Notes from A Traveller's Man...

The face of America changes so slowly it is difficult to perceive. But the 1980's aren't the 70's or the 60's or the 50's and the changes are all around us.

In the Denver airport Sunday a myriad of college students, etched with bronzed faces, were heading back to school after a week of skiing. The week is not a cheap way to spend a spring break. Lodging plus meals plus ski lift costs plus airflight charges must total \$500 to \$1,000. It doesn't seem too long ago we spent our week off at the ice skating pond in our home neighborhood. It was substantially cheaper.

...In the airport we met a Stanford computer science professor who told us he no longer uses the U.S. Post Office services. Everyday, he sends out as many as 25 messages around the country and the world by tying in his computers to a central program. Whether the message is a one line note to a friend or a school or business matter, he contacts his correspondent almost instantly via his computers. Because computer science is his professional field, we thought what he was doing was exceptional. But a university student.

**UPS driver
receives award**

Family and friends came to the village board meeting Tuesday to see Larry Lopienski receive two awards for aiding in the arrest of a youth who snatched a purse from a 77-year-old woman on Feb. 6.

He was honored with a citizen citation from the Niles Police Department presented by Police Chief Clarence Emrikson and a plaque of appreciation from the board.

A United Parcel Service driver, Lopienski was finishing his rounds when he saw a young man push the woman down near Washington and Oakton sts., and grab her purse. The UPS driver chased the youth north on Washington st. until an off-duty Niles police officer, Lee Elsinger, drove by and stopped his car in the path of the suspect, drawing his revolver. He was then taken into custody.

M-NASR is a cooperative program of the park districts serving the leisure needs of special populations residing in Skokie, Park Ridge, Des Plaines, Morton Grove, Niles, and Golf Maine.

'Pain Management' topic of handicap support group

Living with chronic pain can be one of the most distressing aspects of physical disability.

"Pain Management" will be the topic of Dr. Norton Flanagan, director of the Department of Rehabilitation Medicine at Lutheran General Hospital, at the next meeting of A-SCIP, a support group for the disabled, at 7:30 p.m. Thursday, April 2, in the Maine Township Town Hall, 1700 Ballard rd., Park Ridge.

The subject will be continued at the May 7 meeting when the topic will be "Prescription Drugs: Effects and Dependency."

A-SCIP (amputees and spinal-cord injured persons) is co-sponsored by Maine Township and the National Spinal-Cord Injury Association. It meets on the first Thursday of every month at the Maine Township Town Hall, which is accessible to the handicapped. All interested persons are welcome to attend.

For more information on A-SCIP or other programs for the handicapped, contact Donna Anderson, Maine Township handicap services coordinator, 287-2510.

Free tax advice for needy

The Center of Concern is now offering free income tax counseling for needy residents of Park Ridge and Des Plaines.

The program is part of the Center of Concern's information and referral service, which aids the elderly and other people who need help in areas varying from employment to shared housing.

The center, based in Park Ridge, maintains a vast resource file updated through daily contacts and screening, as well as information provided monthly by the Human Resource Bank of the Metropolitan Crusade of Mercy.

Persons who can't afford tax advice will be put in contact with a tax expert free of charge. All other information and referral service, including counseling, is also free.

For more information, visit the Center of Concern, Suite 4, 1580 N. Northwest Hwy., Park Ridge or call 823-4453.

Smoke detector for deaf

Deaf persons can now be reassured by a new smoke detector, thanks to the AT & T Telephone Pioneers of America. They have converted the usual detector into a two-pronged alarm system by the addition of a second unit. This is installed at the bedside and uses a flashing strobe light which is activated ten seconds after the primary buzzer

sounds to alert the deaf person. This is available with no charge other than a voluntary one and should be of real interest to those with hearing problems. To obtain further information about it, please call The Center of Concern at 823-4453 or drop in at their office in Suite 125 of the 1580 N. Northwest Highway Building in Park Ridge.

LIGHTS! CAMERA!...Incumbent village trustees seeking reelection at the polls April 7 got a taste of stardom in the glare of television lights (courtesy of Cablevision of Chicago) last Sunday during a candidates' forum sponsored by the League of Women Voters at the Niles Recreation Center.

Also on the tube were candidates for the park and library boards, who also telecast their views on improving their respective districts if they became the people's choice on April 7.

The village board race is untested, which could make it a tad short of exciting when it's shown on Cablevision's public access station...but it gives residents a chance to see village officials on "live television" and the opportunity to critique some of the board members who make decisions on their town.

Those looking for more exciting fare on the tube, the contested park and library board race should get a good rating, especially some of the library hopefuls who should win some kind of video award for "Best Scenario" of the year.

Appearances on cable television by local officials is just one of the cable-related scenarios that's expected to change the face of Niles in the future. It's free of charge, along with exposure on the air waves to press issues.

Local programming of various government meetings has been touted as one of the many benefits of cable TV. Although a survey made five years ago indicated that about half the subscribers favored such meetings, viewer interest could go up watching officials of governmental bodies perform on cue.

If going on the air will be a way of life in coming years, will it become SOP to put on make-up, create a proper setting or "go Hollywood" to attract viewers? There could even be a battle of the rating charts among the various government officials regarding performances.

Because the scope of cable broadcasting is unlimited...are our villages ready for this super stardom?

Friends Festival at Niles Library

Preparations are in full swing for the Friends Festival to be held on Sunday, March 29 at the Niles Library, 6960 Oakton.

The event begins at 2 p.m. and continues to 4 p.m. Nine bakers have promised homebaked cookies, to add to the coffee, tea and punch. Raffles, tours, demonstrations, and the opportunity to meet the candidates who are competing for the two vacancies on the Library Board complete the plans for the Festival.

The Friends decided some months ago to stage a special event to publicize the beginning of their membership drive. More interested people are needed to help the small group of Friends support the Niles Library. Annual dues are \$6 for an individual or a family.

The advantage of being a member is notification by mail of meetings and events, an opportunity for "members only" to preview and purchase books before the public book sale, and a chance to be in on the formulation of plans which will encourage greater use of the Library and more Community participation in its programs.

Niles Fire Dept. Calls

The Niles Fire Department answered 18 fire calls and 35 ambulance calls between March 13 and March 20.

Firefighters extinguished burning trash and rubbish in a dumpster at Oak Mill Mall, 7900 Milwaukee Ave. on March 13.

Firemen went to 9054 Greenwood Ave. on a report of smoke coming from a house. Upon arrival, they learned that steam from a clothes dryer had been mistaken for smoke by a passerby.

A small of smoke was reported at the U.S. post office at Waukegan Rd. and Oakton St. on March 14. Firemen found the radiator of a postal truck was leaking and emitting smoke. No action was necessary.

On March 14, firemen went to Temple Steel, 5990 Touhy Ave. and found the alarm system had malfunctioned. The occupant was advised to service the system.

Firemen responded to a report of a possible transformer. Continued on Page 39

Three incumbent Niles village trustees running for re-election April 7 stressed the village is a thriving community because of cooperative efforts by the board to provide good services at the lowest possible cost, maintaining a low tax base and keeping a watchful eye on the budget during a Candidates Forum last Sunday.

The forum, sponsored by the Morton Grove-Niles League of Women Voters, also featured candidates for the library and park boards. The event held at the Niles Recreation center was televised for public access Channel 21 by Cablevision of Chicago.

Village board candidates Angelo Marcheschi, Bart Murphy and Jim Mahoney pointed out Niles was a great place to live. They noted the dedication of 200 employees in serving the people of Niles, good services (including the free bus system), stability of the neighborhood and a goal to bring more improvements to the village within budgetary means.

"We have the lowest tax rate around at 52 cents per \$100 of assessed valuation," Murphy said. The three candidates are campaigning on the "Niles Economy and Progress Party." Marcheschi is completing his sixth term on the board and Murphy has served as trustee since 1978. Mahoney was appointed to the board in 1986 following the death of Orville Ottow.

In announcing candidates for the park district, LWV moderator Barbara Blonz announced that incumbent board member Walter Beusse was ill and could not attend the forum. There are two vacancies on the board for four-year terms.

Elaine Heinen, who is running for a third term, told the audience she has kept faith with goals to improve the deteriorating conditions of the parks that were apparent when she was first elected to the board.

She cited that, in 1980, her concern for lack of facilities for the handicapped children motivated her to raise funds from various village organizations to construct a golf course for the handicapped at Golf Mill Park. Her accomplishments include being named.

Maine Bicentennial Ball slated for Sept. 11

Maine Township residents will be invited to celebrate the 200th anniversary of the U.S. Constitution at a gala Bicentennial Ball at the Sheraton International Hotel in Rosemont on Friday, Sept. 11.

Plans for the Ball have been announced by Millie O'Brien of Park Ridge and Ralph Martin of Des Plaines, co-chairmen of the Ball Committee of the Maine Township Commission for the Constitution Bicentennial.

Festivities will include a reception, dinner, entertainment and dancing to the music of a popular band. The event will be held in the Sheraton's Grand Ballroom, which can accommodate 1,000 guests.

Bicentennial Ball Committee includes 25 volunteers who have met regularly since the Maine Township Bicentennial Commission was established in January. Arrangements are being handled by five subcommittees: Entertainment, co-chaired by Eunice Conn and Dr. James Elliott; tickets, co-chaired by Dee Conroy and Bill Fraser; decorations, chaired by Wallace Zook; marketing and development, co-chaired by Sherry Magness and Dr. Paul Jung; and site selection, chaired by Gene Carter.

Other members of the Bicentennial Ball Committee are: Marie Berrigan, Grayce Duffy, Donna Fitzpatrick, Joan Hall, Curt Hockett, Donald Johnson, Helen Jung, Veda Kauffman, Donna McAllister, Marilyn McDermid, Meryl Rivenson, Winnie Seibert, Ann Walk, Bob Wessell and Ann Stillwaugh.

Amateur and professional artists who live in or near the village and who might be interested in helping and working on this community project are requested to call the Village of Niles Community Relations Coordinator, Ralph Bast, at the Niles Administration Building, 7601 Milwaukee Ave., Niles, phone 967-6100.

SJB wins regional spelling contest

Shown are: Joseph Moore, Grand Knight of the Ave Maria Council, first place winner Venu Bolla of Divine World Council, Nancy Park of St. John Brebeuf School and North American Martyrs Council and third place winner Dennis Park of Holy Ghost Council.

The second round, or Regional Knights of Columbus Spelling Bee was held at St. Beatrice School in Shiller Park on Feb. 24. Nancy Park of St. John Brebeuf School took second place, which means she goes to the State Meet with the first and third place winners. That contest will be held on

Apr. 2 at Pontiac, Ill., where Nancy's sister, Jane took first place in the Spelling Contest just last year. We are hoping Nancy will do likewise.

Jewish masterwork at Beth Emet

Beth Emet the Free Synagogue, 1224 Dempster, Evanston, will present the monumental Jewish choral work Sacred Service by Ernest Bloch on Fri., Mar. 27 at 8:30 p.m. Sacred Service, conducted by Dr. James Lucas, Professor of Music at Northeastern Illinois University, will feature Cantor Jeffrey Klepper joined by Bill Aylesworth, organist and the Beth Emet Choir, Northeastern University Chorus, Elmhurst College Choral Union.
Sacred Service, written as a cantata in 1933 for Cantor and chorus, will be integrated into the Shabbat Service and performed almost in its entirety. Ernest Bloch (1880-1959) is one of the outstanding 20th century composers whose music has been undergoing a rediscovery in recent years. Cantor Jeffrey Klepper, who has been Music Director at Beth Emet since 1982, feels that Sacred Service is Bloch's unique rendering of the Jewish Shabbat liturgy being both majestic and lyrical. The community is invited to this important musical event.

Lenten Services at Saint John Lutheran

The fifth in a series of Midweek Lenten Services will be held at St. John Lutheran Church (Missouri Synod) on Wednesday, April 1, at 8:45 in the morning and also at 7:30 p.m. The Church is located at 7429 N. Milwaukee Ave. (one block south of Harlem) in Niles.
In keeping with this year's theme for Lent, "Questions From The Passion," The Reverend Thomas K. Stoebig, pastor of the church, will deliver the sermon on the topic: "Which one do you want...?" based on the Scripture text in Matthew 27:17.
Special music will be presented at the evening service by Kristin Stoebig and Karen Gallagher, singing "Oh, How He Loves You and Me."
These midweek Lenten services will continue through Holy Week with special music each week by The Adult Choir, Alpha & Omega Choir, Cherub Choir, and The Pre-School Choir.
Regular Sunday morning worship times are at 8 and 10:30 with Sunday School classes for students in Pre-School through 8th Grade. An Adult Bible Class is taught by Pastor Stoebig at that same hour and is held in the Church Sanctuary.

What's Cooking at The Bugle Pantry

This banana bread has a rich spice flavor and is filled with nuts and raisins.

CREATIVE COOKING

Buttermilk Banana Bread
3 extra-ripe, medium Dole Bananas, peeled
1/2 cup butter, softened
1 cup brown sugar, packed
1 egg
1/4 cup molasses
2-1/2 cups all-purpose flour
1-1/2 cups whole wheat flour
2 teaspoons baking soda
1 teaspoon baking powder
1 teaspoon salt
1/2 teaspoon ground allspice
1/2 teaspoon ground nutmeg
1 cup buttermilk
1 cup chopped walnuts
1 cup raisins

Puree bananas in blender (1-1/2 cups). Cream butter and sugar until light and fluffy. Beat in egg and molasses. Combine flours, soda, baking powder, salt, allspice and nutmeg. Beat in dry ingredients in thirds alternately with pureed bananas and buttermilk. Stir in walnuts and raisins. Turn into 2 well greased 8-1/2x4-1/2-inch loaf pans. Bake in 350°F oven 60 to 85 minutes, or until toothpick inserted comes out clean. Cool in pan 10 minutes. Turn onto wire rack to complete cooling. Makes 2 loaves.

BANANA SNACKIN' TREATS
1 ripe, medium Dole Banana
1 package (8 oz.) dried apples
2 cups granola
1 cup raisins
1 cup pitted dried prunes
1/2 cup dried figs
1/2 cup pitted dates
1/2 cup dried apricots
1-1/2 cups flaked coconut

Mash banana (1/2 cup). Combine apples, granola, raisins, prunes, figs, dates and apricots. Put through food grinder using medium blade. Stir in mashed banana. Or, combine all ingredients in food processor. Process until mixture is finely chopped and well blended. Form into 1-inch balls. Roll in coconut. Cover store in refrigerator. Makes about 5 dozen.

For more terrific banana recipes, write to Dole Bananas, Dept. B7, P.O. Box 7758, San Francisco, CA 94120. Courtesy Dole®

Sabra Club sells lox boxes
The Sabre Club of Na'amot U.S.A. (formerly Pioneer Women/Na'amot) is selling lox boxes for its spring fundraiser. The cost is \$12 a box. Each box feeds four and will be delivered on April 25. The deadline for orders is April 8. For more information contact the Na'amot office at 446-7275.

Benefit fashion show and luncheon

"Breath of Spring", a luncheon-fashion show sponsored by the Northwest Suburban Aid for the Retarded Parents and Friends group, is scheduled for Saturday, April 4 at the Fountain Blue Restaurant in Des Plaines. This year fashions will be chosen from Moheiser's Department Store in Park Ridge. Moheiser's owner, Carol Cumberly, will select casual and evening wear for the models, all from the Parents and Friends group. Tickets are \$20 each. A cash bar will be open at 11:30 a.m., and lunch will be served at 12:30 p.m. Ticket reservations can be made by contacting ticket chairmen Mildred Powell 631-0491; Eileen Mascha 763-0762 (after 6 p.m.) or Lois Johnson 692-3687 (after 6 p.m.).

"The Blessings of Liberty"

The Twenty-first Star Chapter, National Society Daughters of the American Revolution, has given a poster exhibit—"The Blessings of Liberty" to the Park Ridge Library.

The exhibit celebrates the bicentennial of the U.S. Constitution, telling the story of the American founding and consists of 12 full-color posters, each 22" x 36". It is portable and can be reused. It comes with a user's guide, which features an essay describing the events, ideas and lessons for students.

The exhibit is presently on display in the second floor lobby of the Library. Dr. William McCulley, Administration Director of the Library, is planning to loan it to interested schools or organizations.

Spring Craft Show

St. Beatrice Parish will host its second annual Spring Craft Show, "Bunny Boutique" on Saturday, April 4, from 10 a.m. to 4 p.m. in the School Hall, located at Irving Park Rd. and Wagner (9800 West) in Schiller Park. Over 100 Crafters from Illinois and Wisconsin will be displaying a beautiful variety of handmade items for Easter and Spring. The Country Kitchen will be serving up a delightful luncheon menu all day, and our Bake Shoppe will offer many taste-tempting treats. Our Children's Care Center will watch over little folk who'd like to rest or play awhile. Admission is free.

Attempted suicide victim saved by landlord

A 30-year-old Niles woman who attempted suicide by running the motor of her car in a closed garage was saved by her landlord who entered the garage for his car shortly before 6 p.m. on Mar. 20.

According to a spokesman from the Niles Police Department, the landlord opened the garage doors and saw his tenant sitting on the driver's side of her car in an upright position and apparently unconscious.

When police arrived on the scene, they observed the motor was not running, but the ignition was in the "on" position, with the gauge registering a half tank of gasoline. The victim was still breathing and paramedics transported her to Lutheran General Hospital for treatment.

According to a police official, a suicide note was found on the passenger seat of the car.

Cars damaged by vandals

A resident in the 8000 block of Lake St. reported someone slashed the vinyl top of his car, scratched the paint on the left side and removed the rear license plate and gas cap causing \$475 damage.

A Niles man in the 7900 block of Park Lane told police someone flattened all four tires of his car parked in the driveway. Damage was estimated at \$800.

Someone used an ice pick to puncture tires on a car parked in the street in the 8800 block of Grand. The victim reported it was the fifth time her tires have been punctured over a two-month period.

Persons unknown used a hard object to break the rear window of a car parked in the alley in the 7800 block of Nordica. Damage was estimated at \$250.

Windows broken

The manager of a dairy bar in the 7300 block of Milwaukee reported someone used a B.B. gun to shoot a hole in the front store window causing \$400 damage on March 11.

Someone used a hard object to smash the windshield of a car parked on a street in the 7300 block of Nordica. Damage was estimated at \$200.

Shoplifters arrested...

A Sears security agent spotted a woman put articles of boy's wear and men's T-shirts in her handbag on March 14. She was issued a petite ticket carrying a fine of \$50.

A Niles resident was arrested for retail theft on March 16 after she was spotted switching prices on three toys to \$3.88 with a loss of \$24.

She was released on \$1,000 bond pending an April court date.

A K-Mart security agent saw a man take a ratchet from a tool box kit and remove a wrench from an 11-piece combination wrench set. He then purchased a set of sockets at the front of the store and exited the store without

paying for the other items.

While the offender was in custody in the store's security office, he started kicking the doors of a metal cabinet causing \$150 damage. The stolen items were worth a total of \$35.

He was released on \$1,000 bond and assigned an April court date.

A Chicago man was arrested for retail theft at a drug facility in a food store in the 8200 block of Golf Rd.

The offender loaded up a shopping cart with various merchandise worth a total of \$210 and then pushed the cart past the check-out counters and exited the store.

He was released on \$2,000 bond pending an April court date.

DUI arrests...

A Des Plaines man was arrested for drunk driving and failure to reduce speed on March 20.

The offender was observed driving northbound in the 7100 block of Milwaukee and failed to stop behind a stationary vehicle hitting the rear end.

He then exited the car and began staggering around the scene and apparently did not know where he was. During questioning, police detected a strong odor of alcohol on his breath and noted he had difficulty answering questions.

He was released on \$1,000 bond and assigned an April court date.

A Morton Grove man was charged with drunk driving, possession of alcohol and possession of liquor by a minor on March 20.

The offender was traveling west in the 8100 block of Golf Rd. and was observed crossing two lanes of traffic at a speed of 52 mph on March 20. A stop was initiated at a red light.

After questioning the offender, police found 11 bottles of beer in the trunk of the car and a search at the police station revealed a small plastic bag of a brown greenish substance in his pants pocket.

A Des Plaines woman was arrested for drunk driving and driving off a roadway after she

was involved in an accident of March 16.

According to police reports, the offender was driving westbound on Main and was attempting to make a left turn onto Washington and drove off the roadway and struck a fence.

Bar patron charged with battery

A Des Plaines man was arrested for battery after a disturbance at a restaurant-bar in the Dempster Plaza shopping center on March 16.

According to police reports, the offender appeared to be intoxicated and was harassing patrons in the restaurant. When he was asked to leave by two employees, the offender ran off onto the dance floor tripping and falling on patrons.

As he was being escorted to the front door, he struck one of the employees with a closed fist.

He was released on \$1,000 bond and assigned an April court date.

Thieves escape with loot

The manager of a discount store in the Four Flags shopping center reported March 19 a man removed two pieces of luggage and exited the store without paying for the items.

Several employees followed the offender to the car and asked him to return the luggage, but he threw the merchandise into his car and fled the area striking a parked car in the process.

The luggage was worth a total of \$150.

A man was observed entering a store and removing a drill kit worth \$117 and leaving without paying for the item.

He was observed entering a car driven by a companion who fled west out of the parking area.

Snowplow causes damage

A resident in the 8600 block of Sherman reported that a village snowplow caused snow to strike the rear of his car breaking the taillight on March 14-15. The car was parked on the street.

Damage was estimated at \$100.

I Bet You Didn't Know

By Jim Jennings

Although Michael Jordan is one of the top stars in pro basketball today, did you know that—amazingly—he didn't make the varsity team when he tried out for basketball in his sophomore year in high school in Wilmington, N.C. ... Jordan kept working on his game and made the team in his junior year—and went on to a great high school, college and pro career.

Here's an oddity about the NCAA basketball tournament. One year, a team entered the tournament with one name—and left with another! ... Texas Western entered the NCAA tournament in 1967 and won, advancing to the next round. ... But before they played their next game, the official name of the school was changed to University of Texas at El Paso, or UTEP. ... So they started the tournament as Texas Western, and left it as UTEP.

The next Super Bowl is guaranteed to have the smallest Super Bowl attendance of all time. ... The reason is that the next Super Bowl will be in San Diego Stadium—and that stadium has the smallest capacity (69,760) of any stadium that's ever hosted the Super Bowl.

Basketball Tournament

Sponsors and organizers of Maine West High School's second annual 3 on 3 Basketball Tournament show the Olympic-style medallions that will be awarded to each individual on the winning First, Second and Third place teams in each of the eight divisions of the two-day event.

Shown (l-r): Jim McLaughlin, Vice-President, and Ralph H. Martin, President of Wm. L. Kunkel & Co., Realtors* of Des Plaines, Arthur R. Michaely, a Maine West basketball booster and father of one of its players, and Bob Goerne, head basketball coach at Maine West.

Michaely, Executive Director of the Leaning Tower YMCA in Niles, is one of the organizers with Goerne of the March 27-28 double elimination tournament at Maine West in Des Plaines, which will utilize 16 courts of play, and is expected to attract over 700 participants.

Demon netters set 1987 schedule

The Demon netters, along with veteran coach Art Belmonte, are ready to start a promising 1987 season, beginning at Niles West on Thurs., Apr. 2.

The returning lettermen for the Demons are Mark Krajewski (junior); who is returning team MVP; John Chi (junior); Kenny Mann (senior); and varsity transfer student from California, Albert Lim (junior).

The Demons strongest player is Krajewski. As a sophomore, last year he placed in the top 15 in the state. This year Coach Belmonte stated, "He should be one of the top 5 players in the state!"

Coach Belmonte also looks to juniors Jim Park, Jeff Lange, O'Neil Burns, and Mike Gomborg for depth to form a strong, solid team.

On Sat., Apr. 11, the Demons travel to Maine South for an Invitational. Last year the tournament was rained out, but not before Krajewski took third in singles.

On Tues., Apr. 14, the Demons' first home game will be against Notre Dame. Last year the Demons destroyed the men from

Notre Dame 4-1, and the Demons are looking for a repeat performance.

However, Demon netters will be hurt by the loss of graduating lettermen Barry Sommerfield, (team captain), Steve Grad, and Rob Branzell.

Scuba course at Leaning Tower

Discover the magnificent underwater world and meet new friends by joining the scuba course at the Leaning Tower YMCA, 6300 W. Touhy Ave. in Niles.

If you are an average adult swimmer, age 15 years and over, you can become a scuba diver.

The class begins Apr. 21, Tuesdays at 6:45 p.m.

Students need only to supply their own masks, fins and snorkels. The scuba gear will be provided for class use.

Because of the fast growing sport of scuba diving, the classes fill up quickly so register now.

Loyola Academy names varsity football coach

Dr. Bernard Bouillette, Headmaster of Loyola Academy, has announced that John Hoerster, a veteran varsity football coach at Gordon Technical High School, will take over as head football coach at Loyola. Hoerster replaces Jamie Harrington who stepped down last December after an eight-year tenure as head coach at the school.

The coach wasted no time settling into his new role. He met with his players on March 17 to introduce himself and challenge the team to build on the success of its Prep Bowl Championship last season.

Hoerster brings a wealth of experience to his new position. He has been an assistant coach at Gordon Tech for the past 16 years, serving as defensive coordinator for the past nine seasons. During his years at Gordon, the Rams posted a .742 winning percentage, appeared in four state playoffs, won two Catholic League championships, one Prep Bowl championship, and one 6A state championship.

OCC's "Coach of the Year"

Oakton Community College's Indoor Track & Field Coach, Patrick J. Savage, has been named NJCAA Region IV Women's "Coach of the Year."

The Oakton Community College Women's Track & Field Team recently won the 1987 State of Illinois and NJCAA Region IV Indoor Track & Field Championships.

Coach Savage began coaching Indoor Track in 1966 at DePaul Academy in Chicago. He has also coached at St. George High School in Evanston and at Niles West High School in Skokie. Coach Savage has been the head coach at Oakton since 1971. He is also the Director/Coach of the Niles West/Oakton CC Running Program.

Interesting Facts From John Jennings

In the early days of the telephone, people answered by saying "ahoy" instead of "hello". Thomas Edison is credited with popularizing the word "hello" in answering the phone.

Oddly, the famous book "Ben-Hur" was written by Lew Wallace WHILE he was governor of New Mexico.

The first supermarket in America with self-service and check-out counters was opened in Memphis, Tenn., in 1915.

Contrary to popular opinion, the Morse Code was NOT invented by Samuel Morse, but by Alfred Vail.

Surprisingly, the first FM radio stations didn't go on the air until almost 20 years after the first AM stations started. FM radio didn't begin until 1933.

And, here's another interesting fact...

If you mention this ad after your deal is consummated (but before delivery) Jennings Volkswagen will deduct \$50 from the purchase price of your new or used car. One deduction per customer. One deduction per transaction.

Niles caddie wins golf scholarship

Tim Kvantas of Niles has been involved with all the right clubs—golf clubs that is. A senior at Maine East and a caddie at the Glen View Club since the summer of 1982, Tim has been named a winner of a 1987 Chick Evans' scholarship.

The scholarship is awarded on a competitive basis. In order for Tim to qualify, he had to be recommended by the Glen View Club President, the Caddie Master, the Club Pro, and the chairman of the Caddie Committee. Once this was completed, Tim's caddie record, his need for financial aid, and his high school academic record were considered.

His scholarship is renewable for four years. In order that it be renewed, Tim must maintain good grades, live in the Evans' house, be involved in extra-curricular activities, and do assigned work at his new home.

Girl's 11" House League Softball

The Niles Park District is now taking registration for the Girl's 11" House League Softball program. Two leagues will be offered: 9-12 year olds and 13-15 year olds. Games are played at Jozwiak Park on Friday nights starting April 24. Game times are between 5 and 9 p.m. The fee per person is \$20 and includes team shirts, hat and softball instruction. Only girls in these leagues are eligible to tryout for our Girls Traveling Teams in July. You may form your own team, so get your friends together! We will also be needing volunteer coaches (Moms and Dads—we need you!). Sign up now at the Niles Park District Recreation Center, 7877 Milwaukee Ave. in Niles. For more information, contact Jay Russ at 967-6975, Monday thru Friday, 4-10 p.m.

owns and maintains 13 Evans Scholar Chapter Houses in the Midwest alone.

This fall Tim will attend Indiana University and major in business.

In addition to his caddie work and maintaining good grades at Maine East, Tim has been a member of the golf team since his freshman year and was a member of both the Spanish Club and class council during his sophomore and junior years.

Tim is one of 30 Evans Scholars in the Chicago area, with approximately 200 scholarships awarded nationwide annually and 4,500 since the program began in 1930. Support for the program comes from the individual contributions of more than 100,000 golfers, the Evans Scholars alumni, and the proceeds from the Western Open.

Summer program for 3 and 4 year olds

Camp Shemesh is a summer activity program for 3 and 4 year olds sponsored by Beth Emet Synagogue, Evanston. There will be a combination of large group activities as well as small group and individual free play. Wilderness trip teaches camping techniques

Surrounded by wondrous wildlife, delight yourself in an adventurous camping and flat-water canoe trip, sponsored by Oakton Community College.

The eight-day tour to Boundary Waters Canoe Area and Superior National Forest, Minnesota, will be offered from May 19 to 27. The trip is offered as part of two, three-credit-hour Oakton travel study courses, "Introduction to Camping" (PED 194) and "The Individual in Modern Society" (SSC 101). Persons who do not wish to earn college credit may audit the courses.

Guided by experienced instructors Alan Rubin and Steve Schada, the tour will introduce participants to the basic skills necessary to complete a flat-water canoe trip. The program will increase your awareness of the value of wilderness for recreational and educational purposes. You will develop techniques to practice minimum impact camping.

The approximate cost of the trip is \$210, which does not include tuition and fees. Application deadline is Monday, April 13. For information, call Alan Rubin, 635-1917 or Steven Schada, 635-1874.

Other travel study courses will include: "France, Germany, Switzerland and Italy" from May 17 to June 2; "Theatre and Theatre Reviewing in Great Britain" from May 22 to June 3; "Outdoor Painting in Door County, Wisconsin" from May 27 to June 6; "Encounter the First Illinoisans in Kampsville" from June 21 to 26; and "The Stratford Festival" from June 23 to 27 or October 7 to 11.

Day Care - Summer Camp Guide

A unique theater arts group in Skokie

Upstage/Downstage Children's Theater, Inc. at 441 W. Oakton St. in Skokie has announced an expanded program of classes and productions during 1987 for children and youths ages 3 through 12. This unique theater group, staffed by a faculty with degrees in their professional fields as well as education, offers classes in Creative Dramatics, Acting, Play Production, Creative Movement with Music, Theater Dance Forms, Music Makers, Creative Writing, Puppetry, Make Up, Cheerleading, Aerobics, Tumbling, and Beginning Piano Lessons, to name just a few courses. Family members are invited to attend the last session of each class. In addition, birthday or special occasion parties can be arranged with any of the class activities.

Eight full-stage productions are also held each year, with children in the casts chosen by open auditions. The April production will be *The Brave Little Tailor* (April 3, 4, 5, 10, 11, 12) while *Snow White* will be presented May 22, 23, 24, 29, 30, and 31.

The theater's philosophy is based on the belief that every child is both unique and special, and all should be nurtured within an atmosphere that fosters self-confidence. At Upstage/Downstage, the opportunity to develop reading and speaking ability is encouraged along with the pursuit of creativity, talent, and theatrical skills. Parents, teachers, and students alike have told of improvement in school classes after participation at Upstage/Downstage, as well as having a worthwhile activity for leisure time.

A not-for-profit organization, the theater is funded in part by

Niles Township Administration, Illinois Arts Council, Chicago Tribune Foundation, Fel-Pro Better Neighborhood, and Skokie Fine Arts Commission. Although Upstage/Downstage has managed to keep fees low enough to appeal to all area families while maintaining high professional levels, financial support from the business community and private funding is crucial to ensure continuation of their excellent program.

Volunteers are welcome for behind-the-scenes assistance. Interested parties should call Judy Ohlwein, founder and artistic director, at 674-4620.

Camp Ravenswood ideal for young campers

Camp Ravenswood is ideal for younger campers. In addition to regular 12-day sessions, it offers 5 day sessions for those adjusting to life away from home. Located on 145 acres near Lake Villa, Ill., the camp is convenient to Chicago. Children learn to swim in the indoor or outdoor pool, and Hastings Lake provides the set-

ting for boating, canoeing, sailing and kayaking. The athletic field and hard court area are used for sports and games, while gymnastics, nature crafts and horseback riding round out the program. Cabins contain bathrooms and are heated for year-round use.

Res Gymnastic Camp

Resurrection High School, 7500 W. Talcott, will offer its sixth annual Bandit Gymnastic Camp from April 20-24 for all girls ages 6 to 18.

The camp will operate from 10 a.m. to 1 p.m. daily. The camp

director is Coach Susan Fosco who has led the Bandits to its present rank of 18th in the nation.

Res Bandits were Conference Champs from 1981-1987. They were State Regional Champs from 1985-87 and have been represented on the National High School All American Team since 1985.

Classes will be instructed by coaches and gymnasts. The program will impart correct technical skills and help each girl reach her potential. Evaluations of the camper will be made at the beginning and the end of the program.

For more information please call Mrs. Susan Fosco at the school after 3 p.m. at 775-6619. The fee is \$35 per child.

JCC Apachi Day Camp opens June 22

Apachi Day Camp, a ten-acre site in Northbrook operated by the Jewish Community Centers of Chicago (JCC), will open on June 22.

Registration is now being accepted for campers from four-year-old preschoolers through sixth graders, according to Selwin E. Price, JCC Apachi Day Camp Committee chairman.

Apachi's program features two summer sessions plus a one-week post-camp program, Price said. Session I is from June 22 through July 17. Session II is from July 20 through August 14. The post-camp program is August 17 through August 22.

Fourth through sixth graders in Apachi's Pioneer Camp will delve deeper into their favorite specialties, Fagen said, while still enjoying the outdoor fun and friends associated with camp. Hours are 9:15 a.m. to 3:15 p.m. on weekdays.

In addition to more advanced specialization in drama, dance, tennis, gymnastics, team sports and arts and crafts, youngsters in this group can specialize in martial arts and water sports including snorkeling, water polo and synchronized swimming.

Children ages eight and over may participate in a four-day, three-night trip to JCC's Camp Chi, a summer resident youth camp at Lake Delton in the Wisconsin Dells.

The ratio of campers-to-staff in Apachi's Explorer and Pioneer Camps is one staff member for every eight campers.

Apachi Day Camp was acquired by the Jewish community through funds provided by the Jewish Federation of Metropolitan Chicago in September. The site located at 3650 Woodridge rd. in Northbrook was formerly known as Apache Day Camp.

JCC is affiliated with the Jewish Federation of Metropolitan Chicago and supported by the Jewish United Fund.

Day Care - Summer Camp Guide

Kindergarten registration at Parkside Day Care

Fall openings are available for children who will be age five by October 1, 1987 in Parkside Human Services Corporation's kindergarten. The kindergarten class is located at 9375 Church st. in Des Plaines and is held in the same building that houses the Parkside Children's Day Care Center.

The kindergarten program offers a full academic curriculum that stresses reading and math readiness and the arts. Other subject areas taught are science, social studies, health, safety, and physical education. Swimming and tumbling are also incorporated into the instruction program.

The kindergarten curriculum also emphasizes social learning. Children are encouraged to share, cooperate, and work out problems that might arise with their peers.

Children are taught to operate microcomputers. Software is selected that supplements the classroom curriculum.

The school year runs from August 31 through June 10. Academic instruction begins at 9 a.m. and continues until 4 p.m. The kindergarten curriculum is skill oriented but recognizes the importance of free play and includes these activities daily.

Parkside's Children's Day Care Center is open from 6:30 a.m. to 6 p.m. and the kindergarten children can be dropped off early or picked up after the educational program has ended. Breakfast is served at 8:15 a.m. to any child present.

For more information about kindergarten, please call Tony Christ at 696-6545, after 1 p.m.

Parkside Human Services Corporation is a member of the Lutheran General Health Care System.

Open House for Parkside summer camps

Parkside Human Services Corporation's two summer camps will be holding an open house on Saturday, March 28 from 11:30 a.m. to 2:30 p.m., at Maine East High School, 2601 W. Dempster in Park Ridge.

The Touring Children's Theatre of the Second City, directed by Eric Forsberg, will present "Land of the Stage" at 1 p.m. The performance is an acclaimed children's production that any child would adore.

The Day Camp offers children (through age 12 only) a general program of arts and crafts, swimming, sports, drama, tumbling, dance and ballet, games, weekly field trips, and special event days. Activities are scheduled between 9 a.m. and 4 p.m., and extended day care that meets the child care credit requirement is available from 6:30 through 6 p.m. Campers who arrive before 8:30 a.m. will receive a full breakfast.

The Day Camp offers two five-week sessions from June 15 through July 17, and from July 20 through August 21. Campers may attend one or both sessions on a full-time (five days per week) or part-time (two or three days per week) basis.

The Sports Camp offers a skill development program comprised of general instruction and individual attention to children ages six through 13. Campers will swim every day. Special instruction in major sports (softball, soccer, volleyball, baseball, and basketball) and in minor sports (track and field, tumbling, floor hockey, and badminton) will provide campers with a broad-based sport curriculum. Campers will receive a fitness test. Campers will have the option of viewing sports videos and listening to sport story readings. In addition, each session will feature a special sports field trip.

The Sports Camp offers two four-week sessions that run from

June 15 through July 10, and from July 13 through August 7. A two-week mini session is scheduled from August 10 through August 21. Hours are from 9 a.m. to 4 p.m. and extended care is available.

Children are encouraged to bring a friend to the open house and participate in a free swim. Children must be accompanied by an adult.

Register for camp at the open house. For more information, call the day camp at 696-7980 or the sports camp at 696-6138.

Chicago Waldorf School offers progressive teaching

One of Chicago's best-kept secrets is a city school that attracts suburban families with a kind of education differing sharply from that offered by most public and private schools.

The "hurried child" is virtually non-existent at the Chicago Waldorf School, the only school in the area to educate children by the methods pioneered by Austrian philosopher Rudolf Steiner. Founded in 1974, the school serves nearly 200 students, from Chicago and nearby suburbs, in pre-school through eighth grade.

Waldorf education is distinguished by its careful attention to the changing needs of the developing child. New skills and subjects are introduced gradually, in step with the natural rhythms of the child's growth. The arts are not regarded as "frills" but are fully integrated with academic material, engaging not only the intellect but also the child's physical and emotional capacities.

Class teachers, trained in the Waldorf approach, provide continuity and stability by remaining with the same children throughout the eight years of elementary school. Class teachers present the principal subjects while special teachers teach music, handwork, Spanish, German, and other artistic and practical subjects.

The Chicago Waldorf School is part of an international movement. The film which combined animation as well as real life scenes reinforced previous lessons on how to deal with strangers in a variety of situations. The children readily identified with the narrators in the film who were the actors who played the parents in the popular Webster TV series.

Register for Outdoor Adventure Camp April 1

The Niles Park District will hold registration for the Outdoor Adventure Camp on April 1 beginning at 9 a.m. at the Rec. Center, 7877 Milwaukee Ave. Outdoor Adventure Camp is for youths ages 11 to 13 years old. Camp participants are given a set budget to work within and with the allocated money, they plan their own activities (going to beaches, museums, Great America, water slides, etc.) Camp ends in an overnight camp out. Adventure Camps meet Monday - Friday from 8 a.m. to 4 p.m. Campers are picked up at their home. Camp is run in two sessions: June 22 to July 17 (session I) and July 20 to August 14 (session II). Each camp costs a resident \$180. Because of the extreme popularity of Outdoor Adventure Camp (camp fills up on the first day of registration registrants may register for EITHER session I or II, but not both. Call the Niles Park District at 967-6633 for more information.

Mothers - treat yourselves to a special weekend at Camp Echo! Mother's Day Weekend, from May 8-10, is a special holiday getaway at the Y's Camp Echo in Fremont, Michigan, offering a chance for the adults to rest while children have their own programs, as well as family time together. In addition to the more traditional camp activities - swimming, sailing, waterskiing, arts and crafts, hiking the nature trail - a river canoe trip is planned for Dads and kids, while Moms have a relaxing time all to themselves! Sunday will feature a Mother's Day Banquet with all the trimmings.

Leaning Tower Swimmer's Awards Night

On February 26 the Leaning Tower Family "Y" held its 62nd Annual Swimmers Awards Night honoring all swimmers and their families for their swimming accomplishments achieved during 1986.

The top 5 male and female swimmers were: Russ Meiswinkel, 586 miles; Russ Neary, 306 miles; Joel O'Shanna, 245 miles; Tony Alberding, 223 1/2 miles; Al Boshing, 150 miles. Also, Pat Cozza, 500 1/2 miles; Carol Walsh, 354 miles; Eleanor Dominowski, 318 miles; Liliane Fogelson, 267 miles; and Pat Lit-chfield, 225 miles. Trophies were awarded to these top 10 swimmers.

Hostess for the evening was Carol Walsh who provided a video of many of the early morning swimmers at the "Y". Why not join us this year by swimming with us to stay fit? By swimming 1/4 mile a day you can log 50 miles in no time.

The Leaning Tower Family YMCA is open for swimming from 6:30 a.m. to 10 p.m. Monday thru Friday, 7 a.m. to 9 p.m. on Saturday and 1:30 to 6 p.m. on Sunday.

In addition to our many swimming programs the YMCA will be offering a Red Cross Multi-Media First Aid Class on Saturday, May 21 from 9 a.m. to 5 p.m.

For further information on our many Aquatic programs, contact Laurie Guth, Aquatic Director or Evelyn Merkl, Ass't. Aquatic Director at 647-8222.

Sharla's Creative Corner offers educational setting

Sharla's Creative Corner is located at 4201-7 Main St. in Skokie. We service children, from 6 wks. through kindergarten. Our facility operates year round. We have a fenced-in playground. Our hours are 6 a.m.-7 p.m. We provide hot nutritious lunches made at our facility.

Our day-care and pre-school is an educational setting filled with warmth and security for children. Our facility provides a child with feelings of belonging and self-worth. A child needs a sense of belonging to a group, yet it is important that a child find his/her own individuality, a child's uniqueness as a person should be established through a good self image. We provide space, proper equipment, imaginative toys and materials to expand a child's learning ability and physical growth. These go hand in hand with the individual attention, affection, warm acceptance and understanding this through demonstrating and understanding of the artists' techniques. The thirteen through sixteen year old (Monet Group), will have the opportunity to identify art form through the perspective of history. They will be introduced to such materials as: charcoal, pencils, pen and ink, acrylic paints and oil pastels.

This summer, it has to be HONEY ROCK.

Summer's almost here. And a lot of campers will be heading for HONEY ROCK. They'll be settling into the cabins that dot the shore of Long Lake in the north woods of Wisconsin. Spending their days fishing, swimming, canoeing, kayaking, or sailing. Maybe horseback riding, archery, crafts, riflery. Or, our new activities: All-terrain biking, blow-guns, rocketry. For older campers, there's even a wilderness expedition off into the far reaches of the north woods.

There's something special about HONEY ROCK for more than 35 years, it's provided very special summers for kids. It's not just the activities or the beautiful camp itself. It's the well-trained cabin leaders, the Christian emphasis of the camp, and the young people who go there.

HONEY ROCK. Two to four weeks of discovery for young women and men ages 9 to 18.

Chicago parking ticket settlement until April 10

Dear Editor:
To everyone with overdue parking tickets in the glove compartment of their car, this is the time to act. Until April 10, the city of Chicago is offering a once in a generation opportunity to settle old tickets for 50% of the original fine amount.
So far the response has been overwhelming. In the past three weeks, more than 30,000 persons have contacted the Department of Revenue to settle their unpaid tickets. In addition, 100 major corporations and institutions have settled thousands of tickets for more than \$100,000.
The parking ticket settlement program is designed to clear up ticket backlogs and encourage

quick disposition of delinquent tickets. After the settlement program ends, however, the city will launch a tough-minded enforcement effort against major scofflaws.
After May 1, cars with 10 or more unpaid tickets will become boot eligible and the city will file amended complaints against major scofflaws seeking the maximum fines allowed by law (often as high as \$200 per violation).
The city also intends to match computer tapes of parking ticket delinquents with records of city contractors, water bill payers, holders of building permits, and tax and license files to locate companies and individuals who are major scofflaws.
In addition, during the coming legislative session, the city will push for passage of a state law that would require the Illinois Secretary of State to suspend licenses of drivers with 10 or more parking tickets.
Drivers would be well advised to settle their old parking tickets for 50% off, and begin again with a clean slate. Anyone interested in settling their parking tickets should call 580-3400 by April 10.

Homeowners & Real Estate profession deserve apology

Dear Editor:
On behalf of the Northwest Real Estate Board, our members, and residents in the community, I wish to register my protest and outrage to the questionable methods being used in area neighborhoods by proponents of the 'Guaranteed Home Equity Insurance Plan' to promote this program, as well as to the manner in which the Apr. 7 ballot proposal is being reported in the print media.
It is an injustice to the residents of our area's neighborhoods—as well as to the real estate profession—to circulate flyers which state the "block-busting" and/or "panic-peddling" takes place in the area. This is—simply and accurately—not the case, yet flyers and handouts which have been circulated in the precincts of those Northwest Side wards where the ballot question will appear Apr. 7 inaccurately portray such "real estate abuses" as a primary reason voters should support the Guaranteed Home Equity Insurance Plan advisory referendum on election day.
Ironically, the supporters of 'Home Equity' point to the plan's supposed ability to "reduce estate abuses." With this thought in mind, I submit that spreading the false charge of "block-busting" and "panic-peddling" in the community to solicit voter support of any program—in itself—unconsciously immoral, alarmist, and fear-

Chmielowski seeks a united library board

Dear Editor:
Having been on the Niles Library Board of Trustees for only a few months, I feel that I am speaking from my personal experience rather than Board experience. There has been much publicity about the Library for several years and as everyone knows, most of it was negative. I look forward to the time when our meetings will be dull and routine with interest only for the Library people.
There has been a recent interest in the budget and our future acquisition of materials. Finally the Board is beginning to use the experts they have access to...our accountants, attorney and also the North Suburban Library System. They can give us expert advice when needed. Hopefully, they will give the Board some answers so that we can move forward to bigger and better things.
When I am re-elected, I look forward to a time of calm decision making and sound fiscal management. When I am re-elected I will direct my interest to the Library District as a whole and not expend energy forming groups for one area that do more harm than good. Otherwise, a portion of the old maxim might hold true. Together we will stand but divided we might fall. You can help me in the endeavor by giving me your vote on April 7. Thank you,
Walter Chmielowski

Seniors opposition to proposed tax increases

Editor's Note:
The following letter was written by Commissioner Chris Seyer of the Morton Grove Advisory Commission on Aging, to Senator Robert Kustra and Representative Calvin Sutker.
The letters concern proposed state tax increases by Governor Thompson.
Dear Senator Kustra and Representative Sutker:
The Morton Grove Commission on Aging representing some 5,000 Senior Citizens are unilaterally opposed to Governor Thompson's proposed myriad of tax increases for taxpayers of Illinois. This on top of a windfall of millions of dollars accruing as a result of Illinois refusing to adjust tax returns to coincide with the new income tax laws placed into effect by our U.S. Congress for Federal returns.
New Illinois tax increases will have an adverse effect on costs of necessities and increase inflation; for example, President Reagan's refusal to approve tax increases has materially approved the economy of our Country and kept inflation down.
Governor Thompson wants to continue to raise taxes; and what is wrong with trying to reduce State costs by reducing personnel and operating costs, which could save millions of dollars. Business corporations such as C.B.S., General Motors, Sears, Zenith, etc., lacking capital, do not hesitate to take needed action by closing plants, reducing personnel and salaries. Recent news reports are carrying some articles on State Governments reducing salaries and personnel. Mr. Thompson should review Illinois situations and take similar action.
We are particularly concerned about what the proposed taxes will do to our senior citizen population. These people are on a fixed income and they do not receive increases in income to offset rising costs. If this continues, Governor Thompson will find more seniors on welfare as their available money is completely eroded.
Citizens are very concerned as to what Mr. George Dunne, President of the Cook County Board will do, as soon as Thompson's proposal has been settled. It can be assumed Mr. Dunne and his cohorts will find a way to add new Cook County taxes, further reducing the money supply of our senior population.
I was very fortunate to get to know Jim Cousins, Social Service Counselor with the Niles Police Department.
The good he has done for the community is immeasurable. I believe the chances are very rare that anyone gets to meet someone so dedicated to his work, such a sense of commitment, so compassionate. He is a "one in a million" kind of person - the Village will be

inspiring.
We have discussed this topic previously, and it is a matter of public record. There have been no incidents, no cases, no indictments, and no convictions of any of our brokers or agents regarding these alleged "real estate abuses" anywhere within our NWREB boundaries. With over 109,000 listings taken in the past decade, not a single case nor formal charge of such abuses has ever been made!
Whenever charges of real estate abuses have been voiced by our critics or by members of community organizations, we have consistently and immediately asked the following questions: When? Where? By whom? To whom?
Proponents of this plan should report on accuracy and facts, and should not deceive or frighten area residents by circulating inflammatory and inaccurate material which unfairly marks the real estate profession as the perpetrator of illegal and unethical acts. And each newspaper would do well to first investigate the accuracy of charges relating to alleged "block-busting," "panic peddling," and other "real estate abuses" prior to publishing these untruths before the public.
We once again publicly call upon the community organizations and the media to confine themselves to the truth. If the Guaranteed Home Equity Plan is such a good idea—and it may well be, but that remains to be seen—it should stand exclusively on its own merits.
If Home Equity is essentially a proposal which provides an incentive to homeowners to remain in the property for at least five years without moving, then let it be described as such.
Deal with the facts, ladies and gentlemen, not with the unfounded and frightening charges of supposed "abuses" by the realty profession which unfairly and improperly alarm and arouse the innocent and unsuspecting residents of any given neighborhood.
Our members live in these communities, too. We in the Northwest Real Estate Board have provided continuous and uninterrupted professional realty services to our neighbors for the past 62 years, and we intend to continue this proud tradition of "Quality Service since 1924!"
Michael L. Bono,
Public Information Officer
Northwest Real Estate Board

Comment on Jim Cousins - "One in a million"

Dear Editor:
I was very fortunate to get to know Jim Cousins, Social Service Counselor with the Niles Police Department.
The good he has done for the community is immeasurable. I believe the chances are very rare that anyone gets to meet someone so dedicated to his work, such a sense of commitment, so compassionate. He is a "one in a million" kind of person - the Village will be

the loser in letting him go. It is sheer stupidity...penny wise and pound foolish.
No amount of money can measure the good that Jim Cousins has done for the community. The kids he has helped will miss him...the adults will not forget him.
Sincerely,
Ada Mitchell

Niles Public Works solves SJB water problem

Dear Editor:
As a resident of the Village of Niles and as Principal of St. John Brebeuf School, I publicly commend the consideration afforded our School by the Public Works Department, specifically the Water Works, of the Village.
On Friday, Mar. 13, we were informed that a water main at Harlem and Main was broken, and so the water would have to be shut off on Monday, necessitating no water for our school for many hours. With 600 students in attendance, that would mean school would have to close for the day.
This would affect our 400+ families, 600 students, 30 faculty members, our many planned activities for the day. Through the intercession and work of Les Potacki and Rick Goszczyński, employees of the Village, a solution was found. They began work at 12 midnight on Sunday night and so classes were held as usual.
In the name of all of our families and faculty, I thank Les and Rick and the Village Manager, Mr. Jack Hadge for this wonderful planning and consideration.

Home Town Awards for senior projects

Sen. Walter W. Dudyecz (R-Chicago) is encouraging senior citizens groups and other organizations and governments to enter their community projects in the Governor's Home Town Awards program this year.
"This is a particularly good opportunity for senior citizens groups to spotlight the outstanding job they do to help their communities," Dudyecz said. "All kinds of home town projects can be entered—for example, winners in the senior category last year included a group that established a literacy program for adults, one that renovated a senior citizens center and one that provides volunteers for a local museum."
Dudyecz emphasized that the Home Town Awards program is not limited to senior citizens groups. "There are categories for youth participation, economic development and general projects as well," he pointed out.
Applications for this year's program will be postmarked by April 15. Communities and organizations can obtain applications and further information by calling or writing the Department of Commerce and Community Affairs, Office of Local Government Management Services, 600 E. Adams, 5th floor, Springfield, IL 62701, telephone (217) 785-6139 or 1-800-562-4688.
Dudyecz said awards included plaques and road signs that can be displayed by the winning organizations. The grand prize winner's Cup recipient and winners in the various population categories will be recognized at the Governor's Home Town Awards Banquet in June.

Renewal forms for Homestead Exemption

Renewal forms for the 1986 Senior Citizen Homestead Exemption have been mailed, according to County Assessor's Office. They must be renewed and filed each year by Seniors who had registered for this exemption in prior years.
Homeowners receiving the Senior Citizen Homestead Exemption automatically qualify for the Homeowner's Exemption and therefore do not have to apply for the Homeowner's Exemption separately!
Niles Township residents will soon be receiving a Homeowner's renewal card. These are being sent to Homeowners who are not yet eligible for the Homestead Exemption and who have owned and lived in their homes for at least one year.
Senior Citizens who have applied for the Homestead Exemption will receive a reduction of as much as \$200 on the 1986 payable 1987 Tax Bill. To be eligible Seniors must provide the office with:
-Proof of Age: Birth Certificate, Baptismal Certificate, Naturalization Papers, or Social Security Form SSA-2458 showing date of birth. (Married women submitting a document with their maiden name as proof of birth also must include a marriage certificate to show the change of name.)
-Proof of ownership: Warranty Deed, Quitclaim Deed, Torrens

Vietnam Veterans memorial

State Sen. Walter Dudyecz, R-7th, (l) and State Sen. Robert Raica, R-24th, (r) study a scale model of a Vietnam Veterans Memorial to be built at Oak Ridge Cemetery in Springfield. The two Chicago Legislators were on hand at a Capitol news conference earlier this week when State Sen. John Davidson, R-50th, called for a renewed effort to raise funds for the memorial honoring Illinois veterans who served in Vietnam.

WOW unit at Center of Concern

Wellness On Wheels (WOW) is rolling into Park Ridge on Tuesday, April 28 from 9 a.m. to 12 p.m. to offer free health check-ups. The WOW unit will be parked at The Center of Concern, 1580 N. Northwest Hwy., in Park Ridge.
Wellness On Wheels is an extension of the Adult Health program of the Cook County Department of Public Health which is available to suburban Cook County residents who meet financial and medical requirements. Wellness On Wheels is furnished with state-of-the-art equipment enabling it to provide the following services: physical exams, health counseling, tests for anemia and diabetes, blood pressure screening, vision and hearing tests, dental check, TB test, immunizations, urinalysis, pap smears and pelvic exams for women and prostate and testicular exams for men.
This health check-up is designed to meet the needs of people, 18 years and older, who have not had a complete physical exam within the last year or who do not have easy access to medical care. WOW check-ups can be used for employment physicals. Teenagers who need a physical to enter high school or college are also eligible to use WOW services.
To schedule an appointment call CCDPH at 865-6125. Just ask for WOW!

Incumbent Walt Beusse seeks re-election

Walt Beusse, a resident of Niles for 31 years seeks re-election, an independent candidate, to the office of Niles Park Commissioner on April 7. A vote for Beusse No. 152 on the ballot is a vote for progress within the Niles Park District and the community.

Beusse is for all residents-totally-teens-adults and seniors as indicated by his accomplishments as follows.

- 14 years of elected service with the Niles Park District-Commissioner 1969-75; 1979-87. President of Board 1972-73; 1982-83.
- Presided as chairman over all Niles Park District facilities and departments.
- Initiated Free Bus Service for the Niles Park District during his President term in 1972. Free bus service now conducted by the Village of Niles.
- Authored many park programs such as T-Ball, Fish Derby, Junior Girls Soft Ball, NPJ Olympics, Ice Hockey and Figure Skating.
- Promoted a Successful Referendum (1973) to acquire 50 acres of Park Property at Golf Mill, Jonquil Terrace, Greenwood, Triangle Park and Tam Golf Course.
- Pioneered Maine-Niles recreation program for the Handicapped.

Walt encourages all residents to exercise their privilege to vote on April 7. Vote for a Leader. Punch 152 is avote for Walter M. Beusse.

Another way Mrs. Heinen makes people happy is through her road show. When time and circumstance permit, Elaine takes her Bingo to area nursing homes. Heinen's payday comes in the smiles, laughter and joy she sees in the faces of each person she touches.

Besides her activities with Bingo, Women's Club of Niles, Catholic Women's Club, M-NASR, Casinofest, Niles Historical Society and the Niles Events Committee, Elaine is an integral part of the Niles Park District.

This April 17, Elaine is up for re-election as Niles Park District Commissioner. It is imperative that we retain Elaine as Commissioner in order to preserve the progress that has been accomplished during her first two terms as Commissioner.

To keep Elaine Heinen, our key to better parks - punch #150.

Kustra named to review committee

Sen. Bob Kustra (R-28) has been appointed to a committee which will be reviewing the Illinois constitution in preparation for a possible constitutional convention in the early 1990's.

He will be a member of the Committee of 50, a group of Illinois educators, government officials, legal experts and public opinion leaders which will review the structure and operation of the state government and report to voters, the General Assembly, the Governor and the Supreme Court on whether a new constitutional convention is needed.

He explained that the constitution requires that Illinois voters be given the opportunity every 20 years to call for a constitutional convention. The present constitution was approved in 1970, so voters will have to decide in about three years whether a new constitution should be called. The Committee of 50 will conduct studies and issue reports to help the general public make an informed decision on whether a convention is needed.

Library candidate checks Bookmobile

Walter Chmielowski, Niles Library Trustee, looks over the material in the Niles Public Library District Bookmobile. The Bookmobile serves a large section of our population in outlying areas.

It is one of Mr. Chmielowski's concerns, that we continue to provide outreach services to all those in need of it along with a sound fiscal base for the Library and all patrons of the District. Says Mr. Chmielowski "All the patrons of the Library District must be taken care of, not just those special interest groups that we have heard so much from lately."

Mr. Chmielowski is running for re-election on April 7. He is a long time resident of Niles, a member of St. John Brebeuf Church and is self employed. He is asking for your support on April 7. Help him keep our Library growing. Vote for Walter Chmielowski.

House panel votes credit card interest rate cap

"Consumers have won the first round of the battle to lower credit card interest rates," said Frank Annunzio (D-Ill.), Chairman of the House Consumer Affairs and Coinage Subcommittee, following the panel's adoption of the interest rate ceiling today. The Subcommittee adopted the Annunzio amendment during voting on legislation mandating increased credit card disclosures.

Under the legislation, credit card interest rates would be capped at eight percentage points above the yield on one-year Treasury securities, and would be adjusted quarterly. If in effect now, the ceiling would be 13.8 percent. According to the Federal Reserve, credit card interest rates currently average 18.1 percent.

"Banks have spent much effort trying to explain why credit card rates remain high while other rates have plummeted. Every explanation has been refuted save

"With the prime rate at 7.5 percent and the Federal Reserve discount rate at 5.5 percent, there is no economic justification for credit card interest rates of 18, 19, and even 22 percent," said Annunzio. "Something had to be done, and the Subcommittee has got the process off to a roaring start. The first round on the battle for lower rates has been won by consumers."

The legislation now goes to the Full House Committee on Banking, Finance and Urban Affairs for further consideration.

Punch 22 to keep Niles services the best

The Village of Niles Economy and Progress Party believes that services are one of the important factors which create the vitality of a community. Trustee James Mahoney, speaking on behalf of the party, expressed that there are so many components, all top notch, that make Niles a vibrant, well-run village. He stated that one must travel far and wide to find another community comparable to Niles.

Trustee Mahoney went on to say, "one outstanding example of what we offer is our courtesy bus service. Where else can you find

Sutker reacts to Governor's budget message

In reacting to Governor Thompson's budget address Wednesday, State Representative Cal Sutker (D-Skokie) voiced strong opposition to his plan to levy new state service taxes.

"The Governor's proposed service tax would affect everything from the cost of non-prescription drugs and computer software to auto repairs, dry-cleaning and other similar services," Sutker said. "My chief concern is that these taxes are regressive, will do nothing to encourage new economic growth, and if anything, will hurt businesses in the service sector."

"Middle-class families and taxpayers will also hit the hardest if the Governor succeeds in getting his proposed service tax," he added.

Sutker suggested that the Governor and members of the state legislature explore other revenue-generating options and cost-cutting measures before opting to raise taxes.

"A close examination of the existing tax structure is definitely in order, along with an assess-

ment of the need for more than \$4 billion in tax breaks that the Governor approved during his last term in office," he said, noting that the state's budget has doubled during Thompson's tenure.

"The Governor last year commissioned a blue ribbon panel to look for ways to control spending and reduce inefficiency waste in state government," Sutker said. "To date, not one of their recommendations has been implemented."

Sutker said the state could also enforce the collection of more than \$3 billion in delinquent taxes and loans, which would more than satisfy the need for new revenues.

"True tax reform must be undertaken if we hope to maintain the level and quality of services and programs offered in Illinois," Sutker said. "However, I caution that any proposal to change the tax structure must not be more regressive, must not undermine our efforts to promote business growth and must not damage the state's job base."

staggering debts if their insurance doesn't cover all the resulting expenses," Dudyecz said. "This legislation lets them claim expenses not covered by insurance that total more than 75 percent of their gross annual income. For example, a person with an income of \$10,000 and medical bills (not paid by insurance) of \$2,000 will be allowed a deduction of \$1,250.

"Senior citizens who have little if any health insurance could also benefit," he added. "Fixed incomes stretched to the limit by medical expenses will surely welcome the relief this deduction offers."

Dudyecz bill would allow medical deduction

Illinois taxpayers burdened by enormous medical bills could find some financial relief under legislation, co-sponsored by State Sen. Walter Dudyecz (R-7th), that would let them deduct part of their medical expenses when they file state income-tax forms starting next year.

Senate Bill 98 would allow deductions for medical expenses that exceed 7.5 percent of an individual's adjusted gross income. Taxpayers can currently claim those medical expenses only on their federal income-tax forms, if they itemize their deductions.

Library candidate seeks more communication between boards

Robert Quattrocchi, a candidate for the Niles Library Board of Trustees, has expressed his concern regarding upgrading the collection of materials that are available to the public. Quattrocchi said, "If we are to attract more people to use our Library, we must be able to provide the material that they are looking for."

Quattrocchi went on to say that the Library and School Boards must communicate directly, and on a regular basis. "It is senseless to have these two publicly supported bodies that serve the same people, who are both concerned with the educational needs of our community, and able to communicate with each other.

"In the past the two boards have communicated only through the newspapers," Quattrocchi said. Quattrocchi, 26, has been a life long resident of Niles. He has a Bachelor of Science in Business Administration from the University of Arizona. His name will be on the ballot for the Niles Library Board election April 7, 1987.

Sheriff's Department's "Youth in Action" program

There are a lot of positive contributions local young people are making to our community, and to each other's futures, and you'll have an opportunity to find out more about them at the 1987 Youth in Action Conference at Chicago's Americana Congress Hotel on April 2.

Thirty different community service projects groups representing 1500 Cook County teenagers providing service to thousands of their peers, young children, senior citizens, handicapped, neighbors and social service agencies--will be

showcased at the Youth in Action Conference.

The Conference is sponsored by Cook County Sheriff James E. O'Grady's Youth Services Department, the BEST Project, and InTouch.

Young participants will be presenting workshops, speaking, presenting special exhibitions and entertaining at the Conference from 8 a.m. to 3 p.m. Other Cook County youth and their adult advisors are encouraged to see for themselves the model youth service programs that will be on hand and to

share what their own group has done in the area of community service.

Registration is \$7 including lunch. Early registration discount rate for youth is \$5 if post-marked by March 25 (a maximum of thirty participants from any one school, agency, etc.). Registration operates on a first come, first serve basis. A word to the wise: last year's conference sold out five days before the event.

For a registration brochure, please call Maureen O'Hara at 865-2900.

Forest Clinic offers help for parents

Over the past decade or so, American parents have become familiar with the term "hyperactive," to the point where it's become almost a catch-all phrase used to describe a certain kind of behavior in a child. Recent diagnostic scrutiny by the medical and professional community, however, has refined and narrowed down the definition of what constitutes hyperactivity. The child with a limited attention span, who has trouble con-

Time change for walk-jog program

Holy Family Hospital's Walk-Jog program has changed from evening hours to a new morning time, 6:30-8 a.m., on Mondays, Wednesdays and Fridays.

According to Bob Huey, Holy Family's Cardiac Rehab Supervisor, the time has been changed to accommodate its working members and avoid schedule conflicts that had plagued the evening class.

"We feel the new morning hours will increase participation since many people are working, and the morning is more convenient for scheduling a regular exercise routine," he said.

Walk-Jog was developed by Holy Family's Cardiac Rehab Department, and is designed for people with stable cardiovascular health who want to learn how they can develop a healthy habit.

For more information on Holy Family's Walk-Jog Program, call 297-1800, ext. 1959.

Lutheran General offers insomnia program

Thirty-two percent of the adults in the United States report some degree of insomnia. Some 15 to 20 percent of these adults consider their problem to be serious or chronic. Research also indicates that of those adults with serious or chronic insomnia, 80 percent of their problems are at least in part psychological in nature.

Lutheran General Hospital now offers an Insomnia Program to help alleviate this form of sleeplessness. Evaluations for the Insomnia Program can be arranged by calling the Sleep Disorders Center by April 3, at 696-5483.

The causes of insomnia can include, among others, biological disorders, medical and emotional factors or bad sleeping habits.

This program will be helpful to group members not only for learning about and dealing with insomnia, but also for sharing frustrations and fears with other insomnia sufferers. Program participants will be taught a number of ways of dealing and overcoming insomnia including relaxation techniques and changing poor sleeping patterns.

Participants appropriate for the program will attend six consecutive Thursday evening sessions. For fee information or to register for an evaluation with a

clinical psychologist and a registered respiratory therapist, call the Sleep Disorders Center, 696-5483.

Patients who are appropriate for the Insomnia Program, that is, whose insomnia is due to

stress problems, are enrolled immediately. Other patients whose sleeping problem is related to medical or biological factors, will also receive appropriate follow-up care in the Sleep Disorders Center.

The Sleep Disorders Center at Lutheran General Hospital has the capacity to evaluate and treat not only insomnia, but also excessive daytime sleepiness, sudden attacks of sleep (narcolepsy), snoring, restless

legs and cessation of breathing (sleep apnea). The Sleep Disorders Center is a joint effort of the Electroencephalography (EEG) Lab and the Sections of Psychology and Respiratory Care.

Parkside Medical Services launches publishing venture

Parkside Medical Services Corporation, a nationally recognized provider of alcoholism/substance abuse treatment, announced today that it is entering the publishing business with its first publication, the Parkside Catalog.

Targeted to recovering substance abusers, their families and professionals in the field, the catalog will contain books, films, teaching kits and other materials related to the recovery process.

According to John Small, director of publishing at Parkside's Park Ridge headquarters, the catalog will serve as a comprehensive information source for those involved in recovery.

The Parkside Catalog, which is now available to the public, represents a new venture for Parkside Medical Services. According to Small, the catalog is the first step in developing Parkside's publishing business.

"We plan to expand the range of available materials and publish more original manuscripts for distribution through the

catalog," he explained.

The current catalog contains original work by Parkside program counselors Joan Ebbitt and Betty Reddy. Ebbitt's *The Eating Illness Workbook* describes the nature of eating disorders and provides exercises to aid recovery. Reddy's work on the families of alcoholics explains how each family member is affected by the illness. Other published works by Parkside personnel include John Keller's *Let Go, Let God* and Ministering to Alcoholics. Reverend Keller is president of the Parkside Alcoholism Research Foundation, executive director of Parkside Lutheran Hospital in Park Ridge, and a widely-known author and lecturer on alcoholism recovery.

The Parkside Catalog will be free of charge and distributed through the mall. It can be ordered by calling a toll-free number, 1-800-221-6364, or by writing the company's Park Ridge office.

Hospital benefit honors Chairman Emeritus

More than 375 physicians, business and community leaders, employees and friends of Martha Washington Hospital attended the annual Benefit Dinner Dance, resulting in more than \$86,500 for the hospital's foundation. The Dinner Dance was held on Sat., Feb. 21, at the Marriott O'Hare hotel.

Robert C. Hartmann, Sr., chairman emeritus, was honored for his 36 years of service to the hospital at the benefit.

Under his leadership, the general hospital building was completed, providing a modern medical/surgical facility. The Professional Building and the Treatment Center were also erected during his term.

Mrs. George Langer, (Ruth) president of the Martha Washington Hospital Auxiliary, presented the hospital with a check for \$20,000. The money is designated for purchase of instruments for the Department of Urology.

Earnings from the Gift Shop, bake sales and raffles made the gift possible.

Mr. and Mrs. Gordon R. Fallier attended the Martha Washington Hospital dinner dance. Mr. Fallier is chairman of the Washington Health Corporation Board. They are residents of Niles.

Mr. and Mrs. Robert Carrane of the Washington Health-Care Foundation, the fund raising organization of the hospital. The Dinner Dance is a primary source of unrestricted support for its patient care programs.

Center offers diabetics control without hospitalization

When diabetes is out of control, blindness, impotence, amputation, kidney and heart failure take over. Diabetics can learn to control their condition for life.

The Chicago Northside Diabetes Center, 2451 W. Howard, Chicago, announces its 1987 Educational Series for Type I and Type II diabetics. The Center was the first comprehensive Chicago area out-patient facility for diabetics when it opened two years ago and emphasizes a multi-disciplinary approach to patient care. This program series offers three days of comprehensive classes taught by physicians, diabetes nurse educators, a registered dietitian and other health care professionals. The Center is directed by two diabetologists-endocrinologists, Dr. Charles Schikman and Dr. Satish Viji.

"Diabetes is one of the three major killing diseases after heart disease and cancer," explains Dr. Schikman. "Some 12 million Americans have the disease, while another 5 million are diabetic and are unaware of it. Type I diabetes afflicts children and young adults. It requires daily insulin shots for life. Its warning signs include frequent urination, unusual thirst, rapid weight loss with fatigue, nausea and extreme hunger. The majority of

diabetics are Type II. Its warning signs may include those of Type I as well as excessive weight, blurred vision or change in vision, tingling or numbness of the feet and legs, frequent skin rashes or infections and slow healing of cuts and bruises.

"The goal of diabetes management," continues Schikman, "is to keep blood sugar down. Ours is an outpatient program - it does not require hospitalization."

The Center teaches diabetics the newest techniques in controlling, understanding and monitoring blood glucose levels, as well as preparing an individual diet and exercise program tailored-made to fit the diabetics lifestyle. Sessions on eating out and managing during an illness are also included. The classes are small, 5-6 people, so individualized, personalized instruction is offered.

The next three day series will begin on April 3, 4 and 5; subsequent sessions have been scheduled during May and June. Registration is limited and a family member may attend if space permits. Lunch and dinner are served during these sessions to assist the diabetic in making menu choices. For registration and additional information on this program and the Center, call 761-6690, Monday through

Friday, between 7 a.m. and 3 p.m.

Teen suicide prevention program

The Edison-Norwood-O'Hare Kiwanis club has mounted a broad-based effort to stem the increasing number of teen suicides by seeking to develop a total community awareness and understanding of the problem.

An initial underwriting gift of \$2,350 by the local Edison-Norwood-O'Hare Kiwanis club and growing financial support from area service clubs, churches and business have helped make possible the formation of a Teen Suicide Prevention Committee of professionals working with Taft and Resurrection High Schools.

Committee members, all Kiwanians, include the Rev. Lowell Dean Allen pastor of the Edison Park United Methodist Church; Paul Reisman faculty member and school counselor at Taft High School; Randall Wilson, a professional scouting executive with the Indian Boundary District; and Jackson Anderson, an area businessman.

A meeting is scheduled for early in March at Resurrection High School with interested community leaders for the purpose of establishing an Advisory Board to continue a coordinated effort by neighborhood coalitions and professionals in the teen suicide prevention program.

Community residents interested in this effort may contact the Rev. Krepps by telephone at 763-2233, or by writing him at the church, 8675 N. Oketo Ave., Chicago, IL 60631.

1st State Bank of Park Ridge among nation's best

The First State Bank & Trust Company of Park Ridge has been awarded an "A" rating by the country's leading bank analysis firm, Sheshunoff & Company of Austin, Texas.

The following letter was received from Alex Sheshunoff by Mr. E. T. Carter, President of First State Bank & Trust Company of Park Ridge.

"Dear Mr. Carter: Sheshunoff & Company is the leading bank analysis firm in the country. We

are pleased to announce our September 30, 1986 Ratings. Your bank's rating is an A, making your bank one of the best rated in the country. The Sheshunoff Ratings, as published in The Bank Quarterly Ratings of All U.S. Banks, are based on the same objective criteria bankers use to evaluate their own bank and other banks. We have weighted these factors to reflect the level of importance given each factor by bank presidents in

the Sheshunoff Annual Survey on Bank Safety and Soundness. I would like to congratulate you, your senior management, and staff on a job well done. I hope you are having another excellent year. Very truly yours, Alex Sheshunoff"

First State President Eugene T. Carter said he was pleased to see the bank honored with Sheshunoff's highest distinction. He quickly added that although senior management is singled out for recognition by Sheshunoff & Company's official announcement, "It is the often unseen and unsung - men and women who make up the bulk of our staff who should be taking a bow.

"Like any successful business, a bank is really a team effort. How well it succeeds is determined by the quality of its people. I'm proud of our people which makes me especially pleased to see their efforts recognized by such a highly regarded firm as Sheshunoff & Company."

Dial One's growth and success cited

Dial One has been named by Entrepreneur magazine as one of the fastest-growing franchises in the country.

The two-year-old network of independent service contractors now offers a raft of home-maintenance services under one umbrella. More than 400 members offer up to 52 contracting services in 14 Dial One regions nationwide.

The service helps cut through the dilemma homeowners face when a home repair problem/emergency arises. They can call Dial One, rather than playing "Yellow Pages roulette."

Only established contractors—technicians trained to the standards of their field—may buy into the Dial One network, said Jerry Milos, head of the Dial One Central States organization.

Before prospective members are allowed to join, they are checked thoroughly for an impeccable business record, Milos said. Entrepreneur also named Dial One as one of the Top 25 Low-Investment Franchises.

Locally, Dial One is represented by Bob Williams, Inc. Air Conditioning and Heating, 7600 N. Lowell, Skokie. Phone 677-3144.

March of Dimes Nursing Conference

The March of Dimes announces its 12th annual Perinatal Nursing Conference, March 23 and 24, at the Palmer House, Chicago.

"Collaboration at the Crossroads of Care" is the title of the two day conference designed to provide professional nurses with updates in the clinical, administrative educational and research aspects of perinatal nursing.

Nurses from throughout the country are scheduled to attend. For registration information, contact the March of Dimes at (312)941-1370.

NWREB donation

The Irving Park YMCA's Youth Fund was the recent beneficiary of a donation by the general membership of the Northwest Real Estate Board. Picture above (l) is NWREB Past President Walter F. Cuneo as he presents the Board's \$1,000 donation to Irving 'Y' Director George C. Demes (c) and Jim Davis—the Irving Park YMCA's Executive Director. The Irving 'Y' will place the check in its Youth Fund, which serves and makes programs available to underprivileged children in the area.

Originally founded May 15, 1924, the Northwest Real Estate Board is now completing its 62nd year of continuous service to the community.

Norwood offers tax-deferred investment plan

If you're looking for a way to save on taxes and earn a competitive interest rate, find out about Norwood Federal Savings Bank's latest offering - tax-deferred annuities.

Annuities are contracts between the saver and an insurance company for a guaranteed rate of interest. "Tax-deferred annuities can be profitable investments for many savers," says Tom Porzak, Program Administrator and President of Norwood Insurance Services, Inc. These annuities help funds grow faster because "the interest earned on the investment is not taxable until withdrawal, usually when the investor is in a lower tax bracket due to retirement," says Mr. Porzak. In addition, the earned interest remains in the account and compounds so the investment increases faster. And because

there are no commission or start-up fees, all of your invested funds begin earning interest immediately.

To assure a competitive yield, the interest rate is subject to change quarterly. And, principal and interest are guaranteed by contract with A+ (superior) rated companies.

If you'd like to see how fast your funds can add up in a tax-deferred annuity, contact Frank Hopp, Norwood's Tax-Deferred Specialist at 775-8900. He'll answer your questions and explain how you can benefit with a tax-deferred annuity.

Norwood Federal has offices located at 5813 N. Milwaukee Avenue and 5415 W. Devon Avenue in Chicago, 980 N. Northwest Highway in Park Ridge, and 3220 W. Glenview Road in Glenview.

Ravenswood Financial Corporation declares 55% dividend increase

John M. Obereiner, president of Ravenswood Financial Corporation, parent of Chicago's Bank of Ravenswood, announced a record quarterly dividend increase of 55%, to \$4 per share, for the quarter ending Dec. 31, 1986, compared to \$2.22 per share at the end of the previous quarter.

Obereiner started that 1986 was an excellent year, highlighted by exceptional growth and earnings. Assets rose over 12% to \$390,689,000 at year-end, and earnings increased nearly 20% over 1985 to \$3,819,530.

"Our year-end balance sheet is very strong," Obereiner said. "Liquidity and asset quality are both high; interest rate risk is moderate; and our broad base of core deposits has been even further enhanced, with no dependence on volatile, high-risk funds. Although general interest rates were sharply lower in the second half of last year, our net interest margin remains high.

He further indicated that he anticipated another fine year in 1987, the bank's 25th anniversary year.

Ken Solomon named "King of the Mergers"

"I've been involved, in one capacity or another, in all 56 mergers that L & H has consummated since 1981," Kenneth I. Solomon, Chairman of Lavenoth & Horwath and Managing Partner of the accounting firm's Chicago office, said. "No two deals are ever the same." Solomon is a Morton Grove resident.

Solomon is certainly an expert on mergers. In 1978, L & H developed a comprehensive strategic plan that encompassed a strategy to expand through

That boy in the cookie jar is 50 years old!

Maurice Lenell Cooky Company, founded in 1937, is celebrating its fiftieth anniversary in the cookie business this year. The Chicago-based area will be able to participate in a sweepstakes honoring their Golden Anniversary.

Lenell will be offering a contest for a one week expense paid trip to the "Golden Gate Hotel" in San Francisco, will be giving away ceramic cookie jars, and will be offering coupons for free cookies. People will be able to enter by using entry forms inside the packages of Maurice Lenell Cookies or by using entry blank forms displayed in stores where the cookies are sold.

"Maurice Lenell Cooky Company is proud to be baking such fine products for Chicago for 50 years," says Lennart Swanson, President. "We appreciate our customer dedication and are going to show our gratitude by having them help us celebrate in the fun."

All of their cookies are baked at the plant on North Harlem Avenue which employs over 100 people during the holiday season. The aroma of free-baked cookies fills the air surrounding this Northwest neighborhood. The location features an on-street thrift store, administrative offices, with production and warehousing also on site. For further information, call Maurice Lenell Cooky Company at 456-6500.

Discounts for hearing and speech-impaired callers

Illinois Bell will offer special 25 percent daytime calling discounts to hearing- and speech-impaired customers as part of the new local calling plan for northeastern Illinois, effective this month.

Customers who use Telecommunications Devices for the Deaf (TDDs) - typewriter-like equipment that allows hearing- or speech-impaired people to communicate over telephone lines - will receive the daytime discount on calls made outside their eight-mile local calling area to points within the company's northeastern Illinois market service area.

Calls made between 9 p.m. and 6 a.m. already are discounted by one-third for all customers. Calls made within eight-mile local calling areas cost about a nickel a call, regardless of how long the caller talks.

"The new discounts continue Illinois Bell's tradition of providing

special services for hearing- and speech-impaired persons received a discount on long distance calls made within northeastern Illinois. Under the new calling plan, long distance charging for all customers is replaced with message unit charging, so message units will be discounted.

Illinois Bell has offered discounts to hearing and speech-impaired customers since November 1981. The Illinois Commerce Commission approved the new plan March 3.

Under the new pay-for-what-you-use rate plan, customers will no longer pay in advance for Call Pak plans, which will be replaced by automatic volume discounts of up to 33 percent for residence customers and up to 23 percent for businesses.

Edison's Byron 1 is USA's top nuclear producer

Commonwealth Edison's Byron Station Unit 1 produced more electricity in 1986 than any other nuclear generating unit in the United States, according to data supplied by the nation's nuclear electric utilities. Edison's Zion Station Unit 2 ranked third in the country.

Byron 1 generated 836 million gross megawatt-hours, compared to 7.671 million gross MWH by Louisiana Power & Light Company's Waterford Unit 3, and 7.656 million gross MWH by Zion 2.

In 1986, nuclear energy supplied 60.4 percent of Edison's system generation, providing as much as 78 percent in an individual week and 88 percent on a single day. Byron 1 was available for service more than 88 percent of the time during the year, well above the system average.

Nuclear power produces electricity at less energy cost than either coal or oil. In 1986, Edison saved customers more than \$1.1 billion by using uranium instead of low sulfur coal. If oil had been used in place of uranium, the company's fuel bill would have

Nilesite promoted to Assistant Vice President

Marilyn Mengarelli has been promoted to Assistant Vice President of BankersTech, a wholly owned subsidiary of First Colonial Bankshares, a bank holding company located in Chicago. This announcement was made by Robert F. Sherman, President of BankersTech.

Marilyn Mengarelli

Mengarelli began her banking career with the Colonial Bank and Trust Company of Chicago, the day the bank opened in 1954. After a few positions with other organizations, she returned to Colonial in 1970 as Head Teller and was later promoted to Assistant Manager of their Operations Office. In 1985 she transferred to BankersTech, a subsidiary which provides the Operation and EDP

services to all First Colonial Banks. She is now responsible for the Customer Service and Book-keeping activities.

Skokie Federal sells office

Skokie Federal Savings has announced the sale of its Round Lake branch office to Home Federal Savings and Loan Association of Lake County pending approval of the Federal Home Loan Bank.

Branch deposits of \$40 million will be transferred to Home Federal Savings effective May 16 and will continue to earn rates of interest as originally contracted. Accounts will continue to be insured by the Federal Savings and Loan Insurance Corporation.

Round Lake employees will be retained by Home Federal Savings. Skokie Federal President James W. Peters reported that while the Round Lake facility had grown steadily, the Association was directing its efforts towards expansion of services and deposits at its eight remaining offices.

Richard Samuels, President of

Home Federal Savings, stated that the new office was ideally situated to meet the growth and acquisition goals of the association.

Oakton Family Day performer

Ella Jenkins, internationally known children's entertainer, will be the featured performer from 3 to 4 p.m. Sunday, April 5, at the Oakton Community College Gymnasium, 1600 E. Golf rd., Des Plaines. The free performance is part of Oakton's Family Day celebration from noon to 4 p.m.

Jenkins has entertained and taught young children, teenagers and adults through concerts and workshops since 1957. A frequent guest on Mr. Rogers' Neighborhood, Sesame Street and other PBS programs, Jenkins has made more than two dozen record albums which have sold in the millions. Most of her work is geared to children to teach them a love of music, build self-esteem and help them develop strong personalities.

Ella Jenkins

Jenkins calls herself a natural musician because she never had any formal training. Her musical inspirations are drawn from her own life and experiences with children. Growing up on the south side of Chicago, Jenkins ex-

perienced rhythm and sounds from her neighborhood streets and sidewalks. She has visited every continent, including Antarctica, and has gathered songs and instruments on travels. Her songs take the audiences around the world in an hour.

Loyola Alumni

Tulip Trot

All Loyola Alumni are invited to attend the third annual Alumni Tulip Trot on Friday, April 3, at 8 p.m. in the school gym. This popular party features "old-standards" music and dance contests for the fleet-footed, and of course, snacks, beer and wine.

The evening is sponsored by the Torch Club, Loyola's oldest spirit and service organization. This year the Torch Club plans to transform the gym into a springtime "Day at the Races," complete with an infield, winner's circle and grandstand. The following evening the TC sponsors the 47th annual student tulip T. Loyola's traditional spring da. e.

The cost for the Alumni Tulip Trot is only \$8 per couple. For reservations and information call the Alumni Office at 256-1100.

Maine Highs calendar schedule

Because Friday, September 18, 1987, has been designated as a county-wide institute day in order to celebrate the bicentennial of the ratification of the United States Constitution, Maine Township High School District 207 has revised the 1987-88 school calendar which was adopted at the January 5 board meeting. The board approved a calendar revision to include September 18 as an institute day and omitted a previously scheduled half-day workshop on September 23.

Other important dates remain the same including winter break from December 21 to January 1, spring break from April 4 to 8, and the final day of school on Monday, June 13, which will be declared a nonattendance day if it is not needed to make up for an emergency day.

DePaul offers Studytour to Europe

For the 13th year, DePaul University is conducting a Studytour to Europe as part of its summer course offerings.

The tour offers academic credit to teachers and college students but is also open on a non-credit basis to the general public.

The tour will depart on June 28 from Chicago and several other gateway cities and return on July 15. The first eight days will be spent in England, where those participating for academic credit will attend workshops and seminars on British education taught by professors from British universities. After England, the tour will visit France, Switzerland and Italy. An optional tour extension for a one-week visit to Greece and the Greek Isles is available at additional cost.

The cost of the basic 16-day tour is approximately \$2,400. This includes airfare, first-class hotel accommodations, all breakfasts and most lunches and dinners. Fees, gratuities, airport transfers and all scheduled sightseeing tours are also included.

'Red Hot' celebration at Fluky's

Fluky's, famous since 1929 for Chicago-style red hots, has just introduced a brand new menu for private parties and catering. Tots, teens, Moms and Dads - because everyone loves hot dogs, Fluky's is the ideal place for a party. Bring everyone for a red hot celebration with all the trimmings, or have Fluky's bring it to you.

Fluky's fabulous franks can be found at any of the three full-service locations: 6821 N. Western ave. in Chicago; 3061

Dundee rd. in Northbrook; and 9645 N. Milwaukee ave. in Niles.

Fluky's party staff will be happy to work with Moms and Dads to create a never-to-be-forgotten birthday celebration for their tots in their own semi-private party room. For just \$4.50 per child and a minimum of 10 children, choose from three party packages: The Breakfast Package featuring home-style scrambled eggs or pancakes, a choice of milk or juice, a decorated birthday cake and ice cream; the Lunch/Dinner Package including hot dogs or hamburgers, fries, and cake and ice cream; a "Just Dessert!"

Package, special occasion cake and ice cream, available for \$2 per child. Fluky's hosts will assist with game playing and provide prizes for the winners. Following the party, Fluky's supplies every child with a bag full of goodies to take home.

Fluky's staff will entertain adult parties too! For \$10.50 per person, and a minimum of 20 adults, party-goers may enjoy an unlimited menu, a deluxe salad bar and coffee. Cake, decorations, and entertainment are additional options. In addition, Fluky's staff will set up an optional bar (customers must supply the beer and wine). Parties may be held any evening after 7 p.m. For more information or private party reservations, call 274-3652.

Fluky's party managers will also take their "red hot" menu on the road, and bring Fluky's direct to you. For \$4.25 per person, Fluky's super catering service will supply tasty all-American specialties: unlimited hot dogs and soft drinks, anytime. Great hamburgers, Polish sausage, salad bar, potato chips and other menu items are also available and reasonably priced. The number to call for catering service is 274-3652.

Regina's Benefit features Mary O'Hara

Regina Dominican High School Chamber Singers rehearse with Irish harpist and folk singer Mary O'Hara for "As Years Go By," the school's 29th Annual Benefit at 7:30 p.m. April 5 in the school auditorium, 701 Locust Rd., Wilmette. Pictured (front row from l) are: Julie Busch, Glenview; Mary O'Hara, Berrin Ozdeger, Glenview; (second row): Charlotte Parsons, Evanston; Carina Keefe, Skokie, and Jennifer Drugay, Glenview.

Irish harpist and folk singer Mary O'Hara will be the featured artist at Regina Dominican High School's 29th Annual Spring Benefit at 7:30 p.m. Sunday, April 5 in the Regina Auditorium, 701 Locust Road, Wilmette.

Miss O'Hara will be joined by Regina Chamber Singers, Swing Chorale, and performing arts students in "As Years Go By," with Mary Bazzuti as musical director, Nancy Schultz as technical director, and Hope Phillips as art director. Lisa Cavallari '87, Northfield, will narrate the show.

Garry and Mardi Gill Woodward, Evanston, are general chairpersons of the benefit. Co-

chairpersons are Jim and Ellen O'Connor, Evanston.

"The benefit, Regina's thank you for parents' efforts throughout the year, is specially dedicated to Regina's alumnae as we look forward to beginning our thirtieth year in September," said Sister Ann Fallon, O.P., president of Regina.

"The dedication to our alumnae is also appropriate because Mardi Gill Woodward is the first alum to chair the benefit," she continued.

Although the Woodward's older daughter Shannon will graduate from Regina in June, Casey, still a preschooler, will be in Regina's class of 2005.

Percussion Pops Concert

Enjoy a musical evening of hot rock and cool jazz during the Percussion Pops Concert at 8 p.m. Friday, March 27, in the Oakton Community College Performing Arts Center, 1600 E. Golf rd., Des Plaines.

The concert is directed by Jake Jeger, nationally known orchestra leader and percussion director at Oakton. Eight percussionists plus guitar will perform six to eight percussion pieces of Latin rock and jazz. Outstanding Oakton students will be featured in solos, duets, trios and full ensemble.

Members performing in the percussion ensemble are Herb Barnett (Skokie), James Betsios and David Pavkovic (Niles), John Cook (Morton Grove), Tony DiMartino, Darren Prechedko and Kurt Wilson (Park Ridge), Mark Gusek (Evanston), LeAnn Paulson and Chris Schaefer (Des Plaines) and Todd Wolf (Wilmette).

Local artist exhibits paintings

Helen Van Tempa, a Morton Grove artist, will exhibit some of her paintings at the Talman Home Federal Savings and Loan Association at 2454 Dempster St. in Des Plaines.

The exhibit will be on the first floor area and will consist of a group of paintings showing the color and the actions of horse-

racing and also a group of paintings depicting impressions of the oriental theatre.

Van Tempa is known for her painting expressing mood and action through color. The artist exhibits and teaches in various suburban areas. She has taught painting classes in Niles and Northbrook for some time and just recently has begun a painting class for the Glenview Park District at the Rugen Community Center on Shermer Road in Glenview.

Classes are held Monday mornings and are open to those interested in learning how to paint in a workshop, but suddenly finds himself "sold" to the undertaker. Oliver then decides to run away and meets a group of mischievous thieves led by Fagan. Appreciated by the

"Merry Wives of Windsor"

Loyola University of Chicago's Department of Theatre will present "The Merry Wives of Windsor" by William Shakespeare during two weeks in April. The rollicking musical farce opens April 3, and subsequent performances are scheduled for April 4, 5, 10, 11, and 12. Friday and Saturday performances begin at 8 p.m., and Sunday matinees begin at 2 p.m.

"The Merry Wives of Windsor" features zany and colorful characters. Outwitted by two middle-class wives, Shakespeare's most clever comic lecher, Falstaff, attempts seduc-

tion, and instead, suffers indignities galore. Every fool suffers some enlightening defeat in this funny and poignant play.

Performances will be held in the Kathleen Mullady Memorial Theatre, Centennial Forum complex, on Loyola University's Lake Shore Campus, 6525 N. Sheridan Rd. Box office hours are 11:30 a.m. to 5 p.m. Monday through Friday. Visa/Mastercard are accepted and group rates are available. Parking on campus is 50 cents.

For more information call the box office at (312) 508-3847.

Day Care benefit show

Critically acclaimed singer Jimmy Damon and jazz pianist Buddy Charles will join forces for an afternoon of non-stop entertainment at a benefit for the Northwest Suburban Day Care Center Sunday, April 5.

Damon, a Chicago native who has appeared on the Tonight Show and played in top clubs around the country, is frequently referred to as "a young Blue Eyes." He's equally at home whispering a torch song or belting out hand-clapping gospel.

Charles, who performs nightly at the Acorn on Oak, is well known on the Chicago scene for his animated jive and great sense of humor. His energy doesn't stop at the keyboard. After a 4 a.m. closing on Saturday night, the Morton Grove resident is up early

Sunday morning to teach Sunday School at St. Isaac Jogues in Niles.

The benefit will be held at 2 p.m. Sunday, April 5, in the Maine West High School Auditorium. Tickets are \$6 for adults, \$3 for children and \$5 for senior citizens. Donations are tax deductible. For tickets, call the day care center at 299-5103.

Northwest Suburban Day Care Center is the only area day care center serving children from low-income families on a sliding-scale basis. The center cares for 35 children, ages 3 to 5, and also assists parents in enrolling in job training and placement programs. Most of the children are from single-parent homes in Maine Township.

Co-chairman of the benefit are U.S. Rep. Henry J. Hyde and Maine Township Supervisor Paul K. Halverson.

Art classes registration

An additional contract was awarded to Commonwealth Edison Company to install a more effective lighting system at Stevenson with the hope of decreasing vandalism.

It was a special night for Donald Huebner, principal of Gemini, who announced the birth of his first grandchild and proudly displayed trophies won by Gemini students this past week in downstate final competitions.

Another news item from Geminis is the reassignment of Mr. J. Ronald Silverman to the position of Dean of Students for the balance of the 1986-87 school year.

As a final act of business, Dr. Lenore Page, Assistant Superintendent, presented a report on updating the Basic Skills and Improvement Program which has been revised to comply with state standards.

The Board also awarded a contract to Play Systems of Morton Grove for the amount of \$1,845 to repair damaged playground equipment at Stevenson School.

NILES STARS AGAIN... the village could be turning into a second Tinsel Town with the town again selected as a location site for a Columbia Pictures movie.

The movie "Vice Versa" starring Judge Reinhold of "Beverly Hills Cop" and Fred Savage was shot at the Sports Complex for some scenes of a youth hockey team. The Niles Park District was richer by \$2,000 for allowing use of the location.

According to Don Huebner, principal of Gemini Jr. High School, about 150 crew members and extras had lunch in the school cafeteria served from a mobile kitchen trailer on the school grounds.

Niles has been a location site for "Date Night" shot in the former Cook County Sheriff's Police Station and "Crime Story" with scenes filmed in the parking lot of the Niles Police Station and nearby Army Joy doughnut shop.

In addition, Maine North High School (an unincorporated Des Plaines) will be a repeat location for a movie in the fall by United Artists. The film "Breakfast Club" was shot in the school in 1984.

water. In a 32-page order, the judge stated the suburbs had not proved their case regarding the overcharges and were not entitled to a refund of about \$150 million.

A post-trial motion questions claimed errors in fact or law in the case made by the court in rendering a decision. The motion was filed in January which asked Judge Green to change his opinion along with a brief detailing why it should be changed.

"It's an avenue for appeal, but any appeal would be subject to the wishes of the parties involved," said Kathy Janega, one of the attorneys representing the suburbs.

The suit was filed in 1977 in behalf of the suburban communities which contends Chicago had overcharged \$149.5 million during the past ten years, including several water rate increases.

Suburban attorneys claimed the suburbs use 17 percent of Lake Michigan water, but pay 28 percent of the expenses incurred by Chicago to service the water.

There has been three water rate increases since 1973. The suburbs are now paying 77 cents per \$1,000 gallons for the water.

Following the ruling favoring Chicago, Mayor Nicholas Blase indicated a possible appeal, saying the suburbs would have a better chance in resolving the case at a higher level than the circuit court.

Thefts...

The manager of a construction company reported that between March 14 and 16, someone removed an air compressor from a construction site in back of a bowling alley in the Golf Mill shopping center.

According to police reports, the compressor was on wheels and had to be removed by a truck. Value is undetermined.

Persons unknown removed a rented truck tractor from the parking lot in the 7700 block of Caldwell on March 18.

The manager of a car agency reported that someone broke the locking device that holds the spare tires on 20 conversion vans in the parking lot between March 13 and 14.

Taken from the vans were spare tires, speakers, roof lights and Continental kits worth a total of \$4,300.

A Niles resident in the 9000 block of Cumberland reported someone removed his 1987 Camaro parked on the street on March 17.

The value of the car was estimated at \$20,000.

Someone removed a 1975 Cadillac worth \$500 from a parking lot in the 9700 block of Dee Rd. on March 19.

Persons unknown removed three tires and wheels from a car in a parking lot in the 8500 block of Maynard on March 17.

The remaining left front tire was flattened a golf ball was thrown through the passenger side window.

Damage to the tire and window was \$200.

Someone entered a car parked in the 8300 block of Golf Rd. and removed a golf club bag, bath towel, men's shirt, swimming trunks and sandals worth a total of \$150 on March 15.

A Niles resident reported March 18 that she placed her purse in a shopping cart while shopping at Jerry's Fruit Market and returned to find it missing.

The purse contained a driver's license, \$9 and credit cards.

A Niles man was charged with driving with a suspended license, unlawful use of a license and failure to wear a seat belt on March 15.

The offender was observed changing lanes on Milwaukee Ave. without signaling within the required 100 feet cutting off another motorist. A traffic stop was initiated in the 6800 block of Milwaukee.

During questioning, police found the offender had a cancelled expired driver's license belonging to another person.

He was released on \$1,000 bond pending an April court date.

Someone used a hard object to smash the driver's side window of a car parked in an apartment parking lot in the 8800 block of Golf Rd. on March 14.

Damage was estimated at \$600.

Res students to participate in National Balloon Launch

Students at Resurrection High School, 7500 W. Talcott, will join with over 200,000 students from more than 1000 schools across the United States to launch helium filled balloons at the same time on Monday, April 6.

Sponsored by the Triangle Coalition for Science and Technology Education, the National Balloon Launch is a nationwide science project which marks the opening day of National Science and Technology Week.

From Hawaii to New England and from Alaska to Texas, some 225,000 children will let go of their balloons at the same time (from 8:30 a.m. in Hawaii to 1:30 p.m. on the East coast). Once aloft, each balloon's journey will be determined by the altitude it reaches and the prevailing winds on April 6.

Children will attach bright pink postcards to their balloons giving their names and the site from which the balloons are released. The cards give the latitude and longitude of the launch site and request the finder to report the place the card is found. The cards are postpaid and pre-addressed to the American Geological Institute in Alexandria, Virginia.

AGI will return the cards to the launch sites so that the children can plot on maps of the United States where the balloons are found. They will then compare the "find" sites with a map they made predicting where they would expect their balloons to be found. These predictions will be made using "winds aloft" information on the day of the launch.

Originator and coordinator of the National Balloon Launch, the Triangle Coalition for Science and Technology Education is composed of businesses, industries, labor organizations,

science and engineering societies and science education organizations.

We encourage the student to identify individual goals and tailor the program to meet his/her needs. For example, if the person's desire is to be able to learn to read a utility bill, we may use the bill for vocabulary development. He may also work on job applications, the Illinois Driver's exam book or any number of materials relating to that student's life.

A student should be at least 16 years old and not enrolled in school—either native born or foreign born. Anyone with reading difficulty regardless of income may join the classes.

Parent-Teacher relations workshop

A training workshop on the topic "Building Effective Parent-Teacher Relations" will be held at Elmhurst College on Saturday, April 25 from 9:30-11:30 a.m.

The workshop is being sponsored by the College and the DuPage Regional Unit of the Chicago Association for the Education of the Young Child.

It will be held in the College Union Building on the Elmhurst College campus, 190 Prospect, Elmhurst. Coffee will be served beginning at 9 a.m.

Resource material on the subject will be distributed during the workshop, and credit for two hours of inservice training is available.

For additional information or to register, contact Dr. Lenore Wineberg, Department of Education, Elmhurst College, 279-4100, Ext. 321.

NSDAR essay contest winners

Richard Lee, 7th grade, and Paul Kleiman, 8th grade, students at Gemini Junior High School, 8955 N. Greenwood, Niles, East Maine School District 63, have won the essay contest for 7th and 8th grade which was sponsored by the Twenty First Star Chapter of the National Society Daughters of the American Revolution.

On February 20, Mrs. Marilyn Mazzenga, Historian, and Mrs. Myra Steinbrink, Regent of the Twenty First Star Chapter of the National Society Daughters of the American Revolution, presented to each of the 7th and 8th grade students who participated in the contest.

ent sitting next to us on the homebound plane confirmed the professor's means of communication was becoming commonplace. He, too, was a computer science student.

The professor said he was fascinated with Chicago politics but was bewildered by what is happening in the Chicago Mayor race. We told him our reading Chicago papers tells us Hynes (the Daley forces) and Vrodylyak have given up trying to win the Mayor race but are fighting for the white power structure of the Democratic Party and are out to control the County Party which is outside the reach of Mayor Washington.

There's a tremendous number of jobs and contracts which are controlled by the people who control the County political machine. They're foregoing the gold medal, which goes with winning the Mayor's race and are fighting for the silver medal or the second place award which will allow them to control the County machine.

Meanwhile, the colleges are turning out 40,000 journalism graduates a year. Somebody is over-romanticizing a field where the opportunities are very limited.

Citizen of the year by the Niles Chamber of Commerce for her involvement in senior citizen and handicapped programs.

Improvements during her tenure include remodeling of the lobby of the Grennan Heights building, bringing about a revenue-producing ice rink at the Sports Complex, and the opening of a new miniature golf course and batting cages in April at Jozwiak Park.

Goals for the future (if re-elected) include programs for teenagers or "youth club," building a new club house at Tam golf course and purchasing another coach bus for use by senior citizens.

Park board candidate Richard Plonks, a five year resident of Niles, said the park district programs are good "overall" and well organized, but there is always room for improvement.

Although he does not have the background experience of a board member, Plonka said he's been researching park district operations and its programs and would be able to give some input for further improvements if elected to the board.

"I had some concerns about vandalism in the parks which prompted me to run, and I could contribute some ideas to reduce the problem," he said.

In answer to a question from the audience, Heinen said vandalism has been reduced through patrol of the parks by off-duty policemen.

Library candidates (vying for two library seats) expressing their views at the forum were: Robert Quattrocchi, 26, president of a vending business; Paul Warnick, 44, an optometrist; Angelo Suranno, 44, a real estate broker;

proval from the commissioners for the project.

According to Scheck, left turn bays would be installed at the intersections of Dempster and Fernald, and Dempster and Georgian. As a result, a total of 23 parking places would be lost to allow for the bays. He stated, however, the improvements were necessary to move traffic more efficiently and avoid accidents.

The commissioners and Richard Hols, superintendent of parks, expressed a concern over the safety of pedestrians if these bays are installed and parking spaces eliminated. They were concerned that with more lanes of traffic at these intersections, the safety of pedestrians crossing Dempster would be jeopardized. Scheck assured the board the safety of pedestrians may be improved by eliminating the parking spaces. Scheck brought up these concerns at the Morton Grove Village meeting on Monday.

Administrative Manager Gary Balling outlined his program during the meeting. He has started work on long term capital improvements and strategies for the district. He hopes to have a full report at the next meeting.

Joan White reported the Summer day camp sessions are slowly closing. As of March 19, only 10 spaces are left in both sessions of Traveling Teens. Camp Mor Gro has 20 spaces left in the first session and sessions 2, 3, and 4 are closed.

She also reported the Prairie View 5K Run is set for Sat., Apr. 11. The run will start at 9 a.m. More information may be obtained from the park district.

Village resident Art Fladoos asked the village board to look into the matter of bicyclists disobeying traffic regulations at the Dempster-Lehigh crossing as well as racing on the bike paths in the Forest Preserves. He also asked for something to be done about the excessive speed of the Soo Freight Train line at 4 in the morning.

and Walter Chmielowski, a printing broker who was appointed to the board following the resignation of Frank Biga Jr.

Suranno, who lives in unincorporated Des Plaines, said his experience in financial matters would be an asset to the board. "I feel the biggest challenge for me is to represent the entire district to the best of my ability," he said, adding the unincorporated area has 40 percent of the tax base that supports the library district.

"There are a lot of ideas and programs I would like to bring to the board that would benefit Niles and the unincorporated residents in efforts to have the best library system available. I really don't think that's the case now," he said.

He added with the closing of the branch library, bookmobile service is not adequate and older people and children find it hard to get to the main library. "I would like to see some type of branch in the schools on a cooperative basis with the library district. As a board member, I also think it's important to utilize funds and give the best value available."

Candidate Walter Chmielowski said the board needs to take a good look at the budget to determine what can be done to improve the library. "With increasing revenue... only so much can be done. We have to determine where the money can be channeled to strengthen the library system," he said.

He added another referendum may be needed to continue to provide good library services and programs. Noting that money is obtained from grants, he expressed concern the new tax laws could dry up that source. "I feel we have a great library system and staff, but salaries should be on a par with other districts," he said.

Candidate Robert Quattrocchi

independent, active elderly people, age 62 and older. Set on a 6.1 acre on Golf Rd. near Western Ave., there will be 11,500 square feet of retail space with plans for a drug store, food shop, beauty parlor and other retail shops.

In other board actions, trustees placed off-track betting parlors in a B-2 special use category and established parking requirements calling for one parking space per 10 square feet of floor area.

By the action, it takes the betting parlors out of the "permitted use" category. The change could limit possible locations for such a business.

According to Joe Salerno, director of code enforcement, Gov. Thompson signed legislation that gave race track owners the authority to establish a total of 14 parlors throughout the state.

A special use zoning for a 150 foot cellular radio tower at 7720 Lehigh was also approved by the Niles Village board at Tuesday's meeting.

The action upheld a recommendation by the Zoning Board, according to Trustee Bart Murphy, acting as chairman pro tem in the absence of Mayor Nicolaos Blase.

Gregory Furda, representing Roger's Radio Call, said the tower would be the "tallest structure" in the Village of Niles. "However, it's smaller than the SPRINT tower in Morton Grove which is about 275 feet tall," he said. "Ours will be located in a heavy industrial area and will be compatible with that section of town."

In a brief presentation, Furda unveiled plans to construct a steel, self-supporting tower with a building at its base housing computer equipment for telecommunication operations (car phones).

The tripod-designed structure will be supported by 20 foot caissons in the ground to withstand hurricane force winds. Other safety features include a fully grounded tower and a lightning rod, he said.

...Bids were opened for the 50-50 sidewalk program with a low bid of \$171,100 by Trialta approved by the board.

...The public services committee will review and have the power to act on bids offered for the installation of a roof on the Trident Center. The bids ranged from \$33,212 to \$98,115.

In a question from Trustee Jim Mahoney that the bids were "way over the budgeted amount of \$28,000", the board learned an inspection revealed the roof of the Third Circuit Court Building was also in need of repairs.

After a discussion, the board agreed it was necessary to re-audit the budget to include expenditures for new roofing for both the Trident Center and the court building.

...Approved a new zoning map for the village.

stressed the importance of having a larger book collection. "I would like to see a branch at both ends of town, but the money isn't there to support one," he said.

He suggested the library board and schools should develop a program to provide books for the children. "I would like to see an outreach program where residents would have book depositories at convenient locations in the district. As a board member, I would feel it's necessary to work with the dollars we have."

Candidate Paul Warnick told the audience the board should educate the people to the library system to attract more patrons.

"It may be a fine library, but people tell me they go to other libraries to get what they want."

He added the library system is "good and getting better. We should promote the district to give people the chance to come to meetings and find out what's going on in library operations and give some input for improvements."

Warnick said the videotape of this program will be shown on Cablevision, Channel 21, on Thurs., Mar. 26, 7-9 p.m., Mon., Mar. 30 5:30-7:30 p.m., and Tues., Mar. 31, 5:30-7:30 p.m.
