by Sylvia Dalrymple

From the Left Hand

by Bud Besser

The following is an out and out pitch for the guys down at the Niles police hall. Nothing subtle. Nothing tricky-just an out and out pitch.

In Chicago, the police department is about to have "a changing of the guard." Police Chief Fred Rice is retiring and a commission will recommend three Chicago police candidates be chosen as finalists for the top job in the police department.

In Niles, the police department is about to have "a changing of the guard." Police Chief Whitey Emrikson is retiring. But unlike Chicago, Niles is hiring a management company to scour the national countryside for candidates for the post.

Chicago reps said they prefer to choose a man who has come up through the ranks. They say such men are high-qualified, contending experience in the department is an important requisite in making the candidate qualified. They say they want

FLU & PNEUMONIA PREVENTION
Each winter, millions of people suffer from the unpleasant effects of the "flu." For most of these people, a few days in bed, a few more days of rest, aspirin, and plenty to drink will be the best treatment. But for older people or those of any age with chronic illnesses, flu can be life threatening. By lowering a person's resistance, flu may allow more serious infections to occur, especially pneumonia. A flu shot will help protect against the most commonly suspected flu strains of this winter, and the pneumonia shot gives lifelong immunity to the twenty-three most common forms of the disease. The Morton Grove Village Hall Senior Center will conduct two immunization clinics for residents age 65 and over from 10 a.m. to noon on Sat., Oct. 3 and from 2 to 4 p.m. on Tues., Oct. 6. Appointments are required and should be made by calling the Senior Hot Line any weekday-morning from 9 a.m. to noon at 470-5223. A Touch of Italy

Pictured with statue are: (top) 1 to r Silvana Neri, Nicole and dad, Tullio DiPaolo; (bottom) 2 altar servers, Vic and Ricky.

What is the Feast of Maria S.S. Delle Grotte? Why do Italian-Americans living in Niles celebrate this holiday each year, on the Sunday closest to August 22? Perhaps, the answer lies in a deep belief in keeping intact the bonds of religion and family... and in preserving a rich heritage of which these people are so proud.

The story began in the 13th century, in a little town near Rome called Rocchetta Al Volturno. The townspeople chose to honor the Blessed Virgin Mary in their own special manner, with prayers, feasting and dancing. As families began to leave their homeland, some felt a deep desire to rekindle the devotion in the same manner they had heard about from their parents. The Neri and DiPaolo families were two such families. Approximately ten

years ago at Our Lady of Ransom parish in Niles, the feast was celebrated as it was in Italy. Recently, a beautiful statue of Maria was commissioned in Italy, and brought here for the annual feast. Today, you can see Silvana Neri and Tullio DiPaolo breathing life into their special feast. After a Mass and procession of the statue, during which the faithful sing songs in Italian... a wonderful feast with music and dancing is enjoyed by the participants. Enormous baskets of food are auctioned, with donations used towards next year's celebration.

But, the all-important emphasis remains on the religious and emotional ties binding the hearts and souls of these Italian-American Catholics to their proud and rich past.
