sale. This is resulting in higher home sales prices and an excellent forecast

for future property value increases.

### Edgar remains opposed to Road Tax hikes

Calling it a proposal that is unfair to motorists, Secretary of State Jim Edgar said Wednesday he opposes the Governor's plan to raise license plate fees and the gas tax, and he called on citizens who agree with him to write their legislators.

"There is a limit to what we can ask taxpayers to accept, and in the area of license plate fees and gas taxes, we have hit that limit," Edgar said.

The Thompson administration's proposal seeks to increase the gas tax from 13 cents to 22 1/2 cents, car plates from \$48 to \$65, and all other license plates, including truck plates, by 30 percent. When this plan was first presented by the Illinois Department of Transportation two weeks ago, Edgar opposed it. Today, he reiterated that opposition.

Edgar said, "While I differ with Jim Thompson on the road tax issue, I believe he has done an outstanding job as Governor and I have the highest respect for him."

Edgar noted that Illinois motorists just went through a large increase in these same taxes. License plate fees for large cars went from \$30 to \$48 in 1984. Small car fees went from \$18 to \$36 in 1984 and \$48 in 1985. That increase generated \$200 million for the road fund. The gas tax increased from 7.5 cents per gallon to 13 cents. Diesel fuel increased to 15 1/2 cents. Gas tax receipts increased by more than \$400 million a year over 1983 levels. Edgar said conditions in 1984 were much different than today.

Three years ago the state road fund balance had dropped to \$40 million. But today, because of the earlier gas tax and license fee increases. The proposed increases would amount to a 35 percent hike in license plate fees and a 73 percent hike in the gas tax.

"Illinois motorists have paid more than their fair share and they cannot understand why license plate fees should be doubled or even tripled over a five-year period," Edgar said.

### Driving Safety hints

by Secretary of State Jim Edgar

Many motor vehicle accidents occur when drivers approach a curve in the road at a high rate of speed and lose control because of improper cornering. Reduce the possibility of losing control on a curve by knowing how to corner properly.

First, slow down when approaching a curve. Downshifting can help to slow down vehicles with manual transmissions.

Never accelerate into a curve. Instead, keep the accelerator in a steady position after slowing down, and turn the wheel smoothly into the curve. At the mid-point of the curve, begin to

unwind the wheel and gently accelerate as you straighten out. Good drivers turn corners so smoothly that they make curves appear straighter than they are.

Be careful when approaching any curve in the road, and remember that your vehicle speed should be slowest before you go into a curve. Then practice the preceding steps until you do them automatically.

Some curves are on road surfaces that are especially slippery when wet. Therefore, slow down even more when approaching a curve in rain or snow.

## Edgar reports success after DUI law's first year

Secretary of State Jim Edgar said Friday that statistics describing Illinois' first year under a new drunk driving law show it has achieved its goal of a "swift and certain deterrent," nearly quadrupling the number of drunk drivers who lose driving privileges.

An analysis of 1986 DUI arrests by Edgar's staff shows 46,978 people were arrested and lost driving privileges during the year, up from 13,047 licenses suspended or revoked in 1985. The law took effect Jan. 1, 1986.

"Our purpose in changing the law was to establish an effective deterrent to drinking and driving. Before 1986, fewer than a quarter of DUI offenders lost driving privileges, despite penalties provided in the old law," Edgar said. "During its first year, 92 percent of those arrested under the new law had their drivers licenses suspended or revoked."

The statistics also indicated most arrested DUI offenders have consumed enough alcohol to reach almost double the legal level of intoxication. "We're not arresting people who merely stop off for a beer on the way home from work. The average arrested drunk driver is almost double drunk."

"This new law is not only tough on paper, it is tough in practice," Edgar said. "We now have the swift and certain penalty necessary to keep people from moving directly from bar stool to the driver's seat. The threat of losing driving privileges has been shown to be the most effective way to deter drunk driving."

The new law established an automatic summary suspension of driving privileges, beginning on

the 46th day after a DUI arrest.

"We think this effective new law is spurring a change in public attitudes. Throughout Illinois, motorists appear to be taking a more cautious and sensible attitude toward alcohol and drugs," Edgar said. "We have a long way to go before roads are free of drinking drivers, but we've made progress. Getting drunk drivers off the road saves lives."

Edgar said he has worked with local officials to iron out problems caused by the added workload under the law. He said new administrative costs should be substantially offset by a law which allows counties to increase fees added to DUI fines to \$30 from \$5. Also, new laws effective this year should streamline administrative procedures for local officials.

Edgar said the new law has so far withstood court challenges, and he anticipates it will be found constitutional by the state Supreme Court. "This law was made tough and effective without interfering with a defendant's rights. Courts have recognized drunk driving as a serious threat to public safety, and they will recognize this law as an effective response to that threat."

DUI statistics collected during the year also provide a unique portrait of the drunk driver in Illinois. His average blood alcohol level is 0.18, with 35 percent of offenders over 0.20, double the legal limit of 0.10. His average age is 31.9, although the age group with the highest incidence of drunk driving is age 21-24. Eighty-eight percent of those arrested are male, and 78 percent are first-offenders.

### Good vision is critical to safe driving

Ninety percent of all driving decisions depend on good vision, according to the American Optometric Association. Recognizing that good vision is critical to safe driving, a vision screening is conducted every time an Illinois motorist obtains or renews a drivers license.

The screening consists of both far vision (looking straight ahead) and peripheral vision (the ability to see "out of the corner of your eyes"). Screenings contribute to traffic safety by restricting some drivers to wearing glasses or contact lenses, using outside mirrors, or driving in daylight only.

Good depth perception is

another important vision skill that can help avoid rear-end collisions. Depth perception is the ability to judge the distance between another vehicle and yourself, especially when both are moving.

Vision screenings are conducted at each license renewal because vision can and often does change significantly in a three- or four-year period. Drivers license renewal notices are mailed 45 to 60 days before the license expires, so renew your license promptly. If you need a professional eye examination, there will be time to have your vision corrected before your license expires.

### Traffic Safety Hints

Motorists who change lanes quickly and turn without signaling risk causing an accident. Before changing lanes or preparing to make a turn, use your turn signal and be sure no one is in your blind spot (the area behind you that cannot be seen in your side and rearview mirrors).

When making a right turn, glance at traffic behind and on your right, slow down, signal and move into the right-hand lane. You must give a continuous turn signal for at least 100 feet (about six car lengths) before turning in a business or residential district. Yield the right-of-way to pedestrians and vehicles in the intersection.

As you make the right turn,

keep as close as possible to the curb and complete the turn in the right-hand lane of the street you are entering. Car drivers should be aware that trucks and buses may need to use the left-hand lane to make a wide turn when turning right.

Before making a left turn, check the traffic behind and on your left, slow down, signal and move into the far left lane. The left turn lane must be used if one is provided, and the adjoining lane may be used if permitted by posted signs or arrows. Yield the right-of-way to pedestrians and oncoming traffic. A left turn may be completed into any lane that is lawfully open to you.

## Tax break open to seniors

Senior Citizens are now eligible for the Homestead Exemption during the year in which they become 65.

The Homestead Exemption has been increased to \$2,000. This will reflect on the second installment of the Real Estate tax bill.

The Senior Citizen Homestead Exemption provides a tax relief by reducing the equalized assessed valuation by \$2,000, which can result in a \$200 tax savings.

To be eligible, senior citizens must be 65 or older, during the year for which they are applying. As of January 1 of the year in question, seniors must either own the property or have a lease or contract which makes them responsible for the real estate taxes.

Senior Citizens may file for this exemption at the Maine Township Assessor's office, 1700 Ballard Road, Park Ridge.

Seniors must provide: PROOF OF AGE: Birth Certificate, Baptismal, Passport (Married women submitting birth certificate must include a Marriage certificate) PROOF OF OWNERSHIP: Warranty Deed, Quit Claim Deed, Torrens, Owner's title policy, Trustee's Deed, Deed in Trust with Trust Agreement, and a Recent Tax bill.

For more information, call Maine Township Assessor's office at 297-2510. You may also apply at the Cook County Assessor's office, Thomas Hynes, 118 N. Clark Street, Chicago.

## Education series on aging

Parkside Human Services' Older Adult Services and Parkside Home Health Services will be sponsoring a five-week education series entitled "Understanding Aging and Its Effects on the Individual and the Family." The group will meet weekly from 7:30 to 9:30 p.m., on five consecutive Thursday evenings beginning March 12 at Older Adult Services, 8975 Church St. in Des Plaines. Thelma Wagner, A.C.S.W., social worker, Older Adult Services, will moderate the series.

The schedule of each session is as follows:

March 12 - Introduction: "The Aging Process" This session will describe the physiological and psychological changes that can be expected as part of the normal aging process. It will feature a film dealing with sensory losses experienced by the elderly.

March 19 - "Depression" Mike Francis, M.S.W., psychiatric social worker at Lutheran General Hospital, will discuss the types of depression found in the elderly and how families can cope with elderly relatives who are depressed.

March 26 - "Dementing Illnesses Including Alzheimer's Disease" Morris Binder, M.D., geriatric internist at Lutheran General Hospital, will discuss dementing illnesses including Alzheimer's disease. The lecture covers some of the other medical problems which cause dementia.

April 2 - "The Impact of the Aging Process on Family Relationships" This session will examine the impact that an aging family member can have on an entire family. It will determine how losses, behavioral changes, and illness experienced by an aging relative can affect family relationships.

April 9 - "Where Do We Go For Help?" This session will explore resources and options for care available to the elderly and their families. Pat Donohue, information and referral specialist, Older Adult Services, will provide information about general procedures to follow when seeking services.

## Lawrence House 'Best Cooks'

Millie Patterson

Bertha Hartig

Three women were the winners of a recent "Taste-and-Tell" Gourmet Luncheon, sponsored by Lawrence House, the senior citizen hotel at 1020 W. Lawrence Ave.

Winning ribbons and accolades were residents Millie Patterson, Bertha Hartig and Harriet Solecki, as their peers voted them "Cooks of the Day". For Patterson and Hartig, this is the second win in as many years.

Patterson's winning dessert, Baked Alaska, took first place, while Hartig's roast turkey and dressing took second. Solecki's third place winner was chicken salad.

More than 50 different foods lined the Lawrence House's Regency Room as the seniors participated in "A Taste of Lawrence House". Voting was by paper ballot and winners were announced by Mary Voss, Lawrence House Social Director. Recipes follow.

### Bertha Hartig's Dressing for Turkey

1 lb. Mild Italian Sausage  
½ lb. Hot Italian Sausage  
1 stalk of celery, chopped  
4 or 5 medium onions, chopped

Take sausage out of casing and put in a large fry pan, brown until crumbly. Add chopped celery and cook for 15 minutes. Add onions and fry until meat is tender, stirring frequently.

**In Large Bowl, mix:**  
1 lb. toasted white bread  
2 eggs  
1 tablespoon sage  
1 tablespoon oregano  
2 cups milk

Tear bread into very small pieces. Add eggs and spices, mix well. Add all of the sausage mixture and mix well again. (If needed add more milk to keep mixture moist.)  
Stuff Turkey and bake as directed.

## Facelift for Park Ridge Healthcare Center

Park Ridge Healthcare Center, a part of its community for over 25 years, has received a facelift. All resident rooms, as well as dining and activity areas, have been completely redecorated and a Beauty and Barber Shop has been added.

Administrator Joy Rathe proudly invites local seniors to stop by to visit her residents and see how personal a small nursing home can be. Volunteers of all ages are always welcome to enrich the lives of those who reside at the center. A new service of Park Ridge

Healthcare is its "Senior Vacation Program," which enables a spouse or other caregiver to have a worry-free vacation. For a weekend, a few days or a month, their caring staff will provide your special person professional care with a personal touch.

Located at 665 Busse hwy. in Park Ridge, the center provides a choice of comfortable private or semi-private rooms, a varied menu which can cater to special diets, an activities program to fit personal tastes and interests, and 24-hour nursing services.

## Public speakouts on Older Americans Act Worry-free retirement for active men

Director Janet S. Otwell of the Illinois Department on Aging announced that public speakouts on the reauthorization of the Older Americans Act, the major federal legislation providing

social and nutritional services for older people, will be conducted in Springfield and Chicago next month by the Illinois Council on Aging, the department's advisory body.

Scheduled for Wednesday, March 11, at the State of Illinois Center at 100 W. Randolph, the Chicago speakout will be held from 1-4 p.m. in Room 503 on the Sixteenth Floor. In Springfield, the speakout is scheduled for Wednesday, March 18, from 2-4 p.m. in Room 122B of the State Capitol Building at Second and Capitol.

"The current authorization for the Older Americans Act is due to expire Sept. 30 of this year," said Otwell. "The Act was first enacted in 1965 and has been reauthorized ten times, most recently in October of 1984. Its purpose is to give older Americans increased opportunities for participating in the benefits of American society," she said.

The heart of the Older Americans Act is Title III, which provides funds for an array of community services, ranging from meals, transportation and case management to information and referral, legal assistance and employment.

Additional information concerning reauthorization issues or the public speakouts can be obtained by calling Rance Carpenter at the Illinois Department on Aging, 785-3142.

The James C. King Home—for men—where retirement means living worry free.

The James C. King Home is a non-denominational affiliate of The Presbyterian Home. The Presbyterian Home is a not-for-profit Illinois corporation.

The woodworking shop at the James C. King Home is one of the many recreational activities available to its residents.

When a man reaches retirement age and beyond, his daily life should not be compounded by worries about who will do his shopping, housekeeping, and cooking. After all, the Golden Years are meant to be just that!

At the James C. King Home, a non-denominational, not-for-profit affiliate of The Presbyterian Home, a man can live worry free.

There's no entrance fee at the King Home, and housekeeping, laundry, dry cleaning, linen service, three meals a day, and a

private room are all included in the affordable monthly cost. There are many recreational and educational activities available at The Home, as well as healthcare facility with around-the-clock medical support.

The James C. King Home is open to all men, age 60 and over, who are ambulatory and in generally good health. Located just a few blocks from downtown Evanston, the King Home is easily accessible. For more information or a personal tour, contact Mrs. Korol at 864-5460.

## Homestead Renewal for 1986

Renewal forms for the 1986 Senior Citizen Homestead Exemption have been mailed, according to County Assessor's Office. They must be renewed and filed each year by Seniors who had registered for this exemption in prior years.

Homeowners receiving the Senior Citizen Homestead Exemption automatically qualify for the Homeowner's Exemption and therefore do not have to apply for the Homeowner's Exemption separately!

This exemption may enable a Senior Citizen to have a reduction of as much as \$200 on the 1986 payable 1987 Tax Bill. To be eligible Seniors must provide the office with:

- Proof of Age: Birth Certificate, Baptismal Certificate, Naturalization papers, or Social Security Form SSA-2458 showing date of birth. (Married women submitting a document with their

maiden name as proof of birth also must include a marriage certificate to show the change of name.)

- Proof of ownership: Warranty Deed, Quit Claim Deed, Torrens Certificate, Trustee's Deed; Deed in Trust with Trust Agreement, Executor's Deed, Owner's Title Policy (Schedule A), Proprietary Lease with a Tax Clause, or Article of Agreement to Purchase with a Tax Clause. (Trust Deeds (mortgages) and Release of Trust Deeds are not acceptable.)

- Recent real estate tax bill: This will verify the Permanent Index Number of the residence for which you are seeking the exemption.

Seniors who wish to renew their application but have NOT received this application may call Assessor Robert P. Hanrahan's Office 673-9300 for further information.

## North Shore Hotel celebrates 15 years

North Shore resident Ann Campbell greets guests at the Retirement Fair.

A gala two weeks of festivities heralded the 15th anniversary of the North Shore Hotel...and what a two weeks it was!

It opened with a day-long Retirement Fair on Friday, Sept. 12, which was attended by more than 500 senior citizens, both residents and non-residents. The North Shore Dining Room was transformed into an Expo Center with display booths along the walls as well as in the middle of the huge room. Fifty-five private, public and not-for-profit exhibitors participated in the free, multi-presentation exposition which dispensed information, offered advice and gave direction - all specifically aimed at senior citizens. Seniors left the area carrying give-away plastic bags filled to the brim with informational material.

Highlighting the Fair was an appearance by Congressman Sidney Yates who discussed senior citizen issues and took the time to talk one-on-one with our residents and guests.

On Wednesday, Sept. 17, a retrospective of the past 15 years in music, current events and art was presented by some of the North Shore's "regular" entertainers and speakers.

The North Shore honored nine Evanston officials on Friday, Sept. 19 for their service to senior citizens. Plaques were awarded to city department heads and a buffet luncheon was served to all members of the honored departments.

"These men and women directly impact on our residents," said Margaret Gergen, General Manager of the North Shore. "The services they provide make life easier, more comfortable and more secure."

Residents were honored at a Recognition Luncheon on Tuesday, Sept. 23. Eleven residents were named "Charter" members, having lived at the North Shore Hotel for ten years or more. These men and women sat at a raised head table at the front of the North Shore Ballroom and were individually introduced.

Residents with five or more and three or more years were also honored. Each received a recognition pin and had his or her name inscribed on a permanent plaque to be installed in the lobby

## Regency continues expansion of care in Alzheimer's unit

To keep up with the increasing need for the care of Alzheimer's victims, Regency Nursing Centre, 6631 N. Milwaukee Ave., Chicago, is developing a psychological assessment tool to be given to each resident going into the Alzheimer's unit.

The assessment will be developed by two of the unit's new consultants, psychiatrist Lawrence W. Lazarus, M.D., from Presbyterian-St. Luke's Bowman Center, and psychologist Leslie Graves, also from Pres St. Luke's.

Both Experts will bring a diverse background in working with the elderly, especially those who have Alzheimer's disease.

The Regency Alzheimer's unit opened in Feb., 1985. Many new programs have been developed since then, serving to maintain

each resident's highest level of functioning while minimizing the use of medications.

The new assessment tool will allow for the Alzheimer's staff to determine the programs that would most enhance the quality of life for each resident on the unit.

Kathy Clyde, unit director, looks forward to using the new tool that will educate staff and families to the current needs of the patient.

Said Clyde, "Especially since the patients are unable to state their needs, the tool will allow us to have some insight into the positive abilities that are still within the patient's reach." For more information regarding the Regency Alzheimer's Unit, call 647-7444. Regency continues to host Alzheimer's Association and Related Disorders support group meetings at 7 p.m. on the last Wednesday of each month.

### "Best Off Broadway Players"

On March 6, Cutting Hall will come alive with the magic and spectacle of Stephen Schwartz's and Bob Fosse's highly-acclaimed musical extravaganza, "Pippin".

The story, music, and dance will transform you back to 900 A.D. where Emperor Charlemagne's first born son, Pippin searches for his identity and total fulfillment through a series of adventures. The production presented by Best Off Broadway Players, runs Friday and Saturday evenings, at 8:30 p.m. March 6-21, and includes a final Sunday Matinee on March 22, at 2:30 p.m. Cutting Hall is located at 150 E. Wood St., Palatine. Tickets can be obtained from Pat Maggiani by calling 920-5631.

Prices for tickets are: \$7 for adults and \$5 for Senior citizens and Students (21 and under with ID). Group rates can also be arranged. The production is being directed by Roger Krupa, musical direction by Jim Schoop, and choreography by Linda McDonald. Call now and make your reservations. You don't want to miss the Cutting Hall Premier of "Pippin". As the opening number suggests, "journey through our anecdotal review".

### "Martin Luther King, Jr."

Centre-East, 7701 N. Lincoln Ave. in Skokie, honors the memory of black civil rights leader Martin Luther King, Jr. in the Theatreworks, U.S.A. production of "Martin Luther King, Jr." on Tuesday, March 3 and Wednesday, March 4 at 12:15 p.m. each day. Tickets are \$3 with group discounts available.

Tony Award-winning composer Charles Strouse and Tony Award nominee playwright Leslie Lee have combined their visions and voices to create a moving Theatreworks musical portrait of Martin Luther King, Jr., filled with the struggles of the man it celebrates and with the joy of his triumphs. This powerful musical begins in a modern-day school that was named after Dr. King. Invoking theatrical convention, the writers bring Martin Luther King, Jr. into the lives of the school's students, and he proceeds to take the youngsters on a journey to his world. Follow the life of the man who won the support of millions of Americans, both black and white, by daring to speak out against racism. His preaching of nonviolent resistance as a force against the injustices and indignities suffered by blacks won him the 1964 Nobel peace prize.

For tickets and more information about this special performance, please phone the Centre East box office at 673-6300. Tickets are also available through Ticketmaster at 902-1500.

## Oakton sponsors spring tours to London

London, England, rich in history, pageantry and tradition, will be the destination for two spring field courses, sponsored by Oakton Community College.

"Springtime in London," a performing-arts tour from March 5 to 14, is sponsored by MONNACEP, a non-credit continuing education program.

"Theatre and Theatre Reviewing in Great Britain," from May 22 to June 3, is offered as a six-credit-hour Oakton package: "Introduction to Theatre" (HUM 111) and "Independent Study in Theatre Reviewing" (INS 299). Students who do not wish to earn college credit may audit the courses.

The 10-day "Springtime in London" trip, guided by communications lecturer Allen Schwartz, will feature orchestra seats for the performing arts, including two theatre performances, one London symphony and one ballet. The cost of the trip is \$1,300.

The highlights of the theatre course will include five plays in London, two in Stratford on Avon.

lectures by British dramatists and reviewers, visits to the theatre museums and exhibits and a lavish Elizabethan banquet. Participants will gain an awareness of British theatre history and its relationship to the American theatre, and understand the evolution that changes the dramatic literature to living theatre. The cost is approximately \$1,900.

Dr. Beverly Friend, professor of English/Journalism, and Carol Keinberg, professor of English/Theatre will teach the 13-day "Theatre and Theatre Reviewing in Great Britain" course. Students who wish to extend their stay in London at their own expense may do so by arranging with the instructor.

The cost of field study courses includes round-trip air transportation, first-class hotel accommodations, tickets to the performances, transfers and tours.

For registration and information on "Springtime in London," call Allen Schwartz, 679-4123 or the MONNACEP Office, 982-9888;

For children born in Cook County, a certified copy of the birth certificate may be obtained from the Cook County Clerk's Office, Birth Records-Lower Level, 118 N. Clark St., Chicago, IL 60602.

All children entering kindergarten for the 1987-88 school year must have a physical examination and immunization for measles, German measles, polio, diphtheria, tetanus and pertussis. The evidence of such examination and immunizations must be brought up to date and verified by school officials before a child will be admitted to school in the fall.

## District 64 kindergarten registration

Registration for children entering kindergarten next fall will be held according to the schedule listed below:

Carpenter, 300 N. Hamlin Ave., Park Ridge - Wednesday, March 11.

Field, 707 Wisner Ave., Park Ridge - Wednesday, March 11.

Franklin, 2401 Manor Ln., Park Ridge - Tuesday, March 10.

Roosevelt, 1001 S. Fairview, Park Ridge - Thursday, March 12.

Washington, 1500 Stewart, Park Ridge - Monday, March 9. Registration hours for all schools are 9-11:30 a.m. and 1-3 p.m.

A child must be five years of age on or before October 1, 1987, to be eligible to register and start kindergarten next fall. A birth certificate is required for kindergarten registration. If you do not have a valid birth certificate, you may obtain one by contacting the County Clerk's Office, 118 N. Clark St., Chicago 60606, if your child was born in Cook County.

If further information is needed, please contact the schools.

## OLR students attend CYO Rally

The Junior High Youth Group and Teen Club at Our Lady of Ransom enjoyed a trip to the Rosemont Horizon to see Cardinal Bernardin, the Monks' and several other groups in a CYO (Catholic Youth Organization) Rally - it was a unique experience. Such an exuberant level of energy and enthusiasm is difficult to explain.

 Art brought up for discussion the placement of village legal notices in local newspapers. The Bugle had the lowest bid but a vote on the issue was tabled for further study. Mr. Art also asked for and received passage of Resolution 87-9 to support the Northwest Municipal Conference Waste Management Plan which calls for the establishment of a new waste dump for residential refuse only. The site is an old quarry near Bartlett, Illinois on the borders of Kane and Cook Counties.

Public Hearing Date for the 1987-88 Fiscal Budget is set for March 2nd at 8 p.m. at the Village Hall.  
 Corporation Counsel Marty Ashman announced that all requirements had been met and the special permit for Ely's Carpentery to construct a 6 unit building at 6147 Lincoln was granted. Mr. Ashman reported the mortgage bonds had been restructured and the village has already received the saved interest money.

Community Development Director Charles Scheck received passage for appropriation of \$14,000 of 1987 Motor Fuel Tax funds for street resurfacing. He also received passage of an E-titled Turn Restriction at the new China Chef location near Lincoln and Mason. There had been several community complaints of congestion on Mason from China Chef traffic. To alleviate this condition there will be no right turn for westbound traffic coming out of the parking lot. This will redirect traffic to Lincoln Avenue while relieving congestion on Mason.

The meeting adjourned into executive session for further discussion of negotiations with the Morton Grove fire department.

 bands, he said.  
 On an individual basis, these bands could cost between \$5,000 to \$8,000. "The cost of this event should run about \$5,800 and once established could bring in more bands than we can possibly use," Nelson said.

Both Hughes and Nelson agreed to a suggestion from Mayor Nicholas Blase to theme the parade and marching band festival to the 200th anniversary of the U.S. Constitution being celebrated this year.

### MG Legion Community Service contributions

In their continuing effort to help the various groups in the community, the Morton Grove American Legion Post #134 recently made several financial donations to organizations of note.

Chairman Ed Bielecki notes contributions were dispersed to the Morton Grove Historical Society, the Hadley School for the Blind and the Fort Dearborn Highlanders.

An additional donation was made for bike reflectors for scouts.

Bob Eick, a Legion member and community leader was recently named VIP by the Chamber of Commerce and post commander John Slater was proud to report that six Legion VIP's attended the Chamber's annual dinner salute to this fine gentleman.

 and attempted to leave the store without paying for the items, according to Lt. Stan Sosnowski of the Niles Police Department.  
 Sosnowski said paramedics were unable to revive the victim and the body was transported to Lutheran General Hospital where death was pronounced. "He was being held overnight pending posting of bond," Sosnowski noted.

He added that police officers make routine checks of occupied lock-ups every half hour. "It must have happened after the 11:30 p.m. check. The policeman on watch was inspecting the cells at 11:56 p.m. when he saw that Valco was hanging from a bar with a piece of blanket around his neck," he said.

### Handicap support group meeting

Handicapped people are often frustrated in their search for information and assistance.

How to locate and work with agencies that can provide help with job assistance, benefits, needs and other programs will be the topic of a discussion led by Mercedes Ramo, executive director of the National Spinal-Cord Injury Association, at the next meeting of A-SCIP, a support group for the disabled, at 7:30 p.m. Thursday, March 5, in the Maine Township Town Hall, 1700 Ballard rd., Park Ridge.

A-SCIP (amputees and spinal-cord injured persons) is co-sponsored by Maine Township and the National Spinal-Cord Injury Association. It meets on the first Thursday of every month at the Maine Township Town Hall, which is accessible to the handicapped. All interested persons are welcome to attend.

For more information on A-SCIP or other programs for the handicapped, contact Donna Anderson, Maine Township handicap services coordinator, 297-2510.

### NTSW represented at Governor's reception

Richard A. Kosinski, Director of Development and Public Relations for the Niles Township Sheltered Workshop, 8050 Monticello Ave. in Skokie, attended the signing of the Comprehensive Health Insurance Plan (CHIP) Act at the State of Illinois Building, 100 W. Randolph, Chicago, on Monday, Feb. 9. CHIP, which will provide major medical coverage for "high risk" individuals, is especially meaningful for Rick because of his cancer history. Upon meeting Governor Thompson at the reception hosted by the Governor and Attorney General Neil F. Hartigan, Rick introduced himself as "teratocarcinoma, Class of '82".

 Acting Director Jeff Fougere presented the board with six options regarding the operation of Harter and Oriole swimming pools. The board voted 4-1 to accept an option leaving both pools open during the summer but with shortened hours.  
 Harter pool will be open daily from 1 p.m. - 8 p.m. for 11 weeks. Oriole Pool, however, will be open for 8 weeks from 1 p.m. - 7 p.m. The board stated that if a need exists to keep Oriole open until 8 p.m., such as nice weather or high attendance, it will remain open the extra hour. By decreasing the hours and swimming season, the district will break even with operating costs.

Fougere also reported on new rental fees for the baseball diamonds and a 3 year plan to upgrade the diamonds.  
 According to Fougere, the rental fees for the Industrial Leagues to use the baseball and softball diamonds will be raised to \$10. for 1 1/2 hours. The increased revenue will be used to offset maintenance costs.

Commissioner Dodie Connelly reported letters were sent to village businesses and organizations asking them to help bring the playground equipment to present safety standards. Connelly stated each contributor's company name will be placed in the nearest club house of the park equipment the company would like to help upgrade. More information on the program can be obtained from the park district.

During a Niles Chamber of Commerce meeting with cable television representatives in the early 1980's, the prediction was made that by 1990, one third of cable services would be geared to local shopping and another third to entertainment. It was also pointed out the medium would change the lifestyle of people in the future.

### Potential victim foils 'pigeon drop'

An attempted "pigeon drop" failed when a Glenview woman became suspicious of the offender and left the scene to report the incident to the police on Sunday, Feb. 15.  
 The victim stated she was in the Venture Store parking lot (Milwaukee and Golf) and was approached by a woman, who claimed she was a courier from the First National Bank and asked where District 73 was located.  
 When the victim said she did not know, the offender asked her to call her boss for directions to District 73. They then drove in the victim's car to nearby Benjamin's Restaurant to make the phone call.  
 Once in the restaurant parking lot, the offender opened a package in the car containing a note stating "Here is the money \$31,000." The victim then observed what appeared to be a large amount of money and became suspicious, telling the passenger to get out of the car because she had to leave.  
 The victim told police she can identify the offender if she is apprehended.

### Hyde, Maine Township co-sponsor benefit for day care center

U.S. Rep. Henry J. Hyde and Maine Township Supervisor Paul K. Halverson have announced they will co-sponsor a benefit concert April 5 to raise funds for Northwest Suburban Day Care Center.

Northwest Suburban is the only area day care center serving children from low-income families on a sliding scale. The center cares for 35 children, ages 3 to 5, and also assists parents in enrolling in job training and placement programs. Most of the children are from single-parent homes in Maine Township.

The benefit will feature well-known entertainers Buddy Charles and Jimmy Damon at 2 p.m. Sunday, April 5, in Maine West Auditorium, 1755 Wolf rd., Des Plaines.

Hyde said, "The show will be super entertainment, and the cause is more than worthy. I support child day care centers to assist working parents - they make a great contribution to our communities."

### Niles GOP meeting

The Niles Township Regular Republican Organization will hold its monthly meeting on Tuesday, March 3, at the Skokie VPW Hall, 7401 N. Lincoln, Skokie, at 7:30 p.m.

WAVE OF THE FUTURE...the prediction that home shopping via the electronic media would become a reality before 1990 was right on the mark, with more joining the growing crowd of retailers selling merchandise via "video shopping." One that recently joined was a large department store chain, with one store located in the Golf Mill shopping center.

During a Niles Chamber of Commerce meeting with cable television representatives in the early 1980's, the prediction was made that by 1990, one third of cable services would be geared to local shopping and another third to entertainment. It was also pointed out the medium would change the lifestyle of people in the future.

Home video shopping, which is in the fledgling stage, is becoming a reality on the air waves, and the answer to the impact on a possible change in lifestyles is waiting in the wings.

 ...Opened bids for the 50-50 sidewalk project. The bids will be reviewed by the streets and alley committee composed of Trustees Angelo Marcheschi and Peter Pesole.  
 ...Passed a resolution to construct separate storm and sanitary sewers in the Cumberland Park area, which now has a combined system. The projected cost is \$1 million to be shared via Build Illinois funds and the village.  
 At the recommendation of Police Chief Clarence Emrikson, the board adopted a new penalty schedule for petty tickets and overweight trucks.  
 The new penalty schedule for P-tickets will be \$10 for non-compliance to minor infractions such as no taillights on a car, defective muffler or horn, uniaxial bumper height, etc.  
 The offender will have the option of paying the \$10 P-ticket or going to court on a regular ticket. "If he goes to court and gets fined \$25, surcharges are involved and the village gets nothing from the fine," Emrikson said. "However, the village would get the \$10 from P-tickets."  
 He added the offender is given a certain period of time to correct the problem with his car or pay an additional \$10 fine.  
 For seat belt violations (linked to moving violations) and overweight-trucks, offenders would pay \$25 on P-tickets.

The board approved a low bid of \$124,226 from Nu Life Corp. to purchase two ambulances for the Niles Fire Department. Only one bid was submitted, according to Murphy.

Halverson said, "Maine Township is delighted to cooperate with Congressman Hyde in sponsoring this program. Northwest Suburban Day Care Center is one of the many worthwhile agencies serving Maine Township suffering from funding cuts due to the termination of revenue sharing."  
 "The township will attempt to replace some of this loss with local monies, but we also must seek alternative sources of funding. We hope to play a leadership role in helping these agencies find creative ways to raise the funds they need to continue to provide our community with high quality social services."  
 Tickets for the benefit are \$5 for adults, \$3 for children and \$5 for senior citizens. For ticket information contact Maine Township, 297-2510, or Northwest Suburban Day Care Center, 293-5103.

Meet Niles Library candidates  
 H.A.L.T. is sponsoring a "Meet The Candidates' Night" for Niles Library District Trustees on Thursday, Feb. 26, at 7:30 p.m. The Candidates' Night will be held at Maine Township Hall, 1700 Ballard Road, Park Ridge. All candidates have been notified and said that they will attend. Everyone in the Niles Library District is invited to attend this evening.

Niles Township High School District 219 and other area high schools have planned a joint program that explores "Educational Opportunities After High School for Students with Special Needs." It will be held on Tuesday, March 3, at Glenbrook South High School in Glenview. Sponsoring schools include Evanston, Maine, New Trier, Glenbrook and Niles Township high schools.

Beginning at 7 p.m. in the school auditorium, representatives from approximately 35 colleges, universities and vocational institutions will explain the services their schools offer students with special needs. Specific questions will be addressed following this session by the representatives at individual stations. Also, a videotape of college students coping with their learning disabilities will be available for viewing. A panel of graduates from the sponsoring high schools will also share their experiences.

Students with special needs, their parents, and professionals in education are invited to attend this program. Glenbrook South High School is located at 4000 W. Lake ave., in Glenview. For additional information, call Niles West counselor Mary Pat Carr at 966-8800, or North counselor Walter John at 673-6900.

Twice a year at least, the Morton Grove American Legion Post #134 sets the village blood drive night as their specific time for donating. Such a semi-annual Legion Night has been set for Thursday, March 5.

### MG Legion blood drive

The American Legion in town has long been known as the organization which was the forerunner in blood drive campaigns before all the current endeavors were formulated.  
 The Post #134 had their own blood bank many years ago for members in the pre-village donor days.  
 The Legion pair say that a blood drive is a good way to have a mini physical. Your blood pressure is checked, as well as heart beat, hemoglobin and a blood check for hepatitis (kidney function), and an AIDS virus test. Remember, you CANNOT contract AIDS by giving blood.  
 There is a greater need in the winter months for blood due to bad weather, vehicle accidents, extra consumption of food and beverages because of parties and increase bleeding of ulcers and illnesses which increase surgery.

### Niles Art Guild meeting

A sunset in oils will be the subject of the demonstration to be given by Sabina West at the next regular meeting of the Niles Art Guild at 7:30 p.m. Wednesday, March 4, at the Niles Recreation Center, 7877 Milwaukee ave, Niles.

Sabina West grew up in Florida, received a Fellowship Degree, and also worked as a Fashion Illustrator. She then moved to Chicago and attended the Chicago Art Institute and worked as a Commercial Artist for a publishing firm as an illustrator.

West has been teaching for 18 years at the Village Art School in Skokie. She was asked to be a demonstrating artist at the Art Train in Skokie and also demonstrated at the Niles West High School art classes. Because of her many years of teaching and demonstrating art, the Niles West High School requested her to be a guest speaker at their Art Jubilee. She also has presided as a judge at several art fairs.  
 The public is invited and coffee and cake will be served. No guest fee.
